

Polvadore Flights Aids Crash Victim

Ray Polvadore, who is now home from the hospital following the airplane crash near here on January 5 which necessitated several operations, reported that he is "doing pretty good now, but it will be a long old wait" before he is back on his feet, and that "I sure do appreciate the flights planned for my benefit Sunday."

Flights over Hereford have been arranged Sunday at Hereford Aero east of the city on US 60 with proceeds slated for Polvadore's hospital and doctor expenses. Private aircraft owners have donated their equipment and services, with a minimum rate of \$2 set for these 8 to 10-minute rides. "Donations over that amount will be greatly appreciated," it was stressed.

The Hereford business where Polvadore was employed at the time of his accident had recently changed ownership, he reported, and the group hospitalization policy they carried had to be rewritten for the new owner. However, the hospitalization change-over had not been completed at the time and he discovered that the expense was entirely his own.

Polvadore said that he "still has operations to go — I don't know how many." Doctors have told him that he will be off work for at least a year.

"I was out of the hospital after a couple of months instead of the six months they thought I would have to stay," he said. "Both of my legs were torn up pretty badly. They said I will have a stiff leg and a stiff knee always."

The plane's motor fell on his legs, he explained. "It was a miracle there wasn't a fire. If there had been, I couldn't possibly have gotten out alive."

His bed at his home at 207 Greenwood has been equipped with a bar that enables him to pull himself onto a wheelchair now, he said. "I don't have to stay in bed all the time."

He was asked if he ever planned to fly again?
"Yes, I plan to continue flying," Polvadore replied. "If my legs get back in shape — the doctors offer encouragement for this. I will go back to flying. When someone has an automobile accident, they don't stop driving a car. It's the same with flying."

Over-the-city flights are planned from 10 a. m. to darkness here Sunday, according to the benefit spokesman, Benny Womble.

Lumber Company Is Burglarized

The Foxworth Galbraith Lumber Co., located at 234 E. 2nd was burglarized during the night Saturday night and an estimated \$335 worth of merchandise and tools taken.

The break-in was discovered when an officer noticed a door to the building standing open and on investigation, found the door torn from the wall on the door from the warehouse to the yard.

The exact amount of the loss could not be determined until an inventory had been made, according to authorities.

Pre-Schoolers Needed

Nurses in all Hereford elementary schools have set up pre-school conferences with both the student who plans to enroll here in September and the student's parents.

Mrs. Homer Rudd reported that these conferences are now underway and will continue through the beginning of school in the fall. However, the nurses prefer to have these conferences prior to May 1.

It was also reported that the school census is not complete and nurses have no definite list of children who are to enter school. They have asked parents whose pre-school children have not been included on the school census to contact them as soon as possible.

All others should contact the nurses for conference appointment dates, Mrs. Rudd said.

VFW Boy Scout Unit Organized

Boy Scout Troop 54 was officially organized Monday during a meeting of seven boys at the Rock House inside Veterans Memorial Park, District Scout Executive George Ochs reported.

The new troop, sponsored by the Hereford VFW Post 4818, will have Buzz Abalos as Scoutmaster. His assistant is Bill Yeary.

Named Institutional Representative was Chalma L. Walker.

Chairman of the Troop Committee is Ken Gott. Serving with Gott are Joe Del Toro, Martin J. Diggins, and R. E. Doughman.

Ochs said the new troop will be meeting every Monday night at 7:30 in the VFW Rock House. Members are still open, he pointed out. All interested boys should come to the meetings.

BANQUET SPEAKER — John Niland, of the Dallas Cowboys, will be the guest speaker at the second annual All-Sports Banquet scheduled for Monday, April 28.

A PROTEST? — Lynn Arnold, manager of the Dairy Queen, came up with this little quote which has perhaps crossed the minds of many people during the past few weeks as the deadline for income tax returns neared. —Staff Photo

Banquet Date Draws Near

By MARSHALL DAY
Sports Editor

With just a little less than two weeks remaining, final plans and preparations are being made for the second annual All-Sports Banquet, scheduled for Monday, April 28 at 8 p. m. at the Deaf Smith County Bull Barn.

Guest speaker for the event, through the courtesy of Gifford-Hill Western, will be John Niland, defensive specialist for the Dallas Cowboys.

A native of New York, Niland played college football at Iowa University and also participated in the weightlifting program at the school. He was heavyweight weightlifting champion of the Big Ten Conference during the time he was there.

Married and 25, Niland lives in Dallas where he is public relations man for Channel 39 during the off season.

Last year's banquet, the first of its kind, drew an overflow crowd of over 600 persons at which Dan Reeves, another outstanding Dallas player, spoke.

Held in honor of the some 150 athletes who represented Hereford High School throughout the year, the banquet will be highlighted by the presentation of the News Service Awards. The awards are presented through the Hereford Brand and KPAN radio to one athlete in each of the seven different sports who displayed outstanding leadership, competitiveness, achievement and desire throughout the season. Awards will be presented in baseball, football, track,

basketball, tennis, golf, volleyball.

Tickets for the event cost \$2 and may be purchased at the Chamber of Commerce office, from Booster Club members, Hereford Bakery, Earl Stagner at Orsborn Chevrolet-Olds, or from mothers of athletes.

The Caison House will cater the event.

Admission for the meal has been set for \$1 per person and pre-school children admitted free.

The public is invited to attend.

Major league selections will be made Friday night and players will be announced Saturday at 2 p. m. at the ball park.

Tryouts for the minor league and pee-wees will be held at 5 p. m. Saturday. The minor league includes boys who will be eight years old before Aug. 1 and Pee-Wee leaguers are the youngest group.

Two minor league coaches are needed, said Stoy and also coaches for the Pee-Wees. Anyone interested in working with these boys are asked to contact Stoy at the park on either day.

Stoy also announced a meeting of the board to be held immediately following the tryouts on Thursday at the park.

Everyone interested is urged to attend the meeting and if unable to attend, may contact any of the temporary officers or Herring.

Show Pakistan Slides Tonight

Color slides depicting the recent two-month tour of Pakistan of Mr. and Mrs. Clinton Jackson of Hereford are to be shown tonight at 8 in the Deaf Smith County Bull Barn. No admission will be charged and all citizens here have been invited to attend.

It is an open meeting of Deaf Smith County Farmers Union. The Jackson's Pakistan trip, which began in January, was sponsored by Farmers and World Affairs Inc.

Along with the slides, the Jacksons will offer a narration of the lives, religions, social culture, agricultural and industrial development of the Pakistani people.

Refreshments are to be served following the program.

Commissioners Hold Session

Deaf Smith County Commissioners Court held a light session Monday. Business included approval in various changes in the contract with architect Oscar Schilling regarding work for the Deaf Smith County Hospital, a canvass of the County and Walcott school board election ballots (which were found to be in order), and clarification of future gas and water line crossings which the commissioners agreed to maintain here last month.

Little League Tryouts Today

Tryouts for the major league baseball players are scheduled for today and Friday at the Little League Ball Park beginning at 5 p. m. each day, according to Little League President Art Stoy.

Eligibility includes boys who will be nine years of age before Aug. 1 and must not be 13 before August 1.

Major league selections will be made Friday night and players will be announced Saturday at 2 p. m. at the ball park.

Tryouts for the minor league and pee-wees will be held at 5 p. m. Saturday. The minor league includes boys who will be eight years old before Aug. 1 and Pee-Wee leaguers are the youngest group.

Two minor league coaches are needed, said Stoy and also coaches for the Pee-Wees. Anyone interested in working with these boys are asked to contact Stoy at the park on either day.

Stoy also announced a meeting of the board to be held immediately following the tryouts on Thursday at the park.

To Go To Washington

Ray Wins REC Contest

Steve Ray, son of the Rev. and Mrs. Bill Ray of 233 Cherokee Drive, has been named as one of the two area winners of the Deaf Smith County Electric Cooperative oratorical contest, according to James Hull, manager of the cooperative.

Winner of the boys division of the speech contest, Ray is a junior student at Hereford High School where he participates in speech and debate.

Ruthie Harris, daughter of Dr. and Mrs. Jack Harris of 505 N. W. 8th in Dimmitt, was the winner of the girls division of the contest. She is the second member of the Harris family to win the Government In Action Youth Tour speech contest, as her brother won it in 1967.

The Washington trip winners are among 30 high school students from the area served by Deaf Smith County Electric Cooperative who prepared speeches for the contest. Alternates picked in contest were Barbara Wilhelm of Nazareth and Bob Thomas of Friona.

Miss Harris and Ray will be

among 100 young people from all over the State participating in the fifth annual Texas Electric Cooperative Government In Action Youth Tour to the nation's capitol city, June 6 to June 17.

Expenses of the Youth Tour are shared by other electric cooperatives in Texas which sponsor oratorical contests similar to the one sponsored by Deaf Smith County Electric Cooperative.

Entrants in the contest were required to present a five to eight minute talk about rural

electric cooperatives and answer one or more questions by the judges. They were judged on the basis of knowledge of the subject, speaking ability, poise, personality and appearance.

As participants in the contest, winners will travel to Washington, D.C. where they will spend four days visiting places of historical interest and seeing the nation's government in action. On June 11, the Texas delegation will meet more than 800 other students from other states for a program by the National Rural Electrification Administration.

Cattle, Ensilage Program

County Agricultural Agent Justin McBride announced that a livestock and cattle program is being presented at the Deaf Smith County Bull Barn at 7:30 p. m. Tuesday.

McBride said that topics under discussion will include Advantages of the Cross-breeding of Beef Cattle Both to the Producer and Cattle Feeder, Carcass Research, and Yield Grades and Carcass Analysis.

Also planned for discussion, McBride reported, is the production and preparation of ensilage. He pointed out that this topic will be especially helpful for the farmer, in view of the fact that ensilage has become so important due to feedlot operations and their demands for higher quality.

Complete utilization of the milk plant will also be presented.

Electric Co-op Plans Meeting

April 24 will mark the 31st anniversary of the Deaf Smith County Electric Cooperative when the annual meeting will be held at the Bull Barn with J. R. Cobb, general manager of Texas Electric Cooperatives, Inc., as guest speaker.

Registration for the meeting will begin at 10 a. m. and a free barbecue lunch will be served starting at 11:45 with a business meeting to begin at 1 p. m.

Children, whose parents are attending the business meeting, will be entertained with cartoon movies during the day.

Capital Credit checks amounting to nearly \$150,000 will be returned to those members attending the meeting and over \$150 worth of prizes will be given to those holding winning tickets. Also to be on display will be merchandise from local appliance dealers.

Cobb, a native of Louisiana, received his degrees in agricultural and electrical engineering from Louisiana State University, and became general manager of Texas Electric Cooperatives, Inc., in March, 1958.

Steve Ray

Fortenberry Services Held Wednesday

Funeral services for Jackson Green Fortenberry, 80, ranch and farm owner of northwestern Deaf Smith County, were conducted Wednesday afternoon in First Baptist Church. The Rev. Gene Brock, pastor of Baptist Community Church in Mr. Fortenberry's home community, conducted the service.

Burial in West Park Cemetery here was directed by Gilliland Funeral Home.

Mr. Fortenberry died in a local hospital Monday afternoon. He had been a resident of this county since 1926, when he moved from Floydada.

A native of Texas, he was born July 11, 1888 in Cooke County. He married Robbie Lee Conner Feb. 14, 1912, at Floydada. He was a member of the Baptist Church.

Surviving him are his wife and six daughters, Mrs. Christine Larson and Mrs. Alta Mae Higgins of Hereford, Mrs. Kate Bradley of Adrian, Mrs. Mary Dorris of Gomerco, N. M., Mrs. Stella Sevier of El Paso and Mrs. Chloe Dell Dowd of Hamilton, Ohio.

Other survivors are two brothers, Hugh Fortenberry of Adrian and Tom Fortenberry of Lockney; four sisters, Mrs. Bell Lemons, Mrs. Eva Kelley and Mrs. May Taylor of Lockney and Mrs. Lizzie Seay of Carrizozo, N.M., 15 grandchildren and 12 great-grandchildren.

Hereford Scouts Preparing For Scout-O-Rama And Rodeo

All dens and troops of the Hereford Cub Scouts and Boy Scouts are busy preparing for the council-wide Scout-O-Rama and rodeo to be held in the Tri-State Fair Coliseum and livestock buildings in Amarillo on May 2-3.

The Scout-O-Rama will be a show of demonstration booths conducted by each Pack, Troop and Post in the Llano Estacado Council, dramatizing the skills and activities of the scouting program.

In the booths, thousands of Cub Scouts, Boy Scouts and Explorers will stage live demonstrations of the many skills, activities and advancements and achievement requirements of the program.

Association will join with the Boy Scouts of America in presenting the first combined Scout-O-Rama and rodeo ever held.

The American Junior Rodeo Jim Shoulders, holder of 16 world champion rodeo titles, will be the guest star for the events. He was five times World Champion All-round Cowboy,

seven times World Champion bull rider and four times World Champion bareback bronc rider.

Performances will begin at 7:30 p. m. on May 2 and 1:30 p. m. and 7:30 p. m. on May 3. The 1:30 p. m. show on Saturday will be free to all Scouts.

All Hereford Scouts are selling tickets to the event which sell for \$1 for both the Scout-O-Rama and rodeo. Tickets to the Scout-O-Rama only are 50 cents.

Having been a competitor for 25 years, Shoulders has a keen sense of knowing the basic elements that contribute toward making any rodeo a true sporting event. He sponsors an Explorer Post which specializes in the art of the rodeo business, the first of its kind, started in 1967.

The Scout-O-Rama is an opportunity for the Scouts to demonstrate to many thousands of parents, friends and the general public that scouting is a great training ground for the youth of America.

SCOUT-O-RAMA PREPARATIONS — Cub Scouts from Den 3 of Pack 50, which is sponsored by the Lions Club, are practicing and making preparations to perform in the Scout-O-Rama to be held in Amarillo on May 2-3. "Skills and Strength" is the motto for the presentation. —Staff Photo

Look Who's New

Mr. and Mrs. Adolpho C. Perez, Jr. are the parents of a son, Adolpho, born April 12. He weighed 7 lbs. 10 ozs.

Mr. and Mrs. Luis Raul Mata are the parents of a daughter, Elcise, born April 12. She weighed 5 lbs. 11 ozs.

Mr. and Mrs. Juan M. Garza are the parents of a daughter, Julie, born April 2. She weighed 7 lbs. 14 ozs.

Mr. and Mrs. Manuel Galvan, Jr. are the parents of a daughter, Anna Marie, born April 12. She weighed 7 lbs. 1/2oz.

Funeral Services For Baby Conducted

Funeral services for Edward Robinson, three-month-old son of Mr. and Mrs. Bobby Lee Robinson who live on a farm 19 miles northwest of Hereford, were conducted in Rose Chapel of Gilliland Funeral Home Wednesday afternoon.

The Rev. C. W. Allen, Baptist minister, officiated. Burial was in West Park Cemetery.

Born last Dec. 31 in Hereford, the baby died Monday. She is survived by the parents, two sisters and five brothers.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

These Are Your Questions

IS THERE any special age that is best for the application of braces to the teeth?

Each dental problem must necessarily be evaluated individually. There can be no universal age at which orthodontia should be started. The word orthodontia comes from two Greek words, ortho, to straighten, and odont, teeth, meaning, of course, to straighten the teeth.

The science of orthodontia has progressed remarkably and has been responsible for the preservation of many teeth during childhood which, had they been lost, would have reflected on the dental health of the adult.

The application of braces is done for irregularly spaced teeth, crooked teeth, or teeth that are bunched up and interfere with the normal growth of the jaw. Many speech defects can be traced to bad habits which, too, are evidence of some abnormal structural growth of the entire mouth.

The dental surgeon has, of course, been following the health and disease of a child's teeth. Under his constant observation, dental decay and other evidence of poor development are quickly recognized. This is the very essence of dental health. Delay only serves to invite and magnify complications.

When the dentist feels the need for the opinion of a specialist in orthodontia, he seeks that consultation at the time, irrespective of the age group. The specialist, after studying the tooth formation with X-rays and with casts, then decides if the child is ready for reconstructive work.

It is imperative that the combined wisdom of the dentist and his colleague determine the exact age to begin the work. When that decision

is arrived at, there must be no delay. Such delay can convert a simple problem into a complicated one.

Is the lie detector machine ever used for medical diagnosis?

The lie detector apparatus is called a polygraph. It is a remarkably sensitive machine whose use is based on the scientific fact that the emotions and emotional upsets can affect body functions.

The relationship between emotional stress and physical behavior is readily demonstrated by what happens when a person is embarrassed. The eyes become bright and perhaps teary, perspiration may appear on the forehead and on the lips, and a pink blush covers the face. This all happens in a fraction of a second because of the nerve relays that communicate between the eyes, the ears, the brain, and the skin.

If, at that moment of blushing, a polygraph machine had been attached to the body, it would register an immediate increase in the rate of the heart, the frequency of respiration, and change in blood pressure. The machine has a great use in criminology but is not infallible as an indication of guilt or innocence.

The polygraph is "read" by highly trained operators who can contribute vastly to medical diagnosis and to physiological disorders which must be uncovered to be treated effectively.

SPEAKING OF YOUR HEALTH—Candy lozenges that contain antibiotics can be responsible for fungus infections of the mouth.

Dr. Coleman welcomes letters from readers, and, while he cannot undertake to answer each one, he will use questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Coleman in care of this newspaper.

Larry Driver Wins Oratorical Contest

Larry Driver, second place winner in last year's Optimist Club Boy's Oratorical Contest, was named the winner for this year's contest in competition against seven other entrants Tuesday night.

Driver, ninth grade student at La Plata Junior High School, is the son of Mr. and Mrs. Floy Driver, 415 Western.

Eight contestants were entered in this year's contest including three students from St. Anthony's School, two from La Plata Junior High, two from Stanton Junior High and one from the high school. Randy Cook and Joe Weaver represented Stanton, Eddie Warren, Steve Loerwald and David Loerwald represented St. Anthony's, Driver and Danny Charest from La Plata and Kevin Young from the high school.

Young was winner of the contest which was held two years

ago and received second place in Tuesday's competition. Charest was selected as the third best orator.

Entrants were required to present a four to five minute oration on the official oratorical subject, "Respect For Law—Cornerstone Of Citizenship." They were judged on personal qualities, material organization, delivery and presentation and overall effectiveness by judges Wesley Gulley and Roger Shipley.

Danny Boyer was time-keeper for the contest.

Driver will now be eligible for competition in the Zone contest to be held in Amarillo on April 27 at Amarillo College. He will be competing against winners from the other district contests.

NO MORE CRITICS

PRETORIA, South Africa—Foreign medical students will be security screened before being allowed to use facilities of Pretoria University's Department of Maxilla, Facial and Oral Surgery.

Prof. P. C. Snyman, head of the department, said this was decided after a British student he invited to South Africa criticized conditions in the African ward of the university's teaching hospital as "shocking" in a newspaper interview. The student also tried to take pictures in the nonwhite section of the H. F. Verwoerd Hospital, he said.

"I have not yet worked out exactly how foreign students can be screened but if I can help it no non-South African student will ever again be allowed to use the facilities of my department," Snyman said.

Club Will Have Garage Sale

The Office Education Organization of Hereford High School, together with the Canyon High School Chapter, will sponsor a garage sale all day Saturday.

The sale, which will be held at 419 Ave. G., will include clothing, furniture and appliances.

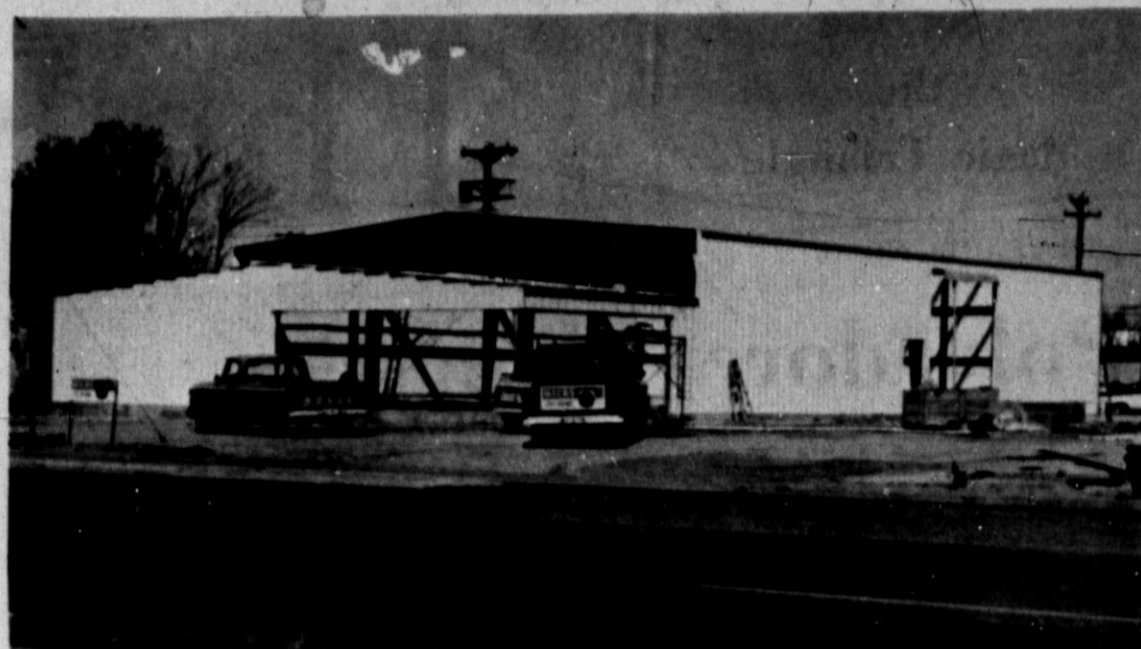

Proceeds from the sale will go toward club activities.

MINOR COLLISION REPORTED TUESDAY

A minor collision reported Tuesday morning involved cars driven by Johnnie M. Townsend and Ramona Sais, according to investigating officers.

Townsend was traveling north in a 1962 Mercury in the 400 block of Main St. when Mrs. Sais, driving a 1964 Chevrolet, backed into his path.

Investigating officer was A.A. Bagwell.

UNDER CONSTRUCTION—This building, in the process of construction, will be the new home of Davis Implement Company, longtime Hereford business. The new building is located in the 400 block of East 1st. —Staff Photo

COURTROOM SCENE—Shown here in the foreground are Chief Deputy Bill Rowland, Sheriff Ed Roberson, and deputy Kirven Roper in the District Courtroom Tuesday night dealing with teenagers. But the sole purpose was the organization of Explorer Law Enforcement Post No. 33 through the Boy Scouts of America. They, along with District Scout Executive George Ochs, are set to sponsor the new post to instruct in new phases of law enforcement. —Staff Photo

Mrs. Frank Short
... her awards, trophy and crown

107-Pound Loss Places Local Woman In TOPS

Second place among the 10,500 TOPS Club members in Texas in achieving their goal, loss of weight, was won by Mrs. Frank Short of the Hereford club at the state convention in Houston on the weekend, and she displayed the gold trophy she received to more than 30 members attending the weekly club meeting Monday evening.

Mrs. Short, with her husband and children who accompanied her to Houston by plane, returned Sunday from the convention. She was winner of first place in this area, and also won first in her division, members who began their slimming program with a weight over 300 pounds.

For the length of time since she started losing weight as a TOPS Club member, Mrs. Short had the best record in the state; from 305 pounds she lost 107 by last Dec. 31, in seven and a half months, while the state winner, whose home is in Corpus Christi, lost 120 pounds in 11 months. Weight loss in the 1968 calendar year only was counted.

Since the beginning of 1969 Mrs. Short has continued to lose weight so she now is at 141 pounds, and she plans to shed a few more. She emphasizes that all her dieting has been under a doctor's supervision.

Outside the time limit, Mrs. Short is eligible for national honors and if she reaches the weight goal she has set for herself this year, for the title of international queen. She has been invited to International Rally Days to be held in Dallas in 1970.

Mrs. Short reported that approximately 1700 persons attended the state convention, where social events and workshops were on the program with business sessions and addresses.

TOPS Clubs, which take their name from the initial letters of their slogan, Take Off Pounds Sensibly, have spread into an international organization. The local club, named Sugar Blues TOPS Club, is open for membership of all interested residents. It meets each Monday at 7 p. m. in Community Center.

Wheat Office Says Good Crop Future

Wheat Harvest Control Office at Amarillo has issued a report, "based on the latest available estimates," the total seeded acreage of 4,124,000 acres for this year's wheat crop has declined approximately 16 percent from last year's planting of 4,909,000 acres. Production estimates indicate that, in most areas, prospects are good for

an average to better-than-average crop this year.

Although the cumulative moisture totals for the months of December, January and February were below normal in all areas of the State, recent general rains have been beneficial.

Generally, winter-seed small grains have good prospects; although at times, dry

and cold weather has retarded growth. Some dry-land acreage in the Western Texas Panhandle area is still in need of additional moisture. With the recent moisture in the Northern Texas Panhandle, a good dry-land crop is expected.

Green bug infestation has been a problem in some areas. Spraying for these bugs, as well as some weed spraying, is expected to keep damage to a minimum.

The wheat in the Northern Texas Panhandle, for the most part, is still being grazed, with cattle expected to come off with

in the next 30 days. The latest reports received in this office indicate the following conditions prevail in the 70 counties reporting: 37 counties reported their crop in good condition, 23 counties reported their crop in average condition. No counties reported their crop in poor condition.

Among the healthiest people in the world are those in the Netherlands. In the middle of the 20th century, a Dutch child at birth could look forward to a life expectancy of 70 years or longer.

FIRST WOMAN JUDGE
CAPE TOWN, South Africa — For the first time in its history South Africa has a woman judge. Miss Leonora van den Heever was appointed acting judge in the Supreme Court and the question of how she should be addressed in court immediately arose.

Senior advocates (barristers) said that as South Africa follows English precedence and in England women judges are called "M'Lady," it will have to be "M'Lady" in South Africa too. Miss Van den Heever's father was Judge F. P. van den Heever,

a Judge of Appeal and of the Supreme Court.

Mavs Win Championships In Junior High Invitational

La Plata's seventh and eighth grade teams chalked up another set of trophies when they both broke the 160 point barrier in the Hereford Junior High Invitational Track Meet held Tuesday.

The Maverick seventh grade totaled 166 points for their first place win and the eighth grade hit for 164 and their first place trophy. In the seventh grade class, Coronado of Plainview was a very distant second with 76, Muleshoe was third with 61, Stanton was fourth with 55, Friona was fifth with 35, Gattis was sixth with 34, Marshall was seventh with 22, Estacado Blue was eighth with 15 and Estacado White was last with one point.

Stanton was second in the eighth grade division with 87 points, Estacado Blue third in the event with a 48.3. In the 880-yard run, Stanton's Monatno won with a timing of 2:17.9 while Gary Kirkland of La Plata was third with a time of 2:22. Danny Harris of La Plata won the 70-yard high hurdles with a 9.2 time and Kitchens of Stanton was second with a 9.6.

In the 440, La Plata took second and third with times of 55.7 and 56 by Alvin Ellerd and Terry Champ, respectively. Ellerd's time was the same as the winning time, but the Estacado Blue entry was presented the first place medal. Kitchens and High took first and second place medals, respectively, in the 120 low hurdles and La Plata's Barry McNutt was third and Walter Olson was fifth.

Barry McNutt also finished with a sixth in the 220-yard dash and the La Plata 880 relay team took first in that event

with a time of 1:41.1. Stanton finished fourth in the same event with a time of 1:44.5.

Larry McNutt won the 100-yard dash with a time of 10.6 and his brother Barry was third with Roger Jesko taking sixth for the La Platans.

In the field events, Larry McNutt tossed the discus 145 feet 5 1/2 inches for a first for the Mavs, and Ricky Locke was third and Walter Olson was fourth. Ramirez was fifth for Stanton in the discus.

Danny Harris took first place honors in the shot with a toss of 44 feet 2 1/2 inches and Larry McNutt was second. Stanton's Ramirez was first in the high jump with a leap of 5 feet 6 inches and Champ was fifth and Hill sixth, for La Plata. Kitchens won the pole vault for the Stanton team with a clearance of nine feet nine inches and Cantu of La Plata was second. Duvall wound up fifth in the same event.

Broad jumpers saw Harris take first with a leap of 19 feet and Stanton's Ramirez was second with an even 18 feet. Olson was third.

In seventh grade competition, La Plata won the 440-yard relay again with a time of 50.4 while Stanton was third with 52.8. The 880-yard relay team from La Plata took another first with a time of 1:48.4 and Stanton was fourth in that event with a time of 1:55.3.

La Plata's Paul Rudd was second in the 880 run and Ronald Johnson was fifth. Rudd was clocked at 2:24.2 and Johnson at 2:33.2. James Harris collected a first and Wayne Schumacher a second in the 70 yard hurdles with times of 10.9 and 11.3, respectively. Jim Marsh also was in on the same event, finishing fifth with a time of 11.8.

Pena of Stanton was first in the 120 lows with a time of 15.9, and La Plata was second, third, and fourth with Harris, Schumacher and Condarco, in that order.

Billy Cockrum of La Plata placed third in the 440 yard

dash and in the 220, James Watts of La Plata was first with a 26.4 time. Tommy Newton was fourth for the Mavericks in the same event.

Winding up the track events was the 100-yard dash which saw Ward of Stanton take first with an 11.3 and Newton and Condarco of La Plata third and fourth at 11.7 and 12.0.

Field events saw Marsh take second in the discus while Stanton's Ward wound up third. Marsh's toss of 110 feet 1/2 inch and Ward's was 104 feet four and one-half inches. Marsh and Ward were also in on the shot competition with Marsh getting second and Ward fifth.

Harris of La Plata took first in the high jump with an even five feet and Roger Sandlin was fourth in the same event. In the pole vault competition, Shipley of Stanton was third and Sandlin was fifth for La Plata.

Winding up the meet, was the broad jump which saw La Plata's Harris win with a leap of 18.8 feet and Newton take third.

This Saturday, Stanton and La Plata's eighth and ninth grades will go to Clovis, N. M. for a meet, then will enter the High Plains Conference Meet, scheduled for April 25 at Canyon.

CYO Sponsors Dance Saturday

The Catholic Youth Organization of St. Anthony's parish is sponsoring a teenage dance Saturday, April 19 beginning at 8 p.m. at the Generation Gap. Music will be furnished by "The Times" and admission is \$1.50.

Adults will be present to sponsor the affair.

Perryton Snatches 1-AAA Track Title

Hereford's defending championship track team was unseated last weekend in the District 1-AAA meet in Dumas as heavily favored Perryton took the title with 147 points while Dumas was second with 120, Tullia third with 109 and Hereford fourth with 62.

Canyon finished fifth with 35 points and Muleshoe was last with a total of 19 points. Perryton will send 10 boys to

No Right Turn On Red Light

Newcomers to this area are reminded by City Judge Jim D. Neill, of the Texas law disallowing the driver to make a right turn from a red signal light in Hereford.

Judge Neill emphasized that the only exception to the rule is when it is stated so on the light.

Citations are being issued every day because of drivers' ignorance on the subject.

Kiwanians Plan Pancake Supper

Tickets are on sale for the Kiwanis Club annual Pancake Day Supper scheduled for Friday, April 25 in the high school auditorium between 5 and 8 p.m.

Admission is \$1 and pre-schoolers will be admitted free. Tickets may be obtained from any Kiwanian.

Main Project Of Progressive Club Planned

Assistance to staff and patients at Westgate unit of Kings Manor, a major service project of Progressive Home Demonstration Club this year, was discussed at the club meeting Tuesday afternoon in the home of Mr. H. L. Hershey.

Mrs. Pete Carnichael was appointed to find what assistance is needed most and how the club can provide it.

Mrs. Charles Gresham presided for business. Mrs. Dean Stallings was selected as the club nominee for county delegate to the Texas H. D. Association convention this spring. Mrs. T. J. Parsons opened the meeting with the pledge of allegiance.

The hostess demonstrated the making of tomato bread, crunchy biscuits and cinnamon rolls. The hot breads were served with tuna salad as refreshments.

Mrs. Lottie Whitten, a newcomer to the community, was a guest and other members present were Mmes. E. C. Hammett, Taft McGee, J. D. Gilbert Jr. and Stallings.

Calendar

APRIL
30 — Alpha Omega Players of California will present the drama, Spoon River Anthology, at First United Methodist Church.

MAY
2-3 — Hereford Community Players to present comedy, Charley's Aunt, in LaPlata School Auditorium, 8 p. m.

Whitefaces Fall To Dumas In First District Game, 5-4

The Dumas Demons took a two-game lead in the district baseball race as they downed the Whitefaces, 5-4 in Dumas Tuesday afternoon.

They had defeated the Canyon Eagles, 8-0 last week to open up the diamond season.

Sheldon White absorbed his first loss of the season as he went the distance for the locals, and Bob Laughry collected his second win of the season for the Demons. White gave up eight hits, walked two and struck out four, while Laughry gave up seven hits, walked one and sent seven Whitefaces down swinging.

Dumas opened up in the bottom of the first inning with two runs, one of which was earned when the Herd centerfielder allowed a ball to get past him. In that inning, the host team collected three of their eight hits.

Hereford evened up the game in the top of the third when first sacker Paul Loerwald got to first via a hit pitch then was advanced to second on a sacrifice by White. Keith Duncan then singled, and both he

and Loerwald scored on a single by Jim Loerwald.

Dumas took the lead again in the bottom of the third when they tallied two more runs. White gave up his second base-on-balls of the game to the lead-off batter in the third and then a wild pitch allowed him to get to second. An error on the Whiteface third sacker allowed one of the runs to score, and a balk by White put the other runner on third. A sharp single then scored the final run of the inning for the host Demons and they took a 4-2 lead at the end of three frames.

Jim Loerwald got things rolling again for the 'Faces in the top of the sixth when he got his second hit of the game. Jim Scott followed up with another single and both runners advanced on a sacrifice by Gary Crume. A triple by Tom McGowen sent both Scott and Loerwald home to tie the score up at 4-4.

Dumas pushed across the winning run in the bottom of the sixth when the first batter singled and scored on an error by the local second baseman.

Hereford threatened in the top of the seventh when White tripled with none out, but he

and Loerwald scored on a single by Jim Loerwald.

Dumas took the lead again in the bottom of the third when they tallied two more runs. White gave up his second base-on-balls of the game to the lead-off batter in the third and then a wild pitch allowed him to get to second. An error on the Whiteface third sacker allowed one of the runs to score, and a balk by White put the other runner on third. A sharp single then scored the final run of the inning for the host Demons and they took a 4-2 lead at the end of three frames.

Jim Loerwald got things rolling again for the 'Faces in the top of the sixth when he got his second hit of the game. Jim Scott followed up with another single and both runners advanced on a sacrifice by Gary Crume. A triple by Tom McGowen sent both Scott and Loerwald home to tie the score up at 4-4.

Dumas pushed across the winning run in the bottom of the sixth when the first batter singled and scored on an error by the local second baseman.

Hereford threatened in the top of the seventh when White tripled with none out, but he

and Loerwald scored on a single by Jim Loerwald.

Dumas took the lead again in the bottom of the third when they tallied two more runs. White gave up his second base-on-balls of the game to the lead-off batter in the third and then a wild pitch allowed him to get to second. An error on the Whiteface third sacker allowed one of the runs to score, and a balk by White put the other runner on third. A sharp single then scored the final run of the inning for the host Demons and they took a 4-2 lead at the end of three frames.

Jim Loerwald got things rolling again for the 'Faces in the top of the sixth when he got his second hit of the game. Jim Scott followed up with another single and both runners advanced on a sacrifice by Gary Crume. A triple by Tom McGowen sent both Scott and Loerwald home to tie the score up at 4-4.

Dumas pushed across the winning run in the bottom of the sixth when the first batter singled and scored on an error by the local second baseman.

Hereford threatened in the top of the seventh when White tripled with none out, but he

and Loerwald scored on a single by Jim Loerwald.

Guests Assist With Program

Visitors from the Philharmonic Club of Amarillo presented a part of the program at a guest day tea of Dawn Music Club Tuesday afternoon in Dawn Baptist Church. Mrs. A. O. Thompson of Hereford's Music Study Club was also on program, reporting on the recent Texas Federation of Music Clubs convention.

Amarillo women who performed were Mrs. William A. Paxton and Mrs. William E. Conway, violinists, and Mrs. C. D. Van Vliet, pianist, who played the Bach Concerto in D Major for Two Violins and Piano, and Mrs. M. M. Laing, who played an organ solo, La Chanson by Hoffman.

New Explorer Post Organized

Explorer Law Enforcement Post No. 33 was formed at a meeting in the Deaf Smith County District Courtroom Tuesday, to be sponsored by the local sheriff's department, District Scout Executive George Ochs reported.

Eighteen local youths founded the post. They are slated to go into the different phases of law enforcement, such as fingerprinting, juvenile delinquency, narcotics, etc., from the angle of learning all they can concerning the various problems. They will meet every second and fourth Tuesday of the month at 8 p.m. Next meeting is slated on April 29 in County Commissioners Court.

Elected president was Keith Anderson. Other officers are John Frank Martin, vice president; Earl Brown, secretary; and Paul Hamilton, treasurer.

Ochs reported that Deputy Sheriff Kirven Roper will act as Explorer Advisor and Sheriff Ed Roberson as Institutional Representative. Chairman of the Post Committee is Chief Deputy Bill Rowland.

On Rowland's committee are deputies Travis McPherson and Gerry French.

They are interested in additional members.

APARTHEID RESISTED
CAPE TOWN, South Africa — City councilors here are resisting government attempts to enforce apartheid on their racially easy-going city.

Recently, the council defied a directive from the Cape Provincial Administration to erect "Whites Only" notice boards at six public playgrounds.

Last year, it refused to put up signs reserving most of the seaside city's beaches for whites. Many of the beaches are traditionally multiracial. The Provincial Administration had to erect the notice boards itself and charge the costs to the municipality.

club president, welcomed guests.

After the program tea was served in the church parlor with Mrs. Clarence Betzen pouring. Centered with yellow spring flowers, the table was covered with lace.

Others who registered were Mmes. Carl Kleuskens, Alfred Smith, Edgar L. Sowell, Roy Manning, Leroy Johnson, H. V. McCabe and J. B. Caraway, Miss Bette Stewart, Mrs. Floyd Coleman of Hereford.

Spring Rituals Of BSP Held

Spring rituals in which new members were received and others advanced in the sorority, were conducted for Beta Sigma Phi Tuesday evening at Community Center. The City BSP Council was hostess to all three chapters.

Advancing from the exemplar chapter, Xi Epsilon Alpha, to

Alpha Alpha preceptor chapter were Mmes. Larry Summers, John Schneider, James Shearer and Van Nichols. Mrs. R. J. Cramer preceptor president, directed the ceremony for this group.

Mrs. John Claypool, president of the ritual chapter, Kappa Iota, conducted the ritual of je-

wels in which Mmes. Geae Steers, Gerald Turnbow, Kenny Ruland and Lynn Poarch were initiated to full membership after being pledged last fall.

Received as spring pledges were Mmes. Edwin Axe, Bob Pittman, Gerald Payne and Bill Lyman, with Mrs. Claypool conducting that ritual also. Setting for the rituals was a table centered with the sorority flower, yellow roses, flanked by candles in symbolic colors.

On the hostess committee which served refreshments in an informal social period were Mrs. Delbert Bainum, XEA president; Mrs. J. D. Hamblen,

TRUE FISH STORY

CAPE TOWN, South Africa — Somewhere in the sea off Cape Town is a large tuna towing several hundred feet of fishing line and an expensive rod. Retired railway artisan Louis Boshoff, 64, had hooked the big fish from the shore and was playing it when it jerked him off his ledge among some rocks. He landed on a reef exposed by the low tide and lost

council president; Mmes. Harold Beauchamp, Gary Braden, Jim Cramer, R. J. Cramer, and Claypool.

the rod. Boshoff injured his leg and as he could not climb 1,000 feet to the top of the cliff a boat took him off.

CHOIR GOING ON TRIP — The Crusader Choir of First United Methodist Church, composed of fourth, fifth and sixth graders, will leave at 7 a.m. Friday for Oklahoma City, to take part in the Oklahoma Conference Junior Choir Festival this weekend. Only choir from outside Oklahoma to appear in the festival, the Hereford group is taking part by special invitation. Directed by Robert M. Wert, the 27 girls and 25 boys who make up the choir

will be accompanied by 17 adults on the trip. More than 40 choirs will participate in the festival and more than 1200 children will sing in the massed concert at 3 p.m. Saturday in Oklahoma City University fieldhouse. Each choir will also make an individual appearance; in their own concert the Hereford youngsters will sing three selections, Praise Ye The Lord, Prayer of Dedication, David and Goliath.

—Small Talk—

By SUE COLEMAN
Women's Editor

Nearly everybody I've seen lately has complained about being too busy this week, with prospects of being even busier next week, and all I can do about it is say, "Me too!"

NOT THAT IT is unexpected; it happens every year about this time and there's no hope for a slow-up until the end of school. Trouble is, nearly everybody puts things off "until spring", then suddenly realizes that here is spring and not much done yet, and it all must be done before school is out and vacations begin; so comes the rush.

The result is a deluge of social doings on top of all the other doings in women's clubs, and they may be fun but they certainly keep me on the go.

It's been fun to go to the Pioneer Study Club's anniversary tea and the AFS reception for the foreign students and Dawn Music Club's guest day tea and Beta Sigma Phi ritual night, and the TOPS Club cele-

bration of state honors won by a member, all in a week, but it hasn't been easy to get the regular work done too.

SOME OF THE weeks ahead look no less crowded, so it behooves me to remind club reporters and people who have parties or announcements for note in the paper, that time is of the essence, whatever that means, I think it means to hurry up, which is my message.

Please don't wait until the last minute, or even a late minute, to call. And if I'm out, as well may be, leave a message or your phone number — both won't hurt — and give me a chance to get your story along with all the other exciting ones. Don't want to miss a thing.

SPEAKING OF the TOPS Club, it was celebrating with Laverne Short, who has lost enough weight to make her 1968 runner-up to the state queen in the organization which has just one purpose, helping members take off pounds they need to lose.

Laverne went to the state convention at Houston to receive her crown and trophy, and resolve to keep right on with her weight loss program until she is just right in size for her height. Her trip by plane, with her family, was a gift from her husband. He has relatives in Houston, whom he and the children visited while she was at the convention.

Always a pretty woman, Laverne is getting to be a glamorous one as well as her new figure is revealed. At 141 pounds she is mighty good looking, but just wait until she loses the 19 more pounds in her plan!

Her success is more than personal; she has sparked the TOPS Club here to a record membership. Anyone can look at her "before and after" pictures and decide that it's well worth while to stay on the diet the doctor recommends, and stay in the club for the support of other members who help watch the weight.

Italy is second in world production of olive oil with 9 percent of all olives grown used in olive oil.

Year's Study Ends For LAE

Final program in a year's study on Cultures Of The World was presented for La Afflatus Estudio Club Tuesday afternoon by Mrs. Earl Clark and Mrs. Sam Morgan. The subject was A Study of Russia.

Mrs. A. H. Cook was hostess in her home and a guest was Miss Gillian McArthur, a visitor from Edinburgh, Scotland, in the home of Mr. and Mrs. A.B. Higgins, where she spent a year

as an American Field Service student in Hereford High School.

The club will close its session May 6 with the annual spring luncheon.

Members present were Mmes. W. F. Johnson, Emmett Hale, S. C. Ramey, Al Hewitt, George Suggs, B. A. Reddell, W. F. Markham, T. W. Roberts, Higgins and those on program.

GRAVESIDE RITES HELD

Graveside funeral rites for Sammy Barba Jr., infant son of Mr. and Mrs. Sammy Barba of 335 Ave. J., were conducted in St. Anthony's Cemetery Tuesday morning by the Rev. John Broderick, pastor of St. Joseph's Catholic Mission. The baby, born Monday, died in a hospital here. Survivors are the parents and grandparents.

Growing Old?

There is nothing like a fiftieth anniversary class reunion to cause the remembering of one's age.

Just a few years ago my sister — no one else would have dared — send me a book entitled, Gee Whiz! I'M OLD! Though it was cheerfully and lightly put, I thought this does not apply to me. But I did owe it to her to read it, which I did and put it aside. I will read it again when that time gets here, I promised myself.

So now with the 1919 Hereford High School Class Reunion set for Pioneer Day, May 30th, I will accept the fact that I am no longer young. And I do so, I hope gracefully. However I will admit last summer while on vacation I began to get an inkling of the fact.

When the conductor greeted me as I boarded the train with, "Honey, going some place?" I knew it was not my youth or beauty that was the cause of this sweet talk.

Again later a bus driver put his arm across my shoulders in understanding of a problem. This was not because of my charm as I was too concerned at the time to use it — if I ever had any!

The amusing thing about these incidents, both men were as silver-haired as I. . . silver is better than white I console myself. Men are as reluctant to admit aging as women.

Again later a young man I had gotten to know, adopted me as his grandmother, though he could have been my great grandson. I felt flattered and accepted the honor with pride. And still another professional young man adopted me as his grandmother — as he had only one. I liked that!!

At last I have accepted the fact that it is my age and not my personality which bring these honors and attention.

There are some compensations for growing old! I am pleased over the number of high school and college young friends which I have. They like to come to my home for talks and a social hour now and then.

Still other friends, a quarter of a century younger, accept me as their contemporary — at least they say they do and act it. I treasure these people too.

If all this and other little things which occur now and then are a result of age, I accept it gladly and wholeheartedly.

Now I will get out the book which my far-seeing sister sent and reread it with perhaps a great deal of appreciation.

—Corinne Jowell Neely

4 Members Added By Rebekahs

Initiation of three new members and welcome to another received by transfer, marked the meeting of Hereford Rebekah Lodge Tuesday evening at the IOOF Hall. Mrs. Leonard Davis presided as noble grand, as new officers began their duties.

Mr. and Mrs. Douglas Bryant and Mrs. Jim Loving were initiated to membership and Mrs. J. R. Freeman, transferred from another city.

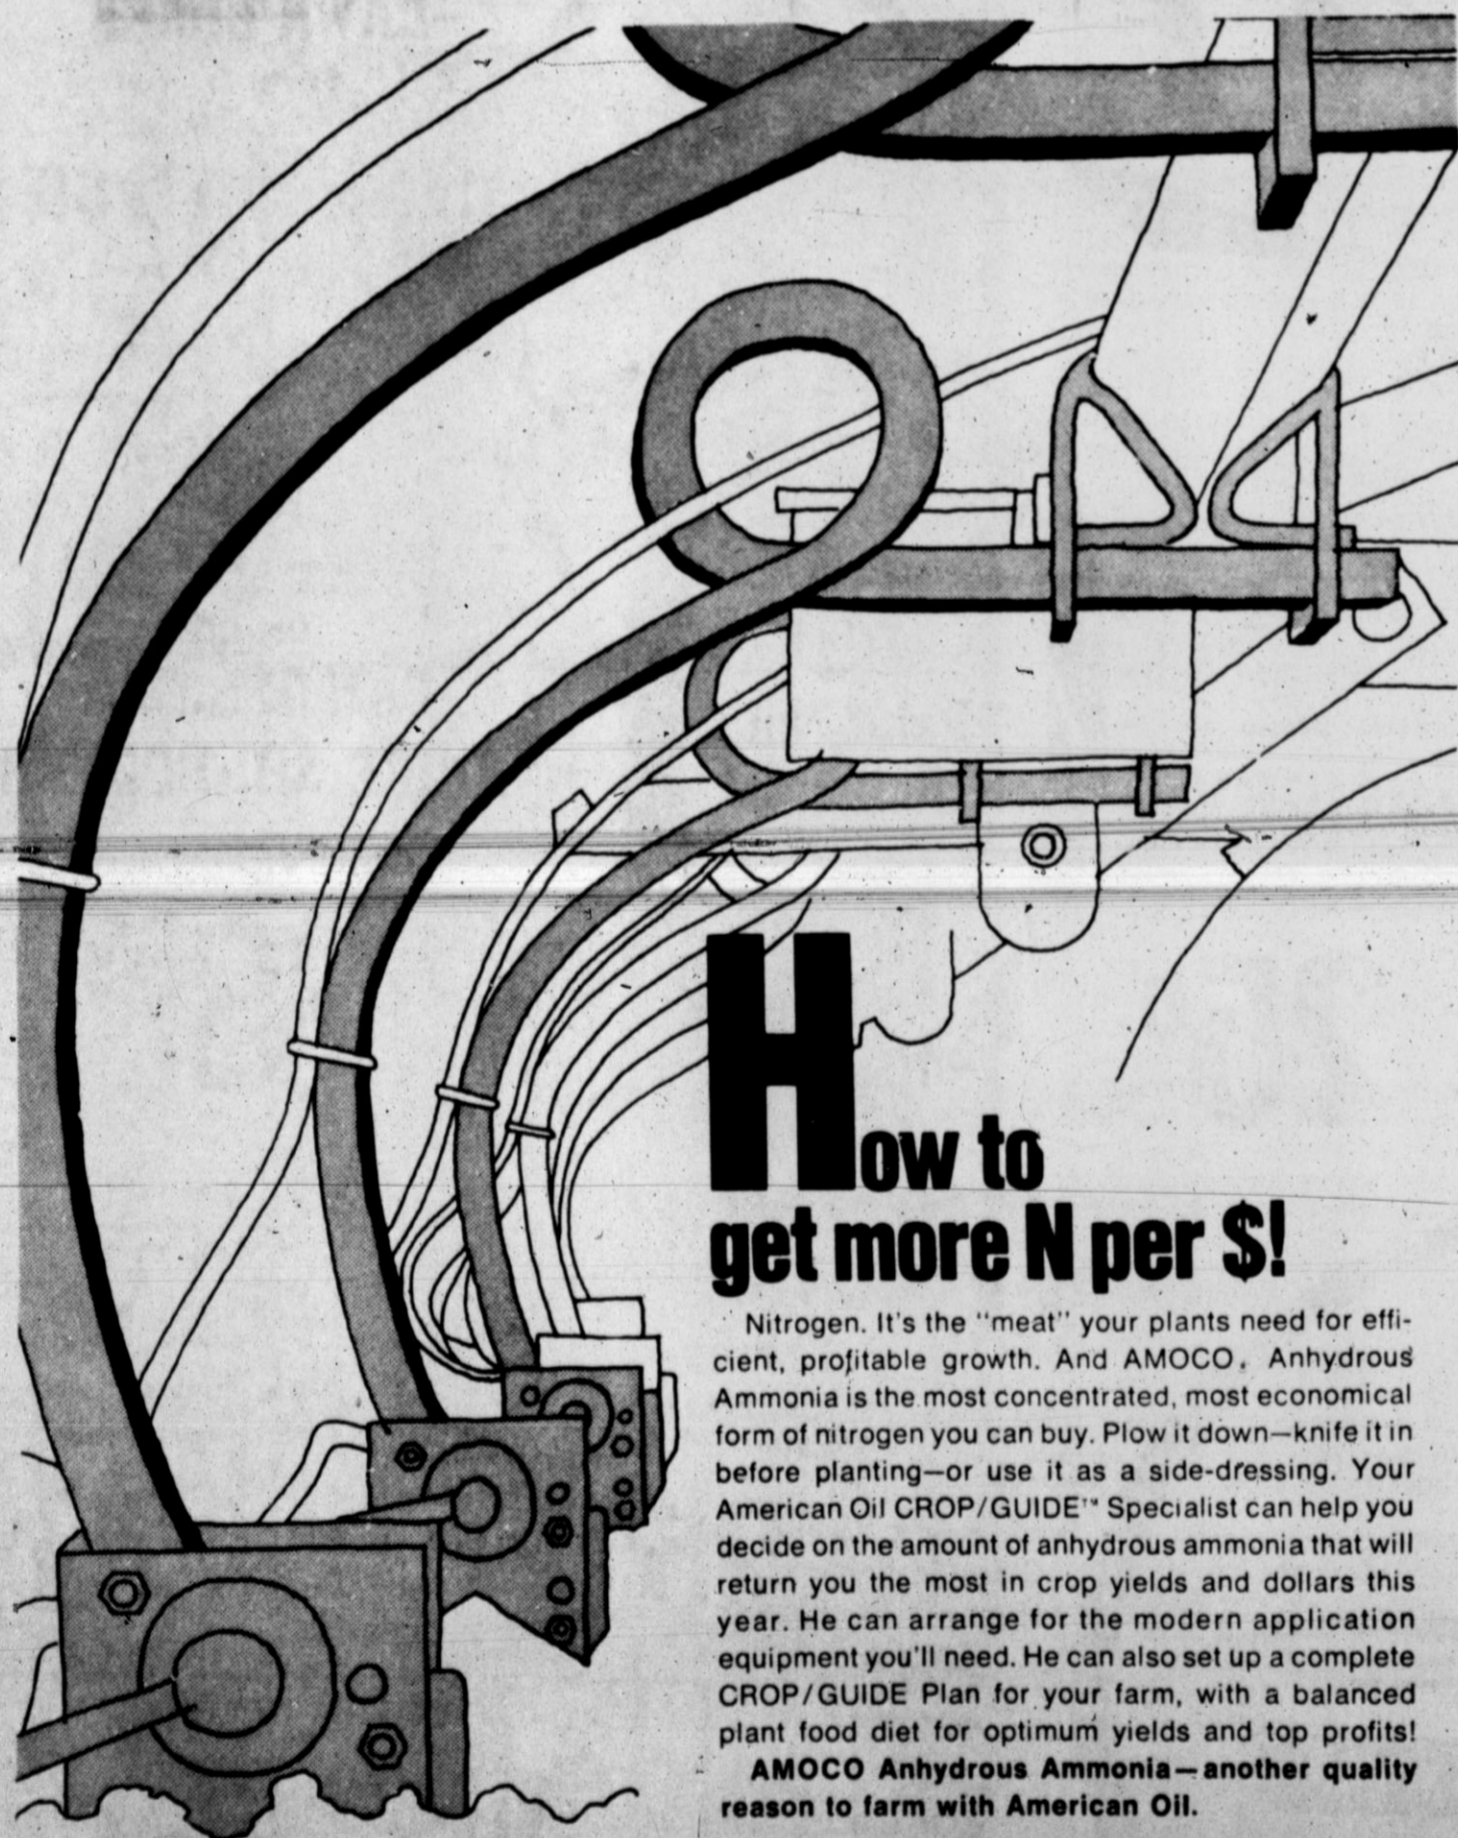

A gift to Mrs. Roy Manning from the Friona Lodge, in appreciation for her services as deputy president of District 5 in a term lately ended, was presented by Mrs. Charlie Wise, who also presented her own gift of appreciation. Mr. and Mrs. Wise were visitors from the Friona Rebekahs.

Mrs. Ben Conklin and Mrs. Clarence Beauford were hostesses for the evening and served refreshments after the program.

CANCER CRUSADERS — Deaf Smith County unit of the American Cancer Society reported a total of \$2,035.31 was collected here (house donations, advance gifts, etc.) through Tuesday — with the amount due to rise from the rural volunteers through county contributions not yet collected in full. Approximately 100

Hereford volunteers (several are shown here) covered Hereford Monday night with cancer information and received donations. County chairman Herman Ford and residential chairman Mrs. Brenda Thomas (her second year in this post) are shown conversing in the background in the picture at top left. —Staff Photo

At The Library

Pro's Football Life Revealed

The joys and pains of professional football are revealed in a new book which can now be found at the Deaf Smith County Library.

The name of the game is agony — the agony of persuading the body to absorb another football season of punishment, the agony of pushing oneself almost beyond the limits of physical endurance, the agony of defeats suffered and pains endured.

But the name of the game is also ecstasy — the sheer joy of sharing ultimate victory with thirty-nine other strong young men — and in **INSTANT REPLAY: THE GREEN BAY DIARY OF JERRY KRAMER**, both the agony and the ecstasy of professional football spring boldly into life.

Day-by-day, with perception, honesty, humor, and startling sensitivity, one of the game's greatest players — perhaps the only player in pro-football history who is as comfortable reading Thoreau as he is destroying 280-pound defensive tackles — goes far beyond the headlines and reveals exactly what it is like to be a member of the

world-champion Green Bay Packers.

"I've worked hard at professional football," writes Jerry Kramer, in the introduction to his diary, "and professional football has worked hard on me. During my life, I've submitted, not always cheerfully, to twenty-two operations, most of them major, many of them the direct result of football injuries. I was given up for dead once; everyone, including my doctors, thought I had cancer. I've got lasting scars from the top of my head to my ankles; for all my stitches, my teammates call me 'Zipper.' I've been told at least three different times that I would never be able to play football again, but I've kept coming back to play."

"Why? I'm not sure. That's one of the reasons I've decided to keep this diary of my 1967 football season. I'm thirty-one years old now, and I have no pressing need for the money, much less the aches and scars, I'll earn during my tenth professional season. But perhaps, by setting down my daily thoughts and observations, I'll be able to understand precisely what it is that draws me back

to professional football."

By the time the season ends, Kramer understands — and so does the reader. The diary goes inside the training room, to watch Max McGee a droll and gifted end, taking a shot of Novocain before a game; inside the stormy movie session, to hear Coach Vince Lombardi screaming at his payers for their stupidity and their laziness; inside the scrimmages, to feel linebacker Ray Nitschke's forearm flailing and elbow jabbing; inside the huddle, to study quarterback Bart Starr picking his plays; inside the locker room, to hear the gags and the groans of the most successful team in professional

football.

Kramer hides nothing — not his own mistakes, not the mistakes of his teammates, not the rantings of his coaches, not the doubts and frustrations that pursue him through the season. His teammates, his coaches, and his opponents — the ones he respects and the ones he hates — parade through the diary and, stripped of their protective helmets and shoulder pads, emerge as thoroughly believable human beings, proud and eager, fierce and nervous.

Next to playing a full season for the Packers — an exquisite torture not recommended to everyone — **INSTANT REPLAY** is the perfect guide to the vic-

Action Program Meeting Is Set

Community Action Program has scheduled a meeting at 8 p.m. today in Hereford Community Center, according to Bill Thompson, manager of the Deaf Smith County Chamber of Commerce.

Thompson said that a speaker from Amarillo will discuss various issues concerning both rural and urban communities to organize and implement anti-poverty programs.

lent and often hilarious world of professional football.

Garcia News

By MRS. S. N. THWEATT
Brand Correspondent
Ms. N. A. Brown spent the past week in Deaf Smith County Hospital and was dismissed Monday morning. She is now home and showing improvement.

Mrs. Wayne Lady and children and Mrs. Marge Perry, all of Hereford, and Mrs. H. D. Buse visited Mrs. S. N. Thweatt Thursday. Mrs. Perry had spent a couple of weeks in Deaf Smith County Hospital.

Mr. and Mrs. Bob Byers and children of Hereford spent Sunday with the John A. Jones family.

Mr. and Mrs. Inman Larson of Hereford visited Mrs. S. N. Thweatt Monday.

Mr. and Mrs. Ted Pinkerton of Woodward, Okla., spent the weekend visiting Mr. Pinkerton's mother, Mrs. G. E. Pinkerton.

Mrs. Leo Webb of Amarillo was the guest of Mr. and Mrs. S. N. Thweatt Thursday.

Mr. L. W. Potts of Clovis, N. M. father of Mrs. N. A. Brown, passed away Tuesday morning after a short illness at a Clovis hospital.

Messenger Home Demonstration Club met in the home of Mrs. George Bumpass in Hereford Friday. Six members were present. Mrs. Bill Page gave the program on Hazards No. 5: Poisons. After the meeting, Mrs. Page and Mrs. Sorrells were honored with a birthday party. Gifts were given, with a birthday cake, punch and coffee served by the hostess. The next meeting will be held in the home of Mrs. Elton Sorrells. The topic will be Opportunity Plan by a guest speaker, Milton Morris.

A small amount of moisture fell over the weekend — some getting as much as a half-inch. The grass is peeping up and the wheat that hasn't died is growing now, giving the ranchers some pasture.

Mr. and Mrs. Wayne Lady and children, Mrs. Marge Perry, Mr. and Mrs. George Bumpass and Danny of Hereford were the dinner guests of the H. D. Buses Sunday.

CARD OF THANKS

I want to thank all of my friends and neighbors for the lovely flowers, cards and letters that I have received. I am with my daughter, Nora Jean Gelfen, 216 Willow Wood, Leveland. I am feeling fine and enjoy hearing from all of you.
Mrs. W. H. Russell

PRESENTED GAVEL — Paul Hendon, left, is being presented the president's gavel by district Key Club Lt. Governor Mike Hausman, of Palo Duro High School of Amarillo. Hendon is the newly elected president of the local Key Club, succeeding John Stagner. —Staff Photo

By MELVIN YOUNG

A friend of ours, who is currently kicking the cigarette habit, wonders how "to kick the mint habit."

W. T. Thompson, manager of the Deaf Smith County Chamber of Commerce, reported Monday that he had received a call from a person with the census bureau in Washington, D. C., inquiring about the reason or reasons for Deaf Smith County's phenomenal growth since 1960. Apparently, Deaf Smith County is the only county in the United States with an agricultural base that has shown a 50 per cent increase in population. The census bureau would like to know why.

The Washington official says that a report will be forthcoming, probably the latter part of June. By the way, their estimates have it that Deaf Smith County now is called home for some 21,000 individuals. That may or may not be right, but we'll find out next year.

And John Machek, a representative of U. S. News and World Report, has been in Hereford this week gathering material for an article on the cattle feeding industry. Perhaps when Mr. Machek is through, he can tell the census bureau what has caused the area growth.

According to the Plymouth (Wisc.) Review, the first lesson of self defense is to leave your glasses on.

Have received some reports from Burson Lake and apparently fishing is good.

The New York Jet's star quarterback, Joe Namath is apparently in trouble with the law again. Namath may have more difficulty squeezing out of this tight spot than he does on the football field.

Corinne Neely, who recently enrolled in a journalism class, has been writing a few short articles. One appears elsewhere in The Brand today. Others will follow — probably not regularly, but often if we can keep Corinne writing. Today's article is entitled "Growing Old?"

And middle age, we're told, is when you look forward to a dull evening.

RECEPTION HONOREES — Mrs. Gid Brown, left, president of the Hereford American Field Service chapter, chats with Gillian McArthur of Scotland, former AFS student in Hereford High School who is here on a visit, during a moment's rest at a Sunday afternoon reception for AFS stu-

dents of the area, past and present. They stood in the receiving line, as did, from left in the other photo, Gene Batard from France, now a WTSU student; Mr. and Mrs. Harold Vorbeck of Quito, Ecuador and Lubbock.

Scotch Girl Visiting

Past And Present AFS Students Are Honorees

Back for a visit with friends she made in Hereford as a high school student in the 1961-62 term, Miss Gillian McArthur of Edinburgh, Scotland, was specially honored at a reception Sunday for all students attending high schools in this area under the American Field Service program.

More than 80 persons registered at the Community Center during the afternoon party, hosted by the Hereford AFS Chapter. Girls of the Future Homemakers of America from Stanton and LaPlata Junior High Schools assisted with hostess duties; the FHA here sponsors one foreign student of the two who attend HHS each year.

Mrs. Gid Brown, president of the AFS chapter, received callers with Miss McArthur, Mr. and Mrs. Harold Vorbeck of Lubbock, Rene Batard and Miss LaQueta Keahey of Canyon.

Mrs. Vorbeck is the former Miss Eugenia Alexander of Hereford, who attended school a term in Denmark as an exchange AFS student. She is the daughter of Mr. and Mrs. Leon Alexander, now of Lubbock, and with her husband is spending two years in that city while he studies in Texas Tech. Their home is in Quito, Ecuador.

Batard, AFS student from France in 1965, returned to Texas this year to enter West Texas State University after completing his military service in France. Miss Keahey, also a WTSU student, is his fiancée.

Also introduced to guests at the reception were Miss Maria Selva, Italian girl who is attending school in Vega this term, and Miss Mona Farran, student at Tulia whose home is in Beirut, Lebanon. Miss Carla Schuster, her American "sister," accompanied Miss Farran.

Theo ten Have, student from Holland who is an HHS senior this year, was another honoree. Miss Sharon Watson, English girl who is the other local AFS student, was not able to be present because of a previous engagement for the afternoon.

Among the guests were two former Hereford couples, both now living at Clovis, N. M., who were hosts to AFS students in their homes in past years. They are Mr. and Mrs. Earl

Baptists Begin Revival Sunday

The Westway Baptist Church will open a revival beginning Sunday, April 20 and lasting through April 27, according to the Rev. Jackie Lee, pastor.

The Rev. Cecil Foster, pastor of the First Baptist Church at Kress, will be the visiting evangelist. Song leader, also from Kress, is Bobby Sisemore.

The morning services will be held at 10 each day and the evening services at 8.

Town & Country

By **MRS. T. B. THOMAS**
Brand Correspondent
Mr. and Mrs. Jack Willis and her mother, Mrs. Hattie Weed of Las Vegas, Nev., were recent guests of Mr. and Mrs. Paul Hoff. They were enroute home from Florida.

Mr. and Mrs. Andrew Kershen accompanied by her mother, Mrs. Teresa Eder, were in Scottsby, Kansas, on Friday. Mrs. Eder had been visiting here for two weeks and returned home. She was hospitalized soon after her arrival there.

Mr. and Mrs. T. B. Thomas spent Friday night in San Angelo for the NIRA rodeo sponsored by the Angelo State College. Hereford participants were David Hill, Larry Noland, Wade Lewis, Deborah Thomas and Dan Thomas. The Thomases returned home on Saturday night. They visited in Lamesa with Mr. and Mrs. Lyndal Sharp and family and Mr. and Mrs. Joe Canon and family.

Mr. and Mrs. J. C. Morrison spent Sunday afternoon in Wildorado with their son and family, Mr. and Mrs. Raymond Morrison. They have recently moved there from Kerrick.

Mr. and Mrs. Paul Hoff visited on Sunday in Matador with their son and family, Mr. and Mrs. Paul Hoff, Jr. and Deanna.

Mr. and Mrs. Dale Blakney and daughter and Mr. and Mrs. Elmer Anderson of Plainview spent Sunday with Mr. and Mrs. Ed Blakney. They had an early celebration of the Ed Blakney's 51st wedding anniversary.

Mrs. Sadie Shirley and Mrs. C. A. Saucy were in McAllister,

Okla., where they visited Mrs. Shirley's father, W. C. Barnes, who has been quite ill. Mrs. Saucy visited her sister, Mrs. Raymond Lawrence, in Atoka, Okla.

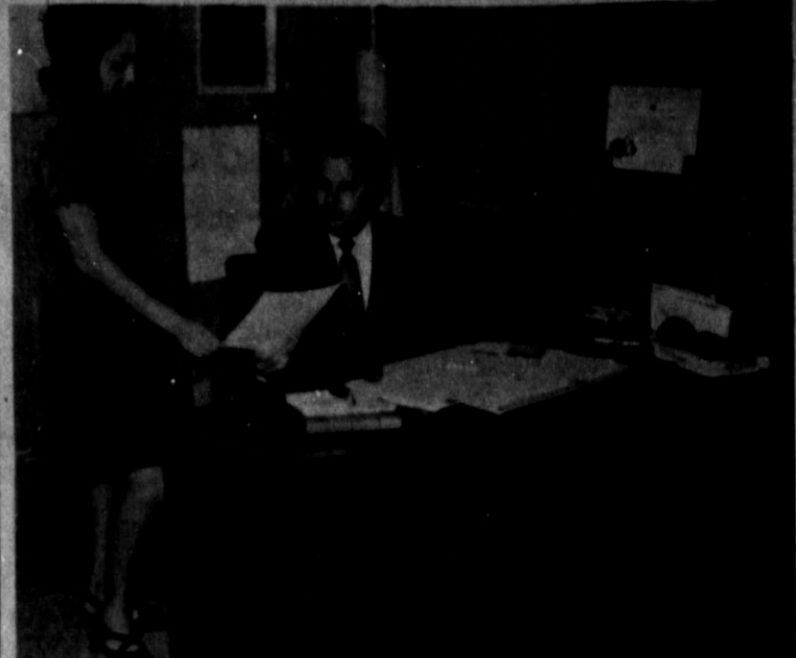

Saturday night guests of Mrs. Bess Werner were her two nephews, Bob Ridgeway of Vian, Okla. and George Ridgeway of Vandalia, Mo. They visited in Amarillo with their parents, Mr. and Mrs. Gordon Ridgeway.

Wallace Roach and two friends of Odessa spent Monday in Lubbock and here with his uncle and family, Mr. and Mrs. George Turrentine.

Mr. and Mrs. J. W. Peavy of Dallas were joined here by their son John of Albuquerque to visit with Mrs. Jack Renfro. Mrs. Peavy and Mrs. Renfro are sisters.

Mr. and Mrs. Ted Richardson of Mt. Pleasant were Friday visitors in the Everett McIntosh home. The Richardsons are former residents.

Lavonia and Jim Harris of Amarillo accompanied by friends visited on Sunday with their grandparents, Mr. and Mrs. Everett McIntosh, and Mrs. Fredie Harris and girls. Angelia and Samantha Harris returned to Amarillo to visit with their aunt and family, Mr. and Mrs.

D. E. STUDENT OF THE WEEK — Shown here is Hereford High School Distributive Education student Frances Perez on the job with her training sponsor Eugene Campbell of Campbell & Cramer Real Estate. Miss Perez is a receptionist.

ARTILLERY POSTS

ABLENE — Clinton P. Christman and Jasper K. Justice, both of Hereford, have been assigned to Field Artillery in assignments to ROTC cadets of Hardin-Simmons University.

NEVER ON SUNDAY

PRETORIA, South Africa — A local magistrate convicted the owners of a miniature golf putting course for staying open on a Sunday. Under South Africa's Sunday Observance Act, which also forbids public dancing on Sundays, the business was fined Rands 30 (\$42).

No Injuries In Wreck Saturday

No injuries were reported by investigating officers in a two-car collision Saturday at 7:10 a. m. at the intersection of Hwy. 60 and Lee Street.

Mrs. Don Chaney, who was driving a 1969 Plymouth station wagon, was traveling east in the 200 block of West 60 when a 1959 Ford driven by Elpidio Martinez pulled into the path of the Chaney car, causing the collision.

Damage to the Martinez car was \$300 and damage to the Chaney vehicle was estimated at \$200.

Martinez was charged with

improper clearance and no driver's license.

Pack 51 Makes Tour Monday

Cub Scouts from Pack 51 met Monday in the home of their den mother Mrs. Mary Sledge and went on an outing to a local fertilizer business.

Each of the boys were assigned a project which they planted and are required to care for.

Mrs. Leanna Walterscheid, assistant den mother, drove the boys to the outing and refreshments were furnished for the pack meeting by Mike and Greg Hacker.

A good lawn not only beautifies property but acts as a natural air conditioner. In hot weather grass reflects heat, and in the winter absorbs warmth that might otherwise escape.

SUPPORTING YOUR TOWN

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a two-line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertising. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town but refuses to advertise his own, is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising business man".

P. S. How many new residents and out of town shoppers saw your name and business today; this week?

Glady's Garden

By Gladys Howton Manjeot

When I was a little girl I used to steal away and find a restful place where I could lie down in the grass, and look up into the sky and dream — dreams. Also built air-castles in the sky, and watched the clouds go swiftly by and imagined many things that I could see shaped in them. It was real fun and I never felt that I had wasted time.

It is good for us to dream dreams and seek to make plans for the future. Years ago I became interested in the future of boys and young men. This really became very serious when our son Lloyd started growing up and we had other boys in our home. From day to day I was made to realize that they were pretty wonderful and very deserving of every attention, kindness or bit of helpfulness we could give them.

When I was nominated for Governor of District One Texas Garden Clubs Inc., I told them I would not consider it unless I could have a worthy project. They gave me permission. The project was established, and dreams began to be fulfilled. My project was to establish an educational scholarship to be awarded to a young person attending Texas Tech. and one that was majoring in Horticulture or a kindred subject. To raise funds, we edited a book entitled "Planting for the Plains" (and for the future). The books were sold. We made enough money to pay the scholarship for two years, and to deposit eighteen hundred dollars in a saving account. The accumulated interest to be returned to the deposit and in time to add enough to the initial amount to make itself sustaining. The dream has come true. At the recent annual meeting of District One TGC Inc., it was announced that the Scholarship Fund would now be paid by accrued interest. To make this really good, this year we have three students who are being helped by our scholarship.

Don't ever quit dreaming, and building air-castles, they can be realized! Plan and dream about your gardens, and the beauty that you wish to create. Anyone who works hand in hand

with the Master Gardener is sharing, and giving beauty for others.

Now about the BLUE MOON. Am sure that many are familiar with the old adage, "Once in a Blue Moon." I have heard my mother and grandmothers say it many times. What does it mean? How did it start? It came into being from the fact that during the calendar year in some months we have two full moons. Since this is not frequent, the second full moon is called the Blue Moon. Therefore the old saying "Oh, it may happen once in a Blue Moon" was started. If you want further information of this, refer to the Almanac or call Horace Hershey, he is the person who called my attention to it. . . . I was GLAD. I always like to learn new things. Then too it gives us more planting days, in the light of the moon. By the way since I have mentioned planting do not get in too big a hurry. Plants and seed put in the cold ground will not do as well as those planted

ROTARY CLUB GUEST — Gene Brock, head of the Special Education program in Hereford, was the guest speaker Monday at Rotary Club. A film entitled "It Can Be Done" was shown by Brock, giving information about Camp Wig Wam, a one-week summer camp for retarded children between the ages of 12-21. Brock sent out an appeal for sponsorships to send these youngsters to the camp which is held June 22-9, north of Amarillo. Staff Photo

when the ground has warmed. When the soil is warm and well prepared the tiny roots will take hold sooner and thus the process of growth will be more satisfactory.

Gladiolas can be planted now, so that we can have Glads early. Before planting the corms soak them in warm water, in which you have put Clorox. For directions add 2 tablespoons full of clorox to one quart of water. Completely cover the corms, and let soak at least two hours before putting out. The corms should be cleaned before placing them in the solution. Plant gladiolas about every two weeks, until the 5th of July and there will be a continuous bloom. Use them for accent plantings, and they are also nice planted in the vegetable garden, especially those that you wish to use for cut flowers.

Give the rhubarb some extra attention now, their tiny leaves are coming out, and they should have a feeding, and a thorough watering, this to be done at least every week (that is the watering).

All perennials should be divided, and replanted, old roots and dead materials destroyed. Flower beds dug deeply, mulched, and thoroughly watered.

In recent weeks, when the daffodils were so beautiful, I have been asked what is correct as related to the genus. The generic name is the one standing first and beginning with a capital letter. When one goes into the naming of a plant family be sure and take note of this.

In England and Holland which are great countries where horticulture is much emphasized, study and care are given to the plant genus. In these countries the first name capitalized is Narcissus Poeticus. Daffodils and Jonquils are of this family. (In America often Daffodils is called first but this is incorrect). All three are of the same genus. There is an interesting Grecian myth connected with the name Narcissus. A youth who fell in love with his own image, which he saw reflected in a pool, stayed by the pool-side all of the time, until he finally pined away. The gods changed him into a flower and the name given the flower was Narcissus. Is rather a sad sweet story, and the Narcissus do have a sweet fragrance and many are very dainty and drop their heads as in sadness.

The Narcissus is probably one of the most universally loved flower, of the springtime. It is grown from a hardy bulb. Has many species and is indeed one of the loveliest of all early spring flowers and is suitable for cultivation in many ways. It is dramatic when planted in a naturalistic area, in woodlands, or at the edge of the lawn in rifts. They are very effective in mass plantings, and are often used as accent planting in a landscape design. Several years ago while attending a symposium in Dallas, I heard a noted horticulturist lecture, and his topic was on spring flowering bulbs. His favorite was the narcissus, and he described his estate, and told of the thousands and thousands of flowering spring bulbs he had planted using predominately the Narcissus. He used them in great drifts in the woodlands, and many were planted at the base of the large trees. They like closeness, therefore it is not advisable that they be planted in straight rows, away from shrubs or the house.

Keep in mind while making purchases for your plantings for the coming season to shop carefully and know what you are buying. For instance I have seen displayed for sale on a long table, dahlias, gladiolus, irises, peonies, lilies, and all were called bulbs. This was wrong. All lumpy meaty underground structures are not bulbs. For example a gladiola is a corm, dahlias come from tubers, irises from rhizomes, lilies from bulbs, also tulips. There is a difference in their structure. A true bulb is made up either of fleshy scales (as in the lily) or tunics (concentric coats as in the onion and tulip bulb). The onion is in a basal plate from which the bud grows and becomes the above ground plant. A corm is similar to a bulb, but is solid instead of being made up of scales. A tuber is a thickened underground stem with buds on the sides or top. A rhizome is a thickened underground stem with the growing tips at one end or at a joint.

Since most bulbs, tubers and corms originated in parts of the world where water was scarce, they dislike excessive moisture. Therefore good drainage is important, and very essential to their well-being. Do not plant either of these where water stands after a rain, which is indicative of poor drainage. Soil is an important factor also, and it is well to remember that rich soil is a disadvantage. Most of these were developed where the soil was thin. Rich soil causes them to split into tubercles. Gardeners often have this difficulty. Their tulips flower well the first year, and probably the second, then divide their bulbs and this causes them to send up only single leaves, and no blooms. Go look over your plantings of spring flowering bulbs and note this characteristic. I know exactly where I have some single leaves growing, and no flower blooms this spring. Members of the Narcissus family can be grown from seed, bulbs and bulb cutting; the latter however is seldom done by the amateur gardener. Some growers advise replanting of the bulbs every three years. If you plan to do this do not dig until the foliage has completely died down. Then carefully lift the bulbs, break off the new small bulbs. Store for fall planting or they can be replanted as you lift and divide them. It is important that all of the old flower heads be removed from all spring flowering bulbs, if left they will take strength from the bulb and the blossoms will be inferior.

Have you SEEN? The Rosy Beauty on Centre Street? Enter the street from Park Avenue and proceed north, the flowering trees are almost breath taking. Another beauty spot is at Mrs. Jack Renfro's, the driveway has many pretty flowering trees and with the lovely Colonial house as their background, indeed a pretty sight. Slow down as you approach the Armstrong Nursery and notice the dainty pretty white plum blossoms, and fill your nostrils with their fragrance. . . yum yum. . . sweet! There are many beautiful plantings of tyllips in Hereford now, they are so num-

erous I dare not try to name them. In the rural area there are also lovely blossoms. The red tulips at Art's Corner are strikingly beautiful. In the morning sunshine they glow, and shine. We also saw some haughty, colorful ring neck pheasants, so colorful, and many other birds, that Art could name even while in flight. The late evening sun gave the meadow lark burnished wings, as they took flight to the pretty flowering trees.

The annual Spring meeting of District One TGC Inc. was good. Many excellent speakers, and Horticulture was much emphasized. This pleased me, as I am always so interested in new methods, new plantings etc. It was an extra happy convention for our Hereford Gardener Club in that we received first place on the Sears Entry in Civic Development (our project is landscaping the grounds at the Camp Fire Hut) The money received will help. To Mrs. Hill and her committee sincerest congratulations. Real thrilling for our president, Mrs. Ray Johnson to receive the largest number of awards given to any one club in the district. We are very proud of our members and the chairmen.

Yes I was made very. . . GLAD.

A Tussy Half Price Deodorant Sale to top all Sales!

All Four Famous Deodorants, including the convenient family spray, at fabulous savings!

For the first time . . . TUSSY SPRAY DEODORANT — the convenient family size (7 oz.) regularly \$1.50 NOW JUST **75¢**

AND ALSO AT 1/2 PRICE:

- CREAM DEODORANT — smooths on, absorbs quickly

Announcing the first car of the '70s at 1960 prices.

FORD MAVERICK \$1995*

(You don't have to read it all—but it's nice to know it's all there.)

- Most new cars look like other cars. But when the word gets out that something really different is on the way, rumors run wild. Few cars have caused as much talk as Maverick. Ford's new entry in the small car field rivals the economy imports in price . . . but tops them in power, performance, passenger room and luggage capacity. We've been bombarded with questions about Maverick. Now, for the first time, here are the answers.
 - Q. Why did you build the Maverick?
A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas.
 - Q. Why did you call it Maverick?
A. You know what a maverick is. A Maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compact and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.
 - Q. Why did you make it this size?
A. Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import and its trunk can handle all the luggage for a family of four, including a set of golf clubs.
 - Q. What do I get for the price?
A. You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electronic wipers. Safety belts. Head restraints. Plus convenience like armrests, coat hooks, lighted heater controls . . . important little things that add so much to your driving comfort.
 - Q. What about options?
A. You can get em if you want 'em. You can order integral air-conditioning (it's built in, not hung on). Other options include 3-speed automatic or low-cost semi-automatic transmission; and a hefty 200 CID Six. But lots of people won't put an extra cent into this car. Because it's all there. A complete car all ready to drive home.
 - Q. What kind of gas mileage can I get?
A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.
 - Q. What kind of power does Maverick have?
A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.
 - Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?
A. Maverick can U-turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change if you've been driving any other American car, you'll find Maverick's neat size adds up to 5 1/2 feet to any parking space.
 - Q. Can Detroit really build a small economy car that's tough and long lasting?
A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years; that ought to tell you something about its rugged durability.)
 - Q. How about parts and service?
A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.
 - Q. Is Maverick really easier and less expensive to maintain than an economy import?
A. Definitely. Maverick oil changes come only every 6,000 miles and-chassis lubrication once every 36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick). Those are just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.
 - Q. Can I do my own maintenance work?
A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points . . . plus many other do-it-yourself repairs and replacements.
 - Q. Can a small car be safe? And how safe is safe?
A. This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight, power, stability. Designed for American driving conditions.
 - Q. How does Maverick ride?
A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.
 - Q. Is there an advantage in the fact that Maverick is really a 1970 car?
A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.) Better come take a look at this one. You'll find it where the action is . . . right in there with other great Ford values like specially equipped Ford Galaxie 500's . . . Fairlanes . . . Mustangs and Falcons.
- You'll find them at your Ford Dealer's . . . the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5387, Department N-50, Detroit, Michigan 48211. (Offer ends July 31, 1969.)

*Manufacturer's suggested retail price for the car. Price does not include: white sidewall tires, \$32.00; dealer preparation charge, if any; transportation charges, state and local taxes.

The place you've got to go to see what's going on—your Ford Dealer.

... should be everybody's theme song. Time is a graph or chart which measures what we are. We have no time to kill. "Whatsoever thy hand findeth to do, do it with thy might," Eccl. 9:10. Constantly strive to be a better father, mother, husband, wife, son, daughter... a better church member. There is always a friend or neighbor less fortunate than you. "He that knoweth to do good and doeth it not, to him it is sin. James 4:17. If you have had a kindness shown, pass it on; 'twas not meant for you alone... pass it on.

ABOVE ALL, "every hour" is God's gift. Wasting time is wasting God's Bounty. Keep on killing time and time will kill you. "Every man must give an account of himself to God," Romans 14:12. Spend your spare time at home, at Church or on errands of mercy... "I Need Thee Every Hour."

SIMMS CLUB OFFICERS — Elected last week, officers for 1969-70 in Simms Study Craft Club are headed by Mrs. Lennon Young, seated left, as president. Mrs. Terry Creitz, reporter, is sitting at right. Standing, from left, are Mrs. Tom Bullard, sec-

retary-treasurer; Mrs. Willis Duggan, vice president, and Mrs. Emmett Young, historian. The current president, Mrs. James Bullard, will become parliamentary when these officers are installed in May.

Cultural Club Hears Student

Telling of his life in Holland and giving information about the country in general, The ten Have spoke at a recent

meeting of Cultural Home Demonstration Club in the home of Mrs. George Parker. He was introduced by Mrs. Grady Parsons, program chairman.

She gave the opening reading, titled "Happiness Is..." The youth from Holland, who at-

tends Hereford High School this term under the American Field Service plan, showed pictures to illustrate his talk.

Mrs. Paul Corbett presided for business. The next meeting, Apr. 25, was announced for Mrs. Parsons' home.

Music Blends Into Program

Music of England completed a program featuring a talk by Miss Sharon Watson, English girl who is a student in Hereford High School this year through the American Field Service, for Music Study Club Monday afternoon.

The meeting was in Mrs. W. E. Dameron's home with Mrs. Dale Young as co-hostess. Mrs. Wesley Fisher, in charge of the

program, introduced the guest speaker, who showed slides with scenes in the British Isles as she talked about the country and her own home.

Mrs. A. J. Schroeter played a piano solo, Andantino in D Flat, by Edwin Lemare, English composer, and Mrs. Tom Burdett sang two old folk songs, Comin' Through the Rye and The Wraggly Taggly Gypsies O. Mrs. J.

C. McCracken was accompanist for Mrs. Burdett.

Mrs. A. O. Thompson gave a report of the Texas Federation of Music Clubs' convention which she attended in Brownwood March 28-29. Mrs. R. C. Godwin, club president, Mrs. Thompson and Mrs. S. F. Clements plan to leave Friday for the national Federation convention at Albuquerque.

Members were reminded that the club is responsible for music on the annual fine arts program of Deaf Smith County Federation of Women's Clubs Apr. 29.

Mrs. Bill Penn, a former member who has recently moved back to Hereford from Olney

was reinstated to membership. Welcomed as guests were Mrs. Marigold Burns, visiting from California in the Burdett home, and Mrs. J. E. Lester of Topeka, Kan., house guest of her sister, Miss Frances Dameron.

Members present included Mmes. Ellis Coombes, Bill Brady, W. T. Carmichael, J.R. Allison, Clifford Trotter, T. W. Roberson, Buddy Peeler, J. T. Gilbreath, D. W. Palmer, Jesse Stanford, W. T. Thompson and S. O. Wilson.

American Indians were often referred to as "non-citizen nationals" until an act of the United States Congress made them full citizens.

GUESTS VISIT HERE
Mr. and Mrs. Glen Nelson Jr. and son Mike, and Mr. and Mrs. Wayne Dunn with children Mary, Matt and Margaret of Saguache, Colorado, visited in the homes of Mr. and Mrs. Glen Nelson Sr. of 511 Ave. J. and the Vance Crumes of 218 Ave. J here during the Easter holidays.

The Nelsons also had Olin Nelson of Canyon and Bill Jones of Dalhart as guests.

At the deepest part of the ocean, the pressure is nearly seven tons per square inch — almost a thousand times the atmospheric pressure on the surface.

ARE THEY JUST "RELIGION SHOPPERS?"

Here in this area, you don't find many "native-born" Episcopalians. Just a lot of folks who shopped around till they found a church that satisfied some longing for something missing in their own religious experience.

Maybe that's why the Episcopal Church — along with its reputation for peculiarities — has long been known as sort of a "thinking-man's religion" hereabouts. Most of its members made up their own minds... then stopped shopping.

They lay no claims to having the "only religion" or even the right one. It's just the one that's right for them.

Episcopalians are a bit peculiar. They have "formal" services. They don't chit-chat much at church. They kneel at times. They read prayers from a book. And they offer guidelines — not blueprints — for Christian living. If you'd like to know the reasons why, your nearby Episcopal minister would be flattered to explain, without "twisting your arm."

One of a series presented by "Those Crazy Episcopalians" in your area.

Penney's Adds Catalog Desk

The J. C. Penney Company department store at Hereford's

Sugarland Mall will broaden its merchandise offerings to customers by installing a catalog sales desk. The catalog desk, to be located prominently in the store, is

scheduled to open today, according to manager Clete Corlis. Copies of the Company's current major catalog will be available there.

Orders from the catalog will be filled within 48 to 72 hours from the Company's catalog distribution center, Corlis reported.

Corlis said that a combination of high-speed communications to the distribution center and air or truck delivery to this area will make possible the quick filling of orders. As soon as an order is placed at the store, either by telephone or in person, it will be relayed to the distribution center through electronic transmission. There will be daily deliveries of merchandise.

Penney's entered the catalog business in 1962, when it acquired General Merchandise Company of Milwaukee. The first "All-Penny" catalog was issued in August, 1963, for the fall and winter season of that year.

Penney's issues two major catalogs each year, covering fall & winter and spring & summer, as well as timely smaller catalogs and tabloids, Corlis said. The major books feature broad selections of both soft and hard goods.

In addition to fashion apparel and shoes for the whole family merchandise includes home furnishings, sporting goods, paint and hardware, television, small appliances, and automotive supplies.

Friona Man Is Struck By Car

A Friona man was taken to Deaf Smith County Hospital Sunday afternoon by Gilliland Funeral Home ambulance following a car-pedestrian accident in the 1300 block of Park Ave., near Blevins St. J. R. Knight, 31, of Friona,

was treated for minor injuries, then released after being struck by a 1968 Rambler driven by Bernie Dell Deaton, also of Friona. According to investigation of

Deaton was traveling east on Park and he pulled up to talk to Knight, who was a friend of his, when he apparently lost control of his car and struck the man.

Investigating the accident was officer Oscar Martinez. Highest town on earth is Aucanquilcha, Chile, at 17,500 feet.

Queen Elizabeth I was addicted to dancing, National Geographic says. Even at 66, she tried a dance called the Spanish Panic — but in the privacy of her room.

CATALOG READY — Copies of J. C. Penney's current catalog (for spring and summer 1969) is available today from the Penney's store in Sugarland Mall, according to manager Clete Corlis. The local store is opening a catalog sales desk.

Coffin Upped To Specialist

PLEIKU, VIETNAM — William P. Coffin, 20, whose parents, Mr. and Mrs. Harry L. Coffin Jr., and wife, Shirley, live at 911 LaFayette St., Hereford, was promoted to Army specialist four March 20 near Pleiku, Vietnam, while serving with the 4th Infantry Division. Spec. Coffin is a radio repairman with Headquarters and Service Battery, 5th Battalion of the division's 16th Artillery. He entered the Army in May 1968, completed basic training at Ft. Bliss, Tex., and was last stationed at Ft. Sill, Okla. He is a 1967 graduate of Hereford High School. Before entering the Army, he was employed by American Dusting Co. Inc.

Johnny Clark Now In Moscow

Johnny Clark Jr., superintendent of the Hereford Independent School District who is currently on tour of schools in the Scandinavian countries, reported from Moscow, U. S. S. R., that "this is a real learning experience —very interesting. Upon return, I will have some tall tales." His secretary at the Hereford Schools administration offices, Mrs. Dorothy Mercer, reported that the schedule was changed at the last minute to include a side trip to Russia.

Read The Classifieds Today.

Medal Awarded Sp. Triplett

Mr. and Mrs. A. L. Triplett, formerly of Hereford and now of Canyon, reported that their son, Sp-5 Richard W. Triplett,

recently was awarded a Commendation Medal and Citation for exceptionally meritorious service. Sp-5 Triplett is now in Vietnam.

TRY THE CLASSIFIED ADS

Although my mail these days is voluminous, I would like to take this opportunity to review with you some of my efforts on subjects in which my correspondents are particularly interested.

GUN CONTROL ACT

On April 1, I introduced a bill, H. R. 9766, to repeal the Gun Control Act of 1968. This bill is in addition to the bill, H. R. 8628, which I introduced on March 11, 1969, to exempt ammunition from Federal regulation under the Gun Control Act of 1968.

Madre Mia Club Hears Guest Talk

Education of children in the home as a safeguard against their misuse of drugs and alcohol in later life, was stressed by speakers and in discussions at the Texas Alcohol-Narcotics Education conference at Baylor University which he attended in February, Paul Abalos told members of La Madre Mia Study Club at their recent meeting.

A member of the special education faculty of Hereford Schools, Abalos attended the state conference where problems of education concerning alcohol, narcotics and tobacco, in schools and through other means, were discussed. Home training for children and spreading of information to the public were given principal emphasis, Abalos said.

A question and answer period and discussion of local problems followed his report.

The club meeting was in First National Community Room, with Mrs. Walker Parris and Bill Lankford as hostesses. Mrs. Elmo Rains and Mrs. Marietta Teague were welcomed as guests.

A nominating committee comprising Mmes. Harvey Penner, James Gentry, Don Walser and Wayne Lady, was appointed to report at the next meeting, Apr. 24, and to serve as the hostess committee at that time.

I opposed the Gun Control Act when it was enacted and still believe it violates the constitutional rights of the individual citizen to own and bear arms.

I voted against the bill in its original form as it was passed by the House and again after it had been amended by the Senate and gutted by a House and Senate Conference Committee. The bill was the result of a wave of misguided emotionalism and a surrender to the bleeding hearts who believe that registering the guns of peaceful and law-abiding citizens will have any effect on the crime rate or act as a deterrent to any criminal who owns or wants to own and use a firearm.

There is no evidence that even suggests that the present requirements are making any significant contribution to the fight against the criminal use of firearms. The new law has only subjected law-abiding citizens to harassment and inconvenience not to mention storekeepers and legitimate gun dealers who have been injured or put out of business.

The Federal Firearms Act, which this bill would restore, had all of the safeguards of the Gun Control Act as far as deterrence of criminal ownership or use of firearms. And, that is the only basis I can see for any firearms legislation.

THE 1970 CENSUS

The Subcommittee on Census and Statistics of the House Post Office and Civil Service Committee recently received letters from eight Federal agencies opposing passage of legislation to limit the number of mandatory questions on the decennial censuses. However, public support for enactment of this legislation is rapidly growing. Letters from the Panhandle clearly express a strong demand for limiting the census questions. On April 24 the Subcommittee on Census and Statistics will resume hearings to consider H. R. 4791, which I introduced on January 28, 1969. My census bill would eliminate the jail sentence from all questions and would limit the criminal penalty to refusal

to answer any one of six compulsory questions on the forthcoming decennial census form. The bill would not eliminate any question the Director of the Bureau of the Census decided to include but would require, by penalty of a \$100 fine, answers to only six basic questions: (1) name and address; (2) relationship to head of household; (3) sex; (4) date of birth; (5) marital status; and, (6) visitors in home at the time of census. Failure to respond to these six mandatory questions would carry the criminal penalty but all other questions on some 67 subjects now proposed would be on a voluntary basis with no penalties involved. Some of the questions would be of a very personal nature and would certainly be an invasion of personal privacy if required by law. Pri-

Offstage Jobs Assigned For Players' Next Show

Offstage duties concerned with presentation of Hereford Community Players' final production of its first season, Charley's Aunt, were discussed at the April membership meeting Monday evening in La Plata School auditorium, preceding rehearsal of the play.

Ballots were distributed for election of 1969-70 officers, and will be mailed to absent members. New officers will begin their term July 1. Two nominees for each office, chosen by the board of directors, are listed on the ballots.

Tom Kendrick and Chick Holbert are the nominees for president. Mrs. Earl Woods and Mrs. Howard Johnson for vice president. Mrs. Ed Roberson and Miss Donna Johnson for secretary. Mrs. Holbert and Mrs. Bob Byers for treasurer.

Mrs. John Gilliland is the present president.

May 2 and 3 are the dates for staging Charley's Aunt, a comedy set in a British university around the turn of the century. Guests will be invited for the dress rehearsal May 1. The play will be presented in LaPlata auditorium.

John Gilliland, director, read the list of properties needed and asked members to volunteer to supply them. The stage will be set for the study in the apartment of two students, and a garden scene.

Mrs. Ross Cooley was appointed chairman of posters to advertise the play and Mrs. Bill Gilleland chairman of area publicity. Mrs. Frederick Haug reported progress of the costume committee.

Mrs. Meb Bolin and children of Portales spent a few days last week with the Norman Jacobsons, while Meb attended an educational conference in Houston.

Mr. and Mrs. Kent Forrester and Kimberly spent the weekend in Albuquerque with Mr. and Mrs. Steve Dodge and family.

Mr. and Mrs. Bill Harwood and children of Pampa visited Sunday with the Fred Harwood family.

Mr. and Mrs. C. W. Gresham visited Saturday in Amarillo with Mr. and Mrs. Dwayne Gresham and family and the Gene Stanfield family, then Sunday in Dumas with Mr. and Mrs. J. D. Morton and family.

Mr. and Mrs. Leland Burns and Cris visited with friends and relatives in San Antonio and also along the way during the holidays.

Mr. and Mrs. George Gruhik visited her brother Billy Wood Monday in Northwest Texas Hospital in Amarillo and reported he is still improving.

Mrs. Midge Rudisell and Aleca of Amarillo and Mrs. L. A. Worsham spent the Easter holidays in Albuquerque with the George Worshams and the Tim Mulalnes.

Mrs. Lena Gudge and Mrs. Nannie Fortenberry and Mrs. Bill Gudge and children visited Wednesday afternoon with Mrs. Brub Beavers and Dewey.

Mrs. Lola Perry is visiting with her sons at Seminole and Lovington, N. M. for two weeks.

Mr. and Mrs. Overton Harris and family of Amarillo visited Saturday overnight in Hereford with Mr. and Mrs. Everett McIntosh and Mrs. Freddie Harris and children. Sunday they visited in Adrian with the R. Lee Petty and family and the Wilbur Harris.

was, Wednesday afternoon in the Community Room of First National Bank.

This chapter, jointly with Young Mothers Study Club, will supply workers to aid doctors and nurses who will inoculate pre-school and younger school children during the day. The program of free inoculation is under direction of the communicable disease division of the Texas Department of Health.

Mrs. Larry Dobbs, YHT president, is chairman of the planning committee comprising members of both clubs.

At the meeting Wednesday, YHT members learned of their duties and decided on the hours each member will work.

This is the second community health project in which the chapter is assisting this spring. Members served as section leaders in the annual house-to-house canvass sponsored by the American Cancer Society Monday evening, each asking ten other women to help make calls, distribute literature and collect funds.

As a change of pace, members will go to Plainview Apr. 25 for a field day beginning at 9:30 a. m. in the Holiday Inn.

A meeting for recreation was a volley ball party Saturday evening for YHT and the related organization, Young Farmers of Texas. Games were held at the Little Bull Bar. Chips and dips, sandwiches and soft drinks were served.

Couples present were Mr. and Mrs. Curtis Ritchie, guests, and Messrs. and Mmes. Clark Andrews, Jim Culpepper, Carlton Richardson, Conny Rountree, Leland Shelton, Tommy Sparkman, Connie Urbanczyk, Mike Watts, Charles Weatherford and Dobbs.

Richards Listed On 'Kats Roster

Greg Richards, 1966 graduate of Hereford High School and a star football back, is listed as one of the returning lettermen for the Sam Houston State College Bearkats for the coming season.

An honorable mention all-district back during his senior season with the Whitefaces, Richards will be among the 27 returning lettermen from a 5-4-1 1968 season with the 'Kats. Among those returning will be the Lone Star Conference's leading punter, several all-conference selections plus 16 starters from last season.

Pitcher Bob Gibson of the St. Louis Cardinals was voted the National League's most valuable player for 1968 but one of the 29 baseball writers voted him seventh position.

Highlights And Sidelights

Prepares For Wedding

By VERN SANFORD
Texas Press Association
Austin, Tex. — Budget battle lines are being drawn in the Legislature. But redistricting lines aren't. And Speaker Gus Mutscher is getting lined up for a summer marriage to a former Miss America.

While appropriations and redistricting don't look too cheerful, the prospect of putting a bride in the Speaker's Apartment in the Capitol has added a bright note to deliberations. Early in the summer, Mutscher will marry Donna Axum, Miss America of 1964. Miss Axum, an Arkansas beauty, is a speech teacher at Texas Tech in Lubbock.

As for redistricting, a US Supreme Court ruling has wiped out the Legislature's optimistic feeling that it could avoid any sort of redistricting this year. High Court ruled that congressional districts must be precisely the same size, and Legislators "must justify each variance no matter how small."

Texas' congressional districts are clearly outside the Court's decision, so they will have to be redrawn. Since that involves a lot of work, the possibility of a special session looms. In other action, the House Appropriations Committee approved its version of the budget bill for the next two fiscal years. A Senate-passed bill would spend \$5,775,900,000, but the House version has only \$5,724,500,000. Major difference is in

raises for state employees. While the Senate bill would involve a sizable tax bill, the House version could get by on existing revenue. Neither bill includes pay raises for teachers. Final bill will be drawn up by a House-Senate conference committee, which is expected to get pretty steamy in its deliberations.

WORK LOAD EASED
Easter holidays limited action on major legislation but Committees continued to churn out bills. House tentatively approved annual legislative sessions, but fell one vote short of final passage of the constitutional amendment proposition.

Senators passed a minimum wage bill in their first Friday work of the 1969 session. Earlier they engrossed a proposed constitutional amendment to repeal the annual voter registration requirement, substituting a limit on the registration period of four years maximum.

Senate took two hours to engross legislation making Texas government units liable to damage suits for negligent acts of their personnel. An amendment attached by Sen. A.M. Aikin of Paris exempted school districts, to the consternation of sponsors. House passed 32 bills on local and consent calendars, then passed three more on the general calendar.

Approved by House committee and ready for early action are proposed constitutional am-

endments (already cleared by Senate) to legalize the sale of liquor by the drink on a local option basis, and abolish the welfare spending ceiling. Sponsors of both claim they need 100 votes for submission to voters at statewide elections.

OBSCENITY EYED
Liberties taken by motion pictures the past few years and the increase in the availability of smutty literature has resulted in a flood of bills aimed at tightening up the laws against obscenity.

House Criminal Jurisprudence Committee held a hearing on three of the bills — by Reps. James Nugent of Kerrville, Lamoine Holland of San Antonio and Joe Salem of Corpus Christi — and sent all three to the same subcommittee, which presumably will combine the most desirable features of all three into one bill.

Holland's bill aims at obscene literature, Salem's at dirty movies and Nugent's covers the whole field of obscenity.

Only opposition to the bills came from a spokesman for the Texas Drive-in Theater Owners Association, who said the bill would hurt the 1,000 legitimate theaters in Texas to get at the "50 or so that show skin flicks."

Also meeting favorable receptions in the Legislature are bills to exempt from prosecution under the anti-obscenity laws projectionists who won on interest

in theaters.
AERONAUTICS GAG
Texas Aeronautics Commission has proposed new rules and regulations for the hearing of cases before it — including a prohibition against anyone connected with a case from discussing the merits of the case with newsmen.

Commission's jurisdiction primarily involves the certification of intrastate airlines and the granting of state airport-aid grants to communities.

Proposed rule, which will be considered a May 15 hearing, says a party to a case may not discuss it with newsmen "outside the presence of all other parties or their representatives, unless a member of the Commission is present."

WATER PLAN MOVING
Texas Water Rights Commission took just two hours to wind up hearings on a \$9 billion statewide water plan.

Commission promised a ruling by April 22 on whether or not it approves the plan. It must determine whether all existing water rights are adequately protected.

Lower Rio Grande valley water districts wanted approval withheld unless the 390,000 acre-feet of upstream diversion of Rio Grande waters, as proposed in the plan, is prohibited. They claimed the diversion would "bankrupt" three lower valley counties.

Northeast Texas spokesman didn't like the plan's sizeup of their water needs. While favoring use of surplus to help dry areas, they said they oppose "robbing Peter to pay Paul." Meanwhile, a \$3.5 billion re-

venue bond constitutional amendment cleared both houses of the legislature for a place on an August 5 special election ballot.

COURTS SPEAK
Court of Criminal Appeals threw out a 1967 law adding hallucinogens, including LSD, to the dangerous drug list. Court said the act is unconstitutional because of a defective caption.

A federal district judge in Austin dismissed the suit by VISTA anti-poverty workers in Del Rio for reinstatement. Gov. Preston Smith had asked that the Val Verde County VISTA programs be abolished on request of the county commissioners there.

State Supreme Court held that an Amarillo man is entitled to damages because of insecticide poisoning he suffered while spraying cattle.

A Kilgore city employee lost his Supreme Court appeal for damages under city insurance coverage due to illness caused by spraying insecticides.

APPOINTMENTS
Governor Smith appointed James H. Milam of Lubbock to the state Securities Board to succeed Randall Jackson of Abilene. Former Gov. John Connally attempted to reappoint Jackson, but Atty. Gen. Crawford Martin said the selection should have been left to Smith.

Governor Smith still awaits a ruling from Martin as to whether Connally had the right to appoint three University of Texas regents in the 11th hour of his administration.

Smith reappointed Edgar F. Engelke of Seguin to a new term on the Guadalupe-Blanco River Authority. He also nam-

ed G-BRA Reagan B. Cates of Victoria, Arthur F. Leesch of Boerne, Howard C. McKenna of New Braunfels and Thomas A. Garner of Port Lavaca.

Col. Walter B. Staudt of Houston has been promoted to brigadier general in the Texas Air Guard and assigned here as chief of staff (air.)

REHABILITATION PROGRAM CUT

Texas Education Agency has been notified by the federal government that federal aid to the state vocational-rehabilitation program will be cut by approximately \$5 million this year.

That would pare the program about 18 percent, or specifically from \$27,363,204 to \$22,537,094.

However, Assistant Education Commissioner C. G. Fairchild says the actual benefits of the program won't be reduced that much, because when the money situation gets tight, the TEA gets more and more cooperation from other agencies and individuals, such as physicians.

"So it's not all as bad as it may sound," he says. "After all we started with only \$10,000 in 1929, and then all we could do was ask for free help. It's still available."

ATTORNEY GENERAL RULES
Atty. Gen. Martin has held in a new opinion that the Parks and Wildlife Department has authority, with consent of the governor, to set the selling price on marl, sand or other sedimentary materials to be removed from Galveston Bay and used as fill.

In another opinion Martin concluded that the county commissioners cannot use road and

bridge funds or farm-market-lateral road funds for paying courthouse salaries, fire prevention services, tax evaluation services or hospital care of indigent.

RED MEASLES DOWN

Development of a new drug to combat Red Measles has cut the number of cases reported in Texas last year to only one-tenth the number in the past.

However, the State Health Department reports that the number of German Measles cases continues to climb, from 640 in 1967 to 2,923 in 1968. There's a new vaccine for that disease, too, but it has not yet been approved by the federal government for use in this country.

Statewide drops in the number of several diseases were recorded, including last year's leader, strep throat, which includes Scarlet Fever. In 1968, 32,263 cases were reported, compared to 37,408 in 1967.

SHORT SNORTS

Texas water law is dealt with in a new publication by the Water Development Board, titled

"Laws and Programs Pertaining to Water and Related Land Resources." Water Quality Board is calling for a series of work sessions with animal raisers to discuss possible water pollution from feedlots and holding pens. (Animal waste control has become a bit of a problem in recent years — with about two billion tons of manure produced in Texas.)

Sens. Ronald Bridges of Corpus Christi and A. R. Schwartz of Galveston have introduced bills to meet federal requirements so Texas will be eligible for the new federal flood insurance program.

Ex-Teacher Is Busy

By SUE COLEMAN
Women's Editor

Associated most of her life with Central School, as pupil and teacher, Miss Mary Brady lives just half a block from the schoolgrounds, where she can see children at play and hear the sounds that were familiar to her for more than 40 years.

WHEN SOMEONE asks if she is lonely now that she has retired, and if she finds enough to do to fill her spare time, she simply says that she hasn't caught up yet, doing the things she didn't have time for during her years of teaching. If she ever catches up, she expects to look around and see whether

she needs to search for something to do, she adds.

One of the things she enjoys is work in her yard and she usually has flowers blooming around the pleasant green stucco house where she lives. She likes to read, to watch favorite television programs and to play the piano, "entirely for my own listening."

Making scrapbooks is a past-time she enjoys; not books with a hodgepodge of miscellany, but those carefully planned, attractively arranged and decorated. One she made recently holds clippings and pictures she had been saving, pertaining to history of Deaf Smith County and

its residents. SHE IS ONE of those residents, having come here when she was a baby. She was born near Sherman, but her family, that of the late J. W. Brady, moved to a ranch in the Wyche community southeast of Hereford.

Her early memories are of the pleasures and hardships of Panhandle ranch life, with blizzards and a disastrous prairie fire balanced by years of plentiful rainfall and green pastures for the herds.

Miss Brady and her sister, now Mrs. Dock Roberson, attended Wyche School until they were ready for high school years in Central, then the only building in the Hereford school system.

Her father bought a home on 25 Mile Avenue and Miss Brady continued to live there until it was sold after the death of her parents in the early 1950's. She and her sister still own ranch land in the Wyche community, and that is another of her interests.

IT'S STILL A pleasure to me to drive out and see how the pastures look, and what shape the cattle are in," she says, and adds like a born West Texas rancher, "Certainly do hope we get some more rain!"

In addition to her sister, she has other relatives here including several cousins, and Mrs. Roberson's grandchildren whom she often enjoys as visitors.

There are also numerous friends who fill all the time she has to give them, quite a number of the city's oldtimers whom she knew as a girl, and former pupils of varying ages who were in her room as she taught the third grade in Central school.

After her graduation from high school she attended West

Texas State College and began her teaching career at Walcott for a year, then in Hereford. She retired four years ago and did some substitute teaching for the next two years, but found that not to her liking.

"KNOWING THE pupils is what I like about teaching," she explains, "and when I taught a group only a day or two, I missed that pleasure and found it frustrating."

When she began her career a college degree was not required for teaching, and like many teachers she attended college a year, then returned for summer terms until she earned her degree.

Membership in several organizations is a source of other friendships for vivacious "Miss Mary." Foremost is the Presbyterian church, which she has

attended since she can remember and where she teaches a class of women her own age, many of whom have been together for years.

In the Rebekah Lodge she has progressed through all the offices and still attends meetings although she is less active. At retirement she joined West Hereford Home Demonstration Club, of which her mother was a charter member, and she is its president this year.

A BONUS SHE has found in H. D. Club membership is its affiliation with district, state and national H. D. Associations, and she has attended conventions on all levels. The trips have been delightful, she says, and her dark eyes sparkle as the tiny club president talks of

her hope to attend a national meeting in Virginia this year.

Already she has traveled to Colorado and South Dakota for annual sessions of H. D. Club women from over the nation, and to the far reaches of Texas, at Corpus Christi and Harlingen, for state meetings.

She likes the daily tasks of housework, but "cooking is ano-

The Hereford Brand, Hereford, Texas, Thursday, April 17, 1969

ther thing!" she declares as she gives her sister and niece credit for being the good cooks in the family. However, she does have some favorite recipes and one is for an unusual pie which she says is easy to make:

OATMEAL PIE

2 lb. butter or margarine
Two-thirds cup white sugar

1 cup brown sugar
3 eggs
Two-thirds cup coconut
Two-thirds cup oatmeal
1 tsp. vanilla
Beat eggs and mix in other ingredients. Pour into uncooked pie shell. Bake 1 hour at 35 degrees. For variations, 1 cup nuts or 1 cup crushed pineapple may be added to the mixture.

Fight the farm price/cost squeeze with NITROMITE... NITROMITE packs a powerful punch with more usable nitrogen per dollar to help increase yields without increasing your cost appreciably. Then even low prices can't floor you — if they're good, you'll be the big winner.

Put down some NITROMITE before you plant to give your crop a great big shot in the yield. It'll give you a fighting chance in the marketplace.
