Eye School Additions Board Considers Area Vocational Programs

Hereford school board members continued to survey curriculum in a lengthy session Tuesday night which brought consideration of a proposal to establish an area vocational school here.

After learning that the local district has received tentative approval from the Texas Education Agency for addition of four vocational courses to the high school curriculum, the board was told that consideration should be given to the possibility of enlarging the present vocational building on the campus to house the new courses.

In conjunction with the proposal, Texas Education Agency suggests that the local district do as many other area schools by meeting necessary requirements for an "area vocational school" in order to receive additional financial aid from the T.E.A. A special board meeting will be held a 6 a.m. today to continue consideration of the proposal.

Discussion of the possibility of establishing the area vocational school — which would offer instruction to both students and adults, not only in Hereford but throughout the area — highlighted the board's review of curriculum adjustments made during the present school term and others planned for the future.

SUMMARIZING curriculum adjustments made during the past year, Superintendent Johnny Clark Jr. pointed out that many of these changes have utilized additional funds available through the Texas Education Agency.

"Even though other funds are available through agencies in Washington, it should be noted that all of our programs are those approved by and funds provided by the Texas Education Agency," Clark said.

"This is not intended to suggest that a portion of the funds from the state are not funds which the state received from Washington. However, at no time does our district negotiate with or contract with the Federal Government.

"**EVEN THOUGH** the impact of federal funds on education is much more pronounced with the passing of the Elementary School and Secondary Education Act of 1965, our local policy of operation remains unchanged — that is, operating through the See **SCHOOL** Page 2

Two Sit Down On Board's Seating Stand

Hereford school board members ended up in friendly disagreement Tuesday night on an issue of whether to provide "first class or tourist" seating in the La Plata Junior High School Gym.

The facility, which will seat some 1,800 persons, will become the home court for high school basketball games next fall.

Board members, by a 5-2 vote, decided to install first class seating gym, featuring contoured backrests on one section of seats.

AT ISSUE was the fact that estimate for the cost of seats for the gym had been \$20,000 in plans for the facility, but bids received for seating Tuesday night all exceeded the figure.

A 90-minute discussion resulted, as the board debated whether to spend \$28,972 for bleachers offered in the highest of three bids received. All bids and alternates exceeded the anticipated \$20,000 figure.

This proposal included electrical equipment to move the portable stands in and out of position for use, plus a contoured backrest for the bench-type seating.

Several board members pointed to the stands in the present high school gym as an example of what they did not wish to buy again.

The vote came on a motion, by Bill Gentry, seconded by Raymond White, to purchase the "best" of the seats offered in bids, instead of other types offered at as low as \$24,000. Board members Olin Parris, L. B. Russell, Labry Ballard, Gentry, and White voted in favor of the motion.

Opposing were Hugh Clearman and Dr. A. T. Mims.

AFTERMATH — A late afternoon thunderstorm — one of many roving the Texas Panhandle Tuesday — dumped a quarter inch of rainfall on Hereford and left this courthouse scene in its path. Some hail accompanied rain in the area, but no heavy damage was reported. (Staff Photo by Tyler Vance)

PRIMARY RESULTS FINAL

Demo Convention Slated

Deaf Smith County Democratic Convention will be held at 2:30 p. m. Saturday in the Stanton Junior High School Auditorium, where delegates will elect nine representatives and consider a host of resolutions to be sent to the state Demo convention.

Delegates elected at last week's precinct convention will attend the county meet.

NINE STATE convention delegates will be elected, along with alternates.

County Democratic Chairman Leo Witkowski said that nothing unusual is expected at Saturday's convention, as all precinct conventions taking any stand on

the Connally-Yarborough dispute for state party leadership went on record in support of the governor.

CONCERNING last week's precinct conventions and primary election, Witkowski pointed out that "only about half the qualified voters turned out, but we did see good attendance at most of the precinct conventions."

In the primary election, results appearing in Sunday's edition of the Brand were complete for Deaf Smith County and the 64th Judicial District, with the only local run-off election coming between incumbent Justice of the Peace C. B. (Berry) Miles and contender Ernest Wade.

On the statewide level, June 4 run-off balloting will choose between Crawford Martin and Franklin Spears for attorney general.

THE COUNTY Democratic Chairman also pointed out that the choices of Deaf Smith County voters also prevailed, for the most part, on the statewide level, where Gov. Connally also won majority support for control of the Democratic Party in Texas.

Following is the number of delegates from the county's voting precincts elected to attend Saturday's county convention:

1-26; 2-36; 3-1; 4-1; 5-32; 6-4; 7-2; 8-2; 9-1; 10-1; and 11-32.

The number of delegates from each voting precinct is determined by the number of votes cast in the precinct in the last presidential election; however Precinct 5 was created only this year and was assigned 32 delegates, since it is apparently the largest voting precinct.

High School Lists Top Ten Seniors

Officials at Hereford High School named the ten high-ranking seniors of this year's graduating class following the announcement last week of valedictorian, announcement last week of salutatorian and highest-ranking senior girl.

These 13 seniors comprise the top 7.3 per cent of the 144-member class.

Valedictorian for the year is Randy Tooley and salutatorian is Tyler Thompson. The highest-ranking senior girl was Jana Cole.

The top 10 students were tentatively determined by school officials this week, subject to possible readjustment after all grades are in.

These students are:

Miss Cole, named highest-ranking senior girl, is the daughter of Mr. and Mrs. Floyd Cole of Rt. 2, president of Future Homemakers of America, a member of the Future Teachers of America, Tri-Hi-Y, Student Council, National Honor Society, and the FHA Sweetheart. Miss Cole plans to attend Baylor University in Waco.

Carolyn Boynton, daughter of Mr. and Mrs. J. T. Boynton, is a member of Future Homemakers of America, the National Honor Society, HHS band, mixed choir and the Student Council. She has also served as secretary of the Tri-Hi-Y. She plans to attend South Western Assemblies of God College.

Wynn Buck, son of Mr. and Mrs. W. W. Buck, 310 Union, has participated in football and track, was secretary of the Student Council, is a member of the National Honor Society, placed third in the state ready-writing contest during his junior year, received a commenda-

Irrigation Water Control Stressed

The Board of Directors of the High Plains Underground Water Conservation District has instructed District personnel to eliminate, by one means or another, the loss of irrigation tailwater.

And as a result, some 13 Deaf Smith County and Easter Community farmers have been served notice that court action will be taken if they do not control tailwater losses within a stated period of time.

IN A STATEMENT issued last week by the board, the District's current policy towards tailwater control was outlined.

"Many farmers in the District have done an excellent job in conserving water. Many others have failed to make any attempt at all to conserve water."

Field men for the district have "covered the county" in an attempt to stop violators of the Vernon Civil Statute Clause which states farmers "shall not let water escape property where it is being used."

"**THE WATER** District is much more interested in motivating a desire in the minds and hearts of high plains land owners to want to conserve their life-giving resource than it is in law enforcement," the statement continued.

In conjunction with the current all-out attempt to curtail tailwater losses, officials of the district pointed out that such violators not only waste "a depletable resource" but also hamper attempts to obtain additional water for the area.

Officials of the district in Washington recently attempting to include West Texas in plans for importing water from water-surplus areas have met opposition based on the fact that many farmers are wasting the water now available.

"**WE ARE GOING** to have to clean up our own kitchen and take care of the water we have before we can expect to be included in state and federal projects to import water to West Texas from other areas," water district official told the Brand Tuesday. (See related story "Rogers Demands" on page one.)

If after receiving a notice to stop wasting water, a farmer continues to let water pour out of his fields, a court injunction will be served by the District.

"We are not trying to flex our muscles, but we do hope to show other areas from whom we hope to obtain water in the future that we are sincere in our efforts to take care of the water we have," the official said.

Rogers Demands Studies Include Water For Area

Congressman Walter Rogers said Tuesday he will offer an amendment to Lower Colorado River Basin Project legislation to include West Texas in studies to be made to determine future water requirements in the West and Southwest.

Chairman of the House Subcommittee on Irrigation and Reclamation, Rogers is presiding as hearings continue this week on the Lower Colorado project.

He said: "Water-short areas must think now about their future and consider all possible means to alleviate problems, including importation of water from surplus areas elsewhere in the United States or adjoining foreign countries.

"**THERE IS** simply not enough room for all of us to live on the banks of the creek, but all of us must have water."

The congressman continued that state responsibilities "cannot be avoided simply because the federal government is willing to help," and added, "The Texas Panhandle and High Plains should be included in the Texas State Water Plan."

Joining with Rogers in demanding that the Panhandle be included in planning concerning water allocations in the southwest was Rep. George Mahon of Lubbock.

State OK's \$125,000 For Road

A long-sought major expansion of Deaf Smith County's rural paved Farm-To-Market road system maintained by the Texas Highway Department borders on finalization this week.

County commissioners recessed Monday's meeting until Friday to continue study which should result in setting the date this week for a \$350,000-plus bond election for the purpose of financing construction of more than 30 miles of new paved FM roads in virtually all quadrants of the county.

This county commission action is in conjunction with the announcement this week that the Texas Highway Commission has approved \$125,000 to aid in the program.

Prior to recessing Monday's meeting, commissioners employed Bob Davis of Columbian Securities Corp. to work up financial schedules regarding the proposal.

Commissioners recessed the meeting until 1:30 p.m. Friday to continue discussion — and probably take action setting the date for the question to go to the public.

STILL IN question Monday was confirmation that the Texas Highway Department would approve the \$125,000 allocation for roadwork in the county. This confirmation arrived Tuesday.

Commissioners Monday tentatively set a date of June 11 for the county road bond election.

For several years, the commission has sought allocations from the state highway commission for expansion of the FM road system here, and last summer such an advent appeared just around the corner.

But action in Austin did not come until this week.

PROPOSED are at least three and possibly four separate projects, which would put additional paved roads in precincts one, two, and four — and perhaps another in precinct three, depending upon decisions yet to be made.

The Texas Highway Commission approved this week the expenditure of \$125,000 for construction of some six miles of FM road in a project from the intersection of FM 2587 and US 385 east.

150 CHILDREN ANTICIPATED

Oasis Shrine Club Stages Annual Diagnostic Clinic

More than 150 children from the Texas Panhandle and adjoining states who might not otherwise receive all the benefits modern medical science has to offer will be examined here Saturday during the 11th Annual Oasis Shrine Club Children's Clinic.

A host of out-of-town medical specialists, plus all local doctors, comprise the staff for the clinic which in the past has accounted for an untold number of youngsters receiving medical treatment through arrangements handled by local Shriners.

Specialists from Houston, Dallas, Lubbock, Denver, Denton, and Amarillo will join local physicians and dentists in examining children whose doctors have recommended their examination in the unique Oasis Shrine Clinic.

WIDELY acclaimed for its aid to youngsters whose families would perhaps otherwise be unable to provide full medical aid to youngsters, the Shrine Clinic gets underway at 8 a. m. Saturday.

Those receiving examinations in the clinic must have forms filled out by doctors giving medical history and telling of the medical abnormalities which the doctor feels need checking.

Children will meet at the Community Center and transportation will be furnished for them to the Hereford Medical and Surgical Clinic, where the children will be examined. Following the examination, the children will be returned to the Community Center.

Wheat Acreage Report, CAP Deadline Listed

Several hundred farmers signing to participate in the 1966 Wheat Program have not reported wheat acreage to the County Agricultural Stabilization and Conservation Office, officials reported this week.

MONDAY is deadline for filing reports required to be eligible for diversion and price support payments.

Faust Collier, manager of the local ASCS office, urges those wishing to comply with the program to file acreage reports immediately.

And Friday, May 13, is deadline for farmers who wish to participate in the 1966 Cropland Adjustment Program (CAP) to file applications with the local ASCS office.

In order to be included in the See **WHEAT** Page 2

Wheat . . .

(Continued from Page 1)
1966 CAP, the agreements should be completed by June 10 and approved by the ASC county committee by June 30. Since the program is authorized for a four year period another sign-up period is being planned for the fall.

LOCAL governmental bodies wishing to participate in Greenspan, the CAP provision that helps local governments purchase surplus cropland for conversion to recreation and conservation uses, should reach agreements with ASC county committees by June 30th in order to be included in the 1966 CAP. State agencies should reach agreement with ASC state com-

mittees by the same date.

The Cropland adjustment program is aimed at shifting cropland not presently needed for production to recreation and conservation uses on a long-term basis. It is a supplement to the annual commodity programs which divert surplus cropland on a year-to-year basis.

While CAP can be of benefit to most farmers, it is especially attractive to those who want to retire gradually from active farming while still living on the land, to shift from production of surplus crops to other land uses, to take advantage of local employment opportunities, or to continue working off the farm.

FARMERS in the program are

eligible for cost sharing for conservation work shifting the land from surplus production to other uses. The conservation practices eligible include those which establish more productive habitat for wildlife.

Some farms in CAP are also eligible for supplemental incentive payment for allowing public access for fishing, hunting, trapping, and hiking. There is no specific date by which supplemental agreements are to be filed. However, payments under this phase of the program will only be made for those years for which the wildlife resource is made available for public access.

The Greenspan opportunity helps cities, counties and States purchase surplus cropland for conversion to open space, natural beauty, development of wildlife or recreational facilities, or for the prevention of air and water pollution. Conservation practice cost-sharing is also available for Greenspan participants.

Full details of CAP and forms for filing applications are available at ASCS county offices.

The same deadlines will also apply to the Cropland Conversion Program in the 67 counties of 21 States where it was offered on a pilot basis. The CCP is a limited program designed to test new methods of helping farmers convert land now being used for the production of crops in surplus to some other long-range income-producing uses.

IF FUTHER treatment is needed by the children and the parents are unable to pay for the care, the local Shrine Club will furnish the treatment at no cost to the parents.

In the past 10 years the local club has spent more than \$100,000 for treatment of these children.

Activity will get underway with a breakfast for the doctors and workers at 7 a. m. at the Jim Hill Hotel.

Workers will begin recording children at the Community Center at 8 a. m. prior to the examinations.

Shrine Club members' wives will host a get-acquainted tea for the doctors' wives and out-of-town Shriners' wives at the Casion House from 5 p. m. At 5 p. m. the doctors will hold a roundtable discussion at the Jim Hill Hotel.

The day will climax with a dance for clinic staff members and Shriners at the Country Club at 8 p. m.

ALL OF THE local doctors will be working in the clinic as well as doctors from Friona and Tulia.

Specialists who will participate in the diagnostic clinic are:

Dr. Tom Nash and Dr. Morris Sanders, both of Dallas, neurology and neuro surgery, Dr. Willard Sellman, Dallas, plastic surgery, Dr. James Bertz, Dallas, oral surgery and dentistry; Dr. Parker Allen, Denver, Colo., and Dr. Millard Nobles, Hereford, radiology;

Dr. Dean Harris, Dallas and Don Ryan, Denton, audiology and speech; Dr. Norman Wright, Amarillo, ear, nose and throat; Dr. Arthur Sarris, Dallas and Dr. James E. Loveless, Lubbock, orthopedics;

Dr. Robert Leachman, Houston and Dr. C. E. Hicks, Hereford, cardiology; Dr. Maurice Dyer, Amarillo, Pediatrics and nutrition, and Dr. Milton Adams, Hereford, eye.

project to be financed by the county to provide a paved FM road from 385 east to Hollywood Road on the east edge of the county.

Making the announcement was District Engineer Charles W. Smith of Amarillo.

OTHER PROJECTS being considered by the commission include:

—Paving a road west from Pitman Grain Company's Milo Center elevator, then south to the Renfro road.

—Another project in Precinct One, but exact route of this FM road has not yet been determined.

—The possibility that a north-south stretch will be constructed in Precinct Three is also being discussed, but the projects mentioned above will take priority, according to commissioners' discussion Monday.

AT MONDAY'S meeting, commissioners agreed to call a bond election for an as-yet-undetermined amount.

Commissioners have agreed that they will attempt to do the maximum amount of paving possible "without raising taxes."

Davis, who met with the commission Monday, said that a \$350,000 bond issue would not cause a tax increase and that the limit on such a basis might be as much as \$50,000 higher. The commission asked that Davis report Friday how large an issue could be handled without bringing higher taxing.

Texas Education Agency," Clark said in his report concerning financing the changes made in the local school system.

The area vocational school would entitle the local district to receive 50 percent reimbursement for costs of constructing and equipping the vocational building.

PRELIMINARY estimate for the cost of the high school addition is \$180,000, of which T. E. A. would pay half.

The other half would be handled in a bond issue, subject to a bond election.

The board Tuesday night said it would want to know the public's feeling concerning the proposal before stepping into the area vocational school program.

IN OTHER business, the board was told that the TEA has granted tentative approval to the local district's application for courses in Industrial Cooperative Training, cosmetology, auto mechanics, and building trades, and that cost for setting up the courses is present facilities next year will be about \$12,000.

The board also approved the addition of a course in creative writing to the high school curriculum, discussed the summer school program for non-English-speaking primary grade students, and noted that the anticipated budget deficit at the close of the current school year has been whittled from some \$37,000 in the red to about \$19,999.

Water Safety Instruction Preparations Are Underway

Preliminaries to the annual Red Cross Water Safety program in Hereford this summer, with the probable addition of a course for handicapped children, are being arranged this week while Gilbert Gribble of the Midwestern Area Red Cross office at St. Louis is here. He is conducting a training course for swimming instructors for children who are handicapped either physically or mentally. Nine qualified water safety instructors from Hereford are taking the course, at a West Texas State University pool in Canyon.

A GROUP of handicapped children from Hereford have attended two sessions of the class assisting for demonstration and practice. Several instructors from Amarillo and Canyon have joined the class.

This program of teaching swimming to the handicapped has been a part of Red Cross Water Safety for about 12 years, Gribble said, but has not been used everywhere because each of the pupils needs individual instruction, so that classes cannot be formed until there is a qualified teacher for almost every pupil.

Deaf Smith County Red Cross Chapter is one of the few in Northwest Texas to attempt the program. Mrs. Bruce Miller, water safety chairman here, hope to include at least one class in the summer swimming program soon after the end of school. Gribble's work also includes supervision of first aid and small craft safety programs, and he is conferring with workers in those

WELCOMED HOME — The Hereford High School Band was met by a reception party in the high school band hall Sunday morning as it returned from Dallas, where the band earned the trophy shown at right. The 100-member band was named Best Concert Band in Class AAA at the Six Flags

Over Texas Band Festival in competition with bands from throughout the state which had been invited to compete in the Festival after having won Sweepstakes honors in University Interscholastic League Competition. (Staff Photo)

Season Closes In Club

Maypoles set a gay note in table decorations for a luncheon which closed a year for Mon Amis Study Club Tuesday in the home of Mrs. Clifford Allmon. New officers with Mrs. Billy Baker as president were installed by the retiring president, Mrs. David Hutchins.

Colored ribbons from the Maypoles were tied to small plastic rolling pins at the luncheon places. The cake served for dessert was also topped by a Maypole, with tiny doll figures dancing about it.

The program was a film shown by a guest, Roy Botkin. Its subject was the purple martin, an American bird.

Taking office with Mrs. Baker were Mrs. Billy Bell, vice president; Mrs. Jerry Terrell, secretary-treasurer; Mrs. Hutchins, parliamentarian; Mrs. Botkin, reporter; Mrs. Raymond Wiley, historian; Mrs. D. L. Thomson, social leader.

The Hereford Brand, Hereford, Texas, Thurs., May 12, 1966

Mrs. Bob Noland was welcomed as a new member and Mrs. Gene Welch as a guest. Other members present were Mrs. Kenneth Christie and Mrs. J. D. Greeson.

New Club Year Ideas Are Heard

Ideas for next year's program were advanced by members of La Afflatus Estudio Club Tuesday, for consideration of the program-yearbook committee in its work during the summer.

The club, one of the older study groups in Hereford, completed its 35th season with a luncheon in the Caison House. A guest, Mrs. James E. Higgins, officiated to install 1966-67 officers headed by Mrs. B. F. Markham as president.

Mrs. Walter Johnson took office as vice president, Mrs. George Suggs as secretary-treasurer, Mrs. Sam Morgan as reporter, Mrs. T. W. Roberson as Federation representative and Mrs. A. N. Hopson, retiring president, as parliamentarian.

A space age theme was used for a clever installation program and Mrs. A. H. Cook, retiring secretary presented the gavel to Mrs. Markham in the

absence of Mrs. Hopson.

Mrs. B. A. Reddell was named chairman of the yearbook committee, which includes Mrs. Morgan and Mrs. C. E. Beauford. While the club is in recess this summer, this group will draft a study course and meeting schedule for a new season which will open in September.

Among the club members is one of the charter group formed in 1931, Mrs. Roberson, who is now honored by listing as a life member. Mrs. Suggs has been a member for more than 30 years.

Social committee members, Mrs. Suggs, Markham and Reddell, made hostess arrangements for the luncheon and decorated tables with a centerpiece of iris blooms.

Others present were Mrs. Emmett Hale, Louie Olson, A. B. Higgins and Al Lee.

Dinner Set By Hereford Study Club

Installation dinner for Hereford Study Club will begin at 6:30 p. m. today, so the program may be completed before time for the spring concert of Hereford High School Choirs later in the evening. The place will be the Caison House.

Mrs. Labry Ballard will become president of the club, replacing Mrs. Baxter London. The retiring president will take office as parliamentarian.

Plans for the dinner were completed when Mrs. Johnny Clark was hostess at the final program of the year in Mrs. Richard Winget's home recently.

Home Decoration was the program subject, with Mrs. Maurice Tannahill in charge. She introduced Mrs. Bill Alexander, of an Amarillo decorating firm, who spoke of new trends in home furnishings and accessories, and showed samples of colorful fabrics used in achieving popular bright-hued effects.

Young Mothers Elect Officers

Mrs. Jim Arney was elected president of Young Mothers Study Club for next season to succeed Mrs. Al Hunter, when Mrs. Lewis Block and Mrs. Melvin Barton were hostesses Tuesday in the home of Mrs. Ivan Block. Other officers, who will be installed at a salad supper May 24, are Mrs. Howard Hunter, vice president; Mrs. Don Chap-

man, secretary; Mrs. David Brumley, correspondent; Mrs. Lewis Block, treasurer; Mrs. A. T. Griffin, historian.

Mrs. Tommy Braddy was the program guest, who spoke of various tests given in public schools today, what they indicate and how they can help in the child's development. She spoke of the many differences in individuals, children as well as adults, and the need to consider a child's own personality and aptitudes.

Club members enjoyed taking a standard intelligence test given by Mrs. Braddy.

Ballots were cast for the club's Mother of the Year, whose identity will not be announced until May 24 meeting. That session, with Mrs. Hunter and Mrs. Larry Dobbs as hostesses, will end the club year.

Your dial tone's voice is changing

Beginning Wednesday, May 18, you'll hear a different sound when you pick up your phone to dial a call. The familiar dial tone will have a new voice — a bit lower than the one you're used to.

The new tone will not affect the use of your phone. You'll make your calls just as before.

This change in the dial tone is just one of the many steps necessary to bring you the new Touch-Tone telephone, with push buttons in place of the dial wheel. With this remarkable new telephone, available here May 23, you just tap the buttons to make your call — you "touch and talk."

WINS SHOOT TROPHY — Dr. Gene Cope, left, won the traveling trophy at the Hereford Gun Club shoot Sunday during open house activities at the range. The trophy is a traveling award and will be challenged each six months. Anyone who wins the trophy three consecutive times gets to keep it. The trophy was presented to the club and to Dr. Cope by R. J. Cramer. (Staff Photo)

Dr. Cope Wins Gun Club Trophy

Dr. Gene Cope of Hereford won the local Gun Club shoot to take the large trophy presented to the club by R. J. Cramer.

THE SHOOT was held Sunday for members only during the Gun Club's open house. The event was held so that Hereford residents could see the newly installed facilities which have been installed at the club's range at the airport.

Gun Club members sponsor a registered shoot on the last Sunday of each month during the season and many of the members participate in the shoot held by other area clubs.

The trophy won by Dr. Cope is a traveling award which will be challenged each six months. Any one person who wins the trophy three consecutive times will get to keep it.

Dr. Cope and city commissioner Joe Easley tied to win the shoot from 25 yards out breaking 89 of 100 targets, but in a shoot off Dr. Cope was the winner.

GUN CLUB members extended an invitation to the mayor and city commissioners to visit the facilities at the gun range.

R. J. Cramer, who presented the trophy, set the pace for the local shooters, breaking 94 of 100 trophies at 21 yards.

Others competing were Hugh McCrary, George Minor, Ray Crawford, Ronald Bridges, Jim Easley, Delbert Bainum, Jim Grimes, Joe Lyons, C. J. Lance, Buddy Shields, Carl Davis, Paul Lyons, Reuben Knox, James Higgins and M. C. Knox.

The next registered shoot for

the club is scheduled Sunday May 29 at the local range.

St. Anthony's Baseballers Downed 8-5

Members of the St. Anthony's baseball squad lost their first game of the season Sunday to Nazareth 8-5 giving them a 1-1 record.

HEREFORD players began the game with three runs in the first inning by Butch Walterschied, Dewey Albracht and Roy Berend.

John Willoughby tripled in the first inning scoring Albracht and Berend, but failed to score with Larry Walterschied grounding out on the next play for the last out.

In the third inning Nazareth scored three runs to tie the ball game and pulled ahead by one run in the fifth.

Nazareth scored four runs in the sixth inning, giving them a margin which Hereford was never able to close during the remainder of the game.

HEREFORD players did score more runs in the top of the ninth inning, but were unable to catch the Nazareth team.

With two out Ken Walterschied singled and Wakey Northcutt hit a home run scoring him and Walterschied.

Hereford players combined forces to stop what might have been a triple by a Nazareth player in the fifth inning when Larry Walterschied picked up the ball at the right field fence and hurled it to third base just in time to put the player out.

St. Anthony's players will go into action again Sunday at 2:30 p. m. when they clash with Umbarger at Umbarger.

ONE MINUTE, PLEASE

THE CHURCH I LOVE IS BY FAITH JUSTIFIED (31st. in a series.)

"Therefore, since we are justified by faith, we have peace with God through our Lord Jesus Christ." (Romans 5:1).

GENE LOOKS

"So that the law (of Moses) was our custodian until Christ came, that we might be justified by faith. But now that faith has come, we are no longer under a custodian; for in Christ Jesus you are all sons of God, through faith. For as many of you as were baptized into Christ have put on Christ." (Galatians 3:24-27).

Will just any kind of faith justify sinful man? Hardly. "Nevertheless many even of the authorities believed (had faith) in Him (Christ), but for fear of the Pharisees they did not confess it, lest they should be put out of the synagogue; for they loved the praise of men more than the praise of God." (John 12:42, 43).

What kind of faith avails to our justification? "Faith working through love." (Galatians 5:6b). Jesus said, "We must work the works of him who sent me, while it is day; night comes, when no one can work." (John 9:4). "Not every one who says to me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of my Father who is in heaven." (Matthew 7:21).

It takes a faith in the Lord strong enough to obey our Savior, regardless of what men say or do, to justify us from sin and save us for eternity. We must do the will of God, not our own will. We must do the works God has set forth in the scriptures for us to do, not our own works. This we call obedient faith.

It was this obedient kind of faith that saved Noah from the great flood. (Hebrews 11:7). It was this same kind of obedient faith that caused Abraham to be called "a friend of God", and "the father of the faithful." (Hebrews 11:8ff).

Herd Wins 11th Straight

Wiry Whitefaces from Hereford High School took their 11th victory Tuesday when they downed the Canyon Eagles 3-1 in conference play.

Hereford remained in the lead in 1-AAA district play, with a perfect 4-0 conference record.

Alex Diaz allowed the Eagle batters only three hits in the duel with the Canyon team.

Hereford has downed the Eagles two other times earlier in conference play. In the first game the locals won over the Canyon nine 11-0. The Whitefaces then downed the Eagles 7-2 in a game which went eight innings at Canyon.

The Whitefaces will be somewhat hampered during the rest of the season due to the loss of Ed Mims who underwent surgery Saturday on his left eye.

Mims, a senior, had showed a great deal of talent on the pitcher's mound for the Whitefaces during the season.

He will be hospitalized during the remainder of the week and will be out of action through the remainder of the season and during the summer.

HEREFORD will face the Dumas Demons Saturday at 1 p. m. in a double header at Dumas. Coach Don Dorman will probably begin with Diaz on the mound during the first game.

Two other Hereford players are beginning to come around on the pitcher's mound for the Whitefaces and Dorman will probably use one of these for the second game Saturday.

Barry Johnson, who has been on first base during the season and Phillip Cain, who caught during the first part of the season are both working on pitching techniques for the Whitefaces.

Hereford downed the Demons last week in a surprise move which put the Whitefaces in the lead for the district 1-AAA

Herd, Demon Duel Slated Saturday

Only four games remain on the Hereford Whiteface baseball schedule.

TWO OF THESE games will be played Saturday beginning at 1 p. m. at Dumas when the Whitefaces come up against the Demons for the second time this season.

Hereford now leads the district 1-AAA competition with a 4-0 conference record. Canyon has an 0-6 record and Dumas has a 3-1 conference record and a 23-2 season record.

The Whitefaces are on an 11-game winning streak after downing the Canyon Eagles Tuesday 3-1.

Hereford downed the Dumas Demons in their first skirmish 7-4, giving the Dumas nine their second defeat this season.

THE WHITEFACES will travel to Canyon Tuesday for their next-to-last scheduled game and then Dumas will return to Hereford Thursday May 19 for the final conference game of the season.

Hereford is the defending champions in district 1-AAA after taking the crown in a sudden death play off game with the Demons last spring.

Locals will be hampered by the loss of ace pitcher Ed Mims Saturday and Alex Diaz will be the probable starter on the mound for the Whitefaces.

Mims will be out of action for

the remainder of the season with an eye injury.

DIAZ WAS on the mound during the win over the Demons earlier in the season and played a brilliant control game with the Demon batters.

According to AAA rules Diaz will be limited to 10 innings in the two games Saturday and coach Don Dorman will probably use either Barry Johnson or Phillip Cain in the games.

Pony League To Begin Season Monday Evening

Pony League players will begin play Monday evening at the league field in Veteran's park.

SIX TEAMS will compete in the league this year with one game scheduled each night, four nights per week. Game nights will be Monday, Tuesday, Thursday and Friday.

Some 80 boys are participating in the league this year.

Ted Higgins is president of the league during the season.

COACHES ARE Carl Carlisle, Indians; Bill Wall, White Sox; Ben Noyes, Red Sox; Marvin; Coffey, Tigers; Gerald Mobley, Orioles, and Ronnie Osborn, Twins.

All double headers will be on Tuesday and Friday evenings beginning at 6:30 p. m.

Mims To Miss Finish Of Ball Season

Hereford Whiteface ace pitcher, Ed Mims, will be out of action for the remainder of the baseball season.

Mims, a senior, incurred an injury to his eye recently and was out of action about a week. He played ball for about a week and then doctors deemed surgery necessary.

He underwent surgery Saturday to repair a partly detached retina and may be released from the hospital in Amarillo by this weekend.

Mims is in St. Anthony's hospital in Amarillo.

Local Student Places In State Journalism

Sandi Thomas, Hereford High School senior, placed fourth in copy reading in Class AAA journalism contests of the Texas Interscholastic League at Austin Friday. Miss Thomas is editor of The Whiteface, high school newspaper.

She was eligible to enter the state contest as first-place journalism winner in Region I competition at Odessa last month. She was the only state contestant in literary events from Hereford High School.

LL Activities Get Underway Monday Evening

Rain and high wind halted Little League action which got underway Monday evening with the first games of the season at the Little League Parks.

In Monday's action the minor league Cubs tied the Angels, 8-8, and the Dodgers downed the Giants, 17-10. In the major league the Angels won over the Cubs, 7-6 and the Dodgers defeated the Giants, 5-3.

SIXTEEN TEAMS will be participating in the regular Little League program with four more to be added to the slate. There are eight minor and eight major league teams as

well as four pee wee league teams have been organized by the local organization.

Games begin each evening at 6 and 8 p. m. at the north and southfields. Game nights are Monday, Tuesday, Thursday and Friday evenings.

The first half of the season will be May 9-June 3 and the second half will be June 6-July 1.

Some 90 per cent of Canada's 19,516,000 people live within 200 miles of the United States border.

Protecting your tomatoes
against anthracnose, blight (early and late), and gray leaf spot can be a lot of work and worry. But it doesn't have to be. A new Niagara fungicide, Polyram, gives excellent control and has long residual action. (Lessens chance of disease sneaking in.)
Put it in your disease prevention program. Start applications 10-14 days after field seeded tomatoes emerge, or soon after transplanting.
Polyram mixes easily. (Compatible with tomato insecticides.) Sprays freely. (Won't clog nozzles.) And covers evenly. (Stays in suspension.)
OK to use up to 30 days of picking.

STATE DELEGATES NAMED

Republican County Meet Adopts 14 Resolutions

Members of the Deaf Smith County Republican Party passed several resolutions on the local, state, and national level during the GOP County Convention Saturday and elected delegates and alternates to the state convention.

Keith Jorde, county chairman, Frank Ford, Pat Parker, and Mrs. Florence Traweck were elected delegates to the Texas Republican Convention.

Named alternates were Mrs. Wes Fisher, Marvin Diller, Mrs. C. F. Newsom, Jess Carter, and

Mrs. Keith-Jorde. Following are resolutions adopted by the county convention:

LOCAL.
We pledge our cooperation with City and County Officials in working toward a better community.

STATE.
Education
A. Increase vocational training in our high schools to develop needed skills and prepare our youngsters for the future.
B. Develop more Junior Colleges in Texas to help meet

the future needs of higher education in this state.

Water Resources.
Accelerate Planning and development of water resources and pollution control of our rivers and harbors.

Voter Registration.
We ask that the Texas Attorney General launch an immediate investigation into cases of reported fraud in voter registration in several of the larger cities of Texas.

NATIONAL:
Education

The current administration is now forcing huge sums of money on every school district in the U. S., regardless of need, with orders to "use it or lose it." This leads to wasteful and unnecessary expenditures of money that is needed to improve educational facilities and teacher's salaries. We urge the present administration to cease in its attempts to control education at the federal level.

Law Enforcement.
The nation is faced with rapid increases in the crime rate. We urge increased public awareness of this threat to our society, and cooperation with our local law enforcement agencies.

Agriculture.
We favor the "Marketing Food for Freedom" approach to helping underdeveloped nations help themselves while reducing the surpluses to a level where the farmer can obtain better prices. We object to the Secretary of Agriculture representing other interests and pushing for lower prices for agricultural commodities.

Reapportionment.
We support the efforts of Senator Dirksen to enable State Legislatures to provide protection of rural areas in the State Senates through area representation rather than strict "one man-one vote" and protecting the states' rights to determine their own reapportionment procedures.

Welfare.
The Administration's "War on Poverty" has been the subject of many abuses which have kept the funds allotted from reaching the poor for whom intended.

Government Agencies.
High political patronage salaries, and active partisan political work must not be supported with tax-payers' money.

Government Agencies.
We oppose the principal of using agencies of the government, such as the Internal Revenue

Service, Federal Communication Commission, and National Labor Relations Board as enforcement agencies in any field other than that for which they were specifically created.

Viet Nam.
We support the defense of Freedom wherever it is threatened by armed aggression. However, we do not believe that American troops should be committed to a conflict unless all means available, not in violation of the Geneva Agreements, are used to secure the victory.

Two-Party System.
During the past few years, the traditional checks and balances a healthy two-party system and an independent legislative branch in Washington have been severely eroded. We urge all voters to consider the consequences of further destroying these checks and balances when voting in the November General Election.

Breakfast Pays Founders Honor

Tribute to founders of Delta Kappa Gamma, international society of women teachers, was paid on the program of a breakfast for Delta Xi Chapter at the Caison House Saturday morning. Officers for the 1966-68 biennial term were also installed. Commemoration of the society's birthday was in a candle-lighting service by Mmes. Fritz Christman, Eleanor Hud-

spheth and J. D. Neil, after Mrs. Claude Coffey of Farwell had voiced a tribute to the founders. Mrs. Merlin Kaul took office as president, succeeding Miss Hazel Merritt of Dimmitt, in a ceremony directed by Mrs. Claude McDougal. Other officers are Mrs. A. G. Ratcliff and Mrs. Jim Bookout, vice presidents; Miss Beatrice Hawkins of Dim-

TEACHERS' SOCIETY OFFICERS — Installed at a breakfast Saturday morning, new officers are in charge of activities in Delta Xi Chapter of Delta Kappa Gamma, international society for women teachers. From left, standing, are Miss Beatrice Hawkins of Dimmitt, secretary; Mrs. Charles Bell, corresponding secretary; Miss Lucille Park, parliamentarian and Mrs. Hudspeth, treasurer.

Mrs. Esta Vandiver led group singing of the society song to close the ceremony. The program opened with the collect by Mrs. Wallace Combest. Appointments announced for new committee chairman included Mrs. Ratcliff and Mrs. Hattie Boring of Farwell, program; Mrs. J. J. Durham, public awards; Mrs. McDougal, ceremony; Miss Merritt, audit; Mrs. Heleg Richardson of Dimmitt, nominations; Miss Park, organization expansion. Chapter members were hostesses, with Mrs. Earl Holt and Mrs. Frank Prowell as chairmen. The breakfast ended monthly meetings until September, although vacation activities will include planned attendance of some members at both the state convention in San Antonio June 10-12 and the international convention at Cleveland, Ohio Aug. 8-13. Other Hereford members at the breakfast were Mmes. Caudie Ola Brown, H. V. Crawford, Byron Durham, Spicer Gripp, W. T. Legg, L. C. Thoms, Zack Pannell, Sam Ratcliff, J. E. Springer, Kent Snare, V. P. Walker, Fred Welch; Misses Erma Walker and Della Stagner. Chapter members come from Bovina, Friona, Farwell and Dimmitt also.

Dates Set, Plans Begun For Autumn Convention

Initial plans for the annual convention of First District, Texas Federation of Music Clubs, were made by Dawn Music Club, which will be the hostess group, at a meeting Tuesday afternoon in the home of Mrs. Steve Bavousett. Dates set for the convention are Nov. 4 and 5. The convention proper will be on the first day, Friday, while Junior Music Club events will be on Saturday.

Dawn Baptist Church and a luncheon will be served in the Dawn Community House. Various committees to make arrangements will be named by the co-chairmen as plans are shaped during the summer. The Tuesday meeting of the club was its last until a new season begins in September. Mrs. Ray Polan, installed as president at the April session, was in charge of the business discussion. Two new members, Mrs. Gene Suttle and Mrs. Tem Wimberley, were welcomed. Mrs. Polan announced standing Committee appointments for the coming year. Mrs. William Wimberley is to serve as

yearbook chairman, with Mmes. Ray Stewart, Leo Criddle, R. E. Cursinger and Alfred Smith on the committee. Finance committee members are Mmes. Edgar Sowell, Robert Strain and Pat Miller; telephone, Mmes. L. W. Tooley, Jim McCabe and H. E. Miller Jr.; scrapbook, Mrs. Paul Engler. Mrs. Walter Lemon was named corresponding secretary. Mrs. J. B. Caraway discussed the hymn of the month designated by the National Federation of Music Clubs, as the only program except for business discussion. The group voted to change its meeting hour to 2 p. m. for next season.

OUTDOOR SUPPER IS CLUB EVENT

A cookout at the Ray Stewart home entertained Dawn Home Demonstration Club members, their families and other guests recently, when 45 persons were present for an outdoor supper featuring hamburgers and home made ice cream. In a guessing contest, prizes were won Mrs. Eugene Suttle and Reese Stewart, while the Rev. Mr. Suttle won the door prize. Mrs. Ray Cox directed games for the smaller children present. In addition to members' families, Mr. and Mrs. Reese Stewart and Miss Diedra Polan were present.

Award Given, Received By Music Study Club

One award was presented and another received by Music Study Club at its closing luncheon of the season Monday in the Casino house. Tables were attractively decorated in "Sound of Music" theme by hospitality committee members who acted as hostesses.

A plaque presented each spring by the club to the Music Student of the Year was awarded to Jerry McCathern, who has won honors this year in both piano and trumpet. He plays the latter instrument in Hereford High School Band and is pianist for HHS Stage Band, both top-ranking groups in recent competition.

McCathern has been chosen a member of the All-Student Band U. S. A., which will begin a tour of Europe late in June. He is to be presented by his piano instructor, Mrs. Ellis Coombes, in solo recital June 22 in the high school auditorium, a program sponsored by Music Study Club.

With him as a guest at the luncheon Monday was his mother, Mrs. J. E. McCathern Jr. The citation which the club

received was a double ribbon award of merit from the American Federation of Music Clubs for the local group's observance of February as Parade of American Music Month. Music Study Club has won this award annually for several years.

Kindergarten Sets Graduation For Tonight

Graduation from kindergarten is scheduled for 19 youngsters at a program this evening in First Methodist Fellowship Hall when diplomas from Humpty-Dumpty Kindergarten will be presented. The program, open to the public, will begin at 7:30 p. m.

The graduation program is an annual event at the school, which is directed by Mrs. Don Baugous with Mrs. Glenn Watts and Mrs. Paul Lyons as other instructors. Before the certificates are presented, the children will give a program for their parents, family members and friends who, attended.

Final business of a club year, including reports of standing committees, was conducted with Mrs. Bill Brady presiding.

Mrs. Bill Dameron leads the hospitality committee including Mrs. W. E. Dameron, Steve Clements, Lowell Sharp and Jesse Stanford, hostesses for the day.

Table decorations, a simulated Alpine village on the central table and smaller pieces illustrating songs from the musical show, Sound of Music, were made with the assistance of girls in Junior High Camp Fire Groups led by Mrs. Jack Allen and Mrs. Lewis Lea.

Members present at the luncheon included Mrs. E. P. Conway, J. T. Gilbreath, Glenn Snyder and S. O. Wilson, charter members; Mrs. W. T. Carmichael, associate member.

Also present were Mrs. Allison, Joe Frank Clark, Brady Coombes, B. Y. Crosthwait, Cliff Estes, W. Y. Fisher, H. K. Fox, Dick Godwin, Joe Hactor, Bill Lanford, Paul Lyons, J. C. McCracken, C. J. Moutz, Zack Pannell, T. W. Robertson, A. J. Schroeter, A. O. Thompson, D. W. Palmer, Bob Wert and the hostesses.

STUDENT MUSICIAN HONORED — Jerry McCathern was chosen as this year's recipient of the annual citation given by Hereford Music Study Club to an outstanding music student. Mrs. Bill Brady, club president, is presenting the certificate at a luncheon while his mother, Mrs. J. E. McCathern Jr., stands on left. McCathern is a piano pupil of Mrs. Ellis Coombes and a member of Hereford High School band and stage band.

Local Woman WSCS Delegate

Mrs. Grant Hanna of Hereford and Mrs. J. P. Elms of Lubbock head a list of delegates from Northwest Texas Methodist Conference to the seventh National Assembly of the Woman's Society of Christian Service in Portland, Ore., this weekend.

This Assembly will climax observance of the 25th anniversary of the WSCS and Wesleyan Service Guild, official women's organizations in the Methodist Church which were formed after union of the northern and southern branches of the church.

Theme of the Assembly is called to Renewal and Service, and discussions will center on the mission of church women in a changing world, and their role in a changing church.

Small Talk

By SUE COLEMAN
Women's Editor

More pretty parties! And for a lot of good reasons, such as brides and visitors and girl graduates as well as the yearly celebrations of the end of club years. Nearly everybody seems to have more places to go than one person can get to.

Including me — but it's fun to try to drop in on all of them, at least, and I have a rather mixed-up impression of a mélange of flowery hats and flowery centerpieces on tables at breakfasts, lunches, teas and dinners beginning on the weekend and still going on. Also brief chats with so many people who would have been nice to visit longer.

BUT YOU DO PICK up little pieces of information. Like the conversation of Mary Panciera and Bess Werner about their spoiled pets — Bess' Great Dane which simply stands before the refrigerator and blocks traffic until he gets a helping of cottage cheese, and Mary's dog Lassie which is the doting mother of one pup, the survivor of a litter of two.

Not all about pets, of course. The Ralph McCulloughs were observing their 42nd wedding anniversary Monday, but did the real celebrating Sunday when their daughter, Mrs. James Killian, and her family were here from Clovis for Mother's day. Mrs. Killian prepared dinner for the group.

Mrs. Art Manjoot and Mrs. O. G. Hill Sr. were talking about a trip to Whiteface on a Garden Club project. Mrs. L. H. Lookingbill Sr. was preparing to leave for the state Federated Club convention in Lubbock.

ALL THIS AT A luncheon given by several of Mrs. Ray Johnson's friends from the Pioneer Study Club and Hereford Garden Club for her sister, Mrs. Virginia Nielson, here from Carmel, Calif. to visit the Johnsons and her mother, Mrs. R. J. Smith.

Unfortunately Mrs. Nielson, who is allergic to dust, arrived just in time for our worst dust storm of this year Sunday. She said the length of her stay would depend upon her hay-feverish reaction to our currently dry air, and friends were all hoping for at least a shower to keep her here longer.

SO MANY CLUBS are electing or installing new officers this month that we assume at the Brand that any list of officers which accompanies a report is a newly-elected group.

Indians made curious use of settlers' goods before learning their purpose. The first coins that reached the Yurok were given by them to their children as playthings. The Hupa used flour for face paint. The Tsimshian sewed thimbles on their ceremonial garments as decorations.

Gunpowder, first employed in battle in 1346, remained the most deadly military explosive until 1902 when TNT was introduced.

That wasn't quite right for the Kings and Queens bowling league which presented some end-of-season awards at a meeting last week.

The reporter wanted to give the current officers some credit which she says they have well earned. For a successful term that will not end until an election at the beginning of play next season. So the officers led by Keith Anderson as president are not new ones in the league; they've been hard at work since the first of this league year.

Garden Club Workshop Is Slated

A workshop, preliminary to a spring flower show set for May 20, will be conducted for Hereford Garden Club members at Community Center beginning at 2 p. m. Friday, Mrs. Ray

visited Mr. and Mrs. Gary Burnett in Dalhart the first of the week.

Carlisle, show chairman, will be program leader.

Each member is to bring an arrangement, or materials for an arrangement named in the show schedule. Those who are national flower show judges, Mmes. O. G. Hill Sr. Art Manjeot, John Jacobsen Jr. and R. L. Ethridge, will serve as advisors for this section of the program.

Mrs. Ben Childers, schedule chairman, is slated for an interpretation of the show schedule; Mrs. W. C. Hromas, staging chairman, for a discussion of that phase.

Mrs. S. S. Williams will tell

how to prepare horticulture specimens for display and Mrs. Sam Morgan will speak of grooming and hardening material for arrangements.

Theme of the spring show will be "A Day in the Garden," and it is planned for 2:30 to 6 p. m. May 20 in Community Center, unless weather conditions disrupt the blooming schedule of possible show plants, and force a postponement.

There are 35,000 U. S. students taking Russian in 600 colleges and universities — more than double the number studying the language less than a decade ago.

Shanghai, with 6,900,000 people, remains the most populous city in Communist China despite its decline as a world trade center. Shanghai's colorful waterfront was once jammed with merchantmen from all over the world; now it is strangely quiet.

General sales and gross receipts taxes paid to states during 1965 amounted to \$6.7 billion, continuing as the top source of income for state governments.

Guest From West Coast Is Honoree At Luncheon

A visitor who has made friends in Hereford on past trips here, Mrs. Virginia Nielson of Carmel, Calif., was the honoree at a luncheon in the Caison House Monday noon with her mother, Mrs. R. J. Smith, and her sister, Mrs. Ray Johnson, whom she is visiting.

Mrs. L. H. Lookingbill Sr. arranged the party for a group comprising friends who are members of Federated Clubs in this county, who expressed their appreciation to Mrs. Nielson for an unusual contribution she made toward entertainment of the District Federation convention here in March.

A large shipment of flowers from her California area was made to the clubwomen here by Mrs. Nielson, to be used in decor for various convention events. The striking blossoms and foliage, arranged by Here-

ford women, inspired much comment from the scores of women from over the Panhandle who attended the district meetings.

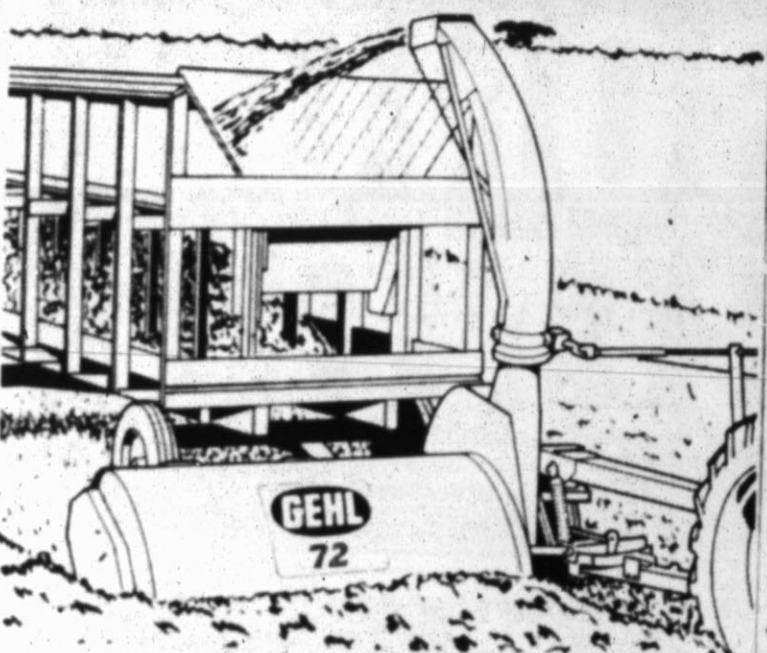

Mrs. Nielson came for a Mother's day visit with Mrs. Smith and Mrs. Johnson, and to spend several days here.

Handsome iris blooms from Hereford gardens were arranged to decorate the table for the luncheon and an informal hour of conversation.

Places were laid for the honoree, her hostesses and Mes. Burl France, John Patton, Delmar Sigle, J. V. Pickens, Paul Rudd, O. G. Hill Sr., Bess Werner, Ted Panciera, Floyd Coleman, Ralph McCullough, A. L. Manjeot, W. C. Hromas and Lookingbill.

Hereford High-Jinks

by Randy Hopson

What will the weather do next? That's a good question but no one can supply the answer. It makes it a little difficult in deciding what to wear to school, but more terrible than that, everyone must go around wondering whether or not the baseball game scheduled for the day is still on.

Jo Porch has added another honor to the many she has already obtained. Jo was named All-Around Cowgirl this past week-end at the Hereford Junior Rodeo. Jo is a pretty active person in many ways.

SOME PEOPLE seem to just stand waiting when trouble is around. "Biggy" Mims is in the process of recuperating from his eye injury. It seems that Biggy is always the unlucky one when anyone is injured. Get well, soon Bibby. We really need you out there hustling to support the Herd.

While "Biggy" has been out with the eye injury Alex Diaz has done what can only be termed a sensational job pitching for the Whitefaces.

Charlee Hill still hasn't named her Collie puppy. Why not have a contest to find the poor thing a name? The Hill girls seem to have a great affection for all animals.

It's interesting to listen to them talk about all of their pets. The

list is endless.

Sweat-shirt day has been planned for Wednesday, May 18. Students will be allowed to wear sweat-shirts with the names of the college of their choice on them. With our luck it will probably be the hottest day of the year.

Saturday will be a big day for Hereford Baseball fans and for the team, of course. The Herd will play double-header at Dumas. The fellas need all of the support we can give them so we can have two more victories over the Demons. Tell the boys how much they are appreciated and best of all, attend the game if at all possible.

Tonight the HHS. choir will present their spring concert at 7:30 p. m. Most of the music will be from Broadway musicals and should be very entertaining.

Shower Is Compliment To June Bride-To-Be

A June bride-elect, Miss Marilyn Armpriester, was complimented with an evening party and shower Monday in the Henry Solomon home, 500 Star.

Sunday, May 22, has been set aside for the Baccalaureate services. Rev. Noah Armpriester will be the featured minister for the services. That's not very far away, but then neither is graduation.

There has been some misunderstanding concerning some items mentioned in last week's column. There have been no hidden insinuations and anything which has been misunderstood has been purely accidental.

Pilgrimage Is Made To Iris Garden

Iris growing in gardens where 286 varieties were in bloom, were viewed by Bud to Blossom Garden Club members who visited the Wardlow Gardens in Amarillo on a pilgrimage Friday. Mrs. W. H. Patton is pilgrimage chairman of the club.

After visiting the display of iris at 751 E. Bonita, which are grown commercially, members and a guest, Mrs. James Gentry, had lunch in an Amarillo restaurant.

The group included Mes. Al Brown, Bob Cooper, Melvin Cor-drax, R. A. Daniel, W. H. Gentry, Ernest Kendall, R. N. Yarbrough, Ray Polan, Lou Orleans and Hubert Stoner.

Bud to Blossom Club will end its season May 20, when a salad luncheon is scheduled in the W. H. Gentry home, with new members as hostesses.

TO THE PEOPLE OF THE 69th JUDICIAL DISTRICT:

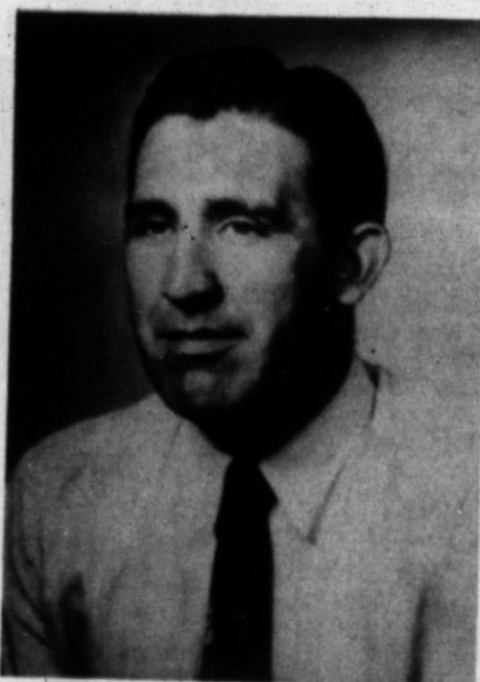

It has been a pleasure to serve you for more than 19 years and I thank you for the opportunity.

To all those who supported me in so many ways in the recent campaign, I owe a big debt of gratitude and I am perplexed about how to convey my heartfelt thanks.

To Judge McDonald I wish success.

Shower Honors Bride

Miss Margaret Frerich, whose marriage to Joe Hershey is to be solemnized today in St. Anthony's Catholic Church, was honored at a reception and shower Monday evening in the Knights of Columbus Hall.

Yellow and white garden blossoms decorated the bride's table in colors she has chosen for her wedding. Yellow tulips were arranged with snowball blooms, and other bouquets in the room were of mums.

Wearing a yellow frock cut in A-line style, Miss Frerich received guests with her mother, Mrs. George Frerich, and Hershey's mother, Mrs. Harold L. Hershey. Her sister, Miss Dorothy Frerich, was at the guest book.

Two of the hostesses, Mrs. W. H. Gentry and Mrs. Lanny Bezner, presided at the refreshment table. Also in the hostess group were Mes. Bill Stengel, Conrad Urbanczyk, H. A. Bezner, John Betzen, F. J. Walterscheid, Bud Stengel, A. F. Mar-nell, Leander Rainart, Ray Wilhelm and Ed Loerwald.

Visitors Attend Albracht Rites

Out-of-city relatives and friends here to attend the funeral of John Albracht May 4 included Mr. and Mrs. A. D. Kriegshauser of Clovis, N. M., Dr. Bill Albracht of Dallas, Carl Albracht of Orange, Calif., Mrs. Bill Melcher and George Denking of Humphrey, Neb.

Also Mrs. Harry Hill of Abilene; Dr. and Mrs. R. Roach, Mr. and Mrs. Bill Walsh, Mrs. Jack Walsh, Mr. and Mrs. F. J. Heiman, Dr. and Mrs. David Albracht, all of Amarillo; Mr. and Mrs. Dick Walsh of Portales, N. M.; Mr. and Mrs. George Brukman and Math Albracht of Umbarger.

Also Mrs. Clem Neibur, Mrs. Joe Albracht, Mrs. L. Huseman, Mr. and Mrs. Tony Gerber, Mrs. C. Schulte, Mrs. Alvin Klemm, Mrs. F. Hvelting, Mr. and Mrs. V. Pollmeier, all of Nazareth.

Also Mr. and Mrs. A. Schumacher and John Heiman of Dimmitt; Mrs. Joe Huseman, Mrs. George Uselding and Ralph Huseman of Wappy; Sister Mary Cyril of St. Louis Mo.

Funeral mass was conducted for Mr. Albracht Wednesday morning of last week at St. Anthony's Catholic Church, a resident of Deaf Smith County 32 years, he died Monday at his home, 604 N. Schley.

God's Soil

...and it's time to conserve it... time to save it! It is evident, when we witness the increased destruction of timber lands, national cover crops and wide-spread erosion, *America needs a national Save-The-Soil-Week.* It is urgent that we treat Mother Earth with greater respect and appreciation. We must give back to her as much as we take away. There's no better time than during National Save-The-Soil-Week, to come to a full realization that "The earth is the Lord's and the fullness thereof." We are stewards, appointed by God, to look after the earth He gave us. It is time to renew your faith in God and the Good Earth.

LET'S COOK SOMETHING!

Pie Gets Extra Touch

By SUE COLEMAN
Women's Editor

Like most women who collect recipes, Mrs. Paul Hoff plans to get all her recipes neatly typed, on uniform cards, and put in files — some day. But like most, she is still far from that goal. The recipes, many clipped from newspapers, written on the backs of old envelopes or still in printed bulletins, are being kept until that blissful day, but Mrs. Hoff can usually find the one she wants. However, she did have an unusual search last Christmas.

LOOKING FOR HER recipe for some special cookies, she remembered she had loaned it to a relative in another town.

So she telephoned the woman who had given it to her. That person had discarded the recipe, but mentioned someone else to whom she had given it.

Passed from person to person for about half a dozen calls, Mrs. Hoff was about to give up, when a family phone call to relatives in Illinois that evening reminded her that her sister-in-law formerly had the recipe. Sure enough, she got the wanted directions, all the way from Illinois.

Cooking is one of her household tasks that Peg Hoff takes pride in, and she rather makes a specialty of desserts like the sour cream-apple pie for which she gives the recipe.

SHE IS SERVING this year as

foods demonstrator for North Hereford Home Demonstration Club, as well as its vice president and County Council delegate. A member of that club for nearly all the 20 years she has resided in Hereford, it is the only organization in which she remains active.

Formerly president of the Council of Church Women and a choir member 10 years in the Presbyterian Church, she has dropped some of her church work in recent years so she says she is "more a church-goer than a doer." She has been an officer in the County Federation of Women's Clubs also, in past years.

Both Mr. and Mrs. Hoff were born and reared in Illinois, and their move here was from a suburb of Chicago. They left because their son, Paul Jr., suffered from asthma and pediatricians believed a change of climate would help him.

Arizona was the recommended location, but Hoff had an opportunity to come here for employment he liked, so they decided to try this area. Two-year-old Paul Jr. promptly recovered and has never been troubled with asthma since.

HOFF NOW OPERATES his own business here, a welding shop, and two of the couple's daughters, Mrs. Bill Blackwell and Mrs. Paul Hagar, live here. The other, Mrs. R. L. Sedgwick, is in Las Vegas, Nev., and the son in Amarillo.

Six of the seven grandchildren live here, to supply Mrs. Hoff with special interest. Their oldest granddaughter, Karen, one of the two Blackwell children, is graduating from high school this year. The youngest is the Sedgwick's baby daughter, whom Mrs. Hoff visited recently.

Mrs. Hoff's recipe for the special apple pie can be made with two cups of finely chopped tart apples, just slightly steamed, but she gives it as she usually makes it, with canned apples.

SOUR CREAM-APPLE PIE
1 can Comstock apples
3/4 cups white sugar
2 tb. flour
1/8 tsp. salt
1 cup sour cream
1 egg, well beaten
1/2 tsp. vanilla

Combine sugar, flour and salt. Add the cream, beaten egg and flavoring. Beat until smooth, then add the apples and mix thoroughly.

Pour into a pastry-lined pan. Bake in a hot oven, 450 degrees, 15 minutes and then reduce the heat to 325 degrees and bake 30 minutes more. Remove from oven.

Combine 1/3 cup sugar, 1/3 cup flour, 1 tsp. cinnamon and 1/4 cup butter. Mix thoroughly and sprinkle over the pie. Return to oven and bake slowly, still at 325 degrees, 20 minutes.

Speed Bowl To Open For 8th Season Saturday

The Southwest's outstanding super-modified and stock car racing track, the Amarillo Speed Bowl, will open its eighth season here Saturday and Sunday

nights, with record entries and record crowds in view.

DEFENDING HIS 1965 championship in the super-modified division will be R. V. Funderburk, a repeater last year and also 1965 runner-up for the Southwestern title.

But Funderburk, whose sleek red, Ford-powered No. 1 dominated the Speed Bowl most of last season, won't be driving the

same car this term.

In a daring switch which worries some of his fanatical followers, he has custom-built his own new super-modified speedster and changed to Pontiac power, with a 326-cubic-inch engine. He also has changed numbers, to No. 12.

His principal challengers are expected to be his erstwhile Ford teammate, veteran Ernie

Boynton, the 1961-63 Speed Bowl champ, again driving the big white No. 3, and daredevil C.J. Bishse and the famed Chevrolet Golden Tiger No. 41.

BUT A DOZEN OR more expert drivers with new or re-modified cars have to be figured as potential season-long contenders.

Racing at the North Grand and Hastings quarter-mile oval,

with grandstand seating for 6,500 starts at 8 p. m. each Saturday and Sunday children under 12 admitted free.
