## School Yearbook Is Distributed

The 1957 version of The Round-up, Hereford High School yearbook, was passed out to students and faculty Tuesday afternoon.

In all, 565 copies of the 550 received were distributed. The other copies belong to the school, annual staff and persons who have not paid for their copies yet.

The books were distributed in the parking area behind the school. School was dismissed during the fifth period when the annuals were given out.

This year's annual contains 124 pages as compared to 116 last year. Kee Skypala as editor headed the annual staff of 18 students.

## Youngster Has Odd Ear Pain

**BIPPUS** — Joe Perrin, 3-year-old son of Mr. and Mrs. Jimmie Perrin of this community has an odd habit.

He puts popcorn grains in his ears.

Last month, Joe was taken to Hereford to Deaf Smith County Hospital to have a grain removed from one ear. It was.

Last week his dad found a grain in the other ear. Joe was taken to Ft. Jena this time and the grain removed. However, he hadn't put the grain in that day. It had been in there for a month, being stuffed in at the same time as the other.

## Man Is Arrested on Theft Charge

City Police are holding Federick Oscar Miner, 33, a transient, on charges of felony theft.

Helena Brown, 200 Irving, a colored woman, filed a complaint charging theft of a watch with city police early Wednesday morning. Miner was arrested on a warrant at 11:30 a.m. Wednesday in the 1400 block of East Park Ave.

Miner told police he had previously been convicted for grand larceny theft, said Chief Henry Aycock. An investigation is continuing. Aycock added.

## Group To Study Need for Magazine Clean-up

A committee to study the need for preventing sales of objectionable literature at magazine stands and book racks in Hereford was appointed Monday by the Ministerial Alliance, according to The Rev. V. W. Marcontell, secretary.

The action came after the nature of certain publications was described as "objectionable" by a layman during the group's meeting last month. Retailers of magazines and paperback books were invited to attend Monday's session. Only two were present. THE TWO retailers reportedly indicated that if the ministerial group could supply them with a list of the magazines and books that appear "unfit for sale," that material would be removed from the shelves.

The Rev. Lester L. Jones, vicar of St. Thomas Episcopal Church, was appointed chairman of the committee. Mrs. Jewell Smith, county welfare worker, was appointed as a member. Four other laymen are to be appointed to the committee to study the objectionable "books" problem by pastors of individual churches including the First Methodist, the First Christian, Wesley Methodist and Summerfield Baptist.

Rev. Jones in previous alliance meetings had opposed any effort at "book censoring" by organized groups. He stated his position is based on the belief that teachings from the pulpit should serve to guide Christians in their choice of reading material.

ALTHOUGH HE was not present Monday when the alliance reached its decision, he said Wednesday upon learning of his appointment that he expects to schedule a meeting of his committee in the near future.

The Brand contacted several magazine retailers on Tuesday. A reporter was told that magazines sold locally are received on contract from wholesalers who service the stands.

Owners of the stands said that efforts are made to give the best sales display to the better magazines and that material designed for adult readers is generally carefully segregated from comic books and other publications normally sought by youngsters.

"I do not believe our stand has any magazines that would corrupt the moral of readers," said one retailer who noted that the "objectionable comic book" problem has apparently been policed by publishers following a public outcry that gained wide attention several years ago.

## Contract Award Is Delayed for Check

The low bid on 3½ miles of city street paving to be accomplished in Hereford this summer proved to be well below the engineer's estimate when bids from six companies were opened at City Hall Monday afternoon.

Poteet Construction Co. of Ralls bid for the contract at \$151,038.25. The engineering firm of McMorries & Associates, Amarillo, had established the low bid at \$175,000. Bill McMorries, head of the engineering firm, asked the city commission on Monday night for additional time to study the condition of the construction firm before making recommendations.

A PRELIMINARY review of Poteet's condition, assets and previous work — including an extensive paving program now underway at Clovis, N. M. — has indicated the firm is in excellent condition and well qualified to do the job here, McMorries said. The engineer accompanied Mayor Ray Godwin and City Manager Dudley Bayne to Clovis to observe the firm's work there after the bid opening session.

McMorries in Monday evening's commission meeting reported on a study of the bids received from six companies. He said that he would consider the \$167,922 bid of Page Construction Co. of Dimmitt as second choice for the project, and the \$168,470 bid of Centex Construction Co. of San Antonio as third choice.

Bids were taken on several alternate methods of construction. They were solicited on two different basis: One provided for payment of the contract in cash through the city, while the second would have involved the contractor's "working-up" contracts with individual property owners.

NO COMPANY bid on the basis of working out the individual contracts. The former method is expected by the city commissioners to result in a major saving in costs of the project. The city officials will appoint an agent to handle the paying payments for property owners, under the newly adopted cash contract method.

A Centex representative said that his company would have added at least \$25,000 to their base bid had it been required to "handle the property owners" paper.

Bidders other than the three firms making low bids were E. D. Baker of Borger, Parker Bros. of Hereford and Kerr & Middleton of Lubbock.

The biggest stretch of paving to be undertaken under the city's program will be the widening of Ave. K from First to 15th St. Fourteen other streets may be improved through the program, according to the city's plans.

Payment of paving costs on Ave. K, which already has a narrow asphalt road, is to be divided between the city and property owners. Other portions of the project will be paid through paving lien assessments, with property owners given the opportunity to spread their payments over a period of years. Exact cost per front foot for property owners has not yet been determined, according to City Manager Bayne.

## City Enters New Business; Makes Plans for Future

The City of Hereford reaped a \$3,641 dollar dividend from the new municipal airport, went into the miniature golf course business and began a slum clearance study as a result of Monday night's city commission meeting.

In other action, the commissioners approved a \$617 purchase of 50 metal standard street markers for the downtown area and Park Ave., and gave the city manager a go-ahead to improve the city jail.

The airport dividend resulted when high bids on six irrigation well pumps were approved. City Manager Dudley Bayne said that the best of seven small wells on the 600-acre tract is being retained for use at the new facility. He also noted that the master plan for development of the field has been approved by the Civil Aeronautics Authority.

The commissioners split three to one in voting for purchase of miniature golf equipment installed last year in the Jaycee Park by Johnny McIver. Bayne noted that McIver's inventory of equipment showing a value of \$1,123.38 is apparently in order. He said that McIver, a Texas Tech student, has said he will be unable to operate the course during the coming year.

After the motion to purchase the equipment was made by Troy Moore and seconded by Dr. R. R. Wills, Don Little voted "aye" and Neil Cooper "no." Cooper based his argument against the purchase on a belief that the city should stay "out of any business that can be operated by an individual." Other commissioners indicated they felt the course would find a worthwhile place in the city's new re-

## Moore Resigns from City Post

City Engineer Monroe Moore resigned Tuesday from his \$500 a month position with the City of Hereford. The resignation was to be effective Wednesday.

"We will start looking immediately for a replacement," said City Manager Dudley Bayne, who added that the resignation was accepted without question.

REGISTERING—Mothers and youngsters crowded around the registration table in the Bull Barn Monday night to sign up for five sports

## Five Athletic Club Sports Underway

Tennis, gymnastics, wrestling, judo and weightlifting, all sponsored by the Hereford Athletic Club, will begin today or within the week. Starting days for all five sports were set Wednesday at a breakfast meeting of club officials and coaches.

The schedule and plans for each sport follow:

**TENNIS** — Initial meeting will be held at 7 p.m. today in the Bull Barn. Practice sessions will be held each Tuesday and Thursday in the Bull Barn until the tennis courts are ready, which is expected to take two more weeks. Each player must be registered with the Athletic Club and AAU. Each player is to bring a racquet, balls and shoes to the classes. A tournament for junior boys and girls will be held as soon as possible.

**GYMNASTICS** — First class is scheduled for Friday afternoon at the high school gym right after school is out. Classes will be held Monday, Wednesday and Friday afternoons with one night session if necessary.

**JUDO** — Candidates will meet at 7 p.m. today at the small gym in the VFW barracks in Veterans Park. Classes are to be held Monday and Thursday nights.

**WEIGHTLIFTING** — Scheduled for Tuesday and Thursday after school and Saturday afternoon in the gym in Veterans Park. The first class will be held this afternoon.

**WRESTLING** — Tentatively scheduled each Wednesday night in the gym in Veterans Park. Another day each week is planned but hasn't been set as yet. Practice will start at 7:30 next Wednesday. Swimming is still on the Athletic

Club's program, but no instructor has been located. Whoever manages the city swimming pool probably will give the swimming course.

Official AAU registration for the five sports was held Monday night in the Bull Barn with 74

youngsters signing up for the program.

Melvin Young, athletic director for the club, said more youths, mainly high school students, are still registering. Wheeler Sears and Richard Leggett have registration blanks at the high school.

Young said women coaches and assistants are needed in tennis and gymnastics for girl participants. Women wanting to aid

## Final Rites Held Here Tuesday for Mr. Minton, 53

Final rites for Forrest Thomas Minton, 53, of 601 Grand Ave., were held Tuesday afternoon in the First Methodist Church with the Rev. Alby Cockrell, pastor, officiating.

Mr. Minton died of a brain hemorrhage at 6:05 a.m. Monday in Deaf Smith County Hospital. He had entered the hospital at midnight Sunday. He had been in ill health for several years.

Born Sept. 27, 1903 in Bloomfield, he came to Hereford from Pilot Point in 1917. He was an auto mechanic and was employed by McCullough Motor Co. He was a member of the First Methodist Church.

He was married to Anna Mae Hudson March 12, 1937 in Hereford. She is among survivors.

Other survivors include a son, Forrest Jefferson, a daughter, Jane Ann, both of Hereford; three sisters, Mrs. M. A. Maxwell of Amarillo, Mrs. E. A. Hawley of Oakland, Calif., Mrs. Sam Flint of Sacramento, Calif.; three brothers, L. L. of Dalhart, J. A. of Calhan, Colo., and Tim of Canon City, Colo.

Burial was in West Park Cemetery. Gilliland Funeral Home was in charge of arrangements.

## 'Save the Soil' Program Is To Be Staged Here Tonight

Awards to top farmers, soil conservation groups, and farm youth will be made tonight at the Bull Barn at the 12th annual Region I "Save the Soil and Save Texas" program. More than 500 persons are expected to attend.

The meeting will begin at 7 p.m. in the Bull Barn. It is sponsored locally by the Tierra Blanca Soil Conservation District and the Deaf Smith County Chamber of Commerce.

Region I includes 51 counties in the Panhandle and South Plains area.

THE OUTSTANDING farmers conservation district, homemaker and the person rendering the most outstanding service to farmers in the region will receive cash awards and trophies.

Ten youngsters who have written outstanding essays on the meaning of conservation will receive trophies and medals. The awards will be presented by the Fort Worth Press, orig-

nator of the state-wide program. Carolyn Sanderson of Route 4, Dimmitt, is first place winner of the essay contest.

Raymond A. Higginbotham of Hereford, local district's outstanding farmer, will receive a plaque along with winners from the other 33 districts in the region.

THE SALT FORK Soil Conservation District is to get the outstanding district prize and will receive \$300 in cash. Grady Halbert of Crowell was voted the outstanding farmer in the region and he will receive \$100.

Herbert Bearden of Wellington is the comeback farmer of the year and also will be awarded \$100.

The South Chillicothe Group will receive the outstanding conservation group award of \$200.

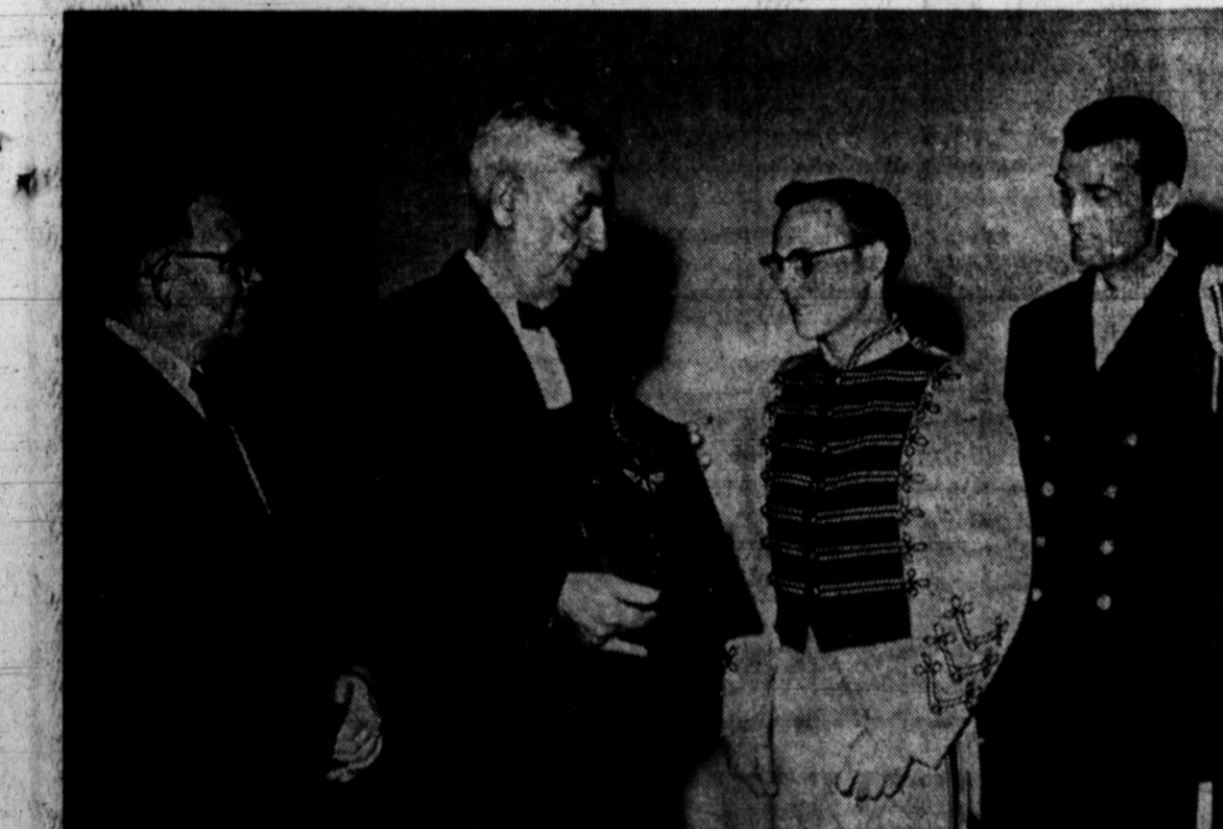

given a plaque. Mrs. William T. McEachern of Route 2, Hale Center, will be given a silver tray as outstanding homemaker.

Essay winners, other than Carolyn Sanderson, are Teddy Caruth, Tulla; W. T. Elliott, Hedley; Waurayne Walker, Tulla; Gaye Gene George, Happy; Wadon Crain, Goodnight; Elizabeth Smith, Clarendon; Mary Lois Vander Linden, Lamesa; Glenda Borden, Clarendon; and Don Pitts, Clarendon.

Luther Lesly, supervisor's chairman of the Tierra Blanca SCD and a director in the SCD supervisors association will serve as master of ceremonies.

The Rev. Alby Cockrell of the First Methodist Church will give the invocation.

Dr. A. T. Mims, chamber of commerce president, will give the welcome address. Walter R. Humphrey and Marvin Garrett of the Fort Worth Press will present the awards.

SOUSA AWARD PRESENTATION—David Werfenberger, in uniform, was presented as winner of the first annual Sousa Award for the outstanding senior member of the Hereford High School band during the group's concert Tuesday evening. William V. Webster, San Angelo, one of four surviving members of the John Philip Sousa Band, made the presentation, and Charles Bell, band director, looked on. The Lions are local sponsors of the award. (Staff Photo)

He received in due time a lengthy dissertation regarding analysis of the local product. "Those Agricultural Department fellows told me they believed what I'd grown to be an African persimmon," our reader asserts.

Back from a trip out Harrison Highway to the New Mexico border, maybe a bit further, another reader said he noticed on the drive west that dryland wheat looks bet-

Tin can salvage work is under way again at the City Dump. Mr. Jay of Jay & Stapleton, Marble Falls, returned to the job after a delay caused by the illness of his partner. The city receives \$1 per ton for all tin cans removed from the dump under its contract for the salvage work. City officials now estimate the work may bring sev-

eral thousand dollars into the municipal till.

In Hereford High School's annual awards assembly Wednesday morning, various students received recognition for academic, athletic and extra-curricular activities. A complete list of these awards and their recipients will be published in The Sunday Brand.

Stuart C. Jones of Hereford has received a scholarship in chemical engineering at Texas Tech. Jones was one of 13 students given engineering scholarships for the next academic year. This is Jones' second year to receive the scholarship. It is given by the Cabot Co.

creation program.  
After Bayne outlined the new federal urban renewal program, which provides for payment up to \$10,000 for preparing a master slum clearance and area improvement program, the commissioners approved employing McMorris & Associates to draw up such a plan. Bayne said that federal funds for work in slum areas may be made available here at no cost to the local government as a result of the planning work.

The commissioners also discussed issuing the \$100,000 in bonds unsold after last year \$690,000 issue was approved for water and sewer improvements. If issued, the \$100,000 now would be used for improvements of the city sewage disposal plant. Earlier, the bonds had been earmarked for South Hereford, had residents of that area succeeded in meeting requirements for admission to the city.

The jail improvement program is still in the planning stage, Bayne said.

A girl was born to Mr. and Mrs. Simon Camarillo at 5:55 p.m. Sunday. She weighed 6 lbs., 12 oz.

Mr. and Mrs. Isidro Morena are the parents of a boy born at 6:25 p.m. Monday. He weighed 5 lbs., 14 oz., at birth.

(Note: All these mothers and their babies had already been dismissed from the hospital Wednesday, making it impossible to get the names of the babies and the grandparents.)

### Antonian Circle Holds Meeting

Mrs. George Turrentine, vice-president, presided at the regular meeting of the Antonian Circle held in St. Anthony's School recently. Hostesses were Mrs. Ed Dziuk and Mrs. John Warren.

During the business session plans were made for the entertainment sponsored by St. Anthony's Guild on May 10.

A scrap book made for the George Turrentine children was shown and members of the group gave suggestions on how to keep a sick child quiet when the doctor has prescribed bed rest.

Members attending were Messdames Leander Reinart, George Turrentine, Clarence Betzen, Alfred Reinart, Johnny Jesko, E. N. Reinart, W. J. Schumacher, Elmer Reinart, Herman Schumacher, Leo Ohlig, A. C. Stengel and the hostesses.

Following the luncheon Mrs. Ray Boswell presented the program with a demonstration in cake decorating. She showed how to decorate a cake for different occasions and club members tried their skill at following the demonstrated instructions. Mrs. Bosley also won the floating prize.

The Easter luncheon was held in the home of Mrs. Richard Boyd and an Easter egg hunt at the Walcott School was attended in the afternoon.

### Local Lions Club Wins Contest at District Meeting

The Hereford Lions Club was designated winner of the Attendance - Membership contest at the District 2-T1 meeting in Lubbock May 2-4. The local club with 143 members competed with all other Panhandle clubs in the 100 to 150 membership range.

President Earnest Langley was presented a plaque in behalf of the club and a special Lions gavel by District Governor Don Stark of Amarillo. This was the first time the honor has been won by the Hereford club.

A large delegation of Hereford Lions and wives also attended the meeting including Mr. and Mrs. J. W. Robinson Jr., Mr. and Mrs. Earnest Langley, Mr. and Mrs. F. W. Dool, Mr. and Mrs. John McLean, Mr. and Mrs. Ronald Babione, Mr. and Mrs. D. C. Martin, Mr. and Mrs. Fred Cunningham, Mr. and Mrs. Bill Waldrep, W. O. ## Ga-Ga Over Lions District Meeting

IT'S: HER POINT OF VIEW

By BETTY BABIONE

I looked through the Lions Convention handbook for some bit of wit or philosophy with which I might begin the column today, since I can't resist talking about the big event. Perusing the book from kiver to kiver, I found it to be attractive, neat, colorful, concise, but utterly void in clever or thought-provoking sayings. Unless you call "It's always fair weather when good Lions get together" clever or thought-provoking.

Unless I missed someone in the count, there were 14 men who represented the local club at the bi-district affair down at Lubbock last Thursday, Friday and Saturday. Had difficulty tallying the number of Herefordites because the group were not all there at any one time. A few people stayed over during the three days, but the road was kept hot by the comings and goings of the others from here. And sleeping in their own little beds in their own little houses surely must have meant a lot to those fellows who drove there and back three days in a row. Maybe they just couldn't get hotel rooms.

AMONG THE familiar faces at the convention were Homer Brumley, George Brumley, Fred Baird, D. C. Martin, Fred Cunningham, F. W. Dool, Earnest Langley, Jim Gillentine, Dub Reeves, Bill Waldrep, Ronald Babione (the most familiar face), W. O. Shelton, John McLean and J. W. Robinson Jr. Harold Close may live in Lubbock now; but if you judged from the company he kept, you'd think him to be one of the most loyal Hereford boosters there — and you would be right. Harold's wife, Charlotte, is spending some time with family out in California so Harold spent practically the whole convention time as sort of an officio host to the Hereford delegation. And it's mighty nice to have someone like that around when you're away from home.

One of the most enjoyable among the scheduled events was the Queen's Contest held the first night of the convention. You never saw a more impressive gathering of sweet 'n' lovely young ladies, and the array of gorgeous gowns was truly breath-taking! The Hereford Lions were so very proud of their entry in the contest — Miss Claribeth Holt, local club sweetheart — and they really whooped it up in her support. Pretty Claribeth did look like a storybook princess in her jaunty — yellow ball gown (this dress is so beautiful that it defies description... off the shoulder neckline... yards and yards of net gathered over taffeta... huge hoops in the underskirt which makes the skirt of the dress cascade an immeasurable distance from the waist of the fitted bodice).

Claribeth's beautiful mom, Mrs. Earl Holt, came along for the festivities. In addition to the brother of Hereford, survivors include his wife, a son, Eugene of Palo Alto, Calif.; another brother, Charles, three sisters, Mrs. Anna Johnson of Clovis, Mrs. John Roberts of Fort Morgan, Colo., Mrs. Spee Lunsford of Olney and two grandchildren.

activities. There was a smattering of femininity throughout the duration of the convention, but the main attraction for the ladies was the Joint Governors' Banquet, followed by the Governors' Ball. Attending from Hereford with their husbands were Mrs. J. W. Robinson Jr., Mrs. Bill Waldrep, Mrs. F. W. Dool, Mrs. Earnest Langley and yours truly.

THE QUEENS' Contest and the Governors' Banquet and Ball were held in the mammoth coliseum on the Texas Tech campus, and that building is certainly a spectacular structure... something new in spectator seating — each section glowed with color (red, yellow, blue, green and purple) and we'll be o.k. if we can remember the color of chair we are sitting on next time we attend a basketball game or some such at Tech.

We were just a wee bit disappointed in Ted Weems' music (but not disappointed enough to keep from enjoying it). Guess we all expected Ted's band to be the same troupe who made all those wonderful records that pleased us about 10-or-so years ago... same Ted Weems... different band.

YOU CAN sho tell that hubby doesn't take me along too often — I can't stop talking about it, I just want to mention three more things: Shame on those few women who crashed the Key Members Breakfast — it was supposed to be stag!... shame on the Lubbock clubs who fed us barbecued chicken (which some had to break down and eat with their fingers) at a banquet where many of the men and women were to (and did) wear formal clothes — the chicken was delish, but!... shame on the HEREFORD LIONS who didn't see to it that there were some teenage fellas in their party for the banquet and dance Friday night — Claribeth seemed to have a nice time, but I know it was difficult there in the midst of all us old-married folks.

Now don't get the wrong idea, I had a marvelous time at a convention, and I'll be the first one in line for the next trip. Thanks to the guest party liner for helping to the column keep schedule. Maybe I'll have the convention out of my system by Sunday.

There seems to be quite a bit of news from the church front these days. A proposal by the Ministerial Alliance to eliminate undesirable literature from the Hereford news stands, for instance, has created extensive discussion.

Maybe they are right, but it seems to me that the preachers might do such a good job in their churches that folks wouldn't buy trash literature in the first place. It could also turn out like the banning of books in Boston, which automatically skyrockets them in to the best seller lists. In addition, this sort of thinking would at the same time eliminate a lot of widely accepted books — including several written by Mr. Wm. Shakespeare and taught in the denominational colleges sponsored by the very churches which some of the pastors represent. In a reverse light, the situation reminds me of how Mr. Hitler and Mr. Stalin attempted to outlaw the Holy Bible in Germany and in Russia — but a lot of those folks still have Bibles.

It is not my purpose to uphold shoddy literature as an ideal, but I do think the ministerial group is approaching this thing from the wrong angle. I also doubt that it will accomplish anything except to cause trouble and hard feelings.

Many people were quite surprised to hear of the resignation of Bob Lawrence as educational director at the First Baptist Church, probably because it is difficult for those who know him to visualize Bob in any other role. However, they tell me that he was reared on a ranch and that the Lawrences are looking forward to ranch life in Colorado, where they will be associated with Bernard Roberson, making their home near Salida. They plan to leave May 16. The Lawrences are mighty fine people, and will be missed by hundreds of friends in this area after nine years of continuous service to their church and to the community. We hate to see them leave, but join in wishing them success and happiness.

President L. B. Barnett and Secretary D. C. Kinsey are getting things lined up for the big Shine clinic to help kids in Deaf Smith, Parmer and Castro Counties. A total of 105 boys and girls went through the clinic last year and many of them were fundamentally helped through diagnosis and succeeding treatments. The date is Saturday, May 18. If you know of a child who needs help contact Dr. Barnett or Mr. Kinsey for details or pre-registration. It is part of the program outlined by the three-county club.

I hear quite a bit of talk about the proposed county jail — and considerable opposition. Nothing organized, just general complaints centering mostly about the cost. Honestly, though, we do need a new jail. Furthermore, it would be false economy to build it too small. Our present jail situation is about as close to being a disgrace as

anything can get and still be our own. The city jail is likewise a bad state. What we need is the new county jail, which would also handle city prisoners on a fee basis. Literally scores of dogs around here get better quarters than do our prisoners. Fact is, that white rat at our house has a much better deal in the old parakeet cage.

I don't think we should nampa prisoners, but they are entitled to decent facilities. This is especially true in cases where they are proven innocent of charges leveled against them. It is also well to remember that no one ever goes to jail by choice. The situation is always forced upon them.

Fishing season is now officially

underway, I saw Clarence Schulz load up his tackle Monday morning, which is always a good sign that they are biting. Also, I keep hearing about how Mr. and Mrs. Mark Benefield caught 50 crappie that weighed 60 pounds on a recent excursion to Conchas Lake. As soon as a few of these stories get into circulation things will be in popping for sure. Even Jess Ford seems to be getting the fever and, in another week or so, a fellow might be able to talk Gieve Owen or Ross Latham into wetting a few hooks.

If you don't think the cost of groceries is high, then take a good look at Gaylord Newell. Gaylord has lost something like 20 pounds in recent weeks — and he gets his groceries at cost.

The oil excitement seems to have come and gone. At least, I hear very little about it these days. Probably everyone is too busy to dabble in the deal.

I keep noticing where they have these weed control programs all over the Panhandle and, after looking at the dandelions in my yard, it sounds like a good program for Hereford. At least, I could tell my wife to call the city instead of fussing at me. Bartley Dowell was telling me about a fellow who went

before the Commissioners Court in Randall County to apply for some free groceries and when the request was granted said: "Say, I'm a fool! I wonder if you could have them delivered."

Someone is going to have to take Bill Patton down a notch or two. Bill fabricated a new, fancy boat in his garage this winter and has attached two motors. He goes around all the time bragging about the way he runs off and leaves the other boats standing still. I am sure someone will outrun him soon and, when they do, I want to know about it.

Things are rolling along on the summer athletic program. Monday night the bull barn was covered with young hopefuls who will participate in the various sports. Most surprising is the fact that gym seems to outdo them all in popularity.

Talk is still cheap but, like everything else, it is going up. This

Three of the 17 bunks available for prisoners in cells in the 52-year-old Deaf Smith County Jail are shown above. This is in the largest cell, occupied on Monday by 6 prisoners. As many as 40 persons have been held in the

jail at one time, although the highest population in recent months is reported to be 20. Average population last month was 11 prisoners.

The proposed new county jail, shown in the architect's drawing reproduced above, would be 77 by 44 feet, plus a small addition at the rear of the first floor which would include a two-car garage, laundry room and space

for equipment storage. The structure is planned for location on Fourth St. just west of the present county jail. Its exterior would be built of brick and stone.

## County Dads To Let Jail Proposal Stand or Fall on Its Own Merits

On May 18, voting property owners in Deaf Smith County will have the opportunity to pass on a proposal to issue bonds — up to a maximum of \$175,000 worth of bonds — and levy taxes in order to build a new county jail. The \$175,000 has been described by the commissioners court as adequate to cover costs of the building, jail equipment, furnishings for the structure and for tearing down the present jail.

Earlier, the board members had considered issuing warrants for the proposed construction. They decided on a bond proposal after noting that emergency warrants can not be legally issued for payment of architects fees, building equipment and other incidentals.

Leaving the decision on the jail project up to the voters apparently was also a factor considered by some members of the board. Members of the county commissioners court have indicated that they will not actively campaign for the passage of their proposal.

The bond issue is apparently a "take it or leave it" deal.

The structure proposed would be built on Fourth St., just west of the present jail (an earlier proposal to build the jail as an annex to the courthouse was discarded). It would provide cells for 42 prisoners, including special quarters for juveniles and women, plus a holdover "tank" and a padded cell. The building would provide living quarters for the jailer and offices for the sheriff's department.

Kerr & Kerr of Amarillo, architects, estimate cost of the two-story structure at \$98,000, plus \$40,000 for special jail equipment — primarily, steel cells. The architects fee will be 5 per cent.

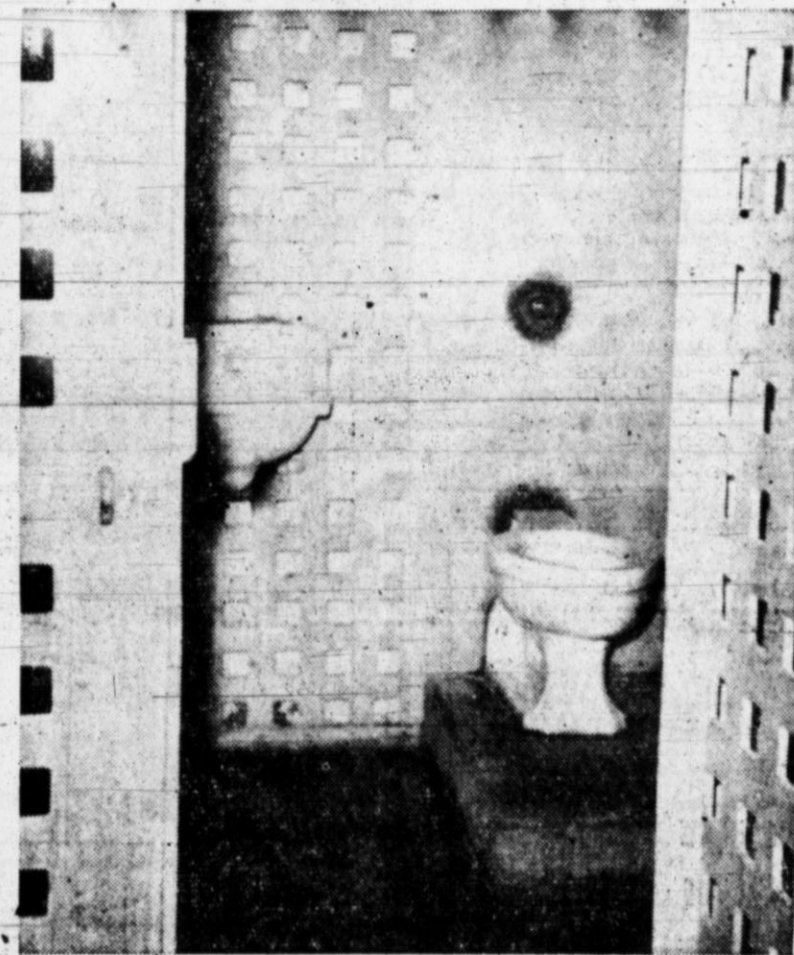

While the bonds will be offered for bids, the county has been guaranteed purchase at no more than 3.25 per cent by Columbian Securities Corp. of Texas. Columbian is acting as fiscal agent for the county for this project. Their fee will be 1 per cent of the total contract cost.

Photos on this page show the architect's drawing of the proposed building, and the conditions that exist within the present jail.

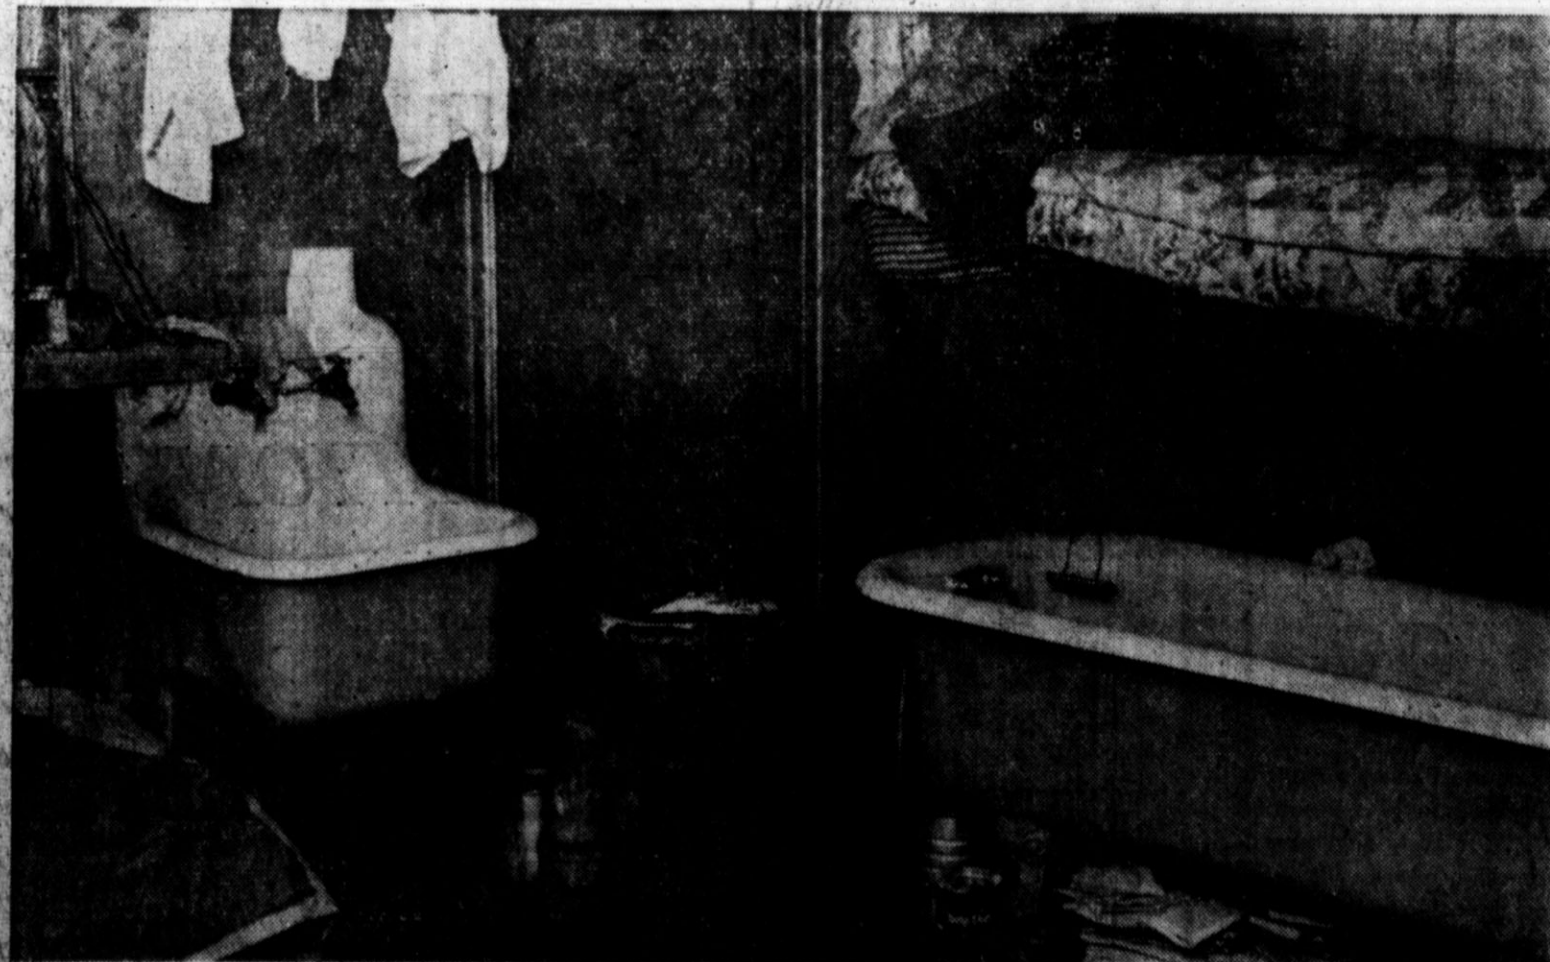

The present Deaf Smith County Jail has bulged of the structure. Cracks are prominent in the walls on the north, south, east and west sides.

of the structure. Cracks are prominent in the walls on the north, south, east and west sides.

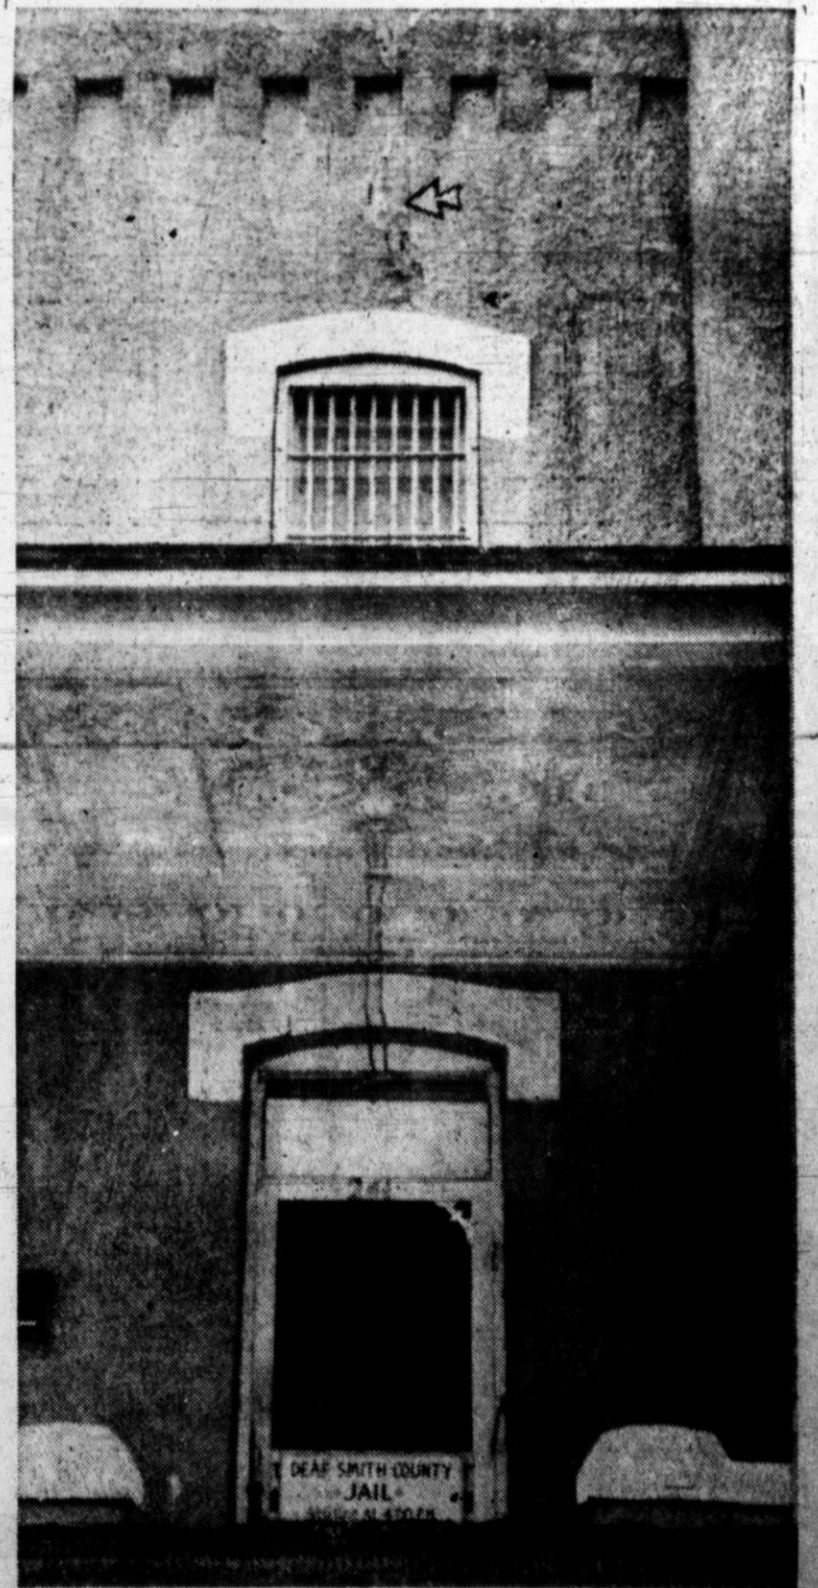

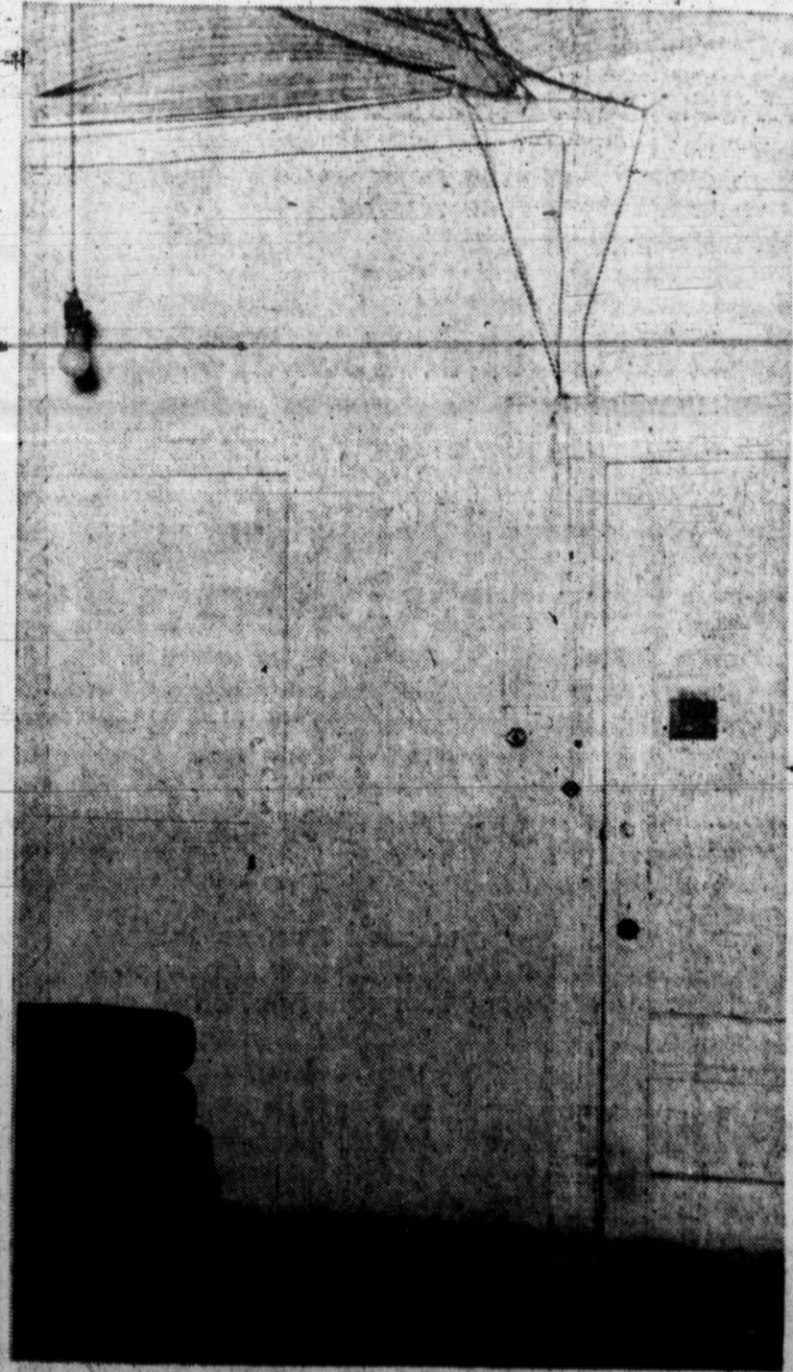

Modernization in past years at the jail has resulted. Remodeling of the 1904-model jail has included installation of toilet facilities for women and juveniles, above, and electric lighting, below, right.

Toilet facilities for male prisoners were modernized some years ago. They include, in the main cell, a bathtub beneath one of the bunks, sink just at the right of the prison-

er's dining table—a shelf above another bunk, and a commode. A circulating library occupies space beneath the bathtub.

Exterior view of the jail shows one of the cracks, indicated by the arrow above, that has developed in the building. Few people, other than prisoners and their families and friends, except persons on official business avail themselves of the opportunity to visit the jail—at 4 p.m. on Mondays and Fridays. Most noteworthy features other than the general appearance of old age and poor repair include the crowding of prisoners and an overpowering smell of disinfectant. (Staff Photos)

# Hussein: King of the Sands

By JOHN BARBOUR  
AP Newsfeatures

For the 21-year-old ruler of Jordan, the lesson of his father is clear:

He who rules the shifting sands must be brother to the wind.

Young King Hussein is monarch of a kingdom of sand. Today some part of Jordan blows into Syria or Iraq or Saudi Arabia or Israel. Tomorrow, perhaps, it blows back.

Jordan's boundaries are unmarked and, like the sands, slave to the winds of political desire. Her life as a nation can be traced only to 1922 and her rulers in the past have been propped up by the strength of Britain.

THE EAGERNESS of neighbors to replace Britain as "Kingmaker" for Jordan was one of the main factors in stirring up the dissident winds that threaten to blow Jordan apart.

Hussein's power lies under the black tents of the Bedouins, the wandering desert people who are the backbone of his tough Arab Legion and who number Hussein among their own because he is of the Hashemite clan, rulers of Mecca for 38 generations.

Hussein's weakness is in the cities where Palestinian refugees riot and mob — feeling no allegiance to the Hashemite king and harboring a hatred for Is-

rael which they say stole their homes.

Hussein will not likely forget his own violent ascension to the throne. His grandfather, a Bedouin chief, was shot to death by a refugee while Hussein walked at his side. One of the bullets tore Hussein's uniform. Hussein's father became king but lasted less than a year, deposed because of his erratic behaviour.

A 17-YEAR-OLD school boy, Hussein took over the job in 1953. At first he seemed more like his father

than anyone else. He had a passion for Italian spaghetti, liked fast cars, fast planes, and fast company.

But in the last year, the character of Hussein's grandfather has come out again.

First, apparently irked by talk that the British controlled Jordan, he fired British Lt. Gen. John Bagot Glubb, the man who had built the Arab Legion into the Middle East's toughest fighting force.

In doing so, he lost the fat British subsidy that enabled his nation to exist — primarily as a British military island.

Then, he touched off a minor rebellion by dismissing the man he had named chief of staff of the Legion — a man, he said, who had sympathies with neighboring red-tongued Syria.

Last month he raced by car through the desert to an army base where he leaped on a tank and challenged his troops to shoot him if they would not follow him. He won their allegiance.

He attacked Egypt and Syria as being the pawns of international communism and told Egypt to stop stirring up the mobs who prowled the streets of Jordan.

These were all bold, independent acts, designed to hold Jordan together by the only means Hussein has — the Arab Legion and his fabled courage and authority of his family.

Even Glubb, fired by Hussein, conceded that the young King "has got it in him" and "will be quite a remarkable man when he reaches middle age."

He may or may not live that long.

## Jack Bradley Is Named Director of Uranium Firm

James H. (Jack) Bradley of Hereford was elected a director of Industrial Uranium Co., at the annual stockholders meeting held in Salt Lake City, April 30. He succeeds another Texan, George F.L. Bishop, formerly of Canyon and Phillips and presently of Salt Lake City, who recently resigned as president and chairman of the board of directors due to the press of other business activities. Robert M. Schuchart of Salt Lake City succeeded Bishop as President and chairman of the Board of Directors.

The firm reported net earnings for the first 11 months operation of its Moonlight Mine in Monument Valley, Ariz., of \$234,198. Bradley was one of a group of 10 individuals who originally organized Industrial Uranium Co., and privately financed its first exploration program in January, 1955.

### SEEING EYE CAT

MILL VALLEY, Calif. — The J. R. Rowntree's blind cocker spaniel dog is led about these days by a "Seeing-Eye" tomcat.

The cocker, Duke, developed cat-arracts. He started bumping into things. That's when the gray tomcat, Bos'n, started taking over.

"I couldn't believe it at first," said Mrs. Rowntree.

"One day I locked out and saw that Duke had strayed part way down the hill. He was standing there confused, not seeming to know how to get back to the house."

"Bos'n heard me call him, darted out the front door and ran down to where Duke was. He nudged Duke around and led him back up the path." Rowntree, an engineer, said Bos'n often saves Duke from falling off the porch by moving in between the dog and the porch's edge.

Weekends are the most dangerous time to be on U.S. highways. In 1956, more than 56 per cent of all fatalities occurred on Friday, Saturdays and Sundays.

To qualify for the honor roll, a student must demonstrate superiority in academic work.

## Beauty At Home

Q. What causes the almost constant redness in the tip of my nose?

A. Faulty diet and improper elimination are often the root of this trouble. Sometimes too much pepper and other spices in the food aggravate redness in the nose and other parts of the skin. My suggestion is that you see your doctor about this.

Q. My hair always has a sticky feeling to it right after a shampoo. Why is this?

A. This could very well be due to hard water. You can cut this with

some lemon juice mixed with the water if you are a blonde, or with vinegar if you are dark. Use these mixtures as a second rinse; then rinse again with warm water.

Q. What is an exercise that is beneficial to the throat muscles?

A. Bow the head forward, vigorously stretching the muscles at the back of the neck. Then bend it slowly to the right side, making an effort to touch the ear to the shoulder. Then to the left, and then to the rear.

Q. How can I remove some yellow perspiration stains from white washables?

A. Sometimes, after a good laundering, you can bleach these stains out in the sun. Should the stain remain, sponge with hydrogen peroxide, or hydrogen peroxide plus sodium perborate (one teaspoonful to one pint of peroxide). Or, dip the stain into a solution made by adding two teaspoons sodium hydrosulfite to one pint water. Rinse promptly and well.

Q. I'm troubled by whiteheads on my skin. What treatment can I give these?

A. Try applying a thick paste of fuller's earth and witch hazel, then wrapping some gauze over the face to keep this in place. After awhile, wash off with cool, then cold, water.

Q. I would appreciate a suggestion which will help me to keep my blonde hair light.

A. The juice of a lemon, added to your final rinse water after shampooing, will help to keep your tresses light.

Q. How can I give my hair a

"dry shampoo"?

A. Beat the whites of two eggs as stiff as possible, then take a handful of this at a time and rub it well into the scalp with a light, circular movement. Dry the hair for 20 minutes, then give it a good brushing.

Q. How can I make up to reduce the appearance of a nose with wide, flaring nostrils?

A. Blend the tiniest bit of rouge along the side of each nostril.

Q. What is a good, external treatment for facial pimples?

A. Bathe the face more often — at least twice daily — with pure soap and water, rinsing thoroughly with very warm and then cold water. Use lanolin as a substitute for face cream, and as little powder as possible.

Q. What is a good skin bleach I can prepare myself at home?

A. Mix one tablespoon of rose water and three tablespoons of pure lemon juice. Leave this on the skin for about five minutes, then rinse off with warm water, and apply some almond oil.

# High School Boys Do Well in Rodeo

By JUDY GRETCHEN PINNELL

The Adrian High School boys showed up very well at the Stinnett High School Rodeo this weekend. Participating in the rodeo were Allen Ehresman, Henry Gruhkey, Cecil Blasingame, Butch Betts, Lloyd Homfeld, Edd Pinnell, and Pop Corn Pinnell. Overseeing the boys was Kenneth Homfeld. Bringing trophies home were Allen Ehresman, first place in ribbon roping and second place in tie-down, and Edd Pinnell, first place in tie-down.

Mr. and Mrs. Richard Snook of Moore, Okla., visited with Mr. and Mrs. R. M. Gruhkey and family Sunday. Snook is Mrs. Gruhkey's nephew.

Mr. and Mrs. Carroll Gruhkey left for Farmington, N. M., Friday afternoon. Their son, Davy, is staying with Mrs. Irene Brown while they are gone.

The honor students of Adrian High School have been announced:

Winning the valedictorian honor is Rebha Joyce Pinnell, daughter of Mr. and Mrs. E. K. Pinnell. She has a four year's average of 95.88. Rebha is now editor of the school newspaper and has been president of her class in previous years. She has been a member of the girls basketball team and the school choir.

Erma Lou Jordan, daughter of Mrs. Jesse Jordan, has been named salutatorian with an average of 95.68. Erma has been outstanding on her basketball team. She has an interest in music and now plans to take training for nursing. She is the sports editor of the newspaper. The four years average of the '57 graduating class is 90. Baccalaureate Services will be conducted in the Methodist Church in Adrian Sunday morning, 11 a.m., May 12. The class will graduate Friday, May 17, in the school auditorium at 8 p.m.

The senior class was honored on Thursday night with a picnic by the Women's Missionary Society of the Baptist Church. The class enjoyed eating out and playing badminton and croquet very much. Attending were the seniors and their parents, Mr. and Mrs. R. M. Gruhkey and Billie, Mr. and Mrs. John Proctor and Sheldon, Mr. and Mrs. Hershel Tomlinson and Judy Nell, Mrs. Jesse Jordan and Erma, Mrs. E. K. Pinnell and Rebha, Mr. and Mrs. R. L. Pinnell and Judy, Allen Ehresman, Pee Wee Burks and Gene Shelton.

Mrs. Prowell showed film slides of closets. She also told what was needed for a complete sewing box. Club record books will be turned in May 24. Refreshments were served and the meeting was adjourned.

## WOODEN EXCUSE

ATLANTIC CITY, N. J. (AP) — A 19-year-old WAF told municipal Judge Stephen A. Damico she operated an auto on this resort's famous boardwalk but her excuse couldn't prevent a \$25 fine and \$5 on a careless driving charge.

"I was a stranger in town and it looked like a street," said Regina Strong, Lorain, Ohio.

It's a dear bargain if you have to sit down and write long letters of explanation to an insurance company and then wait around for answers that may involve more long letters.

We have a bunch you'd rather BUY FROM AN AGENT who, like your family doctor, is no farther away than the nearest telephone, and who, moreover, is ready to serve you at any hour, on any day, in any weather.

That's how this Agency conducts its business.

# Facts You Need To Know About AGRICULTURAL AMMONIA

## AGRICULTURAL ANHYDROUS AMMONIA

The anhydrous part of the name means without water. Ammonia—at normal temperatures and pressures—is a colorless gas consisting of 82 per cent nitrogen and 18 per cent hydrogen. This is the most concentrated form of Nitrogen fertilizer known.

## WHAT AMMONIA DOES FOR CROPS

Ammonia combined with the clay is insoluble in water and resists leaching. Plants in the early stages of growth absorb and use nitrogen in this ammonia form directly.

At soil temperatures above 50 degrees, with proper moisture, soil micro-organisms change the ammonia nitrogen into nitrate nitrogen. Since many plants prefer the ammonia form in their early stages of growth and the nitrate form later, this conversion process of NH3 closely parallels the plants' needs.

THUS ANHYDROUS AMMONIA Fertilizer makes it possible for your crops to have adequate supplies of nitrogen throughout their growth—and at low cost.

## WHY YOUR LAND NEEDS NITROGEN

- ★ For greater growth, yields, profits
- ★ For higher protein in food and feed crops
- ★ For quality crops of healthy, dark green color
- ★ To speed decomposition of crop residues

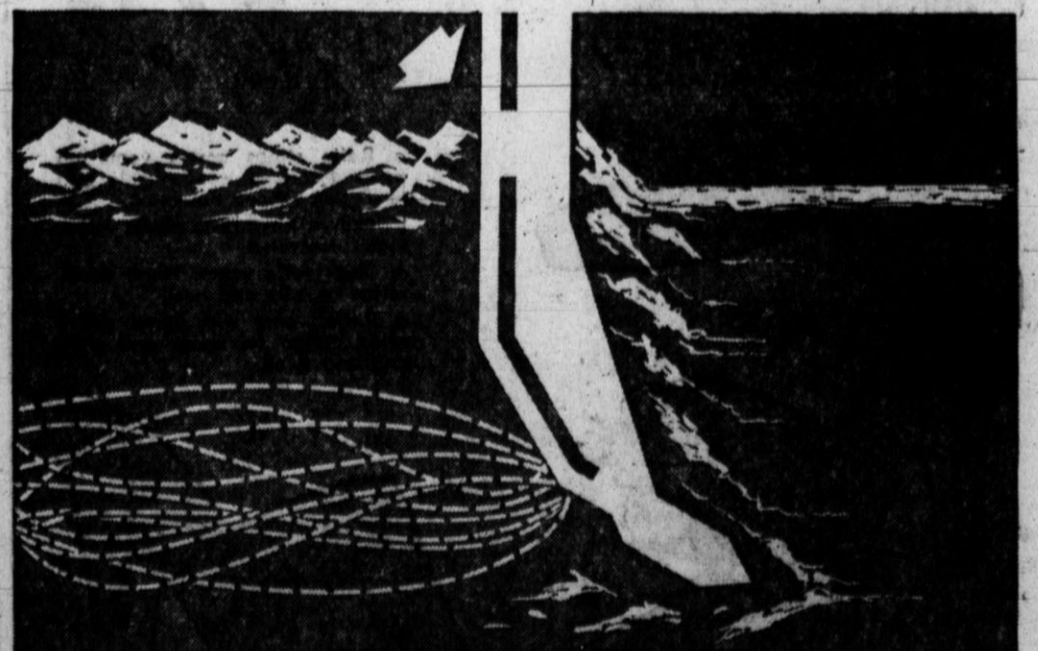

## YOUR INDIVIDUAL SOIL NEEDS

It's impossible to provide an exact fertilizing program suited to all farms. Climate, soils and management of soils vary greatly from state to state, county to county and farm to farm.

So, consult Hereford Butane, Inc. Have your soil tested. A soil test is the best way to find out just what your individual field needs. Check your previous cropping history. Then you can be sure that you are applying the right balance of plant food for efficient, economical crop use—higher yields.

PHILLIPS 66 AGRICULTURAL AMMONIA (82% NITROGEN) properly used will return many times your original investment in increased crop yields.

FOR MORE NITROGEN AT LESS MONEY, GET PHILLIPS 66 AGRICULTURAL AMMONIA AT HEREFORD BUTANE, INC.

## Legal Notice

**NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS TO THE RESIDENT QUALIFIED ELECTORS OF DEAF SMITH COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:**

TAKE NOTICE that an election will be held on the 18th day of May, 1957, within Deaf Smith County, Texas, to determine if said County shall issue Jail Building Bonds, and if a tax shall be levied on all taxable property within said County sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, in pursuance of an ELECTION ORDER made and entered by the Commissioners' Court of Deaf Smith County, Texas, on the 29th day of April, 1957, and which order is in words and figures as follows:

**ORDER FOR JAIL BUILDING BOND ELECTION**

THE STATE OF TEXAS COUNTY OF DEAF SMITH ON THIS, the 29th day of April, 1957, the Commissioners' Court of Deaf Smith County, Texas, convened in special session, at the regular meeting place thereof in the Courthouse at Hereford, Texas, there being present and in attendance the following members, to-wit:

H. E. HENSLEE, COUNTY JUDGE, Presiding; and CHAR-

LES R. SOWELL, COMMISSIONER, Precinct No. 1; OTTO L. MASSIE, COMMISSIONER, Precinct No. 2; J. T. GUINN, COMMISSIONER, Precinct No. 3; DONALD R. HICKS, COMMISSIONER, Precinct No. 4; and among other proceedings were the following:

COMMISSIONER Sowell introduced the following election order: WHEREAS the Commissioners' Court of Deaf Smith County, Texas, deems it advisable to submit to the resident qualified taxpayers voters of said County, who own taxable property in said County, and who have duly rendered the same for taxation, a proposition for the issuance of bonds of said County for the purpose hereinafter stated; therefore

BE IT ORDERED BY THE COMMISSIONERS' COURT OF DEAF SMITH COUNTY, TEXAS:

That an election be held in said County on the 18th day of May, 1957, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified taxpayers who own taxable property in said County, and who have duly rendered the same for taxation, for their action thereupon:

"SHALL the Commissioners' Court of Deaf Smith County, Texas, be authorized to issue the bonds of said County in the total principal sum of ONE HUNDRED SEVENTY FIVE THOUSAND DOLLARS (\$175,000), to mature serially at such time as may be deemed most expedient

by the Commissioners' Court, but not later than twelve (12) years from the date thereof, and to bear interest at a rate not to exceed THREE AND ONE-HALF PER CENTUM (3½%) per annum, and to levy ad valorem taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, for permanent improvement purposes, to-wit: the construction and erection of the county jail building in the City of Hereford, The County Seat of Deaf Smith County, Texas, pursuant to authority conferred by the Constitution and laws of the State of Texas?"

ALL VOTERS who are legally qualified voters of said Deaf Smith County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election; and said election shall be held under the provisions of Chapters 1 and 2, Title 22, Revised Civil Statutes of 1925, and the Constitution and laws of the State of Texas.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"  
"AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

AS TO the foregoing proposition, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition; or, in the alternative, each voter may vote on the proposition by placing an "X" in the square appearing on the ballot beside the expression of his choice.

The POLLING PLACES and officers of said election shall be respectively as follows:  
Precinct Number 1, Commissioners' Court Room Courthouse, Hereford, Texas, Presiding Judge, Frank Beznar.

Precinct Number 2, County Court Room Courthouse, Hereford, Texas, Presiding Judge, Walter Seed.

Precinct Number 10, J. F. Matthews Residence, Daniels Community, Presiding Judge, C. L. McBroom.

Precinct Number 11, Central Schoolhouse, Hereford, Texas, Presiding Judge, J. J. Clark.

**SPECIAL CANVASSING BOARD:**  
Wayne Thomas, Jim Bob Allison, Carol Turner.

THE MANNER of holding said election shall be governed by the General Laws of the State of Texas regulating General Elections.

A COPY of this order, signed by the County Judge of said County, and certified to by the County Clerk, shall serve as proper notice of said election.

NOTICE of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS" Said Notices shall be posted in each of the election precincts of the County of Deaf Smith, and at the door of the County Courthouse, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation published in Deaf Smith County, the first publication to be not less than fourteen (14) days prior to the date of said election.

The above and foregoing order, having been read in full, it was moved by Commissioner Sowell and seconded by Commissioner Guinn that the same do pass. Thereupon, the question being called for the following members of the Court voted "AYE": Commissioners Sowell, Massie, Guinn and Hicks; and none voted "NO".

PASSED AND APPROVED, this 29th day of April, 1957.

/s/ H. E. Henslee  
County Judge, Deaf Smith County, Texas

IN WITNESS WHEREOF, I have hereunto signed my name officially and affixed the seal of the Commissioners' Court of Deaf Smith County, Texas, this 29th day of April, 1957, pursuant to authority given by law and the above order of the Commissioners' Court

## Mike DeBiase Plans Ring Debut Here

A newcomer to the Hereford wrestling ring, Iron Mike DeBiase, 230 pounds, will take on Rip Rogers in the first event of a two-bout card Saturday in the Bull Barn.

Bob Geigel will encounter The Great Bolo in the final event. Both matches are scheduled for two out of three falls or one hour.

DeBiase is from Omaha, Neb. Geigel made a successful return to the local arena last Saturday, whipping Tiny Mills in two of three falls. Geigel won the first fall with a spinning arm hold. Mills took the second and Geigel was disqualified for rough tactics.

Al Mills and Don Curtis fought to a standoff, both fighters being counted out after each had won a fall. Al won the first fall in 13 minutes and Curtis took the second in 8:45. There was no decision on the third fall.

### NEW USE FOR COTTON STALKS

RULEVILLE, Miss. (AP) — Mississippi cotton growers who always have plowed under cotton stalks to help the soil have been told the tough plants may be the raw material for a new pulp industry.

Dr. W. J. Nolan of the University of Florida, one of the Nation's Authorities on wood pulp production, has told planters "From what we already have done there appears a certainty that a readily saleable product can be produced." The pulp could be used for cartons, liners, corrugated wrapping materials and related items.

### SLICK CHICK

PORTAGE, Wis. (AP) — Motorists on snow-slicked U. S. Highway 51 learned that not even chicken feed is just chicken feed.

A semi-trailer truck which couldn't negotiate a slippery hill blocked a long line of cars, including one occupied by a farmer. The farmer pulled a pair of chicken grits from his auto, threw the grits under the wheels of the truck, giving it enough traction to ascend the hill.

Lest we forget: "Honor thy father and mother." Eph. 6:2. It is well - pleasing to God if we honor and love our parents. Our gracious Lord will abundantly bless all children who honor their parents and do it in the fear and love of God. He will bless them here on earth in a way that is good for them, and He will bless and reward them even more abundantly in heaven. The most beautiful example of the fulfillment of this commandment is our Lord Himself. Even when He was nailed to the cross, He remembered His mother.

A most cordial welcome to you.

# Mother

... ah, there's a word for you... Mother. Surely, it is second only to the word Jesus, or God. Without mothers there might be little need for Heaven... there would be no souls to go there. Mother gave you life and love... what have you given her? It's a meager tribute that we should pause once a year and dedicate one day to her. Yes, there is something very special, something extra that comes only from mother. Then, do her honor this Mother's Day. Turn the tables on her and prepare her dinner. Take her to God's House for an hour of worship. She probably won't ask it of you but you owe a debt... why not pay some of it to her.  
 God bless Mothers.

**Anniversary of Dawn H. D. Club Is Enjoyable**

By ARGEN DRAPER

The anniversary celebration of the Dawn Home Demonstration Club was quite enjoyable. I could hardly believe 10 years had passed since we met in the home of Arnold Hershey and organized the club. There have been a lot of changes in the last 10 years, however. We've had electric lights, telephones, television, home freezers, can-can, petticoats and Elvis Presley.

I know Mrs. W. P. Caraway doesn't look one day older than that day when we organized. Helen Caraway sang a Spanish song Friday — don't know as there was any significance to the celebration

but it was funny. A note from Mrs. Raymon Childers wishing the club well. We counted 51 members of the club since its organization.

This was a celebration of National Home Demonstration Club Week — Mrs. Leo Hoffman joined club as a new member. She is the mother of Sharon-Hoffman who gave a team demonstration with Linda Tooley on changing the plate on a wall switch. The Hoffmans have bought the Condon place between Hereford and Dawn.

If you didn't attend the 4-H District Elimination Contest at West Texas Campus last Saturday you missed a treat. There were 28 people from Deaf Smith County. The Jolly Girls 4-H Club was there 100 per cent. All the club members and Mrs. Roberts, Mrs. J. E. Dyer is the adult leader and she really appreciates the fine cooperation that the parents give her in club work. Ted Ford also was in Canyon to attend the contests. He has personal interest as he helped Peggy Browning and Sharon Beizer with their demonstration and also Nancy Parsons and Kay Albracht.

The Little People — the pantomime given by the Happy Homes 4-H was well received and we are proud of Jeannie Logan, Pat Dawson, Glenda Gandy and Carlynn Williams. Too, Mrs. John Dawson went along with Mrs. Ira Ott to help with the props for the stunt. Other club members of the Happy Homes were Linda Hewett, Louise Axe, Fenaida Williams and Mrs. Ott's nieces Patsy and Sharon.

Earlene Plank helped in judging the dairy foods demonstration. There were more entries in dairy foods than other contests. There was only one entry in the vegetable demonstration.

Congratulations to Merry Kay and Rovee Lee Pruitt in being district winners in the Farm and Home Safety Contest. They will go to state contests during Round-Up. Round-Up is June 11-14.

The four in the Dawn community of homes where upholstery has been done has been set for May 10 at 2:30 p.m. We will meet at the home of Arliss Stewart and then tour the homes of Muri Little, H. S. Fuller, Ray Polen and J. B. Caraway. We have changed

**UNSEASONABLE SNOW**

FRANKFORT, Ky. (AP) — For 10 years Vernon Rooks has been stringing Christmas lights on the tree in his front yard, but it's never snowed on Christmas Day.

Last year, he decided to leave the lights up until snow fell, no matter how long it took.

It snowed exactly one month after Christmas.

four dates at Dawn on the upholstery so we don't know what to expect.

Dorothy Prowell and I attended a Foods meeting in Panhandle on Monday and Tuesday of this week. We have a new foods specialist, Maecna Cox. She gave us some late nutrition news and helped in planning foods programs.

I'm sorry to hear that Margaret Witherspoon is ill but glad she's home. She has the natural poise and charm many women try years to cultivate. To me she has by far the best radio voice. Margaret, we hope you will get well soon.

**Subjects Vary for H. D. Clubs**

Three county home demonstration clubs met recently and discussed a variety of subjects, including pictures, broiling meats and detergents.

Detailed reports of the meetings follow:

**Wyche**  
The Wyche H. D. Club met May 2 in the home of Mrs. George L. Olson. Mrs. Charles Packard and Mrs. Olson gave the program on broiling meats.

Mrs. Packard stressed the cuts of meat suitable for broiling and the seasonings for broiled meat.

Members present were Mesdames W. P. Axe, J. V. Pickens, Harley Ward, R. W. Elliston, E. C. Hewitt, Charles Packard, C. C. Ellis, Ira Ott, O. B. Sumner and George L. Olson.

The next meeting will be held May 16 in the home of Mrs. E. C. Hewitt.

**North Hereford**  
Mrs. Tony Hoffman gave the program on detergents to the North Hereford Club when it met at the home of Mrs. Fred Barrett.

Members present were Mesdames A. E. Hodges, Paul Hoff, Otto Massie, O. C. Williams, Tony Hoffman, R. A. Fullwood, O. L. Williams, Mary Bodkin, Fred Barrett, Otto Olson, R. E. Barrett, C. L. Whitehead, W. H. Russell, M. S. Kendrick, Frank Brinkman, Charles Owen and Miss Bea Barrett.

The club will meet with Mrs. W. H. Russell May 16.

**Bippus**  
Members of the Bippus H. D. Club heard Mrs. Argen Draper,

county agent, give the program on pictures when the group met April 24 at the home of Mrs. Elmo Hall.

Mrs. Dick Shugart and Mrs. Draper were visitors.

Members present were Mesdames G. V. Hall, Melvin Henderson, Jimmy Perrin, C. F. Homfeld, Elmo Hall and Miss Christine Fortberry.

**How Can I?**

Q. How can I remove old wall paper from the wall?

A. By using a heaping tablespoonful of saltpeper to a gallon of hot water and applying freely with a flat brush. Keep the water hot and the paper can be pulled off easily.

Q. How can I remove scratches from dark furniture?

A. They will hardly be noticeable if they are painted with iodine before polishing with furniture polish.

Q. How can I clean linoleum that has become spotted with paint or rust?

A. Rub it gently with steel shavings or emery paper.

Q. How can I polish the porcelain of the bathtub?

A. Nothing is better than kerosene, but care should be taken when using it. If a can is kept in the bathroom cabinet for this purpose, and used frequently, the tub will always be immaculate.

Q. How can I prevent custard from curdling?

A. Place the custard cups in a pan half-filled with cold water instead of hot water. The custard will heat more gradually, will be

firm, and without a drop of whey.

Q. How can I revive the colors in a faded rug or carpet?

A. Try applying a weak solution of alum and water.

Q. How can I tighten screws in furniture that are loose and keep falling out?

A. Dip them in glue and screw back in place immediately. They will not loosen again.

Q. How can I keep an iron from sticking to fine starched articles?

A. By adding a little soap to the starch. This also gives an attractive gloss.

Q. How can I ripen green bananas?

A. Lay the unripe bananas away in a paper bag, in a dark place, for a few days; they will ripen evenly.

Q. How can I make brass shiny?

A. Before cleaning brass with any kind of solution or polish, rub it with a cut lemon.

Q. How can I economize in butter when making pastry?

A. Mix a wineglass of salad oil with water to each pound of flour, and stir this thoroughly into the paste.

Q. How can I extinguish a fire of burning oil or fat?

A. By spreading flour over the flames.

**HAVE YOU NOTICED?**  
Except for times when Mom has let out a cuff or a seam, parents seldom realize how fast their children grow. I guess that's because it's hard to notice much change from one day to the next.

With telephone service, it's the same way. Growth and improvement go steadily on and on — almost unnoticed. One big reason for this is that you can't always SEE changes and improvements in telephone service.

Today, for instance, we may begin using some new rubber compound to keep circuits better protected from rain and ice. Next month maybe it will be something to help us spot cable troubles more quickly. Next year, perhaps a new way of making your telephone-voice sound more natural.

Improvements like these, made behind the scenes, come along month after month, year after year. They're just part of our efforts to make your telephone service more convenient and dependable — and as low in cost as possible.

**PROGRAMS FOR YOUR GROUP**  
Watching a movie at a Rotary meeting the other day reminded me to tell you about free-loan motion pictures we keep in our telephone film library.

Altogether I guess we have about 100 different 16 mm. films. All are sound-films — many are in color. Some are short ones — just eight or ten minutes. Others run 20 or 30 minutes, even up to an hour. Any of these films would add entertainment to your club program or other group meetings.

School teachers also find telephone films useful as classroom visual aids.

Anytime you'd like to borrow a film from us, just call the telephone business office. If possible, try to give us a few weeks notice so we can make sure it's available the day you need it.

Also, if you'd like to call and give us your name and address, I'd be glad to send you a free catalogue that lists and describes the film and other program material we have.

**JUST TO SAY HELLO**  
Not many years ago, placing a Long Distance call was a pretty big event. One you saved for important news — like telling the folks back home about a new baby. I't not like that any more. Nowadays, Long Distance calls often start off with, "We just thought we'd call to say hello." I think this modern custom — calling just to chat — keeps growing in popularity because there's something exciting about spanning the miles to hear familiar voices. And, of course, there's nothing like a telephone call when you really want to get ALL the news.

Calling Long Distance regularly costs a lot less than you'd think, especially when you place calls station-to-station. That way you make three calls for the price of two person-to-person calls. And you can also get extra savings by taking advantage of the special low rates every evening after 6 p.m. and all day Sunday.

Call by number. It's twice as fast.
