CHANGES IN MINISTERS ANNOUNCED

METHODIST AND BAPTIST PULPITS FILLED BY NEWCOMERS

ONE MAN CHOSEN

Rev. Beavers of Canadian is New Methodist Leader. Other not Named

Changes in the pastorates of both the Baptist and Methodist churches of Hereford take place this week. Rev. W. H. Terry, of the Methodist church, has been assigned to the Methodist church of Canadian, and the Rev. M. M. Beavers, of Canadian, has been switched to the Hereford charge. Rev. Beavers will preach his first sermon here next Sunday.

Rev. J. E. McClurkin, of the First Baptist church, recently resigned his position here and has accepted a call to the Baptist church of Kingfisher, Oklahoma. He will preach his farewell sermon on Sunday. No announcement has yet been made by the local Baptists as to the identity of Rev. McClurkin's successor.

Both of these gentlemen have been in Hereford about four years, and both have been prominently identified with the religious, social and civic development of the community during that time. To Rev. Terry falls the credit for erecting the fine new church now nearly completed. Rev. McClurkin has added over 200 members to his congregation during his incumbency. Both pastors show a healthy condition of affairs in their flocks as legacies to their successors.

The people of Hereford regret to lose the services of both these estimable Christian gentlemen, and commend them to their new congregations with every good wish for their health, happiness and material prosperity.

FERTSCH HAS LEG "BROKEN WATCHING FOOTBALL GAME

School Superintendent L. M. Fertsch suffered a very unusual and very painful injury on Friday of last week, while witnessing the football game between his High School squad and the Farwell eleven, at Farwell.

Mr. Fertsch, who has actively coached and led his team in person, was standing on the sidelines earnestly "pulling" for victory for his boys. Hereford was in the lead, with only three minutes left to play, and victory seemed certain. In his anxiety he apparently crowded in too close to the line, standing in a small ditch. The Farwell team made an end run toward him, and Baker Womble made a flying tackle to stop the runner. Baker was thrown off by the force of the collision and swept against Mr. Fertsch's right leg, fracturing both bones above the ankle and severely straining the muscles and ligaments of the injured member.

The break was set at Farwell and the sufferer brought back home on Saturday morning's train. Mr. Fertsch has been in great pain for several days, but on Thursday was reported to be slowly improving and freer from pain than at any time since the accident. It will be several weeks before he can hope to be about.

The unfortunate affair so unnerved the Hereford boys that they lost interest in the game and Farwell forced over two touchdowns before the whistle blew. The suddenness of the accident threw the Hereford squad completely off their balance. The boys are very sorrowful over the affair, and have manifested their concern by repeated visits to the home of their Superintendent.

SHERMAN DOPE ON WAR CORRECT, IS ARGO'S VERDICT

John Irie Argo, brother of Mrs. Alex O. Thompson, arrived Wednesday morning, after an absence of three and a half years. Irie was one of the first from this County to enlist after war was declared. He served 21 months with the famous Second Division and was fortunate enough to participate in all the activities of this division and come out alive. He says that Hereford and the Plains is the place for him and that war is what Sherman said it was.

ECHOES FROM THE FAIR

C. P. Johnson "Snubbin' down" a bad 'un.

Note: Cash premium awards for prizes won at The Fair will be mailed out this week. Owing to confusion in some departments, and the great number of details to be worked out this matter has been delayed. All winners of cash premiums will receive checks for the proper amounts within the next few days.

The work of cleaning up after the Hereford Fair has been in progress since the sixteenth. Exhibits in the agricultural department that were not called for were taken to the rooms of the Chamber of Commerce, where the perishable exhibits have been disposed of and arrangements made to create a permanent exhibit from the cereals and grains.

In this connection, an appeal is specially good raised in this community for specimens of anything worthy to be placed in this permanent exhibit at the rooms of the Chamber. If by the design of the directors to build a suitable case to preserve the speci-

mens, and display jars for fruit and kindred exhibits have been ordered. Each contribution so received will be properly labeled, giving credit to the person bringing it in, and will be carefully taken care of.

It seems to be the unanimous sentiment that the Fair has now reached the stage of development where a permanent Fair Association should be organized to handle it. "What is nobody's business is everybody's business," and the time when a handful of men must do all the thinking, planning, solicitation and work has passed. The Hereford Fair should take its place among the best sectional Fairs of the southwest, and this can only be done through proper organization.

Steps to this end are said to be in course of development, and will be announced in the near future.

AMENDMENT BIG ISSUE TO DECIDE

CITY TAX AMENDMENT IS ALSO OF VITAL INTEREST HERE

COX IS GAINING

Whirlwind Campaign by Cox is Beginning to Worry Republicans

On Tuesday next the voters of the nation will determine the question of whether or not a Democratic administration shall continue in power for another four years or whether the Republicans shall prevail.

While many issues have been raised in the campaign, the only real issue at stake is the question of Uncle Sam's participation in the League of Nations. Two months ago it was practically conceded on all sides that the Republicans would be victorious. At this writing, press reports indicate that Governor Cox's remarkable fighting campaign has turned the tide in his favor and that the results Tuesday will most certainly be doubtful. Both sides are claiming victory, and it is believed that a tremendous vote will be polled.

In Texas the result was, of course, determined in the primaries. However, there are some vital constitutional amendments on the tickets next Tuesday, the success or failure of which mean much to the state. The outstanding feature is the school amendment, whereby rural communities, if the amendment carries, may have the right to determine for themselves how much they wish to spend for the education of their children.

The recent crisis in school matters, due to lack of funds for proper teaching, was temporarily met by the recent called session of the legislature, when money was voted to tide the schools over the present trouble. This amendment is designed to make a permanent improvement in conditions. Should the voters fail to O. K. this amendment, it is certain that no legislature would ever have the temerity to vote additional funds for school work, and the school children of the future will be denied the privileges that are rightfully theirs.

It is inconceivable that the sovereign voters of Texas will defeat this amendment. The Brand has an abiding faith in the sound judgment of the people as a whole, and confidently awaits the result.

Another amendment concerns the right of a city of five thousand population or less to raise the present tax rate of sixty-five cent on the one hundred dollars for civic improvement. Should this amendment carry no property owner outside the corporate limits of such a city would be taxed one cent. And the people in such a small city would determine by their own votes how much they desired to spend. Hereford's civic development—more paving, more lights, more sewerage, better streets, etc., is vitally concerned with the carrying of this amendment.

The Brand is Democratic to the core—we will vote for Cox and Roosevelt and the League of Nations, and for the amendments on the ticket. If all our readers cannot agree with us, then let each vote his or her honest sentiments—and then all return to normal pursuits, good friends still.

Hereford, England, is Interested in Hereford, Texas; Sends Greetings

Several weeks ago The Brand published a story about a letter received by Mayor Knight from a resident of Hereford, England, asking about the origin of Hereford, Texas, its history, etc.

Thursday The Brand received the following letter from Lowrie Cholerton, Managing Editor of the Hereford Journal and the Hereford Mercury, both papers published in Hereford, England:

"I am enclosing you copies of the two papers printed in this office in one of which you will notice a reference to the 'Hereford Brand'.

"I should be greatly obliged if you would reciprocate by sending a copy or copies of your paper in order that we could talk about them and exhibit them in our office window. It might be to your advantage, as several manufacturers here are anxious to do business abroad, and advertisements might result.

"Anything of interest that you could send me, pictures, etc., I should appreciate, and I will send you some pictures in return."

The Brand will most certainly be sent to our English friends, and the Chamber of Commerce is arranging to send full information about this country, including photographs. Among the latter will be a set of the pictures made of the recent Roundup, which will undoubtedly be of unusual interest to Englishmen.

Copies of the two English papers will be on display at the Chamber of Commerce rooms. They look odd to an American newspaper man, as their language and general get-up is totally different from the papers in this country. Both papers carry an advertisement of "Bottled Beer, in Perfect Condition," and with each subscription furnish the new subscriber with a paid Accident Insurance policy. The Journal was established in 1714 and the Mercury in 1770.

Those of our citizens who desire to see these papers should call at the Chamber of Commerce rooms. The Mercury contained the following story

about the correspondence regarding the two Herefords:

"It will be new to most people that in Texas, U. S. A., there is a new and enterprising town named Hereford, capital of Deaf Smith County, and that it is named, not after old Hereford in England, but after the famous county breed of cattle.

"Through the efforts and interest of Mr. Geoffrey Mander, prospective Liberal candidate for North Herefordshire, greetings are being exchanged between Old and New Hereford.

"The matter was discussed at the meeting of the Hereford Chamber of Commerce on Monday night. It arose from the reading of a letter from the Mayor of Hereford (Mr. A. D. Steel), enclosing correspondence which he had received from Mr. Geoffrey Mander relative to the Hereford in Texas, U. S. A. The Mayor wrote: 'It appears to me to be a matter with which the Chamber of Commerce are best fitted to deal, and I should be obliged if you will bring it before them to take any action they see fit, and return the enclosures to Mr. Mander in due course.'

Another Mayor of Hereford
Mr. Mander's letter to the Mayor was as follows: 'As one who is interested in the links between towns of the same name in the new and old world, I have recently been in correspondence with the Mayor of Hereford, Texas, U. S. A., and I think the information given in the accompanying letters and pamphlet cannot fail to be of considerable interest to the inhabitants of your City and the County generally. Please make any use you like of them, though I shall be glad to have them back. In view of the shopping week recently adopted, the efforts at propaganda of your sister city are interesting.'

Letter from Texas
One of the enclosures was a letter from the Mayor of Hereford, Texas, U. S. A. (Mr. W. M. Knight) to Mr. Mander, stating that he was enquiring about the circumstances under which Hereford, Texas, took its name. He enclosed a copy of a little "write-up" (guide book) published in "Hereford Brand," the local paper,

STAR THEATRE IS GIVING MATINEE FREE TO FAMERS

The Star Theatre management announces that, beginning next Saturday, October 30, a series of ten matinees will be held, one each consecutive Saturday, for the farmers of the community and their families. Special pictures will be provided for these occasions. Ten local merchants have agreed to finance the plan, and will issue free tickets in accordance with plans to be formulated by them.

THREE STUDENTS FROM COUNTY IN CANYON NORMAL

President J. A. Hill, of the West Texas State Normal College, Canyon, advises The Brand this week that the following students from Deaf Smith county are attending the Normal this term: Miss Mabel Irene Barnhart, Louie Leroy LeGrand, and Miss Bessie Alabel Walker.

Sulphur Park May be Made Into Playground If Big Deal Develops

Judge L. Gough, owner of the famous Sulphur Park, east of Hereford, is working on a plan to make a club proposition out of the property.

The plan is to organize a stock company with 400 shares at \$250 per share, to take over two sections of the property, including the creek attractions, trees, spring, pools, etc. It is estimated that it will take about \$80,000 to pay for the land, leaving \$20,000 for improvements. The club could then reserve the fishing, camping, boating, bathing and hunting privileges to its members.

Judge Gough states that hundreds of tourists come to Sulphur Park every summer and camp there for days at a time. There is no better known resort in the entire Panhandle. Recently Judge Gough made visits to Amarillo, Clovis and other nearby points, where enthusiasm for the project developed and financial aid in plenty was promised.

Last Monday Judge Gough presented the proposition to the Chamber of Commerce meeting, where it was endorsed. Several pledges of stock in the enterprise was made at this meeting.

Judge Gough is preparing to make active canvass of the entire Panhandle country in the interests of his venture and hopes to be able to close up the financial end of it within two or three months.

FOOTBALL GAMES SCHEDULED BOTH OCT. 29 AND 30

Two football games will be played in Hereford this week. On Friday afternoon the High School squad will entertain the bunch from Tulla High, and on Saturday afternoon the Town huskies take on the Vega team. Both games will be played on the high school grounds.

The absence of Superintendent Fertsch has been severely felt by the school boys, but they are going into the game Friday to win for him if it is humanly possible.

The town team recently played a tie game at Vega, and realize they have a battle on their hands, especially in view of the fact that half back McLean, and possibly Captain Elliott may not be able to get into the fracas. They are firm in their determination, however, to wipe out the tie game and show that their splendid game against the Normal was not a fluke.

NEW REAL ESTATE FIRM OPENS HERE; EXPERIENCED MEN

The Penn Land Company is a new business institution opened up here during the present week. The office is over the First National Bank building, in the rooms formerly held by Shore & Hill.

The firm is composed of John C. Penn, John C. Penn, Jr., and William J. Penn, all men of large experience in real estate and oil activities. They recently discontinued business at Houston, and have also been actively connected with the oil game at Fort Worth and elsewhere.

These gentlemen come to Hereford highly recommended as energetic land men and progressive citizens generally, and The Brand extends to them a cordial welcome.

R. H. WOMACK'S BROTHER KILLED IN ENGINE WRECK

John Womack, of Fort Worth, a brother of R. H. Womack, of Hereford, was fatally injured last Saturday when the crown-shield of a Rock Island switch engine blew off as the engine was crossing a bridge near Fort Worth. Mr. Womack died the following day. A switchman was instantly killed in the unfortunate accident and several other men hurt besides Mr. Womack.

Deceased was one of the oldest employees of the Rock Island at Fort Worth and was an engineer of long and tried experience. Mr. R. H. Womack is receiving the condolences of his many friends in his sad bereavement.

Election Returns Will Be Shown in Detail at Star Theatre Tuesday

Detailed telegraphic returns of the election next Tuesday will be shown on the window at the Star Theatre

after the close of the polls, at seven o'clock.

Arrangements to this end have just been completed by Manager Johnson of The Star. The business interests and individuals of the city have chipped in to a fund raised by Mr. Johnson, which will be used in securing a competent operator, in cutting a special Western Union wire into the Theatre building, and incidental expenses of securing the service.

Every election bulletin that is put out Tuesday night, up to midnight, will be received at once at The Star and reproduced upon the window. Manager Johnson extends an invitation for all to come down town Tuesday night and watch the returns.

KIMMONS TO TALK ON LEAGUE OF NATIONS SATURDAY

J. M. Kimmons, a resident of the Progressive community, will address the voters of this community at the Courthouse, beginning at 7:30 p. m., next Saturday night, October 30. The subject of the address will be the League of Nations and its relation to the coming election on Tuesday of next week.

Mr. Kimmons has an article in this issue of The Brand, on page 3.

FORD AND CHEVRO- LET HAVE HEAD-ON COLLISION MONDAY

A Ford driven by L. G. Wilhoit, of Clovis, and a Chevrolet driven by W. A. Parr staged a head-on collision in front of the First National Bank Monday with plenty of damage to both cars. Mr. Wilhoit, enroute to Oklahoma, had his wife and baby with him. Fortunately, none was hurt in the smashup. The Ford smashed into the side of the Chevrolet, tearing up the running board and steering gear, while the Ford was nearly demolished. Glass was scattered for yards around.

SWINE SALE AND CONVENTION WILL BE HELD IN JAN.

The Panhandle Swine Breeders Association this week announced that the next annual meeting will be held at Lubbock, January 12 and 13. A bred sow sale will be held in connection with the meeting. Col. E. F. Hibbs, of Oklahoma City will conduct the sale. It is believed this will be the largest and most successful meeting of this thriving association yet held.

SCHOOL AMENDMENT

By Rev. George W. Truett, Pastor of the First Baptist Church, Dallas, Texas.

It is the duty, as it should also be the joy of every citizen of Texas, to be always vitally interested in the educational welfare of all the youth of the State. This is a constructive task of such far reaching moment as to call for the practical co-operation, not only of the teachers and trustees directing our schools, but also of every other citizen, and on the biggest grounds of patriotism.

Texas, a few years hence, will be just what the boys and girls of today shall determine. And the Texas schools of today will largely determine the Texas citizenship of tomorrow.

One of the chiefest institutions in our American civilization is the public school, established by the public law of the State, supported by the public expense, and directed by the State. This is not an eleemosynary institution, created outside of the State, but is itself a part of our civil order as truly as are our courts and Legislature.

At the coming State election, Nov. 2, the voters of Texas will pass upon an amendment to the State Constitution authorizing all school districts in Texas to vote such local support to their public schools as may be deemed necessary by the citizens of each local school district. The amendment does not place any added tax burden upon the State, nor upon any local community, except as such community may elect to take advantage of the school privileges authorized by the amendment. In other words, the amendment simply confers upon the citizens of any local school district the privilege of imposing upon themselves such taxes as they may deem necessary for their own school, just as now obtains in the cities and larger towns of the State.

The passage of this amendment, is, in my judgment, of large moment to the best interests of all the people. The most grievous wastes are the wastes of ignorance. The sure foundations of states are laid, not in ignorance, but in knowledge. In a government of the people, for the people and by the people, the people are the rulers, all the people, and it is indispensable that they all shall be trained and informed.

The necessity for such amendment becomes still more manifest when it is remembered that the majority of the children of Texas now live in the country. It is of measureless and acutely pressing importance that adequate educational provision be made for all these children. They constitute the State's most valuable asset and also her most challenging responsibility. It will be a tragedy distinctly reprehensible if we shall be careless in making worthy provision for our youth. It will also be a similar tragedy if we do not promptly provide better salaries for the teachers of our young people. Every dictate of duty, of wisdom, of patriotism, calls now for the best attention of Texas citizenship of these great matters.

TO THE SHERIFF OF DEAF SMITH COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to summon any person or persons interested in the lands hereinafter described, by making publication of this notice once each week for at least three weeks previous to the return day hereof, in some newspaper published in the English Language in your County, to appear at the next regular term of the Commissioners Court of Deaf Smith County, Texas, to be holden at the Court House thereof in Hereford on the 8th day of Nov. A. D. 1920, then and there to protest if desired against such action as is requested in the following petition:

To the Hon. Commissioners Court of Deaf Smith County, Texas:

Comes now the undersigned and represents to the Court that they are the sole owners of Lots 23 to 64 inclusive, of Block 8, and Lots 23 to 64 inclusive, of Block 9 of Higgins Subdivision of Blocks 8 and 9 of Wombles Add. to the town of Hereford, Deaf Smith County, Texas; that there is a street lying directly North of Lots 23 to 43 of Block 8; Also a street lying directly North of Lots 23 to 43, and also a street lying directly North of Lots 44 to 64 of said

Block 9; that said lots and blocks were intended, when platted, to be used for townsite purposes.

Your petitioners would ask permission to cancel said subdivision as above described so as to throw said lands back into acreage tracts as it existed before such plat and subdivision was made; that you cause notice to be given of this application by publishing such application in some newspaper published in the English Language in Deaf Smith County, for at least three weeks prior to the next regular term of this Court, when this application will be heard and action taken thereon; that an order be made at that time to cancel said subdivision as above mentioned so as to throw said land back into acreage tracts as it existed before such subdivision was made.

Geo. E. Burns; W. S. Higgins, Administrator of the Estate of Mary A. Higgins, deceased.

HEREIN FAIL NOT, but have be-

fore said Court, at its aforesaid next regular term, this notice, with your return thereon, showing how you have executed the same.

WITNESS, A. O. THOMPSON, Clerk of the County Court of Deaf Smith County.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Hereford this the 12th day of October, A. D. 1920.

THE STATE OF TEXAS

TO THE SHERIFF OF DEAF SMITH COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to summon any person or persons interested in the lands hereinafter described, by making publication of this notice once each week for at least three weeks previous to the return day hereof, in some newspaper published

in the English Language in your County, to appear at the next regular term of the Commissioners Court of Deaf Smith County, Texas, to be holden at the Court House thereof in Hereford on the 8th day of Nov. 1920, then and there to protest if desired against such action as is requested in the following petition:

To the Hon. Commissioners Court of Deaf Smith County, Texas:

Comes now the undersigned and represents to the Court that on the 21st day of January, 1903, the Western Union Land Company filed in the Deed Records of Deaf Smith County, Texas, in Vol. 12, page 638, a plat of Survey No. 59, Abstr. 357, W. W. & S. Cert. 1832, of Block K-3 of Deaf Smith County, Texas, wherein in said plat, said Survey No. 59 was subdivided into Blocks, with streets and avenues lying between said blocks; that said subdivision was made for townsite purposes and was given the name of "Mabry Addition" to the town of Hereford, Texas; that your petitioners are now the sole owners of the North-west One-fourth of said Survey No. 59, and have owned same for a number of years, using said land for farming and grazing purposes; that said north-west one-fourth according to said plat contains Blocks Nos. 5 to 12 inclusive, containing 10 acres of land each, and Blocks 20 to 23 inclusive, containing 20 acres of land each.

The streets and avenues lying within said North-west One-fourth are more particularly described as follows: lying directly East of Blocks 5, 6, 7 and 8, and also lying directly East of Blocks 9, 10, 11 and 12, and also lying directly north of Blocks 6, 11 and 21, and also lying directly north of Blocks 8, 9, and 23; that the above described streets and avenues from the 21st day of January 1903 to the present have never been opened or used by the public, but have all during this time been inclosed within an inclosure including the land owned by your petitioners.

Your petitioners would ask permission to cancel said subdivision as above described, that is, Blocks 5 to 12, inclusive and Blocks 20 to 23, inclusive, so as to throw said lands back into acreage tracts as it existed before such subdivision was made; that you cause notice to be given of this application by publishing such application in some newspaper published in the English Language, in Deaf Smith County, for at least three weeks prior to the next regular term of this Court, when this application will be heard and action taken thereon; that an order be made at that time to cancel said subdivision as above described, so as to throw said land back into acreage tracts as it existed before such subdivision was

made.

The Amendment Life of Schools Says Educator

Superintendent M. H. Duncan, of the Amarillo Public Schools has sent the Brand the following facts regarding the proposed constitutional amendment for better schools, to be voted on at the General Election November 2:

"Texas is the largest state in the Union. It is first among the states in agricultural products. It is third in oil production, seventh in wealth and thirty-ninth in the support of her schools. In the amount of local taxes appropriated for schools, Texas stands forty-fourth among the states and the fact that it really stands thirty-ninth is due to the large permanent school fund provided for by our fathers and not to any effort of the people of today. If the state had to depend solely on what is being done today, Texas would stand forty-fourth among the states in education, or fourth from the bottom of the list.

"Ten per cent of the people of Texas can neither read nor write and more than twenty-five per cent have not advanced in their education above the fourth grade. The average amount of schooling received by Texas people is through the sixth grade. If other states did not send their sons and daughters to Texas, soon she would have a sixth grade citizenship. All must admit that this is a disgraceful record for the state that stands first in her resources.

"Last year there were 50,000 children in the state who had no schooling because no teacher of any kind could be found for them. There were four hundred thousand children in the state during the year under incompetent teachers—mere boys and girls without training or experience. Eighty per cent of the rural schools representing sixty-nine per cent of the total population of the State were either not in school at all or taught by incompetent teachers with second grade certificates. Many teachers in these schools had no certificates at all, in open violation of the law.

"Last year the state lacked 2,000 teachers of having enough to fill all the teaching places. This was in spite of the fact that many teachers in the state taught two shifts, each day in order to take care of the children and that more than 90 children were crowded in many of the rooms.

"The report for next year will show up even worse than stated above and there would have been a total collapse of the schools of the state if the Legislature had not made a special appropriation for the schools of four million dollars. However, a number of members of the Legislature have

The End of a Perfect Day

stated publicly that they will not vote for another appropriation if the people should vote down this Amendment and thus indicate that they do not want more money for the schools. They say that they would be unwilling to go contrary to the expressed desire of the people. Many of the members have also said that they would not

vote again, even for the two million dollar appropriation for rural schools, if this amendment should be voted down November 2. This would mean total collapse of the rural schools of the state.

"In the face of these facts, it is difficult to see how any good citizen could vote against the Amendment.

Cleaning and Pressing without dust
germs or gasoline smell.

Hereford Steam Laundry

Its defeat would mean a retardation for years to come of every interest of the State. The good citizen will vote for the Amendment even though he does not like certain features of it, for he realizes that if it should be defeated, it would be a number of years before another Amendment would be submitted to the people and that in that time the school system of the State would be completely wrecked."

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Thedford's BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. WISE YOUNG MEN AND WOMEN MAKE SAVINGS A PART OF ENGAGEMENT

Every young man should be very careful in choosing the young woman he wishes to marry; and no less caution should be exercised by a young woman in accepting seriously the attentions of a young man.

The girl who permits and encourages her escort to spend money unnecessarily and extravagantly upon her will seldom make a good wife. Good wives are economical, careful of expenditure and capable of making the dollar go a long way. Girls who do not have this trait before marriage seldom develop it after marriage. Marriage is a partnership, and a badly managed partnership is seldom a happy one. The young man who does not save, who is not building up a reserve fund, but who is "throwing his money at the birds" will seldom do any better after marriage.

Some young couples in this state instead of spending all they earn on meaningless pleasures, are wisely building their savings funds together with War Savings Stamps. More than likely, theirs will be a happy marriage.

COUNTY SUPT. McDONALD QUOTES JAS. J. HILL

Dallas, Texas.—"It is a brutal bed rock truth, that James J. Hill uttered when he said, 'If you want to know if you are going to be a success or a failure in life, the test is simple and infallible; are you able to save money? If not, drop out. You will fail as sure as you live. You may not think so, but the seed of success is not in you,'" said A. P. McDonald, County Superintendent of Dallas County, when a representative of the Savings Division had advocated children saving and investing in War Savings Stamps and other government Savings Securities.

"That saying of Hill is plastered all over my boy's room. It is on the head of his bed; it is stuck on his mirror, it is glued into his bank book, he sees it on his check book. I try to have him form the habit of asking himself whenever he spends, 'am I buying something worth, to me, what it costs?' He is now headed on that path. If he reads it continually, there is nothing to fear for his future. He will own his share of Treasury Certificates and Liberty Bonds."

We bought in the United States this year \$370,570,172 worth of chewing gum, cameras and sporting goods, unessentials. Were the amount spent for Fourth Liberty Loan Bonds at \$83.33 it would have bought \$444,000,000 in 4 1/2% bonds and would have brought in annual interest \$18,870,000. Shall it be chewing gum or Liberty Notes?

THE STATE OF TEXAS

To The Sheriff or any Constable of Deaf Smith County—GREETING:

YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in some newspaper published in the County of Deaf Smith if there be a newspaper published therein, but if not, then in any newspaper published in the 69th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 69th judicial district, for four weeks previous to the return day hereof, Carl Lorenz and R. L. Lorenz who are non-residents of the State of Texas to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Deaf Smith at the Court House thereof, in the City of Hereford on the 1st day of November, 1920, then and there to answer a Petition filed in said Court, on the 4th day of October A. D. 1920, in a suit numbered on the docket of said Court No. 1298, wherein F. P. McCormick is plaintiff and Carl Lorenz and R. L. Lorenz are defendants.

The nature of the plaintiff's demand being as follows, to-wit:

The Plaintiff sues the Defendant, Carl Lorenz, on a special street paving assessment certificate for the sum of \$98.50 with 8 percent interest thereon from Nov. 6, 1917, and for \$100.00 attorney's fees and for a foreclosure of a Lien securing said paving certificate on Lot No. 17, Blk. No. 11, of the Town of Hereford, in Deaf Smith County, Texas and for costs of suit.

Plaintiff charges that the said certificate was duly and legally issued to the Plaintiff by the City of Hereford, a

municipal corporation in Deaf Smith County, Texas, on Oct. 11, 1917.

That the certificate is payable in three equal installments, the first due 30 days after Oct. 6, 1917, and the second and third installments due on or before one and two years from said date, respectively; and that each installment bears int. at the rate of 8 percent per annum from Nov. 6, 1917. That said certificate provides that failure to pay either of said installments shall, at the option of the holder, mature all of said indebtedness, and that on account of the failure to pay the two said first installments, when due, Plaintiff has declared all of said installments due and payable.

That said certificate provides for reasonable attorney's fees to be added in case default is made in the payment of either installment.

That on account of said default, it has become necessary for Plaintiff to employ an attorney to assist him in the collection of said certificate and did employ such attorney and agreed to pay him a reasonable attorney's fees

for his services, which Plaintiff charges is \$100.00.

That said certificate was issued by the City Commission of the City of Hereford, pursuant to an ordinance passed and adopted by said commission for the purpose of making certain street improvements and was, by said commission, fixed as a Lien against above described property, and a debt and liability against the Defendant, Carl Lorenz, the owner of said property.

That Defendant, R. L. Lorenz, is claiming some right, title or interest in said property, the nature and character of which is unknown to Plaintiff.

Plaintiff prays for judgment, for the amount of said certificate, with interest thereon, and for attorney's fees of \$100.00 and for foreclosure of said Lien on said property and costs of suit.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

said Court, at office in Hereford this, the 29th day of Sept., A. D. 1920.

An Enjoyable Occasion

On Wednesday afternoon, Oct. 20, from 3 to 6, Mrs. J. H. Flannigan entertained in honor of Mesdames Stevenson and Fuqua, who were visiting their sister, Mrs. G. Douglas.

The guests were met at the door by a very bewitching witch, ushered into the living room to have their wraps removed by another ideal witch, and from there were conducted to the reception room where the spirit of Halloween was truly carried out, the black cats, witches, bats and lighted pumpkins giving a weird effect to the darkened room. After listening to several beautiful selections on the Victrola, the fun began by playing the "Game of Gossip." Following this was "Barnyard Echoes," in which Mrs. Carter won out by her wonderful talent of imitation. Next followed a contest for the best talent in drawing.

First prize, a lovely crepe de chine handkerchief, was awarded Mrs. Stevenson, whose picture of a bird was so lifelike we could almost hear its warblings. A beautifully bound book, one of C. E. Younge's charming stories, was offered to the guest writing the best sentence containing the word,

friendship. As it could not be determined whose sentence was best, it was voted to present the book to Mrs. Fuqua, each lady writing her name with a line or two for remembrance in the book.

Several other games were enjoyed, also readings by Mesdames Tom Tate and Flannigan.

Most appetizing refreshments of chicken sandwiches, pickles, pumpkin pie and coffee were then served. Dainty little "Halloween" baskets of chocolate bon-bons were used as favors.

The guests enjoying this afternoon of fun and merriment, where not a dull moment was allowed entrance, were Mesdames J. W. Carter, J. D. Duree, C. E. McLean, J. A. James, J. W. Turner, N. J. Lovelace, John Carter, Tom Tate, B. D. Woodlee, Stevenson and Fuqua.

We unanimously vote that Mrs. Flannigan deserves the "Blue Ribbon" as an entertainer.

One who enjoyed this occasion to its "fullest."

To The Brand

Is a brotherhood of nations undesir-

able? Should a common language only be the cement of mankind? Should duty be limited by state lines? Should the slogan of each nation be, "Our safety (only) first"? Is altruism wrong? Is, or was, Germany right? Then let us reverse our idea of conciliation and call it a mistake. For, if so, self interest is nature's only law. We will care not for the world. Let no limit fix our material ambition. The weak should go to the wall; the strong must succumb to the stronger. Might is right. Jehovah loves the giant. Power alone is virtue. Charity is weakness; sacrifice is unjust, it robs us of our own. Put a price on the "cup of cold water." Let Lazarus pay Dives for his crumbs. The sa-

maritan example was foolish; but the Priest and the Levite passed on, they were right. Let the church write on door and home, "Here stands our monument to wasted sentiment." Recall our missionaries. Wake not the pagan from his Gods. Let the mother's child die in the Ganges. Let the cannibal eat his man—tastes differ. "Wring

out" the ideal; "wring in" the real; say Wilson is crazy and the League a tangle of chaotic dreams.

So bad? Oh, we hope not. Politics will soon be over. Anyhow, let's talk it over at the Court House Saturday night, Oct. 30, at 7:30 p. m.

J. M. Kimmons.

Bay View Club

Mrs. W. E. Dameron was hostess to the Bay View Club on Thursday, the lesson being combined with that of the preceding week in a most interesting manner by Mrs. Arch Collins.

The text of "Othello," Act I, scenes 1 and 2, were read by the club as a basis for the question analysis for this part of the play. The characters of Roderigo, Iago, Othello and Desdemona, were revealed in an interesting delineation by Mrs. P. W. Price.

The club discussion of Desdemona's wish that "Heaven had made her such a man," was ably led by Mrs. Geo. Garrison.

Roll call included quotations from the play and interesting facts about the play. Owing to the absence of some who were on the program, their numbers will be given at next Thursday's meeting.

Music Study Club

Mrs. H. L. Broadwell was hostess to the Music Study Club on Monday afternoon. The lesson on "Metre and Rhythm" was directed by Mrs. D. F. Ashbrook. It included discussions of metre, as applied to both poetry and music, and rhythm from the standpoint of various authors.

Illustrative numbers were given in a vocal solo by Miss Bonnie Chamness and a quartette by Mesdames Homer Wilkinson, C. C. Ferguson, A. O. Thompson, and Carl Mounst. "Metre and Rhythm" was the subject of an excellent paper read by Mrs. Chas. Donald. It presented the thought of a number of musical authorities upon these two essentials of music and was very helpful in the forming of a general concept of the terms.

The subject of "Musical Style" will be considered at the next meeting.

Chrysanthemum Party

One of the prettiest of the week's parties among the younger crowd was given on Saturday evening at the home of Mr. and Mrs. Jeff Gilbreath when their daughter, Miss Lucille, entertained with a "chrysanthemum" party.

A typical autumn scene was presented in the charmingly decorated rooms, autumn foliage and vines blending perfectly with the gold and white of beautiful chrysanthemums, whose bright faces were massed about the rooms in luxuriant profusion. A clever program of games and contests all featuring the "chrysanthemum" idea, furnished entertainment both unique and enjoyable. An old-fashioned candy pull closed the jolly evening, whose pleasures were shared by Misses Ethel and Zoe Wombie, Ines Clark, Mozelle Hill, Glenola Powelson, Joyce Corbett, Thelma Tynes, Gladys Bryant, Mildred Rambo, Ines Ott, Agnes Elliston, Lucille Gilbreath, Messrs. Roger Corbett, Carl Lester, J. M. Poser, Paul Wilson, Johnny Orr, Berlin Angelo, Johnny Biggs, Britain Robinson, John Robinson, Leroy Hodges, Ardis Russell, Dill Vance and Oscar Womack.

Parent-Teacher Club

The Parent-Teacher Club and a large number of visitors listened to an excellent address by Miss Pearl N. Hyer, public health nurse, at the Central school building on Friday afternoon.

Miss Hyar talked upon the subject of nutrition, stressing the importance of nutritive food to growing children. From charts arranged on the platform she illustrated food classification and showed how a balanced diet may be secured by intelligent combination of foods. She gave many helpful suggestions in regard to the preparation of school lunches urging that mothers heed the warning shown by the number of undernourished children in the public school, and give more thought to the foods which they place before their children.

From the standpoint of practical utility and common sense, Miss Hyar's talk was a masterpiece and the only regret was that every mother in town could not have heard it. Another opportunity to hear her at the same place will be given next Friday afternoon, and it is hoped that, not only those present last Friday, but many others, may be present.

Shower for Mrs. Estes

Only less delightful than the wedding itself, was the shower given Tuesday evening for Mrs. Cliff Estes, the bride of only a few days, Mrs. E. V. Allen and Mrs. A. O. Thompson being hostesses for the enjoyable affair, which occurred at the home of Mrs. Allen.

The guests included only members of the B. Y. P. U., in which organization both bride and groom are prominent workers. Assembling, at the Allen home, they went in a body to the home of the honoree bringing with them a "shower" of gifts of such proportions that it was aptly termed a "down-pour." Linens, silver, cut glass and china vied with the homelier household utensils in attractiveness and appeal to the feminine heart.

After bestowing their gifts, the entire party repaired to the home of Mrs. Allen which was beautifully adorned for the occasion, following the plan of the wedding decorations. The dining room was especially attractive, the table covered with handsome men, bearing an exquisite centerpiece made

of a solid covering of lovely white and yellow chrysanthemums from whose center rose a mammoth angel food cake. Outlined in yellow upon its gleaming white surface the words, "Clyde" and "Cliff," surrounded by two united hearts. The cake was formally presented to the bride and groom.

Another attractive table decoration was a miniature bride and groom, the bride's costume patterned after that of the real bride. An informal program of games, and music was enjoyed, refreshments of cake with hot chocolate closing a delightful evening.

Estes-Wilson

A brilliant social function attended by perhaps one hundred guests, was the beautiful home wedding of Saturday evening, when Miss Clyde Wilson became the bride of Mr. Cliff Estes.

The marriage was celebrated at seven-thirty o'clock, the Wilson home, spacious and handsomely decorated furnishing an ideal setting for the pretty scene. Exquisite California chrysanthemums in tones of white and yellow were featured in an effective decorative scheme which included the three receiving rooms, thrown en suite for the occasion.

The sweet music of Mendelssohn's wedding march, played by Mrs. John Williams, announced the approach of the bridal pair, who, preceded by Rev. J. R. Sharp, entered, unattended and took their places beneath two snow-white floral wedding bells suspended by streamers of white and yellow tulle from the center of an arch made of chrysanthemums in white and gold. The bride, in her charming wedding gown of pale yellow pussy-willow taffeta, with an arm bouquet of white chrysanthemums, completed a perfect harmony of color and a wondrously beautiful picture.

Using the ring ceremony, the officiating minister pronounced the marriage service, and, after congratulations, refreshments of brick cream and cake in the prevailing colors were served.

The young couple went immediately to their new home which was completely furnished, awaiting their occupancy. Here they are at home to a circle of friends that includes the number of their acquaintances.

Both of these young people represent a citizenship of the highest type. The bride is a daughter of Mr. and Mrs. Jno. L. Wilson. She grew to womanhood in Hereford graduating from the high school, later taking a college course and for a number of years, teaching in the public schools. She is prominent in church, social and musical circles and a favorite in all.

Mr. Estes, a son of Mr. and Mrs. John Estes, is one of Hereford's best young men and one of the county's

distinguished soldier citizens. In active foreign service during the world war, he was assigned to the army of occupation after the signing of the armistice and was one of the last to return home. Until recently he has been a member of the law firm of Gilliland and Estes, but is now connected with the First State Bank of this city.

A future bright with happiness and prosperity is merited by this sterling young couple.

SOME RAIN FALLS AND JACK FROST IS NEW VISITOR

Two tenths of an inch of rain fell in Hereford on the night of October 26. This makes a total of one and two tenths of an inch for the month of October to date.

Thursday morning a rather heavy frost appeared. Ducks and geese are beginning to swing overhead. Apparently winter is almost here. Farmers are all busy as bees shocking and threshing.

IT HAPPENS IN ENGLAND

Situation in "The Miracle of Love" is Impossible in this Country

A fairly common situation in British high life, which is non-existent in this country, owing to our lack of a social order of nobility, is treated in Cosmo Hamilton's story, "The Miracle of Love," which has been adapted to motion picture form, will be shown at THE STAR THEATRE Monday and Tuesday, November 1st and 2nd. The hero is the younger son in a noble-

man's family who has no hopes of the title, is without funds, yet cannot go to work like an ordinary man, owing to the disgrace which it would bring to his family. The youth finally solves the problem by planning to leave the country and earn money in a land where his precious family is unknown. However, on the pier he meets a woman who completely changes his life. The great and almost tragic love which springs up between the two leads rapidly to a startling climax. Prominent in the cast are Lucy Cotton and Wyndham Standing.

TEXAS STATE DEPARTMENT OF EDUCATION WILL AID U. S. SAVINGS CAMPAIGN

Austin, Texas—Cooperation between the State Department of Education of Texas and the Savings Division of the United States Treasury Department for the Eleventh Federal Reserve District for the coming year has been placed on a definite basis. Miss Annie Webb Blanton, State Superintendent, approved the program proposed for the school by the Savings Division, assigning a Supervisor to prepare material the Savings Division will furnish teachers. Representatives of the State Department of Education have presented the Division's school plans to institutes in which teachers of about one hundred counties were assembled during the first week of September. S. M. N. Marrs, Chief Supervisor of High Schools, read the program to teachers at Canyon; Assistant Superintendent E. L. Dobson, explained the plan at Victoria, Huntville and Beaumont and other institutes visited. L. D. Borden, Chief Supervisor of Rural Schools, included it in his speeches at Beeville, Woodville, Orange and other institutes. W. E. James, Rural School Supervisor presented the matter to institutes at Waxahachie, Hillsboro, Marshall and other cities.

"Save, save and invest," said Peyton Irving, Jr., Director's assistant for Education for the Division, "is the slogan. Pupils are taught how to care for their business affairs as well as their language, their morals and their physical welfare. They must know it is a privilege, a blessing as well as a duty, to work. They must come to feel inculcated that they must live on less than they earn, and put away savings for future needs; otherwise they face dependency or crime. It is the duty of teachers to see these teachings fruit into action. Savings Securities, Thrift Stamps, War Savings Stamps of the government, and savings banks are to be recommended for pupils to use in preserving and increasing their savings."

CHURCH NOTES

Presbyterian Church
 Sunday, Oct. 31
 9:45 a. m. Sunday School.
 11 a. m. Sermon, subject, "He's Broad."
 4 p. m. Junior C. E.
 8:30 p. m. Senior C. E.
 7 p. m. Preaching, subject, "The Election."
 Our S. S. Supt. got his leg broken last Friday during the football game at Farwell. May I ask that you remember in your private devotion?
 And let there be no let-up in your interest and enthusiasm for the Sunday School.
 You are cordially invited to attend all our services.
 J. R. Sharp, Pastor.

Baptist Church
 Next Sunday we preach our farewell sermon as pastor of the Baptist church and we want to again express our heartfelt thanks for the kindness shown us in our work here. My family join me in best wishes to the good people who have stood by us in carrying out our plans for the development of the work. May we have a sweet service next Sunday and we give everyone a cordial invitation to worship with us.
 Sunday School at 9:45 a. m. Preaching at 11 a. m. and 7:30 p. m.
 We also want to express our thanks to those who are not members of our church for your presence and for your cooperation with us. May the blessing of God be upon all is my prayer.
 J. E. McClurkin, Pastor.

First Christian Church
 "The Big Church with a Big Welcome"
 The weather man had it in for us Sunday, but we got there just the same. We were after three hundred in our Bible School, but fell down to one hundred and eighty five, but that was not so bad with a Northern on. While we are in the notion, we will try to go "Over the Top" next Sunday. Let every teacher get on the job and surprise ourselves, just one time. Mr. Asbell had thirty of Hereford's choicest young people in his class and had room for thirty more. If you are not connected somewhere else, come on. There is a welcome for you. Mr. Sharp and Mr. Asbell are working their Christian Endeavor together. On Friday evening there will be a big halloween social in the basement of the Christian Church. The witches will play and pumpkin pie will disappear.
 The subject for the morning sermon will be, "Science and the Bible." In the evening the last of the series of the young folks sermons, subject "Must I Believe the Miracles in Order to be a Christian?"
 Bible School at nine forty five.
 Preaching and Communion at ten forty five.
 Christian Endeavor at five thirty.
 Preaching at seven p. m.
 Mid-week service at seven o'clock Wednesday evening.
 J. M. Asbell, Pastor.

Santa Fe Bosses Enjoy Lunch of Our Strawberries

Eight quarts of Hereford strawberries were enjoyed by a party of distinguished Santa Fe officials, "somewhere along the line" near this point last week. They were gathered here by Agent Garton, A. H. Elliston, and others, aided by the Chamber of Commerce, and presented to the party through the superintendent of this division.

It seems that those "higher up" in Santa Fe officialdom have heard that luscious berries are raised hereabouts, and a hint was passed along the line to Agent Garton a few days ago that some officials were due through here about Thursday and that a few of our famous strawberries might be appreciated. Hence quick action on the part of the local foragers. The berries were collected from several gardens and presented to the officials with the compliments of the people of Hereford.

Montreal, Canada.—The Fortieth Convention of the American Federation of Labor, by unanimous vote, declared regular and systematic investment in Government securities a part of its permanent policy for the benefit of its members and the welfare of the country. The resolution bearing on this subject reads in part: "The American Federation of Labor reiterates its former endorsement and approval of the plan of the Savings Division of the United States Treasury Department now being operated in each of the Federal Reserve Districts.

"All International Unions and Federal Unions are urged to advocate Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates as the best and safest method for saving and investment their members can adopt, against the schemes of those who are now undertaking to take advantage of the Government's savings program and the savings habit formed during the war by introducing thrift systems in industry, through which they will make a profit from the savings of workers."

The convention also recommended local unions place their funds in government securities, buy Liberty and Victory Notes and hold them to maturity. The convention's final resolution asked that the government continue and extend the savings work through each of the Federal Reserve Districts.

THE STATE OF TEXAS

To the Sheriff or any Constable of Deaf Smith Co., Greeting:
Oath having been made as required by law.

YOU ARE HEREBY COMMANDED to summon John J. Zinser, The Saint Louis Cattle Loan Company, of St. Louis, Mo., a corporation, and The Woodrow Parker Company, of Toledo, Ohio, a corporation, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 69th Judicial District, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court

House thereof, in the City of Hereford, on the 1st Monday in November, A. D. 1920, the same being the first day of November, 1920, then and there to answer a petition filed in said Court on the 29th day of September, 1920, in a suit, numbered on the docket of said Court No. 1259, wherein W. E. Neal is Plaintiff, and Albert Zinser, John J. Zinser, W. P. Lupton, The Saint Louis Cattle Loan Company, of St. Louis, Mo., a corporation, The Woodrow Parker Company, of Toledo, Ohio, a corporation, J. H. Russell, J. B. Elliston and J. A. Wear are Defendants, and said petition alleging in substance as follows:

The Plaintiff sues the Defendant, John J. Zinser, as Maker of, and the Defendant, W. P. Lupton, on his assumption to pay one note for \$500.00, dated March 13, 1916, executed by John J. Zinser to D. L. McDonald, due one year after date, bearing interest from date at the rate of 10 per cent per annum; and providing that all past due interest shall bear interest at the rate of 10 per cent per annum; and providing for the payment of 10 per cent on principal and interest as attorney's fees, if placed in the hands of an attorney for collection; and to foreclose a Vendor's Lien, securing the payment of said note on the W. 1-2 of the S. W. 1-4 of Section 86, Certificate 916, Grantee, Stone, Kyle & Kyle, Blk. K-3, Deaf Smith County, Texas, containing eighty acres.

And sues the Defendants, Albert Zinser and John J. Zinser, as Makers of, and the Defendant, W. P. Lupton, on his assumption to pay a note for \$8,507.37, dated October 16, 1916, due twelve months after date, bearing interest from date at the rate of 10 per cent per annum, interest payable annually; and providing that past due interest shall bear interest at the rate of 10 per cent per annum; and providing that on default in payment of said note at maturity, and it is placed in the hands of an attorney for collection, 10 per cent on both principal and interest shall be added as attorney's fees; said note executed by Albert Zinser and John J. Zinser to John Estes. And to foreclose a Deed of Trust, dated October 16, 1916, given by Defendant, Albert Zinser, to Cliff Estes, as Trustee, on Section 95, Certificate 911, Grantee, Stone, Kyle & Kyle, Blk. K-3, Deaf Smith County, Texas, containing 640 acres, and the said W. 1-2 of the S. W. 1-4 of said Section 86.

And sues the Defendant, W. P. Lupton, as Maker, and the Defendant, John J. Zinser, as endorser of three notes, all dated November 27, 1917, two for \$2,000.00 each and one for \$1,197.16; all maturing on or before six months after date, each bearing interest from date at the rate of 10 per cent per annum, interest payable annually; and each providing that

past due interest shall bear interest at the rate of 10 per cent per annum; and each providing that if it is placed in the hands of an attorney for collection, then an additional amount of 10 per cent on the principal and interest, then due, shall be added thereto as attorney's fees; said notes executed by W. P. Lupton to John J. Zinser, and endorsed to Plaintiff by John J. Zinser; and to foreclose a Vendor's Lien on said Section 95, and the said W. 1-2 of the S. W. 1-4 of said Section 86, securing the payment of said three last named notes.

That Plaintiff is the owner of all of said notes sued on, and that they are all past due, and no part thereof, and no interest thereon, has been paid, except the interest has been paid on the note for \$8,507.37, to October 10, 1917, and on the two notes for \$2,000.00 each, and the one note for \$1,197.16 to May 27, 1919; and the Plaintiff seeks to recover the full amount of all of said notes, principal, interest, and attorney's fees, provided for therein, alleging that all of said notes were placed in his attorney's hands for collection on Sept. 1st, 1920, and that said attorney's fees are due.

Plaintiff seeks to foreclose his said two Vendor's Lien and his said Deed of Trust Lien on the respective tracts of land, as to and against all of the Defendants, and charges that his said Liens are superior to a Deed of Trust Lien, dated October 14, 1913, given by John J. Zinser and wife, to Albert Zinser, as Trustee, recorded in Book 20 at Page 359, Deed of Trust Records of Deaf Smith County, Texas, conveying to said trustee all of said Section 95, except forty acres in a strip on the E. side of said Section, which said strip is 1900 vrs. long and of sufficient width to contain said forty acres, to secure one note for \$11,850.00, dated October 1, 1913, due five years after

date, executed by John J. Zinser and his wife to Defendant, The Woodrow Parker Company; and Plaintiff's said Liens are superior to a Deed of Trust, dated October 13, 1914, given by John J. Zinser and wife, to Albert Zinser, as Trustee, which is recorded in Book 20, at Page 361, Deed of Trust Records of Deaf Smith County, Texas, conveying to said Trustee all the W 1-2 of said Section 95, to secure one note for \$3,950.00, dated October 1, 1913, due five years after date, given by John J. Zinser and wife to Defendant, The Woodrow Parker Company.

And that Plaintiff's said Liens are superior to a Deed of Trust, dated June 10, 1919, recorded in Deed of Trust Records of Deaf Smith County, Texas, in Book 23, at Page 355, executed by W. P. Lupton to Clyde N. McFarland, as Trustee, conveying all of said Section 95 and all of the said W. 1-2 of the S. W. 1-4 of said Section 86, to secure the payment of one note for \$10,000.00; two notes for \$5,000.00 each, three for \$2,500.00 each, and one

for \$1,306.12, all dated June 10, 1919, and due September 9, 1919, executed by W. P. Lupton to Defendant, The Saint Louis Cattle Loan Company.

That Plaintiff's said Liens are superior to three Judgment Liens, and each of these, one in favor of Defendant, J. H. Russell against Defendant, Lupton, for the sum of \$319.20, recorded in the abstract of judgment records of Deaf Smith County, Texas, in Book 1, at Page 264; and one in favor of J. B. Elliston against Defendant, Lupton, for the sum of \$455.23, recorded in the abstract of judgment records of Deaf Smith County, Texas, in Book 1 at Page 260; and one in favor of Defendant, J. A. Wear, against Defendant, W.

P. Lupton, for \$455.23, recorded in the abstract of judgment records of Deaf Smith County, Texas, in Book 1, at Page 270.

HEREIN FAIL, NOT, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

WITNESS, A. O. THOMPSON, Clerk of the District Court of Deaf Smith County.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Hereford this 29th day of Sept., 1920.

SPECIALISTS PREPARING OUTLINES FOR SCHOOLS FOR SAVINGS DIVISION

Dallas, Texas.—Valuable suggestions, in the form of outlines, will be furnished to teachers of the Eleventh Federal Reserve District to aid them in conducting the "earn, save and invest" campaign of the government in the schools this year, according to Dinmore W. Hume, Federal District Director.

Material for primary grades will be prepared for the Division by Mrs. Ella F. Little, Primary Supervisor of Rural Schools, of the State Department of Education of Texas, said Mr. Hume. "A specialist in elementary school work will prepare suggestions to be sent to teachers of fourth, fifth, sixth and seventh grades, to be used in connection with either language or history recitations, or both. Mr. L. H. Hubbard, Superintendent of City Schools, Belton, Texas, will prepare matter for use by high school pupils in their English classes. Negotiations are under way for a specialist in history to furnish the Division outlines for use of high school classes and teachers of history.

"These suggestions will be usable in high school classes already organized; additional classes or periods will not be necessary. They will relate to matters discussed in text books, offer interesting side lights on topics there presented and show how they naturally develop into approval of the principles promulgated by the Savings Division. They are simple: earn something, live on something less, save, invest, put your savings where they are safe and earn something. When school children do this they will find Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates most convenient in denomination, and safe, savings accounts in banks also meet with approval of this campaign."

RAILROAD, MINE, FOREST PURCHASED BY HENRY FORD

Workers to Receive Ford Wages, Bonus and Other Benefits

During the last two months, Henry Ford and the Ford Motor Company have purchased the Detroit, Toledo and Ironton Railroad, a 400,000 acre timber tract in Northern Michigan, and a coal mine in Kentucky. And it is rumored that other purchases are under consideration. Two thousand railroad workers are automatically made "Ford men" in

the near future they will be permitted to share in the investment opportunity with the thousands of other Ford employees. The minimum wage system and bonus distribution will also apply to the railroad men.

The Detroit, Toledo and Ironton Railroad will soon be known by another name. Avoiding congested centers the railway is a direct line to the coal fields of Southern Ohio and the West Virginia and Kentucky boundaries. Solid coal trains may be routed through to Detroit without delay or interference.

Timber from virgin forests of the Upper Peninsula of Michigan will be used to furnish lumber for Ford automobile bodies and other requirements. Another link added to the chain of Ford industries is the Ford saw mill, located just outside of Detroit.

These acquisitions are wonderful links in the chain of Ford industries. Fewer outside organizations are being depended upon year by year. Already work on the Ford car and Fordson tractor commences with the ore in Ford furnaces. Soon the coal will be transported from mines on a Ford railroad, and soon the timber will be cut from Ford virgin forests.

Including these new additions, the direct Ford payroll now contains approximately 100,000 names.

GAS FOR CANYON MAY BE REALITY

Requests have been made by several prominent citizens of Canyon that a special meeting of the Randall County Commercial League be called for Friday night of this week to look into the prospects of getting a gas line from Amarillo to Canyon.

Frank R. Jamison, secretary-manager of the Panhandle Plains Chamber of Commerce, was communicated with, and states he will bring officials of the gas company to Canyon Friday evening and will discuss the matter with the citizens at the News office at 7 o'clock.

All citizens of Canyon interested in a gas line are cordially invited to attend this meeting tomorrow evening. —Randall Co. News.

CANYON MAY VOTE HOSPITAL BONDS

At the meeting of the Commissioners Court Monday, a petition bearing the names of one hundred forty-six tax paying citizens of Randall county was presented to the court calling for an election to be held for the purpose of issuing bonds in the sum of \$30,000 to build a hospital in Randall county. The election was ordered for November 20th.

Since the discussion of the hospital was started a few weeks ago, great interest is being manifested in the proposition. The very great need of the hospital is being discussed and judging from the enthusiastic reception the petition received, there is no doubt that the voters will approve the bond issue when the election is held next month. —Randall County News.

Sad Accident

Just after noon Wednesday, three boys were riding on the running board of G. L. Sledge's car as he was en-

route home from the school building. Just as he was passing the Singleton Hotel it is stated that one of the boys grabbed a cap from the head of Weldon W. Preston, and in an effort to regain it he fell from the car, falling on his head by the roadside. Mr. Sledge immediately stopped his car and went back to where the boy had fallen and administered first aid treatment. The boy was then rushed to Dr. Adams' office and then quickly hurried to a

Lubbock sanitarium, as his condition was considered serious.

Upon X-Ray examination there it was found that his skull was crushed and he passed away at 8 o'clock Wednesday night as a result of his injury.

He never regained consciousness after the injury. —Slaton Slatonite.
