

Four Candidates Seek Positions

School Board Balloting Saturday Kicks Off Major Election Year

The Major political year 1964 kicks off this Saturday with the first of a series of elections will run through the spring and summer months, ending with the general election in November.

The kick off will be Hereford Independent School District trustees' election Saturday when four men will be seeking two positions on the board.

From all indications, voting will be "average or above," political observers said, who pointed to the average number of absentee ballots cast as indication. B. F. Cain, County Clerk, said 25 persons cast absentee ballots before

Raymond White

Friday's deadline at 5 p.m. The last two ballots were cast just before the 5 o'clock closing time.

Saturday's election will be held in two locations — at the administration building's tax office and at the Dawn community house, formerly the Dawn school, according to Opha Click, school tax assessor collector.

Polls will open at 8 a.m. and close at 7 p.m. (The Sunday Brand will be delayed until returns are complete in order that results may be in the Sunday newspaper.) Only persons who paid their poll taxes before the March

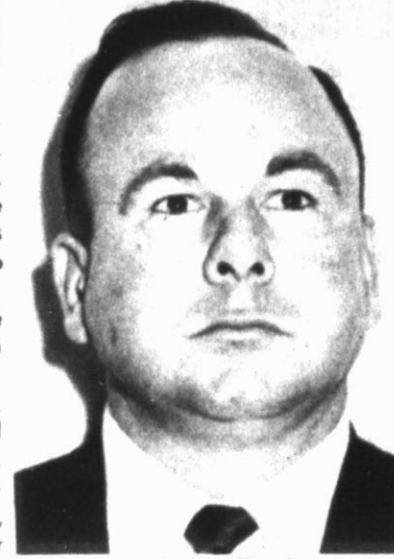

Denzil Pulliam

1 deadline will be permitted to vote in their school board election or in the April 7 city election.

Robert Veigel will be presiding judge here with J. L. Woodford as the alternate. At Dawn, Mrs. H. V. McCabe will be the judge. Four clerks will be employed here and two at Dawn to assist the judges.

Four men are seeking the two school board posts which are to become vacant:

They are Dr. H. A. Cavness, Denzil Pulliam, Raymond White and Labry Ballard. Only incumbent seeking office is Ballard. Tom Robinson, an incumbent, did not file for re-election.

Labry Ballard

The school board will have a major problem thrust in its laps next week when a Citizens' committee makes recommendations for a vast remodeling and enlargement program to meet the needs of bulging classrooms.

City councilmen's election is slated for next Tuesday when places 1 and 4 are to be filled. Three candidates filed for each position.

For place 1, candidates are Bill Howard, Albert Maxwell and William R. Bill Dickson.

Place 4 seekers are Lloyd B. Sharp, Gerald Hale and Michael Justice.

Howard is the only incumbent seeking election.

Dr. H. A. Cavness

Hereford Building Permits Soar Past \$1.7 Million Mark

First Quarter Construction At New Peak

Hereford's building boom, which got under way late in 1962 and rocketed to an all-time high in 1963, continued to smash records in March when \$511,050 in permits were issued, City Hall records revealed Wednesday.

With \$700,250 issued during the first two months, this brought building permit totals for the first quarter of 1964 to \$1,211,300. This is only a half-million below the entire 1962 business when \$1.7 million in permits was issued. Last year's final figure was \$4,379,730.

Considering the fact that February and part of March were rough months for construction here, the first quarter of this year is running ahead of last year's new construction. Spring and summer months see greatest activity of any year, it was pointed out. Thus at the present rate, construction again in 1964 will set a record, construction men speculated.

None of the March permits was for a large amount, the top being \$30,000 for a residence.

Forty-eight permits were issued in March. The list follows:

John M. Goode, addition to residence, frame and stucco, block 22, Evans Barber subdivision, \$3900.

Bradley Investment Co., move-in alter and repair frame and stucco residence, lot 39, block 37, Evans-Gamez subdivision, \$6000.

B. J. Pugh, brick veneer residence, lot 49, Hare addition, \$16,000.

B. J. Pugh, brick veneer residence, lot 48, Hare addition, \$15,500.

A. D. Hutton, metal storage building, lot 4, block 3, Engler addition, \$200.

L. D. Pickering, alter and repair cafe building, block 4, Deathly addition, \$1700.

Jerome L. Kirby, alter storage building, lot 24, block 18, (Continued on page 2).

Senator Tower Speaks in Hereford

Goldwater Called Freedom's Hope

Hope of the free world lies in the election of a conservative, and Goldwater is that man, Sen. John Tower told a gathering of Republicans from four counties at a breakfast here Wednesday morning.

It must be done this year, 1968 may be too late, the senator warned, adding, "The time has come, is here right now when the American people must assert themselves in the cause of freedom. We must do so immediately."

He scoffed at the idea that President Johnson, being a Texan, is good for Texas. He was particularly critical of Johnson's Civil Rights proposal, calling the bill now pending in the Senate "the most vicious freedom-killing measure ever proposed." He claimed the present bill "is even more extreme than the one which Mr. Kennedy had proposed."

He said the bill will take a

way "the American public's right to run their own businesses as they please," adding that the "equal employment features of that bill would take away all rights of employers and make them subject to fines and lawsuits which would tie up their businesses and their operations for months upon end."

The country, he charged, "is not being run by congress but by the bureau who make rules and are surely but slowly eroding away all personal liberties. These rulers," he added, "are

as arrogant as maharajas." "There is only one way to overcome this trend which is taking away our liberties, and that is to restore government to the people from whom it came in the first place."

He said that only through the Republican party can freedom be restored. "We know that the Democratic party will not name a conservative, only the Republican party will do that, and Goldwater is that man. He will return the government to the people, and the nation to a business-like basis."

Tower was critical of the beef import "deal" which he called a bonanza for Australia, and said that oil imports which have been raised under the present administration, must be lowered to solve the critical oil situation.

Tower charged that a controlled agriculture "must be returned to the farmers and freedom given in the exercises of their own operations on a free market basis."

Tower also was critical of Johnson's economy moves, de- (Continued on page 2)

Citizens' Committee to Report

Around Board To Receive Town Recommendations

With The Brand Staff

Hereford school board next week will receive final recommendations from a Citizens' committee, which has been holding into school problems, especially the critical housing situation, and is about ready to come up with its report.

Secondary and elementary subcommittees made their recommendations at a third session of the group Tuesday night. The finance committee is meeting Saturday morning to draw up calculations, based on the recommendations of the other two subcommittees.

Earnest Langley, chairman of the finance section, said his subcommittee will meet Saturday with the school architect and a bond specialist and attempt to arrive at costs estimates on the recommendations.

He said the long-range estimate which the finance group sees as the maximum could be as high as \$2,750,000, but he hastened to add that the figure was only a "rough" estimate and he pointed out that such a program would be over a long period of time — maybe as late as 1968.

He explained that the finance group could not arrive at any accurate estimates "until after he had been told by the other groups what their needs are. Now that we have those recommendations, we will be able to come up with a cost schedule."

With Mrs. A. E. Hodges as chairman, the elementary subcommittee made these nine recommendations:

1. That eight (8) rooms be added to Aikman School. The school was designed to accommodate this amount of expansion and growth of the area would warrant such action.

2. That the board seriously study the possibility of constructing two (2) new elementary schools, with one (1) in the south part of Hereford. At present, many of the students are far removed from a school, as only Central is located south of Union Avenue. Trends indicate

rapid future growth in the south part of the city. A school in this area would take care of the growth and would also relieve Aikman and Northwest Schools of part of their bus students and allow them to accommodate future growth in their respective areas. Such new schools should be 24 classrooms, exclusive of any special purpose rooms.

3. That any new elementary school be designed similar to Aikman School so as to make maximum use of area without waste, such as seems to be the case with the wide, rambling corridors at Northwest.

4. Recommend that more (Continued on Page 3)

Ranspot Nicked, Herd Is Slapped By Sandies, 4-2

By David Stevens

Mike Ranspot's win streak came to an end at four straight Tuesday afternoon as the Whitefaces dropped a 4-2 decision to the Amarillo Sandies.

Three Sandie hurlers silenced the Herd batters to such a point that the Whitefaces could not give Ranspot his usual offensive backing. The first two Amarillo pitchers had pitched no-hitters against Altus, Okla. last Saturday.

However, Eugene Green did not allow the first Sandie moundsman to continue his no-hit ways very long as he blasted a double to right-center in the first inning. That was as far as the Whitefaces got as the next batter grounded out.

Ranspot opened up fast on the Sandie batsmen as he struck out the first three men. The sometimes wild Ranspot threw only 11 pitches in the first stanza.

Things finally got started in the third inning as Ronny Duncan and Joe Coffman singled (Continued on page 3)

TOWER VISITS HEREFORD — U. S. Senator John Tower came to Hereford Wednesday morning for a breakfast and a talk at the Bull Barn. Here he is shown with Keith Jorde, Deaf Smith County GOP chairman, as Tower arrived here. (Brand Staff Photo)

Lions Club Promotes Project

Donated Eyes Make The Blind To See

Ed Syypala, secretary-treasurer of the Hi-Plains eye Bank, presented the program at the luncheon of the Hereford Rotary Club Monday.

Syypala, former president of the Hereford Lions Club, explained the purpose and methods of operation of the Hi-Plains Eye Bank.

The eye bank was organized by the District 2-T-1 Lions and is affiliated with the American Eye Bank. The local eye bank operates under a Texas charter, according to Syypala.

Syypala pointed out that the need for eyes in the Panhandle area is growing, due to the ever-growing presence of an

eye disease, glaucoma. Eleven persons need eyes in this area and more than 100 need corneal transplants.

Since the Hi-Plains Eye Bank was organized six corneal transplants have been made and five of the six have been completely successful.

"One out of every 20 persons alive has some form of glaucoma, and very often this disease will destroy or impair the vision," Syypala said.

Eyes are donated by persons in this area who sign a card, which may be obtained by contacting Syypala. One portion of the card is filled out and mailed to the Hi-Plains Eye Bank in Amarillo. Another por-

tion is carried by the donor all times and the third is attached with the will of the donor.

Upon the death of the donor, the eyes are sent to the Amarillo firm and a corneal transplant is performed within 36 hours after the death of the donor.

"In Texas, unlike other states, a person may donate his eyes, but after death the next-of-kin must give consent before the eyes may be donated," Syypala said.

He continued, "Eyes that are diseased or those of a diabetic are not used for corneal transplants but are vital for research in the causes and cures of eye

diseases." Doctors who need eyes for sight restoration or for vision improvement call on the eye bank for them. Eyes are shipped gratis to the next eye surgeon on the list who has a patient ready.

No one is too young or too old, except infants, to give this blessed gift. Color of eyes, sex, age or race also does not matter.

Quality of vision is immaterial, as long as the cornea is healthy the eye can be used for transplant. Eyes not used for this purpose are invaluable for vitreous implant or vital research.

The fluid in the eye, known as

vitreous humor, can be stored indefinitely as can the tissue of the eye.

The nearest of kin, nurse, funeral director or anyone who is aware of the donor's wish to leave his eyes to this program is urged to immediately call Saint Anthony's Hospital in Amarillo, collect, anytime of the day or night.

Syypala said that less than 1,000 donor's cards were on file at the Hi-Plains Eye Bank and an area with this population should have over 20,000 donor cards.

Syypala concluded his talk with the motto of the Hi-Plains Eye Bank — Give so that others may see.

have begun for the new personnel according to George Cossairt, Hereford plant superintendent.

Some of the specialists are participating in training programs at Holly's Carlton mill at Brawley, Calif. All will go through familiarization training at the Shop Plant here before actual processing begins.

Seven persons are in Hereford at present according to Cossairt and peak employment during sugar-making campaigns will be approximately 280 persons, not including the agricultural, feedlot, office and other workers in the plant.

Ranspot...

(Continued from page 1)
and Green brought them home with a single to center.

Amarillo also got in to the scoring column in the third as a double and a bunt put men on first and third with no one out. Ranspot committed a balk to bring one run in. He settled down then to retire the side.

In the fourth inning the Whitefaces threatened again as David Stevens was hit by a pitch and Ranspot walked to put men on first and second with one out. However, Ranspot was forced at second on a ground ball and Stevens was thrown out at home after an overthrow at first on the attempted double play.

A single, a double, and a triple pushed the Sandies into a 3-2 lead after four innings.

Coffman got his second single of the day in the fifth inning but he was the only base runner of the inning. Amarillo also managed only one runner in the fifth, also on a single.

Amarillo ended the scoring for the day in their half of the sixth on a solo home run by Bob Pitts.

Ranspot went the route to

Goldwater...

(Continued from Page 1)

claring: "We need economy in operation of the government, not in just cutting down on the light bills at the White House. There, of all places, we need light. It must be an economy move that will cut out waste and take the people off the dole. Give them jobs instead."

The Texas senator said that the best answer to poverty is through jobs. Jobs alone can combat poverty. We must expand production to give more jobs and to do this, we must create the best possible climate for business, farming and industry.

He also was critical of the nation's foreign policy, which he said was a "back-off" policy, "one which has permitted Russia to dominate us. We need a toughness in our foreign policy which certainly is missing at present. I believe Goldwater is the man who can provide us with a 'tough' foreign policy which will restore the United States to its just rank among nations of the world."

Tower called the farm programs "buzzy and unrealistic," quoting the agriculture department's chief economist as saying that agriculture is a utility and must be controlled. That, Tower claimed, "is an example of the kind of con-

bring his record for the season to 4-1. He gave up six hits, struck out eight, and did not walk a man. He was charged with one balk. The three Sandie hurlers were touched for five hits, one walk, and they struck out nine Herd batters.

Tomorrow the Whitefaces play the Tascosa Rebels here at 4 p.m. Saturday the Whitefaces go to Amarillo for a doubleheader with Caprock. The first game is scheduled to begin at 1 p.m.

Dalhart Man To Head Farm Bureau Agency

Deaf Smith County Farm Bureau has named Joe Allender, Dalhart, as agency manager here, it was announced this week by Denzil Pulliam, Bureau president here. He succeeds Stan Sigman who has resigned to enter business.

Allender was born and reared in Dalhart, so was his wife, Winifred. They have two sons, Ricky, 18, and Mike 17, and a daughter, Phoebe Jo, 13.

For a number of years, Allender, who is 40 years old, was in the furniture business in Dalhart. He was graduated from Dalhart High School and attended Wentworth Military Academy in Lexington, Mo. for two years. He also served for three years as an Air Force pilot.

Allender has been active in Scouting, in the Lions club and Central Methodist Church in Dalhart. His hobbies are hunting and fishing.

Chief Explains New 'Friendship Acre' Program

The Rev. Norman A. Sundwall, State Executive Director of the Christian Rural Overseas Program, spoke to the Deaf Smith County Committee Tuesday morning at a breakfast meeting at the Western Wheel Inn.

"The purpose of the visit from the state director, was to acquaint the local committee with the workings of the new CROP Friendship Acres program.

"A Friendship Acre is an acre set aside to help feed hungry people overseas," said Mr. Sundwall. "Farmers dedicate an acre in faith at planting time; tend it carefully during the growing season, and then donate the produce from the acre to CROP." CROP is the community food arm of Church World Service, established to help victims of natural and man made disasters around the world.

"The CROP drive, usually coming in September and October, has been good in the Deaf Smith County area," Mr. Sundwall told the group, "but it was felt that the new Friendship Ac-

re program would make the drive much easier for both solicitor and donor, and generally gather more commodities for the program."

As Mr. Sundwall pointed out, the farmer who pledges an acre or more is not obligated in case of crop failure.

In the past, commodities gathered in the fall of the year have amounted to less than half of the actual crop donation with the remaining cash being contributed during the annual Halloween "Trick-or-Treat" drive.

This drive is organized and directed by students. Officers for CROP "Trick-or-Treat" are elected by the student bodies of Stanton Junior High and High School.

The "Trick-or-Treat" drive for 1963 accounted for approximately \$1500, while commodities and cash donated during the regular drive brought in another \$1,000.

John Douglas Pitman, chairman of the Deaf Smith County CROP program, presided over the meeting.

Mother Neff State Park near McGregor is the oldest of the Texas State Parks.

Production of frozen shrimp has entirely displaced canned shrimp on the Texas coast.

Most native plants are best raised from seed.

Clouds have been measured 35 miles above the earth.

school sites be purchased for future use, (3 to 4 more sites).

5. That very extensive renovation work or rebuilding be done immediately at Central School. This building serves a vital role in the school system, although in many ways it is outmoded. Immediate steps should be taken to put it in excellent condition, so that it may continue to be used without undue discomfort to either students or faculty.

6. That minor renovation be done at Shirley School to improve some minor flaws.

7. That immediate steps be taken to slow high school traffic as it passes Shirley School.

8. That the board seriously consider converting Shirley School to a High School classroom building within the next five to ten years.

9. That the board consider the advisability of hiring office clerks for duty in all elementary schools, so as to free the principal and assistant principal for their primary duties of administration and teacher supervision without being tied to routine clerical duties. If nothing else, we would recommend that half-day clerical help be provided.

Albert Maxwell was chairman of the elementary division which came up Tuesday night with these 11 recommendations from that sub-committee:

1. That Hereford schools go to the 5-3-3 plan beginning the 19-65-66 school year.
2. That present junior high auditorium be remodeled - new seats, bring stage up to date and cover floors.
3. That new furniture (students desks and teachers desks) be provided for 7 rooms in the original building at junior high school.
4. That rooms 37 and 33 in the original building at junior high be remodeled and brought up to standard for science rooms.
5. That present junior high school choir room be converted to a shop and crafts room with proper furniture and tools provided.
6. That a Lady Counselor be added to the junior high school staff and that room 19, which is adjacent to the present Counselor's office be converted to Counselor's facilities and proper furniture provided.
7. That two additional class rooms and a choir room, provided with proper furniture, be built at the present junior high school.
8. A new junior high school building constructed to handle 700 students in 1965 with athletic and physical education, band,

Your Red Cross In Action

By Corinne J. Neely

For several months now we have not had our column - to give you a rest and because we of the chapter have been so very busy.

But at this time we want to give you some information on the Alaskan Disaster and our part in aiding the distressed concerned. On the local level we have had four cases wherein we have sent wires asking of the welfare of relatives. To this date we are still waiting a reply. Because of the almost total damage to all communications it will take time for repairing and the location of families who are out of their homes.

On the National level we would like to give you these facts received today. We have 40 disaster specialists in Red Cross who are now in Alaska. Anchorage is the headquarters at the YMCA building. Through the Red Cross one Chicago firm has sent one million purification tablets for water supply. Many shelters have been set up under direction of ARC. Some 2,000 "Comfort kits" have been sent.

These contain soap, toothbrush, toothpaste, shaving articles, cosmetics, towels etc. Other supplies, medicines are being arranged for also.

Our Red Cross headquarters in Washington D. C. has sent 4,000 messages at the rate of 300 per hour. Some 1,000 have been cleared. Relatives should write air mail. Cards are being given in shelters to refugees to write relatives here.

Our Red Cross will play a big part in the rehabilitation program at a high expenditure of funds from National headquarters. It is not expected at this time for chapters to be allotted any quota to raise. But funds are being donated for this aid, locally and over the United States and other nations.

YOUR LOCAL CHAPTER IS RECEIVING DONATIONS TO BE SENT TO THE ALASKAN RED CROSS HEADQUARTERS.

Any amount you wish to send you may leave at the office west of the Courthouse or mail to Red Cross, Box 137.

Around...

Office for Alaskan disaster relief fund. Mrs. Neeley says checks may be mailed to the chapter, box 137, Hereford.

Hereford persons interested in joining the Peace Corps have been advised that tests are to be given at the Civil Service office in the post office in Amarillo Saturday, April 11, starting at 8:30 a.m.

Work will start at 8 o'clock Saturday morning painting the Hereford Campfire Hut, 9th and Park. Fathers of Blue Birds and Campfires are asked to bring paint brushes and ladders. Hereford Rotary club will supply the paint and will assist.

Two sessions of duplicate bridge are planned for Saturday at Community Center, one at 1:30 and one at 7 p.m. Dinner will be served. Fees are \$5 with funds going to the Community Center.

Father of Former City Woman Dies

Word was received here today of the death of George M. Hooker, Pampa, father of Mrs. J. Roy Crutchfield, long-time former resident of Hereford now residing in Albuquerque.

Graveside services will be held at 3 p.m. Friday at Rest Lawn Cemetery in Hereford.

Funeral services are scheduled at 10:30 a.m. Friday in the First Presbyterian Church in White Deer, Tex.

VISIT FRANK BEZNER'S

Spending the Easter holidays in Hereford with their family, the Frank Bezners, were Mr. and Mrs. Teddy Bedwell and son, Lakeview, Mr. and Mrs. Melvin Kalka and daughter, White Deer, Mr. and Mrs. Lynn Crabtree and children, Canyon, and Miss Laverne Bezner, a student at West Texas State.

choir, auditorium, cafeteria, library, vocational education and home making departments adequate to care for 1000 students. This plant designed so that additional classrooms may be added to handle 1000 students in the school.

It should be noted that both these buildings be designed so that additions can be made to care for 1800 to 1900 students in the two buildings.

9. That present high school study hall be converted into library space and speech class rooms.

10. Build a new band hall at high school adequate to need and convert present band hall into choir room.

11. That angle parking from Union St. to fire plug be made available. That off street parking be made available from fire plug to Grand Ave. in area where old football stands were. That parking be prohibited on west side of street in this entire area.

HONOR DOCTORS - For the fifth year members of the High School and Junior High Red Cross Chapters honored Hereford doctors on Doctors' Day March 30. Each doctor was given a red carnation boutonniere, and a cake was placed in the lounge at Deaf Smith County Hospital from funds raised by the chapters. Dr. Clyde Rush is pictured cutting the cake as Kathleen Kuper, left, and Dieder Thomas, right, chairman and vice-chairman of the high school group, watch. This project has received national recognition in the American Red Cross Journal. (Brand Staff Photo)

Consumption Expands As Productivity of Nation Grows

By Argen Draper

The productivity and the purchasing power of a nation grows, the amount and variety of products and services consumed by its people expand. This makes decision making much more difficult for the consumer. In view of this President Johnson, in his special message on consumer interests, focused attention on four major areas in increasing consumer protection: increasing information for consumer's free choice; and giving the consumer an adequate hearing. "The American housewife - the major American consumer - cannot help but feel confused, and too often unheard as she seeks the best value for the hard-earned dollar she spends," the President told the Congress. "This Government is pledged to come to her aid," he said.

Many of the programs in Deaf Smith County are already designed to aid in consumer education. More programs will be included in the future and with this national interest there should be more good program material. With the increased interest in adult education, it is fitting that we celebrate this year the anniversary of the Extension Service.

The consumer should receive a dollar's value for a dollar spent. So said Mrs. Esther Peterson, appointed in January as President Johnson's special assistant for consumer affairs, at a recent meeting in Dallas.

She explained that dozens of letters are received daily with complaints of consumers across the nation.

"I'm impressed with the number of parents who are concerned about the claims that assure their children will be popular if they use this or that. Other people have written concerning contests and give-aways. They say if they are paying for these things, they would rather have lower prices than the contests," Mrs. Peterson said.

"This also goes for trading stamps, I might say."

Other complaints received by Mrs. Peterson have to do with half-filled boxes, false sides and bottoms in some cosmetics jars, pre-packaged meats with the lean side up, and the cost and quality of varied items. The giant economy size boxes sometimes are the most expensive to buy, and price alone does not necessarily infer quality, she indicated.

Mrs. Peterson said she will take consumers' complaints directly to the manufacturer, pointing out that she doesn't think that legislation is the answer. "I think that if the public is made aware of some things, they will make the wise choice."

The year 1964 marks the Cooperative Extension Service's 50th Anniversary. In 1914 Congress passed the Smith-Lever Act which made it possible for the various states to enter into the cooperative agreement with the United States Department of Agriculture.

In Texas, the year 1903 marked the beginning of what we now know as the Texas Agricultural

Extension Service. The result demonstration set up on the Porter farm in Kaufman County under the supervision of Dr. Seaman A. Knapp launched what is considered by many to be the world's greatest out-of-school educational effort.

LET'S COOK SOMETHING

Kitchen Memories Poured From Boxes

By Dale Stevens
Brand Foods Editor

In the April Reader's Digest, there is an article called "I Remember Betty Crocker," written by Carol K. Schachter, quoted by Martin Levin in Saturday Review.

Now that all the credits are taken care of, here is a condensation of the article.

"My mother was a wonderful cook. I remember the tantalizing smells in the kitchen when I came home from school. Mama turned out every kind of cake imaginable. I remember the roseate hues in the rows of boxes on the pantry shelf. I remember Pillsbury, Duncan Hines, Dromedary. But most of all I remember Betty Crocker.

To watch Mama bake a Betty Crocker was poetry in motion. There was the exquisitely poignant way she tore off the box top, the quicksilver motion of her hands as she added an egg and some water, the effervescent flip she gave the knob of the electric mixer.

I've never married. No one could squeeze the bag of gingerbread the way Mama could. But I'm content. I live on the dear memories of my childhood and a cupboard full of Mrs. Grass's Chicken-y-Rich Noodle Soup. It's keen."

Such memories we are giving our children! Last fall David's birthday was on a Friday when the Whitefaces were playing in

Perryton or some such far-away place. We had a steak dinner Saturday night for him, but no cake. There were three pieces of a little Duncan Hines Early American cake in the freezer. I took them out, thawed them, stuck a lighted candle in one, and called to David, "Are you ready for your birthday cake?" He skidded to a halt in the kitchen door, peered, shaded his eyes, peered again, and said, "Oh, Mother, you shouldn't have gone to all that trouble."

Of course the cakes made according to direction on the boxes are very good, but cooks with ingenuity (and pricks of conscience?) have devised some delicious variations. Most of these call for the addition of several eggs and amounts of cooking oil varying with the person giving the recipe. Some people have marvelous ability to make perfect cakes from these recipes every time. Others report that they fall a little each time, but that only improves the flavor!

Lemon Cake
1 pkg. yellow cake mix
1 small pkg. lemon gelatin
2/3 cup water
2/3 cup oil
4 eggs
Mix cake mix and gelatin. Stir in water and oil. Add eggs one at the time, beating thoroughly after each addition. Bake at 350 degrees until done. While warm, glaze with mixture

Final Rites For A. G. Martin, 56, Held Wednesday

Funeral services for A. G. Martin, 56, were conducted Wednesday at 10 a.m. at First

of confectioners sugar and lemon juice.

Lemon Apricot Cake
1 pkg. yellow cake mix
1 small pkg. lemon gelatin
2 T. lemon extract
3/4 cup apricot nectar
1/2 cup oil
4 egg yolks
4 egg whites
1/2 t. cream of tartar
Mix first six ingredients. Beat egg whites (at room temperature) with cream of tartar until stiff. Fold into batter and bake in greased tube pan for 1 hour and 10 minutes at 350 degrees. Glaze while hot with mixture of 1 cup confectioners sugar and 1/4 cup apricot nectar.

Strawberry Cake
1 pkg. white cake mix
1/2 cup flour
1 small pkg. strawberry gelatin
1/2 cup oil
1/2 cup cold water
4 eggs
3/4 pkg. strawberries, thawed
Mix in the above order. Strawberries may be beat into mixture thoroughly or folded in for more color and flavor. Bake in layers at 350 degrees for about 30 minutes. Frost with mixture of 1 box of confectioners sugar, 1 stick butter or margarine, 1/2 box strawberries, and a little milk or water.

Methodist Church. The Rev. Herschel Thurston, pastor, and the Rev. G. W. Fine, pastor of Frio Baptist Church, officiated. Mr. Martin died March 29 in Deaf Smith County Hospital after a lengthy illness. He was born Nov. 27, 1907, in Valliant, Okla., and was married to Gladys Gillie July 5, 1930, in Hugo, Okla. They moved to Hereford Dec. 6, 1953, from Plainview. He was a member of the Methodist Church, Masonic Lodge, Kiva Temple, and Optimist Club.

Survivors include his wife, 418 Avenue J; two sons, Archie Martin, Plainview, and Leon Martin, San Lorenzo, Calif.; two daughters, Mrs. Anna May and Mrs. Linda Caster, both of Hereford; three brothers, Otis Martin, Hayward, Calif., Ogle Martin, Mountain View, Calif., and Jack Mar-

tin, Memphis; two sisters, Mrs. Valliant McQueen, Memphis, and Mrs. Carlene Jones, Bovina, and five grandchildren.

Interment was in the Garden of the Lord's Supper, Restlawn Cemetery, under the direction of Gilliland Funeral Home.

Nevada and Arizona have the lowest average cloudiness.

In the early days East Texas Indians bathed in oil seeps to relieve rheumatism.

ALL NEW Norge 14 FLEXI-LOAD

NOW!
WASH A
14-LB.
HAMPERFUL
OR A 2-LB.
HANDFUL
WITHOUT
EXTRA
SMALL
LOAD
ATTACHMENTS!

The largest tub of any washer gives plenty of room for 10 full size sheets to turn and tumble, get really clean. With Norge Flexi-Load the water level is adjustable for any load from 2 to 14 lbs.—you use only the water you need.

This extra-big agitator is the "heart" of the new Norge 14. It gives a superior washing action that assures you of a cleaner wash even with biggest loads. Specially designed agitator vanes save wear on your clothes.

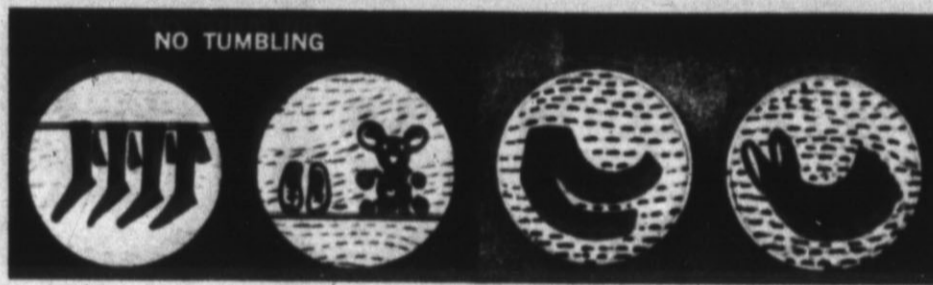

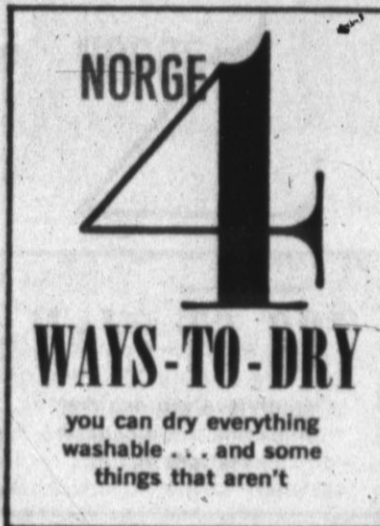

New slanted control panel and big, easy-to-read dials let you make settings without bending or squinting. And a new tub light completely illuminates the inside of the tub. Stvey socks can't hide. Strey socks can't hide.

With the Norge 14 there's a bigger and better lint filter; a timer that lets you pick a regular, gentle or soak cycle; three wash water temperature choices and two for rinse. A new side-opening lid gives you extra working space. Better see the Norge right away.

DON'T SETTLE FOR ANYTHING LESS THAN THE **Norge 14**

NORGE QUALITY DRYER FEATURES

New Matching Norge 14 Dryers Have The Biggest Capacity Of All. Dry A Big 14 Lb. Load Wrinkle Free

1 HEAT and AIR
Woolens, filmy fabrics, hosiery, toys, sweaters dry perfectly on the dryer rack in selected heat with no tumbling.

2 AIR ONLY
Plastics and Rubber "stiff" dry safely with air only—on the dryer rack. Use to freshen pillows or precious furs.

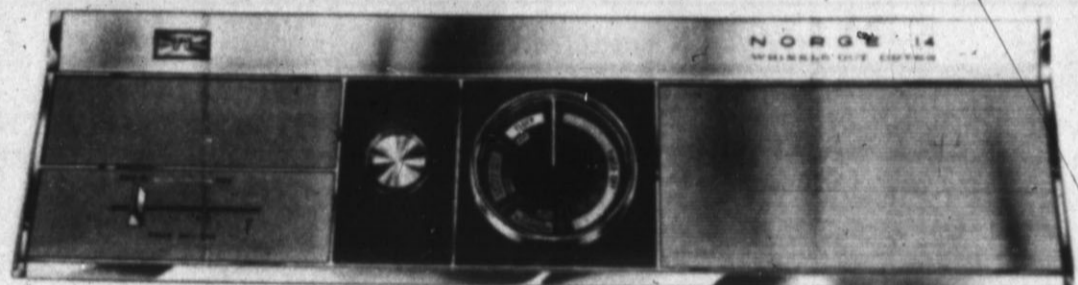

3 HEAT and AIR
Cottons, Linens, and all your regular wash from rag rugs to children's clothes tumble dry perfectly in selected heat and air.

4 AIR ONLY
Miracle Fabrics gently tumble dry in air only—no heat. Perfect for freshening curtains, draperies, coats, dusty fabrics.

MULTI-CYCLE DRYING

One easy to operate control provides a choice of 4 separate drying cycles for safe, efficient automatic drying of all fabrics.

AUTOMATIC REGULAR
No need to guess the correct time for fresh and fluffy drying of cottons and linens. Dryer "senses" when clothes are dry and shuts off automatically. At the end of the cycle, for more wrinkle free drying, clothes are cooled by tumbling without heat during the last 5 minutes.

stationary drying rack
Fits inside cylinder for drying items without tumbling. Two positions: top for hanging garments, bottom for shoes, blankets, etc.

3 POSITION HAMPER-DOOR

Automatic Cool Down For Wrinkle Free Drying
Clothes are cooled by tumbling without heat during the last 5 minutes of the regular cycle and during the last 10 minutes of the wash 'n wear cycle.

AUTOMATIC WASH 'N WEAR
Special cycle for all synthetic fabrics. Dries articles to proper degree of dryness and shuts off automatically after special 10 minute "wrinkle out" cool down.

FLUFF
Freshens and fluffs articles with up to 20 minutes of tumbling with room temperature air.

TIMED DRY
A standard timed cycle that provides from 5 to 80 minutes of drying time. Final 5 minutes of cycle, items are tumbled without heat to eliminate wrinkles.

Friday - 3:30

Broils meat on both sides at the same time!

New NORGE Vertical Broiler ELECTRIC RANGE

Extra "Char-Coll" Broiler lets you speed broil in the oven, too. Conveniently "waist high" and very easy to clean.

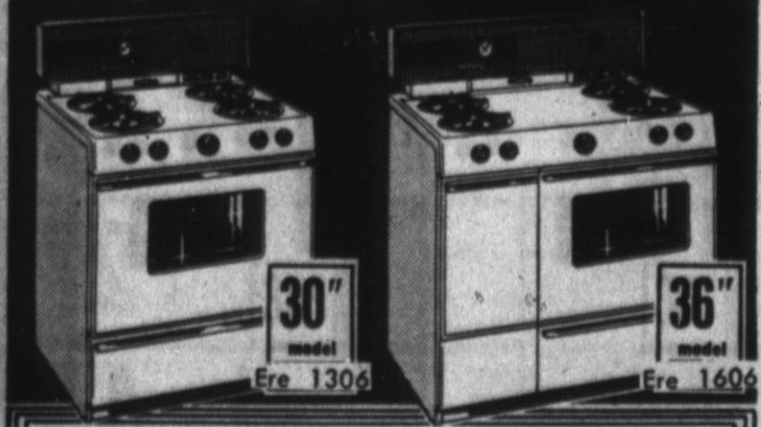

Big 21-inch wide oven with more than 3 1/2 cubic feet of space. "Blended Heat" feature keeps heat even throughout.

Saves the flavor, saves the juices, broils much faster! That's what happens with the new vertical broiler on this new Norge. Broiling on both sides at once seals the goodness in. And your choice of rare to well-done is controlled automatically—range signals you when your meat is done, turns heat off automatically, too. It's perfect broiling in a handy separate compartment that leaves your oven free for other things. Don't settle for less than the best. See the Norge vertical broiler now.

Hi-Speed Surface Units flat-top, self-cleaning elements designed for greater contact with pots and pans for faster cooking.

Herd In A Rut; Four Twin Bills End In Splits

Habits are hard to break and the Hereford Whitefaces are getting into quite a habit as the Herd has split all four double-headers played this year. Last Saturday the Whitefaces slapped Plainview 8-5 in the first game and then dropped the nightcap 11-0. The Herd now has a 5-6 season record. Last year the Whitefaces had a 5-14 season record, a mark they are sure to improve on this year.

Tasoca's Rebels invade Hereford tomorrow for a single game to be played at 4 p.m. Saturday the Whitefaces travel to Amarillo for another twin bill, this one with Caprock, Amarillo's new high school.

Hereford jumped into a quick lead in the first inning of Saturday's game when Joe Coffman walked, took second on a passes ball, and scored off Steve Hodges' single.

Mike Ranspot, Whiteface junior lefthander, had a wild streak in the first stanza as he walked the first two Bulldogs. However, he settled down to retire the next three Plainview hitters.

In the second inning each team managed one base runner as Ranspot and Plainview hurler Randy Leach each gave up one walk. These were two of the 18 walks in the game, seven by Ranspot and 11 by Bulldog moundmen.

Whiteface hitters found the range in the fourth inning as three singles and a walk gave the Herd a 3-0 lead. Frank Cain started the inning with a walk, Lynn Cook got a single, Ronny Duncan forced Cain at third, and Ranspot furthered his own cause with a two-run single to right.

However, Bulldog batsmen also found the range in the fourth. Two singles and three walks netted Plainview four runs. One of the singles was a bases-loaded inside-the-park home run by Tom Sawyer. Bulldog center fielder, but Sawyer was called out for missing second base.

Fighting back in the fifth the Whitefaces had runners on second and third and only one out after Eugene Green walked, Hodges slapped a single, and David Stevens moved up the runners with a bunt. But an attempted suicide squeeze turned into suicide as the bunt was popped up to the pitcher and Green was doubled off at third.

A double and a single gave the Bulldogs a 5-3 lead after five innings but a triple and four walks put the Whitefaces into a 6-5 lead.

Ranspot proceeded to retire the next six Plainview batsmen in order to preserve the win. The Whitefaces added two runs in the seventh on singles by Duncan and Ranspot and a double by Coffman.

Ranspot, in going the distance, gave up three hits, seven walks, struck out six, and was charged with one balk. Tommy Lloyd, who relieved Leach, was charged with the loss. The two Plainview hurlers gave up nine hits, 11 walks, and struck out seven Whitefaces.

In the nightcap two Plainview hitters gave up only three singles and the Whitefaces were never in this one. The singles, by Hodges, Danny Loerwald, and Stevens, gave the Herd its only base runners of the game. Not one Whiteface advanced past first base.

Plainview was quite a different story as the first four Bulldogs to bat scored, giving them a 4-0 lead after the first inning. The Bulldogs pushed across three more runs in the second, two in the fourth and two in the fifth.

Although the Bulldogs managed only nine hits they were assisted by eight walks and three errors. Phil Stephenson got credit for the win while Larry Minks, in his first start of the year, got the loss.

Truman Ragans' Infant Son Dies
Troyce Edwin Ragan, infant son of Mr. and Mrs. Truman Ragan, Route 5, died Wednesday in Deaf Smith County Hospital. Funeral services are pending with Tapp Funeral Home, Sulphur Springs. Burial will be in Liberty Community Cemetery in Hopkins County.
The baby was born March 27. Survivors include his parents, three brothers, Truman Jr., David, and Harold, and the grandparents, Mr. and Mrs. L. H. Ragan, Sulphur Springs, Mrs. Inez Bunch, Sulphur Springs, and H. H. Loveless, Mt. Pleasant.

By Melvin Young

Hereford was once known as the "City of Windmills", but in recent years the windmills have disappeared from the scene. The slogan now could well be "Hereford, the City of Civic Meetings". After attending our fourth meeting last Tuesday morning, we came to the conclusion that probably as much wind is being expended today, but we wonder if we're "pumping as much water".

We started the day off right with an early morning breakfast, and believe me, anything before 8 a.m. is early. Fortunately, we ate at only two of the four meetings, which helps somewhat with the weight problem.

But then, that's another story altogether.

Actually, we doubt that any town this size can boast of as many meetings during the course of any week as can Hereford, but then, there are few towns the size of Hereford that are as progressive. Most days will not be so congested as was Tuesday, but certainly the folks in this area do gather often to try to solve their mutual problems. That's

Hereford Man On Naval Tour

Clint Conway, 20-year-old son of Mr. and Mrs. Paul Conway, 104 Rio Vista Drive, will leave June 3 for a tour of duty with the Naval ROTC in the Mediterranean. The group will leave from Newark, N. J. June 4, flying to Frankfurt, Germany and then to Naples where Conway will join the ship's crew.

Conway is a Midshipman First Class in the University of Texas Naval ROTC program, and will be classified as a Senior for the fall semester. He is studying Nuclear Engineering.

Art Guild Elects New Officers

Hereford Art Guild members elected new officers during their meeting March 24 in Jean McGee's art room. Those elected were Vivian Major, president; Ruby Lee Hickman, vice-president; Ruth Kerr, secretary-treasurer; and Margaret Young, reporter. Louella Cowser was presiding officer.

Mrs. McGee presented the program on perspective. Using three paintings, she demonstrated by measurement were perspective was incorrect. Coffee and cookies were served to Ellen Carter, Louella Cowser, Frieda Conway, Carrie Mae Doak, Ella Higgins, Ruth Kerr, Susie Lipscomb, Vivian Major, Margaret Young, Roberta Wilson, Mary Lou Aven, and two guests, Mrs. Robert Anwyll and Nancy Anwyll.

5 Plead Guilty In County Court

Five persons entered pleas of guilty to separate charges of swindling with worthless checks in county court this week, with Judge H. C. Williams presiding. Mrs. F. D. Morris was sentenced to five days in the county jail and fined \$1 and costs.

Billy D. Martin was fined \$1 and costs and sentenced to one day in the county jail.

Dick Rodgers pleaded guilty to the worthless check charge and was fined \$1 and costs and sentenced to one day in the county jail.

Roy D. Campbell also entered a guilty plea to the swindling charge and was fined \$1 and costs and sentenced to one day in jail.

The final case heard in county court was that of David J. Kramer, which was also for swindling with worthless checks. Kramer was fined \$1 and costs and sentenced to 10 days in the county jail.

good of course. The interest manifest by local citizenry in the eventual destiny of the town is commendable.

Tuesday's PEP luncheon meeting, held at the Country Club, was well attended with chairmen from some eleven PEP committees reporting. PEP (Planning and Evaluating for Progress) is the result of a town hall type meeting held last fall, and committees of PEP are studying many of Hereford's problems, with the idea of making recommendations to the proper authorities for correction of the same. It seems to be working well.

Many of the ills brought out by the town hall meeting have been cured; others are in the mill; and some, naturally, were not problems at all. Clint Formby is general chairman of the group.

And just in case you get too busy to remember, Saturday is election day in Hereford, with the school trustees being the first to run the gamut. Running for the two places on the board will be Denzil Pulliam, H. A. "Hap" Cavness, Raymond White, and Labry Ballard. Ballard is the only incumbent seeking re-election.

Be sure to vote. This year will see the beginning of another major building program within our system and a large turnout at the polls will show the board that you're interested in the schools.

Thursday, Friday and Saturday has been picked for the big grand opening at S&R Appliance Company. The store is located at 209 Miles Avenue and is owned and operated by Ted Royal and "Dub" Self.

Ed Skypala told Rotarians Monday about the Hi-Plains Eye Bank. Skypala is a director in the organization whose purpose is the restoring of sight through corneal transplantation.

Persons interested in the work of the Eye Bank may contact Skypala for further information. And, if you're looking for a civic club program, Ed gives a good one. Call him. He'll appreciate the opportunity to talk about the work of the Hi-Plains Eye Bank, and you'll be amazed at the work the organization has done.

The Hereford Lions Club is one of the sponsors of the organization.

Saturday is going to be a busy day around Hereford. Fathers of girls in the Hereford Camp Fire Council have been asked to bring paint brushes and ladders to the Hut at 9th and Park for a "paint-up, fix-up" program next Saturday. Work will start at 8 a.m. Paint is being furnished by the Hereford Rotary Club, sponsors of the organization.

And, it won't be long until the annual Chamber of Commerce banquet. We're looking forward to the presentation of Hereford's Citizen-of-the-Year presentation, plus the after dinner speech by Jeff Williams.

Williams is one of the finest after dinner speakers that we've had the privilege of hearing. We're sure this occasion will be no exception.

Paid your income tax? Don't cry. Just send it in.

Member Explains Objectives Of FHA Week April 5 to 11

By Linda Tooley

The pupils enrolled in home-making and those who have been enrolled and are still in school, constitute the active members of the Hereford Future Homemakers chapter.

In the three Future Homemakers of America Chapters in Hereford High School there are approximately 130 members. Each member strives to live by the motto, "Toward New Horizons," which expresses the purpose of the organization — learning to live better today in order that our lives and those of our families may be better tomorrow.

The emblem of the FHA is octagonal in shape and bears the name of the organization, Future Homemakers of America, around the top of the plane while around the lower side of it is a house supported by two hands which symbolizes that the future homes of America are in the hands of its youth.

The FHA colors are red and white. These colors are symbolic of youth which has courage and determination to succeed, yet has innocence and purity. It is also symbolic of home

life, the success of which is of utmost importance.

As a member of the FHA organization a girl may attain the three Degrees of Achievement. The first degree is the Junior Homemaker Degree. The symbol is the key which is symbolic of the opportunity to attain a more satisfying home life and successful future through participation in the program of the FHA.

The second degree of achievement is the Chapter Degree of Achievement. The symbol of the Chapter Degree is the scroll which is symbolic of the learning experience provided for in the varied activities of the FHA.

The highest degree of achievement is the State Homemaker Degree which has the torch as its symbol. This torch symbolizes a guiding light that challenges and inspires further endeavor.

The Hereford Chapters have had 18 girls to work on chapter degrees, ten to work on chapter degrees and two to work on state degrees.

To carry out the eight purposes of the organization there are four state and National objectives the club must carry out. The objectives extend for a period of four years. They are as follows:

Objective I: Discovering myself and my worth to others. We carried this objective out through a discussion on "Do Teenagers Live by the Values they say they Hold By."

Objective II: Contributing to the joys and satisfactions of family living. We had a panel on Marriage Calls for Preparation which carried this objective out.

Objective III: Strengthening my education for future roles. To strengthen our education we heard a discussion on the correct parliamentary procedure, and

Chapter conducting Demonstration by the FHA Chapter.

Objective IV: Launching good citizenship through homemaking. In carrying out this objective the FHA chapters attended a session which was a discussion on "Action For Citizenship; Our

School Government." A program presented to King's Manor also contributed to carrying out this goal.

The FHA creed gives the true picture of a devoted future homemaker. It reads as follows:

(Continued on page 2)

F. H. A. Week Schedule

By Lou Ann Witkowski

- April 6 — Red and White Day — All FHA members will wear red and white in recognition of National FHA Week.
- April 7 — Rose Planting — The FHA chapters will provide and plant their flower, the red rose, to stress their flower.
- April 8 — Radio program — The FHA members will present a radio program to publicize FHA.
- April 9 — Salad supper — A salad supper is being held at the Community Center at 7 p.m., to learn the "Facts about a Very Important Profession."
- April 4-9 — FHA members will do a kind deed for a friend or shut-in and make report at the supper.
- April 10 — FHA members will observe the "Teacher Appreciation Day"
- April 12 — FHA members will attend church together at the First Methodist Church.

Hoof Prints

By David Stevens

Splitting doubleheaders is getting to be a habit with the Whitefaces. Last Friday the Herd beat Pampa in the first game of a twin bill by a score of 6-5 and then lost the nightcap 6-4. Saturday the Herd downed Plainview 8-5 and then dropped the second game 11-0. In other action last week the Whitefaces beat Palo Duro 4-2.

Amarillo Sandies come to Hereford tomorrow to meet the Herd for a single game to begin at 4 p.m. Saturday the Whitefaces travel to Amarillo for a doubleheader with Caprock. Gametime is 1 p.m. Palo Duro comes here for a single game next Tuesday at 4 p.m.

Gaining two of the Whitefaces' three victories last was Mike Ranspot, junior lefthander, who now has a 4-0 record, which looks mighty conspicuous compared to the Herd's 5-6 record for the season. Ranspot took credit for the Palo Duro victory as the Whitefaces gave him a four-run cushion after two innings. This was all he needed to back his efforts on the wind-blown diamond. The Herd had to come from behind in Ranspot's victory. Trailing 5-3 going into the sixth inning the Whitefaces picked up three runs in the sixth and two in the seventh to take an 8-5 decision behind the hurling of the ever-confident Ranspot.

Jim Haney got credit for the other victory last week as the Whitefaces overcame a 5-0 deficit to gain a 6-5 decision over Pampa.

HHS Girl Delivers Speech At Area FHA Meeting in Amarillo

(EDITOR'S NOTE: The following is a speech given at the Area I meeting of the Future Homemakers of America by Kathy Boston of the local chapter.)

By Kathy Boston
Past Area President

I have taken Henry Van Dyke's familiar stanza entitled "Four Things" as the inspiration for bringing you Four Goals of Life.

Four things a man must learn to do

If he would make his record true;

To think without confusion clearly

To love his fellow man sincerely

To act from honest motives purely

To trust in God and Heaven securely.

We need something to exercise our minds upon. Facts are the raw material for thinking, which is why we need content courses as well as method courses, why we need to go on learning facts as long as we live if we aspire to be educated men.

We cannot know it all, as Aristotle did, yet in a day of specialization we make a mistake if we narrow ourselves too far. Even if we specialize in some field, we should have a well rounded education. So that when we have forgotten all we learned we will come through with a disciplined and informed intelligence. We can no longer say what an educated man should know, we can say what an educated man should be. He should

be able to think without confusion clearly.

"To love his fellow man sincerely"

Love, as it is used in the phrase, is the will to do good.

HHS Coaches Plan Improved Tennis Team

By Christine Skypala

This year at HHS two tennis teams will be in competition with other schools in this district. The teams will consist of one boy's team and one girl's team.

Playing doubles on the boy's team will be Larry Cooper, son of Mr. and Mrs. Bert E. Cooper, 121 Centre Street, and Larry Hill, son of Mr. and Mrs. Elmer Kimball, 521 Star St. Playing singles will be Gary French, son of Mr. and Mrs. Don French, 131 Avenue B. All three boys are seniors this year at HHS.

Playing doubles on the girl's team will be Connie Renfro, daughter of Mrs. Mildred Renfro, 505 25 Mile Avenue, and Judy Wiman, daughter of Mr. and Mrs. Jim Wiman, 433 Star Street. Patty Roach, daughter of Mr. and Mrs. Curtis Roach, Route 3, will play in the singles.

A practice game will be played at Canyon before the scheduled games begin but the date this game will be played is still undecided. The first district tennis meet will be held Monday and Tuesday April 6 and 7 at Canyon. The other games the team will be playing have not been scheduled at this time. Equipment for the games that are played at the District Meet is furnished by the district in which they play. The winner of the game gets to keep the balls that were used in the game and they also get a medal for their achievements.

Miss Jean Collard, girl's PE instructor, will be sponsoring and coaching the two tennis teams. She stated that since last year Connie and Judy placed second in the district meet, their chances this year are better.

Student Reviews Book Available At HHS Library

By Keith Blanton

For "book worms" who like the unusual, the weird, the unexpected, the macabre, and the fantastic: H. G. Wells' Seven Science Fiction Novels are the kind you will relish.

To whet your appetite, here are a few scenes from the novels: *The War of the Worlds* and *The Food of the Gods*.

High School FHA Chapter Plans Rose Ceremony

By Cindy Loerwald

Recording Sec. of Chapter I During the National Future Homemakers of America Week, April 5-11, the Hereford Chapters of the Future Homemakers of America will perform a rose planting ceremony.

This ceremony will take place on April 7, during activity period. Several of the FHA girls will assemble on the east side of school to plant the national FHA flower - the red rose.

The rose has been a favorite since the days of Solomon who sang the praises for the Rose of Sharon. It has come to be the national emblem of England, and the national flower of Rumania and Persia.

The rose, best loved of all flowers, is grown over the world. The rose means, first of all, beauty, then love, then majesty. The Future Homemakers were wise in choosing this flower for their own. It is symbolic of vibrant, glowing health so essential for a happy and efficient life. Is it not appropriate that school campuses over Texas have a garden of red roses to

beautify their campus?

So on April 7, Linda Tooley, Barbara Buck, Beverly Lemons, Dorothy Marnell, Jane Messick, Linda London, Fanelia Williams, Armandina Valdez, Beverly Betzen, and Carolyn Aven, will plant roses to symbolize each of our eight purposes, hoping that as they grow, so will the Future Homemakers of America.

The eight purposes to be symbolized by the roses are:

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

Band Returns From Contest With Many Honors, Awards

By Sandra Green

Bandmembers returned Saturday, March 21, with honors received at contests held at West Texas University. Soloists and ensembles entered in classes of I, II and III ranking from most difficult. Ratings were considered superior, excellent, good and fair.

Mr. Ben Gollehon, band director and Mr. Darrel Garrison, a private horn instructor who plays in the Amarillo Symphony Orchestra, assisted contestants in preparing for their performances.

"Practicing increased as the date of contests drew nearer; for the past two weeks most contestants spent every evening working on their numbers," explained Mr. Gollehon. Ensembles in class I included Kay Nell Reeves, Roger Suttle, Penny Jones, Patsy Stoy in a clarinet quartet winning a superior rating.

Saxophone quartet, which includes Carolyn Boynton, Nancy Boyer, David Evans, and Jimmy

Cooper, won a superior rating.

Jerry McEachern, Lonnie Coker, Pat Maxwell, David Marcantell, Jack Aikin, and Jewell Williams are members of the brass sextet who also won a superior rating at contest.

French horn quartet, Doris Parsons, Kerry Thompson, Virgil Barber, and Barbara Moody, made a superior rating.

Jimmy Huckert, Ronnie Lance, and Lee Robinson, who make up the coronet trio, made an excellent rating.

Twenty-two soloists entered competition. Among the Class I, first division winners were Jerry McEachern, Barbara Moody, Doris Parsons; Pat Maxwell, Steve Knox, Jack Aikin and Kenneth Eastman.

Soloists in Class II, making second division, were Penny Jones, Roger Suttle, Lonnie Coker, Steve Thornton, Colleen Sanders, Kerry Thompson, Donnie Huckert, Tyler Thompson, Kay Nell Reeves and Barbara Buck.

Class soloists winning third division ratings included Becky Maxwell, Judy Summers, Pattie Roach, Peggy Allred and Donna Huckert.

Past Area Historian Relates Experiences of National Meet

By Kaki Barnard

Past Area Historian

In July of this year Kathy Boston and I and eight other delegates from Area I boarded a chartered bus and journeyed to Kansas City for the national meeting of the Future Homemakers of America. It was greatly inspiring, and both of us felt like it was one of the worthwhile activities we have ever participated in.

The theme of the four-day meeting was, "Your Home: Key to the Future." This theme was directed toward trying to help

us understand what constitutes a good family life and ways in which we as individuals could influence future homes.

Among the dignitaries who brought us greetings was ex-President Harry S. Truman. We later visited the Truman Library and other points of interest in Kansas City. We concluded with a giant banquet. The Texas delegation acted as hostesses which gave us an excellent opportunity to make many new friends.

Mrs. Stewart Udall, wife of the Secretary of the Interior, made the keynote address and pointed out the "growing tendency to downgrade homemaking as a career," and advised us to "create a new, dynamic role for tomorrow's woman, based on the requirement of her husband, children, and society."

She encouraged us to prepare fully for our role as homemakers (Continued on page 2)

Pinning For FNA Will Be Held Tuesday

By Rosemary Hersley

The pinning service which is to be held Sunday, April 12, was one of the topics discussed at the Future Nurses meeting Tuesday, March 24.

This service is one in which the members are presented pins by the Medical Auxiliary, which is the wives of all doctors. These pins are given on the basis of points earned through community projects the girls participate in through the year. Senior members who have earned 500 points are given guard pins, which complete their chain of pins.

Another topic discussed at the meeting was the state convention which will be in Abilene, Tex., Friday and Saturday. The delegates that will attend the meeting are Kathleen Kuper, Merle Carmichael and Jo Francis Davenport. Mrs. R. R. Willis and Mrs. Earl Springer, F. N. A. sponsors, will also attend. A four hundred dollar scholarship will be offered to the senior member with the highest points and the best qualified to be a nurse. This scholarship will be given by the Medical Auxiliary.

The F.N.A. went to Amarillo Saturday, March 7, to tour North West Texas Hospital. Twenty-five girls attended this tour and were served lunch by the school of nursing.

FINISH TEACHING — Jane Fields, left, and Neba Jackson finished up their practice teaching at Hereford High School this week. The two girls have been teaching at HHS for the past nine weeks. They are both seniors at Texas Tech. (Photo by Gerald Leatherman)

HHS Girl... Member...

(Continued from page 1)
the consistent purpose to bless others, not to wound them. It is this kind of love which Paul talks about in these familiar verses:

If I speak in the tongues of men and of angels but have not love, I am a noisy gong or a clanging symbol. Faith, hope, love, abide; but the greatest of these is love. "To act from honest motives purely"

What is the most important thing in a man? Skill is highly desirable, we admire those who possess it. A genial magnetic personality is a great asset. How easily they get along with people. Physical and mental vigor give a man self-confidence, inspires confidence in others, but the most important quality in a man is none of these. The most important quality is integrity. Without it, everything else he has; his skill, his vigor, his charm, is subject to heavy discount. To live with a man, to work by his side, you must be able to trust him.

"To trust in God and Heaven securely"

What does this mean? It means that at the heart of every experience there is an unseen Presence to show us the meaning of it, to illumine the path where our next step will lead, to hold us up, to guide us through. It means that it is a man's business to do the will of God. This is where religion for us begins. It ends in knowing Him, whom to know is life eternal.

Four things a man must learn to do
If he would make his record true.

To think without confusion clearly;

To love his fellow man sincerely;

To act from honest motives purely;

To trust in God and Heaven securely;

These things a man must learn to do
If he would make his record true.

Sunspots look dark only by comparison with the more luminous surface about them. They actually have a temperature of about 4000 degrees centigrade.

(Continued from page 1)
We are the Future Homemakers of America.
We face the future with warm courage and high hope.
For we have the clear conscience of seeking old and precious values.
For we are the builders of Homes.

Homes for America's future. Homes where living will be the expression of everything that is good and fair.

Homes where truth, a nd love and security and faith will be realities, not dreams. We are the Future Homemakers of America.

We face the future with warm courage and high hope.

Past Area...

(Continued from Page 1)
and to never underestimate our capacities and capabilities. The measure of our success will be the degree to which you can teach your child to love and live.
A former FHA national officer, Mrs. Carolyn Black Davis, brought the next message. Her theme was, "The Hand That Rocks the Cradle Rules the World." She encouraged us to expand our ideas and set high ideals.

She left us with this thought, "My world is only as big as the things I've seen and understood. If there are to be stars in my world, I must put them there. If there are gods I must place them. If there is to be love, I must give it."

Dr. Richard Kleemer spoke to us on "Love". He showed us how to meet the emotional needs of people—by giving them recognition, response, and security. To do this we must often put aside our own emotional needs and give ourselves completely.

Other programs covered decision making, family relations, individual growth, responsible citizenship, and reports on activities of members such as the stay-in-school, prepare for marriage, and other projects FHA chapters conduct.

We returned to Texas inspired and anxious to do our part in making the world a better place through our future roles as wives, mothers and homemakers.

FIRST GUEST — Sam Williams, Littlefield, is shown as he signs the register at the Chateau Inn located on U.S. 60. Bridges Returns From Factory

Merle Bridges returned to Hereford recently after a week in Little Rock, Ark., where he has been to the Starlings Paint Factory learning more about paint, its best uses and how he can better serve the people using it.

He is employed by McCaslin Lumber Co. and is in charge of the paint department. Bridges attended a five-day school at the factory. This was the first time Bridges attended the school.

Mrs. Jacobsen Reviews Book On Hypnosis

Mrs. John N. Jacobsen reviewed a book on medical hypnosis during the Lone Star Study Club meeting March 24 in the home of Mrs. J. J. Durham. The book was written by Dr. Gordon Ambrose and Dr. George Newbold.

"It is generally thought that hypnosis is something comparatively recent," began Mrs. Jacobsen, "but it was initiated in the 1800's by Dr. Mesmer." She then continued with the history of the science and noted that one of Dr. Mesmer's students had discovered the phenomenon of somnambulism, which excited considerable interest and led to renewed enthusiasm for Mesmerism, especially in Germany.

Mrs. Jacobsen outlined the efforts of Dr. James Braid to submit his studies to the medical society. "Hypnotism can never replace medicine. It can serve simply as a cushion," she concluded.

The thought for the day, "The Effect of Color on Human Beings," was given by Mrs. Coy Phillips. Mrs. Baker Womble was presiding officer and Miss Mildred Elliott wa hostess. Others present were Mrs. R. G. Blue, Opal Bookout, Mrs. H. E. Henslee, Thelma Chisum, Mrs. Jim Higgins, Mrs. Jacobsen, Mrs. C. D. Kelton, Mrs. Joe Kendall, Vivian Major, Mrs. G. W.

Bippus HD Club Meets In Home Of Mrs. J. Hill

Bippus Home Demonstration Club met recently in the home of Mrs. John Hill. Members responded to roll call with descriptions of their problems in landscaping and flower arrangement. Mrs. Tom Draper, county home demonstration agent, then showed films of homes in the Hereford area and explained their landscaping.

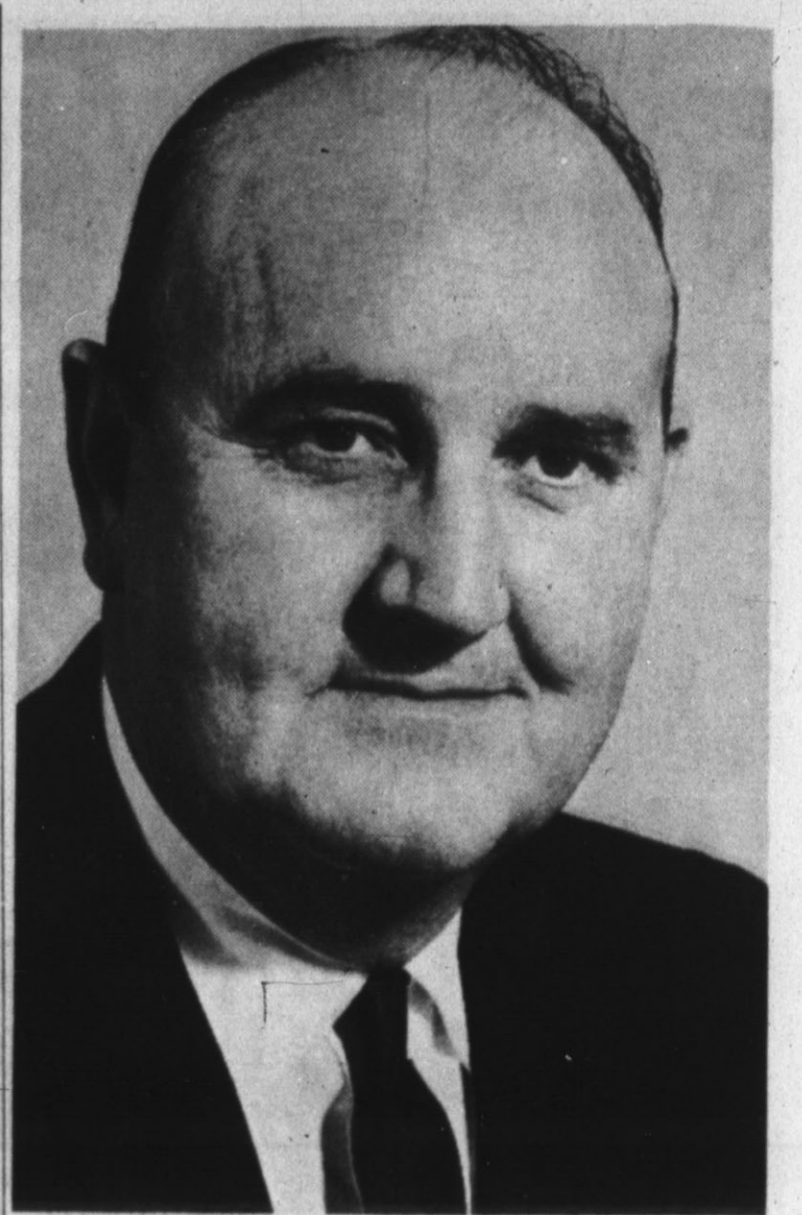

In the absence of both the president and vice-president, Mrs. Charlie Burk conducted the business meeting. Mrs. C. F. Homfeld gave the council report.

Those present were Mrs. Homfeld, Mrs. J. G. Fortenberry, Mrs. Christine Larsen, Mrs. Burk, Mrs. Elmo Hall, Mrs. Draper, and Mrs. Hill.

First railroads in the U. S. had wooden or iron rails over which cars were drawn by horses at a speed of five or six miles an hour.

Newsom, Mrs. Ray Suit, and Mrs. Durham.

JIM C. LANGDON is now serving on the Railroad Commission and doing a fine job. Texas oil production has gone up 3 per cent, meaning more income for Texans and more tax revenue. JIM LANGDON is a former high court judge who understands the problems of oilmen, truckers, butane dealers, the railroads and other industries he helps to regulate in the public interest. Texas must keep this man of integrity and ability on the job. Vote in the Democratic Primary May 2 for Railroad Commissioner

CHEVY II by Chevrolet

How to get away from it all including the high cost of travel!

If you're looking for a way to get the whole family there and back on a small vacation budget, this is the station wagon that can do it.

You see, a Chevy II is one of the most inexpensive wagons you can own. It goes so many miles between gas stops you'll think we built in a spare tank. Garage stops, too, are far, far apart.

And you get 76 cu. ft. of cargo space for less money than you'd expect to pay for most sedans. Big enough to handle fat rowboats and tall fishing poles. Powerful enough to tote fully loaded trailers.

And all Chevy II's come with Chevrolet's money-saving, easy-care features. Like Body by Fisher, rust-resisting flush-and-dry rocker panels, battery-

saving Delcotron generator and self-adjusting brakes.

Besides wagons, of course, there are Chevy II sedans and coupes. The Super Sport Coupe comes with a wide range of engines, bucket seats, door-to-door carpeting and either an extra-cost floor-mounted Powerglide or 4-speed transmission. So although Chevy II's are economical to buy and own, they certainly don't look it.

And now that it's Trade 'N' Travel Time at your Chevrolet dealer's, you'll never find a better time to look into Chevy II. Look under its hood. Slam its solid doors. Bounce on its thickly padded foam-cushioned seats. But above all else—try it on the highway. It'll give you a good run for your money.

FOR THE GREAT HIGHWAY PERFORMERS

Mrs. Bezner To Attend Washington 4-H Forum

Mrs. A. J. Bezner, a leader of Ford 4-H Club, will go to College Station today to join a group of 24 volunteer adult 4-H leaders from Texas who have been selected to receive training in youth leadership work at the National 4-H Foundation Center in Washington, D. C., April 6-11.

Two delegates, a man and a woman, from each of Texas' Extension Service districts will participate in the training. The other delegate from this district is C. L. Harruff, Dallam County.

The principal objective of the forum is to help the adult leaders to become more effective in working with young people in 4-H. Participants in the national forum will lead a Texas Leadership Forum, which is expected to attract more than 200 4-H volunteer adult leaders. Dates of the state forum are to be announced.

Prior to leaving for Washington, the leaders will attend a one-day orientation program in College Station April 3. They will travel to Washington by chartered bus the following day and are scheduled to return to College Station April 13.

Mrs. Bezner and Mrs. Leroy Williamson are serving as organization leaders of the Ford Club. This is Mrs. Bezner's third year in this capacity, and she has served as a subject matter leader in record books for five years and in clothing for three years. She has been chairman of the County 4-H Council for two years.

Mrs. Bezner says that the thing she likes best is to be with her family. It is because of her concern for her own six children that she has been such an active 4-H leader.

Her oldest son, Jody, was the first 4-H member in the family. He has had outstanding projects in field crops, livestock, junior leadership, and soil, grass, and livestock judging. He has received the Santa Fe award to the National 4-H Congress. During his 4-H days he served as a junior leader in the Ford club, and since his graduation from Texas Tech, he has served as a field crops subject matter leader. He is a farmer.

Sharon, the oldest daughter, chose public speaking as her 4-H project and was state winner in 1963 in 4-H public speaking. One year she received a \$50

NEW LIONS OFFICERS — These are the new officers for the Lions Club, who were elected at the club's Wednesday meeting. From left to right, they are B. F. Cain, treasurer; Melvin Jayroe, lion tamer; Ray Moore, tail twister; Wylie Qualiebaum, third vice-president; Tom Robinson, director; Raymond White (top), president; R. C. McGilvary (bottom), director; Roy Hartman, first vice-president; and Hilrey Aven, second vice-president. Not shown is O. Z. Golden, secretary. These officers will be installed July 1. (Bradly Photo)

Topdressing Of Wheat Possible After April 1

By Dr. William Bennett, Agronomist

If wheat is grazed later than April 1, it can still be topdressed after cattle are removed.

The need for nitrogen on wheat will depend on how much was applied last fall and whether the acreage was grazed. Wheat normally needs about 100 to 120 pounds of applied nitrogen. If less than 100 pounds was used last fall, extra nitrogen is needed now.

If a full rate was applied last fall, but grazing has been heavy, it would be profitable to apply extra nitrogen. Rates of 40 to 70 pounds actual nitrogen are usually adequate.

Yield increases from 50 pounds nitrogen per acre will usually range from 5 to 15 bushels per acre. Obviously, the price of wheat will influence profits.

For late topdressing, ammonium nitrate is probably the best source, because half of the nitrogen is in the nitrate form which will provide a quick response. The ammonium form must be converted to the nitrate form before most of it is used. Ammonium sulphate, urea, and nitrogen solutions are also satisfactory for late topdressing but will be somewhat slow in showing a response.

Walcott Girls Demonstrate 4-H Projects For HD Clubs

Members of Walcott Girls' 4-H club presented the program during the combined meeting of Messenger and Bippus Home Demonstration clubs March 25 in the home of Mrs. C. F. Burk.

Jean Beene, assistant county home demonstration agent, listed the advantages of 4-H training in citizenship, independence, and confidence and other values for the child, her family, and the community. She then showed slides made at the Favorite Foods Show and described the training received by each girl before she can enter the show.

Nancy Minks, president, then introduced the leaders and members of Walcott Club. The girls showed the dresses they were making in Clothing Unit II. Each girl then presented a casserole of her favorite food, described its preparation, and discussed the nutrients in the food. The dishes were placed on the dining table, which was covered with a cutwork linen cloth over green, the 4-H color, and centered with an arrangement of white carnations in a silver container.

The guests were invited to taste each food. Nancy Minks served coffee, Mary Ramos served punch, and dessert was served by Mary Ruth Weaver.

Messenger club members present were Mrs. S. N. Thweatt, Mrs. N. A. Brown, Mrs. G. E. Pinkerton, Mrs. Elmer Northcutt and Mrs. Elton Sorrells. Bippus club members present were Mrs. Elmo Hall, Mrs. Edwin Banks,

Mrs. J. G. Fortenberry, Mrs. John Hill, Mrs. G. V. Hall, and Mrs. Burk.

Other guests were Mrs. Joe Wagoner, Mrs. J. V. Perrin, Mrs. Bess Werner, Mrs. Inman Larson, Mrs. Tom Draper, Mrs. Thomas L. Collins, Mrs. Joe Ramos, Mrs. Norman Minks, Mrs. Beene, Mrs. Jack Weaver, Rhonda Scott, Don Hall, James Hall and Patricia Ramos.

Those from Walcott 4-H Club were Mary Ramos, Nancy Minks, Mary Ruth Weaver, Kerry Hall, Mary Alice Burrus, Margaret Minks, and Charlene Weaver.

Jaycee-Ettes Reorganized In Monday Meeting

Mrs. Ralph Owens was elected president of the Jaycee-Ettes during the reorganizational meeting of the group Monday night in the Community Room of First National Bank. The purpose of the group is to give assistance to the Junior Chamber of Commerce and share their responsibilities.

Members of the Dimmitt Jaycee-Ettes were present to assist with the reorganization of the Hereford group. They reviewed the purpose and goals of the club.

Other officers elected were Mrs. Wayne Fuller, vice-president; Mrs. Carl Carlie, secretary-reporter; Mrs. Bill Dufur, treasurer; and Mrs. Fred Ruten, state director.

Committees designated and their purposes were the notice committee, whose duty is to notify members of coming meetings; The hostess committee, which will appoint a hostess for each meeting and the constitution and by-laws committee, which will meet and draw up a constitution to submit during the next meeting. The group agreed to meet the second and fourth Mondays of each month.

EASTER NEWS

Easter Women See Hat-Making Demonstration

The Easter club, in its March 26 meeting in the home of Jeanette Frye, saw a demonstration by Mrs. Glen Roberson, Summerfield, on making hats. She shows several different styles of hats which she had made and gave sewing tips on hat making.

Refreshments were served to Mrs. Ruby Stone, Mrs. Henry Flood, Mrs. Trent Downing, Mrs. W. A. Epperson, Mrs. S. T. Walton, Mrs. Dale Maxwell and Brian, and Mrs. W. O. Markley and Sonia. Guests included Mrs. Jo Ed Andrews and Elizabeth, Mrs. Alvin Jones, Bill Striver, Mrs. John Smith and Mrs. Roberson.

Mr. and Mrs. W. A. Epperson visited Glenda Pryor in Lubbock Sunday.

Mr. and Mrs. J. H. Flood and Mrs. and Mrs. V. G. Woods visited Mr. and Mrs. Ray Bearden at Dimmitt Sunday. Mr. and Mrs. Fred Wallow visited Mr. and Mrs. J. H. Flood Sunday, and Mrs. W. O. Markley and children attended a domino party at the Jumbo community Saturday night.

Mr. and Mrs. Leo Hall have returned from attending the funeral last Wednesday of S. J. Tipson in Stewart, Okla.

Mr. and Mrs. Troy Maxwell and Mr. and Mrs. Dale Maxwell were in Amarillo on business Thursday.

Mr. and Mrs. Jack Higgins and Laura had dinner with Mr. and Mrs. Charles Frye Sunday.

Mr. and Mrs. John H. Burnett were in Duke and Altus, Okla., this week on business.

Mr. and Mrs. Loy D. Stone and Mrs. Ruby Stone were in Clovis, N. M. Thursday.

Mr. and Mrs. Clyde Renfro attended a party in the Jumbo Community Saturday night.

MAKE \$50 A WEEK SEWING AT HOME

Earn up to \$50.00 WEEKLY sewing early American type throw pillow covers. YOU ARE PAID \$5.00 PER DOZ. BY OUR FIRM. Your profit will be mailed to you immediately upon completing an order. Ready-cut materials are mailed out to you WITHOUT ANY COST. You never buy any materials ever, they are mailed to you POSTPAID.

The pillow covers are simple to sew, only straight line sewing is required.

The Early American Pillow Cover Plan and Service can be used right from your own mail box without leaving your home other than going to the post office. You do no canvassing or selling — just sewing and mailing to us.

You do not have to wait for your money, you are paid as soon as our firm receives the pillow covers you make.

Since our advertising covers a wide area, The Early American Pillow Co., has lost many dollars in materials, postage, handling, etc. to ladies who just answer our ads. So we are making a flat charge of \$2.00 for our application blank and a free sample ready-cut Early American Pillow, so you can see how long it will take you to sew it. (Complete with sewing instructions).

If you take up the Early American Pillow Cover Plan and Service, the \$2.00 is redeemable, if not ours for handling your request, to take care of postage, costs, overhead, etc.

Sign and return the coupon below with \$2.00 cash or check for quick results. Your application blank and a free ready-cut early American pillow cover will be mailed immediately.

I thoroughly understand that the \$2.00 flat charge is for overhead and handling of my application blank and one ready-cut Early American Pillow Cover and instructions. And that the \$2.00 is redeemable only if I accept the Early American Pillow Cover Service.

Sandi Says...

By Sandi Thomas

Once again, hi! Boy, has this been a rushed week, but I tried to round up all the news.

It seems Jo Pouch is really "setting the world on fire." She won the averages at both the Amarillo amateur rodeo and Sweetwater junior rodeo in the barrel racing event. At Amarillo, Jo placed first in the first go-round and first on the barrels in the quarter horse show. At Sweetwater, she ran first in the first go-round and, in the second go-round, split a first. Also entered at Amarillo was Karen Blackwell and Lynn Pouch. Lynn placed third on the barrels in the quarter horse show. Debbie Thomas and Lynn competed at Sweetwater. Debbie placed fourth in the first go-round and third in the second on the barrels. Congratulations, girls! The competition was tough!

Saturday afternoon, March 21, Beverly Packard had a coke party at her home. Among those who spent the afternoon "guzzling" cokes and phoning boys were Cindy Jones, Becky Higgins, Gwen Cargo, Sherrie Hill, Pam Wingert, Janis Elliot, Carol Clearman, Nancy Smith, Charlotte Packard, Sue La Fever, and Donna Hill. Get any phone calls, Boys?

The band kids are sure working hard for a trip to Enid, Oklahoma in the last of April and the first of May. At their recent concert, they hauled in around \$900 on one good performance.

On the subject of baseball games, Hereford went to Palo Duro, Tuesday, Mar. 24, to defeat the latter by a score of 4-2. Last Friday, Pampa came to Hereford to beat us in a double-header by a score of 6-4. We came through when the opponents were defeated 6-5. Honorable mention goes to Lynn Cook, who hit a home run. Last Saturday, Hereford went to Plainview for a double header. We lost one game 11-0; but in another game, we won by a score of 8-5.

Recently, six kids went to Houston on a student council trip. Those staying at the Shamrock Hilton Hotel and having a nice time were Beth Ballard, Ann Braddy, Larry Minks, Gary Don Roberson, Christa Holz and Sergio Bravo.

Maybe you noticed three familiar faces home for Easter vacation. They belonged to Jennifer, Beverly, and Lewis Barnett. While here, Beverly was the hostess of a coke party last Saturday afternoon. Those there were Barbara Zinser, Beverly Lemons, Kathy Pool, Charlotte Babione, Jennifer, and Camille Pavlicek.

Barbara Zinser is the proud owner of a '64 Valiant. It is dark turquoise on the bottom and light turquoise on the top. The interior is aqua. Congratulations, Barbara!

Sue Atchley and Suzie Sanders were hostesses for a record party, Friday, March 20. The party was in honor of Cindy Sanders for her sixteenth birthday. Those enjoying the dancing and food were Dennis Hoffman, Keith Betzen, Andy Channer, Robby Lemons, Jimmy Campbell, Gary Clements, James Schultz, Marvin Kuper, Johnny Mars, Joellen Hamilton, Beverly Betzen, Gwyn Albracht, Jeannie Brewer, Sylvia Phipps, Denise King, Dolores and Lynda Kuper, and Helen Hoffman.

Mrs. Snyder To Present Pupils In Piano Recital

Mrs. Glenn Snyder will present a group of elementary and junior high school students in a piano recital Sunday, April 5, at 3 p.m. in Ward Parlor, First Methodist Church. Interested friends are invited to attend.

Those in the program include Patti Turentine, Gary Cotton, Margie Paetzold, Jaime Pitman, Gary Dillard, Kaylynne Alexander, Greg Whitaker, Deborah Hodges, Carol Newton, Judith Morrison, Steve Whitaker, Sheldon Alexander, Glenda Sue Dillard, Kerri Damerson, Maria Jack, and Janice Turentine.

ATTEND EASTER DINNER

Guests in the home of the Joe Frank Clarks, 117 Fir, for Easter dinner were her brother and his wife, Mr. and Mrs. James Wiley of Denver, Colo., her sister and her husband, Mr. and Mrs. Dale Martin and son Richard from Amarillo, and her parents, Mr. and Mrs. H. T. Wiley of Lubbock.

 Wednesday prayer meeting held at 8 p. m.

Don't Swear!

It's a Bible command... a common-sense law of life. "Thou shalt not take the name of The Lord Thy God in vain." THEN WHY DO YOU DO IT???

Careless habit? Limited vocabulary? Calloused soul? ... JUST WHY DO YOU DO IT? "The Lord will not hold him guiltless that taketh His name in vain." Man, too, will hold you guilty. The members of your family, — the fellows in your office, — the stranger on the street ... none of them like it! Your family deserves better of you. Your neighbors expect better of you. God requires better of you. Go to church and break the swearing habit. Learn to respect and honor and reverence God's name. Please don't swear!

Window Posters Worry Pete Today

Pete Progress
"There is another aspect to
this problem that I mentioned . . .
(mentioned, heck—he ranted for
20 minutes) . . . last week about
blackmailing businessmen for
donations." Pete started his
weekly report with "That is the
problem of posters—and the
Chamber of Commerce has been
as guilty as any on this score.
Window space is the most valu-
able space that a retailer has.
It is his appeal to the prospec-
tive buyer. It displays the items
that the retailer has to offer the
public. An attractive display
window can create sales by sug-
gestion.
"But a cluttered window sug-
gests an untidy interior and per-
haps unattractive merchandise.
In other words, a business is of-
ten judged by the window it
keeps—or the front it puts to the
public. But how often are our
retailers' windows cluttered with
posters for every conceivable
cause, put there with the per-
mission—or sometimes without
it—of the business man; a per-
mission granted simply because
the business man is put in a
position of being unable to say
no and maintain the good cus-
tomer relations he desires.
"Again, as in the case of do-
nations, people should ask them-
selves whether the businessman
has any obligation to give his
valuable window space to pro-
mote an unrelated cause. The
organization often pays for news-
paper and radio advertising,
pays the printer for the poster,
then asks the businessman to
make of his window a free bill-
board. But what is the answer?
"One possible solution has
been suggested and that is to
put bulletin boards on the down-
town light standards, attractive
cases facing the sidewalk where
the shopper could see the poster
and read it with ease. This might
be a good project for the retail-
ers to take up with the city
and the public service company.
"And the businessmen down-
town are not the only people
with pressing problems right
now. The commercial cattlemen
are engaged in a great debate
among themselves as well as
with the government concerning
the great increase in imports of
beef primarily from Australia
and New Zealand. While all re-
cognize the tremendous impact
upon the beef cattle economy
and all of the related agricul-
tural and agri-business economy,
they are far from united in their
solution to the problem. Some
feel that a high import duty
which would equalize labor and
other fixed production costs
would be the answer.
"Others feel that cattle should
be put on a quota basis, some-
what like that quota system used
in the sugar industry. Most all
are agreed that they do not want
the government controlling the
cattle business like it does agri-
cultural enterprises—in fact many
say to leave the situation
alone and let the problem alone
rather than bring the govern-
ment in in any way. Our com-
mercial cattle committee has re-
commended that the Chamber
board of Directors adopt a policy
requesting government ef-
forts to curb the import threat
to domestic production.
"They cite the decline of over
one billion dollars in the gross
national product of the beef and
beef related industries since 19-
62.
"They cite the fact that eco-
nomic damage to the com-
mercial cattle business
breeders of registered herds, pack-
er-buyers, grain producers and
brokers, feed producers and dis-
tributors, as well as the manu-
facturers of the equipment used
in the highly mechanized feed
lot operation. This damages ev-
ery business man, on the sec-
ondary level, and should be of par-
ticular concern in this area.
"The Board of Directors of the
Chamber of Commerce will vote
on Monday on this policy mat-
ter along with a request for leg-
islative action in regard to an
increased sugar beet quota for
the whole United States and the
stand on civil rights.
"That's my report for this
week," said Pete. "Every one go
to the church of his choice on
this Easter Sunday," he called
back over his shoulder as he
headed out the door looking for
more progress to report.

Vehicles Receive \$250 Damage In Friday Accident

An accident at noon Friday
resulted in \$250 damage to the
vehicles involved, according to
the Hereford Police Department.
The accident took place at 5th
and Sampson when a '62 Falcon
sedan, driven by Wesley Stew-
art Fisher, 210 Centre, was in
collision with a '62 Volkswagen
sedan driven by Doris Willier
Burgess, 333 Ave. H. Damage to
each vehicle was estimated at
\$125.
Fisher was ticketed by patrol-
man Don Brush for failure to
yield right-of-way.

DAWN NEWS

Quarter Inch Rain Recorded On Carl Wimberley Farm

By Mrs. Robert Strain

The Government Rain Gauge on the Carl Wimberley farm registered one-quarter inch of rain on March 25. This week has found the farmers busy planting sugar beets, fertilizing and pre-watering maize ground, and watering wheat even though the strong winds have made it a little unpleasant.

The monthly Community Night was held at the school house on Friday night. An interesting program on the Red Cross was presented. Don Zimmerman, John Gilliland, Bill Thompson, and Dale Barkley from Hereford presented different phases of Red Cross work. Mrs. H. H. Miller, Mrs. Ed Sowell, and Steve Bavousett also helped with the presentation. Those attending the program were: Mr. and Mrs. H. V. McCabe, Mr. and Mrs. H. S. Fuller and family, Mr. and Mrs. H. D. Fowler and family, Mr. and Mrs. Ed Sowell and boys, Mr. and Mrs. Pat Miller and daughter, Mr. and Mrs. Carl Wimberley, Mr. and Mrs. Ted Richardson and boys, J. E. McCabe, Steve Bavousett and daughter, Buddy Matthews, David Richerson, Jon David Miller, and Russell Moore from Amarillo.

Mrs. H. H. Miller visited in Canyon with Miss Vera Crawford on Monday.

Patsy and Margaret Linderman received red ribbons in the 4-H Favorite Foods Show held in the Community Center in Hereford Saturday. Phyllis Richardson received a blue ribbon.

H. H. Miller, Steve Bavousett, J. E. McCabe, and Robert Strain attended a meeting in connection with the High Plains Research Center at the Rural Electric Cooperative building Monday night.

The Dawn Home Demonstration Club met at the school house Friday with Mrs. J. E. McCabe serving as hostess. Mrs. Argen Draper presented a program on freezing foods to those present. This included: Mrs. R. T. Stewart, Mrs. H. S. Fuller, Mrs. J. B. Caraway, Mrs. O. R. Galley, Mrs. H. V. McCabe, and the hostess.

Mr. and Mrs. C. E. Beauford, their granddaughter, Judy Robinson; and Mr. and Mrs. Ed Sowell, Danny and Denny had supper in Amarillo Sunday night.

Rev. Charles Davenport visited recently in the home of Mr. and Mrs. L. B. Drake in Hereford.

Mr. and Mrs. J. R. Oglesby of Canyon were Sunday dinner guests in the home of Mr. and Mrs. H. R. Stewart. They later attended the G. A. Coronation services at the Dawn Baptist Church.

Mrs. William Wimberley presided at the G. A. Coronation and Recognition Service held at the Dawn Baptist Church Sunday night. Those being recognized were: Maidens - Brenda and Shirley Alger; Ladies - in waiting - Sandra Lemons, Judy Ward, and Kay Ward; Princes -

ses - Rosemary and Linda Stewart; Queens - Peggy Jean and Beverly Lemons. The crown bearers were Rhonda Hagar and Jerry Johnson. Mrs. Edgar Lemons and Mrs. Lester English are the G. A. Counselors.

Stewart DeVore and Robert Hitchcock of Arlington were Friday night visitors in the Ray Polan home.

Mr. and Mrs. Homer Rudd and girls from Westway were visitors in the Keith Duderstadt home Sunday evening.

Mrs. J. B. Caraway is in Neblett Hospital in Canyon following minor surgery on Tuesday.

Mr. and Mrs. Clarence Betzen were hosts for a bridge party in their home on Thursday evening. Those enjoying the occasion were: Mr. and Mrs. Tony Hoffman, Mr. and Mrs. H. E. Miller, Jr., Mr. and Mrs. Ted Richardson, Mr. and Mrs. Steve Bavousett, Mr. and Mrs. Pat Miller, Mr. and Mrs. Ray Polan, and Mr. and Mrs. Robert Strain.

Mr. and Mrs. J. E. McCabe were recent visitors in Friona in the home of her parents, Mr. and Mrs. Lloyd Shulk. Also visiting there were Mr. and Mrs. Leroy Shulk from Ft. Worth.

The Junior Music Festival was held in Hereford on Friday. Mrs. Carl Wimberley helped with the arrangements and attended a luncheon for the teachers and workers. Bill Caraway received a rating of Excellent, Janis Galley received Good, and Paul English also received Good. Glen Polan and Linda Stewart were unable to attend because of measles.

Thursday night visitors in the H. H. Miller home were their daughter-in-law Mrs. Carol Miller of Oklahoma City and her parents Mr. and Mrs. Earl Jennings of El Paso. Mrs. Miller was enroute home following a visit in El Paso while Carol has been attending an irrigation school in Denver.

Mrs. Edgar Lemons, Mrs. H. H. Miller, and Mrs. Ray Polan were hostesses for a surprise birthday party honoring Mrs. William Wimberley Wednesday. The affair was held at the Dawn Baptist Church. Those attending were: Mrs. Walter Lemons, Mrs. Lester English, Mrs. Carl Wimberley, Mrs. Alfred Smith, Mrs. Pat Miller, Mrs. Clarence Betzen, Mrs. R. A. Frye, Mrs. H. V. McCabe, Mrs. Shirley Smith, Mrs. Charles Davenport, Mrs. Buck Ward, Jr., Mrs. Ed Sowell, Mrs. J. E. McCabe, Mrs. Leroy Johnson, Mrs. A. T. Frye of Hereford, Mrs. W. H. Gentry of Hereford, Miss Doris Jean Ward, Miss Bertha Frye, and the hostesses. Those who sent gifts, but were unable to attend were: Mrs. Ted Richardson, Mrs. Hershel Miller, Jr., Mrs. Robert Strain, Mrs. Leo Criddle, Mrs. Steve Bavousett, and Mrs. R. T. Stewart.

Rev. Charles Davenport attended a Missionary Moderator's meeting in Waco during the first part of the week. Visiting in the Leroy Johnson home during the first part of the week was his aunt, Mrs.

Amateur Callers Night Held By Square Dancers

The Pantaloons and Stetsons Square Dance Club met Wednesday evening at the Community Center for their "Amateur Callers" dance. Guest callers were Sid Perkins and Aubrey Brown of Amarillo, Marvin Kendrick, and Harold Rudd.

Refreshments of coffee, tea, and cookies were served at intermission. Guests were Mr. and Mrs. Jim Cavin, Adrian, Mrs. Perkins, and Mrs. Brown, both of Amarillo, and Fuzz White, Hereford.

The club will meet next Wednesday at the Community Center. Dusty Randall, Amarillo, will be the caller, and guests are welcome.

Marzuq, a Libyan oasis in the Sahara, once was known as the "Paris of the Desert." An important assembly point for the caravans before their decline, Marzuq was famed for its wealth and beautiful women.

Luke Truffell of Oregon. Joining the group for Sunday dinner was the R. T. Stewart family.

We're big car men. And proud of it. No little cars. No little deals. We believe when you invest in a new car, you're entitled to a Chrysler. A big, solid car that's engineered better... backed better than any car in its class. Backed by 40 years of Chrysler engineering leadership. You get a lot more Chrysler for your money than ever before. Yet Chrysler prices start even lower than last year.

Chrysler
