HEREFORD, DEAF SMITH COUNTY, TEXAS, THURSDAY, MAR. 18, 1926

JAIL BREAKERS CAUGHT IN ARDMORE

When Sheriff Benton delivered Earl Moore and Charles O'Mary to the jailer at Wichita Falls last Monday and wired Penitentiary Agent Bud Russell to come and get them, he wrote the final chapter to an interesting local court story which started in Deaf Smith County in 1922.

It will be remembered that in that year chicken thieves caused a heavy loss to local breeders and that finally C. S. Purcell, Sheriff at that time, apprehended Moore and O'Mary, together with their brother, Ed, and the three were tried for burglary in the district court. Ed was acquitted but the other two convicted and given two years in the pen.

With three other men they were confined in the local jail, awaiting the arrival of Mr. Russell to be taken to Huntsville. One night the five tried to escape the jail ceiling and made a sensational escape, leaving no tracks.

Last fall Sheriff Benton received word from Ardmore, Oklahoma, from a special Santa Fe agent, and from a fingerprint expert, that there were two men in the jail there for chicken stealing believed to be the two escaped Deaf Smith county prisoners. Mr. Benton went to Ardmore, identified the two men and then secured requisition papers from Governor Ferguson and the Governor of Oklahoma. The two men were serving a sentence of eight months in the Ardmore jail. Last Saturday, when their term expired, Mr. Benton was on hand and brought them to Wichita Falls, where he placed them in jail and wired Mr. Russell to pick them up on his rounds, as they were already convicted and it was unnecessary to bring them back here.

On his trip to Ardmore Mr. Benton was accompanied as far as Wichita Falls by his wife and Mr. and Mrs. John McLean and children, who stopped off in Wichita Falls and visited relatives while the Sheriff crossed the line.

Orchestra Concert Postponed For Another Week

Director Ralph Smith of the High School Orchestra and Band has again been compelled to postpone the widely advertised musical concert, which was to have been given Friday night, March 19. On account of the closing order for health's sake in Hereford this week this entertainment will be scheduled for Friday night, March 26, provided the danger of a spread of the measles has passed by that time.

Bishop Seaman Held Services Here Last Monday

Bishop Seaman of the Episcopal church, Amarillo, with Mrs. Seaman and two children came down last Monday and held Lenten services at the home of J. E. Giles. A small congregation were greatly impressed by the Bishop's sermon "Spiritual Addition, Subtraction, Multiplication and Division."

Chamness Boys Strike 500 Barrel Oil Well

In a letter to local friends A. E. Chamness, writing from Moran, Texas, states that his sons, Ilo and Lester, have just brought in a 500-barrel oil well. The boys were drenched in oil to their shoes when the strike was made but capped the well and saved the oil.

TO THE VOTERS OF COMMISSIONERS PRESENT NO. 1

After considering the matter carefully and after talking with a considerable number of voters in my precinct, I am for a second time submitting my name as a candidate for Commissioner.

You will recall I was appointed to fill out the unexpired term of my predecessor and at the last election was elected by the people. I would appreciate a second election by the people if they believe I have discharged the duties of the office. If elected I shall continue to perform the duties of the office alike to all sections of the precinct, and believe my experience better qualifies me to understand the needs and serve the interests of my precinct.

J. C. ALLREED.

LITERARY SOCIETY ORGANIZED IN HEREFORD HIGH

The students of the Hereford High School met last Thursday March 11, and organized a Literary Society. There was a very enthusiastic number present and the following officers were elected: President, Urin Streu; vice-president, Inez Jewell; secretary, Nellie Johnson; treasurer, Margaret Thompson.

Miss Clara Mae Glenn, English teacher, has charge of the Club and under her able supervision we expect to be successful in all our undertakings.

New City Paving Keeps City Commission on Jump

The City Commission of Hereford, composed of Mayor Ireland and Commissioners Newell and Dyar, went to Clovis Thursday on a trip of inspection and information concerning paving matters. The Commission is very busy these days studying the question of the right kind of paving for Hereford under the recent authority given them by the voters.

It is understood that bids by contractors have been advertised to be opened on March 23, but at last Monday's luncheon it was announced that the bids would be opened and a contractor probably picked on March 30. Meanwhile a number of contractors or their representatives have been dropping in day by day, looking into the local situation and getting themselves organized for bids on the work.

"M" System Store Ready For Opening Saturday

"We are about ready for our big 'M' Store opening next Saturday, March 20," said Manager H. R. Reed Thursday. "It has been a big job to install the fixtures and stock, and there is a lot of detail to look after, but we will be ready for the public on the dot at 9:00 a. m. Saturday."

Mr. Reed is announcing the opening of the new store in this issue. Several wholesalers will have demonstrations during the day, and sandwiches, cookies and coffee will be served free all day Saturday.

Miss Swisher Given Surprise Dinner by Beyers

Monday evening March 15, Mrs. J. E. Beyers entertained with a surprise dinner for Miss Mattie Swisher of Canyon who was in Hereford for the meeting of the Music Study Club that afternoon.

The guest of the evening were, Mr. and Mrs. H. H. Hawkins, Mr. and Mrs. Alvin C. Thompson, Mr. and Mrs. G. A. F. Parker and Miss Mattie Swisher.

Baseball Team in First Practice of Season on Sunday

Begins to look like Hereford will have a real town baseball team this summer. At any rate, the boys are going at it in a business-like manner, are thoroughly organizing, are picking up all available talent, and Thursday the baseball suits and outfits which had been ordered arrived and will be ready for team candidates when the roll is called the first time.

Manager Charles Whitehead stated Wednesday that the first call for practice has been issued for next Sunday afternoon, when all aspirants for the team will be put through their first workout, in the West End Park, where the games were played last year. Mr. Whitehead said that any one wanting to play ball this summer should report to him at the grounds Sunday afternoon and get their names on the team list.

With such excellent pitchers as Tate and Galbraith vying to go, not to mention several other prospective hurlers, and with lot of new talent to add to last year's lineup, Mr. Whitehead is enthusiastic over the 1926 prospects.

Herbst Ties Wil-Hams Par Record For Golf Course

"Move over," remarked Albert Herbst to Brack Williams, last Sunday afternoon, clambering up on the pedestal in the Hereford Golf Club's Hall of Fame. "Gimme some of that spotlight you are absorbing."

Brack ordered the pedestal just a week before when he shot a par 36 for the first time on the new course. He set a record that looked fair to stand for a long time, but last Sunday Mr. Herbst tied the record, and missed a 35 by one inch. Had he made the last putt he would have lowered the course record one stroke. He had not missed a single putt until the last one on Green No. 9.

There is a pair of them now perched on the pinnacle. Several more ambitious aspirants swear there will be more than two on the mountain top before long.

Charlie Sullivan Visits Old Friends in Hereford

Charlie Sullivan, old time resident of Hereford, passed through Tuesday from his home in Wichita Falls en route to Artesia, N. M., where his boys are located. He spent the day here, visiting with friends.

PUBLIC INSTITUTIONS ARE CLOSED FOR FEW DAYS AS A PREVENTATIVE MEASURE

After consultations between City and County Health Officer, Dr. W. F. Gabbert, other local physicians, the board of trustees of the Hereford Independent School District, and the City Commission last Saturday and Monday it was decided best, in the interests of the public health, to close the schools, the churches and the Star Theatre for a period of two weeks, as a preventative measure against a threatened epidemic of measles. Orders to this effect were issued at once and the schools dismissed. The local ministers of the gospel, one and all, cooperated heartily in the movement, and next Sunday there will be no religious services of any kind in Hereford. Announcements for the coming Sunday will depend upon conditions and will be announced in next weeks Brand.

W. L. Pickett, Star Theatre Manager is the man who will suffer the most, financially, from the closing order, but he showed an immediate public spirit when apprised of the situation and accepted the decision of the public officials cheerfully and willingly. It is hoped that the Theatre can be reopened to the public on Thursday, March 25.

Dr. Gabbert and other physicians are anxious that the true meaning of the closing order be made clear to the people at large. The City Health Officer wants to bring out these points especially:

1. That the closing order comes after the peak of the "Flu" sickness has passed and improved conditions are noted;

2. That the present conditions alone would not warrant the closing order, but with a threatened outbreak of measles among the children right on top of the "Flu" the resulting complications might cause several deaths;

3. That the closing order is purely a preventative measure, not an emergency;

Dr. Gabbert states that, contrary to general opinion, measles are NOT usually transmitted or spread through the agency of clothes, toys, or personal contact AFTER the disease has developed. On the contrary the dangerous period is when the disease is developing, and is most rapidly spread through the agency of coughs. When a child coughs it should immediately be isolated from other members of the family and treated. After the disease has developed and the patient in bed there is not so much danger of spreading from entering the sick room as there was before.

Dr. Gabbert and cooperating physicians make an earnest appeal to the people of the community to keep their children off the streets, to prevent gatherings of all sorts where the children might be exposed, and to use common sense ideas in cooperating to stamp out the threat of measles.

It is the belief of the physicians and school board that the threatened epidemic has been nipped in the bud early enough to stop it quickly, and that normal conditions will be resumed perhaps next week.

W. E. Hicks Sells Steer Yearlings At Record Price

W. E. (Billy) Hicks, Deaf Smith County rancher, has just sold 1300 steer yearlings to Missouri feeders, at a higher price than has been paid in this section since the war.

Mr. Hicks received \$9.35 per hundred pounds for his stuff, weighed at his ranch and delivered April 15. This is the highest price been paid for steers, weighed at the ranch, since the war in this section.

Missouri feeders have been buying cattle in Deaf Smith county for a number of years for feeding purposes, and have found that Panhandle cattle condition just a little better and faster than the average animal. Hence they are willing to pay a premium for the cattle that have made good for them.

Petitions for Trustees School Board Prepared

Petitions were being circulated Thursday asking the Board of Trustees of the Hereford Independent School District to place the names of four trustees whose terms expire this year on the ballot which will be voted on April 3. The four Trustees whose terms expire are J. W. Houston, E. B. Posey, J. O. Newell and C. O. Lee. The holders are H. G. Conkwright, Jeff Gilbreath and C. S. Purcell.

The present board has been harmonious and seems to have given general satisfaction. So far as The Brand knows there is no opposition to the reelection of these four gentlemen.

Local Lyceum Number is Pleasing to Good Crowd

Friday evening March 12, the fourth number of the home talent Lyceum was given in the auditorium of the High School, by the Pep Class of the Christian Church, who rendered a comedy drama entitled "The Path Across the Hill."

Owing to so much sickness in town this play had been postponed once and a large crowd was not expected even then, but the house was well filled and the proceeds proved favorable.

Better Read the Game Law Before Baiting the Hook

Officers of the local chapter of the Izak Walton League are concerned about the possible violation of the fishing game laws of the state, as applied to the Tierra Blanco river. The fishing season is close at hand and some anglers are already feeling the itch of the pole in their hands. The Brand has been requested to reproduce Article 65 of the Fish and Oyster laws of Texas, which covers this matter. The article reads:

"Art. 65 Any person who shall take or catch or have in his possession any bass or crappie from the fresh waters of this State during the months of March and April of any year; or shall take, catch or have in his possession any bass of less length than eleven inches, or any white perch or crappie of less than seven inches, shall be deemed guilty of a misdemeanor, and on conviction shall be fined a sum of not less than ten (\$10) dollars nor more than one hundred (\$100) dollars."

Census Taker is Sometimes Taken For the Peddler

Al Miller is busy this week taking the school census. If anybody is missed Mr. Miller states that word should be left at the Sheriff's office, which is his headquarters.

In discussing the work Mr. Miller smilingly states that the worst feature of taking such a census lies in the "hard boiled" attitude of some people toward anyone knocking at their doors. Some people seem to take it for granted that all visitors are peddlers or solicitors, and refuse to answer the door.

STORK SPECIAL

Born to Mr. and Mrs. A. M. Anderson, March 16, a girl, Ann Louise.

Thursday morning a crowd of young people left for an all day bike and fishing party on the banks of the creek. Among the hikers were, Misses Blanche McDonald, Zella Mae Waiser, Polly Steele, Lamorn Shaw and Martha Duncan, Chaperoned by Mrs. M. L. Steele.

Word was received here this week that Mrs. Oscar Cardwell of Dallas, former resident, would arrive Thursday afternoon for a short visit with Mrs. Bobo McLean, Mrs. Albert Herbst, and other friends.

WATERWORKS GIVEN O. K. AT LUNCHEON

Plans for the extension of eight inch water mains around the business section of Hereford so that fire hazards can be reduced to the minimum and so that the insurance rate can be reduced, were discussed at the weekly luncheon of the Hereford Chamber of Commerce Monday, Mayor E. S. Ireland explained the extension planned and just what it would mean to the City in the way of safety. G. A. F. Parker and Ralph Barnett both spoke in favor of the extension, and the body voted unanimously supporting the City Commission in doing this.

A. O. Thompson made a short talk urging the local body to get behind Edward Blood, who is distributing free sugar beet seed to the irrigation farmers of Deaf Smith County so that a direct test can be obtained in this new industry. "Our County agent and local business men should urge the farmers to take hold of this project," Thompson declared.

County Agent R. O. Dunkle made a brief talk on the Deaf Smith county fair which is being planned for next fall. He said that the local business men and the farmers of Deaf Smith county should start right now on the fair plans, and work to make it one of the best in this section. Mr. Dunkle said that a fair was of much educational value to the farmers in addition to being an entertainment feature.

T. D. Moss reported on the trip to the Fort Worth Fat Stock Show, and told of the splendid showing that D. I. McDonald made with his Hereford cattle. Mr. McDonald averaged \$923 on the four bulls he consigned, in addition to topping the sale with Superior 3rd. More than twenty people from Hereford attended the show.

Another Cooke County Settler Has Arrived

Another new settler, with a family and an immigrant car arrived last week and is now a member of the Hereford family. The new-comer is Fred H. Lueb, who is a brother-in-law of A. H. Lueb, and he also hails from Cooke county, Texas.

Mr. Pittner has purchased a tract of land south of town through McDonald & Borden and is preparing to put in a crop.

Lester Wilkinson Plans Move to the Oil Fields

Lester Wilkinson, brother of Henry and Homer Wilkinson, spent a short time here last week visiting relatives. Mr. Wilkinson who has been in California for several years, is an expert electric welder and has gone to the oil fields prospecting for a location for his business there.

Egg Marketing Ass'n to Meet Monday Nite Mar. 29

Announcement is made that the big poultry meeting set for Monday, March 22, at which it is hoped to organize an effective Egg Marketing Association, has been postponed until Monday night, March 29, at 7:45 o'clock in the New High School auditorium. The postponement was caused by the official ban on public gatherings this week.

Postmaster Wear Looks Better, Though Thin

Postmaster J. A. Wear and Mrs. Wear returned Tuesday from a vacation trip of several weeks, most of the time being spent at Mineral Wells and the balance in Dallas, where Mr. Wear's daughter was visited. The Postmaster has dropped twenty pounds since the beginning of his illness, but aside from this is improved in general health.

Mrs. Louie Huckert Sets Mark in Raising Onions

Onion sharks of Deaf Smith county will have to get busy if they want to beat Mrs. Louie Huckert of Sumnerfield for honors in the raising onions.

Last year Mrs. Huckert produced a record that will be hard for others to equal, and she has already served notice that she will be out to do better this year. Mrs. Huckert sold \$101.90 worth of onions last year, and supplied her family and a number of the neighbors with onions from her patch. The unusual part of it was that she planted only sixty five cents worth of seed for the entire patch. Onions thrive in this section, according to Mrs. Huckert, and with the proper care, can be made into one of Deaf Smith county's most profitable industries. She plans a larger crop for the coming season.

THE RANGE SECRET

We will let you in on why we say this is a range year—

First—Electric ranges are cheaper than formerly.

Second—The cost of installing them is less.

Third—The monthly minimum charge has been cut in half for operating them.

Fourth—The Company is selling ranges on time payments.

Fifth—The new High Line will soon be here when we will have unlimited capacity for handling additional load.

Lastly—The electric Range has proven its dependability—its economy—its very necessity.

Mr. Wm. Negele returned Friday from his recent trip to Arkansas. Buster Thompson young son of J. David Thompson is in the hospital where he underwent an operation caused by the after-effects of the flu. We hope he may soon regain his usual health.

Mrs. W. T. Smith visited Mrs. Walter Gindon Saturday afternoon.

Miss Margaret Batchelar was unable to be in school the first of the week on account of her mother's illness.

SUMMERFIELD

This community has had many sorrows the past week.

Last Thursday morning the little daughter of Mr. and Mrs. W. F. Bufkin passed on to her eternal home. Having been sick two weeks with pneumonia. We wonder why God calls such young ones from our midst, but he knows best. She was just a bud and we know that she will be a blooming flower in the parlors of Heaven.

The funeral services were conducted by Rev. W. R. Hill and the body

was laid to rest in the Hereford cemetery.

Mrs. Bertha Thornton died at her home south of Summerfield last Friday night at 8 o'clock. She was only confined to her bed four or five days.

Mrs. Thornton was 32 years of age and was the mother of eight children, the youngest being only 2 days old. Besides the children her husband and one brother survive her. She has many friends here, who realize that she has gone to live with the good and blessed, and where there will be no more sorrow or sadness. God is ever calling his loved ones home, and we know his hand has led our dear one to the Pearly Gates.

Mrs. Thornton was a member of the Christian Church.

Funeral services were conducted at the home, 1:30 Saturday afternoon, by Rev. Monroe. The body was laid to rest in the Dimmitt cemetery.

Rev. J. A. Lindley, our Association's Missionary preached here Saturday night and Sunday.

Bro. Lindley brought the sad news of the death of Bro. Roaring of Canyon. Bro. Roaring had many friends in this part of the county.

Mr. and Mrs. Ray Roberson went to Portales last Thursday to take their Aunt, Mrs. Sane home.

Mr. and Mrs. C. R. Walser and family spent Sunday in the home of Mr. and Mrs. J. C. Lance.

Miss Myrtle Smith spent Sunday afternoon in the R. D. Lance home.

Mr. and Mrs. Charlie Roberson spent Sunday in the home of Mr. and Mrs. W. E. Hawkins.

Mr. Evans of Happy was in the community on business Monday.

Misses Mary Belle, Vergie, and Lorene Atchley spent Sunday afternoon with Mrs. Brit Clark.

Mr. and Mrs. B. C. Roberson and Mr. and Mrs. Lee Kendall spent Sunday in the home of Mr. and Mrs. Ky. Lawrence.

CARD OF THANKS

We wish to extend our heartfelt thanks to our friends and neighbors for their kindness and services during our recent bereavement. We also want to express our appreciation for the lovely flowers.

Mrs. J. N. McConnell and family

"YOU ARE ENTITLED TO KNOW THE FACTS"
DODGE BROTHERS, INC.

Over a Cliff in this STEEL BODY without injuring the DRIVER!

A careless driver . . . A triple somersault over a cliff . . . and this is the car—a Dodge Brothers all steel safety car.

A triple somersault over a cliff with the car you see in this picture! Such was the experience of its owner, who came through the fall uninjured.

After an hour of repair work, he drove the car from Montana to Minneapolis—a more sensible driver and much wiser.

All steel construction saved his life, as it has saved many other lives in the past, and will save thousands more in the future

Dodge Brothers print this advertisement because they believe motorists are entitled to all steel safety and should insist upon it.

That's why Dodge Brothers introduced all steel construction more than eleven years ago—and recently announced additional all steel safety features.

The streets are swarming with 20,000,000 motor cars—millions more are on the way. Safety is the issue. Armor yourself and your family with steel.

Dodge Brothers Motor Cars—both open and closed—are all steel in the strictest sense of the term. Steel reinforced by steel—framed, braced and buttressed by steel—with all seams solidly and permanently welded together by electricity.

Slim steel pillars replace the old bulky wooden corner posts—permitting unparalleled driving vision—a safety feature of the first importance.

Compare such bodies with the usual wood, or wood-and-metal body, and you will be astonished that every automobile builder has not adopted this advanced safety construction.

Remember, also, that safety is the watchword of Dodge Brothers construction throughout, as witnessed by Dodge Brothers exceptionally large, quick-action brakes, and the exceptional ruggedness and dependability of Dodge Brothers axles, frames, steering parts, and other vital units.

This car will continue to be a "four".

Mr. Carl and Jesse Bowen returned to their home Saturday after a four weeks visit with relatives and friends at Decatur, Dallas and other points. They report a most enjoyable visit. They also say they saw the ground muddy which is a rare sight for a man in this country to behold.

Mr. Jack Boling and wife of Amarillo spent the week end with Mr. Boling's father Mr. T. H. Boling of this community.

Miss Ruth Woodard of near Wildorado and Mrs. Galloway of Childress were visitors at Paloduro Church Sunday night.

Bro. A. M. Dowell delivered two good sermons Sunday, and were both good but the one Sunday night was one of the best the writer has ever heard and most everyone expressed themselves the same way. Of course there were a few (as is always the case) that did not sanction it but if all would let it apply to their lives they would be greatly benefitted thereby. The Text was Belsazzar's Feast and the pastor did not confine his talk to eating and drinking but made it apply to all the sins of so called high society.

A few of the folks took dinner in the home of Frank Daniel at Wildorado Sunday.

Mr. Joe Davis of Amarillo visited Saturday and Sunday in the home of his brother John Davis.

Mr. W. T. Womble and wife and Mr. M. D. Womble and wife of Hereford returned from Fort Worth Saturday afternoon where they had been attending the fat stock show for a week.

Miss Frieda McLain and the teachers at Fairview Misses Gertrude Short Edna Bonds, and Lucile Cook visited last Sunday in the W. B. Bowen home.

Mrs. I. N. Hutchens was taken to the sanitarium at Amarillo last week with pneumonia, she has been pretty sick but is getting better now.

Barnest Walker spent Saturday night with Kin Ware.

A. R. Norman and family took dinner with J. P. Walker and family Sunday.

Miss Ruth Dowell of Vega spent the week end with Miss Frieda McLain.

Mr. John Boling and wife visited Sunday in the home of John Davis and family.

Mr. M. L. Hammer and children went to Turkey Texas last Friday to visit relatives, they returned home on Sunday afternoon.

Miss Ruby Atkins of near Wildorado was a visitor at church Sunday night.

Mr. H. J. Ogelsby and J. C. Allred went to Hereford last Monday and Mr. Ogelsby brought some road machinery back.

NOTICE OF SHERIFF'S SALE

The State of Texas, County of Deaf Smith.

By virtue of an order of sale with Writ of possession issued out of the Honorable District Court of Potter County, Texas, on the 1st day of March, A. D. 1926, by the clerk thereof in the case of M. L. Phillips, plaintiff, Vs W. G. Renison, and wife, Mrs D. J. Renison, I. A. Allred, Oswald Kunse and Wildorado State Bank, a corporation, defendants, in cause No. 4639 and to me as Sheriff directed and delivered, I will proceed to sell within the hours prescribed by law for sheriff's sales on the 1st Tuesday in April, A. D. 1926, it being the 6th day of said month before the court house door of said Deaf Smith County, Texas, in the City of Hereford, Texas, the following described real estate, to-wit:

Two Hundred Forty (240) acres of land known and described as being the most western 240 acres off of the west side of survey No. Twenty-seven (27) in Block K-8, located by virtue of Certificate No. 1-000 issued to Beatty, Seale & Forwood, by the Commissioner of the General Land Office and patented by the State of Texas to Samuel Brierly, assignee of said B. S. & F., the said Patent being No. 400, Volume 24, and dated Aug. 2, 1876. The said 240 acres being a strip of land lying next to the west boundary line of said survey and extending from the north to the south boundary lines thereof.

Levied on the 3rd day of March, A. D. 1926, as the property of W. G. Renison to satisfy a judgement against the defendant, W. G. Renison in favor of M. L. Phillips for the sum of \$5,769.28, with interest thereon at the rate of ten per cent per annum from the 27th day of January, A. D. 1926, and all costs of suit.

Given under my hand the 3rd day of March, A. D. 1926.

The singing at the New Hope Sunday afternoon was well attended and some fine singing was enjoyed. Many visiting singers were present. Some from Plain, Field, Grady, Ruth, San Juan, Belleview and Portales. The Plateau Singing Convention is to meet at New Hope the third Sunday in April. We have been having quite a bit of threatening weather of late, but not much moisture. However the wheat is looking green.

Pitzmann, Clyde Erskine Jr., Jean Blanche Erskine Gray, Corrinne Elizabeth Erskine Kenney, Homer O. Sams, Susanne Sams, Frank Erskine Jr., Maud Wallace, and Minnie Erskine, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Castro County, to be holden at the Courthouse thereof, in Dimmitt, on the 3rd Monday in April A. D. 1926, the same being the 19th day of April A. D. 1926, then and there to answer a petition filed in said court on the 5th day of March A. D. 1926, in a suit numbered on the docket of said court, number 1425 wherein Mary E. Tainter, W. H. H. Tainter, Lucian Erskine, Green Erskine, Cornelia Edwards, and L. M. Edwards, are plaintiffs and Edward Erskine, Kate Erskine, Lizzie D. Cannon,

J. D. Cannon, George Erskine, Mary Erskine, M. P. Sangulnet, Annie E. Sangulnet, Irene H. Love, John E. Love, Mark Erskine, Alice V. Williams, Annie R. Blakemore, Lee Blakemore, Edwin S. Pitzmann, Fannie V. Pitzmann, Clyde Erskine Jr., Jean Blanche Erskine Gray, Corrinne Elizabeth Erskine Kenney, Homer O. Sams, Susanne Sams, Frank Erskine Jr., Maud Wallace and Minnie Erskine and the unknown heirs and legal representatives of each of the said Edward Erskine, Kate Erskine, Lizzie D. Cannon, J. D. Cannon, George Erskine, Mary Erskine, M. P. Sangulnet, Annie E. Sangulnet, Irene H. Love, John E. Love, Mark Erskine, Alice V. Williams, Annie R. Blakemore, Lee Blakemore, Edwin S. Pitzmann, Fannie V. Pitzmann, Clyde Erskine Jr., Jean Blanche Erskine Gray, Corrinne Elizabeth Erskine Kenney, Homer O. Sams, Susanne Sams, Frank Erskine Jr., Maud Wallace and Minnie Erskine are defendants. Said petition alleging in substance that the plaintiffs are the common owners in fee simple of the following described land situated in Castro County, Texas, to-wit: All of section No. 19, Certificate No. 1-584, All of Section No. 21, Certificate No. 1-585, and all of Section No. 23, Certificate No. 1-586, a part of Section No. 1, Certificate No. 1-587, and a part of Section No. 3, Certificate No. 1-592, all in block No. K-13, Original Grantee, Beatty, Seale & Forwood.

That the plaintiffs Mary E. Tainter, Lucian Erskine, and Green Erskine, are the joint owners of all of said Sections Nos. 19, 21, 23, and the west one-half and the South-east one-fourth of Section No. 1, above described. That the plaintiff Mary E. Tainter is the owner of the West one-half of the North-east one-fourth of said Section No. 1, above described, and the North-west one-fourth of the North-west one-fourth and part of the Western part of the North-east one-fourth of the North-West one-fourth of said Section No. 3, above described, which last tract is described by metes and bounds as follows: Beginning at the N. W. Corner of said Survey No. 3; Thence E. 650.83 vrs. to point in N. line of said Section 3, for N. E. Corner of this tract; Thence S. Parallel with the W. line of said Section No. 3, 479.825 vrs.

to point for S. E. Corner of this tract; Thence W. parallel with the N. line of said Section 3, 650.83 vrs. to point in W. line of said Section for S. W. Corner of this tract; Thence N. with the W. line of said Section 479.825 vrs. to the place of beginning, containing 332 acres of land. That the plaintiff Cornelia Edwards is the owner of all the South one-half of Section No. 3, Certificate No. 1-592, in block K-13, above described, and containing 332 acres of land. That the plaintiff and those under whom they claim acquired their title to said lands through and by virtue of a decree rendered by the District Court of Castro County, Texas in Cause No. 75, Mary Erskine Tainter et al versus Clyde Erskine et al as well as by regular chain of title from the State of Texas and by the ten year statute of limitation in that they and those under whom they claim, had prior to the filing of this suit, had and held adverse peaceable possession of said land and paying taxes thereon and claiming to be the owners thereof under deeds duly registered, and that said possession was actual and visible continuous and not interrupted. That the defendants are asserting and claiming some rights, titles, interest and estate to said lands that plaintiffs do not know just what rights, titles, interest or estate the defendants are asserting or making but that plaintiffs title is superior to any rights, titles, interest or estates the defendants' or either of them have in or to said lands. That said claims of title, interest, and estate to said lands casts and creates a cloud on plaintiffs title thereto. Plaintiffs pray for the recovery

of the title to said lands of defendants, that they be quieted in their title thereto, and that defendants' rights, titles, interests, estates and claims in and to said lands be cancelled, annulled and removed as clouds on plaintiffs' title. Herein fall not but have before said Court, as its aforesaid regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, this 15th day of March A. D. 1926. (seal) JOE HASTINGS Clerk of District Court of Castro County, Texas. 9-4t

Buick is More Expensively Built But it Costs Less to Buy one Buick is built more expensively than any other cars in or near the Buick price class. "Expensively built" means that the different parts and units of the Buick motor car are the best that engineers can design. But, thanks to the large volume which public demand has given to Buick, and thanks also to production methods that are models of efficiency in an entire industry, the Buick motor car can be sold to you at a very moderate price. Many Buick features are duplicated only in America's highest priced motor cars. Buick, for instance, uses the Torque Tube Drive to transmit the drive of the rear wheels to the chassis, instead of burdening the rear springs with this added duty. The highest priced car in America uses the torque tube. And so does Buick! The American public wants finer transportation and Buick provides it at lower cost. Consequently Buick is a very popular car. Come in and examine the Better Buick.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either. One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Stubborn Coughs Quickly Stopped This New Way

It is often surprising how the most persistent, hacking cough that not only robs you of strength and sleep, but often leads to more serious trouble, yields quickly to a simple but wonderfully effective treatment. This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful at bed time and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. So with the cause removed, coughing stops quickly, your sleep undisturbed, and the entire cough condition soon disappears.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

SUNDAY SCHOOL LESSON
For March 21, 1926

T. Morgan, Pastor First Christian Church
Jesus Dies and Rises From the Dead
Lesson Material; Jno. 18:1-20:23
Golden Text: "Therefore doth Father love me, because I lay down my life that I may take it again." Jno. 10:17.

The Lesson Scripture
Jno. 19:23-30; 20:19,20

23. "The soldiers therefore, when they had crucified Jesus, took his garments and made four parts, to every soldier a part: and also the coat: now the coat was without seam woven from the top throughout. 24. They said therefore one to another, Let us not rend it, but cast lots for it, whose it shall be: that the scriptures might be fulfilled which saith, They parted my raiments among them, And upon my vesture did they cast lots. 25. These things therefore the soldiers did. But there were standing by the cross of Jesus his mother, and his mother's sister, Mary the wife of Clopas, and Mary Magdalene. 26. When Jesus therefore saw his mother, and the disciple standing by whom he loved, he saith unto his mother, Woman, behold thy son! 27. Then saith he to the disciple, Behold thy mother! And from that hour the disciple took her into his own home. 28. After this Jesus, knowing that all things are now finished, that the scripture might be accomplished, saith, I thirst. 29. There was set there a vessel full of vinegar: so they put a sponge full of the vinegar upon hyssop, and brought it to his mouth. 3. When Jesus therefore had received the vinegar, he said, It is finished: and he bowed his head, and gave up his spirit. 19. When therefore it was evening, on that day, the first day of the week, and when the doors were shut where the disciples were, for fear of the Jews, Jesus came and stood in the midst, and saith unto them, Peace be with you. 20. And when he had said this, he showed unto them his hands and his side. The disciples therefore were glad when they saw the Lord." The crucifixion took place on Friday. Jesus was crucified about 9 a. m. and died about 3 p. m. He was then buried before 6 o'clock, as the Sabbath began at 6 p. m. The place of the crucifixion was Golgotha or Calvary. This is just north of the wall of Jerusalem. He was

buried in the rock hewn tomb of Joseph of Arimathea, in a garden nearby. After the last supper and the farewell discourse in the Upper Room Jesus went to Olivet's Garden for the season of prayer. Now be sure to read all four of the Gospels to get the details of this event. No one record is sufficient to give us the complete picture of all that happened here. And so it is with all the other scenes connected with the last days of Jesus. Do not limit your scripture reading to the lesson printed in this study. We must not forget that prayer in the garden. What a wonderful prayer it was. Jesus praying until drops of blood, appeared as perspiration on his forehead. His disciples, even the three beloved, slept during this agony. About midnight Judas came with the Roman soldiers. The kiss that he (Judas) gave to Jesus was unnecessary, because Jesus told them he was the one they were seeking. He knew that his hour had come. Without any resistance he surrendered to them. When Peter drew his sword and started to defend him Jesus commanded him to use not the sword.

The Trials
Jesus was conveyed to the house of Annas, the High Priest (Jewish). This was about one a. m. Friday. And before 7 a. m. he had been tried six times and given the death sentence. But why so many trials? Once a High Priest always a High Priest, with the Jews. Annas was one of this kind. Caiaphas was the Jewish High Priest by Roman appointment. The Sanhedrin did not have the power of the death sentence. Pilate, the Roman governor, as you notice had to try him twice, because Herod returned Jesus to Pilate. Pilate found no fault in this innocent man. He tried to shift the responsibility of giving the sentence, so he sent him to Herod. But upon examination Herod did not find

fault in Jesus, and so he returned him to Pilate. Then Pilate was compelled to pass judgement upon him. He knew that Jesus was innocent, and his desire was to release him, but because of the cry of the people he turned him over to the angry mob to be crucified. Now make a close examination and you will see that there were six trials. Who has a good word for Pilate? How guilty is he of the blood of Jesus. He released the guilty one and murdered the innocent. But think of the Pilate of today. Why will men still crucify their Savior when they know he is innocent? Yes we will kill the King of Kings and exonerate the criminal. Death and Burial
Again we say read all four Gospel accounts. It is told here more vividly than we can tell it. The words of Jesus while on the cross are not all recorded by John. It takes all records to make the picture complete. With a crown of thorns on his head he had to carry his own cross to the place of crucifixion. What an awful death, in the pains of death for at least six hours. Why was he willing to do it? How could he pray for those who had crucified him while he was dying? Can you explain it? Give your answer why Jesus died on the cross and then tell why you do not love him. Tender hands laid him to rest in the new tomb of Joseph. The tomb was then sealed and Roman soldiers placed on guard. Neither the soldiers, the sealed tomb, nor death could hold the Son of Man. He was placed in

the tomb late Friday evening. Sunday morning let us see what happened. RESURRECTION
When you wander through a grave yard you notice the epitaphs on the tombs. But notice the epitaphs on the tomb of Jesus. Not a word of it is written. It was spoken by an angel on Sunday morning. How different it is from others, "He is not here." Jesus has "proven immortality. After the resurrection he gave the Great Commission, "All authority is given me etc." How sad this story would be if it ended with the tomb. But how happy and glorious it is when we can say, "He arose." Not only did my Saviour die for me but he came forth from the grave for me.

A New De Laval will stop such WASTE

One separator lost 20 lbs. fat last month; another losing 35 lbs. fat was replaced with a new one.

One of many similar items from cow tester reports—

At 40c. per lb. for butter-fat, one separator lost \$8.00 and the other \$14.00 in just one month. On hundreds of thousands of farms cream is being lost like this because of inferior or worn-out cream separators. Stop this robbery by getting a new De Laval Cream Separator. It will soon pay for itself.

Reports from cow testers, who test skim-milk from separators, and who reach over 6000 dairy farms, show an overwhelming preference for De Laval because of cleaner skimming and longer life. A De Laval will skim closer and do it for 20 or more years with proper care—that's why there are over 2,500,000 De Laval in use, why most creameries use them and why they have won over 1000 grand prizes.

Ford

Costs More to Build—Is Worth More—Yet Sells for Less

If any other manufacturer endeavored to produce a car similar to the Ford according to the high standards of the Ford Motor Company, it would be impossible to offer it at anything like the present low Ford prices.

If the Ford Motor Company would substitute ordinary design for the basic Ford features, Ford cars could be produced and sold for less than the present Ford prices. Yet by so doing, Ford simplicity, durability and reliability would fall below the standard insisted upon by the Ford Motor Company.

Just think! 13,000,000 model T Ford cars have been produced since 1908—almost as many automobiles as were built by all other manufacturers combined. In 1925, almost 2,000,000 Ford cars and trucks were built and sold—and plans for 1926 call for the production of even more than 2,000,000.

It was the superiority of Ford design in 1908 that established Ford leadership. It is this same Ford design, improved but basically unchanged, that is continuing to make the Ford car the outstanding leader among all automobiles.

Features that Contribute to Ford Simplicity—Durability—Reliability

- Three-Point Motor Suspension
- Dual Ignition System
- Simple, Dependable Lubrication
- Left-Hand Drive
- Thermo-Syphon Cooling System
- Torque Tube Drive
- Planetary Transmission
- Multiple Disc-in-oil Clutch

Feeding Scraps Hard on Chicks

Decayed Matter Upsets Digestive System and Causes Unnecessary Losses

Investigations of some recent baby chick losses has revealed that many poultry raisers are accustomed to throw table scraps into the chicken yard in the evening. This is a dangerous practice. In this warm weather such waste matter decays very rapidly, and becomes injurious to the immature digestive system of the chicks. Moreover, such scraps are hardly ever balanced so as to give the chicks the all-round development the poultry wants. Even if fed as a supplement to a balanced ration, scraps have a tendency to unbalance it.

If scraps must be fed, they should be fed only while still fresh, and when the chickens can clean them up quickly. They should be fed to the mature hens not the growing chicks.

The Purina 1926 Poultry book, distributed free through the courtesy of the Jones & McLean Co. of this city, contains detailed directions for feeding growing chicks for more rapid development, and mature hens for egg production, as well as much other valuable matter of interest to poultry raisers.
