George Bush, Republican candidate for U. S. Senator, will speak at a buffet breakfast in the Jim Hill Hotel next Thursday, Oct. 8.

Carl G. McCaskin, a director of the state organization, is to attend the director's meeting of the Lumbermen's Association of Texas in Austin Oct. 2 and 3.

Tickets for Friday night's Hereford Levelland football game to be played in Levelland, are on sale at the high school principal's office.

Deaf Smith County Democrats are going to Lubbock today for tonight's Democratic rally in Lubbock's Municipal Coliseum.

J. D. Kirkland, Hereford, was named vice-president of the National Water Well Association at the organization's 16th annual convention in Atlantic City, N. J. last week.

Mrs. Dyalith Benson, manager of the Hereford Texas Federal Credit Union, will attend joint board meetings Oct. 1 and 2 in Dallas.

Army Spec. 4 Fred W. Welch, 26, son of Mr. and Mrs. Fred B. Welch, Hereford, has been assigned to the 7th Infantry Division in Korea.

Pvt. Robert F. Dunlap, 21, son of Mrs. Betty Tillman, Adrian, has completed a seven-week soil analysis course at the Army Engineer School, Fort Belvoir, Va.

Amarillo Rotary Club is sponsoring a series of TV programs on Channel 7, starting Monday, Oct. 5, at 9 a.m.

Deaf Smith county ranchers interested in entering animals in the Southwestern Exposition and Fair Stock Show in Fort Worth, may get copies of the premium list by writing to the show, Box 150, Fort Worth.

Charlie Purcell, Former Sheriff Here, Is Dead

Services for Charles S. Purcell, 88, Deaf Smith County Sheriff 1916-1924, were held Wednesday morning in Dallas.

Born in Burnet in 1874, Purcell had come to Deaf Smith County with his parents by 1900; and for many years—until the advent of the automobile—he had an interest with his father, P. R. Purcell, in operating Purcell and Sons Livery Stable, Hereford.

His survivors include two sons, Gilbert Purcell and Charles M. Purcell, and one daughter, Mrs. Rosella Craghead, all of Amarillo; and a step-daughter, Margaret Brooks, Dallas; one brother, John Purcell, Floyd, N. M.; and one sister Mrs. Hattie Patterson, Dalhart; five grandchildren, and a number of nieces and nephews.

OFFICIAL OPENING — Mayor Ray Cowser, chairman of the board of directors for the campaign, officially opened the headquarters of the 1964 United Fund Campaign Wednesday morning.

United Fund Sets Up Headquarters, Readies Campaign For \$30,000

Deaf Smith County United Fund campaign workers opened Headquarters in Hereford yesterday, made final preparations for a whirlwind campaign to raise \$30,000 for youth and welfare activities.

Ray Cowser, cutting the ribbon across the door of the campaign headquarters located next to the Christian Book Store on 3rd St., admonished workers to "get out and get the money" needed so badly to support the work of the seven member agencies.

The agencies included in this year's United Fund budget are the American Red Cross, the Salvation Army, the Boy Scouts of America, the Camp Fire Girls of America, Hereford Little League, the Pony League and the Deaf Smith County Commission on Alcoholism.

Dan Eddy, field director for the Texas Salvation Army, will be the principal speaker at the kick-off ceremony to be held this morning in the Jim Hill Hotel ballroom at 10 o'clock.

Melvin Jayroe, chairman and Mrs. John Douglas Pittman, co-chairman, have planned this year's drive down to the second, hoping to complete the entire campaign, including clean-up activities, within a 30 day period.

United Fund in Deaf Smith County has fallen short of its goal for the past two years, but prospects look bright for 1964-65 in spite of the short crops in some dry land areas.

We're serving over 2500 youngsters alone, said House, and this should strike close to the hearts of all the citizens of Deaf Smith County.

Hereford's juvenile record is one of the best in the country, and it is the thinking of the committee that the generous support of our youth programs have helped measurably in achieving this fine record.

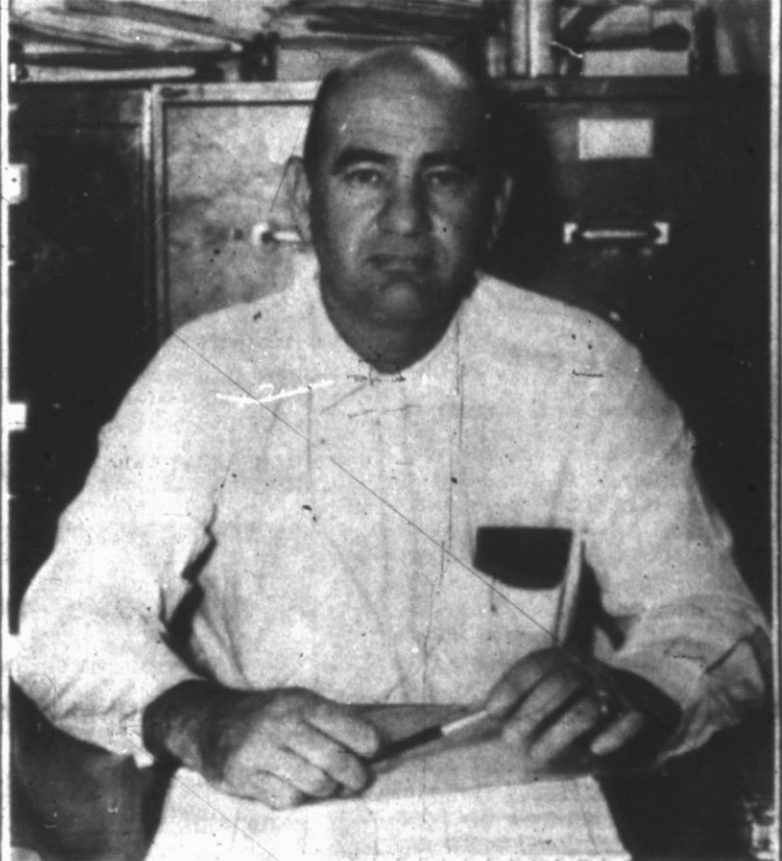

House pointed out again, that everyone in Deaf Smith County is invited to hear Dan Eddy speak at the Hotel Thursday morning, whether you're work-

ing on the drive or not. "The more people we can interest in this effort," House said, "the easier it will be to make our goal."

Plans this year call for a days pay from every working man and woman, plus the generous contributions which have always been given by the business and professional people of Hereford.

"All campaign workers are urged to be on hand Thursday morning to hear Dan Eddy," House said, "and anyone else interested in hearing this dynamic speaker is welcome to be at the hotel ballroom at 10 a.m."

The program will start promptly at 10 a.m., and will disband almost immediately after Eddy speaks. At that time, campaign workers will start their solicitation for the 1964 campaign, according to Wheeler Sears, publicity chairman for the group.

NEW COUNTY AGENT — Juston T. McBride, Vega, has been named County Agricultural Agent here, succeeding Lefty Thomas who has transferred to Panhandle as County Agent. McBride is shown at his desk in Vega where he has served as County Agent since 1962.

Juston McBride New County Agent

Deaf Smith County Commissioners have named Juston McBride, Vega, as county agricultural agent here, succeeding Lefty Thomas who goes to Panhandle Nov. 1.

McBride was named Monday at the commissioners' court session at a salary of \$8300.50, the same amount Thomas has been receiving.

McBride, who first became known for his work with registered cattle while still a high school lad, is a native Texan, and except for a seven-year stint as manager of two Hereford farms in North Carolina, has lived in Texas all his life.

He holds a lieutenant colonel's rank in the U. S. Army Reserve. Mr. and Mrs. McBride and their 11-year-old daughter, Marthe Ann, will move to Hereford late this month from Vega where he has served as county agent of Oldham County since March 1, 1962.

McBride was born on a farm at Day, Texas, in Brown County and was graduated from May High School. He received a B.S. Degree from Texas A & M University, majoring in animal husbandry.

During the time he was still in school, he and his brother, Heston McBride, formed a livestock partnership, McBride Bros., and won many prizes in Texas livestock shows with their registered Herefords. Both were active in 4-H and FFA, and from their winnings they paid much of their expenses to Texas A&M he explained.

One of their top winnings while still in school was the grand championship for earloads at the Houston Livestock show. Juston was named Lone Star Farmer. After they finished A & M they continued to operate their livestock farm near Blanket, and the partnership is still in operation although Juston says most of the work is now done by his brother.

Upon graduation in May, 1943, McBride joined the Army and served with an engineers' group during the balance of World War II. He was discharged as a captain.

He returned to the farm at Blanket, and for seven years was supervisor of adult vocational agriculture in Brownwood. He married Miss Ruth Eirik, Brownwood.

In 1958 the McBrides moved to North Carolina where he managed two Hereford farms near Raleigh, one of them the famous Foxcrest Hereford Farm.

After the herds were sold in December, 1963, the family returned to Texas, and for a year he was state supervisor of the Texas Animal Health Commission. In March, 1962, he became county agent at Vega.

The McBrides are members of the First Baptist Church at Vega where he is a member of the board of deacons. McBride has been active in (Continued on page 3)

Council Plans Open House At Agri Building

Deaf Smith County Home Demonstration council is planning an open house for next Sunday afternoon from 2 to 5 o'clock for the new Agri Building, Lee and W. 3. It was announced Wednesday.

All three of the federal farm offices will be open for three hours, it was explained by Mrs. A. E. Hodges, president of the Home Demonstration Council. Coffee and cookies will be served.

Farmers Home Administration, Agricultural Stabilization and Conservation and Soil Conservation Services moved to the central building last weekend. This is the first time the three farm agencies have been housed in the same building, this facilitating services by the organizations to farmers.

The structure was built by Gene Bishop, contractor, and is owned by Sam Smith. It was designed especially for its present use. In addition to the three farm agencies, the building also houses the Golden Spread Barber Salon.

A tour of the new building was made Wednesday by ASCS officials from 10 Panhandle counties, Faust Collier, Deaf Smith County ASCS manager, said. He explained that the meeting of District 1 ASCS officials was held here "especially for the managers to see how a central location of farm offices facilitates our work."

After the tour, a meeting was held from 9 a.m. until 2 p.m. in the local ASCS office for the visiting ASCS officials.

Accident Rate Dips; Only 17 Crashes Listed

Hereford Police Department investigated only 17 accidents within the city limit this week, a number far down from previous months.

Five of the accidents occurred during the last week of the month of September.

The first accident occurred shortly after 4 p.m. Monday at the intersection of Lee and 5th streets. Vehicles driven by Edward McBride and James Helen Estes collided, with Helen Estes being cited by investigating patrolmen for failure to stop at a stop sign. McBride was cited for not possessing a valid Texas Driver's License. Damage to McBride's vehicle was set at \$125 and damage to (Continued on page 3)

Commissioners' Session Long, But Action Light

Business was light Monday, as Deaf Smith County Commissioners Court held a lengthy session but took little action. The big item on the agenda was hiring Juston McBride of Oldham County to replace County Agent J. W. Lefty Thomas who will be moving to Panhandle, October 15 to assume duties there as Carson County Agricultural Agent. Thomas has served Deaf Smith County for almost seven years.

McBride, agent for Oldham County for a number of years, will be moving to Hereford Nov. 1 to assume his duties here. He will receive the same salary now being paid to Thomas, a total of \$8,200.50 yearly, \$5,628 of the salary is paid by the State of Texas with Deaf Smith County contributing \$2,572.50. In other action of the court, Commissioners voted to hire

Jack Messer to clear trees from the county property located north of the Courthouse and to clean up this area. This is the property site of the Old Deaf Smith County jail that was torn down several years ago. Both trees and sidewalk will be cleared from the property, and the lot will be smoothed.

No plans have been made to date concerning use of this piece of property, but the court felt that removal of the trees and broken sidewalk would add to the attractiveness of the surrounding area.

They also approved the crossing of a county road with a gas line, requested by V. H. Porch. The gas line crossing would be at approximately 1/4 mile south of N.E. corner of Section 13, Blk. M-7, across county road at approximately 1/4 mile south of N.W. corner of Sec. 30, Blk. M-7.

In the only other official action of the day, the Court voted unanimously to match the City of Hereford's contribution to the Hereford and Deaf Smith City Defense program. The City voted recently to allocate \$25,000 monthly to the organization.

The court also visited with a representative of the Burroughs Business Machine company concerning purchasing of a machine for the county tax office, and listened to a report from Ben Scott concerning the use of S.A.I., a chemical used in the stabilization of secondary roads. Scott is a representative of the Tom Chassey Machinery Co., of Amarillo.

The court took no action on the business machine. The chemical, S.A.I., is a product that represents a new approach to soil stabilization, acting as a cementing or bonding material in construction of secondary roads.

It is still in the experimental stage however, and the court was interested only in its use up to date. If successful, it could add materially to the number of all weather roads in the area, at a considerably lower cost.

Herd To Tackle Levelland Lobos

A spirited Whiteface team will travel to Levelland Friday evening to meet the Levelland Lobos in one of the more closely matched contests of the season. The Lobos, boast a 2-1, similar to that of the Whitefaces.

They were issued their first defeat last week when the Denver City Mustangs dropped them with a 13-0 loss, while the Herd was at nearby Littlefield, trouncing the Wildcats, 21-0.

The Lobos were undefeated going into the Denver City game, defeating Canyon 49-0 and shutting out Seminole in the opening game of the season. The Herd has won their last two games, defeating Dimmitt two weeks ago 34-7.

Levelland has good speed and will stress a running game. According to reports, the backs are all good, hard runners and are especially adept at driving for yardage needed in a tight situation.

Top back for the Lobos is Larry McVay, who tops the running attack for the Levelland 11. McVay is a good runner and is leading his team in rushing for the season.

Tackles Butch Kaufman and Carroll McDonald anchor the line for the Lobos, providing 190 pounds of muscle in each position. Levelland has a keen desire to improve over the 1963 season which saw them turn up with a 5-5 record, and from all indications, the Lobos should have no trouble in doing this.

The Lobos are in District 3-AAA. "We have improved with every game," Head Coach Jack Meredith said, "and the boys are really up for this game tomorrow night."

The Herd was able to score easily against the Littlefield Wildcats last Friday, as they issued the team their first shut-out in their last 22 outings. The Wildcats had managed to score against powerful 3-AAAA Berger and Plainview, but were never able to get

moving against the Herd. "The backs looked real good last week and our passing attack has improved somewhat over the others game," Meredith said.

Steve Hodges had a good night punting for the Whitefaces, as he got off three booming punts for an average of 33.7 yards each. The Wildcats are held to 3.7 yards on the return of the three punts.

Wynn Buck did everything but score for the Herd Friday evening as he stood out in every phase of running. Buck crashed off-tackle and around end to pick up 68 yards in 16 carries for 4.3 yard per carry average. Buck has been leading the rushing attack for the Herd during the 1964 campaign.

Gene Drummond was right behind Buck with 58 yards rushing. Drummond played conservatively, as well as effectively. He prevented many of the major Whiteface drives from materializing.

Terry Hill was credited with 12 assisted tackles and recovered a punt he had blocked in the end zone for a touchback. Greg Richards had two unassisted tackles and eight assists. George Muse was credited with 10 assisted tackles.

The Hereford Booster Club will organize a 50 car caravan to travel the Hereford-Whitewater-Levelland Lobo football game in Levelland this week, according to Stan Sigman, president of the local club.

The caravan will assemble at the bus barn, directly behind the Hereford High school Friday afternoon and Deaf Smith County Sheriff Lowell Sharp will lead the way. The group will work closely with Hereford Police Department in order to leave town

50 Cars To Make Trip Booster Caravan To Go To Levelland

as a unit, not being separated at stop signs and red lights. Plans are to leave at 7 o'clock and arrive in Levelland at 11 o'clock. All in-town cars will be used and all in-town cars will be used and all in-town cars will be used.

Sigman requested that the caravan not have to be a member of the club. "We want to take every car in Hereford that's going to the game. Join our caravan and we will make a showing

Herd Player Wins Contest

A Hereford football player won last week's Hereford Brand football contest but it took two weeks to do the job. He was Frank Cole, 104 lbs., a member of the Whiteface squad. Both Cole and Mrs. Dorothy Schumacher, Route 2, Happy, tied on the contest score of the Littlefield football game — 11 to 6 for the Whitefaces, but Cole had the nearest-to-right score on the Texas Tech — 100 yards to win on the second touchdown.

Thus Mrs. Schumacher finished second. In third place was Roger Owen, who oddly enough lived only across the street from the first-place winner — at 103 Elm. The contest continues in the issue of The Brand, and an entry blank can be found on Page 2.

Way

When the caravan leaves the bus barn promptly at 5 p.m. in order to have sufficient time to get to the game without having to rush. Kick-off time is 7:30 p.m. in Lobo Stadium at Levelland.

The Boosters also invited the public to attend Monday evening at 7 o'clock. (Continued on page 4)

Area Incomes Above Average, Survey Shows

A survey of family earnings in Deaf Smith County, with particular reference to the distribution of income, shows a steady movement upward into higher brackets.

The progress has been a general one. Many of those who were in the \$4,000 to \$7,000 bracket a few years ago are now to be found at the \$7,000 to \$10,000 level. Their former position has been taken over, in turn, by families who had been in the \$2,500 to \$4,000 group.

For the average local resident, as a result, it has meant a higher standard of living than before. And, for the business community, it has meant greatly increased consumer spending, especially for durable goods.

The findings are contained in a copyrighted report prepared by Sales Management. It lists, for every section of the United States, the portion of the population that falls within each income bracket.

In Deaf Smith County, it shows no less than 2,150 households, equivalent to 49.6 percent of the local population, had net cash incomes of \$4,000 or more in the past year. This was after payment of their Federal and State taxes. It compares with 45.6 percent in 1961.

The rate of gain, which amounted to 8.7 percent, was greater than the United States' 5.7 percent. It was 7.4 percent in the State of Texas.

Since the study took into account only cash income, farm communities were not shown to their best advantage, as no allowance was made for the lower living costs on the farm.

The breakdown also reveals the way income was divided among other groups of families in groups of families in Deaf Smith County.

There were some 8.8 percent of the households with incomes of \$7,000 to \$10,000, 26.4 percent in the \$4,000 to \$7,000 bracket and 20.3 percent with incomes of \$2,500 to \$4,000. The remainder were above \$1,000.

Since 1959, according to Sales Management, households in the United States with incomes of \$10,000 or more have increased 69 percent. Much of this has been "striking increase in the number of working wives."

Juston...

promoting 4-H club program, and in all phases of the livestock program especially. An Oldham County youth exhibited the grand champion steer at last spring's Golden Spread Western Junior Livestock show in Hereford. Youth from that county won six of nine Hereford prizes at the recent Tri-State Fair in Amarillo.

Dick Kirkland, a farmer-rancher in Oldham county, said "McBride has accomplished a lot in this county during the time he has been here and we regret exceedingly to see him go. However, we could not stand in his way in receiving a promotion. He's one of the outstanding men in Texas agriculture today."

ed Wednesday. The show is slated for Jan. 29 through Feb. 7.

Deaf Smith county citizens bought \$4962 worth of U. S. Savings bonds during August, bringing the year's total to \$56,429. Robert L. Thompson, county bond sales chairman, said Wednesday.

Deaf Smith County dog fanciers have been invited to enter their dogs in the Panhandle Bird Dog club fall field trial at the Gene Howe Wildlife area, Canadian, Nov. 4-9.

Hereford Little League, at a meeting Tuesday night, decided to start construction soon on a new concession stand. To help pay the cost, the organization will sell advertising on the outfield fences. Persons interested were asked to contact Gene Loerwald, president, or Joe Deavenport, purchasing agent.

Pass, Punt and Kick contest for boys 8 through 13 years, will stage practices Saturday, Monday, Tuesday and Wednesday at Alkman school. Deadline for entering the contest will be Friday, Oct. 9, and the contest will be held Saturday, Oct. 10 at Alkman, starting with 8-year-olds at 9 a.m., H. A. Tuck, chairman, said Wednesday. Three-hundred boys are expected to participate.

One of 77 Texas delegates, Grant Hanna, with Mrs. Hanna and Mrs. Ira Ott, attended the 46th National Convention of the American Legion Sept. 18-24. Hanna, 18th District Commander was one of four delegates allowed this district, the others being from Follette, Dimmitt, and Amarillo. Mrs. Hanna is president of the 18th District American Legion Auxiliary, and Mrs. Ott is department hospital representative.

Accident...

(Continued from page 1)

the other vehicle was only \$50, shortly after 10:30 p.m. Monday at the end of South Main, when a vehicle driven by Sammy J. Caperton, Rt. 3, struck and killed a horse.

Damage to Caperton's car was set at \$650. According to investigating officers, the horse ran across the road into the path of Caperton's car. No citations were issued.

Joe Facund Maes, 212 Hereford Cattle and Maxey Howard Wiseman collided near the intersection of Hereford Cattle and San Obregon shortly after 9:30 a.m. Tuesday.

Maes was backing out of a private drive way and struck Wiseman on the opposite side of the street according to investigating officers.

Damage to Maes car was set at \$30 and damage to the Wiseman's car was \$25.

Vehicles driven by Jimmy D. White, Rt. 4 and Cynthia Ann Wilson collided shortly after 9 p.m. Sunday near the intersection of Brevard and Park Ave. Miss Wilson was backing and struck the White vehicle which was stalled in the traffic lane on Brevard, according to investigating patrolmen. She was cited for neg. collision

Mrs. Minks Gives Program For Walcott 4-H

Mrs. Norman Minks presented a program on "friendliness" to members of Walcott 4-H club at their meeting in Walcott school last week. Mrs. Minks suggested that 4-Hers make friendliness a daily practice.

New officers were elected to serve for the coming year. They are Mary Weaver, president; Nancy Minks, vice-president; Margaret Minks, secretary-treasurer, and Kerry Hall, reporter.

Jean Beene, assistant county home demonstration agent, showed slides of 4-H work to the group. She also discussed plans for the club for the coming year.

Members attending the meeting were Mary Weaver, Charlene Weaver, Nancy Minks, Margaret Minks, and Kerry Hall. Nancy Minks served refreshments to the group.

Visitors present were Mrs. Dorothy Weaver and Joe Don and Mrs. Elmo Hall and children.

Canyon Services For Mrs. Kiker Held Sunday

Services for Mrs. Luther E. (Nannie Elizabeth) Kiker, 60, mother of Mrs. Duane Barrett, were held Sunday afternoon in the First Baptist Church, Canyon. Officiating were the Rev. Strauss Atkinson, pastor of the church, assisted by the Rev. Newton Starnes, pastor of First Methodist Church, Canyon.

In April Mrs. Kiker moved to Canyon from Floydada, where she had lived for 30 years.

She is survived by her husband, Luther E. Kiker, of the home, 1703-8th Street, Canyon; one son, Kent, Amarillo; two daughters, Mrs. Duane (Carolyn) Barrett, 505 Sampson, and Mrs. Jerry (Naomi) Patterson, Plainview; six grandchildren; three brothers, W. D. and Ray Cheyne, Amarillo, and Jim Cheyne, Chowchillo, Calif.; and five sisters, Mrs. Arrie Cone, Canyon; Mrs. Beesie Fields and Mrs. Bobbie Craven, Midland.

Interment was in Dreamland Cemetery, Canyon.

Public Speaking Necessary Today, Says McAndrews

EDITOR'S NOTE: Kevin McAndrews is receiving knowledge in 4-H that will be useful to him later in life. He has been active in the public speaking program of 4-H—and realizes the value of this knowledge in later years.

Kevin McAndrews

Last year when my sister, Maura, won first place in the county and placed third in the district public speaking contest, I thought it would be fun to try public speaking also. During my years in 4-H work I have given talks before the club and before other organizations and over the radio, as well as appearing with my club on television.

These activities had all been most enjoyable so when a subject matter group in public speaking was offered, I joined with Maura and we both became junior toastmasters. We met each evening after school. At the meetings we would each be given a table topic from which we would have to form an extemporaneous talk and we took turns at giving a longer prepared speech.

These talks were evaluated by the members of the group and Vigil Dodson who was our moderator. This was of great help to us, because everyone was very frank—but we were all

she had lived for 30 years.

she is survived by her husband, Luther E. Kiker, of the home, 1703-8th Street, Canyon; one son, Kent, Amarillo; two daughters, Mrs. Duane (Carolyn) Barrett, 505 Sampson, and Mrs. Jerry (Naomi) Patterson, Plainview; six grandchildren; three brothers, W. where, if a man cannot express himself, people will never know if he is capable or not. Many of us do not possess natural ability in public speaking and this is why proper training helps us, because it shows us how to use how to use our voices, helps with our gestures and suggest suitable material, something those with natural talent seem to know by instinct.

This training may be had by joining a good speech group and giving talks and accepting criticism. The Dawn Boys' 4-H club and the junior toastmasters have helped me improve my speaking ability although I still have a long way to go.

Potatoes, sweetpotatoes, dry onions, hard-rind squashes, eggplant and rutabagas keep well in cool rather than cold storage. Keep them out of the refrigerator, says the U. S. Department of Agriculture.

Here's how the U. S. Department of Agriculture suggests you brighten up a discolored aluminum pot. Boil some water and cream of tartar in it. Use 1 teaspoon to 2 tablespoonfuls cream of tartar per quart of water, depending on how dark the pot is.

Miss McAndrews Enjoys Sewing, Public Speaking

EDITOR'S NOTE: Teresa McAndrews is from a 4-H family—she has brothers and sisters enrolled in the program with her. She has double activities in the organization—sewing and public speaking.

Teresa McAndrews

Last year when we looked at materials, we saw some material which was part flax and part rayon. It was heavy and crisp in appearance, so this year I thought a nice jumper in this fabric would be very suitable for a school dress when worn with a blouse. We selected a blue and white checked pattern and a very simple A-line jumper pattern.

Our clothing workshop was carried on under the direction of Mrs. Sowell. She helped me make the necessary changes in the pattern so that it fit well. I had never put in a zipper before, so that was the new task that awaited me this year. Some matching of the checks was necessary also, so I had to keep thinking about that.

I selected matching blue canvas shoes to wear with this outfit and made a matching headband of solid blue material as an accessory. The blouse I will wear with this jumper is white with long sleeves and a wide ascot tie with a plain pearl stud. Since this jumper has a very high collar, it may be worn without a blouse for dressier occasions.

The outstanding things I learned in clothing workshop this year were: 1. How to put in a zipper; 2. How to match checks; 3. How to change a pattern for a better fit.

Next year, of course, I hope to make a dress with sleeves. In unit I, I made a skirt, in last year's clothing workshop, night gown and robe and this year a jumper. I enjoy sewing and like to learn a little more every year.

As a reward, I have a good looking outfit for school this year and the satisfaction of knowing I made it myself.

I chose public speaking this year because last year I gave a demonstration and I felt public speaking would help me to better myself in the future. In our subject matter group we were taught how to stand properly, pronounce each word distinctly and how to prepare a

Neil McAndrews In Auto Course

EDITOR'S NOTE: Girls as well as boys can participate in mechanics—so Neil McAndrews had assistance from his sister in 4-H study this summer. Neil has a brother and two sisters enrolled in the 4-H program.

This summer my sister and I took part in unit I in the subject matter group in the automotive course.

I have worked at my father's feed lots and on the farm where I do a great deal of the tractor work so I found the part about engines very easy. My sister did not know what the instructors were talking about.

I wash our car and keep it clean and help clean tractor parts and other engines so I am working in this line quite a lot.

I enjoyed this course and would like to participate in the next course, unit II, next summer.

Neil McAndrews

Always serve venison piping hot, say Extension specialists at the University of Nevada. Fat from venison solidifies quickly on cooling.

Mrs. Richard Winget, Mrs. Claude McGowan Jr., Mrs. Hugh Clearman and Mrs. McAndrews, Jean Beene, assistant county home demonstration agent, also attended. Nancy Smith, Pam Winget, Ellen McGowan, Teresa and Maurine McAndrews, and Carole and Kay Clearman were members attending the meeting.

Kay and Carole Clearman, Maurine and Teresa McAndrews, and Ellen McGowan and Pam Winget made and served refreshments.

BIGGEST THEY'VE SEEN — Holly officials termed this sugar beet the "biggest they've seen" — it weighed 25 pounds. The beet was grown by J. F. Messer, who said the average was around 12 pounds. Shown here holding the beet is Roy Dale Messer. (Brand Staff Photo)

Budgeting Time Is Topic Theme For HD Club

Mrs. H. D. Buse spoke on Time Management for Messenger Home Demonstration Club at their Friday meeting with Mrs. G. E. Pinkerton.

Illustrating her talk on time budgeting, Mrs. Buse gave examples of time-saving devices, including modern dishwashers.

With Mrs. Elmer Northcutt, president, presiding, members answered roll call with their greatest time-savers, and Mrs. S. N. Thweatt gave a financial report. Members planned their club's annual Thanksgiving supper.

Officers elected for the coming year are Mrs. N. A. Brown, president; and Mrs. Elmer Northcutt, secretary. They will assume their new duties Jan. 1.

Club visitors were Mrs. Bruce Coleman and Miss Linda Sorrells.

Members present were Mrs. Brown, Mrs. Thweatt, Mrs. Elton Sorrells, Mrs. Buse, Mrs. Northcutt, Mrs. Ruth Coleman, and the hostess, Mrs. G. E. Pinkerton.

A book review is on calendar for the club Oct. 9, when they will meet with Mrs. Thweatt.

BRAND CLASSIFIEDS GET RESULTS!

Speaking Is A Major Part Of 4-H Program

EDITOR'S NOTE: A major part of the 4-H program is public speaking training. Elsie Beene, 11, participated in one of the public speaking subject matter groups. Here is her project story:

I chose public speaking as a part of my 4-H work because I was afraid to speak in public. I learned to do this and many more things. One of the first things I learned was how to organize a speech, with an introduction, a body, and a conclusion. I learned this from the 4-H book, "Speak Up".

When I visited the Toastmasters I didn't know they were going to ask me to speak, and it was horrible. I had never spoken to a group before. Since that first speech I have learned very much.

For my prepared speeches, I looked up information in our books. One was "Christmas Customs". I looked up information to give a report on dogs to my

Elsie Beene

class at school. For my contest speech, "The Building of an American," I looked up information on Abraham Lincoln.

My leader, Darrell Rose, taught me to look at my audience, and not to read my speech off. The judges in the contest taught me that it is important to look at your audience, especially on your most important sentences. This has helped me to speak clearly when I speak at church and at school, and to look at my audience.

In our 4-H public speaking group, we learned to help each other to learn to speak. We helped them by telling them what they needed to do to improve. I

evaluated and gave suggestions to about four of the speakers in our group at different times.

Others also helped me and pointed out things I needed to do. They told me to speak with enthusiasm and to speak louder. Mr. Rose was very helpful. He told us each time things we needed to do. My mother also helped me get my information and organize it.

We are getting our demonstrations ready for contest now, and I think my public speaking will help me a lot. I can talk easier now.

The circumference of the Great Red Spot on Jupiter is greater than that of the earth.

Listed among the Magna Carta's provisions were feudal rights and privileges, definitions and limitations concerning the spheres of king, nobles, church merchants, town and vague benefits to seep down from ruling to dependent groups.

By Melvin Young.

N. D. Bartlett, Jr. was telling us the other day that he had spent the entire morning just wandering from dealer to dealer, looking at all the new automobiles. After making the tour, he was more confused than ever. "I can't make up my mind which is the prettiest," he said.

That's true we're sure, and just in case you haven't seen all the new cars, you'll have the opportunity soon... under one roof.

We're talking about the big auto show scheduled soon. The Hereford State Bank, cooperating with the automobile dealers of Hereford, has secured a circus tent in which to stage the Second Annual New Car Show, Saturday and Sunday, October 10 and 11. The tent will be placed on the parking lot of the Hereford State Bank.

This is the second year for the event to be staged in Hereford, with the first one last year registering over 2500 spectators. The people came, they saw, and apparently they bought, since last year was one of the better new car years.

This year should be even better than last year, plus the addition of a number of "new models". Probably tops in the middle of the year "new models" has been the Ford Mustang, which has taken the younger set by storm.

But there will be cars for pop and mom and grandpa too, ranging from the sporty new Chevys to the elegant Chrysler Imperial. But why tell you about it here. Come to the big show, and you can look, compare and even kick a few tires if you desire.

Besides, there'll be door prizes plus plenty of free coffee and goodies. Remember the date, Saturday and Sunday, October 10 and 11.

Today's the day. The big 1964

HEREFORD LIONS CLUB

United Fund drive will kick-off this morning with a 9:30 parade down main street and a 10 a.m. coffee at the Hotel Jim Hill with Dan Eddy as principal speaker. By the way, that's about all the program there will be.

Drive chairman Melvin Jayroe is expecting up to 400 people to be present to hear this man Eddy, who is reputed to be one of the most dynamic speakers in the state of Texas.

Local Salvation Army president Lowell Sharp will introduce the speaker. Eddy was instrumental in putting Deaf Smith County's first United Fund Drive together, and over the top.

Admittedly, the budget is about 30 percent bigger this year than it was that first year, but Hereford is probably twice as big too. At least, according to the figures of City Manager Dudley Bayne.

Let's all turn out for the kick-off, and if you can't make that, then be sure to have your generous contribution ready when the worker knocks at your door, or drops by the business. Let's show the world that Hereford can take care of their own... let's do it the United Way.

The Hereford Booster Club is planning a gigantic 50 car caravan to the Hereford-Levelland Friday night. If you're interested in making the trip with the caravan, have your car at the bus barns, directly behind the High School, Friday afternoon in time for the students to attach streamers and decorate it a little. The caravan will leave at 5 p.m. sharp. The Levelland game will start at 7:30, so they'll need to leave early. Sheriff Lowell Sharp will be leading the caravan, and he doesn't want to pick up a traffic ticket. That would be embarrassing.

If you're interested in going, just go on to the school. You don't necessarily need to call anyone, but if you need further information, you can check with Stan Sigman at Pool-Sigman Agency.

We think it's fine for the booster club to do this. It boost the boy's morale when they know there's a good crowd of home folks in the stand rooting for them. They've got a rough game coming up Friday night, and they know it. However, they're going down to win, and if the past two weeks is any indication of their ability, then we think they will bring home the bacon. The Herd isn't big, but it's fast and has lots of spirit.

Winter's about here, and you might as well drag out the long undies. Donald Hicks says he recorded a low of 34 degrees at his place Monday morning. Official temperature in Hereford was 39 degrees, we believe, but Donald's place is located about 20 miles northeast of Hereford as the crow flies.

Might be wise to check that anti-freeze too. But don't unhook the air conditioner. You know how this West Texas weather is.

Johnny Pool is trying to get a movement started to put an escalator in the City Hall. Johnny says that City Manager Dudley Bayne used to come by his place four or five times a day going to the drug store for coffee but since the commissioners moved Dudley upstairs in an air conditioned, carpeted office, he hasn't been by once.

"We kinda miss him over on main street", Johnny said.

On the other hand, maybe we have a real deal here. If the air conditioning and carpet will keep Dudley on the job, we'll

Cynthia Beene

Cynthia Beene Enjoys Cooking

EDITOR'S NOTE: Sept. 27-Oct. 3 is National 4-H Week, and The Brand has published several project stories of 4-H members. Following is Cynthia Beene's "Foods Summary" from her 4-H record book.

"I like to eat, and because I like to eat, I like to cook. I enjoy preparing food for myself and others. I wanted to enter the bake show because it gave me a chance to learn how to make some different products, and to gain experience in making and displaying products.

I think my bake show products this year are good, and my family seems to like them. During the Christmas holidays I took a loaf of the banana nut bread to my grandmother's, and it was immediately a hit as a dessert and snack. I can't seem to make it without it cracking, though. I tried adding just a little milk.

Before I made the bar cookies for this bake show, the only bar cookie I had made was brownies. I had not made any loaf bread, either. I learned to chop nuts with a knife, cut dates with scissors, and to cover the loaf pan with another pan for 30 minutes of the baking time to help prevent cracking by keeping the top moist.

The bar cookies were served at snack time, and I might add that they went in a hurry.

Because my parents both work I cooked the noon meal every day this past summer. I learned how to time the different parts of the meal so that they would be ready on time and all at the same time. Mother and Daddy said they were proud of me, and that helped a great deal.

Booster...

(Continued from page 1) ing meeting held at Community Center. "This week we will have films of the 'B' Team and Freshman Team as well as the High School Varsity group," Sigman said. This is the first time that we have filmed the "B" and Freshman games, and we feel that many people will be interested.

The Hereford Booster Club pays for the film, as well as the charter buses that take the boys to the game. "This is part of our program", Sigman said. "We're not up here trying to tell the Coach how to run the team. We just want to help in any way that we can to make his job a little easier, and to boost the morale of the boys".

YOGI WAS CONFIDENT
BALTIMORE (AP) — What did winning the last two games of the Baltimore series mean to Manager Yogi Berra of the Yankees?

"It means," said the Yogi, "we're going to win the American League pennant."

The Orioles best the Yankees 10 to 8 in their 18 games this season.

Four days later the Yankees had lost their fourth in a row to the White Sox in Chicago.

probably be dollars ahead in the long run.

A communist, we're told, is a fellow who will divide his hunger and thirst with you. If you'll divide your pie and coffee with him.

4-H Gave Her New Attitude Toward Life

EDITOR'S NOTE: Dorothy Marnell is becoming "an old pro" at 4-H, as her story shows.

Dorothy Marnell

Ever since I first joined 4-H, I began taking a different look on life. I made friends easier and could help mother more with the housework. As the years went by, I learned more and more about cooking and sewing.

Four-H has made me a more self-disciplined person, more capable of leadership than I ever thought I could be. My demonstrations have taught me to stand up before an audience and get my ideas across. I used to be scared to death of getting up in front of a group of people, and trying to say something. Now I can do it with much more ease and confidence.

In my cooking unites (I & II) I have learned many recipes that have become family favorites. I have really enjoyed being in these groups to get better acquainted with other members of our club.

The dress revue is always a highlight during the year. I look forward to this event because it means another garment to add to my wardrobe. It also presents a greater challenge as each year becomes harder.

Four-H has taught me how important it is to be well groomed, also how to keep my clothes in order, what colors are best for me, how to be a good model, as well as how to choose material, how to alter my pattern, and what pattern types are best for my figure.

This year I was elected council delegate from our club. I was also appointed chairman of the bake show committee. This was the first time I had ever been on a committee like this before. I really enjoyed it and am sure that my previous work in 4-H prepared me to take that responsibility. In the fall, I was elected secretary of the county council. Again, this was a first experience and I am really enjoying it.

Last February, I entered the 4-H Queen Contest on Share-the-Fun night. This was really quite an experience. Although I didn't receive the title, it helped me feel important and really proud of all the things 4-H has taught me. Without 4-H, I know I would have been scared stiff to walk up to the stage.

That night I just happened to remember everything I learned from the charm school held last summer. So, I wasn't a bit nervous (hardly!).

Earlier this spring, mother had surgery and was in the hospital for a long time, and my sister and I had the complete responsibility of taking care of the family and the house in the absence of our "commander-in-chief." I saw how my many years of work in 4-H bloomed as I put my many learnings to a really tough test.

I will be forever thankful to 4-H. It is such a vital part of my life that I don't see how anyone could live without it. My whole family has really profited from my being in 4-H, the greatest youth organization in the world.

I shall always strive to live the 4-H motto—"To make the best better."

In the early fall, small and medium-size eggs sell for as much as 20 to 25 percent less than large and extra-large eggs in the same USDA grade.

GARCIA NEWS

Rain Fall Late For Maize Crop

By Mrs. S. N. Thwest

Rain did finally fall over the community, but was too late for the maize crop. However, it did give good moisture to sow wheat. It has begun to dry enough for farmers to get in the fields.

Everything looks pretty and green, but a great deal more moisture is needed for the wheat. There are several new families in the community. At the Roger Brumley ranch is a young couple, Mr. and Mrs. Tackett. On the Franky Ford Jr. ranch are Mr. and Mrs. Jones and Mrs. and Mrs. Dotbs are working on the Weick farms.

Mr. and Mrs. Roy Pruitt were visitors of Mrs. and Mrs. Thomas L. Collins Thursday. The Pruitts had been to visit their daughter and her husband, Mr. and Mrs. Bruce Collins, in Colorado. The Pruitts have moved back to their home in Hereford.

Davie Sorrells is attending South Plains College this fall. Mrs. H. D. Buse spent Thursday with Mrs. G. L. Bumpass.

Mr. and Mrs. Elmer Northcutt and Tom and Mr. and Mrs. Jerry Northcutt and Kemp attended a birthday dinner honoring Charlie Kemp at the Hill Page home. They all toured Holly Sugar Plant Saturday evening.

Mr. and Mrs. Bobby Northcutt and Terry visited with Mrs. Elmer Northcutt.

Mr. and Mrs. Ray Patts and Betty visited with Mr. and Mrs. N. A. Brown Sunday.

Mr. and Mrs. Ted Pinkerton, Woodward, Okla., visited with his mother, Mrs. G. E. Pinkerton and his sister, Mrs. Ruth Coleman, recently.

Mrs. Julie Bostick and Mrs. Wheeler Mount, Lubbock, stayed with the Bruce Colemans Wednesday and Thursday.

Mr. and Mrs. Eired Brown visited in the home of Mr. and Mrs. W. J. Kiser Sunday evening.

Mr. and Mrs. Eled Brown had lunch in Hereford Sunday. After lunch they visited Mr. and Mrs. Don Newman and then attended the open house at Holly Sugar plant.

Mr. and Mrs. W. T. Kiser, Hereford, visited Mr. and Mrs. N. A. Brown Sunday.

Mr. and Mrs. T. M. Thwest, Amarillo, were weekend guests of Mr. and Mrs. S. N. Thwest.

Beef supplies are expected to continue plentiful through October. For hearty fall appetites serve beef stew with plenty of vegetables and dumplings or baking powder biscuits. Hamburgers will be popular during football weather — for both pre- and post-game refreshments.

It takes 6 medium-size apples to make a 9-inch apple pie, say food specialists at the U. S. Department of Agriculture.

Your Red Cross In Action

By Corinne J. Neely

Mrs. H. H. Miller, Guest Writer HIGH SCHOOL AND JUNIOR RED CROSS

High School Red Cross in Deaf Smith County is a live, functioning organization. Each year the High School Red Cross Council has a Christmas project which may be filling Christmas stockings for the A. F. B. Hospital, gathering food for a needy family, or contributing to some other worthy cause. Each spring the High School Red Cross Council sponsors a Talent Show, the proceeds of which go to finance another project such as the purchasing of the American flag which they presented to King's Manor this last spring.

Stanton Jr. High School, also with a Council, a rival of the finest mettle, sometimes exceeds High School Red Cross in enrollment contributions, and their Talent Show, like High School's improves in quality each year.

Both High School and Jr. High School have prepared Exchange albums for France, Germany, Thailand and Japan and have in turn received albums from these countries. These albums are very interesting in that they not only are informative but also reveal the feelings of children and young people in those countries through the artistic ex-

pressions contained in the album.

The Red Cross committees in Jr. High School has contributed nut-cups and tray favors at holiday time for King's Manor, the local hospital and the A.A.F.B. hospital as a year-round project. Junior Red Cross functions in the elementary schools, where each year, each school, besides its enrollment, completes at least one project, such as making tray favors for a hospital or one of the convalescent homes.

The Deaf Smith Chapter of the American Red Cross is deeply appreciative and most grateful for the cooperation and efforts of the teachers and administrators of the Hereford school system, who contribute so much to making Red Cross a vital force in shaping young lives to the tradition of service to others.

Although this part of the Red Cross a program has its own enrollment and projects, it is under the jurisdiction of the local chapter. This is our youth program and the chapter does finance the training of its leaders in summer training schools.

Therefore, we need your support of the chapter, and the United Fund from which we derive means, for promoting this part of our work.

The coffee you'd drink if you owned all the coffee in the world.

Newcomers Billed On 'Raslin' Card

Three wrestlers, new to the wrestling series here, will appear on next Saturday's grunt-and-groan card at the Bull Barn. Slim Wester, manager of the series for the Hereford Lions club said Wednesday. Headliner will be a 60-minute or two-out-of-three falls scrap between Rocky Montero and the Red Raider, but the semi-final and the opener each will feature newcomers to the Hereford ring. In the semi-final, Dory Funk Sr., not a newcomer, will meet Ray Crosby, doing his first wrestling assignment in Hereford. The battle is slated for a 45-minute limit or two out of three falls. In the opener, two other newcomers will battle in a 20-minute or one fall scrap. Tona Posa will meet Gordo Chihuahua. In last Saturday night's series, Rocky Montero took Oldkonaut for a flip with a jackknife hole. Red Raider won his match with Jerry London when London was unable to return for the final setto in their three-fall match. In the headliner Dory Funk Junior and Art Nelson slammed each other all over the canvas for their full time limit, neither managing to score a fall.

Dawn Boys' 4-H Elects Officers

Steve Hoffman was elected president and Glen Polan was elected vice-president of Dawn Boys' 4-H club at the organization's first meeting of the year. Dion Miller was named reporter and Gerald Witkowski will be secretary. Announcement was made of a county-wide 4-H party to be Oct. 3. Wayne Betzen is a new member of the club. Members attending were Tommy Betzen, Robert Galley, Steven Hoffman, Kevin McAndrews, Jon David and Dion Miller, Glen and Wayne Polan, Gary Richardson and Gerald Witkowski. Leaders present were Mrs. H.H. Miller and Mrs. Earl Plank. Mrs. Paul Engler, Mrs. Orvil Galley, Mr. and Mrs. Lefty Thomas, Clarence Betzen, H. H. Miller and Tony Hoffman were visitors.

Ford 4-H Club Meets, Reviews Year's Work

Members of Ford 4-H club told of their year's achievements at the club's meeting last week. The achievement program is an annual event. Roll call was answered by members telling of their achievements. Those responding were Joyce Bezner, Tommy Bezner, Rebecca Hickman, Diana Hickman, Joette Hanna, Cynthia Hanna, Gary Heck, Mary Hoffman, Charlotte Williams, Connie Ward and Kim Williamson. Joyce Bezner gave the club's achievements of the year. Jean Beene, assistant county home demonstration agent, presented the program on 4-H activities and opportunities. She showed slides of 4-Hers working in various projects. Visitors at the meeting were Otis Robinson, Joe Smith, Teena May, Mrs. Leon McCutchen, Pamela McCutchen, Mary Rogers, Souad Malouf, Paulette Gilchrist, Beverly Beene, Mrs. Grant Hanna, Mrs. T. D. Stambaugh, Beth Bezner and Sue Kirby.

Doctors To See New Medicines At Area Meet

Hereford will be represented at the Panhandle District Medical Society's annual meeting in Holiday Inn West, Amarillo, Oct. 3. "What's New in Medicine" will be the theme. Physicians from throughout the Panhandle and South Plains of Texas and from western Oklahoma, eastern New Mexico and southern Kansas are expected to attend the meeting which will have an inter-continental flavor this year. Coming over from London, England to present the Surgical Section of the meeting will be Sir Stanford Cade, Knight of the British Empire and Companion, Order of the Bath. Sir Stanford holds the Hunterian Professorship at the Royal College of Surgeons of London, perhaps the top teaching position in the field of Surgery in the British Empire. He will discuss the latest trends in the surgical treatment of cancer of the breast and the latest trend in the surgical treatment of cancer of the mouth, tongue and larynx.

Services Held In Crosbyton For F. A. Zachary

Services for Frank Allen Zachary, 64, were held Tuesday morning in Primitive Baptist Church, Crosbyton, with the Rev. F. W. Elmore, pastor of Fritch First Baptist Church, officiating assisted by the Rev. Dennis Taylor, Crosbyton. Interment was in Rose Hill Cemetery, Tulsa, that afternoon. All services were under direction of King Funeral Home, Crosbyton. Born May 23, 1900, in Koss, Zachary moved to Lubbock in 1926 to operate a cigar and candy concern and later a trucking and Gynecology at Vanderbilt University School of Medicine, Robert W. Noyes, M.D., will lead the discussions in the Ob-Gyn Section of the meeting. Dr. Noyes will speak on "The Endometrium and Fertility" and Maternal Impression Resurrected." John H. Githens, M.D., professor of pediatrics and associate dean of the University of Colorado School of Medicine, will be featured in the Pediatric section. Dr. Githens will speak on "What's New in the Management of Jaundice in the Newborn" and New Developments in Pediatric Hematology." Physicians attending the meeting will also have an opportunity to learn more about the business side of practicing medicine with the appearance of Horace E. Cotton of Southern Pines, N. C. Cotton is a widely read contributing editor to the magazine entitled "Medical Economics." The chairman of Obstetrics

Latin Crusade Well-Attended

Latin-American New Life Crusade, now in progress at North Main and 5th, is being well-attended with a large choir providing music for the nightly services. The crusade here will continue through Sunday with the Rev. B. L. Davis, pastor of First Baptist Church, doing the preaching. Highlight Saturday and Sunday will be the appearance of Gregorio Tello, a blind Latin-American who once sang in bars in Old Mexico for tips. He is an outstanding pianist and soloist, and has been singing at many similar crusades throughout Texas. The services start at o'clock each evening.

Car Recovered Before Owner Reported Loss

Area Police officers worked at record setting speed Tuesday night and Wednesday morning as they recovered a car belonging to James A. Teas, 202 Bennett, before it was reported stolen.

The car was found near the city limits of Dimmitt early Wednesday morning, abandoned on a farm road.

Alert officers radioed the Deaf Smith County Sheriff's Department asking if the car had been stolen.

Local officers contacted Teas, who checked and found that his car was missing.

The transmission of the vehicle had been damaged by the theft, Sheriff Lowell Sharp said.

The car was stolen between mid-night and 8 a.m. Wednesday, officers theorize.

The thief or thieves made a swap with another vehicle in Dimmitt and as of late Wednesday, the car had not been recovered.

Teas car is a 1960 Chevrolet and the car stolen in Dimmitt was a 1950 Oldsmobile.

Look Who's New!

Mr. and Mrs. Don Melton Crosson are the parents of a son, Douglas Alfred, born Sept. 26 at 4:14 p.m. He weighed 7 lbs. 13 1/2 ozs.

Mr. and Mrs. Donald Lee Hatter are parents of a daughter Rhonda Gail, born Sept. 26 at 7:02 a.m. She weighed 7 lbs. 9 1/4 ozs.

Mr. and Mrs. James Parsons McDowell are the parents of a son, Charles Carlyle, born Sept. 26 at 10:31 p.m. He weighed 7 lbs. 8 ozs.

Mr. and Mrs. John Samuel Loehr are parents of a daughter, Cheri Denise, born Sept. 26 at 6:21 p.m. She weighed 6 lbs. 9 ozs.

In June 1957 Hurricane Audrey hit the Gulf coast causing 395 fatalities.

The last president to be a bachelor when he entered the White House was Grover Cleveland. He married during his first term in office in 1886.

Calliopians Tour World's Fair Via Narrators' Slides

An armchair tour of the World's Fair and New York City was on the agenda of Calliopian Club when they met last Thursday with Mrs. Alton Fraser, 301 Union St.

Narrators were Mrs. Irvin Alexander and Mrs. Ernest Langley.

Conducting the business meeting, Mrs. C. J. Crump, president, directed committee reports and heard club discussion leading to an affirmative vote to sponsor a Camp Fire group.

Mrs. Walter London, Jr., presented a report on the United Fund, explaining its purpose and activities. She urged club members to attend the kick-off coffee Oct. 1 at the Jim Hill Hotel.

Attending this meeting were Mrs. Alexander, Mrs. E. W. Detman, Mrs. Lorraine Fowlkes, Mrs. Fraser, Mrs. J. T. Gilbreath Jr., Mrs. Ray Grubbs, Mrs. Langley, Mrs. D. C. McWhorter, Mrs. Carl Perrin, and Mrs. Crump.

Miss Clara Beth Holt will be guest speaker for the club at the next meeting, discussing European travel.

100 SIGN UP — Gwynne Owens became the 100th person to sign up Wednesday for a customer relations and sales clinic to be conducted Oct. 19, 20 and 22 by Frank A. "Pat" Patterson, nationally-known sales expert. The clinic, to be held in High School auditorium, is sponsored by Radio Station KPAN. Shown signing Owens is Rena Green, a member of Patterson's staff. (Brand Staff Photo)

METS SHOW 'EM — The Pittsburgh Pirates came here for their last visit of the campaign in third place in the National League standings. When they left they were in fifth place. The Mets had swept the three-game series with complete pitching performances by Dennis Ribant, Al Jackson and Tracy Stallard. The Pirates, however, won the season series with the Mets, 12 games to 6.

Whatever made you think of the United Fund?

Counselor Gives Seniors Tips On College Entrance Exams

By Robert Thompson

(Editor's notes: Mr. Robert Thompson, senior counselor, explains about requirements and decisions seniors must face concerning college.)

This is the time of year when our college students are leaving home, either for another year in the college of their choice,

or for their first year. It is also the time when high school seniors become serious about their future education plans. Many questions are raised about how to gain admission to a college, which college to choose, and how to succeed in college after one has been accepted.

A favorite question is: "How do I decide which college to attend?" This is a question difficult to answer, because the correct answer depends upon the individual. Some want to attend a large school. Some have the scholastic ability necessary for success in certain schools which will admit only those students at the top of their class.

Others are able to afford schools which are too expensive for most students. Other factors to be considered are the location of school and the school's aim and objectives. In order to narrow the field, the college-bound senior should take advantage of the facilities offered by the guidance office and counselors.

It may take several weeks to come to a final decision, so now is the time to start considera-

tion of the many, many factors involved. Except for a few institutions which have an early decision plan, many schools accept applications of high school seniors from now until about March 15 of next year; some require the application by Jan. 1.

But with most of the colleges, there is no set date beyond which applications will not be accepted. This is especially true of tax-supported institutions to which applications are accepted up to the date of registration. The answers to these and many more questions can be obtained at the office of your counselor.

Many seniors are concerned with the prevalent opinion that it is very difficult to get into college. To them, let me say that there is a college somewhere for every person who can profit from a college experience. It is true that with the increased number of applications for college, many schools are becoming more and more selective.

Geography plays a part also. Many Eastern colleges have more applicants than they can possibly find room for, so they

make it harder for the student with average ability to qualify for admission. In our area, however, the time has not yet arrived when capable students will find it impossible to gain admission to a good college.

In Texas, state colleges are required by law to admit all students with the required number of credits. A graduate of Hereford High School can be as-

sured that he has the qualifications required for admission to state schools, with only a few exceptions.

Most colleges now require that a person take a college entrance examination before he can be enrolled. The two tests required by most Texas institutions are the Scholastic Aptitude Test of the College Entrance Examination

(Continued on Page 3)

Editors' Notes:

By Vickie Inman

Hang onto your hats! Six weeks tests are just around the corner; in fact, they begin next week. It seems like it was only a few days ago that school began. Ah, well...

Seniors and any classmates interested should make sure they read Robert Thompson's article about college. It might help those needing to make decisions concerning college plans.

Pat Price, senior, is the new Whiteface mascot, in case anyone was wondering. She deserves a lot of praise for her fine work so far this year.

Speaking of things concerned with football, tomorrow's game with Levelland should come under that category. After last week's win of 23-0, the Herd should give Levelland a run for its money and come up holding the jackpot.

The exchange column in this issue deals with the other school's concern over politics. Of interest is the fact that teenagers in Texarkana have formed a Teenage Republican Club and are challenging others to form a Teenage Democratic Club.

Did you hear about the senior who broke his leg? It seems that he tripped over some freshman's tricycle.

Merle Carmichael Serves HHS Band As Feature Twirler

"Being head twirler for the Whiteface Band is quite an honor," stated Merle Carmichael, daughter of Mr. and Mrs. W. T. Carmichael, 148 Texas. This was Merle's comment last year. Since then she has taken another step in her twirling career. Merle first started twirling for the band in the eighth grade. In the eleventh grade she was head line twirler and is now feature twirler.

Merle first became interested in twirling at the age of nine, when her cousin married the Na-

tional Twirling Champion. Merle took her first lessons from her. She still receives help from her from time to time.

"The most rewarding part of twirling is the U. I. L. awards. Merle has attended band camp every summer since the seventh grade. The first band camp she attended was Eastern New Mexico University. She went one year to WT and the rest of her summers were spent at Gunnison.

Merle stated that she planned to twirl with fire at least once this year. "Twirling with fire has its disadvantages, such as catching your hair on fire and melting the fringe on your costume. But there is one advantage—it does keep you warm for a little while," said Merle.

Besides being feature twirler, Merle participates in other activities. She is secretary for Tri-Hi-Y, a member of the Future Nurses and a member of the American Field Service Council. Merle is also active in her church activities.

Merle's musical interest and ability does not stop her at playing the oboe for the band; she is now learning to play the guitar.

Hoof Prints

By Mike Paschel

The Hereford Whitefaces won their second game in a row as they trounced Littlefield Friday night. The Herd turned in a great game as they outplayed and outscored the Wildcats, the game ending 21-0. This was the first game in 22 straight that Littlefield has been held scoreless. Tomorrow night Hereford meets the Lobos at Levelland to seek their third win.

Center Terry Hill probably felt good after the game because the linemen's dream came true for him. A deep snap from center sailed over the punter's head and Hill covered it in the end zone for a touchdown.

The Whitefaces were without the services of Larry Duncan. He developed intestinal troubles and was unable to see action, although he should be rarin' to go tomorrow night.

Last week I said that "full coverage of the game appears in this issue". Well, for some reason, it didn't. I'll try not to get my wires crossed next time.

Larry Noland, B-team end, broke his leg in practice last week. He was in the hospital for two days. Glad to hear that you're doing okay, Larry.

There was quite a caravan to Littlefield Friday night, as eager fans went to give all the support they could to the Faces. This kind of enthusiasm really encourages the team to try just that much harder. Every one who can should make the trek to Levelland tomorrow night and help cheer the Whitefaces on to victory. BEAT LEVELLAND!!!

National Honor Society Will Promote Four Themes This Year

Scholarship, leadership, character, and service are the four ideals that the National Honor Society is working to promote. The club organized for the new year on Tuesday, Sept. 22, with the president, Doug Watson, presiding.

Other officers elected last spring are Vicki Inman, vice-president; Patty Nobles, secretary; Maura McAndrews, historian; and Ernest Flood, parliamentarian.

The club will meet twice a month: once during activity period and once at night. At the night meetings, there will be programs with special speakers. The purpose of this is to challenge the members to achieve excellence in the four areas mentioned earlier.

Plans are being made to have projects to raise money for a scholarship that will be given to a senior member of NHS. The NHS members will choose a senior.

Voluntary work in the school and community is another aim of the club.

"I cannot imagine sponsoring an organization that has more challenge," stated Mrs. Viola Crisholm, NHS sponsor. "This is the cream of the crop. They have proven their ability and now they need to be challenged to use that ability."

Herd To Tackle Levelland Lobos

Hereford takes on a good Levelland team at Levelland this coming Friday night. In Levelland's last two games they have beaten Canyon 41-0, and were beaten by Denver City 13-0.

Levelland has excellent speed and will streak a running game. Nine lettermen and four regulars are back, and the Lobo's will probably better their last years 5-5 mark. Levelland also has good size in the line.

The Whitefaces are determined to beat Levelland, and if injuries are not too many and the school spirit good, well watch out Levelland!!!

Area School Papers Discuss Politics

With such controversy between political parties for the coming November election, students at Lubbock High were asked their opinions on President Lyndon Johnson's political stands.

Wesley Verner, a junior at LHS, stated that he thought that President Johnson is a highly qualified man for the Presidential election this year. Verner said, "For a Vice-President to take over as Johnson did after President Kennedy's assassination, he had to have high understandings of what had to be done for the rest of the term." Verner also stated that he did not feel that Johnson is too liberal.

Tommy Mattison, a sophomore disagrees with Verner. He believes that Johnson is a liberal democrat who is opening the door for socialism in the United States. He feels that Johnson's views lean toward centralized government. "Why give communist and socialist nations help which may someday be used to destroy us? Johnson's choice of campaign issues, such as the management of the Viet Nam situation, reveal him to be a cynical politician."

"I believe that in the next four years our country will have more pressure put on it than at any time in its history. With

automation on the move and rapid changes in world situations, many new problems will evolve.

"There must be a man who wants to meet these problems, but at the same time he must be able to handle such a crisis with discretion," stated John O'Neal, senior at LHS. O'Neal also feels that the new leader must know the people and the domestic problems which they face. Last of all, he feels that he must have the support of his voters and the men that stand behind him. O'Neal believes that Lyndon Johnson possesses all of these qualifications.

In Texarkana, Teenage Republicans express their political interests. This club is a subdivision of the Young Republican Club of that city, whose purpose is the preservation of constitutional government.

The main functions of the club are telephoning and contacting distributing posters and working in the Republican headquarters. The club raises money by selling campaign buttons and by charging dues. The club hopes to become school chartered, and they are planning to have a float in the fair parade this year.

TAR president, James Hendrix, says, "We challenge the forming of a Democratic Teenage Club."

PEP RALLY SKIT — Sharon Tinnin, one of the HHS cheerleaders is shown as she appeared in a Pep Rally skit last Friday evening before the Hereford-Littlefield game. The cheerleaders presented a humorous skit to the student body. (Whiteface Photo)

Spirited 'Pep Rally' Held At HHS Gymnasium Friday

The gym suddenly came to life last Friday as the students poured in for the weekly pep

rally. From beginning to end, the students' rousing spirit maintained a peak, which was reached at the first yell, "Two Bits."

Frank Cain, one of the varsity co-captains, thanked the student body, the cheerleaders, and the band for all their support at the last two games. He urged them to go to the Hereford-Littlefield game.

Merle Carmichael, Hereford High's feature twirler did a twirling routine to the tune of "Manhattan Beach."

"Radio Interview" was the name of the skit presented by the cheerleaders. Cynthia Lea-

sure was the announcer who asked each of the other characters their opinion of the game Hereford was to play with Littlefield. Mr. Hodges the banker was portrayed by Gayle Newell; Mr. Muse the butcher, Peggy Neff; Mr. Richards, the undertaker, Barbie Langley; Mrs. Sigman, the housewife, Nancy Tyler; and Mr. Cook the farmer, Sharon Tinnin.

The twirlers, Penny Jones, Ann Mercer, Patty Raach, and Darla Caraway did several routines throughout the pep rally. It ended with the alma mater and 15 raps for the football boys.

Two HHS Girls Leave, Return From Houston

Leaving for Houston one morning and being home the same night was a new experience for Joann Marnell, senior, and Lou Ann Witkowski, Tech freshman. The entire trip took only about 14 hours. They left the airport at Lubbock at 7:30 a.m. and arrived in Houston at 11. Leaving there at 5 p.m., they returned to Lubbock at 9 p.m.

The two girls won the trip to Houston for being named the winners of the state competition for a civil defense demonstration in 441. They won first in county competition, then district, and finally state. There were also many others competing for this top honor.

Joann and Lou Ann flew to Houston to give their demonstration at the convention of the Home Demonstration Women of Texas, meeting in the Rice Hotel, Gaines West, vice-president of civil defense over four states, gave a talk on the effects on an atomic bomb.

For their demonstration, the girls built a miniature fall-out shelter with all the necessities in it. There were things such as games, toys, and food. They also had several posters.

Joann said of her trip "It was educational and I enjoyed it very much."

Mrs. August Miller Is Named 'Teacher Of Week' At HHS

To promote recognition of outstanding teachers, Future Teachers are now using this column "Know Your Teacher" to introduce two teachers each week to the student body and community.

We, the FTA members, would like to welcome Mrs. August Miller to HHS. Mrs. Miller resides at 825 Brevard with her husband and children, Burl, Rodney and Peggy.

A graduate of WTSU, Mrs. Miller majored in homemaking and double-minored in science and education.

It might be interesting to note that Mrs. Miller has had the same name all of her life, she is the daughter of Mr. and Mrs. William Miller.

During those few spare mo-

ments at home, Mrs. Miller enjoys cooking, sewing and playing with her children. At school, she enjoys teaching general science to freshmen students.

General science and biology are the subjects Mr. David Griffin teaches in HHS. He has just moved to Hereford after graduating from Sul Ross in Alpine, Texas.

He majored in biology and minored in government. His family includes his wife Mary, a teacher at junior high. His favorite pastime is listening to his Hi-Fi set and taking care of his seven land turtles.

He likes the teachers and the students at HHS. He has one main complaint—that being, we do not have enough spirit at our pep rallies and our football games.

FEATURE TWIRLER — Merle Carmichael is shown as she appeared in the HHS Pep Rally last Friday at the HHS Gymnasium. Merle was head line twirler last year and has won several University Interscholastic League awards. (Whiteface Photo)

TEACHER OF WEEK — Mrs. August Miller, HHS. She was named teacher of the week this past week. A different teacher will appear in each issue of the Whiteface. (Whiteface Photo)

Whitefaces Tromp Wildcats, 21-0

By Jimmy Allison

The determined Hereford Whitefaces defeated the Littlefield Wildcats on the Wildcat gridiron last Friday night 21-0. Hereford defeated Littlefield in all departments. The Whitefaces had fifteen first downs to Littlefield's nine. They gained 179 yards rushing to Littlefield's 120 yards.

Hereford's Steve Hodges punted three times for a 101 yard average and a 33.7 yard average. The Whiteface defense held Littlefield to a tremendous 3.7 yard average on returning Hodges' punts.

It was all defense the first quarter, but the second quarter was different. Mike Moore went in for the score from seven yards early in the second quarter. Quarterback Frank Cain added insult injury by passing to Lynn Cook for the two-point conversion. Hereford talked again in the second quarter when Cain passed to Gary Stagner for the touchdown from seven yards out. Richards' extra point kick failed.

The only score in the third quarter came when Terry Hill blocked a Littlefield punt and covered it in the end zone. Richards followed with the kick for the extra point.

There was no scoring in the fourth quarter. Wynn Buck led all Hereford backs in rushing with 68 yards in 16 carries for a 4.3 yard average. Gene Drummond followed Buck with 58 total yards rushing. Greg Richards, Mike Moore, Frank Cain, and Steve Hodges also played well on offense.

Quarterback Cain attempted five passes and completed three for 54 yards and one touchdown. Gary Stagner made a grandstand catch on one of these passes.

Hereford's defense was magnificent. Gene Drummond stopped Littlefield's swift backs by spilling them with shoestring tackles everytime they ventured around the end. Terry Hill was in on 12 tackles and recovered the blocked kick in the end zone.

Greg Richards was also sharp on defense with two unassisted tackles and eight assists. George Muse was also tough with 10 assisted tackles. Larry Minks, Steve Hodges, Lynn Cook, Ricky Fangman, Mike Moore, Charles Brownlow, Robert Higgins, Stan Sigman, Dick Lookingbill, and

Ellos Briones also did tremendous jobs on defense. Steve Hodges seemed as though he was always in the right place as he picked off two of Littlefield's eight attempted passes. It was all Hereford Friday night. Watch out Levelland!

Counselor...

(Continued from page 1)

Board and the American College Test.

Your counselor can tell you which test is required by the college of your choice. Depending upon which test, you take, you will have it administered to you, either at Amarillo College or West Texas State University.

A number of dates are posted on the bulletin board. Applications for registering for either of these tests should be made in the counselor's office. The deadline for registering for the first test is Oct. 10. This is the American College Test which will be administered on Nov. 7. You will be advised as the time comes to apply for the tests for the various dates.

Just a word about the so-called college entrance tests. In most cases, especially in this true of state schools, there is no cut-off score. It is required only that the applicant take the test, not that he make a certain score. Many students enter the testing room with fear and trembling, because they are under pressure to make the best possible score on the test.

Probably this pressure is responsible for much lower scores than the student would make if he went into the testing situation relaxed and free of tension. It may help you in this regard to know that you are meeting the requirements of your college when you take the test, not when you receive the report of your scores.

Our plans call for adequate time and opportunities for considering your choice of college. We plan to set aside a morning of a school day to have representatives of the various colleges in this area to meet with you to answer questions and to discuss colleges with you.

A file of college catalogs is kept in the counselor's office, and you are invited to browse at any time you have a few min-

Tommy Betzen In Third Year Of Crops Study

EDITOR'S NOTE: Tommy Betzen, a member of Dawn Boys' 4-H club, is now in his third year of study with field crops in the 4-H program. He has not increased his acreage, but he has increased his yield. National 4-H Week is Sept. 27-Oct. 3.

This is the third year I have had a field crops project. I have not increased the number of acres of milo I'm raising, but I have increased the yield per acre each year. I am 14 years old, and I have been able to do all the work myself. My Dad furnished the five acres of land and the equipment in exchange for my doing a lot of the tractor work and irrigation on his acreage.

The ground was fertilized with 400 pounds ammonium sulphate and 300 pounds 0-20-0 per acre and moldboarded in the autumn. We had a very dry winter. The only moisture received was a snow Feb. 6, and it fell with a strong wind. In February I hoed the ground twice and floated it twice. It was listed and pre-watered in March. In April I worked the beds twice to kill small weeds.

On May 12, I planted 10 pounds of PAG 515 seed per acre. We had one-half inch of rain May 13, and the weather was cool. It took over a week for the maize to come up to a good stand. I knifed it on May 2.

On June 23 had three inches of rain. This brought up more weeds. We sprayed them with Dacamine, and got a good kill. I watered the crop in June, twice in July, once in August. In September it received 1.6 inches of rain. The crop looks very good, and I am hoping it will outyield the 7250 pounds per acre harvested from last year's crop.

I have kept records of the expenses of each operation of this field crops project, and after harvest I will know how much of the return is profit.

utes to spare. Answers to all of your college questions are available in some form in the counselor's office. You are invited to see us at any time.

THIRD YEAR — Tommy Betzen is in his third year of field crops study in the 4-H program. He is shown here in his milo field, on the family farm near Dawn.

AUTO FINANCING

Junior...

(Continued from Page 1)

being sold during homeroom and the lunch hour, before and after school. They are priced at \$2.50, the same amount the florist charges. Graduates of Hereford High and others wishing to obtain these mums may do so by contacting any junior.

The junior class dues for the year are \$2 per person. Home-rooms may have a project to raise the required amount or each student may pay his own \$2.

Since this is such a big class we will have to co-operate to make it the best class in high school," comments Mrs. Kendall

Williams, junior class co-ordinator. Co-operation has already begun with juniors signing up for committees and volunteering to work. Committee chairmen are as follows: Patty Roach, workers for the concession stand; Carole Coffey, sale of mums; Beverly and Carmen Betzen, sandwiches for the concession stand; and Ann Mercer, plans for the junior-senior banquet.

Working with Mrs. Williams will be nine other junior class sponsors. They are Coach Joe

Brooks, Miss Jean Collard, Lloyd Payne, Mrs. Tobbert Painter, Mrs. R. R. Willis, Jess Robinson, Mrs. J. J. Durham, Dennie Richardson, and Miss Janice Boren.

October also is Cheese Festival Month, during which a great many varieties of cheese will be plentiful. At most any meal of the day—for appetizers, a main course, or dessert—cheese is definitely in order.

 Worship Service 8:00 p.m.
 Wednesday evening Prayer Meeting 8:00 p.m.

"The Path of the Just"

... is as the shining light, that shineth more and more unto the perfect day." Prov. 4-18.

Are you dimming that light? Is your shadow deepening earth's gloom? Our world is in peril, and the soul, the immortal spirit which gives us power to think and reason, is all that will survive. If you are God's light, set in the midst of darkness to show someone the way to church, the way to usefulness, the way to help others, then your living is worthwhile. We may know our light is showing the way when the cause of our home, our church, our community, our world are advanced. God knows the hour is late and the way is dark, but He is the one who spoke, "Let there be light, and there was light."

You In The Church
The Church In You
 - form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader, and attend services regularly.

Prayer meeting and Bible Study will be held Wednesday at 8 p.m.

Hereford FFA Chapter Wins 17 Top Awards

Hereford FFA chapter topped 17 entries at the Tri-State Fair to capture a first place award. The project was entered in the class "Future Farmers of America Educational Exhibits."

"Built by the members of Agriculture IV, the project deals with conserving irrigation water, and how farmers can save money by using four different irrigation systems.

The project showed the conservation of water using the lake pump system, the tail water system, sprinkler system, and underground tile system. All the work was done by the boys over a period of about two weeks. For winning first place the chapter receives \$55, which will go to the agriculture department.

"The boys did a real fine job planning and building the project. It was a timely subject since this is such a dry year, and it appealed to the judges for this reason," said Jess Robinson, head agriculture instructor.

Judging the exhibits were L. M. Hargrave, head of the agricultural education department at Texas Tech, and Sam Thomas, agricultural representative for Southwestern Public Service Company.

In this division, placing behind Hereford was Perryton, second place; and Memphis, third place.

Sandi Says...

By Sandi Thomas

You football boys played a fabulous game last Friday night at Littlefield!! For those of you who couldn't go, the final score was 21-0, our favor. Keep up the good work and BEAT LEVELAND tomorrow night!!

The B-team and Freshmen are not to be forgotten. Last Thursday both teams played Coronado here. The B-team lost 14 to 12. The Freshmen ended up with a score of 8 to 6, our favor. Tonight they will play Tulsa, here. Good luck, guys!!

The Stanton Dogies won their game Tuesday, Sept. 22, by a score of 14 to 0. Their next game will be next Tuesday. They would appreciate all the support we can give them.

The juniors are selling mums for the homecoming game Oct. 9 when Hereford plays Lovington, N. M. They sell for \$2.50. Any graduates or others wishing to obtain them can do so by contacting any junior and they'll fix you up.

Maybe you've been wondering who the Herefordite is that jumps around at games and pep rallies. "Scat" happens to be none other than Pat Price. I'll be sending our "Get Well"

greetings this week to Larry Noland. Tuesday, Sept. 22, Larry broke his leg just above the knee. He was released from the hospital last Saturday but he will not be able to attend school for about two months. We hope to see you back soon, Larry.

I guess we'll be seeing several new cars around town (Well, that's likely). But I mean cars driven by kids. Ann Brady has a new blue and white '64 Chevrolet with a blue interior. The metallic blue '65 Chevrolet Super Sport belongs to Tim Gearn. It has a white interior. Jo and Lyn Pouch can be seen driving a white '64 Cadillac. Sid Bayne can now peel around in a blue and white '65 Buick with a blue interior.

If you speak to someone and he has to turn completely around to look at you, you'll know it is Larry Minks. At the Littlefield game last Friday he cracked a bone in his neck and has to wear a neck brace.

Last Saturday high school Methodists from Hereford, Dumas, White Deer, Canyon, Amarillo, Dalhart, and Friona gathered at the First Methodist Church in Hereford for a program and dinner. (All in all, there were about 60 kids there. Those from Hereford who attended were Jane Messick, Randy Tooley, Cheryl Solomon, Edith Davis, Sharon Garrison, Janis Elliot, Donna Clark, Paul Hunter, Jolene Hamilton, Ellen McGowan, and David Kelly.)

At the Tri-State Fair last Saturday, Jo and Lynnie Pouch and Donna Harper brought home several awards in the horse show.

In western pleasure, Donna won third; Jo, fourth; and Lynn fifth. Jo also won the western riding, the barrel racing, and the pole bending. Nice going, girls!

Last weekend, three rodeos from Hereford went to Boise City, Okla. for an amateur rodeo. Debbie Thomas entered the barrel racing, won the first go-

St. Anthony's Guild Installs New Officers

New officers for Saint Anthony's Guild were installed last Thursday evening in Saint Anthony's Auditorium.

Mrs. Leon Vinton conducted installation ceremonies by presenting each officer with a corsage accompanied by an exhortation toward duties of her office and concluding with a

round, and placed second in the second go. In the bull riding, Dan Thomas placed second in the average. David Hill was entered in the calf-roping.

Congratulations are on hand for the ag boys. They placed first in the Tri-State Fair with their project "Conserving Irrigation Water."

Well, we've lost one loyal HHS fan. Joe Bob Wagoner has deserted us to move to Dumas. See you Nov. 20, Joe Bob!!

Last Sunday, about 30 Key Club boys came to Hereford for their training conference. They divided into groups to discuss how to be better leaders and officers, what services could be performed for the community, and school, and how to get better attendance at the meetings. Refreshments were served afterwards. Those Key Clubbers from Hereford were Richard Brown, David Grubbs, Bob Reinauer, Jimmy Young, Bob Genzler, Charlie Barnard, Mark Hicks, Rene Batard, and Gordon Golden.

The twisters for the junior high band are Patricia Hill, Margaret Phillips, Pat Williams, Cheryl Solomon, and Rena Coffin.

That's it for this week!

prayer for guidance in the new undertakings.

With Mrs. Bob Lamm, president, the new slate inducted into office included Mrs. Alfred Reinart, vice-president; Mrs. Oretta Wilhelm, secretary; Mrs. Lester Wagner, treasurer; and Mrs. Gene Loerwald, parliamentarian and reporter.

With Mrs. Lamm presiding at the business session, the guild made plans for holding a country store and bake sale in connection with the chicken dinner being sponsored by the Antonian Circle Oct. 4.

Prayer Pals for the past year were revealed at roll call, and new friends for the coming year were chosen.

Members present were Mrs. C. Drerup, Mrs. A. J. Bezner, Mrs. Ed Loerwald, Mrs. A. H. Reinart, Mrs. Joe Marnell, Mrs. Mabel Wagner, Mrs. G. W. Hund, Mrs. Joe Brorman, Mrs. Fank Annen, and Mrs. Harold Hershey.

Also Mrs. Ray Wilhelm, Mrs. Walt Warren, Mrs. W. J. Albracht, Mrs. S. T. Loerwald, Mrs. Leon Vinton, Mrs. Alfred Reinart, Mrs. Alexandra Dakil, Mrs. C. P. Urbanczyk, Mrs. Elbert Vance, Mrs. Lester Wagner, Mrs. Lamm, Mrs. Oretta Wilhelm, Mrs. Agnes Hellman, and the hostesses, Mrs. Marvin Diller and Mrs. M. J. Koelzer.

Goofy Machines Do Jobs In HHS Mechanic Class

"Goofy Machines" do odd jobs such as slice bologna, light matches, crush eggs, burst balloons, trap rats and scratch the backs of cats.

"Each student designed and built his own machine. All of these machines include the wheel, lever, inclined plane, wedge, screw, and the pulley, which are the six basic machines. Most of these machines have five of the six items because it's hard to put them all in one. This is the first year for us to make the 'goofy machines', last year we just drew them," said Alvin Smith, power mechanics teacher.

A brief description of a "goofy

bologna-cutting machine would be a ball-bearing rolling down an inclined plane. The ball-bearing falls and weights one end of a lever which releases a pulley that lets a razor blade fall. The razor blade cuts a string which sets off a mouse trap with a knife attached and finally the knife slices off the bologna.

"These machines are basically simple but they require a lot of planning. Most of the students surprise me by making one that works. Some of the ones that so work are on display in the show case in the Industrial Arts building show case," stated Smith.

For three weeks the classes will work on steam turbines, then wind machines. The classes are going to study electricity the last nine weeks of the first semester. During the last semester the mechanics classes will overhaul small motors, automobile engines and with these motors, they will build self-propelled machines.

"For the boys that have had Power Mechanics this year, there will be a course offered next year, Power Mechanics II, that they may take," stated Smith.

Chamber Signs 20 New Members

Twenty new members have been signed recently by the Dear Smith County Chamber of Commerce, Manager Bill Thompson said Tuesday.

He gave credit to "the efforts of the membership committee." New members signed included: Beauty-Pleat Drapery, Clover Spraying Service, Soliz Masonry Construction Co., Budget Finance, Pat Robinson, Scott Seed Co., West Mobile Lodge, El Sombrero, Bill Michael, Roy Hartman, Beefmaster Livestock Supply Co., City Taxi Cab, Reddell Water Well Service, City Television, Hacker & Jesko, Custom Floor Covering, American Parts Co., Edwin Axe, McNeill Furniture and Hereford Janitor Supply.

Additional state groups and associations cooperating to present the Kitchen Window are, in order of their appearance, Dallas County Home Demonstration Clubs, Southwestern Peanut Growers' Association, Texas Turkey Federation, Texas Egg Council, Texas Broiler Council, Dallas County 4-H Club girls, Texas Pecan Growers Association, Texas Beekeepers' Association, Texas Lamb Council with the Woman's Auxiliary to the Texas Sheep and Goat Raisers' Association.

Smith Is Winner Of Speech Title

Alvin Smith was winner of the "speaker of distinction" award at this past week's meeting of the Hereford Toastmaster's club, held at Roney's Restaurant.

Toastmaster was Stanford Knox and Virgil Dodson was topic master. Dr. Milton C. Adams was general evaluator and Raymond Flores presided.

Prepared speeches were given by Alvin Smith, Hardy Benson, Kenneth Coker and Melvin Jayroe. Best topic speech winner ended in a tie between Rex Lee and Melvin Jayroe and Rex Lee was adjudged best evaluator.

Argen Draper Points Fashions, Fabric-Trends

Introducing autumn fashions and fabrics, colors and lines, Argen Draper presented the program for West Hereford Demonstration Club Tues., Sept. 22, at the meeting in Community Center.

With a discussion of styles and designs to be popular this season, she showed swatches of materials suitable for the fall wardrobe, with special notes on colors and cleaning cautions.

Mrs. E. B. Moseley, president, conducted the business meeting, and Miss Evelyn Bell directed the recreation. The hostesses' gift was won by Blanche Hardin.

Mrs. Wes Bradley and Mrs. Moseley, hostesses, served refreshments to Mrs. Draper, Mrs. Mary Waters, Miss Mary Bradley, Miss Bell, Mrs. Vida Jacobson, Mrs. Artie Frost, Mrs. Hardin, Mrs. Herbert Duncan, Mrs. Carlos Vaughn, and Mrs. Alice Swigart.

For a study on "How Tax Money Is Secured and Used," the club will meet Oct. 13 in the home of Mrs. Myrtle Witherspoon.

Kitchen Window To Demonstrate SW Foods at Fair

Now in its third year, the Texas Kitchen Window has proved to be one of the most popular features of the Women's Department at the State Fair of Texas.

That is the opinion of Mrs. Leah Jarrett, director of State Fair cornerstone since 1948. The 1964 exposition in Dallas will run October 10-25.

The Kitchen Window will feature demonstrations by food-related associations of recipes based on their respective products.

Returning to open the series this year will be Ruth Hogan, home economist and specialist in School Food Service for the National Livestock and Meat Board again will present its demonstrations on the first two days of the fair in cooperation with the Texas and Southwestern Cattle Raisers Association.

New to this year's list of demonstrators are the North Texas Producers Association and the American Dairy Association of Texas. They will present their program October 12 and 13.

The Kitchen Window will run the full 16 days of the fair in the air-conditioned Women's Building with 9 food-related as-

ATTENTION

ALL GARAGE AND FILLING STATION OWNERS

REGARDING SAND TRAPS

The Sand Trap is designed for protection from debris entering the main sewer line. It is required by City Ordinance for the owners of garages and filling stations to keep them cleaned at all times and not allow the overflow of solids to enter the discharge drain of trap. Also, the clean out plug is not to be removed except for an emergency of rodding a stopped line.

The pit is drained by a siphonage method and not by removing the clean out plug. The pit should be cleaned each day if used and all debris dipped or bailed out — not forced out by water which will cause the mixture of dirt, grease and other trash to enter the sewer causing a stopped line.

Spot inspections have been made of stations and several were found with improper cleaning and pits filled with sludge and debris.

In the future all sand traps will be inspected by the Plumbing Inspector and if the Ordinance is being violated the owner is subject to legal action which can result in a maximum fine of \$200.00.

G.A. QUEENS — In special dedicatory ceremony, Girls' Auxiliary of First Baptist Church saw five girls crowned Queens and others recognized as Maidens or Ladies-in-Waiting, having completed respectively work in a certain step of organization service. Shown here (second row center) are Barbara Willis, Queen Regent who was presented the cape of green and white satin; Sidney Davis and Sherian Seiver, Queens with Scepter; and Sandra Willis and Vickie Payne, Queens. Theme for the coronation was "The World in Our Heart." (Angel Studio Photo)

G. A. Queens Crowned In Dedicatory Service

With "The World in Our Hearts" as a theme, Girls' Auxiliary of First Baptist Church held their annual Coronation Service Sunday evening, Sept. 20. Forty girls are enrolled in G. A.

Five girls were crowned on completion of regular work for an additional step in Girls' Auxiliary service. Vickie Payne and Sandra Willis were crowned as Queens by Mrs. Dale Scott and Sherian Seiver and Sidney Davis were crowned as Queens with Scepter by Mrs. Sam Long and Barbara Willis as Queen Regent, was presented with cape of green and white satin by Mrs. Sam Long.

Taking part in the ceremony were other girls of the Girls' Auxiliary who are working on various steps of service. Ushers were Gwen Davis and Mona Gale Gibson. Candlelighters were Debbie Slaughter and Brenda Formby, and Pat Price presented special music.

Maidens, completing their first step, were Debbie Huddleston, Kaylanette Bettenfield, and Valerie Chisholm. Finishing the second step as ladies-in-waiting were Sherry White, Cynthia Etheredge, Rosie Rogers, and Carol Scott.

Each queen had her own flower girl and page boy. Serving for Vickie Payne were Lisa Payne and Bruce McBee; for Sandra Willis, Jeanne Hair and Reed Herring; for Sherian Seiver, Terri Seiver and Kevin Lankford; for Sidney Davis, La-

urel Short and Kent Herring; for Barbara Willis, Christie Pittenger and Jerry Keeth.

Girls' Auxiliary, the youth arm of First Baptist Women's Missionary Union, highlighted their study and service to peoples of the world in their theme for this ceremony of dedication: "The World in Our Heart." Making this clear was the Rev. B. L. Davis in his welcome and purpose of the program and opening prayer.

Music for the program included a medley of missionary hymns, "We've a Story to Tell," and "All Hail the Power of Jesus' Name." A. H. Cook gave the prayer of dedication.

Opening the period of meditation that followed, Mr. Davis gave a special message, "Why Didn't You Let Us Know," while a spotlight focused upon Mr. and Mrs. Chindo Hill and their children, who helped make the group more aware of their Latin-American neighbors, here and elsewhere, whom the Girls' Auxiliary had been studying especially.

Closing the season of meditation, Mr. and Mrs. Duane Barrett sang "How Long Must We Wait."

A reception honoring the girls followed with all the work of the queens displayed.

Members of W. M. U. directing the G. A. work this year are Mrs. Roy Calvert, W. M. U. president; Mrs. B. L. Davis, G. A. Director; Mrs. Bob Cagle and Mrs. Sam Long, intermediate

Stained Glass Window Colors, Styling Accent Club Agenda

"Fall Fabrics and Design" was the program subject discussed by Argen Draper, county home demonstration agent, for members of the North Hereford Home Demonstration Club who met with Mrs. Paul Hoff, 113 Fuller Thursday.

"Fall clothes are exciting," said Mrs. Draper, introducing the program. She then listed some of the advantages and disadvantages of design or figures in clothing and warned the women not to go overboard in the choice of such materials.

"The colors seen in a stained glass window, clear and true are the colors seen in fall materials with blue leading the list," she said. "Mallard blue is one of the best and also a clear red," she continued.

She displayed a number of samples of material and discussed trends in styles such as high and low waistlines, more fullness in skirts, and the new stretch materials with a stretch nylon thread to use for sewing. Leaflets on adjustable patterns were given those attending.

The program on Constitutional Amendments was the choice of the members to be given at the next meeting on October 1.

Mrs. R. L. Campbell was visitor.

Members present were: Mrs. Mary Bodkin, Mrs. Gaylon Bryan, Mrs. R. A. Fullwood, Mrs. Otto Massie, Mrs. Otto Olson, Mrs. Velma Salvino, Mrs. C. L. Whitehead, Mrs. O. C. Williams, Miss Roberta Campbell, and the hostess, Mrs. Hoff.

On a diet and feeling hungry? Munch on an apple, suggest nutritionists at the U. S. Department of Agriculture.

Westway HD Tip Fashion, Fabrics With A. Draper

Westway Home Demonstration Club studied new fabrics and designs in fashions at their meeting last Thursday in the Flame Room of Pioneer Gas Co.

Argen Draper, county home demonstration agent, gave an illustrated lecture for the group, showing outlines for new trends in styling and swatches of fabrics, with pointers on qualities most suitable for fall garments.

Mrs. Paul Rudd presided at this meeting for which Mrs. Albert Lamb was hostess.

Mrs. John Drake was visitor for the day. Members present

were Mrs. Gale Borland, Mrs. Gene Combs, Mrs. Bill Drake, Mrs. Donald Douglas, Mrs. Arnold Fangman, Mrs. Jimmy Jesko, Mrs. Merlin Kaul, Mrs. J. B. Odom, Mrs. Homer Rudd, Mrs. Kenneth Rudd, Mrs. C. A. Saulcy, Mrs. W. W. Thomas, Mrs. George Turrentine, Mrs. Mrs. Bess Werner, Mrs. Margie Thomas, Mrs. Paul Rudd, and the hostess, Mrs. Lamb.

Dodge comes on big for '65

What does Dodge do after two record-breaking years in a row? Go for a third. Dodge comes on big for '65, with four brand-new cars that are big, quick, fresh... backed by the strongest warranty* in the business. See them.

'65 Dodge

DODGE DIVISION CHRYSLER MOTORS CORPORATION

'65 DART: The Dodge-size compact. If you'd like to live a little, we'd like to let you in on something big—Dodge Dart for '65. Big beauty. Big comfort. Big ride. And big savings. At your Dodge dealer's now.

'65 POLARA: Beautiful way to leave the low-price field. Inches bigger and a lot better-looking than anything near the price. Why settle for less? Why, indeed? Ask for Polara at your Dodge dealer's.

'65 CORONET: A hot new Dodge at a new lower price. An all-new car that's as comfortable as a standard-size Ford or Chevy, yet priced with Fairlane, Chevelle. Refreshing new styling. Oceans of room. Coronet '65—drive it.

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU. Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; check perforator air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your early mileage. Please consult your authorized dealer.

'65 CUSTOM 880: If elegance were spelled in numbers, this would be it. From exclusive 6-window sedan to elegant convertible, this one will wear well with your appreciation of luxury and your sense of good taste.
