TB--Disease of the Past?

By EARL MOSELEY
Staff Writer

Directors of the Top of Texas Tuberculosis Association met at Ward's Restaurant in Hereford Saturday to discuss program expansion.

Expanded program will strive to reach all school students in the Texas Panhandle and all major civic and professional groups with the Association's health education and activities.

It was decided at the meeting to purchase a "Smoking Sam" mannikin for use in public schools throughout the area. "There are too many teenagers smoking, and they are taking up the cigarette habit at earlier and earlier ages," said Association President Tom Seay. "Our job is to educate the youngsters — as well as the parents — to the dangers of tobacco addic-

tion, and that is what we're going to do."

He cited tuberculosis figures for Hereford, saying that Hereford had eighteen active cases of TB reported in 1968 as compared to seven reported cases in 1967.

"Too many people think TB is a disease of the past; TB is very much with us still," said Seay. "Texas had 3,200 new cases of reported TB in 1967. In 1968, the TB rate is up around two hundred cases."

Seay noted with regret that income from the Christmas Seal Campaign, which supports the TB Association's activities, dropped in 1968. "Fighting TB and emphysema and other respiratory diseases which cause death and disablement among our population requires money. With our expanded program co-

vering the whole Panhandle we need money more than ever," he said. "I hope people will realize what a tremendous program we are accomplishing and will see fit to support the work."

To advance modern concepts in TB control, Seay stated that a physicians symposium for all M. D.'s of the Panhandle is scheduled for April 27. Chief topic of the symposium will be "Chemoprophylaxis of Tuberculosis," which will advance the State Health Department's policy of medicating positive tuberculin reactors with INH pills for one year, in order to prevent quiescent infection from developing into active tuberculosis.

The Association's next meeting will be on June 1 in Amarillo.

DOCTOR SAYS NO — Being offered a cigarette by "Smoking Sam" at the Top Of Texas Tuberculosis Association meeting at Ward's Restaurant here Saturday, Dr. C. E. Rush, one of the directors of TOT, said that he didn't even want to be around smoke, much less smoke one himself. But he did contribute money toward the purchase of a "Smoking Sam" — which he believes demonstrates vividly the perils of smoking. —Staff Photo

Monroe Signs For Walcott

Jim Monroe, who farms 35 miles west of Hereford in the Walcott School area, has officially filed for re-election for the Walcott School Board of Trustees, according to County Judge H. C. Williams' office.

Monroe filed prior to the Tuesday deadline and will run unopposed.

The same is true of the three candidates running on the Deaf Smith County School Board. The incumbents, Robert Strain, Grant Hanna, and L. J. Strauss will have no opposition.

Today is the deadline for candidates on the Hereford Independent School District Board of Trustees. To date three candidates have filed in the election for the three posts to be vacated. They are incumbents Olin W. Paris and Hugh Clearman, with Lowell Sharp running in the spot vacated by Bill Gentry. These separate elections will be held on the same date, April 5.

Ball Drop Set Here Saturday

The ping pong ball drop began last year, will again be a part of the Sugarland Mall anniversary celebration, according to Sugarland Mall Association President Bob Spangler.

Sugarland Mall, located on 25 Mile Ave. and Thirteenth, is celebrating its third anniversary this week. All stores there are offering specials, along with the 2,000 ping pong balls which may correspond with various free prizes.

The ping pong ball drop is slated at 1 p. m. Saturday in the Mall parking area.

Spangler said, "If you were at the Mall last year for this event, you will remember that an airplane drops the 2,000 balls. Each ball will have a number, and 1,000 of those numbers will represent lucky number prizes."

Those who retrieve a ball in the mad scramble are then asked to go by each store in the Mall to check the winning numbers list. Prizes offered are gift certificates, radios, shoes, clothing, and other items of value.

Low bidder for the street sweeper was Plains Machinery Company of Amarillo, who submitted a bid of \$13,889.40 for a Mobil four-yard, four-wheel street sweeper, while Browning-Ferris Machinery Co. of Lubbock submitted a bid of \$16,745.52 on a Wayne four-yard sweeper. The city purchased the Mobil machine from Plains, without a trade-in. City Manager Dudley Bayne said Wednesday morning that the old three-wheel sweeper, now in use, would probably be sold to another city at a later date. The three-wheel sweepers are fast becoming obsolete, he said.

Funeral For Mrs. Ramey Is Conducted

The funeral of Mrs. Robert Lee Ramey, whose death occurred on her 59th birthday early Tuesday in a hospital here, was conducted Wednesday afternoon at Avenue Baptist Church, of which she was a member. The Rev. Ron Harpster, pastor, and the Rev. H. V. Fields of Grace-Gospel Church officiated.

Mrs. Ramey, who resided on Route 3, southeast of Hereford, was Nita Inez Carden before her marriage Sept. 29, 1929, in Mannsville, Okla. She was born March 4, 1910 in Lindsey, Okla. The family came to this county in 1941 from Oklahoma City.

Surviving her are her husband; three daughters, Mrs. Betty Self and Mrs. Janice Shaffer of Hereford and Mrs. Marvin L. Callahan of Big Spring; a son, Bobby Ramey of Hereford; three sisters, Mrs. R. S. Henton Mrs. John Thomas of Oklahoma City and Mrs. Marshall Drago of Purcell, Okla.

Burial was in West Park Cemetery, directed by Gilliland Funeral Home.

Cynthia Hanna Is HD Winner

Cynthia Hanna, daughter of Mr. and Mrs. Grant Hanna of Hereford, has been awarded the Helen H. Swift Scholarship in the amount of \$500, given by the Texas Home Demonstration Association, it was announced at press time.

Miss Hanna is winner of one of three awards given annually by THDA.

The councilmen also approved the report of the zoning committee as submitted. Zoning requests included one by Mary Fraser for Block 2 of Original Town of Hereford from a D to E zone, rejected; a request by Gerald Hamby for South 88.17 feet of Lot 10, Block 7, Womble Addition, from C multi-family to D local retail, approved; a request by A. M. Farmer, asking that the South 75 feet of West 140 feet of Block 13 of Ricketts Addition be changed from A residential to B residential, approved, and a request by John E. Turner to rezone part of Lot 17, Block 25 of Evans Addition from B residential to D trailer court. The Turner request was rejected.

Also, a request by N. D. Bartlett asking that all of Lots 9-24, Block 4, Stark Addition, be changed from C residential to D trailer park, which was approved; a request by J. L. Marcum to change Lot 3, West Acres Addition from B 2-family to E. central business district, approved; and a plat of South Heights Addition, submitted by Paul Schroeter, which was given tentative approval.

City Manager Dudley Bayne also reported to the Board Wednesday morning that a request by the City to the Texas Highway Department for approval of a traffic light at the intersection of Moreman St. and Highway 385 has been rejected due to lack of traffic count. Bayne had prepared and submitted to the state, a report showing the number of accidents at the intersection but apparently to no avail.

LVN Training Is Set Here

LVN Training Program has been approved for prospective students in Deaf Smith County, according to Texas Employment Commission manager Lester Rape. Starting date is set here March 31. It is a 52-week course.

Rape said the nurse's program will be for 18-year-olds and above who have at least a tenth grade education and can pass a physical examination.

He urged all local people who are interested in enrolling in this program to contact him at 364-2776 or come by the office at 700 25 Mile Ave.

Practice Makes Perfect...

By KATHY SKYPALA
Staff Writer

Approximately 1,385 hours of practice makes Trisha Hill the feature twirler at Hereford High School.

The vivacious, brown haired, brown eyed, 17-year-old senior is the daughter of Mr. and Mrs. Foster Hill of Route 1, Hereford.

Miss Hill was born in Oklahoma but lived in Higgins, Texas until she was 7 years old when the Hills moved to Hereford. The Hills live on a farm north of Hereford where Trisha practices her hobbies — twirling and cooking. She twirls every chance she gets and loves to cook anything new.

Miss Hill is the youngest of four children having two brothers, Billy, 22, who is serving in Korea, and Terry, 21, who married this past fall, and a sister, Sherrille, 19.

Besides her hobbies at home, she has several pets to take-up some of her "spare time." The Hills share their home with a pet monkey named Archie, a cat named Lucifer and five German Shepherds, Prince, Chief, Sugar, Susie and one that is nameless as of yet.

Miss Hill has participated in various activities throughout her high school career. She has been a member of student council for four years and served as class president during her sophomore year. She is presently senior class president. She is also a member of National Honor Society and has just recently been chosen as outstanding teenager from Hereford High School.

A member of band since her seventh grade year at Stanton Junior High, Miss Hill has been band twirler for five years. She has served as secretary for the band two years. She was a member of the orchestra for "Oklahoma!" playing the clarinet and is a member of the all-region band playing the saxophone.

Honors that have been placed upon her include freshman and sophomore class favorite, most intellectual and candidate for most beautiful in her senior year. Her sophomore year she was both basketball and football attendant and her senior year she was selected as homecoming queen.

With her high school activities, Miss Hill says she does not have much time for outside activities, but she is a member of Plains Presbyterian Youth sub-committee. She represents the Presbyterian church in Hereford, where she is a member. The committee is made up of youths in the Panhandle who make plans for Presbyterian youths.

Up until this summer, Miss Hill worked on the VISTA program tutoring a Latin-American boy. She commented that she really enjoyed the experience, but lack of time made it end.

Miss Hill loves to practice her hobby of twirling, so she teaches twir-

ling lessons after school. Her seven students range from 5 years to high school age.

She attended several twirling and music camps over the past years to teach her new techniques in twirling. For the past five summers, she has gone to a two-week West Texas music camp where she was selected as outstanding twirler this past summer.

The past two summers, Miss Hill has attended a camp at the University of Mississippi where she has gone mainly to observe the national and world finals in twirling. She is now in the intermediate class and lacks one trophy to be in the advance class. After achieving this honor, she will have to acquire three trophies to participate in the national finals.

Miss Hill first became interested in twirling in the sixth grade when Jerre-Bea Noland, then the feature twirler at Hereford High School, asked if she would like to learn the skill. Since then she has had only one other teacher. She has acquired most of her techniques from the camps she has attended and by practicing on her own.

Miss Hill was invited to twirl at Texas Tech in Lubbock for the Tech-Arkansas basketball game Tuesday. She hopes that this will determine if she will receive a scholarship from Tech. She said that all twirlers at Tech are there on scholarships resulting from twirling at one of the games.

In college, she says that she will either major in math or some form of Christian Education.

Summing up what she thinks of Hereford and HHS, Miss Hill said, "We are really fortunate to have the set-up we have at our school. I think a lot of the people in this town because of the things they get done. They have so much initiative. People don't really appreciate it like I do."

Beet Growers To Meet

Deaf Smith County Crops Committee and the Sugar Beet producers have invited all area sugar beet growers for a meeting 7:30 p. m. Friday at the Deaf Smith County Bull Barn, according to County Agricultural Agent Justin McBride.

McBride said a program is planned that will cover in detail all aspects of sugar beet production and pertinent research being conducted by experimental stations and the Holly Sugar Corp. Five speakers have been

announced for the meeting. "Diseases and Their Control in Sugar Beets" will be discussed by Dr. Robert Berry, plant pathologist, Agriculture Extension Service in Lubbock. "Insects and Their Control — 1969 Leaf Hopper Survey" will be handled by Lyndon Almand, entomologist of the same location.

"Fertilizer Recommendations and Research Results" is to be delivered by James Valentine, soil chemist, and "Irrigation Recommendations and Research" by irrigation

specialist Leon New, both of Lubbock.

From the Agriculture Extension Service in Amarillo, Dr. Frank Petr will give "Production Recommendations and Weed Control Research."

Witherspoon Services Held At Clovis

Funeral services for Earnest Witherspoon, 89, of Clovis, N. M., the father of James W. Witherspoon of Hereford, were conducted Wednesday afternoon in Central Baptist Church of Clovis by Dr. Carl Scott, pastor.

Mr. Witherspoon, a pioneer resident of Eastern New Mexico, died in a Clovis hospital Sunday evening after an illness of several weeks. He had lived in Curry County since 1906, when he came to the Bellview community to homestead.

Born June 1, 1879 in Chattanooga, Tenn., he married Mary Etta Stafford there in 1904. As a young homesteader he was active in organizing schools and churches, and he served four terms as a Curry County Commissioner. He was a member of Central Baptist board of deacons.

When he moved to Clovis in 1937 he was appointed to serve on the state agriculture committee under President Franklin D. Roosevelt.

In addition to the son here, he is survived by a daughter, Mrs. Ruby St. Clair of Clovis, two grandchildren and six great-grandchildren.

No School Friday

Hereford public schools are set to have a holiday Friday due to local teachers attending the Texas State Teachers Association meeting at Amarillo.

Therefore, local students are set for a long weekend. When they leave school today they will not have to return until Monday morning.

School kids believe that this day off is a fitting climax to Public School Week in Texas — at least for Hereford.

However, school was closed out here Wednesday due to snow. At press time there was still some question as to

the possible closing of schools today. But the school administrators felt that there would be possibilities that the schools would open.

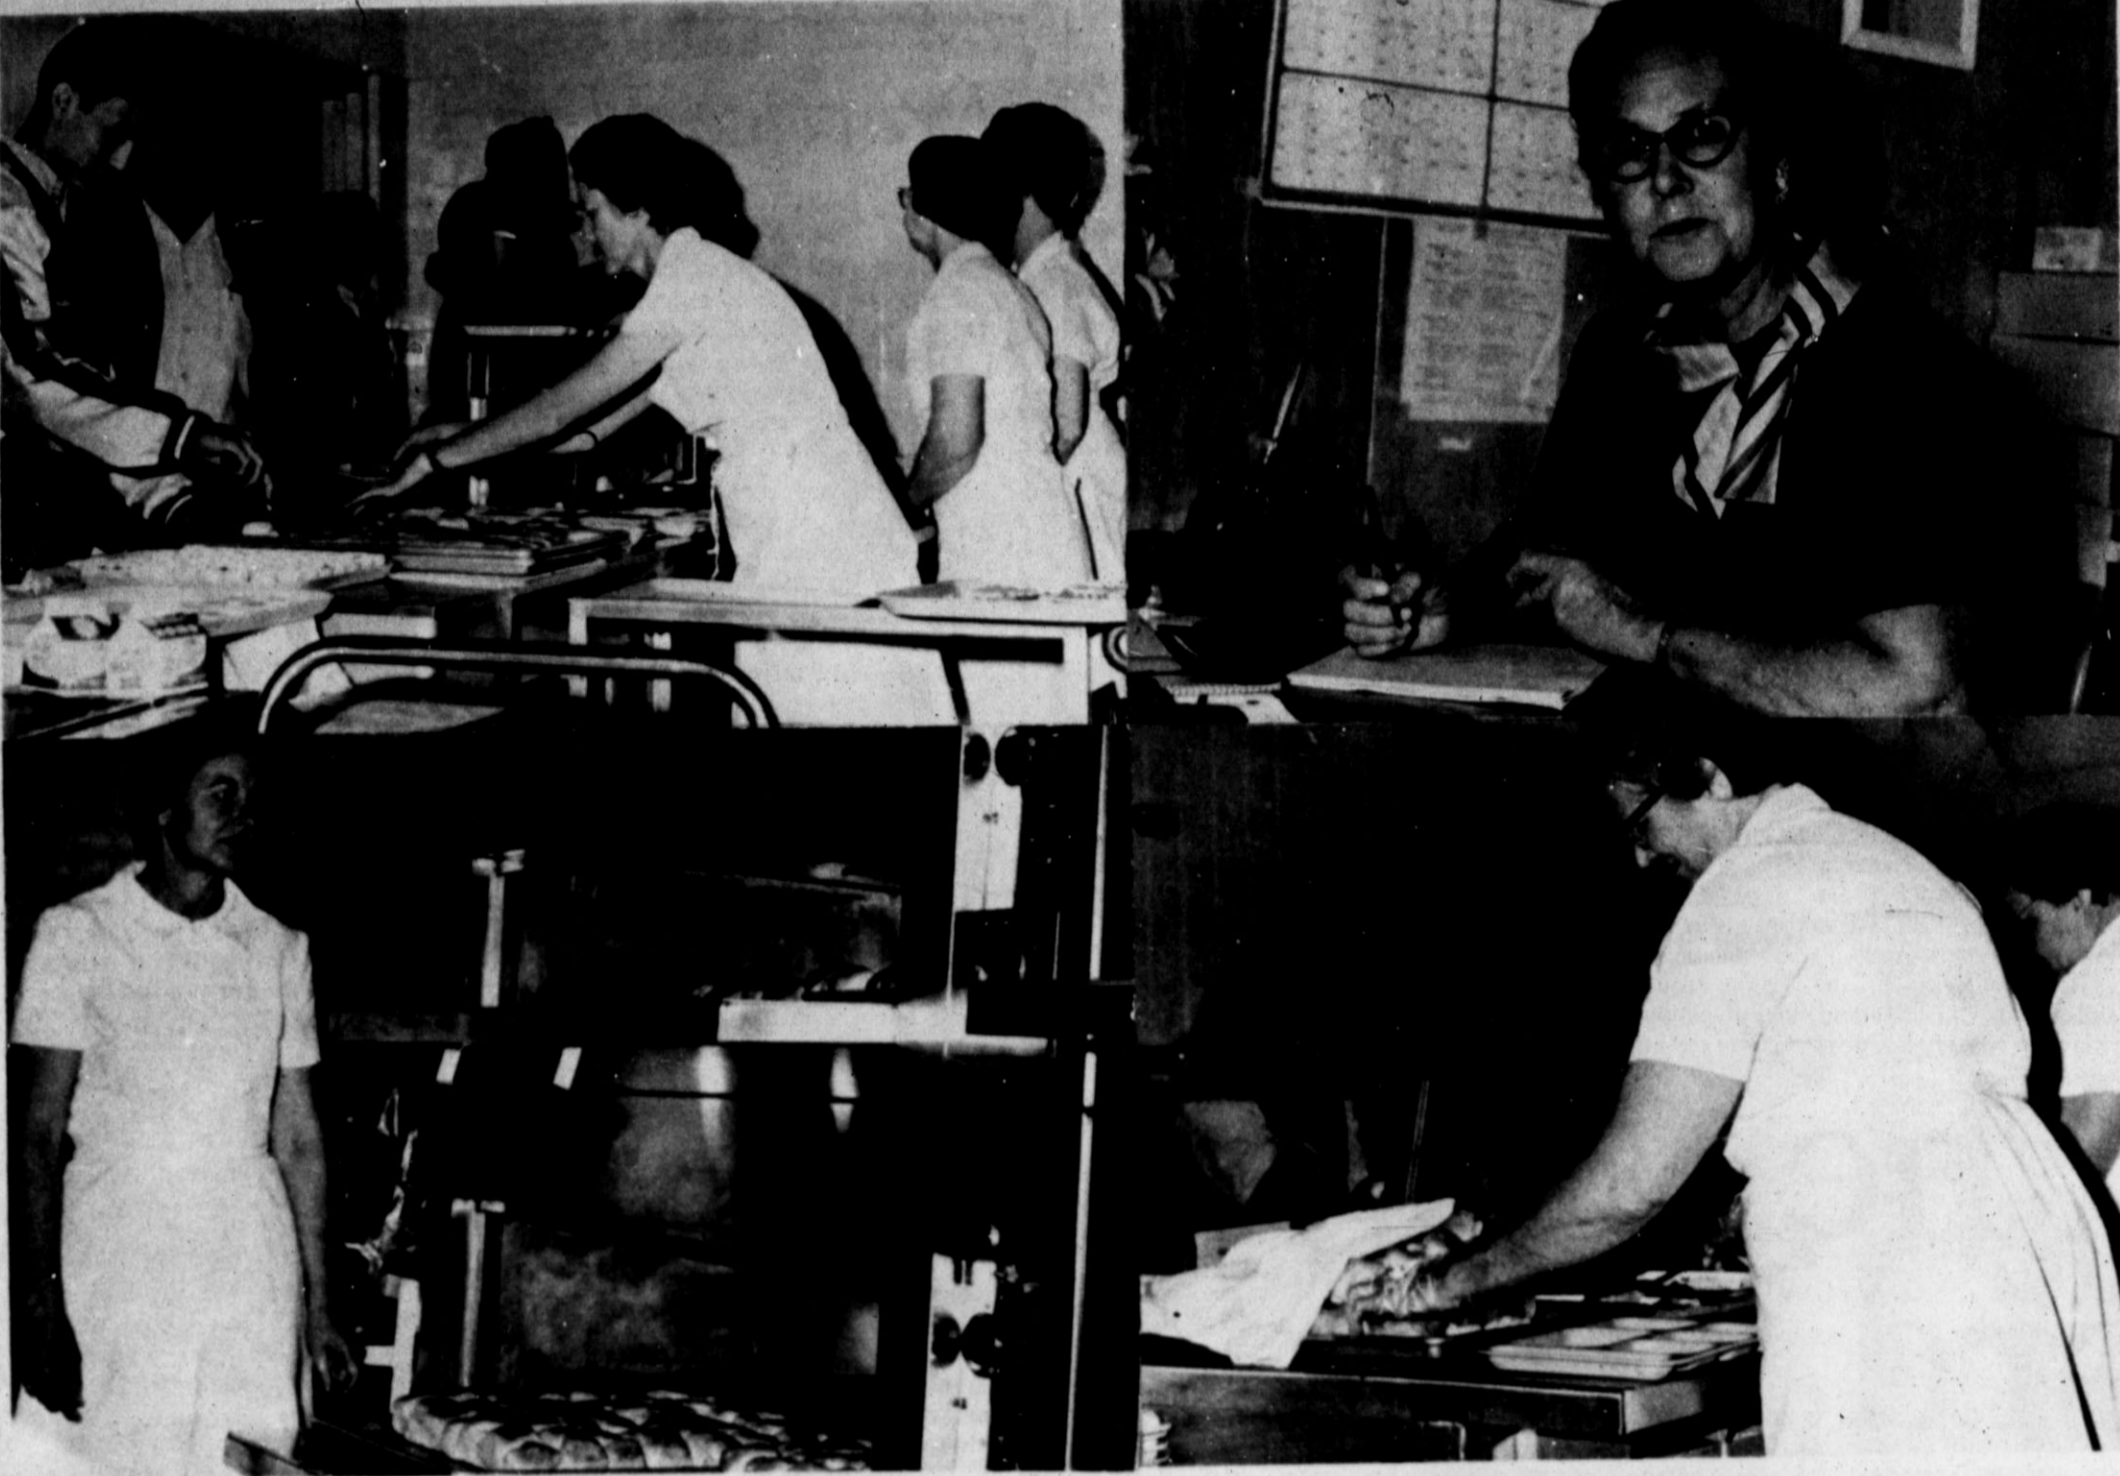

Mop & Broom Sale Friday And Saturday

Hereford Kiwanis Club-sponsored Mop and Broom Sale is scheduled for Friday and Saturday.

An annual event here, Kiwanis president Bobby Owen said that they would be on sale at the Coopers Market parking area. Also, members of the HHS Key Club and Kiwanians will canvas residential areas with their wares.

C. L. Craig's Funeral Rites Held Monday

Funeral services for Charles Lawson Craig, 67, of 116-B Centre, were conducted Monday afternoon in the chapel of First United Methodist Church at Plainview and burial was in Memorial Cemetery of that city, which was his home for many years before he moved here in June, 1967.

Mr. Craig died Saturday evening in his home. The Rev. J. Howard Crawford of Lubbock conducted the funeral, assisted by the Rev. Clifford Trotter, pastor of First United Methodist Church of Hereford. Burial

was directed by Gilliland Funeral Home.

A 40-year employe of Phillips Petroleum Co., Mr. Craig had been wholesale Phillips dealer at Plainview for 28 years. He was born July 28, 1901 at Atals and married Ruth Patching July 28, 1927 in Clayton, N.M.

He was a member of the United Methodist Church, a past chairman of the board of stewards of the Plainview church, and a 32nd Degree Mason.

Survivors are his wife; a daughter, Mrs. Bob Hamman of Hereford; a sister, Mrs. Annie B. Lott of Paris, Tex.; two brothers, Harry L. Craig of Lubbock and John R. Craig of Alice, and two grandchildren.

70,000 Lunches A Month

School Cafeterias Are Big Business In City

By EARL MOSELEY
Staff Writer

School cafeteria business has become one of the largest businesses in the country — and certainly one of the largest businesses in Hereford. Who can deny that it is one of the most important? It feeds the school children here.

During short months (February, April, September, and November), cafeteria personnel in the Hereford schools will serve between 65,000 and 70,000 lunches. Long months will have a higher total. For instance, October last year had a record of 80,191! Even January with its flu epidemic saw 66,759 student lunches served.

This vital work is done by 57 employees in seven cafeterias (Hereford High School and Stanton Junior High cafeterias are combined).

And there is another difference: Mrs. Ruby Smith, cafeteria director, stated that the help she has are simply good, old-fashioned homemakers. "They are interested in what they are doing — they love it! It is more than just working for a check to them. They all take a personal interest in the food that is pre-

pared for the students. Feeding the children is the main thing."

Hereford Independent School District Assistant Superintendent Roy Hartman reported, "These people have been most cooperative with what we are doing with the children. They are ready and willing, and they do an outstanding job. And their food is way above average — according to outside people who have eaten with us."

These same cafeteria personnel also prepare the breakfasts for students in the elementary schools.

Mrs. Smith, who has been director of Hereford cafeterias for eight years, actually started in food service 32 years ago. "I keep a record each day to see what the kids like to eat. We try to please the student. If they don't eat a certain food, we don't fix it any more." And she pointed out from her records that pizza is very popular here. On the basis of 700 to 1,000 average lunches served per day, pizza ran up a total of 1,027!

She does all the cafeteria

buying, plans the menus, hires the employees, and picks up the money for deposit — "and then I go here, yonder and everywhere."

GO BY USDA RULES

Mrs. Smith said, "What I think the parents should understand above all other things is that we have to go strictly by government rules on the matter of food preparation. There is a state and a district supervisor who make regular inspections and we have to come up to standards set by the United States Department of Agriculture and Texas. Otherwise, we wouldn't be permitted to operate."

In other words, the food and diet requirements cannot go substandard. Hereford schools have certainly not had this problem, she said.

Only Type A lunches are served in the Hereford school system lunchrooms, Mrs. Smith said. "This lunch costs the student only 35 cents in the elementary grades and 40 cents in high school, and provides a third to a half of his daily nutritional needs." The Type A lunch is a pat-

tern which all schools participating in the National School Lunch Program must follow to be eligible for the 15 cents per lunch reimbursement from the USDA.

Mrs. Smith pointed out that a Type A lunch is centered around at least a 2-ounce serving of cooked or canned lean meat, poultry, fish or cheese; or other pro-

tein-rich foods such as eggs, peanut butter and dry beans.

Deaf Smith County being in a beef cattle and agriculture area makes this program no less important.

"At least a three-fourths cup serving of raw or cooked vegetables or fruits or both surround the protein-rich

"The Army Green"

By Sfc BERT PINALES
U. S. Army Recruiter

No matter how much technological progress we make in the Army, we still fall back on old solutions to problems.

One of the problems in Vietnam has been to find an effective warning system to alert our troops when the enemy is trying to infiltrate on installations and, as a result, think they have the solution. In parts of Vietnam we are now using honking geese around the perimeters of our installations and, as a result, everybody seems to get the message when a Viet Cong infiltrator is in the area. Actually the use of geese as guards is not that novel. They were originally used by the Roman legions of Caesar's time.

A NEW MENU FOR GI'S
Soldiers at three Army posts in the United States are testing a new concept in food service.

Their daily menus include ala carte breakfasts, choice of entrees, vegetables, salads and desserts, short order meals such as pizza, "sloppy joes," chili dogs and "fish-wiches," as well as the traditional hamburgers and french fries. Also included are regional food preferences such as grits, New England boiled dinners, chili con carne and seafood platters.

It's all in an effort on the part of Uncle Sam to make dining in the Army as pleasant an experience as eating out in a first-class restaurant.

LOSE ANY MONEY?
Usually weapons, ammunition, medical supplies and food stores are discovered by American troops while searching abandoned Viet Cong positions in Vietnam. However, a new item was added to the list recently when a member of the 173rd Airborne Brigade found \$150,000 of U. S. Currency in the neat stacks of \$50 bills in a cave along the north central coast of Vietnam.

That same day a member of the same unit found \$9,000 worth of Vietnamese money (Plasters) in another cave. No one knows how the money got there or why it was abandoned.

QUESTION OF THE WEEK
How long do I have to stay in the Army to collect a pension?

A person can retire after 20 years of service at half of his monthly base pay or 30 years at two-thirds of his base

pay. For example, a typical enlisted man would retire, at today's pay scales, after 20 years with a pension of \$248.55 a month and after 30 years with a pension of \$397.80 per month.

An officer who retires after 20 years would receive, at today's rates, a pension of \$541.05 a month and after 30 years of service, a pension of \$915.40. Since it is possible to retire at a relatively early age, you can begin a civilian career and add that salary to your military pension. And, of course, you would also be eligible for social security pension.

FACTS ABOUT THE ARMY
Did you know

-That 18 USO clubs in Vietnam and Thailand serve as "home away from home" to an average of over 700,000 servicemen and women a month?

-That the top three graduates from every Officer Candidate School class can select the branch of service in which they want to be commissioned?

-That there are 17 miles of corridors in the Pentagon?

foods," Mrs. Smith explained. "For variety, we use fresh, canned, dried and frozen fruits."

She added, "Our lunches include a vitamin C food every day and a vitamin A food twice a week."

The lunch also includes at least one slice of bread or one serving of hot bread made of enriched or whole-grain cereal; at least two tablespoons of butter or fortified margarine; and at least a half pint of whole milk.

TYPE A LUNCH?
What is a Type A school lunch?

tion than how much does the lunch cost, according to Mrs. Smith.

"This shows that parents are more concerned about the nutritional needs of their children than about costs," she said.

"The Type A lunch," she explained, "is our guide to well-balanced, nutritious lunches. It was designed by the U. S. Department of Agriculture with the help of school lunch nutritionists throughout the country. When we follow this plan, we know we are supplying Hereford students with the kinds and amounts of energy-giving, body-building foods plus the vitamins and minerals they need."

Serving portions are adjusted to meet the needs of children in various age groups.

For junior and senior high school students, servings are increased or additional foods are included in the lunch to help meet energy needs, she explained.

Type A lunches are centered around a protein-rich food, usually lean meat, with vegetables and fruit that combine well with the main dish. Also, an appropriate bread, butter or fortified margarine and a half pint of whole milk are included.

What a huge shopping basket Mrs. Smith needs when she goes to buy groceries for the 4,000 students she feeds every noon! Her grocery bill runs about \$4,500 per week with local businessmen in addition to the commodities donated to the school lunchroom by the USDA.

Mrs. Smith listed an \$8,730.51 food bill last month, with salaries at \$17,000 and miscellaneous items at \$1,681.40.

NO WASTE

The HHS-Stanton cafeteria has an ala carte line, she explained - which takes care of the leftover food. "If there is something the kids didn't eat today, we immediately freeze it and use it tomorrow. It is perfectly safe. This includes hamburger, hot dogs, sandwiches, soups, salads, and desserts." Kids can go through this line and choose what they want.

"In this manner, there is no waste," she pointed out. On the USDA commodity distribution from Amarillo, she said that if they couldn't get this government surplus food, "how could we sell a meal for 35 cents and 40 cents?" She pointed out that no cafe could possibly sell for such a price.

Hartman also pointed out that the local schools are upgrading the cafeterias in the way of equipment "as fast as we can."

Moreover, no Hereford school child is in any form lacking in food and service here. They have a set policy for those students who cannot pay.

Mrs. Smith is also chairman of the food committee on the Hereford Civil Defense

Native Navajo Pastor To Talk At Church

The Rev. David McKenzie, missionary pastor of Tinian Baptist Mission at Cuba, N. M., will speak at the 11 a. m. service of Avenue Baptist Church Sunday. The public is invited to hear him.

The guest speaker has been engaged in Baptist missionary work on the Navajo Indian Reservation since 1964. He spent the first eight months at the Indian Center at Farmington, N. M., then went to the more remote area of Tinian Mission, working there and at preaching points nearby. For almost a

year he worked in an area 116 miles west of Tinian, then was called back to his present position as missionary pastor.

Himself a Navajo, he has studied at Wayland Baptist College in Plainview and Golden Gate Baptist Theological Seminary in Mills Valley, Calif. Previously he attended the New Mexico School for the Visually Handicapped and during that time he held the New Mexico wrestling championship for his weight four years.

At Tinian he conducts classes to teach the Navajos to read in their own language, and helps train leaders to teach and preach in remote parts of the 25,000-square mile Navajo reservation.

March Is Made Legion Month

By EARL MOSELEY Staff Writer

March has been officially declared American Legion Fiftieth Anniversary Month in Hereford by Mayor J. B. Pool.

Mayor Pool, who was released from the hospital Tuesday after major surgery last week, signed the proclamation at his home Wednesday where he is recuperating and "doing fine."

Presented here to the Mayor by American Legion Post 192 Commander S. T. Wiseman and other officers in the local post, it read:

Whereas, The American Legion was founded in 1919, shortly after the cessation of World War I hostilities, as an organization of wartime veterans dedicated to continuing service to God and Country; and

Whereas, The American Legion this year is observing its fiftieth year as a fraternity of service with a membership encompassing four generations of war veterans; and

Whereas, Its major contributions to American thought and deed and its endeavors to strengthen our freedom and to perpetuate our free institutions have identified The American Legion as one of the great bulwarks of the American way of life; and

Whereas, The American Legion has achieved its position of high esteem through its programs of service to community, state, and nation; and

Whereas, such programs have become an integral part of Hereford, and the local American Legion organization a civic asset; now Therefore, I, John B. Pool, Mayor of Hereford, Deaf Smith County, Texas, do hereby proclaim the month of

March, 1969, as American Legion Fiftieth Anniversary Month, and do call upon all citizens, business houses, and organizations to join with me in commending the good works of this organization as an expression of our appreciation of both the wartime and peacetime services of our Legionaires.

In witness thereof, I have hereunto set my hand and caused to be affixed the official seal of Hereford, Deaf Smith County, Texas, on this 5th day of March, 1969. (Signed) J. B. Pool, Mayor, City of Hereford. (Seal)

Gov. Preston Smith signed a similar proclamation for the State of Texas on Feb. 12.

Among the activities planned by the local American Legion post in celebration of its anniversary is a joint program of the Legion and

Auxiliary which will include a covered-dish supper at their headquarters in Veterans Memorial Park. Melvin Young is in charge of the program and has announced that Gerald Martin, operator of the Hereford Flying and Agricultural Service who appeared in the motion picture yet to be released, "The Battle of Britain," will be speaker along with the showing of slides he made while on location in Spain.

Aside from Wiseman, the other local Legionaires who witnessed the signing of Ma-

Shooting The Bull At HHS

By JANE ZINSER
"Hallelujah!" is the word at H.H.S. among all students anticipating no school tomorrow. The needed rest and leisure is welcomed by students and sympathy if offered for the faculty members who attend meetings all day.

HHS
Student Council declared this week "Teacher Appreciation Week" with it also being "Public Schools Week." Tuesday each teacher received an apple; Wednesday appreciative notes were sent to all faculty members; and today sandwiches, snacks and dip will be made available for teachers in the faculty lounge. SC members sponsored and carried out these activities. But school was closed Wednesday due to the snow.

HHS
Next Monday during activity period FHA will have a meeting for all FHA girls. The attention of the gathering will be centered around National FHA Week, March 23-30. Numerous extra activities will take place during that week, and new officers will also be elected this month.

HHS
The hidden talent of HHS will be exhibited March 20 during homeroom at the annual Red Cross talent show. The deadline for participating students to enter is March 13. Entries should be turned in to Mrs. Schumacker or Jane Bezner.

HHS
If weather permits, the Herd will play their first home baseball game with Levelland at 4 this afternoon. Last Saturday they traveled to Lubbock for their season opener, a double-header, of which they won one game. Team captains for the upcoming season are Gary Crume, Randy Ragan and Sheldon White.

HHS
Recently returning from a two-day tournament at Texas Tech, the HHS Forensics Club is preparing for another bout at Hardin-Simmons this weekend. Thirty-seven schools participated in the Tech tournament and Arvis Southward and Steve Ray placed in the semi-finals. Areas of competition are debate, informative speaking, poetry, prose and persuasive speaking.

District UIL contest will be

later in the spring.
HHS
The volleyball team traveled to Phillips Friday for a match with the Phillips girls. It was a defeat for Hereford, but the return match is this Thursday here at 6:30 p.m. A tournament is scheduled for March 13-14 in Pep and next Tuesday Muleshoe will oppose Hereford here at 6:30 p.m.

HHS
The girls and boys tennis teams played in Borger last Friday for their first competition game. The participants were Sandra Lemons and Loretta Gibson, John Stagner and Jeff Massey. The match was not won, but good experience was gained and their next match will be here against Borger on March 13.

HHS
Finally, as the seniors are looking forward to their future freedom, the juniors are getting closer to their nearing seniorhood. These feelings arose in the Jr. Class as they were getting measured for the Sr. rings Monday. A feeling of poorness also arose because a ten dollar down payment was made at that time also.

HHS
Tri-H-Y held a meeting last Thursday night, with Theo ten Have as the guest speaker. Besides Theo's program, plans were made for

cookie sales held yesterday and today at both lunch hours.

HHS
District VICA contest will be held at Amarillo soon. Auto mechanics, Cosmetology and ICT students will compete in various divisions for top honors. Area winners will journey to Dallas for

state competition.

Diamonders Split With Estacado 9

A total of 49 runs crossed the plate in the season openers for the Whiteface baseballers last weekend as they split their doubleheader with the Lubbock Estacado Matadors, winning the first tilt and losing the second.

In the first game, Estacado jumped out front in the initial frame of play when the Matador short stop walked and was brought home on a triple by their third sacker.

Hereford evened the game up in the third inning when lead-off batter Randy Ragan singled, stole second and was sent home on a double by centerfielder Gary Crume. Crume died at second as the last batter struck out to end the frame.

Estacado could not manage a score in the fourth, but Hereford exploded for nine as 14 batters went to the plate in that inning. Ragan led off with a single, was followed by another single by first baseman Jeff Loerwald and Crume follow-

ed up with another single to score two runs.

Jim Scott got a base-on-balls and Odom connected for a single to send Scott to third. With runners on first and third, Tom McGowen cracked another single to score Scott. Paul Loerwald and Sheldon White followed with singles and the order went around again for the Herd with Scott scoring the final run of the big inning on a single by McGowen.

Two runs crossed the plate for the host Matadors in the fifth, and Hereford maintained their 9-3 lead going into the sixth frame. In the sixth, Estacado picked up one run, but Hereford came up with two more for a comfortable 11-4 lead going into the final frame. Estacado then erupted for six runs in the last inning and seemed on the verge of pulling the game out of the bag, but were stopped short, 12-10.

As a team, the Whitefaces went to bat 41 times during the slugfest, getting 14 hits

for a team average of .378. Two doubles were hit, one home run, that by Crume, and two bases were stolen.

Ragan led the barrage with five trips to the plate and two hits, while Crume managed the best percentage with three-for-four. Jerry Odom and McGowen both went two-for-three.

In the second game, Hereford snatched the lead right off the bat in the first frame as Keith Duncan drew a walk, advanced two bases on a single by Keith Anderson and scored on another single by Richard Dickson. The Matadors failed to send a runner across the plate in the first inning and held the locals to none in the second, before they sent two runners over in the bottom of the second for a 2-1 edge.

Hereford managed one run in the top of the third when Donnie McDermitt drew a base-on-balls and was sent home on a double by Duncan, to tie the game up at 2-2.

Estacado's lead-off batter in the bottom of the third connected for a double, was followed by another double and then a single to score two runs and take the lead, 4-2. A base-on-balls and a winged batter put the next two diamonders on the circuit for the host team, and a home run sent the Matadors even farther ahead, 9-2. A single double and another single pushed three additional runs across the plate for a 12-2 third inning score.

Both Hereford and Estacado failed to score in the fourth frame, but the Whitefaces slipped a lone run across in the fifth on a triple by Gary Lemons, which was followed by a sacrifice by Duncan which scored Lemons.

In the sixth frame, the Whitefaces scored four runs to narrow the lead to 12-7 when McDermitt got a free pass, was followed by a single by Duncan, and both scored on a single by Lynn Betts. Jeff Loerwald made the circuit when he tripled and went home on a double by Tommy Stoy. Stoy scored on a fielder's choice.

Estacado got three runs in the final frame for the winning margin while holding the locals to five on a rally that was stopped short, 15-12.

White and Dickson went two-for-two to lead the hit parade in the second game while Duncan got two-for-five. The team batted 41 for the game as they got 14 hits on 42 trips to the plate.

Due to bad weather recently, all of this week's games were cancelled and at press time Wednesday it was unknown when the next game would be played.

Volleyballers Lose Contests

A riled bunch of Phillips Volleyballers jumped on the Hereford six last weekend, downing them 15-1 and 15-2 in a non-conference battle at Phillips.

The B teamers fell to the same onslaught as did the varsity squad, but not before winning one of their three games.

PLACING THIRD — Percy Mays, Whiteface 880'er, finishes third in his heat of the Littlefield meet last week. His time was also good enough to win him a third in the overall standings. —Staff Photo

Tracksters Take Sixth At Wildcat Invitational

Though never placing above a third in the track events and second in the field events, the Whiteface cindermen wound up with 41 points and a sixth place finish in the Wildcat Relays held last Saturday in Littlefield.

Discus man Donnie Fangman was the highest placer for the Herd in the entire meet as he garnered a second in the plate event with a toss of 136 feet two inches.

Percy Mays finished third in his heat of the 880-yard run, with a time of 2:05.5, and it was enough to secure him a third place finish in the meet, above the first place finisher in the second heat.

Adding more points to the score for the Whitefaces was the sprint relay team which placed fourth in the meet. The four-man crew, consisting of Steve McAndrews, Ric-

ky Ward, Mickey Brisendine and Jim Rakestraw, finished with a time of 45.9 as they were edged out of third by Tulia who had a time of 45.8. Winning time for the relay was 45.1.

Alan Wagner made the finals in the 120-yard high hurdles, but a mishap on the final hurdle occurred which caused him to be taken out of the finals.

Hereford had two runners make the finals in the 100-yard dash, as McAndrews finished with a fourth and Brisendine with a sixth. Jim Rakestraw tied for the final spot in the finals, and a flip of the coin gave the final lane to his competitor.

Three Whitefaces competed in the mile run, but competition was too stiff to allow a better finish than 11th by willard Black. Alvaro Cano and Johnny Hernandez also competed in the mile run.

Seminole, Tulia and Littlefield finished ahead of the local mile relay team as they garnered a fourth place in the relays. Members of the team included Marsh Pitman, Jim Head, McAndrews and Mays.

Marsh Pitman reached the finals in the 440-yard run and came in third with a time of 53.6. Winning time for the run was 52.8, by Benny Akin of Olton.

Team totals showed Olton first with 135; Seminole second with 97½; Tulia third with 66; Littlefield fourth with 55½; Hereford with their 41; Canyon with 37; Slaton with 18; and Muleshoe with two.

The next meet for the local cindermen will be Saturday when they go to Dumas. Finals in that meet will begin at 1:30 p. m.

and Queens Bowling league action as they picked up the "High Team Series" with a 2463 and the "High Team Game" with an 843.

Pauline McDonald had the "High Individual Series" with a 570 and Audine Dettman had the "High Individual Game" with a 214. In the men's division, Zuck Bauman had both the "High Individual Game" and the "High Individual Series" with scores of 236 and 610, respectively.

Picking up splits were Eluis Davis, the 3-6-7-10; Bertha Arnold, the 6-7-10; Judy Watts, the 3-7-10; Helen Arnt, Buddie Evans and Dean Robbs, the 3-10; Pauline McDonald, the 5-8; Margie Neill, the 5-8; and L. J. Clark, the 5-7.

In action last week, One Hour Martinizing won 2 and lost 2; Missouri Beef Packers won 3 and lost 1; Sunset Lanes won 1 and lost 3; Quarterhorse Club won 2 and lost 2; Farmers Elevator won 2 and lost 2; Sunset Food Center won 3 and lost 1; Vance Hall Sporting Goods won 1 and lost 3; Hereford Janitor Supply won 1 and lost 3; Cougar Club won 3 and lost 1; Powell's Mobil Service won 2 and lost 2.

Team standings show Sunset Food Center, 22-10; Hereford Janitor Supply, 22-10; Sunset Lanes, 21-11; Vance Hall Sporting Goods, 18-14; Quarterhorse Club, 18-14; Farmers Elevator, 14½-17½; Missouri Beef Packers, 14-18; Cougar Club, 13½-18½; Powell's Mobil Service, 10-22; and One Hour Martinizing, 6-26.

Golfers Win

Whiteface linksters had little difficulty in disposing of the four teams entered in the tournament here last Friday as they took top honors in the meat with a score of 336.

Clovis had the second best score for the wind-swept day as they chalked up 342 strokes while Muleshoe was third with a four-man total of 351. Dumas completed the day with a team total of 357 to take last place in the meet.

Russell Phillips led the Whiteface pack with a low score of 83 while John McNey and Wayne Stoner were both second with 84's. Accounting for the remainder of the total was an 85 by Dana Rush and Paul Hendon had an 87 for the finale for the locals.

The next meet of the season for the local linksters will be March 15 at Muleshoe. Other tournaments on tap for the golf team include Tulia, March 22; Amarillo, March 29; Hereford, April 4; Zone Playoffs, April 11; Regional at Odessa, April 18; and possibly State at Aultin, April 25.

Members of the golf team include McNey, Phillips, Hendon, Rush, Stoner, Steve Sanders, Randy Cawthon, Steve Carothers and Greg Chisholm.

Matadors lost to Meadow Saturday night at Levelland in the finals of the Class B Region 1 Basketball Tournament. The final score was Meadows 58 to the Matadors' 55. The victory by Meadow advances that club into the Class B state boys' basketball tourney later this week in Austin.

An aggressive man-to-man full court press by Meadow throughout the game hindered the Matadors and resulted in two 10-second violations against the Matadors in the second half.

The Matadors' coach Charles Sullivan were never able to gain a lead in the game and saw their season end with a 24-7 record. Meadow takes a 26-5 record into the state meet.

Joel Brownlee tallied 14 first-half points for Adrian and ended the evening with points. Loyd Jordan had 21 for Meadow.

New Book Deals With Charity

A book about people who gave up everything to live with the poor and another novel about a young architect and his lover are just two of the many new books that can be found in Deaf Smith County Library.

THE PEOPLE ON SECOND STREET, by Jenny Moore — On a hot summer's day in 1949, Jenny and Paul Moore passed through the Holland Tunnel from New York to the barren core of lower Jersey City. When they reached the rectory of Grace Church on Second Street, they found a dog dying in the front yard, an invitation to "enter His Gates With Thanksgiving" emblazoned above the gate, and sign below warning "KEEP OUT." The Moores and the two Episcopal priests who accompanied them, took down the offending sign and proceeded to open their doors — and their hearts — to the people on Second Street.

They were neither a family guidance service nor social workers, but they were there. For eight years they and their growing family lived among the poor, the hungry, the rejected, and the exploited.

"No one has to tell us that we didn't begin to change the system," Mrs. Moore writes. "Although today there are more jobs available, more housing, more telephones, cars, and better plumbing, the hard, cold, unassailable fact remains that the people on Second Street live outside that world that grows more

affluent with every turn. They are still politically powerless, groggy from television's half-truths, patronized by handouts from a grossly inefficient welfare system. We changed none of that. But we did live there as a family. We were part of that community. We had no contract to fulfill — we didn't sign up for two years to work a block and when there were parish projects we didn't calculate the amount of 'feasible participation of the poor.' We were never that efficient."

This book is the story of those eight years in that wide open rectory on Second Street years in which there was little privacy and less leisure but a great deal of love.

THE GOLDEN COLLAR. People called them the perfect couple. And by all rights the handsome architect Henry Eliot should be thrilled to be engaged to Marly Stonor. Not only is she lovely and sophisticated; she

Local People Attend Seminar

Mrs. Aleane West, D. R. Clyde E. Rush, John D. Aldin, Danny Bumpass, Eunice Vasquez, Chris Brooks, Pete Harrington, Mrs. Truman I-vie, and Terry Hale of Hereford recently attended a special seminar held on the campus of Oral Roberts University, Tulsa, Okla.

The University hosted some 500 guests at the invitational seminar held in February. Featured speakers were president Oral Roberts and several of the ORU faculty members.

is the daughter of one London's wealthiest entrepreneurs, Sir Bertram Stonor. Why is it, then, that Henry feels so uneasy and so restless, almost as if he were locked in a golden collar?

Henry's dilemma begins when Sir Bertram sends him to southern Portugal to pur-

chase a handsome piece of property as a wedding gift for his daughter. Although this is a perfect opportunity to prove himself, Henry is somehow reluctant to negotiate with the owner of the land — the magnificent Senhora Silva. In Portugal, more over, his eyes are opened to a

natural world he has never know before, and to a natural girl — the Senhora's beautiful niece.

Elizabeth Cadell has done it again with this, her twenty-third novel. And the fun is not in just learning what will happen — but in watching how it happens.

Mr., Mrs. Caldwell Home After Wedding

Mr. and Mrs. Charles Douglas Caldwell are at home at 508 Avenue J after their recent marriage in a simple ceremony in the Avenue Baptist parsonage. The Rev. Ronald Harpster, pastor, conducted the wedding service. Mrs. Caldwell is the former Miss Connie Sue Ward, daughter of Mrs. Nora Ward, 106 George, and J. N. Ward, of 208 Avenue K. The bridegroom's parents are Mr. and Mrs. W. P. Caldwell. Her uncle, Lawrence Ward, gave the bride in marriage. She was attended by Miss Malena Kelly as maid of honor, while Bobby Reed acted as best man. Miss Ward wore a pink and white dress fashioned on A-lines, with a matching duster. Costume accessories and her short veil were also in pink. A reception in the Harpster home followed the ceremony. Mrs. Harpster poured punch and Mrs. Reed served the wedding cake. It was a traditional white cake, in two tiers decorated with tiny wedding bells and topped with bride-and-groom figurines. Both the bride and bridegroom have attended Hereford schools.

La Plata Picks New Officers

Officers headed by Mrs. M. H. Richie as president were elected in LaPlata Study Club Tuesday evening, in a meeting at the home of Mrs. Raymond White. The new officers will be installed in May to serve for the 1969-70 season. Mrs. Tom Harkey was named vice president, Mrs. Larry Dippel secretary, Mrs. Pat Hughes correspondent, Mrs. Bob Sims treasurer, Mrs. Harlan Vander Zee historian-reporter. Mrs. Ansel McDowell, president this year, will become parliamentarian. European students in Hereford High School under the American Field Service program were guest speakers to the club, introduced by Mrs. Frank Prowell. Sharon Watson, whose home is in England, and Theo ten Have, from The Netherlands, each gave factual information about their countries, then talked informally about their own homes and families answered questions and showed slides. Members voted to make a contribution to the Cystic Fibrosis Foundation. A social period ended the evening, and refreshments were served. Those present included Mmes. McDowell, Philip Shook, Louis Woodford, Urlin Streu, Hughes, Jack Brown, Merle Campbell, Dippel, Harkey, J. D. Neill, Kenneth Rogers, A. J. Schroeter, Richie and Prowell. Plans were made for a guest night program March 18, in the ballroom of Community Center.

Guest Speaks To YHT On Decor For Windows

Choice of draperies for home windows, hanging and care of draperies were discussed on the program for Young Homemakers of Texas Tuesday evening when Mrs. Connie Urbanczyk was hostess in the home of her parents, Mr. and Mrs. Ray Watson. Rena Rae Newton, owner of a drapery shop here, was the guest speaker who showed pictures and samples of material to illustrate her talk. She was introduced by Mrs. Urbanczyk, program chairman. Mrs. Carlton Richardson and Mrs. Charles Weatherford served refreshments. Mrs. Mike Ranspot was welcomed as a new member and Mrs. Carl Strafus as a visitor. Members present included Mmes. Jim Culpepper, Larry Dobbs, Dorman Dugan, John Newton, Leland Shelton, Bob Spaulding, Don Howard, Mike Watts and the sponsor, Mrs. M. T. Burel-smith. At the next meeting, at 7:30 p. m. March 18 in the high school homemaking parlor, Dr. Noble L. Ballard is to be guest speaker on the subject, Sex Education For Pre-School Children.

Albracht On Dean's List

AUSTIN — Fred Albracht of Hereford has been included on the dean's list for the fall semester at St. Edward's University, according to Brother Joseph Cain, CSC, academic dean. Albracht, son of Mr. and Mrs. W. I. Albracht of Rt. 3 posted a grade-point average of 3.33 on a four-point system during the fall semester. To qualify for the dean's list a student must average at least 3.20 for no less than 12 semester hours. Albracht is a Junior majoring in math and is a graduate of Hereford High School.

Wilson Buys Food Line

CHICAGO, ILL. — Wilson & Co., Inc. has purchased for cash the Caroline Foods Division of Textron Inc., Roy V. Edwards, Wilson president and chief executive officer announced today. Caroline Foods is engaged in the broiler growing and processing business with major facilities located in the Delmarva, Virginia, and North Carolina areas. This company will be combined with the Wilson broiler operations to form a fully integrated Wilson poultry division in this rapidly growing industry.

"The management and personnel of Caroline Foods will join Wilson & Co. under the direction of Joseph A. Cooper, who formerly directed the Caroline operation and is now appointed manager of the Poultry Division of Wilson," Mr. Edwards said.

"The American appetite for poultry increases every year," Mr. Edwards said. "In just the past decade, consumption of chicken has risen 32 percent — from 28 pounds per person to 37 pounds per person in 1968. Broilers convert feed into protein meat very sufficiently. As a result, in this protein-hungry world continued expansion of broiler production and consumption is projected. "We expect this acquisition to substantially increase our profits in Wilson's poultry operations," Mr. Edwards

"After you have prepared the flowers and fillers, work from all sides, being sure to bring some flowers of foliage over the edge of the container," Mrs. Bartlett advised.

Mrs. B. E. Brumley, president, conducted the meeting. Mrs. Chester Wiggins reported a profit of \$53 on sales of flavoring. At the next meeting of the Associates on April 7 new officers will be elected.

Attending were Mmes. Bartlett, Brumley, Wiggins, J. C. Reese, Elmer Patterson and Alton Hollingsworth. Johnny Clark, Jr., Bill Devers, Jim Wood, Bob Hicks, J. C. Reese, Elmer Patterson and Alton Hollingsworth.

For higher yields and greater profits... The CROP/GUIDE Plan.

It starts with your soil. For optimum crop yields and bigger profits, skillful soil sampling and accurate soil tests are essential. That's why the CROP/GUIDE™ Plan starts with a CROP/GUIDE soil test. You'll get an intimate look at your soil—what it contains, and what it needs.

Tailored to your crops and yield goals. Your CROP/GUIDE Plan is also based on cropping history, soil type, probable moisture and yield goals. You'll get specific recommendations to put each goal within reach. Your personal CROP/GUIDE Plan always reflects the best way known to grow crops in your area.

Backed by the right analysis of CROP-MATE™ Fertilizer. CROP-MATE is a soluble combination of plant foods that is absorbed into your soil instantly. You get the proper analysis to match the exact specifications of your personalized CROP/GUIDE Plan. CROP-MATE is formulated with a special and exclusive phosphate combined with ammonia for faster plant uptake and longer-lasting availability. Application is uniform and fast.

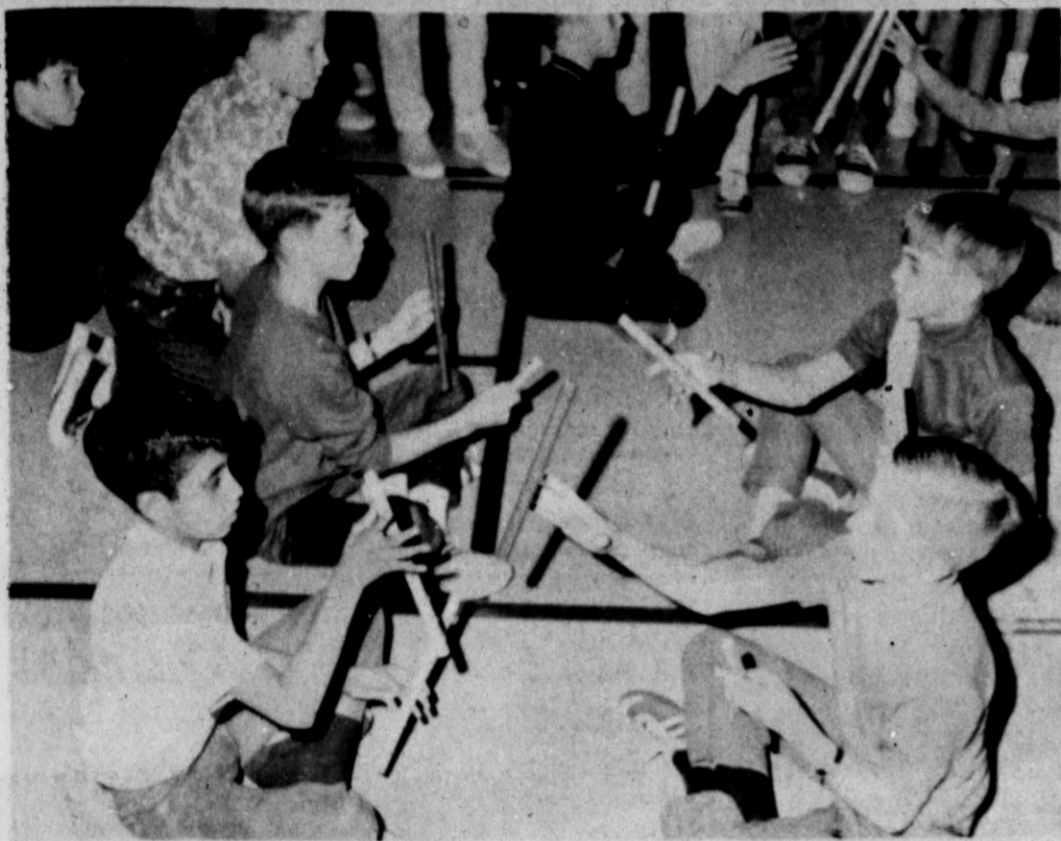

With AMOCO Anhydrous Ammonia to give you the most for your nitrogen dollar. AMOCO Anhydrous Ammonia is the natural companion of CROP-MATE to provide the added nitrogen needed by your crops. It's the most concentrated, most economical form of nitrogen you can buy. It can be applied pre-plant, or side-dressed, or in the fall on most soils, to promote bacterial breakdown of crop residues for improved tilth.

Garcia News

By MRS. S. N. THWEATT
Brand Correspondent

Mrs. Jennie King visited in the home of Mrs. Eldred Brown on Thursday and with Mrs. Floyd Brown of Westgate.

Mrs. Eldred Brown visited with Billie Brown Friday.

Mr. and Mrs. H. D. Buse and David had a birthday dinner Sunday with Mr. and Mrs. Wayne Lady, celebrating Cynthia's fourth birthday.

Mr. and Mrs. G. L. Bumpass visited in Wichita Falls last weekend with their daughter and family. Mr. and Mrs. Grady McDaniel. They also visited friends in Crowell.

Mrs. Richard Fortenberry visited Friday with Mrs. Bill Page.

Mrs. Elmer Northcutt attended the food workshop at Hereford on Thursday.

Mr. and Mrs. Jack Clark of Friona, Mr. and Mrs. Elwyn Hartman of Rhea, Mr. and Mrs. Bill Page and Lisa, Mr. and Mrs. Jerry Northcutt, Kemp and Todd, all had dinner with the Elmer Northcutts on Sunday.

Miss Barbara Brown, daughter of Mr. and Mrs. Ernest Brown and granddaughter of Mrs. N. A. Brown of Garcia, won first place in Production Typewriting at the VOE Youth Leadership Conference in Midland on Feb. 21 (and made the front page of the Hereford Brand!) Miss Brown is a junior at Hereford High School and is a graduate of Walcott School. She will now compete with the four first place winners from the other three competitive areas of Texas and with the other three winners of Area IV in the State Meet Competition at Abilene on March 13-15.

Mr. and Mrs. S. N. Thweatt visited Harry Bishop in the Veterans Administration Hospital at Amarillo Sunday.

Mr. and Mrs. Leo Webb and Mr. and Mrs. Dion and children of Amarillo spent the recent weekend in the home of the S. N. Thweatts.

Mrs. N. A. Brown, Mrs. Bill Page and daughter Lisa, Mr. and Mrs. Elmer Northcutt, Mr. and Mrs. S. N. Thweatt, Mrs. J. E. Sorrells and Mrs. George Bumpass attended the appreciation luncheon given by the Home Demonstration Clubs of Deaf Smith County in the Bull Barn two weeks ago. Mrs. Northcutt was elected as delegate to the district meet to be held March 25 in Amarillo.

Mrs. Bob Hammock was hostess to the Messenger Home Demonstration Club held Friday at her home. During the business session, the club voted to have Mrs. J. E. Rouse, a former member, and Mrs. Elwyn Hartman, mother of Mrs. Elmer Northcutt, as the club's Sen-

Letter To Editor

Dear editor:

I have noticed in the Brand and other newspapers that ruling or proposition is about to pass a law that all schools under 2,500 pupils are or should be closed and consolidated with other bigger schools.

I think the writer and editor in the Brand are to be commended for opposing such a movement, but I believe there is more to be said and has been said.

As mentioned, it would make school bus routes too long and cause a hardship on the children and also the parents.

Consolidation has already gone too far in many cases. Those long routes would soon make it seem necessary to provide boarding places for the children to stay until the weekend and perhaps until the end of the school year. Some of you may think this is baloney, but let me explain further before you make up your mind.

Your paper has already voiced your opposition with many good reasons — but still not enough. Eventually the children would be taken from home at school age and kept and trained as the lead-

ers would want them taught. And like I have been told Hitler did with the boys in Germany.

The government leaders that are promoting these plans may be as much opposed to communism as any one of us, but they are being fooled and blinded by communists. Schools under those conditions would only pave the way for Communist take-over and you parents would raise your children to school age and then the government

would take them over. What Christian teaching your children would get would have to be before school age and then they would be too young to face the pressure they would have to face.

You would be raising your

children for a government machine.

There is already too much communistic plans being promoted. If we don't fight and uncover those communist plans with all we can before we lose our freedom, the fu-

ture generations will be slaves.

But we must remember that we need God's help and leadership — or fail.

Santa Fe Buy Road Diesels

Santa Fe Railway has purchased 90 road freight diesels at a cost of more than \$25 million, John S. Reed, president and chief executive officer, announced today.

The Electro-Motive Division of General Motors will supply 25-3600 HP and 20-2300 HP units, and General Electric will provide 25-3300 HP and 20-2250 HP units, Reed said. Delivery of the new locomotives will start this spring.

"These heavy-duty units will go into main line freight service," Reed said, "and will play an effective role in our continuing efforts to improve the quality and dependability of our service."

The order is part of the railroad's previously announced \$190 million capital expenditure program.

Trailer House Burglarized

A trailer house located at 98 San Obregon-Buena Vista, was reported burglarized Feb. 27 by owner, Paul Diaz.

Reported stolen in the break-in was a portable television set and all of the occupant's clothing.

Investigation revealed that entry was gained by breaking the glass in the front door. A radio and record player in the home was not touched.

Glady's Garden

By Gladys Howton Manjeot

Sometimes life becomes a maze. But if we look enough we will find the beautiful and helpful.

As I drive to and from the hospital many things I have noted. The intricate and interesting patterns made by the jets against the azure blue sky, the new morning sun, and the soft moon beams.

One of the things which has intrigued me is the abstract arrangement, which is on top of the roof of a warehouse. It is made of pieces of cut metal material, and no two pieces are the same size or pattern. They are placed together in a cone shaped pattern, painted black and the placement is the center of a very modern styled roof. Very interesting and nice to look at and study. If you haven't made an abstract arrangement or studied about a distraction, then do so. It sharpens our thinking and creativeness.

This is a very wonderful world we live in. The people make it so to a great degree. The other morning I was having coffee in the coffee shop and overheard a conversation between three women. The subject of it was red cabbage. The lady who prepares salads was telling the others about the deep coloring of the cabbage, and how it stained the chopping board and even rubbed off on her hands. She was of the opinion that the cabbage was colored after it had been grown, and that probably the stains would be permanent. The other ladies did not exactly agree with her, but they knew little about the subject. After a while they led me into the conversation, and I was GLAD that I knew something about red cabbage. That they were grown red, that the stain and juice extraction from them was not at a permanent stain, and that they were used extensively not only for salads but that many people cooked them and they were delicious. My daughter-in-law prepares them in a most delicious way. They they were also used to give color as well as flavor to salad. That often they were used in table arrangements because of the lovely color.

It is well to know that we have many other vegetables which have vivid color. Some of these are the purple onion, the yellow onion, beets, carrots, and tomatoes. Many of the salad greens also have a deep green coloring and is

cause of discoloration, but it is easily removed. Many of the fruits used for foods do stain, and they leave discoloration. But these are easily cared for with the modern stain removing agencies we have.

Colors add much to our diet and attractiveness of our food.

It behooves all of us to be knowledgeable about the foods we prepare and use.

Many of us just whiz through the day without knowing what it is all about. As spring time approaches with its daily changes, let us take time to enjoy the awakening of nature. The swelling buds on the trees, and shrubs. The fresh new blades of grass, the pretty fresh crocus blossoms. Soon the daffodil buds will be bursting and lo and behold a pretty golden blossom, appears. Then the delicate scented and colored hyacinths will be opening.

Just this morning I talked with some ladies and they were thrilled that their daffodils were coming up and that the hyacinths were showing some color. Mrs. (Bessie) Hill told me last Sunday that there were some beautiful crocus in bloom in Hereford. These are the things that gladden a gardener's heart and challenges them to spade, plant and grow.

Now is the time to use preventive measures to keep down the blemishes, and exasperating things relative to our lawns. Spring care varies with the kind of grass and climatic conditions.

Spring is especially the season for preventive weed control. These treatments can be included as the lawn is fertilized. Combinations of phenoxy (the 2-4-D group) and dicamba herbicided control most broadleaf weeds. Crabgrass can be prevented by these preventive measures. Robert W. Schery recommends that the lawn should be well-treated, early, with Bethamlor Siduron (Tupersan). Confer with your local dealer, as there will be a variance of name products and brands in different areas.

If this measure is used, there will be at least a large percentage of crabgrass control, as well as other foreign grasses and weeds.

To aid in having a better lawn, the thin places should be re-seeded or planted and well watered. If more snow should fall, it will be an ex-

cellent time to do some re-seeding. Just throw the seed broadcast on the snow and as it melts the seed will fall to the ground and soon make the lawn turf heavier and prettier.

Are you getting itchy fingers to get out in the yard and work? It is alright to do some pruning. Don't prune anything away except the dead wood or broken materials. Later when spring has fully come, then a more thorough job can be done with the pruning shears.

Do not get in a hurry to remove the bedding straws and mulches from your plants. In all probability we will have some more freezing weather.

I have been hearing a reading quite a bit about the Purple Martins here in Amarillo. One of the latest things is that now their houses are sometimes referred to as being Martin Motels. The construction is different and new ideas are involved. Quite interesting. All of us who are interested in birds would be better informed if we would take some time for study and reference reading relative to the Martins. The devotion of the father and mother bird to each other throughout the years is an interesting study; their habits, and the great hunger they have for mosquitoes is very revealing.

In planning new plant materials for the yard and gardens use extra good judgment in the purchasing of same. Be wary of traveling plant peddlers. Do not allow your enthusiasm to get the best of your judgment. Better visit a local nursery for your stock, and purchase good selected stock.

When purchasing bare root plants be sure that the roots are alive and fresh. No plant is never stronger or better than its roots. In planting the bare root plants use care in the protection of the roots. Do not unwrap and expose to the air and sunshine. It is advisable to unwrap the roots and carefully submerge them in a solution which will stimulate the roots and keep them moist before planting. A soluble fertilizer should be added to the water in which the plants are soaked.

When planting balled stock, prepare the planting hole deeply. Set the balled stock and slit down the sides of the burlap wrapping. Fill in with rich soil around the soil ball and tamp firmly. Add plenty of water to settle the soil and then finish filling until the entire soil ball is covered. The surface of the soil ball should be just below the soil surface when the planting is completed. Mulch at once. Dead or broken wood should be removed from the plant, after it is planted.

A Gardener is GLADDEST when BUSY.

Bread-Making Is Topic For Club Program

A bread-making demonstration was presented for Young Homemakers Home Demonstration Club at a meeting in Mrs. Richard Dodson's home Tuesday morning.

The hostess and Mrs. Lloyd Smith showed steps in making yeast breads and salad biscuits. In a business period, proposed changes in the by-laws and money-making projects were discussed. Mrs. Kenneth Bryant volunteered to make the Easter dress which will be the club's gift to a girl they are sponsoring at Girlstown U.S.A.

Also present were Argen Draper, County H. D. Agent, and Mmes. Dean Bryant, Freddy Cooper, Huey Lowrie, Charles Stevens, James Hill, H. S. Fuller and M. C. Knox.

Unusual Quilt Has Messages For Children

An unusual coverlet which she plans to duplicate until she has made one for each of her children, was recently completed by Mrs. H. E. Miller, 428 Star, after several years of work at occasional intervals.

It is made of small scraps of wool and corduroy, material substantial enough to last for years, put together with a variety of fancy stitches and edged with a red wool fringe.

Embroidered on every square, with thread in various colors, are small decorative figures — animals, flowers, moon and stars — which she planned to appeal to children.

There are also mottos in Spanish, German, Latin and French as well as English, and Bible references, intended as messages to the adults.

She made the coverlet to answer a question she had heard asked by women of small means, "What can I leave to my children that they can treasure as long as they live?"

While she was working on the afghan-sized coverlet, Mrs. Miller wrote bits of family lore and messages to her children. Although she expects them to enjoy the coverlets as she makes them, the "Chronicle of the Coverlet" is not to be opened until after her death, she says.

BIRTH ANNOUNCED

The Rev. and Mrs. Clinton Montgomery of Snyder announces the arrival of a baby daughter, Rebecca Joyce, born Feb. 13. She weighed 6 lbs. 8½ ozs.

Mrs. Montgomery is the former Linda Scott of Hereford. Maternal grandmother is Mrs. John Moody of Hereford.

Mrs. H. E. Miller with future heirloom

—Small Talk—

By SUE COLEMAN
Women's Editor

It hasn't been long since some dismal statistics were released on widespread malnutrition in this supposedly well-fed country, which brought cries of anguish from all the people who want a lot of money voted to abolish poverty, which would, they said, abolish malnutrition.

SOME OF THE MORE level-headed at that time pointed out that quite a lot of children from well-to-do families were among those suffering from lack of the proper kinds of food. Others added that among the poor, malnutrition was due more to ignorance than real shortage of food, as in the case of the mothers who fed their babies chili con carne three times a day.

Now the U. S. Department of Agriculture has released some more figures, from studies conducted from 1961 through 1967 among families eligible for food assistance

programs.

These show that "poor diets of low-income families are most often lacking in the same nutrients as diets in higher income groups... and the principal reason for poor diets is failure to use sufficient milk and milk products, fruits and vegetables." In other words, Johnny doesn't want a eat his nice spinach and drink his milk!

A LARGE MAJORITY of the low-income diets had enough protein, with a relatively large share of this nutrient coming from meat, the studies showed. Which indicates that the low of income had enough food money to buy some of the relatively expensive foods.

The report added that most of the homemakers reached in this research had little formal schooling, and "do not choose foods because they are nutritious or not, but because they are inexpensive and filling."

And that gets back to the matter of ignorance, and the vicious cycle of ignorance and poverty, and the fact that ignorance is not confined to the poor. It's not entirely absent among the college-educated, to tell the truth.

Anyway this USDA report has some food for thought for the bleeding hearts who want to send more government food immediately to feed the starving in West Texas, and I hope copies of it go to congressmen.

SOME INTERESTING comments on current prophets of doom are found in a paper which Mrs. Bethany Williams used out at Kings Manor when she was the speaker for morning devotions earlier this year. She had gathered a fine collection from the sayings of past prophets.

For instance, about 1850 Thomas Carlyle opined that "Few generations have seen greater days of calamity, confusion and ruin" and Disraeli said, "In industry, com-

merce and agriculture there is no hope." In 1819 Lord Gray stated, "Everything is tending to convulsion."

BISHOP WILBERFORCE in 1800 said, "I dare not marry; the future is so dark and unsettled," and in 1780 William Pitt had said, "There is scarcely anything around us but ruin and despair." Sound familiar?

The younger generation came in for its share of the gloom in those "good old days," with Louisa M. Alcott writing in her diary in 1800, "Young women of today live in a perpetual round of amusement... They read the most improper books and the form of a poisonous philosophy falls from their lips." There was a comment that in 1795 most of the students at Yale were openly atheists. Far before then, in 1660 John Bunyan wrote, "Oh, it is horrible to behold how irreverently, how disrespectfully, how saucily children of today carry on to their parents!"

Donna Hill Honored In Pre-Wedding Party

Miss Donna Hill, whose marriage to John K. Walden is to take place here April 4, was honoree at a shower in Hereford Country Club Saturday afternoon.

Guests were greeted by the bride-to-be and her mother, Mrs. Charles Hill; her grandmothers, Mrs. Henry Hastings and Mrs. W. W. Hill, and Miss Suzanne Hart, who is to be her maid of honor.

Miss Patsy Smith, Mrs. David Hill, Mrs. Stan Sigman Jr. and Miss Deborah Thomas served tea and presided in turn at the table where callers registered. White tapers in silver candelabra arranged with pink carnations lighted the table. A bud vase on the registry table held a single pink rose.

Mrs. E. Evans of Tahoka, grandmother of the bride-

groom-elect, attended the shower but his mother, Mrs. Charles Walden of Fallon, Nev., was unable to be here because of weather conditions.

In the hostess group were Mmes. Douglas Nix, Lloyd Pool, Donald D. Henslee, Al Smith, O. G. Hill Jr., Harold Beauchamp, Bill Davis Jr., Wayne Phillips, Walter London, Steve Clements, Bill Blackwell, J. B. Noland, Bill Hutson, Ray Todd, Charles Duvall, Cecil Hart, Louise Ferguson and Danny Martin.

Miss Hill attended West Texas State University at Canyon the past semester, and her fiancé is still a student there.

New, higher-yield wheat variety!

DEKALB BRAND PALO DURO

From 9 years of DeKalb wheat research comes a better wheat... Palo Duro. And it can improve your wheat production efficiency. You make extra dollars on your wheat acres with Palo Duro. It's bred especially for the Texas and Oklahoma Panhandles and eastern New Mexico.

It's short and stiff-strawed... bred for maximum response to fertility and irrigation. It's the kind of wheat that fits modern production practices. And it delivers big yields of high test-weight grain with excellent milling and baking qualities. In fact, test yields are better than from wheat you now plant.

DeKalb tested Palo Duro with several popular wheat varieties in this area. The results show DeKalb Brand Palo Duro increasing yield by an

average of 6.3 bu. per acre... under varying growing conditions.

Variety	Yield	Yield
DeKalb Palo Duro	Dumas, Texas 45.5 bu./a	Vernon, Texas 38.4 bu./a
Local varieties (avg.)	40.9 bu./a	30.3 bu./a

SAVE YOUR SEED—New, high-yielding Palo Duro wheat is breeder seed. Plant a portion of your acreage this year, and seed your entire acreage in 1970. You make an investment in bigger wheat profits with DeKalb. Now is the time to challenge your wheat acres to do more. Plant DeKalb Brand Palo Duro.

Fancy Up Fish Fillets

By **CECILY BROWNSTONE**
Associated Press Food Editor
Enterprising cooks get tired of serving fish fillets the same old way — fried, broiled or baked. So what else?

lets in a creamy sauce. The stuffing is an ingenious creation: narrow sticks of Swiss cheese inserted in pitted ripe olives. The fish rolls are poached in milk, and the hot poaching liquid is thickened and seasoned for the sauce.

The sauce can be mild or hot, depending on the amount of tabasco you add. Have in mind your own and your family's tastes.

What goes with the stuffed fillets and sauce? Rice is a perfect accompaniment, but we suggest rice given interesting additions — white raisins or currants plus pine nuts are a great choice.

FOR A BREAD accompaniment, choose bread sticks. Their crunchiness is a good foil for the soft texture of the fish.

A tossed salad of crisp greens is almost a "must" with this fish dish. To add interest to the salad we suggest including carrot curls.

To make them, use a swivel-blade vegetable peeler to cut a carrot into wide lengthwise paper-thin slices. Roll up each slice, secure with a toothpick and drop into ice water; refrigerate. Drain, remove the picks and add to the salad at serving time.

FISH ROLLS WITH RIPE OLIVES

6 sole fillets, about 1 1/2 pounds
Salt and pepper
18 canned pitted ripe olives
6 sticks (each 2 by 14 inches) Swiss cheese
1 1/2 cups milk
2 tablespoons butter, room-temperature soft
1 tablespoon cornstarch

FISH ROLLS — Made from fillets rolled around Swiss cheese sticks inserted in ripe olives and served with a creamy sauce.

1/2 teaspoon Worcestershire sauce
Tabasco sauce to taste
Minced parsley
Sprinkle fillets with salt and pepper to season.

String 3 ripe olives on each cheese stick; roll a fillet around each olive-cheese stick to enclose; fasten with toothpicks.

In a 9- or 10-inch skillet heat the milk with 1/2 teaspoon salt; add fish rolls; cover and cook gently, turning once, until fish is opaque through — about 10 minutes. (Use two wide spoons, not tongs, to turn fish rolls.) Remove fish and keep warm.

In a small container, with a teaspoon, blend together the butter and cornstarch; add to milk. Cook over moderately low heat, stirring constantly, until sauce thickens and boils. Stir in Worcestershire sauce and tabasco sauce.

Use a slotted spoon to lift fish to serving dish, draining off any liquid that has accumulated. Pour sauce over fish. Sprinkle with parsley.

Makes 6 servings.

Reopening Set For Tonight

Tower Drive-In Theatre is scheduled to reopen tonight, barring inclement weather, according to manager Francis Hardwick.

On the program will be three John Wayne features in color. Hardwick is making the night a "Chinese New Year" celebration complete with fireworks and fortune cookies.

He reported, however, that his annual remodeling of the snack bar at the outdoor theatre has had to be postponed this year, pending final decision by county commissioners and the state highway department on West U.S. 60 widening plans. The Tower is located on part of the roadway which is to undergo construction.

"I Shall Keep This Lent"

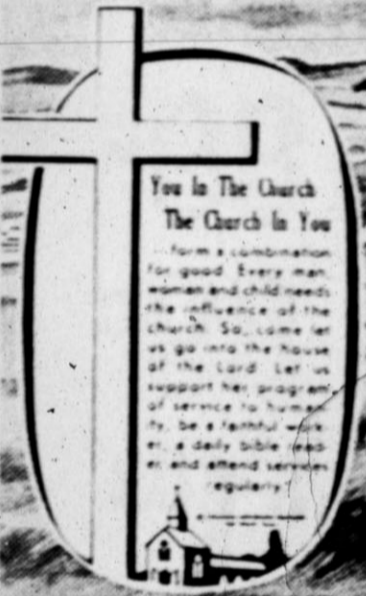

"LENT" means springtime. It is an old Latin word which means a forty day fasting period next before Easter. It begins with Ash Wednesday and continues till Easter, exclusive of Sundays.

It is a time for the conditioning of our soil . . . a time for our souls to become penitent. It simply means that it is spading up time, the season for planting seeds and for setting blooming trees.

In the realm of the spirit it is a call to get ready for the season of beauty and goodness.

Who amongst us is satisfied with what he is or what he has been? Then let us qualify for the Lenten Season. Let us clear away

the rubbish of last year's crop, cut under the old stalks. May we learn from our Lord to give ourselves to good conditioning during Lent. The miracle of Lent is genuine repentance which leads to Newness of Life. A Sainly Keeper of Lent said it well when he spoke the words, "I shall keep this Lent, and hope to refresh my Soul." Amen

Easter News

By RUBY STONE
Brand Correspondent
Harland Frye flew to Nevada recently attending to land interests.

Mr. and Mrs. Pat Bradford and children from Dumas visited in the home of her sister and family Saturday, Mr. and Mrs. W. O. Markley.

The Fred Waltons visited in Hereford Tuesday with Mrs. W. A. Campbell.

Mrs. Earl Harkins has been in Plainview this past week helping her mother, Mrs. McDaniels, care for Mr. McDaniels who is suffering from a heart ailment.

Alice Conover of Amarillo has been visiting Clyde and Betty Renfro.

Laura and Amy Downing had a small birthday party honoring Kellie D. Howell in

Hereford Thursday.

Clyde and Betty Renfro were in Plainview on business recently and while there visited with Rena Curtis.

Easter Club met Thursday for their regular meeting in the home of Carmen Flood. There were six members present with one visitor. Much of the time was spent in talks on bulb planting and care. Our visitor Mrs. J.H. Flood gave some good tips on when and where best to plant bulbs for the best showing. Those

Easter Lions Club Schedules Election Party Monday Night

An election party for the Easter Lions Club is scheduled Monday, at 7:30 p. m. in the Easter Community Building, according to President Kenneth Fry.

There are two men in contention for each office and the newly elected slate will take office in June. Running for the office of president are Billy Baker and Dave Hutchins; 1st vice-president, Dwight Banks and Ronnie Onstead; 2nd vice president, Larry Dobbs and Bud Thomas; 3rd vice president, Dee Taylor and A. T. Jones; secretary, Sam Ogan

and Earl Harkins; treasurer and James Dobbs and Richard Price; tallwister, Earl Gunther and Pat Robbins; Lion Tamer, Elmer Kimball and Wayne Walser; 1st director, Martin Young and Fate Shannon; and 2nd director, Fred Axe and Douglas Adams.

Entertainment for the evening will be furnished by the Tune Heisters, a vocal group from Friona.

Ex-Resident Married In Fort Worth

Mr. and Mrs. Victor Garza have established a home in Fort Worth after their recent wedding there. The bridegroom, formerly of Hereford, has been employed by a publishing firm here and has now begun basic training with the U. S. Army at Fort Bliss, El Paso.

The bride is the former Miss Elvira Gallegos of Fort Worth, daughter of the late Mr. and Mrs. Theodore Gallegos. The bridegroom's parents are Mr. and Mrs. B. G. Garza of Fort Worth.

Hereford residents who were guests at the wedding included Messrs. and Meses. Mike Gamez, Raul Lopez, Gilbert Arellano and Jimmy Gonzales; Mrs. Maria Rivera and Victor Hill. Her brother, Romulo Gallegos, gave the bride in marriage.

The ceremony was conducted by Judge Mathews in the Howard Johnson Motor Inn. Mr. and Mrs. Arthur Hernandez attended the couple as best man and matron of honor, Miss Esther Perez as bridesmaid and Ruben Sanchez of Arlington as groomsmen. The bridegroom's brother, Ray Garza, lighted candles.

The bride, now employed by Bogart Industries at Ft. Worth, is a graduate of Odessa High School. The bridegroom was graduated from Hereford schools and was employed by Southwest Offset Inc. here.

Rotary Elects New Officers

Officers for the coming year were elected at the regular noon meeting of the Rotary Club here Monday.

Selected as president of the organization was Charles Frye while Roland Barton was elected vice president. The secretary post went to John Myers and Herman Ford was elected treasurer.

Elected to the board of directors were Johnny Cloud, Jack Nunley and Clifford Trotter.

Newly elected officers and directors will take office in July.

water for domestic and livestock purposes as the same is defined by Commission Rules.
On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies. Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711.

Letter To Editor

Dear Editor:
I am writing with reference to the Hereford Volunteer Fire Department. I have known for a long time that

we had a good department. Several years ago my office was directly across the street from the City Hall and I was always amazed at how fast the trucks would start rolling. But, like most people I suppose, I have generally taken the fire department and its excellence for granted just as a lot of people take many assets of the City and County for granted. It has only been since Jap Dickerson and Max Stipe have come to work with me at the hospital have I begun to understand that this excel-

lence is not accidental. Both Chief Dickerson and Assistant Chief Stipe spend many long hours in planning, study and preparation, and so does the entire department. Much time is spent in drills, practice, and preparation for any eventuality. Each man knows his job and they all work together as a team because of this preparation. Just the other day, the department was called to rescue a man trapped in a small shaft at one of the grain elevators. The man was already unconscious and perhaps

could not have made it much longer. Some of the men went in the shaft after him, secured a rope around him, drug him to the top of the shaft, applied artificial respiration and that man is alive today. He perhaps would not have been had it not been for the Fire Department and the trained men it has. I also happen to know that much of the equipment they have has been bought and paid for from their own pockets. They do much of the repair work on the pumps, motors and other equipment,

after hours, with no cost to the City or County. These men many times take a real physical beating. Both Jap and Max have come to work many mornings after having been up most of the night fighting a feed pen fire or two or three fires of various kinds. So do the other men. I could say much, much more about the work these men are doing. I will just say that my hat is off to them. Sincerely T. E. Seigler.

Camp Fire Girls Gets Donation

The Hereford Council of Camp Fire Girls Inc. has received a cash donation toward the erection of an archway case at the Lodge in honor of Mrs. Hubert Dowell and the late Mr. Dowell. The donation was made by members of Wecocantewaste Camp Fire Girls, the first group organized in Hereford in 1929, with Mrs. Dowell as their

leader. A memorial fund has also been established in memory of the late Hubert Dowell, to add to the fund. Members of the Wecocantewaste group donating the fund include Mesdames Dick Barnard, Lilburn Ray, Dick Renz, Buford Crosthwaite, Charlie Holt, Charlie Hayes, Jim Kirby, Lucien Lipphaile, Kent Snyder, Joe Hill, Patricia Hartnell, Charles Wilson, John Kane and Miss Thornton Shigley.
