## Legion Meet Continues

### 175 Attend Dinner Awards, Elections Head Slate Today

Some 175 American Legion and Auxiliary members arrived in Hereford amid a cold, damp wind Saturday for opening-day activities of the 18th District Convention which continues today.

At a banquet in the Jim Hill Hotel Ballroom last night, Legion and Auxiliary members were urged to "keep up the good work" American Legion Department of Texas Commander Clayton Mann of Wichita Falls.

### Both Parties Set Primaries; Vote Total 56

Primaries for both the Democrats and Republicans will be held Saturday, and absentee balloting for the elections will continue through Tuesday.

Poll for the Republican Primary will be in City Hall, with only candidates for precinct and county chairman to be listed on the ballot.

Democratic Primary candidates are numerous, and most area Republicans are expected to participate in the Demo primary.

COUNTY CLERK B. F. Cain said Friday that anyone wishing to vote absentee for Saturday's election, who will be out of town, Monday and Tuesday as well as Saturday, may do so by calling his residence today. Candidate for county GOP chairman is Keith Jorde.

Seeking re-election as county GOP chairman is Keith Jorde. Candidates for Republican chairman for precincts one and two, respectively, are Pat Parker and Frank Ford.

### VFW Observes Loyalty Day

Members of the Hereford Veterans of Foreign Wars will join in national observance of Loyalty Day today.

Charlie Morris, commander of the local VFW post, urged Hereford residents to fly the flag in conjunction with the observance, held to show loyalty to the United States and that for which it stands.

The local post members will display flags throughout the city in honor of the day.

His address at the first joint session of the convention followed formal welcoming to Hereford by local Legion and city officials, introduction of distinguished guests present, and colorful convention ceremonies.

The banquet followed a busy afternoon which saw Legion Auxiliary members complete their first session, although weather delayed arrival of some Auxiliary officers.

AS MANY as 100 more Legion and Auxiliary members from throughout the Panhandle are expected to arrive for business sessions and other activities on a busy agenda today. Auxiliary and Legion members will conduct a Joint Memorial Service this morning before adjourning to attend local churches.

DISTRICT Commander Grant Hanna will call the afternoon business session to order at 1:30 p. m. for Legionnaires in the hotel, while Auxiliary resumes sessions at the Community Center.

Hanna and his wife, Troyce, complete terms today as heads of the 18th District for the Legion and Auxiliary. Their replacements and other district officials will be elected this afternoon.

HIGHLIGHTING today's programs for both groups will be presentation of awards to many of the 46 Posts and 32 Auxiliary Units represented.

Presenting greetings from the 4th Division, Mrs. J. A. Lakeman, Department Vice President for the division, will appear at the Auxiliary session this afternoon.

Mann will again be the featured speaker at this afternoon's Legion session in the hotel. See LEGION Page 5

AT INSTITUTE — More than 190 persons attended the Mid-Plains Legal Institute held here Saturday, where three noted legal authorities outlined provisions of the Texas Uniform Commercial Code, which goes into effect July 1. Conducting the seminar were, from left in top photo, William E. Hagan of Cornell Law School, Millard H. Ruid of the University of Texas Law School, and Dallas attorney William J. ### AREA STUDENTS SOUGHT

## High School Sets Summer Courses

Officials at Hereford High School have announced plans to offer summer school for students throughout the area, tentative to sufficient demand by students.

Summer courses in English, math, typing, world history, American history, and government will be offered in two four-week semesters, if a sufficient number of students apply for the courses, officials announced Thursday.

THE COURSES would be offered for the benefit of all students who wish to take courses in addition to their regular program and to give students who have failed required courses the opportunity to repeat courses, or if they have repeated the required course they failed, to take the next course in the sequence.

Not only students of the Hereford school district, but students in surrounding towns are invited to apply. See SUMMER Page 2

CONTEST STORY — Some 45 area high school bands competed in concert performances at Hereford High School this week-end, where after performances such as the one above, it was up to judges (bottom left) to rate bands. Students gathered at bulletin boards to await posting of results, which brought joy to some, disappointment to others. For Hereford High, it was good news. See story above, right. ### HHS GETS 4th SWEEPSTAKES

## Area Bands Earn Honors

Hereford High School Band, in what was termed a "peak performance," again astounded judges to join with an elite group of six area bands in earning the highest honor awarded Texas school bands here this week.

For the fourth year in a row, the 100-member HHS band swept up a "Sweepstakes" award in what judges acclaimed as a spectacular demonstration of musical know-how and temperament.

ONLY SIX of the 45 area bands competing at University Interscholastic League Concert and Sight-Reading Band Contests

for Region I, North Zone, were so honored. Others rendering Sweepstakes performances were Canyon, also in Class AAA with Hereford; AAAA contenders Caprock High School of Amarillo and Pampa High School; Spearman of Class

AA; and Memphis of Class A. The Sweepstakes trophy represents superior excellence not only in concert and sight-reading events conducted here Thursday through Saturday, but also first division ratings at marching contests held last fall un-

der the sanction of the UIL. The Hereford High Band, under the direction of director Ben R. Gollehon, put a theretofore muchly inattentive audience in "awed silence" Friday afternoon while sounding the first See BANDS Page 8

### 1,268 AT BARBECUE

## Coop Members Challenged, Elect Two New Directors

Members of the Deaf Smith County Electric Cooperative, Inc. at the annual meeting for the coop here Thursday, elected two new directors, honored past board members, and were challenged to be ever on the alert against those who would dismantle member-owned electric cooperatives.

Eldred Brown, who farms west of Hereford, and Raymond Annen of Nazareth were elected

to fill two vacancies on the board. THE ELECTION came following a day which began with the issuance of more than \$147,000 in patronage refund checks to 1955 coop members.

A noon barbecue saw 1,268 people go through lines catered by the Hereford Rotary Club.

THE TURNOUT for the annual meeting was second only to that posted in 1956, when some 1,700 persons attended. Then activities moved to the Bull Barn, where members heard reports on the 1965 "Government in Action Youth Tour" by participants Maura McAndrews and Tommy Sherley, of Hereford and Friona, respectively.

### Big Events Continue Here

With two "busy weekends" in quick succession behind Hereford residents the calendar of activities for Herefordites shows three more large gatherings upcoming in May.

Next weekend, May 6-7 is the date for the Hereford American Junior Rodeo Association Rodeo, sponsored by the Hereford Riders Club.

On May 17, the Tierra Blanca Soil Conservation District will host the Fort Worth Press Award Banquet, where persons from throughout the Panhandle will gather to honor outstanding conservationists.

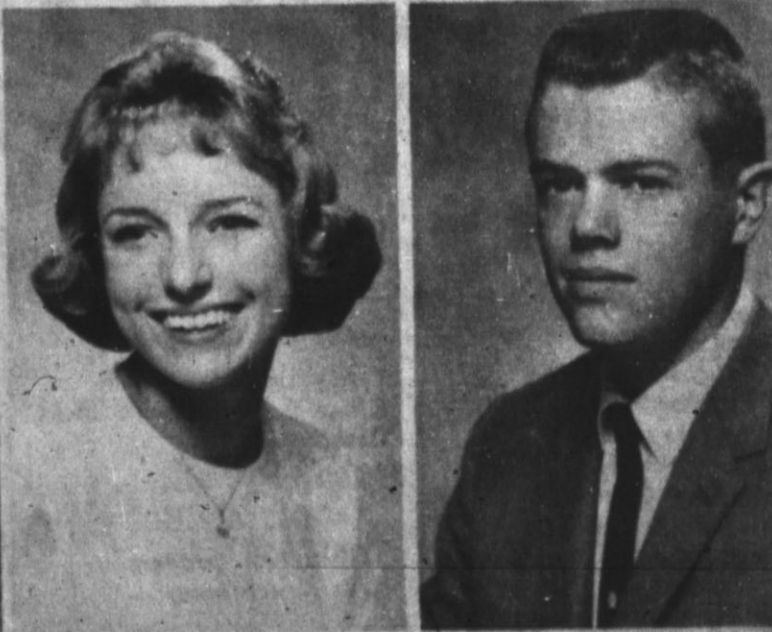

ANNUAL Mid-Plains Pioneer Day is scheduled for May 30. Later in the summer, the Hereford Lions Club Carnival will be held July 25-30 and the Hereford Riders Club Amateur Rodeo, July 28-30.

This information was contained in "The Volunteer," the monthly newsletter of the Deaf Smith County Chamber of Commerce this week.

It appeared under a new heading "Hereford Convention Center Calendar."

TOP SENIORS — Barbara Zinzer and John Perrin were honored as "Outstanding Seniors" at the annual Hereford High School Junior-Senior Banquet Saturday night. The banquet, featuring its traditional prelude of a minuet, took place in an elaborately-decorated Arabian Knight setting in the high school cafeteria. Presentation of gifts to the two high school exchange students also highlighted the program.

### Burial Rites Are Conducted For M. P. Vaught

Milton Perry Vaught

The funeral of Milton Perry Vaught, 54, who died unexpectedly Wednesday morning, was held Friday afternoon at the Rose Chapel of Gilliland Funeral Home with the Rev. Noah Armpriester, pastor of Wesley Chapel Methodist Church, officiating. Burial was in West View Cemetery.

His death occurred while in a parked vehicle near the intersection of U. S. Hwy. 90 and Main Street. Mr. Vaught, whose home was at 109 Ave. E, moved to Hereford from Littlefield in 1948. He owned the Vaught Laundry and was an employee of Huckert Lumber Co. at the time of his death.

He was born Sept. 1, 1911 in Grady County, Okla., and married Florence Leary at Chickasha on Jan. 6, 1934.

In addition to his wife he is survived by a daughter, Sandra Lee Vaught and a son, Edward Lewis Vaught of Hereford; another son, Perry Otis Vaught of San Gabriel, Calif.; four sisters including Mrs. Gladys Lane of Hereford, and two brothers.

Tracy Stallard won 11 games for the 1965 St. Louis Cardinals, one more than he won for the 1964 New York Mets. However, with the Red Birds he lost only 8 times, 12 less than he dropped with the Mets.

#### GO FLY A KITE — SAFELY

DIXON, Ill. (AP) — Flying a kite can be hazardous and safety precautions should be practiced.

Robert H. Harridge, district superintendent of Commonwealth Edison Company, said youngsters should observe these guidelines.

1. Use only ordinary kite string; never use wire or metallic cord as a substitute.
2. Never attach metal or tinsel to any part of the kite.
3. Fly kites in open areas where traffic is light and trees and utility lines may be avoided.
4. Never fly kites during storm or when the string is wet.
5. Abandon a kite rather than risk injury by climbing a pole or entering a hazardous area to retrieve it.

**AT BRAVO PLANT** — A plant which has been completely revamped since its opening in November will be toured from 3 to 6 p.m. today at Bravo Smokes, Inc., 1303 Park Avenue. ## Open House Today Shows Revamped Bravo Factory

Bravo Smokes, Inc., will stage an open house here this afternoon to display its completely revamped factory following extensive changes since its initial opening in November.

The plant, which is producing the nation's first nicotine-free tobacco smoke, may be toured from 3 until 6 p. m. It is located at 1303 Park Avenue.

TODAY'S open house is to reveal new, automated production machinery, plus what Bravo president Puzant Torigian calls a "better Bravo."

He pointed out that recent processing improvements, both here and at Bravo's new facility in Uvalde, have combined to improve the product considerably from quality which first went on the market. New Bravos will be available for those attending the open house.

Torigian also announced this week that Bravo has shipped a loo-case order or 18,600 worth of Bravos, to Pittsburg, Pa., for distribution by a large drug chain on the East Coast.

**THE SHIPMENT** resulted from a feature story appearing in a Pittsburg newspaper, describing the "safer" smoke, which Torigian said, had much impact in that large industrial and mining area where lung and heart problems are prevalent.

In conjunction with Bravo's expansion, Torigian said, an Amarillo business consultant for the past 17 years, William L. Lee, has joined Bravo as controller of Bravo Smokes and its affiliate corporations. Lee will be "responsible to Blumberg,

Block and Carter Co., Bravo's New York accounting firm. Concerning Bravo sales, Torigian said that a two percent market has been again indicated in Amarillo.

He said that West Texas State

invited to take advantage of the summer school, officials said. School will begin June 6 and the first-semester will end July 1. The second four-week semester will begin July 5 and will end July 29.

**CLASSES WILL** begin at 8 a. m. and will be four hours a day. Students must attend four weeks to earn one-half credit and eight weeks to earn one credit.

The tentative fee for summer school will be \$20 each half-credit course.

Specific courses to be offered are English I, English II, English III, English IV, Related Math I, Algebra I, Typing I, World History, American History, and Government.

Students wishing to enroll in one of the courses should contact the school as soon as possible.

Charley Metro, former head coach of the Chicago Cubs, is managing Tulsa, Okla., in the Pacific Coast League this season. Tulsa is the No. 1 farm team for the St. Louis Cardinals.

University's marketing research department has conducted two surveys of Amarillo smokers in recent months, with both showing two percent of those interviewed as "regular" Bravo smokers.

**ANOTHER FANNED** — Alex Diaz had his day on the mound for the Hereford Whitefaces in the District 1-AAA opener here Thursday, hurling the Herd to a 11-1 win over the Canyon Eagles in five innings. This swing-and-miss third strike was an often-seen scene in Whiteface Stadium. (Staff Photo)

# Hereford Takes District Opener

## Herd Has Re-Match At Canyon Tuesday

By DAVID BUTLER  
Sports Editor

Alex Diaz's controlled ball and precision timing on the part of the Hereford Whiteface infield netted the locals a victory in their first conference bout of the season.

Diaz struck out seven Canyon batters in the five-inning game chalking up an 11-1 victory for himself and the Hereford Whitefaces.

A two-run home run in the first inning by Gene Duvall and a grand slam homer by Steve Hodges in the fourth inning aided the Whiteface cause to their first conference win.

During the first two innings the Whiteface infield and Diaz took the Eagles on a three up - three down situation.

**CANYON'S ONLY** run came in the fifth inning just shortly before the final out was called ending the game at the fifth inning because of a 10-run rule in the 1-AAA district.

According to the rule, if a team scores 10 runs more than the opposing team in the first five innings, the game can be called at five innings.

If the Eagles would have been able to score another run in the fifth inning, they would have had two more innings to try to catch up.

**ALTHOUGH THIS** was the first game for the Whitefaces, the Eagles had already opened their conference season Tuesday when they took an 11-0 drubbing from the Dumas Demons.

Hereford will travel to Canyon Tuesday when they will battle the Eagles again for the locals' second conference game of the season.

Thursday the Whitefaces will host the powerful Dumas Demons on Whiteface on Whiteface field at 3:30 p. m.

**DUMAS WILL** be entering into the game with a 21-1 season record after defeating Nazareth last Thursday in a non-conference bout at Nazareth.

Hereford seemed to have a little trouble getting a rally started in the first inning as both Robby Lemons and Barry Johnson were thrown out at first.

But Bill Watts, third man up, scored a single to second base and Gene Duvall hit the first of two homers of the day bringing in Watts to give the Whitefaces a 2-0 lead.

over the Canyon Eagles in five innings. This swing-and-miss third strike was an often-seen scene in Whiteface Stadium. (Staff Photo)

### ALL ELIGIBLE CAN PLAY

## Try-Outs Monday For Pee-Wee Little League Baseball Teams

Hereford area boys eight and nine years old are invited to try out for a newly-organized Pee Wee Division of the Hereford Little League.

Boys eight years old by Aug. 1 who wish to participate in the summer baseball program are asked to be on hand at 6 p.m. Monday at the Little League stadium on the north end of Avenue I to be assigned to one of four teams being organized.

Hereford Little League president Art McQueary said that all eligible boys who show up for Monday's try-outs will be assigned to one of the teams, which are being organized to take care of boys who were not chosen for a Little League major or minor league team. However, youngsters must complete a Little League form, which can be done at the try-outs.

Coaches for four teams have been lined up, but more volunteers are needed for other help with the Pee Wee league. Some 100 boys are expected to participate in the league.

### JACKPOTS CLIMB

## Absence Of Big-Name Pros Irks Tournament Sponsors

By HAROLD V. RATLIFF  
Associated Press Sports Writer

More than 20 years ago, when golf tournaments were "big money" class, sponsors cried out against "name" players skipping events.

Ever since then, most of the tournaments other than the big ones — the prestige affairs like the Masters, the National Open, Tournament of Champions, etc. — have had their troubles getting the big names.

FOR INSTANCE, Dallas raised its prize money to \$85,000, got away from a fall date and expected Arnold Palmer and Jack Nicklaus, the most important of the big names, to play in the tournament.

But Palmer and Nicklaus not only didn't play at Dallas but passed up the Texas Open at San Antonio the following week. San Antonio had hiked its prize money to \$70,000 trying to lure the big shots. It didn't even get one of the top three money winners.

Houston didn't have any trouble getting the big names but this was largely because the tournament is being played at the Champions Course, a layout operated by famed golfers Jimmy Demaret and Jack Burke, Nicklaus, however, isn't likely to play in the Colonial National Invitation at Fort Worth, a very fine layout, too.

The problem of getting the big names so the gate will justify the tournament has been paramount ever since purses started getting out of all proportion.

Whereas a \$10,000 tournament was considered important 20 years ago, that wouldn't lure the boys for a friendly pro-amateur now. A \$100,000 tournament has become almost commonplace.

**AND THE AMOUNT** of money has little effect on which golfers come to your tournament. Golfers these days can make enough in two or three tournaments to operate a whole year.

When they get up to about \$50,000 they figure they might as well rest or play an exhibition because they have to give up most of their money from then on to taxes.

While time was when too little money was the reason for the players staying away, now it's too much money.

One of the early incidents in golf that accentuated the fact that too little money could cause the top players to stay away

happened at Harlingen in the late 40's.

**SOME BIG** names skipped the Valley Open to go to Mexico City where they were offered appearance money whereas they had no assurance of winning anything in the \$10,000 Valley Open.

The PGA kept hammering at the idea that more money needed to be put up if the big names were to be lured in.

They tried a plan that gave points for fellows playing in tournaments. These points were cashed into money at the end of the year. That didn't work either because the golf winners didn't need the money.

**THERE ONCE** was a plan submitted by Fred Haas, the New Orleans golfer who was chairman of the player's committee, that when the big names failed to show up the prize money would be reduced, accordingly. This, Haas argued, would cause the golfers to force the big names to come to the tournaments. But apparently this never was tried.

Golfers take the view — and rightfully so — that they don't have to play in any tournament because they pay their own expenses, even pay an entry fee. There is no argument about that. However, there is one point that obviously the sponsors have given too little consideration.

The players, it would seem, have an obligation to the gate that pays them so handsomely. They should make every effort to play in the tournaments in order to help the sponsors, who are putting up all that money and need their presence in order to meet the expense.

**THE ARGUMENT** is that golf is so exacting a player can't perform in every tournament — too, tough on him. But how about the baseball player, who goes out there every day for six months or the office worker who's doing his job every day of the year except when he takes a vacation of a couple of weeks? He is under just as much strain and tension as the golfer and makes a lot less doing it.

The golfer has a month out of each year in which to rest and relax.

But since nothing apparently even can be done about the big names skipping the tournaments it simmers down to whether the golfer wants to fulfill an obligation to the game — to help it prosper since it is helping him prosper.

## LL Fathers To Prepare Fields Today

Hereford Little League fathers will meet at 1 p. m. today at the LL park to get the fields in shape for play next week.

**ART McQUEARY**, president of the organization said that the men would have to get the base line in shape as well as work on the pitcher's mound.

Trash will also have to be removed from the fence line and the grass will have to be moved before the park will be in shape for the up coming season.

Tryouts for the major league were held last week and the minor league players tried out Monday. Practice for both teams began this week and play will begin next week.

**EACH OF** the teams will have two games a week with games being played at both fields during the week.

Managers and coaches for the teams in the major league are: Don Davison and Joe Locke, Giants; Coby Kitchens and Deny Richardson, Dodgers; Bob Hardin and Charles Duvall, Angels; Glenn Fuller, Colts; Marvin Knox and Duane Albracht, Yankees;

**BOB CLARK** and Shorty Henington, Braves; Gary Kreighauser and Harold Morton, Cardinals, and Gene Combs and C. E. Coleman, Cubs.

The Little League father's organization is composed of all fathers of boys playing on one of the major or minor league Little League teams this year.

**MINOR LEAGUE** managers and coaches are: J. H. Finley and Donald Walters, Colts; Eddie Orand and Don Hamilton, Braves; Dale Young and Vestal Rich, Yankees T. S. Loerwald, Cardinals; Dale Turner, Terry Hodges and Sam Morgan, Giants;

Roy Evans and Chester Harris, Dodgers; Ralph Owens, Joe Hacker and Everett Line, Cubs, Bob Brooks, Angels.

**THE WHITEFACES** scored again in the third inning again when Watts got on base on a double and then scored when slugger Steve Hodges hit another double.

The fourth inning saw the locals score six runs on four hits. Three of the four hits were multiple base hits.

Four of the runs were scored when Steve Hodges hit a grand slam home run bringing in Johnson, Watts and Duvall. Johnson doubled, Watts got on first on an error and Duvall singled.

**HEREFORD** finished out the game in the fifth inning with two final runs on the part of Lemons and Diaz.

Ed Mims was out of action Thursday with an eye injury, but hopefully will be back in ready to pitch Tuesday when the Whitefaces clash with the Eagles again.

Diaz and Mims are coach Don Dorman's most experienced pitching material.

**BOTH MEN** are upperclassmen and Mims was a member of the Whiteface squad last year.

Only Mims, Hodges and Watts are remaining on the squad after graduation last spring.

Most of the men on this year's team have only had experience on Little League and Pony League teams.

But these juniors and sophomores have come along well, according to Dorman.

**A CLAY IMPRESSION** NEW YORK (AP) — Heavyweight champion Cassius Clay now calls Ernie Terrell, World Boxing Association champion, the "Crossword Puzzle."

Appearing on Johnny Carson's TV show, for which he said he received \$320, Clay said:

"Terrell is the crossword puzzle fighter. He comes into the ring vertically and goes out horizontally."

## LL Mothers Set Business Meet Monday

A business meeting for Little League mothers will be held at

the Community Center at 5 p. m. Monday.

Officers for the coming year will be elected and the mothers to represent each team will be selected.

Both major and minor league mothers will need to attend the meeting.

During the meeting the mothers will also map out plans for the annual running of the concession stand at the ball park.

**Shrine Burn Treatment Center Will Aid Suffering Youngsters**

Editor's Note: Following is a story concerning a Shrine Club hospital Galveston, The Khiva Shrine, of which the Hereford Oasis Shrine Club is a member, at one time conducted an intensive campaign to locate the facility in this area.

GALVESTON — The fig-

ures are staggering. Each day 5,000 hospital beds are occupied by burned children. Death came to 3,500 of the 12,000 burned last year. The situation is growing worse.

Kids pull scalding water from stoves, they play with matches, they are in fiery auto accidents. **THE SHRINE** this year began doing something about it. It built a hospital for burned children here and plans others in Cincinnati and Boston, all in close connection with established medical centers. The one here in the University of Texas Medical Branch complex.

Burn treatment has no real breakthrough yet, although doctors at Brooke Army Medical Center in San Antonio have a new salve that does wonders. One of the worst threats of burns is infection, and the salve helps that.

**THE RADICAL** construction of the burn center here has special anti-infection devices.

For one thing, all the air from some rooms is expelled and new, sterile air is brought in.

And no one can enter the patient area without becoming as sterile as a doctor about to perform an operation. Even food receives special handling.

Further, all in one place, the hospital has collected equipment

and material that probably isn't available at most hospitals.

**THE BURNS** Institute, as it is called, will teach doctors and others the latest techniques in treating burns. Another function is research.

At present a child with burns over half his body has only a half chance to survive.

Patients who must remain in the hospital—those improving can receive out-patient care—will be on the third floor. This contains 30 beds and is watched over by nurses and a closed television system. One of the 15-bed units of the 30-bed floor is for intense care.

The first floor is for research and the second for out-patients, waiting rooms and examining rooms.

The operating costs will be about \$1.25 million a year, high for a 30-bed hospital. But burns require lengthy, and thus costly, treatment.

The Shrine estimates the cost for treating a burned child sometimes reaches \$15,000.

The institute here cost \$2.5 million.

But children are cared for without cost unless the parents are able to pay. The age limit is up to 15.

The Shrine has 17 hospitals in the United States, including the

**Cuba 'Gravest Threat', Says GOP Hopeful**

Republican candidate for 18th District Representative, Bob Price of Pampa, speaking before the Republican Women's Club of Canadian last week, said: "Though it is impossible to overemphasize the seriousness of our involvement in Viet Nam, it is Cuba that poses the gravest threat to our safety and world freedom today."

Referring to the tri-continental conference of communists in early January, Price added: "Now we have the world head-

one here and the two projected in Cincinnati and Boston. They cost or will cost \$40 million to build, and operation amounts to \$10 million a year.

The money comes from many sources, including a \$5 per year assessment against each Shriner. Other funds come from investment returns, permanent contributing membership, voluntary contributing membership, Shrine activities and from wills, bequests and gifts for Shriners and non-Shriners.

quarters formally organized, financed, and supported that openly serves as the fountainhead of subversion, violence and revolution, festering just 30 jet minutes away from Miami, Florida."

"Castro is now the acknowledged leader of the communist plan to subvert, destroy and take over government after government in Latin America. Red China, Soviet Russia, and revolutionaries from 85 nations were in Havana for this monstrous conference."

"The tragedy is," Price went on, "that our own United States is their ultimate target, and we refuse to do anything about it. It is still not too late to impose a stern embargo and blockade on Cuba. We must close off her supply of arms, mer, equipment and weapons before violence erupts all over Latin America. Castro can be defeated at best, or confined to his tiny island at worst, if we act in our own best interests, and at once."

**"Hank" Williams MEASURES UP**

**to the job of Deaf Smith County Judge**

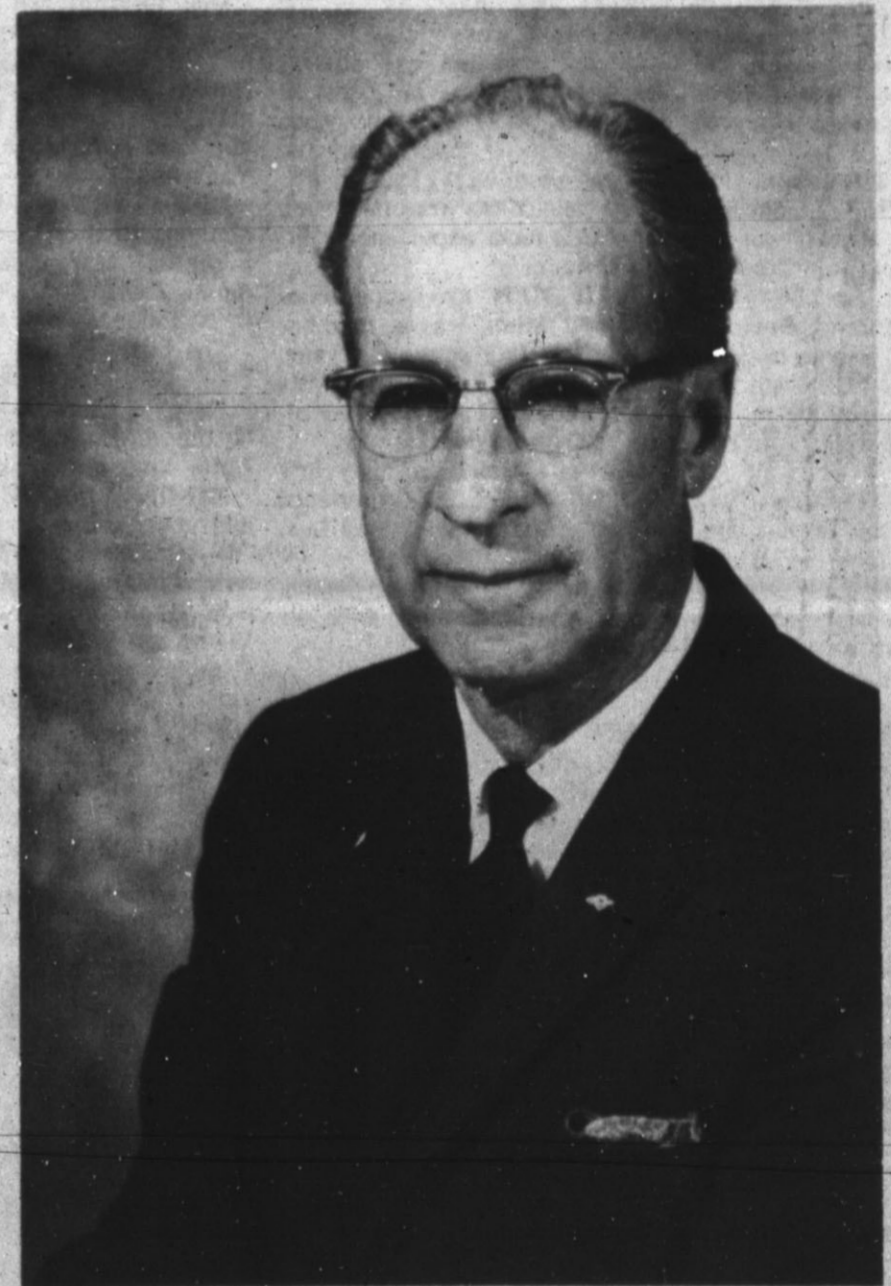

The job of County Judge is not to be taken lightly. This office must be responsible for the operation of the county, subject to the wishes of the Commissioners Court; it must handle criminal cases coming under the jurisdiction of the county court, and at last but not least, the County Judge of this county is also the juvenile court judge — a post that demands utmost care and understanding on every decision.

Judge H. C. "Hank" Williams has demonstrated his ability to handle the juvenile problems in this county. He has a remarkable record over the past five years in helping rehabilitate misguided youngsters, heading them down the road to good citizenship. Juvenile problems must be handled with firmness and with fairness to all concerned.

**JUDGE WILLIAMS** is dedicated to the task of aiding these youngsters, regardless of race, color or creed. His council is available at any time, day or night, in an effort to help. He is deeply interested in this field of endeavor.

**REGARDLESS** of this interest however, he does not neglect the other duties of the office. He is interested in furthering good governmental practices as pertaining to Deaf Smith County.

**JUDGE WILLIAMS** is a successful farmer and business man. His interest in the post of Deaf Smith County Judge comes from a genuine desire to help fight the juvenile delinquency problems of this county, and to serve the citizens of a county that has been kind to him.

**BEAUTIFICATION COMMITTEE TUESDAY Chamber Ag Group To Hear Weight Service Representative**

Two committees of the Deaf Smith County Chamber of Commerce have meetings slated this week.

Meeting Tuesday at noon at the Hereford Country Club will be the Beautification Committee, where subcommittees will report on a number of topics.

A 6:30 a. m. breakfast meeting for agriculture committee members in the Caison House will offer discussion of possible wide interest, and is open to the general public.

Capt. J. L. Miller of the li-

cense and weight service of the Department of Public Safety will discuss the enforcement problem concerning trucks hauling produce from the fields.

The agriculture committee has discussed the matter in the past, agreeing to attempt to see what might be done to curtail delayment of overweight trucks stopped by weight inspectors.

Committee chairman Bill Gentry said that anyone interested in the topic is invited to be on hand for the meeting to hear the official speak.

**Coop...**

(Continued from Page 1) presented the speeches describing the value of rural electrification which won them the trip they are due to take to the nation's capital this summer.

**DIRECTORS** were elected to replace the late Mr. A. T. Frye of Dawn, who died recently after 11 years of service on the board; and Joe Birkenfeld of Castro County, who has served on the board since 1945. Birkenfeld's name was withdrawn from the ballot for re-election by family request because of illness.

Highlight of the day was presentation of plaques honoring past directors of the cooperative.

**IN REPORT** to members, Leo Forrest, manager of the cooperative, congratulated board members for "a superior job of operating the cooperative," pointing out that patronage returns issued Thursday were made possible only by efficient and far-sighted management.

He pointed out that the local coop has higher overhead than many similar cooperatives per nation, with meters averaging 1195 meters per mile, as compared to the national average of 3.5 meters per mile of line.

But exceptionally high consumer consumption makes the local cooperative successful, "with only 20 percent of the cooperatives in the nation on a par with us in debt payment ratings."

**HOWEVER**, Forrest pointed out, electric cooperatives continue to receive criticism "from those who would take what we have away from us."

"We must always fight for what we've got. Our area has prospered because we have prospered," he commented.

He pointed out that electrical cooperatives across the nation are attempting to establish a bank for cooperatives, in order to provide permanent financing arrangements to meet growing financial needs.

"You will hear much criticism about this proposal, too, I am sure," Forrest said. "But remember, this facility is a must for the people like yourselves throughout our nation."

**Legion...**

(Continued from Page 1) District Legion officers are Hanna, president; Mrs. Sam Williams of Friona, vice president; Mrs. R. C. Giesecke of Mador, Chaplain; and Mrs. Jack Flynt of Dimmitt, Parliamentarian.

Mr. and Mrs. Ira Ott, Cecil Wilkins, and Mrs. W. J. Gilliland are co-chairmen for the convention.

Other convention highlights have included a dance and bingo party following last night's banquet, and a tour by bus of the Hereford area earlier Saturday.

Commander of the Hereford Post No. 192 of the American Legion is LeRoy Williamson. Mrs. Bill Gilliland is president of the local Auxiliary.

**BSP GIRLS OF YEAR** — At the annual Founders Day banquet of Hereford Beta Sigma Phi Chapters, a special event was presentation of trophies to members chosen by each chapter's vote for its most outstanding member. Mrs. Howard Gore, left, is receiving the award from Mrs. Harold Beauchamp of Xi Epsilon Alpha Chapter, while Mrs. John Gilliland presents the trophy from Kappa Iota Chapter to Mrs. Jack Straw. Presentations were made by last

year's winners in the respective chapters. The two chapters held the banquet together in the Caison house commemorating the founding of the now-international society 35 years ago in Kansas City. In traditional ceremonies, histories of the two local chapters were reviewed and new spring pledges were welcomed. Mrs. Irving Alexander, BSP City Council president, was toastmaster.

### WTSU Plans Help For Palo Duro Theater

**CANYON** — A plan of cooperation in the production of "Texas," the musical drama which will play this summer in the Pioneer Amphitheatre in the Palo Duro Canyon State Park, has been announced at West Texas State University and the Texas Panhandle Heritage Foundation.

The university departments of speech and music will assist in the production through using "Texas" as laboratory work for university students, WTSU President James P. Cornette said. Branding Iron Theatre Director William A. Moore, and the university's technical director, Erin Wertemberger, will direct the foundation's production of Paul Green's historical pageant.

Many members of the cast of "Texas" may enroll for one or more semester hours' credit in the university for their work in the Canyon production through the speech department's summer offerings. The music department will assist in recording musical selections for "Texas" as part of instruction for many of its students.

Mrs. Ples Harper, president of the Texas Panhandle Heritage Foundation, said that Moore, Dr. Crannell Tolliver, head of the WTSU speech department, and Dr. John Green, music department head, are all ex-officio members of the foundation board, "to assist in the cooperative effort." She said she "hopes that additional departments of instruction at WTSU may join in the program in the future."

**ABANDONED CARS**  
KEY WEST, Fla. (AP) — The island city of Key West has solved the problem of what to do with abandoned automobiles it clears off the streets. It chains the car bodies to-

gether and dumps them in the ocean to form artificial reefs which soon become prime fishing spots. Fish seem to be more attracted to the old cars than to natural reefs. Key West is at the end of the Overseas Highway some 60 miles from the nearest point on the Florida mainland.

### Area Farmers Invited To Beef Raising Program

On-the-farm cattle feeding — and how to best profit by it — will be the topic of a meeting here Tuesday.

Sponsored by the Deaf Smith County Program Building Committee, the program will feature two Texas Extension Service officials.

The meeting will be held at 8 p. m. in the Community Center.

L. A. Maddox Jr., animal husbandman, and Dr. C. M. Patterson, veterinarian, will be the featured speakers.

The program will be in two parts.

Herd management and the use of the drylot cow-calf program on farms will be the first topic to be discussed.

General health of the beef herd with special emphasis on sterility and fertility will conclude the session.

A spectacular stone arch in Arizona has been named for the late Dr. William E. Wraether, director of the United States Geological Survey from 1943 to 1956.

### Bands . . .

(Continued from Page 1)  
measure of "Crown Imperial" march and held listeners at rigid attention through "Fantasia in G Major" and "Symphony No. 5 Finale."

JUDGES WERE likewise impressed, according to the following comments on their traditionally critical tally sheets:

Said Harry Haines of Norman (Okla.) High School: "What a pleasure to hear you people play — really fine. . . in a word, it's terrific. . . compares very favorably with Oklahoma All-State Band. . . you look and sound like a professional symphony orchestra. . . surely the best AAA band in Texas."

Eldon Jansen of Irving High School: "What a pleasant break from a difficult day of judging! I hope you will forgive my not writing detailed criticisms of the performance, but after the first measure in the march I felt things would go quite well for you so I devoted my full attention to enjoying the band. Yours is truly a superior group . . . you reflect countless hours of hard work and obvious superior leadership. . ."

Bruce Taylor of Alice High School: ". . . I am certain you take great pride in yourselves and Mr. Gollehon . . . the school and community are fortunate to have all of you. . . you are building yourselves a widely respected reputation and justly so. . ."

# WANT ADS

Join the smart, appreciated husbands who've discovered the modern way to do more for their families by selling the worthwhile things that aren't being used and enjoyed. Classified Ads do the job quickly, inexpensively—and, it's easy too.

First step to welcome cash for things you want and need? Check your home and make a list. Others have sold spare TV sets, bedroom suites, typewriters, cameras, baby equipment and furniture, power tools, good but outgrown clothing, musical instruments, sports equipment and dozens of other things that other families need — and watch Classified for.

After you have your list, dial EM 4-2030 . . . A competent, courteous Ad Writer will help you place a result-getting Ad.

Call today to place your ads, and take a tip from successful family Classified users: Don't lose money by storing away things you aren't using! Sell them with Classified Ads the very day you discover they have served their purpose. The newer and nicer an article is—the quicker it sells, and, of course, for a better price.

Start your plan for better living now. Make your list, and put **BRAND** Want Ads to work for you today.

# Camp Fire Girls Honored At Event

Awards for length of membership, and accomplishment in recent candy sales, were presented to Hereford Camp Fire Girls at their annual supper honoring their fathers in the Bull Barn Friday evening. Supper was served to 560 girls of Bluebird, Camp Fire and Horizon Club groups, their leaders and parents.

Seven-year membership award went to Becky Bell, Lanny Buck, Virginia Gholson, Kay Golden, Jeanne Gore and Mary Ellen Robinson, all members of Wa-can-U Horizon Club, the organization for older girls.

Their advisor, Mrs. John Gooch, received a five-year leaders' pin. So did Mrs. Carl Hollingsworth, guardian of Han Ta Camp Fire Group of junior high girls, whom she has led since they were second graders, and Mrs. Bill cargo, advisor of Tan Da Horizon Club, girls in the junior class.

**AWARD** winners in the annual candy sale which raised funds for Camp Fire activities Gooch, a Horizon Club girl, with a whopping total of 213 boxes sold. Sheila Lea was close behind with 201 boxes.

Among the younger girls of Bluebird groups, Melinda Watts was top salesman with 82 boxes and Jeanne Carnahan with 50. Mrs. Lewis Lea's group of junior high girls earned high honors with the sale of 560 boxes and Mrs. Earnest Langley's fifth grade girls were second in group sales with 547 boxes.

Recognition was given to 20 Bluebirds members who sold quotas of 20 boxes or more; 11 Camp Fire Girls in elementary grades, six in junior high and one in high school who sold 40 or more.

For the program, girls of the various ages represented in Camp Fire presented a skit, "A Day in Camp," with Kimberley Dameron as narrator, Charlie Bell acted as master of cere-

monies. Adult leaders introduced included Mmes. Jack Allen, Alvin Anstey, E. W. Cawthon, Don Davison, John McNey, Wayne Phillips, Gerald Sledge and Glenn Waits, for Bluebird groups.

Mmes. Ivan Block, Boyd Collins, Roy Grubbs, Walter Kirkland, Earnest Langley, Lloyd Newton, J. D. Pitman, William Seyfert, Frank Short and Miss Eunice Vasquez, elementary grade Camp Fire Groups.

Mmes. Bob Doughman, Carl Hollingsworth, Lewis Lea and William Dameron, junior high Camp Fire groups.

Mrs. Bill Cargo, Mrs. Vance Crume, Mrs. John Gooch, Mrs. Virgil Marsh and Mrs. Arthur Stoy, horizon clubs.

## Cancer Society To Hear Report

Results of the annual Deaf Smith County cancer crusade, held last week, will loom large in reports made by officers and committees of the local unit of the American Cancer Society at its annual meeting Tuesday in Community Center.

Officers for next year will be elected and annual reports heard in the session, which will begin at 7 p. m. All committees serving during the crusade, and those which have had year-long duties, will give reports, says Mrs. Armon Lauderback, county chairman.

Everyone who is interested in the society and in its efforts to control cancer is urged to be present, Mrs. Lauderback adds.

A film showing the progress of cancer research will be screened.

# L. B. "SCAT" RUSSELL SHOULD BE THE NEXT DEAF SMITH COUNTY JUDGE!

L. B. "SCAT" RUSSELL

We who have known Scat for years know him to be honest and capable of holding a responsible office such as this. He is an amiable person who can and will cooperate with the Commissioners Court and other Elected Officials in the operation of our county on a conservative basis. As a member of YOUR school board he has voted the conservative line, and believes in conservative government. If everyone believed in spending tax dollars just because they are in the till we would see no end to increases in our taxes. Our county should be run in the same manner — WITH CONSERVATISM.

SCAT served in World War II as a captain and returned to the teaching and coaching profession — serving in that capacity for 23 years. As a teacher and coach he has dealt with children of all ages, sexes and colors. It has been rumored that he will be too easy on the Juveniles who appear before him, but we know this not to be so. His LOVE of children is very apparent to everyone who knows him, and it is hard to conceive that he will not use the firmness necessary to redirect their lives for the good they can give to their community. However, at the same time the youth will not be condemned simply because he has been brought before him. SCAT was born and reared in Deaf Smith County. He is not completely unacquainted with the job to be done as his father served as Deaf Smith County Judge for several years.

Let's Look at STATISTICS? -- and at JUSTICE In YOUR District Court

The District Judge has advertised that he has retried only four cases in 19 years because a higher court has changed his decisions.

LET'S READ STRAIGHT FROM THE RECORD:

Since only January 1, 1960, 33 cases have been appealed from his court to the higher court in Amarillo. Fourteen of these were found wrong and were reversed, two decisions were found wrong in part, 16 were upheld, and one was reversed by the Texas Supreme Court. Less than half were found right!

In 1964, in extraordinary action, the same Amarillo court issued an order prohibiting the incumbent judge from acting contrary to the law in a Moore County case. In still another case, in Oldham County, Jan. 12, 1966, a writ of mandamus was issued requiring Judge Schultz to return three children who were ordered taken from their mother, without a case ever being filed in court!

WHAT PART OF HIS RECORD IS THE INCUMBENT JUDGE ADVERTISING?

Let's READ From the RECORD Further, About PEOPLE, NOT JUST STATISTICS

In 1963, a former DEAF SMITH COUNTY MOTHER, a school teacher, who sought divorce and custody of her five children found them taken away from her and custody given to a welfare board, without notice to the mother!

THE AMARILLO COURT OF CIVIL APPEALS RECORD READS:

"The father suggested that the children be placed in a children's home. The undisputed evidence shows that the children were well cared for, going to school, church, Sunday School and were well trained."

"There is not a line of evidence in any way to show one thing derogatory against this appellant." (the mother)

"Where there is no evidence that

the best welfare of the children will be best served by placing them with someone other than the mother, and the undisputed evidence that they are being well cared for in every way while in possession of their mother, we think that it is error to place custody in someone other than the mother.

"We are of the further opinion, and so hold, that under this record the trial court (Judge Schultz) abused his discretion and erred in placing the custody of the children in the Deaf Smith County Welfare Board instead of appellant." (the mother)

"This case is therefore reversed and ordered dismissed."

373 S.W. 2d 370 (\*Note: The parenthesis are added to clarify identity of the appellant mother and of Judge Schultz as trial judge referred to.)

THIS IS NOT AN ISOLATED CASE . . . LET'S LOOK AT THE CASE OF THE TEXAS BAPTIST CHILDREN'S HOME OF ROUND ROCK, TEXAS.

At Judge Schultz's request, three young children from Dalhart were accepted by this orphanage. The children's guardian received Social Security payments due these children through their deceased father. The guardian refused the request from the orphanage to pay a part of this Social Security to help the orphanage with the children's living expenses.

The orphanage sought in a law suit to have some payment made from this Social Security money, by the guardian. Judge Schultz threw their case out of court. The Amarillo Court of Civil Appeals reversed Judge Schultz's decision and ordered him to try the case.

The Texas Supreme Court approved the Amarillo court.

Upon the retrial, Judge Schultz

again threw this case out of court. The Amarillo Court of Civil Appeals AGAIN reversed Judge Schultz's decision and AGAIN ordered him to try the case. The Texas Supreme Court AGAIN approved the Amarillo court.

On this second trip, the Amarillo court repeated what it had said the first time, in these words FROM THE RECORD:

"... the judgment of the trial court is reversed and the cause remanded for a consideration of the reasonable amount due and of only the accumulated benefits to the credit of the estate of the minors governed by the provisions of the State laws."

(321 S.W. 2d 610; 345 S.W. 2d 339)

This case went into District Court in 1957. It FINALLY was settled in 1962, out of court, after five difficult years in Judge Schultz's court.

WHAT ABOUT THE PEOPLE IN THE "THOUSANDS OF CIVIL AND CRIMINAL CASES" WHO DID NOT HAVE THE MONEY FOR COURT EXPENSES FOR AN APPEAL? These People Became The Statistics Advertised!

VOTE TO ELECT JUDGE ARCHIE McDONALD To a First Term as District Judge Qualified by Education and Experience YOUR VOTE AND SUPPORT WILL BE APPRECIATED!

whom concerned that the appli-  
cation of R. C. GODWIN AND  
L. B. GODWIN,  
the post-office address of whom  
is Box 1826, Hereford, Texas,  
was received on the 5th day of  
November, 1965, in the office of  
the Texas Water Rights Commis-  
sion. Applicant seeks a permit  
to construct a 650 acre-foot cap-  
acity reservoir on an unnamed  
stream, tributary of a playa  
lake, and to divert therefrom  
650-acre-feet per annum for the  
irrigation of 650 acres out of a  
2240 acre tract located in the  
Capital Land Survey League No.  
408½ Abstract No. 518 Deaf  
Smith County, Texas. The ap-  
plicant also seeks authorization  
to use the impounded waters for

recreational purposes.

The centerline of the propos-  
ed dam will be located at a  
point N 79 degrees 58' 30" W.

Said application was accept-  
ed for filing by the Texas Wa-  
ter Rights Commission on the  
5th day of April, 1966, as Ap-  
plication No. 2437 and a hearing  
thereon will be held by the Tex-  
as Water Rights Commission, in  
the office of the Commission at  
Austin, Texas, on Tuesday, May  
17, 1966, beginning at two o'-  
clock p. m., at which time and  
place all parties interested may  
appear and be heard. Those op-  
posing the granting of said ap-  
plication should file written pro-  
tests with the Commission and  
the applicant at least five days  
prior to hearing date, giving  
their reasons therefor and such  
other information as is requir-  
ed by Commission Rule 305.2.  
Such hearing will be continued  
from time to time, and from  
place to place, if necessary, un-  
til such determination has been  
made relative to said applica-  
tion as the said Texas Water  
Rights Commission may deem  
right, equitable, and proper.

Given under and by virtue of  
an order of the Texas Water  
Rights Commission, at the office  
of the said Commission at Aus-

*The Sunday Brand*  
HEREFORD, TEXAS 79045, SUNDAY, MAY 1, 1966

Proclaimed by the National Federation of Music Study Clubs, the week of May 1-7 has been set aside to develop more extensive understanding and appreciation of the great art of music and to encourage more day-to-day participation in music:

Music study clubs in Hereford and Dawn have joined with affiliates throughout the nation in focusing attention on the art of music. Locally, much emphasis is placed on young people in music.

Shown on this page are a few of the hundreds of young musicians in the area:

1. Music draws much interest in local schools, as exemplified in the Hereford High School Band's "Sweepstakes" award at University Interscholastic League contest here this week. Bands in both high school and junior high are earning fast-growing reputations for excellence. The high school band is shown during its UIL concert performance Friday.

2. In between countless other interests, many area youngsters have the opportunity to learn piano. Mixed between being a second grader at Bluebonnet Elementary, playing baseball, putting numerous miles on his bike while riding around his home in the country, and doing some artwork for good measure, seven-year-old Don Fortenberry, son of Mrs. Jay Fortenberry of Route 4, Hereford, takes time out for his weekly piano lesson. Don says he's not sure he wants to keep taking lessons forever, but it's fun to learn a little about music, anyway. He's been taking lessons for the past year.

3. A seven-year music student, Martha Kate Aiken, 15, daughter of Mr. and Mrs. John Aiken of 216 North Texas, enjoys playing the organ in her home. She is a freshman at Hereford High and a member of the band, as well as her church choir. Other hobbies include photography, and she says she likes music about any way it's done.

## Local Delegates At TWFC Meet

Texas Celebrating GWFC Diamond Jubilee will be the theme for the 69th annual convention of the Texas Women's Federated Clubs to be held in Lubbock, May 18-22.

Mrs. L. H. Lookingbill Sr., president of Pioneer Study Club, will attend the pre-convention meetings on Tuesday.

Mrs. Lookingbill is third vice-president of the Top O' Texas district and incoming member of the newly-formed state committee on charities and scholarships. She is also an outgoing member of the state and district committee on community improvement.

Voting delegates who will attend the meeting from Hereford will be: Mrs. Ansel McDowell, president of the Bay View Study Club; Mrs. Guy Waiser, Summerfield Study club and Mrs. Ray Johnson, Pioneer Study club.

Mrs. Lee Curry of the Summerfield Study club will also attend the convention as one of

the Top O' Texas district Jews, who will be honored at a "Romance of Jewels" reception.

Election of officers for the 1966-68 administration will take place on Thursday, May 12, followed by the installation and reception for the newly elected officers.

A special showing will be held on Wednesday evening of the film, "And Now Miguel" produced by Robert B. Radnitz who will be the speaker at the Wednesday evening dinner.

Highlight of the Wednesday afternoon session will be the Publicity Craftsmanship workshop when a panel of outstanding newspaper women from over the state will brief the clubwomen on the most effective way to get publicity for the clubs. Moderator will be Ruby Clayton McKee of the Dallas Morning News.

Delbert Downing, lecturer and writer of Midland, whose topic will be "Our American Lega-

## Shower-Tea Fetes Bride

A shower-tea complimenting Mrs. Jerry McIntire, who before her recent marriage was Elizabeth Burrus, was held Saturday afternoon in the home of Mrs. C. T. Guseman at 305 East Fifth.

Receiving guests with Mrs. McIntire and her mother, Mrs. Glenn Burrus, were Mrs. Guseman; Mrs. Annie McIntire, the groom's mother; Mrs. Charles Cobb, his sister; Mrs. Dickie Slaughter, sister of the bride.

Arrangements of pale blue carnations and white stock were placed on the tea table and piano.

Mrs. Jimmie Jones of Lubbock provided background music for the afternoon and Mrs. Jim Monroe registered the guest. Mrs. Charles Kropff presided at the tea table during the calling hours.

Hostesses for the occasion were: Mmes. Charles Burke, Jack Gilliland, Cecil Guseman, Dan Guseman, G. V. Hall, John Hill, Clinton Jackson, F. A. Marshall, Phillip Miller, Jim Monroe, Julian Perrin, Paul Rudd, Buren Sowell, Jack Weaver, Louis H. Woodford, Buel Monroe and N. E. Taylor.

Earlier in the afternoon the hostesses honored Mrs. McIntire with a courtesy, each bringing something for her kitchen and a favorite recipe.

cy" will be guest speaker for the Wednesday luncheon and Wick Fowler of Austin, a well-known correspondent, who has recently returned from Viet Nam will give a first-hand report on the Viet Nam situation at the luncheon on Thursday.

Mrs. E. D. Pearce of Miami, Fla., first vice president of General Federation of Women's club will speak Thursday at 11 a. m. and will install the new officers that evening.

During the Wednesday afternoon session Miss Marian Ross of New York will discuss the "Movies and You." Various awards will be made at the Wednesday dinner. Mrs. Jean Smith will be in charge of the "Cotton Splendor for Action Days" show Thursday.

### BELL OF SORROW

NEW YORK — A Lutheran pastor, a Roman Catholic priest and a rabbi joined in tolling the bell of St. Mark's In-the-Bowery Episcopal Church as a symbolic gesture to mourn the dead in Viet Nam and to protest the war. The Rev. J. Michael Allen, the church's rector, said it was the first time the bell had been tolled since the assassination of President Kennedy.

RECENT BRIDE — Kathryn Elaine Flood, daughter of Mr. and Mrs. Ernest Flood and James Thomas Musser, son of Mr. and Mrs. Harvel Edgar Musser of Groom were married recently at the Church of Christ with Gene Fooks, minister, officiating. For her wedding the bride chose a green silk suit with cut-away jacket and lace covered bell shaped sleeves. She wore a matching hat and bone accessories. Her corsage was white rosebuds. She carried a linen handkerchief, which belonged to her grandmother. Mr. and Mrs. Daryl House attended the couple who are now at home at 209 Short Street in Hereford. Mrs. Musser is a 1963 graduate of Hereford High School and attended Lubbock Christian College. The groom is a graduate of Lockney High School. (Angel Photo)

## Recent Bride Honored At Shower Here

Mrs. James Thomas Musser, a recent bride, was complimented with a shower Thursday evening in the home of Mrs. Zearl Cansler.

# Miss Urbanczyk Becomes Bride Of Robert Schmucker

Wedding vows were exchanged Saturday morning by Miss Victoria Urbanczyk and Robert Schmucker in ceremonies at St. Anthony's Catholic Church. Father Alexander Beaton, S. A. officiated.

The bride is the daughter of Mrs. and Mrs. Conrad Urbanczyk and Mr. and Mrs. Alvin Schmucker are the parents of the groom.

Chosen colors of mint green and white were carried out in bouquets of white mums and gladiolas flanked by arrangements of greenery and white wedding tapers.

Miss Dianne Schmucker, sister of the groom, was maid of honor and Janet Reinart, cousin of the bride was bridesmaid. Best man was Butch Connally and groomsman was Conrad Urbanczyk Jr., brother of the bride. Gary Kriehauser and Joe Wilhelm of Hereford and Howard Schulte of Nazareth were ushers.

Ringbearers were the two young brothers of the bride and groom, Charles Schmucker and Bill Urbanczyk. Mass servers were also brothers of the couple, Harold Schmucker and Martin Urbanczyk.

The bride who was given in marriage by her father wore a formal wedding gown of silk organza and chantilly lace. The long tapered sleeves and bodice of French lace were accented with embroidery of seed pearls. Lace appliques with pearl embroidery were repeated on the semi-controlled skirt and chapel sweep train. She carried a cascade of white roses. Her shoulder length veil was complimented by a white organza rose accented with pearls. A pearl wishbone droplet and her grandmother's gold wedding band were worn by the bride.

The bridesmaids were attired

in pastel green sheaths overlaid with white lace. Their headpieces were of green organza flowers and veiling and they carried a ball arrangement of white pom-pom mums.

A dinner for friends and relatives was served in St. Anthony's hall following the ceremony.

For their wedding trip to New

Orleans Mrs. Schmucker traveled in a pastel green suit and a corsage of white roses. The couple will be at home at 109 B Union Street in Hereford. Mrs. Schmucker is a graduate of Hereford High School and attended Our Lady of the Lake in San Antonio.

The groom graduated from

Hereford High School and served four years in the Air Force before becoming associated with his father in business.

Out of town guests attended the wedding from Amarillo, Panhandle, White Deer, Pampa, Nazareth, San Antonio, Littlefield, Munday, Butler, Okla.

The mother of the bride chose a blue lace dress with matching blue accessories and a corsage of cymbidium orchids. Mrs. Schmucker wore a three piece suit in bone with aqua accessories and a cymbidium orchid corsage.

Special guests for the ceremony and dinner were the bride's grandparents, Mr. and Mrs. Felix Urbanczyk and the groom's grandmother, Mrs. Henry Schmucker of Nazareth.

## 120 TO PERFORM

### Piano Auditions Here Thursday

Approximately 120 local piano pupils are entered in the annual non-competitive piano auditions sponsored by the National Guild of Piano teachers to be held in Hereford May 4, beginning at 9 o'clock.

Thomas W. Hunt, assistant professor of piano and organ at Southwestern Baptist Theological Seminary at Fort Worth will be the adjudicator.

The private auditions will continue through May 7 from 9 to 5 daily.

SIX local teachers who will have students in the auditions this year will be: Mrs. Joe Hacker, Mrs. Francis Parker, Mrs. W. T. Thompson, Mrs. Glenn Snyder, Mrs. Ellis Coombes and Mrs. Paul Lyons. Mrs. Jack W. Rogers is the local chairman.

The event is designed to stimulate interest in fine piano playing among pupils of all types and ages.

AWARDS include certificates, diplomas, pins, medals and \$100 scholarships. It has been emphasized that the National Guild goals are attainable through measurement of individual merit,

THOMAS W. HUNT judges students

it, not competitive elimination.

Colleges and schools of music work with the Guild in maintaining high standards.

Mr. Hunt was educated at Ouachita Baptist college and received his BM in 1950 with a major in piano and minor in organ and received his M. M. in 1957 from North Texas State University with a major in theory and is working on his Ph D. with a major in musicology.

Irish poetry frequently mentions such expressions as "feast of shells" and "hall of shells." This is a reference to the large sea shell used by the ancient Irish as a drinking vessel.

## Club Plans Tours

Plans to host two tours of Hereford industries were made by members of the Deaf Smith County Home Demonstration Council when they met Monday afternoon.

A group from Armstrong county and a Fairview club group will make the tours.

There were 10 or the 12 clubs in the county represented at the meeting and four had 100 percent attendance.

Plans were made to decorate for a banquet on May 17 when the Forth Worth press awards in soil conservation will be presented.

Mrs. J. D. Gilbert Jr., reported that a short course in clothing will be offered in June. There will be six meetings, two each week during the course.

Mrs. O. L. Williams, Texas Home Demonstration association chairman for the county and Mrs. A. E. Hodges, District THDA chairman, reported plans and outlined the program for the district meeting at Dalhart on April 28. It was voted to have a salad luncheon at the Bull Barn on May 23 to hear reports from this district meeting.

Each club was reminded to send representatives to the recreation work-shop which was to be held Thursday and Friday.

## Local Woman At CDAS Meet

Mrs. W. B. Dowell of Hereford is to be installed as secretary treasurer of the Caprock Dental Assistant Society at a salad supper May 19 in Dimmitt. Installing officer will be Mrs. David Hamblen of Hereford.

Mrs. Dowell is the only Hereford member of the society, which is comprised of members of Dimmitt, Plainview, Tulla, and Floydada.

Mrs. Dowell, was in Austin last week attending the State of Texas Dental Assistant Association annual session.

The 1966 Round-Up is just beautiful. The annuals arrived in case you haven't heard. Tuesday afternoon in Pep Rally Editor Cynthia Leasure made the surprise known to the student body. School was dismissed for the rest of the day in order that students might sign them.

The Annual Staff certainly deserve a big "thank-you" on behalf of the students. The annual is the best ever, in fact I would hate to have to equal it. Most Beautiful and Most Handsome honors went to Cynthia Leasure and Gary Victor.

**TUESDAY** afternoon at the Silverton baseball game "Biggy" Mims was at the concession stand buying some refreshment. Darrell Rose of KPAN commented on "Biggy." It's a common practice to listen to the radio as you view the game. "Joey" Ferguson heard Darrell's comment and decided to see if she could get her name broadcast over the air. Several of her friends stationed themselves in the car while Joey paraded in front of the concession stand but I guess Darrell didn't see her or is it she just isn't a baseball player out with an eye injury?

Continue to support the baseball team. With one victory behind us in district play, we are bound for greater things. The team appreciates all of the support we can give them, so keep it up.

**Law Officers Slate Meeting At Boys Ranch**

Law enforcement officers from a four-state area are expected to attend the 12th annual meeting and barbeque of the United Peace Officers of America at Cal Farley's Boys Ranch, Thursday, May 12.

Registration will begin at 9 a. m. followed by a program of entertainment at 10 a. m. Several door prizes will be presented, by the UPOA Directors. Two singing groups from Pampa — "The Climbers" and "The Squeaky Door Four" — are scheduled to appear on the program. A short skit, "The Bathroom Door," will be presented by the boys of the Ranch's senior high school class. A big barbeque will be served at noon; the beebes being furnished thru the UPOA and cooked all night by their members.

The United Peace Officers of America Association was formed in 1954 to support the work of Cal Farley's Boys Ranch and took as its project the building

of a school for the boys. With the increase in the number of boys, and the resultant need for more classrooms, the officers continue their support.

All Peace Officers and their families are invited to attend. Officers of the UPOA are Sheriff Harold Wheeler of Oldham County, president; Sheriff R. C. Johnson of Hartley County, vice-president; Justice of the Peace Cliff Roberts of Potter County, secretary; and Judge Clarence Williams of Carson County, treasurer.

## Couple Wed In Phoenix

Evelyn Leigh Glover, daughter of Mrs. Ruth Glover of Phoenix and Edwin Lee Plummer, son of Mr. and Mrs. Bruce Plummer of Hereford, exchanged wedding vows Saturday at the Central Methodist Church in Phoenix.

Mr. Plummer graduated from Hereford High school and Texas Tech and is a certified public accountant in Phoenix, Ariz.

Mr. and Mrs. Ben R. Plummer attended the wedding from Hereford.

## Sims Studycraft Club Sees Ideas

Two programs were presented at the meeting of the Sims Study Craft Club Wednesday, when the group met in the home of Mrs. Robert Lloyd.

Mrs. Jim Perrin presented the first program on making paper mache pins to be worn on summer fashions. In addition to giving the women several patterns to use she also showed several styles of the finished product.

The Sunday Brand, Hereford, Texas, Sunday, May 1, 1966

Mrs. J. E. Williams of Kress, former Sims resident, demonstrated decupage to the group for the second program of the day. Decupage is antiquing an object, cutting out pictures from a magazine and putting on it, and varnishing it until it this finish appears to have been on it for years. The next meeting will be with Mrs. Allan Ehrhman on May 4.

Those attending were: Mmes. Jim Perrin, Julian Perrin, Roscoe Pinnell, Robert Lloyd, Emmett Young, Leland Burns, Lewis West, Bill West, J. M. Booth, Allan Ehrhman, J. E.

William, Helen Cavin, a special guest, Mrs. Keith Kromer of Adrian.

## LOST SOME POPULARITY

WICHITA, Kan. (AP) — Guy Goodwin, assistant U. S. attorney here, thought to encourage his newspaper boy by writing a long, enthusiastic letter nominating the youngster in a newsboy popularity contest here.

"I don't know what happened," Goodwin said later, "But he missed our house with the next three editions."

## Three Grand Chapter Officers Visit OES

Three officers of the Grand Chapter of Texas Order of Eastern Star were special guests at the annual Friendship Night dinner of the Hereford Chapter 312 Thursday night.

Mrs. Janie Sims of Petersburg, Deputy Grand Matron District 2, Section 3; Lois Lowe, Amarillo, Deputy Grand Matron, District 2, Section 2 and Victor Jones, Amarillo, transportation and mileage committee joined about 100 out-of-town guests at the affair.

Twelve chapters from around the area were represented including Dimmitt, Friona, Plainview, Bovina, Amarillo, A. E. Shirley, Amarillo; Vega, Olton, Muleshoe, Earth, Happy and Petersburg.

Teresita Parba Hereford High School exchange student from the Philippines told about her home and showed the group some of the native dances of her country. During the first part of the program a vocal group, the Windjammers, made up of Margaret Adams, Shelly Rush, Charlotte Hill, Gwen Cargo, Pam Winget, Kandis Hill and Jean Roberson, sang several numbers.

Mrs. Marvin Coffey, Worthy Grand Matron, presided over the dinner.

Mrs. Tom Draper was program chairman and the decoration committee was Mrs. J. B. Noland and Mrs. B. E. Roberson. Mrs. Marple Cline and Mrs. C. P. Worthan were the social committee.

Tulips, lilacs and miniature pastel umbrellas were used to decorate the tables for the dinner. Other spring blossoms were placed throughout the rooms.

## La Madre Mia Club Completes First Aid Study

The last lesson and test for the Red Cross First Aid course was held this week by the La Madre Mia Study club.

John Gilliland demonstrated bandages and artificial respiration before giving the group a test over the entire course.

During a brief business meeting it was decided to have a rummage sale on May 21.

The next meeting will be election of officers and a salad supper on May 12.

Those attending were: Mmes. Herschel Black, Charles Frye, Bill Lankford, Gerald Martin, Bobby Owen, W. C. Russell, John Smith, Harvey Penner, Ray Don King, Bill Nelson, Don Taylor.

## Guild Members Host Husbands At Card Party

Members of St. Anthony's Guild entertained their husbands with a progressive card party at their regular meeting this week.

Mrs. George Turrentine, Mrs. Jimmie Jesko and Mrs. Sylvester Loerwald were in charge of the games.

Prizes for high score went to Mrs. Walter Lueb and for low score to Mrs. Ray Wilhelm.

Refreshments were served to approximately 42 members and their husbands by the hostesses Mmes. G. W. Hund, Lewis Dupnik, Norbet Skypala, and Joe Reinauer.

The next meeting of the group will be election of officers on May 26 at 8 at St. Anthony's school.

VISITS LOCAL FARMERS — These Farmers Union officials held a breakfast meeting prior to visiting with a number of farmers in Deaf Smith County.

VISITS AREA FARMERS

FU Officials Meet With State Prexy

Jay I. Naman, president of the Texas Farmers Union and member of the executive board of the National Farmers Union, was present at a breakfast with officers and directors of the

Deaf Smith County Farmers Union Wednesday. AFTER THE breakfast, Naman spent the day visiting with farmers over the county discussing the problems which affect agriculture in this area.

Jobs for the Jobless

Rural Electricity

Although fewer than one-third of this nation's population lives in rural areas, more than half the nation's poor lives there. Consumer-owned rural electric systems such as ours have helped to create new industries across the country which have already resulted in more than 125,000 new jobs for rural people.

DEAF SMITH COUNTY ELECTRIC COOPERATIVE, INC.

Naman said that he enjoyed visiting with the "grass-roots" farmers and gaining information as to their needs and viewpoints on how they may be solved in a manner that would benefit farmers as a whole. He added that he believes that when the farm economy is good the business on "Main Street" is good and the consumer enjoys a better standard of living.

THURSDAY NAMAN visited the Castro County farmers and Thursday he traveled to Parmer where he visited with farmers there.

Friday evening he attended the Crosby County Farmers Union 10th Anniversary Banquet along with Leo Witkowski, Deaf Smith County Farmers Union president and Mrs. Witkowski; Mr. and Mrs. Jay Boston and Mr. and Mrs. Andrew Kershen.

Troy Dechant, newly elected president of the National Farmers Union, with headquarters in Denver, was the principal speaker for the banquet.

Phil Ortega won seven games for the 1964 Los Angeles Dodgers but won 12 for the 1965 Washington Senators.

2nd Debut for Mother

Since She Had Her Face Lifted at Home Without Surgery

2ND DEBUT with CEF is for women of all ages. It helps nature prevent and eliminate tattle-tale lines and wrinkles. Its marvelous benefits are gradual, subtle and lasting.

CEF, the remarkable biological ingredient in 2ND DEBUT, works beneath the surface of the skin, bringing countless tiny droplets of natural moisture to replace those time and the elements have taken away.

As the moisture accumulates, it pushes lines and wrinkles upward and out. The skin's moisture balance is restored. Signs of aging are smoothed away and the face is "lifted" naturally and without surgery.

2ND DEBUT is formulated with CEF-600 for normal skin care, and with CEF 1200 "double potency." So, start using 2ND DEBUT today.

Who can remember a washboard? We noticed an article in the paper the other day about washboards with the comment that very few people today know what one is. We are confident there are lots of women around this community today who not only know what one was, but who have vivid memories of using one. We can remember watching mother use a washboard when we were a kid, and it sure looked like work. And it's a wonder that clothes lasted as long as they did under the rubbing and pounding they received on the washboard. Maybe that's why fabrics were heavier and styles less frivolous in the old days.

The huge inboard motor performed perfectly in test runs shortly after the launching ceremony for the new boat.

This one is on Father Desedrius Frey: A Catholic couple came to him about baptizing their infant. "Think of the future that lies before this child," he said. "He may become a priest like myself or perhaps a gallant airman or sea captain. Who knows — he may even become President! Think of the joy that will be yours guarding him and watching his career. Lake Meredith struck magic again Saturday and Sunday as almost 17,000 people visited the Texas Panhandle's newest lake — the third week in a row that attendance has topped 16,000.

Actual totals recorded by the National Park Service show 16,818 people with 4,804 vehicles and 350 boats at the lake during the weekend.

Fishing both days was poor, accounting for the attendance drop from the April 9-10 and 6-17 weekends when about 20,000 persons were counted on each occasion.

## THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his bindweed farm explains some facts of life to a big outfit this week.

Dear editor:

According to a copy of the Wall Street Journal which a well-to-do friend of mine in town handed to me the other day to indicate the conversation was over, which I figured was a fair swap, the New York Stock Exchange has threatened to move out of New York City because the new mayor wants to raise its taxes.

As a result, lots of other areas are bidding for the Exchange, but I wish to announce I have no place for it out here on this bindweed grass farm, and I'll tell you why.

It's not that I have any objections to the Exchange, as far as I know it's a fine outfit, but its members seem to know more about stocks than taxes.

I don't understand a bunch of men capable of handling millions of dollars worth of stocks every day not knowing that trying to flee from higher taxes in the 20th century is as hopeless as trying to make water stand uphill at an angle.

It's all right with me if the Exchange wants to move out of New York, but if it thinks it can leave any of its present or future taxes behind, it's headed for a crash. Don't the members know that taxes can go where even paved roads don't?

You let the Exchange move out here and it wouldn't be two weeks before I'd get a letter saying my taxes ought to go up on account of me being benefited by the proximity of the thing. As for the Exchange itself, what makes it think one part of the country is any less tax-hungry than the rest? It could escape maybe for a short while, but they'd overtake it before long. Business is like an iceberg, only a small part of it is ever allowed to stay above the tax line.

Taken as a whole, I guess the world is the tax-hungriest it has ever been in history and I would have figured the Stock Exchange would have known this.

You can't escape, gentlemen, even if you put it in a house trailer and keep moving it around. All you'd be doing is adding the gasoline tax to the rest.

Yours faithfully,  
J. A.

## Do-Gooders Ask House For Consumer Agency

By BERT MILLS

Washington, D. C. — Professional do-gooders are agitating once more for the establishment of a Department of Consumers so that all Americans can be represented at the Cabinet level. A House subcommittee held a hearing on the proposal recently.

Politicians love the consumer and their ardor increases in dir-

ect relation to the nearness of the next election. One of the late President John F. Kennedy's campaign promises was that he would be the "lobbyist for consumers."

One of President Lyndon B. Johnson's first acts after reaching the White House was to appoint a political associate, Mrs. Esther Peterson, to his staff as Special Assistant for Consumer Affairs. It is a fair guess that

the thought crossed President Johnson's mind that her activity might be useful in cornering votes of housewives.

LEADERS of the consumer movement were delighted with Mrs. Peterson's appointment and have only praise for her performance. But they are still not satisfied and have renewed their campaign for a Cabinet-level Department of Consumers. Some liberals in Congress are all for the idea, although the President has not endorsed the proposal. He did say back in 1964: "For far too long, the consumer has had too little voice and too little weight in government."

Six years ago, when Congress was also considering legislation to establish a Department of Consumers and when Hubert Humphrey was a Senator, he testified in favor of Cabinet representation for consumers. He said: "Somebody needs to speak up for the great multitude of American people who are not organized into a consumers' interest group."

33 Agencies Now

One of the arguments for a Department of Consumers is that there are already at least 33 agencies and departments which represent the consumer. Few would disappear even if merged into a new DOC. Agencies and activities seldom vanish from the Federal scene.

If 33 or more agencies are already engaged in some form of consumer protection, why is a new department necessary? Proponents say they need a spokesman to represent them at all levels of government. For example, a Secretary of Consumers might appear as a witness at a Congressional hearing to explain the probable effect of a bill on the public generally.

OPPONENTS charge such representation is hardly necessary. After all, Federal officials who testify at such hearings now are supposed to represent the public interest, as of course are members of Congress. There is usually ample opportunity for an opposing view to be expressed.

The late Senator Estes Kefauver (D. Tenn.) made a career out of baiting business and speaking up for the "little man." He was the original father of the bill to establish a Department of Consumers. At one time he had about one-fifth of the Senate as co-sponsors.

## Hereford Riders Host Cutting Horse Contest

Although there is no official Cutting Horse Association in Hereford, the local Rider's Club is sponsoring the first official Cutting Horse Contest in Hereford Saturday night at the Rider's Club arena beginning at 8 p.m.

Frank J. Bezner this week authorized The Brand to announce his candidacy for the office of Commissioner of Precinct 1, subject to action of the Democratic Primary. Members of the Hereford Zoning Commission Monday night approved re-zoning of the W. W. Buck property on Park Avenue.

Hereford High School's mixed choir was awarded the Sweepstakes prize for the second consecutive time April 18 at the annual Region XI Interscholastic League vocal music contest in Canyon. The 60 members of the choir received a division I in both concert and sightreading.

Two burglaries over the weekend netted thieves an estimated \$300 in merchandise. The Morton food warehouse, and the Alfred warehouse were the two buildings hit.

Deaf Smith County commissioners had a busy day Monday starting with letting of a new bridge in Precinct 3, approval of plans for the proposed hospital wing and settlement of losses on the recent Bull Barn fire.

Police officials attending the traffic law enforcement school which is now in its final week will learn today how to file felony cases and traffic accidents.

Plaques awarded by the Hereford State Bank will be presented to Don Guseman and Pete Plank at the Lions Club meeting May 9, in recognition of their first place win in the annual soil judging contest sponsored by the Soil Conservation Service.

Approximately 20 Deaf Smith County voters this year find themselves in the position of living in one precinct but voting in another, due to Precinct changes in the county.

Funeral services for Charles Walter Coffman, Deaf Smith County farmer, were held Tuesday at 2:30 p.m. at the First Baptist Church with the Rev. Howard Scott officiating. Interment was in West Park Cemetery.

## World's Finest Generation

The much decorated three-war combatant Lt. Col. John C. Hughes recently made a talk in Amarillo in which he reviewed in detail conditions surrounding our war in Viet Nam. The colonel, who probably has as much first hand information about the conflict as any man in the world, was optimistic over the outcome. He predicted victory for this country; he also expressed his belief that the war was necessary.

The striking thing to us concerning Col. Hughes' conclusions centers around the fact that he attributes ultimate victory primarily to the quality of present day American youth. His first-hand impression of the modern U. S. soldier is that of a near superman, when compared with the soldiers we placed on the field in World War II and in Korea. He mentioned other factors, of course, but this particular phase was the one which he gave primary emphasis.

How many of us have actually realized that our offspring has come so far in such a short time? When we pay our taxes each year we have noted the tremendous jump in education and school costs. What's

more, we all know that these costs will continue to soar in years to come.

Such a report, especially coming from a down-to-earth man of Col. Hughes caliber, affords proof that we really are making a sound investment in this phase of American life, 1966 style. If our young men have shown this much progress, it also figures that our young women are likewise far, far out in front of their mothers and grandmothers.

Col. Hughes provides the most heartening report the American people ever had. It far outdistances the scattered few "draft card burners" and the "freedom marchers" who, due to the nature of their activities, have received so much publicity. Furthermore, if we will personally take the time to recall some of the young men which this community has produced in the past 10 years it is difficult to isolate even one who has gone in for the beatnik approach to life which is too often the manner in which many of the older generation sum up the youngsters of today.

All of us profess a belief in education and progress. Many of us have even fought for it on the battlefields, and have made sacrifices in order that our children might benefit from its advantages. Education, whether we realize it or not, is a fundamental part of our American way of life. Unwittingly, even blindly, we have dedicated the future of our country to freedom, education and the rights of the individual. Now those chickens are coming home to roost — and we are happy indeed to realize that we have one of the finest flocks in the history of mankind.

Sometimes it takes an outsider to bring home full appreciation of the things we really have; to us, this was the case with Col. Hughes, an old field veteran who pulls no punches, and who doesn't seem to worry a lot about where the chips fall.

Lo, these many years, older generations have consistently, tongue-in-cheek, told the high school graduates: "The world is your oyster", then at every turn predicted that the new generation was "going to the dogs."

Col. Hughes brought us another story. He says we will win the war and the world, because our kids are smarter, more energetic and because they retain an overwhelming urge to continue living as free men and free women. This is good. The future belongs to them more than to any one else; at the same time, we can be proud to have sired and reared the world's finest generation of free Americans.

## Bureacrats Have Met Their Match

Finally, it seems—the bureaucrats have met their match. It all came about when they decided to convince the average housewife that food prices are coming down, instead of going up, and if we know anything about housewives we think we know how this one will turn out.

Secretary of Agriculture Orville Freeman says there is really no problem, that the housewife is just imagining things. Then along comes Economist Gardner Ackley who calmly points out that the gal wouldn't know inflation — even if she saw it. Meanwhile, the housewife marches down the aisle of the supermarket every day and finds several thousand prices which just don't pan out with all these high-pressure arguments.

Probably because the lowly housewife does not have the benefit of government reports and fancy statistics, she is too often influenced by the fact that a can of this went up 4¢ or a package of that used to be 12¢ and now costs 17¢. Finally, by the end of the week — despite a possible salary raise or two for hubby — the family winds up eating spaghetti instead of hamburger. These things cause her to wonder once in a while about the lip service she is getting from the bureaucrats.

Just to show how unreasonable housewives can be, we heard one comment the other day that the "government people" probably are better off because her family is paying them more dollars in taxes than last year — one out of every 5 dollars in the land are spent by the government. "So why shouldn't the bureaucrats be doing better?" she asks. Unreasonable, of course, but this is the way she sees things.

Another unreasonable housewife we know was quick to point out that the government has another advantage; when she runs out of money she has to quit spending, but the government keeps on and on. Being a woman, she just cannot grasp the fact that this has no effect whatever on the question of inflation.

Yes, housewives are oddballs, as any husband will affirm. All of us know that we have no inflation. We know that prices are going down, because the bureaucrats told us so, but convincing the housewife is another story. Fact is, we doubt if the bureaucrats will ever fully accomplish this particular goal.

## Starch Plant Is Boost To Area

Announcement was made this week of a \$20-million Wet Grain Sorghum Milling Plant to be located in Dimmitt. This news is probably the best to come our way since location of the Holly Sugar plant in Hereford.

While Dimmitt stands to benefit tremendously from an industrial standpoint, the entire Golden Triangle area will draw even greater benefits in establishment of a market for the No. 1 crop of the section. Expansion of grain sorghum into the fields of starch, grain sorghum sugars, dextrose, grain sorghum oil, gluten feeds and numerous other manufactured items and by-products is an important step which should mean much to the Golden Triangle area. Preliminary estimates indicate that the plant will consume grain sorghum production from 400,000 acres, all of which should be produced in the immediate territory.

New uses for grain sorghum will do more than anything else to establish a firm price for the product. Proximity to the starch plant, in addition, will give producers in this area a freight advantage over other locations in the nation. When and if the farm programs are ever lessened or eliminated, the grain sorghum producer will be proud indeed of the Castro County installation.

Dimmitt Wheat Growers, who are sponsoring the project in cooperation with United Starch, one of the world's largest, probably realize the possibilities of the plant more than any other segment of people. The owners, some 700 farmers and grain sorghum growers, voted unanimously to go into the \$20 million project. While their vision is to be complimented, their willingness to invest their money and their efforts in expansion and progress is typical of the "American Way" which has brought this country so far during the past five generations.

In behalf of the producers in the territory, The Brand is proud of the accomplishment. Although the plant is located in Dimmitt, it will serve a vast irrigated empire and, like other communities within its radius, it will definitely contribute much to our future economy and prosperity.

REP. ROGERS REPORTS

**Congressman Terms Hearing On Auto Safety 'Crucial'**

Congressman Walter Rogers said Saturday the current House committee hearing into automobile and traffic safety is "one of the most crucial issues facing resolution in this Session of Congress." The hearing is being conducted by the House Committee on Interstate and Foreign Commerce, of which Congressman Rogers is ranking majority member.

Having received testimony last week from automobile manufacturers, the committee this week is scheduled to hear, among other witnesses, auto industry critic Ralph Nader as it sifts a volume of proposals aimed at reducing highway death and injury. Approximately 60 bills are before Congress on the question, Congressman Rogers said.

"THIS MATTER is one in which every American citizen has a direct stake," Congressman Rogers said. "Nearly all of us either drive or ride in motor vehicles. In addition, millions of Americans earn their livelihoods in industries and vocations allied with automobiles and automotive transportation. Determining the course of action that will best serve the public interest is indeed a challenge for the Congress. It is also a responsibility for the Congress that the matter must be kept under the surveillance of congress and not delegated to other branches of the government not answerable to the electorate, Congressman Rogers said.

LEGISLATIVE matters coming before the House of Representatives during the week include a bill authorizing activities of the National Aeronautics

and Space Administration NASA in the coming fiscal year; a measure providing appropriation for the Department of Labor and the Department of Health, Education and Welfare; the Participation Sales Act of 1966; and a measure to amend the Taft-Hartley Act to permit picketing at construction sites.

In other committee activity, meetings are scheduled of the House Committee on Interior and Insular Affairs, on which Congressman Rogers serves. The Congressman plans to attend a reception scheduled Monday by managers of Texas chambers of commerce for members of the Texas delegation in Congress.

**Services Held In Oklahoma For Jack Daniel**

Funeral services for Jack M. Daniel were held Thursday in Oklahoma City where Mr. Daniel died following a heart attack on Saturday.

Aunts, Mrs. A. G. Bell and Mrs. W. H. Russell, and a cousin, R. A. Daniel, attended the funeral services. Mr. Daniel was the son of the late Mr. and Mrs. Maple Daniel, former Hereford residents, and was a frequent Hereford visitor.

An automobile propelled by a fuel cell would eliminate the noise and exhaust of the internal combustion engine and produce a city without smog and motor noise.

nate today is Senator Phillip Hart (D., Mich.), who fills Kefauver's old role as Chairman of the Senate Antitrust Committee. Hart is the sponsor of the controversial packaging bill, which professional consumers love and businessmen hate. Hart supported a Department of Consumers in a statement submitted at the recent House hearings. He argued that the regulatory agencies, like the Federal Power Commission and the Interstate Commerce Commission, have become umpires between contending groups of producers — with consumers out in left field. Hart complained that too often what happens "is that complaints of opposing managers are trumpeted in each of the empire's ears while the roar of the crowd protesting the delay of the game goes unheard."

**Public Demand Missing**  
So far, a broad public demand for a Department of Consumers has yet to be heard. The supporters are professional consumers — heads of groups already organized in what is loosely called "the consumer movement. Only a fraction of the public belongs to any of these groups. Most people probably are unrepresented in Washington by other than their elected office-holders. And that is why the prospect is that the pending legislation will be pigeon-holed again.

The primary elections are only a week away, and up in this neck-of-the-woods, little interest has been generated. In spite of the fact that we have a contested race for District Judge, County Judge and Justice of the Peace. The apparent apathy of the voters has some candidates disturbed.

District Judge Harry Schultz, the incumbent, is battling it out with Archie McDonald of Moore County for that post and there has been more action locally in this one race than in any of the others. Both McDonald and Schultz have campaigned vigorously in this county.

Incumbent County Judge H. C. "Hank" Williams is facing a formidable candidate in former Hereford High School Principal L. B. Russell. This is Russell's first political race. He is a member of the school board but we normally don't include school boards in the "political" category. It is a non-paying position and political parties are not generally considered.

Williams is running for a second full term.

On the JP level, Judge Berry Miles, the incumbent, is facing two opponents. Charlie So-well, former commissioner, and Ernest Wade are both seeking the post now held by the Judge. This one will probably culminate in a run-off election.

On the state level, the hot race seems to be the one for Attorney General, with Crawford Martin as the apparent leader of the field. Both Martin and Galloway Calhoun of Tyler are conservative candidates, but Martin, who is now Secretary of State, has the endorsement of Governor John Connally and has been endorsed by more than 70 newspapers over the state of Texas. He appears to be the most qualified for the position. The third candidate for the post is Senator Franklin Spears. Some political analysts figure that Crawford Martin will win this race without a run-off since he has the support of Governor Connally.

Albert Lamb of the Westway Community has this political

### Kiwanians Host Wives In Special Ladies Night

Members of the Hereford Kiwanis Club were hosts to their wives in their annual ladies night meeting at the Red Rooster Cafe Thursday evening.

THE LADIES night is a regular meeting of the Kiwanis with the wives attending. The regular business and program are carried out by the Kiwanians.

Gene Campbell, president of the club presided over the business session of the meeting and then all Kiwanians introduced their wives and guests.

Invocation for the meeting was given by the Rev. Gene Naugle and then the group sang a num-

ber of songs. FOLLOWING THE meal the nearly 50 persons were entertained by the Windjammers, a singing group from Hereford High School.

The group is comprised by Shelly Rush, Margaret Adams, Gwen Cargo, Pam Winget, Charlotte Hill, Jean Roberson and

Kandis Hill. Woody McDermitt was the committee chairman for the entertainment and Don Henslee was the committee chairman for the arrangements for the ladies night event.

Ladies night is one of the many special events for Kiwanians during the year.

### Dear Friends of Deaf Smith

County:

The duties of my office keep me from seeing each of you personally as this office has grown from gross paid to the County in 1955 of less than \$9,000.00 to fines and costs paid to the County in 1965 of more than \$46,000.00. So I take this means as a solicitation for your vote. I am running on my past record — no promises. I have tried to be fair, honest, impartial and courteous, and I have tried to enforce the law of this state and the United States as I swore to do when I took office. The experience of the last 10 years makes me qualified, so on May 7, 1966, I hope that you will cast your vote for me as your Justice of the Peace of Deaf Smith County.

JUSTICE OF THE PEACE

For Deaf Smith County

There will be an open house this Sunday at the Bravo plant from 3 to 6 p. m.

Bravo has added quite a bit of new, modern equipment and would like to take this opportunity to show it off. Drop by. You'll enjoy the tour. Not only has Bravo added a pretty hefty payroll to our economy; they have also brought more publicity to the little town of Hereford, Texas than any other one thing — including the "Town Without a Toothache" bit.

Incidentally, they tell us that Bravo's are now being distributed at certain localities in the East through a large drug concern. If our information is correct, the initial order exceeded \$18,000. Things are looking good in BRAVO County.

Rev. Eugene Naugle dropped by Saturday morning to point out the fact that the voters up at Sanford really turn-out for their elections. If we could tally-up the same percentages, we'd really be going great.

The people recently voted to remain an incorporated town by a 75-29 margin. But the thing that is remarkable is that 104

of 111 eligible voters turned out to cast their ballots. You mathematicians can figure the percentages there, but we can eye-ball it and tell that it's pretty high.

Deaf Smith Chamber of Commerce manager Bill Thompson tells us that a portion of the Blanton Survey has created some worry with a few people, particularly in the real estate circles.

The survey lists the assessed property valuations of the county rather than the actual value. This is all fine except that it does not properly explain the situation, and many people have believed it to be the actual property valuation of the county. The taxable valuation is figured on a percentage of the real value, and we believe, in the case of the county, the taxable valuation would be 22 percent of the real value.

Perhaps this information will be of some interest to some of you in the future.

Said the father to his son: "I'm sick and tired of arguing with you over borrowing the car. The next time I want it, I'm just going to take it!"

### STUDENT AUDIENCE COSTS THE THEATER

NEW YORK — Winning new fans can be an expensive proposition, the National Repertory Theater finds.

Winding up a 21-week touring season, the company reported a deficit of \$395,000 on an operating budget of \$970,700.

Michael Dewell, co-producer of the operation, pointing out to such projects must always have subsidy, said that school students admitted at cut rates each cost the project \$2.10 for teaching material and after-performance seminars. During the season student admissions reached \$2,000, a new high for the group.

**STORY HAS HAPPY ENDING**

**Kandy, The Dog, Completes Year At Northwest School**

(Editor's Note: Following is a letter describing the end of a story carried some months ago in the Brand concerning a stray dog adopted by fourth grade students at Northwest school.)

To the Hereford Brand and its readers:

Kandy's life at school is coming to an end. We are all sorry because we have all loved her very dearly.

**UCCW May Day Luncheon Set**

When she was first adopted, she would eat anything but later she became more particular. Some days she would eat hard-ly anything she was offered.

Then on March 17, we all had the thrill of our lives. Kandy had three bouncing baby boys. After a few days, they seemed to grow like weeds and run and play. We all grow to love them dearly. Their little cardboard box was turned facing the glass front of the hall so everyone could see them run and play. Someone was standing there admiring them so very much of the time. The pups grew and were loved very much by old and young. Every morning and evening some 15 or 20 of us would gather around and take turn loving the babies.

During the Easter Holidays, some very kind-hearted boys made a mansion of a house for

Kandy, who had been living in a cardboard box until then.

When the pups were about five weeks old, they were given to their masters, James Aiken, Mike Morrison, and Mrs. Miller.

All the fourth grades had exciting moments in school and will always remember Kandy, the dog, that was once a stray. Kandy, the mother, is going to have a home with Mrs. Morris. The Fourth Grade

**ONE MINUTE, PLEASE**

THE CHURCH I LOVE . . . WISHES ALL MEN BE RECONCILED TO GOD. (28th. in a series).

"So we are ambassadors for Christ, God making his appeal through us. We beseech you on behalf of Christ, be reconciled to God." (2 Corinthians 5:20).

Reconcile means to cause to be friendly again; to bring back to harmony. Reunite; harmonize.

In innocent youth a person walks hand-in-hand with his Creator in the way of righteousness. "But each person (as he grows older) is tempted when he is lured and enticed by his own desire. Then desire when it has conceived gives birth to sin; and sin when it is full-grown brings forth death." (Spiritual death). (James 1:14, 15).

God does not leave the way of righteousness; it is man who leaves when he yields to temptation. When we sinned, we left the Lord and his way of holiness. Inasmuch as Christ declared, "If you are not for me, you are against me," we became enemies of Christ and God the Father.

Even in the alien state of sin, the Lord did "not wish that any should perish, but that all should reach repentance." (2 Peter 3:9). The Father loved us and sent his only Son to save us by reconciling us to himself.

"For if while we were enemies we were reconciled to God by the death of his Son, much more, now that we are reconciled, shall we be saved by his life. Not only so, but we also rejoice in God through our Lord Jesus Christ, through whom we have now received our reconciliation." (Romans 5:10, 11).

"We beseech you on behalf of Christ, be reconciled to God."

### Texas Travel Display Cited

AUSTIN — An attractive counter card display, now being distributed by the Texas Highway Department in its constant efforts to boost travel in Texas, invites travelers to "Discover Texas; America's Fun-ter."  
 Travelers on the move in Texas will find the four-color display cards in travel agencies, air and bus terminals, says D. C. Greer, State Highway Engineer.  
**THE DISPLAY** features a pretty young modern attired in casual clothes and sitting on a state outline. In its bottom left hand corner is a pocket filled with 3x5 postcards by which travelers may order a free Texas Travel Kit. The face of the postcard shows the various materials in the kit.  
 They include the popular travel brochure, "Texas — America's Fun-ter," the Official State Highway Map and other pieces of colorful Texas travel literature.  
 "We want to make these postcards available to as many potential visitors as possible prior to their arrival in our state," Greer explained.  
**"FOR INSTANCE,** officials of a group planning to convene in Texas could include a postcard in an early mailing to delegates. The State Highway Engineer in-

**"FOR INSTANCE,** officials of a group planning to convene in Texas could include a postcard in an early mailing to delegates. The State Highway Engineer in-

icated that such utilization of the postcard would allow each prospective delegate to order a free kit of Texas travel materials before leaving home. The delegate might thereby be encouraged to combine convention business with Texas vacationing pleasure.  
 The new counter card displays are available free from the Texas Highway Department to any organization or persons who deal with the traveling public. Requests for the counter card and postcards should be addressed to the Texas Highway Department, Travel and Information Division, P. O. Box 5064, Austin, Texas 78703.  
 Yale's football team plays only three away games during the 1966 season. The Elis visit Ithaca, N. Y., to play Cornell, meet Penn in Philadelphia and visit Harvard at Cambridge, Mass.

### Vets Advised About GI Bill

Post-Korean veterans planning to take advantage of the educational provisions of the new GI Bill should bear in mind certain restrictions, Jack Coker, Manager of the Veterans Administration Regional Office in Waco said today.

The new bill does not permit apprenticeship courses and other on-the-job or on-the-farm training, such as were authorized under previous GI Bills.

Flight training by itself alone will not be permitted. It will become authorized only when it is part of a complete college or university program leading to a devinite degree.

Veterans discharged from the Armed Forces after January 31, 1955, will be eligible for benefits after June 1, 1966. To be paid for the month of June 1966, the veteran must continue in school for the entire month. Full information may be obtained in any VA office and in most colleges and educational centers.

### BETTING COUNTERFEIT MONEY

CHICAGO — Counterfeit money passed at Chicago race tracks was only \$625 during

1965. The Illinois Bureau of Race Track Police Inc., a department of the Illinois Racing Board, said this is an infinitesimal figure when compared with the year's total parimutual handle of \$416,414,857, for 429 racing days and nights.

The Secret Service Office in Chicago is immediately notified of the number of the bill and the city named on the bill and the bank upon which it is supposedly drawn. This gives the

service a lead as to where the "batch" originated, the word then is passed to other localities to watch for the passers.

Nationally, about \$3,363,000 in contraband bills was recovered the fiscal year ending June 30, 1965.

Senior weightman Gideon Ariel on Wyoming's track team is from Tel Aviv, Israel. He has tossed the discus 161 feet. He is also a shot putter.

WHAT? YOU MEAN UNCLE LUCKY GAVE US HIS EXPENSIVE LIMOUSINE?

AND YOU GO WITH IT?

THAT'S RIGHT... CHUMLEY'S THE NAME. WHERE TO, SIR?

O BOY! LET'S GO FOR A RIDE, LUCILLE! I'M DYING TO DRIVE IT!

OH, THAT'S IMPOSSIBLE, SIR! IT'S MY JOB TO DO THE DRIVING.

BUT, UH... CHUMLEY, I DON'T WANT A CHAUFFEUR. I LIKE TO DO MY OWN DRIVING.

WELL, I'LL BE DOING THE DRIVING FROM NOW ON, SIR... ALONG WITH MY OTHER DUTIES.

OTHER DUTIES?

YES. I'M ALSO YOUR PERSONAL VALET, BUTLER, CHEF AND "MAN FRIDAY." I'M A GENTLEMAN'S GENTLEMAN!

OH, MY! I'M AFRAID WE COULDN'T AFFORD ANYTHING LIKE THAT, CHUMLEY!

WE HAVE ONLY A SMALL FARM AND ORANGE GROVE. YOU'LL HAVE TO FIND A POSITION ELSEWHERE.

SORRY, I CAN'T DO THAT, MA'AM. YOU SEE, I HAVE A SIGNED CONTRACT...

AND IT WON'T BE UP FOR ANOTHER TWO YEARS!

?

TO BE CONTINUED.
