VFW's Six-Day Carnival Here Opens Monday

Dudley Shows will move into Veterans Park here tomorrow for a six-day run, sponsored by the Veterans of Foreign Wars, C. W. Smith announced Saturday.

The Dudley Show is one of the best road carnivals making Texas, Smith says, and equipment is of the most modern.

Featured will be 16 rides ranging all the way from the "sears" whisks to children's rides, he explained.

In addition, the show will have 20 concessions. First showing will be tomorrow night. The event will run through next Saturday.

Schools Alter Grade Schools' Time Schedule

Hereford Elementary schools will operate on a new schedule this year, school officials announced Friday after principals had held a special session to work out new hours.

The new schedule means a shorter work day for elementary pupils.

The change in hours was made to permit busses to pick up elementary school pupils first — before junior and senior high school pupils are picked up, Superintendent Darrell Williams explained.

"We had been operating on a reverse pattern," he explained, "which meant our smaller children had to have the longest work days of all pupils. By reversing our procedure, the elementary pupils won't have such long days at school."

The schools will dismiss at 3:30 this year for older elementary schools as compared with 3:55 last year, thus effecting a 25-minute shorter day for these smaller pupils.

First bell will ring at all elementary schools at 8:20 in the morning. Principal Roy Hartman of Shirley, explained, the tardy bell will ring in all elementary schools at 8:35.

Closing schedule will be staggered, he said. First and second-graders will be dismissed at 2:35 p.m. Third-graders will leave school at 3:20 and fourth, fifth and sixth-graders will be dismissed at 3:30.

The new schedules also apply to Central Annex, a four-room first-grade section being held this year in the Old Masonic Masonic Temple.

Rural Crash Of Car, Truck Injures Two

Two persons were injured as a car and pickup collided eight miles northwest of Hereford Friday shortly after 4 p.m. on Farm-to-Market Road 1057.

Rita Carol Harper, Hereford, was rushed to Deaf Smith County Hospital in a Gilliland Ambulance and Gene Alfred Brothers, 431 Western, was taken to the hospital in a private vehicle, where he was treated and released.

Extent of Miss Harper's injuries were not known immediately, and she was kept in the hospital for observation.

Miss Harper was traveling north of the road and Brothers was attempting to turn into a private road.

The vehicles collided in the roadway.

State Area Called Fair's Home Site

By Sara Gillentine

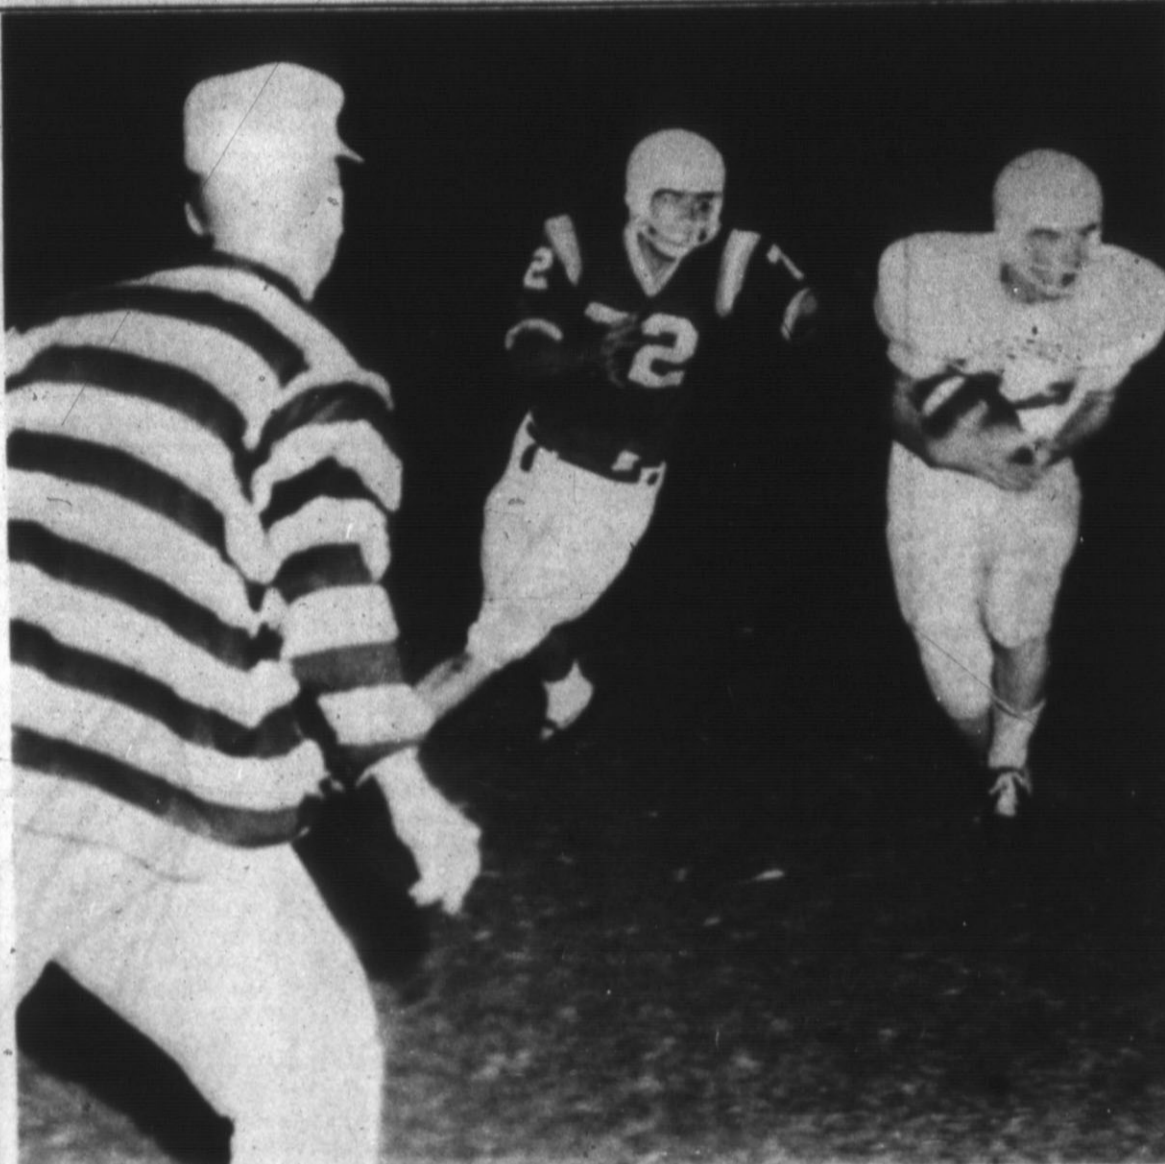

The Federal and State Area of the New York World's Fair is more or less considered home-site of the Fair. The host country, state and city are represented in this section, as is the Fair's symbol, the Unisphere.

Nineteen of the states have pavilions in this area and in them they exhibit many of the natural resources, recreational splendors and productive might of the nation.

"Challenge to Greatness," a theme chosen by the late John F. Kennedy is the theme of the United States pavilion. Inside the 330-foot long building, two films are shown, one of them dramatized the nation's immigrant origins, and the other whisks the visitor through America's past to a future landing on the moon.

Also included in the pavilion is a modern, computer-run research library.

The Maryland pavilion is designed to tell the story of the Battle of Fort Mifflin. It also demonstrates the salty atmosphere of an Eastern shore wharf, and the growth of tourism and commerce in American today. A large restaurant features Maryland specialties such as sea-

"HEY-THAT'S MINE" — This Clovis Wildcat makes a desperate lunge at Steve Hodges, with ball, after Hodges intercepts a pass deep in Whiteface territory in the scrimmage between Hereford and Clovis Friday evening. (Brand Staff Photo)

First Scrimmage Shows Hereford 'Looking Good'

Improvement in the 1964 Hereford Whitefaces seemed to be apparent as the Herd clashed with the Clovis Wildcats in the first scrimmage of the year Friday evening at White face Field.

"We think the boys showed quite a bit of improvement over the inter-squad scrimmage we had last Friday night and think several points in our line-up are looking good while many are not looking so good and will require quite a bit of work," Head Coach Jack Meredith commented Saturday morning.

Meredith explained that the team looked as well as was expected and "we are where we should be."

The first team was pitted against the Clovis Wildcats starting 11 for approximately one and one-half hours.

"We had a lot of time to experiment and see just what we would have to work on the most."

According to Meredith, the coaching staff was pleased with the ball control of the Herd and felt that the pass protection was greatly improved over the inter-squad scrimmage.

"Perhaps our biggest problem was in the failure of the backs

to hit the holes that opened up. We think much more additional yardage could have been gained if the backs had watched their blocking and taken advantage of the openings offered them.

"This is something that will just have to be worked out between now and the beginning of the season."

The second unit scrimmaged the Clovis second unit for nearly an hour and the Hereford "B" team scrimmaged the visiting team's third unit.

"All units of the Herd seemed to hold their own and move the ball fairly well against the Clovis boys."

"Our line looked pretty good and the boys were managing to open up some holes, with what seemed to be some fine blocking."

Stan Sigman and Terry Hill were very much improved over the previous scrimmage and did a fine job for us Friday evening. These two boys have been improving with each workout."

Coach Meredith said the defense was probably the strongest point of the game Friday evening, with some of the boys making a real good showing.

"We think the defense was pretty solid from tackle to tackle, with quite a bit more work to be done yet with our ends and linebackers."

The coaching staff were especially pleased with the showings made by Steve Hodges, Rick

Fangman, and Larry Minks.

"These boys made a good showing and we are expecting them to do a good job for us in the coming season."

"Our gang-tackling was very much improved and we think this point will continue to improve as the season progresses."

"The passing-game was slightly improved over the past scrimmage, but it was not improved as much as was hoped for," Meredith continued.

King's Manor is "making ready fast" for its "Open Campus" next Thursday, and early this week will start moving into its newest units, the Rev. Don Davidson, Executive Director of the home for oldsters, said Saturday.

Kitchen and dining room will move early this week, between lunch and dinner, and furniture and equipment are being moved into Westgate, the new \$220,000 nursing unit which will receive its first patient soon after Thursday's open house. The home expects its first nursing patient about Sept. 15.

School Enrollment Sets New Record At 3599 Students

Hereford schools are off to a roaring start with an all-time enrollment high, Superintendent Darrell Williams said Saturday after a checkup of the first two days of school.

Enrollment at the end of the first two days stood at 3599, which is 343 more pupils than were enrolled at the same time a year ago, and the peak is yet to be reached!

"We expect the top enrollment to be reached the day after Labor Day," the superintendent said, "and every available room will be pressed into service to accommodate the expected peak."

Every school showed an increase except in the two-grade Stanton Junior High which "virtually held its own" as compared with 1963's start, the superintendent's Saturday records showed. Forty pupils are enrolled as special education students.

Elementary school enrollment is 141 greater than at the same time last year. Senior high has an enrollment of 980, a gain of 162 over the start last school year. Junior high was unchanged at 581 students.

Elementary grades totaled 1,998 as compared with 1857 at the start of 1963.

Last year's total enrollment at the end of the second day was 3256.

Williams said the schools are "off to a splendid start," adding, "the principals and the teachers are to be congratulated for their splendid work in getting the year off to such a smooth start. With school only two days old, we are already doing regular, full-time work with classroom instruction hitting its pace right from the start."

He also thanked parents for seeing to it that attendance

was good throughout the system, despite the early start.

The superintendent said the bus schedules had been changed to permit elementary school children from having to wait for high school pupils to be picked up first.

"By reversing the previous procedure, we are able to lose some 25 minutes off the schedules of elementary schools," he

explained, "In the past the elementary school pupils have had to wait for the high school pupils to be picked up first and this meant holding the smaller children in their classrooms too long. We believe the new system will work out much better."

(A complete schedule for the elementary schools appears on this page.)

The superintendent said the new Central Annex (formerly the Masonic Hall) is working out successfully. Pupils are being taken to Central each noon for lunches.

Williams said the senior high area is "faced with a troublesome traffic problem, especially at Union and Ave. F." and asked that parents in bringing pupils to senior high or junior high "avoid that corner if at all possible."

He explained that the traffic situation there results in a bottleneck each morning, and that studies are being made to find a solution to the problem.

"We believe much of the problem could be eliminated if parents in bringing their pupils (Continued on page 2)

Signup Starts For '65 Wheat Program Here

The signup for the 1965 wheat program now is under way at the ASCS County Office, Faust Collier, officer manager of the Deaf Smith County ASCS has announced. The signup will extend over a period of about five weeks he said — from Aug. 24 through Oct. 2. Applications to take part in the program may be filed any working day, from 8 a.m. to 5 p.m.

Collier emphasized that participation in the voluntary wheat program is not automatic — the signup is the first step to qualifying for any of the program's benefits. Participating farmers can get about the same returns from the 1965 program as they received from the 1964 program, and may get more by using new options that will enable many producers to adapt the program more closely to their farming operations.

Growers who are interested in any of the program's new pro-

Farm Bureau Member Drive Is Scheduled

Deaf Smith County Farm Bureau will commence its annual membership drive Tuesday with an all day canvass of the county for new members, according to Denzil Pulliam, president of the group.

A kick-off banquet will be held Monday night, August 31, at the Western Wheel Inn for the benefit of members who will make the Tuesday canvass. The meeting will begin at 8 p.m.

Joe Ed Sullivan, Farm Bureau insurance agent from Plainview, will be present to speak to the group. Sullivan is a former field representative of the state organization, and was at one time a professor at West Texas State University. He now represents the farm organization as an insurance agent in the Hale County District.

Pulliam told the Brand Saturday that every farmer in Deaf Smith and Oldham counties will be contacted and invited to join the Deaf Smith County farm organization.

"We will canvass the two counties Monday," Pulliam said, "and then go back later in the week to talk to those farmers missed on the initial canvass." He said that every farmer contacted will be invited to join the organization.

"We're not going to try to high pressure anyone into joining," he said, "but we believe that there are many farmers sympathetic with the Farm Bureau movement that will join if invited."

Kings Manor Getting Set For 'Open Campus' Day

King's Manor is "making ready fast" for its "Open Campus" next Thursday, and early this week will start moving into its newest units, the Rev. Don Davidson, Executive Director of the home for oldsters, said Saturday.

Kitchen and dining room will move early this week, between lunch and dinner, and furniture and equipment are being moved into Westgate, the new \$220,000 nursing unit which will receive its first patient soon after Thursday's open house. The home expects its first nursing patient about Sept. 15.

Mr. Davidson said Saturday

that "just about everything will be ready. Everybody is getting excited," he said as the present residents of the home make ready for the arrival of "company."

Committees have been named to take charge of various parts of the program, he said. For instance, Mrs. H. K. Hendrick, Friona, will be in charge of registration, and Linda and Laura Higgins will be on hand to explain the maps and drawings displayed on the walls. These will show present and future plans of the sprawling home for oldsters which has upped its price to the \$700,000 mark with the

addition of the new nursing unit and a huge addition to the main welfare building.

The program will open at 2 p.m. with consecration service for Westgate, the new nursing unit, led by Dr. V. N. Henderson, Amarillo, district superintendent of Methodism.

The main address will be given by Bishop Eugene Slater, San Antonio, who is bishop for the Northwest Texas Conference. King's Manor and Westgate are owned by the Conference.

Then at 3 o'clock the program will move to the new enlarged assembly room at King's Manor or proper when hundreds are expected to crowd into the room for another series of talks. Mr. Davidson will preside at that portion when many will be introduced who have aided the home in its building program.

Final feature of the day will (Continued on page 2)

Hayes Seeking 'Free Economy'

Bill Hayes, Republican candidate for congressman-at-large, favors a strong and healthy free economy, a balanced budget, a (Picture on Page 13.)

reduction in foreign imports to "about half" their present level, and a strong get-tough foreign policy.

He also favors a total blockade of Cuba and repeal of the Civil Rights Bill which he brands as unconstitutional.

The GOP candidate, who says he supports the "realty a Jeffersonian States' Rights Democrat," spoke at an appreciation luncheon at Calson's here Friday with Keith Jorde, GOP county chairman as member of congressmen. Joe Davidson is his county campaign chairman. The Temple business man was

critical of his Democratic opponent, Joe Pool, whom he branded as "voting inconsistently" throughout his congressional career.

"He's conservative and he's liberal, all and one at the same time," Hayes charged. "For example, he voted against the Civil Service pay raise for postal employees, but he voted himself a pay raise."

Pool, Hayes claimed, "voted for the food stamp plan which is strictly socialist, but he voted against the poverty bill." The GOP candidate said he had "never yet heard anyone in Texas say he likes Joe Pool, and I've been traveling up and down the state ever since January." Hayes said he believes business should be helped "to be (Continued on page 2)

Hayes...

(Continued from Page 1) healthy and strong" adding, "a healthy economy for business automatically brings about a healthy condition for labor. But this can never be done as long as taxes are destroying the lifeblood of industry."

He called the Administration's foreign policy "weak and inconsistent," claiming it is "very weakness gives aid and comfort to the enemy."

He said he was at a loss to understand why South American meat is being exported into North America "in such numbers as to cripple our own meat industry while at the same time South Americans are allowed beef only two days a week."

He referred to the Democratic party throughout his speech as "the Democrat-Socialist Coalition."

Hayes told his audience not to be surprised "at anything that may happen between now and the election, even to the temporary tearing down of the Berlin Wall if need be to get votes."

He added: "Many strange moves will be made between now and election time as a means of gathering votes. Don't be surprised at anything, and don't be lulled into believing such things are a good sign; they are merely vote-getting devices."

No citations have been issued as officers continue to investigate the collision.

The Hereford Police Department investigated four accidents that occurred within the city limits this week with substantial damage resulting to the vehicles involved in the collisions.

The first accident occurred shortly after 2 p.m. Tuesday at the intersection of Ave. H and 14th Street.

Vehicles driven by Wesley Madson High, Rt. 1, and Ellen Leann Petree, 213 Ave. K, collided in the intersection with more than \$500 in damages resulting to the Petree vehicle.

Miss Petree was cited by investigating patrolmen for failure to yield right of way at a stop sign.

In the second accident, vehicles driven by Beatrice R. Knabes, Star Rt., and Lena Daniel Bell, 904 W. 3, were in collision in the 190 block of W. 3rd, with more than \$100 in damages resulting to the Knabes vehicle.

The accident occurred shortly after 1 p.m. Thursday and Mrs. Bell was cited by investigating patrolmen for negligent collision by backing into a parked vehicle.

A truck and a car collided at the intersection of US 60 and US 385 shortly after 5 p. m. Thursday, spilling carrots over the roadway and doing more than \$850 in damages to the vehicles involved in the accident.

Jose Estrada Ramirez, Hereford, and Norman Eugene Glenn, Canyon, were the drivers of the vehicles involved in the collision.

Glenn, the driver of the truck was cited by investigating patrolmen for failure to yield right-of-way at a red traffic signal.

In the final accident, which occurred shortly after 8:30 p.m. Thursday at the intersection of US 60 and US 385, vehicles driven by John S. Anderson, Hamilton, Ohio, and James S. Fulton, Amarillo, collided, with more than \$500 resulting in damages to the two vehicles.

Fulton was cited by investigating patrolmen for negligent collision by failure to stop for red traffic signal, and not possessing a valid Texas Driver's license.

What creates the enormous stresses in the earth's crust which leads to an earthquake still is not known.

LOTS AND LOTS OF CARROTS — There were carrots to spare when this carrot truck and car collided at the intersection of U.S. 385 and 60 shortly after 5 p.m. Thursday. The car was driven by Jose Estrada Ramirez, Hereford and received \$450 in damages. The truck was driven by Norman Eugene Glenn, Canyon, and received some \$200 in damages. (Brand Staff Photo)

These new provisions include substitution of wheat for feed grains or feed grains for wheat in the diversion program, the establishment of an oats-rye base for the farm, and overseeding the wheat allotment and storing the excess under bond.

In general, growers will qualify for a price-support loan and for marketing certificates by keeping within the farm wheat allotment for the participating farm and for any other farm in which they have an interest, keeping within all other allotments set for the participating farm, diverting an acreage equal to at least 11.11 percent

of the farm allotment to an approved conserving an approved use (in addition to the farm's conserving base), and meeting other overall provisions of the program.

Loan will average \$1.25 per bushel nationally. Domestic certificates will be worth 75 cents per bushel (on as much as 45 percent of the allotment's normal production) and export certificates will be worth 30 cents a bushel (on as much as 35 percent of the allotment's normal production).

To qualify for diversion payments, the participating grower will also underproduce his allotment by at least 10 percent and devote those acres to approved, conserving uses. These payments will be based on 50 percent of the county price-support loan rate and the normal yield for the farm.

The superintendent said all repair work had been completed during the summer months at the various schools, and only project yet to be completed is the installation of boilers at Stanton and Central schools. "We believe they will arrive in time to be installed before cold weather arrives," he said.

Considerable remodeling was done during the summer months, especially at Central Elementary and Stanton Junior High. The schools will return to the 6-3-3 system when schools open in the autumn of 1963 — six elementary grades, three junior high and three senior high. The pro-

posed new building program will make it possible to return to that system, school officials believe.

Construction of a new elementary school north of 15th St. is due to get under way within the next few weeks, and the building is scheduled to be completed in time for use in the autumn of 1963. A new junior high building also is in the offing. Part of a \$2.4 million building project approved by voters at a bond election this spring.

Four Hereford CAP Cadets Go To Camp

Civil Air Patrol cadets from this area attended the annual Texas Wing Summer Encampment at Amarillo AFB this month. Attending from Hereford were Don Hair, James Combs, Jimmy Owen and Lynn Evans. The cadets live an almost identical life as the Air Force personnel. They were required to clean barracks, stand inspections, march in review and attend classes. These classes concerned the aircraft fuel systems, flight controls, electrical and hydraulic systems and the escape system which diversely mark Air Force aircraft. The climax of the encampment was the Military Ball, with graduation ceremonies in the base theater.

The Cadets were given a chance to demonstrate their leadership potential by carrying out various duties. These duties included such things as barracks guard, officer of the day, Squadron Commander and Flight Leaders. This encampment is considered an achievement in the Cadet Training Program and upon competing eight achievements the cadets will receive the Billy Mitchell Award which is geared toward the Aerospace Technology of our Air Force. With the Mitchell Award the cadets qualify as an A/3rd class with a strong foundation in military life.

Only two coaches have won more games at West Texas State than incumbent Joe Kerbel. Frank Kimbrough, present athletic director, won 52 regular season games and two bowl games for a total of 54, the all time high. Al Baggett, head coach from 1933 through 1939, recorded 37 victories. Kerbel and Sam Burton (1921-24; 31-32) each have won 22. Burton lost 21 and tied four. Kerbel losses number 17 with one tie.

Ex-West Texas State halfback Billy Cross, now assistant athletic director at Texas Western, is a member of the National Association of Intercollegiate Athletics (NAIA) Football Hall of Fame. Among the Littlest Buffalo's outstanding achievements is the 295 yard he gained rushing in the 1950 opener against Flagstaff State. The Buffs won that one, 52-12.

A slightly-snug shirt collar can be eased a bit if the collar band is stretched while being damp ironed. Extension clothing specialists at Texas A & M University remind.

Charm Centers Club Program By Miss Marnell

Miss Joanne Marnell was guest speaker on "Charm" for members of Sempre Pre Parado Club in the home of Mrs. Will Walker, 209 Catalpa, Friday evening, Aug. 21. Mrs. Walker, hostess, served a chicken barbecue supper to guests: Mrs. Frank Wilhelm, and Mrs. A. D. Johnson and Mrs. Earline Minor, Littlefield; and to members — Mrs. Charlie Johnson, Mrs. McKinley Hall, Mrs. Homer Eastman, Miss Annie Mae Willis, and Mrs. Jim Scott. Next club meeting will be Fri-

day evening in the home of Mrs. Mildred Jennings, 404 Ave. I.

Maj. Miles Visits Here Enroute To Greenland

Major Irwin F. Miles, son of Mrs. Flossie Miles, 300 Blevins, has been in Hereford visiting his mother. Major Miles has been in Montgomery, Ala., and is now being transferred to Greenland. The family will remain in Montgomery while Major Miles completes his tour of duty in Greenland.

The Buffaloes of West Texas State have never lost a bowl game. The Buffs' first appearance followed the 1950 season when they defeated Cincinnati 14-13 in the Sun Bowl. The 1956

squad outlasted Southern Mississippi 20-13 in the Tangerine Bowl and the 1962 unit came from behind to upset Ohio U. 15-14.

SEPTEMBER BRIDE-ELECT — Miss Dianne Clearman at the country home of her parents, the J. C. Clearmans, is shown ready to leave for Summerfield Educational Building, where she will be honored at a miscellaneous tea-shower. She and Don Sanders, Amarillo, will be married in the church sanctuary Saturday.

Miss Clearman Given Shower

Miss Dianne Clearman, bride-elect of Don Sanders, Amarillo, was honored at a miscellaneous shower-tee Saturday afternoon, Aug. 22, in the Educational Building of Summerfield Baptist Church.

In the receiving line with Mrs. Jack Streun, welcoming hostess, were Mrs. J. C. Clearman, mother of the future bride; Miss Clearman, the honoree; Mrs. Jess Stanford, Amarillo, grandmother of the bride-elect; and Miss Nanetta Clearman, sister of the bride-to-be and her honor attendant in the wedding.

All those in the receiving line and members of the house party wore corsages in tones of Spanish bronze and white, the bride's chosen colors.

These autumn hues were further accented in decoration of the serving table covered in white nylon with overlay of white nylon net having wide satin border and sequin-appliqued wedding bells. The centerpiece was an arrangement of Aztec and Montezuma roses and greenlin gladioli in silver compote with matching candleholders and white tapers. Bows of Spanish bronze and white ribbons at centerpiece sent streamers radiating from candleholders to matching corner bows with flowing ties.

Complementing arrangements of dahlias, gladioli, marigolds, and roses were used in the reception rooms.

Registering guests were Mrs. Jackie Shelton, Amarillo, and Mrs. Billy Lytal, Mrs. Eugene Baldwin and Mrs. Tommy Sparkman presided at the serving table.

Joining as hostesses for this courtesy were Mrs. Jack Streun, Mrs. Carl Lee, Mrs. George DeLozier, Mrs. J. B. Noland, Mrs. Ky Lawrence, Mrs. L. H. Lookingbill Sr., Mrs. Ray Botkin, Mrs. Guy Walsler, Mrs. L. H. Lookingbill Jr., Mrs. W. C. Beene, Mrs. Kenneth Christie, and Mrs. Mack Noland.

Also Mrs. Don Walsler, Mrs. David Hays, Dimmitt, Miss Thelma McMinn, Mrs. Dan Wall, Mrs. L. B. Lookingbill, Mrs. Ray Johnson, and Mrs. Earl Lance.

Miss Clearman and Sanders will exchange marriage vows Saturday in the Summerfield Baptist Church.

Music Clubs' Conclave Set

Fourth Annual Convention of First District Texas Federation of Music Clubs will be held in Hereford Nov. 6 and 7, with two full days of programs and activities for all visitors from the Panhandle clubs, according to Mrs. A. O. Thompson, general chairman for the meeting. Principal sessions will be held in Community Center.

Hereford Music Study Club will be official hostesses for the convention with Dawn Music Club assisting. Senior Day (Fri., Nov. 6) for the 12 senior clubs and two student clubs of the district will include business meetings, speakers, and an afternoon program of performing artists.

Among special events of the day will be luncheon at Hereford Country Club, salad supper at Community Center, a memorial service, and tour of the Holly Plant.

Appearing on the program of performing artists will be such guests artists as Mrs. Joe Hacker, pianist; Mrs. Eugene Brink, violinist; Mrs. Duane Barrett, marimba soloist; the Borger Chamber Music Ensemble; and the Carol Lynn Singers, Amarillo.

Saturday, Nov. 7, events will be arranged entirely for the 35 junior music clubs of the district. Mrs. A. J. Schroeter, First

District Festivals Chairman, will be in charge of all local arrangements for this division of the convention. Her assistant will be Mrs. Carl Wimberley, Dawn.

Hostesses at Saturday's junior luncheon will be the junior music clubs of Hereford and Dawn.

With Mrs. Thompson as chairman, the district planning committee met informally at Community Center Thursday, Aug. 20, to make arrangements for program and speakers and lay guidelines for the November convention.

Working that day with Mrs. Thompson were these First District Officers: Mrs. Dan W. Spencer, Dalhart, president; Mrs. Herschel Miller Jr., Dawn, Mrs. Dick Godwin, 203 Sunset, program chairman; Mrs. B. M. Sims, Wellington, junior counselor and State Publicity Chairman of Texas Federation of Music Clubs; Mrs. A. J. Schroeter, 603 Union Ave., festivals chairman; and Mrs. Levi Reynolds, Dalhart, publicity chairman.

Also attending the planning session and charged with special responsibility was Mrs. B. Y. Crosthwait, 223 Star St., president of Hereford Music Study Club, official hostesses of the convention.

All members of the planning committee attending the informal workshop were guests at luncheon at the Hereford Country Club that day, with Mrs. Dick Godwin as hostess.

Full programs and schedules of events for the two-day convention will be distributed soon, Mrs. Thompson announced.

Church Is Setting For Duncan-Robinson Rites

Miss Tommie Kay Robinson, daughter of Mr. and Mrs. Thomas Robinson, 237 Ave. B, and David Charles Duncan were married in the Sanctuary of the First Christian Church Wednesday evening, August 19.

Officiant at the double ring ceremony was the Rev. Eugene Brink, pastor of the church. Mrs. John T. Sims played traditional wedding music.

The groom is the son of Mrs. Donna M. Duncan, Portland, Ore., and Robert A. Duncan, Gold Hill, Ore.

Given in marriage by her father, the bride wore a winter white suit of featherweight wool bound in pale yellow tailored braid. Her shallow pillbox of pale yellow silk was edged in white lace braid and held her eyelash veil of white tulle. She carried a bridal bouquet of white roses encircling a white phalaenopsis orchid.

The bride wore the wedding ring of her maternal grandmother, Mrs. Nettie Sherman. In sentiment she had placed a six-

pence in her shoe, and she carried a blue handkerchief belonging to her attendant. As she left the sanctuary, the bride presented her mother with a single red rose.

Honor attendants were Miss Gloria Darnon and Michael Frank Robinson, brother of the bride. John Matt Gilliland seated the wedding guests.

The bride has attended Texas Christian University, Fort Worth, and West Texas State University, Canyon, majoring in music education. She was a 1960 graduate

of Hereford High School.

Graduate of Washington High School, Portland, Ore., the groom attended Multnomah Junior College, Portland, and Eastern New Mexico University, Portales. He is presently stationed at Cannon AFB, Clovis, N. M. The young couple are at home at 402 Wallace, Clovis.

In early September the bride will be honored by Hereford hostesses at a miscellaneous shower-tee here.

Homemakers Speeding Plans For Convention

Local arrangements for Young Homemakers of Texas Area I Convention here Sept. 12 are going forward, according to Mrs. Kenneth (Della) DeHart, president of Hereford chapter, official convention hostesses.

Afternoon sessions of the convention will be held in Community Center. Mrs. David Brumley heads the committee on door prizes for the afternoon, with Mrs. Howard Hunter and Larry Dobbs assisting her.

Pre-registration committee includes Mrs. George Zetsche, chairman, Mrs. Bob Hicks, and Mrs. Raymond Gerk.

Decorations committee for the Awards Banquet that night in the high school cafeteria will be under direction of Mrs. Larry Dobbs, chairman, Mrs. Clark Andrews, Mrs. Jess Robinson, and Mrs. Layton Sawyer.

Hereford Chapter will be hostesses also for the salad luncheon honoring all the chapter's "Little Sisters" and the judges for the Little Sister Award. Mrs. Howard Hunter, president-elect of Hereford chapter, and Mrs. Raymond Gerk will be chief hostesses at this event.

At the Aug. 18 meeting of Hereford Chapter of Young Homemakers of Texas in Community Center, with Mrs. DeHart presiding, Pete Plank presented a program of his experiences in Uruguay. He used slides to illustrate his talk on families, living conditions, and farming there.

Hereford chapter of Young Farmers joined the Young Homemakers for refreshments. Mrs. Tommy Sparkman, hostess, served the visitors; Mrs. Floy Driver, guest; and members — Mrs. Bob Hicks, Mrs. James Dobbs, Mrs. David Brumley, Mrs. George Zetsche, Mrs. Layton Sawyer, Mrs. DeHart, Mrs. Hunter; and Mrs. J. J. Durham, Hereford chapter advisor.

a pond stocked with Long Island ducks, and a variety of railroad exhibits give the display the air of an old-fashioned fair. Visitors can take a ride around the exhibit area in a miniature train for an admission price of 25 cents.

Five adobe buildings represent New Mexico at the Fair. Inside these sun-baked walls, the visitor can look at the Indian handicraft and taste the hot enchiladas that are part of the state's heritage. Two of the main attractions are a pool, containing mountain trout and a Trading Post with many Indian products on sale.

A replica of Grauman's Chinese Theater, complete with hand and footprints of celebrities in the pavement, is one of the main attractions at the Hollywood pavilion. The visitor can take a walk through exact replicas of the throne rooms from Cleopatra and The King and I, visit the candy shop from West Side Story or see the French street from Irma La Douce. Music from the film scores is played in the background.

Beta Sigma Phi Breakfast Held

Beta Sigma Phi's "Day of Beginning" was observed this morning when its Kappa Iota Chapter were hostesses to their sister chapter, Xi Epsilon Alpha, at a "Come-As-You-Are Breakfast." Scene of the event was the home of Mrs. Jack Roy Straw, 146 Emma, with 30 members from the chapters present.

Since Beta Sigma Phi is an international organization, the date for its "Day of Beginning" is set by the international office in Kansas City, Mo. This day is set aside for all chapters to meet and introduce their plans for the coming year. Their regular meetings then resume on the first Tuesday of September for their new club year.

Kappa Iota and Xi Epsilon Alpha Chapters will initiate activities for the forthcoming season at their respective meetings Tuesday evening. Then their regular meeting nights will be the first and third Tuesday of every month through May, 1965.

Although relatively inactive through the summer, the chapters continued their contest in selling the "Beta Sigma Phi Cookbook." Copies are still available for the public through this money-making project with funds to be used in furthering the clubs' community programs. By agreement, Kappa Iota as the losing chapter in the contest, became hostesses for this "Day of Beginning."

Breakfast was served from a buffet centered with an arrangement of yellow roses.

Hostesses for this occasion were the Executive Board of Kappa Iota; Mrs. C. D. Fitzgerald Jr., president; Mrs. Glenn Wilson, vice-president; Mrs. Arliss Edwards, recording secretary; Mrs. Bobby Shelton, corresponding secretary; Mrs. Pat Parker, treasurer; Mrs. Jack Roy Straw, extension officer; Mrs. John Gilliland, parliamentarian; and Mrs. Joe Neely, civilian defense officer.

DAY OF BEGINNING — Waiting for Beta Sigma Phi guests at Come-As-You-Are Breakfast are three hostesses of Kappa Iota Chapter's Executive Board: left to right, Mrs. Arliss Edwards, Mrs. C. D. Fitzgerald Jr., and Mrs. Jack Roy Straw, whose home was the scene of the "Day of Beginning" for both local chapters—Xi Epsilon Alpha and Kappa Iota. (Brand Staff Photo)

State Power Authority and a walkway on which visitors can stroll along a miniature highway lined with glimpses of the state's life.

Missouri's glass-enclosed pavilion presents the theme, "First in Air... First in Space." The exhibits include a replica of the Spirit of St. Louis, and the two space capsules, Mercury and Gemini. The snack bar sells some American favorites which are said to have been introduced in the period of the St. Louis Fair of 1904: hot dogs, ice cream cones and iced tea.

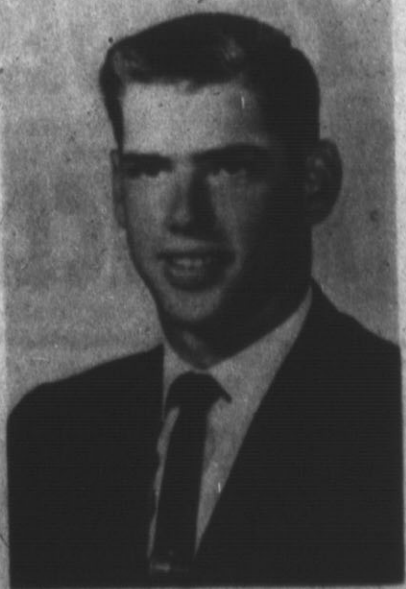

In the white, igloo-shaped pavilion, the 49th state has reconstructed a sample 11-minute day in the North country. Three 30 ft. totem poles, originally carved by Indians for the 1904 St. Louis Fair, are in front of the building. Eskimo and Indian craftsmen are at work behind the pavilion.

New Orleans' famed Bourbon Street is reconstructed in the Louisiana pavilion.

Jazz is the theme, and many well-known musicians perform in the picturesque buildings that line the 200-yard thoroughfare. French and Creole dishes are specialties at the many restaurants and cabarets, and fresh seafood is flown in daily from the Gulf.

Minnesota has an unusual pavilion, which is a colorful, many-sided structure encircled by a waterway. Visitors may fish or take canoe rides. There is a restaurant on the ground floor. The main exhibit area, which focuses attention on the state's industries, is on the second level and can be reached by ramps.

Wheat Ground Now Receiving Fertilizers

By Wm. F. "Bill" Bennett
Agronomist

Fertilization of wheat ground is in full-swing in most area. A few are still waiting for rain.
Last week I discussed the economics of fertilizing wheat and concluded by saying that if you plan to grow wheat, it should be fertilized properly for lowest cost per bushel. This week lets look at different methods of application.
Ammonia is usually applied on 20 inch centers. This can conveniently be done either while the ground is still flat or placed in the sides of the bed after it has been bedded up. Either method is satisfactory.
Phosphorus application is somewhat more involved. Broadcast phosphorus normally should be worked into the soil for best results. Since most of the land has been plowed or disked by now, there is little chance of doing this. There are now several alternatives for applying phosphorus.
One is to broadcast on top of flat ground and then list the land. This, however, throws all of the phosphorus into the beds and leaves none for the wheat in the middles.
Another alternative is to broadcast dry fertilizer after the land is bedded. A small portion of the phosphorus will be worked into the soil with the grain drill.
A third alternative is to apply liquid 7-21-0 with the ammonia as a dual application either while the land is flat or after it has been bedded. This has the advantage of getting the job done with one trip over the field.
If dry phosphorus fertilizer for wheat cannot still be plowed under, the second and third alternatives now appear to be the best.

TWO-CAR SMASH-UP — These two cars collided at the intersection of U.S. 60 and 385 shortly after 8:30 p.m. Thursday evening. Damage to the car on the left, driven by John S. GSPA Sees Wider Spread In Feed Grain Payments

Grain Sorghum Producers Association President Elbert Harp and Executive Vice-President Bill Nelson returned to Amarillo recently from 10 days spent in Washington conferring with farm officials and legislators regarding the feed grain program for next year — and later.

This week's GSPA letter points out these facts:

"The pattern for 1965 feed grain programs may have been set last week with the 1965 wheat program provision announcement by USDA that calls for lower loan rate, higher certificate payment and decreased diversion payment than provided in the 1964 program.

"In fact, it appeared that the feed grain 1965 program provision will be announced at the same time as wheat. While no one ever said exactly, we estimated that the situation for 1965 feed grain at the time would have called for 30-cent certificates, \$1.70 loan rate and no pay for the first 20 percent diversion.

"Based on these assumptions, total feed grain income on the typical High Plains grain sorghum farm would be reduced about \$5 per acre, compared to last year. GSPA appealed for a delay in the feed grain program until after the August and September crop estimate which we think will show feed grain stocks will not be built up to the 70-million-ton level now officially predicted.

"If correct in our assumption, we contended that the feed grain program could then be left unchanged from the 1964 level of 25-cent certificate, \$1.77 loan rate and 50 percent payment on total acres diverted.

"As to the future program GSPAs late August letter said: "The 1966 and after feed grain legislation which must be enacted next year or programs returning to those in effect in 1958, doesn't seem to be of concern to many yet. There seems to be a feeling that current commodity programs are best and least costly that would be accepted by producers and passed by congress — they are tools that may need sharpening but not discarded."

First Scouters To Get Eagle Rank Honored

Five scouters in Boy Scout Troop 52, sponsored by First Methodist Church, were honored at a Court of Honor this week when they received their Eagle rank. Court of Honor was held in Fellowship Hall, First Methodist Church.

The boys are believed to be the first scouts in the troop to have attained the rank. Those receiving awards were Richard Brown, son of Mr. and Mrs. Gid Brown; Steve Coneway, son of Mr. and Mrs. R. P. Coneway; David Grubbs, son of Dr. and Mrs. Roy J. Grubbs; Lawrence Warner, nephew of Mr. and Mrs. George Warner, and Arvell Williams, son of Mr. and Mrs. J. C. Williams.

Presenting the awards was Monty Stokes, Boy Scout official from the Amarillo executive office. Also attending from the Amarillo office was LeRoy Tillery. Mrs. Stokes and Mrs. Tillery were present also.

Recognized at the meeting were scout leaders of the local program. Gid Brown, J. W. Dickerson, Dale Gibson, and Ted

Higgins, along with Louie Macchuca, local scout executive, helped the scoutmaster of the troop, Frank Ford Jr.

Scouters receiving merit awards were: Robert Messick, first aid and swimming; Johnny Gooch, first aid, swimming, citizenship in the home; Gilbert Alapiz, first aid and nature; Mike Higgins, nature, pioneering, cooking and hiking; Herbert Paul Lovan, first aid; Carl Brown, first aid; Jimmy Dickerson, painting, plumbing, cooking, hiking, first aid, home repairs.

Also Ricky Grubbs, home repairs; Bobby Watts, citizenship in the home; Johnny Gooch, star David Grubbs, home repairs; Bobby Watts, citizenship in the home; Johnny Gooch, basketball, home repairs, art; Tommy Bullard, gold palm; John Page, tenderfoot; Danny Higgins, tenderfoot.

The following received second-class awards: Ricky Lee, John Mercer, Robin Gibson, Roger Gibson, Randy Laing, Kenneth Laing, Greg Chisholm, Randy McGuire, Ricky McGuire, Bill McQuerry, Tim Fuston, and Eddie Robinson.

First-class: Lonny Coffee, Carl Brown, Russell Phillips.

Other awards were Wayne Win et, pioneering, first aid, nature, home repairs; Russell Phillips, first aid, pioneering, swimming, nature, life saving; Richard Winget, star; Randy Corlis, star; Herbert Paul Lovan, star; Randy Corlis, nature and home repairs; Bob Reinauer, music and public speaking; and Lonny Coffee, swimming.

Following presentation of their awards, Eagle scouters in turn presented their mothers with special pins.

Cotton root rot can be reduced — Although complete control of root rot on a field scale is impossible, deep plowing and crop rotation can reduce this destructive plant disease in next years crop. Stalks should be shredded immediately after the crop is harvested and then plowed under to a depth of 12-18 inches.

AUDITED PAID CIRCULATION
ABC
Hereford Brand

No myths or mysteries, just the facts

The finest advertising doesn't have a chance unless it is seen or heard. The circulation of an advertisement is vital to its success. And, circulation is people ... not the number of advertisements printed or anticipated or projected.

No advertiser can afford expensive guessing. Positive proof of circulation should be demanded. Vague generalities should be discounted. Charts, formulas, and promises are not readers, and can lead your advertising off sales target.

The actual circulation figures... verified count... of this newspaper are available through the report of the Audit Bureau of Circulations.

Exactly how many units of your advertising are delivered into the hands of paying customers? How much do they pay to see your advertising? Where and how is this advertising being delivered?

This is the type of circulation information that helps keep your advertising and advertising budget aimed in the right direction. No camouflage, just facts and figures.

Insist on circulation proof when you buy advertising — be ABC-sure.

Mr. Miller, Miss Hitt Marry In Mt. Pleasant

Following their wedding in Mount Pleasant's Tension Memorial Methodist Church Saturday evening and a reception in the church parlor, Darwin Carl Miller and his bride, the former Miss Myra Elizabeth Hitt, are now on a wedding trip. They will make their home at 1926 Chestnut, Denton.

The bride is the daughter of Mr. and Mrs. Littleton David Hitt, 308 Carr Dr., Mount Pleasant. A senior at North Texas State University, Denton, she is a member of Gamma Theta Upsilon, Student Education Association, and Association of Childhood Education.

Parents of the groom are Mr. and Mrs. Darwin Charles Miller, 110 Fuller St. Also a senior at NTSU, Miller is a member of Geezels Fraternity, and Talons; he is a two-year letterman on the varsity basketball team.

Mr. Hitt gave his daughter in marriage. She wore a bride's empire-styled gown of white silk organza over taffeta. Pearl-studded re-embroidered Alencon lace defined the sabrina neckline of the bolera-like bodice with its elbow-length sleeves. The controlled bell skirt was held by unpressed side pleats sweeping into full chapel train. Her triple-tiered veil of silk illusion was held by a coil of silk roses en-erusted with loops of pearls. She carried a colonial cascade of white stephanotis and fleur d'amour held by loops of white satin with rhinestone drops. Nestled among satin leaves and silk tulle was the bridal white orchid.

Officiant at the candlelight rites was the Rev. Mouson Fletcher, pastor of the church, who read the double ring ceremony. Tony and Mike Hall lighted the candelabra in double-tiers curving to the chancel rail and entwined with Southern smilax and polished emerald foliage. Similarly garlanded, the chancel

rail covered in white satin was marked by white cathedral candles, interspersed by snow princess pompon mums. Massive arrangements of white flowers in tall wedding baskets completed the setting for the wedding party.

Mrs. Joe Temple, organist, Dallas, played traditional wedding music, including "The Song of Ruth," "Wedding Prayer," and "The Lord's Prayer." She accompanied Mrs. Julian Cargile, soloist, Mount Pleasant.

Mrs. Don H. Hitt, Dalingerfield, served her sister-in-law as matron of honor. Miss Linda Gage, Mount Pleasant, was maid of honor; and bridesmaids were Miss Mona Lue Hord, Denison, and Miss Betty Heine, Waxahatchie. All attendants wore identically styled dresses of coral georgette over taffeta. Accenting the empire lines, they were fashioned with scoop neckline, elbow-length sleeves, and back Watteau panels. Their pearly eyebrow veils were caught to Dior bows of coral velvet. They carried bouquets of variegated coral camellias accented with green velvet leaves and ribbon.

Joe Edd Andrews was best man. Groomsmen were Ed Supina, Bridgeport, Gerald Harder, and Lisle Patton. Serving as ushers were Donn Hitt, Dalingerfield, brother of the bride; and Ronnie Chapman, Texarkana.

After the wedding a reception honoring the young couple was held in the church parlor. Covered with floor-length Chantilly lace cloth having an underlay of white tulle and white satin, the

bride's table was centered with an arrangement of white-tapered three-branch silver candelabra entwined with greenery and nosegays of white butterfly roses and white princess carnations. Cascading from the candelabra were miniature garlands of greenery and white blossoms caught by nosegays in white satin and white nylon tulle to enhance the skirt of the lace cloth.

Miss Bobbie Tate, Temple, and Miss Carolyn Smith, Mount Pleasant, served the four-tiered columnar wedding cake decorated with white roses and lovebirds. Miss Patricia Jagger, Mount Pleasant, presided at the silver punch bowl. Other table appointments were in crystal.

Miss Martha Mitchell registered guests at a table covered in white satin with overlay of tulle and centered with memory candle and bisque lovebirds. Assisting house party duties were Miss Sue Thomas, Longview, and Miss Linda Durham, Saint Jo; with Mrs. Lynn Fender, Miss Nina Stephenson, and Miss Glenda Ward passing the rice bags.

For travel the bride chose a three-piece suit of American Beauty red and matching hat. Completing her ensemble were black alligator shoes and matching bag and long black kid gloves. She wore the orchid from the bridal bouquet.

Clearman Home Setting For Buffet Dinner

Miss Linda Edwards, whose wedding to Jerry Edward Jacobs, Okmulgee, Okla., will be an event of Saturday evening, was named honoree at a recent coffee and buffet dinner.

The home of Mrs. Hugh L. Clearman, Dimmitt Highway, was the setting of the August 18 informal coffee for Miss Edwards. Hostesses were co-workers of the bride-elect's mother, Mrs. Wayne Edwards, in the Children's Division of the First Methodist Church.

Mrs. Clearman presided at the coffee service at a lace covered table centered with an arrangement of garden flowers. Appointments were in silver and crystal.

The honoree was presented with a King James Version Family Bible, the gift of teachers and officers of the Children's Division.

The guest list included all workers of this division. Special guests were Mrs. Earnest Langley, Mrs. W. J. Messick, and Mrs. A. T. Mims, all of whom were former workers with this group.

Mr. and Mrs. D. C. Kinsey entertained for Miss Edwards at buffet dinner in their home, 129 Ave. C, Tuesday evening.

Special guests were the honoree, Miss Edwards, and her parents, Mr. and Mrs. Wayne Edwards; Mr. and Mrs. Bert Boomer and their daughter, Mrs. Bob Oliver, Houston.

The buffet table was centered with an arrangement of asters in graduated shades of pink to deep purple. Guests were seated at quartet tables with miniature aster centerpieces.

Special courtesies for Miss Ed-

wards scheduled for this week include spinster supper with Mrs. Pat Robbins as hostess Wednesday; Thursday luncheon at Hereford Country Club with Mrs. Gaylord Newell as hostess; then Mrs. H. L. Benefield and Mrs. Bert Boomer will be hostesses at two events: in Mrs. Benefield's home, 432 Sunset Dr., rehearsal dinner Thursday evening and brunch for the wedding party and out-of-city wedding guests Saturday morning.

The home of the bride-elect's parents, Mr. and Mrs. G. Wayne Edwards, 112 Centre, will be the scene of the Edwards-Jacobs wedding Saturday evening.

Dinner Honors L. C. Moores, Wed 50 Years

To observe the Golden Wedding Anniversary of Mr. and Mrs. L. C. Moore Tuesday, members of this pioneer couple's immediate family gathered at the farm home northeast of Hereford for an informal reunion and cookout. For 48 years the Moores have made their home on this farm.

Sharing in this celebration were the Moores' children and their families, including eight grandchildren and five great-grandchildren. The Moores' sons are M. K. Amarillo; Jack, Denver, Colo.; and Billy B., Wildorado. Their daughters are Mrs. A. F. (Mildred) Moore, Wildorado, and Mrs. Grover C. (Joyce) Thomas, Amarillo.

Lanny Cleveland Moore was born in Wright County, Missouri, Oct. 10, 1888. He came to the Texas Panhandle in Dec., 1905. Mrs. Moore, the former Miss Eulah A. Cox, was born in Indian Territory, Okla., Dec. 17, 1893. With her family she moved to the Pampa area in a covered wagon in 1908.

The couple were married in Lefors August 25, 1914. Two years later they moved to Deaf Smith County settling on a farm northeast of Hereford, 5 1/2 miles south of Wildorado, near the Palo Duro Baptist Church. They have lived on this farm ever since, and they have engaged in farming all their married life.

Letter To The Editor

Editor:

Can it be said that we the people do not duly appreciate the policeman? Can anyone of us feel too secure to live in a city or town which has no police protection?

Let us reflect upon this that law and order in a city are maintained by the vigilance of the policeman who risks his life at times to help people in danger or distress.

We can show appreciation to our law-enforcement institutions by instilling love and respect in minds of the young for the police officer.

The people have an obligation to see that the police officer is paid wages commensurate with the duties he renders. A well-paid officer will have a higher satisfaction.

German 'Goodies' Delight Morning Coffee Guests

Event Held As 'Thanks' For Favors

Hostesses at an appreciation coffee Tuesday morning were Mrs. Lynn Kester and her daughter-in-law, Mrs. Bill Kester. Scene of this German-style courtesy was the Lynn Kester home on South Main.

Especially honored at the coffee were hostesses at a miscellaneous shower and other courtesies complimenting Mrs. Bill Kester since she came here as a bride from Budingen, Germany.

In appreciation of such hospitality, young Mrs. Kester made and decorated the special German fruit cakes (Obsttorte) for the coffee. (See recipe given below.) Chief feature of the serving table were the six cakes, no two alike and each 13 inches in diameter, with their intricate and attractive whipped cream decorations.

Mesdames Kester shared informally hostess duties, serving from the table covered with full-length white linen cloth, its skirt marked by deep appliqued hem with reverse scallops and frosted with pearl-studded floral appliques of self-material. The white Bavarian coffee service carried hammered aluminum coffee warmer and maskers for creamer and sugar bowl. Silver appointments included the special German silver cake-servers.

Enhancing the table was the centerpiece of antique gold-footed epergne with crystal bowls holding fruits and flowers in graduated shades of pink and delicate rose. The same antique gold design marked other special footed compotes on end tables and coffee table in the adjoining living room.

Mrs. Jack Allmon, 305 Ave. K, and Mrs. Leslie Walls, Amarillo, daughters of the Lynn Kesters, also were present for the coffee.

Guests included Mrs. Cecil Boyer, Mrs. Clinton Jackson, Mrs. A. N. McRight, Mrs. B. E. Roberson, Mrs. Jimmie Gillentine, Mrs. Virgil Young, Mrs. E. W. Young, Mrs. W. T. Carmichael and Mrs. Marlin Gilliland. Also Mrs. Tandy Legg, Mrs.

FINISHING TOUCHES — In preparation for her appreciation coffee, Mrs. Bill Kester here decorates the last of her German fruitcakes for the event. This is a sample of cakes served at her wedding in Germany, just before she came as a bride to make Hereford her home. Her husband's mother, Mrs. Lynn Kester, was co-hostess in the Lynn Kester home. For those interested in this German delicacy served at the coffee — and like the cakes served at Mrs. Bill Kester's wedding in Germany — here is her recipe:

German Fruit Cake (Basic Recipe)
 1 stick butter
 1/3 cup sugar
 vanilla
 2 eggs
 Pinch salt
 1 1/3 cup flour
 1 teaspoon baking powder
 2 tablespoons milk
 Butter, sugar, vanilla, eggs,

salt — mix well. To these ingredients add baking powder and flour, and milk alternately, and mix. Pour into well-greased pan. Bake at 350 degrees until golden brown.

Note: If you do not have a depressed baking pan such as the Germans use, be sure to pull out the dough to cover all the bottom and sides of your cake pan, 1 1/4 inch-deep, much like pie crust, leaving center open for fruit and filling.

Thoroughly drain fruit, such as sliced pineapple, peaches, cherries, grapes, strawberries (frozen), red raspberries, and bananas, fresh strawberries or any fruits that combine well. Fill the cake shell with fruits, arranging the top layer in your chosen pattern and decorate with small fruits — cherries, grapes,

or other. Using juice drained from above fruits and enough cornstarch and sugar to thicken, cook over low heat until thickened. Pour over fruits and cake. When completely set, decorate with whipped cream flavored with sugar and vanilla.

FRUITCAKES SUPERB — Delicious, delightful, four of six German fruitcakes for appreciation coffee are shown here. Mrs. Bill Kester, Hereford resident who came as a bride from Germany, baked these delicacies in special German baking pans, filled them with fruits of assorted kinds and in various designs. Kings Manor Reports

Thursday September 3, from 2 until 4 in the afternoon the campus of King's Manor will be ready for company. In fact after the program which closes at 4, both staff members and residents will have time for friendly visits with guests until 6:00. We expect more than 2,000 visitors in the afternoon.

Excitement runs high as we plan answers to problems involved in moving a modern kitchen between lunch and supper time. Some residents discover the distance to the dining room makes a difference. Some employees discover that changes in the routine habits related to given services call for adjustments. Prospective patrons in some cases are not pleased with final details in designs. A home is a personal thing. Personal services must be tailor-made. A congregated arrangement always calls for some compromise. After all, most of us have had that at our own homes. A son in training for football is not pleased with a menu for supper that will please a daughter who studies homemaking. But on occasions that challenge all of us easily forget our differences and rejoice in a family spirit.

Each resident, and each employee at King's Manor and at Westgate will be at their very best in seeking to please our guests on Thursday. We will not have residents in Westgate until September 15. Our state inspection for admissions is set for September 9. At King's Manor our new residents will not be in their new apartments. But they will be on hand to help show you the home. We will be in the new dining room and kitchen. Among the committees at work, wonderful assistance will be in evidence on Thursday. Housekeeping arrangements are in charge of Mrs. Mary Helen Fisher. Flower arrangements are in charge of Mrs. Pearl Sheffey of Dimmitt, Texas with the help of local garden clubs.

Registration will be directed by Mrs. H. K. Kendrick, of Friona. A drawing of the campus with future projects featured will be provided by Linda and Laura Higgins. It will be on display in the assembly room. Each site of these future projects will be marked by a poster which is provided by Mrs. Lynn Kester. Many other people will be helping. Even the State Highway Department hopes to have a highway sign for King's Manor. Friends on every hand encourage us. We would like to deserve some measure of the rewards such friends provide.

Dr. J. O. Haymes, president of the Board of Trustees; Mrs. Dvalthia Benson, chairman of the Administrative Commission; Dr. V. N. Henderson, District Superintendent of Amarillo; all the staff of King's Manor and Westgate; and our residents join in the invitation to all the people in this area for this special occasion. We would remind you that the occasion is only a beginning of a happy story.

School Morale Hits New High

Despite crowded conditions, classroom bulges and rising costs, Hereford schools are getting underway and, it seems to us, they reflect a spirit of progress and cooperation better than we have noted in several years.

Teachers and other school personnel are gritting their teeth, and facing present hardships with a spirit seldom seen anywhere these days. Cooperation and willingness to pursue their efforts toward a unified goal of public education are reflected at every turn. We have encountered very few complaints from this source, despite the fact that some of the classes will be forced into temporary housing when the term gets underway.

Hereford and Deaf Smith county have always been justly proud of the fact that the community maintains and operates outstanding schools. The fact that this attitude has expanded along with the growth of the community reflects a most important phase in public life — and it is the basis for sound predictions that the community will continue to grow and expand in the future, because good schools are the first question to arise when a family considers moving into a new community.

Projected construction and school expansion, already approved by the voters, indicate the feeling of the people who make

their homes here, but this is only the first step. The truly important phase of education, like most other things, goes back to the attitude of the teachers, interest of the parents and, ultimately, progress of the students. And we never saw community morale higher along all of these lines.

Without a doubt, 1964-65 will go down as a banner year in the history of Hereford's public school system.

King's Manor Proves Success

Many hundreds of people, along with the Methodist sponsors, are proud of King's Manor's new Westgate addition, scheduled to open Thursday, Sept. 3.

King's Manor has always been a community project. In addition, it started operation as a "noble experiment" — for this part of the country, at least. Its success is today unquestioned, and the community owes a debt of gratitude to the Methodists as sponsoring agent, and especially to Executive Manager Don Davidson and the operating staff, all of whom have consistently gone beyond the call of duty to make the project a success.

To us, success of King's Manor is not measured in brick and mortar — but in the happiness, comforts and satisfaction it has brought to scores of elderly citizens who find themselves thoroughly happy and contented in the home.

Modern times have changed many things, including the way people live. Golden age homes are becoming more and more important in the American way of life, and are, definitely here to stay. King's Manor is one of the best, and the fact that it is located in Hereford puts the community, once again, in the vanguard of progress in the Panhandle, in Texas and throughout the nation.

Encephalitis On The Decline

Announcement that the City of Hereford reports no encephalitis for the current year comes as encouraging news on the health front, and as a tribute to the efforts extended through city offices and channels. The fact that several other irrigation districts, including Plainview, have reported epidemics of varying intensity serves to emphasize the fact.

Several years back, Hereford reported as high as 15 cases of encephalitis and generally has seen several cases annually in the past few years. Needless to say, these outbreaks are often serious and, even in mildest form, they can be decidedly dangerous.

Because the city report asked for cooperation of individuals in combatting mosquito infestation, it appears to us that the populace should enter into the program with zest and enthusiasm.

We are fortunate indeed in having this malady on the decline, whereas it is spreading in many other Panhandle communities and, with a little effort, we can continue the splendid record reported in 1964.

'Trust Your Driving?'

Panhandle Paragraphs

The autumn weather we have been enjoying the last few days is certainly invigorating, and here we have complaints: After the scorching 106 of a summer afternoon not more than three weeks ago, people so soon have forgotten and remarks were, "Oh, I had to turn my heat on this morning and here it is not much past the middle of August!" Well, it's not much before the beginning of September, either. Besides we wonder about the grumbling that would be done if, for instance, they were in our shoes; the piano has to move back to its winter quarters so we can turn the heat on."

Somewhat unusual is the suggestion made by one of my friends. He says the way to run this government would be to attach a special ballot in the income tax form and to require all tax payers to list the projects for which government should spend tax money. On the other side of the form should be listed all the things for which funds should not be spent. The treasury department could put the answers on the computers which are supposed to be watching over our tax returns, and then by pressing a button, the nation's leaders could have a direct instruction from the taxpayers. Most people would vote for spending money on themselves and saving money on others.

Traveling southeast from Brownfield, it doesn't take too long to come motoring down off the Caprock and into the big, wide arms of the scrubby brush country. Gone, of course, are the irrigated flatlands that stretch from one horizon neatly to the other. The farther one goes into the ranch country the easier it is to see that cotton will never be king in that part of the world. Cows, coliche, cactus clumps and cotton-candy clouds are the reigning monarchs there. Mesquite and mosquitos play their own little game of hide-and-seek, too, along the carved-out banks of the Concho. Like the rest of the once-wild West, the river's been broken and saddled and bridled so it now serves a thirsty and demanding segment of mankind in and around San Angelo.

What do you have to do to be a part of that golden calf before which all bow down and worship: Public opinion? Crane Haven To Cause Tax Loss, Judge Says

By Associated Press

The whooping crane has been caught in a verbal cross fire between proponents of wildlife conservation on the one hand and a county judge on the other.

The controversy was sparked by a plan put forward by the Fish and Wildlife Service of the Interior Department to add 25,500 acres to the Aransas National Wildlife Refuge near Austwell.

"We are perfectly willing to see the whooping crane and deer multiply until they populate all of Aransas County, if the federal government is willing to pay for it," said Aransas County Judge John Wendell.

The judge protested against the plan because he said county and school taxes amounting to more than \$25,000 would be lost as a result.

The proposed area adjoins the present sanctuary of 47,231 acres — the winter home of the last remaining wild flock of whooping cranes — in part and is on the opposite shore of St. Charles Bay.

In letters to Rep. John Young and Sen. Ralph Yarborough, Wendell stated he objected to designation of more than 34 per cent of the county's arable land unless there is recompense for those taxes which will be lost when the federal government takes over ownership of the land.

Originally established in 1937, the present refuge is on Black-Jack Peninsula on what was formerly known as the St. Charles Ranch.

Manager Bob Shields has pointed out in the past that the refuge enjoys a self-sufficiency because of the annual payments for grazing rights, which were kept by the owner when the government purchased the original ranch holdings.

More than 25,000 visitors pass through its gates each year to view the numerous species of wildlife at home in a preserved wilderness habitat. About half the visitors come from out of state.

Shields pointed out that the refuge actually devotes only a small portion of its resources to the whooping cranes and serves to conserve a wide area of wildlife native to the coastal area and the state.

SIGHT SAVING

HOUSTON — State Senator Criss Cole of Houston will serve as chairman of the September "Sight-Saving Month" Campaign conducted by the Texas Society for the Prevention of Blindness. "More than 400,000 Americans have already lost their sight forever," Sen. Cole said. "Adding to this tragic loss is the realization that half of all blindness is preventable. Not by wonder cures or drugs, but just by the application of sight-saving knowledge we already possess."

Who's The Worker?

Working people have gained more leisure time since World War II than bosses, Chase Manhattan Bank reported recently. Today, more than 40 per cent of all proprietors, managers and officials work longer than 48 hours weekly, but only 20 per cent of the total labor force work that many hours.

In postwar years, the average worker has gained the equivalent of 19 days, or 155 hours, of leisure time. The declining work week contributed 75 hours, holidays added 32 and vacations 48 more hours per year.

The bank does point out that executives and professionals' hard work and long hours have their compensations. For many, work and play can be combined with no clear-cut boundary between them. Too, they often can choose their hours and length of work—although the choice frequently means loss of income or professional advancement.

These mixed blessings seem to be summed up by concluding that it's still better to be a boss, but the boss should worry more because the workingman is gaining on him.

Game Season Opens Here November 1

The season for game birds will open Nov. 1. After that date and until February 1, quail, doves, ducks and other game birds may be killed.

A day's kill must not include over twenty-five birds, 50 YEARS AGO

either mixed or of one kind. Possession at any time in the year during which killing of birds is prohibited is prima facie evidence of the guilt of the person in possession thereof. Turkeys may be killed from December 1 to February 1. The season on prairie chickens is closed until 1917.

Two dry farmers of Hereford have scored a success this year in raising feed stuff. The first to bring in a sample of his products was J. H. Copeland. He presents a collection of maize heads which are hard to beat. The next was E. I. Barnett, a new farmer for this section. He brought in this fine lot of samples — White maize — red maize — feterita and kaffir. All of the products are on exhibition in the show window at this office and have attracted a good deal of attention. The pumpkin brought in by Mrs. Barnett made one think of Riley's famous poem; When the frost is on the pumpkin and the fodder is in the shock.

Tuesday morning, the first frost of the season appeared. While the frost was light, there was ice and the temperature stood at 30 degrees. All tender flowers and garden stuff went the way of Jack Frost.

Chairmen of the different committees have been named for the special Emergency Polio Drive, August 16-31, 10 YEARS AGO

According to H. A. Close, chairman for the special drive. The special drive has been scheduled, due to the staggering costs of patient care and a two-point polio prevention program, Paul Harvey, chairman of the Deaf Smith County Chapter said.

Mrs. Argen Draper, county home demonstration agent, is scheduled to return to her duties here Tuesday, according to Mrs. Lois Avant Sullivan, assistant agent, today. Mrs. Draper left last week to be with her mother, Mrs. E. M. Hix, who suffered a heart attack in Wellington, Texas.

Mrs. Hix condition was not as serious as thought at first, however, and she was reported to be improving nicely.

During Mrs. Draper's absence Mrs. Sullivan has conducted scheduled H. D. Meetings and will continue to do so in case Mrs. Draper is unable to return as planned. Mr. and Mrs. Bud Bradley and children, Burch and Dianne, enroute to Marlin, stopped in Hereford Thursday to visit his parents, Mr. and Mrs. Brady.

THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his blind-wood farm surely must have a flaw in his thinking this week, but we'll let you figure it out.

Dear editor:

I have been reading the financial statements of the two candidates for President and the way it looks to me, the wives and children are worth more than the men, and I would like to ask you if you think this is a sound trend? It's a fact, the total worth of Mrs. Johnson and children and Mrs. Goldwater and children is a lot more than the net worth of the two men, according to the financial statements the newspapers have been publishing.

It's not that either man is hard up for cash, but this idea that the women and children have a lot more in their name is a trend which I do not look upon with favor, although understand I am not asking the Supreme Court to rule on it. You get the Supreme Court trying to re-district the division of money between a man and his wife and the lid is off. In fact, the Court if it keeps going is likely to come up one of the days with a ruling whose effect clearly implies the Court itself is unconstitutional, if it hasn't done it already. For example, the Court is now claiming that Congressional districts and state Senatorial and Representative districts throughout the land have to be fairly even in population, or the members are unconstitutionally elected.

Carrying this one step further, you reckon it's possible the Court will rule that each United States Senator has to represent the same number of people and that two Senators from a state with 250,000 people aren't entitled to the same vote as two Senators from a state with 10,000,000? Why should two Senators representing only a handful of people in Nevada have the same power as two Senators from New York state with 10 million people or whatever the figure is? Anybody can see this is unconstitutional.

And therefore, if a Supreme Court Justice is confirmed by a Senate made up of this clearly one-sided and unfair representation, isn't the Justice himself unconstitutional?

I tell you, the day the Supreme Court rules the Supreme Court is unconstitutional, where'll we turn?

Starting out on the financial condition of Presidential candidates and winding up on the unconstitutionality of the Supreme Court just goes to show you where thinking can lead both me and the Court too. These are critical times we're living in.

Yours faithfully,
J. A.

Coles Celebrate 50th Wedding Anniversary

Mr. and Mrs. Roy Earl Cole celebrated their Golden Wedding Anniversary Sunday at open house in their home, 107 Avenue I.

Hosts at this special observance were the couple's children: Mrs. Harold (Helen) Shearhart, Vinita, Okla.; John H. Cole, Perryton; Ralph M. Park Forest, Ill.; Thurman E. Yuma, Ariz.; and Floyd, R. 2.

In the house party were daughters - in - law, granddaughters, and nieces of the honored couple. During calling hours 173 guests registered.

For this occasion flowers and other special appointments in the house were in gold and white. Laid in off-white lace-cloth over gold, the serving table was centered with an arrangement of anniversary golden mums in antique gold footed bridal compote.

The four-tiered wedding cake, with its miniature crystalline wedding bells, was topped with figurine of golden-age bride and groom.

On July 19, 1914, the former Miss Josie Harding became the bride of Roy Earl Cole in Stephens County, Okla. They moved to the Hereford area in May, 1916, where Cole has engaged in farming. In 1953 they moved to Hereford, where they have maintained membership in the Avenue Baptist Church. Cole enjoys fishing as a hobby; and Mrs. Cole likes to make sight-seeing trips. She belongs to Hereford's Grandmothers' Needle Club.

Mr. and Mrs. Cole have 19 grandchildren, 14 of whom were present Sunday for the anniversary; and they have two great-grandchildren.

Members of the immediate family observing this occasion with Mr. and Mrs. Cole were Mr. and Mrs. Harold Shearhart, Jim and Jane, Vinita, Okla.; Mr. and Mrs. John H. Cole and Johnny, Perryton; Mr. and Mrs. Ralph M. Cole, David, Steven, Susan and Billy, Park Forest, Ill.; Thurman E. Cole, Yuma, Ariz.; and Mr. and Mrs. Floyd Cole, Jasia, Bill, Cheryl, and Beverly, Route 2.

Also the Coles' granddaughters and their families: Mr. and Mrs. Bobby Hudson, Dumas; Mr. and Mrs. Don Savage, Perryton; and Mrs. David Helfenbein and Greg, Perryton.

Among out-of-city guests signing the register were Mr. and Mrs. H. G. Humphrey and Mr. and Mrs. L. G. Taylor, Chickasha, Okla.; Mr. and Mrs. James

Miss Bezner, Mr. Schaff Married At St. Anthony's

In St. Anthony's Church Miss Laverne Cecilia Bezner and Charles Ronald Schaff were married in a double ring ceremony Monday afternoon. Officiant was the Very Rev. Angelus Delahunt, S.A., who offered the Nuptial Mass.

The bride is the daughter of Mr. and Mrs. Frank J. Bezner. Parents of the groom are Mr. and Mrs. Charles Leonard Schaff, Floral Park, Long Island, N. Y.

For the wedding the Main Altar with its gold vases of white mums centered an arrangement of candelabra, white mums, and emerald palms. Side altars were decorated with carnations in rainbow hues, the bride's chosen colors.

Mrs. Morris Hacker, organist, played a program of nuptial music, including Rossini's "Procesional" and Gounod's "Recesional." She accompanied Ben Gollehon, vocalist, in "On This Day, O Beautiful Mother," "Pans Angelicus," "Ave-Maria," and "Mother, At Your Feet We're Kneeling," sung as the couple knelt for the final nuptial blessing.

Mr. Bezner gave his daughter in marriage. She wore a sculptured sheath wedding gown of cloud white peau de soie. Imported re-embroidered lace elaborate design was repeated in framed the scooped neckline of the fitted bodice and accented petal-point sleeves. At front hemline Alencon lace frosted the skirt in pyramid motif studded with cut crystal seed beads. The center sweep of the Cathedral train, held at waistline by two small tailored bows of peau.

The bride's veil of imported illusion was caught to a quartet of small peau de soie roses and pearlized lilies of the valley. A diamond pendant was her only jewelry, and she carried a cry-

stal Rosary, a gift of the groom. Her bridal bouquet held a white cattleya orchid encircled by feathered white carnations.

Four sisters of the bride were among her bridal attendants: Mrs. Teddy Bedwell, Quitaque, matron of honor; Mrs. Lynn Crabtree, Canyon; Mrs. Melvin Kalka, White Deer; and Miss Jane Bezner, junior bridesmaid. Attendants also were Miss Sylvia Fangman, cousin of the bride, and Miss Donna Graham, McLean. Each gowned in a rainbow hue — feta pink, turquoise, gold, lucerne blue, emerald green — their costumes accented the bride's chosen colors.

Styled identically, the attendants' floor-length sheaths of taffeta were dramatized with tulip-tiered overskirts and scooped necklines. Completing the ensemble of each were matching overhead coil rose with pouf

Schaffs Honor Bridal Couple With Dinner

Mr. and Mrs. Charles Leonard Schaff, Floral Park, Long Island, honored their son, Charles Ronald, and his then bride-elect, Miss Laverne Cecilia Bezner, at rehearsal dinner in the country home of the Frank J. Bezners, parents of Miss Bezner.

At this Sunday evening pre-nuptial courtesy Mrs. Schaff and the groom's grandmother, Mrs. Josephine Guzzetti, also of Long Island, N. Y., served an Italian dinner with all the trimmings.

With the honored couple and their parents, other dinner guests present were Brother Dennis Slinnet, S. A., Mr. and Mrs. Teddy Bedwell and Teddy Jr., Quitaque; Mr. and Mrs. Lynn Crabtree and family, Canyon; Mr. and Mrs. Melvin Kalka and Joanie, White Deer; Miss Janie and Judy Bezner, sisters of the future bride, and her brother, Frank J. Bezner Jr.

Guests also were Miss Sylvia Fangman, Donnie Fangman, and Jim Marnell, Hereford; Miss Donna Graham, McLean; and Carlton Woodson and Ted Weaver, Levelland.

Saint Anthony's Church was the setting of the Monday Nuptial Mass for the Schaff-Bezner wedding.

veil and satin shoes. Each wore white gloves and carried a long-stemmed white mum. Gift of the bride, each attendant's crystal drop matched her gown.

Terrie and Lynn Vaughn, Canyon, niece and nephew of the bride, were flower girl and ring bearer. Dressed as miniature of the bridal attendants, Terrie carried a nosegay of white carnations. Lynn carried the rings on a silver tray.

Serving as acolytes were Frank J. Bezner Jr., brother of the bride; Charles Fangman, Black, and Billy Ray Betzen, the bride's cousins.

Teddy Bedwell, Quitaque, was best man. Serving as groomsmen were Carlton Woodson, Levelland; Melvin Kalka, White Deer; Ted Weaver, Levelland; and Jim Marnell. Donnie Fangman was junior groomsmen.

Ushers were Lynn Crabtree, Canyon; Glenn Hopkins, Tahoka; Joe Richardson, Allison; and Russel Weed, Tucumcari, N.M.

For her daughter's wedding, Mrs. Bezner chose a pure silk sheath dress in American Beauty with dyed-to-match accessories. She wore a silk multi-color turban, elbow-length gloves, and carried a white lace handkerchief. The bridegroom's mother, Mrs. Schaff, wore a beige brocade sheath with matching accessories and elbow-length gloves. Their corsages were matching sweetheart roses.

For the reception in Saint Anthony's Parish Hall following the wedding, Miss Sheila Conlin, Pampa, and Miss Mary Albracht presided at the guest register.

Centering the bride's table was the three-tiered wedding cake decorated in pastel rainbow hues. Music for the reception was furnished by Canyon's The Emeralds, fraternity friends of the groom.

When the couple left for their wedding trip to Colorado, the bride was dressed in white lace sheath with yellow accessories; she wore her bridal orchid.

Student at West Texas State University the past two years, the bride majored in secretarial science following her 1962 graduation from Hereford High School.

Graduate of Floral Park, N.Y. Memorial High School, Schaff received a B.S. Degree in Geology from WTSU August 20. He is a member of the Geology Club and

of Lambda Chi Fraternity. He will be a paleontologist for the American Museum of Natural History in New York.

After the honeymoon, the young couple will visit briefly in the Hereford area. Then they will establish a home in Floral Park, Long Island, N. Y.

Out-of-city wedding guests included the groom's parents and his grandmother, Mr. and Mrs. Charles Leonard Schaff and Mrs. Josephine Guzzette, Floral Park, Long Island, N.Y.; the bride's

grandmother and aunt, Mrs. Anna Bener and Mrs. Elizabeth Hinnleutt, Dumas; and Mrs. Mike Kocan, another aunt of the bride, San Francisco, Calif.

Also Mr. and Mrs. Eddie Kalka and Bob, Mr. and Mrs. Melvin Kalka and Joan, White Deer; Mr. and Mrs. Teddy Bedwell and Teddy Jr., Quitaque; Mr. and Mrs. Leo Bezner and family, and Mr. and Mrs. Earl Gibson and family, Bushland; and the Eugene Fangmans, the Lawrence Jentzens, and the James Fangmans, Vega.

Present also were the Teddy Fangmans and Scott, Mrs. Helen Fangman and Charles, Black; Miss Sheila Conlin, Pampa; Bill Rhee, Amarillo; Mrs. Donna Graham, McLean; Glenn Hopkins, Tahoka; Joe Richardson, Allison; and Russel Weed, Tucumcari, N.M.

From Levelland came Mrs. Woody Weaver Sr., Mr. and Mrs. Woody Weaver Jr., Ted Weaver, Carlton Woodson, and the Fred Weavers; from Canyon, the W. E. Parkes and fam-

ily, Mr. and Mrs. Lynn Crabtree and family; and from Groom, Miss Theresa Weinheimer, Pat Weinheimer, and Maurice Britten.

Also Mr. and Mrs. D. N. Gambelin and daughters, Sunray; Mr. Hugh Shaw, Linda and Ricky, Wichita Falls; Mr. and Mrs. R. C. Potts, Amarillo; and Mr. and Mrs. Newman Jarrell Jr. and Lark, Friona.

Hog cholera outbreaks reduced — Reported outbreaks of hog cholera decreased 29 percent during the year ending June 30. This is the first complete fiscal year that the federal-state eradication campaign has been in operation. Forty-six states and Puerto Rico are now participating in the four-phase eradication program; 26 have progressed beyond the preparatory phase. The disease costs producers \$50 million annually.

In 54 years of football, West Texas State has won 224 games, lost 212 and tied 15 for a percentage of .513. The Buffaloes best season was under Frank Kimbrough in 1950 when they posted a 9-1 record.

In 39 regular season games, Joe Kerbel's West Texas State Buffaloes have averaged 23.7 points per game. 1961 was Kerbel's highest scoring team, averaging 30.9 for ten contests.

The September 19 season opener at Buffalo Bowl between Ohio University and West Texas State will be the first regular

season meeting of the two universities. The Buffs edged the Bobcats 15-14 in the 1962 Sun Bowl.

San Jose State is the only 1964 opponent the Buffs have not played previously. The Spartans come to Buffalo Bowl on October 31 and by that time will have played Idaho, Stanford, Montana State, Washington State and the University of the Pacific. Subsequently they will meet Colorado State, Arizona State, Fresno State and San Diego State.

Aztec in Colorado. En route home they visited relatives in New Mexico.

Miss Mandi Moore and a friend from Fortales, N. M., were in Hereford Thursday where Mandi was seeing friends and visiting in high school and Alkman school.

Mrs. Hugh Swanson and little daughter Kim, Yorba Linda, Calif., are spending a month in the home here of Mrs. Swanson's parents, Mr. and Mrs. Troy Moore. Mr. Swanson will arrive the last of this week for a 10-day visit, and the family will then return home with him.

Since Mrs. Swanson and Kim have been here, Kim has had her 4th birthday which her grandmother, Mrs. Troy Moore, helped her celebrate. She had a birthday party which began with lunch at the country club and ended with games and birthday cake and songs at her grandmother's home on Texas Ave.

Her guests included Lacey Easley, Beverley Scott, O. H. Seamonds, Jay Bradley, Bonnie Roy Short, Kathy Boston, Mrs. Owen Seamonds, Mrs. Martin Reed Moore, her mother, Mrs. Hugh Swanson, and her grandmother, Mrs. Troy Moore.

Guests in the home of Dr. and Mrs. Joe B. Whitey last week included her mother, Mrs. Monroe Green and Gary Green, son of her brother J. M. Green, both of Bridgeport.

Mrs. Ada Brown, Paducah, spent several days this week here in the home of her niece, Mrs. George Bumpass. She attended the Youth meeting at Wesley Methodist Church Tuesday night and she and Mrs. Bumpass have been busy canning and making jelly from the bountiful fruit crop this summer at the Bumpass home.

Mr. and Mrs. Aldene Hudson, Jr., Norfolk, Va., have been here visiting in the home of his parents, Mr. and Mrs. Aldene Hudson Sr. Having a 25-day leave from his duties in the Navy, Aldene and his wife, the former Donna Blythe, have also visited with her parents, the H. D. Blythes in Amarillo.

Leaving here Friday, they will go to Sanger to visit his grandparents, Mr. and Mrs. M. A. Lincoln; to Graham to visit Mr. and Mrs. Leo Todd; to visit the Bill Fullers in Denton, and with the Fred Potts family in Fort Worth. These families are aunts and uncles of Aldene.

Wade Hudson, who has been a student at Texas Tech this summer, has returned to Hereford for a few days prior to entering Tech again this fall where he is a junior. He has been visiting in the home of his parents, Mr. and Mrs. Aldene Hudson, and with his brother, Aldene Jr., and wife of Norfolk, Va.

Guests last weekend in the Aldene-Hudson home included his brother, White Hudson and Mrs. Hudson, Knox City, and his sister, Mrs. Joe Clark and Mr. Clark, Rochester.

Mr. and Mrs. Don Rich, Rhonda, Danny, and Dawna, Canyon, were guests Sunday of his mother, Mrs. Betty Rice. His grandmother, Mrs. Mary Brashear, was also a guest of Mrs. Rice.

Mrs. E. W. Solomon Sr. is visiting this week with her sons, Henry and Garland Solomon and families. She will go to Plainview Saturday for a visit in the Bill Stanford home.

Mrs. Bertha Watson, Childress, is a guest this week in the home of her sister, Mrs. A. A. Hare. A brother of Mrs. Hare, Hugh Lightfoot of Childress, visited there last week.

Miss Naomi Hare, who has been teaching in Monterrey, Mexico, has arrived home to be with her parents on a year's leave of absence.

Although Mississippi State's Ode Barell has graduated, the Bulldogs will send against Texas Tech in the season opener Sept. 5 in Lubbock a player who outgained the famed all-purpose back last fall. He's fullback Hoyte Granger, 220, who netted 481 yards, averaged 4.3 a carry as a sophomore.

Texas Tech's incoming freshman end, Larry Gilbert of Kilgore, is the third future Red Raider to have been voted outstanding lineman in a Texas High School Coaching School All-Star Game. Previous choices were tackle Jerrill Price of Brownfield in the 1963 contest and end David Parks of Abilene in the 1960 classic.

Individual game ticket orders are being accepted at Texas Tech, will be filled beginning Sept. 10, nine days before the opener with Mississippi State. Priority is being given season ticket purchases, which may exceed the record of 2,500 set last year.
