Team Makes Survey

A report on a survey of Buffalo Lake National Wildlife Refuge, conducted during the past week by a team of federal investigators from the Robert S. Kerr Water Research Center at Ada, Okla., is expected to be presented Oct. 1 to the Texas Water Quality Board.

Object of the survey, which is a part of the investigation by state and federal agencies, is to find causes of pollution in Buffalo Lake.

The three man team has been taking water samples only from the refuge area and processing them there. The results will be released when the report is submitted to the state agency.

Mel Gray, chief of water service at the Oklahoma center (See TEAM, Page 2)

O. D. DISHMAN

Named "Boss of the Year"

"Boss of the Year" — named during the annual Bosses' Night banquet sponsored Saturday night by the Hereford chapter of the National Secretaries Association — is O. D. Dishman, co-owner of Dishman-Hale Chrysler-Plymouth, Inc.

Dishman, who was nominated for the honor by his secretary, Janie Victor, received the recognition during a gathering of approximately 65 NSA members

their husbands, bosses and bosses' wives.

Mistress of ceremonies for the banquet, which was held at the Angus Restaurant, was Jean Kennedy. The "Spiritual Swingers" provided entertainment, along with Hereford attorney Earnest Langley, who presented a talk entitled "Care and Feeding of the Boss."

Dishman, a native of Oklahoma, has lived in Hereford

since October, 1964, when he and Jim Hale bought out McCullough Motor Co. He had moved from Oklahoma to Roswell, N. M., where he worked as sales manager for an automobile dealer.

Dishman was in Roswell about 27 years before he moved to Amarillo to become partners with Hale. The men moved to (See DISHMAN, Page 2)

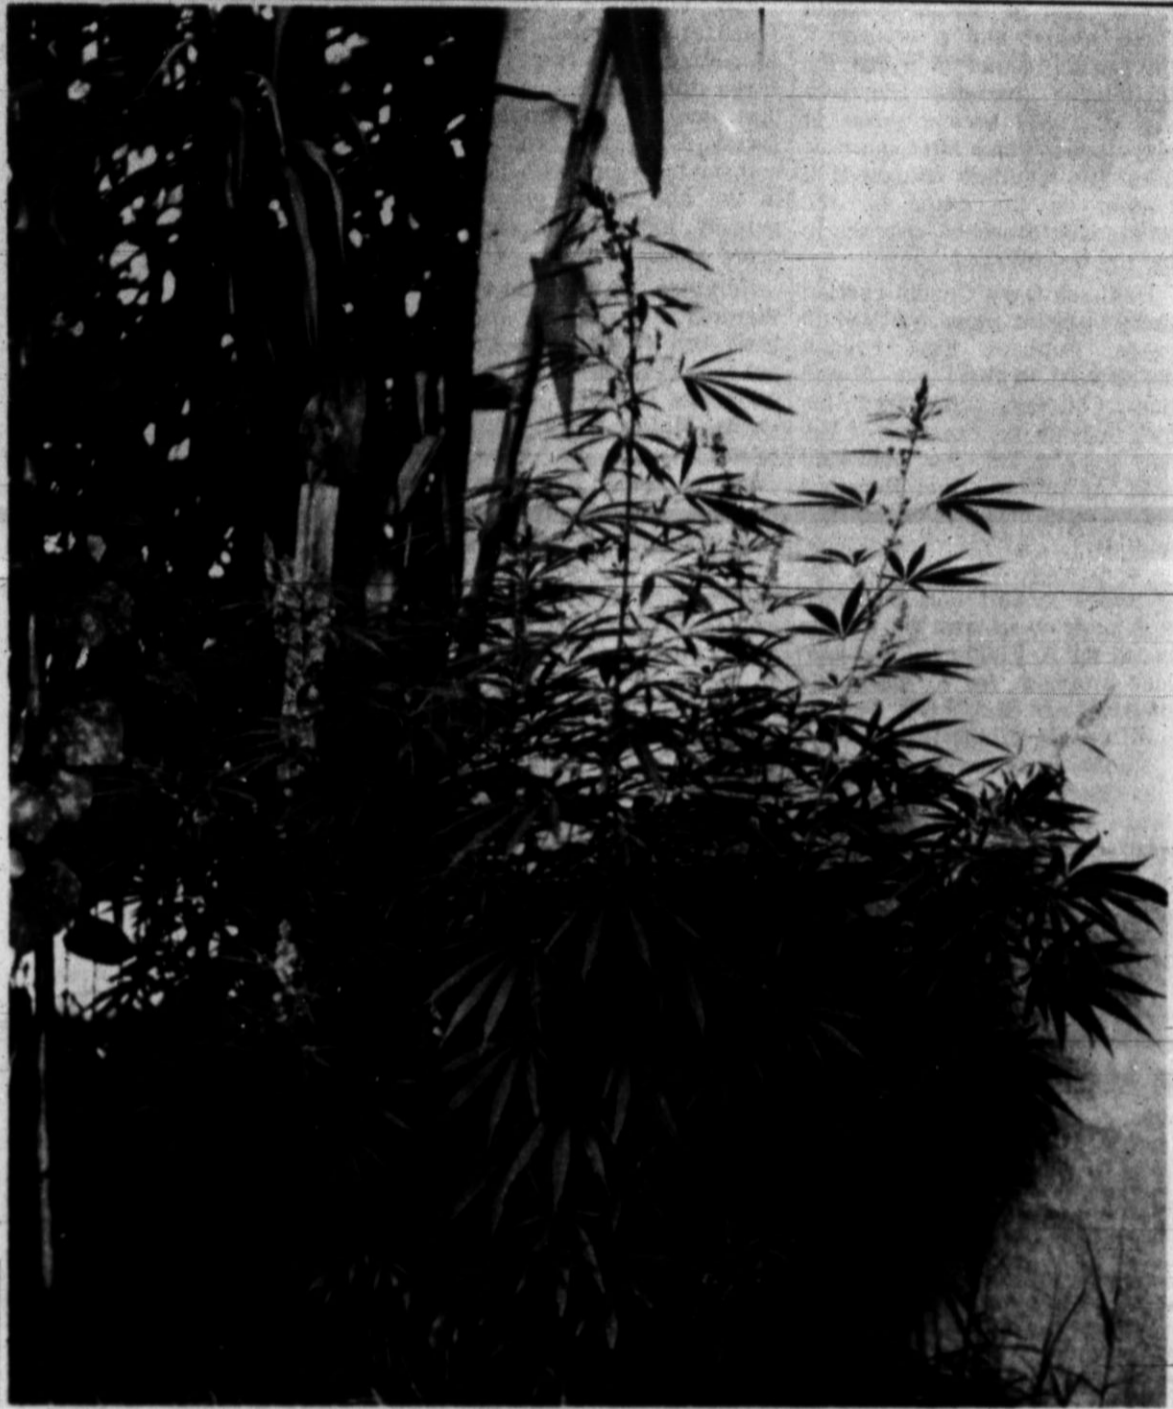

MARIJUANA Police Arrest Grower

Lindsay T. Johnson, 40, of 411 W. 4th Street, was charged with possession of marijuana Friday afternoon following a raid at his apartment by the Hereford Police Department.

Johnson was arraigned before Justice of the Peace Ernest Wade, who set bond at \$1,500. He was released from Deaf Smith County Jail after making the bond.

Police, acting on a tip, confiscated some 144 stalks of marijuana which were growing in the corner of the yard beside the garage and behind the residence. A Lubbock chemist called the police department Saturday morning to confirm that the plants were marijuana.

Some of the narcotic plants were standing about three feet high when uprooted by officers, while others were just popping out of the ground. The larger plants appeared almost ready to produce seeds.

—Hereford Brand Photo

MARIJUANA CROP — Members of the Hereford Police Department confiscated a marijuana crop growing behind a residence at the corner of Fourth and Ross streets Friday afternoon and made one arrest in the case.

Allied Plant Opens

Allied Chemical Company this week mixed their first batches of liquid feed and started operations in the new liquid feed plant located on Progressive Road at the eastern edge of Hereford, according to Kenneth Hesse, area manager for the national chemical company.

M. G. Duvall of Hereford will be mill manager, for the organization which will offer all the services of a feed mill including nutritional services, Hesse said. All feed will be custom mixed according to the customer's specifications. Hesse indicated Saturday morning that the plant could handle a capacity production of up to 60,000 tons if the market demands, and indicated that the company would process orders for both commercial feeding operations and area ranches as well.

The automated facilities of the new Allied plant are capable of producing liquid protein supplements ranging from 10 to as high as 90 per cent protein for cattle and sheep feeders in Texas, New Mexico, Oklahoma and Kansas.

The plant, built by the Allied Chemical Corp., is similar to facilities that have been in operation at Lucerne, Colo. since June of 1966.

The increased emphasis on the feeding industry on the High Plains is primarily responsible for the location of plants in Hereford which now includes four such operations manufacturing both liquid and dry feeds as well as mineral block supplements. A fifth plant which was located here was recently sold to an Amarillo firm and has been moved to that city.

Contractor for the new Allied plant was B&I Steel of Scottsbluff, Neb. with the sub-contract going to Carl McCaslin Lumber Company of Hereford.

Young Farmers Schedule Tuesday Meet

A meeting of the Hereford Young Farmers at 8:30 p. m. Tuesday in the Hereford Community Center will feature Jack Tompkins, farm editor of KFDA TV in Amarillo.

Young Farmers also will be enlisting new members during the meeting. The club, which has Clark Andrews as president and L. D. Taylor as vice president, meets twice each month. One of the meetings is for the purpose of conducting business.

DSCWA Plans Program

At its second meeting, the Conservation Committee of the Deaf Smith County Water Association Thursday morning at the Caison House, announced plans to deal with available water resources. The committee's program will center around water waste prevention, collection of water from natural precipitation, and publicity of conservation achievements.

Attending with Chairman Andrew Kershen and Vice-Chairman Wilburn Axe, were committee members Labry Ballard,

Clarence Betzen, A. J. Bezner, Bruce Brown, Eldred Brown, Wilton Green, F. A. Marnell, Pete Nash, Denzil Pulliam, and Henry Sears. Other DSCWA workers present were Leo Forrest, Dick Godwin, and Austin Rose, Jr. Chairman of the membership committee, gathered in several more DSCWA memberships at the restaurant.

grams offered to all area clubs and organizations. Publicity will be given to use of irrigation tail-water, as well as more efficient irrigation of crops.

Following the meeting, Austin Rose, Jr., Chairman of the membership committee, gathered in several more DSCWA memberships at the restaurant.

Schools Will Dismiss Early On Monday

School bells will ring early for Hereford students Monday as they will be allowed an opportunity to attend the Tri-State Fair in Amarillo.

Students will be released at 2:30 p. m., with free tickets to the fair. Faculty members and school administration will meet at 2:45 p. m. with Dr. Paige Carruth of West Texas State University for the start of a self-evaluation program.

Services Held For Pioneer Area Resident

Funeral services for Fred Higgins, 72, were conducted Friday afternoon in Rose Chapel of Gilliland Funeral Home by the Rev. Eugene Brink, minister of First Christian Church, Mr. Higgins, of 223 Ave. A, died Wednesday in a local hospital after a long illness.

He was born Dec. 21, 1894, at Whitesboro and came to Deaf Smith County in 1896 with his parents, the late Mr. and Mrs. John Higgins, members of a pioneer ranching and farming family of this area. Mr. Higgins engaged in farming until his retirement.

He married Miss Catherine Stinger Aug. 23, 1918 in Hereford. He was a veteran of military service in World War I, and a member of First Christian Church.

Surviving him are his wife; four daughters, Mrs. Luella Thomas of Hereford, Mrs. Billie Harris of Pueblo, Colo. Mrs. Alberta Barnard of Dane, Wis., and Mrs. Mattie Thomas of Leakey; five sons, Ted and Charles of Hereford, Fred of Hobbs, N. M.; John of Portales, N. M. and Bob of Littlefield.

Also two sisters, Mrs. Lillie Locker of Gainesville and Mrs. Effie Williams of Denver; a brother, Rex of Amarillo; 23 grandchildren and 15 great-grandchildren.

Interment was in West Park Cemetery, with Keith Oliver, Grady Morton, Carroll Hagar, J. B. Blankenship, Bill Morton and Otto Parsons as pallbearers.

Miller Is Candidate For Judge, Appellate Court

Bruce Lyman Miller, now serving as Deaf Smith County Attorney, this week authorized the Brand to announce his candidacy for the position of Judge on the Court of Civil Appeals in Amarillo — a district that includes 46 counties of the Panhandle and West Texas. The position will become vacant due to the retirement of Judge Alton Chapman of Floydada.

Miller, who is 54 years old, has practiced law in Hereford for the last 18 years, mostly in civil practice. For 10 of these years he has been Chairman of the Grievance Committee of the 18th Congressional District which covers 28 counties of the Panhandle. This committee is responsible for the high standard of professional ethics in the law. For the past three years he has been County Attorney of Deaf Smith County. Miller graduated from Culver Military Academy in 1931; at

tended the University of Oklahoma for 2 years, graduated from the University of Arkansas

★ ★ ★

—Bruce L. Miller

where he was awarded his B. A. and LL. B. in 1937. He enlisted in the Armed Forces in November, 1940 and served for 5 years — 19 months in India and China with the original B-29 group as combat intelligence officer. After returning home he attended the Harvard Law School.

He is married and the father of three children — a son, Bruce, who graduated from Culver Military Academy in 1965 and is a junior at the University of the South at Sewanee, Tennessee; daughter, Kathy, a senior at Hereford High School; and Pamela, a student at Rosemary Hall in Greenwich, Connecticut. Mrs. Miller is active in community affairs and is presently an Area Volunteer Consultant for the National Red Cross.

Bruce is also active and very interested in Boy Scouts and other community activities.

Slight Injuries In Main St. Wreck

A nine-year-old boy was injured about 2:55 p. m. Wednesday in the collision of two cars on Main Street, near the intersection of 5th Street.

Thomas George of 114 Ranger received treatment at a local dental clinic for injuries received in the accident.

Officers said a 1959 Pontiac driven by Doris George of 114 Ranger was going north in the 400 block of Main when it collided with a 1967 Buick driven by Joan Euler of the Summerfield community.

The Euler vehicle was being backed from the curb. Damage to the George car was estimated at \$125 and to the Euler car at \$75. A citation was issued for causing a negligent collision while backing from the curb.

Carl Williams Service Held Saturday

The funeral of John Carl Williams, 70, retired farmer who resided at 527 South Main Street was conducted Saturday afternoon in First Christian Church, of which he was a member. The Rev. Eugene Brink, minister, officiated.

Mr. Williams died suddenly Friday in the emergency room of a hospital, where he had taken the victim of an automobile accident. He had lived in Deaf Smith County since 1917, when he came from Burk Burnett.

Born Dec. 23, 1896 at Sipe Springs, he married Miss Zoe Womble here Dec. 13, 1925.

He is survived by his wife; two daughters, Mrs. Carolyn DeLozier and Miss Fanella Williams of Hereford; three sons, Delmo of Hereford, Duane of Amarillo and Arvell of Canyon; three sisters, Mrs. Fannie Smith of Bethesda, Md., Mrs. Veta Kay of Stockton, Calif., and Mrs. Velma Brigance of West Point, Miss.; and two brothers, A. R. Williams of Amarillo and Gerald Williams of Clinton, Ark.

Burial in West Park Cemetery was directed by Gilliland Funeral Home. Serving as pallbearers were Spicer Gripp, Glenn Gripp, John D. Aikin, Robert Veigel, Lewis Lea, Bob Veigel, Bert Brown and Bruce Coleman.

Plainview Man Released After Posting Bond

A 62-year-old Plainview man was charged with practicing medicine without a license following a visit he received Thursday in his Hereford office by an inspector for the Texas State Board of Medical Examiners.

Fred Patton, who's address is listed as 214 W. 10th in Plainview, was released from the Deaf Smith County Jail after posting a \$1,000 bond set by Justice of the Peace Ernest Wade.

Patton was arrested Thursday morning after the inspector had received a "treatment" in Patton's office on West Highway 60, across the highway from Caviness Packing Co. The inspector said Patton had not registered with the U. S. District Clerk's office before beginning his practice.

The minimum fine for the offense is \$50 and one day in jail and the maximum penalty is \$500 and 30 days in jail — all for the first offense.

Hereford Man To Meet FBI Chief

J. Edgar Hoover, director of the Federal Bureau of Investigation, will confer with a Hereford man this week when the Wallace Shelton family arrives in Washington, D. C.

Shelton, a dispatcher for the Hereford Police Department will be visiting this week with his son, Wallace Jr., who works in the National Crime Information Center of the FBI at Washington.

Shelton said his son, who has been with the FBI since May, 1966, has made an appointment to meet with Hoover on Wednesday. Shelton, his wife and daughter, Reva, all of 105 George are making the trip as part of a two weeks vacation.

GATHERING DATA — Employees of the Soil Conservation Service in Amarillo visited Deaf Smith County Wednesday to get a first hand look at how the field conservations work. Guided by Wilton Green of the Hereford SCS office, the four women and one man got a close-look at parallel terraces, grass waterways, diversion terraces, irrigation pipeline and many of the instruments that the field men use. The group visited a field where carrots were being gathered and another where sugar beets are being grown. They sampled both crops.

Team ...

(Continued From Page One) and project director, said the state and federal agencies conducting the investigation will meet soon after Oct. 1 to determine if there is sufficient information to warrant a full-scale investigation.

The lake was quarantined for about a month in June and July because the waters were contaminated. There were two heavy runoffs into the lake and massive fish kills at the time. The lake was closed on June 27 and two-thirds of it reopened on July 17.

TO OLTON

Herd Takes First Loss

Determination by the Olton Mustangs, errors by the Hereford Whitefaces and a scintillating 79-yard punt return by Olton Halfback Steve Spain combined Friday night as the Whitefaces absorbed their first loss of the season 21-20.

The start of the game with Olton looked like a repeat of the season opener in which the Whitefaces trounced Floydada 41-6. On their second series of plays, which came after Quarterback Jim Childers recovered a fumble on the Olton 48, the Whitefaces marched quickly in for the touchdown.

Halfback Gary Goodin carried three times to move the ball 15 yards. Fullback Karl French got a yard to the Olton 32 and then Childers unlimbered his long legs to go the rest of the way for the TD. Jim Loerwald split the uprights and Hereford led 7-0 with 6:44 left in the first quarter.

Olton was held following the Hereford kickoff and the Herd took over on its own 36. Goodin raced for 5. Fullback Tony Malouf rammed for 8 more and then French was held for no gain on the Hereford 49.

Goodin swept for two yards to the Olton 49 and then Malouf broke loose for a bruising 43-yard run to the Olton 6. Goodin carried over from that point, Loerwald converted and Hereford led 14-0 with 51 seconds left in the first quarter. Olton got a strong runback

on the ensuing kickoff as HB Kenneth Johnson, a thorn in the Whitefaces' side all night, raced from his own 16 to the Hereford 36. The Mustang quarterback lost two yards and then Johnson sped 30 more yards to the Hereford 8 yard line.

The Whiteface defense stiffened at that point, setting the Mustangs back two yards on three stabs at the line. However they couldn't contain Halfback Benny Akin, who ran around end for the score with 10:04 left in the half. Spain got the important extra point and the score stood at 14-7.

Hereford wasted little time on the next series of plays as Halfback Bill Russell ran the ball out from the 10 to the Hereford 44 on the kickoff. Goodin got 6 yards, Malouf 2 and Childers 5 to the Olton 43.

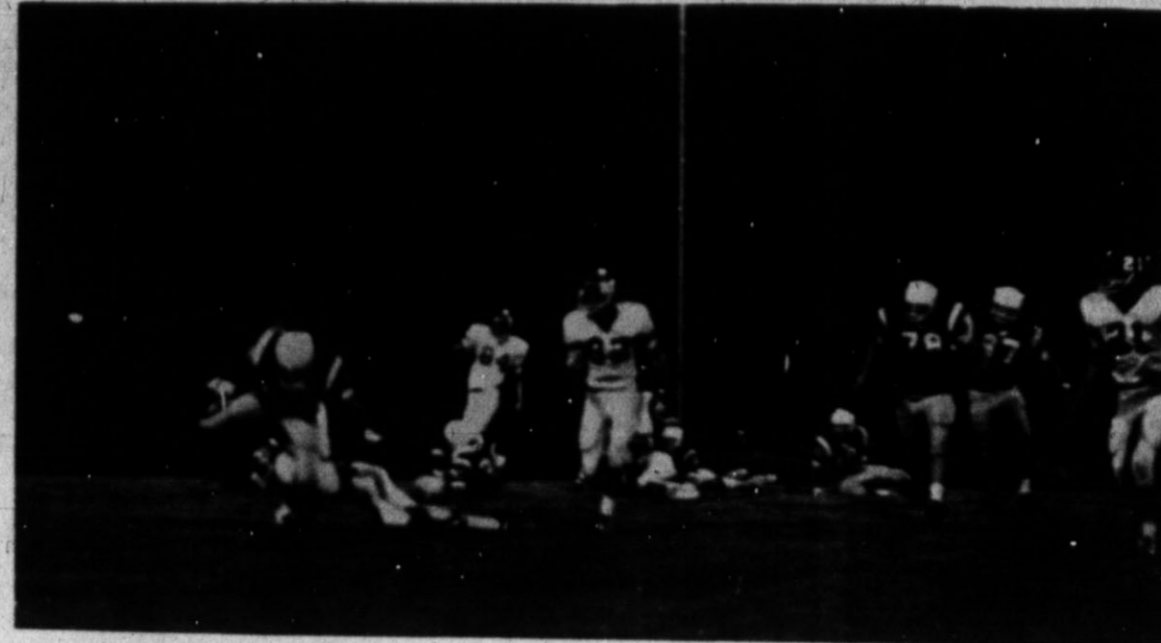

French then gathered in a Childers pass and crossed the double stripes for the score with 7:28 left in the first half. Loerwald's kick missed by inches and Hereford had a 20-7 margin which they confidently took into the locker room at halftime.

In that first half, Hereford had an unofficial 135 yards rushing and passing while picking up eight first downs, and Olton had a total of 89 yards and three first downs.

Beginning the second half, Olton quickly showed that they were still very much in the game. Akin ran the opening kickoff 38 yards out to the Mustang 48. From there, the Mustangs worked the ball to the Hereford 31 before a penalty put them back to the 40.

Hereford took over following the punt on its own 12 and moved only three yards before they were forced to punt themselves. Spain took that punt on the 30 and ran it back to the Hereford 30. Again the Mustangs stabbed at the forward wall of the Whitefaces until they moved the ball down to the Hereford 7. The ball went over on downs there as the Whitefaces held.

Unable to crank up a drive again, the Herd gained only four yards before being forced

—Hereford Brand Photo

GOODIN GOES DOWN — Halfback Gary Goodin appeared headed for a shoestring catch. The Mustangs got a long punt return for a touchdown in Friday night's game with Olton when a desperate Mustang made Whitefaces 21-20.

to punt. Quarterback Charles A. McClain took the punt on the 50 and ran it back to the Hereford 31 before he finally was downed. In three plays, Akin and Johnson had moved the ball to the Hereford 10, where Johnson scored with 1:18 left in the third period. Spain kicked the point and Hereford's margin was narrowed to 20-14.

Errors then began to plague both teams — Hereford especially. The Whitefaces took Olton's kickoff and began play from their own 29. On the first play, Olton fell on a Whiteface fumble on the Hereford 37.

They were able to move only to the Whiteface 23, however, before the ball went over on downs. Hereford then began its only serious drive of the second half as they took over at the 23.

Goodin got the Herd out to the 29 and a penalty on the play set the ball on the 44. Goodin then lost 6. Halfback Elgin Williams gained 2 and Childers passed to Halfback Bill Cole for a first down at the Olton 39. French gained 3, Williams 4, Goodin 4 and French 4 more to the Olton 24.

Childers' pass was picked off by Olton's Joe Luera on the Olton 20 and the Mustangs were in business again. The Mustangs made only seven yards, however, and fumbled the ball away to the Whitefaces on the Olton 28.

Hereford could manage only four yards after the fumble and the ball was returned to the Mustangs on their own 24. Olton couldn't take advantage of the break, however, as the Whiteface defense and a penalty set the Mustangs back to their own 8.

The Mustangs punted out to the Hereford 46 and the Whitefaces had another opportunity to run out the clock and take home the victory. They couldn't move on three plays and were forced to punt from the Olton out the State.

Spain gathered the ball in on his own 22, and surrounded by Whitefaces, wormed his way into the clear and galloped all the way for a touchdown with 1:25 left in the game. Rubbing salt in the open wound, Spain gained the all-important extra point and the Mustangs had the lead 21-20.

With still a chance to come back, the Whitefaces fumbled the kickoff and Olton recovered on the Hereford 34. The Mustangs were content with the score, however, and ran out the clock.

In the second half, Olton unofficially got 93 yards rushing while holding Hereford to 51.

The Whitefaces will play its third straight Class AA team at 8:30 p. m. Friday when they entertain the Hale Center Owls in Whiteface Stadium. The Owls will bring a 2-0 record into the game, having defeated Post 40-6 and Springlake 32-6.

Friday night's game will be discussed in detail during Monday's meeting of the Whiteface Booster Club at 8 p. m. in the Community Center. It was not known early Saturday whether the film would be available for showing or not because of troubles with the camera during the game.

There also will be a scouting report on Hale Center.

DRIVER EDUCATION FOR ALL TEXAS TEENS

Driver education will soon be available to all Texas teens and TEXANS FOR TRAFFIC SAFETY predicts that this measure will decrease the number of teens accidents.

The State will establish standards and may contract with independent school districts and other agencies in order to spread this program throughout the State.

Dishman ...

(Continued From Page One) Hereford from Amarillo.

Dishman is a member of the Church of Christ, and served several years as an elder of the church in Roswell. He also holds membership in several sales organizations, including the Honor Salesmen's Club. Dishman and his wife, Exie, live in the Executive House Apartments. They have one daughter, Mrs. Jim Hale.

NEW DRIVER LICENSE GOOD FOR 4 YEARS

Operator licenses issued after January 1, 1968, will be good for 4 years and will cost \$6.00. Presently, \$3.00 is charged for a two-year license.

TEXANS FOR TRAFFIC SAFETY point out that the cost of a two-year commercial operator's license will be \$9.00 and the charge for a two-year chauffeur's license will be \$12.00. Provisional license will be in effect until the 21st birthday of the driver and the cost will be determined by multiplying the number of years it will be in effect by the annual rate charged for the type of license the young driver will be using.

Lubbock Okays Pioneer Raise; Hereford Fights

Hereford lost an ally in its battle against the proposed gas rate increase by Pioneer Natural Gas Co. Thursday when the Lubbock City Council approved the 11 1/2 per cent raise.

The decision came as a surprise, because council members had talked Wednesday of hiring a national accounting firm with a public utility division to survey Pioneer's reasons for the increase. One councilman opposed the raise, while four others favored it. Also approved by the Lubbock council was a new franchise with Pioneer which extends the company's service to Lubbock for 20 years.

Hereford City Commissioners rejected the gas rate increase during a meeting Aug. 21.

Pioneer officials said an appeal on the increase is expected to be filed with the Texas Railroad Commission early this week. Hereford is included in the appeal along with Hart, Idalou and Muleshoe.

City commissioners meet at 7:30 p. m. Monday night in City Hall, but since City Manager Dudley Bayne has been out of town it is not known whether Pioneer will be discussed. The public is urged to attend all commission meetings.

BOARD TO MEET

A board of directors meeting of the Hereford Optimist Club will be held at 8 p. m. Monday at Jones Restaurant.

During the regular noon meeting of the club Thursday, Optimist Roy Boyer discussed membership and the different ways to enlist new members.

The states of Pennsylvania and Ohio are represented with nine players each on the 1967 Navy football squad.

Highway Patrol Investigated 19 Accidents

The Texas Highway Patrol investigated 19 accidents on rural highways in Deaf Smith County during the month of August, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in 20 deaths, 14 injuries, and estimated property damage of \$15,290.00.

The rural accident summary for this county during the first eight months of 1967 shows a total of 66 accidents resulting in three persons killed, 34 persons injured, and an estimated property damage of \$52,600.00.

"School days" are here again. The familiar yellow school buses are back on the highways. The Sergeant reminds all motorists of the State Law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Damages Total \$500 In Wreck

More than \$500 in damages were caused in a car-pickup accident about 6 p. m. Tuesday at the intersection of 25 Mile Avenue and Bradley Street.

A 1960 Chevrolet pickup driven by Julian Zamora of the Black community was going east on Bradley Street and turned north on 25 Mile Avenue when the accident occurred.

A 1965 Pontiac driven by Ezra Dinavant of 618 Blevins Street was going north on 25 Mile Avenue and received an estimated \$350 damage in the wreck. A citation was issued for failure to yield right of way.

IN SERVICE

Johnnie Trujillo Marry and Rudolfo Alvarado Martinez are two young men from Hereford who have been inducted by the local draft board in answer to the September draft quota for this area.

Both men left Hereford Sept. 7 for a base at which they will undergo basic training.

"Colorado" is a Spanish word meaning "ruddy," the name comes from the Colorado River which runs red during the spring floods.

Donald Jensen

Students Will Hear Atomic Discussion

Atomic energy and its uses will be demonstrated at Hereford High School Sept. 25.

"This Atomic World," a demonstration lecture designed by the Atomic Energy Commission, will acquaint Hereford students with basic principles of nuclear energy, its sources and role in industry, agriculture and medicine.

The 40-minute assembly program conducted by Donald Jensen is sponsored by Texas A&M and Oak Ridge Associated Universities.

Using student terms, Jensen will describe structure of atoms, radiation, reactors and fusion. Special equipment will show radiation sources, how nuclear energy is harnessed for electrical power, diagnosis and treatment of diseases and life process studies using radioisotopes.

In a blackboard talk to Hereford High science classes after the assembly, Jensen will discuss in more detail atomic structure, radioactivity, radiation biology and nuclear science career. Jensen is a Youngstown University graduate, holds a masters degree at A&M and trained in Oak Ridge, Tenn., laboratories.

Third Concert Scheduled By Association

A third concert has been scheduled by the Community Concert Association, according to W. T. "Bill" Thompson, who has been working closely with the Association. The concert drive, which was completed Saturday morning did go over the top, therefore the group was able to schedule the additional concert. It has been set for Saturday, Jan. 27 and will be Richard Liebent, Radio City Music Hall Organist.

Winners of the membership drive contest will be announced just as soon as the board can count the individual tallies, Thompson said.

Program Has More Workers Than Jobs

Officials at Hereford High School are still seeking local businesses to aid in the ICT (Industrial Cooperative Training) program now in its second year.

Alvin Smith, coordinator of the ICT program, said training for skilled trades such as mechanics, electricians, plumbers, carpentry and nurses aids is needed to round out the program.

Purpose of the ICT program is to help students learn a skilled trade while completing high school requirements for graduation. The students attend regular school classes in the morning and works at his training station — a local business — in the afternoon.

Thirty-two students are enrolled for the program this year, as compared to 25 in the first program last year. The new Vocational Building, which is expected to be complete in about a month, will house all of the ICT courses, including cosmetology, distributive education, building trades and auto mechanics.

President of ICT, which is a part of VICA (Vocational Industrial Clubs of America) is Carl Hollingsworth, who is employed at First Printing Company.

Any business wishing to participate in the ICT program should contact Smith at the high school. Attempts also are being made to situate students in jobs at Friona.

Burglars Enter Two Local Firms

Nothing was taken from two businesses which were forcibly entered by burglars Thursday and Friday, Hereford Police were told Saturday morning.

Officers said the Double K Drive Inn, located at Park Avenue and Brevard Street, was broken into sometime between late Wednesday night and Friday morning when a door glass on the west side of the building was knocked out.

The building had been closed for business Thursday and the door was found standing open when workers showed up Friday morning.

Entry was made at the Big T Pump Co. on East New York Street sometime during the night Friday when someone forced open a window on the west side of the building. Nothing was missing.

Leah Carroll Dies In Borger

Mrs. Leah A. Carroll, 89, former longtime resident of Deaf Smith County, died Saturday morning at the Magic Plains Home in Borger.

Funeral services will be at 10 a. m. Monday in Rose Chapel of Gililand Funeral Home with the Rev. Russell Wingert, pastor of the Presbyterian Church, officiating. Burial will be in West Park Cemetery.

Born July 5, 1878, in Pulaski, Tenn., Mrs. Carroll came to Texas in 1909, from Tennessee. Married to W. A.

Carroll, she had been a longtime member of the Presbyterian church. Mrs. Carroll moved to Borger from Hereford in 1946.

Survivors include her sons, Onias of Hereford and Alvin W. of Borger; a daughter, Mrs. Velma Burchett of Phillips and five grand-children and nine great-grandchildren.

The lower Mississippi River area has a lady ghost named Razmatazz, according to some. The story goes that Razmatazz set fire to her man, Brickbat Charlie, and floated him downriver in a canoe. She is seen when she slips into jails for a rest.

Cub Scouting Improved

Major improvements in the Cub Scout program of the Boy Scouts of America go into effect this month after a five-year study, and the revisions are expected to increase Cub Scouting's natural appeal for boys and provide more help for volunteer leaders.

Bob Jones, District Scout Executive for the Llano Estacado Council of the Boy Scouts of America, made the prediction and added that "the study findings brought out very clearly the vitality and soundness of the Cub Scout program."

Just returned from a three-day conference in New Mexico during the past weekend, Jones said there is genuine enthusiasm for the program on the part of boys, leaders and parents.

Formally launched in 1930, the Cub Scout program now has Cub Scouts in the United States. The last major changes were made in the program in 1952, said Jones.

Beginning at 7:30 p. m., Oct. 3 at the Hereford Community Center, training in the improved Cub Scouts program will be given to all Cub Scout pack leaders.

ers.

"One of the early steps before starting the series of studies and surveys was to prepare a statement of purpose related to Cub Scouting for the present day," explained Jones. "The Cub Scout study committee wanted a yardstick to measure Cub Scouting's outcomes and to provide leaders of Cub Scout packs with criteria for judging their work."

The basic statement that resulted is that "Cub Scouting is a program of the Boy Scouts of America for parents, leaders and institutions to use with boys 8, 9 and 10 years of age."

As listed, the purposes of Cub Scouting are "to influence the development of character and encourage spiritual growth; develop habits and attitudes of good citizenship; encourage good sportsmanship within the family; strengthen the ability to get along with other boys and respect other people; foster a sense of personal achievement by developing new interests and skills; show how to be helpful and do one's best; provide fun and exciting new things to do, and prepare boys to become Boy Scouts."

According to Jones, highlights of the improvements include a new and different experience for Cub Scouts in their 10th year (the Webelos Scout Program), a new leadership position of Den leader coach in Cub Scout packs revision of achievements, and electives in the advancement program so that the 8-year-old Wolf and 9-year-old Bear advancement patterns are no longer so similar, recognition

through registration of assistant Den Mothers, and provision for a boy to enter Cub Scouting any time after he is 8 years of age or in the third grade.

Described by Jones as "a most dramatic and significant improvement," the Webelos Scout program calls for the 10-year-old's advancement program to be based on 15 hobby and vocational subjects called "activity badge areas. The requirements for the Webelos Award remain basically the same."

The Webelos den leader will be a man, and meetings will be held weekly in the early evening or on Saturday morning, said Jones. He concluded by saying that there will be a broader outdoor program than for the younger Cub Scouts, but not including the rugged activities reserved for Boy Scouts.

The annual Fall Roundup of Llano Estacado Council of the Boy Scouts of America began Sept. 11 and will end Dec. 15.

Lots Of Action Scheduled For Football Fans

Football action begins to pick up this week for local fans as three games are on tap — one of them to be played here.

Stanton Junior High, which opened its season with a 20-5 loss Thursday to Canyon, will try to even its record when the Dogies take on Dimmitt in Dimmitt at 6 p. m. Thursday.

La Plata Junior High opens its 1967 season by entertaining Canyon in Hereford at 6 p. m. Thursday.

The high school "B" team opens its season at 8:30 p. m. Saturday at Nazareth, while the Junior Varsity has an open date. The JV's were scheduled to play Portales, N. M., in Portales Saturday morning.

Use those fresh peaches as soon as they are ripe. If they develop brown spots, you'll find this decay spreads rapidly.

Deadline Near For Voting On ASCS Committeemen

Wednesday is the last day for voting in the election of Agricultural Stabilization and Conservation County Committeemen, Frank J. Bezner, chairman of the ASCS, has warned.

Ballots, which were mailed to eligible voters of record Sept. 7, must be returned to the ASCS office no later than Wednesday.

Farmers who are eligible to take part in one or more of the farm programs which the committee administers are listed as qualified voters. Lists of eligible voters in each community are available for public, at school cafeteria 5:30 to 7:30 p. m.

lic inspection in the ASCS office.
Anyone who did not receive a ballot and thinks he is eligible to vote should contact the ASCS office immediately.

To be elected as committeemen are three regular members and two alternates. The chairman, vice chairman and third regular member of the elected ASC community committee also will serve as delegates to the county convention of Sept. 27. At that time, farmers will be elected to fill vacancies in the ASC county committee and the committee's chairman and vice chairman will be chosen for the coming year.

The county convention will be held at 8 p. m. at the ASCS

Mrs. Schroeter To Attend Denver Meet

Mrs. Margaret Schroeter, co-owner, A. O. Thompson Abstract Company, Hereford, Texas is one of the nation's titlewomen who will be attending the Annual Convention of the American Land Title Association, September 24-27, at the Denver-Hilton Hotel, Denver, Colorado.

These are the men and women who search the public records; who maintain geographic indices; who spend days, months, and years poring over old files and ancient documents, county office.

Bezner stressed that farmers sign the statement on the back of the outside envelope containing the ballot for the community committee election. The statement is a certification that the ballot was marked by the farmer personally without undue influence by any person.

The Sunday Brand, Hereford, Texas, Sunday, September 17, 1967 tracing the titles to real estate.

The ALTA, whose members number more than 2,400 abstractors and title insurance companies, located in each of the 50 states, will be treated to a well-balanced program of Land Title Problems, Real Estate, Economics, Law, and Finance.

Distinguished guest speakers, scheduled to address the Convention, include:
Walter B. Raushenbush, Professor of Law, University of Wisconsin Law School.
Dr. Alex J. Simon, Assistant Dean, School of Business, University of Colorado.

J. Pennington Straus, Esquire Schnader, Harrison, Segal & Lewis, Philadelphia, Pennsylvania.
Dr. William Freund, Chief Economist and Executive Director Investment Research, Prudential Insurance Company of America, Newark, New Jersey.
Clair A. Bacon, President-Elect, Mortgage Bankers Association of America, Denver, Colorado.

Former Michigan State varsity swimmer Pete Williams won the 400-meter individual medley in 4:50.8 at the 1967 National AAU outdoor championships.

---	---	------------------------------------

By MELVIN YOUNG

Hereford Hardware is this week celebrating its 20th Anniversary in Hereford, according to Don Zimmerman, owner of the firm. The Zimmermans came to Hereford in 1947, purchasing the store from Homer Henslee.

Free coffee will be served all week and free demonstrations will be held on various merchandise (see advertisement elsewhere in this paper) and many door prizes will be given away.

The Zimmermans invite all their friends and customers to drop by during the week, whether it's to buy something or just visit.

Maurice Tannahill has just re-

turned from a trip to Chicago where he visited his son Gary, a student at the University of Chicago. And in spite of the fact that the winds blow and the dirt sometimes fills the air out here in West Texas, Maurice is fully convinced that it's still the best place in the world to live.

Gary was kidding his father about the West Texas weather, during the visit, and like an old pro, Maurice took it all in stride. He knows this is the greatest place on earth to live, and took Gary's kidding with only a mild argument. A few days after his return to Hereford, his faith in the city was confirmed. Chicago had been covered by the worst smog in years and the city Air Pollution Control Bureau likened its effect to smoking 3 packs of Cigarettes per day.

According to the story that Gary clipped out of one of the Chicago papers, the amount of sulphur dioxide in the air on this particular day measured 50 parts per million at Hyde Park, the area in which Gary lives.

The U. S. Public Health Service says there is a potential health danger any time the sulphur dioxide count is 10 more than one per cent of the time. At no time should the count be 20 or higher, according to the bureau.

The air also was bad for hay fever sufferers. The ragweed pollen count averaged 149 grains per cubic yard of air, well above the average count for the date.

So the next time you smell the feed yards, forget it — it's a lot better here than in Chicago.

Charles Skinner was rather elated the other day when we visited with him. Charles made a hole-in-one on the No. 5 green at John Pitman Municipal Golf Course. Charlie was using a wedge and hit the ball approximately 145 yards for the bulls-eye.

And it looks as if politics will be starting early this year, with the announcement last week of Preston Smith, candidate for Governor, and the announcement in today's paper that Bruce L. Miller will seek the position as Judge on the Court of Civil Appeals in Amarillo to fill the vacancy arising from the retirement of Judge Alton Chapman.

Miller has been practicing law in Hereford for the past 18 years and is currently serving as County Attorney for Deaf Smith County.

Miller has been active in civic affairs since coming to Hereford.

Grain is beginning to trickle in at local elevators but according to the men who should know, very little will be harvested before the 1st of October. Grain sorghum is the largest crop grown in Deaf Smith County, and if predictions are correct, it should give the economy quite a boost. According to a release from the Grain Sorghum Producers Association, the 1967 grain sorghum crop is predicted to be the largest on record this year at an estimated 821 million bushels and could also reap the producer record prices and income.

Meanwhile, elevator operators are urging farmers to make sure their grain is ready before cutting too many loads.

And here's an item that caught our attention.

Whether Congress should decide that a herd of 600 cows deserve the description of sacred cows is questioned by the Chamber of Commerce of the United States.

A number of congressmen apparently felt it more important that the Annapolis Naval Academy continue to run its own dairy than to spare the taxpayers \$84,000 a year, the business federation observes.

That's the sum the General Accounting Office said could be saved if the Naval Academy got out of the dairy operation and bought its milk products from a commercial firm.

By a voice vote, the House of Representatives said "no" to a phase out and closure of the dairy. The vote came after the House heard a contention that to break up the cow herd would blast the morale of the Navy midshipmen.

So if the Senate goes along, not even the White House, let alone the Pentagon, can get rid of the cows — and expense — without an act of Congress.

Education, we're told, is a process between 4 and 16 years of age. At 4 we have all the questions and at 16 we have all the answers.

No Races Today At Speedway

There will be no races today at the Hereford Speedway as drivers prepare their cars for the Championship Races and Demolition Derby — both to be held Sept. 24.

Races begin at 3 p. m. with admission being \$1 for adults and children free when accompanied by an adult.

Drained canned apricot halves make a delightful salad to serve with baked ham. Arrange the apricot halves on lettuce, fill their cavities with slivered toasted almonds and serve with homemade boiled dressing.

Drivers To Be Honored For Safe Driving

Five men, all truck drivers for Crowe-Gulde Cement Co. of Hereford, will be presented awards at that company's annual employees' picnic and barbeque to be held at Thompson Park in Amarillo on Sept. 17. As of May 1, each of the men have driven for at least two years without a preventable accident.

Roy Evans has a seven year unmarred record, while Jim Gonzales has six years and Jose Flores has five years without an accident. Roberto Delgado has three years and Felipe Gonzales has two years. All of the men reside in Hereford.

These men will be presented safe driver pins and certificates at the special ceremony at which approximately 450 to 500 persons are expected to attend.

Local Elks To Host Regional Initiation Team

Hereford Elk's Lodge will host a special team of regional initiation members from Borger on Sept. 23 when the local lodge holds ceremonies here. Headed by B. D. Scott, Past District Deputy, the Borger team is one of the top three in the area.

Twelve Hereford candidates will be initiated into the lodge at the specially called meeting. Prominent guests who are expected to attend are State President of Elk's Lodge Virgil Sharp and wife of Borger, and District Deputy Exalted Hule Gifford Preston and wife of San Antonio.

150 Elks from lodges in Pampa, Amarillo, Lubbock, Childers Plainview, Borger, and Hereford are expected to attend the event which will feature a barbeque at 7 p. m., with the initiation ceremony itself to begin at 9 p. m., and entertainment to follow.

The Elk's Lodge is a public service organization with unrestricted membership, and has 73 members in Hereford. Their primary goal is the support of the Crippled Children's Hospital near Gonzales, Tex.

Ever make quick cheese bread? Cut a loaf of French bread into slices but not all the way through. Spread the slices with a mixture of grated cheddar cheese, mayonnaise and paprika. Bake in a moderate oven on a sheet of foil until very hot — 20 to 30 minutes.

A STRONG AMERICA with Rural Electricity...

Thanks to consumer-owned rural electric systems, more than 580 defense installations, from radar listening posts to atomic missile sites, could be located in remote areas of the country.

Without an ample supply of electric power, their strategic placement would have been much more difficult. Rural electric systems are helping to keep America's defenses at peak efficiency, and are contributing to our national security.

SCS SECRETARIES VISIT FIELDS — Secretaries and clerks for the Soil Conservation Service in Amarillo got a first hand look at how the SCS field employees operate Wednesday when they studied soil conservation practices in Deaf Smith County. Wilton Green of the Hereford office explained the sugar beet crop as Johnny Whitman, area SCS clerk, and the women look on. They are, left to right, Mary Jones, Annette Moore, Linda Ingram and Emma Davis.

Wilkins Attends Austin Confab

Cecil O. Wilkins, Veterans County Service Officer for Deaf Smith County is now attending the 20th Annual Statewide Rehabilitation Conference for Veterans Service Officers, which is being held at the Austin Hotel in Austin, Texas September 11-14, 1967.

This Conference is being conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas. The purpose of the meeting is to offer Service Officers from the entire State of Texas an opportunity to gain first-hand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors. Topics to be discussed during the four-day Conference include disability compensation and pension, Government insurance, GI loans, Education and training for veterans and medical treatment, and veterans employment and reemployment rights.

Conducted annually, this Conference serves as an in-service course of training for all National, State, County, Post and Chapter Veterans Service Officers.

Roy Jowell and Mrs. Jeff Robertson.

ASSISTANCE IN PROGRAMS of younger groups has been a part of her Camp Fire work several years. In high school she was a member of the Student Council and National Honor Society, president of the FNA as a senior, a member of Thespians and Tri-Hi-Y.

Chosen senior class favorite, she was runner-up as personality queen. She is going to Texas Christian University this year on an academic scholarship.

With water safety aid and senior life saver rating, she taught Red Cross swimming classes the past four years. Jean was on the Community Center Teen Council last year. She has done part-time work in a photographic studio here.

Her activities in First Christian Church include service on committees, work in vacation Bible schools, acting as secretary in the CYF and attending youth camps.

Pvt. E-3 Jerry E. Tucker

Pvt. Tucker Receives Letter Of Appreciation

Pvt. E-3 Jerry E. Tucker of the 591st Military Police Company Ft. Bliss Texas, has shown outstanding ability in performing the tasks required of a custodial guard at the Center Stockade of that base, according to a letter of appreciation sent by 2 Lt. Walter M. Symonds, Ass't Confinement Officer there.

Symonds stated that Tucker, a 1965 graduate of Hereford High School, has responded in a mature manner to the challenging problem of dealing with a prisoner population at the stockade.

"While it is with regret that we lose capable custodial personnel, in this case, it is with the knowledge that our military effort in Viet Nam cannot help but be furthered with American soldiers of the moral and physical caliber shown by Tucker," wrote Symonds, referring to Tucker's transferral to Viet Nam.

Don't discard the leafy tops of celery! Put them in a plastic bag in the refrigerator and use for flavoring soups, sauces, stews. Chop some of them fine and add to a tossed green salad.

Drop Outs Face Rough Sledding On Labor Front

There are 2 million 16-21 year olds in our labor force today who chose to drop out of school without a diploma, Lester H. Rape Texas Employment Commission Manager, said here today.

There will be 32 million adults in the labor force without a high school education by 1975 if the current dropout rate continues, according to the TEC official.

"Many school dropouts face a lifetime of dull, low-paying jobs — or no jobs at all, since drop-

outs have an unemployment rate of 13 percent — more than 3 times the rate for the whole labor force," Rape said.

In terms of dollars and cents the picture for dropouts isn't any brighter, he points out. A teenager leaving school before graduating can expect to earn \$1,000 less per year than the person who stays and gets a diploma.

"If this country is to continue its growth, we desperately need qualified — and that means educated — people who can take on the new skilled jobs being created every day," he declared.

The President's Council on Youth Opportunity has launched the 1967 Stay-in-School Campaign to convince all young people of the importance of a good

education in their own lives and for the future of their country. "If you are in school, stay there and get at least a high school diploma," Rape said.

He urges adults to encourage out-of-school youth to go back to school this fall. "Keeping youth in school is the best investment in the future that any of us can make," the employment official concluded.

Easy way to make coconut custard pie: fill a baked pie shell with vanilla pudding-and pie filling mix, but do this just before serving so the crust will stay crisp. Add a topping of toasted coconut. Good served with summer's fresh fruits — sliced pears, strawberries or blueberries.

Wohelo Medallion

Three Earn Rare Award

Two years of intensive training and practice have culminated for a trio of Hereford Horizon Club members in achievement of a special award, given only rarely in the national Camp Fire Girls organization because its requirements are so high.

CHARLOTTE HILL, Cynthia Knox and Jean Roberson have been awarded the Wohelo Medallion, conferred just before they left recently, each for a different college campus. The three were 1967 graduates of Hereford High School.

Fulfilling requirements for the medallion, says the Horizon Club handbook, "is a very personal achievement. Its significance is in the kind of person you are because you have looked at yourself, related to others and explored the deeper values of life."

Its name is taken from the Camp Fire Girls watchword, Wohelo, formed of the first syllables of the words, work, health and love. The Horizon Club is the Camp Fire organization for girls of high school age.

WORK ON THE AWARD is not related to the attainment of Camp Fire rank or honors; it goes beyond these to special goals aimed at helping the girl better understand herself and her place in the world, her relation to other people and communication with them, her practice of leadership and understanding its importance in a democratic society.

At least two years must be spent in meeting 12 requirements chosen from a specified list. Each of five fields must be included, Living Wohelo (concerned with Camp Fire), Mak-

ing the Most of Me (personal improvement), Living in Today's World (social skills and community service), Growing in Leadership (citizenship), Looking to My Future (career choice).

Final requirements were met by the three girls, who incidentally are the second group in the history of Camp Fire in Hereford to earn the honor, when they acted as camp specialists at the annual camp for local Camp Fire Girls in New Mexico this summer.

"**THEY LITERALLY** ran the camp," says Mrs. Lewis Lea, the director. "I felt they could handle any situation and that I was simply a standby. They merited all the confidence I placed in them."

Their last step was to report to an adult committee on their entire two-year program. These reports were made at camp to Mr. and Mrs. John Gooch, Mrs. Earnest Langley, Charlie Bell, Jack Allen and Lewis Lea.

Bell, chairman of the Hereford Camp Fire Board, recognized their achievement at the last ceremonial held in the camp. Each girl will receive a gold medallion to wear as a pendant as well as a certificate.

ALL THREE GIRLS have been in the Camp Fire program here since, in the second grade, they were eligible to enroll in the younger girls' organization, the Bluebirds. They were in Cuntinta Horizon Club, with Mrs. Lea as leader, the past year.

Charlotte, daughter of Mr. and Mrs. O. G. Hill Jr., was a member of the National Honor Society as a high school senior, served as president of the Tri-Hi-Y, was a member of Future

Teachers and secretary of Nurses Association. In her latter organization, she is a "pink angel" volunteer at Smith County Hos-

pital. She assisted in work with children at vacation Bible in her church, the President and has been secretary of the church youth group. She is Southwest Texan Marcos, where she is a freshman. Her relation to the adults who

have worked with the girls on these special requirements, especially to Mrs. Lea, was emphasized by Charlotte as she summarized her activity.

"Friendships formed with people of all age groups" was cited by Cynthia Knox as her bonus from work to earn the medal. From leading discussions among younger Camp Fire Girls to conferring with board members, she experienced contacts with various ages.

HER SCHOOL MEMBERSHIPS included Thespians, FNA, Future Teachers, Tri-Hi-Y, band and Red Cross Youth. She has also been a member of the Young Democrats. In the Church of Christ she taught a class of two-year-olds.

Actual job experience she gained by working three summers as a long distance operator for the telephone company. Her parents are Mr. and Mrs. Marvin Knox and she is attending West Texas State College this term.

Gratitude for Mrs. Lea's leadership and for all her Camp Fire experiences is expressed by Jean, daughter of the Ed Robersons. She is a member of old-time Hereford families; her grandparents are Mr. and Mrs.

Miles Street Is Scene Of Wreck

Miles Street, near the intersection of 8th Street, was the scene of a two-car accident early Thursday morning which resulted in approximately \$400 damage.

Officers said a 1966 Ford Mustang owned by James H. Hoffmann of 708-B Miles was parked at the curb in front of his home when it was struck in the rear and knocked over the curb and into the front yard at 710 Miles.

Also involved in the accident was a 1959 Pontiac driven by Jean Sturdivant of 627 Avenue H. There was an estimated \$200 damage to each vehicle.

Police were told that the accident occurred between 8 p. m. Wednesday and 7:30 a. m. Thursday. Citations were issued for causing a negligent collision by striking a parked vehicle and for leaving the scene of an accident without leaving information.

TREE FIRE — Much excitement was created at St. Anthony's Church Wednesday afternoon when an evergreen tree caught fire. The Hereford Volunteer Fire Department answered the call with all units, but the fire had been extinguished with a water hose when they arrived. How the fire started was a mystery, but firemen thought someone could have dropped a match or cigarette under the tree and it caught afire.

Locally Bred Beef Bull Named Certified Sire

C. Real Domino Al, a Hereford, has qualified as a Certified Meat Sire under Performance Registry International standards. Dr. R. H. White, Director of Armour and Comment (BCI) Research Division announced today from Chicago.

This four-year-old was bred by Jack Renfro of Hereford, Texas. He is now owned by Armour-BCI.

Eight other sires, including four Herefords, three Polled Herefords and one Scotch Highland, also qualified. This brings the total to 37 for Armour-BCI and represents the greatest number for any one organization.

To gain this distinction, the bulls first had to pass the new, rigid Armour-BCI ultrasonic and photogrammetry tests. Next, they had to complete successfully the extensive progeny tests under the Armour-BCI program at the Diamond C Ranch, in Texas.

For a bull to qualify as a Certified Meat Sire, his progeny must meet the following stand-

- ards:
 - Rate of gain at least 2.15 pounds per day of age (or 1.25 pounds of dressed carcass weight per day of age)
 - Dressed carcass must weigh at least 475 pounds.
 - Age not to exceed 480 days.
 - Rib-eye area of at least 2 square inches per 100 pound of dressed carcass weight.
 - Marbling score of "Small" or greater.
- "The progeny in these certification tests," Dr. White says, "were not creep-fed as calves, and their 140-day feed-gain tests were conducted in a regular commercial feedlot."

SIGNS MUST BE UNDERSTOOD
Since August 28, 1967, a driver's license may not be issued to any person unable to understand highway warnings or direction signs printed in the English language. This safety measure is long overdue, according to TEXANS FOR TRAFFIC SAFETY, who point out that a warning sign that is not understood can actually contribute to an accident.

Farm Problem Critical Says Congressman Price

In a series of Town Hall meetings at Silverton, Quitaque and Memphis Saturday, Panhandle Congressman Bob Price said the farm problem, next to the war in Vietnam, was the most critical of the nation faced and one that had to be solved. "Even the over-crowded and explosive situation in our cities is largely a result of drastic changes that have taken place in our agricultural economy during recent years," Price said. "The continuing deterioration of farm income in times of rising prices and so-called prosperity are driving more people from farms and small towns into already over-crowded and slum-ridden cities with unemployment problems of their own."

and feed grains back into the market at 115 per cent of the loan level plus carrying charges which, in the case of wheat is \$1.44 per bushel and about what the domestic market price of wheat now is. "Under our proposal — and the Secretary has the authority to do this — government-owned wheat would be sold for not less than \$1.87 per bushel and grain sorghum for not less than \$2.58 per cwt. I sincerely feel that the Secretary of Agriculture could materially improve the present grain price situation if he would do this," Price said. "In connection with a series of 'shirtsleeves' meetings the Department of Agriculture has conducted on the 1968 cotton

program, Price said he believed that skip-row penalties should be removed for 1968. He said he agreed with recommendations that had been made by south plains cotton growers that the Department of Agriculture should adopt pricing policies and take all action necessary to re-establish and maintain a fair historical share of the world market for U. S. cotton. "Cotton exports have continued to decline during the past six years and drastic reductions in the U. S. crop have been necessary to manage the surplus," Price said. "Skip-row planting will raise more and better pounds of cotton and a better quality is what we need."

"Secretary of Agriculture Orville Freeman recently testified before a housing committee in Congress that deterioration in rural America feeds blight in cities and while I might not agree with Secretary Freeman on the means of accomplishing renewal and redevelopment of rural America, I agree wholeheartedly that it must be done. Price said that a record U. S. crop of 1.5 billion bushels plus a world crop that was bigger than predicted had pushed wheat prices down. He said he and the other Republican members of the House Agriculture Committee's Subcommittee on Livestock and Grains had recently urged the Secretary of Agriculture in a letter to raise the price at which the government sells wheat to full parity minus the value of domestic certificates paid for by wheat processors. They also asked the Secretary to raise the government price on feed grains and soybeans to 100 per cent of parity.

"We pointed out," Price said, "that the present policy of the Commodity Credit Corporation is to sell its stores of wheat. FOOT ODOR HOW TO KILL IT. CAUSED BY A GERM. Kill the germ you kill the odor. Supper Has Air Of South Seas

Atmosphere of the South Seas was evident in decor for Calliopean Club's meeting which initiated a new season Thursday evening. It was in the home of Mrs. Wes Owen, social chairman, with Mmes. Hazen Woods, George Warner, Gene Parsley, M. W. Nobles and A. T. Mims on the hostess committee. Subject of the program was Americanism, and decoration was in the theme of the 50th state. A guest, Mrs. George Olson, read a poem and presented a recording by a youth group, both in a stirring patriotic mood, using a large U. S. flag as a background. Brightly flowered mu-muus and sarongs were worn by hostesses and guests, fitting into the colorful setting for the supper. A palm tree stood beside the buffet, which was backed by draped nets with starfish, shells and fish cutouts. Quartet tables were centered with candles and citrus fruit on cloths of avocado and citrus colors. Hawaiian scenes were printed on the napkins. Mrs. Woods, yearbook chairman, gave members the new books and briefly sketched the

season's program which has the general theme, "Que Pasa?" or "What Is Happening?" It will explore varied aspects of contemporary life in twice-a-month study programs. Working on the committee with Mrs. Woods were Mmes. Cameron Gault; Gene Parsley and M. W. Nobles. Mrs. E. W. Dettman is president of the club this year. Other members present included Mmes. Irving Alexander, B. F. Cain, Clyde Cave, Paul Conaway, C. J. Crump, Alton Fraser, J. T. Gilbreath Jr., Roy Grubbs, Sue James, Ansel McDowell, D. C. McWhorter and Emmett Milburn.

VISIT IN HEREFORD Former Hereford residents, Mr. and Mrs. T. M. Deever of Clearwater, Fla., and their daughter, Mrs. Stephen Swan of Houston, are here for a few days visiting friends and staying at the Red Carpet Inn. They plan to leave Monday.

Lithography — Letter Press Office Supplies — Printing THE INK SPOT

Subtle Humor Several authors and a cartoonist have contributed divisions of the book on humor about Steve Allen entitled **Bigger Than a Bread Box**. Though Allen is compared to various humorists he is unique. He is a versatile man with more than comedy to his credit. Allen has written eleven books, is also an able musician, has acted on stage, T. V. and

headed programs on radio. Throughout his career he has been a friend to new comers of the theatre arts, and has been instrumental in aiding them in their careers. Some of them are well known today: Andy Williams, Steve Lawrence and Eydie Gorme team and the popular Smothers Brothers. Allen's wife, Jane Meadows says that he is as funny off stage as on and that he loves the play on words more than the biting kind of humor. Some people consider him a bit of a satirist. In this he shows quiet reflection and a lightning-quick analysis. And he admits that he sees and hears many funny things which most people miss. Another book, not so subtle in humor but hilariously funny, is Art Linkletter's newest **OOPS or Life's Awful Moments**. There are so many humorous incidents told that no one can read it without finding at least a few that bring a laugh. It is the funniest one yet! Corinne J. Neely

McKee Receives Promotion At Vietnam Base

SAIGON, VIETNAM (AHTNC) — Gary H. McKee, 22, son of Mr. and Mrs. C. W. McKee, 411 Avenue J., Hereford, Tex., was promoted to Army sergeant Aug 25 while serving with the 459th Signal Detachment at Tan Son Nhut Air Base, Vietnam, near Saigon. A very high frequency radio operator in the detachment, Sgt. McKee entered on active duty in February 1966 and was stationed at Ft. Gordon, Ga., prior to his arrival in Vietnam in July 1966. Sgt. McKee is a 1963 graduate of Hereford High School. Southern Methodist started the football season with an 83-man squad.

Letter To The Editor

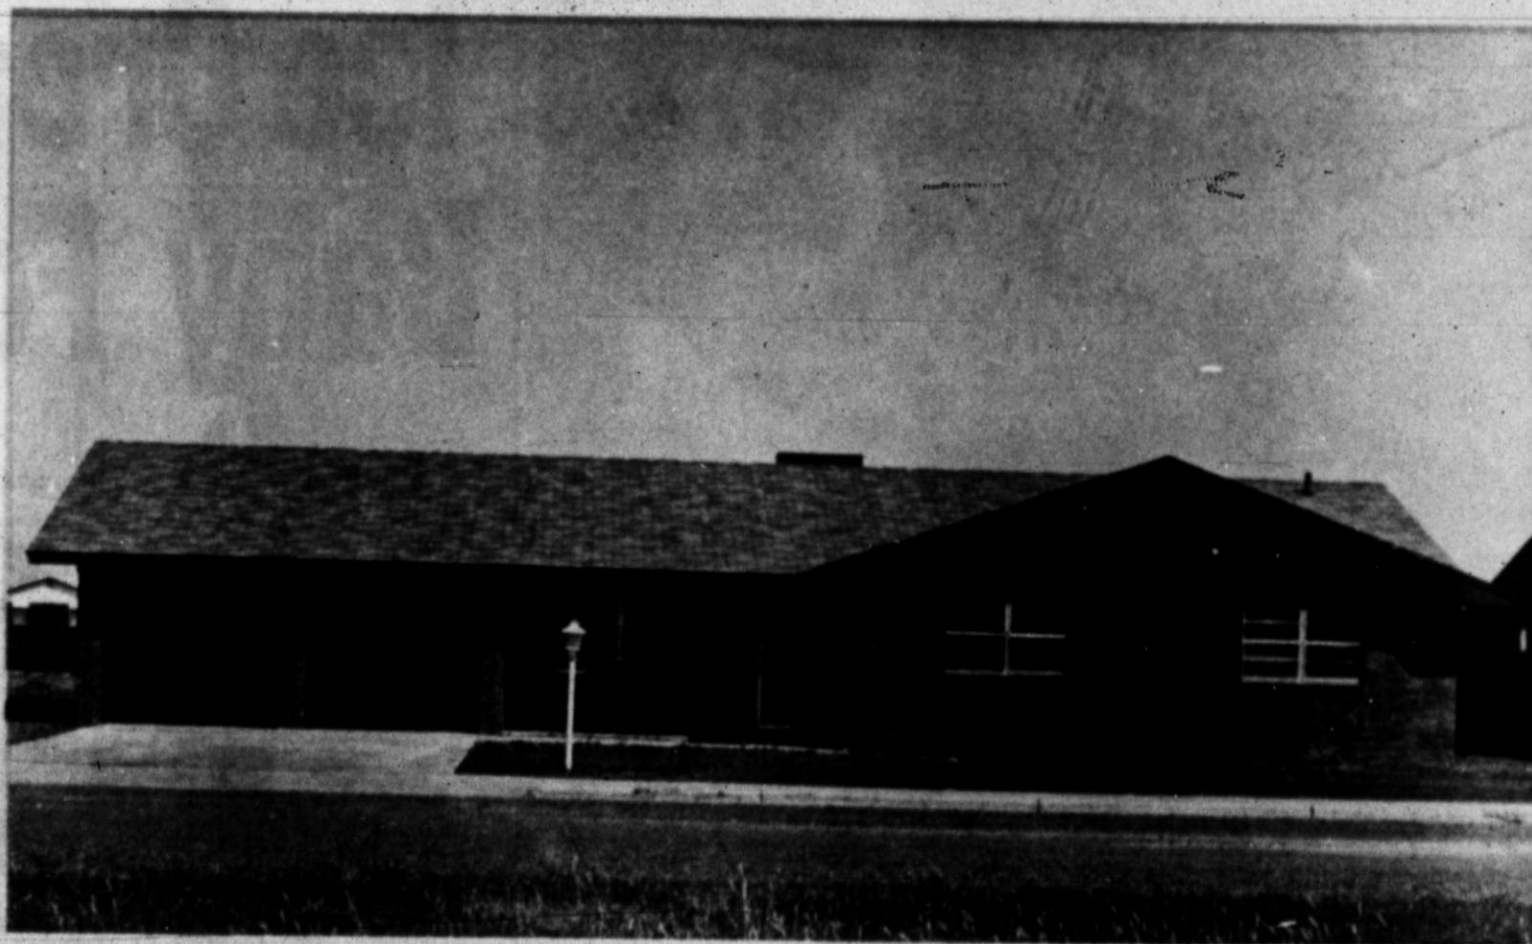

Dear Editor: After reading the letters criticizing the Brand for selling advertising for topless waitresses, we wonder whether these same writers have complained to the local merchants for selling pornographic literature? In our opinion this is more damaging to the morals of our own community than events taking place in another city. Complaining never accomplishes anything, we need ac-

tion! Won't you get behind our Committee for Decent Literature? Let's clean-up our news stands. Mr. and Mrs. George Tiefel Dear Editor: I haven't had a chance to verify this, but I heard that since you printed those letters to the Editor Thursday, business has picked up so much for a certain restaurant in Clovis that the manager has charitably offered to supply waitresses for the letter-writers' next church affair. WOHELO MEDALLIONS are special awards given by the Camp Fire Girls organization to members of Horizon Clubs, groups for high school girls, who complete at least two years of required work and study based on community service and personal development. So exacting are the requirements that few of the medals are awarded.

THREE GIRLS enrolled in Cuntinta Horizon Club here received the rare awards this month. Dressed for activities which helped them fill the requirements are: from left, Cynthia Knox, a "pink angel" in Deaf Smith County Hospital typifying community service; Charlotte Hill, high school cheerleader, school activities; Jean Roberson, modeling for a local dress shop, employment experience.

Small Talk

By SUE COLEMAN
 One of the pleasanter aspects of my job is an occasional picture-taking session and interview with an older person — I mean one past 90 years of age — whose zest for life makes me feel plumb lazy.

PERHAPS THIS TEST and the energy that goes with it, is the secret of long life. At any rate it seems to be the thing that makes people happy at whatever age.

F. H. Oberthier, Mrs. Lee Kendall, Mrs. Ruth Lewis, R. M. Gunn, Mrs. G. H. Pinkerton of Garcia community are among those I've talked with in the past year, all of them looking and acting at least 10 years younger than their over-90 age.

They sort of make you wonder if they are fudging a bit on their age, and I don't mean by saying they are younger. Of course lots of people subtract a few years when they get past 30, but when they get past 90 maybe there is reason to go the other way and add a few.

THINK I'LL USE that system, so when I'm 82 and add five years people will say, "My my! Doesn't she look young for 87!"

A visit with Mrs. Rosa Speer

on her 96th birthday Thursday was what started me thinking of people who act younger than their years. She always has her beautiful white hair dressed so she is ready for a birthday picture, and is full of plans for seeing friends and going to a family dinner.

Meeting her daughter, Mrs. Warner White, I learned of her plans to move here and make her home with her mother. She has been in Hereford a great deal of the past year, and has visited so often during the years Mrs. Speer has lived here, that she feels quite like a resident although she has maintained her home in Forsythe, Mo.

Now she will become a Hereford resident officially, and has many friends in the city to welcome her.

WHEN HEREFORD women, along with those from over the Panhandle at the district Federated Club convention in Amarillo last spring, heard the Dallas woman lawyer, Hermine Tolobowsky, speak on the inequities of Texas law concerning women's rights, they were impressed enough to want to bring her here to repeat the talk.

She will speak at the luncheon Sept. 29 which opens the season for Deaf Smith County Federation of Women's Clubs, and the public is invited to hear her.

That invitation goes for men as well as women; in fact, the club women would especially like for men to hear Mrs. Tolobowsky as she points out how heavily Texas laws are weighted in men's favor.

THE FIERY WOMAN lawyer has been telling men — and women — of the state about it for years and has been a one-woman lobby at sessions of the Texas Legislature, pushing for an equal rights bill.

Although the blanket law has never gone on the books, her efforts and those of others who agree with her have resulted in a number of specific laws giving Texas women more control of their property and their children.

Originally, the state had the old-time idea that a woman's property, wages, children and person should be managed by her father if she was unmarried, and her husband if she was.

MODERN WAYS, with women owning, earning and spending most of the nation's wealth, have made that attitude obsolete but Texas law hasn't changed enough to meet the situation. And what infuriates Mrs. T. is

PERSONALS

by Penny

Mrs. W. J. Messick of El Paso, former Hereford resident and her sister, Miss Blanche White of Plainview, have been visitors in the home of Mrs. William McGehee, of 504 N. Miles.

College talk is at its peak again as new students eagerly await the date of their departure and the old students look forward to another year of work, fun and excitement. Some of the students leaving for college for the first year and students returning are:

Nancy Smith and Pam Winget are attending Arlington State in Arlington. They are freshmen. Gary Stoy, a freshman, is attending Amarillo College in Amarillo. Cynthia Knox, Gwen Cargo, Carol Moore, Donna Hill, Darrell Flood, Jim Marcum, Gene Sparks, and Gregg Banner all freshmen are attending West Texas University in Canyon this year.

Steve Knox, a sophomore has left for Abilene Christian College, Robby Lemons, Donna Hill, Tony Beachum, Larry Noland, Ken and Nate Stark and Beverly Packard are all attending South Plains in Levelland as freshmen. Ronnie Roberts, Debbie Banks, Linda Lynch, Gene Brashear, Dennis Latham, and Laura Higgins are to attend Tech. Ronnie and Debbie are sophomores this year and the others are entering for the first time as freshmen. Jack Aikin, high school valedictorian is attending MIT this year as a freshman. Gerald Witkowski is planning on entering A & M and is attending for his first year.

Kathy Pool, David Hill, Jo Poarch, and Bill Watts are attending Eastern New Mexico at Portales; Bill and David as sophomores and '36 and Kathy as freshmen. Wynn Buck, sophomore; Larry Fuhrmann, junior; Chris Meredith, freshman and Mike Harvey, sophomore, are attending the University of Texas.

Gregg Richards is going to attend the Sam Houston State College in Huntsville, and Steve Hodges, Roger Owens, Jerry McCathern, and Kerry Thompson are attending University of Houston, Steve, Roger, and Jerry are returning as sophomores. Merle Carmichael and Jan Cole are both returning to Baylor; Merle as a junior and Jana as a sophomore. Jim Brink, Phillip and Frank Cain, and Jean Roberson are to attend TCU this year. Jim and Frank are both juniors. Phillip and Jean are freshmen. Gale Newell is attending Oklahoma Southwestern University and Cindy Loerwald is attending the University of Albuquerque.

Charlotte Hill will begin her college years at Southwestern State College at San Marcus and Kyle and David Kendall are returning to Weatherford, Oklahoma for college. Tom Lesly is attending Wentworth Military Academy in Lexington, Mo., and Claudia Loerwald is training at St. Anthony's school of nursing in Amarillo.

Club Breakfast Recalls Hawaii

Mats were placed on the floor in a verdant setting suggestive of Hawaii, to seat members of La Madre Mia Club for breakfast in the home of Mrs. Bill Lankford Thursday morning.

Leis were presented the women as they arrived. A mass of carnations and greenery centered the serving space, and large paper flowers in vivid colors brightened the room which had nets draped from the ceiling. Colorful paper dishes and wooden trays were used to serve the meal.

Hostesses dressed in muumuu, were Mrs. Harvey Penner, club president, and Mmes. Lankford, Ron Zimmerman and Wayne Lady, members of the yearbook committee.

They distributed the new yearbooks, which outline a program with emphasis on education of children — and — sidelights on other subjects of interest to members. Also listed are social events of the club year, annual Christmas and Valentine parties and a guest day book review.

Possible projects for this year were discussed and one will be chosen soon as the principal interest of members. A rummage sale was scheduled Sept. 30 in the vacant building at the corner of Main and Third.

Victory Class Meets At Lunch

At a luncheon Thursday, members of Avenue Baptist Victory Class revealed secret pals and drew names of new pals. They lunched at the Hickory Log Restaurant.

Present were Mmes. Marvis Southward, Charlie Riggan, LeRoy Rickman, Billy Wall, Carolye Sargent, Clois Kemp, G. W. Duncan and Johnny Townsend.

CORNER DRUGSTORE SCENE — For its initial fall meeting Lone Star Study Club was entertained at a Coke party in the home of Mrs. Ed Warren, where rooms were arranged to simulate departments in an old-fashioned drug store, complete with soda fountain. Refreshments were served in this setting; hostesses, wearing "soda skeet" caps were, from left, Mrs. Vivian Major, Mrs. Warren and Mrs. Bruce Brown. Seated at the foreground table are Mrs. Hardy Benson, new club president, and Mrs. Jim Bookout.

Grandchild Lately-Married Couple Of Hereford At Home In Amarillo People Weds

Returning from a honeymoon in the Missouri Ozarks which followed their marriage in Amarillo Sept. 9, Mr. and Mrs. Gary Earl Givens will be at home at 4624 Hayden, Amarillo. Both are senior students at West Texas State University, Canyon.

Mrs. Givens was Miss Lindsey Rose Dowell, daughter of Mr. and Mrs. R. L. Dowell Jr. of Amarillo, granddaughter of Mr. and Mrs. R. L. Dowell, 200 Whiteface, and the late Mr. Rose. The bridegroom's parents are Mr. and Mrs. Earl Givens of Amarillo.

Dr. W. H. Vanderpool read the ceremony in Polk Street Methodist Church. Miss Delyse Dowell, sister of the bride, was maid of honor and Robert Givens, brother of the groom, the best man.

The bride's gown was a cage of Chantilly lace over silk bombazine. She wore a diamond lavalere which had belonged to her great-grandmother, the late Mrs. L. R. Bradley of Hereford and was worn by her mother as a bride.

Guests for the wedding and the following reception included Mr. and Mrs. W. King, Mr. and Mrs. D. King, who flew down from Ohio in their own plane for the wedding. They and the bride's parents have been friends since World War II years, when the men were in fighter pilot training and European service together.

Sale Held At Start Of Club Season

Luncheon in the home of the president, Mrs. Billy Bell, began a new club year for Mon Amis Study Club Wednesday and the unusual program was a sale of articles made by the members.

Each brought an article for the sale, which replenished the club treasury to start the season. A rummage sale was tentatively planned for further fund-raising.

Yearbooks were presented by Mrs. Bell for examination and general discussion of programs.

Present for the covered dish lunch were a new member, Mrs. Ruth Sims, and Meses. Kenneth Christie, Dale Christie, J. D. Greeson, Bob Noland, Jack White and Raymond Wiley.

Program Given By Discussion In Bippus Club

All the members of Bippus Home Demonstration Club who attended the first fall meeting Wednesday in the home of Mrs. Phillip Miller, contributed to the program discussion on storage of out-of-season clothing.

Suggestions were to leave clothing on hangers when possible, except for knit garments which should be folded, to use padded hangers, to protect clothing from moths with repellent chemicals or newspapers.

Yearbooks for the remainder of 1967 were completed by listing hostess and program assignments. Mrs. C. F. Burk presided for business and announced that the next meeting, Oct. 11, will be a luncheon in her home.

Visitors were Mrs. Jack Weaver and Mrs. Miller. Other members were Mrs. J. G. Fortenberry, John Hill, Wayne Sifford, G. V. Hall, Elmo Hall, J. V. Perrin and Jimmie D. Bradley.

Exactly what is chutney? It's usually a combination of fruits and vegetables cooked with sugar, vinegar and spices. Chutney is a "must" with curries and is an excellent relish to serve with other meat, fish or egg dishes.

Mrs. Ron Richardson ... nee Miss Tawana Jones (Angel Photo)

A cluster of lace petals outlined with seed pearls held the illusion veil which fell over her shoulders. She carried white roses and tangerine carnations. Feminine attendants all wore floor length dresses of tangerine satin with long white gloves. Their flowers were nosegays formed of tangerine feathered carnations circling giant white mums. Mrs. Wayne Jones was dressed in a coral sheath with black accessories and a white orchid corsage as she registered wedding guests. Those from other cities included Mrs. David Carthel of Amarillo, Mrs. Troy Gandy of Boys Ranch, Mrs. Jim Milsap of Plainview. Mr. and Mrs. Richardson left immediately after the wedding on the honeymoon trip. She is employed by Southwestern Bell Telephone Co. at Amarillo, and attended Hereford schools. He attended high school in Pateros, Wash. before he joined the U. S. Air Force in May of 1966.

COUNTY THDA DELEGATION — Representing Deaf Smith County Home Demonstration Clubs at the annual Texas H.D. Association convention at Fort Worth Tuesday and Wednesday will be, from left, Mrs. J. E. Sorrells, county delegate; Mrs. Paul Hoff, county THDA chairman; Mrs. A. E. Hodges, THDA treasurer, and Argen Draper, county H.D. Agent who has been chosen as the agent to go from District I. Mrs. Viola Williams will go as a visitor.

BSP Area Meet Trip Is Planned

Attendance at the area convention of Beta Sigma Phi in Amarillo Sept. 30 and Oct. 1 was planned in Hereford City BSP Council at a meeting in Pioneer Gas Flame Room Thursday afternoon.

Convention headquarters will be at Holiday Inn West. Members here who plan to go for all or part of the meetings are asked to notify their chapter president by Sept. 22.

Mrs. Carl Hollingsworth presided. Other council members present were Meses. Harold Kids, Larry Summers, John Schneider, Rudy Metz, O. H. Majors, Denzil Vaughan, Don Baugous, Nolan Grady, Harold Beauchamp, Max Stipe, R. J. Cramer and Hicks Roberson.

Guest Have Supper With YMS Club

Guests were entertained at a salad supper which opened the fall season for Young Mothers Study Club recently in First National Community Room. Mrs. Ray Simpson, new president, and Mrs. David Brumley, vice president, were hostesses. Glances into programs outlined in 1967-68 yearbooks were given by Mrs. Brumley as the new books were distributed to members. A humorous reading, "See Mother Run!", was presented by Mrs. Al Hunter to

complete the informal program. An office vacancy was filled by election of Mrs. Don Brush as treasurer. Special guests were Meses. Travis McPherson, Chesley Johnson, James Dobbs, Jack York, Jerry Hodges, Gary W. Price, Waldo Baxter, Paul Scott and David Hutchins. Members present included Meses. Jim Arney, Lewis Black, Frank Campbell, Don Chapman, Larry Dobbs, Ray Gerk, Jerry Glover, Howard Hunter, Homer Rudd, Charles Springer, Bud Thomas, Lynn Pittard and Joe Mack Hale. Something different and delicious: piping-hot chile con carne served over rice and topped with tiny butterbrowned cubes of bread.

A pound package of dry red kidney beans yield about two cups. During cooking, of course, the beans swell.

Salute To King's Manor

When King's Manor observes its fifth anniversary in Hereford on October 2, the occasion will mark an achievement without parallel in the entire Panhandle.

Continued successful operation of the rest home, in fact is not surpassed by any other institution in the country.

While the rest home definitely reflects a Methodist sponsorship, it has continuously had the backing in money, interest and appreciation of the great majority of people to be found in Deaf Smith County and surrounding territory. This is true primarily because the home represents a community-wide service, and because it has been operated efficiently throughout its history.

Driving force behind King's Manor since its very inception has been its capable executive director, Dr. Don R. Davidson, a former pastor of the Hereford First Methodist Church. Dr. David-

son has devoted his talents and ingenuity to the project; this factor, according to many observers accounts for the home's outstanding success.

Furthermore, we doubt if very many people were surprised to note that the occasion of the anniversary will include a goal of \$25,000 to be raised for the Founder's Association which operates the home. This spirit is certainly in keeping with past history of King's Manor, which now maintains Westgate, a nursing home. Just as progress and initiative have marked the manor's past, we feel sure that they will continue to mark its future.

The Manor, we would say, was founded on faith. It came into existence because a delegation of wonderful people were interested in the people of this territory, and because they were willing to forget all else in an effort to perform a dedicated service for senior citizens of the area. The dream not only came true, but we would say that it has outdistanced the fondest dreams of its original sponsors.

Benefitting most, perhaps, has been dozens of senior citizens who have found comfort, companionship, and enjoyment through residence at the Manor. Through this realization, the entire community has also benefitted extensively.

Consequently, where King's Manor once waited to be proved a gilt-edge community investment, it is now an outstanding success. For this reason, it seems to us, that the foundation will have little difficulty in finding support in the current drive. Certainly, nowhere in the entire nation can one find a more practical or better operated rest home. Furthermore, we doubt if there exists a parallel operation which gains so much enthusiastic interest and public appreciation as the community offers King's Manor.

Nothing succeeds like success, and for this reason all of us can take genuine pride in helping King's Manor observe its fifth anniversary.

Not In Public Intrest

Something new has been added. This time it is strikes by school teachers, policemen, firemen and other so-called "public servants". In many places the process is considered illegal. In all places, it is definitely against the public interest — but it is happening just the same.

A most singular factor of these walkouts, to us, is one which is seldom discussed, and that is a complete new image of the employer. Labor leaders, in the past, have painted corporations as greedy, grafting and indifferent to the welfare of the public. In this instance, however WE are the employers — and we dare say that very few of us will welcome ourselves in this light.

WE, for the first time, are facing some of the trials and tribulations faced by our larger manufacturers and corporations and, like many of them, we are guilty, in some measure. At the same time, like Big Business, many of us are bound to feel that we are to some extent being victimized by over-ambitious labor leaders and organizers.

Meanwhile, millions of boys and girls are being robbed of an education in public schools by teachers who got their basic education from the same source, but deny the privilege to another generation.

Why did it happen? Where will it all lead? These two questions are difficult to answer. Despite the fact that millions of words will be spoken and written on the subjects, we doubt if they will ever be successfully answered. Meanwhile, things will likely get much worse before they get better.

Certainly, strikes against the public interest are a far cry from most concepts of patriotism, compulsory military service, law and order, public education, and love of one's fellow man.

BUT DON'T GO NEAR THE WATER!

...And It's
Funniest Of
All In Bolivia

Ask a member of the Peace Corps about his temporary occupation, and he may be able to give you some straightforward and humorous answers; such was the attempt made by two members of the Corps, who came up with the book "It's Fun To Be In The Peace Corps — And It's Funniest Of All In Bolivia."

Some of the questions and answers, illustrated with superb cartoons, are too good to pass up:

What is the relationship between the Peace Corps and the Foreign Service? (The Peace Corps specializes in providing wives and sweethearts to lonely Foreign Service Officers.)

Why is the Peace Corps living allowance not an unmixed blessing? (Because it prevents Volunteers from drinking but forces them to gamble.)

Why does Peace Corps Bolivia make Volunteers wait four months before it allows them to get married? (Because it believes it is possible to carry the concept of "felt needs" too far.)

What should a Peace Corps Volunteer do when he feels the urge to take a shower? (Ask another Volunteer to come and sit with him.)

Is diarrhea a common thing among Volunteers? (Is the Pope Catholic?)

Why is Peace Corps mail difficult to read? (Because it rarely arrives.)

Do Volunteers ever forget English? (A veces.)

What are conferences for? (To hash over those vital problems that had been forgotten since the last conference and will be forgotten before the next.)

Would male Volunteers rather extend, join the Army, or work for AID? (No.)

Who said, "I regret that I have more than one life to give to my country?" (A returned Volunteer reporting to his local draft board.)

What do Food for Peace and Peace Corps Volunteers have in common? (They're both given away.)

What do Food for Peace and Peace Corps Volunteers NOT have in common? (People always want Food for Peace.)

Peace Corps has been referred to as the "Pest Corps" by someone dropping leaflets in several East African countries; a portion of the text read, "The existence of the Peace Corps and its activity in Africa must arouse the anger and protest of free peoples. It is time the Americans remembered that we have dignity, and that we do not need the teachings and instruction of the so-called 'specialists' of the Peace Corps. This has long been known as the Pest Corps, which spreads its 'ideals' through Africa, corrupting and lowering the moral standards of our youth."

Judging from this vile language, one could surmise that either the communists have been hard at work — or that somebody wants to stand on his own two feet. Someone with a little knowledge of the "Freedom for Africa" movement, endorsed by the same leaflet, would have to answer that.

—Larry Fuhrmann

... from the Brand's files

50 YEARS AGO

Henry Tiefel this week presented the Editor of the Brand with some of the largest and finest tomatoes we ever surrounded. However, Mr. Tiefel states that this kind are scarce in the patch, owing to the prevalence of bugs.

Mr. Tiefel says we need a County Agent to help us in keeping what we raise.

COAL! A Car of the Famous Niggerhead on the Track! Buy your winter coal now at summer prices. Uncle Sam has not yet fixed the price of winter coal, but it is due any day now.

Meanwhile the summer prices prevail, also this new coal is ON THE TRACK, and you save the difference if you DO IT NOW! McQueen Grain & Coal Co.

After several weeks of figuring and estimating, the details of the Deaf Smith County Fair for 1918 have finally been settled, or rather, the outline of work has been created, and beginning with next week, active committee work to make a big success of this year's fair will begin.

A sweater was brought to the Red Cross rooms the first of this week, and the Inspector of Knitting reports it to have been as well knitted as any article that has been turned in. This sweater was knitted by little Thelma Coodloe, aged eight years. It took her only two weeks to finish it, so a great deal of her "play time" must have been spent in knitting a sweater that will keep some soldier boy warm this winter.

25 YEARS AGO

Camp Fire Girls returned from Ceta Canyon Wednesday afternoon last week after the annual outing which was cut short by several days by weather conditions. The chicken-fry which had been scheduled for Wednesday evening in the Canyons was held at Weccocatewaste Camp Fire Hut and Juanita Beauford was named honor-camper in recognition of ability, good sportsmanship, and general attitude toward camping.

Secretary Wickard's announcement that this country will experience meat rationing within a few months will mean fair sharing of the nation's supply and should not bring hardships to anyone.

Hereford now has a labor union. This is probably the first labor union local ever established in this county. It is a carpenter's union and apparently will operate in connection with the Allen Enemy Internment Camp. Anyway, there is a big L. U. sign on Third Street. A note pinned to the door announces the time for contacting the leader. No further information has been officially announced in this regard.

Looking toward an eight game schedule with some heavy opposition, the Hereford Whitefaces set out to hard practice this week for the opening game with Gilton on Whiteface Field Sept. 18.

This onion business just won't stop. To prove that Pvt. Charles Digby is a mere amateur as an onion grower, Wm. McGehee Saturday brought in an onion which weighed 42 1/4 oz. and was grown by D. W. Finlan on the McGehee-Jones irrigated farm. Just for statistics sake this is almost three pounds and it would only take about 20 such onions to make a bushel.

Troop One of the Hereford Boy Scouts returned Saturday night from their Ceta Glen camp reporting one of the best trips in several years. Attending were 27 scouts and Scoutmaster Urlin Streu. Billy Dameron was acting assistant scoutmaster.

Robert L. Thompson, Deaf Smith County Clerk, was elected president of the Hereford Chamber of Commerce Monday night when new directors met to organize for the coming year. Mr. Thompson succeeds W. E. Dameron in the president's office.

Rains this week brought a total moisture of 5.15 inches to Hereford and reports from over the county indicated that the fall was high throughout the territory. No community, however, reported rains as heavy as the 4.85 inches which fell here Monday afternoon and night and early Tuesday morning.

Development Program Is Successful In Tupelo

By BERT MILLS

Washington, D. C. — Tupelo, Mississippi, is not a community known to most Americans but the progress this small city has made in the past 20 years provides an interesting case history with important lessons for other towns anxious to improve their lot.

Tupelo is a city of about 25,000 located in the Northeastern corner of Mississippi. It is the hub of a trade area comprising seven predominantly rural counties. Tupelo has been engaged in an area development program for 20 years, and has achieved dramatic results.

Secretary of Agriculture Or-

ville L. Freeman recently called attention to the Tupelo story, terming it "a dynamic example of non-metropolitan development." He cited one statistic that will be of particular interest to leaders in other communities: in 1950 there were less than 7,000 manufacturing jobs in the seven-county area, but by 1966 there were 23,675 factory workers.

How does a small city add some 17,000 paychecks in a 17-year period? In the case of Tupelo, it was not one or two big windfalls but a series of seized opportunities, including taking advantage of every U. S. program that could be adapted

to local use.

Harry Martin, Executive Director of Tupelo's Community Development Foundation, has recited the list of programs which have helped — urban renewal, poverty program, Federal Housing Administration, Agriculture's Extension Service, Farmer's Home Administration, and Soil Conservation Service, plus vocational training aid from the Departments of Labor and Health, Education and Welfare, and loans from the Small Business Administration.

Local Leadership Necessary

Shaking Uncle Sam's Fruit trees is not the whole story, as even Secretary Freeman admits. "Opportunity does not just happen," he conceded when discussing Tupelo, and "it can't be bestowed by a benevolent government."

He quoted the publisher of the daily newspaper serving the community, George McLean of the Tupelo Journal, one of the leaders in the local crusade, who said:

"Too often we stress agencies plans, projects — and neglect the fundamental, which is action at the grass-root level. Unless you have local people who see the local need and who are willing to sacrifice time, money and effort for the good of their own community, you are not going to achieve very much."

Tupelo obviously has such people, for the barometers of progress — payrolls, retail sales, wholesale sales, book deposits, population — are all on the plus side. In some statistical categories, Tupelo can boast of ten-fold increases since 1950.

Tupelo has achieved what Freeman called "one of the best diversified farm programs in the South," including meat packing, poultry processing, oil milling, and fertilizer plants.

Success Begets Success

When a community achieves a reputation in Washington for making good use of Federal aid, one success leads to another. For example, in August the Department of Agriculture announced approval of 15 new Resource Conservation and Development projects, under a 1962 law which authorizes U. S. money for both planning assistance and operations of locally-originated soil and water conservation programs.

On the list was the Northeast Mississippi project — another See MAIN STREET Page 8

THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his bindweed farm is having trouble handling all the news, his letter this week indicates.

Dear Editor:

A neighbor of mine said to me the other day, "You sure must be lucky, always finding a newspaper to read free of charge," but I don't know that you'd call it lucky every time a paper turns up out here on this bindweed farm.

For instance, I read in a paper I found caught in a weed patch yesterday that hordes of hungry mice have swept across parts of Yugoslavia eating 90 per cent of the farmers' wheat, beans and potatoes.

You think it's lucky to know about this? Up till I found that paper I hadn't even thought about the crops in Yugoslavia, one way or the other, but now I'm saddled with the knowledge of one more crisis in the world.

Rapid communication by newspapers and television and radio has saddled the world with the knowledge of more crises than I care to know about. Do you think the early American Indians centuries ago over here all by themselves would have been any better off if they'd known about the Egyptian plagues underway about that time? How many Egyptians had to worry about a prairie fire in North America?

A man has enough to fret about without having to take on all in the same breath a flood in Alaska, a mice invasion in Yugoslavia, riots in 15 American cities, an election in South Viet Nam, a speech by Fidel Castro, a forest fire in Idaho, traffic accident statistics for Labor Day, a statement by De Gaulle, turmoil in China, a tax raise in Washington, a drought in Central America, a shake-up in the British cabinet, a dead battery in his own car, the death of a baby whooping crane, the discovery that roaches cause asthma, a speech by Rap Brown, etc., just to name a few.

No wonder so many television newscasts are sponsored by companies selling headache remedies.

By the way, if you have an extra copy of last week's Brand, send it to me. I missed mine and want to catch up on the news.

Yours faithfully,
J. A.

Friends Keep Us In Mind

By Mrs. Argen Draper
Home Demonstration Agent

It's nice to hear from old friends. Mrs. Daisy Livesay, Route 2, Olton, wrote asking for a catsup recipe. She asked that it be printed in the Brand. They have been away from Hereford for 10 years and still look forward to the Hereford Brand. Thanks, Mrs. Livesay, we remember you very kindly, too.

CATSUP
1 gallon ripe tomatoes peeled & chopped
2 medium-sized onions chopped
1 C. sweet red pepper, chopped
2 C. vinegar
3/4 C. sugar
1 t. salt
1 t. celery seed
3 sticks cinnamon
1 clove of garlic, chopped
Combine chopped vegetables, then simmer for 30 to 40 minutes. Press vegetables through a sieve. Tie spices in a cloth, add to the vinegar and simmer for 30 minutes. Boil sieved

tomatoes rapidly until they have cooked to half the original amount.

Add spiced vinegar, sugar and salt to the mixture. While stirring constantly, boil the mixture for about 10 minutes or until slightly thickened. Pour into hot sterilized jars or bottles; seal or cap and store.

MISS MARY BRADLY gave a very interesting report of the annual convention of the National Extension Homemakers Council held this summer in Brookings, S. D. Mary told us Mrs. J. D. Love, member of the Cultural Home Demonstration Club, was recognized at the convention along with two others as having club membership for 50 years.

Mrs. Joe Poindexter and Mrs. Wilson Wylie sent their regards to Deaf Smith friends. Mrs. Wylie was a charter member of the Messenger H D Club.

Before Mrs. Poindexter moved to Hereford, she belonged

to the same club in Lynn County - Mrs. Wilmer Smith, president of the National Extension Homemakers Council.

THE STATE CONVENTION of the Texas-Home Demonstration Association next week will be very good. I am looking forward to attending. One agent from the district attends officially. We will leave Hereford at 5:45 a. m. Monday and will go by bus.

MR. & MRS. OLE Larson will have cactus pears in the Deaf Smith County agricultural booth at the Tri-State Fair. You will be surprised at the number of vegetables and fruits raised in Deaf Smith.

SOME OF YOU DID quite well in listing the vegetables and fruits served at the Harvest Dinner. Here are the ones served? potatoes - 2 ways, carrots - 2 ways, cabbage - 2 ways, onions, lettuce, peppers, tomatoes, turnips, cucumbers, acorn & yellow squash, green beans, gantaloque, blackeye & cream peas, corn - 2 ways, okra and beets. The fruits: cherry, peach, apple, apricot and rhubarb.

THIS WEEK I have been busy at the office. I have had four committee meetings, three home visits, one club meeting and three days at tri-district

Pop 'n' Serve Automatic Corn Popper

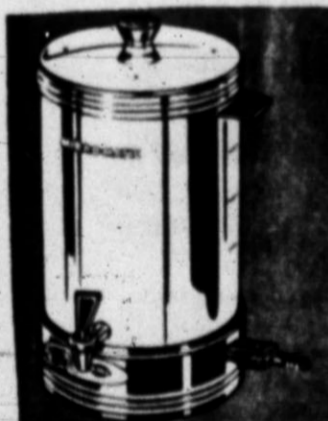

It's everything your customers could ask for in a popper

This newest Mirro-Matic combines both popper and serving bowl in one unit to make corn popping pure pleasure. So simple to use because it pops, stops, then keeps popcorn hot, automatically. Holds a whopping four quarts, so it's just right for family or party use. Unbreakable Lexan plastic cover bowl is so tough, it bounces if accidentally dropped. And it's crystal clear so that you can watch the popping action. Popper has heatproof legs to protect table and counter surfaces, signal light to show when popcorn is ready. Brightly polished aluminum shell. Cord included. 700W — 120V AC only.

GID BROWN, who has just recently returned from a trip to Canada which he took as crew chief with a group of Boy Scouts, showed slides of the trip to the Hereford Kiwanis Club Thursday.

Hereford Area Foundation Holds Annual Meeting

Five officers were re-elected and three people were elected to the Executive Committee to serve with the president and secretary of the Hereford Area Foundation, Inc. in that groups annual meeting held at the First National Bank Community Room on Sept. 12.

Officers re-elected were Earnest Langley, President; J. C. McCracken, 1st Vice President; Ralph Hastings, 2nd Vice President; Eunice Petersen, Secretary; and Sue James, Treasurer.

Elected to the Executive Committee are Sue James, Henry Sears, and Carl Perrin.

Elected to another term of office are directors of '68, and include Marlin Gilliland, Bruce L. Miller, Labry Ballard, Owen Seamonds, J. C. McCracken, Mrs. Joe Reinauer, Carl McCaslin, Earnest Langley, Bert Boomer, and J. H. Sears.

Directors already serving terms were re-elected and include, for 1969: Ellen Carter, Ben W. Childers, Lowell Sharp, Guy Lawrence, Dr. R. R. Willis,

Russell Carver, Dr. H. A. Cavness, James W. Witherspoon, Robert Viegel, and Ralph Hastings.

Re-elected for the 1970 term are: Eunice Petersen, J. Edward Line, Dyalitha Benson, Homer Brumley, Sue James, Carl Perrin, Neil Cooper, and Palmer Norton.

Members of the nominating committee for the Sept. 12 elections were: Bert Boomer, Chairman; J. H. Sears; Mrs. Joe Reinauer; J. C. McCracken, and Carl McCaslin.

Two possible area development projects were discussed at the meeting and referred to the Executive Committee for investigation and reports.

The Hereford Area Foundation, Inc., which was chartered in 1960, is a non-profit corporation, organized for the purpose of community and area development. It can undertake any type of community action program, and its only venture to date has been the highly successful campaign to secure King's Manor for the Hereford area.

The Foundation, after a fruitful financial campaign in which over \$110,000 was raised, bought land and contributed it to the Methodist Church to encourage the building of the retirement home in Hereford.

As a result of this action, King's Manor now provides residence for approximately 73 elderly citizens in both the retirement home section and the geriatrics hospital annex, Westgate, and provides part or full time employment for 40 persons.

Valuation of the structure is estimated at \$750,000. This phenomenal growth would have been nearly impossible had it not been for the initial work done by the Foundation.

Talk of Texas

By JACK MAGUIRE

WHAT'S IN A NAME? — For more than 400 years, the area from the Canadian River south to the present Midland-Odessa area has been known as "El Llano Estacado" or Staked Plains.

Why the Spaniards who exhorated this area in the mid-1500's gave this name to the area isn't known. One guess is that early travelers, striking out across an unbroken prairie of waist-high grass, had to put up markers or stakes to keep their direction or to guide their return.

A favorite marker was made by making a pile of bleached buffalo bones or else sticking the bones upright in the soil. As travel increased, thousands of these markers were erected and the name, "Staked Plains," evolved.

SECRETARY'S FRIEND — The first electric typewriter was the invention of the late James F. Smathers, a native of Llano.

In 1914, Smathers patented what was described as the first power-driven typewriter. Nine years later, he assigned his patent to a Rochester, N. Y., company which eventually was purchased by International Business Machines Corporation.

Smathers died earlier this year and was buried in Poughkeepsie, N. Y.

OIL TOWN — Houston is headquarters for more oil companies than any city in the nation outside of New York.

HISTORY'S MYSTERY — Davy Crockett was hardly the braggadocio frontiersman and heroic fighting man that legend has made him.

Actually he was a political has-been who, defeated in a bid for reelection to Congress from Tennessee, came to Texas looking for a new life. He hadn't planned to do any fighting, but was prevailed upon to enlist in the Texas Army. A few weeks later, he died at the Alamo.

For years after, journalistic hacks turned out a continuous flow of books purporting to detail Crockett's adventures and picturing him as an illiterate backwoodsman. Actually Crockett had a fair education and was a sensitive man who sometimes wrote poetry.

TRAVELING TEXAS — If the music played at Czech family reunions in Fort Bend and Austin Counties has an Old World quality, there's a reason: The favorite reunion fiddler is Antonin Dvorak, grandson of the famous Czechoslovakian composer.

Dvorak, the composer, died in 1904 after giving the world such classics as "Humoresque" and the "New World Symphony." His grandson, who inherited the family's talent for music, moved to Texas in 1912 and has been a South Texas farmer and barber since.

TWO FOR ONE — At least one Texas county requires two courthouses to carry on its official business.

When Harrison County decided to build a modern five-story courthouse in 1964, the commissioners located it on the southwest corner of the square in Marshall. The old courthouse, built in the center of the square in 1900, was not torn down and is used to house some county offices.

\$500 Damage To Three Vehicles

An accident involving three vehicles at the intersection of Grand Avenue and Miller Street Tuesday morning resulted in damages totaling more than \$500.

Officers said all three cars were going east on Grand Avenue and a 1961 Ford driven by Ester Cabrera of 327 Avenue E stopped in the east bound lane just after crossing the intersection with Miller Street.

A 1967 Chevrolet driven by John Frank Martin of 700 S. Main stopped behind Cabrera and was struck from the rear by a 1959 Ford driven by Terrell Battey of 109 Kingwood.

There was an estimated \$200 damage to Battey's car, \$250 damage to Martin's car and \$65 damage to Cabrera's vehicle.

Battey received treatment for minor injuries at the Family Medical Clinic. There were two citations given in the accident, which occurred at 8:25 a. m. One driver was charged with having no driver's license and another for causing a negligent collision by following too close.

New Teams Join Volleyball League Play

Two new teams joined the Women's Volleyball League Tuesday night in time to participate in the first week's games.

The new teams are Marilyn's Marauders, coached by Marilyn Culpepper, and Loretta's Leopards, coached by Loretta Ellerd.

Members of the Marauders are Lucille Slaughter, Debra Slaughter, Audrey Hicks, Dianne Brisendine, Betty Reddell and Juanita Higgins. Members of the Leopards are Marnie Tyler, Bea Rhodes, Sandra Davis, Pamela Pope, Kathy Jagels and Janus Dean.

In the opening games Tuesday night, Lani's Loomies defeated Ferguson's Frogs; Joy's Jerks won over Barbie's Bullies, and Marilyn's Marauders beat Loretta's Leopards.

Linda Newton, league president, said more women are needed to participate and anyone interested may come to the Little Bull Barn at 7 p. m. Tuesday and sign up to play.

CLOSED SUNDAYS

By KEITH SCHROYER and MARY SHINICK

The four remaining VISTA Volunteers at the Casa de Amigos have a large pair of moccasins to fill. Martin Winch had two pairs of moccasins; one pair for everyday work and a second pair, in better condition, for the more dressy occasions. Martin served at Casa de Amigos for nine months as a VISTA Volunteer and will be greatly missed.

Martin was born in Portland, Oregon on March 5, 1944. He attended All Saints School in Portland, Portsmouth Priory School in Portsmouth, Rhode Island, and Princeton University. He graduated from Princeton in the Spring of 1966 with high honors in History.

While at Princeton, Martin was a member of a glee club and during his senior year was both president and lead bass. He was also involved in the Trenton Tutorial Project which was a community-university effort to provide a one to one relationship between a teacher and his pupil in tackling homework and broadening contact with other community experiences. This experience proved to be especially valuable during Martin's service in VISTA. He was exposed to new tutoring techniques which were later successfully incorporated into the tutoring projects conducted at the Labor Camp.

Martin spent the summers of 1963 and 1964 as research assistant for the Oregon Historical Society.

A quick look at Martin's family will indicate why he so successfully served as reporter for the Casa de Amigos despite his lack of formal education in Journalism. His father, Simon Reed Winch, also a graduate of Prince

with a Spanish accent.

One of the most important jobs of a VISTA working in the Labor Camp is to serve as liaison between the people of the Camp and those institutions which attempt to deal with their problems. As part of this responsibility, Martin was a frequent visitor to the County Court. He worked closely with area law enforcement officers as well as judges and attorneys. Close contact was also maintained with Texas Employment Commission. Many persons now a part of the Neighborhood Youth Corps were first introduced to the program by Martin. He also did extensive work with TEC and on his own to place the right man on the right job. Having excellent contact with the people in Camp, he also aided County Welfare Director, Mrs. Jewel Smith in her work at the Camp.

Martin also maintained close contact with the teachers and administrative personnel of the area's educational system. One example was Martin's work in connection with the public Pre-school conducted this summer at Shirley Elementary for Spanish-speaking children. He did intensive visitation of Spanish-speaking families both in and out of the Labor Camp in an attempt to inform all eligible children and their parents of the summer session. Visitation of absentees and insuring that the children were properly registered for the first grade occupied a large part of many busy days.

Martin was a very active participant in the structured activities conducted at the Casa. His work with the adult English classes, the Saturday rummage sale, Joseph's school are just a few examples. He was also instrumental in the creation of the tutoring program which matched 27 junior high and high school students, with 27 elementary school students from St. Joseph's school in the attempt to provide the elementary school students with after school education's recreation at the Bull barn and the 4-H classes at the St. Catalina opportunities.

The pre-school to which Martin gave many hours, deserves special mention. A pre-school requires constant evaluation and reorganization, and in this concern he worked very hard. And, no one who ever saw Martin conduct English class could ever forget his ability to capture the interest of the children as well as their love.

The love which Martin received from the pre-school children is typical of the way he was thought of by those that know him. It is with deep respect and admiration that we at the Casa de Amigos express our good fortune to have worked with Martin.

Tupelo plan. This time the area is wider and includes 19 counties, 6 million acres. The program calls for reduction of flood damages, increasing agricultural efficiency through conservation, development and proper use of farmland, plus adapting woodlands to timber production and creating new recreational facilities.

It sounds as if there will be some more new jobs in the Tupelo area before long, and that the business barometers will continue on an upward path.

Sugarland Mall Shopping Center Hereford Phone 364-0385

PASSES MILESTONE — Another year in her long life was marked by Mrs. Rosa Speer Thursday, her 96th birthday. Photographed on the porch of her home, 203 E. Fifth, she was leaving for a noon dinner at the home of her daughter, Mrs. Frank B. Marrs, where her family celebrated the occasion. Her other daughter, Mrs. Warner White, is here, making ready to move to Hereford from her former home, Forsythe, Mo. A number of friends called on Mrs. Speer at her home Thursday afternoon.

1968 Officers Chosen By Home Variety Club

First business of Rural Home Variety Club as it began fall meetings Thursday afternoon was election of officers for a term which will start with the calendar year. Mrs. Jack Williams was hostess in her home. Mrs. Dale Hallows was named president to succeed Mrs. Boyd Foster, who presided for the election and other business. Mrs. Woodrow Dutton will become vice president and program chairman, Mrs. Bill West secretary and reporter, Mrs. Cliff Hutson treasurer and social chairman, Mrs. Williams year-

book chairman. Members began plans for the annual Thanksgiving dinner at which they entertain their families. They were reminded that the club will supply hosts for Deaf Smith County Museum in its open hours through the first half of November. Samples and pictures were shown by Mrs. Hallows to illustrate her program on Window Shades and Drapery, as she discussed new ideas in window dress-up, and compared the use of various fabrics and styles to suit different rooms. Also present were Mmes. Bill Roberts, Davis Sawyer, Lewis Williams and C. P. Worthan.

VFW Auxiliary Juniors Meet

Plans for coming weeks were discussed at the first fall meeting of the Junior-VFW Auxiliary Thursday afternoon in the VFW Clubhouse. Theresa Oakes, president, conducted the meeting. Enrollment of new members was planned. Girls eligible for membership are daughters and sisters of VFW members and daughters of Auxiliary members, within the ages of 5 to 18. Sponsors are Mrs. Leonard Davis and Mrs. Wayne Driskill. Members present were Jamie and Mary Sue Oakes, Sandra Fry, Theresa Leon and Lanna Clark. The next meeting will be on Oct. 12.

PACK 151 TO MEET — Cub Scout Pack 151 will have its regular meeting at 8 p. m. Thursday in the First Christian Church. Baxter London, Cub Master, said all Cubs and parents are needed at the meeting.

WILL BE SPEAKER — Rev. Howard Foltz, director of the Dallas-Fort Worth Teen Challenge ministry, will be speaker during the 11 a. m. service today at the Assembly of God Church, Union and Avenue G.

Root ginger (fresh) keeps well if you put it in a small jar, cover it with sherry and refrigerate the jar.

Frio News

By MRS. OWEN ANDREWS
Brand Correspondent

Those from the Frio WMU attending a prayer retreat at First Baptist Church, Littlefield Thursday were Mmes. Sam Ogan, Frank Robbins, Floyd Cole, Charles Self, Eugene Baldwin, Chesley Johnston, Clark Andrews and Earl Harkins.

Miss Viola Keene, Levelland, visited her sister, Mrs. B. H. Baldwin, Friday.

Frio WMU concluded a series of meetings for state missions with a morning program and luncheon in the home of Mrs. Clark Andrews. As the series concerned Mexican mission work, the luncheon featured Mexican food. Officers' election was also held, with Mrs. Frank Robbins re-elected president, Mrs. Sam Ogan vice president and Mrs. Earl Harkins secretary. The WMU also voted to have meetings on first and third Wednesday mornings at 9:30 beginning with October.

Mrs. Richard Price entered Northwest Texas Hospital Thursday for minor surgery and treatment.

Mrs. T. L. Sparkman Jr., Mrs. Laura Littrell and Miss Alma Andrews visited Mrs. Ralph Hart at Clovis and Mrs. Allie Burris at Texline Tuesday.

Mr. and Mrs. Harlan Barber helped their son, Jimmy, and his wife move from Lubbock to Huteson, Kan. last weekend. Jimmy is assistant agronomist at Grace Research project in that area.

Mrs. H. M. Mobley spent several days this week with her mother, Mrs. Leila Taylor, who was in a Throckmorton hospital.

The Mobleys received word Friday of the death of Mrs. Mobley's sister-in-law, Mrs. Art Smiley of Ralls. The funeral was held there on Friday.

Mr. and Mrs. D. C. Miller have just returned from a visit to California. Near Oakland they visited the Mike Noland's. Mrs. Noland is his daughter and they have a new baby, Miller's first grandchild. At Pleasant they visited Miller's brother, who with his wife accompanied them as far as Reno. The Miller's also visited the Raymond Mobleys at Farmington, N. M. on the return trip.

Mr. and Mrs. Walter Jay, Elk City, Okla., are spending several days with their daughter, Mrs. James Dobbs and family.

Mr. and Mrs. Robert Haseloff ate lunch with the Joe Andrews,

Miss Rosenow Weds Saturday

The marriage of Miss Odessa Rosenow, daughter of Mr. and Mrs. Percy Rosenow, 412 Sunset, and George Eddie of Bozeman, Mont., was read in St. George Episcopal Church of Bismarck, N. D., Saturday afternoon.

Miss Rosenow, who attended Montana State University at Bozeman this summer, has spent a short vacation here with her parents. They accompanied her Wednesday to Bismarck, where Mrs. Rosenow's family are long-time residents.

Guests at the wedding included an unusual three-generation namesake group. The bride's aunt and a great-aunt are both named Odessa also.

White flowers decorated the church altar for the ceremony, in which the bride was attended by Miss Jane Slattery and the bridegroom by Don Dallas. His brother, Gene Eddie, served as usher.

Two young cousins of Miss Rosenow were also in the wedding party, Alice Towne as the flower girl and Rusty Towne assisting the officiating minister as acolyte.

Before the processional the bride's father sang the wedding

Monday. They were enroute to Albuquerque, where he will be stationed in the Air Force. He has trained at Amarillo and Wichita Falls bases.

A family gathering of the Andrews relatives was held in Dameron Park, Hereford, last Sunday. The occasion was especially to honor these with September birthdays. They were W. H. Andrews, Owen Andrews, Mr. and Mrs. Elmer Jones, Mrs. Jackie Andrews and Tommy Sparkman.

Others attending were Mrs. W. H. Andrews, Mrs. Owen Andrews, Mrs. Tommy Sparkman and sons, the Rev. and Mrs. Sam Ogan, Mr. and Mrs. T. L. Sparkman Jr., Darlene Sparkman, Mr. and Mrs. Eugene Baldwin and children, Mr. and Mrs. Carl Andrews and family, Mr. and Mrs. Glenn Andrews and sons of Etter, Mr. and Mrs. Joe Ed Andrews and children, Mr. and Mrs. Herbert Bruns and children, Mrs. Allie Burris and Zadine Burris of Texico, Miss Alma Andrews and Mrs. Laura Littrell.

solo, The Lord's Prayer, then gave his daughter in marriage.

White satin and Chantilly lace with seed pearl trim fashioned the bridal gown. Lace was applied in a panel effect down the front of the empire bodice and straight skirt, and in wide scallops edged the squared train.

Her veil of illusion layers floated from a lace caplet embroidered with seed pearls.

The maid of honor was dressed in blue and the flower girl in pastel yellow.

A reception in the church hall followed the marriage ceremony and the couple left for Bozeman, where they will be at home. Mrs. Eddie will continue studies in the university. Eddie is an MSU graduate and expects to begin military service soon.

Wedding party members and their families were entertained at the rehearsal dinner Friday evening at the Gourmet House in Bismarck.

Bridge Tourney Starts Thursday

The 14th annual Amarillo Sectional Duplicate Bridge Tourney runs through next Monday, will be entered by several Hereford players.

Among the defending champions in the tournament are Mr. and Mrs. E. M. Schroeter, Mrs. R. E. Carver of Hereford is listed among the Life Masters, which are the highest ranking players.

Master points and trophies will be awarded in the tournament, which begins Thursday by the Top of Texas Unit 210. It is sanctioned by the American Contract Bridge League. Entry fees will be \$2 and \$3, according to the event entered. The cost of the dinner on Sunday, Sept. 24, is included in the entry fees.

UP A TREE — CLEARFIELD, Pa. — Volunteer firemen were called to the home of the H. W. Browns to rescue, not a cat but a lizard from a tree.

ONE OF THOSE INITIAL NAMES — BRADFORD, Pa. — The Bradford Redevelopment Authority is known as BRA.

Student Contest Awards Planned As Project Of VFW Auxiliary

Medals for Hereford winners in a speech contest sponsored nationally by the Veterans of Foreign Wars and Ladies auxiliary, will be purchased by the local auxiliary, members voted in their Thursday evening meeting at the VFW clubhouse.

The Voice of Democracy contest for students has as its subject this year, Freedom's Challenge. Each entrant is required to make a tape recording of an original speech on the subject. Details of the local contest are being worked out by the VFW and Auxiliary.

A fall welfare project of the Auxiliary will be purchase of garments for a group of needy

children, members decided. Plans were made for a supper Sept. 28 to include prospective members. Guests will meet at the clubhouse at 7 p. m. and go to the Hickory Log Restaurant.

Those present included Mrs. Wayne Driskill who presided, and Mmes. Don Neilson Nola Ralston, Bob Rodriguez, Harry Coffin Jr., Henry Murrell, Orpha Nickerson, Leonard Davis and Clarence Hollabaugh.

Ever add a few whole cloves to black bean soup when you are heating the soup? Interesting flavor. Be sure to remove the cloves before serving.

Veigel Places In Area Contest

Bob Veigel of the Hereford Chapter, Young Farmers of Texas, was winner of second place award in the Star Young Farmer contest for Area I, presented at the area convention at Tullia last weekend.

Veigel received a \$50 U. S. Savings Bond and a plaque. Jerry K. Oswald of Abernathy was first place winner. Awards were given at a banquet ending the one-day convention of Young Farmers and Young Homemakers of this area.

Representatives of both groups attended from Hereford chapters. Clark Andrews is local YFT president and Mrs. Larry Dobbs the YHT president.

COOK UP A PARTY!

And what a party it's going to be with a new gas range to help. You can create all kinds of festive recipes. With a gas range you have unlimited temperature control, not just a few fixed dial settings. You adjust your gas range to the perfect temperature for the most delicate recipes. And when a quick temperature change is required, it's easy with instant on - instant off control. No hang-over heat. A gas range lets you broil with the oven door closed. Inside, grease splatters and smoke are consumed by the gas flame. No mess, no over-heated kitchen. Your friends will notice! Delicious foods always leave a good impression. So, how about it. Cook up a party with clean, economical gas.

FHA Announces Pre-Game Supper Friday Evening

A pre-game supper open to the public will be served by Future Homemakers of Hereford High School at the school cafeteria Friday evening before the Whiteface football game.

Funds from this project will go to the FHA treasury for its support of the Americans for Field Service program here. This year the FHA is sponsoring the attendance of Katie Laine, from Finland, at Hereford High School under the AFS program.

Time of the supper is from 5:30 to 7:30 p.m. A salad supper will be served, but FHA

sponsors explain that it will feature "he-man" salads aimed the appetite of men as well as women.

Tickets are on sale by FHA members or may be bought at the door that evening, priced at a dollar for adults and 50 cents for children. Homemaking students have served similar suppers in past years to raise money for their part in the AFS project.

Both chapters of the FHA will work on the supper. Joyce Beizer and Roberta Albracht are the chapter presidents for this term.

Funeral Services for Mrs. Ella Lemke, 72, who died in her home at Bryan, Texas, Tuesday were held Sunday afternoon in the Adrian Methodist Church. The Rev. B. J. Foster of the First Methodist Church in Darrouzett and Rev. Don Travis of the Adrian Methodist Church officiated.

Mrs. Ella Lemke had lived in the Adrian Community for 53 years coming from Harlan, Iowa. She had been active in the Community, Club and Church for many years. They had moved to Bryan about a year ago.

Survivors include her husband V. E. Lemke of Bryan, 2 daughters, Mrs. Mildred Eskue of Bryan and Mrs. Francis Stinnett of Oklahoma City, 1 sister Mrs. Francis Goodner and 2 brothers, Lyle and Harold Plum of Harlan, Iowa, 7 grandchildren. Pallbearers were Ole Larsen, Louie Olson, Otto Olson, Norman Jacobson, Ed Jacobson and Loren Creitz.

Burial was in the Vega Memorial Park Cemetery.

Out of towners attending the services were: Mrs. Virginia Garrett and children of Bryan Capt. Kenneth Lovelless of Viet Nam and his family Mrs. Barbara Loveless and children of Bryan Mr. and Mrs. G. Killian of Amarillo, Mr. and Mrs. Inman Larsen of Hereford, Mrs. Mortimer and Mr. and Mrs. George Mortimer of Pampa, Mr. and Mrs. Gene Gidel, Mr. and Mrs. Tom Parks, Mrs. Anna Witt, Mr. and Mrs. H. I. Stevenson, Mr. and Mrs. Roy Jacobson, Mr. George Simmons, and Mr. and Mrs. Johnny Heislman all from Amarillo, Mr. and Mrs. Otto Olson, Mrs. George Olson, Mr. and Mrs. Louis Olson, Mr. and Mrs. Ole Larson, all of Hereford, Mrs. Bobbie Foster and Cindy and Mr. Wade Phillips of Darrouzett.

Mr. and Mrs. Dee Zane Pond of Amarillo spent Saturday over night with Mrs. Emma Bales.

Mrs. Lorene Proctor spent the weekend in Channing with the Red Garrison family.

Mr. Hazel Chilton visited in Amarillo with the Joe Shields family and their daughter Mrs. Doris Kendrick, who underwent surgery is doing fine.

Mr. and Mrs. Ted Hale and

children spent the weekend in Floydada with her parents the Roe Jones.

Also attending the Ella Lemke funeral were: Mr. and Mrs. Kenneth Milner of Kress, Mrs. Lillian Lemke of Amarillo, Mr. and Mrs. Russell and Mr. Henry Creitz of Amarillo.

The Adrian P. T. A. held its first meeting of the year, Monday night in the school cafeteria. The date of the regular P. T. O. meetings was changed from the second Monday of every month to the first Monday of every month due to the conveniences for the school Board.

The new teachers and old teachers were introduced by Supt. Pat Blankenship. The Halloween Carnival was the topic of conversation and is set up for discussion at the next meeting, the 2nd day of Oct.

Dues were taken for the membership roll. There are 41 members so far. A large crowd enjoyed Homemade Ice Cream and Cake, Coffee, and Punch. Serving were: Mr. and Mrs. Wilbur Harris, Mr. and Mrs. Robert Jacobson, Mrs. Jimmie Mrs. Jake Fortenberry, Mrs. R. Bradley, Mrs. Ann Beavers, D. Sisk, Mr. and Mrs. Alford Jobe, Mrs. Don Travis, Mrs. Loren Creitz and Mrs. Noreen Garrison.

The P. T. O. Yearbooks will be handed out at the next meeting. See You Oct. 2, 1967.

Mr. and Mrs. Brub Beavers and girls visited in Tulia, Sunday with Mr. and Mrs. Wayne McCloud, Mrs. Addie McCloud, and Mrs. Charles Sharp and children.

Mr. and Mrs. Pat Maupin and Mrs. Millie Maupin visited in Lubbock, in Alamogordo with Luck Monk and Mrs. Velma Houston, in Tuscon, Phoenix, then thru the Oak Creek Canyon, then Flagstaff, then home.

Mrs. LaNitta Fulcher and Craig of Wellington visited this week with the Calvin Peters family and Mrs. Millie Maupin.

Mr. and Mrs. D. P. Doherty took Mrs. Grace Hiett to Amarillo Friday to catch a train for Ft. Worth.

A 42 Club was held Thursday afternoon in the home of Mrs. D. P. Doherty, attending were Mrs. Easter Briggs, Mrs. Imogene Parker, Mrs. Dollo Langley, Mrs. Bela Allen, Mrs. Grace Hiett, Mrs. Nannie Fortenberry and Mrs. Nina O'Brien.

Mr. W. C. Briggs left Sunday morning for Wilcox, Ariz. as his brother Buddy Briggs is

ill. Mr. and Mrs. Bill Gilley and children spent a few days with Charlie Pulliam last week.

Mr. and Mrs. Inman Larsen of Hereford was Sunday dinner guest of the Jimmie Bradley family.

Mr. and Mrs. Alford Jobe and family spent Saturday and Sun. at Mineral Wells with the Les. Turpin family.

Kids leaving for College recently for West Texas State University, were Dickie Harwood, Billy James, Gary James and Rita Speed, George Harwood and Rick Gruhkey left for Texas Western University at El Paso. Clinton Earl Brown left for Eastern New Mexico University at Portales, Laura Jobe left for Ranger and David Whitten left for Cisco Jr. College.

The Adrian F. F. A. Greenhand Chapter elected its class officers Wednesday, and they are as follows: President-Robert Harwood, Vice-President, Bruce Kromer, Secretary-Billy Lloyd, F. F. A. Chapter members are President-Davy Gruhkey, Vice-Secretary-Charles Harwood, Reporter-Bobby Brown and Treasurer-Jim Cavin. The Adrian F. F. A. Sweetheart is Miss Kathy Garrison for the year of 1967-68. The Sweetheart will be in a beauty contest later this year.

Mr. and Mrs. E. E. Huggins of Dimmitt visited Sunday with the Burt Huggins family.

Mr. and Mrs. Keith Kromer and Steven visited the Bob Lospitch family at Hale Center, Saturday. Bob and Keith went to Lubbock and attended the Plains Cotton Growers Association Meeting. They also visited Mr. and Mrs. Phillip Pinnell in Plainview.

Mrs. Bodie Gloss of Moriarity New Mexico is visiting Mr. and Mrs. Damon Davis this week.

The A. D. Lewis family and Carroll Weidner spent Sunday at Ute Lake.

Donna Harris of Amarillo spent the weekend with the Hardy Harris family.

Jack Fincher took Dooley to Dallas to the Dr. Friday and plan to return home Tuesday.

Thailand exports more rice than any other southeast Asian country.

If you don't have time to spare you need a **HESSTON BEET HARVESTER**

Here's capacity and speed to get your beets FAST—without sacrificing cleaning ability. You get maximum tonnages for better operating profit! Higher row speeds with a Hesston are possible as the big 29-inch lifter wheels run shallow for light draft and compress the dirt to "pop out" the beets. Large rienc beds and optional grab rolls match cleaning ability to lifting speed as you fill the tank to its 7,500 pound capacity.

Hesston's Beet Harvester is designed to shift more weight on the tractor drawbar as the tank fills, improving traction to keep you going...fast...even in the most adverse field conditions. Depth-frame toppers can be added to let you top and lift in one operation. Optional Hydraulic Row Finders pay their way by helping you get all the beets. Wheel-width adjustability lets you match row spacing and assures proper centering of the lifter wheels. *Come in today and let us show you the model that will meet your acreage and capacity requirements!*

We Invite You To Come See A FIELD DEMONSTRATION Of The Hesston Beet Harvester WEDNESDAY, SEPT. 20 from 10 am to 4 pm on the Cecil Hart farm - 1/2-mile North of LaPosta on Hiway 385 EVERYONE IS WELCOME TO ATTEND!

MANDRAKE THE MAGICIAN

BY LEE FALK

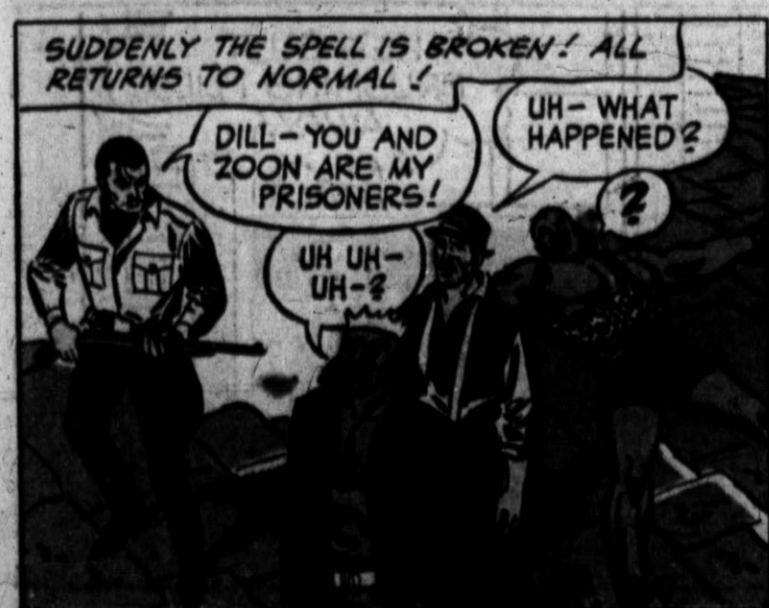

MY FIRST EXPERIENCE WITH MANDRAKE'S MASS MAGIC. IT WAS AMAZING!

I HAD TO ACT FAST IN THAT FOUL PLACE! LOTHAR WAS CHAINED TO THE FLOOR - MAD DOG DILL HAD A SWORD AT HIS HEART!

ALSO - THE ROOM WAS FULL OF BANDITS! LOTHAR, TELL THE REST OF IT.

CONT'D

The PHANTOM

By Lee Falk

AS THE WORLD PUZZLES OVER THE SUPER-JET PIRACY—

"SUICIDE" PLANE PIRATES TAKE FIVE MILLION IN LOOT

WHY—WHY—WHY?

WHY WOULD THIEVES PLAN SUCH A ROBBERY— THEN JUMP TO THEIR DEATHS?

I CAN'T ANSWER THAT!

MAYBE A SUICIDE PACT. MAYBE THEY WERE CRAZY. NO ONE KNOWS.

NEWS

PEOPLE FROM THE PLANE VIEW ROGUES' GALLERY PHOTOS— TRYING TO IDENTIFY THE PIRATES— WITHOUT SUCCESS—

NO—NO—

NO—NO—

NO—NO—

I MUST CONCLUDE THE THIEVES HAD NO POLICE RECORDS.

BY BARRY 9/17

SHIPS SEARCH THE SEA FOR THE PIRATES— NO SUCCESS.

WE MUST CONSIDER THIS SEA MYSTERY UNANSWERABLE— THE CASE CLOSED.

MEANWHILE, NEWS REPORTS OF THE CASE ARE CARRIED DEEP INTO THE JUNGLE BY FAST RUNNERS—

FOR THE PHANTOM—

TO THE DEEP WOODS—
