Sights and Faces Seen

O. L. McKee, caretaker at West Park Cemetery, has three dogs, which he announces to have recently caught and killed 2,500 rabbits in the past three years.

Mr. and Mrs. Paul Foster this week moved to the house at the corner of Sixth and Schley Streets. Mr. and Mrs. Wayne Wallace, who occupied the house, are moving to Tulsa.

While Mr. and Mrs. Monte Baker were visiting in Arkansas, recently, Bob Campbell caught a pound bass, beating Mont's 4 1/2 pound catch for the present season.

Edgar Russell is assisting Bob Fullwood during the absence of Lilburn Ray, who is undergoing treatment in Amarillo, this week.

Trees are now so numerous around Hereford High School that Mark Hanna reports it is next to impossible to get a good picture of the building.

Mr. and Mrs. Geo. Story, who reside eight miles southwest of Summerfield, have bought the Ollie Fox home, which they expect to occupy within the next 30 days.

More than passing interest is manifested in remodeling of the A. A. Foster place, which was recently purchased by Mr. and Mrs. Bill Davis. The house is being re-roofed, the kitchen is being remodeled. (Continued on Page 10)

Summerfield Boy Loses Finger In Binder Accident

An emergency operation this morning resulted in the amputation of the index finger on the left hand of Truett Parson, Summerfield. At noon today he was reported to have withstood the operation well, and to be resting as well as might be expected.

The operation followed an accident on the C. S. Crow place at Summerfield, when Parson caught his left hand in the cog wheels on a binder. His hand was cut and his arm badly bruised, the index finger was almost torn off. Physicians indicated, however, that loss of the finger would probably be the only permanent injury.

Thieves Enter Messenger Store Saturday Night

Thieves who entered the George Messenger store Saturday night were estimated to have taken around \$150 worth of merchandise and a small amount of cash left in the cash register. Mr. and Mrs. Messenger were spending Saturday night with their daughter, Mrs. Paul Collins in Clovis, and learned of the loss upon their return Sunday morning.

Entrance was gained to the store through a window in the post office, but the post office safe was not molested. The robbery was discovered early Sunday morning by Fred Collett, but thieves were today reported still at large.

Mineral Survey Is Started For This Territory

A mineral survey was started Monday in Deaf Smith County, according to Judge Earl W. Wilson, who said that the survey will be conducted in connection with WPA laborers certified on WPA relief rolls.

The purpose of the survey will be the location of minerals over the entire county; the service will also include determining depth to rock over the county and the soil depth in the area. Caliche pits will also be located in the area for future reference in road building.

No specific length of time has been designated for completion of the project, which is being made under WPA supervision.

Invitation Tourney Holds Wide Interest

GROVER AUSTIN OF PAMPA WINS OVER CLOVIS MAN FOR TITLE

By Frank Cogdell
Grover Austin of Pampa won Hereford's third annual Invitation Golf Tournament, succeeding Buddy Posey as champion. Shorty Hornbuckle of Clovis, N. M., was runner-up, losing to Austin two holes up and one to play.

The final match brought to a close one of the most successful tournaments ever sponsored by the Hereford Club. The best representation of Panhandle "hot shots" to ever play in Hereford were here—and many top-notch golfers were strewn by the wayside in the march toward championship.

John Patton Wins
John Patton, local sharpshooter, defeated Dr. J. W. Hendrix one-up to win the first flight; Ohlton Foster defeated Herb Sindt 4-3 to win the second flight. In the consolation matches Arno Rodes, of Clovis, defeated Os Lange, Friona, 2-1 to win championship consolation; Clark Smith, Clovis, defeated Stewart Mahle, Canyon, 2-1 to win the first flight consolation, and V. J. Fuller defeated W. W. Gilbreath, Dimmitt, 8-7, for second flight consolation.

Course Record Tied
The best golf of the tournament was fired by 'Shorty' Hornbuckle of Clovis, when he defeated Ted Young, city, in the second round and carded a scizzing 31 to tie the course record made by J. M. Posey in 1935. Johnnie Austin played through number six 4 under par in defeating James Dixon in the second round; he went ahead and finished the round in an attempt to break the record set by Hornbuckle, but lost one stroke to par on seven, birdied eight and took a penalty on nine to come through this nine in 33, which is not bad shooting in anybody's back yard.

The members of the Club will journey to Tulsa next Sunday for matches with that city.

Results By Rounds
Following are results by rounds: First round, Championship flight: B. Posey defeated Arno Rodes 3-2; J. R. Roden defeated Joe Billingsly 5-2; Grover Austin defeated A. A. Foster 7-6; J. M. Posey defeated Lowell La Fon 8-7; Shorty Hornbuckle defeated Os Lange 7-4; Ted Young defeated O. Rocky 3-2; James Dixon defeated R. C. Pierce 1 up 20 holes. First Flight: S. Perry by default from J. Hahle; T. J. White by default from L. Scanda; John Patton defeated Gus Campbell 2-1; Doug Fox defeated Clark Smith 5-4; Doc Hendrix defeated Dick Dickenson 6-5; H. L. Rice defeated S. Hahle 6-5; Tom Brown defeated James Butler 2-1; P. Ferguson defeated S. Morgan 5-4. Second Flight: L. Torb by; (Continued on Page 10)

Green Operates Rubber Welding Machine Here

Installation of a new "O. K." weld repair machine was this week announced by D. A. Green, who will operate the shop in the old A. C. Thompson Lumber Yard, located on East Third Street.

"Fully protected from excess heat, the tire or tube can be repaired permanently and quickly by this new method," Mr. Green stated. "It is a means of welding rubber, rather than vulcanizing or patching." He said that the new equipment has already been installed here and invited the public to visit and inspect the machinery.

Lions Win Softball Title Here

By Grant Fuller, Jr.
After losing the first game to the K-C last Tuesday night, the Lions came back and took the next two games, 7-5 and 7-2. In a double header Tuesday night, the K-C took the first game 9-7 to even up the count, but in the second game the Lions whipped the Knights 10 to 3—winning the softball championship title for the second consecutive year.

Thursday evening when the Lions took their first game they collected nine hits off of Schumacher, while the K-C gathered eight from Wil-

Sponsors Play

G. M. Hudson, Hi-Y sponsor, announced today that the local organization will present a magic act in the high school auditorium Tuesday evening, Sept. 27, at 8 o'clock.

Magic Act Will Be Seen Tuesday At High School

PERFORMANCE CLASSED ONE OF BEST NOW IN EXISTENCE

Coming as one of the outstanding Hi-Y presentations in recent years, Orendo and Company, Magicians, will be presented in the high school auditorium Tuesday evening, Sept. 27, at 8 o'clock, according to G. M. Hudson, Hi-Y sponsor.

"Orendo is considered one of the country's outstanding magicians," Mr. Hudson said, "and we are glad to be able to present him in Hereford. He is considered the logical successor to Houdini, because of his mastery of escapes and mysteries."

Mr. Hudson pointed out that the presentation is expected to be one of the best ever presented on the local circuit in view of the fact that magic holds a lure for persons of all ages and interests. Orendo blends magic, mirth and melody in such a manner as to draw an almost continuous round of applause. Profits from the show will benefit the Hereford Hi-Y organization.

Folders Feature Advantages Seen In This Country

Special advertising folders, featuring pictures and written material in the Hereford territory were this week released by the Hereford Chamber of Commerce. The folders included in the Deaf Smith agricultural booth in the Tri-State Fair at Amarillo this week, and will be sent to all parts of the United States as part of an advertising program for this territory.

Eleven actual photographs depict irrigation, farm crops, cattle, schools, churches, parks and other points of general interest in this area. Space is also devoted to printed facts regarding farm yields, irrigation, civic and industrial developments and general advantages offered in this country.

Adolph Wood Is Killed In Truck Crash Wednesday

HEREFORD YOUTH TO BE BURIED HERE FRIDAY AFTERNOON

Charles Adolph Wood, 23, died at 11 o'clock Wednesday morning as the result of injuries sustained in a truck collision at Jayton, near Spur, Texas. Funeral services will be held from the First Baptist Church at 3 o'clock Friday afternoon, Sept. 23, conducted by Rev. W. E. Barnes, pastor.

Mr. Wood was driving a truck loaded with caliche on a road construction project at Jayton, when an empty truck collided with his truck. His injuries proved fatal, his body being thrown into the air by the impact. Heavy dust which obscured vision, was given as cause for the accident.

He was well known in this vicinity, having come here in February, 1928, from Oklahoma. He attended the Hereford Schools and until four months ago made his home in Hereford, although he was away much of the time in the trucking business. He was born January 30, 1915, at Burlington, Texas.

Mr. Wood is survived by his mother, Mrs. C. A. Wood of Hereford, one brother, Robert T. Wood of Hereford; three sisters, Mrs. Oscar Isbill of Los Angeles, Cal., Mrs. F. T. Caldwell of Hereford, and Mrs. Carl Henry Jester of El Reno, Okla.

Interment will be made in West Park Cemetery.

Free Hauling Of Trash Available Next Few Days

Pointing out that many residents are already taking advantage of free hauling services offered by the City of Hereford, Mayor C. J. Paddock today said that the offer will continue through next week.

"Now is a good time for all residents to trim low-hanging limbs from their trees," he said. "The limbs strike pedestrians in the face and frequently obscure vision of motorists. We will be glad for everyone to trim their trees and pile the limbs along the curb or in the alleys—our trucks will pick these limbs up without charge to anyone, as a part of the clean-up program."

He also stated that anyone piling trash, cans or debris in the alleys may get it hauled absolutely free of charge by the city trucks. The trucks have already picked up much trash, but will make another round through the city alleys. Cooperation was asked in the movement in order that the trucks can secure all of the trash in as few trips as possible.

Jack Rose Opens Realty Office Here This Week

P. J. (Jack) Rose this week announced the opening of offices over the First National Bank building. He said that he will deal in real estate, farms, ranches, city property and cattle, adding that he will continue as Commissioner of Precinct 1 in Deaf Smith County until his term expires Jan. 1, 1939.

Mr. Rose is well known in this section, having resided here for the past 13 years, six years of which have been spent as county commissioner.

All Dressed Up — And No War

Field Marshal Hermann Wilhelm Goering (right) and Inspector Dr. Todd, two of Dictator Adolph Hitler's right hand men, are shown above. Late press reports indicate, however, that military strategy will not be necessary in view of the surrender of the most valuable portions of the Sudeten German area to Hitler by France and England. Citizens were so enraged over Czech acceptance of the terms that possible fall of the present Czech government was foreseen in the next few days.

Hereford Exhibit Demands Interest

LOCAL PRODUCERS SHOW FINE PRODUCTS IN TRI-STATE FAIR

A large delegation of Hereford and Deaf Smith County residents Wednesday observed the occasion, or Hereford Day at the Tri-State Fair in Amarillo. An Amarillo good will delegation met the Hereford Band and caravan on the outskirts of the town and accompanied the local delegation into the city, where the Hereford Band was featured throughout the day.

Those who viewed the Deaf Smith County exhibit, placed in the fair by the Chamber of Commerce, largely through efforts of Dave Alexander and Fred Hood, declared it to be one of the outstanding exhibits of the fair. The background was used to best advantage of any in the fair, displaying several varieties of grain sorghums in graduated lengths, stalks of corn flanked the sorghums on left and right. Other products displayed were varieties of pumpkin, watermelon, giant onions, cabbage heads, huge beets, Irish potatoes, sweet potatoes, corn, peppers, tomatoes and carrots. Baled alfalfa and bundle feed lent emphasis to the display.

Donors Are Listed

The committee expressed appreciation to all who furnished products for the display. The list follows:

- Alfalfa, baled, B. E. Brumley and L. P. Shaw; alfalfa seed, G. W. Single; beans, Mrs. A. D. Godwin; beets, W. E. Williams; corn on stalk, Rineau Bros.; corn, white, Jim Potter and Mr. Pettis; yellow corn, Joe Evans; pop corn, Mrs. N. G. Elliston and W. B. Matthews; Oblique dates, Dr. F. E. Bove; cantaloupes, Price and David farms, and Albert Springer; cabbage, John Kropf; carrots, W. E. Williams, Mrs. A. D. Godwin, Mrs. J. B. Elliston; bell peppers, Mrs. A. D. Godwin; onions, Joe (Continued on Page 10)

Steel Splinter Injures Sight Of Lilburn Ray

Lilburn Ray returned Wednesday from Amarillo, where he has been undergoing treatment for injuries received in his eye. Present indications are that he will lose complete sight in his left eye, but will be able to retain the eyeball.

The injuries resulted from a steel splinter entering his eye last week. He was prying the horseshoe magnet from an old magnet, and while striking the steel magnet with a hammer, the splinter glanced off and entered his eye. The pain became so intense that he sought treatment, and discovered the extent of the injury.

Hereford Takes Tri-State Fair Poultry Prizes

WRIGHT, HENDERSON AND HILL WIN LARGE SHARE OF PRIZES OFFERED

Deaf Smith and Donley County poultrymen received the bulk of awards for the second successive year at the Tri-State Fair's poultry show, judging in which was completed yesterday afternoon.

Donley County poultrymen figured most prominently in the number of ribbons won, but Deaf Smith County men received most of the sweepstakes money.

Sweepstakes winners were: Largest and best display in the Mediterranean class, best solid color cock, best color cockerel, best solid color hen, and best solid color cock, cockerel and hen, J. M. Henderson and Son, Hereford.

Road Program For This Area At Standstill

NEW WPA PROGRAM AIMS TO GIVE WORK FOR FARMERS IN AREA

Following a meeting of interested citizens, Chamber of Commerce officials, and the commissioners' court with WPA officials here last Thursday night, the proposed surfacing of 50 miles of farm-to-market roads in this area appeared to be at a standstill.

Judge Earl W. Wilson presided over the meeting and A. A. Meredith, WPA official of Amarillo, was the principal speaker. Mr. Meredith pointed out that the chief object of WPA was to furnish labor for farmers who were in need of work, and stressed the fact that farmers will not have to be on relief rolls in order to secure work on any official WPA project.

Dave Alexander, Chamber of Commerce secretary, traced the proposed surface roads to Bootleg Store on the west, north into the Progressive area, and south from Hereford.

Labor Indefinite
Because WPA allotments are considered no longer available, the WPA route was discussed. Those attending the meeting were discouraged, however, by the fact that no given amount of labor can be guaranteed through WPA channels. According to the plan outlined last Thursday night, WPA will furnish (Continued on Page 10)

Red Tape Delays Use of Power On REA Lines Here

"Red tape, in the form of last-minute approvals," today continued delay of turning electric energy into 170 miles of REA lines in this area, according to H. V. Heenan, local supervisor, who said that every effort is being made to begin actual operation of the project.

Previous delay, cited to excess voltage, was reported corrected, and the Texas-New Mexico Utilities, who will furnish wholesale power, said that they are ready to begin service.

Carl Cox, project engineer, was expected here today for final inspection of the lines.

Meanwhile farmers who expect to use REA power for domestic and irrigation purposes, faced the situation of having homes wired, pumps ready and appliances on hand—and no electric power. It was also pointed out that when energy is turned into the power lines, crews will have to make individual connections for each consumer.

Whiteface Eleven To Meet Portales In First Home Game Friday Afternoon

Rivalry over a period of years will be resumed here Friday afternoon when the Hereford Whiteface eleven meets the Portales squad in the first home game of the season.

Coach Tommy McCollum said that a much wiser and steadier team will take the field against Portales, because most of the Hereford players are new and some of them played for their first time against the strong Panhandle team. With experience, he believes the Hereford boys will improve as the season continues.

Last year Portales defeated Hereford in the opening game by a 6-0 score, and the Whitefaces are out this year to avenge the drubbing.

In connection with the opening home game, W. M. Emmons pointed out that season tickets for the five home football games are now on sale. "Season tickets may be had for \$1.50," he said, "while separate purchases of tickets will figure \$2.00; student tickets give the buyer \$1 value for only 50 cents, if bought now."

Frame Gardens Afford Earlier Vegetables Here

PERIOD OF LESS THAN MONTH AFTER PLANTING IS REQUIRED

"From my frame garden we had greens to eat just three weeks and three days from planting," writes Mrs. Jim Chapman of the Slims Home Demonstration Club. "I gathered greens Sept. 17 from the Shogon turnips and Tendergreen, after planting August 23, at club meeting."

Mrs. R. J. Coleman writes on Sept. 6, "I have greens to eat in my frame garden now. Didn't get a very good stand on first planting, as I didn't water it for awhile, but the rest of it is up thick."

SUMMERFIELD Y. W. A. HAS PROGRAM ON "AMERICA'S TENTH MAN"
The Light of the World Y. W. A. of Summerfield acquired a new knowledge of the negro, America's Tenth Man, Tuesday evening when members met at the home of Mrs. Beatrice Noland for the regular meeting.

Mary Lookingbill, leader, stressed the fact that the Negro has been an asset to the nation and not a liability, as is generally believed.

After the devotional, Leatrice Clark gave a survey of The Tenth Man. Louise Walsler discussed the Consideration of Color. A talk was given by the sponsor, Opal Robertson, on "What the Bible Tells Us About Race Relations."

The education of Negro ministers and "Home Missions" were discussed by Ruby Butler. The life story of John Carver, negro scientist, given by Mildred Walsler, concluded the program.

The hostess greeted the guests dressed as a typical negro mammy. Clever decorations depicted negro customs and habits. Huge watermelons which later furnished refreshments for the group, were seen "growing" about the rooms.

Members present were Glenn Walsler, Gertrude Atchley, Mildred Walsler, Louise Walsler, Opal Robertson, Mary Lookingbill, Ruby Butler, Glydene Wendall, Leatrice Clark and the hostess.

JUNIOR BAND STUDENTS TO RECEIVE UNIFORMS TUESDAY

Junior Band uniforms will be issued to Junior Band students next Tuesday afternoon at 3:30 o'clock at the regular band class at Central School.

Uniform rental is one dollar per student per year, and Mrs. G. M. Hudson, president of the Junior Band Mother's organization, asks all students to bring the fee which is due upon issuance of the uniforms. Officers of the Mother's Organization will be present to receive the fee.

MRS. ERNEST MEDKIEF ENTERTAINS CLUB

Mrs. Ernest Medkief entertained members of the Knitting Club at her home on 25-Mile Avenue, Monday.

Ornate and pink cosmos centered the luncheon table, which was laid with ivory linen. Crystal holders held slender ivory tapers. Other appointments were in crystal and silver.

Places were laid for Mesdames O. C. Holt, J. T. Gilbreath, Jr., Eravis Dameron, Woodrow Ireland, Meade Halle, Paul Mathers and the hostess.

After the luncheon, knitting, sewing and conversation were enjoyed.

CAMP FIRE GIRLS RECEIVE MEMBERSHIP CARDS

Membership cards were distributed to Camp Fire Girls at the meeting held Saturday afternoon at the home of Mrs. J. T. Gilbreath, Jr.

Meetings will be held every Saturday afternoon at the Gilbreath home until work being done on the Camp Fire Hut is completed. Mrs. Gilbreath will act as guardian during the absence of Miss Mary Elizabeth Stanford, guardian, who is attending Texas Tech this school term. She will be assisted by Mrs. Earl Wilson.

After meeting, the group went to the home of Miss Stanford to present a going-away gift.

Those attending were Rue Wilson, Eleanor Wilson, Betty Dunlap, Ruth Temple Hastings, Rachel Ireland and Mary Nicks.

FEDERATION BOARD TO MEET SATURDAY

The board of directors for the Dear Smith County Federation of Women's Clubs will hold an important meeting Saturday afternoon at 3 o'clock, at the court house.

The board is composed of federation officers and the presidents of all federated clubs of the city. Mrs. Ray Johnson urges all members to attend in order that further plans can be made to attend the Seventh District Club Institute which will be held at the Palo Duro Canyons, Saturday, Oct. 1, Mrs. H. D. Reed has been appointed general transportation chairman, and those taking cars or desiring a way to go, are asked to get in touch with her.

MRS. BLUE HOSTESS FOR STUDY CLUB

The second program on "The American Home" was presented at the meeting of the Lone Star Study Club held at the home of Mrs. R. G. Blue, Monday afternoon. Mrs. Louie LeGrand was assistant hostess.

Mrs. Earl Phillips gave an article on "The Homes of Yesterday," telling of the lives "From Sunup to Candle Light with Our Pilgrim Mothers." She brought out the fact that wood played a very important

part in the lives of our ancestors. She contrasted the American home of today with its many conveniences, with the log cabin made by our forefathers.

A parliamentary drill was conducted by Mrs. C. F. Moore. A critics report on the previous meeting was given by Mrs. Ralph White.

Members present, were Mesdames H. A. Close, Jack Grady, Jim Higgins, Tom Major, C. F. Moore, Earl Phillips, Owen Stagner, Charles Sowell, Robert Thompson, Ralph White Lawrence Womble and the hostesses.

OPAL CAWTHON IS BRIDE OF DR. F. W. JAMES

Miss Opal Cawthon became the bride of Dr. F. W. James, in a simple and impressive ceremony at the Church of Christ parsonage, Saturday evening, with the Rev. E. M. Borden officiating.

The couple were attended by Mr. and Mrs. Edwin Mank. The bride was attractive in a wooten tailored suit of teal blue with gray trim. Her accessories were black.

After the ceremony Dr. and Mrs. James left for Olton, where he will succeed Dr. Prestridge, who is retiring from the profession.

Mrs. James is the daughter of Mr. and Mrs. E. W. Cawthon of Hereford. She graduated from the Childress High School in 1928, and has been employed in Hereford since that date. At the time of her marriage, she was employed in County Agent A. R. Bateman's office.

Dr. James is the son of Mr. and Mrs. F. W. James of Lubbock. He is a graduate of Baylor Medical College at Dallas. He has been located in Hereford for the past several months.

Members attending were Mesdames Harry Lomas, B. R. Dixon, Chris Renfro, Elmo Lawhon, Boyd London, Earl Phillips, Roy Jewell and the hostess.

MODERN ITALIAN LITERATURE DISCUSSED FOR JUNIOR PIONEER CLUB

Miss Edna Daughette and Mrs. J. B. Whitlow were co-hostesses for the Junior Pioneer Study Club, Tuesday evening at the home of Mrs. Elmer Patterson.

Mrs. Bill Edelman was leader of the program on Modern Italian Literature.

Roll call consisted of events from modern Italian history.

Miss Ferrol Cox discussed "Carducci," the father of modern Italian literature, and his poetry. The works of D'Annunzio, poet and dramatist, were discussed by Mrs. Alton Miller.

The story of Paola and Francesca was told by Mrs. Ralph Roden. The story, which is a counterpart of Romeo and Juliet, was compared with the Shakespearean drama.

Mrs. Ralph Roden, vice-president, presided over the short business session. Those present were Mesdames Buford Crosthwait, O. H. Cuckpepper, Bill Edelman, Frank Hukert, Lynn Kester, Alton Miller, Troy Moore, Ralph Roden, Urlin Streu, Louis Woodford, Elmer Patterson, Misses Lueta Borden, Carolyn Beall, Ferrol Cox and the hostesses.

REBEKAH LODGE COMMEMORATES 87TH BIRTHDAY

The Hereford Rebekah Lodge entertained husbands, members of the Odd Fellows Lodge and their wives, Tuesday night, honoring the 87th birthday of Rebekahhood. Featured also, was a linen shower with gifts for the I. O. O. F. Orphan Home at Corsicana, and the Old People's Home at Ennis.

The Rebekah colors of pink and green were emphasized with bouquets of fall flowers and in refreshments. Gifts were arranged on a table centered with an attractive bowl filled with varying shades of pink dahlias.

Musical numbers were furnished during the evening by Mrs. John

Jacobsen, Merlin Conklin and Leo Rogers.

A talk which included information concerning the "Homes" was made by E. F. Fridley.

Those present included Messrs. and Mesdames Arthur Rogers, E. E. Fridley, A. H. Elliston, A. D. Mills, O. L. Rutherford, Ed Cox, J. E. Cockrell, T. W. Roberson, Ike Crosthwait, John Jacobsen, Mesdames Ora Lee, Arlie Dean and daughter, Mary Louise, Ted Young and son, Allen, Charles Sowell and daughter, Juarene, Edgar Sowell, George Wood and son, George Jr., Hazel Sparks, Mittie Sylvester, Julia Sowell, Myrtle Witherspoon, Henry Williamson, Edna Fincher, Miss Edah Park, Merlin Conklin, Leo Rogers and Tom Stocks.

UNUSUAL PROGRAM ENJOYED AT G. A. MEETING

An unusual program was enjoyed by members of the G. A. of the Baptist church, Tuesday afternoon. Guests were met by the leader, Pollyanna Crawford, who conducted them on a tour through the church. Each room represented some phase in the life of Christ, beginning with the manger scene and leading to the Crucifixion. Word pictures and posters told the beautiful story as the program progressed.

After the hour's "journey," refreshments were served and the meeting was concluded by the group singing, "Must Jesus Bear the Cross Alone?"

The next meeting will be held at the church, Tuesday at 4:15. New members are welcomed.

CLASS HAS "BACK TO SCHOOL" PARTY

A "Back to School" party entertained members of the Win One Class of the Methodist Church, Tuesday afternoon at the home of Mrs. M. M. Beavers. Hostesses for the party were Mesdames E. B. Black, Lydie Ellis, Florence McClellan, D. W. Hawkins and Mrs. Beavers.

The prayer, led by the teacher, Mrs. J. F. Ward, was followed by the devotional, conducted by Mrs. Beavers.

Hymns were sung in unison and a short business session was held, when the class project was discussed.

Plans were made for a Christmas party to be given early in December.

After the business session, Mrs. D. W. Hawkins directed the social hour, when a "back to school" theme furnished fun and entertainment. Each guest told about her first day in school, when and where, and the happenings of the day were recalled to furnish amusement and entertainment.

Coffee and cake were served to Mesdames Fred Millard, H. H. Hawkins, Andy Thomas, I. H. Spratt, Clara Freeman, J. B. Hamner, Luther Peveley, J. F. Ward, H. D. Benefield, W. B. Anthony, F. T. Roloson, T. C. Mathis, J. E. Beyer, Florence McClellan, Wm. McGehee, J. Willoughby and the hostesses.

AMERICAN PHILOSOPHIES OF RELIGION FURNISH LESSON TOPIC FOR L. A. E. CLUB

"American Philosophies of Religion" furnished lesson subjects for study when members of the L. A. E. Club met at the home of Mrs. T. P. McCollister, Tuesday afternoon.

After roll call Mrs. Bill Hutson discussed Einstein's Philosophy of life, his views of religion and his theory of the hereafter.

While talking on "Putting Religion to the Test," Mrs. Bob Higgins quoted Dr. Shaller Matthews, Dean of the Divinity School of Chicago University, who says, "The force of prayer can never be 'metered' as electric current it. But

we shall certainly develop a method of discovering a body of evidence that will help human beings to adjust their behavior to the behavior of God, and so get help in their daily lives."

A postponed number, "John Dewey's Creed," was given by Mrs. McCollister. A general discussion on religion and its many definitions followed the program.

The next meeting is scheduled for Oct. 4, at the home of Mrs. Edgar Sowell.

SESQUICENTENNIAL LUNCHEON OPENS YEAR'S WORK FOR MUSIC STUDY CLUB

Commemorating the 150th anniversary of the beginning of American Music, the Music Study Club's first regular meeting of the year was held at the home of Mrs. E. P. Conaway in the form of a sesquicentennial luncheon.

In keeping with the spirit of the celebration, red, white and blue decorations were featured. Tables for four were centered by bouquets of mixed red, white and blue flowers. Patriotic place cards were ornamented with tiny American flags.

After the luncheon the program carried out the same theme. Mrs. O. T. Williams outlined a background for the coming year's programs, when she gave a historical sketch of the beginnings of Amer-

ican Music, tracing its development from the time of George Washington. She told how each historical event was commemorated with some form of celebration, which had its influence on music, art and poetry. One interesting description was that of the Federal March which was composed when the sixth state (New Hampshire), was ratified. Mrs. Williams described the popular dance of the period as the minuet, and told of the minuet written in honor of both George and Martha Washington.

An added feature of Mrs. Williams' descriptions, illustrations of the types of music of that period were given at the piano by Mrs. C. McCracken.

Members present at the luncheon and program, were Mesdames J. McCracken, G. A. F. Parker, Wm. Robertson, S. P. Rosson, Glenn Snyder, C. R. Smith, W. J. Stanford, A. C. Thompson, A. O. Thompson, O. T. Williams, B. M. Willshire, Jeff Gilbreath, H. K. Fox, C. Ferguson, C. H. Dyer, W. E. Dameron, J. E. Beyer, H. L. Broadwell, C. C. Acker, Misses Ruth Conwright, Thelma McElman, Eloye Pitman, Mattie Swisher and the hostess.

A \$500 diamond which has been lost four months was found in the gizzard of a chicken killed recently by Mrs. J. A. Saunders of Marshall, (Harrison County

BAPTIST CHURCH NEWS
The pastor has been away for two Sundays in a revival, but is at home and will be in his pulpit next Sunday.

Sunday, Sept. 25 is Promotion Day in Sunday School and B. T. U. It is very important that every pupil in either division of these be present if possible. The following Sunday many of them will be in new departments with new teachers and we want them to make the change and get acquainted next Sunday. Let's make September 25 the best day we have had this fall in attendance.
Rev. A. C. Huff, District Missionary, preached for us last Sunday morning and there were two additions. The Brotherhood had

the evening service and presented their program well.
We had a good B. T. U. study course last week. Our next study week is the Brotherhood Manual the first week in October. Let's keep that in mind. Our revival starts in October. Mr. Edwin McNeely of the Baptist Seminary in Fort Worth, will direct our music and the pastor will preach.
W. E. BARNES, pastor.

PRESBYTERIAN CHURCH
Rev. John R. Sharp of Canyon, will preach at the morning service, Sunday, Sept. 25.

ALL IN THE LIFE OF A FOOTBALL

I am a football. Today it is warm and an ideal day for a football game. I start off my life something in this order.
 A few minutes before game time I was pumped full of air. Here I am now held perpendicular to the ground ready for the kick off. Here comes the kicker, gaining momentum with each step and then "boom" he puts his foot into my side, oh boy, did it hurt! Oh well, I have to get used to this rough treatment. Now I am caught by a member of the opposing team who is down in his tracks. Three downs and then, oh, here comes that foot again, and I go spiraling up in the air only to be caught by the opposing safety. One play and without any gain my runner is down, but they keep coming and piling on him and me, "Ouch!" that liked to have knocked all the air out of me. The defense was penalized fifteen yards but that did not help me much. I'm still a sick ball.
 Here is the next play. I am centered to the tail back but he fumbles and I fall to the ground. Oh me, here comes a 150-pound tackle and he is upon me with all his weight. But I bounced from that 150-pound fullback, but he falls around me. What a relief it is to have a player fall around you rather than upon you! Well, on with the game. I am kicked, passed, caught, fumbled, and fallen upon during the remainder of the game. Boy, am I glad when that game is over.
 Which side won? It does not make any difference with me. I played with one side just about as much as with the other. I go on from game to game, still being treated roughly and without any consideration from anybody, but I have gotten used to it. It is all in a day's work for a football.

LOST! FOUND!
 So many of the articles that have been lost are never found, simply because of the failure of students to consider the other student. If we find anything that does not belong to us, turn it into the H-Y box which was made and intended to be used as such. Consider the other pupil. Put him or her in your place if you lost something. Let it be known by writing it on the bulletin board in the study hall for lost and found articles.

Sunday School is beginning to pick up a few more each Sunday. Rev. Bryant, pastor of the Baptist Church, filled the pulpit. His wife and small son from Plainview, accompanied him.
 School started Sept. 5, with 75 enrolled. Mrs. Emmett McAdoo was elected to fill the primary vacancy.
 In the Oldham County Fair, Adrian placed first in school exhibits and third in community booth.
 The Adrian Sandstorm had its first publication, Friday. Officers are Ray Long, editor-in-chief; Jake Fortenberry, sports editor; Jim Ross, class editor; Lottie Zaring, society editor; Ray Long, feature editor; Sarah Calhoun, literary editor; Bob Grublikey, business editor; Neomie Reynolds and Jay Fortenberry, reporters; Clifford Chapman and Jim Ross, typists, and J. C. Baker, Jr., sponsor.
 Mrs. Glenn Howard honored her young daughter, Polly Ann, with her fourth birthday party, Sept. 18. Games and surprise gifts featured the entertainment.
 Mrs. Spande and daughter, Miss Dorothy, went to Phoenix, Ariz., last week, where Dorothy will enter college. John McVean accompanied them.
 P-T-A had its first meeting Tuesday night. A spirited debate on the value of the modern home versus that of the home 50 years ago, sup-

Freshman Class Elects Officers

FIRST BUSINESS MEETING VERY SUCCESSFUL
 The Freshman Class met Sept. 15, in the auditorium, to elect their officers.
 Those elected are as follows: Jack London, president; Billie Barber, vice-president; Billy Davis, secretary-treasurer; Kathryn Twiner, reporter; Rachel Ireland, student council representative, and Richard Ireland, student council representative.
 Mr. Emmons and Miss Wrenn, the class sponsors, complimented the class highly for their ability to carry on the business.
 The class is very proud of themselves and are going to try to make the other meetings as successful as the last one.
 They are especially proud of the president, Jack London, who, after being elected, took over the responsibility of electing officers and carried it through nicely.
 The class has not quite completed the election, but it is looking forward to the next class meeting at which time the remaining elections will be held.

Welcome, Teachers!

The classes of '38 extend a hearty welcome to the new and old teachers of Hereford High School. This year's group is willing to co-operate with the teachers in all ways and will show respect, obedience and faith to them.
 First of all comes our superintendent, Mr. Knox Kinard. Mr. Kinard is new in our midst, but everyone likes him and is willing to back him in anything. Next come Miss Lindsey and Miss McCaslin, who are putting forth a lot of effort to help us out. We sincerely hope that they like our school and we will do everything we can to make them feel at home.
 Last, but not least, come our old teachers. We send a cheer of greetings to the following faithful ones, who are Miss Irene Crawford, Miss Sadye Rigler, Miss Neville Wrenn, Miss Ethel Rice, Miss Rhita Jean Sullivan and Miss Frances Fullingim. Here comes another cheer from the student body to our principal, Mr. G. M. Hudson; our football coach, Mr. Tommy McCollum; assistant coach, John Willoughby; basket ball coach, Mr. Richard Muller, and our agriculture teacher, Mr. W. M. Emmons.

WHO'DA THUNK IT?
 Mr. Hudson: Edison once said that four hours of sleep were enough for anyone.
 Mr. Emmons: That's apparently what our baby thinks, too.
 Mr. Boy: Say, Pop, how soon will I be old enough to do as I please?
 Father: I don't know. No one has lived that long yet.

plished both information and entertainment. J. C. Baker and O. G. Calhoun had the affirmative and Oscar Bruce and Mrs. E. N. Jacobson, the negative. Officers are Mrs. E. N. Jacobson, president; Mrs. O. Bruce, vice-president; J. C. Baker, secretary; Mrs. E. C. Chapman, treasurer; V. E. Lemke, parliamentarian.
 Buddy Chapman was hurt during football practice last Wednesday, and was taken to Amarillo for treatment. He will soon be back on the team.
 John Witt left Friday for Austin, where he will enter the second year at the University of Texas.
 Evelyn Calhoun left Saturday for Denton, to enter T.S.O.W.
 Mrs. Worsham had an emergency operation two weeks ago. Her appendix had ruptured before reaching Amarillo. She is doing nicely at will be home in a week.
 Mr. and Mrs. Mannuel Lovelass announce the birth of a son, named Kenneth Dale. Mother and son are doing nicely.
 Miss Donna Gayle Harris is in school at Rogers, Arkansas. Mrs. Harris returned from there last week, after a week's visit with her mother.
 Mrs. W. L. Speed of Roswell is spending two weeks with her son, Joe.
 The Bridge Club met with Mrs. Ed Jacobson last week. Twelve members were present.
 This community has had several rain showers the past two weeks. Most everyone has had enough to plant wheat.

LIBRARY ENLARGED; LIBRARIANS CHOSEN

Many changes, which add to the appearance and usefulness, have taken place in the library over summer vacation.
 A partition has been put into the study hall, making it smaller and the library larger. The room which was formerly the library now has many shelves for the books, while the charging counter, encyclopedias, and bulletin board have been moved into the part which was formerly the study hall. Some desks have been left in this part for the convenience of those students wishing to use the dictionaries or encyclopedias, and these desks may be used as a part of the study hall if it is necessary.
 The library was opened Thursday noon.
 Following is the list of librarians and the periods in which they serve: Bill Boyer, before and after school; George McLean, first period; Betty Roloson, second period; Helen Jones, fourth period; Bessie Bowman, fifth period; Betty Cockrell, sixth period, and Bob Gilliland, seventh period.

HEREFORD HIGH TO BE NEW STYLE CENTER

With the first days of school there has come to Hereford High a flock of new and striking ideas as to clothes and hair-do's. Jeanne Williams and Virginia Newell should have been twins, but they are trying to make up for that noticeable lack of dressing alike. They have worn blue, figured dindri dresses with dark blue, laced corselets. Another day, Jeanne wore a blue wool jumper skirt, with a wide band of Laxtex at the waist, with a royal blue satin blouse. Virginia's costume was the same, only her skirt was green and her blouse brown.
 Faye Crosthwait has adorned her feet in straw-woven, low-heeled sandals, while Barbara Brotherton has concentrated on her head and has arranged her hair in a very becoming manner. Speaking of hair-do's, Annie Jo Owens has a good arrangement of a popular new style.
 Here and now, we want to compliment Miss Crawford on her dress figured with soft feathers, and on her very becoming white pumps. She should wear that kind of shoe all of the time. Miss Wrenn also has some stunning shoes, only hers are black patent leather ties. Mr. Kinard's tan and brown arrangement is vastly becoming to him, while no one has prettier ties than Mr. Willoughby.
 Bennie Lee Smith has a blue linen dress that takes a prize for neatness and simplicity.
 Just a word about some pretty accessories. Edith Jackson's new, very ornamental Indian bracelet and ring are very pretty. Notice them some time. Inez Funderburg has an interesting scarf pin, done in gold and black. Ida Belle Hicks has a pretty pin also. It is a woman, in blue and white, playing golf. Helen Frances Streu has a small white and black pin in the shape of a saxophone. We wonder why?

INTEREST SHOWN IN POST-GRADUATE COURSES

This year there is in the student body, five students who are taking post graduate courses. These are Mary Virginia Whitehead, Mary Tiefert, Nora Jean Russell, Frances Borden and Billy Beene.
 The subjects being taken by these people consist mainly of bookkeeping, typing, English and solid geometry.

Juniors Elect Representatives

MONICA ALBRIGHT TO BE A CANDIDATE FOR FOOTBALL QUEEN
 "Are you a member of the Junior Class?"
 "Yes, I am."
 "Would you please introduce me to your candidate for Football Queen?"
 "Why certainly! It gives me great pleasure to introduce to you, and all the other students of Hereford High, Monica Albright, representative of the of the Junior Class of '38."
 Monica was selected to represent the juniors this year in the annual Football Queen Contest, which will be closed Thursday, September 22.
 The juniors also nominated George McLean as candidate for President of the Student Council Association. Clifford Estes and Helen Ruth Barber were chosen as class representatives in the association.
 Jarrell Rutherford and Ralph Biggs were elected as Athletic Association representatives.

Ex-Seniors To Leave Soon

There seems to be a noticeable change in the pupils this year. However, one notices several gloomy faces around this year that were not here last year. There are about fifteen ex-seniors seniors who are planning to attend numerous state colleges.
 There are five girls planning to attend Texas State College for Women, the students being Viola Phillips, Elvay Wilkins, Nancy Millard, Helen Ann Snyder and Melvina Stewart.
 There are only two students who will attend A. & M. College, Charles Spradley and Bud Bradley. Jack Nicks, Chilton Foster, Dean Dunlap, Mary Jane Morgan, and Troy Womble are planning to attend Texas Technological College at Lubbock. Genece Standifer is going to a business college at Oklahoma City; Karl Wilson Shirley is going to Texas Christian University at Fort Worth; and Jasper Vaughn is going to North Texas Junior Agricultural College at Arlington, Texas. So after everything is summed up, there surely will be a large space in these different colleges filled up and still a hole left in Hereford High School.

Do motorists really feel the difference, when they use Phillips 66 Poly Gas? The figures above tell the story!
 In ten short years, Phillips phenomenal growth, and rise to a place among the leaders, is an achievement without parallel in the entire history of the petroleum industry.
 Every year for ten consecutive years, in good times and bad, sales of Phillips gasoline have continued their climb. Right you are! . . . when you say,
 "It takes a great gasoline to grow like that." . . . and we suggest that you try a tankful . . . compare . . . and decide. That's one way to get the most for your gasoline dollar.
 See if you don't agree that our modern, high-test, high-energy, custom-tailored motor fuel, yields a new high in engine performance. See if you don't find that it does more, although it costs no more. See if you, too, don't feel that difference . . . after getting a trial tankful at the Orange and Black 66 Shield.

Your Telephone Company is Mostly People serving you in Texas

IT TAKES a lot of people . . . nearly 9,000 in Texas . . . to see that more than four million telephone calls each day flow swiftly to their destinations.
 It takes operators, whose skilled fingers stand ready to flash your calls on their way; linemen, to keep the voice paths open for your words; experts to see that no trouble happens in the intricate telephone apparatus that serves you; engineers; accountants; men and girls in business offices.
 To each one of these 9,000, Texas is "home."

They work here; their children are in Texas schools. Last year their pay checks totaled more than eleven million dollars, and they spent nearly all of this in Texas. They are an important part of your community.
 The telephone company, like its people, is also part of Texas. It is here to meet this state's need for friendly, dependable telephone service. It serves its own interests best by giving good service at reasonable cost to you. Southwestern Bell Telephone Company.

SOCIETY

W. M. S. CIRCLE HOLDS MEETING

Circle No. 1 of the Woman's Missionary Society of the Methodist Church met at the home of Mrs. M. M. Beavers, Wednesday afternoon. After hymn singing Mrs. Beavers led the prayer followed by the devotional given by the leader, Mrs. Frank Terrell.

The theme of the program dealt with "Planting the Gospel in Mexico." Talks were made by Mesdames J. E. Beyer, I. H. Spratt and J. C. Cummings.

METHODISTS HOLD TRAINING SCHOOL AND COUNCIL MEETING

A training school for Sunday school workers and a council meeting is being sponsored by members of the Methodist church this week. Beginning Tuesday night sessions will last through Thursday. Three divisions with Mrs. Homer Brumley in charge of the Young People's division, Mrs. R. P. Conaway in charge of the children's work and Rev. M. M. Beavers directing the Adult division, are studying different phases of the work and arranging and organizing for the new Sunday School year which begins the first Sunday in Oct.

Promotion Day Throughout the Sunday school also takes place the first Sunday in October, when classes from the cradle roll to the adult department move up a step in graded classification.

CATHOLIC WOMEN ATTEND MEET HELD HERE MONDAY

Approximately 150 delegates from all parts of the Panhandle attended the semi-annual district meeting held here Monday by the Amarillo Diocesan Council of Catholic Women.

Parish representatives from Dumas, Dalhart, Borger, Panhandle, Pampa, Canadian, White Deer, Groom, Shamrock, Wellington, Childress, Vega, Amarillo and Umbarger were present when the meeting was called to order at 10:30 o'clock, by Mrs. Donald A. Powell of Pampa, president of the Amarillo district.

Reports were given on clubs, vacation schools, sodalities, welfare work, youth organization, altar societies and the Catholic Daughters of America.

Mrs. W. P. Janssen of Umbarger read a paper on "Christian Marriage." Bishop Robert E. Lucey was the principal speaker. He addressed the group on "The Forces that are arrayed against Christian Marriage today."

Bishop Lucey was accompanied to Hereford by Rev. Thomas J. Drury, diocesan director of the organization.

Mrs. Ed Loerwald was re-elected secretary of the Council.

Luncheon was served to the visitors by members of St. Anthony's Guild.

The next meeting which is scheduled for some time in February, will be held in Dalhart.

KESTERS ATTEND LUBBOCK MEETING

Panhandle optometrists met Sunday at Lubbock to hear lectures by Ralph Barstow of Los Angeles, director of economics of the Optometric Extension Program.

"The public does not understand that seeing is not a single function," said Mr. Barstow. The proper convergence, or point of the eyes is of as much importance as is the formation of a clear image on the retina of the eye.

Optometrists do not practice medicine, but refer patients with diseased or pathological conditions to the proper professions for care. The work of Optometry is non-medical.

Dr. and Mrs. F. M. Kester of Hereford, attended the lectures.

SALAD DEMONSTRATION GIVEN FOR MESSENGER CLUB GROUP FRIDAY

"Salads are no longer considered a Sunday dinner dish, but should be served every day," said Miss Sadie Lee Oliver, OHDA, at the meeting of the Messenger Home Demonstration Club held at the home of Mrs. H. R. Lee, Friday afternoon.

"Salads should not be made by recipes," continued Miss Oliver, "but created from materials on hand in your kitchens and gardens. They offer a pleasing way of serving health-giving vitamins and minerals."

Attractive and appetizing salads were made by Miss Oliver during her talk and demonstration.

Refreshments were served to Mesdames J. T. Gunn, Glenn Taylor, Pat Brantley, Odell Raspberry, R. J. Coleman, Buren Sowell, Mrs. Tiefert of Hereford, Miss Oliver, and the hostess.

DADDY GREGG RECEIVES BIRTHDAY HONORS

A. W. Gregg, lovingly called Daddy Gregg by many, both old and young, was honored practically

all day Thursday, the occasion being his 63rd birthday.

His daughter, Mrs. Harry Seed, and Mr. Seed, were hosts at noon with a birthday dinner, featuring the birthday cake. But long before noon gifts, telegrams, phone calls and flowers began to arrive as tokens of love and esteem. Flowers from gardens all over Hereford decorated the house and a large basket of the colorful blossoms was placed in the center of the table.

In the afternoon, open house was held for the many friends who called to bring birthday greetings. Games of croquet were also enjoyed.

Thursday evening, another daughter, Mrs. Elmer Dameron and Mr. Dameron entertained at their home, featuring games especially enjoyed by the honor guest. Gift packages were opened and events of the day reviewed.

Members of the family present for both affairs, were Mr. and Mrs. Clyde Wright of Silverton, Miss Elva Wright of Dallas, Clyde Gregg, Mr. and Mrs. Elmer Dameron, June Dameron, Billy Dameron, Mr. and Mrs. Harry Seed and the honor guest.

Other guests at the evening party were Mr. and Mrs. J. E. Beyer, Mr. and Mrs. F. H. Oberthier, Rev. J. A. Hornbeak, Mr. and Mrs. C. C. Ferguson, Mrs. W. B. Dameron, Miss Frances Dameron, Mr. and Mrs. E. B. Black and Mrs. A. M. Jones.

Mr. Gregg, who says he fully expects to live to be at least 100 years old, never misses Sunday School and attends church regularly twice each Sunday. Gregg Park, which was named in his honor, is a monument to his splendid energy and civic interest.

HEREFORD CHORAL CLUB WILL ELECT OFFICERS

Officers will be elected at the meeting of the Hereford Choral Club at the home of Mr. and Mrs. A. Petersen, Monday evening, Sept. 26.

The meeting will be in the form of a buffet supper party and guests are asked to bring covered dishes at 7:30 o'clock. Other business interests are scheduled for discussion besides the election of officers and all members are urged to attend.

The organization has been meeting at the churches and various homes during the summer and the main object of the Monday night meeting is to form a permanent organization and elect a leader. A definite time and place for meetings will be decided upon and plans for fall and winter programs outlined.

LOCALS

Mr. and Mrs. Troy Womble and son, Troy Miller Womble, left last Tuesday morning for Lubbock, where Troy Miller will enter Texas Tech for the ensuing year; he graduated from Hereford High School last spring, and will start his freshman courses at Tech, this year.

Henry Wedel returned Wednesday from a six weeks vacation trip at LaVerne, Iowa, when he visited his sister, Mrs. A. C. Schneider. He also visited relatives and friends in Minnesota, Chicago, Illinois and Milwaukee, Wisconsin.

Mrs. Jack Wayland will leave in the morning for Independence, Kansas, where she will visit her parents, Mr. and Mrs. Ernest Sewell, for several weeks.

Mrs. Bill Mitchell and daughter, Dana Kay, returned to their home in Roswell, N. M., last Sunday, after a visit with Mrs. Mitchell's parents, Mr. and Mrs. J. H. Brooks. Mrs. A. J. Schroeter and small son accompanied them home for a visit.

Mrs. Bill Mitchell and daughter, Dana Kay, returned to their home in Roswell, N. M., last Sunday, after a visit with Mrs. Mitchell's parents, Mr. and Mrs. J. H. Brooks. Mrs. A. J. Schroeter and small son accompanied them home for a visit.

Dying Crop Is Good For Silo Storage Feed

Unless frost comes unusually late this fall, only a very small percentage of the feed now growing in the dry-land areas of the State can possibly mature. Those who have had experience know that a crop cut and cured before it is ripe will shrink a great deal and have much less feed value than if cut and cured at the proper stage.

In drouthy years, or during late seasons like the present one, the value of feed that would otherwise yield but little can be increased greatly by putting it in a silo. Such silage, of course, does not have the value of silage made out of feed cut at the proper stage; however, it does make such feed go a great deal farther. Those who have put this short, immature, drouth-stricken second feed into silos are very enthusiastic in regard to its value. It is their claim that it goes two or three times, and some even say four times as far as the same would have gone had it been cut and cured in the usual way. Being able to stretch out a short feed crop often means

the difference between profit and loss in dairy production.

Many stock owners have wanted a silo but considered it impractical on account of the expense entailed in buying equipment for cutting the feed, or because of the cost of labor for filling. From results obtained on silos filled with uncut feed, should a condition arise where it is a question of no silage or putting the feed in whole, the latter method is heartily recommended. But this practice applies only to dry-land feed. Feed grown on irrigated land is too coarse to put into a silo whole. It has been found that dry-land feed put into the silo uncut makes almost as good silage as that run thru an ensilage cutter.

The fact that a silo can be felled successfully with whole feed makes it possible for a family, where there are 1 or 2 boys, to fill their silo alone when it is difficult to get additional help or they cannot afford hired labor.

An egg 6 3-8 inches in circumference was exhibited in Dallas by W. D. Maguire who said the egg was laid by a hen which lays similar in size every other day.

PWA Plans New Projects With Increased Jobs

Approximately 1000 Public Works Administration projects will be underway in the seven-state Fifth Region by January 1, George M. Bull, Regional Director of the PWA said today.

Many of the new projects financed by the PWA will be in the construction stage months before the January 1 deadline set by Congress for the starting of construction, Bull said.

The estimated total cost of the 1000 projects in the Fifth Region will be approximately \$240,000,000 of which \$80,000,000 will go directly for site, labor and \$160,000,000 for materials. The material purchases, Bull pointed out, will result in a vast amount of additional employment since, according to the Bureau of Labor Statistics of the U. S. Department of Labor, for every man hour performed at the site of a PWA project, two and a half hours of work have been performed in mills, mines, forests,

and on farms, and factories and on transportation facilities in providing materials.

"The Public Works program," Bull said, "will reach its maximum effectiveness in aiding in the reduction of unemployment and in the stimulation of business only if the construction is done as quickly as possible and as nearly as possible all at once. With a thousand projects under way in the seven states of this region at one time the effect on employment and business is certain to be marked."

Application for PWA allotments on projects are continuing to pour into the regional office in Fort Worth. In the little more than two months since the 1933 Act became law 900 have been received. September 30 is the last day on which applications may be filed but PWA officials are urging localities to file their applications prior to that time, pointing out that preference is being given those projects which can get into the construction stage at the earliest time and that delay in filing an application means a corresponding delay in starting actual construction.

The states included in the Fifth Region are: Arkansas, Colorado, Kansas, Louisiana, New Mexico, Oklahoma and Texas.

HEREFORD

BULL

By Jimmie Gilbertine

Hereford has some long-needed advertising folders, thanks to the Chamber of Commerce. The folders are mighty nice, and if you know of someone who might be interested in this country, you should drop by the Chamber of Commerce office in the city hall and get one of the folders, which won't cost you a cent.

Little Jerry Witherspoon, age 5, sure enough has me guessing. This week Jerry was down town all togged out in a dress. I asked him what was the idea, and he responded with a big smile, "I want to be a girl." He said that he had a nice yellow hair ribbon at home. The whole procedure is lots of fun to Jerry, who decided since his little sister came that he just must be a girl. In fact, he carried on so much about wanting to be a girl that his grandmother, Mrs. Carl Gilliland, bought him the dress.

Lots of times you hear of girls wanting to be boys, but he is the first boy I ever saw who wanted to be a girl. Anyway, he looks mighty cute in his dress and after seeing him in it, I don't blame him much for his attitude.

Rev. W. E. Barnes' little son, William Earl, has also given him a question that was difficult to answer. After his first two or three days in school, the youngster came in to report that several boys had to remain in after school. "They were bad and had to stay in," remonstrated Rev. Barnes, "I hope you never do anything like that."

"But Daddy, I want to stay in," replied the boy, "I like to be with my teacher."

That sure was a fine tribute to Miss Eloyse Pitman, who happens to be his teacher. Hereford is fortunate in having a staff of capable instructors, who in addition to their good work as teachers, also demand the respect and affection of the students.

It begins to look as if another real problem has appeared for fishermen. For a long time the presence of thousands of turtles has hampered fishing and resulted in the loss of many fish. Now the snakes are about to take that part of Tierra Blanca Creek which meanders through State Park. From every source comes reports that fishermen each trip had seen from 10 to 25 snakes, some of which are Water Moccasins. My theory is that many of the snakes were in the tall grass in the park, and when the grass was mowed recently, they moved down to the reeds and grass along the banks of the creek. However, a new crop of them may have just developed. Anyway, they are much, much worse than last year.

Frogs are also reported in abundance along the creek this fall. Many persons are eating frog legs. There seems to be more bull-frogs on the Palo Duro than the Tierra Blanca, however, and some of them are unusually large.

"Boys Town" comes to the Star Theatre this week end, and I want to give it my unreserved recom-

mendation. I do not like to recommend shows, but this is one which is outstanding in the production of motion pictures. It has a fine cast, but the story is the thing that makes it worthwhile. "Boys Town" falls in the class of inspirational-entertainment. It's an all around A-1 show, and I think that it will appeal to everyone who sees it.

Folks, the housing situation is becoming a complex problem in Hereford. This situation is hurting our town—and no one seems to be able to figure out an answer. Maybe some of the readers have an idea. The Brand will be glad to publish such letters or suggestions as you may have to offer along this line. All we ask is that you sign them.

Rev. and Mrs. Redford at Hereford, Friday night. Afterward they were guests at the party given the young people of the Christian church by Rev. and Mrs. Redford, at their home.

Farmers are busy planting wheat since the good rains furnished sufficient moisture. Tractors have been running day and night. Some of the wheat is already up and looking fine.

Madames A. T. Frye, A. A. O'Neal and Iverson Leake were Canyon visitors, Sunday.

Mrs. Jess Caldwell presented her public speaking pupils in a recital at the H. E. Miller home, Friday night. She was assisted by Mrs. C. A. Wimberley's class in piano. A variety of readings, serious and humorous, were given by Jed Miller, Wilma Jean and Junior Miller, Pat and Carol Miller. Piona numbers were furnished by Jed and Wilma Miller, Mary Olive Frye, and Dottie V. Bolling of Daniel. Special numbers included a vocal duet by Sarah and Doris Smith and several humorous selections by Mrs. Jess Caldwell. The guests included Mr. and Mrs. R. S. West and Miss Bobbie Jo, Mrs. M. E. Burum and children, Mrs. Bolling and Miss Allred of Daniel, Mr. and Mrs. L. A. Smith, Mrs. A. T. Frye, Jess Caldwell, H. H. Miller, and Raymond Miller.

Fred Caldwell visited friends in Hereford, Sunday.

A community get-together and faculty reception was held at the Dawn school house, Saturday night. Over one hundred people gathered to welcome the new teachers and to spend an evening of entertainment. Games of 42 and bridge furnished amusement. Officers for the Community Club were elected for the new year. C. A. Wimberley was re-elected president; August Frye, vice-president; Mrs. A. A. O'Neal, secretary-treasurer. Refreshments of wafers, sandwiches and punch were served. The next meeting of the Community Club will be held the first Friday in October. The entire community is invited to take part in these monthly social gatherings.

School opened Tuesday, Sept. 20. There will be but two teachers this year. They are Mr. and Mrs. R. S. West, who came here last week from Bellview, N. M. Both Mr. and Mrs. West have a wide range of experience and come here highly recommended, to assume their duties.

The first six grades will be enrolled at Dawn, while the seventh grade and all high school pupils are being transferred to W. T. Training School at Canyon. They were enrolled there, Monday.

A complete schedule and plans have not been entirely worked out, but will be arranged this week. Two busses will be run to gather up the school children. Mr. and Mrs. Ezra Bagwell will drive the busses. Mr. Bagwell's bus will carry the pupils who are being taken to Canyon.

Mr. and Mrs. Ezra Bagwell are both well known here, having practically grown up in this community. They occupy the north wing of the teachersage.

The patrons and all other members of the Dawn community are asked to co-operate with these new teachers and bus drivers, also the trustees, to make a success of this new school arrangement and schedule.

Miss Geraldine Fleming will attend school at WTSC Training School in Canyon, this fall. She plans to stay in Canyon and not make the daily trip by bus.

H. H. S. Band Gives Concert

MR. ROBERTS IS HOST TO BAND AND BALL TEAM

The Hereford High School Band gave a brief concert on Thursday night, Sept. 15, in front of the Star Theatre. The numbers featured were taken from the new "swing books," which Mr. Ralph Smith ordered for the band this summer. After playing four numbers, the band and football squad were guests of Mr. Roberts who invited them to see "Three Blind Mice," the picture that was showing then.

After the first show was over, the football team was taken up on the stage and the members were introduced to the audience. Co-Captains Foster and Posey, made short talks about the squad's activities. After this, Mr. Roberts made a speech urging the Hereford people to give the team all the support they could. He told the audience to go out to the football games and "yell till you're hoarse."

Mr. Roberts made the team a proposition. If the team wins a game, each member gets to take his girl to the show free. If the team loses, Mr. Roberts gets to give each member a good kick. Mr. Halle also made the team a proposition. If the team wins a game, each member gets to come down to Halle Drug and get a frozen malt free. Mr. Halle didn't say what he would do if the team lost.

Hi-Y To Attend Training Camp

The Hi-Y Boys and Mr. Hudson are looking forward to going to Ceta Glen Canyon for the annual Hi-Y encampment which will be held September 22, 23, 24 and 25. There will be several other Hi-Y Clubs there along with ours. While there, the boys and sponsors will discuss plans for this year's Hi-Y work throughout the Panhandle. The boys will have a good time as they will meet several boys, go hiking, and have plenty to eat. They will bring back new ideas for this year's Hi-Y work and with a new enthusiasm for their work in the club.

Misses Inez and Alma Miller left Monday to enter College at Canyon. Miss Inez will enroll as a senior with a major in Business Administration, while Miss Alma, a government major, will enroll as a junior. The young ladies are daughters of H. H. Miller.

Hereford Girls Train For Coming Season

The members of last year's basket ball team were all seniors except one. There will be a great race for all students out for practice. Every girl will do her best to make the team.

There is a large group out for basket ball practice. Some of them have never played before. A number of the freshman girls had spring practice last year. Every student will be doing her best trying to win a place on the year's team.

Ruth Atchley was elected captain for the team of this year. She has been on the team for three years. There are only two other girls who have played in a matched game before.

Everyone is eager to see the team at work. They have a coach who can have a team if he has the material. The future team will need more help from their fellow students than ever before. Mr. Muller says by beginning practice now, the girls will be ready to play when basket ball season opens.

Interesting Program Held By Girls' Hi-Y

The Girls' Hi-Y Club met Tuesday night in the main auditorium for their regular meeting.

It was decided that their "year's project" would be to urge neighboring schools who do not have a Girls' Hi-Y to start such an organization. The Girls' Hi-Y is going to start a library of their own, consisting of books, articles, or pamphlets on things that are of interest to girls.

Mary Louise Dean read the Scripture, after which Miss Crawford offered the prayer. The group sang "Living for Jesus," the theme song. Afterward, the members were entertained by a piano solo, "Nearer My God to Thee," by Edith Jackson. Also, there was a general discussion on "What Hi-Y Means To Me."

Elect Officers of F. H. A.

The election of officers was featured at the first business meeting of the Future Homemakers' Club, Tuesday evening.

Nadyne Newell was elected president. Jean France, vice-president; Mozelle Shreve, secretary-treasurer; Rue Wilson, parliamentarian; Mary Nicks, reporter, and June Dameron, business manager.

Louise Cress and June Dameron gave talks on "What the F. H. A. Club is For."

Mr. Kinard Takes Interest In Activities

With twenty years of professional experience to his credit, Knox Kinard, new Hereford Superintendent, is thoroughly sold on his job and feels that progress in his work is shown by increased opportunity for service. Coming to Hereford from the superintendent's post in Oklaunion, which he took in 1924, Mr. Kinard is continuing a teaching career begun in 1917 as principal of a Vernon elementary school.

Superintendent Kinard continues to show active interest in professional advancement, as evidenced by his membership in professional organizations and attendance at teacher's conventions. He is a life member of the Texas State Teachers' Association, and of the Department of Superintendents of the National Education Association.

To balance his teaching interests, Mr. Kinard keeps up an active out-of-doors hobby in private life. A hunter and fisherman, he also plays golf as a permanent hobby.

"Moving to Hereford has been a pleasant experience," says Mr. Kinard, and continues to comment on the politeness and hospitality of the townspeople, and the co-operation of the principal and teachers. The students he finds to be obliging and courteous, and he welcomes their attitude of helpfulness.

Nora Jeanne Russell: I always say what I think.
Mr. Muller: I wondered why you were always so quiet.

PANHANDLE CMOOTHERS HOME SQUAD

The Hereford Whitefaces, in their first game of the year, were smothered by Panhandle last Friday night by a score of 35 to 0. Panhandle drove for 19 first downs while the Whitefaces could not collect one.

Panhandle kicked off to Hereford, and immediately forced them to punt. Smith and W. Coffee alternately carried the ball over in a few minutes. The plays started on Panhandle's 39-yard line, and six runs scored the first touchdown. An extra point was added. Only a few minutes later Panhandle's second touchdown was scored. It was practically a duplicate of the first. The rest of the game was a continuation of the first quarter. Panhandle with numerous long runs by Smith and W. Coffee crossed the goal line three more times. Extra points were kicked for two of them. The other two points was a safety in the second quarter as result of J. C. Vaughn's blocked kick.

The Hereford boys were constantly getting off-sides. They could not compete with Panhandle's offense, for they were blocked out of plays and sidestepped on many long runs.

The starting lineups were:

Hales	LB	Stirling
Knox	LT	Walters
Lisenbee	LG	Anderson
Estes	C	Sligh
Lyons	RG	Beddingfield
Ford	RT	Cox
Posey	RE	O'Keefe
Foster	QB	W. Coffee
J. C. Vaughn	LH	Smith

PEP CLUB INITIATION

By two called meetings last week, sponsors and officers for the Pep Club were chosen. The girls elected Miss Wrenn and Miss McCaslin as sponsors by a unanimous vote. The two ladies are working as if their hearts were planted in the interest of the club. They seem to be very promising sponsors. Officers elected were as follows: Edith Jackson, president; Barbara Brotherton, vice-president; Bernadine Phillips, secretary-treasurer; Polyantha Crawford, reporter.

Thursday night, at the home of Edith Jackson, the initiation of twelve new members was performed. After the new members were made to do several trying feats for the pleasure of the old members, refreshments of Frost-Sticks, cake and punch were served.

To climax the meeting, the girls gave fifteen for Mr. and Mrs. Jackson who had so graciously been host and hostess.

TWO STUDY CLUBS HOLD JOINT FIRST SESSION

A joint first meeting for the Summerfield Study Club and the Guild Study Club of Summerfield, was held at the home of Mrs. Bernard Roberson, Thursday.

Bouquets of colorful dahlias and other fall flowers formed an attractive background for tables arranged for the buffet luncheon held at noon.

Mrs. Ray Johnson, Summerfield Study Club president, presided over a brief business session and led the program. She discussed an interesting article "Federation Findings," in which the important phases and differences between the national, state and district organizations were explained. Mrs. Johnson said, "This non-partisan and non-sectarian organization, affords an opportunity for self improvement and permanent friendships. The common goal is the enrichment of life through a better adjustment of human relations."

Mrs. L. L. Cannon gave a talk on Parliamentary Rules. She talked in Courtesy for club members, common mistakes made, and explained in detail a chart on "motions."

Members of the two clubs who attended the meeting, included Mesdames Tandy Legs, D. C. Walker, Lloyd Lookingbill, C. R. Walker, J. E. Ridling, Malcolm Hawks, Lloyd Ridling, Lee Curry, Jim Clark, Britt Clark, L. L. Cannon, Frank Lookingbill, A. L. Behrends, Ray Johnson and the hostess.

BAY VIEW CLUB OPENS SEASON WITH LUNCHEON AT BROADWELL HOME

The Bay View Club opened its 1938-39 season with a luncheon held at the home of Mrs. H. L. Broadwell, Thursday.

Arrangements for the initial affair of the season were made by Mesdames Travis Dameron, Paul Mathers, John Roberts and Mrs. Broadwell.

A variety of mixed fall flowers in pastel shades decorated the house throughout. Each quartet table carried out a definite color theme, accenting pastel shades. Place cards repeating the colors of flower centerpieces, were in shapes of states corresponding to the birthplace of guests. On each state was written three dates, the date of the organization of the club (1909), the birthdate of individual members and the date of the luncheon.

After the luncheon the new president, Mrs. Ray Barber, took charge of the meeting. As a token of love and esteem a gift was presented to Miss Lillie Hostetter, a member who left last week to make her home in Borger.

A short business session was held when new year books were distributed. The course of study for the year will be based on Miscellaneous Subjects, with study program subjects for the latter half of the year largely determined by current trends during the year. Special programs will include the annual Junior-Senior Club entertainment, A Texas Day program, a Bible program and a spring breakfast.

Attending the luncheon were Mesdames Bob Wilson, J. W. Spradley, C. R. Barber, Essie Cardwell, E. E. Conaway, J. B. Stoker, Colby Conkright, J. P. Slaton, F. T. Roloson, John Roberts, G. A. F. Parker, H. G. Conkright, C. F. Moore, John McLean, Paul Mathers, T. M. Dameron, E. W. Harrison, E. B. Hedrick, J. W. Kirby, D. H. Alexander and the hostess.

The club will meet at the club rooms, Oct. 6, for the first study program of the year. "The American Home," will be the lesson subject.

BIRTHDAY IS CELEBRATED

To celebrate the 14th birthday of Gerald Banner, a surprise lawn party was given at the home of Mr. and Mrs. R. B. Jackson, last week, with their son, Billy Bob Jackson, as host.

Outdoor games of various types furnished entertainment and a birthday cake was featured.

Those enjoying the occasion, were Betty Dunlap, Donald Roberson, Nona Dean Rose, Billy Jo Kendall, Billie Louise Lance, Thurman Williamson, Billie Louise Crawford, Geraldine Kendall, Dorothy Banner, Wanda Jean Whitaker, the honor guest and the host.

HOUSTON VISITOR IS HONOR GUEST AT LUNCHEON

Mrs. Mattie Rutherford entertained Thursday with an informal luncheon to honor Mrs. J. H. Bowers of Houston, who is visiting her daughter, Mrs. W. E. Dunlap in Hereford. Mrs. J. B. Phillips was assistant hostess.

Guests included old-time friends Mrs. Bowers, when she lived in Hereford. Most of whom were members of the first Mothers' Club to be organized here.

The table was laid with an embroidered cloth of French cutwork and lace, and centered by a mound of violet blue phlox.

Those present were Mesdames E. B. Black, W. E. Dunlap, I. H. Spratt, Miss Neville Wrenn, the honor guest, Mrs. Phillips and Mrs. Rutherford.

NEWLYWEDS ARE ENTERTAINED

Mr. and Mrs. Ira Foster entertained at a dinner given at their home, Sunday, Sept. 11, honoring Mr. and Mrs. Paul W. Culwell of Amarillo, who were married Sept. 2nd.

Mrs. Culwell, who is the sister of Mrs. Foster, is the daughter of Mr. and Mrs. J. H. Leckenby of Denver, Colo.

Mr. Culwell is the son of Mr. and Mrs. O. R. Culwell of Hedley. After a quiet ceremony in Clovis, N. M., the young couple left for points in New Mexico for a short wedding trip, returning to Hereford the following week end.

They will live in Amarillo, where he is employed with the Marr Wholesale Grocery. Mrs. Culwell is an employee of the Soil Conservation Service.

MR. AND MRS. H. E. DANFORTH JOIN 300 FEED DEALERS FOR TRIP

Mr. and Mrs. H. E. Danforth were among the 300 Texas Feeders and Feed Dealers who boarded a 15-car special train Sunday for a two-day trip to the Ralston Purina Company mill at St. Louis, and the experimental farm near Gray Summit, Mo.

The trip is one of several to be made during September, October and November, from various states to honor W. H. Danforth, founder and chairman of the board of the Ralston Purina Company, who started the firm 45 years ago.

Buses met the special train at Tower Grove Station, Monday, and took the visitors to the experimental farm. During the day feeding experiments were studied and the various feeding projects were explained. Monday night a banquet entertained the visitors in St. Louis, and Tuesday a series of demonstrations were made. Sight-seeing trips over St. Louis and a big league ball game were also entertainment features.

JUNIOR BAY VIEW CLUB CONTINUES WITH UNIQUE PROGRAM PLAN

The unique program plan adopted last season by the Junior Bay View Club will be continued for the 1938-39 club year. According to the plan, interesting articles concerning various subjects which appear in current issues of Fortune Magazine form the basis for club topics, giving to club members a maximum of material on any given subject with a minimum of time spent assembling information.

The first meeting of the year was held at the home of Mrs. J. T. Gilbreath, Jr., Thursday evening.

Miss Rhita Jean Sullivan, president, conducted the business session when Miss Nancy Conkright and Mrs. W. L. Davis were voted membership. Miss Eloyse Pitman was appointed parliamentarian. A committee on the "Lending Project" was appointed with Mrs. Jimmy Gillentine chosen chairman.

Mrs. Alton Fraser and Mrs. Gilbreath will serve with Mrs. Gillentine.

Two topics, "The Development of

the Willys Automobile" and "Argentina," furnished discussion subjects. Mrs. J. W. Witherspoon told of the development of the Willys car, beginning with the first model, telling how the company grew out of a bankrupt concern until now the Willys car stands between Ford, Chevrolet and Plymouth and the used car market. The company stresses price and economy of operation and to date no competitive product is on the market.

The second topic, "Argentina," which signifies the "Land of Silver," was discussed by Mrs. Marlin Gilliland. She described the attempt to industrialize its fourteen provinces and said that the capital, Buenos Aires, ranks favorably with

FRANCES WITHERSPOON BIBLE CLASS HAS ALL-DAY MEETING

Members of the Frances Witherspoon Bible Class of the Presbyterian church enjoyed an all-day meeting and quilting at the church, Thursday. A covered-dish luncheon was held at the noon hour.

Those attending were Mesdames W. M. Cordell, E. E. Rogers, C. O. Lee, E. J. Williams, Maggie Hopper, John Haber, W. A. Hunter, W. M. Rigler, Joe Bodkin, Oille Smith, Mary Palmer, Mrs. Gatlin, and a visitor, Mrs. Andy Thomas.

AUXILIARY MEETS AT MATHERS COUNTRY HOME

The Woman's Auxiliary of the Presbyterian Church met Tuesday afternoon at the country home of Mrs. Paul Mathers.

Mrs. Henry Hastings conducted the devotional on prayer.

A short playlet was presented which cleverly brought out the study books which will be studied during the year. Those taking parts were Mesdames Henry Hastings, R. B. Miller, P. H. Walker, D. H. Alexander and John Olson.

Mrs. D. H. Alexander, leader, conducted a map study of India, followed by a series of questions and answers dealing with the popu-

lation, size, religion and customs of the people of India.

The story of the first Presbyterian missions established in India gave the background for the study book, "Moving Millions," which will form the basis for an all-day study program to be held at the church, Tuesday, Oct. 4, beginning at 9:30 o'clock in the morning. A covered-dish luncheon will be featured at noon, and members of the Jumbo Auxiliary will meet with the Hereford group.

TWO ARE HONORED AT PARTY

Honoring Mrs. T. W. Roberson and H. V. Williamson, whose birthdays were on the 16th and 17th of September, Mrs. H. V. Williamson entertained with a "forty-two" party at the Williamson home, Friday evening.

After games birthday cake and brick ice cream were served to Messrs. and Mesdames A. D. Mills and daughter, Nona, Harry Lomas and son, Dennis, Sank Ramey, G. M. Hudson and children, T. W. Roberson, E. E. Fridley, R. B. Miller and daughter, Betty Frances, H. V. Williamson and son, Thurman, T. Williamson, and Mrs. Edgar Sowell.

H. K. FOX'S ARE DINNER CLUB HOSTS

Mr. and Mrs. H. K. Fox were hosts Tuesday evening to members and guests of the Tuesday Dinner Club.

An orange and gold color motif was featured in floral decorations with a massed arrangement of marigolds and nasturtiums centering the table. Crystal and silver were used on small tables for four.

The dinner was followed by bridge games with prize awards made to Mrs. J. A. Pitman and C. C. Acker. Guests included Messrs. and

Mesdames J. A. Pitman, Alton Fraser, S. P. Rosson, C. C. Acker, Jack Wayland, A. R. Bateman, Mrs. Seth B. Holman, Miss Eloyse Pitman and the hosts.

HEREFORD'S CIVIC CHORUS TO RE-ORGANIZE

Hereford's Civic Chorus will re-organize for fall and winter programs after being discontinued for over a year due to the illness of the sponsor, Miss Mattie Mae Swisher.

All singers of the county are asked to meet at the Methodist church Sunday afternoon at 4 o'clock for re-organization and to make plans for the year.

The first rehearsals will probably include preparations for the Choir Festival which will be held in Amarillo early in November, in connection with the Seventh District Texas Federation of Music Clubs Convention. Other choirs from all over the Panhandle will participate in this meeting.

All former members of the Civic Chorus and all persons who like to sing are urged to attend the Sunday meeting.

FRIO 4-H CLUB ORGANIZED

Miss Lucille Shultz of Dimmitt sponsored the organization of a 4-H Club at Frio, Monday afternoon.

Perfect Jelly Requires Care

By EDITH M. BARBER

It would be interesting, at least to me to know what clever old-time housekeepers, perhaps in the still-room of a manor house discovered that fruit juice and sugar when cooked together would jelly. We know that the time does not date back centuries, because sugar, the necessary factor, in the fine granulated form, has not been generally available until a comparatively recent time. Many must have been the experiments before more or less accurate recipes were developed.

The perfect jelly should be clear, firm enough to mold but not stiff. The results depend upon using the proper proportions of fruit juice and sugar. They also depend upon the amount of acid present in the juice. Not all fruits supply the proper amounts of acid and soda. For this reason our grandmothers through the trial and error method limited the number of fruits for jelly. Strawberry and peaches for instance were reserved for canning and preserving. The standard proportions—1 cup of sugar to 1 cup of juice—were not always successful for other jellies. They usually work for currant, green apples and green grapes. If fruit was overripe, however, this amount of sugar was too much and the result was a soft, syrupy mixture. This was sometimes prevented by combining the fruit juice with green apple or with green grape juice. This custom eventually resulted in the preparation for market of a concentrate of apple juice which we know as fruit pectin.

By the use of this fruit pectin in the proper proportions we are now able to make jelly of practically any flavor in a very short time. The short time of cooking preserves the fresh flavor of the fruit and for this reason, pectin is sometimes used with fruit juices such as currant, which will jelly without it.

Plum Jelly
 4 cups (2 lbs.) plum juice
 1-2 cups (3 1-4 lbs.) sugar
 1-2 bottle fruit pectin

Wash about four pounds of fully ripe plums. To prepare juice, crush fruit well without peeling or pitting, add one cup of water, bring to a boil, cover and cook over a low flame ten minutes. Put fruit in double cheesecloth or one thickness Canton flannel and squeeze out juice. Measure juice into kettle, add sugar and stir well. Put over hot flame, bring to a boil, stirring occasionally. As soon as the mixture boils, stir in fruit pectin, bring to a hard rolling boil and continue boiling and stirring for just half a minute. Take from fire, skim quickly and pour at once into scalded jelly glasses. Cover with an eighth of an inch layer of paraffin. Yield—eleven six-ounce glasses.

Four clingstone plums make best jelly. If sweet plums or free-stone prunes are used, substitute one-half cup strained lemon juice for an equal amount of prepared sugar in this recipe.

Blackberry Jelly
 4 cups (2 lbs.) blackberry juice
 1-2 cups (3 1-4 lbs.) sugar
 1-2 bottle fruit pectin

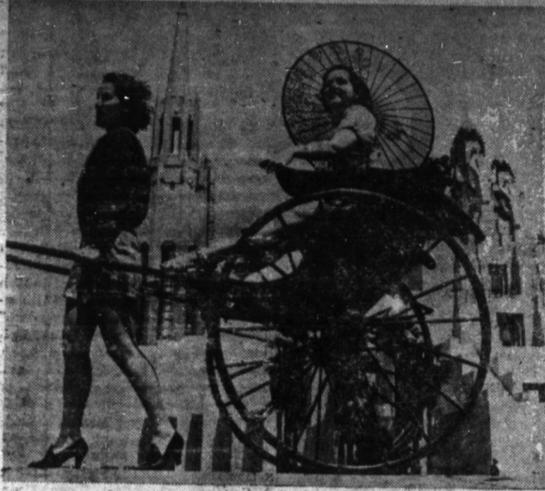

Wash about three quarts of fully ripe berries. To prepare juice, crush well or grind the berries, put berries in double cheesecloth or one thickness of Canton flannel and squeeze out the juice from medium size lemon. Measure juice into kettle, add lemon and sugar and stir well. Put over hot flame, bring to a hard rolling boil, stirring occasionally. As soon as the mixture boils, stir in the fruit pectin, bring to a hard rolling boil and continue boiling and stirring for just half a minute. Take from fire, skim quickly and pour at once into scalded jelly glasses. Cover with an eighth of an inch layer of paraffin. Yield—eleven to twelve six-ounce glasses.

Strawberry jelly may be made by the above method.

Test for Pectin
 Put one tablespoon of hot juice into glass or cup. Add one tablespoonful of alcohol and stir once. Let stand two minutes. If a thick jelly which can be taken up on a spoon without breaking, one cup of juice may be used. If jelly forms, but breaks as it is taken up with the spoon three-fourths cup of sugar to each cup of juice should be used. If there is no jelly formation, the juice must be combined with sour apple juice or currant juice and retested.

Old Fashioned Jelly
 To obtain the best results in jelly making, it is advisable to work with a small quantity of juice. Two quarts of juice is sufficiently large quantity to handle at one time. Measure juice add sugar and stir until sugar is dissolved. Boil rapidly until jelly test is obtained. When two drops will hang side by side from a spoon which has been dipped into the boiling mixture, the jelly is ready to be skimmed and to be poured in clean, hot

BOYS' HOME EC RENAMED SOCIAL PROBLEMS CLASS

Boys in Social Problems class of Hereford High School expect to receive great personal benefit from the course. The course was formerly known as the Boys' Home Ec. The course covers the problems of a boy from the time he is in high school until he is considered a young man, and to help him pick a life mate of a desirable quality. The boys taking this course, are Ben Conklin, Herlin Conklin, Roy Landers, Roy Wederbrook, Arnold Wilkins, Douglas Beene, J. C. Vaughn, Bill Montgomery, Bartley Dowell, Danny Hales and Charles Boyd.

Recent steer fattening investigations conducted by the Texas A. & M. College Agricultural Experiment Station showed that supplementing sudan-grass grazing with cottonseed cake increased the gain about one-third pound a day and added finish.

In curing concrete in hot weather, exposed surfaces should be sprayed with water at least twice a day or otherwise kept moist for a week or 10 days.

Materials commonly used for protecting concrete while curing, are canvas, burlap, boards, straw and layers of moist sand.

labor on any road project as long as the labor is available; when labor is no longer available, however, the responsibility will return to the county or political division responsible for the road.

Under the present set-up persons eligible to work on WPA projects include those actually certified on WPA rolls, and farmers who do not have work to do upon their crops. The farmers may work on WPA projects without being certified on relief, as the result of a recent act passed by Congress. A local WPA Project has to be operated, however, before such work will be available to farmers.

Following the meeting, Thursday, it was decided to determine the exact location for proposed roads, to secure detail plans of the roads and to make a survey regarding costs and accessibility of materials. A survey will also be made of possible maximum WPA labor in the area, and further developments regarding the roads will result from findings, cost estimates and other results of the survey.

By the time such surveys are completed, however, the amount of WPA labor may have changed or ceased to exist, leaving the area exactly where it started—and with the same roads.

Chinese Dates
 Comment regarding Chinese dates follows from the Amarillo Globe:
 A new products for the Panhandle-Plains area may grow from an exhibit brought to the Tri-State Fair by the Deaf Smith County delegation—Chinese dates.
 The Chinese dates, prominent this year when most fruit was lost by the April freezes, were grown by F. E. Bowe of Hereford, who is a horticulturist as a hobby.
 The dates, a native of the mountain regions of China, have produced bountifully at the Hereford

home of Mr. Bowe for three years, regardless of the cold weather.
 J. B. Elliston, in charge of the Deaf Smith County exhibit, says the dates will resist up to 35 degrees below zero. While he has never tasted the cured date, Mr. Elliston says others have told him they are as good as the Dromedary date commonly eaten in America.
 Another exhibit of interest in the Deaf Smith booth is the Porter tomato, a small, bright and tasty looking red tomato that is especially adapted for canning whole. These tomatoes were grown by Mrs. A. D. Godwin of Hereford.
