# Southwest Feed Yards, Inc. To Hold Open House

Southwest Feed Yards, Inc., one of the newest and most modern custom cattle feeding operations in the Hereford area, will hold open house Sunday from 1:30 to 4:30 p. m. at the yard's location four miles east and one-half mile north of Hereford.

The new lot, which covers some 320 acres and will have a one-time total capacity of 60,000 was announced in the latter part of January of this year during a press conference called by officers and stockholders of the corporation.

Corporate officers are W.H. "Bill" Gentry, president; Charles R. Hoover, vice president and manager; Ralph Owens, secretary and W. C. Russell, treasurer. Directors are Ivan L. Block, J. C. McCracken, Jerome L. Friemel, Carl S. Perrin and Ed Wilson, Jr.

Boasting several features which conventional cattle feeding operations do not have, the new lot is expected to provide improved methods of custom cattle feeding. The owners of the lot, in making plans for the pens, decided that the creation of slopes, in addition to natural slopes of the land, would provide extra waste and water drainage from the pens into the pond.

Also, the company elected to construct alleys for drainage to the pollution pond. The pollution pond, which complies with the state Water Quality Board regulations, will hold a maximum of 30-acre-feet of water.

Underground drain tile was installed at the yard so that drainage could be provided when the working areas are washed out — a process which will be done every day.

Underground wiring was installed at the new feed lot, as to do away with the overhead wiring which attracted birds and caused considerable problems in the past. Lighting for the pens, which number 130, 200-head pens and 40, 170-head pens, has been installed so that sufficient lighting can be created at night from the powerful flood light type lights situated at strategic spots throughout the pen area.

Direct, on-line service to Agriculture Data Processing office in Amarillo has also been added to the office, enabling the office personnel to have immediate knowledge of changing prices, average consumption of each animal per day and other information vital to the operations of the organization.

Actual construction of the pens and office area was begun shortly after announcement this year, and the first shipment of cattle was received on August 18. The first shipment totaled 600 head and by the middle of September the total had reached 3,500 with a considerable increase expected between that time and open house Sunday.

Expansion, should future needs warrant it, would be mainly to the west of the present location for the three-phase operation. The first phase of the operation, which calls for approximately 30,000 head of cattle, is very near completion. The second phase call for an additional 20,000 head while the third phase, if needed, an additional 10,000. Approximately \$1 million was spent on the first phase of the operation, officials stated.

The mill at the feeding operation consists of four rollers and tanks with additional space handy for future expansion to double the present capacity. The four rollers make it possible for the mill worker to produce, depending on the rations, about 16 tons of feed per hour. The mill is currently set up to handle milo as the main feed ingredient, but can be switched over easily to produce feed with barley, wheat or corn.

The floor space of the mill, including the boiler room, is 9,000 square feet with a shop area which covers 5,000 square feet and an office with 2,400 square feet.

In the cattle working area, there is 2,200 square feet under roof while the horse barn has 2,500 square feet under roof. Seven cowboys will work the area not including the branding, which is done on a contract basis.

Stockholders will be the ones to provide the ensilage for the new cattle feeding operations and additional contracts, should they be required, will be taken out between the stockholders and other local farmers.

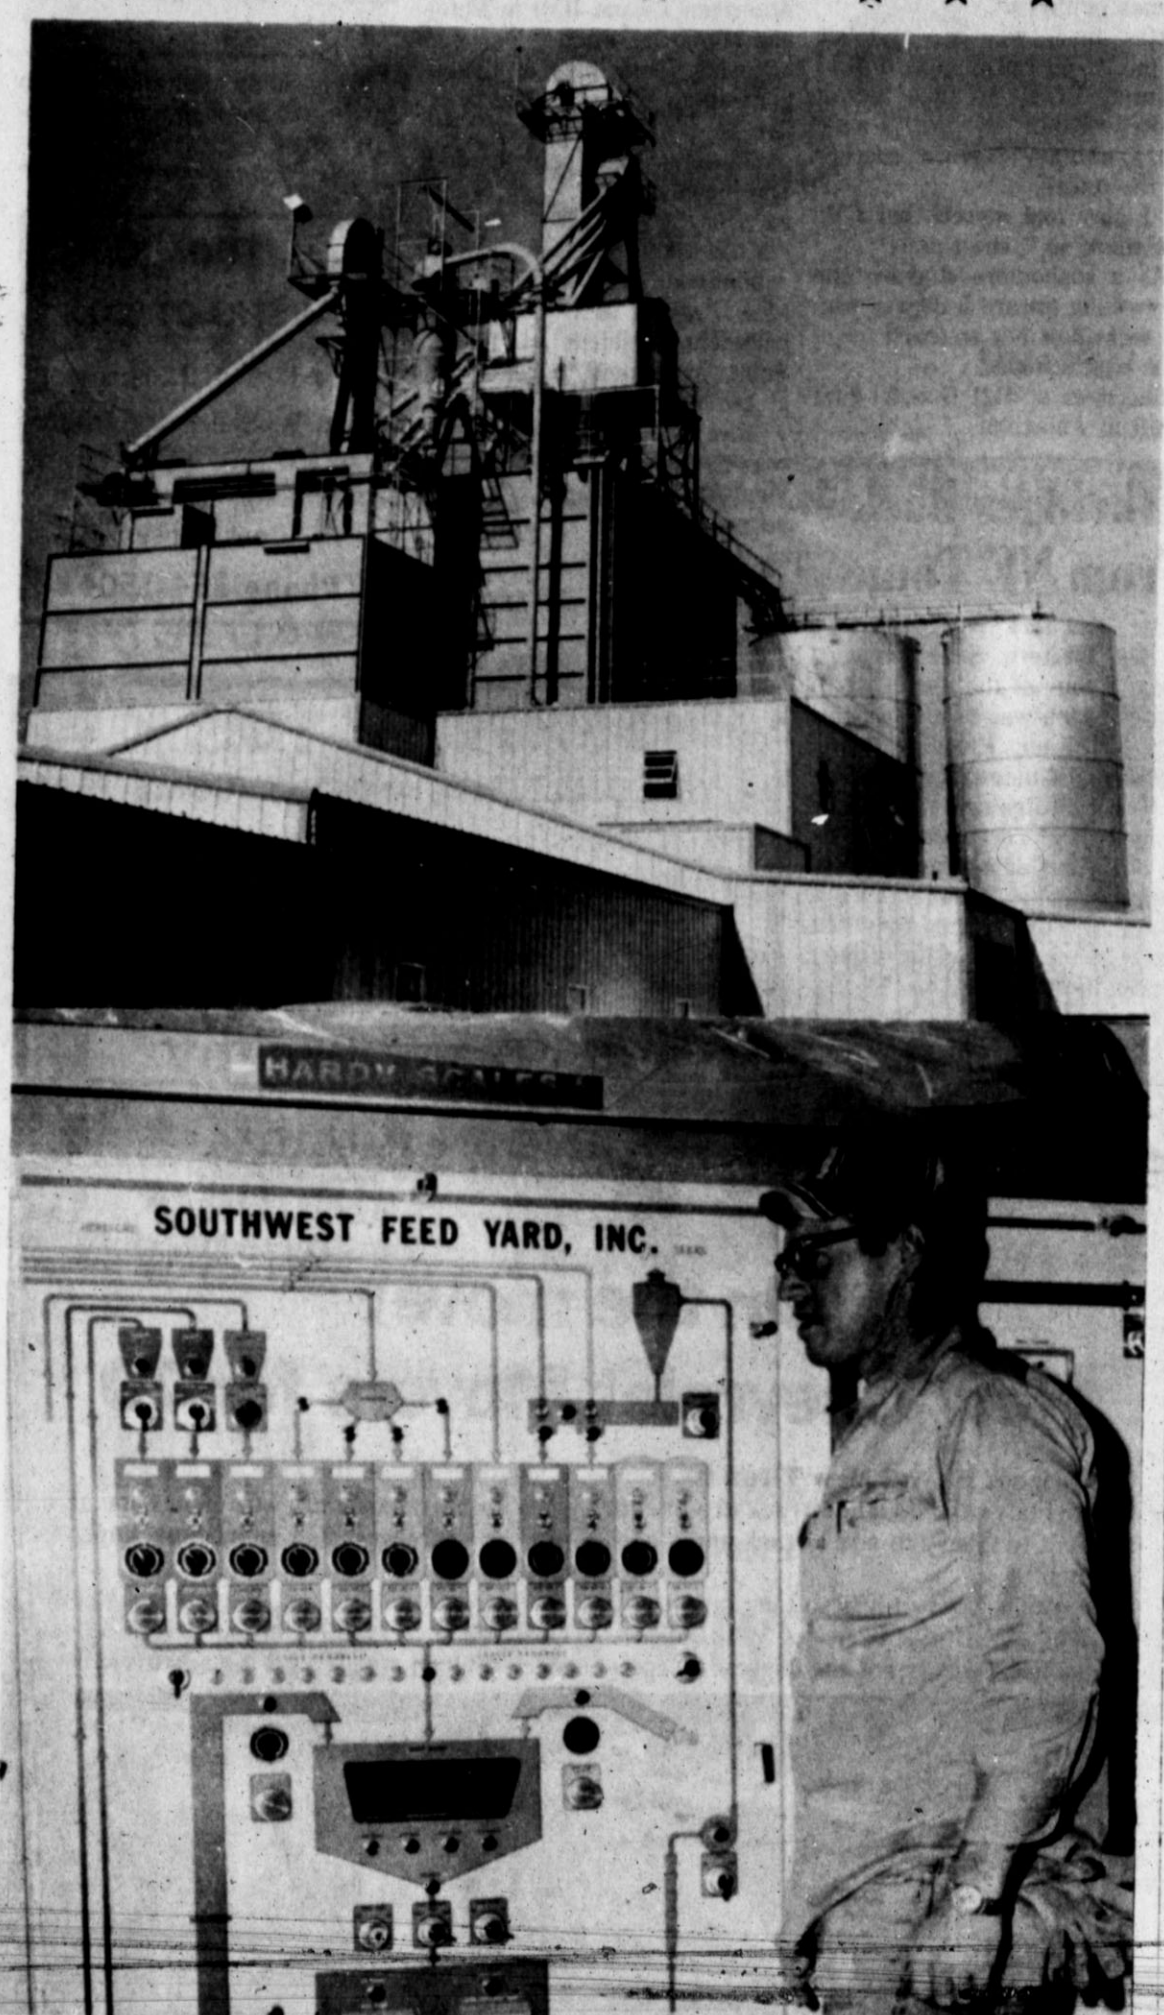

Construction on the feeding operations was almost entirely done by local companies, because the stockholders felt it would help keep money spent on the project in the local area.

Poarch Brothers of Hereford built the feed lot mill complete, including the shop, office and other mill facilities; Red-Mix Concrete of Muleshoe built the bunk and bunklines complete; Jake Diehl Construction Company of Hereford did the dirt work and caliche; Cecil Parker of Hereford built the pens and working area and Gifford-Hill Western installed the water lines.

Also, Owens and Hollingsworth of Hereford set up the electrical facilities in the pens and lighting area; Deaf Smith County Electric Cooperative furnished the electricity and Big T Pump Company drilled water wells for the feed lot which was designed by McMorris and Associates of Amarillo.

Brownlow Brothers were responsible for construction of the buildings, while Kelly Electric did the electrical work for the office and shop. Witherspoon Electric furnished the electrical work for the mill and Pavlick did the plumbing.

A list of stockholders in the new feeding operations includes Big T Pump Company, Inc., Ivan L. Block, Howard C. Brown, Thomas L. Burdett, Bruce Burney, C. C. Ellis, Herman Ford; Clint Formby, Herbert Friemel, Jerome L. Friemel, Roman J. Friemel, S. L. Garrison, W. H. Gentry, Roy L. Hartman, Norman Hodges, Charles Hoover, Virgil Marsh, J. C. McCracken, Ralph Owens, Carl Perrin, Jim Perrin, J. W. Robinson, Tom Robinson, W. C. Russell, James Sears, Jr., Wayne Thomas, Edward Wiecek and Ed Wilson, Jr.

**MODERN FACILITIES.** — Southwest Feed Yards, Inc., which will hold open house Sunday from 1:30 to 4:30 p. m. at the yard's location near the Hereford airport, boasts several modern operating facilities. In the top photo is the mill which covers 9,000 square feet and in the bottom photo is Bob Teague at the control room in the mill. The machine in the bottom photo is a computer which determines the amount of rations that go into certain feeds. — Staff Photos

## Kimball Backs Up NFO Holding Action

By EARL MOSELEY  
Staff Writer

Texas National Farmers Organization president Don Kimball headed a news conference in the Villa Inn at Amarillo Monday morning in order to clarify the NFO membership's decision in Hereford last Thursday night to institute a holdback policy on milo in an effort to maintain their target price of \$2.30 and to fulfill their contract made in July with West Friona Grain Company.

The conference also included comments and rebuttals toward statements reportedly made to the press by Rep. Bob Price and farm organization spokesmen since the Thursday night meeting.

Only two area news media had on-the-spot coverage of the NFO meeting in the Deaf Smith County Bull Barn on the night the decisions were originally made — the Hereford Brand and KFDD-TV. Moreover, it was pointed out by other members of the press that no officer of NFO could be reached for comment during the weekend.

Deaf Smith County NFO president Gerald McCathern explained that he and various other officers could not be contacted Friday "because we had a meeting with the USDA at the Agricultural Stabilization and Conservation office which came about suddenly. We naturally didn't want to pass up this meeting. But we were certainly not trying to dodge anyone. However, Kimball could have been reached over his mobile telephone, if he had tried."

McCathern did not report on the outcome of the USDA meeting. (During the Thursday night meeting that saw approximately 800 area-wide farmers vote almost unanimously on the two key proposals, the national ASC became a prime concern through government crop loans from its office and the legality of the NFO agreement.)

McCathern said the story which appeared in the Sunday Brand was accurate, but the headline — NFO Farmers Declare War — was misleading. "NFO farmers," he said, "are merely trying to gain a fair market price."

Kimball was questioned by newsmen — primarily from the three Amarillo television stations and the two newspapers — regarding the possibility of violence, as in the case of the recent holding action on milk. ("That is a highly unlikely," Kimball replied) and the prospect of area feedlot operators buying their grain sorghum in other areas during the local holding action. ("The feedlots are already buying from other areas.")

But Kimball stated, "We are very disappointed in some of the statements that have been made. I am not sure of the present NFO membership number, but we are strong enough for the holding action."

Upon inquiry if he felt \$2.30 price would raise the "housewife cost," he replied, "I sure

do not. To the feedlot, this cost would represent only \$5.70 per head in increased cost. It is so trivial — such a small increase."

The state president reported that USDA's August report shows a carry-over of 300-million bushels of grain sorghum. "Users will exceed this in 1970 by 5 or 6 per cent. The area is down from 10 to 20 per cent. This year feed is short of feed grain supplies. We would not have enough food stuffs in case of war, etc."

Kimball pointed out that "NFO members and non-members alike have been awaiting this holding action. Our cost of production is over \$2. Our price of \$2.30 is a reprieve for continued production."

"The farmer does not sign a contract with NFO. The farmer is NFO. The membership agreement they sign is not a contract. The member can market his product as he so chooses. He is under no obligation."

He added at this point that NFO officers are "still in the process at this time toward clarifying the situation with ASC."

Kimball replied regarding reports of various people currently buying grain on speculation: "There is quite a movement among the farmers themselves on this speculation. They believe it is a good investment." But

he said that he has not entered into the speculation himself.

"To my knowledge, we have no plans on beef and red meat at this time. But I do not know the national NFO plan at the moment on this subject," he said. "But we have worked with cattlemen for some time in order to stabilize prices. We have organized several thousand farmers in a short period of time, and we feel we can do so with feedlot operators."

"The fluctuation of prices is the problem. It should not make the retail market higher. No, I don't reflect the labor costs in this picture. We see a wild fluctuation in the wholesale market, but little in retail."

Kimball was asked to pinpoint the length of time the milo holding action will take before the \$2.30 is achieved.

"I hope it is a short period of time. But at this point, I have no way of setting a timetable. But we are prepared to hold back as long as it takes."

He said that area bankers "have been one of the strongest factors in agriculture. They understand it. They are making every attempt to increase the return to the farmer."

**MAIZE CARAVAN** — Approximately 50 trucks loaded with an estimated 1,200,000 lbs. of grain sorghum passed through Hereford on their way toward Friona at noon Wednesday, increasing the "holding action" instituted last week by area National Farmers Organization members. The caravan began in Dalhart and reportedly picked up other trucks on the way down. NFO Texas president Don Kimball ordered 100 hamburgers and Cokes for them here and Deaf Smith County NFO president Gerald McCathern is shown delivering part of the order to participants — who did not stop. — Staff Photo

## Vehicle Inspection Now Year Round

Just as the automobile is changing with the times, also is the inspection of vehicles becoming different. Motor vehicle owners now do not have to wait in the rush line to have their auto inspected before April 15.

Instead inspections will be due one year after the current month of inspection. This will tend to take all the registered vehicles in Texas and prorate them equally among the twelve calendar months to be inspected. This will establish an anniversary month for each vehicle to be inspected and prevent the log-jam of over six million registered vehicles to be inspected at one time.

On September 1, 1969 the Texas Motor Vehicle Inspection Program began a year-around inspection schedule, announced Captain Alan Johnson, Service Commander of the Texas Department of Public Safety for this area.

The new inspection sticker will be placed inside of the lower left-hand side of the windshield instead of the usual right side of the windshield. The number of the current month of inspection will appear on the sticker. For example, those issued in September will have number 9 on them, October the number 10, and so on. The color of the sticker will change each calendar year.

Two items have been added to the inspection list — the exhaust system and the exhaust emission system. A car now must have a muffler and it must be free from leaks. All cars manufactured in 1968 or later coming from the factory equipped with the exhaust emission system (commonly known as the smog device), still must have the device in working order.

The exhaust emission system will be checked to see that it has not been removed or disconnected. This will also apply to foreign cars. However, most of them now in this country are equipped with the smog device before they are sold.

Vehicle owners are now urged to start having their vehicles inspected. The new inspection fee is two dollars.

Deaf Smith County Commissioners Court approved the Texas County and District Retirement System and have scheduled it to be placed in effect on Dec. 1 covering all county employees (with the exception of those employed at the Deaf Smith County Hospital.)

The commissioners agreed to the 7 per cent deposit rate, which is to be paid from the employee's salary and a matching amount from the county.

This plan was discussed by the commissioners with TCDRS director J. Robert Brown of Austin during special session on Oct. 1. Official action could not be taken until their next regularly-scheduled meeting then.

Brown had described the requirements of the system at that time and stated that the plan does not interfere with Social Security. The plan, he said, pays either a standard benefit to the employee or any one of four options which the employee may select. It also has disability benefits.

It was also pointed out that no employee may retire until the plan has been in effect one year.

## Lyons Refutes Unnamed FB Spokesman

Paul Lyons of Hereford, who recently was elected president of the Deaf Smith County Farm Bureau, released a statement to the Brand Wednesday regarding the current discussion on the price of milo.

The Deaf Smith County Farm Bureau president said he had reference to a story carried in a daily newspaper Saturday which reportedly quoted a Farm Bureau spokesman who had advised any farmer against signing a contract with National Farmers Organization because he believed it to be economically unsound.

Lyons said, "There has been some discussion over the Farm Bureau policy in the present discussion of the price of milo. We would like to remind all interested people that the president of the American Farm Bureau, Charles B. Shuman, who recently spoke in Hereford, made the following statement: "There is room for all farm organizations or anybody else to work for the betterment of farm prices..."

Lyons reported that Shuman also said, "There is enough work for all farm organizations in the field of marketing."

Lyons stated, "I feel that the statement of the president of American Farm Bureau takes precedence over the unnamed spokesman quoted by some news media."

Kimball was asked if the West Friona price was lower than the \$2.30 target price being asked at this time.

"The West Friona price is lower," Kimball answered, "but we are not at liberty to disclose this price at this time. But this contract is being filled because it is our moral obligation." However, he pointed out that "all the farmer's crop is not committed to fulfill this contract."

Asked if he could make a profit on milo at \$2.10 (Kimball reported that he is an irrigated grain sorghum farmer), he replied, "I cannot."

Kimball told the Brand that NFO director John Oster of Corning, Iowa, who had acted as principle speaker Thursday night in Hereford, could not be present during the press conference. "He is conducting meetings now in other grain belt states on this matter."

McCathern said that "very

## Battle Of Britain Is "Fought" Here

By EARL MOSELEY  
Staff Writer

"Battle of Britain," the unreleased motion picture which is scheduled to open at the Star Theatre in Hereford with a "little" world premiere Tuesday night to advanced ticket holders before it begins its one-week U. S. premiere engagement the following day, was shown at an invitational screening Monday afternoon which included Gerald Martin of Hereford, who participated in many of the aerial flying sequences during the 2-hour 13-minute Technicolor-F inavision production.

Actually, Martin was not seen throughout the feature in a close-up shot — which did not particularly matter. Because the actual "stars" of "Battle of Britain" were the aircraft (Martin piloted a Messerschmidt 109 for the most part and saw some

English Spitfire action) and the special effects scenes of bombings, burnings, and many sudden deaths.

The aerial photography, in particular, was outstanding in every respect. It was obvious that that much of the \$9-million-plus budget used to make the film was spent in this department. No other "aircraft" picture — peacetime or wartime — comes to memory as its peer.

This appeal is obviously what the producer, Harry Saltzman, intended for his "selling approach" on the U. S. market. For it is an English-made production with a number of noted British actors — such as Michael Caine and Sir Laurence Olivier — playing small parts, and in some instances their dialogue will not be completely understood by American audiences. Moreover, the German ac-

tors in the film speak their lines in German — with English subtitles at the bottom of the screen.

The plot records the historically-documented story of England's battle for survival when World War II was less than a year old — and they were all but defeated at that time. The situation could be compared to a Hereford junior high football team going into a game against the Dallas Cowboys.

But in this case, the "junior high team" won. The British Royal Air Force eventually defeated the mighty German Luftwaffe.

To the oldtimer who remembers the time period, the aerial action in "Battle of Britain" will be strangely reminiscent of World War I battle tactics. But it must be remembered that the

# War Widow Takes Military Science

CANYON —Betty Ann Bean, 22, was widowed by war and she doesn't even know the circumstances of her husband's death. She's rearing a two-year-old son, who saw his father briefly, and she's trying not to be bitter.

With a facade of exuberance, Mrs. Bean attends classes full time at West Texas State University.

Ironically, she also takes a class in the military science department, the same department through which her late husband passed just two years ago.

But, she has reasons for enrolling in the military class, which primarily is for members of the Reserve Officer Training Corps at WTSU, but which is also an elective.

Two of the reasons she terms "sentimental," and the other is just personal preference.

"One was because I didn't want gym," she said. She has already taken three semesters of gym and needs a fourth semester to complete her gym credits. Military science is considered at WT a substitute for gym classes.

"The other two reasons are sentimental," she said. "I thought maybe I can do a little bit where my husband left off."

"And the other reason is that I need to be around people with uniforms and people with the military again, so maybe I won't be bitter someday."

Her husband, James Dale Bean, an Amarillo High School graduate, was enrolled in ROTC at WTSU and received his commission as a second lieutenant in August 1967. He was commissioned in Infantry.

In October of the same year, he was sent to Ft. Benning, Ga. His wife went with him while he attended Ranger School. She went, too, when he was sent to Colorado Springs in February 1968. She came back to Amarillo when he left for Vietnam in September 1968.

Her husband was a first lieutenant in the 25th Infantry Division. He was killed March 25, 1969.

Twice before he had been wounded.

Mrs. Bean said her husband will receive the Silver Star, Bronze Star with V device and Purple Heart.

"I don't know the circumstances of his death," she said. "All I know is that there was a company in trouble and he took his in to offer relief."

"Why he received the Silver Star and Bronze Stars, I don't know," Mrs. Bean's son, Stephen Dale, 2, saw his father just a week and two days before Bean was killed. She and Stephen met James in Hawaii.

Mrs. Bean, who is a member of the Angel Corps girls drill team at WTSU, says she doesn't know whether she will take more military science courses in the future.

"I may fool myself, but I do not think so," she said.

As a sophomore student, she is working toward a degree which will allow her to teach in junior high schools.

She lives at 5121 Goodnight Trail in Amarillo.

**MARTIN AND MESSERSCHMIDT** —Gerald Martin of Hereford is shown here with one of the Messerschmitt 109's which he flew in aerial sequences during the filming of the motion picture "Battle of Britain" and is now

the property of the Confederate Air Force. Martin said the antique German plane will remain in Hereford until after the picture opens in Hereford next week. —Staff Photo

## Battle ...

(Continued from Page 1)

battle for Britain was the first battle in history that was decided entirely in the air — when pilots were "still flying by the seat of their pants" in England.

For the younger generation, it may well present an entirely different slant on "this old war I had to study about in history." They will see that many of the RAF pilots were teenagers with only 10 or 12 hours of flying time under the supervision of older "mother hens."

It is ironic that "Battle of Britain" is being released in the United States on the heels of current demonstrations in some quarters against the war in Vietnam.

As the motion picture story indicates, the actual battle for Britain was decided when England's RAF fighter pilots repelled the Luftwaffe in a massive air attack on Sept. 15, 1940. It changed the course of the war, caused Germany to drop their plans toward an English invasion, and placed them on equal footing terms.

Director Guy Hamilton used an unusual approach to filming and editing this sequence of air battle. With the help of a strong symphonic background score which was composed for the picture, the aircraft in action almost had the appearance of a ballet being performed in the sky — a deadly serious ballet with many unusual visual effects.

There were also moments of pathos filmed on the ground. One was of a WREN officer as she looked over corpses of other WRENs at a bombed-out radar station. Another was that of an RAF officer leaving home

in the middle of night for "work," silently checking on his wife and children, and taking with him another RAF officer who had lost his wife and children in a London bombing.

Although the picture is rated General Audience, there is a nude bedroom scene included which could have been dropped from the plot without disturbing it. However, it probably received its "G" rating because the relationship was supposedly between man and wife.

And "Battle of Britain" did have its own brand of comedy. This even included some wit in the sub-titled German.

But war within itself is violence. Much of the footage is taken up with this type of violence.

Saltzman's budget was well spent.

Hardwick reported that the original "Battle of Britain" had been filmed in 70-millimeter but is being shown in theatres throughout the country in its standard 35-mm projection size. He said that some difficulty was encountered at the Star's original screening due to its unusual screen frame size, but this problem will be completely solved here prior to the Tuesday evening showing.

## Kimball ...

(Continued from Page 1)

little grain" has been moved into storage at West Friona Grain during the past week due to rains. It was also reported Monday morning that ice had formed on many crops.

Kimball opened the press conference with a prepared statement:

"One of the primary principles of the American economy," he stated to newsmen, "has been the right of a company to set a fair price on its production and an individual's right to set a fair price on his labor. Companies set a fair price by holding for a price that will cover their cost of production plus a reasonable profit. Labor through organization bargain with their services to command a wage. Farmers, however, marketing as individuals, are forced into the marketplace asking, 'What will you give me?'"

"Farmers and ranchers have for the last three or four years been saying in every survey taken by agriculture publication that collective bargaining is the answer to our problems."

"In January 1968, NFO came into Texas and gave farmers and ranchers the vehicle needed to bargain in the marketplace," Kimball continued. "The organization has grown to tremendous strength nationwide and has progressed toward a fair price for the farmer. We have just recently made tremendous strides, again proving the principle of collective bargaining for agriculture."

But Kimball stated, "In the process, we have encountered opposition from those who have

## Court ...

(Continued from Page 1)

year.

In other business, the commissioners approved the architectural plans for the new addition to Deaf Smith County Hospital which they had previously inspected. Hospital administrator T. E. Seigler was present in the court at this time.

Commissioners also set p.m. on Nov. 8 as the time and date to open all bids for construction on the \$500,000 hospital wing.

They also transferred a \$316.29 surplus from a 1968 hospital bond account into the 1969 account and closed out the 1968 bond.

Continually exploited the farmer by cheap prices for the farmer's production — when the farmer could not help himself. From here on this exploitation will be stopped!"

He continued, "Statements have been made to brainwash the farmer as well as the public which must be corrected. We are holding for \$2.30 per hundred weight."

Kimball gave as his reason for calling the press conference "to set the record straight as to the reasons and purposes of the grain holding action." He stated: "The farmer has been forced into a struggle for survival. The struggle for fair prices has just begun and it will not end until we have won a fair price for our labor and investment. There is no middle ground. Either we win or we perish, and the nation's economy will perish with us."

He concluded his statement: "We will win."

## Hereford Vaults To Second Place

After spending the entire first half of the season near the middle of the Amarillo Globe News AAA football ratings, the Hereford Whitefaces have vaulted into the third place spot behind defending state champions Lubbock Estacado and second place Dumas.

Sporting a 4-1 record, the Whitefaces, through the first four weeks of the season were nailed to the fifth and sixth place posts, but following their 14-0 rout of the Dalhart Wolves last week, they were upped to the number three spot in the Panhandle class AAA list.

Also included in the top ten are, Lubbock Dunbar, fourth with a 4-1 mark; Vernon, fifth with a 3-1-1; Canyon, sixth with a record of 3-1-1; Perryton seventh at 3-2; Tulia, eighth at 2-2; Littlefield, ninth at 1-4 and Levelland, tenth at 1-4.

This week, all of the district 1-AAA teams will be idle as they prepare for district warfare next week, with the exception of eighth ranked Tulia who will do battle with the Seminole Indians.

In district play next week, the Whitefaces will host the Canyon Eagles, Perryton will visit Tulia, and Dumas will entertain Muleshoe.

## Dillard Named To Grain Board

The grain sorghum referendum, which was officially certified Monday after passage in the 29-county area including Deaf Smith by Texas Agriculture Commissioner John T. White, has also included the names of the 12-member board who will administer the program.

Announced as a member of this board is A. R. Dillard of Hereford.

Selected as chairman by the board was K. B. Parish of Springlake. Melvin Barton, a resident of Castro County near

## WW I Vets To Meet Saturday

Local Barracks 1945 and their auxiliary are scheduled to entertain the fall meeting of the Barracks and Auxiliaries of the 18th District of Veterans of World War I on Saturday at the American Legion Hall in Veterans Memorial Park.

Business meetings of the organizations will be called to order at 1 p.m., followed by a social hour with refreshments. Commander R. O. Stark reported.

Mike Mulin, state department commander of Victoria, and Mrs. Frances Hardy, state department president of Willis Point, are slated to be present at the meetings.

Stark said, "We are expecting between 25 and 30 delegates. All local members are urged to be present."

Stafford, at Lebanon, Mo.

Centuries ago the Spanish believed that copper grew in the ground. They thought if an exhausted copper mine was left alone, it would become productive again.

Try adding imitation bacon bits to the seasoning in your potato salad.

Easter, was named vice chairman. Larry Witten of Olton became secretary-treasurer.

Other board members along with Dillard are A. W. Anthony Jr. of Friona, John Billbreath of Hart, Charles Heck Jr. of Nazareth, Ralph B. Marby of Petersburg, Don Marble of South Plains, C. C. Reed and E. C. Witten, both of Kress, and C.P. Smith of Hale Center.

Official tabulation of the ballots Monday showed that 74.1 per cent of the voters approved the referendum.

The grain sorghum producer is to be assessed 5 cents per ton from his crops for a program of promotion, education, research and insect control. Collection of this levy is to begin immediately.

The board also approved action which will establish advisory committees for each of the 29 counties.

On the return trip they visited Mrs. Ethridge's sister and husband, Mr. and Mrs. Raymon

## Beet Program Is Explained

The U. S. Department of Agriculture has announced a national sugarbeet acreage requirement of 1,450,000 acres for the 1970 crop. This compares to plantings of 1,495,000 acres in 1968 and 1,660,000 acres in 1969. The 1970 acreage program is necessary in order to avoid production of more beet sugar than will be needed to meet the quota and carryover requirements.

The Department also announced the allocation of the national requirement to sugarbeet States and details of the farm proportionate share (acreage allotment) program.

The 1970 State acreage allocations, based on the 1,450,000 acres less a 1,000-acre contingency reserve are for Texas 40,784.

In determining the allocations, a base acreage was established for each State at the larger of (a) 70 percent of the 1969 acreage plus 30 percent of the 1967-1968 average acreage or (b) 85 percent of the highest acreage during the period 1965-1969. The resultant base acreages were factored to 1,449,000 acres (1,450,000 less the contingency reserve of 1,000 acres.)

For the years of 1965 through 1968, the acreages used were the accredited acreages (harvested acres plus prevented or released acres and bona fide abandoned acres). For 1969, the acreages used were the most recent industry estimates of plantings plus actual or estimated plantings.

Marketing within proportionate shares is one of the conditions that producers must meet to qualify for Sugar Act payments. An informal public hearing on the matter of proportionate shares was held in San Francisco on July 23, 1969.

## Ethridges Back From NE Tour

Mr. and Mrs. R. L. Ethridge of 400 Western have returned from a tour of the northeastern states which was begun last month with an Ethridge family reunion at Gladewater, Tex.

Mrs. Ethridge said the tour included New York State and that one point of interest was the Pennsylvania foliage tour. While in Pennsylvania they also made a tour of the Gettysburg battle fields.

On the return trip they visited Mrs. Ethridge's sister and husband, Mr. and Mrs. Raymon

## On the move: New Chevrolet Movers for '70

**Chevy goes heavy! New Titan 90.**  
Anybody can add a new truck to a lineup. Leave it to Chevy to add a truck and a half. Titan 90.

No other Chevy tilt is so long on muscle. So right for turnpike stretches. With 9 diesels available. And one of the biggest sleeping compartments on the road.

With a wraparound instrument panel that puts everything just a glance or fingertip away.

Conventionals. Vans. Recreational vehicles. Whatever you're thinking, your Chevrolet dealer's got it. And it's a Mover.

**Chevy goes lively! New '70 pickup.**  
The first thing a Chevy pickup has to move is you. And we never forget it. It shows in the way our '70s look. In their smooth ride. And all the different ways they come: Fleetside, Stepside and Longhorn camper.

**Chevy goes anywhere! New Blazer.**  
Call it Chevrolet's convertible-station-wagon-car-truck. Or Blazer for short. It's the runabout with the largest V8's and widest track. Order it with removable hardtop. Two- or four-wheel drive for telling trails to get lost.

### Bridal Shower Honors Miss Eloisa Mendez

Miss Eloisa Mendez, whose marriage to Raul R. Beltran is planned for October 19, was complimented by a bridal shower held Sunday in the home of Mrs. Johnny Santiago. Guests were greeted at the door by Mrs. Santiago and

were received by Miss Mendez, her mother Mrs. Leonard M. Guajardo, the bridegroom's cousin, Mrs. Hector M. Villarreal, and his aunt Mrs. Leon Madrigal. The serving table was laid with a white tablecloth centered with a bride-and-groom centerpiece.

Refreshments of sandwiches, dips and chips, cake and strawberry punch were served by hostesses Lupe Villarreal, Tona Valdez, Sulvia Mata, Daisy Navez, Pauline Trevino, Mary Rodriguez, Louisa Perez, and Lydia Ruiz.

### Kuper Cast In ALT's "Sound Of Music"

"The Sound of Music," a contrast of cloister and kindergarten nursery rhymes and Nazi salutes, will be presented beginning this week at the Amarillo Little Theatre including Hereford's Larry Kuper. Kuper

is cast as Rolf Gruber, whose political loyalties bring headache to the Trapp family. Performances are scheduled at 8:15 p. m. Friday and Saturday and again Oct. 23-25. The Oct. 28 matinee has been sold out and an additional performance scheduled at 2:30 p. m. Oct.

Tickets are available at the theater box office between 10 a. m. and 5 p. m. daily and until curtain time on performance days. The Amarillo Little Theatre production will be directed by Peter Fox, making his Amarillo directorial debut.

### 1969 Ag Census Expected Dec. 1

Information about the 1969 Census of Agriculture is expected to be available in all county ASCS offices by December 1, according to Frank J. Bezner, Chairman, County Agricultural Stabilization and Conservation Committee.

Chairman Bezner said in late November the Bureau of Census in Washington will send to all county ASCS offices an information packet containing a reference handbook, an introductory letter and a sample questionnaire. Information in the packet will help county office employees answer questions from farmers about the 1969 Agricultural Census.

The chairman said farmers will receive the 1969 Agricultural Census questionnaire by mail on or about January 1, 1970. The questionnaire should be filled out and mailed back to the Census Bureau not later than

February 15. Chairman Bezner said farmer cooperation in this census is very important because decisions that will lead to improved farm programs must be based on reliable facts and those facts can only be obtained through a nationwide census of all farms and ranches.

He said ASCS is one of the key agencies in the U. S. Department of Agriculture through which information on the 1969 Census of Agriculture will be handled.

Alaskan rainfall records show a remarkable spread, by far wider than any other state, the National Geographic Society says. Little Port Walters, on Baranof Island, has measured 221 inches in a single year, for example, while rain in the interior compares with the arid country around Phoenix, Ariz.

### Fourth Gus Pedde ESTATE AUCTION

Tuesday, October 14 - 7:30 P.M.  
Location: 5 Miles South of Hereford, Texas on U.S. 385 (Watch for sale sign)

This is the fourth of several sales being held in order to settle the estate of the late Gus Pedde, dealer in antique merchandise. Items include merchandise of all descriptions for use in the home, on the farm, or in business establishments. Over half of the remaining inventory is good quality antique items. It is unbelievable the amount of merchandise this man had. Be sure you don't miss this series of sales.

Inspection invited anytime!!  
It is impossible to list the items left to be sold in this estate sale.

Caprock 4-H Clothing group met last Wednesday with Mrs. Audrey Gruhley and Mrs. Marlene Webb. The group enjoyed games and refreshments. Attending were Tammie Durham, Susane Rhoebach, Sherri Blankenship, Sherrie Webb, Eene Moore, Sandra Webb, Brenda Wilson, Rameda Wilson, Susan Webb, Debbie Wagner, Cheri Betts, Vickie Beavers, Elaine Whaley, Nancy Scott and Donette Travis. Their next meet will be Oct. 22.

Mrs. Naomi Jobe visited her mother, Mrs. J. E. Thomas, in Amarillo Tuesday morning.

Paul Jacobson underwent eye surgery in St. Anthony's Hospital Monday in Amarillo.

Mrs. Ken Forrester was in High Plains Baptist Hospital in Amarillo last week.

This Monday thru Friday is the State Fair of Texas in Dallas. All students and sponsors attending the fair with projects will be staying at the Wayside Inn there. Some of those going are Mr. and Mrs. Bob Woods and children, Mrs. Manuel Lovelless and children, W. C. Edmonds, Bobby Harwood, Mr. and Mrs. Jim Cavin and family, Mr. and Mrs. Jim Perrin and family, Mr. and Mrs. Robert Lloyd and family, Mr. and Mrs. Ed Jacobson and the Chock Garrison family.

Mrs. Lorin Creitz is in St. Anthony's Hospital this week for surgery.

The freshmen class had their class party Friday night and went to Amarillo. They enjoyed bowling, a show, and supper at the Towne Crier. Mr. and Mrs. Bob Woods and Mr. and Mrs. Clifford Galley were sponsors.

Sub-district meeting was held at the First Methodist Church in Vega last Tuesday. Among those attending from Adrian were Mrs. Don Travis, Mrs. Robert Jacobson, Mrs. Leland Burns, Mrs. Norman Jacobson, Mrs. Ed Jacobson, Mrs. Sam Brown, Mrs. Keith Kromer, Mrs. Lorin Creitz and Mrs. Allen Ereshman.

Dean Daniels and sons of Las Vegas, Nev., and on their way to Connecticut, visited the Alford Jobe family Saturday. Evening visitors were Mr. and Mrs. Roy Jobe and family of Tucumcari.

Rev. and Mrs. Bob Miller of Amarillo and natives of Channing are moving into the Baptist parsonage this week. He will be the new pastor.

The facility without dilution of stock, and would design and construct the plant with its own personnel. When the Plainview and Dumas-Stratford plants are fully operational, he said, they will increase Missouri Beef's total processing capacity to approximately 2 million head a year.

Mr. and Mrs. E. E. Allen were in Abilene for the Davis family reunion and also visited Mrs. Allen in Ballinger and relatives in Winters, Tex., during the weekend.

Weekend visitors of the Bill James were Mr. and Mrs. Gary James of Colorado Springs and Billy James of Dallas. Mrs. Gary James remained here thru Thursday.

Visiting Mrs. Bessie Spande and other relatives last week were her two sisters, Miss Grace McCloud of Rushford, Minn., and Mrs. Charlie Chapel of Houston, Minn.

A family get-together at the Ray Brown home Saturday included Mr. and Mrs. Cotton Lane of Albuquerque, Mrs. James Bearden and children of Matador, Mr. and Mrs. Labrey Ballard and family of Hereford, Mr. and Mrs. Gary James of Colorado Springs, Billy James of Dallas, the Bill James, Mrs. Bessie Spande, Miss Grace McCloud of Rushford, Minn., Mrs. Charlie Chapel of Houston, Minn., Mr. and Mrs. Kenneth Chapel of Houston, Mr. and Mrs. Carl Byboth and Larie of Rochester, Minn., and Mrs. Sam Brown and Mike.

Mr. and Mrs. Fred Shuyler of Woodward, Okla., spent the weekend with the Wilbur Harris family.

Mr. and Mrs. Gene Hammit and family of Holly, Colo., here for the weekend with the Horace Betts family.

Mr. and Mrs. C. W. Gresham were honored on their 41st wedding anniversary with a dinner in the home of Mr. and Mrs. Gene Stanfield and son in Amarillo. Others there were Mr. and Mrs. Charles Gresham and family and Mrs. Barbara Lindsey and children, all of Hereford, Mr. and Mrs. J. D. Morton and children of Dumas, Mr. and Mrs. Dwayne Gresham and children and Mr. and Mrs. Doyal McCustion, all of Amarillo.

Methodist Church and will continue all this week. Attending Sunday evening were Rev. and Mrs. Don Travis and Mr. and Mrs. Robert Jacobson.

Mrs. Earl Brown, Mrs. David Brown, Mrs. Glen Rusk, Mrs. Butch Boydston, and Mrs. John Tole were in Amarillo Monday buying carpet for the Baptist parsonage.

An Amway Party was held in the home of Mrs. Horace Betts Monday. Mrs. Ruth Hill of Amarillo gave the presentation. Attending were Mrs. W. B. Betts, Mrs. Terry Williams, Mrs. Butch Betts and Mrs. Elmer Weidner.

Finis Brown of Claude was ho-

me over the weekend with Mrs. Irene Brown.

Mr. and Mrs. M. A. Ferguson was in Spur Sunday to attend the funeral of Mrs. Taylor.

Mrs. Ina Sue Thompson of Hereford spent the weekend in the M. A. Ferguson home.

Sgt. Clayton Thompson of Ft. Sheridan, Ill., was here last weekend and brought Stacy home. She had been visiting him for two months.

Mrs. Ruth Hill of Amarillo and Mrs. Terry Williams and M Mrs. Butch Betts were in Clovis Tuesday to give an Amway demonstration in the home of Mrs. Carolyn Morris.

## Costumed P. J. Party In Mall

A pajama party celebration is to be conducted tonight by merchants in Sugarland Mall between 7 and 10, in order to show the fashions now available. Most sales personnel are to be dressed in pajama costumes, it was reported.

The Swiss have converted a 14th-century mule trail into a 7, 320-foot mountain pass, highest open to traffic in Switzerland. Nufenenpass offers unrivaled scenery, but motorists unfamiliar with mountain driving are advised to bypass the steep, narrow road.

### LET'S COOK SOMETHING

## Easy Hors D'oeuvres

By Cecily Brownstone

Associated Press Food Editor

Go down south and you pick up good food ideas. That's just what we did a few months ago. At a cocktail party we were served a delicious little hors d'oeuvre. When we asked our hostess for the recipe she said, "Just mix deviled ham and peanut butter and fill small pastry shells with the mixture."

When we got home again that's what we did — and here's the recipe. One of the good things about this hors d'oeuvre is that you can prepare it well ahead, put it in your freezer and bake it just before serving.

No tart pans are needed for making these pastry shells. They're shaped an ingenious, easy way with aluminum foil.

**PEANUT HAM TARTS:**  
2 cans (each 3 ounces) deviled

ham  
1/4 cup chunky peanut butter  
2 teaspoons prepared mustard  
1 package (10 ounces) pie crust mix

Empty deviled ham into a small bowl; add peanut butter and mustard; mix thoroughly.

Prepare pie crust mix according to package directions. Divide pastry in half; shape into 2 small squares; cover with plastic and refrigerate.

With a sponge dampen kitchen counter and place a 9-inch square of regular-weight aluminum foil over dampened area. (The damp counter keeps foil from slipping.) Place 1 square of pastry on foil; flatten slightly with hand and cover with a 12-inch square of wax paper.

Roll out pastry to cover square of foil. Peel off wax paper. If pastry extends beyond edge

of foil, trim even with foil. Using a ruler and the dull edge of a table knife, mark off pastry into 2 1/4-inch squares.

Using kitchen scissors and following the guide lines, cut through pastry and foil to make 16 squares. Turn up sides about 1/4 inch and as you do so, pinch corners to form small square pastry shells.

Place a rounded teaspoon (1 1/4 teaspoons in actual measurement) of ham mixture in each pastry shell.

Repeat process with second batch of pastry.

Place filled shells on cookie sheets. Bake in a preheated 450-degree oven until crust is lightly browned — 10 to 12 minutes. Let cool just until foil can be peeled off easily. Remove foil and serve at once.

Makes 32 pastries.

**To freeze:** Spread filled unbaked tarts in single layers on flat pans; freeze; remove from pans wrap appropriately and store in freezer. To bake, place frozen pastries on a cookie sheet and bake in preheated 450-degree oven 10 to 12 minutes (baking time is the same as for unfrozen pastries).

## New MBP Plant For Panhandle

J. C. Walker, executive vice president of Missouri Beef Packers, Inc. (AMEX) has disclosed that an option had been placed on a parcel of land in the Dumas-Stratford area of the Texas Panhandle to serve as the site of the company's fourth major beef slaughtering facility. Although no date as yet has been set for the groundbreaking, he noted that the new plant would be similar in design, automated equipment and slaughtering capacity to the 10,000 head per week plants in operation in Friona and presently under construction in Plainview. Walker stated that the company has adequate financing for

## Diverted Acreage Grazing Begins

Acreage diverted under the 1969 feed grain and wheat programs may now be used for livestock grazing, Frank J. Bezner, chairman of the County Agricultural Stabilization and Conservation (ASC) Committee, has announced. Grazing period began today.

He reminded farmers that under normal circumstances no grazing is permitted on acreage under contract in long-term land retirement programs such as the Conservation Reserve and the Cropland Adjustment Program.

In counties designated for emergency assistance because of natural disaster, county ASC committees may permit haying and grazing on the lands.

Today's announcement affects only livestock grazing on land diverted under annual commodity programs. No diverted ac-

reage may be harvested, again with the exception of those counties designated for the emergency program, where both grazing and haying may be permitted by county committees.

Diverted acreage is land set aside from crop production by farmers participating in voluntary commodity programs. Diverted acreage must be kept in conserving uses. Among other provisions, this means no livestock may graze during the growing season.

Public benefits are provided by conserving use of diverted acres, Bezner said, as well as protection of the farmer's land. By helping prevent soil erosion, conserving uses help keep water run-off more silt-free than if the land were left idle but unprotected. Diverted land also provides many thousands of acres of wildlife habitat.

Will It Happen Again Next Spring?  
Buy "Wet Field" Insurance...  
**PLOWDOWN NITROMITE THIS FALL**

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest, if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big crop next year. **PLOWDOWN NITROMITE THIS FALL**

By MELVIN YOUNG

Let a lot of people were late getting back to the office Tuesday afternoon while the New York Mets and the Baltimore Orioles were slugging it out for the lead in the World Series.

—HB—

And if you're one of those people who really enjoy watching sports on TV, then this should have been an exciting week. The Texas-Oklahoma football game Saturday was a real thriller and a fine way to begin the weekend.

—HB—

Did you fly the American flag Wednesday to protest the Vietnam Moratorium? Many local citizens did.

We have not talked to everyone in Hereford, but believe that most people here feel the Vietnam protesters are giving aid and comfort to the enemies of this nation. Although the Vietnamese situation is an unpopular war, and all of us would like to see our men return home, there cannot and will not be a lasting peace without victory. Should we decide to pull out of the little Southeast Asian country, the communist will soon be in control, not only of Vietnam, but Cambodia, Thailand, Laos and probably Malaysia in a very short time.

We wonder what the situation would have been back in the '40s had America not entered the war against the Axis powers. You know the answer as well as anyone.

Certainly, the bombing of Pearl Harbor by the Japanese gave this country a cause, and united the nation behind the war effort. Young men were lining up at the recruiting offices to get into the scrap — not running to Canada to beat the draft.

The situation is different today in that we have not been bombed by an enemy nation. We have not had a unifying blow such as Pearl Harbor. But the ultimate goal of the communists is no different than that of Adolph Hitler or the military leaders of the Japanese nation thirty years ago. Both were beat on world conquest. No doubt we'll never have another world conflict such as World War II, but the communist brush fires will continue to break out wherever they detect a weaklink in the chain of free nations.

If not Vietnam, where?

—HB—

Meanwhile, we're having a few problems on the local front. Farm prices are still down although efforts are certainly being made to alleviate the situation. But that's not all. Sugar content of the High Plains beet crop is at a very low level due to excessive moisture and cool weather at the wrong time and now the early freeze may have done a great deal of damage to the lettuce crop. Growers were hesitant to make a statement early this week, but there is a possibility that the lettuce crop has been damaged. The milo crop however, should not be hurt. Harvest has already begun on the grain sorghums and the freeze will help, rather than hurt.

This is a funny country. If it doesn't rain, we're in trouble. If it does rain, we're still in trouble.

We still appreciate a little rain once in a while.

—HB—

Children seldom misquote you. They repeat word for word what you shouldn't have said.

# Bufs Will Try To Break .500 Mark

CANYON, Tex. — West Texas State University's Buffaloes take to the road this week in hopes of pushing their season record above the .500 mark.

The Buffalo gridders were edged by Dennis Shaw and company, 24-14, Saturday night in Buffalo Bowl and that was their second setback against a pair of wins.

Shaw and his San Diego State teammates rolled up 507 yards against the Buffs. The brilliant quarterback pitched for 350 yards and two touchdowns on 19 completions in 37 attempts.

While San Diego State was mainly a passing team, the Colorado State Rams will provide a more balanced attack this week for the Buffs. Sophomore running back Lawrence McCutchen, a Plainview, Tex., athlete, has ripped off an average of 101 yards per game rushing this fall and has scored six times.

The Ram passing attack is handled by 6-6, 185-pound junior Chip Maxwell. He has completed 35 of 73 passes for 396 yards and four touchdowns. Only one of his passes has been intercepted.

Maxwell started against the Buffaloes last year after a pair of teammates had been injured. The Buffs won that clash, 22-17, by scoring a late touchdown.

The 195-pound McCutchen is the leading rusher in the Western Athletic Conference, supporting a 6.5-yard per carry average.

Duane Thomas rushed for 42 yards against San Diego State to pace the Buffs in rushing and maintained his season lead over running back Olen Thompson.

Thomas has 254 yards for the year in 63 carries. Thompson has 222 net yards.

Quarterback Clarence Redic maintained his passing consistency, hitting seven of 13 passes against San Diego State

and took over the third position among the team's leading rushers. Redic has 35 completions in 65 attempts for 505 yards and has scrambled for 156 ground yards.

Redic is averaging 165.3 yards per game total offense.

Olen Thompson leads the team in receiving, catching 12 for 141 yards and one score. Tight end Willie Walker has eight receptions for 132 yards and flanker Robert Jackson has caught seven for 112 yards.

Keven Brennan, sophomore fullback from Chicago, plays for the Air Force Academy football team. His brother Terry is an offensive tackle for Notre Dame.

When Michigan State linebacker Don Law of Brownsville, Pa., intercepted a Washington pass and ran 70 yards for a touchdown, it was the fifth longest interception return in Spartan history.

# Elgin Williams Rated "Dynamite"

Elgin Williams

TRINIDAD, Colo.—The old adage that "good things come in small packages" is quite true when applied to the five-foot seven-inch frame of Elgin Williams of Hereford, Tex.

Nicknamed "the little man on campus," the 150-pound physical education major is an easy going person to like. Despite his size, he's proven to be dynamite on the field.

Elgin is playing football for Marv Wetzel's Trojans of Trinidad State Junior College here in this southeastern Colorado community. The Trojans thus far are 2-1 on the win-loss column. The Trojans beat Mesa (Ariz) Community College on the road in their season-opener 28-26. The following week still on

the road, they lost to Mesa (Colo.) Junior College 39-28. The Trojan's latest victims are the Broncos from (Roswell) New Mexico Military Institute at home to the tune of 20-6.

Small in size, the 18-year-old Williams has made up for it when it comes to ability. Elgin is utilized in the game during a clutch play situation when the yardage is most needed. The offensive line is not usually that big, but Elgin has the uncanny ability to snake his way through and come up with the necessary yardage.

Elgin played his high school football at Hereford High School. While at HHS, he lettered four years in football and track. He played tailback on his high school team.

Although he is not a starter on the Trojan squad, he has come in on very clutch plays and made the necessary yards for the Trojan eleven. Against New Mexico Military Institute, Elgin game in, on four plays,

# St. Anthony's To Participate In Flag Football

St. Anthony's fifth and sixth graders have been invited to participate in Flag Football contests with local public schools, according to Ralph Loerwald, boys' Physical Education director at St. Anthony's School.

Last week's scores with Central School were: fifth graders 0-0, and sixth graders, 6-0. St. Anthony's favor, with Michael Foster making the only touchdown.

This week's results were in made over ten yard each carry. One of his carries set up the second Trojan touchdown. "Elgin had an easier time than most," said Coach Wetzel, "in switching to the single-wing offense we run."

Shirley School's favor: fifth graders, 6-0, and sixth graders, 12-6, with Micheal Arho producing St. Anthony's only touchdown.

Michael Foster, sixth grader, played first for his age group in the local Punt, Pass and Kick contest Sunday, and will attend the area competition in Canyon Saturday. Greg Albracht, fifth grader, won third place Sunday for his particular age group.

# Pioneer Study Club Dinner And Meeting At Caison House

Members of the Pioneer Study Club met Tuesday at the Caison House for a meeting and luncheon. Elected to the nominating committee were Mmes. Delmar Sigle, Henry Hastings, II, E. Miller, W. C. Hromas, and Bonnie Brumley. Mrs. Paul Rudd spoke on the Crises in Modern America in-

cluding air pollution and trash on the streets.

A discussion entitled The Unity American was presented to the group by Mrs. Frank Ball and Mrs. Roberta Campbell.

Guest speaker was Fredrick Rathjin, History Professor at West Texas State University.

Members attending were Mmes. Frank Ball, Fred Barrett, Allan Bell, Bonnie Brumley, C. L. Craig, Burl France, J. M. Gilliland, Henry Hastings, O. G. Hill, Sr., W. C. Hromas, Ray Johnson, L. H. Lookingbill, A. L. Manjeot, Ralph McCullough, H. E. Miller, Tex Panecira, John Patton, Paul Rudd, Delmar Sigle, M. L. Simpson, P. B. So-

well, C. R. Walser, Bess Werner, William Wimberly and Miss Roberta Campbell.

The next meeting has been scheduled Nov. 11 at 12:30 at the Caison House.

### CARD OF THANKS

We would like to thank each and everyone for the kindness shown during illness and death of our husband and father, Antonio Mendoza.

Mrs. Ruperta Mendoza  
Mr. & Mrs. Sammy Gonzalez & Family  
Mr. & Mrs. Alfredo Barreira & Family

# Women's Bowling Association Holds Meeting, Elects Officers

The Hereford Women's Bowling Association held a meeting Monday evening at the First National Bank Community Room with the election of officers for the year the main topic.

Elected as officers for the 1969-70 season were Mrs. Bertha Arnold, president; Mrs. Pauline McDonald, first vice president; Mrs. Jerry Self, second vice president; Mrs. Helen Arnt, treasurer; Alice Lueb, secretary; Mrs. Wilma Clark, sergeant at arms and Mrs. Margaret Janssen, parliamentarian.

Also appointed at the meeting were several committees. Those on the Nominating Committee include, Betty Kelley, chairman, along with Wilma Clark and Clea Weemes while the Auditing Committee are, Ele-

onor Hudspeth, chairman, and Margaret Collins and Jerry Self. Chairman Alice Lueb will be in charge of the City Tournament to be held in February of next year and Jean Watts, chairman of the "Bowler of the Year" tournament which will be held in May of next year.

General business was discussed along with a "Bowler of the Week" plan which was established through which bowlers will be taken for the "Bowler of the Year Tournament."

Delegates were also elected to attend the National Bowling Convention to be held in Tulsa, Oklahoma next year. Mrs. Bertha Arnold was elected delegate with Mrs. Jean Watts as alternate.

Delegates to the state con-

vention were also elected with Mrs. Arnold as the delegate and Wilma Clark as the alternate. The state convention will be held in Beaumont sometime next year.

# Rev. Nafzger To Conduct Services

The Rev. Samuel Nafzger of Canyon will conduct the morning worship at Immanuel Lutheran Church Sunday during the absence of the pastor.

The worship will be at 9 a. m. with Sunday School and Bible classes at 10 a. m.

Only female mosquitoes bite. The male of most species is, as an entomologist put it, "an inoffensive little insect whose diet is nectar and about whose only function is propagation."

**ANNUAL BREAKFAST GIVEN** — Mrs. Kathlee Palmer entertained members of the Harmony Club of Amarillo and the Hereford Music Study Club with a breakfast in her home Monday morning. Shown in the top photo are Mrs. Charlie Gunn and Mrs. Palmer. Pictured in bottom photo are, from left to right, Mrs. Blain Burson, Mrs. Dale Young, and Mrs. Wendell Heiny. —Staff Photo

# Mrs. Kathlee Palmer Entertains Music Clubs

Members of the Harmony Club of Amarillo and the Hereford Music Study Club were entertained with a breakfast at 9:30 Monday morning in the home of Mrs. Kathlee Palmer, 140 Liveoak.

Co-hostesses for the annual event were Mrs. Wendell Heiny

from Amarillo and Mrs. Blain Burson of Channing.

A program on contemporary music was presented by Mrs. J. M. Simpson of Amarillo.

The president of the Amarillo Club is Mrs. Charlie N. Gunn president of the Hereford club is Mrs. Dale Young.

# Calliopian Members Enjoy Persian Customs Program

An interesting program concerning Persian customs was presented to Calliopian members by Malook O'Donnell at the regular meeting held in the home of Mrs. C. J. Crump.

Responsible for the program and guest speaker's presence at the meeting was Mrs. Hazen Woods. An added interest given by Mrs. O'Donnell were slides of Persia's natural beauty and richness.

Present at the meeting were

Mmes. B. F. Cain, Emil Dettman, Cameron Gault, J. T. Gilbreath, Jr., David Gibson, Roy Grubbs, Ansel McDowell, Emmett Milburn, M. W. Nobles, Gene Parsley, Sam Self, Kathlee Parmer, W. R. Thurber, Jack Wilcox, Hazen Woods, and Paul Coneway.

A guest in attendance was Mrs. L. H. Tauge from Tulsa, Oklahoma.

# Tops Club Plan Area Rally Day

Members of the Sugar Blues Tops Club completed plans to attend the Area Rally Day to be held in Sunray, Saturday. All members are urged to attend. Registration for all Tops members is from 8-9 a. m.

Following the Tops song and pledge the weight-recorder announced a weight loss of 8½ lbs.

# Scouts Finalize Camporee Plans

VFW-sponsored Boy Scout Troop 254 held their regular meeting Monday night at the VFW Hall, with final plans for the Camporee discussed.

The Camporee, scheduled Friday and Saturday, will be at the Camporee area in Veterans Park.

Plans were also made for the Halloween party for the troop, to be held in the home of Mr. and Mrs. Marvin Findley of Rt. 3, on Nov. 3.

The meeting opened with the initial ceremonies conducted by acting patrol leaders Sammy Findley, Bob White patrol, and Johnny Findley, of Wolf Patrol. A display of hand-carved neckerchief slides and knick-knacks were shown by Bob Baum, along with a talk on carving.

**CARD OF THANKS**  
The members of the family of Mrs. Seterina Garcia would like to thank everyone who sent flowers, food and attended the funeral and the many prayers. May God bless you, Members of the family.

### Wall Engaged In Viet Raids

WITH U.S. COMBAT AIR FORCES, Vietnam — First Lieutenant Daniel G. Wall III, son of Mr. and Mrs. Dan G. Wall, Bay City, Mich., recently participated in the bombing of an enemy storage area in Vietnam.

His wife, Suzanne, is the daughter of Mr. and Mrs. Earnest Langley of 502 Star, Hereford. Lt. Wall, a pilot, and fellow F-4 Phantom crew members from the 421st Tactical Fighter Squadron at DaNang Air Base were alerted to attack a target area 35 miles west of Chu Lai.

The forward air controller spotted the storage area along a trail and marked it with smoke rockets. The two fighter crews moved in and blasted the targets, destroying or damaging eight fortifications and setting off one secondary explosion.

The lieutenant, a 1960 graduate of Michigan Lutheran Seminary High School, Saginaw, received his B. S. degree in 1966 from Concordia Teachers College, River Forest, Ill. He was commissioned in 1966 upon completion of Officer Training School at Lackland AFB, Tex.

James B. Rutledge

### Temple Baptist To Hold Revival

James B. Rutledge and Ken Baker will be leading a revival at Temple Baptist Church, Oct. 20-26.

Rutledge, pastor of the First Baptist Church, Lindale, is businessman-turned-evangelist who attended Southwestern Baptist Theological Seminary, from which he graduated in 1958. Since that time he has served numerous churches with people responding well to his presentations of the gospel message.

Baker, education minister and youth coordinator, First Baptist Church, Canyon, will direct the revival music. Baker has served churches in Oklahoma, New Mexico and Texas in the field of music and education.

### Strike-Outs List Winners

Carol Dyer collected the High Individual Game and Ronnie Koozer nabbed the High Individual Three Games in action for the Strike-Outs Bowling league last week.

Sunset Lanes grabbed both the High Team Three Games and the High Team Game.

Team standings to date show Sunset Lanes, 9-3 with an average of 528; Team Number 8, 8 1/2-3 1/2, with an average of 492; One Hour Martinizing, 7 1/2-4 1/2 with a 489 average; Team Number 4, 7-3 with a 509 average; Team Number 5, 6-4 with a 485 average; Hi-Way 60 Truck Stop, 6-6, averaging 488; Hereford Flying Service, 6-6, with an average of 480 and Texsun Feed Yards, 1-11 with 506 average.

Total pins thus far in league play, Sunset Lanes has 4753; Team Number 8, 4435; One Hour Martinizing, 4409; Team Number 4, 4587; Team Number 5, 4372; Hi-Way 60 Truck Stop, 440; Hereford Flying Service, 4322; and Texsun Feed Yards, 4561.

### Oscar Cantu Services Held

Funeral services for Oscar Cantu, who died Sunday as a result of injuries sustained in an accident last week, were held Wednesday at Rose Chapel of Gilliland Funeral Home. Officiating was the Rev. J. T. Marlin, Central Church of Christ, with burial in West Park Cemetery.

Mr. Cantu came to Deaf Smith County in August of this year from Kentucky.

He married Carry Eversole in Winchester, Kentucky in 1944.

He is survived by three daughters, Nancy Campbell, Wanda

### Scout Camporee Set Two Days

Tierra Blanca Boy Scout Camporee area located off Victory Drive in Hereford will be the scene Friday and Saturday of a camporee with all local troops scheduled for participation.

District Scout Executive George Ochs reported that the Randall district will not appear for this camporee and that it is entirely for the Tierra Blanca District.

## REAPING

"And they took the fruit of the land in their hands and brought it down to us." Deut. 1:25. Isn't that just like God's children... always ready to lend a helping hand, or to give an extra portion — all if necessary. When the crop is ripe, the reaping done and the bounties stored away, do you ever stop to thank God? Maybe your inventory still shows all you ever possessed. Better realize it all came from God and give back a portion. How is it right now with you and yours? It is reaping time but what will your harvest be? Do you support His cause, His church, or, are you one of the would-be self-sufficient? Why not begin right now to use your harvest to help bring in the Kingdom?

**YOU IN THE CHURCH**  
**THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions, prayers and influence for a better citizenship and a more democratic life in the church the numerical are the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice to form a claimant for good. Be a regular CHURCH GOER and a daily BIBLE READER.

**FRIONA BOUND** — This scene, in front of Hereford's NFO office on 25 Mile Ave., shows part of the Friona-bound milo caravan who slowed only long enough to accept hamburgers and Cokes from local members. The caravan was begun Wednesday morning at Dalhart and became "extra loads" in NFO's "holding action" for a target price of \$2.30. But these loads were going at 10 cents less than the current market price, according to president Gerald McCathern, in order to "show faith" toward fulfilling the previous West Friona Grain Co. contract. —Staff Photo

Don Jackson

### Don Jackson On New WT Agri Alumni Board

West Texas State University Agricultural Alumni Development Association has been formed with Don Jackson, son of Mr. and Mrs. Clinton Jackson of Hereford, as one of its 12 directors.

Jackson received his bachelor of science degree at WT and is now president and general manager of United Agri Industries Inc. at Pampa. He is in the manufacture of all types of animal feeds.

Purpose of the Agricultural Alumni Development Association is reportedly toward the advancement of the West Texas State University Agricultural Department through participation and assisting the department head and faculty with programs designed to better the department.

It is also slated to promote a closer friendship among alumni and faculty of the WT agricultural department.

All graduates of WT and ex-students who left the university in good standing are eligible for membership in the association, it is reported. Any person not a former student may also become a member under certain qualifications.

Mix one cup of sugar with the juice and grated rind of an orange and let stand while cake is baking. Stir well and cover freshly baked cake with the mixture. Return to oven for 10 minutes.

### Crime Prevention Topic Of Discussion At L'Allegra Meeting

L'Allegra Study Club recently met in the First National Bank Community Room with guest speaker Chester Fant presenting a program on ways a woman can prevent crime in the home and when traveling in a car.

Fant showed the group a film entitled "Attack" which explained in detail means of protecting one's self, followed by an open discussion of questions and answers.

Mrs. Gene Cope presided over the business session which included plans for the club's tasting luncheon to be held Nov. 20 from 11-2 p. m. at the Hereford Bull Barn.

The theme this year is Around The World with Mrs. Jeff Carlile in charge of Scandinavian countries; Mrs. Dennis Lomas, Mediterranean countries;

### Mixed Couples Name Winners

Jean Watts, with a 108 score, and Robert Kucakak, with a series score of 737 with handicap, were named the "Stars of the Week" in the Wednesday Night Mixed Couples league.

Mrs. Watts took high honors in the women's division by rolling a 519 series, while Clea Weemes had the high game with 218. Charlie Owens had a 551 series and a 199 game for the men.

Betty Rusher picked up the only split of the night, getting the 4-5.

In team play, Team Number 8 had the high game of 463 along with the high team series of 1188 handicap. Team Number 2 won 3 and lost 1; Team Number 1 won 3 and lost 1; Team Number 8 won 3 and lost 1; and Team Number 6 won 2 and lost 2.

Standings to date show Team Number 8, 6-2; Team Number 4, 5-3; Team Number 2, 5-3; Team Number 1, 5-3; Team Number 6, 4-4; Team Number 7, 3-5; Team Number 5, 3-5; and Team Number 3, 1-7.

### Heavy Damage In Saturday Wreck

At approximately 12:10 p. m. last Saturday a two car collision occurred at the corner of 9th and Lee Street. The vehicles involved were a 1966 Ford pickup driven by Vergel Anson Bomar of 411 Star Street and a 1963 Chevrolet sedan driven by Danny William Thompson of 207 Beach.

The mishap occurred when Bomar proceeded to go west on 9th street after pulling away from a stop sign. He rammed into Thompson's vehicle which

**DEN 1 MEET**  
Pack 51 Den 1 met Monday for their regular meeting in the home of Mrs. Leanna Walterscheid.

Mrs. Walterscheid reported that the cubs passed circulars during the meeting. Also assisting the boys were Mmes. Jim

was heading north on Lee Street.

A citation for failing to yield the right of way was issued.

Seven hundred dollars damage was done to the Thompson car while Bomar's vehicle received five hundred dollars damage. Neither parties received injuries.

Carnahan and Morris Hacker. Refreshments were courtesy of Gerald Petty.

Cubs attending the meet were Jimmy Bryant, Gary Cornelius, Randy Carnahan, Mike Hacker, Rodney Miller, Petty, and David Walterscheid.

The first time sophomore Tommy Lowry carried the football for Auburn this season he raced 80 yards for a touchdown against Wake Forest.

In 1968 Chuck Hixson of SMU gained more yards passing (31-63) than Charley Conery of Mississippi gained in three years (3313).

### St. Anthony's Announces Creative Arts Festival

Mrs. Ozetta Wilhelm's painting, "Early Autumn," will be among the display of artistic skills to be exhibited at the Creative Arts Festival, sponsored by St. Anthony's Parish Council, Friday at 8 p. m. in St. Anthony's School Library.

Jon Birdsong, art instructor at Stanton Junior High, will present the program, "Creativity, Our Greatest Gift." Chairmen for the event are Mmes. Lanny Bezner, Paul Zinser, David LaFleur, Leo Witkowski, Bill Massie, and John Tomasi.

### Services Held For Mrs. Garcia

Services for Mrs. Seferina Garcia, 43, who died Saturday at Deaf Smith County Hospital, were held Monday at St. Anthony's Catholic Church, where she was a member. Father Aedan Davis officiated, with burial in St. Anthony's Cemetery.

Mrs. Garcia, who was born Aug. 28, 1925 at Balmorhae, came to Deaf Smith County from Pecos in 1963.

She is survived by her husband, Juan, of Hereford; four daughters; five brothers; two sisters and two grandchildren.

ate resident colleges in the arts and sciences, compute averages over a full academic year — two semesters plus the summer session — in determining Dean's List mention, the Case Dean's list is published twice each year and therefore covers only the 1969 Spring semester at this time.

### Cockerham Is Cited By CWRU

Case Western Reserve University undergraduates are achieving better and better scholastic standing, an informal analysis of the 1,376 students named to the Dean's Lists for last spring reveals.

Among some 1,000 current CWRU students to be cited on their respective Dean's Lists is Perry W. Cockerham, 609 N. Main, Hereford, Case Institute of Technology.

Although the requirement for mention on the Adelbert and Mather's Dean's Lists was raised from a B to B-plus average, less than 100 fewer students received this distinction. Case Institute of Technology retained the B-average requirement for its Dean's List.

SIGNS OF WINTER were evident throughout the city of Hereford last Monday morning as a cold front hit the Texas Panhandle earlier this week. Icicles appeared dangling from the trees and shrubs in West Park Cemetery, above, on this cool morning. —Staff Photo

Season Set By P&W Commission

AUSTIN — The Texas Parks and Wildlife Commission in a regular quarterly meeting here last week set quail hunting seasons and bag limits for 207 counties under regulatory authority of the Texas Parks and Wildlife Department. Basically, the hunting seasons and bag limits will remain the same as last year except in the 67 counties in the Permian Basin and Possum Kingdom Regulatory Districts where the season will continue an extra 15 days through Feb. 15, 1970. Last year's season ended on Jan. 31. Quail seasons and bag limits by regulatory district are as follows:

—Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, Moore, Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman and Swisher Counties. Quail season will be Nov. 8 through Jan. 31 except in Briscoe, Childress, Cottle, Hall and Motley counties where the season will be Dec. 1 through Jan. 31. Daily bag limit will be 12 per day and 36 in possession. The quail season and bag limits in Lamb County will not be effective until approved by County Commissioner's Court.

Music Club Seeks New Ideas In Composition

The Music Study Club held its first meeting of the season Wednesday afternoon with Mrs. Dale Young, president, presiding. The program theme "Emancipation of Dissonance" was presented by Mrs. Tom Burdett, who explained that the 20th Century is one of experimentation and time to look for a new means of expression in music. Mrs. Bill Devers played selections from Schubert, Debussy, Stravinsky and Bartok, illustrating different forms of composition. Present for the meeting were Mmes. J. R. Allison, Ellis Combes, Wesley Fisher, R. C. Godwin, J. C. McCracken, T. W. Roberson, A. O. Thompson, Tom Burdett, C. J. Mountz, Dale Young, and new member, Mrs. Glenn Snyder.

Pvt. Augustine Castillo

### Castillo Home On Leave Now

Pvt. Augustine Castillo, Jr., son of Mr. and Mrs. Augustine Castillo, Sr. 407 Long St., is home on leave following completion of basic training at Ft. Lewis, Washington.

Pvt. Castillo will be in Hereford for two weeks before leaving for Ft. Rucker, Alabama where he will be stationed for eight weeks.

His wife, Lupe, lives with his parents.

### Forensics Team Ties For Second

The Hereford High School Forensics team, under the direction of Malcolm Manchee, shared second place honors in the Muleshoe Invitational Debate Tournament last week as they collected 50 points.

The Muleshoe team took top honors for the tournament with 60 points and sharing second with the local team was the Friona delegation.

Winner of the Sweepstakes Award is determined through the number of points a team gets. Points are awarded a team for each win they collect.

Participating in the Hereford team were Steve Ray, David Thomas, Prehn Nanniga, Dion Miller, Susan Rudd, Sharon Reahimer, Diana Adams and Mary Keyes.

The Forensics team will compete in their next tournament Jan. 10 at Friona and then will host their own tournament here on Jan. 31.

### Garden Club Mini Flower Show Held

"Beauty of Fall Harvest" was the theme of the Mini Flower Show held recently at the Hereford Bull Barn by members of the Hereford Garden Club.

The flower entries were judged by members of the club, headed by a Master Judge. Entries included horticulture and artistic specimens.

Winning the highest number of points and highest scoring horticulture exhibit was Mrs. R. L. Wilson with her Chicago Peace Rose.

Other first place awards in the horticulture division were taken by Mmes. O. G. Hill, Sr., W. C. Hromas, Margaret Shawn, A. M. Stoy, Ray Johnson, Luth-

**DE STUDENTS OF THE WEEK** are Betty Trevino and Brad Arnold, 17-year-old students of Hereford High School. They are pictured above with their supervisor, Lynn Arnold, manager of the Dairy Queen. This is Miss Trevino's first year as a Distributive Education student and Arnold's sec-

ond year. Miss Trevino is the daughter of Mr. and Mrs. Carlos Trevino, 314 Avenue I and Arnold is the son of Mr. and Mrs. Lynn Arnold, 110 Avenue A. Arnold's future plans include the hope to fly for commercial airlines. —Staff Photo

**TSTA Delegates From Hereford Are Named**

Three Hereford educators will be official, voting delegates at the 91st annual state convention of the Texas State Teachers Association Oct. 23-25 in San Antonio. They are Bob Holman, Nancy Richey, and Ruth Word. The three Hereford delegates are among the 1,288 certified members of the 1969 House of Delegates, which will meet on the last day of the convention to discuss and act on proposed amendments to the TSTA constitution, new policies, recommendations of standing committees and other business. The official delegates are elected from the 419 TSTA local

associations throughout the state and certified by districts on the basis of one delegate per 100 members or fraction of 100.

**Tooley Named Galleon Editor**

Randy LaNoy Tooley of Hereford has been named editor of the Galleon, McCurry College literary magazine, announces Randall Ackley, chairman of the McMurry English department. Plans call for fall and spring editions of the magazine which is currently accepting contributions from students and faculty. The Galleon offers prizes for best poetry, short story, essay and art. Tooley is a senior majoring in English and Religion. His parents are Mr. and Mrs. Lanoy Wilson Tooley of Dawn.

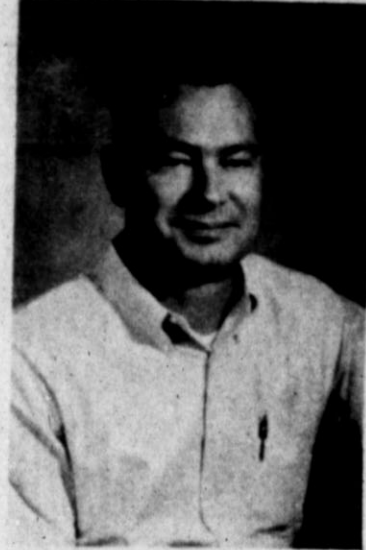

Every local association in the state is entitled to at least one official delegate. With total membership in TSTA expected to hit a record 114,

000 this year, attendance at the convention will probably total about 8,000. Featured speakers include Gov. Preston Smith, Sam M. Lambert, Executive se-

cretary of the National Education Association; and Charles D. Holleyman, superintendent of schools at Mustang, Okla.

**G. R. Smith Is REC Line Boss**

G. R. Smith was named line superintendent for the REC last week. He has been an employee of Deaf Smith Electric for over 16 years. Smith worked as a lineman on the construction crew during the first seven years with the cooperative. Since 1960 "Smitty" has been a serviceman. Prior to his employment with Deaf Smith County Electric Cooperative, Smith worked for Cisco Electric as an electrical contractor out of Conroe, Texas. Smith is a native of Wilmot, Arkansas, and graduated from high school there. He served with the United States Army for two years during the Korean War.

G. R. Smith

G. R. and his wife, Ida, have three daughters; Marilyn, a senior at Hereford High School; Debra, an eighth grader at Stanton Jr. High, and Denise, a third grader at Aikman Elementary School. The Smiths make their home at 712 Blevins in Hereford.

Polanesia's deadly stonefish is the most poisonous fish on earth. Its sting can kill a man in two hours.

To enhance flavor of egg-salad sandwich filling, try adding these variations: Prepared mustard, curry powder, chopped green pepper, imitation bacon bits, pickle relish, chopped olives, fresh water cress, parsley or dill.

To divide a whole raw egg in half (when halving a recipe that calls for one egg), beat it in a measuring cup just until yolks and whites are combined, then divide easily.

**VOE STUDENT OF THE WEEK** — Kelly Barber, 17-year-old daughter of Mr. and Mrs. Flake Barber, 610 Jackson, has been chosen as this week's VOE student. Miss Barber, a senior at Hereford High School, is employed under the Vocational Office Education program at Dr. Zimmerman's office, where she acts as dental assistant. After graduation she plans to continue her work before attending McMurry in the fall. —Staff Photo

**One American In Six Will Have TB Germs**

Urging residents of Deaf Smith County to support the 1969 Christmas Seal Campaign against tuberculosis, emphysema, and other respiratory diseases, president Bert Nuckols of the Top of Texas TB Association warned today that one American in six is infected with TB germs "and most of them don't know it."

Stating that Texas has over three thousand reported new cases of active TB in 1968, plus 412 relapses, Nuckols stated that TB causes over two million deaths per year throughout the world, and that the United States has over three hundred thousand cases of TB under medical supervision now.

"The crying need in TB control is education," Nuckols said. "We are trying to educate people to the need for tuberculin skin tests as part of their physical examinations. The x-ray alone will not, and cannot, rule out TB infection. People sometimes have a false sense of security from a negative X-ray, when actually they may be loaded with TB germs that can become active at any time. Those people need to have a skin test to detect their infection, and the TB Association's medical men recommend they have a year of medication with INH pills to keep the dormant infection from becoming active."

Nuckols emphasized that the TB Assn. doesn't ask much money from anyone. "What we do ask is that everyone who can give a small amount to Christmas Seal Campaign so we can carry on our work against TB, emphysema, and other respiratory diseases."

Slice the lonely-banana left in your fruit bowl into instant chocolate or vanilla puddings. Children love this extra flavor.

# Letter To The Editor

To the Editor:  
When are Christians going to stand up for what they believe? Or do they know what they believe? Atheists like Mrs. O'Hair most certainly know what they believe, and they can't wait to let the world know about it. I would to God that Christians were that eager to tell the world what they believe is right and wrong.

Most certainly we may be concerned about people like Mrs. O'Hair, but we don't want to get involved — let someone else take care of it! If that is your attitude, do you think that she's just a harmless old lady? Then you had better think again. Already she has had prayer banned in school, and now she is harping about the astronauts reading God's word when they are in the Heavens that are created by Almighty God. Right now Mrs. O'Hair is in the process of taking to court the fact that three different schools in Austin are supposedly having prayer in the mornings. — She does not even have proof, but only assumes that they are having prayers, while Christians have the Bible for proof of a Living God who gave His own Son that we might have everlasting life.

God gave us all a free choice to either accept or reject Him. If Mrs. O'Hair chooses to reject Him, that is her privilege, but why can she not leave others to make their choice also? If she does not like our American way, why doesn't she move to Red China or Russia where she will not be bothered by Bible readings and public prayer? When I read about people in those countries who are so hungry for the word of God and are not even allowed to have Bibles, I can not help being angered by the actions of Mrs. O'Hair and her colleagues.

Why, in a free world, can one person set all the rules for the majority? Is it because the majority of Christians are not interested enough to do anything about what they believe? Well, I for one know in whom I believe, and I am not ashamed of the Gospel of Jesus Christ. I know that nothing will ever destroy the love and peace that I have from Him. It is obvious that Mrs. O'Hair does not know my Lord and Savior, and for this I feel great sorrow for her, for to know Him is to love Him and the works that He does through His people.

Why is Mrs. O'Hair so afraid for our children to pray and to hear the word of God? Because faith cometh by hearing, and hearing by the word of God. Does she know that when we know the truth it makes us free?

I challenge all Christians to stand up for what they believe — if not for their children, for the sake of Jesus Christ. Surely if all believers in all churches would write the Congress or do whatever is necessary to stop Mrs. O'Hair, she would know that she alone can not run the lives of all Americans.

Young people, this is the type of person that you should rebel against — those who are trying to take away your freedom of religion, your God given right — your right as an American.

So I challenge all Christians of all faiths, young and old, to start petitions among themselves to put a stop to Mrs. O'Hair, her personal influence, and her

# Glodys' Garden

By Gladys Howton Manjeot

Have you ever driven into Hereford, coming in via Westway at night? It is sure a pretty sight to see all the lights, which are in the feed pens and the Holly Sugar Plant. It is really lovely to look at.

Especially pretty when it is still and the smoke rolls so beautifully out from the plant to the surrounding area.

These evenings I have been making this trip I always take it rather slow, so I can enjoy the pretty sight. Then, too, I like to look at the homes with their evening lights on.

It has always been one of my habits to study homes, and to imagine the family during their evening activities.

This morning I went out on the same road, to see another lovely sight. The custodian of

the cemetery had left the water running in the sprays all night, and it was like fairyland with the ice frozen to the trees and all over the ground. Mr. Manjeot always goes out to the elevator early, and he called me to go see the lovely sight. It was truly beautiful, especially when the sun rays came through the clouds and make the ice glisten and gleam as jewels.

Yes, the freeze has come. I have just returned to the house from making a survey of damages done by jack-frost and the low temperature. The tomatoes, begonias (sorry for folks who had planned to get some for winter potting), cannas, roses, coler, geraniums, etc., are all killed.

I think some of the chrysanthemums will bloom later, espe-

cially those that are not showing color, and if we have some warm sunshine. The white ones seem to have received the most damage. My umbrella plant still has some good stalks, also the fountain grass. However, they both show signs of cold weather. I am hoping that I have enough green tomatoes to make some green-tomato mincemeat.

The following is my recipe. We like it very much and hope that you will too:

**Green-Tomato Mince Meat.**  
 1 gallon green tomatoes. Washed, and quartered.  
 8 large apples,  
 3 large oranges,  
 1 lb. raisins (I prefer the white raisins)  
 1 package of dried peaches, or apricots (soak for at least an hour before grinding or mashing for the mixture.)  
 1 1/2 pint of molasses, sorghum preferred.  
 1 lb. of sugar, either brown or white may be used, we prefer the brown and I usually add 2 more cups of the brown sugar.

6 cups of apple cider vinegar or just cider is good, salt to taste.  
 2 tbsps. cinnamon  
 1 tbsps. cloves  
 2 tbsps. nutmeg  
 Prepare all materials, then grind with coarse blade, mix well, cook slowly until well done. Fill jars, and seal.  
 Delicious for pies, fried pies, and cookies.

**INFORMATION**  
 I have had several calls relative to the flowers which were blooming at the home of Mrs. George Beams. They are in the helianthus family, better known to many of us as sunflowers. This variety is called helianthus argyrophyllus, which by some is called the Mexican sunflower and by others the silverleaf sunflower.

They can be propagated by planting of seed taken from the plant when fully matured. It is recommended that it is better to take a portion of the root system, not the center, but those growing around the center or axis of the root system of a plant.

They are a perennial and are especially nice for background planting.

The seed could be used for bird-feeders. They are known to be a very vigorous plant, and are easily grown, when once planted.

Make plans now to have some blooming amaryllis. They give the grower much pleasure. They come in several colors and mature quickly. They are very nice for Christmas time, and instead of giving poinsettias, make plans now to give some of your favorite people, either an amaryllis bulb or a blooming plant.

To clean and remove dust from African violet leaves. Use of a soft (Dad's saving brush, if he has one) is an excellent brush for this purpose.

Check mulches. Do not put on too early, as they make a very nice place for rodents and insects to take up winter residence. And often they feed on the bark of the plants, rather than get out and search for food. Be sure that the mulch (if lawn

clippings) is thoroughly dry before placing around the plants. Also if you select cotton hulls, be careful that they do not have too much attached cotton, as they are insect breeders. Fallen leaves are often used and are good if they are healthy leaves. They should be chopped up before adding to the base of the plant.

Do not use diseased leaves or any other kind of diseased materials. These should be burned instead.

Please remember, care in cleanliness goes for a better garden next season.

November is not the month for pruning. But if there are broken limbs, they should be cut and removed. Seal with a spray type sealer.

Make a list of plants which you have most enjoyed of the new types you have grown. Also make notations of changes you plan to make. List the other plants which you hope to add another season.

Check lawn for dandelions and use a killer on them. Also check for other foreign grasses which must be treated. The final mowing should not be too short, as roots must not be exposed to the cold.

Soon we will be planting our spring blooming bulbs. Do not do this thoughtlessly. Plan for the plantings. Combine some of the smaller type bulbs with the larger. For instance the grape-hyacinths are border material. A bed of lovely lavender and pink hyacinths, blended, are beautiful bordered with the darker grape-hyacinths.

A monochromatic color scheme is always good. Yellow daffodil, intermingled with yellow cheerfulness narcissus makes a nice combination. Also, Mt. Hood daffodils, combined with white cheerfulness narcissus or white crocus makes a lovely spot for the garden.

Reds blended well are always pretty. Then some of the bi-colored tulips such as Dutch Princess, or Gudoshink, are very attractive, when the planted bed of tulips is bordered with red emperor tulips or the yellow emperor tulips. Many combinations can be worked out, one in purple and lavender would be nice. The bishop tulips, Mauve King Hyacinths, bordered with crocus purpurea or crocus

remembrance would be something to make your neighbors talk about.

**BEAUTY SPOTS**  
 There are so many pretty chrysanthemums that I am hesitant to mention any of them. There are a number of lovely spots created by chrysanthemums out at Westgate. Mrs. Shawn and Mr. Fields have some lovely pink chrysanthemums. Then there is a lovely showing of blood red and white chrysanthemums at King's Manor. The Myron Morgans, on Sunset Drive, McQuiggas at 234 Centre, and also at 212 Centre, there are lovely showings of pink and yellow chrysanthemums. The Lynn Kesters in south Hereford have a lovely border of pretty chrysanthemums. Mmes. R. L. Wilson, W. C. Hromas, R. W. Mitchell, Ray Johnson, Alf Smith,

are all excellent growers of chrysanthemums.

The color harmony of the chrysanthemums and other flowers at the Berend's homes on the rural road (which I travel to the elevator) are beautiful. Both are attractive urban homes, and landscaping has been given thought and planning.

**CONGRATULATIONS**  
 To the Bud to Blossom Club for the outstanding flower show. It was one of the nicest staged shows I have attended in several years. Also I add my personal thanks for award given me, and congratulations to all the other exhibitors on their awards. The artistic division was exceptional and I was very proud of all the members.

Attention to the Ed Warrens: The daisy we have been growing (thanks to you) is known as the Gerberia Jamesoni. Mine are lovely and I have tried to save some seed.

GLAD

## This 'n That

by AUSTIN NICHOLS

Did you know there's more to Olympics than just international competitive sportsmanship? For example, there's the World Olympics Of Alcohol Beverages Competition held in Brussels, Belgium where the awards are . . . gold, silver, and bronze medals?

Like the United States collected all three medals in the Men's 400 Meter Dash in the summer Olympics held in Mexico City, so Poland won all three medals for the Vodka Wyborowa in the international Olympics Alcohol Beverages competition in Brussels.

Now available in the United States where all fine beverages are sold, Vodka Wyborowa is usually drunk frosty cold, straight, and in graceful stemmed glasses to protect milady's fingers and to preserve the delicate flavor of the chilled vodka.

Tastebuds are further stimulated when Polish vodka is served with a savory tidbit like pickled herring. To make this classic Polish hors d'oeuvre, marinate fillets of herring in oil, lemon juice, and a little white wine flavored with fresh chopped chives for a week. Serve it garnished with finely chopped onions and thinly sliced radishes.

## Social Security

Have you a question about social security? Address it to: Travis C. Briggs, District Manager, Social Security Administration, 1006 Adams Street, Amarillo, Texas 79101. You will receive an answer in this column or by mail.

Are Medicare and Medicaid the same thing?

A. No, they are not, and there is quite a bit of confusion due to the similarity in the names. Medicare is the term generally used to describe the federal program of hospital and medical insurance for persons over 65. The hospital insurance is financed by payroll contributions, and the medical insurance by premiums paid by the individual and matched by the federal government. Medicaid is a state program providing health insurance for needy persons receiving various types of assistance. Inquiries about Medicaid should be directed to the State Department of Public Welfare.

Imitation bacon bits make an interesting addition to fish or chicken breeding.

# "Fraternal Organizations" Target Of Controversy

By VERN SANFORD  
AUSTIN, Tex. — More than 100 "fraternal organizations" are being requested by Secretary of State Martin Dies Jr. to swear that they are in fact fraternal organizations and not just "private clubs."

He says applications are coming in from "fraternities" that evidently are "private clubs" and if they are approved it will make a mockery of the five cent tax per drink requirement set by the Legislature on private clubs.

Texas Law provides that fraternal organizations are exempt from franchise taxes.

Among the "fraternal organizations" presently being asked to confirm their status are the Benevolent Order of the Impala of Texas, Club L'Amour Fraternal Association, Inc., the Fraternal Order of Moon Maidens, The Fraternal Order of Dart Players and the Fraternal Order for the Preservation and Resurrection of Burlesque.

If an organization refuses to answer the questionnaire within 30 days, it faces dissolution. Answering the questions falsely means possible perjury charges.

WELFARE BENEFITS — According to Welfare Commissioner Burton Hackney, 509 Texas families may be affected by a San Antonio Federal court ruling requiring the State Department of Public Welfare to pay retroactive welfare benefits not paid since March under the now defunct one-year residency requirement.

Hackney said that if the department had to pay off all the back benefits, it would average about \$75 a recipient per month for that six month period. And, if all applicants on the list were qualified, this would exceed \$250,000. However, he stressed that some of the applicants would be disqualified for other reasons. He said no appeal of the decision was being planned.

Also, Hackney has asked the Texas Medical Association to help his department settle questions of "misuse" or "over-uti-

lization" of Medicaid services and benefits.

USED CAR WARNING — Texas automobile buyers have been warned against purchasing so-called "bargain" autos now being offered for sale in South and East Texas.

H. C. Pittman, executive vice-president of the Texas Automobile Dealers Association, says many of these cars were "severely damaged by salt water submergence during the frightful ravages of Hurricane Camille in Mississippi and neighboring states" in August.

"This same sort of fraud on the car-buying public occurs following almost every hurricane in the Gulf Coast area," he pointed out, urging used car buyers to check the bill of sale to determine the origin of the vehicles.

ATTORNEY GENERAL RULES — An employee of a county or hospital district does not have to be a resident of the county, the district, or even the state, says Atty. Gen. Crawford C. Martin, in a new opinion.

In their recent expressions Martin held that: "Condemnor in a condemnation case should pay the initial court-cost deposit when objections are filed by either party to a special commission award. He may recover if the county court judgment is for the same or a lesser amount of damages than offered before proceedings commenced."

"Valley cable TV company which sponsors a bingo-type game over its facilities is not engaged in a forbidden lottery."

"Changes in an individual holding of a wine and beer 'on premise' license must be reflected on the license or permit, showing name and photograph."

COURTS SPEAK — A Supreme Court hearing has been set for November 26 on Mobil Oil Corporation's suit to get back \$386,893 in gas production taxes paid under protest since 1966.

Same court has held that Wilson Radio Dispatch, with offices in McAllen, Brownsville, Harlingen and Rincon Camp, owes

the state more than \$10,000 in back taxes from its car-telephone service.

A decision by the Corpus Christi board of adjustment to allow radio station KCCT to build a transmitter in a residential area was upheld by the high court.

APPOINTMENTS — Governor Smith named Richard Lee Penn, 39, of Austin to the Texas Industrial Accident Board. Penn is the husband of Fay Penn, Smith's secretary.

A long list of other appointments included the following: Judges New Dallas Courts: Charles Spencer Carver Jr., Snowden Marshall Leftwich Jr., Hugh Thomas Snodgrass, John Calder Vance and Rolland Terry Scales, with James Greer Dowell succeeding Leftwich on the Dallas domestic relations bench.

Board of Regents West Texas State University: Dr. Theron Charles Hawkins of Kerrville, Donald Robert Curry of Fort Worth, Arthur Eugene Quest Jr. of Lubbock, Irby B. Carruth of Austin, James E. Jenkins of Amarillo, Patrick Richard Rutherford Jr. of Houston, Cloyce Kennedy Pick of Dallas, Thomas Boone Pickens Jr. of Amarillo and B. Raymond Edans of Tulia.

Texas Optometry Board: Dr. N. Jay Rogers of Beaumont, Dr. John William Davis of Dallas, Dr. Salvador S. Mora of Laredo, Dr. Jack Burton of Cleburne, Dr. Jacob M. Cohen and Dr. Nelson F. Waldman of Houston.

New Customer Credit Study Committee: E. M. Stevens of San Antonio and Joseph David Irion of Beaumont.

Battleship Texas Commission: Richard C. Gusman of Bay City, Mrs. Viola Marie Webb of El Campo and Robert Norman Aylin of Houston.

State Board of Medical Examiners: Dr. McKinley Homer Crabb of Fort Worth; Dr. Glenn Garland Porter of Lubbock and Dr. Jose Gamma Rodarte of Temple.

San Antonio River Authority: Curtis C. Gunn and Thom as

Drought of San Antonio. WORKMEN'S COMP TO COUNTIES — Tony Koriath, member of the Industrial Accident Board says counties which do not have workmen's compensation insurance may face a "serious problem."

Noting that county employees went under workmen's comp coverage on September 1, Koriath said that uninsured counties face open-end liability in lawsuits arising from the death or injury of their personnel.

Most major counties, he said, have not yet acquired insurance coverage and have no "common law defenses."

BREAKFAST IN SCHOOL — Texas Education Agency says school breakfast programs in Texas public schools are expected to pass the 350 mark in 1969-70, doubling the 172 total set during the last academic year.

TEA also announced that the State Board of Education has allocated \$10,400,000 in vocational-technical funds to Texas' public junior colleges for the present school year. Funds were provided by the Legislature.

REPUBLICANS ACTIVE — Promising themselves at least 35 more state representatives, four more state senators, three more congressmen and a second United States Senator, Texas Republicans are setting their election targets on areas where the minorities comprise a large portion of the population.

They outlined plans to start now, reaching for the Negro and Mexican-American voters, instead of waiting until election time 1970.

Republicans aim specifically at the 15 state senators who made the majority when the food tax bill was passed by the Senate.

Republican District Committeeman Winston Wrinkle of Big Spring, who heads the party's Legislative Committee, says they plan to use the recent "184-day Donnellybrook" (the three legislative sessions) and the tax increases, as additional ammunition.

Texas Federation of Republican Women announced that Mrs. Spiro T. Agnew will be in Austin on October 31 to present the second annual "N" Texas awards for community service by women.

BRUCELLOSIS — Texas Animal Health Commission says only eight Texas counties have not begun brucellosis-eradication programs, and all but 66 have been classified as modified-certified areas.

Federal regulations went into effect on August 1 restricting the interstate movement of most cattle from areas not modified-certified.

SHORT SHORTS

LI. Gov. Ben Barnes named a five-member Senate general investigating committee headed by Sen. J. P. Word of Meridian.

Speaker Gus Mutscher designated Rep. Henry Sanchez of Brownsville to head a committee on Texas-Mexico friendship.

A school land lease sale on November 4 may show the adverse effect of a threatened 27 1/2 per cent oil depletion allowance reduction, according to Land Commissioner Jerry Sadler.

Sen. Criss Cole of Houston, who will be Governor-for-a-Day on January 10, plans on spotlighting rehabilitation of the handicapped.

Governor Smith has asked the office of Economic Opportunity to remove VISTA (Volunteers in Service to America) workers from Harrison and Panola Counties after county officials requested their removal, claiming that workers instigated the boycott of a Marshall merchant, fomented racial strife and published an underground newspaper.

Larry W. Talkington of Boulder, Montan, is the new superintendent of Austin State School.

Parks and Wildlife Commission has accepted the deed to the 738-acre Huaco Tanks from El Paso County for a state park.

Mexico has offered lower Rio Grande Valley farmers an 110,000 acre-foot water loan from Amistad Reservoir near Del Rio, for emergency needs, reports the Texas Water Rights Commission.

Leftover vegetable odds and ends? Turn all into the blender and come up with your very own vegetable-soup speciality.

## Gerald Grizzle Here Oct. 21-26

Chester Proctor, presiding minister of the Hereford Congregation of Jehovah's Witnesses, announced the tri-annual visit of circuit supervisor Gerald D. Grizzle during the week of October 21-26.

"The congregation anticipates a week of increased activity and spiritual benefit from Mr. Grizzle's visit," Proctor stated.

The visit is described as part of an advanced training program for Jehovah's Witnesses. The activity scheduled is also designed to encourage more Bible discussion by people of all faiths in the community.

The program will begin Tuesday at 7:30 p. m. with a ministry training school, followed by a 30-minute discourse by Grizzle. Wednesday through Sunday some time will be devoted to field missionary service each day. Grizzle will join ministers from the local congregation in making calls on residents in the community. This is part of the regular door-to-door ministry and training program of Jehovah's Witnesses.

"The Saturday evening program begins at 8 p. m. with a Bible question period, 'New Learning,' which consists of audience participation. A 30-minute discourse by Grizzle, dealing with counsel for improving one's personal ministry concludes the session.

Highlight of the week comes Sunday at 3 p. m. when Grizzle gives the public talk, 'The Appointed Times of The Nations Have Run Out.'

A congregation Bible study using the Watchtower magazine as an aid, and final remarks by Grizzle, bring the week's activity to a close.

All meetings will be held at the Kingdom Hall, 319 Ave. I, Hereford. All interested persons are welcome and no collections taken.

The Hereford Brand, Hereford, Texas, Thursday, October 16, 1969

## Social Security

By TRAVIS C. BRIGGS  
Q. How old do you have to be to apply for a social security card?

A. There is no age requirement and no need to present a birth certificate to get a social security card. We do suggest that you wait until you need a card before applying. You will need a card if you plan to get a job, or for tax identification purposes if you have a savings account in a bank, credit union, or savings and loan association. Young children should be accompanied by a parent, or should have a note from the parent indicating the need for a card, when they call at the office to get a card. This will lessen the possibility of establishing two or more records for the same person, which can create a problem in later years.

Leon Martin — three Vietnam Tours

## Leon Martin On 3rd Vietnam Tour

Serving in the armed forces for the past sixteen years has been the so-called occupation of Leon D. Martin. Graduating from Plainview High School, Martin is now stationed in the Navy at Point Magu, California. He is now a Chief Petty Officer in the Navy of which he has served under for the past twelve years. During this time he was stationed in Hawaii for four and one half years.

Since the beginning of the Vietnam War, Martin has been on three Vietnam tours. Twice he has been within the country itself.

His most exciting venture occurred on the USS Enterprise, America's only nuclear powered aircraft carrier. He was stationed on the ship when an explosion took place. He was a member of the crew that disarmed the ordnance during the fire.

Martin has also served on ships in the seventh fleet off the coast of Vietnam and two terms in the country. Within Vietnam he has worked in all provinces from Danang to the southernmost tip of the country. He was a member of the Riverine force in the Vietnam Delta.

He is the son-in-law of Mr. and Mrs. H. D. Robbins and the husband of the former Nancy G. Robbins of Hereford.

Youngsters' lunch-box surprise: Use your bridge-club cookie cutters to shape sandwiches into hearts, diamonds, clubs or spades. Cut out each slice of break separately, then put together with filling.

## Selby In AF Winner Unit

WICHITA FALLS — Technical Sgt. Boyd O. Selby, son of Mr. and Mrs. Howard A. Selby of Petersburg, Ind., is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award.

His wife, Sue, is the daughter of Otto Dowd of Vega.

Sgt. Selby, a dental technician at the Medical Service School, Sheppard AFB, Tex., will wear the distinctive service ribbon to mark his affiliation with the unit.

His unit was cited for its successful mission accomplishment during the relocation of the school, its complete reorganization and major changes in training concepts and operations.

The sergeant, a graduate of Petersburg High School, attended Oakland City (Ind.) College and the University of Alabama.
