Smith's Relics

Oldtimer Finds Items Of Past

By JERRY ODOM
Staff Writer

An 81-year-old retired farmer, L. A. Smith of Route 1, Hereford, has taken up the hobby of collecting antiques. The items which he has acquired range from potato planters to old photographs.

Smith was born and raised near Grand Rapids, Michigan where he lived for 21 years. From there he moved to Hereford in 1919. Since living in Hereford he has raised five daughters, and is now the proud grandfather of twelve and a great grandfather to three.

His daughters include Mrs. Norman Miller of Friona, Mrs. O. T. Huit of Tulsa, Mrs. H. E. Weeter of Borger, Mrs. J. C. Toy of Amarillo, and Mrs. Leroy Johnson of Dawn.

Farming has been Smith's occupation throughout his life. He farmed a total of two thousand acres in Michigan during the depression.

Several of the antiques which

he has gathered were used by his parents and grandparents. One of these is a razor which his grandfather, Valentine Smith, brought from Germany. He also owns a pair of hand scales which everyone in his family were weighed on when born.

Smith really started collecting old items for souvenirs about the first of February this year. Among his collection are eighty various types of barbed wire.

His oldest antique is a crosscut saw which is at least 115 years old according to Smith.

He has reserved an entire wall in his garage for display of these old relics. Among the items by or on his wall are a corn planter, potato planter, sixty-year-old saddle, cream separator, coffee mill, apple peeler, hay knife, and two photographs.

Coin collecting may be considered a side hobby to Smith's collection. He has an assortment of around 90 different coins. He acquired a maximum number of these from his father-in-law who worked in a depot in Chicago for many years.

His most valuable money piece is a 1795 dollar which he has been offered as much as fifty dollars for.

During his antique collection, Smith came across an exact duplicate of an 1897 Sears, Roebuck and Company catalogue. After he began scanning the catalogue he found that almost every one of his items were listed. He remembered how much cheaper merchandise was back in the 1890's.

With a thorough assemblage of antiques and an interest in man's progress today, Smith has a vivid knowledge of how time and values have changed over the years.

Election Night At Walcott

Tonight is election night in Sub-division 1 of Tierra Blanca Soil and Water Conservation District in Deaf Smith County, according to County Agricultural Agent Justin McBride.

Elected will be their director and representative on the Soil and Water Conservation District Board for a period of five years.

Balloting place is Walcott School in western Deaf Smith County. Time set for balloting is 8:30 p. m. Anyone is eligible as a candidate in the election.

A qualified voter is a landowner in this division — west of Bootleg Corner and Walcott — and he must be at least 21 years of age. Wives of eligible voters may also cast their ballot.

A 30-minute color slide presentation on local conservation practices will also be presented at Walcott School tonight, J. C. Brown of SCS reported.

Holly Begins Harvest

Holly Sugar Corporation plant agriculture manager Robert Ginn reported that beet harvest operations will begin today following a delay caused by a turbine failure Friday.

Ginn reported the turbine had been placed into operation again Wednesday. It was expected the local plant would be closed due to this difficulty for at least a week pending arrival of the necessary parts. However, Ginn said they received the parts earlier than was expected.

Local Bakery Files Suit On Discount Firm

Eugene D. Knox, owner of Hereford Bakery, has filed suit in the U. S. District Court for the District of Texas, Amarillo Division, against several firms and individuals for selling bread too cheap.

Jim Anderson, manager of Gibson's Discount Store here, reported that the suit, in the amount of \$175,200, was filed recently by Knox, through his attorney, W. R. Barnes, of Odessa.

Charged in the suit are: Gibson Products Company of Hereford; Gibson Products Company, a corporation; N. R. Gibson, Sr.; N. R. Gibson, Jr.; Western Maid Bakery and Cliff Curtis.

Knox's suit claimed that since he opened his business in 1950, he had enjoyed a steady increase in the sale of bread, but since 1965, the sale has decreased

considerably. In pointing this out in the suit, Knox stated that in 1962 the total sale for bread was \$4,191.05 at the bakery and from there it climbed steadily to \$12,590.91 in 1965.

The suit claims that from that time, the sale of bread has dropped to a total of \$2,767 in 1968.

In the suit, Knox stated that the low prices of the bread sold through the Gibson Discount Store here has damaged his business to the extent that he is no longer able to compete in the selling of bread. The suit cited that the discount store has, on occasion, dropped the price of the bread to as low a price as 14 cents for a 1½ pound loaf, making it impossible for the bakery to meet the low prices.

September Totals Reach \$209,500

Building permits for the month of September reached the \$209,500 mark, some \$13,750 more than the total reached for August.

The permits, numbering 20, included two for demolishing a residence, ten for erecting a residence, several for erecting garages and carports and numerous miscellaneous permits. The totals for the erection of residences made the heaviest mark in the books as they accounted for \$197,700 of the \$209,500 total.

The largest single permit issued for the month of September was for erecting a residence, for \$32,500 while three other permits for erecting residences were for \$28,000 each.

For the 157 permits issued for this year, the total for the first nine months has exceeded the \$2 million mark by a considerable amount. A breakdown of the year shows January had a total of \$281,000 for 16 permits; February, \$215,700 for 20 permits; March, \$144,100 for 11 permits; April, \$1,006,000 for 21 permits; May, \$204,500 for 18 permits; June, \$348,100 for 25 permits; July, \$32,000 for nine permits; August, \$195,750 for 17 permits and September's total of \$209,500 for 20 permits.

The September total brings the 1969 total to \$2,906,650 as compared to the final total for 1968 of \$3,336,970.

Enrollment At New High

At a time when local school enrollment usually reaches its peak, this year is no exception, the Hereford Independent School District enrollment report indicated.

The student figure Monday continued its mountain-climbing path with the enrollment of 19 additional students over the previous week — toward a record-breaking enrollment of 5,465.

During the same week last year, the enrollment figure reached 5,296.

Largest increase during the past week was recorded in the two junior highs, blooming from 1,207 to 1,225. HHS went from 930 to 933.

However, the five elementary schools dropped in enrollment from 3,934 to 3,923.

The individual city elementary schools now show enrollment totals of 600 at Alkman, 694 at Bluebonnet, 540 at Central, 726 at Northwest, and 463 at Shirley.

La Plata Junior High has 621 students and Stanton not far behind with a 604 total.

Special Education students have risen from 153 last week to 160 now. Pre-school kindergarten has also added students—124 now as opposed to 122 last week. Migrant students at Alkman have gone from 25 to 26 (with a 59 total last year.)

Also last year, there were 304 Special Education students enrolled on this date but only 85 kindergarten students.

But Walcott School has lost four students since last week. Their total is now 95 from first through eighth grades.

St. Anthony's School now has 203 students.

Total enrollment in all county schools is 5,763.

Messerschmitt May Fly Here

Gerald Martin of Hereford flying school is scheduled to appear in an air show at Lake Charles, La., Sunday where he will fly a Messerschmitt for the Confederate Air Force — and he may bring it to Hereford afterward for the premiere showing of "Battle of Britain."

Martin, who flew a Messerschmitt in the movie, said, "If possible, I may bring the plane back to Hereford and try to keep it through the premiere."

"Battle of Britain" is booked at the Star Theatre for one week beginning Oct. 22, one of the theatres in the U. S. premiere engagement.

Martin reported that he flew in an air show in Dallas over the previous Labor Day weekend — also in a Messerschmitt with the CAF — which drew over 100,000 people.

Sophomore Class To Host Supper

Hereford High School's sophomore class has announced that they will hold their annual supper in sponsoring their classes' Annual Queen candidate, Sally Bayne.

The supper, which will be a fried chicken affair, will be held in the high school cafeteria, from 5:30 to 7:30 p. m. Friday. Charge for the supper will be 75 cents for children and \$1.50 for junior-high, high school students and adults.

Mrs. Bonnie Longoria

Hereford Man Shot In Legs

Edward B. Longoria, 26, of Hereford, was shot in the legs Monday night in Amarillo and was treated and released by Northwest Texas Hospital a short time later.

Amarillo police arrested a 26-year-old Abilene man on charges of aggravated assault and for investigation of carrying a firearm into an establishment selling alcoholic beverages.

Witnesses said Longoria and the man who reportedly shot him had been inside a bar on East Fourth immediately prior to the shots being fired. Two spent .25 caliber shells were found at the scene following the shooting. The suspect was in possession of a .25 caliber automatic pistol when apprehended, the Amarillo police reported.

Peace Officers Meet Tonight

Peace Officers Association of Hereford will meet at 7:30 p. m. today at Jones Restaurant, according to Kirven Roper.

Seldon Hale, an Amarillo attorney, is scheduled as guest speaker.

Jo Ann Wilson Dies; Services Held Wednesday

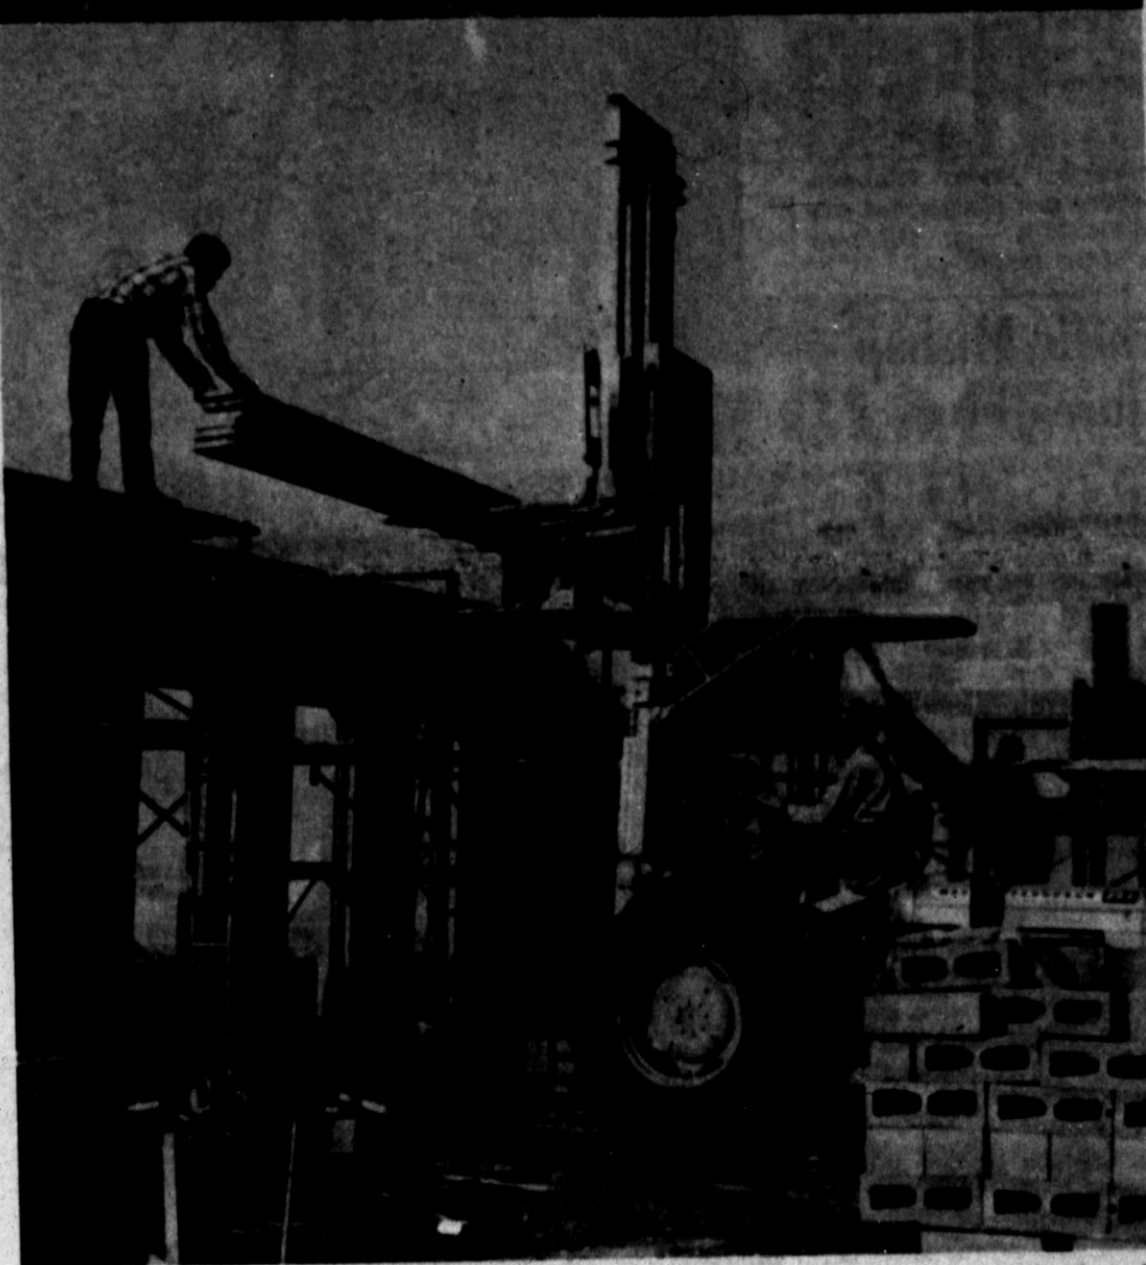

Funeral services for Mrs. Jo Ann Wilson, 36, who died at 8:20 p. m. Monday at her home, 218 N. 25 Mile Ave., were held at 2:30 p. m. Wednesday in the Avenue Baptist Church. Officiating was the Rev. Roy Corley, Portales; assisted by the Rev. Ronald Harpster of Stamford. Burial was in Rest Lawn Memorial Cemetery by Gilliland Funeral Home.

Pallbearers for the service were Harold Barton, Leonard Coffey, Andrew Wanaski, Tom Boreland, C. R. Brandon and Hubert Monroe.

Mrs. Wilson was born Dec. 30, 1932 at Abernathy and came to Hereford in 1949 from Fort Worth. She married Bonnie Wilson April 19, 1949 at Clovis.

She was a member of the Baptist Church.

Survivors include her husband; daughters Mrs. Rebecca Riffin and Miss Renee Wilson, both of Hereford; one son, Glen of Hereford; her parents, T. H. Howard of Amarillo and Mrs. Mildred Brice of Fort Worth; sisters, Mrs. Jean Boggess of Houston and Mrs. Hanelle Burshy of Fort Worth.

WORK CONTINUES — Work at the new Tierra Blanca Elementary School, located on South Lane, continues on schedule, despite recent bad weather conditions. Several of the walls of the octagon-shaped building have already been built, in addition to a considerable amount of the foundation and underground work. —Staff Photos

Defensive Strength Could Determine Friday's Winner

By MARSHALL DAY
Staff Writer

With a list of returning defensive lettermen and starters, from last year's 9-1-1 team, the Phillips Blackhawks will be attempting to prey upon the Whitefaces again this year when the two teams do battle Friday night at Whiteface Field.

While offense is the unit which puts the points on the scoreboard, Friday night's game is expected to be one for the defense as both the Whitefaces and the Blackhawks sport solid units.

Experience among their starting defensive performers will be a bright factor for the Hawks with six of last year's eleven back and ready for action. Phillips, chosen to take the crown in the tough I-AA district, will put their winning intentions with their six returners and their solid replacements, to duplicate last year's win over the Whitefaces.

In the 1968 game it was all Phillips as they took advantage of Hereford errors throughout the game and made their own breaks when the chips were down, 1968 may very well be a different year for the Blackhawks.

One-time winners in this year's fight, the Blackhawks have had little luck as far as winning goes, having fallen to Canyon and Lawton, Okla. while finally winning a game last week by defeating Memphis, 35-0.

The showing this year, despite the impressive win over the Memphis team, has dropped the Blackhawks from the area's top teams, and they will be looking to get back into the standings.

"Phillips is a big team," commented Whiteface coach Larry Wartes, "They have what is considered by many area coaches as one of the finest defensive units in the state in AA football."

"We have a good chance of beating Phillips," he added, "but they are going to, and always have, played good football, so we are going to have to be more determined and play good football ourselves."

Big names in the Phillips line-up will be Dennis Beebe, the senior quarterback who will either go to the air in attempts to hit ends Mike Young or Dick Robie, or call the ground game, going with backs Donnie Sewell or Jackie Lawson, Mike Yar-

brough, the Blackhawk's offensive wingback, poses a threat himself as he could be the target for Beebe. Yarbrough will be the only junior who will be in direct line with the scoring.

Making the holes and fending for the passer will be such names as center Gary Yoder and guards Mike Morgan and Teddy Buckland, Tackles Raymond Guest, who is the largest man on the Blackhawk team, and Roger Collins will also be expected to see a great deal of action on the offensive line during the Whiteface-Blackhawk tilt.

Experience will be the factor going for the Blackhawks, having six starters back from their defensive unit of last year. This year, in addition to having several of their starters beginning on offense, they will also see starting duties on defense. Only three of the starting offensive players will not see action when the defense takes to the field.

"The key to the game," Wartes said, "will be mistakes. The team making the fewest mistakes will more than likely win."

"If we can eliminate our own mistakes, we will come around against Phillips," he added.

Kiwanis Event Tonight

The Fellowship Hall of the First United Methodist Church is the setting for installation ceremonies and Ladies Night for the Kiwanis Club of Hereford scheduled at 7:30 tonight. Officers to be installed are Armon Lauderback, president; Bud Sparks, 1st vice-president; Pete Nash, 2nd vice-president; Don Lane, secretary; Bartley Dowell, treasurer. Division Lt. Gov. Paul Stanley of Amarillo is installing officer. Bobby Owens, out-going president, will be master of ceremonies for the event.

Third Check-in Today

Third check-in meeting of 1969 United Fund majors is scheduled at 10 a. m. today in the Hereford State Bank board room, according to drive chairman Cleo Corlis. Corlis reported he expects all majors to appear at this meeting. During the second check-in meeting last Friday, total contributions and pledges had reached \$16,992.75 — or 44.7 per cent of the \$38,000 goal.

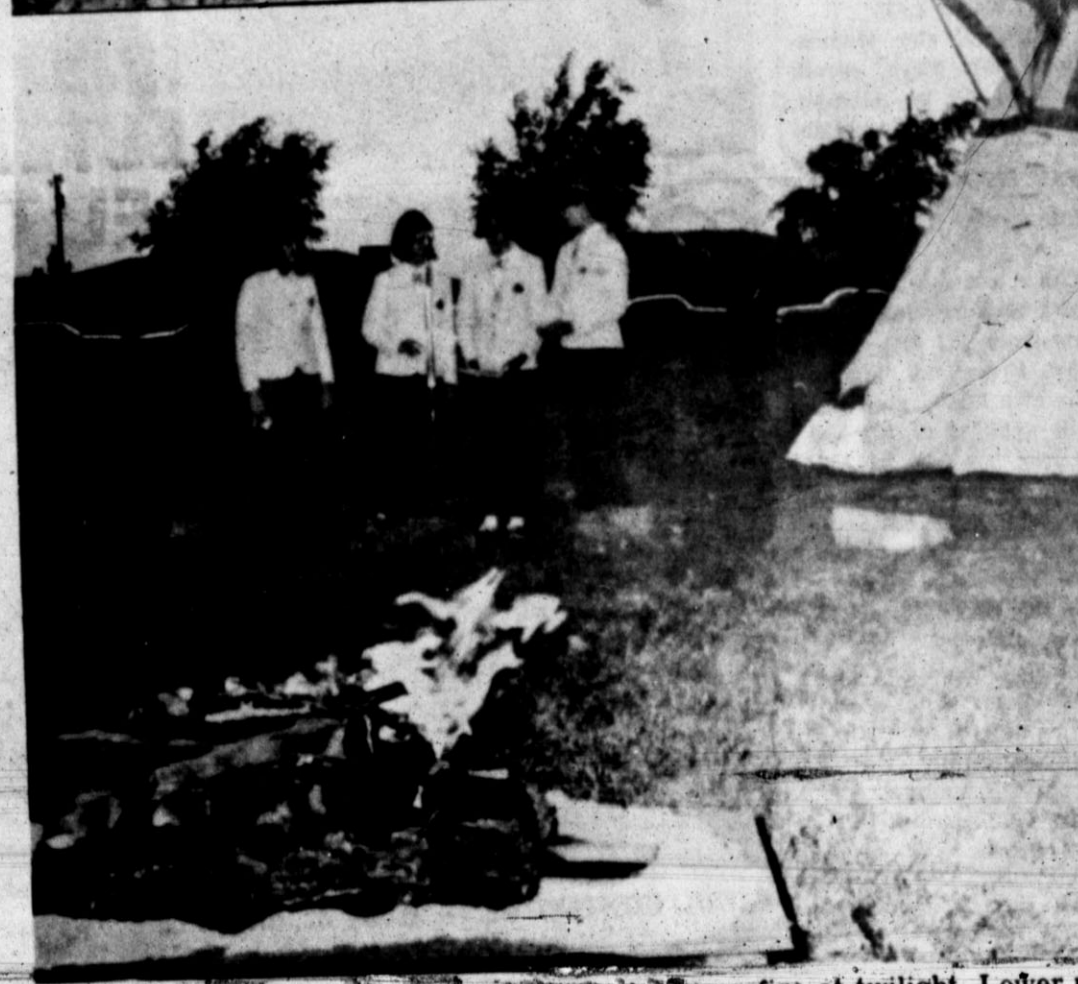

Traffic Mishap Injures Five

Five Hereford residents were injured in a two vehicle collision two miles east and one mile north of Dimmitt at approximately 1 a. m. Sunday morning. The accident occurred when a 1964 ford driven by David Clark Bogle was rammed from the rear end by a 1966 Chevrolet pickup driven by Don Spearman. Other occupants of the Spearman vehicle were Kathy Spearman, Larry Dearing, and Vicki Axe, all of Hereford. James Gilbert of the Texas Highway Patrol reported that Bogle had apparently made a quick stop after missing an intersection. Gilbert said that the Spearman vehicle rammed the car as a result of this sudden stop. All occupants of the pickup were taken to St. Anthony's Hospital in Amarillo. The two girls were listed in serious condition late Tuesday afternoon as Spearman and Dearing condition.

'BOYS' FOR CAESARS
LAS VEGAS, Nev. — "The Boys in the Band," the off-Broadway hit about a homosexual birthday party, was chosen as the first production to open the new "Caesars Roman Theatre" at Caesars Palace, the first legitimate theater in the state of Nevada. Broadway shows have been presented in Las Vegas before, but always in the hotels' main showrooms or theater-restaurants.

COUNCIL FIRE — Some two hundred Camp Fire Girls, ranging in age from second grade Bluebirds to the high school Horizon Club, participated in a Council Fire Monday evening at the Camp Fire Lodge. Top photo shows the procession as the girls approach the camp fire. Center photo shows the girls as they circled the camp fire at twilight. Lower photo shows four of the senior girls, who are called chiefs, giving the Wohelo Chaht. In the foreground is the camp fire. The tee-pee pictured was made by the girls at Camp Summer Life. They plan to make one each year to complete their village. —Staff Photos

Water Inc. Sets Future Meeting

A by-laws change giving county units of Water, Inc., official recognition will come before the executive committee and the board of directors of Water, Inc. at Friday meetings in Lubbock. The executive committee meets at 10 a. m., and the directors are slated to gather at 1:30 p. m. Both sessions will be in the meeting room at the Water, Inc., home office, 1614 Ave. Q. Even without the by-laws modification, more than 12 county units have come into being, lending their support to the continuing project aimed at finding a future water source to meet the needs of agriculture, the business community and for industrial expansion. Bill Clayton, executive director of Water, Inc., said the county units are designed as one of the most important cogs in carrying out the aims of the membership-based, non-profit organization. Clayton said that the county units will provide a forum for determining local needs and desires, as well as develop local leadership in all phases of activities leading toward fulfillment of Water, Inc., goals. Water, Inc., was organized in mid-1967 by 1,000 dedicated businessmen and agriculturalists, and stemmed from a conviction that water resources of West Texas, Eastern New Mexico and the Oklahoma Panhandle must be conserved and augmented if economic growth is to be instrumental in the inclusion of its area into the Texas Water Plan calling for importation of fresh water into the area from regions having a water surplus. The Water, Inc., board meeting will be the first since the Aug. 5 balloting which saw the water plan narrowly defeated. Reports will include an analysis of the election and a report on activities pointing toward another vote. Presiding at both the executive committee meeting and the board of directors session will be K. B. Watson of Amarillo, president of Water, Inc.

Windbreaks Help Control Wind Erosion In Area

By **JERRY ODOM**
Staff Writer
On the flat plains of the Texas Panhandle there are many times a need for some type of windbreak on the farms and ranches. J. C. Brown, local Soil and Water Conservation Agent, has stated that the best type of wind protection comes through the planting of various trees. Several agricultural businessmen of Deaf Smith County have been growing this sort of protection for the last few years and have found it very successful. J. E. Sorrells of Route 4, Hereford, has recently planted what is known as Loblolly Pine among his fences to protect his land improvements. Sorrells acquired these plants through the Tierra Blanca Soil and Water Conservation Service. Brown said, "The Soil Conservation Service is encouraging the farmers to plant these trees for their own benefit. They are shipped from Indian Mound Nursery of the Texas Forest Service in Alto, Texas. The trees are attained at a cost of \$2.50 per hundred." He said that these windbreak plants can also be ordered through the County Extension Service. Windbreaks are an asset to farms and ranches because they control snow drifts, prevent wind damage to buildings, and provide a shelter for livestock. They provide protection from north, west, and southwest winds. Brown commented, "They should be planted in a straight line pattern of a combination of north-south and east-west belt. "There should be at least one row of evergreen for winter protection," Brown said. "For good satisfactory results more than one row of trees should be planted." The distance of the windbreak should be planted from five to eight feet apart while a multi-row break should be spaced from six to ten feet. Besides the Loblolly pine, Honeylocust and Osage Orange plants are sufficient plants for windbreaks. Brown said that after planting, these trees need considerable care. They should be kept clean of all competitive weeds and will need extra water especially in the Hereford area.

PROTECTION FOR THE FUTURE — J. C. Brown, Soil Conservation Service manager, is shown kneeling beside a Loblolly Pine Tree on the J. E. Sorrells farm west of town. The tree was planted for protection of the Sorrells' home from wind in future years. —Staff Photo

Scout Den Tours City Hall Here

Cub Scouts of Den No. 1 in Hereford met last Tuesday at 4 p. m. in the home of Mrs. Leanna Walterscheid. Scout Mike Hacker honored the troop with refreshments. The Scouts went to City Hall yesterday where Lieutenant E. C. Owsley pointed out the different things which the City Hall does. Mrs. Regina Warren and Mrs. Walterscheid went with the Scouts which were Jimmy Bryant, Gary Cornelius, Mike Hacker, Robert Lindsley, Gerald Petty, David Walterscheid, and Bud Warren.

Letter To The Editor

Dear Editor:
Just a line or two to compliment you on the recent excellent stories on AFBF President Charles B. Shuman's speech in Hereford and the policy development meeting of the Deaf Smith County Farm Bureau. I was privileged to be present at the former and, in my opinion, you caught and reported all the essentials of Mr. Shuman's talk. The article you did on the PD meeting should do much to explain to your readers what the Deaf Smith County Farm Bureau is for and how it develops

Hobo Party Hosted By Rebekah Lodge Members

Mrs. Leonard Davis, noble grand of Hereford Rebekah Lodge, was hostess for a hobo party following a brief business session held Tuesday evening. Assisting Mrs. Davis with the event were Mmes. Ben Conklin, Henry Murrell and Arthur Rogers. Entertainment was furnished by Howard Manning and Mmes. Buddy Curtisinger, Sue Andrews and Roy G. Manning. Installation ceremonies were planned which are scheduled at 8 p. m. Tuesday. Both were excellent reporting jobs. Keep up the good work. Sincerely, Bill Hoover Information Director Texas Farm Bureau

Santa Fe Sets Its Dividend

The board of directors of Santa Fe Industries, Inc., has declared a quarterly dividend of forty cents per share being dividend No. 5 on the common capital stock of the company payable Dec. 1, 1969, to stockholders of record at the close of business Oct. 24, 1969.

Pre-Wedding Shower Honors Miss Beauchamp

Miss Toni Beauchamp, whose marriage to Robert H. Jones is planned for Oct. 10, was complimented by a bridal shower held Saturday in the home of Mrs. Paul Harvey.

Guests were greeted at the door by Mrs. Harvey and received by Miss Beauchamp with her mother, Mrs. Harold Beauchamp; her grandmother, Mrs. Ed Hawkins of Amarillo; and her fiancé's mother and grandmother, Mrs. W. H. Jones and Mrs. G. T. Jones.

Emerald green satin, overlaid with white net, draped the serving table which was centered with an arrangement of coral Tropicana roses secured in a crystal compote. Completing the setting were white cathedral tapers. Refreshments of cake with coffee and punch

Beef Cattle Total Rises At State Fair

DALLAS — Visitors at the opening next Saturday of the Pan-American Livestock Exposition in Dallas will see one of the greatest collections of beef cattle ever assembled at Fair Park.

Miss Lu Ann Kendall registered guests.

For the afternoon, Miss Beauchamp wore a brown and green knit frock with empire styling. She chose brown accessories and her corsage and those of the honored guests and house-party, were white carnations.

Hostesses with Mrs. Harvey for the occasion were Mmes. Hicks Roberson, Charles Laing, Marvin Kuper, Charlie Hill, Tom Blasingame, Charlie Burk, F. A. Marnell, Louis Woodward, Bill Blackwell, and H. V. Poarch.

Also Mmes. B. E. Kendall, Carl Hollingsworth, Wylie Roberson, Lloyd Pool, Ralph Sea-

Confluence Texas Culture To Meet

AUSTIN — A 15-member citizen consulting committee on the Confluence of Texan Cultures — and how to blend this concept into the public school curriculum — will meet with key Texas Education Agency staff members in Austin October 7.

The one-day meeting, scheduled to begin at 8:30 a.m. in the Agency building, 11th and Brasos Streets, will feature a series of small group work sessions in fine arts, social studies, and language development

Mrs. Eugene Fangman Crowned TOPS Queen

Crowned TOPS Queen for the month was Mrs. Eugene Fangman, whose weight loss won her the honor of a Monday evening meeting of the Hereford TOPS Club held at the Community Center.

Mrs. Donald Ferguson was runner-up with a loss of 11 1/2 pounds.

Eighteen and one-half pounds was recorded by Mrs. A. C. Brorman, reaching her weight goal and she is now a KIW.

With the exception of dairy heifers and lambs, all divisions of the junior show reflect declines from the corresponding totals of last year.

Overall Pan-American totals this year are 928 beef cattle, 377 dairy cattle, 482 swine, 320 sheep and 39 Angora goats.

Junior totals stand at 166 dairy heifers, 207 beef heifers, 479 steers, 435 lambs and 812 barrows. The junior shows and auction sales will be held October 9 through 18.

of students from cultural minorities.

Two special guests will be introduced at the opening session, Dr. Vaclav Hunacek of Charles University in Prague, and Miss Jeannine Wagner, director of Unlimited Potential in the San Antonio Independent School District.

Dr. Hunacek will be attached to the Agency staff during the 1969-70 school year as a special consultant in foreign languages and social studies. A specialist in Slavonic studies, Dr. Hunacek will work with Texas schools to increase their capability to teach both Czech language and history. His visit to Texas is sponsored by the U. S. Office of Education.

Miss Wagner will discuss intercambio de Maestros, a teacher exchange workshop between the San Antonio ISD and the teachers in Guadalupe Victoria Elementary School in Mexico City. Forty-two Texas teachers and teacher aides attended the first workshop in Mexico City held in June. The second phase was held in San Antonio in September.

Small group work sessions scheduled to begin at 10 a.m. will bring members of the Agency staff and the citizen group together in brass tacks kind of discussions. Miss Dorothy Davidson, program development director in the Department of Teacher Education an Instructional Services, and Don Irwin, fine arts program director, will lead the fine arts group. Members of the citizen committee will include Dr. Roger Abrahams and Dr. Rudolph Troike, The University of Texas

The University of Texas at Austin; Mrs. Ruth Denney, Houston ISD, and members of the Agency fine arts staff.

Dr. L. Harlan Ford, Agency assistant commissioner for teacher education and instructional services, and Miss Lois Garver, social studies program director, will work on textbook planning for Texas with three members of the citizen group and the Agency social studies staff. Committee members include Sister James Elizabeth Gonzalez, Our Lady of the Lake College in San Antonio; Henderson Shuffler and George Washington, both of the Institute of Texas Cultures in San Antonio.

Largest of group sessions, language development of students from cultural minorities, will be led by Dr. Severo Gomez, assistant commissioner for international and bilingual education, and Mrs. Mary Galvan, program director of English language arts. Representatives from the consulting committee will include Dr. Roger Abrahams and Dr. Rudolph Troike, The University of Texas

at Austin; Brother Victor Naegle, St. Mary's University in San Antonio; Dr. Earl Jones, Texas A&M University; Dr. Robert Galvan, Texas Christian University; Dr. Fred Brieve, University of Houston; and Dr. Chester Christian, The University of Texas at El Paso.

Kenneth Ginn Now In Vietnam

WITH U. S. COMBAT AIR FORCES, Vietnam — U. S. Air Force Sgt. Kenneth R. Ginn, son of Mr. and Mrs. Robert F. Ginn of 117 Fir St., Hereford, is on duty at Phu Cat AB, Vietnam.

Sergeant Ginn, an electronic power specialist in a unit of the Pacific Air Forces, previously served at Scott AFB, Ill.

A 1963 graduate of Delta (Colo.) High School, the sergeant attended Scottsbluff (Neb.) College and received his A. S. degree in 1966 from Mesa College, Grand Junction, Colo.

Adrian News

By ANN BEAVERS
Brand Correspondent

Mrs. Linda (Pinnell) Pohleiner was honored Saturday afternoon with a wedding shower in the home of Mrs. Alford Jobe. Hostesses were Mrs. Irma Burdick, Mrs. Irene Brown, Mrs. Vicki Brown, Mrs. Clara Grubhley, Mrs. Cozette Grubhley, Mrs. Naomi Kromer, Mrs. Stella Horton, Mrs. Marie Grubhley, Mrs. Alma Zaring, Mrs. Myrna Jackson, Mrs. Helen Cavin, and Mrs. Bea Fortenberry. Everyone enjoyed cake, coffee and punch. Out-of-town guests attending were Mrs. Phillip Pohlmeier and girls, Mrs. Lester Schulte, Mrs. Thomas Birkenseld and Mrs. Elizabeth Birkenseld, all of Nazareth.

Mr. and Mrs. Ed Jacobson and Mrs. Hazel Chilton left Sunday morning for Las Alamos, N. Mexico to attend the funeral on Monday for Mrs. Rexene Booth, who had died of a heart attack Thursday. She was the youngest sister of Joe Shields of Amarillo.

Charlie Pulliam spent Saturday night in Hereford with Mr. and Mrs. Bill Gilley and children.

Mrs. Billie Morell spent Sunday in Levelland with her son and family, the Frank Barkers.

Randy Harris was in Northwest Texas Hospital in Amarillo last week.

Mrs. Hazel Chilton taught school Thursday afternoon and Friday.

Mr. and Mrs. Charlie Sullivan and children were in Clarendon Friday to attend the funeral of her aunt.

Mr. Stokes and the school annual staff were in Amarillo Thursday afternoon selling ads.

Bobby Speed won third consolation prize at Las Vegas, Nev. in the air races last week.

Mr. and Mrs. Joe Speed returned from Temple where they went through Scott and White Clinic. Afterward they visited in Arlington with the Chapmans.

Mrs. Manuel Loveless and family, Mrs. Virginia Garrett and children, and the Cal Jackson family were among those who attended the boat races Sunday at Ute.

Pat Blankenship and Ted Hale attended the Administrators School Board Meeting in Austin Monday.

Caprock 4-H Club met last Wednesday and elected officers. They are president, Susan Webb vice-president, Cherrie Betts; secretary, Sherry Blankenship; treasurer, Nancy Scott; and reporter, Vickie Beavers. Others attending were Sherry and Sandra Web, Rene Moore, Dnette Travis, Susanne Rhoeback, and Elaine Whaley. There was also discussion on upcoming meetings.

Mrs. Earl Kromer of Amarillo visited Monday with the Keith Kromer family. She had returned from Ft. Worth Friday.

Susan Webb attended the Oldham County 4-H Leaders Meeting in Vega Tuesday.

Miss Robin Virginia Harwell and Richard Allen Grubhley exchanged marriage vows in a ceremony held at 8:30 p. m. on Aug. 28 in the garden of the R. R. Goldoft residence. Rev. Eugene Myrick officiated at the double ring vows.

The bride is the daughter of Mrs. Virginia Harwell of Ft. Worth, who attended the rite, and Joe Harwell of El Paso. The bridegroom is the son of Mr. and Mrs. Robert Grubhley of Adrian, who also attended the wedding.

Larry Dean was vocal soloist accompanied by Roy Wilson, organist. The couple repeated their vows under a white archway enhanced with white doves with ivy. The kneeling bench was covered in white satin and lighted white tapers in candelabra were placed at each side of the altar. White doves were used throughout the garden setting on smaller branches and in the trees.

Mr. Harwell gave his daughter in marriage. Her formal gown was of sheer, white dot-

ted swiss styled with full sweeping skirt. Alencon lace trimmed the gown and marked the Empire waistline. Her waist length veil of illusion was held by a Dior bow and she carried a single, long-stemmed red rose.

Miss Martha Jane Harwell was her sister's maid of honor. She wore an azalea pink gown of peau de soie styled with a portrait neckline. Her headpiece of illusion was in matching pink shades and she carried a single long stemmed pink rose.

Jack Alexander was the bridegroom's best man and groomsmen were Glen Martin and Sylvan Rothschild.

A reception in the garden and Goldoft home followed the rite. The three tiered cake was decorated with white and silver bells and white and silver theme was repeated in the white linen serving tablecloth which was embroidered in pale blue. A silver and crystal epergne held champagne. Members of the houseparty were Miss Lynn Goldoft and Miss Jeannie Floyd. Master Richard Miller, son of Mrs. and Mrs. Robert Miller, registered guests.

For the wedding trip to Colorado the bride wore a two-piece frock in sand beige color. The newlyweds will make their home in El Paso, where both are students at the University of Texas at El Paso.

Army Spec. 5 Jay E. Dorris, 22, son of Mr. and Mrs. Emmett Dorris of Gomerco, New Mex., recently received the Purple Heart during ceremonies in El Paso, for wounds suffered in action against hostile forces in Vietnam. He was assigned to the Medical Holding Company at William Beaumont General Hospital. His wife and daughter live in Gallup, New Mex. He received his discharge last week. He is the grandson of Mrs. Robbie Fortenberry of Adrian and Mrs. Martha Dorris of Clovis.

The junior girls Sunday School class of the First Baptist Church had a pajama party Friday night in the home of Nancy Scott. Attending were Vickie Beavers, Dixie Jobe, Sandra Webb, and Sherrie Web.

Mr. and Mrs. Wayne Sifford and Kevin and Mrs. Herm an Sifford visited in Lubbock Sunday with Mr. and Mrs. Jerry Rogers and children.

D. P. Doherty spent the weekend in Arlington, Tex., attending the Doherty-Hiett family reunion.

Mrs. Wayne Sifford of the Bippus community was one of four delegates of Deaf Smith County who attended the Texas Home Demonstration Association's 43rd annual convention held in Dallas recently.

Today and Friday, sixth weeks' tests will be given in the Adrian School.

Adrian FHA held their annual initiation in the Ag Shop Friday. Mrs. Gayle Galley is the sponsor. All of the FHA girls were present and they now have six new members: Billie Travis, Susanne Rhoeback, and Elaine Whaley. The initiation was lots of fun.

Adrian FHA annual style show is Saturday in the High School Auditorium. Tickets are \$1 for adults and 50 cents for children. Tickets may be purchased at the door. The door prize will be drawn during the show. You must be present to win.

Mr. and Mrs. Roy Jobe and children of Tucumcari spent Sunday with the Alford Jobe family.

Mrs. E. B. Pounds held an appreciation party for Mrs. Irene Brown Sunday afternoon in her home. Those attending were Mrs. Clara Grubhley, Mrs. Glenda Miller, Mrs. Kay Brown, Mrs. Jeannett Rusk, Mrs. Naomi Jobe, Mrs. Cozette Grubhley, Mrs. Nanette Boydston, Mrs. Nell Scott, Mrs. Cat Brown, Mrs. Shirley Betts, Mrs. Elizabeth Brown, Mrs. Okie Betts, and Mrs. Verla Doherty.

Mr. and Mrs. Ralph Guest visited Mr. and Mrs. W. E. Guest in Happy Sunday in honor of her 79th birthday.

Tanya Travis was home from West Texas State University over the weekend with the Don Travis family.

Mr. and Mrs. Bill Gudge and children visited in Glenrio

Sunday night with the Fred Brownlees.

Mrs. James Cadenhead and Mrs. Floyd Keller of Dalhart visited Tuesday with the R. C. Chism family.

Pat Maupin of Hereford visited Mrs. Millie Maupin and the Calvin Peters family Saturday.

Mrs. Homer Ehreshman and Mrs. Don Travis attended the Spiritual Life Retreat held Friday and Saturday in the Methodist Ceta Canyon. Barbara Summerville of Lubbock was the leader.

Mr. and Mrs. Orville Larken of Amarillo are parents of a son, Orville Nelson Larkan Jr., born Monday night in Amarillo. Maternal grandparents are Mr. and Mrs. Hardy Harris, formerly of Adrian and are now living in Aztec, New Mex.

Mr. and Mrs. C. W. Gresham

were vacationing last week in Aspermont with relatives.

Mr. and Mrs. Bob Lotspeich and boys of Hale Center spent the weekend with the George Lotspeichs. They also visited the Keith Kromers.

Dude Speed was honored with a birthday party and dance Saturday night at Simms by Mr. and Mrs. Ralph Guest and Rita Speed. Other hosts included Mr. and Mrs. Robert Lloyd, Mr. and Mrs. Gordon Moore, Mr. and Mrs. Jim Cavin.

Monday night almost all of the Adrian faculty attended the Texas State Teachers Association meeting held in Vega.

Mr. and Mr. Gene Rudisell and Aleesa of Amarillo spent the weekend with the Lynn Worthams.

Friday evening the Joe Brownlees

Commissioners Consider Retirement

Deaf Smith County Commissioners Court in special session Wednesday afternoon heard a description of the Texas County and District Retirement System which would include all county employees (other than those employed at Deaf Smith County Hospital) and reported they were "considering seriously" entering into the plan along with

117 other Texas counties to date. The commissioners pointed out that no official motion can be made on the matter until their next regular session on Monday, Oct. 13.

TCDRS director J. Robert Brown of Austin discussed the matter with them for more than 90 minutes. He said that each county subdivision may prescribe an initial deposit rate ranging from 4 per cent to 7 per cent of current monthly earnings of its employees, and contributions are based on that rate times actual earnings up to the maximum earnings amount specified by the governing body. The county matches this amount with the employee.

Brown said if an employee's job is terminated for any reason, he may withdraw the entire amount of his accumulated de-

posits plus interest earned. Prior service credit is also granted for all service rendered by a member in a participating county, he said. The county pays for all prior service credit.

Brown also stated the requirements of retirement under the plan and stated the plan does not interfere with Social Security. It also pays either a standard benefit or any one of four options, to be selected by the employee.

He also explained that the plan, similar to an annuity insurance policy, also has disability benefits.

Commissioners continued a study of the plan for some time following Brown's appearance, and reported they would act upon it at their next meeting. Also in attendance with the

commissioners was Bob David of Columbia Securities of Amarillo, who has acted as the court's financial advisor for a number of years.

VANDALISM ON RISE IN ENGLAND

LONDON — Vandals using acid, knives, darts, broken bottles, crowbars, over cleaner and powdered cement caused 3.5 million pounds (8.4 million dollars) worth of damage to cars in Britain last year, according to an Automobile Association estimate.

Gino Cappelletti of the Boston Patriots and George Blanda of the Oakland Raiders are the one-two scorers in the American Football League. They have 1,032 and 831 points, respectively.

Hereford Brand, Hereford, Texas, Thursday, October 2, 1969

Santa Fe RR And Industries Plan Merger

Santa Fe Industries, Inc., and its subsidiary, The Atchison, Topeka and Santa Fe Railway Company, have adopted a plan for Industries, the holding com-

pany, to acquire 100 per cent of the outstanding preferred and common shares of Railway. Industries now holds approximately 99 per cent of the outstanding Railway shares of each class as a result of the exchange offer made in June, 1968.

According to the plan, the present minority holders of Railway shares will receive one sha-

re of Industries common stock for each share of Railway common stock and one share of Industries \$1.50 cumulative preferred stock (convertible prior to August 1, 1968) for each share of Railway preferred stock.

Ernest S. Marsh, chairman of the board of both Industries and Railway, in announcing the actions of the boards of directors at recent meetings, said "the acquisition of 100 per cent ownership of Railway by Industries will provide desirable flexibility in corporate structuring, enabling the grouping of Railway and its subsidiaries on the most efficient basis and facilitating optimum utilization of assets and personnel."

Railway is a Kansas corporation, and Industries is a Delaware corporation. A plan such as that proposed may not be done under present Kansas law. So, in order to accomplish the plan in compliance with the

laws of both states, Railway will first be merged into a Delaware subsidiary, which in turn will be merged into a Delaware subsidiary of Industries. The plan is subject to a favorable tax ruling from the Internal Revenue Service and a favorable order from the Interstate Commerce Commission.

It is expected that the plan can be consummated early in 1970.

ANOTHER MAYOR SHOW
NEW YORK — Jimmy Walker will be the subject of a Broadway musical — "Jimmy" — with Frank Gorshin in the title role, costarring with Anita Gillette. The play, written by Melville Shavelson, with music composed by Bill and Patti Jacob, opens on Broadway this fall.

Joseph Anthony will direct and Peter Gennaro has been signed as choreographer.

African Official To Tour Hereford

LUBBOCK — South Africa's Minister of Agriculture D. C. Uys and an accompanying party will visit the Texas A&M University Agricultural Research and Extension Center north of here on Monday.

"The Minister's mission here is to learn more about grain sorghum production in Northwest Texas," reports Dr. George G. McBee, superintendent for research at the Center. "He will visit our Center from 3 to 5 p. m. during which time hear discussions on various phases of sorghum production by a number of our research scientists."

In addition to visiting the

Lubbock Center, the Minister and his party will also tour the Texas A&M Agricultural Research Station at Spar, look at feedlots in the Hereford area and tour the USDA Southwestern Great Plains Research Center at Bushland.

Uys and his party arrived in Washington, D.C. on September 16 and spent a number of days visiting with numerous officials of the USDA. Other visits have included the Agricultural Research Center at Beltsville, Md.; the University of Illinois; Omaha, Neb.; Denver; San Francisco; and Los Angeles.

Following their Texas visit, the group will travel to Guy-

man, Okla., and make stops at Pratt and Wichita, Kan.; Chicago; and Knoxville, Tenn., before returning to South Africa on Oct. 14.

"The overall objectives of the Minister's visit to the U. S. are to observe and discuss current agricultural conditions and the latest developments in agriculture," says McBee. "Particular attention is being focused on corn, wheat and grain sorghum production and cattle feeding. The Minister also wishes to observe and discuss the use of natural resources, developments in the socio-economic field, role of the USDA in providing credit to farmers, crop insurance, marketing controls and the function of a state department of agriculture."

Minister Uys will be accompanied by his wife, Secretary for Agricultural Economics and Marketing Dr. C. van der Merwe and his wife, Secretary to the Minister E. L. Conral and B. C. Davis, escort officer from Texas A&M.

FLYING SCOTSMEN
DUNS, Scotland — American organizations which have sent contributions to establish a room here to house trophies of the late Jim Clark, former world motor racing champion, include the Indianapolis Motor Speedway in Indiana, and racing organizations in Massachusetts and Connecticut.

MUSICAL "ALL ABOUT"
NEW YORK — "All About Eve" is going to be a musical and Lauren Bacall will portray Margo Channing, the role created in the movie by Bette Davis. Betty Comden and Adolph Green are doing the book and music, and lyrics are by Charles Strouse and Lee Adams, who did "Bye Bye Birdie" and "Golden Boy."

"All About Eve" will try out in Boston and Philadelphia before coming to Broadway.

As a sauce for poached salmon, add dry mustard, sugar and lemon juice to mayonnaise. Make the sauce well before serving so the flavors will mellow and blend.

WINTER SEASON

and will re-open in the

SPRING

We would like to thank all of our customers for their patronage. And would like to invite you back next spring. While we had a short season this year we will be open full force next year . . .

HOOK 'N SLICE DRIVING RANGE

By MELVIN YOUNG

This is the time of the year when you realize how silly Daylight Saving Time is. Although we appreciate the extra hours in the middle of summer, the approach of winter makes it a little difficult to jump out of bed (in the dark) and get started each morning.

But that's the way it is and it appears that Daylight Saving Time will be with us for a while longer. The time will change back to Standard Time on the last Sunday of this month.

—HB—

And since this is the first of October, you'll find yourself paying one-quarter of 1 per cent more on items coming under the general sales tax law, and many merchants will find it a little frustrating trying to figure that quarter per cent. However, the Deaf Smith County Chamber of Commerce has computed the figures and has printed a chart for the benefit of the merchants. The charts can be picked up at the Chamber of Commerce office.

And for the first time in Texas history, alcoholic beverages are included in the list of taxable items. Also going up is the tax on cigarettes, which is now 4.5 cents higher. To the consumer of average priced alcoholic beverages, the tax increase will mean this:

—Six pack of premium beer, usually \$1.35 will cost about \$1.40 and an average fifth of whiskey, costing around \$5.50 will go up to about \$5.75.

And cigarettes which range from 35 to 40 cents over the counter and 40 cents from a machine, will be taxed and additional 4.5 cents.

Since you're going to have difficulty splitting a penny, it will be a nickel. A lot of local people are wondering just how many new items have been placed under the selective sales tax law with the passage of the recent changes in the law, but apparently the state is not too concerned over the deal. No one that we have talked to has received any information whatever from the Comptrollers office. We suppose this is typical, however.

—HB—

By the way, with the number of students in colleges these days, we must say that Southwestern Bell Telephone Company really has it made. If most students are like our own daughter, the day of written correspondence is over. She prefers to pick up the telephone in her room (they all have them now) and call home—collect. Which really isn't too bad... considering that the phone bill is just slightly higher than our food bill... but it is nice to hear her voice.

I mention this for a reason of course. Penny called Tuesday night to inform us that she has been named Society Editor of the College Star, the official publication of Southwest Texas State College at San Marcos. She's quite proud of that, needless to say.

—HB—

Some of the enrollments statistics coming from colleges today scare us. We understand that the University of Texas as this year enrolled over 34,000 students and Southwest Texas State at San Marcos, which we had always considered a small school, this year enrolled over 9,400. Tech has gone over 20,000, and almost all of the state schools are showing like increases in their student load. It's easy to understand now why most of the larger institutions make it so hard for freshmen students. They intend to eliminate a certain percentage from their rolls each year. The student that plans to go to college today "just to have a ball," might as well save his tuition fee. He'll never make it.

—HB—

The Somerset (Mass.) Spectator says that a radical is a guy who can out-talk you on any subject.

Watch Weed Control Now

Now is a good time for farmers to take a look at their weed control program and evaluate herbicide results of the past season.

That word of advice comes from Dr. Bob Metzger, Extension area agronomist, and Dr. Dudley Smith, agronomist in charge of weed control research, both located at the Texas A&M University Agricultural Research Center north of Lubbock.

Some questions to be asked about this year's use of herbicides may include these:

Did I use the right herbicide at the right time for my weed problem, soil type and planting

method? Would a different application method or herbicide banding have reduced my total weed control costs? Did herbicide injury result from over-dosage, sandy soil or unusual environmental conditions, and was injury really significant later on?

Answers to these questions can tell a farmer a lot about the effectiveness of his weed control program, point out Metzger and Smith. Mistakes that were made should be pinpointed so that plans can be laid to prevent them next year.

The stage of growth of the crop and the weeds, type of weeds and soil type must be considered in selecting a herbicide as well as method of application.

Poor weed control with pre-plant herbicides usually centers around poor sprayer calibration, improper rates or poor incorporation, explain the agronomists. Good herbicide incorporation is difficult in cloddy, wet or trashy soils. Soil texture is important in determining the proper herbicide rate. Generally, lighter textured soils require lower rates than heavier soils for effective weed control.

Crop injury with the use of pre-emergence herbicides frequently occurs in lighter soils, especially when hard rains occur right after planting. Light incorporation in the top inch of soil frequently improves the performance of herbicides applied at planting. Some "experimenting" by each farmer is necessary to find the right chemical and rate for his particular weed problems and soil types, contend Metzger and Smith.

Many farmers applied post-emergence chemicals as a follow-up to control weeds missed earlier in the season and to reduce hoe costs. These herbicides are usually cheap but timing is critical to get good results. Dry, hot weather in July and August caused poor results and drift problems this year. Herbicide residues are also a problem, add the agronomists.

Some farmers may have changed herbicides this year to try to avoid crop injury from residues next year. Others may have avoided persistent herbicides but may have ended up with an expensive hoe bill or had to use persistent herbicides anyway later in the season. Planning a weed control program for each field prior to planting is a sound practice. Such a program should be based on past history and individual experience.

Weeds that are resistant to herbicides cause additional problems, point out Metzger and Smith. These include devil's claw, morning glory and annual grasses and such perennials as purple nightshade, blueweed, Johnsongrass and nutsedge. Many of these weeds are increasing in some fields since chemical weed control is taking the place of tillage. Deep breaking and special herbicide practices may be needed if these weeds become severe problems.

Every farmer should make a careful check of his 1969 weed control program to pinpoint and evaluate any mistakes made during the past season, emphasize the agronomists. Mistakes in weed control are usually costly in terms of hoe labor and yield reduction. But such errors can be avoided by planning next year's weed control program now while this year's results are still fresh at hand.

Diabetes Lay Society Meets

Amarillo Area Diabetes Lay Society will hold its regular monthly meeting on Tuesday at 7:30 p. m., at the Social Hall of Polk Street Methodist Church.

Speaker will be Dr. Ted M. McKlaus, Amarillo physician. His subject will be "Value of Exercise for Diabetics." Everyone interested in diabetes is invited to come and hear Dr. Nicklaus.

MARRIAGE LICENSE

Juan Jackson and Aurora Perez 9-9.
Carl Prickett and Idres McWhirter 9-24.

Federation Hears Welfare Changes

Mrs. Orville Smith, county welfare officer, told of state and county welfare matters and cited changes the recent vote brought about at a quarterly meet-

ing of the Deaf Smith County Federation of Women's Clubs held Tuesday. Mrs. Smith was introduced by Mrs. A. J. Schroeter, program chairman.

Hostess clubs for the occasion were Hereford Music Study Club, Garden Beautiful Club and La Afflatus Estudio Club.

The Ladies Bell Choir of the First United Methodist Church, directed by Robert Wert, pro-

vided entertainment for the group. Music was arranged by Mrs. Wert.

During a business session, the club voted to send Mrs. W. T. Carmichael, president of the DSC Clubs, to the workshop which convenes at Canadian, Oct. 21, under the direction of Top of Texas Federation directors and president.

Mrs. Carl Mountz presented a gavel to the Federation, which was made by Sank Ramey.

In a report by the project committee, Mrs. W. C. Hromas told of the purchase of 12 dozen glasses for the Community Center kitchen and reported further recommendations will be announced at the January 20 meeting.

Luncheon tables were decorated with rose arrangements.

"A Time For Remembering" will be the program topic for the January meeting hosted by Lone Star Study Club, Hereford Garden Club and Ceramic Art Club.

Jones Speaks For Grain Referendum

"Passage of the Grain Sorghum Producer's Referendum is a must in Deaf Smith County," according to State Representative Jones of Lubbock.

Jones, chairman of the Agriculture Committee of Texas House of Representatives stated, "Those of us in the state and national legislative bodies are watching to see if farmers are really concerned about their problems. If farmers are not willing to invest 5 cents per ton in working on their own problems, why should they expect the legislature to worry about them. Should farmers show enough concern to join together in finding solutions, then I can assure you that my colleagues and I stand ready to assist any way we can."

Groups who are not interested in working on their own problems receive very little sympathy from those not related directly to agriculture who are responsible for spending tax money, Jones continued. When insects, disease, and other problems need immediate attention, the legislature is usually willing to help solve them when the farmers themselves show enough concern to help with the costs.

For an example, "the boll weevil program would not have gotten off the ground if the farmers had not shown enough concern to help finance it," Jones added.

Rep. Jones stated that he was pleased with the peanut growers approving their referendum by an 84 per cent majority and looked for the grain sorghum farmers to do equally well.

For God So Loved The World

REAPING

"And they took the fruit of the land in their hands and brought it down to us." Deut. 1:25. *Isn't that just like God's children...* always ready to lend a helping hand, or to give an extra portion — all if necessary. When the crop is ripe, the reaping done and the bounties stored away, *do you ever stop to thank God?* Maybe your inventory still shows all you ever possessed. Better realize it all came from God and give back a portion. How is it right now with you and yours? It is reaping time but what will your harvest be? Do you support His cause, His church, or, are you one of the would-be self-sufficient? Why not begin right now to use your harvest to help bring in the Kingdom?

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a byproduct of the church. It is here that young and old alike are shaped with benevolence, stronger democracy, in the church the ministered are that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we who are Christians should go to the church of our choice form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

PLANTING TREES
FRANKFORT, Ky. — The Kentucky Division of Forestry hopes to increase the number of tree seedlings planted next year to 15 million.
The division says 10,000,000 seedlings were distributed this year to restock eroding land.

Argentinian sheep ranches may cover thousands of square miles, but only a few men and well-trained dogs are needed to tend the huge flocks.

If you are roasting a chicken without stuffing it, try rubbing the cavity of the bird with thyme.

Area Physicians To Attend Meet

Nationally-known physicians from the faculties of schools of medicine at Johns Hopkins, Pennsylvania State, New Jersey and Arizona universities will offer a day-long program to doctors of the Panhandle and South Plains on Saturday, Oct. 13, at the KoKo Palace in Lubbock. The annual meeting of the Panhandle District Medical Society is being opened, also, to physicians in adjoining states and other areas in Texas. It is being sponsored jointly with the Methodist Hospital Lectureship of Lubbock and the Lubbock Surgical Society.
Speakers will be Doctors George D. Zuidema, director of the Department of Surgery at Johns Hopkins; Graham H. Jeffries, chairman of the Department of Medicine at Pennsylvania State at Hershey; Eddy D. Palmer, Chief of Medicine at the VA Hospital at East Orange, N.J.; and Erie Peacock, chairman of the Department of Surgery at the University of Arizona.
Special guests at the meeting will be Dr. Charles Max Cole of Dallas, president of the Texas Medical Association; Mrs. Marvin P. Knight, president of the State Women's Auxiliary to the TMA; and Lincoln C. Williston of Austin, executive secretary of the TMA.
Approximately 200 doctors are expected to attend the scientific sessions. The annual business meeting of the District Society will be held during the noon luncheon. A social hour and buffet dinner will follow the program. Activities for wives of the doctors will include a morning hospitality hour, luncheon at the Lubbock Club and a tour of the art collection at the First National Bank of Lubbock.
Officers of the Society include president Dr. Richard Vardy of Lubbock; president-elect, Dr. L. R. Devaney of Amarillo; first vice-president, Dr. Joe R. Donaldson of Pampa; second vice-president, Dr. Jeff H. Davis of Plainview; secretary-treasurer, Dr. A. B. Goldston of Amarillo; counselor of District III, Dr. James G. Morris of Lubbock; and vice-councilor, Dr.

VOE STUDENT OF THE WEEK — Chosen as this week's Vocational Office Education student of the week is Miss Linda Vogel, 17-year-old daughter of Mr. and Mrs. Herbert Vogel, 305 Stadium Drive. Miss Vogel, who has recently moved to Hereford from Keystone, Iowa, is employed at SIC under the Vocational Office Education program. A senior at Hereford High School, she plan to attend Texas Tech and major in Home Economics and minor in business upon graduating. Miss Vogel is shown above with her supervisor, John Myers. —Staff Photo

At The Library

Story Setting In Saigon, Vietnam

At the Deaf Smith County Library this week are two novels concerning the anguish, frustration, terror, and brutality of wars without glory, turning heroes into traitors, and frightening those back home. Look into them today.

THE LEGEND
By Evelyn Anthony
The terrace, added to the original structure in the late eighteenth century, gave a splendid view over the landscaped garden on the west side of the central court. A mile-long drive led up to Buntingford itself, and green fields and woods surrounded the beautiful red-brick building rising in its traditional E-shaped symmetry, its copper-domed tower shining like a green jewel in the light of the setting sun.

Buntingford, a symbol of the order, harmony and tradition of the past, is the scene of an intensely contemporary novel of romance, international intrigue and sudden savage violence. It is there that Mary Wetherby, a lovely and vulnerable divorcee, has come to seek a kind of sanctuary, to pick up the pieces of her shattered life. And it is there that Phillip Wetherby, Mary's uncle and once a brilliant secret service bureau chief, chafes uncomfortably in the confines of retirement.

On a soft summer evening five of Wetherby's wartime colleagues assemble at Buntingford for a weekend reunion that triggers a tense story of betrayal and counter-betrayal, as Mary Wetherby struggles des-

perately in the grip of the Cold War puppet masters who would ruthlessly use her in their deadly games — at the cost of her fragile happiness and even of her life. In the tradition to The Salzburg Connection, this is a deftly plotted novel destined to bring new acclaim to the gifted author of The Rendezvous.

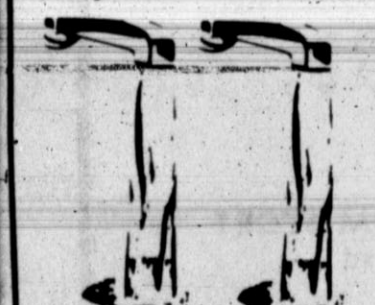

THE TRAITORS
By John Britley
Immediate, impassioned, The Traitors is unlike any other major American war novel, just as Vietnam is unlike any other American war. No other book so dramatically captures the brutality, anguish — and frustration — of a war without glory, one that turns heroes into traitors without their even realizing it.

The Traitors concerns the experience of five members of an American patrol, ambushed by the Vietcong and marched along the Ho Chi Minh Trail to a supply camp in the forests. There intensive indoctrination at the hands of an American defector — is used to persuade two of the GI's that America's

cause is immoral and unjust. The defector offers the two an opportunity to strike a real blow for their country — and free a powerful Buddhist leader held in a South Vietnamese POW camp, a man who opposes the present Saigon regime but who could help negotiate a settlement of the futile war.

The Traitors is the story of that mission — a harrowing tale involving an undercover trip to Saigon for supplies, a helicopter trip into the camp to free the leader, the emotionally charged relationship of one of the Americans with a beautiful North Vietnamese girl. Written in fast, pungent, colloquial fashion, it captures all the raw life of modern warfare, the terror for soldiers and civilians alike in a land wracked by fighting for more than twenty-five years. Yet the Traitor's honestly confronts some of the special and difficult questions raised by the war in Vietnam, questions that have deeply divided honest, dedicated men — at home, as well as on the battlefield.

HARD WATER and SOFT WATER may look alike . . .

but they are **DIFFERENT!**
Here's how to know if you have hard water
 Do you have a ring around your bathtub?
 Use harsh detergents? Fabric softeners?
 Use packaged water conditioners? Bleaches?
 Do you wear rubber gloves to do dishes?
 Is your hair "dull" after you shampoo it?
 Is your skin dry and scaly after you bathe?

Discover the difference soft water can make throughout your home. Portable Exchange Service as low as \$6.00 per month. Own a fully automatic model from just \$13.95 per month (our serviceman can install) Call and say —

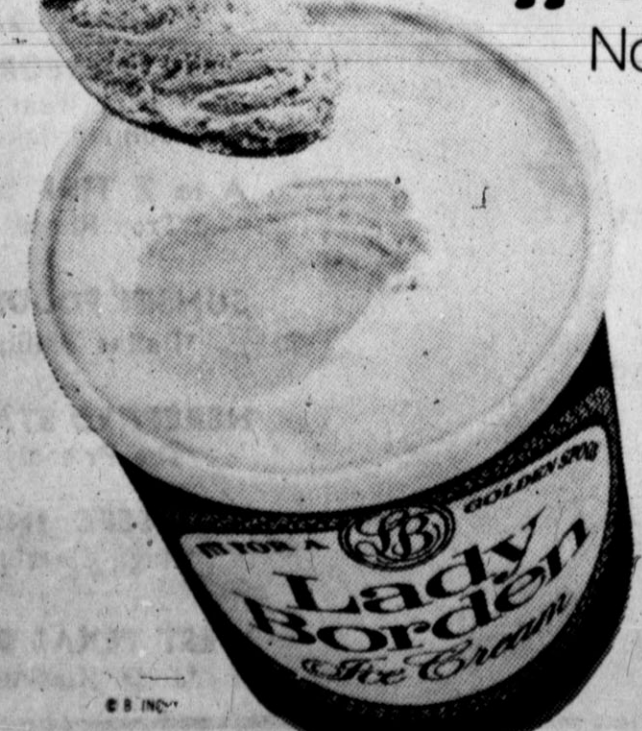

364-2002 Box 1805

Test your Lady Borden flavor resistance.

SPEED READING CLASS SET FOR HEREFORD

The famous Cutler Accelerated method of speed reading, created by Dr. Wade E. Cutler, who holds a doctorate in psychology, will be taught here in both day and evening classes.

The average person today reads some 200 words per minute with about 60 percent comprehension — a rate inadequate to cope with today's reading demands in school, college, and business.

This widely acclaimed course guarantees its graduates will read at least 1,000 words per minute with a definite increase in comprehension.

Many graduates of the nine-week program far exceed the guarantee and complete with rates of 2,500 and more words per minute with far better comprehension.

Concentration, recall, study and test-taking skills show a remarkable degree of improvement.

Such achievement means that a person can read books of average length in 45 minutes or less, and understand, remember, and enjoy them better than ever.

This remarkable accelerated reading and study course is offered here exclusively by Accelerated Education Schools with locations in major cities in Texas, New Mexico, Louisiana, and Oklahoma.

This professionally conducted course boasts over 10,000 successful graduates due to its common sense approach to better and faster reading, and to its staff of professionally qualified master teachers.

A series of meetings has been scheduled for those in the Hereford area who desire to know how they too may learn to read with greater speed, power, and efficiency.

At these free one-hour orientations, full details about speed reading and the unique Cutler Accelerated Method will be given to those forward-looking persons attending.

Since there is no cost or obligation by attending, you owe it to yourself to attend the time most convenient for you.

Drop in and find out how you can make 1969 a more successful year.

All meetings are open to the public, and will be conducted as follows:

HEREFORD COMMUNITY CENTER
Park Avenue
Sunday, September 28 at 2:30 p.m. and again at 4:30 p.m.
Tuesday, September 30 at 7:30 p.m.
Thursday, October 2 at 7:30 p.m.

Cotton Men Give Program Outline

LUBBOCK — Cotton is competing hard for its markets and is making headway through research and promotion, Howard Alford, Lubbock, reported.

He presided at a meeting of area leaders reviewing the \$13-million research and promotion program of the Cotton Producers Institute-National Cotton Council.

Nurse Seminar Scheduled For TB, Emphysema

Nurses of the Panhandle will have an opportunity to update their knowledge of respiratory disease and TB on Oct. 8, when the Top of Texas Tuberculosis Association sponsors its second annual seminar on chest diseases at the Psychiatric Pavilion of Northwest Texas Hospital in Amarillo.

Sessions will include emphysema and effects of smoking, modern TB detection, prevention and general hospital care, general respiratory failure and treatment, and spirometric breathing tests.

Speakers will include Dr. Ro-

Alford is vice president of the Cotton Producers Institute.

Carlton Power, Memphis, director of the Council's field service, and two members of his staff, Earle Younts and Pete Brown, both of Lubbock, outlined the CPI-NCC effort. The Council provides staff and facilities for developing and coordinating projects under CPI's dollar-a-bale program.

"During the first half of 1969 losses to rayon and polyester

ger Smyth of the Texas Department of Public Health, TB Control Division, in Austin. Dr. Ted Nicklaus and Dr. Loyde Hudson of Amarillo.

Registration, for which there will be no fee, will last from 8 a. m. to 9. The program will end at 3:15 p. m.

READ THE WANT-ADS TODAY

staple on the cotton system has been halted for the first time since early 1967," Power said.

Describing CPI research in detail, Younts said a durable press finish developed under the program is opening up a new opportunity for cotton in the trousers market.

Fire-retardant finishes with durable press and a fire-retardant process that makes cotton batting highly superior for cushioning also are among CPI research objectives.

"All of this means cotton is making highly promising headway in a key market with four

million bales at stake."

Other projects are concentrated on:

(1) gaining a greater share for cotton in markets for floor coverings, non-woven disposable materials, and coated fabrics; (2) increasing yields; (3) improving efficiency of herbicides and insecticides; and (4) eradicating insects and diseases.

Brown outlined promotional activity for which CPI has budgeted \$6.6 million in 1969 as compared with \$5.3 million last year. He estimated this is being virtually doubled through cooperative agreements with

manufacturers and retailers. Nearly 200 manufacturers, for example, are participating with 297 ads in 31 magazines.

"Surveys of results in the 1968 advertising campaign and of the cooperative effort where stores match CPI dollar for dollar in newspaper advertising indicated good results. The activities earned CPI the National Retail Merchants Vanguard Award for helping increase sales."

Promotion includes libraries in New York, Dallas, and Los Angeles where buyers can select from a wide range of fabrics available for the season ahead, and showings for buyers during market and press weeks.

Brown urged his listeners to demand 100 per cent cotton when buying textile products and commended the effort to get more cotton goods stocked and sold in stores.

Concluding the presentation, Power pointed to a number of developments which are "glimmers of light" for cotton: (1) trade publication stories that some mills are weighing a switch to all cottons, (2) overproduction of polyester blends resulting in a less than favor-

another **Ellis** CONVENIENCE FOODS

able profit outlook. (3) a shift by the two largest retail chains from blends back to all-cotton muslin sheets, (4) prospects for a strong comeback for cotton in the shirt market, (5) mill interest in cotton as a continuing source of raw material, (6) possibility of reasonable restraints on textile imports, and (7) an adequate supply of cotton at competitive prices.

Highlights And Sidelights

Legislative Redistricting May Force Special Session

AUSTIN, Tex. — Will legislative redistricting force another special session of the legislature this year?

Nobody knows for sure, although rumors have been hot on the subject. Observers, including Gov. Preston Smith, have indicated they doubt reapportionment will demand emergency attention of the lawmakers. Issue is before a three-judge federal court in Houston. Plaintiffs claim that population variance of 24.2 per cent between smallest and largest Texas legislative districts is discriminatory. They argue that big city House members should run by individual districts, not county-wide.

Court, in spite of some reports to the contrary, has not scheduled the case for hearing.

An Indiana case involving the validity of multi-member legislative districts is on appeal to the U. S. Supreme Court.

Governor Smith recently noted that 1970 census figures will be available in less than a year and that the new head count will provide a more reasonable basis for reapportionment than the 10-year-old census.

Filing deadline for legislative candidates is next February. So if the court is going to order immediate redistricting to affect 1970 elections, it is presumed that the decision would be handed down well before the end of this year.

Naturally the longer the court delays its decision, the closer looms the new census tabulation.

INSURANCE RAISE LIKELY — A quick decision of the State Insurance Board is expected to jack up auto insurance premiums at least 9.9 per cent.

That, in effect, was the recommendation of the governor's study committee on rates. Board originally proposed an 11.4 per cent boost. Industry wanted 5.6 per cent more than

that. A last-minute flurry of controversy raised the question as to whether the committee had been misled by exaggerated statistics on auto accidents.

Also in controversy was insurance agents' commissions. Committee recommended 8 per cent, which Chairman Price Daniel specified as "average."

Library Meet At Dimmitt

Librarians, trustees of public libraries, and others interested in community library development are invited to a workshop that will be held on Oct. 14 in the assembly room of the Castro County Courthouse, Dimmitt.

The session that begins at 9 a. m. will be devoted to record-keeping and routine administrative procedures in public libraries. The session beginning at 1 p. m. will be of particular interest to city and county officials as application for and administration of funds under Title I of the federal Library Services and Construction Act will be discussed.

This title provides services and grants for materials to enrich public library services and collections.

The workshop is being hosted by the Castro Public Library, Dimmitt, in co-operation with the Field Services Division of the Texas State Library. Austin Hoover, Texas State Library Field Consultant for West Texas, will conduct both sessions.

Center fielder Tommy Agee of the New York Mets received a reported \$60,000 bonus from the Cleveland Indians in 1961. In three subsequent years he got in only 31 games with the Indians and was traded to the Chicago White Sox.

Insurance Information Service, released a blistering attack on the committee's report. He called it not only an insult to auto insurance companies but a disservice to the insurance buying public. "There is no way," said Hammond, "that forcing companies to continue operations in the red will not eventually harm the public."

As to statistics, Hammond says that the Insurance Board does not use Department of Public Safety figures as the basis for determining costs. It uses claims paid. "DPS doesn't get reports on all accidents."

Committee has no control over what the agents receive as their commission, Hammond pointed out.

SCHOOL MONEY — Texas school board members have been hit hard in making budgets this fall, when the major part of the teacher pay raise package takes effect.

Local share of the teacher pay raises — 20 per cent — must come out of local tax revenues on property, the only source of local school funds. Texas Association of School Boards, meeting in Austin, has asked for help.

A resolution adopted at the meeting requested the Texas Education Agency to make a study as to other ways in which school districts might raise money for the local share of school operations.

SAFE DRIVING — Governor Smith says the Federal government has given the state \$1 million to help finance the State-wide Driver Education Project. Governor's Traffic Safety Fund is providing \$1.8 million for support of the program and the school districts are contributing \$4.5 million toward the remaining costs.

Smith said "last year, we reached only 36 per cent of the eligible students, but I hope that with the acceleration of the program this percentage will in-

crease until all eligible students receive this training."

CITY SALES TAX — City sales tax allocations, made by State Comptroller Robert S. Calvert, show substantial gains over the same quarter of a year ago. Cities with the tax, including 185 new ones from a year ago, received \$27.9 million compared to the \$20.8 million for the period ending June 30, 1968.

Biggest receipts were by Houston (\$6.2 million), Dallas (\$5 million), San Antonio (\$2.1 million) and Fort Worth (\$1.8 million). Income to these four cities represents well over half the state's total.

COTTON FARMS — Agriculture Commissioner John White says that Texas cotton exports "are in trouble" and urged cotton farmers to support new production and marketing techniques in attacking problems that plague the cotton farmer.

White blamed a good part of cotton's export ills on "the mechanics of our support price system — which has unwittingly allowed foreign competitors to undercut our prices a fraction of a cent in the world markets."

YOUTH EMPLOYMENT — Texas Employment Commission says 67,120 youths were hired during the 1969 Youth Opportunity Campaign in Texas, March 26-August 25.

Several years ago a summer campaign was instituted for in-school youth in the 16-22 age bracket — youngsters who either need work only during school vacations, or were out-of-school and wanted to work the year around.

There were more youth than summer jobs. TEC reports that 152,374 made new applications for jobs at TEC offices over the state.

CRIME FIGHT FUNDS ALLOCATED — Criminal Justice Council of the governor's office recommended allocation of \$165,688 in Federal funds, to be matched by state and local agencies, to fight major crimes.

Total of \$416,188 has now been disbursed from nearly \$1.1 million granted Texas under the Omnibus Crime Control and Safe Streets Act of 1968.

Programs approved were proposed by the Texas Department of Public Safety (for updating criminal records); Texas Com-

mission on Law Enforcement Officer Standards and Education (for police education and training); City of San Angelo (management, efficiency and manpower study); Concho Valley Council of Governments (for the San Angelo area law enforcement academy); Waco and the Heart of Texas Council of Governments and City of Dallas (for 90 walkie-talkie radios for patrolmen).

Council approved a fiscal 1970 planning budget of \$356,900 for regional councils. Group recommended that Smith name an information task force to supervise the development of the Criminal Justice Information System.

APPOINTMENTS ANNOUNCED — Governor Smith named El Paso District Attorney George N. Rodriguez judge of 168th district court, a newly-created position. At same time, Smith appointed Bexar County District Attorney James E. Barlow and Justice of the Peace John G. Benavides as judges of new 186th and 187th district courts in San Antonio. He picked Jamie Clayton Boyd to succeed Rodriguez as D. A. and Marvin Ted Butler of San Antonio to succeed Barlow.

Smith placed Lucien Flournoy, mayor of Alice, on the Texas Aeronautics Commission and Dr. Richard Thorp Weber of Austin and Dr. Lynden Maurice Kennedy of Dallas on the State Board of Dental Examiners.

For the new Texas Board of Private Detectives, Investigators, Patrolmen and Guard Watchmen, he selected San Antonio Police Chief George W. Bichsel, Capt. Robert Austin Crowder of Dallas, Morris A. Ruebright of Houston, Robert C. Taylor of Houston and John Mason Lankford Jr. of Fort Worth.

UNIQUE CEREMONY — It was an unusual event when Sen. Cross Cole of Houston was sworn in as President Pro Tem-

pore of the Texas Senate.

Senator Cole, who is blind, took the oath in his home town, Houston, at the Rice Hotel, which stands on the site of the first state capitol of Texas.

It was the first time in anyone's memory that a president pro tem had been sworn in away from the state capitol in Austin.

DRINK TAX DIRECTIVES OUT — Private club operators have received directives from Liquor Control Board as to how to go about collective five-cent-a-drink tax on alcoholic beverages they serve effective October 1.

Holders of permits thereafter must execute a \$1,000 bond to guarantee state collection of the service fee. Club operators must use dated customer ser-

vice tickets to record each serving. A daily count of drinks will be required, and clubs must file monthly reports to LCB on the number of servings, along with payment of amount due the state.

Procedure is similar to that employed by state comptroller for collecting sales tax. Customers pay but merchants are responsible for collecting tax and turning it over to the state.

FINDS VALUABLE TIMEPIECE — Mrs. Preston Smith discovered an old clock wrapped in papers in the basement of the Mansion, and was amazed at its age.

Inside the 7-foot-tall timepiece was a paper identifying it as having been owned by Napoleon I. Its value has been set at \$80,000 to \$100,000.

It is now being restored by the Huntsville prison workshop. **DRIVER TRAINING BONANZA** — A \$1-million federal grant will beef up the Texas driver education project which is part of the Texas Highway Safety Program.

Funds came through national highway safety bureau. Governor's traffic safety fund will provide additional \$1.8 million of support, while school districts are contributing \$4.5 million.

 G.A.'s helping at the reception were Misses Ann Bradley, Jeanne Hair, Cindy Mann, Donna Kendall, Teresa Rhoton, Rheanna Wesson, Sherry Janssen, Beverly Willis, Linda Alston, Barbara Owen, Valerie Chisholm, Vickie Keenan and Nellie Cockrum.

Funeral Mass Conducted For Virginia Pruitt

Funeral Mass for Mrs. Virginia Dell Pruitt, 334 Ave. J., who died Friday night in St. Anthony's Hospital in Amarillo, were conducted Monday morning in Sacred Heart Cathedral of Amarillo. The Rev. Joseph Tash officiated. Burial was in Memorial Park Cemetery.
 Mrs. Pruitt, 45, was born in Nazareth and married Sam Pruitt.
 Survivors include her husband; sons, Dennis Lee Pruitt, of the home, Jerry Conner of Amarillo, and Larry Conner of Hereford; daughters, Miss Carol Lynn Conner of Dallas, Cheryl Ann Pruitt and Teresa Diane Pruitt of the home; her mother, Mrs. Pete Stark of Amarillo; sisters, Mrs. Frances Gerber of UMBERGER, Mrs. Juanita Halford of Dallas, and Mrs. Helen Brown of Amarillo; brothers, J. R. Stark, Charles Stark and Wesley Stark, all of Amarillo and five grandchildren.

Broiling chicken? Give it a marinade of lemon juice and grated onion before cooking.

G.A. Coronation Observed Sunday

The First Baptist Church was the scene Sunday evening for coronation ceremonies of the Girls' Auxiliaries with eleven girls being recognized for their work in the organization.
 Mistress of ceremonies for the evening was Mrs. Harvey Penner and vocal group from the church, the Spiritual Swingers, presented special music.
 Completing requirements for queen-in-service was Miss De-

Thinking Aloud

By BARBARA SWIMMER

Boy, what a week. . . I attended the Dalhart Exes Homecoming last weekend, my old alma mater, and for a few short hours, time was turned back and we were all high school kids again. . . Now for some of us, that's pretty hard to do, but we managed.

My kids called it the old folks reunion. You know, for years I kept them fooled about my age, hinting that I was around 13, and they believed me for years until they began catching up with me and found out I had been 'around 13' several times. . . around it and around it.

I really enjoyed renewing old friendships and a few old not-so-friendlyships. . . you know it's funny, how when you go back home to those affairs, everyone seems older than you. Everyone goes around telling you you haven't changed a bit, but it's kinda hard to believe when they didn't recognize you for an hour.

I renewed a something-or-other with one ole gal, who, during our school days, always went around with the pet saying, "Oh! this has just been too much." She still had the same old saying, and to look at her, she was right, it had been too much.

Then there was the acquaintance, who was always bored with life. She gets pregnant just for something to do.

There was also the old boy that I didn't recognize until I smelled the hair tonic on his breath. I didn't even know they still made that brand.

Then there was the old principal, who at first sight, I had the impulse to kick in the shins. I hugged his neck instead and he kicked me in the shins. . . I had a good visit with several old teachers. I told them about my houseful of kids, and they were tickled to death that I am finally paying for my raising.

One teacher, who taught me chorus, (or tried her best) sat just a few chairs from me at the luncheon. We had a sing-song, throwing around some of our old favorite songs, and I was scared to death I would get thrown out. I don't think I ever made it all the way through one of her classes without being dismissed early because I sang bass instead of alto. I never did convince her that this gravel voice is for real.

During the afternoon I went by and visited a new bride, but she didn't have time to talk. . . She was busy waxing her driveway.

This is really all in jest, I really got a kick out of seeing all my old friends and enemies.

I thought I'd pass on a word of wisdom I received a few days ago from Scott-son. I was busy preparing his breakfast one morning and with a great deal of seriousness, he said, "Mother, did you know that the lack of vitamins can give you bone structure?" Now, I've never had this, but then I take my vitamins. . . I just thought you might like to know. . . Vanson, who is soft-spoken, older and so much wiser, answered him with some disgust in his voice and said, "stupid, it gives you bone conclusion. . ."

GOOD FOOD IS MY LINE

By Red Hagan

There's something mighty unattractive about solitary lunching. You know the feeling: lunch-time comes and, although you know you should eat a nourishing meal, you get by on bitter, warmed-over coffee and a peanut butter sandwich. It's little wonder that we are crabby when the evening rolls around, but you can whip up a quick, nutritious meal in a very short time, too, I've discovered. A little effort at noon will pay off big dividends in more stamina and cheerfulness later in the day. Here are a few hints: cook a little extra at other meals and put it aside for your lunches. If you pack lunches for the rest of the family, pack one for yourself too. Be sure to use your left-overs for they can be attractive when you're hungry.

CHAPARRAL RESTAURANT
 Located in Sugarland Mall

PAST MATRONS INSTALLATION — Officers for the coming year for the Order of the Eastern Star Past Matrons Club were installed in ceremonies Monday at a luncheon held at the Chaparral Restaurant. Standing left is Mrs. Audrey Thompson, installing officer and far right is Mrs. J. B. Noland, worthy matron. Others standing from the left, Mrs. Charles Noland, chairman of cheer committee; Mrs. H. L. Hershey, trea-

surer; Mrs. C. P. Worthan, president; and Mrs. O. H. Culpepper, standing in for Mrs. Johnny Sanders, vice-president. Seated are Mrs. Ethel Curry, telephone committee chairman; Mrs. Vivian Major, reporter and Mrs. Bill Hutson, secretary. Mrs. Thompson used as her theme, Praying Hands, and told each officer of her duties in office. Each officer was presented a red rosebud in the service. —Staff Photo.

Glady's Garden

By Gladys Howton Manjeot

There is never a week passes but what something exciting happens to me.

This week, it was almost a calamity!!

I was hurrying to take Art (my husband) his warm supper, and as I drove (which might have been a bit too fast) I was looking and taking note of some of the different things — those which were attractive — and the men working in the fields.

Suddenly an entire family of pheasants appeared out of a clump of grass. They started across the highway in front of me. The mother bird was leading, and the little ones were following. Then the proud papa bird came strutting, showing off his pretty colors. Before I could slacken my speed, I had hit the mother bird. And when the proud strutting papa bird saw the little ones in danger, he flew high and came down on

at their very best quality. Top prime. This is important because they take the preserving methods and look the most natural if cut at the peak of perfection.

Some flowers retain their color better than others. It has been noted that orange or yellow flowers retain their color better than others. Purple and lavender, as well as some red and rose colored flowers, are others that keep their color very well. For instance, celosia, or cockscomb, are excellent materials that retain their natural color exceptionally well.

Not only do we take note of the materials suitable for winter lasting bouquets in our flower gardens, but along the roadside, the fields, and the vegetable gardens. Many grasses, goards, okra, squash, and those things which have pods, are materials that add interest to arranging. Berried branches are also lovely in the lasting arrangements. Drying, and air-drying are some of the most used means of preserving materials.

Care should be exercised in the selection of the place where the materials are to be cured. Temperatures should not be too high, just slightly warmer than the outdoors, and where there is not very much humidity. A wire or stout cord can be stretched from wall-to-wall and on this many bunches can be hung for drying.

Grasses or any other selected materials you are planning to use for line in the arrangement, can be turned either upside down or otherwise. This will create a variance in shape and angle of stems. When dry, store in boxes, with cover.

CLEANLINESS VS. LITTER
This was a week that I drove in the alleyways more than otherwise, so that I could check on outside living areas, gardens, and litter. Some of the alleys were clean and neat, others were terrible. Usually if the front yards were clean and neat, then some of this was noted in the alleys.

The litter — it is bad, very

I was so sorry about this accident. I just couldn't even kill some of the pheasant with a gun, as I am a real conservationist, and want all the pheasants we can have in our fields and pastures.

Another episode was an encounter with a wild honey bee.

I was cutting flowers for a church arrangement, when the fellow (bee) came along and gave me to understand I was dealing with his property. I kept my clam, and as he sipped the honey from the tiny florets, I snipped the stems of the lovely spike materials.

I was making the arrangement in an old fashioned container, of milk glass, and for materials was using fall asters and digitalis. They make a very pretty blend together and are good keepers.

WINTER ARRANGEMENTS
The days quickly are passing by, and our summer flowers will soon be gone.

Through many measures we can save some of this summer beauty for our homes during the long winter days. Like the ant, who stores for winter, we too must hurry along and select some of our materials and preserve them for home decor.

With little effort, we can gather both flowers and foliage at the peak of their beauty and preserve them for our own and other's pleasure.

Now don't overlook that word Peak. Some authors term it prime. Either is well to remember. The idea is to get them.

She weighed 7 lbs. 15 oz.

The 1969 football season will be the 74th for the Big Ten.

Mrs. Henslee Earns Degree

Mrs. Merle Carmichael Henslee, daughter of Mr. and Mrs. William Troys Carmichael of Hereford, is one of 31 graduates of the Physical Therapy Program of the School of Allied Health Sciences at the University of Texas Medical Branch.

The graduation ceremonies were held at 6:30 p. m. last Saturday, in the Square Rigger Room of the Flagship Hotel. Miss Dorothy Pinkston, assistant director of the Physical Therapy Graduate Curriculum at Case Western University at Cleveland, Ohio, was the guest speaker.

Students in the 13 month program received courses in human anatomy, clinical medicine, concepts of health care, human physiology, dynamics of human motion, therapeutic concepts and procedures, and clinical education.

The school is the first of its kind in Texas, and is currently in its second year of operation. It offers degrees in medical record administration, occupational therapy, medical technology, and radiologic technology. New programs now being planned include biomedical communications, allied health science education and rehabilitation.

Mrs. Merle Henslee

Miss Bridges At Draughon's

Amarillo — Miss Ellen Bridges, daughter of Mr. and Mrs. Joe Bridges, has enrolled for fall classes at Draughon's Business College in Amarillo.

Miss Bridges is a 1969 graduate of Hereford High School.

Look Who's New

Mr. and Mrs. Jesus Esquivel are the parents of a son, Adrian Martinez, born September 3. He weighed 6 lbs. 7 oz.

Mr. and Mrs. Carlos Hernandez are the parents of a daughter, Maria Nora, born September 30. She weighed 7 lbs. 15 oz.

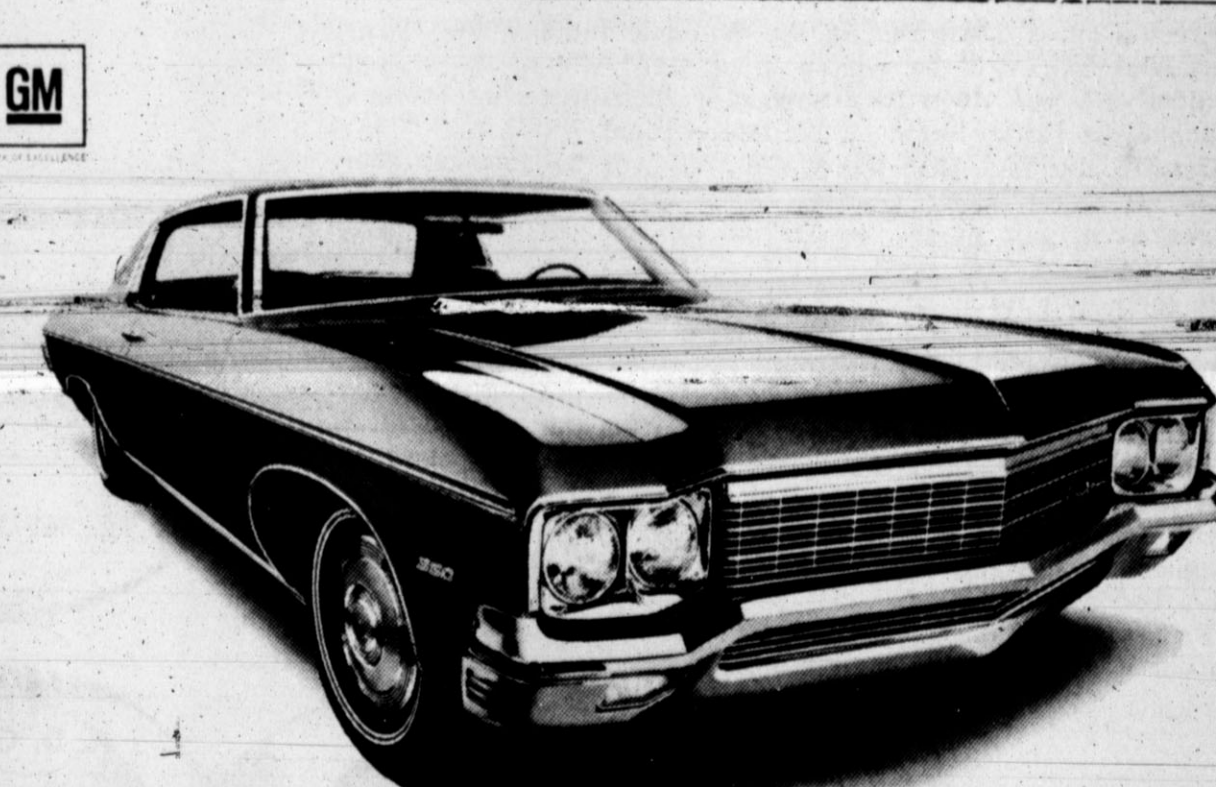

Mr. and Mrs. Charlie Marquez

are the parents of a son, Charlie Marquez, Jr., born September 30. He weighed 5 lbs. 15 oz.

Mr. and Mrs. Alvin Sauter are the parents of a daughter, Dedrie Ann, born September 27. She weighed 7 lbs. 1/2 oz.

Mr. and Mrs. David Reinart are the parents of a son, Michael Scott, born September 27. He weighed 6 lbs. 12 1/2 oz.

Mr. and Mrs. Otis McMurtrey are the parents of a daughter, Rachel Lee, born September 26.

1970 Caprice.

A lot of cars cost more. But few if any are really that much more car. Which explains why more and more of the smart money is coming to Caprice. Look what you get: A big substantial 18-foot-long prestige car with a new 350-cubic-inch V8 engine, power disc brakes, Astro Ventilation, wheel covers, deep twist carpeting, posh appointments. A remarkably roomy car, with a ride so smooth and

silent you'll feel like Mr. Big himself. Tell you what, though. If you absolutely insist on a more expensive car, we won't stand in your way. Go ahead and order air conditioning. Order stereo. Order tinted glass, power windows, 6-way power seat, our new Headlight Delay system. Your Chevrolet dealer will happily help. See him real soon. Putting you first, keeps us first.

If you spend more for a car, you must want to spend more for a car.

insightfully and unsanitary. Hereford is a town that many new people are coming to make their home. They are giving us the once-over in many ways. I am sure that the uncleanness, weeds, old cars, broken trees, litter, etc., are certainly noted.

BEAUTY SPOTS
Thank goodness I can always find something beautiful, unusual, and attractive. The roses in town are taking on new life, and are giving lovely fall bloomings.

The roses at the Lee Cocanougher home on Sunset Drive, Mrs. G. P. Owens' home on Union St., Mrs. R. W. Mitchell, Westhaven Drive, and at 117 Liveoak St.

The roses in the Memorial gardens have been so pretty. Roundelay, the lovely red rose at HHS and Miss America at the Memorial Church Garden are gorgeous.

If you are not acquainted with these, I urge you to plan now to plant some next year. The Roundelay has such sweet fragrance as well as color — and long stems — and the Miss America color is simply beautiful — a large rose with good

stem, and is a good keeper. Marigolds, both large and small are doing well this late summer. At the Edwards home at 112 Centre, the First Baptist Church, and another home I noticed (and lost the address) all have lovely marigolds. The small ones make you think of beautiful yellow butterflies. The deep brown (red-brown) are good for arranging.

The lavender and pink color scheme used in the plantings at the Herb Friemel home is very pretty, reminding of the lovely hostess of the home.

Beauty, cleanliness, good care all show at the new Highway department grounds on 25 Mile

Avenue. This has all been done in a very short time and show tender loving, thoughtful care. The flowers in bloom add a spot of bright color.

The lawns, and flowering zinnias at the Memorial Baptist Temple also are attractive and well kept.

Let us ever be mindful of the beauties around us... of the freedom and dignity in our country... and the price paid for these.

GLAD.
P. S. Our sons, husbands, and sweethearts in Vietnam do not have much, if any, beauty to look at. Yet they help us preserve ours.

ELISABETH BRUMMER TO WED — A wedding of wide interest to this community will take place Saturday when Miss Elisabeth Eleonora Brummer, daughter of Mr. and Mrs. Helge Brummer of Alfa, Halsingland, Sweden, will wed Frank Hornsey, son of Mr. and Mrs. George W. Horsey of Hull Yorkshire, England at the Newland Methodist Church in Hull. Miss Brummer was an American Field Service student in Hereford in 1956-57 and is well remembered here. Her American parents were Mr. and Mrs. M. W. Sumner. She has been teaching languages in England since last spring. Her fiance is with the police force in Hull, Yorkshire.

Surprise Housewarming Fetes The Ray Don Kings

Mr. and Mrs. Ray Don King were honored by friends Sunday evening with a surprise housewarming at their new home at 534 Willow Lane.

The honored couple was presented a money tree by friends attending.

All that remains of the famed French prison, the Bastille, is the foundation of one of the eight towers and an outline in white stones tracing the walls across the cobbles of the Place Bastille.

The 50th anniversary of the Declaration of Independence was marked by a sad coincidence. Both John Adams and Thomas Jefferson died that day.

Host couples for the occasion were the James Gentrys, the Harvey Penners and the Charles Watsons.

Refreshments of cake and coffee were served to Messrs. and Mrs. Edgar Lemons, Philip Shook, Judson Nowotny, Herschel Black, Rocky Lee, Dean Herring, Don Lane and Walker Parris.

If you've ever driven home on a soggy night and been soaked as you struggled with your garage door...

look into a **STANLEY** electric garage door opener right now.

Whenever you arrive home, the touch of a push-button transmitter in your car lifts your garage door and turns on the light for you. No more tugging and pulling at heavy doors. No more worry about the weather or the dark. Instead, the cordial greeting of an automatic welcoming committee.

HEREFORD WHITEFACES

1968 RECORD 5 WINS 6 LOSSES

Friday, OCTOBER 3

GAME TIME 8:00 P.M.

Fresh from a 200-licking of the Seminole Indians, the Hereford Whitefaces will be seeking their third win of the season against one loss when they encounter the staggering Phillips Blackhawks Friday night on Whiteface Field.

Despite the fact that the Whitefaces will be missing possible All-Stater Tony Gorman from the line-up, they will again, as in past games, be looking for their defense to give them the spark they need.

In their first three games of the season, the Whitefaces have allowed the opposition only 30 points, of which 21 came in the game against the highly regarded Plainview Bulldogs. The offense, having trouble getting their drives to go, managed to push only 36 points across in the three games.

Phillips, who handed the locals their third straight loss of the season in 1968, could very easily become the Whitefaces third victim of this year. In last year's game, the locals were plagued by mistake after mistake while Blackhawks couldn't have had a better night.

Friday night, things may be somewhat different as the locals go out with revenge in their minds.

PHILLIPS BLACKHAWKS

1968 RECORD 9 WINS 1 LOSS 1 TIE

Whitefaces Stadium EVERYONE WELCOME

Getting off to one of their poorest seasons in a good many years, the Phillips Blackhawks will be looking for a ride down Winners Lane this Friday when they are hosted by the Whitefaces in an 8 p.m. game here.

After ailing in their first two games of the season, the Blackhawks stunned the Memphis team last week, 34-0 for their first win. In their opening game of the season, the powerful 'Hawks were stunned by upsetter Canyon and the following week suffered a loss to the Lawton, Okla. team.

Defense will be the Blackhawks' key in the game Friday as they have a good many returning lettermen from last year's season. Leading the attack from the defense will be tackle Raymond Guest, who stands 6-3 and tips the scales at 210 and rangy Mike Young, a 185 pounder. Other names to watch out for will be Dick Robie at end, Neil Noland at tackle and Allen Henderson and Dwain Henderson at guard positions.

Phillips, who represented their district last year, bowed to eventual state finalist Dangerfield, and are expected to take the district crown again this year.

LET'S COOK SOMETHING

A New Tomato Stuffing

By CECILY BROWNSTONE
Associated Press Food Editor

Stuffed tomatoes are always a handsome addition to a buffet. But what should the stuffing be? If meat or poultry or seafood is to make up the buffet's main dish, the tomato stuffing should add contrast.

Here's where the following recipe comes in. The stuffing for these tomatoes is made with cooked spinach, hard-cooked egg, raw carrot and celery. To bind the stuffing and flavor it, there's a suspicion of lemon juice and half a cup of real mayonnaise.

We came upon this spinach combination in a Brazilian cookbook where it was used as a sandwich filling. But we like it best as a stuffing for the tomatoes and we think you, too.

COUNTRY-STYLE STUFFED TOMATOES
1/2 pound fresh spinach or 1

package (10 ounces) frozen chopped spinach
4 large or 6 medium tomatoes

1 teaspoon lemon juice
2 hard-cooked eggs, mashed fine
3/4 cup finely grated carrot, lightly packed
1/4 cup finely diced celery
1/2 teaspoon salt
1/4 teaspoon pepper
1/2 cup real mayonnaise

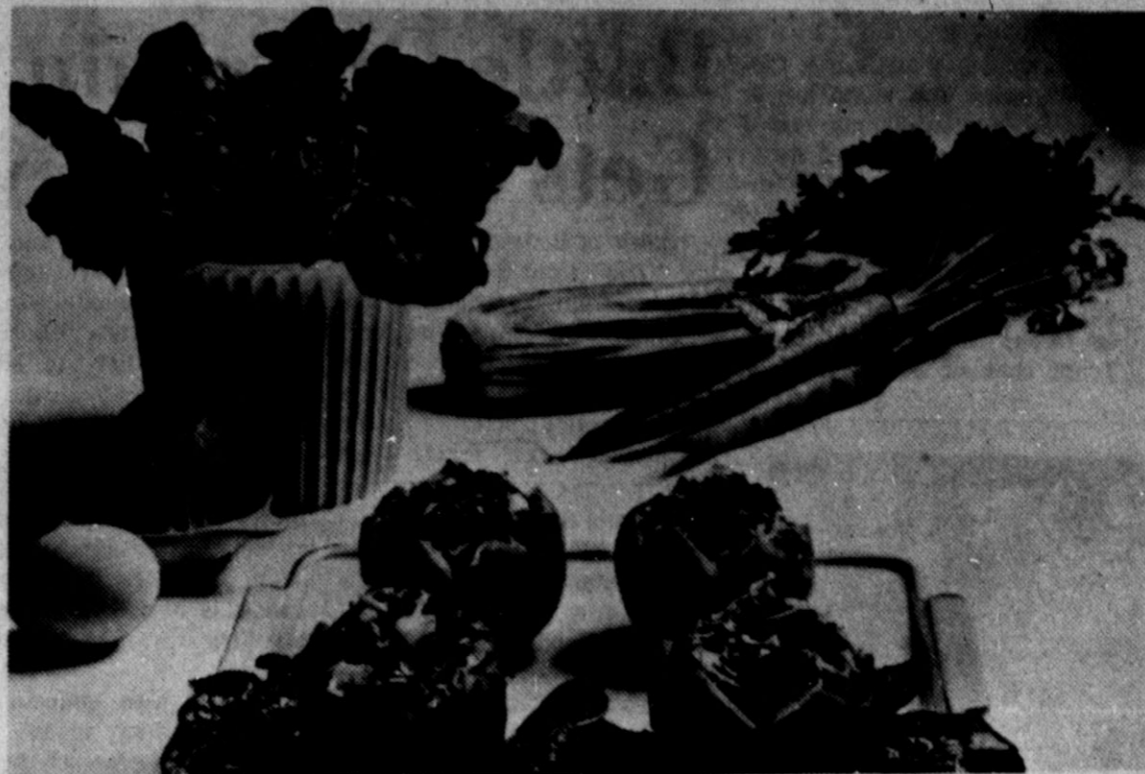

Wash the fresh spinach in cold water and cook it rapidly in the water that clings to the leaves, turning them as they wilt; drain well and chop fairly coarsely; cool. Or cook the frozen spinach according to package directions, drain well and cool. There should be about 3/4 cup spinach.

Cut a thin slice from the stem end of each tomato. With a teaspoon scoop out pulp and seeds. Turn tomato upside down to drain for about 20 minutes.

Mix together well the spinach, lemon juice, eggs, carrot, celery, salt, pepper and mayonnaise.

If you like, notch the edge of each tomato shell using a small sharp knife. Fill each tomato shell with some of the spinach mixture; there should be about 1/2 cup for each large tomato and about one-third cup for each medium tomato. Chill until serving time and then garnish with raw spinach or lettuce.

Makes 4 to 6 servings.
For stuffed petal-type tomatoes, use 6 medium tomatoes. Cut out stem ends, then turn tomatoes stem end down; cut each tomato into 6 to 8 equal sections cutting almost to bottom but not quite through. Spread tomatoes apart petal fashion and place in a lettuce cup. Fill each tomato with one-third cup of the spinach mixture. Makes 6 servings.

STUFFED TOMATOES — A new filling calls for spinach, celery, carrot and hard-cooked egg mixed with real mayonnaise and lemon juice.

Winners Named In Sunset Play

Anne Radney, with her 507, took "High Individual Series" honors and Stella Varner, with her 200, took "High Individual Game" honors in last week's Sunset Keglers pin play.

Hereford Insurance with a 26-05 was the winner of the "High Team Series" and also collected the "High Team Game" with a score of 908.

Converting splits were Doris Wilson, the 3-10; twice; Olive Welch, the 5-7; Pauline McDonald, the 5-7; Wilma Clark, the 3-10; Bonnie Baumann, the 3-10; twice; Alice Lueb, the 3-10; Dorothy Moseley, the 5-8-10; and the 5-10; and Phyllis Chaner, the 3-7-10.

Last week's results show

Rutherford and Company won 4 and lost 0; Team Number 7 won 0 and lost 4; Justice Realtors won 4 and lost 0; Hereford Welding won 0 and lost 4; Village Beauty Shop won 3 and lost 1; Jones Restaurant won 1 and lost 3; Pants Cage won 3 and lost 1; Team Number 3 won 1 and lost 3; Hereford Insurance won 3 and lost 1; and Team Number 8 won 1 and lost 3.

Standings show Justice Realtors, 15-1; Team Number 8, 12-4; Rutherford and Company, 11-5; Hereford Insurance, 11-5-1/2; Team Number 3, 8-8; Village Beauty Shop, 8-8; Jones Restaurant, 7-9; Pants Cage, 4-12; Hereford Welding, 4-12; and Team Number 7, 1/2-15-1/2.

CARD OF THANKS

We wish to express our sincere thanks and deep gratitude to the doctors, nurses and the entire hospital staff for their care and kindness during Mrs. Bolinger's recent stay in the hospital. We are also grateful for good friends — for their visits, messages of cheer, prayers and all acts of kindness.
Elder and Mrs. Bolinger

PARK IN PEACE

LOUISVILLE, Ky. — The parking lot outside a funeral home carries this warning sign: "Park At Your Own Risk."

Strips of cooked smoked tongue and Swiss cheese make a delicious addition to a tossed green salad.

Lyons, Martin Receive Honors

Awesome John Frank Martin and scrappy Richard Lyons, were named offensive and defensive "Players of the Week" in last Friday's 20-0 shut-out of the Seminole Indians.

Martin, 235-pound Whiteface back, carried the pigskin for 66 yards in the win, averaging 6.6 yards per carry to gain tokens as offensive player. The senior back also was credited with one touchdown and one point after kick while averaging 40 yards per punt on four tries.

In addition to performing well with his running and kicking, Martin was credited with several key blocks while on offense.

Lyons, who weighs in at 145 pounds and is a senior cornerback, received credit for seven unassisted tackles. From his

cornerback slot, he threw the Seminole runners for several large losses.

Orange marmalade, heated with a little butter and orange juice, makes an excellent glaze for sweet potatoes.

Kings, Queens Name Winners

L. J. Clark, who rolled a high game of 207 for the men, and Bonnie Baumann, who hit for a high game of 185 and high series of 502 for the women, took top honors for last week's Kings and Queens Bowling league action.

Coy Radney was winner of the Kings' high series as he rolled a 568.

The Cougar Club took both honors in team competition as they rolled a high team game of 801 and high team series of 2300.

Converting splits were N it a Hoffman, the 4-7-9; Leroy McDonald, the 3-10 and Emil Dettman, the 5-7.

In last week's play, Team Number 1 won 0 and lost 4; Claude Service won 1 and lost 3; Hereford Janitor Supply won 1 and lost 3; Strickland's Shell Service won 0 and lost 4; Reeves Chevrolet-Olds won 0 and lost 4; Vance Hall Sporting Goods won 4 and lost 0; Cougar Club won 3 and lost 1; Sunset Food won 4 and lost 0; Team Number 9 won 3 and

Battle Of Britain Gets Good Review

"Battle of Britain," which has lost "The" from its title and 17 minutes from its originally announced running time, has been shown for review to representatives of Boxoffice Magazine, a leading motion picture trade publication, who report that

"the mass audience, and especially the action-oriented men who will undoubtedly flock to see United Artists' 'Battle of Britain,' are likely to emerge from the theatre with the distinct impression that they have won the battle themselves."

This feature, which features Gerald Martin of Hereford Flying Service through his participation in Luftwaffe bombing scenes, is also lauded by the Boxoffice reviewer in this respect:

"Packed with eminent English actors, many in bit parts, and featuring some of the most exciting aerial photography yet seen on the Technicolor-Panavision screen, the Harry Saltzman

and Benjamin S. Fisz production does for World War II exactly the opposite of what 'Oh! What a Lovely War' does for the first international conflict; it emphasizes the heroics, plays down jingoism, and makes everybody involved, with the possible exception of Hitler, seem like hale fellows well met."

"'Oh! What a Lovely War,' also not yet shown in Hereford, is a British-made musical fantasy and according to Boxoffice, '... stands alone among pacifist films... dealing with the maniacal blunders which cost hundreds of thousands of lives in World War I.'"

"'Battle of Britain,' which is scheduled to open in Hereford on Oct. 22 on the same date as the larger cities on its U. S. premiere, now has a length of 2 hours 13 minutes and is rated for general audiences.
