Gas Rate Increase Is Discussed By Council

The proposed gate rate by Pioneer Natural Gas took the headline in the regular Monday night meeting of the city commissioners, as they agreed to join with other cities served by the company in attempting to prevent the increase.

On August 14, Pioneer Natural Gas notified the cities on the West Texas System that an inspection of Pioneer's West Texas Transmission System facilities was to be made by Company and consulting engineers.

A study was made to evaluate the properties and the present cost of service. The analysis was completed and, as anticipated in an earlier report, it showed that the need for an adjustment in the city gas rate applicable to the cities served by the West Texas Transmission System.

The last determination of Pioneer's gate rate was based on the year 1961. Since that time, the field cost of gas, labor, materials and supplies, as well as interest rates, have gone up frequently and substantially.

Pioneer filed an application with the Railroad Commission of Texas for the establishment of an authorized city gate rate. According to earlier reports, Pioneer Natural Gas asked the Railroad Commission to establish a city gate rate of 34 cents, plus an allowance for federal surtax, compared to the present rate of 28 cents. The Federal Income Tax 10 per cent surtax charge would cause its continuation and the outcome could be better judged during the pendency of the Railroad Commission proceeding. Continuation of the tax at a five per cent rate would add approximately one cent.

Pioneer reported that a new gate rate would have no immediate effect on current gas rates. However, they added, such an increase would establish a new cost of gas at the city gate for any subsequent changes in domestic and commercial rates in the cities on the West Texas Distribution System.

At the commission meeting Monday night, city commissioners agreed to merge with other cities served by the system in trying to halt the increase.

It was pointed out by city manager Dudley Bayne that in a recent meeting in Lubbock, all 47 cities served by the company were represented. The cities voted to go ahead and see what is needed to halt the increase. A committee was appointed, on which Bayne is a member, which has studied the proposal, and they will appear before the Railroad Commission in Austin for a meeting November 24.

The resolution okayed by the commission Monday night simply got them involved in the proceedings and obligated them to go along with the plan to participate in the meeting.

In other action, the commission heard the final reading of a proposed annexation ordinance and approved it. The annexation was for south Hereford.

It was also voted by the commission to not close city offices for Veterans Day, which will be next Tuesday. In view of the fact that the county offices will not close in observance of the holiday, the commissioners also elected not to do so.

A petition for paving the 400 block of Ave. D was also discussed by the councilmen, but was tabled until further investigation into the matter could be done. The council felt that to pave just one block at this time would bring about a larger bill in comparison to a greater amount of work.

Some 16 property owners on the block had signed the petition.

Several matters were tabled by the commission until representatives could be present to give their views.

Local Bands Rate Tops

At District University Intercollegiate League Band marching competition Tuesday at the Buffalo Bowl in Canyon, a all three Hereford bands walked away with Division I ratings.

The La Plata Junior High Band, under the direction of Jim Priest, marched to their fifth Division I rating in five years and Stanton's band, under the leadership of Randy Vaughn, also received a Division I rating as did the high school band under Ben Gollehon.

La Plata's band, comprised of 85 players, competed against three other CC bands. For their entrance, they played "Confidence," the National Football League's theme song and followed it with a parade of the field before counter marching back to the center of the field. From there, they played Carl King's march, "Rifle Rangers," while performing a Step Two Drill and file drill.

They then played a Moffitt arrangement, "Caision Song" while doing "blockbusters" in which the group divided up into four parts, all doing different steps.

Their final arrangement was the last part of "Rifle Rangers" doing the "Texas Turn" in leaving the field. The "Texas Turn" is a step used by several colleges.

Much of the music, according to Priest, was comparable to that played by AA schools. The Dogie band from Stanton consists of around 75 students but only 54 competed in the marching contest.

For their entrance the band marched to the selection of "Lover," which is show type and a dance band number. The next songs were "Days of Glory" and "True Blue," both of which are standard marching numbers.

To provide a little variety in their program the Stantoners

switched next to another show tune entitled "Stars In Your Eyes." This is a special arrangement acquired from Monahan, according to director Vaughn.

The band's most widely known selection was "Strategic Air Command." This was a special march written for the United States Air Force when they introduced the giant B-52 bomber. Stanton closed their performance with this selection.

Vaughn said that the band used four different formations in their marching. They were the entrance drill, with four company fronts, a step 2 drill, blockbusters, and a closure formation.

The Hereford High Whiteface band is well under way toward its eighth straight sweepstakes award after receiving a 1st place rating in Canyon. To be awarded the Sweepstakes honor a band must receive a first division rating in marching, concert, and sight reading.

Both Stanton and La Plata won the sweepstakes award last year. It was the first in the history of La Plata and the fifth in a row for Stanton.

The Hereford and Pampa bands were the two high school groups from the Panhandle receiving the award last year. These two bands, as all sweepstakes bands in Texas are eligible to attend the Buchanan Music Festival in Corpus Christi each spring. The Whiteface band was the runner up at this contest last year.

Besides being a sweepstakes organization for seven years, the HHS band has won all major band contests in the past four years and two years ago were named Honor Band of the State of Texas.

Commenting on their performance Tuesday, Gollehon said, "The band did everything according to plan. The balance and blend were excellent. We were worried a little about the weather but as it turned out it did not affect us at all."

"We received a 1st division from all three judges with good comments from each."

Three young ladies from Hereford High competed in the twirling contest also. Receiving a 1st division solo were junior Terri Beth Line and sophomore Brenda Forinby. Deborah Hodges was awarded a 11 division for her solo.

UF Check-In Is Set For Today

A check-in for United Fund will be held this morning at 10 at the Hereford State Bank, according to UF president Calvin Goodin.

The goal for this year is \$38,000 and as of last week during the check-in, slightly over \$30,000 had been collected and this represented an even 79 per cent of the goal.

VICA To Host District VI Meet

Hereford VICA (Vocational Industrial Clubs of America), will host the District VI meeting for Leadership Training, at Hereford High School Saturday, beginning at 9 a.m.

The meeting will begin at 9 a.m. with a general assembly in the high school auditorium. The welcome address will be given by Jerry Don George, Hereford High School principal.

Approximately 400 members and advisors are expected to attend the meeting including such distinguished guests as Ray Rushing, area supervisor from Plainview, and D. F. Tilton, of the University of Texas, Austin.

Highlights of the assembly will be VICA opening and closing ceremony, by the District VI officers; Installation by Boy's Ranch; Public Speaking by Sandy Betzen, Hereford High School Cosmetology student; and presentation of approximately 40 Sweethearts from District VI.

A tea will be given for the sweethearts at 10 a.m. Saturday in the high school Home-making department. Vanna Thurlow, Hereford Cosmetology teacher, and Odessa Long, cosmetology teacher at Lubbock Dunbar, will be the hostesses. Refreshments for the tea will be furnished and prepared by the local high school Cosmetology girls.

Alvin Smith, Industrial Cooperative Training coordinator at Hereford High School, will represent the District as host for lunch. Guests will include sweetheart judges, Mrs. Clint Forinby, Miss Jamle Anthony, Mrs. Elmer Kimpbell, Mrs. Justin McBride, Orval Watson, Ray Rushing and G. F. Tilton. The luncheon will be at the Caision House.

Open house will be held in Hereford High School's Vocational wing from 1 to 1:30 p.m. with all visitors invited. This will provide an opportunity for them to tour the classrooms and the tour will be under the direction of Walter Bryan, Vocational Director of Hereford High School.

Throughout the day, special leadership classes will be held for the students. The classes will be held for the students and conducted to teach them correct procedures in conducting the meetings, to emphasize the purpose of the clubs and to teach parliamentary procedures.

The purpose of VICA is to "Prepare the students for leadership in a World of Work". The Vocational Training teaches them a profession and the VICA prepares them for their place in a society.

The classes will allow the students to become familiar with all phases of the VICA program. There will be speakers, films and demonstrations conducted in each of the classes.

The highlight of the day will be at 3:15 p.m. when the District VI sweetheart will be announced and presented with a bouquet of red roses.

Local girls to represent Hereford High School in the sweetheart competition will be Glenda Nahrgang, Cosmetology; Sussie Sebastian, Auto Mechanics and Kile Carter, Industrial Cooperative Training.

The chosen sweetheart will represent District VI at the State Meet, to be held in Austin Next April.

The next District VI meeting will be held in March at Amarillo Vocational College.

Patterning Help Is Needed Now

A plea has been issued to local residents for their assistance in the "Patterning" exercises for brain-damaged children, which is being conducted.

Charlene Brownlow, who assists with the exercise, has asked that anyone willing to give only an hour once a week should contact her at 364-6636.

The exercising is conducted from 2:30 to 3:30 p.m. five days a week and volunteers are asked to give only one hour a week to the program.

"Though this will not repair the brain damage," Mrs. Brownlow explained, "it will help overcome it."

She reported that an earlier plea for help in the program was well received, but due to various reasons, the assistants slowly began dropping out, and now the program is in dire need for help.

Rush, Gorman Honored Players

Because of long, high, beautiful punts, one of which resulted in a two point safety, and several key pass receptions, senior end Santry Rush was named Whiteface player of the week. Rush averaged 47 yards per punt against the Perryton Rangers in Perryton last Friday night. He also kicked the victory point through the uprights which beat the Rangers by a score of 9-8.

All-state tackle candidate Tony Gorman received the honors as defensive player of the week for the Herd. Gorman was credited with six unassisted tackles and five assists. One week before the Perryton game Gorman was selected AAA area defensive player of the week by his performance in the Canyon game in which Hereford took their first district game by the score of 13-0.

The classes will be held for the students and conducted to teach them correct procedures in conducting the meetings, to emphasize the purpose of the clubs and to teach parliamentary procedures.

The purpose of VICA is to "Prepare the students for leadership in a World of Work". The Vocational Training teaches them a profession and the VICA prepares them for their place in a society.

The classes will allow the students to become familiar with all phases of the VICA program. There will be speakers, films and demonstrations conducted in each of the classes.

The highlight of the day will be at 3:15 p.m. when the District VI sweetheart will be announced and presented with a bouquet of red roses.

Scoreless Muleshoe To Battle The Herd

By JERRY ODUM Staff Writer

Most people today worry every once in a while because they can't seem to accomplish anything as a result of their work. For those that do they might feel better if they would sometimes give a sympathetic thought to Muleshoe-head football coach Fred Hedgecock.

This fellow just can't quite get his Mule football team going with a head of steam this season after losing every game they have played. They have not only lost every game but failed to get on the scoreboard as well.

One reason for this poor showing is the large number of small, young, and inexperienced players who are getting broken in the hard way for varsity competition.

In their district matches, Muleshoe has been trounced by Dumas by a score of 57-0 and by Tulia 68-0.

Highly favored to win, the Herd may possibly test some of its younger players providing the Whitefaces jump to a far enough lead.

Character is the word head coach Larry Wartes used to describe his Whitefaces after their thrilling victory over the Perryton Rangers last Friday night. He said, "Most people thought that we would have been mentally down enough after their fourth quarter touchdown, that a win would have been out of the question."

This was evidently not the case as the Herd proved most people wrong. They showed that Hereford has an offense

that can score when it is down and do it on a long drive.

With four minutes left in the ball game, the Herd's passing attack finally clicked. Quarterbacks Marsh Pitman and Mike Wartes continually drilled the ball to receivers Santry Rush, Jeff Woodward, and Mark (Woody) Woodward. Probably the key pass in this drive was on a third down and ten situation in which Pitman hit Woodward for a first and goal on the seven yard line. Two plays later Pitman went across from the one to tie things up. Everything at this point rested on the golden toe of Santry Rush. He proved that he can kick the pigskin as well as catch it as he booted the ball straight and softly through the uprights.

Statistically the Herd ended the game a notch behind in almost every department but the score. Perryton ground out twelve first downs while the Herd picked up eleven. As for rushing the Ranger ball carriers drove for 192 yards as the Whiteface offense managed 154.

While Perryton led in rushing Hereford was racking up the yardage in the air. Ranger field general, Danny McWhorter, completed six passes for 52 yards while the hometown crew completed eight for 93 yards.

Defensive back Jerry Tyler is one of the Whitefaces who received much of the credit for the limited Perryton passing yardage. Besides making numerous tackles, Tyler almost broke the game open as he intercepted a McWhorter pass and returned it 38 yards as the half

ended. He was headed for pay dirt after the interception but couldn't quite get passed the last tackler.

Besides stopping the rushing and passing game, Hereford portrayed a good defensive quality in their punting. Santry Rush averaged 47 yards a punt while placing the ball deep in Perryton territory three times on their seven, five, and two yard line. Two minutes into the ball game, Rush punted the ball very close to the Perryton goal line. The intended returner dropped the pigskin and was tackled in his own end zone as he was chasing it for a two point safety.

Junior back Ricki Ward was the man chosen for the "dirty work" of toting the football most of the time Friday night. As a result he as the leading rusher for the Whitefaces carrying 19 times for 82 hard earned yards. Pitman was next with 36 yards.

Wartes stated several reasons for the Herd's performance appearing less sharp than usual. He said, "We didn't play as poorly as most people think under the circumstances. Several of our boys were sick earlier in the week and some even missed school the morning of the ball game because of illness. Another handicap has been the bad weather we've had the past couple of weeks. We have had only about one real good day to work out during this period which hurt our timing on offense and our conditioning."

Game time for the Hereford Muleshoe game will be 7:30 p.m. in Whiteface Stadium.

Assault Case To Grand Jury

Following a hearing Wednesday afternoon at the county courthouse, Bill Rowland, Justice of the Peace, decided that sufficient evidence had been presented to warrant a grand jury hearing of the assault with intent to commit murder case against Marshall Padgett.

After hearing testimony from two witnesses, Rowland decided on the Grand Jury hearing of the case.

Padgett has been charged in the Oct. 24 slugging at a local bar in which he allegedly attacked a man with a knife.

The Grand Jury will hear the case when it meets in December.

Building Permits For October Top \$3 Million

Building permits for the month of October, though some \$2,500 less than the September total of \$2,909,500, has surpassed the \$3 million mark for the year.

October's total reached \$2,707,000 for 16 permits issued, with the largest being for \$30,900 for the erection of a residence. Of the 16 permits issued, seven of them were for the erection of residences, totaling \$170,100 of the \$2,707,000 total for the month.

For the 73 permits issued this additions to residences, one for erection of storage building; two for altering and repairing offices and two miscellaneous permits.

Prior to the October permits, the yearly total had reached \$2,902,850, and with the addition of the October permits issued, the

total for the year now reads \$3,113,850.

Four of the permits were for year, the total for the first nine months has exceeded the \$3 million mark as compared to the total for the 1968 year of \$3,336,970. With the current trend, this year's total should surpass the 1968 total by well over \$200,000.

A breakdown of the year show January had a total of \$281,000 for 16 permits; February, \$215,700 for 20 permits; March, \$144,100 for 11 permits; April, \$1,006,000 for 21 permits; May, \$204,500 for 18 permits; June, \$348,100 for 25 permits; July, \$32,000 for nine permits; August, \$195,750 for 17 permits; September, \$209,500 for 20 permits and October's total of \$2,707,000 for 16 permits.

Scouts Set Training Session

A Council-wide Outdoor Training Session, for the Llano Estacado Council of Boys Scouts of America, will be held at the Tierra Blanca Camporee Area here Friday and Saturday, according to Scout officials.

This training session is designed to teach unit leaders in Boy Scouting how to use the outdoor program with their troops. It will be to teach the methods proved most successful in Scouting, and will include several experienced instructors for the purpose of teaching outdoor Scouting skills, such as axmaning, star study, map and compass, tracking and stalking, nature conservation and other skills.

Registration for the session will begin at 6 p. m. Friday.

All persons participating in the training session will be required to bring sleeping bags, with tents to be provided by the local group. Also, the group will be required to pay \$1.25 to cover expense of food for breakfast and lunch on Saturday, while Friday evening's meal will be a sack lunch.

George Ochs, of the local Scouting organization, stated that scouting leaders from throughout the Llano Estacado Council will be on hand for the session.

Light Damage In Wreck Tuesday

An accident at the intersection of 13th St. and Ave. K Tuesday evening at 6:11 p. m. resulted in an estimated \$425 damage to the two vehicles involved.

A 1965 Chevrolet driven by Lillian Cheek sustained an estimated \$200 damage and a 1960 Chevrolet, driven by Willa Owens, received \$225 damage.

Investigating officers reported that the driver of one of the vehicles had stopped at a stop sign at the intersection, and, apparently not seeing the other vehicle approaching, pulled into its path, causing the collision.

A citation was issued for improper observation.

By MELVIN YOUNG

We're a little hesitant to write a column this week after having botched the one published Sunday. Although that's not the first time we've had a column fouled up, it's the first and probably the last time we'll ever have the Italian police, right in the middle of the Hereford-Perryton football comments. However, our printers assure us that they will make every effort not to let such a thing happen again.

Typographical errors, and lines misplaced, are not too uncommon in a newspaper, primarily due to the fact that a few people are working under an awful lot of pressure to turn out the publication within the deadline, but we try to keep them at a minimum at the Brand. It's a little disconcerting to start reading a story and then can't find where it ends — or find that another one begins right in the middle of the one you're reading.

Like the boys in the mechanical department, we'll try harder, and hope for the best.

—HB—

Doug Springer, 4-year-old son of Mr. and Mrs. Franklin Springer of Buena Vista, Colo., and grandson of Mr. and Mrs. Earl Springer of Hereford, has recently become his daddy's No. 1 helper in the home building business. Springer has been building a number of homes in the Buena Vista area since moving to Colorado, and young Doug likes to hang around and give his father a hand.

Recently, the elder Springer was finishing up a house, getting it ready to show and decided that his 4-year-old son could truly be a help.

When asked to gather up the nails that had been dropped around the outside of the house, young Springer didn't even break stride. "What size?" he replied.

—HB—

Apparently President Nixon achieved his major goal with his Vietnam policy speech Monday night and now has the support of "the great silent majority."

But the local Key Club, sponsored by the Kiwanians, jumped the gun and started circulating a petition around Hereford early Monday calling for the "silent majority" to come forward and take a stand for America. The petition reads:

"It is our belief that it is time for the vast "silent majority" of Americans to stand up for America when so many are seeking to tear her down. We want patriotic voices to be heard throughout our country."

—HB—

And as predicted, Mayor John V. Lindsay of New York City will be occupying the mayor's office for another term after Tuesday's election. The Mayor lost the Republican nomination back in the Spring, but decided to stay in the race as an Independent. He beat both major party candidates to win re-election without a runoff. We understand, however, that he is still a registered Republican, although he may not be too happy with the party.

The Republicans also picked up two new statehouses, giving the G. O. P. 32 to 18 for the Democrats. A Linwood Holton, incidentally, will be the first Republican governor of Virginia in 100 years.

—HB—

Although we're sure the G. O. P. is happy about winning the governorships, we doubt that it will mean a lot in the long run. Being governor certainly "ain't what it used to be."

As a matter of fact, some political analysts are now predicting that the nation will eventually be broken down into regions, administered by Councils of Governments, and the states, as we know them now, will disappear.

—HB—

Joe Namath, according to Red O'Donnell in the Nashville Banner, is the only big Jet that hasn't been hijacked to Cuba.

4-H Banquet Is Set Saturday

According to Mrs. Thurm Atchley, the annual 4-H Achievement Banquet will be held Saturday at the Hereford Community Center.

The banquet is scheduled to

begin at 7 p. m., in which the Gold Star boy and girl will be announced. In addition, to the presentation of the Gold Star Awards, 4-H members will receive their county medals for the past year's project work.

The banquet will be held in the ball room at the Community Center.

William Coffin

Coffin Returns From Vietnam

Spec-5 William Coffin, son of Mr. and Mrs. Harry Coffin, 911 Lafayette, has just returned to the United States following a year's tour of duty in Vietnam.

Coffin, who was stationed most of the time he was in Vietnam at Pleiku, returned Oct. 29 and will now go to Ft. Gordon, Ga. where he will be with the Southeast Signal School.

He was a radio and computer repairman while in Vietnam.

His wife, Shirley, and their child, plan to join him at Ft. Gordon in the immediate future.

Sausage Festival Planned Sunday

The annual Umbarger German Sausage Festival has been scheduled for Sunday at St. Mary's Parish Hall in Umbarger, 16 miles east of Hereford.

Dinner will be served from 11 a. m. until 4 p. m. Sunday with the meal featuring German Sausage, sauerkraut, home made bread with all the trimmings. Cost of the meal will be \$2 for adult with children under 12 to eat for \$1. All children under six will eat free.

Following the dinner, a dance will be held beginning at 8:30 p. m. and lasting until midnight with Bobby Hughes and the Western Heartbeats providing the music.

Everyone is invited to attend the festivities.

Sermon Is Slated At Local Church

J. T. Marlin, minister of the Central Church of Christ, Sunset and Plains, will use as his sermon topic, Sunday night, 6:00

Book Store Representatives Attend Promotional Dinner

The University of Cambridge and Mrs. Hank Winter, Mrs. Jimmy Druham and the Rev. and Mrs. Sam Nafager of Canyon. Approximately 50 persons from Borger, Pampa, Canyon, Plainview, Julia and Amarillo attended.

They were told how Bibles were made, and explained about the paper used for making the books.

Adrian News

By ANN BEAVERS
Brand Correspondent

Mrs. Hazel Chilton is moving to Amarillo, this week and will be living at 1300 Jackson, Apt. 408. Mrs. Chilton has sold her house to Mr. and Mrs. Cecil Blasgame. Mrs. Chilton has lived in Adrian since 1946 and will be missed by many. She taught in the Adrian school up until a few years ago and has done substitute teaching since.

Oct. 31 the Adrian High School Matadors traveled to Quitaque for 1 win and 1 loss. The Adrian boys won their game with a score of 60 to 49. High point man for Adrian was Joel Brownlee making 27 points. The Adrian Matador girls lost their game by 24 points. The score was 75 to 51 with Teddi Hale making 23 points for the Matadors.

Sonny Linger of Pueblo, Colorado, visited Sunday with the Earl Brown family.

The Baptist W. M. U. Ladies met Wednesday at the Baptist Parsonage and made plans for the coming year. There were 6 ladies attending.

Mrs. Fred Brownlee left Sunday to go back to Amarillo to spend a few days with her husband, Fred in St. Anthony's Hospital. He is reported to be doing better at this writing.

Sharon McCown and Joel Brownlee were in Tucumcari, Thursday.

Mr. and Mrs. Bill Brownlee of Borger visited Sunday with Mr. and Mrs. Fred Brownlee at St. Anthony's Hospital in Amarillo.

Mr. and Mrs. Don Robinson of Great Falls, Mont. and Mr. and Mrs. Albert Tessman of Simms, Mont. visited Friday with the Manuel Loveless family.

Evelyn Whaley spent the

P. M. "GOD IS NOT DEAD." This lesson is designated to exalt God and to refute the "God is Dead" theory taught by radical theology today. This lesson was delivered in a special service in Atlanta, Georgia in reply to Thomas Altizer who has been foremost in teaching that God is Dead. The public is invited to attend.

weekend with the Manuel Loveless family.

Mrs. R. L. Pinnell spent Saturday with her mother Mrs. W. E. Wells at Pampa.

children of Channing visited Sunday with Mr. and Mrs. R. C. Chism and children.

Tommy, Jackie and Larry Loveless and Evelyn Whaley attended a show in Amarillo, Sunday evening.

Mrs. Donna Larkan and Skipper of Amarillo spent the weekend with the R. Lee Petty family and the Wilbur Harris family.

Mr. and Mrs. H. R. Perry of Dumas spent Saturday with Mr. and Mrs. W. B. Betts and family.

The Adrian High School Matadors will travel to Hedley, Nov. 7 for their next basketball game.

The Adrian Jr. High Basketball teams will travel to Channing, Nov. 6th, for their next basketball game.

Queen Contest winners at the Adrian P. T. O. Halloween Carnival, Sat. night were: High School winners Vicky Lloyd and Montie Hale. Grade school winners were Kim Eshreshman and David Blankenship.

Mr. and Mrs. Ralph Guest visited in Happy, Sunday with Mr. and Mrs. Bill Guest of Houston, in the home of Mr. and Mrs. W. E. Guest.

Rita Speed of Lubbock visited Saturday in the home of Mr. and Mrs. Ralph Guest and Du-

Mrs. George Gruhkey was Saturday dinner guest of Mr. and Mrs. Perry Gruhkey and also visited with Dwayne Gruhkey in Amarillo.

Mr. and Mrs. Bob Wood and Ernie spent Saturday in Lubbock for the Tech Homecoming.

Randy Caldwell of Slayton visited Monday with Mrs. Billie Morell and Mr. and Mrs. Mike Clear and Kim of Riverside, California. Randy and the Clear family also went to Palo Duro Canyon, Monday afternoon.

Mr. and Mrs. R. M. Gruhkey visited Mrs. E. E. Allen in Deaf Smith County Hospital, Monday and reported her doing better.

Mrs. Freddie Harris and girls of Hereford visited over the weekend with the R. Lee Petty family and the Wilbur Harris family.

Mr. and Mrs. Mike Clear and Kim of Riverside, California are visiting Mrs. Billie Morell and Gene Warmuth, this week.

Mr. and Mrs. D. P. Doherty and Ted Wilson spent Friday in Amarillo.

FOREMOST TIRE GUARANTEE
 Guarantee against tread wearout. If your tire wears out during the first half of the guarantee period, return it with your guarantee certificate and Penneys will replace your tire with a new tire, charging you 50% less than the current selling price including Federal Excise Tax; if your tire wears out during the second half, you pay 25% less than the current selling price including Federal Excise Tax. Guarantee against failure. If we replace the tire during the free-replacement period, there is no charge; if we replace the tire after the free-replacement period, you pay 50% or 25% less than the current selling price of the tire including Federal Excise Tax. Commercial Use. This guarantee is void where passenger tires are used on trucks, used for business, or driven over 30,000 miles in one year.

33 MONTHS GUARANTEE WITH 17 MONTHS FREE REPLACEMENT

Here's how your guarantee against failure works:

Entire replacement guarantee	33 months
Free replacement period	1-17 months

ST. ANTHONY'S CARNIVAL AND BAZAAR — Some of the activities seen Sunday at St. Anthony's Annual PTO Carnival and Bazaar include the White Elephant Antiques, shown upper left. Mrs. Daniel Barela, left, and Mrs. Gary Kreigshauser conducted the sale. The elephant and sign were painted by Viola Massie. Upper right is the County Auction conducted during the afternoon. In foreground is a plow packer donated by Charles Schlabs. Lower left is the special raffle winners. From the left is Mrs. Buster Miller, second place; Mrs. Ben Trujillo of Channing,

first place; Mrs. Armondo Perez, third place and winner of a award for selling the most tickets; front row is Rodney Miller and Benny Moore, sellers of winning tickets. Not shown is A. B. Lueb, fourth place winner. Lower right is sweepstakes raffle winners, from the left, Mrs. Norbert Skypala, encyclopedia set; Mrs. Werner Koelzer, oil painting; Mrs. Nick Yosten, transistor radio; and Nolan Grady, stuffed teddy bear. Not shown is Olga Martinez, winner of Polaroid camera and Hank Haug, bag of lawn fertilizer.

Chicken Fry Set Today

A record number of people are expected to be on hand at 5 p. m. today when the noon Lion's Club annual chicken fry is scheduled at the Bull Barn. Tickets may be obtained from any Lion member or will be sold at the door. Serving will continue until 7:30 p. m.

Admission is \$1.50 for adults and \$1 for children. General chairman for the event is Hilre Avenue with co-chairman Lynton Allred and Labry Ballard.

The menu for the evening includes fried chicken, buttered toast, honey, baked potato, with sour cream, cole slaw, gravy and coffee or iced tea.

Servers include N. D. Bartlett,

Charlie Bell, Bill Bookout, Tommy Braddy, Cawthon Bryant, R. L. Etridge, Larry Fuller, Gerald Haak, Dave Hamblen, Donald Hicks, James Hull, Maynard Johnston, Wayne Lady, Gerald Mann, Don Lowder, Ed Line and Philip Shook.

Waiters will be John David Bryant, Neil Cooper, Clete Corlis, Milton Durham, Tom Harkey Roy Hartman and Melvin Jayroe.

Clean up crew includes Gerald Payne, Lloyd Pool, Lester Rape, Wesley Owen, and J. F. Martin.

Chairman of the cooks are Bill Bradly and Jerry Don George. Cooks include Lynn Brisendine,

Don Chaney, Albert Ricketts, Leiland Shelton, Charles Skinner, Wayland Smith, Bob Spangler, Fred Fox, Charles Cabbiness, Bill McCarley, Sam Ratcliff, Stanley Fry, Allen B. Parsons and John Messenger.

An adult should drink at least two glasses of milk each day, according to the U. S. Department of Agriculture's Daily Food Guide. Milk can be whole, skimmed, low-fat, instant nonfat, evaporated or buttermilk. Some of this amount may be supplied by cheese and ice cream.

St. Anthony's Annual Carnival Is A Success

If you had guessed the contents of a Mystery Box and had thereby won the sheared wool for four sheep, what would you do with it? This was the question faced by Sister Catherine of St. Anthony's Convent and Mrs. Theresa Kuback Sunday evening when both gave the winning answer, at the St. Anthony's PTO Carnival and Bazaar. Sister Catherine says she plans to take her half to the retired Sisters at St. Francis Convent, Amarillo, to wash, card and make into blankets. Mrs. Kuback's plans are indefinite, as of now.

The Mystery Box Contest was just one of many activities which took place Sunday afternoon and evening at St. Anthony's School, where approximately 750 people gathered for fun and food. The fishpond had 1200 anglers dipping into the pond, the cake walk produced 800 walkers, awarding 30 cakes to the winners; 10 dozen hats (felt yodlers, plastic crash helmets, and green berets) were purchased from the Student Council; The Young Adults Club closed their milk-bottle-throw booth early after giving away 736 prizes; St. A's Cheerleaders sold 480 candy bars; and the Bingo barkers were hoarse after calling 45 games.

Then there's the kitchen committee — they ran out of everything except one pint of catch-up! They sold 600 hamburgers, 216 hot dogs, 185 tacos, 275 bowls of chili and 450 ice cream

Mothers Needle Club Honors Mrs. Nell Auten

Mrs. Nell Auten was honored with a going away party by members of Mothers Needle Club at a meeting held Monday in the home of Mrs. Earl Cole.

Mrs. Auten will soon be moving to Garland, Tex.

After such a successful event, plans are already in the making for a bigger and better St. Anthony's Annual PTO Carnival and Bazaar in 1970.

Gifts were presented to Mrs. Auten by members and a book was given to her in remembrance of the club.

In a brief business session, members made plans for their annual Thanksgiving supper scheduled Nov. 13.

Spiced tea and cake were served to Mmes. J. L. Shirley, Luther Ellis, Haskell Benson, Jewel Awtry, Adam Flowers, W. T. Gunstinson, A. T. Jones, H. E. Lindley, C. N. McClure, Ralph Paul, Annie Springer and a guest, Mrs. H. V. Fields.

About three-fourths of all the fresh water in the world is locked in glacier ice.

By the time the average American reaches seventy, he will have consumed the equivalent of 150 head of cattle, 24,000 chickens, 225 lambs, 26 sheep, 310 swine, 26 acres of grain and 50 acres of fruits and vegetables, reports Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M.

Suzanne Hart

Suzanne Hart Is Named Fraternity Sweetheart

Miss Suzanne Hart was named Sweetheart of Lambda Chi Alpha Fraternity in recent ceremonies at West Texas State University.

The Zeta Tau Alpha Sorority, of which she is a fall pledge, participated in the ceremony.

The daughter of Mr. and Mrs. Cecil Hart, 806 Star, Suzanne is the president of her pledge class and a sophomore student at WT, majoring in secretarial science.

She was graduated from Hereford High School in 1968.

Club Elects New Officers

Mrs. Charles Gresham was named to head the slate of officers for the coming year of the Progressive Home Demonstration Club at a meeting held Tuesday in the home of Mrs. Sam Morgan.

Officers elected to serve with Mrs. Gresham include Mrs. T. J. Parsons, vice-president; Mrs. Dale Hallows, secretary-treasurer; Mrs. Tom Morgan, reporter and Mrs. J. D. Gilbert Jr. as council delegate.

In a business meeting, committee reports were given and plans were made to prepare food and served for two farm sales in the near future.

Mrs. Argen Draper, H. D. Agent, presented a program on dessert fondue, how it should be served and eaten.

In her program, Mrs. Draper said "fondue is fast becoming a favorite American classic party dish."

Americans with their sweet tooth started serving fondue with fresh fruits and sweet doughs. Chocolate seems to be the favorite flavor.

Others attending were Mmes. Taft McGee, H. L. Hershey, Pe-

te Carmichael, J. D. Gilbert Jr. Gresham, Parsons and a new member, Mrs. A. B. Jacobs.

Bake Sale Planned By Antonians

Members of the Antonian Circle have scheduled a Thanksgiving bake sale to be held Wednesday, Nov. 26 at Safeway Market from 9:30 a. m. to 5:30 p. m.

All homemade baked goods will be sold, according to Mrs. Herman Hund, chairman of the project.

CARD OF THANKS

Your many kind deeds performed for us during the time of our need in the passing of our beloved husband, dad, son and brother will always be remembered with the deepest gratitude. May we take this means in expressing our appreciation to each of you who remembered us with prayers, lovely floral offerings, cards and all the wonderful food. May God bless all of you in our prayer.

Hereford WHITEFACES

1968 RECORD 5 WINS 6 LOSSES

Friday, NOVEMBER 7th

GAME TIME 7:30 P.M.

The Hereford Whitefaces, sporting a five game winning streak, will be looking to make it number six in a row here Friday when they entertain the scoreless Muleshoe Mules at Whiteface Stadium in a 7:30 p.m. game.

The Whitefaces, steadily breaking away from the injury bug, will return almost intact here this week, having only small injuries hampering them. Though still without the services of awesome John Frank Martin, the locals have found replacements that have proven their worth. Also, all-state candidate Tony Gorman is back in action and tearing holes in the offense as usual.

Boasting a perfect 2-0 district slate, the Whitefaces will be looking for the Mules to play the part of the spoiler in the game Friday night. Muleshoe played an impressive game against the locals last year, and held them to only seven points during the first half. They almost played the spoiler last year, but a last half finish by the locals pulled the game out of the bag.

Barring injuries late this week the locals are expected to be more than the Muleshoe Mules can handle, and if things go as expected, the Mules will go into their season's final two games without any offensive points on their slate.

Muleshoe MULES

1968 RECORD 1 WINS 9 LOSSES

Support Your Home Team WHITEFACE STADIUM FRIDAY

The hand of Lady Disaster must have found a comfortable shoulder to rest on for the past three years, and the Muleshoe Mules seem to be the worse for it.

Winners only three times in the past three years, the Mules have had a tremendous amount of difficulty getting things together — including a football team. They have not scored a single point this year, and with the schedule that remains ahead of them, it appears that things are not going to get any better.

Not completely lacking in talent, the Mules have such names as Ronnie Barrett, guard Alford Bleeker, Linebacker Dennis Beene, end Keith Turner and linebacker J. C. Slaughter, who could impress the best of them.

In last week's action, the Tulia Hornets, another low team in the district, smashed the Mules, 68-0 and the Muleshoe team could be looking to redeem themselves with the Whitefaces.

Bowlers Select Player Of Week

Geneva Kilpatrick's 89 pins were enough to garner her the "Bowler of the Week" honors in Strike-Dut League pin play last week.

Look Who's New

Mr. and Mrs. Francisco Villanueva are the parents of a daughter, Christina, born October 31. She weighed 7 lbs. 7 1/2 oz.

Mr. and Mrs. Adam Mungia are the parents of a son, Anselmo Rangel, born October 31. He weighed 7 lbs. 12 oz.

Mr. and Mrs. Thomas Perez are the parents of a daughter born November 3. She weighed 8 lbs. 7 1/2 oz.

Mr. and Mrs. Lesley Darling are the parents of a daughter, Kelly Dianne, born November 2. She weighed 6 lbs. 7 oz.

Mr. and Mrs. Rube, Ybarra are the parents of a daughter, Ruby Ann, born November 2. She weighed 6 lbs. 1/2 oz.

Mr. and Mrs. Donald Heddins are the parents of a daughter, Kristi K., born November 1. She weighed 6 lbs. 12 ozs.

score of 504 while Jean Watts won the "High Individual Game" with a tally of 189. Sunset Lanes collected the "High Team 3-Game" tokens with 1835 and also the "High Team Game" with a 636.

Converting splits were Paul-ette Lee, the 5-6; Bertha Arnold, the 5-7; Jean Watts, the 2-7; and the 3-10 and Barbie Ranspot, the 5-10.

Team standings show Sun set Lanes, 19-5; Team Number 5, 14-10; Hereford Flying Service, 13-11; Team Number 8, 12 1/2-11 1/2; One Hour Martinizing, 12 1/2-11 1/2; Team number 4, 11-13; Hi-way 60 Truck Stop 9-15 and Texsun Feed Yards, 5-19.

As a special feature for the evening, players wore Halloween costumes with winners named for the funniest and best dressed "spooks." Winning first place was Betty Stephan, with second place going to Bea Rhodes and third to Lois Turpin.

Bats literally sing for their food. Their squeaks hit food and echo back, helping them to zero in on a morsel.

Therapy Project Conducted By Hereford Garden Club Members

A therapy project, led by members of Hereford Garden Club, was conducted Tuesday morning for a class of young trainable mentally retarded children from seven to ten years of age.

Teacher of the class is Mary Carter, assisted by Mary Brinkman, a high school special education teacher. Members of the therapy committee included Mmes. R. L. Ethridge, S. S. Williams, G. W.

Newsom and Alfred Smith. Mrs. Luther Norvell is club president.

The garden club members will make several visits to the class to help the children understand plants and flowers. They helped them plant sweet potatoes Tuesday so the children might watch the growth progress.

Vietnam Veteran Visiting Here

By JERRY ODOM Staff Writer

Jim Stapleton is one of those fellows you read about in nation wide newspapers who flies over ground troops in Vietnam dropping ordinance for protection. He is the son-in-law of Mr. and Mrs. L. B. Russel of the Walcott community.

A native of El Paso, Texas, Stapleton graduated from high school in Van Horn, Texas. After graduation he attended Sul Ross University in Alpine, for four years, majoring in physical education.

He is a captain in the United States Marine Corps having been trained in various flight schools and also has served a period of eleven months in Vietnam.

Stapleton enlisted in the Marine Corps right after graduation from college in 1966. He completed his basic training in January of 1967 and from there

transferred to flight school in Pensacola, Florida.

He was next stationed in Glencoe, Georgia, where he trained in the field of Radar Aircraft. In December of 1967, Stapleton received his wings.

When in Vietnam, he was with the 1st Marine Corps, the only type marine division of its kind in the country. His duties were to support the ground attack with low air support. He said, "Many times before troops would be landed, we would fly over and drop ordinance so as to destroy various mines and booby traps."

Stapleton also said that some times they would fly what is called a Fly Rescue CAP (Combat Air Patrol) mission, where they would fly around in a circle giving protection to helicopters when rescuing troops.

The little village known as Chu Li, that is 42 miles south of Da Nang was the approximate area where Stapleton was stationed. "The general area," he said, "is called the Eye Corps which ranges from Quang Ni to the DMZ."

He has been visiting the Russels for about three days and plans to return to the Marine Corps Air Station in Yuma, Arizona. Stapleton said that he has about a year left in the service but his Vietnam campaign is complete.

CARD OF THANKS

We wish to express our deep appreciation to all our friends and neighbors who offered their sympathy in words and deeds during our recent sorrow.

The W. D. Nafzger Family

Chinese Communists have declared there is a place for "spirits" in Chinese life under Mao Tsetung, but "wizards, fairies, and ghosts" are prohibited.

Phillip Acker

Rites Today For Area Resident

Funeral Services for Phillip Acker, father of Mrs. Henry Kuper, of Summerfield, will be held this morning at 10 a. m. at Holy Family Church in Nazareth. Burial will be in Holy Family Cemetery under the direction of Dennis Funeral Home of Dimmitt.

Father Stanley Crocchiola will officiate.

Mr. Acker died Tuesday at Plains Memorial Hospital in Dimmitt. He was a retired farmer, having come to Texas in 1910 from Caseyville, Union County, Kentucky.

A long-time resident of Castro County, Mr. Acker married the former Gertrude Behrens in Lindsey, Nebraska, April 20, 1915.

He is survived by his wife, of the home; five sons, Herman and Paul, of Dimmitt, Anthony and David, of Nazareth and Denis, of Arlington; five daughters, Mrs. Clara Kleman, of Nazareth, Mrs. Henry Kuper of Summerfield, Mrs. Doris Britten of Groom, Mrs. Margaret Gallagher of Olton and Mrs. Phyllis Polzemny of Amarillo; two brothers, Val of Nazareth and Andrew of Canyon; one sister, Mrs. Catherine Braddock of Nazareth; 54 grandchildren and six great grandchildren.

Pallbearers will be his grandsons.

liamentarian.

The next meeting will be in the home of Mrs. Cooper with the program presented by County Agent Argen Draper.

Attending the meeting were Mmes. Smith, Stevens, Lowrie, Cooper and the hostess.

Club Members Send Cookies To Vietnam

Members of the Young Homemakers Home Demonstration Club met Tuesday morning in the home of Mrs. Dean Bryant to pack cookies baked by the club to be sent to servicemen in Vietnam.

In a brief business meeting, plans were discussed for the annual family Christmas party scheduled Dec. 5.

Another project planned by the club is preparing and serving food at a farm sale Nov. 13.

New officers elected recently include Mrs. Charles Stevens as president; Mrs. Freddy Cooper, vice-president; Mrs. Huey

Bertha Arnold Named Bowler Of Week In Sunset Keglers Pin Play

Bertha Arnold, with 9 pins over her average, was named "Bowler of the Week" in Sunset Keglers action last week.

Anne Radney collected the "High Individual Game" with a score of 200 while also taking the "High Individual Series" with a total of 538.

Hereford Insurance won the "High Team Series" with a pin total of 2665 while Rutherford and Company snatched the "High Team Game" with a 930 score.

Converting splits were Carrie Shirley, the 3-10; Anita Knox, the 5-6-10; Betty Stephan, the 3-10; Jean Watts, the 3-10; Wilma

Clark, the 3-10; Alice Lueb, the 3-4-5-10; Bonnie Baumann, the 4-7-9; Helen Arntt, the 3-10; Bobbie Riddle, the 3-10; and Jean Henderson, the 2-7.

Notching 500-or-better series was Anne Radney, 538; Bertha Arnold, 501; Bonnie Baumann, 534; and Margie Neill, 542.

Last week's results show Jones Restaurant won 3 and lost 1; Hereford Spa won 1 and lost 3; Hereford Insurance won 3 and lost 1; Justice Realtors won 1 and lost 3; Rutherford and Company won 3 and lost 1; Hereford Welding won 1 and lost 3; Pants Cage won 3 1/2 and lost 1 1/2; B. J. Weaver, Chiropractor won 1/2 and lost 3 1/2; the Medics won 2 and lost 2; and Village Beauty Shop won 2 and lost 2.

Standings show Justice Realtors, 28-8; Hereford Insurance, 24 1/2-11 1/2; Rutherford and Company, 23-13; Village Beauty Shop, 21-15; Hereford Spa, 19-17; Jones Restaurant, 18-18; Medics, 15-21; Hereford Welding, 13-23; The Pants Cage, 12 1/2-23 1/2 and B. J. Weaver, Chiropractor, 6-30.

Your Personal Invitation

to our FALL SHOWING of new fabrics and designs for clothes CUSTOM TAILORED the way YOU want them . . .

November 6-7

by PAUL DYCARD from

We combine hundreds of unusual fabrics with flexible custom tailoring . . . to provide both comfort and modern design in a single garment. This is a great opportunity to have clothes you'll thoroughly enjoy . . . to completely debunk the theory that all men's clothes must be skimpy and uncomfortable to look modern.

Gaston's

Sugarland Mall Only!

SUPPORTING YOUR TOWN

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a two-line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising business man."

P. S. How many new residents and out of town shoppers saw your name and business today; this week?

Hostesses Are Honored With Courtesy Coffee

The T. B. Thomas home was the setting for a courtesy coffee honoring the hostesses of showers given for Miss Deborah Thomas. Miss Thomas will marry Larry Noland on Nov. 28.

Co-hostess for the occasion was Mrs. J. B. Noland, mother of the bridegroom-elect.

An orange artificial floral arrangement centered the service table which was laid with ecru lace. Refreshments of coffee and tea with assorted breads and fresh fruit were served from crystal and silver appointments by Miss Thomas.

Attending were Mmes. Paul Rudd, C. A. Sauley, Earl Stagner, Don T. Martin, M. D. Kaul, Walter Kaul, Guy Waiser, Lee Drake, John Bob Drake, and Miss Holly Layman.

Religion Speaker Planned Sunday

Harold Edwards, a native of Galveston, will be the speaker Sunday from 2 to 4 p. m. at a public meeting at the First National Bank.

Edwards' topic, "The Need For True Religion In Modern Society," will be based on the writing and teachings of Baha'ullah, founder of the Baha'i Faith.

Edwards has resided in Los Angeles, California for the past four years and became a member of the Baha'i Faith during his stay there. The teachings of Baha'ullah are based primarily on the principle of the Oneness of Mankind, and the Oneness of True Religion. The Baha'i Faith originated in Persia in the middle of the nineteenth century and has since spread around the world to over 300 countries and territories. At present over 50 per cent of the membership of the Baha'i Faith in the United States is youth under 25, "from all racial, religious, economic and social backgrounds."

All persons interested in the meeting may attend.

Harold Edwards

His aunt and uncle were also shocked.

If there's one thing the adult world can't stand, it's a kid who cheats.

If you can think of a better way to do our job, you'll probably tell us about it.

Everyone needs to be on hand this evening at 5 for the Noon Lion's Club annual fish fry to be held at the Bull Barn.

The fish this year has feathers on it, and for the record, is called chicken, but promises to be finger-lickin' good.

Proceeds from the event will go for worthy charitable projects, so take your families out for a treat.

Kings, Queens Name Winners

Audine Dettman, with her 64 pins over her average, and Ray Lueb, with his high game of 207 and series of 622 with handicap, were named "Bowler of the Week" in Kings and Queens Bowling league last week.

Alice Lueb had high game of 181 and high series of 505 for the women with Ed Kluesner taking high series for the men with a 570. The Cougar Club has high team series of 2404 while Sunset Food Center had high game of 839.

Splits were picked up by Stella Varner, 5-7; Wendell Roe, 5-8-10; Anne Radney, 3-5-7; Edward Vaught, 3-10; Ben Lueb, 5-7-9 and 5-77 Margaret Collins, 4-6 and Hap Caviness, 6-9-10.

In action last week, Claude Mobil Service won 2 and lost 2; Team Number 1 won 3 and lost 1; Hereford Janitors won 2 and lost 2; Stricklands Shell Service

won 0 and lost 4; Reeves Chevrolet-Olds won 1 and lost 3; Vance Hall Sporting Goods won 4 and lost 0; The Cougar Club won 4 and lost 0; Sunset Food Center won 2 and lost 2; Weatherford Gin won 0 and lost 4; and Sunset Lanes won 2 and lost 2.

Team standings show Sunset Food Center, 1-7; Suns et Lanes, 20-8; Cougar Club, 19-9; Vance Hall Sporting Goods, 19-9; Team Number 1, 18-10; Hereford Janitors, 13-15; Claude Mobil Service, 12-16; Reeves Chevrolet-Olds, 7-21; Stricklands Shell Service, 6-22; and Weatherford Gin, 5-23.

Thinking Aloud

By BARBARA DRYDEN

What are little boys made of? — nails and snails and puppy dog tails... and germs. Anyway, my little boys are. I even have to watch for such things as frogs and dogs taking baths with them.

Some time ago, Scott-son was given a pair of guppies by his teacher. He decided to go into business and have babies. I asked him if he was sure he had a male and female and if he could tell them apart. He assured me that the female was the one that had her mouth flapping all the time.

One day I walked into the room when he was changing their water. I knew he didn't have a screen of any kind to keep the tiny fish from going down the drain and guess what I found him using. The top compartment to the family water pic. It has a small screen in the bottom of it. Of course we use it daily, but Scott-son said not to worry 'bout getting it dirty, 'cause he washed the fish before he put them in it.

I received an article recently that I thought was very interesting and — think my readers might enjoy it.

Everybody Does It

When Johnny was six years old, he was with his father when they were caught speeding. His father handed the officer a \$5 bill with his driver's license. "It's O.K., son," his father said as they drove off. "Everybody does it."

When he was nine, his mother took him to his first theater pro-

duction. The boxoffice man couldn't find any seats until his mother discovered an extra \$2 in her purse. "It's O.K., son," she said, "Everybody does it."

When he was twelve, he broke his glasses on the way to school. His aunt Francine persuaded the insurance company that they had been stolen and they collected \$27. "It's O.K.," she said, "Everybody does it."

When he was fifteen, he made right guard on the high school football team. His coach showed him how to block and at the same time grab the shirt so the official couldn't see it. "It's O.K., kid," the coach said, "Everybody does it."

When he was sixteen, he took his first summer job at the big market. His assignment was to put the over-ripe tomatoes in the bottom of the boxes and the good ones on top where they would show. "It's O.K., kid," the manager said, "Everybody does it."

When he was eighteen, Johnny and a neighbor applied for a college scholarship. Johnny was a marginal student. His neighbor was in the upper three per cent of his class; but he couldn't play right guard. Johnny got the assignment. "It's O.K., they told him, "everybody does it."

When he was nineteen, he was approached by an upper classman who offered the test answers for \$3. "It's O.K., kid," he said, "Everybody does it." Johnny was caught and sent home in disgrace. "How could you do this to your mother and me?" His father said. "You never learned anything like this at home."

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance . . .

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high protein yields.

Fight back. Fight for your share of the big year. PLOWDOWN NITROMITE THIS

Thanksgiving Party Planned By Study Club

Plans for the annual Thanksgiving party which will include families, were made at a meeting of La Plata Study Club

Guests included Mmes. Charles Bell, R. A. Crist, B. A. Reddell, Virgil Marsh, Elmer Deyke, John F. Smith, A. T. Mims and the leader, Mrs. Vance Crume.

Girls attending were Sara Bell, Elin Anderson, Cathy Crist, Betty Reddell, Kima Marsh, Sylvia Deyke, Donna Smith, Ann Mims and Prissy Crume.

held Tuesday evening in the home of Mrs. M. H. Richie. The dinner is scheduled at 7 p. m. Nov. 18 at the Chaparral Restaurant.

Mrs. Tom Harkey, program chairman, introduced Mrs. Harlan VanderZee and Mrs. Pat Hughes who presented a program on pornography, as well as improper TV shows and movies.

Seventeen members attended.

It takes between 300 and 400 pounds of paint to cover the new jumbo passenger jets, although the coating measures only about three-thousandths of an inch thick.

A caterpillar has 4,000 muscles in its body.

What is the A.B.C.?

Chatting with a merchant the other day, we mentioned our "ABC" figure.

"What," he asked, "is an ABC figure?"

Perhaps what we told him will also interest you.

This newspaper is a member of the Audit Bureau of Circulations, an independent, nonprofit organization of nearly 4,000 advertisers, advertising agencies, and publishers.

Its purpose is to provide accurate and factual reports on the circulations of member publishers. In the advertising and publishing industry, the ABC insignia is often referred to as the "hallmark of circulation values."

At regular intervals, an ABC traveling auditor visits our office to check our records. The findings of this

physical audit are embodied in an Audit Report published by ABC — the report literally tells us what our circulation is.

Virtually everything an advertiser should know about our circulation is found in this report, facts and figures without opinions.

Few retailers bother to ask to see a copy of our report, yet we want you to know one is available anytime you are interested in the quality and quantity of our circulation audience — the audience for your advertising messages.

What is an ABC figure?

It is our way of assuring you that you get full measure for your advertising dollar in this newspaper.

The Hereford Brand

Glady's Garden

By Gladys Howton Marlow

Oh! this sunshine! is wonderful. Hope there will be sufficient amount of it to make it possible for the farmers to gather their field products.

Am still enjoying chrysanthemums, seems those that have protection are going to open and will bloom. Have a new variety in a dark pink that I am very anxious to open, so that I can see what it looks like. Here in our area we should not plant chrysanthemums that do not mature on or before the first of October, because we usually have frost.

If you ever have a real desire to get away from the rain and the slush, just get on a commercial plane, and go right up through the clouds and the rain you will find the beautiful, beautiful, sunshine filling the atmosphere and making the clouds look like a vast lightened bevy of heavenly bodies.

Last Tuesday, Mrs. O. G. Hill Sr. and myself decided that we would go to Ft. Worth to attend the State Board meeting of Texas Garden Clubs, Inc. We left Hereford in a down pour of rain, and not knowing whether the planes would be flying, we went prepared to drive if we couldn't fly. To our delight when we reached the airport they told us the planes would be going out, and that our flight would leave on time.

Upon arrival in both Dallas, and Fort Worth the rain was still coming down. However, they had not had frost in that part of the state, and the trees, and flowers were very pretty. The Botanic Gardens were lovely, and it was our pleasure to tour them in buses (was too wet to walk and really get acquainted with the plants and flowering shrubs and plants.) Our business meetings were held in the Texas Garden Club Inc., headquarters. It is located in The Botanic Gardens, in a most picturesque location and the views from the windows were more than lovely. One of the lovelies I noticed was a huge pyracantha tree (shrub) in full fruit, it would have been a challenge to any artist with brush & oil or plant materials. Yes I found myself, often straying from the procedures of the session, and looking out of the windows. Raindrops falling in the lily pool, masses of ferns and undergrowth, coleus in a rainbow of colors, copper plant (yes Clara, I thought of you when I looked at the beautiful copper plants) When the building was located, and building procedures started, everything that could be saved as to nature on the location was.

One of the National officers, Mrs. Howard Kittell (Mary to many of us) made the following statement which I cannot get away from. It was, "If you have a spark of inspiration for beautification, pick it UP, and do something about it, to make our world more beautiful and a better place in which to live." "Always remember we are not only doing for today but for the tomorrows." She also told us that there was to be a new award given by National, and it is to be awarded to the club or individual doing the most to rid us of LITTER. This last year the award went to Florida. We also learned from her that there are many things being done to take care of litter, for instance paper is being shredded and used in the feeding mixture for cattle. That litter, is being made into a slush, and this is used for fertilizer. Also there are numerous things being done to rid us of pollution. We were instructed when referring to pollution to call it "Environmental Pollution." This is reasonable, because this problem is effecting the environments nationwide.

Yesterday on a T. V. program I heard a commentator speaking on facts regarding litter. He stated that in the large cities they were taking the bottles and other breakable objects, and processing them so that with a mixture combined with them, a produce had been made that was being used for paving streets. Just shows the ingenuity of the American people. Our problems can be solved if minds, hearts, and hands are kept busy, and used.

The artistic program, which was given at one of the dinner hours, took us around the world via arrangements depicting Christmas in many lands. They were all creative arrangements, and truly stirred our imagination. Caused us to start thinking about Christmas, not only in our own homeland but in other lands... and those of our loved ones who are in other countries.

Was a very helpful meeting, also inspirational, and I hope that we will be able to "pick up the spark of inspiration" which we received and do our part to make our own town more beautiful and attractive, and to impart some of the inspiration to our fellow club members.

By the way Mrs. Hill, (Bessie) and I have a new name, we are known and called at the State meetings 'The Bobsy Twins'. Why? well I will just let you figure this out.

BITS OF INTEREST AND INFORMATION.

If you have a Gloxinia plant, and want it to continue to be pretty, let it have a dormant, resting period beginning this time of year and lasting about three months. Then start working with them, and they will grow and give you further enjoyment. I have one and it is a bit stubborn about becoming dormant, am going to have to study it and see what I have done wrong.

Several years ago we made Rose Jars. If you are tired of yours and would like to make some new ones next year, in the same containers, I would suggest that the contents of the jars be emptied, and that sachet bags be made using the rose leaves and buds. Very attractive gifts can be made of the sachet bags. A bit of lace, or net, some pretty colorful ribbon, a bit of decoration and presto a sweet smelling gift. These are good stocking stuffers, or tuck-in gifts.

To do in NOVEMBER. Check the lawn, and if the grass is two or more inches tall it should be mowed. If it is left the grass will tend to mat thus bringing damage to the lawn in the winter. Then if it enters the inter months neat and well cared for, the yards will be more attractive, and have a neater appearance.

Don't worry about your bulbs, if you haven't gotten them planted. Anytime during November will be fine. Later planting will make later blooming in the springtime, and perhaps miss some of the bad spring winds.

Yours is the deciding factor. If the perennials are left, or the annuals are not removed from their garden beds, things will not be as neat or attractive. However if they are left they will tend to catch the winter snow and protect the soil from blowing in the early spring.

DATES: FESTIVAL OF TREES AND TREASURE SALE, (Christmas) of The Amari 110 Garden Council, will be held December the 6th and 7th at the Garden Center. The public is invited, and it will really be a treat. Many lovely things to see and purchase have been arranged in the gift shop. The trees are always fascinating, they will be sold by sealed bids. Proceeds will be used at the Garden Center, they do a great work, therefore to share in this project is helping them to carry-on and expand.

Have you walked in any of the areas where the leaves have fallen? I went for a walk this morning in the pretty sunshine, and walked across the yard of one of my friends where the leaves had fallen. Remindful of childhood, and gave me that certain feeling I was in need of. No better therapy than that which comes from nature.

CONGRATULATIONS, to the winners of the Beauty Spot of the Month Awards. The Jim Lipscombs, of 108 Centre Street the residential Beauty Spot. The blend of the red of the trees' foliage, and barberry shrub, accented with red chrysanthemum blossoms of the same coloring is very attractive. Their home and grounds are always neat and clean.

In the Professional Class, the Award went to The Family Medical Clinic 807 W. Park. Again color harmony and proper relationship of plant materials is handled well. The luxuriant holly and the red of the pyracantha berries against the brick, blended very harmoniously, creating beauty. This Beauty Spot, has certainly been an addition of loveliness to our town.

If I may, I would like to URGE the business and professional people to give more attention to their property. It is definitely noticed when we visit in other towns. So many of the business are well landscaped and well kept. And when we return home... makes us a bit disturbed. This would be an excellent project for some of the Men's Civic clubs, starting at their own places.

Be still... think... plan... and you will be GLAD.

Since the moon has almost no atmosphere, an astronaut standing there would be able to see twice as many stars in the black sky as he could on earth.

The bark of the giant sequoia tree grows two feet thick.

BSP Conducts Autumn Rituals

Fall Rituals of Beta Sigma Phi Sorority to receive new members and mark the progress of others, was held Tuesday evening at the Community Center with members of City Council as hostesses.

Received as pledges to the Ritual Chapter, Kappa Iota, were Mrs. Gerald Haak, Mrs. Kirk Owsley, Mrs. Carl Skaggs, Mrs. Gary Tyler and Mrs. Jim Innis.

Advancing to the Ritual of Jewels were Mmes. Bill Barkley, Bill Lyman, C. A. Parker, Gerald W. Payne, Bob Pittman, Edwin Axe and Eugene Edens.

Those who advanced to the Exemplar Chapter, Xi Epsilon Alpha, included Mrs. Max Goforth, Mrs. David Hamblen

and Mrs. Duke Powell.

Mrs. Delbert Bainum and Mrs. Howard Gore advanced to the Preceptor Chapter, Alpha Alpha. Mrs. Joe Frank Huckert, president of Kappa Iota Chapter, was officiant for the ceremonies conducted at a table decorated with the sorority flower, yellow roses. Black and yellow tapers completed the decor.

Refreshments were served following the ceremony from a table centered with an arrangement of yellow roses. Appointments were silver and crystal. Members of all chapters attend in formal dress.

Hostesses for the evening included Mmes. Huckert, Teresa Larsen, Bob Pugh, Bob Spangler, Gerald Turnbow, Dean Hacker, Pat Parker, Melvin Fowler, J. D. Greeson, Hicks Robertson, Harold Beauchamp, R. J. Cramer, Carl Hollingsworth and Charles Laing.

Persons Needed For New Class

Time is growing nearer toward the starting date of the proposed Implements Mechanics Class which is scheduled to begin on Dec. 1. Ted Swindle of the Texas Employment Commission said that as of Wednesday approximately five good prospects for the class had been discovered.

Qualifications for the class, as mentioned last week, are that a person be 18 years of age or older and possess at least an eighth grade education.

Besides the training received in the course, students can be benefited by drawing a training allowance which can range from 39 dollars per week and up. The amount will depend on the number of dependents the trainee has.

These students are also allowed to work a maximum of 20 hours a week. Working more than 20 hours would affect their allowance to a certain extent.

"We encourage anyone interested to contact the Texas Employment Commission," said Swindle. Either he or Alex Torres will be available for consultation.

TAX MAN SAM SEZ:
If you don't know about the new income tax form, you will shortly after January 1. Internal Revenue Service has issued a fact sheet on the new form 1040. Here are some of the facts.

The new 1040 not only replaces the card form 1040A, but also the old 1040 form. The new form is a one page basic form to which schedules can be added to cover any tax situation. IRS says that 77 million returns will be filed for this year — 1969. An estimated 31 million will use only one page. Another 23 million returns will consist of the new one-page form and one additional attachment. Thus, about 75 percent of all the 1969 income tax returns will require only one or two pages. IRS assures taxpayers who formerly filed the little card form 1040A that the new form will not complicate filling nor require additional information of them. The new form simply provides a different place for the information that should actually be easier to use.

The good tax folks feel that the new form will help 1040A filers take advantage of all the deductions available to them, especially those who overpaid their income taxes because they were not aware of, or could not take advantage of, the various tax benefits available to them.

Internal Revenue gave the problem long and thorough study before they changed the tax form. Let's all hope it will make the job easier and save us a few bucks.

COMPILING RECORD

SALISBURY, Rhodesia — The National Archives is interviewing pioneers of Rhodesia who are still alive to compile a record of the country's early days. Prime Minister Ian Smith announced. Although explorers and missionaries visited Rhodesia from the 1890s onwards, white settlements did not begin until 1900.

Citation Issued In Wreck Here

A citation for driving without lights was issued by investigating officer following an accident last Saturday night on Ave. G.

A 1964 Ford driven by Steven Vines sustained \$700 damage and a 1965 Chevrolet owned by Bill Ott received \$850 damage.

The accident occurred, according to investigating officers, when Vines, who was traveling north on Ave. G, with his light off and at an apparent high rate of speed, collided with the parked vehicle.

Former Pastor Visits Church

Father Cletus McGorry, with his familiar hearty laugh and cordial mannerisms, is renewing old friendships in Hereford this week. Twice, during 1955-59 and 1962-66, Father Cletus was assistant pastor at St. Anthony's Church.

Following his visit in Hereford, Father Cletus will take up his new assignment as Chaplain at the Presbyterian Columbia

Medical Center in New York City. His recent residence has been in Kinston, North Carolina.

Father Cletus is now known as Father Bernard McGorry, since the religious Friars now have the choice of returning to their baptismal names. Father Bernard, or Cletus, as he is known locally, states that he has a certain fondness for St. Anthony's, since it was his first residence mission after his ordination in 1951. Prior to coming to Hereford, he was on the "Mission Band," traveling from parish to parish, conducting week-long sessions of spiritual re-

newal. Father Cletus says he still enjoys tennis and bowling as he

did while living in Hereford. His parents and two brothers live in Allentown, Pa., while his sister resides in Baltimore, Md.

BACK FOR A VISIT — Father Cletus McGorry, right, former assistant pastor at St. Anthony's Church, is renewing old friendships in Hereford this week. Shown visiting with him at Sunday's carnival is W. J. Albracht.

STRIVE FOR PEACE

"Try to be at peace with all men" (Hebrews 12:14).

We are forever talking of peace, but we continue to quarrel. We think we must fight. We demonstrate with hate and destruction as our motivating force. How shall I change it? What is my next step? How do I become a real peace maker? The Scriptures clearly give the message. "Thou shalt love thy brother." Then, if I am serious, I must answer. I must put love in place of hate. I must frankly face the fact that I actually hate or despise another man who also is a son of God. That is my sin. Immediately I must look into his life and discover some good I must love him.

Do not hate a Democrat, or Republican, or a Black man, or a White man, or a Jew, Catholic, or Protestant. Other people love those guys, why can't I? I too must discover some good which I don't know about, if I am to set myself free of hate. Then, I must seriously set out to live Hebrews 12:14.

DATE NUT BREAD — Adapted from a recipe made famous by a Nevada restaurant.

LET'S COOK SOMETHING

Nevada Date-Nut Bread

By CECILY BROWNSTONE
Associated Press Food Editor

Tucked away in our files was a recipe for a date-nut bread, made with yeast, served as a specialty by a restaurant in Nevada. When recently we tried the rule, we understood why the bread had achieved a certain fame.

Here's our version of the recipe, streamlined for quick making. The undissolved yeast is added with part of the flour — no dissolving of the yeast first is necessary.

This bread tastes mighty good fresh from the oven. After a day or so it's heavenly toasted and

buttered.

NEVADA BREAD
4 1/2 to 5 1/2 cups unsifted flour
1/2 cup granulated sugar
1 1/4 teaspoons salt
1/4 teaspoon cinnamon
2 packages active dry yeast
1 cup milk
One-third cup water
6 tablespoons butter or margarine
2 eggs (at room temperature)
2 cups finely diced dates, sprinkle with flour to separate
1 1/2 cups chopped walnuts (fairly fine)
Confectioners' sugar

In a large bowl thoroughly mix together 1 1/2 cups flour, the granulated sugar, salt, cinnamon and undissolved yeast.

In a saucepan stir together milk, water and butter; heat over low heat until liquids are warm. (Butter does not need to melt). Gradually add to flour mixture and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add eggs and 1 cup flour, or enough flour to make a thick batter. Beat at high speed for 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough.

Turn out onto lightly floured surface; knead until smooth and elastic — about 8 to 10 minutes. Place in greased bowl; turn to grease top. Cover; let rise in warm draft-free place until doubled — about 45 minutes.

Punch dough down; turn out onto lightly floured surface; knead in dates and walnuts until evenly distributed. Divide in half; shape into loaves. Place in 2 greased 8 1/2-by-4 1/2-by-2 1/2-inch loaf pans. Cover; let rise in warm draft-free place until doubled — about 1 hour and 15 minutes.

Bake in preheated 350-degree oven on lowest rack until done — about 40 minutes. Remove from pans and cool on wire racks.

Pre-Nuptial Parties Fete Miss Thomas

Miss Deborah Thomas, bride-elect of Larry Noland, was complimented with two prettily planned parties recently, a surprise personal shower hosted by Mrs. Lee Drake Thursday evening and an old-fashioned couples shower Sunday.

Mrs. Drake hosted the shower in her home, 127 Juniper, for the Thursday party where guests were close friends of the honoree.

The serving table, decorated in the Halloween motif, was laid with white lace over orange, centered by a yellow and white chrysanthemum arrangement. Refreshments of hot Dr. Pepper and coffee with cookies and finger sandwiches, were served from crystal appointments by Mrs. Drake.

Attending were the bride-elect's mother, Mrs. T. B. Thomas and Miss M. E. Kaul, Walter Kaul, Jerry LaFrance, Herman Drake, R. L. Layman, Mark Hicks, Brad Johnson, John Bob Drake, and Miss Luann Kendall, Cecelia Packard, Connie LeGate, Joyce Bezner and Sharon Hagans.

The couples' shower was held at the Summerfield Baptist Church following the Sunday evening services.

A centerpiece of orange carnations decorated the serving table laid with white lace over green. Satin streamers inscribed with the honored couple's names completed the decor. Refreshments were served from silver and crystal appointments

Ramirez Given New Assignment

U. S. ARMY, VIETNAM (AHTNC) — Army Private First Class Fred B. Ramirez, 20, son of Mr. and Mrs. Alonzo Ramirez, Hereford, Tex., was assigned as a rifleman with the 199th Light Infantry Brigade in Vietnam, Sept. 28.

While man's skeleton is inside his body, leaving his flesh exposed and vulnerable, the insect wears its bones on the outside so that the soft parts of its body are protected.

Various Films Now Available

Clubs, churches, sportsmen's groups, fraternal organizations and other film users in this area have the opportunity to enjoy a selection of exciting films from Canada, announces Claudia Sneed of the Audio-Visual Department of the Amarillo Public Library.

The library has renewed its agreement with the Canadian Travel Film Library for a collection of films to be placed on deposit at the main building of the Amarillo Public Library. All the films are in 16mm, color with sound. They range from fifteen to thirty minutes in length.

Among the new films this year, are "Kingston: The Fortress City" a colorful visit to Old Fort Henry which dates back before the history of Canada itself. Here each summer, the military traditions of the fort are re-enacted daily for the visitors.

For the sea coast vacationer there's "Marine Highway", an exploratory trip through Nova Scotia. The pleasures of land and sea invite the tourist along

a route from the city of Dartmouth along sandy bays and inlets and shimmering expanse of sea.

Other films now available include "Bluenose Shore", "Minawanamut", "Quebeck Winte Carnival", "Skiing In Ontario", "Stampede Fever", "Steelhead River".

Further information on the films and the lending service may be obtained by calling the A-V Department, Amarillo Public Library, at 372-4211, ext. 254 or write Box 2171, Amarillo 79105. Film users should contact the library as soon as possible to make arrangements to book the films for the season now in progress.

The Roman naturalist Pliny and Elder believed that earthquakes were protests from Mother Earth against wicked minors who stole her gold and silver.

Torino. High Style.

Nothing in its field can match it for luxury.

The elegant Torino Brougham is rich in looks, lavish in appointments. Compare it to other intermediates. You won't find its equal anywhere—not in appearance and certainly not in price. It has a longer wheelbase for a smoother ride. A wider track for better road holding. Hideaway Headlamps, concealed windshield wipers, 302 CID V-8 are just a few of the standard features. Take your choice of 2- or 4-door hardtops. Either one is worth a visit just to see how beautiful it is.

Torino Brougham 2-Door Hardtop

Torino. High Performance.

New SportsRoof styling... six great V-8's.

Torino GT gives you the ride, the handling, even its own aerodynamic SportsRoof styling that adds to you go. And you can go all the way up to the 429 Cobra Jet Ram-Air V-8 with a living, breathing, through-the-hood shaker. Then add our new Laser Stripes, high-back buckets, 4-speed Hurst Shifter... you get the idea. Park the GT if you want to collect a crowd, and take them on a cruise if you want to dazzle them.

Torino GT SportsRoof

Torino. Low Price.

Lowest priced hardtop in its class.

This is the beauty that caught the competition napping. You won't find a lower priced intermediate hardtop anywhere in the country. Yet it offers you many features you'll find only on the more expensive Torino models. Longer wheelbase. Wider track. Curved side glass. Concealed windshield wipers. Fiberglass belted tires, and more. Fairlane 500 is just one of thirteen great ways to go Torino in 1970. Your Ford Dealer is the man to see, to see them all.

Fairlane 500 2-Door Hardtop

State Bar Directors Agree On Proceeding Guidelines

By VERN SANFORD
AUSTIN, Tex. — State Bar of Texas directors have agreed on guidelines for release of news in criminal proceedings, as drawn by judges, lawyers and newsmen after a nine-month study. Texas Press Association, Texas Daily Newspaper Association, Texas Association of

Broadcasters and the Bar sponsored the study. News organizations will review the guidelines early next year. Highlights of the proposal include:

"The press has the right and the responsibility to report the truth. A free and responsible press enhances the administration of justice. Parties to litigation have the right to have their causes tried fairly by an impartial tribunal. No trial should be influenced by pressures from the press or from public clamor, and the Bar and the press share the responsibility to prevent the creation of such pressures. All members of the press should strive for objectivity, accuracy and fair play. The public has a right to be informed. The accused has a right to be judged in an atmosphere free from prejudice."

SMALL BUSINESS — Texas Industrial Commission, whose main job is to try to attract new businesses into the state, may be branching into other areas.

Rep. David Finney of Fort Worth asked the TIC to set up a new division to help smaller industries with their development and managerial problems. Under the plan, TIC would work with local chambers of commerce and trade associations to assist businesses with difficulties — either by providing counseling services or by directing them to professional business counselors.

TIC has taken the proposal under consideration.

LEGISLATIVE COUNCIL — Texas Legislative Council, which meets between sessions to study proposals to better organize state government, has agreed to make a series of studies including one on the "Cavness Plan" which raised so much controversy during the last session.

This plan, ruled unconstitutional by the attorney general, would allow the Legislature to tap some of the permanent school fund. It is estimated by the author that it would have cut the need for taxes by \$71 million if it had been approved.

Rep. Don Cavness of Austin, originator of the plan, tried to get a constitutional amendment through that would have legalized the process but was unsuccessful in the Senate. He asked for the study.

Other proposed studies that

were adopted include: Study of assistance programs for the handicapped, safeguards for buildings where a large number of persons congregate, a study of the chain store tax, study of service for the deaf, the feasibility of giving schools three day weekends for holidays like the state has, and a study of effectively anticipating population changes on population bracket laws.

APPOINTMENTS—Gov. Preston Smith named to the vital Coordinating Board, Texas College and University system Dr. James P. Hollers of San Antonio, Newton Gresham of Houston, Manuel C. DeBuck of Dallas, Loren Bryce Meaders of Dallas and Watson William Wise of Tyler. He reappointed Waco newspaper editor Harry Proctor.

Other appointments include: State Board of Corrections: Houston attorney W. Ervin (Red James).

Texas Air Control Board: Henry Bartell Zachry Jr. of San Antonio.

Judge of 101st district court: J. Roll Fair of Dallas.

University of Houston Board of Regents: Leonard Raunch of Houston.

Board of Trustees for Teacher Retirement System: Miss Antoinette Miller, Houston.

State Board of Architectural Examiners: W. R. (Dede) Matthews of Bryan, Theodore Sturtz Maffitt Jr. of Palestine, George Horace Loving of Abilene, George Swiler Sowden of Fort Worth, and Mace Tungate Jr. of Houston.

Texas Commission on Alcoholism: Donald Gynn Austin of Chappell Hill, Charles A. Guy of Lubbock (reappointments) & Roy J. German of Austin.

Texas Fine Arts Commission: Mrs. Veda Wells Hodge of Midland.

State Board of Hairdressers and Cosmetologists: Mrs. Neatha F. Frame of Fort Worth.

NEW VISTA PROBLEM FLARES — Governor Smith has received a request from Cameron County Commissioners to remove VISTA (Volunteers in Service to America) anti-poverty workers from their areas.

New Regional Office of Economic Opportunity Director James W. Griffith offered sound reason for gubernatorial delay when he pledged personal effort

to resolve the dispute.

Griffith made an inspection tour of border poverty areas October 30-31 and promised to meet with VISTA representatives and commissioners in Brownsville.

Said Griffith: his bosses in Washington assured him OEO aims to cooperate with local officials, not fight them.

Said the commissioners: "In the event the problems which we are now confronted with are satisfactorily corrected at the regional level, we would then be most happy to reconsider our present position."

Cameron VISTA's allegedly took part in demonstrations against county officials.

GAS RATE HIKE PROPOSED Pioneer Natural Gas Company wants to raise domestic and commercial rates to at least 34 cents per 1,000 cubic feet, plus allowance for federal income tax surtax on deliveries.

Railroad Commission has rescheduled hearing from November 4 to November 24 on application: Increase would mean higher rates in 61 cities and towns including Big Spring, Lubbock, Midland, Odessa, Pampa and Plainview.

ATTORNEY GENERAL RULES — New law effective January 1 will permit 16 year old boys and 14 year old girls to enter into common law marriages by filing an "intent to marry" form with county clerks, Atty. Gen. Crawford Martin has held.

However, Martin said, as waves the protest broke over the opinion, he is personally against the law and thinks provisions for common law marriages ought to be eliminated entirely.

COURTS SPEAK—Will of a Midland woman who set up a trust for a home for aged white men is valid with the qualifying word "white" deleted, Supreme Court has agreed. Decision upheld lower courts which removed "white" from the will proviso.

Construction company is not liable for material defects that resulted in bricks falling from the walls of the new Tarrant County courts building, Supreme Court concluded, agreeing with Eastland Court of Civil Appeals.

High court also agreed that St. Louis Southwestern Railway Company is not blocked by any law from closing its station at Mt. Vernon.

Lower court decisions were upheld to the effect that Wilbarger County men did not file suit within the time limit to stop oil operators from allowing salt water to seep into their wells.

DRAFT QUOTA CUT — Texas

Concerning Veterans

Care in Veterans Administration hospitals may be extended to veterans of all wars and to peacetime veterans under certain conditions.

Priority on admission to hospitals goes first to veterans who require treatment for conditions that are not service connected.

A veteran without a service-connected disability may be admitted provided he served in any war or after June 27, 1950, or received the Medal of Honor during peacetime service.

The Veterans Administration pointed out that admission of these patients is contingent upon these considerations: (1) hospitalization must be necessary, (2) the patient must state in writing that he is unable to defray the cost of the necessary hospitalization elsewhere, and (3) an appropriate hospital bed must be available.

Outpatient care for non-service-connected conditions is not permitted by law, but certain prehospital and posthospital medical services can be performed for patients who are scheduled for admission to a VA hospital or for those who require followup care after hospitalization. The intent of this law is to shorten periods of actual hospitalization while providing the same medical care.

Patients who have received maximum hospital benefit yet require nursing care may be furnished this care in either a VA facility or a private nursing home.

Veterans disabled by age or disease who do not need hospitalization or skilled nursing care may be admitted to VA domiciliary on an ambulatory, self-care basis under approximately the same rules for hospitalization.

Application may be made by the veteran or in behalf of the veteran at any VA office.

The anaconda, the largest snake in the world, can swallow a calf whole.

call of 491, according to Col. Morris Schwartz, state Selective Service director.

October quota originally was set at 1,461 but later was reduced to 594 following presidential directives.

SHORT SNORTS

Texas Water Development Board cleared a \$500,000 completion bond issue for Sabine River Authority Toledo Bend project.

Under a brand new Work Incentive Program to train and find jobs for family welfare recipients, State Department of Public Welfare will refer those eligible to the Texas Employment Commission to arrange basic education and vocational training through the Texas Education Agency.

Texas hospitals, institutions and consumers will receive settlements of more than \$4.6 million as a consequence of Attorney General Martin's anti-trust suits against five drug manufacturers for price fixing on antibiotics.

Four Texas women received Topa N Texas community service awards from the Texas Federation of Republican Women: Mrs. Ralph Graham and Mrs. Henry Johnson of Dallas, Mrs. Porter Motley of Knott and Mrs. Arthur Haynes of Ingram.

Amarillo Site For Assembly

Appointments of program participants and departmental heads of the "Right Kind of Ministers" semi-annual circuit assembly of Jehovah's Witnesses, to be held in the Stephen F. Austin Jr. High School, 1808 Wimberly, Amarillo, Nov. 21-23, have been announced.

Mr. Proctor, presiding minister of Jehovah's Witnesses said that George Humphries will discuss with the anticipated group of 800, "Full Time Service — Yours Splendid Opportunity" Saturday evening at 7:00.

"Both the program participants and departmental heads have been working several weeks so the program and assembly operations will run smoothly and provide the greatest amount of spiritual benefits to the assembly," said Proctor.

The programs are always designed to deal with Biblical answers to problems which are of concern to the public. The main talk Sunday, "True Worship Versus the False" will deal with the spiritual apathy which is so prevalent today. This discourse will be given by Lester M. Dugan, district supervisor and traveling minister from New York City.

All sessions are free and the public is invited.

Legal Notice

THE STATE OF TEXAS
COUNTY OF DEAF SMITH
NOTICE OF PUBLIC AUCTION
OF COUNTY REAL ESTATE

Pursuant to Article 1577 of the Revised Civil Statutes of Texas, Notice is hereby given that the Commissioner's Court of Deaf Smith County, Texas determined that the following described real estate in Deaf Smith County should be sold, and the said Commissioner's Court did on October 27, 1969, by an order entered on its minutes, appoint the undersigned, ARVELL WILLIAMS, Commissioner to sell and dispose of the following described real estate of the County at public auction, to-wit:

Being all of Lots 68, 69, 70, 71, 72, 73 and part of Lots 74 and 75 of the Higgins Subdivision, Block 9, Womble Addition to the Town of Hereford, Section 80, Block K-3, A. B. & M. Survey, Deaf Smith County, Texas, per Deed from the State of Texas dated June 23, 1969, filed of record, on June 30, 1969, in Volume 259, at Page 352 of the Deed Records of Deaf Smith County, Texas,

and the said Commissioner's Court of Deaf Smith County further ordered that notice of said public auction be advertised at least 20 days before the day of the sale thereof, by having the same published in the English language once a week for 3 consecutive weeks preceding such sale, in a newspaper in Deaf Smith County, Texas. NOTICE IS HEREBY GIVEN that the said property shall be sold at public auction at the Courthouse door in Hereford, Deaf Smith County, Texas, at 11:00 o'clock a.m. on Tuesday, the 25th day of November, 1969. All bids made are and will be subject to the approval of the Commissioner's Court of Deaf Smith County, Texas.

IN TESTIMONY WHEREOF witness my hand this 29th day of October, A.D., 1969.

ARVELL WILLIAMS, Special Commissioner

Introducing the easy clean-up LATEX enamel

Sherwin-Williams, who brought you Kem-Glo, America's leading oil base semi-gloss enamel now brings you KEM-NAMEL, a top quality latex semi-gloss enamel.

A white that STAYS white

Won't yellow like ordinary enamels from steam, grease, cooking spatters.

Easy Clean-Up

Soap and water is all you need to clean brushes, rollers, spatters.

Use it anywhere

For walls, woodwork, cabinets—in any room. Ideal for kitchen and bathroom walls.

Easy-to-use

Brushes on without leaving brush marks—Rolls on without risk of overlaps. Dries fast.

Remarkably Tough

A beautiful, semi-gloss sheen combined with a tough finish that can take it. Good for years of easy-to-clean, scrubable use. Use it wherever a tough enamel is needed.

Easy Decorating

Many colors matched to Super Kem-Tone Latex Wall Paint.

PIPELINE PEOPLE

Natural gas storehouse

All year 'round, we move natural gas from production fields to market areas. During summer months, demand for gas is light, so we store extra quantities in natural underground reservoirs.

NGPL Storage Foremen, and their crews, help develop underground formations suitable for gas storage. They measure and maintain the supply of stored gas. And they move it along to market during the winter when additional supplies are needed.

We now operate six underground gas storage facilities; two more are being developed. And we rely on our Storage Foremen to make sure pure natural gas is available on demand.

They are pipeline people—vital links in a giant private industry serving the public interest.

WT To Encounter Western Michigan

CANYON, Tex. — West Texas State University's Buffaloes, having pushed their season record above the 500 mark, will attempt to keep it there when they invade Kalamazoo, Mich., Saturday to play the Western Michigan Broncos.

ASC Announces Wheat Changes

County farmers growing some relatively new wheat crosses have raised questions about the classification of these crops under Federal farm commodity programs, according to Frank J. Bezner, Chairman of the County Agricultural Stabilization and Conservation (ASC) Committee.

For farm program purposes, both Triticale (a wheat-rye cross) and Winter-graze (a wheat-wheatgrass cross) will be considered as feed grains. However, neither will be covered by the feed grain program.

Being considered as feed grains, Bezner explained, means that Triticale and Winter-graze may not be grown on acres which farmers agree to divert from feed grain production. Nor may any acreage in Triticale or Winter-graze be counted as part of a farm's conserving base.

Not being covered by the feed grain program means Triticale and Winter-graze acreage will not count as part of a farm's feed grain base. Neither will these crops be eligible for price-support, nor for the substitution provisions of the wheat-feed grain programs.

Mr. Bezner said farmers wanting more details or having further questions about these or similar wheat-cross crops should inquire at their County ASC Office.

Kerbel played their finest game of the season Saturday in beating the University of Texas at Arlington Rebels, 41-7.

Buff defenders picked off five passes during the contest and returned two for touchdowns. Offensively, the Buffs picked up 235 rushing yards and 105 passing.

Besides the two interception returns for touchdowns, the Buffaloes turned two of the other interceptions into scores.

Raymond Brown and Billy Lantow each picked off a pair of Arlington passes. Lantow returned one of his interceptions 31 yards for a touchdown giving the Buffs a 9-0 lead early in the second quarter. Brown carried one of his thefts back 39

yards to score. Troy Anderson intercepted the other Arlington pass.

Duane Thomas and Clarence Redie were the offensive backfield leaders for West Texas. Thomas carried 28 times for 84 yards as the Rebel defense keyed on him throughout the contest. Redie hit on six of nine passes for 55 yards.

Rocky Thompson and Olan Thompson combined for 124 yards. Rocky raced for 63 yards and Olan 61.

Arlington was limited to 12 completions out of 32 attempts for 132 yards. The Rebels had 140 rushing yards during the clash which saw the Buffaloes score 28 points in the second quarter.

In West Michigan the Buffaloes will be playing a team which put on a high-powered offensive show at Buffalo Bowl last year. West Texas came out of that game with a 3-36 decision.

At The Library Women's Bodies Found In Stream

At the Deaf Smith County Library this week can be found the remarkable success story of the famed Edith Head, first ranking woman designer, and a combination mystery-murder novel involving a five million dollar inheritance. Look into them today.

GIRL ON A HIGH WIRE

BY Rae Foley...a new mystery! "Dogged by violence," the newscaster said of the Old Mill, when the beautiful Geraldine Harcourt was found dead at the foot of its spectacular staircase. Only two years before, a woman had been found drowned in the millstream. And now Cathy

Briggs, arriving too late for the Harcourt funeral, had found another body in the millstream.

"Go away," everyone urged her. "Go away." But Cathy remained to fight the shadows in the mill, to face the people who had been disinherited when she became her aunt's chief legatee. One of them wanted her dead. Was it one of the three men who had proposed to her? Was it the musician with the sulky wife? The woman who liked men too well? The man whose wife had died in the millstream?

For a stake of five million dollars the killer struck twice more, while Cathy, who wanted

to live to a long, long time, balanced on the thin edge of danger, finding murder behind a familiar face.

THE DRESS DOCTOR

By Edith Head

As Fashion Chief of Paramount Pictures, Edith Head is the woman who daily transforms the most glamorous people in the world into the characters they play on the screen. Among the clients are such fabulous names as Marlene Dietrich, Mai West, Sophia Loren, Dorothy Lamour, Ingrid Bergman, Hedy Lamarr, Rita Hayworth, Betty Hutton, Ginger Rogers, Elizabeth Taylor, Grace Kelly — and Cary Grant, Danny Kaye, Bob Hope, Bing Crosby, and Yul Brynner.

"The Dress Doctor" is the autobiography of a sensitive woman who has achieved astounding success, not only professionally, but as the friend and confidant of some of the most fascinating

personalities of our time. Born in Los Angeles, Edith Head became not only the first ranking woman designer in Hollywood, but the first famous designer who had not been trained in Paris. Her story is a heart-warming one of personal success as well, for when the Dress Doctor shuts up her office and goes home, it is as Mrs. Will Ihnen, one of the most happily married women in Hollywood.

She tells not only what she taught the stars, but what she learned from them; from Mae West ("I like 'em tight, girls") all there was to know about sex, clotheswise; from Clara Bow (she wore high heels for tennis), Flaming Youth; from Carole Lombard, "how important a designer is not only to an actress, but to women."

And it is for women, everywhere, that Edith Head has written the last and all-important section of the "Dress Doc-

tor." From her work on the Art Linkletter Show and the letters which pour in to her by the thousands, as well as from her work with the stars, she has created a complete glamour guide for do-it-yourself dress doctors. She tells you what clothes can do for you — and what you can do for clothes. She helps you analyze your figure type, and the potential of your clothes personality. Finally, she has set down a complete guide on what to wear for every occasion, from Amusement Parks to Weddings.

INDIA NO HIPPIES
NEW DELHI — The hippie movement has not caught the imagination of Indian youth, says Education Minister V. K. Rao. He told parliament that no anti-Indian activities by hippies had been reported although some youths had come to his attention for illicit possession of drugs.

Tiefel Named To Scabbard, Blade

CANYON, Tex. — Mark Tiefel has been selected as a pledge for Scabbard and Blade, an honorary Reserve Officer Training Corps fraternity, at West Texas State University.

Tiefel, son of Mr. and Mrs. Arthur Tiefel of Hereford, is a junior data processing student at WTSR. He is a sergeant first class in the ROTC corps here.

Scabbard and Blade is open to selected military science students who maintain a 2 point grade average in military courses and a 1.3 average in academic courses. The student must be a member of the advanced ROTC course.

Primary purpose of the society is to raise the standard of military education at the university; to unite members of the military department; to encourage the essential qualities of good and efficient officers; and to promote fellowship among cadet officers.

ICT STUDENT OF THE WEEK — Ronnie Williams, 18-year-old son of Mr. and Mrs. L. H. Williams, 345 Avenue G, has been chosen as this week's ICT student of the week. Williams, a senior at Hereford High School, is employed under the Industrial Co-operative Training program at Schmucker's Garage where he does general mechanic work. Shown with him in the above photo is his employer, Alvin "Swede" Schmucker. Upon graduation Ronnie plans to join the Air Force and train in jet mechanics work. He is undecided as to whether or not he will make a career of it. —Staff Photo

Texas Department Of Health Warns Against Fire Hazards

One of the most unwelcome guests in anyone's home is fire, but thousands of Texans are issuing invitations to disaster each year through carelessness, says the Texas State Department of Health.

In Texas last year, 462 deaths resulted from various types of fires and explosions. With winter coming on, homeowners and hunters should be especially cautious about their heating equipment.

Faulty gas connections can claim lives. Besides the danger of combustion from escaping gas, improper adjustment of any fuel burning stove or heater can lead to the build-up of dead-

ly carbon monoxide. Eighty per cent of all fire deaths were caused by smoke inhalation and deadly fumes, the result of combustion. Carbon monoxide alone kills about 1,000 persons annually in the nation each year.

Gas furnaces and space heaters should be properly vented and periodically maintained for safety. Make sure vents have not become clogged during disuse. Sleeping with the bedroom window open at least a crack will help the circulation of fresh air.

Often objects near a stove will catch fire. Make sure furnaces, heaters and stoves, as well as

flues and vents, are located well away from combustibles such as curtains, towel racks or bedding.

The most frequent victims of clothing fires are children. The next most frequent victims are elderly people. Clothing fires occur to children playing with matches or cigarette lighters, playing around stoves and heaters, scuffling burning leaves or getting too close to outdoor fires. Elderly people set their clothes afire while using stoves carelessly, warming themselves in front of open fires or falling asleep while smoking. Smoking in bed results in too many deaths.

Washington Report

From Congressman **BOB PRICE** NEW DISTRICT, TEXAS
1221 LONGWORTH OFFICE BUILDING, WASHINGTON, D.C. • 205-2704

Long, loose flowing sleeves or floor length dressing gowns can easily become a burning shroud.

Most homes these days have gasoline-powered mowers, edgers, or other equipment. Make sure the fuel is stored properly in metal or plastic containers — not in glass bottles. Never store it near water heaters, since fumes from a leaking or spilled container can result in an explosion or fire. Many homes go up in flames each year from this type of fire.

DRAFT LEGISLATION: A somewhat slow moving Democrat-controlled House of Representatives considered one of President Nixon's major legislative proposals last week when it acted on a bill to permit the selection of military draftees on a lottery basis. Under the plan proposed by the President, recommended by the Democrat-controlled Armed Services Committee, and endorsed by Republican Members of the House, the time young men are eligible for the draft is decreased from seven years to one year.

Nineteen-year-olds and those whose deferments have expired will be in the "prime age group." Men will be selected by lottery according to the sequence in which their birthdays are drawn. If March 2nd is drawn, those men who have a birthday on that date would be the most susceptible to service. Thus, a young man would know much better where he stands with the draft than at present. Once he left the "prime age group" he would not be called except in emergency. Those deferred for college would join the "prime

age group" as soon as their deferment expired. There will be a new drawing of birthdates each year.

In my opinion these changes create a system much fairer to the young men of our country. Student deferments create a class of exclusions which place the burden of national defense upon those individuals who by choice or circumstance do not pursue a college education.

I believe that some form of draft must be continued for the duration of the fighting in Vietnam. This plan proposed by the President seems to be the first step toward eliminating inequities in the present Selective Service System. By restricting the prime eligibility pool to 19-year-olds and lifting the present uncertainty which hangs over the head of a young man from the time he reaches 18 until his 26th birthday, this legislation is among the most helpful to be considered by Congress this year.

Although I support the President's initiative, I do not think the matter should rest there. I believe the present Selective Service System should receive a thorough scrutiny in an effort to determine whether the present System should be revised or retained.

The method by which our nation meets its military manpower needs is a critical question of our times. The future of democracy as we know it, depends in part on how we resolve this question.

CONTINUING APPROPRIATIONS: Also approved during the week was a resolution which will allow the government to pay its bills during November. Only two appropriations bills have been passed for the fiscal year which began on July 1.

Therefore, a "continuing resolution" must be passed each month to allow government agencies to continue spending until their appropriation bill is adopted. Normally the "continuing resolution" provides that the agencies spend the same amount as they did during the same month in the last fiscal year, however, a number of us felt that our schools should get the benefit of new legislation and an amendment I co-sponsored was adopted to allow educational spending at the level provided in the new appropriation bill now being considered.

MINE SAFETY: The House also adopted the coal mine safety bill last week. This bill has two major provisions. The first levies on the owner of every mine a royalty of two cents for each ton of coal produced. The money collected would be used to pay for medical examinations for miners and for medical research in connection with mining.

The second major provision provides Federal workman's compensation for coal miners or their survivors who are disabled as a result of "black lung disease."

BANNED FROM SELECTION PIETERMARITZBURG, Africa — Twenty out of 117 boys attending a special week-long cricket festival were banned from selection for the combined South African Schools team as a punishment for smoking and drinking during the festival. All 20 admitted they had had a few cigarettes and beer shandies (beer and lemonade) but said many others escaped because they were not honest enough to own up. Some of the banned boys said they are allowed to drink with their parents.

La Plata Lowers Boom On Foes, Win Three Games

La Plata's turned on Mavericks added another round of victims to their lists last week as the ninth grade gridsters trounced the Littlefield team 47-28, the eighth grade won 22-14 over Canyon and the seventh grade nipped Canyon, 28-16.

For the ninth grade, five Mavericks got a hand on the ball for scores in their romp.

In the first period, Larry McNutt scrambled 65 yards for the first score for the locals and a quick lead, then Danny Harris scampered 22 more for the locals and the seventh grade nipped Canyon, 28-16.

In the second quarter, Harris again took the call and went 80 yards for a score with Poindexter again putting his toe to it for the extra. McNutt made the score read 32 for the Mavericks then Walter Olson put two additional points on the board on the point after try.

The third period was scoreless for the locals but Terry Champ ignited a scoreing rally for the ninth grade in the final stanza when he blasted over the stripe from ten yards out. McNutt again took the pigskin moments later on a 50 yard bomb from Champ for a score.

In the passing department, Champ hit two of four passes for 115 yards, Olson connected on one of three for 15 yards and McNutt was 6 for three in the aerial department.

For the eighth grade, an unblemished record was kept that way when they downed the Canyon team, 22-14.

After a scoreless first quarter, the Mavericks finally got on the scoreboard in the second stanza when James Harris plunged over from three yards out. He then turned around and carried the ball over for a two point conversion.

In the third quarter, James Waits rolled for 80 yards and a pay dirt run and Harris again took the call over on the two point try. Also in the third quarter, Wayne Schumacher blasted over from five yards out for the final score.

The win brought the eighth grade's record to 5-0 and their next game was Tuesday when they entertained the Simmitt team. Results of that game will be carried in the Sunday Brand.

Stats for the eighth grade show they collected 15 first downs to Canyon's six; the locals garnered 283 yards rushing to Canyon's 105; the Mavericks got 75 yards rushing to the visitors 40 for a total of 358 for the Mavericks and 145 for the Canyon team.

Waits carried the load for the

Mavericks with 78 yards on seven carries while Schumacher got 80 yards on ten carries, Harris got 84 on 14 carries and Marsh got 81 on 10 totes.

Marsh completed six of eight passes thrown for 75 yards.

In the seventh grade game, it was scoring in every quarter for their win with Mike Munnerlyn, Marvin Harris and Terry Yerby getting in on the scoring.

Harris unloaded a 60 yard bomb to Munnerlyn in the first quarter for the local's first touchdown and Munnerlyn then turned around to make two more points on the PAT attempt.

In the second stanza, Harris scampered 13 yards for a score with Munnerlyn again adding the two point conversion.

In the third period Yerby tacked on his touchdown as he crossed the double stripe from 17 yards out. The points after attempt failed.

Harris tallied the final touchdown in the final quarter as he rolled 40 yards for the score. Again the point after try failed.

Seventh grade coaches cited Munnerlyn and Barry Allied for

doing fine jobs for the defense. ed their next game Tuesday, and the finals for that game will also be given in the Sunday Brand.

In statistics, the seventh grade managed 13 first downs to Canyon's nine, gained 345 yards rushing to the visitors' 178 and gained 80 yard passing to Canyon's 83 for totals of 386 for the Mavericks and 271 for the visitors.

Harris gained 128 yards on 15 carries, Munnerlyn ground out 62 yards on ten carries, Doug C Charost managed 33 on five totes and Yerby got 28 yards on five hands.

Harris completed one pass in one attempt and that was a good for the 60-yard touchdown and Munnerlyn was incomplete on his one try.

NOTE
We think you will say this is one of the finest sections of land in the area. There is not a foot of waste land on this farm. Finest of Soil. During the year of 1969 Mr. Fraser spent several thousand dollars drilling wells and repairing pumps on this farm. This farm is well watered. Equipment is in first class condition. It is estimated that this farm will carry 1500 head of calves this year. Some of the very finest grazing of wheat and soy is now ready. This is a real opportunity to buy one of the finest farms in West Texas. Stop one is going to use this farm. It might as well be you. We insist you look it over. You will be pleased.

Letter To The Editor

Dear Editor:
I have been a resident of the

Aurora community for a period of twelve years. I am a retired officer, having served in the active military service for twenty-seven years. Presently, I am Executive Director of the Colorado Association of Life Underwriters.

I wish to make a statement concerning Richard Weber — a young man, honorably discharged from the military service, who served his country at Khe Sanh — a fact that seems to be deliberately overlooked. He stayed in our home from March

4th until June 19th. He was a model guest — helpful, had a steady job at Samsonite and was getting along fine. He kept most regular and moderate hours and was not a problem in any way. The only reason he returned to Texas was that Samsonite closed for a period of two weeks so that all employees could go on vacation at the same time. He made friends easily — most of whom we had known for ten to twelve years.

I have been appalled at the apparent attitude of some of the

young men of the Hereford community who have apparently appointed themselves to impose manners of dress upon Richard, a flagrant violation of personal rights.

Richard Weber is an amiable, likeable person, one who would not take the initiative to cause a disturbance or a fracas of any kind.

Here is a man who served his country honorably and well in a very dangerous capacity — handling enemy land mines. Why cannot some of the stal-

wart citizens of Hereford recognize and prosecute those who wish to enforce their will and thinking on Richard Weber.

This man had the guts to fight for the United States. Where are the citizens of Hereford with the guts to stand up for the rights of Richard Weber? All he asks is that someone conduct a hearing and find out who really caused the disturbance and is deserving of prosecution, George P. Attridge

Members of the Tawanka camp Fire group held a Halloween party at the Camp Fire Lodge on Wednesday afternoon of last week, with the junior high girls of the group serving as hostesses. The group, originally started

at Casa De Amigos some five years ago, has grown to more than 40 in the total registration under the institutional plan, and is now divided into Bluebirds, Camp Fire and Junior Hi Camp Fire for meeting purposes.

Mrs. Judy Crowley and Mrs. Pat Allen are working with the Bluebirds; Misses Hope Mendez and Mary Pacheco take over the Camp Fire room, and Mrs. Able Crume directs activities of the Junior Hi group.

Preceding the party, the Bluebirds spent the afternoon making

paper sack costumes for Halloween, while the Camp Fire girls were engaged in making decorations for the Lodge. Junior Hi girls baked and decorated cup cakes, which were served along with punch.
