

City Approves Lighting Proposal

Water And Sewer Bond Vote Seen

Hereford city commissioners began talking in terms of a three-quarter million dollar bond issue at their Monday night meeting.

Preliminary studies showed enlargements necessary in the near future to keep up with the city's growing demands on water and sewer facilities will cost some \$625,000, commissioners were told by city manager Dudley Bayne.

A large portion of this sum stems from installing water and sewer service to the recently-annexed South Hereford addition.

Commissioners discussed the need for a bond issue to cover the capital outlays at length and were reminded that outstanding bonds issued as far back as 1927 pose something no less than a problem in connection with financing of the currently proposed project. (See story at right.)

Earlier in Monday night's session, the commission voted approval to a proposal submitted by Southwestern Public Service Co. calling for a slight increase in rates charged for street lighting and including the provision that many older streetlights in the city would be replaced with brighter lamps.

REQUIRING three years for completion, the rate adjustment and lighting changeover will mean a 27 percent increase in output of light from lamps in older portions of the city and an over-all seven percent increase in the cost to the city for streetlighting.

Melvin Jayroe, district manager for SWPS, pointed out that this would be the first increase in street light rates since 1953 and that the increased light would add beauty and safety to the streets which are presently dimly lighted.

He added that the new rate for street lighting was being presented to all cities served by SWPS and that the company felt the slight increase was necessary due to the higher cost of equipment, although fixtures installed now require less wattage while providing more light.

THE CITY currently pays some \$18,000 annually for lighting, and the change-over will add some \$1,500 to this. Monthly cost for streetlights is \$1,619.20, to which \$129.90 will be added to the monthly bill by the end of three years.

Jayroe explained that the proposal calls for an immediate reduction in billing to the city for all present mercury vapor lights.

In turn, rates will be adjusted to the new schedule only as replacements occur.

ENGINEERING on the project will begin immediately, Jayroe told the Board, but it will be about two months before the work begins.

First to be changed will be lights in the older portion of Hereford, bounded by Park Avenue, Highway 60, and U. S. 385.

He pointed out that some streetlights in this area have been in use since 1932.

"THIS IS a modernization program which the city has needed for quite some time now," Jayroe said, concerning the updating of the lights in the

'Buck Passing' In Past Causes Finance Worry

By WAIN MILLER
Staff Writer

Proposed projects which would be incorporated in a bond issue were outlined Monday night as city commissioners looked at growing Hereford's needs for expanded water and sewer facilities.

Proposals outlined included five additional city water wells, a booster station and underground storage for water to serve northwest Hereford, installation of water and sewer lines to service the new La Plata Junior High School, and installation of water and sewer facilities in South Hereford.

TOTAL cost for these projects would be \$625,000, studies indicate.

About a third of the cost will go to provide water and sewer facilities for recently-annexed South Hereford.

And almost \$30,000 will be needed merely to supply sewer service to the new junior high school in northwest Hereford.

These projects, otherwise, are brought about solely to keep up with the city's population and housing boom.

FINANCING looms as a major problem for the city.

The problem is a simple one but one that will take some complicated arithmetic to solve.

To put it bluntly, the additional revenue brought in by the additions at the present will not go far towards retiring the capital expenditures involved, according to city manager Dudley Bayne.

And the picture is clouded by a considerable amount of "passing the buck" carried on by the city's governing agents in decades past, Bayne said.

For example: —BONDS issued back in 1927 to build the present City Hall cannot be retired before 1967.

The \$40,000 in bonds were sold for 40 years at five percent, the highest interest rate this city has ever paid for bonds.

—And, in 1949, the city issued two sets of bonds for water and sewer improvements... with the provision that none of the principal would be paid before 1960.

THE CITY has paid interest on the bonds since that time and before final payments are made

CofC Board Names Officers For 1966

Members of the Board of Directors of the Deaf Smith County Chamber of Commerce elected officers for 1966 and passed two recommendations at the Wednesday morning meeting.

Named president of the chamber for 1966 was Raymond

White, a member of the chamber's board of directors for the past three years.

WHITE will take office Feb. 1 when the term of the chamber's current president, Wayne Thomas, expires.

Also elected to serve during

the coming year were Hilrey Aven, vice president; and Russell Carver, treasurer.

ELECTION of board officers highlighted a session which also saw the chamber's board vote recommendations concerning the proposed county museum, and an underpass in east Hereford.

White, a partner in H&W Implement Co., has lived in Hereford for the past 11 years.

Immediate past president of the Hereford Lions Club, White is a member of the Hereford School board. He is also a member of the First Baptist Church.

Aven, also in his third year on the chamber board, is vice president of Big T Pump Co. He has lived in Hereford since 1946. He currently is first vice president of the Hereford Lions Club. He is a member of the Church of Christ.

Carver is president of the Hereford State Bank and has lived in Hereford since 1959. He has served on the chamber board for the past three years. He is a member of the First Baptist Church and the Hereford Rotary Club, where he is a past member of the board of directors.

OFFICERS and the chamber's four new board members will be installed at the annual Installation Dinner, slated for Thursday, Jan. 6.

The chamber board, in other business, adopted two recommendations made last week by the Tourist and Convention Committee:

The board will recommend to the county commission that a former parochial school now owned by the county and located on property across the street from the courthouse be used as a start on the proposed county museum.

HOWEVER, the board added the recommendation that the building be used only to store and catalogue museum artifacts and that this building not be

BAGGARLY WILL SPEAK

Democratic Rally Barbecue Friday

Young Democrats of the 18th Congressional District will host a barbecue and All-Democratic Rally Friday night in the Hereford High School Cafeteria.

All Democrats in the area — and other interested persons — are invited to be on hand for the event, which will get underway at 7:30 p. m.

FEATURED on the program will be H. M. Baggarly, publisher of the Tullia Herald, one of the area's widely-known Democrat boosters.

Also appearing at Friday's rally will be the state president of the Young Democrats of Texas, Bob Slagle, a Sherman attorney.

In charge of the program is Andrew Shuval, Hereford, immediate past president of the state's Young Demos. Shuval stated that the rally is being held in preparation for organizing Democratic party support in connection with next year's upcoming elections.

Hereford FFA At State Meet

Hereford High School's Future Farmers of America Chapter will be represented at the Texas FFA Leadership Contests Saturday at Sam Houston State Teachers College at Huntsville.

THE LOCAL chapter's senior chapter conducting team will compete for state honors after earning first place in the Area I leadership contest held last week in Plainview.

The senior chapter conducting team is comprised of Lee Robinson, Jimmy Campbell, Randy Tooley, Monte Gripp, Dennis Latham, Gary Clements, Larry Clements, Larry Brown, and Johnny Mars.

Only teams which take first place wins in area events are allowed to compete in state contests.

ANOTHER Hereford FFA team — the farm skills demonstration entry — ranked second at last Saturday's area contest. Members of the farm skills team are Jerry Anderson, Roy Carlson, and John Perrin.

Teams competing in the Plainview event were limited to winners of the district contest which had been held earlier last week.

Jess Robinson, chapter sponsor and vocational agriculture instructor at Hereford High School will accompany the chapter conducting team to Huntsville for Saturday's event.

Yearbook Queen Named Saturday At Stunt Night

Crowning of the Yearbook Queen will highlight the Annual Stunt Night which will be held in the high school auditorium Saturday at 7:30 p. m.

Each club and organization in the school will present a stunt or skit which will last about five to eight minutes.

The event is sponsored each year by the high school yearbook staff and the proceeds will go toward the yearbook fund. Admission will be 75 cents for adults and 50 cents for children.

Carol Program, Santa's Visit Slated Tuesday

Tickets for the barbecue rally may be purchased at the door, or in advance by calling Shuval at EM-4-2850 or EM-4-4242, or Johnny Roberson, EM-4-0712, or EM 4-1354.

Carol Program, Santa's Visit Slated Tuesday

Santa Clause and Christmas carols sung by the combined choirs of Hereford High School will add to downtown Hereford's holiday atmosphere Tuesday night.

Arranged by the Variety Park Merchants and the Hereford Jaycees, the program will feature carols sung by the 250 members of the Hereford High School combined choirs, under the direction of Richard Jackson.

An added highlight of the program, which begins at 7 p. m., is the expected appearance of Santa — if conditions are right for his long trip to Hereford.

And, the downtown merchants will probably offer some Christmas shopping specials.

DRIVE SET IN JANUARY

March Of Dimes Drive Leaders Are Announced

The annual Deaf Smith County March of Dimes Campaign will kick off Jan. 15 and will continue through Jan. 30, according to campaign manager Dr. Nobel Ballard.

Ballard said the annual event will include the traditional Mother's March during the last week of the campaign. Mrs. Wheeler Sears and Mrs. David Gibson will be in charge of the march.

Miss Patti Roach will be in

charge of the teenage drive in the schools.

MAILERS sending contributions will be sent out to residents of Deaf Smith County during the campaign.

Dr. Ballard said the money collected by the annual drive will go toward research which will combat the alarming number of birth defects in this county today.

An estimated 250,000 American babies will be born in 1966

with the defects, according to Dr. Ballard.

A RECENT German measles epidemic across the country this past spring will be responsible for between 15,000 and 2,000 birth defect babies this year he added.

March of Dimes Supported scientists have been at work on the German measles problem for some time and \$318,852 in March of Dimes funds is now going into accelerated research to perfect a vaccine.

Area Implement Dealers Stage Annual Exhibit

Ten Hereford area farm implement dealers will exhibit the latest in equipment at the third annual Fall Implement Show Saturday on the parking lot of Hereford State Bank.

The showing will feature new tractors, as well as sugar beet, bed planters and shapers, flame cultivation, weed shredding, milo topping, forage harvesting, and tillage equipment.

Exhibitors will be Case Power & Equipment, Hays Implement, Tommy Kemp Tractor, Hicks Oil & Gas, H&W Implement, Kirby Sales, Lesley Motor, Wes-Tex Equipment & Supply, B&B Oliver, and Davis Implement.

Refreshments will be served throughout the day. The show is arranged and sponsored by the Hereford State Bank.

'FIGURES ALARMING'

5,000 Tickets Here?

The number of American dead in Viet Nam does not begin to compare with those slaughtered on the nation's streets and highways, a Hereford policeman pointed out to an audience Tuesday.

And the number of traffic mishaps occurring on Hereford streets is cause for alarm also, asserted Ken McDermit of

the Hereford Police Department in a talk to the Hereford Jaycees at their Tuesday noon meeting.

HE ADDED that if criteria of the National Safety Council were followed, three would be 5,000 tickets issued to Hereford motorists each year.

"There are alarming figures," he told the Jaycees, "but they are facts worthy of consideration every time you get behind the wheel."

For instance: The nation's first traffic fatality occurred in New York City in 1903... since that time, 1 1/2 million persons have died on the nation's streets and highways.

—50,000 will be killed in traffic mishaps in 1965.

—SINCE 1961, more than 1,800 Americans have died in the Viet Nam war... and in the same period, 223,000 persons have died

New Criminal Code Subject Of Talk Here

District Judge Harry Schultz has announced one of a series of three seminars on the new code of criminal procedure will be held here Saturday at 1:30 p. m.

A round-table discussion on the new criminal code will be led by a panel consisting of district attorney Bill Hunter of Dalhart, County Attorney Bruce Miller, Hereford attorney Andrew Shuval, and R. C. Gaines, a member of the firm McCowan and Sheehan of Dumas, along with the district judge.

Members of this group attended the Institute on the New Code of Criminal Procedure at the University of Texas on Nov. 11-13, and will share all the information gained there with those who attend the seminar here.

They will have available for copying and photostating 19 paper presented by that manypanelists on various portions of the new code at the Institute sessions in Austin.

Invited to attend the Dec. 11 meeting here are all law enforcement officers, county judges, justices of the peace, city judges, county attorneys, and all other lawyers from this six-county judicial district, along with news media members.

on Americas streets and highways.

—The National Safety Council figures that for each traffic mishap there are some 15 traffic

VFW Collects Toys For Needy Children In Area

The Hereford Veterans of Foreign Wars Post's annual Toys for Needy Children campaign is progressing as members receive and repair toys to be distributed Christmas.

Charlie Morris, post commander, said veterans are currently seeking toys of all types which can be repaired for Christmas delivery to Hereford area youngsters who might otherwise be left out Christmas Day.

Toys which can be repaired may be left at Whiteface Barber Shop, Lawrence Cleaners, or the VFW Post headquarters in Veterans Park, Morris said.

All types of toys for children of all ages are needed by the VFW members for the annual project.

These toys will be repaired by members of the VFW prior to their distribution on Thursday, Dec. 23.

BOY HOLDS GRUDGE TWO YEARS

Youths Admit Vandalism Spree At Drive-In Theatre

The Deaf Smith County Sheriff's Office announced the arrest of two persons in connection with the vandalism at the Tower Theatre.

AN INTENSIVE investigation by the sheriff's office resulted in the arrest of two 15-year-old youths Tuesday who were charged with the incident which caused an estimated \$2,000 damage to both speakers and speaker poles.

County Judge H. C. Williams set their hearing for today at 9 a. m., after appointing an attorney to represent the youths.

Deputies said one of the youths told them he raided the

theater to settle a grudge he held against the management

for throwing him out of the show some two years ago.

An estimated 300 speaker poles were pushed to the ground and an estimated 350 speakers cut from the poles some time between the hours of midnight and 6:45 a. m. the morning of Nov. 28.

ONE SPEAKER was thrown through the front plate glass window of the concession stand, but the building was not believed to have been entered.

Twenty-five light poles at the end of the ramps were also broken or pushed down.

Owner-manager Francis Hard-

Really folks. It's all on the level. They do make boots for dogs, and if you don't believe it, just take a squint at the picture at right. If you're still a "doubting Thomas," just drop by Emmett Milburn's office and he'll show you a complete set. The footwear is made by Lewis Dog Boot Company of Enid, Okla., and a set sells for \$7.50.

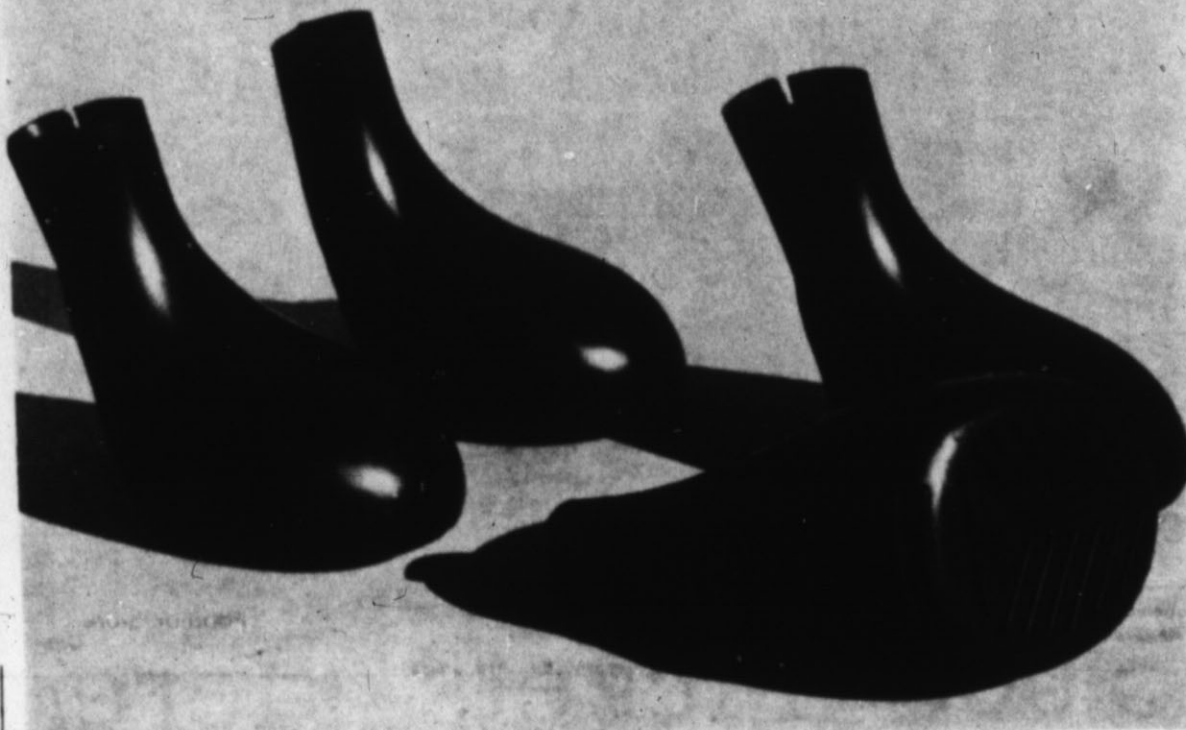

Tom Draper, an avid sportsman himself, tells us that he has tried the boots, but his dog wouldn't leave them on. He spent too much time putting the boots back on the dog. However, Milburn assures us that most dogs like the boots. He says that he has had only one dog that didn't and that most dogs take to the boots like a duck takes to water. He also pointed out that the latest models (the rubber boots) were better than the old style leather ones that laced up the front. Apparently a dog can untie the lace and take the leather boots off, while the rubber models slip on and are then secured around the top with tape. Once they're on securely, it's pretty hard for the dog to get them off.

park directly in front of the store in which they plan to shop. After alighting from the automobile, they may walk up and down the street, but the initial stop is usually made very near the first store to be visited.

Clovis has a number of off-street parking lots owned by the city. While the main street is filled to overflowing, according to the gentleman making the survey, most city parking lots are less than half-full.

However, the off-street parking could be utilized we feel, by employees — and employers — making more side street and main street parking spaces available for customer parking.

We suppose this will always be a problem. And there appears to be no easy answer for it. The county commissioners, in a move to alleviate some of the downtown parking woes, topped the lot directly north of the courthouse and has made it available for free public parking (no trucks), yet the lot seldom has more than one or two automobiles in evidence. The shoppers are ignoring it by the droves... and apparently everyone else is. This fine lot, by the way, is only one block from downtown Hereford.

ISN'T THAT the cat's pajamas! Nope, it's in "The Brandin' Iron." (Staff Photos) the dog's hunting boots. See explanation

law violations. —THUS far this year, there have been 340 traffic mishaps reported to Hereford police... this would mean (based on the NSC figures) that more than 5,000 traffic citations would be in order here.

"Needless to say, public reaction to such a number of arrests would be large," McDermitt commented.

E HEAR constantly about the losses in Viet Nam, but there seems to be little concern about the much more alarming traffic losses.

He blamed much of the problem on the fact that "We take our problems with us when we get behind the wheel and do not concentrate on driving."

Another cause of concern, McDermitt continued, is the fact that some 53 percent of the nation's fatal traffic accidents involved persons who had mixed drinking with driving.

"In Texas last year, 8,700 persons lost their privilege to drive for being convicted of driving while intoxicated.

"HEREFORD Police arrested 37 persons for DWI, 33 of whom were convicted.

"The local sheriff's department and Highway Patrol arrested an additional 72 persons for driving while intoxicated, giving a total of 109 DWI's last year in this county — a dry county.

"In 1963, 179,363,181 gallons of alcoholic beverages were sold in Texas — that's 17½ gallons per person in the state," he said.

ADDING to these problems, the amount of vehicle traffic continues to increase throughout

the nation faster than the public streets and highways can handle, the officer stated.

And another point: McDermitt said that there is already considerable talk of a federal traffic policing agency if states and cities continue to allow traffic tolls to mount.

City...

area. Motion to accept the proposal was made by commissioner Albert Maxwell. Second was by Joe Easley. It carried unanimously.

IN OTHER business, the commission reaffirmed its past stand against reduction of a water bill because of a leak.

The discussion came when the Hereford Riders Club sought consideration on an unusually large water bill because a leak had allowed a large amount of water to waste.

But the commissioners reaffirmed past stands that the customer is responsible for preventing such losses.

WORK PLUS WORSHIP

CHICAGO P — "Service in the world ratifies our service in the sanctuary," the Rev. Michael Daves writes in the Methodist magazine, Together, but the challenges the argument that it makes no difference whether a person goes to church or not so long as he lives right.

"Worship at stated times... affects our lives in the world," he says. Worship "reminds us that God has claimed us for himself," and "in worship we are called to give the only acceptable gift to God, ourselves."

Of course, there has to be someone thinking up new ideas and Abbie Crame, girl Friday at the Credit Association office, is just the one to dream them up.

Abbie suggested that we might start looking for a place to buy boots for cats. Think of the saving to furniture if the household pet wore mittens — probably equipped with built-in claw sharpeners.

Actually, we suspect that Abbie thinks the whole thing is a hoax.

And a lot of other people apparently agree. Milburn says it takes some real talking to convince a few of these folks that he is telling the truth. However, the picture should prove the point.

Incidentally, there's a story behind that bird dog too. That's one that Emmett gave to Mrs. Milburn for Christmas about four years ago. Paid \$350 for that dog — and was sure that Mrs. Milburn would be delighted to receive such a fine animal for Christmas.

Being a pretty good spt, Mrs. Milburn accepted the gift, but we suspect that it eventually cost Milburn much more than the original \$350.

Well, we've heard of the fisherman who kept giving his wife fishing tackle for Christmas? Only problem was, she didn't like fish.

And speaking of Christmas, there's only 13 more shopping days.

A survey into the downtown parking problem made recently at Clovis by one of the city's citizens, points up a situation that has long been evident in most area towns. That's the fact that most people want to

Prizes Awarded Stamp Contest Winners Here

Prizes were awarded last weekend to 14 persons who were winners in a "wishing-well" contest sponsored by all Hereford merchants who give S&H trading stamps. Each chose a prize he wished from the company's catalog of gifts.

Winners were Virginia Clark, Dolly Kearns, Mrs. G. T. Moody, Mrs. R. C. McGilvary, Irene Baird, Mrs. R. L. Simpson, Mr. Ed Jesko, Jeffrey Shipley, Mrs. E. K. Brink, Alicia Ramirez, Mrs. Ruben Ramirez, Mrs. James R. Lanier, Hilda Straffus and Eloy A. Valdez.

The three-week contest ended with drawings at Harmon's Store Saturday, and winners may pick up their prizes there after Dec. 13.

Lengthy Illness Claims Life Of Marcus Watson

Marcus L. Watson, 119 Lake Street, died Monday after a long illness. He had lived here since 1942, when he moved from his birthplace, Farmersville, Texas.

After a funeral service conducted by the Rev. H. V. Fields, pastor of Grace Gospel Church, in the Rose Chapel of Gilliland Funeral Home, he was taken to Farmersville where a service will be held at 2:30 p. m. Friday at Fielder-Baker Chapel and burial will be in the Bethlehem Cemetery.

His birth date was Feb. 18, 1878, and he was married to Della Galey, who died in 1940. He was a member of the Baptist Church.

Survivors include three sons, Dink, Tice and Harvey Watson, all of Hereford; four daughters, Mrs. Thelma Smith, Mrs. Merrie Teague and Mrs. Geraldene Carr of Hereford and Mrs. Vera Stewart of Dallas; 28 grandchildren, 56 great-grandchildren and four great-great-grandchildren.

TALL DOUBLE

NEW YORK — A member of the Columbia University basketball squad is leading a double life as understudy for a tall role in "The Roar of the Grease-paint."

David Newmark, a 7-foot sophomore, goes on whenever needed in place of 7-foot-3 Murray Tannenbaum as "The Bully" in the musical charade.

SUSPECTED A STILL?

STERLING, Kan. — There were some quick questions when city officials were asked to approve a city purchase of 100 pounds of dry ice and two gallons of alcohol.

A maintenance supervisor explained it would be used to freeze water mains briefly to keep water from escaping while some new fire hydrants are installed.

Count on a medium orange yielding a tablespoon of grated rind.

(Continued from Page 1)
will have paid some \$10,000 interest on a \$50,000 issue and \$38,500 interest on a \$131,000 issue.

THIS puts the city in a cramp for financing the current proposals because the \$32,000 principal on one of the 1949 issues must be paid in two years beginning 1969 and the \$131,000 principal on the other must be paid in four years.

Of course, there is nothing to be done now except pay the bonds as they come due, as there is no "on or before" clause in the bonds, Bayne said.

Another problem facing the city in regard to prospects for financing the improvements stems from the fact that Hereford received heavy rainfall last summer.

AS A RESULT, water revenue for the city this year is far below that which had been anticipated in the budget.

Revenue from the water department was budgeted for the current fiscal year at \$264,000, but the "wet" year is being blamed for putting the revenue some \$35,000 short of that amount, Bayne continued.

SALE OF revenue bonds by a municipality is based largely upon water and sewer revenue, city attorney Earnest Langley pointed out.

These revenues are key factors in making revenue bonds — and since bonds are sold on the basis of water and sewer revenues during the year immediately preceding that in which bonds are sold, "There is a definite problem here," Langley said.

And another one: The city's current tax rate is 1.40.

MAXIMUM allowed in the state is \$1.50.

Result is that the projects currently proposed cannot be wholly financed by tax bonds.

THIS could conceivably bring about the city being forced to seek both tax and revenue bonds for the projects, which are needed in the near future, according to Bayne.

The result follows that both an increase in city taxes and a cramp in spending for other items handled by water and sewer revenue would be seen.

Included in the \$628,968 total are:

—Four water wells, two of which are needed immediately.

—A million gallon capacity underground storage tank and booster station on city property

on Ironwood St. in northwest Hereford.

A BOOSTER station to serve with the underground storage.

—Some \$87,000 to install water lines to serve South Hereford.

—Installation of a 20-inch main to reach a proposed well field west of Hereford.

—A twelve-inch sewer line to serve the new junior high school.

—And, \$134,000 for sewer lines to service South Hereford.

MUCH of the cost for South Hereford sewer and water installations come from lift stations needed to pump flow across the Tierra Blanca Creek which separates the area from the rest of the city.

Bayne pointed out that the city's tax rate stood at \$1.35 when he came here in 1956, was dropped to \$1.25 for two years, and now stands at \$1.40.

City tax revenues — based on a 45 percent assessment — have climbed in the same time from \$252,000 in 1962 to \$261,000 in 1963 and \$295,000 in 1964.

CURRENT city valuation is some \$24 million.

Bayne said the growth in tax receipts from additional property tax will hardly cover the increased bond payments, nor will the anticipated \$10,000 revenue jump afforded by adding south Hereford.

The city currently pays some \$88,000 per year on bond retirement and interest.

The proposed new issue would mean an additional \$60,000.

Bonds voted in 1927 will not be retired until 1969 and those passed in 1949 will not be fully paid off until 1974.

Only then will the city's financial status begin to take on a much rosier look, Bayne stated.

TROTTERING ALL YEAR

COLUMBUS, Ohio (AP) — There no longer is any off season in harness racing.

With the successful launching of two new tracks — Windsor Raceway in Ontario, just across the Ambassador bridge from Detroit, and Georgetown, Del., Raceway and the extension of the New York season at Roosevelt Raceway to Dec. 15, the trotters and racers now operate around the calendar.

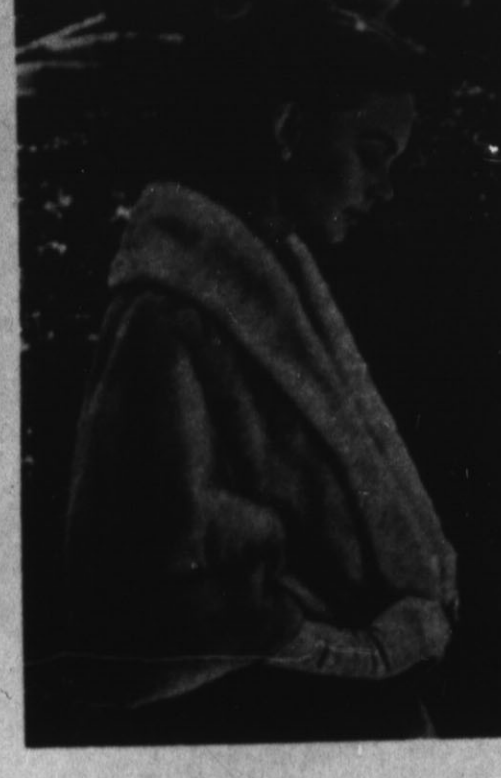

Windsor racing ends Dec. 18 and Georgetown runs to Dec. 31.

The Phoenix, Ariz. Trotting Park opens Dec. 10 and Pompano Park in Florida gets underway Dec. 15.

NUMBER ELEVEN—The Rev. Eugene Naugle bought his ticket to the Deaf Smith County Chamber of Commerce Annual Banquet to be held Jan. 20, and for the third straight year came up with ticket number 11. The tickets for the event are currently on sale at the chamber office. Mrs. Judy Renfro of the chamber office is shown making the sale. (Staff Photo)

March...

(Continued from Page 1) WHILE supporting this and other scientific investigations into birth defects, the March of Dimes is also expanding what is already the largest single national source of private support for the diagnosis and treatment of birth defect victims.

According to Ballard, birth defect is the number one childhood health problem in America today. He said that each year birth defects destroy more life than cancer and stroke combined, cripple more infants than any other disease condition, and account for the major share of mental retardation.

Already the March of Dimes has made significant progress in checking birth defects in special centers in more than 40 cities which provide latest treatment for birth defect victims.

Youths...

(Continued from Page 1) Wick said that he was going to close the show for the season after the Sunday night show, but was forced to close a night early due to the fact that there were no poles or speakers left undamaged.

SINKING SOLONS

MANCHESTER, Tenn. — City officials have that sinking feeling.

Mayor C. V. Myers says the City Hall is unsafe for human use. Unless a new one can be built, he says, he will declare it hazardous and won't let people enter.

Myers says the roof sags about 10 inches. The building once was used for a livery stable and a service station.

PACK RAT IN PRETTY PRAIRIE

PRETTY PRAIRIE, Kan. — Everett Cloyd brought home a box of peaches and left them on a kitchen table overnight.

Next morning the basket was empty.

The peaches were found behind a sofa in the living room. A small bit of each peach was gone and Cloyd blamed it on a pack rat.

SACRIFICE FOR ATHLETICS

HUTCHINSON, Kan. — Barber Gene Thornhill said he got only one request to demolish a Beatle haircut on a high school boy before school started this fall.

He said the youth explained he was afraid his football helmet wouldn't fit atop the mop.

Officers...

(Continued from Page 1) used to display items to the public, saying that it felt this building would not be suitable for a public museum.

But the plan, if enacted by the county commission, would give museum backers a place to store items until a museum building can be obtained.

Also adopted by the board was a recommendation to be presented to the Hereford city commissioners and the Santa Fe Railroad asking that a study be made to determine the feasibility of constructing a railroad underpass in east Hereford to facilitate flow of traffic to industrial and recreational areas south of the tracks.

STANLEY LIKES THE BRASS

LONDON — Stanley Holloway is still working at the age of 75.

It's not because he's short of cash.

He has a country house in Buckinghamshire, and a long, black and highly expensive automobile (Rolls Royce).

Stanley's latest job is in "The Sandwich Man," being filmed at nearby Pinewood Studios.

"I haven't any hobbies," said Stanley explaining why he took the new work. "Besides, it's nice to feel wanted, and I never despise the rasc (money) work brings in. Nobody who has been hard pushed in life despises money. Anyhow, work keeps me young. If I'd stop I'd die of boredom."

CASE OF THE BOLTED BOLT

SALINA, Kan. — L. W. Nelson thought someone had fired a gun at his front door when he saw the glass shatter.

While he called police, a neighbor J. H. Morris, began searching his lawn for a bolt which had fallen from his power mower.

Police solved both mysteries. They found the bolt from Morris' mower on Nelson's living

room floor where it was thrown by the mower blade.

COMING IN ON A LASER

WALTHAM, Mass. — Two compact modulators — devices to impress information on laser beams — have been developed for the Air Force by Sylvania Electric Products Inc. here.

The units — one 18 inches long and the other three-and-a-half inches — produce rapid variations in the intense, pencil thin beams of light that emit from lasers. This permits transmission of voice, video, telegraph and telemetry signals.

In theory, the smaller modulator is capable of impressing six TV broadcasts or 3,000 telephone calls on a single laser beam and the larger unit could handle 100 TV broadcasts or more than 100,000 telephone conversations.

TAKING SHAPE — Expansion at the Hereford Medical and Surgical Clinic was taking shape this week as work continues. The project will add office space and modernize the exterior. (Staff Photo)

TAXES JAM UP WEDDINGS
CRAWLEY, England. — Clergy at Crawley New Town Sussex want to put an end to their peak period wedding worries. They have asked their member of parliament, Peter Horn, to seek all-the-year-round tax concessions for young couples marrying instead of restricting them so that couples are able to get married in the spring and fall. "The twice a year rush makes things very hard," said the Rev. Charles Williams, a local Anglican priest. "Our main worry is that we cannot devote as much time as we would like in preparing people for "marriage."

RECEIVES PLACQUE—Robert Mancillas, center, received a plaque honoring him for winning first place in the Hereford Jaycees Teenage Road-E-O safe driving event. Mancillas later competed in Dallas in the state Jaycees Road-E-O event. Presenting the plaque at Tuesday's noon Jaycee meeting was Johnny Roberson, chairman of the event. Looking on is Ken McDermitt, officer in the Hereford Police Department, who spoke concerning traffic safety.

12 Host Holiday Party

One of the gay holiday parties which are brightening the social scene this month had six couples as hosts at Hereford Country Club Tuesday evening. The Ansel McDowells, R. G. Peeters, Howard Gaults, Harry McCauleys, Oscar Easley and Alton Frasers entertained in a meeting where Christmas red and green were pointed up with gold and silver sparkle. An orchestra played for dancing through the evening. Guests sat at tables covered with red, each table centered with Christmas baubles and a green candle based in evergreen branches. Serving tables, in half-circle

shape, were set against a wall with the tall green-flocked tree between them, its decor of red satin bows and balls repeated in red bows on the swag design of the white tablecloth skirts which flared to the floor. Garlands of greenery over the white globes of ceiling lights and a white and gold table where a Santa figure bowed a welcome in the entry, were other decorative accents.

LONDO NHIT DUE HERE
NEW YORK (AP)—Beating several rival producers, Slade Brown has obtained Broadway rights to the current London musical hit, "Robert and Elizabeth."
Based on "The Barretts of Wimpole Street," the show has a score by Ron Grainer. Brown expects to have the staging here supervised by Wendy Toye, who directed the original. A 12-week tour is to precede local arrival in November, 1948.

Father Of City Woman Is Dead

Tom Baldwin, 83, of the Bushland community, father of Mrs. Glen Witherspoon of Hereford, died Wednesday morning. Funeral arrangements are pending at Amarillo.

He was a long-time resident of the Bushland area.
WITHOUT A MAP
LINCOLN, Neb. (AP)—You can add this to the hazards of cross-country running: Getting lost. Pete Scott of the University of Nebraska was leading the pack in a four-team meet over the Pioneers Park course in Lincoln recently when he made a wrong turn. Even worse, several teammates followed him. By the time Scott got back on course, he was out of contention and finished fifth.
Coach Frank Sevine was philosophical about the mixup. "This isn't the worst thing that ever happened to me in cross country," he said. "I had some guy hitchhike one time back East."

NOW HAS 61 MEMBERS

Easter Lions To Receive Charter Saturday Night

Saturday night, 61 farmers and businessmen from the Easter area will be officially banded together in the form of a civic service club when they will

be presented a charter from Lions Club International. Forty-three men will be listed as charter members of the new club, which is the climax of several months planning by men of that area and the district governor of the District 27-1 Lions International, J. W. Robinson Jr. of Hereford.

The first meeting of the Easter Lions Club was held Sept. 27, when the club was started and officers elected. Roy Botkin, who was elected as Easter's Boss lion, will accept the charter from Robinson, governor of District 27-1.

Calendar Of Events

THURSDAY
VFW Auxiliary at Rock Club House, 8 p. m.
St. Anthony's Parish Council in auditorium, 8 p. m.

SATURDAY
First Methodist Guild, Christmas program in home of Mrs. W. B. Dowell, 7 p. m.

SUNDAY
Deaf Smith County Foods Committee, candy circus a Bull Barn, 2:30 p. m., public invited.

GUEST SPEAKER for the charter meeting will be Tom Kirkham, State secretary from Austin who will give a talk on Lionism.

PRIZE SET UP
NEW YORK (AP)—An annual playwriting award has been set up by the American National Theater and Academy in honor of the late Robert Hamilton Bishop III.

Bishop, who died in 1963, was president of the Musical Arena Theater Association and a leader in urging cooperation among small theaters and revision of copyright laws.

The \$2,000 cash prize is to be given for a play by a writer who has not had any work produced for profit.

THE CHARTER will be presented at a dinner Saturday night at 8 p. m. at the Caisson House.

A turkey shoot has been held by the new club, and funds from that shoot will be used to buy tables and chairs for the meetings which will be held every second and fourth Monday night at the Easter Country Club.

Gibson Draws 2-3 In Pen For Theft

In District Court action Monday, Judge Harry Schultz formally sentenced a 38-year-old man who was found guilty of theft of over \$50 by false pretense by a district court jury on Oct. 27.

A SENTENCE of not less than two years, nor more than three years of hard labor at the Tex-

as State Prison was passed to Houston Everett Gibson, 38, who gave his address as Branson, Mo.

After the sentence was announced, Gibson's attorney, Andrew J. Shuval, gave the court notice of appeal, which is now pending.

Four other appeals are now in the hands of the Court of Criminal Appeal in Austin in connection with the bonds that were ordered forfeited by Judge Schultz after Gibson failed to appear in court.

The sentences passed Monday were in connection with bills incurred by Gibson as a contractor for a motel here. Gibson allegedly had received some \$10,000 in payment for the project, but did not pay creditors.

The indictment on this charge was returned by a Deaf Smith County Grand Jury in 1964, and is one of five indictments currently held against the man.

Use only the colored part of the skin when you grate orange or lemon rind; the white part under the color is bitter.

Classifieds Get Results

Lawyers Named For Defendants

Attorneys were appointed for five defendants who are scheduled for pre-trial this month in district court action Monday.

Pre-trial has been set for Dec. 20, and District Court has been set for Jan. 17, to be heard by District Judge Harry Schultz.

Those having attorneys appointed Monday were Johnny Uranga, charged with burglary; Jimmy Ivy appointed as attorney; E. Hazen Wood Jr. was appointed to defend Raymond Cruz Villa, also charged with burglary; Wood was also appointed to defend Charles Sterling Ryals on a burglary charge.

die Evans on fraudulent disposal of mortgaged property charge. J. Edward Lines was appointed to defend Vernon H. Hobbs on a driving while intoxicated, second offense charge, and Eddie Evans on fraudulent disposal of mortgaged property charge.

If the gravy with your beef stew isn't so savory as you would like, try adding a little Worcestershire sauce.

Firemen Hold Annual Holiday Party Saturday

Some 60 persons attended a Christmas party Saturday night at the country club for members of the Hereford Fire Department and their guests.

Two members of the department were honored with plaques at the dinner.

The Rev. Joel Treadwell, who has moved to Louisiana, was given a plaque for his service as department chaplain; and Dub Reeves, who will retire the first of the year, was honored as a past chief of the volunteers.

Bill Clayton, state representative from Springlake was guest speaker for the annual event.

The Floerke family of Kansas City, Kan., has contributed more than its share of AAU track titles. Bill Floerke won the AAU javelin throw in 1965, and his brother Kent Floerke has a collection of AAU triple jump crowns.

memo to advertisers

ABC

What is the A.B.C.?

Chatting with a merchant the other day, we mentioned our "ABC figure."

"What," he asked, "is an ABC figure?"

Perhaps what we told him will also interest you.

This newspaper is a member of the Audit Bureau of Circulations, an independent, nonprofit organization of nearly 4,000 advertisers, advertising agencies, and publishers.

Its purpose is to provide accurate and factual reports on the circulations of member publishers. In the advertising and publishing industry, the ABC insignia is often referred to as the "hallmark of circulation values."

At regular intervals, an ABC traveling auditor visits our office to check our records. The findings of this

physical audit are embodied in an Audit Report published by ABC — the report literally tells us what our circulation is.

Virtually everything an advertiser should know about our circulation is found in this report, facts and figures without opinions.

Few retailers bother to ask to see a copy of our report, yet we want you to know one is available anytime you are interested in the quality and quantity of our circulation audience — the audience for your advertising messages.

What is an ABC figure?

It is our way of assuring you that you get full measure for your advertising dollar in this newspaper.

Hereford Man On Tech's Top Judging Team

Texas Tech's national and international intercollegiate crops judging team will be honored by the Board of Directors of the Plains Co-Op Mill at a noon luncheon Wednesday at the mill here.

Mill president Roy Davis said the affair, a longtime tradition, is designed to recognize accomplishments of the Tech judging group, coached by Agronomy professor Cecil Ayers.

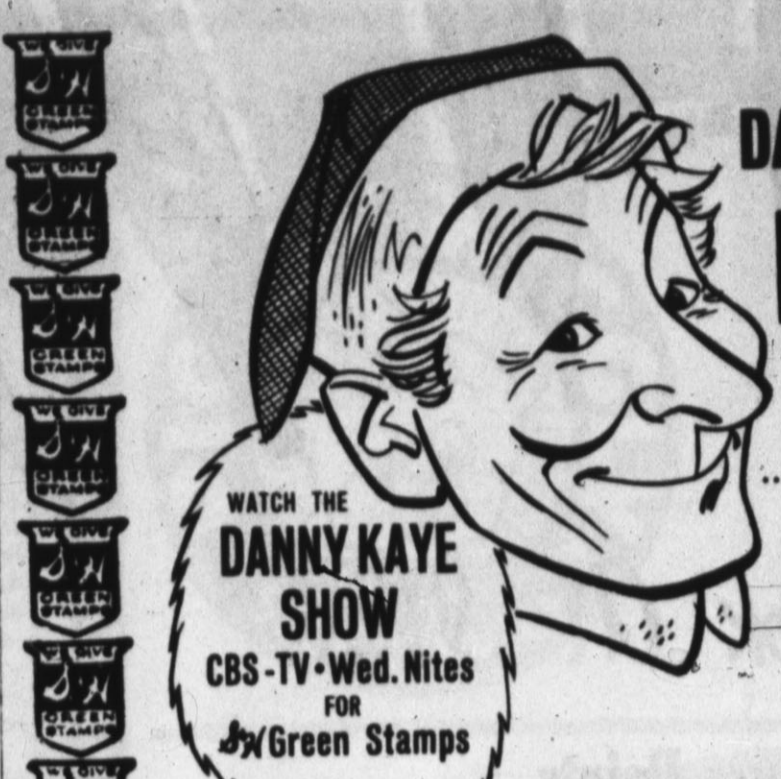

MEMBERS of the team which swept top honors last month at the national and international competition in Kansas City and Chicago are Joe Faulkenberry, Seagraves; Max Swinburn, Tullia; Keith Young, Shallowater; and Jimmy Barber, Hereford. Joe Tidwell of Knox City is a second alternate, but did not compete in the recent judging.

Davis said 150-200 persons were expected for the luncheon including local legislators, Tech officials, South Plains Maid of Cotton Nancy Bernard, LaNita Wood of O'Donnell, winner of the 4-H cotton award for the best cotton costume, and Robbie Brown of the Knott Community in Howard County, District II 4-H State Dress Revue winner.

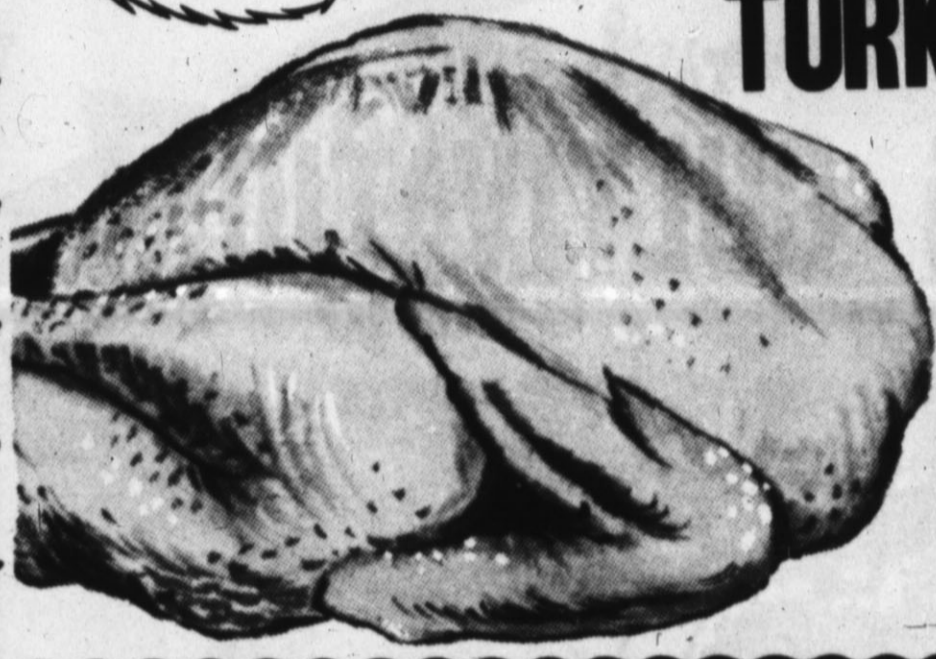

TECH teams have compiled an enviable record in the national and international judging in the 19 years since the competition was resumed after the World War II. Prof. Ayers has coached all the teams except for 1948 when he was attending graduate school.

Tech has won first 15 times, second 3 times and third once at Kansas City and has won 11 first place awards, 7 seconds and 1 third at Chicago. The local institution is the only school to win both competitions five times consecutively, in 1952, 1953, 1954, 1955 and 1956.

During the past 11 years, Tech teams and individuals have set 23 out of the 24 possible "all time" records in the various phases of the contest, some with perfect scores.

THELMA WARREN

4-H Girl Given Citizen Award By Farm Bureau

A 12-year-old member of Merry Maidens 4-H Club, Thelma Warren was named Citizen of the Month from among county 4-H girls in a new program of the Deaf Smith-Oldham County Farm Bureau, and the award was presented to her at a club meeting Monday in Community Center.

Norman Minks represented the Farm Bureau group to make the presentation. A similar award will be made each month to recognize county youth for citizenship and community service. Recipients will be chosen from FFA, FHA and 4-H clubs.

Thelma is a seventh grade student in St. Anthony's School who has been a 4-H Club member three years. She participates in many school activities, is a member of St. Anthony's junior choir and demonstrated her musical ability in a talent program for students.

Her choice of 4-H projects demonstrates her interest in family life; as the oldest of five children she is an experienced baby-sitter and assists with meal preparation. She has taken Red Cross swimming lessons and looks forward to the Junior Life-Saving Course.

She served her club as secretary-treasurer, keeping complete records of work done the past year. All these activities were considered as evidence of her feeling of responsibility to school family, friends and community to determine the award.

REINDEER ON LOAN

WASHINGTON (AP) — Uncle Sam is loaning reindeer to Eskimos in Alaska.

The Bureau of Indian Affairs has agreed to ship 200 head from its nunivak island herd to three Eskimos who have leased grazing rights on Hagemester island in Bristol Bay.

If the animals prosper and multiply, the loan will be repaid in the form of reindeer.

Wedding Invitations Printed THE INK SPOT

Is There A Handwriting Expert Handy?

One of the biggest problems postal employees face is illegible handwriting. At Christmas time, when mail volumes skyrocket, this can become a major problem, Hereford Postmaster Noland Grady said today.

"The use of ZIP Codes by mailers does help speed up the process because often if the city and state are unreadable the ZIP Code will direct the mail to the post office from which it will be delivered. Clerks in that post office, being more familiar with local residents, may be able to figure out the person to whom the mail should be delivered."

Another significant problem is the number of parcels delayed or actually undelivered because of poor wrapping or packing. Postmaster Grady urged that special care be taken to see that each package is tightly stuffed and that nothing rattles around inside.

Parcels are generally shipped in bags and often heavier items rest on top of smaller, lighter packages. The postmaster encouraged mailers to be a bit cautious and insure all packages.

All parcels should be addressed on only one side and should have the address written somewhere on the inside of the package in case the exterior wrapping should come off. It is a good idea to also enclose a list of the contents.

Poor packaging and illegible or incorrect addressing accounts for about half a million undelivered parcels each year.

Postmaster Grady further reminded the Hereford patrons that they can save time at the post office windows by having the ZIP Code on the parcel at the time of mailing. ZIP Code directories are available for public use at the Deaf Smith County Library and at Taylor and Sons Supermarket.

HEREFORD SOLDIER ATTENDS COURSE

Pvt. Jack E. King, son of Mr. and Mrs. Norman I. King, Route 2, Hereford, is attending a medical aidman course at the Army Medical Training Center, Fort Sam Houston, Tex.

During the ten-week course, which began Nov. 22, King is receiving instruction in the application of medical treatment, with emphasis on the care of battlefield casualties.

He entered the Army in September of this year and received basic training at Fort Polk, La.

The 20-year-old soldier is a 1965 graduate of Springlake High School.

For the fourth straight year the National League set a new attendance record in 1965. A total of 13,581,130 fans paid.

TULLIS REAL ESTATE
FARMS — We have several good, choice farms in Hale County and adjoining counties. Also, we have several cheaper farms.
RANCHES — If you want a large or small ranch come by and see us. We have many to choose from in Texas and Colorado.
CITY PROPERTY — We may have just the home your family is looking for, or we have lots that you could build on.
We have many farms and ranches from Holly, Colorado to the western part of Colorado. These have much potential and prices are going up each year, as this land is improved and developed. We welcome all listings. Come by and visit with us if you have something for sale, trade, or if you want something to buy.

Adrian News

By ANN BEAVERS Brand Correspondent

The Adrian P. T. O. meeting which was scheduled for Dec. 13 is postponed to Dec. 20 when there will be a Christmas program featuring the school choir. Hosts are Messrs. and Mmes. Jim Bradley, A. D. Lewis, Brub Beavers, Jim Perrin and Lester Gilliam.

Visiting in the Earl Brown home last week were Mr. and Mrs. Bronco Curry and son of Thousand Oaks, Calif. and Mr. and Mrs. Bill Darnell and daughter of Rodeo, Calif. Mr. and Mrs. Pat Maupin of Gruver, Mrs. Sq. Jackson and Mrs. J. W. Tarver of Wellington.

Mrs. Janie Monk, 63, a former Adrian resident died in her home in Melrose, N. M. and the funeral conducted Friday morning. Survivors are Raymond Monk of Scottsbluff, Neb. Tuckie Monk of Bovina, Velma Houston of Minnie, La. and Melba Walker of Clovis.

Mr. and Mrs. Jimmy Dawson and daughter of Hereford visited the Marion Ferguson family during the weekend. Clayton Thompson of Amarillo visited here Sunday.

Mrs. Hazel Sifford was in the Deaf Smith County Hospital last week. She is at home now and doing fine.

Mr. and Mrs. E. E. Allen were Thanksgiving dinner guests of the Gene Webb family in Amarillo.

Mrs. Johnny Townsend and Terri, Mrs. Gene Combs and children and Mrs. John Burns and children of Hereford visited the E. E. Allen family Sunday.

Mr. and Mrs. Terry Creitz and daughter of Earth visited the Lorin Creitz family for Thanksgiving.

Rev. B. J. Foster and Lorin Creitz attended a district conference at the Methodist Church in White Deer last Monday.

Mr. and Mrs. Alford Jobe and children visited in Mineral Wells with Mr. and Mrs. J. A. Turpin and children and Dwight Jobe, over the weekend.

Mr. and Mrs. Hardy Harris spent the weekend in Cisco, visiting Mr. and Mrs. Tedo Harris and children.

Mrs. Peggy Rogers and daughter of Lubbock visited the Her-

man Sifford family last week.

Mr. and Mrs. Jack Dorris and children have a new home in Clovis. They are former residents of Adrian.

Mr. and Mrs. Bill Goodenough and daughter have a new home in the south part of Amarillo.

Mrs. May Taylor, Mr. and Mrs. Robin Fortenberry, Eldon Fortenberry and Stephanie of Lockney visited in the Jack Fortenberry home Wednesday.

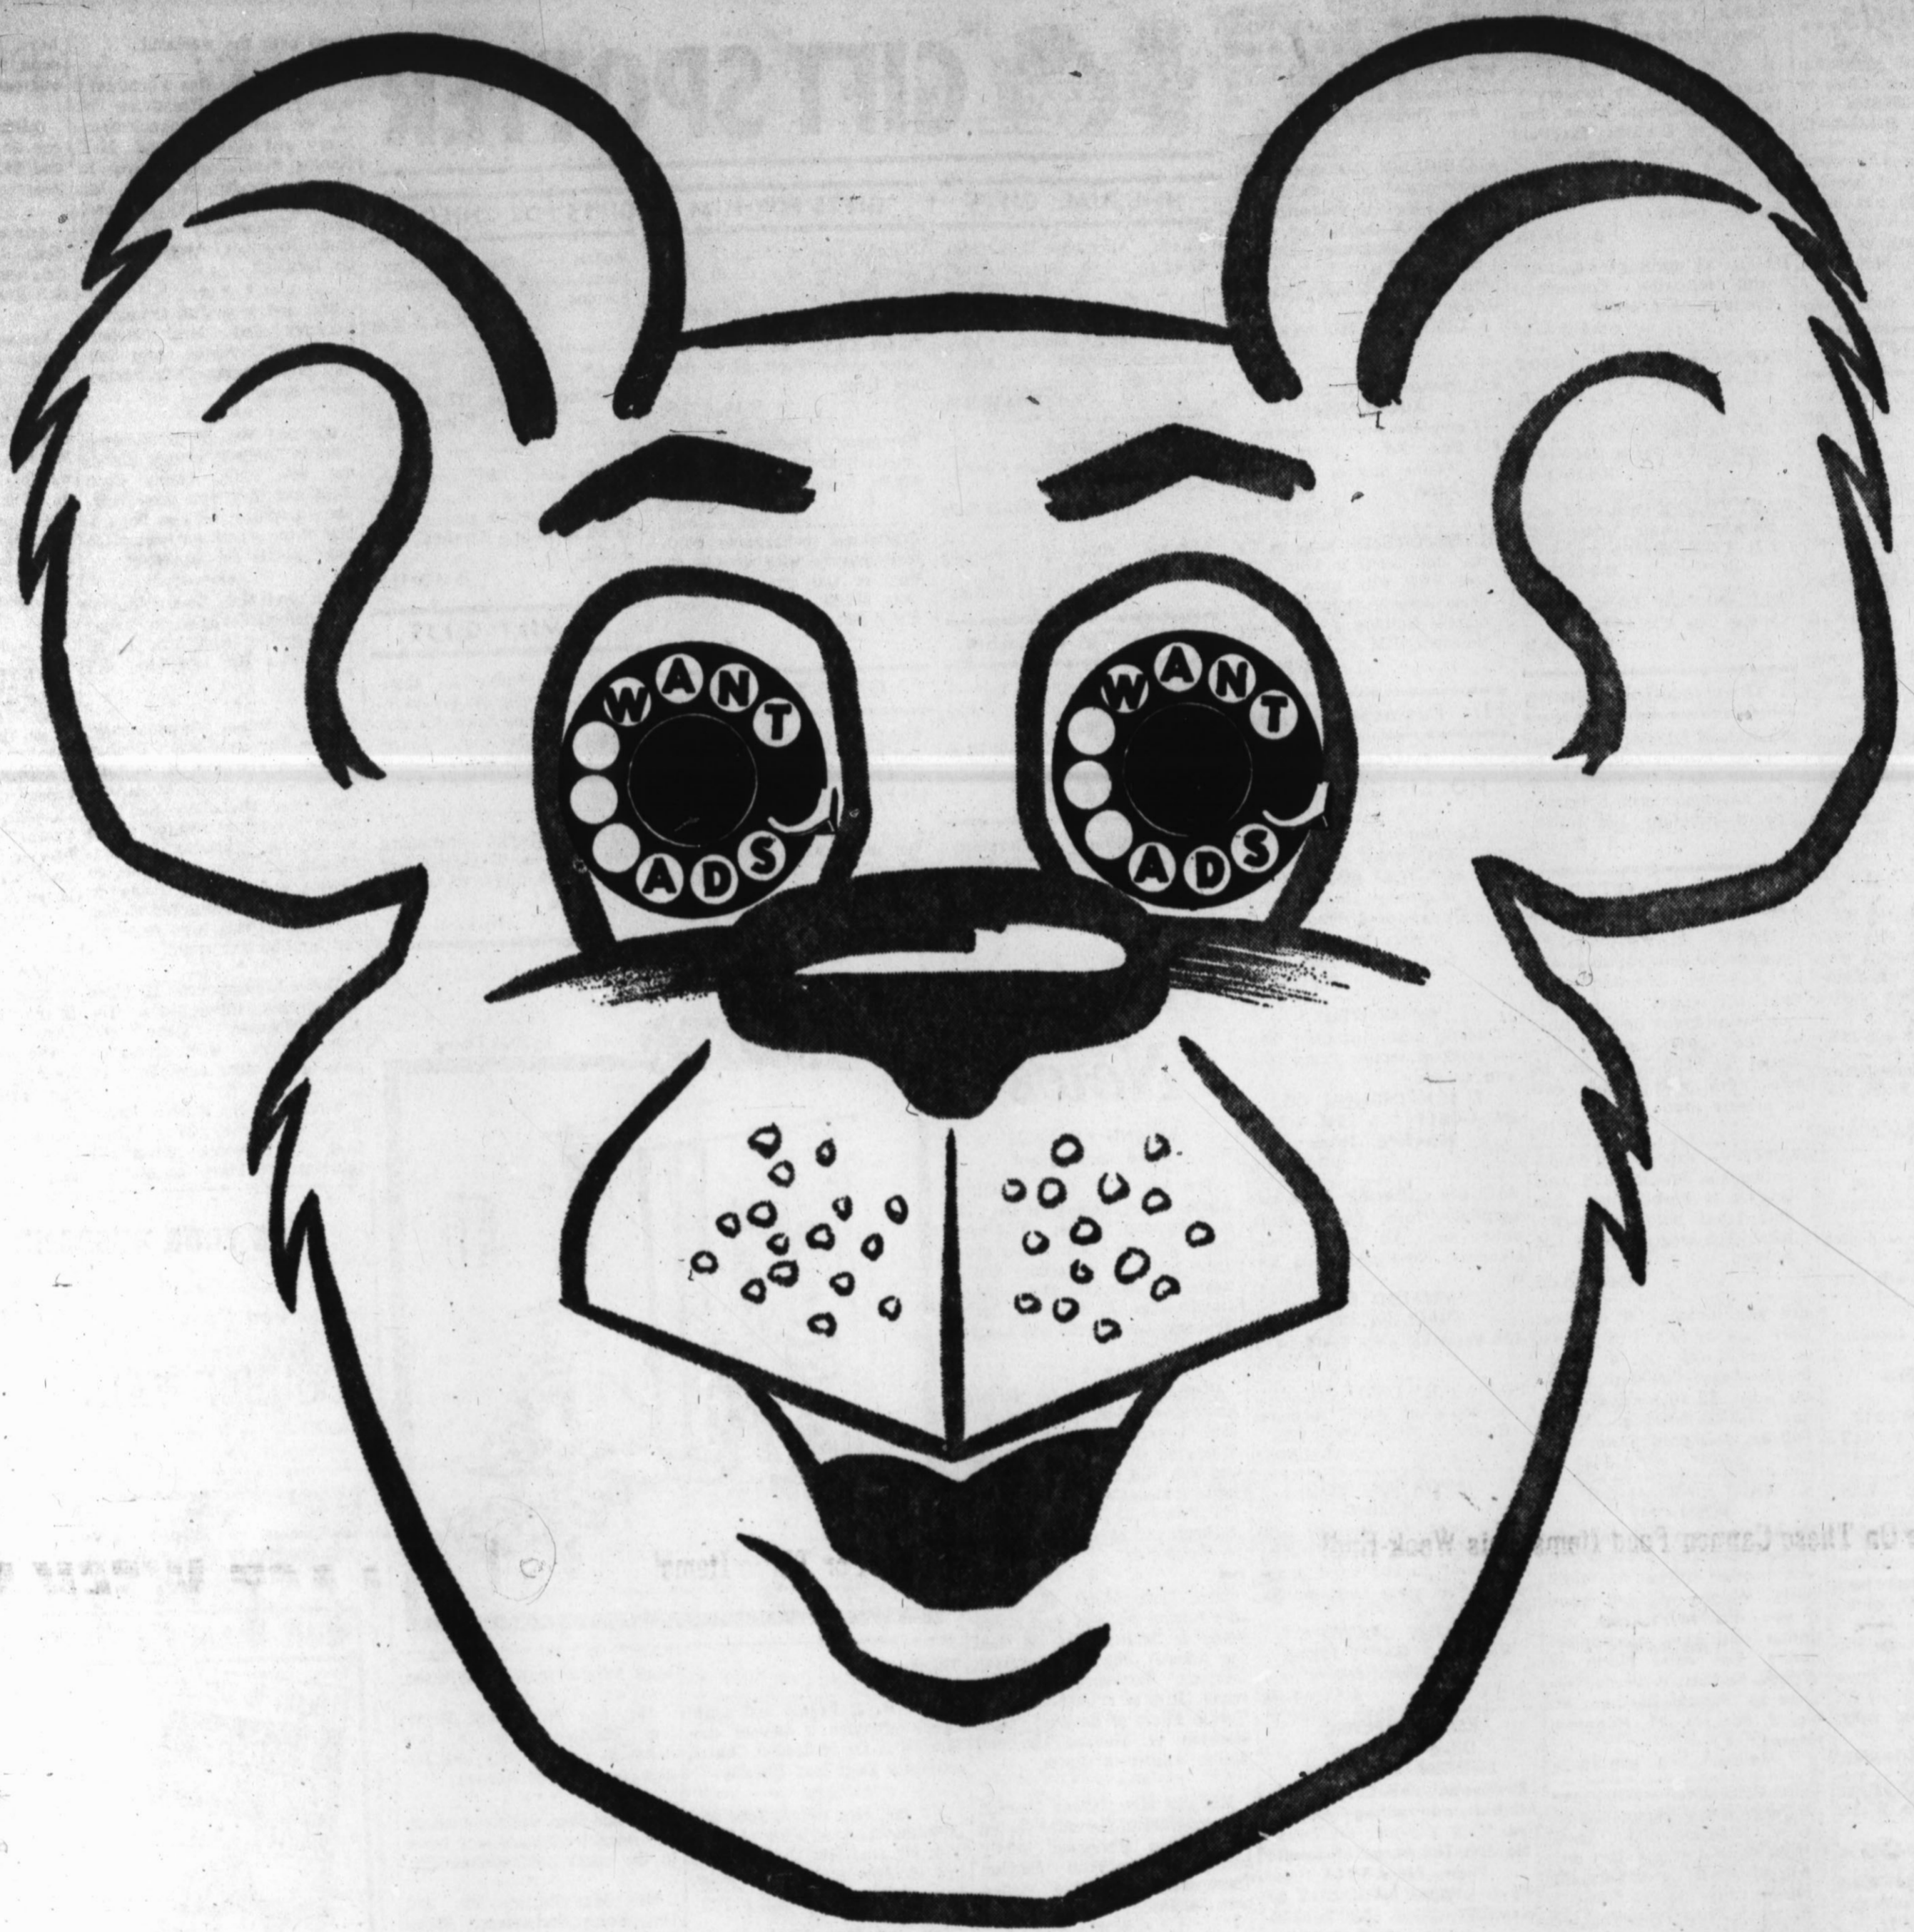

Speck Cox and Coralie Fortenberry from Abilene College visited in the Jake Fortenberry

**You'll find these two
little words bear investigating!**

DON'T JUST SIT THERE GROWLING because you haven't found a renter for that vacancy, the help you want to hire, or a buyer for something you want to sell. There's an easy way to do it that bears investigating. Just grab the phone, dial EM 4-2030, and see for yourself how fast things happen when you place a Want Ad in The Hereford Brand or The Sunday Brand.

THE BARE FACTS are these: (1) For an average of only \$1.00 per insertion you can have a six-line ad—about 20 words—for four times (if you need it that long) in the finest paper in the Magic Triangle. (2) A Brand Want Ad always produces results because readers have all day to react to and respond to your ad.

MAKE TRACKS right away to your telephone and see for yourself what happens when YOU run a Brand Want Ad. Someone is probably HUNTING right now for just what you have to offer.

JUST DIAL THIS NUMBER

"Find It FAST in Brand Want Ads"

Justices Study Guidelines For Traffic Fines Under New Code

More than 30 area justices of the peace met Friday afternoon in 47th District Court in Amarillo to decide, among other things, how hard they should hit the pockets of traffic violators.

The revised Code of Criminal procedure, which goes into effect Jan. 1, will do away with court costs.

Deaf Smith County Justice of the Peace C. B. Miles attended the meeting, and said that while there was considerable discussion on this topic, most seemed

to agree on at least two things — most traffic violations are dangerous, and "if you're gonna fine 'em less than \$20 you might as well not even fine 'em."

MILES said most of the 2½-hour meeting was devoted to trying to set up guidelines to follow in fining traffic violators so that fines will be more uniform in the Panhandle area.

The meeting was informal, so no formal votes were taken on any of the numerous plans suggested.

IT WAS agreed throughout the meeting, Miles added, that the guidelines were not binding on any body and that each justice was the judge in his own court and that each case should be judged on its merits.

Justice Miles stated that he agreed with the guidelines, which were written down by Justice of the Peace Cliff Roberts of Amarillo after a discussion on each offense.

The guidelines were listed: **SPEEDING** — \$20 fine for the first 10 miles over the speed

limit and \$2 on each mile above that.

Driving the wrong way on a divided highway — \$25 fine.

Changing lanes without signaling — \$20 fine.

Passing a stopped school bus — \$20 fine.

RUNNING a red light or stop sign — \$15 fine.

Until the new code becomes effective, anyone fined in a justice of peace court in Texas will be required to pay \$15.50 in court costs in addition to the fine. In other words, if a

person is fined \$1, he actually pays \$16.50.

AFTER Jan. 1, he will pay only what he is fined by the justice of the peace.

Justice of the Peace W. A. (Bill) Wilson of Canyon said he felt the guidelines were necessary to keep the fines in the J. P. court and the city courts on a more even keel.

"FOR SOME offense," Wilson said, "The fine in J. P. Court will be between \$25.50 and \$40.00, where the fine for the same would be \$18 in City

Court. This is what we need to work out," Wilson added.

Dist. Atty. Dee Miller and Potter County attorney Naomi Harney, both of Amarillo, spoke to the group briefly at the start of the meeting.

Miller told the judges that after the revised Code of Criminal procedure goes into effect, the justice of the peace would play a more important role in handling criminal cases than in the past.

Naomi Harney told the group that the amount of the fines

taken in by a justice of the peace office was of no concern of county commissioners court.

COMMISSIONER'S courts have no authority over the amount of fines in J. P. courts," she said. "If any J. P. make an agreement with a commissioners court on the amount a fine should be for a particular offense, I would say it is illegal."

One of the changes, which will come into effect with the new code, will make cash bonds legally acceptable. This was dis-

cussed briefly by the Amarillo county attorney.

Until the new code goes into effect, only bonds in the form of real property worth twice the amount of the bond are acceptable.

The cash bonds will present one of the most serious problems to justices of the peace, the county attorney said. She said the judges must keep clear records of all cash bonds taken in and those paid back after cases are cleared.

AMERICAN LEGION PROJECT

Operation Show Your Colors Seeks Display Of Lapel Flags

Hereford citizens are being urged by Leroy Williamson, Commander of American Legion Post No. 192 to wear the small lapel U. S. Flags being passed out this week. The local post is working closely with National Commander L. Eldon James' Program Operation Show Your Colors.

The American Legion's answer to the anti-Vietnam, anti-draft demonstrations being perpetrated by a loud minority of college students and others, has received an initial response exceeding expectations.

THE FIRST pin was placed on the lapel of Legionnaire Governor Governor John Connally as the Texas Department kicked off the program. When pinned, Governor Connally gave his wholehearted support of the aims and purposes of "Operation Show your Colors."

The lapel flags to be passed

out by the millions will be accompanied by a small card carrying the message: Operation Show Your Colors - Americans are serving the cause of freedom in Vietnam. I wear my country's flag to show that I support their efforts.

"THE PINS and cards are being mass produced and are ready for distribution," said Commander Williamson.

He emphasized this is not just for Legion members only, but for all loyal Americans as a symbol of American unity.

"Any business or other civic organization interested in obtaining a supply of the pins for distribution to its employees or members, may do so without charge by contacting The American Legion Department Headquarters, Drawer L, Capitol Station, Austin, Texas 78711. All requisitions will be filled as rapidly as possible," Williamson stated.

County Resident For Many Years Is Buried Here

Funeral services were conducted Monday afternoon for Mrs. Ethyl Baker, resident of this county for a number of years who died Dec. 3 in her home, 1618 Woodlawn, Amarillo.

The Rev. Herschel L. Thurston, First Methodist pastor, officiated for the service in Roe Chapel of Gilliland Funeral Home. Burial was in West Park Cemetery. Serving as pall bearers were R. A. Daniel, Don Zimmerman, L. B. Russell, Dub Reeves, Joe Lyons and James E. Higgins.

Surviving Mrs. Baker are a son, Dennis Baker of Amarillo; two sisters, Mrs. Zejda Nunnelle of San Diego and Mrs. Clyde W. Williams of Glendale, Calif.; and two grandchildren.

She was born Oct. 28, 1893 in Prairie Grove, Ark. and married Mont Baker July 19, 1913 at Hartford, Ark. They came to Deaf Smith County from Hartford in 1919. Mr. Baker died in October, 1960.

Officer Resigns To Accept Potter County Position

Hereford Police Chief Marshall Padgett announced the resignation of Patrolman Kelly Foss Tuesday.

Patrolman Foss, who had been on the Hereford police force for the last three months, announced that he had joined the Potter County Sheriff's Department in Amarillo.

No replacement has been announced by Chief Padgett.

DOUGHNUT MAN SINKS ONE

CANTON, Mass. (AP) - Will Rosenberg, 49, chairman of the board of a doughnut firm, kept his eye on the hole. He scored a hole-in-one on the 215-yard seventh hole at the Spring Valley Golf Club here.

It was the second ace registered at the five-year-old course. Arnold Palmer made an ace at the course earlier this year during an exhibition.

60 Boys Enroll In Special PE

Tumbling Is Important

Speed, Agility Improved In Controlled Class

Approximately 60 boys have enrolled in a special physical Education Class at Hereford High School which is designed to improve their strength, speed, aggressiveness and agility in sports.

The class is now under the supervision of Coaches Don Dorman, Joe Brooks, Will Williams and Jack Meredith. Members of the class spend the period working on various sport activities especially designed to improve different techniques.

A PART OF the activities are timed and the boys try each day to improve their time in these activities.

Boys in the class are divided into three teams which compete with each other and the winning team, next spring, will supervise extra work for the two losing teams, such as running bleachers and wind sprints.

A PART OF the activities include tumbling, weight lifting intermingled with isometrics, wrestling and running.

The weight lifting program is designed to strengthen certain muscles in the back and shoulders and the legs and thighs.

Tumbling increases the boy's speed, agility and aggressiveness.

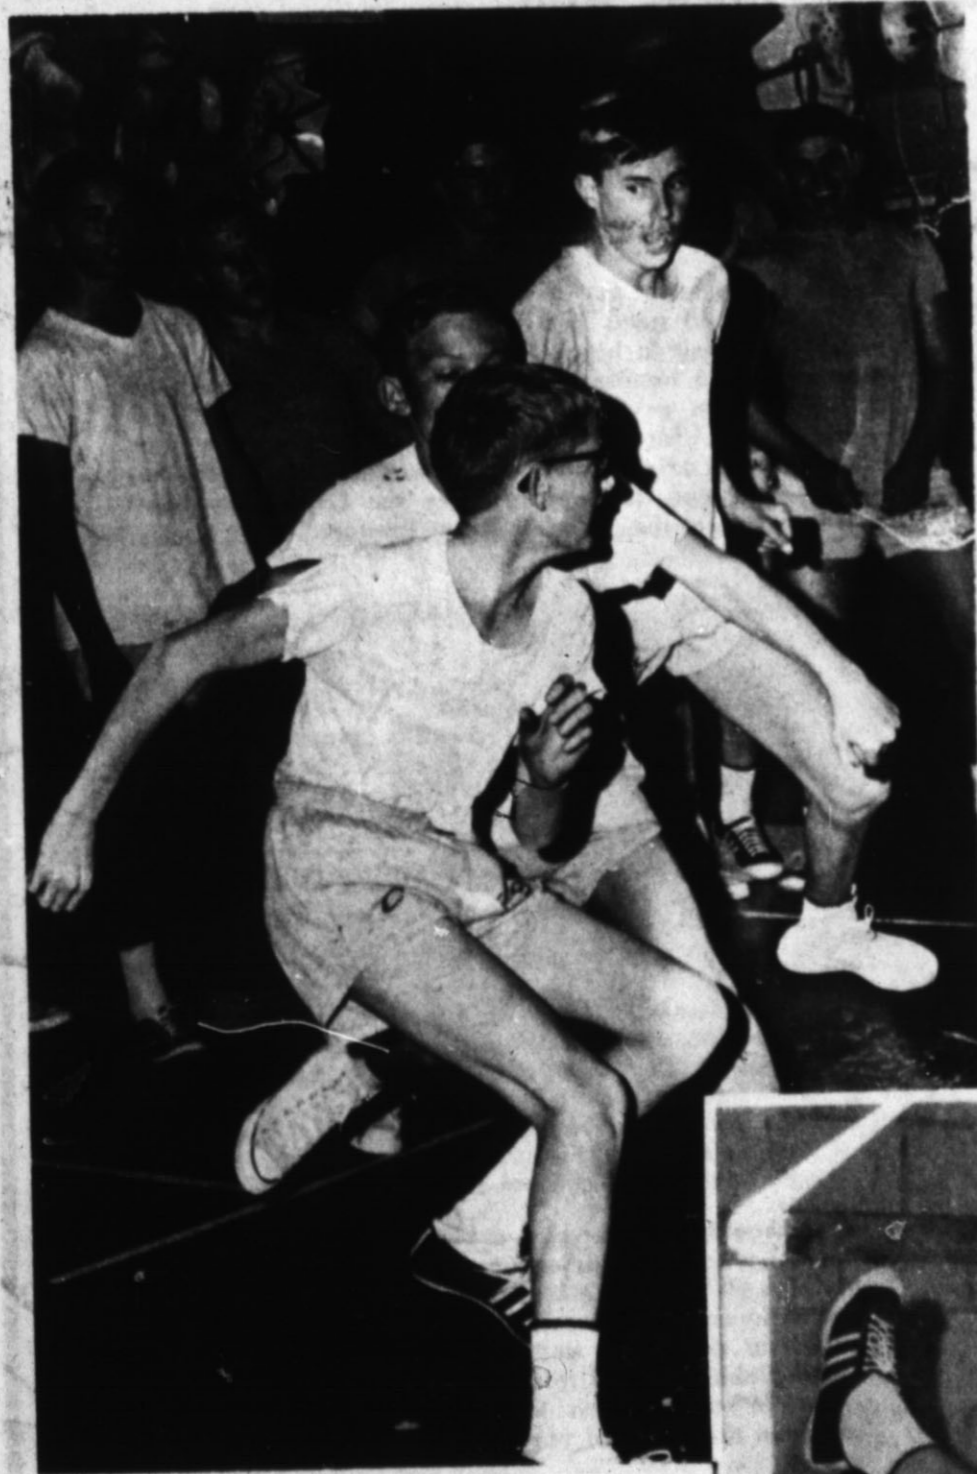

WRESTLING also increases the person's agility besides increasing his strength.

This PE program was started in the Hereford school some three years ago and the number of students to enroll has increased each year, according to Coach Jack Meredith.

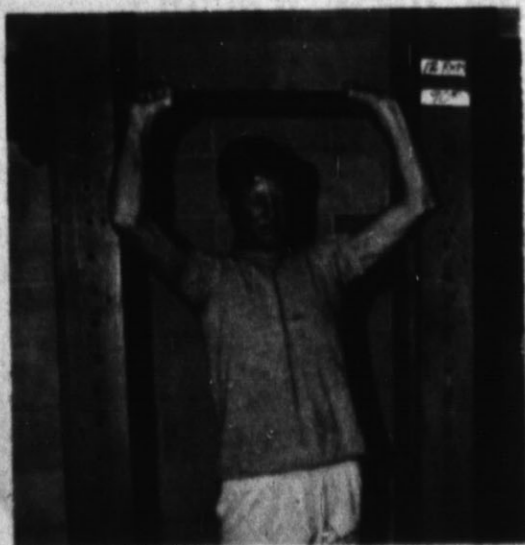

MEREDITH said the program will help all of the men participating even if he does not play to enter any sports during the rest of the year.

Before the program is over this year most of the men will have cut their time on the activities and will be able to lift the weights more times than at first.

The weights are set up in the field house so that the boys can use them to develop almost any muscle desired by the participants.

11 Whitefaces Named To All-District Slate

Four Seniors Make First Team Offense

Eleven Hereford Whitefaces gridders placed on the 1-AAA All-District teams this season with at least one player making each of the four teams.

Hereford capped off its best season in several years only a few weeks ago.

The district list was late coming out since it can not be released until all teams have finished play and the Dumas Demons finished only last Saturday when they were defeated by Brownwood in Abilene.

The Whitefaces finished their season in fourth place with Dumas, Perryton and Tulla leading the list ahead of them.

HEREFORD suffered only three losses this season to Plainview in their season opener, to Tulla in a heartbreaker which knocked them out of district contention and to Dumas by a narrow 7-4 score.

Steve Hodges was placed on the first team offense in the quarterback position. He was also named to second team defense in the safety position.

Gene Drummond, Whiteface halfback, was named to the first team offense for the halfback position.

ED HINES was placed on the first team offense in the tackle position. He was also named to the second team defense as tackle.

End Roger Owen was selected as end for the honor team.

Greg Richards was selected by officials to the halfback position on the second team offense.

Wayne Miller took the guard position on the second team offense.

Tony Malouf was also named as a guard, but on the first team defense. He was the only member of the Whiteface team to place on the first team defense.

MIKE Davis placed on the second team defense in the end position.

Ricky Fangman was selected for the tackle position on the second defensive unit.

Charlie Brewton placed on the second team defense in the line-backer position.

GARY Tucker was picked by the officials to fill the halfback position on the second team defense.

Five of the 11 men on the honor team from Hereford were seniors. They are Hodges, Drummond, Mims, Owen and Richards.

Davis, Fangman, Brewton, Tucker and Miller are all juniors this year.

Malouf is the only sophomore to place on the honor teams.

Third Member Of Funk Family To Open Here

A third member of the Funk family will make his debut on the Hereford wrestling scene Saturday when Terry Funk meets Jack Cain in one of the feature events.

FUNK, a senior student at West Texas State, has been a lineman on the Buffalo team for the past year.

He will follow in the steps of his brother Dory Funk Jr. and his father Dory Sr.

Iron Mike will clash with Rene Goulet in the other feature event of the evening.

RICKY Romero will battle Tokyo Tom in the third match of the evening.

Matches start at 8:30 p. m. in the Bull Barn.

Admission is \$1.50 ringside, \$1 general and 50 cents for children.

Once again this week a drawing will be held for a 17-jewel watch which will go to some lucky spectator.

The weekly matches are sponsored by the Hereford Lions Club.

Meredith Attends THSCA Meeting

Head football coach Jack Meredith traveled to Dallas today to attend the board of directors meeting of the Texas High School Coaches Association.

MEREDITH will represent 435 coaches of the area at the meeting.

The board will discuss rules, make new rules and interpret other rules. Members of the board will also make arrangements for the All-Star game next summer.

Board members will return home Sunday evening.

Whiteface Cagers Enter Tourney

Hereford High School Cagers will determine who will be matched together in Saturday's play.

Winners of the two games will be matched and the losers will be matched for playoffs Saturday.

THE TEAM was scheduled to play in the Amarillo Doubles at Amarillo High School last weekend, but cancelled out at the last minute.

Tuesday night was also a breather night for the 'Faces since it was open on the schedule.

Whiteface cagers will see action again Tuesday when they travel to Levelland for a rematch with the Lobos. The Herd defeated the Levelland quint by a 72-49 score in their first meet.

HEREFORD players will then return to their own floor when they will play host to the Hereford Doubles Dec. 17 and 18.

The Whitefaces will not have any more home games until after the first of the year when they clash with Tulla Jan. 11.

Kirk Wall scored first in the second quarter putting Brownwood out in front 6-0. A kick for extra points by Walter Croft was successful giving Brownwood a 7-0 advantage.

AT THE end of the first half of play Dumas still trailed by seven points.

But early in the fourth quarter Wayne Harkrider scored on an 11-yard pass from Glenn Bonner. A kick by Marshall Rigdon was good but an offensive penalty against the Demons nullified the point.

ON their second attempt the Demons were unsuccessful and trailed by one point in the game.

Had the Demons been successful in tying the game they would have gone on to play in the semi-finals on penetrations past the 20 yardline. Dumas had two penetrations to Brownwood's one.

The game was almost a repeat of the game between the two teams in 1962 when Dumas trailed by 10 points at the halftime, but managed in the final two stanzas of the game to come out on top by a 38-18 score.

Neither of the teams have begun practice sessions, but coaches said they expected to start working out following the Christmas holidays.

BASEBALL and track seasons will start during the last weeks of March and the first weeks of April, according to the coaches.

Head baseball coach for the Hereford Whitefaces, Don Dorman, said Wednesday that he was in the process of finishing the 1965 Baseball schedule for the Herd.

COACH Joe Brooks, head track coach, also said he had begun scheduling the Whiteface cinder team for several spring meets.

IN MULESHOE TOURNEY

Eighth Graders Win One, Drop Two Over Weekend

Stanton Junior High eighth grade cagers won one game and dropped two games Friday and Saturday in the Muleshoe tournament.

The Stanton five dropped their first game with Farwell 23-30, won a game with Amherst 26-23 and dropped the consolation game with Friona by one point, 26-25.

ALL THREE junior high basketball teams will see action today at Plainview today when they clash with Estacado.

In the first game the locals were hampered by costly mistakes. Farwell jumped out ahead of the five and they were never able to pass them on the scoreboard, although they did come within one point several times.

Paul Hendon lead in scoring against Farwell with seven points. John Frank Martin lead in rebounds.

SATURDAY morning the Hereford bunch topped the Amherst team to give them berth in the consolation playoffs.

At one time the locals were ahead of Amherst by a wide 22 points.

Keith Anderson led in scoring with 12 points and Marsh Pitman, Keith Anderson and Martin led in rebounds for the game.

All of the boys on the team played in the game for at least two or three minutes, according to Coach Ray Don King.

IN THE FINAL game Saturday evening the Stanton five dropped the consolation game to the Friona Chiefs by a heart-breaking 26-25 score.

The locals had the Chiefs down two or three times during the game.

King said a mistake on the part of the timekeeper may have cost the locals the game.

During one of Hereford's time outs the officials failed to stop the clock and Hereford scored a basket just as the buzzer sound ed which did not count.

HE ALSO said Hereford players slacked off during the last of the game. They shot five times during the last 30 seconds and failed to hit any of the times.

Pitman was high man for the final game with 10 points and Martin led in rebounding with 20.

King said he intends to work with the boys and help them improve their shooting under the basket during this week.

For the first time in his three years at the helm, coach Jimmy Viramontes' Buffaloes did not break the century mark in their opening game, but also failed to win, falling to Abilene Christian, 63-52. Consequently, West Texas State will be looking for its first victory of the season in a pair of games slated this week.

Eastern New Mexico comes to Buffalo Fieldhouse Wednesday and the Eagles of North Texas State, featuring "Slick Willie" Davis, make an appearance on Saturday evening.

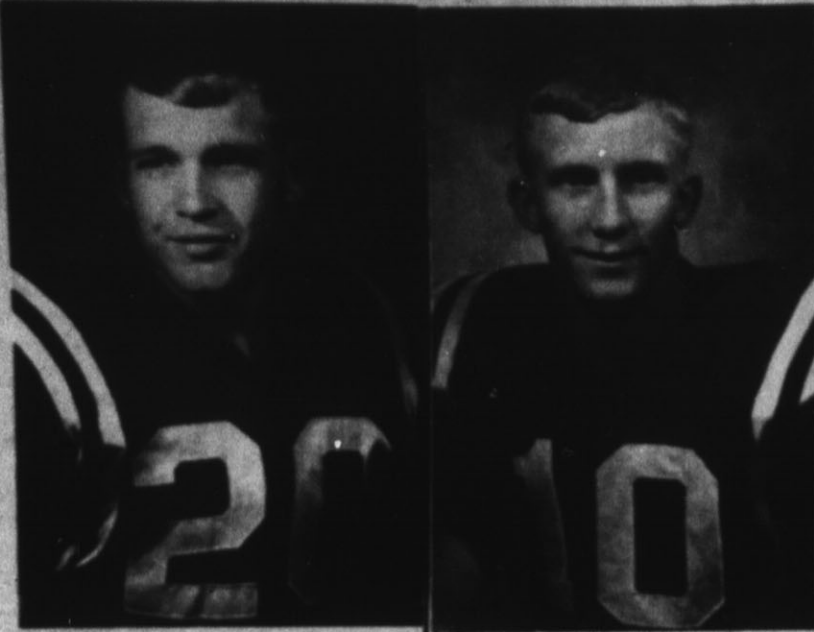

VIRAMONTES was disappointed at the play of his four veterans in the opening loss, but expressed a good deal of pleasure over two factors in the game.

"Last year when we shot poorly, we got blown out of the tub," said Jimmy. "We hit only 35 per cent against ACC, but did a good job on the offensive boards to get the second and third shots. I thought there was a definite lack of effort by most of the lettermen, but our newcomers did pretty well. It looks as though they may come around sooner than expected."

The Buffaloes out rebounded the taller Wildcats by a 24-33

Red Cross Sets Mother-Baby Care Course

A Red Cross-sponsored class in Mother and Baby Care, open to all interested residents, will be conducted here early in 1966. Mrs. Genevieve Miller, executive secretary of Deaf Smith County Chapter, announces.

Ester Springer and Anna Stindt, registered nurses, will be instructors for the class beginning Jan. 6. The course is designed for prospective parents as well as parents of infants. No fee will be charged.

Those interested in the course, or who wish to make inquiries about it, are invited to telephone Mrs. Miller at the Red Cross office.

(Continued from Page 1)
margin which is larger than it looks since the Wildcats shooting percentage was so high (51.1 per cent on 23 of 45). Joe McWilliams, 5-9 senior, did the best job among the lettermen, but he managed only four of 18 from the field.

Five free throws gave him 13 points. McWilliams and the 6-7 Cal Taylor shared game rebounding honors along with a pair of Wildcats. All had eight caroms.

ALTHOUGH Eastern New Mexico has only one victory over West Texas State, this could be the year the Greyhounds add to that total. New coach Harry Miller is rebuilding around 6-3 Joe Allen who led the Hounds in scoring and rebounding last season. Miller, who starred at the Portales school some 14 years ago, is short on size, but hopes speed and ball handling ability will make up for height deficiencies.

North Texas State, on the other hand, has no height problems whatsoever. The Eagles are also operating under a new coach, Dan Spika. Six Eagles are listed a 6-5 or better headed by Davis, a 6-8 240-pound giant who had 25 points and 17 rebounds in the 75-70 win over West Texas State at Canyon last year.

North Texas State sports a 2-0 record at this writing with a Tuesday date at Baylor coming up before their trek to West Texas this weekend.

Following these two games, West Texas State plays 13 of its next 17 games on the road which is enough to send chills through any coach in the business.

Pampa Lion Earns Eye Bank Office

J. W. C. Tooley of Pampa, was elected President of the South Central Region of the Eye Bank Association of America at its annual meeting in Chicago, Illinois, last week.

TOOLEY is currently President of the Hi-Plains Eye Bank, Inc. which is sponsored by the Lions Clubs of District 21-1 in the Panhandle of Texas. He is a member of the Noon Pampa Lions Club.

The South Central Region of Eye Bank Association of America includes, Texas, Colorado, New Mexico, Arizona, and Wyoming.

Mrs. Betty J. Bullock, Amarillo, will be Secretary of this region. Mrs. Bullock is the Executive Secretary of the Hi-Plains Eye Bank, Inc.

Tooley has served four years as Director of the Hi-Plains Eye Bank, Inc.

MYSTERY MEN COMBINE

LONDON — Two mystery men are going into collaboration to form a unique alliance in motion picture making.

One is the American mystery writer Cornell Woolrich, author

of the book "Rendezvous in Black." The other is James P. Cavanagh, many-time winner of the Mystery Writers of America award.

Their collaboration — a screen play by Cavanagh of Woolrich's book — will result in a film be-

ing made in England in the spring of 1966.

"I regard this the most exciting marriage of talents in years," said Jules Bricken who will produce the movie for Jules Buck and Peter O'Toole's Keep Films Ltd.

PEOPLE, PEOPLE WHO PAY NO TAXES
MADISONVILLE, Ky. — Mayor David Parish says the people of Madisonville are "the luckiest in the world." For the last 11 years, the

townspeople have paid no city tax of any kind. Madisonville operates its own light and water plants and derives enough income from these sources to meet all expenses of city government.

MINNEAPOLIS-MOLINE
World's Finest Tractors

NEW

110 HP G1000 — Built for those who

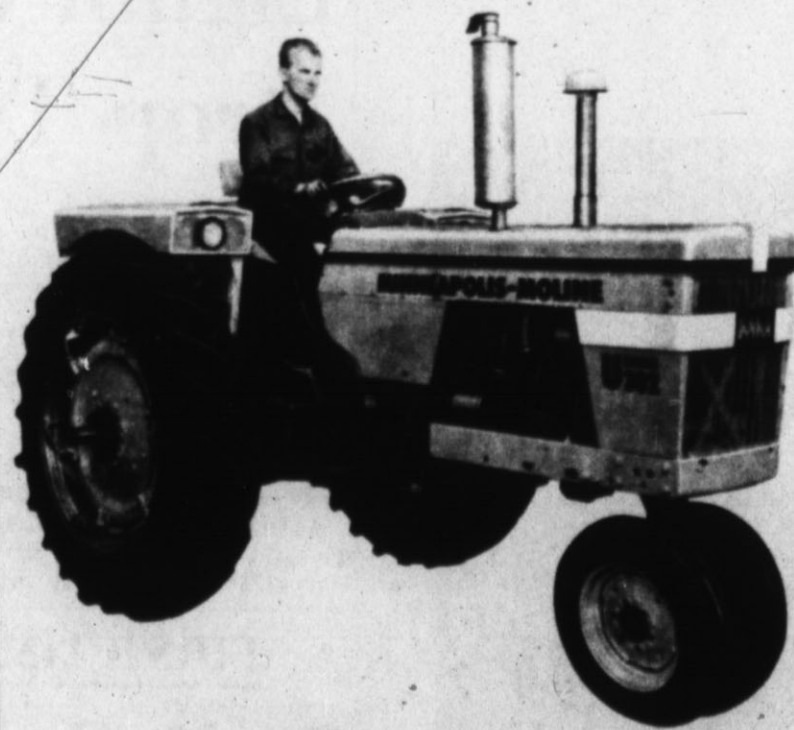

FARM BIG

Modern row crop farmers have needed bigger power to pull multiple implements . . . power to do two jobs in the same time it took to do one. The G1000 answers this problem.

Big MM engineers put a bigger and tougher engine in the G1000 and gave it a transmission and final drive to match. They built a bigger hydraulic system with a Vickers piston pump to handle increased loads. They mounted this power train on a strong frame off MM standard 20-inch width . . . for maximum visibility, maneuverability and adaptability to existing farm equipment. To top it off, they added many new features to make the G1000 the finest in a long line of the "World's Finest Tractors."

Here's a new breed of tractor . . . bred to take the punishment of season after season of grueling field work. Here's the reliable M-series workhorse built bigger and tougher from the ground up. With more horsepower, new Ampli-Torq transmission with improved over-ride, a new clutch, a heftier final drive design, an increase of 22% in usable drawbar horsepower. Even the drawbar has had muscle added to absorb this increase in power. Test drive the M-670. Find out for yourself.

Why should a farmer buy a big MM U302? There's many reasons . . . all adding up to greater value. More workability . . . the U302 is above average when it comes to engine torque. The low torque peak of 1200 RPM permits the engine to slow down and to increase in torque for greater lugging ability to pull through the tough spots. When it comes to producing workpower, nothing can take the place of horsepower with high torque.

Mrs. J.H. McCrary and son John getting ready for Christmas

Small Talk

By SUE COLEMAN
Women's Editor

If you can stand a few more Christmas suggestions, here are some from the mail bag: For holiday baking pecans are much in demand, and this year the supply is extra plentiful and the price reasonable, it says here. At any rate growers are urging consumers to use up the biggest crop in years.

Other Christmas foods on the USDA plentiful list for December are apples, oranges, turkeys and chickens. If the price tag still look steep, remember things are going up all over and it could have been worse if the crops were short.

HARD-TO-PLEASE men are on nearly everybody's gift list. If he has everything and you have plenty of money, Product Engineering suggests a new model helicopter that seats five, makes 140 MPH and can travel 400 miles between stops. For less money, if he is a fisherman you might get him a folding fishing chair with built-in tackle box and rod holders. If he is a very lazy fisherman, that is.

Or for a balding husband whose ego needs a little bolster-

ing, there is a nice electric hairbrush he might like. To go with his electric toothbrush.

DID YOU EVER make Santa faces from apples for table decorations? They sound about right for a children's party. The instructions say to stick on a construction paper cap and cotton beard, then make eyes and mouth with raisins and nose with a bit of cherry. Or the features could be cut out, and if so be sure to paint the cut areas with orange or lemon juice to keep them from turning brown.

IF YOU'RE sewing gifts and would like to add some smocking to dresses or robes for big or little girls since it is smart this year, there is a fast way to get the effect by machine. Lengthen the machine stitch and make several rows of stitching spaced evenly apart.

Pull the underneath threads to gather each row, then adjust the gathers evenly and fasten the threads. Shorten the stitch again and stitch over each gathered row to hold the gathers in place. Use contrasting color for the final stitching if you like, or make decorative stitches such as chain-stitch, with em-

broidery thread.

TOO LATE for this Christmas, but promising better things next year, paper companies are experimenting with substances derived from cereal starch which they say will make stronger wrapping material and better boxes.

Paper containing the starch stuff has proved from 3 to 10 times as strong as ordinary kinds. But that box you use to pack the china teapot for Aunt Sophy is going to prove just as fragile as ever in parcel post transit, I'll bet a Christmas wreath.

SOMEBODY has inquired about a really good recipe for making spiced tea. What is the best method of getting spice flavor into the tea, so its aroma and taste are equally good? Any suggestions will be appreciated.

A COUPLE of comments heard in snatches from Christmas choppers pausing at a coffee counter to rest their feet: From a group of women with the odd-shaped packages which you can tell are toys, "...and I'm already sick and tired of sweeping up needles under the tree."

From a carefree-looking man to an acquaintance in the next

booth, "My wife began buying stuff in August or September but, well, last year it was the day before Christmas when I went."

Clubs Slate Style Show Decoration

Fashions for the holidays and midwinter weeks that follow will be shown to members and guests of Veleda and Young Mothers Study Clubs at 7 p. m. Friday at the Popular Store. Women of the two clubs have invited their husbands and some 50 other couples.

All the club members will serve as hostesses, with a committee including Mrs. Don Baugous, Mrs. Don Newman, Mrs. Hugh Clearman and Mrs. George Ritter directing arrangements for refreshments.

Mr. and Mrs. Irving Alexander will direct presentation of the style revue.

Mrs. J. R. Oglesby is president of Veleda Club, which was entertained with a similar fashion show last year and invited the other club to join them for the 1965 show. Mrs. Glenn Al Hunter is the Young Mothers Club president.

Class Christmas Dinner Includes Several Guests

The annual Christmas party for Golden Circle Class of First Baptist Sunday School was held in the home of Mrs. Frank Ball, teacher, Friday evening. Members invited their husbands and other guests for a covered dish dinner.

Guest speaker was Herschel Black, whose subject was The Light of the World. Zack Fennell sang solos and led the group in carol singing. Mrs. Ball welcomed guests after the invocation by Tandy Legg.

Red berries, poinsettias and candles decorated the table where places were laid for 37.

Special guests were the Rev. and Mrs. B. L. Davis, Messrs. and Meses. Fennell, Legg and Black and Mrs. A. O. Thompson.

LET'S COOK SOMETHING

Cookies Are In Season

By SUE COLEMAN
Women's Editor

Cookies are always welcome treat for callers and a traditional part of refreshments at parties during the holidays, so Mrs. J. H. McCrary likes to find recipes for some that are a little different.

ASKED FOR HER favorite seasonal recipes, she found two for cookies which she recommends, one with the special virtue of tasting better after being stored several days, so they may be baked right now for serving a Christmas or New Years.

Mrs. McCrary is one of the "new doctors' wives" who moved to Hereford last summer. Her interest in cooking and meal planning goes beyond food for her family; she was a home-making teacher and home demonstration agent before her marriage.

Claiming DeLeon as her home town, the former Barbara Schuman completed high school work there and attended North Texas State University. She worked as home demonstration agent at Stephenville, then she married when Dr. McCrary was in his senior year at college.

MILITARY SERVICE followed for him, and while he was in the Air Force they lived in Miami, Fla. Mrs. McCrary describes that time as "a two-year vacation" as they enjoyed residence in the resort area.

A loyal Texan, she adds that she prefers the air of her native state to the semi-tropical climate of the Florida coast for permanent living.

Back in Texas, Mrs. McCrary was on the Irving school faculty while her husband attended medical college and served his internship at John Peter Smith Hospital in Fort Worth. He began practice here last June and she assisted as office receptionist until recently.

CARING FOR her son John, who will be three years old in March, and completing the furnishing of her home at 210 Beach keeps Mrs. McCrary busy these days.

She is a member of the Hereford Medical Auxiliary and is working with other doctors' wives on their annual Project Christmas Card to raise funds for hospital equipment and a nursing scholarship.

The McCrarys attend First

Methodist Church, and Mrs. McCrary has joined L'Allegre Study Club.

Here are her holiday cookie recipes:

CHRISTMAS COOKIES

- 6 eggs
- 1 cup butter
- 1 cup sugar
- 1 cup bourbon or grape juice
- 3 cups flour
- 1 tsp. baking powder
- 1/2 tsp. allspice
- 3 pounds pecans
- 1 pound white raisins
- 1/2 pound each candied cherries and pineapple
- 1 pint peach preserves.

Cream butter, sugar and egg yolks. Add fruit and nuts, which have been cut in small pieces and mixed with the dry ingredients, alternately with the bourbon or grape juice. Last add beaten egg whites and a pinch of salt.

Mix well; drop by teaspoonsful on greased cookie sheet. Bake at 325 degrees for 15 minutes. Place in air-tight container. These cookies improve by keeping and the recipe makes 300 to 350 cookies.

PIE COOKIES

Combine 1/2 pound butter and 1/2 pound cheese. Add slowly, about 2 cups flour, until you have a thick ball. Refrigerate overnight (it will be hard). Roll thin and cut circles for filling. Vary size of circles according to amount of time you have to spend.

On half of a circle put a dab of jelly and a taste of finely chopped walnuts. Fold in half and pinch to seal so the jelly will not leak out. Bake at 350 degrees for 10 to 15 minutes. While hot, sprinkle with 1 tsp. cinnamon mixed with 1/2 cup granulated sugar.

Stations Are Open To Receive Project Christmas Card Gifts

Scholarships enabling seven Hereford girls to begin study for nursing careers have been awarded as a result of Project Christmas Card, the annual fund-raising drive conducted by Hereford Medical Auxiliary.

Contributions are being solicited now; accounts have been opened at both city banks to receive deposits for the project. Decorated canisters have been set up at Piggly-Wiggly, Taylor's, Safeway, Furr's and Cooper's supermarkets, also in Deaf Smith County Hospital lobby, where donations may be made.

Each year the Auxiliary raises money through this project to give a \$400 cash scholarship to a girl graduating from Hereford High School who will enter training as a nurse. In addition, equipment is bought for the hospital.

Three girls are now studying under the scholarships, Katherine McClain at Baylor School of Nursing, Kathleen Kuper at Mt. Scholastica College in Kansas and Doris Parsons, the 1965 recipient, at the University of Texas.

Those who have received scholarships in earlier years are Matilda Padilla, Gail Miller, Barbara Tiefert and Martha Wilshire.

Mrs. A. T. Mims has served as nursing scholarship chairman since the program began. Mrs. Joe Whitley, present Auxiliary president, has voiced appreciation for support to the project in the past, and urged

contributions as a means of benefitting the entire community.

Donors to the fund are asked to sign their names, to be placed on a list compiled by the Auxiliary and published in The Hereford Brand at Christmas-time, conveying greetings to friends in this locality.

The Auxiliary asks each year that residents send local greetings in this manner, giving to the project the amount that would otherwise be spent for cards and postage.

Jaycee-Ette Gift Plans Are Shaped

Toys for children whose families cannot provide them at Christmas will be given by Jaycee-Ettes at a holiday party Dec. 20 in Community Center, members decided Monday evening. Each will bring a toy and a gift for exchange at the party.

Mrs. John Meador presided for the business session Monday at Community Center. Two new members were added by the group: Mrs. Wayne Houlette, a newcomer to Hereford who has been a member of the Amarillo Jaycee-Ettes, and Mrs. Benny Cooper.

Mrs. Dick Kendrick, program chairman, introduced Bill Lankford, who spoke on Home Decoration for Christmas. He showed table centerpieces and other arrangements of flowers and ornaments to use in various rooms.

Mrs. Don Haynes and Mrs. Lee Edwards were hostesses who served refreshments to the guest speaker and members including Meses. John Roberson, Mike Wilson and Jerry Ship-

Hereford High-Jinks

by Randy Hopson

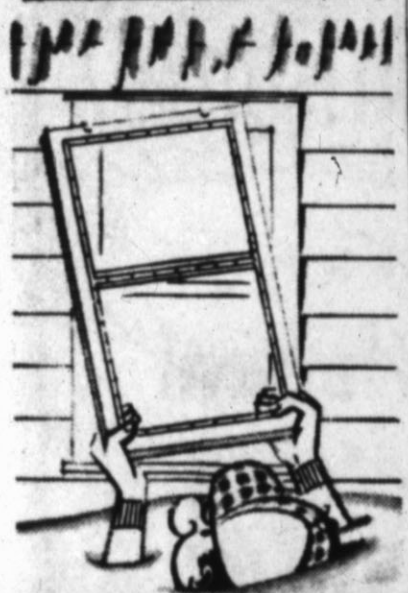

Merry Christmas! From the looks of things around town it isn't any too early for that type of greeting. There is already a Christmasy air around and this just may be the year for all to get their shopping done early.

Gary and Larry Clements are roaming around in a new '65 Mustang. It's kind of green but kind of gold and is certainly sporty and beautiful. They don't seem to mind anyone riding in it. . . as long as it's a girl.

Speaking of new cars, Dan McWhorter and Diane Stint also have gained possession of new automobiles. Some people are just lucky, I guess.

THE HERD is really putting out a lot of effort to have a good basketball season so let's give them all of the support they deserve. Attendance at the games has been pretty good but let's not ever let down and show poor sportsmanship.

The Christmas season has gotten under way as far as the H. H. S. choirs are concerned.

DON'T WAIT TIL IT'S TOO LATE

Before the little woman gets on your neck about the house being cold and drafty . . . before you're up to your neck in snow . . . fix yourself some low-cost storm windows out of Warp's FLEX-O-GLASS and get 'em up. It's easy! Just cut with shears and tack over screens or frames. Holds IN heat - keeps OUT cold. . . saves up to 40% on fuel costs. Warp's crystal-clear FLEX-O-GLASS lasts for years at a fraction the cost of glass. Only 90¢ a square yard at your local hardware or lumber dealer.

They are working diligently to prepare their Christmas concert, which by the way should be a real experience for anyone who appreciates fine music.

Friday and Saturday nights the basketball team will play in a tournament in Andrews; if you can't make the trip at least give the boys moral support here at home.

"The Night of Jan. 16th" can only be termed a success. The entire cast is very pleased with the job they did and very thankful for all of the support given to them.

Have you every thought about how ridiculous some of the styles could be in everyday situations? I'm referring to the 'Grannie' dresses. Can you imagine seeing some hard working teacher struggling up the stairs, loaded down with books, and at the same time trying to keep from tripping over her floor length dress? Or can you imagine someone, say Jani Brumley, trying to fold yards of skirt into her new foreign sports car? Or what about the cheerleaders trying to lead a yell in a 'Grannie'. It could get to be pretty ridiculous. But surely there is some practical place where the dresses would be handy. Maybe in a snow storm?

CONGRATULATIONS to the football teams. They are: first team defense-Tony Malouf; second team defense-Mike Davis, Ed Mims, Ricky Fangman, Charlie Brewton, Gary Tucker, and Steve Hodges; first team offense - Steve Hodges, Gene Drummond, Ed Mims, and Roger Owen; second team offense Greg Richards and Wayne Miller. Just goes to show hard work pays off.

Little things affect little minds. — Disraeli — Randy

Add a little grated lemon rind to rich baking powder biscuit dough for biscuits. Split the biscuits when they are hot from the oven and spread with a mixture of butter and honey. Rush to the table!

WYNN BUCK

Hereford Student High In English

Wynn Buck of Hereford High School has been cited as one of the outstanding students of high school English in the country. The National Council of Teachers of English has named him a 1965 national state finalist-one of 23 in Texas — in its annual Achievement Awards competition.

LAST spring a committee of English teachers from the high school nominated Buck to represent Hereford High School in the competition. The nation's schools nominated almost 8,500 students for the NCTE citation. Of that number, 837 finalists were chosen. They represent 620 schools from 50 states, the District of Columbia, and American Preparatory Schools Abroad.

In announcing the winners, James R. Squire, Executive Secretary of the National Council of Teachers of English, stated that the council recommends these students for college scholarships in 1966.

THE NAMES of these students are sent to every college and university admissions officer in the country. In previous years 99 per cent of the awards winners entered the college of their choice. Approximately 80 per cent of those applying for scholarships received financial aid.

The NCTE sends to all winners and runners-up scrolls of recognition and it honors their high school English departments with certificates of merit.

Don Farmer has been Wynn's English instructor at Hereford High School. Wynn's parents are W. W. Buck of Hereford.

Miss Stagner Speaker For Delta Xi Chapter

Substituting for a guest speaker who was unable to appear

Film Seen On Holiday

Decorative Christmas arrangements selected and filmed by Texas Garden Clubs Inc. were shown to members of Garden Beautiful Club in its December meeting at Mrs. Charlie Noland's home. Mrs. L. H. Lookingbill and Mrs. Charles Hood were hostesses with Mrs. Noland.

The film featured arrangements which club members can make for use in their homes. Mrs. Noland commented on them as she showed the film. Mrs. Will S. Kerr opened the program with a Christmas poem and presided for a brief business session. Members brought packets containing such items as toothbrush, comb, soap and towel, to be given as Christmas gifts at the Migrant Camp.

In an informal social period the members and a guest, Mrs. Robert Veigel, enjoyed conversation in the den and living room where they examined attractive holiday arrangements.

Present were Mmes. N. O. Hennen, B. E. Roberson, G. S. Solomon, E. W. Young Jr., T. E. Seigler, Roger Brumley, Marilyn Gilliland, Ansel McDowell, Roy Smith, Tom Carter, Leo Witkowski, Bob Pipkin, Bruce Burney, Don Robinson, Ray Cowsert, W. J. Stanford, J. L. Woodford, Kerr and the hostess trio.

because of illness, Miss Della Stagner of Hereford spoke on the program of Delta Xi Chapter, Delta Kappa Gamma, at a tea in Dimmitt Saturday. Her topic was Relation of Mental Health to Individual Creativity. Dimmitt members of the chapter were hostesses in Lamar Fellowship Hall of Dimmitt Methodist Church. Mrs. Dorothy Sheffy was hostess chairman. The program included group singing led by Mrs. Merlin Kaul of Hereford.

Miss Bea Hawkins of Dimmitt was appointed recording secretary to complete the term of Mrs. L. B. McClain of Friona, resigned. Members contributed to the World Fellowship Fund sponsored by the organization, to provide exchange scholarships for graduate study.

Mrs. Anna Blake accompanied Hereford members to the tea as a guest. Members who attended from this city were Mmes. Earl Holt, Charles Bell, Fred Mercer, J. J. Durham, L. C. Thomas, Eleanor Hudspeth, Jim Bookout, Claude McDougal, Little Wertemberger.

Also Mmes. Tolbert Painter, Fritz Christman, K. T. Legg, Fred Welch, J. D. Neil, Kent Snare, V. P. Walker and Kaul; Misses Lucille Park, Erma Walker and Stagner.

NO SIGN, NO STOP

LOUISVILLE — Two motorists collided at an intersection in suburban Pleasure Ridge Park.

It didn't take police long to spot the cause: vandals has stolen a stop sign on one of the streets.

LAE Club Is Hostess To Husbands

A wreath of holly, poinsettia and pine cones on the lighted front door of the A. N. Hopson home set the note for holiday decorations inside, where La Affiliatus Estudio Club members entertained their husbands with a supper Tuesday evening.

Hostesses were Mmes. Hopson, B. F. Markham and B. A. Reddell, who comprise the social committee.

Supper was served at quartet tables, each with a different Christmas arrangement in the center. Games of 42 followed the meal, and gifts were exchanged from a table where a Santa Claus figure presided over the gaily-wrapped packages.

Present were Messrs. and Mmes. A. B. Higgins, A. H. Cook, Sam Morgan, Reddell, Markham and Hopson; Mmes. Louie Olson, T. W. Roberson, Emmett Hale and Walter Johnson.

VFW, Auxiliary Groups Attend District Meet

A weekend meeting of District 12, Veterans of Foreign Wars and Ladies Auxiliary, was attended at Childress by representatives of the Hereford post and auxiliary.

Mrs. Leonard Davis of Hereford is district auxiliary president, and was in charge of the women's business meeting. A program and dinner entertained the two groups together.

Plainview was chosen as the next host city for a district meeting. Date for the quarterly session is still to be set.

Mrs. Clarence Hollibaugh, local VFW Auxiliary, president and district secretary-treasurer, and Mrs. Harry Burke accompanied Mrs. Davis from the women's organization here. Going from the VFW Post were Charlie Morris, commander, Burk C. W. Smith and John Green.

Miss Roberts Honoree At Pre-Nuptial Shower

A prelude to her wedding which is to be solemnized this evening, a shower complimented Miss Virginia Robert Monday in the Flame Room, which was decorated in her colors, blue and white. Miss Roberts is the bride-elect of Jim Cox.

Mrs. Armon Lauderback greeted shower guests. In the receiving line were the honoree, her mother, Mrs. H. A. Roberts, and her fiance's mother, Mrs. Sherman Cox of Happy. Miss Roberts was wearing a white wool suit dress and a corsage of white carnations tied with blue ribbons.

Several varieties of white blossoms made the table arrangement, set on a white lace cloth over blue. Mrs. Darrell House and Mrs. Earl Huckabee served refreshments.

Miss Gayle Woolbright registered guests, who included relatives and friends of the couple from Happy, Amarillo and Canyon.

Hostesses were Mmes. J. L. Bell, Fay Wilcox, R. R. Rule, H. L. Newman, Norman Lytle, Al-Lee, J. A. Rader, Edgar Telchik, Dan Wall, Bobby Sessums, James Jones, Marvin Payne, Charles Wall, Harvey Rowland, N. R. Jones, Lauderback, House and Huckabee; Misses Billie and Gayle Woolbright.

BOOSTERS GO SOUTH

CINCINNATI — The Cincinnati Reds Rooters Club, under former band leader Barney Rapp, will make its tenth trip next spring to the Reds' spring training camp in Tampa, Fla.

Members of the club will be watching the team in spring training from March 27 to April 2. During the regular season the club goes on several out-of-town trips with the team, ranging from two or three days to two weeks.

Leaders Clinic Plan Is Shaped

Further plans for a Community Leadership Workshop which the Business and Professional Women's Club will sponsor here early in 1966 were framed at the club meeting Monday Evening in Community Center.

A meeting was set for Jan. 11 to lay groundwork for the program, which the club is sponsoring at the request of Deaf Smith County Program Building Committee.

B&PW members appointed as a committee on preliminary arrangements are Avis Northcutt, Ruby Lee Hickman and C. Ora Cockrell.

The county organization which has representatives from various civic and service clubs, discussed the workshop at a fall session, and asked that it be directed by the B&PW Club, working with a subcommittee from the Program Building group.

Margaret Ann Durham, chairman of the club's public relations committee, was in charge of the program Monday. She introduced a panel of members, Sophie Snare, Della Stagner, Marie Sears and the club president, Kathleen Baker, for a discussion of Our Changing World.

She spoke of rapid changes in world politics and economics as well as in modes of everyday life with emphasis on the new role of woman in all fields.

Mrs. Baker presided for business. Announcement was made that the club Christmas gift exchange and dinner will begin at 5 p. m. Dec. 19 at the Caison House.

Executive committee members will be hostesses. Gladys Bryson and Nancy Ritchie were new members introduced; Mildred Strother and Leola Peters were welcomed as guests. Mrs. Hickman and Mrs. Sears served refreshments in the social period which ended the meeting.

ONE MINUTE, PLEASE

"Blessed are the poor in spirit: for their's is the kingdom of heaven." Matt. 5:3.

With this statement Christ began the Sermon on the Mount. The word "blessed" means happy; and the phrase "poor in spirit" means humble minded. Therefore Phillips translation reads like this, "How happy are the humble-minded, for the kingdom of heaven is theirs!"

Those who humble themselves are the people who have a sense of their own unworthiness, who feel the deep need of Divine mercy; they are the teachable ones, not the know-it-alls; they are truly penitent. These humble souls are not self-satisfied, nor are they self-righteous. They do not glory in themselves, but they glory in the Lord Jesus Christ.

The poor in spirit seek knowledge by studying the Scriptures. They humble themselves to be born again of "water and the Spirit" to gain entrance into the kingdom of heaven. (John 3:5).

REP. ROGERS REPORTS

Tax Reform Proposals Predicted For Congress

It is likely that Congress will devote attention to income tax reform proposals in the Session beginning in January. Whether a further tax cut will be possible remains to be seen; stepped-up spending, mainly as the result of the war in Viet Nam, may prevent any reductions in the near future.

At any rate, income tax reform proposals will come under scrutiny as further efforts are made to straighten out inequities in the internal revenue code.

I hope very much that the House Ways and Means Committee, which has jurisdiction over tax legislation in the House of Representatives, can give close attention to a proposal I have introduced in Congress after congress. My bill would increase the personal income tax exemption for a taxpayer, the additional exemption for his spouse, and the exemption for a dependent from \$600 to \$1,000.

THE ENACTMENT of this measure is, in my view, long overdue. The original purpose of the \$600 exemption was to assist taxpayers in meeting basic expenses of their families, but the \$600 exemption is now out of step with the times and should be increased. Of all proposed changes in the tax laws, I think this is the one calling for attention first.

The lesson of the income tax cut of 1964, which reduced the tax burden on American private citizens and corporations by some \$11.5 billion per year, is that tax reduction provides great incentive to the private economy. Reduced taxation frees capital for spending on expanded business capacity to meet increased consumer ability to purchase goods and services.

THE EFFECT is an increase in economic levels. The effect is also to generate expansion of the base on which taxes are levied and, thus, to increase tax revenues. The 1964 tax cut is given considerable credit for continuing the record boom we have experienced through the 1960's.

THE GROSS national product, the total of all goods and services produced, is headed for the \$700 billion level, up nearly

\$200 billion in five years. The most recent economic indicators continue to be encouraging. Among them are these summations:

Disposable personal income soared \$12½ billion in the third quarter, the biggest quarter-to-quarter change since early 1950;

— Corporate profits rose to record highs in the third quarter, with profits after taxes standing 19½ per cent higher than in the same period last year;

— Business expenditures for new plant and equipment in 1965

are expected to total \$50.9 billion, almost 13½ per cent above the 1964 total.

EVEN national farm income figures, which have presented a picture less optimistic than that shown by other economic indices, show that the over-the-year, 1965 gain in net farm income will be about \$1 billion.

Of course, there are many factors responsible for the boom other than the income tax reduction of 1964 and the excise tax reduction of 1965, although I was pleased to support both actions in the conviction they were needed and would be helpful.

I do think the Nation has the necessary experience to know that wisely planned tax reduction encourages private enterprise to do a first-rate job of developing the economy.

ONE OF the triumphs of the 1964 and 1965 income and excise tax reductions was that it showed the great strength of the so-called "private sector" of the economy and helped silence those who believe that only path to economic growth lies with massively increased government spending in "make-work" activities.

I'm pleased to report that there is growing evidence for my proposal to increase income tax exemptions. Attention has come during the continuing controversy over whether parents should receive tax credit for their children's college education.

I believe the sounder approach is through an increase in personal exemption as an action in which every family in the country would be able to benefit.

Walter Rogers
Members of Congress

KEEP "Tuned-in"

— Have you heard from God today? Or is there too much static? Maybe you are just not 'tuned-in.' At this moment there are voices and music surging all about you. Do you hear them? Maybe not, but you could if you had your radio delicately in tune. Prayer is the sensitive instrument man must use to get in tune with God. But it is hard to stay tuned in. Elijah failed here... and so do we. That is why we need the church. It helps us keep our finger on the dial of faith and obedience to God's will. Go to church Sunday. Carry your walkie-talkie with you every day. Keep it tuned to heaven. Make frequent reports of your victories and failures, and receive your marching orders direct from God!

"Speak, Lord, for Thy Servant heareth."

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions, prayers, and influence for a better citizenship and a stronger democracy. In the church the ministerial and holding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we ask our children should go to the church of our choice on Sunday. You in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

Fate Of Texas Poll Tax Rests In Hands Of Federal Court

By VERN SANFORD
Texas Press Association
AUSTIN — Fate of Texas' 63-year-old poll tax as a voting requirement rests in the hands of a three-judge federal court. They heard four hours of arguments here last week in an historic case to abolish the levy. Judges announced that no immediate ruling would be made. They advised Texans who want to be eligible to vote next year to pay the \$1.75 fee before the January 31 deadline.

IN FREQUENT questions during the arguments, the judges indicated concern over several complex legal points.

Circuit Judge John R. Brown repeatedly speculated on the court's earlier position, in a session an apparently — unsupported congressional finding in the 1965 voting rights act, that the Texas levy discriminates against Negroes.

"HOW DO we go about reviewing the basis for a congressional finding?" Brown wondered aloud. "Or does the case come to us as though Congress had not made these findings? This is a very unusual point of law."

Texas Atty. Gen. Waggoner Carr maintained that Congress had made its finding "without so much as a scintilla of evidence." He pointed out that U. S. Atty. Gen. Nicholas Katzenbach himself had testified before a Senate committee that he had no complaints of voter discrimination in this state. Katzenbach later filed the suit under terms of the voting rights act.

U. S. Justice Department Atty. Stephen J. Pollak, acknowledging that there is no overt refusal to give Texas Negroes voting rights, argued that due to basically inferior education, income of Negroes is lower and

the tax, therefore, falls heavier on them.

ONE JUDGE wondered, perhaps hopefully, if the U. S. Supreme Court might rule on some of the questions submitted in an earlier Virginia case before federal judges in Texas have to hand down their decision.

Hearing here was the first of four cases brought by the justice department, under congressional direction, to challenge poll tax validity head-on. Others will be held in Mississippi on December 10; Alabama on December 16; and Virginia on January 17.

POLLUTION PROGRAM
Gov. John Connally has advised John Gardner, U. S. secretary of Health, Education and Welfare, that Texas plans to control pollution on its stream and in its coastal waters.

Such a certification is required by the new federal law aimed at stopping pollution of public waters throughout the United States. If states fail to get pollution control programs in operation by June 30, 1967, then Uncle Sam will take over and adopt its own programs and rules.

Connally's formal certification came as the Texas Water Pollution Control took its biggest step yet. It adopted rules and standards for discharge of municipal and industrial waste into the Houston Ship Channel. Industry spokesmen at the public hearing estimated Ship Channel industry will have to spend between \$50,000,000 and \$100,000,000 for treatment facilities to meet these standards.

EVEN then, Joe G. Moore, Jr., Chairman of the Board, estimated that the new requirements would eliminate only half the pollution in the Channel.

Mayor Seaborn Cravey of Baytown strongly protested against

the Board plan to allow more pollution in the mid-Channel area above Baytown. He fears fish kills which sometimes make living unbearable in Baytown will continue when rains wash slugs of polluted water down the Channel.

But the Board unanimously adopted its three-zone plan, effective immediately.

A seventh member was added to the Board by Connally's selection of Howard Rose of Midland, his former administrative assistant. He will represent the public.

NEW COMMITTEE MEETS
A nine-member committee studying the role of the press in crime and court news coverage declared its opposition to legislation that would restrict news reporters in covering stories.

Lawmakers and news executives serve on committee set up by last Legislature. Group selected Felix McKnight, Dallas Times Herald editor, as chairman.

McKnight said the Committee hopes to establish guidelines to protect the rights of individuals named in court charges; also to preserve freedom of the press; and to avoid a fight over legislation.

COURTS SPEAK
State Supreme Court refused to review a case involving the will of the late Mrs. Sarita Kennedy East, estimated at \$300,000, 000. Court also refused to grant a writ of error to the group contesting the will. Contest has never been tried.

Court of Criminal Appeals reversed Houston and Bryan murder convictions because of improper questioning and insufficient evidence in trial courts.

APPOINTMENTS
William A. Hazlewood Jr. of Abilene is the new assistant veterans employment representative with the Texas Employment Commission. He will work out of Dallas.

Salt Water Pollution Committee of the House of Representatives held its first meeting here. Rep. Renal Rosson of Snyder is chairman. Members include Reps. John Allen of Longview, Temple Dickson of Sweetwater, Tom Holmes of Granbury and Felix McDonald of Edinburg. Also Joe Kilgore of Austin, Harry Loftis of Tyler, Charles P. McGaha of Wichita Falls, Judge W. H. Rumpy of Winters and John Ben Shepperd of Odessa.

AGGIE COEDS?
Board members of Texas A&M University denied a report that they voted to admit girls to the virtually all-male school on a non-discriminatory basis.

Chairman later said qualified women should be admitted if they could not get degrees at another university in fields they want to pursue. He said A&M Pres. Earl Rudder was asked to study every coed application in order to guard against discrimination. He revealed that a committee will report its findings on the question of co-education next April.

Attorney General Carr recent-

ly declared that present policies of admitting only women who are wives, daughters or widows of faculty members and students would be difficult to defend in court. He proposed that A&M either limit its enrollment to men only or become fully co-educational.

LAND PROGRAM ENDS
State Veterans Land Program ended November 30 when the last commitment for purchase of property was issued.

Land Commissioner Jerry Sadler said 35,500 Texas veterans bought over 3,000,000 acres of land at average price of \$81 an acre. On November 2 Texas voters turned down a constitutional amendment proposal designed to extend the long-term, low interest land purchase program.

ATTORNEY GENERAL RULES

University faculty members may serve unpaid on state or federal boards or commissions not exercising sovereign powers, subject to Board of Regents' approval, Atty. Gen. Waggoner Carr held.

In other opinions, Carr concluded: A person must be present in person to enter a plea of guilty to misdemeanor charges punishable by jail sentence. An appropriation to the Upper Red Flood Control and Irrigation District, for a water gauging station at Prairie Dog Fork Bridge in Hall County, is valid.

GOVERNOR MAKES AWARDS

Governor Connally has presented awards to ten Texans in recognition of outstanding contributions to the conservation of wildlife and related natural resources.

Honors were paid at the Governor's Award Banquet in Austin to Harry Jersig of San Antonio, Dr. Richard M. Robinson of College Station, Henry N. Smith of Temple, Sen. Culp Krueger of El Campo, Arthur Temple of Diboll, Dr. William B. Davis of College Station,

James Natho of Cuero, Sen. Tom Creighton of Mineral Wells and Kenneth Foree of Dallas.

Program was sponsored by the Sportsmen's Clubs of Texas, the Sears-Roebuck Foundation and the National Wildlife Federation.

SHORT SNORTS
Governor Connally approved five new federal anti-poverty programs with U. S. grants of more than \$1,200,000 — in Cor-

pus Christi, Laredo, Roma, Pharr and Rio Grande City.

Texas business activity declined five per cent in October, second drop in row since the business index reached an all-time high in August, UT's Bureau of Business Research reports.

SENIOR Budget Examiner Charles W. Croslin has resigned from Governor Connally's staff to become Administrative Assis-

tant of the Parks and Wildlife Department, effective December 1.

Walter Richter of Gonzales resigned his state senate seat after Attorney General ruled he could not be both Senator and director of the Texas Economic Opportunity Office.

A senate committee, headed by Sen. Criss Cole of Houston, is studying ways to recruit young people into the nursing field and

reclaim 10,000 inactive licensed nurses.

Cotton Stripping Increases, Grades Still Unchanged

Cotton stripping operations increased this week and the Lubbock, Brownfield and Lamesa Classing Offices of the USDA received the largest number of samples received any week this season, according to W. K. Palmer, in charge of the Lubbock office.

The three USDA Classing Offices classed 225, 600 samples during the week ending Friday, December 3rd.

THROUGH Dec. 3 the Lubbock Office has classed a total of 520,500 samples, the Brownfield Office 42,400 and the Lamesa Office 57,600. This brought the total classed this season at the three offices to 620,500. Through December 3rd of last year the three offices had classed a total of 591,100 samples of the 1964 crop.

Grades of the cotton classed at the Lubbock Office were about the same as during the previous week. Seventy one per cent of the cotton was classed in the White Grades and 29 per cent in the Light Spotted Grades.

MIDDLING made up 18 per cent of the total classed at Lubbock last week. Strict Low Middling 8 per cent, Middling Light Spotted 20 per cent, and Strict Low Middling Light Spotted 8 per cent.

Staple length remained about the same last week and continued to average approximately 15/16 of an inch. Eighty-two per cent of all cotton classed at Lubbock last week was 15/16 of an inch and shorter and 85 per cent was 15/16.

Micronaire continued to decline. Thirty-three per cent of all cotton "miked" in the Lubbock Office was in the desirable category of 3.5 and better. The previous week 44 per cent was in this category. Fifteen per cent "miked" 3.3 and 3.4, 31 per cent was 3.0 through 3.2, 17 per cent 2.7 through 2.9 and 4 per cent was in the 2.6 and below, or Wasty, category.

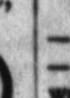

The Consumer and Marketing Service of the U. S. D. A. reported steady trading in the new crop cotton at slightly lower prices. Average prices paid for the most predominant qualities were: Middling 15/16 — 27.85, Middling 31/32 — 26.35, Strict Low Middling 15/16 — 26.45, Strict Low Middling 31/32 — 26.05, Middling Light Spotted 15/16 — 26.50 and Middling Light Spotted 31/32 — 27.00.

Prices paid farmers for cottonseed ranged from \$45 to \$55 per ton.

EDITORIAL

Make Christmas Live

It's that time of year again. Greedy children hang their stretch stockings and cry when their mothers and fathers tell them they might not get the \$2,000 shiny red motorcycle they want.

The Joneses send out 200 engraved cards to their 50 friends and 150 acquaintances . . . fulfilling their obligations.

The Joneses down the street rush to get up their leviath lawn display and their neighbors rush to building even more leviath displays. Mrs. Jones panics as she goes down her list of relatives, close friends and casual enemies she "must" impress with tokens of effluence.

Mr. Jones begins to worry about the bills he will be paying through next November.

It is Christmas time and the bills are docketed with holly. Frantic shoppers push their way around department stores, keeping the spirit of Christmas alive.

This is Christmas for many . . . but for others it is different. For others there is noinsel, no tree, no holly docketed with holly and no hope for making Christmas live for their families.

These people see Christmas as just another day in another year of many days and weeks.

These people cannot afford stockings for their children, candy for their friends, decorations for their homes or gifts for their families.

They can't even afford the luxury of buying new and paying later - they won't be able to pay later.

For these people it will be a gray Christmas. It will be gray unless the people who can afford the luxury of Christmas take time from their frantic efforts to make the holidays live in a glittering way and decide to make the true meaning of Christmas live.

Christmas is a time for giving . . . it is a time for sharing. And what better way to observe Christmas than to give to those who have nothing of their own to share.

Individual UH students and campus organizations have an opportunity during the holidays to give, to share . . . to make Christmas come alive for those who see no hope for celebration.

The Daily Cougar staff would like to help any campus efforts to make Christmas live. If organizations planning Christmas drives will notify us of their plans, we will feature their efforts in a special daily column, "Make Christmas Live."

ON THE AIR

KURT - TV, Channel 6 KUHF - FM, (91.3)

7:30 p.m. - HISTORY OF THE NEGRO PEOPLE: "The Future of Music. The Negro" - Panel of experts conclude the writers with discussion of this important topic, and special guests.

LETTERS

Reader Says Course OK

To the Editor:

In answer to Mr. Konig's editorial, I am taking Political Science 234 and I recognize some of the characteristics he stated except the singularity uninteresting Fitzman articles.

Dr. Ben Henderson is the professor. His lectures are interesting and thought-provoking. Discussion is allowed at any time, and this freedom is utilized frequently.

His two graders, Glen and Bob, each conduct an hour tutoring session after the regular class meetings. Glen offered five hours of his time on the day before each of the tests to help answer questions.

At the close of each section Dr. Henderson and Glen have a "great debate" in which the class participates.

In my largest class (200 stupe), I find the only class where I am allowed to discuss my ideas on the subject presented as though I might be able to offer something valuable.

Take heart Mr. Konig, there is some, be it small, hope.

Mike Cooper

As I See It

YAF members, Bob Eubanks and Ken Mahand sadly failed to present their views in a logical manner. I was alienated against debater while he was asked why should we have to fight to defend our way of life?

He contended that the war was based on abstract ideals. Would you, he questioned, send your brother to die for an abstract idea?

I was disappointed with YAF speaker Mahand when he was baited into defending his own statements instead of attacking his opponents. The YAF calls for a decisive victory. But when faced with such a victory themselves, they failed to realize that nobody has ever won a war on the defense.

"How could a man die better," Tenyson said, "than facing fear-ful odds. For the ashes of his fathers. And the temples of his Gods."

How indeed.

Radio-TV Major DJ for Astronauts

The voice of a UH radio-TV junior and the earthly sounds of a Houston FM radio station awakened the Gemini 6 astronauts Monday morning.

Jack Schmitt, dubbed by the wire services as the first "space disc-jockey," has been working the early morning shift at KQUE-FM for four months.

"I got a call from NASA and they asked me to play some appropriate music so that they could tape it and play it back to the astronauts," Schmitt said.

"The NASA people asked me to keep the same program format as I usually do and to not make reference to the astronauts," he added.

He admits a little stage fright. "Sure I was nervous," he explained. "I stumbled through some 2 bedrooms from \$22.50. MO 5-8059 -MI 4-5310.

Leaders Meet Noon Today

Participants in the Ball Student Leaders Conference, held last October, will meet at noon today in 107E to secure written evaluations and add comments about the conference.

Charles Williams, publicity chairman of the conference, prepared the evaluation which was accepted by the conference steering committee Friday.

Debaters Sweep. Tourney; Win Two Division Titles

By RAYMOND WALDREP

The UH debate squad placed first in both men's and women's divisions last weekend in a forensic tournament at Eastern Central State College in Ada, Okla.

They returned home with five trophies, six award plaques and numerous individual medals from the tournament.

Twenty-four schools entered men's in the tournament.

Areas of competition were oral interpretation, public address and debate.

Competing schools received composite scores for team performance in all three areas, while individual teams were declared winners in debate.

UH won first places in men's and women's divisions and placed second in the beginners division.

Two UH students made up the only undefeated team in that division.

The winners were Billie Busharts, political science freshman, and Jim McCurdy, radio-TV freshman.

One UH team placed first in senior men's debate, while two others tied for fourth place.

Members of the winning team were Jeff Biggenbach, speech freshman, and William Shillinger, speech sophomore.

Rusty Medsker, political science sophomore, and Larry DeBary, speech sophomore, composed one of the fourth-place teams. The other consisted of Pete Smolok, history senior, and Bill Workman, speech junior.

A UH team composed of Susan Depue, speech freshman, and Beverly Ward, English teaching junior, placed second in women's debate.
