Around Town

Sunday's editorial in The Brand apparently didn't do much good. The Brand attacked unfounded news reports about "severe Panhandle weather." So what happens. A Houston paper carried a story the same day telling about the four-inch snow and sub zero weather we had.

Jan. 31 is the deadline to secure grain loans and purchase agreements. Faust Collier, ASC office manager, reminded farmers Wednesday.

In the history of Deaf Smith County there has never been a better time to make a good buy on peanuts. Almost everywhere you go these days someone is offering to help you "shell out" to the March of Dimes by buying a bag of "gobers." Volunteers even had road blocks up over the weekend.

The Chamber of Commerce now has in a new supply of city maps. Bill Lenderman, manager, said the maps were up to date, and would be available at the C-C office for 25 cents each.

Sebastian-Rosano and Mrs. Sam Albright presented a musical program for the Lions Club here on Wednesday. Rosano played the violin, accompanied by Mrs. Albright.

Annual meeting of the Hereford Housing Project board will be held Saturday at 2 p.m. in the grand jury room at the courthouse.

Mrs. Sully Gleaton and Edgar Lemons were winners of the two rotsierie broilers given away by Piggly Wiggly. It was announced today.

That fire call Wednesday at noon took firemen to 232 Avenue A where they extinguished a trash fire in a shed. No damage, was the report filed by Clay Angelo, fire marshal.

Two women wrestlers will head the card this week at the Bull Barn wrestling event. Cathy Lee will meet Joan Ballard in a two out of three fall event. Danny Savich meets Dory Funk in another two out of three fall match. Tri-Hi-Y girls will be in charge of the concession stand.

There will be a civil defense meeting Tuesday at the High School auditorium at 8 p.m. Everyone interested has been urged to attend.

Date for the Lions Club pancake supper has been announced for Feb. 10.

The Westway annual Negro Minstrel has been scheduled for Tuesday evening, Jan. 31, in the Community House, according to announcement.

Speeding Chase Ends In Court

A series of charges were filed against a Negro man here this week following a speeding chase through Hereford.

Police identified the man as Charlie Johnson. He was filed against by City Police in Corporation Court and by Highway Patrolmen in Justice of the Peace Court.

Johnson allegedly raced through a road block set up here by City Police when being chased by Highway Patrolmen. He then led officers in a 100-mile an hour race through Hereford, running a red light in the process.

The suspect halted his car once outside the city limits and fled. Officers fired several shots at him but missed.

Johnson entered a plea of guilty to charges in Justice Court and was fined \$100 after surrendering voluntarily. He is free on \$200 bond on the Corporation Court charges of speeding, running a red light and resisting arrest. His trial has been set for Feb. 2.

City Calls For Bids On Wells

The City of Hereford this week called for more bids on work and supplies needed in the water works expansion program.

Bids called for were for the complete construction of four new water wells for the City. Bids will be opened Feb. 13.

Lesley Is Named State Conservation Director; Hardy Benson Is Honored

A Hereford man was elected as member of the Board of Directors of the Association of Texas Soil Conservation District Supervisors at the 15th Annual Convention of the organization held over the weekend in Lubbock.

Named to the Board post was Luther Lesley. He was one of three delegates who attended the convention from here. Others were Hardy Benson and Charles R. Hoover. Wives of the delegates also attended. Lesley will serve as director from Area I.

Convention speakers were Dr.

C. H. Wadleigh, L. L. Males, Bill Durham and Mrs. Eunice Johnson Halbert.

Dr. Wadleigh's report was read by local members at a meeting of local District members Monday.

At the Monday meeting, Hardy Benson received special recognition in the form of a certificate of merit as the "most outstanding soil-conservation supervisor" in your district.

The award was made by Gerald McCaskill, agricultural representative of the First State Bank here. McCaskill was chairman of the District Bankers' Committee which selected Benson to receive the award. The Texas Bank and Trust Co. of Dallas presents such an award annually.

New Grand Jury Panel Is Called

A new Grand Jury panel will be sworn in here Monday.

The jury apparently has its work cut out, since a number of cases are expected to be heard. Among those expected to go before the Grand Jury are Clifton Potter, Potter, who is charged with murder, was indicted by one county Grand Jury, but the true bill was later quashed.

Jurors called are Mrs. Carl Perrin, L. Culpepper, Mrs. N. G. Elliston, Paul Harvey, Mrs. T. W. Roberson, Cecil Lady, Mrs. S. B. McLallen, Calvin Goodin, Mrs. C. W. Parker, Troy Moore, Mrs. C. S. Gunter, H. M. Benson, Mrs. C. B. Womble, W. J. Albracht, Mrs. Lee Benefield and Clyde Russell.

Hundred Attend Hi-Y Council

Close to one hundred students and sponsors attended the West Texas District Council of Hi-Y and Tri-Hi-Y held here Friday and Saturday.

Nineteen schools were represented at the gathering which was highlighted by two luncheons Friday night and Saturday. Hereford was host to the students for the first time.

About 75 attended the two luncheons, and eight towns were represented. The council started Friday at 4 o'clock and ended with the Saturday luncheon.

Rev. Lester Jones of the Episcopal Church was the principal speaker Friday night. He gave a talk on "What Your Hi-Y and Tri-Hi-Y Means To You."

Survey Set Among Potato Growers

Jack Gannaway, Department of Agriculture representative, will be in Hereford Jan. 29-30-31, to make a preliminary survey among potato growers and to secure their views regarding a possible future potato program for the area.

Jack Renfro, local president and member of the national committee, made the announcement. He said that Gannaway will also contact Extension Service representatives in the area and make a general inspection of conditions and needs.

County Calls For Nurses Home Bids

Deaf Smith County Commissioners this week called for bids on the construction of the new nurses' home for the Deaf Smith County Hospital.

Bids will be opened Feb. 13 at 2:30 in the court house at the regular meeting of the court.

In other action at the regular meeting of Commissioners, it was decided to make a study of all insurance on county property. An expert will be brought in to evaluate the property so that necessary insurance may be taken out.

Largest C-C Banquet In State Set Friday

Oklahoma's Josh Lee To Deliver Address

Plans are complete for "Texas' largest chamber of commerce banquet," which will be held here Friday night in the High School auditorium.

Some 800 persons are expected to attend the annual Deaf Smith County Chamber of Commerce banquet, an unprecedented number for the entire Panhandle. Surprising thing about the large number

One of the highlights of the banquet will be the presentation of the Man of the Year award.

of tickets sold, according to C-C officials, is that no actual "real drive" has been made. Originally a goal of 600 had been set, but that many tickets were put on sale to the general public.

The unexplained rush on tickets sent Bill Lenderman, C-C manager, back to the printers for more tickets. It also gave him and other officials a headache for a while. It was feared that more than 600 people would crowd the gymnasium. After measuring the gym, however, the officials announced that more than 800 could be seated "without crowding anyone."

Wednesday, ticket sales have jumped to near the 750 mark. Tickets have been withdrawn from downtown drug stores, where they were first put on sale, and can be obtained only at the C-C office. Lenderman said that about 50 tickets are still on hand, "and the demand is still great."

Why all the interest in the banquet? No one is sure, but some good reasons have been put forth. One of the most prominent speakers in the nation is to address the group, one of Texas' most famous caterers will provide the food and Hereford's own outstanding High School Mixed Choir, under the direction of Don Moore, will provide the entertainment.

Speaker will be Josh Lee. Lee is former U. S. senator from Oklahoma and at one time served as head of the Speech Department of the University of Oklahoma.

Walter Jetton, Fort Worth caterer, will serve the meal.

Lee has been prominent in Washington activities during the past few years. He just completed his third term on the Civic Aeronautics Board, on which he served since 1943. Failure of the Eisenhower Administration to re-appoint him to the office has caused headline making news in the past two months.

Before his appointment on the CAB, he served as chairman of the United States delegation to the Pan-American Highway Congress which met in Mexico City. While a senator, Lee was a member of the Commerce Committee, Foreign Relations Committee and the Military Affairs Committee. He was appointed Senate Majority whip and was made a member of the Steering Committee.

The banquet will be staffed by representatives of both Amarillo television stations. It has gained both regional and state newspaper recognition.

Roberts Murder Trial Ordered Transferred Here

The murder trial of Harry Leo Roberts has been ordered moved to Hereford on a change of venue by District Judge Harry Schultz. Judge Schultz' ruling came Tuesday afternoon in Stratford, where the trial had been transferred from Dumas on a similar ruling. After questioning 36 members of a special venire and failing to get a single juror, Judge Schultz made his decision.

District Clerk Lucille Posey of Hereford said Wednesday that she had been notified of the ruling by Judge Schultz. She said the judge had asked her how many jury lists were on hand, but did not state definitely how many jurors would be called. Four jury lists, totaling 240 veniremen, are expected to be called, however.

Roberts is charged with the murder of his 17-month-old daughter, Nita Marie, Aug. 21, 1954. He was tried and found guilty by a Moore County jury and sentenced to die in the electric chair, but the State Court of Criminal Appeals in Austin ordered a new trial after reviewing the case.

The case came up again in Dumas in October of 1955, but was moved to Stratford after it proved impossible to qualify a jury.

Roberts is represented by E. T. (Dusty) Miller, James G. Lumpkin and Deane Watson, all of Amarillo, and King Fike of Dalhart and B. F. Edwards of Clarksville. District Attorney Floyd H. Richards of Dalhart heads the list of prosecuting attorneys. Archie McDonald of Dumas and E. E. Coons of Stratford have also assisted.

NEW BAND UNIFORMS — New uniforms for the Whiteface band arrived this past week. In the picture above Jackie Brown, daughter of Mr. and Mrs. Jack Brown, stands in front of mirrors so that you can see the uniform from all angles. They are maroon and grey, featuring West Point style jacket. White shoes and socks complete the uniforms. (Staff Photo)

Shadow Players Set Next Production For Feb. 10

Rehearsals are now under way for the presentation of "Hillbilly Courtship" to be presented by the Shadow Players of Hereford Feb. 10 and 11, at 8 p.m. in the Hereford High School auditorium.

The play takes place in the wild and woolly Ozark Mountains and is centered around a "feud" between Ma Peppin and Pappy Stilsby. Ma "wrens" to be quite disturbed.

OUTSTANDING CONSERVATION SUPERVISOR

H. M. (Hardy) Benson, right, accepts the Certificate of Merit from Gerald McCaskill, Hereford State Bank agricultural representative, awarded him by the Texas Bank and Trust of Dallas as the "outstanding soil con-

servator supervisor of your district for 1955." McCaskill headed the District Bankers' Committee which made the selection. The presentation was made Monday at a breakfast held by members of the Soil Conservation District.

The thing about this business is that you are never really sure about what folks are interested in most. Several have mentioned the Price Daniel announcement at Austin last Saturday, and the fact that The Brand covered his announcement.

Actually, the occasion coincided with the Mid-Winter meeting of the Texas Press Association and, since Sen. Daniel is co-publisher of the Liberty Vindicator and a long-time member of the association, it was natural that he would make some sort of announcement at the time he did. There were some 225 publishers from over Texas at the meeting—and every single one of them definitely felt that Daniel would be a candidate for Governor. Most of them expressed the feeling that Sen. Daniel will have an easy race, despite a universal feeling that Ralph Yarborough would also be a candidate. I was one of the few who predicted that Sen. Daniel would have a tough race—and I definitely expect to vote for him personally, because I feel that he is an honest, sincere man.

However, it is well to remember that Sen. Daniel was among long-time friends who have known him for years—and it is easy for one to think that his friends will shape up on the "Conservative vs. Liberal" issue much as we saw in Texas in 1954. I doubt if Sen. Daniel will have the available funds which Mr. Shivers had, and I doubt if he is such a well qualified campaigner as Mr. Shivers. Meanwhile, the old Yarborough organization can swing back into action immediately, plus an ever-growing dissatisfaction among the farm folks across Texas—and they

are numerous. It is possible, of course, that some change in the proposed farm program may occur. Such, at least was cited by Sen. Daniel as one of his reasons for not leaving Washington right now. Legislation from Congress could easily alter the situation all over the country. Without some relief along this line, I sure think that the 1956 governor's race will be a dog fight—and wide open until the last and final vote is counted. It could be that close. Anyway, that is how it looks to me.

Austin, of course, tends to make everyone talk and think politics—even the outsiders. It is the only place I have been where any other topic can over-shadow the weather. I was talking with one of the bell boys (who was from Muleshoe, incidentally) and he said that the rain there—Saturday was the first they had seen in 47 days—and even before the words were hardly out of his mouth, he wanted to know what I thought about Sen. Daniel's statement. Seems like politics gets into the atmosphere—and you can't get away from it. Where we take these things with a grain of salt, the average Austinite gets downright serious.

Meanwhile, I am being taken for quite a ride around The Brand office. I wrote last Sunday's column on Thursday, when it was bone dry and the sun was beaming down. I foolishly made a weather forecast of "No Moisture"—and made it right in the face of a Weather Bureau forecast of favorable conditions. Friday it was off at 5 a.m.—and had no idea of the fog and moisture content which surrounded the area all of the time I was gone. They tell me, in fact, that clouds were hanging low and moisture was fairly oozing about the place when The Brand

PLENTY OF ADVICE — Ralph W. Yarborough holds some of the thousands of letters, postcards, telegrams and petitions he said he has received during the last eight months advising him to be a candidate for governor in the next election. Yarborough, twice an unsuccessful candidate for governor, said "Almost everyone who writes me says its clean-up time in Texas." (AP Wirephoto)

finally went to press.

When I heard about this, I was pretty sure that someone around the office had gone to the trouble to pull out the dry weather paragraph. Anyway, that is definitely what I would have done. I am like the Chinese when it comes to "saving face." Well, they didn't and, when questioned about the paragraph, one of them said, "We had confidence in you—despite how it looked." Another said, "No, Sir, Mr. G. is never wrong—about the weather." All of them also pointed out how I was right in the prediction, despite the apparent conditions.

This is a bunch of malarkey, of course. The people who know me best have the least respect for my weather forecasts, including myself. Like I have always said, I use the "hunch" system and make the predictions without rhyme or reason. The fact that they have been 99 percent right for the past three years has been pure, unadulterated luck. I don't even have any rheumatism to go by in the case of emergency. Anyway, they have a lot more confidence than I have. I would have pulled out that paragraph in a hurry. But since things turned out as they did, about all I can do is repeat what I said last in the column. "I'm sorry. I sure wish I had been wrong."

However, I am beginning to get the feeling that this weather business will loosen up soon. We might turn up with a pretty good rain year in 1956. If I were farming, I would gamble on it. I would plant for a wet Spring. In the last four years our rainfall has been only a little over 50 percent of normal. Never, since 1892, have we had five years so dry in a row. Not even in the dirty thirties.

About the time I had decided that Gaylord Newell would be another Jack Benny when he reached the age of 39, he came through in grand style with one of those barbecued chickens. Like I figured, it really was good. Eula Lee Cave, Jean Stree and George Stambaugh all three put in a good word at the right time—but Gaylord already had the chicken wrapped and re-

dy to deliver. Being the type character who likes to complain, this puts me on quite a spot. About all I can do is say, "Thanks, Mr. Newell; we enjoyed it a lot." However, it was so good that I am sure we will wind up paying money for them, and he will probably do all right in the long run.

Some day the food marts will be doing all of the cooking. The trend started back when they invented canned goods—and has been looking ever since. What's more, America now has more over-weight men and women than ever before in the nation's history. Folks who like to talk about "biscuits like mother used to make" thrive, it seems, on the canned variety.

Be sure to hear Josh Lee at the C.C. banquet Friday night. I sat across from an old boy from Dallas while en route to Austin. He said he took a course at O. U. in public speaking under Josh Lee—and that Mr. Lee is absolutely tops in the business. He was even thinking about coming all of the way from Dallas to Hereford just to hear him. I told him that tickets were at a premium, but to come on out... that we would get him one somehow, somehow. If he does, I guess I will be in a real jam—but it won't be the first time. Besides, I didn't figure he would make it.

Sometimes I think that we really miss the boat around here. I notice where the supposedly champion liar—the man who won the Burlington 1955 award—did it with a yarn about how hard the wind blew on certain occasions. Out here where the wind really blows his story would have to be a whopper. Bob Higgins was telling me a while back about how it blew the center line markings off the highway in a gale back in 1933—and Bob was telling the truth. I can't figure how any imaginary tale could ever top the real truth, especially about Panhandle wind.

That's an idea. Why don't all of the service clubs sponsor a Liar's Contest some week, then we could take the champion of each club and have a big, free-for-all contest to decide a Hereford Champ.

A BIRTHDAY PARTY honoring Lynn Sowell on her ninth birthday was held Jan. 21 in the home of her parents, Mr. and Mrs. J. B. Sowell. Those attending the party were, left to

right, Camelia Anderson, Vinita Pitts, Nancy Boyer, the honoree, Jani Brumley, Ann Cunningham and Merle Carmichael. (Staff Photo)

NEW DEPUTY — A. L. Wilson has been named new deputy sheriff. Wilson has already taken over his duties here and his wife and family have moved to Hereford. He was formerly sheriff of Sermon County. (Staff Photo)

Texans are supposed to be pretty good and, with all of the Oklahomans who have migrated into the area, we should have some real competitive talent.

day. Mr. and Mrs. Frank Robbins were in Dalhart Monday on business. Mr. and Mrs. Owen Andrews, Joe, Veradelle and Frances were in Amarillo Friday afternoon shopping.

At The Movies

"Running Wild"
 "Running Wild" will be one of the double features which will be showing Friday and Saturday at the Star, with three new screen star prospects, William Campbell, Mamie Van Doren and Kathleen Case, in co-starring assignments with comedy star Keenan Wynn.

Wynn is seen as the ex-convict and mastermind behind a gang of youthful automobile thieves who, as a sideline, also deal in various forms of mayhem. Young William Campbell tackles his most exciting screen role to date cast as a young police officer who is called upon by his superiors to pose as a nineteen-year-old hoodlum, join the nefarious gang and bring about the downfall of its leader.

"Running Wild" virtually rocks the screen with its intense emotional impact.

The other feature, "Tarantula," which stars John Agar, Mara Corday and Leo G. Carroll, has come up with what may well be the granddaddy of them all. The giant tarantula in "Tarantula" is easily the size of a two-story building—a terrifying thing to behold, even on film. The huge spider, plus the excellent performances of Agar, Miss Corday and Carroll in a finely woven science-fiction plot, make this film the adventure fare.

Agar gives a first-rate performance as a scientist, Leo G. Carroll, plays the professor and Mara Corday is the professor's lab assistant.

"The Left Hand of God"
 Today's movie going taste for the daring and the different in screen entertainment is decidedly satisfied by the Theatre's new CinemaScope attraction, "The Left Hand of God," which will show Sunday, Monday and Tuesday at the Star. Rarely has there been a more off-beat and more intriguing story, told with power and brilliance by a wonderful cast headed by Humphrey Bogart, Gene Tierney and Lee J. Cobb.

"The Left Hand of God" relates the story of a flyer-adventurer, played by Bogart, in China in 1947, and his escape from a sinister Chinese warlord (Cobb) in the guise of a Catholic priest. The complications ensue when Gene Tierney, a nurse at a Chinese mission where Bogart takes passing refuge, finds herself falling in love with a man she believes to be a priest. This forceful and delicate situation is handled with great tact and taste, and also with artistic skill and uncompromising candor.

"Bengazi"
 The North African city of Bengazi, frequently described as "the last stop of the lost" and "the hangout of the hunted," is the setting for "Bengazi," a new RKO Radio Picture, which will show on Saturday and Sunday at the Texas, with Richard Conte, Victor McLaglen, Richard Carlson and Mala Powers in the co-starring roles.

Gold is precious but life is cheap in Bengazi and it is a quest for a hidden gold treasure that sets the stage for this adventure film. It had been secreted in a deserted mosque in the desert by tribesmen to preserve it during the fighting between Montgomery and Rommel and when an army deserter who knows its hiding place enlists a pair of former gun-runners to find it, the strange adventure begins. Through a series of dramatic circumstances, the three treasure-seekers, the lovely daughter of one of them and British Intelligence officer who is on their trail, are all made prisoners in the mosque where the gold is hidden as the Bedouins maintain a constant barrage of rifle shots from the seclusion of the surrounding dunes.

Thrills and suspense mount high as the strangely assorted prisoners try to penetrate the ring of death which surrounds them and the outcome is unpredictable until the thrilling climax is reached.

Dakonya Campfire Group Studies Law

The Dakonya Campfire group discussed the Campfire Law and talked about their honor and scrap book. The girls also discussed their honors and Indian symbols.

Members present were Connie Kent, Caroline Brumley, Sheri Dameron, Jenny Holt, Sandra Hoover, Becky Jackson, Kathy Knox, Jackie Nunley, Jo Ann Thomas, Sandra Vaughn, Sally Whiteside, Texie Ruth Williams, Ann Gentry, Joyce Linderer, one new member, Jerry Bea Noland and our leader, Mrs. Nunley.

Homestead Improvement Studied By H.D. Women

Health and Safety and Homestead Improvement were program subjects for the Home Demonstration clubs reporting recent meetings.

Clubs reporting are: **Progressive** "Health and Safety" was the program topic for members of the Progressive H. D. Club who met in the home of Mrs. H. L. Hershey Jan. 17.

In a round table discussion the women pointed out that one should obey all traffic laws, cut rate of speed, be alert and in good physical condition when at the controls of a car. They were also reminded that to hesitate is not to stop and that stop signs mean what they say for the safety of all concerned.

Mrs. Pete Carmichael was appointed to serve as living room demonstrator and Mrs. C. C. Boy-

er will be the club's nominee for delegate to the district meeting. Mrs. T. J. Parsons will represent the club as nominee for THDA county chairman.

Those present were: Mesdames Floyd McGee, Lester English, Leon Coffin, Ira Ricketts, Pete Carmichael, C. C. Billingsen, Harold Beauchamp, C. V. Burges, Taft McGee, Mrs. Alton Warren a visitor and Mrs. Doice Nivens also a guest and the hostess.

The next meeting will be in the home of Mrs. Cecil Boyer Feb. 7.

North Hereford

Mrs. Tony Hoffman was hostess for members of the North Hereford H. D. Club who met Jan. 19 for a program on Homestead Improvement given by Argen H. Draper, CHDA.

Roll call was answered with suggestions in the yearbook which were related to the program topic and then Mrs. Draper, introduced by Mrs. A. A. Hare, landscape demonstrator, discussed shrubs, grasses, a convenient work area and a recreation area for the farm home. Emphasis was on shrubs and grasses that need little care and a minimum of water.

Roberta Campbell, president, presided and read a poem from a recent publication of Laura V. Hamner as opening exercise.

She welcomed Mrs. Carl Luke as a visitor.

Committee reports were given and a white elephant sale held following the meeting netted the members \$16.85 for the club's treasury.

Plans were made for other fundraising activities.

Refreshments were served to: Mesdames R. E. Barrett, O. C. Williams, Frank Brinkman, E. E. Bishop, George Parker, Fred Barrett, C. L. Whitehead, Mary Bodkin, A. A. Hare, O. L. Williams, R. A. Fullwood, Ludwig Kovacs, Paul Hoff, W. H. Russell, A. E. Hodges, Otto Olson, Roberta Campbell and the hostess.

The next meeting will be in the home of Mrs. A. E. Hodges Feb. 1.

Wyehe

Mrs. E. R. Roberson, program leader, introduced Kenneth L. Maxwell to members of the Wyehe H. D. Club who met with Mrs. Howard Hill Jan. 19 for a program on "Highway Safety."

Maxwell, highway patrolman of Hereford, introduced Patrolman Cecil McNeil of Amarillo, who gave the program.

McNeil told the group there must be plenty of law officers and adequate help on the highways to help the people become better drivers. He pointed out that the officers are trying to help through talks, films and newspaper publicity in a drive to reduce the number of highway fatalities. Other things that should come as a result is less permanent injury and property damage, according to McNeil: Don't drive while drinking, don't drive on the wrong side of the road, don't disregard warning signs, don't follow too closely, don't hog the right-of-way, and don't attempt to pass improperly.

He told the women that 1800 left arms were lost last year as a result of driving with them resting on the door of the car.

Mrs. C. R. Damron, president, presided over business.

Present were Patrolman O'Neil, Amarillo, and patrolmen Joe O'Rear Jr. and Kenneth Maxwell of Hereford, and the following members: Mesdames Ira Ott, C. C. Ellis, C. R. Damron, W. P. Axe, George L. Olson, E. R. Roberson, H. L. Ward and the hostess.

The next meeting will be in the home of Mrs. H. L. Ward Feb. 2.

South Hereford

Members of the South Hereford H. D. Club met with Mrs. John Draper Jan. 17 for a program on "Homestead Improvements," given by Argen Draper.

Mrs. Draper urged the women to select one or more cooperators.

Walcott 4-H'ers Elect Officers At Recent Meet

Mrs. Tom Draper and Mrs. Glenn Burrus, adult leader for the girls, met with members of the Walcott 4-H Club Jan. 20 at the Walcott School.

Mary Dufur, president, presided. New officers named by the group are: Janell Weaver, vice president and clothing demonstrator; and Kathryn Burrus, secretary treasurer. Kathryn will also serve as poultry demonstrator. Merry Kay Pruitt was named song leader and Cecilia Burrus will be reporter. Committees were named by the president.

Refreshments were served by Connie Darwin, hostess, to: Pauline Cole, Hazel Lewis, Royce Lee Pruitt, Connie Darwin, Janell Weaver, Mary Dufur, Merry Kay Pruitt, Kathryn Burrus, Cecilia Burrus, Mrs. Draper and Mrs. Burrus.

The next meeting will be in the home of Mrs. A. E. Hodges Feb. 1.

MARY LYNN MORRISON from The Sadie Lee Oliver 4-H Club, was the only girl's name listed on the pig pens lined up for the large number of entries in the swine division this year. Mary Lynn's brother, Ralph, showed the pigs for her. (Staff Photo)

THIS BLACK ANGUS needs a little encouragement to get him down the chute ready for weighing to the Junior Livestock show last week. The portable chute makes unloading easy for the boys bringing stock to the show if the entries will cooperate. (Staff Photo)

GETTING A PORKER to pose for a picture takes several hands and a good bit of maneuvering to get him in front of the lens. Here County Agent Hugh Clearman gives one the gate not to release him but to put a stopper on him. (Staff Photo)

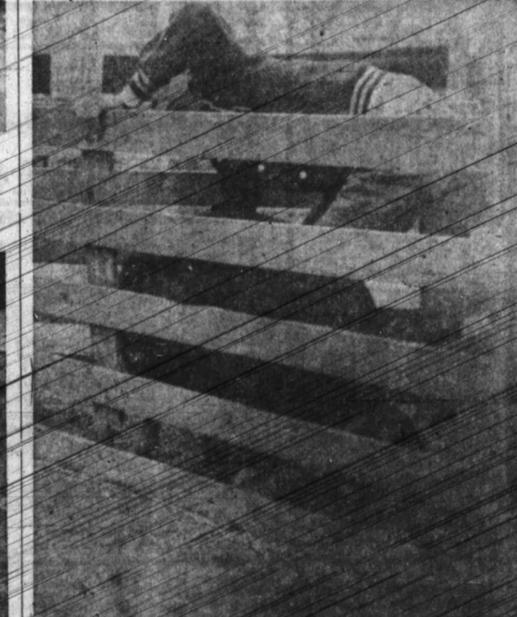

ANOTHER unidentified youngster is giving his pig a haircut with a pair of hand clippers. Oblivious to the presence of the photographer, he is concentrating on trimming the porker's ears to give him a real dressed appearance for the show. (Staff Photo)

DAVID BRUMLEY, son of a hog man who is also the son of a hog man, seems to have his entry in the light Hampshire division under pretty good control as anyone who has tried to take a picture of a hog in the open will appreciate. This gilt won first in the light Hampshire class. (Staff Photo)

GETTING A HAIR CUT is this lamb brought up from Dimmitt by Boyce Tate. This odd looking barber's stool is part of the young showman's regular equipment which is brought along to be set up for the final grooming before the lambs go into the arena for the judging. (Staff Photo)

PREPOSTEROUS TO A PIG is the idea of using water for cleanliness, but the owner follows the shampooing with a nice hairdo in an attempt to get the nod from the judge in the swine division of the livestock show sponsored annually by the Rotary Club. (Staff Photo)

AS GENTLE AS A LAMB would hardly be accepted as adequate by the boy in the Livestock Show who is trying to keep his entry in the line-up in the fine wool division. Even

if the lamb is not selected as a winner, the boy is trying for the showmanship award and a rearing sheep can try a fellow's patience to the limit. (Staff Photo)

LIVESTOCK JUDGE Doug Wythe, Amarillo, goes back for a recheck on the leg of the lamb entered by Peie Plask of Hereford, which resulted in the entry being moved up

to second place in the Southdown class, and eventually on to reserve champion of the Junior Livestock and Poultry Show held last week. (Staff Photo)

H.D. Choral Club Names New Officers

New officers for H. D. Choral Club elected at the last meeting with Mrs. Cecil Parker Jan. 16 were: Mrs. Taft McGee, chairman; Mrs. Paul Hoff, vice chairman; Mrs. Cecil Boyer, secretary treasurer; and Mrs. E. M. Cox, reporter.

Mrs. Dick Godwin was voted a new member. Mrs. Tom Draper and Mrs. R. L. Wilson were appointed as a committee to list requirements for membership.

A special meeting will be held Jan. 30 for a practice session at the home of Mrs. Parker.

Those present were: Mesdames Taft McGee, John N. Jacobsen Sr., Cecil Boyer, Clay Ridgway, Paul Hoff, P. B. Sowell, John Draper, R. L. Wilson, E. J. Parsons, E. M. Cox and Mrs. E. M. Hix, a visitor from Wellington.

H D Chatter

By Argen Draper

The Poultry Show was tagged the best ever and a grand success. The birds were of the best quality and very well groomed. The 28 boys and girls who exhibited birds got some fine recognition that they appreciated. The Rotary Club has always been very generous in giving recognition to youth who put out effort to do worthwhile things. So many people helped that the 4-H leaders want to say a huge thank you to everyone. The Maples from Dimmitt show White Leghorns and turkeys all over Texas in Poultry Shows and Fairs and they said the Poultry Division at the State Fair was not as good as ours.

office. There have been many requests for order blanks so fill those in and mail to one of the agents or to Mrs. T. J. Parsons. Several persons have mentioned trees so why don't you call the office or one of the club landscape demonstrators and you will be sent an order blank. The Chinese elm, Red Cedar and Ponderosa Pine are available for windbreak planting. With the prospect of some moisture this winter there is more enthusiasm over the windbreaks. A lot of the windbreaks have died in the county because of this continued dry weather.

The Negro Minstrel at Westway Friday night will be fun and will be worth your time. This is a com-

munity affair to help in the Poli Drive.

The training meeting for the Heart Program will be given Saturday at 2:30 in the County Courthouse. The Home Demonstration Club members who are on the February program should make plan to attend and representatives from other clubs are welcome.

This week the agent will go to the Westway, West Hereford, Blipus Home Demonstration Club and the County Wide, Happy Homes 4-H Clubs, attend the committee meeting of the Marketing Committee, the Westway Negro Minstrel, help with the program at the Star Theater given for the seventh and eighth grade girls and the heart training meeting Saturday afternoon. Monday the H. D. Choral Club meets at 2 p.m. and several 4-H'ers have insisted that we come to the Band Concert on Monday night. Mrs. Mona Hildreth

Button-On Cafe Curtains New Note In Window Decor

NEW IDEAS IN CURTAINS — Cafe curtains, easy and inexpensive to make, lend an interesting new fashion note to windows. Small sketches show two versions of these smart curtains. At left is detail of simple slot arrangement of pairs of buttonholes through which curtain rod is inserted. At right is detail of button-on curtains with tabs of rickrack trimmed fabric.

By DOROTHY ROE
Associated Press Women's Editor
Cafe Curtains can give a lift to almost any window in the house. Smart and easy to make are button-on curtains which have special fashion interest in their novel use of buttons and their gay multicolor trim.

An effective color combination is to make curtains of yellow indian-head cotton trimmed with coral buttons and rickrack on the tabs and rows of bias binding and rickrack in brown, coral and aqua across the bottoms of the curtains. Local sewing center experts advise use of four time-saving sewing machine attachments — the button-holer, the multi-slotted binder, the edge stitcher and the zig-zagger.

To estimate the amount of material needed for a pair of the curtains, first measure the distance from the curtain rod in proper position to the window sill. Then subtract two inches from this length, to allow for the button-on tabs across top; and add four inches for the seam at top edge and the hem at bottom edge. Using fabric 36 inches wide, double the final measurement to determine the total yardage needed for each pair.

To make a pattern for the scalloped-facing at top, it is suggested you cut a strip of paper 4 1/2 inches by 36 inches. Measure in 1 1/2 inches from each short edge and mark, to allow for side finishes. Then divide the distance between these two marked points into five equal sections, placing a mark every 6 1/2 inches straight across the pattern. Connect these points with a curved line, using a round bowl or plate as a guide for marking, to outline a series of scallops about two inches deep.

Using scalloped paper pattern as a guide, cut material for facings. Cut lengths of material for curtains. Turn a one-inch hem in side edges of curtains; then turn a three-inch hem in bottom edge and stitch. Press hems. On the facing, turn the bottom edge under 1/2 inch. Also turn under the side edges 1 1/2 inches so that the facing fits curtain. Edgestitch and press.

Mrs. Bartlett showed the films of her trip to Vancouver, Wash., Salt Lake City, Utah and pictures of gardens in the northwest. Mrs. Helen Pipkin was co-hostess.

During the business session plans were made to decorate the banquet hall for the annual Chamber of Commerce Banquet Jan. 27. Mrs. Deward Roberson is chairman of the decoration committee.

Members present were Mesdames Lloyd Pool, Tom Carter, Ansel McDowell, Townsend Douglas, S. L. Easley, J. B. Harlin, E. W. Harrison, Chas. Hood, G. P. Owen, Helen Pipkin, B. E. Roberson, D. B. Roberson, Roy Smith, Miss Frances Turrentine and the hostess. P. H. Gilliland, who recently moved from Hereford to Amarillo

where they are operating the Texas Lou Tourist Courts, 1903 W. Sixth St., is reported to be recovering satisfactorily from a recent operation in Baylor Hospital, Dallas. After regaining his strength, Mr. Gilliland will undergo further surgery at the Dallas hospital.

New Officers Take Over Duties In H.D. Council

Committee recommendations for the new year were first in order of business conducted by the Home Demonstration Council at the regular monthly meeting held in the county courtroom Jan. 23. Mrs. N. A. Brown chairman, was in charge.

Others who will serve with Mrs. Brown as officers for 1956 are: Mrs. W. H. Goetsch, vice president; Mrs. Elmo Hall, recording secretary; Mrs. H. S. Fuller, cor-

responding secretary; Mrs. L. J. Straffuss, treasurer; Mrs. Earl DeHart, reporter; and Mrs. P. B. Sowell, parliamentarian.

All committee recommendations were accepted except for one by the finance committee, which was returned for further study.

Committee chairmen reporting were: Mrs. L. J. Straffuss, finance; Mrs. Paul Hoff, yearbook; Mrs. R. J. Coleman, expansion education; Mrs. Dwaine Walker, recreation; Mrs. R. C. Childers, marketing; and Mrs. Earl DeHart, reporter.

Standing rules for the H. D. Council were read by Mrs. Elmo Hall and accepted.

Mrs. A. E. Hodges, THDA, reported on plans for the THDA district meeting to be held in Hereford in April.

Roberta Campbell, retiring treasurer, gave a short financial report for last year.

Those attending were: Argen H. Draper, Mrs. G. V. Hall, Mrs. Elmo Hall, Mrs. R. C. Childers, Mrs. Grady Parsons, Mrs. M. W. Sum-

ner, Mrs. Earl DeHart, Mrs. L. W. Tooley, Mrs. L. B. Washington, Mrs. Dwaine Walker, Mrs. L. J. Straffuss, Mrs. LeRoy Williamson, Mrs. R. J. Coleman, Mrs. N. A. Mrs. Wood spoke on "Our Heritage in Flowers," tracing the study of flower arranging from its beginning in China to today's elaborate arrangements. She quoted from the Chinese "Everything is like a bouquet of flowers which goes from hand to hand—then withers and dies."

Mrs. Sharp told "What We Can Learn from the Japanese." She told how the art of flower arranging in Japan started with worship of the Sun God, and explained the meaning attached to every ar-

Walcott News

By MRS. T. L. COLLINS

Mr. and Mrs. Cresty Rudd and sons, Mickey, Gary, Robbie and Harvey Dale, moved back to Sudan Friday, in their own home. We were sorry to lose three of these boys from Walcott School. All of the family will be missed from our community. We wish them God speed.

Some of the neighbors of the Cresty Rudd family surprised them on Wednesday evening with a farewell "42 party" in their home. Games of 42 were played by the group. A large cake with "Farewell Rudds," baked by Mrs. Clint Homfeld, was served with hot chocolate, coffee and cookies. Four sheets, were given the Rudds as a good-bye token, by those present at the party. Attending were Mr. and Mrs. Melvin Henderson and boys, Mr. and Mrs. Waack Banks and baby, Mr. and Mrs. Jack Fortberry, Christine and daughter Flo and husband, and Mr. and Mrs. Clint Homfeld and children.

These also donated on the Rudd gift, however were not present: Mr. and Mrs. A. L. Shelton, Mr.

and Mrs. Geok Hall, Mr. and Mrs. Tuff Hall and Mr. and Mrs. N. E. Tyler.

Mr. and Mrs. Wayne Kay from Backlin, Kans., visited this week in the home of Mr. and Mrs. Norman Minks and family.

W. L. Potts from Rosedale, N.M., father of Mrs. N. A. Brown, has been in the Northwest Texas Hospital in Amarillo. At present he is convalescing in the home of Mr. and Mrs. N. A. Brown.

Mr. and Mrs. S. D. Dufur went to Amarillo to see the wrestling matches Thursday night.

Mr. and Mrs. Wallace Lumpkins and family went to Whiteface Friday evening to visit with her brother and son, Mr. and Mrs. Steve Self and family and Charles McClure. That night they saw the Whiteface-Morton Basketball game in which Charles played. The Lumpkins returned home Saturday afternoon.

Mrs. Roy Pruitt came home from the Deaf Smith County Hospital Saturday evening. We are pleased that she has recovered enough from her recent operation to be in her own home again.

Raymond L. Collins was home from college at West Texas, for a few days between semesters.

Thomas L. Collins and sons saw the West Texas alumni Basketball game in Canyon Saturday night.

James Burrus won grand champion on his pen of White Rock chickens in the Junior Livestock Show in Hereford. Cecelia Burrus won grand champion on her White Rock hens. These are the children of Mr. and Mrs. Herschel Burrus. Congratulations!

Other Walcott children had entries in this show. We hope they did well too.

A "good" crowd attended the regular P-TA meeting at Walcott School Friday night. The president, Mrs. J. V. Perrin, called the meeting to order and welcomed those present. Mrs. Herschel Burrus read the minutes of the last meeting—these were approved. Rhythm band uniforms were to be paid for by the P-TA.

Members present were Mesdames John Sands, W. B. Gontes, Sam Albright, R. A. Daniel Jr., Ray Giddin, Preston Hagans, C. R. Higgins, Don Martin, W. H. Patton, Pat Robinson, Ira Scott, Lloyd Sharp, Delmo Williams, Jim Wood, Bobby Roberson and the hostess.

The principal, Thomas L. Collins, gave a general "thanks" for the cooperation of the community and P-TA. He showed two Polio films — "Interim Report" and "Remember Me." These were informative, but sad to see. The seventh and eighth grade

children wrote their play—"What the March of Dimes Does for Polio," with these characters: Royce Lee Pruitt was Janet Simpson, who was in the iron lung; Margo Robinson was Janet Nobles, who walked on a crutch; Janell Weaver was Eileen Dixon, who had recovered from polio; and Lee Myers was Dr. Salk. The introductions were made and reading was done by Mary Dufur.

Our guest for the evening was Mrs. Opal Potts from Rosedale, N. M. She drew a nice picture called "The River," with Acts 26: 29 being quoted in the beginning. As the picture progressed she talked some. Last of all "the river" was put in the picture. Some of us fail to leave room for the most important thing in our lives. We need to ask the Master artist to direct. All of us were quite pleased to see the beautiful picture drawn by Mrs. Potts and do appreciate her coming.

Cookies, coffee and Kool-Aid were served to all present. A social hour followed.

Helping in the kitchen were Mrs. J. V. Perrin, Mrs. Al Myers, Mrs. Waldron Melton, Mrs. Herschel Burrus and Mrs. Jack Weaver.

Donna Sue Guseman, daughter of Mr. and Mrs. Don Guseman, was chosen the annual FHA Sweetheart recently. Congratulations Donna!

Why buy a truck in the dark?

If you buy a new truck after looking at only one make, it's like making a deal in the dark. You can't be sure of getting the most for your money.

A smarter way to buy is to "spotlight" real-truck value—weigh and compare competitive claims with these Dodge truck facts:

- ★ Most standard V-8 horsepower of all leading makes — 1/2-ton through 3 1/2-ton range. You'll get faster trips—more work done with DODGE.
- ★ Shortest turning radius. You'll park more easily, wheel through traffic quicker with DODGE.
- ★ Biggest cabs, with biggest wrap-around windshield. You'll enjoy roomier comfort, safer vision with DODGE.
- ★ Highest payload capacities . . . pick-ups providing up to 22% more payload than others. You'll haul bigger, more profitable loads with DODGE.
- ★ Prices down with the lowest. Comparative facts show that, feature for feature and dollar for dollar, the real value is DODGE.

Next truck you buy, don't deal in the dark. Turn a bright light on the facts—see Dodge before you buy.

Herd Shines Early; Succumb By 81-56

By BILL KNOX
The Hereford Whitefaces threw a brief scare into the Phillips Blackhawks before upset hopes went asunder and the soaring Hawks unleashed their power to rack up an 81-56 decision Tuesday night in Whiteface Gymnasium.
The Herd displayed a moment of temporary brilliancy at the onset of the contest before succumbing to the pace-setting cagers from the Oil City. After the first quarter and early in the second quarter, however, it was never a contest.
The fast-break type of offense proved highly successful to Phillips, as little men Ronnie Holder and Judge Perry were almost undefensable. David Benefield and Carl Mitchell did fine work on the backboards.
However, the Whitefaces showed definite improvement from earlier in the season when the Blackhawks murdered the Herd, 87-41. But the Blackhawks still remain in the class of district one.
Little Don Weeks tried valiantly to keep the Whitefaces in the contest, but his efforts were in vain. Weeks ripped the net for 29 points.
Hereford got off to a lightning start, scoring the first four points of the game. Don Weeks got things going with a field goal; then he canned two free shots for the 4-0 lead. But Ronnie Holder and Judge Perry knotted the count with two

from the floor and David Benefield captured the lead for the Hawks with another fielder.
The lead was Hereford's once more when Norman Bookout sank a tip-in to make the score 11-10. Carl Mitchell popped in two charity tosses to once again hand the lead to the Hawks before Weeks was good for another two-pointer, making the score 13-12 with the Whitefaces on the long end.
Phillips overcame a 15-14 lead possessed by the Herd with a fielder by Tommy Newman and scored three more quick points before the initial quarter reached its conclusion.
The score continued slip-and-tuck only briefly in the second stanza. Leading 21-19, the Blackhawks scored 16 straight points without allowing the Whitefaces a single tally to open up a 37-19 lead which would never be challenged. Phillips wound up with a 42-23 halftime margin.
The lead steadily increased all through the third period, the margin being opened up to 26 points. The fourth quarter saw the Hawks lose ground but by only one canto. Phillips' finest quarter was the second. That told the story of the game, because that was the time when the Whitefaces were having one of their more dismal periods. In the second and third quarters Hereford scored 10 points apiece, while Phillips was scoring 23 and 19 respectively. Hereford's best was the final stanza when they accounted for 21 points.
Don Weeks was the high scorer for the game with 29 points. His total accounted for more than half the whole Hereford team. Judge Perry had 17 to lead Phillips, while Ronnie Holder had 15, Carl Mitchell 15, and Tommy Newman 14.
Hereford's once high flying "B" team also found their match very decisively. The Blackhawks slaughtered Hereford, 80-64.

BALL CONTROL — Hereford's Terry Higgins goes high in the air to control the ball during the first quarter of Tuesday night's game between the Herd and Phillips. This shot was taken during the first quarter, when Hereford practically had the visitors on the ropes after a surprising show of strength. The Blackhawks had too many reserves for the locals, however, and went on to win the game. (Staff Photo)

Hereford Brand... SPORTS

District Meets Dates Listed

Dates for district meets of track and field, golf, and tennis, were announced this week by district officials. The dates were decided at a meeting of representatives of the member schools of district one.
The district track meet was set for April 7 at Canyon, and Borden Price of West Texas State was named director. Hereford has consistently for the past three years produced a winner in two events. That is Wayne Smith, a Whiteface football star who runs like a streak of greased lightning.
For the last three years Smith has won the 100 and 220 yard dashes. He has been clocked at 9.9 in the 100. Hereford, excepting Smith, didn't fare too well at the meet last year. However this year reports are that the Herd may do somewhat better.
The golf meet was set for April 6 and is presently scheduled to be played at Pampa. Hereford will be the defending champion and is favored to repeat as titlist. Three

of the four men which composed last year's team will be returning. Dr. Whaley of West Texas State was appointed director of the Tennis contest which will be April 6 and 7, also at Canyon. Hereford failed to produce any winners in last year's tournament, and reports are flowing too freely from the Hereford camp this year.
The Girls Volley Ball Tournament will be held at Dumas on Wednesday, April 11, beginning at 4 p.m. with Mr. Vick of Dumas acting as director.
The officials voted to purchase a medal for each member of the winning golf team, a medal for each member of the second place team, and a medal for medalist and runner-up medalist. Trophy cups will be awarded for the first and second place teams at the volleyball tournament. First, second, and third place players in each event in track and field will each receive a medal. First and second place schools will also receive a trophy.

Hereford was in the ball game for only the first quarter and part of the second.
Lanky Jim Curtsinger continued to set a torrid pace, dunking in 31 points. The Hereford "B" apparently sorely misses the services of the speedy Weeks. They

lost only three games, two to varsity teams, through the first of the year. But the going has been quite rougher since.
There are about 74 million horses in the world, about 22 percent fewer than before World War II.

KNOX'S KNOTHINGS

By BILL KNOX
Hereford's golf team is whizzing along at a torrid rate still without a fourth man.
However, reports are that there are several bright prospects for the all-important post as fourth man. And if the Whitefaces are to come up with the team that is expected from them, they must produce a fairly potent fourth man.
The first three men may all shoot a bang-up round of golf, but their scores will be offset by a poor score of the fourth man if the search is unsuccessful. That's why it is so important that the fourth man be almost up to par with the other three.
We're confident that a suitable player will be found. That's why we say that Hereford will win their district going away. However, the going is sure to get rougher at regional. Last year the Whitefaces didn't do too bad, placing about fifth. The Herd lost only one man off that team, and some of the other teams lost more than that.
So at the present things look pretty bright.
James Garner has been doing a creditable job as golf coach, but he has some very fine material to work with. He has the present City Champion, the city runner-up, and the consolation runner-up.
Charley Seed, who outclassed the veterans to take the City title, is only a junior this year. He was medalist in the district tournament last year. This is his third year on the team.
Jeff Minton was runner-up to Seed in the City Tournament and is only a sophomore. Minton usually shoots close behind Seed, while he is closely followed by another sophomore, Dale Taylor. Taylor was Consolation runner-up in the City Tournament.
Danny Elston and Taylor Sims seem to have the inside track in the race for the fourth man. Elston usually shoots in the low and middle forties and Sims about the same.
Hoping and predicting the best.

It's That Doggone Rabbit

By DION HENDERSON
AP Newsfeatures
Now when most of the nation's hunters are happily winding up one sport, and the fishermen are eagerly starting another, around our house we have all we can do just contending with the rabbits.
This trouble with the rabbit started the night Sam, the head tiger in our dog department, paced the floor rumbly and ominously and peering out windows. He suspected someone of peering in.
At the den door were two beady eyes. The rabbit was looking us over. Well, we said; next thing you know, the raspberries would be chewed down to toothpicks and the hybrid roses would be eaten off at the snow line.
So we acquired a box trap, one designed by a retired man of science. We baited it with an apple. For the next three nights, the tracks in the snow showed rabbit prints. But none would go in the trap.
Then, on the fourth morn, the All first round matches must be completed by Feb. 12, all second round matches and first round consolation matches must be completed by Sunday night, March 11.
This will give players two weeks to complete each match and from now until Jan. 29 to find a partner and play their qualifying rounds. The reason for this much time is the forever changing aspects of the weather at this time of year.
Reason for the tournament, according to local pro Bud Posey, is to prove that golf is a year-around sport in the Texas Panhandle and to promote interest in the game.
"You will thoroughly enjoy the companionship, sportsmanship, the courtesy shown by the fine group of golfers who are members of or play at the Hereford Golf Club," Posey said.

whistles blew and the flags went up. The trap was sprung.
And inside was the rabbit. We took the short gun and approached the prospective stew. But the stew didn't regard us with fear. He was glad to see us. We were his buddies.
Well, now, you can't shoot a fellow like that in cold blood. We went back into the house for Sam. But Sam, old and full of years and honors, would buy a piece of a buffalo-hunt if given the chance. Rabbits are not high on his list, but he'll go against them. None the less, we took Sam on. He showed him the rabbit. Sam stood back, flexed his muscles and plunged his head into the trap.
The door was almost big enough for his head. The wire caught Sam just behind the ears and there was an awful pause.
There followed a burst of action as memorable as it was brief. It is impossible to describe. Let it be noted only that we now have a large clear area where once the raspberries flourished and the old woodbine twined.
We have the rabbit. He peers in the den door as of yore, and the little ones feed him apples.
There's one more thing, too. Sam is like our two pointers. He doesn't believe in rabbits.

PERFORMANCE made it the Largest Selling "8" in the World...

the FORD V-8

Just look at these official registration figures for the first 11 months January through November, 1955

	Car Sales	Ford Sales Leadership
FORD V-8	1,241,742
Car C-V-8	634,376 607,366
Car P-V-8	262,570 978,572
Car C-Six	845,153 396,589
Car P-Six	834,540 997,202

Here's why!
People just naturally go for 8 cylinders in the FORD package!
And to a world record extent!
Just think, in the first 11 months of 1955 alone, 344,496 more people bought Ford V-8's than the two other low-priced competitive eights combined!
Of course, the reason the Ford V-8 is the largest selling eight-cylinder car in the world is that more people like its brand of performance. The kind that comes with the car!
These people aren't amateurs in judging engines. Nearly 24 years of building Ford V-8's to supply their demand is convincing proof of that.
And the Ford V-8 of today is the best yet... by a country mile!
Smoother and quieter you can scarcely hear it, even with the hood up!

the patrol officer who drives one. He knows it takes a Ford to catch a Ford!
And, for the very practical question of durability—ask a Ford cab driver. He knows how Fords take it days on end.

Good Weather And Entries For Meet

Weather conditions have brightened up plans for the "mixed" Partnership Golf Tournament played on two points a hole basis, one point for low ball and one for low total match play, will be staged at the local golf links commencing by Jan. 29, and ending before March 11. Bud Posey, pro at the Hereford Golf Club, announced this week.
Two weeks will be allowed by each match. Eight teams will be placed in each flight. Qualifying rounds will be played to determine the flights and positions in each flight. Entrance fee will be \$2.50 per person or \$5.00 per couple. Golf merchandise will be awarded the winners, runnersup, consolation winners and consolation runnersup of each flight. Players may choose their own partners.
Entry deadline will be Sunday, Jan. 29. All qualifying scores must be in by 6 p.m. Sunday, Jan. 29.

MEMO TO ADVERTISERS

The Hallmark of Circulation Value

In the same way that STERLING on silver signifies a standard of known value, so is the A.B.C. emblem a symbol of integrity for the circulation of newspapers and periodicals. It means that circulation so identified is measured according to the rules and standards of the AUDIT BUREAU OF CIRCULATIONS. The A.B.C. is a cooperative and non-profit association of 3,450 publishers, advertisers and advertising agencies. Organized in 1914, these buyers and sellers of advertising brought order out of advertising chaos by setting up standards for paid circulation and establishing rules and methods for measuring, auditing and reporting circulations. Therefore, the work of the A.B.C., of which this newspaper is proud to

be a member, provides you with a direct and valuable service. You can buy advertising as you would make any other sound business investment — on the basis of well known standards, known values. At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of our circulation records. The results of this exacting audit show: How much circulation we have; where our circulation goes; how it was obtained; and many other FACTS that you need in order to know just what you get for your advertising dollars. This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request. Ask for a copy of our latest A.B.C. report.

It's Got All Texas Talking! -----
"The TEXAN" by Dodge

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan
The Texan by Dodge!
A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!
The Texan is built for Texas driving. It skims swiftly along the big broad highways, it tips over hills like a hungry cougar, it takes the bumpiest, zuttiest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.
Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipes, and other smart touches. The Texan's name is proudly blazoned on both rear fenders. Truly a beautiful car to be admired by you and your fellow-Texans.
Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

NOTICE TO BIDDERS

Sealed Proposals addressed to the Honorable Mayor and City Commission of Hereford, Texas, will be received at the office of Cecil Massey, City Manager, until 10:00 A.M., February 13, 1956, for furnishing all necessary superintendence, labor, materials, tools, and equipment for constructing four (4) water wells for the City of Hereford, Texas and furnishing and installing in each of the completed wells a turbine type deep well pump, complete, with vertical hollow shaft motors and electric control equipment. Any bid received after the time and date stated above will be returned unopened. Each Proposal must be accompanied by a Certified Check, Cash-

ier's Check or Proposal Bond, acceptable to the Owner, in an amount equal to at least five percent (5%) of the total amount of the bid submitted, made payable without condition to the City of Hereford, Texas, as a guarantee that the bidder, if awarded the Contract will promptly execute such contract in the form provided and will furnish good and sufficient bond for the faithful performance of the same. Bids without the required bid security will not be considered.

The successful Bidder must furnish bond on the form provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

Proposals must be submitted on the form provided and, in case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to reject any or all bids, to waive any formalities, and to accept the bid which seems most advantageous to the interest of the Owner.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the provisions of the Acts of the Legislature of the State of Texas concerning the wage scale and payment of prevailing wage established by the Owner. The scale of prevailing minimum wages is set forth in the specifications.

Information for bidders, proposal forms and specifications are on file in the office of Cecil Massey, City Manager, Hereford, Texas.

DO-IT-YOURSELF REPORT

SEATTLE, Wash. (U)—Third graders at the Gatewood School have a new wrinkle in self-service report cards.

Mrs. Vivian Mackey, the teacher, says the youngsters are often surprisingly honest in the estimates she has them prepare for their parents twice a year.

One 8-year-old girl wrote: "I copy Cindy sometimes. And sometimes I copy Charmaine, but I do not very much now."

And an 8-year-old boy sized his work up in these terms: "Dear Parents: 1. I'm medium in arithmetic; 2. I'm medium in reading; 3. I'm medium in writing; 4. I'm medium in talking; 5. I'm medium in education."

The teacher thought it was a medium good estimate.

HEARTS ARE FATAL

CHICAGO (U)—Dr. Irvine H. Page, president of the American Heart Assn., says half the annual deaths in the United States result from some form of heart disease. Although it attacks at every age, occupation and income level, the all-too-often occurrence concerns a man who attains a coronary thrombosis along with his success and bank account.

He urges moderation in the use of salt, fatty foods, sex, tobacco

It was an A.P.A. exposition, the first show ever held in the Panhandle under auspices of and certified by the American Poultry Association. Henderson farm had the champion turkey, but since the farm was offering a medal for this, R. L. Chiles, Friona, was given the honor. Henderson farm gave a \$25 trophy cup to Jack Wright for this display of one variety and a gold medal to the same owner for the champion bird of the show. So big was the show and so many were the individual exhibits that it required 12½ hours for J. H. Wood, an A. P. A. licensed judge, the only one in the Panhandle and a citizen of Hereford, to complete his judging. There was one turkey on display whose sire was valued at over \$600. The owner was offered the \$600 and she refused.

It has been suggested that right now is the time to do away with all locust trees without the city limits. The locusts are either dead or doomed, on account of borers. There is no way to save these trees, declare scientists, and it is in order either to give the wood to some man for his labor in uprooting them, or better to hire the unemployed to do the work. The locusts are a menace to other shade trees as breeding places for borers and it would eliminate them—Hereford is also presenting a bad appearance by having dead and dying trees scattered everywhere. Visitors think there is some thing wrong with the soil or this is a drouthy country. Property owners are urged to remove all such trees as soon as possible, thereby helping out in the relief problem and further beautifying the city.

How Can I?

By Anne Ashby

Q. How can I bleach a garment with sulphur?
A. The garment should be clean and wet. Place a sulphur candle in a pan of water, then place this pan in a barrel across which cords have been stretched. Hang the garment over the cords, light the candle, then cover the barrel tightly. This should be done out of doors.

Q. How can I make good tea?
A. Use one teaspoonful of tea and one cup boiling water to each person, allowing one extra. Pour the boiling water on and do not let it stand more than three to five minutes.

Q. How can I remove an acid stain that has changed the color of a fabric?
A. Sponge with a solution of one part ammonia to four parts of cold water. Apply carefully, slightly touching the stain, and in most instances the color will be restored.

Q. How can I scent the dresser drawers?
A. Cut some pumice stone into pieces, pour a few drops of perfume on each lump of the pumice stone, and place these pieces in the drawers.

Q. How can I prevent tired feet when ironing?
A. Place a thick rug under the feet while ironing, or while standing very long at any other task, and the work will not be nearly so tiresome.

Q. How can I clean white window shades?
A. Unroll the shade and spread

on a sheet on the floor. Scrub with a soft cloth dipped in magnesia and water. Treat both sides in the same way. Allow the shade to remain on the sheet until dry.

Q. How can I make new stockings wear longer?
A. They will wear much longer if they are allowed to soak in warm water for about 15 minutes, then dried slowly, before wearing.

Q. How can I relieve and ease a slight sprain?
A. Beat up and apply the whites of eggs. When dry, renew the application.

Q. How can I prevent scratches from being noticeable on patent leather shoes?
A. By painting with a mixture of olive oil and jet black ink, applied with a very fine brush.

HOOKED DUCK
PARKERSBURG, W. Va. — City Park Supt. S. B. Batten, feeding the nine ducks which inhabit the park's lake, was puzzled because one of them was out in the middle and wouldn't come in for his food.

Batten rowed out to investigate. He found the duck had swallowed a fish hook and the attached leader was fouled around a water lily.

Plating an ounce are two of the oldest uses of the metal nickel. India has about 350,000 motor vehicles — about one for every 1000 people.

Nothing without wings climbs like a '56 Chevrolet!

The new '56 Chevrolet handles hills like they aren't even there! Aim it up a steep grade . . . and you'll see why it's the Pikes Peak record breaker!

Ever level-off a mountain with your foot? Nothing to it. Just point this new '56 Chevy uphill and ease down on the gas.

Up you go with a quiet (hydraulic-hushed valve lifters now in all engines — V8 or 6) rush of power. This is the car, you know, that broke the Pikes Peak record. The car that conquered towering grades and vicious turns to prove its superior performance, handling ease and cornering ability.

These are built-in qualities that mean more driving pleasure and safety for you. Chevrolet also offers such safety features as seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

You've a choice of 19 frisky new Chevrolets all with Fisher Body and with horsepower ranging up to a new high of 205. Drop in, when you have a chance, and drive the new record breaker!

STAR CHIEF TWO-DOOR CATALINA The car says 60 and the price won't stop you!

Puts more Power where it Counts!

THE SECRET OF PONTIAC'S BLAZING GO

IS IN THE TEAMWORK OF TWO ENGINEERING MASTERPIECES

They were born to go together, these two—the mighty *Strato-Streak V-8 engine* and the revolutionary new *Strato-Flight Hydra-Matic drive*.

You can feel the difference . . . actually feel it. Feel it in the response—quick as the flick of an eyelash. Feel it in the tremendous thrust—oil smooth and effortless. And feel it in that breathtaking, almost unbelievable extra burst for the split-second sprint to safety past slow-moving traffic in your path.

Here is power and go you dream about . . . this time it's real, because you're piloting the most modern power combination on the road . . .

A new engine: the brilliant *Strato-Streak V-8* with almost 317 cubic inches of displacement for barrel-chested deep breathing . . . with a super-

efficient 8.9 to 1 compression ratio to squeeze the last ounce of go out of every drop of gas . . . with high torque for sizzling take-off . . . with a blazing 227 horsepower!

A new transmission: an engineering masterpiece specifically designed to utilize the full thrust of that great engine . . . with gears for instant response and crisp, positive acceleration . . . and an amazing liquid-link coupling for a silky-smooth flow of power to the rear wheels.

Fast drive . . . a fabulous '56 Pontiac tomorrow—we promise you, you're in for a thrill!

And another thrill is waiting for you when you hear the price! See your Pontiac dealer soon—make it a special point to do it—and get ready for two wonderful discoveries!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

OLD SHOES

Soles worn thin, uppers wrinkled, warped, polish dull and strings tied in knots. Are they roughed out or worn out? Shoe soles like human souls can be roughed out more than worn out. *Neglect, mistreatment, improper care can break down your SOUL as well as your SOLES.* Beware of the lusts which war against the soul (1 Pet. 2:11); and have that faith which saves the soul (Heb. 10:39). Some shoes are run down because the feet are twisted. Souls are run down because of crooked habits. An upright walk and an upright life is good for shoes and souls. Restore your soul through daily Bible reading, prayer and faithful church attendance.

MEN ARE DEADLY
RICHMOND, Va. (AP)—Insurance underwriters disagree with Kipling's famous line. They think the male driver under 25 is more deadly than the female — especially if he is unmarried.

Proposals for revised liability insurance rates, filed with the state, ask increases up to 43.6 percent for unmarried male drivers under 25. Such drivers who are married would get off lighter and girls in the same age bracket — married or unmarried — would get a decrease.

WHO'S HUNTING WHOM?
WALSENBURG, Colo. (AP)—There is one bear in mountainous southern Colorado who hasn't quite learned his place in the world. He went hunting for a hunter.

John L. Palmer of Trinidad, Colo., camped in the mountains, was awakened when the bear took a bite at his heel. He suffered deep cuts, but scared off the big animal before it could do further damage. Palmer was treated at a hospital here, then returned to the mountains to hunt the bear that hunted him.

SCHOOL DAZE
HELENA, Mont. (AP)—For about a quarter century, officials of Lake Five School District in Flathead county were happily unaware the school was not on public land. Only when they tried to sell it did they discover the school was built on

private land. However, the landowners agreed to let the building be sold, along with the acre it is on.

PARTICULAR INTRUDERS
DALLAS, Tex. (AP)—Burglars who snaked into the James Marsh

home will be well dressed, well fed and on time. They stole 17 pieces of clothing, about \$100 worth of cooking utensils and an alarm clock.

IT'S OUR

39th ANNIVERSARY

AT THE STAR

39 Years of Outstanding Movie Entertainment to Hereford & Surrounding Area!

DID YOU KNOW ...

that the Star Theatre is the **ONLY THEATRE** in the country that gives **WEDDING ANNIVERSARY PASSES?** ... (Send your Anniversary Date and Address, if you are not already on our list)

That this is the **ONLY THEATRE** in this area that we know of who give **FREE BIRTHDAY PASSES!** (If we don't have your birth date on record, send it to us today!)

AND DID YOU KNOW ... That it takes 8 man hours at the Star Theatre to produce 1 hour of entertainment for you?

That at the Star Theatre, we service 33 **ELECTRIC MOTORS** so that you may enjoy a movie in year around comfort?

These are just a few of the many things that must be done for your movie entertainment ... and frankly folks, we enjoy every minute of it, and hope you are one of the many Hereford people who take advantage of it every week!
