## Pool, Dowell Are Elected New City Commissioners

The City of Hereford had two new commissioners Wednesday morning.

Following the Tuesday election held at the Community Center, the winner announced for Place 3 was W. B. Bartley, Dowell, who received 239 votes.

The winner in Place 4 was Johnny B. Pool, with 337 votes. The total vote in the election was 483.

Other totals in the race were announced as 152 for Charles Bell in Place 3, and 82 for Elmer Combs, also in Place 3. In Place 4, Ervin Ward received 143 votes.

At the special Wednesday morning meeting, both Albert Maxwell and Lloyd Sharp, the retiring commissioners, congratulated winners Pool and Dowell.

At the special Wednesday morning meeting, both Albert Maxwell and Lloyd Sharp, the retiring commissioners, congratulated winners Pool and Dowell.

They will be taken on a tour of the city soon, it was announced.

Dowell has been a resident of Hereford and Deaf Smith County since he was six years old — and this is his first political race for public office. He has been an accountant with Brown, Graham and Glover for almost 24 years. A member of the Kiwanis Club since 1951, he was their president in 1954. He and his wife, Jeanne, are members of the Methodist Church.

Pool is owner of the local Western Auto Associate Store and has been in the neighborhood for the past 30 years. For the past 20 years, he has been

a property owner in Deaf Smith County. He is also a past president of the Kiwanis Club here. A Hereford Hustler, Pool is also a vice-president of the Deaf Smith County Chamber of Commerce and a member of the Presbyterian Church, with his wife, Jama.

## Lions Auction May Continue

There is a possibility the auction will go into Friday," was the report received from Don Chaney of KPAN Wednesday afternoon in regard to the Hereford Lions Club Auction.

The auction is in behalf of the new Campfire Girls but which will be constructed soon at North Park. The Lions, with other city civic clubs and the Jim Hill estate are jointly financing the construction.

Gifts have been solicited from Hereford merchants in exchange for radio advertising. The bigger the gift, the more advertising the merchant receives. The exchange was made during the auction which started Monday and was originally planned for a four-day run.

The auction has been held from 4 p. m. to 6 p. m. daily. KPAN will continue to broadcast live through today from the auction location on U. S. 60 across the highway from the Big Burger Drive-In. Bids will be taken over the telephone, and approximately 80 per cent of the retail value is reached.

Bids will not be taken until the auction begins. However, items to be sold are displayed so that interested bidders may look them over and get a purchase sheet.

Leo Forrest, committee chairman, explained that Gov. John Connally had appointed a coordinating committee to recommend some improvements in our higher education institutions in the state. An excellent report dealing with the junior colleges of Texas was turned in by the staff of the coordinating board.

Biggest recommendation coming from the committee was that there be 53 community junior colleges in different geographical locations in the state. Region 5 is to be composed of Deaf Smith, Castro, Oldham and Parmer counties.

We want everyone to know that this, in no way, means that the junior college will be built in any certain town," Forrest stated. "At this meeting it is hoped that a committee representative of the leadership of each county can be elected. The elected representative group can then undertake a study to see if the four county group is interested in a community junior college."

The Agriculture Committee of the Deaf Smith County Chamber of Commerce will discuss three main topics during its first meeting of the year at 6:30 a. m. Friday at the Hickory Inn.

Ray Boston, committee chairman, said items to be considered include that of possibly supporting the Dimmitt corn starch plant, a plan to develop a series of small holding ponds along the Tierra Blanca, Erno, and Palo Duro creeks in the county to control runoff and conserve water, and a plan to identify and work all county roads.

OATH OF OFFICE — Johnny Pool, left, and Bartley Dowell, center, were given the oath of office to the Hereford City Commission by Mayor Ray Cowsett Wednesday morning. Pool and Dowell were victors in Tuesday's election.

## Junior College Is Topic Of Meeting

Junior colleges, primarily one for the immediate area, will be discussed during a meeting of the Education Committee of the Deaf Smith County Chamber of Commerce at 7:30 p. m. today at the Community Center.

Speaker during the meeting will be Dr. Robert L. Clinton, assistant commissioner for the junior college program across the state.

Leo Forrest, committee chairman, explained that Gov. John Connally had appointed a coordinating committee to recommend some improvements in our higher education institutions in the state. An excellent report dealing with the junior colleges of Texas was turned in by the staff of the coordinating board.

Ray Boston, committee chairman, said items to be considered include that of possibly supporting the Dimmitt corn starch plant, a plan to develop a series of small holding ponds along the Tierra Blanca, Erno, and Palo Duro creeks in the county to control runoff and conserve water, and a plan to identify and work all county roads.

## Hereford School Trustees Will Be Elected Saturday

If the number of absentee votes is any indication, Saturday's election for the Hereford Independent School District Board of Trustees should have the largest turnout in recent years.

By 2 p. m. Tuesday, the last day for voting absentee in the election, there had been 116 votes turned in at the school board office. The election Saturday will be held there from 8 a. m. until 7 p. m.

Seeking re-election for the board will be Dr. A. T. Mims and Hilrey L. Aven, while Al Dzuik is seeking election for the first time.

Dr. Mims, who resides at 609 E. Fifth, came to Hereford in July of 1952 and has been working in the field of medicine since his arrival here.

Mims, 47, and his wife Marjorie, have three children, of whom two are now living elsewhere. Their oldest son, Charles, 22, is presently living in California and Edward, 20, is a sophomore at the University of Texas. The only child now living at home is Ann, who is 16 and a sophomore at Hereford High School.

A member of the First Methodist Church, Mims has also been an active member in local affairs as he is a member of the Lions Club, the church official board, Chamber of Commerce, and has served on the Chamber Board, and was also a past member of the Hospital Board. Mims also is a member of the state, local, and national Medi-

cal Association and the American College of Surgeons.

As to his reason for running for re-election to the school board, Mims said, "It is a very gratifying experience to find out the working of educational facilities and I feel that as I have served once on the board, it really takes more than that to learn what is needed. The program here is very excellent and is progressing beyond the thoughts that were expressed when it first started and it is real enjoyable to work with."

The second candidate running for re-election, Hilrey Aven, lives at 135 Ave. J and has been living in Hereford for the past 22 years and working with Big T Pump Co. all this time.

Aven and his wife Mary Lou, were married in 1949 and have four children, ranging in ages from 17 down to 6. The children are Richard, 17, Lewis, 14, Mike, 12, and Joycelyn, 6.

Among his many civic activities, Aven is a member of the Church of Christ and a member of the Lions Club, in which he has served as first, second, and third vice-president. He also is a member of the Chamber of Commerce where he has served as vice-president for a full three-year term.

"My friends felt like I could justify the cause and they also expressed an interest for me to run for office again, and this is the main reason I am doing so," he stated.

"Because of my long business background, this gives me reason to feel I am qualified and have knowledge of what is needed," he also commented.

Al Dzuik, the third candidate, is running for a board position for the first time and has been a longtime resident of this city and county.

Dzuik, who has traveled throughout the United States, See TRUSTEES Page 2

## Building Permits Soar In March

Building permits issued during March rose sharply, totaling \$565,500 and bringing the total for the first three months of 1968 up to \$1,035,900.

Of the permits issued in March 12 were for new homes, \$17,500 was for a new pharmacy now under construction in the west portion of the city, \$114,000 for new additions at the Deaf Smith County Hospital and \$168,000 as part of the apartment building complex coming up along U. S. 385 in the Sunco City Terrace addition. This is part of the \$672,500 project announced in early March.

Permits issued in 1967 totaled \$1,052,130 and included 155 new homes.

## Vehicles Must Be Inspected

April 15 is only 12 days away, including today. It is also the automobile inspection deadline.

There are still approximately 4,000 automobiles in Deaf Smith County which have not been inspected according to the Department of Public Safety.

Official Inspection Stations in Hereford are listed by the DPS as Perry's Auto Center in Sugarland Mall, Hereford Radio, 129 Shelby, Hedrick Dodge, 146 E. Second, Vernon Lewis, Enco Service Center, 403 N. 25 Mile Ave., Dickinson-Huey Chrysler Plymouth, 345 E. First St., Beards Motor Company, 320 E. Third.

Also, Fred Wat on, 200 W. First, (former Chevrolet Olds, 211 N. Shelby, Kinsey Olds, 142 N. Miles, McRight Garage and Supply, 612 E. Second, and Kemp Auto Repair, East Highway 60.

All 11 of these stations will probably be rushed for business, it was pointed out, so the time to get started is now. There might be problems on the new seat belt regulations.

## County Trustees Election To Be Held Saturday

Balloting in the Deaf Smith County School Board election will be held at four spots from 8 a. m. until 7 p. m. Saturday.

By deadline time Tuesday, only one absentee vote had been turned in at the County Clerk's office.

Polling places will be the tax office at Hereford High School, the Dawn Community Center for Precinct 7, Walcott School for Precinct 3, and Walcott School for the Walcott district.

Candidates include Don Baugous of 228 Ave. B for trustee at large, Floyd Brown of Westway for Precinct 3, and Elmo Hall of Westway for the Walcott district. Brown is the incumbent.

## City Lady's Book Will Be Published

Her second book has been accepted for publication by the firm which recently released the first, Gladys Miller, 428 Star was notified Monday. Publication date has not been announced for the new novel, titled Mother The Preacher.

Mrs. Miller's first published work, Junior Dear, went on sale Feb. 29 from the same publishing house, Dorrance & Co. of Philadelphia.

The Hereford woman had already completed Mother The Preacher, a story of family life, before the other book was accepted for publication, and she submitted the manuscript to the publishers about a month ago.

"Your new book fully meets our expectations," said the letter she received this week from the publishing house. "It is characterized by the same warmth and humor and same true-to-life situations of Junior Dear and has a broader range of characters with whom the reader may identify. We will be extremely pleased to publish this second Gladys Miller volume."

The Hereford woman writes of small-town people like those she knows as neighbors. The new book was written last summer while she was still putting final touches on Junior Dear.

Mother The Preacher is entirely her own work, while the previous volume was prepared for publication with the help of Mrs. Charlie Bell.

Mrs. Miller was honored with an autograph party at the Christian Bookstore here after the first book was received; she has appeared on a television program at Amarillo, was given an autograph party in a Lubbock department store last week and was introduced at the recent district convention of Federated Women's Clubs at Borger.

Junior Dear will be reviewed by Mrs. Ralph McCullough at the Tuesday luncheon of Pioneer Study Club, of which she is a member. Mrs. Miller is scheduled to go to Sacramento, Calif. later this month for another autograph party and television interview.

WIND DAMAGE — High winds and what some persons thought was a small twister caused an array of damages in Hereford Tuesday, as evidenced by the photos. The top photos show a downed television antenna at 219 Lee Street and transplanted barn roof in far west Hereford owned by R. E. (Ed) Lee. The bottom photos were taken shortly after the 10 by 60-foot trailer home of Mr. and Mrs. H. V. Ray overturned, and a tree was broken down at Park and Avenue J. Winds were estimated at more than 60 miles an hour when the storm slammed into the city.

## Contracts Are Let On Road Projects

Contracts for work on highways in Deaf Smith County were among several awarded by the Texas Highway Commission during its April meeting in San Angelo.

Cooper and Woodruff, Inc. of Amarillo was awarded the contract for reconstruction of grading, base and surfacing on 22.7 miles of U. S. 60 and Farm-to-Market Road 1058 in Deaf Smith County. Low bid was \$247,476.

The project extends from the east city limits of Hereford to the junction of U. S. 385, from FM 1412 to FM 2856, and at two street intersections in Hereford.

William V. York of Canyon is the Highway Department Engineer in charge of the project which will take an estimated 100 working days to complete.

J. H. Strain and Sons of Tye was low bidder for the project of seal coating of highways in the county. Included are 2.5

Seal coating also will be done in Oldham County, including 12.8 miles on Interstate 40 from Vega to the Potter County line, and on FM 809 from Interstate 40 to the Deaf Smith County line (1.7 miles).

Among other topics he will discuss are other farm feed grain legislation, the crop outlook for 1968, carry-over research projects, grain sorghum exports, the financial position of grain sorghum producers, the new IBM data concerning association dues.

New officers and directors will be elected at the meeting.

## Commission Lets Bids On Paving

The City Commissioners had a short business meeting Monday night, prior to the election, but covered the subject of bids on paving and said farewell to the two commissioners who did not seek re-election.

The commissioners agreed to accept the low bid for the street paving, which included the airport. The low bid was submitted by Jake Diel of Muleshoe in the amount of \$134,530.23 for the penetration and \$154,306.55 for the hot mix.

Two other bids were received. The W. D. Turner Construction Co. of Lubbock gave a penetration cost of \$146,092.39 and a hot mix cost of \$206,281.19. The other, High Plains Pavers of Plainview, bid \$141,789.04 for penetration and \$159,845.68 for hot mix.

City Manager Dudley Bayne said that the Diel bid included the curbing and gutter prices. He also said that, although he was unfamiliar with the Diel company, he had checked on them and found them to be qualified for the job. Diel had previously done work in Littlefield and Dimmitt and for the Texas Highway Department.

The high bids were accepted for the pickup trucks the city

had previously advertised for sale.

M. E. Holbert took the 1951 Chevrolet for \$78, and the 1962 Falcon for \$278. Boyd Machine got the 1962 G. M. C. for \$110, the 1961 Chevrolet for \$75, and the 1960 Econoline for \$186.

Bids were also submitted by A. D. Gibson, Bill Byers, Bill Morton, McDonald, and Crawford.

The commissioners deferred action on a request for a permit to make 1,200-foot connections for a sewer line, until further study could be made.

Retiring Commissioner Lloyd Sharp told the meeting: "In all seriousness, I enjoyed working with this group. Like the businessman who does not understand other than the businessman's problems, or the farmer who does not understand other than the farmer's problems, you learn them all here. It broadens your thinking a little bit."

Retiring Commissioner Albert Maxwell said, "I've enjoyed it all — I really have. I'm going to miss it. I hope who ever gets it, works as hard for the city as we have."

The commissioners set a special meeting for Wednesday at 8 a. m., following the election.

## Whitface Band Gets Top Honor

The Hereford Whitface band winner of eight sweepstakes awards in the past, added another win Wednesday afternoon, as they won a sweepstakes award at the Plainview contest.

The band won a "one" rating in concert and a "one" rating in sightreading also.

William V. York of Canyon is the Highway Department Engineer in charge of the project which will take an estimated 100 working days to complete.

J. H. Strain and Sons of Tye was low bidder for the project of seal coating of highways in the county. Included are 2.5

Seal coating also will be done in Oldham County, including 12.8 miles on Interstate 40 from Vega to the Potter County line, and on FM 809 from Interstate 40 to the Deaf Smith County line (1.7 miles).

Among other topics he will discuss are other farm feed grain legislation, the crop outlook for 1968, carry-over research projects, grain sorghum exports, the financial position of grain sorghum producers, the new IBM data concerning association dues.

New officers and directors will be elected at the meeting.

History will be made this Saturday when five varsity track teams invade the Whiteface Stadium for the first district meet ever held in Hereford.

The meet, which is set to begin at 10 a. m. with the field events and some running events could turn out to be a spectacle as no district team can be considered a favorite. Dumas, Perryton and Hereford are picked to be the three teams capable of winning the meet.

Larry Wartes, head coach and athletic director for the local team, urged that everyone come out to the meet and support the team.

It was also pointed out that there will be several freshman teams on hand to compete against each other and that there will be no admission charge for the meet.

William V. York of Canyon is the Highway Department Engineer in charge of the project which will take an estimated 100 working days to complete.

J. H. Strain and Sons of Tye was low bidder for the project of seal coating of highways in the county. Included are 2.5

Among other topics he will discuss are other farm feed grain legislation, the crop outlook for 1968, carry-over research projects, grain sorghum exports, the financial position of grain sorghum producers, the new IBM data concerning association dues.

New officers and directors will be elected at the meeting.

# Joan Marnell Is Runner-Up As Texas Nurse Of Year

Joan Marnell, the daughter of Mr. and Mrs. F. A. Marnell of 124 Aspen, was runner-up in the "Student Nurse of the Year for Texas," held four days last week in Austin. The winner was Lois Walker of Baylor University, Waco.

Miss Marnell told the Brand that amount the important subjects discussed at the Austin meet was one concerning the striking of nurses for better conditions. "There was a lot of debate over it," she said.

Miss Marnell had been selected as "Student Nurse of the Year" for District 2 at a Nursing Symposium at Abilene last February. She had been on the Dean's Honor Roll at Amarillo College while a pre-nursing student, and represented her class on the student council at the School of Nursing.

She said that it was brought

out "how nurses should let the other people know what their problems are and their working conditions."

Miss Marnell said, however, that having been associated with nurses in various other places "it was clear that Deaf Smith County has better conditions than most of the state hospital locations" that she had had an opportunity to compare.

She was born in Hereford and has lived here most of her life. But she pointed out that there is no law in Texas at present for mandatory licenses for nurses. Such a bill was defeated last year, she said. "Anybody can use the 'R. N.' after their name, and if this is not the truth, there is no way they can be punished for it. This is a danger. If someone who claimed to be a registered nurse administered medicine or drugs that proved to be fatal to the patient, there is nothing now the state could do about it. Texas definitely needs such a law."

As to working conditions, she said, "The nurse has to be subject to the hospital administrator. She has to carry out the doctor's orders in regard to the patient. And most important, she has to take care of the patient. In some places, one nurse will be in charge of more than 200 patients. This is not right in any respect. And it is certainly a danger to the patient that is what the nurses usually voice as their principal grievance."

She said that much of the debate at the Austin meet had centered on the proposed nurse's strike recently in California but that it had not actually happened. The grievances had been cleared before deadline. To her knowledge, no such action is planned in Texas at the present time.

"But people must understand

the nurse's side of the grievance," Miss Marnell said. "Most people do not realize what it is. There was criticism over the nurse's strike — they are vital persons in very important positions — and should not be permitted to walk off their jobs. But the public must understand what the problems really are. For their own benefit, it is a great harm to them when they enter a hospital as a patient, that is staffed at a minimum."

She said the question of wages was secondary.

Miss Marnell also saw her cousin, Kathy Marnell, at the Austin convention. Kathy is the daughter of Mr. and Mrs. Ed Bezner of Rt. 1, Hereford. She is now a nursing major at Texas Women's College at Denton and is going into Parkland Memorial Hospital at Dallas next year.

## Calendar Of Events

**THURSDAY**  
L'Allegria Study Club, Mrs. Hazen Woods hostess at Hereford Country Club, 3 p. m.  
Bay View Study Club at home of Mrs. Homer Powell, 117 Kingwood, 3 p. m.

### Trustees ...

Continued From Page One was educated in the Hereford schools and returned to the city two years ago. The father of two children, he has been "a teacher and public servant" most of his life and has expressed various plans and ideas if elected to the board post.

Stating that, "We need an alert, active, future-thinking school board — supporting alert, active, thinking community-hoping to educate alert, active, future-thinking citizens," Dziuk feels he could be an asset to the board.

W. B. Dameron made careful plans for his family's move to Hereford in 1900 by shipping lumber for a new home by rail and brick for a business building, the first 2-story brick building on Main Street.

**Washington Report**  
From Congressman  
**BOB PRICE** 10TH DISTRICT, TEXAS  
1323 LONGWORTH OFFICE BUILDING, WASHINGTON, D. C. • 225-3708

Last year I joined other members of the 90th Club — freshmen Republican members — in introducing a resolution to create a Special Committee on Standards of Official Conduct in the House of Representatives. A temporary bipartisan committee was established and after numerous hearings and exhaustive study, a detailed report and recommendations have been put in the form of a resolution now pending before the House. Among other recommendations is an eight-point Code of Official Conduct, which provides that Members, officers and employees of the House of Representatives shall —

1. Conduct themselves at all times in a manner which shall reflect creditable on the House.
2. Adhere to the spirit and the letter of the Rules of the House and to the rules of duly constituted committees thereof.
3. Receive no compensation nor permit any to accrue to their beneficial interest, the receipt of which would occur by virtue of influence improperly exerted from their positions in the Congress.
4. Accept no gifts of substantial value from any person, organization, or corporation having a direct interest in legislation before the Congress.
5. Accept no honorarium for a speech, writing for publication, or other similar activity, from any person, organization, or corporation in excess of the usual and customary value for such services.
6. Keep campaign funds separate from personal funds. No campaign funds shall be converted to personal use in excess of reimbursement for legitimate and verifiable prior campaign expenditures.
7. Treat as campaign contributions all proceeds from testimonial or other fund-raising events if the sponsors of such affairs do not give clear notice in advance to the donors or participants that the proceeds are intended for other purposes.
8. Retain no one from their clerk-hire allowance who does not perform duties commensurate with the compensation he receives.

### Price Pleased With New Bill

Panhandle Congressman Bob Price said he was pleased that the President has signed the Veterans Equity Bill which will plug loop-holes in current pension laws.

The bill incorporates the basic principles of a bill introduced last year by Price.

The Act refines income limits for veteran pensioners and their dependents and will prevent a repetition of a situation that found many veterans and their dependents suffering a net loss of income when social security benefits were increased.

"Such income limitations had not been changed for eight years," Price said, "even though both wages and prices had increased substantially."

### SWBT Takes In New Area

The Amarillo District of Southwestern Bell Telephone Company, which includes Hereford, has been incorporated with a newly created operating area for the company in Texas.

San Antonio is headquarters of the new Area, the company's third in Texas.

Effective date of the Area organization was April 1, however, it is expected to be about October 1, before the Area is fully operational.

"Creation of a new operating Area is indicative of the growth of operations and services of Southwestern Bell in Texas," said R. L. Tarbet, manager. The Amarillo District is part of the Lubbock Division of the Company. The entire Division, which includes Southwestern Bell Operations in West Texas, is being incorporated into the new Area. The Area also will include much of central, south and east Texas.

Announcement of the new Area came as the result of action by Southwestern Bell Board of Directors in a meeting at headquarters in St. Louis Friday.

### No Inspection Leads To Fines

Local officials have reminded Deaf Smith County residents that vehicle inspection stickers must be on by April 15 or the driver is subject to fines.

There are 12,309 vehicles to be registered in the county and approximately 5,000 had not received the stickers by last week.

**THE FAMILY LAWYER**

### Privacy and the Census

During the last federal census, a disgruntled citizen decided the government was getting altogether too nosy. So he refused to answer certain questions, calling them an "unreasonable search and seizure" — forbidden by the Constitution.

But in a test case, the court held the questions within the proper scope of governmental curiosity.

"The authority to gather reliable statistical data reasonably related to governmental functions is a necessity," said the court, "if modern government is to legislate intelligently."

By and large, the taking of the census (itself authorized by the Constitution) has not run into serious opposition.

One big reason, no doubt, is that personal information is kept confidential — as a kind of compensation to the citizen for accepting a little prying into his private life. Federal law specifically provides that census information about any individual may not be disclosed "to his detriment."

What does this mean? In one case, an insurance company refused to pay a man's claim because it suspected he had lied about his age on the application form.

"To double check," the company told him, "we would like to see what age you gave to the census taker."

However, in a court hearing, the insurance company was denied access to the census records. The court pointed out that the desired information might indeed be to the man's detriment — and therefore could not be released without his consent.

That doesn't mean general statistics cannot be used, merely because they are unpalatable to some individuals. Thus:

A city wanted to use census figures to classify a certain block as a "blighted area." Property owners objected that this was using census information "to our detriment."

But the court overruled their objection, because this was not personal information but simply the statistical profile of a neighborhood.

Over the years, such statistics have become a valuable source of guidance not only for government but also for business, for agriculture, and even for individuals. After all, without the census, how could girls find out what sections of the country have the greatest concentrations of eligible young men?

And vice versa.

### Grand Jury To Report Today

The Deaf Smith County Grand Jury will meet at 10 a. m. today to decide whether some 19 criminal cases should be tried or not.

Cases will begin in Deaf Smith County Court next Tuesday and sessions have been set for April 15 and 22 in 69th District Court.

The Farmers Creamery Association was opened in Hereford in July 1929.

### Uncle Sam's Selective Service

Editor's Note: Below are a few questions now being asked at draft boards. The answers are by Colonel Morris S. Schwartz, State Selective Service Director, 203 W. 5th Street, Austin, Texas 78701. He will welcome your questions.

Q — When is a Selective Service classification subject to court review?

A — Section 10(b) (3) of the draft law provides: "No judicial review shall be made of the classification or processing of any registrant by local boards, appeal boards, or the President, except as a defense to a criminal prosecution instituted under Section 12 of this title, after the registrant has responded either affirmatively or negatively to an order to report for induction, or for civilian work in the case of a registrant determined to be opposed to participation in war in any form: Provided, that such review shall go to the question of the jurisdiction herein reserved to local boards, appeal boards, and the President only when there is no basis in fact for the classification assigned to such registrant."

Q — May I volunteer for induction even though I'm deferred in Class III-A because of my dependents?

A — Anyone may apply for voluntary induction. If, however, after review of your case, the board retains you in III-A, you will not be inducted.

Q — Does the draft law provide special consideration for the National Guard?

A — It provides for the deferment of members of the Guard as long as they satisfactorily participate in prescribed training. They must serve six years, not less than four consecutive months of active duty for training. The law states "that it is essential that the strength and organization" of the Guard "be at all times maintained and assured."

### Election Is Set For Historical Society Sunday

Board members for a new year in Deaf Smith County Historical Society are to be elected at the annual membership meeting at 1:30 p. m. Sunday in the county museum, Palmer Norton, president, has announced.

Jim Lipscomb is chairman of a nominating committee which will present a slate of proposed board members to be voted upon by the members. The board will choose officers as it organizes for the year.

The dugout which is being completed on the museum grounds, a replica of the first "residence" in Hereford, will be open for inspection after the business meeting.

If the weather is suitable, the entire meeting will be held outdoors and chairs will be set up for members. In case of unpleasant weather, the large basement room is being arranged for an indoor session.

# Revisit Center Operation Is Explained In Meeting

By EARL MOSELEY Staff Writer

Courtesy Atkins, director of reading disability at the San Antonio branch of the Institutes for Achievement of Human Pot-

tential, Inc., appeared as guest speaker for the American Legion and Auxiliary here Tuesday night.

Atkins stepped in for Don Ze-man, local director of the Re-

visit Center, who had to be in San Antonio prior to the center's move to Amarillo on April 29.

Atkins explained that the Institutes handled every type of problem from the severest cases of brain-damage "up to those who only had a reading problem." He slanted his discussion toward those with reading problems only, "because that is what I know best."

Atkins, a young personable speaker, told the Legion that he had read a book on the subject by Carl Delacato, director of Institute of Language Disability, Philadelphia, and had gone there as soon as possible for further instruction "because I was so impressed with the methods." Thus began his career in the reading disability field.

The method was fairly simple, he explained. "We kept watching the kids over the years — creeping and crawling — and they forced the truth upon us." The problem is in the child's central nervous system,

he said. So the basis became physical therapy. Atkins exhibited two reels of color sound film, showing Delacato's method of examinations and instructions to the children who have the reading disability. The neurological organization of the brain and the understanding of its development is the principle behind the method. "Failure (in the child) is neurological disorganization." The child is given tests of all

kinds, and a mark of confidence is instilled in the child as he is being interviewed. The tests are to discover where the child functions well and where he has a lack of function. And then, "What to do about the problem once we have isolated it." It is done by patterning exercises — teaching the child the rhythm of natural motions. It includes proper coordination in crawling, walking, training the eyes — to make them uni-

formly one-sided (as all normal human beings are.) There are visual "motor exercises" for the instruction in this line. Atkins said, "It is how the message gets to the brain — either through the eyes or the ears." Sometimes in the same child, he pointed out, there will be a marked difference as much as 20 per cent between the eye transmission and his ear transmission — all because

there may be brain damage in one or the other controlling sections. He stressed the importance of this method through the high school dropout rates. (Texas alone has an annual average of 58,000 dropouts per year—most of them do not finish because of a reading problem. And he pointed out other equally high national figures.) "In the past, it was thought that such a child had an emo-

tional problem. Think of the human loss in potential resources when four out of the ten will quit school." His plea was to educate the public, and all those connected with children, that they can be "given this kind of help." Atkins said, "If the child does not possess the reading skill, he is an education cripple. We don't look at the child's I. Q., his environment, etc., we look at the child."

# Spring Rituals Held For BSP

Advancement of three members in the ranks of Beta Sigma Phi and acceptance of two new members were marked in annual spring rituals conducted at Community Center Tuesday evening. City BSP Council was hostess for the joint meeting of the three Hereford chapters.

Mrs. Hicks Roberson was received into the preceptor chapter, Alpha Alpha, in a ritual conducted by Mrs. Max Stipe, vice president. Mrs. Charles Cabiness and Mrs. Bob Spangler took part in the ritual of jewels which ended their probationary period in Kappa Iota Chapter.

Mrs. Wendell Maloney, KI vice president, was in charge of that ceremony, and also of the ritual in which Mrs. Joe F. Hukert and Mrs. Leland Dean were pledged.

Because some of the members concerned were ill, rituals for advancement of Kappa Iota members to exemplar chapter,

XI Epsilon Alpha, were postponed to April 16.

Hostesses for a social hour which followed the rituals Tuesday were Mmes. Delbert Bainum, Carl Hollingsworth, Harold Kids, Harold Beauchamp, J. D. Hamblen, Bob Spangler, Larry Summers and Roberson.

The next important Council date for this spring is April 30, when the annual Founders Day dinner will be held in Community Center and the sorority's Girl of the Year will be introduced.

# Concerning Veterans

The Veterans Administration today issued a reminder that benefits of the new GI Bill are not limited to Vietnam Era veterans, but apply equally to veterans who served in the armed forces at any time after January 31, 1955.

Jack Coker, Manager of the VA Regional Office in Waco, Texas, said that veterans who had at least 181 days active duty service, any part of which occurred after January 31, 1955, are eligible for these GI Bill benefits:

\*Educational Assistance: Full-time payments for college type training range from \$130 a month for a single veteran to \$175 for a veteran with two de-

pendents, with \$10 extra for each additional dependent.

\*High School: The same payments are available to a veteran while he completes high school without losing any GI Bill eligibility for advanced educational benefits.

\*Apprenticeship or Other On-The-Job Training: Payments (based on six-month periods) begin at \$80 per month in the first period for a single veteran with added payments for veterans with dependents.

\*Vocational Flight Training: Payments cover 90 percent of the established charge for flight training for veterans who have the equivalent of a valid private pilot license.

\*GI Loans: VA guarantees a portion of loans made through commercial lenders. On home loans the VA will guarantee up to \$7,500 of the loan; on farm real estate loans up to \$4,000; and on non-real estate farm loans up to \$2,000. VA will make direct loans for homes in certain cases.

\*Medical Care: VA provides hospital care for all veterans who served in the armed forces after January 31, 1955, (whether their service is classed as wartime or peacetime) on the same basis as for veterans of earlier wars. Top priority goes to men needing treatment for service-connected or service-aggravated disabilities. If a bed is available veterans may be admitted for any ailment requiring hospitalization if they are unable to pay for the treatment in a private hospital.

\*An allowance of \$1,000 purchase of specially-equipped auto mobiles for veterans with certain severe disabilities suffered while in service.

In addition to VA benefits, which will be explained in detail at any VA office, veterans who served after January 31, 1955, are also entitled to Civil Service preference in federal employment and to job counseling and placement by the Department of Labor and State Employment Service offices.

# Registrations Show Increase

Mrs. Neil Miller, the Deaf Smith County Tax Assessor-Collector, reported that 9,776 vehicles had been registered this year, as the end of March on the license tag deadline.

Last year on the same date, there were 9,636 vehicles registered. Mrs. Miller pointed out the increase of 140 between 1967 and 1968.

# County Women Assigned As District Chairmen

District chairmanships in the Panhandle area of Texas Federation of Music Clubs were assigned to several members of Hereford Music Study Club and Dawn Music Club as appointments were announced Tuesday morning at a district workshop session in Amarillo.

Mrs. M. G. Mathis of Amarillo, who will succeed Mrs. Carl Wimberley of Dawn as district president this summer, announced the chairmen she has selected for her administration. Borger was announced as the place of the fall conference.

From Music Study Club of Hereford, Mrs. A. O. Thompson was named chairman of sacred

music. Mrs. W. T. Carmichael of choral music. Mrs. A. J. Schroeter of the Junior Music Festival in the Hereford section. Mrs. Sam Long of the Stillman-Kelly scholarship fund.

Dawn Music Club women who will be chairmen are Mrs. R. B. Stewart, American music; Mrs. Carl Wimberley, leadership orientation; Mrs. William Wimberley, magazines and literature. Mrs. J. B. Caraway of Dawn is district auditor.

The workshop, in which Mrs. Thompson and Mrs. Carl Wimberley were leaders of discussion groups and Mrs. Caraway an assistant, was attended by 29 persons, representing all but one of the dozen clubs in the district. Five district officers and five officers-elect were present.

Mrs. Carmichael and Mrs. Thompson went from Music Study Club and the group from Dawn included Mmes. Mack Bush, Edgar Lemons, Walter Lemons, Stewart, and William Wimberley.

Diamond Club Members will receive \$75.00 Diamond Credit each week of COWAN'S

Mesa Enterprises, Inc. to

By MELVIN YOUNG

Sam Nunnally, the man who has been going around town taking coffee bets, at 2 to 1 odds, that Lyndon Johnson would not be the democratic nominee for President in 1968, says that he will move his headquarters down to the cafe and all those who made bets can come by and pay off.

Sam had no trouble getting the bets. And if everyone is honest about the deal, he figures he has about 1000 cups of coffee coming.

Actually, I think that we should all pick a particular day — say like this Saturday — and settle our gambling debts. It might be a little rough on Sam, but we're sure that he would have his fill of coffee for awhile.

The president's announcement

that he would not be a candidate for reelection came as quite a surprise to most people. Of course, there will be thousands of words written in an effort to explain his actions, and it's all going to make real interesting reading. We think however, that Lyndon Johnson has enjoyed about all this he can stand, and is not looking forward to another four years in office. He is also anxious to see an end to the Vietnam conflict before his term of office expires. Consequently, you can look for the pressure to be put on — soon. Military pressure that is, because in the end, that's the only kind the Communists understand.

Johnson made his peace overtures to Hanoi for effect, and as expected the North Vietnamese turned thumbs down on the deal. That gives him the excuse he needs to put some real "muscle" into the conflict and bring the war to an early end. We're predicting that it will be done this year, and probably before the November elections.

As for the election — well, many people figure that in the end, Hubert Humphrey will be the democratic nominee and there is a good chance that John Connally will be on the ticket with him to help hold the conservative democrats in line. But there will be much water under the bridge before convention time and anything could happen. To say the least, it's going to be interesting.

## Bryant Promoted In Army Reserves

John David Bryant, son of Mr. and Mrs. Cawthon Bryant of 312 Star Street, received word recently that he had been promoted to Captain in the U.S. Army.

Bryant, who works in Hereford and presently lives in Canyon, had received state recognition in the Texas National Guard Jan. 12.

Born and raised in Hereford, Bryant lettered three years in football at Hereford High School, and was captain his senior year. He also received the rank of Eagle Scout with the Silver Palms and is a Brotherhood member of the Order of the Arrow. He is a member of the First Methodist Church.

Bryant graduated from West Texas State University in Canyon in 1962 as a Distinguished Military Graduate after holding the rank of Cadet Colonel and Commander of Troops of the West Texas State ROTC. During his senior year, he was selected

neighbors of the Cawthon Bryants. It seems that Cawthon has done it again. Here it is just the early days of April and Cawthon's lawn is already the greenest around.

—HB—  
March, traditionally, comes in like a lion and goes out like a lamb, but this year the situation apparently has been reversed. Early March weather was pretty mild compared to the winds we've had the past few days.

The blowing dirt Tuesday was reminiscent of the dust bowl days. But who wants to remember the dust bowl days?

—HB—  
And a note from Mrs. Fred T. Johnson, Oklahoma City: "Well, I can't miss what Sue Coleman will come up with, and JA who writes about his "Bindweed farm", can I? Enclosed my check for another year. — Mrs. Fred T. Johnson."

It's always nice to see the comments made by our out-of-town readers. Usually the folks who have moved away who really appreciate a little news from their old home town.

—HB—  
Conscience: That still, small voice that shuts up when money talks.

John David Bryant

to "Who's Who in Colleges and Universities," and was "Senior Class Favorite."

For three years, Bryant was a member of the Buffalo varsity football team and will play in his seventh alumni-varsity game Friday at 7:30 p.m. in Buffalo Bowl. He has played in every one of the games.

Bryant also was a member of Kappa Alpha Order and the National Business Fraternity Alpha Kappa Psi at WTSU. Following graduation, Bryant

## Hanna To Attend Legion Meeting

Grant Hanna of Hereford, is slated to attend the 2-day executive meeting of the American Legion in Austin Friday and Saturday. Hanna is chairman of the American Legion commission on the state level and Chairman of Education on the national level.

Hanna said they will balance the budget there for the incoming year, and that 26 districts would be represented. The meeting will be held at the Commodore Peery Hotel at Aust-

tin. He is connected with Child Welfare programs over the state. Hanna's term in office covers five years.

# Adrian News

By ANN BEAVERS  
Brand Correspondent

Adrians Lions Club met Thursday night at Morgans place. It was Ladies Night and there were around 40 people attending. After a Fried Chicken Supper they enjoyed a film "Time To Live."

School will be dismissed Friday, April 12, at 2 p. m. for Easter Holidays and will resume Tuesday April 16 at regular time.

April 17, Dr. Cope, veterinarian, will vaccinate dogs and cats at the Ag. Building in Adrian from 1 to 3 p. m. The Adrian F. F. A. boys will sponsor this activity.

Fred Ziomek of Arleta, California and on his way to Willow Springs, Missouri visited Friday with the Brub Beavers family.

Mr. and Mrs. Jr. Pulliam of Amarillo spent Saturday night with Charlie Pulliam.

Mr. and Mrs. Kenneth Zaring of Albuquerque got moved to Adrian over the weekend.

The Adrians Lions Club held a Broom Sale and a Bake Sale, Saturday at the Co-op.

## F. H. A. BAKE SALE

April 6, Saturday from 9 a. m. to 12 noon at the Adrian Fire House. Each girl is to bring 2 pies plus 2 cakes; or cake and cookies or brownies or 3 pies and cake. A total of four items, 2 which are pies at least. \$1.25-Pies; \$1. to \$1.50-Cakes, \$1.75 doz. for Cookies and \$1.00 doz. for Brownies. Prices may differ slightly.

Mr. and Mrs. Johnny Penney of Amarillo moved to Adrian during the weekend.

Master Sgt. Edward Glass and family of Berlin, Germany visited in Adrian with friends and relatives last week. Also visited in Vega with his mother, Mrs. Mary Glass and his sister Mrs. Nola Hart. Edward will be leaving for Vietnam soon and will be there for a year. His family will live in Washington.

Georgie Mae Bradley and Richard Purdue of Amarillo visited the Jimmie Bradley family Sunday.

The Cub Scouts and their Der Mothers had a meeting Wednesday afternoon at the Methodist Church. Monty Stokes of Amarillo met with them.

Mr. Emmitt Robbins and his One-Act play cast won third place in the District Friday at Vega. Davy Grulkey was named Best Actor of this District. Martha Grulkey was named on the All Star Cast.

Mrs. Opal Pond of Amarillo spent the weekend with her

**BRIEF STOPOVER** — Congressman Bob Price, who was speaker in Dimmitt Saturday night, landed at Hereford and went onto his meeting from here by car. Price spoke on crime, which he said is "our number one domestic problem." He urged passage of a bill tightening laws to prevent crimes and penalties on the criminals. The Congressman is shown talking with Charles Frye, a partner in Aero, Inc., at the Hereford Municipal Airport.

## mother Mrs. Emma Bales.

Mrs. Bob Grulkey and Martha spent Friday over night in Amarillo with Mr. and Mrs. C. G. Pond Jr.

Mr. and Mrs. Travis Downing of Winters spent Thursday night with Mr. and Mrs. E.E. Allen.

Holly McNeese, daughter of the Don McNeese of Hereford is in Northwest Texas Hospital. Mrs. McNeese is the former Patsy Hammock of Adrian.

Mr. and Mrs. Jimmie Bradley and family attended the 5th Sunday Singing at Bippus Church.

A Birthday and 42 Party was held Wednesday afternoon for Mrs. Jack Fincher, in her home. Enjoying Cake and Coffee were: Mrs. Nina O'Brien, Mrs. W. C. Briggs, Mrs. Millie Maupin, Mrs. D. P. Doherty, Mrs. Ed Jacobson, Mrs. Imoene Parker, Mrs. E. E. Allen and Mrs. Jack Fisher.

Brad Pinnell, son of the Donald Pinnells of Glenrio, has been in the Hospital in Amarillo.

Rev. and Mrs. Charles Bryant of Ft. Worth was the visiting preacher Sunday at the Baptist Church.

District directors and managers meeting was held Thursday night at the Co-op. There were around 40 attending.

The F. H. A. girls held a luncheon Tuesday noon at Adrian High School. Miss Linda Galloway is their sponsor.

Adrian P. T. O. held its regular monthly meeting Monday night in the High School Auditorium. Business meeting consisted of discussing of the banquet date, which is set for May 7. A special thanks to Mr. Emmitt Robbins and his One-Act players for a fine job in putting on the play "De." Everyone enjoyed Coffee, Cookies and Kool

## AUSTIN HIGHLIGHTS

# Officials Are Predicting New High In Tourist Trade

By VERN SANFORD  
Texas Press Association

AUSTIN — Greatest tourist-vacation season ever experienced in Texas is about to get underway. Austin will share in it, as will every other town in Texas.

Gov. John Connally has just opened the first of the 10 new Texas Travel Trails — Mountain Trail in Trans-Pecos — and dedicated improved Davis Mountains State Park.

Spending by out-of-state visitors in Texas last year totaled \$1,200,000,000. Indications are 1968 will top that substantially. HemisFair opens April 6 (granted some near-miraculous feats of speed in construction and cleanup activities) and will continue through October 6. Historic San Antonio's 250th birthday will be celebrated in connection with the grand opening.

By conservative estimate, 7,000,000 visitors will attend the fair during its six-months run. Twenty-six foreign governments will exhibit on the 92-acre site. Texas' own \$10,000,000 exhibit — the Institute of Texas. Cultures, depicting the role of two dozen ethnic groups in building the state — is expected to be the main educational attraction.

A \$5,000,000 U. S. Pavilion will feature a remarkable motion picture on the confluence of western civilizations.

In addition to the educational events, plenty of top-flight entertainment is booked in San Antonio's new civic center on the fairgrounds, and there are rides, souvenirs and fun events for all ages.

Mrs. Lyndon B. Johnson will head a group of dignitaries including Secretary of the Interior Stewart Udall, who will preside over opening ceremonies April 6.

A great Texas attraction — Six Flags over Texas — will launch its eighth season (midway between Dallas and Fort Worth) April 13. Facilities have been expanded into a \$2,000 program. Pioneer Amphitheatre's 1968 production of "TEXAS" in scenic outdoor splendor near Canyon, opens June 29.

COURTS SPEAK — In a landmark case, the State Supreme Court found Methodist Church's Hilltop Village non-profit retirement home, which has some residents who pay up to \$215 a month but cares for others on a charity basis, does not meet the test for tax exemption as a purely public charity.

In a long list of other decisions, the high court: Upheld a \$5,500 judgment for a man hit by a train at Midland after he pushed a car containing a woman and eight children off the track.

Agreed that a Potter County widow should be allowed to seek damages from a builder for defective residence construction.

Held that Gariand cannot require a permit of Texas Power and Light Company to serve an area the city wants served by its own power plant.

Decided that a suit against an interstate truck firm, which damaged equipment in an accident near San Marcos, must be tried under the Federal Interstate Commerce Act.

Ordered a hearing at Eastland on the effort of a candidate for district judge to prove that he met the residence requirement necessary to get on

## the ballot.

Agreed with a judgment against the J. C. Penney Company for malicious prosecution of a man whose driver's license was used by another to cash a stolen \$100 money order in their store at Marshall.

Accepted a motion to dismiss a suit against a Houston woman for refusal to tell a judge the whereabouts of her son who was involved in a divorce action.

Refused to grant an application for a writ of habeas corpus to obtain release from jail of an El Paso juror who was sentenced to three days and fined \$100 for contempt after he flatly refused to obey a judge's order to wear a coat in the courtroom.

Austin district court has begun a long hearing on the application of Trans-Texas, Braniff and Continental airlines to join Texas Aeronautics Commission from certifying Air Southwest Company's four-engine Electra flight service linking Houston, Dallas-Fort Worth and San Antonio.

## HONORS ANNOUNCED

Sherman Birdwell Jr. of Austin and Garrett Morris of Fort Worth were named by Governor Connally to new terms on the Texas Employment Commission and the Texas Public Safety Commission.

Kenneth Pearce, 37, Department of Public Safety intelligence agent in Corpus Christi is the new head of the undercover investigations section of the Texas Liquor Control Board.

Richard C. Gibson of Austin has been appointed to the legislative Internship Advisory Committee.

H. A. Beckwith, veteran state water official, was honored when the "Beckwith Arm" of the Falcon International Reservoir was named for him.

Dr. DeWitt C. Reddick, dean of the University of Texas Communications School, received award from Southern Illinois University for meritorious service to journalism.

Governor Connally named Irby N. Taylor of Dallas and Ward Westbrook of Jasper to the Texas State Board of Accountancy.

CONSTITUTIONAL REVISION — Judicial sub-committee of the State Constitutional Revision Commission has recommended that judges of the Texas Supreme Court and the Court of Criminal Appeals be appointed rather than elected.

Recommendations call for appointment by the governor of top court judges from a panel submitted by a special nominating commission. Judges occasionally would "run against their records" on a public ballot, with voters marking their preference for continued service or judicial retirement. Where judges are rejected, a new appointment would follow.

Norman Register, director of revenue and finance for the City of Dallas, says Texas' \$250

## home-furnishings exemption

from ad valorem taxes should be either increased or done away with. Register told the local-governments committee that in 1976 when the \$250 figure was written into the constitution it was enough money to furnish a house. Now, however, that's ridiculous, he said.

Another witness before the committee said that Lubbock and Dallas are the only two cities in the state which effectively collect their ad valorem taxes on cars.

Revision commission heard strong recommendation from former Gov. Allan Shivers for four-year terms for governors and advice from Municipal Advisory Council that cities are losing "tens of millions" of dollars in bond interest rates because of antiquated provisions in Texas law.

"AMERICAN PARTY NAME FREE" — Atty. Gen. Crawford C. Martin has ruled that the "American Party" label may be used by George Wallace-for-President supporters in Texas.

Opinion, requested by Secretary of State Roy R. Barrera, noted that the American Party name has not been certified on a Texas general election ballot since 1920, therefore it is not a "pre-existing" party whose name is protected from use today.

Martin also held that county clerks must accept for filing American Party required notice for its conventions and registrars must furnish the party registered voter lists for not more than \$5 a set in counties where it holds conventions.

Party is determined to show a membership of 14,250, the number necessary to get Wallace on the Texas general election ballot. Officials also served notice that their members will get a chance to vote at conventions on liquor-by-the-drink and horse race betting, just like Democrats and Republicans.

MANUAL PREPARED — Atty. Gen. Martin has mailed to county and district attorneys copies of a new manual on Texas' extradition and rendition procedures.

About 800 cases involving use of procedures for return of fleeing legal offenders to their home states are handled by the governor's office each year.

Manual is a practical guide on previously largely-unwritten details, following custom and tradition rather than statutory or case law.

ATTACK WATER STANDARD Proposed water "quality standards amendments were termed unreasonable by 200 oil, gas and chemical company representatives at a Texas Water Quality Board hearing.

One amendment would permit lowering of quality standards only where it is demonstrated to the board as needed to assure economic or social development.

It calls for the highest and best degree of waste treatment available for any industry, public or private project that conceivably could create a new pollution source. Alternative proposes industry be bound to comparable high standards of treatment the same as to those required of facilities serving the general public.

TWQ board probably will take no action before April 25.

SULPHUR EXPLORATION — State School Land Board has approved an application by the Duval Corporation to increase from 800 to 1,800 feet the maximum depth of exploratory sulphur wells on a mineral lease in Culberson County.

Lease was one sold November 7 in Texas' first sulphur-lease sale on West Texas lands. State will receive one-sixth royalty on the production from the lease.

Land Commissioner Jerry Sadler has set May 7 for another sulphur-lease sale. This one covers 19 tracts of land in Culberson, Reeves and Pecos counties involving 8,938 acres.

## SHORT SNORTS

Governor Connally designated April as Bluebonnet Month in Texas and presented Helen Dale Biggs of Vernon as Texas Bluebonnet queen of the 1968-69 Bluebonnet Festival. Vernon Maxwell Arrell, formerly with the Texas Education Agency, has been named assistant director of the rehabilitation — a new job with the Texas Department of Mental Health and Mental Retardation. Fredrick Bell of San Antonio, a retired brigadier general, has been appointed South Texas field consultant for the Texas State Library. Texas Railroad Commission approved a request for discontinuance of the railroad depot in Overton, which was once used by the Missouri-Pacific Railroad. Seasonally adjusted construction authorized in Texas rose 15 percent in February, after declining 3 per cent in January, the University of Texas Bureau of Business Research reports. Railroad Commission has been asked for a new field designation for 79 oil wells near Kilgore, now in East Texas field. Loy R. Jones has retired as supervisor of big San Antonio district for the Texas Liquor Control Board. New attorney general's opinion upholds the form of affidavit for use in April 20 Travis County Junior College district bond election. Reports that Hurricane Beulah damaged fishing by dumping too much fresh water into Texas' bays are "hogwash," according to Parks and Wildlife Department.

Other local students winning included Wanda Fuhrman, second in slide rule; Frank Nobles, second in science; Scott Lewis, alternate in ready writing, and Laura Davis, alternate in type-writing.

Cocanougher registered Herefords have been known in the cattle world for several decades. Although W. M. Cocanougher was a farmer, all his sons engaged in ranching either as owners or working with stock.

## Revival Set At Avenue Baptist

Revival services in Avenue Baptist Church, 130 N. 25 Mile Ave., will begin Sunday to continue through Easter Sunday, the Rev. Ronald A. Harpster, pastor, announces. The Rev. Windell Taylor, pastor of First Baptist Church in Boise City, Okla. is the evangelist.

He will preach at services each evening beginning at 7:30. The Rev. Bill Foil, pastor of Friona's First Baptist Church, will be in charge of revival music.

The evangelist conducted a youth revival in Avenue Church last year. He is a native Texan, born and raised at Plainview, a graduate of Wayland Baptist College and of Southwestern Baptist Theological Seminary in Fort Worth.

"Avenue Baptist Church extends a cordial welcome to fellow residents of this area to attend this spiritual encounter," said the pastor.

## Two Students Win Firsts In UIL Contests

Terry Bell and Steven Dziuk won first places in slide rule and science, respectively, during the University Interscholastic League contests in Canyon last Saturday.

Hereford High School finished fourth in the contests with 55 points, with Perryton taking first with 159 points. Canyon got 101 points; Muleshoe 96, and Dumas and Tulla each got 30 points.

Other local students winning included Wanda Fuhrman, second in slide rule; Frank Nobles, second in science; Scott Lewis, alternate in ready writing, and Laura Davis, alternate in type-writing.

Cocanougher registered Herefords have been known in the cattle world for several decades. Although W. M. Cocanougher was a farmer, all his sons engaged in ranching either as owners or working with stock.

**LIONS CLUB EVENTS** — The Hereford Lions Club Election Party and Ladies Night Tuesday included two events. In the left photo, Charles Bell receives a plaque honoring him as Lion of the Month for March. At right, Marshall Cooper, director at Girlstown, spoke briefly and expressed appreciation to the Lions for supporting Girlstown.

## Local Students Entered In Fair

Numerous students from Hereford schools will be participating in the Texas Panhandle Science Fair, scheduled to begin Friday in Amarillo.

From Hereford High School will be Frank Nobles, division Grand Champion in the Deaf Smith County Science Fair, in chemistry and bio-chemistry; Laurel Davis, chemistry and bio-chemistry; Glynda Landers, medicine and health; Joe Walker, zoology, and David Kelly, Bryan Knox and Galen Evans, all in physics.

Joan Waters of Aikman Elementary School, winner in the Elementary Division of the local Science Fair, will be entered in zoology, along with Gerald Shipley, Beverly Kleuskens and John Paetzold of Aikman.

Gary Morton, Kenneth Adams, Christy Cole and Gerald Johnson will represent Bluebonnet Elementary School, and Central School will have no entries this year.

Entrants from Northwest will be Kim Wilson, mathematics; Kim Poarch, medicine and health; David Baugous, botany, and Elizabeth Sawyer, zoology.

From Shirley School are Brenda King, medicine and health; Mike Aven and Mike Allen, both earth and space.

Stanton Junior High will send Richard Guymes, botany; Kevin Young, zoology; Jim Fowler, mathematics, and Bobby Sander son and Loretta Gibson, both math. The seven representatives from La Plata Junior High are Susie Shirley, Melissa Johnson, Sandy Trevina, Genie Robbins, Marc Herring, Cliff Herring, and Mike Wartes.

The 11th annual Texas Panhandle Science Fair will be held in the Commercial Exhibits Building on the Tri-State Fair grounds. Exhibits will be shown by student representatives of schools in 26 counties in the Panhandle area.

## Big Damages In Wreck On Main

A two-car collision at the intersection of North Main Street and Sixth Street Monday morning resulted in approximately \$450 damage.

Officers said a 1967 Pontiac driven by Edward Blackwell of 402 Union was going south on Main and a 1964 Dodge driven by Wilma G. Neill of 814 Brevard was going west on Sixth Street when the accident occurred.

There was an estimated \$300 damage to Blackwell's car and \$150 damage to the Neill auto. A combination street and stop sign sustained \$15 damage. A citation was issued for causing a negligent collision due to failure to yield right of way.

Big damages . . . Sixth and Main

## Safety Team To Tape Contest

The "Learn and Live" safety program rides again — on television.

The Hereford team, winners of the contest in January over the high schools in the Panhandle and Plains area, will leave for Wichita Falls Sunday for a television taping session the following day against the area team in north central Texas.

Members of the local team who will compete are Jerry Odum, Jane Zinse, Laquita Robinson, and alternate Kenneth Justice.

KFDA-TV Channel Ten, which broadcast the previous games from the schools in the Amarillo area, is also the owner of KAUZ-TV Channel 6 at Wichita Falls, who televised the area games there. It was announced that they are sponsoring the contest between the two area winning teams, in conjunction with the Texas Department of Public Safety.

The four winners on the Hereford team are all sophomore students.

Mrs. Ray Johnson stopped off in Dallas this weekend to visit friends and her brother-in-law, Dr. and Mrs. Elton Johnson from Commerce.

**NEW LIONS OFFICERS** — Ray Moore, far right, was elected new president of the Hereford Lions Club during the organization's Election Party and Ladies Night Tuesday in the high school cafeteria. Other new officers, from right to left, are Don Chaney, first vice president; Roland Hairgrove, second vice president; Hap Cavness, third vice president; Charles Cabbinney, director; Bob Spangler, tail twister; Donald Hicks, director; Tom Harkey, tail twister; Jim Hale, treasurer; Lynton Allred, Lion tamer, and Ray Simpson, secretary.

## Cancer Society Schedules Drive

Mrs. Bud Thomas, House-to-House chairman for the April 29 collections of the local American Cancer Society Crusade, has reminded city residents of the upcoming campaign.

Dale Young, crusade chairman of the local society, along with Mrs. Armon Lauderback, who is president of the American Cancer Society in Hereford, said that the best way to help fight this killer is to contribute to the April Crusade and in doing so, you will help support their research programs.

It was pointed out that about 200,000 persons will be saved this year from the deadly disease and that there are already some 1,400,000 alive today that have been cured. It was also pointed out that 4,500 youngsters under the age of 15 will die this year of the same disease.

Collections will be made on the last Monday in the month of April.

## Ticket Given In Sunday Wreck

A citation was given for following too closely after a two-car accident Sunday night on U. S. 385 near the intersection with Morman Street.

A 1962 Chevrolet driven by Priscilla Durham of 229 Avenue K sustained \$125 damage and a 1964 Chevrolet driven by Douglas Lewis of Route 5 had \$200 damage.

Officers said the Durham car was attempting a left turn from U. S. 385 when it was struck from the rear by the other vehicle.

## Two Citations Given In Wreck

Damages totaled approximately \$300 as the result of a two-car collision Monday afternoon at the intersection of Third and Main streets.

A 1964 Chrysler driven by A die Hubbard of 215 Western sustained \$200 damage and a 1965 Dodge driven by Tomasa Delacruz of 714 South Texas had \$100 damage.

Both vehicles, officers said, were going south on Main when one stopped for a pedestrian and was struck in the rear by the other. One driver received a ticket for causing a negligent collision by following too closely, and the other got a citation for leaving the scene of an accident.

His mother told the Brand that her son had "had surgery twice and is now recuperating. The wound (to the upper arm and the upper right side of the chest) didn't heal like it should have. They had to go back in and remove some more dead flesh after the first operation, and went back for more surgery."

She said she felt that he was doing fine now, otherwise he would not be slated for active duty again so soon.

PFC Hagar is 19 years old. Mrs. Hagar said that her son would probably be home for Christmas. "I was hoping that it would be sooner, but I'll be glad to see him then."

Mrs. Pearl Boyer is in the Northwest Texas Hospital in Amarillo with a broken leg after a fall from her porch. Mrs. Boyer is in Room 243 and at the last report is doing well. I'm sure that she would appreciate company.

## Wreck Causes \$600 Damage

One person was slightly injured Sunday night as the result of a two-car collision at the intersection of U. S. 60 and Fourth Street.

A 1966 Buick driven by William S. Whitaker of Route 4 was going east on U. S. 60 and was preparing to make a left turn when the accident occurred. A 1961 Ford driven by Dorothy Akers of Clovis was going west on U. S. 60.

There was an estimated \$100 damage to the Whitaker car and \$500 damage to the Akers vehicle. Slightly injured was Mrs. Elma Tollison, 57, of Clovis. A ticket was given for failure to yield right of way.

Easter Ad #1 - 1968

# Volleyballers Win Zone, Tournament

For the second time in the same number of years, the high school volleyball team has earned the right to represent the Whitefaces in the North-South Zone Play-off this Friday in Phillips.

Playing for this right, last week, the girls defeated the Muleshoe team in a decisive game by scores of 15-7 and 15-3 to gain the zone play-off berth. District records for the south zone showed Hereford with the only perfect record as they defeated Muleshoe and Tulla on two occasions each. Hereford stands at 4-0 in district while Muleshoe is 2-2 and Tulla was in the cellar with an 0-4 mark. After taking the district title, the girls traveled to Canyon to participate in the Tournament there where six teams were entered. Entered in the tourney were two teams from Hereford, one from Channing, and three from Happy.

In first round action, Happy I defeated Happy III to gain a play-off match against Hereford II. In that game, the Hereford II team swept the series from the Happy I team by scores of 15-5 and 16-14 and thus went into the finals against the Hereford I team which had defeated Channing by scores of 15-8 and 15-12.

Pitting the Hereford I against the Hereford II proved to be the best match of the tournament as the number one team barely defeated number two as the score went 15-5 and 15-11. In the consolation bracket, Channing took that honor by defeating Happy I.

The Volleyball teams collected both the first and second place trophies for their efforts in the Canyon Tournament.

While there has always been

need for more support for these girls, it is needed more than ever this Friday when they journey to Phillips, and everyone is urged to attend the contest to support the team.

# Stanton, LaPlata Compete At Canyon Jr. High Meet

By MARSHALL DAY

Featuring nine teams, the Stanton and La Plata junior high schools took part in the Canyon Junior High Track Meet last weekend.

La Plata's seventh grade took third place honors in their division of the meet as they netted 70 team points. Placing in the finals for the seventh grade were Walter Olson, first in the low hurdles; Terry Champ, first in the broad jump; Emilio Cantu, second in the pole vault and third in the 440-yard dash; Alvin Ellard, third in the 50-yard dash and fourth in the broad jump; Tim McNeely, third in the high jump; Gary Kirkland, third in the 880-yard run; and Champ again with fifth in the high jump. The 440-yard relay team nabbed a third while the 880-yard team took fourth in the finals.

In the eight grade division, La Plata had four boys place in the meet, and these were Cliff Herring, who got second in the high jump; John Page, fourth in the discus; Ralph Waits, third in the high jump; and Page who was also third in the 220-yard run. The team nabbed sixth place in the nine team field with a total of 23 points.

La Plata's ninth grade took

The Hereford Brand Sports  
Page Eight  
Hereford, Texas, Thursday, April 4, 1968

**TOURNAMENT WINNERS** — Both the high school volleyball teams collected trophies in a tournament held in Canyon last weekend. Collecting the first place trophy was Hereford I which consists of from left to right, top row, Sharon Cash, Nancy Howard, Jan Miller, and Judy Mason. Second row, left to right, Shelly Rush, Judy Lookingbill, and Suzanne

Hart. Taking the second place trophy was Hereford II in the right photo which consists of, top row, left to right, Linda Merrill, Mary Ann Vogler, Ann Mims, Vicky Brownlow, Kay Williams, and Linda Paetzold. Bottom row, left to right, Jamie Edmundson, Jo Ann Coffey, Karen Bain, Gail Rusher, and Cecilia Packard.

fifth in their division as they collected 34 points in the Canyon meet. Alan Waggoner took on most of the scoring duties as he placed in four events which included fourth in the low hurdles; first in the high jump; first in the pole vault; and third in the high hurdles. Lino Hernandez was the only other La Plata to place for the ninth grade in the finals as he took fourth in the mile run.

Stanton's seventh grade was the only local team to collect a win over the other teams and they did this by tallying some 114 points for their victory.

Placing for the Stanton team was Kieth Kitchens who got second in the high hurdles, second in the low hurdles, and first in the pole vault; Wesley High, fourth in the 220-yard run, and third in the pole vault; Sammy

# Stars Are Named In Sunset Keglers

Joyce Skelton was named "Star of the Week" in Sunset Keglers action when she went 68 pins over her average in league play last week.

Picking up the 6-7 split was Mary Ann Austin while Mildred Rule picked up the 5-10 split.

Joan Munnerlyn collected two honors as she rolled a 561 for "High Individual 3-Games" and a 210 for the "High Individual Game." Chester Gin nabbed the "High Team 3-Game" with 2328 while Hereford Insurance got the "High Team Game" with a 803.

Team standing show that Hereford Insurance is 77-35; Chester Gin, 70-42; Medics, 65-47; Justice Realtors, 62-50; Owens and Hollingworth, 60-52; Hereford Welding, 59-53; Gault and Son, 55-57; Sunset Lanes, 54-58; Boyd Machine and Supply, 50 1/2-61 1/2; Thrift-Burger 46 1/2-65 1/2; Hays Implement, 44 1/2-67 1/2; and Imperial Coiffures, 28 1/2-83 1/2.

# Whitefaces Collect First At Borger; Begin Preparing For District Meet

By MARSHALL DAY Staff Writer

Breaking records right and left, and placing men in every

# Dan Reeves To Talk At Banquet

Dan Reeves, the lightning quick, shifty-footed runningback of the Dallas Cowboys, will be the guest speaker at the annual Sports Banquet this year it was announced by the Booster Club.

Reeves, who was relatively unknown during his first season with the pros, burst into the football scenes and magazines with his grinding ability and nerve-racking moves which drove defensive players batty. Selected as a free agent draft as a quarterback from South Carolina, he was overlooked until he tried out for the back position. Though he showed no great promise during the first season, he changed everyone's minds when the season started the next year by ranking as the teams leading rusher with 757 yards. He came back to make his mark in the record books as he achieved the second place ranking among receivers with 41 receptions for 557 yards and eight touch downs.

Reeves will speak, and possibly some films of the Dallas Green Bay game this past season will be shown. The date for the banquet is set for May 7 in the Hereford Bull Barn. The time is yet to be decided.

event except four, the Whiteface cindermen hung on to the last effort to take the Borger Relays first place honors last Saturday afternoon.

In the field events, the local boys threw plates leaped over bars, and sailed through the air to place in the high jump, the broad jump, and the discus events. Jim Childers nudged out all contenders in the high jump event as he took first with a leap of an even 6 feet. Two Hereford boys placed in the broad jump when Childers nabbed first with a leap of 21 feet 10 inches and Bobby Burwick fell short of a second place finish when he leaped 21 feet 2 inches.

Donnie Fangman was the lone Whiteface representative in the discus event as the plate-throwing trackster threw the discus 146 feet for a second place spot in the event.

Hereford failed to place in the pole vault and the shot put events.

Following the field events were the track events which lasted well into the night at the relays. Starting off in the afternoon preliminaries were run, and finals began later in the evening.

First on the track events was the 440-yard relay which was taken by the Perryton team with Hereford placing third behind Borger. After the 440-yard relay, the cindermen competed in the 880-yard run where no Whiteface runner could place in the crowded event.

Gary Goodin, the springy-legged

hurdler for the team, took another first in the 120-yard high hurdles with a time of 14.7. In the preliminaries, he set a record of 14.2 but had a little difficulty in the finals matching that time.

With a last step surge, Bobby Burwick took the first place position in the 440-yard dash as he beat out his competitor from Borger by one step with a time of 50.2, a new meet record.

Taking to the hurdles once again, Goodin set a meet record in the 330-yard intermediate hurdles when he was clocked at one of the best times in the state. Leaving the other participants far behind, Goodin took the hurdles in a time of 38.5.

With team totals showing that Hereford was just two points shy of first place, the fate of the meet rested on the feet of the mile runners as there were only two events left in the meet. Running for the much-needed points in the mile were two Hereford boys and these two proved to be the winning combination as Charlie Inman and David Kelley finished second and third. Inman was just steps behind the first place finisher who was timed at 4:47.8.

Needing a time of at least 3:36 to place in the mile relay and to win the meet, the relayers did just that as they were timed at 3:34 giving the team the needed boost over the second place finishers from Borger. Hereford won the meet with a total of 105, while Borger came in a close second with 103 one-

third. Perryton was third with 84, and Plainview was fourth with 72.

Hereford will now host, for the first time in school history, the district 1-AAA track meet this weekend at Whiteface Stadium.

# Von Brauners To Meet Funks

Dory Jr. and Terry Funk will battle Kurt and Karl Von Brauner in the main event at the wrestling card for this weekend at the Hereford Bull Barn, it was announced.

From the huge figures of wrestling, the card will feature the extreme of this when midgets, Cowboy Laing and The Mighty Atom pit themselves against each other. Also on the card will be the mat-throwing match when the Lawman goes against Sputnik Monroe.

The matches are scheduled to begin at 8:30 p. m.

# Two Leagues Select Winners For Week In Bowling Action

"Bowlers of the Week" in Kings and Queens bowling action for their play Friday night were Glen Neill, who had a 640 series, and Wilma Clark who was 106 pins over her average.

Alice Lueb took the Queens division in the "High Single Game" with a 246; the "High Series" with a 628; the "High Handicap Game" with a 250; the "High Handicap Series" with a 677. Ben Lueb took the Kings division in three different spots as he rolled a 225 for "High Single Game", a 250 for "High Handicap Game", and a 663 for "High Handicap Series." Raymond Lueb collected the only other honor in the Kings division as he rolled a 590 to nab the "High Series."

Farmers Elevator took both the "High Team Game" with a 823, and the "High Team Series" with a 2444.

In action, Vance Hall Sporting Goods won 4 and lost 0 to the Cougar Club; Quarter Horse Club won 3 and lost 1 to Hereford Janitor Supply; Sunset Foods won 3 and lost 1 to One Hour Martinizing; and Farmers Elevator won 3 and lost 1 to Hereford Labs, Inc.

Standings show that Vance Hall Sporting Goods is 21-11; Sunset Foods, 20-12; Hereford Labs, Inc., 16-16; Farmers Elevator, 16-16; Quarter Horse Club, 16-16; The Cougar Club, 15-17; Hereford Janitor Supply, 13-19; and One Hour Martinizing, 11-21.

# J.R. BOWLING

While the Junior Division did not bowl last week, the Bantams division competed with Denise Strange running away Scratch Game" with a 101; the "High Series Scratch" with a 188; the "High Handicap Game" with a 190; and the "High Hand-

icap Series" with a 306. In the boys division, Robert Peacock got the "High Scratch Game" with a 129 and the "High Series Scratch" with a 216. Ricky Boyd collected the other two honors as he rolled a 180 for the "High Handicap Game" and a 307 for the "High Handicap Series."

The Kitty Cats won the "High Team Game" with a score of 591, and also the "High Team Series" with a 1169 tally.

In league standings, the Fighters are 26-10; The Hits, 26-10; The Kitty Cats, 24 1/2-11 1/2; Top Hatters 11 1/2-24 1/2; The Panthers 11-25; and the Doggies, 9-27.

**NEW CHEERLEADERS** — Selected as the new cheerleaders who will cheer the fighting Whitefaces on during the next season are, from left to right, Renette Hubble, Margaret

Phipps, Sue Easley, Cathy Monore, Mary Sue Neff, and Kay Lynn Lyman. Miss Phipps and Miss Easley are returning from this years group.

lected by the Double J's as they downed Dooley's Dollies 38-33. Joan Fuston had 13 for the losers as the game proved to be a good one as it was tied up at the end of regulation play and had to go three extra minutes to determine a winner.

Referees for the first game were Ed Schroeter and Gary Tyler while Tyler also called the second game with Johnny Fuston helping him the first half and Schroeter calling the second half.

The first casualty of the season for Dooley's Dollies was registered when Nicky Bryan fell during the second quarter of play and hurt her back. The doctor reported that she will be unable to play any more basketball this season and the team expressed their sympathy for the mishap.

While the April 9th game was canceled, the next scheduled contest for the league will be April 16th when the Double J's meet the Gay Granny's and Lani's Lovelles play Dooley's Dollies.

# Female Cagers Register Wins

In women's league basketball, the Gay Granny's defeated Lani's Lovelles and the Double J's downed the team of Dooley's Dollies in league play last Tuesday night.

Heading the attack for the Gay Granny's in their 24-12 rout of Lani's Lovelles, was Daisy Huntsinger with 20 points to her credit. Phyllis Blankenship collected 8 for the losing Lovelles. In the second game, Zula Arney had 22 of the 38 points col-

## Boy Is Program Guest Of Club

One of the participants in the patterning program for aiding brain-damaged children, being conducted here under direction of the Institute for Achievement of Human Potential, assisted the speaker for La Afflatus Estudio Club Tuesday afternoon.

He is Mitchell Merritt, six, who accompanied his mother, Mrs. G. C. Merritt Jr., speaker at the meeting in Mrs. Aubrey Cook's home. She explained patterning exercises which the children take as a part of their treatment, then demonstrated with Mitch's help.

Mrs. Cook introduced the mother-and-son program guests after Mrs. B.F. Markham gave the thought for the day on the subject, Doing Your Part.

Members decided to end the

club year with a luncheon at the Hickory Log May 7, when officers headed by Mrs. Walter Johnson as president will be installed. The next meeting, Apr. 16, will be at First National Community Room with Mrs. A. B. Higgins as hostess.

Arrangements for supplying chauffeur service or residents of Kings Manor retirement home the remainder of this month were made in the business period. Mrs. George Suggs and Mrs. A.L. Hewitt began the month's assignment.

Mrs. Ralph Paul was a guest, and other members present were Mmes. C.E. Beauford, Emmett Hale, Johnson, Sam Morgan, Louie Olson, B.A. Reddell and T. W. Roberson.

## Vickie Inman On Dean's List

Miss Vickie Inman, Hereford student at the University of Missouri, has earned a place on the Dean's Honor Rank List with a grade point average placing her in the upper 20 percent of the student body for the past semester.

Her parents, Mr. and Mrs. Burke Inman, have been notified of this honor in a congratulatory note from W. Francis English, Dean of the college of arts and sciences.

Miss Inman is a junior journalism major at the university, at Columbia, Mo.

## Appeal Drive To End Soon

With physical therapy, medical diagnosis, speech and hearing programs and related services being offered to the disabled, J. A. Hodges Jr., treasurer of the Hereford Easter Seals Appeal, has announced that "the drive is going well."

Hodges, who can be contacted at the Hereford State Bank in charge of the local appeal. When he is contacted, he will request the Society to investigate the needs of the handicapped person and will request that the best resources be made available to help him.

The 1968 Appeal will help finance the program this year in Texas and Hodges asks that additional contributions to the Easter Seal Appeal be sent in as soon as possible because the drive ends on Easter Sunday, April 14. Contributions should be sent to Hodges in care of the bank.

The Easter Seal Society helps support 21 treatment facilities in Texas, where children and adults are treated regardless of ability to pay. In connection with the society, it was pointed out that 17,622 persons who were disabled last year, were helped by the society.

Five girls of Tawanka Camp Fire group, meeting a Casa de Amigos Monday afternoon, received certificates for passing the Trail Seeker rank. Completing the work were Rosa Chavez, Diana Martinez, Vangie Martinez, Sara Vallejo and Oralia Villarreal.

Receiving beads for accomplishments in the seven Camp Fire crafts, in addition to the girls who passed rank, were Aurelia Evizondo, Sandy Espinoza, Janie Hernandez, Mary Leon, Luzcila Santoya, Sandra Santoya and Bertha Zepeda.

Assisting in the ceremonial were Kathy Miller and Shelley Rush of the sponsoring Starliters Horizon Club, and Prissy Crume of Cuntina Horizon Club.

The history of Camp Fire, both national and local, was outlined for the girls by Prissy Crume, with the lighted candles of Red, white, and blue signifying the Camp Fire watchword "Wohelo" — work, health, and love.

The Tawanka group recently participated in the birthday month display held at Sugarland

## Pupils Play In Recital

Mrs. Bill Bradley presented two groups of piano students in spring recitals Sunday afternoon in Ward Hall of First Methodist Church. Varied programs of classical and modern music were performed by both groups for audiences of family members and friends.

The first program was by Rita Soliz, Kevin Langford, DeWayne Kimball, Jeanne Hair, Luanne Kindsfather, Kevin Young, Linda Dickerson, Rhonda Holbert, Beverly Willis and Becky Oglesby.

Students playing in the second recital included Wayne Woolsey, Horace Gamez, Margaret Brumley, Nickie Stipe, Ray Watson, Ted Tiefel, Kathy Smith, D'Ann Duke, Eleanor Gamez and Nelda Norton.

# Glady's Garden

By Gladys Howton Manjot

UP! UP! 'N AWAY. . . . . into the bright blue yonder, and we were on our way to the beautiful City of Corpus Christi, to attend the 40th Annual Convention of Texas Garden Clubs Inc.

Those attending from Hereford were Mrs. Ray Johnson, president of The Hereford Garden Club; Mrs. O. G. Hill Sr., member of the State Nominating Committee, and GLAD, delegate for The Hereford Garden Club and The Bud to Blossom Club.

One of the chief objections to the flight was that I could not see the Good Earth close up with its spring dress of lush green grass, the green wooded areas, flowering shrubs, and spring flowers, as well as the farm and ranch lands. I did look down through the clouds (which were so gorgeously beautiful) and could get a view of the terrain, the winding rivers, and an occasional splash of color where the shrubs and trees were massed. The later was especially pretty in the Dallas area. The Red Buds were in full flower.

The stop in San Antonio, the home of The Alamo and the HemisFair, everything and everybody was a bustle with activities, in preparation for the HemisFair. This was also noticeable in Dallas, Houston, and Corpus Christi. They are all looking for and hoping that the tourist will come to Texas in great numbers this year.

Upon arriving (late) in Corpus Christi, we were enthralled at the beauty of the wild flowers along the highway to the city from the airport. The bluebonnets (our state flower, and I never fail to thrill at their beautiful blue and minute formations) giant, blooming yucca (Spanish Dagger), Indian pinks, bluebells, white and yellow buttercups, primroses, (delicately pink), wild verbenas, wine cups, and many other varieties of Texas Wild Flowers.

Anyone who has never been to Texas in the Spring has missed a rare treat and thrill. To see the colorful blooming wild flowers of Texas creates a lasting memory. There is nothing that is comparable to nature's landscaping. The limousine driver was very thoughtful in that he drove at a moderate speed so that we could enjoy the roadside beauty. (one of the taxi drivers listening in on our conversation, asked us if we were landscape critics, and gardeners.)

Corpus Christi is still busy repairing damages made by Beulah, and preparing the city and coastline for the summer tourist, and convention guests. Padre Island is also busy in that they are to have Mrs. Johnson (Lady Bird) and a number of other prominent ladies of other countries as their guests. Mrs. Johnson, who has promoted the American Beautification Program, will dedicate some of the areas of the Island which have been completed. Glad had an opportunity to talk with one of the ladies responsible for a portion of the drive. We had pleasure in talking over plans for landscaping features for some of the particular Garden Club projects, which are along the drive that the ladies will be conducted by on the Island.

Since we arrived late, we hurried to attend the workshops. These were informative. Two ladies from District One assisted with them. We attended workshops on Flower Shows, and Schedule Making for Flow-

er Shows. Changes are being made in applications for Awards, and other qualifications for special Flower Show awards. Members of the Corpus Christi Press helped to conduct the conference on Press. We were made to realize how very fortunate we of Hereford are to have such wonderful co-operation and assistance from our local press and other communications.

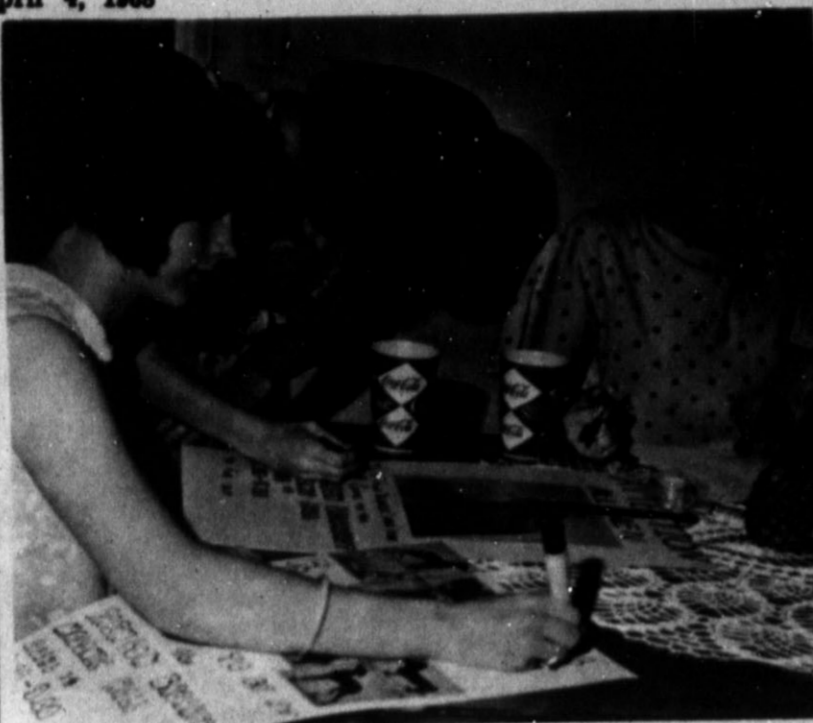

The evening was open, so we three decided to have dinner at The Ship Ahoj which is located on the shoreline. The atmosphere of the restaurant was most interesting and intriguing, from the time we stopped at the entrance way, until we had finished with our dinner. All the time I was eating the Captains Plate Dinner, which consisted of many varieties of fish and other gulf edibles, I was constantly thinking of Art and how much he would enjoy the delectable food. Again the taxi driver was kind to us in that he took another drive back to the city so that we could see more of the beautiful host city. Petunias, hibiscus, azalias, English Holly, calendulas and roses were in bloom. The City Park Department had planted the parks and drives with calendulas, and their golden and yellow hues were most colorful and exotic.

The National Judges Break fast featured the 40 Fabulous Years of Texas Garden Clubs, in decorations. Miss Irene Had-dox, the principal speaker, used the 40-year anniversary as the theme for her lecture. It was in the form of a birthday party, and she discussed the arrangements and showed how styles of arranging had changed throughout the years. For the arranger, I will mention what she said relative to The Red Bud Trees. She said, "when it was bare, it was a Line arrangement; when in flower (which precedes the leaves) it is a Massed Line arrangement, and when in full leaf a Mass arrangement." Texas Garden Clubs have made many GOLD-EN contributions to the welfare and life of our marvelous state, and treasured is the legacy of its Golden Past.

The following are some facts and high lights which I made on Mayor of the City, Mr. J.R. Blackmon. He stated that 50 million bushels of milo, an average of one million bushels was shipped and received daily in Corpus Christi. (I thought YES, and Deaf Smith County had a part in this) There are 700 oil and gas fields in Corpus Christi with 40,000 men are in training at the Naval Base. One of chief objectives is to make Corpus Christi the cleanest & neatest city in Texas.

Texas Garden Clubs Inc. have given twenty (20) thousand dollars to the beautification of the grounds of the Governors Mansion. This is one of their chief projects. The total receipts of TGGC Inc are \$83,000 for this year, so we are really in big business. Mrs. E. O. Barton presided with grace and efficiency over all the sessions and she sends greetings to Hereford. She had her 'Bull' that was presented to her while in Hereford by Mr. Thompson the Chamber of Commerce Secretary. It is one of her favorite gifts received this year, and she was showing it to her garden club friends. Mrs. Barton told us of flower slides, which are suggested for class room use. The title is "Know Your World." It is vitally important that we keep people in touch with nature, and the logical place to begin is to teach our children and grand children the mysteries and wonders of nature.

The Crepe Myrtle has been adopted as the shrub to be used for Civic Beauty throughout the state of Texas. It will grow in any of the areas of the great state, so stated Mrs. Dooley the state Civic Development chairman. It does well in Hereford. 600 Awards were given, to 230

**BIG INVITATIONS** — Girls of the Hereford Chapter, Order of Rainbow, wrote their invitations to a Saturday breakfast on posters which are displayed in business houses to catch the eye of residents here. They will serve a benefit breakfast at the Masonic Hall from 6:30 to 9 a.m. Saturday, with the public invited. Final plans were made at their

meeting Monday evening, and the girls also discussed future fund-raising activities in which they will engage to finance a trip to the state Rainbow Assembly in June. Work on the poster was done in after-school sessions at the home of the mother advisor, Mrs. Jack Nunley.

Garden Clubs, and three were given to individuals. Hereford is a real pretty town now, with its lovely flowering shrubs, and blooming spring flowers. Especially the flowers from the bulbs. Don't fail to drive around and note the lovely splashed of color and beauty. While doing this make a memorandum of what you want and plan to plant in the fall. The Pioneer Study Club will have all Spring Blooming Bulbs for sale, and have added their choice selections. Call Glad and give her your list.

The daffodils and Red Emperor tulips at The Hereford Insurance, on Samson St. are an array of beauty! Beautiful are the daffodils in front of the Post Office, the Hereford Brand has some lovely YELLOW EMPEROR tulips, Mrs Grubbs in south Rio Vista Drive Hereford has a striking planting of Red Emperors, Hyacinths are gorgeous at The First Baptist Church, and the Melvin May home, Westhaven Drive, the plum hedge in full bloom on Dr. Willis rock wall is picturesque. So many, many other pretty things, just can't mention them all.

As I write am watching the Mike Douglas show, and Mrs. Petty, 44-year-old gardener is teaching Mike and Allen Ludden, (who is a gardener) how to prune. If you haven't pruned your roses DO SO NOW. As the spring blooms of the bulbs fade be sure and clip them off. The flowers for next spring and the strength of the bulbs, will be weakened if the dead blossoms are allowed to remain on the stem.

Be Still and Know that you are a co-worker with the Master Gardener. . . . GLAD. . . . P. S. THANKS for telephone calls, notes, and congratulation. Especial thanks to my loved ones for corsage. . . and a BIG thanks to Art for letting me go to the 40th Anniversary convention of TGC. Really had thrills, and exciting moments.

The Wyche school was named for John S. Wyche, who came to Deaf Smith from Castro County in 1895. . . . Pioneers indicated their intention to stay on the Plains by building permanent homes to replace their first dug-outs and pole houses.

Don't HURRY any more than you absolutely have to. Pause often in the garden to look and

## County H. D. Clubs Begin Series Of Programs On VD Problem

Veneral diseases, a major health problem in this area as well as over the nation, are being discussed on programs in Home Demonstration Clubs of Deaf Smith County this month. One of the first programs was given for Progressive Club Tuesday in the home of Mrs. E. C. Hammett.

Mrs. J.E. Sorrells of Messinger Club was the speaker, emphasizing tragic effects of syphilis and gonorrhea, the two most common veneral diseases in this country. A rapid increase in these diseases, which are spread from person to person by sexual contact, has alarmed public health authorities recently, she said.

She mentioned the involvement of many teenagers who may not realize the seriousness of a disease which shows minor symptoms at first, then is apparently cured but may reappear a quarter-century later to cause mental illness, blindness or heart disease.

Mrs. H.L. Hershey told a story, Springtime Adventure, and Mrs. Buck Parsons led a guessing game as club recreation. Mrs. Dean Stallings presided for business, which included reports on purchase of food supplies for a local family "adopted" by the club.

Mrs. Stallings' mother, Mrs. Deva Pyron, who is visiting from Oklahoma, was a guest, as was Mrs. John Hammett. Other members attending were Mmes. Pete Carmichael, Taft McGee, Tom Morgan, Charles Gresham, Dale Hallows and Jim Stallings.

L. Baskin came to Hereford on an excursion train in 1906 and stayed to help sell land to others who followed him.

Furniture from the E. B. Black Company has been added to the comfort of Hereford since 1901.

A salad supper was served after the installation, with Mrs. Lawrence and Mrs. Cooper as the hostess committee in charge of arrangements.

A team from the Hereford lodge will go to Dimmitt Thursday, and, with a team from Hereford IOOF Lodge, to Friona Saturday to conduct installations in those cities. At the Rebekah meeting next Tuesday evening a new member will be initiated.

Also Mrs. Sam Smith and Mrs. Archie Love, supports to the noble grand; Mrs. Zane Foster, right support to the vice grand. Mrs. A.W. Rogers became past noble grand as the new lodge head took office.

Mrs. Roy Manning, district deputy president, and a team from the Friona Lodge, Mmes. Sam Williams, Bud Reed, Pat Fallwell, O.T. Petterson and Denver Smith, conducted the

# Hobby Luncheon And Tour Held

Hobbies associated with antiques, from collecting and restoring pieces to crafts which produce modern copies of old objects, were the common interest of a group entertained at luncheon Tuesday by Mrs. Richard Jowell, then taken on a tour of four homes.

The hostess invited women who share her enthusiasm for antique furniture and home accessories. After luncheon at the Hickory Log Restaurant they visited in her home, then with Mrs. H.V. Fields, Mrs. Leonard Click and Mrs. F.H. King.

Object of the tour was to exchange ideas on how to use antique pieces, how to refinish or restore damaged objects and how to make various decorator pieces which fit into a room with the old furniture.

Each guest was asked to bring an example of her handwork; these supplied more ideas and topics for lively conversation.

Mrs. Jowell's home at 114 Lake is one of Hereford's older houses with large rooms, many windows, a fireplace and a basement which make it a good showcase for the treasures which have come from her family or her husband's, or been bought — sometimes at junk shops, she says.

She has developed skill in decoupage and painting to achieve antique finish, as well as painting in oils and on china, also in the old-fashioned arts of gold leafing and tole painting.

Visitors were interested in inspecting the varied work, and in such "trash to treasure" items as a floor lamp bought for 79 cents at a second-hand store, polished and decked with a \$3 shade to look elegant in the living room; and a hanging planter made from an old street-light globe from a Goodwill

members attending were Mmes. Pete Carmichael, Taft McGee, Tom Morgan, Charles Gresham, Dale Hallows and Jim Stallings.

L. Baskin came to Hereford on an excursion train in 1906 and stayed to help sell land to others who followed him.

Furniture from the E. B. Black Company has been added to the comfort of Hereford since 1901.

A salad supper was served after the installation, with Mrs. Lawrence and Mrs. Cooper as the hostess committee in charge of arrangements.

A team from the Hereford lodge will go to Dimmitt Thursday, and, with a team from Hereford IOOF Lodge, to Friona Saturday to conduct installations in those cities. At the Rebekah meeting next Tuesday evening a new member will be initiated.

Also Mrs. Sam Smith and Mrs. Archie Love, supports to the noble grand; Mrs. Zane Foster, right support to the vice grand. Mrs. A.W. Rogers became past noble grand as the new lodge head took office.

Mrs. Roy Manning, district deputy president, and a team from the Friona Lodge, Mmes. Sam Williams, Bud Reed, Pat Fallwell, O.T. Petterson and Denver Smith, conducted the

Center. Furniture of woods now rare, fine china and vases are among her prized possessions, and old clocks in the rooms are a part of Jowell's collection.

Mrs. Fields takes pleasure in refinishing furniture such as a china cabinet which holds an array of small items; an old organ and a carved mantel. She also collects unusual small items and decorates such things as old school desks and a small stove.

Mrs. Click's chief interest is in ceramics, and she owns a large collection of molds and two kilns which the visitors viewed along with finished pieces. China painting is another of her accomplishments and she collects small decorative pieces.

Mrs. King has a collection of unusual bottles on display in her home, as well as a cabinet filled with china. A player piano, and furniture painted in antique finish also attracted attention.

Guests mentioned their work in such crafts as glass sagging and decoration of antique trunks as well as sewing, knitting, making dolls and flowers.

They included Mrs. Dick Rocky and Mrs. Ellis Tatum of Friona, Mrs. Jack Higgins of Wildorado, Mrs. T.J. Presley of Black, Mmes. Charlie Riggins, Bill Walden, Floyd Coleman, J. B. Haile, and Terry Hale as well as those whose homes were visited.

## DUPLICATE BRIDGE CLUB WILL MEET TONIGHT

The Hereford Duplicate Bridge Club will hold their regular meeting at 7:30 p. m. today in the Hereford Community Center. The organization did not meet last week due to the Amarillo tournament.

# McGee Furniture Grows To Meet Desires Of Customers

By PENNY YOUNG  
Mr. and Mrs. Lloyd McGee, proprietors of the McGee Furniture Store situated on Main, began their business 21 years ago in Portales, N. M., where they stayed for 12 years.

In September of 1958, the McGees moved to Hereford and built their first furniture store here which consisted of 11,000 square feet of floor space. In 1962, they remodeled and added the second floor, enlarging to 16,000 square feet.

McGee began his furniture career by dusting in his brother's store as a little boy. Mrs. McGee has taken a correspondence interior decorating course from Chicago and both have worked together for at least 25 years.

All of the merchandise in the store is shipped directly from the factories and most of the wood products come from the Northeast part of the United States. The lamps and upholstery come from California.

Early American, French, and Spanish and the main styles of furniture are seen in the store and the McGees carry such lines as Thomasville, Wood, Simmons, La-z-boy, Biglow and Callaway carpets, and Garrenty and Karpen upholstery. Thomasville is the most common name in the store as they carry the whole line of Thomasville products.

Accessories of all kinds line the walls and help to decorate the floor furniture in the store. The accessories are sold to complete a room being decorated. There are wall decorations, figurines, paintings, accent pieces, and artificial plants.

"We try to go in and place essential pieces in the homes and a lot of people let us go ahead and complete the room," commented Mrs. McGee. "First of all I see the customers likes and dislikes, then most of the time they choose essential pieces. I then help them to choose the thing that would go right with the pieces. It's perfectly good to combine styles of furniture if they have similar feelings and stylings. The size of the room should also be considered. Every family and home is different. Individuality is the main thing in home decoration. That's the one time that you can reflect your own personal desires. It does not take expensive furniture to make a beautiful room."

The second floor of the McGee's store is devoted to budget price and used furniture and has just recently been restocked with modern and lower price furniture such as living room and bedroom suites, unusually below the \$200 mark. Downstairs is devoted to the finer furniture.

Peggy Schmucker, a Hereford High School DE student, works for the McGees as bookkeeper and helps with selling and floor

decorating. She has been with the McGees since last summer. Her sister Diana was formally employed there for 2½ years before Peggy took over.

McGee oversees all the carpet jobs and layout of the carpet in homes. Frank Lopez, who has worked for the McGees for seven years, takes care of the carpet layout, displaying furniture, repairing furniture, and helping with the decorating of the homes. He attended a furniture clinic not long ago held in Dallas.

As for the selling and selecting of carpets, McGee has this to say, "If the people want quality carpet, it has been proven by surveyors from the Carpet Institute that they should spend at least \$10 to \$12 a yard for carpet. However, carpet can be purchased for as low as \$2 dollars and under in style."

Each time McGee sells carpet to a customer, he always tells the customer to consider what the carpet will look like two or three years from the time of

purchase and suggests that they consider a better carpet for better wear.

"We have carpet available in nylon, wool, acrilan, polyester, and a new type of outdoor-indoor carpet made of polypropylene olefin," commented McGee. "It's wonderful for kitchens and if something is spilled on it, such as grease, you take a sponge and wipe it up."

The front windows are changed at least once a month and the McGees try to coordinate the windows to show a complete living, dining, and bedroom grouping in one style of furniture or related styles. Complete windows have been sold before.

"Our store is a little different to most furniture stores," contemplated Mrs. McGee, "because we display our furniture in room settings."

The McGees have bought a warehouse lot and business lot for McGee's Furniture to meet the constant growth of Hereford, Tex.

**McGEE FURNITURE EMPLOYEES** — Frank Lopez has been with McGee Furniture for seven years, while Peggy Schmucker has worked there since last summer. Miss Schmucker is a Hereford High School student enrolled in the Distributive Education program, thereby earning a salary, learning of the business world and getting classroom credit.

## Mall Drug Store Has New Owner

Having been born in Hereford and attended his entire school span in the local system where he graduated in 1942, Harold Close has stepped back into the community, after an absence of a number of years, to take the reins of the former Rogers-Miller Walgreen Drug Store management.

After graduating from Hereford High School, Close attended the University of Wyoming for a year and a half before he joined the Air Force in 1943. During his stint in the service, he was stationed in England with a B24 Bomb group where he worked as radio operator and gunner before he was discharged in October of 1945.

Coming back to the states and Hereford, Close went into business with his father at the old Close Drug Store, located where the present McDowell Drug Store is.

Going back to college was Close's next step when he attended the University of Texas pharmacy school in Austin. He graduated from UT in 1948 and then he and his father bought a drug store in Sudan where they stayed until 1953.

While living in Sudan, the younger Close served as mayor of that town during 1952, 1953, and 1954 before he moved to Clovis, N. M., and went into partnership with Roden-Smith Drug of that town. From Clovis, he moved to Dallas in 1964 and bought a pharmacy there until he sold out in 1967. Prior to coming here, he worked as relief in the store in Dallas.

Married to the former Jane Wilson, who at one time lived in Hereford, Close has two children, both girls. The girls, Cathy, 10, and Laurie, 9, along with their mother, are presently living in Dallas and are expected to join Close sometime in June when the children get out of school.

A member of the Presbyterian Church, he is also a member of the Masons, the Shriners, and the SPEBSQSA, or better known as a Barbershop Quartet. He served as secretary of the Chamber of Commerce in Sudan and later was elected president of the same organization for two years.

Former owners of the store were Grady Rogers and Robert Miller. Rogers has been in the drug store business for 41 years, having moved to Hereford in 1947 while Miller became his partner in February of 1962. Their future plans were not expressed at the present time except the fact that they wanted to relax for awhile.

Harold Close . . . new owner

**STRIVING TO PLEASE** — Mr. and Mrs. Lloyd McGee, owners and operators of McGee Furniture at 511 N. Main, make a point of studying people, mainly their likes and dislikes in furnishings. By doing so, the couple can better serve that customer and supply him with home decorations which reflect those likes and the customer's personality.

## Hereford Employees of NGPC Are Presented Safety Awards

Hereford area employees of Natural Gas Pipeline Company of America were honored for their outstanding safety records at a dinner Tuesday in the community hall at NGPL's Fritch plant.

The Hereford pipeline department received a group award for having no lost-time accidents in 1967.

J. W. Southward of the local pipeline department received an individual award for ten year's continuous service without a lost-time accident.

Individual awards were also given for one and five year safety records.

Master of ceremonies for the

evening was W. P. Lincoln, superintendent of the Fritch compressor station.

J. L. Sutliff, supervisor of safety, Chicago office headquarters, briefed employees on NGPL's safety and accident prevention program.

The Farmers Creamery Association was opened in Hereford in July 1929.

L. L. McDermott established something of a production record when one of his Duroc Jersey sows had produced 75 pigs at two years old in Hereford.

LET'S COOK SOMETHING!

# Hands Are Skillful

By SUE COLEMAN  
Women's Editor

An ex-schoolteacher and ex-farm wife, Mrs. Blanche Hardin was accustomed to keeping busy and refused to accept an idle life of retirement when she moved to Hereford six years

ago after she became a widow and sold her farm in Denton County.

SHE CAN'T remember when she learned to sew and do various other kinds of needlework, but she is sure that since the age of five she has been em-

broidering, crocheting, knitting and adding new skills through the years.

Anything she can do with her hands to create useful and decorative articles for the home or for wearing, she likes to try; and she has been able to do any sort of needlework she tried except one—the old-fashioned art of tatting.

Rug hooking has been a favorite hobby and she has a fine collection of the handmade floor coverings, besides all she has made for gifts or to sell. A few she hooked from new yarn, but most from old wool clothing or blankets.

"FOR YEARS I begged everybody I knew for old clothes", she laughs, "and I was always perfectly happy when somebody gave me a worn-out blanket because it was perfect for rug making."

Her son became interested in leather tooling, and she took up that hobby, working with it for a number of years and selling many hand-tooled purses when they were fashionable. Beading was another art that she learned to make purses during another turn of fashion.

Upholstering and refinishing furniture are more strenuous activities, but tiny Mrs. Hardin found them not too difficult. Among furniture she has refinished, she has an unusual pair of matched rocking chairs in her living room, old enough to qualify as antiques, very sturdy and of handsome wood but nearly ready for another re-upholstering.

MUCH OF HER time since she moved to Hereford has been spent sewing and she has acquired regular customers for dressmaking service. If she finds any spare time, painting is another hobby and she has done attractive scenes in watercolor.

Membership in West Hereford Home Demonstration Club, which she is serving as president for the second year, gives her social contacts that she enjoys and carries on her record of 23 years in H. D. Club work.

It began when she lived in Denton County and was a member of Spring Hill Club, which

a letter from Mrs. Richardson, saying that she will be in this area soon, visiting bookstores where her volume will be on sale. Of course she is scheduling a stop in Hereford.

Date and arrangements for her visit here are to be set; right now all I know is that she will be here after Easter.

MRS. JOHNNY Hedrick of Texarkans, Tex., and her cute baby son, John Todd, have been visiting her grandmother, Mrs. C. L. Whitehead, 428 N. Jackson, and her aunt, Mrs. Verdon Watts and family, 117 Elm. They also visited her mother in Amarillo.

NEIGHBORS ENTERTAINED—Residents on three streets in Northwest Hereford were guests at a get-acquainted coffee Friday morning in the home of Mrs. Ray Frye. Mrs. Ray Polan is pouring coffee at a table with

## Party For Miss McKee Is Prelude To Wedding

Complimentary to a bride-elect of the Easter weekend, Miss Kay McKee, was an informal party Tuesday evening in the fellowship hall of First Christian Church.

Miss McKee, 504-B W. Fifth, and Donald R. Davis of Dallas are to be married the afternoon of April 13 in Friona. A shower there next Monday in planned among pre-nuptial parties.

She is the daughter of Mr. and Mrs. R. B. McKee of that city and Davis is the son of Mr. and Mrs. R. V. Davis, 405 E. Third. The marriage is to

## FHA Members Continue Events

Local members of the Future Homemakers of America will continue to observe National FHA Week through Saturday, with special events planned for today and Friday.

Members of the Hereford High School FHA will present an assembly for the entire student body today, and HHS activities will close Friday when members honor the faculty with a special treat of cookies.

Stanton and La Plata junior highs also have observed the special week with activities. Photos in this issue of the Brand show some of the activities which already have happened.

softened margarine. Add 1 flat can crushed pineapple and, if desired, 1/2 cup coconut. Beat well and pour into uncooked pie shell. Bake at 350 degrees until set.

## LDS Will Hold World Confab

Fifteen Panhandle residents will be attending the 138th Annual World Conference of The Church of Jesus Christ of Latter-Day Saints, to be held Friday, Saturday and Sunday in Salt Lake City, Utah.

Presiding during the meeting will be President David O. McKay, who at 94 is the oldest leader the Church has ever had. The conference will commemorate the 138th anniversary of the Church which was organized April 6, 1830, at Fayette, Seneca County, New York, by Joseph Smith and five associates. The annual report customarily presented at the spring convocation will show a worldwide membership of about 2.6 million.

Featured, as customary, will be the famous Salt Lake Mormon Tabernacle Choir under the direction of Richard P. Condie. Top leaders who are responsible for members' welfare around the globe will treat a wide variety of subjects aimed at encouraging basic Christian virtues.

## CD Committee To Meet Again

A second in a series of new Civil Defense meetings is planned for Friday at noon at the Hickory Log in Sugarland Mall.

Last week, the meetings were reactivated here for the preparation of emergency measures should there be one in the Hereford area. Representatives of key city and county emergency forces attended, and decided upon more definite plans for the second meeting.

Jerry Don George, chairman of the Civil Emergency Planning Committee, and Bill Thompson, director of Civil Defense, will be in charge of the project.

meeting have been received in Hereford, no members from here will be attending the conference. Local and area residents, however, were reminded that the General Conference will be broadcast nationwide on radio and television and can be seen on KFDD-TV, Channel 10, from 9 to 11 a.m. Sunday.

MEDAL AWARDED — Tech-Sgt. William C. Kelly Jr. recently received the Air Force Commendation Medal with certificate and citation for having "distinguished himself by outstanding achievement as non-commissioned officer-in-charge of a Special Projects Branch at Fuchu Air Station, Japan, which enabled the branch to "successfully initiate a new concept of support to classified PACAF missions." Sgt. Kelly is now stationed in Korea and his wife, who was with him in Japan, has returned and is living in Amarillo. She is the daughter of Mrs. C. L. Whitehead, 428 Jackson. Sgt. Kelly is the son of Mrs. Anthony Irbeck, Rt. 1.

## Small Talk

By SUE COLEMAN  
Women's Editor

A saleslady in one of our better dress shops remarked the other day that she doesn't believe the heralded fashion of mid-calf length skirts will be generally accepted.

"YOUNG girls will wear them, maybe", she said, "but not women over 35. It makes 'em look older."

She is probably right about that, and it sums up a fashion story which has been developing for several years. Women of the present generation can't even remember when there was on style for girls and another for older women.

Back about the time of the first world war grandma doffed her plain black dress with a touch of white lace at throat and wrist, which had been her traditional costume for generations, and discovered that if she wore fashions designed for her granddaughters she would look almost as young as they. At least she would feel as young.

SHE STOPPED paying any attention to admonitions about clothes suitable for a woman her age and as a result she usually didn't look her age, and that suited her fine.

When Mary Quant, the young British designer who is credited with so many of the present trends in dress, first came into prominence a few years ago, she was quoted as saying that she designed strictly for the young, and that the main thing girls want is a style of their own, which older women won't copy.

That's why the dizzy success-

ion of first one teenage fad and then another, she explained; as soon as their mothers (not to mention grandmothers) took up the fad, the teens dropped it for another.

MARY'S OWN aim, she said, was to dress the girls in something that mama wouldn't wear, so she went for miniskirts, boots, psychedelic prints. Of course she underestimated grandma, who promptly revealed her bony knees or too-fat legs in the shortest skirts and donned wildy colored prints with purple stretch pants.

But it looks like Mary is clever enough to meet the challenge. Fashion news from London now talks of somber colors, mid-calf skirts and hair bleached snow-white or frosted with white.

Girls can wear those get-ups and still look young, but just let mama try it!

WHEN THE BRAND carried a story a few weeks ago about a new book by Mozelle Groer Richardson, who was born in Hereford but has lived in Oklahoma City for years, a good many oldtimers remembered her or her mother, who was Jessie Head, daughter of J. H. Head, a businessman, mayor and county treasurer here back in early years of this century.

Mrs. Richardson started to school in Hereford. She wrote her book about a trip to Paris with her daughter. It has the interesting title, "Dear Daddy, Never Let Mother Travel Alone."

This week Mrs. George Tiefert at the Christian Bookstore had

## Special Introductory Offer!

**SAVE 10%**  
LIMITED TIME ONLY!

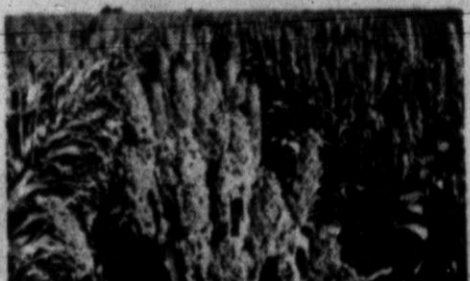

## NEW Red Barn 800 hybrid SORGHUM

Bred and selected to give you highest yields and profits in this area.

Want top yield from your sorghum crop? That's what you get with Red Barn's new 800 hybrid seed. It's developed to produce outstanding, consistent yields here in your area—where maximum fertility and irrigation water are available.

RB-800 is a late-maturing, full-season hybrid. Grain matures for harvest in 130 to 150 days and is easily threshed. RB-800 grows 3 1/2 to 4 1/2 feet tall, and is highly tolerant to head smut. Stalks make good grazing after harvest.

RB-800 is another fine product from Red Barn—developers of a complete line of grain sorghums and sorghum-sudangrass hybrids for you and your area. Your Red Barn dealer can "prescribe" a grain or grass that will give you the highest net profits under your specific growing conditions.

Special introductory offer! For a limited time only, you save 10% on every purchase of five 50 lb. bags of RB-800 seed. See your Red Barn dealer today. Get ready for extra profits this season!

**PIANIST ENTERTAINS** — Jazz fans had their in-nings at the matinee program by Peter Nero for Community Concert Association members Sunday, when an almost-capacity crowd in the high school auditorium heard the young pianist present his own stylings of popular tunes. Assisted by Joe Cusatis on the drums and Gene Chericco, bass, who each were featured in solos, Nero starred in a rhythmic two hours and responded to applause with an encore which produced more cheers. He served as an announcer for the program in an informal style which added humor, as did some discreet clowning by his rhythm section. This concert ended the season for the CCA and members were invited to renew memberships by Dale Young, board president who spoke briefly and termed the year a success for the new organization.

## Exchange Student Speaks To Rotary

Katie Laine, American Field Service student from Finland, was guest speaker at the Rotary Club meeting in the Hickory Log during their noon luncheon Monday.

Katie Laine, Rotary speaker.

Miss Laine, senior at Hereford High School, discussed her homeland and the differences and similarities both Finland and the United States share. Stating that there are some 1000 students abroad and the same number of foreign students here in the U. S., Miss Laine went on to explain how she came to this country and the steps taken during her year of waiting to come here.

Striking on the subject of her country's government, she pointed out that Finland is not a republic and that in 1919 it adopted its present constitution. She said that the president of Finland is elected by an electoral college which consists of some 300 voters. She also explained that there are eight political parties in her homeland that are represented in Parliament.

"The main religion in Finland is Lutheran, while there is only 1.3 per cent of the people who belong to the Orthodox religion," she said. "There are two official languages spoken in my country and these are Finnish and Swedish." She stated that 70 per cent of the population speaks Swedish.

In explaining the school system of Finland, Miss Laine said that the classes were 45 minutes in length with a 15-minute recess that is used by students to take a breather from classes. She said that she has studied and learned to speak several languages which include Spanish, German, and English, just to name a few.

Concerning the dress she wore, a dress worn on special occasions in Finland, she said that there are only one or two times a year that it is worn. "The 24th of June is one occasion a dress like this is worn in my country. This is the time of year you can see the mid-

night sun in the Arctic Circle." She explained. Miss Laine said that she is still working on her Texas drawl but is having a little difficulty with it.

She then let members of the club ask her questions concerning things they would like to know of her country.

J. C. Womble arrived at Amarillo by rail in January 1891, just in time to see the last Indian scare in the Panhandle. While waiting, Womble learned that all the communities were setting up barricades against an Indian raid. Finally, after about two days, word came that it was a false alarm, spread by a woman — probably from the east. Have things changed much in 77 years?

The Flemings, who speak Dutch, and the Walloons, who speak French, rarely have been on good speaking terms for the 1,400 years they have shared Belgium.

# FOR GOD SO LOVED THE WORLD

**To VICTORY**

...that is the cry of the multitude. Today we join the happy throngs around the earth as we shout together, "Hosanna!" Whatever the morrow may hold of suffering, today we declare to the world, "Christ has come." Because we are in His company, we know that God ultimately will be sovereign over all the world. We are confident that goodness is stronger than evil. We are sure love will triumph over hate. Whatever a Friday of crucifixion may bring of temporary defeat, we know life will triumph over death, and the Christian way will receive itself supremely in the final destiny. Then Palm Sunday is a day to celebrate and set up our banner of hope. "For right is right as God is and right the day must win." This hope will convert, for us, spiritual defeat into eternal victory.

 For District Attorney, 69th Judicial District: Jerry Tucker  
 For State Representative, District 72: Frank Ford  
 "The excellent crops which exist throughout this section of the Panhandle will be an eye-opener to the people who have so long regarded this as a broad waste fit for nothing but cattle range," read a story in the Hereford Brand in 1904.

### Legal Notice

**NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF WELDO GRONEMAN, DECEASED**  
 Notice is hereby given that original letters testamentary upon the Estate of Weldo Groneman, deceased, were issued to me, the undersigned, on the 1st day of April, 1968, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such letters. All persons having claims against said estate, which is being administered in the County of Deaf Smith, are

hereby required to present the same to me respectively, at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law. My residence and mailing address is 212 Beach Street, Hereford, Texas, being in the County of Deaf Smith, State of Texas.  
 Date this 1st day of April, 1968  
 Ruth Groneman  
 Independent Executrix of the Estate of Weldo Groneman, deceased, No. 1971, in the County Court of Deaf Smith County, Texas  
 T-14-1c

The Deaf Smith County Federation of Women's Clubs was organized at Summerfield on April 24, 1929.

Under a Civilian Conservation Corps grant, work on the state park east of Hereford (now Veterans Memorial Park) was begun in 1934.

**MUST SELL!**  
 OUR DOCTOR has told us to move to the desert before October. We are going to sell all our property before that time. Here is what we are going to sell first.  
 4 COMMERCIAL LOTS in South Park Industrial Sub Division. . . . . Approx. . . . . 200 X 430' each. Located just north of J. I. Case Property. These lots are zoned for your protection.  
 1 COMMERCIAL Lot. . . . . 140' front on 7th street. . . . . 50' on McKinley. . . . . West of Cooper's Market. Lot faces park Avenue.  
 6 Three acre tracts just off paved Progressive Road. . . . . These lots are not zoned and you can buy them for \$200.00 cash down payment.  
 2 LOTS. . . . . 108' X 261'. Located on pavement on Progressive Road and just across from Dearing Auto Salvage. . . . . Ideal location for a garage and you can buy it for \$100.00 cash down payment.  
 APARTMENT HOUSE. . . . . 510 Roosevelt. . . . . 4 units, refrigerated, completely furnished, one of the most beautiful backyards with roses everywhere. Rents are \$150.00. . . . . \$150.00. . . . . \$135.00 \$65.00  
 80 ACRES WITH two extra good irrigation wells. . . . . return pump and aluminum pipe. . . . . Complete set of farm machinery even down to the shovel. . . . . Three tractors. Land is fully allotted and the alley on North side of Denton addition dead ends at our line. . . . . City also has a sewage main 1/2 mile across our land. This farm is ready to subdivide right now.  
 50 ACRES AND 30 acres. The city sewage main divides the 80 above 80 acres and we will sell the 50 acres with both wells on it or the 30 acres adjoining city limits that has no improvements on it. All city utilities come to property line.  
 All real estate agents are invited to participate in the sale of these properties. Call us for details.

John Tower Speaks Out Texans Should Keep Their Wits About Vietnam War

Enough time has now passed since the enemy's Tet Offensive for us to take stock again of how things stand in Vietnam. And, because there is increasing political activity here at home—replete with elaborate references to Vietnam—I think it's important for Texans to keep up to date as possible.

Letter To The Editor Dear Sir, I want to tell you of a problem that exists right here in our own town of Hereford. It is people moving out and not paying their rent, and no law to protect the homeowner. It's a shame when a landlord has to make house payments, interest, insurance taxes (and in many cases utilities) and the renter moves out owing from a week to many months rent. Now why should they get by with this when in many cases the landlord is in worse health than the renter?

I think two things are essential. Something to eat and a place to live. But many people will drive a car and pay on a t. v. and yet claim they don't have the money for the rent until they get several weeks behind, then move out after dark, leaving their curtains and t. v. antennas and swing sets to fool the landlord until they've moved everything out and added more weeks to their live rent free motto. And its all races, Mexican, Negroes and white.

The small grocery store owner is feeling the same (live free on your grocery store) move. What are we as a community going to do about these live free movements. Do we have to carry others who do not care if our house payments or paid or not. I would appreciate you giving this letter to someone who would be in charge of something like this.

Mrs. Ancil Greenway 334 Ave. G. CARD OF THANKS We want to thank Dr. Hicks, the nurses and the many friends for their thoughtfulness, their cards and prayers during my stay in the hospital. Mrs. L. H. Lane

Legal Notice INVITATION FOR BIDS The Deaf Smith County Commissioners' Court will accept bids for Cardiac Monitoring Equipment for two rooms at the Deaf Smith County Hospital. The equipment is to include instruments, both for the nursing station and the two rooms.

Bids will be accepted until 2:00 PM, April 22, 1968, at which time they will be opened and read in the County Court Room at the Deaf Smith County Courthouse.

Bids may be left with the County Judge or at the office of the Hospital Administrator. Details and specifications of the equipment desired, can be obtained at the office of the Hospital Administrator, 801 East 3rd St., Hereford, Texas. H. C. Williams County Judge

I believe it should be clear now that the Tet Offensive did not spell our doom as some claimed then and continue to claim. Faced with losses of more than 40,000 personnel during that offensive the enemy has not been able to follow up the temporary advantage which surprise gave him. The situation seems to me similar to that at the time of World War II's Battle of the Bulge — we had some grave worries then, too, and we took severe losses — but in the end the strategic defeat was the enemy's.

I believe that after the Tet Offensive the enemy's immediate plan was to crush and capture our base at Khe Sanh, turning our flank and sweeping in behind U. S. and South Vietnamese forces at the DMZ. By this strategy the North Vietnamese hoped to win control of the whole northern sector of South Vietnam. The enemy figured that if he could do that American public opinion at home would force us to give up.

But the enemy did not drive us out of Khe Sanh, and the evidence is increasingly clear that he cannot do so. In fact, the valor of our Marines and of the South Vietnamese Rangers there — and the pinpoint effectiveness of our B-52 bombings — may well have forced the enemy to abandon his original Khe Sanh plan altogether.

At the very least the enemy has been forced to regroup and reassess — perhaps to consider shifting his pressure southward into more difficult, mountainous areas. I find evidence that we have regained the military initiative. The Allies are on the offensive again. Nevertheless, enemy infiltration of troops continues high from his privileged sanctuaries and further decisive battles lie between this time and any time of constructive peace negotiations.

I continue to feel, as you know I have for many months, that there are better steps we could be taking to provide us a reasonable hope of success in a reasonable time. I have been, for instance, pleased with the successful introduction into combat of the first F-111 attack bombers built at Fort Worth. I've talked to the pilots and carefully followed development of the F-111. And, I know it can tremendously increase the effectiveness of our air power in Southeast Asia.

I hope introduction of this advanced aircraft is an indication that we are going to take other steps to bring the military side

## Society Elects New Officers

Mrs. Joe Cowen of Dimmitt was elected president of Delta Xi Chapter, Delta Kappa Gamma, when the three-county society of women educators met in the new Ritchey Elementary School at Bovina Saturday for a coffee.

She will succeed Mrs. Merlin Kaul of Hereford, current president, when officers for next season are installed at a breakfast in the Colonial Inn at Dimmitt May 11.

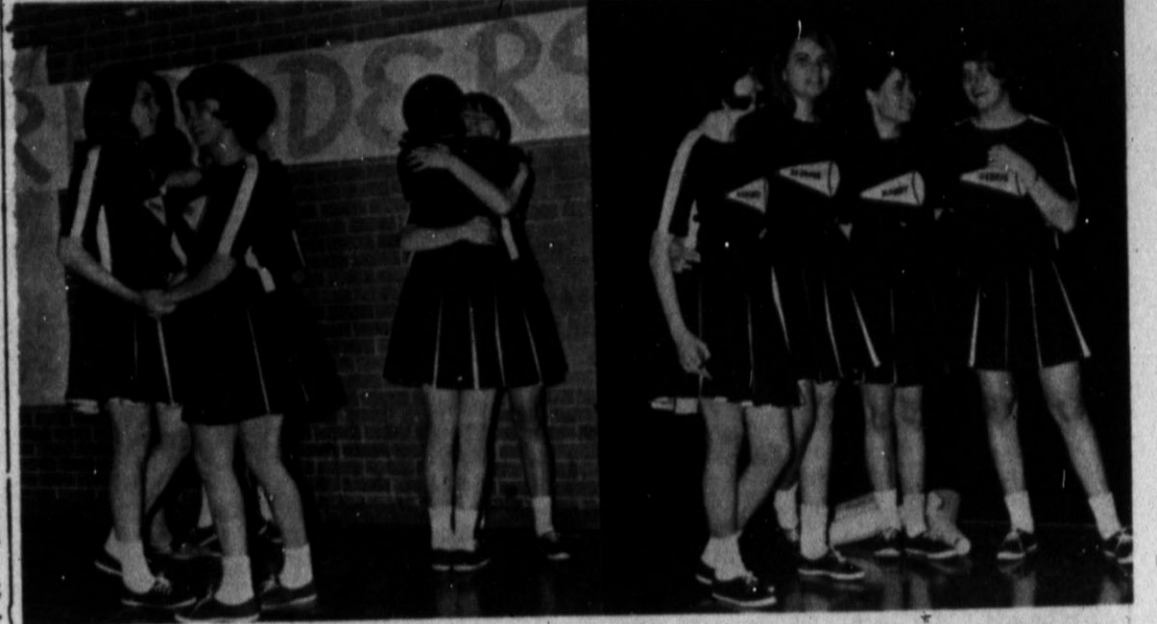

Mrs. Jim Bookout of Hereford was named first vice president and program chairman. Mrs. Lenton Poole of Farwell second vice president, Mrs. Wilson Duffa of Bovina secretary, Mrs. Weldon Skinner of Dimmitt correspondent and Mrs. Glenn Renter of Dimmitt treasurer.

Mrs. H. V. Crawford of Hereford was moderator for a symposium on the subject, Stressing

Value Patterns for Educators, which featured the program. Mrs. Bookout discussed Moral Values; Mrs. Pool, Social Values; Miss Hazel Merritt of Dimmitt, Economic Values; Mrs. Fred Mercer of Hereford, Political Values.

Music in the Space Age was the subject of a talk by Mrs. Faun Welker of Dimmitt. Mrs. Skinner presented the Personal Growth and Development topic.

Other members who went from Hereford were Misses Lucille Park and Erma Walker; Mmes. Gary Billingsley, Lawrence Carlson, Fritz Christman, J. J. Durham, Byron Durham, J. D. Neill, Tolbert Painter, J. Frank Smith, Earl Springer, H. E. Wester, Bob Wilson, Bob Word, R. R. Wills and Tommy Braddy.

**LAST GATHERING** — Different kinds of emotions are shown by the senior cheerleaders as they gathered in the high school gym Monday to hear the new cheerleader selections and to

lead the school in their last yells together. Departing seniors include, from left to right in the right photo, Margaret Adams, Suzanne Hart, Kandy Hill, and Debbie Ogan.

The Deaf Smith County Court House, "a Magnificent Temple of Justice" to quote the Hereford Brand of 1912, was built in 1910.

A comeback was noted on Hereford cattle in 1925 when registered cattle sold for top prices of \$500 to \$1,000.

The first Home Demonstration agent, Miss Ruby R. Fincher, appeared in Hereford in September 1915.
