## Local Man Injured In Aircraft Crash

L. Ray Polvadore, 28, remained in serious condition in the intensive care ward at Northwest Texas Hospital shortly before noon Wednesday with injuries received in a plane crash north of Hereford Sunday morning.

Polvadore, who resides at 207 Greenwood, is receiving treatment for fractures of both legs and facial lacerations. He was taken to the Amarillo hospital Sunday after emergency treatment at Deaf Smith County Hospital.

Polvadore, an employee of Borden's Milk Co., was pilot of a 1948 Aeronca which plunged to the ground nearly one-half mile east of Milo Center on Farm-to-Market 1962 about 9:25 a. m. Sunday. He was the only person

aboard the Civil Air Patrol plane.

Highway Patrolmen who investigated the accident said the small aircraft had struck highlines of the West Texas Rural Telephone Cooperative on the south side of the highway and then went across the highway and hit lines of the Deaf Smith County Rural Electric Cooperative on the south side before striking the ground.

R. C. Crist and Willie Glass, who both live in that vicinity, arrived on the scene at the same time from different directions. The two men, along with a man who was with Glass, immediately crossed the fence and found Polvadore still seated in the plane.

Crist told the Brand that he quickly tried to think what action to take after looking in and seeing Polvadore covered with blood and attempting to get out of the plane in his dazed condition. Telling the other two men to do what they could for him, Crist went to call for help.

Thinking that Polvadore possibly was pinned in the plane, Crist quickly put a number of tools in his vehicle to see if he and the others could get the injured man out.

However, when he returned, Glass and his companion were just taking Polvadore out of the aircraft.

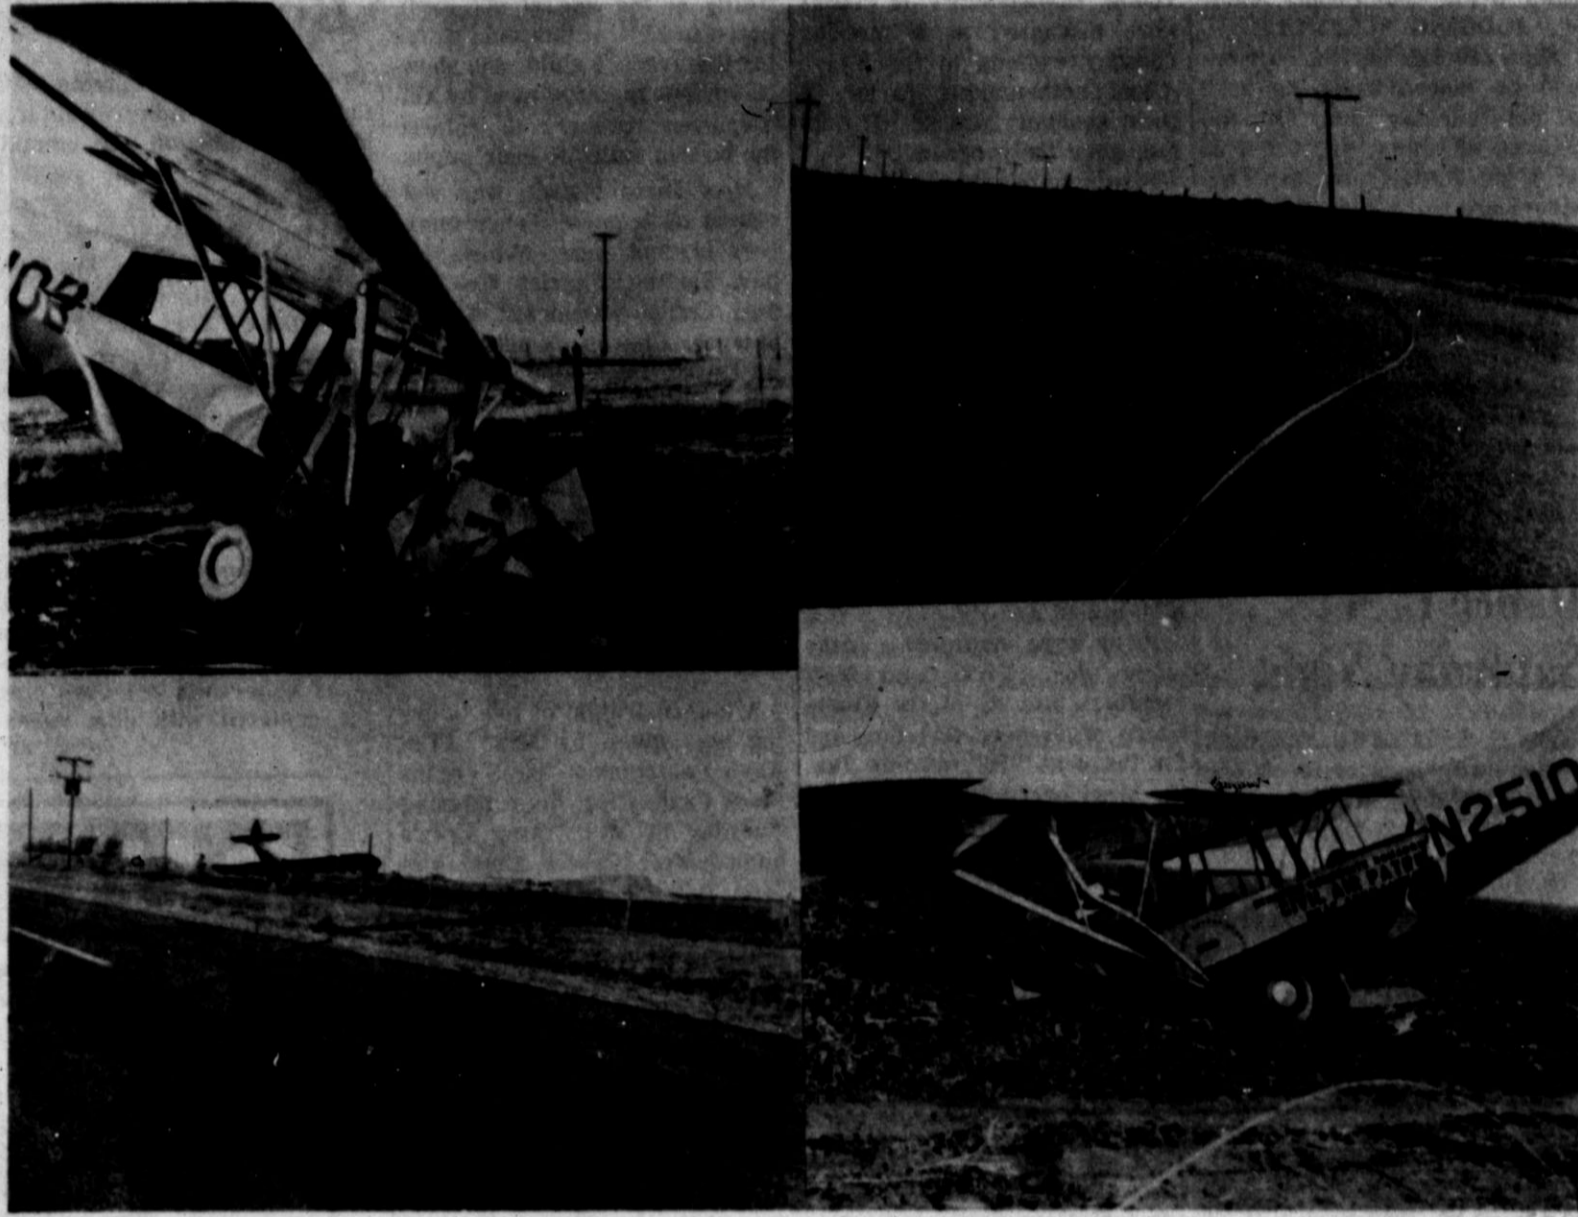

The men had discovered that Polvadore was drenched with gasoline, which was still dripping on him from the wings, so they had decided to get him out if they could and away from the plane.

Crist said Polvadore had turned off the ignition and fuel and unbuckled his seat belt before they had arrived. The pilot, said Crist, was conscious, but could not comprehend what they were saying to him.

The three men estimated that Polvadore had been there about 20 minutes before they discovered him, because Glass had passed the spot some 20 minutes earlier and had not seen the plane. They believed the crash had occurred shortly after Glass had passed the first time.

Patrolmen said a total of six highline poles were knocked out of the ground. They estimated from \$8,000 to \$9,000 damage to the telephone lines and about \$200 to the electric lines. Workers of both companies were quickly on the scene to clear the highway.

Cause of the crash has not been determined.

**AIRPLANE CRASH** — Pictured here are scenes of the plane crash about one-half mile east of Milo Center Sunday morning in which L. Ray Polvadore of Hereford was injured. The top right photo is facing southeast and shows damage done when

the plane apparently hit the highline wires on its downward flight. The bottom left photo faces northwest and shows how the plane continued across the highway and into the field. See story for details.

## On Monday Night

## Mother's March Is Early This Year

Mother's March for the annual March of Dimes campaign will be held in Hereford on Monday night, according to Deaf Smith County Campaign Chairman W. C. Russell. The Mother's March is sponsored again this year by La Madre Mia Study Club.

The Monday date will mark the earliest collections have been asked here for several years. Russell explained that the March of Dimes usually has its door-to-door campaign later in the month. However, this year La Madre Mia Study Club decided that opportunities would be better in the middle of the month.

CPA with Brown, Graham and Glover in Hereford.

Russell reported that this year's headquarters for the Mother's March would be the Hereford Community Center.

George P. Voss, vice-president for public relations for The National Foundation — March of Dimes with offices in New York, reported that throughout the United States they will again conduct their traditional drive to raise funds to fight birth defects. In prior years, the March of Dimes had been conducted to finance a cure for polio — and it was so successful that the

## Young Farmers List Rules For Junior Livestock Show

Rules and regulations covering the annual Hereford Young Farmers Junior Livestock Show, set for Jan. 30, 31 and Feb. 1, have been announced by general superintendents Larry Dobbs

and Larry Kaul.

Entry cards already have been mailed to exhibitors and must be returned along with entry fees to the Hereford Young Farmers Junior Livestock Show, Inc., Box 1091, Hereford — prior to Jan. 25.

No animals will be accepted in the show unless entry cards and fees are received prior to Jan. 25, superintendents stressed.

Entry fees have been set at the rate of \$4 per calf and \$2

per barrow or lamb. Each exhibitor entering livestock in the show gives permission for the

animals to be used in the 4-H and FFA judging contest, with the exception of the Grand Champion and Reserve Champion.

Again this year, Deaf Smith County exhibitors will compete in a separate show and then enter the Four County Show along with Castro, Oldham and Parmer county entries — all at the Bull Barn. Only two calves, two lambs and two pigs may be shown by one exhibitor in the Four County Show, and the same rule applies for the county show.

Steers must weigh 650 pounds and over to be eligible to show; barrows must weigh 180 pounds and not over 240 pounds to be eligible to show, and lambs must weigh 70 pounds and not over 120 pounds.

**CALVES**

Calves will be divided into light and heavy class of Herefords, and light and heavy Angus and other breeds, for judging. Crosses will show in class represented by the sire. The first and second place winner in each class will compete for the Breed Champion and Reserve Breed Champion calf. No steer will be allowed in the show that does not carry all his milk teeth.

**LAMBS**

There will be four classes of lambs — finewool, finewool crossbreed, medium wool, and the Southdown, Shropshire, Mon-

See SHOW, Page 2

Mrs. Hershel Black, president of La Madre Mia, reported that the Mother's March would be conducted Monday night unless there is adverse weather that would prevent volunteer workers from conducting the campaign. In such case, the March would be postponed.

La Madre Mia is scheduled to have a meeting tonight in the home of Mrs. Harvey Penner, where the city will be divided into districts for each group to cover a certain area of the city. The March will be conducted much the same as it was last year, Mrs. Black said.

Mrs. Penner was president of La Madre Mia last year. In the March were 182 people covering 24 areas of the city, with 21 club members remaining at the First National Bank Community Room headquarters to keep track of operations and collections. On that night (Jan. 29, 1968), a total of \$2,046.75 was collected — with an additional amount coming into the campaign later. Russell was the 1968 campaign chairman. He is a

## 4 New Police Cars Are Bought By City

Four new cars for the Hereford Police Department were purchased by City Commissioners during their regular meeting Monday night, with Dishman-Hale Chrysler-Plymouth, Inc., being low bidder on the vehicles.

The 1969, four-door Plymouth Police Special Package was bought by the city for \$10,767, with no trade-in. Each car, which will have a 318-cubic inch V-8 engine, also will be air conditioned.

It was decided to have all four of the new cars air conditioned since the cars will have a better trade-in value in the future, and commissioners felt it "may boost the morale of the officers." In the past, commissioners have bought only one car with air conditioning each year.

Other bids submitted on the vehicles include Orval Watson Ford Sales, with a bid of \$10,319.57 on four vehicles and only one air conditioned. Additional air conditioners were \$287.89 each. Orsborn Chevrolet-Olds submitted a bid of \$11,072, with each air conditioner \$277.40.

The cars now being driven by police will be sold through bids when the new vehicles arrive in about 45 days.

Two requests for rezoning were approved by commissioners. The first request was that Lot 5 of the West Acres Addition be rezoned from a "B Residential District" to a "D Restricted Local Retail District."

The other request was that the North 50 feet of the Town of Hereford and Additions be rezoned from "C Multi-Family District" to "D Restricted Dis-

trict." The property faces Ninth, Lee and 25 Mile Avenue. Both of the requests had previously been approved by the Zoning Commission.

Commissioners rejected a bid of \$535 an acre for property on Fifteenth Street near the city dump grounds because the bid was too low. They will continue to receive bids.

The water and sewer contract the city has with H. B. Jordan and Company was extended so that the firm can begin work on the property recently annexed in South Hereford. City Manager Dudley Bayne told commissioners that the company had done excellent work for the city and extending the contract would eliminate the city having to call for bids on the work.

A contract change with Brodie Construction Company was made so that the company can begin making additions to the city's booster station. The additions are necessary since the city has been unable to find good water at the Wilson & Company site and the water used at the meat packing plant will have to come from a location in South Hereford.

Bayne reported that the change will save the city about \$800.

A report on building permits for 1968 was reported to commissioners by Bayne at the close of the meeting. Officially, there were 213 permits issued during the year totaling \$3,337,020.

A breakdown shows there were 123 permits for new residences totaling \$2,323,800; 6 permits for duplexes totaling \$87,500; 1 permit for an apartment house totaling \$168,000; 17 permits for commercial construction totaling \$390,150; 10 permits totaling \$257,000 on tax exempt buildings (schools, hospitals, etc.) and 56 permits for additions totaling \$110,570.

There were 159 living units in the construction permits,

## Committeemen, Directors To Be Elected

The High Plains Underground Water Conservation District is holding its annual election of district director and county committeemen, Tuesday, Jan. 14, it was announced.

In Deaf Smith County, the nominees for county committeemen from Commissioners Precinct 2 are W. L. Davis Jr. and Roland W. Hairgrove.

The nominee for district director is John Douglas Pitman.

Another issue to be voted on will be the annexation of Crosby County into the water conservation district.

The voting place in Deaf Smith County will be the county courthouse in Hereford.

## City Officials To Crack Down On Abandoned Autos

City officials have announced a crack down on abandoned vehicles on any street, right of way, alleys or public property.

City Manager Dudley Bayne said Monday that, beginning immediately, the city will have abandoned vehicles towed away by one of the wrecking services and stored. Owner of the vehicle will have to pay the towing and storage costs, if the vehicle is claimed.

Under the city ordinance, a vehicle may stand on city property only 4 hours before it is considered abandoned. It then may be towed away at the request of city officials.

The vehicle is stored for 30 days, and then becomes property of the company storing it. Attempts are made to find the owner to see if he wants the vehicle, and the vehicle then is salvaged or sold if no claim is made after 30 days.

Bayne said it was estimated there are approximately 100 vehicles in the city now which could be considered abandoned. These will be the first picked

per barrow or lamb. Each exhibitor entering livestock in the show gives permission for the animals to be used in the 4-H and FFA judging contest, with the exception of the Grand Champion and Reserve Champion.

Again this year, Deaf Smith County exhibitors will compete in a separate show and then enter the Four County Show along with Castro, Oldham and Parmer county entries — all at the Bull Barn. Only two calves, two lambs and two pigs may be shown by one exhibitor in the Four County Show, and the same rule applies for the county show.

Steers must weigh 650 pounds and over to be eligible to show; barrows must weigh 180 pounds and not over 240 pounds to be eligible to show, and lambs must weigh 70 pounds and not over 120 pounds.

**CALVES**

Calves will be divided into light and heavy class of Herefords, and light and heavy Angus and other breeds, for judging. Crosses will show in class represented by the sire. The first and second place winner in each class will compete for the Breed Champion and Reserve Breed Champion calf. No steer will be allowed in the show that does not carry all his milk teeth.

**LAMBS**

There will be four classes of lambs — finewool, finewool crossbreed, medium wool, and the Southdown, Shropshire, Mon-

See SHOW, Page 2

## Annual Meeting Scheduled For Camp Fire

Officers and directors for the next year will be elected for the Hereford Council of Camp Fire Girls, Inc., at the annual business meeting to begin at 8 p.m. Monday in the Camp Fire Lodge.

Jack Allen, current president of the council, has been nominated for re-election by a committee which will present a slate of officers to be voted upon. Mrs. A. T. Mims is the nominee for secretary; Tommy Carnahan is named for re-election as vice president and Mrs. Baxter London as treasurer.

Nominated as board members for re-election to a three-year term are Baxter London, Mrs. James Durham, Joel Newman, Lewis Lea and Jack Allen; for a new three-year term, Mrs. T. E. Seigler, David Brumley, John Tomasi and Charles Bell; for a two-year term, Mrs. Paul Scott, and for a one-year term, Mrs. Luther Lesly and Mrs. Harold Close.

Council members, Camp Fire leaders and others interested in the program here are invited to the business meeting.

## Road Projects Are Announced

The Texas Highway Department has announced plans for two new highway construction projects in Deaf Smith County.

To have begun Monday, the first project includes grading, structures, base and surfacing of Farm-to-Market 1057 from the north end of existing FM 1067 North and east to the intersection of FM 1062 and U. S. 385. The work, which covers 9.861 miles, is anticipated to be completed by July 25.

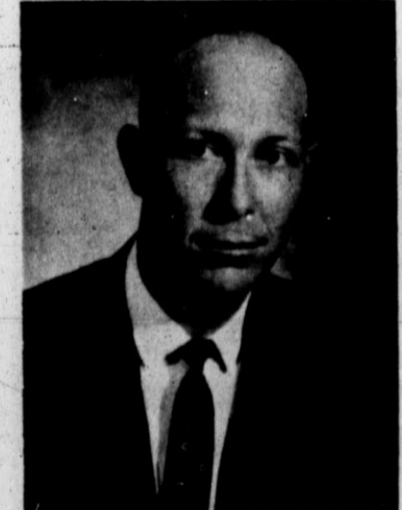

The second project, which will begin Jan. 23, will consist of grading, structures, base, asphaltic concrete pavement and two course surface treatment on U. S. 385 from 11.1 miles north of U. S. 80 on north 13.859 miles. The project will be completed about Oct. 17.

Contractor for the highway construction projects will be Cooper-Woodruff Inc. of Amarillo.

William V. York, supervisor resident engineer of the Texas Highway Department in the Hereford area, explained that traffic will be rerouted through both projects.

York pointed out that barricades and warning signs will be prominently displayed, but motorists should exercise extreme caution in passing through the area. Cooperation of the public is urged.

## Banquet Tonight Chamber Officers Will Be Installed

Officers and four new directors of the Deaf Smith County Chamber of Commerce will be formally put into office during the annual Installation Banquet at 7:30 p. m. tonight at the Hereford Country Club.

Installed for a second term of office will be Earnest Langley, president; Dale Young, vice president, and Ed Line, treasurer. Directors taking office will be Jeff Carlile, J. W. Robinson, Jim McDowell and Rex (Rocky) Lee.

Finishing out their two-year terms will be Clete Corlis, Melvin Young, Ed Wilson and Morris Easley. Ex-president Neil Cooper also will be going off the board.

Speaker for the banquet will be Cecil Massey of Weslaco, for-

mer Chamber manager here and Hereford City Manager.

Massey, now city manager and Director of Civil Defense at Weslaco, came to Hereford in 1951, after serving as Director of Recreation and Manager of the Chamber of Commerce in Canyon. He served as manager of the Deaf Smith County Chamber of Commerce until 1952, when he became Hereford City Manager.

After leaving Hereford in 1956, Massey became city manager at Haltom City. He took a similar position at Weatherford in 1957, and became city manager at Weslaco in 1962.

Former president of the Hereford Lions Club and a District Governor of Lions International, See CHAMBER, Page 2

## 3 Named To Dream Team

Whiteface gridsters led the 1-AAA district in selections to the Lubbock Avalanche-Journal's All-South Plains Dream Team as they nailed down three first team positions and two honorable mentions slots.

Jim Loerwald, Whiteface center and all-district selection, was tagged to the Dream Team where his blocking proved him worthy of the position. With his blocking a major factor in his selection, Loerwald's booting ability also played a part as he hit on 14-of-18 point after attempts and managed two-of-four field goals, one a 40 yarder against Muleshoe.

Hereford provided the largest defensive player on the Dream Team in junior Tony Gorman. Gorman, who tips the scales at 240 pounds, was credited with 15 total defensive plays during the 1968 campaign. This included 12 unassisted tackles, 92 tac-

kles and assists, four fumble recoveries and seven pass defense plays.

Rounding out the first team selection was senior Bill Cole who was honored with the teams

defensive secondary. Weighing in at 160, Cole was a two-way starter for the Whitefaces as he saw action at the quarterback position also. He was credited with nine unassisted tackles, 47

tackles and assists and 12 pass defense plays which included four interceptions, one of which he ran back for a touchdown.

Getting honorable mention to the elite team were back Elgin Williams and end Larry Guilm.

Guinn led the Herd in the receptions category with eight catches for 97 yards and proved himself capable of excellent blocking when he was not on the end of an aerial.

Williams, leading ground gainer for the Whitefaces during the past season, gained 228 yards in 237 carries for a 4.1 yards-per-carry average. He tied with Cole for scoring title with seven TD's.

Perryton had the second largest group on the Dream Team as they had two players make the first team and there were no others from district 1-AAA to make the first squad.

**DREAM TEAM SELECTIONS** — Selected to the Lubbock Avalanche Journal's All-South Plains Dream Team from the Whiteface roster were, from left to right, Bill Cole, defensive secondary; Tony Gorman, defensive lineman; and Jim Loerwald, offensive center.

Massey was selected to "Who's Who in the South and Southwest" in 1960 and 1961, and "Who's Who in the Methodist Church" in 1966. He has been a director of Texas City Managers' Association, director of the Rio Grande Valley Chamber of Commerce and also has been an officer in United Fund campaigns and organizations at Baylor University, where he received his bachelor's and master's degrees.

In 1967, Massey was named "Man of the Year" by the Westlaco Chamber of Commerce because of his outstanding work as Director of Civil Defense during Hurricane Beulah.

### March ...

Continued From Page One  
threat of this dread disease is now greatly minimized.

Credit for this control has been given to the people of the United States for their contributions to the March of Dimes.

Voss said, "When the March of Dimes entered the birth defects field in 1939, birth defects seemed to be an unconquerable health menace — and even today 250,000 of America's newborn are stricken annually and an additional 500,000 babies die in the womb.

"Medical science is beginning to see some hope however, for the prevention of some defects. The recently marketed Rh vaccine and the German measles vaccine now being developed are two examples. In addition, the March of Dimes conducts prenatal care education programs to help reduce defects and infant mortality." Voss specified that the March of Dimes depends on an informed public to finance its programs of basic and clinical research, its nationwide network of more than 100 Birth Defects Centers and its programs of professional and public education.

## Service Project Of YHT Planned

A new service project and other activities of this month for Young Homemakers of Texas were discussed at a meeting Tuesday evening in the high school homemaking parlor. A guest speaker, Mrs. E. D. Hopson, gave the program.

Five members have volunteered to assist in the satellite day care program for handicapped children for three months, then five others will replace them in a service project beginning with the new year.

YHT members will work in the concession booth and in other tasks at the annual livestock show sponsored by the Young Farmers of Texas this month. Several members also will help judge in a speech contest at the high school Jan. 18.

Plans were made for a game party for YHT and YFT members Jan. 17 at the Flame Room of Pioneer Gas Co., and for the next YHT meeting Jan. 21. Mrs. Larry Dobbs presided for business.

Mrs. Hopson, counselor in Hereford elementary schools, spoke of the kindergarten program which is new this year in the school system, and its objective of preparing children from disadvantaged homes for school work in the first grade. She said many children from

available for children, Anderson said, with a full series photographed. Parents will have their choice of the free print with additional prints available at listed prices.

Photographers will be available from 11 a. m. to 8 p. m. each of the three days. Anderson said that appointments would not be necessary.

Spanish-speaking homes have a vocabulary of not more than 100 words at the age of six, compared to several thousand words for the average child. She showed various material used by kindergarten teachers to enlarge the speech skills of their pupils.

Miss Janie Watson was welcomed as a guest. Other members present were Mmes. Leland Shelton, Charles Weatherford, Connie Urbanczyk, Layton Sawyer, Charles Minchew, John Drake, Dorman Duggan, David Brumley, Don Howard, Jim

## Craft Shown

A demonstration of tole painting was given by Mrs. Jim Cavin, a member, for Sims Study-Craft Club at a meeting Tuesday in Mrs. Terry Critz's home. Mrs. Robert Lloyd and Mrs. Julian Perrin were hostesses with Mrs. Creitz.

Mrs. Cavin showed work she had done in tole craft, and gave instructions as she completed a piece in the craft of painting on metal.

Plans were made for a Valentine luncheon on the next meeting date, Feb. 5. It will be held at the Cason House at 12:30 p. m. with Mrs. Tom Bullard as hostess chairman.

Members present Tuesday included Mmes. James Bullard, Leland Burns, Terrell Hodges, Edwin Morrison, Jim Perrin, Emmitt Young, Jack Fulghum, Jerry Roberts and Ken Forrester.

Culpepper, John Robinson and the sponsor, Mrs. M. T. Burel-Smith.

## Wedding Is Preceded By Shower

Preceding her marriage to Larry Lance Friday evening, Miss Reva Shelton was complimented last Thursday with a shower in the home of Mrs. Ralph Beatty. Co-hostesses were Mmes. Leonard Davis, J. R. Euler, Bill Lookingbill, J. B. Noland, Thurman Atchley and Mack Noland.

The honoree received guests with her mother, Mrs. Wallace Shelton, and her fiancé's mother, Mrs. Earl Lance Jr. Miss Reva LeGate was at the bride's side where callers registered. Mrs. Glenn Thomas and Miss Y Renfro, who was maid of honor in the wedding, served refreshments from a table covered with white net over pink centered with pink carnations.

## Services Are Pending For Francis Hudson

Funeral arrangements are pending at Van Horn for Francis Emra Hudson, 73, whose death occurred suddenly while he was at work at the Easley Feed Yards west of Hereford Tuesday evening. A coroner's verdict gave a heart attack as the cause of death.

Mr. Hudson, who had come to Hereford from Van Horn only last Sunday, was a native of Hopkins County, born at Nelta April 8, 1895. The body was taken to Van Horn Wednesday by Champion Funeral Home of that city.

## Gus Pedde, 59, Dies Wednesday

Funeral rites for Gus Pedde, 59, are pending at Gilliland Funeral Home. Mr. Pedde, who was born March 26, 1909, died at his home south of Hereford on Highway 385, early Wednesday morning.

## Rituals Held In K I Chapter

Rituals to receive two new members were conducted in Kappa Iota Chapter of Beta Sigma Phi at its meeting in Community Center Tuesday evening, and members planned a social meeting and work on a service project.

The latter, service as hostesses at Deaf Smith County Museum, is scheduled for the last half of March. The social will

be a progressive dinner on the next meeting date, Jan. 21, in the homes of Mmes. J. D. Hamblen, Charles Cabiness and Bob Spangler, ending at Community Center for the dessert and program.

Mrs. Gerald Turnbow, who was not able to be present when other fall pledges of the chapter were received in November, was given the ritual reception. A ritual of welcome was conducted for a transfer member, Miss Lovelyn Marie Hughes.

Mrs. Hamblen presented the program on the topic, People, giving a short version of the Darwin theory of evolution.

Secret ballots were cast for the chapter's Valentine queen, whose identity will not be revealed until the annual ball scheduled for Feb. 15.

Mrs. John Claypool and Mrs. Bob Pugh, hostesses, served refreshments after the program.

Postal Receipts  
 Set New Increase

Postmaster Nolan Grady reported that receipts at the Hereford U. S. Post Office have increased \$55,385.51 in 1968 over 1967.

The total for 1968 was released as \$308,219.24. The total in 1967 was \$252,833.73.

Among the increases in postal rates beginning in January 1968 was a 1-cent increase in regular mail and a 2-cent increase in airmail stamps. Grady reported that approximately 16 per cent of the increase only was due to the raise in postal receipts. The rest could be attributed to the growth of the city.

Grady said that the percentage increase could be figured mainly on stamp sales and patron postage meters, and the post office box rent — "they are almost all rented now." The remainder of the items on his report have very little to do with the matter of increases or decreases in population growth.

Stamp sales for 1968 reached \$161,393.36 — compared with sales in 1967 of \$126,212.72. The increase is \$35,180.64.

Patron postage meters recorded \$55,641.23 last year. In 1967, the total in the same category was \$42,071.36 — showing an increase of \$13,569.87 between the two years.

Post office box rent for 1968 reached \$3,937.95. Whereas 1967's figure in the same category was \$7,784.39. The increase is \$1,153.56.

"Total these amounts," Grady said, "and the average of city growth can be figured — minus the 16 per cent — which would be approximately \$41,415.42 out of the \$49,304.07."

OTHER RECEIPTS

Grady listed the other post office receipts for 1968, which has included post office postage meter at \$20,723.84 for 1968 against \$16,078.02 in 1967. This increase

was \$4,645.82. Second-class mail was down, however, from 1967 — by \$1,314.57. The 1968 total is \$9,516.25 against a total of \$11,235.85 for the previous year. Controlled circulation mail also dropped — by \$5,075.18 — with \$17,481.07 in 1968 and \$22,556.25 in 1967.

But non-metered permit mail (third class) and non-metered mail (first class) ended in the plus column during the past year. The first had \$23,940.94 against \$15,109.36, and the second \$3,571.13 against \$2,833.52. These increases resulted in \$6,840.68 and \$6,377.31, respectively.

Correction of mailing lists reached \$6.69 over \$3.00 (plus \$5.00) and non-metered permit application fees \$90 over \$75 (plus \$15.)

Bulk mailing fees dropped \$210 — \$750 from \$960. Money order fees also decreased — \$576.50. 1968: \$5,998.95. 1967: \$6,575.45. Miscellaneous postal receipts increased — from \$321.66 over \$167.22 (plus \$154.46) Refunds amounted to \$559.49 in 1968 and \$118.61 in 1967 (minus \$440.88).

Benjamin Franklin proposed daylight saving time when he was United States minister to France.

FOREMOST MILEAGEMAKER  
 WITH ONE YEAR FREE  
 REPLACEMENT GUARANTEE!

PASSENGER TIRE GUARANTEE

GUARANTEE AGAINST FAILURE

Penneys guarantees every Foremost® tire against all failures in use — this guarantee lasts for the entire guarantee period stated for each tire. If the tire fails during the guarantee period, return it with your guarantee certificate and Penneys will, at its option: (1) repair the tire, (2) replace it with a new tire, or (3) give you an immediate refund. If we replace the tire during the free replacement period, there is no charge; if we replace the tire after the free replacement period, you pay 50% or 25% less than the current selling price of the tire including the Federal Excise Tax (see guarantee against failure chart for details).

GUARANTEE AGAINST TREAD WEAROUT

Penneys guarantees every Foremost® tire (except the 72 series) against tread wearout for the entire guarantee period. You benefit as follows: if your tire wears out during the first half of the guarantee period, return it with your guarantee certificate and Penneys will replace your tire with a new tire (the charge for this will be 50% of the current selling price including Federal Excise Tax); if your tire wears out during the second half, the charge will be 75% of the current selling price including Federal Excise Tax.

These guarantees do not apply to commercial use of tires.

Here's how your guarantee against failure works:

Entire guarantee period	24 months
Free replacement period	1-12 months
50% off period	13-18 months
25% off period	19-24 months

## FREE PORTRAIT!

Your  
Child  
in  
Living  
Color

Parents: We have arranged to have a leading child photographer at our store on the dates shown below.

Any age, any number of children accompanied by a parent will be photographed **FREE** in Living Color.

ONE complimentary color portrait will be given to each family as a gift from our store.

### DON'T MISS THIS OPPORTUNITY

to get a living color portrait you will treasure always. Several poses are taken and low cost additional portraits are available for those who wish them.

This is our way of saying 'Come in to see us.' If you are one of our many regular customers, this is a 'Thank You' for your patronage. Incidentally we believe these color portraits to be something really special. These are beautifully posed portraits—not snapshots, so dress the children colorfully.

Auxiliary president Mrs. Leroy Williamson was in charge of the program. —Staff Photos

## Realtor Speaks To XEA Chapter

A Hereford realtor, Oliver Schneider, was guest speaker to Xi Epsilon Alpha Chapter of Beta Sigma Phi Tuesday evening to discuss Buying a Home, the basic phase of the chapter's study series of this season on home decoration.

After his talk, with practical suggestions for choosing and buying a house, Mrs. Nolan Grady spoke of background wall treatment and Mrs. J. D. Green described new and older textiles for use in draperies and upholstery.

Proposed ways and means projects were discussed in a short business session. Members voted on their choice for the chapter queen who will be presented at the Valentine dance Feb. 15.

Hostesses for the evening were Mmes. Harold Kids and John

## H.D. Club Has Discussion Of Mental Health

Mental Health has to do with the way a person gets along with his associates, in the family, at school and on the job, Argen Draper, County Home Demonstration Agent, told Progressive H. D. Club members Tuesday afternoon as the discussed the topic, Pressures Of Everyday Life.

The meeting was in the home of Mrs. T. J. Parsons. Mrs. H. L. Hershey gave the opening topic, The Art of Staying Young. Mrs. Charles Gresham presided for the first time as a new administration began with the calendar year and committee reports were heard.

## Mrs. Miller's New Book Out

A copy of her new book, *Mama The Preacher*, was waiting for Hereford writer Gladys Miller when she returned this week from a holiday visit with her son's family in Odessa.

Publication date for the book, which was accepted for publication several months ago, will be Jan. 20. It is Mrs. Miller's second book, following one titled *Junior Dear*. Both are stories of family life in small towns, sparked with humor.

Mrs. Miller spent the holidays in the home of her son, Jed Miller, and his wife, who also had as guests their daughter, Bonnie, who attends Texas Tech; a son, Jodie, from Chicago, and another daughter and her husband, Mr. and Mrs. Dwayne Cochran of Fort Worth.

**YIELD CONTEST WINNERS** — In the picture at the top is W. A. Graeber, chairman of the board of Dorman & Co., presenting the second place award to Carl Kleuskens in the PAG Hybrid Sorghum Yield Contest. At right is seed dealer Harold Dillehay of Farmers Elevator at Dawn. In the lower scene is Mabry Peel, sales manager of Dorman & Co., with Dorman as he presents the third place award to L. W. Norvell. At the right is seed dealer C. R. Brandon of American Oil Company.

## Foreign Exchange Students Tell Legion About Home

By EARL MOSELEY  
Staff Writer

The current year's two local foreign exchange students, Sharon Watson of England and Theo ten Have of Holland, told the American Legion and Auxiliary Post 192 of their lives back home and made comments about Hereford at the Tuesday night meeting here.

Following the dinner, Post Commander S. T. Wiseman was also presented a plaque of appreciation from the Boy Scouts of America for the Hereford American Legion's part in donating the 18.9 acres of land in Veterans Memorial Park for the Tierra Blanca Boy Scout Camporee. Presentation was made by Ray Bosley.

Sharon described her home in England — Sale — as a city with a population of 56,000. "I thought it was small, but it is situated on 6 square miles — about the same land area as Hereford!" About 50 miles from Liverpool, she said that Sale itself has no industry. Many of the people there work in nearby Manchester.

She compared the difference in politics between England and the United States. "I am glad I got to come to America last year," she told her audience. "Before then, I knew nothing about elections here — and now

I know vaguely." Sharon explained that the Queen has very little power in British government and that their Prime Minister, although not in an elective office, was similar to the U. S. President. "There are three major political parties in England — Labor (now in power) Conservative and Liberal. Sale is a very Conservative town. But during local elections, the Communist candidate always receives 20 votes — and forfeits his filing fee!" (Local areas there can make their own laws, she said.)

Parliament is divided into the House of Lords and the house of Commons, she explained. House of Lords is filled with titled peoples who are not elective, she said, but members of the House of Commons are elective. They operate on the principal of the U. S. Senate and House of Representatives. Their bills are sent to the Queen for her signature. "She always signs them. I don't know what we would do if she didn't sign!"

She also indicated that the schools are completely different — they are segregated between the boys and the girls. "But they are trying now to bypass this. And we also had to wear uniforms. Each year there is a ritual where all the girls do away with the hats that go with

the uniform. You can see them all floating down the river!"

Sharon also explained that there are all types of churches in England, but the congregations of the Church of England and the Catholic are in the majority. The Church of England, she said, was like the Methodist Church here. "In fact," she said "it is much more like the Methodist Church in America than the Methodist Church in England. But the Church of England is state-controlled. In order for them to change any ritual, it must go through Parliament."

Miss Watson said that she planned to return to England and become a history teacher — and Scripture, although it was not permitted to be taught in the schools. Introduced to an audience that became captivated by her humor and rare judgment in interweaving seriousness, Sharon was introduced by Mrs. Grant Hanna — her "adopted mother" here. Both of the Hannas described her as one who had meant very much to them spiritually since she arrived in September.

And Mrs. Hanna introduced Theo ten Have, who has been staying in the Gerald McCathern home. He was equal in his humorous and informative delivery as Sharon had been before him.

**"LAND OF CANALS"**  
Theo explained that his home in eastern Holland had 8,000 people in a smaller area than Hereford. "Like all of Holland, it is real crowded. We have small highways — and have difficulties getting new highways. Highway and tunnel projects would take 50 years to complete."

Ten Have's home is Gelderland. His description of Holland was totally unlike the Texas Plains. "We will have 14 clear days per year. On more than 200 of them, there is some kind of rain or sleet. We have too much water — 10 per cent of the country is below sea level. And the water is dirty. It is pumped out by modern machines, although we still have the windmills that have made an 'image' for Holland." They have 45 inches of rain per year.

Ten Have said there was very little agriculture in Holland, that the country was about 50 per cent industrial. At Rotterdam there are chemistry plants. "And Amsterdam there is a super airport. With buildings of 30 stories and many glass windows you can imagine the noise when the aircraft breaks the sound barrier!"

He related that his hometown is a "quiet area" with many tourists. "We have lots of hotels, schools (not altogether segregated), and a home for handicapped children. We also have the largest milk powder plant in western Europe — a big part of

## Grocery Store Is Burglarized

Investigation of one burglary and another attempted burglary during the early morning hours Wednesday is continuing by Hereford Police.

Burglarized between 1:45 and 1:58 a. m. Wednesday was Baker's Grocery, 1101 East First. Oscar Williams of 922 South Main came to the Police Department and reported that he had seen someone breaking the front door of the business and then go inside.

Upon investigation minutes later, police found that the front door glass had been broken out and the person had crawled through. Found missing were six Timex watches, one imitation fireplace clock and three cartons of cigarettes. Value of the merchandise was estimated at \$103.95.

A window was broken out of the Farmer's Drive Inn at 403 East First between 6 and 7:30 a. m. Wednesday, but the person apparently couldn't get through the window since nothing was found missing. Damage was estimated at \$7.

which goes to Africa and Asia."

Theo explained that their schools are primarily vocational and technical — "and the student goes where he is best suited."

"And several people here have asked me about the Dutch language. It is a separate language. But it is related to English and German. Therefore, I have learned to speak both languages."

He explained that the leading church in Holland is Dutch Reform and that the Roman Catholic Church is growing. They also have Protestant churches "which are called Section 33's because that is the number of the law that made them possible."

Ten Have said his town was founded in 1233. "It has burned several times and rebuilt. It still has old canals, but it would be much better to have roads."

**MEMORIAL DAY**  
Each were asked if their countries had any observances for the war, such as the U. S. Veterans Day. Miss Watson explained that England does not have "a Veterans Day, but we do have a Memorial Day — on the nearest Sunday to Nov. 11. The Queen lays a wreath on The Tomb. And poppies, made in hospitals, are sold prior to Memorial Day."

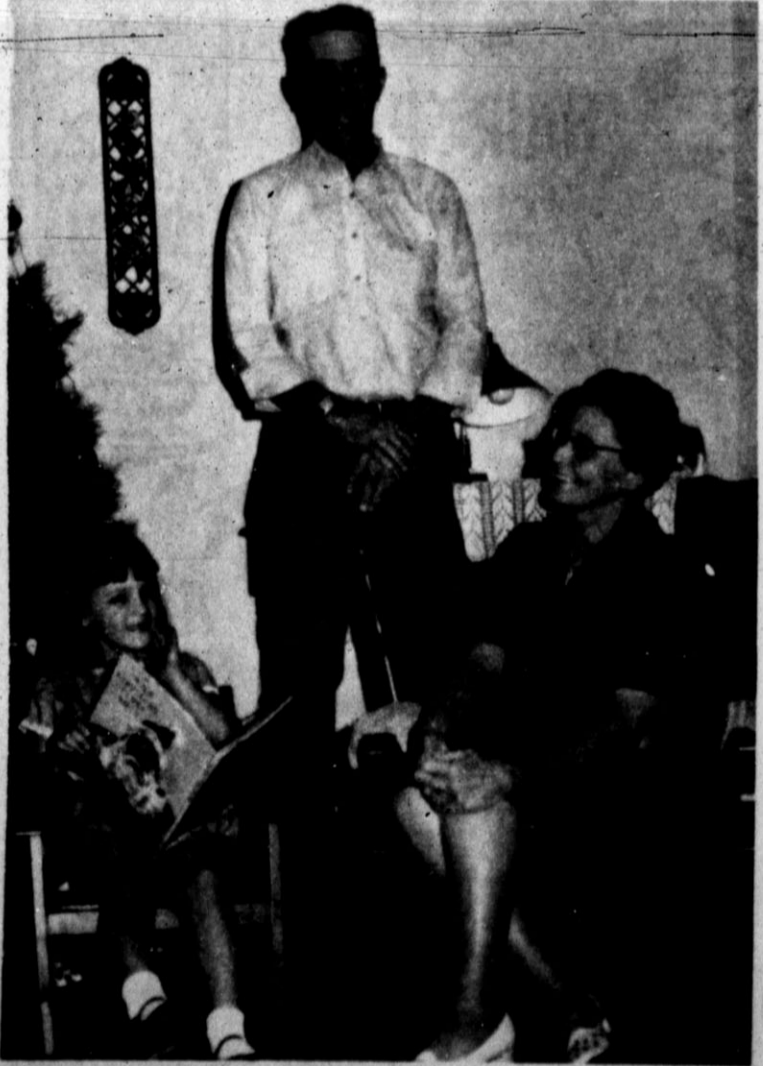

Theo said that Holland has their memorial observance on May 4 each year and has two minutes of silence, similar to England. "We were liberated by the Canadians on May 5, 1945, and the observance is on the night before." He said there is also one week in October each year that money is raised for veteran's families.

They were also asked about the different characteristics of the people here as opposed to their own countries.

Ten Have said that the only difference was "from the structure of society. It is mainly in cars. You have drive-ins here for many things. We don't have them at all!"

Sharon said, "To see a man walk down the main street with a 10-gallon hat and cowboy boots!"

However, Theo maintained there are no personality differences between the two peoples. Miss Watson said, "They are more friendly here, really." Both are eighteen years old.

**YOUNG HOLIDAY GUEST** — Mr. and Mrs. Fred Mulkey had as their guest for Christmas a small resident of Girlstown, six-year-old Kim Piazza, who is pictured with a story book beside the decorated tree which held gift packages for her as well as for her hosts. Kim accompanied Mrs. Viola Williams to Hereford after a pre-Christmas visit. Mrs. Williams made to the girls residence home at Whiteface.

## LAE Study Is Resumed After Holiday Period

Resuming after the holidays a study of Cultures Of The World, La Afflatus Estudio Club had a program on Ancient Egypt at its meeting Tuesday afternoon in the home of Mrs. Emmett Hale. The study course was interrupted in December for the annual Christmas party.

Mrs. Louie Olson and Mrs. A. N. Hopson were the speakers Tuesday who told of Egypt's place in history and its contributions to the culture of its time and succeeding ages.

Mrs. W. F. Johnson presided for a brief business period. Refreshments were served in an informal social hour to 13 members.

They included Mmes. C. E. Beauford, Earl Clark, A. H. Cook, F. W. Durkee, A. B. Higgins, B. F. Markham, B. A. Reddell, George Suggs and T. W. Roberson.

**Our 1969 CALENDAR has arrived!**

The popular calendar that has been a trademark of Carl McCaslin Lumber Company for many years, was delayed this year due to a printer's strike at the plant, but they have now arrived. This calendar has been a favorite of the housewife over the years and if you haven't picked up your copy, you may do so now at Carl McCaslin Lumber Company. We're sorry for the delay, but better late than never.

## Whiteface Cage Team Falls To Towering Clovis Quints

Despite the 25 point production of little Jim Rakestraw, the Whiteface cagers could not manage to overcome the towering Clovis team Tuesday night, as they fell in defeat, 88-55.

Holding their own in the first quarter, the Whitefaces stayed within striking distance in the opening minutes of the contest. Marsh Pitman poured in six points in the initial stanza while

Rakestraw added the remainder of the first 12 points and an 18-12 trailing score going into the second quarter.

Clovis' big period was the second when they registered 27 points to the local's 18 for a 45-27 halftime lead. Rakestraw had his big quarter in the second when he accounted for eight of the 15 points. Adding their contributions to the effort were Dus-

ty Duncan with one, Russell Phillips with one and Santry Rush with one also. Bill McMinn and Percy Mays both had two during the period.

In the second half, Clovis had another big period when they managed 25 points in the third stanza compared to the Whitefaces' eight. From there on out, the locals never had a chance as the Clovis defense held while their offense continued to hit.

Hereford rallied in the final period, but the rally fell short with the final score of 88-55. Rakestraw had seven points in the last quarter to lead the comeback while Pitman had three, Rush had one and Mays and McMinn had four each.

Rakestraw was the highpointer for the game with Pitman following with 10 for the only other double figure player for the Whitefaces.

In the junior varsity contest, the Longhorns followed suit with the varsity, but came within 13 points of winning their game, 76-63.

Getting off to a slow start, the Longhorns saw the host cagers take a commanding 24-12 lead into the second quarter before they could put together their playing. Clovis strengthened

their lead in the second period when they out-shot the Longhorns by three points, 18-13 and a 46-25 halftime lead.

Coming from the dressing room at halftime, the Longhorns stayed nip and tuck with their opponents in the third period as they both managed 17 points. The locals then out-shot the Clovis bunch in the final period, but not enough to make up for the large point spread their hosts had accumulated, thus falling short, 76-63.

Leading the hit parade for the junior varsity was John Sparks with 20 while Gary Lemons had 19. Mike Wartes also hit in the double figures for the Longhorns as he had 13 points.

The Shorthorns, led by the double figure out-put by two of their starters, also met defeat at the hands of their New Mexico rivals, 51-50, in an overtime game.

Leading 22-17 at the half, the Shorthorns' defense could not contain the Clovis shooters in

the second half when they tied the game up at 46-46 to put the game into an overtime. In overtime action, the Clovis team came up with a connecting free throw to win the game, 51-50.

The locals will all next see action on the road for the remainder of the pre-district schedule when they go to Lubbock this Friday to meet the Estacado Matadors. District play will then open on Jan. 14 when the Whitefaces journey to Tulsa.

**NEW DELHI** — An Indian business consultancy firm issued printed brochures offering safety tips to the public. Some of the suggestions were:

- "Put your hand to stop the traffic, but be kind.
- "Be homey, but safe.
- "Don't allow toys lying here and there on the floor, someone may strike them and hurt, if not more.
- "Handle machinery with care, secure your limbs well.
- "Think well of your interest, in strike or in work."

## Spring Sports Set To Begin

Spring sports are once again beginning to come to life in Hereford as golf, tennis, volleyball, baseball and track workouts are getting underway for the upcoming season.

Coach Cuby Kitchens, who will direct the golf team through another season, said that the team has not begun working out due to the weather, but is expected to do so in the near future. Their first golf meet will see them on the road when they go to Roswell, N. M. on Feb. 22.

Tennis, which has been designated as a competitive high school sport for the first time in Hereford, has five girls presently working out, but no schedule has yet been worked out for this year. Glenda Whisenant, high school physical education instructor, will be coaching the tennis team.

Mrs. Jean Schumacher, also a physical education instructor at the high school, will head the volleyball girls again this year. As is the case with the tennis team, a schedule has not been worked out due to the length of time before season begins.

Baseballers, who began workouts Monday, number around 25 for the coming season which be-

gins March 1 when they tangle with the Estacado Matadors in a doubleheader at Lubbock. Fred Upshaw and David Borenstein will coach the diamonds in their quest for a championship.

Some 30 cindermen are presently working out for their season debut on March 1 when they go to Canyon for a meet. The cinder mentors for the 1968 season will be Pat Hughes and Bill Narrell.

## Ninth Grades Fall; 7th, 8th Grades Win

All the junior high teams had a field day Monday with the exception of the Stanton and La Plata ninth grades who were the

only victims of their respective Plainview opponents. Stanton, who hosted the Plainview Estacado White, won a 11

their games with the exception of the ninth grade encounter as the seventh graders rambled past the Estacado seventh, 44-22 and the eighth won their game handily, 36-18. The ninth fell to the Estacado Blue Pups, 58-40.

La Plata, who followed the same course as did the Dogies, clipped the Plainview Coronado seventh graders, 41-20. Accounting for the majority of the local's points was Jerry Brock who had 23. He was followed by James Waits with eight; James Massey with four and Jim Marsh with four also.

The win upped the Mav seventh grader's record to six wins and one loss.

Score by quarters showed La Plata was never threatened as they led 15-7 at the end of the first quarter; 25-16 at the half; 35-16 at the end of the third and winning 41-20.

The La Plata eighth grade registered their fifth win against no defeats Monday night when they breezed past the Plainview Coronado Red Pups, 34-22.

Coronado, trailing by one point at the end of the first stanza, could not muster enough up to come up with the winning combination in the second period as the score ended 18-11 at the half. In the second half, the Mavs pulled even further out front of the host team when they tallied 11 points for a 29-15 lead going into the final period.

The locals held the Plainview team to only seven points in the final period while they garnered five for a final 34-22 score.

Leading the scoring attack for the La Plata eighth graders was Terry Champ who had 18 points for his night's effort. Champ was followed by Walter Olsen with eight, Larry McNutt with six and Wallace Hill with two.

The Maverick ninth grade, who had gone into Monday night's game never having tasted defeat, fell to the Plainview group, 7-44.

Danny Charest was the high pointer for the night for the locals as he nailed down 11 points. He was trailed by John Page with nine; Billy Bob Taylor with eight; Charles Allison, four; Cliff Herring, four; and Ralph Waits, three.

The next games for the two junior highs will see La Plata go against the Muleshoe teams Jan. 13 at home and Stanton will compete in the Canyon, Jan. 9-11. The next games for the two junior highs will see La Plata go against the Muleshoe teams Jan. 13 at home and Stanton will compete in the Canyon, Jan. 9-11.

## All-Sports Trophy Is Now On Display

The Hereford Brand All-Sports Trophy, originated this year and to be presented to the district 1-AAA school which amasses the most number of points through athletics on a points system, is now on display at the First National Bank in the south display window.

Initiated in an effort to promote athletics and competitiveness in district 1-AAA, the trophy is approximately 40 inches in height with six figurines representing the six sports mounted on its base. The six sports

which will count in determining the trophy winner are football, basketball, volleyball, golf, track and baseball.

Hopes to become an annual presentation, the trophy will be awarded for overall standings in the six athletic events with the maximum number of points that can be attained as 33 and a minimum of six. The system will allow each school a certain number of points in accordance with the place in which they finish the season in each of the designated sports.

While not all of the schools will be represented in all of the events, it was felt that with these being the major sporting events, they should be included. The only sport which falls into this category is baseball in which only Dumas, Canyon and Hereford are participants.

Points will be determined with the first place winner in a sport receiving six points, the second five, the third four and so on down the line. In the case of baseball, the first place finisher will be awarded only three points as there are only three teams.

Hereford is currently leading with six points as they were the district representatives in football, Dumas and Perryton, tri-champions with the Whitefaces in football, split the second and third place points and are tied with 4½ points each.

## Local Coaches To Go To Meet

LUBBOCK — The annual Region 1 coaches meeting will be held here Feb. 1 according to regional director Don Williams of Abernathy High School.

Athletic director Larry Wartes, one of two directors for the region, will attend the meeting along with other Hereford coaches. Scheduled to be held in the Student Union Building on the Texas Tech campus, the meeting will include lectures and business sessions.

## Wildcats Finish With 2 Trophies

The Walcott boys and girls basketball teams each collected second place trophies in the Walcott Invitational Basketball Tournament held last weekend.

Stanton Junior High's eighth grade clipped the Wildcats in the finals of the boys division, 37-30 to take the first place trophy while in the consolation bracket, La Plata's seventh grade nudged the Stanton seventh, 41-30.

In the girls division, the Bushland group clipped the Walcott girls for the championship honors, 33-25.

In more recent action, Monday night, the Walcott females ran their district record to 4 wins and one loss as they downed the Sudan girls, 20-15. This win boosted their season record to six wins and three losses.

Also on the same night, the Walcott boys fell to the Sudan group by a final score of 28-24. Their district record now stands at three wins and two losses and their overall mark is 6-3.

The Walcott cagers will next compete against the Springlake team Monday, Jan. 13 at Springlake in a 4 p. m. battle.

## Athletic Director Is At Convention

Head football coach and athletic Larry Wartes left Hereford Sunday evening en route to Los Angeles, California to attend the National Coaches Convention, it was reported.

The convention, a four day affair, attracts hundreds of coaches from throughout the United States where they discuss various phases of the coaching profession, football rules and regulations and other items of importance in coaching. Lectures by important men in the field of coaching along with panel discussions also highlight the convention.

Wartes is expected to return during the latter part of the week.

**ABC SENIOR LISTED MILWAUKEE (AR)** — The 16th annual ABC senior bowling tournament will be held here as a five weekend event starting next April 19-20. Male bowlers over 35 years of age are eligible.

CARD OF THANKS Words are inadequate to express our thanks to the many friends who have sent flowers, or cards, called in person or by telephone, and otherwise expressed their thoughtfulness and concern of Ray's welfare. Your good wishes, prayers and cheerful messages make the days of convalescence seem shorter and I want all of you to know how much your many friendly deeds mean to us. The family of Ray Polvadore.

THE MAN WITH NO NAME IS BACK!

ON A MAN HUNT WITH NO RULES!</

### Legal Notice

**PUBLIC HEARING NOTICE**  
The Wilson & Company, Inc., 900 Prudential Plaza, Chicago, Illinois 60601, has applied to the Texas Water Quality Board for a permit to discharge an average of 1,150,000 gallons per day of wastewater from its Beef Abattoir facility. This wastewater is composed of 12 percent domestic sewage, 84 percent process water and 4 percent cooling water with waste treatment consisting of anaerobic-aerobic lagoon system preceded by grease and blood removal and dry cleaning within the plant. Discharge of waste will be on owner's property and will be used for irrigation with no runoff into area streams. The plant is located 3.5 miles Southwest of the City of Hereford, Texas at intersection of a County road with U. S. Highway 60 and P. & S. F. Railroad in Deaf Smith County, Texas. (Such plant is located on that portion of Section 151, Block M-7, Deaf Smith County, Texas lying South of

the P. & S. F. RR right-of-way). A public hearing on this application will be held in the Auditorium of the Diamond Shamrock Oil and Gas Corporation, 10th Floor First National Bank Building, Amarillo, Texas at 10:00 A. M. on January 22, 1969 to determine the conditions, if any, under which the permit may be granted. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701.

**TOURING RECORD**  
LOUISVILLE — Mary B. Smith and her three children set some sort of a record during the summer by visiting each of the more than 40 parks and shrines in Kentucky. The trips, made on weekends, put 6,000 miles on the family auto.

### Legal Notice

**PUBLIC HEARING NOTICE**  
The T. J. Power and Company, P. O. Box 744, Hereford, Texas, has applied to the Texas Water Quality Board for a permit to discharge an average of 30,000 gallons per day of treated (screening facilities and sedimentation tanks) process water from its vegetable processing plant, located on New York Street, 1/4 mile east of Santa Fe Depot in Hereford, Texas. Discharge will be into an unnamed tributary of Tierra Blanca Creek, thence into Tierra Blanca Creek, thence into Palo Duro Creek, thence to Prairie Dog Town Fork of the Red River. A public hearing on this application will be held in the Auditorium of the Diamond Shamrock Oil and Gas Corporation, 10th Floor First National Bank Building, Amarillo, Texas at 10:00 A. M. on January 22, 1969 to determine the conditions, if any, under which the permit may be granted. Additional data will be developed at the hearing, but further

technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701.

### CAN'T ALL AGREE

SPINAGAR, Kashmir "God save this country if unanimity has to be achieved at every step and in every respect," said deputy prime minister Morarji Desai during the recent integration council meeting. He was criticizing the attitude of certain chief ministers of states who said they would not be bound by a majority decision.

### DRUG TESTED

CAPE TOWN — South Africa — The controversial drug thalidomide is being tested at Karl Bremer Hospital here as an immuno-suppressive serum in baboon kidney transplants and skin grafts on rabbits. Immuno-suppressive drugs are designed to prevent the body's natural rejection of transplanted organs. Thalidomide is banned in South Africa but can be imported for research, a spokesman said. He said it "compared satisfactorily" with other immuno-suppressive drugs tested.

## Town & Country

By MRS. T. B. THOMAS  
Mr. and Mrs. Ed Wilsont arrived home on Thursday from their trip to Puerto Rico and from Miami, Fla. where they attended the Orange Bowl on New Year's Day.

Mrs. Jim Morrison the former Shari Harris is here after spending the holidays in Hawaii with her husband who is in the Armed Forces. She is staying with her parents, Mr. and Mrs. Marvin Harris.

Mr. and Mrs. J. C. McCracken are at home after spending the holidays with their daughter and family Mr. and Mrs. Pat McCullough, Clay and Don of Houston. After their return to the Panhandle they visited in Clovis with their son and family Mr. and Mrs. Jack McCracken.

Mrs. Gene Roach, Wallace and Martha of Odessa spent the weekend here with their mother and grandmother Mrs. Bess Werner, and Mr. and Mrs. George Turrentine and girls.

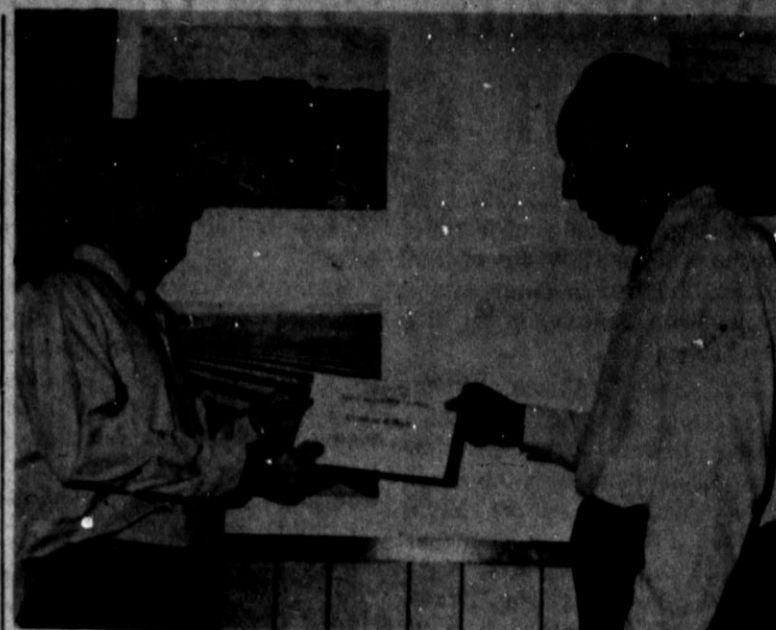

Mr. and Mrs. Don Hedding and children of Clovis spent the night on Saturday with their parents and sister Mr. and Mrs. C. Morrison and Judith. On Sunday the group, accompanied by Mr. and Mrs. T. B. Thomas and Dan, drove to Kerrick to spend the day with Mr. and Mrs. Ray-

mond Morrison and children. The Morrissions and Heddings visited Mr. and Mrs. Ed Pinnell and children at Channing.

Sandra Dieter daughter of Mr. and Mrs. D. W. Dieter returned to her job on Saturday after spending the past two weeks. She is employed at the University at Loma Linda, Calif.

Mr. and Mrs. Merlin Weber were hosts for their family get-together during the holidays with the following attending: their daughter and family Mr. and Mrs. Berry Weeks and children of Newport Beach, Calif., another daughter and family Mr. and Mrs. Jack Bohannon and children of Lansing, Mich., a son and family Mr. and Mrs. Melvin Weber and children of Plainview, brothers of Weber Eugene of Elkhart, Kan., Mr. and Mrs. Leland Weber of Booker, Okla., and several other relatives of Portales.

Mr. and Mrs. Donald Douglas and children entertained Mrs. Katherine Stone and Mrs. Lena White, and Mr. and Mrs. Don Holcomb and daughter all of Lubbock, and Mr. and Mrs. James Barbian and children of Amarillo. Those were Mrs. Douglas' family. On New Year's day Mr. and Mrs. Melvin Jayroe and Tonya, Mr. and Mrs. Lee Umstead and daughter were guests

**CONSERVATIONIST HONORED** — Herbert E. Bruns, right, soil scientist with the local Soil Conservation Service, explains the "Certificate of Merit" he received recently. Presented by the United States Department of Agriculture, the certificate reads, "In recognition of the commendable manner in which he conducted the progressive soil survey of Castro and Parmer Counties which resulted in completion of a large acreage of high quality soil surveys." H. N. Smith, state conservationist, signed the certificate presented to Bruns. Ed Blackwell of the SCS is at left.

in the Douglas home.

Mr. and Mrs. C. T. Douglas had as their guests their daughter and family, Mr. and Mrs. John Palmer, and Jonna Lynn of Independence, Kan., and a son Mr. and Mrs. Bobby Douglas and children of Plainview, and Mr. and Mrs. Donald Douglas and children.

Mr. and Mrs. Ed Ronnberg and children have just returned home on Sunday after a week's stay in Carney, Nebraska with her parents, and in Greeley, Colo. with his parents and friends.

Mr. and Mrs. Carl Covington and Kevin and Gloria Covington all of San Antonio were visiting their parents Mr. and Mrs. Worth Covington and Mr. and Mrs. Clyde Rayburn.

Dan Thomas left on Monday morning for Odessa where he will attend the Sand Hills Rodeo and to visit with friends Mr. and Mrs. Johnny Shields, and others.

Hear about the fellow who has that new all-electric house? Everything in it is charged . . .

Most men need two women in their lives . . . a secretary to take everything down and a wife to pick everything up!

By 1970, there will be more than 200 million automobiles in use. If you want to cross the street, you'd better do it now.

And now is the to tell us what sort of home you're seeking.

# Women's Division Install Officers

Officers for the first complete year were elected and installed in the Women's Division of Deaf Smith Chamber of Commerce at a luncheon Tuesday in the Cason House.

Mrs. Jack McKinster became first vice chairman and Mrs. Bruce Brown parliamentary director. Appointed by the chamber's board of directors, Mrs. Jimmie Gillentine is chairman for 1969, succeeding Mrs. W. C. Adams, who headed the division in its first six months, since organization last summer.

Mrs. Clinton Jackson is secretary and Mrs. Ed Loerwald second vice president and membership chairman.

The membership goal of 50 in 1968 was achieved, Mrs. Loerwald reported as she listed new members received since the last membership meeting, held in November. Her committee has

## Rehearsals Begin For "Oklahoma"

Full rehearsals began this week on the Rodgers-Hammerstein musical, Oklahoma!, which music and speech departments of Hereford High School will present Jan. 24-25.

Tickets will go on sale soon, priced at \$1.75 for adults and \$1.25 for students. Children under 12 will be admitted free.

Cast members are announced by Bill Devers, music director, and Miss Imogene Anderson, drama director, with Sherry White and Larry Kuper in the principal roles of Laurey, a pretty farm girl who is in love with Curly but doesn't want to show that she is, and Curly, himself, a bragging cowboy who fights to win Laurey.

His rival, Jud Fry, a hired hand who tries to kill Curly, will be played by Alvin Hendrickson. Ado Annie, the fickle girl who "just can't say no," will be Suzanne Oglesby's role and Stephen Dziuk will play opposite her as Will Parker, a fun-loving cowboy who can marry Annie if he can only raise \$50.

Aunt Eller, Laurey's aunt who is a tower of stability, will be enacted by Carol Scott. Randy Martin will have a comedy role as Ali Hakim, a peddler who has married several girls because of their fathers' shotguns.

A father who carries his gun always and tries to look out for the best interests of his daughter, Ado Annie, is played by Bob Nelson. Gall Rusher will be seen as Gertrude Cummings, a loud-mouthed girl who tries to entice Curly but settles for Ali Hakim.

A chorus of singers and dancers assists in presenting the colorful musical, which was adapted from a story of pioneer Oklahoma and became a long-run hit on Broadway, one of the most durable of stage musicals for professional and amateur groups, and a successful motion picture.

## Larry Driskill Commissioned

SAN ANTONIO — Larry W. Driskill, son of Mr. and Mrs. Wayne F. Driskill, 304 E. Third, Hereford, Tex., has been commissioned a second lieutenant in the U. S. Air Force upon graduation from Officer Training School (OTS) at Lackland AFB, Tex.

Lieutenant Driskill, selected for OTS through competitive examination, is being assigned to Laredo AFB, Tex., for pilot training.

The lieutenant, a 1964 graduate of Amarillo (Tex.) High School, received an A. S. degree in 1966 from Amarillo College and a B. S. degree in government in 1968 from West Texas State University.

His wife, Patty, is the daughter of Mr. and Mrs. Floyd Wiley, 4208 Bonham, Amarillo.

tion. She made a brief report for the beautification committee chairman, Mrs. Tom Carter, who is out of the city. Planting has been done in Windmill Park at the Santa Fe station, she said, and beauty spots of each month have been chosen in the city.

Mrs. Hazen Woods, public affairs chairman, said that committee is inquiring into a public information program on crime which was used successfully in another city, with a view to a similar campaign here.

Mrs. Earnest Langley announced that Camp Fire and Ho-

zison Club girls will volunteer to assist with civic projects where their efforts are needed by the Women's Division.

Mrs. Jackson reminded members of the water district election of this month, in which a district director will be elected to serve on the state water board, and a precinct director will also be named.

American Indians made bread from the roots of the jack-in-the-pulpit, brewed lady's slippers for fever remedies and obtained coloring for war paint from the bloodroot.

## Joe Self Ends Training

FT. POLK, LA. — Army Private Joe F. Self, 23, son of Mr. and Mrs. Aubrey J. Self, Route 5, Hereford, Tex., completed nine weeks of advanced infantry training Dec. 13 at Ft. Polk, La. His last week of training was spent in guerrilla warfare exercises.

During his guerrilla training, he lived under simulated Vietnam conditions for five days, fighting off night attacks and

conducting raids on "enemy" villages. He was taught methods of removing Looby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-16 rifle, M-60 machine gun and the 3.5-inch rocket launcher.

**REAL DISCIPLINE**  
HYDERABAD, India — India's deputy prime minister Morarji Desai says he never allowed himself to be careless. "not even in my dreams."

## Venison Supper Set By Church

The second annual Venison Supper sponsored by the Wesley United Methodist Church, 409 Brevard, will be held from 5 until 9 p. m. Saturday.

Venison, beans, potato salad, vegetable salad, desert and tea or coffee will be served in the church's Fellowship Hall, said the Rev. Robert Williams, pastor.

Some 400 pounds of fresh venison will be prepared for serving,

and roast beef also will be available for those not wanting venison.

There will be no set price on the meal, with the person making a donation of his choice to the church. The proceeds will be used for bond retirement by the church.

Approximately 165 persons went through the serving line last year, and church officials are hoping for twice that number Saturday night.

Outside game preserves, sportsmen in 14 states are allowed to harvest 75,000 or so elk a year.

## 3 Cited For High Sorghum Yields

Three area men with outstanding irrigated yields of sorghum per acre have been entered in the 1968 DeKalb Sorghum Masters Club.

The men are Lewis Block of Route 2, Hereford, who had an irrigated yield of 8,851.16 pounds of sorghum per acre; Charles Rickerd of Route 2, Hereford, who had an irrigated yield of 10,257.61 pounds of sorghum per acre, and Royce Gene Welch of Friona, with an irrigated yield of 10,302.52 pounds of sorghum per acre.

The yield of each man came from a field of DeKalb F.65. The entries were mechanically harvested and verified by an impartial third party.

In attaining their yield, the men used such progressive ma-

agement practices as fertilizing according to yield goal, planting in narrow rows and controlling weeds and insects, DeKalb officials said.

Rickerd planted 8-inch rows at a seeding rate of 17 pounds per acre. His fertilizer application included 231 pounds of nitrogen, 46 pounds of phosphate, 22 pounds of potash, 32 pounds of sulphur and 32 pounds of magnesium. Weeds were controlled with Milo Guard and one cultivation.

Block planted 30-inch rows at a seeding rate of 9.5 pounds per acre. His fertilizer application included 184 pounds of nitrogen and 50 pounds of phosphate. Weeds were controlled with Pro-

## Conservation Is Theme Of Contest

With a theme of "How Conservation Helps Texas," this year's essay contest on soil and water conservation sponsored by the Fort Worth Press has begun.

Local officials of the Soil Conservation Service informed schools here last week that all Hereford entries will be collected by Feb. 1 for local judging. Each entry will be considered by the five members of the Soil and Water Conservation Board. Afterward, the selected entries will be sent to Marvin Garrett, Conservation Director, Fort Worth Press.

The contest is open to any boy or girl 19-years-old or younger, and the entrant can be in or out of school, but not a high school graduate.

Ed Blackwell of the SCS pointed out that local entries will be combined in the final selections, but the lower grades will be judged separately in complete fairness to the younger students.

The three divisions for local contestants will be high school, junior high and grade school.

A top prize of \$200 will be given the author of the best essay, while trophies and medals will be awarded to 50 regional winners.

How the conservation of soil and water helps Texas must be the subject of each essay, explained Blackwell. There is no

limit on the number of words, but 300 words or less is suggested. Technical papers on soil and water conservation are not encouraged.

Another requirement is that each essay must carry the name of the student, home address, name of the school and name and number of the local conservation district (Tierra Blanca Soil and Water Conservation District No. 143.)

"The Fort Worth Press has sponsored the contest for the past 24 years.

## Jarvis To Speak At Beet Banquet

Dr. Charles Jarvis, considered one of the best after dinner speakers in the state, will be the guest speaker at the annual Texas-New Mexico Sugar Beet Growers Banquet, to be held Saturday, Jan. 18.

Jarvis, who entered the speaking profession in 1961 when the demand for his appearance called for it, is a native of San Marcus. He has averaged over 150 speaking engagements each year with his talks covering gatherings ranging from dinner clubs and banquets to ladies' nights and chamber of commerce annual meetings.

The banquet will be held at the Deaf Smith County Bull Barn and will begin at 7 p. m.

## Dimmitt Man Now Is YF President

DALLAS — Awards were presented and new leaders were selected during the annual conventions of the State Associations of Young Homemakers and Young Farmers here January 3-4.

Ben Holcomb of Dimmitt was elected president of the Young Farmers and Mrs. Thomas Reed Palestine, is the new head of the Young Homemakers for 1968. Other Homemaker officers include: Mrs. C. W. Gaebler, Yorktown, 1st Vice President; Mrs. Robert Van Winkle, Sulphur Springs, Secretary and Mrs. Ben Holcomb, Dimmitt, Parliamentarian.

Parker Yarbrough of Era was named 1st Vice President and Luther Gregor, Brenham; J. B. Lester, Gonzales; Richard Deal, Madisonville; James Beaver, Fluvanna; Dick Palmore, Dublin; Robert Barnwell, Pittsburg Joe Sinkule, Jr., Abbott and Billy Smith, George West will serve as Vice Presidents of the Young Farmers.

During a Friday luncheon Young Homemaker award winners were named. The Outstanding Chapter award went to Blanco and Era was runner-up. Henderson was the Outstanding New Chapter and Mills County gained the runner-up prize.

Chosen as the State Little Sister winner was Patsy Tripp a San Saba Chapter entry from Richland Springs, who received a \$500 scholarship from Texas Electric Cooperatives, Inc. Candy Curry of Teague and Lynda Parmley of Nacogdoches were second and third, respectively.

During a Friday evening banquet, Benny Edwards of O'Donnell received the Star Young Farmer award. The Outstanding Chapter award went to Fluvanna Young Farmers and Young County Young Farmers were named the Outstanding New Chapter.

Both the Young Farmer and Young Homemaker organization are designed for educational benefits of young adults 35 years of age and younger.

Those from the immediate area attending the convention were Mr. and Mrs. Larry Dobbs of the Frio community and Mrs. Beryl Burelsmith, of Hereford, advisor for the Deaf Smith County Young Homemakers. Mrs. Burelsmith, homemaking teacher at Hereford High School, was accompanied by her husband and son, Larry.

Dobbs is current president of the Deaf Smith County Young Farmers, and Mrs. Dobbs heads the Young Homemakers. She is also outgoing State Vice President for Area 1 of the State Association of Young Homemakers.

## 2 Winners In Grain Contest

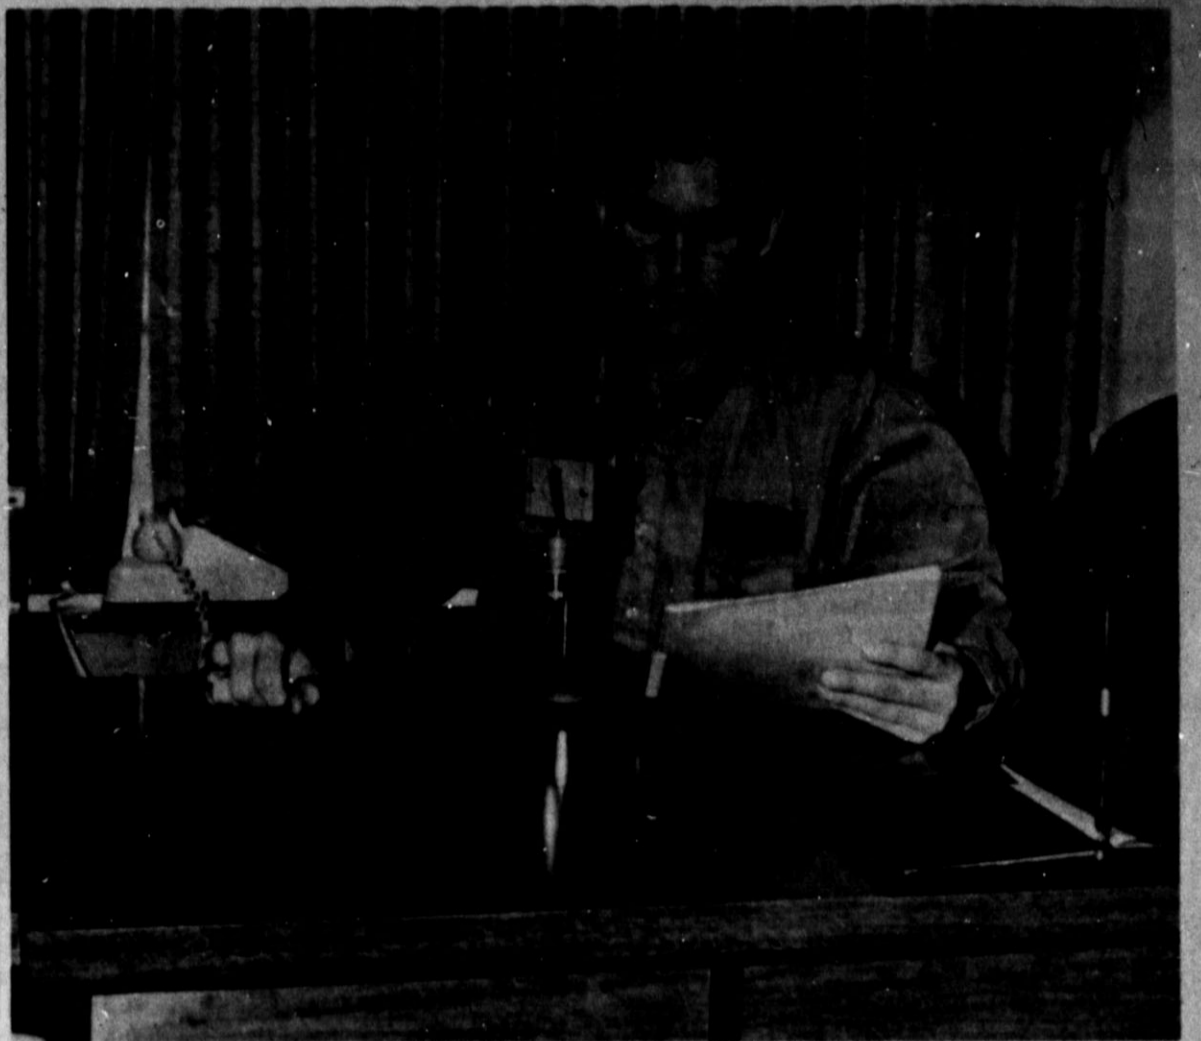

Deaf Smith County had two winners in the PAG Hybrid Sorghum Yield Contest.

Second place winner in the 1968 contest was Carl Kleuskens of Rt. 1, Hereford, according to a recent announcement by W. A. Dorman, board chairman of Dorman and Company, PAG distributors.

Kleuskens received a prize of \$500 plus a place in the PAG Growers Hall of Fame for his average yield of 8,906 lbs. per acre on a 100-acre or over field. L. W. Norvell, 23 Elm in Hereford, was announced as third place winner.

In the contest, Norvell had an average yield of 8,881 lbs. per acre. This yield won him a place in the PAG Growers Hall of Fame.

First place winner was David Lee Jones of Edmonson. His yield was 9,002 lbs. per acre.

**COMMODITY REPORT** — Ed Schroeter, manager of the local branch of Heinold-Rufenacht, a clearing house member of the Chicago Mercantile Exchange, is shown giving the daily commodities report over KPAN radio.

The office, located at 141 E. Third, is capable of handling some 40 different commodities at a single time and giving a running report on their prices.

## Speculators, Hedgers Are Assisted By Local Market

By MARSHALL DAY  
Staff Writer

If you happen to be a gambler and are willing to take a chance or two on agricultural commodities sales, you might stop by the Heinold-Rufenacht Commodities, Inc. at 141 E. Third and see manager Ed Schroeter.

In a business where the fate of an investment rests on the slight fluctuation way or another of prices, it is not the type of situation for the faint of heart or the person who is wondering where his next meal is coming from. Schroeter said of the business. A person must have the capital and be willing to risk it when the situation arises on the market.

Schroeter, who manages the local branch of Heinold-Rufenacht Commodities, a clearing house member of the Chicago Mercantile Exchange, has direct contact with the Chicago market via telephone, teletype machine and Teleguide Board which registers changes in market commodity values as they occur on the national level. The Teleguide Board is wired so that it can handle as many as 40 different commodities at a single time. The board registers highs, lows, the previous day's closing price and the latest sale for future months of various commodities.

"This office is very much like a stock brokers office except

that we deal solely in agricultural commodities," Schroeter commented.

Two types of persons are involved in the commodity futures trading, the "hedger" and the "speculator." The hedger is the person who grows processes and sells the agricultural commodities and the speculator is the one who risks capital to take advantage of market swings in commodity sales.

Using the example of a cattle feeder on the local basis, Schroeter said that by using the futures, "a producer of farm products can insure his operating profits and the speculator can try to take advantage of market fluctuations in hopes of large profits with highly leveraged money.

"The 'hedger,' for example," Schroeter said, "might be a cattle feeder in the local area who buys a certain number of cattle at a certain price. He will then look ahead to see how much it will cost him per 100 pounds that he puts on each animal. This price, coupled with other raising costs, will be evaluated and the 'break-even' price can be determined. The cattle feeder may then look ahead at the futures, determine when the animals will be ready for slaughter and determine whether the futures price is high enough to sell and insure his normal operating profit."

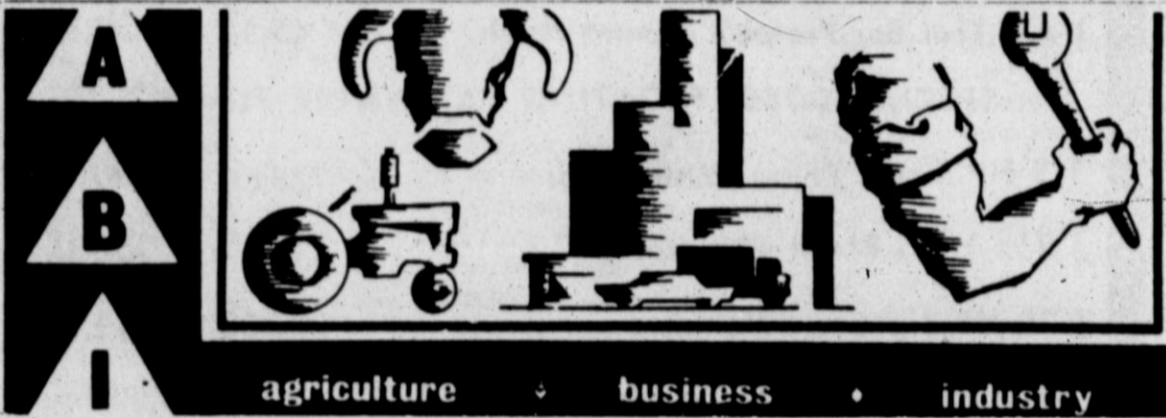

them at a certain time in the near future, he may do so and be guaranteed the price which is being offered at the time he wants to sell," Schroeter added.

The local office of the Heinold-Rufenacht Commodities is situated in the Hereford area in order that the cattle feeders may obtain a better look at the overall fundamentals of the market and also to, hopefully, give him a look at other commodities where his interests might lie.

"Generally speaking," Schroeter said, "we are here to try to assist the traders of proper commodity trading techniques as well as the persons who produce and sell the commodities."

In the futures market, margin money is required, which is very similar to escrow money, but is often less than 10 per cent of the total value of the commodity. Therefore, with such large leverage on money, the effectiveness of the capital is multiplied 10 to 20 times and is subject to large profit or loss on very small fluctuations in the market.

With the market being a highly complicated business, Schroeter said that there are "so many little avenues that can be explored in the great number of fields of marketing, that it is, in reality, something that must be explored thoroughly before it can be fully grasped."

HEREFORD, TEXAS, 79045, THURSDAY, JAN. 9, 1969 Page One

## Hays Wins Trip In Sales Contest

Charles A. Hays of Hays Implement Company here was announced as the winner of an all-expense trip to Hawaii.

The International Harvester Co. reported that Hays won the trip as the result of his successful participation in their "Grow and Go" farm equipment sales campaign.

Mr. and Mrs. Hays are scheduled to leave via jet today from Amarillo and to arrive in Honolulu this evening. They plan to stay at the Hawaiian Village Hotel for one week.

The nationwide sales campaign which made the trip possible for the Hays was based on retail deliveries of tractors, balers, combines and special industrial equipment manufactured by International Harvester

## For Conservation

## Windbreak Plants Are Now Available

Application forms for ordering seedlings for windbreak planting are now available at the Soil Conservation Service office, 315 W. Third, and the County Agent's office in the Deaf Smith County Courthouse.

Some 19 windbreak species are available this year, including Austrian Pine, Black Walnut, Bufaloberry, Catalpa, Chinese Elm, Cottonwood, Eucalyptus, Honey-locust (hornless), Loblolly Pine, Mulberry, Oriental Arborvitae, Osage Orange, Ponderosa Pine, Redcedar, Rose Multiflora, Shortleaf Pine, Slash Pine, Sweetgum and Sycamore.

The plants will not be sold for ornamental or shade tree purposes, but seedlings will be distributed for farmstead windbreaks, wildlife cover, and other types of conservation planting. Orders for less than a total of 100 trees will not be filled.

Delivered cost of the seedlings will be \$1.50 per hundred plus state sales tax, according to information from the Texas Forest Service. Shipments will begin in the middle of January and stop around the first of March.

Shipped with each order will be windbreak planting guides, which also will be available from the County Agriculture Agent.

Purpose of field windbreaks is to control wind erosion and lessen the drying effect of wind on the soil. They also conserve snow moisture needed in low rainfall areas.

Windbreaks are especially valuable in providing wildlife food and cover because of the large amount of "edge" in relation to acreage. They create homes for insect eating birds close to the cropland, where they do the most good, officials stated.

Farmstead windbreaks are planted around farm buildings for protection from sand storms and blizzards. During the winter, they are much used by wildlife and are very important to pheasant. The seedlings, although not distributed for only ornamental purposes, also add to the beauty of farms.

## Yearly Report Is Announced By Association

In a statement of conditions as of Dec. 31, Hi-Plains Savings and Loan Association showed total assets of \$9,448,513.87, up more than \$250,000 over 1967.

The association also showed an increase in "Surplus or Undivided Profits," having \$71,754.85 at the end of 1968 and \$44,081.90 at the end of 1967.

"First mortgage loans outstanding" totaled \$8,200,267.70 Dec. 31, while "Property Improvement Loans" were \$170,621.23; "Land purchased for development" was \$62,000; "Cash on hand and in banks" was \$582,450.03; "Office building, less depreciation" was \$101,162.76, and "Prepayment to Secondary Reserve, FSLIC" was \$116,129.01.

Under Capital and Liabilities, the association listed \$8,561,280.89 in "Savings Accounts," \$309,042.61 in "General reserves." Jimmie Allred is president of Hi-Plains Savings and Loan Association; Myron E. Morgan is executive vice president and managing officer; Donald H. Lane is vice president, and Ray Cowser is secretary. Directors are B. E. Roberson, Carl McCaslin and Morgan.

The association was chartered on Jan. 26, 1957.

**CONSERVATION PLANTING** — A variety of trees on the George Heard farm, 2 miles south and one mile west of Hereford, are serving as excellent windbreaks. The trees, which extend from north to the southwest side of the farmstead, include Arizona cypress, Chinese arbutus, Desert willow, locust and Chinese elm. The soil in that area is Pullman silty clay loam. See story for details on windbreak planting and the seedlings now available.

**TELEREGISTER** — This machine, situated in the Heinold-Rufenacht Commodities Inc. office, is capable of registering changes in prices of commodities on the national level as they occur. The machine registers the previous day's closing price, the opening price, the present day's high and low, and the latest sale for future months.

LET'S COOK SOMETHING

# Spices Flavor Bread

By SUE COLEMAN  
Women's Editor

A spicy pumpkin bread which is really a kind of cake ("It tastes something like gingerbread") is a favorite of Mrs. Roger Williams, the young housewife who has just become president of North Hereford Home Demonstration Club for 1969.

MRS. WILLIAMS has been a member of the club almost from the time she came here as a bride, four years ago. Her husband's grandmother, the late Mrs. O. C. Williams, promptly invited her to visit the club, she accepted an invitation to membership and has filled several offices before election to the presidency.

She is one of several members who explain that the name of North Hereford club has nothing to do with location of their residences; she lives on a

farm about a mile south of the city.

Practice in cooking began for Judy Williams before her marriage; she learned that with other household skills from her mother and in high school home economics classes and has continued to try new methods and new recipes.

**SOLID MEAT** -and-potato meals please her husband, who also enjoys desserts, she says. She laughs now about the first dinner she prepared for him after their marriage.

"Tuna fish salad for a hard-working man!", she says, "and besides, I didn't know that he doesn't like tuna!"

Her recipe for the pumpkin bread makes two large loaves, or sometimes she bakes part in a loaf pan and the remainder in a bun pan.

**PUMPKIN BREAD**

Beat together 1 1/2 cups white

sugar and 1 1/2 cups brown sugar, 4 eggs and 1 cup salad oil.

Add 4 tsp. cinnamon, 1/4 tsp. ginger, 2 tsp. nutmeg, 1/2 tsp. each cloves and mace, 1 1/2 tsp. salt and 2 tsp. soda. Stir in 2 cups cooked or canned pumpkin.

Add alternately, two-thirds cups water and 3/4 cups unsifted flour. Mix in order given.

Bake 1 hour at 350 degrees. Chopped nuts may be added for extra flavor.

**BESIDES COOKING** for her family, Mrs. Williams cans and makes jellies and preserves. A row of large pear trees beside her house provides fruit for the latter.

The Williams have two daughters, three-year-old Lisa and Kim, one year old. Mrs. Williams grew up in Denver City and attended school there before her marriage; she is the former Judy Pasley. Membership in the school band was one of her interests, and she was a cheer leader.

Her only club affiliation is with the Northside group and she enjoys home demonstration work because of its well-rounded program of study and activities.

Mrs. Roger Williams  
and daughter Kim

## Party Fetes Miss Vinson

A treasure hunt climaxed a series of games and led to gifts for Miss Edlana Vinson, bride-to-be, at a clever kitchen shower given by Misses Donna Olson and Darlene Sparkman in the home of the former.

Miss Vinson and Wayne Betts are to be married here Jan. 25. Kitchen gadgets were in the gift packages presented by close friends who were the shower guests.

They included Misses Barbara Brook, Glenda Dillard, Janina Cole, Susan White, Debbie Ogan, Sharon Hagans and Kit Struve. The honoree's mother, Mrs. Edgar Vinson, and Miss Olson's mother, Mrs. George Olson, were also guests.

## H.S. Officers Return To Posts

Beginning a second term after reelection, all officers of Wyche Home Demonstration Club were installed for the 1969 year at a recent meeting in the home of Mrs. Norman Hodges.

Mrs. Leroy Bodkin took the president's office again in an installation conducted by Mrs. C. F. Newsom, who used the theme of packing for a trip. New yearbooks were distributed with programs outlined for the calendar year.

Argen Draper, County H. D. Agent, gave the Program on Mental Health, stressing the family as the keystone to mental health and the primary agency for developing healthy personality for its members.

## Engagement Announced

The engagement of Miss Sammie Kay Caffey of Hereford to Jon Herbert Germer of Post has been announced by her parents, Mr. and Mrs. Walter Caffey Jr. of Post. The couple plans a late spring wedding.

Miss Caffey, a teacher in Northwest Elementary School, holds a B. A. degree in sociology from Texas Tech. She is a 1963 graduate of Post High School.

Her fiancé is band director in Post schools, a graduate of Lubbock High School and of Texas Tech, from which he received both the bachelor of music and master of education degrees.

## MONKEYSHINES

**NEW DELHI** — Rita, the little chimp at the zoo, had a Roman holiday one night and made the best of it.

She walked out of her unattended cell and took a stroll in the cool lawns of the zoo, to the wonderment of the other inmates and the shrieking of the frightened caged birds.

She walked into a familiar room — the veterinary surgeon's — and helped herself to a cool

drink from the refrigerator.

The surgeon found her seated in his chair when he reported for duty in the morning. She needed no persuasion. Clapping the surgeon's hand, she walked back into her cell.

## REAL WORKERS

**SANDY FORK, Va.** — One service station here sports this sign: "Open 25 Hours A Day."

READ THE WANT-ADS.

## 100 PERCENT PROOF

**AUCKLAND, New Zealand** — A publican hustled a protesting female out of the door to comply with a law that says no one under 21 years of age could be in the drinking area of the hotel.

Next day she returned with her mother, her husband, her birth and marriage certificates. The publican had been 10 years low in his estimate.

## Shooting The Bull At HHS

**By BETTY HODGES**  
Since the short Christmas holidays and its anticipated excitement are over, the pace at HHS has slowed down somewhat — but not for long because the dreaded semester exams (for teachers as well as the students) are scheduled for next week. Worried faces can already be seen at HHS.

Under the able direction of its president, John Stagner, the Key Club received names of new members at its meeting last Monday night at the Hacienda. The club plans to attend the First Baptist Church as a group next month. The public is reminded that the concessions at the HHS basketball games are furnished by the Key Club. At the end of the year, this money will be used to furnish a scholarship to a worthy Key Club member.

Be sure to contact any member of this active organization for the HEREFORD WHITE-FACE license tags. A Board of Directors meeting is scheduled for Jan. 15th, Wednesday, during homeroom. The program at the next meeting will be presented by the LCB.

Tri-Hi-Y girls need to contact Joette Hanna if you need any candles to sale. The next night meeting will be Jan. 30 at Ward's Restaurant.

The newly elected officers of Forensics are as follows: President — Randy Corlis; Vice President — Steve Ray; Secretary — Diana Adams; and Treasurer — Kenneth Justice. The club is preparing programs for the Lion's Club Jan. 15 and the Kiwanis Club Feb. 13.

During the coming weeks, five tournaments are on the Forensics' schedule: this Sat. at Frio

na; Jan. 18 at Hereford, which is open to the public; Feb. 1 at Dimmitt; Feb. 28 and March 1 at Texas Tech; March 8, at Hardin Simmons. These tournaments are in preparation for the district tournament to be held March 29 at Canyon.

All teenagers are urged to attend a non-denominational conference Feb. 22 in Amarillo at the First Christian Church. The renowned junky priest from New York, Father Egen, will be the speaker. Registration is from 9-10 a. m., and the cost is \$3, which furnishes various materials and dinner. For further information, contact Debra Walden.

The schedule for doomsdays (otherwise known as the days for semester exams) follows:  
Thursday, Jan. 17: 1st period, 8:45-10:10; 3rd period, 10:15, 11:40, 5th period, 12:40 - 2:05; and 5th period, 2:10-3:35.

Friday, Jan. 18 2nd period, 8:45-10:10; 4th period, 10:15-11:40 and 5th period, 1:00-2:25.

The students are reminded of the following rules which are in effect during the semester exams:

1. No student exemptions at mid-term.
2. Students are not required to be at school except during the exam period.
3. Students are required to remain in an exam for a minimum of one hour.
4. Students who do not leave the campus after an exam period are required to report to the Boys Gym.

**Coming up soon:**  
**Records Day — Jan. 20th**  
**— lucky day for all you skiers!**  
**"Oklahoma" — Jan. 25, 25**  
**Twirp Week**  
**Second installment of a-n-u-a-ls**

### District competition for stage band

In tournament action during the holidays, the Varsity cagers competed against other schools in a Berger Tournament, but were defeated. On basketball action last Friday night, the Jr. Varsity won over Lubbock Estacado, but the varsity lost their game. In tournament play at Tulla last Sat., the Jr. Varsity gathered a victory as they clinched 1st place. Best of luck to all the roundballers as they face Lubbock Estacado one more time at Lubbock tomorrow night.

The CYO is sponsoring a dance from 8:30 — 12 at the KC Hall this Sat. night. The Kidds, with their psychedelic light show will provide the music.

And as song goes, "It was a very good year..." so it was true of the '68 sights and sounds at HHS. Let's turn back to some of the highlighted memories of last year.

### SEPTEMBER

Various class and club officers were elected.

Howdy Day, sponsored by Student Council, was held.

The Kick-Off Party, another activity of Student Council, highlighted the beginning of the football season with the Pampa Harvesters as the 1st opponents.

The two exchange students Theo ten Have and Sharon Watson received a hearty HHS welcome.

The 1st edition of the '68-'69 WHITEFACE was published. Students of the Month were Sharon Watson and Theo ten Have.

### OCTOBER

Thirteen local Key-Clubs attended the Officers Training Course at Pampa.

Forensics was organized, a new club to HHS.

The sophomore class supper, under the supervision of Mike Wartes, was held at the HHS cafeteria.

The cheerleaders directed a Send-Off Party for the varsity before they journeyed to Phillips.

All-Region Choir members were selected. Student Council members attended the 15th Annual Top of Texas District Conference.

The Acappella Choir and Band presented programs for the dedication ceremonies of the Wilson Co.

Seniors won the bonfire competition, and the sophomores received the honor of being janitors since the losing class had to clean up the remains.

### NOVEMBER

Homecoming Queen Trisha Hill reigned over Homecoming Festivities and a delightful victory over Perryton. Winners of the floats, which were results of long hours of hard work, were announced.

The Band received a I rating in marching contest.

Formal initiation for the FFA greenhands was conducted.

Members for the All School Play, "Pillow Talk", were selected.

The junior class supper, under the supervision of Paul Hendon and Mrs. Gene Brink, was held at the HHS Cafeteria.

Seventeen girls were installed into the Tri-Hi-Y organization at the formal installation at the First Christian Church.

Since head football coach Larry Wartes knows how to call a wicked coin, the Whitefaces won the district title. In bi-district action, Kermit defeated them 21-14.

Junior Varsity closed out their season with a 7-3 record, while the Shorthorns completed an 8-1 record.

Basketball season began for

**ROTARIAN HAPPENINGS** — Retired Air Force General William Lawrence Lee, left, former commander at Amarillo Air Force Base and a volunteer worker in the Red Cross, was speaker during the regular noon meeting of the Hereford Rotary Club

Monday. Gen. Lee explained the Red Cross program and showed a film entitled "Vietnam Assignment." At right, new Rotarian Buddy Peeler of KPAN radio station holds an armload of Rotary information as he is introduced by Don Baugous.

the cagers as they journeyed to Caprock on the 23rd.

Harold Schumacker and Susan Balden were chosen as Students of the Month.

Various winners of the VFW Essay Contest were revealed.

The Acappella Choir made a 20 minute video tape which was shown during the Christmas holidays.

The cast for "Oklahoma" was selected.

The FHA and FFA Christmas party was held at the HHS Cafeteria.

A delightful Christmas concert was presented to the public by the band and choirs of HHS.

Senior Sue Easley was crowned Annual Queen at Stanton Night. The twirlers won 1st place for their stunt.

Several FFA boys traveled to Dumas for competition in the Amarillo District Leadership Contest. Later in the month, the Amarillo District Banquet was held in Panhandle.

Various awards were presented in the Koobraey assembly. Christmas holidays!!!

**—HHS—**  
**"THE END OF ONE YEAR ONLY LEADS TO THE BEGINNING OF ANOTHER."**

### VOLUNTARY SPEED-UP

PATIALA, India — Employees of a state government department have decided to work with top efficiency for one week. They will dispose of any business referred to them in 10 minutes during that week.

They feel this would be a better way to earn public sympathy for their grievances than the usual go-slow methods.

## Real Fireplace Is Focal Point For New Homes

COLLEGE STATION — Fireplace equipment will be common and popular in the home furnishings market this winter, predicts a Texas A&M University housing specialist.

One reason, explains Bony Lay, Extension specialist, is that more new homes are being built with one to three fireplaces. People like the warm feeling associated with fireplaces.

Fireplaces are again becoming functional instead of decorative, says Miss Lay, who cites as evidence the decline in imitation log sales and the increased sale of screens.

Fireplace equipment is available in many styles, Mediterranean, Spanish, Early American and Colonial are the most popular. These styles are closely related to other furnishings, says the specialist.

The most popular material will be brass and wrought iron, according to Miss Lay. Wrought iron and pewter-like materials will replace highly polished brass because brass requires more care.

Fireplace sets are available at many prices, ranging from about \$25 to \$300 for custom made, hand crafted sets.

**ONE ITEM MISSING**  
**BOWLING GREEN, Ky.** — During a visit to Atlanta, Mrs. Garnett Gilbert spotted this sign in a specialty shop: "We have everything for ladies except men."

## Rites Pend For Fitzgerald Kin

C. D. Fitzgerald of 105 Ave. K in Hereford received word Tuesday that his brother, E. B. Fitzgerald, had passed away at Greenville, Tex.

Final rites are pending at press time.

### PLACING THE BLAME

LOUISVILLE, Ky. — While vacationing in Alabama, during Daylight Saving Time, Carl Owen stopped at a roadside vegetable stand to buy tomatoes.

"Ain't got no tomatoes," the farmer told him, "that extra hour of daylight done burned up every garden in this country."

## Teachers Will Tour Midland

Science teachers in Hereford High School, and Stanton and La Plata junior highs will travel to Midland on January 20 to look over the science labs in the schools there, according to assistant superintendent Robert Holman.

Also under inspection will be a course of History of Western Thought.

Those attending from HHS are Pat Hughes and Mike King. From La Plata is John Mur-

Page Three  
dock and possibly Roger Huber. Mrs. Rosemary Shook will represent Stanton.  
Purpose of the tour is described as "another step toward work on the laboratory level for Life Science."

**DISQUALIFIED**  
**CHRISTCHURCH, New Zealand** — A last-minute change was made in a panel for a forum on accident prevention.

A youth who was to have given the workers views on accident prevention on the job had to withdraw. He had slipped at work and plunged his arm into a vat of boiling liquid.

EVERYTHING'S  
O.K.

## '69 Ford.

Spend 15 minutes inside the year's most talked about car.

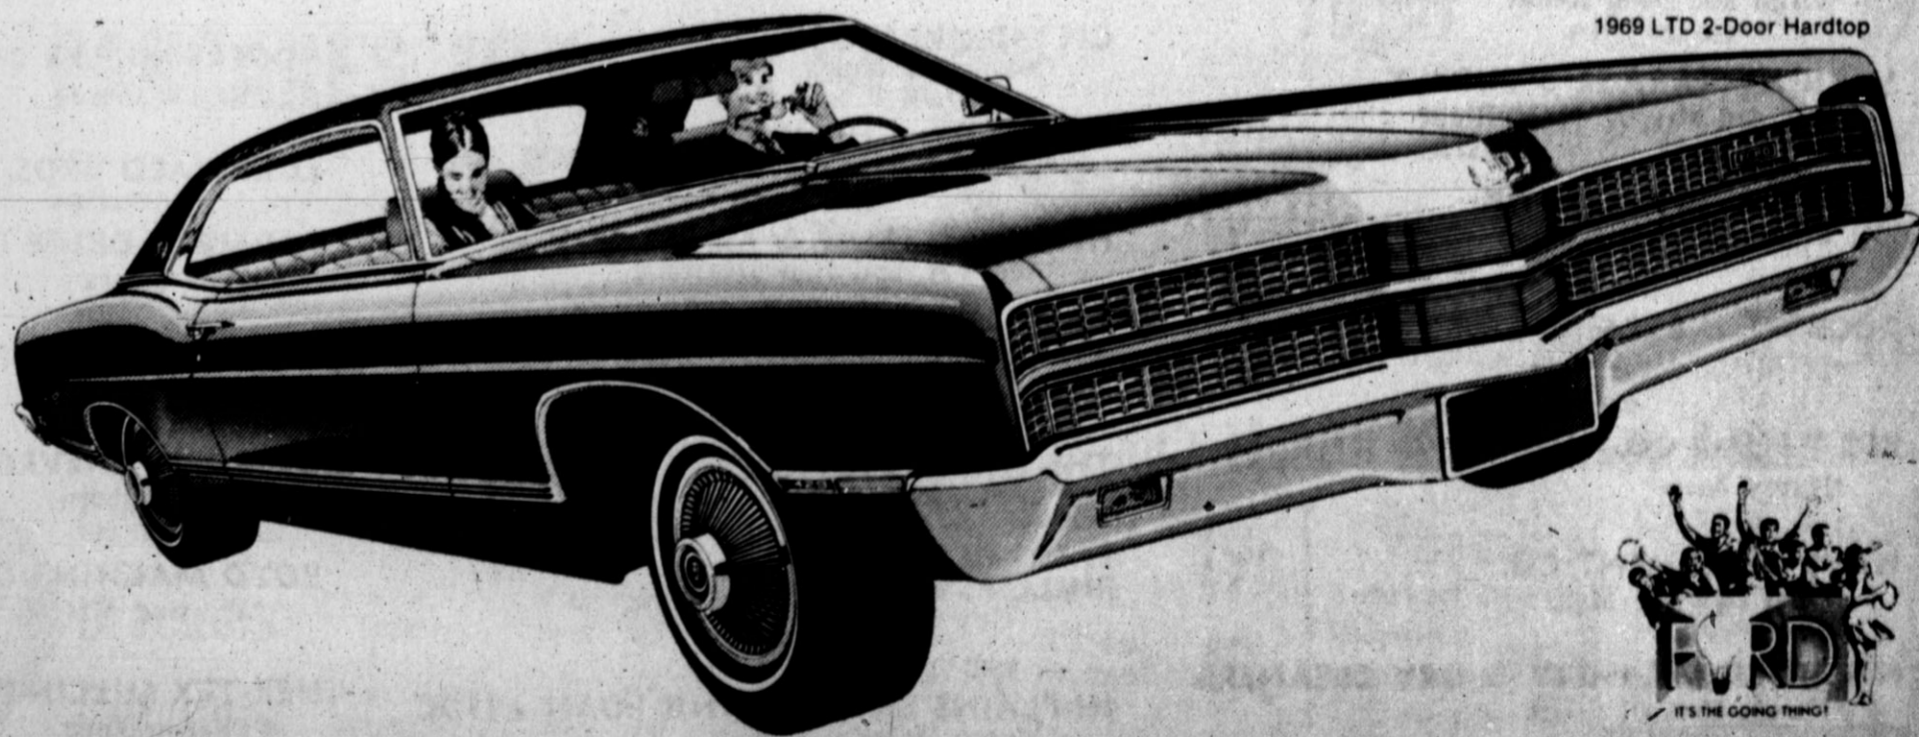

The '69 Ford LTD is the best-selling car in its class. Because it offers you so much more than the others.

Take a test drive. Fifteen minutes will show you what makes Ford so special. A front seat area so spacious it's called the Front Room. A wheelbase longer than Chevrolet's for an extra-smooth ride. The road-holding grip of a track as wide as Cadillac. All wrapped up in a car that's amazingly agile. Ford's turning circle is even smaller than Plymouth's.

The 1969 LTD was designed to ride quieter than the LTD that was quieter than a Rolls-Royce. Come in now. Talk it over. Try it out. Take it home.

# For God So Loved The World

## Gadgets or God

Scientific achievements of the world in recent years could very easily detract our minds from our Creator. Wonders of the laboratory have captured the adoration of all peoples. Lest we forget, and lest we start placing our dependance for livelihood in the marvels of science, let us take a second look. *"For by him were all things created that are in heaven, and that are in earth, visible and invisible, whether they be thorns, or dominions, or principalities, or powers: all things were created by Him, and for Him: and He is before all things, and by Him all things consist."* Col. 1:16, 17. Then let us stay with our true creator — let us serve Him. Let us attend and support His church.

## Hereford Church Of Nazarene Reports Growth During 1968

The year 1968 showed a substantial gain in all departments of the Hereford First Church of the Nazarene, Rev. Bill Ray, pastor of the local church, reports.

Sunday School, under the leadership of Superintendent Melvin Jayroe, showed an average increase of 10 over the 1967 year while Jim Pickett, president of the Nazarene Youth Program also indicated an increase

in number.

Mrs. Ed Ronnberg, local N.W.M.S. president, reported that that department of the church, during the past year, helped to alleviate suffering in other countries by sending money and parcels of food, clothing and hospital supplies while also providing for retired missionaries, building hospitals, clinics, schools, churches and homes.

A total of 28 new members

joined the local First Church of the Nazarene in Hereford in 1968.

A strong stewardship advance, membership gains and the opening of two new liberal arts colleges made 1968 a year of growth in the Church of the Nazarene which maintains world headquarters in Kansas City, Missouri.

World membership reached 664,962 persons, a net gain of 11,151 over 1967. Nazarenes had a domestic net gain of 24 churches, plus an overseas gain of 49 churches, making the denomination's world total 6,211 churches.

The total enrollment in Nazarene Sunday Schools at the end of 1968 was 1,049,775.

The annual statistical report by Dr. B. Edgar Johnson, general secretary, showed per capita giving at \$203.02, a new peak over the 1967 record of \$190.13. The notable stewardship gain apparently assured the Church of the Nazarene or remaining in first place in the nation in per capita giving among all major denominations with 200,000 or more members.

Reflecting the heavy war cost, 39 more names of Nazarenes killed in Vietnam were added to

## Miss Bagwell On Committee

Imogene Bagwell, Special Education coordinator in the Hereford Public Schools, is slated to work on a Texas Education Agency committee in Austin.

The committee in which Miss Bagwell will work is designed to

upgrade the Special Education program in schools throughout Texas, according to assistant superintendent Robert Holman. The agency is to pay her expenses.

Holman also reported that the Hereford school system serves as a pilot in many of the curriculum materials designed for Special Education students.

Miss Bagwell is originally from Austin but is a graduate of Claude High School. She has since been a student at Texas Tech, State University of Iowa, New Mexico State University, and University of Texas. Her BA degree in Speech was ob-

tained at Texas Tech. She began her assignment in Hereford at the beginning of the past fall semester. Her work

with this committee will not prevent Miss Bagwell from continuing on the staff here, Holman reported.

**AUSTIN HIGHLIGHTS**

# Big Tax Bill Is Expected By All But Governor-Elect

By VERN SANFORD  
Texas Press Association  
AUSTIN — Another legislative session is just around the corner.

Lawmakers are due back in town Tuesday (January 14) for their 61st biennial meeting, and most observers predict it will be a lively session.

Senators and representatives soon will be bickering mightily over the following, and probably hundreds of other less spectacular matters:

**Spending and taxation:** Nearly everybody is convinced there will be a big tax bill. But one of those who isn't is none other than Gov.-elect Preston Smith. He is hopeful that he won't have to be concerned with a tax program this year. However, there are demands for appropriations increases and school teachers want a \$200 million pay raise.

**Recommendations of the Governor's Committee on Public School Education,** particularly these of district consolidation and tax burden equalization.

**Liquor-by-the-drink legislation.** What again? This time, apparently, proponents will try the constitutional amendment (let-everybody-vote-on-it) route.

**Minimum wage legislation.** Constitutional revision.

**Increasing workmen's compensation** from \$35 to \$49 a week maximum and broadening coverage to public employees.

**Air and water pollution control measures.**

**Implementing the statewide water plan.**

**Raising the public welfare spending ceiling.**

**Increasing governor's indicated he will attach personal priority tags to these major program areas:** education (with emphasis on vocational and technical training) law enforcement, finance, pollution measures and water matters.

**NEW BUDGET PLAN DRAWN** — Legislative Budget Board has recommended \$1.1 billion in general revenue spending for 1970-71 — about \$77 million more than the bare bones minimum level estimated by Gov. John Connally.

LCB calculated its own modest version of appropriations needs would leave \$60.7 million in unearmarked general revenue but that takes into account no new major programs such as

implementation of the governor's public school study or teacher pay boosts.

Board decided to order a stop to salary supplements for major college officials from private funds and to recommend the state pay whatever is needed to get top men. This would cost about \$308,500 a year.

Under LBB proposals the governor would get a pay raise, too, from \$40,000 to \$55,000 a year. That would keep him ahead of lesser appointed officials, some of whom actually have been paid more than the chief executive considering their incomes from private sources.

Budget proposal also includes \$8.2 million in state office building (to cut down on \$1.5 million annual rentals paid by the state to house agencies in Austin) and an \$850,000 state records storage center.

**APPOINTMENTS** — Hawthorne Phillips, formerly of Harlingen, has been named executive assistant attorney general. He succeeds A. J. Carubbi Jr. who joined a Houston law firm.

Atty. Gen. Crawford C. Martin also named Pat Cain of Austin to serve as his administrative assistant, replacing W. E. Wells who will take a Houston finance job.

Martin said Odessa District Judge George Kelton will join his staff as co-chairman of the opinions division.

Robert Owen, former Crockett County attorney, will head the consumer protection division and Phil Warner will be assigned to the attorney general's insurance, banking and securities division.

Governor Connally appointed Paris attorney Henry Braswell judge of the Sixth Judicial District (Lamar and Fannin Counties).

Connally, moving fast to catch up on a backlog of appointments also announced these selections:

William B. Blakemore II of Midland to Public Safety Commission replacing J.C. Looney of Edinburg.

James L. Luther of Burnet to the Texas Aeronautics Commission.

George Dillman of Dallas, Ed Hunter of Houston, Gene Lehmann of Kerrville and Don Russell of San Marcos to the Texas Tourist Development Agency. Reappointed to the

same agency was John McCarty of Dallas.

Judge Peter M. Curry of San Antonio and Judge Raleigh Brown of Abilene, reappointed as presiding judges of the Fourth and Seventh Administrative Judicial Districts.

Paul Fuls of Wolfe City, reappointed to the Texas Aeronautics Commission.

L. P. Sturgeon is the new executive secretary of the Texas State Teachers Association. This former New Boston school superintendent succeeds the late Charles H. Tennyson, longtime head of TSTA, who died last month.

Adj. Gen. Thomas S. Bishop, adjutant general of Texas, has been reappointed a principle member of the Army Reserve Forces Policy Committee.

**TECHNICAL TRAINING BOOSTED** — House Education Committee has urged at least \$30 million outlay during the next biennium for vocational education in Texas.

HEC, which conducted study and 10 hearings, found that 16 vocational schools should be provided in 10 years to furnish 180 such facilities. It said all private technical and business schools ought to be regulated by the Texas Education Agency and that James Connally Technical Institute at Waco should be operated as a separate entity for training scarce vo-tech instructors and counselors.

**WATER HYACINTH ERADICATION** — A plant hormone called "2-4-D" will be used in the Texas Parks & Wildlife Department's campaign in the spring to eradicate water hyacinths in the Nueces, Frio and Atascosa Rivers.

Marion Toole of the P&W Department says that state workers, cooperating with the Galveston office of the U. S. Army Corps of Engineers, will apply the hormone when the plants are just beginning active growth. No harmful side effects are expected to result from the program, he said, since "2-4-D" is a hormone, not a poison. "We've sprayed Caddo Lake and areas around Houston and Beaumont," he said, "and never had reports of anything injured."

Toole says that the department plans to carry the program to other areas of the state after the South Texas work. He reports that the department has been getting pressure from Louisiana about the problem with the Sabine, and since the upper Sabine is in Texas, this state must deal with the water hyacinth infestation there before Louisiana can get approval for control where the river links Texas and Louisiana.

**INAUGURATION** — During the pre-session lull, secretaries and other workers in the Legislature are busy addressing invitations from Governor-elect Smith and Lt. Gov.-elect Ben Barnes to the January 21 inauguration festivities.

Smith's inauguration promises to be the most public of any such event since Austin became the capital of Texas. He wants everybody to come help him celebrate his assuming the chief executive's office.

Five of the six inaugural balls scheduled will be free. The formal ball in Austin's Municipal Auditorium, featuring Henry King and His Orchestra, will be the only one for which admission will be charged.

But the "free" balls sound like more fun. Television Star Jimmy Dean, a native of Plainview, Texas, will entertain at each of them. And other famous Texans — Glen Campbell, Buck Owen, Ray Price, Charlie Pride and the Casino Brass — will play for dancing.

**COURTS SPEAK** — Texas Supreme Court threw out orders of a Shelby County court which attempted to invalidate Department of Public Safety drivers' license suspensions of 83 who did not live in the county.

High court exonerated two Victoria doctors sued by a woman who broke her hip in a fall from a hospital bed after electric shock treatments.

Thirty-two death penalty cases were pending as of the end of the last fiscal year says the Board of Pardons and Pares in its annual report.

**GUARD UNITS PRAISED** — Texas' Army National Guard is at the "highest state of efficiency and readiness ever achieved," Fourth Army spokesmen commented.

Annual general inspections of 121 units reflected that more guard units were rated "superior" than last year, despite massive reorganization. Twenty-one units received distinction in Fourth Army judging.

**SHORT SNORTS**

All statewide elective officials (except the governor and lieutenant governor) who serve two-year terms began new terms on January 1.

More got out than in state prisons last year. A total of 5,485 inmates were released (1,921 through parole) while 4,736 were admitted.

Forty-one applications for permits to sell \$29 million in securities in Texas were filed during the last two weeks with the State Securities Board.

Application has been filed for West End State Bank, Westgate City, Beaumont, with the State Banking Board. Board also heard bitter political charges in hearing on application for a new state bank at Hurst.

**Relatives Leave After Holiday Visit**

Mrs. Glenn Willier and children have returned to their home in Salina, Kan., after a holiday visit in the Ben Conklin home. Willier, Mrs. Conklin's son, is in Viet Nam.

Mrs. Conklin's grandson, Marine Corp. Roy Lynn Burges, and Mrs. Burges of Barstow, Calif., also visited the Conklins and with Mrs. C. V. Burges Sr., his other grandmother. A sister of Mrs. Conklin, Mrs. Del Brunstetter of Alva, Okla., was a guest here in the home of their parents, Mr. and Mrs. George S. Parker.

## Community Calendar

The Community Calendar, which includes major events which will be of interest to Hereford and residents of the immediate area, will run in each issue of the Brand. The calendar will include events for the coming six months, and all individuals and organizations are urged to write or mail their event for inclusion.

**JANUARY**

9 — Installation banquet for Chamber of Commerce officers.

13 — Annual board meeting of Hereford Camp Fire Girls, at Camp Fire Lodge, 8 p.m.

16 — Annual banquet of the Tierra Blanca District of the Boy Scouts of America.

18 — Texas-New Mexico Sugar Beet Growers banquet, Bull Barn.

31 — Deaf Smith County Junior Livestock Show sponsored by the Young Farmers.

**February**

1-2 — Deaf Smith County Junior Livestock Show.

7 — Annual banquet of Camp Fire Girls.

7&8 — Hereford Community Players to present night of one-act plays.

11 — Crop Clinic at Bull Barn beginning at 9 a.m.

13 — Annual Deaf Smith County Chamber of Commerce banquet. Speaker will be Irv Wermont.

15-16 — Mid-Winter Conference of Lions Club District 2-T-1.

20-22 Hereford Science Fair at Bull Barn

23 — Community Concerts present Norman Luboff Choir in concert at high school auditorium.

**March**

15 — Community Concerts presents the Clebanoff Orchestra, high school auditorium, 8 p.m.

The best PGA golf tour scores of 1967 were 61s. They were turned in by Dave Hill at Hartford, Conn., and Gay Brewer at Pensacola, Fla.

## Small Talk

By SUE COLEMAN  
Women's Editor

For a good many years, it has been possible for a writer to define a character quickly as a harmless eccentric, and impractical putterer, by describing him as the type "who grows mushrooms in the basement."

**AT THE SAME** time it has been possible to define a restaurateur as very posh and expensive or a banquet as a gala occasion needed, by mentioning mushrooms on the menu. It is only within the past generation that mushrooms were met at an ordinary family meal unless the family lived near a woods where they grew, and some member was smart enough to tell them from toadstools.

A trend in eating habits is mentioned by the U. S. Department of Agriculture in noting that new USDA recipe bulletins include recipes for using mushrooms, because the vegetable is no longer a precious item on gourmet dinners.

**IN FACT,** commercial production of mushrooms has more than tripled in less than 20 years, to nearly 100,000 tons valued at more than \$61 million last year. And more are imported, chiefly from Formosa.

My reaction to that piece of news is that it's a wonder it took so long for the American housewife to discover how useful mushrooms are, especially when the family won't eat hash, but will accept it as a special dish if a few mushrooms are tossed in.

It's nice that air transport and canning methods have improved so we can have our share of the crop. And just wait until we get that Mississippi River water over here, so our basements are darap enough to raise our own!

**WIVES OF** Holly employees here have got together to form a club, and plan monthly meetings to begin with a covered dish luncheon Jan. 18. They are calling themselves simply the Holly Wives Club, says Fran Brown, after discussion of proposed names including Holly Dellites — which was rejected as "just too corny!"

**FINE ARTS** organizations in Hereford, as well as in other Panhandle cities, have been contacted by a group of Amarillo and Canyon residents who are interested in forming a center of performing arts to draw on talent of the entire area and present programs in the various cities.

Now in the talking stage, the idea is being considered by the groups here, which in first reaction are certainly not interested in contributing talent to productions centered in another city, but might like pooling talent

with that from other parts of the area for circuit presentations.

Here last week to discuss the proposal with several Hereford residents were Mrs. Joe Pool, who is prominent in the Amarillo Little Theater, Mrs. Hope McKenzie of West Texas State University and Eddie Thomas, now of Dallas but formerly of Amarillo and the east of Texas, in which he has played the lead.

There are various angles to be mullied over, by Hereford and all the other Panhandle cities which are making strides in developing their talent in music, drama, dancing and painting, and must decide whether an area-wide program would strengthen or weaken these efforts.

## New Year Begins For Dawn Club

Mrs. Richard Golden, who is beginning her second term as president of Dawn Home Demonstration Club, was hostess Friday for the first 1969 meeting. Mrs. R. T. Stewart was program leader.

Speaking on the subject, Pressures of Everyday Life, Argen Draper, County H. D. Agent, said the term "mental health" often reminds people of its opposite, mental illness, but that it means much more than mere absence of illness.

She quoted a psychiatrist's definition of mental health, "Doing the best you can with that you have — and getting a bang out of it."

Mrs. Draper also demonstrated methods of sewing the currently fashionable leatherlike material.

Jim Gibbard made a successful debut this fall as Michigan State's cross country coach. His Spartans beat defending Big Ten champion Indiana by one point.

### The Open Door Policy Hits Hereford

Drive by 615 South 25 Mile Avenue in Hereford these days. You'll find an open door. The sign on that door says Interstate financial house. That explains why the door's open.

Step inside and you'll get a warm welcome from Leon Richards, the manager. Ask him to explain this open door policy. He'll tell you what financial house is all about.

**LEON RICHARDS.** Manager, offers money for the things you want, with loans, financing and budgeting, all under one roof.

"We here at financial house open the door to money for the things people want. holiday gifts, entertaining, trips. Or we'll combine and pay off your bills. Leave you with one sensible monthly payment. We can even show you how to avoid

money problems before they begin. Because we've put all these services under one roof, our company is known throughout the world as financial house."

They call Leon the Understanding Man... and understand he does. He's a family man, too, who understands your reasons for wanting a new car, or new bedroom furniture, or a new refrigerator.

"To be an Understanding Man," Leon Richards says, "you also have to have the training and experience to help people the fastest, most sensible way."

Does it cost more to borrow from financial house? Quite the contrary, according to Leon. He points out that total financing costs are always competitive at financial house. "Because we concentrate on those who treat their credit well, we can offer the best possible terms."

As you drive away from financial house, you can't help thinking that here's a nice place to do business. Discover for yourself that you step up to better living when you step through the financial house door. Interstate financial house is open Saturday, 9 to 1, for your holiday money convenience at 615 South 25 Mile Avenue in Hereford. Or phone 364-4432.

### THIS PIPELINE WAS BUILT BY THE ROMANS AND SERVED FOR 2,000 YEARS

This photo, from the Smithsonian Institute in Washington D. C. shows a section of the original aqueduct that served the water needs of the conquered city of Cologne, Germany. It was constructed in 80 A.D. by the engineers of Fabius Sabinus Titus, Emperor of Rome. The aqueduct extended 56 miles underground between Cologne, and Eiffel and served as the main artery for the Cologne water supply until the late 1920's.

### THIS PIPELINE IS EVEN MORE DEPENDABLE!!

Because of modern materials and manufacturing techniques, Gifford-Hill-Western's LOCK-SEAL provides an even more dependable underground pipeline. The close tolerance design makes the pipe more suitable, and joint flexibility eliminates the effects of expansion and contraction due to soil conditions and temperatures. By combining a superior product with modern day design and installation know-how, you have an underground irrigation system that serves dependably year after year... generation after generation. LOCK-SEAL is the product. Gifford-Hill-Western is the company depend on them!

Mr. and Mrs. Clinton Jackson hosted a family get-together with Mr. and Mrs. Donnie Jackson and children of Pampa, Mr. and Mrs. Bobbie Jackson and child of the Indian reservation in Arizona, Mr. and Mrs. George Snider and children of Stinnett, and Mr. and Mrs. Stan Kroff and children of Canyon.

Mrs. Ronnie Welty and sons of Bay City are spending several weeks here with her parents and family Mr. and Mrs. Labry Ballard.

Mrs. C. J. Mountz spent Wednesday in Lubbock with her son and family Mr. and Mrs. Carl D. Mountz.

A long awaited family get-together was held in the Phillip Barkley home over the holidays. Some eighteen years had passed since all three families were able to make it at the same time, Mrs. Duene (Beverley) Vandevorde, Diana and Mark of Seattle, Wash., Mr. and Mrs. Fred (Marilyn) Faze of Dallas, and Mr. and Mrs. Vandevorde and children left just before New Years.

Mr. and Mrs. Arthur Pursley of Abilene were luncheon guests recently in the home of Mr. and Mrs. Ray Bosley.

Mr. and Mrs. Ray Bosley and David spent Wednesday in Canyon visiting his parents Mr. and Mrs. Cecil Bosley.

Mr. and Mrs. Bobby Thuet spent Wednesday in Vega with his sister and husband Mr. and Mrs. John B. MacNaughton. The Thuetts are awaiting the arrival of their son Jimmy who is serving in the Army, before they have their Christmas celebration.

Holiday guests of Mr. and Mrs. Bert Boomer were Mrs. George Boomer of San Diego, Mr. and Mrs. L. M. Boomer and Scott of Claude and their daughter and family Mr. and Mrs. Robert Oliver and Young Steven of Seabrook.

Mr. and Mrs. Phillip Shook and girls spent the holiday visiting with their parents both of Denver City, Mr. and Mrs. W.R. Shook and Mr. and Mrs. R.C. Sescik. Mr. and Mrs. Sescik accompanied the Shooks to Houston to visit Mr. and Mrs. Gordon Sescik and children.

Mr. and Mrs. Larry Minks accompanied by Dorothy, Chris and Tom Marnell spent several days in Saguache, Colo. as guests of Mr. and Mrs. Norman Minks and Nancy and Margaret. The group went skiing while there and visited with several Hereford families, Mr. and Mrs. Gid Brown and son, Rene Botard, Mr. and Mrs. Bill Dameron and family, and Mr. and Mrs. Ben Gollehon. The Minks and the Marnell clan returned home to visit with their parents Mr. and Mrs. F. A. Marnell.

Mrs. Frank Wilhelm had several members of her family home during the holiday. Mr. and Mrs. Leo Warren and daughter of Waterflow, New Mexico Sister Ancella Marie of Farmington, and Mother Mary Edgar of Maple Mount, Kent.

Word was received this week of the death of Henry West of Cleburne, grandfather of Mrs. Denny Richardson of Belton, a former Hereford resident.

Mr. and Mrs. W. B. Nunley, Ricky and Ronald Lloyd spent Saturday night in Graham with his mother Mrs. W. B. Nunley, Sr. and other relatives.

Mr. and Mrs. Garland Solomon and Tom spent Sunday in Floydada with Mrs. Helen Solomon, Mrs. Belva Henderson and Mr. and Mrs. N. W. Williams. On their return trip home they visited in Plainview with Mr. & Mrs. W. J. Messick of El Paso, former Hereford residents, who

Lee and Donnie Renfro of Austin, Nevada have returned home after spending the holidays here with their mother and grandmother, Mrs. Lee Lambert and other relatives.

Mrs. Hicks of West Virginia is spending some time here with her son and family, Dr. and Mrs. Clarence Hicks.

Mr. and Mrs. Jack Allmon and children of Dallas spent the holidays here with his mother, Mrs. D. W. Allmon and her parents, Mr. and Mrs. Lynn Kester.

were visiting her sister Mrs. Blanche White.

Stan Solomon and three companions from the fraternity APO left for Washington D. C. for a national convention. They stopped in Nashville, Tenn. to visit his aunt and family Rev. and Mrs. W. E. Moore. All four boys are students at WTSU.

Mr. and Mrs. C. C. Bell of Truth or Consequences, New Mex. spent several days in the home of their son and family Mr. and Mrs. Charlie Bell. On Wednesday the group were guests in Canyon in the home of Mrs. Bell's mother, Mrs. Tom Lair.

Mr. and Mrs. J. C. Morrison spent Wednesday in Clovis with their daughter and family Mr. and Mrs. Don Heddins.

Mr. and Mrs. Robert Brown of Dumas and Mr. and Mrs. Jerry Brown of Amarillo visited with their parents, Mr. and Mrs. A. H. Brown. Mrs. Brown has just recently been released from the hospital following a stroke. Mrs. Virginia Stevens and son are moving back to Hereford this week to be closer to her mother.

Mr. and Mrs. J. E. McCa-thern and family were hosts for a family dinner with those attending: Mr. and Mrs. J. E. McCa-thern, Sr., Mr. and Mrs. Wilton Lillard of Phillips, Mr. and Mrs. M. Ball, Mr. and Mrs. Dewayne Cassels and children and Mr. and Mrs. Gerald McCa-thern and family and Phil Tenhave, the exchange student from Denmark.

The ski slopes beckoned area ski enthusiasts. Those enjoying the brisk air, Mr. and Mrs. Gerald McCa-thern and family, Dr. and Mrs. Clarence Hicks and family. They were at Taos, Mr. and Mrs. Neil Cooper and family and Mr. and Mrs. A. R. Dillard and family were at Sante Fe. Betty Hodges accompanied Mr. and Mrs. Ray Fry and girls to Red River.

Jackie Fooks of the University of Kansas at Lawrence, Kan. spent two weeks here with her parents, the Gene Fooks. She watched her alma mater play in the Orange Bowl on New Years Day. She had no comment to make on the outcome. Jackie lacks a year and half on her doctorate in speech and drama. She will get to go to Europe for her dissertation.

Mr. and Mrs. Lee Drake, Mark, Lisa and Karen left on Saturday for their annual move to the valley. They will live in Harlengen until spring. They will be accompanied by Mrs. Bill Callaway and children who have been visiting here with her parents, Mr. and Mrs. Gaylord Newell and sister, Gayle.

Mr. and Mrs. Buddy Jowell of Amarillo spent Wednesday with his parents, Mr. and Mrs. George Jowell.

Audni Miller of Columbus, Ohio left on Thursday after spending several days here with her parents, Mr. and Mrs. H. Miller. John David Miller left for Austin early to do some classwork at University of Texas.

Mr. and Mrs. Virgil Stran ge and Jim of Denton, Mr. and Mrs. Roland Chadwell and four boys of Amarillo, Mr. and Mrs. Rayburn Strange and children, and Mr. and Mrs. A. T. Griffin and girls all filled the home of Mr. and Mrs. Clarence Strange and Robert all during the holidays.

Mr. and Mrs. Anthony Standford of Canyon were guests of her sister and family, Mr. and Mrs. Edwin Morrison, Jr.

programs, programs and developments available to the handicapped pupil and the effects of recent legislation, and a planned educational program for the five year old.

Lt. Gov. Preston Smith, Governor-elect of Texas, will be the principal speaker. He will be introduced by Sen. A. M. Alkin Jr.

Dr. J. W. Edgar, Commissioner of Education, will preside and James W. Martin, Arlington school district superintendent, will give the invocation.

Work group sessions on sixteen topics are planned for the 2-day meet, with the schedule permitting superintendents to attend three such sessions by noon Friday.

W. C. Andrews, president of the Texas Association of School Administrators, will present life memberships following the address by Lt. Gov. Smith.

Texas Education Agency sponsors this type of conference each year for all school administrators in Texas.

The Hereford school administrators are expected to return here Saturday.

## Tryouts Begin As First HCP Production Reported Success

Tryouts for the next production of Hereford Community Players, a night of one-act plays scheduled for Feb. 7 and 8, followed a membership meeting at Community Center Monday evening.

Financial success of the Players' initial production, the November staging of the Noel Coward comedy, *Elithe Spirit*, was reported by the treasurer, Mrs. F. D. Holbert, in her monthly summary.

Suggestions for a three-act play to be presented during annual Fine Arts Week in the spring were also heard. Mrs. Gilliland, HCP president presided for the meeting.

Mrs. Gene Parsley, membership chairman, announced that 76 persons are now enrolled. Membership for individuals, couples and families is open to all interested persons in this area. Those who take part in HCP productions, as actors, in stage crews or house crews, must be members.

Future productions were the subject of informal discussion. The Players will sponsor a presentation of *Pinnocchio* by a group from West Texas State University drama department in a matinee for children later this month. Originally scheduled before Christmas, the show was postponed because WTSU closed early for the holidays after a flu outbreak.

Mrs. John Gilliland and John Claypool, who will direct res-

## Airman Funk Is At High Wycomb

Airman First Class Michael M. Funk has completed his 20-day leave here with his parents, Mr. and Mrs. Myles Funk of Rt. 3, and has returned to High Wycomb Air Base in England.

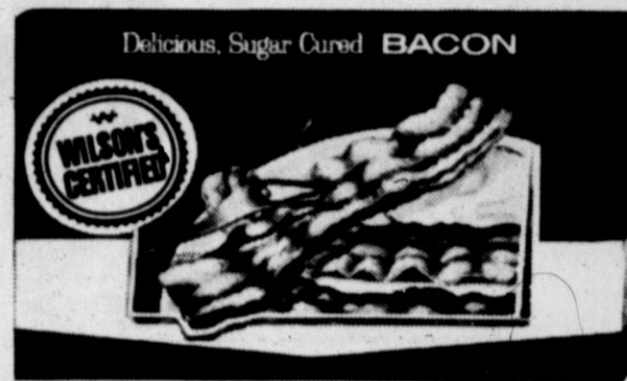

Airman Funk was graduated from the Amarillo Air Force Base Technical School as a personnel specialist. He is set for three years in his present duty.

Funk graduated from Hereford High School in 1967.

A LONG BOAT RIDE  
KEY WEST, Fla. (AP) — The longest cruise ever made by an outboard motorboat — Juneau, Alaska to Key West — was completed here this fall when Bill and Kathy Dimond of Hazelwood, Mo., arrived aboard their 20-foot runabout Triumph I.

The Dimonds left Juneau June 10 and arrived here Oct. 11 after an 8,000 mile journey on North America's waterways. They visited about 100 cities and towns on their way south.

# It's easy to talk quality. Only Wilson Certifies it in Hereford.

Sweet and sizzling crisp. Lean and meaty Wilson's Certified Bacon makes a hearty breakfast. Special quality. There's none better.

Plump, juicy, all meat. Wilson's Certified Franks are made with good, wholesome cuts of tender pork and lean beef. Poppin' with protein!

Tenderloin tender, slice after slice. Boneless, fully-cooked. Wilson's Certified Festival Ham is lean and low in calories. Two family sizes: whole, 5-6 lbs.; half, 2-3 lbs.

Extra lean, heart of the loin. Wilson's Certified Canadian Style Bacon is slowly sugar cured and hardwood smoked for quality and flavor you can count on.

Fully cooked. Heats in just minutes.

Meats this good never came in a can before. New Wilson's Certified Main Meal Meats are fully cooked and keep without refrigeration—right on your pantry shelf. Try all four: Corned Beef Brisket, Beef Roast, Pork Roast and Turkey.

Marvelous meat makes the big difference.

So many good things come from Wilson. WILSON & CO., INC. A SUBSIDIARY OF LING-TENCO YOUNG, INC.
