1963 Feed Grain Program Signup Begins Here Monday

Deaf Smith County feed grain producers will begin signing up for the 1963 Feed Grain Program at the Agricultural Stabilization and Conservation office here Monday, Feb. 4. Deadline for the signup has been set for March 22.

"We plan to put in the mail notification of yields and payment rates for each farm in the county on Friday," commented Faust Collier, local

ASCS office manager. "Applications for the program will be taken beginning on Monday."

If a producer has any question concerning the program, they may either contact the local office, or county and community committeemen, he added.

There are three committeemen in each of the four county ASCS communities plus three members on the County Committee.

They are: County Committeemen, Frank J. Benzer, Billy Hodges, and P. B. Sowell; Community A, Earl Holt, C. C. (Bill) Ellis, and Claude R. Damon;

Community B, George Turrentine, Frank Barrett, and S. A. Fangman; Community C, Eldred Brown, Frank Zinser Jr., and George Ritter; Community D, George V. Cassetty, Morris W. Blankenship, and Roscoe L. Pinnell.

The 1963 program again provides for voluntary reduction in feed grain acreage from the 1959-60 base acreage for each individual farm.

Grain sorghum, barley and corn producers making the voluntary reductions will receive payments for taking cropland out of production and putting acreage to conservation uses.

Support price loan levels have been set at \$1.71 per hundred weight for grain sorghum and 25 cents per bushel on barley. Support payments on grain sorghum will be 20 cents per hundred weight and 14 cents per bushel on barley. A producer complying with

(Continued on page 9)

County Holds Brief Session

Deaf Smith County Commissioners held a relatively brief meeting Monday, then went into a closed-door session for further discussion. The nature of business discussed in the private meeting was not revealed.

During the morning, Commissioners talked with various officials about county business, then spent some time checking over the report of operations for 1962 at the Deaf Smith County Hospital.

Commissioners discussed the hospital's delinquent account list, its list of bad checks and accounts which had been charged off during the past year as being uncollectable. In some cases, Commissioners asked that further efforts be made to collect overdue accounts. They also urged that the hospital continue to be diligent in its collections.

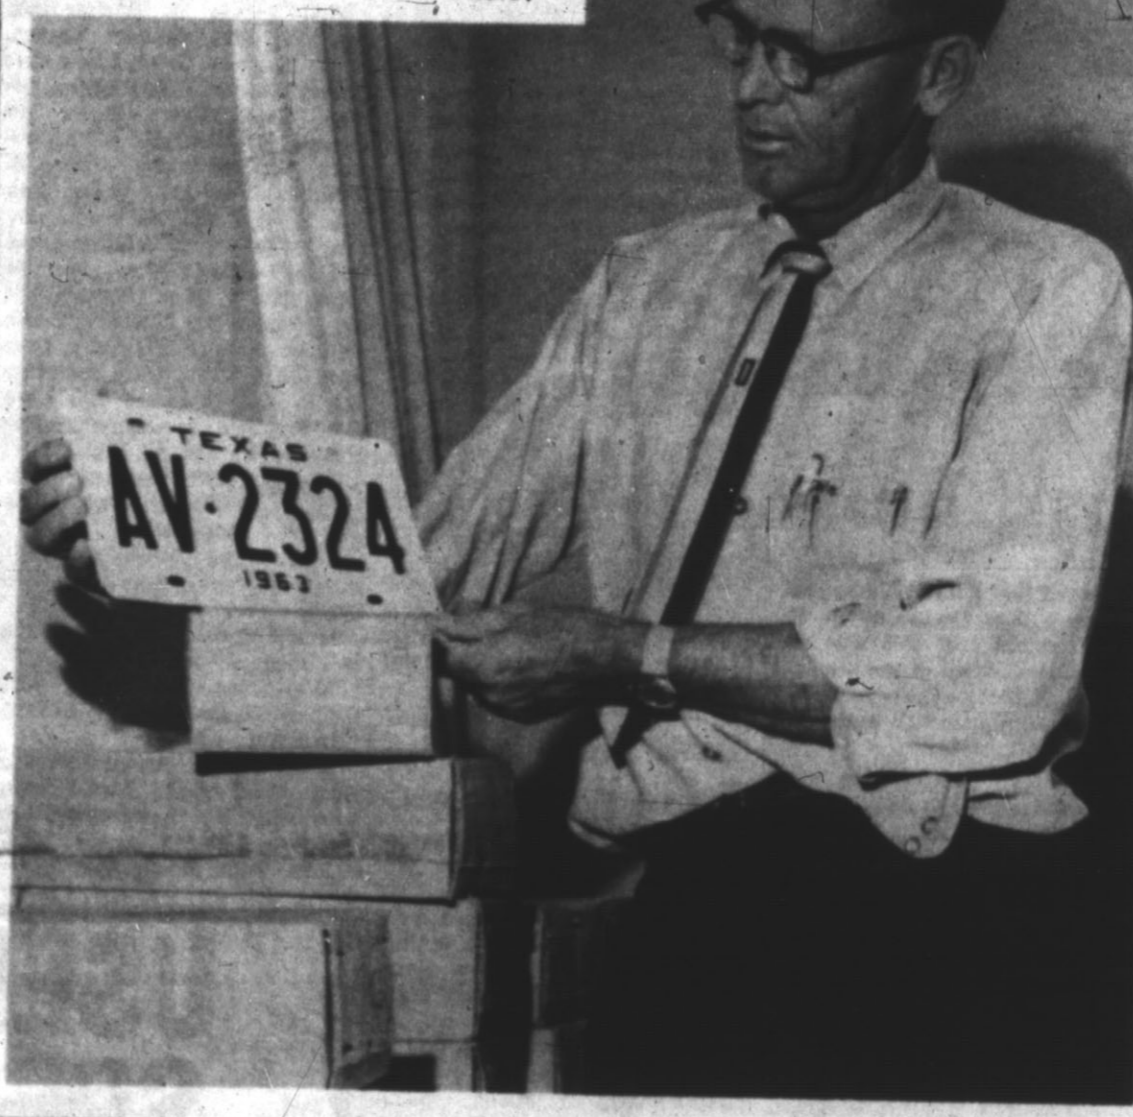

During the afternoon, the court heard Jerry Lovelady explain the advantages of using an Addressograph system in the county tax office. He said the system would cost \$7,180, with a life expectancy of 20 years.

He also said the system would eliminate about 80 per cent of the typing now done on the county tax rolls and would cut out much of the part-time help now used to help prepare county tax records.

Commissioners said they would make a decision on the proposal at a later time, although they felt the county now wasn't financially able to buy the system.

Frostbitten County Wheat Damage Hard To Determine

DISPLAYING VEHICLE license tags for Deaf Smith County during 1963 is Markham Waddill, deputy tax assessor-collector. County passenger cars will be carrying AU and AV designations this year. License plates go on sale in the tax office Friday, with a deadline of March 30. (Staff Photo)

By GARDNER COLLINS
Brand Staff Reporter
Is the 1963 Deaf Smith County wheat crop heavily damaged? That is a question which grain men, wheat farmers and agricultural officials are pondering. Some are pessimistic, others optimistic, and some have adopted a wait-and-see attitude. All agree, however, that the grazing potential of the crop has definitely been hurt by the lack of rain and snow in the area during the fall and so far this winter. Moisture is definitely needed, it was agreed, especially on the dryland land crop. It has been needed for a long time. The dryland crop is in "poor shape," commented Lefty Thomas, county agent, Tuesday. He added that the prospects for wind damage are great due to lack of moisture. He continued: "I don't think the crop is hurt too badly. The greatest loss appears to be on the late planted grain." "There appears to be some damage to the crop," stated Faust Collier, local Agricultural Stabilization and Conservation Office manager. "From past histories kept in this office, however, we have determined that there definitely will be some barley lost in this area." He pointed out that he was "not at all pleased with prospects for the crop at the present time," but commented no definite estimate of damage can be made until the crop begins to grow again. "What few wheat farmers I've talked to," commented an area grain elevator employee, "say that their wheat appears to be still alive." One or two have stated that they will not be able to determine the extent of the damage until the weather warms, he added. An optimistic note was sounded by one area elevator manager here Tuesday as he commented on the crop conditions. "I am not alarmed," he declared. "Wheat has the greatest endurance and can stand more abuse than any other farm commodity." "Off-hand I would say that the dryland crop is not up to average while the crop on irrigated land is average." However, he continued, it is possible to have good rains and snow during the last of the winter and early spring and have a bumper crop on the dry land. "Wheat really starts growing in March and we will have to wait and see," he concluded.

License Plates Going On Sale Friday Morning

License plates for 1963 motor vehicles and trailers will go on sale in the Deaf Smith County Tax office at 8 a. m. Friday, Feb. 1. They will remain on sale through March 30, since March 31 is on Sunday.

Nell Miller, county tax assessor-collector, reminded residents that state law specifies that vehicle owners must present valid titles and license receipts from 1962 before new licenses can be issued.

This year's license tags are white, with black letters and numerals. For 1963, Deaf Smith County passenger vehicles will carry AU or AV license designations. Numbers issued for Deaf Smith County are AV-10 through AV-2324 and AU-7050 through AU-9999.

Tickets for violation of the vehicle registration laws will be issued starting April 1.

Merchants See Growth Needs For Businesses

Anticipated growth of Hereford and what it will mean to the merchants was explored Tuesday morning. Members of the Retail Trade Committee of the Chamber of Commerce talked about current and future needs of the city in terms of improving facilities for business.

It was generally agreed that public parking downtown was going to become a problem unless some parking lots were made available.

Clint Formby urged merchants to have all their employees attend one of the two sales clinics which will be held Monday, directed by Fred Palmer. Committee chairman Harold Kidds named four persons to serve as a selection committee for the most outstanding high school Distributive Education student of the year. Appointed were Paul Harvey, L. B. Russell, Kenneth Hart and Bill Thompson.

The group also discussed sponsoring the huge Santa Claus sleigh again in December. It sponsored the pony-pulled sleigh here in December and was well-pleased with the results.

Around Town

Somewhere in Hereford or Deaf Smith County, there's a Sunday School class that doesn't have all the money it should. The money, scattered out of a brown envelope, which was marked "Adult Class," was found Monday by Jack Renfro downtown. If the red-faced treasurer will drop by Renfro's office, he can pick up the money.

One thing for sure. That money didn't belong to the men's class at the First Christian Church. Ivan Block is treasurer and he asks for, and gets, one buck per head upon arrival, yet never makes any accounting. We understand that the members would like to impeach Ivan, but are scared they'd never find the money. However, they admit that any time the class has a worthwhile project to tackle that Ivan always comes up with enough cash to handle the finances.

At county commission meeting Monday, there was a lot of talk about Judge Ross Williams and Commissioner Charley Sewell being in the hospital at the same time. It bears that administrator T. E. Seigler had them located as far apart as possible, but they still managed to get together.

But the climax came when Sheriff Lowell Sharp, Clerk B. F. Cain and others from the courthouse came wheeling a cart into the Judge's room and started to load him aboard, saying, "Mr. Seigler says he needs this room so we're transferring you out to the Labor Camp Hospital." Since the Judge knows full well that the only hospital at the Labor Camp is a maternity clinic, he resisted valiantly.

Two events this week will wind up the month-long March of Dimes campaign in the county. Campaign director Pat Ferguson announced that a Talent Show assembly at Stanton Junior High is slated for Thursday morning with proceeds to the MOD. On Saturday, Hi-Y boys will sell cookies, candy, pies and cakes made by the Tri-Hi-Y girls. The sale will be conducted all day in Piggly Wiggly. (Continued on page 6)

Albert Maxwell Seeks Post On School Board

Albert Maxwell became the first candidate to announce for the Hereford Rural High School District's board of trustees. He filed Monday.

Three places are up for election on the seven-member board. The election is scheduled for Saturday, April 6, with the filing deadline 30 days prior to the election.

Trustees whose terms expire this spring include B. F. Cain, Bill Gentry and Olin Parris. None of the three has announced plans as yet on whether to seek re-election to the board.

A resident of Hereford for the past nine years, Maxwell is 35 years old. He was assistant manager of a lumber company for seven years. For the past two years he has been general manager of Hereford Growers and Shippers.

He is married and the father of three children: Patricia, 15; Rebecca, 14; and Don, 12. Maxwell is a member of the Presbyterian Church, is a member of the Hereford Lions Club and of the Hereford Volunteer Fire Department, holding offices in both organizations.

TOUGH ONES AHEAD

Herd Bombs Hawks, 72-64; Friday Tilt At Perryton

Hereford made it a clean sweep in the first half of District 1-AAA play as it took a

72-64 decision from the Phillips Blackhawks. But the Whitefaces have their work cut out for them in the next five games, three of them on the road.

Friday, the Whitefaces will make the long hop to Perryton. The Rangers currently are in fourth place in the tough conference, but have won all three of their home games.

They opened the loop with a shocking 41-40 victory over Dumas. Hereford beat them 49-37 and Phillips edged them out at 61-59. Then came a 57-46 win over Levelland and a 67-32 shellacking of Littlefield.

Tuesday night, the Rangers were bombed by Dumas, 60-42. Pacing the Rangers is 6-5 Don Boyer, who gets able assistance from a host of fine players.

Big Jim Haney, who has been busy during the district guarding fees' taller centers, came back Tuesday night as a scorer. He dropped in 24 points as Hereford outran the speedy Hawks. But Haney almost had to take a back seat to Larry Lewis, a 5-9 guard for the Hawks, who dropped in 19 points. Lewis, as almost everyone found out before the game ended, is just a sophomore.

Lewis popped the nets as the game opened. Robert Strange hit a free throw and Roger McGough missed one for Phillips. Hereford then raced ahead as Ronnie Welty stole the ball for a lay-up. Dwight McGee hit one of two free throws. Strange hit a basket and McGee dropped in another free throw.

Lewis then hit again. Strange missed two free throws, but Welty hit on the fast break for a 9-4 lead. Charles Robbins and Lewis then hit quick baskets, countered exactly by McGee and Austin Hodges.

Each team missed a free throw. They Phillips took the lead as McGough netted four

straight free throws and Ken Bynum hit a basket with 20 seconds left in the period. That was enough for a 14-13 Hawk lead.

But Jim Haney hit one of two free throws with 10 seconds left to tie the score. Hereford got possession and Haney hit a jump shot with two seconds left for a 16-14 first quarter lead.

Strange opened with a bucket but Bynum hit two free throws. Haney hit a basket and two free throws for a 22-16 count. Phillips retaliated with Bynum getting one of two free throws, McGough and Doug Adkins each hitting baskets.

Earl Jackson drove for a lay-up, which he made, but missed the free throw. Robbins made his three-point play, however, to tie the score 24-24 with 4:55 left in the second quarter. (Continued on page 6)

"THIS IS THE WAY the world will end," chant three witches in a scene from "Dinny and the Witches" which will be presented Thursday morning in the high school auditorium beginning at 10:45 a.m. The one-act fantasy is directed by Thespian Kokky Bernard and features among the cast members the three witches, who are portrayed by Rozi Rush, Audri Miller, and Loreece Askew, from the left. The public is invited to attend. (Staff Photo)

Collision Heavily Damages Autos

A collision occurring here late Saturday afternoon caused extensive damage to two vehicles. Neither of the drivers was injured, according to Hereford Police Department.

Damage to a 1960 model sedan driven by Nora Wilson Gillis, 60, 803 Miles, was estimated at \$1000 with damages to a 1958 model sedan, driven by William A. Patterson, 18, 204 Ave. J, estimated at \$225.

The two vehicles collided as Mrs. Gillis drove out of the alley between Miles and Main St. The Patterson vehicle, headed west on West Third, rammed into the right front of the woman's automobile, according to the accident investigation report.

The collision occurred about 6:15 p. m. Hereford police officers investigating the accident ticketed both drivers.

Deadline Is At 5 p.m. For Obtaining 1963 Poll Tax

You can lose a large part of your freedom in less than eight hours, if you fail to act!

The deadline on getting a current poll tax is 5 p. m. Thursday, Jan. 31. The cost is \$1.75 per persons and a poll tax may be obtained from the Deaf Smith County Tax Office, on the second floor of the courthouse.

Without a valid poll tax, you will not be allowed to vote in any elections held during 1963. Already on schedule are elections of two city commissioners, city mayor and three Hereford school trustees. It is possible that other elections will be called during

the year. Of the total cost of the poll tax, \$1 is assigned to the School Fund of the state of Texas, 50 cents to the General Fund of the state of Texas and 25 cents to the General Fund of the county where the poll tax is obtained.

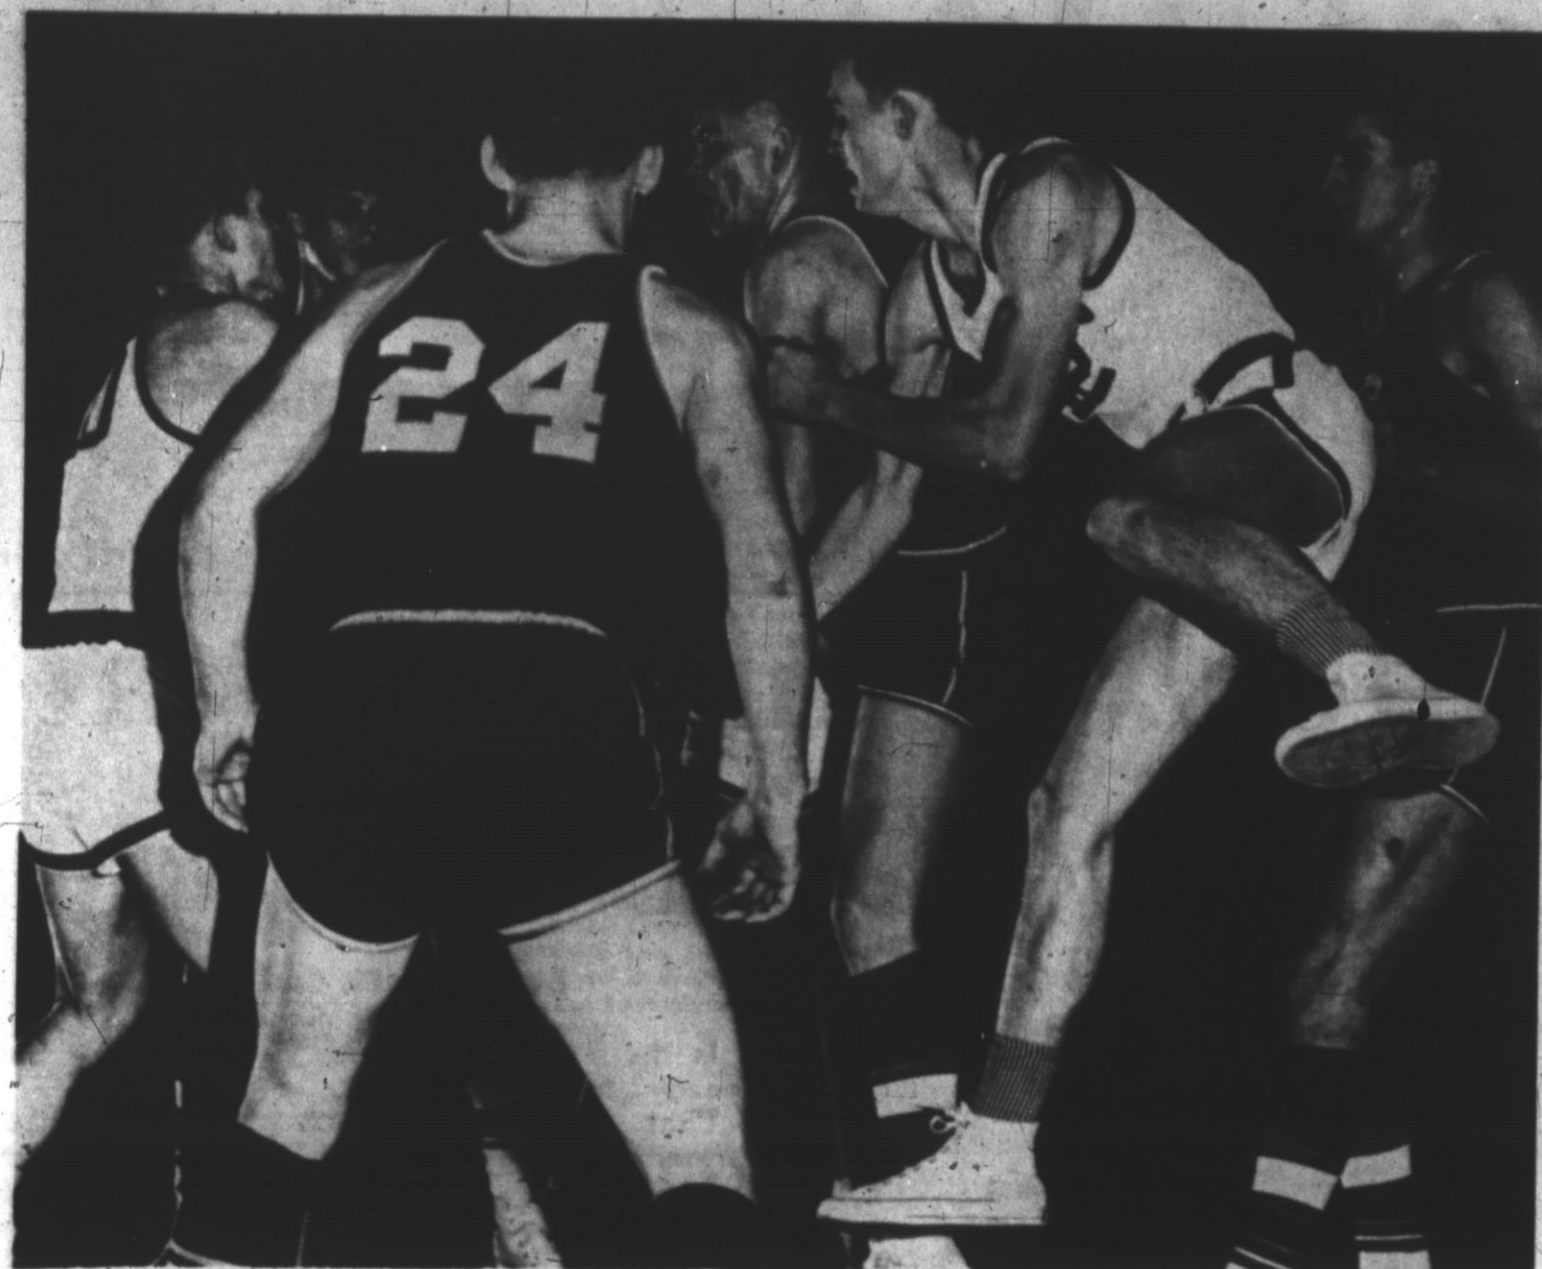

By Wednesday morning, the tax office had issued 1,902 poll taxes. Of the more than 13,000 residents in the county, about 5,000 to 6,000 persons are eligible to vote.

Exemptions are issued for one year for persons becoming 21 or for new residents of the state. Exemptions also

are issued for persons more than 60 years of age.

It has been pointed out that all of America's freedoms are based upon democratic elections. When only a few vote, all of the nation's other freedoms can be endangered. The cost of a poll tax in Texas amounts to less than half a cent per day.

If you haven't yet paid your poll tax for the year, there is still time left. But time is short. Except for those persons becoming 21 years of age later in the year, the deadline is Thursday, Jan. 31, at 5 p. m.

CONTESTING FOR A REBOUND are three Dumas and three Hereford players during the rough action at Hereford High Gym on Friday at the Herd handed the Demons their second conference loss 38-32. Vieing for the loose ball are, clockwise, Julian Miller (24), Austin Hodges, (10), Mike Wendele, a partially obscured Hereford player, Robert Robinett, and Ronnie Welty (42). Watching from the outside is the Demon's Kelly Baker. (Staff Photo)

Stanton Wins At Clovis In Dual Overtime Match

Stanton eighth graders pulled out a victory over Gattis Junior High in Clovis Saturday in a tension-packed game which went into two overtime periods. Dogles edged Gattis by 31-29, thus getting revenge for an earlier defeat at the hands of the Clovis school. The win gives Stanton a season record of 13 wins and only two losses. Jim Allison and Larry Noland led the Dogle attack against Clovis, getting 12 and 10 points respectively. Dogles came from behind to take a four-point lead at the half, but allowed Gattis to tie the game at 27 - all as the fourth quarter ended. Allison's score matched a Clovis marker in the first overtime, and the game went into a second extra period.

Allison scored again for Stanton as Gattis did not tally and the Dogles won 31 - 29. A close game all the way, sportsmanship was put to the test in the final moments as Clovis fought desperately to come from behind. Gattis moved to a 11 - 10 lead during the first period. Allison, Bill Watts, Noland, Gene Duval and Mike Davis, all connected field goals during the period to keep Stanton in range. But during the second quarter Stanton stumbled into a scoring drought, which allowed the Dogles only two points in the period. Gene Duval hit the only Dogle tally. Gattis managed five points to move on to a 18 - 12 lead before the half. Dogles closed the deficit to only one point during the third period in a remarkable comeback effort. Noland found the range twice and Allison scored couple of free ones to give the Herd eight points for the round. Entering the fourth quarter, Stanton trailed 20 - 21. Noland netted four again, Allison got a pair, and Davis hit for one to tie things up as the fourth quarter ended with a 29 - 29

reading. Gattis opened the overtime action with a quick tally. Stanton was unable to retaliate until Allison hit from 30 feet with only eight seconds remaining. This called for another overtime, but this time the Dogles were able to keep Gattis from scoring. Allison found the range to make it 31 - 29 with the Dogles winning.

BOX SCORE

AT ROTARY CLUB

A Philosophy Of Life Seeks Unraveling Of Problems

"An adequate philosophy of life ought to help us get along satisfactorily with the questions we do have the answers to," W. H. Clark commented as he spoke at the Monday noon meeting of Hereford Rotary Club.

A philosophic method of approach to life problems, he added, will help to seek an understanding of life situations and their meanings.

"More specifically, a philosophy of life are those basic concepts about which one's plans, dreams, hopes and fears revolve," Clark stated. "They determine the happiness, success, usefulness and destiny of a person."

Clark is presently an instructor at Wayland Baptist College and has held the post for the past four years. He was introduced at Rotary Club by Roy Faubion, program chairman.

"As he spoke, he commented that all are daily making value judgment concerning their actions and the actions of others. All persons are, therefore, philosophizing."

"The real question is what kind of a job do we do?" he said.

In the opening remarks of the speech, the Wayland College philosophy instructor commented that there is a general misunderstanding concerning what philosophy is all about.

"I am not at all surprised at the confusion about the definition of the term," he remarked, "since there are many other terms constantly used which we have a fairly clear idea of, such as freedom, democracy, communism, socialism, free enterprise, etc."

But, in terms of philosophy, he added, all admit a certain degree of ambiguity.

As he spoke, Clark com-

mented that some believe philosophy destroys religion. He pointed out that this was not true since some of the world's greatest philosophers have belonged to the world's major religions.

He pointed out that the only thing that destroys religion and philosophy is "vain and empty deceit."

As he continued, outlining the need for a more adequate philosophy of life, he remarked it makes a person possess himself.

"The man who possesses the most in the community is not the greatest taxpayer, but the man who has eyes to see and appreciate the values of the community," commented Clark.

When a man has the right philosophy of life, he continued, he lives according to the belief that a man's ideas and beliefs are more important than all his possessions.

As he spoke, Clark pointed out that philosophy has lagged behind and failed to keep in step with the inventions and scientific developments of the 20th Century.

"We heed a philosophy today which will enable us to explore and conduct bold experiments to form a new and higher social ethic," he said.

"This new age has forced extra problems upon us. Unless they are handled with great finesse, the world will be plunged into a great disaster."

Look Who's New!

Mr. and Mrs. Wendell Paul Jones are the parents of a daughter, Karen Sue, born Jan. 26 at 2:34 p. m. She weighed 3 pounds and 14 1/4 ounces.

Mr. and Mrs. Tirso Montalbo Cuellar are the parents of a daughter born Jan. 29 at 5:17 a. m. She weighed 7 pounds and 11 ounces.

Mrs. West Is Shower Honoree

Mrs. Dixie West, who has recently moved to Dimmitt, was honored by the Golden Circle Sunday School Class of the Avenue Baptist Church with a "shower" on Friday night, Jan. 25, in the Hereford State Bank Friendship Room.

Refreshments were served to the following: Mesdames Jessie Mason, Lou Morrison, Wima Ethridge, Dorothy Barkey, Janger Schmidt, Joyce Landers, Betty Gresham, Wilda Ramey, one guest, Miss Diane Cole, and the honoree, Mrs. Dixie West.

He pointed out that the danger is not only from nuclear war but from the battle that is now going on in the world for the minds of men.

The battle for the men's minds is decisive and is being fought in the area of ideas, he explained. It is a battle of concepts and a struggle for a philosophy of life.

In summing up, Clark pointed out that one of the basic principles needed to apply philosophy to life and to the problems facing the world today is one of the basic tenets of Rotary - goodwill.

Hospital Notes:

By Melvin Young
Without a doubt, the most beautiful sight on earth is the wide open spaces and the long, straight roads of the Texas Panhandle, especially when returning from a tedious and tiring trip to the central and southern areas of the state. We have just returned from a three-day safari to the Alamo city where we attended the 16th Annual Mid-Winter meeting of the Texas Press Association held at the El Tropicana Motor Hotel in San Antonio. And, as would be expected, the weatherman let the hammer down and the temperature was far from being tropical as the name of the hotel might imply. Anyhow, it's good to be home where we can freeze to death among friends.

— HB —
Governor John Connally, keynote speaker for the meeting may have let the air out of State Senator "Red" Berry of San Antonio when he was asked to comment on the Senator's suggestion that Texas be divided into two states. "I'm very happy with Texas the way it is," was the governor's reply, and he didn't state either! Actually Governor Connally, who seems to be no less adept at political maneuvering than is LBJ, made quite an impression on the editors attending the event. Many left with the feeling that (whether in agreement or not with his political philosophy) he may emerge as one of Texas' strongest governors.

— HB —
But the man who endeared himself to all present, young and old, was none other than the big boy from the Ponderosa Ranch, TV and film star Dan Blocker. Blocker portrays the part of "Hoss" Cartwright on the Bonanza show, and we might add that he is indeed a "big man" not only in stature, but in many other ways as well. He is a native Texan, having grown up in the Lone Star State and attending college at Sul Ross. Mr. Blocker had been named "Texan of the Year" by the Press Association and was being so honored at the conclusion of the three-day meet.

— HB —
We have never been hero worshippers, but for the sake of an eight-year-old daughter who is quite enthralled by all west-

Ford 4-H Club Has Program On Safety Training

Mrs. A. J. Bezner was hostess to the Ford 4-H Club when it met on Friday, Jan. 25. "Safety" was the program presented to the group by Mrs. J. E. Dyer. Her main topic was on Artificial Respiration. During the program Mrs. Dyer demonstrated how to remove objects from the mouth, how to prevent the victim from swallowing his tongue and she demonstrated the mouth to mouth resuscitation.

Mrs. Dyer, a former adult leader of the Ford 4-H Club, told the Club something about its history.

Cathy Christ was elected as the new secretary of the club. The Share - the - Fun - Skit was discussed with ideas given and the skit rehearsed.

Those attending were: Joe Childress, Kim Williamson, Marty Childress, Tommy Bezner, Diana Hickman, Janice Galley, Lisa Williamson, Cathy Christ, Joyce Bezner, Joel Williamson and the leaders, Mrs. L. K. Williamson, Mrs. A. J. Bezner and Mrs. J. E. Dyer.

WHAT EVER HAPPENED TO BABY JANE?

RECOMMEND IT TO YOUR ENEMIES! THE UNBEARABLE TERROR MAY DRIVE THEM MAD! MAD!

— HB —
Pack Brogdon, general manager of the shoe department at Gaston's, thinks the only salvation for Hereford now is to get a pickle factory to counteract all this sugar.

— HB —
Another gentleman who is probably taking a good deal of kidding this week is Robert Thompson, chairman of the county Savings Bond committee. Deaf Smith County bought 266.4 per cent of its quota in bonds last year making it the county with the highest percentage of Savings Bonds sales of any in the state. Which, all in all, is a pretty doggone good record, but Robert swears that the

chain letter bond fad that recently swept Hereford had absolutely nothing to do with this remarkable record. And we'll have to admit that he's right since the record was established for the year of 1962.

— HB —
Rent property is still as scarce as hens' teeth in Hereford, and we're predicting that it's going to get a lot worse before it gets better. However, we understand that Hereford will soon have another eight-unit apartment building under construction, and that plans are also in the making for a super-modern motel. Which is all fine and good for if we have the expected influx of construction workers

we'll need additional rent facilities. There also seems to be a shortage of rentable three-bedroom houses.

— HB —
Dick Walker should receive the thanks, and above all, the cooperation of all citizens of Deaf Smith County in his effort to disarm one of the most terrifying killers of our time, the abandoned refrigerator. Dick is offering this service free of charge; in fact, he's gone farther than that; he has spent a considerable amount of money in an effort to call attention to the dangers of abandoned refrigerators. He will be glad to disarm any old refrigerator by re-

moving the latch if you'll just call him at EM 4-6788.

— HB —
Meanwhile area farmers are waiting patiently for the ground to thaw so they can get ready for the coming planting season. Many were in better shape this year due to the unusually warm fall weather, but there are still many who need to fertilize and bed-up before planting time. That may seem a long way off when the weather is below zero but this is the last day of January and early potatoes will probably be in the ground before the 15th of March. And that's just 45 days off. Of course, when the ground is frozen 14 inches deep, it does

create a few problems. — HB —
We had hoped that Slim Wester or Luther Lesly would come through with a couple of good bird dog stories this week, but haven't heard from either of the gentlemen. Could be they are so busy working, or hunting, that they haven't had time to drop by!

— HB —
Today is the last day for paying your poll tax. The tax office closes at 5 p. m. today and that will be your last opportunity. Don't pass it up . . . we all have a stake in freedom and we can't help if we can't vote.

Time is also drawing near for the annual Chamber of Commerce banquet scheduled for Thursday, Feb. 7, and if you don't have your tickets, you should get them soon. This is the big event of the year for Hereford and Deaf Smith County, and we wouldn't miss it on a bet.

— HB —
A boozey young civilian breezed into the recruiting station one day and announced he wanted to enlist. "Do you want a commission?" asked the recruiting officer. "No, thanks," was the cocky reply. "I'm such a lousy shot that I'd be better off working on straight salary."

REP. ROGERS WRITES

Sale Of Government Lands, Building Could Offset Debt

TO THE PEOPLE OF THE 18TH DISTRICT

The United States could liquidate its \$300 billion public debt by selling, if enough well-heeled buyers were found, the real and personal property of our government — lock, stock and barrel.

No one, I'm sure, would advocate that we do this. No one would want to sell the White House or the Capitol or our nuclear submarines or our great national parks or even very many of the equestrian statues that dot Washington.

But I'm convinced that his government owns far more real estate — land and buildings — than we really need. A good round of auction sales, following a thorough audit and study, would help the nation's financial position. If the proceeds of these sales were properly applied, the national debt could be reduced.

I have introduced a resolution (House Resolution 68) in this new 88th Session of the Congress asking that a nine-member House committee be appointed to investigate the government's real property holdings and to prepare a complete inventory.

The purpose would be to formulate recommendations as to which property we'd keep and which we'd sell. The committee also would establish property-management policies after determining what policies are now in effect. Sales would follow.

We have built up in this newsletter a list of real estate problems including free rental service. Justice Realtors.

tion a stockpile of land and buildings every bit as extravagant as that exposed in last year's Senate investigation into the stockpiling of strategic materials. We've accumulated heaps of unwanted chrome, tungsten, lead, nickel, feathers and other substances, all in the name of preparedness.

President Kennedy is expected to ask soon for authority to sell surplus stockpile items. I believe we should carry this approach a step farther by investigating and arranging to dispose of part of our real estate stockpile.

This is the eight-year history of our mounting accumulation of real and personal property: 1955, \$997.9 billion; 1956, \$938.4 billion; 1957, \$948.1 billion; 1958, \$988 billion; 1959, \$964.5 billion; 1960, \$779.9 billion; 1961, \$822.9 billion; 1962, \$813.5 billion.

The House Committee on Government Operations has released its annual inventory report of government holdings, real and personal. It is an excellent report, but it does not constitute the item-by-item listing I'd like to see.

Some agencies have provided better information than others; a committee staff member told me, "This year we have information from the Defense Department that was never available before."

According to the committee, the Treasury Department was fully cooperative. I think, however, that because the job is so immense a special committee should be assigned to it. That my resolution seeks to accomplish.

For the first time in recent history, this year's report shows the total value of government holdings to exceed the national debt total. Had we sold everything as of last July 1 for the listed value, the United States could have liquidated its real and personal holdings for a total of \$299.4 billion. On that date the debt was \$298.3 billion. We'd have been in the clear by \$1.1 billion but we'd miss those B-2's and the Capitol.

The dollar values listed in the report are deceptively low. Much of the property was entered at acquisition cost. The 18 acres of land surrounding the White House are officially valued at only \$1,000. The government's total real estate holdings of 772 million acres — an area four and a half times the size of Texas — are valued at only \$96 billion.

Although Amarillo Air Force Base is not specifically mentioned in the report, its land and buildings are valued by the Air Force at \$74,851,948, a figure that might represent not more than half of the actual replacement cost.

The government buys and buys, and rarely sells. We have vast areas of land on military bases and warehouses and factories and waterfront property that private business could put to work. We don't know how much our government owns or how much it's worth. We should find out. We should begin to take steps to sell some of it.

Stanton Freshman Romp Over Clovis

A one-man effort to stop the Stanton Junior High Dogie freshmen failed in Clovis Saturday as Hereford whittled a 57-26 victory.

Almost every member of the Stanton squad scored during the game as Hereford jumped to an early lead and coasted to the win.

Mickey Chadwick ripped in 20 of the 26 points for Clovis during the game. Hereford raced to a 17-9 lead during the first period. Gary Payne, Lee Roy Williams, and Steve Hodges all got four for Stanton. Gregg Richards hit three, and Mike Moore garnered two during the first period.

Chadwick accounted for all of Clovis' scoring in the second quarter as Stanton advanced on to a 32-16 lead before the half. Dogies poured on 15 points on shots by Hodges, Williams, Roger Owen, Richards, Payne, and Holmes.

Resting atop a 32-16 sum-

Water District Moves Office In Castro County

The High Plains Underground Water Conservation District has announced the re-location of its Castro County office. Tom McFarland, General Manager of the Water District, stated that the Castro County office will still remain in Dimmitt but has been moved to the City Hall.

He added that E. B. Noble, Dimmitt City Manager, will act as the Water Committee's Secretary, and will assist county landowners in filling out well-drilling permit applications.

McFarland said that the Castro County Committee will continue to hold its monthly meeting on the last Saturday of each month at 10 a. m., but in the Dimmitt City Hall.

Water District Committeemen in Castro County are: C. W. Anthony, George Bradford, Lester Gladden, H. E. Henley and recently-elected Lester Dowell.

Frank Tackitt Rites Thursday

Frank Tackitt, 88, died at his home seven miles east of Hereford on Monday, Jan. 28.

Mr. Tackitt was born on Nov. 2, 1876, in Parker County, Texas. He moved to Deaf Smith County in 1930 from Oklahoma. He married Gertrude Francis Riggs in Springtown on Dec. 28, 1898. He was a member of the First Methodist Church.

Survivors include his wife; a son, Frank Jr. of Gresham, Ore.; four daughters, Mrs. Billie Lohrey of Altus, Okla., Mrs. Ina Withrow of Grand Junction, Colo., Mrs. Vera Rossen of San Diego and Mrs. Guinn Torbit of Hereford; 15 grandchildren and 22 great grandchildren.

Services are to be held Thursday morning, Jan. 31, at 10 a. m. in Rose Chapel with the Rev. Herschel Thurston, pastor of the First Methodist Church, officiating.

Interment will be in West Park Cemetery under the direction of Gilliland Funeral Home.

FIRST LOSS OF SEASON

Clovis School Unseats Stanton Seventh Graders

Gattis Junior High of Clovis finally managed to topple the Stanton Junior High School seventh graders Saturday. The Clovis school downed the Dogies by 23-29, handing Stanton its first defeat of the season.

Dogies had racked up a streak of nine straight wins before Clovis finally marred the record. Gattis completed a task it started two weeks ago, as the Clovis school had come only one point short of defeating Stanton in the first duel between the two teams.

Stanton came from behind to take a half time lead, but then lagged in the third quarter allowing Gattis to pull ahead for the win.

Johnny Cornelius poured in nine points to pace the Dogies. Also scoring for Stanton were Jimmy Childers with three, Gary Goodin with four, Cliff Crowell with three, and Sidney Shaw and Jerry Fowlkes with two each.

Crowell tallied Stanton's only field goal in the first period while Childers sank a pair of free ones and Fowlkes got another. But Gattis moved to a 9-5 lead during the initial period.

Stanton fought back to take over the lead during the sec-

ond quarter. Cornelius ripped in six points to spur the Dogie advance, while Goodin added two points and Childers hit for another.

The third quarter spelled defeat for Stanton. Goodin hit the only Dogie field goal, and free throws by Cornelius and Fowlkes were not enough to keep Hereford in the running.

Gattis commanded a 25-18 advantage as the last round began. Final scores by Cornelius, Crowell, and Shaw were not enough to close the gap and Stanton took a 23-29 loss.

STEPHENS-HUDSON MOTOR CO.

200 W. 1st. EM 4-2727
HEREFORD, TEXAS

By Audra Miller
Hi! How do you do? Hasn't January "flown" past? Anyway, a happy happy February to you all! This column is "fighting" for its existence this week - piled around the typewriter are play scripts, FHA State Home-maker Degree forms, and other items "too numerous to mention" - however, this writer shall try to complete these notes, even amid utter chaos.

Jack Thomas and Jon David Miller recently appeared before the delegation at the 17th Annual State Meeting of District Soil Conservation Supervisors held in Lubbock. - These two 4-H'ers presented an informative demonstration concerning "Conservation Through the Use of Grass."

Both boys are freshman students at Stanton Junior High. Providing the "finishing touch" to the cast of "If A Man Answers" is Lani Rush, who has been assigned the role of Germaine Stacey, Chantal's mother (French, aka!). Other characters are Chantal, played by our delightful exchange student, Heather Gordon; John Stacey, enacted by Gerry Bybee; Tina Brooks, portrayed by Carolyn Aven; Maura McAndrews is "double cast," so to speak, as Miss Kaye and the flower shop clerk, while David Grubbs has the part of Mr. Chadwick, and Rondal Long, the leading male role of Gene Wright. Models' parts are filled by Catherine Smith, Brenda Shelton, and Sheryl Parker. Gene Wright's father is played by the other of our exchange students, Frank Hergert.

Girls who meet Chantal on the street are played by Kay McKee and Glenda Fleisher. Director James Hinkley has set the performance dates as Friday and Saturday nights, Feb. 22 and 23. Stage crews will be announced later; however, rehearsals are now "in full swing" - here's wishing all members of the cast and crew happy and successful production!

A visitor from afar (!): Carolyn Nordyke from Colonial Heights, Va., was a houseguest of Sara Gilentine's during the girls' semester break from Baylor - Carolyn is Sara's roommate. Other college students home between semesters were Mickey Bonesto, Lynton Allred, Lavonne Thompson, Donna Rogers, Kathryn McClain, Mickey Stevens, Butch McCaslin, Sheri Frowell, Troy Don Moore, Suzanne Langley, Joyce West, Mack Canaler, Helen Sears, Suzi Woodford, and Joe Shultz. There were also many more.

Speaking of college students - Carol Kent has transferred from West Texas State to Trinity University in San Antonio; she is classified as a sophomore. And surely you've all heard about the wedding of Joy Story to Dan McDowell held last Saturday evening in the First Methodist Church! It was lovely (sigh). Joy's attendants were her sisters, Nancy Patterson of Lubbock, Sandra Downing of Abilene, and, of course, Jan, and Kay Lemons. James McDowell, Butch McCaslin, Troy Don Moore, and Mack Canaler served Dan as attendants. Joy was a "breath-taking" sight as a bride, and Dan was a handsome, serious sight as a groom - both are obviously very very happy! A warm wish for lasting happiness goes out to the newlyweds.

And on the same Saturday, in St. Anthony's Catholic Church, Deanna (Deede) Kriegshauser and Dick Walsh were united in marriage. You will remember Deanna as a '61 graduate of Hereford High School - her sister, Judy Kriegshauser, served as Maid of Honor, and brother John was one of Dick's attendants. Congratulations to Deede and Dick, and best wishes for a very happy marriage!

With the clubs: According to several Key Club members, a "really gory film" concerning highway safety was shown to Key Club members during their meeting at the Community Center on Monday night, Jan. 21. Sergeant Bill Wells of the Texas Highway Patrol was responsible for the program - which proved to have startling effects!

Tri-Hi-Y girls enjoyed a salad supper at Shari Jo Carmichael's home last Thursday night. Among those attending were Kathy Boston, Judy Wiman, Ruth Ann Allison, Janice Hagans, Alyce McClain, Susie Higgins, Ronda Neff, Linda Higgins, Clea Kay Rutter, Ann Gentry, Pegene Cox, Merle Carmichael, Jan Story, Janie McBroom, Janie Higgins, Sandra Vaught, Lani Rush, Nelda Botkin, Janey No-

land, Anna Evans, Louise Axe, Becky Ducan, Myrna Botkin, and Jenny Holt. Mrs. Viola Chisholm presented an interesting program on Japan. Miss Janice Boren acted as teacher-sponsor at the meeting.

Then - on Saturday and Sunday, Jan. 26 and 27, Miss Boren and Bill Gibbs, Hi-Y sponsor, Janie McBroom, Heather Gordon, Janis Higgins, Carolyn Aven, Larry Hill, and Charles Mims attended the West Texas Hi-Y District Workshop in Abilene. Janie, who is first vice-president of this district, attended several executive sessions in order to plan the Spring Conference which will be held in Midland during the month of March. Janie spoke for all the delegates when she remarked that they had "A real fine time!"

"Handshakin' Day" was a real success! Lucky students Kathy Boston, Judy Wiman, Terry Hill, Dan Thomas, and Judy Crume each received a silver dollar and a "stuffed" glove as prizes! The winners happened to shake hands just at the right time with Susie Higgins, Nancy Tyler, Ronnie Gray, Ronnie Duncan, and Steve Conaway. A "surprise" pep rally was held in the gym Friday morning. Cheerleaders had a difficult time "controlling" the yelling - wonderful!! Let's have more of that. Look what this enthusiasm did for the Whitefaces in their game with the Dumas Demons! By all means, do follow the Herd to Perryton for Friday night's tilt with the Perryton Rangers - and yell like crazy!!!

We are happy to welcome to Hereford High School Bill Michael, new assistant principal, and Mrs. Bebe Taylor, civics instructor. However, we shall miss Bill Phillips, who has resumed his post as secondary co-ordinator, and Ray Todd, former coach and civics teacher who is now in the ranks of assistant principal. Here's wishing each of these individuals happiness and success in his new position!

Mrs. Cave requests that you junior high students read the notice, which will be placed on the Community Center door regarding the night of the Junior High Dance to be given this weekend. Did Jean Fontaine mean it as a warning when he wrote: "People who make no noise are dangerous."???

1963...

(Continued from page one) the program will receive the support or "incentive" payment even if the feed grain is fed to livestock or sold. If the 1963 crop is a failure, the payment will still be made.

To take part in the program, a feed grain producer must agree to take at least 20 percent of his base acreage out of production.

He may also sign up for an additional 20 percent and will receive a higher payment for maximum diversion.

Payments for diversion will be 20 percent of the county loan rates on the mandatory 20 percent reduction.

If a producer signs up for the maximum reduction, he will be paid 50 percent of the county rate for diverting the additional 20 percent.

Advance payment for diversion - up to one-half of the amount - may be made upon request at the time of sign up or later.

Although the program is entirely voluntary, those who do not sign up for the program will not be eligible for price support.

A producer who does not comply with his contract will also lose his support and diversion payments. A contract may, however, be changed up to the deadline.

THE PRINCIPLE OF THE THING NOGALES, Ariz. (AP) - Police in this border town are making it plain they won't allow any gambling. They arrested four boys playing poker. They said the game's highest pot was \$1.02, duc

TRIPLE-DECK BIRTHDAY CAKE LEAKSVILLE, N. C. (AP) - Three generations of Colemans were born on the same date - Feb. 13, 1898.

E. A. Coleman was born Feb. 13, 1898. His son, J. W. Coleman, was born Feb. 13, 1927.

And J. W. Coleman's son, Jimmy Lee, was born Feb. 13, 1955.

D. E. SPOTLIGHT - Norris Devoll is employed at Stan Knox T. V. and Music through the Hereford High School Distributive Education program. The son of Ocie Devoll of 411 A West Fourth, Norris is a junior at Hereford High. He plans to make a career in electronics, and says concerning D. E., "I want some experience in the field I plan to major in while going to school. D. E. offers me this opportunity." (Staff Photo)

Herd...

(Continued from page one)

Haney then dropped in four straight free throws and Strange added a basket. Robbins hit two free throws, but Haney hit, Lewis got another of his baskets from outside and Haney pushed in a rebound.

Robbins hit one of two charity tosses, but Welty dumped in a rebound. The two teams then swapped out baskets for the remainder of the period. Welty got two and Jackson one for Hereford, while Lewis got two and Dawson one for the Hawks. Larry Boykin stuck in a rebound as the game sounded.

That left Hereford in front 42-27 as both teams got hot. Hereford had 26 points in the quarter, while Phillips had 25. Hereford took right up where it left off at the intermission. Haney hit a jumper, Hodges stole the ball and hit and Haney scored again for a 47-37 lead.

Bynum and Robbins each hit a free throw for the Hawks, but Haney kept the ten-point margin with another basket. Lewis hit again, but Welty stole the ball again for another lay-up.

Phillips pulled within five points as Lewis hit a basket and Robbins netted two free throws. Haney and Hodges then hit baskets and Lewis made his hit free throw attempt of the night.

Welty hit again, Bynum hit one free throw and Mike Ferguson hit a basket.

But Ferguson fouled out with 14 seconds left as Dawson hit two free throws. Jackson hit quickly for Hereford, putting them in front 61-50 at the end of three periods.

Hereford slowed down its attack then. Robbins and Haney swapped baskets before Dawson hit two free throws and McGough got a basket to make it 63-56 with 4:30 left. Bill Hill hit for Hereford and then the Whitefaces got possession on an offensive foul against Phillips.

McGough finally stole the ball for a lay-up. Hodges missed a free throw, but Welty again stole the ball for a lay-up and a nine-point margin with 2:40 left.

Hereford got Phillips' rebound, but Hodges missed another free throw and Lewis struck again from the field. But Lewis was called twice on fouls and Strange made two shots while Hodges made one of two attempts. Lewis left the game with 1:20 left.

Against reserves, Phillips hit for four points as McGough got two free shots and Adkins got a basket with 10 seconds left. But a long heave gave David Dowell a successful lay-up as the game ended.

Haney hit 24 and Ronnie Welty 16 for the Herd. Lewis got 19, Robbins 14 and McGough 12 for the Hawks.

Not could Phillips claim Hereford had home-court advantage as 16 fouls were called against the Whitefaces and 14 against the Hawks.

Phillips hit 19 of 25 free

OFF THE Shelf

BY H. A. TUCK

Whee! After somewhat of a drought in reading, we delved into several different types this week. Among our literary fare was one non-fiction, one novel and one mystery.

The non-fiction choice from the Deaf Smith County library was The Stragglers by E. J. Kahn Jr. This unique book is about some of the Japanese soldiers who refused to believe that World War II ended in 1945.

As late as 1960, some of the fanatic die-harders were captured on the populous island of Guam. Those had been found in 1950 or even later.

Kahn has interviewed many of these men to reveal their story of hard, desperate survival. Since 1950, at least 40 of them have been found. Although two were discovered on Guam in 1960, some people believe that there are still some others... waiting patiently for the next Japanese offense to rescue them.

Fear kept some from surrendering, while the ancient Japanese warriors' code kept others hidden. But in almost all cases, they were forced to become savages. A few retained their military discipline, but others reverted to cannibalism, theft and pillage to exist.

But the one point all had in common was compassion. In no known case, was there a lone straggler. All those who held out for five, ten or 15 years, did so in groups of from two to eight men.

The Stragglers really could be called an interesting, but little-known, epilogue to World War II.

Ordinarily, we don't care too much for mysteries, but The Irresponsible Peccadillo by Fletcher Flora was nice reading for a change.

It sparsely (207 pages) tells of a young attorney who meets up with an old flame. She is back in town to blackmail her rich, former husband.

But when her body is found in the town bandstand, suspicion falls not on the ex-hubby, but the young lawyer. There are two good reasons. He, at the time of the beauty's demise, was more than slightly befuddled by a potent gin potion known as the ginlet. Secondly, he was squarely on the scene of the crime.

While he is in jail, his wife

to Leagues Nos. 425, 426, 427, and 428, 2nd Tract: 267 acres of land out of Capitol League Nos. 425 and 426.

supermarket.

The Hereford Fire Department was given a \$50 donation this week after they halted a grass fire south of town as it threatened a house. Fire Chief Dub Reeves announced that the donation will go into a special fund to help buy new equipment for the department. The donor wished to remain anonymous.

The newly formed Model Airplane Club will meet at 7 p. m. Thursday, Jan. 31, in the Hereford Community Center's Boy Scout room. Final organization plans and discussion of competition meets will be the main order of business. All model plane enthusiasts are urged to attend.

Mrs. A. Petersen will start teaching a class in oil painting for beginners on Feb. 9. Anyone interested in taking the course should contact Mrs. Petersen.

Typing messages in the center of the wonderful bonded Vital stationary, then making them into paper airplanes which he sailed out the window.

And there are still more, all playing an important role in the production of Vital and usually devoting the remaining hours to some sort of off-beat pursuit.

This book is rather ribald, but tremendously funny. We think most adults will enjoy a visit to The Fun House.

Indeed, one of the few crises in the operation came when the company hired an efficiency expert. When he was finished with his job, he got into another type of work and the management chose to adopt just one of his suggestions.

But it was the people who really made the Fun House fun. Crystal Bidwell, research chief, could dispatch her men to Washington, Paris, Moscow, or the luxury of her custom-built bed.

Monty Shanks, photographer, had girls beating a path to his office couch to get their pictures on the cover of Vital. Georgia Dewey, Vital's only woman photographer, would stop at nothing to get her pictures.

Jason Hightower worked for Crystal, but played the field. Henry Gaskin had his room decorated with a couch, a rug, chintz curtains and record player. His favorite avocation was

AFTER SCHOOL IS A favorite time for three of the Koelzer youngsters, left to right, Cathy, holding three-month-old Barbie, Jeanie, and Tommy to enjoy some of the freshly

baked cookies that their mother, Betty, has just taken from the oven. Barbie is still a little young to indulge, but just wait. (Staff Photo)

Hoof...

(Continued from page one) scene.

This makes Hereford 4-6 in district play while Dumas stands 3-1. This puts the Demons nearly out of the race and you can bet there ain't no joy in Ding Dong Daddy.

Did You Know... Aspirin is Deductible!

Aspirin, and hundreds of other drug products, may be deductible in computing federal income tax. But you must be able to offer proof of purchase. The DrugTax record-keeping service, available free to you at our pharmacy, does just that. Come in and ask about DrugTax. Start saving tax money!

ville tonight."

The B-team swept two games last week by beating Levelland 68-42 and then trouncing Dumas 44-35.

The Whitefaces trailed the Lobos 23-22 at the half but hit 19 of 39 field goal attempts in the second half while holding Levelland to only 19 points.

The Herd's B team really had to fight to beat Dumas. The Demons were held to only three field goals in the first half but they added 10 free throws and trailed 21-16 at the half.

The Demons quickly closed the gap to 21-20 at the second half opened but the Whitefaces pulled away and were never headed. Charley Moreno and Frank Cain led the Herd with eight points each.

Tomorrow night the Whitefaces start on the home stretch against Perryton in Perryton. The Ranger court has been found very unfriendly to visitors as the Rangers beat Dumas in Perryton. Tuesday night the Herd is back at home against the Littlefield Wildcats.

Sims Shows Top Boars At Show In Fort Worth

Placing the reserve and grand champion Chester White boars in the Southwestern Exposition and Fat Stock Show at Fort Worth was Gilbert Sims of Hereford.

Significance of the honor is underscored by the fact that 5466 cattle, sheep and swine were entered in this year's show, an all-time high for the 67-year-old exposition.

The entry total for all departments in the nation's oldest major livestock show hit a record 10,151.

Race...

(Continued from page one) race tracks on which supervising racing may be held.

Amarillo Speed Bowl provides a circle track and Amarillo Dragway holds events for late makes and models of street cars as well as the special built racing cars.

If the racing not only around Palo Duro but throughout the entire city continues, sooner or later tragic traffic accidents are bound to occur. With the facilities that Amarillo affords for racing there is no excuse for unsupervised and dangerous racing among the city's teenagers.

Brother Cletus Takes Last Vows

Brother Cletus, S. A., made his final profession of vows as a member of the Friars of Atonement on Sunday, Jan. 27, in a solemn ceremony at Our Lady of the Atonement Retreat House in Gardner Mines, Novas Scotia.

Brother Cletus, the former Joseph Ulrich, is the son of Mr. and Mrs. Frank Ulrich of Warburton Lane, Garder, Minn.

He attended Central School and Mac Donald High School, both in Dominion, Cape Breton. He is presently stationed at the Graymoor parish of St. Anthony in Hereford.

VAN SMITH King Candidate

Hereford Student Named Carnival King Candidate

Van Smith, son of Mr. and Mrs. Joe Smith, 216 Ave. B, is one of the candidates for king of the 21st Annual Winter Carnival at Shattuck School, Fairbault, Minn.

Winners of the contest will be announced Feb. 8 and will reign over Winter Carnival festivities through Sunday, Feb. 10.

The king will be selected by students at Saint Mary's Hall, Fairbault, from among the five Shattuck seniors. A senior student at St. Mary's will be chosen by Shattuck students as queen.

Smith is a corporal in the school's ROTC unit, a member of the editorial staff of the yearbook, and serves as an acolyte in the school chapel.

He has lettered in golf and is on the varsity basketball team.

VISIT HERE

Lois Hardy of Canyon was in Hereford over the weekend visiting with Mr. and Mrs. Kelly Coplin.

LET'S COOK SOMETHING!

Simple Recipes Provide Spur Of The Moment Meals

RAMONA NOEL
Brand Society Editor

Being classed as one among the many busy housewives with a young and growing family, Mrs. Wern (Betty) Koelzer finds it easier to manage the household by using short cuts and simple methods.

Although Betty's children, Tommy, 8, Jeanie, 7, Cathy, 6, and Barbie, age 3 months, curtail many of her activities, she still finds the ways and means to enjoy life to the utmost.

Every member of the family, including Barbie, loves sharing in the family fun. Usually the winter months are taken up with school, work, visiting or catching up with chores that were neglected during the summer.

During the summer months, as much time as possible, is spent participating in the sports that they all thoroughly enjoy, including swimming, boating, skiing, sailing and just relaxing.

Interested in all the things that go to make up daily living, Betty finds much pleasure working in her church and is a member of the Parish Council and Antonian Circle. Many find that Betty is a person of her word and is willing to give a helping hand whenever it is needed.

Much of Betty's cooking is done on the spur of the moment using simple recipes and what ingredients that she might have on hand.

MEAT LOAF WITH VEGETABLES

Mix together:
2 pounds ground beef
1 can vegetable soup
1 beaten egg
1/2 cup bread crumbs
1 chopped onion
1 tablespoon prepared mustard
1 teaspoon salt
1/2 teaspoon black pepper

Shape into loaf and bake for 1 hour at 350 degrees. Makes 10 servings.

CHICKEN TAMALES CASEROLE

1 large hen or 2 medium fryers, cooked and boned

1 2lb package Fritos
1 can mushroom soup
1 can mushrooms (optional)
1 can Ashley's enchilada sauce
1 can heavy cream or cream milk
Grated cheese

Make a layer of half the chicken, half the Fritos, and half the mushrooms. Then repeat with the other halves of ingredients. Over this, pour the soup mixed with the cream and then the enchilada sauce. Top with grated cheese. Bake 30 minutes at 350 degrees.

The above can be prepared ahead of time and refrigerated till time to bake.

CHOCOLATE CHIP PECAN PIE

3 eggs, slightly beaten
1 1/4 cups corn syrup
1/8 teaspoon salt
1 teaspoon vanilla
1/2 cup sugar
1/2 cup pecan halves
1 cup semi-sweet chocolate chips
1 unbaked 9 inch pie shell
1/2 cup whipped cream

Combine eggs, corn syrup, salt, vanilla and sugar; mix well. Then stir in pecans and chocolate chips. Pour into unbaked pie shell and bake in moderate oven at 375 degrees for 35 to 40 minutes or until filling is set. Cool. Whip cream and mound in center of pie.

One of the most economical cake recipes, because it has no eggs and no milk in it, yet one of the family's favorites is the Tutti-Frutti cake.

1 1/2 cups sugar
1/2 cup cooking oil
1 teaspoon butter
1/2 teaspoon cinnamon
1 teaspoon allspice
1 1/2 cup water
1 1/2 cup raisins
Pinch of salt

Roll above ingredients for 3 minutes, let cool; add 1 1/2 teaspoons soda, dissolved in 3 teaspoons warm water. Add 3 cups flour, 1 teaspoon baking powder, 1 1/2 cups nuts. Bake 1 hour at 350 degrees.

LACY DABY CAKE

2 eggs

1 cup sugar
1 cup flour
1 teaspoon baking powder
1 teaspoon vanilla
Pinch of salt
1/2 cup milk warmed with 2 tablespoons butter or oil (let cool, then add to other mixture.)
Bake at 350 degrees for 20 minutes in an oblong pan.

TOPPING

5 tablespoons brown sugar
3 tablespoons butter
2 tablespoons cream or cream milk
Melt in saucepan. Add 1/2 cup coconut and 1/2 cup nuts. Spread over baked cake and brown in broiler.

The following recipes for cookies are delicious and always a good standby for those little ones that come home from school absolutely starved to death.

BOILED COOKIES (NO BAKING)

2 cups sugar
1 cup oleo
1/2 cup milk
4 tablespoons cocoa
2 1/2 cups quick oatmeal
2 teaspoons vanilla
2 teaspoons vanilla
1/2 cup peanut butter
Cook sugar, milk, oleo and cocoa for 1 1/2 minutes. Start counting at full rolling boil. Remove from fire, add oatmeal, peanut butter and vanilla. Beat until well blended and spoon out on waxed paper.

CHOCOLATE CHIP COOKIES

2 cups shortening
2 cups sugar (1 white and 1 brown)
3 eggs
3 teaspoons vanilla
4 1/2 cups flour
1 teaspoon soda
2 teaspoons salt
Large package chocolate chips
1 cup nuts (chopped)
Cream shortening and sugar together. Add vanilla. Beat in the eggs. Mix dry ingredients together and mix with the above. Add chocolate chips and nuts. Bake at 375 degrees for 8 to 10 minutes.

THE FORD IDEA: build the fun in... build the worry out!

Spend fifteen minutes at your Ford Dealer's— see how much difference the right idea makes! These cars are more fun than cars have ever been before. The Super Torque Ford (foreground) has V-8's up to 405 horsepower, a \$10 million ride, rich interiors and luxury features like an optional Swing-Away steering wheel. The sleek new Fairlane middleweight (center) is quick, nimble, solid as a bank—and offers America's newest V-8! Don't miss Falcon (top)—now with a new dash of fun, including the first Falcon convertible. The '63 cars from Ford are designed to be less trouble than cars have ever been before. They're tight, quiet, solid as they come—and all have Ford's Twice-a-Year (or 6,000-mile) Maintenance!

America's liveliest, most care-free cars!

 a. m.; Dorcas Meeting, All Day
 Each Tuesday.

Our Symbol

One of our most treasured relics is the Liberty Bell. It is so-called because it was rung on July 8, 1776 to summons the citizenry for the terse announcement that the Declaration of Independence had been adopted. Today, it remains the greatest symbol of a nation free from tyranny in government and intolerance in religion.

... that nation is America. But one fact often overlooked is that when the historic bell was originally cast its makers turned to the Bible, to Leviticus, for the words inscribed around its contour: "Proclaim Liberty throughout the land unto all the inhabitants thereof." What a beginning! What a heritage! What a privilege to be a son or daughter of Freedom's Land. What a blessing to be an American.

How great is our Symbol!!!

RETURN FROM DALLAS

Mr. and Mrs. W. H. Awtry Sr. and Mr. and Mrs. W. H. Awtry Jr. returned on Saturday from Dallas where they visited with another son, Dean Awtry, of Friona. He had undergone heart surgery in the Parkland Memorial Hospital on Jan. 16 and is doing fine. He is expected to be home in a week or ten days. On their return home they visited friends in Childress and a brother of Mrs. Awtry's in Lubbock, J. A. Bryant.

HOMES FROM COLLEGE

Sam Saul, son of Mr. and Mrs. Kelly Coplin, is home between semesters from Texas Tech. He will return on Wednesday to enroll for the second semester.

Winter Weather Threatens Wheat

By Mrs. S. N. Thweatt
Cold winter weather without any moisture is the main topic of conversation for everyone. The farmers are trying to figure out when the moisture might arrive, when cattle should be taken off wheat pasture and if the wheat is going to survive. Almost everyone is having to feed bundles to cattle by now.

Mrs. H. D. Buse still is in Wellington with her father, who is ill. Mrs. Buse called home Saturday night and said there seemed to be no change in his condition.

Walcott girls played volleyball at Hereford Tuesday. Walcott won 12 games and Hereford five. It was the first play of the season for the Walcott team.

Among those attending the games were Mrs. Bill White, Mrs. Buel Monroe, Mrs. Joe Merrill and Mrs. Jack Weaver. Mrs. Jerry Northcutt was honored Friday afternoon by the Messenger Home Demonstration club with a pink and blue shower.

Those attending were Mesdames Ruth Coleman, G. E. Pinkerton, S. N. Thweatt, Elton Sorrells, N. A. Brown, Bertram Jack, Elmer Northcutt, Mrs. Dunning, her grandmother; Mrs. Queener, her mother of Grady, N. M.; Mrs. Harlan of Rhea, N. M.; Mrs. Harman of Rhea, N. M.; Mrs. Bill Page of Farnet, N. M., a sister. Mrs. Joe Merrill and Mrs. John Hill were unable to attend, but sent gifts.

Mrs. Potts' mother, Mrs. Shanna Metcalf, died Tuesday, Jan. 22, in Farmer County Hospital. She had been ill for several months. The funeral was held at the Baptist Church in Rosedale, N. M., and burial was in Clovis. Mrs. Metcalf is survived by her husband, six daughters and a number of grandchildren and great grandchildren.

Mrs. Lee Jones is visiting in Anderson, Ind. She plans on staying a week to 10 days.

Mrs. John Hill is home from the hospital and is doing very well.

Mr. and Mrs. Bill Johnson are home from college. They will return at the end of the spring semester for graduation.

Mr. and Mrs. Earl Walker of Crowfordsville, Iowa, were guests of Mr. and Mrs. N. A. Brown recently. The Walkers and Mrs. Brown were schoolmates. Mr. and Mrs. Walker had been visiting friends in Clovis and were on their way to visit relatives in Arizona.

Guests in the Elton Sorrells' home Sunday were Mr. and Mrs. Eddie Morris, Mrs. Howard Holcomb, and Mrs. Billy McReynolds, all of Amarillo, and Mr. and Mrs. Charlie Kroph of Hereford.

Golden Circle Has Regular Meeting
Golden Circle Sunday School Class of the Avenue Baptist Church met on Thursday, Jan. 17, in the home of Mrs. Waymon Ethridge.
After a short business meeting the devotional was brought by Mrs. Dale Barkley.
Roll call was answered by the following: Mesdames Don Marler, James Brownlow, Ancil Worthan, Jerry Landers, Cecil Morrison, Marti Mason, Charles Gresham, Jack Flowers, Bill Parvin, Leonard Schmidt, Dale Barkley, Emory Brownlow and the hostesses, Mrs. Waymon Ethridge and Mrs. Bobby Ramey.

PREPARING TO SNATCH a loose rebound from the waiting arms of a Dumas' Demon defender, David Parsons (30), is the Herd's Jim Honey, charging in from the left. Watching the action during the third period of the game in Whiteface Gym on Friday are Dumas' Mike Wendela (left) and the Herd's Bill Hill (20). The Herd handed defending state champs a 38-32 defeat to remain undefeated in District 1-AAA conference play. (Staff Photo)

Former County, District Clerk Dies Saturday

Funeral services for Alvin Lee Biggs, 68, of Amarillo, a former resident of Hereford were held at 2 p. m. on Tuesday, Jan. 29, in Blackburn-Shaw Memorial Chapel with Dr. Newton J. Robison, pastor of the First Christian Church, officiating.

Mr. Biggs died at 2:15 p. m. Saturday, Jan. 26, at St. Anthony's Hospital. He was born June 11, 1894, in Texas and had been in the insurance business. He was county and district clerk for Deaf Smith County during the early 1920's. He moved to the Panhandle in 1899 from Collin County and spent his boyhood in Deaf Smith County.

Surviving are his wife, two sons, a daughter, two sisters, a brother, a half-brother and five grandchildren.

MISS PATSY LOERWALD, left, a junior nursing student from Hereford, and Donna Gerber, a pre-nursing student from Nazareth, join Sister Mary Michael upon receiving news that the National League for Hospital Nursing, Inc., has re-accredited St. Anthony's School of Nursing in Amarillo. St. Anthony's has been state accredited since its inception in 1909 and has been nationally accredited since that program started in 1952. (St. Anthony's Photo)

Casa de Amigos Outlines Program For Year

By H. A. TUCK
Brand News Editor

An extensive program of activity was outlined for Casa de Amigos during a recent annual meeting and election of officers.

Elected as officers were Virgil Dodson, president; Lea Combs, vice president; Vance Orms, treasurer; Mary Frazer, secretary; and Ezekiel Vargas, program director and coordinator.

The advisory committee for the group is comprised of the officers, plus ministers from the sponsoring churches of the Hereford Migrant Ministry: the Rev. Herschel Thurston, First Methodist; the Rev. Russell Wingert, First Presbyterian; the Rev. Eubaldo Ponce, St. Pablo Methodist; the Rev. Gene Brink, First Christian; and the Rev. Joel Treadwell, St. Thomas Episcopal.

The program for 1963 was worked up by Vargas, Dodson and Clarence Fuqua, from the Texas Migrant Ministry office.

Following is the program outlined for the year:

CHILDREN

A pre-school public school program, one of three in the city, will be held from 8 a.m.

to 11 a.m. Monday through Friday during the summer with public school teachers getting pre-schoolers ready to enter the first grade.

Vargas has been charged with supervising expanded facilities and program work, and directing day-care needs as they arise.

Story hours, English vocabulary training, social experiences, group games, supervised free play, and health education will be stressed for this group.

Vacation Church Schools will be conducted for those of pre-school age and through age 12 in both Spanish and English, stressing patriotic, folk and religious songs, patriotism, games and handwork.

Arts and crafts will include wood work with bench and hand tools, leatherwork, beadcraft, sewing, pillow-making, use of patterns, making rugs, metalcraft, jewelry and simple art lessons.

Recreation will include supervised indoor and playground activities, hike picnics and tours.

ADULTS

Four major areas will be stressed in this group. One will be on family economics, with courses on family finance, credit, budgeting and other money matters; another on home economics, with instructions in cooking, sewing, housekeeping and related courses in cooperation with home economics teachers and home demonstration agents.

A third area will cover health education, including programs on infant and child care and general hygiene. Special programs also will be presented on citizenship education, literacy, English and Spanish classes, social security education and safe-driving classes.

Family Nights will include music, talent shows or fiestas, as well as observance of special holiday events. A library of both Spanish and English books and periodicals will provide reading matter.

There also will be periodic clothing distribution to the needy and thrift sales of clothing. Casa de Amigos will be available to Latin-Americans for private parties, birthdays, weddings and other events. It also will serve as a coordinating agency between employer and employee, in cooperation with the Texas Employment Commission.

There also will be retraining of migrants who have settled in the area for local employment. Bible studies will be instituted upon request, with referral to local churches.

Finally, Vargas will lead in visitation and family counseling and will encourage leadership and talent among the migrants in every possible area.

writing and arithmetic, plus some counseling work.

Casa de Amigos also will work toward helping the youngsters get started in boys' and girls' groups, such as Boy Scouts and Campfire Girls.

TEENAGERS

Athletics, swimming parties, picnics, hikes, tours and talent nights are among the planned activities, along with informal lessons on personal hygiene, such as grooming, hair care and personal health.

Also planned are study hall guidance and tutoring, vocational guidance, in cooperation with the public schools, and cultural and talent programs.

Finally, the officers hope to encourage an exchange of cultural values between Latins and Anglos.

ADULTS

Four major areas will be stressed in this group. One will be on family economics, with courses on family finance, credit, budgeting and other money matters; another on home economics, with instructions in cooking, sewing, housekeeping and related courses in cooperation with home economics teachers and home demonstration agents.

A third area will cover health education, including programs on infant and child care and general hygiene. Special programs also will be presented on citizenship education, literacy, English and Spanish classes, social security education and safe-driving classes.

Family Nights will include music, talent shows or fiestas, as well as observance of special holiday events. A library of both Spanish and English books and periodicals will provide reading matter.

There also will be periodic clothing distribution to the needy and thrift sales of clothing. Casa de Amigos will be available to Latin-Americans for private parties, birthdays, weddings and other events. It also will serve as a coordinating agency between employer and employee, in cooperation with the Texas Employment Commission.

There also will be retraining of migrants who have settled in the area for local employment. Bible studies will be instituted upon request, with referral to local churches.

Finally, Vargas will lead in visitation and family counseling and will encourage leadership and talent among the migrants in every possible area.

Casa de Amigos now has available equipment for tetherball, volleyball, horseshoes, baseball, basketball, tumbling, croquet, darts, ping-pong, sandbox, checkers, Chinese checkers, dominoes, puzzles and jacks.

Play equipment for smaller children also is available. Casa de Amigos provides separate showers for boys and girls. Outdoor play equipment also includes two swings, see-saw, merry-go-round and a volleyball court.

Casa de Amigos still has need of good reading books,

both in Spanish and English, religious literature in both languages, English dictionary, Spanish-English dictionary, encyclopedias, good comic books and current magazines.

Also needed is good used clothing for all ages, but especially for children, plus worn-out clothing and material for rug-making; toys in good repair or which can be repaired.

Needs for Bible School work include instructional materials, flannel graph materials, crayons, pencils, and scissors.

All types of wood, leather and hobby craft tools are needed, plus athletic equipment, and some 250 to 300 sewing and health kits.

Other needs include a drinking fountain and about 90 feet of five-foot chain link fence for the small children's play area.

Persons who have materials to contribute are asked to contact Vargas or Dodson.

rest periods. If space is limited, a simple pull-out shelf can serve amply for your coffee break.

6. Make a center island. Save time and motion in a large kitchen by bringing everything closer with a center island.

7. Establish an efficient "work triangle." You save time and steps if range, sink and refrigerator (in that order) are at points of a triangle whose sides measure not over 22 feet. If they measure less than 15 feet, you'll have to provide extra counter space. Don't permit traffic through this triangle. If necessary, remove or relocate doors and windows to achieve a good arrangement. The normal work sequence for a right-handed person is counter-clockwise.

Council Planning Large Variety Spring Topics

By ARGENT DRAPER

The Home Demonstration Council met Monday and is making some very interesting plans for programs for this Spring. It seems that the club women are interested in a larger variety of subjects and are willing to share their knowledge with other people. Today the club will have a program on "Garnishing Everyday Foods."

This will be given by Miss Joann Vaughn, Home Economist for the Southwestern Public Service Company. Joann has been one of the resource persons who has appeared on programs on Foods. Joann is also available to you homemakers on electric lines furnished by the Southwestern Public Service Company. She is real good at helping women learn to use the new electric ranges and other electric equipment.

Windbreak planting stock is still available but you should get your order in as soon as possible. Call the office and we will send in order blank.

Farmland in Deaf Smith County is really selling. This week I heard that the Elton Wylys and the Ted Royals have moved to town. The R. W. Mitchells are settled on West Haven.

I saw Roy Kelly at the Post Office. He was enjoying Melvin Young's comment on the buddy poppy deal where I

tricked husband Tom into a pretty big contribution. He was enjoying this so much that I'm sure Mrs. Kelly must get the best of him in a good many jokes.

Here are seven ways to cut kitchen time according to Eula Newman, Extension Home Management Specialist.

1. Improve your lighting. If you have to work in your own shadow, you're groping. No shop or office would put up with it. Why should you? You need local lighting, focussed on counters and working surfaces, as well as general lighting for overall illumination. Just one type won't do.

2. Provide easy to clean surfaces. Replace flooring, counter top and wall surfaces you have to scrub with low-maintenance, wipe-clean material. Avoid dark and solid colors; they show soil more readily.

3. Develop a planning center. You won't stew over what to cook with recipe files, cookbooks, and other data right at hand to stimulate menu-thinking.

4. Establish work centers. Departmentalize your kitchen into centers for principal activities, with everything needed for the activity: Baking, sandwich making, salad preparation, barbecuing.

5. Arrange a quickly-available counter for easier snacks and

(Continued from page one)
 In former years there were outstanding thinkers, poets, statesmen and artists to lead, but today we do not have an idea whom to follow. We feel enthusiasm in us and we are pushed by desire to adore an ideal and show it. But we do not even know in which direction to go with that desire.

That should make all of us and all adults think. For it is always like that. There is the willingness to serve someone bigger, to let the heart beat for something bigger.

In our generation of the obviously sober, and angry young men, we are as John Osborne expresses it when he had Jimmy Porter say: "Great Lord, how do I desire some enthusiasm! Simple human enthusiasm. Once to hear a warm and excited voice shouting powerful hallelujah into the world... How long haven't I been together with somebody who can be enthusiastic for something?"

So we ask, is there not an ideal to gather around and to serve? We have everything needed. We offer everything we have, enthusiasm, the will to serve and even our lives — if only we would know to whom we should offer ourselves, for what to be enthusiastic, and whom to serve.

THE BIG QUESTION IS WHETHER THE WEST HAS GOT SUCH A BIG IDEA!

I feel that we have the same immunity against the eastern ideologies as our fathers, but that we sometimes are a little jealous for a system that has clear paroles and leads the people in an obvious direction — one which is damned, it is true, but distinct. This system allows them at least to sing a demonical Hallelujah. But who of us is singing a Hallelujah for the idea of freedom, which should be the only thing giving the power to oppose East.

Of course, "freedom" means not that we may do what we want to, but freedom means that we may become what we shall be. Maybe that is why it often is a vitaminless ideal for us, because we do not know any more what we shall become, what we are here for, and what is our determination.

Passion for politics can grow only there (in Germany) where it once became clear what the sense of our life is, and what should be the topic in whose name we should live. Where this question is not asked any more, passion for politics dies out. Because in such a case I do not have an ideal to defend, with which I can stand and fall.

Is not that the point of the Western crisis of our feelings toward freedom? Can freedom still be a great idea if youth believes that freedom is the possibility to have a special living standard and to consume whatever one wants? That freedom in some parts of our press is, the right to break into areas which are intimate, such as the bedrooms of common people or to tell in the magazines of doubtful persons who are brought to us to admire.

It is not something little that Mr. Khrushchev can hit us with when he says, looking at a strip-tease scene in a movie studio in Hollywood: "That is your freedom. Indeed this freedom is impossible in our hemisphere."

People who buy their houses and heated swimming pools through selling things like that should realize that they not only hurt moral feelings; but what is more, they decompose the faith in a freedom which should be the best weapon of the west.

He who says youth cannot show enthusiasm for the ideals of freedom: first should ask himself whether he is not a bad attorney of this freedom; and whether he should not die of shame. Many there are who, under danger of their own lives, through canals and over fences, look for a way to a freedom which seems to decay in our hands.

But this should not lead us to the wrong conclusion that we in the West, or that is our system in the West is no better than the Eastern tyranny. This influence and idea can be heard very often, especially in Europe. But those who talk like that do not understand the chance of

freedom which is given to us because freedom is never given away without paying for it.

There are elements who want to cut freedom or want to press us into solidarity. But this is, or should be, only a productive provocation to push through this fog, to gain their own convictions, and to really stand up for them then.

It is nothing less important than blindness when you say these challenges or provocations and these resistances in the same phrase with the terror of communism, which destroys freedom in the germ. He who in the East sets his freedom against the communist system risks his life. He who in the West stands for his freedom, the most he pays for it might be some of his convenience.

Even if we get free toothpaste, or glasses, or other things we need, we will never get freedom without paying for it; it always will cost something.

There is no conviction if it is not shown. To show us what freedom is, the adults just have to live it first. We do not need any philosophy. This is in contrast to Eastern tyranny, where they also have to show their willingness to pay for it. That is very important in Europe, especially in Germany, to regain some faith in adults which youth has lost in the years of national socialism.

No state or nation can prescribe freedom — it just can give the chance of freedom. And we have to adore our nation for offering this chance to you, yours; and to me, mine. The man is not here for the state, but the state is for the man.

I love my nation, though it only has an interim character. The word "fatherland" for me includes everything I love in this world, without being nationalistic: father, mother, friends, and in the future, wife and children, the area of my homeland, and the history of my country.

If we were able to ask the soldiers who were killed in the last war what gave them the strength to fight and to die, they certainly would answer with the figures which are included in the word "fatherland."

Therefore we have to love both the Western and the Eastern parts of Germany. The Eastern system is just temporary — it has to be just temporary.

It still is hard to use the word fatherland in Germany, because we Germans still have a complex because Hitler always used the word. That is why many do not dare to sing the national hymn, which starts with the words: "Germany, Germany over everything in the world."

That is like when a mother talks to a child. You are the most beautiful country, with your castles, rivers and forests, there is nothing I love more in the world. And that meaning is not opposite to the European integration, as I hope I made clear what we mean with these words in our national hymn. But who has a broken relation to the symbols, and the national hymn is such a symbol, has also a broken relation to the whole thing, represented by the symbol. It is the same thing with our flag.

But since these German workers in 1953 put this flag on this big monument in Berlin, the Brandenburger Tor, since they have to suffer for that and the flag in the part of Germany under Russian control has been changed, since that time this flag means in the heart of our brothers in East Germany the symbol of freedom. This flag means something holy to me, and I wish everyone in my country would look at it this way and lose some complexes.

This flag shall be raised beside flags of free nations as a signal that we did not forget our brothers in slavery until the day when all the walls fall and we Germans are one united folk and nation again, the day we are longing for with all our heart.

Friends, I know this has not been a friendly speech. I wanted to bring a lot of criticism in it and some tasks. Our brothers in the east give us these tasks. You are related to them as well as we Germans in the western part are, because if Germany is controlled by communism, all Europe is lost, and I think everybody realizes what that means. They believe in us, especially in the U. S. A., which to them is the paradise, the land of the greatest possible freedom. Keep your land free and fight for freedom in the whole world, but when you do this, first think about the others, not about you and never about profit. I think Cuba is a domestic example. We have to work for freedom in the whole world. We Germans have to start in our own country where slavery is right in the heart of Europe, while every African nation becomes free. We may not just repeat the phrase. As a proclamation it is too cheap, it does not cost us anything.

It almost looks as if we all would become a nation of people who want to take and have things rather than to give. We always say, we have a right to have it. This statement is true only when we show willingness to take over tasks. If we do not use our chance for freedom, we betray the millions of people on the other side of the iron curtain, who wait with all their hearts for this our freedom.

I cannot close without asking: What understanding has the west toward freedom? Is it the freedom of being able to have a certain living standard? Does not freedom get lost in all the comfort? WE BECOME CONSUMERS OF FREEDOM!!!

If freedom is nothing else than the right for our moods and for our selfishness, it degenerates fast down to liberality without conditions and brings chaos upon us. Should the conflict between east and west end this way, so that the east creates the cruel perfection of equal orders and appearances without any souls, while the west becomes a chaotic block of different freedoms which all work against each other.

I want to end with that. Responsible to our brothers in East Germany I have to repeat the important statement: Freedom is not what we can do, but freedom means that we may become, what we shall be or shall do.

Walcott PTO Meets Friday

On Friday, Jan. 18, at 8 p. m. the Walcott P.T.O. met with Mrs. Jim Monroe presiding over the meeting.

A short business meeting was held with the minutes being read by Mrs. Harold Bass and Mrs. Elmo Hall giving the treasurer's report. The P.T.O. was thanked for the girls' volleyball suits.

Next meeting will be on Feb. 15 with the exchange students from Hereford High School presenting the program. Everyone is invited to attend.

Refreshments were served to the group attending.

Simms Study Craft Club Reviews Use Of 'First Aid'

Members of the Simms Study Craft Club held their regular meeting Wednesday, Jan. 23, in the home of Mrs. Roscoe Pinnell.

A study of first aid methods was reviewed by club members.

Refreshments were served to the following: Mesdames LeJand Burns, Emmitt Young, Robert Lloyd, Lewis West, M. A. Ferguson, J. M. Boothe Jr., H. G. Hetzler, W. M. Blankenship, Bud Heaton, Roscoe Pinnell, O. L. Knowles and two guests, Mrs. R. Donald Hicks and Mrs. Pinnell.
