Board Holds Closed Session; Stevens' Contract Discussed

City Expansion, Well Bids Take Up Commission Meet

Growth, future growth, and proposed improvements needed to meet the booming expansion of Hereford took up a major portion of Hereford City Commission meeting as 25 acres of land was annexed, bids on three wells were reviewed, and sewer line expansion was discussed as well as annexation of an area

west of the city. In accepting bids on three new water wells, commissioners unanimously approved a low bid of \$86,464 by Walco Drilling Co. The wells were listed in capital improvements needed by the city as a bond issue was passed last fall. Need for the wells, it was stressed is due to the rapid growth of Hereford and increasing population.

Other firms bidding on the project were McDonald Drilling Co., Amarillo, \$41,770; Irrigation Well Service, \$39,248; and Big T Pump Co., \$38,600. In the Walco Drilling Co. bid, cost of well number 12, which will be drilled in Veteran's Park, was placed at \$11,130. Cost of well number 13 was bid at \$12,734. It will be drilled at an Avenue C location.

The third well is to cost \$12,600 and will be drilled at the alley between Avenue A and 25 Mile Ave. All wells are to be completely equipped.

In their bid, the company listed 60 days to completion of the project.

An annexation ordinance was passed on final reading and added 25 acres to the area of Hereford. The area consists of three tracts — one on the south side of Harrison Highway, three lots on 14th Street, and commercial property along East Highway 60 to Benefield Corners. As the ordinance was passed, commissioners discussed a move that could lead to annexation of property along West Highway 60.

With the construction of a new,

main sewer line, Dudley Bayne, city manager, told commissioners, the area north of the U. S. Highway can be served by present sewer facilities.

The new main line was installed last summer to help relieve overcrowded lines in northwestern Hereford and to serve future development of the western section of the city.

Following a discussion on a proposed plat — Pioneer Addition — and approval of notes and the plat, the City Commission authorized Bayne to advertise for bids on construction of a lift station and line to serve the area north of Aikman School.

The addition is to be located approximately one-half mile (Continued on Page 2)

Hereford school Board went into closed session at its meeting Tuesday night to discuss renewal of Superintendent Paul Stevens' contract, but afterward Board President L. B. Barnett told newsmen, "We have no announcement to make at this time."

He did not indicate whether the board had taken any action on the contract or whether the matter had been postponed for later consideration.

Under board policies, the superintendent's contract is always considered at the January meeting of the board. Other staff members are named later in the school year.

Consideration of the superintendent's contract came midway on the agenda.

All school personnel who were present, as well as newsmen, were asked to leave the room while the matter was discussed. The secret session lasted for approximately 30 minutes.

The board also delved into a Dec. 20 senior high school as-

sembly which had resulted in hissing and catcalls by many of the students when a religious drama was presented. The Brand, in an editorial Dec. 29, had called the event "a reflection upon our school system, our churches, parents of the students involved and upon our community in general."

Dr. Barnett read the editorial at Tuesday night's board meeting.

Bill Michaels, assistant principal who will become principal of the senior high school at the end of this semester, was called before the board to tell of the incident. He blamed the disturbance on poor timing, a darkened auditorium and on the fact that teachers were not seated with the pupils.

"We realize that an assembly of any kind being held just a short time before the schools were dismissed for the Christmas holidays was probably untimely, the pupils were eager to get away and were not interested in any kind of program," he said.

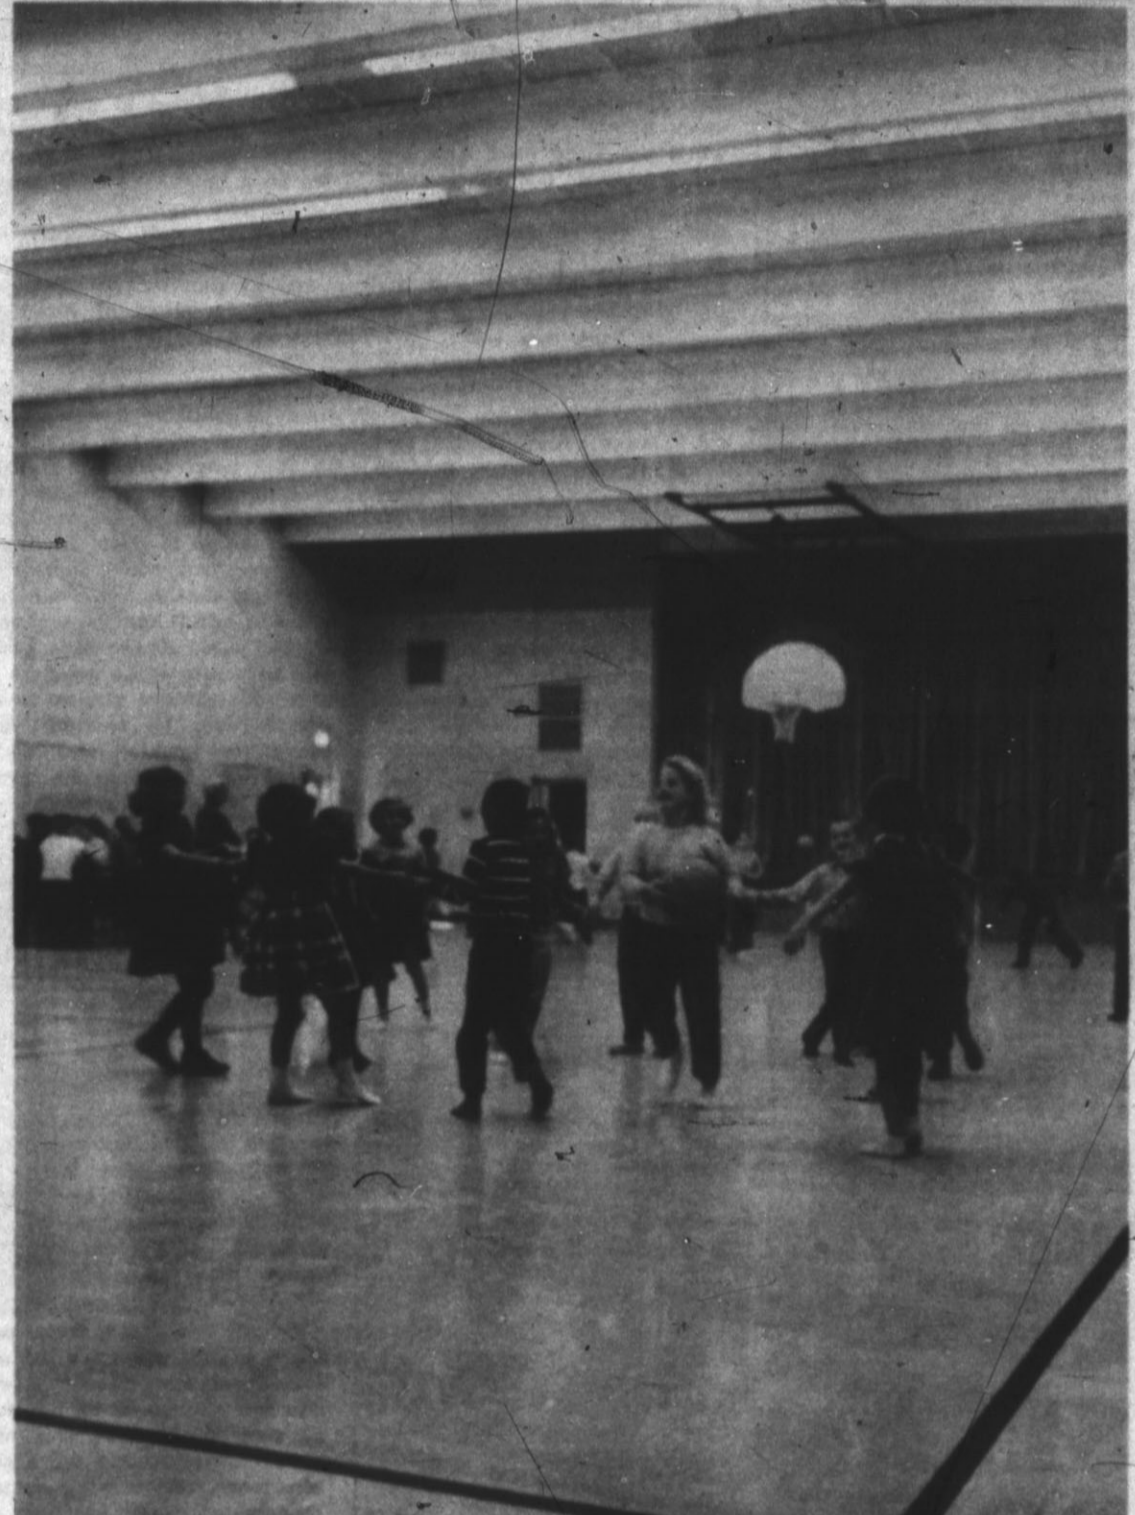

Then he pointed out the fact that the auditorium was in almost complete darkness to highlight the Nativity scene on the stage and this "may have been a contributing factor."

Teachers, he said, were seated for the most part in a group instead of being "mixed among the pupils." He said that in the future teachers will sit with their pupils by homerooms.

He termed the affair an unfortunate incident but expressed the belief that such an "exhibition will not be repeated in the future."

Michaels told the board that he had met with the student council and had discussed the Dec. 20 event, adding, "they were deeply humble over the incident and promised to do everything they can to prevent such action at future assembly programs regardless of the nature of the program being presented."

The board approved the hiring of two new teachers to replace staff members who are resigning at the end of the first semester Jan. 15, and also rehired another teacher after a leave of absence. David Nicholson, a graduate of Texas Tech, was named a (Continued on Page 2)

Construction of the building, which serves as a cafeteria, auditorium and gym, began in June and was complete in December. The building also has a stage and locker rooms for both boys and girls. Funds for the project were approved by residents of the Walcott school district and cost of the addition was placed at \$100,000. The new addition to the school facilities will provide for growth in the district during the next several years. (Staff Photo)

Wreck Damages Two Vehicles

Two vehicles were heavily damaged here Tuesday in a collision at the intersection of East Third and Witherspoon. Involved in the accident were a 1958 model sedan and a 1963 model pickup, according to Hereford Police Department.

The accident occurred as the sedan, driven by Mrs. Geraldine Jackson, 45, 807 N. Main, was headed south on Witherspoon.

According to the report, she stopped for a stop sign and then pulled into the intersection with her vehicle hitting the pickup, driven by John Morris Dawson, 56, 305 Star, in the right side.

Damage to the sedan was placed at \$400 with an estimated \$200 in damages done to the Dawson vehicle.

Mrs. Jackson was ticketed for the accident.

March Of Dimes Kicks Off Sunday

Deaf Smith County March of Dimes will kick off Sunday with the first of a series of events extending through the remainder of January, Pat Ferguson, county chairman, announced Wednesday.

First event on the money-raising program will be penny-a-pound airplane rides over Hereford, provided by Whiteface Aviation. Persons will be weighed-in for the bargain flights at the rate of one cent per pound, and Ferguson and his committee hope this event will get the drive off to a good showing, money-wise.

Civil Air Patrol will assist with this initial 1964 Dimes project.

Hereford Jaycees and Hereford Optimist club will stage a basketball game in the high school gymnasium at 8 p.m. Thursday, Jan. 16 when people attending will make contributions to the March of Dimes fund. No fixed admission fee will be charged.

The Jaycee-Optimist basketball game will be followed by the Jaycees' annual road block project, slated for Sunday, Jan. 19 from 9 a.m. until 4 p.m. when the club members will stop traffic at two points in Hereford and ask for donations to the worthy cause. The road blocks, Ferguson says, are to be set up at the intersection of 385 and U. S. 60, and Park Ave. in front of the Community Center.

Although the date hasn't been set, cafes & drugstores in Hereford will have their annual "coffee day" when all money received from coffee that day will

be turned over to the Dimes project.

City schools also are planning many projects yet to be announced, and the annual mothers' march will be staged Tuesday, Jan. 28, weather permitting, Ferguson announced.

One of the final events of the March of Dimes month will come Saturday, Jan. 25 when a dance will be held at the country club for members and guests, all the proceeds going to the March of Dimes program. Charlie Bell's orchestra will provide the music.

Coin receptacles will be placed at cash registers throughout Hereford stores, and direct mail solicitations also are planned, the chairman said.

He said no goal has been set for this year's Dimes program, but last year more than \$2300 was raised.

In addition to Ferguson, committee members are Mike Wilson, assistant chairman; Bob Huddleston, Pat Newell and Wendell Maloney.

Freeman Speech To Highlight Wheat Meeting

Highspot of the four-day convention of the National Association of Wheat growers in Amarillo will come tonight when Secretary of Agriculture Orville L. Freeman will address the nation's wheat growers.

Freeman is to speak at 7:15 this evening. All banquet tickets — 750 — have been sold and the SRO sign has been hung out for Freeman's appearance at the convention which opened officially Wednesday morning following preliminary meetings Tuesday of the board and of the five standing committees.

In addition to Freeman, other speakers at Thursday's session will include Congressman Graham Purcell, and Senator McGovern of South Dakota.

Congressman Purcell is to speak on the 1964 wheat program, and Senator McGovern will discuss his proposed wheat bill.

Among Wednesday's speakers were Sen. Frank Carlson of Kansas who gave the keynote address, and Richard W. Reuter, special assistant to the President and director of Food for Peace.

Wednesday afternoon's program dealt with market development. Herbert Hughes spoke of "Trade," Charles Bowling of National Grange on "Transportation," and Bill Nelson of the Grain Sorghum Producers Association on "Feed Grain Situation."

The banquet this evening is to be presided by the president's reception in the Continental room at 5:45.

The convention is to end Friday noon with committee reports and induction of the new board of directors.

Joann Marnell Is Bake Show Queen

The 1964 4-H Bake Show was climaxed at 2:30 p.m. Saturday with the crowning of Miss Joann Marnell as Bake Show queen. Joann is now eligible to compete in the district bake show which is held as a part of the Tri-State Fair.

She is a member of the Merry Maidens 4-H club, and was crowned by the 1963 queen, Lou Ann Witkowski. Runner-up for the title of queen was Karen Jesko of the Westway community 4-H club. Placing third in overall score was Jane Witkowski of the Merry Maidens club.

Patsy Paetzold, of the Merry Maidens club, won the purple ribbon for the best brownies. Joann Marnell placed second and Deborah Jesko of Westway placed third. Karen and Rebecca Jesko of the Westway club placed first and second with banana nut bread in the loaf bread division, with Joann placing third.

The best record was submitted by Queen Joann with Lou Ann Witkowski and Joyce Beznert tying for second and third place.

Others receiving third awards for products and records entered were: Becky Hickman, Ford club; Dorothy Marnell, Merry Maidens; Kay Atchley, Happy Workers; Lou Ann Witkowski,

With prospects of more than 350 animals entered, Golden Spread Western Junior Livestock Show is to be held at the Bull Barn Jan. 16-17 and 18, Colby Conkright, president, said this week.

Final arrangements for the show were made at a meeting of the show board in Chamber of Commerce headquarters Wednesday afternoon.

County Agent Lefty Thomas says entries this year will include 80 steers, 100 lambs and 200 barrows. Deadline for entry of animals and payment of fees is Friday.

Fees are \$3 for each calf and \$1 per barrow or lamb, officials explained.

One of the big events will be the sale which follows the show Saturday, Jan. 18.

Three Firms Are Hit By Burglars; Losses Are Light

Investigation has been completed by Hereford Police Department of three burglaries which occurred in the city some time Monday night — in each entry was made by breaking a window on a south door and unlatching the doors from the inside.

The first was reported at Her-Tex Mills, Dairy Road, and is reported to have occurred between 7:30 p.m. and 8:45 p.m. One of the mill owners, Charlie Stone, discovered the break-in about 7:45 p.m. as he started to open a door on the south side of the office.

A hole, he discovered, had had been knocked in a window pane in the lower left-hand portion of the door near the lock. Officers believe that Stone or someone else scared off the would-be burglars. Nothing was reported missing from the office Tuesday.

The second break-in occurred at Southwestern Public Service Co.'s warehouse, 308 New York St. Persons entering the building's office are reported to have climbed a fence to get to the door on the south side of the building.

A window was broken out and the door unlocked, but nothing is reported to have been taken. The burglars existed by a north door.

The next firm hit in the series was Rockwell Brothers Lumber Co. with entry again gained through a south door leading into the office.

350 Animals Expected For Junior Livestock Show Here

With prospects of more than 350 animals entered, Golden Spread Western Junior Livestock Show is to be held at the Bull Barn Jan. 16-17 and 18, Colby Conkright, president, said this week.

Final arrangements for the show were made at a meeting of the show board in Chamber of Commerce headquarters Wednesday afternoon.

County Agent Lefty Thomas says entries this year will include 80 steers, 100 lambs and 200 barrows. Deadline for entry of animals and payment of fees is Friday.

Fees are \$3 for each calf and \$1 per barrow or lamb, officials explained.

One of the big events will be the sale which follows the show Saturday, Jan. 18.

Judging is to take place Thursday and Friday, but due to mid-term examinations in which many pupil-exhibitors will be taking part, the judging times have been reset for after-school hours, officials said.

Barrows are to be judged at 4 p.m. Thursday, lambs at 4 p.m. Friday, and steers at 7 p.m. Friday.

Barrows are to be in place by 10 a.m. Thursday, Jan. 16; lambs by 5 p.m. that day and calves by 10 a.m. Friday, Jan. 17.

In addition to Conkright, C. Palmer Norton is also a general superintendent. Division superintendents are Dwaine Walker and Jamie Clearman, steers; Don Jackson and W. Harmon, barrows, and Scotty Windham and Tom Hefferman, lambs.

Members of the executive board include Henry Sears, Conkright, J. C. McCracken, Bill Dameron, J. F. Martin, Floyd Driver, Paul Conaway, Bill Waldrep, Bill Davis, Earl Phillips, Palmer Norton, Pete Buske, A. L. Black, Raymond Thompson, Lefty Thomas, Jess Robinson, Floyd Cole, and Bill Thompson, secretary.

400 Expected For District Lions Conclave In Hereford

Hereford Lions Club will be host to the 60-club Mid-Winter Conference of District 2T-1 of Lions International here this weekend, J. F. Martin, president, announced Wednesday. Four-hundred are expected to attend the meeting.

The sessions are to be held at Jim Hill Hotel, at the high school auditorium, and in the high school cafeteria, and at Western Wheel Inn. Labry Ballard, Hereford, is general chairman.

Areas includes most of the Texas Panhandle, ranging from Friona to Shamrock and from Perryton to Dimmitt. Martin explained, Steve Stephens, Amarillo, is district governor.

Registration, with the Friona club in charge, will start at 2 p.m. Saturday at the Jim Hill hotel, with a buffet supper scheduled at the hotel at 7:30. A dance is planned from 9 until midnight with Charlie Bell's orchestra providing the music.

Sunday's program will open with a cabinet breakfast at 7 o'clock at Western Wheel Inn,

followed by a cabinet meeting in the board room at the high school at 8 o'clock.

Church services are to be held in the high school auditorium, starting at 10:45 when Wayne Thomas, an attorney, will present, "The Trial of Christ."

Charlie Dean, International Counselor of Lions, is to deliver the address at the luncheon Sunday in the high school cafeteria, and afterward group conferences are to be held. Tall-twisters' forum will have Steve Bavousett and Joe Phillips as chairman. Ralph Ireland and Ralph Thomson will be co-chairmen of the secretary-treasurers' forum, and Bill Hunter and Don Zimmerman are to be chairmen of the presidents' forum.

Exchange students and women who are to be here for the conclave will have a social hour at the Community Center, starting at 2:15 Sunday afternoon.

Members, Ballard said, are to be divided into two groups — "Rebels" for members living

south of U. S. 66; and "Yankees" for members who live north of U. S. 66. Members will wear badges for their respective groups and will be fined if they fail to do so, Martin said.

Local chairmen include: food, Roy Hartman; Exchange students, Judge H. C. Williams; table arrangements, Aubrey Cook; decorations, Bill Gentry; reservations, Virgil Justice; transportation, Wylie Quattlebaum; church services, Wayne Thomas; and luncheon chairman, Nell Cooper.

Among those who are to be here for the two-day meeting will be the district queen, Gayle Blake, Shamrock.

Officers of the local club, in addition to Martin, are Eddie Skypala, immediate past president; Buddie Evans, first vice-president; Raymond White, second vice-president; Hilrey Aven, third vice-president; B. F. Cain, secretary; O. Z. Golden, treasurer; Roy Hartman, Lion tamer; Wylie Quattlebaum, tall-twister; and Earl Holt, Ted Panchera, Albert Maxwell and Aubrey Cook, directors.

Time again for the annual Jr. Livestock Show. This year, however, the show will not be sponsored by the Rotary Club, but rather will be under the supervision of an organization set-up for that purpose only. Colby Conkright and C. Palmer Norton will be the general superintendents for the 1964 events.

And the show will sport a new handle for the coming years. The name, has been changed and it will now be known as the Golden Spread Western Junior Livestock Show.

That's all fine, and we're sure that the 1964 show will be even bigger and better than the many in the past. Without a doubt, the Hereford annual livestock show has been a model, copied throughout the state, but seldom equalled. It has been compared favorably with shows many times its size.

We do have one complaint however. The new name selected for the show is so dogged long, it takes all the know-how of veteran news men just to get the thing in headlines. We always thought the "17th Annual Junior Livestock Show" was long, but when you drop back and say "1st Annual Golden Spread Western Junior Livestock Show" you've really got a mouthful.

But, we'll not fall out with the folks who are now running the show. In fact, we wish them the best of everything, and will be happy to help in any way that we can.

Of course, Conkright and Norton are not exactly beginners at this show business. They have been active with the organization since its inception some eighteen years ago, helping the Rotarians and working with the kids to make the show a success. We know they'll do a top-notch job.

The show dates have been set

for January 16th, 17th and 18th.

Mike Justice, a resident of Hereford since 1950, this week filed for the city commission, place 4. Justice seeks the commission spot now held by Dale Tinnin. Tinnin has not announced re-election to date.

The election, to be held Tuesday, April 7, will fill two commission spots. As far as we know at this time, neither of the incumbent commissioners, Bill Howard or Tinnin, have filed. However, there is sufficient filing time left and we may have a raft of candidates before the final deadline.

—HB—

We had planned to move the Hereford Brand this week end, but some unexpected problems arose so it looks like we'll postpone the deal another week. Naturally, we're all anxious to move into our new quarters, yet no one is particularly anxious to tackle the chore of moving. And it is a chore, just in case you haven't moved lately.

We have brought in another linotype machine that we purchased recently and placed it in the new building. Lloyd McGee dropped by just in time to assure us the machine would not go through the door. However, we want to report to Lloyd that he was wrong. We will admit that it scraped a little paint off the door jam, but any miss is as good as a mile. It's always nice to have friends drop by to help you move (or heckle) and we'll remember Lloyd if he ever moves his furniture store.

—HB—

And speaking of moving, it looks like Roberts' Appliance will be moving shortly to a new location on third street. Roberts is quite proud of the new building, but he to, is rather hesitant about moving. It isn't so bad... but then it isn't so much fun either.

—HB—

Claude McClure dropped by the office to let us know that his new Soft Spray Car Wash is now in operation. The new Hereford business is located at 107 Avenue A, just north of the Park-A Drive In.

Twenty-five years from now there will be letters to the editor about how all the juveniles are delinquent on account of they don't have the old-time chores around the home any more, like turning up the thermostat every morning or pushing the buttons to open the garage door. — Minneapolis Star.

Mrs. Ann Cummings will teach 4th grade at Northwest Elementary, succeeding Suzanne Dole who is moving with her husband to a farm near Littlefield. Mrs. Cummings is a graduate of West Texas State University.

Merle Campbell, who had been on leave, will return as speech therapist.

Stevens told the board that school enrollment, which had failed to decline after harvest as in previous years, finally had started to move down from its all-time high.

He said enrollment Tuesday stood at 3444, — 64 less than the previous month. The enrollment, however, is still far ahead of last year's figure which stood at 2916 at this same time of the year.

By schools, the present enrollments are; Aikman elementary,

477; Central Elementary, 430; Northwest Elementary, 678; Shirley Elementary, 507; Stanton Junior High, 549, and high school, 803.

The board also agreed to issue a deed to a small plot of ground once used for Mayfair school, abandoned a number of years ago. The original deed had a reversion clause and board members were asked by the heirs to issue a deed to the property to clear the title.

In the show, in addition to Thomas, are Charles L. Hottel, Dimmitt; Deyrl L. Coker, Farwell, and Justin T. McBride, Vega.

Officials say these FFA instructors also plan to have entries in the show: Robert T. Williams, Vega; Guy W. Finstad, Boys' Ranch; John P. Jones, Bovina; Robert Morton, Farwell; David McVey, Friona; Benny Pryor, Friona; Scott E. Wendell, Lazbuddie; Elroy Otte, Dimmitt; Lanny Tucker, Hart; Tom D. Heffernan, Nazareth, and Jerry Mathes, Hart.

The sale is slated to start Saturday, Jan. 18 at 1 p.m. Animals to be sold will include the champion lamb in each class, the grand and reserve champion barrows, 32 top steers in the show, 21 top lambs and 48 barrows.

Another feature of the show will be the annual livestock judging contest by FFA and 4-H club members, scheduled for 9 o'clock Saturday morning, the final day of the show.

WHY

MINNESOTA'S RED RIVER VALLEY CERTIFIED SEED POTATOES?

NORTHERN-GROWN

Even before scientists told us why... Northern Grown Seed was recognized as the best performing wherever it was planted. It had the zip and punch to produce an Extra Good Crop. It didn't "run-out" as fast as others. It had a "built-in vigor" that brought forth hardy, clean potatoes in abundance. Long days and cool nights are a factor. Minnesota's Red River Valley is right up on the Canadian border where full advantage of nature's favors of climate, soil and geography make it the best place in the nation for the production of good seed potatoes.

RED RIVER VALLEY:

The largest production area in Minnesota, includes eleven northwestern counties of the state. This area is the bottom of prehistoric Lake Agassiz—its glacial silt, rich in minerals, is a fine textured, black soil with varying admixtures of sand and clay on the eastern slopes of the Valley. The Red River Valley is recognized as one of the WORLD'S BEST POTATO RAISING SECTIONS. Ideal climate and growing conditions produce seed potatoes that are tops in vigor. Leading varieties are Irish Cobbler, Red Pontiac, Red LaSoda, Norlin, Kennebec, Russet Burbank as well as others.

KNOW-HOW:

Minnesota's Red River Valley has been in the Seed Potato Business since the early days of farming in this great agricultural area. Over 40 years ago, a pioneer thinker and doer in the Seed Potato Business set in motion one of the first Seed Potato Certification systems. This pioneer, dedicated to a rigid system, has developed an effective and recognized staff that knows Seed Potatoes. The growers of Minnesota's Red River Valley take great pride in the crops they produce... and in many instances the third generation is now carrying on the traditions of families who started the Seed Potato Industry in Minnesota. These are the people with the "know-how" that turn out Extra Quality Certified Seed Potatoes.

RELIABILITY:

It takes integrity with rigid attention to detail in our Foundation Lots, increased under expert care and supervision, inspected many times in the field by only the best inspectors... and finally bagged and shipped under the watchful eye and a written certificate of a State-Federal Produce Inspector. Such established and maintained "team work" builds a conscientious program of care, integrity and results... another important reason why Minnesota's Red River Valley has a front rank position in supplying Certified Seed Potatoes to the nation.

LOOK FOR THE BLUE TAG:

This official Blue Tag of inspection and certification on each bag of Minnesota Certified Seed Potatoes is your "Guardian of Trust." Each bag of Minnesota's Red River Valley Certified Seed Potatoes must carry this tag showing variety, name and address of the grower. In addition, most tags show the area in which the seed was grown to further assist you in your selection of the seed for your requirements.

WHEN YOU SHOULD BUY:

Generally there is always enough good seed potatoes available but do not be misled by acreages of certified seed plantings and stocks available that appear in many reports. Elimination by inspection, diversion and the demand by processors who have found premium quality to pay out better are factors influencing availability of Seed Stocks. Buy your seed early and be assured of getting what you want and need.

WHERE TO BUY:

Good Blue Tag Certified Seed Potatoes are available from your seed dealer, direct from the grower or through brokers and agents. Large buyers can deal directly with growers or brokers. A list of Minnesota's Red River Valley Certified Seed Potato Growers is available on request. Make your deals early!

north of the school on Avenue K and calls for construction of approximately 200 homes.

Developers of the new addition are reported to be seeking annexation of the addition. According to Rayne they have agreed to pay approximately \$20,000 toward the cost of the sewer facility.

At present, areas north of 15th Street cannot be served by city sewer service due to the fall of the land.

Bids on the line and lift station are to be tabulated at the Commission's first regular meeting in February.

In other action, the zoning ordinance was amended in order to allow areas to come into the city carrying a zoning designation other than "A" residential.

Before the amendment was passed, areas annexed were brought in with the "A" designation and had to be rezoned by petition to the city's zoning board.

With the change, areas annexed voluntarily or involuntarily may be brought in with other classifications.

A request by Hereford doctors to close a portion of an alley between Miles and Lee in the 300 block was withdrawn after it was learned the city was to face a two-cent penalty on fire insurance key rates.

REP. ROGERS WRITES

LBJ Faces Imposing List Of Problems During Year

As we turn the corner into the new year, each of us looks down the long road marked "1964" to take a reading on what lies ahead in our personal and professional futures in the future of our Nation. No man in the United States can look forward to a more imposing array of problems, a greater mental and physical burden, than those which face the President. Having been thrust suddenly into the world's most critical leadership position by the assassination of President Kennedy, President Johnson faces challenges of magnitude and delicacy never before faced by a U. S. President. I have every confidence that President Johnson will meet these challenges with courage, intelligence, and imagination, in meeting his responsibilities, the President will be as aware as any other American that this is an election year and that political considerations require that he establish a record in his own name before November. But the obligation for a President of the United States to perform well goes far beyond purely political considerations; in these times, the very survival of the nation and the Free World can hinge on how well a president meets the challenges that are his alone to meet. President Johnson, looking down the 1964 road, can find his resources tested in an endless parade of problems involving our relations with the world: Cuba continues under armed Communist domination, a Red horn in the side of the Western Hemisphere; the costly and near stalemated war continues in South Viet Nam—a war bringing a rising toll of American casualties; South American countries are under the eroding subversive pressure of Cuban, Russian, and Red Chinese brands of communism; France, under DeGaulle's "France comes first" leadership, poses problems for the solidity of the Atlantic Alliance; Italy's new government contains the threat of growing neutralism in that country and more problems for NATO. The political storm is rising in Britain with an election showdown between Conservative and Labor parties likely to come this spring; Berlin remains a Cold War tinderbox as does the continued division of Germany; the European Common Market creates new trade challenges for the United States; our balance-of-payments deficit, created primarily because of our commitment to stand off Communist thrusts beyond our shores, defies easy solution; the threat exists

that France and Red China will soon become members of the "nuclear club;" Russian subversion is again posing threats to the new states of Africa; tensions are rising in the Mid-East; and the so-called "non-aligned" nations are resisting firm ties to either the Free or Communist worlds while seeking the favors each can bestow, and thereby are creating new problems in the delicate power balance. There are other problems no less vexing than these—and each requires that the President of the United States give close and judicious attention. Domestic problems, all per-include tax reduction and reform; civil rights; the level of defense spending and the assignment of defense expenditures; farm problems (including wheat); medical care legislation; aid to education; unemployment; and many others. The foreign aid program, under constant fire for a number of years and sure to remain mired in dispute, could be termed a program half domestic and half foreign in nature. The importance of proposals regarded as purely domestic is heightened by the absolute necessity of the United States to maintain its economic stability so as to be able to work in the world from a position of strength. But foreign affairs policies, programs, and strategies are paramount considerations for a President who, by the Constitution, is charged to function as the chief architect of American foreign policy. With the other Presidents who have held that lonely post in the years since World War II, President Lyndon Johnson is well aware that a serious mistake in foreign policy could mean the incineration of the Northern Hemisphere. Despite a phalanx of advisers and staff assistants and experts of every kind, the final decisions in the foreign policy area remain the President's to make. It is hard, hard, hard—and very lonely work. And so, I would urge all Americans regardless of political party or political convictions to respect the President and his office and the enormity of his duties; to recognize the Constitutional obligation that is his to formulate a program of legislation and to lead the Nation's foreign policy; to acknowledge the love he shares with us for our country; to acknowledge his boundless desire to see our country prosper in continued safety and full sovereignty; to support those programs we can support, to reject those we can not support—but to support or reject in a spirit of good will and with a willingness to examine the opposing point of view; and, of course, to pray to Divine Providence that our President will continue to have His guidance and be strengthened thereby.

FOUR COMMONWEALTHS FRANKFORT, Ky. (AP) — Only four states, Kentucky, Virginia, Pennsylvania and Massachusetts, use the term "commonwealth" on official documents and the like.

The expression dates back to Oliver Cromwell who created the Commonwealth of States or Colonies of Great Britain.

Virginia, Pennsylvania and Massachusetts were commonwealths of Great Britain before the Revolutionary War and incorporated the word into their names when they separated from the mother country. Kentucky, once a part of Virginia, retained the term "commonwealth" when it became the 15th state in 1792.

FIRE WATER RICHMOND, Ky. (AP) — Water was partly to blame for the fire in Mrs. Woodrow Hinkle's auto. She had left several jugs of water on the floor behind the front seat and several hours later smoke began pouring from the vehicle. The Fire Department said sunshine filtering through the window and a water-filled jug ignited the carpet. One of the oldest settled sections of the U. S. A. is the Shendoah Valley. William McKinley was the last Civil War Veteran to become president of the U. S.

Adrian Firemen Name New Officers

By Ann Beavers

Adrian Volunteer firemen have named new officers for 1964 with Earl Brown as chief; Wilbur Harris as first assistant; W. B. Betts, second assistant; Grady Skaggs, secretary and treasurer; and Bill James, fire marshal.

Kathy Kromer of Adrian has been named to the mid-term honor roll at Lubbock Christian College, according to Dr. Jack W. Bates, academic dean.

Her grade point average was 3.33; a pupil must have an average of 3.25 to make the honor roll. She was one of 29 freshmen out of a class of 308 who achieved this honor.

Miss Kromer, a business major at LCC, is the daughter of Mr. and Mrs. F. A. Kromer.

Mr. and Mrs. Ernest Franks are in the process of moving to Panhandle this week after having lived in Adrian for 38 years. He moved here in 1926 from Umbarger and first worked for Chafin Glasscock at the general store. In 1939, he bought the store which he continued to operate until 1962 when he sold the store and retired.

He and Mrs. Franks, the former Velma Story, have reared three children.

Mr. and Mrs. Lloyd Hornfield and daughter from Amarillo visited the C. F. Hornfield family here over the weekend.

Mrs. Pauline Maupin and children from Santa Rosa visited the Pat Maupin family last week.

Mrs. Rosie Gulledd from Dumas visited the Jim Voyles family during the New Year's holidays.

Miss Emma Bales visited her daughter and family, the Kermit Ponds, in Canyon. They were among 23 relatives on hand for Christmas dinner. Mrs. Bales afterward visited in Teague with Mrs. Beulah Cain before going on to visit her mother, Mrs. Ester Webb, at Groesbeck.

Mr. and Mrs. Curtis Palmer from Garden City visited the Howard Engle family last Monday and Tuesday.

Mr. and Mrs. Chubby Sasser and son from Hereford, visited the Manuel Loveless family over the weekend.

Mr. and Mrs. Charles McFee had Mr. and Mrs. D. F. Reddings from Pampa as guests over the weekend.

Mr. and Mrs. Howard Engle and girls spent the Christmas holidays in Big Spring visiting the Dewey Engle family and Mrs. Edna Malone.

Mr. and Mrs. J. M. Townsend and daughter, Terry, from Hereford visited the E. E. Allen family Sunday.

Mr. and Mrs. Lee Sifford and children from Gruver visited the Herman Sifford family over the weekend.

Sunday dinner guests of the Floyd Brown family were Mr. and Mrs. Billy Brown and children and Mrs. Irene Brown and Davis; Finis Brown and Miss Kay Vick, all from Dumas.

Miss Susan Ballard from Hereford visited her grandmother, Mrs. Bessie Spande, last week in Adrian.

Mr. and Mrs. Jimmy Don Voyles are the parents of a daughter born Dec. 29 in Lubbock. Her name is Jamie Labeth. The paternal grandparents are Mr. and Mrs. Jim Voyles of Adrian.

Mr. and Mrs. Danny Wagner spent the weekend in San Jon, N.M. with Mr. Jackson.

Mrs. L. D. Adkins and children from Skellytown and Mrs. Henry Scott from Vega visited the Butch Betts family Sunday.

Word has been received in Adrian of the death of Mrs. Frankie Shaw, who died in Las Vegas, Nev. after a lengthy illness. She had been spending the winter with her son and family, the Henry Shaws.

Mrs. J. E. Thomas from Hereford, Mrs. Harmon Liles and Miss Paty Shaffer from San Jon, N.M., visited Sunday with the Alford Jobe family.

James Eric Voyles from Lubbock spent the Christmas holidays with the Jim Voyles family. They took him home Saturday and spent Sunday and Monday with the Jimmy Voyles family.

Gamez Is Named Unit Officer

Second Lt. Benjamin Gamez of Hereford has been appointed commanding officer of the Fort Ord, Calif., unit, Company B, 3rd battalion, 3rd brigade.

Mrs. Pauline Speed left Thursday to visit her son, Bert Speed, in Nashville, Tenn. Her son is employed in Mammoth Cave, Ky.

Matadors of Adrian defeated Stratford 66-42 in last week's Stratford tournament with Mack Fortenberry of Adrian scoring 10 points and Duane Pittman of Stratford making 29 points. Adrian also defeated Texhoma, Okla. 49-46 with Ricky Gruhlkey tallying 13 points and Herb Hale of Texhoma making 14.

Adrian girls lost to Hartley 36-34 in a double overtime. High scorers were Coralie Fortenberry with 16 points and Emma Jo Lasley of Hartley with 23 points.

James Gibbs invented the chain-stitch sewing machine.

He succeeds First Lt. Jerome A. Diamond who has just completed two years of active service. Gamez will take over his new post Jan. 15.

Gamez, with 13 months of active service, is the son of Mrs. Horace Gamez, and is a graduate of Hereford High School. He holds a bachelor's degree in business administration from West Texas State University.

He also has completed a course at the Quartermaster School, Fort Lee, Va.

Lt. Benjamin Gamez

LET'S COOK SOMETHING!

Macaroni Fruit Salad Is Among Mrs. Hoover's Favorite Recipes

By Dale Stevens
Brand Foods Editor

Mrs. Charles Hoover, 301 Sunset, prefers foods which are quickly and easily prepared. Her husband and her children, Connie, 11, and Debbie, 9, are "very easy to please" and take their turns in the kitchen also.

Reared in Portales, N. M., Mrs. Hoover met her husband while they were students at Eastern New Mexico University. He was reared in Deaf Smith County and is a farmer and rancher. After their marriage in 1949, they lived near Hereford until about five years ago, when they moved to their home on Sunset Drive.

3 cups flour
2 cups sugar
1/4 cup cocoa
3 t. soda
1/4 t. salt
2 t. vanilla
1 cup buttermilk
1 cup cooking oil
1 cup boiling waer.

Beat eggs; add oil and buttermilk. Sift dry ingredients together several times. Add to liquid and mix at medium speed. Boil water and add to mixture; add vanilla. Pour immediately into greased and floured 9 x 12 pan. Bake at 325 degrees for 42 minutes.

Mrs. Hoover keeps records of her husband's registered cattle and helps get them ready for shows. She is a member of Valeda Study Club and sometimes joins her husband in bowling.

Macaroni Fruit Salad
2 cups macaroni, cooked and drained.
1 cup diced pineapple
2 oranges
1/2 cup miniature marshmallows
1/2 pint whipping cream, whipped

Mix first four ingredients and fold in whipped cream. Top with sauce.

TOMMY BEZNER RECEIVED an award for his speaking at the regular meeting of the 4-H Public Speaking groups Tuesday evening. The awards were presented to 4-H members at the regular meeting. Another award went to Joann Marnell. (Staff Photo)

Sauce
1 cup pineapple juice
1 T. flour
1/2 cup sugar
Mix and cook until thick.

Hominy Grits
6 cups water
1 1/2 cups grits
3 eggs
1 1/2 sticks butter
1 pound cheese, grated
2 t. salt
3 dashes Tabasco sauce
Garlic salt
Paprika

Cook grits in boiling salted water for two minutes. (Cook like oatmeal) Beat eggs; add with butter and seasonings to grits. Put in baking dish and bake at 325 degrees for one hour.

Peanut Butter Cookies
1/2 cup peanut butter
1/4 cup shortening
1/2 cup brown sugar
1/2 cup sugar
1 egg, well-beaten
1 cup sifted flour
1 t. soda

Cream peanut butter and shortening; add sugar and continue to cream until light and fluffy. Add beaten egg and sift in dry ingredients. Drop one teaspoon at a time or in small balls on cookie sheet. Press down. Bake 10-15 minutes at 350 degrees. Makes 4 1/2 dozen.

Hallanger-Stehr Ceremony Read In Iowa Church

Miss Elizabeth Julia Hallanger and Cecil Stehr were married recently in Holy Cross Lutheran Church, Davenport, Iowa. The ceremony was read by the Rev. W. S. Wendt, pastor. Attendants were Miss Wanda Gutzhardt and Kenneth Lawrence.

The bride is the daughter of the Rev. and Mrs. F. S. Hallanger, Tanamarive, Madagascar, where her father, is a Lutheran missionary. She received her education through high school in Madagascar and then attended Iowa University. She is now a student nurse at St. Luke's Hospital.

Parents of the bridegroom are Mr. and Mrs. J. T. Stehr, Route 2, Hereford. A graduate of Dimmitt High School, he attended Texas Technological College and is a student at Palmer Chiropractic College, Davenport.

should you pamper a Princess?

Depends on which princess—the teenager or the telephone. All teenage princesses—so we're told—glory in a little pampering.

But the Princess® telephone is so well made and trouble free that no pampering is required. Just dust it occasionally or wipe it with a damp cloth.

That, plus a little care in handling, is all the attention any phone needs. And phones almost never need repair—but if something does go on the blink, we'll fix it promptly at no extra charge.

We think it's our job to keep right on improving your telephone service and making it of greater personal value to you.

Making telephone service better to serve you better

Agent Suggests Storing Family Papers Carefully

By Argen Draper
The home demonstration clubs are beginning the new year right by appraising the family business. Part of the study is "Your Valuable Family Papers."
Do you know where they are?
Do you keep your valuable papers up-to-date?
How often do you revise your family papers?
Your valuable papers should be organized so that all family members can find them and have an understanding of their value. In case of emergency, it may be necessary for some member of your family or even

a friend to transact business for you. If all your valuable papers are recorded and a record made of their storage place, much confusion and time can be saved.

Their programs are including Thrift. Before purchasing any item ask yourself these questions:
Do I really need it?
Does it go with what I have?
Can I afford it?
Evaluation:
Did it work — Time; energy; Satisfaction; self and family members.

This quotation is from "Management for Modern Families", Gross and Crandall. This is in regard to management of time.
In evaluating the management of time as of other resources, goals and values must be considered. As they vary, so do the methods of evaluation.

If the goal is to secure balance in use of time, subjective questions such as the following are the chief devices of evaluation:

Do I secure enough sleep and rest to feel refreshed upon awakening?

Are nonwork activities including recreation present in desirable amounts and kinds?

If the goal is to accept the limitation of time, another group of questions occurs:

Am I willing to omit activities that are less important in order to accomplish those that are more important?
As I willing to adopt flexible standards in order to meet the limitations of time?

Do I have a sense of hurry?
"Hurry is an attitude. — it consists of doing something rapidly while at the same time worrying about whether it can be done still faster."

Do I have a sense of accomplishment at the end of the day?
This book by Gross and Crandall is in the county library with a number of excellent books on family finance.

These taste good after holiday eating.

CHEESE ROLL
1 lb. Old English (blue box)
1-3 oz. Philadelphia Cream Cheese Blend
2 teaspoon Worcestershire sauce
1 teaspoon garlic salt
1 cup nuts, chopped
Mix-roll-in chili powder. Chill in refrigerator. Slice.

PEPPER POT
1 pt. and 1/2 of small chili peppers.
1 qt. vinegar
1 qt. water
Mix these three together in a gallon jar and add whole boiled eggs, weiners, vienna sausage, whole onions, (small) and such. Ready to eat in 24 hours. Don't leave eggs in container over ten days. Others will stay longer.

**Without ME
YOU
can do
NOTHING**

— so the vine said to the branches. Separated from the vine the branch became dead wood. We boast of our strength and the part we play but oh, how dependent on God we really are.

The physical body must have goods we cannot get except they come from God... air, food, water, companionship and even wealth. It is all part of a living universe. By itself all of this would be dead wood.

The Christian without Christ becomes fruitless... dead. The human is nothing apart from the divine. God not only created life. He also sustains it. Our health, strength, success are all God's gift. Better stop Mister, long enough to give Him credit. Without Him we can do nothing.

GREETING: You are hereby commanded to appear before the Honorable District Court, 69th Judicial District of Deaf Smith County, Texas, at the Courthouse thereof, in Hereford, Texas, by filing a written answer at or before 10:30 a.m. of the first Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, the same being the 24th day of February A. D., 1964, to Plaintiff's petition filed in said Court, on the 6th day of January, A. D. 1964, in this cause, numbered 4754 on the Docket of said Court, and styled BRADLEY INVESTMENT CORPORATION, Plaintiff, VS. IDA B. DAVIDSON, ET AL., Defendants.

A brief statement of the nature of this suit is as follows, to-wit: A trespass to try title suit in which Plaintiff, for cause of action, alleges to the Court that on or about the 10th day of December, 1963, it was lawfully seized and possessed of the following described lands and premises situated in Deaf Smith County, Texas, holding a and claiming the same in fee simple, to-wit:

TRACT NO. 1: The South 834.84 feet of Block No. 34; and the South 834.84 feet of the West one-half of Block No. 35; both of Evants Addition to the Town of Hereford, Deaf Smith County, Texas; together with the South 834.84 feet of closed Avenue A which lies between said Blocks Nos. 34 and 35; SAVE AND EXCEPT, the South 280 feet of the East 198.71 feet of said Block No. 34.
TRACT NO. 2: Lot No. 28 of J. B. Phillips Subdivision of Block No. 39, Evants Addition to the Town of Hereford, Deaf Smith County, Texas; being now a part of Southlake Addition to the City of Hereford, Deaf Smith County, Texas.
TRACT NO. 3: Lots Nos. 16 and 19; the South 20 feet of Lot No. 15; the South 20 feet of Lot No. 20; all in Northridge Addition to the City of Hereford, Deaf Smith County, Texas.
TRACT NO. 4: Lots Nos. 35, 36, 37, and 38, Gamez Subdivision of Block No. 37, Evants Addition to the Town of Hereford, Deaf Smith County, Texas.
TRACT NO. 5: Lots Nos. 1 through 5, inclusive, and Lots Nos. 27 through 31, inclusive, of a Subdivision of Block No. 43, Evants Addition to the Town of Hereford, Deaf Smith County, Texas.

That Defendants unlawfully entered upon said premises and ejected Plaintiff therefrom and unlawfully withheld from it the possession thereof, to Plaintiff's damage. Plaintiff further alleges in its petition that it has and holds title to the same by limitation under the three year statute of limitations of the State of Texas, the five year statute of limitations of the State of Texas, and the ten year statute of limitations of the State of Texas. Plaintiff prays for judgment for title and possession of said land and other and further relief to which it is entitled, as is more fully shown by Plaintiff's petition on file in this suit.

Much Activity, Many Firsts Are Highlights Of Semester

New honors and "firsts" have highlighted this first semester of the school year 1963-64.

Football season felt a new spirit as the victory bell made its appearance at all of the games. The bell was given to HHS by the Hereford Booster's club in March of last year.

This year will be the last for 12 graduating seniors as it will be the last season in which they are able to participate in high school football.

Football season saw another first. It was the first year a float honored the 1963-64 football homecoming queen and her attendants.

With the election of this

year's cheerleaders two firsts were seen as there were two junior cheerleaders and no head cheerleader.

This is the first year in the last three that the freshman class has been in high school.

As a result, HHS has two student counselors, Mr. Robert Thompson and Mrs. Earl Holt who is freshman counselor.

On the campus, located near the flagpole, the '63 seniors gift is the new monument. Last year's senior class gave as their gift a marble slab with the inscription "Home of the Fighting Whitefaces". The slab was laid in a back-

ground of white brick, which matches that of the school.

A glass bulletin board was placed on the wall outside the office for the first time this year. The board was purchased by the student council.

The board has a metal frame with the board's background being black. White letters are placed on the board and it is covered by a glass door which is locked.

Hereford's FFA chapters were honored this year as two of their members were elected as area officers. Kathy Boston was elected area president and Kathryn Barnard was elected area historian.

The FFA chapter received a similar honor as Arvell Williams was elected president of the Amarillo district of FFA and Gary Royal was elected vice-president of Area I.

Tri-Hi-Y's first year of open membership resulted in the increase of the number of members. Consequently, this year marked the first that the club has been divided into two clubs.

A combination of the class supper in co-ordination with raising money for the annuals was seen for the first time this year.

Usually the four classes would have held separate suppers, but instead, this year, they were combined into one function.

This year Pat Maxwell received the honor of being chosen for all-state band. Her alternates are Jerry McCathern and Kay Nell Reeves.

Mamie Silvertooth was chosen in the all-state choir. Her alternate is Joe Ella McGee.

All in all this first semester has been one of much activity.

One female horsefly may lay over 1,000 eggs in her lifetime.

Alaska comprises almost one-sixth the entire area of the U. S.

Root rot can be controlled by soil treatment to save expensive plants.

The pig market at Medford, Wisconsin, is the world's largest.

King cobras longer than 15 feet have been captured in Malaya.

Texas Christian University Is A Private School

Texas Christian University in Fort Worth is a college of arts and sciences, and is related to the Disciples of Christ Churches. It is a private university, and was established in 1873.

The scholastic aptitude test is required for admission to the university. Also required are 16 high school units. These are in English, four units; mathematics, two units; laboratory science, one unit; social science, two units; and four other units from the following subjects: foreign language, two or fewer units; fine arts, two or fewer units; one unit from commercial subjects, and one unit from home economics.

Since the university is not a state-supported institution, it has a tuition of \$640 per year. The room expense is from \$180 to \$270. Total cost, not including personal expenses, would be approximately \$1,150 to \$1,300 per year.

The enrollment at Texas Christian University is 2,418; 1,347 of the students are men and 1,071 are women. 15 per cent of the students are from out of state and 16 per cent are members of Disciples of Christ Churches.

The campus, which consists of 138 acres, is located in a residential area in southwestern Fort Worth. It takes about 20 minutes to get to the downtown area by bus.

Further information on Texas Christian University may be obtained from the Director of Admissions, University Drive, Fort Worth 29.

Most Colleges Require ACT Entrance Exam

The American College Testing Program test is offered four different dates. The first one was November 9. The next one will be Feb. 15. This test will be given at West Texas State University. Each student desiring to take the test must register by Jan. 25. The registration fee is \$4.00.

Mr. Robert Thompson, one of the school counselors, is accepting all registration papers.

This test is required by almost all the state colleges. There will be two more tests after February 15. There will be one April 25 and one on June 20. These tests will also be taken at West Texas State University.

PRACTICING ONE OF THE pieces she will play at All-State Band is Patricia Maxwell, daughter of Mr. and Mrs. Albert Maxwell. The Hereford High School student was recently selected for the honor after winning a position on the regional band. The All-State Band Concert is to be held in Houston with practice session beginning Feb. 5. (Brand Staff Photo)

Students Have 99 More Days At Hereford High

"Ninety-nine days of school on the calendar" is the song ringing through the halls of HHS as that is exactly how many days the students have left.

The schedule for the remainder of the year has as its first item the end of the third six weeks, and the end of the semester. Friday, Jan. 17, is designated as the mid-point in the 1963-64 terms.

The first "break" of the '64 half of the term comes Monday, Jan. 20 as HHS students will be dismissed, but teachers will stay at their posts as they settle records for the first semester.

Friday, March 6, marks the end of the fourth six weeks. During this six week's period the second to the last holiday will come.

Friday, March 31, school will be dismissed so HHS teachers may attend the Texas State Teachers Association meeting in Amarillo.

The last holiday will be the Easter vacation. This will begin Friday, March 27, and school will resume Monday, March 30.

Friday, April 17 will be the end of the fifth six weeks and then the 30 day count down will begin until the end of the sixth six weeks on Friday, May 29.

Pupils Moved Into Building In 1955

The new high school building was completed nine years ago by Goman and Grouch Construction Co. Mr. Don Martin, who was principal at that time, asked the 250 students to wear levis and overalls that day to help move into their new home of learning — the new Hereford High School. The date was Dec. 17, 1955.

Mr. Martin is now the counselor at Stanton Junior High, which is housed in the old high school building.

Stanton Junior High school, located one block south of the present high school's location, served as high school from 1927 until 1955. Students helped move into their new building of 23 rooms, which has then since expanded to 55 rooms. The new classrooms were added to the building last summer due to the expansion of school population — 815 students in all.

Along with the students, of course, came the faculty, which

then consisted of 18 members. Some of that same faculty has stayed with the high school. Those members are Mr. L. B. Russell, who taught history and coached football and is now principal; Mr. Joe Smith, teaching commercial law; Mr. Jess Robinson, teaching vocational agriculture; Mrs. Dorothea Prowell and Mrs. Margaret Durham, who both teach girls' and boys' homemaking.

Others are Mr. William Phillips, who taught math and science and is now teaching senior civics; Mr. Frank Jones, although moved back to the junior high, came back to HHS and is still teaching freshman English. Don Moore is still teaching choir and Mrs. Billy Buck is teaching civics and history. The faculty has grown along with the student body, and now consists of 48 members.

Although the curriculum consisted of all the required subjects

Friday night the Whitefaces travel to Perryton to start district play. All previous games and records are as worthless as the paper they are written on. These ten conference games will decide who picks up the marbles. The Herd has a 7-7 record at this point, with two non-district games left to play, both against White Deer.

But don't let this record fool you. This is not the first Hereford team to enter loop play with only a so-so record. The seniors of 1964, when they played on the "B" team in 61-62, entered district with a 3-12 record only to win the next ten games in a row to end the season with a 13-12 record.

Whiteface title aspirations suffered a severe blow last Thursday with the loss of Mike Ferguson, the Herd's leading scorer. Ferguson was forced to quit because of a heart ailment. This is the second loss to the Whiteface varsity in the last two weeks. Junior Frank Cain had to quit to have a shoulder operation for a football injury. Cain and Herd half-back Walter Williams were operated on last Friday.

Last Friday the Whitefaces lost to the Canyon Eagles for the second time this season. In a game in which a lot of shots were missed, the Eagles eked out a 41-40 overtime win. Jim Haney led the Hereford scorers with 11 points.

Games played over the holidays can be termed as "near disaster." The Whitefaces lost four out of five. In the Clovis Tournament the Herd dropped decisions to Amarillo Carver 53-60 and to Canyon by a 67-69 margin.

The single holiday victory came in the Roswell Tournament. Santa Fe fell to the Herd by a 54-53 score.

The Whitefaces were eliminated from the tourney by Austin of El Paso in a 64-52 defeat. Then came the Canyon defeat. But now this is all forgotten. Nothing counts now but the ten district games and the Whitefaces will be out to win these.

In the past two years the Herd has tied for the title with Dumas and lost in the playoffs. Maybe it will be different this year. (For the better!!)

Lubbock High Is Crowded This Year

"If a person tries to take 2,042 students and place them in one school building, he will probably come up with a somewhat crowded situation, which is exactly the problem around LHHS this year. Along with crowded conditions go the problems of traffic congestion, locker sharing, not enough space in the cafeteria, schedule changing, etc. that have arisen during the past three weeks."

Basketball Was Invented To Fill Winter Months

Basketball, the only American game that is entirely of American origin, was started by James Naismith, athletic instructor at Springfield College, Springfield, Mass.

Dr. Naismith experimented with a game to fill the gap between football and baseball for his bored classes during the winter months. This experiment took place in 1891 when his 18 students divided into two teams and tried to shoot a soccer ball into peach baskets.

Metal rings and nets eventually replaced the peach baskets. Until that time the game had to be stopped every time a goal was made so that someone could climb a ladder and get the ball back into play.

In its earlier times basketball was played more by professional cagers than by school players. Pros would sometimes play 100 games a season on as many as 12 different teams. On March 20, 1879, Yale University and the University of Pennsylvania played the first college basketball game.

The rules of basketball are drawn up by the National Rules Committee. This group includes representatives of the National Collegiate Athletic Association, the Amateur Athletic Union of the United States, the Young Men's Christian Association, the National Federation of State High School Athletics, and the Canadian Amateur Basketball Association.

"In fact, one bewildered Westerner after having her schedule changed soon discovered that she had been placed in a typing class where there was one less typewriter than students. This could be an unfortunate situation unless the student is gifted enough to learn to type without such an instrument. I wonder how she is doing?" — The Westerner World, Lubbock High School.

The LHHS orchestra will sponsor a "leaf rakin'" project to earn money which will be used to defer expenses on the orchestra's trip to Houston next month as honor orchestra to the Texas Music Educators Association Convention. The members will clear a standard-sized lot for \$2. One dollar will be charged for either the back or front yard of a standard sized lot. There will be an additional charge for larger lots. — The Westerner (Continued on Page 11)

Mr. Harmon Will Receive Masters In May of 1965

"I was granted a research assistantship to do research on 'The Economic and Efficient Use of High Plains Irrigation Water', and at the same time the research is being done I will be working on my Masters Degree in Agriculture Economics," stated Mr. Wyatt L. Harmon.

He expects to complete the research project and obtain his degree in May of 1965.

Mr. Harmon is the vocational agriculture teacher at HHS and is also one of the advisors in Future Farmers of America. He has taught in HHS for two and one-half years this month. At the end of this month he will enter Texas A&M University to further his education and work on the research he has been granted.

Before coming to Hereford to teach, Mr. Harmon attended West Texas University his freshman year and then went to Texas Tech where he was graduated.

IN A HARD FOUGHT game here Friday, Neal Lueb goes up with a Canyon player, Bob Evans, 13, as they contest for a rebound. Also in on the action is another member of the Herd quintet behind Lueb and Evans. The Eagles stalled out the Whitefaces and took a one-point 40-41 victory in an overtime period.

Patricia...

(Continued from Page 10) she switched from the clarinet to the French horn.

"This year has been the most fun for me because of being in regional and state bands," Patricia commented. "But, I have enjoyed all my years in band." In connection with this year's Whiteface band, Patricia said, "I think that it is going to be one of the best bands I have been in. I'm really proud to be in it."

Patricia received the pieces she will be required to play in All-State Jan. 4. She plans to play through the pieces first and become familiar with them.

"Then I will get Mr. Gollehon, Mr. Clyde Wilson, assistant band director, and Mr. Darrell Garrison, my private teacher to help me," she said.

"Patricia is one of the hardest-working and one of the best members that the Whiteface band has," said Mr. Gollehon. "It is kids like her who make America the great country it is. Most of the time these kids work hard for the whole group, receiving no special recognition and expecting none. Now, finally, Patricia has received the recognition she deserves."

Also going to Houston with Patricia will be Mr. and Mrs. Albert Maxwell, Mr. Wilson, Mr. Gollehon, Miss Mamie Silvertooth, a member of All-State choir, Mr. Joe Godfrey and Mr. Ivan Moore, choir director.

The pieces Patricia will be expected to play are "Illinois March" by Edwin Franco Goldman, "Symphony No. 3 Finale" by Shostakovich, "La Procession de Rocio" by Joaquin Turina, parts of "Suite of Old American Dances" by Robert Russell Bennett, "Sinfonia" by Clifton Williams, and "Night Flight to Madrid" by Kermit Lislie and Walter Lislie.

One of my husband's Christmas gifts was the book, *Loose Nuts on the Wheel*, written by Ogal Hartell Brown and published by The Naylor Company. It contains the stories of seven trips through 48 states made by Mrs. Brown, her husband, and another couple. The book was inscribed, "Hope this will bring back memories of your trips."

It did just that. We began to recall several weird trips to "points of interest" that we have made over the years, including the motels, the food, the outlandish costumes of tourists, and getting into situations both hilarious and near-tragic. But the trip we recall most

There are 11 married students going to Brownfield High School. "A coke machine which will help the junior class finance the Junior-Senior prom is a never ending enticement for students. During every free minute of the day the machine is surrounded by students who seem in a daze, but as they move away from the machine and taste its product their faces break into laughter and gleeful spirits return." left hanging on the clothesline two restraining garments necessary for wear with straight skirts. Somewhere in Tennessee I bought (what a hole that made in the meager funds) a brand highly recommended by friends. On the day we toured Washington, I wore it for the first time with my very chic new grey gabardine suit. All day as we walked up and down steps, that thing walked visibly and nerve-rackingly up and down my back. At Mount Vernon, to help matters, I noticed a thread dangling from the back hem of the skirt, which was slit at both sides. I pulled and, yes, the whole back hem dropped out.

Yes, we had learned to dress well in order not to attract more attention than the historic monuments. So Steve wore a double-breasted blue suit and his new white Stetson. Men dressed in similar style and carrying attache cases turned to stare along with the tourists, and the guide at the capitol, instead of asking our state as he did with all the others, said, "And what part of Texas do y'all hail from?"

It was snowing when we wound up the mountain to see Monticello, and our deep South Texas winter clothes were so obviously inadequate that the gracious hostesses were terribly concerned for our health. "I could go on, but that's enough to paint the picture. And it was a WONDERful trip."
