

Five hundred and five strong, fourth grade pupils are studying an elementary course in money management. Designed originally for 4-H Club groups, the program is being introduced in public and private schools here for the first time in Texas.

# 'Greenstuff' Takes On New Hue For Deaf Smith 4th Graders

By DUDLEY LYNCH  
News Editor

Dear Sir:  
If your fourth grade child strenuously objects to your financial policies at the next family conference, it may be that you are in error.  
We strongly recommend that you and the lady of the house benefit from the economic counseling available from your youngster.  
Yours for good money management,  
His fourth grade teacher.

This is an imaginary letter, but the fact remains that, because of a program being instituted in Hereford public schools, the situation might not be too far fetched.  
The eyes of public school and

extension service personnel over Texas are focused on a program of money management instruction being administered to fourth grade classes here.

School personnel and members of the sponsoring group, the Family Economics Committee of the extension program here, have it on the best of authority that the program is a pioneer in Texas.

**Authority Visits Here**  
That assurance came Monday from Mrs. Eula J. Newman, specialist in home management from the College Station headquarters of the Texas Extension Service. She was here through Wednesday to survey, among other activities, the program's advancement.

"This is the first one," said Mrs. Newman, who taught the state's first 4-H Club money management course 10 years ago. "Extension people are

watching it because it is the first one."  
What exactly are they watching?

The answer lies at the end of a lengthy, rather labyrinthine story that weaves its way through a detailed county survey of family money problems, a speakers bureau that reached more than 5,000 persons and activities that, thanks to the good graces of U. S. Rep. Wright Patman, have been mentioned in the Congressional Record. The work started in 1958.

Distilled to its simplest form, the latest program involving the schools is a home-grown plan backed by Deaf Smith County citizens to teach students how to intelligently and resourcefully manage their money.

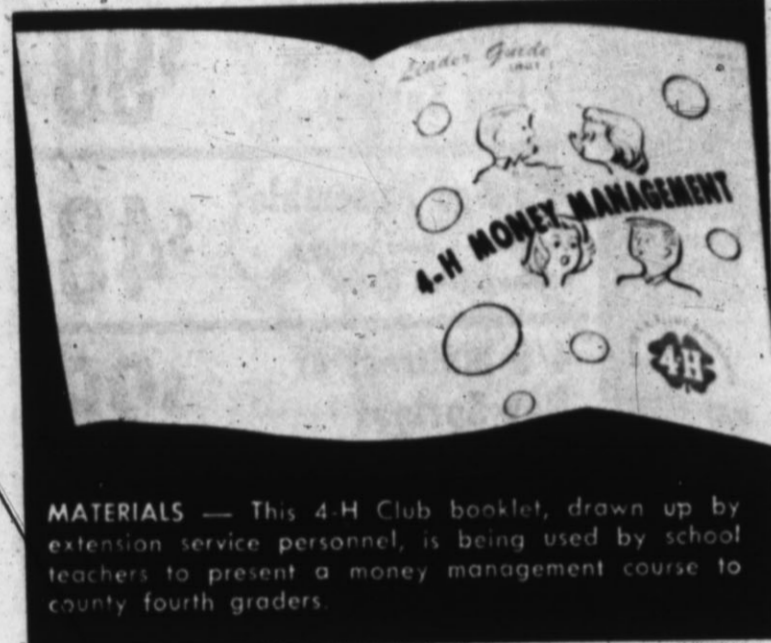

**Taught In 4-H**  
For several years, studies in money management have been part of 4-H club activities here. The state extension service, following up groundwork laid by Mrs. Newman, has devised materials for three age groups. They discuss simple matters like the "origin" of money, the keeping of records, spending and savings plans, wise buying choices and reasons why "money doesn't buy happiness."

The program for the lower age group, ages 9 and 10, is now being used by fourth grade teachers in seven Deaf Smith County schools. Used where it fits into their lesson plans (some teachers are blending money management with arithmetic, others with reading and English), the study course should take from three to six weeks.

**Parents Tested, Too**  
During that time, several things — involving mom and dad; too — will have occurred:  
See COURSE, Page 10

'MONEY ISN'T ALL IT WAS CRACKED UP TO BE' — That jolting fact of life is being brought home to these Northwest Elementary School fourth graders sooner than most youngsters. They are among 505 Deaf Smith County fourth graders who will soon be studying a course in money management sponsored by the Family Economics Committee of the extension service program here. Gleefully imagining that play money is the real thing are (left to right) Brad Lind, Jose Hernandez, Shalyn Sisson and Janna Bolden. They are students in Mrs. Patricia Coleman's class.  
(Staff Photo by Dudley Lynch)

**MATERIALS** — This 4-H Club booklet, drawn up by extension service personnel, is being used by school teachers to present a money management course to county fourth graders.

## Snows Hearten Area Farmers — More Needed

By PHIL DUNCAN  
Staff Writer  
A heartily welcomed snow, which could be worth thousands of dollars to Deaf Smith County farmers, was all but gone late Wednesday but left the thirsty land with more than .25 of an inch of needed moisture.

The U.S. Weather Bureau in Amarillo, however, had issued a forecast of colder weather and possibly light snow for Hereford and the immediate area today and Friday.  
"It is difficult to measure the dollar and cents value of moisture, but it did a world of good and any moisture would be appreciated by Deaf Smith County farmers at this stage of the game," Don Newman, office manager of the local Soil Conservation Service, said.  
Local weather observers estimated the Hereford snowfall at one- and three-quarter inches with a moisture content of .26 of an inch.  
**Got Five Inches**  
Kenneth Rudd, who farms 20 miles west of Hereford near Bootleg, estimated there was five inches of snow on the ground Tuesday morning. He estimated moisture content at about .60.  
"We understand they got a lot more snow out west than we did in town," Newman said, "and this should really help the wheat."  
Newman emphasized the dry-land farmers were the ones who received the greatest benefit. Much more moisture, however, is needed.  
"This will just give the wheat a chance to hang on a little longer," Newman said, "and we hope to get a lot more soon."  
Newman said this moisture would not ease the wind erosion.  
See SURVEY, Page 10

**Then Comes The Thaw!**  
Taken just before noon Tuesday, this photograph shows a small stream that is running off the snow-covered hillside into Tierra Blanca Creek.

## Kendall Williams Second Administrative School Official Resigns

**Darrell Williams To Leave Feb. 20 — Will Get Pay**

Asst. Supt. Kendall Williams submitted his resignation to Hereford school trustees Tuesday night in a continuing shakeup of the district's high administrative offices.  
Less than two weeks ago, Supt. Darrell Williams caught the board by surprise with his resignation and request that he be released March 1.  
Tuesday night Williams was back with a subsequent request that he be allowed to leave for his new Houston post on Feb. 20th with continued payment of his salary until March 1.  
The trustees mused over the unusual turn of events, then approved the request with board member W. H. (Bill) Gentry voting against the motion.  
Effective June 1  
The assistant superintendent's resignation will be effective June 1. Williams said he wished to return to the industrial relations field.  
Trustees unanimously accepted his resignation.  
Williams has served largely in the capacity of a business manager here. He has been associated with Hereford schools for more than four years.  
"Industrial relations is my first love," Williams told the Brand, "and due to my age (42) I need to return to it now if I'm ever going to." The family plans to leave Hereford shortly after the end of the school year.  
**Set Election Day**  
"We have enjoyed our stay in Hereford," he said, "but we both feel that we will be happier in other work."  
In other action, the board: — Set Saturday, April 3, as election day and appointed three election judges.  
— Set 5 p. m. on March 3 as

## Court Axes Raise For Deputies Commissioners To Hold Line On All Salaries

Deputy sheriffs will get no salary increases this fiscal year, the Deaf Smith County Commissioners decided Monday. But they indicated the request of Sheriff Lowell Sharp will be reviewed during next fall's budget study.  
The court had declined to take action on Sharp's request in several recent meetings.  
The sheriff sought an immediate \$25 per month salary boost for his three deputies. In turning him down, the court ruled out salary increases for "all county employees." The action was unanimous.  
**Endorse Resolution**  
In other action during the lengthy commission meeting, the court:  
— Endorsed a resolution presented by the High Plains Gas Users Association concerning regulation of gas for irrigation purposes.  
— Designated the First National Bank as the official county depository for the next two years.  
— Approved the taking of bids for purchase of gasoline and diesel fuel for county use.  
— Amended a previous court order to the effect that all underground water lines and gas lines be placed at least 36 feet from the center of the section line.  
— Visited with a representative of the Knights of Columbus concerning the property at 4th St. and Sampson.  
**Had One Increase**  
In turning down the salary request, the court pointed out that all county employees were given an increase last year (approximately 5 per cent), and that the situation would be reviewed again this fall when the budget was being prepared. It was felt salary increases now would jeopardize the budget for 1965.  
A check with neighboring counties and other counties near the size of Deaf Smith also indicated that the deputies' salaries are in line. Some counties' pay scales are slightly higher while others are lower.  
Commissioners pointed out that the "all county employees" phrase in the order did not include new employees who have been hired at a minimum salary.  
See SURVEY, Page 10

# School Trustees Make Changes In Principals

(Continued from Page 1)  
the deadline for filing for the school board (two positions will be filled).

Named Orpha Click, school tax assessor-collector as absentee clerk.

Approved out of district trips for certain school personnel and students.

Renewed contracts for principals, and other school personnel.

Reassigned principals for the 1965-1966 school year.

Accepted resignations on other school personnel and named their replacements.

Heard reports and reviewed proposed plans for the new Junior High School and Gymnasium.

Contracts Awarded

Two year contracts were awarded to G. W. Michaels, principal of Hereford High School; W. C. Quattlebaum, principal of junior high, and Roy Hartman, Charles Duvall,

Philip Shook and D. C. Martin, principals of Shirley, Northwest, Central and Aikman schools respectively. This was the first time that principals had been given a two year contract.

Contracts were also renewed for one year for Miss Della Stagner, Mrs. Esther Springer, Wm. R. Phillips and Click.

One year contracts were also awarded head football coach Jack Meredith, basketball coach Cuby Kitchens, band director Ben Gollehon and choir director Richard Jackson.

Hartman, who now serves as principal at Shirley Elementary School was reassigned to the new school now under construction north of Hereford and Shook was reassigned to Shirley from Central.

Ray Todd, who now teaches at Northwest, was appointed to the post of principal at Central Elementary School tentatively, providing he can meet the policy outlined in the policy

bulletin. The requirement must be met by Sept. 1.

Todd was also awarded a one year contract.

Give Trips Okay

The board approved out-of-district trips for band director Gollehon, choir director Jackson, assistant band director Clyde Wilson and Jerry McCathern and Jimmy Brink, students, to attend the Texas Music Education Association meeting in Dallas February 10-12.

They also approved the sending of Don Parris and four students to the state Distributive Education meeting in Houston March 5-6 and expenses for Kitchens to attend the state basketball tournament in Austin March 4-5. Kitchens will use the school tax car and expenses are to be paid from the athletic fund-basketball budget.

The board accepted the resignations of Mr. and Mrs. Duane Barrett, effective Feb. 1 to accept positions in California. They named Miss Earlene Jones and Rayford Ratliff to fill the post vacated by the Barretts.

WTSC Graduate

Miss Jones is a graduate of West Texas State College and completed her teaching at Canyon Elementary School. Ratliff is a graduate of Hardin-Simmons University and has had one year's experience at Dumas. He had previously left the Dumas school system to go to Law School at the University of Texas but later decided to return to teaching.

Also hired by the board was Mrs. Margaret Miller, special education; Mrs. Eula Lee Cave, special education, and Mrs. Gerald Hale.

Mrs. Miller is a graduate of North Texas State University and has had one year's teaching experience, while Mrs. Cave has been teaching one-half day and will be placed on a full time schedule.

Both women will teach special education classes.

Eligible For Permit

Mrs. Hale does not have a degree, but she is eligible to receive a permit to complete this school year. She is currently attending West Texas State.

Robert Veigel and Lisle Woodford were named election judges for the Hereford voting box (school tax office) for the board election and Mrs. H. V. McCabe will be election judge at Dawn. Final filing date for the board will be March 3, thirty days prior to election day. Interested parties may file at the school tax office.

Orpha Click was named to handle the absentee balloting which will begin 20 days prior to April 3 and will end four days before the election date.

Supt. Williams also reported to the board that enrollment was down 201 students since Nov. 20, last reporting date, but was up 345 over the same period last year. Enrollment figures will begin to climb in the spring as the migrant workers move into the area.

## Marvin Smith Places In Fort Worth Show

Marvin Lee Smith, 11-year-old son of Mr. and Mrs. Fritz Smith, Route 2, Hereford, placed fifth with his light weight duroc barrow at the recent Southwestern

Livestock Exposition at Fort Worth.

Marvin is a member of the Happy Hustlers 4-H club in Hereford and this is his first year as a 4-H club member. He purchased his pig from George Vice of Canyon and had shown him at both the Hereford and Amarillo livestock shows.

There are about 50 species of garfish, sometimes called needle-fish or billfish. Found in warm waters, they are fast swimmers and some are six feet long.

**FUNERAL FOR AUNT**  
Funeral services for Mrs. Bessie Phillips, aunt of Mrs. O. G. Hill Sr., were held from the First Presbyterian Church in Houston Saturday afternoon.

750 DELEGATES REPRESENTING 58 INDIAN TRIBES OF NORTH AMERICA  
ATTENDED THE SOUTHWEST CONFERENCE FOR TOMORROW'S AMERICA,  
AT THE UNIVERSITY OF NEW MEXICO IN ALBUQUERQUE, DECEMBER 28-30, 1964

# THE AMERICAN INDIAN SPEAKS

## "A FLASH OF LIGHTNING" where people learn

to be free to travel on this beam of light." This is how Governor James Hena of the Tesuque Indian Reservation describes Moral Re-Armament.

"It is a philosophy far more powerful than Communism. It is aligned with democracy, yet cuts across the weaknesses of democracy because it challenges the individual to live above an animal life.

"The American Indian has long felt he has something the white man has lost, but we have remained silent because we felt our voice would not be listened to.

"After attending the Moral Re-Armament Conference for Tomorrow's America at Mackinac Island, Michigan, last summer, we feel we have been challenged to speak to the world.

"Today we see a world on the road to self-destruction. We see corruption in the highest councils of our country; racial violence in our streets. We see the power struggle of Russia and China for domination of the world, with China and all her resources mobilized to unite the nations of color against the white man who has exploited them.

"As the first Americans we are calling for a new day to create a new society which takes the best of every race, every class, every nation to make it work.

"We intend to play our part by remaking our own homes, our reservations, our country and the world."

Invited to be featured speaker at the conference was Peter Howard, British author, playwright, sportsman, in charge of the world program of Moral Re-Armament. He is welcomed to Albuquerque by Governor and Mrs. James Hena of Tesuque Reservation and former Governor Preston Keevama of San Juan Reservation.

PETER HOWARD, speaking on December 29, 1964, to the conference, said:

"In the spirit of Moral Re-Armament the American Indian is going to stand full stature under God and speak for the first time for generations with a clear voice saying what he or she have on their hearts. I long to see today a new voice coming out of the heart of America because, bluntly, the world does not know where America is going to take us.

"What is needed is a prophet voice from a prophet people that the whole world will heed. I tell you solemnly, I believe it's God's plan now for the Indian peoples of this country to become such a voice. They can speak unitedly and with passion, but also with compassion to America and the entire world.

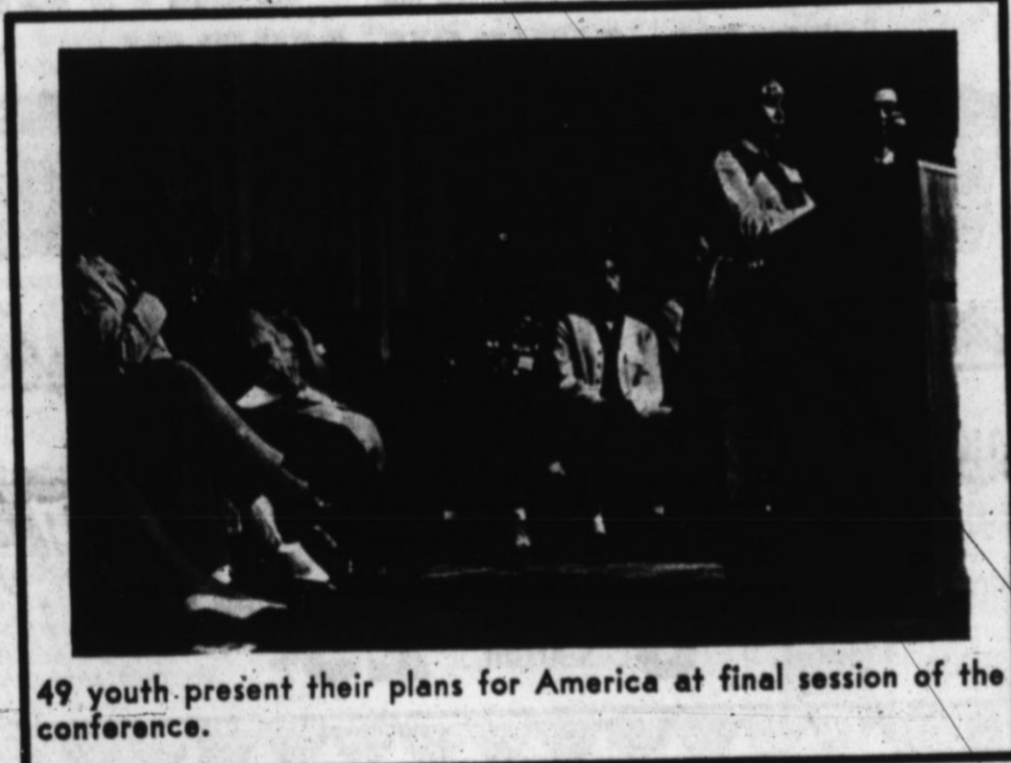

"I think when the history of the world comes to be written with accuracy, the patience and dignity of the Indian people will be a shining page in the annals of man. You have had a rough ride. But now yours is a voice that everyone will heed. Many elements of America will no longer listen to the voice of a white man. Some elements will no longer heed the voice of a black man. All will listen to the voice of the American Indian if it is the voice of a convinced people with an aim big enough to unite the United States and a theme for the world massive and real enough to unite and rebuild humanity. The whole world is hungering, hoping, waiting to learn from some people of a new type of man who will usher in a new type of society and civilization. It's got to be demonstrated, not just talked about.

"People talk much nowadays about Communism, and Communism offers a revolutionary program. In the words of Lenin it can never succeed until the

myth of God is removed from the mind of man. It also believes its morality is wholly subordinate to the interests of the class struggle. The answer to Communism is a revolution more fundamental and radical than anything any Communist has ever thought about. Why should free men have an aim smaller than this divisive concept of class and race war?

"I do believe that people utterly convinced of the reason and effectiveness of Moral Re-Armament can change the climate of the United States in a year. I do believe if that happened from end to end of the world, Communist and non-Communist alike, people would say that is the way men are meant to live. Supposing the Indian people could go to the White House and say to President Johnson, 'You talk about the Great Society, you talk about landscaping America, you talk about welfare, you talk about medicare. All those things are fine, but, Mr. President, you're never going to build the Great Society without building great people. We have built it in the Indian Reservations of this country. There is no corruption in our society. There are no broken homes. There are no people who are so selfish they destroy family life by their own indulgence. Mr. President, we have something to give you and our country that the whole nation needs.'

"That would be a voice worthy of the high tradition of the original inhabitants of this land. It would be a voice that the Great Spirit, God, Christ, longs to hear from the Indian people. And for my part if you will let me do it with you, I will do it till the end of my days. I want to serve, I want to fight, I want to battle, and for me and for those of us who decide, there will be no turning back."

49 youth present their plans for America at final session of the conference.

Carl Todacheene, Navajo Tribal Council Member, Window Rock, Arizona, and Martin Vigil, Chairman of the All-Pueblo Council, New Mexico, were among the 28 Chairmen, Governors and Councilmen officially representing their tribes.

## YOUTH SPEAKS...

### DELEGATES SAY—THIS IS THE WAY FOR AMERICA.

EDWARD VELARDE, Jicerilla Apache

"I feel from this conference that we Indians can have a part in rebuilding the world. There is only one problem — we have to start somewhere, and that somewhere is within ourselves. I have started within myself because I know until I have changed I cannot help the world change. This change has to come from God and our relations to Him."

HARRIET LEWIS, Papejo

"We feel this challenge offered here will light a flame in the hearts and minds of youth and put them back on the warpath to put right what is wrong in our homes, our schools and our reservations."

BILL PENSONEAU, Ponca

"I hated white people, Negroes and all non-Indians. I considered myself a sort of red black Muslim. I quit the church I was raised in. I said I did not think this nation was worth dying for with its morals like they are. I have detected the same hatred, bitterness in other Indian youth. I feel the Indian youth need Moral Re-Armament and they need it now. If I can change, anyone can. Morality gives a person a sense of dignity and worth. We Indians have let everyone else shape the world. I think it is time we showed them what we can do."

MEL FRANCISCO, Nevejo

"We found here that the only solution to the jealousy, corruption and alcoholism in our tribe is Moral Re-Armament. With the guidance of God we are going to take this ideology back to our school and communities before an opposing ideology overwhelms this world tomorrow, let us prevent it by Moral Re-Armament today."

DIANE BIRD, Santo Domingo Pueblo

"In our pueblo we have decided to break down the thick walls that exist between the youth and old people. We will start by apologizing to our leaders for shunning them and thinking their ideas ridiculous and out of date."

CLEVE BURNETTE, Rosebud Sioux

"On our reservation people are afraid to stand up and speak for themselves. With the help of Moral Re-Armament we will get the courage and confidence to be heard once again."

RON HOPPER, Ponca

"At this conference I found what no school nor Bureau of Indian Affairs could give me—something to live for and fight for. I found you cannot live crooked and think straight. Absolute moral standards of honesty, purity, unselfishness and love are necessary for straight living and thinking. I want to see the men who lead this nation with guts enough to stand up for what they know is right."

## FOR THOSE WHO:

1. Would like more information about Moral Re-Armament.
2. Would like information about the 1965 Conference for Tomorrow's America to be held at Mackinac Island, Michigan, this summer.
3. Would like the latest collection of Peter Howard's speeches, "Tomorrow Will Be Too Late" (25c per copy).
4. Would like "Dare", the photo magazine for young America on the go (30c per copy).
5. Would like to contribute to Moral Re-Armament. Checks can be made out to Moral Re-Armament for tax deduction purposes.

LEMONS, STRANGE HIGH POINTERS

# Cagers Wallop Canyon Eagles Tuesday, 72-48

By PHIL DUNCAN  
Brand Sports Editor

A tough group of Herford Whitefaces went hunting Tuesday evening some 30 miles east of Herford and shot down a covey of awkward Canyon Eagles, 72-48 in Eagle Gymnasium.

The Herd jumped out to an early first quarter lead and finished out the game, beating the Eagles 24 points, having only beat them 23 points when they played them here earlier in the season.

Almost all of the Whitefaces were in great form Tuesday evening, with Robbie Lemons and Robert Strange impressing the crowd with their lustier.

Steve Hodges played one of his better defensive outings of the season as he continuously pressed the Eagles during the entire game, stealing the ball on many occasions and racking up 10 points offensively for the Herd.

Robbie Lemons appeared almost 10-feet tall to the Eagles on many occasions as he fought their 6-6 foot men on the boards and came out winner on many occasions.

Lemons, who stands only a short 6 feet, added a tremendous amount of punch to the Herd's defensive and rebounding efforts as he blocked many shots and ended up with rebound after rebound.

The Herd had a 18-11 lead at the end of the first quarter and gained another point as they showed it up to 33-25 after the buzzer sounded ending the half.

Strange, Childers, Owen, Hodges and Lemons exhibited great defensive skill as they showed great hustling ability and fought for the ball on every occasion.

The same crew entered the courts for the second half action, with only an eight point lead.

Lemons opened the scoring as he drew a foul and boosted the lead another point.

Owen, Childers, Strange and Lemons then racked up 10 points in rapid-fire action to boost the Herd to a 45-33 lead over the Eagles in the early moments of the second half.

Lemons did not slack up in the second half as he continued battering the already haggard Eagles for the ball and constantly came out on top.

The Eagles attempted a full court press in the opening moments of the final stanza as the Herd had a 49-40 lead, but hopelessly failed in their efforts as the Herd continued racking up a bigger lead.

(See LEMONS Page 6)

## Changes In Staff Revealed

CANYON — Joe Kerbel, head football coach at West Texas State, today announced a change in his staff involving two of his former pupils. Assistant coach John Roberts has resigned and Ken McCullough has been named to replace him.

Roberts played under Kerbel when the latter was an assistant at Texas Tech and McCullough was coached by Marse Joe at Bartlesville (Oklahoma) High School.

McCullough, a graduate of Oklahoma State, had been head coach at Breckenridge High the past two seasons. Prior to that he spent four years at Pharr-San Juan-Alamo, two as assistant to present WTSU end coach Sleepy Harris and two as head coach. He won the district football title during his first season there. In addition, he won the district basketball championship both years, posting a combined 54-7 won-loss record. His four-year football record is 23-43.

McCullough is married to the former Joanne Timmons of Ardmore, Okla. The couple has three girls — Cynthia, 9; Kathy, 7; and Lori, 5.

"I am really happy to be associated with West Texas State University and a member of the coaching staff," said McCullough. "I have always wanted to coach in college and I feel this is a wonderful opportunity."

Regarding McCullough's appointment, Kerbel said, "We are extremely fortunate to have Ken join our coaching staff. He was an excellent football player in both high school and college and was one of the nation's leading punters in his playing days at Oklahoma State. His experience and knowledge of the game

(See WTSU Page 4)

## Lutheran Church Team Wins Meet

The Sixth Annual City Men's Handicap Tournament came to a close Feb. 7th after two weeks of play. Twenty-one teams were entered, 14 teams in the doubles, 28 in the singles, and 22 men entered the All Events.

Immanuel Lutheran Church won the team event with a 2465 score; Whiteface Aviation took second place with a 2422 score, and Herford Bakery came in third with a 2402 score.

Charles Owens and Jack Kirksey copped the doubles honors with a 1303 score, with Charles Owens bowling a 656 scratch in that set. Ben Lueb and Mike Clark took second with a 1238 score.

James Boyd rolled a 641 to take the Singles honors; Emil Dettman came close behind with a 631 and Charles Owens right behind with a 620 for third spot.

The All Events title, which is comprised of the best score rolled with a team and then adding the doubles and singles score was captured by Charles Owens with a sizzling 1942 score; Ray Bollinger came in second with an 1844 and Carl Hoffman was third with a 1839 score.

Rudy Bloodgood rolled the

## Astros Will Be On Road After Opening Games

The Houston Astros, after opening the Astrodome with a special pre-season series April 9-11, and the official starter April 12 with the Philadelphia Phillies, won't be at home again until April 23.

The Astros leave after the official opening April 12 to play two games in New York with the Mets April 14 and 15, then move to Pittsburgh for games with the Pirates April 17 and 18, and then plan three night games in Philadelphia on April 19, 20 and 21 before returning to the Astrodome April 23 to play the Pirates.

Fortunately, Astros baseball fans will get an opportunity to get a good look at the team in the "out of this world" series Friday, Saturday and Sunday, April 9-11, with the New York Yankees and the Baltimore Orioles.

The exhibition games with the Yankees are at 7:30 p.m. on April 9 and 10, and at 1:30 p.m. on April 11, and with the Orioles at 1:30 p.m. on April 10 and at 7:30 p.m. on April 11. Ticket sales have been heavy for all of these games and the official opener April 12, but there are plenty of seats available, according to Dick McDowell, ticket manager.

The Astros will visit each of the nine National League cities three times during the season. They will play 42 day games on the road compared to only 22 daylight games at home. The day games away include eight Sunday doubleheaders.

The last five games away for the Astros are September 17 and 19 in Cincinnati and September 21 and 22 in St. Louis. Then the Astros play the last nine games in the Astrodome. All home night games will start at 7:30 p.m. and all day games, except three Saturdays, will start at 1:30 p.m. The three Saturday exceptions will be June 19, against the Pittsburgh Pirates, August 14 against the New York Mets, and September 4 against the Los Angeles Dodgers. These three games will start at 3:25 p.m.

Tickets for any Astros home games can be ordered by sending check or money order to: Astros Tickets, P. O. Box 1699, Houston, Texas, 77001. Box seats are \$3.50 and reserved seats are \$2.50. Tickets may also be purchased at all Trans-Texas Airways offices through the southwest beginning March 1.

Speaking of Sports...  
by PHIL DUNCAN  
BRAND SPORTS EDITOR

It looks like it is going to be the Perryton Rangers all the way for the District 1-AAA title. The Rangers have only Tulia and Muleshoe to meet in their final games, while the Dumas Demons still have to play the Herd and the Canyon Eagles.

I had thought previously that the Canyon Eagles would be able to give Dumas some trouble, but after seeing them play at Canyon Tuesday night, I am surprised they were able to give Muleshoe any trouble.

Hereford looked real good against Canyon Tuesday and I cannot help but feel if the Herd had played in that fashion all season they would have won the District 1-AAA title.

Robbie Lemons looked great Tuesday. Lemons cannot be more than six feet tall, but you could not tell it by the way he handled himself on the boards.

He was constantly taking the ball away and blocking shots by the Eagles.

Robert Strange looked pretty good in the game as he hit 12 points as did Lemons.

Charlie Moreno, Gene Duvall, Kenny Justice and Steve Hodges also turned in a fine performance for the Herd.

How a team can be as tall

as the Canyon Eagles and play basketball like they do, I will never know. They had a good six inches per man advantage over the Herd and they still looked like a grade school team.

It certainly cannot be their coaching. They have one of the finest coaches in the district, next to Herford's Cuby Kitchens.

Roy Kieval, Canyon's coach, was assistant basketball coach at Pampa for the past few years and the Harvesters are only noted for the exceptional basketball teams they turn out.

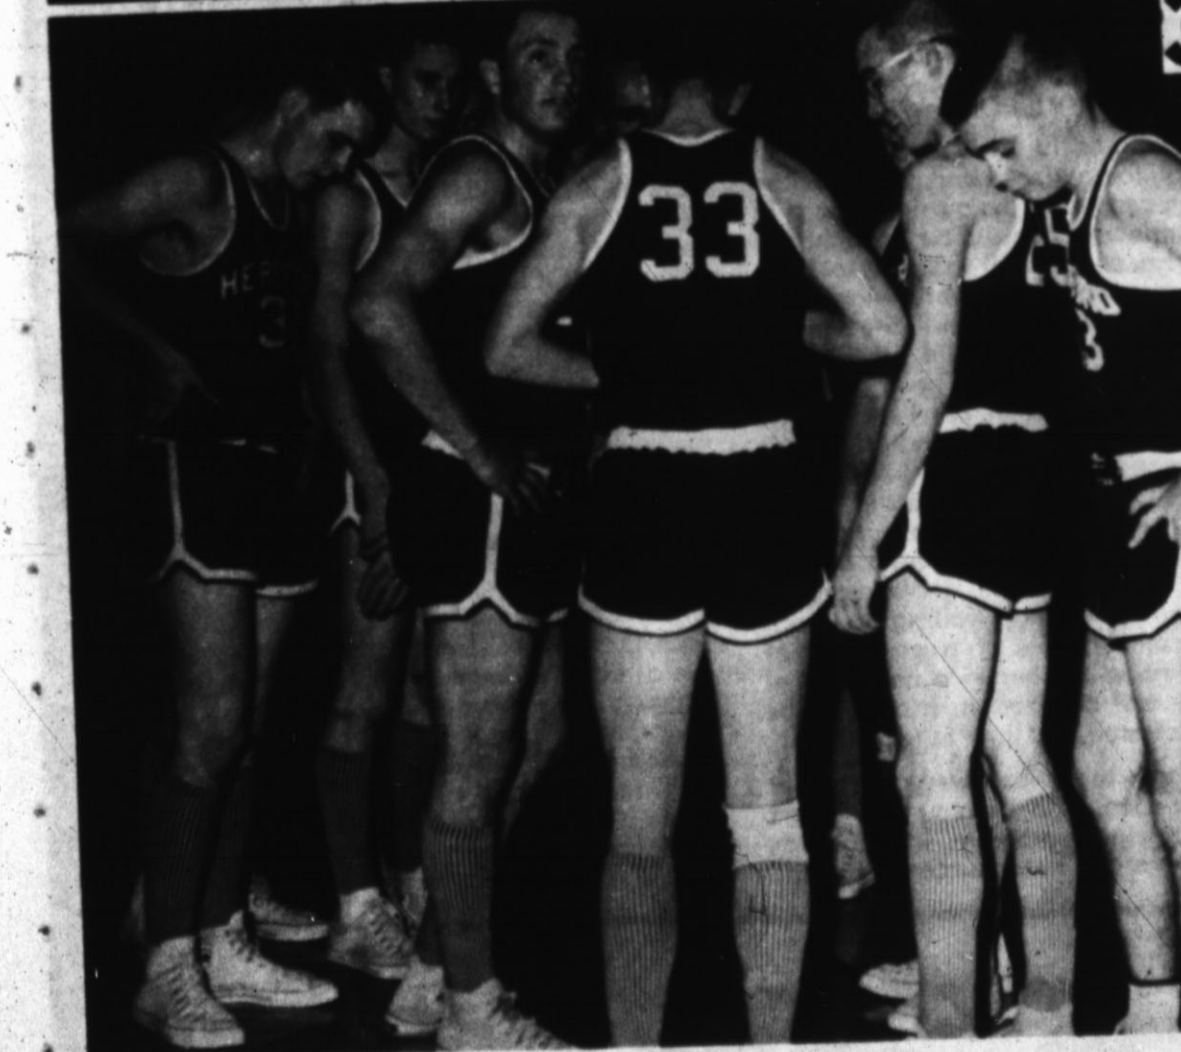

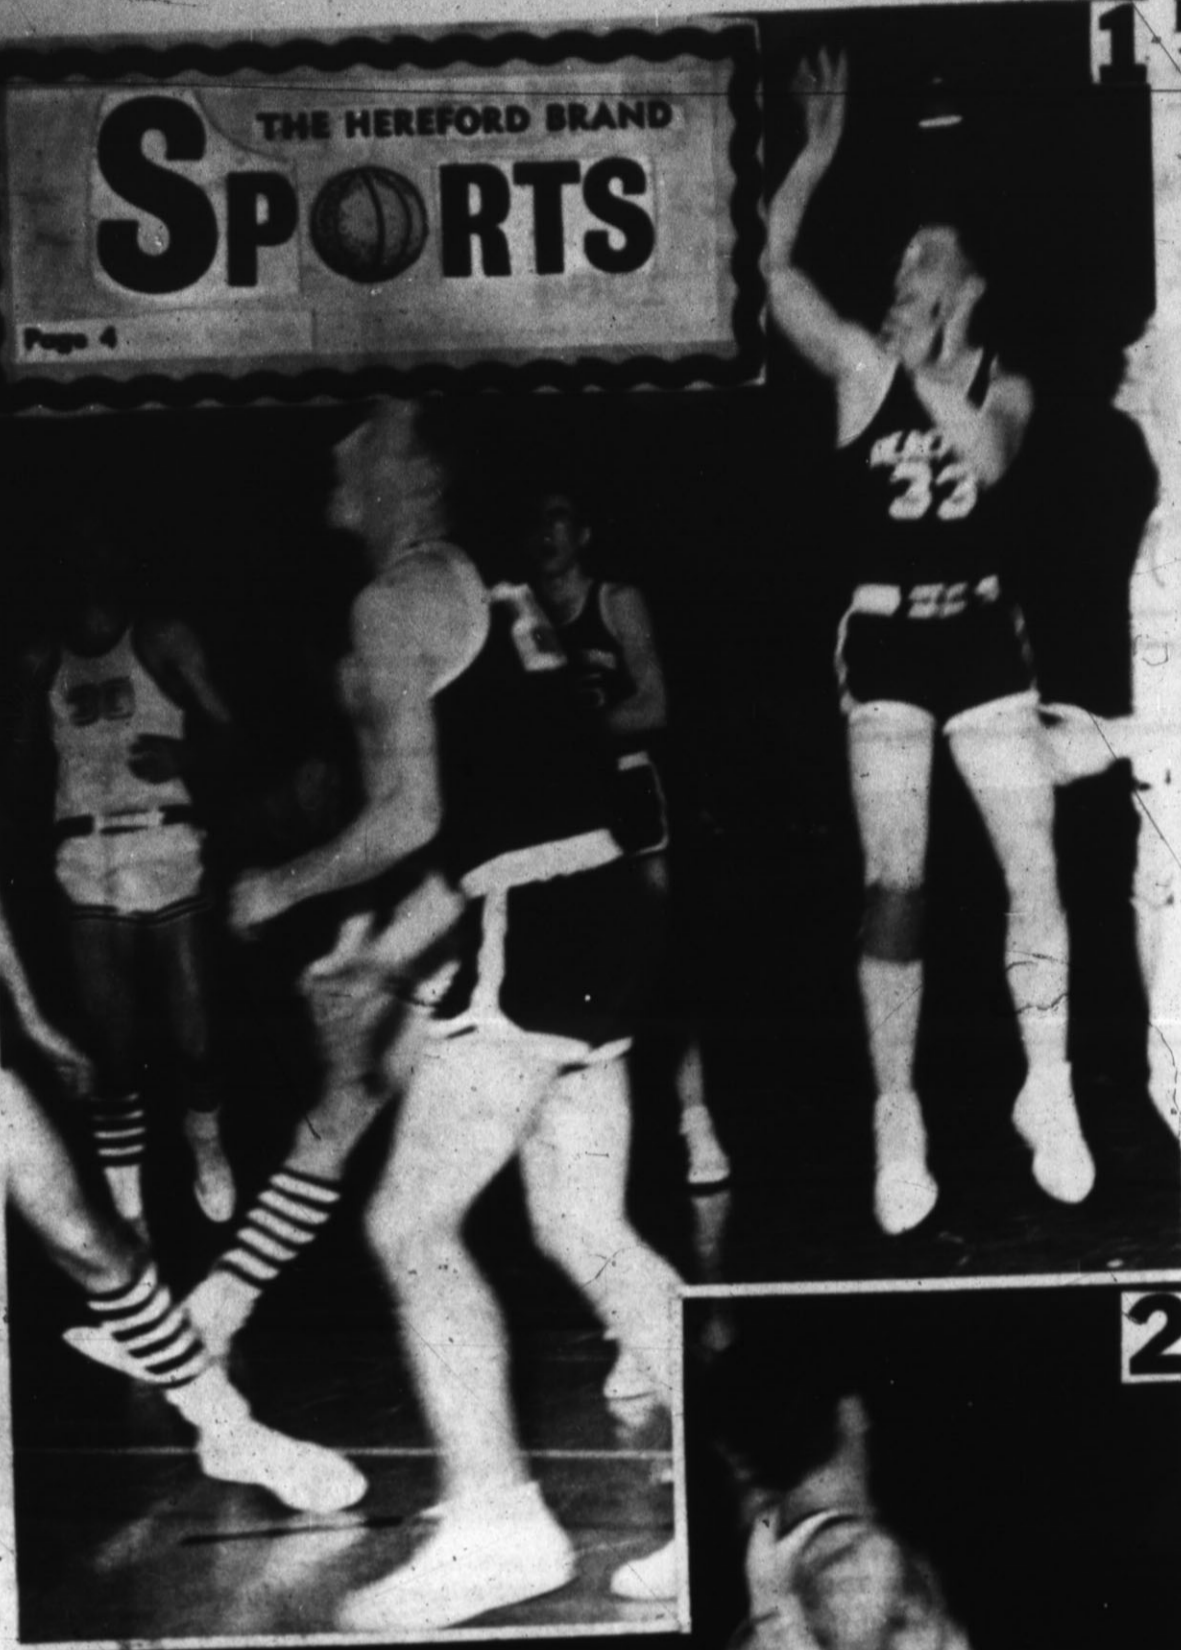

Perryton was kind of like a sleeping log after the Herd upset them at Perryton.

The following week, Dumas traveled to Perryton and defeated the Rangers 65-45.

But, Tuesday evening the Rangers upset the Demons 37-24 at Dumas.

They had previously upset Tulia and Herford on their home courts in second half play and have three wins against no losses.

(See 506 Page 6)

NO. 1 — Gene Duvall, 33, is exhibiting some of his long shots in the Herford-Canyon game Tuesday evening, while Greg Richards, 21, looks on. NO. 2 — Robbie Lemons just vaulted into the air and stole the ball from this Eagle. NO. 3 — The Herd pauses here for a time out during the final quarter with a 20 point lead. (Staff Photos)

**By MELVIN YOUNG**  
The head of the Dallas Crime Commission, John McKee, went on record as favoring the abolishing of the juvenile court system in Texas, and strongly recommended that all juvenile offenders be tried in open court. McKee feels that the public identification of offenders and their parents and their appearance in court would be "a step in the direction of reducing juvenile criminality." And perhaps he's right.

We often wonder about the teenager, who is allowed to get away with his misdeed with a slap on the back of the hand and a warning to "go and sin no more".

Certainly, the youth who finds himself at the law is in the minority. Only a small percentage of our youngsters head down the wrong road, but this small percentage manages to give the majority a "black-eye."

The state of Montana abolished the juvenile court system two years ago and juvenile felony cases decreased 49 per cent and juvenile traffic cases decreased 75 per cent. In other words, the young offenders couldn't stand the heat, so they behaved.

Not only were the courts open to the public but newspapers throughout the state reported the names of the juveniles, their addresses, the names of their parents and the disposition of the charges against them, according to the Dallas Crime Commission executive.

The success of the open court policy indicates to us, and to a lot of others apparently, that there must be some merit to it. We have often wondered if the ridicule of their fellow teenagers might not bring some of our more arrogant young men and women down to earth, perhaps more so than the tough juvenile judge who must pass sentence. At least it's worth considering.

A new branch of psychiatry has been started: Psychoceramics, the study of crackpots.

The recent snow has given some encouragement to dry land wheat farmers, who have been looking down the road to another wheat failure in 1965. With sufficient moisture from here on out, we might come up with a pretty decent crop yet.

Last year was a double-barreled failure, with both wheat and milo in the dry land areas going by the wayside. We hope that there is not a repeat of that situation.

Few people outside the county realize that Deaf Smith still has thousands of acres of dry

land in cultivation, plus many more acres of ranch land which must depend on mother nature entirely for moisture. When the rains fall to come, it hurts right down to the man on Main St. And he's still feeling the pinch from the past year.

Hereford however is continuing to grow, and we doubt that we will see any change in this trend. But it will be much better when and if we hit a bumper dry land crop.

Our old friend A. S. Higgins from up Texline way is at it again, and frankly, we're beginning to wonder about the validity of that old boy's stories. He's off on that "Yankee" Corn Planter again, and we can tell by the tone of his letter, that he's speaking with authority. Who's authority is another question.

Higgins tells us that back in his farming days he just marked off the rows (for corn) with a 3 row sled and then caught and trained some squirrels. The squirrels would fill their mouths full of corn and one in each row would dig a hole, drop a kernel of corn in and then hop just the right distance for the next hill and repeat the operation.

Now we might be tempted to believe that, but his next statement is for the birds.

"We never could teach the squirrels to cover the corn. We solved that problem by training the same number of cats to cover the seeds. They even patted the dirt down so the seeds would sprout quicker," he says. "The squirrels ate some of the corn and the cats lived on field mice. So far as I have been able to find out this was the beginning of 'The Job Corps' and 'The Great Society'."

As we said before, some stories you just have to take with a grain of salt, or in this case, "a bushel of salt".

Higgins, by the way, is a pioneer of the Hereford area and is greatly interested in the Deaf Smith County museum project.

Calvin Coolidge, queried by his wife as to the topic of the preacher's sermon at a service which the president attended alone replied, "I don't know. He didn't say."

## Portales Rams Nip Herd Here Saturday In Non-Conference Game

## Lemons Has Great Night On Boards

(Continued from Page 4) The Herd stymied every attempt of the Eagles to score, stealing the ball and racking up a 59-40 lead before allowing the

### WTSU

(Continued from Page 4) will enable him to make a positive and valuable contribution to our football program.

Although Roberts served as defensive backfield coach, McCullough's duties are as yet undetermined, according to Kerbel. "We are reorganizing our coaching assignments to meet the more liberal substitution rules and all staff assignments will be announced later," Kerbel explained.

Roberts was an assistant here in 1960 and 1961 before tours at Cameron (Texas) and Stillwater (Oklahoma) High Schools.

"My present interests are in coaching at the large high school level," said Roberts. "Resigning now will allow Coach Kerbel to have a complete staff together to prepare for spring training and to continue together through next fall. I would not want to make an untimely resignation later in the spring. I have been offered a temporary position in private business that will allow me to investigate high school coaching positions. It has been a privilege for me to serve at West Texas State. I hope that the future brings much success to Coach Kerbel, his staff and the Buffalo teams."

Kerbel praised Roberts, saying, "We appreciate and understand Coach Roberts' desire to pursue his coaching career at the high school level. I know he will do an excellent job."

Eagles to score once. Hodges opened up on the Eagles, stealing the ball countless times and tossing it nearly half the distance of the court to Strange or Lemons, and they would count for the tally.

Coach Kitchens began emptying the benches and all of the players, suited up for the contest were in the game, with everyone scoring before the final buzzer.

The new team continued racking up a still higher score and the defensive efforts were not slackened by the addition of the new members.

The final buzzer sounded with the Eagles searching for another point and the Herd leading 72-48.

The Junior Varsity sacked up another easy win over the Junior Eagles, who proved their inability to fly, as the local team won 61-47.

Bill Watts was high point man with 12 points, while Larry Champ followed with 10.

A stubborn team of Portales Rams came to Hereford Saturday evening and butted the Herd, Whitefaces all over their home court to a 74-59 win.

The Rams jumped out to a 22-14 first quarter lead and went to the lockers at half time with a 38-21 lead.

Robert Strange led the Herd's attack as he posted 21 points including nine field goals. Steve Hodges followed in scoring as he blazed the nets with 12 points.

High point man for the Rams was David Kremenak as he balanced 21 points.

Joe Childers racked up nine points for the Herd while Grady Martin popped the nets with 15 for the Rams.

Hereford had 22 field goals compared with 31 for the Rams. The Herd outscored the Rams

in free throws as they chalked up 17 to the Rams' 16.

The Rams were charged with 17 fouls as were the Whitefaces.

### SOS

(Continued from Page 4) ses. They were 3-2 for the first half, losing only to Hereford and Dumas.

I personally would rather see the Demons represent District 1-AAA than the Rangers.

Surprisingly enough, the Demons exhibited the finest in sportsmanship when the Herd traveled there and lost a squeaker. This cannot be said for the Rangers.

However, I feel the Herd can win the Dumas game and clinch the District championship for Perryton, which is about the only thing they can do.

If both of the teams win their last two games, there will have to be a playoff with both teams having identical records and having defeated each other once in the season.

Surprisingly enough, Dumas was defeated on their own court and Perryton lost their game to Dumas on their home court. This is certainly an odd twist.

Hereford has proved to have

an exceptional team this year and will be losing the assistance of some real fine players due to graduation.

These boys did not even look like a basketball team at the beginning of the season, but have really developed into a fine club in my opinion.

Congratulations to James Boyd for winning the City Bowling Singles Championship with a 641 series. That's really getting the ball down the lane in fine fashion.

Jack Kirksey and Charles Owen won the Doubles Championship with a 1303 pin total.

The Immanuel Lutheran Church won the team championship for the city Tuesday evening as they racked up a pin total of 2465.

Members of the Lutheran team are Fred Beversdorf, Bob Rott, Carl Huffman and Keith Anderson.

"Professional" type bowling league is starting at the Sunset Lanes Saturday afternoon at 2 o'clock.

Any merchant, clerk, minister, or any other occupation is invited to participate in the league.

## Driving Violations Bring Fines In Judge Hank Williams' Court

Five persons appeared before Judge H. C. (Hank) Williams this week to answer to various charges.

Donald L. Sparks, 25, Rt. 2, entered a plea of guilty before Judge Williams to a charge of driving with license suspended and was fined court costs and sentenced to 30 days in the county jail.

Alton Winston Short, 30, 834 Blevins, entered a plea of guilty to a similar charge before Judge Williams and was ordered to pay court costs and spend five days in the county jail.

Both men were arrested by officers of the Texas Highway Patrol in a routine driver's license check.

The highway patrol also arrested Thomas H. Gomez, 46, 340 W. 2nd, on a charge of driving while intoxicated and he entered a plea of guilty before Judge Williams. He was fined \$100 and costs and sentenced to 15 days in the county jail.

Pedro Gaitan, 21, 132 Ave. I, was fined \$100 and costs and ordered to serve 20 days in the county jail after he entered a plea of guilty before Judge Wil-

iams to a charge of driving while intoxicated.

Gaitan was arrested by the Highway Patrol.

In the final case, Francis E. Gaetz, 41, 219 Ave. D, was sentenced to 30 days in the county jail after he entered a plea of guilty to a charge of swindling with worthless checks. He was arrested by officers of the Deaf Smith County Sheriff's Department.

**SHORT SNORTS** — Bill authorizing the State Railroad Commission to order pooling of separately-owned oil and gas interests in standard proration units has cleared the Senate Oil and Gas Committee.

A four-system geographic grouping of colleges, rivaling a three-system, set-up by Governor Connally, is called for in a bill by Sens. Dorsey Hardeman of San Angelo and H. J. Blanchard of Lubbock.

Continuation of the Veterans' Land Program with another \$200,000,000 bond program is proposed in constitutional amendments introduced in both the House and Senate.

Cord Of Thanks The family of Mrs. W. W. Palmer wishes to take this opportunity to express our sincere thanks and appreciation for the many kind deeds during her illness and death. Especially do we thank Dr. Rush and the fine staff of nurses for their faithfulness. May God's richest blessings be with each. W. W. Palmer, Homer, Royford and Bill Mr. and Mrs. Raymond Palmer and family Mr. and Mrs. Harold Palmer and family Mr. and Mrs. R. B. Stevenson Mr. and Mrs. Elmer Adams and family Mrs. Gloria Palmer and family.

We would like to express our thanks to the doctors, nurses and Deaf Smith County Hospital Staff, to the women of the First Methodist Church who provided the food, to those who gave blood, and to friends who sent flowers and food and all others who assisted us during the illness and death of our father E. F. Sevier. — The children of E. F. Sevier

ORDER NO. 1699 BIDS WILL BE RECEIVED FOR THE PURCHASE OF REGULAR GASOLINE AND DIESEL FUEL UNTIL 10:00 A.M., FEBRUARY 22, 1965.

On a motion by Com. Latham, seconded by Com. Hicks and motion carried, the Court agreed to receive bids until 10:00 a.m., February 22, 1965, for the purchase of regular gasoline and diesel fuel. The Court will request each bidder to quote prices on gasoline and diesel fuel, tank wagon prices, delivered to precinct storage facilities in precincts 1, 2, 3 and 4. The Court will also request prices on regular gasoline sold through company owned pumps. (Octane to be — 80 or above.) Mail bids to Judge H. C. Williams, Courthouse, Hereford, Texas. T-6-2c

NOTICE OF MARSHAL'S SALE United States of America Northern District of Texas Public notice is hereby given, that by virtue of a writ of execution, dated January 26, A. D. 1965, issued out of the District Court, of the United States for the Northern District of Texas on a judgment rendered in said Court, on the 12th day of January, A. D. 1949, in favor of United States of America and against Chess Gollithar I have, on this 2nd day of February, A. D. 1965, levied upon the following described real estate, situated in the County of Deaf Smith and State of Texas, to wit: "North 150 feet of the South 67.71 feet of the West 208.71 feet in Block 29, Evans Addition, Hereford, Deaf Smith County, Texas," and that I will, accordingly, offer said real estate for sale, at public vendue to the highest and best bidder, for cash, on the 6th day of April, A. D. 1965, at 11:00 o'clock A.M., this being the first Tuesday of said month at the Courthouse door in Hereford, Deaf Smith County, Texas Dated, Amarillo, Texas, February 4, A. D. 1965. Robert I. Nash, U. S. Marshal Northern District of Texas By Glen R. Bevers, Deputy Melvin M. Diggs Assistant U. S. Attorney 208 U. S. Courthouse, Ft. Worth, Texas Plaintiff's Attorney T-6-4c

NOTICE OF PUBLIC HEARING Notice is hereby given that the City Commission of the City of Hereford, Texas will hold a public meeting in the Council Room, City Hall, Hereford, Texas at 7:30 P.M., February 15, 1965, at which time discussion will be had on the proposed budget for the City of Hereford for the fiscal year beginning May 1, 1965, and ending April 30, 1966. Ray Cowpert, Mayor City of Hereford, Texas T-5-3c

'FARMER OF YEAR' — This honor was given to Kenneth Christie, who has farmed two miles south of Summerfield since 1953, Wednesday by the Hereford Lions Club. Shown here, left to right, are Dr. Ivan Miles, chief agronomist for Olin chemicals, Little Rock, Ark.; Mrs. Christie; Christie; and Homer Brumley, a member of the Lions Club agriculture committee, which made the selection. Christie farms 640 acres and rents out 160 more. His wife and he have two children, and he is a deacon in the Summerfield Baptist Church. Dr. Miles was speaker at the Wednesday program. (Staff Photo)

Legal Notice

THE STATE OF TEXAS To: John H. Gibson, being one and the same person as John Gibson, Defendant, Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 5th day of April 1965, at or before ten o'clock A.M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 8th day of December A. D. 1964, in this cause, numbered 4883 on the docket of said court, and styled, EULA CARMACK, a female sole, Plaintiff, vs. GENE BROWN, ET AL., Defendants.

The names of the parties to the cause are as follows: Eula Carmack, a female sole, is Plaintiff and Gene Brown and Tommy Brown, doing business as Gene Brown and Son, a co-partnership, R. J. Collier, and John H. Gibson, also known as John Gibson, are Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Legal Notice

Plaintiff sues for: Possession of and title to the following described real estate situated in Deaf Smith County, Texas, to-wit: All of Lot No. 46 of Brownlow Addition, a Sub-division of the West 550 feet of Block No. 16, Welsh Addition to the Town of Hereford, Deaf Smith County, Texas, as shown by the map or plat thereof recorded in the Deed records of Deaf Smith County, Texas. Plaintiff further prays that the cloud cast upon the above described property by the Defendants be removed and that title to said property be vested in the Plaintiff and divested out of the Defendants, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after this issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 9th day of February A. D. 1964.

Attest: Lucille Posey Clerk, District Court, Deaf Smith County, Texas. (SEAL) T-6-4c

UNITED FUND CHAIRMEN — Clint Formby, seated, discusses United Fund activities with Dean House, who was president of the 1964 campaign. Formby was named Tuesday as president of the 1965 drive. (Staff Photo)

UF Board Names Officers For Year

Clint Formby, recently named Hereford's "Citizen of the Year" by the Lions Club and directing manager of Radio KPAN here, will head the United Fund drive for 1965, it was announced Tuesday.

Formby's appointment was made by the current board at the UF's annual meeting Tuesday afternoon at the Community Center after a report was made by a nominating committee headed by Melvin Young.

Working with Formby will be Frank Ford Jr., first vice president; Mrs. John D. Pitman, second vice president, and Alex Schroeter, treasurer.

Named to the board of directors were Dale Young, Earnest Langley, Roy Hartman, Jack Nunley, Schroeter and Mrs. Walter London Jr.

To Retain UF There was no serious discussion of abandoning the US despite the fact that the drive did not reach its goal, a common occurrence in recent years.

The seven participating agencies have agreed to reduce their activities for the present year in order to operate within the funds received by the UF. Officials said the drive was about \$3,000 short of its \$29,000-plus goal.

Tommy Carnahan Heads County Gas Users Assn.

Tommy Carnahan was elected president of the Deaf Smith County Gas Users Association Tuesday night in a Community Center meeting attended by about 50 farmers.

He will replace Frank Zinser Jr.

Other new officers are Donald Hicks, vice president; Jau Don McCathern, secretary-treasurer; and Tom Robinson, Hicks, and Dick Godwin, directors to the High Plains Gas Users Association.

Seek FFC Permit Favorable reports were made on attempts by the High Plains group, the regional gas users organization that includes members from 14 counties, to arrange purchase of gas from pipelines going through the counties.

Jay Boston, Deaf Smith County farmer who is president of the High Plains group, told of activities of a group of Black area farmers seeking a permit from the Federal Power Commission to purchase gas from pipelines. The request is expected to be approved, perhaps within two weeks, if it is successful, it is anticipated that other farmers will form corporations to resell gas to the individual farmers and make similar applications to the FFC.

A report was made by John Aikin, Hereford attorney and legal counsel for the gas users, on the program of the activities which, the farmers feel, will put natural gas purchases for irrigation purposes on a competitive basis.

Zinser, outgoing president of the Deaf Smith group, told the Board Wednesday the likelihood of getting FFC approval "looks favorable."

It is the feeling of several of the gas users association members that the High Plains group will be purchasing gas from pipelines within 15 months. They expressed the belief that such an arrangement would have a leveling effect on the price of natural gas for irrigation purposes over the whole plains area.

The three Deaf Smith directors to the regional organization will attend a meeting tonight of the board at Edmondson.

# Course Was Organized For 4-H Club Projects

(Continued from Page 1)  
 (1) Before the course is begun, each child will be tested to determine his attitudes about money.  
 (2) His parents, too, will be sent a test. It will ask them a few simple questions to see what are some of the family money "philosophies."  
 (3) After the student has worked through two lessons, a mimeographed copy of "The School Age Child and His Money," a self-explanatory booklet written by Mrs. Newman and three other experts, will go into the pupils' homes.  
 (4) At the end of the course, both the student and his parents again will be tested to see if any progress has been made.  
 (5) Students passing the course will receive a certificate now being prepared by Mrs. Argen Draper, county home demonstration agent who has been instrumental in getting the program

accepted by school personnel.  
**Required Many Hours**  
 The laying of groundwork has consumed many hours on the part of the Family Economics committee, a conscientious group comprising a banker, a credit union official, a realtor, a home maker, a ready-to-wear store clerk and two 4-H Club members.  
 Spearheaded by Mrs. Draper, an indefatigable worker in Deaf Smith home economics and related circles, the program has required 30 separate meetings with principals and later teachers of the four Hereford public schools, two parochial schools and the Walcott facility.  
 All of the affected persons appear enthusiastic at the prospective accomplishments of such a program.  
 "I feel like it is a very worthwhile project, not only for the children, but for the parents as well," describes Roy Hartman, principal at Shirley Elementary

School. "We are anxious to see the results."  
**About Three Weeks**  
 Hartman recalled a recent program by the telephone company to instruct the students in proper use of the instrument. Couple that instruction with the money management study and, Hartman deduces, "if we don't teach them anything else in the fourth grade, we have at least taught them something worthwhile."  
 "The three Rs are important," he says, "but so are these."  
 Mrs. Patricia Coleman, who shepherds about 30 fourth grade charges through scholarly pursuits at Northwest Elementary School, has started the program. She mixes it in with arithmetic and anticipates it will take about three weeks.  
 "The children have enjoyed it because money is something they work with everyday," the attractive young school marm says. "You would be surprised how many school children don't realize where money comes from."  
 It might be even more surprising to know the number of adults who are not yet sure of their money "facts." The result is a permanent bungalow beside the Bay of Financial Hot Water.  
 That unassuming characteristic of the average family's financial practices could well be the biggest winner from the instruction of 505 Deaf Smith County fourth graders in the management of money.

**PUTTING KNOWLEDGE TO WORK** — Carol Ann Turrentine, a 4-H Club member, demonstrates one of the projects she devised after studying a money management course prepared by the Texas Extension Service. The same program

is being taught to 505 Deaf Smith County fourth graders. Extension officials say this is the first time the course has been used in public and private schools on widespread basis. (Staff Photo)

## BANQUET DATE IS SET

### Chamber Board Backs Variety Park Project

(Continued from Page 1)  
 sign the street and sidewalk areas of a four-block downtown Main St. area.  
**Commend Participants**  
 "The directors want to commend the city, the landowners and the merchants for their progressive thinking," Thomas added.  
 Other topics and decisions emerging from the early Wednesday meeting:

(1) A new industrial survey was authorized. It will cost \$3,500 and will again be made by the Burt C. Blanton Co. of Dallas, the same firm which made a similar survey in 1955 which Thomas says "has been fantastically accurate."  
 (2) The date for the 1966 annual banquet was set for Feb. 20th, a Thursday, and a committee headed by Labry Ballard, and including Neil Cooper and Hilrey Aven, was named to oversee arrangements.

**Tourist Project**  
 (3) Enthusiastic discussion resulted over a tourist promotion proposal by Gene Fooks, Church of Christ minister who heads the tourists and convention committee. Fooks has suggested tourist tours of Deaf Smith County Agriculture sites during the summer.

Named to head the chamber's main committees were Woody Wilson, internal affairs; Pete Caviness, agriculture and livestock; Cooper, economic development; Raymond White, community development; Johnny Pool, transportation, resources and communications and Aven, political and economic development.  
 Thomas said the industrial survey will be contracted for as soon as the necessary funds can be raised. He said the money will be sought from "specified contributors" and added that Hereford's two banks already have donated \$500 each.  
 The chamber president was highly complimentary of the 1955 survey made by the Dallas firm, noting that its chartings and predictions have proved unusually accurate. "I think he missed the predicted 1965 school enrollment by 25 pupils," Thomas said.  
**Use Students**  
 The tourist promotion plan, which is now only in planning stages, would arrange tours of agricultural sites — a vegetable shed; fields of milo, potatoes, cotton, onions, sugar beets and other crops; a feed yard and perhaps the Holly sugar refinery — during the months of July and August.  
 A booth would be constructed on U. S. Hwy. 60 and be operated by high school girls. Members of the Future Farmers of America chapter would be trained as guides for the tours which — if the demand was high enough — could be made both mornings and afternoons.  
 Thomas said the project was developed by Fooks and details will be forthcoming from him in the near future.

**Other Committees**  
 Chairman of sub-committees within the main groups also were approved by the board. The committees and their heads are:  
 Political and Economic Development — Government Affairs, Roy Faubion.  
 Transportation, Resources and Communications — Water Resources, John D. Aikin; Aviation, William R. (Bill) Dickson; Rail and Motor Freight, Clete Corlis.  
 Community Development — Beautification, Mrs. Irving Alexander; Christmas Decorations, Wheeler Sears; Recreation, Rex Lee; Civil Emergency Planning, Dr. Milton Adams; Human Relations, Ed Line.  
 Economic Development — Trade Promotion, Irving Alexander; Tourists and Conventions, Fooks; Industrial Development, Melvin Jayroe.  
 Agriculture and Livestock — Agriculture (not named); Registered Livestock, Steve Bavousett.  
 Internal Affairs — Community News and Publicity, Dudley Lynch; Membership Information, Melvin Young; Membership, Charlie Bell.

Barnacle eggs develop within the parents shell and are hatched as a milky cloud of free-swimming larvae.

**DISCUSS PROGRESS** — These four persons, three of them Hereford residents, chart the progress of the money management course being introduced into county schools. Roy Hartman and Joel Hodges, rear, are members of the Family Economics Committee of the extension service program here. Mrs. Argen Draper, left, is home demonstration agent, and Mrs. Eula J. Newman, a specialist in home management with the Texas Extension Service, College Station. (Staff Photo)

## Traffic Accidents From Slick Roads Are Mostly Minor

(Continued from Page 1)  
 a problem to some resident of the city and county.  
 Officers of the Hereford Police Department, Deaf Smith County Sheriff's office and the Texas Highway Patrol were forced to put in extra hours in the cold and slush, investigating wrecks and aiding motorists who were stranded in the county.  
**Will Expect Erosion**  
 "When freezing moisture like this stays on the ground, starts to melt and freezes again, it causes the soil to puff up and it doesn't take a very strong wind to get thin layer into the air," Newman said.  
 "I do not anticipate anything like we had last month, but there is a very good chance we will have some wind erosion problems in the next few weeks," he said. "But they will probably not be as severe as the last one."  
 Newman said the cattlemen in the county would have preferred a good rain to this snowfall, but there were glad to see the moisture of any type.  
 During the first 42 days of the year, only .34 of an inch of moisture has been measured.  
 "A good snow is really more valuable than a rain," Newman said, "because you have no runoff whatsoever and the moisture just soaks in at a low and easy pace."  
 However, the snow did present a problem to some resident of the city and county.  
 Officers of the Hereford Police Department, Deaf Smith County Sheriff's office and the Texas Highway Patrol were forced to put in extra hours in the cold and slush, investigating wrecks and aiding motorists who were stranded in the county.  
**Watched Back Roads**  
 Sgt. W. E. Wells of the Highway Patrol said patrolmen covered the back roads in the county more than usual to spot isolated motorists. None were found.  
 The highway patrolmen in the county investigated one accident which was attributed to the weather.  
 Hereford police investigated five accidents during the first part of the week, three of which were attributed directly to icy conditions.  
 The first accident caused by the slippery streets occurred at 9:15 a.m. near the intersection of Third and Sampson when vehicles driven by Margaret Hughlin Pugh, 805 Brevard, and Roy G. Smith, Amarillo, collided. Mrs. Pugh was pulling away from a stop sign and collided with Smith. She was cited for failure to yield right of way.  
 Emerging From Alley  
 Another occurred only minutes later at 9:40 a.m. Tuesday when vehicles driven by Coralie Tiefel, 124 Ave. J, and Gary Wayne Price, 510 Roosevelt, collided when Price was pulling out of an alley and collided with Mrs. Tiefel. Price was cited for failure to yield right of way.  
 The other accident attributed to road conditions occurred shortly after 2:40 p.m. Tuesday, when a car driven by Bill Gene Hollenstein, 411 Blevins, was proceeding across a vacant lot in the 700 block of Blevins and was unable to turn into an alley, knocking down several cedar trees. Hollenstein was cited for negligent collision.  
 An accident occurred at 4 p.m. Sunday at the intersection of Park and Ave. E.  
 Officers said Darrell W. Maddox, Rt. 3, had stopped for a car in front of him and a car driven by Atanacio Mancilla, Box 614, struck him from the rear. Mancilla was cited for following too closely.  
 A crash occurred at 8:47 a.m. Wednesday at the intersection of Union and Ave. F, when vehicles driven by Ralph Alphas Packard, Star Rt. and Gary Thomas Gore, 810 Third, collided.  
 Officers said Gore stopped for a stop sign and then proceeded into the intersection, colliding with Packard. Gore was cited for failure to yield right of way.

### SINUS Sufferers

Here's good news for you! Exclusive new "hard-core" SYNACLEAR Decongestant Tablets act instantly and continuously to drain and clear all nasal sinus cavities. One "hard-core" tablet gives up to 3 hours relief from pain and pressure of congestion. Allows you to breathe easily — stops watery eyes and runny nose. ## RESOLUTION PASSED Survey Shows Salary Levels Here 'In Line'

(Continued from Page 1)  
 The policy of the court has been to hire new employees at a beginner's salary and award periodic raises as recommended by department chiefs.  
 The court reviewed and approved the resolution prepared by the Gas Users Association urging the passage of legislation placing natural gas used for irrigation purposes under the regulation of the Texas Railroad Commission.  
**Amend Court Order**  
 The gas users association has been advocating such legislation for a number of years but has not been successful.  
 The court amended the court order regulating the distance that underground water lines (irrigation lines) and gas lines can be placed from the center of the section line. An order had been passed at a previous meeting of the group prohibiting the drilling of wells within 55 feet of a section line, but the court had failed to include underground tile and gas lines in the court order.  
 The move was made in an effort to prevent problems and expense later should the county need to open a road down a section line.  
 The court voted to advertise for bids for the purchase of county gasoline and diesel fuel. At present time, the precinct commissioners purchase gasoline and diesel fuel wherever they choose, as does the sheriff's department and tax office. It was felt that a savings could be made for the county by taking yearly bids on this business.  
 One item of business was tabled until the next meeting. That concerned the purchase of the property at 4th St. and Sampson, Frank Bezner, representative of the Knights of Columbus, met with the court, expressing the desire of that group for "a fair price for the property."  
 The court had previously offered \$32,000 for the property. Bezner asked that they reconsider their offer, stating that the group had been offered \$37,500 for the 200 foot by 150 foot corner at one time but had turned it down. The offer was later withdrawn due to other business interests of the interested parties.  
**TWO-WAY FLOW**  
**BELA CRKVA**, Yugoslavia — The river Karas here is one of the few on earth which flows two ways.  
 Karas is a tributary of the Danube and normally flows into it. But when the Danube is in flood the Karas backs up, reverses and flows into the Tamis River.  
**Classifieds Get Results**

### If you're going to enter something like the Pure Oil Performance Trials, you might as well do it to win.

### So we did. Class IV—won by Buick Special.

Down at Daytona Beach, we gave everyone another look at Buick's "Win Policy." A V-8 Buick Special won over stiff competition (sorry, boys!) in Class IV—in the 1965 Pure Oil Performance Trials. The winning Special was equipped with our 300 cubic inch Wildcat 310 V-8 and Super Turbine Transmission.

Remember that the drivers in the Performance Trials are skilled professionals, and the cars finely tuned standard production models. (If it can be said that the Special is "Standard" anything.) Also remember that the trials are an exhausting, carefully graded test of a car's all-around ability. In economy, acceleration and braking. Small wonder the Special came out on top. Handsomely.

(The specific detail? Our hero averaged 20.689 mpg in economy, to score second among 10 cars. It accomplished the acceleration test—from 25 to 70 mph—in 9.315 seconds, for a fourth. And took another second in braking: from 65 to 0 mph in 172.0 feet. The cumulative result: we won all the marbles in Class IV.)

Now then. If you're going to enter something—like a car—you might as well do it to win, too. Your Buick dealer can introduce you to the driver's seat of a Buick Special.

### About Town

(Continued from Page 1)  
 Mrs. Nola Ralston, Mrs. Ada David, Mrs. Gladys Graham, John Green, C. W. Smith and Harry Coffin.  
 Max Hair, 209 Star St., and Sheila Thames, 306 W.S. Hereford, earned grade averages of 3.0 (B) or better to be included on the dean's honor roll for the semester which ended at Southwestern Oklahoma State College Jan. 22. Here is a sophomore majoring in pre-pharmacy and Mrs. Thames is a senior in the school of pharmacy.  
 A kick-off meeting for a drive to erect a Deaf Smith County Museum will be held at noon Friday at the Hereford Country Club. Mrs. Bessie Patterson, chairman of the county historical survey committee, said a representative of each civic group and organization in the county has been invited. The affair will be a "dutch treat" buffet at \$1.50 per person.  
 There will be a Farmer's Union covered dish supper meeting in the Flame Room of the Pioneer Natural Gas Co. at 7:30 p.m. today. Kenneth Moss, field service representative from Paducah, will bring the program.  
**THANK YOU, MR. CLAUS ALBUQUERQUE, N. M. P.** — Youngsters by the hundreds write to Santa Claus each year telling him what they want for Christmas.  
 This year, for the first time in memory of local Post Office officials, Santa has received after-Christmas thank you notes from children.  
 One little girl wrote Santa to thank him for the play house, the bird cage mirror and the "storing."  
 Another little girl thanked Santa for the oil painting set and the mink stole.  
 The Tennessee Walking Horse has only three gaits — the flat-foot walk, the running walk that gives riders the sensation of gliding and a joyous rocking-chair canter.

**NEW DIRECTOR** — Mrs. Robert Lemons, right, the new director of the Hereford Community Center is shown serving Mrs. Claude Caves a cup of punch at a party given in Mrs. Caves' honor last Friday evening. Mrs. Caves retired from her job to devote full time to teaching a special education class at Stanton Junior High. (Staff Photo)

## Deadline On WTCC Trip To California Feb. 20th

**ABILENE (Special)** — The West Texas Chamber of Commerce moved closer to its of Commerce, presiding. Welcome will be by Charles Lutz, vice-president of the Amarillo Chamber.

Mueller is to deliver his keynote address at 10:15, and at 10:45 the chamber leaders will adjourn to group meetings. Leaders for these sessions will be Mueller, for presidents and officers; Charlie Young, executive vice president of the Plainview Chamber, for director and committee chairman; and W. T. (Bill) Thompson, manager of the DBOCC, for managers.

Mueller is to speak at noon as workshop registrants lunch with the Downtown Rotary Club of Amarillo. During the afternoon John Logan, executive vice-president of the Lubbock Chamber, is to speak on the program of work in a local chamber; Carroll Davidson, manager of the Big Spring Chamber is to speak on chamber financing and Harry Cowan, manager of the Borger Chamber, will speak on committee management.

Cities whose leaders will attend the Amarillo workshop are Amarillo, Borger, Canadian Canyon, Clarendon, Dalhart, Dumis, Hereford, Memphis, Shamrock, Spearman, Stimmett, Sunray, Wellington, Wheeler, Abernathy, Crosbyton, Dimmitt, Earth, Farwell;

Also Floydada, Friona, Hale, Rawls, Slaton, Spur, Tulia, Petersburg, Childress, Chiloicthe, Paducah, Quanah, and Vernon.

March 1-6 Farm and Ranch Management Tour into the agricultural valleys of Arizona and California this week and set a deadline to February 20 for reservations on the special train expected to carry 200 men westward for the week-long trip.

W. H. (Bill) Lance of Perryton, chairman of the WTCC Agriculture Committee, set the February 20 deadline. Lance said any requests which come after that date will be put on a standby basis and accepted if there are cancellations or if enough additional train equipment can be added to handle more than 200 tour members.

**To View Irrigation**  
Texas farmers, ranchers, bankers and businessmen and persons in fields related to agriculture will take the tour. It will cover the areas around Riverside, Sun City, Indio, Palm Springs, El Centro, Brawley, and Blythe, all in California, and the Parker Valley in

**DON'T WAKE UP NIGHTS**  
Your 30c back in 24 hours when BURETS are taken for slightly bladder irregularity. Functional kidney disorders can cause disturbed sleep, leg pain, backache, frequent or scanty flow and burning. After 3 tablets, if not pleased your 30c back at any drug store. TODAY at

Arizona. Headquarters for the tour will be at Palm Springs, Calif. Those on the tour will take a first-hand look at diversified farming and ranching operations

in the rich agricultural valley in California and Arizona. Lance said, especially the way irrigation has turned once-desert areas into fertile, productive land. Reservations may be made by writing the West Texas Chamber of Commerce, Post Office Box 1561, Abilene, Texas. A check for the tour's cost of \$25 should be included.

## Chamber Leaders Invited To Workshop At Amarillo

**AMARILLO (Special)** — Local chamber of commerce leaders from 44 cities in West Texas will attend a one-day community Leaders' Workshop in Amarillo on February 18, one of four such sessions scheduled February 15-18 in Denton, Brownwood, Big Spring, and Amarillo.

The workshops are co-sponsored by the West Texas Chamber of Commerce Community Services Committee and the local chambers of commerce in the four cities. Involved in the four meetings are local chamber leaders from 157 communities in the 132-county WTCC area.

Scheduled to gather at Amarillo are local chamber presidents, officers, directors, committee chairmen, and managers from 44 cities in this section of the WTCC territory. The workshop is designed to acquaint local chamber leaders with their role in community and chamber leadership, to enrich them with knowledge of chamber activities in other areas, and to serve as a market place for new ideas.

Keynote speaker for all the workshops is Frank Mueller, manager of the State Chamber of Commerce Service Department for the U. S. Chamber of Commerce.

During part of the day separate sessions will be held for chamber presidents and other officers, board members and committee chairmen and managers. The afternoon sessions will be devoted to a study of local chamber programs of work, financing chamber activities, and to committee management.

The workshop will begin at 9:30 a.m. and close at 3 p.m. at the Herring Hotel in Amarillo.

Si Ragsdale Jr., executive vice-president of the Denton of the Denton Chamber of Commerce, is chairman of the WTCC Community Services Committee which has developed the workshops. He is assisted by Ralph Duncan, manager of the WTCC Community Services Department of the WTCC.

The Amarillo workshop opens with registration at 9:30. The first session is at 10 with Donald

L. Hileman, executive vice president of the Amarillo Chamber

Hereford, Texas

## What Lutherans Teach

By Fred Beversdorf, Pastor  
"All Scripture is given by inspiration of God" 2 Tim. 3, 16.

We have said so far that the Lutheran Church is based on three main teachings which are fairly easy to remember: 1) Grace Alone 2) Faith Alone, and 3) Scriptures Alone. We wish to discuss the third one today.

Paul writes the above-mentioned words to Timothy. He is really referring to the Old Testament. The Greek words for "all Scripture" mean "all the writings" or "all the words". This means then that every word in the original Hebrew was inspired by God.

Jesus put His stamp of approval on the Old Testament also when He said, "Scripture (the writings) cannot be broken." John 10, 35.

But what about the New Testament? These books were carefully gathered together by the early Christian Church. They followed the rule that a letter or book had to be written by an apostle of Christ or one whom the apostle taught. This is how, together with prayer and the guidance of the Holy Spirit, the New Testament Canon was brought together.

The Lutheran Church accepts these 66 books as we know them in today's Bible as inspired by the Holy Spirit in the original languages and in the original manuscripts. It places the wisdom and teachings of the Bible ABOVE the plane of authority of any other book or any writing of any other man or men. Thus it says "Scripture Only" as the source of all doctrine.

We may consult other men's writings. They help throw light on God's book. But when contradictions occur, the Bible becomes the final authority.

We trust it completely. We believe in studying it in the original languages to come closest to the truths exposed therein. In it we find the Savior and Lord, Jesus Christ, and the directions for living a life pleasing to our Heavenly Father.

COMPROMISE SEEMS 'UNLIKELY' ON TEACHER ISSUE

# Feelings Strong On Pay Raises

By VERN SANFORD  
Texas Press Association  
AUSTIN — Gov. John Connally's alternate teacher pay proposal has drawn fire from the Texas State Teachers Association. And Connally has reciprocated.  
Connally wants less of an immediate pay raise than the \$45 a month the teachers ask. He wants to set up a 10-year program for steady and regular increases which in time would amount to greater rewards for more experienced teachers.  
House Speaker Ben Barnes and Rep. George Hinson of Mineola who is sponsor of the TSTA backed "\$45 in '65" program, both called for a cooling-off period. Compromise seemed unlikely due to strong feelings on both sides.  
Sen. Jack Strong of Longview and Rep. W. S. Healy of Paducah, chairman of the House Appropriations Committee, introduced the Governor's 10-year pay plan — with substantial support. Among sponsors of the two bills

are 17 House members who endorsed both proposals.  
Teachers complain the Connally program offers too little, too late. They charge it would put 70 per cent of raises on local school districts.  
Connally produced figures showing cost of the 10-year program at \$40,200,000 for the next biennium. He said the state would pick up \$32,100,000 of the tab and local districts \$8,000,000. His financing plan suggests that local school boards start paying a share of the cost of textbooks and teacher retirement, now paid wholly by the state.  
Connally believes his program would maintain the 80-20 cost ratio between state and local districts.  
Meanwhile, teachers launched a campaign for their \$85,000,000 salary adjustment program (geared to an additional \$68,000,000 state out-lay for the biennium).  
Pressure is intense on legislators, both from the Governor's office and from the teachers' back home. Mail is piling high on lawmakers' desks.  
Speaker Barnes said it will be three months before the Legislature can even consider a teacher's pay raise, since it has to pass the complicated appropriations bill first.  
An all-out war now would injure all educational efforts under consideration, Barnes emphasized.  
**REDISTRICTING RESOLUTION PASSED** — Both houses of the Legislature overwhelmingly adopted a resolution calling for a federal constitutional convention to permit one legislative chamber to be apportioned on factors other than population.

Thirty-four states must adopt the identical proposal before Congress has to consider calling a convention on a specific amendment. Three-fourths of the states must ratify any amendment thus submitted.  
At least half a dozen proposals for congressional redistricting have been filed so far, plus bills for Senate redistricting and House redistricting.  
Rep. Gus Mutscher of Brenham told his House Committee on Congressional and Legislative Districts he will canvass all representatives for their views on reapportioning the state.  
House members are trying to work out a cooperative House redistricting plan, taking into consideration those who do not plan to run next time and those who plan to run for other offices.  
Other two — congressional and senate — redistricting jobs will not be settled so amiably. As one legislator put it, "It's going to be a mean session."  
**BILLS TO GOVERNOR** — The Legislature acted fast on two emergency budget requests, by Governor Connally.  
One called for \$702,785 in emergency appropriations to run some dollar-short agencies and programs. Included were \$250,000 for carrying on the state's share of the screwworm eradication program for three months after April 1 and \$290,000 for speeding up the Texas Water Commission's planning program.  
Other bill set up procedures and a library plan by which cities can take advantage of a \$2,500,000 library building appropriation voted by Congress for Texas.  
Both requests were granted in a matter of days.

**TAX BILL PUSHED** — Rep. Ben Atwell of Dallas, Chairman of the House Revenue and Tax Committee, is pushing a bill to raise \$15,300,000 under present tax laws.  
"Bill would repeal sales tax exemption on farm machinery and telephone and telegraph service; revise inheritance tax laws; repeal chain store tax (\$7,200,000 loss) and theater admissions tax (\$1,200,000 loss); and grant a tax exemption for natural gas used in exploration and production in the same field in which it is produced."  
Serious consideration of tax bills must await passage of the general appropriations bill, Atwell said.  
**SALE OF STATE LEASES** — Land Commissioner Jerry Sadler reports \$39,000,000 in high bids on 475 tracts were received by the State School Land Board. It was the biggest oil and gas lease sale in Texas history.  
Highest single bid was Dow Chemical's \$1,077,000 for a submerged Gulf tract in Matagorda County. Second high was from Will Odum of Austin — \$1,066,000 for another Gulf submerged tract in Kenedy County.  
**GOVERNOR'S PROGRAM INTRODUCED** — Most of the governor's program already has been introduced in some form in one or both houses.  
Bills or constitutional amendments filed would:  
Set up an 18-man coordinating board over the state system of higher education;  
Repeal state property and poll taxes;  
Establish a State Department of Mental Health;  
Tighten driver license laws;  
Provide four-year terms for state officials;  
Combine the Migrant Labor Council with Texas Good Neighbor Council;  
Insure equal legal rights for women;  
Establish a \$10,000,000 college building fund;  
Set up a college student loan fund;  
Create a Fine Arts Commission;  
Revise the Texas election code; and  
Free the Texas Water Commission for water rights administration and make Texas Water Development Board responsible for all water planning, financing and development activities.  
**BUILDING HIGHEST** — Building shattered all records during 1964. Total permits issued in the state came to \$1,600,000,000 or

seven per cent more over 1963, according to UT's Bureau of Business Research.  
Bulk of the increase came from a 25 per cent gain in non-residential buildings, principally industrial structure which were up a sensational 92 per cent.  
Home building authorizations dropped three per cent, while permits for alterations and repairs were up two per cent.  
Non-metropolitan areas led the construction surge with a 30 per cent gain over the previous year. Metropolitan areas gained only three per cent.  
The city with the biggest gain was Longview. Other big-gains were shown in San Angelo, Lubbock, Tyler, Fort Worth, Odessa and Irving.

City Woman - - Country Style

Mrs. A. E. Hodges keeps up with current farming activities, prepares her 'Hershey Cake' for company and puts the finishing touches on a dress for one of her daughters as a part of her daily activities. She gives her recipe for the cake as well as an appropriate salad recipe which is just in time for the coming Valentine's Day. One of her secrets is to prepare her desserts in advance and store them in the freezer. She then has them already prepared and on a moments notice can decorate accordingly for each occasion. (Staff Photos)

Rooster's Crow Puts Nell Into Action

By LOIS DEDYNE, Women's Editor  
When the rooster crows at dawn, it is the beginning of a busy day for Mrs. A. E. Hodges who lives with her husband, Aubyn, and their three children just southwest of Hereford.

After breakfast and the early morning chores, Nell, as she prefers to be called, takes the girls to meet the school bus. They are Deborah Jan, 12 years old who is in the 7th grade, and Kiska Ann who is a first grade student and has just had her seventh birthday.

At the present time their son Aubyn Earl Jr. is a student attending the Military Institute at Roswell, N. M.

Nell is an expert in the home-making department. Food preservation, using the methods of freezing as well as canning, is one of her accomplishments. She freezes all fruits and a few vegetables, using the home canning method for the majority of vegetables. These items incidentally come

from their orchard and the garden which Nell plants herself and her guess is that the garden area covers approximately one acre of ground.

She plants her garden in May and includes corn, beans, peas, tomatoes, okra and lettuce to mention a few, so she can be through with her canning by the middle part of August. And in the orchard she has peaches, plums, cherries, apples and pears. She also has a fruit tree which she planted herself which bears a fruit resembling a purple plum, however, is white in color. She said it is delicious but never has found the name for it.

Besides the many pets they have had, they also have chickens which furnish the family with eggs for their breakfast table. Nell said that every so often a mother hen will disappear for a while, then re-appear with her family of baby chicks. In addition to sewing her girls' clothes, she is a "parts runner" and "errand boy" for husband

Aubyn to allow his time to be free for operating the half section which he farms in potatoes, wheat, cotton and beets.

As well as being an excellent homemaker, Nell is active in many civic activities. To mention a few, she has been a member of Beta Sigman Phi, did four years work as leader with the Camp Fire Group and has just completed the duties as president of the Central School P-T-O, and is now serving the capacity of parliamentarian. She also is District Director for District I which covers 19 counties, for the North Hereford Home Demonstration Club.

La Afflatus Hears Book Review by Mrs. Higgins  
Mrs. A. B. Higgins gave a book review on "Black Like Me" by John Howard Griffin for the program of the La Afflatus Estudio Club which met Tuesday in the home of Mrs. B. A. Reddell.

Mrs. A. N. Hopson was presiding officer and the group voted to help finance additional dishes for the Community Center.

Roll call was answered with topics of ghost town, brotherhood of man, timely hints of medicine, gardening and flowers.

Members present were Mrs. A. H. Cook, Mrs. C. E. Beauford, Mrs. Sam Morgan, Mrs. A. B. Higgins, Mrs. L. W. Roberson, Mrs. George Suggs, Mrs. Emmitt Hall, Mrs. A. N. Hopson and Mrs. B. A. Reddell.

seems to be following in her footsteps as she takes charge of the kitchen preparing the meals when Nell is busy with other chores.

Ideal for the coming Valentine holiday, Nell gives her recipe for a Valentine Salad as well as a delicious dessert recipe, her Hershey Cake.

Ever beat an egg yolk into that butter and sugar frosting? Use confectioners sugar and any flavoring you like. Cake covered with this frosting should be refrigerated.

Two-section omelet pans were in vogue more than 25 years ago. Now they've come back in the attic!

Born and raised in the city, Nell has had to learn the way of life in the country and keeps up with all current activities on the farm.

An excellent cook, she specializes in Mexican food and makes marvelous beef tacos, Spanish enchiladas and Guacamole salad. Her oldest daughter

Valentine Treats  
Lip Smackin' good  
Valentine Salad

- 1/4 cup red hot cinnamon candies
- 1 cup boiling water
- 1 pkg. lemon gelatin
- 1 cup unsweetened applesauce
- 1 3/4 oz. pkg. cream cheese
- 2 T. cream
- 2 T. mayonnaise

Dissolve red hot candies in boiling water. Pour over lemon gelatin. Dissolve; allow to cool. Add applesauce. Put half of mixture in heart-shaped mold. Chill until set. Combine cheese, cream and mayonnaise. Spread on set gelatin mixture. Pour remaining gelatin on top of cheese. Chill until firm.

THE WAY TO A MAN'S HEART...

Hershey Cake

- 2 sticks butter or oleo
- 2 cups sugar
- 4 eggs
- 2 1/2 cups cake flour
- 1 cup buttermilk
- 8-5c Hershey bars
- 1/2 t. vanilla
- 1 cup chopped nuts

Cream butter, add sugar, creaming well. Add eggs one at a time, beating well. Add flour alternately with buttermilk. Add Hershey bars that have been melted. Add nuts and vanilla. Mix well. Bake in greased and floured angel food cake pan for 1 hour at 350° F.

Top with Valentine hearts for the festive occasion.

DISHMAN - HALE'S Sixth-Week-in-Business  
CELEBRATION SPECIAL

"I'm Jim Hale, Sales Manager at Dishman-Hale Chrysler - Plymouth, Inc., new Chrysler-Plymouth Dealer at 345 E. 1st.

I have a little deal going with my salesmen. The one that sells the most cars this week will get a steak dinner on me.

The reason is simple. I want them to introduce you to the most beautiful cars that ever hit our town—and the way we do business.

Whatever you want in a new car, we've got it. Seventeen big and beautiful Chryslers. Sixty Plymouths, from Valiant to the new 119" wheel-base Sport Fury.

One other thing. My salesmen know how I feel about beating deals. I honestly believe that we give the best ones possible.

Try us. Look over the cars. And take advantage of our Third-Week-in-Business Celebration Special. "

\$50<sup>00</sup> over appraisal on your trade-in!

(THIS WEEK ONLY)

DISHMAN - HALE  
CHRYSLER - PLYMOUTH Inc.

### Panel Discussion And Auction For Farwell Meeting

Delta Xi Chapter of Delta Kappa Gamma met Saturday in the Home Making Cottage in Farwell for a panel program of "Changing Political Patterns in Other Cultures" with the Farwell members as hostesses.

Mrs. W. T. Legg presented the panel members who were Mrs. Ted Newman, moderator; Mrs. Joe Cowan, Mrs. W. E. Thornton, Mrs. N. W. Frochner, Mrs. R. G. Smith, all of Dimmitt.

Following the program was a "White Elephant Auction" which is an annual activity. Members bring articles which are sold to the highest bidder. Proceeds are used towards funds for creating additional scholarships at the state level of Delta Kappa Gamma. Texas teachers use these scholarships for advanced study and this auction raised \$85 towards the scholarship fund.

Attending from Hereford were Miss Lucille Park, Miss Madeline Bell, Mrs. Walker, Mrs. V. P. Walker, Mrs. H. V. Crawford, Mrs. C. O. Brown, Mrs. C. A. Morris, Mrs. E. Hudspeth, Mrs. M. Ratcliff, Mrs. W. T. Legg, Mrs. Fred Welch, Mrs. S. Painter, Mrs. J. J. Duriam, Mrs. O. Wertenberger, Mrs. Frank Prowell, Mrs. Kent Snare, Mrs. Earl Holt and Miss Della Stagner. Program chairman was Mrs. Ted Newman with Miss Hazel Heritt as presiding officer for the business meeting.

For half a century, Argentine leaders have vainly exhorted their young countrymen to go south. With 28 per cent of the holds only a half million persons, 2/5 per cent of Argentina's population.

**GOLDEN ANNIVERSARY** — Mr. and Mrs. Bruce Plummer, 238 Avenue E, will celebrate their 50th wedding anniversary Sunday with a reception in the I.O.O.F. Hall, 205 East 6th St. Children of the couple invite friends to share the event from 2:30 until 5 p.m. Mr. and Mrs. Plummer came to Hereford in 1919. Their eight children, who live in all parts of the U. S. and Japan, attended elementary and high schools in Hereford.

### Mrs. Lillie Visits Bayview Study Club

Mrs. W. S. Lillie of Denver, Colo., was visitor at the Bayview Study Club meeting Thursday when they met with Mrs. Leroy Aven.

Mrs. W. J. Gilliland brought a program of our language changes and used Lincoln Barnett's book of "Our Language Changes" as a basis for her program. He said that the wonder of the world is how English is spreading. Over one fourth of the people of the world now speak English.

She went on to say that there are 4000 languages, most of them are difficult, China and Russia have done more to spread the English language but the greatest force was the war; Nehru said "English is the window to the world and we dare not close this window." Barnett recommends the King James version of the Bible and Shakespeare as the best examples of good English.

Members attending were Mrs. D. H. Alexander, Mrs. Richard Barnard, Mrs. H. L. Benefield, Mrs. Colby Conkwright, Mrs. W. J. Gilliland, Mrs. Jimmie Gillentine, Mrs. John Harper, Mrs. A. M. Jones, Mrs. W. S. Kerr, Mrs. J. W. Kirby, Mrs. Dexter Lillie, Mrs. Carl Perrin, the visitor, Mrs. Lillie, and an honorary member, Miss Lillie Hostetter.

### Roses Featured For Bud To Blossom Workshop

Bud to Blossom Garden Club met Friday in the Community Center for an "Artistic Workshop" of creating mobiles featuring roses with Mrs. Sam Long as presiding officer and Mrs. Delmo Williams as program chairman.

Salad luncheon was served to Mrs. Jack Allen, Mrs. Fran Battenfield, Mrs. Al Brown, Mrs. Bruce Brown, Mrs. Bob Cooper, Mrs. R. A. Daniels, Mrs. Calvin Edwards, Mrs. W. H. Gentry, Mrs. Baxter London, Mrs. Sam Long, Mrs. Wayne Newsom, Mrs. Delmo Williams, Mrs. R. N. Yarbro and hostess, Mrs. Ernest Kendall.

"Hybrid Tea Roses" will be featured for the Feb. 19 meeting with "Selecting and Planting" by Mrs. Ira Scott and "Care and Diseases" presented by Mrs. Pat Robinson. Mrs. Jack Allen will be hostess.

### L'Allegra Study Has Program Of 'Marx Theory'

Mrs. Joe Lyons brought the program of "Marx Theory of Communism" for members of the L'Allegra Study Club which met with Mrs. Alex Schroeter recently with Mrs. Joe Easley as presiding officer.

Mrs. Lyons said that Marx has been interpreted, re-interpreted, added to and subtracted from by his followers who have never come to any complete agreement as to what he meant. She said even while he wrote, Marx and his close collaborator, Engels, repudiated as unorthodox many doctrines their followers claim to be from Marxism thought. Only death saved Marx from the pains he would have experienced as having been the father of the many theories differing from his standards which today are known as Marxism.

Members present were Mrs. John Beasley, Mrs. Jim Carnahan, Mrs. Joe Easley, Mrs. Wes Fisher, Mrs. Cameron Gault, Mrs. Hilton Higgins, Mrs. Walter London Jr., Mrs. Joe Lyons, Mrs. Alex Schroeter, Mrs. Wheeler Sears, Mrs. Bob Viegel, Mrs. Dewayne Walker, Mrs. David Gibson, Mrs. Tommy Carnahan, Mrs. Virgil Marsh and hostess, Mrs. Alex Schroeter.

L'Allegra Study club will meet again Feb. 18 for a program of "Communist Challenge" with Mrs. Robert Miller as hostess.

### Up-Coming Luncheon Noted For Council

Mrs. Taft McGee brought a program of "Children and Money" for the members of the Progressive Home Demonstration Club at their recent meeting with Mrs. H. L. Hershey.

She said there is no more interesting subject than children whether they are your own, your grand-children, great-grand children, or children of your friends. She further said the way we handle money is reflected in the children. Teaching them to be saving is one thing but harping on the subject could easily lead to what we refer to as being a tight-wad.

Presiding officer was Mrs. J. D. Gilbert Jr. and program chairman was Mrs. T. J. Parsons. The opening exercise was given by Mrs. W. C. Beene using "Sayings of Children" with regard to money.

Mrs. E. C. Hammett was elected as club nominee for the "Woman of the Year" and a council report was given by Mrs. Taft McGee. For the recreation period, Mrs. Alvis Jolly took charge of the game when Mrs. W. C. Beene won the prize of gifts for a pink and blue shower.

It was noted that the next meeting will be in the First National Bank Feb. 16 and all members are reminded to attend the Appreciation Luncheon Feb. 22.

Visiting for this meeting was Mrs. Roy Hays with the following members attending: Mrs. T. J. Parsons, Mrs. Dale Hallows, Mrs. C. V. Burges Sr., Mrs. Floyd McGee, Mrs. J. D. Gilbert Jr., Mrs. Alvis Jolly, Mrs. E. C. Hammett, Mrs. W. C. Beene, Mrs. Taft McGee, Mrs. P. L. Carmichael and hostess, Mrs. H. L. Hershey.

### Religious Program Presented For Xi Epsilon Chapter

XI Epsilon Alpha Chapter X-4729 of the Delta Sigma Phi met recently in the Community Center with religious programs highlighting the activities for the program.

Jo Miller and Allene Williams presented the first program, "The Great Belief" which they said is our faith. They went on to explain that faith is a force that is great and a mover of mountains. We need courage and need to meet defeat and not be defeated. Kindness is the final joy of life. Jesus showed us kindness and life can be a joy if we have faith and are willing to accept life's trials.

"Prayer, Praise and Meditation" was presented by Wynemia V. Brotherton and she said that prayer is the burden of a sigh when only God is near. Like worship, prayer is realization of God. She explained several for effective prayer.

During the meeting it was decided the Valentine dance would be Feb. 13. Also a contribution was made to the United Council of Church Women.

Attending were Lois Hollingsworth and Billie Huddleston, hostesses, and Anna Bailey, Jerry Bainum, Wilma Baugous, Frieda Beauchamp, Margaret Bell, Wynemia Brotherton, Jo Carter, Carol Corlis, Eleanor Cramer, Mary Jean Gore, Vida Grady, Mary Anne Laing, Jo Miller, Nita Roberson, Earlene Schneider, Frances Stipe and Allene Williams.

Ruby-red in color — tangy sweet in flavor — cranberry products are the perfect answer for the hostess who is looking for a "pick-up" in her menus. It is an aid also for some of those holiday added attractions.

Easter Island in the South Pacific has preserved a venerable culture shut off by a million square miles of empty ocean.

### Mrs. Gilliland Speaks For Kappa Iota Group

Kappa Iota Chapter of the Beta Sigma Phi Sorority met recently in the Community Center for a program of "Personality and Relationship" by Mrs. Amy Gilliland.

She discussed personalities and said it is a reflection on children and can be a determining factor in the personalities of our children. She also gave suggestions for personality improvement to reflect the best in ourselves. Mrs. Linda Fitzgerald was the presiding officer and the Sweetheart Ball was discussed and decided to be Feb. 13.

Mrs. Linda Kida was program chairman. Members attending were Mrs. Paula Edwards, Mrs. Bettye Ferguson, Mrs. Linda Fitzgerald, Mrs. Amy Gilliland, Mrs. Carolyn Hacker, Mrs. Bettye Jo Hagans, Mrs. Linda Kida, Mrs. Doris Nelly, Mrs. Dollie Parker, Mrs. Linda Straw, Mrs. Virginia Fowler and hostesses, Mrs. Dollie Parker and Mrs. Paula Edwards.

### ANOTHER MILESTONE ON THE ROAD TO COMPLETE DEPENDENCE...

GOV. JOHN CONNALLY HAS DECLARED THE WEEK OF FEB. 8-13 "FARM BUREAU MEMBERSHIP WEEK" Now is the time to join Farm Bureau and make your voice heard for a more prosperous economy based on sound principles — not dependent on appropriations from an increasingly city-controlled Congress.

## See us. We deliver: the one big car that's all big car.

Every Chrysler we sell is big. Full size. One size. The right size. With no half-pint editions to dilute your investment. Every Chrysler we sell is a mover. Even our lowest priced models have a 383 cu. in. V-8 — that runs on regular gas.

And note this point. Almost half of the 1965 Chryslers are priced only a few dollars a month more than the most popular smaller cars comparably equipped. That figure includes power steering, power brakes, automatic transmission,

radio and heater. Want to make a lot of car sense? Move up to Chrysler. It's easy.

Sen. Wood from Gallup, N. M. visited the W. C. Briggs family this past month.

Mr. and Mrs. W. C. Briggs are in Phoenix, Ariz., visiting this week.

Mrs. Joyce West was a patient in Deaf Smith County Hospital last week, is home now and doing fine.

Mr. and Mrs. Dee Barks from Canyon visited the Herman Sifford family last week.

Mr. and Mrs. Lorin Crietz, Mr. and Mrs. B. J. Foster, Mr. and Mrs. Don Morgan, Mr. and Mrs. Robert Jacobson, Mrs. Bumgardner and Mr. and Mrs. Leland Burns attended the Llano Estacado Council Scout Banquet held in the cafeteria at West Texas University in Canyon recently.

Mr. and Mrs. A. D. Lewis and children visited Mr. and Mrs. Loren Jones and children Friday afternoon in San Jon. Saturday the Jones visited in Adrian with the Lewis family.

Jerry Garrett from Big Spring visited the Joe Brownlee family last weekend.

Mr. and Mrs. Cal Jackson visited Mr. and Mrs. Carl Kelley in Logan, N. M. last Sunday.

Mr. and Mrs. P. N. Johnson were in Lubbock Sunday attending the South Plains Coon Hunters Association Meet, and P. N. won three second place trophies.

Mr. and Mrs. Jim Donnell from Amarillo visited Saturday with the D. P. Doherty family.

Mrs. D. P. Doherty left Wednesday afternoon for Westminster, Calif., where she will visit her son and family, the Howard Nobletts, for two weeks.

Mr. and Mrs. Luther Wagner are visiting in Florida with the Vernon Wagner family for two weeks.

Mr. and Mrs. Hardy Harris and Donna visited over the weekend with the Ted Harris family in Cisco.

Mrs. Naomi Jobe came home from the Deaf Smith County Hospital Sunday and is doing fine.

Mrs. Jo Fowler and baby and Mrs. Lois Heaton visited the Herman Sifford family one day last week.

Mr. and Mrs. C. F. Homfeld and the Herman Siffords and Mr. and Mrs. Lloyd Homfeld and daughter from Amarillo helped Kevin Wayne Sifford celebrate his first birthday in the home of his parents, the Wayne Siffords, in Vega Sunday.

Austin Gamble was in the Deaf Smith County Hospital last week but is home now and doing fine.

M. H. Zaring Sr. is a patient in the Hereford hospital this week.

Mr. and Mrs. Bob Lane and B. J. Foster were in Plainview last week.

Mrs. Joe Brownlee, Mrs. Fred Brownlee and Mrs. Ruth Eubanks visited Mrs. Camille Carrington in Amarillo, and Ruth went to visit B. B. Eubanks in Las Anames, Colo. He is in the Veterans Hospital and is doing fine.

Mr. and Mrs. Harold Plumb from Iowa, on their way home from California, visited the Victor Lemke family over the weekend.

Boy Scout Troop 32 at Adrian had Family Night Wednesday at the Methodist Church.

Ed Skapala of Hereford will show a film of Scout canoe trip in Wisconsin. There will also be the presentation of Tenderfoot badges. The purpose of all this is to commemorate National Boy Scout Week, which is Feb. 7 through 14. Feb. 7 was Boy Scout Sunday and all of Boy Scout Troop 32 of Adrian attended church in their uniforms.

Recently Scoutmasters Grady Skaggs and Robert Jacobson received the Scouters Key at the annual Tierra Blanca District banquet held in Hereford. In order to get one, you have to complete various training courses in scouting and complete three consecutive years as scout master and at least twice, during the three years' period, serve as a leader of a troop that has earned national recognition awards.

Mrs. Doris Sellar came home from the hospital in Amarillo Thursday and is doing fine.

Mrs. Claudia Loveless visited the Marion Sasser family at Hardy, Okla., over the weekend.

**BELL TOLLS AGAIN**

DELTON, Fla. (AP) — A bell cast in 1859 is coming out of retirement for the second time.

The bell, manufactured in West Troy, N.Y., clanged for 25 years on a railroad locomotive plying between New York and Florida. Retired from this service, it called pupils to class at a one-room schoolhouse near Pierson, Fla., for half a century.

With the passing of the one-room schoolhouse era the bell fell silent for 30 years. Now it has been dusted off and installed in a Dalton building which will be used as an adult education center.

## Students Donate To March of Dimes

By DEBRA GHOLSON and MARY SUE NEFF

The homerooms collected money for the March of Dimes. All together Stanton homerooms contributed \$428.86 to the fund. Several rooms had more than \$20. For their contribution, however, four social studies classes with Clyde Coleman as teacher decided to also take up a special collection. Contributions were on a volunteer basis and a limit of 75c per person was set. The momentum began to build and it wasn't long before the desired goal of \$66 was reached. One of the student's parents also gave to the fund and the complete total was \$71.36. Mr. Coleman said the students should receive the credit for this work because it was their idea and they carried it through very well. It is easy to give if your heart is in it and theirs certainly was.

Homerooms presenting the program included the following from Mrs. Joel Hodges' room: Deborah Hodges, Steve Jones, Joe Childress, Hubert Lovan, Mike Stone, Johnny Oliver and Don Pierce. Mrs. Ray Todd's room presented two skits with Brent Caviness, Craig Poarch, Cynthia Lea, Keith Duncan, Dorothy Beach, Mary Huckert, Jerry Campo, Ken Gearn, Linda Worthan, Ronnie Williams, Joy McCathern and Deborah Clark. Students from Mrs. Denny Richardson's room were Ray Leasure, Carmen Malouf, John Holmes, and Tim Fuston. Bill McMinn and Cindy Cavness presented the skit for Mrs. Spicer

Gripp's homeroom. Mrs. Sam Ratchiff's homeroom was represented by Wendell Webb, Daniel Beverdorf, Johnny Wall, Tommy Stoy, John West, Dean Watson and Hal Easley. Characters in the skit for Mrs. Mildred Ramey's room were Rodney Dearing, Eddie Culp, Keith Anderson, Laurence Burgess, Jimmy Christie and Jack Beasley. Portraying monsters in the skit presented by the students in Mrs. Charles Duvall's room were Danny Allen, Joe West, John Stagner, John Loflin, Bill Kuykendall, Ginger Gholson, Randy Corlis, Brenda Alger and Beatrice Scroggins. Mrs. Tandy Legg's room was represented by Kathy Fooks, Diana Hickman, Lana Anderson, Tommy Lesly, Becky Bell and the rest of the homeroom served as the audience in the skit. Jana Denton, Randa Borlund, Glenda Champ and Pat Cooper presented the skit for Mrs. Joel Treadwell's homeroom.

Students in Mrs. Claudia Ola Brown's homeroom presented a skit which featured Anna Johnson, Debra Bailey, Russell Phillips, Jackie Gray, Jeanette Rench, Gary Crume, Charles Walsler, Elsie Gonzales and Larry Kuper. Students in the skit for James Lanier's homeroom were Karen Walker, David Solomon, Rodney Brooks, Charles Treadway, Pat Torbit, Ramiro Salazar, Yolanda Garza, Rosemary Fangman, Joette Hanna, Dickie Elliott, Dennis Downey, Esther Parelais and Theresa Andrews.

## Athletes Receive Letter Sweaters

By DEBBIE BOARDMAN

The athletic boys received sweaters again this year. The boys have worked hard to earn the sweaters. The seventh grade boys eligible for sweaters were Oliver Eastman, Mike Young, Eddie Culp, Herbert Lovan, Ronald Matthews, Johnny Gooch, Steve Whitaker, Tommy Stoy, Steve Olson, Jimmy Christie, Tony Moreno, Hal Easley, Charles Cosgrove, Mike McCathern, Johnny Hernandez, Keith Duncan, Franklin Jones, Kim Blackwell, Keith Anderson, Brent Caviness, Richard Jones, Terry Balle, Jerry Tyler, Johnny Wall, Jackie Meredith, Paul Hendon, Loy Wylie, Danny Massie, Lonnie Coffey, Mike Woodward, Tim Fuston, Greg Whitaker, Paul Hamilton, Steve Jones, Ed Robertson, Eddie Robinson, Johnny Oliver, John Hagar, David Paetzold, Randy Jones, Denny Hicks, Alan Hardin, Larry Payne, Dean Watson, Bob Robert, Gary Riddle, Robert Holmes, and Douglas Caldwell. Also Donald Franklin, Armando Perez, Mike Stone, Johnny West, Dennis Sargent, Andy Scott, Danny Thompson, Johnny Adams, Reese Dawson, Daniel Beverdorf, Robert Lyons, Lon-

## Stanton Enrolls 16 New Students

By SHARON CASH

Quite a few new students have enrolled in Stanton since the Christmas vacation. In the eighth grade new students are Eve Perez from Dimmitt, Wanda Strange from San Luis, Colorado, Debra Walden from Olton, Shirlene Youmans from Hot Springs, New Mexico, Isaac Mendez from San Antonio and Edward Sano from Amarillo. New seventh grade students are Juan Diaz, Pasadena, Tex.; Gary Peel, Littlefield; Lupe and Juanita Perez, Tahoka; Albert Gonzales, Bushland; Frances Perez, Dimmitt; Linda Strange, San Luis, Colo.; Eneidella Rodriguez, Levelland; and Dolly and Delores Crear from Dimmitt.

nie Noyes, James Head, Johnny Stone, Darrel Martin, Danny McGowan, Rodney Dearing and Gordon Kerr. Eighth grade boys lettering in athletics were Dickie Elliott, Terry Warlick, Greg Bullard, Henry Morris, John Stagner, Alan Coker, Larry Gunn, Bill Cole, Bill Russell, George Bullard, Robert Grady, Thomas Scott, Carlee Booker, Sheldon Alexander, Henry Lafuente, Richard Rendon, Kim Johnson, Bill McMinn, Russell Phillips, Wayne Winget, Alvin Hendrickson, Mike Beauchamp, Dusty Duncan, Bill Benefield, John Frank Martin, Robert Gordon, Jimmy Victor, Gary Crume, Paul Ware, Robert Cone, Alan Clark, Delmar Gregory, Edward Hammett, Bryce Hunter, David Vines.

are Juan Diaz, Pasadena, Tex.; Gary Peel, Littlefield; Lupe and Juanita Perez, Tahoka; Albert Gonzales, Bushland; Frances Perez, Dimmitt; Linda Strange, San Luis, Colo.; Eneidella Rodriguez, Levelland; and Dolly and Delores Crear from Dimmitt.

## Clark Completes Practice Term

By PATSY McCUTCHEN

Ernest R. Clark has been a student teacher at Stanton Junior High for the past three months. He has worked with Rodney Laubhan, boys' physical education instructor, during this time. Clark completed his work here Jan. 22.

Clark was born in Virginia and attended school there. He has attended Amarillo College, the University of Maryland, Chowan Junior College, Black Hills Teachers College, South Dakota School of Mines and has recently graduated from West Texas State University. His field is physical education on the secondary level. Mr. Clark was in the Air Force from 1954 to 1963. He is currently employed by American National Insurance Co. and is district manager. His office is located on Park Ave. here in Hereford.

Clark and his wife have three children, Katherine S. Mitchell,

OFFICERS — These are the secretary-treasurers serving homerooms this semester. Bottom row, left to right, are John Janek, Marilyn Smith, Keri Dameron, Vickie Gibson, Paulette Gilchrist, Sharla Harrison, Joy McCathern, Joette Hanna, Lynn Fisher, Sherry Honey, Elise Bean; top, left to right, Randy Corlis, Dusty Duncan, Keith Anderson, Becky Edelson, Ronda Borland, Sue Drummond, Jo Ann Coffey, Becky Bell, Debra Bailey, Janice Newsom and Cindy Cavness. ## Semester Ends, Students Make Class Changes

By RUSSELL PHILLIPS, editor

After battling it out with the semester tests the students and faculty started a new semester Jan. 18. A majority of the stu-

dents changed electives at the end of the first semester. Electives for Stanton students are physical education, seventh grade science, crafts, art, speech, Spanish, homemaking, office and library. Band, choir and athletics are also electives, but are taken for a full year. There is as expected, some confusion the first day after the new schedule changes.

Try-outs for the all school play will be Monday, Feb. 8, for the boys and Wednesday, Feb. 10, for the girls. The play will be March 18 and 19. Hereford Junior High basket-

ball tournament will be held here on Feb. 11, 12 and 13. Southern Assemblies will be held on Feb. 25 and March 26. Choir solo contest will be in Canyon on March 6, and the choir will go to contest on March 16.

No school will be held on March 12. On that day the teachers will attend the district Texas State Teachers Association meeting in Amarillo.

The Band is practicing hard for their concert to be held April 6, 7, and 8 at Canyon.

These are a few of the events on the calendar for the students in Stanton Junior High.

NEW TEACHERS AT STANTON — Mrs. Gerald Hale and Mrs. Jeanne Miller are new teachers at Stanton this semester. Mrs. Miller lives in Canyon, and Mrs. Hale lives here. (Brand Photo)

## Stanton Faculty Has 2 Additions

By MARTHA BAKER

Stanton Junior High students are happy to welcome two new teachers to the faculty. They are Mrs. Margaret Jeanne Miller and Mrs. Gerald Hale. Mrs. Miller teaches special education. She is from Dallas, and attended school at North Texas State University in Denton. She and her husband now live in Canyon. They have two sons. Mrs. Gerald Hale has lived in Hereford the past eleven

years. Her husband works for Gulf Western Supply and Plastic Company. They have two daughters, Lynn, who is fifteen years old, and Cynthia, who is twelve years old. Mrs. Hale attended Texas Tech and is now enrolled in two courses at West Texas State University. In addition to her work and studies, Mrs. Hale is the Camp Fire guardian for the Ta-Wa-Si Horizon group.

President Woodrow Wilson and telephone inventor Alexander Graham Bell took part in the first transcontinental telephone call on Jan. 25, 1915.

**WINS AWARD** — Ann Atchley, daughter of Mr. and Mrs. Thurman Atchley of Summerfield, is this year's Betty Crocker Homemaker of Tomorrow for Hereford High School. She scored highest here in a written homemaking examination taken by 522,704 senior girls in 14,236 of the nation's high schools. She is now eligible for state and national scholarship awards ranging from \$500 to \$5,000. Test papers of all school winners in the state are being judged competitively and from this the State Homemaker of Tomorrow will be named. Ann has taken one year of homemaking but was not enrolled in the course this year.

**REPRESENTATIVES** — Homeroom representatives this semester are, bottom, left to right, Mary Rogers, Sharon Worthan, Vickie Payne, Ginger Gholson, Jamie Edmonson, Becky Wilson, Sabra Traweck, Janet Frye, Margaret Phipps, Julia Davis, Renee Hysinger, Jon West, Marsha Horton; back, left to right, Robert Messick, Robert Grady, Alan Clark, Jimmy Hoile, Santry Rush, Alan Hardin, Steve Jones, Percy Mays and James Simpson. (Brand Photo)

**Students Help Administration**

By CAMILLE LANGLEY and JANE ZINSER

Some helpful students around Stanton Junior High are the student librarians and the office girls. Office and library is offered as an elective course for girls who have no grades lower than a "C" and have good grades in citizenship. Mrs. Hartman also tries to select girls who en-

joy working with books and like to work with other students. Girls who are helping Mrs. John Sims in the office this semester are Jan West, Martha Richardson, Sharon Cash, Ann Priddy, Luann Kendall, Gayle Brothers, Suzanne Oglesby and Judy Hollingsworth. These girls are responsible for gathering the attendance reports, listing absentees, delivering messages, answering the telephone and helping out in the office. Librarians for this semester are Martha Morgan who works before school, and Kay Golden, Caroline Hernandez, Debbie Rickman, and Janice Newsom during the homeroom period. Girls working during the regular class periods are Gloria Salinas, Renette Hubble, Linda Merrill, Lana Anderson, Lanny Buck, Kathy Fooks, Mary Robinson, and Betty Hodges. The librarians are responsible for charging books, shelving books, helping other students and also working with the audio-visual materials.

**Exchange Students Present Program For Study Group**

Hereford Study Club heard a program given by the exchange students for their Thursday meeting which was in the home of Mrs. W. H. Gentry, 300 Sunset. Hostess for this meeting was Mrs. Labry Ballard. Rene Batard and Michiyo Wakai spoke about customs of their countries with a question and answer period following. Mrs. C. R. Winget conducted the business meeting and it was decided that she would represent the club at the Deaf Smith County Museum luncheon to be in the Hereford County Club Friday. Mrs. J. W. Witherspoon and Mrs. N. D. Bartlett Jr. will accompany Mrs. Winget as club representatives.

Attending were Mrs. Ballard, hostess; Mrs. Marvin Knox program chairman; Mrs. N. D. Bartlett Jr., Mrs. T. E. Braddy, Mrs. S. L. Garrison, Mrs. W. H. Gentry, Mrs. Walter Hodges Jr., Mrs. Baxter London, Miss Gladys Setliff, Mrs. Art Stoy, Mrs. Maurice Tannahill, Mrs. Ed Wilson Jr., Mrs. C. R. Winget, Mrs. J. W. Witherspoon, Mrs. R. N. Yarbro and Mrs. R. P. Coneway.

Mrs. Yarbro will be in charge of the program which will be "Travelogue" scheduled for Feb. 18 with Mrs. Hodges as hostess. The meeting will be in the Flame Room.

Delivering letters is one of the oldest public services. In 500 B.C., Darius the Great operated a postal system throughout Persia. Post is derived from the Latin Positus, meaning "placed," because horses were stationed at intervals to relay Roman dispatches.

**New Tablets Help Prevent INDIGESTION, GAS, UPSET STOMACH**

Because of today's fast, hectic living pace, eating too much too fast, we often suffer indigestion, gas and other uncomfortable forms of stomach upset. But now, a new digestant enzyme tablet called MIAZYME, can help prevent these conditions before they begin. If you properly digest the food you eat, chances are you will not suffer stomach distress. This is due to the action of enzymes, manufactured in your body. MIAZYME supplements your own enzymes to help prevent stomach distress. So why risk the distress of stomach upset? Just two

MIAZYME tablets a day may help prevent the discomforts of indigestion, gas and may open the door to new vistas in food enjoyment.

MIAZYME contains no narcotics! No habit forming drugs! Only digestant enzymes! No side effects to cause other problems. So safe no prescription is needed! Get MIAZYME today at any Franklin drug store. Try it on our money-back guarantee or satisfaction. Regular size, only 98c. Economy size \$2.25.

**McDOWELL DRUG**

**Teams Working On Passing, Ball Handling Drills**

By BOB NELSON

The question was asked Rossie Simpson, the coach of the Stanton basketball teams, how he had been training the boys. His reply was that the boys have been running, including at least 15 sprints every day. They have also had a lot of ball handling and passing drills since these two things were their weakest points. Simpson said they had been shooting about 30 minutes for the eighth grade team and 20 minutes for the seventh grade team. This has greatly improved their accuracy.

The seventh grade has a record of three wins and nine losses while the eighth grade has seven wins and eight losses.
