City Adopts Paving Project Assessments

Reception Introduces Two School Officials

A public reception honoring Hereford school superintendent Johnny Clark Jr. and business manager Dille M. Kelley and their families will be held Sunday afternoon in the high school cafeteria.

SPONSORED by the board of directors of the Hereford Independent Schools, the reception is being held to allow local residents and the new school administrators the chance to "get acquainted," according to board president Bill Gentry.

Wives of the board members will serve as hostesses for the reception, which will be held from 3 to 5 p.m. Sunday.

Both Clark and Kelley moved to Hereford in July to head schools.

Gentry invited all interested persons to attend the reception.

REPRESENTS BEET GROWERS IN WASHINGTON

James W. Witherspoon, Hereford attorney and executive secretary for the Texas Sugar Beet Growers Association, left Tuesday for Washington, D.C., to attend hearings before the House agricultural committee; the committee will be reviewing upcoming farm legislation, including rulings on sugar beets.

Assessment rates for several soon-to-be-begun paving projects in Hereford residential areas were established by city commissioners Monday night.

Commissioners set assessments ranging from \$3.79 to \$5.27 per front foot on street paving projects ordered in north and east Hereford. This action was taken after commissioners heard only one protest against the paving projects.

INCLUDED in the projects are most of unpaved streets north of Park Ave. and east of Ave. H.

The city's governing body also cited the need for paving streets to provide access to the new junior high school in northwest Hereford, as well as near athletic stadiums, after voting to annex property on which the junior high will be built.

Commissioners heard an official request from the board of directors of the Deaf Smith County.

ALSO highlighting Monday's agenda was an official request from the chamber of commerce that steps be taken by the city commission to bring about a "more logical and consistent plan" for numbering street addresses within the city.

The chamber board had adopted the official recommendation to the city after the problem of inconsistent house numbering in some areas of Hereford was pointed out.

FROM DENMARK Changes Noted By Field Student

By LARRY FUHRMANN
Staff Writer

A new world began opening here late last week for Leif Nellenman, a newcomer to the United States, Texas, and Hereford.

Leif (pronounced "Life"), who comes here from Denmark, has embarked on a new experience, as an American teenager under the auspices of the American Field Service.

He is impressed with the country that once was considered part of the "Great American Desert" — but it's far different from the country Leif has called "home" for the past 17 years.

WELCOMING him to the American way of life are members of his "adopted" family here, the Howard Gores of 810 E. Third St. Leif has an American brother, Gary, 17, and a sister, Jeanne Ann, 14. Both Leif and Gary will be enrolled as seniors in Hereford High School this fall; Jeanne Ann will be a freshman.

A Hereford resident since Saturday, Leif arrived in Amarillo on a bus from New York. Noticeable to him was the change in scenery as he came from the East to the West.

WHAT HAS made the deepest impression on him during the first part of his one-year tenure?

Leif thinks it is the friendliness of the people here that he has noticed most. He says it will probably take a while to get used to the flat country since he is more accustomed to rolling hills and native trees.

ANOTHER difference he noticed — right off the bat, in fact — is the temperature. He termed this last summer in Denmark as a "cool" one; average temperature during the days was 45 degrees, he said. However, a typical summer at his home would usually stay at 70 degrees.

Other articles of clothing had been tried on and discarded by the burglars. One jacket was taken off a rack containing nine

AFTER HOURS SHOPPING?

Burglars Make Haul

Two or more persons went on an after hours shopping spree in Malouf's Department store in Hereford Monday night.

The store was entered "by a small person" through a broken window in the rear of the store. Then the back door was unlocked to admit possibly another person, police said.

Sheriff's deputies Tuesday estimated the loss at approximately \$1,500 in clothes, cash and other articles taken from the store.

Burglars took only select sizes of clothing. In one instance a package of three pairs of baby socks was broken open and only one of the three pairs was taken.

Other articles of clothing had been tried on and discarded by the burglars. One jacket was taken off a rack containing nine

identical jackets. Missing were two radios valued at \$80, 48 rings valued at \$432, eight watches valued at \$240, one train case, and \$30 in quarters from the cash register.

A JACKET, shirts, socks, underwear, shoes, levis, dress

pants and boots were included in the clothing taken by the burglars.

Sheriff's deputies said Tuesday afternoon that they had few leads.

It was thought by officers that clothing was taken for personal use while the other articles were taken to sell.

Hanna Malouf, proprietor of the store, said Wednesday that he was still finding articles of merchandise missing and estimated his loss at \$3,000.

The window through which the burglars entered was about two feet square and still had glass in two of the corners which indicated that a small person entered the building first and opened the rear door.

Officers were not sure of the time of the burglary, which was reported at 8:45 a.m. Tuesday to the sheriff's office.

Pageant, Banquet, Ribbon Cutting Set

Hereford's Downtown Variety Park has its official grand opening here today. Hundreds of Hereford area residents and dozens of visiting dignitaries are expected to view festivities in today's celebration, which marks the completion of the \$96,000 Main Street facelifting project.

Texas Lieutenant Governor Preston Smith of Lubbock will speak at two separate occasions to highlight the day's slate of activities.

Tonight Variety Park will receive its final beautifying when 23 local beauties compete for the title of "Miss Variety Park." (See Schedule of Events on this page.)

Official ribbon cutting ceremonies will start at 3 p.m. with Clint Formby as master of ceremonies. Welcoming guests on behalf of Downtown Variety Park Inc. will be Don Zimmerman.

Lt. Gov. Smith will be principal speaker for the ribbon-cutting ceremony, as well as for the reception and dinner honoring out of town guests at 6:30 p.m. at the Hereford Country Club.

SMITH TOLD the Brand that his talks would discuss the theme of "self-renewal" as opposed to federal urban renewal. The 300 block of Main St. will be closed to traffic today as See 23 ENTER Page 7

Main Street Traffic Laws Still In Effect

Motorists and pedestrians who visit Downtown Variety Park may be on a street with a new look, but traffic laws in the downtown area have not changed.

Hereford Police Chief Marshall Padgett said that ordinances prohibiting left turns from Fourth St. intersections are being enforced.

HE ALSO pointed out that police are enforcing a city ordinance prohibiting "jaywalking".

He said citations had been issued to a number of these persons and the officers would continue to issue citations for violation of the lights.

Signs were posted on the old See TRAFFIC Page 7

THREE CHURCHES HERE

Methodism Formed In U.S. In 1784

EDITOR'S NOTE: One of Hereford's larger denominations is the Methodist church, which is organized in three bodies here — First Methodist, Wesley Methodist, and San Pablo Methodist. This is the 12th in a series on denominations in Hereford.

By **LARRY FUHRMANN**, Staff Writer

Although Methodists generally consider their history as beginning with John Wesley, a minister of the Church of England, the church was not officially organized in America until 1784 when the group took the name of the Methodist Episcopal Church at Baltimore, Md. At that time, Coke and Asbury were named as the first superintendents; they later became bishops.

Today Methodism has grown until there are well over 11 million members in the United States, and 15 million all over the world. Membership in the churches here is near 1,500, with First Methodist being Hereford's second largest church.

Thirteen persons became charter members of the Methodist Church when it was organized in Hereford in March, 1899, the same year that the Disciples of Christ and Baptist churches organized their groups. The church was organized here by the Rev. T. F. Robeson, and was included in the Clarendon district. Rev. Robeson is quoted as having said, "If there were any other church organization there I did not know it (in the area from Quanah to New Mexico). I did not see any Methodist preacher's tracks about there then."

First Methodist Church was first located near the corner of Third and Miles in a small schoolhouse; later meetings were held in the courthouse and the First Christian Church. A frame building near their first meeting place was soon constructed, with work beginning on a building at the corner of Fifth and Main in 1916.

A \$150,000 sanctuary was dedicated in 1950, and an educational building was built in 1954 on Fifth Street. Newest additions to the church's facility include another educational building on Sixth Street and offices at the corner of Fifth and Main, where the building constructed in 1916 stood.

Wesley Methodist Church, begun under the auspices of First Methodist, was organized with 75 charter members on June 14, 1953, with a groundbreaking following that fall. Wesley Church completed a remodeling project in the fall of 1963, when their sanctuary was completed.

Pastor of the church is the Rev. Noah Amprister, who has served here since May, 1964. He is a graduate of McMurry College at Abilene.

San Pablo Methodist Church, another outreach of First Methodist, is housed in a new building on Kibbe St. San Pablo serves primarily Latin-American people.

Methodism began in England when the brothers, John and

Charles Wesley, became the center of a group known as the "Holy Club." Their methodical ways brought about the name "Methodist," although it was not a denomination. John had been a clergyman in the Church of England, as was his father.

Charles Wesley is best known in protestant denominations as a hymn writer. He wrote about 6,000 hymns, many still in use today.

The church started unofficially with "United Societies," which were subdivided into "Bands."

The government of the Methodist church is similar to the state and federal government of the United States, says the Rev. Hershel Thurston, pastor of First Methodist here.

Any member of the church over 18 years of age is eligible to vote; church congregations have elected officials who then represent them in conferences. The Quarterly Conference, presided over by the district superintendent, is made up of these church representatives. The District Conference is also presided over by the district superintendent, who serves about 35 churches. The Methodist church now has eight districts in Texas.

Hereford is in the area known as the Northwest Texas Annual Conference, the conference which is the governing body in the placement of ministers. The Methodist Church is unique in that its ministers are not permanent in any one church — they are moved throughout the conference to wherever the need for them is thought to be greatest. The Annual Conference is presided over by the Bishop, the Rev. O. Eugene Slater, Bishop Slater, whose office is in San Antonio, is a former pastor of Polk Street Methodist Church in Amarillo.

Placement of ministers every year is not determined until the bishop of the conference has conferred with the minister and his congregation. The move is made every summer, but ministers do not necessarily

change churches. Rev. Thurston is now in his seventh year as pastor of Hereford's First Methodist Church. A graduate of McMurry College at Abilene, he came to Hereford in 1959 from Central Methodist Church in Dalhart.

Soil Bank Participation Nears Expiration In County

Nearly 80,000 acres of land which has been in the federal government's soil bank program for the past ten years will soon be removed from the program as it expires.

Many of the almost 200 farmers who participated in the program will be breaking out this land for crop use, officials of the Deaf Smith County Soil Conservation Office predicted.

The land has been under contract with the government for the past ten years. Other land previously included in the soil bank program expired at the end of a seven-year term.

DEAF SMITH County was among the top participants in soil bank acreage, with a total of some 140,000 acres of soil bank land planted to native grass.

Soil bank payments yielded farmers \$0 per acre per year, which added nearly \$1.2 million annually to the farmers' bank accounts.

Farmers who participated in soil bank within Deaf Smith County received annual payments averaging \$6,000, local SCS officials said.

Last year Hereford suffered its worst drought in several years, but when the spring winds came there was a minimum of dust.

"I THINK this was a direct result of the cover crops on the dryland soil bank," said Don Newman, director of the local soil conservation office.

"Most of the farmers participating in the program have very good stands of native grass which has cut down the wind and water erosion greatly," he said.

"Our problem now will be concerned with helping these farmers who will be plowing up the grass to continue good practices of soil conservation on the cropland," he continued.

"ONE OF the ways the soil can be prepared to weather the spring winds is stubble mulching," he said.

"Stubble mulching is a process where the farmer uses large sweeps and chisels which leaves all the residue near or on top of the ground."

"This is the most effective and economical way of prevent-

ing wind erosion," he said. "WATER EROSION won't be much of a problem at first since the land has not been cultivated for 10 years and will absorb most of the water, but later in some places the farmers will have a problem with runoff water," he said.

"Water erosion can be controlled in various ways — such as a terracing or by leaving a grass strip and emptying diversion terraces into it," he said.

"If the farmers will come in to our office we will be glad to help them plan the breaking out of their fields and try to help them to keep the erosion to a minimum," he concluded.

The wedding of Miss Ethel Diana Fields, daughter of Mr. and Mrs. Thomas Jefferson Fields of Amarillo and Adrian, and Lawrence Paul Friedberg of Houston was solemnized Saturday evening in the First Christian Church at Amarillo with Robert C. Jones, Church of Christ minister, as officiant. Mr. and Mrs. Edward Friedberg of Overland Park, Kan., are the parents of the bridegroom.

Mrs. Madelyn Henshaw, organist, presented a program of traditional wedding selections and was accompanied to Miss Carlee Hogan, vocalist.

Miss Francine Fields, sister of the bride, was maid of honor and bridesmaids included Misses Elizabeth Fields, Kay Fields and Lennea Teir with Mrs. Gary Grogan as bridesmatron. Attendants wore formal dresses of blue chiffon designed with empire silhouette. Each carried a bouquet of pink gladiolus.

Miss Deborah Fields was flower girl. Bernard Friedberg of Houston, brother of the bridegroom, was best man and groomsmen included James Gude of Aspen, Colo., Robert Natanson and William Stecher of Dallas, Arnold Altsuler of Denver and Ronald Friedberg of Kansas City, Mo.

Given in marriage by her father, the bride was attired in a formal wedding gown of white delgian silk linen designed with dome silhouette. Her mantilla of illusion was bordered with lace and she carried a crescent bouquet of white orchids and sweetheart roses.

The bride was graduated from

the University of Oklahoma where she was listed on Dean's and President's Honor Rolls. She was a member of Alpha Chi Omega and Mu Phi Epsilon. Mr. Friedberg received his degree from the University of Oklahoma School of Architecture. He held membership in Pi Lambda Phi and was listed on the Dean's Honor Roll.

Following a wedding trip to Austin and Galveston, the couple will be at home at 6009 Bellaire, Apt. 244, Houston.

Miss Rita Diane Fortenberry, daughter of Mrs. Ida B. Fortenberry of Amarillo, and Lowell Bob Brooks were married Friday evening in the home of the bride's mother. Both are residents of Amarillo. Hugh Fortenberry and Mrs. Nannie Fortenberry of Adrian are the grandparents of the bride.

Mr. and Mrs. Bud Long of Silverton, returning from a trip to the mountains, visited the Brub Beavers family Sunday.

Mr. and Mrs. Paul Jackson of Amarillo visited the M. H. Zaring family Sunday.

C. F. Homfeld and L. H. Brotherton attended a business meeting in Canyon Monday.

Mr. and Mrs. Floyd Thompson of Ponca City, Okla. visited the Clayton Thompson family and the Marion Ferguson family recently.

Mrs. Hubert Martin of Tucumcari visited Mrs. Millie Maupin last Friday.

Tommie Jean Shubert of Carlsbad, is visiting the Tollie Shubert family for a while. Lewis Spinks of Guthrie visited his mother, Mrs. Nina Spinks, over the weekend.

Dooley Fincher of Denver is visiting in Adrian this week with

the Finchers, Wagners and friends. He is on his way to Dallas.

Ralph Perry was home from the hospital over Saturday night and had to return Sunday.

Rex Manley has resigned as a teacher in the Adrian School and will move to Canyon this week.

Mrs. Claudia Loveless, Larry and Jackie and Betty Whitten are visiting in Lawton, Okla., this week. Larry caught 87 fish Saturday and that isn't a fish tale either.

Mr. and Mrs. Clayton Thompson are the parents of a baby girl, born Sunday night in the Deaf Smith County Hospital. Maternal grandparents are Mr. and Mrs. M. A. Ferguson, and paternal grandparents are Floyd Thompson of Ponca City, Okla., and Mrs. Minnie Thompson of Amarillo.

Mr. and Mrs. Luke Louellen and daughter Janie from California visited friends in Adrian and Vega over the weekend, attended the Oldham County Roundup, and spent Sunday night with the John Horton family.

Georgia Lynn Farris returned home to Ft. Worth after spending the summer with her grandmother, Mrs. Ralph Perry.

Russell Reinhold and Melgie Jo Head were married in a simple ceremony, Friday night in the Methodist Church with the Rev. B. J. Foster reading the ceremony. The bride was dressed in a blue knit suit, the best man was John Horton and the matron of honor was Mrs. Nina Spinks. Close friends and relatives attended the ceremony. The couple will live at Muleshoe.

Dwight Jobe from Ft. Lewis, Wash., on his way to Ft. Wolters, is visiting the Alford Jobe family this week and also the Lewis Jobe family at Endee. Visiting in the Alford Jobe home Monday were those mentioned above and Mr. and Mrs. Troy Jobe and family from Hereford.

TOMATOES STAY FIRM

SALEM, Mass. (AP) — An increase in the shelf life of tomatoes when kept under special fluorescent lamps has been announced by the Lighting Products Division of Sylvania Electric Products Inc. here.

Researchers found that tomatoes retain their firmness, continue to mature and resume converting carbohydrates into soluble sugar when exposed to a special fluorescent lamp ¼Gro-Lux.

Carbohydrate and sugar build-up in tomatoes binds free water, resulting in continued post-harvest firmness. Free water tends to evaporate from fruit, causing surface shrinkage. Tests to determine the beneficial effect of the Gro-Lux fluorescent lamp upon shelf-life of produce, starting with tomatoes, have been conducted by Sylvania scientists, Ohio State University specialists in New England.

Small Talk

By SUE COLEMAN
 Women's Editor
 Landscape painters in West Texas have a tendency to do their work on trips to more picturesque sections so that our regional art shows offer comparatively few regional scenes. The exceptions are usually pictures of the occasional canyon or river valley with broken terrain and more trees than are commonly seen on the prairies. It seems a pity that the plains country has never had its school of painting. The nearest thing probably the midwest group of the 1920's, which made the Iowa cornfields a new trend in art. It would be fine if the next trend should come from the high plains.

A PAINTER WHO COULD depict the vast distances and the varying effects of light on this terrain could start such a trend, and I for one would like to see many of our local hobby painters try it, maybe using the method of some early French impressionists who painted the same scene time after time in striving to capture certain impressions of the light at different times of day. Anyone who drives our highways at midday and again at twilight can see those effects; it only requires someone who can capture them in paint.

Mrs. Hill Is B&PW Club Guest, Speaks On Personality Growth

Mrs. O. G. Hill Sr. was guest speaker to the Business and Professional Women's Club for a program presented by the committee on Personal Development, Bruce Rose and Irene Ballard, in Community Center Monday evening. Discussing keys to personal development, Mrs. Hill spoke of wise training of physical, mental, moral, and spiritual natures. She stressed health and proper grooming, training of the mind through reading and study, cultivation of the ability to listen and communicate with other persons, and spiritual development through seeking the right relationship with God and men. Combination of all these qualities would make a perfect personality, Mrs. Hill concluded. She was introduced by Mrs. Rose, who mentioned Mrs. Hill's

that so few plains scenes are painted. One who knows absolutely nothing about painting technique is no judge of that, although I do know that not many painters are able to portray distance effectively. Maybe it is so much easier to back the scene with a good solid mountain, that the painter hates trying to make his picture extend to a far horizon. The same problem, I suppose, faces the painter of seascapes, yet many attempt those. Persons with an artistic eye always admire the look of distance on our plains and it seems about time for more of them to try painting it.

SPEAKING OF EFFORTS to discourage teenage marriages, as I was recently, another idea has occurred to me. It would stem the tide considerably if a law required the bride to be able to spell "altar" before she goes to one. It's appalling how many of the girls, in their own (written) words, walk down an aisle, wearing a tafatta dress and bride veil, to an altar where tapirs burn in candleabbb?? The question marks sometimes finish a word that apparently just becomes impossible. Come to think of it, brides past teenage often spell no better, so maybe my idea isn't practical. It might be a threat to the entire institution of marriage.

Trip to Canyon Is Event For County 4-H'ers

A trip to Palo Duro Canyon for a picnic supper, park recreation and attendance at "Thundering Sounds of the West" entertained the Deaf Smith County 4-H Council and Junior Leaders Monday. Before supper the group met for a brief business session with Stephen Hoffman, council president, presiding. Reports were made by members who attended the recent Texas 4-H Leadership Lab at Brownwood and the Electric Camp in New Mexico. Suggestions for carrying out a leadership program in this county, as outlined at Brownwood, were discussed.

Members and their guests present included Vicky Ruland, Glenn Pollan, Joyce Bezner, Cynthia Beene, Cynthia and Jette Hanna, Lou Ann and Jane Witkowski, Janice Turrentine, Dorothy Marnell, Kevin and Steve McAndrews, Tommy Betzen, Sue and Ann Atchley, Charles Atchley, Gerald Witkowski, Linda Paetzold, Kay Atchley, Joel Williamson, Martha Ann McBride.

Also Mrs. Thurman Atchley, Mrs. Ray Pollan, Dedee Pollan, Mr. and Mrs. Juston McBride, Mr. and Mrs. Joe Frank Huckert, Mr. and Mrs. Clarence Betzen, Mr. and Mrs. Tom Draper, Mrs. H. L. Ehrke of Brownwood.

Today's the big day for the folks downtown — all Hereford for that matter — since today marks the completion, and celebration event, of the downtown Variety Park project.

Beaten by delays, almost from the beginning, the project has finally been completed — right down to the clever little trash barrels located up and down the street.

To commemorate the event, Lt. Gov. Preston Smith will be on hand — as will Miss New Mexico.

Everyone is welcome — so get on the glad-rags and come to town. Join in the fun.

Beef stew, anyone? Just bring the beef — we've got the other ingredients.

Thanks go to Coville and Wilson of Hereford for the fine potatoes and onions. They're excellent.

At today's prices, we were beginning to think there wouldn't be any "gratis" potatoes this year, but as usual, we were wrong.

Now if we can talk Jack Brown or Colby Conkright into donating a beef, we'll be set for the long, hard winter.

How strong an urge does the average Deaf Smith County resident have to go into business for himself?

Pretty strong, says Park Now News Service.

In Deaf Smith County, a relatively large proportion of the population is self-employed, according to the latest nationwide survey made by the Department of Commerce. Its figures show that there are 1,387 local residents who derive their chief income from their own business, profession, farm or trade.

What this means, in terms of the number of people employed locally, is that 29.2 percent of the working population is self-employed.

The proportion is somewhat greater, it is found, than in many sections of the country. In the United States, 12.2 percent are in business for themselves, and, in the West South Central States, 14.7 percent.

Throughout the nation as a whole, there has been a slow but steady growth in recent years, from one to two percent annually, in the number of non-farm business firms. Offsetting this rise, however, has been a decline in the number of farm operators.

Approximately 450,000 new enterprises are established each year and about 400,000 go out of business for one reason or another.

Outside of farming, most people who work for themselves are in retailing. The next larg-

est number are in the service businesses.

In Deaf Smith County, according to the Commerce Department, some 145 residents operate their own retail stores and 86 have service businesses.

As to the chances of a new business prospering, the Labor Department finds that the odds are five to one against its lasting ten years. The mortality in the first year is especially high.

It lists four ingredients for success. The first is money. There should be enough of a cushion or reserve fund to carry on for a considerable time, since few businesses are profitable in the early stages.

In addition, a new business requires long hours of hard work, it takes imagination and flexibility to cope with varying situations that arise and it takes general business know-how and a knowledge of that kind of enterprise in particular.

The latter will come as no surprise to those who have conducted businesses over the past few years.

There will be a reception held for the Johnny Clark Jr. family and the Dillie M. Kelley family this Sunday at the High School cafeteria. Clark is the new Superintendent of Schools and Kelley is the new business manager.

The reception will be held from 3 to 5 p.m.

Beatie Ringo says he hopes his child will be a musician. It's typical of parents to hope their children will be far more successful than they have been.

Rising out of the dense jungles 150 miles northwest of Phnom Penh, the capital of Cambodia, are the ruins of the ancient Khmer capital, Angkor.

4-H's Will Be In Ice Cream Business

Deaf Smith County 4-H club members will be amidst the bustle during the grand opening of Downtown Variety Park as they sell ice cream to the shoppers from 1 until 8 p.m. The youth will be selling from their booth in the 200 block of N. Main St., where ice cream will go for 20 cents a cup.

All clubs in the county will participate, said Mrs. Hugh Clearman, committee member. Funds from the homemade ice cream sale will go to help finance club trips to district and state meets.

'LIVING LETTERS' OVERSEAS NEW YORK (AP) — Both the

American Red Cross and the U-SO are helping Americans at home exchange "living letters" with servicemen overseas.

At USO headquarters in Saigon and Da Nang, Viet Nam, American men go to a tape room where they play tape-recorded messages from wives, children, parents and sweethearts. In turn, the GI's record messages to mail to the folks back home.

The Red Cross program is called "voices from home."

23 Contestants In Pageant

(Continued from Page 1)
Workers prepare settings for the ribbon cutting and beauty pageant events.
Visitors to the downtown today will be served free soft drinks from 10 a.m. until 5 p.m.
Stanton Junior High Band will give a concert at 2:30 p.m. to kick off the ribbon-cutting event.
Soft drinks and sandwiches

will be served following the ribbon cutting ceremony.
MORE THAN 200 persons have been invited to attend a reception and dinner at the Hereford Country Club at 6:30 p.m. Smith will again be featured speaker.
Khiva Drum and Bugle Corps of Amarillo will perform on Main St. just prior to the Miss Downtown Variety Park Beauty

Pageant.
TONIGHT'S pageant promises to be a glamorous one. A stage will be erected in front of the First National Bank and spotlights from the tops of nearby buildings will focus on the 23 contestants.
On hand to crown "Miss Variety Park" will be the reigning Miss New Mexico, Judy Baldwin of Clovis. Miss Baldwin was

recently named runner-up in the Miss USA contest.

THE PAGEANT will get underway with dixieland musical entertainment provided by the "Downtown Variety Park Entertainers"—a group which gains annual fame in the Lions Club variety show.
Background music for the contest will be provided by the Charlie Bell Quartet.
Bell, who is director of the beauty pageant, said that prizes totalling \$1,000 in value will be awarded finalists in tonight's contest.

SO LENGTHY was the list of prizes that Bell called on electronic data processing equipment at Electro Data Service to distribute awards proportionately among the ten finalists of tonight's contest.
Judges for the pageant will be the reigning "Miss Amarillo," Jane Scanlan; state representative Bill Clayton of Springlake; and Otis "Pop" Echols of Clovis, musical composer, showman, and radio station owner.
Contestants will model bathing suits and formals at tonight's contest. Prior to the pageant, the contestants and judges will be honored at a tea and reception at 4 p.m.

HEREFORD merchants and city officials will play host today to a host of counterparts from numerous area towns, who have been invited to attend the grand opening celebration.
Following is the list of contestants in the beauty pageant and their sponsors:
Lynn Sowell, Hereford Hardware; Peggy Neff, Bradley Studio; Barbara Langley, Justice Real Estate; Sharon Tinnin, First National Bank; Penny Jones, Roger's Drug; Vicki Burns, General Gas; Linda Boardman, Ben Franklin's; Cynthia Leasure, Electro Data Service; Marsha Burns, Panchera Tire Co.; Judy Summers, Roberts Appliance; Barbara Clements, All American Acceptance Corp.; Gloria Damon, Carmichael Real Estate; Linda Lee Hart, Big T Pump Co.; Judy McNeil, Popular Store; Denise King, Leon's Shoe Store; Ann Braddy, Brown's Sheet Metal; Jani Brumley, First Supply; Nancy Boyer, First Printing Co.; Royce Ann Gilliland, KPAN-FM; Suzanne Seliger, Hamby Real Estate; Shera Harris, Wilson Insurance Agency; and Penny Johnson, Rutherford and Co.

Chamber Asks Committee Study Address Changes

(Continued from Page 1)
once again brought to public light by the chamber's governmental affairs committee.

COMMITTEE chairman Roy Faubion appeared before the commission Monday, accompanied by Hereford postmaster Nolan Grady, saying that the chamber board has recommended that the city commission appoint a committee to study the problem and submit proposals which would alleviate the problem as much as possible.
Faubion stressed the fact that the chamber was not attempting to tell the city how these changes should be made, but merely pointing out the problem areas and requesting that something be done about them.

COMMISSIONERS took no action concerning the chamber's request.
Included in paving projects for which assessments were affixed Monday are the following streets:
— 15th St., from Blackfoot St. east to Ave. K, assessed at \$4.94 per front foot.
— 15th St., east from Ave. K to Whittier St., \$5.27 per front foot.
— Ave. H, from Grand Ave. north to 14th St., \$4.05 per front foot.
— 14th St., from Ave. H east to Ave. I, \$3.80 per front foot.
— 14th, from Ave. H west one-half block, \$4.41 per front foot.
— Myrtle St., east from Whittier to East First, \$4.47 per front foot.
— Ave. I, from 13th St. to 14th St., \$3.79 per front foot.
— Whittier St. from East First to Myrtle, \$3.94 per front foot.
— Ranger Dr., from the end of the existing paving north to Welsh St., \$4.56 per front foot.
— Bennett St. from West First north to West Second, for \$3.87 per front foot.
PRIOR to establishing assessments, commissioners conducted a public hearing on the proposed paving. A letter from one

citizen was the only protest heard in connection with the proposals.

City attorney Earnest Langley pointed out that recent Texas Supreme Court rulings provide that assessments on street paving can not be ordered unless it is shown that the improvement will bring about a corresponding increase in value of the assessed property.
Commissioners said that they felt there was no question that the paving ordered by the city would increase value of the property owned by the citizens who will be assessed paying costs.

IN OTHER business, representatives of the Hereford American Legion Post appeared before the commission asking how they might display flags on Main St. on holidays.
The group has contracts with downtown businesses to display flags on appropriate occasions, but removal of parking meters in connection with Main St. improvements leaves no stands on which to mount the flags.
Commissioners suggested some possible solutions for the problem and the American Legion representatives said they would try to work them out.

Traffic

(Continued from Page 1)

lights, which hung over the intersection, warning motorists not to make the left turn and had been there since November of last year.
"We did not enforce the ordinance while the variety park construction was taking place, but now that it is finished motorists should obey the arrows," he said.
"THE ARROWS" in the green light are just as legal as the signs and have the same significance," he added.
The chief also said that officers are enforcing the city "jaywalking ordinance" on Main Street.
"We will have a patrolman downtown on busy days to control the jaywalking and to issue citations to those who do not obey the walking lights," he said.
Those disobeying the jaywalking and no left turn ordinances may be cited and ordered to appear in corporation court.

Card Of Thanks
To all my friends and neighbors I want to say "Thank you" for the blessing you have been to me and my family since my accident. Your prayers are being felt and answered. God bless you all.

Aging Study Group Sets Public Meeting

Sponsored by the local Governor's Committee on Aging, a three-part program will be presented in Hereford Community Center at 8 p.m. August 24, open to the public, the Rev. Don Davidson, committee chairman, announces.
A brief address on The Future for Elderly by the Rev. William Swain, a proponent of decentralized care for the elderly, will open the program. H. S. Gelden, district officer for Social Security in the Amarillo office, will present a statement on Medicare Prospects.
A forum of questions and answers will follow with Rev. Davidson as moderator. Executive Director of Kings Manor, he is a member of the Governor's Committee on Aging for Texas and was recently named chairman of the local committee.
All civic and study organizations are urged to have representatives present for the program, he said. Adults whose parents are involved in the field of study are invited to participate.
Membership on the committee is open to volunteers. The group plans to present other programs on problems of the aging, similar to that outlined for Aug. 24.

about 60 degrees. He felt the difference here rather quickly.
Traveling across the United States not only allowed Leif to see what the country looked like, but showed another difference with Denmark. There the "super-highways" are not as common, he said. Cars are virtually nonexistent among the teenage set, another change Leif wasn't expecting upon his arrival here.
WHEN LEIF receives his diploma of graduation from Hereford High School in the spring of 1966, he will not have completed his high school requirements as will have his classmates. Upon his return to Denmark, Leif has two more years of school awaiting him; his year in Hereford will not be a credit toward his Denmark graduation.
In preparation for his upcoming year in Hereford High School, Leif is now enrolled to take English, American history, algebra, typing, speech and physical education.
Among the likes and dislikes he is developing, he has found that he does like corn. Believe it or not, Leif had never tasted the stuff before he arrived in the United States.
A DISLIKE is the advertising done on television — there's too much, he thinks.
Part of the time between now and the time school doors will open, Leif and his American family will be in Santa Fe, N. M., and Colorado. Leif and his brother Gary are also planning to get in as much water skiing as they possibly can before the weather is too cool for the sport.
Leif comes from a Danish home where his father is an automobile salesman and his mother is a housewife. He has one brother, 12 years of age. Although Leif does not work during the school term, he has been working at a car wash during the holidays.
He's looking forward to developing a deeper understanding of the American people. Such is his interest that he has developed no homesickness whatsoever — "none at all," he says.

HEREFORD FOOTBALL ACTION BEGINS -- Hereford High School's Whitefaces began pre-season training Monday. Philip Cain (left) looks for an opening as he works to perfect the Hereford aerial attack. Walter Williams (center) jumps high to receive the pass from Cain. Handoff plays through the center are important for yardage gains on the ground. Above Cain hands off to Billy Frank as Frank gains speed to plow through the line. Coach Jack Meredith hopes passing will play an important role in his strategy this year. AT MONDAY'S FIRST PRACTICE

Whiteface Mentors See Pleasant Grid Surprises

By DAVID BUTLER
Staff Writer

Hard work and determination could aptly describe action during Hereford Whiteface football squad workouts this week.

Coach Jack Meredith said coaches had a pleasant surprise Monday when all the men turned out in top condition to begin the pre-season practice.

OTHER pleasant surprises came in the way of Ed Mims, Greg Richards and Ernie Williams. Coach Meredith said that these boys showed some tremendous progress since last spring.

Two men have shown talents for the quarterback job and are nearly equally matched. Steve Hodges and Gary Victor

both handle the ball well, Meredith said.

"HODGES can throw the ball deeper, but Victor is somewhat quicker," he added.

Thus far, only two boys have been injured and neither of them were hurt seriously. Walter Williams received a sore knee and Tony Malouf is suffering from a sore shoulder.

"All of the boys are working

hard and are optimistic," the coach said.

"WE HAVE tentatively scheduled two scrimmages with Clovis and Brownfield. Next week we meet Clovis and then Brownfield the following week," he said. "I am not sure about the date yet, but we will wait until both teams are ready to play," he continued.

The coach said that the whole team is ahead of last year's team at the same point in practice.

"We are trying to work to a peak by the Plainview game," said the coach. "We are not going to try to push our boys too fast," he continued.

THE TEAM has been working on basic defense about one-third of the time during the early practice sessions. Coach Meredith said he intends to delve more deeply into defensive play later this week.

"We have better speed than ever before and better receivers for passing as well as some who have talent for hurling the ball," he said.

"OUR TIMING is off a little now, but this can be expected in the first few practice sessions," said the coach.

"We have not really begun coordinating the backs with the line yet," he said.

"Our worst setback is in experience in our line -- our backs have a great deal of experience he said. "The men on the line are resolved to improve and determination will help narrow

the gap," he continued.

BOTH THE varsity and the B-teams have been practicing two times daily, but starting today the B-team will have only

one session. Varsity players will continue practicing at 8 a.m. and 5 p.m. for a few more days. Hereford is facing a rough non-conference slate as well as

a tough district schedule this fall. The Whitefaces are picked to come out second in the district 1-AAA competition behind Dumas, the defending champs. "We have 53 boys who are bent on winning," the coach said, "and with a lot of hard work and continued determination I think we can."

IN SPAIN

Coed Will Learn Spanish Easy Way

By ANN O'DOWD
Staff Writer

"I think you can learn Spanish a lot faster when you're in the atmosphere," says 20-year-old Kay Seamands. And that is exactly what she intends to do.

Kay has been majoring in Spanish the past two years at a Catholic college for women in Denver, Colorado, but will spend her junior year in Spain.

"I FIRST wanted to go when my sister went to Europe, so I decided to go over and study,"

commented Kay on her decision to study abroad.

Scaling her courses to fit the "Junior Year Abroad" plan was done as Kay entered college her freshman year. "I planned on Spain all along," said Kay.

Three miles from the Mediterranean, the younger daughter of Mr. and Mrs. Owen Seamands of Hereford will attend the University of Valencia, in Valencia, Spain.

ALL OF HER courses will be geared to the Spanish language, and will be taught in Spanish.

When questioned about her schedule Kay remarked, "Most of my classes will be in the morning. I'll eat a late lunch (around 2:00 p.m.) and then a heavy supper at 9:00 or 10:00 p.m. Their night life begins between 11:00 p.m. and 12 midnight. . . . I don't know how I'll adjust to that!"

One of the most unusual parts of Kay's college and everyday life will be the siesta. Every afternoon classes, stores, and homes shut down for a two or three hour rest. Oriented to the American way of life, Kay intends to use the time for studies while the Spaniards rest.

BUT THE Hereford co-ed won't be alone. More than 300 other American students from across the United States will be studying at Valencia. The college is one of many in Europe that co-operates fully with the "Junior Year Abroad" program endorsed by the University of San Francisco.

"The American students have a choice of resident," Kay said. You can live with a family or in a dorm, but I decided to live with a family," she continued.

KAY WILL be living with a middle-class, upper-class Spanish family but has not been notified of any specific details. "I should know within the next couple of days," she said hopefully.

In the moderate year-around 60 degree climate, Kay will be wearing light wools. Tailored suits and low heels will accompany her wardrobe as they are the "chic" of Spanish college fashion.

Two items which Kay was warned against taking were tennis shoes and Madras. "I've been told that those are the uniform of a tourist . . . and a tourist I'm not!" says the college co-ed.

BUT SHE does plan to do some "touring".

Before she boards her plane Sept. 30 in New York City bound for Madrid, Spain, Kay and her family intend to spend a week seeing the sights of New York.

And when college adjourns in the middle of June next year, she plans to take advantage of her European environment.

ITALY, France, Portugal, and

North Africa have already been chartered in her plans, with patients still plans on other countries.

Club And Guests Are Entertained

A swimming party at Green Acre Pool, followed by a picnic supper Tuesday entertained Valeda Study Club members and guests. The backyard supper was served at the Charles Hoover home, 301 Sunset, with ice cream and cake for dessert.

Present were Mr. and Mrs. J. R. Oglesby, Suzanne and Mike; Kathy Cardinal of Amarillo; Tom Lesley; Mr. and Mrs. Joe Frank Clark, Brad, Cynthia and Mike; Mr. and Mrs. H. T. Wiley of Lubbock; Mr. and Mrs. Gene Parsley, Jane and Steven; Shelley Gerk, Sharon Garrison.

Also Mr. and Mrs. Bill Bradley, Janet, Truett and Jeannine; Sandra and Beverly Willis, Mr. and Mrs. Robert Willmot and Ross, Mr. and Mrs. Gid Brown and Carl, Mr. and Mrs. Gwynne Owens and Roger, John Richard Sparks; Mr. and Mrs. Hugh Clearman, Carole, Kay and Lynnette; Mr. and Mrs. Armon Lauderback, Lynn and Donnie; Mrs. Hoover, Connie and Debbie.

The club will begin its new season with a "welcome back" supper Sept. 13, with yearbook committee members as hostesses.

Farewell Party Is Surprise

A surprise farewell party was given for Vickie Payne Saturday afternoon in the home of Suzanne Oglesby, with Becky Owen as co-hostess. Vickie will move to Clovis, N.M. Aug. 24.

Patio and backyard of the Oglesby home were gay with Stanton Junior High colors and big posters wished Vickie good luck. She was presented a blue velvet-lined clarinet case.

Guests invited were Lou Ann Kendall, Mary Robinson, Denise Daniels, Janice Newsom, Margaret Phipps, Patricia Hill, Ginger Golson, Judy Hollingsworth, Jeannette Rench, Becky Bell, Martha Kate Alken, Lanny Buck, Mrs. Dennie Richardson, Renette Hubble, Mary Sue Neff and Gail Brothers.

An out-of-town guest was Kathy Cardinal of Amarillo, house guest of Suzanne Oglesby for a week in the home of her parents, Mr. and Mrs. J. R. Oglesby.

Prepare a pie from a package of chocolate pudding mix and a baked 8-inch pastry shell. Cover the top copiously with flaked coconut and garnish with orange sections.

Relatives Pay Visit To Mrs. J. E. Beyer

Mrs. J. E. Beyer, 431 McKinley, has had several members of her family as guests recently. Her daughter, Mrs. Harold Hicks, with Mr. Hicks and son, John, were here from Little Rock, Ark. They went on to a camp at Glorieta, N.M., and stopped again on the return trip.

While they were here Mrs. Hicks' brother, P. L. Beyer, and Mrs. Beyer came over from Amarillo. Mr. and Mrs. Charles Moore of Modesto, Calif., also visited a few days enroute home

from the New York World's Fair. Mr. Moore is a nephew of Mrs. Beyer.

Crowd at Picnic Includes Some From Far Places

On Saturday evening the Little Bull Barn was the meeting place for old friends to enjoy an evening of fellowship and a picnic supper.

Coming from far and near to enjoy the occasion were, from Hereford: Adaline Vance, Char-

les and Oma Lee Kropff, Lee Roy and Erma Rickman and their two children, Johnny and Debby.

Also from Hereford were Dean and Nina Robbs, Bud Cawthon, Clarence and Sonja Schulz, Ronald and Leona Matthews and granddaughter, Melinda Matthews.

From other cities and states came Ben and Minnie Jennings, Irving; J. T. and Melba Hypcock, Huntington Beach, Calif.; Elmo and Florence Vaughn, Bakersfield, Calif.; and Vernon and Karen Hypecock, Westminster, Calif.

Others included Jo Ed Burle-

LET'S COOK SOMETHING

Recipe Fills Cookie Jar

By SUE COLEMAN
Women's Editor

What does a cooking teacher cook when she isn't teaching cooking? She cooks cookies! At any rate that is one of the things Mrs. Joe Bradley, freshman foods instructor in Here-

ford High School homemaking department, likes to cook at home for her family. She bakes them in large quantities to keep the cookie jar well stocked. Her husband and three daughters like cookies for snacks; she finds them convenient for im-

promptly desserts and likes to have them to serve with coffee to callers. So she often doubles recipes for the many varieties of cookies she makes. Here is one of her favorite recipes:

CHOCOLATE KRINKLE COOKIES
1/2 cup shortening
4 squares baking chocolate
2 cups sugar
2 cups flour
4 eggs
2 teaspoons vanilla
2 teaspoons baking powder
1/2 teaspoon salt.

Melt chocolate over low heat. In a large mixing bowl put chocolate, shortening, sugar, and vanilla. Mix with electric mixer. Add eggs one at a time, beating well after each. Add flour which has been sifted with baking powder and salt; continue to beat well.

Chill several hours or overnight. To bake, use ice tea spoon to make small balls; roll them in powdered sugar and place on a well-greased baking sheet. Bake 10 minutes at 300 degrees. Cool on waxed paper.

This recipe makes six dozen and Mrs. Bradley suggests that if the quantity seems large, the cookies freeze nicely.

Mrs. Bradley will begin her 17th year as a homemaking teacher next month, her second year in Hereford. She and her husband, who is manager of the Texas Employment Commission office here, moved from Olton a little more than a year ago.

Rounding out the family, their daughters are Susan, who will be a sophomore in Hereford High School this year; Melinda, going into the fourth grade, and Ann, who will begin her school career at Northwest Elementary.

The former Dean Spear, Mrs. Bradley grew up in Childress and after graduation from high school there, attended Texas Tech, where she received the B. S. degree in home economics.

In addition to teaching she sponsors one of the Future Homemaker chapters at Hereford High and is an advisor to the Young Homemakers Association. She likes to sew, a hobby useful to the mother of daughters, and she attends First Baptist Church.

Reunion Scheduled For Terry County

The fifth annual reunion of the Terry County Pioneers Association is scheduled to be held in Brownfield on Saturday, Aug. 28, 1965. The affair will be held at the American Legion Hall, located at 800 Seagraves Road, and registration will begin at 8:00 a.m.

Present members of the association, who now number about 500, as well as former residents and their children who have lived in Terry County for 40 years or more, are invited to attend and bring a picnic lunch.

All persons who qualify for membership are especially urged to attend and register, as this organization affords an excellent opportunity to renew acquaintances, meet new friends, and reminisce about the "Pioneer Days in Terry County."

AT CONVENTION — Panel participants discuss the growth of rural electric systems during the 25th anniversary annual meeting of Texas Electric Cooperatives, Inc., held last week in Dallas. From left, they are D. T. Trapp of Cumby, director of Farmers Electric Cooperative, Greenville; Clarence Hamilton, Earth, vice president of

Bailey County Electric Cooperative at Muleshoe; E. H. Florence, manager of Bowie-Cass Electric Cooperative, Douglasville; Ray Simpson, power use advisor for Deaf Smith County Electric Cooperative at Hereford; and Leon Netardus, public relations advisor for Guadalupe Valley Electric Cooperative, Gonzales.

800 Rural Texans Attend Electric Coops Meeting

(Special To The Brand)

More than 800 rural Texans renewed their commitment to play a leading role in "Helping Texas Grow!" in Dallas last week. They were delegates from Texas' 79 rural electric systems to the 25th Annual Membership Meeting of Texas Electric Cooperatives, Inc., August 11-12.

Speaker after speaker of national and state-wide prominence praised the efforts of rural electric systems in this endeavor; and representatives of rural organizations — FFA, 4-H, FHA, Young Farmers, and Young Homemakers — joined in offering the leadership of their respective groups to a cooperative venture of building a better Texas.

The meeting was highlighted by the selection of Miss Jan Brown of Harper (Gillespie County) as the 1966 Miss Texas Rural Electrification. The 17-year-old daughter of Mr. and Mrs. Clinton Brown is a former Texas Peach Queen.

R. L. Elliott, Jr., manager of Rita Blanca Electric at Dalhart, was elected president of the state-wide association for 1965-66. Serving with him are B. C. Broad of McCulloch Electric, Brady, vice-president; Michael E. Sloan of Cooke County Electric, Muenster, secretary-treasurer; and Chester Kirk of Kimble County Electric, Junction, Jay Seefeld of Rio Grande Electric, Brackettville, A. W. McTee of Hunt-Collin Electric, Greenville, and O. L. Baker of Mart, directors.

W. G. Newton of South Plains Electric, Lubbock, was re-elected Texas director of the National Rural Electric Cooperative Association.

Seth Kennedy, manager of Victoria County Electric at Victoria and outgoing president of the association, reported on the growth of the state-wide organization during its first 25 years — including completion of a new pole treating plant at Jasper, a modern transformer repair shop at Austin, and the largest-circulation state-wide rural magazine in the nation, Texas Co-Op Power, with a quarter-of-a-million circulation in rural-suburban Texas.

"It is only natural though," said Tom Reavley, judge of the 167th District Court at Austin, "that this 'talk up for Texas' leadership should come from rural electric leaders. Each rural electric system covers several counties. How often do you have any other organization with the perspective, broad background, and interest in an area to match rural electric systems?"

"IT IS NO accident that you delegates, the leaders of rural electrification, have been called upon to lead programs of local rural development," Reavley challenged the delegates to lead, follow, or get out of the way of this oncoming growth of rural Texas.

economics, Texas A&M University, urged the participation by women in every facet of community life from homemaking to politics.

DETAILS of the community improvement program which repeatedly won first place in state competition for the Newburg Community, Comanche County, were described by Mrs. Ann Lane, former president of the Young Homemakers of Texas.

The ladies also elected Mrs. Chester Kirk of Junction to be their chairman for the next year.

Member service and power use advisors of local systems met in all-day session to share experiences and ideas relating to electric cooperatives' support of youth and young adult organizations and to hear reports of promotional campaigns.

FIVE RURAL electric leaders, as a panel, discussed how the growth of rural electric systems depends on service, members, friends, and the public. Clarence Hamilton of Earth, member of the board of directors of Bailey County Electric, Muleshoe, was moderator. Panelists were E. H. Florence of Bowie-Cass Electric, Douglasville; D. T. Trapp of Farmers Electric, Greenville; Leon Netardus of Guadalupe Valley Electric, Gonzales; and Ray Simpson, Jr., of Deaf Smith County Electric, Hereford.

Two Trios Four Folk Songs Sing

By ANN O'DOWD Staff Writer

The green leaves of summer are fast fading out, but two of Hereford's local folk singing groups, are still going strong. Both groups, The Wayfarin' Three and The Island Trio, are composed of high school and college students and will disband at summers end. However, they intend to play

and practice right up to the wire.

ORGANIZED at the beginning of the summer, The Wayfarin' Three is the youngest of the two trios. Twins, Morry and Terry Brown, plus Bruce Miller Jr. make up the group.

"The first week we got together we thought it would be hopeless," said the group, but with two guitars and a banjo

the three have sung their way through a grand opening program at Calsons restaurant, a Red Cross talent program and several local club meetings.

ALSO IN the "folk song only" category, is the Island Trio, which got their start back in December of 1964.

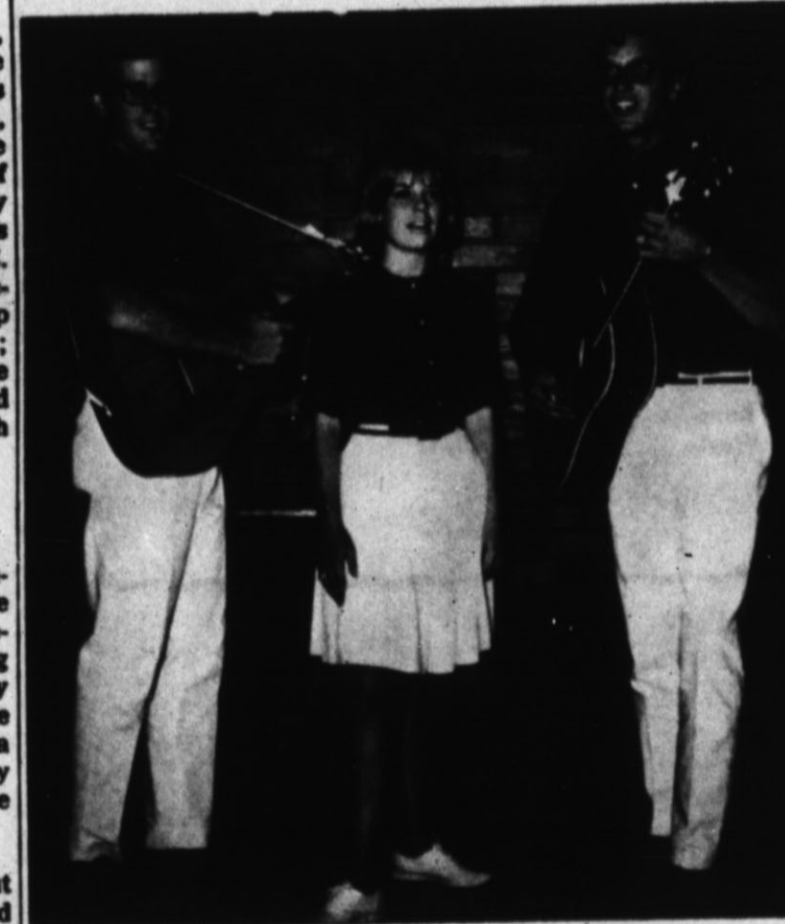

Barbara Langley puts a strong voice in for the fairer sex in the folk music realm, and Gary Don Roberson and Jimmy Allison keep the foothold for the men.

The tenor, bass, and contralto group has appeared in various spots across the Panhandle. Among these are: Hereford Lions Club Variety Show, the West Texas Teachers Conference in Canyon, and a fashion show in Amarillo.

With classic guitars and white and blue matching outfits the Island three join The Wayfarin' Three as they burn a musical trail down that rocky road of the talent world.

DOWNTOWN VARIETY PARK

Today is the DAY.....

Aug. 19th - Time 3:00 P.M.

WELCOME TO HEREFORD: We take this opportunity to invite each and every one to visit Hereford today, Thursday, August 19 to view the completed downtown Variety Park project.

The City Officials have long felt the need for remodeling the downtown area. This is the heart of any city . . . the show-place for visitors, as well as being the property with the highest tax valuations. Indeed, the downtown area is important to any city.

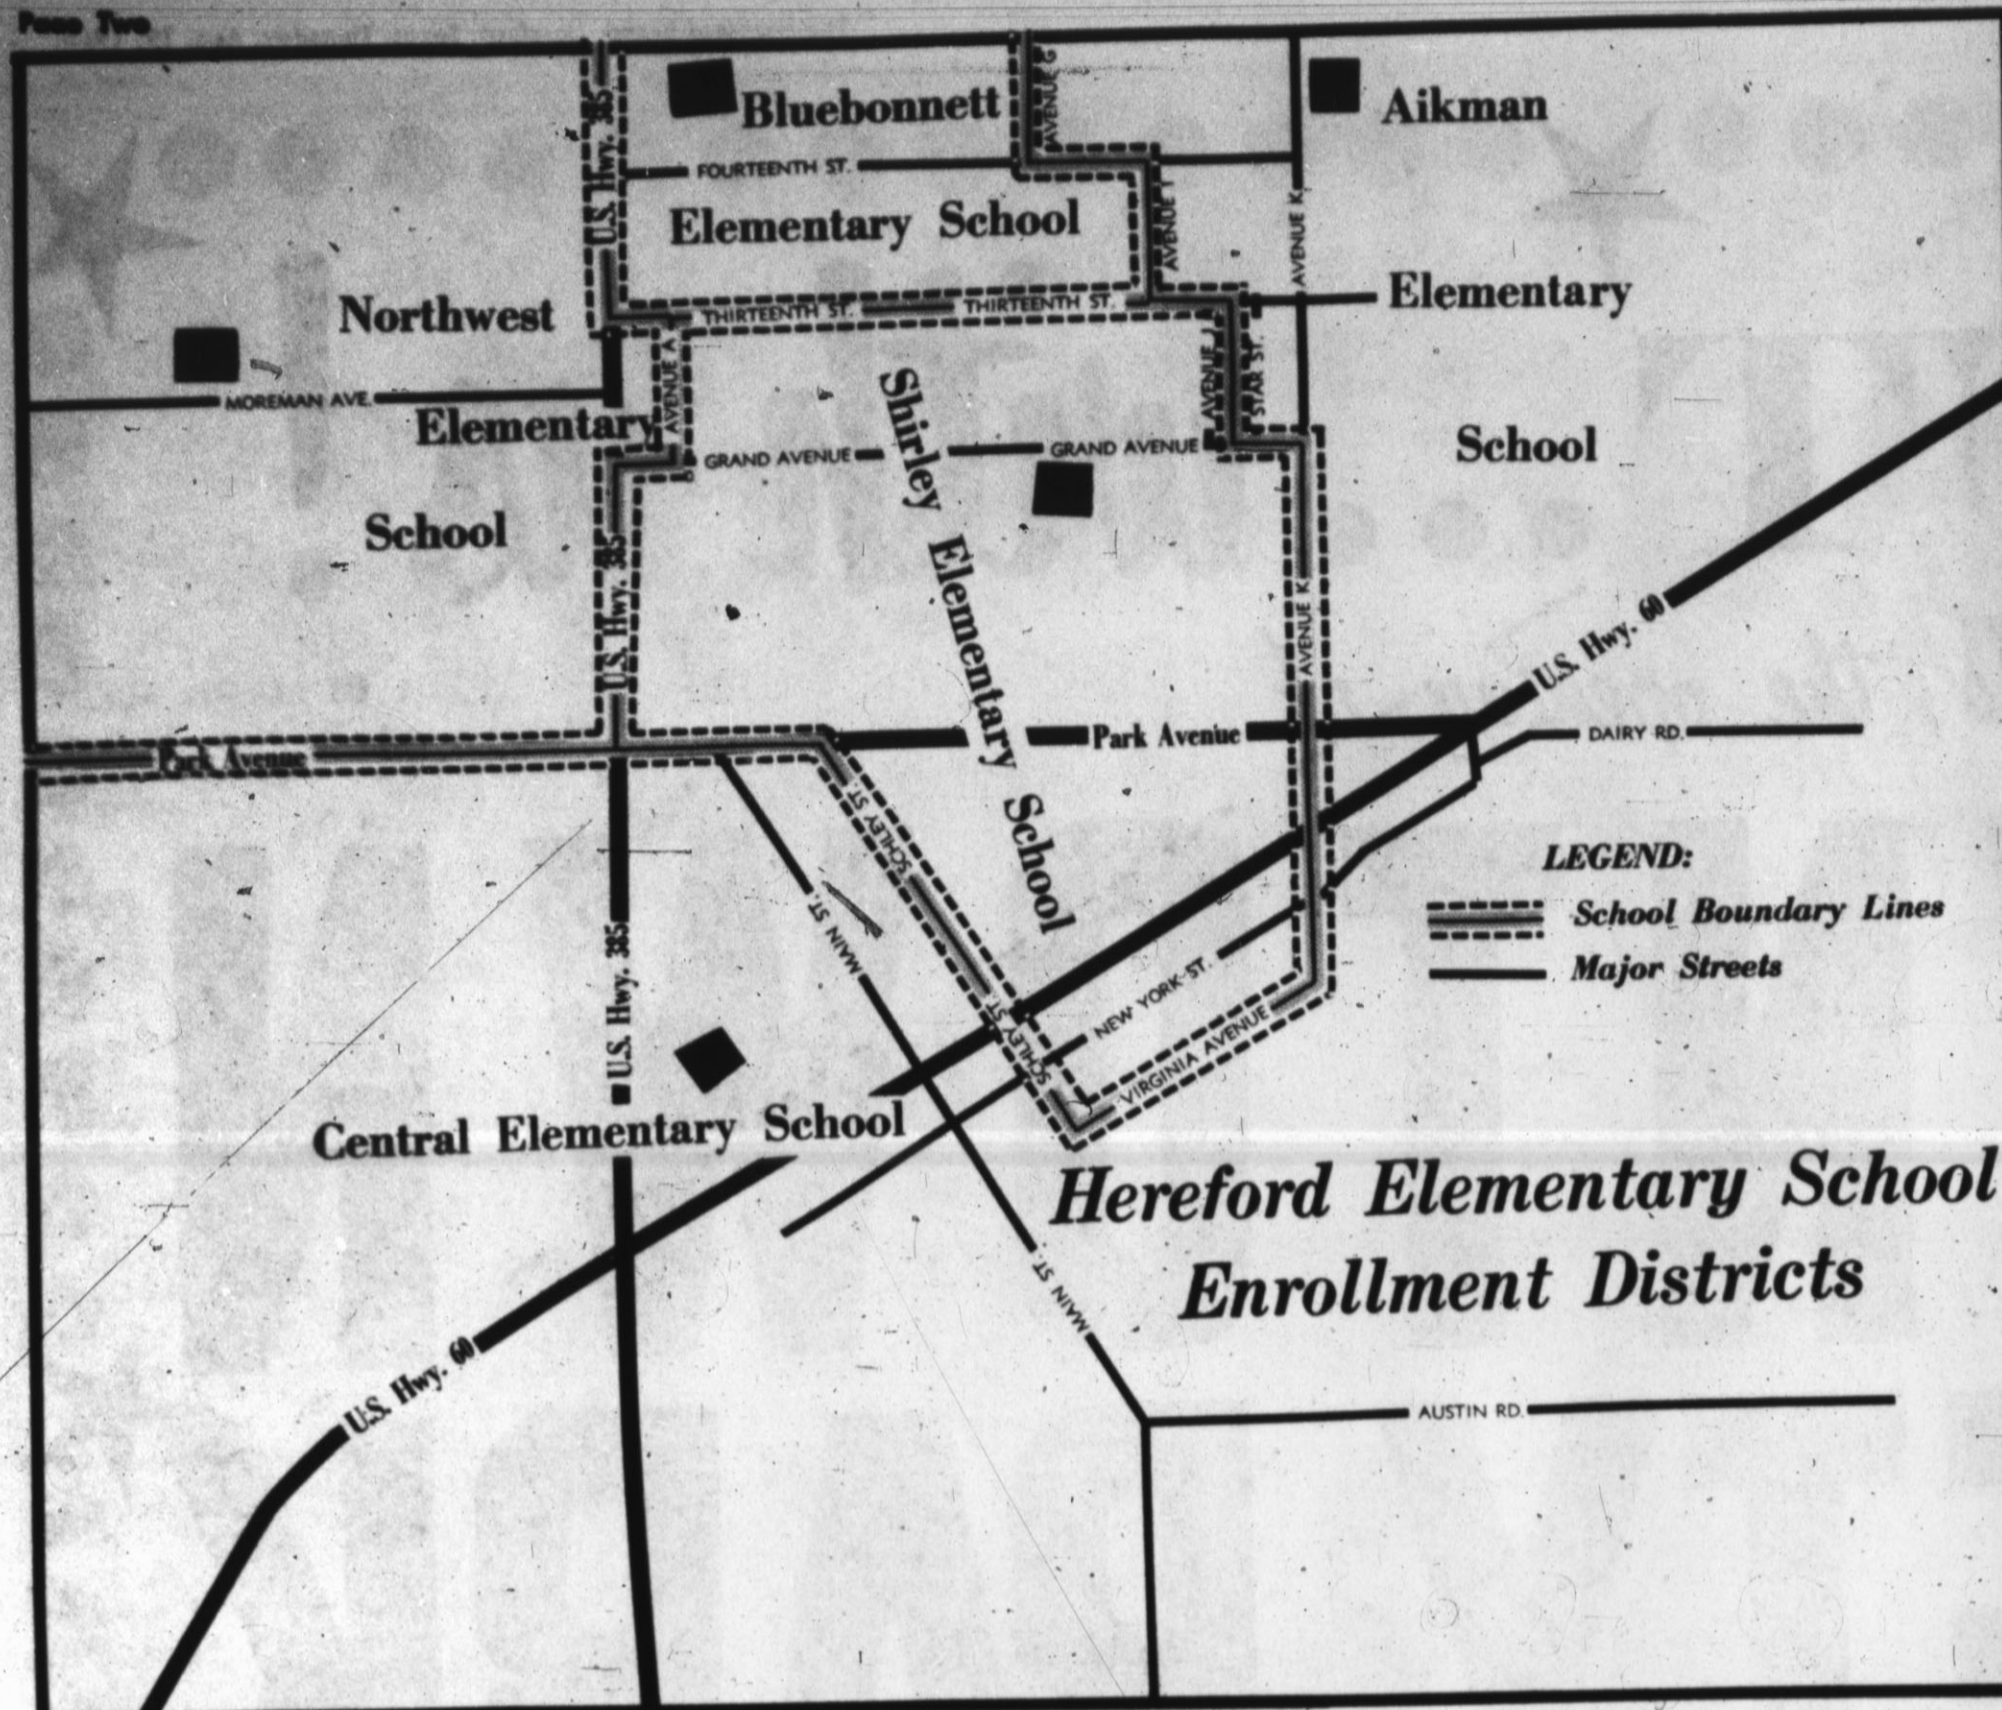

But come join in the festivities . . . look over the new downtown area . . . have fun. It's a pleasure to have you as our guest.

Ray Lawner

Mayor, City of Hereford

THE CITY OF HEREFORD

ELEMENTARY DISTRICTS SHOWN — The map above shows boundaries for enrollment districts of the five elementary schools in Hereford. Dividing line for school enrollment districts will be the center line of the street or alley on which the boundary falls. School officials said that all students must enroll in the school in the district in which they reside. See story on Page One.

Junior Hereford Breeders Slate Annual Contests

The Panhandle Junior Hereford Breeder's Association has announced plans for its annual field day and judging contest to be held at Cal Farley's Boys Ranch on Friday, Aug. 20, according to Mary Ann Boyles, Channing, president of the association.

Highlight of the full day's program for juniors and adults will include talks by Dan Thornton, a Hereford breeder and former Governor of Colorado, and by representatives of the American and Texas Hereford As-

sociations. The judging contest will begin at 8:30 a.m. and prizes will include a registered Hereford heifer, a saddle, boots and trophies for top individuals and teams.

Hereford breeders from the area will be bringing in animals for the judging classes. An added feature of the program will be roping and bull riding by the boys at the Boys Ranch.

Boys Ranch was founded in 1939 by Cal Farley and covers some 1,400 acres. It has its own 12-year accredited school, a non-sectarian chapel, its own bank and postoffice. The ranch is located some 40 miles northwest of Amarillo.

Hereford enthusiasts, both adults and juniors, are invited to attend and participate in the activities.

Rep. Rogers Voices Views On Farm Bill

WASHINGTON — Congressman Walter Rogers said today the omnibus farm bill is expected to come to a House vote Wednesday or Thursday.

"This measure contains, in one package, all the major farm legislation to be brought to the House floor this year," Congressman Rogers said. "Many of its provisions are extremely controversial and will be subject to heated debate."

"It is hoped proper amendments can be adopted to make the bill more practical and more acceptable," Congressman Rogers said, adding, "It is my hope that a provision for a referendum by the farmers will be included."

The Congressman noted that "urban members are raising many arguments against the bill."

He said, "While I would have preferred that separate bills affecting commodities be brought to the floor singly, the farm program legislation was 'packaged' to attract the broadest possible support."

"It was felt that the continuing decrease in farm vote strength because of population shifts would make it impossible to pass separate pieces of legislation confined to each commodity," Congressman Rogers said.

Congressman Rogers added, "Faltering farm income is becoming increasingly serious, affecting not only the farm families but also the towns and cities dependent on agriculture."

Son Of Hereford Couple To Vietnam

Warrant Officer Darrell C. Jones, son of Mr. and Mrs. John A. Jones of Route 5, Hereford, left Ft. Benning, Ga., last week with the 1st Cavalry Division for Vietnam. He will serve as a helicopter pilot.

Jones and his family visited his parents Aug. 5-8. His wife and three children will remain in Columbus, Ga., during his expected tenure of duty in Vietnam.

NOTHING WASTED

DENVER — Not a scrap of lead or a cartridge case is wasted when Denver policemen do their target shooting in the basement of the Police Building.

Each officer is required to turn in the empty cases and the smashed lead bullets are recovered in steel containers holding fireproofed sawdust.

Edward J. Kopper, pistol range master, and his assistant, Donald Imes, then melt the lead scraps into half-pound ingots from which fresh bullets are made and inserted into the used cases. The second-hand bullets are used only for target practice.

MORE RECORDINGS SOLD

NEW YORK — Phonograph record sales in 1964 sold at an all-time high, the Record Industry Association of America says.

In retail list price value, sales in 1964 amounted to \$578,000,000 against \$529,000,000 in 1963.

Long-playing record comprised about 76 per cent of total dollar volume, pretty much the same as in 1963.

Stereophonic recordings accounted for 45 per cent of total LP sales compared with just under 44 per cent in 1963. In stereo, classical albums also were up a per cent; classical comprised over 54 per cent of total stereo sales compared with 53 per cent in 1963.

You May Cut Your Own Hair

... But you can NOT save your soul!

Jesus fixed it that way. This man is a big man... a rugged business man... experienced in all the ways of life. He is reliable, self-confident and successful. Man is master over a few things but his success fades when God's help ends. So does yours. *A man may cut his own hair but it is impossible for him to save his own soul.* Whoever you are... whatever you have done... you have a life to live, a soul to save, an eternity to spend. You need the help of one far more infinite and much wiser. *He is a willing God.* Try meeting Him halfway and your luck will change. He won't issue permits on many of the things you do but He welcomes you to His church.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. You in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

REP. ROGERS REPORTS

Water Desalting Bill Becomes Law

I was privileged to be at the White House Aug. 11 as President Johnson signed into law a bill we had passed in the House and Senate to step up research efforts in water desalination.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 47 proposing an Amendment to Section 4, Article III, Constitution of the State of Texas, to provide four-year terms of office for State Representatives.

day of potable water. This is a goal long-dreamed of; the country would benefit immeasurably were we able to provide desalinated municipal and industrial water supplies in quantity at low cost.

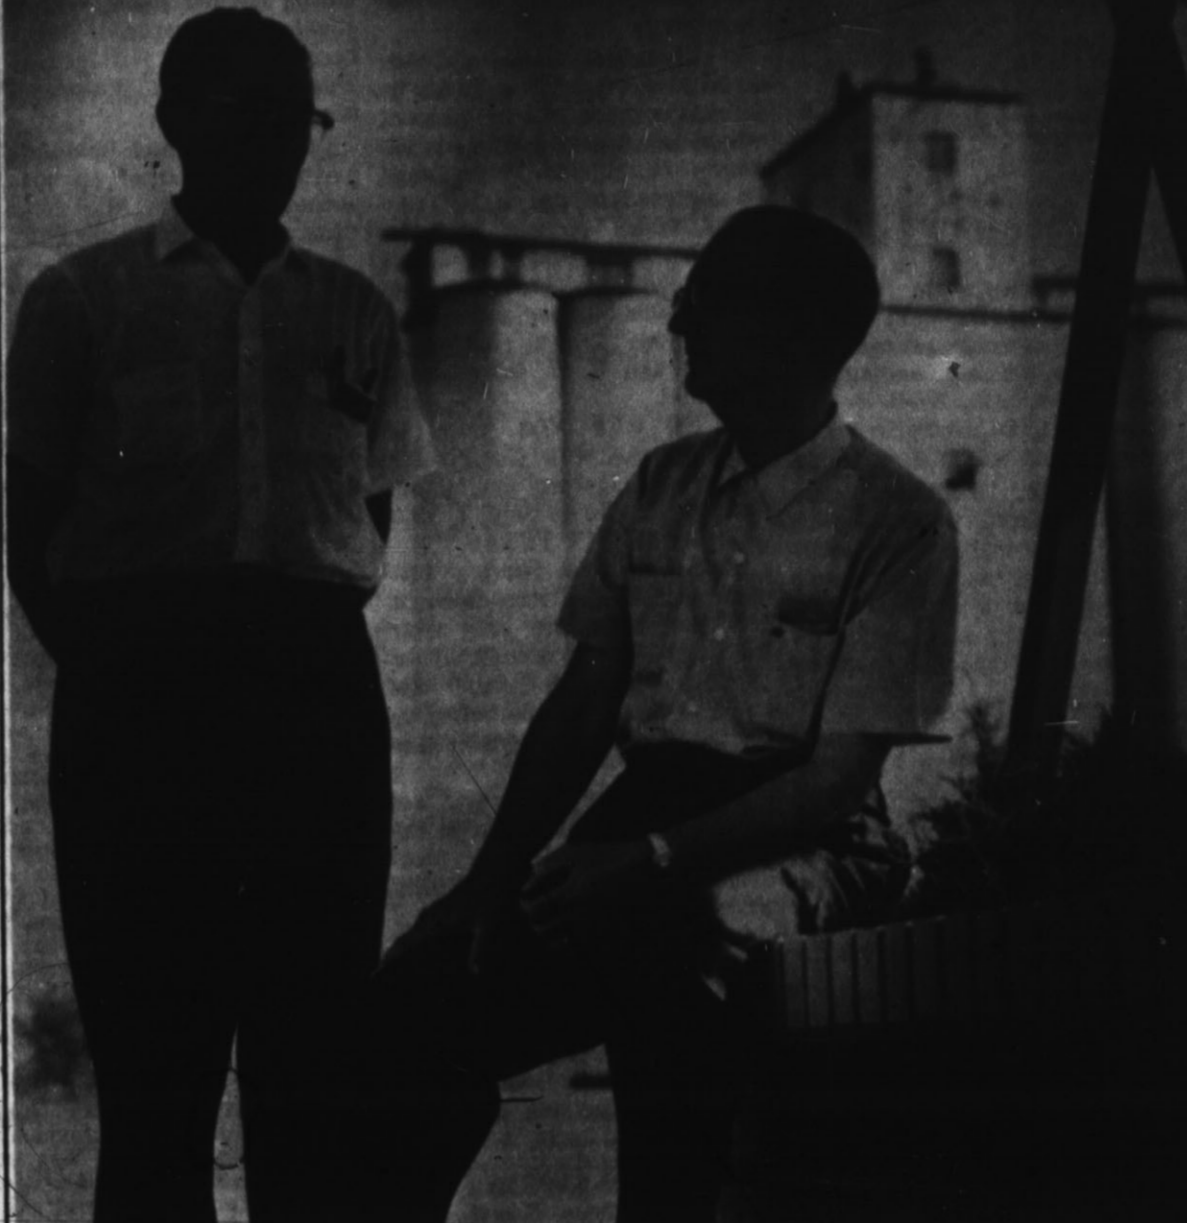

In the past five years, approximately \$80 million has been spent on what amounts to refinements of the age-old distillation process of purifying salt water.

THIS YEAR, as legislative recommendations came before the Subcommittee on Irrigation and Reclamation, of which I am chairman, I was deeply disturbed that desalination "experts" in and out of Government were seeking a \$200 million blank check to pursue ill-defined goals adequately explained.

Our Subcommittee gave its approval to a \$10 million program extension whose costs were spelled out in detailed objectives. Our view prevailed as the bill passed the House. The Senate boosted the total.

THERE ARE now five pilot or demonstration plants each testing a separate conversion system - at Freeport, Texas; Guantanamo Naval Base, Cuba; Wrightsville Beach, N. C.; Webster S. D., and Roswell, N. M.

We need to discover new and revolutionary processes. Unless this is done, the cost of fuel in the operation of present methods could prevent reduction of cost to the point that such water could be used for irrigation purposes.

FIRST IMPRESSION - Dick Barnard and Don Zimmerman, both Main St. merchants who have worked towards making "Downtown Variety Park" a reality here, are shown discussing the completed product of the intersection of U.S. Hwy. 60 and Main. (Staff Photo)

search will be pushed in this important aspect of the problem.

THE DRAMATIC focus in saline conversion is on such population centers as New York City which faces catastrophe if water problems are not solved.

We need to discover new and revolutionary processes. Unless this is done, the cost of fuel in the operation of present methods could prevent reduction of cost to the point that such water could be used for irrigation purposes.

President R. A. Mehler says the idea of a pool was adopted after the company found a city water line did not provide enough pressure to give the firm a favorable fire insurance rate.

"Other companies have baseball and softball diamonds. This (the pool) is our form of recreation," he commented.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

Stephen F. Austin State College at Nacogdoches Sul Ross State College at Alpine Angelo State College at San Angelo

Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet published in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

(3) All of the funds allocated on June 1, 1972 shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ter Cent (10%) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Fund. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Section 2. The foregoing shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning."

"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning."

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term not be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years. (2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate.

(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) shall be filled in the same manner as vacancies due to expiration of full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years. (4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission. (5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for full or permanent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature. (7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, of performance of his duties, which is, or is likely to become, permanent in nature. (8) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, of performance of his duties, which is, or is likely to become, permanent in nature. (9) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, of performance of his duties, which is, or is likely to become, permanent in nature. (10) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, of performance of his duties, which is, or is likely to become, permanent in nature.

(11) The Supreme Court shall by rule provide for the procedure before the Commission and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adversary proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed. (12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his retirement or removal. (13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability." "AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability." Section 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

SPECIAL SESSION COULD RESULT

Federal Authorities Take Poll Tax Issue To Court

By VERN SANFORD Texas Press Association AUSTIN — Federal authorities have brought suit here to abolish the poll tax as a requirement for voting in Texas elections. Suit was filed under the new voting rights act. If they are successful in getting an early hearing, a special session of the Legislature may be necessary to enact a valid voter registration statute. Texas' poll tax is the only existing form of registration for state and local elections. How-

ever, there is a procedure for obtaining "free" poll taxes to vote in federal elections. OBSERVERS feel near chaos would result at the polls next year if a final ruling is handed down in favor of the federal suit, without prior enactment of registration procedures. Although the U. S. Attorney General maintains the tax is not used to raise revenue for the state, Comptroller Robert S. Calvert estimates over \$5,000,000 income for the next biennium from that source. That's

\$5,000,000 the state treasury won't get if the poll tax is repealed. Reliable estimates so far see the biennium ending with government in the black by only \$1,300,000 to \$4,200,000 including income from all existing levies. Atty. Gen. Waggoner Carr has announced he will oppose the federal suit to invalidate the poll tax and to enjoin state and local officials from enforcing its requirements for any general, special or primary elections. SUIT seeks to direct Travis County Tax Collector Fritz Robinson and his employees to compile and certify local voter lists "without regard to payment of the poll tax or any other tax."

FINAL ADJUSTMENTS — Electrical work on traffic signals and adjustments on lights under the awnings was completed early last week. Charles Owens, local electrician, is shown completing an installation as Melvin Jayroe of Southwestern Public Service discusses the project which will be featured today in grand opening activities. APPOINTMENTS ANNOUNCED Gov. John Connally named five public members to the new Legislative Study Committee on Multiple Use and Pollution of All Waters of Texas. They are: Dr. Carl J. Lind Jr., Stone Wells and Charles Sowell, all of Houston, John Clegg of Port Lavaca and Bill Senter of Abilene. Legislative members selected earlier are Sens. Culp Krueger of El Campo, Chris Cole of Houston and Charles Herring of Austin and Reps. Gus Mutscher of Brenham, John Mobley of Kilgore and Dean Neugent of Texas City. Charles W. Lindsey was the Governor's choice for judge of the new Criminal District Court No. 3 of Tarrant County. Connally picked Lester Prokop, Houston builder and lumber executive, to succeed Judge Robert L. Lowry of Houston as a member of Texas State Historical Survey Committee. L. Gov. Preston Smith appointed Sens. Martin Dies Jr. of Lufkin, D. Roy Harrington of Port Arthur and A. R. Schwartz of Galveston to a committee to study possible development of a state park on Pleasure Island near Port Arthur. Smith named Sens. Jim Bates of Edinburg and Herring to a panel to negotiate for the return of a flag capture by Mexican forces at the Alamo. Governor Connally has stated he prefers to leave the negotiations in the hands of the U. S. State Department and will name no members of the state committee himself.

BOUNDARY DISPUTE AIREB First meeting of negotiating committees from Texas and Louisiana reached no firm conclusions in their effort to settle a long-standing boundary dispute between the states. Room was seen for arbitration of the dividing line in the Sabine River ship channel at the Gulf jettes. But the river boundary question seems likely to end up in federal courts. Texas contends the middle of the Sabine should be the boundary between the states. Louisiana claims the line was extended to the west bank of the river by the 1893 Louisiana Purchase. Negotiators agreed to keep trying — perhaps to study possible extension of a federal boundary running between jettes bordering the channel — and to exchange briefs in future meetings. LAND COMMISSIONER Sadler presided at the initial conference. High State officials and legislators from both states were present. ENROLLMENTS TO SOAR Texas Commission on Higher Education forecasts that college and university enrollments in Texas will zoom from 290,106 to nearly 400,000 by 1971. Enrollments in the state-supported institutions are due to increase from 188,000 to 240,000. NEARLY all Texas schools report they are short on space for their present students. Predicted increases will affect every one of the existing state-supported institutions, Commission believes. ATTORNEY GENERAL RULES In recent official opinions, Atty. Gen. Waggoner Carr has held that: — A valid surface lease on land being purchased under the state veterans' land program cannot be given in excess of 10 years. — First assistants and chief deputies in state departments are entitled to reimbursement for actual meals, lodging and incidental expenses while traveling on official business inside or outside the state. — EMPLOYEES of the State Highway Department who drill or supervise drilling of an occasional water well on land owned by the state do not have to

be registered as drillers under new act. — Unclaimed wages and personal property held in Texas by foreign corporations for persons whose last known address is unknown or outside Texas must be reported to the State Treasurer under escheat statutes. — Vouchers issued to colleges and universities providing teacher training under a plan approved by Central Education Agency and U. S. Government are valid. — NO REFUNDS may be made by the State Comptroller for unused cigarette tax stamps purchased prior to Sept. 1, 1965. DRAFT IN TEXAS State Selective Service officials say Texas men born in 1946 and after are safe from the draft — with occasional exceptions — through October. But some of them may be called up for military service in November. Married men who are not fathers are I-A, but are in the fourth rank of selection. Most draftees come from the third rank. Col. M. S. Schwartz, head of the state office, says the state policy toward college students is "No college students." However, the plight of persons deferred as students or because of their occupations is in the hands of local draft boards. SHORT SNORTS State Insurance Board reaffirmed its July 1 order boosting auto insurance rates an average of 13.4 per cent. Rates went into effect on August 1. Attorney General Carr defended constitutionality of the Texas Legislature's version of House of Representatives redistricting and asked federal court to set immediate deadline for further petitions in intervention on the suit. Texas Employment Commission has set up a new special programs department, headed by Harrell Townsend of San Angelo, to handle growing number of federal-state cooperative manpower projects. Texas National Guard and Reserve forces will be ready for merger if and when delayed amalgamation plans are revived, says Maj. Thomas S. Bishop, adjutant general. DOLLAR volume of securities registered for sale in Texas

during current fiscal year may equal, if not exceed, 1961 record, according to University of Texas Bureau of Business Research. Texas Parks and Wildlife Department is setting up special accommodations in Rio Grande Valley for white-winged dove hunters next month. Miss Mabel Smith, formerly of Somerville, will retire Aug. 31 after record 44-years' service with Texas State Library. Lloyd R. Bell, Dallas junior high school principal, will be

come assistant director of Division of Public Relations for Texas State Teachers Association on September 1. Texas Commission Railroad has set September 15 for hearing Missouri Pacific Railroad Company's request to discon-

enue Houston-to-Brownsville passenger trains. Visitors stopping at Texas Highway Department tourist information centers soon will get a look at bluebonnets regardless of the season — plastic ones, that is, made in Italy.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section 48b, so as to create an agency of the State of Texas, the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not amend, repeal or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto, except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created an agency of the State of Texas, the Teacher Retirement System of Texas, in which the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature, not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness, guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that no long as less than \$500,000.00 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1966, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1966, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction." Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System." "AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System." Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 28 proposing an Amendment to the Constitution of the State of Texas providing for the exemption from local ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free medical and hospital care for the indigent within the State of Texas; providing for the necessary election, form of ballot, proclamation and publications. PREAMBLE WHEREAS, The Legislature finds and declares that there is a need for the operation of hospitals by private charitable enterprises which will furnish free medical and/or hospital care for the indigent in Texas; and WHEREAS, The operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent in Texas will add to the welfare and well-being of the State of Texas and its residents and citizens; and WHEREAS, The need for the operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and WHEREAS, It is the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore, BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. The Constitution of the State of Texas is amended hereby by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reading as follows: "2-A. The properties of any charitable trust or organization, if such trust or organization is dedicated to, and operating a hospital, nursing home, hospital, or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity, except by the State of Texas itself, provided: "(1) such trust or organization has expended for free hospital and/or medical care within the State of Texas, during the calendar year next preceding, a sum of not less than

One and One-half Million Dollars (\$1,500,000.00); and, further provided, "(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and further provided, "(3) such trust or organization is exempt from United States income taxes; "(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county having a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile. "Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any taxing entity other than the State of Texas itself. "This Amendment shall be self-enacting." Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following: FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas. AGAINST the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas. Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 81 proposing an Amendment to the Constitution of the State of Texas, amending Section 51-a and Subsections 51-a-1 and 51-a-2 of Article III of the Constitution of Texas so that the same shall consist of one section to be known as Section 51-a; providing that the Legislature shall enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy aged persons over the age of sixty-five (65) who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least 25 years, needy persons under the age of sixty-five (65) who are totally and permanently disabled and who are citizens of the United States, needy blind persons over the age of eighteen (18) who are citizens of the United States, and needy children under the age of twenty-one (21) years who are citizens of the United States and to the caretakers of such children; providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance to and/or medical care, and for rehabilitation and other services for: "(1) Needy aged persons who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years and are over the age of sixty-five (65) years; "(2) Needy individuals who are citizens of the United States who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday and who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps; "(3) Needy blind persons who are citizens of the United States and who are over the age of eighteen (18) years; "(4) Needy children who are citizens of the United States and who are under the age of twenty-one (21) years, and to the caretakers of such children. "The Legislature may define the residence requirements, if any, for participation in these programs. "The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, and in providing rehabilitation and any other ser-

vices included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any individual recipient shall not exceed the amount that is matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and provided further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000). "Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of prisms or for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat eyes for any defect whatsoever nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the Laws of this State." Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed

thereon the following: "FOR the Constitutional Amendment providing for assistance to and/or medical care for the: (1) needy aged; (2) needy individuals who are permanently disabled; (3) needy blind; and (4) needy children and to the caretakers of such children; authorizing the Legislature to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing assistance to and/or medical care and rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing assistance to and/or medical care and rehabilitation and any other services included in the Boys Ranch Rodeo Set Sept. 5-6

Texas-size barbecue beef sandwiches will be a feature attraction when the 21st annual Boys Ranch rodeo is held Sunday, Sept. 6, at Cal Farley's Boys Ranch.

The boys who are studying cooking as a vocation will barbecue beef from the Ranch's own herd and serve it western-style on a giant bun along with iced tea for \$1.00, including tax.

A RECORD attendance is expected for the two performances which will take place at 2:30 p.m. both days in the Ranch's rodeo arena.

There are 336 youngsters, ranging in age from 4 to 18, from 32 states now making their home at Boys Ranch and each will have a part in the famous rodeo which is the only one of its kind in the nation.

Older boys will compete for honors on professional rodeo stock and others will ride calves or work in the behind-the-scenes activities necessary to a successful rodeo. The Ranch is located 52 miles north of Hereford on Highway 385.

Tickets for the Boys Ranch rodeo may be purchased at the arena or in advance from the Boys Ranch office, Box 1900, Amarillo. Reserved box seats are \$2.50, general admission is \$1.50, and military personnel and children's tickets are 75 cents.

PROPOSED CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 8 proposing an Amendment to Section 17 of Article IV and Section 17 of Article IV of the Constitution of the State of Texas, to allow an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives, and to increase the per diem allowance of Members of the Legislature.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended to read as follows:
"Section 24. Representatives shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. Senators shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. The Lieutenant Governor and the Speaker of the House of Representatives shall receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature, including the Speaker of the House of Representatives, also shall receive from the Public Treasury a per diem of not exceeding Twenty Dollars (\$20) per day for the one hundred and forty (140) days of each Regular Session and for thirty (30) days of each Special Session. The Legislature shall be of longer duration than one hundred and forty (140) days. This Amend-

ment shall be self-enacting and appropriations heretofore made in the General Appropriations Bill for the biennium ending August 31, 1967, for the salaries of the Lieutenant Governor and Speaker of the House of Representatives shall not be invalid because of the anticipatory nature of the legislation.
"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of Government which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of the Regular or Called Session.
Sec. 2. That Section 17 of Article IV of the Constitution of the State of Texas be amended to read as follows:
"Section 17. If, during the vacancy in the office of Governor, the Lieutenant Governor should die, resign, refuse to serve, or be unable to serve; or if he shall be impeached or absent from the State, the President of the Senate, at the time being, shall, in like manner, administer the Government until he shall be succeeded by a Governor or Lieutenant Governor. The Lieutenant Governor shall, while he acts as President of the Senate, receive an annual salary in an amount to be fixed by the Legislature and the same mileage which shall be allowed to the Members of this Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, at the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office."
Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday following the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:
"FOR the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.
"AGAINST the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session."
Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."
Sec. 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall receive at the seat of government during his continuance in office, an amount to be fixed by the Legislature."
Sec. 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 23. The Comptroller of Public Accounts; the Treasurer; the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorates of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."
Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:
"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorates of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."
"AGAINST the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorates of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); and to amend the conditions relating thereto and the use of the Veterans' Land Fund; and providing for a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:
"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified hereinafter. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in financial matters. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature."
"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present."
"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now hereafter provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same."
"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds."
"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformity with the provisions of said Fund and not out of the general revenue of the State of Texas."
"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by said Division which portion shall be set aside and remain a part of such Division for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, or any other bonds issued or hereafter issued and sold by said Board, such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party."
"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as purchasers of lands dedicated to the Permanent Free Public School Fund."
"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such times, and in such manner as may be provided by law; and such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein."
"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds heretofore issued and sold under this Amendment, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting, was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law."
"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds."
"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein."
"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds heretofore issued and sold under this Amendment, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting, was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law."
"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds."
"Should the Legislature enact enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature."
"This Amendment shall become effective upon its adoption."
Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:
"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and
"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law."
If it appears from the returns of said election that a majority of the voters cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.
Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.
