# City To Annex Two South Hereford Tracts

The Hereford City Council, in regular meeting Monday night, initiated proceedings to annex 49.29 acres of land into the City of Hereford, the third such action this year. When completed, the annexation will give the City of Hereford a total acreage of 3161.73, according to City Manager Dudley Bayne.

Tracts to be annexed are located in South Hereford (see map this page), and includes some 12.84 acres of city property.

In other action during the evening, the council gave its official endorsement to the Community Action Corporation, named members to the plumbing and electrical boards, named a mayor pro-tem, discussed golf course parking, authorized the advertising for bids for a new homeing device at the Hereford Municipal Airport and changed a job classification on one city employee.

Appearing before the council in behalf of the Community Action Corporation were Argus Burnett and Meade Michael asking that the City of Hereford give its official sanction to the work of CAC in this area. The group has recently received the approval of the Deaf Smith County Commissioners and indicated that they would be pleased to have a resolution of approval from city commissioners. The CAC is a local community action coordinating group and the board will be comprised of an equal number of people from the category of public officials, the private sector of the community and the disadvantaged class of Hereford. CAC is an arm of the Office of Economic Activities and the purpose of the group is to coordinate all activities of the War on Poverty in the community, determining the needs in a community and matching that need with local resources. The group will be funded by the Office of Economic Opportunity.

A. M. Hare, owner of M&M Plumbing Company was named to the City Plumbing Board, replacing Nelson Reiger who

has resigned, and Glenn Witherspoon of Witherspoon Electric was reappointed to another 3-year term on the City Electrical Board. Also reappointed for another term were all four members of the Board of Adjustment. They are Jack Carrouthers, Clinton Massey, Marvin Coffey and O. Z. Golden.

Commissioner Bartley Dowell was elected mayor pro-tem and will preside as Mayor whenever Mayor Jim Sears is absent from the meetings. Dowell is currently serving in his first term on the commission.

Tabled during the meeting was approval of the plan of Green Acres Unit III since the developers have not yet met all legal requirements for acceptance of the Plat, and the Petition for Annexation of Green Acres Unit III, pending approval of the Plat.

The City Council also promoted Jerry Carr, a member of the street department crew to Assistant Street Superintendent and voted to continue with minor repair, patching and general maintenance of the parking area at the local golf club. The parking area, which belongs to

## Youth Charged With Murder

Gilbert Prieto, an 18-year-old Hereford youth, was charged Saturday afternoon in connection with a shooting and stabbing at an Amarillo nightclub which left two persons wounded and another dead.

Prieto, whose residence is listed as 439 Ave. E., Hereford, was denied bond by Justice of the Peace Cliff Roberts, and was placed in Potter County Jail.

The charges stemmed from a stabbing which resulted in the death of a 21-year-old Amarillo man, Enrique "Henry" Baca Diaz. Diaz died from a deep stab wound in his chest received shortly after midnight Saturday morning at the Nat Ballroom, 608 S. Georgia.

Investigating officers reported that when they arrived at the scene of the reported shooting, they found Emilio Jose "Joe" Diaz, 19, a brother of the victim, suffering gunshot wounds through both of his legs. They also found Tony Isidro Romero, 18, of Amarillo, suffering from a gunshot wound in his upper body. His wound resulted from a small caliber bullet which entered his back and exited through his left chest.

When the officers questioned the two youths, they learned that the older Diaz had been stabbed and was lying in a car nearby. When the officers found the older brother, he was still alive, lying in the floorboard of the parked car. At first the stab wound did not appear serious to the officers, but Diaz died about 25 minutes later. The victim was pronounced dead at Northwest Texas Hospital at 12:55 a. m. as a result of the stab wound which severed a large artery in the victim's back.

The incident allegedly resulted from an argument which started inside the bar between the two parties. Witnesses stated that the older Diaz had been stabbed following a fight inside the nightclub and when the younger Diaz found this out, he went to find the person that had stabbed his brother. The shooting then occurred when the younger Diaz and Romero went outside to find the assailant.

A description of the Prieto youth and the car he was in was issued by Amarillo police, but it was not until Saturday afternoon that local sheriff's department authorities were able to locate the youth. He was then transferred back to Amarillo and arraigned before Roberts. He was denied bond.

## Groundbreaking Ceremony Set

Groundbreaking ceremonies are slated at the First Baptist Church at 11:30 a. m. Sunday on the east side of the auditorium building in their \$348,000 construction expansion program.

Rev. Gerald Mann, pastor of the church, reported that the new fellowship hall is to be constructed with a stainless steel kitchen and a capacity to feed 250 people. A stage and volleyball court will also be included.

Rev. Mann said this construction would be on the site of the old Presbyterian church building and the cost for these improvements were estimated at \$175,000.

The church's current basement will be completely renovated with a new ceiling and air conditioning. The office space will also be enlarged. These improvements are to assume the remainder of the cost in the building program.

Construction bid was awarded to the Reid Strickland Construction Co. of Amarillo. Architect is Howard Ensign of that city.

PROCEEDINGS HAVE BEEN initiated to bring into the City of Hereford the shaded areas above, adding 49.29 additional acres into the city. The tract to the left will begin at the north corner of property owned by Charlie Sowell running south along and including U.S. 385 to Columbia Drive, east to Avondale, north to Country Club Drive taking in all property in that area not already in

the city limits. The second tract will include property in the Coneway Sub-division from Tierra Blanca Creek to Austin Road, all of Main Street to Austin Road and a portion of the property on the east side of Main back to Tierra Blanca Creek including property on the south side of the creek that is owned by the city.

# 107 Acres Exchanged Legion Gives City Land For Park Area

By EARL MOSELEY  
Staff Writer

Members of the Hereford American Legion, Post 192, voted unanimously Tuesday night to accept the bid submitted by the City of Hereford for the purchase of approximately 40 acres of land in Veterans Memorial Park and the transfer of an additional 67 acres to the city for development into a municipal park. Portions of the area will eventually be utilized for an additional 9-holes for the John A. Pitman Municipal Golf Course. The city had proposed a \$20,000 payment to the American Legion, which will be used to pay off their current paving and building indebtedness.

The sale of the property is the culmination of many months of negotiations between the City of Hereford and the two veterans organizations. Legion commander S. T. Wiseman reported that Post 192 and Veterans of Foreign Wars Post 4818, whose headquarters buildings are located inside the main gate of the present Veterans Memorial Park off New York Ave., have recently reached an agreement to divide the property owned by both organizations in that vicinity, which they have jointly operated for the past twenty years.

The Legion's acreage is located west of the VFW land, which is comprised of 67 acres. The dividing line now extends from New York Ave. behind the headquarters buildings to Victory Drive. The Legion's property then extends along the western boundary of Victory to a point east of Main where it continues back to within 300 feet of New York Ave. The Legion will retain a 300-foot strip facing New York Ave. at the rear of their present headquarters. The City of Hereford has a

agreed to retain the name, Veterans Memorial Park. This name was sanctioned by the members of the local American Legion post. In his statement to this effect, Wiseman was applauded by members of both veteran's service organizations. Wiseman stipulated that the only provision yet to be worked out between the Legion and the city is location of a 5-acre tract for the construction of a baseball diamond. But he and Legion committee members stated that this arrangement "presents absolutely no problem with the city commissioners."

On the Legion committee who has met with the city officials are Ira Ott, LeRoy Williamson, and Dr. M. C. Adams. When Dr. Adams left for his trip to Tokyo recently with the Lions International, Wise man appointed Cecil Wilkins to his place. They have had several prior meetings to work out arrangements.

In his statement, Mayor James H. Sears Jr. said, "We wish to express to you our appreciation... concerning the proposed transfer of property in the Veterans Park area to the City of Hereford for their use as a municipal park. Your efforts over a period of years in attempting to enable the city to acquire this land for park purposes is commendable and in the best and very highest sense, public spirited action on your part."

Wiseman reported Wednesday morning that there had been no dissenting votes on the transaction from any source, and that "everyone seemed well pleased."

The city agreed to pay a sum of \$20,000 for 40 acres in the tract. However, this price is the approximate amount due to

the city from the Legion post for paving expenses incurred in the past operation of the park.

Mayor Sears pointed out to the Legion members that "the park development does cost quite a bit of money and the city will be forced to develop the park gradually and as it is able to do so within budgetary limitations. At the present time with interest costs so high, a bond issue would be out of the question, and we will have to begin the development with our own equipment and our own people — and we trust with the help of Deaf Smith County, as well as civic clubs and other local organizations — but we feel that within these limitations, we can — and we pledge that we will make substantial improvements to the area within the next few months."

The mayor said that such improvements would include building a fence around the park property, mowing weeds and grass, removing rubble and debris, beginning construction of park roads and attempting to prevent indiscriminate driving over areas that are not to be included within roadways, the construction of picnic areas, and possibly the building of a small dam to impound some water for a place for children to catch fish.

"All of these things can be done within our present capabilities," Mayor Sears said, "and we feel that a good beginning can be had in this current year, if we are able to start soon enough."

The mayor said that he could not commit future members of the city commission to specific action, but he felt that there would be "a continuity of purpose on the City Commission for the foreseeable future." See LEGION, Page 4

## Westway Plans Annual Reunion

The annual Westway Oldtimers Reunion and Homecoming will be held Sunday, beginning at 9:30 a. m. with registration at Westway Community Center, it was announced.

Past and present residents of Westway who plan to attend the fete are asked to bring a basket lunch. Plates and ice tea will be furnished.

Included during the reunion will be the election of new officers who will replace Guy Lawrence as president, Ulys Pierce as secretary and Mrs. W.W. Thomas as treasurer. Recognition and prizes will go to the oldest man and woman in attendance and prizes will also go to the youngest, the one traveling the farthest and the family in attendance.

Memorial service will be held for those who have passed away within the past year. At last year's reunion, the gathering elected to hold the event on an annual basis on the last Sunday of June each year. Over 100 persons attended the 1968 reunion, representing places as far away as Washington and Oregon.

## Little Leaguers Defeat Sunray

Hereford's Little League All-Stars, after having their first game of the District tournament rained out, bounced back Tuesday night to down the Sunray All-Stars, 8-2.

In winning over the Sunray team, the locals were given a final berth against the Berger team. The two teams were to meet Wednesday evening to determine the District representative, but results were not available at press-time.

Complete results will be carried in the Sunday Brand.

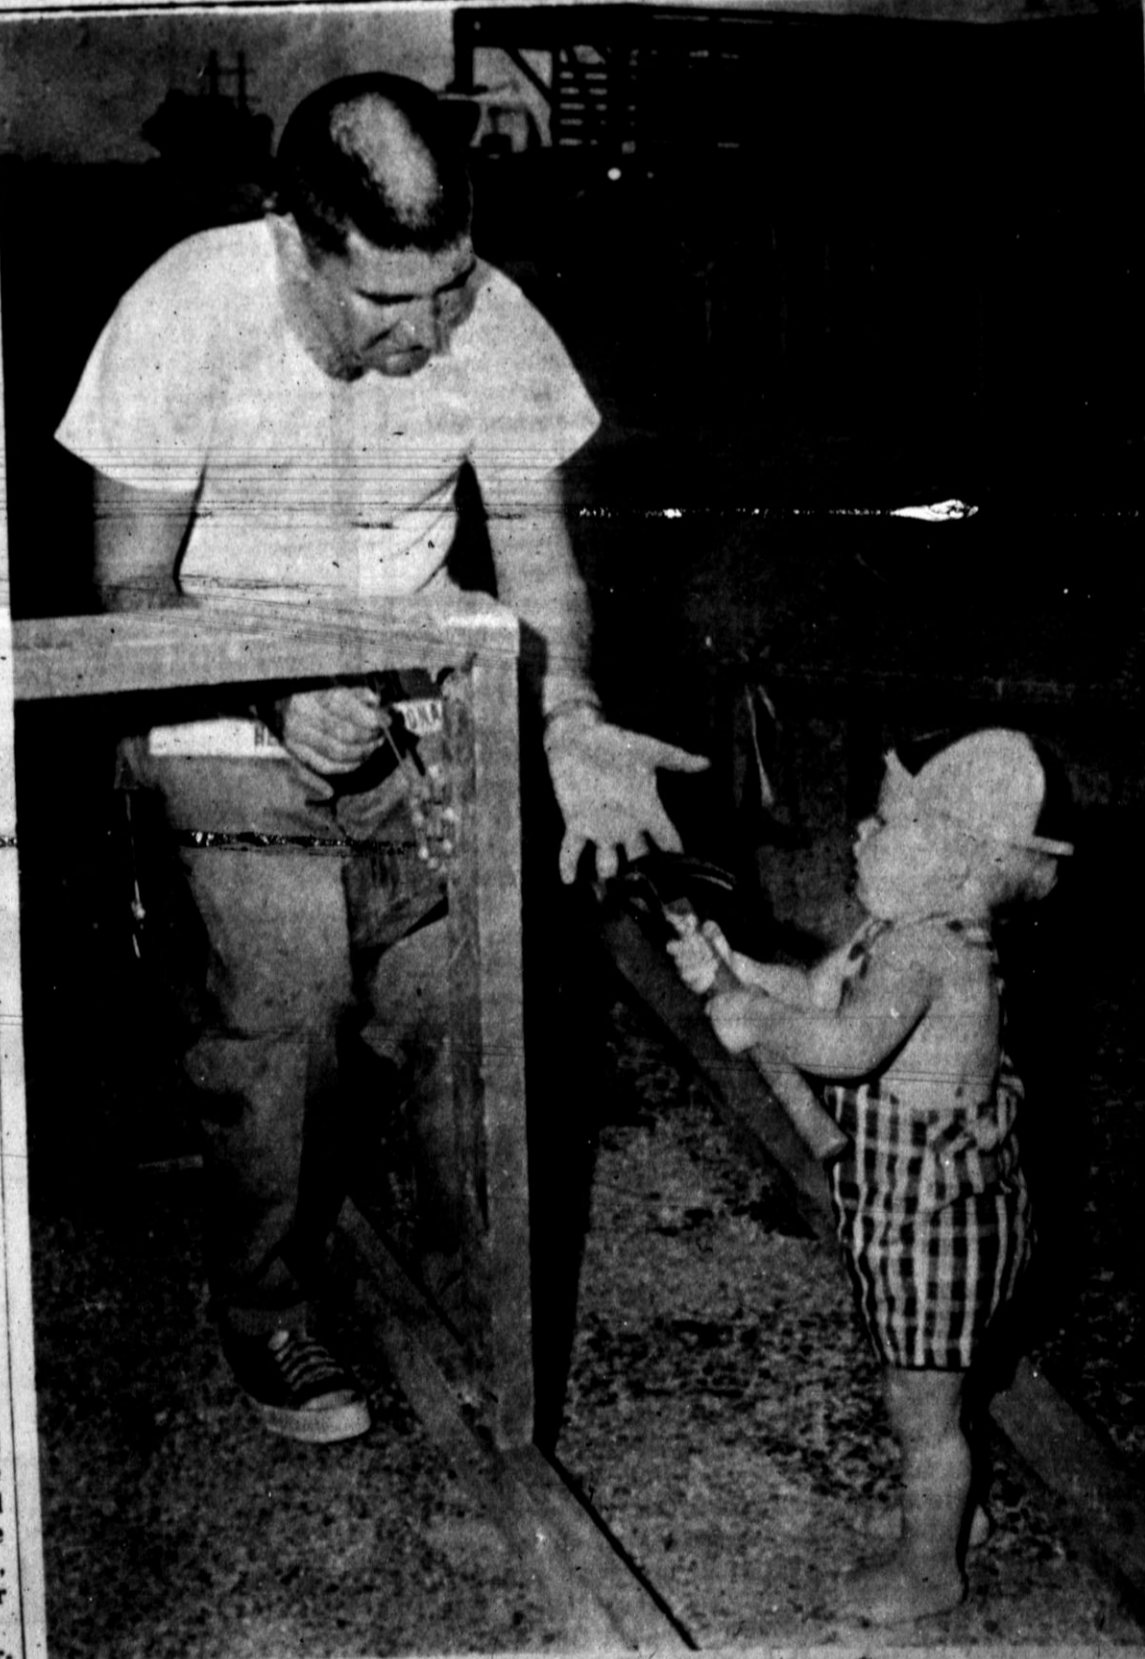

## Carnival Begins

Ten days of fun, games and rides will begin tonight when the annual Hereford Lions Club Carnival kicks off at the Deaf Smith County Bull Barn grounds at 7:30.

Ray Moore, general chairman for the annual event, announced that there will be 16 booths at this year's carnival and rides, as usual, furnished by S. B. Rhodes. Included in the booth line this year will be the side and inside concession stands, cotton candy booth, golf ball roll, keg pitch, number darts, doll rack, cigarette board, balloon darts, cork gun, bingo stand, coke bottle, glass pitch, basketball pitch and bear pitch.

Also, Moore reminded, there will be the annual Foreign Exchange Booth where Future Homemakers of America members will sell food for a worthy cause. Proceeds from the Foreign Exchange booth will go toward financing the trip to Hereford for one of the two American Field Service Students. The girls must furnish a minimum of \$850 for the trip, and the booth at the carnival is the major fund-raising project. All foods sold by the girls is made by them, Moore pointed out, and all proceeds go to their cause.

The carnival will get underway each of the ten nights between 7 and 7:30 p. m. and will close about midnight during the week. On weekends closing time will be around 1 a. m.

EVERYONE PITCHES IN — Big Lions and little Lions all had a hand in setting up the booths for the annual Lions Club Carnival which gets underway tonight at 7:30. Shown here is Ray Moore, general chairman of the carnival, as he gets a helping hand from his son Kyle. — Staff Photo

Larry Kaul

**Kaul Moved To Miami**

PAMPA — Larry C. Kaul, territory sales representative for United Agri Industries Inc., has been appointed store manager of the company's newly-acquired retail feed and supply outlet in Miami, Texas.

The appointment is to become effective Aug. 1, according to Donald E. Jackson, president.

Kaul moved to Pampa in January from Hereford. He is the son of Mr. and Mrs. Merlin Kaul and a 1955 graduate of Hereford High School. Kaul received his Bachelor Science degree in Agriculture in 1959 from Oklahoma State University, where he was a member of the Farm House Fraternity, Block and Bridge Club, and the Rodeo Club.

Kaul, 32, his wife Mary and five-year-old daughter Tana will make their home in Miami as soon as housing arrangements are made.

His prior experience has included fertilizer sales and service, entomologist for a crop dusting firm at Hereford, and a nursery at Plainview where he also did landscape designing, all in conjunction with livestock farming at Hereford.

Prior to moving to Pampa, Kaul was employed in the production department of a feed manufacturer in Hereford.

**Hereford Man's Mother Is Buried Tuesday**

Funeral services for Mrs. Annie T. Edwards, 81, of Silverton, mother of Edward Edwards of Hereford, were held Tuesday in the Silverton Church of Christ with Charles Cranford minister, Richard Williams, former minister, and Earl Campbell, minister of the Rock Creek Church of Christ, officiating. Burial was in Silverton Cemetery.

Mrs. Edwards died Sunday in University Convalescent Center in Lubbock following a long illness.

Born in Tioga, she had been a resident of Silverton for 48 years.

Other survivors include three daughters, Mrs. Mytee Dickerson of Lubbock, Mrs. C. A. Reagan of Silverton and Mrs. Travis Gilliland of Vega; one other son, J. A. of Lubbock; two sisters, Mrs. Maggie May of Loveland and Mrs. Lizzie Moss of Dallas; two brothers, Lester Vaughn of Amarillo and John Vaughn of Claude; 19 grandchildren and 29 great-grandchildren. Grandsons served as pallbearers.

**OBEYS TRADITION**

WASHINGTON — Not long ago, a dying woman member of India's Toda tribe demonstrated the strength of long-held customs.

Toda tradition requires that a woman pay respect to an elder clansman by crouching before him and raising his foot toward her head. As the ill woman rode to a hospital, the medical van driver stopped to pick up two Toda men walking along the way.

When the elders clambered into the van, the sick woman struggled up from her stretcher, brushed aside the nurse's objections, and bowed respectfully to the men.

The incident is one of many related in a new book, the "Vanishing Peoples of the Earth."

**NEIGHBOR WATCHING**

HAVANA — A three-month recruiting program has brought another 100,000 persons into the Committee for the Defense of the Revolution (CDR), according to "Granma" the official newspaper of the Communist Party.

A recent issue (4-19) said that in addition to these new entrants to the ranks of those charged with watching what non-members do, there have recently been 400,000 new souls signed up. Also, said "Granma," new cards have been issued to one million 400 thousand old members of the CDR.

The best estimates are that at least two million out of the 8.2 million Cubans on the island are officially engaged with spending their time watching what their neighbors are doing.

## Hereford Teachers Will Attend Homemaking Meet

Mrs. Joe Bradley and Mrs. M. T. Burelsmith, homemaking teachers from Stanton and La Plata Junior Highs, will participate in the State In-Service Conference for Homemaking Teachers to be held in Dallas, July 28-August 1.

The week-long meeting will be devoted to an in-depth study of consumer education.

Theme of the meeting will be "Homemaking Education - Declaration of Purpose and Action."

Speakers for the sessions will include Ruth Stovall, State Supervisor of Home Economics Education, Montgomery, Ala., and Mrs. Flossie M. Byrd, Dean, School of Home Economics, Prairie View A&M College. Discussions throughout the week will be led by Mary Dee Dickerson, Assistant Professor, Department of Home Economics, San Diego State College.

Consultants for the State Department of Education in Austin will be Dr. J. W. Edgar, John R. Guemple and Mrs. Elizabeth Smith.

The Sixth Anniversary Awards Banquet of the Vocational Homemaking Teachers Association is set for Wednesday evening, July 30. Tenure pins will be awarded 68 members of the association in recognition of dedicated service in the teaching profession. The association will also honor ten school administrators from over the state, a teacher trainer from a college or university and a member of the state homemaking staff for their leadership in vocational education.

Speaker for the banquet will be a newsman Wick Fowler who was the first Texas newsman to cover the Vietnam war. He recently returned from his second trip to Vietnam.

The association's annual meeting will climax with a talk by Mrs. Virginia H. Knauer, special assistant to President Nixon for Consumer Affairs.

More than 1700 teachers are expected to attend the week-long meeting.

Only three years ago, an American scientist made the startling discovery that the tiny ground finch feeds by nipping the soft skin of a much larger bird and sipping the blood. It was the first time that blood-eating as a primary feeding method had ever been found among birds.

# High School Pep Squad Organized

Some 125 high school girls were present Tuesday night at the high school auditorium for the organizational meeting of the new pep squad which will represent the school during the football seasons, it was reported by Jerry Don George, principal.

"The response and enthusiasm shown by the girls present Tuesday night was much more than we had anticipated," George reported, "and we feel it will be even more as the organization gets going."

Sophomore, junior and senior girls who attended the meeting were given a list of rules and regulations governing the pep squad and a parent's permission slip which parents must sign before the girls can become members of the organization. All girls signing up for the pep squad will be required to meet certain standards, George pointed out, before they will be accepted, and they then must maintain certain standards while members of the organization.

A second meeting to further plans for the organization has been scheduled for tonight at 8 p. m. at the high school auditorium. Girls who were unable to attend the first meeting are urged to attend and those who were present Tuesday are asked to return their applications and parent's permission slips.

Due to the pep squad not being a part of the school budget, girls will be required to buy their own uniforms, George pointed out, but a standardization of uniforms is the planning where girls who are seniors will be able to sell the uniforms to upcoming pep squad members to help defray expenses. Cost of the uniforms, which will include a blazer, skirt, shoes and other accessories, will be about \$35.

Various money-making projects will be conducted by the squad throughout the year, George stated. Transportation to and from road games will be furnished by the school, and the group as a whole will be admitted to all games free of charge.

The group will have three sponsors from the high school faculty, of which Mrs. Joan Fuston will be head sponsor.

"The purpose of this pep squad," George added, "is to help build school spirit in the school and to develop enthusiasm at ball games."

City Manager Dudley Bayne was also instructed to advertise for bids for a non-directional, low-frequency homing device for the municipal airport. Installation of this device will be the first step in equipping the airport for the landing of small charter executive-type jet aircraft.

# Thinking Aloud

By BARBARA SWIMMER

Today is the day when the astronauts will splash down after their history making trip to the moon. Hope their "out of this world" luck continues.

It was a great feat, landing on the moon and the fact that we were able to watch it on live TV was just as great.

The legendary "man on the moon" has finally become a reality. What a wonderful world we live in today.

I overheard my youngsters

... talking about the landing just a few minutes after they watched in on TV. Scott-son remarked "I guess this will really be important in history!" His older and wiser, soft-spoken brother, Van-son, answered with a wiser and soft-spoken — "Heck yes, stupid, this is better than the Civil War."

In between the moon landing and the famous first steps on

the alien world, Sunday afternoon, we decided to go sandhill plum hunting. We went north of here near the Canadian River and found plum thickets like you've never seen before. The shades of red and gold of the fruit were just beautiful and stretched for miles.

A lot of the plums were ripe but by next weekend they should all be ripe and ready for picking. We picked enough to make enough jelly to last until next year... so much for that.

Even if you don't like to pick the wild fruit, the trip down there to see the beautiful colors

is well worth it.

A little ditty I read recently, written by Helen Lohr, is oh — so true. Thought you might enjoy reading it.

Topless suits and peek-a-boo clothes,

Miniskirts and see through hose —

If Godiva made her ride today,

Would anyone even glance her way?

Yes, I guess they would, of course.

People seldom see a horse.

The fighting Little League

All-Stars really strutted their stuff Tuesday night at the District Tournament held at Borger, when they beat the great Sunray All-Stars by a score of 8-2. If they can beat Sunray (my home town) they just have to go all the way. The game was originally scheduled for Monday night but it was rained out and rescheduled Tuesday.

Their second game in the tournament was held Wednesday night and results will be carried in the Sunday Brand. They played the mighty Borger All-Stars.

## Mrs. Johnny Clark Is Honored By Study Club

Mrs. Johnny Clark Jr., who is moving to Baytown, Texas, was honored Monday morning at a called meeting of the Hereford Study Club, hosted in the home of Mrs. N. D. Bartlett Jr. Mrs. Clark was presented a farewell gift and her resignation was accepted by members with regret.

In a brief business session, plans were formulated for August projects.

The first regular meeting in the fall is scheduled for September 4.

Other members attending were Mmes. Labry Ballard, T. E. Braddy, S. L. Garrison, W. H. Gentry, Garland Soloman, Art Stoy, Maurice Tannahill, Ed Wilson Jr., C. R. Winget and R. N. Yarbro.

**CARD OF THANKS**  
I want to thank Dr. Hick and Dr. Rush and all the nurses who were so nice to me while I was in the hospital. Also my friends for the flowers and cards and visits and Rev. Gene Brink for his daily visits.

Triplett earned this award for meritorious service with the brigade's Company C.

He is the son of Mr. and Mrs. A. L. Triplett who now live at Canyon.

### POOR NIGHT PLANNING

WEST PALM BEACH, Fla. — Municipal Stadium, where the Atlanta Braves and Montreal Expos played their spring training-home exhibition games, and the Auditorium, where the Miami Floridians played some of their American Basketball Association games, are separated only by a parking lot.

However, when the Atlanta Braves played their only night game of the spring here against the Minnesota Twins, Miami played a basketball game against the Denver Rockets.

The basketball crowd was announced as 3,027 while the baseball game, won by the Twins 9-4, drew only 1,242 fans.

### HOME GROWN BACKS

LARAMIE, Wyo. — The entire starting backfield of the Wyoming state football championship Laramie team has accepted football scholarships to the University of Wyoming.

They are quarterback Scott Freeman, fullback Rod Jones and halfbacks Eddie Schmidt and Larry Garcia.

# ★ VOTE WATER FOR TEXAS, AMENDMENT 2 - AUGUST 5 ★

(This message made possible by the merchants & individuals listed on this page)

## An Open Letter to the People of Texas...

The availability of an adequate supply of water has always made the difference between prosperity and want--between plenty and famine. For these reasons, water has played a major role in the Texas story--has been the essential element in placing a State known for wide open spaces in the position of sustaining--

- \* The Nation's third largest population by 1985;
- \* A high rate of growth in business, industry and finance;
- \* The Nation's third largest agricultural industry.

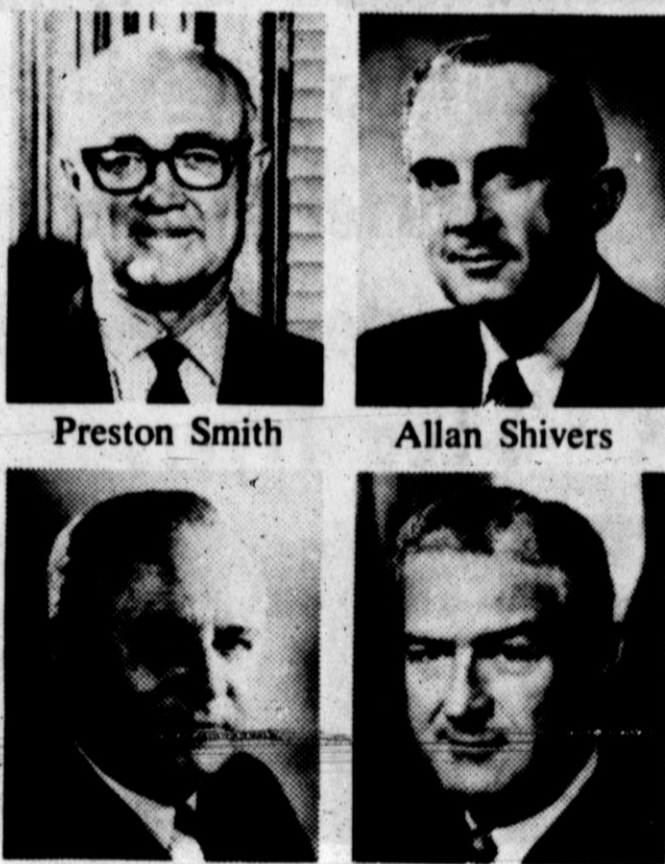

Our State's growth projections in these areas nearly defies imagination, and yet experts tell us that these projections and future prosperity cannot be realized unless giant steps are taken now to assure Texas' future water resources.

The Texas Water Plan was developed to make maximum use of the available water in our State and to provide for additional out-of-state water as needed. This work has taken place during all of our administrations as Governor of Texas. The Plan comes to its first real public test on August 5, 1969, when you, the voters of Texas, are being asked to approve Constitutional Amendment No. Two, which will authorize the Texas Water Development Board to sell up to \$3.5 billion in additional bonds over a 40-year period, in amounts as needed--money that will eventually be repaid by water users.

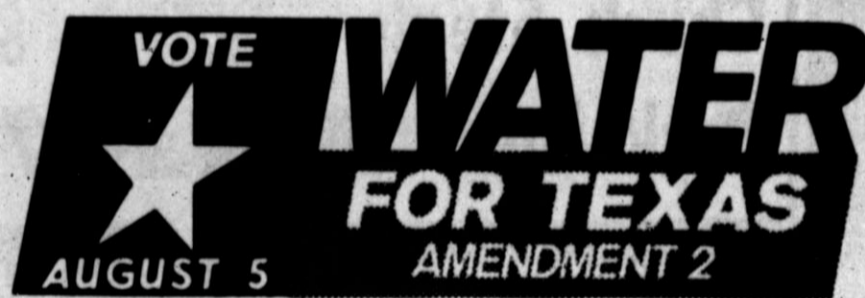

We urge you to vote for Constitutional Amendment No. Two on August 5. It may be the most important vote this generation of Texans will cast.

Sincerely,

# Afraid Of Lattice Pie?

By CECILY BROWNSTONE  
Associated Press Food Editor

Some cooks are wary of making a fresh peach pie that has a lattice topping. And well they might be because weaving strips of pastry across a juicy fruit filling takes some practice.

So for unpracticed pie-makers we have a suggestion. Forget the most elegant lattice pie of nine-inch size with its twelve narrow strips of pastry intertwined in a woven design. Make a lattice pie this way: use only six wide strips of pastry and you will find the weaving easy.

The following recipe for peach pie is an honest one — no flavor but fresh peach flavor comes through. There's something about plain sweetened fresh peaches combined with rich browned pastry that's wonderfully simple and good.

When it comes to the amount of sugar used, we feel we should give you a small warning. We like the one cup called for because we like a sweet pie; but some of our guests (especially those who are English) and some members of our family prefer a filling that's not so sweet. So if you feel you'd enjoy the least amount of sugar that may be added, decrease the one cup called for to three-quarters cup.

And another tip: if a fresh peach pie ever turns out less sweet than you like, sprinkle it generously with confectioners' (powdered) sugar before serving.

## FRESH PEACH LATTICE PIE

1 package (11.25 ounces) pie crust mix  
1 cup sugar  
1/4 cup flour  
1/8 teaspoon salt  
2 pounds (about) fresh peaches

1 tablespoon butter  
Have a kettleful of boiling water ready for use in removing skin from peaches.

Make up pastry according to package directions and shape into a ball. Remove one-third (1/3 cup) of pastry; shape into a small rectangle; cover with plastic wrap and refrigerate. Roll out remaining two-thirds

of pastry 1 1/2 inches larger than inverted 9-inch pie plate; fit into 9-inch pie plate; if necessary use kitchen scissors to trim any very uneven edges, but leave generous overhang; refrigerate. In a large mixing bowl stir together the sugar, flour and salt; reserve.

Place peaches in a medium pot or large mixing bowl; cover with boiling water; let stand until skins slip off easily — 2 minutes. Remove skins; slice into a quart measure to make a generous 4 cups; reserve.

Remove small pastry rectangle from refrigerator; roll out to a 10 by 6 inch rectangle keeping sides straight or trimming; with a knife or pastry wheel cut from 6-inch side into six 1-inch wide and 10-inch long strips.

With a slotted spoon or a fork, place peaches (minus any juice that has collected) into sugar-flour mixture; toss until dry ingredients are moistened; turn into pastry-lined pie plate.

Place 3 of the pastry strips, evenly apart, across peach filling; holding back alternate strips as you do so, weave remaining 3 strips, one at a time and evenly apart, over and under the first strips; as you weave, if you like, twirl second batch of strips.

Fold edge of lower crust over ends of strips; pinch together to make a high edge to help keep juices from leaking. Flute if you can manage to do so.

Dot peaches not covered by pastry strips with butter. Bake in a preheated 425-de-

gree oven, on rack below center, until pastry is browned — 35 to 40 minutes. If filling should start to leak, place a 12-inch square of foil on rack below pie plate to catch drippings.

# "The Army Green"

By **Stc BERT PINALES**

U. S. Army Recruiter

Ever wonder who designs those handsome shoulder patches and regimental crests you see on men and women wearing the Army greens??

They are the works of the Army's Institute of Heraldry, an organization that not only designs heraldic devices for the Army, but also for other Federal Government agencies.

The institute, for example, redesigned the American flag after Hawaii and Alaska gained statehood. The institute also designed the Seal of the President of the United States.

On the Institute's staff are heraldic specialists, artists, sculptors, and designers.

**RECONDO TRAINING**

You probably have heard about the rugged ranger training being given by the Army but how many of you ever heard of

"Recondo training?" Those who have taken it consider recondo training to be more rugged than ranger training. Designed to train volunteers to become unit leaders specializing in long-range patrolling operations, the three-week course runs 18 hours a day, seven days a week. Most of the time is spent outdoors training in escape and evasion techniques, guerrilla warfare, map reading and patrolling. It is the type of course that not only build up a man physically but mentally too.

If you would like more information about Recondo training or other Army Opportunity, give us a call at 364-1697 in Hereford on Tuesdays or visit our office in the Post Office Bldg. Room 322 at Amarillo.

**FACTS ABOUT THE ARMY**

Did you know —That New York Jets quarterback Joe Namath has a brother who is an Army warrant officer?

—That one out of three soldiers in the Army wears eyeglasses? —That seven soldiers were selected to the 1968 All-American track and field team by the Amateur Athletic Union?

**QUESTION OF THE WEEK**

Is it possible to get an appointment to West Point after joining the Army? The answer is yes. A number of West Point appointments are set aside each year for enlisted men in the Army. If you would like more information on how you can join the Army and possibly qualify for one of these appointments, drop by our office.

**NEWSPAPERS GO AIR MAIL**

This newspaper, like other dailies and weeklies, can now be sent to servicemen overseas via air mail without an increase in subscription rates.

The Army is now sending newspapers air mail to most overseas areas. The papers travel via second class surface mail until it reaches the APO port (San Francisco, New York, etc.) and then air mail the rest of the way.

**VIETNAM LINGO**

American soldiers seem to develop a new vocabulary whenever there is a new war. The Vietnam action is no different.

Example of the new lingo: The Pacific Ocean is called the big pond, an infantryman is a grunt, stump jumper, gravel crusher or a leg; a large bunker or tunnel complex is called the Hanoi Hilton and enemy infested jungles are called VC National Forests.

This week's group of new enlistees includes Harvey Dean Whaley Jr., Ronnie Lance, Ricky Nunley, Jesus Vasques, all

taught in the Community Center where plans are to include the selection of a Neighborhood Center Coordinator for the program.

A permanent committee and officers are also set for election.

These matters were postponed at previous CAC meetings pending program sanction of the Hereford City Commission and Deaf Smith County Commissioners Court for the operation of the Office of Economic Opportunity plan here.

It was reported that their backing was needed for "moral support" and so that one each of its commissioners could represent them on the board. Spokesmen for the CAC have appeared before the two local governing bodies during

the past eleven days. Approval was given by each group of commissioners.

Temporary chairman Richard Barion has urged all CAC steering committee members to attend tonight's meeting. He also stated that the meeting is open to all interested parties.

## H.D. Council Schedules Rummage Sale

The Deaf Smith County Home Demonstration Council is sponsoring a rummage sale to be held Saturday from 9 a.m. to 6 p.m. at 204 Main.

The proceeds from the fund raising project will go toward sending delegates to the Texas Home Demonstration State Meeting August 17-19 in Dallas.

**A FULL HOUSE**

WEST PALM BEACH — Three baseball teams and a basketball team were staying at the same motel one night last spring. The New York Mets stayed one night after playing the Atlanta Braves. Besides the Braves, the Montreal Expos used the same inn as their headquarters. The Denver Rockets basketball team stayed here the night before their game with the Miami Floridians.

## Langley Speaks Out Of State

Earnest Langley, president of the Deaf Smith County Chamber of Commerce, has been invited to address the annual Chamber of Commerce banquet on Aug. 1 in Oberlin, Kansas.

Langley is scheduled to tell his Kansas audience "The Hereford Story."

With him at the banquet will be Hereford Mayor Jim Sears and city manager Dudley Bayne.

## Winners Are Announced In Annual Bridge Tournament

Steve Lawrence of El Paso retained possession of the F.W. Hill Traveling Trophy for the second consecutive year as overall winner of master points in the Harvest Festival Bridge Tournament held here last weekend.

The annual tournament is sponsored by the Hereford Duplicate Bridge League.

The traveling trophy was named for Mr. and Mrs. F. W. Hill who were leaders in starting the yearly Harvest Festival competition.

Mr. Lawrence and Mrs. Doris Orlett of Kansas City scored high in the open event Sunday evening. Second place went to Lester Dewey and Paul Kelly, both of Amarillo.

Scoring fourth in this final session of the tournament were Mrs. Dick Gholson and Mrs. Duain Pittenger, both of Hereford.

The consolation game went to Larry Vogt of Lubbock and Bill Dye of Hereford.

The session Saturday afternoon was the qualifying round for

the Masters Event held Saturday night. Tying for first and second places in the event were Mrs. F. W. Hill, Hereford and Steve Lawrence; and Butch Adams and Weldon Wells of Lubbock.

The Whiteface Pairs Saturday night was won by Mrs. Harley

Black and Mrs. Doris E. Smith. Winning the Irrigation Pairs in the Saturday morning session were Mrs. Dick Gholson and Mrs. W. B. Finley, both of Hereford.

Saturday afternoon the Salad Bowl Pairs went to Mrs. Lenore Kreiger and Anna Mae Thomas, both of Amarillo.

## Ceramic Club Names Slate

Mrs. J. W. Stengel was elected to head the slate of officers for the coming year at a called meeting of the Hereford Ceramic Art Club held Tuesday morning at the Chaparral Restaurant.

Other officers named were Mrs. Luther Norvell, vice-president; Mrs. Joe Kendall, secretary-treasurer; Mrs. Vivian Ma-

zor, historian; and Mrs. Ray Carlisle, reporter.

In other business, members voted to change meeting days to the second Thursday in each month. The first fall meeting will be Sept. 11 at 2 p. m.

Others attending were Mmes. Bill Hromas, Sam Morgan and O. H. Culpepper.

### CARD OF THANKS

We know that words are so inadequate at a time like this, but we want to thank every one who expressed their sympathy in all ways during our time of sorrow.

The Family of Mrs. San Juana Guerrero.

### CARD OF THANKS

I wish to take the opportunity of thanking the Hereford Hospital staff. I also want to thank the nurses, Dr. Rush, Dr. Johnson and Dr. Mims for all the kindnesses they gave to me, to my friends for the visits, flowers, prayers and cards while I was in the hospital. May God bless each and everyone of you.

Mrs. Vera Davison.

## VISION

How far can you see? When you look, what do you see? Vision means more than just to see something with the eye. Actually, the deeper meaning of vision would be to perceive what is not seeable to the eye... a mental view or image. True, the eyes deliver 87% of all impressions to the brain. *But vision means seeing further than one can see with the eye.*

We know 20-20 vision of soul has deeper meaning than 20-20 vision of the eye.

Do you have vision? Have you seen God lately? Have you visioned His church on the corner and all it stands for? When you read His Word can you anticipate all the glories of His second coming? *May we develop 20-20 vision of sight, of mind, and of soul.*

May we have true vision.

### Millions Involved In Water System

LUBBOCK — Texas Tech research shows 9.8 million persons live in the areas to be served by the Texas Water System plan to import surplus water from the Mississippi River through Louisiana into Texas and Eastern New Mexico.

Dr. Vernon T. Clover of the Department of Economics at Tech said the survey shows that number living in the 174 counties part or all of which are within 30 miles of the proposed import channels and reservoirs or in areas of present or potential irrigation under the plan.

"The 153 Texas counties invol-

ved," he said, "contain 8.8 million persons, while 235,000 live in 10 counties in New Mexico and 608,000 live in 11 counties in southern and western Louisiana."

The department's figures show that the total population in those counties increased one million between 1960 and 1966, a 12 per cent gain.

"In Texas," Dr. Clover said, "there are 3.7 million persons in the affected counties along the Sabine River in East Texas plus the northeast counties in Texas and in the northern counties, including Dallas and Tarrant, westward to the edge of the High Plains of West Texas."

"One million live in the counties on the High Plains of West Texas. The coastal counties, including the city of Houston, in

the 'man-made valley' created by the import route in that section of the state, have a population of 2.8 million."

More than 800,000 persons live in the two-county area to be served around San Antonio in South Central Texas, the survey showed. The remaining 500,000 population in the counties involved live in the El Paso and middle Rio Grande areas.

Most of the water to be taken by the project, Dr. Clover pointed out, is removed from the Mississippi near the mouth and presently flows into the Gulf of Mexico. Enough will remain in

**FIGHT BACK!**

Fight the price/cost squeeze on your wheat with NITROMITE. Shamrock's fine brand of anhydrous ammonia. A preplant application of NITROMITE speeds early growth, producing lush, high-quality forage (and plenty of it!) — an important factor if you plan to graze cattle this winter. And the cash crop? NITROMITE delivers the most usable nitrogen per dollar to help increase yields without increasing cost appreciably. So come harvest, even if prices are low, you make out. If they're good, you'll be the big winner. Put down NITROMITE now. It'll give you a fighting chance in the marketplace.

### 4-H'ers To Return On Friday

4-H'ers from 22 counties in District I left Monday morning at 9:45 a. m. on four chartered buses for Camp Scott Able near Cloudcroft, New Mexico. They are expected to return Friday afternoon at 4 p. m.

The trip is being sponsored by the Southwestern Public Service Company, and is an annual event.

The 4-H'ers, while at camp, will engage in recreation and workshops on electricity, which will be explained by the sponsors.

The District 4-H Council Delegates will hold a business meeting and session. Two will represent each county.

The six 4-H'ers from Hereford attending are Steven Olsson, Dennis Goheen, Micky Ginn, Martha McBride, Patsy Paetzold, and Kay Atchley.

Going with the group from Hereford are Mrs. Joe Frank Huckert and Mr. Juston McBride.

### At The Library

## Eddy Arnold's True Life Story

at the library 2x3x eddy arnolds This week at the Deaf Smith County Library you can find the true life struggles of Eddy Arnold and the story of a rich adolescent. Both meet problems unlike the others.

#### IT'S A LONG WAY FROM CHESTER COUNTY

By Eddy Arnold  
It may be a long way from Chester County to dinner in the White House, but Eddy Arnold remembers every step of the way.

In his own homey style, the beloved country music singer tells the story of his life — and it was no instant step-to-stardom for him. He saw his family's debt-ridden farm auctioned off, and his family become sharecroppers on their "own" property. He knew what it was to be hungry as he played club dates at fifty cents a night and worked in a funeral parlor during the day.

Then it started to break. WSM Memphis, invited him to host the Grand Ole Opry with Minnie Pearl and Uncle Dave Macon. He began to record with RCA, go on tours, had a radio program of his own, tried Hollywood, Las Vegas, was besieged by autograph hunters. He built a beautiful home; success was in his hand.

It couldn't last forever. He seemed to feel another rhythm going on inside his audience, a rhythm he wasn't singing to. He had to face what every singer dreads — he was going "cold." Eddy passed through a period of doubt and indecision,

tempted to go into business full time, forget the music. But singing was his life; music mattered most of all. How could he just quit?

During that decline, Eddy began to hear a new kind of music inside himself, softer, other voices harmonizing with his. This was it! This was my style. Call it middle-of-the-road, call it new-pop, call it anything.

He needed that spotlight. Was this the way? Is it possible to create a new image, to regain those personality ratings? Was the advice of his manager worth the risk involved?

You'll laugh with Eddy Arnold; you'll cry with him. You'll see folks like Johnny Carson, Ginger Rogers, Tom Parker, Dean Martin, Red Skelton, through his eyes.

You'll meet a real gentleman, see how he runs his shows, hear his advice to young singers and song writers, and you'll understand why Eddie Arnold made it all the way from Chester County to the top.

**BIG PHIL'S KID**  
By M. M. Parker  
BIG PHIL'S KID is a touching hilarious rebuttal of the theory that all novels of adolescence are basically the same. Nothing is the same when the scenes are sophisticated New York and Palm Beach and the young

here suddenly realizes that the chauffeur is really a bodyguard and that his Big Businessman father's big money comes from big rackets. Lovable gangsters, an Italian mother who spends hours cooking inedible dinners, and a girl-next-door who makes the first move are not stereotypical. Indeed, nothing about this novel is predictable except that it will make anyone who was ever young laugh, and perhaps cry.

The Light Touch by RALPH OWENS

Opportunity knocks only once, but temptation bangs on the door for years . . .

Isn't it about time for a public opinion poll to find out the public's opinion of public opinion polls?

Happiness is having a dentist's appointment and finding the car won't start . . .

Middle age: when your wife tells you to pull in your stomach and you already have . . .

He's not so big a fool as he used to be — he's lost some weight.

We're not fooling! People rave about our wide choice of attractive home at Justice Realtors.
