

Junior Livestock Show Sponsorship Goes To Young Farmers

WORKER FREED—A 24-year-old Hereford, man, Glen Polk, was freed after a 45-minute effort to remove him from a large caliche crusher shortly after noon Monday. Following surgery which lasted several hours, the man's left arm was saved after being seriously injured in the mishap. (Staff Photo)

SURGERY SAVES ARM

Rescuers Free Man

A host of rescuers worked for some 45 minutes to free a man who had been trapped beneath a huge rock crusher near here Monday at noon.

Then a team of physicians spent a large portion of the afternoon in surgery on the man's severely injured left arm, apparently saving the limb.

THE INJURED man, Glen Polk, 24, of Hereford, remained in Deaf Smith County Hospital Wednesday, where he was reported in good condition.

The accident occurred shortly before noon Monday as Polk was attempting to unclog a mechanism on the large crusher. The cuff of his shirt sleeve apparently became entangled in the machine, pulling his arm into the mechanism.

A **CO-WORKER**, who was near Polk, said he saw the accident happen and yelled to the operator of the machine to cut it off.

Another workman, who was operating a bulldozer nearby, jumped from the dozer and attempted to help free Polk.

An ambulance, the Hereford Fire Department's rescue unit, and police and highway patrolmen quickly converged on the scene, adjacent to Hereford Feed Yards.

AFTER rescuers labored for some 45 minutes with a cutting torch, jacks, and pry-bars, the man's arm was freed from the machine and he was taken to the hospital and into surgery.

The machine was being used to crush caliche for highway construction work near Hereford. Polk is an employee of the Louie Squier Dirt and Paving Co. of Hereford.

GSWJLS Board Names YF to Conduct Event

Sponsorship of the Golden Spread Western Junior Livestock Show—held annually in Hereford—was transferred to the Young Farmers organization in four surrounding counties in a meeting here Wednesday.

The move was finalized by the board of directors of the Golden Spread Western Junior Livestock Association and representatives of Young Farmers chapters in Deaf Smith, Castro, Farmer, and Oldham counties.

The show, initiated by the Hereford Rotary Club some 20 years ago, had operated independently under its own board of directors for the past three years.

Under the change-over agreement, the show will continue to operate as in the past with the Young Farmers organization in complete control, with the 15-member GSWJLS board retain its charter and serve merely in an advisory capacity.

REPRESENTATIVES from the four-county area also scheduled Jan. 20-22 as dates for the 1966 show and named Jan. 8, 1966, as deadline for entries in the event.

Among reasons given for the change in management of the GSWJLS was a difficulty in conducting board meetings to arrange the annual event.

Board president Palmer Norton explained that since the board's sole function was to organize the show, it seemed more appropriate to turn operation of the event over to a group which meets regularly and has a direct interest in the event.

"SINCE the committee meets only once a year and its membership is from four counties, it is hard to organize the show and get all the plans made," Norton said.

"Young Farmers meet each month and can plan the show much easier than us," Norton continued.

HE POINTED out that the Young Farmers have actually taken the lead in conducting the junior livestock show under the direction of the GSWJLA board since Rotarians ended their sponsorship of the event four years ago.

"We will still be available to help the young men, but they (Young Farmers) will be in complete charge of the show," See **JUNIOR** Page 2

United Fund Near Goal With Three Days Left

Seek \$5000 In Final Drive Effort

Deaf Smith County's 1965 United Fund Drive was just \$5,000 short of its \$30,160 goal Wednesday as officials eyed the planned Saturday wrap-up of the effort.

With collections totalling slightly over \$25,000 Wednesday afternoon, UF officials said that there is "a strong possibility" the drive will reach its goal for the first time in several years.

Workers will continue to canvass the county's citizens through Saturday, officials said.

Then, it is hoped, the drive will go over the top and come to a happy ending.

Officials commended county citizens who have participated in the United Fund drive this year and challenged those remaining to be contacted to continue the "good response" the drive has had thus far.

It was pointed out that the drive has reached the \$25,000 mark in just three and a half weeks, while last year the UF worked for three months but never quite made its \$28,000 goal.

FURR FOOD

Sugarland's First Store Open Today

First phase of the construction of Hereford's new shopping center, Sugarland Mall Shopping Center in north Hereford, is moving along at a fast pace, what with the grand opening of Furr's Super Market scheduled this weekend.

"We are pleased with the opening of the Furr's unit" said W. B. "Dub" Rushing of Lubbock, who heads the firm of Sugarland, Inc. The group of men building the new air-conditioned mall-type center include Jack Carnes of Wichita Falls, Henry Huneke, James E. Walker, Joe Aguilar and Gordon Denton of Lubbock.

SOON openings will be held for other units coming into the center, Rushing said. They are J. C. Penney on the north end of the center, with an additional unit of tire, battery and accessory store, with an overall 32,000 square feet; Montgomery-Ward Catalog store, just to the south, 2500 square feet; Frontier Stamps, next to Furr's, 5,000 square feet; and Duckwall's, in See **FURR** Page 2

SATURDAY NIGHT

City's Teens Set C.R.O.P. Drive

Hereford High School and junior high school committee members for the annual Christian Rural Overseas Program (CROP) Drive have set their goal at \$2,000 for this year's drive.

Students will begin the drive Saturday at 7:30 p. m. when they meet at the First Methodist Church in the fellowship hall.

FROM THERE they will launch a door-to-door canvass of the city and the Hereford area soliciting for funds for the CROP program.

All solicitors will wear arm bands and will have a stencil on their hands to identify them, according to Hugh Clearman, student supervisor.

Last year Hereford rated See **CITY'S** Page 2

Youth Injured In Fall At 60 M. P. H.

A 15-year-old Hereford youth was admitted to Deaf Smith County Hospital for treatment of injuries sustained in a fall from a pickup Wednesday afternoon.

Injured was Rosendo Guerra of 313 Grand, who received severe abrasions as a result of a fall from a pickup travelling about 60 miles per hour.

Investigating highway patrolmen said Guerra fell from the rear of the pickup while "playing" on the back bumper.

OTHER passengers in the pickup were quoted as saying the youth had been standing on the rear bumper and was apparently dragging a foot on the pavement when he lost his balance and fell.

Witnesses said the youth skidded face down along the pavement for some 20 feet, tearing flesh from his face, chest, hands, legs, and knees. The accident occurred about 4 p. m. Wednesday on a paved road ten miles northwest of Hereford.

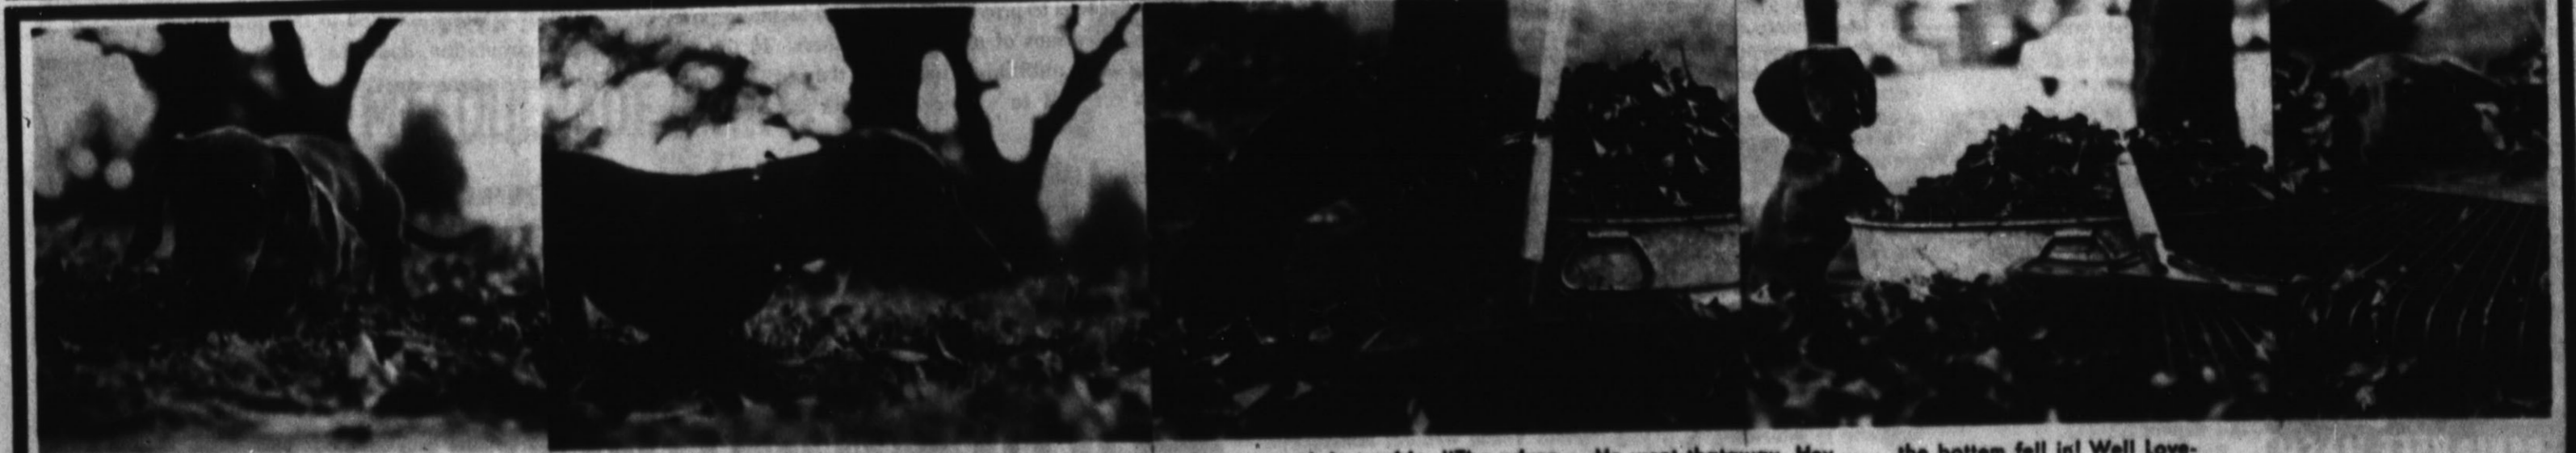

Driver of the pickup, Gregory Zepeda of Hereford, said he was driving about 60 miles per hour when the mishap occurred.

Football Bus Reservations Still On Sale

Two charter buses for a trip to Perryton for the Hereford-Perryton loop football clash Friday night have been sold out and reservations are being taken today for a third bus.

Persons wishing to make the trip via a charter bus arranged by the Hereford Booster Club should make reservations today officials said.

If enough reservations are ordered, a third charter bus will be arranged for the trip. Reservations may be made at the Hereford Bakery, according to Calvin Goodin, boosters president.

AN AFTERNOON ADVENTURE—"Lovebug," the three-month old dachshund, found himself involved in an afternoon adventure which might have been entitled "How to chase a bug and end up up to your neck in trouble." The adventure went as follows: (from first photo left) Not on the trail . . . shoot a left . . . Maybe he went in here. Nope. He went thatway. Hey . . . the bottom fell in! Well Lovebug, who really loves bugs, is among the first to notice that fall has fell . . . and so have the leaves. (Staff Photo)

JURY IN CHAMBER 3 HOURS

Gibson Sentenced To Three Years In State Prison

A 38-year-old man was sentenced to three years in the state penitentiary after being found guilty of theft of over \$50 by false pretense by a district court jury here early Wednesday morning.

Sentenced by District Judge Harry Schultz was Hueston Everett Gibson, 38, of Branson, Mo.

His sentence was announced after a jury deliberated for some three hours in the case. The trial had begun Tuesday afternoon following selection of the jury. The jury began deliberations about 9:30 p.m. Tuesday and announced its verdict about 12:30 a.m. Wednesday.

Gibson was found guilty for an indictment returned by a Deaf Smith County grand jury in 1964. It was one of five indictments currently held against the man.

The three-year sentence was in connection with bills incurred by Gibson as contractor for a motel here. Gibson allegedly had received some \$10,000 in payment for the project, but did not pay creditors.

He had been indicted and then released on \$10,000 bond on Aug. 22, 1964, pending trial, but jumped bail the day before he was scheduled to appear in court.

SOME SIX weeks ago, Gibson surrendered to local authorities and was held on the indictments.

He walked out of the jail Sept. 21 while on a clean-up detail. He secured a pickup from a local auto sales agency, telling a salesman that he wished to try out the vehicle.

He was later apprehended by the Oldham County Sheriff near Vega, but he jumped through a glass door and screen in a second escape attempt. He was quickly apprehended, however, and later returned to Deaf Smith County.

He had been indicted and then released on \$10,000 bond on Aug. 22, 1964, pending trial, but jumped bail the day before he was scheduled to appear in court.

LOIS CARRUTHERS

Missionary Sets Sunday Morning Service Here

Missionary Lois Carruthers will be the featured speaker at the Assembly of God Church next Sunday morning.

She has been a minister for 39 years, and is ordained with the Assembly of God.

DURING World War II she served as a Field Representative of the Servicemen's Department of Springfield, Mo. Then she served as a missionary in Hawaii for another seven years.

She has served as camp meeting speaker, youth evangelist, and Bible teacher throughout the United States, Mexico and Hawaii.

The public is invited to attend the service and hear Mrs. Carruthers, Rev. V. W. Marcellini is the pastor.

Stanton Band Rates High At Marching Event

Members of the 100-piece Stanton Junior High School band their way to their third consecutive first division rating in Tuesday's University Interscholastic League marching contest in Buffalo Bowl in Canyon.

Crockett Junior High School of Amarillo was the only other junior high school band in this area to take a first division in the contest.

Clyde Wilson, Stanton Junior High Band director, said he was "very pleased" with the band's performance in the contest.

Band members have been working on their routine since the beginning of school.

LEADING the band on the field are drum majors Douglas Greeson and Jimmy Haile.

Twirlers for the band are Deborah Hodges, Cordelia Suttle, Elise Beene and Dianne London, all eighth graders, Patricia Hill, Margaret Phipps and Deborah Walden, all ninth graders.

The band performed during Hereford High School's homecoming activities last weekend in the parade and during the halftime exercises at the football game.

Wilson said the band will now begin preparing for the concert season and the University Interscholastic League Concert Contest in April.

He said if the band earns a first division in both sight reading and concert playing in the contest they will be sweepstakes winners for the 1965-66 school year.

Members of the Hereford High School marching band will march at the high school University Interscholastic League Marching Contest on Tuesday, Nov. 9, in Canyon, according to Ben Gollehon, high school band director.

Calendar Of Events

THURSDAY Westway Home Demonstration Club, home of Mrs. Homer Rudd, 9:30 a.m.

IN LAND PROGRAM Veterans Support Continuing Loans

C. O. Wilkins, Veterans' County Service Officer, for Deaf Smith County strongly recommends that the people of this area support and vote for Amendment No. 2 on Nov. 2, which authorizes the continuation of the Veterans' Land Program.

Wilkins says that the program has not only benefited the State of Texas, but it has greatly helped the economy of our local area.

There have been 424 veterans who have purchased 35,000 acres of land in Deaf Smith County for \$2,908,912. This program has been highly successful and has given Texas veterans a chance to own a tract of land that they fought to protect.

IT IS A program that is not only self-supporting but is making a profit for the taxpayers and people of Texas of over \$2 1/2 million a year.

While making this profit for the taxpayers and people of Texas and helping Texas veterans, it is boosting the economy of the state. Counting the rotating money there has been \$236 million invested in land and to date there has been 34,800 tracts of land bought for veterans in the State of Texas.

6,100 of these veterans have paid their tracts off in full. 8,200 veterans have transferred their contracts after three years. 6,000 have executed oil and gas leases and approximately 500 tracts have producing oil and gas wells on them.

Every individual in the State of Texas is benefited and affected by the Veterans' Land Program, Wilkins said. Many veterans daily are asking to purchase land through the program. If the vote on Amendment No. 2 on Nov. 2 is favorable, then the Veterans' Land Program will continue to purchase land.

LAND Commissioner Jerry Sadler says that a new program will operate on a current basis so that veterans will not have to wait to receive their contracts and necessary papers to purchase land through the program.

A veteran will be permitted to purchase \$10,000 worth of land compared to \$7,500 under the present program, Wilkins strongly urges that the people of this area go to the polls on Nov. 2nd and support Amendment No. 2, the continuation of the Veterans' Land Program.

VOTE FOR AMENDMENT 7

Exempts private charity hospitals doing at least \$1,500,000.00 in free work per year from ad valorem taxes except those paid to the State of Texas.

Exempts property only in the home county of hospital.

Money saved on taxes must go to charity work in the hospital.

Does not exempt state taxes.

Helps private hospitals to help Texans.

Vote For Vote Against (Pol. Adv. Pd. by Walter G. Sterling, Chairman)

City's ...

(Continued from Page 1) fourth in collections for CROP in the state of Texas. This included Houston, Dallas and other cities much larger than Hereford.

FUNDS collected in the annual campaign are used to buy food and milk for underprivileged peoples overseas.

Last week, officers were elected in both schools to head the program in their schools.

Junior high officers are Kerri Damron, president; Betty Hodges, secretary-treasurer, Greg Chism, arrangements chairman; Marsh Pittman, food chairman; John Martin, transportation chairman; Mark Woodwar, map chairman, and Jackie Meredith, publicity chairman.

Officers for senior high school are Jana Cole, president; Jo Frances Deavenport, vice president; Jean Roberson, secretary-treasurer; Sharon Garrison and Jane Messick, map co-chairmen; Shelly Rush, arrangements chairman; Margaret Adams, publicity chairman and Beverly Lemons, food chairman.

Senior high students will bring sandwiches and junior high students will bring cookies to the church to be served when the youth return from the drive.

Drinks for the youth will be furnished by the Coca-Cola Company.

Clearman said, "All contributions will be accepted gratefully - checks are preferred. They should be made out to CROP."

United ...

(Continued from Page 1) The goal this year has been hiked only \$200 although two agencies were added to bring the total of UF participating organizations to nine.

United Fund President Clint Formby and Drive Chairman Ed Skypala credited increased participation in the drive among the county's salaried workers as helping to boost the effort this year.

Employees of some 75 county businesses have participated 100 percent in the drive while a host of additional employe groups have showed almost 100% participation.

Overall, the center will boast 180,000 square feet of which 132,000 is included in the first phase of building. Parking is for 833 cars, a three-to-one formula, Rushing said.

The mall itself will cover some 20,000 square feet and is designed to handle auto and boat displays and that type of showings. It will be air conditioned, of course, covered with vaulted skylights and will create an atmosphere for pleasant shopping.

Architects for the first phase have been Oscar Shilling of Amarillo and the second phase, Whitaker and Hall of Lubbock. Construction company is James E. Walker Construction Co. of Lubbock.

FIRST IN SERIES Paper Boy's Motto Is Early To Rise

(Editor's note: Following is the first in a series describing the unsung heroes of the newspaper world, the paperboy, Hereford youths who deliver the Hereford Brand will be described in this and following articles.)

By TYLER VANCE Staff Writer

Winter snows, dogs, and many a sleepy yawn. These are in the memories of a faithful paper boy, Ray Oglesby, of 107 Sunset Drive. Ray has been a paperboy for two years now, and he says he has enjoyed every minute of it, well, almost every minute.

When Ray first started, he thought that 5 a. m. was no time to start a day, but after a while he got used to the early hours.

His first job on Sunday and Thursday mornings is to roll the papers. Ray now has 131 customers, so that means 131 papers to roll. This sounds like a time

What is the A.B.C.?

Chatting with a merchant the other day, we mentioned our "ABC figure."

"What," he asked, "is an ABC figure?" Perhaps what we told him will also interest you.

This newspaper is a member of the Audit Bureau of Circulations, an independent, nonprofit organization of nearly 4,000 advertisers, advertising agencies, and publishers.

Its purpose is to provide accurate and factual reports on the circulations of member publishers. In the advertising and publishing industry, the ABC insignia is often referred to as the "hallmark of circulation values."

At regular intervals, an ABC traveling auditor visits our office to check our records. The findings of this physical audit are embodied in an Audit Report published by ABC — the report literally tells us what our circulation is.

Virtually everything an advertiser should know about our circulation is found in this report, facts and figures without opinions.

Few retailers bother to ask to see a copy of our report, yet we want you to know one is available anytime you are interested in the quality and quantity of our circulation audience — the audience for your advertising messages.

What is an ABC figure? It is our way of assuring you that you get full measure for your advertising dollar in this newspaper.

MEMBER - AUDIT BUREAU OF CIRCULATIONS

By MELVIN YOUNG

Wow! That comment about the University of Texas must have struck a raw nerve. And whoever that bird was who erected the sign down San Angelo way saying "Tell a joke on the University of Texas and do a public service for the Aggies", didn't realize that UT students and exes were so loyal to their alma mater.

To top it off, we suspect that former Brand staffer Larry Fuhrmann, now a freshman student at the University of Texas, has long harbored a desire to write a letter to the editor, but could not due to his position with the newspaper. But now, as a student at the University, he is taking full advantage of his new found freedom. His letter follows:

The Editor
Sir:

In reference to the comment in the "Brandin' Iron" column which appeared in the October 21 issue of the Hereford Brand, "Heck after reading of some of the events taking place on the Texas campus lately, we sorta thought the whole place was a joke."

It can be safely assumed that this comment was made after reading of the most outstanding recent event on the campus of the University — the "death march" and related activities staged by the Students for a Democratic Society (SDS).

The group presented, in ultradramatic form, their opposition to the United States policy being followed in Viet Nam. Such

an item should hardly come under the heading of a joke. Considering the fact that the University of Texas provides a thinking, intellectual atmosphere for approximately 26,000 persons, I think a person referring to "the whole place" as a joke is way off base. Haughtiness and intolerance of another person's views does nothing but poison the person who dispelled the venom.

Thinking people are what keep this country alive. When people cease to think, they will cease to function in a free society such as ours. Members of the SDS shed new light on what is certainly not a laughing topic — the United States' involvement in the war going on in Viet Nam. But not only was the SDS active. Young Republicans didn't believe the get out of Viet Nam viewpoint was shared by the majority of UT students. As a result, a petition containing the signatures of some 3,000 students was sent to the leaders of this nation. The petition supported the United States' troops in Viet Nam. That's approximately 3,630 more persons than participated in the "death march". Students signing the petition were commended for their action by leaders of this nation.

A person who demonstrates his interest in public affairs, whether he be "liberal," "moderate," or "conservative," hardly deserves jeers from his fellow citizens. If anyone wants to make fun, I suggest that they laugh at the complacent, uninformed idiots who never show any interest in their country unless it affects them directly in the hip pocket. And this indeed is a sobering matter in itself.

It's time to cut out the laughs; active political thinking is an asset to this country. It shows we're not dormant. If more of the citizens who are parts of the established political beliefs in this country would take an active part in promotion of the same, such groups as the Students for a Democratic Society would receive a much smaller portion of the publicity allotted them in our news media.

But don't laugh at persons — or institutions — that exhibit their interest in this country and its future. Don't laugh because somebody believes in a cause different from your own. Jeers should be directed to those whose apathy could be the downfall of our nation.

Don't laugh at the University of Texas, or other schools for that matter, because it is dead, or because someone there has the guts to say what he thinks. Do you ever wonder if maybe they're smarter than you? Do you ever wonder if maybe they're more concerned than you are? Have you ever wondered if they might be right?

Sincerely,
Larry R. Fuhrmann
—HB—

And perhaps young Fuhrmann is right.

Someone once said that "generalities aren't worth a damn". Most of us however, are guilty of generalizing. We jump on the teaching profession because there are a few "lazy ones" in the group, or we condemn the teenagers because of a few delinquents. We criticize the newspaper and television industries because of a few left-wingers

RESCUE WORKER—A 24-year-old Hereford man was trapped beneath a large caliche crushing machine near Hereford Monday as rescue workers spent some 45 minutes in an attempt to free him. See story on page one. (Staff Photo)

...or, because of some on the other end of the pendulum... in general, we generalize too much. And we'll admit that we're certainly guilty of this concerning the University of Texas.

Only 63 students, according to our information, belong to the organization known as the Students for a Democratic Society. And we really don't know that there is anything wrong with the SDS. We do know, if we can believe what we read in the University newspaper, that the students belonging to this organization were demonstrating against the United States policy in Viet Nam — a policy which we wholeheartedly endorse.

Certainly it's hard for most of us to reconcile the loss of hundreds of American lives in the far-off jungles and rice fields of Viet Nam. Like most of the people of the United States, we'd much rather live and let live — to live in peace with our neighbors, but not to live in bondage. And we don't believe that anyone else would want to throw up their hands and say "we quit."

The fact that these students are demonstrating does point up one fact — that no battle, ideological or other wise, was ever won by sticking our heads in the sand. Victories are won by fighting for them... not by folding up the tent and going home.

Sure, we're losing some lives in Viet Nam. We also lost many lives in Korea. Many thousands more died in World War II. And for this reason, we all live in a free, democratic society today, rather than under the heel of Nazism or Communism.

We wouldn't want to deny anyone the right to "think", or even to demonstrate for their ideals. But while they're thinking, they might reflect a little on the 11-million-plus men and women in World War II who didn't burn their draft cards, and who didn't bother to demonstrate, but

packed their cases and reported for duty. And they might remember too, another group of young men, probably in their early twenties, who participated in another great march. It too was called a "death march", and with much more meaning. The stakes were a little higher.

They were the survivors of the Battle of Bataan and their ultimate destination could be nothing better than a Japanese prison camp. More likely a shallow grave in the Philippine jungles.

We're not laughing at the University of Texas. We think it's one of the finest schools in the nation with an outstanding group of students. We do wonder about the state of the nation however, when we read of mass student demonstrations. We wonder if they realize fully why they are demonstrating? We wonder if sit-ins, walk-ins, lay-ins, lock-outs, and even a "death march" is the right way to prove a point?

—HB—

So much for the University of Texas.

We've sworn-off telling political jokes too. The last one we told got elected.

—HB—

Mr. and Mrs. Click visited in Center, Colo. last week with Dr. and Mrs. L. B. Barnett, who now farm in the Center area. Mrs. Click said that the Barnetts were in the midst of harvesting potatoes and beets. The potatoes by the way, being quite large — between 3 and 4 pounds each.

They returned home last Thursday night.

—HB—

And speaking of Colorado, we understand that quite a few Herefordites have just returned from that state where they have been deer hunting. Joe Easley has just returned, as well as Leroy and Hilrey Aven, Arnold Wall and "Doc" Carter. All report good hunting.

And that reminds me of a story Mayor Ray Cowsert told on himself the other night.

According to the Mayor, he decided to go deer hunting in South Texas some 30 years ago, and found the game plentiful. "I killed a deer right away", Ray says, "and then I put my rifle down, went down the hill

Ms. J. D. Fisher spent last week in the home of her daughter, Mrs. J. E. Sorrella, who accompanied her to her home in Amarillo Saturday.

Mr. and Mrs. Elmer Northcutt attended church at Frisco Sunday and were guests of the Jack Clarks for dinner afterward.

Mrs. S. N. Thweatt was hostess for a home products party recently. She served refreshments to Mrs. John Hill, Phillips, John Jones, W. L. McCuller, H. D. Buse, Eldred Brown, N. A. Brown, Elmer Northcutt and Glenn Hitzler, also Mrs. Bill Page and Loyd Battey of Hereford. Mrs. Battey was in charge of the entertainment.

Slugging outfielder Don Lock of the Washington Senators was brought into organized baseball by the New York Yankees.

Coach Marv Grissom of the Los Angeles Angels compiled a 47-45 major league pitching record.

Legal Notice

THE STATE OF TEXAS
 Plaintiff, Greeting:
 To: Jack Gordon Brackner De-
 You are hereby commanded
 to appear by filing a written
 answer to the Plaintiff's Peti-
 tion at or before ten o'clock
 A.M. of the first Monday after
 the expiration of forty-two days
 from the date of the issuance
 of this citation, same being
 Monday the 29th day of Novem-
 ber, 1965, at or before ten
 o'clock A.M. before the Hono-
 rable District Court of Deaf Smith
 County, Texas, at the Court
 House of said County in Here-
 ford, Texas.
 Said Plaintiff's Petition was
 filed in said court, on the 27th
 day of August A. D. 1965, in
 this cause, number 4993 on the
 docket of said court, and styled,
 Charline Everlee Brackner
 Plaintiff, vs. Jack Gordon
 Brackner Defendant.
 The names of the parties to the
 cause are as follows:
 Charline Everlee Brackner is
 Plaintiff
 Jack Gordon Brackner is De-
 fendant.
 A brief statement of the na-
 ture of this suit is as follows,
 to-wit:
 Being a suit for divorce on
 the statutory ground of cruel
 treatment in which the Plaintiff
 seeks a divorce from Defend-
 ant and any and all relief to
 which she may be entitled as
 is more fully shown by Plain-
 tiff's Petition on file in this suit.
 If this citation is not served
 within ninety days after the date
 of its issuance, it shall be return-
 ed unserved.
 The officer executing this pro-
 cess shall promptly execute the
 same according to law, and
 make due return as the law
 directs.
 Issued and given under my
 hand and the Seal of said Court,
 at office in Hereford, Texas, this
 the 12th day of October A.D.
 1965.
 Attest:
 Lucille Posey, Clerk
 69th Judicial District Court,
 Deaf Smith County, Texas.

FAMILY 'MEDICINE SHOW'
 NEW YORK (AP) — the
 Broadway production in January
 of "Medicine Show" is to involve
 four members of one family.
 Richard Dana, TV program
 supervisor for an advertising a-
 gency, and his wife, Mildred, are
 to sponsor the \$125,000 project.
 The play was written by Dana
 and Gerald Kean.
 Playing the lead role will be
 the couple's daughter, Barbara
 and the director is to be her
 husband, Alan Arkin.
 Dana is sanguine but realistic
 about the enterprise.
 "I think in a family enterprise
 there is always a certain amount
 of tugging and hauling," he re-
 marked. "However, I have an
 admiration for the talents of
 everyone involved."

WANT ADS

Join the smart, appreciated
 husbands who've discovered
 the modern way to do more
 for their families by selling
 the worthwhile things that
 aren't being used and en-
 joyed. Classified Ads do the
 job quickly, inexpensively—
 and, it's easy too.

First step to welcome cash
 for things you want and
 need? Check your home and
 make a list. Others have sold
 spare TV sets, bedroom suites,
 typewriters, cameras, baby
 equipment and furniture,
 power tools, good but out-
 grown clothing, musical in-
 struments, sports equipment
 and dozens of other things
 that other families need — and
 watch Classified for.

After you have your list, dial
EM 4-2030 . . . A competent,
 courteous Ad Writer will help
 you place a result-getting Ad.

Call today to place your ads,
 and take a tip from successful
 family Classified users: Don't
 lose money by storing away
 things you aren't using! Sell
 them with Classified Ads the
 very day you discover they
 have served their purpose. The
 newer and nicer an article is—
 the quicker it sells, and, of
 course, for a better price.

Start your plan for better
 living now. Make your list,
 and put **BRAND Want Ads**
 to work for you today.

State Attorneys Ready To Defend Texas Poll Tax Law

By VERN SANFORD
Texas Press Association

State attorneys are set to make a hard-nosed defense of the Texas poll tax law now under federal court attack.

Pre-trial conferences in the suit were held quietly here and in San Antonio last week (Oct. 21). Trial date has been postponed from mid-November to December 1 in order to allow both sides time for preparation.

Assistant Atty. Gen. Hawthorn Phillips scheduled a fight to Washington this week to take a deposition from U.S. Atty. Gen. Nicholas Katzenbach in effort to show that Katzenbach once testified before Senate Judiciary Committee that Texas' poll tax is not discriminatory toward Negroes.

IN VIEW of late trial date and certain appeals to U.S. Supreme Court regardless of initial ruling here, the three-judge trial court issued a statement in effect advising Texans who want to be sure they qualify to vote in state and local elections next year to pay their poll taxes.

Leaders of massive poll tax drives just now getting under way already had concluded here was no other safe course.

Outlook now is that if repeal is ordered, first major state and national elections affected will be those of 1968.

WORKMEN'S COMP RATE
State Insurance Board staff has recommended revised workmen's compensation rates that will result in average reduction 2.9 per cent for Texas employers.

RATES FOR some of 600 categories will advance, others will be substantially slashed. Overall effect is a decrease. Same rating formula produced a 2.3 per cent increase last year. Board Chairman Wm. Hunter McLean concluded that the industrial safety record of Texas businesses has improved.

Board Thursday (Oct. 21) held public hearing on the recommended slash, which would reduce premiums about \$4,500,000 next year.

ATTORNEY GENERAL RULES
Atty. Gen. Waggoner Carr cleared the way for state participation in two federal welfare programs.

In one opinion, he held that State Department of Public Welfare can pay out of federal allocations cost (estimated at \$5,000,000 a year) of training adults to become self-sufficient.

In another he said Department can set up advisory committees, with state agency employees as members, and pay their travel expenses out of federal allotments when they are working on such federal programs as day care services for children.

Other rulings by Carr held that Department of Public Welfare may make a contract with a private insurance company for the protection of trainees on various projects and pay for the premiums with money from the Economic Opportunity Act of 1964.

A substitute member of a joint board appointed by the Interstate Commerce Commission is not a federal employee and he may receive his salary for his services as an examiner for the Texas Railroad Commission. NO LICENSES is required for a beauty shop at the rest home operated by Order of Eastern Star for retired members. Mixed fertilizers must be reg-

istered prior to distribution, but those falling below minimum chemical content (less than 24 per cent of nitrogen, phosphorus or potassium) cannot be registered.

Dallas County school trustees are not liable when school buses are used for extracurricular activities under outlined procedures.

Jefferson County auditors maximum salary is \$15,000, with a minimum of \$1,200 allotted for his service to special districts.

COLLEGE BOARD MEETS
During its second meeting, the new Coordinating Board, Texas College and University System, unanimously endorsed proposed constitutional amendments to create \$85,000,000 student loan fund and to boost state property tax five cents for building purposes at 17 institutions.

BOARD also heard report that public junior colleges face potential financial crisis due to a 35 per cent jump in enrollments and fixed level of appropriations.

Members certified adequate financing is in sight for new higher education programs approved by Board's predecessor agency and gave clearance to a million dollar repair program for 1966.

They further agreed to participate in the new federal program to establish regional technical services and accepted job of administering the higher education facilities (building aid) act.

Board will meet again on November 15.

APPOINTMENTS
Gov. John Connally named Dr. Noble Price of Lamesa and Dr. William Kemeth Thurmond of Fort Worth to State Board of Health. He reappointed Dr. Hampton C. Robinson, chairman, to another term.

Dr. Price succeeds Dr. Vance Terrell of Stephenville and Dr. Thurmond succeeds the late Dr. Gus Pinkerton of Tyler.

Dr. Richard M. Botard of Kingsville and Dr. Kenton R. Fickes of Houston have been appointed by the Governor to the State Board of Veterinary Medical Examiners. They succeed Dr. Max Pachar of Orange and Dr. Victor L. Kothmann of Mason.

AL RAMIREZ, Mayor of Edinburg, is Connally's choice for Deputy Director of Migrant Programs in the Texas Office of Economic Opportunity. He will coordinate all migrant-related programs under the Economic Opportunity Act.

Victor B. Fain, publisher of the Nacogdoches Daily Sentinel, was named a member of the Texas Commission on Indian Affairs, succeeding the late W.R. Beaumier, publisher of the Lufkin Daily News.

Three members, reappointed to the Board of Regents of Lamar State College of Technology are Garland Shepherd and J.B. Morris of Beaumont and A.H. Montague of Orangefield.

Edwin N. McKay of Waco has been named Legislative Director for the Texas Farm Bureau. He is charged with coordination of state and national legislative activities of the Bureau and policy development of its training programs.

TEXAS Hospital Association appointed Spencer Guimarin of Austin as director of its \$12,000,000 health careers program, designed to recruit youngsters into health service.

State Bar of Texas named Walter C. Holloway IV of Dallas as its assistant general counsel.

BEAUTIFICATION ACT STUDY

Lt. Gov. Preston Smith, concerned with security of federal highway funds for Texas, asked the Legislative Council to make a study of the new Federal Highway Beautification Act.

Act would control outdoor advertising and junkyards along highways and provide for landscaping and scenic enhancement. States failing to comply by January 1, 1968, would be penalized in federal aid allotment.

ABOUT 17,500 miles of interstate and federal-aid primary highways in Texas are affected by the law. Smith asked the Council to determine effect on city zoning ordinances and type of new state legislation needed to comply.

COURTS SPEAK
Fifty-third District Court here approved settlement of suit brought by a West Texas group to halt construction of \$20,000,000 Robert Lee Dam in Coke County.

Out of court settlement guaranteed Colorado City water service equal to that of cities in Colorado River Municipal Water District. City had filed suit to cancel the permit for the dam granted by Texas Water Commission on September 1.

STATE SUPREME Court agreed with lower courts that state has no authority to require Southern Pacific Railroad Company to employ five-man and three-man train crews because they operate in interstate com-

merce.

RAIL CAR SHORTAGE
A critical shortage of rail cars confronts the West Texas grain harvest areas, reports Agriculture Commissioner John White.

White said top officials of three railroads assure that priority consideration is being given to sending new hopper cars to the loading areas.

WEST TEXAS problem is part of nationwide shortage of rail cars for moving harvest from temporary storage to major shipping points. Shortage, White said, leads to increased handling costs and sometimes vulnerable exposure of crops awaiting shipment.

SHORT SNORTS
Governor Connally announced approval of two Neighborhood Youths Corps projects in Jim Hogg County and one each in Del Rio, Manor and Laredo.

Securities Commissioner William M. King reports 55 companies were issued permits to sell \$24,131,325 in securities during September.

George W. Busby, inspection and planning chief for Texas Department of Public Safety, has been named to governing board of American Association of Motor Vehicle Administrators.

NEW GOVERNOR'S Committee on Aging held its first meeting here, studied ways of implementing Older American Act and removal of seniles from state hospitals.

Hearing is set for December 29 on application for state authorization of Fayette County Savings and Loan Association, La Grange.

Attorney General Carr announced recovery of \$35,200 in judgments from a Shreveport defendant for allegedly drilling and operating slanted oil wells in Rusk County.

DEATH RATE on Texas highways fell from 942 for the first nine months of 1964 to 744 for the same period in 1965 which the Texas Highway Department credits to safer multi-lane divided highways with a decreased number of grade crossings.

Eighteen city, county and water district officials from Hous-

Hereford High-Jinks

by Randy Hopson

It has been unusually quiet around school all week long. The halls haven't even been crowded. It takes awhile to realize what's missing and then you notice that everyone seems to be an upper classman. Monday and Tuesday the Juniors were busy at work emptying their heads of all knowledge. Wednesday the Freshman and Sophomores began taking tests.

Don't feel neglected Seniors, those ACT tests are coming up shortly. Wouldn't it be nice if we could just skip those by?

It's not hard to tell that school is really in progress. All you need do is pick a locker at random and stand back as you open it.

It's fun to guess what all of the lockers contain and how anyone managed to get all of that stuff in there.

WYNN BUCK has had the cast removed from his arm. Rumor has it that he may get to see action in the Muleshoe game. With him as an addition to our already great team we should really go places!

Don't forget Ma Lemons. She has done so much to make the Community Center like home.

The Herd will play Perryton there Friday night and we are lucky enough to have the opportunity to see the game. Buses will take the students for a small

fee of 50 cents, and if you buy your tickets at school you can save a quarter. Support your team and make the trip to Perryton.

Mr. Richard Jackson, choir director, entertained some of his classes with some piano music Wednesday. One of the selections was "Yesterday". Mr. Jackson likes some of the music that is popular among high school students. Yeah, Mr. Jackson.

SENIORS are starting to exchange their pictures. It really is a strange feeling to be experiencing so many things we've grown to appreciate for the last time.

Hereford High should be commended for having such sensible students. Ours is a school where there are such minor problems that we should appreciate our good fortune.

H. H. S. is fashion conscious but not to the point where it is over-done. The girls are in the top style but they don't look exaggerated as many tend to do. Thank goodness, we can still tell who the boys are! Personally I am very proud of H. H. S., for being fashionable yet sensible.

Don't forget the game Friday. If you can't attend, give the

The Hereford Brand, Hereford Texas, Thursday Oct. 28, 1965

team all of our support in pep rally.

I'll be out of town over the week-end so until next Thursday. **BEAT PERRYTON!** -Randy

Student Receives Cash Scholarship

A cash scholarship has been awarded to John Stanley Fuhrmann of Hereford, graduate student in the School of Business at the University of Texas, among recent awards to 38 students. Fuhrmann is the son of Mr. and Mrs. R. L. Fuhrmann, 505 Union.

He has won a series of scholarships since he began study in the University, beginning in his freshman year. He is now

working toward a doctorate. His high school work was done in Hereford.

Ex-students of the School of Business, companies and foundations contributed to the \$29,000 scholarship fund which was awarded to candidates for master's and doctor's degrees. Fuhrmann's award was for \$600.

When you are making a custard sauce in a double boiler, don't let the water in the bottom of the boiler touch the pan over it; and use simmering, not boiling, water.

(Pub. Adv. Pl. by Walter G. Stelling, Chairman)

Dance Music Is Subject Of Study Club Program

Music composed for social dances was played and discussed on the program of the Music Club Monday afternoon, when Mrs. H. K. Fox and Mrs. Richard Jackson were hostesses in the former's home. Mrs. Paul Lyons was program director.

She noted that the heart-beat of music is rhythm, a basic element with universal appeal. Forms of the social dance can be traced from earliest folk dances to sophisticated dances such as the waltz, and nationalistic dance patterns, she added.

Illustrating her talk were musical numbers on the program. Mrs. Dick Godwin sang Mousorgsky's Hopak and the Habanera from Bizet's opera, Garmen, with Mrs. Joe Hacker as accompanist.

Mrs. Hacker played three dances of the French Suite by Bach and Mrs. Ellis Combes played Chopin's famous Minute Waltz. The program opened with repetition of the club collect and singing of the National Anthem by the group.

Plans for representation at the annual convention of District I, Texas Federation of Music Clubs, in Amarillo Friday were made. Mrs. Godwin will take part on the program, responding to the welcome address and singing at luncheon. Her selection will be Midsummer, by Amy Worth.

Mrs. T. W. Roberson is the club delegate and Mrs. W. S. Fisher alternate. Mrs. A. O. Thompson is a district board member, as chairman of special memberships.

Mrs. Bill Bradley was in charge of the business session. Mrs. D. W. Palmer was welcomed as a guest.

Members present included Mmes. T. W. Carmichael, B. Y.

Nurse Corps Needs Cited

To meet an urgent and continuing need for professional nurses, the U.S. Army Nurse Corps offers various career benefits not available outside of Military service.

Registered nurses presently studying toward a bachelor's or master's degree may receive an officer's commission as a second lieutenant, continue their civilian schooling at government expense and still receive full Army pay.

Registered nurses who have already acquired higher degrees in nursing, may be commissioned in a rank higher than that of a second lieutenant.

Student nurses, upon graduation from nursing school, and after being commissioned as an officer, may continue their studies toward a bachelor's or master's degree at government expense while receiving their Army pay.

Further information on career benefits and qualification requirements may be obtained from SSGT Terry Cashel at 114 E. 9th Amarillo or by calling collect 1-806-Dr3-4214.

Display Date Set For Art

Dates were set for an art show and sale Nov. 18-21, at a meeting of Hereford Art Guild Tuesday evening in Community Center. The show will be held in a downtown building. Ruby Lee Hickman is general chairman of arrangements being made by Guild members.

Qualities of the Medium of Water Color was the program subject Tuesday, discussed by Iva McWilliams. She included a demonstration on tonality of water color painting.

Autumn scenes painted by seven members were on display. Jeanne McGee and Ruth Kerr led a discussion and evaluation of these works, which were by Mildred Guinn, Jan Harper, Carrie Mae Doak, Lou Boskley, Bess Werner, Mrs. McWilliams and Mrs. McGee.

Edna Earl Smith and Barbara Schaffner were hostesses for the meeting, which was attended by two guests and 17 members.

Assignment for the next meeting, Nov. 23, is a picture in black and white from each member for the evaluation session. Eunice Petersen will be the speaker on Composition. Business will include appointment of a nominating committee.

West Hereford H. D. Club Hears Talk By Member

Mrs. Alice Cox presided at a meeting of West Hereford Home Demonstration Club in the flame Room of Pioneer Gas Building and presented the program on family recreation Tuesday afternoon.

She quoted the slogan, The family that plays together stays together, and suggested types of recreation which adults and children can enjoy together. Her talk was closed by reading Edgar A. Guest's poem, Home.

Hostesses were Mmes. N. E. Gas and Vern Witherspoon. Others present were Misses Mary Brady and Evelyn Bell, Mmes. Vida Jacobsen, Blanche Hardin, M. L. Wesson, W. A. Waters, Robert Boyd, Roy Boyd, Arlie Frost and Alice Brady.

The place will be the same for the club's next meeting, Nov. 9.

Cultural Club Gives President Another Term

Mrs. J. D. Love was re-elected president of Cultural Home Demonstration Club at a meeting last week with Mrs. Roy Thompson as hostess. Mrs. Louise Olson was named vice president and Mrs. Grady Parsons secretary-treasurer.

Mrs. Viola Williams was chosen Council delegate and Mrs. J. G. Gandy alternate. Mrs. Art Lewis reporter and Mrs. Ira Scott parliamentarian. Other business included plans for the Club's Thanksgiving dinner at Community Center at 7:30 p. m. Nov. 18.

Mrs. Pat Robison presented the craft demonstration on making flower balls with artificial blossoms and leaves on a foundation of styrofoam. She showed how to hang one on a chain or velvet ribbon for bedroom or bathroom decoration and said they make attractive, unusual gifts.

Eight members were present. The next meeting was announced for Nov. 12 in Mrs. Williams' home. Unusual gifts will be displayed.

Family Games Taught To Club

Games suitable for family recreation were played under direction of Mrs. Elmer Northcutt, program director at a recent meeting of Messenger Home Demonstration Club. Mrs. W. L. McCullar won a game to guess contents of a jar and tied with Mrs. N. A. Brown in un-scrambling words.

Members voted to change the date of the next meeting to Nov. 8, when a lesson on candy making will be given. The annual Thanksgiving supper was scheduled for Nov. 12 at the school. Mrs. H. D. Buse presided for business.

Mrs. J. E. Sorrells was hostess in her home. Her mother, Mrs. I. D. Fisher of Amarillo, was a guest.

Guest Reviews Book For Club

Bay View Study Club members heard Mrs. Clint Formby, a guest, review Zoe Oldenbourg's biography of Catherine the Great at a recent meeting in the home of Mrs. Dexter Lillie.

The reviewer gave a dramatic picture of Russian court life in the eighteenth century when Catherine was one of two strong queens who ruled the country, even though the throne was occupied for many years by Catherine's weak husband.

Mrs. Ansel McDowell, president, conducted a brief business session.

Other members present were Mmes. R. B. Miller, E. J. McMillan, W. S. Kerr, A. M. Jones, Howard Gault and Bruce Burney.

Temple Baptists To Hear Guest

The Rev. Tommy Phelps, pastor of the Baptist Church at Inspiration Point in the Fort Worth-Dallas area, will be the guest preacher at Temple Baptist Church here at both Sunday services.

A recent graduate of Southwestern Baptist Seminary at Fort Worth, Rev. Phelps has done evangelistic work as well as serving as pastor.

Pete Progress

speaking for the Deaf Smith County Chamber of Commerce

By BILL THOMPSON
Chamber Manager

"Businessmen by-and-large are honest and hard working people. They exemplify the spirit of the free enterprise system that has made the American way the model for the world. It is unfortunate that a few discolored the image for the many but it is true in most every profession, occupation or business.

"Better Business Bureaus, voluntary associations of businessmen banded together to attempt self-policing and to set ethical standards of advertising and promotion for the retail and service trades, have won the praise of six presidents of the United States — Wilson, Hoover, Truman, Eisenhower, Kennedy and now President Johnson"

Pete commented the other day. He showed us a recently released letter from President Johnson which is reproduced here:

Dear Mr. Nyborg:
I am pleased to commend the Association of Better Business Bureaus International on the many valuable services that its Bureau provides throughout the United States and in other countries.

The Association's continued promotion of ethical business practices in advertising, selling, investments and fund raising, plus the handling of nearly three million consumer complaints and inquiries annually, are services from which all of us may benefit. The American consumer has

profited greatly from the Bureau's efforts to expose deceptive and unfair business practices, and from their cooperation with Federal, State and local authorities in the investigation and prosecution of frauds. The Bureau's advocacy of informative advertising and sound business-consumer relations has done much to prevent the spread of such practices.

The long time support by our business community of the Association's drive for self-regulation and fair play for more than a half century is both a tribute to its own integrity and a recognition of the unique and significant role it has played in the development of public confidence in our free enterprise system.

Sincerely,
Lyndon B. Johnson

"The Chamber of Commerce of Deaf Smith County is affiliated with the Better Business Bureau of Amarillo and with the National Better Business Bureau.

"From those two agencies the Chamber is able to obtain much valuable information to protect local members of the

Chamber of Commerce and the public as a whole from rackets flourishing in this area," Pete said, but hastened to add "but it is not itself acting as a Better Business Bureau. A Better Business Bureau has a staff of competent investigators, a legal staff and special training somewhat similar to police work — though they have no police powers.

"The local Chamber cannot and does not investigate local consumer complaints. This is not the function of the Chamber nor does the staff have the training to do so. The Chamber of Commerce is a community building organization. Its only reason for belonging to the two Better Business Bureau organizations is so that it can perform the service of information.

"Any business or individual who needs information about a charitable solicitation, about a business or service can request the Chamber to secure that information.

"If the information requested is so urgent that a wire or long distance call is required the requester is required to accept the charges.

"In line with this information

the most recent issue of the Amarillo Better Business Bureau bulletin reports the following suggestion and advises:

During the Christmas season many groups plan charity projects. This is certainly one of the real joys of the season — to help a needy person or organization. But the BBB WARNS — MAKE SURE YOUR CHARITY DOLLAR GOES TO CHARITY.

Here is an example: Some unselfish Amarillo people planned to raise money for Christmas baskets to give to needy families. They contracted to sponsor a program in the Municipal Auditorium featuring Tommy Scott's TV Brandstand and Radio Show.

This show had been well received in such metropolitan areas as Sarnia, Ontario; Trenton, Nova Scotia; Calais, Maine and Edmunston, New Brunswick. Tommy Scott, the leader of the show, lists his home as Toccoa, Georgia.

By the agreement, the local group would receive 25% of the gross profits and would pay for the installation of phones for the Boiler Room operation (over \$100) and the

auditorium rent (\$80).

Local businesses would be contacted and asked to buy blocks of tickets. The BBB advised this local group to cancel the project for the following reasons: (1) a show of this type would not be a selling point to Amarillo people. The show itself would be poorly attended. (2) The majority of people who purchase tickets would be doing so only as a donation. Yet, of each dollar donated, less than 25% would go to the cause for which it was intended. (3) If high-pressure tactics were used in the sale of these tickets, it could injure a number of good business friendships — a high price to pay for a few hundred dollars worth of Christmas baskets.

Thank you, Pete for this explanation of the role of the Chamber of Commerce in relation to Better Business Bureau operations.

Add barbecue-type seasonings to condensed tomato soup and heat; add frankfurters whole or cut in chunks) and reheat. Serve if you like, on halved toasted buttered frankfurter rolls.

Combine chilled pineapple juice and cranberry juice take them from the pantry shelf and give them a quick chilling by adding ice cubes and beverage to serve to unexpected guests. If the cans aren't ice before it dilutes the drink on hand in the refrigerator, just too much.

ACCIDENT SCENE—Rescue workers spent some 45 minutes working to free a man who became tangled in this large caliche-crushing machine near Hereford Monday. After being freed by rescuers working with cutting torches and jacks, Glen Polk, 24, was taken to Deaf Smith County Hospital for treatment of a seriously injured arm. (Staff Photo)

Adrian News

By ANN BEAVERS
Brand Correspondent

Mr. and Mrs. Charlie Cross and children of Chicago, Ill. visited the E. B. Pounds family this week and also visited friends in Adrian.

Mr. and Mrs. J. E. Jones of Amarillo are the parents of a son, born Oct. 17 in St. Anthony's Hospital. He weighed eight pounds. His name is Sammy Dean.

Mrs. Ruby Poor of Tucumcari visited Tuesday with the Bob Crawford family. A Sunday visitor in the Crawford home was Mrs. Lowell Gibson of Amarillo.

Mr. and Mrs. Charlie Pulliam, and Charlene and Larry visited Sunday in Ady with Mr. and Mrs. Alford Pulliam and Mr. and Mrs. Henry Pulliam. Mr. and Mrs. Carl Higgoon, Mr. and Mrs. Virgil Vandever

and Richard of Amarillo visited also.

Mr. and Mrs. Donnie Morgan of Dallas, Mr. and Mrs. Skippie Morgan of Canyon visited the Don Morgan family over the weekend.

Mmes. Norman Jacobson, Ed Jacobson, Lorin Creitz and L. H. Brotherton attended the District Council of Church Women at the First Christian Church in Hereford last Friday.

Mr. and Mrs. Dave Sellars are visiting in Houston this week with Mr. and Mrs. R. O. Sellers. They attended the Southern Baptist State Convention and also visited in Ft. Worth with Mr. and Mrs. D. F. Lefils. While they are gone Russ is staying with the Grady Skaggs family and Cris is staying with the Alford Jobe family.

Mrs. Pearlene Harris underwent surgery in Shattuck, Okla. las week and is now recuperating at the home of her parents, Mr. and Mrs. F. W. Shyuler in Woodward, Okla.

Adrian P-TO held a volleyball tournament last weekend to raise money for an intercom

system and the athletes' banquet. They made around \$370. In the ladies division the Adrian Pioneers won the first place trophy, the Adrian Gyros second and the Yega 404 R's won consolation. In the men's division the Adrian Do-gooders won first, Thangs won second and the Travelers won consolation. The Adrian P. T. O. has expressed thanks to everyone who donated food, time, and effort that it took to make the tournament possible.

Mrs. Ruthie Gruhkey and Mrs. Alma Zaring honored Mrs. Joe Speed with a birthday party Saturday night in the M. H. Zaring Jr. home. Those attending were Mr. and Mrs. George Gruhkey and family, Mr. and Mrs. Bobby Speed of Vega, Mr. and Mrs. Joe Speed, Mr. and Mrs. Paul Jackson of Amarillo and the Zaring family.

The first High School basketball game of this season will be at 7 p. m. November 5 at Hedley.

The Adrian Junior High School basketball teams will travel to Walcott Thursday night to play at 7 p. m. on November 4. Walcott will come to Adrian for the

fourth game of the season.

Adrian Jr. High School basketball teams traveled to Bushland Oct. 21 and won both games. The girls won with a score of 38 to 23. Jackie Loveless was high shooter for Adrian with 13 points and Kenda Lamkin made 10 points for Bushland. The score for the boys game was 36-21 with Bobby Brown making 18 points for Adrian and Dillard 9 for Bushland.

Mr. and Mrs. E. E. Allen visited in the Childrens Home at Amarillo Sunday with their grandchildren, Chester and Keith Wood, James Sanders and Mike of Amarillo visited in the Allen home Sunday.

Friday visitors in the E. E. Allen home were old school chums of Mrs. Allen, they were Mr. and Mrs. Travis Downing, Mr. and Mrs. W. T. Downing and Elvis Kirby, all from Winters, and Mr. and Mrs. Johnny Townsend of Hereford.

Mrs. Bob Gruhkey took her daughter Martha and Joan Lane to Amarillo Tuesday and they attended a show and had dinner. It was Martha's 18th birthday. Mr. and Mrs. C. D. Pond

joined them in Amarillo.

Mr. and Mrs. Glen LaPlant of Arlington, Wash. were Sunday guests of Mr. and Mrs. George Grunkey and family.

Mr. and Mrs. George Grunkey went to Conchas Dam Sunday and brought their boat home to store it for the winter.

Mr. and Mrs. L. E. Garrison and children and Dude Speed spent last week in Dallas at the Fair. They took 5 calves and brought home 5 blue ribbons.

Mr. and Mrs. Earl Kromer were Sunday dinner guests of the V. E. Lemke family.

Mrs. Kenneth Loveless and children from Canyon visited the Manuel Loveless family Friday. Also visiting the Lovelesses were Mrs. Chubby Sasser and children of San Jon, N.M.

Joe Shields is home in Amarillo from the hospital and is doing as well as could be expected.

Mr. and Mrs. Bob Lotspeich

Beta Sigma Phi Pledge Ritual Plans Complete

Climaxing the annual fall pledge season, Xi Epsilon Alpha and Kappa Iota Chapters of Beta

Sigma Phi will join in rituals for new members at a meeting in Community Center at 8 p.m. Tuesday. This program will replace the usual separate chapter sessions.

Pledges were honored at a Preferential Breakfast of Kappa Iota Chapter Sunday morning in the Calson House. Mrs. Jack Straw presented rosebuds signifying their choice for membership to Mmes. Duke Powell, Gene Deal, Max Goforth, David Hamblen, Bob Kinsey and George Rowe.

Mrs. Charles Bell was the speaker with the year's theme of the sorority, Crown Every Moment, as her topic. She sketched history and purposes of Beta Sigma Phi and challenged the pledges to meet its goals. Mrs. Bell is a member of the local exemplar chapter, Xi Epsilon Alpha.

Welcome to the new members had been voiced by Mrs. Harold Kids, Kappa Iota president, after Mrs. Edwina Duncan said the Beta Sigma Phi grace.

Hospital Notes

Patients in Hospital

Miss Jeanette Roe, Rt. 1; Mrs. Susie Tiefel, 336 East Fourth; Francisco Abalos, Box 283; Glen W. Polk, 311 Ave. F; Mrs. Gerald L. Hamby, Rt. 2; Miss Linda Kaye Hammett, 313 S. 25 Mile Ave; Lynn C. Kester, Box 168.

Mrs. Leona Packard, Rt. 3; Friona; Leticia Morales, Box 483 Albert Gonzales, Rt. 2; Mrs. Gary L. Wilson, 432 Star; W. J. Nazworth, Friona; Mrs. Pete Flack, 206 Lawton.

Karen Downey, Rt. 5; Eual H. Bradford, 229 Ave. D; Mrs. J. H. Morgan, 316 Ave. I; P. A. Lance, Farwell.

Patients Dismissed

Mrs. Bill W. Carthel, A. L. Hewitt, Mrs. Charles P. Newell, 10-27.

Alice Moya, Douglas Roberson, Mrs. Kenneth W. Huggins, Mrs. Alvino Barrera, Mrs. Sam P. Provence, Mary Lou Soto, Mrs. Victor Estrada, Zoila Martinez, 10-26.

Mrs. Grover Durham, Dudley Bayne, Mrs. Mary Lou Olds, Mrs. Conrado Cordero, Mrs. Oscar O. Lanier, 10-24.

Mrs. R. R. Stewart, Mrs. Harry H. Smith, Mrs. J. L. Woodford, Eulalio R. Garcia, E. H. Bales, 10-23.

of Hale Center visited in Adrian Sunday.

Mr. and Mrs. Bob Lotspeich of Hale Center visited in Adrian Sunday.

Mr. and Mrs. Fred Robinson and son of Claude visited the John Whaley family Sunday.

SP5 Harry Whaley was discharged from military service Saturday and is home with his parents, the John Whaleys. He had been in Germany three years.

Look Who's New

Mr. and Mrs. Pete Flack are the parents of a son, Peter Allen, born Oct. 28. He weighed 6 lbs. 12 ozs.

Mr. and Mrs. Gary Lee Wilson are the parents of a daughter, Cynthia Rene, born Oct. 25. She weighed 7 lbs. 6 2/4 ozs.

Mr. and Mrs. Gerald L. Hamby are the parents of a son, Jeffrey Scott, born Oct. 25. He weighed 7 lbs. 3 ozs.

Mr. and Mrs. Joseph Herman Morgan are the parents of a daughter, Becky Jo, born Oct. 24. She weighed 6 lbs. 1 1/4 ozs.

RETURN FROM VISIT

Mr. and Mrs. D. H. Alexander returned Monday from a weekend visit with their daughter, Mrs. Joe Hudson, and granddaughter, Mrs. Jim Hamilton, and their families at Seagraves. Mrs. Hudson had just arrived home after a trip to Hazard, Ky. with a group studying church work among residents of that mountainous section.

A series of rush parties was given earlier as the chapter prepared to enroll new members.

ONE MINUTE, PLEASE

"Wherefore if any man is in Christ, he is a new creature: the old things are passed away; behold they are become new." II Cor. 5:17.

How do we get into Christ? "Or are ye ignorant that all we who were baptized into Christ Jesus were baptized into his death?" Rom. 6:3.

"For ye are all sons of God through faith, in Christ Jesus. For as many of you as were baptized into Christ did put on Christ." Gal. 3:26-27.

By being baptized into Christ's death we put off the old man of sin and arise from the watery grave of baptism a new creature in Christ. Before we can be ingrafted in Christ, we must get rid of our past sins. The Lord tells us that this takes place in baptism. "And now why tarriest thou? arise, and be baptized, and wash away thy sins, calling on his name." Acts 22:16.

We of the Central Church of Christ are interested in helping you and all people become new creatures in Christ Jesus.

IN ON THE ROAD CLASH

Herd Will Have Hands Full Friday

Meet Fired-Up Perryton Team

The Hereford Whitefaces will more than have their hands full this Friday night when they clash with the Perryton Rangers at Perryton.

Last week the Rangers handed the undefeated Tulia Hornets a 15-13 defeat during the last 17 seconds of the game.

With only 7:36 remaining in the game Tulia had a 13-7 lead in the game with Perryton making a dramatic comeback.

QUARTERBACK Chris Byerley, a 152-pound senior, passed to End Jim Gobin, a 165-pound junior, for one of the touchdowns and then Byerley ran for another one.

Byerley also used his passing talents on two "big plays" which gained first downs for the Rangers. One of the passes was to Gobin for 17 yards and the other was to Jerry Dukes for 11 yards.

Dukes, although not in the starting lineup, is an important part of the Perryton team. He was shifted from quarterback to halfback and is a 141-pound senior.

PERRYTON'S brilliant pass defense gave the Tulia quarterback fits in the game Friday and only allowed him to complete two of nine passes for the evening. Many times the Tulia passers were thrown for a loss.

Perryton did well with their passes completing 8 of 16 of them for 87 yards.

Ranger left halfback Al Rupprecht, 155-pound junior is dangerous with the ball, according to the coach Ray Hopkins. He picks his holes well and picks up some good yardage on the ground.

Junior halfback Johnnie Cole has shown a great deal of improvement in the last three weeks, according to coach Ray Hopkins.

Kenneth Deike, a 181-pound senior, will also be one of the Whitefaces' biggest problems in the game at fullback and defensive linebacker positions.

Starter for the Rangers will be Byerley, Rupprecht, Cole, Deike, D. Allen Miller, guard; Harland Weis, center; Roger Helker, guard; Steve Harmon, tackle; Gary Thomas, tackle; Gary Lockwood, end, and Gobin.

IN OTHER area action Dumas downed the Muleshoe Mules 28-7 after trailing 7-0 at halftime.

Dumas bobbled the ball five times during the first half, with Muleshoe recovering each time.

Demon coach Bill Spann said the Mule line hit the Dumas team hard and held them well. Coach Willie McAlpin's charges revealed a solid defense lead by linebacker Randall Robinson, but failed to stop the well-rounded attack displayed by

the Demons.

MULESHOE recovered a Dumas fumble in the first quarter and Ransom Jones went over for the tally. Joe Adams kicked for the extra point.

Glenn Bonner, Demon quarterback, passed to Wayne Harkrider for two scores in the third quarter and to Robert Mike Slagle then closed the scoring with a 91-yard run to paydirt.

Dogies Drop One, Tie One Tuesday

Members of the Stanton Junior High School seventh grade team dropped their game to the Plainview Estacado Raiders Tuesday, 20-6, and the eighth grade team tied its game with the Raiders, 20-20.

IN THE SEVENTH grade game Hereford did not score in the first half with Estacado leading at half-time 8-0.

The Dogies' only score came in the fourth quarter when Rickie Ward ran 50 yards for paydirt, an attempt for extra points was unsuccessful.

John Frank Martin scored two of the three touchdowns for the eighth graders and ran for extra points on the third touchdown.

MARTIN scored first on a 75 yard run, the extra point attempt failed. He scored again later in the game on a 30 yard run to paydirt, once again the extra point attempt failed.

David Paetzold scored the final touchdown on a pass from Jackie Meredith. Martin ran the ball across for the extra points.

NEXT Thursday the Dogies will meet the Canyon Junior High School teams here in Whiteface Stadium at 5 p.m. for the seventh graders and 6 p.m. for the eighth graders.

The next week the junior high teams will play their final game of the season when they meet the Muleshoe Junior High teams here Nov. 9.

Ellis (Cot) Deal, pitching coach for the New York Yankees, had a 3-4 major league pitching record.

Manager Harry Walker of the Pittsburgh Pirates was traded four times during his major league career.

COACHES SIDE SHOW—When a member of the Whitefaces football team starts dodging downfield, it's not unusual to see Hereford head football coach Jack Meredith (left) in both pictures) giving a few pointers from the sideline, while line coach James Williams looks on with less movement. (Staff Photos by David Butler)

COACHES PLEASED WITH EFFORT

Herd To Work Out Mistakes Before Clash With Rangers

Hereford mentor Jack Meredith said he was "pleased" with the team's efforts against Canyon. He said some individuals were making some mistakes in their techniques.

Ed Mims and Wayne Miller did outstanding jobs on the line, according to the coach.

ROGER OWENS did his "Usual good job" Coach Meredith said.

Meredith said Perryton had a well-balanced team and a good offense.

"We will cover all phases of offensive and defensive play this week before we play Perryton," Meredith said.

LAST YEAR the herd downed the Rangers one touchdown 19-12.

Meredith said he was "not too surprised" about the Perryton win over Tulia. "We have known all along that Perryton has a fine football team."

"They have been hurting from injuries all season so their past record may not be too much of a comparison," continued the coach.

THE COACH has been working with the philosophy this season that the men on the team should concentrate on one game at a time, but said they are all eyeing Dumas and are all hoping for a district win.

"All of the teams in the district are at their best this year," said Meredith. "All of the teams are in much better shape this year."

MEREDITH said a team has to either improve every week or they will loose a little playing strength.

"Two of the teams in our district are not improving this year they have reached their peak and are now falling off," commented the coach.

He said Perryton like Hereford was one of the teams which

has been constantly improving during the season and will continue to improve.

"The men on our team are determined to improve and are determined to win and I think they will play their hearts out to do so," said the coach.

Bufs Take To Road For Clash With Memphis State

After five straight home games, the West Texas State Buffaloes, who lost their first game to New Mexico State, 10-2 last Saturday, leave the friendly confines of Buffalo Bowl for an engagement against highly regarded Memphis State in its new Memorial Stadium this Saturday night.

TWO WEEKS ago, Memphis State had just absorbed its third straight loss of the season and the Buffs had rolled to win number four in as many games. Had the teams played then, West Texas State would surely have been favored. However, the Tigers rose up to claw tenth-ranked Mississippi State, 33-13, and blanked McNeese, 28-0, while the Buffaloes were squeezing by Colorado State University, 15-12, and dropping their Homecoming encounter, 10-2, to New Mexico State. All of which boils down to the Buffs being underdogs to the Tigers for the third straight year.

The Tigers won the first two games of the series in 1963 and 1964 by scores of 29-14 and 41-0. Last year's game was a field day for Memphis State quarterback Billy Fletcher. All he did was complete six of 13 passes for 108 yards and one touchdown ramble 128 yards in 13 sorties with the football, kick five extra points and a pair of field goals from 30 and 50 yards out. That adds up to 236 yards in total offense, 28 more than the

Bufs made, and 17 points accounted for. Fletcher has been no less sensational this season. He leads the Tigers in scoring with 45 points, in rushing with 335 yards and passing with 55 of 131 yards and seven TD's He won Back of the Week (Associated Press) for his sterling performance in the Tigers' upset over Mississippi State.

Buffalo head coach Joe Kerbel will be trying to get his offense rolling this week. The attack group managed only 122 yards against New Mexico State and failed to score after a fine defensive play had given them a first down on the Aggie 15. It was an all around bad day for the offense. Protection for quarterback Hank Washington was poor and consequently the big transfer completed only 12 of 29 for 99 yards.

Three of his throws, half his season's total, were intercepted and he was pounded for a minus 31 yards net rushing. It was the first time he had failed to throw at least one TD pass in six games.

The bright spots were record-setting performances by Washington and his top receiver, Ted Wheeler, 200-pound junior from Detroit. Wheeler speared five passes to bring his season's total to 23, tying the record set in 1950 by the redoubtable Bill Cross. Hank brought his season pass-attempts figure to 156 and

number of plays to 226, both of which bettered the existing standards. Most of the school's season passing records are well within his reach barring an injury in the remaining four games.

Frank Skall, third base coach for the Detroit Tigers, broke in as a third baseman with Allentown in the New York Penn League in 1935.

SECOND GO-ROUND

Frosh Clash With Eagles Here Today

Hereford Whiteface Freshman will be at full strength when they tangle with the Canyon Eagles in Whiteface Stadium tonight at 6.

Canyon defeated the Tulia Frosh 34-6 the week before the local Freshmen downed them 20-4.

THIS WILL be the second skirmish between the Canyon and Hereford freshmen. In the first game the Hereford Frosh defeated the Eagles 12-0.

Coach Harold Sides said the team has been working on line defense fundamentals during the week.

He said he plans to alternate quarterbacks Bill Cole and Jerry Russell who will handle the passing duties.

TEAM effort by the line and the running of Donnie Fangman led the Frosh to a victory over the Tulia Freshmen last week. Sides said the men's defense

was better in the Tulia game than in any other clash this season.

He said the men have been improving all season and are now getting in good shape, but still have a lot of room for improvement.

Billy Ohlig and Sheldon White, both defensive tackles, were at their best in the Thursday game, according to the coach.

JIM LOERWALD, offensive guard, has shown some very impressive play this season.

Linemen Gary Brady, Sheldon Alexander and Allen Clark will more than give the Eagles a tough time on the line in today's game.

The coach said that in the Tulia game for the first time the team's defense was able to contain the opposition on the outside which helped a great deal.

sports

SPORTS EDITOR: DAVID BUTLER
Thursday Oct. 28, 1965 SECTION TWO

B-team Mentor To Make Changes In Squad Lineup

Members of the Hereford Whiteface B-team has spent a busy week reorganizing the team prior to their clash with Canyon tonight at 7:30, according to coach Don Dorman.

THE COACH said he has made some personnel changes in the lineup.

Following the changes the team concentrated on all phases of play with an emphasis on blocking and pass defense.

The B-team dropped their game last week to Tulia 20-4. MEMBERS of the team could not seem to get started in the first half and bobbled the ball twice on important drives which had taken them inside the Tulia 10.

Quarterback Jimmy Childers was successful in completing passes to Benny Leigh, Sid Shaw and Lennie Petree for some impressive yardage during the game.

Gary Goodin scored the only tally for the Whitefaces from eight yards out on a sweep play around the right end.

Booster Club Bus Tickets Still Available

Tickets are on sale at Hereford Bakery for seats on the Booster Club charter buses to Perryton Friday.

Buses will leave at 4 p.m. from the east parking lot at the high school.

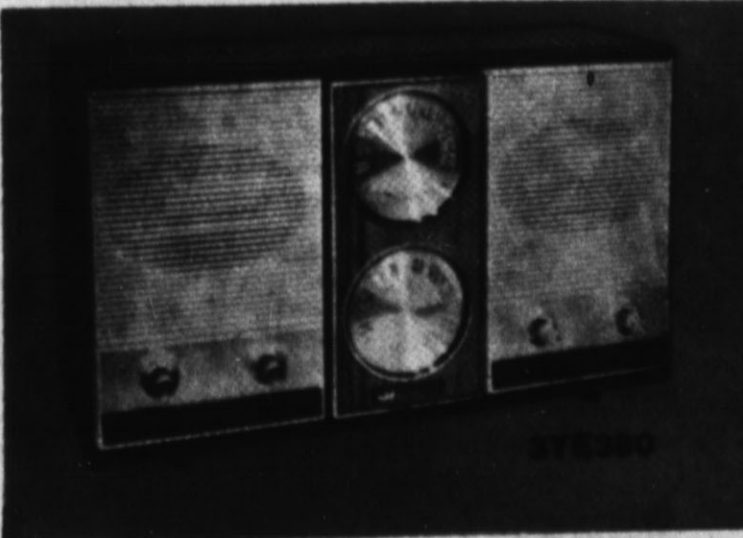

Fried chicken and all the trimmings will be served on the trip.

Tickets are \$6.50 each and include the meal plus the round trip.

Debbis Knox, ticket chairman for the buses said Tuesday that two bus loads had been sold and a third would be available if needed.

Food for the trip will be donated by Cooper's Market, Gwynne's Cleaners, the Coca Cola Company, Morton Foods and the Hereford Bakery.

Yogi Berra, now first base coach with the New York Mets, hit 358 home runs with the New York Yankees. His career batting average was .285.

CONTEST NEARS END

Gridiron Upsets Mark Sixth Weeks Contest

Upsets on the gridiron last weekend played an important part in determining some of the winners in the Hereford Brand Football Contest.

The biggest upset was Rice's 17-20 victory over the University of Texas.

TWO OF THE tie breakers were also upset. Most of the entrants picked West Texas State over New Mexico by at least one touchdown. WT dropped the game 10-2 in a heart-breaking upset.

Nearly all of the entrants also picked Southern Methodist University over Texas Tech by a slim margin, but Tech managed to come out victorious over the Mustangs 26-24.

Jim Monroe, Route 4, Hereford, was the first place winner in this week's contest guessing 18 of the 20 correct.

SECOND place wound up in a 19-way tie with all of the entrants guessing 18 of the games correctly.

Karen Kitchens, 512 Ave. J, came closest in the tie breaker being only 36 points off the three scores.

She guessed closest on the WT score giving the Buffaloes two points and NMSU 14 points.

James J. Boyd, 515 Ave. J, took third place being only 41 points off in the tie breaker.

Mrs. A. J. Schroeter and Mrs. Zula Arney are tied in first place for the Cotton Bowl tickets guessing 89 correct in the contest.

Close behind are Gene Waits, 87; George Lorewald and Ronald Bridges both with 86; Joe Mack Hale, James J. Boyd and Duane Albracht, all with 85; and James Mercer and Bob Adams, both with 84.

THIS IS the final week of competition and it looks as if it will be a close race all the way for the winners of the tickets.

Following are complete results in the contest thus far:

Name	Week	Total
Bob Adams	16	84
Duane Albracht	15	85

Veterans' Land Program One Of Nation's Soundest

Today the Texas Veterans' Land Program stands on its own as one of the soundest state endeavors in modern times.

The program, which is the best opportunity offered veterans of any state in the Union, is not a dole or a waste of public lands. Now in its 16th year, it is a sound, self-sustaining business.

THE PROGRAM is able to operate at no increased burden on the taxpayer because fees collected for various services rendered by the Veterans' Land Board defray yearly operating expenses.

The Veterans' Land Program has not only given the state an opportunity to aid the men and women of Texas who served their country during World War II and the Korean Conflict; it has boosted the state's economy and will produce an eventual profit on the \$200,000,000 from sales of bonds used to finance veteran land purchases.

Today more than 34,500 purchases have been made by the Veterans' Land Board consisting of almost three million acres of land. By December 1, 1965, the expiration date of the present program, over 35,000 Texas veterans will have purchased land, and it has placed the \$200,000,000 paid for the land in circulation in Texas.

SINCE every invested dollar changes hands approximately eight times, this investment has aided virtually every man and woman in Texas by boosting the economy.

When a tract of land is purchased by the Veterans' Land Board to be resold to a veteran purchaser, the seller has many times listed this land with real estate agents; and the veteran, if he decides to sell, also lists his tract with a real estate agent. This program has and will mean a great deal to Realtors and brokers in the State of Texas. Before the Veterans' Land Board purchases land a survey must be made and surveyors are employed. All sales must be closed by abstract or title insurance. Attorneys in the county where the land is located must examine the title, prepare legal documents and all in all do a sizeable amount of business through the Veterans' Land Program.

When a veteran builds a home on his land, lumber yards, builders and suppliers of all types of building materials will be benefited by the program. The Veterans' Land Program requires that all improvements on the property be insured against loss by fire, and they also require extended coverage. There are many others who derive

direct benefits from the program along with indirect benefits too numerous to mention.

OVER THE years Texas veterans have shown an active interest in land purchased through the Board. Over 1,100 homestead deeds have been issued and many more thousands have built homes and improvements on their land by building fences, stocktanks, barns and have also planted permanent pastures. Improvements, such as these, add to the beauty of the state and are a factor in adding millions of dollars to the economy of Texas.

A significant boost to the economy of Texas comes from mineral leases on land owned by veterans. Today there are approximately 6,000 such leases on veteran tracts with 466 producing.

INTEREST in the program has not diminished over the years and veterans have not slighted their commitments to the Veterans' Land Board. We now have over 5,700 veterans who have paid off their contracts and, as of August 1, 1965, all veterans on the waiting list were mailed their applications and contracts thereby enabling them to purchase a tract of land. Many additional inquiries are received daily to buy land through

the program, even though on November 5, 1964, the Board had to stop placing names on the waiting list because those already on the list were all that could expect to be reached from funds available to the program.

Transfer of veteran contracts is a big business carried out by the Veterans' Land Board in addition to purchasing new land tracts. The veteran is paid his equity, and the contract is transferred to the new purchaser. The Board has handled over 8,000 such transfers.

A large majority of veteran landowners have taken out insurance under a newly adopted program which pays their contracts in full in case of death. This policy is endorsed by the Veterans' Land Board because it further safeguards the taxpayer against loss through the program.

Although the program is in its 16th year, it has not, as yet, been able to provide equal opportunity for nearly all the 1,900,000 eligible veterans in Texas to purchase a tract of Texas land. If the Constitutional amendment passed during the last session of the Legislature is approved on November 2, 1965, money will again be available for purchase of additional land for the veterans of Texas without a

waiting period, and each veteran will be permitted to purchase a tract of land costing up to \$10,000 compared to \$7,500 under the present program.

Businessmen Help Control School Problem

At Modesto, Calif., recently, one of the local businessmen launched with a high school youth, took the lad to his office, talked with him, and then drove him to his home.

It happened on a school day. The youth, however, was not a truant. Neither was the businessman trying to recruit him for a job.

EXACTLY the opposite was occurring. The school had encouraged the youth to take the day off to talk with the businessman and the latter was trying to talk the youth into staying in school.

For the youth had frequently said that he might drop out before completing high school. He had dismissed the advice of the high school counselor. So the counselor had called on the businessman for help.

This was dramatic in the life

of the youth. It possibly was a turning point. He learned from a disinterested person the value of a good education. He was shown the difference in pay and the difference in jobs that he would get if he dropped out or stayed in school.

HE SAID he would stay in. As the school year goes on the businessman will see the youth again.

At Modesto, school counselors have lists of businessmen upon whom they can call at any time to advise youths.

The program, which was set up under the auspices of the local Chamber of Commerce covers junior high school through junior college.

OTHER BUSINESS groups throughout the country have shown so much interest in the Modesto program, that the Chamber has had to prepare a form letter to explain it.

For drop-outs are a serious problem to communities and to businessmen. Thirty out of every 100 high school students fail to graduate. Those that do fail as a rule are not as informed citizens in their communities or as productive at work as they would have been had they graduated.

Don't forget that nowadays you can buy various varieties of dried beans already cooked in cans. The beans are fine to use when you want to whip up a casserole to serve with grilled meats for an outdoor supper.

Harvest time is fast drawing to a close, but even after "the work's all done this fall", we'll have plenty of coffee around our modern, sanitary (?) field kitchen.

As a matter of fact, the immaculate atmosphere of our field kitchen has caused the Health Inspector to comment that our methods are "absolutely unbelievable".

Watch for announcement of latest official census bureau population figures of the metropolitan Easter area.

PRESENTING
Furr's
SUPER
MARKETS

OPENS THURSDAY—First unit of Sugarland Mall Shopping Center in north Hereford, a spacious Furr's Super Market, will open Thursday. The Furr's store occupies some 5,000 square feet of floor space in the center, which will include an air conditioned mall and total area of some 180,000 square feet. (Staff Photo)

OPENING SET THIS WEEKEND

**Furr's Open First Store
In New Sugarland Mall**

Furr's Super Market, a major unit of the new Sugarland Shopping Center will be the first to open its doors in its grand opening this Thursday, Friday and Saturday.

The new super market, the 71st in a chain that had its humble beginning back in 1904 when C. W. Furr, now deceased, set up in the grocery business in the town of Kirkland, near Childress, Texas. Here he introduced his two sons, Roy and Key to the grocery business.

The organization has grown to the point today where more than 3,500 persons are on the pay-

roll. Roy Furr is president of the chain; Clem B. Boverie, senior Vice president.

The new modern super market will open its doors at 8 a. m. Thursday for a gala three-day affair. Biggest feature of the opening is the introduction of the Furr's Sweepstakes which grand prize is one of 40 1966 Mustangs which will be awarded in the Furr's trade area. Not only will one Mustang most likely be given in Hereford but other prizes in the punch card promotion include a Philco Color Television set.

The Hereford store will feature a unique delicatessen department, encompassing 550 square feet of space in which cold and hot foods will be sold. The serving area is broken up in three sections, the cold salads and comparable foods in one, the hot foods (both in service cases) and the third area, one for self-service of hot and cold foods. A 10-foot case encloses the delectable Spudnut products, exclusive at Furr's in Hereford.

The meat department boasts 1,344 square feet of refrigerated vaults, cases and work area. Here the customer is invited to watch the careful handling of meats. Vaults are for whole carcasses, yet to be prepared; for frozen fishes and like products and for packaged meats, bacon, etc. A work area is designed to bring the freshest meats to the customer in the shortest of time.

The exterior of the new store is of Hereford brick, covering some 17,346 square feet of which 12,052 is sales area. A 44-foot tower with the Furr's sign is on the south end of the parking lot, a lot which will handle some 200 cars for Furr's and 633 more for shopping center stores. Six checking stands are available for fast checkout. The store will give Frontier Saving Stamps.

Manager of the store is Joe Sebastian, and his assistant is Bill Baker. Market manager is Bob Pittman who has Tommy Green as his assistant. Raymond Smith is produce manager while Violet Moon is general merchandise manager. Elsie Jones will be manager of the delicatessen department.

The 1966 Woman's International Bowling Congress tournament will be held in New Orleans, starting April 14. The 1967 tournament will be held in Rochester, N.Y.

Roy Furr,
President

Clem B. Boverie
Senior Vice President

Joe Sebastian,
Store Manager

**Elementary Pupils Present Skits
On Hereford Garden Club Program**

The Litterbug campaign which is a beautification project of federated garden clubs was the subject of an entertaining program for Hereford Garden Club Friday afternoon at Northwest Elementary School. Pupils of the fourth, fifth and sixth grades each presented a skit on the theme.

Afterward, club members went to the Flame Room, where Mrs. A.O. Thompson was the speaker on iris culture. She discussed three phases of growing iris: Preparing soil, digging and pruning plants, turning and setting the new plants. She advised planting in full sun, and preparing beds with compost, commercial fertilizer and bone meal.

For the visual aid program, Mrs. R.W. Mitchell made a line arrangement of fresh flowers and Mrs. Sam Morgan a line arrangement of mums. Mrs. M.T. Rutter and Mrs. Ray Carlie judged these flower arrangements.

In the business period with Mrs. Ray Johnson presiding, members were reminded of the Nov. 16 meeting at Pampa of Northern Zone clubs in District I, Texas Garden Clubs Inc., al-

so of the strolling flower show and garden pilgrimage to Amarillo Oct. 23. Fourteen members and six guests attended the latter event and four members served as show judges.

Mmes. Morgan and Mitchell were hostesses Friday. Other members present were Mmes. Norman Moore, C.D. Kelton, Jeff Gilbreath, S.S. Williams, R.

L. Wilson, Alfred Smith, J.V. Pickens, A.L. Manjeot, R.C. Lance Jr., J. N. Jacobsen Jr., W.C. Hromas, O.G. Hill Sr., Emmett Hale, J.H. Craver, Ben Childers and Roy Calvert.

When you are adding a tomato to a tossed green salad, you might like to try this: cut the tomato into six wedges and gently squeeze out the seeds from each wedge. Adding the tomato without the seeds keeps the salad from being watery.

SON'S FAMILY VISITS
Dr. and Mrs. Ansel McDowell of Perryton have been visitors in the home of Mr. and Mrs. Ansel McDowell Sr. here. They had just returned from Atlantic City, N.J., where Dr. McDowell attended a meeting of the College of Surgeons. Their sons, Ansel III and Stewart, spent ten days with the senior McDowells while the parents were on the trip east.

LET'S COOK SOMETHING!

Recipe Credited Twice

By SUE COLEMAN
Women's Editor

Recipe swapping, a practice of most good cooks, accounts for double credit on a casserole recipe supplied by Mrs. Glenn Burrus with the remark that "It's really Mrs. Louis Woodford's; she gave it to me so she has a first claim on it!"

BOTH SAY they have made the delicious vegetable dish often, to the approval of their families and guest. They recommend it for easy preparation, and say it can be mixed a day ahead, stored in the refrigerator and then baked just before serving time. And it's an unusual way to cook an ordinary vegetable.

Willing to share the recipe with each other and with any

dicating that their recipe collections are not the least exclusive. "Most of mine are somebody else's", Mrs. Woodford summed it up.

Mrs. Burrus gave the recipe in proportions she used for the dish she took to a Farm and Ranch Club luncheon last week; it might be halved for an average family.

CARROT CASSEROLE

4 cups carrots, cooked and mashed
1/2 cup half and half milk
4 tbsp. butter
1/2 cup grated cheese
1/2 cup chopped green pepper
1/4 cup chopped onion
1/2 cup chopped ripe olives
Salt and pepper to taste
Mix all ingredients and bake in casserole until lightly browned on top. To shorten baking time, saute the green pepper and onions in part of the butter before mixing, so they will be pre-cooked.

MRS. WOODFORD and Mrs. Burrus were formerly neighbors on ranches in the west part of Deaf Smith County. The Burrus home is still some 40 miles north and west of Hereford but the Woodfords now live at 216 Star. Both have been residents of this section for a number of years.

Mrs. Burrus, in addition to homemaking duties, does special duty nursing at the hospital here. She devoted full time to her profession before her marriage, but now limits her work to the special cases.

Her daughter, Elizabeth, plans to follow in her footsteps as a nurse. Now a student at Amarillo Junior College, she looks forward to nurses' training. The other daughter, Kathryn, is Mrs. R.G. Slaughter since her August wedding, and lives in Lubbock.

Mrs. Woodford came to Hereford as a young business girl soon after graduation from Friona High School. She was Vir-

gina Lillard before her marriage.

Her only child is daughter Suzy, now Mrs. Jimmy Jones, who with her husband is completing studies for a degree from Texas Tech. She plans to teach government and history. The Jones' five-month-old daughter, Allyson, is a special interest of Mrs. Woodford's now.

Attorney Speaks As Circle Guest

Importance of making wills and some of the Texas laws concerning wills were discussed by Wayne Thomas, Hereford attorney, as guest speaker to the Antonion Circle of St. Anthony's Catholic Church at a recent meeting.

Mmes. Vincent Walterscheid, Donald Paetzold and Marcel Fischbacher were hostesses at the church. Revised by-laws of the circle were read by Mrs. Walterscheid.

Mrs. Leander Reinart presided for business. Tentative plans for sponsoring a talent show were discussed and Mrs. Allen Evers was appointed to investigate possibilities.

Mrs. Werner Koelzer and Mrs. William Kahlich, who attended a district convention of Catholic Women at Slaton early last week, gave their report.

Class Officers Are Installed

Officers were installed at a meeting of Victory Class of Avenue Baptist Sunday School in the home of Mrs. John Burns. Mrs. Bill Wall took office for a second term as president in the service conducted by Mrs. A. W. Self with Rose Garden as the theme.

Mrs. Johnnie Townsend, teacher, was hostess with Mrs. Burns. The opening prayer was by Mrs. Marvis Southward and the meeting ended with a group song and prayer by Mrs. Pearl Boyer, class mother.

Refreshments in class colors, red and gold, were served to a guest, Mrs. Gene Combs, and nine members.

IN SERVICE—Pvt. James E. Frost, son of Mr. and Mrs. W. J. Frost, 320 Ave. A, will return to Hereford for a two-week leave Saturday after graduating from basic training at Fort Polk, La. He entered the service Aug. 30 and was assigned to Company C of the 3rd Battalion. (Personal Photo)

Fertilizer Short Course Slated For Area

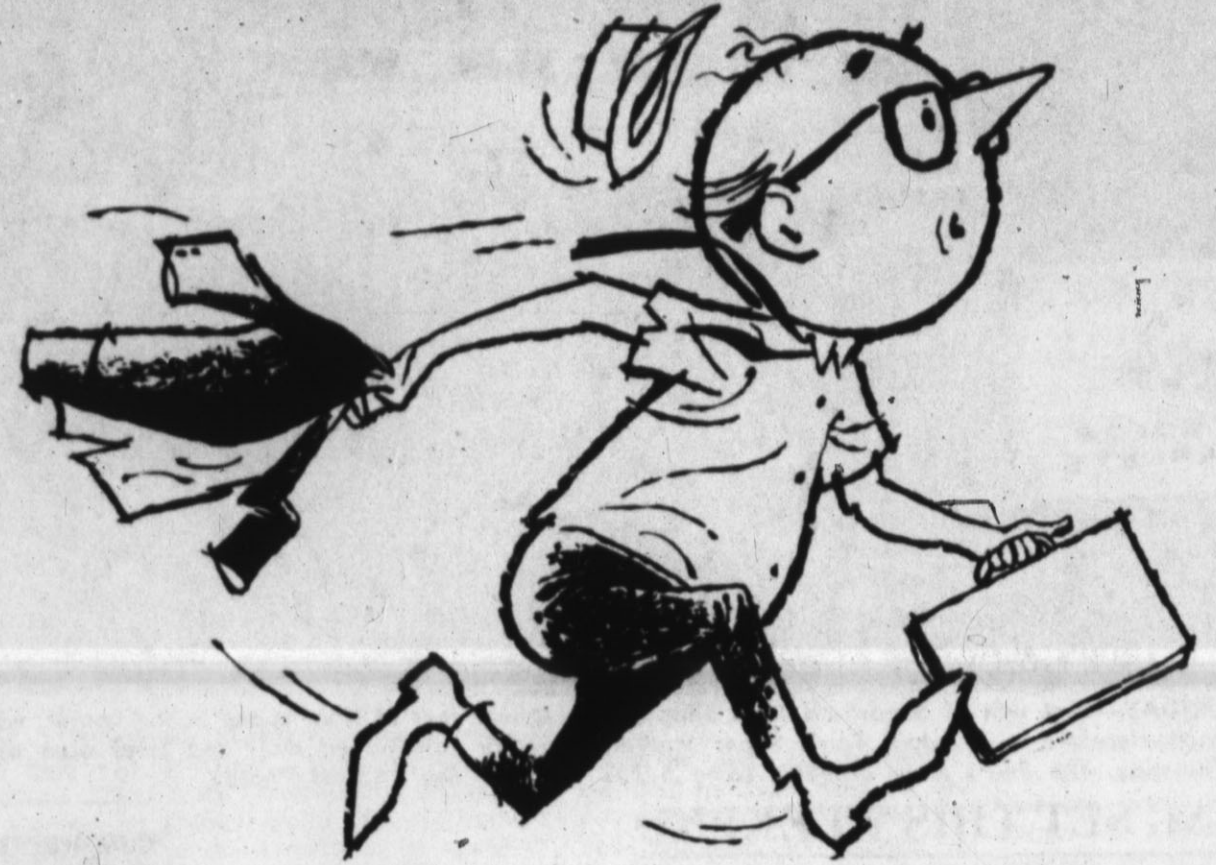

Basic information on management skills in operating a business in today's market, and on personnel utilization, recruitment and administration will be presented in a Fertilizer Management and Technology short course scheduled in November and December.

Soil-Pesticide relationships and New Products and Processes in Fertilizer Manufacturing will also be discussed. County Agent Juston McBride invites Fertilizer Dealers, Agency Personnel, and County Program Building Committee members to make plans to attend by registering through his office.

Sponsored by the Texas Agricultural Extension Service, this series of meetings is to include presentations by outstanding authorities in both the Fertilizer Industry and Education.

Meetings will be held on Monday Nov. 29 and Dec. 6, in the Bull Barn.

Each County Agent in the Area has registration blanks and suggests you attend the meeting nearest your place of business. A charge of \$5.00 will be made for registration and the deadline for registering is Nov. 10. This fee includes dinner the last meeting night.

HOW TO WIN

Start your Dividend Card today by getting it at Furr's Super Market in Hereford. You are assured of being a winner by just punching out the \$25 card. Actually, you need no purchase for you get a free punch in four consecutive weeks by visiting Furr's. After the card is punched out, have the store manager lift the seal. Do not tamper with it. Should this happen the card is void! Underneath the seal your prize is revealed. . . a Ford Mustang, Philco Color TV set, \$25, \$10 or \$1 in cash, your current purchase free or 10 Frontier Stamps. Everyone wins! You may even win the Bonus of the week, a can of Food Club Peaches, for example. Try it now and be a winner in Hereford! In addition for 8 weeks a Mustang is being given in Furr's trade area. One card will be selected each Saturday night in Hereford, placed in a box with other Furr's store winners and one winner will be named. During the final week, the 18th week, 10 Mustangs will be given, the 10 cards drawn from those whose names have been drawn from the weekly drawings.

Small Talk

By SUE COLEMAN
Women's Editor

This is the time of year when nature really smiles, the weather over Texas is at its very best, the sun beams from bluest skies by day and the harvest moon lights up the night, the air is like wine and the leaves like gold, and you can't for the life of you find anything suitable to wear to work in the morning (40 degrees) that you can stand to wear home in the afternoon (90 degrees.)

ANTIQUE TELEPHONES — that is, the kind with a handle on the side that we used to ring central when I was a youngster — are popular collectors' items now and you see them often in collectors' dens.

One that is still in use is in the dining room of the Kenneth Irwins' home. It is not in use as a telephone, Mr. Bell forbid! but does duty in holding a radio which the family uses.

Conservation of the instrument was the idea of Rev. Irwin, who was an interior decorator before he became a minister. He's pastor of the Fellowship Baptist Church here now.

Collecting recipes from minister's wives was the occasion of my visit to the Irwin home, and to other parsonages of the city — a most pleasant part of my work. You meet such interesting people! and some very attractive ones like young Mrs. Dwight Southworth and Mrs. Ron Harpster.

Either of them might win a beauty contest, and some of the more mature parsonage wives would run them close seconds. Hereford preachers do seem to have shown excellent taste in choosing wives.

they went to the strolling flower show staged in a shopping mall at Amarillo Saturday. Husbands of several members went, and found that plenty of other men were willing to look at the posies if it could be done so easily.

A party from Hereford Garden Club had luncheon before the show, then went to the home of Mrs. Kate Graham in the west edge of Amarillo to tour her Seven-Arce Garden where roses and chrysanthemums are putting on their own show right now.

Mmes. O.G. Hill Sr., John Jacobsen Jr., Art Manjeot and M. T. Rutter were among the dozen judges for the show, and were entertained at the judges' luncheon. They are all from Hereford Garden Club.

Mrs. Fran Battenfield and Mrs. Calvin Edwards of the Bud to Blossom Club and Mrs. L.H. Lookingbill of Garden Beautiful Club, with Mr. Edwards and Mr. Lookingbill, were among the strollers from this city.

In the Hereford Garden Club group were Mr. and Mrs. Ray Johnson and her mother, Mrs. Smith, Mr. and Mrs. J.V. Pickens, Mmes. R.W. Mitchell, S.S. Williams, C.D. Kelton, R.L. Wilson, Earl Lance Jr., A.O. Thompson and J. T. Gilbreath Sr. and Miss Thornton Shirley.

ACES IN SECOND YEAR
WHITE SULPHUR SPRINGS, W. Va. — James E. Britt of St. Albans, W. Va., has been playing golf only two years but already has a hole-in-one. He made his ace at The Greenbrier course, sinking his 208-yard drive on the ninth hole.

Playing in his foursome were Mr. and Mrs. Jack Esteppe of Charleston, W. Va., and Harry Green of Clarksburg, W. Va.

RESERVE CHAMPION—Named reserve champion in the Angus division of the Junior Livestock Show at the State Fair of Texas was this steer shown by Steven Olson, son of Mr. and Mrs. George L. Olson of Hereford.

Ex-Resident Wins Award

Sybil Allen of Friona and Hereford was awarded second place for paintings in contemporary style, in the Forty Best art contest which was judged last weekend at Amarillo. The paintings, 40 selected from 177 entries, are hanging at the Coronado Inn in Amarillo this week.

The annual fall show is sponsored by Region 21 of the Texas Fine Arts Association, and will remain open through Sunday. Mrs. Allen's painting is titled Concert.

First place for contemporary division went to Burl J. Brim

BLUE RIBBON WINNERS—Named blue ribbon winners in the Market Steer Division of the Junior Livestock Show at the State Fair of Texas were steers shown by Charles and Sue Atchley, who are members of local 4-H Clubs.

of Canyon. Estelle Pruitt of Panhandle and Carol A. Cline took first and second for traditional paintings. Dr. Delmar Museums of New Mexico, was judge.

Mrs. Allen now lives near Friona but with her husband, a building contractor, resided for some years in Hereford and was an enthusiastic painter then. Mrs. Bess Werner, current president of the Hereford Art Guild, is one local person who has a painting by Mrs. Allen, a portrait of Mrs. Werner.

Texas Lore Supplies El Llano Club Subject

Mystery lights which have flickered in West Texas desert country and have remained a mystery for 200 years were the subject of a talk on El Llano Study Club program Monday evening in the home of Mrs. La-bry Ballard.

Mrs. Jesse Geron presented the program, one of a series based on Texas history and folklore. She told of the lights which were first reported by explorers back in the early 1600's between the present towns of Marfa and Alpine, in the rugged Davis Mountain foothill area.

They are generally known as the Marfa mystery lights, she said, and their source has not been determined.

In keeping with club custom, the constitution was read by Mrs. R.C. Winget.

Members voted to continue contributing to the Hereford Migratory Ministry, and to give to the United Fund. Mrs. Jack Meredith was in charge of the business meeting.

Nominating Committee Is Chosen For Home Demonstration Council

Varied reports and plans held the attention of County Home Demonstration Council members at their Oct. 27 meeting Monday afternoon in the Community Center. A committee was elected to nominate officers for 1966.

Mrs. J.D. Gandy, Mrs. Taft McGee and Mrs. J.D. Gilbert Jr. will serve on the nominating committee.

Announcement was made that each club is to send the name of a clothing and a food leader to the county agent. Club reporters for the current term and those elected for next year are to meet at 2:30 p.m. Nov. 1 in the conference room on the third floor of the courthouse.

Mrs. Orval Galley presented the annual report on Texas Home Demonstration Association activities in the county. Mrs. J. D. Gandy reported for 4-H leaders, including plans for the achievement banquet to be held soon.

Mrs. Gilbert reported that clubs from a nearby county have inquired about a tour of this county. Mrs. John Smith told of entertainment at the recent Rural Homemakers Day in Amarillo.

Clubs will be asked to vote on sale of sandwiches for the Council. Mrs. Paul Hoff of North Hereford Club read the opening article titled You Don't Have to Tell It; They Know It.

Registering attendance were Mrs. Jimmie Bradley of Bippus Club; Mmes. J.D. Love, Viola Williams and Gandy, Cultural Club; Mrs. Galley, Dawn; Mrs. John A. Smith, Ford; Mmes. McGee, T. J. Parsons, E. C. Hammett and Gilbert, Progressive.

Also Mmes. O.C. Williams and Hoff, North Hereford; Mmes. Blanche Hardin and W.J. Frost, West Hereford; Mmes. Paul Rudd and Bess Werner, Westway; Mrs. C. F. Newsom, Wyche; Mrs. Lloyd N. Smith, Young Homemakers, and Mrs. Argen Draper, County Home Demonstration Agent.

Also present were Mmes. Bill Michael, Elmer Kimbell, John Jacobsen Jr., O. G. Hill Jr., Cecil Hart, R.A. Daniel, Ben Childers, Pete Caviness and Jim Rodcut.

Music Club Junior Day Scheduled

Junior Music Club members from Hereford and Dawn will have a part on Junior Day programs of District 1 Federated Music Club convention in Amarillo this weekend, Saturday will be Junior Day, after the convention proper on Friday.

Headquarters will be in Amarillo Federated Women's Club, Woffin Village, where club reports will be followed by the Junior Concert beginning at 10 a.m. Each junior club in the district has been invited to present a number on this program, and several young musicians from this county will appear.

Bill Caraway of the Dawn Musettes is to respond to the welcome address; Linda Stewart, also of Dawn, will lead singing of the Junior Hymn with Becky Long of the Hereford Musettes as accompanist.

At the Festivals Luncheon, Lisa Williamson and Teri Beth Line of Hereford Junior Music Club will be among those honored for superior rating in District Music Festivals of the past four years.

Mrs. A.J. Schroeter, member of Hereford Music Study Club, will also be an honoree as co-chairman of First District Festivals. Another adult from this county who will assist with Junior Day activities is Mrs. Carl Wimberly of Dawn Music Club, district chairman of junior club rating and achievement awards.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Skylark Gran Sport.

Safety is part of the tuned car's plan. And that plan is this: To make driving safer and more pleasant. For example, every tuned car comes with back-up lights (to make seeing where you're going easier, even when you're going where you've been). Seat belts front and rear are standard, too. And so are two-speed windshield wipers and washers, an outside rear-view mirror, a shatter-resistant inside mirror, padded dash and sun visors. None of them will do you much good, though, unless you use them. But then, the tuned car itself couldn't do much for you, until you own it. How soon will we be seeing you? Tomorrow would be nice. **Wouldn't you really rather have a Buick?**

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

YOUR HARVEST?

Stop, right where you are! What kind of seeds are you sowing? Do you go to church? Do you sow wheat, aloe, anise or prickly pear seeds? Do you bless your neighbor or curse him? The adage is true, YOU'RE GOING TO REAP JUST WHAT YOU SOW. Clean words, kind thoughts and good deeds bring a glorious harvest. If you sow of the flesh, do not expect to reap of the spirit, YOU'RE GOING TO REAP JUST WHAT YOU SOW. Attend Church every week.

Historical Committee Sets Meet In Odessa

Texas citizens interested in saving Texas history through the dynamic five-year RAMPs program of the Texas State Historical Survey Committee and the Texas Historical Foundation will meet in Odessa, October 28-30 at the Lincoln Hotel, John Ben Shepperd of Odessa stated here today.

"We are expecting a record attendance from counties all over the state," said Shepperd who is president of TSHS Committee.

"HOW-TO SESSIONS have been prepared especially for county historical survey committee chairmen and their co-workers to cover such subjects as Historical Marking — and to find things to mark, how to get money to cover such subjects, the potential of markers, and securing community participation, Shepperd said. Charles R. Woodburn of Amarillo, TSHS member, will preside over this session.

There will be five workshop sessions in progress simultaneously on Friday which makes it essential for counties to have several representatives attending, Shepperd pointed out.

Preservation is the subject of a morning session to be conducted by F. Lee Lawrence, TSHS member from Tyler. On the panel will be Richard Santos, Bexar County Clerk's Office, who will cover Preservation of Documents. Don Thorne, a Galveston member of the state committee will cover County Historical Periodicals.

EDWARD H. Harte, Corpus Christi Caller-Times, heads the Preservation and Restoration of Historic Buildings and Sites workshop. Boone Powell, architect of San Antonio will discuss restoration of business and public buildings; Mrs. R. W. Kimbro of Cleburne, homes, and James H. Word, Floydada, archeological sites.

Of prime interest to counties will be the session on Writing County History with Bexar County's Archivist Richard Santos presiding. Elvis Fleming, Cochran County; Judge Paul C. Boehl, Lavaca County, and H.F. Teague, Travis County publisher will be panelists. Mrs. L.E. Dudley, Abilene, is resource person. Dr. Rupert N. Richardson, president emeritus, Hardin-Simmons University, will preside at the panel covering Historical Papers, Archives and Documents, with panelists Dr. Dorman H. Winfrey and James M. Day, Texas State Library and Archives participating.

R. DON THORNE will emcee the panel on Naming Natural Features. Harold L. Kennedy, Washington, D.C. and Truett Latimer will speak.

History and Tourists will be the subject Harold Robbins, San Antonio's Chamber of Commerce tourist advertising department, and his panelists, Mrs. Joe Felps, Kimble County, and Truett

TSHS of Austin, will explore. A.M. Pate, Jr., TSHS member of Ft. Worth, will preside over the session on Establishing and Operating Museums. Mrs. John Harvey, Crosby County Pioneer Memorial Museum; Rev. Oscar F. Landry, Polk County Memorial Museum, and Helmut Naumer, Ft. Worth Children's Museum, will cover these facets as panelists.

"Many people in the past have urged an East-West-North-South exchange of tourist-attracting ideas, Texas-wise. The Ector County Historical Survey Committee has programmed such an attraction for the delegates. The host group will conduct a tour of Historical Sites in Odessa including the world famous Globe Theatre and the Presidents' Room which houses memorabilia of all U.S. presidents.

"ONE OF the most beautiful tours in the entire state starts Saturday with breakfast served by the Chuckwagon Gang at Meador Crater, followed by a visit to Monahans Sandhills State Park for a visit to the museum and ride over the sand dunes.

"From there the caravan will go to the West of the Pecos Museum; thence to McKittrick Canyon for lunch in the beautiful Guadalupe Mountains. The history-conscious delegates will then proceed to Fort Davis for a barbecue at Prude Guest Ranch and a specially conducted tour of McDonald Observatory. The tour will be concluded Sunday with a visit to the site of the Old Chapel at Fort Davis and a guided tour of the partially restored old Fort," the Historical Survey Committee president stated.

Skate Board Cause Fracture Rise

Skate boarding is downright risky.

Broken Bones are becoming more common as skate boarding becomes more popular. No one could even begin to count the cases of bruised and skinned knees and elbows. There even have been a few deaths in skate board accidents.

So what's to be done about skate boarding? Should the American Medical Association caution parents to forbid the boards for their offspring? Obviously, it isn't practical to issue a ban against every youthful activity that might result in a skinned knee, or even occasionally in more serious injury. Bicycling also is dangerous. So are roller skates.

Except in those communities that have passed laws making skate boarding illegal, the popular sport is very likely to continue and, unless it proves to be a passing fad, gain even more devotees.

The skate board, incidentally, is a small board about two feet long to which are attached roller-skate-type wheels. It is ridden like a surfboard, can be steered somewhat by body movements.

Recognizing that skate boarding, albeit hazardous, is popular, the National Safety Council has drafted a set of safety precautions to help hold down the accident toll.

Public streets should not be used for skate boarding. Neither should driveways that incline into streets.

Confine skate boarding to playgrounds, noncongested sidewalks and restricted portions of parking lots and shopping center parking areas.

Beginners are urged to be mindful of the speed potential and hazard of falling, and con-

fine maneuvers to skill level. Control, not speed, should be stressed. "See" and "Be Seen" at the watchwords.

Check the board frequently to make certain that it is in good working order.

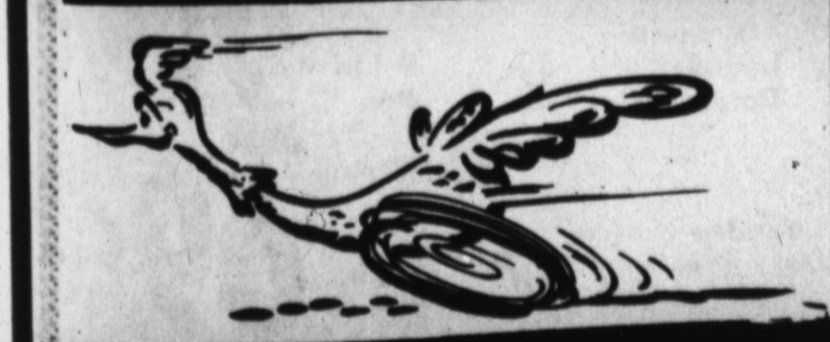

Store boards safely when not in use. Don't leave a board on the walk, driveway or near the stairs.

Parents should make certain that children understand and apply these rules.

Many communities have passed laws regulating or prohibiting skate boarding. Before buying a skate board for you child, make certain that he won't violate the law by using it.

CATCH UP

on the bills. No, Charlie, we don't mean the Buffalo Bills in the AFL. We mean the ones that pile up every month... the ones that are scalping your budget and make you have to watch all your football on TV. How do you "catch up" on old bills? Just ask for a Bill Consolidation Loan from S.I.C. The money you apply for could pay 'em all off... and leave you with just one much smaller amount to repay each month. That's right. Takes care of bills clean from here to Buffalo.
