'Horns Win Homecoming With Kress

Thrilled Lazbuddie Longhorn fans enjoyed their homecoming Friday night, as the 'Horns slammed by the Kress Kangaroos by a score of 29-6.

Longhorn quarterback Tim Lust added 'the frosting to the cake' as he had three TD passes and ran for one score on the way to the Longhorn victory.

He completed seven of his 16 attempts for 152 yards, and made the first score with just 43 seconds gone off the clock at the beginning of the game. He teamed up with Paul Gonzales for a 20-yarder, and the conversion was by Omar Sanchez.

Guy Brockman was recipient of Lust's second TD pass, and it was good for 15-yards and paydirt, with Sanchez making the PAT good. There was 1:03 on the clock in the first period at that point.

It was Lust and Gonzales for the third TD just after going into the second period. The TD play was for 65 yards. Lust later added his own TD to the score.

LAZBUDDIE HOMECOMING QUEEN--Named Lazbuddie Homecoming Queen Friday night was Melissa Sanchez, daughter of Mr. and Mrs. Evaristo Sanchez. She is a senior and a cheerleader. Her escort was Davis Schacher, senior son of Mr. and Mrs. Eugene Schacher. She was crowned preceding the Lazbuddie-Kress homecoming game, won by the Longhorns, 29-6.

★★ Mules Fall To Idalou By Big 40-0

Again on Friday night, the Muleshoe Mules 'came up dry' on a wet field, as they tangled with the Idalou Wildcats. By the time the second quarter had ended, the Wildcats has managed to put 40 points on the scoreboard, while the Mules stayed scoreless.

A blocked punt and an interception by the Wildcats helped them as both were near paydirt for the visiting team.

On their way to the 40-0 lopsided victory, the Wildcats managed to accumulate 16 first downs to nine for the Mules.

Mule quarterback Mike Holt connected on seven of 17 pass attempts for 65 yards, to 51 aerial yards for the Wildcats.

Workhorse for the night for the Wildcats was junior tailback Paul Wayne Jones, who had 145 yards and three touchdowns.

The Mules held tight in the second half of the game, and 'did not allow a score. Their defense seemed to 'jell' and they were more impressive.

Next Friday night, the Mules will travel to Dimmitt to take on the Bobcats. Friday night, the Dimmitt Bobcats and the Littlefield Wildcats tangled, scratched and came up with a tie.

Commissioners To Open Bids For New Roof

Bids will be opened and reviewed for a new roof for the Bailey County Law Enforcement Center to lead the items on the agenda for Bailey County Commissioners Court when they meet Monday, at 10 a.m.

In other action, commissioners will pay routine county bills; review departmental reports; review an appeal by the Texas Association of Counties in the Bush vs. Viterna case; consider a budget amendment and miscellaneous items.

County 4-H Banquet Held

Tuesday night, the annual 4-H awards banquet was held at the Bailey County Civic Center, with Holly Huckaby, Leslie Langfitt, Scotty Spies and Britta O'Tay receiving the top awards.

Scotty Spies, son of Mr. and Mrs. Ronnie Spies, received the Gold Star award. He has been a 4-H member for six years, and completed 4-H activities and projects in swine, shooting sports, Electric camp, 4-H cultural exchange, horse and sheep.

Scotty has served as committee chairman, reporter, fund raising activities and is currently the 4-H Council historian. Scotty is a sophomore at Muleshoe High School.

A 5-year 4-H member, Britta O'Tay, daughter of Betty Campbell, was the second Gold Star winner. She is also a sophomore at MHS and has completed 4-H projects in clothing, food and nutrition, consumer education, and family life. Britta participated in method demonstrations, record-book judging and Electric camp. She has also participated in the 4-H cultural Exchange program to Virginia and Florida.

Britta is a District 4-H council representative and has also served as club president, council reporter, club reporter, refreshment committee, has served in fund raising activities and decoration committees. She is currently the 4-H and Youth Committee secretary.

Recipients of the 'I Dare You' award were Holly Huckaby, daughter of Mr. and Mrs. Lyndon Huckaby and Leslie Langfitt, daughter of Mr. and

clearing skies on Thursday afternoon, with a heavy thunderstorm moving through the area shortly before 7 a.m. on Friday. Up to three-quarters of an inch of rain fell in the Friday morning rain, adding to the more than two inches that had already been measured earlier in the week.

Many areas reported flooding as more than six inches fell in some communities, such as Lamesa and Hobbs, N.M. and measurements of 3-5 inches common in many locations.

The usual rash of truck accidents were checked east of Muleshoe on Highway 84, on a five mile stretch of highway, becoming well-known to be very treacherous when wet or icy.

One accident occurred Wednesday morning when a truck jackknifed about four and a half miles east of Muleshoe. At 1 p.m., about 50 feet from the morning accident, the second truck jackknifed.

This was followed Wednesday night by a third truck skidding off and jackknifing in approximately the same location.

Only very minor cuts and abrasions were received in any of the truck accidents.

DPS Trooper Lacie Kirk said the maximum safe speed on Highway 84 east of Muleshoe in

Brett Stegall Named 'Standout' For Second Time

Brett Stegall, a 6-1, 165-pound senior from Three Way High School, and son of Mr. and Mrs. Frank Stegall has just been awarded 'South Plains Standout' football player for six-man football for the second week in a row.

According to the Lubbock Avalanche-Journal, he bombarded Southland with 554 yards passing and 191 yards rushing, taking part in all 11 touchdowns as Three Way blitzed Southland 82-36.

Stegall connected on 28 of 38 aerial passes, and this was good for eight of the 11 TD's in the game. He scored on three of his 18 rushing attempts.

The quarterback now has 2,052 tandem yards and 30 touchdowns in five games for this year.

District Governor Visits Local Lions

Wednesday at noon, the Muleshoe Lions Club hosted several special guests, including Melvin Powers, 2-T-2 District Governor, from Wolfforth; J.T. Martin, Deputy District Governor from Lubbock; Joe Randolph, vice president of the Shallowater Lions Club; Sam Damron, Amarillo; Curtis Shelburne, Muleshoe and Cieta Williams.

District Governor Powers was introduced as guest speaker by Muleshoe Lion Roland McCormick, who said they were lifetime friends, starting school together at Slaton.

According to Powers, the Lions Club International is the largest service club in the world, being larger than all other service clubs put together. "But, we need to grow," he said. "We need new members. Last year, we lost 116-117 members in the district, and 1700 in the state."

The District Governor said that at the same time, Japanese Lions Clubs are growing by leaps and bounds. This year for the first time, The Lions Club Eyebanks are in Japan, and the clubs just keep growing as they add other projects.

"If we are to survive, we must work harder and harder," said Powers. "We need not only the input of the members, but we need input from leaders of the community. We all need to remember the International Motto, 'We Serve Better Together.'"

One new and major project for the Lions Club, according to the district governor, is a project whereby the Lions are working against drug abuse. He announced a cabinet meeting scheduled for October 27, at 1 p.m. in the high school auditorium.

The district governor also talked about the 'McGruff-Take A Bite Out Of Crime,' project for schools.

District Gov. Powers also discussed the Lions Club project for this year, or 'cause.' He said District 2-T-2 Lions Club has taken on the Texas Boys Ranch located three and a half miles east of Lubbock.

At this time, Texas Boys Ranch has 18-20 boys residing there, and more 'cottages' are needed, as there is a waiting list of 400-500 boys at any given time.

He said Lubbock builders are helping with the project to construct at least one new cottage, which will include a permanent monument for the 2-T-2 project. A 5600 square foot building is planned, and with the assistance of Lubbock builders, will cost approximately one-half normal building cost at \$25 per square foot.

He urged the local Lions

School Board Will Consider New Classrooms

At 8 p.m. on Monday, October 14, the board of trustees of the Muleshoe Independent School district will meet in regular session, with a number of items to consider on the agenda.

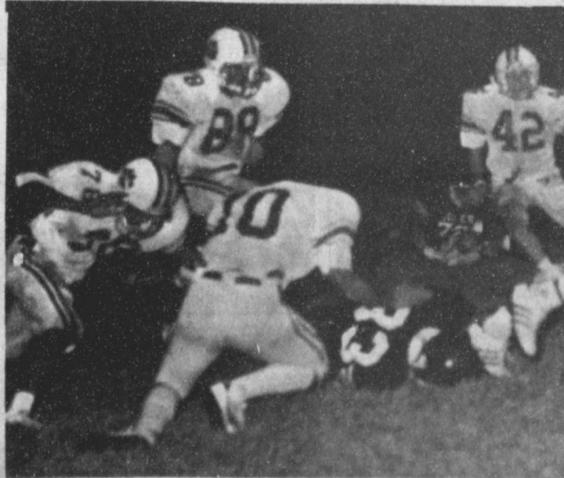

Informational reports will be given on the Vocational Auto Mechanics Class; options available for future administrative building improvements and enrollment and average daily attendance reports.

Following the financial reports, a number of business items will be considered.

This included to consider a proposal for updating the telephone system at Dillman and DeShaza; consider bids for an energy management system for Muleshoe High School and consider a resolution to change the method of electing the Board of Directors of the Bailey County Appraisal Board.

Also, consider the career ladder procedures for the 1985-86 school year; consider a

DEFENSE WAS THE KEY--The Muleshoe Mules held the Idalou Wildcats scoreless in the second half of the Mule-Wildcat tilt in Muleshoe Friday night. Although the score was 40-0, the Mules looked much more impressive defensively than in past games. Here, Todd Bessire, No. 33, is being buried by a host of Wildcats.

County Extension Home News
By Deana Finck

Many of us have a considerable investment in the outdoor furniture we use on the deck, patio or by the pool. Whether you have expensive wrought iron or redwood outdoor furniture or less costly aluminum and plastic webbing chairs, you can avoid the expense of replacing it with good maintenance.

Now that the time for summer barbecues has passed, it's a wise idea to clean and renovate your outdoor furniture and then store it for the winter. Here are some suggestions for cleaning different types of outdoor furniture:

ALUMINUM AND PLASTIC - Most outdoor furniture is constructed of tubular aluminum which tends to gray with age and accumulate dirt and grime. Wash with detergent and warm water to remove most of the soil, and rub with fine 4/0 steel wool to remove discoloration. Aluminum jelly can also be used, but not on new or anodized aluminum. Wash the plastic seat webbing and straps on tubular furniture with a long bristled brush and then wax with auto paste wax. Hose down or wash plastic furniture with water and a mild detergent. Don't use abrasive cleaners. Protect the surface with an application of auto paste wax. If the plastic is chipped or broken, it often can be fixed with epoxy glue.

WOOD - Wipe down hardwood furniture with warm water and detergent, then protect it with auto paste wax. If the finish is cracked or flaked, remove it with paint or varnish remover, sand and apply a new

coat of marine or exterior-type finish. Also check any painted metal supporting framework for rust and touch up if necessary.

Wash redwood furniture with warm water and detergent. Remove soft drink stains with a solution of chlorine bleach and then rinse. Smooth all the wood surfaces with 3/0 steel wool and apply a protective coat of penetrating sealer. Redwood furniture should not be varnished and coated with shellac.

CAST METAL - Use a mild detergent to wash cast aluminum, cast iron and wrought iron. If the enamel surface is scratched or chipped, or if rust appeared, smooth the area with steel wool, apply a metal primer and then touch up with matching enamel paint.

RATTAN - Rattan, cane, reed, and willow furniture

should be vacuumed and then damp washed with warm water and mild soap. After it dries, protect it with a liquid furniture wax.

FABRICS - Cushions and other items made of vinyl laminate, cotton duck, or canvas may be damp cleaned and dried with a cloth. Dry clean heavily soiled cotton if possible.

Wash and dry umbrellas made of vinyl laminate fabric in the open position. Check the pole for corrosion and rust and protect it with a liberal waxing of auto paste wax.

Bush hammocks to remove soil, scrub with warm water and detergent or mashing wash and hang back in place to dry wrinkle-free. Wax the hammock suspension cords with paraffin to prolong their life.

Get Lawns In Shape For Spring

Homeowners can take steps to get their lawns in shape for next spring.

Weed, disease and insect control along with fall fertilization can help get lawns off to a fast start next year, says Spencer Tanksley, county agent with the Texas Agricultural Extension Service, The Texas A&M University System.

Chinch bugs, white grubs and armyworms must be controlled during late summer and fall. Insect damage weakens turf and allows weeds to invade the lawn. Timely applications of insecticides such as diazinon or chlorpyrifos (Dursban) will control most lawn insect problems.

Fall fertilization maintains the lawn's green color and promotes early spring green-up, says Tanksley. A dense, vigorous turf produced by proper fertilization also keeps winter weeds from invading lawns.

Tanksley recommends applying a complete fertilizer with a 3-1-2, 4-1-2 or similar ratio of nitrogen, phosphorus and potash at a rate of 1 to 2 pounds of nitrogen per 1,000 square feet.

If winter weeds have been a problem in past years, apply a preemergence herbicide (chemical weed killer) for additional protection against weeds, advises Tanksley. Materials containing atrazine, benefin, bensulide and dacthal provide preemergence control of many winter annual weeds. Some preemergence herbicides are available in formulations with fertilizers, which simplifies application.

The Extension Agent cautions homeowners to follow label instructions in regard to grass species and rates of application when using herbicides. mater-

ials containing atrazine should not be used around trees and shrubs.

Another fall task for homeowners is to remove excess accumulations of grass clippings or tree leaves from the lawn, says Tanksley. The excess debris from these sources increases thatch accumulation and creates a favorable habitat for insects and disease organisms.

Be ye steadfast and unmovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.

tickets in a few days. The meal will be turkey and dressing and all the trimmings.

On Monday night, Oct. 14th the members will be going to the Friona Lodge to participate in a District Meeting. Anyone wishing to go to Friona should be at the lodge hall before 6:30 p.m. as the group will be leaving at that time.

Plans were made for the 40th anniversary of Rebekahs in Muleshoe on October 22nd. Other lodges and state officers have been invited.

"Make plans to participate in all these events and enjoy the fellowship of your lodge family says" Ruby Green Noble Grand.

Happy Birthday was sung for Ona Berry and refreshments were served by Novella Price, Mildred Kendricks and Ona Berry.

Shop Talk

An editor was dining out--"Would you like some more pudding?" his hostess asked.

"No, thank-you," replied the editor, absent-mindedly. "Owing to tremendous pressure on space I am reluctantly compelled to decline."

Muleshoe Young Homemakers

Muleshoe Young Homemakers met Tuesday, Oct. 8th at Ellis Funeral Home for their program on "Funeral Planning-What you should know."

Todd Ellis, manager-director in charge of Ellis Funeral Home, presented the program. He began by explaining that a funeral isn't for the deceased, but for the living. It provides emotional support for the surviving family and friends. He provided information on the many necessities, financial obligations, and decisions to be made when planning a funeral.

Also discussed were pre-need funeral arrangements which relieve the burden from the family during their time of stress. Ellis stated that he didn't feel that it was beneficial to a child to prevent them from attending the funeral of a relative or close friend. He believes that it helps them cope with the reality of death. Those who wished to do so viewed the selection room. Ellis explained the differences in the caskets and liners and the price range.

Terry Marricle presented him with a handcrafted wall hanging in appreciation for presenting the program.

Young Homemakers will be helping with story hour Wednesday, Oct. 16th. Craft night is Oct. 22, when members will be learning to make crocheted rag vests.

Members attending Tuesday's meeting were Pam Thomason, Kay Graves, Rose Crosswhite, Glenda Powell, Shellye Pickering, Ruth Davis, Jo Ellen Cowart, Linda Turner, Sheila Black, Terry Byers, De Anna Rasco, Terry Marricle, Juana Shelburne, Nonette Robinson, Suzanne Nichols and Pam Hancock.

Next month's program will be their annual Christmas auction.

Muleshoe Native Named To Best Dressed List

Sheryl Borden, host and producer of KENW-TV's "Creative Living" program, has been named one of New Mexico's Best Dressed Women by the New Mexico Business Journal.

Ms. Borden is among 20 New Mexicans, 10 women and 10 men, named to the list. Photos of the group appear in the October issue of the statewide magazine.

A native of Muleshoe, Ms. Borden has lived for the past 21 years in Portales, where she and her husband Bobby are raising their three children. A former New Mexico Extension Home Economist, she is active in community work and is currently president of the Portales Woman's Club.

Faced with a weedy taping schedule for "Creative Living", she coordinates separates to provide wardrobe versatility. She enjoys bright colors and likes to use them to provide contrast to the muted shades used for the "Creative Living" set.

This October marks the seventh year she has been host and producer of "Creative Living", (formerly "The Creative Woman" show). For the past three years, the program has been distributed nationally by the Pacific Mountain Network. It airs over 90 public television stations.

KENW-TV is the public television station serving Eastern New Mexico and West Texas.

Miss Smallwood, Martin Repeat Marriage Vows

MR. AND MRS. WILLIAM DAVID MARTIN JR.
(nee Sheranette Elizabeth Smallwood)

Miss Lubbock Vistis Sudan Church

By Evelyn Ritchie
Sunday evening, October 6 the Sudan First United Methodist Church offered an unique opportunity for the people of Sudan. Miss Lubbock, Leslie Chambers, shared in the evening worship service. She presented several songs and shared her testimony about what the Lord has done in her life.

Miss Chambers has traveled extensively since becoming Miss Lubbock last year. She participated in the Miss Texas pageant where she was chosen in the top ten. Many of the trips she has made have been to share about Jesus Christ and the influence that He has had upon her life.

Following the evening service, at seven, the youth of the church shared a sack supper in the fellowship hall. Miss Chambers spent a special time with them. All junior high and senior high youth were invited to bring a sack supper and come

be with Leslie.

While a student at Coronado High School in Lubbock she was active in many activities, including Fellowship of Christian Athletes, National Honor Society, Choir, Band, Student Council and was a cheerleader all three years, serving as Head cheerleader her senior year. She was also homecoming queen and Miss Coronado High School in her senior year.

Active in her local church, Highland Baptist Church in Lubbock, she is an active member of the youth group and choir there. She has sung for many revivals in the area in recent years as well as for many other occasions including: weddings, Lion's Clubs, Shriners, YMCA Kickoff Banquet, teacher appreciation banquets in several schools, the Mayor's Chamber of Commerce Breakfast in Lubbock, and at other functions as well.

Miss Sheranette Elizabeth Smallwood became the bride of William David Martin, Jr. Saturday, September 7 in the Farwell First Baptist Church. Pat Riley, pastor, read the double ring vows.

Parents of the couple are Joe B. and Jackie Smallwood of Farwell and Bill and Yaunda Martin of Lariat.

The altar of the church was centered with a brass wedding arch draped with silk stephanotis garlands and greenery holding columns of baskets with white mums and gladiolas, dusty rose carnations and baby's breath. A halo topped the arch with seven votive cups filled with dusty rose candles.

Two larger baskets of silk co-ordinating flowers flanked the wedding arch. Draped banisters with silk garlands of greenery and small bouquets of accenting flowers complimented the altar. At the foot of the altar, two brass votive stands decorated with silk greenery and dusty rose baby's breath joined the altar and banisters. The altar background was designed with silk palm trees and parlor ferns.

The parents pews were decorated with silk greenery and stephanotis, dusty rose pinks carnations and baby's breath, accented with a votive cup and dusty rose satin bow.

Marjorie Watkins, organist, accompanied Jack Smallwood, soloist, brother of the bride, as he sang "My Love For You." Lonnetta Hudgens, cousin of the groom, sang "You're My Only Love", and Rusty and Jack Smallwood, brothers of the bride, sang "To Me".

Given in marriage by her father, the bride wore a formal gown of white silk organza, featuring a fitted bodice and full skirt. The bodice was enhanced with Alecon lace motif with seed pearls outlining the sweetheart neckline and stand up collar. Pearl buttons fastened the back of the bodice and the wide cuffs of the full gathered sleeves.

The A-line skirt fell to a lace trimmed hem, sweeping to back fullness and forming a cathedral

train. Lace appliques and pearls trimmed the skirt front panel and train. Her alencon and satin pearl beaded pancake style hat featured a French net blusher with a pearl studded waltz length veil.

Her bridal bouquet was a soft flowing cascade of silk white gladiolas, dusty rose filler flowers and rose buds with clusters of white satin and lace ribbon with satin and lace streamers attached to mini "kissi balls" of co-ordinating flowers and bows. The bouquet was accented with pink satin and pearl hearts.

In keeping with tradition for something old the bride wore her great great grandmother's gold wedding band. Something new was her wedding gown, something borrowed was an ivory rose necklace and earrings, borrowed from Peggy Goettsch; and something blue was her garter.

Rhonda Dale of Farwell, cousin of the groom served as

Richland Hills Baptist Church Honors Teachers

Members of the Richland Hills Baptist Church met Wednesday, Sept. 25 at 7 p.m. for a salad supper to honor their school teachers.

The program began with the meal and moving along to a few cheers led by the Richland Hills cheerleaders.

Teachers being honored were: Marquita Adamson, Hellen Adrian, Shelley Dunham, Carolyn Maxwell, Bro. Brock Sanders and Johanna Wrinkle.

Special guests included: Jane Raines and Pat Watson.

Each teacher was recognized by some "outstanding" thing they did in earlier years. The teachers received a red apple and pencil in appreciation for all their hard work.

The program was concluded by Bro. Brock Sanders, pastor, with a few scriptures from the Bible and a prayer.

maid of honor and Shelley Ford of Farwell was bridesmaid.

Danny Davis, cousin of the groom, of Clovis, N.M. served as best man. Groomsman was Rusty Smallwood, brother of the bride, of Levelland.

Paul Fulcher, cousin of the bride, and Gary White, both of Farwell were ushers.

Following the ceremony, a reception was held in the reception hall of the church. After cutting of the cake, the bride and groom lit the unity candle, signifying the two becoming one. The unity candle, featuring an array of silk flowers, held a place of honor by the guest book table in the

Caice Hendrix Named October Girl Of Month

Miss Caice Hendrix, daughter of Alton and Elaine Parker, has been chosen as October Girl of the Month by the American Association of University Women (AAUW).

Each month of the school year a junior or senior girl of Muleshoe High School is chosen to receive this honor. These young ladies must exhibit leadership qualities in school, church and community. They must also reflect high moral character and have an academic standing of 80 or above.

Miss Hendrix is a senior at MHS where she is active in a number of school activities. She has been a member of the track team since her freshman year and a member of the cross country team last year and this year. She is also a member of Fellowship of Christian Athletes, Future Teachers of America, National Honor Society, the Student Community Action Club and Student Council, where she serves as historian.

In the past she was a member of the band and was a member of the Pep Club. Last year she received a Personal Financial Management Award.

She attends the Calvary Baptist Church. Through membership in SCAC, she works with the Muleshoe Heritage Foundation and the Sesqui-centennial Committee.

Caice plans to attend Texas Tech University and major in business management following graduation from Muleshoe High School.

A spokeswoman from the group said that AAUW is proud to recognize Caice Hendrix as the October Girl of the Month.

church foyer. The two tapers were lit before the ceremony.

Following a wedding trip to Ruidoso, N.M., the couple are making their home at Lariat.

The bride graduated from Farwell High School, attended Eastern New Mexico University and is now employed with Aldridge, Harding, Aycock and Actkinson Law Firm of Farwell.

Martin graduated from Farwell High School and is presently farming near Lariat.

Creative Living

with Sheryl Borden

Three topics will be presented on "Creative Living" on October 15 and 19. Did you know that about one-half of all Americans participate in some form of weight control and/or physical activity. And, why do some diets work and other don't? Audrey Waldorf is with the Romal Meal Co. from Tacoma, WA and she will discuss the Roman Meal Diet Plan and explain why it does work.

Another guest will be Kathleen Kerr, Consumer Advocate with the N.M. Attorney General's office in Santa Fe. Kathleen works in the Consumer Protection and Economic Crimes Division. As one of the consumer advocates, her job entails extensive public contact with citizens and she's going to explain how we can learn to complain effectively and get the results we want.

If you have teenagers in your household or anyone with a big appetite, you'll enjoy learning how deli meats can really stretch the food dollar and provide wholesome nutritious food at the same time. Mary Jo Bergland is a home economist with Swift and Co. from Glen Ellyn, Illinois and she'll share some recipes for submarine sandwiches and hero sandwiches that are mouth-watering.

On October 17, three additional topics will be presented on the show. Making instant waistbands will be presented by Jane Schenck, education director for the Pellon Corp. from New York. She uses a product called "Fuse-N-Fold" and with it you can make professional looking waistbands on any garment in a matter of minutes.

Another guest will be New York artist, Butch Krutchik, who creates chic paper art using the ordinary brown paper bag. On the show, Butch will make decorations for Halloween, Christmas and Easter, and you'll be surprised at how easy some of these are to make. The Paper bag is celebrating it's 102 birthday this year, and Butch represents the American Paper Institute.

The show will begin with a quick demonstration on some ways to make food inviting for children -- even food that's good for them. Helen Pruet is a home economist with the Milnot Co. from St. Louis, Missouri. "Creative Living" is produced and hosted by Sheryl

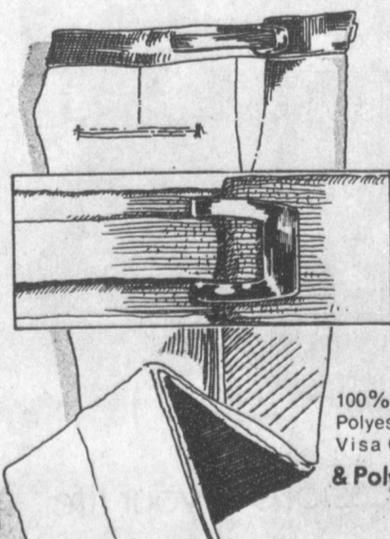

Borden. The show airs on KENW-TV, Channel 3 in Portales at 12 noon on Tuesday and Thursday and 2:00 pm on Saturday. (All times are Mountain Standard).

Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines. In New Mexico, the number is: 1-800-432-2361, out-of-state: 1-800-545-2359, and Portales and Roosevelt County: 562-2112.

"Creative Living" is carried on more than 90 PBS stations in the United States, Canada, Guam and Puerto Rico. The show is distributed nationally by Pacific Mountain Network, Denver, Colorado.

Viewers can also request a copy of the booklet "Creative Living - Volume II," by sending a check or money order for \$6.50 per copy to KENW-TV, Eastern New Mexico University, Portales, New Mexico 88130. The booklets will be available by October 15.

Girl Scouts Gain Members With Sign-Up

It was a very successful 'sign-up' night for the Girl Scouts recently, when more than 40 persons visited the Girl Scout Little House and a total of 16 new Scouts were signed up.

Brownies signing up included Yolanda Kay DeHoyas, daughter of Mr. and Mrs. Mario DeHoyas; Geneva Eggers, daughter of Mr. and Mrs. Ernest Eggers; Natasha L. Ronek, daughter of Mr. and Mrs. Richard Ronek; Summer Gibbons, daughter of Mr. and Mrs. Tommy Gibbons; Kimberlee Vaughn, daughter of Debbie Vaughn and Heather Williams-Bunch, daughter of Mr. and Mrs. Ronnie Bunch.

Dacia C. Stewart, daughter of Tawna Stewart; Violet Mendoza, daughter of Mr. and Mrs. Tino Mendoza; Amanda Seales, daughter of Mr. and Mrs. Billy Seales; Teri Martin, daughter of Mr. and Mrs. James Martin; Julie Williams, daughter of Mr. and Mrs. Billy Don Williams; Jennifer Taylor, daughter of Mr. and Mrs. Gregory Welch and Rhonda Crawford, daughter of Mr. and Mrs. William Crawford.

Junior Girl Scouts signing up included Margaret Crawford, daughter of Mr. and Mrs. William Crawford and Lucie and Geneva Perez, daughters of Mr. and Mrs. Valdo Perez.

They will join the following Girl Scouts, who were already active in the Scouting program: Amanda Ashford, Jennifer Johnson, Robin Howland, Shawna Delaney, Marlene Martinez, Malinda Tucker, Jolene Cruz, Terrie Gutierrez, Mandy and Susie Edwards, Lorissa Henderson and Stephanie Perez.

Betty Ashford and Linda Tucker will continue as Troop Leaders for the Junior Girl Scouts and Sharon Williams and Tawna Stewart will take one of the Brownie troops, while Vickie Villarreal and an assistant will

take the other troop. A training program will be scheduled in the near future for all new workers and dates will be set for new troop meetings. They will be meeting in the Girl Scout Little House.

Betty Ashford registered the new Scouts and answered questions about the Scouting program. Nelda Merriott and Judy Watson, members of the Scout Hut Renovation Committee, helped with refreshments. Served new Scouts and their parents were cookies, punch and hot spiced tea.

Mrs. Merriott said, "Excitement ran high as the girls became acquainted and enjoyed the refreshments. They enjoyed games on the spacious grounds of the Scout Hut and all are eagerly awaiting their first Scout meeting. It isn't too late to join the program. You may contact Betty Ashford at night at 272-4404."

County Agent Receives 'Top' Nation Award

Kent County extension agent, Shirley Long, knows more uses for cotton than most people could ever imagine.

That's one reason she received the Florence Hall Award, highest honor given by the National Association of Extension Home Economists (NAEHE), at the annual meeting in San Diego, Calif.

Her parents are Ronald and the late Mona Lewis. Her father resides on the 4-6's Ranch at Guthrie. Her grandparents are Mr. and Mrs. George Y. Mitchell and Mr. and Mrs. Leon Lewis, all of Muleshoe; and local aunts include Patricia Wilson, Marilyn Wilson and Helen Head, all of Muleshoe.

She was recognized for her role in starting and providing continuing leadership for the Kent County Cotton Show. The cotton show, and annual event in Kent County for the past four years, was the first in Texas and served as a model for similar events throughout the state.

In a county where 85 percent of the crop income comes from cotton, the show provides opportunities for the county's growers to have their cotton tested and judged, and to hear agricultural experts discuss the cotton industry, she says.

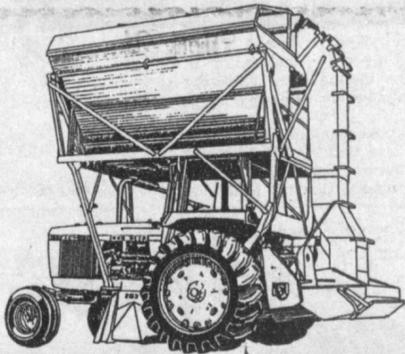

It also promotes the use of cotton products with a cotton style show and exhibits, including those on cotton food products, or decorating with cotton, and 101 uses for cotton denim.

The Florence Hall Award is given to the one extension home economist who most demonstrates outstanding leadership in initiating and implementing educational programs of significance to her county.

A graduate of Texas Tech University, she served as Kent County extension home economist for five years. Prior to that time, she was home economist to Paducah in Cottle County for two years.

She and her husband, Darrell, are residents of Jayton.

Bird Hunting Seasons Given

Dove hunting is currently underway in Bailey County and this area, but several other bird hunt seasons will be open in the near future. Below is a guideline for all bird hunters:

DOVE
Dove hunting season opened September 1 and will continue through November 9, with two white-wings and two white-tipped doves per day as part of the 12-dove bag limit.
A reminder! A \$6 white-winged dove stamp is required to take white-wings in any zone.

QUAIL
For this area, as well as the State of Texas, the quail season will be November 2-February 23.
Quail counts are said to be very low, and it will be difficult to achieve the daily bag limit.

The Texas Parks and Wildlife Commission set the bag limit at 12-birds-per day, and a possession limit of 36.

PHEASANT
Pheasant populations are expected to be 'fair' for the annual pheasant season which will run for two weeks only, December 14-December 29.
Daily bag limit is two cocks per day, and four in possession.

DUCKS
The annual duck season for the High Plains Mallard Management Unit will be November 9-January 12. That includes this immediate area.

Bag limits are based on the 100-point system which has been altered this year to reduce the harvest of ducks, especially pintails and mallards. The point values are: 100-point ducks--canvasbacks, mallard hens, mottled ducks, black ducks; 70-point ducks--redheads, wood ducks, hooded mergansers, and fulvous and black-bellied whistling ducks; 20-point ducks--blue-winged teal, green-winged teal, cinnamon teal, gadwall, scaup, wigeon, shoveler and mergansers, excluding hooded mergansers; 35-point ducks--all other ducks not listed except that the season is closed on masked ducks.

GOOSE
West of Highway 81, the season for all goose species is October 29-January 19.
The bag limit is five geese, not to include more than two dark geese, and the possession limit is twice the daily bag limit.

SANDHILL CRANES
Sandhill crane season will be November 9-February 9. The daily bag limit is three, possession limit is six.
A special permit, issued free of charge by the Texas Parks and Wildlife Department, is required of sandhill crane hunters. These permits will be issued upon written request to the TPWD, 4200 Smith School Road, Austin, TX 78744.

OTHERS
Other season set include woodcock, November 23-January 26, bag limit five, possession limit 10; common snipe (jacksnipe), November 1-February 12, bag limit eight, possession limit 16.

Sorghum Group Hosting Chinese Grain Buyers

A People's Republic of China grain buying study team got a quick overview of the mechanics of purchasing, transporting and feeding U.S. grain sorghum during a three-day stay in the Corpus Christi area September 19-21. The team was hosted in the sorghum area by the Sorghum Promotion Committee of National Grain Sorghum Producers Association. The Sorghum Promotion Committee is funded cooperatively by the grain sorghum checkoff programs of Texas, Kansas and Nebraska.

In the last two years, China has experienced a rising tide of consumerism. Although just beginning, this development has affected the demand for more and better foodstuffs. The Chinese government has made a strong commitment to fulfill the rising food expectations of the people by targeting the animal feed industry for rapid growth in the next five years. Although China is now exporting corn, their feed millers expect to be importing feed grains by 1987.

The PRC team was sponsored in its U.S. grain study mission by U.S. Feed Grains Council. Mr. Roland Hsu, Director of the Council's office in Beijing, accompanied the team as escort and translator. The team was headed by Mr. Kang Wenhai, Deputy Manager of China National Cereals, Oils and Foodstuffs Import and Export Corporation. Other members of the team were: Mr. Zhu Jian, of the same company; Mr. Huang Shen, of China Ocean Shipping Co. and Mr. Zhao Dian Jin, of Qingdao Ocean Shipping Co.

The team toured the Corpus Christi Public Elevator where Manager Bill Jackson explained grain handling and grading procedures and quality control measures. Most of the elevator is new (built since a 1981 explosion) automated and monitored by remote control cameras. Roland Hsu, speaking for the Chinese teams, said "The first interest of this team is loading and ocean transportation of grain. Here in Corpus Christi, we have seen the most modern elevator of our tour." Corpus Christi is a principle port for

shipping U.S. grain sorghum. Tours of two area feedlots gave the Chinese an opportunity to observe grain sorghum being fed to beef cattle. The Perry Foundation Feedlot at Robstown has its own mill to process and mix feed for up to 5,000 animals. The mill also custom mixes and sacks feed for area farmers. R.H. Perry told the team that he prefers Ranch Feedlot, micronized grain sorghum is used as the only grain in finishing rations for a 15,000 head feedlot.

China has no beef cattle at this time. Hsu explained that the small amount of beef produced in China comes from water buffalo and draft cattle. Hsu discussed a proposed Council project to demonstrate the feeding of male dairy calves. He said importation of breeding stock will be necessary before beef cattle herds can be developed but he expects that to happen soon. Grain sorghum Producers Association views such a development as a potential market for U.S. sorghum.

Tanksley Says Cull Open, Late Calving Cows

Farmers and ranchers who haven't already culled open, late-calving and poor performing cows should do so soon.

There's no need to put expensive winter feed into cows that are unproductive and inefficient, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service, The Texas A&M University System. Culling the cow herd now will also help you more effectively plan on feed supplies for the winter months.

The culling process should also "weed out" cows with bad eyes, udders or feet and legs, says Tanksley.

Also, pregnancy testing cows this fall may be a more profitable management tool than ever before.

Since it's difficult for a cow to produce a calf large enough to pay her annual maintenance bill and leave some profit for the

producer, an open cow is surely losing money, emphasizes Tanksley. In addition, cows calving late and during the summer months wean calves 30 to 90 pounds lighter than their herd mates which calve at earlier times. For this reason it's advisable to cull cows which will calve late next year and buy a replacement which will calve early.

Whoever does the pregnancy diagnosis (usually your veterinarian) will be able to estimate the calving date on each animal and make it easy to identify next year's late-calving cows. Work toward a 60-day calving season or one that's certainly no longer than 90 days.

Removing barren and late-calving cows from the herd will increase both the herd's reproductive potential and pounds of calf weaned, contends Tanksley.

Who? Why all this talk about getting back to normal? Who would recognize himself? -Courier, Waterloo.

PEOPLE POWER 60,000,000 STRONG

They are all member-owners of the nation's 40,000 cooperatives found in every state from coast to coast.

They are the people you know and work with every day, committed to the cooperative way of conducting business because it's proven to be both highly efficient and an extremely economical way to meet a variety of needs.

There are cooperatives for electric and telephone service, farm credit, farm marketing and farm supply, food, insurance, health and day care, and credit unions. They're found in the city, in the country, and in between. Cooperatives are big and they're small, but they provide the goods, services and jobs that benefit the entire country.

Co-op people are proud of their consumer-owned business. They've grown and flourished and helped their communities thrive. And thriving communities mean a better America in every way.
