School Adopts Increased Budget

Approves Deficit For Coming Year

Pay Raises, Building Expansion Bring Spending Up For 1965-66

By WAIN MILLER
Staff Writer

Hereford schools board of trustees approved a record-high \$2.9 million budget which calls for slight deficit spending during the coming fiscal year at their annual budget hearing Tuesday.

Adopted for the 1965-66 fiscal year is a budget calling for increase of expenditures totalling almost \$275,000 over the current 64-65 budget.

Also approved at Tuesday's 5 1/2-hour session were amendments in the current budget.

Board members voted to adopt a deficit spending budget — which predicts a \$36,000 shortage at the end of the 65-66 fiscal year.

Unanimous approval of the \$2,908,181.47 budget came after school administrators told the board its only alternatives were to either raise taxes or cut quality of the school district's program by whacking expenditures.

INCLUDED in the budget adopted for the coming year is the full teacher pay raise voted by Texas legislators, as well as minor salary hikes for some non-professional school employees.

Board members had previously adopted an unchanged tax rate of \$1.85 per hundred dollars assessed valuation.

ALTHOUGH growth of tax revenue through increased valuation for the school district is sizeable for the 65-66 budget, school expansion and increased teacher salaries leave anticipated revenue short of approved expenses for the fiscal year, Supt. Johnny Clark Jr. told the board.

Actual deficit spending approved in the adopted budget is \$36,000.

Clark and Business Manager Dillie M. Kelley told the board that there is a possibility that the deficit may not come, however, if hoped-for additional state funds and lessened local expenses materialize.

"BUT AS YET we can make no promises that there will not be a deficit at the end of the year, so we are asking the board to approve the deficit budget," Clark commented at one point.

The amended budget for 64-65 approved by the board set total expenditures for the current school fiscal year at \$2,621,434, some \$300,000 more than expenditures approved at the beginning.

NO WORD ON PAVING PROPOSALS

County Hires New Tax Consultant

Three Firms Slate Grand Opening Events

Three Hereford businesses stage official grand openings for new locations this weekend.

New facilities for Case Power & Equipment Co., Clowe and Cowan Pump Co., and The Carlson House Restaurant will be opened officially in grand opening events.

THE CAISON House will stage a gala opening for its ultra-modern structure Friday and Saturday. The lavishly styled facility is located near the intersection of U. S. Hwy. 385 and 60.

Among entertainment lined up for the two-day celebration is organ music by Dixie Bell Sims and a singing group headed by Bruce Miller Jr.

SEVERAL meals, Chateau-Briand for four, and other prizes donated by Hereford merchants. See OPENINGS Page 11

Commission OK's Funds For Cemetery Projects

County commissioners named a new tax consultant and looked into the possibility of modernizing bookkeeping procedures in the tax office this week.

The commissioners reviewed a total of ten applicants for the tax consultant's post before voting unanimously to employ Donald Henslee for the position.

DONALD HENSLEE

Henslee, 42, has farmed in the Hereford area during recent months and grew up in Hereford. His appointment becomes effective Aug. 15.

He will replace H. A. Tuck, tax consultant for the past two years, who resigned effective Sept. 1 to start a newspaper in Fritch.

THE VOTE to hire Henslee came Wednesday morning after commissioners recessed their Monday meeting to give further study to the decision.

Commissioners expressed the opinion that "several of the applicants" for the post were apparently well-qualified to handle the position and the commission found it difficult to narrow the selection.

Final vote was unanimous, however.

HENSLEE was reared in Hereford and graduated from Hereford High School. He attended Texas Tech with a major in agriculture and served in the Navy during World War II in the Pacific.

For 11 years he served as a salesman for an Amarillo wholesale hardware firm and for the U.S. Gypsum Co. He is married and has three children.

In other business, the group: — Studied needs for speeding up the task of preparing the tax roll and annual billings in the tax assessor's office.

— AGREED to pay a portion of the cost of improving streets surrounding West Park Cemetery.

— Read a letter from the Texas Highway Commission stating that an announcement should come within 30 days regarding the group's decision on requests from county commissioners that several rural paving projects be approved.

— And, set the county's annual budget hearing for 10 a.m. on Aug. 23 in the commission.

DEMOLISHED AUTO — Shown above is one head-on collision on West Hwy. 60 in of two vehicles involved in a spectacular Hereford Monday night. (Staff Photo)

Wrecks Injure Eight

A head-on collision in the outskirts of Hereford, two mishaps on rainslick highways, and a pedestrian accident injured a total of eight persons here this week.

Five persons were injured — two seriously — in a spectacular crash Monday night on west highway 80 about 10 p.m.

WITNESSES watched helplessly as an auto went out of control and slammed into an oncoming vehicle in the Monday night crash.

Investigators and witnesses said a 1958 sedan driven by Erasmo Martinez, 26, crashed into a 1967 station wagon after passing an auto on the right-hand side, then clipping a barricade marking construction work, going out of control, and skidding into the path of the station wagon.

Witnesses said Martinez was travelling at a high rate of speed as he passed an auto on the "wrong" side and then lost control of his auto.

DRIVER of the station wagon was James W. Blackwell of Hereford.

The Blackwell vehicle was knocked 42 feet backward from the point of impact, investigators said.

Martinez and a companion, Mrs. Antonio Garcia, 38, and the three occupants of the auto driven by Blackwell were all hospitalized.

Both vehicles were demolished.

Riding with Blackwell were Fritz Schmer, 46, owner of the car, and his daughter, Caroline Schmer, 14.

Sunday Storms Cause Damage, Heavy Rains

A hot and balmy day suddenly turned wet, windy, and lightning-riddled here Sunday as a late-afternoon cloudburst dumped up to four inches of rain accompanied by hail in spots across the county.

The storm cut visibility in the Hereford area down to practically nothing — touching off a series of highway crashes on rainslick highways.

And lightning was blamed for

See STORMS Page 2

Lightning Starts Barn Fire Here

Hereford firemen and a host of farmers turned firefighters battled a stubborn fire in a hay barn for more than four hours Sunday evening.

LIGHTNING from a late-afternoon thunderstorm apparently triggered the blaze in a barn on the John Paetzold farm, five miles southeast of Hereford.

Volunteer firemen were called to the scene shortly after 6 p.m.

Firefighters — including a large number of neighbors who joined in the effort to extinguish the stubborn, smoldering blaze — were on the scene until after 10 p.m.

A FIRE truck, en route to the scene, became stuck in mud created by the 2.1 inch rain which preceded the fire.

The barn contained about 2,000 bales of wheat straw and alfalfa, much of which was destroyed by fire. Damage to the round-top metal structure was not heavy.

SECOND IN SERIES

Hereford's Most Eventful Decade Comes In Focus

The year 1961 was a year in which civic leaders and businessmen were holding their breaths for hoped-for announcements which they felt were just around the corner.

But in the meantime, Hereford area residents continued their day-to-day lives amid talk of big events in store for the Hereford area.

WORK WAS pushed to establish a sugar refinery here a retirement home ... and other projects which have since become realities.

And it was a year of honors for many area people ... in sports, club work, and other activities.

GROWTH continued as a record total of homes were built and bank deposits continued to soar.

The previous year had proved eventful and 1961 offered no let-down to those who were watching Hereford evolving into a city.

In short, it was the second year of what is fast proving to be Hereford's most eventful decade.

Here, in brief review, is 1961:

Fourteen-year-old Jim Shearhart of Hereford finally reached the top rung of the ladder that he had been climbing for three years — when he was named state champion in the 1960 Texas Hybrid Grain Sorghum Contest.

A \$400 scholarship certificate was presented to Jody Bezner for general all-around excellence in 4-H Club work. He was one of 13 state winners receiving Santa Fe Educational Awards.

Bill Nafziger was recipient of Hereford Kiwanis Club's second annual Workhorse award.

Mrs. Meredith Ireland, who rode her first horse on her grandfather's farm at the age of three, was elected president of Hereford Riders Club, Inc.

IN A SPECIAL meeting, Deaf Smith County Commissioners voted unanimously to retain a commercial property appraisal firm to study its property valuations. McMorris and Company agreed to handle all the appraisal work for \$7,400.

County ASCS Sets Election For Committee

Slates of nominees for membership on ASC community committees now are being established at the ASCS County Office.

The present ASC Committee is making a special effort to encourage the greatest possible participation of eligible voters in the election. Any local resident who is eligible to take part in an ASCS farm program may vote and may hold office as a committeeman regardless of race, color, creed, or national origin.

Frank J. Bezner, Chairman, Deaf Smith County Agricultural Stabilization and Conservation Committee, said today that farmers who are eligible to vote in the committee elections also have the right to nominate as candidates for committee membership any farmer, who is

GAVE HEREFORD SLOGAN

Dr. George Heard Dies At Age 97

By LARRY FUHRMANN
Staff Writer

The man who was responsible for Hereford's national fame as "the town without a toothache" died last week.

He was Dr. George W. Heard, a man who had devoted much of his lifetime to dentistry and research, or as he had entitled his autobiography: "Man Vs. Toothache."

His theories concerning local environment being responsible for unusually sound teeth had brought the area fame in the 1940's.

Funeral services for Dr. Heard were conducted Monday morning at 11 o'clock in Rose Chapel of Gilliland Funeral Home with the Rev. Russell Wingert, pastor of First Presbyterian Church here, officiating. Burial was in West Park Cemetery under direction of Gilliland Funeral Home.

Dr. Heard died Saturday night in the home of his son, George G. Heard, at 1228 Lamar in Amarillo. He was 97 years old.

COMING to Hereford in 1916, Dr. Heard soon noticed the relatively low rate of tooth decay here and attempted to establish some reasoning for the fact.

After continual study and observation, he attributed the low

tooth decay to the diet of the people here — the raw milk and foods of the area consumed "in the rough." His telling of the excellent dental conditions in the area of Deaf Smith County only brought turned ears and disbelief until the findings were endorsed by a state dental office.

DR. GEORGE HEARD brought Hereford fame

Chamber Board Approves House Number Changes

Directors of the Deaf Smith County Chamber of Commerce approved Wednesday the recommendation of the Governmental Affairs Committee that the chamber work with other groups to initiate action aimed at providing a more consistent street address numbering system in Hereford.

THE RESOLUTION of the committee stated "The Chamber recommends to the City Commission that a comprehensive study be made of the house numbering problem — with the city manager, the city engineer, the postmaster, fire and police departments and other concerned agencies conferring with a view to developing a logical and consistent plan for curing some of the present problems and providing for new areas of city development."

Directors complimented committee chairman Roy Faubion and his committee for the work they had done on the problem.

IN OTHER action the Directors created a new committee to study the need for and potential for developing the swine feeding industry in the County. The economic potential in the development was briefly reviewed with the relationship to the potential meat packing industry a consideration.

John E. McCleskey was confirmed as chairman of the Aviation Committee and Bartley Dowell as Recreation Committee head.

Raymond White was named to head a Directors committee with Bert Boomer and Dub Hair to plan the New Teacher Wel-

Farm Bureau Breaks Ground For Structure

Ground breaking ceremonies were held Tuesday for the new \$32,000 Farm Bureau building on West Park Ave.

The new building will be 36 by 66 feet and will house offices for the Bureau director and agents. The building will also contain a meeting room which will be available to members.

CONSTRUCTION was begun immediately after the ceremonies by Lindy Daniels and is expected to be finished in 60 days.

The building will be constructed of light brown brick and will have no windows. When finished it will have year-round air conditioning and will be illuminated by indirect lighting.

THOSE planning the building have made use of modern furnishing, decorative grill, car-

See FARM Page 2

come Dinner initiated last year and endorsed for a repeat performance this year.

Plans for an all-out Chamber of Commerce membership drive to be held in September were tentatively approved. Charlie Bell, drive chairman, was requested to submit a complete organizational plan for consideration.

Chamber President Wayne Thomas reviewed the Chamber's plans for participation in the Downtown Variety Park opening Aug. 19.

School Expenditures Climb

(Continued from Page 1)
... of the fiscal year.
Increase was largely due to building programs and was covered by sale of bonds.
ADDITIONAL spending over the revised 64-65 budget called for in the approved 65-66 budget amounts to some \$375,000.
This increase is necessary, Clark explained, because of several factors:
— TEACHER pay raises approved by Texas lawmakers cost the local district some \$80,000 in additional funds.
— Additional bonded indebtedness for construction projects being completed this year will cost an additional \$50,000.
— INCREASED maintenance cost on buildings added to the system (Bluebonnet Elementary and additions at Alkman Elementary and high school) in the form of utilities, janitors' salaries, and other costs amount to some \$40,000.
— The remainder of the increased expenditures result largely from growth in the number of school personnel.
Clark pointed out to the board that there will be 213 professional personnel on the school

district's payroll in 65-66 (excluding secretaries, janitors, transportation department employees and other non-professional workers).
THIS IS AN increase of 17 over the current number of professional personnel.
Pay raises approved for teachers average \$475 across the board, he continued.
It had been pointed out at earlier meetings that teacher pay raises were not mandatory under the bill approved by Texas legislators, but board members agreed with Clark that the raise should be passed on in order to keep Hereford schools in a competitive position with other school districts when it comes to employing qualified personnel.
Clark said that other budget expenditures approved for 65-66 remain about the same as under the current budget, with only a few exceptions.
MINOR PAY increases are allocated for school secretaries — \$15 per month for school secretaries and \$25 per month for secretaries in the administration building.
School tax assessor-collector

Orpha Clark's salary was increased \$900 annually as board members expressed satisfaction with his work.
Board members discussed salaries for cafeteria workers, but decided to leave them unchanged after it was reported by Clark that salaries paid cafeteria workers in Hereford schools were among the highest paid in area schools.
THERE WERE other happy notes brought out in budget discussion.
Clark pointed out that Hereford's tax rate of \$1.85 per hundred dollars assessed valuation is "right in line" with other schools of similar size in the area.
The local district's taxes are assessed on 38 percent of actual value of property.

Taxes in Dumas, for example, are quite similar, where the school assesses a tax rate of \$1.93 per hundred dollars assessed valuation. Assessment there is 27½ percent of actual value, according to a survey prepared by the Tullia Independent School District.
In 1961, cost per student to operate the school system in Hereford was \$384.31 while in Dumas the figure was \$412.29.

County

(Continued from Page 1)
meeting room.
The county's governing body studied a proposal to purchase an electronic bookkeeping machine to prepare the county's tax roll but tabled the discussion to look into other possibilities.
TAX ASSESSOR-collector Neil Miller told the commission that "something definitely needs to be done to modernize methods in the tax office," pointing to the steady increase in the amount of bookkeeping required to maintain and prepare tax billings.
Commissioners voted to pay \$2500 of the cost of paving and installing curb and gutter on streets around the perimeter of West Park Cemetery.
COMMISSIONERS agreed to pay a portion of the anticipated \$9,600 total cost of the project after visiting with Ezra Norton and Claude Ricketts, representatives of the Hereford Cemetery Association.
The two told the commission that a private drive had collected more than \$9,000 in funds earmarked towards the project.
Commissioners also reappointed Dr. C. E. Rush as county health officer for the coming year.

Farm Bureau

(Continued from Page 1)
pet and birch paneling inside the building.
Planters and a tile floor will decorate the airlock entrance to the building.
Special services will be offered to members through the facilities of the new building. For the first time members will have a meeting room and the building will also contain five offices for adjusters and agents.
ALL 18 men on the Farm Bureau board have been instrumental in the planning of the building.
Deaf Smith County Farm Bureau was organized in 1953 and has grown to a membership of 670. The new building will be adequate for the bureau until membership reaches 1,000, according to bureau officials.
Those taking part in the ground breaking ceremonies were Lindy Daniels, contractor; Denzil Pulliam, chairman of the building committee; Carroll Newson, Farm Bureau president; Joe Allender, general agent; Noble Howard, special agent and Steve Clements, Farm Bureau treasurer.
VISIT PARENTS
Mr. and Mrs. Bruce Smith and family of Follett were guests Monday and Tuesday of his parents, Mr. and Mrs. F. S. Smith. A former Hereford resident, the Follett man was interested in the recent improvements in his home town, and especially liked the changes along Main Street.
Dean Chance of the Los Angeles pitched 11 shutouts last year.

ASCS

(Continued from Page 1)
eligible and willing to serve.
Such petitions, each one nominating one farmer and signed by six or more eligible voters, may be filed at the County Office any time before Aug. 19, 1965. Eligible voters may sign as many petitions as they wish.
ADDITIONAL nominations may be made by the incumbent ASC community and county committees. "We want the best men available to serve on our ASC committees," Chairman Beizer declared, "because the committee system is the backbone of farm programs — those dealing with conservation of soil and water, as well as the price support activities for various commodities."
"In the last few years, the farmer-elected committee system — unique in the history of agriculture — has been studied intensively by a committee of farm and public administration experts especially appointed by the Secretary of Agriculture for that purpose. The system not only has been retained, but has been greatly strengthened."

Storms

(Continued from Page 1)
a fire which caused extensive damage to a barn near Hereford. (See story at right).
IN THE city, two sections of concrete brick wall were blown down at the Sugarland Mall Shopping Center now under construction in the northwest portion of town.
Elsewhere, hail damage was spotty in fields and rainfall amounts varied widely from 1.47 inches in Hereford to more than four inches south of the city and less than a quarter of an inch in extreme western portions of the county.
The 6 p.m. deluge was the first of a series which washed the city Sunday, sending water to curb level in the downtown area and turning streets in most areas of town into small but fast-moving streams.
Some portions of the county

total loss by investigators.
Cruz Mendoza Garcia narrowly missed injury Sunday when he apparently went to sleep and his 1958 model sedan which was traveling north on Hwy. 385 crossed onto the opposite side of the highway for 125 feet, went off the pavement on the left side of the road for 300 feet, swerved left onto a soft shoulder and turned over twice.
He was cited by the officers for driving on the wrong side of the road when not passing.
BILLY RAY Whitten, three-year-old son of the Rev. and Mrs. H. B. Whitten, was injured slightly Wednesday afternoon when he ran out into the street and hit the side of a 1962 model pickup driven by Elvira Jimenez at 300 Knight St.
The youngster was treated and released for minor head injuries at Deaf Smith County Hospital.
A citation was issued to Elvira Jimenez for driving without a driver's license.

Wrecks

(Continued from Page 1)
ALL FIVE of the persons involved in the accident were treated for severe cuts and bruises. They remained in good condition at Deaf Smith County Hospital Wednesday.
Officers said Martinez was cited for negligent collision and apparently had been drinking.
Three persons were injured in highway mishaps Sunday afternoon during pounding thunderstorms.
Two persons were injured Sunday during the pounding thunderstorms on Hwy. 60 east of town.
Kerry Layne Struve, 18, Route 2, Hereford, and Norman Dene Harter, Route 1, Hereford, were both injured when Struve's 1965 model hardtop skidded 300 feet and slammed sideways into a tree in the median of the highway on U.S. Hwy. 60 near the city limits Sunday afternoon.
BOTH OF the young men were taken to Deaf Smith County Hospital, where they were treated and released for minor cuts and bruises.
Struve was given a citation for unsafe speed during rain, according to investigating officers.
The car was estimated as a

classified Get Results
SUNDAY'S initial downpour dumped more than an inch of rainfall in a 20-minute period in downtown Hereford, where hail was at times the size of large marbles.
High winds hit first, stirring up dirt which lowered visibility to zero. Then the rains came.
Clouds dumped 1.47 inches on Hereford while some farms outside the city received no rain at all.
Nine miles northwest of Hereford farmers recorded .3 of an inch.
FARMERS 45 miles west-northwest recorded .65 in a Sunday afternoon and evening shower. No hail or high winds accompanied the storm.
Only .9 of an inch was recorded six miles north-northeast with some small hail accompanying the rain. No crop damage was reported.
One inch was reported a mile north of Hereford on Sunday afternoon. No hail or high winds were reported.
Farmers two miles west-southwest didn't receive any moisture .8 of an inch in a cloud-burst Saturday afternoon.
HIGH WINDS accompanied rains 11 miles south of the city. No damage was reported and farmers recorded about an inch of rainfall.
Pea-sized hail fell 16 miles northwest of Hereford with .45 of an inch of rain. Farmers in this area said that the sun was shining as rain, and hail fell.

FRANKFORT, Ky. — Gov. Edward T. Breathitt has told Kentucky farmers they should not overlook an additional source of income — vacation farms for nostalgic city people.

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER EIGHT ON THE BALLOT
PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas as for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions here by established shall be alternative to and cumulative of those provided elsewhere in the Constitution.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:
"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their resignation to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.
"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.
"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.
"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.
"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.
"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

'Town Without A Toothache': Heard

(Continued from Page 1)

Born Oct. 21, 1867, Dr. Heard was the son of William F. and Zilla Heard. He was the seventh of 13 children.

HIS PARENTS were farmers in Clay County, Alabama, where Dr. Heard spent his childhood. His education there in the little country school started with the Blue Back Speller; Dr. Heard could recall only going to two winter terms of school — he quit when he was 17 years old. Dr. Heard left the home where he grew up when he was 19, and went to work for his brother who lived about 100 miles away. Discontent prompted him to another job in 1888.

WHEN HE decided that he wanted to study dentistry, he began saving all his money for his education. He left for school on a "shoestring" when he was 22 years old, with never a thought that he might not make it. Three hundred dollars was all he had when he started out. After a year of school in Nashville, he had learned some kinds of dental work and, although he had no license, he found some patients who were willing to let him "fix their teeth".

When most of the students were cramming for final exams, Dr. Heard kept busy making plates and bridges for fellow students to turn in for required credits. Although he admitted he did it at the expense of a few moral qualms, he earned badly needed expense money. He graduated fifth in his class and was on the honor roll.

HIS FIRST office was opened in Albertville, Ala. Dr. Heard claimed it to be good country for a dentist — even baby teeth decayed rapidly there. He soon began to surmise that food played the most important role in building sound teeth.

By 1910 he began telling his "unorthodox" ideas to other dentists in Alabama — one of whom said, "If all our patients adhered to Dr. Heard's ideas, we would be minus patients."

NOT LONG after he had opened his Albertville office, he met Mattie Gordon Reed, a school teacher. After a seven-year courtship, the two were married in 1906. Their only child, George G., was born in 1911. Dr. Heard's wife preceded him in death in 1947.

Dr. and Mrs. Heard came to Texas early in 1916, and he opened his practice in Hereford. HERE HE continued his observations on the relationship of food to the condition of teeth. Food "in the rough" and raw milk helped people in the Deaf Smith County area keep good teeth, he asserted.

He constantly advised people on their diet. In his autobiography, he wrote: "Such is the good counsel I would drum into my patients' ears, day in and day out, during my entire practice; but, for the most part, the advice would go in at one ear and out at the other. That was what kept me in the dental business."

Dr. Heard would eagerly "talk up" his findings when he attended sessions of the Panhandle District Convention of the Texas Dental Association at Amarillo.

HE SAID that as a rule, a fellow practitioner would hear him out patiently, then shake his head and walk away without comment.

After some 10 years, Dr. Heard concluded, somewhat reluctantly, that telling his story was to no avail. He decided to abide his time and wait for an opportunity to present itself for him to tell his story.

Dr. Edward Taylor, director of dental health for the Texas State Board of Health, came from Austin for a district convention in Amarillo in 1939, when Dr. Heard called him aside and told him briefly what he had discovered.

Dr. Taylor did not commit himself, but came to Hereford to investigate the situation later that year.

AFTER SEEING for himself,

ATHLETE'S FOOT HOW TO TREAT IT— Apply instant-drying T-4-L. You feel it take hold to check itching, burning, in minutes. Then in 3 to 5 days, watch infected skin slough off. Watch healthy skin replace it. If not pleased in ONE HOUR, your 40c back at any drug store. NOW at Rogers Drug.

he described the conditions here as "incredible." A two-year study instigated by him in the public school system showed Hereford to have the lowest tooth decay rate among school children of any city in the United States. In 1941, Dr. Taylor said to a research section of the American Dental Association that this might prove to be "one of the most important discoveries in dental history." Dr. Heard reportedly became a "celebrity" overnight, with dentists having mixed emotions toward the discoveries that Dr. Heard had made.

Some months later, a writer for Collier's magazine came to Hereford to get the story, which appeared in the edition of Dec. 18, 1942.

DUBBED "The Town Without a Toothache," the name of the article has stuck to Hereford ever since. With more than a million copies printed, Collier's helped put Hereford on the map. In February, 1943, Reader's Digest reprinted a condensed version of the article.

The veteran Dr. Heard retired from the dental practice at the age of 79 in May, 1946. He devoted his time to farming interests and was associated with his son for a time in an alfalfa dehydration plant. He maintained a home on Main St. for many years.

Dr. Heard was also owner of the farm where the Irish potato crop was reportedly started in the Hereford area. The first planting was made in 1934. "Man Vs. Toothache," Dr. Heard's autobiography, was published in 1953. The book sets down in detail the doctor's history and his theories concerning his findings in the Hereford area.

Letter To The Editor

Dear Editor:

The photograph on the front page of last Sunday's Brand of the 17-year-cicada (locust) emerging from its larva skin is fascinating, and typical of the journalistic excellence of your paper. I think that The Hereford Brand is one of the best newspapers I have seen anywhere, anytime.

Sincerely,
Bill Hoover

Panels Erected At Amphitheatre

Six-foot granite panels— engraved with information telling in general the history of the Texas Panhandle — will go in place today in the Pioneer Amphitheatre in the Palo Duro Canyon, reports Mrs. Pies Harper, president of the Texas Panhandle Heritage Foundation, Inc.

To be erected today will be three panels, in place on the promenade wall of the theatre. In the center panel will be a brief general outline of Texas Panhandle history, along with names of donors of the sound and light operations. Panels alongside list donors for the light control building, concrete bowl, ramps, steps and walks, walls, stage, right and left side stages, and preparation of the site.

THE CENTRAL panels are to be put in place today by employees of the Wallace Monument Co. of Clarendon. The granite for the engraving of the infor-

ation comes from the Texas Granite Corp. of Granite Mountain, Marble Falls, Texas.

Panels containing engravings will also be erected along the low walls at the rear of the seating area; another "historical wall" will be erected at the rear of the rain shelter, behind the seating area of the theatre.

INFORMATION on the panels at the back of the rain shelter will include names of historical figures in the Panhandle. Included will be names, occupations, and the date of their settlement in this area.

Any person who donates at least \$500 to the foundation has the privilege of naming a person whose name will be engraved on the wall. Names have been suggested by donors to the foundation.

Some of the families making donations show how several generations have remained in the same location, listing ancestors. Historical figures have been chosen by some who asked the committee to see that the persons were included.

Donations of at least \$200 will allow a person to have their name only engraved on the panels to be located at the rear of the seating area of the theatre.

Fall Styles On Review In 'Campus 65'

"Campus '65" will unfold Saturday night as students from Hereford, Hart, Friona, Dimmitt, and Dawn model "back-to-school" fashions.

The annual fashion show sponsored by Gaston's will be held in the high school auditorium at 8 p.m. Saturday.

TEXTURE and pattern being an important style feature of "Campus '65", models ranging from first-graders through seniors in high school will wear costumes emphasizing legs.

Hats, bags, and gloves will be worn only with suits and coats.

Scenes to be used include: Match Game, Stitcheroo, Wheel Coats, and Little Dreamers. Clothing to match these occasions are: school, spectator, active sports and date and sleep wear styles.

Music for the style event will be by Mrs. Dixie Sims and a three-piece combo.

Irving Alexander will narrate and introduce the 100 models.

Chrysler Dealer Gets '66 Preview

Chrysler-Plymouth dealers of the Dallas Region will get their first look at the new 1966 Imperial, Chrysler and Plymouth cars in a special preview here Aug. 13.

The new cars will be unveiled in an original Broadway-type musical "revue '1966 Swing Up'" featuring a cast of 13 singers and dancers.

Attending from the Dallas region are employees of Dishman-Hale Motor Co. of Hereford.

'AFTER THE FALL' WITH SOPHIA LOREN

LONDON — Metro-Goldwyn-Mayer is preparing to film "After the Fall" from a play by Arthur Miller. Sophia Loren and Paul Newman will star.

FIVE INJURED HERE — A vehicle traveling at a high rate of speed broke through a construction barricade on west Hwy. 60 Monday evening, colliding head-in with this vehicle. The five persons injured were listed in good condition later in the week at Deaf Smith County Hospital. Both cars were estimated to be total losses. (Staff Photo)

Hereford Bridge Pair Score High

Mrs. F. Hill and Mrs. R. Carver of Hereford, who are playing in the Summer National Tournament of the American Contract Bridge League at Chicago this week, scored tops in the Arnold Levy Pairs, single-session championship game with a field of 336 pairs.

The report from Chicago adds that record crowds are competing for nine major titles in the tournament, which will end Sunday.

Most Cornish tin mines were shut down when vast surface deposits were found in Africa and Asia.

Look Who's New

Mr. and Mrs. Lee Allen Carr are the parents of a daughter, born August 11. She weighed 7 lbs. 4 1/2 ozs.

Mr. and Mrs. Manuel Sanchez are the parents of a son, Raul Lopez, born August 7. He weighed 8 lbs. 14 ozs.

Mr. and Mrs. Roberto B. Almazan Jr. are the parents of a son, Alberto H., born August 7. He weighed 7 lbs. 5 1/2 ozs.

Hawthorne observed that all of New England's old dwellings are "so invariably possessed with spirits that the matter hardly seems worth alluding to."

The Hereford Brand, Hereford, Texas, Thursday, Aug. 12, 1965

Paraguay has issued a new set of stamps honoring the Ninth Encampment of the International Boy Scouts. There are five regular postage stamps and three airmails. Three designs feature a Scout in uniform plus the emblem of the Scouts, Lord Baden-Powell and emblem, and the third with just the emblem.

BIG SPENDER

Harvest Nears End For Spuds, Onions

A more than successful potato harvest is 85-90 per cent finished in Hereford, according to packing house officials. Potatoes and onions have nearly all been harvested and packers expect to be finished with them in the next two weeks. Some of the packers have already finished their potatoes and onions and have started with the carrot crop. CARROTS HAVE started slow, but are expected to gain in the next few weeks. The potato market is holding good according to most packers, who were paying \$4 Tuesday on the market for no. 1 potatoes. EVEN THOUGH yields were off last year's average, most farmers in the area still pocketed more money for their spud

Gardeners Hear Tokyo Lecturer On Arrangement

Two members of Hereford Garden Club, Mrs. O. G. Hill Sr. and Mrs. A. L. Manjeot, attended a meeting of North Zone National Flower Show Judges at Amarillo this week. Members from West Texas and Oklahoma garden clubs were present. The principal speaker was Miss Nagae Tsutsumi of Tokyo, who gave a lecture-demonstration of Japanese flower arranging. A graduate of the Koru School, Miss Tsutsumi emphasizes the Seika and Matsuri styles of arranging. She wore Japanese dress as she made ten varied arrangements, demonstrating mechanics as well as artistic principles. A luncheon entertained the visitors and they heard Colonel Sharp, president of the Amarillo Council of Garden Clubs, discuss a proposed Garden Center in Amarillo for clubs of the Panhandle. In another recent trip, Mrs. Hill, governor of District 1, Texas Garden Clubs Inc., Mrs. M. T. Rutter, a nationally accredited judge, and Mrs. Manjeot, a life judge, went to Clovis, N. M. to serve as judges in a Curry County Home Demonstration Council flower show.

By MELVIN YOUNG

Grand Openings galore are scheduled for the weekend. For the first time that we can remember, three local business firms are holding their grand opening celebrations in one weekend.

The Caison House will hold their event Friday and Saturday, as will the folks at Case Power and Equipment. Clowe and Cowan, Inc. has also moved to a new home and will hold an open house all day Saturday.

All in all, we should get plenty of free coffee this weekend.

Also on tap for Saturday

Freezer Bags
1/2 PRICE
Hereford Surplus
1221 E. FIRST

might be a Campus '65 Fashion Show to be held at the High School auditorium. The show, sponsored by Gaston's will be held at 8 p.m. Proceeds from the event will go to Hereford High School activity fund.

And Sunday afternoon will be the beginning of a week-long open house at Moreman and Western Streets, featuring an all electric structure built by Brownlow Brothers and Carl McCaslin Lumber Company.

Representatives will be on hand to answer any questions concerning construction or operation of the electrical fixtures.

Many free prizes will be given away also.

Radio Station KPAN is also sponsoring an open house this weekend (and next), of their new Dream Home in the Green Acres subdivision. Again, there will be many prizes given away.

Congratulations to the City

Fathers. Not for the downtown "Variety Park" project as you might think, although it certainly deserves some comment. Rather, we would toss out the bouquets for their efforts in behalf of having all trash cans covered. We attribute the noticeable lack of flies to this.

Nope — we didn't say there weren't any flies — but we do believe there are fewer this year than in the past.

At least, we have not been plagued by them as in times past.

Next project — what to do about the lousy cicadas. They're driving us buggy.

And for those who are worrying about the messy appearance of Main St. over the past weekend, we might add that the city is working on the trash container problem, but to date — still have none. Shouldn't be long however.

Trash on the street is particularly noticable now since the blacktopping has been applied.

Kinda like having white carpet in the house. Takes a lot of effort, to keep it looking nice.

And vandals have already begun their work. Some of the low light fixtures were damaged over the weekend.

It is unfortunate that some people must destroy what others have worked so hard to build.

Son, lying on the couch, to his father: "Sure, I know Lincoln was splitting rails at my age — but by your age he was president."

ADOPTION ANNOUNCED

Mr. and Mrs. James Lanier, 831 Brevard, announce the adoption of a baby boy, who arrived at their home Saturday. The baby, born July 25, has been named Douglas Lee.

This year marks the golden anniversary of the first transcontinental telephone call across the United States.

Mr. and Mrs. Billy Don Brown were in Raton Saturday. Floyd Brown and Jack Fincher were in Raton Friday and Saturday.

Club Gives Cycle Party

A bicycle ride and an ice cream supper, entertainment reminiscent of the Gay Nineties, provided a pleasant evening for La Madre Mia Study Club members and their husbands Tuesday. It was one of a series of summer parties for the club.

After bicycling over the city, the group went to the Community Center for home-made ice cream and cake. Quiz games based on popular television series were played.

In the party were Messrs. and Mrs. Bill Lankford, Bobby Owen, Jesse Click, Dean Herring, Herrchel Black, Buddy Pickens and Zack Painell.

Outfielder Jim King of the Washington Senators is the only player still with the team from the expansion draft held prior to the 1965 season.

Forrest, Simpson To TEC State Meeting

Leo Forrest, manager of the Rural Electric Cooperative here, and Ray Simpson, power use advisor and member services consultant, will be in Dallas through Friday this week attending the state-wide convention of Texas Rural Electric Cooperatives. The meeting, attended by about a thousand rural leaders, convened Wednesday.

Forrest is chairman of the resolutions committee of the state organization, which was slated to meet during the three-day confab. Simpson also was scheduled to be on the program.

Other featured speakers include Secretary of Interior Stewart Udall, REA Administrator Norman Clapp, former Texas Secretary of State Tom Reavely and the national president of the American Dairy Association, Troy Kern of Cooper, Tex.

A convention highlight will be the selection of the 1966 Miss Texas Rural Electrification. She will be chosen from among five finalists Thursday evening at the Sheraton-Dallas Hotel; winner of the title here will vie for the national crown in Las Vegas early next year.

Nearly 200 of the delegates to the convention will have badges of honor signifying 25 years or more service. This convention will mark the 25th anniversary of Texas Electric Cooperatives, Inc., which is made up of 79 member-owned rural

electric systems serving in all but eight counties of the state. All-day sessions for cooperative attorneys and member service advisors in addition to committee meetings opened the convention Wednesday. The first general session will be today, opened by the Rev. Raymond Wolf, pastor of Emmanuel Lutheran Church at Knippa. The Rev. Wolf is the rural minister of the year.

Competing for the title of Miss Texas Rural Electrification will be Donna Kay Perry of Shallowater, representing South Plains Electric Cooperative at Lubbock; Cheryl Beck of Talpa, sponsored by various West Texas cooperatives; Annette McDonald, Keller, Tri-County Electric Cooperative at Azle; Sandy Criswell from Sheridan, San Ber Electric Cooperative, Fredericksburg. The new beauty will be crowned by the reigning queen,

Family Gathers To Make Trip

A family gathering at the home of Mr. and Mrs. Andy Reese, 231 Ave. I, ended with a trip to a high school homecoming at their former home town, Newcastle, from which they returned Wednesday.

Four of their five daughters and families visited here several days before the homecoming, where they met a fifth daughter, Mrs. Billie-Nan Kolibaba of San Francisco. Afterward they visited a brother of Mrs. Reese, Joe Rowe, at Graham and with relatives in Denton.

Visitors before the trip to Newcastle were Mrs. Barbara Ledbetter and daughters, Scarlett and Patricia, of Graham; Mr. and Mrs. Ray Bradshaw and son, Kevin, of Denton; the Rev. and Mrs. Jimmy Hocken-smith and children, Randy, Deborah, Steve, Rhoda and Valerie of Tampa, Fla.; Mrs. Jo Frances Powell and children, Michael, Lisa and Tracy of Idaho Falls, Ida.

Charlotte Garrett of Breckenridge.

Rural leaders are special guests of the convention. They include Mrs. Doris Joiner, DeLeon, president of the Young Homemakers of Texas; Kenton Harvey of Azle, Young Farmers of Texas president; Miss Deborah Richman, Scurry, corresponding secretary of the Future Homemakers of America, Texas Association; state Future Farmers of America president, Kenneth Graeber of Brenham; and Walter McCullough, Comanche, member of the state 4-H council.

Visitors Attend Recent Wedding

A number of guests from other cities attended the wedding of Miss Sheryl Patterson and Joe Coldwell of Arlington, Mass., Saturday evening. The bride is the daughter of Mr. and Mrs. Elmer Patterson. The bridegroom's mother, Mrs. A. E. Coldwell, came from Tulsa for the ceremony.

Also from other states were Prof. and Mrs. Roy Bowen Ward and children, David, Mark, Julia and Nathan, of Oxford, Ohio; Mrs. L. R. Blevins, Misses Cherry and Sally Blevins, Carmichael, Calif.; Mr. and Mrs. Virgil Bennett Jr., St. Paul, Minn.; Dale R. Ward, Colorado Springs.

Mrs. Drew Ridgeway came from Kansas City, Mo., Miss Jeanelle Yaden from Shawnee Mission, Kan., and Miss Addie Shumate from Wichita, Kan.

From cities in New Mexico were Mr. and Mrs. R. H. Hubbard and Mr. and Mrs. Gene Dane, Deming; Mr. and Mrs. Don Dane, Albuquerque; Mr. and Mrs. Jack Newman and children, Curtis and Ruth, Alamogordo.

Guests from Amarillo included Miss Mary Frances Chambers, Mrs. Wayman Davenport, Mr. and Mrs. Harry Inman, Mrs.

John Hatherly, Mrs. W. E. Patterson and Hugh Patterson. From Abilene were Mr. and Mrs. Jerry Don Riggs and Stephanie Riggs, Miss Jane Bacon, Jay Roberts and Jerry Brown. Miss Carol Coldwell, Mr. and Mrs. J. C. Chambers, Ivan Chambers, Miss Sandra Jones and Bob Rogers came from Lubbock; Mr. and Mrs. Wayne Crisp and children, Steve, Elaine, Charlene, Debbie and Laura, from Dumas; Mr. and Mrs. John A. McClelland from New Braunfels.

Guests from Plainview were Mr. and Mrs. Gerald Chambers and children, Jerice, Stan, Tim and Sara; from Canyon, Mr. and Mrs. R. E. Chambers; from Wichita Falls, Mr. and Mrs. Carroll Hickey and son, David; from Pampa, W. M. Daughette and Miss Edna Daughette.

Aviation Group Sets Noon Meet

Aviation Committee of the Deaf Smith County Chamber of Commerce will meet at noon Friday at the Hereford Country Club to discuss several topics.

Among items listed on the agenda are a review of Chamber of Commerce support of Civil Air Patrol, a review of airport improvement projects as listed by chamber directors at their February meeting, and development of a plan to further inform the public on the importance of aviation to Hereford's business and industrial economy.

EXPECT STRONG TEAM

High School Football Squad Begins Practice

By DAVID BUTLER
Staff Writer

Hereford may still be suffering from summer heat Monday, but fall will be in the air at the Whiteface stadium when the 1965 version of the Hereford High School football team makes its entrance into the '65 gridiron season at 8 a.m. Approximately 28-30 men are expected to show up for varsity practice while 25-30 more will be on hand to play on the B-Team, according to head coach Jack Meredith.

Hereford will be sporting a strong backfield this year with two two-year men returning and three one-year men. There will also be one member of last year's B-Team who will be playing in the varsity back field.

Gene Drummond at left half-back and Steve Hodges at quarterback and end are the two two-year men returning in the backfield.

WALTER Williams at left half-back, Wynn Buck at full-back and Greg Richards at right half-back are men with one year's experience.

Gary Victor will be playing on the varsity squad this year after a year's experience on the Hereford B-Team.

Roger Owen and Gary Tucker will be the experienced split ends on the team.

Ricky Fangmen will be playing tackle this year for the second season.

MEREDITH said the team has extremely good balance, a lot of experience, more speed than last year and men who have a desire to win.

The coach said weight on the line is average and speed is better than in past years.

Offensive play will be changed to take advantage of speed

with the appointing of Clyde Coleman as varsity assistant; Don Dorman, B-Team coach; and Harold Sides as freshman coach.

PAT PRIVETT will be the head coach at Junior High School with Ray Don King and Don Taylor as his assistants.

Meredith said he expects a strong B-Team this year with a great deal of balance.

"The varsity has rough non-conference schedule ahead of us, but we should be able to make a better showing against our opposing teams than in past years," the coach said.

HEREFORD was picked second in 1-AAA district recently with Dumas in first place,

Tulia and Perryton were picked just under Hereford for third and fourth places.

"Dumas is a rough team with a winning tradition, but I feel the Whitefaces will give them a rough time for the top position in the conference," the coach said.

Tulia and Perryton are also expected to produce good ball clubs this year and are not to be scoffed by the Whitefaces, he continued.

Muleshoe, who came out in the bottom position last year, will be another team which is building. The team was young and inexperienced last year, but this year has many returning starters.

Hereford Man Named To Auto Dealers Group

Appointment of Area Directors throughout the state to serve in conjunction with the Board of Directors of the Texas Automobile Dealers Association was announced this week by TADA President Jack Rieger of San Antonio.

From Hereford, Glen Osborn of Kinsey-Osborn Buick Co. was named to the post. His particular responsibilities will be to work with other TADA officials and to specialize in research that will aid the motor vehicle buying public and the automotive industry.

"The automobile long ago ceased to be a luxury," Rieger pointed out. "It is a necessity in our modern world, and franchised new-car dealers are sincerely concerned with making driving safer, more convenient, and more economical for our customers."

"Highway safety is a particularly important area for us," he explained. "We are especially proud of the number of automobiles loaned to schools for

Driver Education by our members is a vital matter for dealers and the public alike.

"Automobile dealers throughout the country are proud of the success of their efforts in reducing the excise tax on new cars. It is on matters of his type, at the grassroots throughout Texas, that our area directors work, and their help is of inestimable value to our association and to everyone who travels Texas highways," Rieger concluded.

SCREAM ALONG WITH U.S. BOULDER, Colo. — Ulla Koehue, 18-year-old exchange student from Bad Godesburg, Germany, telling of her impressions of American high school life, was impressed by the constant screaming on a bus going to a game.

"I turned to the girl next to me," she said, "and I asked, 'Why are you screaming?' The girl replied, 'I don't know,' and went back to screaming."

"That is the only day I felt left out and homesick. In Germany we scream separate. Now I scream together like the rest of the students and I like it."

Office Furniture THE INK SPOT

Services Held For J. W. Baxter

Funeral services for James William Baxter, 81, of King's Manor, who died Sunday in Deaf Smith County Hospital, were conducted at Friona Tuesday afternoon. A retired farmer, he had been a resident of Friona 27 years.

The funeral was conducted in Sixth Street Church of Christ, Friona, of which he was a member; Clayborn Funeral Home directed burial in Friona Cemetery.

Survivors include his wife of almost 65 years; two daughters, Mrs. Calvin Martin of Friona and Mrs. Miles Robbins of Blunt, S.D.; five sons, Bill Baxter of Friona, Lonnie and Charlie Baxter of Clovis, Louis and Clarence Baxter who both live in Colorado; 25 grandchildren and three great-grandchildren.

Harvest Dinner Scheduled Today

The annual Harvest Dinner, open to the public, will be served from 11 a.m. to 3 p.m. today by women of the American Legion Auxiliary in the Legion Hall. Diners may eat all they wish of the meal featuring regional foods, at a price of \$1.50 for adults and 75 cents for children.

Money raised by serving the dinner will be used by the Auxiliary for purchase of a new flag for Hereford Community Center, and for the organization's scholarship fund.

History Group Invited To Tulia For Workshop

The Deaf Smith County Historical Survey Committee has been invited to attend a regional workshop of County Historical Survey Committees in Tulia, Saturday, Aug. 14, according to Mrs. E. Patterson, County Committee Chairman.

Deaf Smith is one of 15 counties invited for the afternoon workshop scheduled to begin with a luncheon at Wayne's Restaurant in Tulia at twelve o'clock. The group will then adjourn to the Swisher County Electric Cooperative Building to continue their meeting.

Mrs. L. E. Dudley of Abilene is the Texas State Historical Survey Committee member in charge of Region 18 of which this county is a part.

According to Mrs. Dudley, this meeting has been planned to give our local county committees the opportunity to tell of their work to preserve Texas history, to learn of the statewide work of the TSHSC, and to discuss ways and means to save and see the history of Texas in our particular areas.

Mrs. Dudley also stated that "we are most fortunate to have on our program Robert Goss, Chairman of the Swisher County Historical Survey Committee, who will discuss 'What Can We Accomplish Through Regional Organization.'"

The State headquarters will be represented by the newly appointed Executive Director of the Texas State Historical Survey Committee, Truett Latimer, who will report on statewide activities.

Members of the Deaf Smith County Historical Survey Committee are Will Harris, M. B. Elliston, Mrs. Clara Shore, Mrs. Henry Sears, Mrs. Lee Newman, A. J. Schroeter, Joe H. Smith Jr., Melvin Young, Clint Formby and John D. Pitman.

1961—Era Of Growth

(Continued from Page 1)

15th annual Junior Livestock show was entered by 13-year-old Larry Minks. The 935 pound calf won over a record number of entries in the three-day affair at the Bull Barn.

Jack F. Meredith, former coach and athletic director at Panhandle High School, was appointed head football coach of Hereford High School.

LANDMARK RAZED
A HEREFORD landmark disappeared, built in 1904 by W. B. Dameron at Third and Main, the old Dameron Building was demolished to make way for a new office building.

FEBRUARY
More than 700 persons converged upon the Hereford High School gymnasium for the annual Deaf Smith County Chamber of Commerce banquet. Mrs. Earl Plank was named Hereford's Citizen of the Year for 1960 during the banquet. Jim Clark was presented a citation of achievement by Texas State Board of Pharmacy for 50 years of devoted service to his profession.

IT WAS the end of the line for the Hereford basketball team that never quite found itself, when Dumas dropped the Hereford Whitefaces 67-57 in the district playoff.

BONDS DEFEATED
A \$250,000 bond issue proposal for street repair and paving was turned down by Hereford voters by an overwhelming margin of 540 against and 254 in favor.

Janis Higgins and Jim Shearhart were named Queen and King to climax the second annual county 4-H Club Share-The-Fun Festival. Their coronation closed two hours of stunts and skits presented by members of the various 4-H Clubs in Deaf Smith County.

MARCH
An increased tax rate of \$1.40 per \$100 valuation was approved by Hereford City Commissioners boosting the rate 15 cents from its previous \$1.25 level.

Nolan Grady was named acting postmaster of Hereford Post Office with the termination of Mrs. Florence Traweck's three-year term.

WITH BANGS strummin and jokes cracking from all corners, the Hereford Lions Club staged a Negro Minstrel in the Hereford High School auditorium.

BANNER 800-800
And then there was the banner for the new Key Club which was unfurled at the Charter banquet reading: Key Club HERFORD.

APRIL
Tom Robinson and Labry Ballard came out on top of a field of six candidates for seats on the Hereford Rural High School board of trustees.

NEW CITY OFFICIALS
New city officials were sworn in immediately after the city election returns had been canvassed. Giving the oath of office was outgoing Mayor Woody Wilson. The newly-elected were: W. L. (Bill) Davis Jr., Commissioner place one; Gid Brown; re-elected Commissioner Place Two; and Ray Cowser, Mayor.

More than \$10,000 was promised to finance the final stages of battle for more sugar beet acreage in the Great Plains area.

Hereford's annual campaign against disease and community blight opened officially with Clean Up, Fix Up, Paint Up Week and was scheduled to continue throughout the year with a complete beautification program.

RESIDENTS of the Texas Panhandle had their first opportunity to examine one of the most modern county-owned structures in the state when all offices of the Deaf Smith County Courthouse were opened.

MAY
Highway 60 was officially opened for traffic, and motorists lost no time in trying it out from end to end. Also opened up was a wider South Main from First Street to the Tierra Blanca Creek Bridge.

The Deaf Smith County Civil Defense and Disaster Corps was organized during a special called meeting of interested Hereford residents.

Having compiled a perfect straight "A" record, for his three years of high school, Ronnie Botkin was selected as valedictorian of the 1961 Hereford High School graduating class. Completing a near equal record, J. V. Perrin Jr. was named salutatorian.

Hereford Post Office installed an electric stamp vendor available on a 24 hour, non-profit basis. More than 200 children and Shriners were mighty close pals in Hereford at the sixth annual Oasis Shrine Club's Children's Clinic.

RECORD CLASS

A RECORD Hereford High School graduating class of 136 received diplomas at commencement.

A new 50-star flag and flags were presented to the West Park Cemetery Association by American Legion Post 192 of Hereford.

JUNE
Another step toward making a retirement home in Hereford a reality was taken by delegates of the Northwest Texas Conference of Methodist Churches when they approved the proposed home for construction.

Huge flames nourished by strong southeast winds destroyed vacant barracks at the Hereford Labor Camp.

Southwest Offset Inc. opened its doors and got its presses rolling to give the Brand and two other Panhandle papers a new look in printing.

Judy Bradley won the bathing beauty contest at the Hereford Country Club.

Thirty-six Hereford families served as personal foreign ambassadors when a group of high school exchange students spent two days in the community taking tours and being entertained in various ways. The families opened their homes to the overnight guests.

JULY
Bobby Williams, head football coach and athletic director of Hereford High School for three years, resigned his post and accepted the position as superintendent of Plemons Independent School District.

RAINY WEATHER dealt an almost fatal blow to the eighth annual Hereford Quarter Horse Show held in Hereford Riders Club arena.

The Grand Jury advised the Commissioners Court that \$40,000 to \$45,000 should be borrowed before fall to operate the county's general fund.

BIG CELEBRATION
Six jam-packed days of fun and entertainment began with the crowning of Judy Bradley as Harvest Festival Queen. The third annual festival activities included rodeo, air show, Lions Club Carnival, Farm and Home Show, and a barbecue.

Deaf Smith County Commissioners approved the issuance of \$46,000 in road machinery warrants.

AUGUST
EDWIN THOMAS became the first Hereford athlete in history to play in the Texas High School All-Star Football Game. The contest is held annually in conjunction with the Texas High School Coaching Clinic.

Hereford school trustees set the school tax rate at \$1.55 per \$100 for the tax year. The rate represented a 15-cent drop for the \$1.70 per \$100 levy used in 1960.

A 10 million bushel grain elevator sprawling over more than 40 acres of space east of town on U. S. Highway 60 went into operation.

"Move to Hereford — and Keep Cool" was the motto, not of the Chamber of Commerce, but from the U. S. Weather Department, based on the fact that not yet in 1961 has Hereford recorded any day hotter than 88 degrees.

SEPTEMBER

A program making Hereford second to none was launched by the directors of the Deaf Smith County Chamber of Commerce. In a drastic move, the directors approved a budget for \$30,000, twice as much as their present budget, and one that would surpass any Chamber of Commerce of comparable size in the United States.

TAXES CUT
Good news for tax-payers came when the Commissioners' Court voted to adopt a tax rate of 17 1/2 per cent of actual valuation. This was a drastic reduction from the previous rate of 25 per cent of actual value. The Court also voted to lower the applied rate from \$1.72 per \$100 tax valuation to \$1.62 on each \$100 of taxable value.

Hereford Rural High School board reported an enrollment of 3,024 as compared with 2,949 the same time in 1960.

Hereford was named the safest city of its population group for the state by the Texas Safety Association.

The Whitefaces spoiled their bid for a fifth straight win when they battled a 12-year jinx and the number one team in New Mexico. The Roswell Coyotes handed the Whitefaces their first loss of the year when the game ended 7-6.

OCTOBER
Totally destroyed by an explosion was the Westway Store, located eight miles west of Hereford. Mrs. Lincoln Bollin, the only employee in the store, had stepped out front to wait on a customer and was not injured. The Peace Rose was adopted as Hereford's official town flower.

MASCOT ACQUIRED
A MASCOT for the Hereford Whitefaces football team was secured this week by the Whiteface Booster Club. The young Hereford bull was named "Scat" in honor of high school principal and former football star, L. B. "Scat" Russell.

As a result of a "crackdown" on school attendance in Deaf Smith County, school attendance percentages were up over 1961's mark following the first six weeks.

Representatives from the six District 1-AAA high schools met in Hereford to revamp the football schedule for the 1962-63 season, making way for entrance of the Perryton Rangers into the conference.

NOVEMBER
Sharon Bezner and Larry Minks were announced as the 1961 Gold Star winners for their outstanding 4-H Club achievements.

WILLIAMS NAMED COUNTY JUDGE

H. C. "Hank" Williams was sworn in as Deaf Smith County Judge during a special meeting of the County Commission. He replaced Don D. Zimmerman who submitted his resignation to work on behalf of Boys' Ranch.

Deaf Smith County Hospital announced plans to start a vocational school of nursing. The "1962 Roundup Queen" was crowned during annual Stunt Night at Hereford High School. Judy Means, senior class candidate, took the honors.

Final game of a successful season for Hereford saw the Littlefield Wildcats defeat the Whitefaces 21-20. The Whitefaces surprised many with their first winning season since 1955 as they chalked up seven wins and three losses, two of them by one point. They also split in their four-game district play, the first time they had won a pair of conference games since 1-AAA was formed in 1956.

FOR THE second time within recent months, the Hereford City Commission accepted a bid on American-made pipe for the city's water department over a cheaper pipe of foreign manufacture as the city purchased \$15,316.74 worth of pipe and fittings.

DECEMBER
With an 83-59 victory over Clovis, Hereford finally evened its record. The win gave the Herd its third straight victory after opening the basketball season with a trio of losses to AAAA schools.

A NEW service was added to Stanton Junior High and Hereford High School. Under the direction of Robert L. Thompson, and B. H. Baldwin student personnel service programs to aid students in planning their future, making the most of their abilities, and in succeeding in school and social life, were inaugurated.

An early winter snow and ice storm sent temperature plunging below the zero mark for the first time as Deaf Smith County encountered its worst weather of the year.

Not noted for their brains, with the heavy early winter weather, turkey's began laying eggs. "I've been raising turkey's for 40 years, and I can't remember them starting to lay before Feb. 1," remarked one turkey farmer. But he couldn't deny finding five turkey eggs from his flock of 76 birds.

1961 was a progressive year even for turkey's of Deaf Smith County.

Yeager Named To Paris Job By Lumber Chain

Al Yeager, longtime manager of the Foxworth-Galbraith Lumber Company in Hereford, will be moving to Paris, where he will be manager of the yard 'here.

Yeager and his wife Helen came to Hereford 11 years ago, when the population was only 5,000.

HE WILL BE replacing a long-time employee of Foxworth-Galbraith who died recently of a heart attack.

"The Paris yard is the second largest operation in the 78-yard chain," Yeager said.

Mrs. YEAGER has been teaching in the Hereford school system for 11 years and has taught at Northwest Elementary School since its opening.

YEAGER and his wife are members of the First Methodist Church and he has served on the Board of Stewards.

Doyle Rush and his wife Thelma will be moving to Hereford this weekend from Pilot Point. Rush will be the new Hereford manager replacing Yeager.

Rush has been manager of the Pilot Point Foxworth-Galbraith yard.

REUNION SLATED
Jowell's annual reunion will be held in the Jowell Community Center Sunday, Aug. 15. A picnic basket type lunch at 1 p.m. will open the occasion, followed by a business session. Past Jowell residents planning to attend the reunion should bring food for their family.

EIGHT LIVES TO GO
DECATUR, Ill. — Herbie, the 5-year-old Siamese cat owned by Mr. and Mrs. G. R. Cohn, is walking again after a brush with an auto.

Phillip Mendel, whose car hit the cat, went from house to house until he found the owners. Dr. J. D. Kerr of an animal hospital said Herbie was suffering from shock and was paralyzed in the hips and legs.

In order to get the cat to walk again, he said, a rope was put around his middle to hold him up. He could use only his front legs at first. As he walked on his front legs, he gradually touched his hind feet to the floor until he started using them.

Dr. Kerr said it was like a child learning to walk.

Junk Blaze Brings Firemen

A call from Luther Leddy at Lesty Motor Co. brought Hereford firemen to a smoldering blaze at the motor company, located on West Hwy. 66, Wednesday afternoon. The blaze was in junked car bodies.

Persons at the scene reported the incident to have been started by a cutting torch being used in the lot of Western Wrecking Co., located on Fifth Avenue. The blaze spread through the junked automobiles directly behind the Lesty building and had gotten out of control.

Firemen did not extinguish the blaze, but the burning car bodies were towed away from the scene.

Openings

(Continued from Page 1) will be given away during the two day affair.

Friday and Saturday will also be the Grand Opening Days for Case Power and Equipment Company.

Originally situated at 1301 Park Ave., the Case dealership will now make their home in a newly constructed steel building on the Dimmitt Highway.

DOOR PRIZES will be given both Friday and Saturday. Friday the activities will continue from 8 a.m. to 6 p.m. and Saturday from 8 a.m. to 3:30 p.m.

Clove and Cowan will confine its Grand Opening to Saturday only. The modern one-story structure at 213 E. New York houses their operations.

Plans for entertainment and prizes are now being completed, but nothing has been announced.

WANDERING ISLAND

MAVROVO, Yugoslavia — There's a wandering island in the lake which supplies a hydroelectric power station here in Macedonia.

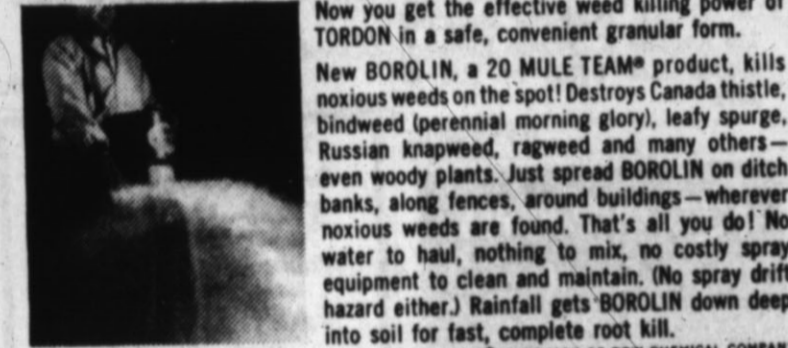

It was started by a landslide which fell into the lake, complete with grass and a few willow trees. Currents gradually moved it 12 kilometers across the lake to the shores of this village.

Farmers roped it to beech trees on the shore to keep it where it is.

HIGH ALTITUDES

DENVER — Colorado has 54 of the 60 highest mountains in the United States and 75 per cent of all the area in the country that is over 10,000 feet.

NEW BOROLIN* WITH TORDON* GIVES YOU REAL WEED KILLING POWER!

Now you get the effective weed killing power of TORDON in a safe, convenient granular form. New BOROLIN, a 20 MULE TEAM* product, kills noxious weeds on the spot! Destroys Canada thistle, bindweed (perennial morning glory), leafy spurge, Russian knapweed, ragweed and many others—even woody plants. Just spread BOROLIN on ditch banks, along fences, around buildings—wherever noxious weeds are found. That's all you do! No water to haul, nothing to mix, no costly spray equipment to clean and maintain. (No spray drift hazard either.) Rainfall gets BOROLIN down deep into soil for fast, complete root kill.

introductory offer!
FREE SHAKER CAN!
You get a handy re-usable SHAKER CAN with any BOROLIN purchase! Lets you spot-treat weeds on sight! Holds 2 lbs.

FREE SPREADER!
Buy ten 25-lb. bags of BOROLIN and get a free PCB SPREADER worth \$15! Lets you weed-proof 10,000 sq. ft. in just 10 minutes! Adjustable for swath and application rate. Holds 25 lbs.

MONEY-SAVING COUPON!
Each 10-lb. bag of new BOROLIN contains a coupon worth \$1.00 toward your next BOROLIN purchase.

LET'S COOK SOMETHING

Bride's Recipe Is Practical Dish

By SUE COLEMAN
Women's Editor

Jokes about the bride's cooking imply that it is a major cause of honeymoon spats, husbandly sneers and wifely tears. Actually, says Mrs. Ronald Corbett, cooking is fun, recipes are easy to follow and even her experimental dishes have turned out well.

"At least my husband has eaten them all so far", she adds with a smile. She likes to try new recipes and vary the proven ones with her own substitutions.

Mrs. Corbett was Carol Jane Long of Amarillo before her marriage June 12. She and her husband are living at 718 Thunderbird this summer but will leave soon for a home in Dallas while he attends North Texas State University at nearby Denton.

She was no cook before marriage, except for classroom practice in a high school foods course she had no experience in preparing meals and she seems happily surprised to find that she likes the routine of planning and cooking as well as collecting and trading recipes.

The pretty brunette bride enjoys having guests to sample her culinary efforts, too. The Corbetts play host informally to small groups of friends in their apartment but her chief interest in cookery at present is in preparing the daily meals for two.

The recipe she gives is for a substantial vegetable dish which, she says with a practical

air, can be kept in the refrigerator and reheated so if it is not all eaten at the first serving it can make a reappearance on the table. And the Corbetts like it well enough for a re-run.

BROCCOLI-RICE CASSEROLE
2 cups cooked rice
1 small can evaporated milk
1 pkg. frozen chopped broccoli
1/4 cup chopped onion
1/4 cup chopped celery
2 tbs. butter or margarine
1 can cream of chicken soup.

Saute onions and celery in butter in a skillet. Add soup, milk and broccoli (it is not necessary to thaw the broccoli). Mix well, then add the cooked rice.

Pour into a long baking dish 9x14x2 inches in size. Place slices of cheese over the top. Cover loosely with foil and bake at 350 degrees for 25 to 30 minutes.

This amount will serve six persons.

MARRYING YOUNG

CANBERRA — Of 172,020 people married in Australia last year, 46,271 were under 21 years of age. Of those, 10,775 were bridegrooms and 35,496 were brides.

Those married included four girls aged 14 and 73 aged 15, and 12 boys aged 16 and 178 aged 17.

The proportion of people under 21 being married has risen in each of the past five years.

Newcomers Welcomed With Tea

Two newcomers to Hereford, Mrs. Lou Orleans and Mrs. Frederick Haug, were welcomed with a tea in the home of Mrs. Bruce Brown, 535 Westhaven.

Friday afternoon, Mrs. Clyde Schner was co-hostess. Mrs. Orleans moved here from Colorado Springs and Mrs. Haug from Hardin, Mont. Their husbands are both associated with the Holly Sugar Corp. here, as are husbands of the hostesses. The tea table was covered with lace and brightened with an arrangement of blue and yellow flowers with gold candles. Guests included Meses, Alvin

Anstey, Alvin Brown, Albert Cherry, Earl Clark, B. E. Cooper, Glenn Al Hunter, Eugene Kelly, Donald Lind, Billy Shelley, Nick Shyne, Frederick Stindt, Wendell Wolf, Wesley Fisher, Gene Parsley, and Mrs. Schner's house guest, Mrs. Florence Marsh of Hardin, Mont. Cook sliced mushrooms with thin strips of onion in butter and use as a topping for scrambled eggs. Fine for brunch!

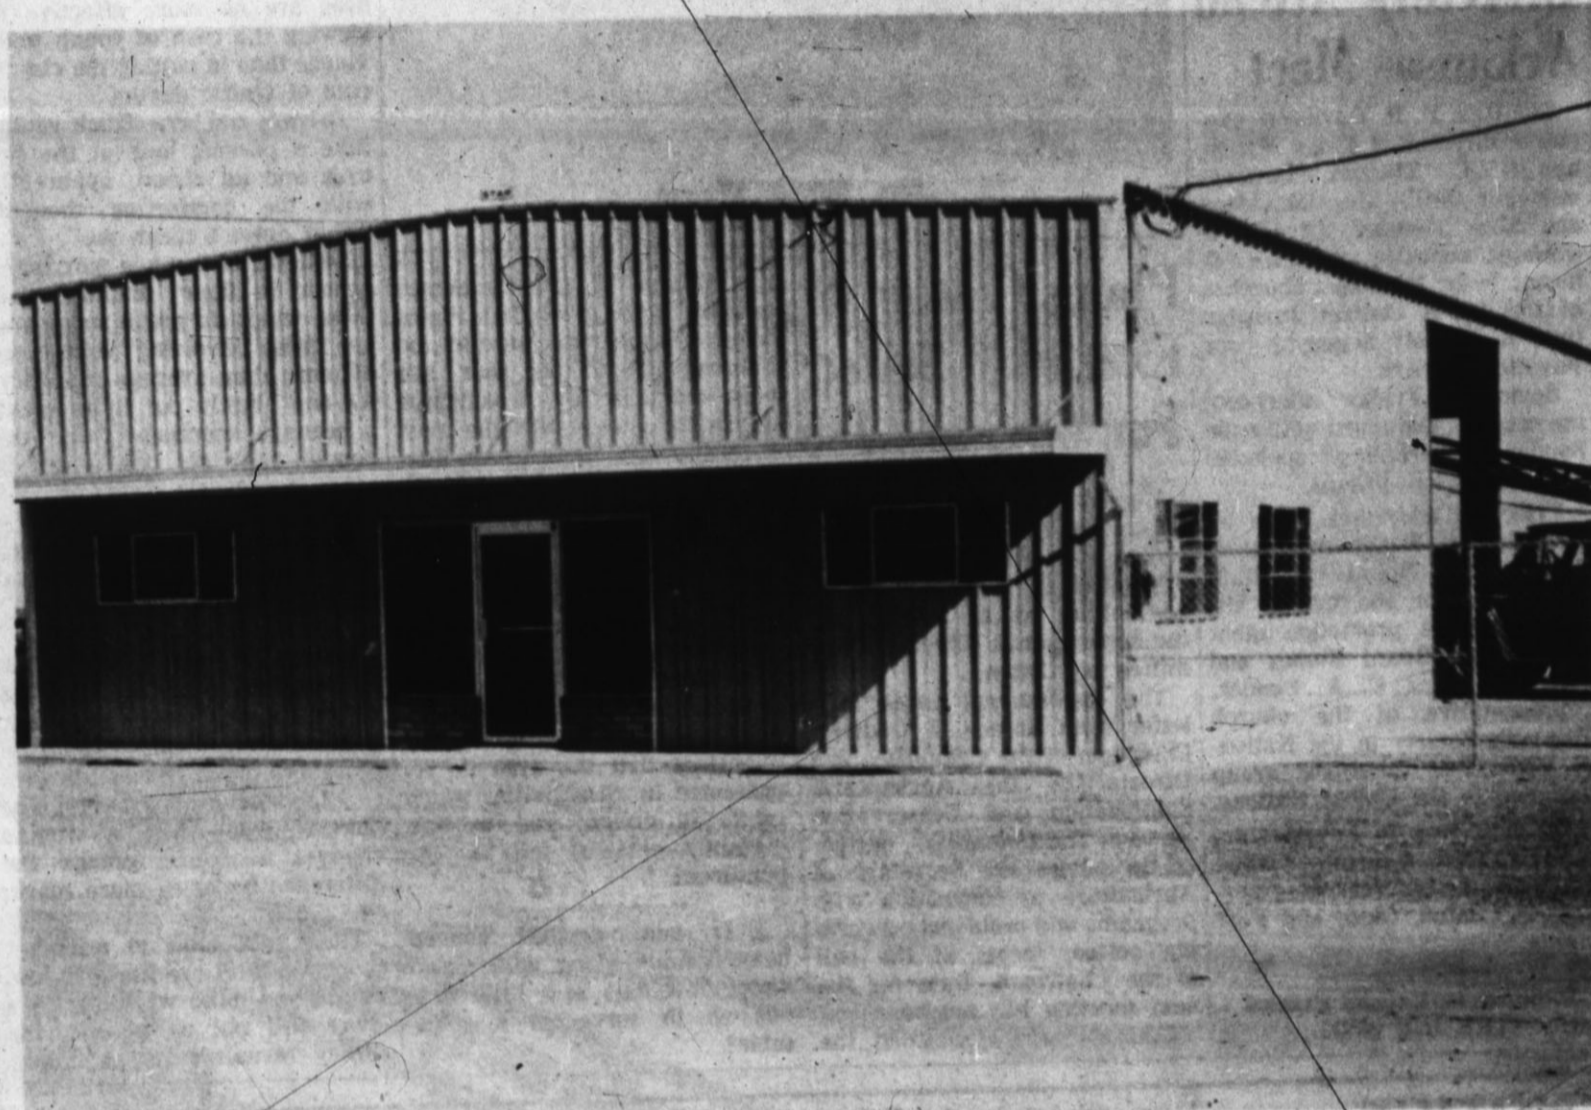

Brenda Beasley, Hereford Student Receives Degree

Brenda Ann Beasley, 100 Centre St., Hereford, is among candidates for a bachelor of science degree at the annual baccalaureate-commencement for 1965 summer graduates of Hardin-

Simmons University in Allison. B-SU will confer approximately 90 bachelor and master degrees at the summer convocation, which will begin at 8 p.m. Thursday, Aug. 19. Dr. E. H. Westmoreland, pastor of the South Main Baptist Church in Houston since 1959 and a former president of the Baptist General Convention in Texas will be speaker for the exercises.

You're Invited.... to attend

New Home

of

CLOWE & COWAN, INC.

and

WALCO DRILLING, Inc.

Saturday, Aug. 14th

All Day

That's right folks. Clowe and Cowan and Walco Drilling have now moved to a new location at 212 E. New York Street, just East of Packard Milling Company, and we would like to take this opportunity to invite each and everyone to our Open House this Saturday, August 14th (all day). Our new building has just been completed and we have moved in. It's still a little hard to find things around here, but we can manage, so come on in for the big open house Saturday. Thanks too, for your kindness and considerations during our move.

REP. ROGERS WRITES

Congressman Attacks Court Decision Concerning Mail

I deeply regret to report that the United States does not now have a program to cull Communist propaganda from mail coming into this country from abroad.

We had such a program, set up under a 1962 Act of Congress I had advocated and supported, but the law was struck down in the recent Supreme Court decision in Lamont v. The Postmaster General.

ON THE DAY the Supreme Court announced its decision in the Lamont case, all activity under the law was terminated. The two years in which the law was in effect gives us the specific evidence of the extent to which Communists seek to distort the thinking of U. S. citizens through mailed propaganda.

On Jan. 7, 1963, special Foreign Propaganda Units manned by Postal and Customs personnel were established in eleven key ports of entry as the Act took effect. From that day until May 24, 1965, when the Supreme Court struck down the Act with its Lamont decision, approximately 105 million pieces of foreign mailed matter were referred to these units.

Approximately 43 million pieces of such mail were directed to "exempt" addressees, for the law had specifically exempted certain categories of recipients and its provisions did not apply to sealed letters. These 43 million pieces of mail were quickly sent along to those to whom they were addressed.

BUT THE REMAINING 62 million pieces of mail were examined before being forwarded. Of this total, approximately 4 percent was determined to be constituted of foreign communist political propaganda.

In other words, in the period of slightly more than two years in which the screening law was in effect, about 2.5 million pieces of Communist "junk mail" were detected by our Postal and Customs units.

AS THE LAW was administered, the Post Office Department informed the addressees

that the Bureau of Customs had determined certain mailed matter to be Communist propaganda. The addressees were asked for their deliver instructions.

This kind of mail could only be delivered upon the addressee's request. In a special report I requested from the Post Office Department in the aftermath of the Supreme Court decision, I was informed that the addressees were about equally divided in wanting and not wanting delivery.

In deciding the Lamont case, the Supreme Court said: "The Act sets administrative officials aside the flow of mail to inspect it, appraise it, write the addressee about it, and await a response before dispatching the mail. . . . The addressee in order to receive his mail must request in writing that it be delivered."

THIS AMOUNTS in our judgment to an unconstitutional abridgment of the addressee's First Amendment rights. The point of the law on which the Supreme Court rested its decision was the request necessary from the addressee before his mail was delivered, not on the right of Customs to inspect mailed material.

Postal officials tell me that it is not necessary for addressees to accept delivery of Communist propaganda, although this material is no longer being screened upon entry to the United States. Under Postal regulations, I am advised, an addressee may refuse to accept any piece of mail.

HE MAY mark any mailed matter "Refused" and return it unopened. An addressee may request his postmaster to withhold from delivery for a period not to exceed two years any specifically described items of foreign printed matter. Unfortunately, the knowledge of these regulations is probably not widespread.

Efforts are going to be made in this 89th Congress by me and by others to find an alternative means by which to check the flow of Communist propa-

ganda brazenly being mailed to U. S. citizens. The matter is being discussed extensively in an attempt to find a solution achieving the objective of the 1962 Act.

Recent visitors include J. D. Kirkland and John Harper of Hereford.

Deal Named New Manager For Local Sears

Gene Deal began working in Hereford last week as the new manager of the Sears Catalogue Store replacing Lloyd Morse who was promoted to Sales Promotion Assistant for Sears.

Morse and his family will be moving to Nacogdoches where he will be working with members of the Sears chain in 14 cities in Louisiana and six stores in Texas.

Morse came to Hereford in December of last year. Deal, 25, is a graduate of New Mexico State University where he received a bachelor of science degree in agriculture.

Upon finishing college Deal entered the Sears manager training program for catalogue store managers. The Hereford store is his first assignment as manager. He has worked for Sears since 1959.

Deal and his wife Lorraine made their home in Hereford last week after returning from a Dallas meeting.

Gene Deal

High Plains Research Sets Field Day

High Plains Research Foundation has set the date for the Ninth Annual Field Day for Thursday, Sept. 9, 1965.

Activities for the day will begin at 1:00 p.m. with field tours of the farm to show the visitors the latest research done at Halfway. Guests will be able to ride over the plots on trucks equipped with benches for the comfort of those wishing to view the results.

Evening activities will begin with a free barbeque at 5:30 p.m. and the guest speaker will high light the program with the major address of the evening.

Any one interested in agriculture, or in the future of the economy of the High Plains, is invited to attend. Ladies are invited also.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 7 proposing an Amendment to the Constitution of the State of Texas providing for the exemption from local ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free medical and hospital care for the indigent within the State of Texas; providing for the necessary election, form of ballot, proclamation and publications.

PREAMBLE WHEREAS, The Legislature finds and declares that there is a need for the operation of hospitals by private charitable enterprises which will furnish free medical and/or hospital care for the indigent in Texas; and

WHEREAS, The operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent in Texas will add to the welfare and well-being of the State of Texas and its residents and citizens; and

WHEREAS, The need for the operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and

WHEREAS, It is found and declared to be the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. The Constitution of the State of Texas is amended hereby, by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reading as follows:

"2-A. The properties of any charitable trust or organization, if such trust or organization is dedicated to, and operates a hospital furnishing free hospital and/or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity, except by the State of Texas itself, provided:

"(1) such trust or organization has expended for hospital and/or medical care within the State of Texas, during the calendar year next preceding, a sum of not less than

One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

"(3) such trust or organization is exempt from United States income taxes;

"(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county having a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any taxing entity other than the State of Texas itself.

"This Amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

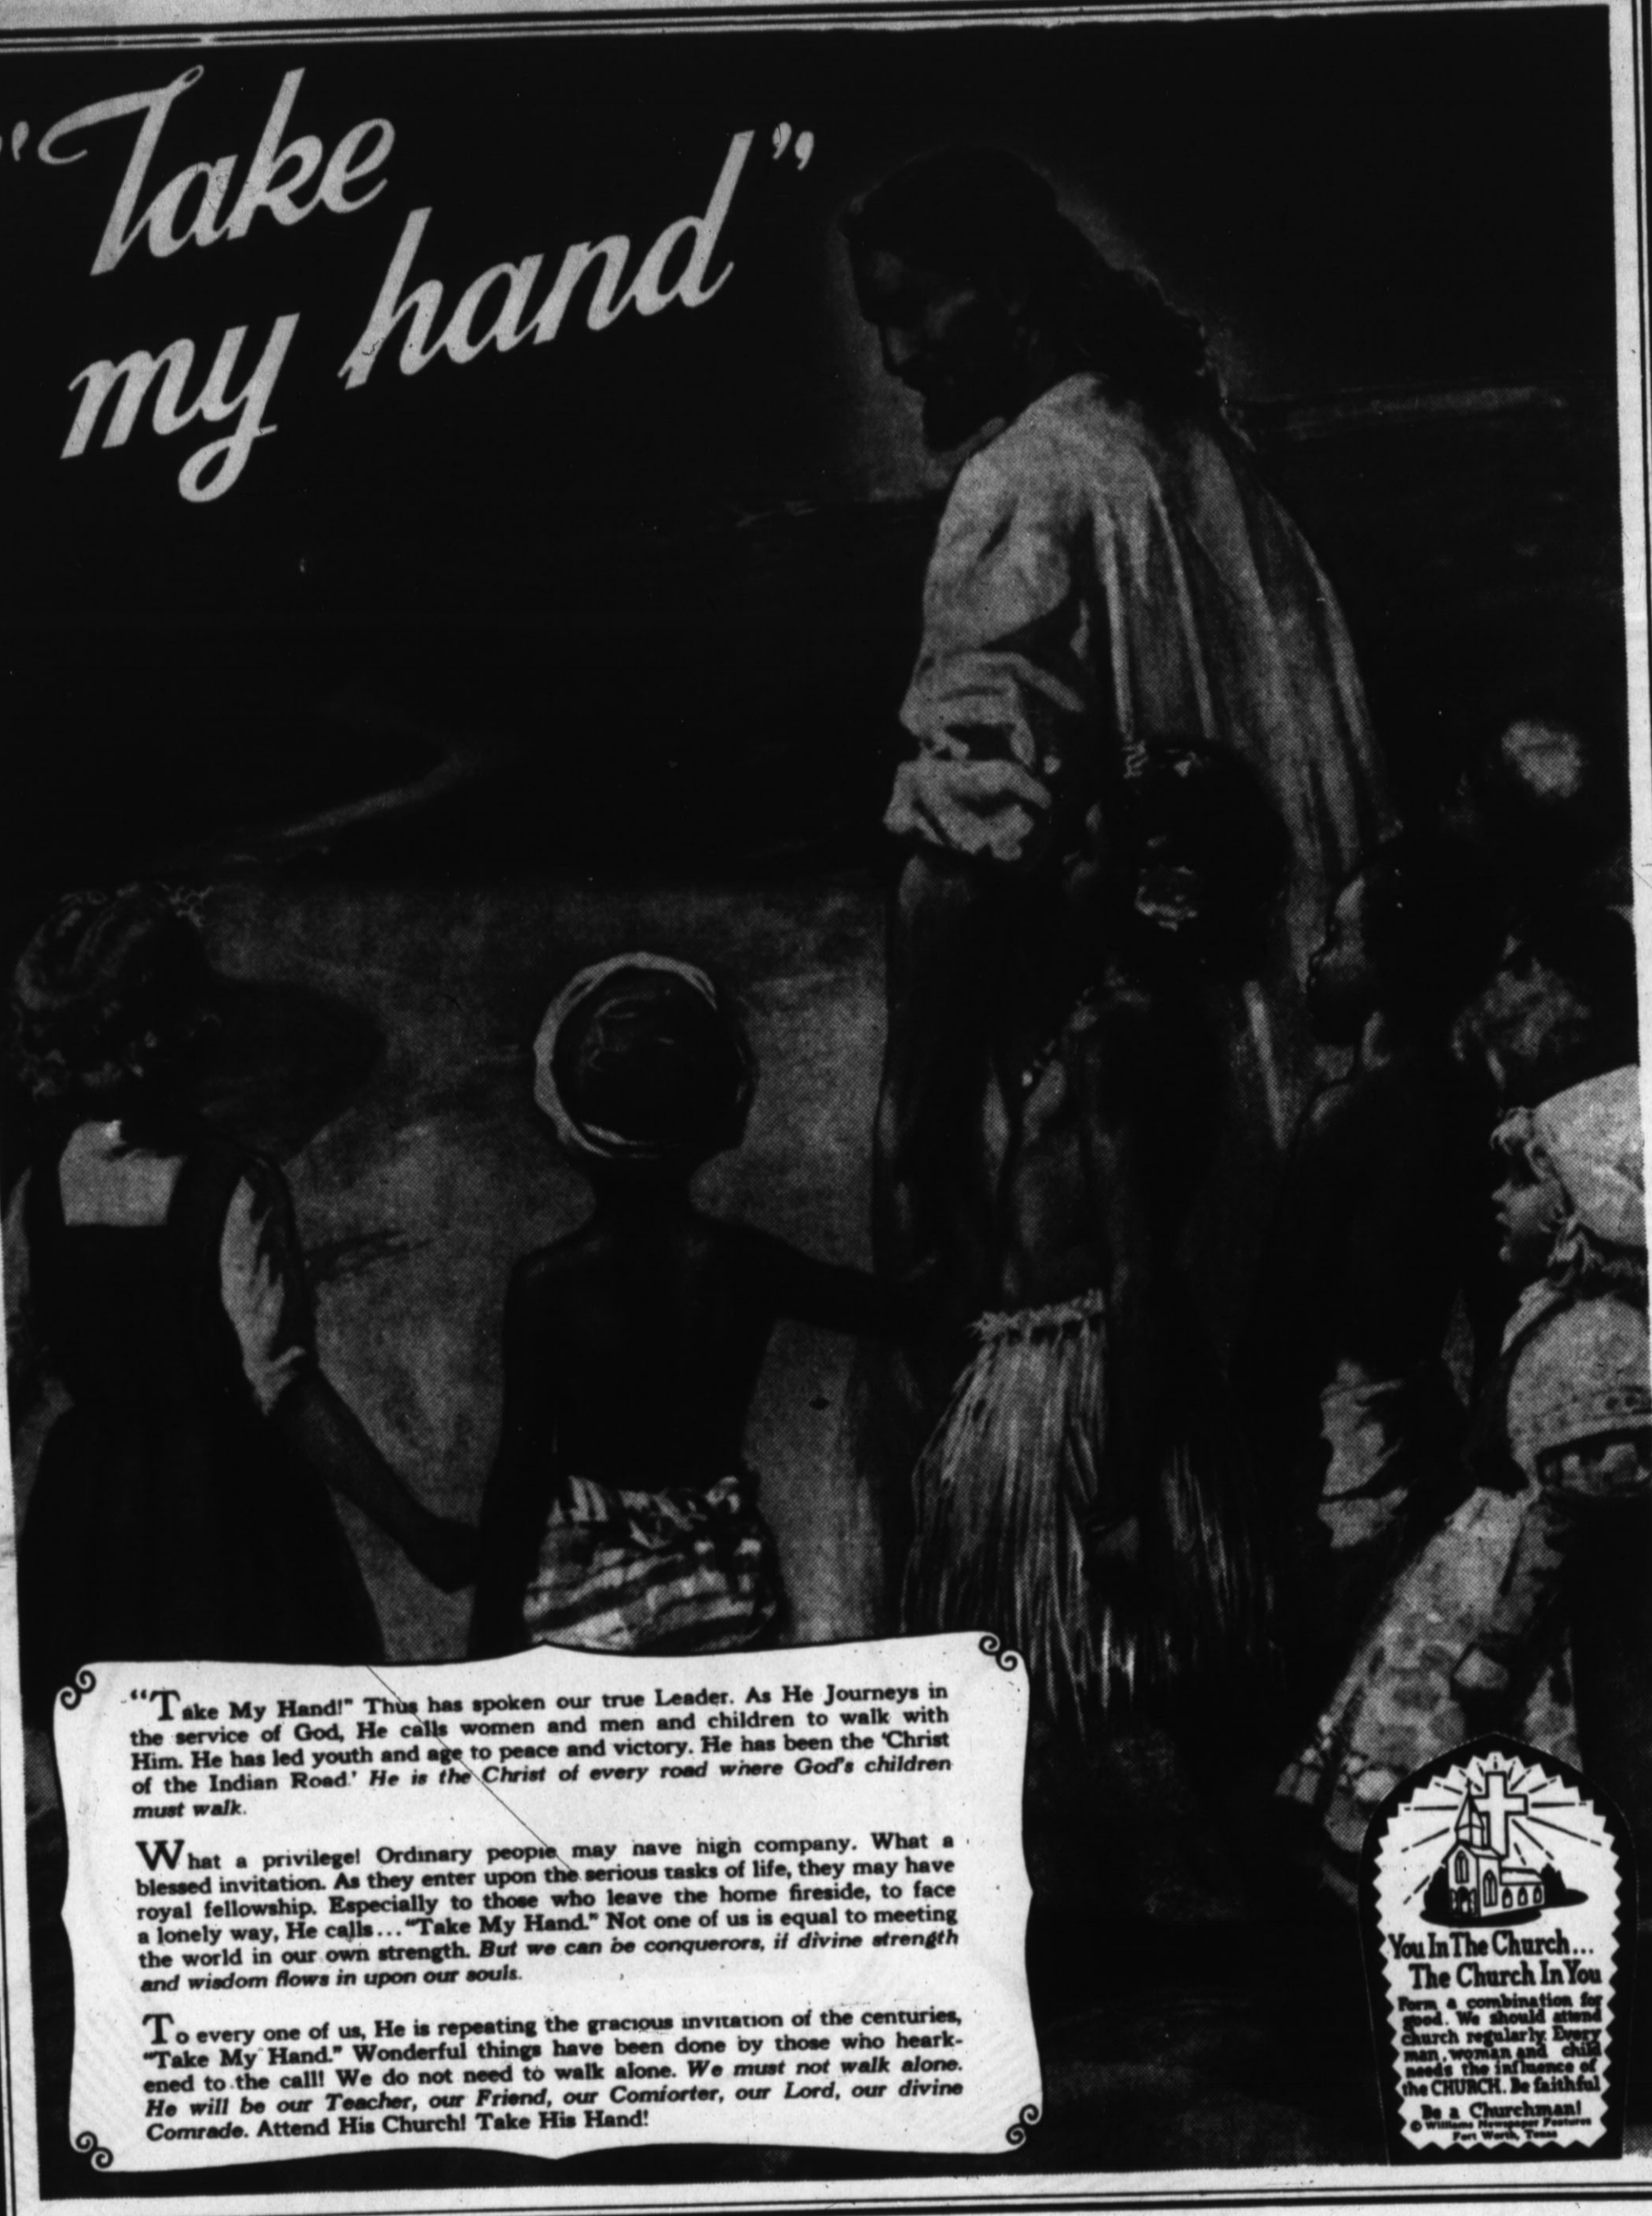

FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

AGAINST the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

FOR GOD SO LOVED THE WORLD

"Take my hand"

"Take My Hand!" Thus has spoken our true Leader. As He Journeys in the service of God, He calls women and men and children to walk with Him. He has led youth and age to peace and victory. He has been the 'Christ of the Indian Road.' He is the Christ of every road where God's children must walk.

What a privilege! Ordinary people may have high company. What a blessed invitation. As they enter upon the serious tasks of life, they may have royal fellowship. Especially to those who leave the home fireside, to face a lonely way, He calls... "Take My Hand." Not one of us is equal to meeting the world in our own strength. But we can be conquerors, if divine strength and wisdom flows in upon our souls.

To every one of us, He is repeating the gracious invitation of the centuries, "Take My Hand." Wonderful things have been done by those who hearkened to the call! We do not need to walk alone. We must not walk alone. He will be our Teacher, our Friend, our Comforter, our Lord, our divine Comrade. Attend His Church! Take His Hand!

RESEARCH AT HALFWAY

Danger Of Midge Exists In Area

Grain sorghum now in bloom over the High Plains is a reminder for farmers to be on guard against the sorghum midge. Past research at the High Plains Research Foundation shows that grain sorghum blooming after the first week in August may be in danger of severe damage by the sorghum midge.

Over-wintering of the sorghum midge can be reduced by leaving grain sorghum residue above the surface of the soil until about February. Two years' results show over-wintering was significantly controlled in 1963 and 1964. Even though a farmer followed the recommendation of the Foundation in over-wintering control, migration from

neighboring farms may cause a build-up and warrant control with insecticides.

IN A RECENT publication, scientist, Stanley Coppock, recommends the same procedures developed by the Foundation in control of over-wintering midge through proper residue management.

Loyd Langford, Associate Agronomist for the Foundation stated that normally an insecticide is needed that has the ability to kill in a short period of time and also a relatively long residual effect. Indications are that Trithion, Ethion, and Diazinon will be more effective against high infestations of the midge.

A LONG residual insecticide, such as Endrin, looks promising for control of low population. DDT has shown to be superior to other insecticides, but can be used only on seed production blocks and is not approved for commercial grain sorghum.

Two applications generally are necessary for good control. Applications should be spaced from four to seven days apart.

The adult sorghum midge is a tiny flying insect about the size of a gnat. It can be identified by its bright orange color. The female lives for only about 24 hours but can lay as many as 100 eggs, so rapid identification of the situation and immediate control are essential.

For more information, contact Loyd Langford, High Plains Research Foundation, Post Office Drawer 2300, Plainview, Texas, or TU 9-3641, Halfway.

Bob Farrington, 35, national harnessing champion three of the last four years, was a bricklayer until driving his first race in 1955.

When the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office.

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday following the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.

"AGAINST the Constitutional Amendment allowing an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives and allowing a per diem for Members of the Legislature not to exceed Twenty Dollars (\$20) per day for the 140 days of each Regular Session and 30 days of each Special Session.

Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 8 proposing an Amendment to Section 24, Article III and Section 17 of Article IV of the Constitution of the State of Texas, to allow an annual salary in an amount to be fixed by the Legislature for the Lieutenant Governor and for the Speaker of the House of Representatives, and increasing the per diem allowance of Members of the Legislature.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 24. Representatives shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. Senators shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year. The Lieutenant Governor and the Speaker of the House of Representatives shall receive from the Public Treasury a per diem of not exceeding Twenty Dollars (\$20) per day for the one hundred and forty (140) days of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days. This Amend-

ment shall be self-enacting and appropriations heretofore made in the General Appropriations Bill for the biennium ending August 31, 1967, for the salaries of the Lieutenant Governor and Speaker of the House of Representatives shall not be invalid because of the anticipatory nature of the legislation.

Sec. 2. That Section 17 of Article IV of the Constitution of the State of Texas be amended to read as follows: "Section 17. If, during the vacancy in the office of Governor, the Lieutenant Governor should die, resign, refuse to serve, or be removed from office, or be unable to serve; or if he shall be impeached or absent from the State, the President of the Senate, for the time being, shall, in like manner, administer the Government until he shall be succeeded by a Governor or Lieutenant Governor. The Lieutenant Governor shall, while he acts as President of the Senate, receive for his services an annual salary in an amount to be fixed by the Legislature, and the same mileage which shall be allowed to the Members of the Senate, and no more; and dur-

ing the time he administers the Government, as Governor, he shall receive in like manner the same compensation which the Governor would have received had he been employed in the duties of his office, and no more. The President, for the time being, of the Senate, shall, during the time he administers the Government, receive in like manner the same compensation, which the Governor would have received had he been employed in the duties of his office.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, to amend Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject therein to certain restrictions stated as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation thereto passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto to which shall read as follows: "Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operation of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities, supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness guaranteed in whole or in part by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions with respect to the administration of the Teacher Retirement System."

"AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions with respect to the administration of the Teacher Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

FISH SURE TO BITE
 PORT ELIZABETH, South Africa — Night-time anglers have found a spot to fish in

Port Elizabeth - the city's Oceanarium. Colin Taylor, the curator, has found several fish swimming around with hooks and pieces

of line hanging from their mouths. The pool which had found favor with the nocturnal fishermen was the Oceanarium's

small tank where specimens of salt water fish are kept. For some time the curator had been puzzled by the mysterious loss of several prize exhibits.

Police have established that people have been seen climbing up to the tank from the roof of an adjoining building, said Taylor.

45 YEARS A CHURCH ORGANIST

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10¢) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period:

- Arlington State College at Arlington
- Texas Technological College at Lubbock
- North Texas State University at Denton
- Lamar State College of Technology at Beaumont
- Texas College of Arts and Industries at Kingsville
- Texas Woman's University at Denton
- Texas Southern University at Houston
- Midwestern University at Wichita Falls
- University of Houston at Houston
- Pan American College at Edinburg
- East Texas State College at Commerce
- Sam Houston State Teachers College at Huntsville
- Southwest Texas State College at San Marcos
- West Texas State University at Canyon

Stephen F. Austin State College at Nacogdoches
 Sul Ross State College at Alpine
 Angelo State College at San Angelo.

"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning."

"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Tea-Shower Honors Bride-Elect

Miss Suzanne Higgins, bride-elect of Wallace Shelton Jr., was the honoree at a shower Saturday in the home of Mrs. Joe Carthel. Miss Higgins, daughter of Mr. and Mrs. Jack Higgins of Wildorado, is planning an August 27 wedding.

Shower hostesses with Mrs. Carthel were Mmes. Paul Cornett, Dewey Foster, Jimmy Gwyn, J. F. Mathews, Joe Gill of Canyon, Les Combs, Zelma Axe, H. D. Fowler, LaNoy Tooley of Dawn, Clarence McBroom and H. H. Miller of Dawn.

The decorated home with summer yard flowers with pink as the predominant color to match the pink crepe frock chosen by the honoree. Fashion-

ed with a fully gathered skirt, Miss Higgins' dress had a scoop neckline and brief sleeves. Her corsage was of white blossoms.

The refreshment table cover was of lace over a pink cloth and the centerpiece of pink flowers. Cake and pink punch were served. Misses Kyla Higgins and Leta Gill assisted the hostesses in greeting callers at the informal tea, and in serving refreshments.

COWARD IN CAMEO ROLE
 LONDON — Noel Coward makes one of his brief movie appearances playing a cameo role in the movie "Bunny Lake Is Missing" now being shot in London. He plays a grubby landlord. "I took it because the part amuses me," said Coward. "But don't think I raise my aristocratic nose at the thought of a few thousand dollars too."

ATTORNEY GENERAL ISSUES OPINIONS

State Offices Switch Locations In Austin

By VERN SANFORD
Texas Press Association

AUSTIN - State offices are playing a game of musical chairs.

Better make note of these departmental moves that have just taken place, are now being made or will be completed this month:

- Teacher Retirement System of Texas has moved from the fourth floor of the Sam Houston State Office Building, formerly State Office Building No. 1, to the third floor of the Lowich Building.

- Texas' new Coordinating Board of Higher Education soon will occupy the entire sixth floor of the Sam Houston State Office Building.

- PARKS Division of the Texas Parks & Wildlife Department moves out of the Sam Houston Building - into the newly acquired American Legion Building - to make room for the Board of Higher Education.

- State Building Commission will move from the Reagan State Office Building (State Office Building No. 2) into the west wing of the Sam Houston Building.

- Texas Tourist Development Agency, now in the Sam Houston Building, will move into offices in the Reagan Building vacated by the Building Commission.

- State Water Commission will move from the American Legion Building into the east wing of the Sam Houston Building.

AG OPINIONS
Atty. Gen. Waggoner Carr reached these conclusions in official rulings:

- City employees installing rest room facilities in municipal parks must be paid the prevailing wage rate.

- BOARD of Pardons and Paroles has no authority to recommend, and the governor no power to grant, a posthumous full pardon to a deceased convicted felon on application of a relative or other interested party.

- An act authorizing Grayson County Commissioners Court to appoint a juvenile officer and assistant is unconstitutional as a "local and special" law.

- State employees can collect \$12 a day travel allowance if staying at regular public lodgings, but only \$7 if they stay on military installations or at educational or eleemosynary institutions.

APPOINTMENTS
Governor Connally has named Judge James Ellis of Lubbock's County Court at Law as judge of the new 137th District Court in Lubbock County.

Lt. Governor Preston Smith appointed to the interim committee on state and local tax policy Sens. Galloway Calhoun Jr. of Tyler, David Radloff of Stamford and Jack Strong of Longview. On the committee for

restoration of the flag of Santa Anna, he placed Sens. Dorsey B. Hardeman of San Angelo and Charles Herring of Austin.

HOUSE Speaker Ben Barnes members of a committee to study the problem of salt pollution of underground and surface water of inland areas and recommend legislation that's needed. They are former Congressmen Joe Kilgore of Austin, former Smith County Judge Harry Loftis of Tyler, Charles P. McGaha of Wichita Falls, Runnels County Judge W. H. Rappy and former Atty. Gen. John Ben Shepperd of Odessa.

Barnes named Reps. G. F. Mutscher of Brenham and Maurice S. Pipkin of Brownsville to the Legislative Budget Board. Reps. W. S. Healy of Paducah and Ben Atwell of Dallas automatically are budget board members since they are chairmen of appropriations and revenue and taxation committees of the House.

Earlier Barnes picked a committee composed of Reps. Roger Thurmond Jr. of Del Rio, Bill Rapp of Raymondville, John E. Blaine of El Paso, Dick McKissack of Dallas and Jack McLaughlin of Fort Worth to study the Texas liquor control act.

ANTI-POVERTY PROJECTS OKAYED
Three more Community Action programs and four additional Neighborhood Youth Corps applications have been approved by Governor Connally.

Community Action projects in Houston, San Antonio and Mercedes carry federal grants totaling more than \$2,000,000.

NYC grants of \$155,040 will permit employment of 393 students in Luling, Anderson County, San Jacinto County and Trinity County.

CHEMICAL PLANT AT DIBOLL
Borden Chemical Company has purchased a 100-acre site at Diboll on which to construct a synthetic resins plant, Governor Connally announces.

An initial \$1,000,000 expenditure is contemplated. Company reportedly will market resins in East Texas for such applications as plywood and particle board adhesives and foundry core binders.

SELECTION OF Diboll for the new plant site attests to the growth of and prospects for the southern pine plywood industry in Texas, said Connally.

INTERCOASTAL CANAL DILEMA
Joe Moore has a \$400,000 problem and, so far, no solution.

Moore, a member of Gov. Connally's staff, is trying to find a way to allow Texas to live up to its commitment made by Gov. Allen Shivers exactly 10 years ago.

In August of 1955, Governor Shivers gave the state's endorsement to a proposal for the widening and deepening of the mouth of the Sabine River to just south of the Brazoria

County line across West Bay.

HE ASSURED the U. S. Army Corps of Engineers that local sponsors would meet the cost of the right-of-way so that the canal could be widened to 140 feet from 125 feet.

"All that was needed to keep the project going in 1955 was the state's commitment," Moore said. "There was no need to produce the right-of-way money then. But there is now, if we're not going to lose the project. The state has at least a moral commitment to aid in getting local sponsors."

Although no firm figures are available, Moore believes acquisition of right-of-way for the Chambers and Galveston Counties would cost about \$400,000. The federal government's cost of widening and deepening the waterway is expected to be in excess of \$6,000,000.

Completion of the project would open the channel to Mississippi River barges.

TRAIN LAKES
Changing times were reflected in three recent actions of the Texas Water Commission.

Actions amend West Texas Water permits at the request of the Gulf, Colorado and Santa Fe Railway Company.

Company built three lakes years ago - in Nolan, Lampasas and Mills Counties - so that their steam-boiler engines would have water supplies.

PERMISSION to use the lakes for recreational purposes now has been granted, since today nearly all engines are diesel and don't need water.

Nolan County's lake also will provide irrigation water for the Sweetwater Country Club.

SHORT SNORTS
Texas Railroad Commission has ordered its staff to devise tests for oil fields over the state similar to those used in East Texas.

Texas Parks and Wildlife Department will send hunting and fishing licenses to 2,500 dealers earlier this year to avoid the usual last-minute scramble.

Detailed hunting and fishing regulations for key areas now are available from the Parks and Wildlife Department.

Texas Railroad Commission is hearing opponents of an application to approve lower interstate rates on mixed shipments of interstate and intrastate products. Truck lines oppose the practice long followed by railroads.

CIGARETTE tax receipts increased \$280,118 in July over the same month in 1964, but liquor stamp sales dropped off \$108,182 and wine stamp receipts declined \$53,458, according to Comptroller Robert S. Calvert.

Charles H. Huff of Austin is the new executive secretary of the Texas Veterinary Medical Association.

State Auditor reports that as of August 31 last year the

University of Texas system held investments worth nearly \$463,000,000.

Fourteen Texas cities have filed applications to participate in the Texas Aid Airport Program, which will have \$200,000 to spend during the coming fiscal year. They include Brownwood, Caldwell, Clarksville, Comanche, El Campo, Floydada, Gatesville, Hallettsville, Hearne, Jacksboro, Lampasas, Paducah, Pineland and Post.

Attorney General Carr says his office will sponsor a series of 14 regional seminars over the state to acquaint law officers with the new Texas Code of Criminal Procedure and recent US Supreme Court decisions pertaining to criminal laws.

Governor Connally tentatively is planning to go to Japan on October 20 with a group of Governors participating in an exchange program sponsored by the Japanese government and the US State Department. A Viet Nam side trip still is uncertain.

Texas League of Women Voters has issued the first of

two Guides that will be published relative to this year's Constitutional Amendments.

Indications are that more than the initially predicted 1,000 youths will participate in the Attorney General's Youth Conference on Crime to be held in Austin on August 19-22.

Texas draft boards will be inducing a "considerable number" of 19-year-olds by fall, if draft calls remain high, according to Col. Morris S. Schwartz, state Selective Service director.

Amended September quota for Texas is 1,459 men; estimated October call, 1,790. This compares with recent monthly quotas of 700 to 900. Schwartz said that mostly 21-year-olds will be called in August.

Business outlook is bright for the last half of 1965, according to UT's Bureau of Business Research. On the basis of reports from 20 cities, the Bureau found business activity 13 per cent better for the first six months this year than January-June, 1964, and saw "nothing to dim prospects of continued prosperity" for the rest of 1965.

BELL TOWER CRUMBLING

CANTERBURY, England - The famed 15th Century Bell Harry Tower of Canterbury Cathedral is crumbling away after five centuries of the harsh English climate.

Experts say the sensitive stone from Caen in Normandy which was used for main fabric

has seriously eroded. Each damaged stone must be removed and replaced during restoration.

Cost of the job, which may take seven years, is set at 45,000 pounds (\$128,000). The Friends of Canterbury Cathedral have underwritten 15,000 pounds (\$42,000) of that total and have launched an appeal for more.

Meanwhile, four more of the 13th Century cloister bays have been restored and will be dedicated at the Friends of the Cathedral's festival day June 18. One of the bays, paid for by American funds under the Margaret Babington Memorial Fund, will be unveiled by U. S. Ambassador David Bruce.

A Salute to a growing city...

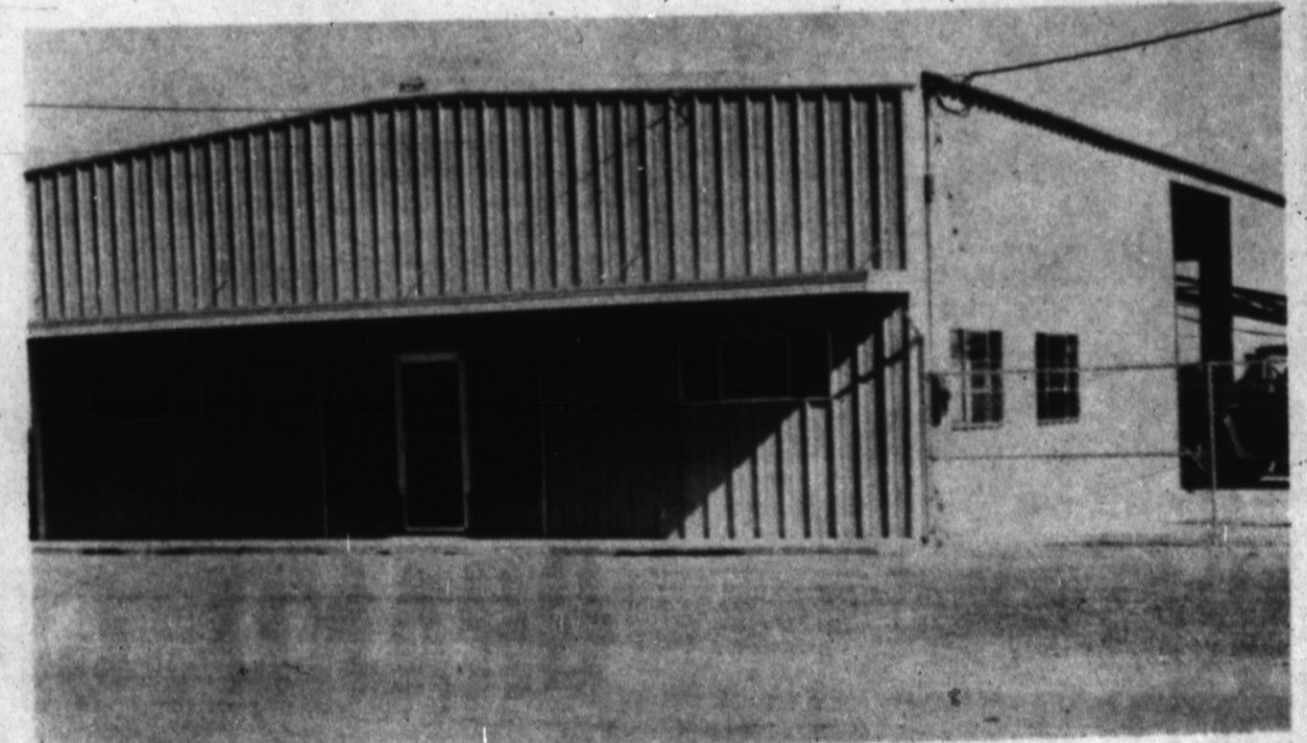

CONGRATULATIONS

The
Caison
House

- and -

Clowe
and
Cowan,
Inc.

It'll be a busy weekend in Hereford. And may we be the first to add our Congratulations to the folks at Clowe and Cowan, Inc. and the Caison House . . . two forward looking businesses that have seen the need for expansion in a growing community. Best Wishes to each for continued success.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the form of the election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."

Sec. 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all

suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Sec. 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years and until his successor is qualified; receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the state during his continuance in office, and perform such duties as are or may be required by law. They and the Secretary of State shall not

receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this Section or in his office, shall be paid, when received, into the State Treasury."

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

"AGAINST the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Sec. 5. Nothing contained in this Resolution shall be construed so as to extend the term of office of any officeholder previously elected to a two-year term.

Sec. 6. The Governor shall issue the necessary Proclamation for the said election, and have the same published as required by the Constitution and laws of this state.

We Invite You to view the exquisite beauty of

The Calson House

Friday and Saturday as we celebrate our

GRAND OPENING

From the lovely (and practical) tile in our coffee shop (imported from Mexico), to the exotic dining room chandelier shipped from West Germany, the all new Calson House is beyond description. The beauty of the magnificent red drapes, the exciting upholstered chairs,—leave you breathless as you enter the superb Calson House dining room. Truly a work of art the atmosphere of the plush dining

room allows for the ultimate in restful, relaxed dining. Topped-off, of course, by the delightfully delicious meals prepared by our chef. Won't you come by this weekend—Friday and Saturday—enjoy dining with us, and while you're here, be sure to register for the multitude of Free Gifts to be given away. It will be our pleasure to serve you.
