Raises Given County Employees

Workers, Officials Salaries Up Jan. 1

By MELVIN YOUNG
Staff Writer

An almost across-the-board salary increase for county employees and elected officials was approved by county commissioners here Monday.

Raises for those on the county's payroll become effective Jan. 1, 1966, with wage increases ranging from \$10 to \$75 monthly.

Almost all county employees were included in the sweeping salary raise, excluding only part time workers and a few who either had recently received promotions or were job beginners. Of the latter, most will receive higher pay after a minimum length of service.

In other business the county court:

— Set a tentative figure of \$15,000 for the county's share of remodeling the Bull Barn.

— Approved payment of bills and monthly departmental reports.

— Approved the hiring of Mrs. Jean Terry Kennedy, 231 Star, as secretary for the county extension offices.

— Ordered signs for the new parking lot north of the courthouse.

— And approved an "error and omissions" bond for the county clerk.

In making the final approval on the salary schedule for 1966 the commission pointed out that county employees as a whole had not received a raise in three years and felt that increased living costs demanded an increase in salary.

The new annual salary schedule effective Jan. 1st is:

Sheriff, \$7,000; two deputies \$4,400 each; two deputies at \$4,800 each; one part time deputy (labor camp), \$1,320; dispatchers ranging from \$1,200 to \$3,240.

Justice of the Peace, \$3,900; Head custodian, \$5,700; assistant, \$4,500.

County Judge, \$7,200; secretary \$3,900.

Tax Assessor-Collector, \$6,840; tax consultant, \$5,400; chief clerk, \$3,900; clerk \$3,600.

County clerk, \$6,600; chief clerk \$3,900; clerk, \$3,600.

Board Members Plan For Drive

The Deaf Smith County United Fund board of directors met in the First National Bank Community Room Tuesday morning at 10 a. m. to formulate final plans for the fall United Fund Drive.

THE REASON for calling this meeting, said UF President Clint Formby, is to try to involve all board members in the coming year.

Dale Young, publicity chairman outlined plans for publicizing the drive, and told the board members we are now minus 18 and still counting. Eighteen days remain before the opening day of the drive.

Young further commented that "With the talent and energy we have on this board, we're bound to make our goal."

He also outlined plans for Hereford's first demonstration, not for civil rights, but in behalf of the United Fund campaign.

Ed Skypala, drive chairman, also made a progress report to the board and outlined further plans for the actual drive.

Skypala told of plans to recognize all 100 percent firms those firms who have 100 percent contributions from employees, and urged local business firms to give employees who are working on the fund drive an afternoon or morning off to more quickly complete the 1965 campaign.

Recognition will be given to 100 percent firms through a sign placed at a conspicuous downtown location, and through the Hereford Brand and over Radio Station KPAN.

The 1965 United Fund goal is \$30,160. The organization encompasses nine agencies. Kick-off day, or United Fund drive Oct. 1)

REGARDING MARRIED STUDENTS, AUTOS

School Adopts Policy Changes

Many Items Discussed By Board In Marathon

Meeting in regular session Tuesday night, the Hereford Independent School District Board of Trustees discussed a variety of subjects but took little action in a session which continued until the early hours of Wednesday morning.

The group put an official okay to most of the requests submitted by Supt. Johnny Clark Jr., including the endorsement of some policy changes for the school.

Included in policy changes were modification of rules regarding married students, use of autos by students, and students leaving school campuses during the noon period.

Also approved during the long board session — which was adjourned just before 3 a.m. Wednesday — was the hiring of eight additional teachers and the acceptance of two resignations.

On school policy changes, the board voted unanimously to accept the recommendations of Clark. The approved changes were as follows:

— Section X, 12a, pertaining to regulation of student parking was deleted from the school regulations. The rule, Clark told the board, was not applicable since the school did not maintain a manned parking lot for students.

— Section X, 13b which reads "It is further stipulated that the student who has married and desires to remain in school shall appear before the superintendent for a briefing concerning policies on married students. Clark recommended the work "superintendent" be changed to "principal", since the principal has closer contact with students.

— Section X, 15a, which prohibits students from driving automobiles from one class to another was changed to allow student use of their cars to go to and from the football field and golf course.

— Section X, 16f, pertaining to students on probation was modified to allow these students (placed on probation by the local courts) to participate in athletics, school programs and activities with special administrative permission.

— Section X 15b under the heading of "Use of Cars" will be modified to restrict all students to the campus during the regular school day, unless those students have written permission from their parents or guardians.

This modification, according to the local school authorities, See SCHOOL Page 2

Hereford High's Size Remains Below AAAA

It will be two years at least before Hereford High School makes the jump to class AAAA University-Interscholastic League classification.

As record high enrollments were announced for Hereford Public Schools, it was pointed out to the Brand this week that the increase will not show in the high school's UIL classification for some time to come.

A record 958 students were enrolled at high school this week.

Supt. Johnny Clark Jr. said that present UIL rulings call for an average enrollment of 975 students in grades nine through 12 for two successive years before a school is classified AAAA.

PART I: WHERE THE UF DOLLAR GOES

It Helps Stamp Out TV

(Editor's Note: Following is the first of a series of articles describing work of the nine member agencies of the Deaf Smith County United Fund, which launches its annual drive Oct. 1.)

There would be a lot more television fans in Hereford during the summer if it weren't for the United Fund.

That is...two member agencies of the United Fund undoubtedly bring down TV show ratings here during the early summer.

After all, who wants to watch

ONE 1/100th OF THE LEAGUE—Glen McQueary, Gary Neff, and Jerry Ward (from bottom top) represent less than one percent of the 320 boys who participated in Little League here last year. (Staff Photo)

television if you are between the ages of eight and 14 years old and baseball season is in

full swing. ASK ANY of the 450 youngsters who participated in Hereford's Little League and Pony League last summer and they'll tell you.

About the only rating they were worried about was their team's league standings.

To prove the theory, the Brand asked a group of Little Leaguers what they thought about the organization, which is supported by United Fund contributions.

AND, ALL replied it was the "most fun thing to do in the summertime," as ten-year-old Jerry Ward put it.

"There wouldn't be much to do except stay home and watch television if we didn't have the Little League," he asserted on behalf of his fellow baseball players.

"AND BESIDES, it lets you learn sportsmanship," he added.

Rocky Andrews, also age 10 agreed, "and if I couldn't be in Little League I would probably have to be home driving the tractor," he laughed.

"I like it because you can learn how to play the positions," said Luther Mays, age 11. "It's more fun than riding around on a bike or something."

And Johnny Worthan, 10, averred that "it's fun to play against all the teams."

Gary Neff, 10, was another

CORRECTION

SETS NEW RECORD

5,038 Students Enroll In Schools

Hereford Public School enrollment rose to a new high this week, but seemed to be leveling off after two full weeks of the 1965 fall term.

Total Hereford Independent School District enrollment now stands at 4,239, up 342 over the same period last year. A check with other Deaf Smith County schools, including Walcott, St. Joseph's Parochial and St. Anthony's Parochial indicated the total student count to be 5,038.

HEREFORD HIGH School topped the list with 958 students, while Stanton Junior High trailed close behind with a count of 765. Elementary schools enrollment by schools was:

Aikman Elementary, 494; Bluebonnet, 571; Central, 421; Shirley, 479; and Northwest, 551.

St. Joseph's Catholic School at the Labor Camp had enrolled 391. The enrollment figure at St. Anthony's was 300.

ENROLLMENT at Walcott Common School District hit an all time high this week, according to a report by J. G. Hobson, principal of the western Deaf Smith County facility.

As of Tuesday, 108 students had been enrolled, falling slightly short of the 115 anticipated earlier.

Average daily attendance is 105. The Walcott school includes the first eight grades. High School students from the area transfer to Hereford and Adrian high schools.

394 CAST VOTES

Committeemen Named Monday

Deaf Smith County Agricultural Stabilization and Conservation Service community committeemen were elected in balloting here last week.

Five committees consisting of five men each were selected by voters. Results of the election were tabulated Monday in the ASCS office.

A TOTAL of 394 votes were cast in the election, a number slightly lower than the number of ballots cast in the last previous election, according to Faust Collier, ASCS office manager.

The annual county convention to elect the ASCS county committee will be held Wednesday, Sept. 22, Collier said.

THE MEETING, which is open to the public, will get underway at 7:30 p.m. in the ASCS office.

Balloting in the community committeemen election saw a tie between R. L. Pinnell and C. F. Homfeld for the post of vice-chairman in community D. This race will also be decided at the Sept. 22 meeting, Collier said.

Following are committee members elected Monday.

Community A—A. J. Bezner, chairman; Melvin May, vice-chairman; Clyde Russell, member; T. J. Parson, first alternate; and V. P. Walker, second alternate.

BY LIONS, COUNTY

Redesign Of Bull Barn Set

A proposed \$34,000 Bull Barn remodeling plan felt the ax Monday as Deaf Smith County commissioners sliced off the fat and finally voted tentative approval of \$15,000 in county funds for the project.

The Hereford Lion's Club has offered \$6000 towards the remodeling expense, which would bring the total to \$21,000. Plans call for the remodeling of the west end of the county Bull Barn, making it desirable for use as a banquet hall.

AN ESTIMATE submitted by Brasher, Goyette and Rapier, Lubbock - based architectural firm called for new entrance and vestibule, \$4000 new acoustical ceiling, \$4,000; painting, \$3,000; wainscoting, \$3,500 folding partition and end partitions, \$3000 new public address system, \$1200 reroofing, \$6000 and treating of the concrete floor \$1,000.

The acoustical ceiling was first to fall by the wayside,

since construction of the building did not allow for the additional weight.

Both contractor and architect were hesitant to recommend this phase of the remodeling program due to the fact that the 100 ft. ceiling trusses have no supporting pillars in the middle.

ALTHOUGH the commissioners were cool to some parts of the plan, it appeared that all were interested in some modernization. The barn was built in 1957 and has been used for various local activities since that time. Need for additional and larger banquet facilities however, has prompted the court to explore the possibility of remodeling the west end of the massive building for this purpose.

Marcus Latham, commissioner of Pct. 2, told the court that "We need to look at this from the standpoint of whether it's

goal for the county," while Commissioner Bruce Coleman Pct. 3, urged caution in obligating too many county funds.

"We've come through a boom period," he said, "and may have some readjustments to make—we may have more businesses than business, and we shouldn't over obligate the county for something we can do without."

The present building was constructed in 1957, and has since had a concession room and kitchen built into the west end, insulation applied to the ceiling, and air conditioning units installed.

"I THINK the remodeled building would be an asset to the county," Commissioner Holt told the court. "We're growing and need a bigger dining hall."

One commissioner however, expressed the opinion that even remodeled, the Bull Barn would still just be a "glorified Bull Barn."

"Why spend \$30,00 on a Bull Barn" Hicks, Pct. 4 said "when in a few years we're going to need an auditorium."

Gone Fooks, minister of Central Church of Christ, also met with the commissioners court. He was representing the Chamber of Commerce which is interested in the remodeling due to present crowded banquet facilities. The annual chamber banquet, held at the High School gymnasium is reputed to be one of the largest in Texas.

The Hereford Lion's club, getting ready for a district conference in Hereford early next year, has offered a gift of \$8,000 towards the remodeling.

Although other private funds will be solicited, commissioners are proceeding cautiously into the preliminary planning stage. Some of the original remodeling they said, could be done at a later date if additional funds became available.

SOME 200 MADE THE TOUR — Two hundred farmers and county residents attended at least a part of the Deaf Smith County Farms Tour Tuesday afternoon. Tour members began the trip at 1 p. m. and made nine stops, seeing demonstrations of chemical weed control and farm equipment. (Staff Photo)

200 Attend Crops Tour In County

Some 200 area residents turned out Tuesday afternoon in 88 degree weather to attend the Deaf Smith County Crops Tour. Tour members made nine stops during the trip through the more scenic parts of Deaf Smith County. At each stop, tour members either heard a discussion or were given a demonstration. EVERYTHING from chemical weed control in soybeans and grain sorghums to a farm equipment demonstration was seen by those making the tour. Featured speakers for the event were Dr. Kenneth Porter and Dr. Allen Wiese, who are both stationed at the agricultural experimental farm at Bushland. One of the more interesting stops on the tour was a field which was interplanted with grain sorghum and cotton. The grain sorghum had been watered twice and the cotton had not been watered, yet the cotton showed no signs of drought. The tour was sponsored jointly by the County Crops Committee and the Tierra Blanca Soil Conservation District.

DKG Unit Entertained By Hereford Members

Two programs were telescoped at a meeting of Delta Xi Chapter, Delta Kappa Gamma, in Hereford Community Center Saturday. The program slated for October was combined with the September program because a regional conference will be held on the usual meeting date next month. It will be in Dimmitt Oct. 9, beginning at 9:30 a. m. Chapters from a number of West Texas counties will be represented. Hereford members were hostesses Saturday for a salad luncheon with Mrs. C. A. Morris and Mrs. Fritz Christman as co-chairmen of arrangements. Miss Hazel Merritt of Dimmitt, chapter president, directed a business session. Transfer of Mrs. Ruth Wooten's membership from Vinita, Okla. was accepted. Mrs. Pearl Adamson, now living in Kansas City, was granted transfer of membership to an Oklahoma chapter. Conventions of last summer were reported. Mrs. W. T. Legg and Mrs. Merlin Kaul told of the southwest regional meeting they attended and other reports were of state and international conventions. Committee revisions were announced and members were urged to study provision of pending legislation concerned with education.

Mrs. A. G. Ratcliff and Mrs. Legg discussed the October program subject, Creative Individuals and Their Value to Society. Miss Lucille Park led group singing of DKG songs. Roll call topic was My Efforts Toward Self-Improvement. In addition to those mentioned, Hereford members present were Mmes. H. V. Crawford, Wallace Combest, Caudie Ola Brown, Fay Holt, Kent Snare, Opal Bookout, Charles Bell, Claude McDougal, Eleanor Hudspeath, Sam Ratcliff, V. P. Walker, J. D. Neill, Fred Welch; Miss Della Stagner and Erma Walker.

(Continued from Page 1)
will prohibit students from crossing the street to eat at snack shops located near the schools, unless those students have written permission from their parents or guardians to do so. Many high school students now eat at nearby hamburger and sandwich shops. The trustees also heard reports concerning the tuition charge of transfers from Walcott Common School District, discussed current enrollment, heard a report concerning the lunchroom program, discussed transportation problems and approved the new tax roll presented by Tax Assessor-Collector Orpha Click. Total valuation of the new tax rolls, according to the school assessor-collector, now stands at \$58,999,010, with total dollar revenue for the coming year, based on 100 per cent collection, being \$1,091,393.24. Normal percentage averages around 95-96 percent before allowances for discounts. Total valuation for the coming year exceeds the present budget according to Click, which leaves the school district in a more favorable financial position than they have enjoyed for a number of years. The school board accepted the resignations of Carolyn Walker and Velda Jean Oberst, who had accepted similar positions in Amarillo and Lubbock, respectively, and approved contracts for Dottie S. Darden (Aikman Elementary); Audine Dieter (1/2 time Northwest Elementary); Jill Newton (Physical Education, High School); Jennie B. Terrell, (Central - Special Education); Byron Terrell (Teacher - Coordinator Special Education); Nancy Walker (English Social Studies - Junior High); Estelle Wiley (Special Education - Bluebonnet); and Douglas Morris (Jr. High Choir). They also approved the payment of bills and discussed routine school matters. Visitors at the board meeting included G. V. Hall, Willis Duggan and J. V. Perrin, all members of the Walcott School Board; J. G. Hobson, principal of the Walcott school and Clarence Morrison, a member of the county board.

United ... (Continued from Page 1) one who said that — were it not for the Little League — he would be "sitting around watching television" during the summer. LITTLE LEAGUE is earmarked to receive \$2,205.58 from the United Fund budget next year. And Pony League (for boys aged 13 and 14) is allocated \$2,100 in the UF budget. BUT THE 350 boys who participate in Little League and the 90 Pony League players will not receive the budgeted amount if the UF goal of \$30,000 is not reached. Little League president Art McQueary pointed out that there are eight major league and eight minor league teams in Little League, each with 15 or more boys on the team. EQUIPPING the teams with uniforms and the other needed items accounts for the league's biggest expenses, McQueary pointed out. The same holds true in Pony League, where there are six teams of 15 boys each, according to Pony League president Abe Davis. THE TWO leagues are mem-

bers of national organizations and adhere to rules and standards designated by the national groups in order to compete with leagues in other towns. In addition to being supplied with all equipment required for the summer baseball program with the exception of shoes and gloves, members of Little League and Pony League are insured by the leagues. But, the ball players said, their biggest reward is the "fun of the baseball games" made possible by contributions to the United Fund. Opportunity ... (Continued from Page 1) chieve a college education. "THE PROGRAM is not limited to 'scholarship' ability students," Morris continued, explaining that the goal of Opportunity Plan "is to aid students who desire a college education enough to work for it." Students who would not qualify for note loans from banks and other financial institutions often find aid from Opportunity Plan, Morris said. At the present time, Deaf Smith County students owe the plan a total of \$19,630. A TOTAL of 55 county students have borrowed \$47,000 from the plan since its inception. Students who utilize the plan participate in the program's Perpetual Fund by contributing to the fund in order that students who follow them may utilize the plan. Opportunity Plan students have placed a total of \$32,000 in the Perpetual Fund during the 10 years. FUNDS granted the program by the Jim Hill Estate are earmarked for students from this area. It was pointed out that Morris originated Opportunity Plan and has served as its executive vice president throughout its history. In addition to supplying loans from funds granted to Oppor-

LUCKY SEVEN LOUISVILLE (S) — The number 'seven' just turns up naturally for veteran real estate man C. Robert Peter. He's 77 and his birthday is on the seventh day of the seventh month. On that anniversary recently, he was guest at a dinner where the guests numbered twice seven. Among them were seven grandchildren and great-grandchildren. Peter, who graduated from high school in 1907, figures it all started a generation back. His father was the seventh child in his family. tunity Plan, Morris also aids students by arranging reduced-rate loans from other financial institutions in the area. He pointed out that both Hereford banks have cooperated in this portion of the program.

AAAA ... (Continued from Page 1) However, it has been indicated that this class border one may be upped to 1,000 or more in the new future. Schools are reclassified each two years and Hereford will not qualify for AAAA ratings this year, Clark said. IT WOULD take an unforeseen increase during the next two years to move Hereford into AAAA brackets three years from now, Clark added. Dumas, it was pointed out, has a current high school enrollment of about 1,025 students and may advance into the higher class before Hereford. Hereford has been in District 1-AAA since 1956.

LET'S COOK SOMETHING

Game Makes Choice Dish

By SUE COLEMAN
Women's Editor

Hunting season means new problems for some sportsmen's wives, who insist that game cookery is outside a housewife's province, but Mrs. Emmett Milburn believes that she can cook any game her husband and son Nick kill, and furthermore that she can make it appetizing.

Since both men in her family are avid hunters, she has practiced for years and has developed a skill in preparing game for the table that earns highest praise from friends who are invited to share it.

When a woman says she doesn't like to cook game because she doesn't like to eat it, Mrs. Milburn offers to share her method of removing the "wild taste" which she says is the main barrier to appreciation of its flavor. Properly prepared, she adds, deer or antelope steak tastes much like choice beefsteak, and who objects to that flavor?

The same method can be used for dove or for prairie chicken, which has a very pronounced "wild taste". Quail, pheasant and wild turkey do not need the treatment.

The method is the same whether fresh or frozen meat is being used, and it tenderizes the meat as well as improving the flavor. For a quantity equivalent to four steaks, Mrs. Milburn mixes a quart of water with two tablespoons vinegar, a heaping teaspoon of salt and

a pinch of soda. Cover the meat with this mixture and refrigerate overnight.

In the morning drain off the water, which will be quite bloody, wash well in clear water, drain, and the meat is ready to cook.

That can be done in a variety of ways, and Mrs. Milburn has her favorites. Her choice of cuts from either antelope or deer is the chops, which she says can be broiled and cut with a fork. Steaks may be chicken fried after they are sprinkled with salt and pepper, and have flour beaten in.

By accident, when she was in a hurry to prepare some venison steaks, Mrs. Milburn discovered that they are delicious cooked in a pressure pan. She seasons and flours them, browns them in a little fat, puts them in the cooker and covers them with water, then cooks them under pressure ten minutes.

Quail is also very good after the pressure cooking, she promises. Those who like it may add a little sherry with the water.

Pheasant and quail are too dry to be fried as chicken usually is, Mrs. Milburn warns. She starts them frying in medium deep fat like chicken, then when they are crispy brown she puts the pieces in a casserole, partly covered with water, and cooks them in an oven at 300 degrees for an hour or longer — as much as two and a half

hours. The longer the cooking, the more moist and tender the meat.

Dove is cooked like quail after the preliminary treatment to remove the "wild taste". She has cooked pheasant by the pressure method and it may be baked but the Milburn family prefers it fried. Wild turkey, much like domesticated turkey but with darker meat, is cooked just as its tamer cousin, but for a longer time.

Wild ride is Mrs. Milburn's favorite accompaniment for any game and a tossed salad is next on the list. With those and one cooked vegetable, the hunter may be proud of his kill and family and guests may enjoy it with him.

Mrs. Milburn does not share one feminine view, that the hunter is entirely responsible for dressing his game. She usually helps prepare birds for cooking or the freezer. She has hunted with her husband, but since their son has been old enough to hunt, she usually lets him take the field in her place.

She is happy that Nick, who has entered West Texas State College as a freshman this year, shares his father's enthusiasm for hunting. A glance into his room gives evidence of that enthusiasm. His guns are displayed in a handsome, polished birchwood case which he made as an eighth grade wood-working project. Mounted deer and antelope heads on the walls serve as his trophies and two of them wear paunty souvenir caps.

The Milburns have lived in their home, 138 Ave. B, for 26 of the 33 years they have been in Hereford, have frequently changed it to fit their own tastes and have refused to sell it to buy a newer place. One reason is that several of their nearest neighbors built homes the same year and are still there.

Mrs. Milburn came to Hereford as a bride after growing up in Blair, Okla. Her early childhood was spent near Dallas.

Mrs. Emmett Milburn

Fire Department Answers 9 Calls During August

Hereford's volunteer fire department answered nine fire emergency calls during the month of August, according to a

report submitted to the Deaf Smith County Commissioners Court by City Manager Dudley Bayne.

The county participates with the city on a pro-rata basis to offset expenses of the volunteer fire department.

Two of the nine calls were outside the city limits, while seven were within the city.

Emergency calls answered were Aug. 2, 613 Irving St.; Aug. 6, Wilson-Colville shed; Aug. 8, Jones Texaco Service; Aug. 11, Dearing Wrecking; Aug. 18, Park and Ave. H; Aug. 20, 503 Plains; Aug. 19, 503 Plains, and Aug. 22, one mile east of Hereford.

Mrs. Skypala's Birthday Brings Family Together

Family visits added pleasure to Mrs. Mary Skypala's celebration of her birthday Sept. 8, and the weekend afterward. Her children and their families, who have customarily entertained her on the birthday, were invited instead to her home to join relatives who arrived from Rosenberg Wednesday.

The out-of-city visitors were Mr. and Mrs. Joe Michalek. Mrs. Skypala accompanied them later in the week to visit cousins, Mr. and Mrs. Otto Prizlas, at Umbarger. Then on Sunday, Mr. and Mrs. David Sims, Mark, Yvonne and Lynette of Muleshoe came up for a visit.

Relatives of this area who attended the birthday dinner were Mr. and Mrs. Edgar Skypala; Mr. and Mrs. Norbert Skypala, Kathy and Gregory; Mr. and Mrs. Elwood Skypala, Mrs. Wilma Connally, Mr. and Mrs. Butch Connally; Mr. and Duard Hamby, James Terry, Joe Bill, Janet and Lesley; Mr. and Mrs. Jim Marnell; Mr. and Mrs. Fred Ruland, Shelly and Robin; Mrs. Bill Derek and Tiffany; Mr. and Mrs. Eddie Skypala.

On their way home, the Michaleks stopped at Temple to visit Edwin Skypala.

School Officials Set Austin Trip

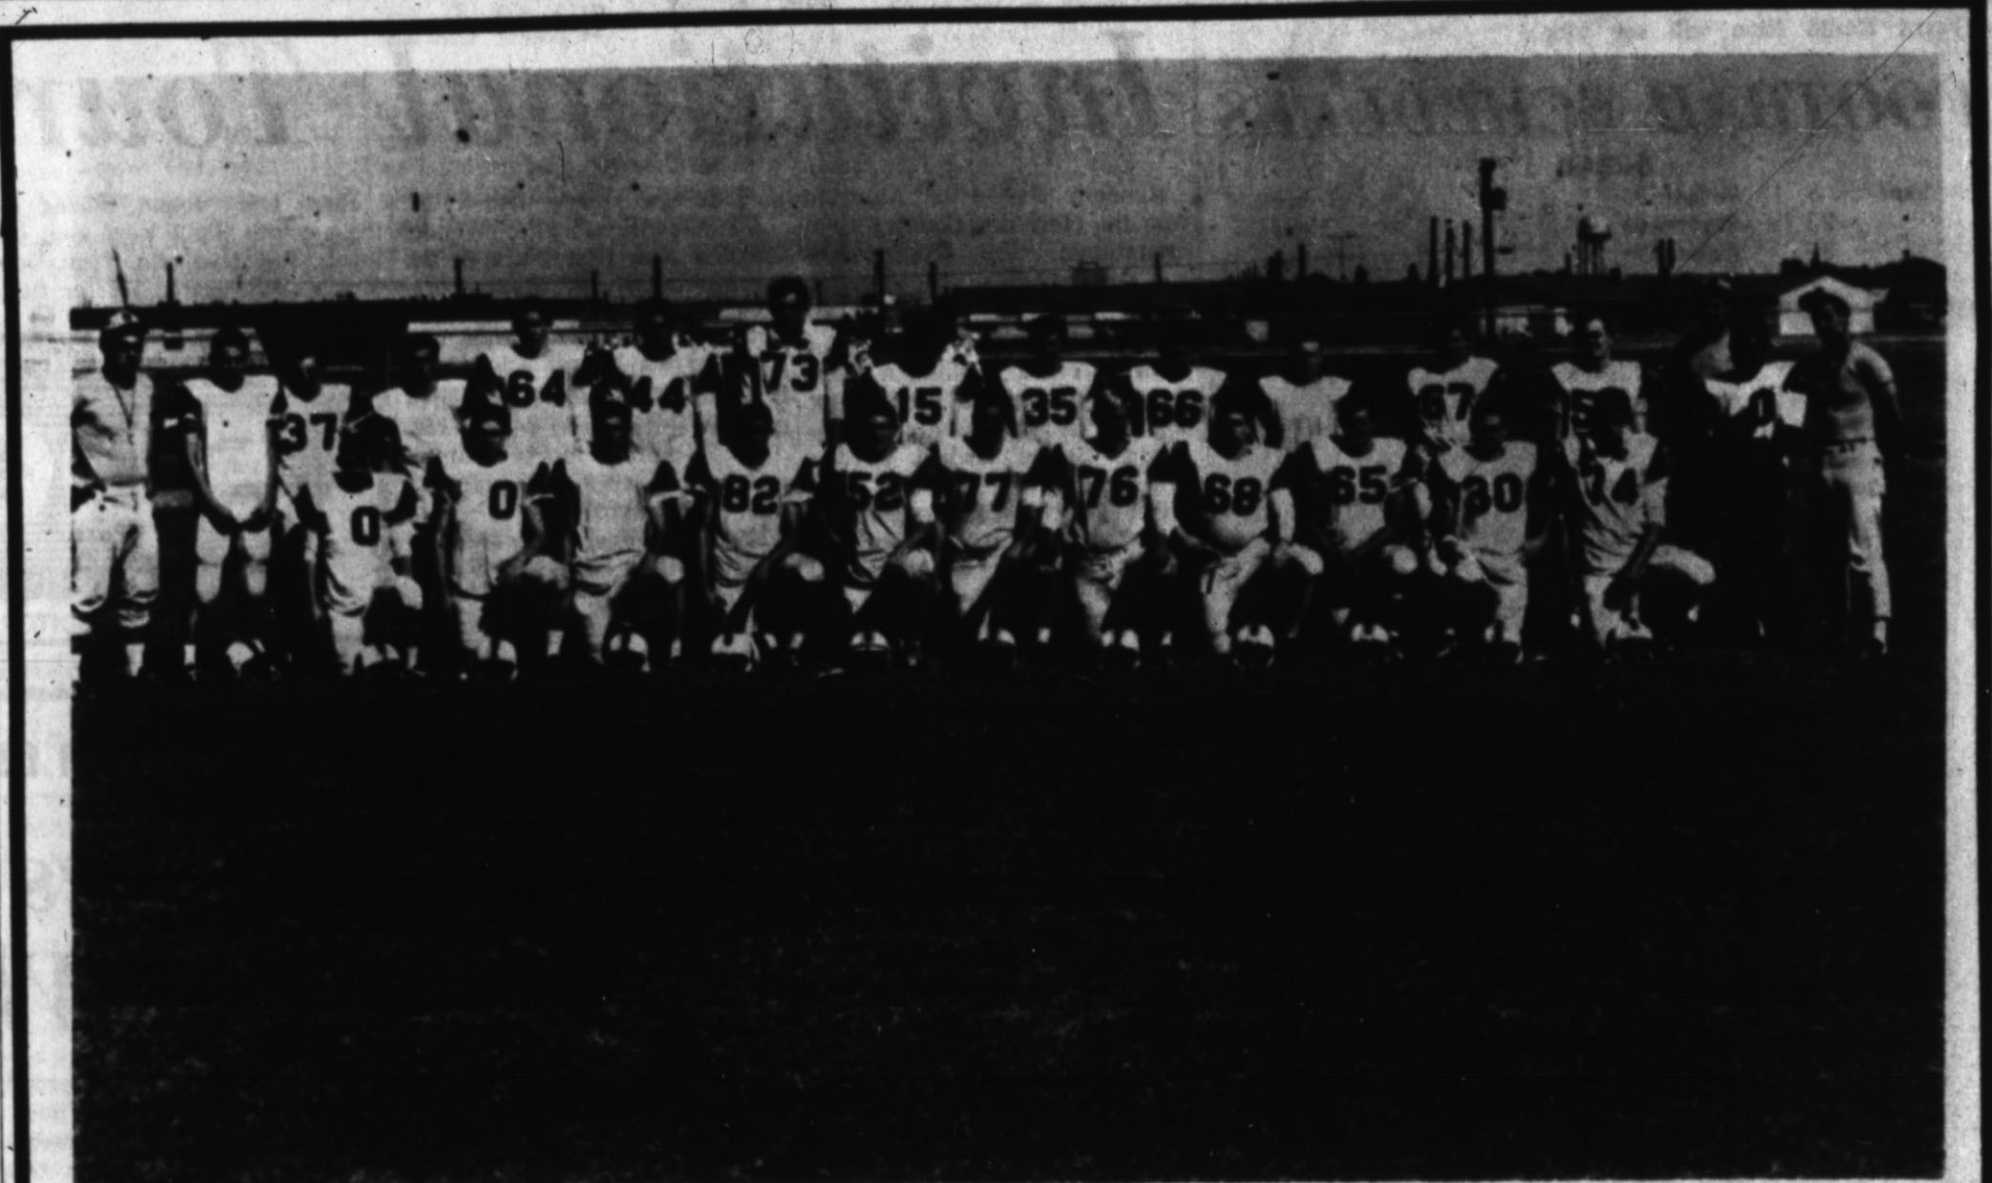

Members of the Hereford Independent School Board of Trustees and school administrative officials made plans this week to attend the annual Texas School Board and Administrative conference to be held in Austin, Sept. 18-20.

The group which includes board president Bill Gentry, Raymond White, Labry Ballard, Hugh Clearman, Olin Parris, Dr. A. T. Mims, Superintendent of schools Johnny Clark Jr. and Assistant Superintendent Dillie Kelley will fly to Austin on Saturday, Sept. 18, returning late Monday, Sept. 20.

Grid Team Breaks In New Activity Bus

Cats Set Sights For Hereford 11

Don't be surprised if those Dimmitt Bobcats appear to be down right aggressive when it's kick off time for the annual Dimmitt High School Homecoming game.

Because it's more than a sure bet the Bobcats will be setting their sights on a victory over their across-the-pasture rivals the Hereford Whitefaces.

And if the years to win for the Bobcats is not fired enough simply because it's Dimmitt's homecoming, then add to this the traditional arch-rivalry between the neighboring schools you find a determined bunch of hoat on the Bobcat Stadium gridiron.

GAME TIME is 8 p.m. for the Hereford-Dimmitt clash in Dimmitt.

Probable starter in the backfield will be Kent Lindsey, quarterback; Tony Young, halfback; Ray Bradley, halfback and Bernard Bossett, fullback.

Tentative starters on the line will be Stanly Burns, guard; Mike Bruegel, tackle; Robbie Lindsey, end; Don Moore, end; A.D. Schreck, center; Emilio Nino, guard, and Rodney Hutto, tackle.

ONLY FIVE players on the Bobcat team weigh over 170 pounds with the team average running from 145 to 160 for most of the men. Mike Bruegel a junior tackle is the heaviest man on the team and he weighs in at 185.

Guard Emilio Nino will see

action for the first time since the Bobcat's game with Muleshoe in which he was injured.

The Bobcats do most of their offensive playing on the ground. They gained 181 yards against Muleshoe in their first game, with most of this coming right up the middle.

The team did not do much sweeping around the end nor did they revert to any great amount of passing.

QUARTERBACK Lindsey has a good arm and will pass, if his receivers can get in the open. Dimmitt cannot be considered only on-the-ground team by any means.

Dimmitt men are beginning to get used to new strategy given to them by the new coaching staff including Brown L. Smith, assistants Bill Narrell, Roy Hunter and Van Kountz. Kenneth Cleveland is the only coach remaining who was in the school system last season.

Taking all into consideration, Hereford will have hands full Friday when it battles the Bobcats for the second game of the season.

Scout Frank (Bots) Nikola, former Holy Cross pitcher, signed three members of this year's Boston Red Sox. They are Carl and Rico Petrocelli.

To straighten a monofilament fly leader, try pulling it hard through a folded piece of inner tube.

TEAM LEAVES FOR PLAINVIEW—The Whiteface football team members were the first to ride in this new student activity bus. This is the first of four buses which have been purchased by the school to be used as transportation for students for school activities. (Staff Photo)

School Administration Orders Surplus Buses For Activities

Hereford Whiteface football players got their first ride in one of the new student activity buses Friday for their trip to Plainview.

The new bus is the first of four which the Hereford school system has purchased for students to use for activities.

The idea for the buses was first pursued by the Whiteface Booster Club three or four years ago and recently the buses were purchased from an army surplus outlet.

The buses will be used by athletic teams as well as the band and pep squad for trips.

In the past, the band and sometimes the athletic teams have traveled in the regular school buses. Athletic teams often traveled in chartered buses, which were made available by the Booster Club.

The new buses are painted in the traditional maroon and white school colors and have a Whiteface painted on the side.

THESE BUSES were completely renovated and overhauled by a firm in Lubbock after they were purchased.

Many schools obtain these army surplus buses which are available only to tax exempt organizations.

The school system ordered the buses with the help of the booster club which contributed a sum of money toward the purchase of the buses.

"WE HAVE reverted part of the funds which we used to use to charter buses for such activities to go toward the purchase of the buses," said Calvin Goodin, booster club president.

The booster club has made funds available for various equipment used by the sports department at the high school, and has offered athletes moral support at the activities.

THE CLUB has been instrumental in suggesting the buses be purchased, but the school administration took care of ordering and purchasing the buses.

Buses will be available to other organizations when needed to attend conventions and area meets.

Advance Tickets For Friday Game Available Now

Hereford Whiteface football fans again this week can purchase football tickets in advance at the school administration building, Hereford Bakery, and Dub's Man Shop.

FANS MAY ALSO travel in a booster club caravan to the Friday night game at Dimmitt.

The caravan will leave here from in front of the Case Power and Equipment Company on the Dimmitt highway at 7 p.m. Friday for the 8 p.m. game in Dimmitt.

APPROXIMATELY 60 cars traveled in the caravan to Plainview Friday for the Hereford-Bulldog skirmish.

The caravan is led by Deaf Smith County Lowell Sharp which will minimize the chance of an accident for those traveling in the caravan.

Detroit Tiger pitcher Joe Sparma is a former Ohio State quarterback.

A major league batting champion must have 502 or more appearances at the plate.

See "FACES Page 9"

'Faces' Rivals Triumph

That District 1-AAA football race may turn out to be a lot more than it was cracked up to be this year.

In the season's first full-scale football weekend, five of the nine teams Hereford faces this season claimed victories.

The five who emerged victorious were all members of District 1-AAA.

Included were Perryton and Dumas upsets over higher-bracket AAAA teams, while Canyon, Muleshoe, and Tulia all claimed wins from class AA foes.

PROBABLY THE biggest surprise was Perryton's upsetting the AAAA Pampa Harvesters 27-8. Dumas also pulled an upset when they defeated the favored Palo Duro Dons, 19-0 in both team's season opener Saturday.

The 1965 Berger Bulldogs walloped Littlefield 31-0 in a lopsided game Saturday.

STEVE LEWIS made the longest gain for Littlefield in the final stanza of the game when he jaunted 31 yards into Berger territory, but couldn't seem to hit paydirt.

The Wildcats threatened in the third quarter when they got on the Bulldog 11 with a third and three situation, but couldn't break through the strong Berger defense.

Levelland dropped its season opener to Seminole, 21-13.

Levelland led the Indians in first downs 16 to 10, but bobbed some important plays causing them to drop the game.

DEFENSIVELY the workhorses for Levelland were linebackers Romond Key, Kenny Pirtle, Frank Hamilton, Larry Waters and Phil Guerry.

Lovington dropped their second game of the season Friday when they were smashed by a powerful Artesia team, 34-0.

ARTESIA ROLLED to 21 first downs and gained 382 yards while the Wildcats could only mount up 72 yards.

Lovington drove to the Bulldog's 24 in the fourth stanza for the deepest penetration of the evening.

Perryton showed a rugged defense and a well-rounded offense. The Rangers cashed in on a fumble and a 10-yard punt in the first half to mark up two quick touchdowns.

THE CANYON EAGLES under new coach Jim Greenwood flew past Floydada, 33-8 Friday.

Tom Moore of the Eagles was on the receiving end of two touchdown passes while running for a third tally.

Canyon gained 337 yards on the ground and tossed for 152 in the air while holding Floydada to 74 on the ground and

SUDDEN DEATH PLAYOFF

Bailey Wins Hereford Invitational Tourney

Kenneth Bailey of Amarillo won the Hereford Country Club Invitational Golf Tournament last weekend in a sudden death playoff with Otis Gollighugh also of Amarillo.

BAILEY and Gollighugh were tied for first place with a low of 136 in the Championship Flight. Bailey birdied on the first hole giving him the title.

Bailey scored a four-under-par-66 on his first day out and scored a par-70 on the second day of the tourney.

Gollighugh scored a three-under par-67 Saturday and a one-under par-69 Sunday.

Robert Cleveland, another Amarilloite, was third in the flight with a 139. Approximately 90 persons entered the tourney with winners carrying home \$1200 in merchandise.

Stair-step scoring determined the winners in the President's Flight. Sam Long of Hereford took first place with a 144; Gale Pyeatt, Amarillo, 145 and Bob Childers, Canyon, 146.

Bruce Winn of Canyon took first place in the first flight with a 150 score. Dwight Whitaker of Black was second with a 154 and Mack Mauldin of Dum-

as took third place with a 156. Another Herefordite, Wendel Burdine took first place in the second flight with a 155 score.

Dick Cloud of Lubbock won second place with a 157. W. O. Heard of Amarillo Air Force Base and Ted Huber of Earth tied for third place with a 159.

Local duffer, Morse Pitman walked off with first place in the third flight with a score of 158. Troy Moore also of Hereford and Glen Mings of Friona tied for second and third places with a 159.

HEREFORD MEN dominated the fourth flight with Marvin Coffee taking first place with a 161; C. C. McWhorter, second, with 162, and Punk Gilbreath third with a 164.

Warren Tuckness of Amarillo took first place in the fifth flight with a 161. Billy Jack Hackler of Abernathy won second place with a 165 and D. A. Hulume of Dimmitt won third with a 168.

BOB SIMS, A local, won first in the sixth flight with a 174 and Jack Watson of Floydada and Jack Combs of Amarillo tied for second and third places with a 175.

First and second places in the seventh flight were won by locals Bill Dye and Troy Don Moore. Dye scored 176 for first

place and Moore took second with a 178. Jim Blakley of Amarillo scored 180 for the third position.

AGAINST BULLDOGS

Coaches Pleased With Whitefaces

"We couldn't be more proud of our team," commented Hereford head coach Jack Meredith speaking of Friday's tussle with Plainview.

"The boys played well in every way," he said. "They did make more mistakes that we had hoped they wouldn't but it was the first varsity game for most of the men on the line."

"Our pass defense was successful," said the coach. "We stopped all but one of their passes and that one was the one that hurt us scorewise."

MIKE DAVIS was a "pleasant surprise" at the defensive end position in the game and showed some excellent strategy.

Tony Malouf, Bill Coffin and Ed Mims did a terrific job on the line, according to the coach.

"We missed some important passes, but the men have improved already this week and I think the fans will see the difference in the game Friday with Dimmitt," commented the coach.

"WHEN A TEAM gains as many yards as we did in the Plainview game it shows some impressive playing," he said, "and our men did just that."

Steve Hodges played the game well hurling some long passes and sparking some excellent runs on the ground.

Hodges seemed to be able to penetrate the Bulldog line when the team needed the yardage and marked up a good average gain.

"OUR LINE showed some terrific overall aggressive blocking and held in the heavier Plainview boys well in defensive play," said the coach.

"We don't anticipate any great personnel changes in the line-up from last week," said the

coach, "we were well satisfied with the line-up as it was."

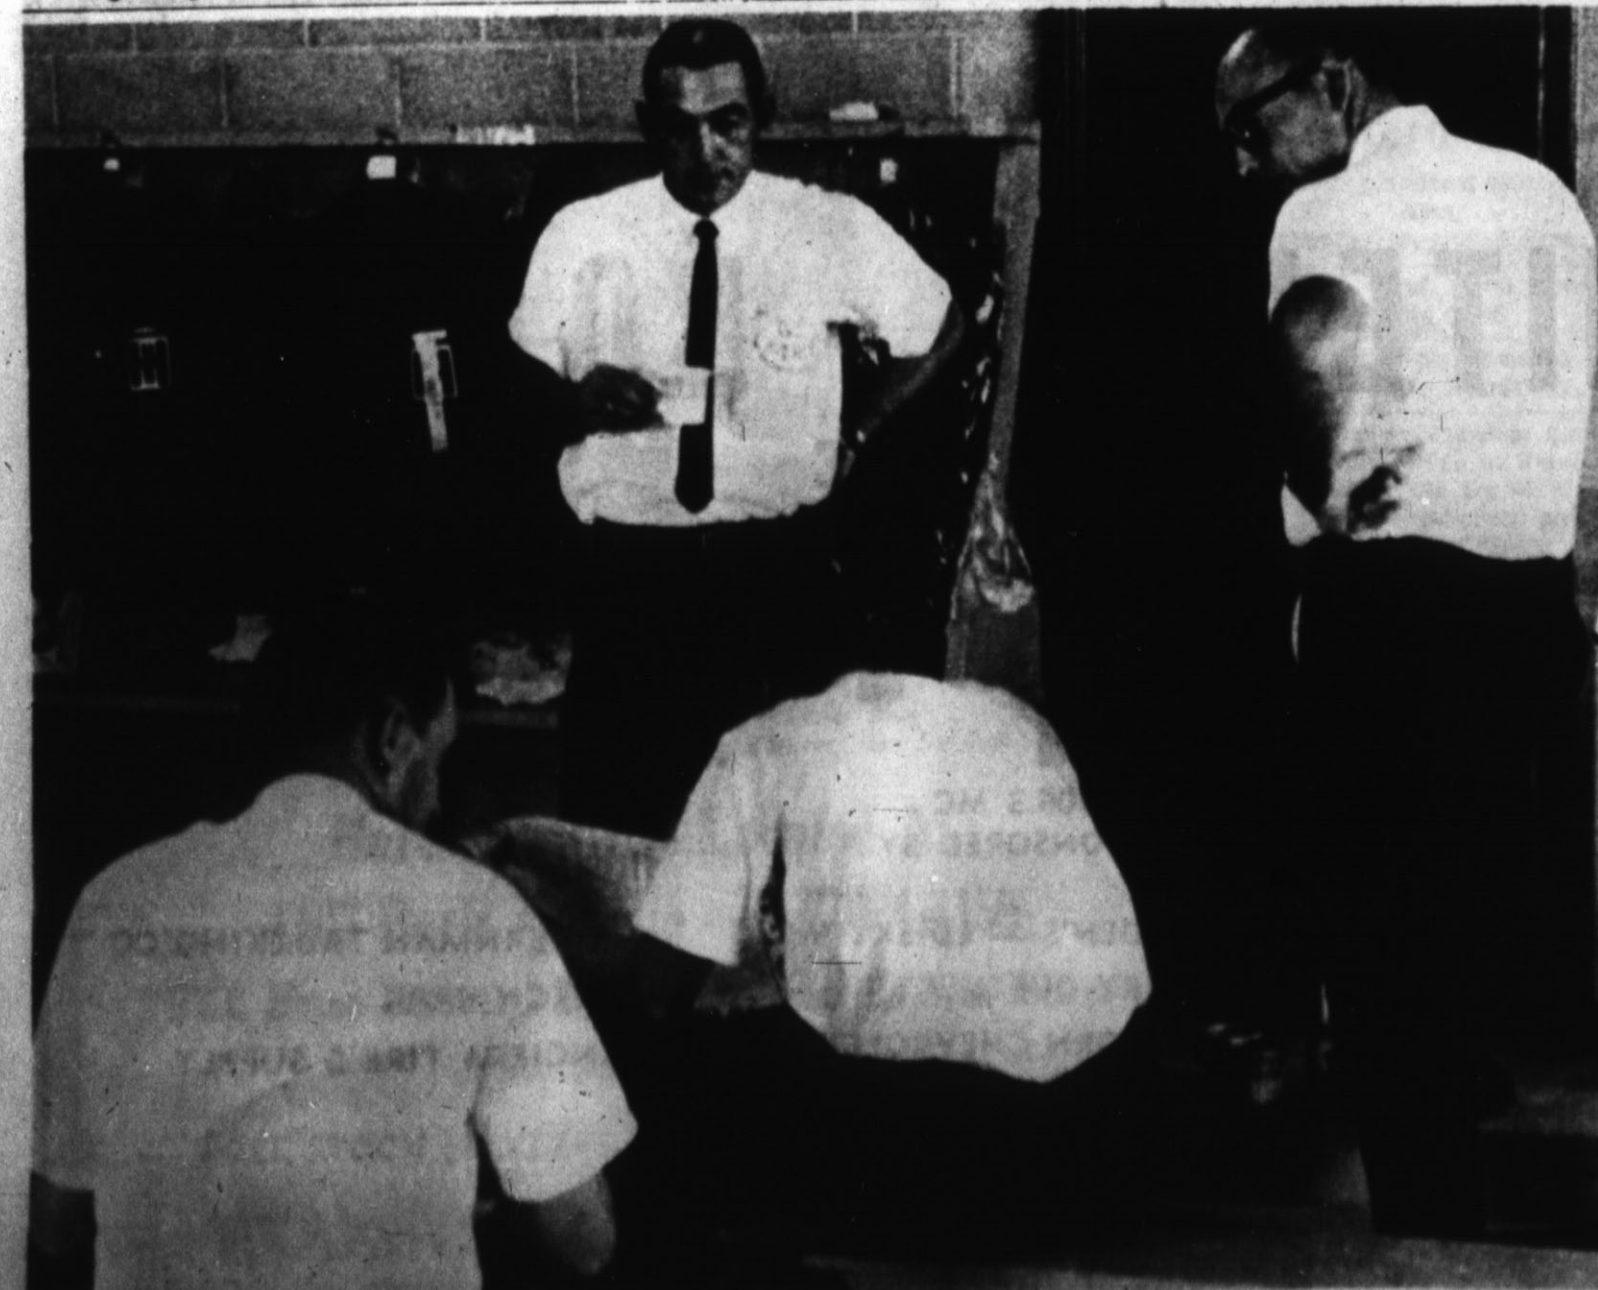

Only two Whiteface players were injured in the game and they were not hurt badly. Ernie Williams injured a hip and Greg Richards bruised a knee cap, but coaches expect them back in action soon.

"WE EXPECT to throw more in our future games and our passing will improve with each game," he said, "we set some school records in passing last season and we will probably set some more this year."

ANTICIPATING COMING GAME—Hereford football coaches drank coffee and sat around quietly in the dressing room before leaving for Plainview. Tension was high before Hereford's season opener with the Bulldogs. (Staff Photo)

COACH AND CAPTAINS—Whiteface Head Coach, Jack Meredith (left) gives his team captains Steve Hodges and Gene Drummond some advice on the practice field. Hodges started as quarterback in last week's season opener against Plainview and Drummond was at halfback. (Staff Photo)

Fund-Raising Sale Set Early in Club's Year

Started on its 28th year, Hereford Study Club will follow a decade-long custom by holding a fall rummage sale Saturday to supply its treasury with funds for club projects. The club, with Mrs. Baxter London as president, opened its season at a salad supper Sept. 2.

The rummage sale will be held on the former Western Wheel Inn parking lot beginning at 9 a.m. Saturday. The finance committee is in charge. Mrs. W. H. Gentry is chairman and Mmes. N. D. Bartlett, R. N. Yarbrow, Garland Solomon and Dick Gholson are members.

Music Appreciation, Spring Fashions, Education and Home Décoration.

Exchange students will be guest speakers at one meeting, a travel film will be shown at another, a book reviews scheduled for guest night, a fine arts program will be given in May, members' husbands will be entertained at Christmas and Valentine parties.

Church Women Will Stage Sale

St. Thomas' Episcopal Auxiliary will sponsor a rummage sale Saturday in the Lamm Jewelry building on Main Street. Mrs. L. C. Hewitt, president, announces. The sale is scheduled to begin at 10 a.m.

Final plans for the rummage sale will be made at an auxiliary meeting this evening at the church, when the annual Christmas bazaar will also be discussed. Mrs. Gene Parsley will serve as chairman for the bazaar, which is a major fund-raising event in the organization each year.

Classifieds Go: Results

CLUB FINANCIERS — Plans for a rummage sale by Hereford Study Club are discussed by Mrs. W. H. Gentry, right, chairman of the finance committee, and Mrs. R. N. Yarbrow, a committee member as they met in Mrs. Yarbrow's home. The club is following a ten-year custom in holding the fall rummage sale to earn funds for projects of the year.

Hereford Native Assigned To Duty In Viet Nam As USAF Officer

Lieut. Col. Charles A. Bell, youngest son of Mrs. A. G. Bell, visited his mother here last week enroute from Maxwell AFB Montgomery, Ala., where he has been stationed, to Travis AFB, California, from which he left Monday on a direct flight to Tans Su Nut Air Base near Saigon, South Viet Nam.

He visited his sister, Miss Evelyn Bell, and other relatives in Hereford. A native of Hereford Col. Bell attended schools here and at Adrian, where his family lived six years and where he was graduated from high school.

Lt. Col. Bell to Viet Nam

After two years in Texas A&M he went into military service and has been in the Air Force 25 years, the last three years at Maxwell AFB. He is assigned to Viet Nam for a year's duty, then after another year is due to retire.

Previous overseas service has been in Panama, Newfoundland and Turkey. He married Miss Betty Krug in Indiana just before leaving for duty in Panama during World War II. They have two children, Tommy, a sophomore student at Texas A&M, and Carol, who has been a model for a firm in Montgomery while she attended high school.

The family will live in Mont-

gomery while Col. Bell is overseas. He will be chief of communications in the electronics division of the USAF Advisory Group, Headquarters 2nd Air Division, serving as adviser to the South Vietnamese Air Force in communications and electronics.

He visited a brother, James Bell, in Santa Clara, Calif., before leaving on the flight to Saigon via Hawaii and the Philippines.

New Officers Installed For Term In St. Anthony's Parish Council

Installing officers for a new term, Mrs. Andrew Kershner gave watchwords relating to their duties to those taking of-

ice in St. Anthony's Parish Council, at the first meeting of the year Friday evening in the church auditorium.

For Mrs. Werner Koelzer, who became president to succeed Mrs. Edward Paetzold, the watch word was love; for Mrs. Eugene Loerwald, first vice president, faith; Mrs. Leo Ohlig, second vice president, hope.

Mrs. Mark Koenig, secretary, was given the watchword, protection; Mrs. Raymond Schlabs, treasurer, charity; Mrs. John Jesko, historian, patience; Mrs. Paetzold, parliamentarian, harmony.

In his message, Father Alex congratulated Mrs. Paetzold and her officers for work done in their administration and urged cooperation of members for the new officers. The new president presented Mrs. Paetzold a gift in appreciation for her three years service.

The program concerned "Project Head Start" which is being conducted at St. Joseph's Mission. Miss Dorothy Prenzi acquainted the group with the project, designed to aid children who come from poverty and have few opportunities.

She explained that it is a community action project; although it was begun under church auspices there are no religious

Letter To The Editor

Eleven years ago, I spent the summer months working as a carpenter's helper in a suburb of Oklahoma City. We were building homes in the \$20,000 price range, and most of the homes in this particular community were this costly or more so.

But the people of the community must have felt that the cost was too great to provide their youngsters with such things as Little League, Campfire Girls, or Boy Scouts. None of these activities were available in this area of several thousand residents.

For lack of anything better to do, the young teenagers were organized into two gangs, which included not only boys, but many girls as well. My first experience with these groups came at noon one day, when a large group came into a cafe at which I was eating and began to throw all the catsup, salt, pepper, etc. off the vacant tables.

Shortly after this, there were two fatal knifings involving 13 year old boys as an outgrowth of gang "warfare". As I had to return to my senior year in college about this time, I never learned to what extent the community was shaken out of its apathy by this.

But one thing is for sure, My family and I are happy and proud to live in a community where people care enough about the young people, their training and their future to have a United Fund Drive, and to work to make it successful so that opportunities of growth can be provided to our young citizens.

In my opinion, a generous contribution to the United Fund this coming month is the best investment any of us can make. Hereford has a growing reputation as a "Can-do" community, around the Panhandle of Texas, and I believe that we will reach our goal this year — because we care.

Sincerely,
J. Frank Ford Jr.

Best time for mile pace at the Yonkers, N. Y., spring harness meeting was 1:59.2 turned in by Meadow Skipper.

articles in classrooms and no religion is taught. A second session will be held in October for preschool children and one for adults.

Misses Chris Phifer and Ann Mendez appeared in an amusing skit depicting a typical day in the classroom at Project Head Start.

Mrs. Lou Orleans, Mrs. Quinton Conn and Mrs. Bill Gilliland were welcomed as new members. There were 28 present.

RETURNS FROM VISIT

Mrs. W. H. Russell has returned home after visiting at Levelland in the home of her daughter, Mrs. Jack Geffkin, and seeing a football game in which her grandson played Friday night. The Geffkins brought her home Sunday.

VFW, Auxiliary Members Attend District Meet

Mrs. Alta Davis, district president of the VFW Auxiliary, with other members from the VFW Post and Auxiliary here, attended a district meeting in Canyon Sunday. Childress was selected as the next district meeting place.

Mrs. Ada Hollabaugh and Mrs. Orpha Nickerson went from the Hereford Auxiliary; John Green, Charley Morris, E. A. Thomas, Charley Burke and C. W. Smith from VFW Post 4818.

At a recent Auxiliary meeting in the Rock House at Veterans Park, Mrs. Nickerson was elected senior vice president, Mrs. Naomi Murrell junior vice pre-

sident and Mrs. Davis trustee. They were installed by Mrs. Hollabaugh, who also installed Mrs. Beale Hawkins as guard.

Plans were made for the annual sale of veteran-made poppies in November, and for a rummage sale to be held soon with Mrs. Karroll Rettman as chairman.

Extension Office Has New Secretary

Mrs. Jean Terry Kennedy 231 Star, has been employed in the county extension office as secretary.

Mrs. Kennedy is a 1958 graduate of Hereford High School and has attended Droughan's Business College, taking an executive secretarial course.

She is the daughter of Mrs. George Terry, 231 Star, Hereford.

Small Talk

By SUE COLEMAN
Women's Editor

Nearly every paper you pick up these days has a picture of a youth having his hair cut because school authorities took a dim view of his super-Beatle tresses.

It's reached the point where that really isn't news any more and some of the boys are not only losing their locks but their chance at notoriety, for whatever comfort that might be.

ACTUALLY IT never has been news that adolescent boys, and girls too, latch onto something new in dressing or grooming at every opportunity. And if it meets the disapproval of parents and teachers, so much the better.

One of the 17-year-olds pictured recently was quoted, as his 11-inch hairdo was trimmed, "I think kids are growing long hair because it is a simple and harmless means of defying conven-

tion". It will be about ten years before he, and his contemporaries who no doubt agree with him, realize that he didn't mean "defying convention"; he meant "conforming to convention". Because that's what the young rebels are doing.

MY DICTIONARY gives, as the first definition of conventional, "Conforming or adhering to accepted standards, as of conduct or taste". Adolescents conform to standards of their own gang or age group, the only one that matters to them.

We have no reason to condemn them because adults do the same thing. Usually those, young or older, who boast loudly that they are non-conformists, or unconventional, are the ones who are trying hardest to meet the standards of their peers.

Although the standards of youth are subject to quicker change than those of adults, the latter do not forever remain stationary. Sometimes we forget that, and we still speak of something as conventional when we mean that it was conventional a generation or more ago.

FOR INSTANCE, someone frequently says that he dislikes conventional entertaining and prefers a supper prepared on a barbecue grill in the backyard.

But if he is invited for a meal at a friend's home, he doubtless expects the barbecue supper and would be surprised indeed if he were served a five-course meal at a linen-covered table where the oyster for were in their prescribed place.

Since the barbecue is the entertainment "established by general consent or accepted usage", as the dictionary goes on to say, it is the conventional meal in this part of the country.

The same test can be applied to other phases of our life and upsets some of our everyday thinking. We must remember that it is the unconventional businessman who keeps his coat on all summer, and the unconventional housewife who shops at the supermarket in a skirt.

If we think carefully back to our efforts in the teen years to escape what we thought was convention, and be unconventional like everybody else, we can be more tolerant and less amazed at the shaggiest sheep-dog haircuts.

County Groups At Area Meeting

The fall meeting of the Panhandle County Judges and Commissioners Association will be held Tuesday, Sept. 21 in Amarillo, according to R. Donald Hicks, president of the organization.

The one day meeting will be held at the Coronado Inn, Amarillo, and will begin at 10 a. m.

H. M. Baggary, publisher of the Tulia Herald, A. B. Martin, president of Amarillo College, and Lyle Robinson, manager of the Swisher County Electric Co-operative, Inc. will be featured speakers for the program.

Musical entertainment will be furnished by Hereford High School choral groups.

The Panhandle County Judges and Commissioners Association includes the north 26 Panhandle counties bordering on the south and including Castro, Hale, Briscoe, Hall and Childress counties.

R. Donald Hicks, commissioner of Precinct 4, Deaf Smith County, president of the organization, will preside.

Astrodome the Houston Astros attracted 734,139 fans, surpassing their total for all of 1964 when they played at Colt Stadium.

Summerfield News

By DEBORAH BAKER
Sund Correspondent

Mr. and Mrs. Guy Walsler returned last week after visiting their daughter and family in Missouri, then going to Fort Worth for a visit. Wayne and Kenzie Walsler; Mr. and Mrs. Don Walsler and DeAnne; Mr. and Mrs. Durven Walsler and children, Durven Jr. and Devra, returned directly from Missouri, where they visited and fished.

Mr. and Mrs. Billy Baker had as guests Sunday her mother, Mrs. Armavena Buckmaster; grandmother, Mrs. Adle Stringer, and Ronnie Buckmaster of Lubbock.

Diane Clearman went to Brownfield Sunday to complete her senior year in Howard Payne College. She is a business major.

The David Hutchens, Raymond Wileys and Floyd Milligans went to Boys Ranch for the rodeo Labor Day. R. B. Baker and son, Billy, went dove hunting on the Goodnight Ranch.

Mrs. Nadine Rule accompanied her two grandchildren, Meshele and Deder, to their home

in Amarillo after they spent the weekend here.

Mr. and Mrs. Jerry Terrell and Julie, with Mr. and Mrs. Larry Hooper of Canyon visited their parents at Lampasas recently. Terrell's parents came here for a visit in his home Thursday and Friday.

Mr. and Mrs. Billy Baker and Britney were in Amarillo Tuesday.

Billy Bell, with his wife's parents, made a business trip to Colorado recently.

Mr. and Mrs. Ronnie Botkin have returned from Montana, where he was employed. They spent several days at the Roy Botkin home and are now visiting Mrs. Botkin's parents, Mr. and Mrs. Andy Behrends.

E. D. Tate and Charles of Spade and Wayne Tate of Arizona were recent visitors with the R. B. Bakens.

Kenny Walsler left Sunday for West Texas State University, Canyon, where he will be a senior. This summer he has been employed by Poarch Bro-

thers. He was honored at the Billy Baker home Wednesday night.

David Shannon is employed in Los Angeles.

A son was born Thursday to Mr. and Mrs. Wayne Stovall, at Leaf Smith County Hospital. He weighed seven pounds, nine ounces.

Raymond Wiley, David Hutchens, Billy Baker, R. B. Baker, Kenneth Frye, Weldon Stephan and Mr. Mason went from this community to the ninth annual Field Day and open house at the High Plains Research Foundation at Halfway.

A birthday coffee in her home honored Mrs. Jack Streun Friday morning. Present were Mmes. Fate Shannon, H. G. Behrends, Clarence Behrends, R. R. Rule, Floyd Milligan, Billy Botkin, George DeLozier, J. C. Clearman, R. B. Baker and Frank Huckert.

Guy Walsler is the winner of a color television set for ticket sales to the Shrine Circus.

Summerfield Baptist Church had a fish fry sponsored by the Brotherhood. The program was entitled "This Land Is Your Land." Films were shown with scenes of the Summerfield farming area, Colorado, New York City, Washington, D. C. and Old Mexico. About 60 attended.

Myrna Botkin went to Lubbock Sunday to enter Texas Tech as a freshman English major.

Nanatta Clearman has returned to Wayland Baptist College at Plainview for her sophomore year.

Mr. R. B. Baker visited in Spade Friday.

Mr. and Mrs. David Hutchens went to Spade Friday evening to assist in celebrating Mrs. Ted Hutchens' birthday.

A revival began Sunday in Summerfield Baptist Church to continue through Sept. 18. Jim Bishop is the preacher and Clayton Spriggs is leading songs.

Witnesses Will Attend Assembly

Lloyd Reddoch, local presiding minister for Jehovah's Witnesses, announces that many members here will take part in Bible discussions, demonstrations and home visits that will make up the program of a semi-annual circuit assembly in Lamesa Oct. 1-3.

Attendance of 500 from an area extending from Hobbs, N. M. to Altus, Okla. is expected representing 18 congregations. The assembly theme is "Increasing Our Praise to Jehovah". The Watchtower Tract and Bible Society will sponsor the meeting and A. A. Cantanzaro from the society's Brooklyn headquarters will be the featured speaker.

Burial Service Scheduled Here

Graveside services for Mrs. Pat Elliston of Avenal, Calif., who died there Tuesday, are scheduled at 10 a.m. Saturday in West Park Cemetery with the Gilliland Funeral Home in charge.

In addition to her husband, who is a former Hereford resident and a son of the late Mr. and Mrs. A. H. Elliston, Mrs. Elliston is survived by a son, Dick, of San Diego.

Past Presidents Lunch Opens Music Club Year

The annual Past Presidents luncheon began another year Monday for the Music Study Club, which has been a part of Hereford's cultural life since 1938. The home of Mrs. J. R. Allison was the meeting place and all former presidents of the club attended.

On the hostess committee with Mrs. Allison were Mrs. W. E. Dameron, Mrs. H. K. Fox,

Calliopean Club Year Is Started

Calliopean Club began meetings for the year Sept. 9 in the home of Mrs. C. J. Crump, president. The social committee which includes Mrs. Irving Alexander, Mrs. Alton Fraser, Mrs. A. E. Dettman and Mrs. Kitty Gault, acted as hostess.

A salad supper was served at tables covered in aqua cloths and brightened with varicolored napkins and fall flowers.

After the tables were cleared Mrs. D. C. McWhorter directed guests in a game of "Password" as it is played on the television program.

Other members present were Mmes. Morgan Cain, Gerry Grubbs, Earnest Langley, Ansel McDowell, N. E. Milburn, Ruth Warren, Irene Coneway, Wilma

US Army Doctor Guest Of Parents

Mr. and Mrs. Oren Jones, 219 Ave. A, had as weekend guests their son, Dr. Franklin O. Jones, and his wife and three sons. Dr. Jones, who holds a captain's rank in the U. S. Army, is in transit to Schofield Barracks, Hawaii, where he will function as division psychiatrist for the 25th Infantry Division.

A graduate of Baylor University and Southwestern Medical School, Dr. Jones has just completed speciality training in psychiatry at Walter Reed Army Hospital in Washington, D. C. During his third and final year he was chief resident in psychiatry.

Mrs. Jones, the former Miss June Kim, is a graduate of Baylor, holding a masters degree in chemistry.

Jaycee-Ette Orientation Program Set

An orientation program with state and area officers present to give information will be conducted for Hereford Jaycee-Ettes Monday evening in the Flame Room of Piorcer Gas Company. History, purpose and function of a Jaycee-Ette group will be discussed.

Mrs. Bill Rogers of Amarillo, state president, and Mrs. Ann Hommel of Clarendon, Area I vice president, will help to familiarize the local members with these phases of the organization. Members of Dimmitt Jaycee-Ettes, who sponsored organization of the club here, will also assist.

Mrs. John Meador recently became president of the Hereford unit, advancing from the vice presidency when Mrs. Wayne Fuller resigned the president's office. Mrs. John W. Robinson is the new vice president.

Mrs. T. W. Roberson and Mrs. S. O. Wilson, all past presidents.

Luncheon was served buffet style from the dining table, which had a pyramid arrangement of lovely roses as the centerpiece. Guests were seated at quartet tables.

An hour after luncheon was spent informally, in conversation and looking over club scrap-

books and Clara Beth Holt. Yearbooks with the 1965-66 program, have been distributed to club members. The study course, titled The Great Southwest, includes programs on southwestern lore, pioneers, history, art, and industry.

Program guests will be the exchange students in Hereford school and Miss Suzanne Langley who will tell of her year spent studying in Austria. A Christmas social and two book reviews will vary the program, which will close with a spring social in May.

On the yearbook committee are Mmes. McWhorter, Gault and Carl Perrin.

books and pictures of past years activities.

Mrs. Bill Brady is president for the current season. Meetings are scheduled on second and fourth Mondays of each month, the next on Sept. 27 for a luncheon at the Calson House. Music Study Club has been

affiliated since 1938 with the National Federation and Texas Federation of Music Clubs and is a part of the First District in the state federation. Last year it conducted a study of Music in the United States, each program illustrated with music by members and guests.

Past presidents at the luncheon Monday, in addition to those on the hostess committee, were Mmes. J. D. Nell, Cliff Estes, S. O. Wilson, A. J. Schroeter, J. C. McCracken, Ellis Coombes, Carl Mounis, A. O. Thompson, and the immediate past president, Mrs. B. Y. Crawford.

 Engineers calculate that the number of blasts that come from auto horns in a traffic jam is equal to the sum of the squares of the wheels.

all adds up to the same. Safe, sane, courteous, drivers are held in high esteem by all people on the roads.

ober 1 — United Fund Day in Hereford.

What about this business of United Fund anyhow? Where do you fit in? Why should you give to this organization that comes knocking on your door each year. Well, there are many reasons to give to the United Fund. First of all, it encompasses the one drive, one-gift idea that has been so popular over the area. It lets you make one contribution to cover many, many organizations. This not only saves you time as the giver, but it saves the time of many, many people who would otherwise be called upon to make drives for each individual organization.

which it serves.

But that's just one of many reasons why we have a United Fund — and most of the reasons are even better than the above. For instance, it might surprise you to know that the United Fund member agencies last year served more than 2,500 youngsters in Hereford. Imagine that, 2,500 children alone, to say nothing of the many adults who were helped in one form or another by the member agencies of the United Fund — organizations like the American Red Cross, the Salvation Army, the Alcoholic Education Commission, or the Committee on Alcoholism, whichever designation you care to choose.

American Red Cross summer swimming program, or gained a wealth of knowledge through the wonderful Camp Fire Program in Hereford.

Perhaps your daughter has, and has graduated to the Horizon Club. It's all the same. Perhaps your daughter has, to your contribution, the United Service Organization, or USO, has a canteen where he can spend his off-duty hours. It's just as important today as it was over 20 years ago, during World War II.

supply the funds to keep the clinics open so that these children can receive treatment.

These are just a couple of the reasons why you should give to the United Fund. There are doubtless many, many more. Don't be a bit surprised if you see Clint Formby pushing a peanut around the courthouse come October 1st. We're pretty sure that if the United Fund budget goes over the top on this day, Formby will do as he is being urged to do — and push that peanut around the courthouse.

All Members Present At Valeda Club Party

Hundred per cent attendance of members was an unusual feature of Valeda Study Club's "welcome back" supper which began its new year Tuesday evening. Mmes. George Ritter, Glenn Watts and Charles Hoover were hostesses in the latter's home.

Those present included Mmes. Frank Clark, L. J. Clark, Hugh Clearman, Armon Lauderback, George Olson, Gene Parsley and Robert Willmot.

Youth Society Holds Meeting

Hereford Youth Society met in the Community Center Sept. 2, for a program on "Conduct and Courage". Jerry Ross was the presiding officer. Mrs. Wesley High was the speaker and led discussion on the program topic.

Vocational Nurse Group Graduates

Graduation exercises for a Vocational Nursing class of Deaf Smith County Hospital will be conducted at 7:30 p.m. Tuesday at the First Presbyterian Church. Nine students will receive caps, pins and certificates signifying completion of the training.

Look Who's New

Mr. and Mrs. Virgil Don Bomar are the parents of a daughter, Crystal Kay, born Sept. 14. She weighed 7 lbs. 3 ozs.

BANQUET SPEAKER — Speaker for the Young Homemakers and Young Farmer's banquet Saturday was the Rev. Kenneth J. Wyatt, minister of First Methodist Church in Paducah. The banquet was the climax of an all-day convention of the two organizations. Approximately 500 persons attended the affair here. (Staff Photo)

their total annual salary, \$4,000 or \$400 per month, plus travel expenses.

All precinct foremen will draw annual salaries of \$5,100 while individual precinct workers annual salaries will range from \$4,200 to \$4,500.

TOTAL increase for all county employees amounts to approximately \$19,500 annually.

In other business the commissioners authorized signs reading "Free Parking" and "No Trucks Allowed" to be placed on the recently completed parking lot north of the courthouse, and approved the purchase of a \$20,000 "errors and omissions" bond for the county clerk.

State statutes, effective Sept. 1, require a bond on the county clerk equal to the total sum of fees for the previous year.

The bond was purchased from Plains Insurance Agency at a cost of \$124.28.

Coaches...

(Continued from Page 4)

Walter Williams will be ready to play in the Dimmitt game. "This is the first time Williams has been in top condition in the past season and a half," commented the coach.

COACHES WILL probably alternate Gary Victor and Steve Hodges in the quarterback position during the Dimmitt game. Victor was out of action for the Plainview game with a sore knee.

"We have set out to have our best season ever and I think the men on the team are determined enough to do that," said the coach.

"I can easily say that the coaches were in no way disappointed with the men, except the score," commented Meridith, "and we are not looking back, only ahead."

'Faces'

(Continued from Page 4)

60 in the air.

MULESHOE CHALKED up their second win of the season Friday when they defeated the Morton Indians, 10-0.

With 1:42 left in the first quarter Mule halfback Joe Adams scored with a 40-yard field goal and the score stood 3-0 at halftime.

Ronnie Swint, Mule fullback, plunged across from the one yard line with 23 seconds left in the third period, and Adams kicked for the extra point making the final score 10-0.

THE TULLIA HORNETS stung the Oton Mustangs for a 36-6 victory Friday evening in Tullia's season opener.

Both Tullia's offense and defense showed power as the backfield repeatedly burst through the Oton line for long gains and the defense kept the squeeze on Mustang runners.

Tullia quarterback Dennis Harvee led his team over the field with ease.

THE DUMAS DEMONS surprised the Palo Duro Dons Saturday when Demon quarterback Glenn Bonner intercepted a Don pass and ran over 70 yards for a touchdown.

The Demons were playing without their regular quarterback, Tim Galloway, who incurred a fractured collar bone in a pre-season scrimmage.

Dumas held the Dons to only four first downs in the game.

MENACE TO FISH

NEW YORK (AP) — Game fish are easy prey to the litterbug. C. R. Gutermauth, vice president of the Wildlife Management Institute and chairman of the National Advisory Council of Keep America Beautiful, reports that "serious littering can become a form of pollution that is detrimental to our better game fish."

He explained that decomposing litter robs lakes and streams of oxygen, thereby changing the natural environment of the fish.

"Most game fish require clean water, so you find a greater abundance of coarse fish in littered waters," he said. "Carp, buffalo, bowfin, gar and the like are more tenacious of life. They are able to exist in a less desirable habitat than such game fish as trout and black bass."

"Litter alters the environment of a stream in favor of the rough fish."

Pay...

(Continued from Page 1)

Librarian \$4,200; assistant librarian, \$3,180 and one part time employee (student), \$660.

District Clerk, \$5,400; County Treasurer, \$5,400; County Attorney, \$5,640; and part time accounting help, \$2,700.

County welfare director, \$5,700; secretary, \$3,600.

County Agent, \$8,518; Home Demonstration Agent, \$8,352; assistant H. D. Agent, \$6,012; and secretary at \$3,300.

State Welfare director, \$756 (County's share).

INFIXED

...in the little animal is the inherent, industrious characteristics of self preservation. A delight to the eye in its graceful movements, but behind its moves, more than the childish eye can see... a desire to keep her bin full of food to guarantee her survival. We, like the squirrel, must prepare for our future and for those who depend upon us. But human needs reach beyond food, and house and clothing... beyond the physical and the material. We are persons, we are spiritual, our concern is for the mind — the soul — the spirit. We are social persons whose deeper needs may be satisfied in a church which majors in fellowship and prayer and builds us into a group of good people with common loyalties to God and things of the spirit. Come with me to church.

You In The Church
The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Past Leaders Honored In OES

History dating back almost 60 years was recalled for members of Hereford Order of Eastern Star Chapter in a program Tuesday evening in the Masonic Hall. Past Matrons-Patrons Night was observed with a pageant.

Past Worthy Matrons were presented, each escorted to a foliage-twined archway as Mrs. A. L. Manjeot, narrator, sketched events of her term. Mrs. A. O. Thompson, whose administration in 1919-20 dated back farthest, was escorted by the current Worthy Patron, Marvin Coffee.

Others in order of service, and their escorts, were Myrtle Witherspoon and M.R. Coffee, Bessie Hill and Joe Deavenport, Bruce Rose and Lynn Koster, Nora Lawhon and Mack Noland, Mary Baird and Tom Draper, Clara Shore and Arthur Thompson, Mrs. Manjeot and Horace Hershey.

Also Juanita Hershey and Bill Phipps, Nell Culpepper and John Patton, Vivian Majors and A. L. Manjeot, Opal Roberson and Bernard Roberson, Virginia Patton and Pohn Patton, Grace Thomas and Lewis Thomas, Argen Draper and Mike Baird, Rosalie Worthen and C. P. Worthen.

Early records tell of the Hereford Chapter's formation in January, 1906, when Emma Higgins was appointed Worthy Matron and May Gouger Associate Matron. After a charter was granted, officers were elected in October of that year.

First elected Worthy Matron was the late Mrs. Lena Bell and the Worthy Patron was W. H. Russell. Since that time 51 women have served as Worthy Matron.

Hostesses for the meeting Tuesday were Mmes. Virginia Yandell, Lee Parris, Rose Marie Robinson and Charlotte Richards. Mrs. Draper was program chairman.

Two Members Added By Club

Two new members were welcomed by Young Homemakers Home Demonstration Club at its initial fall meeting, when Mrs. LeRoy Burges was hostess in First National Community Room. Mrs. Tom Crawford and Mrs. Carl Armstrong were enrolled for the season.

Francis Hardwick was guest speaker on the topic, Disease of Alcoholism. A member of the county Council on Alcoholism, he answered questions after the talk in which he discussed moral problems of alcoholism and steps toward becoming an alcoholic.

Mrs. Dean Bryant was program director and Mrs. Hoey Lowrie presided for business. Other members present were Mmes. Charles Brown, Jesse Jackson and Lloyd Smith.

CATHERINE SPAAK'S NEXT

TRENTO, Italy — Old castles in the Alto Adige (South Tyrol) will be used as settings for Catherine Spaak's next movie. It will be directed by Renato Castellani from a script based on Theophile Gautier's

novel "Mademoiselle de Maupin," set in the first half of the 17th Century during the war for succession to the Spanish throne.

Felix Mantilla, who hit 30 home runs for the Boston Red Sox last season, broke in with the Milwaukee Braves in 1965.

Classifieds...

ONE MILLION DOLLARS To land on irrigated land in Deaf Smith, Castro and Pecos counties. And... We have expanded our territory to include the upper Panhandle.

PRUDENTIAL America's Largest Farm Lender!

SAM NUNNALLY EM 4-0555 EM 4-2814 LONE STAR AGENCY B-4-11-10-4p

STOCK FARM

One of the best stock farms anywhere. Located west of Hereford along Tierra Blanca Draw. Approx. 1 section of grass with oceans of irrigation runoff water going down across it. And 480 acres in cultivation with 4 irrigation wells... \$80,000.00 cash will handle. Call for details.

ALMOST DRY LAND

400 acres with one 4" well. 110 A. wheat, 160 A. milo, 75 A. cotton... \$65,000.00 total price. \$18,000.00 down payment. We think this is the best buy in Deaf Smith County.

Two half sections as nearly perfect as can be... clean... 2 wells on each... underground tile... good allots. Owners' will sell with minimum down payments and reasonable terms on balance. You can pay for these farms from the income.

40 Acres on Dimmitt Hiway with two GI loans on it. Has good well, underground tile, clean land and good allots. No trades, wants all cash for equity.

Beautiful half section south of Summerfield on pavement. Has 35 acres of grass and a lake we have never seen dry. Both irrigation wells are on natural gas and approx. 1/2 mile of tile.

We make the highest per acre loans on irrigated land with low interest and long terms. Call us.

Salad Supper Initiates Lone Star Club Season

Welcoming members of Lone Star Study Club back for a new year, Mrs. S. S. Williams, president, included a new member, Mrs. Mevin Cordray, as she spoke informally at a salad supper in her home Tuesday evening.

Mrs. Baker Womble and Mrs. Jim Bookout. Mrs. Womble, Parliamentarian, reminded members of club aims and their own duties by reading the constitution and bylaws. The invocation was by Mrs. R. G. Blue. Others present to answer roll call with reports on summer experiences were Mmes. Thelma Chisum, V. E. Dodson,

Floyd Dunavant, H. E. Hunslee, Jim Higgins, John Jacobsen Jr., C. D. Kelton, Vivian Major, S. A. McCathern, C. O. Phillips and Ed Warren. Lone Star Club's program this season will touch a variety of topics, beginning Sept. 23 with a study on Medical Research. Other subjects will include Migrant Workers, Texas Mental Institutions, First Aid, Texas Parks, The Dead Sea Scrolls, The White House, Summer Scenes and Panama. A book review, a party for husbands of members, a program by exchange students and a Christmas social are also listed.

SOYBEAN DEMONSTRATION — Deaf Smith County Agent Justin McBride was one of the key speakers at this soybean demonstration at the Frank Zinzer Jr. farm Tuesday afternoon during the Deaf Smith County Crops Tour. Some 200 persons were present for different parts of the tour. (Staff Photo)

Boll Weevil Control Meet Set At Lubbock

Sixty or more people from the High Plains, other sections of the cotton belt and Washington, D. C., WILL MEET IN Lubbock on Thursday, Sept. 23 to discuss and evaluate second-year operations in the High Plains Boll Weevil Control Program. The meeting will begin at two o'clock in the Johnson House Restaurant, 4801 Avenue Q.

Plains Cotton Growers, Inc., 23-county High Plains cotton producer organization coordinating the program, called the meeting. The meeting will be held in the Johnson House Restaurant, 4801 Avenue Q. The Boll Weevil Technical Advisory Committee, composed of top entomologists from all over the United States; the Areawide Boll Weevil Committee, made up of one member from each county in PCG territory, and the Boll Weevil Steering Committee, with members from where spraying operations are being carried out.

Ed Dean, Field Service Representative for Plains Cotton Growers, has stated that by September 23, weather conditions permitting, the first three chemical applications will have been completed over the entire control zone of approximately 250,000 acres. He said: "By this time we should be able to evaluate with a good degree of accuracy the effectiveness and efficiency of the operation to date."

weevil meeting will be attended by Dr. Edward F. Knipping, Administrator of the Cotton Insect Division of Agricultural Research Service, Washington. Significance of the program evaluation is enhanced by changes made in the program this year. The first year's sprayings began and continued on 10 to 14 day intervals and achieved about a 90 percent reduction in the number of weevils going into hibernation at the end of the Fall. This year, sprayings were started about 10 days earlier, on September 7, and the first three applications are being applied one every 5 to 7 days.

This intensified schedule is designed to break the weevil's reproductive cycle early in the Fall season. Spraying then will continue until frost every 10 to 14 days to get hibernating numbers down to the absolute minimum.

Entomologists calculate that the effectiveness of the program may be increased as much as nine times by this method, and reports to be given on September 23 will be the first indication of how accurate these calculations may be. The organized High Plains attack on cotton's most costly insect, the most massive ever attempted, is being financed on a 50-50 basis by area producers and the Federal Government. Producers contributed 50 cents per bale on last year's crop, but economies effected in the first year's program and the fact that over 97 percent of High Plains producers participated made possible a reduction to 40 cents per bale this year.

NAT NAST

GIVES YOU THE BOWLING SHIRT WITH ROOM TO STRIKE AND COMFORT TO SPARE!

Dear Bowler: Your Nat Nast dealer has the most exciting selection of bowling shirts you've ever seen. We've gone all out to give him the newest styles, and most popular colors in new miracle fabrics. AUTUMN SPLENDOR—A thickly-populated field of near-ripened grain sorghum in the foreground and towering grain elevators which dominate the Hereford skyline add up to a picturesque setting on the first day of Autumn, 1965. (Staff Photo by Wain Miller)

Expect Bumper Yield For Three Major Crops

Holly Begins Operations; Sorghum, Lettuce Ready

Forecasts for bumper yields and good market quotations for three major Deaf Smith County crops had local marketers and processors eagerly awaiting the first noticeable trickle of crops to market this week.

Area agriculturalists were happily surveying the 175,000 or so acres of near-ripened grain sorghum which apparently bears bumper yields.

And more than 12,000 acres of sugar beets within the county are also on the verge of harvest stage as Holly Sugar Corporation's Merrill E. Shoup plant swings into full-time operation today.

This, plus some 2,500 acres of lettuce, add up to a rosy harvest picture for the entire Hereford area on this, the first day Autumn.

SPOKESMEN for area grain elevators said some grain sorghum had already arrived but no sizeable grain sorghum harvest operations are expected for at least a week.

It was predicted that peak of harvest for all three crops would come in about three weeks, with some fields being harvested late this week.

Holly Sugar Corp. began working round-the-clock shifts at its huge plant here last night in preparation for the arrival of the first beets.

PLANT officials predicted beets would begin to arrive Monday.

Spotty, small-scale harvesting of lettuce and grain sorghum had begun prior to the arrival of rains earlier this week.

GRAIN sorghum "looks very good" this year, observers said, predicting that yields here would be at a better-than-average clip.

The crop is the county's biggest and most valuable.

Some 175,000 acres of sorghum add more than \$15 million annually to farmers' income within the county.

MARKET for lettuce at the present time is said to be "very good," but this crop generally sees wide fluctuation in prices from week to week.

"You can't tell what it will be like a week from now when harvest really starts," commented a spokesman for a local packing house.

This crop generally produces more than a half million dollars income for the county.

SUGAR beets — the county's number three money crop — are also expected to produce bumper yields for area farmers this year. The crop produces income estimated at \$4 million.

Dexter Lillie, district manager for Holly, estimated that 4,000 See EXPECT Page 2

'Non-Partisan' Political Course Begins Tonight

A course in "practical politics" begins here tonight with an organizational meeting to determine future meeting dates and discussion leaders.

Sponsored jointly by the chamber of commerce and the Hereford Jaycees, the course describes how individuals may most effectively work in political groups on the local, state, and national level.

Prepared by the U. S. Chamber of Commerce and approved by national committees of both major political parties, the series of discussions is billed as strictly "non-partisan."

TONIGHT's meeting gets underway at 7:30 p.m. in the vocational agriculture room at Hereford High School. Only cost for the course will be the cost of booklets containing the subject matter for each of nine discussions. Title of the study See POLITICAL Page 3

SEN. JOHN TOWER describes current Congress. (Staff Photo)

IN 'REPORT' BREAKFAST

Tower Talks On Many Topics In Speech Here

By WAIN MILLER
Staff Writer

U. S. Senator John Tower termed the current Congress "the nation's most productive" and the proposed repeal of the so-called "right to work" law a stepping stone for unionism in a talk here Tuesday.

The Republican senator outlined briefly accomplishments of the current Capitol Hill session and then took a few jabs at the poverty war and the labor union movement, as well as a few other things.

But Sen. Tower was just as vociferous in his support of the administration's determination to defend Southeast Asia from communist aggression.

AND HE urged the more than 100 persons present at a breakfast meeting to likewise understand and commend the American goals in Viet Nam.

His talk here was the second in a series of "Reports to the People" sponsored by the cham-

ber of commerce and Hereford Jaycees' joint committee on governmental affairs.

Thumbing recent developments and current objectives on the national and international scene, the senator mentioned several topics in rapid succession before launching into a question-and-answer period.

HE SAID that passage of a

number of "Great Society" measures made the current congressional session the nation's most productive.

Allocations for the "War on Poverty" were expanded, including a rent subsidy provision which aids "low-income families making up to \$10,000 per annum," he commented.

Medicare was also approved by Washington legislators.

The omnibus farm bill, now in conference committee to iron out differences between House and Senate versions, was termed "one of the better farm bills" by the senator, who injected that he felt provisions for wheat and feed grain programs are not up to par.

He said that he hopes these portions of the bill may be amended "early next year."

He asserted that he and 24 other senators — led by Senate Minority Leader Everett Dirksen of Illinois — "are prepared to prevent a vote" on the proposed amendment to repeal Section 14 (b) of the Taft-Hartley Act, the so-called right-to-work law.

"WE WILL carry on an educational campaign on the Senate floor until Santa comes down the chimney, if need be, to prevent this measure from See TOWER Page 3

Latham Elected To County Group

Marcus R. Latham, Deaf Smith County Commissioner of Precinct 2, was named secretary-treasurer of the Panhandle Association of County Judges and Commissioners at the group's fall meeting Tuesday in Amarillo.

Moore County Judge Archie McDonald, of Dumas was elected to head the organization, replacing R. Donald Hicks Deaf Smith County, who has served as its president for the past year. Gray County Judge William J. Crain of Pampa was named vice president.

H. M. Barrary, editor of the Tulia Herald, was the first of three speakers at the all day meeting held in the Coronado Inn. Dr. A. B. Martin, president of Amarillo College, and Lyle Robinson, manager of the Swisher County Rural Electric Cooperative also were on the program.

Telephone Coop Sets Annual Meet

Twelfth annual meeting of the West Texas Rural Telephone Cooperative will be held Thursday, Sept. 30, in the Community Center at 7:30 p. m.

Election of directors for the Frio and Oklahoma Lane exchanges and reports from the officers of the cooperative will highlight the meeting.

Board members are James W. Dixon, Farmer exchange, Bert Williams, Oklahoma Lane; Raymond Milner, Hub; Charlie Burk, Westway; V. J. Owens, Dawn; E. E. Hise, and Earl Holt, Frio.

REQUEST FOR TAXI ACCEPTED

City Accepts Park Project

City commissioners officially accepted the recently completed Downtown Variety Park project Monday night in regular session.

This paves the way for collection of assessments on property

Historical Survey Group Seeks Markers

The Deaf Smith County Historical Survey Committee, meeting Tuesday afternoon in the Grand Jury room of the courthouse, heard committee reports and made plans for the placing of historical markers in the county.

Submitted to the state historical association for approval as historical markers sites was the location of the early day cowboy strike, 5 1/2 miles northeast of the intersection of U.S. 80 and 385 on the north side of the highway; and a spot located 4.2 miles southeast of intersection of U. S. 385 and 80 which is designated as a portion of the Mackenzie Trail. Capt. Mackenzie was one of the early day Indian fighters.

ALREADY approved to receive a marker, and awaiting the official plaque, is the two-wheel fire hose reel now on display just west of City Hall. To be submitted for approval at a later date is the location of the old Panhandle Christian College. Hereford High School now stands on the old Christian College campus. An effort will be made to recover some of the original stone from the building from which to build a permanent mounting for this marker when approved.

The group also discussed the Deaf Smith County Historical Society composed of persons interested in preserving the his-

owners for their share of the cost of the \$96,000 project.

The move highlighted a brief session by the group.

IN OTHER business, the commission granted approval to an application to operate a taxi within the city.

The application was made by Lavern Kearns, who said the taxi would begin operation within the near future.

Rates for the cab fares were also approved.

Commissioners also ordered that an ordinance be drafted requiring that lots on improved property within the city be kept mowed.

THE CITY already has an ordinance requiring that weeds be

mowed on vacant property within the City.

City manager Dudley Bayne reported that attendance at the Hereford Municipal Swimming Pool this summer was the lowest in the history of the facility.

AVERAGE daily attendance at the pool this summer was 111, as compared to 185 in 1964, 148 in 1963, 176 in 1962, and 180 in 1961.

Receipts for the 1965 season were \$2,817.50, as compared to last year's intake of \$4,362.73.

In another report, Bayne pointed out that garbage disposal trucks are carting 30.7 tons of refuse daily to the city's new incinerator.

This amounts to 103.5 tons per five-day week, or an average of 118 truckloads of trash weekly hauled by the four trucks.

Some of those who benefit from United Fund contributions are in need only of a friend. Others may someday utilize your United Fund contribution to save a life.

THESE ARE just a few of the needs supplied by the local UF through two agencies... the Deaf Smith County Chapter of the American Red Cross and the unrelated United Service Organization.

The Red Cross is the biggest partner in the local United Fund, budgeted for \$8,050 of the fund's \$30,100 goal for the coming drive.

What does this money do?

— IT HELPS more than 300 adults and children save lives through an annual Water Safety Instruction Program.

— It helps hundreds of country residents each year learn proper first aid in accredited courses.

— It helps teach health pre-requisites in "Mother and Baby Care" and "Care of the Sick and Injured" classes taught regularly.

PART III: WHERE THE UF DOLLAR GOES

It Helps Here And There, In Red Cross, USO Work

— It helps those in need through its disaster program, which only last spring aided 19 families at the Labor Camp who were flooded out their homes.

— IT HELPS by lending a hand to military families in need.

— It helps with volunteer services: Gray Ladies, Hospital Staff-aides, and Motor Corps.

— It helps teach youngsters the reward of helping others through the Youth Program, with organized chapters in Stanton Junior High and Here-

Salad Supper Initiates Lone Star Club Season

Welcoming members of Lone Star Study Club back for a new year, Mrs. S. S. Williams, president, included a new member, Mrs. Mevin Cordray, as she spoke informally at a salad supper in her home Tuesday evening.

A preview of programs and activities of the year to come was given by Mrs. Norman E. Moore, chairman of the year-book committee which includes

Mrs. Baker Womble and Mrs. Jim Bookout. Mrs. Womble, Parliamentarian, reminded members of club aims and their own duties by reading the constitution and by-laws. The invocation was by Mrs. R. G. Blue.

Others present to answer roll call with reports on summer experiences were Meses, Thelma Chisum, V. E. Dodson,

Floyd Dunavant, H. E. Hunstee, Jim Higgins, John Jacobsen Jr., C. D. Keltin, Vivian Major, S. A. McCathern, C. O. Phillips and Ed Warren.

Lone Star Club's program this season will touch a variety of topics, beginning Sept. 20 with a study on Medical Research.

Other subjects will include Migrant Workers, Texas Mental Institutions, First Aid, Texas Parks, The Dead Sea Scrolls, The White House, Summer Scenes and Panama.

A book review, a party for husbands of members, a program by exchange students and a Christmas social are also listed.

SOYBEAN DEMONSTRATION — Deaf Smith County Agent Justin McBride was one of the key speakers at this soy bean demonstration at the Frank Zinzer Jr. farm Tuesday afternoon during the Deaf Smith County Crops Tour. Some 200 persons were present for different parts of the tour. (Staff Photo)

Boll Weevil Control Meet Set At Lubbock

Sixty or more people from the High Plains, other sections of the cotton belt and Washington, D. C., WILL MEET IN Lubbock on Thursday, Sept. 23 to discuss and evaluate second-year operations in the High Plains Boll Weevil Control Program. The meeting will begin at two o'clock in the Johnson House Restaurant, 4801 Avenue Q.

Plains Cotton Growers, Inc., 23-county High Plains cotton producer organization coordinating the program, called the meeting. Taking part in the discussions will be members of the three PCG committees charged with directing the all-out effort to stop the weevil from invading the entire High Plains. They are the Boll Weevil Technical Advisory Committee, composed of top entomologists from all over the United States; the Area-wide Boll Weevil Committee, made up of one member from the nine-county control from each county in PCG territory, and the Boll Weevil Steering Committee, with members from where spraying operations are being carried out.

Ed Dean, Field Service Representative for Plains Cotton Growers, has stated that by September 23, weather conditions permitting, the first three chemical applications will have been completed over the entire control zone of approximately 250,000 acres. He said: "By this time we should be able to evaluate with a good degree of accuracy the effectiveness and efficiency of the operation to date."

For the first time, the boll

weevil meeting will be attended by Dr. Edward F. Knippling, Administrator of the Cotton Insect Division of Agricultural Research Service, Washington.

Significance of the program evaluation is enhanced by changes made in the program this year. The first year's sprayings began and continued on 10 to 14 day intervals and achieved about a 90 percent reduction in the number of weevils going into hibernation at the end of the Fall. This year, sprayings were started about 10 days earlier, on September 7, and the first three applications are being applied one every 5 to 7 days.

This intensified schedule is designed to break the weevil's reproductive cycle early in the Fall season. Spraying then will continue until frost every 10 to 14 days to get hibernating numbers down to the absolute minimum.

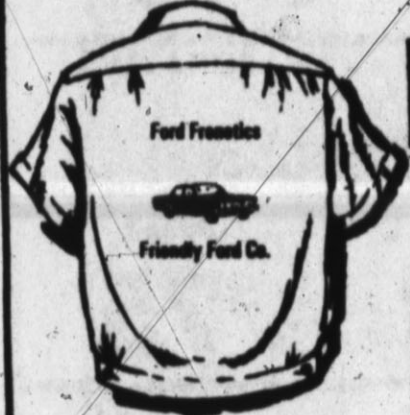

Entomologists calculate that the effectiveness of the program may be increased as much as nine times by this method, and reports to be given on September 23 will be the first indication of how accurate these calculations may be.

The organized High Plains attack on cotton's most costly insect, the most massive ever attempted, is being financed on a 50-50 basis by area producers and the Federal Government. Producers contributed 50 cents per bale on last year's crop, but economies effected in the first year's program and the fact that over 97 percent of High Plains producers participated, made possible a reduction to 40 cents per bale this year.

Ex-Member Is H. D. Club Guest

A former member of West Hereford Home Demonstration Club, Mrs. Bessie Johnson, now of Fort Worth, was a guest at the club meeting Tuesday afternoon in Mrs. Carl Schroeder's home. Mrs. Johnson was at the meeting as Mrs. Alice Cox's guest.

Mrs. Obe Wilson and Mrs. Boyd Collins were new members present. Mrs. Bell Grimes was hostess with Mrs. Schroeder.

Discussion of the U. S. Social Security system, with Mrs. Blanche Hardin as program leader included an explanation of the newest phase of Social Security, medical care for the aged.

Other members present were Meses, Mary Bradley, Roy Boyd, Robert Boyd, Jewell Autrey, John Jacobsen, N.T. Wesson, and Evelyn Bell.
