Canyon. They went head-to-shoulder with 5-10 and 5-11 basketball players from Dalhart, and quickly ran into a lot of 'foul' trouble.

Tipping off in the Field House on the campus of West Texas State University, the Mullettes were nearly two minutes into the game before the first two points went up for either team. Debbie Brown, a Mulette, put the first points on the scoreboard for either team, then quickly ran into foul trouble and was 'benched,' by Mulette Coach Ruben Osuna.

Five fouls were recorded by the Mullettes very early in the first, forcing Wendy Green and freshman Monica Swint out of the game for awhile.

Dalhart scored first after taking a bad pass and scoring two on a foul followed by a field goal, then another two free throw points to lead 6-2.

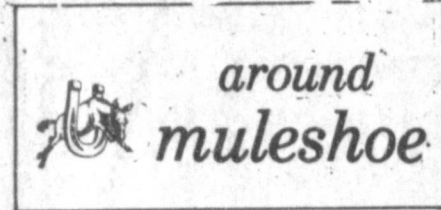

From there, the score widened, and at the end of the first, it was a 13-3 ball game for the Dalhart Wolverines.

Early in the second, Amy Bean scored the first of her 14 points for the night, after another Amy (Harrison) stole the ball from the Wolverines. But, the Mullettes still were in foul trouble, although they pulled within seven points, 17-10, at the mid-way point of the second.

At halftime, the Wolverines were leading the Mullettes, 26-11.

Early in the third, Wendy Green went out with an ankle injury, and sat on the bench until toward the end of the game. As she sat and watched the action, Amy Bean continued to add points, although at 3:08 of the third, the score had been doubled by the Dalhart Wolverines, 36-18.

Thanks to Jerry for a very fine program.

totaling \$129.4 million in local sales tax to 1037 cities that levy the one-percent city sales tax.

Bullock said this month's allocations increased by 3.4 percent over last year's February checks, a grown of \$4.3 million statewide.

"The growth in December's holiday sales is yet another indication that the state's recession has finally ended," Bullock said. "This increase in consumer spending is a statewide vote of confidence in our economy."

The widened tax base, authorized by the Texas Legislature last year, also contributed to the increase in allocations, Bullock said.

February's checks represent taxes collected by monthly filers in December and reported to the Comptroller's office by Cont. Page 6, Col. 2

**Three Suspects Face Charges In Robbery Here**

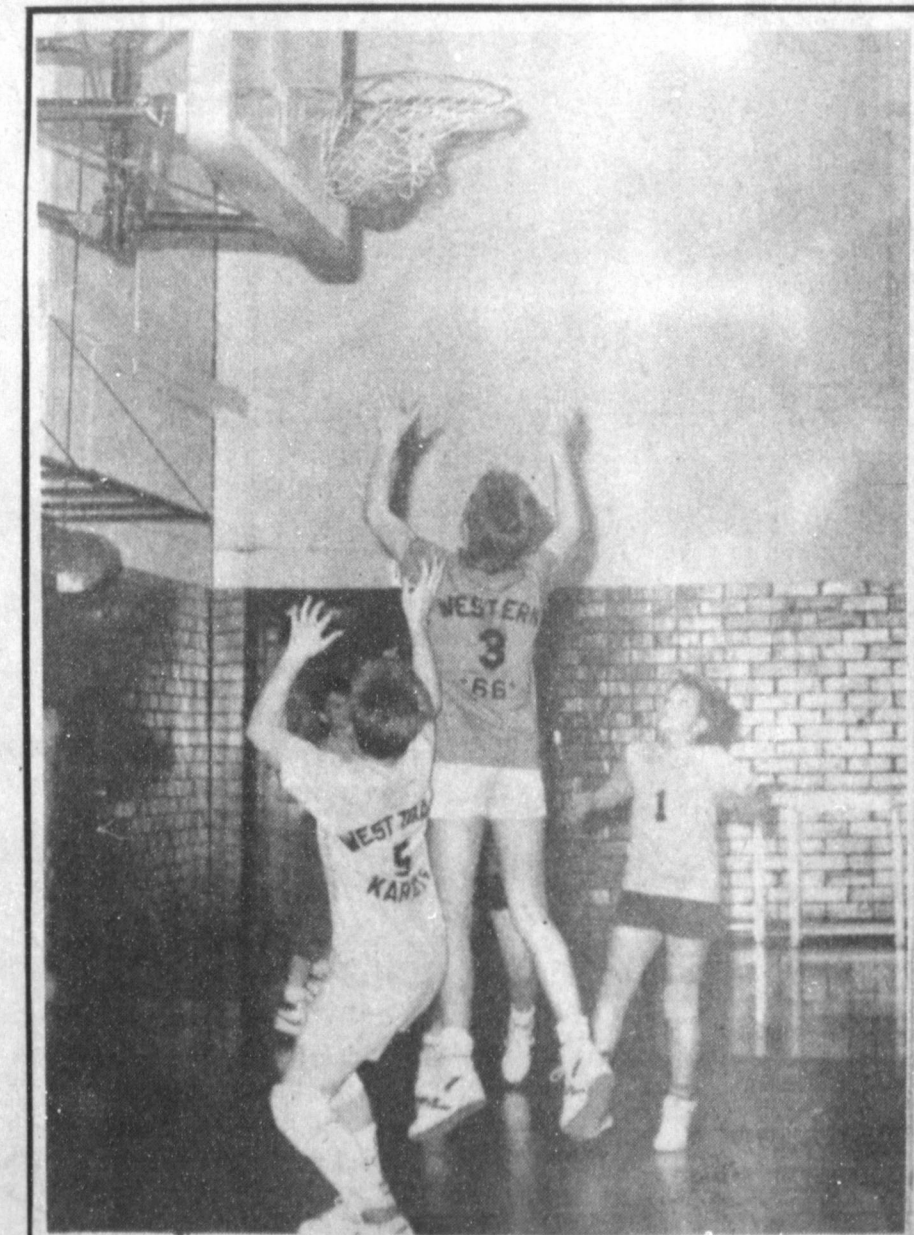

Around 11:30 p.m. Friday, a local teenager reported to Muleshoe City Police that he had been assaulted and robbed on South Main Street, near the Babe Ruth Baseball Park.

A rifle, reportedly taken in the robbery was recovered from the vehicle of the suspects, and impounded by MPD Sgt. Richard Bonham.

The suspect's vehicle had been spotted by Bailey County Deputy Sheriff Steve Bearden, who detained the three suspects until Sgt. Bonham, Sgt. Julian Dominguez and Deputy Sheriff Jerry Hicks arrived to assist the other deputy sheriff.

## Creative Living by Sheryl Borden

Information on staining furniture and how to get money for books and other paper items will be featured on "Creative Living" on Tuesday, February 23 at 12 noon and repeated on Saturday, February 27 at 2:00 pm on KENW-TV. (All times are Mountain).

Homer Formby is a third generation furniture refinisher and is probably the country's best known authority on refinishing furniture and the care of fine wood. He will demonstrate the finishing touch -- or staining furniture. Formby lives in German Town, TN.

Almost everyone has books, but few people understand which are the good ones -- in terms of value. Dr. H.A. "Tony" Hyman has written a book called *Cash for Your undiscovered treasures* to help people who have "things" for sale determine the value of the items. It also provides a list of potential buyers. Dr. Hyman will help viewers learn how to determine which books and other pieces of paper might be valuable and what to do with them. Hyman is from Claremont, CA.

On Tuesday, February 23 at 9:30 pm and on Thursday, February 25 at 12 noon, exciting rainy day projects for children will be presented by Carolyn Jabs. Ms. Jabs is the author of a book called *Reuses* and serves as a spokesperson for the American Paper Institute and lives in New York.

Another guest will be Ellen Cheever, and she works with the Maytag Kitchen Idea Center, she will discuss important kitchen appliance considerations for new homes or for remodeled projects. Cheever is from Sacramento, Ca.

Catherine Kanner, an illustrator and spokesperson for Zest will also be on the show. Kanner is the author of an interesting book entitled *Book of the Bath* and will share some of the invigorating "recipes" for different baths and showers! She's from Santa Monica, CA.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 am and 5 pm. ### THE WINTER BATH

Rid the chill of wintry day in a steaming tub. Central heating and hot water at the tap have made winter bathing a luxury. It's hard to imagine life without it. It's a good idea to stimulate circulation in a winter bath. Some modern bathtubs come with built-in jets or whirlpools, but a simple friction rub will do. Try a salt rub, or use your loofah or brush. Skin can suffer in winter from drying wind and cold. After rising from the tub, pat your skin dry, and apply a moisturizer while skin is still damp. This will help hold moisture in, and will help skin stay soft and healthy.

### SPICY CLOVE BATH

At sunset, steep in this hot-spiced winter bath. Add candlelight to the room, and sip a mug of hot cider.  
2 cups rosewater, 2 bay leaves, 1/2 oz. crushed cloves, 2 cups wine vinegar

Combine ingredients and boil for 1 hour, adding more water to the original level as it boils down. Store for a week in a cool dark place. Add 1/2 cup to warm bath water, or combine 1 part vinegar to 8 parts water for a delightful bath splash.

### SIMPLE ROSEMARY BATH

Rosemary is a very fragrant and stimulating herb when infused in bath water, and will refresh you after a long, frosty afternoon.

2 oz. rosemary, 2 cups water  
Combine ingredients and boil. Let set for 15 minutes and add to bath water.

## Rebekah Lodge

### Ford Receives TSTA-TFTA Scholarship

Cheri Ford, daughter of Mr. and Mrs. Jimmy Ford of Sudan, is the recipient of the 1988 TSTA-TFTA Teacher Preparation Scholarship. The scholarship was awarded at the State FTA Convention held in Dallas Feb. 4 and 6.

Miss Ford had won the District Scholarship and was eligible to compete on the state level. She wrote an essay on "Why I Want To Enter The Teaching Profession."

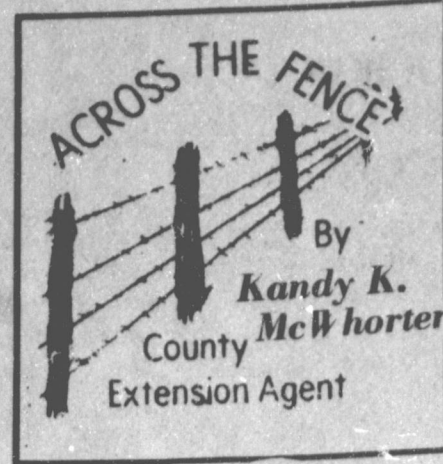

She also had to submit her academic records, ACT score, a list of her FTA activities and

three recommendations. The portfolio was then judged by the state committee and the winner announced at the state FTA convention.

There are only two of these scholarships awarded in the state of Texas.

She is currently serving as the Sudan FTA president and the district chaplain.

Cheri is the granddaughter of Mr. and Mrs. Byron Ford and Mrs. Mildred Chisholm, all of Sudan.

A "Seafood Varieties and Preparation Methods" program will be presented on Thursday evening, February 25, 1988, at 5:30 p.m. at the Bailey County Civic Center.

Several different fish varieties will be talked about, as well as prepared for sampling. If you have been afraid to purchase some of the various fish available in the local marketplace, come to this program to learn more about seafood and

how to prepare it. Fish is an excellent source of protein, has less fat than some cuts of red meat, and is extremely easy to prepare.

The seafood program is being sponsored by the Bailey County extension Home Economics Committee of the Bailey County Extension Program Council. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

## Melissa Nix Featured In Senior Spotlight

Melissa Nix, daughter of Mike and Shawni Nix of Sudan, is featured in this week's Senior Spotlight at Sudan High School.

At the age of 18, Melissa has already decided on a few things for her future. She plans to go to college, get married and have a career, but she said, "I'm not going to work until I have to."

With these plans for the future, she still hasn't forgotten what she has learned in the past. She said, "If I've learned one thing in my life, it's to always try to have a good attitude." She has also recognized her worst habit, which is not being thankful for everything she has," said Misty Bartley.

"If I had only one wish, I would wish to know how to have make-up on 24 hours a day without putting it on or taking it off," Melissa said.

"Although this wish will probably never come true, her other dreams will, because of her determination and outgoingness, which she says are her best assets," Misty added.

"Melissa has had a very

successful high school career. She was involved in band and FTA her freshman and sophomore years; student council representative her junior year; cheerleading her junior and senior years; and presently is involved in FCA and NHS.

"She was selected as class favorite her freshman, junior and senior years and class reporter her senior year. Also she was chosen as Homecoming Queen this past year by the student body. She participates in cross-country, basketball, golf and track.

"She has received honors in these also. Just to name a few, she was named all-district and all-region in basketball."

## Mullettes Out

Cont. from Page 1

the third, the Mullettes were down by 20, 46-26 at the end of the third, despite a valiant effort of the Mullettes against the bigger, taller Dalhart team.

Going into the fourth and final stanza of the game, another desperate bid was staged by the Mullettes, and the score began to creep ever closer for several minutes.

Midway through the fourth, Brenna Matthews hit on a couple, and the score was only nine points apart, 48-39.

But the comeback was to no avail as hard-hitting Amy Bean fouled at with something like two minutes left to play.

The score began to creep ever far apart, and by the time the game had ended, it was a 63-46 ball game.

It was a sad group of Mullettes who prepared for the trip back to Muleshoe, although they are to be commended on being the first Mulette team to go into playoff action since 1962. They took a season to 19-10, including the Bi-District game played on Friday night. Their district record was 7-3, with their only losses being to Dimmitt (twice in overtime) and a one point loss to Tulia.

Two seniors played their final games for Muleshoe High School on Friday night. Both Amy Bean, who scored 14 points and Joey Heathington, with one point, saw their last action.

Brenna Matthews was second high with eight points; Wendy Green had seven points; Heather Hutton had five; Krystal Angeley and Jennifer Hayes, each had three points; Amy Harrison, Debbie Brown and Amber Green had two points each and Michelle Cox, Joey Heathington and Amy Montgomery each had one point.

Playing against a much taller team, the Muleshoe Mullettes had a total of 28 fouls in the game. It was enough to throw the Mullettes off balance for virtually the entire game -- although they fought back and came very near tying up the Dalhart Wolverines.

In an earlier game at the WTSU Field House, the Dimmitt Bobbies lost a Bi-District game to the Sanford-Fritch Eagles, 66-63.

Dimmitt also staged a come from behind, 20 point deficit, to come out of the third 20 points behind and tie up the game, before the S-F Eagles pulled out a 66-63 victory over Dimmitt.

Coach Ruben Osuna praised his players after the game, for sticking in there and continuing to try hard, even with all the

adversity they faced during the game. Despite one questionable call by a referee, Coach Osuna was quick to say the girls did not play the referees during the game, but said the referring was as fair as could be during the entire game.

## INSURANCE WANTED

What we would not give to protect this innocent girl of ours from the hurts and pains of life. If there were an insurance policy that could do this we would pay any premium. There is, however, no such policy, for God has not made the world that way. God has made a world in which pain and suffering are always a part of life, but never forget, He pronounced that world, all of it, *good*. It is our failure to trust in God that makes us want to keep part of life from ourselves and from our children. We think part of life is bad and would rule it out. Only trust in God will enable us to deal adequately with life's sufferings and hurts. This is the divine life insurance which guarantees life eternal, believe in God! Be sure you make it to Church this week to learn of Him and praise His Holy Name.

Is something wrong with your life — an inner restless dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and reassure. Through the church God has committed the provision and proclamation of His forgiveness and redeeming love. Without a church relation no one is securely related to God. *Everyone should be in the Church and the Church should be in everyone!*

## District Tournament Concludes Basketball

**EIGHTH GRADE A BOYS**  
In the Dimmitt District Tournament, the Muleshoe Eighth Grade A Boys defeated Littlefield, 44-39, to take third place.

The Mules trailed 6-14 at the end of the first quarter, and were still behind 21-24 at halftime. In the third, the Mules tied it up, 31-31 coming out with 13-8 points in the fourth and final quarter to take the win.

Neal Haynes led all scoring with 17 points, followed by 16 for Adrian Pineda; Kevin Osuna had five; Arturo Ruiz, three; George Torres, two and Ricky Flores, one point. Leading scorer for Littlefield was Contreras with 15.

Neal Haynes had three offensive and eight defensive rebounds; George Torres recorded one offensive and two defensive rebounds; Arturo Ruiz had one offensive and one defensive rebound; Kevin Osuna and Adrian Pineda each had three defensive rebounds and Ricky Flores and Sean Roberts each had one defensive rebound.

The team was 14-49 in field goals for 28.5 percent; they also made 16-33 free throws for 48.4 percent.

Haynes won the Defensive Award for 26 combined steals and deensive rebounds; Rebounding Award for 27 combined offensive and defensive rebounds and the 110 percent award for 30 points, 27 rebounds, six steals, and hitting 10-21 from the free throw line.

Adrian Pineda won the Offensive Award for 37 points; and the Free Throw Award for hitting 13-17.

Coach Marvin Rupe commented, "This was a great comeback

for the kids after the tough loss against Tulia in the morning. Littlefield jumped out in front and we had to keep fighting back the rest of the game. They showed a great desire and character by never giving up. In the end, they came up with the win. These kids are going to make great contributions to Muleshoe High School athletics in the very near future.

"Last year's record as seventh graders was 3-12, with not a single victory against a District team. This year's record for the eight graders is 9-6. This represents a tremendous improvement by the boys and I know they will continue to improve."

"I look forward to watching these young men in the future."

"Team members include: Kip McCall, Chris Dominguez, Corley Hutton, Sean Roberts, Johnny Noble, Arturo Ruiz, Neal Haynes, George Torres, Adrian Pineda, Ricky Flores, and Kevin Osuna. Managers were Larry Jaramillo and Galin Latham.

The eighth grade team lost the second round game to Tulia, 34-43 trailing 20-25 at halftime and 23-29 at the end of the third.

Adrian Pineda was leading scorer with nine; Neal Haynes, eight; Kevin Osuna and George Torres, each six points and Arturo Ruiz, five. Leading scorer for Tulia was Smith with 21 points.

Arturo Ruiz had four offensive rebounds and two defensive rebounds; George Torres had one of each; Neal Haynes, six defensive rebounds; Adrian Pineda, three defensive rebounds; Kevin Osuna had two

defensive rebounds.

The team was 11-43 in field goals for 25.5 percent and 12-27 free throws for 44.4 percent.

Coach Rupe said the team missed free throws, had poor rebounding, which all contributed to this loss. "The kids played very hard and were in the game all the way up to the end."

In the Dimmitt District Tournament, the eighth grade Mules downed Friona, 40-37, leading all the way in the game. It was 11-5 at the end of the first and 29-8 at halftime, before Friona came back extra strong in the second half, but too late to capture enough points for a lead.

Adrian Pineda had 12 points; Kevin Osuna, 10; Neal Haynes and Johnny Noble, each five; Sean Roberts, four; George Torres, two; and Arturo Ruiz and Corley Hutton each had one point.

Leading scorer for Friona was Rocha with 13 points.

Neal Haynes had three offensive and seven defensive rebounds; Ricky Flores, George Torres, Arturo Ruiz, Johnny Noble and Sean Roberts, each had one offensive rebound. For defensive rebounds, it was Adrian Pineda and Arturo Ruiz, each five; Kevin Osuna and Sean Roberts with three each and Chris Dominguez and Kip McCall, one each.

The team was 12-61 field goals for 19.6 percent and 16-29 free throws for 55.1 percent.

Coach Rupe said, "We had a good first half, but the second half, they outscored us by 29 points. We let their full court press bother us so much, that they almost got back into the game and won it."

### SEVENTH GRADE A BOYS

In the Dimmitt District Tournament, the Muleshoe seventh grade boys defeated Friona in the opening game, 30-20.

Trailing in the first, 7-9, the seventh grade boys held Friona scoreless in the second quarter to take a 19-9 halftime lead. This doubled Friona, 26-13 in the third, before Friona staged a last minute, too-late comeback in the fourth.

Robby Gauna led scoring for Muleshoe with 17; Marcos Bryan had five, Jesse Singleterry, four and Eric McElroy and Michael Cearley, two points each to pace the Mules. Outland had eight points for Friona to lead their scoring efforts.

Marcos Bryan had six offensive and one defensive rebound; Robby Gauna had three offensive and one defensive rebound; Jesse Singleterry had three of each; Eric McElroy had one offensive and nine defensive rebounds; Mark Hicks had one offensive rebound; Gilrobert Rennels had three defensive rebounds; Mike Garcia had two defensive rebounds; Lenny Pineda, Kyle Kenmore, Michael Cearley, and Bryan Rasco each had one defensive rebound.

The team was 14-54 in field goals for 25.9 percent and 2-6 free throws for 33.3 percent.

According to Coach Rupe, "The kids played very well. They stayed calm against Friona's half-court trap, and zone defense. We have gotten much better at rebounding also."

In their second game of the

tournament, the seventh grade boys defeated Tulia, 34-31, again after getting off to a slow start and coming from an 8-13 deficit after the first quarter and 16-21 lag at halftime. It was 28-27 at the end of the third, before the team pulled out the 34-31 victory.

Robby Gauna scored 19 points to lead the scoring; Eric McElroy had eight; Marcos Bryan, four and Jesse Singleterry, three. Leading scorer for Tulia was Hawthorne with 11.

Jesse Singleterry had three offensive and six defensive rebounds in the game; Marcos Bryan had two offensive and four defensive rebounds; Eric McElroy had one offensive rebound and Robby Gauna had one defensive rebound.

The team was 14-32 in field goals for 43.7 percent and 6-16 free throws for 37.5 percent.

Coach Rupe said, "This was the best game the kids have played all year. They hustled and worked hard the whole game. SUPER JOB!!"

In the Championship game of the Dimmitt District Tournament, the Muleshoe seventh grade game fell to Dimmitt, 27-32, to win second place in the tourney.

The Mules led 15-12 at the end of the first, and 17-14 at halftime. It was 23-18 in the third, but Dimmitt came back very strong in the fourth to take the win.

Robby Gauna had 12 points; Marcos Bryan, 11; Eric McElroy and Jesse Singleterry each had two points. Hanes led scoring for Dimmitt, along with Salinas and Smith, also with ten each.

Offensive rebounds were as follows: Marcos Bryan, three; Eric McElroy and Michael Cearley, each two and one each for Mark Hicks and Jesse Singleterry each had one.

In defensive rebounding, it was 12 for Jesse Singleterry; seven for Eric McElroy and five

for Marcos Bryan.

The team hit 13-39 in field goals for 33.3 percent and were 3-7 in free throws for 42.8 percent.

Robby Gauna and Jesse Singleterry were named Most Valuable Players of the Tournament. Robby Gauna won the Offensive Award for 48 points, the 110 percent award for 48 points, five rebounds, 12 steals and was 8-15 from the free throw line. He also won the Free Throw Award. Jesse Singleterry was presented the Defensive Award for 28 defensive rebounds and steals combined, the Rebounding Award for his 28 offensive and defensive rebounds.

About the tournament, Coach Rupe said, "The kids came out strong and got the lead. We led the game all the way until the last two minutes. We lost one of our starters, Marcos Bryan, to fouls and we just couldn't keep up with them. Missed free throws was probably what hurt us the most. All in all, it was a very good season for the

seventh graders. Our season record was 9-6.

"We won the championship of the seventh grade Sudan Invitational, and then second place in the Junior High District Tournament.

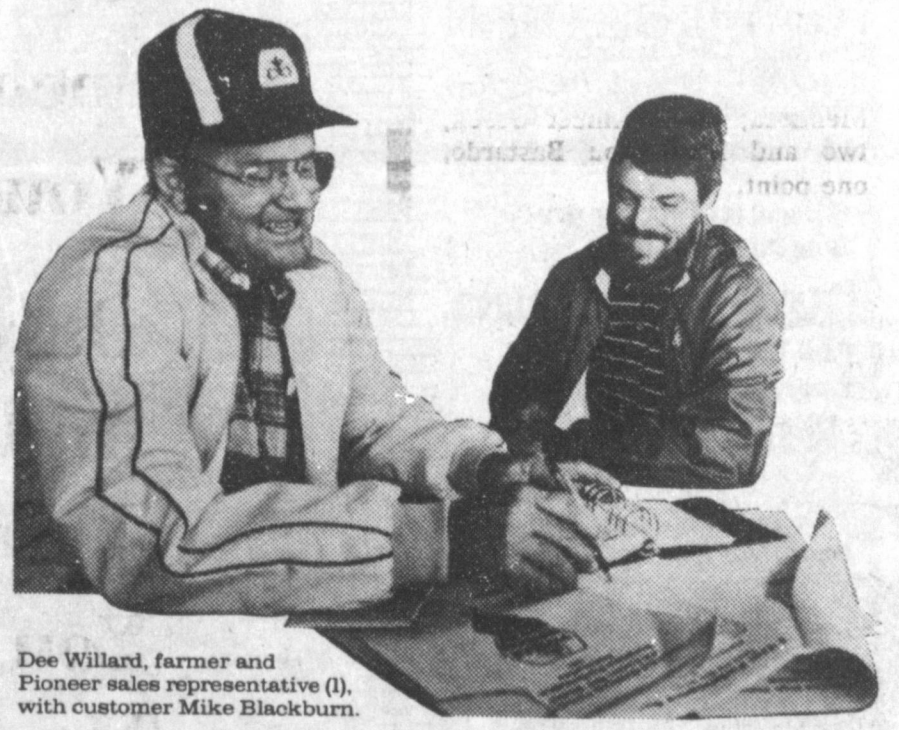

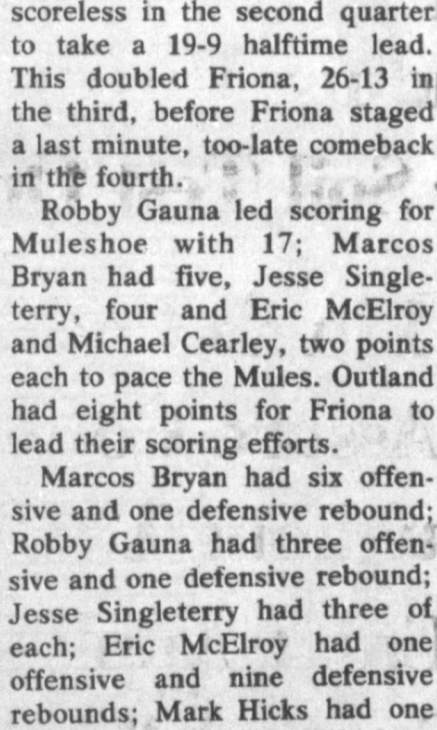

"I am very proud of the boys that we had this year. Team members included: Lenny Pineda, Eric McElroy, Kyle Kenmore, Michael Cearley, Gilrobert Rennels, Mark Hicks, Marcos Bryan, Robby Gauna, Jesse Singleterry, Jon Robin Watkins, Hector Arzola, Mike Garcia, Bryan Rasco and Clay Grant."

## HOMESTEAD EXEMPTIONS

### CAN LOWER THE PROPERTY TAXES ON YOUR HOME

**A homestead exemption** lowers the property taxes on your home by lowering its taxable value. For example, if your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it were worth only \$45,000.

**You qualify** for a homestead exemption if you owned your home on January 1 and used it as your primary residence on January 1. It doesn't matter whether your home is a house, a condominium or a mobile home.

**Exemptions are available** to all homeowners on their school taxes. Additional exemptions are available to homeowners who are disabled or age 65 and over. Other exemptions may be offered to homeowners by school districts, counties, cities, and special districts. All taxing units offer exemptions to disabled veterans.

**Apply to** your local appraisal district office at the address shown below for all exemptions you may qualify for. Application forms are available at this office.

If you received a homestead exemption on your present home in 1987, you won't need to apply again for 1988 unless the chief appraiser requires you to reapply.

However, if you passed your 65th birthday or became disabled before January 1, file a new application to receive the additional exemptions.

If you haven't received an exemption on your present home, or if you've moved to a new home, make a new application for 1988.

**The deadline** for applications is April 30, 1988. Contact your appraisal district before then if you need more time.

For more information, get a free copy of the pamphlet, *Taxpayers' Rights, Remedies, Responsibilities*, at your appraisal district office or from the State Property Tax Board in Austin.

Ray Ruthardt has asked the Journal to print the following statement:

"The encouragement each of you has shown to me is greatly appreciated, as I ask for the office of Sheriff of Bailey County.

"I have met so many of you during my campaign, and I have many yet to meet. It may not be possible to personally visit with each and everyone before the election on March 8, but I certainly will try to do so.

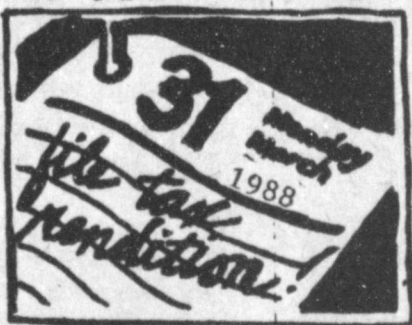

"Once again, I ask you to elect Ray Ruthardt as your Sheriff of Bailey County in the Democratic Primary on March 8.

"Your consideration and support will be appreciated."

**PROPERTY TAX RENDITIONS**

**HELP YOU PROTECT YOUR RIGHTS AS A TAXPAYER**

**A rendition** is a report to the appraisal district that lists all the taxable property you own or control on January 1, 1988. You may also give your opinion of the property's value, if you wish.

**You must file** a rendition if you own tangible personal property used to produce income-such as the machinery and equipment used by a business.

The appraisal district may require any taxpayer to file a rendition by sending the taxpayer a written notice and a rendition form.

**You may want** to file a rendition, even if you aren't required to file, to preserve some of your rights as a taxpayer:

- You put your correct mailing address on record so your tax bills will go to the right address. Even if your bill goes to the wrong address, the law still holds you responsible for paying your taxes on time or else paying extra charges for late payments.
- You can put your own opinion

of your property's value on record. If the appraisal district then places a higher value on your property, it must notify you in writing of the higher value and explain how you can protest that value to the appraisal review board.

•By filing a special type of rendition called a *report of decreased value*, you can notify the appraisal district of significant damage to your property that occurred in 1987. The district will send someone to verify the damage and take it into account when assigning a 1988 value to your property.

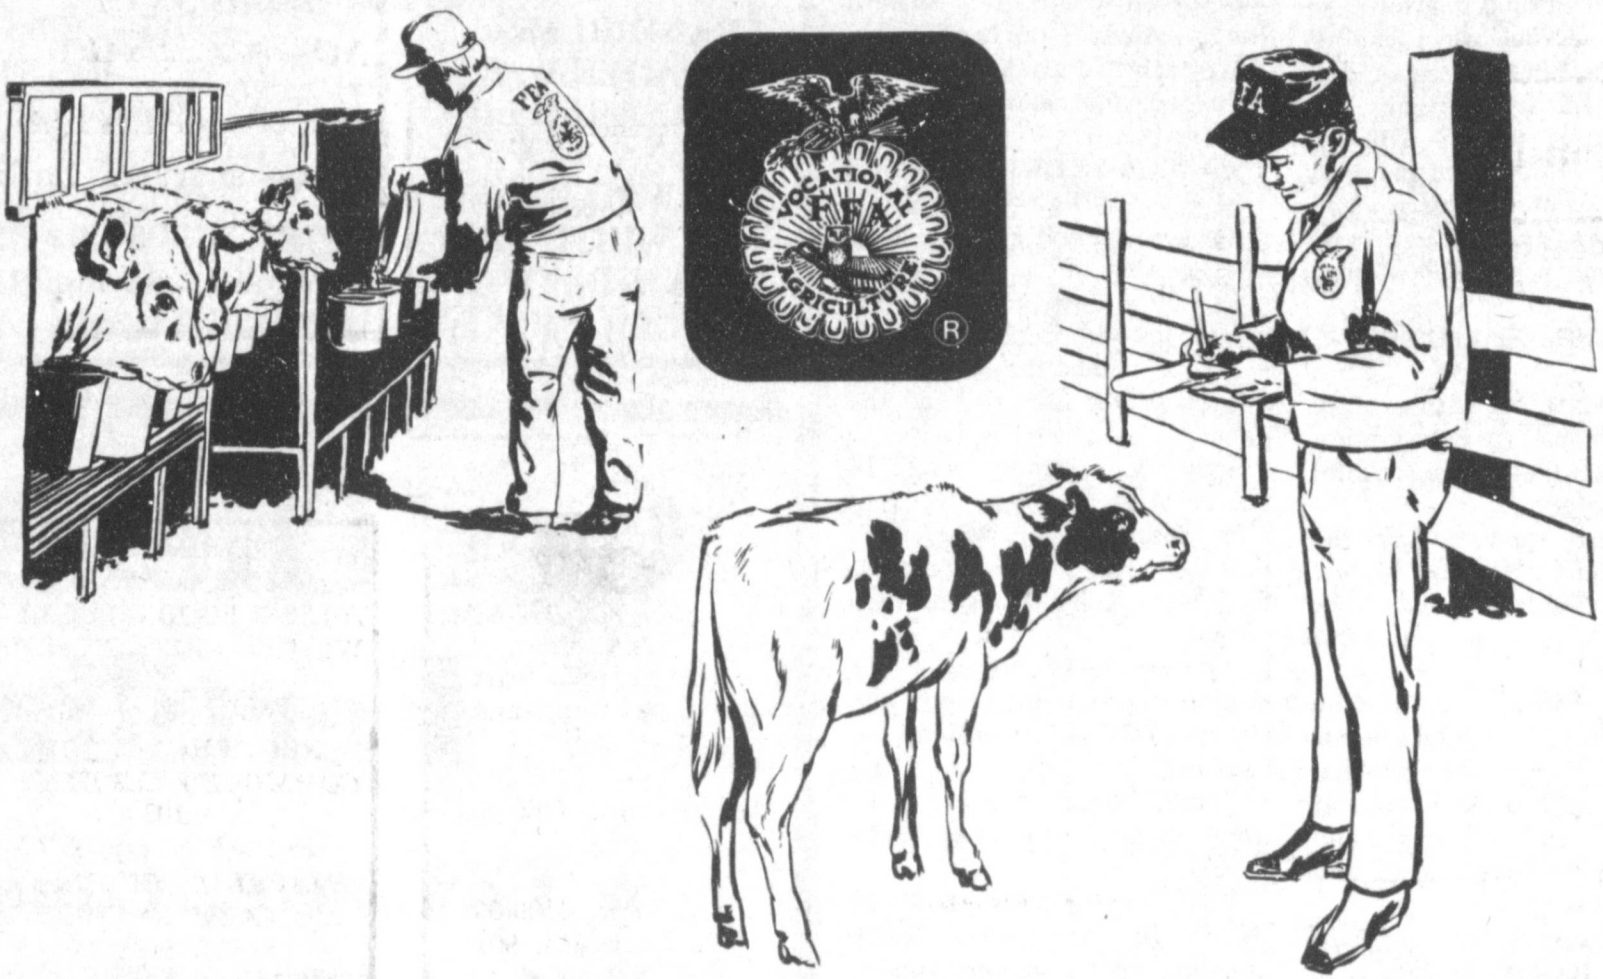

**File renditions** with your local appraisal district at the address shown below. Forms are available at this office.

**The new deadline** for 1988 renditions is March 31. You can get an extra 30 days if you ask for it in writing before the March 31 deadline.

For more information, get a free copy of the pamphlet, *Taxpayers' Rights, Remedies, Responsibilities*, at your appraisal district office or from the State Property Tax Board in Austin.
