VOLUME 19

HEREFORD, DEAF SMITH COUNTY, TEXAS, APRIL 24, 1919

NUMBER 13

FIRE DESTROYS OLD LAND-MARKS

Three Wooden Buildings, All Occupied, Are Total Loss

A fire of unknown origin, which broke out about 8:30 o'clock last Monday evening, completely destroyed the three old frame buildings between Betts-Clark Drug Store and Lee's Hardware. One building was occupied by the T. K. Wilson Insurance office and the Rippetoe Barber shop, another by the Short Order Restaurant, and the third by the J. Frank Potts Abstract office. Neither Mr. Potts nor the restaurant man carried insurance, but both got out practically all their belongings. The contents of the Wilson office and the barber shop were a total loss, with the buildings, but both were covered by insurance.

The buildings were owned by R. L. Elliston, and were also insured.

The volunteer fire department although its ranks are depleted, fought the fire vigorously, and succeeded in stopping the flames in the Potts building and thereby protected the big brick building of Betts-Clark. Hose lines from the top of the brick kept down the temperature of the adjoining roof and aided materially in stopping the blaze. The fire department did noble work, but showed lack of drill and familiarity with each other's methods.

The Captain, John Cummings, is not here at present, and several other members of the Department have moved away, and it is hoped by the remaining members to get together soon, reorganize, secure additional equipment, and be better prepared for future emergencies.

A tremendous crowd watched the fire-fighting, and a sigh of relief went up from all when the flames were stopped short of the brick building.

Mr. Potts has temporarily moved into the Directors Room of the First National Bank, the restaurant into the old quarters of the Hereford Tailoring Company, Mr. Wilson into the D. F. Ashbrook office, while Mr. Rippetoe is undecided about his future course.

The lack of suitable business houses is becoming quite a problem, and there is general hope that a line of new brick buildings will be erected on the site of the recent conflagration.

Mrs. Jno. W. Wright and daughter, Mrs. Graham Bryant, of Portales, N. M., and little Miss Frances Estell Bryant, drove through the country and spent Sunday and Monday visiting with Mr. and Mrs. Seth B. Holman.

Mr. and Mrs. W. B. Green went to Amarillo Tuesday to meet their son, Lieut. James L. Green and wife. Lieut. Green has just returned from France having served for almost a year with the American army there.

Miss Swisher of the Chicago Bible school arrived in Hereford Wednesday and will have charge of the Bible teaching in the Hereford Public schools.

Canteen Building Will Soon Be In Daily Use

The headquarters for the Canteen Division of the Deaf Smith County Chapter, American Red Cross, is rapidly nearing completion, just east of the passenger depot. When completed the little building will be a home and rallying point for this band of patriotic women, of which the people of this county should be very proud.

HERE'S A CHANCE TO GET A THRILL OF A LIFE TIME

Want to take a dizzy trip in one of Uncle Sam's airships? It may effect you like it did the fellow who said he felt "perfectly comfortable" up there, with the exception that he hoped he wouldn't yawn. But it ought to be some thriller for us ordinary folks.

Well, here's your chance—you can have the trip provided you purchase the most bonds of any individual in Deaf Smith county, during the present V. Liberty Loan Drive; or provided you sell the most in this county during the Drive. The following telegram from the publicity department of the Government to The Brand explains it all:

"The Division of Military Aeronautics has today sent the following telegram to Commanders of all Flying Fields:

"This is your authority to give a flight to the man or woman purchasing the greatest amount of Liberty Bonds; also to the man selling the greatest amount of bonds, when ships are sent to the various towns on various Loan flights; civilian passengers to be carried only as per previous instructions, and signing release as requested by Order No. 11, dated this office, April 12, mailed to stations.

MENEHOR

"The order referred to is one freeing the War Department from claims for damages."

Panhandle Delegates Stick Together But Lose

County Judge Jas. A. Hughes returned Sunday from a trip to Mineral Wells, Texas, where he attended the session of the United States Good Roads Association.

The Judge reports a big and enthusiastic meeting, attended by many notables, including U. S. Senator Bankhead, and the Governors of New Mexico, Louisiana and Arkansas. The Panhandle lost in its fight to secure the Bankhead route of the great National highway proposed, but did secure recognition of a loop, probably through Amarillo, known as the Williams Loop of the Bankhead highway.

Judge Hughes states that the Panhandle delegates stuck together throughout for mutual interests and showed a fine cooperative spirit.

Two Herefordites Meet In France Have Reunion

Mr. H. B. Webb is in receipt of a letter from his son, Edgar, now in France, stating he located Leslie Moreman, who was stationed near him, and the two had a reunion for a day or so. Leslie was the first Hereford boy Edgar had met since going over, and the two had a gabfest.

Jno. McLean went to Amarillo Wednesday and from there he will go to Wichita Falls, to accompany his wife and baby home. They have been visiting for the past month with Mrs. McLean's mother Mrs. Potter. Both Mrs. McLean and the baby have been sick of "Flu". However they are better now.

Mrs. H. S. Williams who has been visiting her brother J. H. Copeland for the past three months left Thursday for her home in Texline, where she will spend a few weeks before going to Cincinnati, where she will spend the summer.

G. A. Lewis left Monday for a few days business trip to Dallas, Texas. Then he will go to McKinney, Texas, where he will visit his mother Mrs. J. H. Lewis.

COMMENCEMENT TO START ON MAY 5. GRADUATES-25

By L. M. FERTSCH
Superintendent of Schools

We are speaking much these days of reconstruction, signifying that organizations everywhere are taking a forward look. Our Nation in reconstruction, our Churches in reconstruction, social activities in reconstruction and, finally, may we not say our schools in reconstruction. There are three phases looming quite large on the field of the educational horizon: physical care of children, better general and more vocational education, and a training for a finer type of citizenship.

Physical Care

Over 300 children have for the past eight weeks worked faithfully in the Health Crusade by doing certain required Health chores. The purpose of this Crusade is to instill habits of proper living. There are now almost 300 Squires—members who have a five weeks' good record. Silver pins will be given for a ten weeks' record of chores well done. Parents can be of great aid to the teachers and to their children by a prompt marking of the leaflets sent home. By so doing interest will be kept up and greater results obtained.

Athletics

Stress has always been laid on a vigorous form of athletics. Thirteen counties met at Canyon on Friday and Saturday of last week in an interscholastic meet. Hereford High school was second with a score of 28 points, Tulsa being first, winning 31 points. The boys scoring for Hereford were: Earl Nunn, first in Mile Run, and in the 880 yard run; Frank McMinn, first in High Jump, second in Discus Throw; William Baker, second in vaulting; 9 feet and 4 inches; Bruce Guthrie, second in 440 yard run, third in 220 yard run; Hereford won second place in the relay.

Bernice Walker and William Baker won the Loving Cup in Tennis.

Emmett Alban and Joyce Stubbs represented Hereford in Spelling. Miss Ruth Casebolt was our Senior Declaimer. These young people are the richer for their efforts. Hereford must enter Essay writing and Debate, as well as all other contests. The patrons of the school, too, can help the teachers by speaking for the vital good of these contests. To win, of course, is fine, but winning should not be made an end in itself. Hereford boys and girls must be trained to champion America's cause by pen and by word of mouth.

The Junior Meet

The following are the winners of the Junior Meet held at the Central School:
Fifty Yard Dash:
First Grade, Alvin Carroll
Second Grade, William Russell
Third Grade, Willie White
Fourth Grade, Earl Kearns

MASS MEETING SATURDAY

Our first patriotic mass meeting in our effort to sell our quota of \$92,500.00 Victory Loan Bonds, will be held on April 26, at 4:30 p. m., at the Court House, in Hereford, and we invite every person in the county to be present at this meeting and assist the committee in its effort to raise Deaf Smith County's quota.

A patriotic program will be rendered and the "Liberty Girls" will sing.

Other meetings will be held at School Houses in various parts of

Fifth Grade, Clements Novak
Sixth Grade, W. L. DuPre
Suit Case Race, Jacqueline Pogue.
Sack Race, Finis Williams.
Jumping Rope, Eunice Parker
Still Race, Albert Farris
Bicycle Race, Leland Lee and J. M. Posey.
Broad Jump, Burl Witherspoon and Elmer Patterson
Fifty Yard Dash, Girls:
Second Grade, Wanda Purell
Third Grade, Lucille Jackson
Fourth Grade, Minnie Lee Rippetoe and Grace Potts
Fifth Grade, Edna Hopper
Sixth Grade, Iva Walker
Vocational Education

All education is of course vocational, but some phases of the curriculum bear more directly upon a specific occupation. Man power during the past several months was too much in demand for us to secure a good teacher in Manual Training. Rather than tolerate inefficient work this Department was closed. There will be Manual Training next school term. Domestic Science and Domestic Art must be broadened in scope. Home making is a big enough job for all, but the school must take its responsibility in the development of happy homes. Music is vocational. It occupies so conspicuous a place in education that any school of today which does not arrange for the systematic study of music fails to rank in the estimation of the public as a modern school. This, too, can be said of the teaching of the Word of God.

Miss Swisher of Chicago has charge of Music and Bible. She comes to fill out the unexpired terms of Miss Tarver and of Miss Duff.

Citizenship

Public opinion is shaped by the thought and the ideals of the common man. The public school makes intelligence common property. There is something inherent in our life that binds us together as a community, and into a great National whole. This process is slow and uncertain. The schools must foster and advance more thoroughly a correct impression of the real American Spirit. It is hoped that Hereford's schools shall find a closer and a more sympathetic relation to the community.

Commencement

The school term is rapidly drawing a close. I shall therefore make the following announcements:
Senior Play: Monday evening, May 5, at the Star Theatre;
The Baccalaureate Sermon will be preached by the Rev. J. M. Asbell, Sunday morning, May 11;
On account of the Chautauqua the graduation exercises will be held on the evening of May 13 at the Christian Church. Professor J. L. DuPlot of Canyon will speak

(Continued on page four)

HEREFORD BREEDERS WILL MEET ON MAY FIRST

A meeting of the membership of the Hereford Breeders' Association of Deaf Smith county will be held in the County Court room on Thursday afternoon, May 1, beginning at 2:30 o'clock.

This is the second meeting of the Breeders, and the date was fixed at the initial organization meeting several weeks ago. On May 1 the principal business on the docket is the report of the committee on Constitution and By Laws, and other very important business to the future life of the young Association.

President W. T. Womble and Secretary W. E. Dameron issue a most cordial invitation to every breeder of registered Herefords in the county to attend this meeting, whether a member of the Association or not.

Chautauqua Committees Are To Hit The Ball

C. R. Churchill, advance man for the Redpath-Horner Chautauqua, spent a couple of days in Hereford last week, and organized the local committees for the coming Chautauqua, May 16-21.

Henry Wilkinson is president, J. E. Crouch Secretary, Claude Terry Treasurer, C. H. Dyar, G. A. F. Parker, W. D. Keliher and John McLean, Ticket Committee, F. H. Oberthier, Geo. E. Burns and W. E. Dameron, Ground Committee, and D. F. Ashbrook and Seth B. Holman, Publicity Committee.

The grounds Committee figured at first with Manager Fullwood on obtaining the Star Theatre, but finally decided the building would not hold all the ticket buyers, and are therefore looking about for another location. Tickets will be of three grades this year, \$2.75, \$1.75 and \$1.25 each, which includes Uncle Sam's war taxes.

Preparations are well under way, and a fine Chautauqua seems assured.

Women Organize To Help Carry Victory Loan

Mrs. Grace Copes of Dallas, Special Representative of the Fifth Liberty Loan, was here Tuesday conferring with Mrs. Homer Wilkinson, Chairman of the Woman's Liberty Loan League of Deaf Smith County.

Mrs. Wilkinson has her Precinct chairmen appointed and getting ready to do their part toward putting the Victory Loan "over the top."

Lieut. E. S. Floor of Washington, D. C. who has just returned from two years service with the American Army in France, arrived in Hereford Wednesday for a visit in the homes of his brother-in-law, R. M. Moore and his mother Mrs. Floor.

Mrs. John A. Johnson left Wednesday for Post City, Texas, where she will visit for several months with her sister, Mrs. J. D. Saunders.

Clem Gilliam returned to military duty at Ft. Sill, Okla., last Thursday after spending a furlough with his parents Mr. and Mrs. R. W. Gilliam.

Mrs. N. E. McEntire returned to her home in Canyon last Saturday after spending a few days with her parents Mr. and Mrs. D. R. Gass.

Mr. and Mrs. L. W. Cole arrived in Hereford Tuesday from Hagerman, New Mexico, and will make their home here in the future.

Miss Dorothy Ramsay spent the week-end with her friend Miss Laura Kibbe in Canyon last week.

PRO AND SUFF CAMPAIGN OPENS

Exercises Are Held On San Jacinto Day; Mayor or Speaker

The Prohibition and Suffrage program planned for last Monday afternoon, San Jacinto Day, was carried out as contemplated, with the exception that the Committee failed to secure an out-of-town speaker, as had been hoped. The exercises began promptly at 4:00 o'clock.

Mayor Knight delivered the principal address, going into the details of the proposed constitutional amendments for state-wide prohibition and woman suffrage, to be voted on May 24. He stressed what, in the minds of the Committee, is regarded to be the duty of every American citizen in these matters, and what these questions mean to America as a whole.

The Liberty Girls rendered several selections with the old "pop" and spirit, and the entire program was thoroughly enjoyed and appreciated by all those who attended.

Amarillo Choir Will Sing Here Next Sunday

Announcement has been made that next Sunday evening the Choir of the Folk Street Methodist church of Amarillo will give a Sacred Concert at the Christian Church of Hereford, beginning promptly at 8:00 o'clock. This treat for the music-loving public is being furnished by our Music Study Club, and the Choir will be under the direction of Prof. Myers of the Amarillo Conservatory of Music, with Mrs. Myers as accompanist.

The entire community is cordially invited to take advantage of this rare opportunity to hear some real music.

YOUNG PEOPLE OF THE CHRISTIAN CHURCH EN-TERTAIN KHAKI BUNCH

The young folks of the Christian church are on the job of welcoming the "Boys" as they come home. Last Friday night they gave an Old Fashion taffy pulling which was enjoyed by about one hundred and fifty of the younger set of the community. About thirty of the returned soldiers were the guests of honor. The young folk of the Baptist, Presbyterian and Methodist churches were present and helped to make merry. We are glad to see the soldiers finding their places in the churches. Keep it under your hat soldier boys, for there is something doing in the social line every month. Welcome home again.

Mr. Chas. McNeerney was taken to Amarillo last Wednesday where he underwent an operation for appendicitis. However at the present writing he is improving and expects to soon be home.

Lyceum Reader Makes A Very Decided Hit

Miss Hazel Dopheide, Reader and Lecturer of remarkable powers, entertained an enthusiastic audience at the Central School building last Thursday night. Miss Dopheide was one of the regular Lyceum attractions, and certainly maintained the reputation of the Lyceum people who put her out. Many expressions of approval of her work have been heard.

THE HEREFORD BRAND
PUBLISHED EVERY THURSDAY BY BRAND PUBLISHING COMPANY
HOLMAN & STECKMAN, Proprietors

Entered April 17, 1901, in the postoffice at Hereford, Texas, as second-class mail matter. First number of the paper issued Feb. 25, 1901, as the Hereford Reporter; first number of The Brand issued March 21, 1902.

Subscription Price \$2.00 a Year Strictly in Advance

ADVERTISING RATES—Local 10 cents per line first insertion, 7 cents per line subsequent insertions (no ad taken for less than 25 cents). Classified: first insertion 1c per word, minimum 25c; subsequent insertions 1c per word; minimum 25c. Professional cards \$1.00 per month for one inch space. Display advertisements 1c per single column inch per week. Special rates for time contracts.

The fire Monday night, while handled in a most courageous manner by the remnant of our volunteer department, certainly suggests the urgent necessity for a thorough reorganization of this band of volunteers, the selection of new officials, the securing and organization of proper equipment, and a few drills and a definite plan of action for emergencies.

The Department has not had an official meeting in two years, the Captain has moved away, and many members of the old organization are gone or have been discouraged and quit.

The Brand suggests that a mass meeting be held, or a call issued by the City Commission, and a reorganization effected at the earliest possible moment.

Have you read and digested those Constitutional Amendments you are to vote on in May? If not, better get a copy and study them.

The recent meeting of the United States Good Roads Association, held at Mineral Wells, officially selected the route of the great national Bankhead Highway to run by way of Texarkana, Dallas and Fort Worth, through Abilene and west into New Mexico. The Oklahoma—Panhandle route was not given recognition. However, a loop of the Williams Highway, running from Hot Springs, Ark., via Amarillo, and, we hope, by Hereford, is in prospect.

Editor Loomis, the new guardian of the destinies of the Canadian Record, came out last week

with a sixteen page Victory Loan edition.

"My cream checks for March totaled \$125.00, and \$40.00 was the total for eggs sold during the same month," said S. S. Pullin in conversation with the Herald editor last Saturday—Panhandle Herald.

The possibilities of cream and poultry in the Panhandle are unlimited. The industry is just in its infancy, and when it reaches its height we will have a very important industry in the Panhandle equal that of stock raising and farming. It would not be extravagant to predict in a few years that the dairy industry in the Panhandle will equal that of Illinois. The poultry industry is growing by leaps and bounds, and it is already considered the backbone of our commercial activities.—Lockney Beacon.

Seth B. Holman has sold a half interest in the Hereford Brand to Walter R. Steckman. The Brand is among the Herald's most appreciated exchanges and may prosper with you gentlemen.—Panhandle Herald.

Walter Steckman, a former Princeton boy, who has been acting as foreman of the Hereford, Texas, Brand, last week purchased a half interest in that paper. The Brand was formerly published by B. F. Guthrie, a former superintendent of the Princeton schools. Mr. Steckman is a son of Judge and Mrs. R. W. Steckman of this city. He learned the printing business in the office of the old Princeton Press, when his father was the publisher. For several years past he has been working in the southwest. He knows the newspaper business thoroughly and will make the Brand a leading newspaper of the Panhandle country.—Princeton, Mo., Post.

Go and hear Hunt Sunday.

PAYING YOUR PART AS AN AMERICAN

In the Great Readjustment will be the Theme of Dr. Frank L. Loveland, who speaks at Chautauqua.

This year, which is a critical year for the United States, has found Dr. Loveland, the well known Chautauqua lecturer, ready with one of the most pertinent and timely lectures to be heard in America today, for he comes to speak of the Perils of Democracy.

What is to be the future of the United States? How are we Americans going to play our part in the new readjustment plans? Do you know that only two per cent of the public school students attend college and that the whole educational system is planned for this two per cent?

Why was it that 40 per cent of the men examined for military service were physically defective? Is church membership and Christianity synonymous? Has the church lived up to its possibilities and how may it do so in the future?

These are some of the questions discussed by Dr. Loveland in his address on the "Perils of Democracy," which will be given the first night of the Chautauqua.

OIL NEWS.

The Paducah Post says the oil stock business is "on the bum" in that town and avers it can buy stock in most any of the producing wells at half the face value. It insinuates that most investors in oil stock are "blowed up suckers."—Plainview News.

Good rains and splendid wheat and crop prospects in general has side-tracked the oil speculation schemes somewhat. Added to the above mentioned change of conditions is the fact that the oil bubble is about blown up in the various fields of the state. Oil speculation does not compare with crop prospects, and when the latter comes the people get down to earth and engage in something worth while. A great many people, in fact the vast majority of those investing in oil stocks, are sad but wiser men today than they were a few months ago.—Lockney Beacon.

Although the recent rains, and consequent muddy roads, have greatly handicapped and retarded the work on the oil well southeast of town, those in charge of the work inform us that the greater part of the timbers and materials are now on the ground, and the derrick builders will be here and begin the erection of the derrick next week. When asked to express an opinion as to how long it would probably take to complete the well, Mr. McGee, manager of the work, said that it would probably require from four to five months, no accidents happened to detain them, and if they encountered no extra difficult strata of rock or other formations to hold them back. He does not believe that any such difficulties will be encountered, as he has selected a place which shows no indications of such a possibility, but in case they do have had luck in this direction, it may require 18 months to complete the well.—Tucuman Sun.

Sunday afternoon quite a large number of people visited the site of the Childress-Duluth oil well and took a good look at the tremendous derrick and machinery. Everything was in place except the boiler and drill. These have been lost in transit and their non-arrival is delaying the beginning of the work. The fuel oil tanks are in position, the water tanks are there and the water line has been laid to be adjacent lake. When the missing boiler and drill arrive it will take but a few days to get them in position and spud in the well.—Childress Post.

NOTICE OF AN ESTRAY

In compliance with law and upon the return of U. C. Bowman, County Commissioner of Precinct No. One, Deaf Smith County, Texas, I hereby give notice that there has been found running at large and not estrayed, the owner of which is unknown:

1 two year old steer, white face, branded (half circle) on left hip.
Said animal now ranging in the neighborhood of R. T. Nunn place about 2 miles east of Hereford in Precinct No. One, and if not legally proven away by the owner thereof, within twenty days from date hereof, the same will be advertised, and said Commissioner will proceed to sell the same according to law.

A. O. THOMPSON,
County Clerk, Deaf Smith Co., Texas,
April 21st, 1919. 13-3t

Starting and Lighting Batteries Eliminate Doubt

THEY are made by the oldest and largest battery maker in the United States.

They embody many points of superiority found in no other batteries.

They are strong in construction, dependable in performance, easy to care for, and of long life.

Remember we inspect all makes of batteries free of charge. Let us inspect your battery.

THE MOST

DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—look up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Get some GOLD-MEDAL Haarem Oil Capsules at once. They are an old, tried preparation used all over the world for centuries. They contain only old-fashioned, soothing oils combined with strength-giving and system-cleansing herbs, well known and used by physicians in their daily practice. GOLD-MEDAL Haarem Oil Capsules are imported direct from the laboratories in Holland. They are convenient to take, and will either give prompt relief or your money will be refunded. Ask for them at any drug store, but be sure to get the original imported GOLD-MEDAL brand. Accept no substitutes. In sealed packages. Three sizes.

An Open Letter

To Wm. M. Knight,
Mayor of Hereford, Texas

Dear Sir:

As mayor of Hereford, we believe that you are interested in everything touching the welfare of your community. That is why I am writing this open letter to you about the Hereford 1919 Chautauqua which I am glad to assure you in advance, will be found by you to be the best programs we ever have presented.

Lincoln McConnell speaks "FRIENDSHIP DAY". Dr. Frank I. Loveland talks of readjustment problems. Dr. Charles E. Barker, formerly physical adviser to Ex-President Taft, advises people about caring for themselves. Ralph Parlette, the noted lecturer, editor, and author, speaks on individual problems. Bob Finch is the community speaker. He boosts your town, and Granville Jones comes with a message of Americanism which inspires firmer belief in the possibilities of a greater United States.

Electra Platt and the Victory Players crowd an hour full of laughs and Jean Macdonald and the St. Claire Sisters give an inspiring program of impersonations and music.

Harold Procter Company gives an artistic musical program. Mr. Procter, Irish tenor, is one of the foremost singers of the Pacific coast. The Concert Artists will give such a program as can be rendered by accomplished musicians only.

The big musical number will be the Italian Bersaglieri band composed of war veterans of the famous sharpshooters corps of the Italian army. These men are picked musicians of Italy and will appear in dress uniform.

"It Pays to Advertise" is the greatest comedy-drama produced in the past decade. This will be played by the cast of players who made it such a success in New York City.

This program is in harmony with the spirit of the times. This is Victory year for the United States. We are all happy that the war is over and we want to celebrate.

So, we are looking for a big Chautauqua attendance this year; the program merits it, and we feel that, after hearing it, you and the people of Hereford, will be as glad to be on the circuit as we are to have you.

Sincerely yours,

CHAS. F. HORNER.

CASTRO COUNTY

One of the saddest accidents occurred at Mr. John McCormack's last Tuesday evening when his fourteen year-old daughter put gasoline instead of coal oil in the stove to get supper. Their seven month old baby was burned to death. They rushed the daughter to Amarillo, but nothing could be done and she was relieved from her suffering the following day. The family lost their home and contents. They have the sympathy of the entire community in their sad bereavement.

Mr. C. E. McLean returned to Mineral Wells Monday after a short stay with home folks.

Mrs. Shuford and children were shopping in Hereford last Wednesday.

Mr. William Dickson was in town Wednesday.

Judge Woodlee and wife, Arch Johnson, Judge Kerr and E. S. Ireland attended the funeral of Mr. McCormack's daughter at Nazareth last Thursday.

Uncle William Smith was in from his ranch last Wednesday.

Mr. Alex Lowry was in from his ranch last Monday.

Mrs. E. S. Ireland is visiting her parents at Hereford this week.

Rev. McNealy returned from Childress, where he has been holding a revival meeting, in time to fill his regular appointment here Sunday morning and evening.

Mr. and Mrs. Harvy Cash were Hereford visitors Thursday.

Mr. Barron moved to Mule Shoe last Thursday. They have lived here several years and will be greatly missed. He will work in the abstract business there.

Mrs. Mary Vaden enjoyed a visit from her cousin, Mr. Barney Conner, and little son, last Friday.

Mrs. Bob Hastings, and son Jay, and little daughter, left Wednesday for Clarendon to visit relatives.

Miss Doris Winkleman went to Canyon last Friday evening accompanied by all the Glad Girls Club, with the exception of one, Mrs. Kerr and son. Will, went with them. They returned Sunday evening.

Go and hear Hunt Sunday.

WYCHE NEWS

Bro. Baker filled his regular appointment Sunday afternoon. The Wyche Sunday school was re-organized Sunday. The new officers are: S.H. Hembree, superintendent, Mr. Wyche assistant, Miss Bessie Edwards Secretary.

Doc. Haberer of Big Square was a Wyche visitor Wednesday afternoon.

Messers Ike Finley and Emerson Wyr, Misses Bonnie Angley and Era Lou Finley attended the show at Hereford Tuesday night.

Messers Robt. and Dillard Edwards of Floydada visited their parents Monday night.

Mr. and Mrs. Everett Doak were visitors in the I. E. Woolery home Saturday night.

Mrs. Copeland of the Lake View community visited the school Wednesday.

Wyche school closed Thursday. A very nice program was rendered by the pupils. The visitors were, Messers Ike and Charles Finley and sister Miss Era and Miss Vera Dugan.

Miss Bonnie Angley entertained in the I. E. Woolery home Thursday evening.

Mr. John Walker was a caller in the Finley home Sunday afternoon.

Tom Bandy and family of Happy, visited Mr. and Mrs. R. W. Hough Sunday.

A very pleasant social affair was enjoyed by a number of young folks in the Schuette home Friday evening.

Mr. and Mrs. I. E. Woolery were callers in the home of H. C. Doak Sunday.

Elmer Finley spent Friday afternoon with Clayton Woolery.

Miss Bonnie Angley teacher of the Wyche school returned to her home in Olney, Friday. Miss Angley has made many friends during her stay here who regret very much to lose her but wish her well in her new home.

Guy Edwards and sister Miss Bessie, were callers in the Finley home Sunday afternoon.

Raleigh Hough Jr. was the guest of Millard and Glen Finley Sunday night.

Go and hear Hunt Sunday.

THE STATE OF TEXAS

To the Sheriff or any constable of Castro County, Greeting:

You are hereby commanded to summon C. L. Dewees, William J. Dewees, Ida M. Stockton, Charles W. Stockton, Lowvina O. Dewees, Dora A. Dewees, Joseph W. B. Dewees, by making publication of this citation for four consecutive weeks previous to the return hereof in some newspaper published in your county, if there be a newspaper published therein, but if not then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Castro County, to be holden to the Court House thereof in Dimmitt, on the Third Monday in May, 1919, the same being the 19th day of May, 1919, then and there to answer a petition filed in said Court on the 3rd day of April 1919, in a suit numbered on the docket of said Court No. 1361, wherein J. K. Sowell is plaintiff and C. L. Dewees, William J. Dewees, Ida M. Stockton, Charles W. Stockton, Lowvina O. Dewees, Dora A. Dewees and Joseph W. B. Dewees are defendants. Said petition alleging that Plaintiff is the owner in fee simple of all of Survey No. 12, Block M, Castro County, Texas, containing 160 acres, claiming the same under the following title: Patent from the State of Texas to C. L. Dewees, dated March 9, 1894, recorded in Vol. 1, page 28, Patent Records of Castro County, Texas; Warranty Deed from C. L. Dewees to Lillie Dewees, dated November 8, 1894, recorded in Vol. 4, page 547, of the Deed Records of Castro County, Texas; Warranty Deed from Lillian Dewees and husband C. L. Dewees to S. Kirksey, dated December 23, 1901 and recorded in Vol. 5, page 415 of the Deed Records of Castro County, Texas; Warranty Deed S. Kirksey and wife Josie Kirksey to W. T. Strickel dated July 24, 1902 and recorded in Vol. 6, page 123, of the Deed Records of Castro County, Texas; Warranty Deed W. T. Strickel and wife Bessie P. Strickel to J. R. Sowell dated October 28, 1918 and recorded in Vol. 22, page 286 of the Deed Records of Castro County, Texas.

Plaintiff would show to the Court that he and those under whom he claims are and have been in continuous, peaceable and adverse possession of said tract of land under title from and under the State of Texas, for more than three

years before the commencement of this suit.

Plaintiff would show to the Court that he and those under whom he claims are and have been in continuous, peaceable and adverse possession of said tract of land, cultivating, using and enjoying the same and paying the taxes, thereon and claiming the same under deed or deeds duly registered for more than five years before the commencement of this suit.

Plaintiff would show to the Court that he and those under whom he claims are and have been in continuous, peaceable and adverse possession of said tract of land, cultivating, using and enjoying the same for more than ten years, before the commencement of this suit.

That the defendants are asserting some claim to said land, the nature of which is to plaintiff unknown but which is inferior to Plaintiff's title, and that by reason of said pretended claim a cloud is cast on plaintiff's title to his damage.

Wherefore plaintiff prays that the defendants be cited to appear and answer herein and that upon final hearing he have judgment quieting his title to said tract of land and removing the cloud on plaintiff's title and divesting defendants of all title, if any they have, and vesting same in plaintiff and for any further relief, in law or equity that he may show himself entitled to.

Herein fail not, but have before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness W. L. Rickett Clerk of the District Court of Castro County.

Given under my hand and seal of said Court in the town of Dimmitt this the 25th day of April, A. D. 1919.

W. L. RICKETT,

Clerk of District Court of Castro Co.

Issued this 25th day of April 1919, 13-4c.

STATIONERY!—need printing at living prices. THE BRAND.

ESTRAY SALE NOTICE

I will sell to the highest bidder, for cash, at the Widow Hughes place 2 miles N. E. of Hereford on first Monday in May same being May 5th, 1919, in Deaf Smith County, Texas, within the hours prescribed by law, the following described estray stock, to-wit: 1 Hereford cow 3 or 4 years old branded 6 left hip and D right thigh, 1 heifer about one year old belonging to said cow.

Said stock was estrayed by me on the 20th day of February 1919, and has been held as the law requires.

U. C. BOWMAN,
County Commissioner, Precinct No. One, Deaf Smith County, Texas.

The Strong Withstand the Winter Cold Better Than the Weak

You must have Health, Strength and Endurance to fight Colds, Grip and Influenza.

When your blood is not in a healthy condition and does not circulate properly, your system is unable to withstand the Winter cold.

GROVE'S TASTELESS CHINA TONIC Fortifies the System Against Colds, Grip and Influenza by Purifying and Enriching the Blood.

It contains the well-known tonic properties of Quinine and Iron in a form acceptable to the most delicate stomach, and is pleasant to take. You can soon feel its Strengthening, Invigorating Effect. 66c.

ESTRAY SALE NOTICE

SOCIETY AND CLUBS

MISS CECIL GILLILAND, Phone 39

DELPHIAN CLUB.

The Delphian Club will meet Monday afternoon April 2, at the Library Room in the Court House, at the regular hour. All members are urged to be present.

Mr. and Mrs. J. H. Copeland entertained Tuesday night in honor of Mr. Copeland's sister, Mrs. H. S. Williams, who soon leaves to spend the summer in Cincinnati, Ohio. Progressive "42" was

enjoyed through the evening and delightful music was rendered. Delightful refreshments of cake pickle and coffee was served then all gathered about the piano to sing the "favorite" song of each one present, before going home. Mrs. Williams has endeared herself to the whole community and every one left, wishing that she may soon return to visit in the Copeland home and have a part in the neighborhood affairs.

ICE

EVERY HOUSEWIFE TAKE NOTICE—THIS IS IMPORTANT!

ADVANCE IN PRICE: Owing to the fact that ice costs us just exactly FIVE CENTS more per hundred at the Factory this year, than it did last year, we are compelled to add that 5c to our retail price. THEREFORE, ice will retail in Hereford this year at 70c per hundred when sold on Main street, or at the ice house; and for 80c per hundred when delivered in the residential section.

A CASH PROPOSITION: We will sell ice this year absolutely for Cash, and on no other terms, whether coupon books are used or 15c worth is bought at the Ice House. We simply have to do this to break even, and WILL NOT KEEP ANY BOOKS ON OUR ICE SALES. Please don't ask for Credit, for we cannot grant it.

ICE CARDS: These cards are your notice to us that you want ice—we have no other way of knowing your desires, and we cannot stop and ask at each house. Every family in town should get one of these cards and use them in the windows. You will get your ice promptly this way, and it will save us both time and annoyance.

PHONING ORDERS: The ice wagon will leave the Ice House at 8:00 each morning, and anyone expecting delivery should phone in orders BEFORE that hour. THERE WILL ONLY BE ONE DELIVERY EACH DAY.

Yours for Ice Cooperation,

McQueen Grain & Coal Co.
Telephone ONE

MOTHERS CLUB

The Mothers Club was served to a five course turkey dinner at the Cordova Hotel on Tuesday April 15. The occasion being a treat to the winning side of a contest that had been going on in the club for some time.

The dinner was in every way a "treat" to the winners and from the looks of the tables, loaded with good things to eat it was plainly shown that the other side was a good loser. After dinner was served the club enjoyed a very pleasant social hour, then the following program was rendered:

Women in Industry—Mrs. Connel.
Discussion—What change in Women's Political and Economic status is likely to result from the War?—Mesdames W. B. Parmer, Matt Gilliland and W. M. Cogdell.
The club is doing fine work and has a good program for every month of 1919. One day of sewing for the Red Cross is still kept up by the Mothers Club at the Red Cross sewing rooms. Mothers Day will be celebrated as usual, with a good program. The time and place will be announced later.
Press Reporter.

Tuesday, evening Mrs. W. I. Valentine entertained the members of the B. Y. P. U. and their friends. The occasion was honoring the returned soldiers and as will always be the case any thing given in honor of returned heroes will be enjoyed. The entire evening was spent in laughing as the many contest games were enjoyed. Then when the hostess started to serve delicious refreshments of brick ice cream and cake the guests were almost rude as they were seen to cast glances at each other as much as to say "Why it can't be time to go home" but just a look at the clock proved to them that they had only lost count of the time, and that it really was time that all B. Y. P. U. members, their friends and returned soldiers were at home.

PARENT-TEACHERS CLUB

Program for May 2.

Reading—Miss Mattea McClurkin.
Piano Solo—Mrs. Dyar.
Address in "Home Making", by Miss Jessie Rambo, head of the Domestic Science Department of the Canyon State Normal. This will be a treat; do not miss it.
Election of officers. Every member is urged to attend and take an interest in this matter.

Habitual Constipation Cured in 14 to 21 Days
"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

COMMENCEMENT
(Continued from page 1.)

at that time. Everybody is invited to be present at these exercises.

The Graduates

There are 25 graduates in the class of 1918-19. Miss Frankie Mae Baker is the Valedictorian of the class with an average of 95 percent for her four years work. Miss Dorothy Boardman has the second honor, averaging 93.5 percent.

A list of the graduates, with theses, follows:

- Johnnye Wood—Hawaii as a State;
- Frankie Mae Baker—History of the Polish People;
- Kathryn Walker—Food Substitutes During the War;
- Olive Wilson—President Wilson Abroad;
- Madge Bradley—Home Economics;
- Jessie Womble—Why the U. S. Entered the War;
- Emma Lee LeGrand—Woodrow Wilson, Champion of Common People;
- Margie Dameron—American Red Cross;
- Corinne Jowell—Italy's Part in the World War;
- Lena Bodkin—Plan for the League of Nations;
- Ruth Smith—Irrigation Farming;
- Helen Lambert—History of Mormon Church;
- Gladys Hicks—General Pershing;
- Hazel Green—Vocational Education;
- Earl Nunn—The Cotton Industry;
- Ruth Owen—Reconstruction Abroad;
- Sena Mae Mounts—Y. M. C. A. in the War;
- Dorothy Boardman—The American Merchant Marine;
- Donelda Sites—Roosevelt and His Country;
- Lucy Harwell—Class Prophecy;
- Emlyn Alban—Ferdinand Foch;
- Helen Shore—Effect of War on America;
- Jessie Anthony—The Saloon, a Non-Legal Institution;
- Dorothy Ramsey—Edison, The Inventor;
- Jeff Roberson—The Future of Flying.

Secretary of War BAKER saw

"The Heart of Humanity"—the picture, that has set all New York talking—the picture that will live forever. He gave us permission to publish his statement:

"The Heart of Humanity"

The Picture That Will Live Forever

HERE'S WHAT THE SECRETARY SAID:

"It is a valuable picture, and brings to us in a forceful manner the sacrifices which were made both at the front and at the fireside to free the world and place love in its rightful place. The picture touched me deeply and I hope that it will help in bringing about some sort of 'League of Nations,' which will chain the hyena gone mad with lust and ambition."

ever hear of Fannie Hurst?

She's the highest priced short story writer in the world. She has criticized "THE HEART OF HUMANITY," starring Dorothy Phillips in Allen Holubar's super-production. READ what Miss Hurst says:

"I saw 'The Heart of Humanity' last night, and I want to give you a piece of my mind about it. First, I think it is the finest achievement that the screen has yielded up so far—also aside from the fine moving love story, I learned a vast amount about modern armament. "There is a moment in that picture that is going to thrill down the spinal column of the world. I refer to the dog scene, one of the greatest photoplay moments I have ever enjoyed. Dorothy Phillips is more than sweetly charming; she is a rare combination of sheer youth and deep emotionalism and one of the really sincere artists of the screen. She and her splendid supporting cast, together with the big artistic direction and production, round out the picture into a Masterpiece."

"CONGRATULATIONS"

(Signed) FANNIE HURST.

A Verdict of 50,000

It is not what the manufacturers of Tanlac say about it, but what the thousands upon thousands of people who have actually taken it say, that has made Tanlac the most widely talked of and most popular medicine in the world today.

Fifty thousand people in all sections of the United States and Canada have testified to the extraordinary merits of the medicine.

NOTICE OF ELECTION.

THE STATE OF TEXAS, COUNTY OF DEAF SMITH.
Notice is hereby given that an election will be held on the 24th day of May, 1919, at Summerfield School House, in Summerfield Common County-Line School District No. 1 of Deaf Smith, Castro and Farmer counties, as re-established and redesignated by the joint action of the county boards of trustees of Deaf Smith, Castro and Farmer counties on the 24 day of July, 1918, which is recorded in Book No. 1, page No. 1, book designated "Record of School Districts," Deaf Smith Co., to determine whether a majority of the legally qualified property taxpaying voters of that district desire the issuance of bonds on the faith and credit of said common County-Line school district in the amount of \$12000.00, the bonds to be of the denomination of \$100, each, numbered consecutively from "1" to "120," both inclusive, payable forty years from their date, with option of redemption after twenty years, and bearing interest at the rate of five per cent per annum, payable annually on April the 10th, of each year to provide funds to be expended in payment of accounts legally contracted in building and equipping a public free school building of brick material and to determine whether the Commissioners Courts of Deaf Smith, Castro and Farmer counties shall be authorized to levy, assess and collect annually while said bonds or any of them are outstanding, a tax upon all taxable property within said district sufficient to pay the current interest on said bonds and provide a sinking fund sufficient to pay the principal at maturity.

All persons who are legally qualified voters of this state and in one of the three counties and who are resident property taxpayers in said district shall be entitled to vote at this election.

Said election was ordered by the County Judge of this county by order made on the 22d day of April, 1918, and this notice is given in pursuance of said order.

Dated this the 22d day of April, A. D. 1918.

C. S. PURCELL, Sheriff, Deaf Smith County, Texas. 13-4t By BERRY ORR, Deputy.

Morris & Thompson

PARMER COUNTY

FRIONA NEWS.

Ground in this locality is in fine condition for work and farmers are busy making preparation for planting their row crops. Indications are that there will be several acres of corn planted here this season.

W. H. Warren has moved the building known as the old pool hall from its former location to a position on Main Street between the hotel and Mr. Gamble's store building. We understand that Mr. Warren has not yet decided just what line of business he will place in the building.

The newly elected school board met Saturday night and organized by electing V. F. Hodge as president of the board and J. W. White secretary. The board then spent a few minutes discussing some preliminary plans for the work of the coming year. It is desired to retain all the members of the present faculty if they will accept the position for another term.

Several of our citizens went to Farwell Monday to attend court as jurors for the first week of court. Court officers express the opinion that there will be but one week of court this term.

Rev. and Mrs. Willman are now comfortably domiciled in the parsonage, having moved there last week. D. W. Hanson is preparing the house vacated by Rev. Willman for occupancy and will be a citizen of Friona in the near future.

Chas. Winn and Seldon Warren went to Amarillo last Wednesday to be present at the reception given there in honor of the returned soldiers and sailors. Charles secured work at the carpenter trade while there and did not return.

Jerome Stevens, another one of our soldier boys returned on April 12th, from over seas and the army. Jerome says he had a wonderful experience but was sure glad to get back to the Panhandle. He departed Friday for Sheridan Lake, Colorado, to visit D. M. Ballard.

The Panhandle Association of the Congregational church will

meet at Friona on Tuesday and Wednesday, May, 6 and 7. A good program has been prepared and several good speakers will be present.

The Track Meet of the schools of Parmer county was held on the

Well "Armed"!

When company comes there is no time to waste—no chances to be taken—so mother sees that there is always a can of

CALUMET BAKING POWDER

on hand. Cakes, pies, doughnuts, muffins and all good things to eat must be dressed up in their best taste and looks.

Then, too, her reputation as a cook must be upheld—and she "stakes" it on Calumet every time. She knows it will not disappoint her.

Order a can and have the "company" kind of bakings every day.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

You save when you buy it. You save when you use it.

HIGHEST QUALITY AWARDS

Friona school grounds April 16, and was attended by about four hundred people and was a decided success in every respect. The contestants did some splendid running, jumping and vaulting. Goodwine of Friona took first in high jumping and Hiner of Farwell took first in pole vaulting. Taking all classes into consideration the contest was very well balanced between Farwell and Friona. Farwell scoring 151 points and Friona 149. Bovina school also carried away a good percentage of ribbons. Dinner was served in the basement of the Congregational church by the ladies of the community, consisting of sandwiches, pie, cake and coffee. Notwithstanding the unexpected size of the crowd the ladies were equal to the emergency and all present were well served and food to spare. It was truly a most enjoyable affair and the best of good will between the schools prevailed throughout the day.

Mr. and Mrs. Kinsley and Mr. and Mrs. Henschel were Amarillo visitors Saturday.

During the night of the blizzard Clyde Seamount's house rocked so badly that he was obliged to get up and take the castors from the bed posts to keep it from rolling back and forth across the room.

T. J. Crawford went to Amarillo Friday and returned with a new Essex car.

Mr. and Mrs. Reed Curtis of Channing were here visiting friends a part of last week. Mr. Curtis was selling stock for the Happy Oil Company of Amarillo.

Go and hear Hunt Sunday.

THE LIBERTY LOAN.

There are two kinds of notes being issued. Both mature in three or four years, as the Government chooses later.

The first kind bear 4 3/4 per cent interest yearly, payable every six months. They are free from State and local taxes, except estate and inheritance taxes, and from the normal Federal Income taxes.

The second kind bear 3 3/4 per cent interest and are free from taxation as the others are, but in addition are free from super-taxes and every other form of taxation, except the usual estate and inheritance taxes.

Notes of either kind can be changed for those of the other issue, at the wish of the buyer.

The notes of both series will be dated and bear interest from May 20, 1919, and will mature on May 20, 1923. Interest will be payable on December 15, 1919, and after that on June 15 and December 15, and at maturity. The dates upon which payments will be required on the notes are as follows:

Ten per cent with application on or before May 10.

Twenty per cent on July 15.

Twenty per cent on August 12.

Twenty per cent on September 9.

Twenty per cent on October 7.

Twenty per cent on November 11 with accrued interest on deferred installments.

Payments in full can be made on May 20, the ten per cent required with application having been duly paid on or before May 10. Payment can also be completed on any installment date with accrued interest.

This accrued interest is the money you refund the Government on account of the fact that it pays you interest on the full amount of your bond from May 20, whereas it does not have the full use of your money until you have paid the last installment. This amount is very little of course.

BERRYCRAFT makes an envied home

BERRY BROTHERS BERRYCRAFT is the wonderfully rich stain-finish for furniture and all interior woodwork, produced by Berry Brothers as the result of sixty years of experience.

You can take rubbed, defaced or marred furniture or woodwork, and with a little BERRYCRAFT and a few minutes' time give it a beauty and dignity that will make it a worthy adornment to your best room.

Or, if you like, you can use an entirely different shade of BERRYCRAFT and change the whole color scheme of a room.

BERRYCRAFT is a home beautifier and home economizer that every American household needs. You can get it in any size can you want—enough for a little furniture or for a whole interior.

We can supply you with BERRYCRAFT in any size package—come in today.

PANHANDLE LUMBER CO.

ALVIN C. THOMPSON, Manager

Meat Grows More Plentiful in South.

Some southern sections have ceased to import meat and other food products and now are not only able to feed themselves but are in a position to export these products from their farms. Cotton, of course, still has a prominent place in localities where the weevil is not too destructive, but diversified safe farming is becoming popular, according to reports from many county agents. The report of the agent in Sumter County, Fla., is an example. Recently this agent supervised the cooperative shipment of 23 cars of hogs on foot and 3 cars of butchered pork, and several cars of hogs have previously been shipped from other points in the county. He states that every fam-

lly has plenty of meat and lard at home.

The county agent in Orange County, Fla., reports that the live-stock men are planting more feed crops than ever before. One man who planted 10 acres of corn and 75 acres of cabbage last year is planting 85 acres to corn this year. The farmers of Orange County purchased 249 tons of nitrate of soda from the Government this year, with a saving of \$7,707.

The agent in De Soto County, Fla., reports that recently another Texas cattleman located in his community and purchased 15,000 acres of land and is now fencing it preparatory to bringing in a herd of cattle from Texas. To this he will add some of the best native cows and breed up for better beef.

Still Need for Farm Help.

Indications point to a shortage of farm help in many sections of Iowa this year. A survey by W. J. Guthrie, farm-help specialist, shows that 19 counties are already asking for 8 to 25 farm laborers, including married and unmarried men. Investigations begun about the middle of January and extending to the latter part of March show the prevailing wages for single men ranged from \$50 to \$60. One county reported the minimum at \$40 and three counties at \$45. The average wage for married men was found to be from \$50 to \$70. These figures were secured from county agents, bankers, farmers, and others in position to judge the subject.

"Spring Has Come"

Dear Mr. Car Owner:

The spring and summer motoring season is almost here. We presume that your car, whatever the make, has had little mechanical attention since last season.

You realize that it is an economy to have your motor car put in first-class condition once a year.

We are prepared to do the necessary work on your car and would like to do it now, if you please. You must realize the folly of delaying such work until you need the car daily. We can assure you a better job, too, if we can start it now before the rush of general business starts in the spring.

Won't you come in tomorrow, Mr. Car Owner, and let us discuss this proposal of ours? Your immediate attention will be appreciated.

Very truly yours,

The Ford Garage

Hercford, Texas

Nervous Breakdown!

When your nerves fail your whole body suffers—headaches, stomach disorders, sleepless nights, make you miserable indeed. The experience of Mrs. H. G. Redman, of New Haven, Conn., is a typical example. Read what she says:

"Months I suffered from extreme nervousness. My eyes were completely unseeing and I suffered the agonizing pains across stomach and chest. Doing light housework left me completely fatigued, and loss of sleep made nights long and tiresome. I began taking DR. MILES' NERVINE and the first night sleep came. I continued using the medicine and soon all unpleasant symptoms were gone."

Thousands of sufferers from nervous disorders have found relief in DR. MILES' NERVINE. This wonderful nerve tonic is non-alcoholic and contains no harmful or habit-forming drug. Your druggist can tell you its merits and effectiveness. Keep a bottle always on hand.

DR. MILES' NERVINE

REDEN TEA HONORING RETURNED "OVER SEAS" SOLDIERS

Wednesday April 16, at the home of Mr. and Mrs. C. C. Ferguson, Tri C class entertained a number of friends honoring the soldiers who have just returned from France. The evening was one of the most unique social occasions of the season and the beautiful lawn of the Ferguson home had been made to represent a garden and herein occurred the "Garden Tea." At about eight o'clock guests were invited to the lawn where they were passed to small table and each was given paper plate, knife, fork and spoon and were told to wait until orders came. At last came the word, "Forward march" and each they did until they were seated in front of a large table laden with good things to eat. They were served to sandwiches, salad, pickles, deviled eggs and coffee. Then the fun began for all were told to break bread and find for them selves seats at the small tables that had been placed on the lawn. At this time guests began to make themselves MOST COMFORTABLE. After the dinner had been enjoyed the utmost they were ushered to the house where they enjoyed many merry games of "42" and small cardboard chickens as well as cards. At a late hour the refreshments of ice cream and cake. Tiny little chickens were given as favors for the evening.

OCEANS OF WATER

Lieut. Robert Leon Sonfield of Houston, a former student of the University of Texas, was the first man to enter Berlin. After the signing of the armistice he was selected one of the four officers chosen from the Division for special work in Germany. Lieut. Sonfield's work in Germany is in connection with "The International Commission for the Repatriation of Russian Prisoners of War."

"THE PRICE OF PEACE"

BIG \$5,000,000 WAR FILM COST BILLIONS OF DOLLARS AND THOUSANDS OF LIVES TO PRODUCE

DESPERATE REALITIES OF FRONT LINE TRENCHES

ACTUAL GAS ATTACKS; ARMY RAILROADING UNDER FIRE; BATTLE BETWEEN AIRPLANES

"The Price of Peace," the greatest war film ever made will be shown here during the Victory Loan Campaign absolutely free of charge.

This picture would be worth \$5,000,000 to any movie company that could secure the rights to run it. But it can't be done. The film belongs to the United States Government. It was made by United States Signal Corps photographers and the actors were United States soldiers—only they were not acting; they were doing honest-to-goodness fighting. One of the photographers was killed while turning the crank of the camera. See this picture and you will understand where the Liberty Loan billions went.

SEE THE BOYS

See what actually happened to our soldier from the time he enlisted until he marched across the Rhine into Germany. Our boys landing in France; the desperate realities of the front line trenches, gas attacks, army railroading under fire, a portion of the tracks blown up by an exploding shell and the engineers ducking for shelter; the great attack at Chateau Thierry, infantry and artillery under heavy bombardment, a German airplane shot down, falling like a twirling leaf from the sky, observation balloons under fire, prisoners, and captured guns, our troops marching into Germany, General Pershing and his men in Prussia, Christmas Day with the Army of Occupation in Germany, and the homecoming.

A BIG THRILL

One of the big thrills of the picture is the scene where our boys go over the top into the wheatfields at 4:35 o'clock in the morning. The dim, misty light of dawn suddenly flares up with the angry red fires of war and gives the scene a peculiar and fascinating intensity. Every scene run off will stir you and thrill you as no other war story has done. It's all so real; it's the only official story of the war. When a doughboy crumples up and falls or is blown to bits you know he is not pretending. The scenes jar the nerves with their reality, and you will watch them breathless—fascinated.

FREE OF CHARGE

You will see free of charge a picture that has never been publicly shown. The film has been held back by the War Department until now, because it contains secrets of the war, and the Treasury Department has exclusive use of it for the Victory Liberty Loan campaign.

"The Price of Peace" will show you why you bought Liberty Bonds, and why you must buy more. It will show you that though the war is won, the work of the people at home is not done, and won't be until the price of peace is paid.

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Everole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me. . . . After 12 bottles, I am strong and well."

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

All Druggists

Rent Pastures at Record Prices.

Cattle pastures in Kansas this season were rented at new record prices, a few instances of \$20 a head a season having been recorded, and many contracts were made at from \$13 to \$18 a head, while none were obtainable below \$10, according to reports to the United States Department of Agriculture. Even at these prices pastures were sought early in the season by men who wanted to rent grazing land, but now the demand has eased up, as most of the desirable land has been leased and the owners find it necessary to skirmish for cattle to fill their remaining ranchmen in Texas are in better position this season to handle their cattle at home, but because of the prolonged drought in that State much grass was killed out, which means that for another season at least, cattlemen from Texas must seek pastures in Kansas and surrounding territory. It is expected that more than a normal number of cattle will be pastured in Kansas this season because of the numerous rains there and the large number of cattle wintered in Oklahoma, which will be shipped into Kansas. Most of the cattle usually go on grass soon after April 15 and many remain on pasture as late as October 15, although ordinarily most of them are marketed by October 1.

Extension Schools for Beekeepers.

The second of a series of extension schools for beekeepers was held recently at Ithaca, N. Y., by bee specialists of the United States Department of Agriculture. The first school was held in California. These more are to be held in April in Indiana, Iowa, and Minnesota, respectively. These schools, which continue for one week and consist of lectures on various phases of beekeeping, are designed especially for the commercial beekeeper rather than the man who keeps a few hives as a side line, the policy being to make better beekeepers rather than to increase the number of beekeepers. This, the specialists believe, is the best way to increase the Nation's supply of honey.

In New York State there were 12 county beekeepers' associations, and through the efforts of the extension specialists 15 more were organized. The school brought many of the members of these new associations together. At one session of the school those present were asked to give the number of colonies each owned, and the number of pounds of honey produced. Ninety-two reports showed an average of 111 colonies for each person, with a total of 672,542 pounds, an average of 6,058 pounds for each colony. The New York State Department of Agriculture cooperated with the Federal Government, and they were so pleased with the success of the school that they guaranteed an attendance of several hundred people if a similar school should be held next year.

Market Reports in Italian.

Caesar used to walk days to hear from the outposts of his empire, but today the descendants of his legions who plow the sunny fields near Hammond, La., get daily market news on their strawberries for places thousands of miles away. This news comes over wires and is issued in Italian, as well as in English, by the local office of the Bureau of Markets of the United States Department of Agriculture.

The daily reports on "fragole"—other wise strawberries—tell the grower what different cities are thinking about strawberries, what they are paying, and how many they have on hand. Thus New York City conditions are given:

"Domanda moderata—2 vagoni della Florida—Qualita' ordinaria—Della frutta e' acerba. Si vende da 35-45 cents il quart. Frutta buona arrivata in piccoli frigoriferi (pony) da 50-75 cents il quart."

Information from shipping points is also included in the report, such as the number of shipments and the prices paid to growers—all in Italian. On the other side of the single sheet report the same information is given in English.

Reports Beet-Sugar Crop of 1918-19.

The beet-sugar output of the United States for the 1918-19 season, which has just closed, was 764,867 short tons, or 1,529,734,000 pounds. This total is from the final reports made by the Bureau of Crop Estimates, United States Department of Agriculture, and is almost the same as last year (1917-18), when 765,297 tons were produced. The beet-sugar production of leading States in 1918-19 was: Colorado, 191,880 tons; Michigan, 132,092; California, 122,795; Utah, 105,794; Nebraska, 63,404; Idaho, 44,082; Ohio, 35,470; Wisconsin, 13,358; other States, 55,297 tons.

The beets from which this sugar was made, the crop grown in 1918, were harvested from 503,887 acres and amounted to 5,800,227 tons, valued at \$58,908,000. In 1917 there were 664,797 acres harvested, yielding 5,980,377 tons of beets, valued at \$44,192,200.

THE STATE OF TEXAS

In The District Court, Deaf Smith County, Texas, May Term, A. D. 1919.

To the Sheriff or any Constable of Deaf Smith County, Greeting:

YOU ARE HEREBY COMMANDED: That, by making publication of this Citation in some newspaper published in the County of Deaf Smith four weeks previous to the return day hereof, you summon A. J. Mercer, C. W. Mills, R. F. McCord, Benjamin F. McCord, Rosa F. McCord and Rose F. McCord, alleged to be the same person, and wife or formerly wife of Benjamin F. McCord, Alfred S. Lenthold and Hattie D. Lenthold, wife or formerly the wife of Alfred S. Lenthold, Elton Geary and Margaret Geary, wife or formerly the wife of Elton Geary, and the unknown heirs, their heirs and legal representatives, respectively, of the said A. J. Mercer, C. W. Mills, R. F. McCord, Benjamin F. McCord, Rosa F. McCord, Rose F. McCord, Alfred S. Lenthold, Hattie D. Lenthold, Elton Geary and Margaret Geary, deceased, whose residences are unknown, to be and appear before the District Court to be holden in and for the County of Deaf Smith at the Court House thereof in the City of Hereford, on the first Monday in May, A. D. 1919, the same being the 5th day of said month, then and there to answer the petition of W. Lacey Barnes, as plaintiff, filed in said court on the 7th day of April, A. D. 1919, against A. J. Mercer, C. W. Mills, R. F. McCord, Benjamin F. McCord, Rosa F. McCord, Rose F. McCord, Alfred S. Lenthold, Hattie D. Lenthold, Elton Geary and Margaret Geary, and the unknown heirs, their heirs and legal representatives respectively of the said A. J. Mercer, C. W. Mills, R. F. McCord, Benjamin F. McCord, Rosa F. McCord, Rose F. McCord, Alfred S. Lenthold, Hattie D. Lenthold, Elton Geary and Margaret Geary, deceased, as defendants, title and possession of said land, removal of clouds, etc.

Herein Fail Not, but have you then and there before said court this writ, with your return thereon, showing how you have executed the same.

Witness, A. O. Thompson, Clerk of the District Court of Deaf Smith County, Texas.

Given under my hand and seal of said Court in Hereford, this the 23rd day of April, A. D. 1919.

A. O. THOMPSON,
Clerk, District Court, Deaf Smith County, Texas.
By A. L. BIGGS, Deputy.

For Sale

Best Bargain in shallow water section in Deaf Smith county.

Have some dandy resident property for sale at the right price.

For lease, 320 acres, good improvements, farm all ready to step right into. With this there is 1800 acres of grass. Fine place for the right man.

IN MEMORY OF A NEPHEW OF MRS. W. G. DENT OF HEREFORD

Died at his home near Wildorado on January 22, 1919, after an illness of eleven days, Arthur Ernest Burns, age 22 years, of flu complications.

Mr. Burns was born in Oklahoma, where he lived eight years, and then came to Texas with his parents. They settled on the place where he died. Ernest Burns was a devoted son and husband. He was converted at an early age and lived the life of a Christian man, being a member of the Palo Duro Baptist church, from whose congregation he will be sorely missed, for his untiring, efficient efforts were constantly rendered to relieve the distressed and to uphold the good.

Owing to the severity of the weather at the time of his death services were postponed until March 16th, when a double service was held, including that for Mr. Burns' sister, Mrs. Esdee B. Pope, who died January 26th, at her parents home near Wildorado.

Mrs. Pope was also a victim of the flu. She was 25 years of age, and had lived the life of a devoted, Christian mother, wife and daughter. She left to mourn her, her husband, J. S. Pope, and three children, Jewell, Elsie and William. Mr. Burns left a wife, formerly Miss Haille C. Scott of McNair, Miss., to mourn with a grief-stricken father, mother, brother Daniel, and two sisters, Mrs. H. Oglesby and Miss Mollie Burns.

Funeral services were conducted by Rev. Robert Pride, pastor of the Baptist church at Bushland. The family were all sick with the flu and the weather was so cold that neighbors and friends could not get to them to administer the little touches of love so necessary at such hours.—Contributed.

Infertile Eggs Campaign Begins

While poultry in the North are still busy in the midst of hatching season, the infertile-egg campaign has been begun in Florida by poultry extension men of the United States Department of Agriculture, working in cooperation with State agricultural colleges. The southern campaign began with the close of the hatching season and will develop into a nation-wide movement. Just as soon as the last egg is required for incubation the rooster should be yarded apart from the hens or killed. Do not be careless about this, the specialists say, for eggs are hard to keep in hot weather and infertile eggs keep longer.

Peach Crop in Good Condition.

The condition about April 1 of the commercial peach crop was 84 per cent of normal compared to the final percentage last year of 52.4, according to the Bureau of Crop Estimates of the United States Department of Agriculture. No quantity estimates were given but the bureau, assuming that adverse conditions do not affect the crop later, said that the April 1 condition report indicates that the 1919 peach crop may possibly exceed the very light crop of 20,546,000 bushels in 1918 by as much as 40 per cent, and may equal, if not exceed, the 28,901,000-bushel crop of 1917. Conditions generally throughout the peach regions are excellent, says the bureau, but emphasis is placed on the temporary nature of early peach reports.

Sweet Potatoes is Second Vegetable.

The importance of sweet potatoes as a southern crop was emphasized at the sweet-potato conference held in Birmingham, Ala., recently, which was attended by representatives of the United States Department of Agriculture and horticulturists and pathologists from 13 Southern States. Had such a conference been called 10 or even 5 years ago, says one of the pathologists who attended the meeting, it is doubtful whether a quorum could have been mustered. But when it is considered that the value of the sweet potato has increased more than 80 per cent in the last 10 years, that it now ranks second in value among the vegetables in the United States, that the value of the 1917 crop reached the huge sum of \$90,000,000, and that of 1918 is estimated at almost \$117,000,000, it is not difficult to understand why so much interest is being taken in this crop. The lowly potato, so long accustomed to coming to market along with the farmers' surplus eggs and chickens and other such products, is now moving in solid carloads to the markets of the North, East and West. Only a few years ago sweet potatoes spent their winters in crude and primitive dirt banks in the open field, and under such storage conditions many of them decayed; but now they are stored in specially designated and constructed storage houses in which it is possible to regulate the temperature and ventilation in such a way that this formerly unstable and perishable product can be marketed with practically no loss at any season of the year. Every phase of planting, cultivating, harvesting, storing, and marketing this crop was discussed at the conference.

TWO CHILDREN DEAD AS RESULT OF EXPLOSION

As a result of a gasoline explosion the two children of J. S. McCormack of the Nazareth Community are dead. The accident occurred Tuesday April 15, when the oldest child, a little girl of twelve, attempted to start a fire in the stove. It seems the oil can had been filled with gasoline, through mistake, and the little girl not knowing of the change poured gasoline on the fire.

It was only a few seconds until the house was in flames. Both the father and mother were nearby, but their attempts to save the children were fruitless. The baby a seven months old girl, was burned to death and was later found on the bed, in a sitting position, burned to a crisp. The older child escaped but was seriously burned.

Parents hurried the child to Tulsa and then to Amarillo for medical aid, but on account of the seriousness of her burns she passed away at St. Anthony's hospital at one o'clock Wednesday.

The body was shipped back to the home of her parents and funeral services were held there Thursday afternoon, conducted by the Rev. Father Conrad.

At both sessions of the Summer School of the University of Texas, courses in physical training will be offered. A play hour from 7:15 to 8:15 every Thursday will be a new feature for summer students. The purpose of the course is to give recreation to the students and to train teachers to give a suitable program to their pupils.

Circle Number Two

Circle number two of the B. W. M. W. met Wednesday April 16, at the home of Mrs. Geo. Karr with Mrs. Frank Lambert as leader. Mrs. Carl Mountz was our guest of the afternoon. Our leader had selected a very interesting subject and it was discussed with much interest. Mrs. G. M. Suggs then offered prayer. Mrs. Carl Mountz favored us with a special song entitled "Hath Thine Own Way". Mrs. G. M. Suggs dismissed us with prayer. After which our hostess served delicious refreshments.

Mrs. C. C. Ferguson entertained a few friends on April 14, from 3 to 5 o'clock in honor of Mrs. Ben Allen of Tulsa, Texas, who is visiting her parents Mr. and Mrs. F. H. Oberthier and Mrs. Joe Collins of Frederick, Okla., who is also visiting friends and relatives here.

Different games were enjoyed during the afternoon and in keeping with the Easter Season cards cut in the shape of small chickens were used as score cards. Delicious refreshments of ice cream and angel food cake were served to about twenty-five guests. Beautiful bunches of violets were used as favors.

The filling over the city sewer line in the alley east of the Hereford Garage caved in last Thursday, owing to continued wet weather. It so happened that the team and dray of the Bryant Dray Co., was standing right over the treacherous spot at the time. As a result one horse almost disappeared, and quite a lot of excitement ensued while a rescue party was organized.

Mrs. Eva Stanifer enjoyed a family reunion of all her children last week. One of her sons, Melvin, has just returned from France and the other members of the family have come to help celebrate his home coming. The other members are Mrs. O. H. May of Knoxville, Tenn., Mrs. J. D. Benham of Brownwood, Texas, Albert Stanifer of Burkburnett, Texas, and Mrs. H. V. Wright of this city.

Fake and Fad Alfalfa Products.

Alfalfa has been advertised so extensively that "make-money-easy" concerns are trying to capitalize on this crop by selling fake and fad products as well as worthless stock in the companies reported to produce them. As a rule, the best which can be said about many of these alfalfa products, such as alfalfa flour, alfalfa sirup, alfalfa candy, alfalfa breakfast food, and, as one circular states, "everything except shoe blacking and toothpicks," is that they are harmless. But they are involved in stock-jobbing propositions which without question will result in loss of money to individuals who succumb to the lure of these get-rich-quick schemes. The United States Department of Agriculture has a high regard for alfalfa as a forage, but the department specialists brand as fads and fakes the medicines and so-called human food articles which are supposed to be made from it.

CIRCLE NUMBER TWO

More Boys Than Girls in Bread Making

Bread clubs conducted by the extension specialists of the United States Department of Agriculture and the State agriculture colleges, in Massachusetts as well as in very other States, are popular projects for boys as well as girls. From the number enrolled in these clubs apparently the young people realize how necessary good bread is for health and enjoyment. Last year 18,583 young people in the boys' and girls' clubs learned the art of making bread. At Salem, Mass., 78 applied for membership in the bread-making club, and, strange as it may seem, more boys than girls applied. As a consequence two classes are being conducted for the boys and one for the girls. Sixty hours of work, with a written report and an exhibit at the end of the contest, which closes April 15, are required. Besides bread making the boys and girls are taught all kinds of household tasks which can be properly done by boys and girls from 10 to 18. Every member of the club who completes the course satisfactory will receive a club achievement pin.

Earthen Jars, Egg Banks.

Resurrect the old earthen jar from the cellar. Filled with waterglass it possesses magic akin to Aladdin's wonderful lamp. Eggs put in it now can be taken out next fall and winter when high prices return, and it is not unlikely they will double in price in that time. Farmers and poultrymen, especially city dwellers who keep poultry are being urged by poultry specialists of the United States Department of Agriculture to preserve eggs in waterglass solution this spring and early

summer when they are relatively cheap for use during the fall and winter when they are relatively scarce and high price. This plan is meeting with real and widespread response, as has been shown by demands for information to how to preserve eggs, and by reports received from druggists who have no marked increase in their sales waterglass. Poultry specialists say that there will be a great increase in the number of eggs preserved this season as compared to former years. It is of benefit to the producer and to the consumer alike. It benefits the producer because it stimulates the consumption of eggs which usually fall off during the period of highest price and it benefits the consumer by making it possible for him to have good wholesome eggs for liberal use during the season of high prices. One effective means employed by the poultry specialists to encourage the preserving of eggs has been to demonstrate the process, the specialists and demonstration agents giving demonstrations in homes and department stores in many States.

An advanced course in Educational Administration will be offered in the Business Administration Department in the Summer School of the University of Texas by Dean Burris, L. D., of the college for teachers of the University of Cincinnati.

The University of Texas baseball team will meet the Chicago White Sox on Clark Field on April 7. On Monday, March 31, the Longhorns will meet the Northwestern squad on Clark Field to be followed by a game Georgetown Wednesday.

Norton Bros.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Deaf Smith County—Greeting:

YOU ARE HEREBY COMMANDED. That you summon by making Publication of this Citation in some newspaper published in the County of Deaf Smith if there be a newspaper published therein, but if not, then in any newspaper published in the 60th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 60th judicial district, for four weeks previous to the return day hereof, C. I. Fowelson whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Deaf Smith at the Court House thereof, in Hereford 5th day of May, A. D. 1919, then and there to answer a Petition filed in said Court, on the 5th day of April A. D. 1919, in a suit numbered on the docket of said Court No. 1181, wherein W. B. Arnold is plaintiff and C. I. Fowelson, Allen Fowelson and D. C. Laird are defendants. The nature of the plaintiffs being as follows, to-wit: Suit on notes and foreclosure of vendor's lien, to-wit: That C. I. Fowelson and Allen Fowelson on April 7th, 1916, executed to D. C. Laird 4 notes for \$400, each with 8 per cent interest from date and 10 per cent thereafter and 10 per cent attorney's fees; said notes being given as part payment for 100 feet of the E. side of lot 4 in Block 3, Womble's addition to Hereford in Deaf Smith County, Texas; that the first of said notes has been paid; that said D. C. Laird has endorsed said notes to plaintiff and he is now the owner thereof; the three remaining notes are unpaid. Judgment is asked for the principal, interest and attorney's fees on said notes, costs and a foreclosure of the vendor's lien on the property above described.

HEREIN FAIL NOT. And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Hereford this 5th day of April A. D. 1919.

A. O. THOMPSON,
Clerk District Court Deaf Smith County, Texas.

By A. L. BIGGS, Deputy.

The Home Life

It means that you have a stake in the community, and the community interests are yours. In olden times, few but the wealthy had real homes, and these homes were really castles or fortresses to protect them from the violence of enemies. With the advent of Law this was changed, and the home became more universal. Now, the man without a home is the exception.

Beekkeepers at Extension School.

The fourth of the series of extension schools for beekkeepers was held at Ames, Iowa, April 14 to 19. As at the other schools held in California, Colorado, and New York State, the course was designed to interest commercial beekkeepers. Fundamentals of bee be-

havior, during different seasons of the year were discussed by Dr. E. F. Phillips and G. S. Demuth, of the Federal department, and other subjects of interest to commercial beekkeepers were treated by State college officials and leaders in honey producers' associations.

STATIONERY!—best printing at living prices. THE BRAND.

CHURCH NOTES

Methodist Church.

Rev. J. Winfred Hunt, the field man of the Centenary Campaign in North West Texas will speak in Amarillo next Sunday morning and then come to Hereford for the afternoon and evening hours. Rev. Hunt is a "Live wire" sure enough. Come and hear him at the Methodist church 4:30 p. m.

Usual services Sunday morning Sunday school 9:45 and preaching at 11 a. m. The three minute speech will be a "Live Number." Every body come.

W. H. TERRY, Pastor.

Presbyterian Church.

Sunday school 9:45. Preaching 11 a. m. Junior and Intermediate Endeavors 3:30 p. m. Christian Endeavors 6:45. The union services will be at the First Christian church at 8 p. m. W. M. BAKER, Pastor.

Go and hear Hunt Sunday.

Baptist Church.

Regular services at the Baptist church Sunday morning. Sunday school 9:45, preaching 11 a. m. We will have no services in the evening. J. E. McClurkin, Pastor.

First Christian Church.

Bible school begins at 9:45 sharp. We are glad that our teachers are coming regular and on time.

Mr. Asbell will preach at 10:45 and the young folks will have their Christian Endeavor meeting at 7:00. Mr. Claude Ricketts will be the leader. He has just returned from the Camp and has found his accustomed place in the church awaiting him! Let all the young people be present, and have a fine meeting.

In the evening there is a treat awaiting the entire community—Prof. Myers and his wife, who have been doing efficient work in the music line, will come from Amarillo, with the Church choir that he has trained, and put on a SACRED CONCERT. This musical is under the auspices of the Hereford Music Club. The other churches are invited to be present and to enjoy the musical treat. J. M. ASBELL, Pastor.

C. E. Program for April 2.

Topic—Christinity and Toilers of America.

Leaders—Missionary Comm. Scripture—Leaders.

Song and prayer service

What can be done to promote christian relations between employers and employees?—Lois Cobb.

The Men of the lumber camps—Viola Nunn.

Special music—Frankie Mae Baker and Mae Womack.

How can christians better the home life of the toilers?—Audrey Carroll.

Information—Loyal McDuff.

Song

Leader's talk

The Men in the Mines—Roy Nunn.

Business

C. E. Benediction.

Come on folks and join us! You don't know what you are missing. Last Friday night we were all invited to the Christian church with the other young people of the town to enjoy a social time "in honor of our boys."

After several games a real old fashioned candy pull took place. It was a grand success as shown by the happy faces of every one present. Thank you, Christian Endeavorers, we hope to come again.

Now that more of our boys are coming home, we are having larger crowds and more interest and enthusiasm.

Come to the Presbyterian church some Sunday evening about 7 o'clock to our C. E. and see if you don't want to come again.

Go and hear Hunt Sunday.

Methodist Missionary Society.

The ladies of the Methodist Missionary society will meet at their regular hour Wednesday April 30, 1919. However we will not have a regular program but Mesdames Ashbrook and Stegall who have returned from the Missionary Conference at Lubbock will give a report of their trip. All ladies of the Missionary society are urged to be present and all other are invited to attend this meeting.

This is the way poultry extension workers of the United States Department of Agriculture helped a Butler of the White Leghorn breed, and there are no unprofitable layers among them; flock of 250 birds. From the sale of all slackers being culled out. This year chickens and eggs he received \$1,489.50 this enthusiastic poultry raiser intends to co-operate still further with the extension workers, and his poultry plant to be used as a demonstration farm.

Will be given Wednesday night April 30 in the Bogard building. Proceeds to be used for purchasing furniture for the Yeoman Hall.

The general public is invited. Ladies requested to bring boxes. A prize will be given for the most beautiful box. 13-11-pd

On Saturday, May 3rd, the Northwest Texas Auctioneers' Association will hold their semi-annual meeting in Hereford. W. S. Williams, our local Auctioneer, will have charge of the reception, business meetings will be held at the Courthouse, and lunch will be had together down town.

The local citizens should aid in entertaining the visitors and making their stay among us pleasant and profitable. It is probable that an irrigation well will be pumped for the benefit of the visitors.

We have just received a new shipment of fresh toasted Marshmallows. Hereford Produce Co.

A NEW ENTERPRISE

The people of this community will be glad to learn that it is no longer necessary for them to send their silks, furs, kid gloves and delicate draperies and curtains out of town in order to get them cleaned, new and modern machinery having been installed for that purpose.

These goods will be properly washed in gasoline in a power washer, then thoroughly dried in a steam dryer, this taking out all the gasoline and all gasoline smell. Then they will be ironed on a steam press and returned to you looking and feeling like new.

They will never be hung out doors to accumulate dirt and germs.

This equipment has been installed by the Hereford Steam Laundry and is in charge of a competent tailor, Mr. Frank Caffrey, phone 246.

Go and hear Hunt Sunday.

The Howler kitchen cabinet is the most convenient as well as the greatest labor saving article in the home. On many terms. 10-47 E. B. BLACK CO.

THE HEART OF HUMANITY.

"The Heart of Humanity," which is to be presented at the Star theatre on May 2 and 3, with Dorothy Phillips in the feature role, is an eight-reel Allen Holubar production which brings to the screen the inspiring story of woman's efforts to alleviate the sufferings of the wounded and orphaned and homeless during the days when France and Belgium were scarred and seared by sword and torch, and pounded and rocked by great German guns. It depicts the tenderness of the motherheart in its conflict with the horrors of war. It pays a deserved tribute to womanhood as expressed in the Red Cross nurse. It presents a side of the war which we have been too prone to overlook.

The story of "The Heart of Humanity" was written by Olga Scholl and Allen Holubar, adapted for the screen by Mr. Holubar and produced by him. It deals with the romance of Nanette, the little ward of Father Michael, parish priest of a community in the Canadian Northwest. While the parishioners are celebrating the marriage of Nanette and John, the oldest and bravest of the Widow Patricia's five sons, news comes of the declaration of war by Germany.

John answers his call to the colors, and, with three of his brothers, enlists in the Canadian Expeditionary Forces. Eventually the fifth boy goes. John's letters to Nanette describe the sufferings endured by French and Belgian children so vividly that the mother-heart in Nanette is awakened and she determines to go abroad as a Red Cross nurse.

On the war-torn fields of Flanders the little wife meets her husband but once, after which she is captured by the Germans. They are reunited, however, after a series of thrilling scenes, which vividly portray the final halting of the great German drive and then the counter-attack which sent the Prussian hordes fleeing for refuge to their own border.

Through the entire production there runs a thread of heart interest that makes "The Heart of Humanity" the most absorbing love story of the great war yet filmed. The cast in support of Miss Phillips includes such well known screen favorites as William Stowell, Pat O'Malley, Robert Anderson, Margaret Mann, Walt Whitman, George Braidwood, George Hackathorn and Gloria Loy.

We save you money on dishes Skelton.

Go and hear Hunt Sunday.

BURNED OUT.

I am just around the corner, located in the office with Mr. Ashbrook. The burning of my office again demonstrated to me the importance of Insurance. I carried Insurance.

All the Insurance in this fire was written in my Agency, and will be paid promptly in full. If you want nothing but the best, see me. Its the only kind I sell.

I shall be mighty glad to see you at my new office.
