Dumas Has Won Last 14 Demon's Bobby Laughry Among State's Best QBs

By CHARLES RICHARDS
News Editor

Hereford puts its football misfortunes against a team Friday night that it is not ahead of in the series between the two. That's safe to say. The opponent is Dumas. You can also spell it J-I-N-X. Game time is 7:30 p. m. at Dumas.

For the past 14 years, Hereford has played Dumas. And Dumas has always won. There are those who turn red when Dumas is mentioned. Even when Hereford won a share of the district title two years ago, it lost one district game. That game was, of course, the one with Dumas.

Last year, Hereford lost to Plainview early and then rolled undefeated to an 8-1 record with one game left in the season. The Whitefaces were 4-0 in league play and so were the Dumas Demons. Whoever won would win the championship.

Dumas won 21-4 keeping alive the stranglehold the Demons have held in District 1-AAA for more than a decade, having lost only one conference game in all the while. Besides that one loss in 1968 to Perryton, the state's top-ranked team which itself had lost to Hereford, the closest the Demons ever came to losing was a 7-6 squeaker over Hereford in 1965.

Dumas goes into the game as the No. 10-ranked AAA team in the state, despite a 2-2 record. The Demons beat powerful Palo Duro and edged Phillips, and to Tascosa; while losing narrowly to Borger.

Hereford, meanwhile, has an 0-5 record in its first look at Class AAAA action. The Whitefaces went down heavily to Palo Duro and Amarillo and lost close contests to Pampa, Clovis and Dunbar.

The game Friday is the last for both teams before going into conference action. Dumas goes to Muleshoe next week and Hereford hosts Lubbock Coronado for Homecoming.

Back for the Demons is Bobby Laughry, considered one of the top quarterbacks in Texas. He threw 25 touchdown passes last year as a junior and won mention in a national magazine as one of the top 100 schoolboy backs in the United States.

Laughry is just as dangerous this year, and has a prime target in split end Mickey Hartman, one of the leading receivers in the Panhandle. The Demons have injury problems, however. Mark Robbins, a hard-running 170-pound running back and a two-year starter, may not be at full speed because of an injury.

Johnny Kimbley, a 190-pound senior who intercepted three passes against the Herd in last year's game, suffered a separated shoulder in last weekend's victory over Phillips and will be out for four or five weeks. He also was a starter in the offensive backfield.

The Demons suffered graduation losses from their line of last year, but Hereford Coach Larry Wartes rates them "just as dangerous offensively. They are not very big but they've got good speed. That's the key to this team."

Wartes is gearing his defense to stop the Demons' passing game but is remembering at the same time what happened a year ago.

Last year he was passing 25 to 30 times a game and against us he threw only 12, completed 3. Of course we don't know what they'll do this year.

Sign Today For Dinner, Charter Bus To Dumas

The Whiteface Booster Club has announced plans to charter a bus for fans interested in going to the football game in Dumas Friday night between the Herd and the Dumas Demons. The bus will hold 39 persons. At least 33 persons must go to assure the charter.

The \$6 price of the bus ticket includes a roundtrip to the game and a chicken dinner en route.

The bus will leave Hereford High School at 5 p. m. and return immediately after the game.

Those who want tickets must purchase them by noon today from Debs Knox at Hereford Bakery or Earl Stagner at Norwood Chevrolet-Olds. The Booster Club then will notify the bus company whether enough persons are interested in going to justify chartering a bus. If the necessary 33 persons sign up for the trip, additional persons up to the maximum of 39 may buy tickets later, up to departure Friday evening.

They may say "We didn't look too good passing last year so this year we'll really show them." We hope to be ready," Wartes said.

The Hereford coach rates his team "in pretty good shape." Danny Harris, a sophomore, may play Friday.

Harris scored two touchdowns in the first game of the season against Pampa but injured his knee in the second quarter of the game with Palo Duro. He saw action only on the kickoff return against Clovis and was hurt again in the Dunbar game. He watched from the sidelines in the Amarillo game after his knee gave way on him while making a cut in pre-game drills.

The coaches put a brace on the knee and sent him through workouts this week, hoping to see if Harris will be able to go against Dumas.

"We are going to have to decide something one way or the other about Harris," Wartes said. "We need to see if he can play, and if not, get him to the doctor. It's not long until we get to district play."

Harris looked good early this week in contact action.

In 20 years of coaching, Wartes has gone through only one losing season. Friday night marks the second half of the season, with five losses already on the slate.

Hereford's quarterback, Mike Wartes, brings impressive passing statistics into the game. He has more completions and more yardage than anyone else in District 4-AAAA. His split end, Harold Schmucker, is the district's leader in terms of receptions and yards and appears the best bet for the team for post-season individual honors.

Besides Robbins, the Demons' top running back who is slated for spot duty at best, Dumas has one linebacker out for the season and another linebacker who is questionable.

Dumas head coach Bill Spann said the Dumas-Hereford game "has been real tight for the past four or five years, not decided until late in the fourth quarter, and we are expecting the same. See HEREFORD Page Two

Deaf Smith Bill Mounts At Amarillo

READS CHARGES — Dennis Latham, 21, of Hereford read the nature of the charges against him at his arraignment before County Judge H. C. Williams Wednesday. The judge set a \$10,000 bond on Latham, who was

arrested Tuesday on a sealed indictment returned in August by the grand jury here. County Attorney Andy Shulvin indicates where Latham should sign.

I Jailed On Drug Charge

Dennis Latham, 21, was arrested Tuesday evening by city and county law officers and charged with possession of marijuana in connection with an incident several months ago.

The Hereford youth was arrested about 6 p. m. Tuesday at a residence on the 500 block of Avenue K after city and county officers opened one of two sealed indictments returned by the county grand jury on Aug. 18.

He was taken before County Judge H. C. Williams, in the absence of Justice of the Peace Bill Rowland, and advised of his rights. Bond was set at \$10,000.

The grand jury, in presenting sealed indictments, prevents the release of the names of the persons indicted, usually because the persons are at large.

Sheriff Travis McPherson said the charges of possession of marijuana against Latham stem from an incident several months ago when he allegedly sold some of the drug to an undercover agent here. He said the alleged sale occurred about the same time that multiple arrests were made in Amarillo in connection with possession and sale charges.

McPherson said the other sealed indictment has not been issued.

The sealed indictments issued in August were the first ever issued in Deaf Smith County in at least 17 years, according to Mrs. Lucille Posey, district clerk.

American Legion To Meet Here Saturday

The 18th District American Legion and American Legion Auxiliary Convention will get underway here Saturday for a two-day event planned at the Civic Club Center.

The convention will begin with registration at 11 a. m. Saturday at the Civic Club Center, where all convention activities will be conducted.

The Post Officers School, headed by Department Field Representative Garland Delamar, will begin at 1:30 p. m. Saturday with District Committee Reports. A tour of the Hereford area will be conducted between 3 and 5 p. m. and the banquet is set for 7 p. m. Saturday evening.

The banquet will be called to order by Ben W. Childers, Commander of local Post 192, and the Post Colors will be presented by Bill Setzler, Sergeant at Arms.

Correction

The front page story in The Sunday Brand about Hereford's two foreign exchange students said the two would speak before various groups and clubs if asked to.

This is not correct at this time. The foreign exchange students are allowed to speak before civic groups only after Jan. 1, according to Ray Moore, director of the local American Field Service chapter.

The welcome address will be given by Hereford attorney Earnest Langley and the response by Bill Brady, Department Vice Commander, of the Fourth Division. The introduction of guests will be by Troy Johnston, District Adjutant; introduction of the 18th District President will be by Dennis Holland and the introduction of Auxiliary Guests by Kathryn Webster, 18th District President.

Henry Hill, Past Commander, will give the address followed by Committee appointment and announcements by Dennis Holland, 18th District Commander. The group will recess shortly after the committee appointments, and will have a dance beginning at 9 p. m.

The second day of the convention will begin with registration at 8:30 a. m. Sunday with committee meetings to follow immediately. Joint Memorial services, by District Chaplain J. M. Thacker will be conducted at 9:30 a. m. and at 10 a. m. the business session will begin.

For the Ladies Auxiliary, their weekend convention will begin Saturday at the same time as the men's with registration from 11 a. m. to 1:30 p. m. At 2:30 p. m. the auxiliary will be called to order for its business session at the American Legion Home in Veteran's Park.

The Hereford unit will give the welcome and the response will be given by Mrs. John McCaulley, of Memphis.

At 3 p. m. the workshop will be conducted by Mrs. Jack Flynnt with a recess to follow at 4 p. m.

County Nixes Count Basie Orchestra

By MARSHALL DAY
Staff Writer

The county commissioners Monday, after having second thoughts, stuck with the county policy and rejected a request by a local private club to use the Bull Barn in the promotion of a well-known band.

Elson Clark, owner of the Music Stand, and Troy Carmichael and Troy Moore, officers of the club's board of directors, asked the county commissioners for the use of the Bull Barn on Wednesday, Dec. 9 for the purpose of hosting the Count Basie orchestra, a well-known 7-member band.

The commissioners discussed the matter with the men then asked them to leave so they could talk the situation over among themselves. The commissioners recalled Moore and Clark to determine where the profits from the show would go and were told they would go for improvements at the private club. That clinched the commissioners' decision to reject the request.

The commissioners said since it is not a non-profit civic organization sponsoring the show, they could not permit the club to use the Bull Barn.

Clark said it was the board's opinion a name band or name attraction would benefit the community so he had sent out "feelers" to different theatrical groups to see who he could get for Hereford.

"We were contacted by a

gentleman from Amarillo who said County Basie would be in this area the first of December so we booked him for December 9. The cost of the band will be about \$1,750, which will be well worth it because this is one of the very, very few surviving name bands of the 1930s," Clark said.

He said admission would be \$10 per person and they were expecting about 500 persons. Because of this large number, he said, the only likely place to have the show would be in the Bull Barn.

The county commissioners, in rejecting the request, noted they have limited the number of dances at the Bull Barn to two a year and said they felt they would have to make other exceptions if they allowed this group to come in.

Commissioner Bruce Coleman, the lone dissenter, at the start of discussions on the proposal, told the other commissioners after the men had left the first time, he was against the proposal completely.

"This doesn't cut any ice with me because all this is, is a high class bottle club and I just don't like it," he said.

The other three commissioners appeared ready to let the private club have the Bull Barn, when County Judge H. C. Williams, who had been out of the courtroom during the first discussion, came in and asked what the proceeds from the band would be used for.

No one knew, so they called Moore and Clark back.

Clark said it would be "contributed to improvements to the Music Stand" and for new carpet and new chairs in the private club.

"But no one can go to the Music Stand unless he is a member, so it really isn't going for a worthwhile non-profit organization, isn't that right?" commissioner Earl Holt asked Clark.

Clark said this was true, but anyone could become a member of the Music Stand.

After Clark and Moore left the second time, the commissioners immediately rejected the request.

Invitational Golf Tournament Set This Weekend

The 18th annual Hereford Invitational Golf Tournament will be played Saturday and Sunday at John Pitman Golf Course.

The tournament will consist of 36 holes of medal play with 18 holes Saturday and 18 holes Sunday. Saturday play will not be regulated, but pairings will be made for Sunday.

Entry fee for the tournament is \$15 per person with the field to be limited to the first 100 entrants. Jess Sorrells of Dalhart is defending champion.

Donald Bridges, course superintendent, said Wednesday approximately 22 had entered in the tournament and about eight of these are in the Championship Flight.

"We have a lot of real good players entered already," he said. "Some from Muleshoe, Pampa, Borger, Amarillo and here and we are expecting a lot more."

Three representatives of the Amarillo Hospital District appeared before the county commissioners Monday in an attempt to work out some kind of agreement for Deaf Smith County to pick up the tabs on patients from here who are treated at Northwest Texas Hospital in Amarillo.

Bob Dutton, assistant administrator, along with J. R. Williams, director of admissions, and Bob Sanders, attorney-advisor, told commissioners that since the first of this year, Northwest Texas Hospital has suffered \$15,000 in bad debts from this county alone.

"What we are trying to do is come to some agreement on payment of future bills such as the ones we have now," Sanders said. "We don't want you to get the idea that Deaf Smith County is the only county we are picking on because we plan to make the rounds to neighboring counties and see what we can work out with them also."

The county commissioners, though they had no solution to the problem, agreed to meet again with the representatives in a couple of weeks to set a percentage which the county will pay the hospital for people from this county.

Dutton said the Amarillo district, the only city district in the state, was legally created in 1959 and includes Potter and Randall Counties. He said this hospital district is responsible for all indigent medical care and this care is made possible because of tax money the district receives.

"Our tax money is not used for the operation of Northwest Texas Hospital but for treatment of the indigent, for indebtedness created by non-paying patients and so forth," he said.

Any resident of the county can apply for treatment at the hospital, Dutton said, and, according to their income, their cost will vary. He said after the hospital reaches a certain fee for the individual patient and treatment is given, the patient is sent to a private doctor for further treatment if hospital aid is not necessary.

"Also, for the traveling residents, this is available, simply because Amarillo is the crossroads for a number of major U. S. highways and people are coming through constantly," he said.

For many cases where the patient is just traveling through the city and is hospitalized, the hospital will charter a plane to take the person back to his home or to his destination.

"Our board has always felt the bill is the moral obligation and we never charge anything off. We pursue it until some disposition is made," Dutton said.

"In the case where we can't collect from someone, we operate just like any other business — we increase the cost to the other patients," he said.

The cost for other Deaf Smith County residents is raised because of the failure or unwillingness of others to pay their bill. Dutton said the increase is approximately 8 per cent.

Dutton said the Amarillo Hospital District has set up a policy regarding indigents and they feel the policy has worked very well.

"Under the indigent policy, the person must be a resident of Amarillo before he qualifies for our treatment, but it has gotten to the point where we are handling many, many cases of indigents from other counties who cannot or will not pay their bill," Dutton said.

"We aren't here to get you to pay this \$15,000 in bad debts, although it would be nice, but rather to see what we can work out for the future," he said.

Mrs. John Gorman
Italian dish her specialty

LET'S COOK SOMETHING

Italian War Bride

By JANIE REINART
Staff Writer

Even though tragedy struck her family at home in 1963, Mrs. John Gorman has not been back to Italy since she came to America in 1948 as a "war bride."

Her father was struck and killed by an automobile in which a priest and associate pastor were riding on their way to take last sacraments to a dying person.

At the time the Gormans were moving from one state to another and were without a telephone Her brothers couldn't reach her for three days.

"I felt something was wrong those three days but I couldn't

tell what it was. I couldn't find peace with myself when I was cooking, making beds or anything else. The feeling was there so strong. Then the telegram came and I knew."

Expenses kept Helen from going back to Italy to be with her family and she says her mother is still waiting to see her. "We write all the time — that is the only thing we have to keep the flame going," she confided.

With 23 years and thousands of miles between them, Mrs. Gorman still has her love for Italian foods as does her entire family.

Twenty-five-year-old John resides on Star Street and is a painter. Shirley, 23, is teaching

her sixth year at St. Anthony's. Tony, 19, is a freshman at Texas Tech where he plays defensive tackle for the Picadors. "He is the one in the family we call the lucky one. All families have that one," said his mother.

Tony received a scholarship at Tech following his graduation from Hereford High School in May.

Dan, 18-year-old senior at HHS, is defensive and offensive tackle for the Hereford Whitefaces. Helen, 11, is a sixth grade student at St. Anthony's.

As regular housewife and mother of five, Mrs. Gorman keeps busy and says her work is never done.

"I would like to knit, embroider, and paint dishes — things like that, but I have no time."

On Sundays when all the family is home she must cook extra. "They eat all day," she smiled. "Especially, that Tony."

Her husband and family like American foods such as roast beef, steaks, and pork chops as long as lots of spices are included. Mrs. Gorman prepares an Italian dish at least once a month and says "They would like to eat it for breakfast if they could."

One of those favorite dishes is chicken ravioli, which Mrs. Gorman warns "takes time and patience." Here it is:

- CHICKEN RAVIOLI**
- 1 boiled chicken, ground
 - 6 eggs
 - 1 t. nutmeg
 - ½ large can grated Parmesan cheese
 - Salt and pepper to taste
 - 1 handful green parsley, ground
 - 2 slices dried bread crumbs
 - 5 cups flour
 - 1 onion
 - 1 heaping tablespoon tomato paste
 - Combine ground chicken, 2

eggs, nutmeg, Parmesan cheese salt, parsley and bread crumbs. Add liquid ingredients to dry ingredients. Form into small balls. Place on ungreased cookie sheet and bake at 450 degrees for 7-8 minutes.

Mix flour, 4 eggs and salt. If dough is too stiff to roll, add little water. Roll and cut into three-inch squares. Place one heaping teaspoon chicken mixture into egg noodle squares and press together with tines of fork after folding.

To chicken broth, in which chicken was cooked, add onion, tomato paste, salt and pepper. Boil for 25 minutes. Remove onion while broth is boiling and add ram oil and cook 20 minutes.

Mrs. Gorman suggests serving this dish with salad or a light dessert "because the ingredients are so substantial." "I love to cook but the kitchen in our trailer home is sometimes too small," said Mrs. Gorman.

Young Helen is the first to take over in the kitchen at meal time if her mother is busy or not feeling well. Big sis prefers baking and the following recipe is another Italian food the Gorman family enjoys on holidays or with tea and coffee.

- BISCOTTI**
- 5 cups flour
 - 5 teaspoons baking powder
 - 1 cup sugar
 - ¾ cup cooking oil
 - ¾ cup liquid (juice of one orange plus milk)
 - Rind of one orange, grated
 - 2 eggs
 - 1 teaspoon anise flavoring
 - Sift flour, measure and add baking powder and sugar. Sift again. Beat together oil, liquid, orange rind, eggs and anise:

Mrs. Bonnie Brumley, Mrs. Fly and Stan Knox are children of the W. A. Knoxes who came to Deaf Smith County in 1917, lived on a farm 15 miles northwest of Hereford and later in the city.

Mrs. Fly arrived by plane via Amarillo Saturday morning. After a short visit here she was accompanied by Mrs. Brumley on a trip to Phoenix, Ariz.

Dinner was served in the home of Mr. and Mrs. Stan Knox Sunday after church, with a number of relatives present.

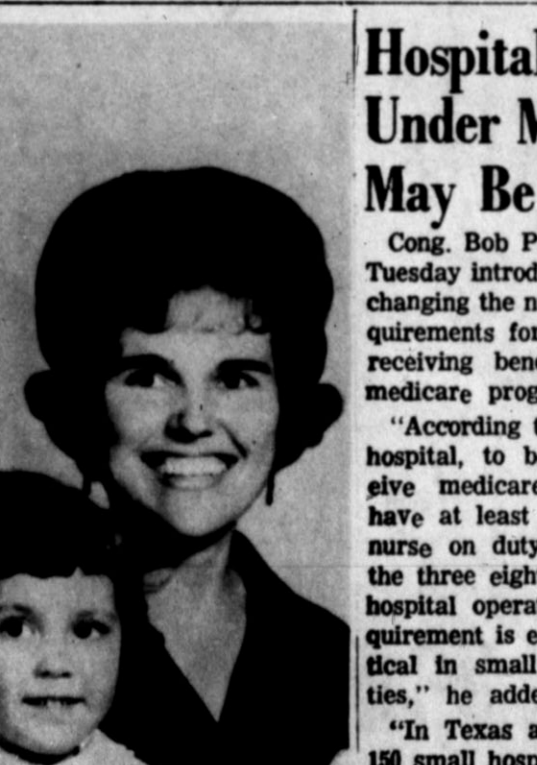

They included the Jerry Nichols, Bill Pau Knox and Bryan Knox families of Amarillo; Susie and Steve Knox, Bryan Knox and the Jack Brumley family of Lubbock; Dr. and Mrs. Marvin Berry of Fort Worth.

Those present who live in Hereford were Mrs. Lorene Knox, the E. D. Hopson family, Mrs. Brumley and the Stan Knox family.

NAMED FOR HONOR — Mrs. Jack Burrus of Childress, the former Martha Jean Brown of Hereford, has been chosen for inclusion in the 1970 edition of Outstanding Young Women of America, a selection made on the basis of her civic and pro-daughter of Mrs. Caudie Ola Brown. Mrs. Burrus has been educational director in First United Methodist Church at Childress the past four years and is library assistant in Childress Junior High this year. She attended West Texas State University after graduation from Hereford High School, and did summer work at Southern Methodist University. She is pictured with the youngest of her three daughters.

rising hospital and health care costs make it impossible for small rural hospitals to keep their doors open without the aid of federal funds supplied by the medicare program, he suggested.

Price's bill will make it possible for 50-bed and under hospitals to receive medicare benefits if they provide 24-hour nursing service rendered by licensed practical nurses including vocational nurses or professional nurses. These nurses will work under the general supervision of a registered nurse to insure the maintenance of high quality hospital nursing care.

"In Texas alone, more than 150 small hospitals run the risk of having their participation in the medicare program terminated simply because they do not have enough registered nurses to meet Federal requirements. This situation must be rectified. This burdensome law must be changed."

The Texas Republican said licensed vocational nurses working with skilled physicians and trained registered nurses can provide an adequate level of nursing care to hospital patients.

"We must never lose sight of the fact that hospitals exist to meet community health needs. Artificial rules must not be allowed to frustrate this simple goal," he added.

Despite The 0-5 Mark, Hereford Retains Passing Lead

Despite Hereford's 0-5 mark for the season, the Whitefaces continue to have the leading passing statistics in District 4-AAAA.

Harold Schmucker's four receptions for 78 yards last week against Amarillo High raised him to 16 catches for 234 yards and one touchdown for the season, an average of 14.6 yards per catch. He is three receptions ahead of the runnerup, Coronado's Joe Byrne.

Schmucker's teammate at the other end of the Whiteface line,

John Sparks, caught three against the Sandies and moved into third place for the year with 10 catches, good for 108 yards.

Quarterback Mike Wartes, who has thrown all but one of the Hereford completions, used his 7-for-31 night against Amarillo to hike his lead in the district in completions, attempts and passing yardage.

He is 39-for 88 for 517 yards and two touchdowns this season. Larry Williamson of Lubbock High is runnerup with 31

completions in 87 attempts. He also is second in yardage, with 389 yards.

Wartes lost three passes to Amarillo defenders Friday night and also became the most-intercepted passer in the district, now that he has 5 for the year. Williamson and Plainview's Freddy Jackson both have been intercepted four times.

Ricki Ward moved ahead of two players into ninth place among league rushers, with 180 yards in 49 carries. Coronado's Charlie Carpenter leads with 422 yards. Ward had 43 yards against Amarillo.

Jeff Loerwald is 13th among the rushers with 132 yards, but his average per carry is far more than anyone else in the

league. He made the yardage on only nine carries and has an average of 14.7 yards every time he touches the ball.

In the tackle category, Gary Lemons is third and Charles Black sixth, with Bruce Battey 10th and Sparks 15th. Lemons' total of 67 is behind the leading pace of 82 by Lubbock's Brooks West. Black has 60 tackles, Battey 50 and Sparks 43.

Elsewhere, Alan Wagner is the fourth-leading punter with his 34.9 yard average. Rudy Gonzales and three others are in a tie for third with most interceptions with two each. Wagner is seventh in scoring with 30 points, and Wartes is fourth in total offense with 517 yards passing and minus 46 running for 471 yards, an average of 94.2

yards per game.

By giving up 487 yards to Amarillo last week, the Herd slumped farther into last place in defensive statistics. But other district teams were having difficult times too, especially to teams in District 3-AAAA.

Hereford now has given up 1,290 yards on the ground and 344 yards by passing five

game for 1,643 total yards — an average of 328.6 per game.

Offensively, Hereford is fourth out of the five-team district, ahead of Plainview. Hereford has 600 yards rushing and 549 passing for 1,158 total — or 231.6 yards per game. Plainview has 765 on the ground and 227 in the air for 992 total, 18.4 per game.

Defensively, Plainview leads, and 549 in the air, 1,393 total with 714 yielded on the ground for 232.6 yards a game.

Audine Dettmann: Bowler Of Week

Audine Dettman, with 58 pins over her average, was named Bowler of the Week in Kings and Queens league play last week.

She also had the Queens high handicap series of 718 and Alice Lueb had the Queens high scratch game of 204. L. J. Clark had the Kings high game scratch of 246 and the high series handicap of 655.

Vance Hall Sporting Goods won the high team series of 2394 and Circle Three Feed Yards had the high team game of 833.

Converting splits were Bertha Arnold, 5-4-10; Audine Dettman, 3-7; Luella Dool, 5-7; Ray Lueb, 5-4-7 and the 4-10; Bob Brooks, 2-7; Eleanor Hudspeth, 3-9-10; Alice Lueb, 3-10; Leroy DeDonald, 4-5; and Ben Lueb, 3-10 and 6-7-10.

The Elks lost four to Vance Hall Sporting Goods; Bob's Hickory Pit won four from Reeve's Chevrolet; Circle Three won three from Strickland-Shell; and

Big Daddy's Restaurant won three from Hereford Janitor Supply.

Standings show Bob's Hickory Pit, 11-1; Big Daddy's Restaurant, 9-3; Circle Three Feed Yards, 7-5; Strickland Shell, 7-5; Vance Hall Sporting Goods, 6-6; Hereford Janitor Supply, 4-8; Elks, 2-10; and Reeve's Chevrolet, 3-10.

MORE MISSIONARIES

DUBLIN — In proportion to its population, Ireland has more Roman Catholic missionaries serving abroad than any other country, according to a survey just completed here. Its population is 2.9 million of which 2.7 million are Catholic. Yet it has 7,706 missionary workers overseas. The Missionary Service Center, which made the survey, said America, with a population of more than 200 million of whom 47.4 million were Roman Catholics, had only 9,655 missionaries abroad.

Schoolboy Wins Contest His First Time To Try

Terry Poindexter, a schoolboy entering the Brand's football contest for the first time of the season, put the tab on 18 of the 20 selections last week and captured the \$20 first prize.

Terry, who lives at 305 Sunset, was the only one of 151 entrants to miss only two. His only misses were in picking Vega to beat Sudan and the Detroit Lions to beat the Washington Redskins.

Ron Gray of Route 4 and

Leon McCutchen of 403 Union both predicted 17 of the 20 games. But Gray won the \$10 second prize and McCutchen the \$5 third prize because Gray was closest on the tie-breaker.

His prediction of a 31-0 Amarillo victory was 18 points off the 42-7 score in the Amarillo-Hereford game. McCutchen was 20 points off with his guess of a 28-13 Amarillo victory.

Four persons — last week's winner, Terry Hill; David

Smalts; Dallas Phillips; and L. V. Watts — had 16 correct guesses. Twenty-three persons got 15 right, 30 got 14 right, 39 got 13 right, 30 got 12 right, 14 got 11 right, 6 got 10 rights, and 2 got 9 right.

Both Gray and McCutchen missed on the Washington upset of Detroit and the Sudan victory over Vega. Gray also went incorrectly with Dimmitt to beat Friona while McCutchen was missing the boat on his prediction Lubbock would beat Caprock.

Last weekend's results: Amarillo 42, Hereford 7, Borger 28 Plainview 12, Monterey 14 Carrolton Turner 7, Caprock 35 Lubbock 21, Palo Duro 52 Coronado 21, Friona 14 Dimmitt 0, Pampa 26 Canyon 3,

Sudan 28 Vega 14, Arkansas 41 Baylor 7, Texas 41 Oklahoma 9, Texas Tech 21 Texas A&M 7, Oklahoma State 34 TCU 20, West Texas State 24 Northern Illinois 22, Houston 31 Mississippi State 14, ACC 61 ENMU 0, Sul Ross 31, Howard Payne 21 Dallas Cowboys 13 Atlanta Falcons 0, Baltimore Colts 24 Houston Oilers 20, Oakland Raiders 35 Denver Broncos 23, Washington Redskins 31 Detroit Lions 10.

of Cotton Bowl tickets by getting 14 right, raising his total after five weeks to 73. But his lead was cut, from three last week to only two this week.

Marshall Day led the four-man panel of Hereford Brand predictors with a 15-5 mark. Lynn Brisendine came up with a 14-6 ledger, while Jay Spain and Charles Richards each were 12-8.

Jim Loerwald kept the season-long competition for a pair

KEY INTERCEPTION—Amarillo's David Krill (88) leaped high with Hereford's Harold Schmucker (83) for this interception on the Amarillo 14 in the first quarter that ended a serious White-face threat on Hereford's first possession of the game, won by Amarillo 42-7. Schmucker came out best four other times, for 78 yards, and was named Offensive Player of the Week, the second time he has taken the honors. —Photo by Tommy Koelzer

Jim Cherry, down at White-face Barber Shop, says they are now giving a five day or five mile (whichever comes first) warranty on haircuts.

And City Commissioner Bartley Dowell tells us the newspaper is now on his list. It seems that for months there has been from one to three reporters at the noon Kiwanis Club meetings (they like the food), but Thursday when Dowell inducted his son David into the club there wasn't a reporter in sight. Well, that's life. You can't win them all.

If you're disturbed about arising in the dark, don't fret. It won't be long until the time changes again. I believe it's the last Sunday in this month when we go back to stand a r d time and we'll be able to move the clock back an hour.

Incidentally, there's a real easy way to remember what to do about the clocks. Just remember to "Spring" forward in THE Spring and "Fall" back in the Fall.

However, there are people, like Troys Carmichael for instance who won't remember that. He'll try to "leap" forward and "stumble" backwards and it won't mean a thing.

The weather is fallish also. Wednesday morning was cool and crisp... and damp. Showers were forecast and we could certainly use them. This has been one of the driest years on record.

Of course, those who are in the process of cutting m i l l o will probably not appreciate

a rain just yet but the old boy who has a section of dry land wheat certainly will. In this diversified area you just can't please them all.

Last year we heard about the Amazing Mets. This year it's the Fabulous Birds. Baltimore has taken three in a row from the Cincinnati Reds in the World Series and we're hoping they will end the series today with four in a row. This doesn't happen too often but it may this year. However, you'll know by the time you read this column.

Just a reminder. Everyone who wants to hear Major Fred Thompson is welcome to attend the noon meeting of the Hereford Rotary Club Monday. Major Thompson is one of nine U. S. airmen who were released from a North Vietnam prison camp after six months. His plane was shot down about 45 miles north of the DMZ line in North Vietnam early in 1968 and he was captured by the Communists. Major Thompson is speaking in behalf of an effort to force the North Vietnamese to release the names of some 1400 U. S. service men who are now listed as "missing in action." It is believed that most of these men are now in North Vietnamese camps but the Hanoi government has consistently refused to release names of prisoners and has refused these prisoners the right to correspond with families.

Be sure to be on hand. You'll want to hear what Major Thompson has to say.

A. J. "Major" Schroeter, who has been chairman and overseer of the Lion's Club Civic Center since the club leased the old Hotel Jim Hill ballroom and restaurant from the First National Bank, has been taking a nominal amount of kidding recently about his Scottish hills.

Mr. Schroeter had been doing some repair work on the roof of the building and coming down, stepped on top of a barrel situated near the ladder. The lid tipped and "Major" slipped in. Unfortunately it wasn't water. The barrel was filled with old cooking grease and Schroeter went in up to the hips.

Grant Hanna, operator of the coffee shop, supplied a couple of aprons and after removing his trousers, "Major" tied one in front and one in back and started home. Everything would have been swell except that he was caught by Rex Easterwood. And that wouldn't have been so bad but Rex just isn't known for keeping secrets.

However, it could have been worse. Grant might have refused to lend him the aprons.

And we've been told that you can't keep trouble from coming, but you need not give it a chair to sit on.

Xavier University of Cincinnati will play five of its 10 football games at night this fall.

Small Talk

By SUE COLEMAN
Women's Editor

There was plenty to gain the attention at the party which Elizabeth and Jim Witherspoon gave for the touring European sugar beet growers Friday evening, what with conversations in four or five languages including the Irish going on in every room — but there was still time to notice what the women were wearing.

LANGUAGE BARRIERS were not so grim as you might think for a group including speakers of French, Italian, German and Spanish (not the West Texas variety.) Practically all educated Europeans, I've noticed for a good many years, speak more than one language and the second is likely to be English.

Of course it's schoolbook English with a British accent, but we in Texas can understand if not speak that. The hosts invited Hereford guests who speak other tongues, even if they are the schoolbook variety with a Texas accent, but the visitors seemed to understand that, too.

Star of the party was Rene Batard, whose native French perhaps convinced the tourists that there is one literate man in Hereford — AND SOME OF THEM who weren't French themselves could speak that language.

BUT I MENTIONED clothes, and those were a nice complement to the elegant background of the Witherspoons' new house. Elizabeth was dressed in vivid pink, a color she often chooses probably because it is most becoming. Simply cut, her dress was of chiffon folded into strips which were literally woven into a distinctive fabric. A small matching bow was in her hair.

Dark browns and black, modish colors of this season, were in evidence. Ruby Boston wore very dark brown with dropped waistline and fully circular skirt. Mildred Garrison's brown skirt was brief and pleated below a tunic of brown print.

Helen Langley wore a beige-and-orange scarf tie with a brown dress, and was shod in boots. That footwear was a part of Mary Thomas' dashing leather-like pants costume.

SEVERAL OTHER attractive pants suits showed up, some quite dressy. Jo Carter, registering guests, wore one in lacy white, Corinne Easley's was black, with wide dangly fringe.

Mrs. Jay Barnett of Amarillo was in turquoise tunic and

pants with a rather formal look, worn with many long strings of pearls. Also from Amarillo, Mrs. W. T. Price III had a sky blue blouse and sash with royal blue pants.

We can't go on like this — but there were dozens of other well dressed women, from Hereford, Friona, Sunray — and Europe.

VISITORS FOR A week with Elvina Jorde and others of the Jorde family who live hereabouts, were Mr. and Mrs. Howard Grow of Hodson, Iowa. They left for home Monday.

Mrs. Grow is Mrs. Jorde's daughter — her only daughter, she hastens to add as her family rather runs to sons.

A GOOD LOOK at the western Panhandle adjacent New Mexico was given Mrs. Eloise Burnett of Mentone, Ala., who has been visiting in the Arlie

Apples, favorite autumn fruit in most families, were the subject of the program for West Hereford Demonstration Club Tuesday when Mrs. Robert Boyd was hostess in her home.

Mrs. Evelyn Bell talked of apple varieties and their use, and gave recipes for apple bread, dumplings and fried

Miss Mary Bradley read verses, Take a Little Time, to open the program. The hostess gift was presented to Mrs. D. W. Allmon.

Mrs. Albert Ferris was welcomed as a visitor. Others present were Mmes. Blanche Hardin, Belle Grimes, Roy Boyd, W. A. Waters, Alice Cox and John Jacobson Sr.

Parties Given Before Wedding

Preceding the marriage of Miss Debbie Walden and Roger Owen Saturday afternoon, courtesies for the couple continue through this week. The bride-to-be has been complimented with several pretty parties.

Latest was a bridal party luncheon Wednesday noon at Hereford Country Club with Mrs. J. H. McCrary as hostess.

Coral, the color to be emphasized in wedding decorations, was used in the vivid shade of pumpkins, arranged with white mums for a centerpiece.

Places were marked for her honoree and her mother, Mrs. Bill Walden; the prospective bridegroom's mother, Mrs. W. G. Owen; Misses Becky Bell and Sherry White; Mmes. Danny Smith, Charles Bell, E. D. Hopson, Clifford Trotter and the hostess.

To complete entertaining before the wedding date, the rehearsal dinner will be given by the bridegroom's parents in their home. Coral roses will ornament the table where a buffet dinner will be served.

The 16 guests will be members of the wedding, families of the couple and a few close friends.

Play Equipment Given To Center

Functions of Hereford's new Day Care Center, were explained by Mrs. Gerald Wilson, director, at Young Mothers Study Club Tuesday evening at the First National Bank.

Mrs. Wilson stressed that the center is not a poverty program and told of its operation.

In business the club voted to purchase a piece of play equipment for the Day Care Center.

Other business included plans to sell notes, recipe cards and color cards for children as a fund-raising project for the next two months.

Mrs. Dale Henson and Mrs.

Lynn Pittard presented a demonstration on cake decorating and described various icings, frostings and sugar molds which can be used.

Three other guests, who became new members of the club, were Mmes. Paul Jones, Don Samuels and Don Hendrix.

Hostesses for the meeting were Mmes. Ray Simpson and Don Chapman.

Other members in attendance were Mmes. Jim Arney, Eugene Baldwin, Charles Brown, Don Brush, Raymond Gerk, A. T. Griffin, Chesley Johnston, Travis McPherson, Burl Spears and Bud Thomas.

Young Mothers Study Club will host an Oct. 27 Halloween party for their children at Community Center.

Mrs. Sisson Is

Veleda Speaker

Three guests heard with Veleda Study Club members a program on Interior Decorating Trends, presented by Mrs. B. W. Sisson Tuesday evening in the home of Mrs. Hugh Clearman.

Function rather than formality is the aim of modern home planning, Mrs. Sisson said, and a room should be the sum of the family's needs for it.

The next meeting will be for guest night in Mrs. George Sisson's home Oct. 27.

Guests were Mrs. J. D. Gilbert Jr., Mrs. Don Lowder and Mrs. Mack Tubbs.

Members present included Mmes. Richard Otosen, Gwynne Owen, Glenn Watts, Ritter, Gid Brown, Red Durham and Armon Lauderback.

She suggested that before a room is decorated or redecorated, the wise homemaker observes and visits other homes, makes a list of uses to which the space will be put, puts ideas and pictures in a scrapbook to study, if possible makes a scale model and by all means avoids impulse buying.

In the business period members voted a contribution to the American Field Service program and were reminded that

Met Tuesday

Cub Scouts from Den 4, Pack 51 met Tuesday in the home of Ben Plummer. Kreig Gallagher opened with the pledge.

Crafts projects for the new year were started.

One guest, Raymond Torres, was present. Refreshments were served by Mrs. Gene Parsley and Mrs. Paul Torres.

Wedding In Read Recently

The marriage of Mrs. Vivia Pitzer of Fayetteville, Ark., and B. H. Kirby, former Hereford resident now of Fayetteville, was solemnized in St. Andrews Episcopal Church at Rogers, Ark., the afternoon of October 8.

The Rev. Carl Babcock, rector of the church, read the wedding service with only members of the bride's immediate family present.

A home in Hereford is planned by the couple within a few weeks.

Mrs. Kirby is the daughter of Alfred Cadwalder of Fayetteville and the late Mrs. Cadwalder.

Kirby was in business in Hereford for a number of years before moving to Arkansas in 1968. He recently disposed of his business in Gateway. He is the son of Mrs. J. W. Kirby of the city and the late Mr. Kirby.

Legal Notice

NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR THE PURCHASE OF CERTAIN ROAD MACHINERY AND TO ISSUE TIME WARRANTS IN PAYMENT OF ALL OR PART OF THE CONTRACT PRICE AND LEVYING THE TAX FOR THE PAYMENT OF SUCH WARRANTS

SEALED PROPOSALS addressed to Hon. H. C. Williams, County Judge of Deaf Smith County, Hereford, Texas

SEALED PROPOSALS addressed to Hon. H. C. Williams, County Judge of Deaf Smith County, Hereford, Texas, will be received at the Office of the County Judge until 1:15 o'clock P.M. on the 4th day of November, 1970, for the purchase of the following road machinery for the maintenance and improvement of the roads in and for said County:

Two (2) new diesel powered motor graders of not less than 125 H.P., fully enclosed cab, fitted glass, rim cap, heater, 14 foot hydraulic side shift blade with 2 foot extension, electric windshield wiper, and defroster, electric starter, 14 x 24 tires all wheels, boost & steering, direct drive transmission, operating weight not less than 22,000 pounds, fully equipped and ready for operation, hour meter, lights, f. o. b. Hereford, Texas.

Less trade-in: Precinct No. 1 - 1 Caterpillar No. 12 Motor Grader, Serial No. 992270; Precinct No. 3 - 1 Gation 118 Motor Grader, Serial No. 118-6-0298.

The trade-ins may be examined at the County Barn in Precincts Numbered 1, 2, and 3, respectively.

SUCH PROPOSALS will of the same time he publicly opened and read before the Commissioners' Court and then be reviewed by the County Auditor, who shall make a report to said Court before 10 A.M. on the 11th day of November, 1970, at which time the Court proposes to accept or reject bids on such machinery.

A CERTIFIED CHECK or CASHIER'S CHECK in the amount of five per cent (5 percent) of the amount of the bid must accompany each bid.

IT IS THE INTENTION of the Commissioners' Court to pay all or a portion of the purchase price of such road machinery by the issuance of and delivery to the proper contractor or contractors the legally issued time warrants of said County, bearing interest at a rate not to exceed SIX PER CENTUM (6 percent) per annum. Payable annually or semi-annually, which said warrants shall not exceed the principal sum of FORTY-FIVE THOUSAND DOLLARS (\$45,000), and the principal of such warrants shall be payable serially, the maximum maturity date to be not later than December 31, 1976.

The County has made arrangements for the contractor or to dispose of such warrants herein mentioned at par value thereof and all bidders shall be governed accordingly unless the bid is conditioned upon the receipt of warrants in payment of the contract without an obligation to assign them.

THE COUNTY reserves the right to reject any or all bids and to award contract to that bidder who, in the opinion of the Commissioners' Court, offers the proposed to the best interest of the County, and the right is further reserved to waive all technicalities.

ALL BIDS will be retained by the County and will not be returned to the bidders.

H. C. Williams County Judge, Deaf Smith County, Texas T-42-3c

Deputy Leader Pays Official Visit To Eastern Star Chapter

The official visit of Mrs. Mary N. Henry of Happy, deputy grand matron of District 2, Section 3, Order of Eastern Star, was paid to the Hereford OES Chapter Tuesday evening, when 55 members were present at a salad supper in Masonic Hall. Mr. and Mrs. Jack Nunley, Mrs. and Mrs. O. R. Sanders were hosts. Special guests with Mrs. Henry were Mrs. Willie Butler and Mrs. Nora Taylor of

a table decorated with Mrs. Roberson's chosen flowers, daisies. Announcement was made that Friendship Night will be observed Oct. 24 when visitors from neighboring chapters will be entertained. Named on the hospitality committee were the J. B. Nolands, Pat Hughes and Marvin Coffeys.

Mississippi and Mississippi State football teams this season. All games will be played at night. Tulsa has 11 football games this fall, nine of them at night.

OEA Officers Installed

Office Education Association (OEA) officers for 1970-71 were installed in ceremonies Monday night in the Vocational Office Education (VOE) department at Hereford High School.

Janie Reinart, former VOE student, was installing officer. Officers or the new year are Cynthia Boren, president; Sandy Trevino, vice president; Karen Kendrick, secretary; Mary Garcia, treasurer; Michelle Beckman, reporter; Gay Womble, historian; and Lucy Perez, arliamentarian - sergeant - at - arms.

Coordinators this year are Mrs. Elizabeth Wills and Mrs. Pat McDonald.

In business the club voted to buy a camera for coverage at club activities and projects.

Following the meeting the group made flowers for their float entry in the upcoming homecoming parade.

Patriotic Music On Club Program

Rousing patriotic songs familiar to Americans made up the program of Dawn Music Club Tuesday afternoon, when Mrs. Alfred Smith and Mrs. Jerry Haley were hostesses in Dawn Community Center.

Two-piano renditions were featured. Mrs. Robert Strain and Mrs. Clarence Betzen played the Marine Hymn, Mrs. R. T. Stewart and Mrs. Carl Wimberly the traditional U. S. Navy song, Anchors Aweigh.

Mrs. Jerry Parker and Mrs. Haley the Battle Hymn of the Republic.

A solo piano arrangement of America was played by Mrs. Betzen. This program on Patriotic American Music followed one on American music for the stage.

Mrs. Key Williams of Ballinger, mother of Mrs. Edgar Howell, was a guest at the meet-

ing. Other members present were Mmes. J. B. Caraway, R. E. Curtisinger, Roy Manning, H. V. McCabe and Sowell.

By the 13th century Angkor Thom, an ancient city in Cambodia, housed more than a million people. Behind its massive walls rose hundreds of huge statues. Broad, paved avenues linked sculptured stone terraces that led to palaces, temples, treasure houses, libraries and hospitals.

Harmon Tabs Raiders Over Miss. State

This week, for the first time in their history, the Tigers of Missouri meet the Fighting Irish of Notre Dame. Coming just a week after the tough clash with Nebraska, it will be a bit rougher for 16th-ranked Missouri.

Notre Dame, the No. 3 team in the nation, was able to breathe lightly all day Saturday in whomping Army. Notre Dame is favored by 13 points.

The Southwest Conference's annual contributions to football supremacy — second-ranked Texas and ninth-ranked Arkansas — both have the day off. Saturday is the day they were originally to have played, but the game was postponed until December to set up a national television showdown for the pair.

But Texas Tech, which rose to No. 18 in the nation with its easy, convincing 21-7 victory over highly respected Texas A&M last week, is in action. The Red Raiders play at Mississippi State and are favored by six points.

In two other games, the favorites could just as well have

the day. Arizona State, No. 14, will be a huge 37-point winner over outclassed Brigham Young and the Air Force, rated No. 11, will clobber Navy by 36 points.

Texas A&M is favored by eight points over Texas Christian and Rice is favored by 12 over Southern Methodist.

North Texas State should trim West Texas State by eight. In a Big Ten struggle between arch-rivals, seventh-ranked Michigan should roll over Michigan State by 22.

Minnesota faces a bit of a bear-cat in No. 1-ranked Ohio State. The Bucks will humble the Gophers by 21 points.

Auburn gets tougher and tougher every week, but this Saturday the fifth-ranked Tigers will have to sharpen their claws. Georgia Tech, smarting after its first loss of the season, is ready to upset anybody. Auburn happens to be in the way. The Tigers are favored by 17, but...

In the Big Eight, Nebraska's sixth-ranked Cornhuskers will crumble the Jayhawks of Kansas by 22 points, and Colorado, No. 8, should hand Okla-

homa its third loss of the season. The Buffaloes also are favored by 22 points.

With a power quotient of 114.9 the Mississippi Rebels are now ranked fourth in the nation. And Southern Mississippi won't be able to do much about lowering that rating. Mississippi to win by 38 points.

Facing west, Stanford's Indians pow-wow with Washington State, and Southern Cal hosts Washington. Stanford ranks 12th, the Trojans, 13th. The Huskies will lose to Southern Cal by 17, and Washington State will have to dig out from a 28-point barrage from Stanford.

Tenth-rated Tennessee is favored by just one point over 17-ranked Alabama.

In this weekend's pro games, the Minnesota Vikings should humble the Dallas Cowboys by two touchdowns, and the Houston Oilers should shade Terry Bradshaw and the Pittsburgh Steelers by a point.

The New York Jets lost to the Miami Falcons by two touchdowns last weekend, so Baltimore should be able to handle the Joe Namath crew by at least seven points this week. Los Angeles' Rams should beat the Green Packers by 10 points.

Gorman Shines In Picador Win

Defensive tackle Tony Gorman of Hereford was one of two players who led the defensive effort in the Thursday 24-6 victory by the Texas Tech Picadors over the Arkansas Shoats, the Texas Tech student newspaper reported Friday.

The Tech freshmen ran up a total offense of 553 yards against the Shoats in Little Rock Thursday on a rainy and windy night.

Arkansas, except for its one touchdown, was kept in its territory the entire game by Gorman and his co-hosts.

The Tech offense is led by quarterback Jimmy Carmichael and runningback Joe Barnes, who were the two top-rated high school players in the state a year ago.

Gorman was an all-state tackle last season for the Hereford Whitefaces.

PRACTICE ADDS POLISH — Final polish is being put on the Community Players comedy, Dear Delinquent, to ready it for opening night Friday in the Little Bull Barn Theatre. Curtain time will be at 8 p.m. that night and Friday, with tickets priced

at \$1.50 for adults and 75 cents for students. Bessie Lee Wood, director, in photo at left, talks over a scene with Bruce Futrell, who is playing the male lead as David Warren, London bachelor whose troubles begin when he catches an attractive girl

burglar in his flat and decides it is his duty to reform her. With backs to camera are Lana Weyerman, left, playing Warren's wealthy and rather stuffy fiancée, Helen, and Carole Byars as the intruder, Penelope Shawn. Mrs. Byars, center photo,

is having a grim moment in a scene with Juanita Owen as David's mother, Lady Warren, while David, left photo, strikes a confident pose under the skeptical eye of his proper British manservant, Wilkinson, enacted by Orval Watson.

How To Accept Today's Problems

A book so inspiring and rewarding that copies have been given to more than a thousand persons by friends who found it helpful with today's problems, can now be found at the Deaf Smith County Library. Check into it today.

TRY GIVING YOURSELF AWAY

BY David Dunn
Since David Dunn's inspiring book was first published the world has come upon troubled times. Men and women everywhere are looking for the faith and courage to meet today's sobering problems and responsibilities.

Knowing the author to be a man uncommonly sensitive to human needs, we approached him with a suggestion: "The wise philosophy and the hopeful spirit of your books are just the tonic all of us need in these troubled times."

But it was originally written for the simpler life of yesterday. Since then men have walked on the moon! Wouldn't you like to update it to fit today's world?"

"I would, indeed!" was David Dunn's prompt reply. This Third Edition is the result. It is geared to today's and tomorrow's problems, obligations and opportunities, with a dozen inspiring new chapters

An Oklahoma oil man was so enthusiastic about the book that he kept giving copies to business associates, relatives and friends until he had given away over 500 copies.

The Police Department of an Eastern city bought copies for its uniformed men as an inspiration to finer public relations in their line of duty.

A priest in New England was so impressed with its philosophy that he gave a copy to each of the 150 workers in his diocese.

A nationwide merchandizing organization ordered 164 copies for its branch managers and field auditors.

A Connecticut Manufacturer presented copies to his entire sales organization—"because it will make them happier men and better salesmen."

In a broadcast devoted to Try Giving Yourself Away, Dr. Preston Bradley, the famous pastor of The People's Church of Chicago said: "A little book came my way early last month that has been a great experience in my life. . . I want everybody hearing my voice to get hold of it during this coming week and read it. . . You will thank me for bringing it to your attention."

his aim."

So begins a new suspense series featuring one of the most unlikely partnerships in fiction—Benjamin Lincoln Shock, a tough ex-cop fired off the force; and Charity Tucker, a former TV newsgirl with a computer for a brain, and an unreasonably wonderful body.

Surrounded by clannish hill people, by the strange members of the Unknown Tongue religious sect, and by unidentified killers whose weapon is fire and

brimstone, Ben and Charity fight to save the lovely girl marked for elimination by the combined forces of superstition and greed.

The action ranges from the excitement of a Kentucky race track to the coiled horror of a snake farm high in the hills; from the challenge of a Faith Leader who calls himself Blind Judd to the strange, moving experience of a Kentucky wake.

Come - - meet Ben and Charity. You'll be glad you did.

BUY DOGS

HILLINGDON, England — Primary school pupils here have raised over 1000 pounds (\$2,400) in the past 13 years to buy guide dogs for the blind.

The pupils of Colham Manor Primary School have raised the money by collecting milk bottle tops and aluminum foil to sell to a nearby smelting factory. The dogs cost 250 pounds (\$600) each to buy and train.

Delinquent, the three-act play to be staged at 8 p. m. Friday and Saturday in the Little Bull Barn Theatre.

The frothy plot is concerned with a young man-about-London who attempts to reform a burglar, feminine and quite pretty, who is caught in his flat.

Carole Byars is the girl, Penelope Shawn, and Bruce Futrell the bachelor, David Warren. Together they handle most of the fast-paced dialogue.

In supporting roles are Donald Henslee Penelope's father, Henry Shawn, also a burglar, proud of his profession and hopeful that his daughter will follow it; Orval Watson as Wilkinson, Warren's loyal servant who is unwillingly involved in deceiving members of his family, and Detective Sergeant Pigeon, played by Michael Graham.

Also there are Lana Weyerman as Helen, Warren's stiff-minded fiancée who has money that he needs; Juanita Owen as

his tolerant titled mother and John Claypool as his uncle, Sir George.

Most of the actors are new to Hereford stages, although several are backstage stalwarts in the Community Players. Mrs. Byars has appeared in Players' productions since the first Blith Spirit, in which she was the wacky medium, Mme. Arcati.

Most recently she played the divorced husband's fiancée in Mary, Mary, and was previously a prim British miss in Charley's Aunt.

Mrs. Weyerman made her Hereford debut as a much-married jet-setter in The Curious Savage last April. She had Little Theater roles in another city before moving here.

Futrell is a West Texas State University student with school dramatic experience. Father Michael Graham is known to audiences here as a pulpit speaker and teacher in his work as

assistant pastor of St. Anthony's Catholic Church. He has acted in college plays.

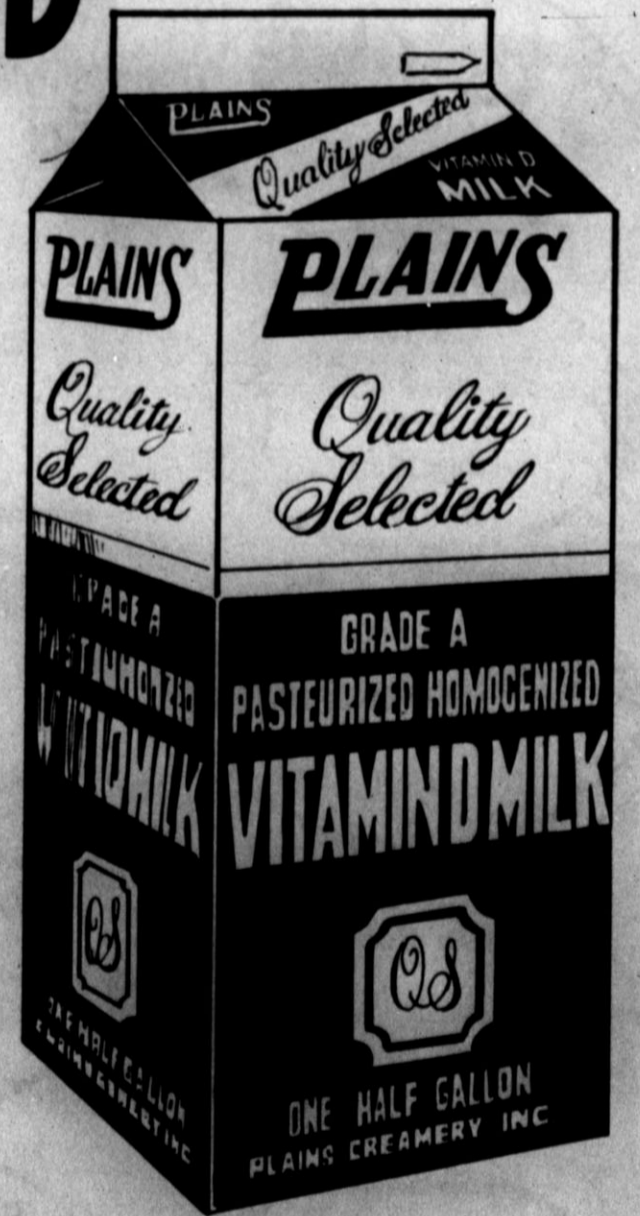

Henslee's last previous acting was in his senior class play, he says, and he had parts in several productions as a Hereford High School student some year ago.

Mrs. Owen, Watson and Claypool have been among the most active offstage Players since the group was formed here two years ago and have all served on the board of directors, Waed a one-act play and has headed stage crews.

Directing Dear Delinquent is Bessie Lee Wood, who was co-director of Charley's Aunt played the leading role in The Curious Savage and has helped in the staging of almost all Community Players efforts.

Assisting her is Ruth Koelzer, a junior at WTSU currently enrolled in a play directing course.

HOMES TOUR HOSTESSES — Mrs. Taft McGee, at left with her granddaughter, Robin Ann Hopper, daughter of the Dave Hoppers, is mistress of one of the four homes to be open in the annual fall tour and flower show which Garden Beautiful Club will sponsor Friday afternoon as a benefit for its community projects fund. Club members will assist the lady of the house as hostesses on each stop of the tour, set for 2 to 6 p.m. Mrs. Don Robinson, right, is chairman of the ways and means committee which is arranging the tour to homes of the T. E. Braddys, the Edwin Axe family and the N. D. Bartlett as well as the McGees. Flower arrangements will be created by club members for specified places in each home. Visitors may begin the tour at any of the homes, buying tickets there for the remainder. The event is being held this year in cooperation with the Community Fine Arts Festival sponsored by the Chamber of Commerce Women's Division.

Also a part of the Festival program is the Community Players' presentation of a three-act comedy, *Dear Delinquent*, at 8 p. m. Friday and Saturday in the Little Bull Barn Theater. Completing the weekend schedule is a homes tour and placement show of flower arrangements sponsored by Garden Beautiful Club from 2 to 6 p. m. Friday. Tickets are available from club members, or may be purchased at any of the four homes.

Young, Old Have Part In Arts Festival Show

Older and younger residents of Hereford will both be represented by their work in the arts and crafts show which is a feature of the Community Fine Arts Festival this weekend.

Pupils of the two junior high school art departments will have displayed and so will members of the arts class at Kings Manor retirement home.

These will be in conjunction with Hereford Art Guild and Ceramic Arts Club exhibits in the Little Bull Barn, opening Friday afternoon. The show will be free, with the public invited from 2 to 8 p. m. Friday and Saturday, 2 to 6 p. m. Sunday. Another exhibit open from 3 to 6 p. m. Saturday and 2 to 6 p. m. Sunday is the fall flower show of Bud to Blossom Garden Club, to be staged in the County Bull Barn, on the same lot with the Little Bull Barn.

Membership is open to any interested woman who may give as many hours a week as she wishes to this work.

Mrs. Kershen emphasizes that newcomers to this area are invited to participate, and gives a special invitation to women who have served as volunteers in other Red Cross chapters. The lunch is open to everyone, on a "go-Dutch" basis.

Red Cross Volunteers To Lunch

Red Cross Volunteers To Lunch

Red Cross Volunteers will resume monthly lunches at noon today in K-Bob's Restaurant after a two-month recess, Mrs. Andrew Kershen, president, announces.

This group of uniformed volunteers, formerly called Gray Ladies until a new blue uniform was adopted, works at Kings Manor and other places where their services are needed in the community.

Membership is open to any interested woman who may give as many hours a week as she wishes to this work.

Mrs. Kershen emphasizes that newcomers to this area are invited to participate, and gives a special invitation to women who have served as volunteers in other Red Cross chapters. The lunch is open to everyone, on a "go-Dutch" basis.

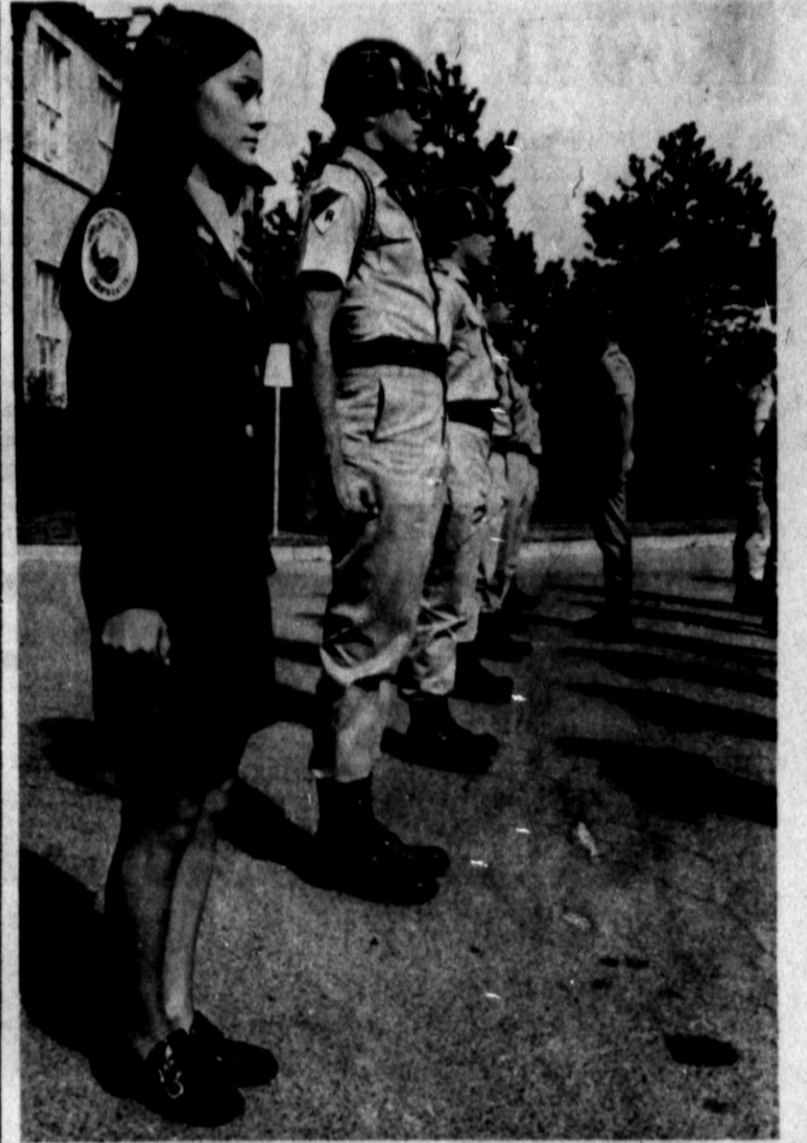

Visitors may begin the tour at whichever of the open homes he chooses. They are the T. E. Braddy and N. D. Bartlett homes in the town house at 535-537 West 15th, the Taft McGees at 149 Mimosa and the Edwin Axe place west of Hereford on Harrison Highway.

Sales as well as display of work will be a part of the arts and crafts show, in the annual custom of the Art Guild. Their part of the show is open not only for members' work but for all artists and craftsmen of this area who wish to display creative pieces.

Exhibits of the students will be arranged under direction of their teachers, Jon Birdsong of Stanton Junior High and Mrs. O. Wertenberger of LaPlata. Mrs. Wertenberger is also the instructor at Kings Manor, where a number of residents paint as a hobby and others produce handcrafted articles. She teaches china painting techniques as well as painting in oils, watercolors and other media.

Along The Frio

By MRS. OWEN ANDREWS
Brand Correspondent

The James Dobbs home was the scene of a "Housewarming" Monday afternoon. Mrs. David Vandell, Mrs. Harvey Manion, Mrs. Ralph Yerby, Mrs. Richard Price, Mrs. Earl Harkins, Mrs. Floyd Cole and Mrs. Clark Andrews were hostesses for the occasion. The home, a gray brick, three bedroom one is in

Summerfield. About 40 ladies came for the party.

Mr. and Mrs. Clint Ward, Kay Lynn, Jerry and Ronnie, Mr. and Mrs. E. C. Barber, Mr. and Mrs. Bill Barber attended a gathering of the Ward relatives at the Church of the Brethren, in Clovis, Sunday. They had lunch at the church, after the morning church services, and then gathered at the

Ernest Ward home, at Clovis for further visiting.

Mr. and Mrs. Clark Andrews went to Denison Friday to attend funeral services for her aunt Mrs. Nora Allen, who passed away Wednesday night. Mrs. Allen was a sister to the late Buck Berryman.

Mrs. G. W. Parker went to Ardmore, Okla., Monday to visit a sister, Mrs. Flora Wallace for several days. Their sis-

ter, Mrs. Dovie Isbell met Mrs. Parker at Wichita Falls, to go with her to be at Mrs. Wallace's home also.

Mr. and Mrs. Leon Williams, of Orange, Calif., were here this week visiting her mother, Mrs. Laura Littrell, and others of the relatives. They all, with W. H. Andrews, went to Clovis and Melrose Wednesday to visit relatives there. Mrs. Williams is the former Cieta June Littrell. She and Williams are former

Mrs. Sam Ogan gave a review of the study book "Sound of the 70s" to a Baptist Women's residents here.

group at First Baptist Church, Dimmitt, on Tuesday.

Gene Robbins has been staying with her grandmother, Mrs. F. Y. Moreman, this week, while Mr. Moreman is in the Hereford hospital. He underwent surgery on Thursday and was recovering nicely.

Mrs. Floyd Cole and Mrs. Tommy Sparkman went to the First Baptist Church in Amarillo Tuesday to attend a leadership suty for Acteen - A girls youth organization of the church

Mrs. Earl Harkins visited an uncle, Claude Payne, at Floydada Hospital Tuesday. He is seriously ill. She also visited other relatives in the area.

On the Portuguese island, Sao Tome off the west coast of Africa, chocolate sweetens life. There cacao is the main cash crop. A chocolate factory on the island roasts the beans and shatters them into fragments. This process generates enough frictional heat to liquefy the cocoa butter, creating a chocolate liquor. Poured into molds and allowed to solidify, the liquor becomes the unsweetened or bitter chocolate that housewives use in baking.

In life or in death a man reaps the result of 'his Aim.' We counsel 'raise your sight' or, 'lengthen your horizon', or, 'set your self a goal.' So much depends on 'the aim you take.' Your family, your community, your school and your church will benefit or suffer from 'The aim You Take.'

This is the day of decision, of action. Many have dallied too long. You may choose light, or darkness; honor or shame; pleasure, or pain; life, or death! You cannot travel the wrong road and reach the right end! Jesus said, "I am the way!" Attend church regularly... take the 'Right Aim.'

Courses Offered Beef Producers

Beef producers in Texas aren't passing up any opportunities to increase the efficiency of their operations, including the use of newer practices in breeding and handling of their cow herds.

Because of the increasing interest in and requests for training in the use of two practices, artificial insemination and pregnancy determination, the Texas Agricultural Extension Service is sponsoring along with American Breeders Service two short courses for those who will use the information in their own operations.

John R. Beverly, Extension animal reproduction specialist, said the short courses would be held October 26-30 at San Angelo and November 2-6 at Hockley, near Houston, Beverly added that this is the first time in Texas as for this type of training which will be in depth.

Aside from the actual field training in AI and pregnancy determination, participants will be given detailed information on breeding herd management, including nutrition, disease prevention, selection and records. They will receive a handbook covering the subjects taught.

HEAVY LOAD—Take a heavily loaded beet truck and an alley with an underground trench and the results can be hazardous as shown in this picture. The truck was being driven down an alley between Higgins and Norton Streets Friday when it apparently moved across a washed out tunnel under the ground and tipped over, spilling beets everywhere.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

In Foreign Language Classes

Recorders, Films, Tapes, Songs Are New Way To Teach

By CHARLES RICHARDS
News Editor

School is getting farther and farther from what it used to be, Hereford School Board members observed last week, but they agreed the changes are for the better.

They received a 30-minute presentation at their board meeting Thursday night on the methods being used to teach foreign language in Hereford schools.

The directors of teaching in each of the four languages offered in the system alternated in showing various techniques and material available to help the students grasp a foreign language.

Helen Rose represented the Latin department, Rene Batard the French department, Helen Young the Spanish department and Lois Laubhan the German department.

"We have probably the best foreign language team of any school in the Panhandle. In offering French, Spanish, German and Latin this is pretty good for a school of this size," Robert Holman, assistant superintendent of schools, said in introducing the four to the board.

The presentation included a brief lesson involving the board itself. Mrs. Young had the trustees repeat simple Spanish dialogue as she pointed to a four-part illustration. There were embarrassed grins at several places as they faltered in the middle of a Spanish sentence.

Batard showed a filmstrip similar to those that foreign language students frequently see, featuring dialogues among people. He told the board of other filmstrips built around a humorous theme and employing a continuing story from one filmstrip to the next.

The teachers also help the students in translating songs, such as the high school fight song, into other languages and in working up their own skits.

"All of our languages are taught with the new aural-oral techniques of teaching. All the various techniques utilize the students' involvement in the class. With the use of records, tapes, filmstrips and oral drills, the students can be exposed to a great deal of the language," said Mrs. Rose, spokesman for the teachers.

"This is the type of work our students are doing. Their translations turn out pretty comical sometimes, but we try to laugh with them instead of at them and the result is a relaxed atmosphere. The students are very proud when they can sing the Hereford High School fight song in French. They also do it

in Latin, German and Spanish."

"The things my students enjoy most is singing," said the German teacher, Mrs. Laubhan. "Friday is fun day. They use whatever they've learned and make their own conversations. Last year we had a Laugh-In in German and there were some interesting results. It allows them to use their creativity."

"They use a 'soft-sell' approach in their teaching. 'Some students are reluctant to speak out,' Mrs. Young said. 'You don't press them, you just go on to someone else and keep coming back to them, and finally they start coming along.'"

The board also got an indication of the foreign language training in European countries. "It is not perfect, but they are far ahead of us," Batard said, speaking of the way the languages are taught in other countries.

"In Europe, students are required to take their first foreign language in the sixth grade and a second in the 10th grade. When one graduates from high school, he knows his own language fluently, of course another language almost fluently, and a third language very well," said Batard, a former exchange student from France to Hereford who returned here to teach and live.

Foreign students often become almost as fluent in the third language as in the second, despite far less time spent on it, he said, "because after you learn one foreign language fluently it becomes easier to learn another language." By the time a French student, for example, graduates from high school, he has had seven years of one foreign language and three years of another. Some have training in even more languages.

Gaby Lotner, an exchange student now here from Germany, speaks German and Italian fluently and French and English well, Batard said. Sam Aydin, exchange student from Turkey, knows French fluently as well as English.

Holman said he feels the earlier a foreign language could be taught to children, the better they would learn it. But scheduling extra classes in junior

high is harder here than in foreign countries, he said.

"If we ever can work such things as electives in on the junior high level, I think this would be good," Holman said. Someone else observed that students in Europe are not involved in extra-curricular activities as they are in America, and that many European students go to school six days a week.

Medical Auxiliary Sets Annual Project Starts

Entertainment of the state president of the Texas Medical Auxiliary, Mrs. Eugene Schoch, who will visit here Friday, was planned by Hereford Medical Auxiliary at its October meeting Monday in Mrs. D. E. McBrayer's home.

A luncheon in Hereford Country Club will honor Mrs. Schoch, who is paying visits to auxiliaries composed of doctor's wives around the Panhandle area.

Start of the annual Project Christmas Card campaign was another item discussed at the Monday meeting.

This is the Auxiliary's big effort each year, a project to

Hill, Mrs. Danny Goolsby 10-8. John Frank Martin, Damacio Cortina, Albert Mathis, Mrs. Jack Harrell 10-7.

raise money for needed equipment in Deaf Smith County Hospital and also to provide a scholarship for a Hereford High School graduate who will be come a nursing student.

For this fund, the Auxiliary asks each area resident to contribute the amount of money he would spend on cards and postage to send Christmas greetings to friends locally. The Auxiliary then conveys his holiday wishes in a full-page greeting published in the Hereford Brand Christmas edition.

Canisters with gaily holiday decorations are set up in Hereford banks, the hospital lobby and food markets to receive contributions. All the Auxiliary members will also accept money for the project.

The funds buy equipment of various kinds needed by the hospital but not available under its budget. Such different items as kitchen and operating room equipment and furnishings for children's rooms have been given in past years.

COSTLY ILLNESSES
LONDON — Arthritis and rheumatism cost British industry 190 million pounds (\$456 million) a year in lost production, the Arthritis and Rheumatism Council reported. It said absences resulting from the diseases have increased 27 per cent in the past six years with men losing an average of nearly three workdays a year in some parts of the country.

Letter To The Editor

Dear Editor,
I realize this issue involving the county hospital and the baby who died will evoke more letters than can possibly be printed. Regardless, I feel I must write this letter.

I am so sorry for the baby's family. There is nothing that touches me more deeply than the death of a child unless it is possibly the thought of the environment in which some children live.

I do not see how the hospital or the doctors here can be blamed for this unfortunate incident. From personal experience I consider Dr. Johnson to be most competent and conscientious, especially when children are concerned. I am not qualified in any area of medicine but I do believe that if Dr. Johnson said the baby was neglected and starving that it is medically correct. My only complaint here is that the case was not referred to the welfare department before the baby died. I believe this sort of neglect of children happens many, many more times than the citizens of our town realize.

Mr. Jiminez said this family has ten children living and therefore know how to care for children properly. The quantity of children does not prove the quality of care given by the parents. If they take the children to doctors and do not heed the advice given them the doctors are not to be blamed for continued illness.

I agree it is most unfortunate that people live in the labor camp. It is inconceivable how they do live. It is our job to

educate these people about nutrition, hygiene, and birth control but they have an obligation to employ the advice and help given them. Dr. Johnson is, as we all are, concerned with these things but no one can help people who will not help themselves.

Why have we not heard from the parents? Did they draft Mr. Jiminez as their spokesman or did he take it upon himself to make "all the facts" known?

Again I am sorry for the family. I am also sorry for Dr. Johnson because I am sure he is as concerned with the baby's death as anyone, but he cannot perform miracles. Sometimes it takes something this tragic to wake people to realize that we have a duty to help our fellow citizens so that they may rise above.

Thank you,
Mrs. Terry Kosub

SUN-PROOF®: FOR THE HUSBAND WHOSE IDEA OF "GETTING OUT" DOESN'T INCLUDE PAINTING THE HOUSE.

Your wife says, "Paint the house before you do anything else this summer." So what do you do? As little as possible.

That's why you need Sun-Proof Latex House Paint. It does as much as possible.

To begin with, it normally allows you to skip priming completely. Further, it stretches and shrinks with your house. Which eliminates cracking and peeling. Also, a special paint film resists air pollution, smog, and mildew. This all means that your paint will last up to four years longer. So you spend less time painting and more time relaxing.

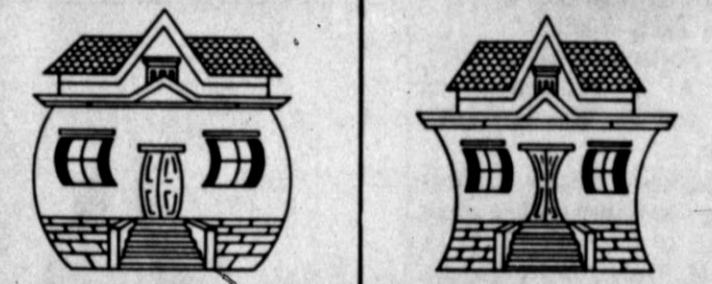

SUN-PROOF... the husband's easy way out.

PITTSBURGH® PAINTS DO MORE SO YOU NEED TO DO LESS.

YOUR HOUSE

STRETCHES and SHRINKS

SO DOES OUR HOUSE PAINT!

That's why it lasts longer...

Your house actually stretches and shrinks with variations in temperature and humidity. It's this expansion and contraction that often causes house paint to work loose, crack and peel.

PITTSBURGH PAINTS new SUN-PROOF® Latex House Paint stretches and shrinks with your house... this flexibility enables it to resist the cracking that ruptures an otherwise sound paint film. It has four times the stretch power of other latex paints, and it resists fume staining and discoloration. Available in a wide choice of attractive outdoor colors. Landers Honored On Anniversary

Mr. and Mrs. Joe Landers, residents of the Hereford area since 1925, were honored on their 50th wedding anniversary Sunday with a reception at their home in West way community. Hosts were their children, Mrs. W. B. Nunley and Roy Landers of Hereford and Ross Joe Landers of El Paso, with

Mr. Nunley and Mrs. Roy Landers. Other family members assisting were Mr. and Mrs. Guy Lawrence, Mr. and Mrs. Forrest Ricketts, Janet, Jeff, Sara, Celia and Dan Ricketts; Mr. and Mrs. Benny Cooper and children, Melissa and Chris of Lubbock.

Guests numbering 119 registered in the book where a grandson of the couple, Gary Landers, presided. Miss Lola Gunn, daughter of Mr. and Mrs. R.M. Gunn, late long-time residents of Deaf Smith County, and Joe Landers were married at Schoolton, Okla., by an uncle, the Rev. Ellsha Skaggs.

When they moved to Hereford a few years later their next-door neighbor was Mrs. D. H. Bryant; she was a special guest at the reception Sunday.

Mrs. Cooper poured coffee and Miss Janet Ricketts served the triple-tiered anniversary cake from the table where the Landers had eaten their "in-fare" dinner the day after their wedding in the home of the

bridegroom's parents, as was customary in the south at that time.

The lace cloth was the one used at the golden wedding anniversary reception of Mrs. Laners' parents. It was laid over a gold cloth and centered with white daisy mums in a gold epergne with gold and white tapers. Kathy Lewis of Olton and Sara Ricketts assisted in serving.

Red roses filling a crystal pitcher in the living room were wired with congratulations from a grandson in military service in Viet Nam, Ricky Nunley. Mrs. Landers wore a white orchid corsage as she and her husband greeted callers.

Out-of-town guests included the Ben Harrisons and Mrs. Eula Madole of Clovis, N.M., Mr. and Mrs. P. H. Gilliland of Amarillo, the Audley Duncans of Sentinel, Okla., the Joe Wagons of Dumas and Joe Bob Wagons of Stratford.

Also Mrs. Bill Drake of Van Horn; Mr. and Mrs. Ike Wilcox, Rick, Sheila and Ginger Wilcox of Dimmitt; the S. S. Howells and daughter, Barbara Sue, of Canyon; the Herb Schmidts, Tommy Schmidt and Marilyn Davis of Hartley, Bill Eubanks of El Paso, Mr. and Mrs. Walter Lewis and sons, Gordon and Keith, of Olton.

Ceramic Art Done For Show

Teams began for new officers in the Ceramic Arts Club at a recent meeting in the home of Mrs. L. W. Norvell. Mrs. J. W. Stengel is the 1970-71 president.

Mrs. Novell is vice president, Mrs. Joe Kendall secretary-treasurer, Mrs. Ray Carille reporter and Mrs. O. H. Culpepper historian.

Three new members were welcomed at the meeting as yearbooks for the coming season were distributed.

Work was done on ceramic pieces to be placed in the club display at the Arts and Crafts Show this weekend in the Little Bull Barn, one phase of the Community Fine Arts Festival.

The new members, Mrs. Bobby Ferguson, Mrs. Marcel Fischbacher and Mrs. J. E. Sorrells, were present with Mrs. W. C. Hromas and the officers.

Rogers Training In W. Germany

Airman First Class Joe D. Rogers, son of Mr. and Mrs. Joe P. Rogers of 520 Avenue I, Hereford, is participating in a massive NATO training exercise in West Germany.

Airman Rogers is an electronics systems specialist on the Holloman AFB, N.M., team supporting F-4 Phantom aircrafts flying in the month-long maneuver — the second in a projected series of exercises being held as part of the U. S. contribution to increase NATO readiness.

Ninety-six Phantoms, based at Holloman and Mountain AFB, Idaho, but still committed to NATO, made the transoceanic flight with mid-air refueling. The fighter-bomber crews, redeployed to the U. S. from Germany in 1968, are operating from their former home stations at Hahn, Spangdahlem, Bit-

burg and Ramstein air bases. Approximately 2,400 Tactical Air Command aircrew members and support personnel are taking part in the exercise.

He is a member of the 40th Tactical Fighter Wing at Holloman.

Airman Rogers is a 1966 graduate of Hereford High School and attended West Texas State University.

Lunar eclipses occur when the orbits of the Earth and moon line up approximately in the same plane, and the moon swings into the 900,000-mile shadow thrown by the earth. When the moon merely grazes this shadow, a partial eclipse occurs, but when the entire moon passes into the shadow it is totally eclipsed.

FIREMEN ON CALL
ROME — When a fire engine races through the streets of Rome it's 2-1 the destination is not a fire. The firemen are on call for almost every emergency, from rescuing treed cats to opening apartments for people who have lost a key. Rome had nearly 6,000 calls last year; about 2,000 were for fires in the city where Nero fiddled to the

flames in the year 64. "Big fires are rare," says Col. Michele Stella, a fire chief. "I only remember a few in the 20 years I have been here. And I don't remember anyone dying in the big fires in the Rome area." Most buildings are of brick, stone and marble.

San Diego State will play all football games this season at night.

Save \$3 on a complete CFS soil test!

Does a bargain interest you?

Then clip the certificate below. It's worth a \$3 discount on a complete CFS soil test at your CFS Crop Advisory Center.

All you do to cash in is give us a call. A CFS Crop Advisor comes out, takes samples from each field. We send the samples to the CFS laboratories for a complete analysis—soil pH, availability of nitrogen, phosphate and potash, deficiencies of all the critical micro-nutrients... also test for organic matter and soil texture.

CFS Crop Advisors then outline a fertilizer and herbicide program for the crops you intend to grow — show you what fertilizer and herbicide to apply and when to apply it for best results. The plan also shows how to

adjust soil pH to make nutrients more readily available to growing plants.

Sound like a good bargain? It is — particularly when you see the results you get! Call us today. Offer ends January 1, 1971.

SOIL TEST DISCOUNT

Redeemable at rate of one certificate per sample

This certificate applicable to complete CFS soil test only, redeemable at your local CFS Crop Advisory Center.

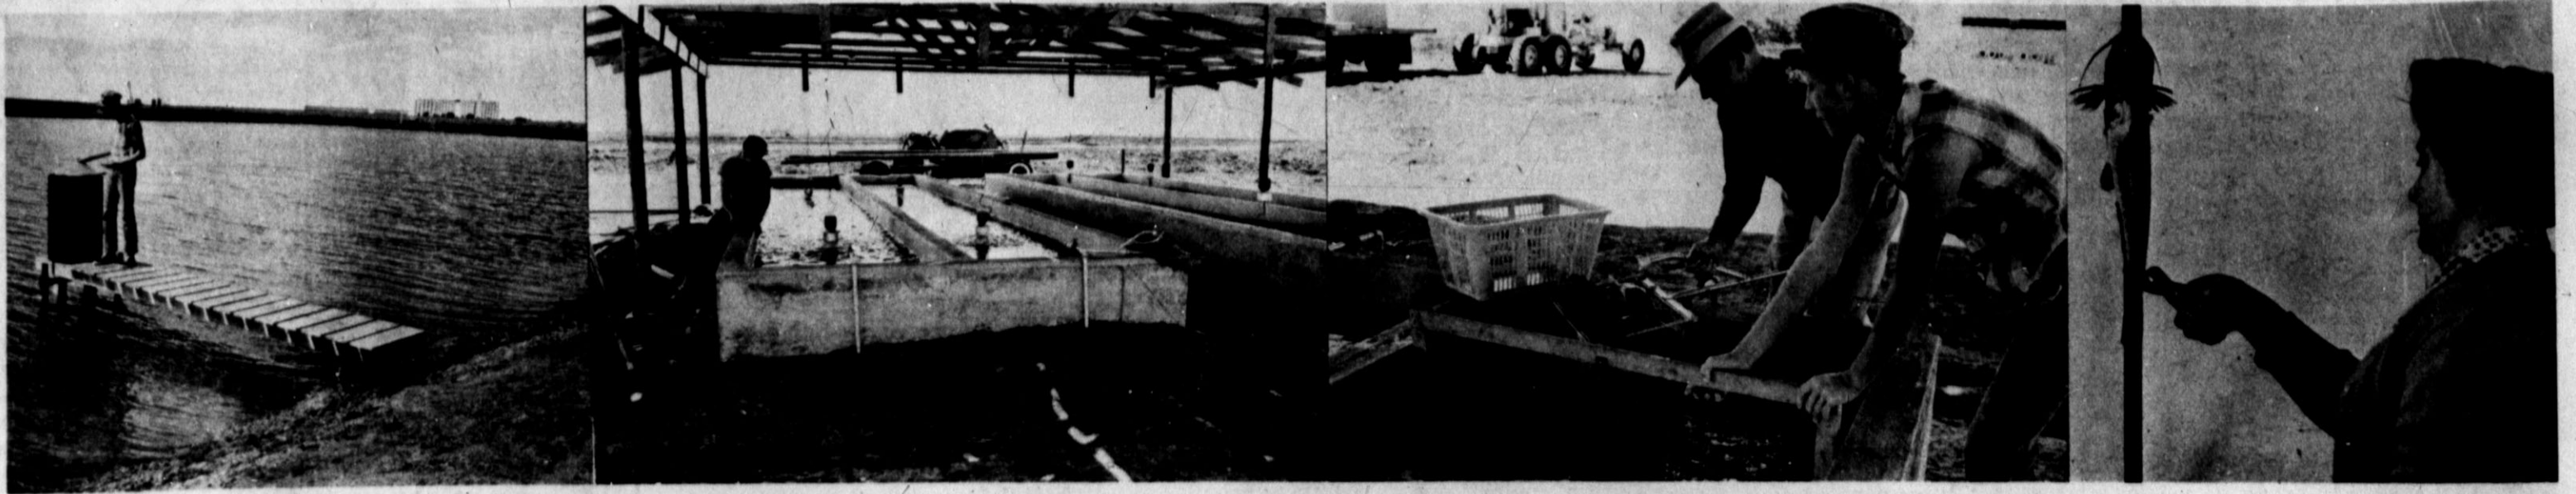

Complete soil test includes nitrogen, phosphorus, potash, calcium, magnesium, sulfur, manganese, zinc, also soil pH, texture and organic matter and, if desired, test for boron.

FISH FEEDER—Steve Stone, above, demonstrates the automatic fish feeder which serves the fish in the largest tank at the Stone's fish farm. The Black elevators can be seen in the background.

FULL OF FISH—Greg Stone, 13, watches the fish in the cement vats. Two agitators in each container provide needed oxygen for the fish. A recent "football injury" required Greg's using the crutch seen at the extreme left of the picture.

A FINE CATCH—Travis Stone, left, and son Steve, are shown netting a catch of fish for a customer. The average size is two to three and one-half pounds, but Stone says that even six-pounders have been caught.

MOM WORKS TOO — Mrs. Stone helps with the new family endeavor. A special building is equipped with the equipment for cleaning the most of the fish purchased.

Area Farmer Tries Luck With Fish

By BETTY KOELZER
Staff Writer

Cattle by the acre is not an unusual sight in the High Plains, and now "fish by the acre" is gaining its renown.

Travis Stone of the Black community ventured into this business recently after reading about such enterprise in the Wichita Falls area.

Stone's "fish farm" is on the land he purchased 15 years ago one mile south of the Black elevators, 15 miles southwest of Hereford on U.S. 60 Co-worwers in the new undertaking are Mrs. Stone and sons Steve 16, and Gary 13.

Stone built four cement vats, 30 feet by 4 feet, where he now keeps channel catfish ready for retail sales for customers stopping by for these fresh aquatic animals.

In these vats, Stone placed 600 pounds of fish, averaging 2-3/4 pounds each, which he purchased from E. H. Blaker of Wichita Falls, a former resident of the Hereford area. These fish are ready for sale, and about 90 per cent of the sales are cleaned and dressed by members of the family in a small building near the vats which is equipped for such.

In addition to the cement vats, Stone constructed three large dirt tanks, the largest being 610 feet long by 200 feet wide, encompassing 3 & 2-thirds acres. The other two smaller tanks are 1 acre and one-fourth acre in size. In August, Stone placed 1,500 pounds of fish (averaging one-half pound each) in the largest tank, and estimates the size now to be near 1 1/2 pound average.

A barrel-type feeder automatically ejects a commercial fish chow into the water whenever the fish bump a rod that extends into the water. This method keeps the feed fresh and pre-

vents contamination of the water.

Because of getting a late start with his large stock of fish, and having no facilities to handle them during the coldest winter months, Stone hopes to sell all of his stock by the first of December. Many of the fish in the dirt tank are appropriate size for lake stocking.

During the winter, these dirt tanks will be drained, disked and aerated in readiness for restocking next spring. Two irrigation wells nearby supply the water.

The Stone family has been spending many hours in the garage constructing a 350-foot seine which will be used for removing the fish from the large tanks. Future plans of Stone's include building an enclosure over the cement tanks so the fish sales can continue throughout the year. This building would contain the cleaning and dressing equipment.

In addition to the fishery, Stone farms 616 acres of land in regular crops.
