Around Town

After a long summer of work, the highway to the east has been finished and the last paving work in town has been done. It was a busy summer, but handled very smoothly.

Hereford's City Commissioners met briefly in a called session Monday afternoon to formally accept the paving construction which was done in the city by Gilvin - Terrell of Amarillo. They did accept it, and commented that they were well-pleased with the entire program.

The Rev. Don George of Plainview will show color and movies of his recent trip to the Holy Land during a special meeting at the Assembly of God Church here Thursday, Sept. 28. The meeting will open at 7:30 p.m. and the public is invited to attend.

The Deaf Smith County Commission also met briefly Monday afternoon. They adopted a resolution officially accepting the state's offer to pave a few miles of Farm - to - Market road in the southwestern part of the county.

This week could pretty well determine just how well the Hereford High football team is capable of playing. They have faced some moderately strong to fairly - weak teams thus far. But the Roswell Coyotes are tough and determined. On their home field, they will be tough to beat.

After a couple of unveilings last week, the lid has really flown wide open on new cars this week. On tap are 1962 models of Buick at Kinsey-Osborn, the Chrysler at McCullough Motors, the Chevrolet at Orsborne-Norwood and Ford, Mercury and Comet at Charlie Seeds. Why don't you drop by and look at the new models this week?

Clarendon High School will have its annual homecoming on Saturday, Sept. 30. During the morning, there will be registration and a tour of new buildings, with a tea at 1 p.m., alumni meeting at 3, a barbecue at 6 and a football game at 7:30 p.m.

Annual Tour of Homes, sponsored by the Garden Beautiful. (Continued on page 8)

THE LETTUCE on the Charles Holt farm, west of Hereford, was in prime condition for cutting Monday, when the harvest crew swarmed into the field and began boxing the lettuce for shipping. The boxes contain 12 heads of lettuce each. Holt said that many of the boxes weighed about 50 pounds, which would weigh some of the heads in at about two pounds each. (Staff Photo)

Herd Goes After Fifth Win Against New Mexico's Best

Hereford will be battling a 12-year jinx as well as the Number One team in New Mexico when it collides with the Roswell Coyotes Friday night. The game will be played in Roswell at 7:30 p.m. MST in DeBremont Stadium.

Bob Wear Urges Action Toward Stronger Nation

A speech on the ways to act for a better government, drew high praise at the Kiwanis Club's ladies' night program Tuesday at the Hereford Country Club.

Bob Wear of Canyon was principal speaker for the evening. A former resident of Hereford and charter president of its Kiwanis Club, he is now minister of the Church of Christ in Canyon. He is well-known as a writer and speaker.

"It is difficult in these days to express an opinion without being called names or being distrustful," Wear declared. He told the group that a number of questions must be asked by every sincere American before he dares question others. "Am I a patriotic citizen?" comes first. The person then must determine whether he is sincerely interested in preserving the American way of life and whether he is being true to the spiritual heritage of this country.

Not since 1949 has a White-face football team won five games in row, but that's what the 1961 edition will be trying to do. And for the first time this year, Hereford will be trying to stop the powerful single wing offense.

The Coyotes currently are ranked as the top football team in the Land of Enchantment and will be fighting hard to maintain that reputation. A single loss to Ysleta High School is the only blemish on Roswell's record this year and that game was played in the rain and mud. Ysleta is now ranked fifth in Texas AAAA football.

Last Friday night, Roswell smashed Highlands of Albuquerque 28-6. It has a decisive win over Sandia High of Albuquerque and a 55-0 rout over Portales.

Even last week's 28-6 score isn't complete indicative, since Highlands was held to just three first downs during the game.

Coach Dewey Johnson keeps his Coyotes in the single wing most of the time, running the

ASC Committee Is Re-Elected

All officers and members of the county ASC committee were re-elected Monday during the county convention. Serving during the next 12 months will be W. N. Hodges, chairman; Frank Bezner, vice chairman; P. B. Sowell, member; J. V. Perrin, first alternate and B. C. Hodges, second alternate.

New term of office will start on Oct. 1. Voting in the elect were members of the four community committees in the county. They met at the county ASCS office to cast their ballots.

just for variety. But when the chips are down, the mighty single wing is used.

Roswell's offense is built around a fast, hard-hitting line and a pair of quick backs, quarterback Dan Cook and halfback Billy Ford. Scouting reports indicate that Roswell can pass well, but hasn't had to go to the air very often.

Johnson's offensive strikers are likely to include Billy Hankins, tackle, 17; Eugene Taylor, guard, 162; Steve Stephens, center, 200; Jim Nelson, guard, 165; Gene Round, tackle, 188; Mickey Williams, end, 170; Dan Cook, quarterback, 133; Billy Ford, halfback, 155; Roy Allen, halfback, 158; and Mike Truelove, fullback, 170.

On defense, Roswell probably will replace Nelson and Round with Danny Caussey, 170, and Robert Holmes, 208. Defensive backs probably will be Allen Ford; Tommy Weathers, 155; and Chuck Bracher, 160.

With a hard-charging line, Roswell prefers to send six or seven men rushing at the punter and try to block the kick rather than setting a wall for a long punt return.

Hereford coach Jack Meredith is expected to go with about the same offense as he used against Muleshoe last week. Fullback Fred Martin, seeing limited action for the first time this season, probably will be in the line - up more Friday night, but will alternate with Arnold Powell and Jim Haney at the power spot.

Hereford Man Hurt, One Dead In Wreck

C.C. Rockwell, 68, 111 Centre in Hereford, was in poor condition at Methodist Hospital in Lubbock Wednesday morning, suffering from injuries he received from a two-car collision that resulted in the death of an Arkansas man at Springlake Monday night.

Rockwell received multiple contusions, and chest injuries, according to hospital attendants. The accident occurred while Rockwell was en route to Lubbock, where his wife was in the Methodist Hospital, awaiting surgery. Mrs. Rockwell was operated on Tuesday, and is reported to be in fair condition.

The accident that occurred about 10 p.m. Monday night, caused the death of John Homer Buchanan, of Norman, Ark., who was pronounced dead on arrival at the Methodist Hospital in Lubbock.

According to Lamb County Deputy V. L. Smith Jr. who investigated the accident, the two cars met close to the intersection of U.S. Highways 70 and 385 in Springlake.

Smith reported that Buchanan was thrown from his car, as the vehicles veered about 60 feet to the southeast after they collided.

Both vehicles suffered extensive damage in the collision. Rockwell's car was traveling south on Highway 385, at the time of the mishap, and Buchanan's car was traveling east on Highway 70.

Rockwell is a long time resident of Hereford, and is now retired.

Arrest Man For Statutory Rape

Lupe Hinojosa, 28, who lives at the Green Top Courts in Hereford, was arrested Sunday, Sept. 24, and charged with statutory rape. Justice of the Peace E. B. Miles set bond at \$5,000 on Tuesday.

Hinojosa was arrested at the Court House in Hereford by Sheriff's Deputy Ed Roberson.

Arrest Youth On Assault Charge

Abel Noyala of Hereford was arrested on Monday, Sept. 25, and charged with assault with intent to rape. He was picked up at the Green Top Courts by Sheriff Lowell Sharp and Deputy Domingo Pesta.

Judge E. B. Miles of the Justice of the Peace Court placed the bond for Noyala at \$1,000 on Tuesday.

Noyala is 21 years of age.

Town Inspection Scheduled For Fire Prevention Week

Finding and marking major fire hazards before they burst into flames will be the purpose of Hereford's first Town Inspection to be held on Wednesday, Oct. 11 during Fire Prevention Week.

Members of the West Texas division of the Texas Insurance Fieldmen's Association, who are special agents of capital stock insurance companies, and particularly trained in fire prevention, will do the attic-to-basement inspection of all mercantile and public buildings, schools and churches. The fieldmen were invited to inspect Hereford by the chamber of "com-

merce and fire department.

Red "fix-me" tags will mark the danger spots and suggestions for correcting them left up to owners and tenants. City fire officials customarily follow through by checking on the elimination of fire hazards a month later.

"Town inspections are not a new idea," according to Harold Nixon, president of the West Texas division in Lubbock. "The plan was begun around 1900, but the first Texas inspection was in Gatesville in 1948."

Code numbers on the fix-me tags correspond to the recommendations in the booklet left with each occupant so property owners and tenants will know what action to take to correct the hazard. For example, if "B-2" were marked on the tag, the owner would look under this letter in the booklet to find the following recommendation in regard to a safe air conditioning and ventilating system: "Clearance from metal ducts to stored combustible material should not be less than six inches, and to combustible construction including plaster or wood lath, it should not be less than 1/2 inch."

Although these tags are only friendly reminders that danger exists, building owners and tenants generally give them special attention.

Hereford Fire Chief Dub Reeves said that Fire Prevention Week would be observed Oct. 8-14. There will be a special parade on Wednesday, Oct. 11, including the Big Domino High School Band, fire equipment, Boy Scouts

and Firemen.

School and service club programs also are being planned to help Hereford citizens become more conscious of fire prevention, Reeves said.

The parade is set for 4:45 p.m.

Reeves outlined the purpose of the fire hazard inspection as being three-fold: (1) for building owners and tenants, it brings the recognition of common fire hazards and prevents losses; (2) for local fire officials, it means safer buildings and fewer fires; and (3) for the inspectors, it provides the opportunity to take part in a community service.

Reports Trio Of Break-Ins Here

Three break-ins were reported to the Hereford Police Department Saturday morning. They occurred at the Veneer Products Co., the A. M. McRight Garage and Supply and T. E. Seigler reported his car was broken into.

An attempted burglary was reported at the Veneer Products Co., 1103 East First. The subjects entered the building by prying the base off of the door jam on the west side. They attempted to open the safe but were unable to get into it. The attempted burglary occurred sometime between 8 p.m. Friday and 7 a.m. Saturday. James Neal investigated the report.

At the A. M. McRight Garage and Supply, 642 East Second, it was reported that the garage part of the building was entered through a window at the south side, then the parts department was entered through an inner window. The safe was opened, and \$143.50 was taken from it, but \$190 in checks and employees' checks were left in the safe. Several drawers in the building were gone through. The subjects left by opening an overhead door, and closing it behind them. Stewart Johnson of the Hereford Police Department investigated the burglary.

T. E. Seigler, Route 5, reported that his car has been broken into sometime between 8 and 10 p.m. Friday night. The car was parked on Bowie street, while his wife was attending the football game. A half carton of cigarettes was taken from the car.

Five Predict 20 Games For Grid Contest

With five people getting all 20 games correct in the Brand football contest this week, the winners had to be decided by the tie breaker scores.

In first place, with the best scores in the tie breaker was W. H. Kitchens. Second place went to O. C. Crisinger, and coming in third was Ron Gray.

Two other entrants had a perfect score on picking the winners, but lost out on the tie breakers. They are Gene King and Mrs. Cawthon Bryant.

Argentineans See Cattle And Farms

"Prima y muy prima" were the accolades given Hereford cattle by five visiting cattlemen from Argentina Monday evening.

They generally divided the Whitefaces into two classes - good and very good - but admitted they were more familiar with other types of cattle than they were with the famous Herefords.

Tired but enthused about the cattle and farmland they had seen, the group gathered Monday evening for a small dinner at the home of George Warner.

With members of the registered cattle breeders association here, Warner had taken the group to eight different ranches during one intensive day.

"Whew! I'd rather work than go on these tours," Warner exclaimed. Since he toured South America last spring, he was speaking from personal knowledge.

The five are from the Santa Rosa region of Argentina, southwest of Buenos Aires. Through interpreters, they explained that they raise their cattle on pasture entirely, and that cattle feeding operations are unheard of in their area.

They raise a type of shorthorn and ship directly to markets in Buenos Aires when the cattle are fat. The cattle feed on lush grass and rye in a land very similar to the Hereford area.

Beginning to show the strain of a two-month swing through Iowa, Kansas, Oklahoma and Texas, they were still eager to learn more about American livestock and agricultural operations.

Serving as interpreters for the group were Sandy Newsom of Amarillo, with the American Quarterhorse Association; Charles Skelton; Nick Sedillo and Joe Sofo, all of Hereford. None of the Argentineans spoke English, although they had begun to pick up a few phrases.

Included on Monday's tour were stops at the following places: Howard Gault and Sons, R. L. Cocanougher Ranch, Walter Graham Ranch, H. D. Robbins and Sons, Colby Conkright and Son, Dameron Hereford Ranch and the O. G. Hill Stock Farm.

After leaving Hereford, the group was slated to stop in Lubbock, at the Spur Experiment Station, the Paymaster Feed Company mills in Dallas and the experiment station at McGregor.

Also planned is a stop at the campus of Texas A&M College, which is sponsoring the tour.

Included in the group were Miguel A. Torroba, Roberto M. Souto, Hector Alberto Berengaray, Alberto A. Tapie and Medasto Huarte. (Staff Photo)

JOINS THE TREND

Large Livestock-Feeding Company Starts Operations

Another industry has added its name to the rapidly growing list of successful business ventures in Deaf Smith County. Ideally suited for the Deaf Smith County area, commercial cattle feeding operations are proving to be a coming thing in this region.

Latest proof of this is the opening of one of the Panhandle's largest commercial feed lots here three weeks ago.

With room for up to 10,000 head of cattle at the present, and planned space for expansion, Hereford Feed Yards Inc. opened its gates recently. It is the largest of several such operations started in the area dur-

ing the past year. According to manager Paul Engler, the Hereford area is ideally suited for cattle feeding on a commercial basis. All the required food and essentials for such an industry are readily at hand, as well as the livestock.

A boost to local economy, the feeding operation uses home-grown products, cattle, and capital. A group of ten Hereford and Friona businessmen and ranchers formed the corporation which built the huge concern.

Planning to fatten and ship 25-30,000 head of cattle yearly, the feed lots uses vast amounts of milo, ensilage, cottonseed,

vegetable hulls, commercially prepared minerals, etc.

With an average of some 2000 cattle to feed twice daily, the feeding is done almost entirely with modern machinery at Hereford Feed Yards.

Dominating the skyline of the area are the huge storage bins and feed mill. From the time food stuffs are dumped in the bins, until they are combined and distributed in the miles of feeding troughs, the cattle ration is not touched by hand.

With a flick of the switch in the impressive control room, cattle rations are measured, combined, and mixed thoroughly. (Continued on page 8)

EXCELLENT HEREFORD cattle were inspected here Monday during a 36-hour tour of the county by five Argentinean ranchers. Looking at registered bull here, from left: Carroll Higgins, Lee Cocanougher and H. D. Robbins, all of Hereford; Sandy Newsom of Amarillo; Charles Skelton of

Hereford, who acted as an interpreter; Alberto A. Tapie, Medasto Huarte, Miguel A. Torroba, Alberto Berengaray; Nick Sedillo of Hereford, another interpreter; and Roberto M. Souto.

D. E. SPOTLIGHT — Mary Russell, the 17 year old daughter of Mr. and Mrs. L. B. Russell, Box 695, is working at Gwynne's Cleaners under the Distributive Education program at Hereford High School. Her duties there are taking in clothes, writing tickets, sacking clothes and waiting on customers. A senior student in her first year of D. E. training, she plans to go to an airline school after graduation. (Staff Photo)

D. E. SPOTLIGHT — Martha Russell, 17, is a senior student at Hereford High, and is working at Acme Cleaners under the Distributive Education program at the school. In her first year of D. E. training, her duties include taking in clothing, writing tickets, sacking clothes and waiting on customers. After graduation she plans to attend airline school. She is the daughter of Mr. and Mrs. L. B. Russell, Box 695. (Staff Photo)

ADRIAN NEWS

Hi Ho, Everyone Goes To A Fair

BY SUE BROWNLEE
The fairs in Amarillo and Albuquerque have pretty well covered our news this week. Adrian people were many at the Amarillo fair Wednesday. Jess Fincher and Mr. and Mrs. Keith Kromer went to the Albuquerque fair and while there saw homefolks, the Carol Gruhkeys, son David and nephew Dewayne Gruhkey; the Howard Ingles; the Billy Don Browns and son Dennis and the James Sessions of Vega.
Joel Brownlee's birthday was Wednesday on fair day so he didn't get to treat his classmates. On Thursday his mother, Mrs. Joe Brownlee, surprised Joel as well as his room by bringing candy and dimes for each child and Mrs. Irene Brown, his teacher, to get the flavor of pop they wanted out of the pop machines. Fun was had by all.
Mrs. Waurane McArthur is visiting her daughter, Mrs. Ross Blasingame for a few days this week. Her home is in Amarillo.
Mr. and Mrs. A. M. Chapman visited their daughter, Mrs. Joe Brownlee and family, Sunday evening. Their home is in Amarillo.
Saturday morning Mrs. Alford Jobe surprised her son Timmy with a birthday party. Cake and punch were served to the guests. Those there were Dude Speed, Patty Zaring, Jerry, Cindy, and Stacy Fisher, Joan and Colin Lane. Many nice gifts were received by Timmy.
Sammy Betts suffered a very badly bruised knee playing baseball at school Thursday and missed school Friday to see the doctor it was so swollen. It is doing fine now. He is the son of Mr. and Mrs. Horace Betts.

Meredith Tells Coaching Aims At Rotary Club

Hereford's head football coach, Jack Meredith, told members of the Rotary Club Monday of the training the players undergo.
"The boys we have left on the squad now are dedicated to the game of football," he said. He explained that 19 boys had dropped from the squad since last spring. Meredith attributed the team's success so far this season to the players and to the fans who have supported them.
While winning their first four games, the Whitefaces have scored 84 points to 16 for their opponents, had 57 first downs to 38, gained more than 1100 yards rushing to 600 but have also been penalized more yards than their opponents.
Meredith said his players had to observe strict training rules, be humble on the field, mask any emotions they might feel, be able to endure pain, had to wait for success, be a team player, be confident, have a desire to win, have loyalty, have respect for officials, fans, coaches and teachers and, above all, be gentlemen.
In addition, Meredith said his staff tried to instill peace in the players along with a faith in religion.
Members asked questions about the team at the end of the talk.

TOP STUDENT
Ronnie Mac Botkin, son of Mr. and Mrs. Roy Botkin of the Summerfield community is a freshman student enrolled at Texas Technological College this fall. Ronnie is one of 63 honor school graduates registered at the school. Ronnie was valedictorian of Hereford High School class of 1961.

MINISTER
PARMA, Ohio (AP) — The Rev. Richard Theodore Giesel might be termed a man of many interests.
In his nine years as minister of West Boulevard Christian Church, it has grown to 550 members, added a \$150,000 worship center and remodeled the old church building.
But the Rev. Mr. Giesel also conducts a two-hour Sunday morning radio program of religious and semi-classical music and commentary on Cleveland station, teaches psychology of effective living at Fen College, is working toward an advanced degree at Oberlin College and is collaborating on a book.
And he makes certain he has at least one night a week at home, strictly devoting his attention to his wife and children.

Modern astronomers believe stars may be of widely different ages. Some are subject to catastrophic explosions that produce novae and supernovae.

Mrs. Emma Bales and Mrs. Frankie Shaw went to Canyon to see Emma's daughter and family, Mrs. Kermit Pond. They went to the fair Monday and also saw the Ice Follies that night. They returned home on Tuesday.
New faces are being put on several of the Adrian homes, if you haven't noticed. The John Horton home has lots of nice work done inside and out and still isn't through. The John Proctors are in the same procedure. The Elmer Weidners have a yellow brick effect on their house and garages which is looking very nice. The Horace Betts are having plastic put on their home and the P. H. Dohertys have siding to put on theirs, but haven't started yet. The Ray and Floyd Brown's have fresh painted roofs of bright red.
Mrs. Jimmie Brown and her mother, Mrs. Lillian Lempke of Amarillo, went to Dallas last week.
Mr. and Mrs. Dave Flugy and children of Amarillo visited the Harvey Brothers family Sunday.
Mrs. Hazel Chilton visited the Joe Shields of Amarillo over the weekend.
Mr. and Mrs. Bill Leslie had dinner guests Sunday, Mr. and Mrs. Ernest Franks.
Jimmie Brown and Carl Hare Jr. of Amarillo flew to Turkey recently to hunt dove.
Bobby Wayne Brown spent Sunday with the R. M. Gruhkeys' twins, Gale and Dale, at their home west of Adrian.
Mr. and Mrs. Jimmie Brown attended the Kivans Club dinner in Vega last week.
Mrs. Jack Fincher is now at home recuperating after her stay in the hospital. Mrs. Cal Jackson is caring for her during the day.
Jimmie Zaring was home over the weekend and brought a friend with him. Mr. and Mrs. M. H. Zaring Jr. have as visitors his brother, Jimmie and wife of San Francisco, Cal.
Mr. and Mrs. John Horton visited Sunday evening with her sister and family, the Bob Gruhkeys. The Robert Speeds visited also.
The Alford Jobe family and the Joe Brownlees' attended the 50th anniversary at the Ende Church yesterday. It was a great success. The Brownlee children sang at their program in the evening.
Don Johnson and the Ted Hales went to Canyon Saturday night for the football game.
The Lions' breakfast was held last Thursday in Fellowship Hall in the Methodist Church.
Mr. and Mrs. Luther Wagner went to see their children at Longview, last week. They visited in the home of their daughter, Mr. and Mrs. Joyce Busby, and son, Mr. and Mrs. Vernon Wagner.
The F. H. A. installation of officers and initiation of freshmen was Friday at 7 p.m. Freshmen girls initiated were Myrna Zaring, Linda Pinnell, Vicki Burns, Sharon Sacy and Doris

Horton. Parents were invited and many attended. Fruit punch and white cake with a red rose on each piece was served.
Mrs. Robert Speed gave her son, Dude, a birthday party

Friday after school. He was 8 years old. Guests were Colin Lane, Reba Grider, Bruce Kromer, Buck Betts, Jan Calvin, Jerry Fisher, Timmy Jobe, Billy Dawn Johnson, Cindy Fish-

er, Patty Zaring, Darla Tapia, Kirk Garrison, Susan Webb and Louie Tapia. Adults there were Mesdames G. D. Webb, K. Jacobson, Naomi Kromer, George Gruhkey, M. H. Zaring, Stel-

la Horton and Doris and Rose Gamble.
Mr. and Mrs. Edward Pinnell and son of Las Vegas, N. M., are visiting his parents, the Roscoe Pinnells.

Mr. and Mrs. Russell Patterson have a new daughter, born Sept. 17, at Parmer County Hospital. She weighed 8 lb 12 oz. Her name is Lucie Karen. Assembly each Friday morn-

ing will now be here at school. This Friday at 10:30 a.m. Some of the students of the high school will present a musical talent program. Everyone is cordially invited to be present.

Beauty At Home
By Lynn Carter
Q. What is a good exercise for a double chin, or saggy throatline?
A. Sit cross-legged on the floor with hands on hips. Drop head slowly forward, relax, and roll head to the side, to the right shoulder. Let head drop slowly back, then forward to the side to the left shoulder, then to the center front or starting position. Repeat in the opposite direction. Be careful not to jerk. Do this once the first day, twice the second day, and keep increasing up to a maximum of 10 times per day.
Q. What have you to say about the tweezing of the eyebrows?
A. I am a wholehearted exponent of the "natural look!" Pluck only the stray hairs that are spoiling the natural arch of your brows, and keep them!

Do Not Ignore Beauty Asset, Says Starlet

BY VIVIAN BROWN
 The key to your personality and popularity could be a beauty asset that you are ignoring, says pretty brown-eyed screen actress Vicki Trickett.
 "Pick out your best feature and play it up. Make your eyes glow by learning to look out of them in a jolly way. Make them dance," she advises.
 "Learn to lift your eyebrows for more expression. Make your hair a frame for your face. And don't forget, a pretty smile is one of the best assets a girl can have."
 Vicki's charm is punctuated by two dimples.
 "If you depend on artificial beauty aids to give you glamor, you'll be lost without them," she says. "Pamper your own beauty assets and they'll be there when you want to call them into play. And you won't be tempted to try to look like someone else, always fatal to a girl's individuality."
 Her smile has literally been her fortune. In Omaha, jobs between college classes included modeling for photography and fashion shows and appearing on more than 400 local television commercials.
 She was discovered by her smile — at a horse show in Phoenix, Ariz., by Tab Hunter, who suggested she go to Hollywood. She has been in two movies, "Pepe" and "Gidget Goes Hawaiian." Vicki's beauty prescription includes lots of exercise. She swims, water skis, and

Canyon Drops Eighth Graders In First Loss

After beating the tough Canyon Eagles 14-8 only last week, the Stanton eighth graders were felled by Canyon 16-6 in a surprise game here Tuesday night.
 After a scoreless first half, the Stanton Dogies finally took the lead late in the third quarter on a 60-yard pass play. Dogie quarterback Roger Owens passed to end Jimmy Gutierrez who covered the distance.
 Stanton's try for extra point failed. See - sawing back and forth almost the entire length of the field, Canyon finally recovered a fumble on their own eight-yard line. Driving to midfield, an Eagle finally saw daylight around end for the tying score.
 Canyon's try for extra points was good, as they took the lead. With only a minute remaining in the game, Canyon intercepted a pass which covered 70 yards for another score, with the extra points following.
 Stanton was in scoring position frequently, only to lose the ball. Canyon, whose squad greatly outsize the Dogies, lost almost as much yardage as they gained. However the Eagles went ahead on break-away runs.
 Stanton will host Estacado of Plainview here next Tuesday in their first conference tilt. After winning their first three games the Dogies lost their first one Tuesday.

plays basketball.
 One of her hobbies is cooking but she is plagued by boys who've discovered her cooking, which is tough on the budget. But she tells this to them when they call, "If you want a steak, you'd better bring it with you."
 At 20, Vicki regrets she did not finish college. After attending high school in Kansas City where she was born, she went to the University of Omaha for a year.
 "I've been meaning to get back to it. It might take five years to get a degree, but it would be worth it. I'd major in psychology. It would come in handy whether I stayed in Hollywood, or got married."

BIBLE PUSH PLANNED
 WHEATON, Ill. — A drive is being planned by the National Association of Evangelicals to get commitments from 10 million people to "read the entire Bible through in 1962." This is part of a program to "return the Bible to the heart of the nation" leaders said.
 Only Pennsylvania has declared Flag Day a legal holiday.

UBBOCK VISITORS
Mr. and Mrs. Ed Corcoran Lubbock were weekend visitors in the home of their daughter, Mr. and Mrs. H. A. Tucker, Jr. and sons.

SCHOLARSHIPS AWARDED
NEW YORK — The New York City Mission Society has awarded \$9,000 in college scholarships to 15 city students for the next academic year. Since 1946, the society has awarded 183 such scholarships worth \$152,073, on the basis of need and scholastic achievement.

REP. WALTER ROGERS WRITES

President Of Peru Hits Communism In His Speech

TO THE PEOPLE OF THE 18TH DISTRICT:

The President of Peru received more and louder applause from the House of Representatives than has any other visiting dignitary for a long time. The reason — he made a hard-hitting speech against Communism. Although it was well understood by most of the Members of Congress that he wanted and expected economic aid and assistance from the United States, it was clear from his words and his delivery that they were not prompted solely by the hope of some economic reward.

Another visitor to this country who addressed the House of Representatives a few short weeks ago was President Ayub of Pakistan. He, too, made a hard-hitting speech against Communism. He, too, openly and clearly stated that his country needed and wanted economic aid and assistance. It was also obvious in his speech that his opposition to Communism was not based upon hope of reward from an economic standpoint.

The applause for both of these men was always loud and prolonged when they lambasted the Communist ideology. Perhaps that for President Prado of Peru was greater because his country is in our own hemisphere, although Pakistan is so located geographically that it could be easy and quick prey for the USSR.

President Prado probably received the greatest applause when he spoke the following two paragraphs:

"Now, with regard to non-intervention. This principle is being badly misrepresented by some who would invoke it to permit the destruction of the Inter-American system of free republics by an outside power — namely International Communism. The doctrine of non-intervention is designed to prevent interference by one nation in the foreign and domestic affairs of another, through this interference being done through infiltration, through propaganda or through the abuse of diplomatic privileges.

"I can report to you that in my country on the part of one American nation which we regard as an agent of foreign ideologies. When such interference was proved we promptly broke off relations with that government — and they will remain broken off until that country is once again able to conduct itself as a free and self-governing American Republic. May that day come soon!"

He did not need to name the country to which he was referring. Nor did he need to name the man responsible for the incident. I am sure that we will soon hear loud howls from Castro because of this speech.

Another excerpt from the speech that brought forth tremendous applause was the following:

"My ideological position from the time I first occupied the Presidency is positive, clear, and definitely anti-Communist. I have opposed and

I now oppose this conception of the world which degrades man, deprives him of his liberty, submits him to the slavery of the state, robs him of a just wage, condemns him to the common and the anonymous, controls his thoughts, directs his culture and separates him from God. Communism is the negation of America, of its traditions and of its mission for the future. It must be driven out of the Americas!"

You will probably also be deeply interested in the fact that Peru has no diplomatic relations with the governments behind the Iron Curtain. President Prado in 1942 refused to exchange ambassadors with the Soviet Union although both countries were fighting on the same side against the Nazi-Fascist group.

I think that the visit of President Prado to the United States and his hard-hitting speech before the Congress will do much to help cement relations between all of the American States and to further block the insidious and devious schemes of Castro to jeopardize those relations.

Saline Water
This letter is being written just after I have returned from the White House. The President signed into law the bill that will enable this country to move with much greater speed and flexibility toward an early breakthrough in the problem of changing sea water into water that can be used for human consumption. Early success in this pro-

blem could well be helpful in solving many of the world's problems and provide one of the greatest single steps toward peace. The President invited to participate in the ceremonies those of us who had worked with this measure in preparing and developing it, in holding hearings on it and in guiding it through the House of Representatives and the Senate.

VISITORS
Visitors in the Nation's Capital this week included C. L. Edwards from Panhandle and R. G. Peeler from Hereford.

Walter Rogers
Member of Congress
18th District of Texas

CHRISTIAN LEADER
COLUMBUS, Ohio — Each year, on the anniversary of his assuming command of the 515th Bomb Squadron, Air Force Maj. Eugene J. Budnik arranges for a special ceremony. It's more religious than military.

The 40-year-old pilot and career officer, who has served in most of the Air Force's major commands since 1940, generally arranges for the base chaplain to talk to his men about divine guidance in military and private life.

"When I was given command," says, "I wanted my men to know that first of all I am a Christian, and that when it came to decisions that have an influence on their lives, all the decisions I would make would be tempered by my belief in God."

Budnik, his wife and six children live on Lockbourne Air Force Base. Of his annual program, Chaplain (Lt.) Martin F. Foutz Jr. says: "I think we find ourselves not so much in combat of weapons as a combat of ideas. Men like Maj. Budnik will help us win."

The Naval Observatory in Washington measures time within one thousandth of a second.

H. D. CHATTER

Ed Dzuik Farm Looks Like A Halloween Scene

The shocks of cane out at the Ed Dzuik farm are about the tallest I've ever seen. With some pumpkins and gourds, it looks like Halloween isn't far away. Its at the Dzuik farm where the zinnias are planted along the ends of the rows of feed.

Leona and Buster Miller have a new baby and have sent some very original announcements. The announcement is a ticket for admittance for the first showing of Rodney Earl Leona is a former Home Demonstration Agent and Home-making teacher.

Monday night I was a guest on a symposium at the Classroom Teachers Association. Others on the program were Principal D. C. Martin, the Rev. Joel Treadwell and Mrs. Minibel Collier. The program was well received and I believe I've never seen a more attentive audience. Miss Flo Dickinson is program chairman and Mrs. Betty Mercer is president of Classroom Teachers Association.

Right storage will increase the life of your summer clothing and make garments more wearable next season. Take a little time to sort and store garments carefully as you "take them out of circulation" for a season.

Here are some suggestions that will help protect your wardrobe.

1. Mend any ripped seams, tears, loose buttons or other damage. A few stitches can lengthen the life of the garment.
2. Wash or dry clean all clothing before storing.
3. Store cottons and linens unironed. Make certain that all starch is removed. It can cause fabric to deteriorate and may

attract silverfish.
4. Dry garments thoroughly and store them in a dry place to prevent mildew.

5. Store clothing in large boxes or trunks to make room in closets for fall and winter things. Do you have special fitting problems? . . . A slim clothing budget? . . . Do you get real satisfaction from sewing for yourself and others?

If the answers are yes, you want to join the many women who are making garments for themselves, and other family members.

The "custom-made look" is well worth working for. It requires patience, accuracy, attention to detail of finishes and good pressing but a job well done pays off with economy, fit and satisfaction.

If you are a beginner in sewing, choose a simple garment for your first try. A pattern of few pieces with simple design, and a fabric of good quality in solid color will give best results.

The pattern, fabric and the findings should be selected together for harmony. Your figure type and purpose of the garment will also influence pattern and fabric selection.

Bulletins prepared by extension clothing specialists give detailed instructions and pictures of different processes used in sewing garments. TAP reprint 231 — Get more from your clothing dollars — gives some practical suggestions you can use for stretching your family clothing budget. Visit the Extension office and ask to see publications on wardrobe planning, clothing construction and buying.

Smooth flowing lines accent
Chevrolet's Newest Line—the Chevy II

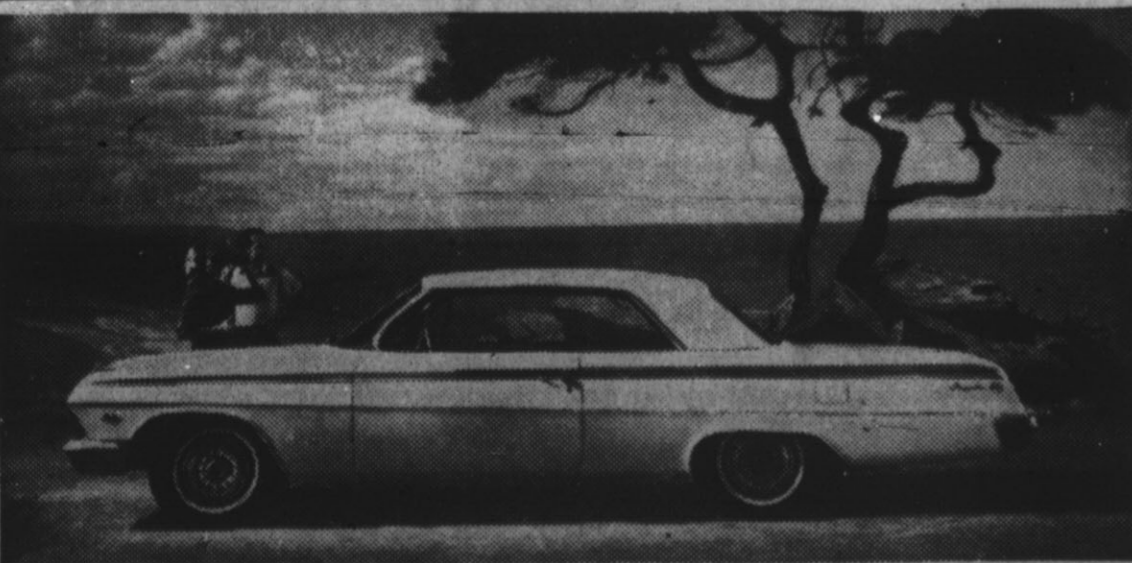

One of the nine models of Chevrolet's newest passenger car line, the Chevy II series, is this 4-door sedan which proudly reflects straight flowing lines with simply sculptured details. Recessed single unit headlamps, a choice of four- or six-cylinder engines, and manual or automatic transmission are but a few of the many features found in this new line. The Chevy II's, along with the complete array of 1962 Chevrolet cars, will make their public appearance on September 29.

CHECKING CONTROLS of the modern new feed mill at Hereford Feed Yards, Inc., is manager Paul Engler. The huge feed lots went into operation only three weeks ago and can accommodate up to 10,000 head of cattle. All feed mixing and feeding of cattle is done rapidly with these huge machines. (Staff Photo)

CONTENTED AND CURIOUS are these two residents of Hereford Feed Yards, Inc., located three miles east of Hereford. Approximately 1500 head of cattle are being fed twice daily, but there is room for up to 10,000 head at the huge feed lots. According to manager Paul Engler, Hereford is ideally suited for such an operation with both feed and cattle plentiful in the area. (Staff Photo)

Around...

(Continued from page 1)

(Continued from page 1)
ghly into a nutritious blend. Another control dumps the mixture into the feeding trucks where it is promptly delivered to the patiently waiting consumer — the cow.

The entire operation requires only one hour per feeding, with the cattle receiving two well-balanced meals daily.

Individual owner's cattle are kept separately in different pens, with records kept regarding amount of food used, average gain, and number of days in the feed yard.

Cattle come from private owners, mostly in the Hereford area. After reaching the desired weight, livestock is shipped to cattle and meat packing centers such as Amarillo, Clovis, and Fort Worth.

Upon arrival at Hereford Feed Yards, cattle are branded, dehorned, checked for disease and ticks, and given shots.

Feed for the beef is stored in huge storage bins. Three huge ensilage pits provide storage for a year's supply of roughage. During harvest, trucks pour into the feed yards at the rate of 75-100 daily.

After only a short period of operation, manager Paul Engler states that the operation runs quite smoothly. Response to the industry has been good, as the feeding operation has attracted much attention from throughout the area.

The cows like the idea too, with nothing to worry about except not eating too much or sleeping too much — they just keep getting fatter and fatter every day.

Wear...

(Continued from page 1)
Americans must act carefully about choosing the right man for public office and then seeing that he remains true to the trust placed in him.

Wear told the group not to worry so much about learning about other "isms." "We must be well-informed. Learn Americanism first and then you won't become a dupe of any other 'ism'."

He then urged that the audience, with a real pride in self-government, put "self" back into the government.

"The prime responsibility for individual freedom rests with the individual," he concluded.

In addition to members and guests from Hereford, the club was host to representatives from six other clubs in Division Seven. An honor guest was Kiwanis Lt. Gov. Pete Cosper of Plainview. About 150 persons attended.

EVEN STEPHEN
BOSTON (AP) — In the second All-Star game here Manager Danny Murtaugh used pinch hitters for the first three pitchers. Manager Paul Richards of the American League team let his pitchers bat. None of those hitting in the No. 9 spot reached base in the 1-1 nine-inning rained halted tie.

STAN PLANS TO PLAY
BOSTON (AP) — When Stan Musial was told of the speculation that the 1961 All-Star game here might be his last he replied:

"They don't know what they are talking about. I hope to play in 1962."

Musial, one of baseball's greatest hitters, has played in 21 All-Star games.

HIGH SCORING MEN
NEW YORK (AP) — Roger Maris, the American League's most valuable player in 1960, accounted for 171 runs for the Yankees, two less than Mickey Mantle. Moose Skowron was third best in scoring, figuring in 128 runs, three more than shortstop Tony Kubek. The figures include runs scored and runs batted in, less home runs.

BLACK NEWS

Mrs. Presley Has HD Meet

BY MRS. GENE WELCH
The Black Home Demonstration Club met Thursday after-

noon in the home of Mrs. T. J. Presley. President Mildred Barnett presided over the business meeting. Each member answered roll call with "children say the darndest things," after which new officers for the coming year were elected.

They are, Mrs. T. J. Presley, president; Mrs. Helen Fangman, vice president; Mrs. Bill Carthel, secretary-treasurer; Mrs. Gene Welch, reporter; Mrs. Ellis Tatum, parliamentarian; and Mrs. Fern Barnett, council delegate.

Beauty At Home

Q. Will you please repeat the formula for mixing a henna shampoo at home?

A. Dissolve three teaspoons of powdered henna and 3/4 teaspoon of ordinary powdered borax in a quart of water. Strain this through some fresh muslin, and add four ounces of shaved castile soap. Put this into an old saucepan and allow to simmer over a low flame until all the soap is melted. Stir well, and then set aside to cool.

Q. What is a good summer-time hair-setting solution?

A. Try setting your hair with a little cologne. It's cooling and refreshing to your scalp, and it helps your hair to waft a heavenly fragrance.

Q. Do you know of a treatment that will induce soft and smooth hands?

A. Put two tablespoons of uncooked rolled oats into a saucer and cover with water. Allow this to stand until the water becomes milky or cloudy. Then dip your fingers into the mixture, and rub it well into your hands until they are thoroughly dry.

Q. What can I do about the makeup that gets into the fine lines around my eyes?

A. Best, probably, is not to use any cosmetics in this area. Instead, wipe fine facial oil or petroleum jelly into the skin there for a moist effect. Then carefully bring the rest of your complexion makeup just up to the top of the cheekbones, and blend lightly so that no line of demarcation is evident.

The world's shortest alphabet is Hawaiian with 13 letters. The longest is Hindu with more than 47.

The program, "The History of Farmer County," was given by Maxine Price. Refreshments were served to Mesdames Fern Barnett, Pete Braxton, Bill Carthel, Helen Fangman, Beryl Fish, and son, Jim, Clyde Hays, Roscoe Ivie, T. J. Presley, Ralph Price, Dick Rockey, Gene Welch and daughter, Varla, and a guest, Mrs. H. V. McCabe of Dawn, mother of Mrs. Bill Carthel. The next meeting will be Oct. 5 with Mrs. Clyde Hays.

R. E. Barnett is in the Deaf Smith County Hospital in Hereford after suffering a light stroke last Wednesday, but is reported to be improving.

Mr. and Mrs. Pete Braxton and Ray visited with relatives in Borger Sunday.

Mr. and Mrs. Bill Carthel and boys attended the annual Carthel reunion in Plainview Sunday.

Mr. and Mrs. Dick Rockey visited in Muleshoe Wednesday with Dick's aunt, Hattie Rockey who is in the hospital there.

Mrs. Ed Bose of Clinton, Okla. spent Tuesday night in the home of her aunt, Mrs. T. J. Presley. Her sister Mrs. Beatrice Brady returned home with her to Clinton.

The Tri-State Fair in Amarillo was visited during the week by a number of the community. Some of those going were Mr. and Mrs. Clyde Hays, Mr. and Mrs. Fern Barnett, Mr. and Mrs. Ralph Price, Mr. and Mrs. Bob Coker and family, Mr. and Mrs. Gene Welch and family, Mrs. Bill Carthel and boys. Several more had plans to go before it was

SUNSET LANES

Now here—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its 3/4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!

LET'S COOK SOMETHING!

Visitors Return Enthused About Creole Delicacies

A number of Hereford residents have visited points in Louisiana this summer. Here are some tried and true recipes they brought back from their jaunts to the Creole country.

Shrimp and Oyster Jambalaya
 3 cups rice, raw
 1/2 pint oysters
 1 clove garlic
 1/4 cup bell pepper or pimiento
 1/4 cup cooking oil
 1 bay leaf
 1 tbs. butter
 few grains cayenne
 1 lb. shrimp
 1 large onion
 1/2 cup celery

When cool, strain the stock from the shrimp and season and set aside. Remove shells from shrimp.
 Make a dark roux (4 tablespoons flour and 2 tablespoons water, stirred until brown) then add:
 1/2 cup chopped onions
 1/4 cup bell pepper
 1/4 cup celery
 1 tbs. minced parsley
 Keep roux soft with small amounts of warm water until onions are soft and clear. Then add shrimp stock and salt to taste. Add a dash of thyme and 2 small cans of tomato sauce. Simmer until tomato color is darkened, 20 minutes before serving add the shrimp, one can of crab or lobster and 1/2 pint oysters. Simmer until ready to serve. Serve in large soup bowls with long grain rice.
 (Note: 1/2 teaspoon of gumbo file may be added just before serving. Do NOT cook after file has been added.)

Crayfish (or Crawfish) Pie
 3 cups cooked crawfish, tails and fat
 3 cups cooked rice
 1 1/2 cups water
 1/4 cup minced celery
 1 small green pepper, minced
 1 bunch shallots, chopped fine
 1 bay leaf
 1 can condensed cream of mushroom soup
 4 yolks of hard-boiled eggs
 2 to 3 slices well buttered bread
 Olive oil or other shortening
 Salt, black pepper, tobacco, Worcestershire, paprika and pimientos.
 Sauté in olive oil or shortening the celery, shallots and sweet peppers about 5 minutes. Add crawfish tails and fat; sauté about 5 minutes longer. Salt and pepper to taste; add a few dashes of tabasco sauce. Mix this with cooked rice; add water, mushroom soup, bay leaf and a few dashes of Worcestershire sauce. Pour entire mixture into a greased baking dish. Grate egg yolks over the top. Remove crust from slices of bread and cut each slice into 4 triangles. Arrange triangles in a circle on top of mixture. Sprinkle with paprika. Bake, uncovered, in a 350 degree oven for about 30 minutes. Garnish with pimientos. Serves 8.

Garlic Bread
 1 button of garlic
 3 heaping tbs. butter
 1 loaf French bread
 Crush to a pulp one button garlic. Add to softened butter and mix well. Slice one loaf of bread being careful not to cut through bottom crust. Spread mixture in between each slice. Wrap loaf in foil and heat in oven. Serve hot.

French Pastry
 4 cups sifted all purpose flour
 2 tps. salt
 1/2 cup shortening
 1 1/2 cups water
 Mix flour and salt and cut in

shortening. Add water and stir, using metal spatula. Roll out, forming a rectangle 1 1/2 inches thick. Spread shortening all over rolled-out dough. Sift flour

shortening over each end about 5 inches toward center. Sift flour over this. Fold each end towards center and let stand 1 1/2 hours. Repeat process of spreading shortening and sifting flour. Use for pies, meat patties, etc.
Pecan Pie
 Cream 1/2 cup sugar and 2 tablespoons butter; add 2 eggs, well beaten and 2 tablespoons flour. Then add:
 1 tsp. salt
 1 tbs. lemon juice
 1 tbs. vanilla
 1 cup white Karo

1 1/2 cups chopped pecans.
 Pour mixture into unbaked pie shell and bake in a 325 to 350 degree oven until golden brown.

Pecan Pralines
 5 cups sugar
 1/8 lb. butter
 2 cups milk
 vanilla
 5 cups pecans
 1/3 tsp. salt
 Put 1 cup sugar in shallow pot or skillet and caramelize; when sugar is evenly caramelized, pour into pot in which 4 cups sugar and 2 cups milk have been boiling. The caramelized sugar will lump, but this will all melt as sugar cooks. When sugar forms a soft ball

in water, remove from fire, add butter, salt and vanilla. Cream until mixture thickens, then add pecans and stir well. Drop from spoon onto waxed paper.
Natchitoches Hot Meat Pie
 Shaped like a half-circle, its edges delicately fluted and crimped with the tines of a fork, the Natchitoches meat pie, sizzling hot and spicy with seasoning, is a dish very popular with visitors.

Recipe for Filling
 2 tbs. flour
 1 tbs. shortening
 1/2 lb. ground beef
 1/2 lb. ground pork
 2 large dry onions, chopped
 6 green onions, chopped
 3 tbs. chopped parsley
 Make a roux of shortening and flour; add other ingredients and salt and pepper to taste. Cook thoroughly and let cool before placing in dough.
Recipe for Pastry
 4 cups flour
 2 eggs

1/2 cup melted shortening
 milk
 2 tps. baking powder
 Sift flour and baking powder, add lard, then eggs. Add enough milk to make a stiff dough. Roll very thin. Use a saucer to cut circles of dough same size as saucer. Fill half-full with meat mixture. Fold dough over, dampen edges with water and crimp with fork.

Fry in deep fat until golden brown. Makes 18 pies. (Note: Some people prefer to reverse the proportions of beef and pork. If this is the case, do not use oil as the pastry will fall apart. Some prefer to bake the pies instead of frying.)
Louisiana Seafood Pie
 3 tbs. shortening
 1/2 cup finely chopped onion
 1/2 cup finely chopped celery
 1/2 cup finely chopped green pepper
 2 tbs. flour
 1 cup chicken broth
 1/4 cup chopped pimiento

1/4 tsp. salt
 1/8 tsp. pepper
 1/4 tsp. ginger
 1/2 tsp. kitchen bouquet
 1/2 cup sour cream
 1 tbs. lemon juice
 1 lb. cooked white fish
 1 5-oz. can cooked shrimp
 pastry crust
 Melt shortening in sauce pan; add onion, celery and green pepper. Cook until tender, about 10 minutes, over moderate heat. Stir in flour. Add remaining ingredients. Place in individual 8 ounce baking dishes. Top each with pastry rolled out and cut to fit the tops of casseroles. Makes 4 servings.

1/2 cup whole tomatoes
 1/4 cup flour
 1 tsp. Worcestershire sauce
 salt to taste
 Make a roux by letting cooking oil get real hot, adding flour and stirring until golden brown. Add about 3/4 of the onion, all of the celery and cook 5 minutes. Add tomatoes. Cook again for 5 minutes, then add rice to roux. Set aside.
 Rice is better if cooked in water of shrimp boiled for about 10 minutes.

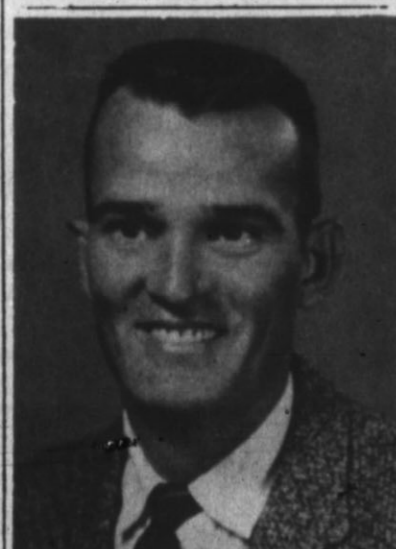

To get the delicate flavor of the shrimp and oysters, cook 1/4 of the onions and garlic in butter for a few minutes. Put in shrimp and oysters. Add this to the rice mixture and keep warm to serve. Worcestershire sauce and parsley add the finishing touch. Surround top of dressing with boiled shrimp.

Seafood Gumbo
 Boil 2 quarts of water to which has been added:
 1/2 cup chopped onion
 1 clove garlic, chopped
 1 onion, sliced
 1 tsp. salt
 1/2 lb. crab
 Dash of Louisiana hot sauce.
 Boil. Add 2 pounds washed shrimp tails; cook over medium heat until shrimp turn

How Can I?

Q. How can I prevent the corners of small rugs from persistently curling up?
 A. A piece of stiff canvas, sewed underneath the corners of these small rugs, will keep them lying flat and smooth.

POETIC JUSTICE
 CASTER, Wyo. Bill Jones forgot to bring along his fishing pole when he went on a fishing trip on the North Platte river near here.
 His companion, Tom Cooper, rigged up a pole from a piece of driftwood and a piece of balancing wire.
 Jones caught four nice trout. Cooper, decked out with an expensive outfit, landed none.

D. E. SPOTLIGHT — Charles Callaway, 16, is working at Cooper's Market under the Distributive Education program at Hereford High School. He is the son of Mr. and Mrs. Charles Callaway, 522 Blevins Street, and is a junior student in his first year of D. E. training. After graduation he said he plans to either go into the Armed Forces or continue working. Working in the meat market, his duties include selling and preparing meat for the customer. (Staff Photo)

D. E. SPOTLIGHT — Harold Hamby is working at J.M. Hamby Real Estate under the Distributive Education program offered at Hereford High School. He is the son of Mr. and Mrs. J. M. Hamby, 602 W. Third St. A senior student, he is in his first year of D. E. training. He plans to go to the University of Texas and study engineering. His duties include showing houses, contracting prospective buyers and taking listings on various types of real estate. (Staff Photo)

D. E. SPOTLIGHT — Wain Miller, 16, son of Mrs. Jewel Miller, is with the Hereford Brand under the Distributive Education program offered at Hereford High School. He is a junior student and is in his first year of D. E. training. He plans to study journalism at the University of Texas. Among his duties at the Brand are, advertising work, writing news and feature stories, darkroom work, taking want-ad subscriptions and taking pictures. (Staff Photo)

D. E. SPOTLIGHT — Gail Bishop, 17, is working at the Master Cleaners this year under the Distributive Education program offered at Hereford High School. She is a senior student, and is in her first year of D. E. training. Gail is the daughter of Mr. and Mrs. E. E. Bishop, 505 Ave. J. Her duties include checking clothes in and out, helping with the books, making alterations and making deliveries to stores. She plans to take a beauty course in Amarillo or Lubbock after she graduates. (Staff Photo)

COACH FELL ASLEEP

CHARLOTTE, N. C. — Frank Howard, who doubles as football coach and athletic director at Clemson College, told an alumni meeting that he dropped Virginia, loser of its last 28 football games, and replaced the Cavaliers with powerful Auburn this year.

Said Howard:

"Gentlemen, that was the athletic director making that move. No coach in his right mind would have done that."

Gen. Thomas D. White served as chief of staff of the Air Force from July 1, 1957, to June 30, 1961.

Football Contest Standings

ALMOST PERFECT
BOSTON P — Jim Bunning of the Detroit Tigers has eight perfect innings of pitching in three All-Star appearances. However, in the one inning he pitched in the first All-Star game of 1959 he gave three hits and two runs. He held the National League hitless and was the winning pitcher in 1957. This year he pitched two hitless innings in San Francisco and three more perfect frames in the 1-1 Boston tie.

TOKYO TURNOUT

TOKYO — More than 237,000 persons attended the month-long Christian crusade here sponsored by World Vision of Pasadena, Calif., and featuring sermons by its founder president, Dr. Bob Pierce. Nearly 9,000 persons made "decisions for Christ" at the crusade.

LOST SET FOUND

LINCOLN, Ill. — A church communion set, missing for many years, was found by Mrs. H. Sheldon Pattison, wife of the pastor of the First Methodist Church. She came upon the 90-year-old set in an unused drawer while housecleaning the pastor's study.

One of the worst earthquakes of recent years took 12,000 lives in Agadir, Mexico, in March 1960. This is an area where quakes are virtually unknown.

Hereford Shoe Store

Above is the striking Chrysler 300 2-door hardtop. Deep, contour bucket seats (lower left) are an exciting option on this model.

Miss Paula Corbett Honored At Shower

BY MRS. OWEN ANDREWS
Miss Paula Beth Corbett, bride-elect of Richard Price, was honoree at a miscellaneous shower in the Recreation Room of the Frio Baptist Church on Saturday afternoon at three. Ladies from Easter and Frio Communities attended.

The young couple will live in a trailer house on the farm of Richard's grandparents, Mr. and Mrs. John W. Key. The place is two miles west of Easter and four and a half miles south of Frio.

The bride's chosen colors of lavender and white were carried out with a centerpiece of lavender and white asters on the white net covered refreshment table. Cake squares were flower decorated also with the color and punch was grape. Crystal service was used at the table. Misses Veradelle Andrews and Loreta Fowler served refreshments. Corsages were presented the honoree, her mother, Mrs. Paul Corbett; the groom's mother, Mrs. Fred Fox; and the groom's grandmother, Mrs. John Key.

Hostesses were Mrs. Leo Hall, Mrs. Melvin Barton, Mrs. W. A. Epperson, Mrs. Owen Andrews, Mrs. Floyd Cole, Mrs. Wendell Markley, and Mrs. William Moss.

Others attending were Mrs. Fred Walton, Mrs. B. H. Baldwin, Mrs. H. M. Mobley, Mrs. Key, Mrs. Fox, of Amarillo; Mrs. Shirley Garrison, Mrs. Henry Dobbs, Mrs. Glenn Andrews, Mrs. James Dobbs, Miss Veradelle Andrews, Miss Loreta Fowler and Susan Fox, sister of the groom.

Ordination of Deacons in the Westway Baptist church took place Sunday at 2:30 p.m. Those ordained were Gerald McCathern, George Zetsche and Lincoln Bolen.

Those from this community attending the service were the Rev. and Mrs. B. H. Baldwin, Olin Parris and Mr. and Mrs. Owen Andrews and Mr. and Mrs. Billy Gene Cotton.

Mr. and Mrs. David Yandell visited Saturday with friends at Tahoka and Sunday and Monday with David's mother, Mrs. A. N. Yandell, and other relatives at Seminole. Mr. and Mrs. Joe Autry and children had Sunday dinner with the Johnnie Robinsons.

Mr. and Mrs. Charlie Stringer of Lubbock visited Sunday in the home of his brother, J. D. "Buck" Stringer and family.

The Rev. and Mrs. B. H. Baldwin, Mr. and Mrs. Homer West and Miss Carole Norris of Dimmitt attended the W. T. S. C. Brigham Young ball game at Canyon on Saturday night. They visited Eugene Baldwin while there.

Among visitors at Frio Baptist Church Sunday morning were Mr. and Mrs. Dillard and Othell Simmons and Miss Sue Simmons, all from the Hereford area, and Mr. and Mrs. John Stroud of San Antonio. The Strouds were visiting Mrs. Fannie Warrick and J. E. Warrick for several days.

Mr. and Mrs. Lawrence Warrick, Wellington, were visiting his mother, Mrs. Fannie Warrick and brother, J. E. on Sunday. Also the Joe Lindseys of Wyche community and Herb Schmitts of Westway were also there.

Joe Shultz attended the Amarillo Fair and Ice Show last week with the J. B. Nolands of Summerfield.

Visiting the Earl Harkins home Sunday evening were Mr. and Mrs. Buster Mills and family of Hereford.

Mr. and Mrs. James Dobbs

and Leann ate dinner Sunday in the home of Mrs. Dobbs' sister, Mrs. Jim Cassells in Hereford.

Mrs. Weldon Stephan is helping out at the tax office in Hereford during this busy season while they are getting out tax notices.

Mr. and Mrs. D. C. Miller had supper Saturday evening with the Weldon Stephan family.

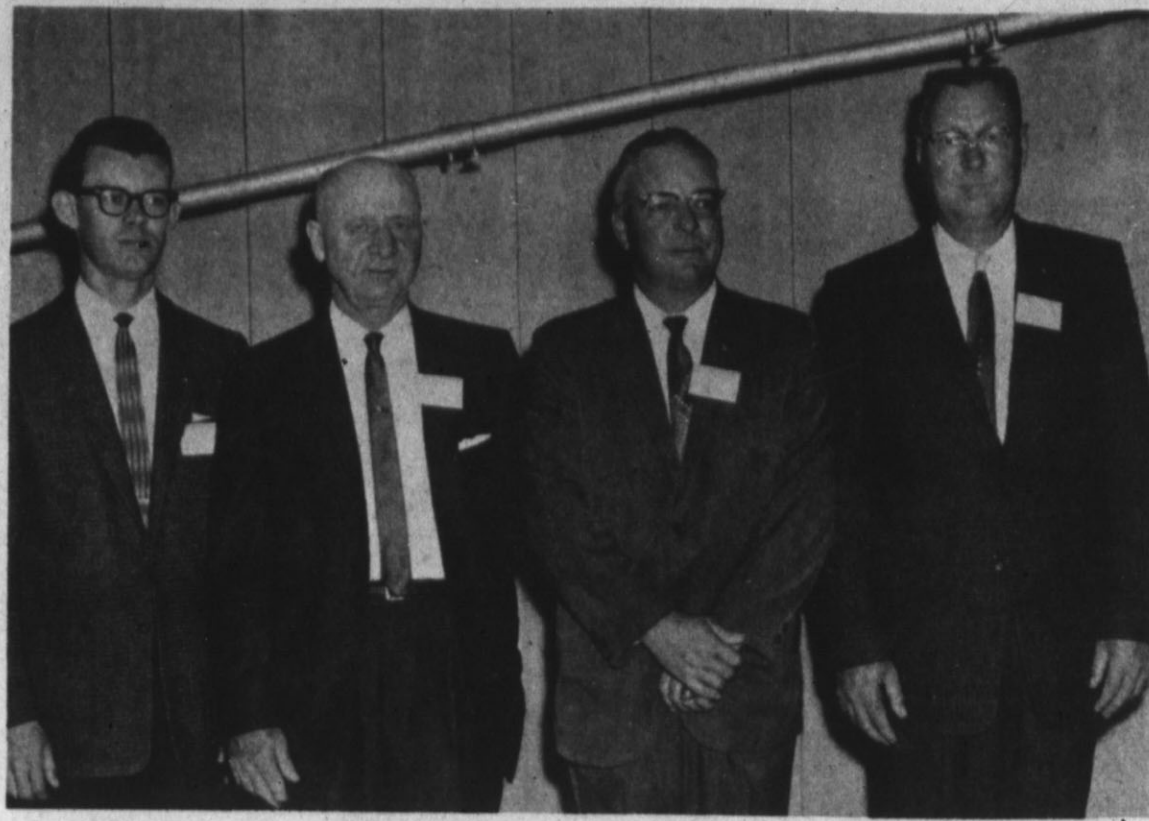

Mr. and Mrs. J. R. Benson of Shamrock were Sunday visitors in the home of his sister, Mrs. J. E. Andrews.

Mrs. T. L. Sparkman received a letter this week from Mrs. Ben Sudduth. They are now living in Mansfield, Texas, Box 517, between Ft. Worth and Dallas. They are doing fairly well now, although Mrs. Sudduth is still recuperating from a leg fracture received about four months ago. He has been busy this summer caring for flowers and lawn. The Sudduths moved from this community in May.

Mr. and Mrs. Bill Struve and family attended funeral services for Lester Kelley at Springlake Baptist Church Thursday afternoon. They had known Kelley for many years. The Kelleys visited at the Frio Baptist Church last year. He lived in the Hereford area as a young man, and used to sing at Singing Conventions with his brothers and sisters. One sister was Mrs. Charles Gatlin, who formerly lived a mile south of Hereford.

Mr. and Mrs. Weldon Stephan spent Sunday night with Mr. and Mrs. Bill Phillips in Amarillo, and attended the Amarillo Fair on Monday.

Carol Robbins had several friends home with her Sunday for dinner guests. They were Darlene Sparkman, Ediana Vinson, Carole Clearman, Nancy Axe, Jana Cole and Sheila Shep-

REPRESENTATIVES from Hereford were among dignitaries from 50 area towns who visited the West Texas State College campus Saturday. From left are Bill Matthews, Hedley; Ray Cowser, mayor of Hereford; C. Palmer Norton, president of the Deaf Smith County Chamber of Commerce; and H. A. Hardaway of Happy. (WTSC Photo)

pard. In the afternoon her grandparents, Mr. and Mrs. H. D. Robbins of Hereford, also visited. A birthday cake and punch in the afternoon highlighted the celebration of Carol's 13th birthday.

Mr. and Mrs. Charles Self had Sunday dinner with the Weldon Stephens. Mr. and Mrs. Bill Williams also visited in the afternoon. Beverly Cole was a guest of Jill Stephan for the day.

Mr. and Mrs. Jim Mills and Kelley Jay of Petersburg spent Sunday in the home of Mrs. Mills' parents, Mr. and Mrs. G. L. Manley, Linda and Troy.

Mr. and Mrs. Weldon Stephan and daughters had supper Tuesday evening with Mr. and Mrs. Wendell Maloney in Hereford.

Eating Sunday dinner with the Floyd Coles were Mrs. H. M. Mobley, Mr. and Mrs. D. C. Miller, Mr. and Mrs. Don Mobley and Craig. Rhonda Stephan had Sunday

dinner with Carleta Vinson. Visiting the Harlan Barber's during the weekend were Mr. and Mrs. Jim Franklin and family of Lenora. Franklin is Mrs. Barber's brother. Jimmy Barber, who is in school at Texas Tech, also was home for the weekend.

PLEDGES SORORITY
Tommye Kay Robinson of Hereford has been pledged to Alpha Gamma Delta sorority at Texas Christian University during fall rush which ended Saturday, Sept. 16. The ten sororities on campus pledged 289 girls during rush week.

ATTENDS CONVENTION
Dr. Gale J. Page is attending a chiropractic convention and refresher course in Tonah, Nevada. Mrs. Page accompanied him on his trip. Their son, John Robert, is staying with his grandmother at a ranch in New Mexico.

Mrs. Kelly's Father Dies

B. F. Sanders, father of Mrs. J. D. Kelly who lives south of Hereford, passed away in West Texas Hospital in Lubbock on Sept. 20, after an extended illness.

Funeral services were held at the Davis Street Church of Christ, McKinney, Tex., on Sept. 23, with interment in Rest Land Cemetery in Dallas. Besides Mrs. Kelly, Mr. Sanders is survived by his wife, three other daughters, 12 grandchildren and six great grandchildren. He was preceded in death by one son, in 1949.

Legion, Auxiliary Host Party For Veterans Hospital

Mr. and Mrs. Ira Ott, Mr. and Mrs. Walter Frost, Mrs. Carlos Vaughn, Mrs. Hazel Sparks and Arch Dobbins, members of the American Legion and Auxiliary, were in Amarillo Monday night, at the Veterans hospital to hold the September party.

There are 137 patients in the hospital at this time, and 49 men came to the recreational hall for the entertainment. Seven patients having September birthdays were given special gifts. The men who were unable to attend the party were visited, and given gifts. Refreshments of ice cream and soft drinks were served.

PROGRESSION GOLF ROCHESTER, N. Y.

At 23, recently-crowned New York State golf champ Don Allen is still learning one stroke at a time.

The former Colgate University star spends a whole season on each. Last year he learned to "punch" his iron shots like a pro. This year he has concentrated, hour after hour, on every type of recovery from sand traps.

"Next I want to learn to be sure of my drives — thread them down the middle," he says.

Plankton, microscopic plants and animals which grow in incredible supply in the ocean, is the sole food of many valuable fish including the blue whale.

Loss Of Signal Callers Costly For 7th Grade

Stanton Junior High School's seventh graders found themselves faced with one misfortune right after another as they went down to the Canyon Eagles 28-0 here Tuesday night in an unscheduled game.

With their starting quarterback Jimmie Allison out for the week with injuries, the Dogies' other quarterback was injured early in the game here Tuesday.

Without a quarterback at the controls, the Dogies had little luck in trying to hold the larger Canyon Eagles, who won 28-0.

Stanton plays Estacado of Plainview here next Tuesday in

their conference opener. The Dogies enter conference play with one win, one tie, and one loss on their record so far.

VISIT PARENTS
Mr. and Mrs. Jack Knox and family of Portales, N. M., visited their parents, Mr. and Mrs. Boyd Knox, on Sunday.

VISIT SON
Mr. and Mrs. Homer Hamilton visited their son, Mr. and Mrs. George Hamilton and family, in Lubbock Sunday.

PLAINVIEW VISITORS
Mr. and Mrs. Bill Stevens and family of Plainview visited Sunday in the home of his mother, Mrs. Seale Stevens.

From 1841 to 1876 the Declaration of Independence hung, unprotected, before a window on the wall of the Patent Office.

Sad And True We No Can Do

Although it isn't really proper to make excuses, The Whiteface takes this opportunity to state that because of our early printer's deadline, many articles will not appear until the next issue.

As our deadline is Friday before publication on Thursday of the following week, the Whiteface was unable to publish results of elections of Annual Queen Candidates, class officers, and home - room officers.

However the Whiteface next week will be an extra special issue devoted to these important events at Hereford High School.

Editors of the Whiteface would also urge readers to look through the entire Hereford Brand for various Whiteface articles. Many times the Whiteface contains more stories than can be used on one page, and the extra articles are located elsewhere. These are identified by the line just below the headline, "By the Whiteface Staff."

SPIRIT ZOOMED ski-high in pep rally Friday. Shown above, HHS students joined hands and voices in a "Snake Dance" which led to one of the most exciting pep rallies witnessed in HHS for quite some time. With all students

joining hands in one long line, they went to pep rally together chanting "Skin those Mules!" Apparently it worked, as Hereford proceeded to win by an overwhelming margin Friday night.

Whitefaces Tackle Coyotes After Fourth Straight Win

Up against the top-rated team in New Mexico, the Hereford Whitefaces will have their hands full trying to control the favored Roswell Coyotes at Roswell Friday night.

Picked as the team to beat in New Mexico football, the Coyotes are reported to be rougher than ever this year. After a below-par season last year because of costly injuries, the Coyotes are back on their usual winning streak in the state's football competition.

Although the Herd defeated the Coyotes in an upset in the homecoming game last year, the Whitefaces had previously seen hapless contests with the New Mexico contenders. Again picked as the underdog while taking on Roswell, the Whitefaces enter the tilt with four wins to their credit.

Revealing a tricky offense against the Muleshoe Mules last week, the Whitefaces racked up a 39-0 mark in three quarters here. Scoring in the last minutes, the Mules were only allowed eight points on their efforts.

Whiteface fans were treated to a preview of things to come in the fourth quarter, as so-

phomore and junior gridsmen poured onto the field to control the Mules.

With nearly all starters taking a break, the younger Whitefaces showed their worth throughout the last quarter. Although the Mules scored after recovering a fumble on the Herd's

(Continued on page 3)

Seamonds Sees No Perfect Boys

A very shy little girl by the name of Kay Seamonds was walking along a big city street one day noticing all the boys and trying to find the perfect one but to no avail.

She talked to friendly Jimmy Kassahn and told him her problem. He sent her to helpful John Buck. John called all his friends together to help the little girl out.

The first to arrive was Mike Ferguson, the most scatter-brained person she'd ever met. She decided he was not the type and turned to the ambitious Charles Kelly, but decided that she wanted someone with the brains of Ronnie Gray and the efficiency of Dennis Hodges.

Then she heard the gale of Clifton Corley and noticed David Block's likeableness. She looked a little more and saw the silliness of Edward Allison and heard Randy Dowell's witty remarks. She decided she wanted them all and then she saw the versatile Mack Casler.

(Continued on page 3)

Behind The Lockers

Nicky Bradford and Patsy Livesay enjoyed the morning of Sept. 20. Right, girls?

Who is the special someone in the halls that John Buck is looking for? John is constantly being told what soft hands he has by a certain Freshman. How much money is John making at the pool hall?

Jerry Moss has a new pin-up girl — Mrs. Williams!

Kaye Neill doesn't have very good eye-sight at 8:30 in the morning.

Nancy Edwards always seems to be popping in places she shouldn't be. Hope the pictures are good, Nancy.

Lynnton Alfred had a little bit of trouble Friday night after the Dimmitt ball game.

Troy Don (Curly Locks) — Do you still want to make that speech in assembly?

That certain someone is still following Jan Reese around the halls!

Randy Dowell's favorite sport now instead of basketball is horse back riding with Joe Shultz.

Virgil Strange — How did you enjoy the fair?

How did Jay Boynton and Lynnton Alfred do in boy's choir, September 19?

Linda Edwards seemed to be having a little trouble with her dates after the Dimmitt ball game.

Toni Parker — What about the sign you wanted to put up in the restroom? You seemed to be having a little trouble, expressing yourself with the right words to Joe Mack after the Canyon ball game. Way to fire, Toni. Have fun at the football banquet.

Heard a girl from Dumas named Johnnie was looking for Joe Mack Hale, Joe Mack also seems to have a leaky exhaust system.

Judy Kreishauer — Better be careful and not put your head in any more car doors.

Dan McDowell (Sunshine) — Tell your mother to slow down on those home permanents she has been giving you.

Is it true that Miss Collard needs new glasses and a hearing aid? Eh criminal!

Does one glance from Mr. Smith scare all dogs?

BEAT ROSWELL!!

Bees Play Canyon After Two Wins

After winning their first two ball games, the Hereford Whiteface Bees will go to Canyon Thursday to tackle the rugged Canyon Eagles.

Despite a heavy shortage of players, the B-team has credited itself with two wins, and will be out for its third Thursday. Overpowering Tulsa 18-14 and Dimmitt 22-6, the Herd will be up against much tougher competition at Canyon.

With Canyon dealing last year's Bees a severe blow, Hereford had entered the game with three wins.

Coaches Cuby Kitchens and Joe Brooks have expressed confidence and satisfaction with the Herd's steady improvement thus far this season. A few position changes earlier in the season have proved helpful in the team's offensive power.

Defensively the herd has more than held its own so far. Ironing out mistakes caused by lack of experience, the hard-hitting defense is shaping up into a very potent obstacle to opponents' scoring plans.

Eager backs Mike Ferguson and Ronnie Duncan fill the halfback slots, while hard-running Eddie Johnson powers from the fullback position.

With quarterback Austin Hodges calling signals, the Herd's backfield moves quite aggressively.

Quarterback Hodges has taken to the air frequently so far, with scoring results. Lacking enough experience for varsity ball, the junior will most likely be directing the Whiteface varsity next year.

On the receiving end of the passes are ends Bill Hill and Carlton Richardson. Snapping the ball into action is center Manuel Pacheco. With guards Jimmy Kassahn and Jay Carter and tackles John Kovacs and Neil Lueb opening the holes, Whiteface backs have lots of running room.

Defensive linemen for the Herd are Joe Self, Steve Patton, David Stevens, Alfred Davis, and Jim Higgins.

With four district tilts to follow the Canyon game, Leveland, Littlefield, Dumas and Phillips will probably offer the Herd plenty of opposition later in the season, as usual.

Working just as hard and long as the varsity squad, the Bees are putting out lots of effort to build another winning team, so why not come out and support the future Whitefaces?

BEAT CANYON!!

Senior Personality

Jan Reese is the daughter of Mr. and Mrs. J. C. Reese. She was born Sept. 13, 1943, at 9:05 p.m.

She has dark brown eyes and light brown hair. She enlightens the halls at school with her radiant personality.

Jan thinks there's a new feeling around school. "It's wonderful, exciting and fun! I just love it."

"Being cheerleader is the greatest honor I have ever had! The faculty and students have been so wonderful and cooperative in every way," she states.

Jan takes part in many things around school. She is a member of Tri-Hi-Y, F. H. A., Student Council her freshman and junior years, band when she was a freshman, sophomore and junior; Annual Queen her junior year, and her senior year she is a "yeller."

They Oughta' Turn Over..!

BY MARTHA PONDER
Whiteface Feature Writer
This is an article about you. You, as the common American high school student, that is; consequently, the common snorer. That fact deems it necessary for the subject of snoring to be studied dispassionately and with proper scientific detachment. The following material is the result of an undercover investigation carried on in the dark of the moon.

EDITORIAL Five Minutes Isn't Too Long

BY JAN, REESE
Whiteface Editor
Enthusiasm is powerful as dynamite and contagious as measles. Enthusiasm will build buildings, create school spirit, and influence people. It will turn multitudes to righteousness. God intended for Christians to be on fire with zeal, determination, and enthusiasm.

We have enthusiasm about football, parties, and other events, but our enthusiasm is lacking about the most important thing in our life — our spiritual body.

The devotionals at Hereford High School are a few moments each morning when we turn our thoughts away from worldly things and turn our hearts to our Creator. It is giving honor to whom honor is due. Most of the things that we do are of a worldly nature and have a tendency to lead us away from the Lord. The devotional is striving to lead us to things that are divine. It should lift us spiritually and encourage us to live each day for the Lord. We should take advantage of every moment we have to thank

(Continued on page 3)

1. The Steady-As-She-Goes. This is the champion, long-distance snorer. He goes to sleep easily, starts his well-oiled motor, and chugs through the night without a plug. UNHHH-SHOOP! UNHHH-SHOOP! His family adjusts easily to this, knowing that he will not surprise them with any difference either in quality or sound.

2. The One-Shot. This is not a true snorer, but must be considered as such and carefully studied. He sleeps quietly enough, but at least once during the night he turns over, twitches and emits a thunderous SNAAKHT! leaving the rest of the household covering beneath the cover, badly shaken. This sudden eruption can be compared to the sound made when air gets into the water pipe, and is just as terrifying.

3. Variety Show. This is the guy who never snores the same for two minutes. He starts off with a regulation SNAAA-WHOOF! SNA A A WHOOF! Do not be deceived! Soon it is mixed with all sorts of weird groans and moans, then snorts, bellows, and cheeps.

4. Missing cylinder. This is the steady-as-she-goes full of carbon. He needs a tune-up. His snores miss: AHH-HOOSH! AHH - HOOSH! ampmf! See? This is a worried man. He is trying to go uphill and his motor won't take it.

He worries about his after-school job, about his girl, about his studies, about his car, and about himself, if nothing else. Just as he gets set for a long haul, his subconscious plays a

He gas feed is intermittent and he obviously has sugar in the carburetor. His whole family lies awake wondering what will come next. Words even? At times, yes. His waking life is just like his sleep; never a dull moment. He is the "life of the party," the one who gets his mother's hats and postures.

He runs his teachers ragged with his almost, in fact about half, witty comments and answers. The trouble is that he is so much fun, they don't really know what to do, because they more or less enjoy him. He will be a good salesman with his gift of gab.

5. He worries about his after-school job, about his girl, about his studies, about his car, and about himself, if nothing else. Just as he gets set for a long haul, his subconscious plays a

(Continued on page 3)

Senior Personality

Joyce Elaine West can certainly be considered as one of the most outstanding Seniors of the 1961-62 school year.

Joyce and her parents, Mr. and Mrs. Clinton West, reside at 222 Avenue B in Hereford. She has not lived in Hereford all her life as she was born in Winslow, Ariz., on May 14, 1944. When Joyce was two months old the Wests moved to Clovis, where they lived until Joyce was nine years old. At the age of nine she moved to Hereford and has lived here ever since.

Joyce West

She is now 17.

Joyce thinks her most exciting moment was when she found out she was elected cheerleader. Joyce is a positive thinker and when asked about the athletic teams she said, "I think Hereford has the greatest football team ever! I'm sure that the basketball, baseball and track teams will be winners, too, especially if the outstanding school spirit continues."

Her favorite hobby is playing the piano because she loves music. The song that fits best with Joyce is "Theme From the Apartment." Other favorites of hers are as follows: book-Gone With The Wind; food — Mexican food; and her favorite color

(Continued on page 3)

Future Nurses Of America Plan Another Active Year

One of Hereford High School's organizations which was very active last year is the Future Nurses of America. The purpose of this club is to interest students in personal and community health; to encourage a them in finding out what a medical occupation requires, and what it offers; and to help students decide wisely what career is best suited to them.

Its membership is open to any high school student who is interested in the field of nursing or any related field.

The club plans four annual projects this year. These projects include a rummage sale in the spring, sending candy to ex-members who are in nursing school, decorating a tree for the hospital at Christmas time, and writing letters to student nurses all over the world.

The Hereford High School Future Nurses Club is planning several special activities for the

coming year, among them are a tour through the Deaf Smith County Hospital, and several special guest speakers.

With two meetings each month; one of them is a day meeting at school and the other is a night meeting in someone's home or at the Community Center.

Future nurses is run on the point system; that is, each time a member attends a meeting or performs a special task she is rewarded with a certain number of points. In the spring if a member has received enough points, she receives a pin and guard. These are presented at a tea given by the Medical Auxiliary.

The Medical Auxiliary is the sponsoring organization for Future Nurses, and at the end of each year the auxiliary presents a scholarship to the future nurse who has shown the most promise.

Officers of Future Nurses

this year are Katherine McClain, president; Lavonne Thompson, vice-president; Jan Stary, secretary; Shari Woodford, historian; Susy Woodford, reporter; and Judi Stone, point keeper.

Anyone interested in joining Future Nurses may do so by contacting Katherine McClain or Lavonne Thompson.

Future Nurses met in the study hall Thursday during activity period. Meetings were planned for the year. Club meetings will be held during home room for general business meets. Special programs will be presented on the second Monday of each month.

Plans were made for a rummage sale to raise money for club projects. The sale is slated for Oct. 7. Anyone with clothes they would like to donate to the sale should contact Lavonne Thompson or Katherine McClain.

BEAT ROSWELL!!

FUTURE NURSES met Thursday to plan activities of the coming year for organization. Hereford chapter officers are from left Katherine McClain, president; Lavonne Thompson, vice president; Jan Stary, secretary; Shari Prowell, treasurer; Janie Mc-

Broom, historian; Judi Stone, point keeper; and Suzy Woodford, reporter.

(Whiteface Photo)

AUSTIN HIGHLIGHTS

New Emergencies Might Necessitate Added Session

BY VERN SANFORD
AUSTIN — As the weeks go by and the new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons.

It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard, from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called out for hurricane duty made up the largest peacetime operation in Guard history.

After Governor Daniel's aerial tour of the hurricane-struck coastal area, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordinating with local groups, to evacuate the area.

He also estimated \$400,000,000 loss to public and private property.

"I can see now that we need to provide more money for the National Guard and we need to provide more Highway Patrolmen, too," said the Governor. "I am sure I will add those to the call for a special session."

Rep. C. W. Pearce Jr. of Temple proposed that the legislature permit cities and counties to issue bonds to make loans to disaster victims.

Speaker James A. Turman asked the House general investigating committee to start an inquiry into the payment of insurance claims as a result of

Carla. He said many hurricane victims were surprised to learn that much of the damage was not covered by insurance. Adjusters held that their windstorm and hurricane policies did not include flood damage even though caused by the hurricane.

Governor Daniel, irked over the adjusters' interpretations, urged policy holders not to be too hasty in settling their claims.

Storm Crop Damage Extensive
The U. S. Department of Agriculture at Austin says the recent hurricane caused the most extensive wind and rain damage to crops, fields and pastures, ever experienced.

Of the prospective 100,000 bales of cotton in the fields, about \$11,000,000 worth was probably lost, the USDA said. Additional losses will result from grade reductions, the agency states.

January Session Talked
Chances are that Governor Daniel will have legislators back in Austin during January.

Rep. Murray Watson of Mart suggests that Daniel set up a grass-roots committee of citizens to bring in proposals for removing inequities in the new sales tax law for action at the special session.

Comptroller Robert S. Calvert continues to explain the law. He ruled that the American Red Cross is exempt from the sales tax on its purchases, since it is an agency of the Federal government.

Calvert is studying a request for some large industrial firms that they be allowed to be "direct" payers of the tax. Theory is that life would be simpler if they could keep records and pay the tax once each quarter, instead of paying it hundreds of times a day in the normal course of business.

Tax Dollar Analyzed
Texas Legislative council has

taken a new look at where the State's tax dollar comes from and where it goes.

Study reveals that 52 per cent of it is derived from the several types of sales taxes levied in the state, including 15.8 per cent from the new 2 per cent limited sales tax.

Oil and gas production and severance taxes account for 19.1%, business taxes 11.4%, motor

Household Scrapbook

By Roberta Lee

When candle grease has been dropped onto one of your good rugs, scrape it off with a spoon rather than a knife which would possibly injure the fiber. Press the spot through a blotter with a warm iron to absorb the remaining grease. Repeat until the grease has been removed, shifting the blotter from time to time to keep a clean surface over the spot.

Odor Absorbent
A half lemon, kept on a shelf of your refrigerator, will help to absorb odors.

ZIPPER FIXER
Rub a little petroleum jelly on the zipper that refuses to run smoothly.

BOTTLE CLEANING
Baking soda and hot water, added to a bottle that has contained sour milk, will help cleanse it. Shake with vigor and rinse the bottle in cold water. A pinch of baking soda in water will clean milk bottles or buttermilk glass, if allowed to stand for a short time.

OILING LOCKS
One easy and quick way to oil a lock is to dip your key into some light sewing machine oil, insert it into the lock, and then work the key back and forth several times. This should do the trick!

Brick Tiles
Brick tiles can be made to look like new by washing them with a cloth saturated with vinegar.

PICKLES AND CATSUP
A large aluminum tea ball can help in the making of pickles or catsup. Use it to hold the spices in the fragrant cooking relish, and when the food is ready for the jars, you will find it easy to remove and easy to clean.

CONCRETE PATCH
One practical way to patch a large hole in a concrete driveway is to fill the bottom of the hole with some clean, good-sized stones, then cover these with some cement mix. This is an economical method, too.

STICKING DOORS
Sticking doors can often be remedied merely by tightening the screws on their hinges. Another remedy is to rub some wax or laundry soap on the door edges.

The boojum tree thrives only in the central desert of Mexico's Baja California.

vehicle registration fees 9.5%, state property taxes 4.1%, inheritance tax 1.3%, others 2.6 per cent.

Motorists get tapped for 33.9% of the tax dollar, including the motor fuel tax at 21.4%, the sales tax at 3%, and registration fees at 9.5%. Nine per cent comes from tobacco taxes and 2.2% from alcoholic beverage levies.

New Farm Roads Approved
A one year program calling for construction of 613 miles of new farm to market roads costing \$15,200,000 has been approved by the State Highway Commission.

This was approximately half of the usual program authorized by the Commission, as the result of Governor Daniel's veto of the \$15,000,000 for this purpose in the second half of the biennial appropriations bill.

Governor Daniel cut out the second year allocation in order that more flexibility might be attained in providing maintenance for the farm roads system.

Since 1949, under the Colson-Briscoe act \$15,000,000 annually have been earmarked for the construction of farm to market roads, causing all maintenance costs to come out of trunk highway funds.

While this arrangement was necessary for many years, to

build up farm road mileage, the highway commission says the problem now is financing the maintenance of these roads. Therefore, at least a portion of the earmarked funds needs to go for this purpose.

Action in this matter is expected in the next special session of the legislature.

Oil Production Cut
Allowable oil production in Texas for October has been reduced by an estimated 48,480 barrels per day, on order of the Railroad Commission. Order was based on estimated market demands.

An eight-day producing pattern was ordered for most of the state. This will result in a total allowable production of 2,683,214 barrels daily.

Eleven out of 12 major purchasers of Texas crude oil had recommended the eight-day pattern. Sun Oil Company suggested nine days of production.

Texas Gets Moon Rocket Lab
Selection of Texas as the site for a laboratory to develop the nation's first moon rocket was hailed by Governor Daniel as one of the most important signs pointing to future progress for the state.

"The Federal government's choice of Harris County for the \$600,000,000 space laboratory means that some of the world's most important work in the peaceful conquest of outer space will be undertaken at the location near Houston," said Daniel.

"It will attract scientific personnel and plants to the state and increase the importance of the Houston area as a center of

civilian, military, space and medical research," he observed.

Retail Sales Increase
Retail sales increased seven per cent during August, the Bureau of Business Research at UT reported.

The impending sales tax which went into effect September 1 was called a major factor in the increase. Namely, buying before the tax went into effect.

It was referred to as a "brisk rise" compared to the two per cent decline sales took during July.

Furniture and appliance stores led the field with a 23 per cent increase for August, where the usual increase from July to August is one per cent.

Apparel stores also increased, primarily with the back to school rush for clothes. Steady increases were forecast because of a Texas birth rate considerably higher than the national average.

Births in the first six months of this year totaled 121,796 compared with 115,730 during the first half of 1960.

New Medical Science
Two University of Texas scientists are looking into a new branch of medical science through which it may some day be possible to determine in advance a person's susceptibility to certain diseases and ailments.

Dr. Robert J. Williams and Frank L. Seigel, reporting on the new science called "propetology" in the American Journal of Medicine, say the technique needs only to be developed, that it must be based on increased knowledge about individuality

in the areas of anatomy, physiology and biochemistry. Knowing in advance who might get what, the scientists say it may be possible to avoid such diseases as gout, arthritis, atherosclerosis, muscular dystrophy, multiple sclerosis, cardiac and circulatory diseases, cancer, allergies and numerous other diseases and ailments.

There is probably no single disease among those mentioned which might not be prevented, at least to a substantial degree, if we knew what the roots of resistance are and took appropriate measures," they said.

COMPACT MERCURY COMET

BIG MERCURY MONTEREY

FIRST SHOWING! THE NEW

1962 MERCURYS (COMPACT AND BIG)

MERCURY COMET

smartly ahead of the compact crowd

MERCURY MONTEREY

the best-looking buy for the big-car man

HIGHLIGHTS: COMPACT MERCURY COMET. Talk value and you're talking Mercury COMET. It's the compact with the extras that make the difference. Take beauty. This is the only compact with fine-car styling. You get extra room plus a smoother ride (up to 7.5-inch longer wheelbase than other compacts). Extra trunk space for as many as six extra suitcases. Extra savings on oil and upkeep. This year you can drive 6,000 miles between oil changes. A new type anti-freeze, anti-rust coolant lasts two years or 30,000 miles. Extra resale value, too (best record of any compact). The price? With or below most compacts.

HIGHLIGHTS: BIG, LUXURIOUS MERCURY MONTEREY. This is Mercury's finest car. The very top of the line. It is specially built for the big-car man—with those big extra values a man likes. More room than other cars near its price—for long legs and big families. An extra-long wheelbase (120") for that solid, luxury-car "feel." A smoother, quieter ride—the result of exclusive Cushion-Link Suspension. A wide engine choice—"6" or three V-8's. Plus the kind of savings that really cut upkeep. Routine service is needed only twice a year (at 8,000- to 30,000-mile intervals)! The price? Well within the popular-price range.

WIN A 1962 MERCURY AT OUR ANNOUNCEMENT SHOWING. 18 CARS GIVEN AWAY. 12,680 PRIZES IN ALL!

(See your Mercury dealer and see how you can win one of these fabulous prizes. Now to October 14.)

Santa Fe

...serving the West and Southwest... the railroad that is always on the move toward a better way.

CHARLIE SEEDS MOTOR CO., INC.

First & Miles Hereford, Texas

D. E. SPOTLIGHT — Nancy Boardman; 16, daughter of Mr. and Mrs. H. D. Boardman, Route 3, is working at the Deaf Smith County R.E.A. under the Distributive Education program offered at Hereford High School. Nancy is a junior student and is in her first year of D. E. training. Her duties at the R.E.A. include writing drafts, billing, filing, waiting on customers and keeping track of new memberships and withdrawals. (Staff Photo)

They...

(Continued from page 1) dirty trick on him and he remembers he left his plane geometry book at Joe's house... hence the snmpfl! He will be a frustrated businessman and have trouble with his income tax returns... they won't match, or something of the sort.

5. Supersonic Soloist. Now here is the girl (it can be a boy, though) who sounds like a high-powered saw going through a log full of knots. EEEE-HEEESH! EEE-HEEESH! It sometimes mounts to a soprano wail. This sound carries through hundred-year-old oaken doors.

At this young age the tone is more keen and not quite so loud; however, after forty, the tone deepens and gives the effect of the "Hustler" jet going over real low. This is the frustrated artistic type. She would be a hit in the movies... or a writer... or painter. She will dine by candlelight and loathe her neighbors. Definitely artistic.

Now that we have covered the main types of individuals and their snoring, there is the team to consider. This is the in high school. They are termed Le Grande Symphonny. They are both musically inclined and their snoring is indicative.

He starts off with a low obligato and she weaves her little song around that base rising and falling as he changes key. There are interesting breaks, wherein he goes pianissimo and allows her to carry the soprano solo, then comes in with a low surration which she matches at once with a gentle trill. When he snorts and changes pace, she gives a brief HUKK!! and they start on the second cantata.

Most people who snore, when awakened, will deny it. Even the very worst will shrug their shoulders and say, "So what?" But as a rule, nobody knows whether they snore or not. You suspect, but aren't sure. If you aren't sure, you snore!

BEAT ROSWELL!!

West...

(Continued from page 1) is blue. At the fair Joyce had a pretty hard time getting her zipper to work. Naturally she felt rather conspicuous! More than likely this was one of her most embarrassing moments.

"I think the new faculty is just fabulous," is Joyce's opinion of H. H. S.

Joyce's personal advice to all underclassmen is "It seems like a long road when you're a sophomore but it can be fun if you make it."

BEAT ROSWELL!!

A. Rub over the spots with some petroleum jelly, let remain for awhile, then wipe thoroughly with a dry cloth. This treatment also tends to preserve the leather by renewing its oil content.

Q. How can I improve the sound of the two speakers in my hi-fi system?
A. One or two coats of lacquer applied to the cone of the larger speaker will stiffen the cone and improve its responses to the lower frequencies.

Q. How can I remove some hard, burned food from enamelware?

A. Put some water into the pan when it has cooled, add some baking soda, and bring to a boil.

Whitefaces... Ideal...

(Continued from page 1) 12 yard line, the reserve Whitefaces moved aggressively down to the last seconds of the game.

Throughout the game Hereford allowed the Mules few breaks while racking up one score right after another. As usual the Herd's interior line granted little yardage to the Mules, as the visitors managed only 66 yards rushing. Muleshoe's longest gainer from scrimmage was only 11 yards, as the Herd allowed only four first downs.

Attempting eight passes, the Mules fared even worse as four of them were claimed by Whiteface defense artists. Muleshoe failed to complete the other four because of the defensive tactics of the Herd's Charles Kelly and others.

BEAT ROSWELL!!

Reese...

(Continued from page 1) ents are when she sees someone not yelling in pep rallies or not singing the school song. And her most embarrassing moment was when she was introducing her date to her preacher and she said, "Brother Highers, this is uh, uh, — and I couldn't even think of my date's name."

Jan says, "Underclassmen, study hard your first two years in high school because you surely won't have time your senior year. LIVE IT UP!!!"

BEAT ROSWELL!!

Bradford...

(Continued from page 1) She was about to decide, when mannerly Joe Mack Hale offered her a chair. She turned surprised and noticed Austin Hodges, the neatest thing she'd ever seen. Then her eyes caught the bow-legged Troy Don Moore and right beside him stood the extremely pigeon-toed Coach Brooks. She thought they were darling but wanted her ideal boy to have the walk of Walker Parris.

Over in a corner she heard the noisy Butch McCaslin and saw David Dowell, the most cross-eyed boy she's ever seen. She thought she'd seen everything until she saw the physique of Mack Casler, and the handsome Charles Mims. She was trying to make up her mind when she heard talented Eddie Gallagher at the piano. She went to the piano and courteous John Pavloek gave her his seat by Eddie.

She thought "Surely, I have found the ideal boy," but as she turned, she saw the bright hair of Marcus Jacobson and nearly flipped. Dwight McGee smiled so cute, and Jerry Curtsinger's eyes just sparkled. Dick Combs said with a voice from heaven, "Have you found your ideal boy?"

She was so stunned by all the boys, she couldn't think and so Kay just said, "I'll take you all for my ideal boy."

BEAT ROSWELL!!

Five...

(Continued from page 1) God for everything we have been so bountifully blessed with, everything we are and ever hope to be. We are so negligent in putting Christ first in our lives. We seem to forget that without Him we would not even be here.

Our five-minute devotionals at Hereford High School should be the most important part of our day and not a time to talk over what happened last night. We should have the highest reverence and respect at this time. We should give all our attention to what is being said and strive to get the most possible from it.

Those giving the devotionals should know what they're saying and lead prayers from their hearts, not from books.

Let's give our best to this five minutes — It will help us through the day.

clude dancing and keeping a scrapbook which contains all the important events of her high school years.

"I like all the school spirit this year but think that if everyone would try a little harder it could be improved even more," she states.

The only thing Nicky doesn't approve of is the way the new students are greeted. She believes that they are not welcomed enough by the student body.

Her favorite pastime is riding around and listening to western music. Nicky's motto is: "Have a good time and enjoy life."

Her most enjoyable food is the "No. 4" at the drive-ins. Anyone who is curious enough to want to find out what that is will have to try it out for himself.

Nicky says, "I don't want to talk about it," when asked about her most embarrassing moment.

She plans to attend college after graduation and major in business.

How Can I?

By Ane Ashley
Q. How can I straighten out some candles that have drooped because of excessive heat?
A. Place the candles in a flat-bottomed vessel filled with water at about 80 degrees Fahrenheit. Add small amounts of hot water until the candles can be straightened easily with the fingers. Once they have been reshaped, drop the candles into a container of cold water to re-harden them.

Q. How can I relieve sunburn?
A. One of the very best remedies is to mix two parts of lime water to one part of linseed oil, beat it to the consistency of

cream, and apply. Petroleum jelly or olive oil are also often effective.

Q. How can I prevent brown sugar from becoming lumpy?
A. By storing it in your refrigerator.

Q. How can I clean a zinc surface?
A. Regular washing with hot soapsuds will keep a zinc surface clean. If required, a mild scouring powder can be used. Tarnished zinc can be brightened by rubbing with vinegar or lemon juice, diluted with a little water. Let the acid remain on the surface for several minutes, then rinse with clear water, and polish.

Q. How can I remove paper stuck to a table surface?
A. Put a few drops of oil on the paper scrap, let it soak through for several minutes, then rub gently with a soft cloth. The paper is then easily removed without damaging the wood finish.

Q. Is there any way I can renovate some old and hardened lemons?
A. Try covering them with boiling water and letting stand for several minutes.

Q. How can I remove mildew stains from leather-bound books, traveling bags, and other leather articles?

THE STANDOUT

When you pray do you position yourself as bold men of God have done through the centuries? Do you kneel, bow your head, close your eyes to the world, or do you disregard these accepted conformities and bark your prayers erect? Do you pray with sincerity of soul or do you petition to be heard of men as did the Pharisees?

Are you a "Standout?"

If so, you may have spiritual paralysis. You may lack the sincerity-of-soul necessary to move mountains with your prayers. You may be a pauper in things religious. Jesus and the Prophets had ideals. They believed... they lived... they prayed so God would hear. They had religion with emotion.

Do you feel God when you pray? Or, are you a Pharisaic Standout?

You In The Church
The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Seventh Day Adventist

"Jesus and the Resurrection" is the subject for daily lesson study and class discussion Sabbath, Sept. 25.

Lesson Scripture: John 19:38-42; 20:1-31.

Memory Verse: John 20:30,31.

Study Helps: "The Desire of Ages," pages 796-808, "The Seventh Day Adventist Bible Commentary," Vol. 5, pp 558-560, and Lesson Scripture; "The Seventh Day Adventist Bible Dictionary". Aim: To help us share the disciples' belief in the reality of our Lord's resurrection.

Lesson Outline:
1. Burial and Resurrection.
2. Mary and the Master.
3. The Risen Lord and His Disciples.
4. John's Objective in His Gospel.

Services: Meditation: 9:30 a.m. Saturday; Sabbath School: 9:45 a.m. Saturday; Worship Service, 11 a.m. Saturday.

N. Hereford H.D. Club Women Meet

Members of the North Hereford Home Demonstration Club met for a luncheon at 1 p.m. on Thursday, Sept. 21, in the home of Mrs. Zaida Kendrick. The meeting was called to order by the president, Mrs. Marie Ward. Roll call was answered with "What Club Work Has Meant To Me" and "What Club Work Has Meant To My Family."

Mrs. Lena Olson introduced Mrs. Argen Draper who presented the program on Extension Service. Mrs. Draper suggested that members obtain pamphlets on Texas Home Demonstration work and that they assist in the work of the new welcome wagon.

Home Management, Food and Nutrition were chosen as the topics for study for this year. Miss Roberta Campbell, secretary, read the minutes and they were approved. The club voted that names and number markers be placed on all streets in South Hereford. Committee reports were made on finance, education and cheer. The hostess reported that she had covered two chairs and made new draperies.

Those present were Mesdames Mary Bodkin, Lena Olson, R. A. Fullwood, John E. Welborn, Alice Nivens, Mary Gooch, Marie Ward, C. L. Whitehead, Neil Hodges, Bell Williams, Clyde Smithers, Wilma Bryan, Argen Draper, Charlene Riger, O. L. Riger, and Miss Roberta Campbell.

ATTEND MEETING

Dr. M. C. Adams, Curtis Traweck, and Ed Dziuk Jr. attended a district meeting of Toastmasters Clubs in Lubbock Saturday. Curtis Traweck serves as secretary of the district officers. All are active members of the Hereford Toastmasters Club.

VISITS DAUGHTER

Mrs. B. C. Dement is in Farmington, N. M., visiting and helping care for the new grandson who was recently born to her daughter, Mr. and Mrs. Ray Cole, of that city.

A LUCKY SHOT

LARAMIE, Wyo. (AP) — John Kastner, 35, of Denver, was fishing in the Arapahoe Lake area south of Laramie when he accidentally dropped his .44 caliber revolver.

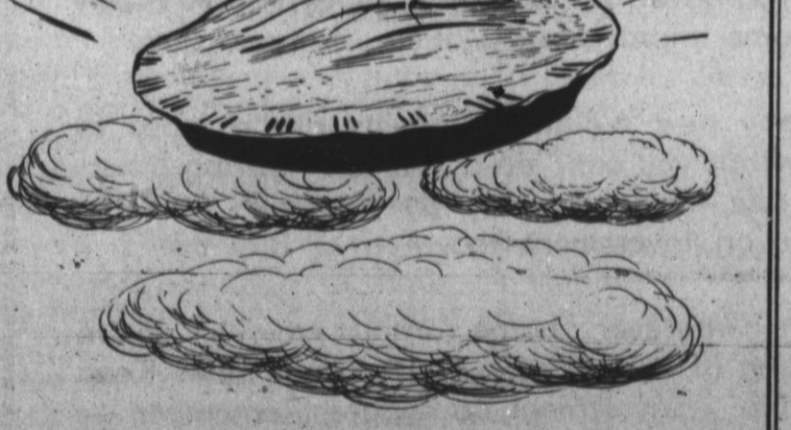

A single bullet wounded him in four places. The bullet struck the calf of his right leg, grazed his right thigh, nicked his right wrist and struck his upper right arm. He was not seriously hurt.

Wyche HD Meeting On Peace Garden

Wyche Home Demonstration Club met Sept. 21 at the Community Center for a program about the International Peace Garden. The program was given by Mrs. Ira Ott. She pointed out that Hereford's own Peace Garden is located at Hereford High School.
Members present were Mrs. Louise Axe, Mrs. J. V. Pickens, Mrs. Ruth Newsome and Nancy, Mrs. Pet Ott, Mrs. Louise Packard, Mrs. Gloria White and the hostess, Mrs. Ruby Damron.

JUMPS WRONG WAY

BUFFALO, N.Y. (AP) — When a 17-year-old youth held up a neighborhood branch of a Savings & Loan Association, he wasted no time falling into the clutches of the law. He leaped a fence and fell into the clutches of off-duty Lt. Rocco Navarro, sunbathing in his back yard. The \$3,000 loot was recovered.

THAT'S LOGIC

ELMIRA, N. Y. (AP) — A local teen-ager reports having this conversation while baby-sitting with a 4-year-old boy and his howling baby brother.
Child: "Did the angels send baby down from heaven?"
Teen-ager: "Yes."
Child: "They like it nice and quiet up there, don't they?"

FRIDAY A New World of Worth from Chevrolet for '62!

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ Hard-working helpers (like the new steel front fender underskirts that guard against corrosion) give this '62 its built-for-keeps beauty. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

THE '62 CORVAIR MONZA
Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers tote on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzmatazz, one that uncorks 102 hp*). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.
*Optional at extra cost.

HERE'S THE NEW CHEVY II
Here's modern basic transportation in a totally new line of cars with all the solid, time-tested Chevrolet virtues—plus some surprises you've never seen on any car before. A full line of saucy new-size models. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

This plucky new Chevy II comes about as close as a car can to perpetual motion. ■ All nine models (station wagons, a hardtop, even a convertible will soon be available in the lineup) are designed to save you money and service. Major front-end sections, including fenders, bolt on for easy replacement in case of damage. The heater and defroster are yours as standard equipment. Tough—but ever-so-gentle—Mono-Plate rear springs eliminate the friction of old-fashioned multi-leaf springs. ■ And, maneuverable and sensibly sized as this Chevy II is, it gives you the kind of room that'll make many a "big" car wonder how it's done.

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

VARMINT CALLING has dramatic results, and Howard Casey of Lubbock will testify to it. Casey presented a film on calling foxes at the Jim Hill Hotel ballroom Tuesday, Sept. 26, at 8 p.m. The public was invited to attend the free meeting. This photo was made after Casey had called this coyote up to a measured distance of nine feet before shooting him. (Staff Photo)

Mrs. Conn Is Hostess For Ford HD Meet

Ford Home Demonstration Club met Sept. 20 in the home of Mrs. Quinton Conn. Mrs. Argen Draper, guest speaker, discussed the "County Program Building Committee," and explained the projects included in the program. "Child Labor Laws" also were discussed.

Mrs. LeRoy Williamson presided at the business meeting.

Officers elected for the coming year are: Mrs. Raymond Smith, president; Mrs. F. L. Eicke, vice president; Mrs. John A. Smith, secretary - treasurer; Mrs. LeRoy Williamson, reporter; Mrs. Bill Gilliland, council delegate; and Mrs. Lois Dyer, citizenship leader.

After the business meeting refreshments were served to the following: Mesdames Argen Draper, F. L. Eicke, John A. Smith, Bill Gilliland, Willa Williamson, LeRoy Williamson, Hardy Benson, Quinton Conn, and Raymond Smith.

The next meeting will be held on Wednesday, Oct. 18 in the home of Mrs. Bill Gilliland.

HIS NAME HELPS
CANTON, Ohio — If four-leaf clovers truly mean good luck for the finder, Forest Moss should have more than his share. He's discovered about 300 this year, and found one recently in his backyard that is 4 1/2 inches across.

BASIC ADVICE
COLUMBUS, Ohio — The office machine repair shop at Lockbourne Air Force Base offered this advice recently to base organizations with electric typewriters: "Before calling maintenance to report your machine has stopped working, check to make sure it's properly plugged into the socket."

Rose aphids infest not only flowers but corn, potatoes, apples and citrus fruits.

BROWND SHEET METAL

Your Number One investment opportunity today is your own home

WHERE is the best place today to put money and have it grow?

This question, as never before, is the concern of millions of thinking Americans. Some are trying to find the "ideal" growth stock. Others are seeking "capital gains."

Many, we believe, are overlooking this surprising fact—U. S. Government figures show that family homes, by and large, have appreciated in dollar value over most other forms of investment.

Houses built as long as twenty years ago, kept in good condition, have doubled and even tripled in price.

Houses of recent date have also kept pace, mounting in market value, year after year.

Regardless of the age of your home, you are indeed fortunate to hold this ideal "blue chip" investment, a safe hedge against future inflation, and one that pays you daily "dividends" of security and happiness beyond measures in dollars.

So, if you want to have more in your home to enjoy, don't be reluctant to make the investment. It's simply good business—because the dollars you spend usually increase its market value. And you have that rare thing today, ample credit for home improvement—at low interest rates.

Many new building products are so easy to apply that you can "do it yourself" during otherwise idle weekend hours. So your own time becomes an investment too.

But whatever home improvements you're thinking of, we do urge you to do it now. Keep your No. 1 investment up-to-date. Remember—when you look for the ideal place to put your money—there is truly "no place like home."

"Let Us Help You With Your Homebuilding Problems"

Great Many Residents Attend Tri-State Fair

BY MRS. S. N. THWEATT

A great many from this area attended the Tri-State Fair in Amarillo last week.

Among those going Friday were Mr. and Mrs. Waldron Melton and girls, Mr. and Mrs. Marvin Henderson and family, Mr. and Mrs. Bruce Coleman and children, Mrs. Ruth Coleman, Mr. and Mrs. Jack Weaver and family, Mr. and Mrs. Eldred Brown, their son Tommy, a niece and nephew, Barbara and David, children of Mr. and Mrs. Ernest Brown and two other nephews, Earl and Ray Brown, sons of Mr. and Mrs. Floyd Brown.

The Brown children were on TV when they attended the Captain Kidd program.

But Joe Jon Brown, son of Mr. and Mrs. Eldred Brown, thought he had the most fun at the fair since he was lost from the family for a short time.

Mr. and Mrs. Charlie Kemp and Mr. and Mrs. Charles Kemp and son visited recently with the Lerner Northcuts.

Wendel Rouse visited recently in the home of his grandmother, Mrs. J. E. Rouse. Wendel is the son of Mr. and Mrs. Dwight Rouse of Farmington.

N. M.

Mr. and Mrs. Bill Grissom and Cindy of Amarillo visited in the Elton Sorrells home Tuesday.

Frank Ford Sr. had two cows win first places in the milking shorthorn division at the Tri-State Fair.

Mr. and Mrs. G. V. Hall and boys also were among those who attended the fair.

Mr. and Mrs. Elwyn Hartman of Rae and Mr. and Mrs. Ruther visited in the Elmer Northcutt home recently.

Mrs. N. A. Brown, Mrs. Eldred Brown and W. L. Potts made a business trip to Clovis on Monday.

Mr. and Mrs. S. N. Thweatt and Carl made a business trip to San Jon, N. M., Saturday afternoon, visiting the place that is cutting rock for house building.

Guests in the home of Mr. and Mrs. Elton Sorrells Sunday were some of her relatives, Mrs. J. E. Fisher and Mrs. I.D. Fisher of Amarillo.

Mr. and Mrs. H. D. Buse, Ronnie and David, and Mr. and Mrs. Harold Bass and Charles attended the fair in Amarillo Tuesday.

Mr. and Mrs. S. N. Thweatt

and Carl attended the parade in Amarillo Monday morning then went to the cattle sale.

S. N. Thweatt and Carl made a business trip to Lubbock Friday. On their return, they stopped in Littlefield and visited Spain Thweatt.

Thurmon Ivy has declared war on snakes and, at last report, had caught 44 rattlers. Anyone who wants to help him catch them is welcome to come along.

Mr. and Mrs. Bill White, Sharon and Shelton visited Mr. and Mrs. B. B. Hudson and Mr. and Mrs. Pat Webb in Hereford Sunday.

Mr. and Mrs. H. D. Buse visited in the home of Mr. and Mrs. N. A. Brown Sunday evening.

Mr. and Mrs. Elton Sorrells and family were guests Sunday evening in the home of Mr. and Mrs. S. N. Thweatt.

James, Wayne and Cecil McCullen of Lubbock, sons of Mr. and Mrs. John McCullen, visited Mr. and Mrs. S. N. Thweatt were on their way to Amarillo for the drag races.

James said that they had already harvested their maize, making 2000 pounds per acre, with their cotton expected to make about three - fourths bale per acre.

Messenger Home Demonstration Club met in the home of Mrs. S. N. Thweatt on Friday at 2:30 p.m. with six members present and two others visiting.

Mrs. B. E. White and Mrs. Jerry Northcutt were the visitors. The program was on the International Peace Garden.

Members present were: Mesdames N. A. Brown, Floyd Brown, J. E. Rouse, Elmer Northcutt, H. D. Buse, Elton Sorrells and the hostess, Mrs. Thweatt.

The next meeting will be held Oct. 13 at 2:30 p.m. in the home of Mrs. Elton Sorrells.

A program on safety will be given. On the program will be Mrs. Ernest Brown, on "Blind Corners;" Mrs. E. M. Jack, "Safety in the Home;" and Mrs. Elmer Northcutt, "Safety on the Farm."

There will be a demonstration party in the home of Mrs. Elton Sorrells on Thursday, Sept. 28, at 2:30 p.m. Everyone is invited to attend.

Mr. and Mrs. Elton Sorrells and girls attended the Fair and Ice Show at the Tri-State Fair in Amarillo on Saturday night.

MISSOURI GUEST

Mrs. Warner White recently returned to her home in Forsyth, Mo., after visiting two weeks with her mother, Mrs. Rosa Spear, and her sister, Mr. and Mrs. B. F. Mars and family. While here Mrs. White helped her mother celebrate her 90th birthday.

YOU HEARD STRANGE THINGS ABOUT CATHOLICS

During the presidential campaign of John Kennedy there was much opposition to him because he is a Roman Catholic. From many pulpits and in many newspapers we hear such statements as: "A Catholic President will turn the country over to the Vatican", "A Catholic can't be a good American and a good Catholic", "A Catholic President will follow the dictates of the Roman Hierarchy", "Catholics will take over the nation and will kill off all Protestants and Jews". These and so many other things have been said about a Catholic as President. Yet, we have a Catholic President and none of these things have come to pass. Why? Because they were untruths spoken to mislead right thinking people. The Catholic Church was deliberately pictured in a bad light to mislead.

If you wish to learn the truth about the Catholic Church write today for a free pamphlet explaining Catholic teachings. The Knights of Columbus of your area are making this pamphlet available so that you will know the truth. Write to: Home Study Center, Box 5644, Amarillo, Texas.

Please send free pamphlet about the Catholic Church to:

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs as precisely as though it had been made to measure. For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as

a secret. With Thunderbird styling, Thunderbird power, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier fine cars. If you are looking for economy without compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. Wagon

fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE / 500 (foreground) — GALAXIE TOWN SEDAN (background) . . . The Galaxie / 500—new in name, new in luxury—is for those who want all of the elegant extras. The Galaxie makes it easier than ever

to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications.

Brakes adjust themselves automatically. Special zinc coating protects vital body parts against rust and corrosion.

FALCON SQUIRE WAGON . . . Brand new for '62, it's sleek, sophisticated . . . and the only compact wagon of its kind. Inside, it is available with Futura bucket seats and a handy console! Outside, it has steel side paneling with elegant woodlike finish.

FALCON FORDOR SEDAN . . . Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run. Falcon's low price for '62 makes it America's best compact value!
