City Drafts A \$583,793 Budget Proposal; Calls Public Hearing

A proposed budget calling for the expenditure of \$583,793 plus an \$82,177 operating reserve was reviewed and a public hearing set at the regular meeting of the City Commission on Monday.

Salaries will be increased five per cent in the new city budget which will go into effect May 1, 1963. Total expenditure for salaries will be \$204,225 including vacation relief and seasonal help.

Two requests for extension of water lines outside the city limits were approved. Requesting the extensions were John Douglas Pitman and Oscar Wiley.

In other action, the Commission approved a request by the city manager to advertise for bids on Grand Ave. paving. The bids will be opened at the March 4 meeting of the Commission.

Around Town

BY H. A. TUCK

Spring-like weather, temporary we are sure, has brought out most residents for yard work. Early the other morning, we spotted Ezra Norton out picking up twigs and generally tidying up his yard.

Out in the country, it's the same story only on a larger scale. Irrigation wells are pumping full pipe in an effort to revive some sad-looking wheat.

Deaf Smith County 4-H Club members are scurrying all over the place, selling light bulbs. It's their annual money-raising project and we hope you will welcome them.

There are still some tickets available for the annual Deaf (Continued on page 2)

Farmers Hear Explanation Of '63 Grain Plan

Members of the Deaf Smith County Gas Users Association heard the 1963 Feed Grain Program outlined by ASCS office manager Faust Collier as they held their annual meeting Tuesday at Hereford Community Center.

In the business session which followed Collier's talk, R. C. Godwin, Jay Boston, and John Alkin spoke of activities of the Plains association during the past year.

During the meeting, new officers and directors of the local association were also elected. In a short meeting of the board, Godwin was named as the Deaf Smith County director to the Plains Irrigation Gas Users Association.

Collier, in his talk, briefly outlined the high points of the 1963 Feed Grain program. He pointed out that the minimum diversion was 20 per cent while the maximum was 40 per cent of the farm's base acreage.

In discussing payments on feed grain crops, he stated that farmers must cooperate in the program, sign an agreement, divert all acreage signed for, conserve practices, and maintain normal conservation acreage.

To be eligible for payments, a farmer cannot increase feed grain acreage on any other farm in which he holds an interest, said the ASCS office manager.

Collier closed his part of the program with a question and answer session.

Officers elected for the com- (Continued on page 2)

Capital expenditures for the city expected to be approximately \$125,000 for the coming year. Among the major items listed are three police patrol cars, a street sweeper, paving of Grand Avenue, and new water and sewer lines.

In the anticipated budget, revenues are expected to total \$591,557 with a majority of the amount coming from current taxes and water revenues.

Tax money is expected to bring in \$243,449 in the coming year. Of this amount, \$64,691 will be set aside to pay on bond retirement.

Water revenues are expected to supply approximately \$164,000 of the total. Also included is a \$75,000 surplus.

In noting the \$35,000 increase

for salaries of city employees and capital improvements in the city.

Salaries will be increased five per cent in the new city budget which will go into effect May 1, 1963. Total expenditure for salaries will be \$204,225 including vacation relief and seasonal help.

It was pointed out by Dudley Bayne, city manager, that the increase in salaries amounts to only a cost of living increase. However, salaries of the mayor, commissioner, city manager, city attorney, health officer, sanitation officer, and city judge have not been raised.

Tax money is expected to bring in \$243,449 in the coming year. Of this amount, \$64,691 will be set aside to pay on bond retirement.

in city expenditures over the budget proposed a year ago, it was pointed out that total taxable property within the city has shown a continued increase since 1956.

According to the proposed budget, taxable property has nearly doubled in the past seven years and now stands at an estimated \$42,003,100.

In remarking on the budget and proposed expenditures, Bayne commented that there would be no increase in city taxes or in city utilities. The tax rate is to remain at \$1.40 per \$100 valuation.

In other business, the Commission upheld the ruling of the Zoning Commission denying the petitions of Eddie Collins and J. T. Boynton.

Each had requested that his property be rezoned for "B" residential to "C" multifamily.

City Warns About Zoning Violations

Hereford residents are being warned against moving trailer houses to lots behind their homes without first checking with city offices in regard to zoning restrictions.

"A trailer house, for all practical purposes, is considered as a house," commented Dudley Bayne, city manager. "The same zoning restrictions cover trailers as would govern the building of a house or moving a home on to a lot."

He pointed out that the placing of trailer on lots is covered by the zoning ordinance, which requires a building permit, and deed restrictions of the subdivision.

"As a general rule," he warned, "trailer houses may not be moved onto lots where a residence is already located."

However, he continued, there will be isolated locations within the city which will have sufficient space to meet zoning requirements.

Each request will be treated as an individual problem, he remarked, and will have to be handled by the building inspector before the property owner is notified whether he can or cannot put a trailer house on his lot.

The problem was brought to light recently when several of mobile homes had been moved onto lots behind homes. Property owners had not checked zoning requirements.

In pointing out the seriousness of the problem, Bayne told of a young couple who had recently purchased a home within the city.

Afterwards, they purchased a trailer house and moved it onto the rear of their lot with the idea of renting it out, he continued. But, they didn't check zoning restrictions first.

The couple will have to move the mobile home in order to comply with the ordinances, he added.

The case of the young couple is not isolated. "In several instances, trailers

Incumbent city commissioner for Place 2, G. E. Brown, became the third member of the city's governing body to announce for re-election as he filed for office Monday.

Brown has been on the City Commission for the past four years, serving two terms.

Other commissioners with terms expiring include Mayor Ray Cowsert and W. L. Davis Jr., commissioner for Place 1. Both have filed for re-election.

The city election is to be held April 2. Filing deadline for the three posts is March 1.

Two requests for extension of water lines outside the city limits were approved. Requesting the extensions were John Douglas Pitman and Oscar Wiley.

An easement request for a gas line to run to an irrigation well was also approved. The line will run along the southeast boundary of the airport property.

In other action, the Commission approved a request by the city manager to advertise for bids on Grand Ave. paving. The bids will be opened at the March 4 meeting of the Commission.

Bayne also sought and receive the commissioners' approval of his proposed trip to Colorado Springs, Colo., to see officials of Holly Sugar Corp.

A request to put in an amusement park at Dameron Park (Continued on page 5)

AS DIFFERENT AS BLACK from white is the weather Panhandle residents have been experiencing lately. An example of the dilemma which faces Herefordites is demonstrated by Royce Ann Gilliland who dressed half-and-half to meet the challenge of 15-below-zero weather one week and 70-plus marks recorded two weeks later. Royce is the 17-year-old daughter of Mr. and Mrs. J. T. Gilbreath Jr. and is a junior at Hereford High School. (Staff Photo by Wain Miller)

Annual Deaf Smith County Chamber of Commerce banquet will get underway at 7:30 p.m. Thursday, Feb. 7, in the Hereford High School gymnasium.

By Tuesday about 700 tickets had been sold, with a capacity of near 850 expected by Thursday night. This should assure the banquet continuing as "the largest per capita Chamber banquet in the southwest."

Don Zimmerman will be master of ceremonies for the event with dinner music provided by Mrs. John T. Sims. The invocation will be given by the Rev. Bill Ware, pastor of Temple Baptist Church.

Special recognition will be given to three representatives of Holly Sugar Corporation: Decker Lilly, Charles Lavis and Bill Hoffman.

Clint Formby, outgoing president, will present plaques to the retiring directors. Maurice Tannahill will be recognized as the Chamber president for 1963.

Decorations for the banquet have been prepared by Mrs. Viola Chisholm's senior art class. Dale Young has done art work for the annual report. Copies of the newly-completed Chamber brochure on Hereford also will be provided at each place.

Caterer for the affair will be Walter Jetton of Fort Worth, who will offer a choice of ham, roast beef and smoked turkey.

Mrs. Dyalitha Benson, chairman of the financial institutions committee, will recognize the nine winners of the second annual Thrift Essay contest. The winners will be named in a meeting at 6:30 p. m. Thursday in the high school auditorium.

Ed Skypala, president of the Hereford Lions Club, will present the 1962 Citizen of the Year award. The recipient will be kept a secret until the announcement is made. Selection is made by representatives from each of the service clubs in Hereford.

Past winners have included: Dr. G. W. Heard, special award; Wayne Evans, 1946; Dub Reeves, 1947; W. E. Dameron, 1948; Dr. L. B. Barnett, 1949; Lyle Bainton, 1950; Henry Sears, 1951; Father Raymond Gillis, 1952; S. O. Wilson, 1953; Earl Phillips, 1954; D. C. Kinsey, 1955; Delia Stagner, 1956; Argen Draper, 1957; Don Zimmerman, 1958; Wayne Lawrence, 1959; Faye Plank, 1960; and J. W. Witherspoon, 1961.

Guest speaker for the banquet will be William J. "Bill" Bird, one of the nation's top young executives and public speakers.

Bird has been Western Vice President of the John Hancock Mutual Life Insurance Company since July, 1959. From his offices in San Francisco, Calif., he represents the company as senior officer in 12 states — Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington and Wyoming.

Bird has had an unusual breadth of experience in the field of business. Before joining John Hancock, he had served four years as Executive Vice President of the Greater Boston Chamber of Commerce. Under his leadership, that organization became an effective voice of business leadership in Boston's economic and civic growth.

Earlier, as Manager of External Affairs for the Chamber of Commerce of the United States in Washington, D. C., he was responsible for the National Chamber's operations in the fields of organization service, public relations, membership, field activities, and National's Business magazine.

Bird has also had broad experience in civic affairs. He now is serving as vice president of the San Francisco Chamber of Commerce and as a member of that Chamber's Board of Directors. In addition he serves as chairman of The Century Club, Boy Scouts of America; member of the board of directors of the Golden Gate Chapter of the American Red Cross and a member of the board of directors of the San Francisco Society of Crippled Children and Adults.

While in Boston, Bird served as consultant to the Greater Boston Economic Study Committee and was a member of the Executive Committee of the city's 100-man Committee for Civic Progress. He served as a member of the Board of Regents of the Institute for Organization Management; was editor of The Journal, national publication of the American Chamber (Continued on page 2)

Charged with the offense was Alberto Rameriz, 26, Dairy Road. He had been picked up here Jan. 22, at the intersection of First and Main Streets by a sheriff's deputy and Texas Highway Patrol officers.

A Latin-American was fined \$50 plus court costs and sentenced to six months in jail as he was tried Tuesday in Deaf Smith County Court, Judge H. C. Williams presiding, on charges of driving while intoxicated, first offense.

Charged with the offense was Alberto Rameriz, 26, Dairy Road. He had been picked up here Jan. 22, at the intersection of First and Main Streets by a sheriff's deputy and Texas Highway Patrol officers.

Members of the grand jury empaneled during the opening session of the court include W. P. Axe, foreman; W. L. Davis Jr., Mrs. M. W. Blankenship, Mrs. C. M. McBroome, Ewald Berend, Albert Lamb, (Continued on page 2)

But Billy Thompson hit six of the Wildcats' eight points, interrupted only by Welty's goal. Then McGee hit two more baskets, Grover Pigrum made three points and McGee hit for three more points to give Hereford a 24-11 lead at the end of the first period.

Hill hit to open the period (Continued on page 2)

None of the building's doors or windows appeared to have been forced.

In the school office, desks and file cabinets had been ransacked. A door covering the money box of a soft drink machine was also pried open.

Police officers, during their investigation, discovered twisted and burned pieces of paper in the building which had apparently been used as torches.

Herd Whips Wildcats, 68-51: Crucial Tilt With Dumas

Hereford will face its toughest basketball assignment in District 1-AAA for the season Friday night. The Whitefaces will try to knock off the Dumas Demons on their home court.

With conference action coming down to the wire, nothing is sure except it surely is confused.

Hereford raced out front and then coasted in for a 68-51 win over Littlefield Tuesday night. Dumas did about the same in Loveland, winning 46-39. And Phillips stayed in contention by licking Perryton 69-58, handing the Rangers their first home-court loss in district play.

Dumas, with four returning starters and lots of height, had a tough row this year. They lost to Perryton 41-40, Loveland 53-26 and Phillips 60-45 before falling to Hereford 38-32. Starting the second half, they have whipped Perryton 60-42, Littlefield 72-27 and Loveland 46-39.

Leading the Demons are 6-3 1/2 All-Starter Kelly Baker, aided by Mike Wendele, 6-4, and Robert Robinett, 6-3. Joe Parsons, 5-10, and Julian Miller, 5-9 rounded out the starting five. All but Robinett are returning starters from last year's championship team. Robinett is a transfer who has been leading the Demon scoring attack recently.

Against Littlefield, Hereford jumped off to a 15-0 lead in the first 3:20 of the game and then coasted in as reserves piled up playing time. McGee opened with a basket, Billy Hill dumped in five points, Ronnie Welty hit two baskets and Earl Jackson made two lay-ups before Littlefield could make a point.

But Billy Thompson hit six of the Wildcats' eight points, interrupted only by Welty's goal. Then McGee hit two more baskets, Grover Pigrum made three points and McGee hit for three more points to give Hereford a 24-11 lead at the end of the first period.

EXPLAINING THE 1963 Feed Grain Program at the annual meeting of Deaf Smith County Gas Users Association is Faust Collier, local ASCS office manager. Collier pointed out that the new program is voluntary and farmers may sign up to divert as much as

40 per cent of their acreage. To participate, he stated, a 20 per cent diversion is mandatory. At the business session of the meeting, new officers and directors of the local organization were elected. (Staff Photo)

FIGHTING A GRASS FIRE, two ranchers joined with fire units from Hereford, Vega, and Adrian to fight a fire on the J. V. Perrin farm Sunday afternoon. Neighbors from miles around joined to help control the fire, which was stopped after some 50 acres of grass had burned, de-

stroying several pieces of old farm machinery. The fire apparently started as two boys were using a cutting torch on an old combine. Firemen stated that the fire could have easily raged uncontrolled in the high breeze, but plowed farm land halted the flames. (Staff Photo)

Hereford Garden Club's 25th Anniversary Marked

By Ramona Noel
Brand Society Editor
"To stimulate the love of gardening, to increase the knowledge of horticulture and to encourage civic planting and civic beauty" is the club objective for the Hereford Garden Club, which will be celebrating its 25th anniversary with a Silver Anniversary Guest Day Tea on Friday, Feb. 8, in the Community Center at 2:30 p.m. honoring Mrs. E. E. Louthan Governor of District I, T. G. C., Inc., and the past presidents of the club.

These include: Mesdames Homer Brumley, N. E. Gass, Ralph E. McCullough, Lyle Blanton, A. L. Manjeot, John N. Jacobsen Jr., O. G. Hill Sr., W. S. Fluit, M. T. Rutter, O. H. Herring, W. C. Hromas, Norman E. Moore, and R. L. Wilson. Hereford Garden Club was organized on Oct. 25, 1937. Mrs. Ray Johnson was instrumental in getting the club organized when she was serving as president of the Federation of Club Women. Since their organization they have organized two other garden clubs, Garden Beautiful and Bud to Blossom, and helped

in organizing clubs in Dimmitt, Vega and Clovis. They work over this entire district helping other garden clubs and to assist whenever they are needed. At the opportunity the Hereford Garden Club spreads good things about Hereford and the area. One of the members, Mrs. Art Manjeot, expressed her enthusiasm over the good advertisement that various ones have passed on, "I travel extensively and several times when attending meetings there have been different ones that have found out that someone from Hereford was there and were interested enough to know more about the town to call me out of the meeting to hear about it."

Mrs. Lyle Blanton, Mrs. Ralph McCullough and Mrs. Art Manjeot are three members of the club that have been elected as an officer to the Texas Garden Clubs Incorporated. Mrs. Manjeot also has served on the state board for about 15 years. Mrs. John Slaton, Mrs. A. C. Thompson and Mrs. F. M. Kester are recognized as the three members that have the longest membership record.

A number of outstanding awards have also been won by the club, those being the Rosette on Color Clubs, this being the highest award that can be received, which pertained to colored sildes of gardening around Hereford. The Junior Garden Club has won three loving cups

for its work under the direction of Mrs. Bill Hromas and Mrs. O. H. Herring. Mrs. Art Manjeot won the highest award on Horticulture with her gladiola. Therapy State Award was won by Mrs. Lois Rutter which was based on her experiences. The club has also won awards on their Press Scrapbook, History Scrapbook and honorable mention on the yearbook for 1962. National recognition was won on flower show schedule, "Wonderful World" by Mrs. Art Manjeot.

Several civic improvements that they have accomplished are the landscaping on the school grounds at Northwest Elementary School, a club project, and the Memorial Peace Rose Garden at Hereford High School, in memory of the boys from Hereford High School who have given their lives in the service of their country. The newest project is to help in landscaping the grounds at King's Manor. The Christmas Decorations Project in Hereford was also started in the 1930's by the club.

"Reflections of Creative Art" will be the subject discussed at the tea with the guest speaker being Mrs. Jason H. (Billie) Bobberson of Amarillo, National Instructor and Master Judge of Texas Nationally Accredited Amateur Flower Shows. Hostesses for the tea will be the social committee, Mrs. Roy Calvert, chairman.

a.m. Saturday in the high school gym. Consolation finals are slated for 4:30 p. m. Saturday and championship finals will be at 6:30 p. m. Saturday in the Stanton gym.

Hereford eighth graders open against Coronado Junior High at 1:30 p. m. Thursday. If they win they will play again at 11 a. m. Saturday in the junior high gym, but if they lose their next game will be at 11 a. m. Saturday in the high school gym. Consolation final matches will be at 5:30 p. m. and championship finals for the eighth grade will be at 7:30 p. m. Saturday.

Meanwhile, Stanton Frosh will be competing in Flamingo with Hale Center, Springlake, Friona, Kress, and the two Flamingo junior highs. Dogies open against Coronado Junior High at 7 p. m. Thursday. If they win they will play again at 7 p. m. Friday. If they lose, their next game will be at 4:30 p. m. Friday. Tournay championship finals are slated for 8:15 Saturday and consolation final match will be at 7 p. m. Saturday.

If Stanton takes the loser's route in the opening games, it will compete for seventh place in the meet at 4:30 p. m. Saturday. However, this is doubtful since the Dogies have previously defeated all of the larger schools entered in the tournay. Should Stanton win one and then lose one, the Dogies would p. m. Saturday.

and Welty made one of two free throws. Thompson hit for three points, Jackson and Thompson traded baskets and Jim Haney hit a free throw. Larry Shipp hit his only basket of the game, but Welty and Cates each netted two pointers. Thompson hit again, Haney missed two free throws, but Cates shoved in the rebound. Paul Roberts scored for the Cats, but Cates made a lay-up as the buzzer sounded for the half. Hereford was leading 38-22.

It was more of the same in the third quarter as Jackson hit for two quick baskets. Gary Fitzgerald hit a free throw, but McGee tallied on a fast break. Thompson hit a free throw, but Welty and Haney each netted charity tosses. Junior Hodge hit for three points, but Haney shoved in a rebound and Neil Lueb netted a free throw. Pigrum made two quick baskets. Robert Strange hit one for Hereford and Hodge scored on a jump shot.

That made it 51-33 with eight minutes left. Littlefield came alive slightly in the fourth quarter with 15 points, after hitting 11 points in each of the first three stanzas. David Dowell hit for Hereford. Then Littlefield made three of six free throws. Haney hit from the corner, but Littlefield scored two baskets.

Hill hit one of two free throw attempts, but Pigrum and Fitzgerald teamed up for fast baskets. That left Hereford in front 56-48 with 3:20 to go. Haney hit again, Thompson and McGee each missed free throws and Hodge hit one of two attempts from the free throw line.

Once more, Haney hit, but Hodge matched it. That made it 60-51 with two minutes left, so Hereford turned on the steam. In rapid succession, Welty, McGee and Haney hit from the field. Roberts took one free throw for Littlefield, but missed it. Welty scored again, then missed a free shot after the game had ended.

The Herd's balanced scoring attack again was in evidence as Welty got 14 points, McGee 13, Haney 10, Jackson 10 and Hill 8. Billy Thompson hit 17 and Grover Pigrum 10 for the Cats.

Coach Cuby Kitchens started using his reserves early in the first period and shuffled in substitutes all during the game.

In the B team game, it was more of the same as Hereford led 12-4, 24-8, and 35-15 enroute to a 44-27 win. Kenny Justice netted 15 for the young Herd, while Ronald Sitton got 9 for the Cats.

On Friday night, in addition to Hereford's crucial tilt at Dumas, Perryton will be at Levelland and Littlefield will go to Phillips.

Annual 4-H Club Light Bulb Sale In High Gear

By Argen Draper
Got a call from Oleta (Mrs. Leo) Hoffman this weekend. They moved to Butler, Okla., you know, and are getting along fine. Pam is in 4-H and also taking homemaking in school. In Butler homemaking is taught in the seventh and eighth grades.

The 4-H Bulb Program is in high gear. Get your bulbs from any 4-H girl or boy. There are 75 and 100 watt eye savers and a yellow bug-away. After our 4-H Council meeting Saturday, the Council members went to help with sacking the bulbs and I wish you could have seen the organization and the assembly-line set up. Mrs. Gaylan Bryan, Mrs. M. J. Koester and Mrs. Harold Rudd made up the committee.

The 4-H'ers appreciate their bulb customers and will be glad to serve you again. There are a few sacks with the 150 watt heavy duty bulb and if you want it come to the office for them. A grey wind bonnet was left at the Community Center during the Foods Meeting. It is here at the office and the way the wind is blowing I would think that this is the day you need it.

Congratulations to Eunice Peterson on beginning the art course. When I was talking to Eunice about this she reminded me of the original meeting and the early days of the ceramic club. The club met on the fourth floor of the courthouse and the members carried all the supplies up the four flights.

A note to Mrs. T. J. Parsons from Miss Sallie Hill of the Progressive Farmer: "Congratulations again on the H. D. Market."

The following was taken from a current publication from the United States Department of Agriculture - Office of Information. This is the latest on freezing cream pies.

Home-Frozen Cream Pies There's quite a trick to making a good cream pie that can be frozen and stored successfully. It takes a special recipe and special handling.

And that's what research home economists at Texas Technological College in Lubbock, in cooperation with food and nutrition specialists with the Texas Agricultural Extension Service, have come up with - a special way to make cream pies, so that the filling doesn't separate, or get grainy, lumpy, or spongy, and the crust remains flaky. Cornstarch, the researchers find, is the most acceptable starch to use in the filling of a cream pie that's going into the freezer. And, you get best results if you freeze the pie filling and shell separately, then combine the two when ready for use - or use the frozen filling

Smith County Chamber of Commerce banquet. They will be on sale all day Thursday at the Chamber office. If any remain, they will be available at the door that night. The banquet starts at 7:30 p. m. Thursday in the high school gymnasium and will be finished at 9:30 p. m. It even seems that the weather is going to be nice for the affair, which will be a big change.

A Hereford family is trying to locate someone who drives a late-model Chevrolet pickup. Seems someone in the pickup accidentally picked-up a brown fishing rod, with green reel, at Buffalo Lake last Saturday afternoon. Since the reel was borrowed, the people would like to have it back and are offering a small reward. Call EM 4-1741.

Regular Westway Community social will be held Friday, Feb. 8, at 8 p. m. in the Community Building, Ed Sky-pala, an old Westway boy who went civilized, will show his films taken in Europe. Everyone is invited to come... and bring cookies.

Johnny McIver, son of Brand bookkeeper Atha McIver and Bill McIver, arrived back in Hereford Wednesday with his family. He's tried California and didn't like it. So now he's back in the Panhandle to stay. As long as he stayed in California, he says, it wasn't so bad. Then he came home for Christmas and realized what he had been missing.

I'm going back to my old home town Friday night, but
CARD OF THANKS
I would like to give my thanks to Dr. Wills, the nurses and Mrs. McGilvery for all the services rendered me during my stay in the hospital. My thanks also go to my friends and loved ones for the flowers, cards and visits.
Mrs. Lee Coanougher

THEY FLEW through the air with their hands on the ball and it was finally Hereford's Dwight McGee (dark uniform) who came down with it in the Perryton Ranger Gym Friday night. Contesting McGee for the spheroid was Ranger's Buddy Boerjack. Perryton downed the Herd by 62-58 in overtime Friday. It was the first district loss after five wins for the Whitefaces. (Staff Photo)

It won't be permanent. I hope that I'm joined by several hundred other Hereford folks to back Hereford's basketball team against the sky-scraping Dumas Demons as the Whitefaces make a final bid to keep Dumas from returning to Austin to defend its state basketball title. I've become such an enthusiastic Hereford fan that I have to get a passport every time I go back to Dumas. And even then, hardly anyone except my parents will speak to me. Dumas can be beaten. That has been proved. What remains to be seen is if they can be whipped at home in either of their last two games as they host the Whitefaces and the Phillips Blackhawks.

Although it's a headline feat The towering Demons can be beat. We'd like to do it this Friday And keep them from going Austin - way!

Too Late To Classify

There also will be basketball action here as Stanton's red-hot

ADRIAN NEWS

Junior, Senior Livestock Judging Teams Win First

By Ann Beavers
Oldham County Junior and senior 4-H Livestock Judging teams took first places as they competed with other area clubs in the Amarillo Fat Stock Show contests.

The junior team, composed of Perry Kirkland, Kathy Garrison and Junior Whaley, won first place in all-around judging of sheep, hogs and cattle.

First place in the beef judging contest for senior teams went to Mack Fortenberry, Mike Horton, James Whaley and Lloyd Brandes.

In individual contests, Mack Fortenberry won first place, Donnie Alfred took third and Perry Kirkland was fifth.

Both teams received banners for their awards.

Adrian basketball teams won two of three games at Texline Friday. The B team lost, but the girls won 37-22 as Donnie Brownlee netted 26 points.

In the varsity game, the Matadors won 58-48. Billy Perry hit 20 points for Adrian, with Arthur Dixon of Texline getting 24.

On Saturday night, Adrian beat Clayton 69-48 as Sam Brown hit 22 points for the winners. Dan Jenkins got 12 for Clayton. The victory made Adrian's record 18-11 for the season.

The B team also won its game with Clayton, 36-34.

Mr. and Mrs. A. D. Lewis and children are taking a two-week vacation in northeastern Kansas, visiting relatives. W. A. O'Donnell is acting as relief agent at the depot while Lewis is gone.

Mrs. Bessie Spande and Mr. Joe Speed are visiting in Albuquerque with the Cotton Lane family.

Among those in the hospital during the past week have been Floyd Brown, John Proctor and Mrs. R. L. Pinnell.

Mr. and Mrs. Horace Betts, Mr. and Mrs. Bob Caldwell and Mr. and Mrs. John Skaggs attended the annual Co-op convention in San Antonio earlier this week.

The Rev. and Mrs. David Sellers and their two sons have moved to Adrian from Fort Worth. He will be the minister of the Baptist Church.

Adrian's Fire Department was busy Sunday. They answered an afternoon call to the Jim Ferrin farm, where some grass and old machinery were burned.

At 8:45 p. m., the men answered a call on a grass fire just below the caprock. Later that night, Earl Brown and Grady Skaggs had to go back out.

Mr. and Mrs. R. E. Hood of Panhandle visited their daughter and family, the Tom Tylers, last week. Also visiting the Tylers were her sister and fam-

ily, Mr. and Mrs. Dickie Griffin and children from Dumas.

Mr. and Mrs. Edward Hayes and children from Evansville visited in Adrian with Mrs. Lena Gudgell, Bill, Dwight and Michael. The Hayes family is moving to Arizona because of his health.

Mrs. Bobby Banks and children from Amarillo visited her parents, Mr. and Mrs. P. H. Gruhlkey, last Saturday.

Mr. and Mrs. Nolen Maupin and children from Amarillo visited the Earl Browns over the weekend. Nolen recently was released from the hospital, where he was treated for a serious back injury.

Adrian High School students have just ordered their school sweaters and jackets and can-

hardly wait for them to arrive.

Mr. and Mrs. D. V. Ross and children from Stanton, Cal., visited the O. L. Knowles family recently.

Mr. and Mrs. M. J. Knowles from Levelland visited the O. L. Knowles family on Saturday. Doolie Fincher was in Dallas last week for a check-up and to see the Fat Stock Show.

Peggy Sifford spent last weekend in Lubbock visiting friends.

Mr. and Mrs. Lee Sifford and children from Gruber and Mr. and Mrs. Wayne Sifford of Vega were Saturday night guests of the Herman Siffords.

Mrs. Bob Gruhlkey visited her daughter, Linda, at West Texas State in Canyon Thursday. Linda enrolled for the second semester on Friday.

Home from college last weekend were Mickey Hayes, Hubert and Oscar Bronniman and Jerry Whitten.

Herberto Hernandez has returned from Mexico and is back on the Garrison farm. His family will be joining him soon.

Mrs. Anna Witt has returned from California, where she spent six weeks visiting her children.

Mrs. Opal Pond of Canyon visited her mother, Mrs. Emma Bales, last Sunday.

Terry Williams was ill last week and missed school.

Babe Wade of Friona visited in Adrian on Sunday.

Donna Seay was in Deaf Smith County Hospital last week for a tonsillectomy but is home now and doing fine.

Mr. and Mrs. Hardy Harris and Donna from Amarillo visited the Wilbur Harris family over the weekend.

Rev. Matthews Named Director Of Youth Work

The Rev. Gene Matthews, minister of education of the First Methodist Church of Hereford, has been named Conference Director of Youth Work, according to an announcement by Paul V. Galloway, bishop of the San Antonio - Northwest Texas Area.

Announcement of the appointment was made this week. The Rev. Matthews will assume duties of the office on Feb. 15.

He will be moving to Lubbock and will have his office with the Methodist Board of Education.

The Rev. Matthews will be responsible for developing and coordinating youth work throughout the conference. The area includes the northwestern section of Texas.

He has served at the First Methodist Church here for the past year and a half and has been in charge of the educational program.

Moving to Lubbock with him will be his wife, Neil, and three children.

VISITING PARENTS
Mrs. Leon Cohorn and daughter, Lisa, from Lamesa, have spent the last two weeks in the home of her parents, Mr. and Mrs. Ralph Paul. They returned home on Saturday.

BOONE WASN'T BURLEY
FRANKFORT, Ky. (AP) — Do you picture Daniel Boone as a big, burley, rough-looking man?

Not so says George Chinn, director of the Kentucky Historical Society. Chinn says Boone was a lean, wiry man who stood about 5-foot-10 and would have looked good in an Ivy League suit.

Dinner, Meeting For Patriarchs And Its Auxiliary

Hereford Patriarchs Militant Canton and Auxiliary No. 36 met at the Oddfellows Temple on Friday night, Feb. 1, for a dinner and meeting.

President Lady Lydia Hopson and Captain A. N. Hopson presided at the joint meeting.

Installing officer Lady Glessie Shelton P. P. assisted by adjutant Lady Lydia Hopson installed the new vice president, Lady Roberta Combs and secretary Lady Anna Conklin.

Those present were: Captain A. N. Hopson, Ensign Sam Smith, Ben Conklin, Brig. Gen. Retd., A. R. Rogers, Captain Retd., Chevaliers Archie Love and Dick Barrett, Lady President Lydia Hopson, vice president Roberta Combs, past president Lydia Glessie Shelton, Anna Conklin, Ruth Rogers, Ladies Ursalee Jacobsen, Willie Mae Smith and Leona Love.

EXTINGUISHING FLAMES which burned some 50 acres of grassland after damaging old farm equipment, a Hereford Volunteer Fireman was among many from the area who answered a call at the J. V. Ferrin farm Sunday afternoon. Units from Hereford, Vega, and Adrian went to the scene.

some 40 miles northwest of Hereford to battle what might have developed into a major range fire. But plowed farmland stopped the flames which apparently started as two boys were using a cutting torch on a discarded combine. (Staff Photo)

By Melvin Young
 Fred Palmer, nationally-known sales consultant who spent Monday in Hereford conducting a sales clinic, has confirmed one of our oldest beliefs. That is, that the year ahead is going to be just as good as you make it.

Mr. Palmer pointed out that of four so-called experts consulted on the prospects of a prosperous 1963, there were four entirely different answers. One stated that we were heading into the clutches of the worst depression we have ever seen. Another expert, obviously an optimist, predicted that 1963 would be better than ever. One was sure that the first half would be good while the last six months would surely hit the rocks; and the fourth expert reversed the above periods.

Just take your pick of the four predictions; and we feel sure that if you work hard enough, you can make one of the four a reality. Obviously the future of 1963 depends on the individual.

Actually, Mr. Palmer is one of the most capable sales consultants that we have heard in recent years, and we feel that Clint Formby and Radio Station KPAN should be commended for their efforts in bringing the gentleman to Hereford. We're sure that all who attended the seminar profited from his well-prepared sales messages.

"renew" your home to the government's satisfaction. This would be done at your own expense. If however, you did not comply, or could not comply, your home would be condemned by the RLA; seized, altered at the taxpayer's expense, and rented to low income families who don't even have to pay full rent.

This may sound "way-out" to most of us, but the agency in question is now in existence. The plan is not; however, it awaits only the approval of Congress. Apparently it's becoming "old-hat" to work hard to make a profit so that we might be dependent on no one. Obviously the trend is to the contrary. Perhaps we should all grow beards and join the ranks of the beatniks; writing poems and drawing unemployment compensation.

Marvin Knox is the man that we envy. Right here in the middle of winter, Marvin is leaving for a fishing trip to Old Mexico. We visited with Marvin for about 15 minutes but never could get him to tell us exactly where they were going in Mexico. He did say that it was on the Gulf of Mexico and that they were going to do some "salt-water" fishing. When they return, we're likely to have some new fish stories to pass on.

Hugh Bookout is one old boy that we have sure missed seeing down town. Hugh has been out of circulation for several weeks due to illness, but is up and around again "feeling pretty good", he says. Even though we enjoyed visiting with Hugh, he did drop our ego a few notches when he stated that had it not been for a paper he found blowing down the street, he might never have known we were back in the newspaper business. Now that old boy is a prospect for the circulation department.

Grant Hanna has just returned from the "hottest" Mid-Winter Conference, the American Legion ever held. The hotel caught fire! He and Mrs. Hanna were in Austin attending an American Legion meeting being conducted at the Stephen F. Austin Hotel. All went well until about 1:30 in the morning when they were awakened by the sound of fire trucks. Sure enough, the 53-year-old hotel was on fire. However, the fire was just in the kitchen and Grant says the Austin Fire Department had things under control pretty fast. They returned to their room about 4:30 in the morning.

We have always wondered... why not borrow a day

Legal Notice

Notice is hereby given that a public hearing on the City of Hereford Budget for the Fiscal year beginning May 1, 1963 and ending April 30, 1964, will be held in the office of the City Manager, City Hall, Hereford, Texas at 7:30 p. m. on the 18th day of February, 1963.
 Ray Cowsert, Mayor

City...

(Continued from page one) have already been moved on to lots in non-compliance with the zoning code," said the city manager. "Letters have been sent to these people requesting immediate compliance." Stiff penalties can be imposed under the zoning laws for refusing to heed the letters requesting that mobile homes be moved.

"If we are forced to issue complaints for non-compliance, a person can be fined up to \$300 a day," warned Bayne. "Each day the trailer is on the lot in violation of zoning restrictions is a separate offense." Bayne urged all residents within the city planning to put one of these homes on their lots behind their houses to check first with the building inspector to make sure the move will comply with all zoning restrictions.

Drafts...

(Continued from page 1) was also brought before the Commission. Requesting approval of the park were Hope Newman and O. R. Sanders. The proposal was turned down. Two plats for sub-divisions in the northwest section of the city were given tentative approval. The plats were submitted by A. A. Hare and Ralph McCullough.

from July and one from October; give them to February, making all months either 30 or 31 days? Well... it sounded like a good idea!

If you've ever worried about the resourcefulness of the younger generation... don't! This was demonstrated to us again Saturday night while we were enjoying Mexican food at a local establishment. The J. T. Gilbreath's were getting ready to leave, and looking around for a place to leave the tip. "Casey" discovered that a receipt had been left on the table for that purpose. It was a mixing bowl. Rosiland Rush, teen-age daughter of Dr. and Mrs. Rush, had instigated the whole deal. Obviously "Casey" didn't fill the bowl, but you can't blame Rosiland for "thinking big".

FROM THE MOUTHS OF BABES

BRADENTON, Fla. (AP) — A 3-year-old Bradenton child was with her father when he pulled up to the bank's drive-in window and deposited some money. As they drove away, the child asked why he didn't get any money. "I didn't come here to get money," she said. "We came to put some in." "Mommy always gets money when she comes here," the child said.

DRY RUN

MORRIS, Minn. (AP) — The Morris municipal liquor store had a "grand opening" with nary a jug on its stock shelves. The City Council held that folks who ordinarily wouldn't go into a liquor store were entitled to a preview of the new building.

CARD OF THANKS
 Words can never truly express our feeling of gratitude for the wonderful expressions of love, friendship and sympathy expressed during the time of our sorrow at the loss of Frank Tackitt. Your visits, cards, flowers and food were so generous that we can't properly express our thanks. May God bless all of you.
 The Tackitt family
 The average family in the United States consists of 3.7 people.

Look Who's New!

Mr. and Mrs. Harvey Gerald Lindsey are the parents of a son, Rusty Wayne, born Feb. 2 at 10:15 a. m. He weighed 6 pounds and 15 ounces.

Mr. and Mrs. Edward Clyde Schilling are the parents of a daughter, Theresa Ann, born Feb. 2 at 2:48 p. m. She weighed 8 pounds.

Mr. and Mrs. Joe Lopez Arango are the parents of a son, Juan Jose, born Feb. 4 at 4:06 p. m. He weighed 7 pounds and 8 1/2 ounces.

Mr. and Mrs. Anthony Henry Brorman are the parents of a daughter, Diane Marie, born Feb. 6 at 5:16 a. m. She weighed 7 pounds and 10 1/2 ounces.

Benjamin Franklin invented the rocking chair.

The Chris Clarks, former Hereford residents, were in town over the weekend. Chris came up to hear Fred Palmer and while they were here, visited with old friends and renewed old acquaintances. Chris is manager of the radio station at Andrews.

Another Herefordite who migrated to Andrews is Gerald McCaskill. Gerald and his family moved to the West Texas city last year after he became associated with one of the banks there as executive vice-president.

Ever hear of the Redevelopment Land Agency? Neither had we until recently, but if this agency can persuade Congress to see things its way, your home may someday be nationalized.

It seems that the problem is this. Low income families do not live in high income districts, and the federal government takes a dim view of this situation. Apparently this is unfair to the lower income group of citizens. Now, all this comes under the heading of "Urban Renewal". However, in order to be fair to all concerned, the government would give you (the homeowner) an opportunity to

LET'S COOK SOMETHING!

Donna Smith Delights In Finding Good, New Recipes

By Ramona Noel
Brand Society Editor

"The discovery of a new dish does more for human happiness than the discovery of a new star." — Brillat-Savarin.

This quote could well describe Mrs. John E. (Donna) Smith, because she enjoys trying new recipes that her family will find extra appealing. "After I try a new recipe and it doesn't taste like I expect it to, that recipe is marked off my list," she explained.

Being extra fast in everything that she does, Donna has time to take part in many different activities, in addition to keeping her two girls, Diane, 10, and Debbie, 7, and husband, John, happy. She is active on a bowling league, is serving as the president of the Women's Hereford Bowling Association, member and past president of the La Madre Mia Study Club, Sunday school teacher in the First Presbyterian Church, member of a bridge club and a Red Cross volunteer swimming instructor.

Since the Smiths have just purchased their first farm, Donna has put in many hard hours repainting and decorating her new home. Having many talents and skills on her side, she can do an expert job on anything that she tackles.

Being a mother of two girls requires extra time put in at the sewing machine. Not only does she make a lot of her own clothes, but practically all of her girls' clothes. Donna has one of those rare talents, whereby she can look at something that she might like for one of the girls, turn right around and make it, usually saving several dollars.

Since moving here from Amarillo about seven years ago, the Smiths have been farming in the Easter Community. Now having their own farm will help them to achieve even higher goals than before.

acre while the three year average for cotton was \$21.39 per acre. Capital loss from soil erosion on sloping land is far greater than many realize, concluded the report.

All of the recipes that are being used have been tried and tested by Donna and her family, with an unanimous agreement that they are worth preparing.

If a Valentine party is on the agenda this salad recipe would be excellent because it is a delicate pink that would match the occasion. Since salads are versatile, this one could be served with the meal or as a dessert.

Rosy Fruit-Cocktail Slice
2 8-ounce packages cream cheese
1 cup mayonnaise
1 cup heavy cream (whipped)
1 No. 2½ can (3½ cups) fruit cocktail (well drained)
¼ cup drained maraschino cherries (quartered)
2½ cups (about 24) large marshmallows (cut up)
Few drops of red food coloring or maraschino cherry juice
Soften cream cheese, blend with mayonnaise. Fold in remaining ingredients.
Pour salad mixture into two 1 quart round ice cream containers or other round container. Freeze firm about six hours. To serve, let stand out a few minutes, then remove from container, slice and place on lettuce leaves. Trim with cherries.

This Millionaire Salad is an excellent standby to make any meal complete.

Millionaire Salad
2 egg yolks, beaten
5 tablespoons sugar
5 tablespoons lemon juice
2 tablespoons butter
½ pound marshmallows
2 bananas
1 No. 2 can crushed pineapple
1 bottle maraschino cherries
1 cup pecans
1 cup whipping cream
Beat eggs, add lemon juice, sugar, butter and marshmallows. Heat above mixture until marshmallows are melted. Add bananas, pineapple, cherries, pecans and whipped cream to mixture and stir until well blended. Pour in bowl and chill.

Casseroles are popular as one-dish meals. If a Valentine party is planned for several persons, a casserole made ahead of time cuts down on preparing the meal. The following casserole dish would be excellent for those

special guests.

Beef in Casserole
Brown 1 pound of ground beef in skillet and add:
2 teaspoons salt
2 teaspoons sugar
1 can (16 ounces) tomatoes
1 can (8 ounces) tomato sauce
2 cloves garlic, crushed
Pepper to taste
Combine:
1 5-ounce package thin egg noodles, cooked and drained
1 cup sour cream
1 3-ounce package cream cheese
6 green onions (chopped with some of tops)
In greased 4-quart casserole, arrange meat mixture and noodle mixture in alternate layers with
1 cup grated American cheese
Bake in moderate oven for 35 minutes. Makes 8 servings. May be prepared and stored in refrigerator and reheated just before serving.

To complete a special meal, Shakespeare's suggestion is fine to follow, "make the end most sweet."

Chocolate Marble Pie
1 3¼ ounce can flaked coconut
Soft butter
1 package chocolate chiffon pie filling
1 to 2 teaspoons instant coffee (optional)
½ cup heavy cream (whipped)
Toast coconut in oven (350 degrees) about 10 minutes, stir frequently for even browning. Cool. Generously butter the bottom and sides of 9-inch pie plate, sprinkle with coconut and press. Prepare chiffon pie filling according to package direction. Pour into coconut crust. Spread whipped cream over top; swirl cream through filling to marble. Chill until set, about 2 hours.

Crisp Toffee Bars
1 cup butter
1 cup brown sugar
1 teaspoon vanilla
2 cups sifted flour
1 6-ounce package semi-sweet chocolate chips
1 cup nuts
Cream together butter, sugar and vanilla. Add flour. Mix well. Stir in chocolate and nuts. Press mixture into ungreased pan. 15 inches x 10 inches. Bake in 350-

OFF THE Shelf

BY H. A. FUCH

Cynthia Lindsey is a professional writer by trade. By avocation, she is a homemaker, mother and wife. Almost inevitably, she has combined these into one delightful book, *Home is Where You Hang Yourself*.

This non-fiction volume is the kind that seems too short. It includes just 15 chapters in 192 pages. Each chapter reads like a short article in a magazine, which is exactly what some of them were originally.

When the book starts, Cynthia is a widow with one small boy. She decides that she needs some additional income and starts renting a small house. Her first tenant is an eccentric saleslady who does atrocious painting for supplemental income.

This wasn't all, either. She had one old dog, a cat which clawed down all the wallpaper and a 200-year-old turtle which woke up on the first of April each year, drank water for 20 minutes exactly, ate rose petals and then went back to sleep... wrapped in a baby blanket.

Other chapters detail how to confuse a postmaster and engineer a mail robbery and how to catch romance.

But the funniest chapter is entitled "Crustaceans Anonymous or How to Sober Up a Lobster." This is the type of humor that infuriates others in the house with the reader. The chuckles become louder and louder while others wonder what can possibly be so humorous.

In other chapters, the author deals with gardening, how to match a dead goldfish and how to write a book.

Her exploits on a trip to Europe are legend, and so is the size of the suitcase - like purse in which she stuffs all her souvenirs... except the blanket-wrapped bronze sculpture statue, which she carries under her arm.

Upon returning, she and her husband (yes, she's married again) decide they need a swimming pool. This chapter is truthfully called, "See What the Boys in the Back Yard Will Have or How to Inundate Toget-

degree oven for 25 minutes or until done.

herness." She not only has to cope with capricious craftsmen, but a plumber who drives a Cadillac and wears slacks and silk shirts to work. Finally, she describes her life on the "creamed chicken circuit" and the bout she lost about a goose when she wrote a TV pilot film.

This is wonderful humor, with each bit wrapped in one small chapter for easy sampling. We think almost everyone will enjoy *Home is Where You Hang Yourself* by Cynthia Lindsey.

Happy Hustlers Plan Their Skit

Happy Hustlers 4-H Club met in the Hereford Community Center on Thursday with Mike McGee, president, in charge.

Mrs. Floyd Cole talked with the members about their part in the annual 4-H Club "Share The Fun" Festival.

John and Mike Sooter were introduced as new members. Attending the meeting were Steve Robbins, Dale Pierson, Bill Pierson, Mike McGee, Bill Douglas, Joe Smith, Larry Lane, Rodney Gohsen, Garry Gohsen, John Sooter, Mike Sooter, leaders Mrs. Floyd Cole and Mrs. Frank Robbins. Mrs. Smith was a visitor.

The Great Ice Age ended about 10,000 years ago. It created thousands of lakes in the northern parts of Europe and North America.

Did You Know... Aspirin is Deductible!

Aspirin, and hundreds of other drug products, may be deductible in computing federal income tax. But you must be able to offer proof of purchase. The DrugTax record-keeping service, available free to you at our pharmacy, does just that. Come in and ask about DrugTax. Start saving tax money!

SOMETHING SPECIAL FOR the Valentine party being planned is this delicious salad, "Rosy Fruit Cocktail Salad" that Mrs. John E. (Donna) Smith has sliced for serving. Its delicate pink coloring and delicious flavor will make a big hit among all the guests. (Staff Photo)

Bench Levelling Increases Yields, Profits On Crops

Bench levelling of irrigated land with a two to three per cent slope will pay off, according to James C. Valliant, associate water engineer at the High Plains Research Foundation, Halfway.

In a research report, issued

in January, the three year results on cotton and grain sorghum planted on benched land is compared to sloping land at the Foundation.

The returns from bench levelling are three-fold, according to the report. First, the yield is increased, second, water usage is decreased, and valuable soil is saved from eroding as land fertility is built up.

Difficulties with early bench levelling practices were that benches were frequently not uniform in width for equipment

use. Point rows were numerous and border maintenance was difficult.

A new bench border maintainer, first used in 1962, apparently solves the border maintenance and weed control problems.

Use of these modern methods, states the report, has paid for the cost of constructing and profits have also been increased over the test period.

The three year average profit in grain sorghum on benches over sloping land was \$22.69 per

Cost of tour will be determined by number of people making making the tour. Send your name and address along with a \$50.00 deposit to the Plains Cotton Growers, Inc., 1720 Avenue M, Lubbock, Texas. Seats will be filled on a first come first serve basis (If tour is cancelled Deposit will be refunded.)

Plains COTTON GROWERS, INC.

TELEPHONE PD 2-0853 1720 AVE. M LUBBOCK, TEXAS

Quotes from some of last year's mill tourists: "Any cotton grower who takes advantage of an opportunity like this to tour textile mills will never be sorry. This has been one of the most enlightening tours that anybody who deals in cotton could make."
"This tour should make us want to produce and gin better quality cotton on the South Plains. More quality improvements would mean that mills would buy increasing amounts of our cotton."

Palmer Urges Planning Now For City's Future Growth

In pointing out the tremendous changes taking place in the United States today, Fred Palmer, one of the nation's foremost sales consultants, challenged Hereford to hold a "great debate."

Palmer, here for a one-day sales seminar, in his speech at Hereford Rotary Club at noon Monday, suggested the "great debate" in order to set a goal for the next ten years. As an example of how the debate works in the development of a community and its industry, the sales consultant pointed out the growth of Natchez, Miss., as an example.

Following the Civil War, Natchez, which had been one of the centers of the ante bellum South, found that it did not have any industry, explained Palmer.

enlarging the city," Palmer stated. "Today, 90 per cent of the area for proposed expansion is pre-zoned."

As he discussed community growth, Palmer pointed out that the right kind of growth for a community is very important and the wrong kind is often disastrous.

"You may think your Chamber of Commerce is moss-backed at times," he commented, "but it is hard for a community to live down a reputation when an industry goes bankrupt."

word — megalopolis, meaning strip city.

In the near future, 73 per cent of the entire population of the country will be living in 19 of these strip cities, he pointed out.

"You have a great city here, but don't realize its potential," he continued. "More and more people are getting tired of spending an hour driving to and from work in bumper to bumper traffic. They are getting tired of large cities."

Industry is also looking for places like Hereford to move to, the consultant explained.

"You had better make plans now since tremendous changes are being made from the old established pattern," he warned.

Residents got together and started the great debate which was held for one year, he continued. Each civic organization and club as well as churches and other groups proposed goals for the next ten years.

"They developed a plan for

In pointing out the tremendous changes taking place in the United States, he cited the example of Portland, Ore., where a shopping center development changed the downtown district.

The developer took a district that was run down and turned it into an area with ample, covered parking space, provided a circus for entertainment, an ice skating rink and even a cocktail lounge.

As he spoke, he told Rotarians and guests that he would like for them to remember one

As he spoke, he commented on the business outlook for 1963 saying that one authoritative statement from an expert says the country is about due for one of the biggest recessions since World War II.

Another expert states that business will be good, he continued. And, yet, another believes the first half will be good and the second half not so good. A fourth thinks it will be the other way around.

"But, there is one thing you can be sure of — business will be as good as you make it," Palmer stated.

In his closing remarks, Palmer commented that he was very interested in Hereford with the new sugar mill. New people will come into the city as well as new money.

However, he warned, if after the mill is in production, the merchants say business is good and leave it at that, the community will get into trouble.

"But, is the community going to grow the way you want it to grow?" he questioned. After a while, the new money and new people as a result of the mill will begin to taper off, he stated.

The time for planning is now, he pointed out again.

"This area is agricultural in complexion. What other kinds of small industrial businesses would be interested in locating here?" he concluded.

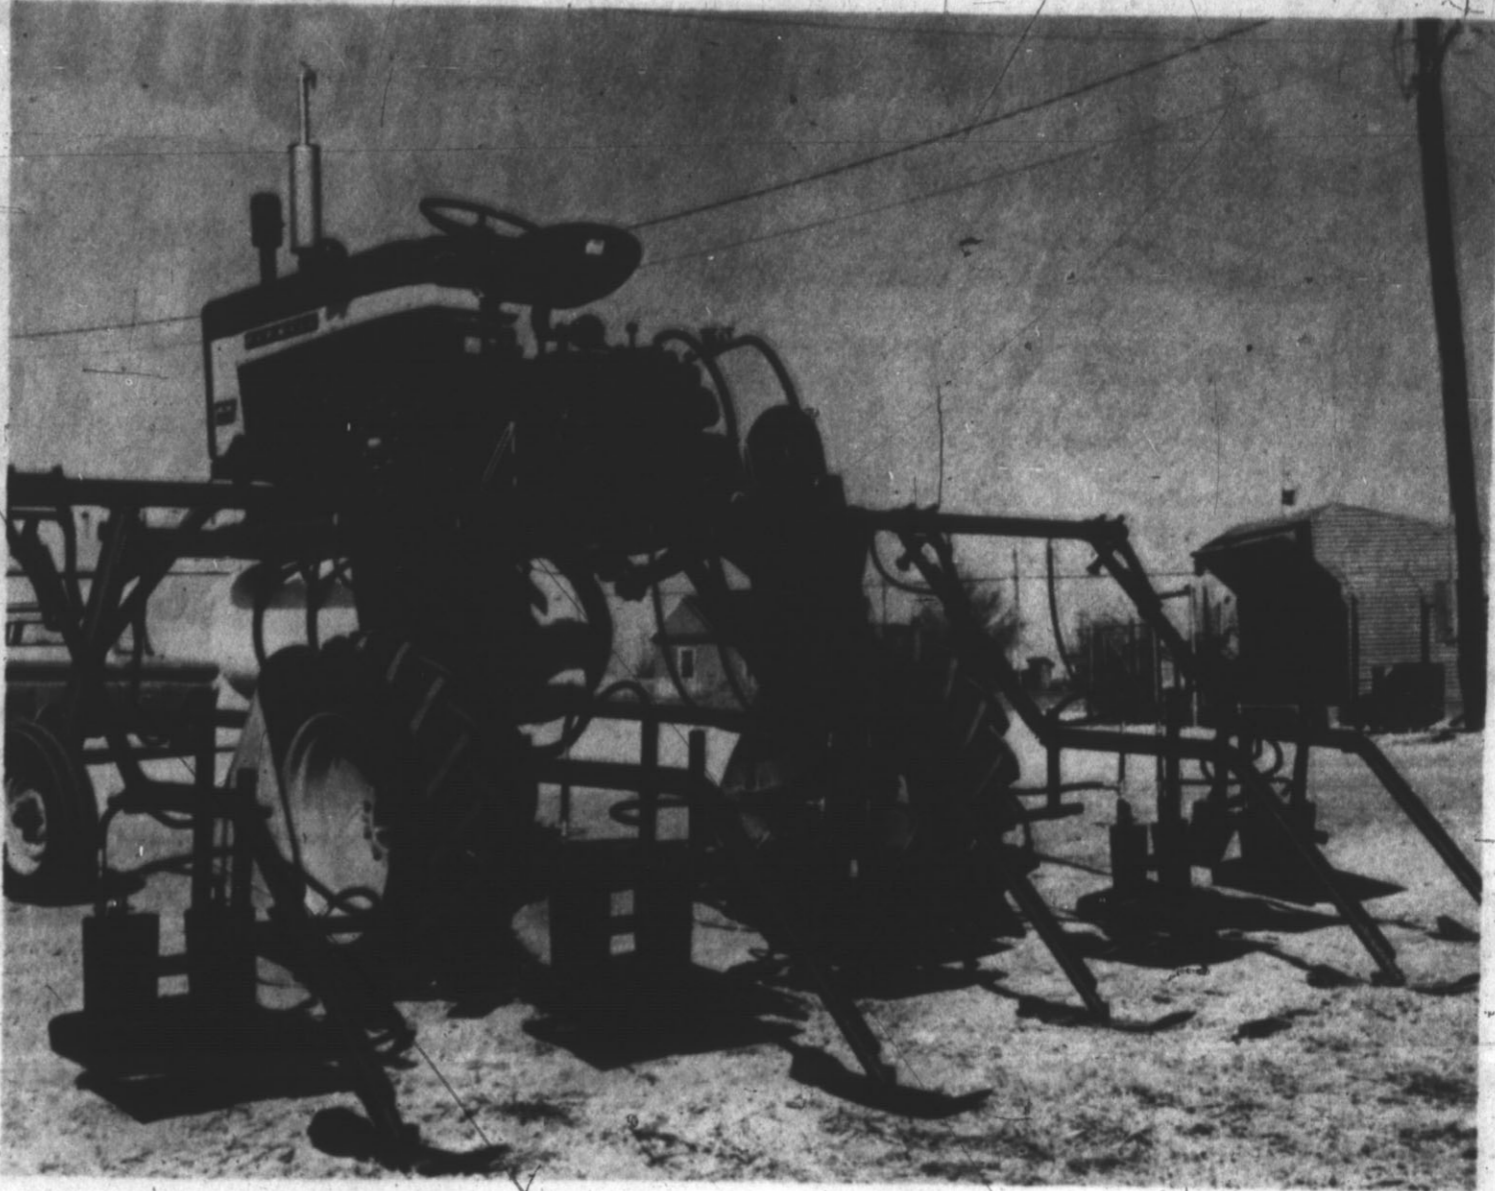

OBSERVED FROM ABOVE

OTTAWA, Ill. (AP) — Motorists noticing an airplane overhead better check speedometers. At least 11,300 speeders have been arrested since the Illinois check method two years ago.

Cars are clocked between white lines placed one-eighth of a mile apart on the highway. When a speeder is spotted and clocked by the observer the pilot radios a "catch" squad car in the area to make the arrest.

NATIONALLY KNOWN sales consultant, Fred Palmer, while speaking to Hereford Rotary Club at Monday noon, urged that the community begin planning now for the next 10 years growth. Palmer, here for a one-day sales seminar, challenged the area to hold a "great debate" for one year in order to set these goals. (Staff Photo)

Modern farmers depend on.....

flame

cultivation!

See Us Today For The Full

Story Of Modern

FLAME CULTIVATION!

We Are Dealers For

Gotcher & Manchester FLAME CULTIVATORS

ranging in size from the small hand burners to the Hi-Trac and 24 ft. broadcast burner. Don't delay . . . See us today!

Flame Cultivation DOES

- Reduce farm hand labor and production costs.
- Increase the mechanization of weed control measures.
- Reduce future weed populations.
- Reduce insect control requirements by killing all insects in the flamed area.
- Reduce plant disease by maintaining a cleaner field.
- Facilitate mechanical harvesting by eliminating ground trash and by forcing producing growth at a higher level on plants such as soybeans.
- Allow weed control measures when the field may be too wet for chemical or mechanical methods.
- Permit almost immediate inspection of weed kill.
- Increase profit margins for farmers.

Flame Cultivation DOES NOT

- Contribute to a build-up of soil residues.
- Reduce soil moisture levels.
- Endanger adjoining fields or livestock.
- Damage shallow feeder roots.
- Turn up weed or grass seeds to the germinating levels.

ASSUMING DUTIES as president of the Hereford High School chapter of Hi-Y is Charles Mims. Showing him material for the club is the new sponsor, Bill Gibbs. Hi-Y is an organization for Christian Boys and is affiliated with the Young Men's Christian Organization. (Staff Photo)

Hi-Y Stresses Christian Spirit On And Off Campus

Hi-Y is a Christian organization composed of high school boys with high standards of Christian character. Each year new pledges are selected by Hi-Y members. Pledges must memorize the club purpose, club platform, and the club prayer. During the initiation they address the new members as "pledge", and all the old members as "Mr. —, sir." They must carry a Bible and ruler in sight at all times. They are required to memorize eight verses of scripture.

Students Attend Club Conference

A group of representatives from the Tri-Hi-Y and Hi-Y clubs in HHS journeyed to Abilene on Jan. 26 to a West Texas District Hi-Y Council Meeting. Those making the trip were Heather Gordon, Janis Higgins, Jamie McBroom, Charles Mims, and Larry Hill. Carolyn Aven went along with the group to visit friends in Abilene. Sponsoring the students were Miss Janice Boen, new co-sponsor of the Tri-Hi-Y, and Mr. Bill Gibbs, Hi-Y sponsor. The meeting was held to plan and organize the District Spring Conference which will be held in Midland in March. Discussion groups made up of the approximately 50 delegates from the West Texas District planned and discussed such topics as theme for the Conference, housing, programs, and other areas of preparation. The group returned home on Sunday, Jan. 27.

Purposes of Hi-Y are to create, maintain, and extend throughout the school and community, high standards of Christian character. The Club Platform is Clean Speech, Clean Sports, Clean Scholarship, and Clean Living. Red, white, and blue are the colors in the emblem. Red stands for the big triangle, blue for the small triangle, and white for the Hi-Y and the cross. This is fastened around the neck with red, white, and blue ribbons during the pledge's initiation. Hi-Y officers are Charles Mims, president; Charles Kelly, vice president; Ronnie Gray, chaplain; and Steve Coneway, secretary-treasurer. At Christmas time, Hi-Y members took a basket of groceries to a needy family. Plans are underway for the boys to go to the Labor Camp and assist in any way possible. Charles Mims, Larry Hill, and Mr. Bill Gibbs attended the West Texas Spring Planning Conference in Abilene in January. At this conference the members planned the meeting to be held in Midland during the month of March. Five to ten members from here will attend that meeting.

An Open Letter To All Students

(This is a letter from the 1962-63 basketball team to the students and faculty of Hereford High School.) Student Body of Hereford High School: We, the members of the basketball team, would like to express our gratitude to the students and faculty of Hereford High School for their tremendous school spirit during the basketball season thus far. Your support has done a great deal toward our success this season. We could not have asked for better support during the past few ballgames and pep rallies. We would appreciate your continued support though the rest of our games. Thank you '62-63 Basketball Team

Bulletin Boards Providing Classes With Showwindows

Bulletin boards are valuable teaching aids. They may be used for displaying student work, illustrating a point being covered in the book, or for entertainment. Each room at HHS has a bulletin board and it is interesting to walk from room to room and look at the different ones. Some are put up by students while others are put up by teachers. In Mrs. Virginia Balch's sophomore English classes, a different theme is carried out every two weeks on the bulletin board. Students are assigned the project and they may use their own imagination to illustrate a point being studied. Propaganda, illustrated by advertisements, was chosen by Jacob King, Beth Ballard, Gary Stagner, Deborah Lee, and David Grubbs as the theme for their bulletin board assignment. In Mrs. Sue Howell's room, a basketball game is being played on the bulletin board. Each student has two basketballs and he moves them toward both goals. On one end of the court is the speed typed or the transcription speed in shorthand. On the other end is the number of errors made. A goal is made only when a paper is turned in no errors or with 80 words a minute is typed or taken in shorthand. Modern Business Letterheads is the theme on the bulletin board in Miss Janice Boren's typing class. Students have just begun to type letters on letterhead paper and this gives them an opportunity to see how many different and unusual letterheads there are. Members of the Thespian Club have put up a very attractive bulletin board in Mr. James Hinkley's speech room. A color scheme of blue and gold has been used, as these are the colors of the organization. In the (Continued on page 6)

Education Is Inherent Right, States Student

By Donita Allred Whiteface Reporter
Everyone, no matter what sex, nationality, financial status, or race he is, has the inherent right to education. Many people have the mistaken idea that certain requirements pertaining to the above must be met in order for one to be eligible to obtain an education. In today's world, there are certain restrictions placed on individuals desiring an education. Color, finances, and nationality are all considered, apparently, by society when selecting those who may acquire an education. Ability to learn is often overlooked. Not only today, but in ancient times there were limitations to learning. During earlier times, both boys and girls were allowed to go to school. But it was harder for

girls to receive an education than boys because too much emphasis was placed on physical training. It was all-important that children should grow up to be strong. At this time, the great philosopher Aristotle made this comment: "It is not true that I endeavored to regulate the lives of the women, and failed, being foiled by the liberty and habits of command which they had acquired by the long absences of their husbands on military expeditions during which they were necessarily left in sole charge at home, wherefore their husbands looked up to them more than was fitting, calling them Mistresses; but I made what regulations were necessary for them also." This seems that Aristotle was against the so called weaker sex, but as this quotation can verify, he thought everyone was

equal. "Since the whole city has one end, it is manifest that education should be one and the same for all and that it should be public, and not private, not as at present, when everyone looks after his own children separately and gives them separate instruction of the sort which he thinks best; the training in things which are of common interest should be the same for all. "Neither must we suppose that anyone of the citizens belongs to himself, for all belong to the state, and all are a part of the state separately, and the care of each part is inseparable from the care of the whole. In this particular time the Lacedaemonians are to be praised, for they take the greatest pains about their children, and make education a business of the state." (Continued on page 6)

Official Publication Of Hereford High School Hereford, Texas

Hoof Prints

By David Stevens Whiteface Sports Editor
The Whitefaces took their 11th district win last week before disaster struck. It looked as though the Herd had the district championship nailed down after defeating Phillips 72-64 but the Whitefaces suffered their first district loss at the hands of Perryton by a score of 62-58 in overtime. "Jungle Jim" Haney led the Herd past the Blackhawks as he scored 24 points. Hereford showed the speedy Hawks a few things about fast play as Whitefaces stole the ball repeatedly in the last quarter. Last Friday night the Whitefaces traveled 175 miles to play Perryton. The Rangers, already labeled as a "spoiler" team for their 41-40 defeat of Dumas, upset the Hereford apparent as they took an overtime win. The Rangers started fast as they took a 19-14 first period lead but the Herd came fighting back to go ahead 37-33 at halftime. Perryton closed the margin by one point in the third period and the Hereford lead was cut to 48-45. The Whitefaces scored only six points in the final stanza and did not score at all in the last three minutes. With 1:30 left in the regulation game the Rangers tied it up at 54-54. With only seven seconds left in the game, Haney missed a free throw and forced the game into overtime. The Rangers scored eight points in the minute overtime before the Herd could find the range for two baskets. Haney led the Whiteface scoring with 14 points (including 12 out of 15 free throws) and Ronnie Welty hit for 13. In B-team action last week the Herd also beat Phillips and then lost to Perryton. The Whitefaces defeated the Blackhawks 69-61 as Charley Moreno scored 18 points and Neal Lueb bucketed 17. The Herd took their second loss against four wins in district play as the Deputies won 51-48. Both Hereford losses have been at the hands of Perryton. The Herd started slow and had a 19-11 lead midway in the second period. The Deputies proceeded to score 14 points for a 25-19 lead at the intermission. The Whitefaces gained the (Continued on page 6)

"DINNY AND THE WITCHES", a student-directed play, was presented last week in an assembly program. Directing the play was Kaki Barnard, member of the Hereford High School Thespian Troupe. Members of the cast included, from the left: Audni Miller, Larry Duncan, Roxi Rush, Loreece Askew and Rayce Ann Gilliland. Other cast members included Shari Jo Carmichael and Cindy Loerwald. (Brand Staff Photo)

Frolic On Grave Matters Subject During Assembly

A "frolic on grave matters" provided a half hour of unusual entertainment for the student body and faculty members of Hereford High School last Thursday morning, Jan. 31. Written by William Gibson and directed by Thespian Kaki Barnard, the fantasy "Dinny and the Witches" featured Larry Duncan as Dinny, the young man who was searching for life's meaning; Audni Miller as Zenobia, the witch responsible for running the world; Rosalind Rush as Uiga, the Death Witch; Loreece Askew as Luella, the Nit-Witch; Cheryl Parker as Bubbles, the siren who entertained Dinny; Royce Ann Gilliland as Amy, the girl with whom Dinny fell in love; Shari Jo Carmichael as Queen of the World; and Cindy Loerwald as Gwin, the blind girl who, when given sight by King Dinny, saw the world in the reality of its sin. Although the audience may not have immediately grasped the meaning of the play, the message it carried was quite stirring. It is hoped that this presentation will be the first of many student-directed productions.

DE Students In Regional Contest

Five Hereford High School Distributive Education students will travel to San Angelo Friday to participate in D. E. contests. Competing with students from throughout West Texas, the Hereford contestants will vie for honors in sales demonstration, advertising lay out, and job interview events. Those entered in the event are Lynda Hewitt, advertising lay out; Norri DeVoll, sales demonstration; and Wain Miller, job interview. Others attending the meet will be Ronda Neff, local D. E. chapter sweetheart, and Rondal Long, chapter president. Students won the right to compete in San Angelo after taking top spots in local elimination events held here recently. This group will also enter the state D. E. contests in Fort Worth beginning on Feb. 25. Also competing in Fort Worth will be Dyann Schmucker, who will enter her individual D. E. workbook. Ronda Neff will be a candidate for the office of Texas Distributive Education Club Sweetheart. Another candidate for state

office is Rondal Long, who has dropped his hat in the ring for the balloting for Honorary President of the Texas Distributive Education Clubs. Accompanied by Kenneth Hart, Distributive Education, coordinator, the group will leave Hereford "about 3 a. m." Friday and will return following completion of the contests Friday afternoon.

Mrs. L. E. Taylor Replaces Todd

New government and American history teacher at Hereford High School is Mr. T. E. Taylor. Mrs. Taylor is taking Todd's place as he has been transferred to assistant principal at Central Elementary School, is Mrs. T. E. Taylor. She will teach government and American history. (Brand Staff Photo)

REPLACING Mr. Ray Todd, who was transferred to Central Elementary School, is Mrs. T. E. Taylor. She will teach government and American history. (Brand Staff Photo) is sales manager for Jack Renfro. They have three children: Dan, 17; Trgmt, 11; and Beverly, 10. The Taylor family resides at 115 Avenue A.

Continuance Of Eradication Program Given Approval

Continuance of the Southwest Screwworm Eradication Program was enthusiastically approved as an overflow crowd of key Texas farm and ranch leaders met in Austin on Monday, Jan. 28.

At the meeting of agricultural and livestock representatives plans were readied to raise the remaining \$1 million needed to insure continuation of the project.

C. G. Scroggs, president, Southwest Animal Health Research Foundation, got a thunderous "yes" when he asked the group if they wanted to continue the project.

The nearly 600 representatives from over 175 Texas counties agreed to go back to individual farmers and ranchers, who helped launch the program less than a year ago, asking them to raise the balance of their \$3 million goal.

The group included chairmen of county animal health committees, extension service workers, vocational agriculture teachers and representatives for agricultural and livestock associations.

Need for the additional funds has been pointed out since the eradication program is in danger of being terminated because funds contributed by livestockmen are nearly exhausted.

Under an agreement with the federal government, at least 30 per cent of the program's cost must come from non-federal sources.

Program officials told the group the eradication effort has been enhanced by the recent cold weather which has reduced the number of screwworm infestations.

A good opportunity now exists to curb the screwworm flies that survived by continued release of sexually sterile flies, said program officials.

In summing up results of the program, state and federal officials noted that release of hundreds of millions of sterile male flies during the past 18 months has retarded development of screwworms, confined infestations mainly to the five-state eradication area and Arizona, and resulted in the lowest number of screwworms east of the Mississippi.

CHICAGO IS WORSENING — A record of 2 and a half million taxpayers made mistakes in arithmetic last year.

The Commerce Clearing House reports that it represented an increase of 24 per cent. Additional tax bills averaging \$84 each were sent to the 1,570,000 taxpayers who didn't pay their full tax, based on their own figures.

Refunds on the other hand, averaged \$70 each and were sent to 921,000 taxpayers who paid more than they should have when their returns were mathematically verified by the Internal Revenue Service.

The first American road map was drawn by an Army map maker, Christopher Colles, in 1785.

Impala River in the past 30 years.

Appearing on the program in addition to Scroggs, were Dr. F. J. Mulhern, director, USDA Animal Disease Eradication Division; Dr. R. G. Garrett, executive director, Texas Animal Health Commission; Dr. M. E. Meadows, in charge of field operations at the Fly-Rearing Plant, Mission, and Jerry Puckett, Fort Stockton, foundation treasurer.

Also, a panel consisting of chairmen from counties that have reached or exceeded their

fund goals was led by V. A. "Bill" Clements, foundation vice president.

Li. Governor Preston Smith and Senator Culp Krueger of El Campo briefly addressed the group assuring them of the state's interest in the program.

EVERYBODY MISSED the rebound during this action in Perryton Friday night as the Hereford Whitefaces lost their first conference bout of the year in a tension-pecked overtime period. In on the action were Hereford's Danny Cates (15), Dwight McGee (25), and Ronnie Welty. Perryton Rangers under the basket are David Baker (22), Don Boyer (42), and Buddy Bolerjack. Perryton won the tilt by 62-58 in overtime. (Staff Photo)

OVER HIS SHOULDER, Perryton's Buddy Bolerjack looks as if he tossed the ball back to Hereford's Jim Haney during action in Perryton Friday night. Looking on is Ranger Don Boyer. In their first district contest loss, the Whitefaces were upset by Perryton by 62-58, but the Rangers required an overtime to turn the feat. (Staff Photo)

By Audra Miller
"Each is given a bag of tools, a shapeless mass, a book of rules; and each must make, ere life is flown, a stumbling block or a stepping stone." Thus wrote R. L. Sharpe concerning man's choice of destinies — so it is with each one of us whether we be student or teacher, child or parent. We must ever strive to replace stumbling blocks with stepping stones!

Now, hi there! The sermon is over and done — one of the highlights of this past week was the presentation of a one-act play "Dinny And The Witches." This fantasy, described by its author William Gibson as "a frolle on grave matters," was directed by Kaki Barnard (the same delightful "Kaki" we all know and love!).

Presented in assembly last Thursday morning, the cast included Larry Duncan as Dinny, the boy frantically searching for life's meaning; Youny Truly as the Head Witch Zenobia, who "ran" the world; LaReece Askew as Laella, the Nit - Witch (this Nit - Witch had green hair!); Rosalind Rash, as Ulla, the talisman!; Shari Jo Death Witch; Cheryl Farber as Bubbles, Dinny's "ester-Carmichael as Queen of the World; and Gladys Loerwald as Gwina, the little blind girl to whom King Dinny gave sight.

A portion of the student body and faculty understood the play as much as it was meant to be understood — it is quite probable that the remaining bewildered portion will realize the significance of this fantasy — we of the cast surely hope so!

The message of "Dinny And The Witches" is a stirring one pertaining to a "certain phase" of our lives. Regardless of how well you understood the play, we hope you enjoyed it — we did! Thanks go to Mrs. Leroy Aven for "sponsoring" us at each rehearsal.

Hereford High is indeed proud to have three of its students included in All-State Band and All - State Choir. Vocalists selected as members of the All - State Choir were Charlie Kelly and Mamie Silverthorn; HEB first chair flutist Kathy Knox was chosen to perform in the All - State Band.

Mamie, Kathy, and choir director Don Moore traveled to Houston on Tuesday, Jan. 29; Charles, accompanied by band directors Ben Gollehon and Clyde Wilson, left on the train Tuesday night for the same destination — Houston. Congratulations to these three musically talented young people!

And with our exchange students Heather and Frank were guest speakers at the annual meeting of Hereford Texas Federal Credit Union members in the high school auditorium Tuesday night, Jan. 28. Everyone present at this meeting is sure to agree that these two students have a worthwhile message!

Another new automobile! Louise Axe is now the proud possessor of a 1963 Impala Sport Coupe! Presented to her on her 18th birthday, this shiny car is red with a white vinyl top and a red leather interior. It's been named "Birth Day (this is not a printing error!) Chevrolet" since Louise received it on her birthday.

(Explanation: It's now popular to "name" one's car — among the "more loved" vehicles belonging to HHS students are Beulah Buick, Sharlene Chevrolet, Sidnay Chevrolet, and "Boo" Chevrolet — this is an unusual means of personification!)

And we're so happy that Connie Remfro has chosen to take up residence among us again! Connie, classified as a junior student at Hereford High, has been living in Lynnwood, Calif. Welcome back, Connie!

For those of you who remember Kay Allen — Kay graduated from a Dallas high school at mid - term, and is now a freshman at West Texas State.

sidents to serve two - year terms. Holt will be representing Deaf Smith, Potter, Randall, and Armstrong counties.

Following the luncheon, a short business meeting was held. Gammon was elected board chairman; Henry Schmidt of Levelland, vice chairman, and Bean, secretary - treasurer.

J. R. Belt Jr., Lockney, is the fifth member of the water district board.

Way to get the job done, Kay! Mrs. Monica Heiman's French students can well be termed "active" — these teens went in private cars to the City — Amarillo — on Thursday night, Jan. 24 to the Y.W.C.A. where they were guests of the Panhandle Automobile Association at a showing of an informative travel film concerning the fun to be had and the things to be learned while traveling in France.

Eight members of the caravan — Kaki Barnard, Larry Hill, Gloria Damron, Dick Lookingbill, Larry Duncan, Wayne Edwards, John Fowlkes, and Buz Gillentine — dined at Evelino's after attending the movie.

(The following is this writer's special expression of sympathy to Miss Jean Colliard, Hereford High School girls' physical education instructor, who suffered a dislocated kneecap during a recent basketball game at the Amarillo Y.W.C.A.) Here's to Miss Colliard, Queen of the Court, in sympathy and empathy, helping hands extended. Our hearts go out to her: Her bones be quickly mended!

Journeying last Friday night to Perryton to lend support to the Whitefaces' in their game with the Rangers were Doris Andrews, Ann Gentry, Nelda Botkin, James Proffit, Sharon Tinnin, Ted McWhorter, Jacob King, Jerre Bea Noland, Barbara Langley, Nancy Tyler, Judy McCarver, Donald Payne, Dick Rogers, Clinton Willson, Kay Nell Reeves, Cynthia Wilson, Gilbert Sims, Jake Tiefert, Myrna Botkin, Arvell Williams, Lynn Brisendine, Dick Lookingbill, Manuel Pacheco, Cynthia Leasure, Donna Williams, David Block, Lani Rush, David Kendall, Terry Teaschner, Carolyn Duggan, Beverly Noyes, Gloria Covington, Jimmy Bell, James Corbett, Kathryn Flood, Judy Kreighauser, Joanne Carlson.

Merle Carmichael, Peggy Neff, Larry Duncan, Terry Caviness, Nancy Martin, Jackie Andrews, Robert Higgins, Pegene Cox, Ann Harcer, Tim Gearn, Beth Ballard, Lewis Barnett, Clifton Corley, Linda Higgins, Nanetta Clearman, Wallace Shelton, Kathy Boston, Royce Ann Gilliland, Charlotte Williams, Judy Crume, Rosemary Hersely, Dorothy Frerich, Margaret Frerich, Judy Huseman, Christine Skypala.

Kyle Kendall, Jesse Joe Wright, Jo Ella McGee, Pat Smith, Billy Bollinger, Marsha Robinson, Gayle Newell, and Jo Ann Ferguson.

Quite a delegation! Here's hoping that many, many, many of you will travel to Dumas this Friday night to cheer for the Herd in its important tilt — and here's hoping that we win, win, win!!!

The manatee, or sea cow, is 15 feet long, measures 7 feet around the middle, and weighs a ton.

The first American road map was drawn by an Army map maker, Christopher Colles, in 1785.

Invite Farmers To Soil Fertility Day In Dimmitt

Deaf Smith County farmers are being invited to an intensive one - day Soil Fertility program, which will be held Friday, Feb. 8, in the Dimmitt High School auditorium. The program will start at 10 a. m. and end about 3 p. m. Lunch will be served by the Chamber of Commerce.

Program for the day, according to county agent Charles L. Hottel, will include: Dr. W. O. Trogon, head of crops and soil department, Texas A&M College, talking on fertilizer management; Grady Sheppard, Hale Center farmer and livestock feeder on livestock management.

Dr. Wayland Bennett, head of the agricultural economics de-

partment at Texas Tech, will speak on the agricultural outlook, the common market and how it will affect this area; Dr. Allen Wiese, Bushland Experiment Station, will talk on chemical weed control.

Weldon Newton, Extension Service entomologist, will discuss sorghum midge; either Charles Lavis or D. W. Lillie, from Holly Sugar Corporation, will discuss the increased sugar beet planting in this area.

OUNCE OF PREVENTION
ROCHESTER, N. Y. (AP) — Some people don't wait until something happens to call police.

A woman here called police recently and complained that a youngster next door was piling snow on her fence.

A patrolman arrived and found no boy and no snow piled on the fence. So he checked with the woman.

She explained that the boy hadn't thrown any snow her

Holt Sworn In As New Member Of Water Board

Earl Holt, newly - elected member of the five - man board of directors of the High Plains Underground Water Conservancy District, was sworn in at ceremonies held recently in Lubbock.

Presiding over the luncheon meeting was T. L. Sparkman Jr., of Hereford, who is retiring from the board this year.

Holt and two other new board members, Russell Bean, Lubbock, and John Gammon, Lubbock, were sworn in by the Honorable Howard C. Davidson, judge of the 99th District Court.

Each of the new directors was recently elected by district residents yet this winter but that he had done it every other year.

ETERNAL LIFE THROUGH JESUS CHRIST

—my son and me. Here is a man guiding the steps of a young life. This boy is seeking the world through the eyes of a man—a father. They play together, discuss important issues together and, they go to church together. To be a father is about the highest privilege that ever comes to any man. And to be a good father takes about all there is of any one of us. How foolish if we neglect to include regular church attendance in our program while he is growing up. What a tragedy if we fail to introduce him to God and overlook the importance of fellowship through a prayer life. Here is an opportunity for your best to show up... it will culminate into one of Life's great Romances.

Literature Of 1920's Discussed At La Plata

"Literature in 1920's" was the program topic that Mrs. T. E. Sigler presented to the La Plata Study Club when it met in the home of Mrs. Joel Treadwell on Tuesday, Jan. 29.

For the program she followed the fashion of the period. She stated, "Sentimentality lost face among literary people of the twenties. Realism set the tone, psychology began to gain in popularity, literature had a free, debunking attitude." Sinclair Lewis, H. Mencken, F. Scott Fitzgerald, Eugene O'Neill, Dorothy Parker, Robert Frost and Ernest Hemingway were discussed as part of the program.

Those present for the meeting were: Mesdames Urline Streu, T. E. Sigler, Jesse Geron, Clint Formby, Bill Thompson, Joe Smith, A. J. Schroeter, Elmer Patterson, Britch Hopson and the hostess, Mrs. Joel Treadwell.

Happy Workers 4-H Club Meets

Happy Workers 4-H Club met in the home of Mrs. Arthur Blackburn on Friday, Jan. 25 at 4 p. m. Billie Goettsch, president, presided over the meeting.

Club members discussed the skit that they will present at the Share the Fun Festival. There will be a rehearsal of the skit at the Community Center on Friday, Feb. 1 at 4 p. m.

Mrs. W. C. Beene gave a demonstration on Whole Wheat Rolls. She gave pointers on scalding milk, correct measuring, kneading the dough and the correct rising temperature.

Refreshments were served to the following: Billie Goettsch, Alice Beene, Cynthia Beene, Connie Stark, Kathleen Funk, Jennifer Barnett, Donna Coker, Kay Kitchley, Debby Rickman, Linda Blackburn; also Mrs. Floyd Coker, Mrs. W. H. Goettsch, Mrs. W. C. Beene, Mrs. Lee Roy Rickman and Mrs. Arthur Blackburn.

Merry Maidens Club Has Meet

Merry Maidens Group of Junior Foods and Nutrition met recently in the home of their leader, Mrs. Lester Wagner.

An apple-celery salad was prepared by the group and placed on individual salad plates. They were given instructions on setting the table for one place table setting.

Those present for the meeting were: Mary Kay Wagner, Kathleen Warren, Patsy Paetold and Roxann Schwerther.

Eight Clubs 100% At H. D. Council Meet

Mrs. A. E. Hodges called the first meeting of the Home Demonstration Council for 1963 to order on Monday, Jan. 28, at 2:30 p. m. in the Court Room at the Courthouse. Mrs. H. L. Hershey, from the Progressive Club had the opening exercise, which was naming the capitals of 20 states.

Eight clubs were 100 percent in attendance with all clubs represented.

It was announced during the business meeting that there will be an Appreciation Luncheon for the County Commissioners on Feb. 25 at the Bull Barn. A style show on children's clothes and the chorus will present the program for the luncheon. Husbands are invited.

Mrs. Louie Olson reported that Deaf Smith County was 100 per cent in T.H.D.A.

It was also reported by the 4-H that there will be a "Share the Fun Night" on Feb. 11 at the Hereford High School auditorium.

District meeting will be held at Friona this year. Mrs. Draper requested that as many members as possible should attend.

Clubs represented and members attending were: Mrs. Bess Werner, Mrs. C. A. Sauley, Mrs. Joe Wagoner, Mrs. Harold Rudd and Mrs. George Turreline from Westway H. D. Club; Mrs. Grady Parsons, Mrs. Louie Olson and Mrs. J. G. Gandy from Cultural H. D. Club; Mrs. Carlos Vaughn and Mrs. Carl Schroeder from West Hereford; Miss Christine Fortenberry and Mrs. J. G. Fortenberry from Bippus; Mrs. Richard Clark and Mrs. Rily Evans from Young Homemakers; Mrs. H. S. Fuller (visitor) and Mrs. Orval Galley from Dawn; Mrs. Raymond Smith from Ford; Mrs. Ruth Coleman and Mrs. Elmer Northcutt from Messenger; Mrs. H. L. Hershey, Mrs. E. C. Hammitt, Mrs. C. V. Burgess Jr. from Progressive; Mrs. Gaylon Bryant, Mrs. O. L. Williams and Mrs. A. E. Hodges from North Hereford; Mrs. A. F. Newsom and Mrs. Charles Paikard from Wyche and the county home demonstration agent Mrs. Argen Draper.

HERD DOWNED BY THREE

Bees Bugged By Rangers As Perryton Wins Again

Hereford fans who made the long journey to Perryton Friday night saw the first of two disappointments as the Hereford Bees were edged 51-48 by their hosts. But it wasn't a disappointing performance on the Herd's part. Hereford led early in the game, then saw the Rangers stage a scoring spree which moved them into the lead at the half. Whitefaces fought back to tie the game up during the third period and matched points with Perryton the remainder of the game until the Rangers finally managed to score last for the win.

Frank Cain provided the spark for the Herd's scoring efforts against the Rangers. Cain poured through 22 points for the Whitefaces to take honors for the game. Charley Moreno aided the effort with ten. Perryton has proved to be a word which means bad luck for the Herd's Bees. Whitefaces have eased through district so far with no losses, except two against the Rangers. Hereford now has a loop mark of four and two and a season standing of 13-7.

Hereford raced to take the lead in the first quarter. Cain hit four, Moreno got five, and David Stevens hit two to give Hereford a 11-4 advantage at the end of the first round. But Rangers mounted up for a 20-point scoring session in the second quarter to take over the lead. Rangers used 12 free throws to trigger the advance and to set the pace for the game: Perryton cashed in on 29 free shots.

Education...

(Continued from page one) Other great philosophers have also made great contributions about the right to education. One of the more recent ones was Thomas Jefferson when he wrote the Declaration of Independence, stating that "all men are created equal with certain unalienable rights." Also contained in the amendments to the Constitution of the United States of America are the freedoms of speech, press, and religion. As all of us know, education and the right to learn are included in these rights. Without education, how could anyone be able to speak or write correctly. It is not the right of the world to judge others and forbid any rights, but this right should be left to the Almighty God who knows what is right and wrong.

during the game and managed only 16 field goals; Hereford got only six charity marks but ripped in 21 two-pointers. During the second quarter the Herd corralled eight points. Cain made four, Moreno tallied two, and Gary Stagner added a field goal to the cause. But at the half, the accounting read 19-25, Hereford trailing. Unstymied, the Whitefaces fought back in the third quarter to tie the game up with a minute remaining in the period. However Rangers connected a final field goal to move back out front 39-37 entering the fourth quarter. Cain led the Herd's retaliation in the third round while dropping in ten points. Moreno and Stevens each got three, and Stagner hit for two. Teams matched points throughout the fourth quarter, but Hereford lacked three as the game ended. Cain hit four, Kenny Justice netted two along with Gary Roberson and Stagner. Stevens made a free one, but Hereford lost 48-51.

BOX SCORE

(Continued from page one) lead in the third period but slipped in the fourth quarter. Frank Cain led the Herd with 22 points.

REPORT

Heather Gordon, exchange student from South Africa, was the featured speaker at the meeting of the Wahanka Campfire Girls in the Community Center on Wednesday, Jan. 30.

Miss Gordon told the girls about her native South Africa. Refreshments were served to the following members present: Jeanie Adams, Pat Cooper, Jamie Edmonson, Kay Ann Euler, Cecilie Gamez, Mitzi Gamez, Deborah Hodges, Barbara Huckert, Mary Ellen Huckert, Connie Rodgers, Blanche Rangle, Joann Trotter, Lana Sue Boyd, leaders, Mrs. Aubyn Hodges and Mrs. J. R. Euler.

FATHER DIES

John Preston of Weatherford, father of Mrs. James McMahan of Hereford, died at 6 p.m. on Sunday, Jan. 27. He is survived by three daughters.

TOUR THE GLOBE

GLOBE, Ky. - Kentucky is a state in which to see the world. Besides Globe, its towns have such names as Versailles, Glasgow, Cuba, Madrid, Berlin, Holland, Newfoundland, Warsaw, Ghent, Lebanon, Boston, Wyoming and Texas.

Bulletin...

(Continued from page one) center of the board is the emblem of Thespians consisting of two masks, Tragedy and Comedy.

Students in Mrs. Dene Young's Spanish classes must learn to read the months of the years in Spanish in order to tell what date it is. An attractive Spanish calendar is a part of her bulletin board display. She plans to display magazines from Mexico and other Spanish-language magazines as soon as they are available.

History students in Coach Williams' classes should have little trouble finding any place in the world on the map. Several different maps cover the bulletin board in this room. Mrs. Jane Westberry has taken several new book covers from the library and placed on the bulletin board in her room. This makes an attractive display as well as helping the students find books they would enjoy reading.

Girls in Mrs. Dorothea Pro-

well's clothing classes also prepare attractive bulletin boards during the year. A new one is put up about every two weeks. These are helpful to the girls in selecting clothing material.

A large bulletin board in the hall helps to keep students informed of meetings as well as other information concerning them.

REP. ROGERS WRITES

Arms Control Agency Will Not Strip Away Defense

TO THE PEOPLE OF THE 15TH DISTRICT
This country is not going to be disarmed. No government agency has the authority under any law to strip away our defenses.

The Congress of the United States has neither proposed nor approved any plan for the disarmament of this country. No responsible voice in Congress or the Administration has proposed unilateral — "go it alone" — disarmament, or indeed disarmament in any form unless there are ironclad guarantees that the Soviet Union will reduce its armaments in similar measure. Our sovereignty is not going to be turned over to the United Nations or any other organization or nation. Our defenses are stronger today than ever in history.

These are the facts. My mail recently has been full of concern expressed by good citizens over a bill passed into law 17 months ago — passed with bipartisan support in both houses of Congress after its provisions were strongly endorsed by President Kennedy and former President Eisenhower and the leading figures of their administrations.

By a vote of 296 to 83 in the House (including 194 Democrats and 96 Republicans voting in favor) and 73 to 14 in the Senate, the Congress established the U. S. Arms Control and Disarmament Agency — not an agency to trade away our arms, as some would tell you, but an agency to coordinate and improve upon activities that have been pursued by departments of our government virtually since the end of World War II.

We have taken part in more than 70 international conferences touching on questions of arms reduction since the war; we are engaged in another such conference as I write this. By setting up the agency, Congress saw to it that our security position was enhanced as these negotiations continue. The agency brings together in one department diverse activities that had been pursued independently by several branches of the government, usually without coordination, sometimes to our great risk.

In the meantime, we are continuing to spend more for defense purposes than ever before in our history. The President's budget proposal for the next fiscal year calls for defense expenditures of \$55.4 billion. By the end of this year, it is estimated, members of the Armed Forces on active duty are to number 2.7 million.

We are proud of our strength and well aware of the cost — more than \$200 billion since World War II, more than a half of each tax dollar now earmarked for defense purposes. The cost is great, but Communism's spear is blunted.

In his State of the Union Address, delivered to the Congress on Jan. 14, 1963, President John F. Kennedy said, "Finally, what can we do to move from the present pause toward enduring peace? Again I would counsel caution. I foresee no spectacular reversal in Communist methods or goals. But if all these trends and developments can persuade the Soviet Union to walk the path of peace, then let her know that all free nations will join with her. But until that choice is made, and until the world can develop a reliable system of international security, the free peoples have no choice but to keep their arms near."

"I think it is a matter of our national security just as much as our national defense is," said President Eisenhower's former Defense Secretary, Thomas S. Gates, in advocating passage of bills to set up the Arms Control and Disarmament Agency. "Even if no progress is made on disarmament, it is still essential for the United States to appear before the world as a country which can evolve constructive ideas in this crucial field," said Henry Cabot Lodge, Ambassador to the United Na-

tions in the Eisenhower Administration and Republican candidate for vice president in 1960. "I think this agency will enhance our national security interests... To deal with this problem most effectively, a permanent organization that can attract and hold top ta-

lent is needed," said General Lyman Lemnitzer, then Chairman of the Joint Chiefs of Staff, now NATO commander. "I heartily concur in your purpose," wrote General Eisenhower, in support of the bill.

"This agency can get the security that we are trying to achieve with our Military Establishment and other agencies, if it is understood and not misrepresented," said Rep. Walter H. Judd of Minnesota, keynote speaker at the 1960 Republican National Convention.

I was among Southern States Congressmen who authored an amendment to the House bill, an amendment introduced by Rep. L. H. Fountain of North Carolina, to make certain this country enters into no disarmament agreement except in accordance with the Constitution. The act establishing the agency thus requires two-thirds ratification by the Senate of any arms reduction treaty.

United Church Women's Board Has Meeting

Executive Board of the Hereford Council of United Church Women met on Thursday evening, Jan. 31, in the home of the Council president, Mrs. James Arney.

Purpose of the meeting was to formulate plans for World Day of Prayer, which will be held on Friday, March 1, at

AUSTIN HIGHLIGHTS

Resolution Proposes Voter Election Of House Speaker

Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House. He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members, not only during sessions but between sessions. It would speed up work in the House by enabling the members to get down to business on the opening day of each session. And equally important it would save the State many thousands of dollars as a consequence of the man hours lost.

Frequently serious and bitter personal feuds have developed between members of the House

3 p.m. at the First Presbyterian Church.

First Methodist Church, Wesley Christian Church, First Presbyterian Church and St. Thomas Episcopal Church are the churches that are participating in the plans.

Everyone is invited to attend the World Day of Prayer observance.

Attending the meeting were Mesdames Max Stipe, Alton Fraser, Joe Smith, Ivan Block, J. H. Culpepper, Ronald Babione and James Arney.

prior to the House's selection of a Speaker as well as by disgruntled groups following the election.

To add to the confusion, prospective candidates for Speaker start jockeying for position with the beginning of every new session.

In the end the taxpayer of course is the loser. It has been said that some special sessions have been necessary due to the long delays and the wrangling that has resulted in years past over the Speaker or the speakership.

The Senate does not have this problem since the people elect the Lieutenant Governor to preside over the Upper Chamber. Both jobs are identical, but only in the Senate do the people have a voice.

PADRE PROJECT BRIGHT
Prospects are brighter for passage of Padre Island-National Seashore legislation by the House and Senate.

An impressive parade of supporting witnesses went before State Affairs Committees in both chambers and a surprising about-face occurred on the part of Land Commissioner Jerry Sadler.

Opposition had all but vanished otherwise—principally because of Sadler's retreat from his previous stand. He told the legislators that if a Federal project was what they wanted, "then I want to see it happen, too."

The reversal by Sadler apparently signaled the end of various "anti-Padre" efforts mounted in both houses by Rep. Rayford Price of Frankston and Sen. George Parkhouse of Dallas, each of whom was sponsoring a bill giving Sadler veto power over the Seashore project.

House and Senate subcommittees appointed to study the legislation appeared to be generally sympathetic and avowed Padre Seashore opponents were in a minority on both groups.

WOMEN'S RIGHTS
More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment they've battled for through several legislative sessions.

The "equal rights" bill—yet to be passed by the Senate—may run into trouble in the House of Representatives.

Rep. James Cotten of Weatherford—former foe of the amendment—is chairman of the Constitutional Amendments committee.

SOLD ON SCREWWORM PROGRAM
Governor Connally met with farm and ranch leaders and told them he's still a strong supporter of the Screwworm Eradication Program, but won't request the legislature to make emergency appropriations until he sees the results of the program's fund drive.

"I am completely sold on the program," Connally said. Livestock industry will raise the remainder of its quota by March 1.

He said requirements for a state contribution to the eradication program will be considered after March 1. "I do not think we will have difficulty

in securing state appropriations, if the producers can meet their commitment," the governor predicted.

"MADE IN U.S.A." ORDER HIT

The third Court of Civil Appeals in Austin has contradicted the State Highway Commission by declaring that the commission has no authority to enforce a "made in the U. S. A. only" restriction on highway construction materials.

Commission had stated on Oct. 28, 1960, that highway contractors can't use foreign materials for highway construction. This order was challenged by the Texas Association of Steel Importers, Inc., in the 53rd District Court in Austin, which upheld the state order.

Importers appealed to the 3rd Court of Appeals. It ruled, "We believe an order disbaring all imported materials from the market available to highway construction contractors acts to restrict competitive bidding."

Attorney General Waggoner plans to appeal the decision.

HOME FOR PARKS BOARD?

An alternate to Governor Connally's proposal that the State Parks Board be combined with the Game and Fish Commission has been offered by the Bayshore Rod, Reel and Gun Club of Baytown.

The club, which believes the merger proposed by Connally would be "catastrophic" for the Game and Fish Commission, argued that the State Highway Department would be a more suitable "partner" for the Parks Board.

As the law now stands, the Highway Department holds the purse strings to all state money allocated for tourist attraction.

INDUSTRY LURE

A proposal to give new or expanded industry a five-year exemption of state property taxes has been advanced by Rep. C. Jim Segrest of San Antonio in a constitutional amendment he introduced in the House.

"Tax lures" for new industries are considered unattractive by the Texas Industrial Commission, but Rep. Segrest predicted a property tax exemption would speed up industrialization. His proposed exemption would apply to new industries coming into the state or to existing firms which increase both capital investment and employment by 10 per cent.

LIFE BEGINS AT FORTY
That old saying "life begins at forty" has been refuted by many workers who claim their troubles start at forty, when their jobs are endangered because of their advancing age.

Governor Connally included job security for people up to 65 in the program he laid before the 58th Legislature, and the Fraternal Order of Eagles has made the matter its No. 1 legislative project.

Bills stating that no state agency or political subdivision of the state may refuse to employ a person solely on the basis of age have been introduced in the senate by Sen. Franklin Spears of San Antonio and in the House by Rep. Will L. Smith of Beaumont.

Bill also provide that no agency of the state or any political subdivision may establish a maximum employment age of less than 65 years.

If the bills pass, it also would be illegal for any individual, firm or association in Texas to refuse to hire, or attempt to fire, anyone up to 65 solely on the basis of age.

NOT FOR JF COURT
Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Hollowell of Grand Saline, chairman of the House investigating committee.

Hollowell said his committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

DEFICIT FLUCTUATES
State General Revenue Fund now shows a deficit of \$60,508,881, State Treasurer Jesse James says.

This figure is up almost fifty per cent over the \$42,281,647 deficit reported on Jan. 9.

DO NOTHING OFFICIALS HIT

Do nothing public officials will get small paychecks if Rep. Maurice Ball of Dallas has his way.

Ball, a Republican, has introduced a House measure which would allow deductions from salaries of public officials who neglect their duties.

Texasunhappy with officials from the governor down to city department heads could present their complaints, along with \$100, to the appropriate person of agency which authorizes the payment of salaries.

HOSS "ALL TEXAN"
Hoss Cartwright, in Austin to address a joint session of the legislature, said he is mighty glad to be home in Texas again.

The 300-pound "Bonanza" star, whose real name is Dan Blocker, said he'd never really been away—just "one long link" from here to California.

"Once you're a Texan, you can't be anything else," he declared.

The big actor was named "Texan of the Year" by the Texas Press Association.

TOUCHY PROPOSAL
The Texas Legislature has

been confronted with the politically touchy proposal of replacing justice of the peace courts with county courts of record.

Rep. Ben Barnes of DeLeon offered a proposed constitutional amendment on the subject. He noted, however, that his sponsorship is "by request."

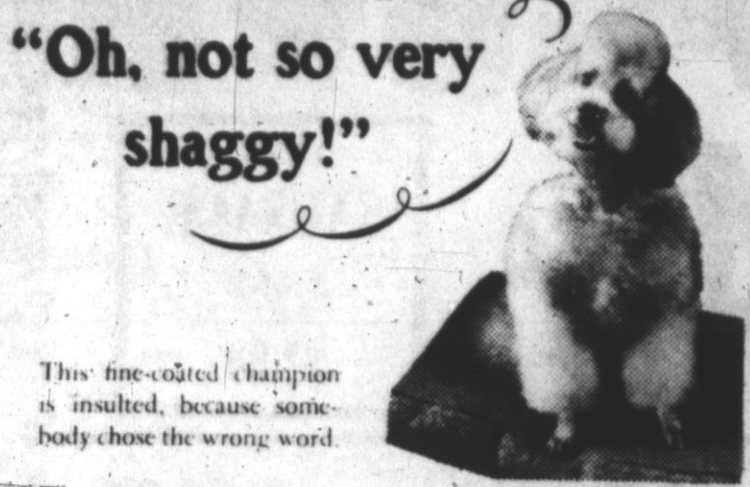

The idea originated in the State Bar of Texas, and has been the subject of controversy both inside and outside the organization.

MEDIATION SERVICE BACKED
Sen. D. Roy Harrington of Port Arthur believes the creation of a state labor-management mediation service would be a good move.

He says it would be "good for management, good for labor, and most important of all, good for the public."

A good mediation service could avert many a potential breakdown in labor-management negotiations, he said, by providing a knowledgeable but neutral third party, it could shorten many long and costly work stoppages or lockouts, the Port Arthur solon believes.

Fourteen major languages and over 800 minor languages and dialects are spoken in India.

"Oh, not so very shaggy!"

This fine-coated champion is insulted, because somebody chose the wrong word.

There are many times—some of them vastly more important—when it's well to choose words with care. Not the least of these times is when making a Will. If you're about to take that step, have your lawyer choose the words: He knows best the ones that will make your Will the sound instrument for family protection that you want it to be.

Almost as quick as you can say it, you're back in your lane again

One of the special joys of driving a Chevrolet springs from the vitality of the car itself. Even when you're soft-pedaling it, in no special hurry to get anywhere in particular, the feeling is unmistakably there. Comes a hill, a slow moving truck you want to pass or a real chips-down emergency—you've got surefired reserve power that gives you an extra margin of safety. A choice of engines with up to 425 horsepower sees to that. Short-stroke advanced-design engines that respond with smooth free-breathing efficiency unknown in the auto industry a few brief years ago. And coupled with that power is the kind of precise even-keel handling that puts you in complete control every self-assured instant you're at the wheel. Where do you get your hands on that wheel? Your Chevrolet dealer's, naturally.
