

# Progressive Club Has Called Meeting

The first meeting of the club year for members of Progressive Home Demonstration Club was at the home of Mrs. T. J. Parsons. A second meeting was called at that time for Sept. 18. Mrs. Gilbert, vice-president, conducted both meetings.

At the Sept. 3 meeting Mrs. Argen Draper presented a program on the care of furniture. She stated that it was as important to follow the grain in furniture as it was to follow the lines in dress material and recommended the use of lemon oil for polishing. She also warned that the labels on polish should be read carefully.

Those present were Mesdames Dale Hallows, J. D. Gilbert, Alvis Jolly, Tom Melugin, E. C. Hammett, Darrell Thomason, Fred Autry, P. L. Carmichael,

C. V. Burges Jr., H. L. Hershey, and T. J. Parsons.

"Signs of Life and Health" was the subject for the program at the Sept. 10 meeting. Mrs. T. J. Parsons, the speaker, used highway signs to illustrate her remarks. At the slow sign, she said that people should ask the question, "Are we all living too fast?"

Speed limits should raise the question: Do you know your own speed limit?

"Each of us," said Mrs. Parsons, "is geared to live and work at a certain speed, the same as vehicles are geared to move at certain speeds."

At the "Watch for Children" sign, she continued, each person should be reminded of the importance of watching and interpreting the signs of life to our children to help them learn to make the curves and stay within the speed limits of life.

During the business meeting, a letter of resignation from Mrs. Floyd McGee was read. Mrs. Darrell Thomason's resignation as secretary was accepted. New officers elected were Mrs. J. D. Gilbert, president; Mrs. Dale Hallows, vice-president; and Mrs. T. J. Parsons, secretary-treasurer.

Committee appointments were yearbook, Mesdames Dale Hallows, T. J. Parsons, and Fred Autry; recreation, Mesdames Taft McGee, C. V. Burges Jr., and Earl Plank; finance, Mesdames P. L. Carmichael, T. J. Parsons and Tom Melugin; education, Mesdames E. C. Hammett, H. L. Hershey, and W. P. Caldwell, and good cheer, Mesdames Floyd McGee, C. V. Burges Sr., and Lester English.

MAKING CANDY FOR A FRIEND IN the kitchen of her new home at 113 Douglas is Mrs. Ralph Hastings. She and her friends often trade recipes by phone and by mail and enjoy sharing exciting new ones. (Staff Photo)

## Trading Recipes Is Hobby For Mrs. Ralph Hastings

By Dale Stevens  
Brand Foods Editor  
Mrs. Ralph Hastings, 113 Douglas, is an avid recipe collector. She and her friends trade new ones by phone and by mail. A few of her recipes are some of the better ones she received while participating in a recipe chain letter club. In commenting on some of the recipes she chose to share through "Let's Cook Something," Mrs. Hastings noted that the cheese puffs are excellent for serving at coffee. The salmon croquettes she recommended for freezing. A native of the Pampa area, Mrs. Hastings moved to Hereford 25 years ago after her marriage to Ralph Hastings, who is a stock farmer. They have one son, Wayne, a freshman at Texas Western College in El Paso.

**CHEESE PUFFS**  
2 cups grated sharp American cheese  
1/2 cup butter  
1/2 teaspoon salt  
1 cup sifted flour  
1 teaspoon paprika  
Blend cheese and butter. Stir in flour and paprika and mix well. Wrap 1 teaspoon mixture around each of 48 stuffed olives. Place on cookie sheet and freeze. Bake while frozen in hot oven (400 degrees) 15 min. Serve while hot.

**SALMON CROQUETTES**  
1 egg slightly beaten  
1 cup left over seasoned mashed potatoes  
1 can salmon (7 1/2 oz.)  
1 Tbs. chopped pimiento  
1 Tbs. lemon juice  
1 tsp. grated onion  
1 tsp. salt  
Dash pepper  
Dash cayenne pepper  
1/2 to 3/4 cup dry bread crumbs  
1 egg slightly beaten  
1/2 cup bread crumbs.

Mix first 10 ingredients together—adding enough bread crumbs so that mixture can be handled to form into balls. Dip in slightly beaten egg then roll in bread crumbs. Chill 1 hour. Fry in deep hot fat about 5 minutes.

**DRESSING:**  
2/3 cup mayonnaise  
2 Tbs. prepared mustard  
Dash onion salt  
1 tsp. lemon juice

**DATE DESSERT**  
12 packaged cream filled chocolate cookies, crushed  
1 cup pitted dates, cut up (8 oz. pkg.)  
1/2 cup water  
1/2 teaspoon salt  
2 cups tiny marshmallows  
1/2 cup chopped nuts  
1 cup heavy cream  
1/2 tsp. vanilla

Reserve 1/4 cup cookie crumbs; spread remainder in 16x11 1/2 inch baking dish. In saucepan combine dates, water and salt; bring to boiling; reduce heat and simmer 5 minutes. Remove from heat, add marshmallows, and stir until melted. Cool and stir in chopped nuts. Spread date mixture over crumbs in dish. Whip cream and vanilla and swirl over dates. Sprinkle with reserved crumbs. Chill overnight. Cut in squares. Makes 8 servings.

**TOFFEE COOKIES**  
1 cup flour  
1/2 lb. butter  
1 cup brown sugar (firmly packed)  
1 egg yolk  
1 teaspoon vanilla  
1/2 teaspoon salt  
Cream butter and sugar, add other ingredients and mix well.

Spread thin on cookie sheet and bake in 325 degree oven 18 minutes. Melt over hot water six Hershey bars; spread on cookies after they have cooled a few minutes. Sprinkle toasted almonds over chocolate. Cut in small squares.

**CRANBERRY SALAD**  
1 pkg. cherry Jello  
1 cup hot water  
1/2 cup sugar  
1 tablespoon lemon juice  
1 tablespoon gelatin dissolved in 1 cup pineapple juice

By Dale Stevens  
In case you didn't know, September is National Better Breakfast Month and the week of Sept. 17-23 (odd week) is National Sweater Week.

The other day when the TV Guide arrived in the mail, I started screaming about conflicts in favorite program times. Son David said, "Well, Mother, you don't think they plan these things just to suit you, do you?" Obviously the programs are scheduled with competition for audience as the determining factor. But we buy the television set and the products which pay for production and time (if the products are good and in spite of the silly commercials). So why should the better

then melted over hot water.  
1 cup ground raw cranberries  
1 orange and rind ground fine  
1 cup crushed pineapple-drained  
1 cup chopped celery  
1/2 cup pecans  
Dissolve Jello in hot water; add sugar, lemon juice, and pineapple juice to gelatine mixture and stir until blended. Chill until partially set; add remaining ingredients, pour into mold. Serves 16.

There are 150 girls enrolled all together in Homemaking I, II, and III.

Miss Martha Sullivan teaches the Homemaking I girls. In this class the girls will make skirts and blouses. Then they will go to the cooking lab to learn how to make jellies, quick breads, and quick foods.

**THE ADEQUATE LORD**  
Now as never before the world needs the Holy light that flows from the Sacred pages of His Holy Bible. The adequate Lord and the needy world must be brought together. Ambassadors of God must be summoned and transportation chartered to bear the gospel message to the "four corners of the earth." The candles we light must illuminate the Holy Word, and churches everywhere must keep preaching that Christ is what the world must have for its health and salvation. Like Paul and Barnabas may we be ministers of His Word. The whole world needs the light from the candles, the influence of the cross, and the inspiration of the Bible.

When fall arrives, and the evenings become cool and brisk, we begin looking forward to our yearly window-shopping excursion around Hereford's new car showrooms. This year, the annual trek will begin with the new Chrysler Corporation models which will go on display Friday, September 20 at McCullough Motor Company. Other new models will follow shortly.

Of course, we're not in any better shape to buy an automobile this year than we were last, or the year before, for that matter, but many area folks are and since we have excellent prospects for a bumper grain crop, we're betting that 1964 will be an other big year for the automobile people. All seem to be optimistic.

Meanwhile, the annual CROP drive will be getting underway, beginning with a kick-off breakfast Friday morning, Sept. 20. CROP Sunday will be Sunday, Sept. 22.

The goal for 1963 has been set at \$3,500 for this county (cash or commodity) and the county canvass will start with CROP Sunday, September 22.

Just in case you're not too familiar with CROP (Christian Rural Overseas Program), we'll outline a few of the basic points. We feel it is worthwhile and every citizen should give careful consideration.

Of churches, the county CROP organization invites participation and representation by all interested individuals and community groups.

Since 1947 CROP has been a community channel of the churches for a person-to-person program of continuing aid and disaster relief.

CROP's primary purpose is to provide assistance—high protein foods, emergency supplies, agricultural tools, seeds—not otherwise available to the overseas programs of the churches.

People in more than 40 countries have received CROP food and other help through Church World Service solely on the basis of need, without question of race, creed or politics.

Gifts of corn, wheat, rice, beans, cotton, other commodities and cash totaling \$1,401,887 were contributed during the 1962 CROP campaign.

New programs of assistance are now being developed in Africa and Latin America.

Donations of grain sorghum for the annual CROP program may be made at your local elevator. In the event that you do not have a commodity to donate, cash will be accepted; however, the commodity itself is preferred.

Business this week is generally down, due to the Tri-State Fair now underway in Amarillo. The Fair takes its toll on business houses not only in Hereford but in the City of Amarillo as well.

Actually, one should make a daily trip out to the West and Northwest area in order to keep up with the growth. A week is too long. It changes completely in that length of time.

With vacation season drawing to a close, the fish stories are getting fewer and farther between, but it won't be long until the hunting season will open and we're sure the tales will be as colorful... and shall we say, as unbelievable?

Nowadays, the poor enjoy the same luxuries as the rich. The only difference is that they need more time to pay for them.

Work has begun on the new Spanish-American housing addition being constructed in West Hereford by N. D. Bartlett. We also understand that a new apartment house will soon be constructed south of Harrison Highway and west of the First Christian Church.

## MOVE UP TO CHRYSLER '64

Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport. Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

Solid protection for a solid investment...5-year-50,000-mile warranty. Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

**AUSTIN HIGHLIGHTS**

# Connally Makes First Move Against Potential Opponents

By Vera Snaford  
Gov. John Connally has taken the offensive against his potential 1964 opposition hackers in spectacular fashion.

He surprised a poll tax rally here by lowering the boom on Bexar County Commissioner Albert Pena, state chairman of the Political Association of Spanish Speaking Organizations (PASO). Pena is among Texas liberals who have been critical of the Governor's opposition to federal civil rights legislation.

Connally charged that "self-seeking politicians" are out to turn the poll tax repeal campaign into "a sideshow for their own purposes." Their aim, in the Governor's view: bloc voting.

He blasted Pena as a "would-be political boss" who builds his power by erecting a wall between Mexican-Texans and Anglo-Texans, using Teamster Union organizers as bricklayers.

Pena, who played a big hand in the city council election in Crystal City early this year, denied he is a "boss." He said the Governor's speech was a "sneak attack, under-the-table, oblique way of telling the people he favored retaining the poll tax."

Connally's friends applauded his sizzling speech, one of the hottest he ever has made.

Pena's friends, including Don Yarborough of Houston, who evidently will be running against Connally again next year, rushed to his defense and heaped new criticism on the Governor.

**REPUBLICANS**  
First announced statewide candidate to emerge on the pre-1964 political scene is a Republican. He is George H. W. Bush, 39, of Houston, who seeks his party's nomination for the U. S. Senate.

Bush and other Republican hopefuls have been discussing their chances with the GOP State Executive Committee.

Present were Jack Cox of Houston and Dr. Milton V. Davis of Dallas, mentioned as Senate race starters; also Des Barry of Houston, who ran for congressman-at-large last year, and State Rep. Horace Houston of Dallas, who has said he might run for Governor.

GOP Congressmen Ed Foreman, Odessa; Bruce Alger, Dallas; and Sen. John Tower were on hand when the committee talked finances, organization, and voter registration.

**PARKS REPORT**  
A two-year study, recently completed and presented to the Governor, proposes expenditures of \$305,000,000 to acquire and develop 373,000 more acres of Texas parks by the year 2000.

Connally, lauding the report, suggested organization of a citizens group to follow through on needed parks programs. He also revealed he is studying possibility of buying part of the 72,000 acre J. C. Hunter-Guadalupe Mountain ranch as a State Park.

Parks experts who prepared the report argue that proper development of the recreation, historical and scenic areas would boost the state's economy \$200,000,000 a year.

**CREDIT INSURANCE**  
State Board of Insurance heard praise and criticism of its proposed new rules regulating credit life, health and accident insurance at a second hearing here.

The 58th Legislature gave the Board authority to regulate life, health and accident insurance on loans. For the first time, group credit insurance also was included.

The agency came up with a proposal to establish a test for reasonableness of the relation of benefits to premiums. Some companies claimed the suggested formula resulted in too-high rates.

No decision was reached as to when the rules will take effect, pending completion of an attorney general's opinion.

**TRAVEL RECORD**  
State Highway Engineer Dwight C. Greer says Texans will set a new all-time record for miles traveled this year—49,500,000,000 vehicle miles, an increase of two billion miles over last year.

Half of the mileage will be logged in urban areas. In other words, seven per cent of Texas highways will carry 50 per cent of the traffic. Other 50 per cent will be scattered over 93 per cent of the road system.

A "disturbing discrepancy," says Greer... "one we must certainly deal with as we plan for the future. Big question is whether we can continue to modernize and upgrade the Texas Highway system quickly enough to take care of this traffic efficiently—and above all, safely."

**APPOINTMENTS**  
Leslie G. Burnett of Austin, Claude Brown of McCamey, and J. B. McDuff of Crockett have been named by Governor Connally to the Texas Industrial Commission. Ray Horton of Houston was reappointed.

Brown, auto dealer and oilman, replaces San Angelo publisher Houston Harte, who resigned. Burnett, labor official,

succeeds Jack A. Martin, San Antonio union leader.

McDuff, telephone company executive, succeeds Jack H. Drake, Weslaco Chamber of Commerce executive.

Another appointment by Connally was Judge Solomon Casseb Jr. of San Antonio as presiding judge of the 4th Administrative Judicial District. Judge Howard Green of Cuero resigned the post to accept appointment as chief justice of the new 13th Court of Civil Appeals at Corpus Christi.

**TOURIST AGENCY**  
Texas' brand new Tourist Development Agency has opened offices in the Sam Houston Building on the Capitol concourse.

Frank Hildebrand Jr. hopes to get together with his advisory board this month to review advertising presentations.

Agency will be out to prove itself to the legislature. It hopes to demonstrate that it can do enough for the Texas economy with its initial \$200,000 advertising appropriation to justify a bigger budget in the future.

**WATER WARNING**  
Chief Engineer John Vandertulip of the Texas Water Commission warns that the five wet years since 1957, when the last drought broke, have lulled community leaders to sleep. As a consequence Texas cities and industries are in danger of running shy of water.

Vandertulip reports that existing reservoirs will not supply present cities and industries with sufficient water if another seven-year drought develops.

**SHORT SNORTS**  
A special election to fill vacancies in the House of Representatives created by resignations of Dallas Democratic Reps. Robert H. Hughes and Bob Johnson will be held on November 9.

Texas Municipal League President Robert Willis Jr. of Livingston called on all city off-

# Quilting Is Theme Of HD Installation

"Quilting a Quilt" was the theme chosen by Mrs. T. H. Parsons, former member, for her installation of new officers of the Westway Home Demonstration Club on Thursday, Sept. 12. Showing a quilt made by her mother-in-law over 75 years ago, Mrs. Parsons commented on the number of articles and pieces it takes to build a quilt.

"The president is the top because she is the leader. The vice-president is the lining that holds things together," said Mrs. Parsons.

She further compared the secretary to the batting, the treasurer to the needle, the reporter to the thread, the parliamentarian to the thread, and the council delegate to the time required to put the quilt together.

"It takes all these things working together to make a lasting thing. Leave out one, and everything is ruined," she concluded.

Mrs. Joe Waggoner called the meeting to order. Mrs. Bill Comb's resignation as secretary-treasurer was accepted, and Mrs. Jimmie Jesko was elected to fill the office.

Three prizes for attendance were presented by Mrs. Waggoner. Mrs. Bill Comb had a perfect attendance record, Mrs.

Bess Werner and Mrs. W. W. Thomas missed one meeting each, and Mrs. Joe Landers and Mrs. Paul Rudd missed two meetings each.

Yearbooks were distributed and discussed. Committee appointments were made for this year. Mrs. Bill Ed Drake and Mrs. Sammy Bolla were welcomed as new members.

Mrs. R. W. Mitchell, 113 Westhaven, was hostess for the meeting, which was the first of the club year. Guests were Mesdames Della Holler of Abilene, Benton Bolla, and R. L. Wilson.

Members present were Mesdames Jimmie Jesko, Joe Landers, Paul Rudd, Kenneth Rudd, Homer Rudd, C. A. Sausley, W. W. Thomas, Bess Werner, Arnold Fangman, J. E. Odum, R. W. Hairgrove, Vernon Sherman, Pat Borland, Joe Waggoner, and the hostess.

The next meeting will be on Sept. 26 with Mrs. Paul Rudd.

## St. Thomas Night Guild-Chairman Is Mrs. Gatlin

The Night Guild of the Women of Saint Thomas Episcopal Church met Thursday, Sept. 12, at the church. Mrs. Jesse Geron spoke on the necessity for action among Christian people in our present world.

The business meeting was conducted by Mrs. Sherry Gatlin, who was chosen chairman of the group. Mrs. Geron was elected secretary.

Plans for a Christmas Bazaar and a spring talent show in the Parish Hall were made.

Mrs. Abe Davis, hostess, served refreshments to Mesdames Sherry Gatlin, Joel Treadwell, Jesse Geron, Bruce Miller, Marcus Bell, and Wallace Haigood. Also present were the Rev. Joel Treadwell and Miss Marsha McGregor of Dimmitt.

The Hereford Brand, Hereford, Texas, Thurs., Sept. 19, 1963
