Three-Year-Old Toddler Injured

A three-year-old Deaf Smith County toddler was hospitalized for injuries he received as he ran out in front of an automobile at the intersection of North Main and Fourth Streets about 9:45 a. m. Wednesday.

The child, Mark Smithers, is the son of Mr. and Mrs. Martin L. Smithers of Route 5.

According to an accident investigation report, the child is reported to have been hit by a 1960 sedan driven by John Horace McIver, 27, 308 Jewell.

The car was traveling south on Main and was making a left turn with a green light when the accident occurred. The vehicle was traveling at a slow rate of speed.

Following the accident, the three-year-old was rushed to Deaf Smith County Hospital for treatment and examination.

A hospital spokesman reported that the child's condition was listed as "serious, but not critical."

Mark was admitted to the hospital and is under observation for his injuries. He is reported to have a concussion.

According to Hereford Police Department, the child's mother was in the post office and was watching her son through the glass doors as he sat on the steps.

The investigating officer stated that the mother turned to drop several letters in the slot. When she turned back the child was gone.

It was then that the child is reported to have stepped out in front of the McIver automobile.

County Tables Most Action In Monday Meeting

In a short business meeting Monday, the Deaf Smith County Commission tabled action on three subjects it has been studying.

First was a decision to defer action on a proposal to establish a county housing authority. An architectural firm representative had met with the court last month to ask that such a group be formed with the aim of providing low-cost housing, financed by federal funds, for migrant workers in Hereford.

Commissioners said they felt they needed much more information on the subject before making a final decision.

Another matter tabled was a request by Charles Bell that the county establish a group life insurance plan. A legal technicality was cited for the delay.

Commissioners also spent some time discussing the proposed "Kuper Road" that has been requested in Precinct Two. Walter Kuper talked with the court after lunch Monday and explained several points. It is expected the road will be opened later, if several technicalities can be cleared up.

The group also spent some time reviewing material which they will present on July 1 in New York City in an effort to get a bond rating for the county.

Appointments are with Standard and Poor's and Moody Investments. The county does not now have a bond rating. It will seek an "A" rating. Bond advisor Bob Davis of Amarillo will accompany the Commissioners' Court. Davis recommended the request in order to get lower interest rates on future county bond issues.

Wage-Hour Talk Slated Friday In Hotel By CofC

Clyde W. Cloninger, investigator in charge of the Amarillo office of the Wage and Hour division of the Department of Labor, will be in Hereford Friday, June 28, to discuss the law on employment of minors and its application to retailers and service establishments.

In order that the maximum number of retailers and employers in service establishments may be able to attend, the meeting will be held at noon in the ballroom of the Jim Hill Hotel. The meal will be served family style. Tickets are available at the Chamber of Commerce office or at the door.

According to Bill Thompson, manager of the Deaf Smith County Chamber of Commerce, investigators in the Hereford area have discovered many violations, most of which have been due to lack of understanding of this law and its application. This meeting is designed to help eliminate these problems. About 50 people are expected.

Around Town

BY H. A. TUCK
On behalf of all the weary Texans who bounce across Mexico highways I got in some Nicks last weekend. As a speaker at the New Mexico Press Association meeting in Silver City, I digressed long enough to chide the editors in attendance about their notorious roads, although I praised them for some of the new roads they are beginning to build. Still I can't help but feel that tourists alone spend enough in New Mexico to finance better highways.

The hospitality we encountered was more than enough to make up for the heat, dust storm, bumpy roads and distance. Besides, we got a wonderful tour of the Kennecott Copper Company's huge open pit mine near Silver City. It is the third largest such pit in the country... and we can well believe it after looking down into the mammoth hole. Still and all, it is nice to be in Hereford again.

Jack Renfro has his two prize heifers back now. The (Continued on page 2)

of the annual pro-amateur tournament.

Two teams tied for first place with net scores of 57 each. One team included Jeff Minton of Amarillo, Coby Kitchens of Hereford, George Richards of Olton and Billie Norfleet of Amarillo. The other was John Spier of Levelland, Gano Tubb of Levelland, Roger Owen of Hereford and Fern Whitworth of Dumas.

To make the bookkeeping worse, there was a four-way tie for fourth place. Those teams were: Roland Adams, Gene Rule, Gaylon Brand and Jim Graves; Fred Pendergrass, Keith Lowe, Tom Davis and Durwood Copeland; Ray Hardy, Mutt Foster, Danny Skarda and

Zimmerman Will Head Red Cross

In a recent meeting, Don Zimmerman was named chairman of the Deaf Smith County chapter of the American Red Cross. He will serve a one-year term.

Steve Ravousett of Dawn was elected as vice chairman of the board with Mrs. John Jacobsen Jr. re-elected as treasurer. Mrs. Corinne Neely continues as executive secretary for the Red Cross chapter.

New officers will assume their duties on July 1. Board members were elected earlier this year.

Zimmerman is owner of a hardware company here and has been county judge, Lions Club district governor and director of properties of Col Farley's Boys Ranch.

AS THE PEAK OF THE HARVEST was reached in Deaf Smith County, combines were continuing to cut this year's wheat crop. Receipts at county elevators are now on the downgrade with only cleaning-up operations remaining. Combines have run in county wheat fields until midnight as dry, hot weather permitted farmers to harvest crops. Yields for the most part are below normal with irrigated land averaging between 30 to 35 bushels per acre, say the grain men. As the harvest moved into its last stages, county vegetable growers were readying equipment for potato and onion harvests. (Staff Photo)

Wheat Harvest Past Peak With Spuds, Onions Ready

Receipts at grain elevators were on the downgrade here Tuesday as the 1963 wheat harvest passed its peak several days ahead of schedule.

As county's grain producers were rushing to complete their combining of grain, potato and onion growers were preparing to begin harvesting operations.

In efforts to get grain out of fields, combines have been running until midnight or later in some areas. In larger fields as many as seven have been running at one time.

With dry, hot weather continuing through the weekend as a severe storm threat failed to produce rain in the area, harvesting conditions have been almost ideal.

Grain elevators in the area reported that wheat is "dry" with the moisture content averaging about 12 per cent. In some cases, the wheat harvest has been disappointing. Production was cut by an extremely dry winter and spring, wheat rust, freeze outs due to extreme cold, and wind, hail, and water damage.

For the most part, grain elevator managers and owners stated, yields on irrigated acreage are averaging about 30 to 35 bushels per acre.

However, some extremely low yields — 10 to 15 bushels per acre on irrigated land — and some extremely high yields of 70 and 80 bushels per acre have been reported.

Even though wheat quantity is down, the quality is good, commented one elevator manager. Most of it is averaging around 57 pounds per bushel with some 60-pound wheat being cut.

In the Easter area, producers have been "pleasantly surprised" by the harvest. The area had been hard hit by heavy rain and hailstorms and wheat growers had expected extensive damage.

Producers in that area are reported to be "making as much as last year in spite of the hail." Test weight of grain is reported to be good with good protein content.

In all sections of the county, weeds are presenting some problems to Deaf Smith County growers. However, at present, it is not too serious.

Veniremen Are Dismissed; Plea Of Guilty Heard

A short session of 69th District Court, Judge Harry Schultz presiding, ended here late Wednesday morning with one man pleading guilty to charges and a continuance granted in a second case.

A 60-man petit jury panel had been called to hear the two cases slated for trial, but the panel was dismissed due to the number of excuses presented.

After those with valid reasons were excused not enough of the jury panel remained to hold the trials.

Following the dismissal of the panel, Raymond Clark Lemons, 62, 206 Ross, entered a plea of guilty to driving while intoxicated, second offense.

He was sentenced to 90 days in the county jail and fined \$500.

A second case scheduled to be heard Wednesday was postponed until the next term of the court.

3 Injured In Wreck

Three persons received only minor injuries as two late model automobiles collided at the intersection of East Third and Lawton Streets shortly before 1 p. m. Wednesday.

Receiving cuts and bruises in the accident were Dr. Joe Whitley, 602 West Third, his wife, and three-year-old daughter, Pam.

They were all treated at Hereford Clinic.

The accident occurred as the Whitley automobile was struck broadside in mid-intersection by a 1961 model sedan driven by William Albert Hacker, 64, 405 Lawton.

According to the Hereford Police Department officer investigating, Hacker failed to stop for a stop sign on Lawton. He was headed south.

Swimming Team Sponsors Meet Here Saturday

A swimming meet open to all area swimmers from six to 16-years-old is to be held at Hereford Municipal Swimming Pool beginning with registration at 9 a. m.

The event is being sponsored by Hereford Swimming Team. Wayne Lawrence is the coach.

Boys and girls entering the event will be divided into age brackets and will compete in free style, breast stroke and back stroke races.

No pre-registration is necessary, according to Lawrence. All interested swimmers should be at the pool shortly before 9 a. m.

Waddill Resigns County Tax Post

Markham H. Waddill, assistant county tax collector, has resigned from his post here. Announcement of his resignation was made by County Judge H. C. Williams with the concurrence of members of the Commissioners' Court on Wednesday morning.

Waddill said that he was leaving here to accept a position with the tax phase of the White Deer School District. His resignation becomes effective on Aug. 1.

He has served in the county tax assessing — collecting office for about six years.

Christmas In June Party Hosted By Hereford Group

By Sara Gillett
Brand Staff Reporter

With the temperature in the desert, Christmas was celebrated in Hereford on Saturday, June 22.

It was a special holiday observance, held annually for the past five years, in deference to the demands of relatives of two Hereford people.

Special guests at the party were a family from Peru. They are Mr. and Mrs. Don Edwards and their children, Amy, 11, Dean, 7, and Ben, 3. Mrs. Edwards is a sister of Jim Balch, a coach at Stanton Junior High, and a niece of Mrs. J. W. Thomas, both of Hereford.

The Flame Room of the Pioneer Natural Gas Company, where the celebration was held, was decorated with strings of colored lights and a silver Christmas tree. A guest book

in which the people registered also was in the shape of a Christmas tree.

The Edwards left the United States five years ago and went to Colombia. After teaching in American schools for four years there they then moved to Talara, Peru, where they are now. He teaches the seventh and eighth grades and she teaches in the third grade of a school operated by the International Petroleum Company.

All classes are taught in English and most of the students are children of American parents who are in the service or who work in South America.

"One period each day," said Mrs. Edwards, "we go to the Peruvian school and teach their children English."

"I feel that we are able to help these children better understand the people of the United States by teaching them our language," continued Don.

They agreed that the climate is much like that of West Texas — only much drier. Last year it did not rain at all and there is usually very little rain.

"I feel that we have gained much from our stay in South America," said Edwards. "We have made many friends both from America and South America, but the thing that has given us the most pleasure is to see how well our children have adjusted. Amy can speak Spanish almost as well as she can speak English and the two boys are learning fast."

The children have also become very good travelers because the Edwards return to the United States at least once each year.

"We feel that teaching is the best way to tour the world and do something worthwhile at the same time," said Mrs. Edwards. Then they turned away to re-join the Christmas festivities.

WITH GAILY-WRAPPED PACKAGES surrounding a glittering Christmas tree, the calendar gave way to the Yuletide season last week in Hereford. Honored guests at a special Christmas party and dinner were Mr. and Mrs. Don Edwards, Amy, Dean and Ben, from Talara, Peru. Since they can't be with their relatives in December, the holiday season is observed each year in June so the family can be together. (Staff Photo)

Yankees Whip Cards 17-14 In Five-Inning Donnybrook

Tuesday night's Little League contest was termed by one umpire as "a real donnybrook". In four innings, the Yankees outlasted the Cardinals 17-14 with the lead changing hands five times. The Yankees took the first lead with three runs in the top of the first inning. They came on a walk, two singles, an error and a double by Jim Rakestraw.

In their part of the inning, the Cards got two of those runs back as they used four walks and a single. Then they struck out three Yankees in the top of the second.

In the last of the second, the Cards took a 4-3 lead on the strength of two walks, two singles, two stolen bases and a wild pitch.

But the Yankees scored nine times in a long third inning to regain the lead 12-4. The runs came on two walks, two outfield errors, three singles, a double by David Huckert and finally a three-run homer by Jim Loerwald over left-center.

The Cardinals weren't playing dead, however, as they also scored nine runs in the third inning and it gave them a 12-12 margin. Their runs came on five singles, a sacrifice bunt, two unsuccessful fielder's choices and four errors.

In the top of the fourth, the Yankees went in front to stay, 17-13. They added five runs on three singles, two errors and two walks.

The Cardinals couldn't quite match that run production as they came up with just one run in the last of the fourth on a walk, a stolen base and two errors.

Dennis Sargent, Paul Loerwald and Jim Rakestraw hurried for the Yankees with David Vines and David Alvarado going for the Cardinals.

David Huckert was the big hitter for the night with two singles and a double to the Yankees. Rakestraw and Jim

Loerwald each got two hits in the shortest with Keith Anderson and Alvarado getting two each for the Cards.

In one of the minor games, the Cardinals edged the Dodgers 8-2 in four innings.

The Cards struck for four runs in the second inning, one in the third and three in the fourth, picking up five hits along the way.

The Dodgers were blanked for three innings with no hits and no runs. They finally broke into the scoring column in the top of the fourth with two runs on one hit.

Johnny West pitched all the way for the Cardinals, with Steve Olson and Paul Hamilton sharing mound duties for the Dodgers.

In the other minor league game, the Braves trimmed the Orioles 23-8.

The Braves picked up four runs in the first and three

more in the second for a 7-0 lead. The Orioles picked up two runs in the second.

But the Braves added on seven more runs in the third, while the Orioles could get just two scores in their part of the inning.

Eight more runs scored for the Braves in the fourth, while the Orioles could get just four.

In the top of the fifth, the Braves pushed in one more score for good measure, then held the Orioles scoreless.

Greg Chisholm and Rusty Babione pitched for the Braves with Kenny Rogers and Larry Mott hurling for the Orioles.

VEGETABLE CREWS WERE beginning to move into the Deaf Smith County area as producers prepared for potato and onion harvests. Some harvesting operations were starting here this week as crews lifted, clipped and socked onions. Shipping, however, is not expected to begin until next week.

Birds Split One-Hit Games Against Caprock, Nazareth

Albiar Pitches And Bats Tribe Past Tigers 11-1

In Pony League baseball action Tuesday night, the Indians turned on their power to swamp the Tigers 11-1 in a game that was closer much of the way than the score would indicate.

The Indians carried a narrow lead for the first four innings, then went to work with their bats for seven more runs in the last two innings.

In the last of the first, the Indians picked up three runs on a single, a fielder's choice that was unsuccessful, a double by Felix Albiar and a wild pitch.

They added another run in the bottom of the third on a walk, a fielder's choice, another walk and a passed ball.

In the bottom of the fifth, the Indians jumped up for four runs on six hits—three singles, doubles by Albiar and Mike Davis and a triple by Bill Watts. An error and two stolen bases aided their cause.

Only run for the Tigers came in the top of the sixth on two singles.

The Indians more than got that run back as they scored three times in their part of the

Base Field, Hereford Went Down

Base field, Hereford went down in order in the first and second. The first batter for Caprock was hit by the pitcher, but was cut down at second.

But the first batter for Caprock in the second, Jim Berlyman, walked and stole second. He came in on Stan Harrelson's single. That was Caprock's only hit of the night.

Both teams had runners on later, but couldn't score again. Frank Cain walked for Hereford in the third, but was caught trying to steal. David Stevens singled, but was stranded.

For Caprock in the third, a walk, a sacrifice bunt and an error put a runner on the third. Mickey Stevens doubled for Hereford in the fourth. He took third on a wild pitch with Joe Coffman walking. But they were left standing.

Two hit batters put Caprock players on base in the fourth. Hereford used an error and a hit batter to put two runners on base in the seventh.

Caprock's last runner came in the sixth as a hit batter got to third on a steal and a wild pitch.

Hereford had three hits for the night, all by the Stevens brothers. Mickey got a single and a double while David had a single.

Hereford made one error and Caprock had two.

Stevens absorbed the Redbirds' first loss of the year. He gave up one run on one hit, walked two struck out 12 and hit four. Jim Carrigan went all the way for Caprock. He allowed three hits, walked two, hit one and struck out 12.

Sunday's game was equally close.

Two walks in the second inning set up Nazareth for the first of two double plays by Hereford. A ground ball hit back to pitcher Larry Minks went to Steve Hodges at third and then to Mickey Stevens at first for the twin killing. With that sort of help the Red-

Larry Minks Got Credit For Victory As He Went Five

Larry Minks got credit for the victory as he went five and two-thirds innings. He allowed two runs on three hits, walked two and struck out one. Ed Mims worked one and one-third innings in relief. He gave up one hit and struck out two.

Francis Backus went the distance for Nazareth. He was tagged for three runs on six hits while walking four and striking out six.

John Willoughby had two singles to pace the Redbirds hitters.

Behind Adams in the professional scores were John Spicer, 67, an Ray Hardy, Earl Jacobson and Harley Long, all with 68's.

Keith Jorde of Hereford led the amateurs with a neat 68. He was followed by Jim Hundley and Jeff Minton.

Adams and Billy Deik of Amarillo teamed up in the pro event for a first place 61 net. Eddie Jones and John Spicer had 62; Burt Watkins and Fred Pendergrass got 63; Dude Kinkaid and Bud Posey had 64; Ray Hardy and Joe Coronado got 66. Former Oil Commissioner Exonerated By Grand Jury

By Vern Sanford
Former Railroad Commissioner Bill Murray has been exonerated by the Travis County grand jury of any criminal wrongdoing in his personal business relations with the oil industry while a member of the Commission.
Murray's duties as one of the commissioners included the drafting of rules regulating the oil industry.
It was the feeling of the grand jury that his personal investments in the oil business had in no way influenced his decisions as a commissioner.
Gov. John Connally previously had released a report, presented to him by Atty. Gen. Waggoner Carr, to the effect that an investigation of Murray's personal income tax reports had revealed that he had made more than \$1,600,000 from his oil investments while serving on the commission.
This report was turned to the grand jury.
Murray resigned from the commission several weeks ago when the conflict of interest question arose. He admitted at the time that he had been making such investments but emphatically declared they in no way influenced his decisions.
DISREGARDING
Governor Connally says the Senate - House appropriations conference committee, which came up with the state budget bill that he has protested so vigorously, never bothered to look at his budget recommendation.
Connally claims this was one reason higher education was "short changed" in the appropriations bill.
In a recent meeting of the Legislative Budget Board Lt. Gov. Preston Smith said the same sort of situation, were

in legislators disregard governor's recommendation, could apply to the Governor's Committee To Study Education. Beyond the High School. (No legislators serve on the 23-member committee.)
So the Legislative Budget Board, made up of state Senators and Representatives, set up its own college study committee, and ordered its staff to study problems of financing the state's 20 colleges.
Sen. Galloway Calhoun of Tyler, who asked for the board study, said he was afraid the state might run private colleges out of business by creating more tax-supported colleges. He also said that students should bear "more cost" of their college education.
This statement could be interpreted as a preface to inter-college tuition increases in the fall of 1965.
INDUSTRIAL PICTURE LOOKS GOOD
Texas fell from the second place to fourth among the Top Ten States in Industrial Development last month.
But B. R. Shelton, assistant director of the Texas Industrial Commission said the report does not show a clear picture.
Actually, says Shelton, industry is developing in Texas at a more rapid pace than it did in 1962. At that time the state finished third among the 50 states contending for new industries.
In the month preceding the report, 24 new plants were opened in 15 cities. These included small towns like Georgetown, Refugio, Littlefield and Lewisville, as well as metropolitan cities.
DEATH KNELL FOR BRACERO PROGRAM
Congress killed the Bracero program and set a burial date

of December 31, when it refused to extend the agreement to import Mexican farm laborers for two more years.
It may help agriculture workers in other states, but Henry LeBlanc, Director of the Texas Employment Commission's farm labor division, says it won't help Texas' farm workers.
It might even hurt local workers, LeBlanc allowed, "because the bracero program has kept the pay rate up."
Absence of the bracero competition, LeBlanc explained, could result in lower wages for this state's workers.
It is rumored that Colorado lawmakers plan to introduce a bill to extend the bracero program there for one year. Purpose is to allow more time for readjustment of the farm labor system.
COASTAL PARK PIER PLANNED
State Parks Board has granted a permit for an elaborate, 900-foot fishermen's pier which would stretch across narrow Velasco State Park into the Gulf of Mexico.
Park is a 26-mile long stretch of sand, of undetermined width, covering the coastal front of Brazoria County in the Freeport area.
Developers expect to complete the \$40,000 pier and connect it with a 25,000-acre land development in two months.
PLEASURE CITY
State School Land Board accepted the only bid it received for a contract to lease state submerged land to build a 10,000-foot long channel from Corpus Christi to a proposed multi-million dollar pleasure city on Mustang Island.
Bid winner was Mustang Beach Development Corporation. It is the same organiza-

tion (owned by Piper Aircraft Corporation) that intends to develop 900 acres of Mustang Island into a Marina City, complete with homes, personal boat slips, industry and recreation facilities.
Channel is expected to cost \$100,000 and will be available, free, for public use.
SUPREME COURT HOLDS FIRM
State Supreme Court overruled Attorney General Carr's motion for a rehearing of the case, Government Services Insurance Underwriters et al versus 53rd District Judge Herman Jones.
It stood firm on its earlier ruling that legislative continuances are constitutional.
Texas' 20-year-old legislative continuance law provides automatic postponement of court hearings and trials for parties represented by legislator-lawyers when the Legislature is in session.
Carr has been backing Judge Jones' contention that the law is unconstitutional.
ATTORNEY GENERAL RULING
Attorney general has ruled that a recently passed bill by Rep. Forrest Harding of San Angelo gave the State Highway Commission authority to alter maximum speed limits. Commission could set them as high as 70 miles per hour.
Also it could set minimum speed limits on controlled access highways, whether within or without a city's limits, regardless of any speed limit set by city ordinance.
ESCHEAT PROCESS SLOW
It took the 1961 Legislature two special sessions to pass escheat - reporting laws to insure the state's right to dormant personal property and bank accounts, unclaimed for more than seven years by owners whose whereabouts are unknown.
To date more than \$1,600,000 has been collected by the state.
Most came from the "bank escheat" law, which became effective on May 3, 1962. Law requires banks, savings and loan associations and credit unions to publicize dormant accounts in an attempt to uncover lost owners. Unclaimed deposits then are turned over to

White Sox And Tigers Beat Red Sox In Pony League Play

Fifteen hits offset their seven errors and the White Sox defeated the Red Sox 22-4 Monday night in Pony League action.
The Pale Hose used seven walks and five singles to advantage for ten runs in the top of the first. Their two errors and a single loaded the bases against them in the last of the first, but they got out without allowing a run.
In the top of the second, the White Sox scored two more runs on three singles and a fielder's choice. Then they got three more in the third on doubles by Jimmie Allison and Gary Story, two singles and a fielder's choice.
The Red Sox finally broke scoring ice in the bottom of the third on two singles, two errors and a fielder's choice for three runs.
In the fourth, the White Sox got three runs on a single, a double by Robert Wagner and three walks.
That was matched by the Red Sox, who used two singles, two errors, a hit batter and a passed ball for their three runs.
The White Sox put the icing

on their victory cake in the fifth with four runs on three walks, a hit batter and a double by Ronny Houston.
Tom Green doubled for the Reds in the last of the fifth, but couldn't come in.
Houston went all the way for the victory. He allowed six runs on six hits, walked none and struck out nine. Gene Drummond, Jim Scott, Jim Marcum and Jerry Fowlkes hurried for the Reds with Drummond taking the loss. They combined to allow 22 runs on 15 hits, walked 13 and struck out seven.
The White Sox made seven errors, while the Red Sox had just one.
In Friday night's game, the Tigers also trimmed the Red Sox, by a score of 11-5. It was a close game for a short time.
The Red Sox jumped out front in the first with two runs on a single, a fielder's choice, two walks and two singles.
In the last of the second, the Bengals ran up eight more scores on two singles, a double by Lane Hallows, three walks and three errors.
The Reds tried to rally in the third with three runs on two singles and doubles by Jerry Fowlkes and Tom Green.
Final run of the game was in the last of the fourth when Hallows doubled, stole third and came in on a passed ball.
Lee Robinson hurled all the way for the win. He allowed five

runs on six hits, walked three and struck out seven. Jim Marcum, Johnny Pool and Gene Drummond shared mound duties for the losers. They allowed 11 runs on seven hits, walked nine and struck out 11.
The Tigers turned an odd double play in the sixth inning as Hallows caught a fly ball in center field. He fired to Philip Cain at home, with the catcher throwing to Ronald Ott at first to catch the runner too far off.

Jimmie D. Wiede, aviation machinist's mate third class, USN, son of Mrs. Eva L. Manning of Route 3, was advanced to his present rate May 15 while serving with Patrol Squadron Nine at the Naval Air Station, Alameda, Cal. Advancement is based on meeting the Navy's military and professional requirements and determined by the needs of the service and scores attained on the Navy-wide competitive examinations given bi-annually. His promotion - results from successful participation in the February tests.

THE STATE OF TEXAS COUNTY OF DEAF SMITH CITY OF HEREFORD NOTICE OF HEARING ON CITY PAVING ASSESSMENTS Notice is hereby given to all abutting property owners and persons interested in the properties on the hereinafter mentioned portions of Avenue D in the City of Hereford, Deaf Smith County, Texas, that on the 3rd day of June, 1963, B. R. Morris and Associates, City Engineers, have filed with the City of Hereford, the estimated amounts per front foot proposed to be assessed against the owner or owners of abutting property and said property on each portion of Avenue D to be paved and improved by the City of Hereford, Texas, as well as the total cost of improvements on said street, and that the same has been duly approved by the City Commission and the same was ordered filed and same shall remain on file with the City Secretary in the City Hall in Hereford, Texas, as well as all of the plans and specifications pertaining to all of such proposed improvements. Notice is further given that any and all property owners and persons interested therein within the City of Hereford and elsewhere, may inspect the same; and further, that the City of Hereford, by a resolution duly

adopted by the City Commission thereof on June 3, 1963, has fixed the first day of July, 1963, at 7:30 o'clock p. m. in the City Hall in Hereford, Deaf Smith County, Texas, as the time and place for all of such owners and persons interested in such paving, and in such properties, to appear and make objections thereto, if any there be, and to contest the amounts of the proposed assessments, the lien and liability thereof, the special benefits to the abutting property and owners thereof by means of the improvements for which assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings, and contract in connection with such improvements and proposed assessments, if it is so desired; and this notice is given as is provided in Section 9 of Article 1105b of the Revised Civil Statutes of the State of Texas, in that the City proposed to levy such costs against respective properties as are shown in said proposed paving assessments as so filed by the City Engineers with the City of Hereford, and as hereinafter set forth. Said streets to be paved and portions of streets to be paved and the costs of improvements on such portions thereof, with the amount per front foot proposed to be assessed against abutting property and the owners thereof, of each such portion, is as follows:

UNIT NO. SEVEN, on Avenue D, from the present existing paving at the North line of Grand Avenue to the South property line of 13th Street, width of 37 feet, triple asphalt surfacing on six inch flexible base; the amount per front foot proposed to be assessed abutting property and the owners thereof, for improvements exclusive of curb and gutter is \$2.55; the amount per front foot proposed to be assessed against abutting property and the owner thereof for curb and gutter is \$1.25; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.80; the estimated cost of the improvements is \$8,320.15.

ATTENDING THE CHRISTMAS IN June celebration in the Flame Room of the Pioneer Natural Gas Company building on Saturday, June 22, were: Mr. and Mrs. Ted Martin and Mrs. W. J. Wisdom and daughter Sherri, of Denton; Mr. and Mrs. Don Edwards and Amy, Dean and Ben, of Tularia, Peru; Mr. and Mrs. Irvy Edwards, of Borger; Mr. and Mrs. Jim Balch and Blake and Brad, of Hereford; Mr. and Mrs. Rabon Balch and Regina, of Waco; Mr. and Mrs. John Thomas and Wesley, of College Station; Mr. and Mrs. Don Rummel and Jamie and Leslie, of Lubbock and Mr. and Mrs. Lefty Thomas and Jack of Hereford. The celebration was held in honor of the Don Edwards who teach school in Peru. (Staff Photo)

After meeting a visitor from Lubbock one evening recently, we were asked if we had children. When we answered that we have two sons, who were playing baseball that night, she remarked, "Oh, Little Leaguers."

"No," we corrected her. "A-American Legion baseball." This is our eleventh summer of baseball, and the boys will be 19 and 17 this year. The old cliché, "How time flies!" is often in our thoughts these days.

Speaking of baseball, it seems that Little League mothers this season are finding the same ones

REP. ROGERS WRITES

Smut Peddlers Arrests, Convictions Draw Praise

TO THE PEOPLE OF THE 18TH DISTRICT: Among criminals, the most reprehensible species are those animals who trade on human prurience by peddling pornography. The lowest form of this vile class are the dealers in obscenity who move their wares among children. This is with considerable satisfaction that I noted this week the conviction — 28 counts of a 33-year-old Brooklyn native who was out to pile up a fortune by publishing pure filth. His main endeavor in pushing a variety of erotic material was his magazine "Eros," which, when publication began, brought a deluge of complaints to my office and those of other Members of Congress and to the Post Office and Justice departments. Others who would deal in salaciousness can contemplate the possible penalty Ginzburg could pay, after sentencing is pronounced shortly, for his adventure in defying decency and the law: 140 years in prison and \$140,000 in fines. I am pleased to report to you that the federal government is working diligently to clean the roads of such trash as "Eros" and to bring to justice the men engaged in this despicable "industry."

Department and of the Justice Department's Criminal Division for their fine cooperation and aggressiveness in handling these cases. All decent Americans can be proud of this campaign. I'm not only interested in seeing a curtailment in the flow of mailed obscenity, I am doing what I can to bring a halt to the circulation of lewdness in motion pictures and in movie advertisements. I have introduced in this Session of the Congress H. Res. 72, similar to measures I introduced in past Sessions, to bring about a "complete investigation and study of the production, distribution, and exhibition in the United States of motion pictures and in connection with advertising related thereto."

ed with State Department activities. A personal note — Our second son, Walter Edward Rogers Jr., was married June 22, 1963, the first of our six children to enter matrimony. The bride is the former Marilyn Joan Durante, the daughter of Mr. and Mrs. John Durante of Jersey City, N. J. The couple will live in Jersey City. Earlier this month, Walter received his B. S. Degree from Georgetown University.

This is the wording of the resolution, which has been referred to the Rules Committee of the House. If approved by the House, the resolution would provide for the appointment of a special subcommittee of the House Subcommittee on Interstate and Foreign Commerce to hold hearings and make recommendations for corrective legislation. We must be on guard in this Nation against a laxity in morals that could, as happened in Great Britain with the Profumo scandal, shake the very foundations of the Republic. Among other measures I've introduced this year in the House is H. Res. 67 to investigate personnel and procedures in the U. S. Department of State. The investigation I propose would not be merely a "fishing expedition." It has very definite objectives spelled out in the resolution, which is among the many measures awaiting consideration by the House Rules Committee. Because the State Department's activities are so vital to the continued security of the Nation, I believe it is important that a check be made so that the Congress and the People can make an assessment of its effectiveness. Specifically, my resolution asks for the creation of a nine-member select House committee to (1) investigate the personnel of the State Department; (2) investigate the practices and procedures of choosing personnel in all divisions of the State Department; (3) investigate the methods, practices, and procedures in assigning personnel for both routine and special work or assignments; (4) investigate the background and capabilities of all personnel in relation to their duties and assignments; (5) investigate personnel who may not be directly connected with the State Department but whose work is tied to State Department activities; and (6) formulate recommendations concerning changes in practices and policies related to State Department staffing or the staffing of other federal agencies associated with State Department activities.

Reading Hints to Heloise is somewhat compulsive for some reasons. If it is read for entertainment, it is all right. "Yes," he answered crookedly. but once you give in and try something, you may have had it. Some of those hints are downright destructive of valuable property. But Heloise's cuffs. "You doll, it works!" to somebody who wrote in to say how handy a clothesline on a mailbox is — that's humor. There are no doubt many people more intellectual who would argue this point, but fiction, especially short stories, these days seems to be trying to copy modern art. Both art forms seem to mean something to some people, it is true. But fiction courses teach that a story should have a plot, or a problem with its solution. Modern short stories seem to be merely the recounting of an incident, usually a "sick" incident. Perhaps this is realism or surrealism and worthy, but most people who read the magazines with large circulations find such stories not only depressing but as incomprehensible as modern art and music.

A fellow once told us that he was going home that evening for dinner and if it wasn't ready, he was sure going to "raise the roof"; and if it was, he didn't intend to eat a bite.

Some days that's just the way we feel, but having been married nigh - on to 15 years, we felt that discretion was the better part of valor and decided to live a little longer before we cashed in our chips.

— HB —
Sam Long says he's in a heck of a shape, too. Sam figures he's too young to draw social security and too lazy to work.

Now that's a real bad combination.

— HB —
Having our mind on other matters, (we never forget) we strolled around to the hotel Monday to attend Rotary. Of course, the meeting had been postponed due to the Ladies Night program scheduled for Thursday evening, so we started to leave. Just as we walked out the door, we met Virgil Hennen, who swears that he was just going after his car to go home; across the street was Henry Benson who wouldn't even give an excuse, and around the corner came Clinton Massie and Johnny Sims who did admit that they had forgotten the postponement. Joe Kerr pretended that he was simply going into the hotel to eat lunch ... not to go to Rotary. Anyhow, the point we're trying to make is this: We're not the only ones in town who are not equipped with a memory like an elephant.

— HB —
John Patton, on the other hand, admits to having a bad memory. John said he lost something over at Lake Conchas, but couldn't remember what it was. Anyhow, he's on his way over to find it. He had his minnow bucket with him and it set us to wondering. Could it be a big fish he lost?

— HB —
We offered to go along with John and help him look, but to no avail. He indicated that he needed a help.

All of which left us in a rather bad mood. Then to top it off, the First National Bank has thrown us another curve. We've been parking our car (free) on the lot behind the Brand office (corner Sampson and Fourth Street) courtesy of the First National. When we came to work this morning, they had the thing roped off and workmen were busy tearing out the concrete and old blacktopping.

Of course, we trotted off to the bank to protest. (Not too loudly, for fear they would demand payment of our note). However, after we arrived, we discovered that the workmen were really improving the parking lot rather than tearing it out. Cliff Acker and Mark Woodall tell us that the bank plans to put up a brick wall all around the lot and will use it for customer and employee parking. Which still leaves us out in the street, but it will provide many more needed spaces for bank customers.

— HB —
On the other hand, Kate Johnson got the biggest parking bargain we've heard of recently. Parking downtown Monday, she put a penny in the parking meter and received two hours parking time.

It will probably drive the city nuts trying to figure out which meter it was.

— HB —
Hicks Roberson has been using flame cultivation for the purpose of burning potato vines. Hicks says the recent rains had the fields so wet they couldn't get in to beat the vines. So ... they just rigged up a broadcast flamer and went to work. They had to beat the vines again later, but the flaming apparently stopped the growth, helped to dry out the field and also killed the grass in the furrow.

— HB —
The kids along McKinley Street are getting us into trouble again. They borrow money from us to buy paper so they can put our a publication in in competition to the Brand. This is known as the McKinley Special. Patricia Neff, daughter of Mr. and Mrs. Ernest Neff, is the editor. Clara Bullard and Penny Young are publishers, and Holly Young is chairman. Chairman of what we haven't been able to discover, but chairman nevertheless. The news stories run something like this. "The Neffs went to Buffalo Lake Saturday for an afternoon of fishing. Unfortunately only one fish was caught. This a large Goldfish. Better luck next time folks." Everything considered, we suppose they are doing a pretty good job for kids, but somehow it just doesn't seem fair for us to be financing our

competition. Sounds too much like the government.

— HB —
Which reminds us of the story concerning a remark made by comedian Red Skelton recently (off - camera). When introduced to Mrs. Dwight D. Eisenhower, he remarked, "Your husband was in my unit overseas." It is said Mamie let out a most un-First-Lady - like roar.

— HB —
Meanwhile, the topic of conversation around Hereford this week still revolves around the rate of the city's growth. Announcement of the new \$700,000 shopping center and the \$600,000 Spanish housing addition has spurred speculation as to the future growth of our fair city. Many people are guessing that we will exceed fifteen thousand by the next census. Others feel that our growth will be much slower, but all agree that, with all things being equal, Hereford will continue to expand. Certainly we hope this is true. Of course, the larger we become, the more problems we will encounter. And naturally, it is the thinking of some folks that we should try to maintain a "status quo" but this seldom happens. Generally speaking, you either grow or begin to slip and personally we're real happy to see the city moving forward.

— HB —
J. E. Burns has been named manager of the Perry Bros. store in Hereford. He replaces Mr. Gattis who was transferred to Snyder. Burns, who hails from Tyler, is married and has two sons, Randyall Keith, 2 1/2 years old and Alton Ray, 3 1/2 months. The family will move to Hereford as soon as housing can be arranged. Mr. Burns took over management of the store Monday.

— HB —
One night I called my wife a terrible cook. She yelled, "What do you mean by that?" as she hit me over the head with her can opener.

GROW OUT OF THEIR SKIN
COLUMBUS, Ohio (AP)—Some snakes lay eggs, while others give birth to living young. Ohio State University researchers say young snakes develop rapidly and must shed their skin to take care of this growth.

ONLY THE FISH HAD SMALL MOUTH
GOLDSBORO, N. C. (AP)—Rufus Turnage of Goldsboro happily displayed a string of 33 small mouth bass and said he "could have caught a hundred if I hadn't run out of bait."

A newspaper photographer snapped a picture of Turnage with the fish. After the picture appeared in the paper, Game Protector A. G. Howell located Turnage and gave him a clipping of the picture. Then Howell charged Turnage with possession of more than the legal limit of eight small mouth bass. Turnage paid a \$10 fine.

BOOTH'S LITTLE ADVENTURE
CAMPTON, Ky. (AP)—When Gene Booth shot an arrow into the air, it landed on the top of an unoccupied building.

The 15-year-old boy, using a door for assistance, climbed to the roof, retrieved the arrow, then discovered the door had swung out of reach.

Scooting to the edge of the roof, he was wondering whether to jump when a wasp made up his mind for him. It landed on his nose.

Booth promptly let go and dropped 20 feet but landed unscathed and unbroken.

STUDY WITHOUT WHEELS
FRANKFORT, Ky. (AP)—Something will be missing on state college campuses this fall for freshmen—their automobiles.

The Council of Public Higher Education has forbidden freshmen to possess or operate motor vehicles within certain distances around the schools. The same policy will apply to incoming sophomores who hold less than a "B" average in September 1963.

RECORDED SERMON
MIAMI, Fla. (AP)—The pastor of a South Miami Methodist Church received a telephone call from a man who said he had stolen a tape recorder from the church.

The thief admitted he played a tape on the machine and heard a sermon the pastor had delivered, calling on sinners to mend their ways. The sermon had convinced the thief and he told the pastor the name of a service station where he would leave the recorder.

AS WARM, DRY WEATHER continued through Tuesday, combines were rolling across Deaf Smith County. Harvesting operations have been hampered by heavy rains for almost two weeks as the heavy equipment bogged down in fields. As fields dried, producers faced other problems in harvesting the crop. Due to heavy rains, weeds filled many fields. As a result, combining in some fields was difficult and caused loss to farmers. (Staff Photo)

Miss Marilyn Legg, bride-elect of Ed Ransom of Amarillo, was honored with a bridal shower on Friday afternoon, June 21, in the home of Mrs. Marlin Gilliland.

Latinos Take 9-3 And 10-1 Games

Playing two games here Sunday, the Hereford Latinos trimmed the Lamesa Bluebirds 9-3 and then made it a clean sweep with a 10-1 victory over the Dimmitt Cardinals.

In the first game, the Latinos jumped out front 3-0 on three singles, a double by Shorty Salinas and an error. They got two more in the second on three singles, an error and a fielder's choice.

First run for Lamesa came in the third on a walk, a single, and an error.

In the fourth, the Latinos pushed in one run on a walk, a double by Paul Torres and an error.

The Bluebirds scored once in the fifth on an error, a single and a dropped third strike. The Latinos picked up another run in the seventh on a single, an error and a fielder's choice.

Final run for the Lamesa crew came in the eighth on a single, and an error.

In the bottom of the eighth, the Latinos picked up two runs on a triple by Joe Hernandez, a hit batter and a single.

Juan Garcia went all the way for the Latinos. He allowed three runs on five hits. He walked four and struck out 11. Ronnie Hamilton was charged with the loss.

In the second game, the Dimmitt Cardinals got one run in the first inning on a walk and a single. But that was all their hits and runs as pitcher Gary Kendrick blanked them the rest of the way. He put one on in the third by hitting the batter and walked one in the fourth.

He got good help from his teammates. They picked up two runs in the first on a single, a walk and a triple by Joe Hernandez.

They added three more in the third on an error, a sacrifice bunt that failed to get anyone out, three walks and a double by Paul Torres.

In the fifth, the Latinos added two runs on three singles. They got three more in the sixth on a walk, a single, a triple by James Otis and a ground ball.

Kendrick allowed one run on one hit, walked two and struck out 12. Losing pitcher was Jose Baltasar.

Bluebirds Enjoy Two-Day 'Pow Wow' In Park

A YOUNG BIRD, fallen from one of the trees in the park is of interest to some of the younger girls. Jackie Brownlow, center, shows it to Valerie Chisholm, left and Susan Hickman, right.
(Staff Photo)

Friday and Saturday were exciting days for 36 Hereford Bluebirds. They attended a 'Pow Wow' in Dameron Park, Jaycee Park and the Campfire Hut. The entire program was arranged and directed by high school girls who are members of the Campfire's Neeki Horizon Club. Included on the program were crafts, handwork, nature study, patriotism and ceremonies.

NATURE STUDY is explored by these girls as they examine leaves which they have found. After learning the type of leaf, the girls made spatter paintings, using the leaves as patterns.
(Staff Photo)

HIKING IS ONE ACTIVITY that nearly all campfire girls and Blue Birds enjoy. Lyn Kirkpatrick and Sharon Tinnin from the Neeki Horizon Club are shown taking a group hiking in Dameron Park. They are, from left, Carla Christ, Barbara Kee, Rhonda Stephens, Lyn Kirkpatrick, Christy Cole, Jeannie Coffin, Sharon Tinnin and Amy Ballard.

LET'S COOK SOMETHING!

Mrs. Gene Cope Finds Friends Enjoy Creamy Frozen Salad

By Dale Stevens
Brand Society Editor
For Mrs. Gene Cope, 102 Beach, this summer is very busy and interesting. There are trips to visit friends and relatives and guests from out of town. Her children, Crystal, 3½, and Matt, 20 months, are very active youngsters, and she has been preparing for Larry Minks to spend the summer months with them while he works with Dr. Cope.

From LaPorte, Mrs. Cope attended Texas Agricultural and Industrial College in Kingsville two years and completed her college work at the University of Texas. After a period with Shell Chemical Company, she was home demonstration agent in Matagorda County. For the next year she taught homemaking in North Zulch. During Dr. Cope's final year at Texas A&M, Mrs. Cope did research in biochemistry there.

Among Mrs. Cope's collection of cookbooks is the latest edition of *Freezing and Canning Cookbook*, which is published by the editors of the *Farm Journal*. The recipe for Creamy Frozen Salad is taken from that

book. It has been particularly successful at covered dish suppers.

Rio Grande Tamale Pie
1 pound ground beef
½ cup chopped onion
1 clove garlic, minced
3 T. butter or margarine
1 can tomato soup
½ cup water
1 T. salt
2 T. chili powder
1 cup white whole kernel corn, drained
Topping:
¾ cup corn meal
1 T. flour
½ t. salt
1½ t. baking powder
1 egg
1/3 cup milk
1 T. fat, melted
½ cup green pepper, chopped
Cook beef, onion, and garlic in butter over low heat until browned. Add soup, water, seasonings, and corn; simmer 15 minutes. Place in greased 2-qt. casserole.

For topping, sift dry ingredients into bowl and add egg, milk, and shortening. Beat with rotary beater until smooth (about one minute). Do not overbeat. Stir in green pepper. Spread evenly over hot meat mixture. Bake in preheated oven at 425 degrees for 20-25 minutes. Serves 6.

Batter for Shrimp
Beat one egg well and add ½ t. salt, 2/3 cup flour, and dash of pepper. Mix well.

Baked Lemon Steak
3 T. butter or margarine, melted
3 pounds sirloin steak, 1½ in. thick
1 T. salt
¼ t. pepper
1 lemon, thinly sliced
2 onions, thinly sliced
1 cup ketchup
1 T. Worcestershire sauce
¼ cup water

Brush butter on both sides of steak; season with salt and pepper and place on rack in shallow pan. Lay lemon slices on steak and cover with onions. Mix ketchup, Worcestershire sauce, and water. Pour over steak. Bake in hot oven (425 degrees) 30 to 45 minutes, depending on degree of doneness desired. Serves 6-8.

Corn Fudding
Beat 3 eggs for one minute. Add:
1 T. grated onion
¼ cup finely chopped green pepper
1 pimiento, cut fine
2 T. sugar
1 t. salt
2 T. melted butter
2 cups cream-style canned corn
Add slowly 2 cups scalded milk.

Beat until blended and pour into buttered casserole. Sprinkle with paprika. Bake at 325 (Continued on Page 6)

Delegates Report Regional Meet Of Toastmasters

The Hereford Toastmasters Club met Thursday, June 20, at 7 p. m. in the Jim Hill Hotel with Bill Penn as presiding officer.

Dr. Adams and J. Raymond Flores gave reports on the Region III Conference last Saturday in Amarillo. Toastmasters from 10 states attended the speech contest. Dr. Adams, international director, presented several talks to the visitors.

Kaul Speaks At Westway Meet On 'Entomology'

The Westway Community 4-H Club met at the Community House Friday, June 21, with Deborah Jesko presiding over the business meeting.

Larry Kaul, presented a program on Entomology. He explained the different stages an insect goes through during its life and pointed out that many different insecticides must be used. Larry also urged the boys and girls to think of Entomology as their profession because there is a great need for trained experts.

Mr. and Mrs. Jimmie Jesko and Deborah, Rebecca, Karen, Stephen and James served refreshments at the close of the meeting.

Charters for Boy Scout troops were given to several members to present at the troop meeting. It was announced that the club has access to tapes of the four finalists in the Region III conference which was held in Amarillo, last week. Dr. Milton Adams recorded the tapes. The topic session was led by

Kenneth Coker, who asked the members to comment for two minutes on a proverb which he read to them. Bob Rott was declared the best topic speaker. Bill Penn won the speakers cup with a speech entitled "How do you Shape Up?" dealing with physical exercise and diet. Don Chaney spoke on the government controls on the radio industry. "Another Phase of Gov-

ment Control." Hardy Benson was named the best evaluator. There was one new member, Melvin Jayroe, manager of Southwestern Public Service. Members attending were Louis Machuca, Bob Rott, Bill Thompson, Kenneth Coker, Don Chaney, J. Raymond Flores, Bill Penn, Stan Knox, Dr. Milton Adams and Hardy Benson.

TOTAL PERFORMANCE:

FORD GALAXIE 500XL SPORTS HARDTOP

IF YOU KNEW WHAT THIS "CAR KILLER" KNOWS...YOU'D BE DRIVING A SOLID, SILENT SUPER TORQUE FORD

This steel-edged pothole is probably the world's toughest test of a car's suspension. We drive into this car killer at 30 mph, locking our brakes as we go so the wheels can't roll through the hole as they normally would. The car slams against the far edge of the hole with such impact that it literally bounds out.

If you added up the cumulative effect of all the jars and jolts your car's suspension system experiences in years of normal driving, it wouldn't match the impact of one trip through the hole. Yet—a Ford must run this test three times to prove its strength.

How can a Ford take it? Because Ford's front suspension has extra beef in spindles, springs, suspension arms—in fact, it's about 20 pounds heavier than the front suspension of our principal competitor's car.

We don't expect you to abuse your car the way we do our test cars. But, however you drive, you'll welcome the extra strength of a total performance Ford. Ford strength is tested in a thousand ways in Ford's laboratories and proving grounds—and in open competition in the world's toughest rallies and stock car events.

Look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside, and Atlanta 500's, the World 600 at Charlotte, N.C., and in the demanding Pure Oil Performance Trials. Only a car with total performance—the best combination of strength, balance, precision control and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery: if it's built by Ford, it's built for performance...total performance.

MAN'S STRUGGLE

Throughout the ages man has had his struggle. Ambition kindles a fire that sends him in search of higher and greater achievements. Too bad if his course deviates and his efforts become knotted in unethical procedure. *If we are to attain higher ground—if we are to scale the heights placed before us—then our efforts must be seasoned with the highest moral intent.* It is all too simple to get along when we compromise with evil and set up our code of rotten rules for attaining our selfish, material desires. If this man's climb is to be really successful—his efforts crowned with glory—he will need God as his guide in his struggle. You need the help of the church in your struggle.

degrees for 50 minutes. Serve from casserole. Serve 4-6.
Skillet Squash
1/2 cup margarine
4 cups summer squash, sliced
1 sliced onion
1 t. salt
1/2 cup water
1/2 cup grated processed cheese
bread crumbs
Melt butter in skillet; add squash, salt, pepper, onion, and water. Cook covered 15 minutes. Spread with bread crumbs and cheese.
Green Bean Casserole
Make alternate layers of two cans green beans (vertical pack, drained); one can mushroom soup, and frozen onion rings. The last layer should be topped with soup. Pour about 1/2 cup water over top and bake at 300-350 degrees for about an hour. A small can of mushrooms is optional.
Cream Frosen Salad
2 cups dairy sour cream
2 T. lemon juice
3/4 cup sugar
1/8 t. salt
1 9-oz. can crushed pineapple, drained
1/2 cup chopped pecans
1 banana, sliced
Blend cream, lemon juice, sugar, and salt. Stir in remaining ingredients. Pour in quart mold or cupcake papers.
Serves 8. Place in freezer; when frozen solid, wrap or pack in freezer container. Seal, label, and return to freezer. Serve on crisp greens.
Country Salad
Marinate one cup each cooked green beans, cooked sliced carrots, cooked sliced beets, and sliced celery in 1/3 cup French dressing. Bread lettuce and greens in bowl, and marinated vegetables, and toss lightly. Garnish with two hard-cooked eggs, sliced, onion rings, pepper rings, and radish roses.
Three-Fruit Ice
Make a syrup of 1 cup sugar and 1/2 cup water. Add the juice of 3 oranges and 2 lemons; then add 2 bananas, mashed. Freeze. If frozen in refrigerator trays, remove when nearly solid and beat until fluffy. Serves 5 generously.

Miss Juanita St. Clair (Personal Photo)

Muleshoe Girl To Wed Hereford Man

Mr. and Mrs. John W. St. Clair of Muleshoe announce the engagement and approaching

marriage of their daughter, Juanita Jane, to Lee Ivan Myers, son of Mr. and Mrs. L. A. Myers of Hereford.

The bride-elect is a graduate of Muleshoe High School and is a sophomore at West Texas State University. Her fiancé was graduated from Hereford High School and also attends West Texas State University, where he is a junior.

The couple will be married at 8 p.m. on Aug. 2 in the Muleshoe Church of Christ. D. L. Thompson, minister, will officiate.

1 t. nutmeg
Cream butter and sugar; add applesauce, beaten eggs, and half of the milk. Sift flour with other dry ingredients. Alternately add flour and rest of milk to creamed mixture. Fold in nuts, raisins, and cherries last. Bake 30-35 minutes in moderate oven. Makes three thick or four thin layers. Frost with caramel frosting.

Lemon Apricot Cake
1 pkg. Betty Crocker yellow cake mix
1 pkg. lemon Jello
2 T. lemon extract
3/4 cup apricot nectar
1/2 cup Wesson oil
4 egg yolks
Mix well and add four egg whites which have been stiffly beaten. Bake in 350 degree oven in greased and floured tube pan for an hour. Glaze while hot with mixture of 1 cup powdered sugar and 1/2 cup apricot nectar.

Lemon Snowballs
Mix together thoroughly:
1/2 cup fat
2/3 cup sugar
2 t. grated lemon rind
1 egg
Stir in:
3 T. lemon juice
1 T. water
Sift together and add:
1 3/4 cups flour
1/2 t. soda
1/2 t. salt
1/2 t. cream of tartar
Stir in 1/2 cup chopped nuts. Form dough into balls the size of walnuts. Place one inch apart on ungreased baking sheet. Bake 10 - 15 minutes at 350 degrees. Remove immediately and roll in confectioners sugar. Makes four dozen cookies.

Cherry Spice Cake
2 cups sugar
1/2 cup butter
1 cup applesauce
2 eggs
1 cup buttermilk
3 cups flour
1 cup nuts, chopped
1 cup raisins

Dodgers Whip Giants 14-4 With 10-Run First Inning

Dodgers erased the once-vanquished Giants in Little League action Monday night 14-4, using a 10-run first inning for the decisive margin.

Eight walks, one single, a hit batter and an error provided the cushion in the first inning for the Dodgers. They added one more run in the second on a walk, a single and an error.

It just wasn't a good night for the Giants. Typical was the second inning, when they could get just one run out of three singles as the Dodgers cut down the runners as they went to second.

The Dodgers got two more runs in the fourth on an error, a double by Denny Brown and a single.

Final Giant runs came in the last of the fifth. A single and a walk put runners on ahead of Sid Shaw's homer.

In the sixth, Dusty Duncan doubled and scored on Frank Hernandez' single. In the bottom of the inning, the Giants loaded the bases but couldn't score a run.

Frank Hernandez went all the way for the Dodgers. He allowed four runs on five hits while striking out 10. Jack Meredith, Tommy Stoy and Steve Sanders hurried for the Giants.

In one minor league game, the Yankees blasted the Pirates 22-5 behind the three-hit pitching of Ross Hardwick and Tommy Tuck.

The Yankees scored three times in the first inning in three walks and two singles. The tallied 14 more in the second on six walks, two errors, five singles, doubles by Tommy Tuck and Cliff Higgins and a triple by Paul Ware.

They got five more in the top of the third on two singles and a double by Hardwick.

After going down in order for the first two innings, the Pirates came alive. With two out in the last of the third, they scored three runs on two walks, a single and an error. They added two more in the fifth on an error, two singles and two walks.

Lynn Chisholm tripled for the Yankees in the fifth, but was stranded on base.

Hardwick took credit for the win. He allowed three runs on one hit, walked two and struck out two. Tuck pitched two innings, allowed two runs on two hits, walked two and struck out three. Chisholm and Hardwick

had three hits each for the Yankees with two each by Tim Thurman, Sheldon Alexander and Tuck.

Bobby Banner and Dale Noyes pitched for the Pirates. They combined to allow 22 runs on 14 hits, walked 10 and struck six.

In the other minor league game the Giants kept their perfect record with an 8-3 win over the Athletics.

The Giants got four runs in the first on two singles and two walks. They got two more in the second on a walk, a hit batter, a triple by Lonnie Noyes, another walk and an error.

In the top of the third, they scored one run on a walk, a single and a double by Fidel

Vigil.

Only runs for the Athletics came in the last of the fourth. Three runs scored on a walk, a hit batter, two singles and a triple by Leslie Wiggins.

In the top of the fifth, the Giants got their last run on an error, a single and another double by Vigil.

Fidel Vigil and Lynn Martin hurried for the victory. They allowed three runs on five hits, walked six and struck out seven. Leslie Wiggins and Tony Albarr pitched for the Athletics. They gave up eight runs on nine hits, walked five and struck out eight.

Vigil paced them with two doubles in three times up. Leslie Wiggins had a single and a triple for the Athletics.

Deedee's Doodlings

By Deedee Thomas

This week two of our dearest friends will be leaving us. Frank Hergert and Heather Gordon left Hereford Saturday, June 21, for Amarillo where they stayed in homes of Amarillo families. They left Amarillo on Monday, June 24, for points in eastern United States. Last week was full of activities for the exchange students and their parents. Tuesday, June 18, the Elmer Kimball's gave a dinner party for the Gordons and Aven's. Wednesday, June 19, Mrs. Lee Benefield gave a luncheon honoring Mrs. Gordon and Heather. Mrs. Leroy Aven and Carolyn Aven also attended the luncheon with several other ladies. Wednesday night Mr. and Mrs. G. W. Newsom entertained Mrs. Gordon and family with a dinner party.

Thursday morning, June 20, the F.H.A. chapters of Hereford High School gave a bon voyage breakfast for the exchange students and their guests. Andrew accompanied Heather to the affair. Mrs. Elmer Kimball came with Frank; however, they weren't the only guests at the breakfast. Mr. and Mrs. Elmer Patterson and their daughter Cheryl, Mr. and Mrs. G. W. Newsom, Mrs. T. B. Thomas, Mrs. J. T. Gilbreath, and the three F. H. A. sponsors, Martha Sullivan, Mrs. Frank Prowell and Mrs. J. J. Durham joined the farewell party. The following F.H.A. members were present at the breakfast: Nancy Tyler, Sharon Tinnin, Carolyn Aven, Barbara and Beverly Barrett, Linda Tooley, Louise Axe, Judy Crume, Charlotte Williams, Debbie Beene, Barbara Langley, Royce Ann Gilliland, Vinita Pitts, Patsy Stone, Janis Hagans, Kathy Boston, Kaki Barnard, and yours truly.

Beth Ballard is now venturing from the house once more. Ronnie is home from wheat harvest for a short while. Ronnie got back to Hereford Saturday, June 15, from Oklahoma, and is leaving for Montana Monday, June 17. These visits are few and far between, aren't they Beth?

Carolyn Aven celebrated her 17th birthday with a surprise birthday party given by Janis Hagans. After feasting on hamburgers, the girls relaxed in the back yard of the Hagans' home. Those present at the gala event were Pegene Cox, Ronda Neff, Peggy Neff, Royce Ann Gilliland, Kathy Boston, Ruth Ann Allison, Judy Wiman, and of course Janis and Carolyn. This was the first time that the girls had all been together since the last of school. How we do get out of touch!

Charles Mims at this time is tearing around Sweden with Peter Lantz. Charles left June 6, and won't be back in dear old Hereford until August 4. Frank Hergert plans to get back home in Bavaria in time to meet Pete and Charles in Sweden. Won't they have a blast? Pete said that Charles would be a big hit with the girls because he was tall, dark and handsome.

Well, now we can add Cheryl Parker to the list of girls who have definite plans for the future. She received an engagement ring from Jerry Hodges Saturday, June 14. Congratulations, Cheryl!

Larry Noland and his dad, J. B. Noland, went to El Paso Wednesday, June 14, to attend to business. They returned home on Thursday night, I was wondering if Larry had one of those wild taxi rides in Juarez, Mex., that he might not return to tell his tale. Talking about a ride of your life—that is one, so I've heard. On Tuesday June 18, Deborah and Sandy Thomas loaned their

horses for awhile to Julia and Jolly Jones of Dallas. This brother and sister were guests of Mr. and Mrs. Jack Renfro for the day. The pair is visiting with their grandparents in Abernathy. It is a real treat for city kids to get to the country, so they tell me.

On Saturday in Stratford big doings were going on. Judging teams from 4-H and FFA and individuals and teams from college competed for the top honors at annual field day for or Hereford Breeders' Assoc. Junior Hereford Breeders' Association. Those Herefordites who attended the annual event were Gary Royal, David Block, Jackie Andrews, Gregg Richards, Dan Thomas, Stan Sigman, Becky Higgins Sandy Thomas, Larry Minks, Deborah Thomas, and Jim Higgins. Thursday, June 20, a bon voyage party was given in the honor of Butch McCaslin and John Buck. The Veterans Rock Club House was the setting for the fun, fun event. If I'm not mistaken, Joe Mack Hale was the host for the many guests at the affair. Refreshments were served to the following guests: Dennis Rickman, Janis Medley, Troy Don Moore, Kathy Boston, Connie Renfro, Charlie Thomas, Terry Smith, John Pavloek, Betty Mae Scott, Gary Kriegshauser, Jay Boynton, Brenda Shelton, Suzanne Langley, Richard Jesko, Judy Kriegshauser, Gregg Combs, David Dwell, Judy Wiman, Joe Mack Hale, Toni Parker, Butch McCaslin, Sue Proffitt, John Buck, Joyce West, Randy Dowell, Eugene Green, Marcus Jacobson, Jerry Don Whitaker, John Bob Drake, and last but not least

little ole me. This, of course wasn't all of the guests but some were unknown and some unmentionables. Butch and John were leaving Friday, 21 for Hawaii. There they are going to study at the University of Hawaii. Study? Well, that's what they said. Have fun, boys! Lynton Allred heard he really missed a big party Thursday night but he said he had just got home from Ft. Lauderdale, Fla. He has been in Florida since school turned out in Abilene until his return to Hereford Wednesday, June 19. Lynton said that he was visiting a college friend from Ft. Lauderdale.

Kay Coffman got home from Girl's State Friday, June 21, at midnight. Kay said she hadn't had so much fun in her life. She had a longer stay in Austin than the boys did.

Attention! Anyone who has any extra cherries that haven't been picked, please notify any F.H.A. member that you know. As most of you know, cherry pie baking is one of the projects the F. H. A. girls have to support the foreign exchange student program.

Sunday, June 23, was a hot, windy day but four silly kids tired a picnic at Palo Duro Canyon. I can call them silly because I was one of them. The other three were John Bob Drake, Troy Don Moore, and Kathy Boston. We left the canyon and tried Buffalo Lake for some cool relief, but again unsuccessful.

Exchange Vows In San Francisco

Miss Glenda Faye Lester, daughter of Mr. and Mrs. George H. Pulley of Amarillo, became the bride of David Allen Knabe on June 18 in the First Baptist Church, San Francisco, Cal.

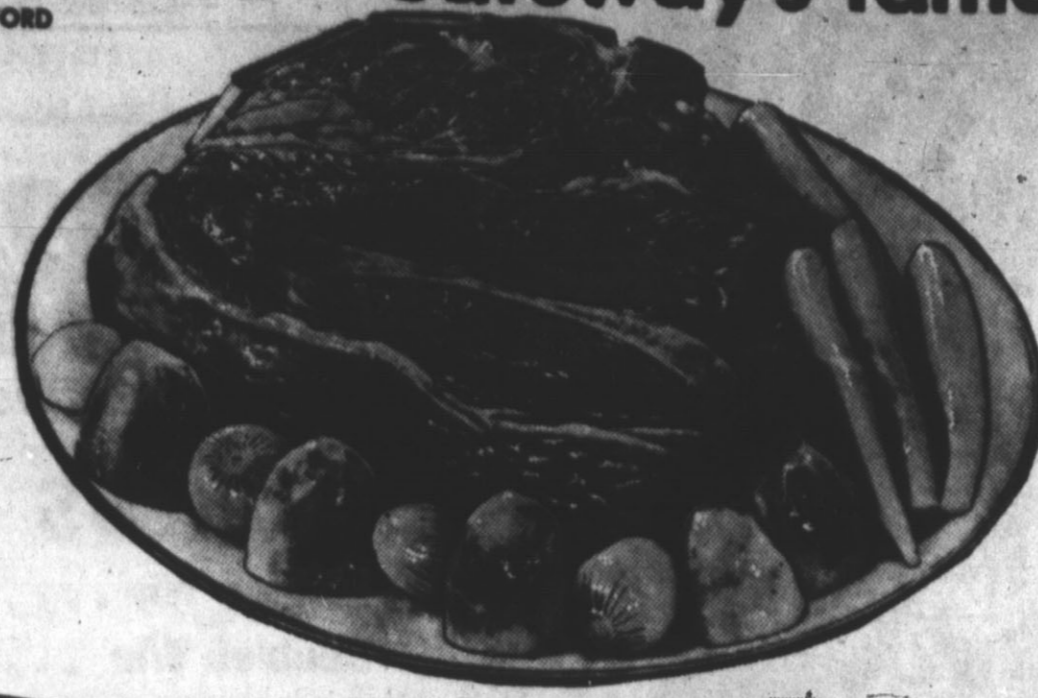

The bride attended Hereford High School through her junior year. A graduate of Tascosa High School, Amarillo, she is now serving in the United States Army Medical Corps at Letterman General Hospital, San Francisco.

Her husband, the son of Mr. and Mrs. Ray Knabe of Phoenix, Ariz., is a graduate of Union High School, Phoenix. He is now serving with the United States Navy aboard the U.S.S. Mitchell.

After a wedding trip to Southern California, the couple will reside at 265 Fell Street, Apt. 606, San Francisco.
