## Muleshoe Bombs Wildcats 42-14

### Mules Rack Up Six Touchdowns

## Cotton Prospects High For County

### Harvest Seen In Not So Distant Future

Cotton bolls in this area are opening now with white showing in many of the fields.

The hot, dry weather experienced lately has been most beneficial to the cotton crops. The cotton prospects in this area, bolstered by heavy rains

in dryland areas during the past month, continue to point towards one of the largest crops in many years.

The September estimate of the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc., pegged the expected output in the 25-county area at 1,993,000 bales, up from the August 1 prediction of 1,917,000 bales. If achieved, the 1972 crop would be the biggest since 1965 when production totaled 2,301,100 bales on the high plains of Texas.

The first bale of cotton has already been ginned in Lamb County with the first bale reported at Amherst.

Dryland farmers are especially happy and expecting an excellent crop this year due to the beneficial rains earlier in the season and the hot, dry weather now effecting the cotton.

### SBA Will Sponsor Conference

The Lubbock District Office of the US Small Business Administration and the Muleshoe Chamber of Commerce and Agriculture will be sponsoring a conference entitled "What is the Future of Small Business?" at 7:30 p.m., Thursday, October 12, at the Muleshoe Chamber of Commerce and Agriculture, 215 South First, Muleshoe.

Speakers will be J. B. Hare, Management Assistance Officer, and Millard A. Townsend, Borrower Services Officer, both of the Small Business Administration Office.

The conference will be open to the public and there will be no registration fee.

Farmers are urged to attend as some of the material will apply to them. Registration blanks for the conference are available at the Chamber office and at both banks in Muleshoe.

Cont. on Page 2, col. 3

COTTON BOLLS OPENING . . . Area farmers are seeing more and more white in their cotton fields this week as bolls are really beginning to open up. The past weeks of hot, dry summer weather have opened up many bolls in the cotton fields. Predictions are that this year will be one of the biggest cotton producing seasons in many years on the high plains. The dryland crops are in excellent shape due to plentiful moisture earlier in the season and to the hot weather, the area is now experiencing.

The Mighty Mules showed what they made of Friday night as they bombed the favored Littlefield Wildcats, 42-14.

The Mules received the opening kickoff and five plays, 70 yards later, Ronnie Parker carried the ball over the goal line on an 18 yard sweep. The first TD was set up by a long ground-gaining run by David Wheat. Littlefield then got the ball and lost four yards on three plays and were forced to punt. Wheat returned the punt to the 22 yard line of Littlefield and four plays later Don Long passed to Joe Elizarraraz for a 10 yard touchdown.

Early in the second quarter, Wheat ran for a 72 yard touchdown, pushing defenders out of the way as he made his way to pay dirt.

Littlefield finally scored late in the second quarter when Leneral Lewis ran 29 yards for a touchdown with only 43 seconds remaining in the half.

But the Mighty Mules wouldn't stay put and run out the clock as Long made contact with Wheat on a 50 yard pass that set up a touchdown pass from Long to Parder from 10 yards out. The clock showed three seconds left in the half, and when the gun sounded, it was a happy herd of Mules that left the playing field with a 28 to 7 lead.

The Mules came right back

in the second half receiving the kickoff again and in 10 plays, 80 yards and five minutes, the Mules were on the scoreboard again when Long pitched out to Wheat who threw a 45 yard bomb to Joe Elizarraraz for another touchdown making the score 34 to 7. Wheat kicked the extra point to make the scoreboard read 35 to 7.

Littlefield came back and scored on a 32 yard sprint by J. E. Johnson with only 8 minutes and 54 seconds remaining in the game.

In the fourth quarter, with the Mules holding a considerable lead, Fred Locker came into the ball game at the quarterback position. He completed one out of four pass attempts with the one completed pass being to Chuck Clemmons for a 27 yard touchdown in the last three minutes of the game.

Others to see action in the fourth quarter were Billy Wimberly who ran for 17 yards; Terry Stewart who ran for nine yards; Clemmons who ran for four yards and caught a TD pass; and Jerald Bara who ran for 14 yards.

Ronnie Parker scored two touchdowns for the Muleshoe Mules, one on an 18 yard run and one on a 10 yard catch. He also ran for 31 yards in the ball game.

Long was 6 of 11 in the passing Cont. on Page 2, col. 1

## County To Benefit From HEW Grant

Fifty Texas counties, serving about 65,000 children of migrant agricultural workers, will benefit from a Federal grant of \$3,900,496 awarded to the State Education Agency by HEW's Office of Education.

Dr. George D. Hann, Regional Commissioner of Education for HEW's region VI, headquartered in Dallas, said the money comes from a 1967 amendment to Title I of the Elementary and Secondary Education Act of 1965 which provides special educational and supportive services to children of migratory agricultural workers. Nationwide, the program served some 275,000 children at a cost of \$65 million last year.

The programs are designed to try to make up for the frequently interrupted and ineffective schooling migrant children receive as they and their parents follow the crops.

The award announced represents about one-fourth the full amount—\$4,014,787—requested by the State Education Agency and approved earlier by the U.S. Office of Education. Payment of the remainder will continue in abeyance pending the appropriation of program monies. The present award, authorized under a Continuing Resolution, has been limited to one-fourth the amount allocated to the State for fiscal year 1972.

This year, the Texas State Migrant Education Program will emphasize instruction in oral language, reading, and mathematics. Oral language development will also be stressed in a new program element specially set up for 4-year-old preschoolers.

Transportation, regular meals, and medical and dental care will also be parts of the projects.

The Migrant Student Record Transfer System, a computerized, nationwide information system which became fully operational over the past year, will make it possible for the students' health and school records to follow them from school to school in a matter of hours. The computer system is operated in Little Rock, Arkansas by the Arkansas State Department of Education, where Federal funding was done about two years ago to collect data and establish the system.

The Texas counties participating in Title I Migrant Education programs this year are: Atascosa, Bailey, Bee, Bexar, Caldwell, Cameron, Carson, Castro, Cochran, Crosby, Dawson, Deaf Smith, Dimmit, Duval, Ellis, El Paso, Floyd, Frio, Gonzales, Guadalupe, Hale, Hays, Hidalgo, Hockley, Jim Wells, Lamb, Lampasas, LaSalle, Lubbock, Lynn, Midland, Maverick, Nueces, Oldham, San Saba, San Patricio, Starr, Swisher, Taylor, Tom Green, Travis, Uvalde, Val Verde, Victoria, Webb, Wharton, Willacy, Williamson, Zapata, and Zavala.

## National 4-H Week Observed Here

October 1-7 has been declared National 4-H across the nation as well as in Texas and Bailey County.

Here in this county there are three 4-H Clubs and one that is in the process of organizing. The three are the Three Way, YL and Progress 4-H Clubs, and officials are in the process of organizing one at Bula.

These 4-H boys and girls sponsored the annual 4-H Project Fair Saturday in the old Williams Brothers Office Supply building.

Many boys and girls display various articles made or grown by them and competed for the top place ribbons. After the fair, items were auctioned off and the money received went to the 4-H Clubs.

### Adult Classes Will Begin On Monday

Registration for Adult Basic Education Classes will be Monday evening, October 2, in the Muleshoe Junior High Building, Room 23, from 7:30 P.M. - 9:30 P.M.

Teachers and aides have been selected for three levels of instruction, Levels I, II, and III. In order to keep these three classes a minimum of 20 students per level should be maintained.

A minimum of 100 hours of free classroom instruction is available to anyone interested in taking advantage of this opportunity.

Level I classes are scheduled for Monday and Tuesday evenings from 7:30 P.M. to 9:30 P.M.; Level II and III classes are scheduled for Monday, Tuesday, and Thursday evenings from 7:30 P.M. - 9:30 P.M.

All interested persons are encouraged to attend the first session, October 2, and find out the details of this program.

If there are questions, please contact Tom Jinks, Director of Special Programs, phone 272-3911.

This year the theme for 4-H Week is "A New Day-A New Way". There are over 100,000 4-H members in the United States at the present time.

The three clubs in Bailey County each have a membership of about 40 boys and girls each, ages 9 to 19.

The local 4-H'ers are active in many different projects from sewing and cooking to raising livestock, farming and horsemanship.

Bailey County has two prominent 4-H Horse Project Groups, the Progress Vaqueros and YL Saddletramps. The Saddletramps Riding Club has won numerous honors riding in area parades and rodeos.

The Progress Horse Club recently hosted a 4-H Open Play Day and its members won several trophies and many honors with their horses.

The Three Way 4-H Club is also a very active club, participating in many area activities throughout the year.

4-H youths are always active with different projects and are helped by the adult leaders.

In the Three Way 4-H Club, the organizational leaders are Mr. and Mrs. Ruel Kirby and Mr. and Mrs. Homer Richardson. The project leaders are Westley Warren, horse project; Freddie Parkman, livestock; Mrs. Nelson Carlisle, foods; Mrs. Wayland Altman, clothing; W. C. Eubanks and Jim Johnson, leatherscraft, and Mrs. Freddie Parkman, arts and crafts.

At YL, Mr. and Mrs. Doyle Eubanks are the organizational leaders and are assisted by Mr. and Mrs. Norman Head and Mr. and Mrs. Gene McClain. Project leaders are Dan Throckmorton, lamb and sheep project; Mr. and Mrs. Jack Bartsch, horse project; Mrs. Jay Harbin, Mrs. Dan Throckmorton and Mrs. Butch Vandiver, foods; Joe Harbin, electricity; tractor maintenance, Marshall Head; and Mrs. Jack Bates, photography.

Mr. and Mrs. Ben Roming are the organizational leaders for the Progress Club assisted by Mr. and Mrs. Ernest Ramm. Project leaders are Mrs. Cur-

by Brantley, bicycle care and safety; Mrs. John Gunter, clothing; Mrs. Buddy Black, Mrs. Jimmy Presley, Mrs. Joe Rhoades and Mrs. Bobby Henderson, foods; Ernest Ramm, swine; George Wheeler, other livestock; Mrs. Gordan Murrah, arts and crafts; W. T. Watson and Joe Dan Jones, tractor maintenance; Joe Sooter, riflery; and Curby Brantley, rabbit project and woodworking.

During the National 4-H Week, the clubs are planning to organize a County 4-H Club Council. Each club has elected a boy and girl to serve as delegates on the council as well as the club's president.

The youth of Bailey County receive many benefits from 4-H as do the adult leaders in this county who take the time to

Cont. on Page 2, col. 2

### Training Class Begins Here On Monday

Monday night, October 2, will be the first night of class for approximately 16 students in the Industrial Training Project. The project is sponsored jointly by the Muleshoe Industrial Committee of the Muleshoe Chamber of Commerce and Agriculture, Hensley-Russell, TSTI and assisted by the Texas Employment Commission.

The training school will be held at the Hensley-Russell Plant in Muleshoe is for seamstresses.

There will be three classes, each three weeks in length with approximately 16 in each class. The project hopes to train as many as 60 people. The class will meet four nights a week from 7 to 10 p.m.

The next classes will start in about three weeks.

To be employed by Hensley-Russell, one has to have this course unless she is previously experienced with manufacturing clothing.

There is no charge for the instruction.

### 1971 Crop Sales Exceed \$3 Billion

AUSTIN—Sales of Texas crops and livestock during 1971 exceeded \$3 billion, Texas Agriculture Commissioner John C. White said today. This is the third year in a row that cash receipts have exceeded the \$3 billion mark. Only California and Iowa have a higher cash receipts. Texas total cash receipts were \$3,254,000,000.

Hidalgo County in the Lower Rio Grande Valley had the highest cash receipts of all counties with \$117,305,000. Only one other county—Deaf Smith—was above the \$100,000,000 mark with \$103,364,000.

The other top 10 counties in cash receipts were Parmer, Castro, Hale, Swisher, Cameron, Lubbock, Hansford, and Lamb.

Livestock products amounted to almost two-thirds of the total cash receipts with 65.2 per cent.

The major agriculture production area of the state is in the irrigated High Plains. That crop reporting district had cash receipts of crops and livestock of \$668,169,000. The Blacklands were second in the state with cash receipts of \$347,816,000.

Cont. on Page 2, col. 2

TOMATOES GROW BIG IN TEXAS . . . Mrs. Jessie Gray who lives 10 miles west of Muleshoe on Highway 84, is shown with some of the huge tomatoes grown in her garden this year. One of the pictured tomatoes weighed one and a half pounds and the other a little over one and a half pounds. These are not the only large tomatoes in Mr. and Mrs. Gray garden this year as they have already canned many tomatoes larger and about the same size as these two and there are still green ones on the vines that are about the same size as the ripe ones. Evidently the weather was just right for growing tomatoes in this area.

ELIZARRARAZ ON THE MOVE . . . Joe Elizarraraz, 25, moves over several Littlefield defenders as he made his way to pay dirt Friday night. On this play, David Wheat threw a 45 yard bomb to elizarraraz who ran it in for the touchdown. Elizarraraz made two of the six Muleshoe touchdowns. Undefeated Muleshoe blitzed the Wildcats by a score of 42-14 Friday night. Dennis Parker also scored two touchdowns and with one a piece were David Wheat and Chuck Clemmons.

# Texas Republicans To Attract Disenchanted In Rural Location

Texas Republicans, realizing that George McGovern apparently has little appeal in this state, have made a move to attract the disenchanted, especially in the rural areas.

In the recent state convention in Dallas, the GOP adopted a platform plank specifically addressed to this key segment of Texas.

The plank, one of about 16, stresses the importance of agriculture as a major factor "contributing to the steady growth and economic stability of Texas."

The committee recommended adequate funding for a program to keep young people from migrating to urban areas; encouraging small industry to locate in rural areas; that every avenue of biological pest and weed control be explored in the interest of a better environment; that state agencies be bound by a standard pertaining to water and air pollution abatement in an effort to cut costs, duplications and adjustments.

The committee also urged the Legislature to appropriate funds sufficient to match federal money for predator control and for control and/or prevention of animal diseases and pests such as anthrax, brucellosis, fire ants, hog cholera, screw worms, and VEE; that secondary boycotts of perishable agricultural commodities be prohibited for the protection of producers and consumers.

## Muleshoe

Cont. from page 1  
Miss Sain, a resident of Ruth Cross Hall, is the daughter of M. and Mrs. Walter Sain of Muleshoe.

J. B. McCoy of Midland was killed in an Odessa car accident Thursday afternoon. Funeral services were held at 2 p.m. Saturday in the First Methodist Church in Midland. McCoy is the uncle of Mrs. Keith Bray of Muleshoe.

## 4-H...

Cont. from page 1  
lend a helping hand to the development of the nation's youth. The 4-H Clubs are organized and assisted by the Bailey County Extension Agents, Spencer Tanksley and Robin Taylor who lend their valuable knowledge and help the local youth.

# State Constitutional Amendments

AMENDMENT NO. 10--H.J.R. NO. 68 (Amending Article XVII, Section 1, of the Texas Constitution to revise provisions on the time of proposing amendments to the state constitution and the time and method of publishing notice of proposed amendments.) The proposed amendment of Article XVII, Section 1, which relates to the method of amend-

ing the constitution includes the provision that amendments are to be voted upon "by the qualified electors for statewide offices and propositions, as defined in the Constitution and statutes of this State," a change from the present language stating that proposed amendments are to be voted on "by the qualified electors for members of the Legislature." It also changes the provisions on

(1) the time at which the legislature may propose constitutional amendments, and (2) the time and method of publishing notice of proposed amendments. The proposed amendment to Article XVII, Section 1, would change the provisions on (1) the time at which the legislature may propose constitutional amendments, and (2) the time and method of publish-

ing notice of proposed amendments.

(1) CHANGE IN TIME OF PROPOSING AMENDMENTS. The present wording authorizes the legislature to propose amendments "at any biennial session and thus not permitting the proposal of amendments at a special session. The new wording authorizes the legislature to propose amendments "at any regular session, or at any special session when the matter is included within the purposes for which the session is convened."

By substituting "any regular session" for the present language "any biennial session" the proposed amendment would not have to be changed to conform should regular sessions now held biennially (Article III, Section 5) be instituted annually as has been proposed several times in recent years. Also, by permitting the proposal of constitutional amendments at special sessions only when the governor submits the matter for consideration, the proposed amendment is in keeping with the spirit of Article II, Section 40, which provides that at special sessions there shall be no legislation upon subjects other than those which the governor specifies for consideration.

(2) CHANGE IN TIME AND METHOD OF PUBLISHING NOTICE OF PROPOSED AMENDMENTS. The proposed amendment would make three changes in present constitutional requirement as to the method of publishing notice of proposed amendments and would add as a fourth requirement a provision pertaining to rates that may be charged for publication:

(a) Instead of requiring publication of the full text of the resolution as does the present provision, the proposed amendment would require publication of a brief explanatory statement of the nature of the amendment together with the date of the election and the wording of the proposition as it appears on the ballot.

(b) Instead of requiring publication of the notice in one newspaper in each county, the proposed amendment would require that it be published in every newspaper in the state which qualifies for publication of official notices.

(3) Instead of requiring publication of four weekly insertions beginning at least three months before the election, the proposed amendment would require that the notice be published twice, the first insertion to appear between the sixtieth and fiftieth day before the election and the second to appear one week after the first.

(d) The new requirement would set a maximum on the rate of charge that the legislature shall fix for publication of the notice at no higher than the newspaper's published national rate for advertising per column inch. Publication rates at present are regulated by statute (Tex. Civ. Stat., Art. 29), which fixes the rate as the "lowest published rate of that newspaper for classified advertising."

Under the proposed amendment the legislature could still fix the rate, but this rate could never exceed the newspaper's published "national rate," a term used to describe the newspaper's most recent rate card setting forth the rates at which it will accept display advertising anywhere within the United States. The present statutory maximum on the rate for publishing constitutional amendments is the newspaper's lowest "classified rate," a different category of advertising under which rates are quoted by the word or by the line. In contrast, display rates are quoted by the "column inch" or other area of space used.

(For full text of the resolution proposing Amendment No. 10, see appendix.)  
Background: Article XVII, Section 1, of the Texas Constitution has not been amended since it was incorporated in the present constitution by the convention in 1875. However, Article VI, Section 2a, was amended in 1966 and legislation (Tex. Elec. Code, Art. 5.15c) was enacted which permits persons who have not met

the six-months local residence requirement to vote on statewide offices and propositions if they meet all other voter qualifications. (A residence of six months in the legislative for members of the legislature.) Thus, the proposed Amendment No. 10 takes cognizance of this change by substituting "by the qualified electors for statewide offices and propositions, as defined in the Constitution and statutes of this State," for present language stating that proposed amendments are to be voted on "by the qualified electors for members of the Legislature."

1. The proposed Amendment No. 10 would permit greater flexibility in the time at which amendments may be proposed in order that emergency situations may be met.

2. The publication of an explanatory statement, as required by the proposed amendment, would give voters a better understanding of the amendment than it is possible to obtain from the text of the amendment itself, particularly in those instances of amendments to existing sections where changes become apparent only by comparison of the proposed text with the existing text. The average voter does not have a copy of the constitution with which to make comparisons, and even those voters who have a copy available rarely take the time to make comparisons.

3. On the average, the length of the explanatory statement and proposition, as provided by the proposed amendment, would be considerably less than the length of the entire resolution, and publication costs for individual insertions would be greatly reduced. This reduction in length and number of times printed, coupled with the reduction in rate, would offset the charges for the increase in the total number of insertions and, in fact, might even result in a substantial reduction in the total cost.

4. The proposed amendment's reduction in the length of time between the first publication and the election (from three months to 60 days) would permit an earlier election in cases of emergency and, at the same time, would give adequate time for public discussion.

AGAINST:  
1. Changes in basic law should not be proposed in haste, a situation which would be possible should the consideration of proposed amendments be permitted at called or special 30-day sessions of the legislature as provided by Amendment No. 10. The likelihood of dire emergency situations which could be solved only by a constitutional amendment is not great enough to justify opening the door to submission of proposals made without proper consideration and deliberation before being acted upon by the legislature.

2. It is dangerous to commit to any individual the authority to prepare the official statement of what an amendment does. There is always the possibility that the statement will be slanted, either consciously or unconsciously, or that it will get into the effect of the proposed changes instead of staying with the statement of what those changes are. Review by the attorney general is not sufficient guarantee that the statement would be objective and unbiased.

3. Publication costs would likely be higher as proposed by Amendment No. 10 than under the present system. Also, the reduction in the length of time required for publishing an amendment would not be significant and would not make up for other objectionable features. Moreover, the instances of emergency calling for a speedy submission are very rare. Unless an emergency in fact should exist, the longer period is certainly preferable.

4. The increase in the number of voters who would receive papers carrying the notices is not sufficient justification for the increased cost since very few voters depend on the official notice for their information on proposed amendments. In fact, very few voters read the official notices.

LEADING RUSHER . . . David Wheat, 33, is shown as he picked up substantial yardage in the Littlefield-Muleshoe game played Friday night in Muleshoe. The Mules defeated the undefeated Wildcats by a score of 42-14. Wheat was the leading rusher with 161 yards on 10 carries.

## US Attorney General To Speak At Wayland

PLAINVIEW, Tex., Special--United States Attorney General Richard Kleindienst will be the featured speaker for a public affairs conference at Wayland Baptist College Oct. 5 and 6, according to conference coordinator Mary Zumot, instructor in political science.

The conference, using the theme "Election '72" is sponsored by the college and Plainview League of Women Voters. Thursday's activities get underway with the arrival of Kleindienst at a press conference for members of the news media. He will be speaker for a special student assembly in Harral Memorial Auditorium at 4 p.m. to which the public is invited. A reception in his honor will follow. Kleindienst will meet informally with law enforcement personnel in Harral Auditorium at 5:30.

A conference banquet in Slaughter Memorial Center at 7:30 p.m. will stress the importance of the 1972 election. Kleindienst will again be featured speaker. Reservations for the affair are being handled by the office of public relations and the department of political science at the college. Reservations must be made by Oct. 4. Tickets for the affair are \$3.50 for Wayland students and \$6.00 for non-students.

Kleindienst will be introduced

by Dr. J.E. Zimmerman, formerly distinguished visiting professor of English at Wayland, now a member of the faculty at Baylor University. Dr. Zimmerman was instrumental in securing Kleindienst as speaker for the conference. Longtime personal friends, Dr. Zimmerman was debate coach for Kleindienst in the Winslow (Ariz.) Public Schools.

Friday's session gets underway at 9 a.m. with three personal choice conferences scheduled. Student moderators for "The State Election" will be Jim Vanderbilt, junior from Seminole, and Eddie Owens, sophomore from Quitaque. Resource persons for this conference will be Dr. Eugene W. Jones, Angelo State University and formerly with the department of political science at Wayland, and Plainview attorney Marshall Fromby.

A second session will be "The National Election and Candidates," moderated by Marilyn Mijac, junior from Amarillo, and Billy Williams, junior from Plainview. H. M. Bargarly, editor of Tulia Herald, and Mike Wall, political writer for Plainview Herald, will serve as resource persons.

Moderating the third session, "The National Election and Issues," will be Wayland sophomore Pam Spencer. Plainview Resource persons will be Joe Don Hancock, editor of Plainview Reporter News.

Speaker for the 10 a.m. assembly will be Mrs. Louise Cummins, president of the League of Women Voters of Lubbock.

## Services Held For Father Of Mrs. J.G. Arnn

Services for E. L. Wakefield 81, who died about 9 a.m. Saturday in Childress Memorial Hospital, were held at 2 p.m. Monday in the First United Methodist Church in Childress. Burial was in the Childress Cemetery under the direction of Newberry Funeral Home.

Wakefield had lived in Childress more than 50 years and was a retired farmer. He is survived by three daughters, Mrs. J. G. Arnn of Muleshoe, and Mrs. Tom Loter and Mrs. Howard Andrews, both of Childress; two sons, L. E. Wakefield of Childress and Wayne Wakefield of Athlete; 12 grandchildren and 17 great-grandchildren.

MR. AND MRS. RICKY ANDES

## Couple Wed In Clovis Ceremony

Miss Sondra Harvey and Ricky Andes, both of Clovis, exchanged wedding vows at 7:30 p.m. on Sept. 8 in the Georgian's Chapel in CLOVIS. The double ring vows were read by Dr. Herbert Bergstrom before an altar decorated with a large bouquet of white mums, asters, gladioli, baby's breath and greenery set on a white colonial column. The arrangement was flanked by seven branch candelabras. A pink satin bow accented the kneeling bench.

The bride is the daughter of Mr. and Mrs. Gene Harvey of Clovis. The groom's parents are Wesley Andes of Las Curces, N. M. and LaHonda Fox of Ft. Sumner, N.M. Kathy Harvey of Clovis, cousin of the bride, served as maid of honor. She wore a formal dress of pink dotted swiss over pink taffeta designed with an Empire waist and small puff sleeves. She wore white gloves and carried a single pink rose. A pink ribbon adorned her hair. Larry Jewel of Floyd, N.M., served his cousin as best man. Ushers were Charles Rogers of Dora, N.M., cousin of the groom and Donny Reed of Clovis.

The bride, given in marriage by her father, was attired in a gown of white mirra mist over bridal satin featuring an Empire waist and long puff sleeves with wide lace cuffs. The gown, made by her mother, was trimmed with mirra mist lace. Her shoulder length veil of silk illusion was attached to a flowerette of saed pearls. She carried a bouquet of pink and white carnations atop a white Bible given to her by her great-grandmother, Mrs. C. F. Garth. For the traditional something old, she carried a handkerchief which belonged to her great-

great-grandmother. Something new was her wedding attire. She wore the traditional blue garter which was given to her by her sister, Genia Harvey. Attached to the garter was a charm with the names of the bride and groom and their wedding date. She borrowed her veil from her sister, Mrs. Mike Robinson. In her shoes she wore pennies minted in the years of their births.

A reception followed the ceremony. The serving table, covered with a white cloth, was accented with hot pink bows. The three tiered wedding cake centered the table. Cake and punch were served by Robie Andes of Floyd, sister of the groom, and Mrs. Mike Robinson.

Wedding guests were registered by Joyce Schiller. For travel the bride chose a pale hot pants suit trimmed with white daisies. She wore a corsage lifted from her bridal bouquet to complete her ensemble.

Following a wedding trip to Ruidoso, Las Curces, N.M. and El Paso, the couple will be at home at 1216 West 8th in Clovis. The bride is a 1972 graduate of Clovis High School and the groom is a 1971 graduate of Floyd High School.

Out of town guests included Mr. and Mrs. Harvey Cross, grandparents of the groom; Mrs. Florence Harvey, grandmother of the bride; and C. F. Garth, great-grandfather of the bride.

## Gift Coffee Honors Mrs. Gerald Brooks

Mrs. Gerald Brooks, the former Debbe Schuster, was honored with a gift coffee on Saturday, Sept. 19, from 10 to 11:30 a.m. in the home of Mrs. Jim Shafer. Receiving guests with the honoree were her mother, Mrs. Jack Schuster; her grandmother, Mrs. Carrie Lee Bishop; and Mrs. Shafer.

A special guest was the honoree's paternal grandmother, Mrs. H. E. Schuster. Guests were registered by Mrs. Clinton Kennedy and Cassie Prekure. The registration table was centered with an arrangement of fall leaves and pyracantha.

The serving table was covered with a handmade ecru cutwork cloth over gold. An arrangement of giant daisies, pyracantha and English ivy in a brass vase centered the table. Melon balls, sausage pinwheels, sliced coffee ring, hot apple cider and coffee were served from a copper and brass service. White china and gold napkins and appointments completed the service.

Gifts were displayed in the recreation room. The hostess gift was a hand mixer and an electric skillet. Hostesses for the occasion were Mrs. Alton Carpenter, Mrs. John Crow, Mrs. Elbert Hamilton, Mrs. Glen Harris, Mrs. Clinton Kennedy, Mrs. Ed Little, Mrs. J. Lewis Morris, Mrs. Alec Williams, Mrs. Cecil Osborne, Mrs. Raymond Scott, Mrs. T. M. Slemmons, Mrs. Darrell Turner, Mrs. James Warren, Mrs. Kenneth Precure and Mrs. Jim Shafer.

MRS. GERALD BROOKS

## Methodist Women Hold Fall Luncheon

The United Methodist Women of the First United Methodist Church held their annual fall luncheon of September 5 at noon. Twenty-four members were present. Two new members, Mrs. David Hamblen and Mrs. Carter Williams, also attended. Tables were decorated by Mrs. T. M. Slemmons and Mrs. Jewel Anderson. Mrs. Ted Allen presided at the business meeting. Roll call was given by Circles. A special collection of \$58.55 was received. Mrs. Oscar Allison made the motion to elect officers from January 1 to December 31, 1973. Mrs. Owen Powell seconded the motion and it carried.

The new studies will be Romans, India, Faith and Justice. The first lesson will be in Romans.

The devotional was given by

Mrs. J. B. Fowler from the 13th Chapter of Matthew. The meeting was closed with a prayer by Mrs. Fowler.

## Coffee Honors Sue Ann Miller

A come and go coffee to introduce little miss Sue Ann Miller was held in the home of Mrs. Gary Miller, Thursday afternoon, Sept. 28, from 2:30 to 4:30 p.m.

The serving table, covered with an ecru cloth, was adorned with an arrangement of pink and white silk flowers in a gold and crystal compote. Coffee, punch and thumbprint cookies were served from gold and crystal appointments.

Hostesses were Mrs. Charles Lewis, Mrs. Don Barnes and Mrs. Chester Yerby.

MRS. GARY MILLER and SUE ANN

## Progressive Homes Club Has Recipe Exchange

The Progressive Homes Club met Wednesday, September 27, in the home of Mrs. Willie Strong with six members and one visitor present. The meeting was opened with a prayer given by the president, Mrs. Vera Engelking. The roll call was answered with household hints. Mrs. Engelking read a poem entitled "The Cost of a Smile".

The ladies chose Christmas cards to be ordered and discussed plans for a covered dish luncheon to be held Thanksgiving. Those attending exchanged recipes.

The hostess gift was drawn by Mrs. W. F. Harper. After an afternoon of fellowship, the meeting was adjourned.

Visiting the Club was Mrs. Laura Cox of Excelsior Springs, Mo. Each year Mrs. Cox makes

a fall visit to Muleshoe to visit her friends.

Refreshments of pimento cheese sandwiches, cookies and punch were served by the hostess to Mrs. Cox, Mrs. Engelking, Mrs. Minnie Dunn, Mrs. C. D. Hoover, Mrs. W. F. Harper, and Mrs. R. L. Roubinek.

The next meeting will be in the home of Mrs. Vera Engelking on October 25.

Plentiful, nutritious milk is delicious cold from the refrigerator. But children will especially love a "fruit shake" after school. Pour your favorite frozen fruit concentrate into tall glasses, adding milk to each glass until each is about half full. Fill the glass with vanilla ice cream and stir. Give your children a milk treat today.

## Local Women Win Honors At Clovis And Lubbock Fairs

Two local women won a total of over \$100 in prize money and 75 ribbons with their entries in the Clovis and Lubbock Fairs.

Mabel Caldwell won eight blue ribbons at the Clovis Fair on pinto beans, cherry preserves, cherry jelly, apple jelly, watermelon preserves, ladies coat, apron and foil flowers. She received red ribbons on okar, greens, tomato preserves, apple preserves, canned cherries, plum jelly, squash, fossil rocks, shell collection, mcrrom belt, foil lamp, barbed wire collection and ladies dress. Mrs. Caldwell won white ribbons on crocheted beads, polished rocks, tomato pickels and blackeyed peas. She also received two dozen half pint jars for having the most ribbons on jellies and preserves.

At the Panhandle-South Plains Fair in Lubbock, Mrs. Caldwell won six blue ribbons on pickled beans, cherry jam, mosaic tile, wax sealer fruit jar, Chinese Tiger whiskey flask and small crockery bowl. She received red ribbons on strawberry jam, fossil rock collection, plastic asstray, apron, flower arrangement, antique crockery jar and blackeyed peas; and white ribbons on flower arrangement, apple jelly, watermelon pickles and horseshoe.

Allie Barbour won blue ribbons at the Clovis Fair on embroidered centerpiece, drawing pillowcases, cut work pillowcases, cutwork pillow top, and applique quilt. She received red ribbon on embroidered quilt, tie quilt, smocked pillow, crocheted pillow, infant dress, dollie, apron and thimble collection and a white ribbon on a dried flower arrangement.

At the fair in Lubbock, she won five blue ribbons on cutwork pillow top applique quilt, kitchen apron, crocheted buffet set and antique decanter. Red ribbons were received by Mrs. Barbour on luncheon set, china painted cup and saucer, antique cake stand, antique figurat bottle, antique sewing box, china clock antique, and white ribbons on cutwork pillowcases, baby quilt, dollie, embroidered centerpiece, colored pillowcases, cross stitch quilt, antique china shoe and antique bottle.

These items will be displayed to the public from 3:30 to 5 p.m. on Thursday, October 5, in the community room of the Muleshoe State Bank.

## Governor Proclaims 4-H Week - October 1-7

Governor Preston Smith has proclaimed the week of October 1-7 as "4-H week in Texas."

Theme of this year's observance is "A New Day--A New Way."

According to the proclamation issued by Smith, "The 1972 theme expresses the thrust of today's 4-H program as it helps prepare young people to become better citizens in our changing world."

The proclamation continues, "Texas 4-H members working with educational learn-by-doing projects apply the latest research and scientific information to others."

"The leadership and citizenship training which 4-H members receive in this program is a valuable asset to our state and to our democratic way of

life."

4-H continues to expand into new program areas and is designed to meet the needs and interests of all youngsters between the ages of 9 and 19, points out County Extension Agent Spencer Tanksley.

A total of 170 boys and girls are currently enrolled in 4-H in Bailey County. However, many more are eligible to participate and Tanksley encourages these youth to ask their friends about 4-H or to visit the county Extension office.

4-H is a part of the educational program of the Texas Agricultural Extension Service of Texas A&M University and is directed at the local citizens assist with the program.

Several special programs and activities are planned during

4-H Week to recognize 4-H'ers, their parents, friends and supporters, notes Tanksley. Everyone is encouraged to participate to learn more about 4-H--the action-oriented, learning-by-doing youth organization.

## Tops Hold Weekly Meeting

The Muleshoe TOPS Club, Chapter 34, met Thursday evening, Selma Redwine called the meeting to order with 23 members present.

The Club discussed ARD plans and everything is reported to be shaping up fine.

Twelve TOPS clubs have already pre-registered and more are expected.

The TOPS weekly queen was Bea Vinson. First runner-up was Evelyn Moore and second runner-up was Ann Vinson.

Clara Crane and Delle DeLoach both celebrated birthdays this week.

PROCLAIMS 4-H WEEK . . . Judge Williams signed a proclamation declaring the week of October 1-7 as 4-H Week in Bailey County. Looking on are Karen Head, secretary of the YL 4-H Club, and John Gunter III, president of the Progress Club.

**WEDDING PLANS REVEALED . . .** Dr. and Mrs. S. E. Goucher of Muleshoe announce the engagement and approaching marriage of their daughter, Jona Kay, to Dean Lesley Ronning, son of Mrs. Kenneth Monieth of Mahanomen, Minnesota, and Rudy Ronning of Bagley, Minnesota. Miss Goucher is a 1968 graduate of Muleshoe High School and a 1971 technology graduate of New Mexico State University. She recently received an honorable discharge from the U.S. Army and is now visiting in the home of her parents. Specialish Ronning is a 1970 graduate of Bagley High School, Bagley Minn. He is now serving in the U.S. Army with the 342nd Transportation Company at Ft. McClellan, Alabama. The couple plans a November 24 wedding in the First Christian Church in Muleshoe.

**Local Persons Enter Contest**

Six Muleshoe participants entered the 1972 Sew-It-With-Cotton contest sponsored by the Lamb-Bailey Women's Cotton Promotion. Judging was held Saturday, Sept. 23, at the Lamb County REA Willy Room in Littlefield. A style show was held and winners were announced on Tuesday, Sept. 26, at 8 p.m. in the Littlefield High School Auditorium. A total of 46 entered the contest for garments made of 100% cotton. Shelli Sain, five year old daughter of Mr. and Mrs. Walter Sain, won second in the Lollipop Division with a garment made by her mother. She received a \$10 prize. Sheila Hunt, daughter of Mr. and Mrs. Robert Hunt, won third in the Sugarplum Division, and received \$5. Her garment was also made by her mother.

**Kappa Kappa Iota Has Get Acquainted Coffee**

Kappa Kappa Iota met Thursday, September 21, in the homemaking department of Muleshoe High School. Mrs. Jack Obenhaus gave a short talk on the history of KKI. Then the group played crazy bridge. Hostesses for the meeting were Mrs. Jay Harbin, Mrs. Bob Finney, Mrs. Jack Obenhaus and Mrs. Bob Graves. Members and guests were served refreshments of crackers and cheese spread, cream puffs, cookies and punch.

**Rev. DuBose Presents Program On "Our American Heritage"**

The Muleshoe Study Club met Thursday afternoon, Sept. 28, in the home of Mrs. Douglas

**Miss Sutton Enrolled In Nursing Course**

Randa Sutton, daughter of Mr. and Mrs. A. D. Sutton, has finished the first year of Nursing Education at the Northwest Texas Hospital School of Nursing. The 1974 class completed 36 weeks of college courses and six weeks of High-Level Wellness/Nursing Process and has started the second year of Nursing with advanced nursing curriculum.

Upon completion of this final phase of Nursing, Miss Sutton will be eligible to take the State Board of Nursing Examination for Licensure as a Registered Nurse. She will graduate in May, 1974.

RANDA SUTTON

DuBose. The program theme was "Our American Heritage". Members recited "The American Creed" and sang "The Star Spangled Banner". The group answered roll call giving reasons for honoring America.

Mrs. John Agee introduced the speaker, Rev. Douglas DuBose, who showed slides of places of historical interest including Gettysburg, Philadelphia and Washington, D. C. Rev. DuBose presented comments and observations regarding "Our American Heritage". A short business meeting followed the program.

Mrs. DuBose served knickerbocker salad, sour cream cake, coffee, tea and nuts to the following members: Mrs. John Agee, Mrs. J. G. Aran, Mrs. H. L. Blackburn, Mrs. Joe Costen, Mrs. Rufus Gilbreath, Mrs. Jewell Griffiths, Mrs. Ed Johnson, Mrs. O. N. Jennings, Mrs. Barry Lewis, Mrs. Mildred Neely, Mrs. Levina Pitts, Mrs. G. L. Splawn, Mrs. Doyle Turner, Mrs. Mervin Wilterding, and Mrs. Wilson Witherspoon.

**NEW ARRIVALS**

MULESHOE Ph 272-4531

Members present were Mrs. Raymond Schroeder, Mrs. Fred Mardis, Mrs. Ben Gramling, Mrs. Joe Costen, Mrs. E. W. Johnson, Mrs. Jim Harvey, Miss Virginia Bowers, Mrs. Neal Dillman, Mrs. Imogene Tiller, Mrs. Mark Gist, Mrs. Lena Hawkins, Mike Pollard, Mrs. Kathleen Francis, Mrs. Ben Ingham, Mrs. Bob Finney, Mrs. Jack Obenhaus, Mrs. Jay Harbin and Mrs. Bob Graves.

Guests attending were Mrs. Pam Spradling, Mrs. George Washington, Mrs. Mabel Wolfe, Mrs. Lesly Weis, Miss Pat Brown, Mrs. Aileen Stewart, Mrs. Arvis Grogan, Mrs. Beulah Mimms, Mrs. Clifton Finley, Mrs. Edith Henderson, Mrs. Ralph Glover and Mrs. Wilma Smith.

**Nursing Home News by Myrtle Guinn**

Mrs. Davis' daughter, Mrs. Juanita O'Hair fell on the steps at Jim's Pay and Save store and dislocated her left wrist and is having to stay in the hospital for a few days. We are all hoping it will soon heal and be as good as ever.

Mr. Bealer's daughter and granddaughter of Texico visited him Friday of last week.

Mrs. Wilterding's granddaughter and her husband and son came to see her recently. They are Mr. and Mrs. David Leamon and Dan.

Singers from the Church of Christ came Sunday afternoon and sang songs for us. We enjoy and appreciate the singing so much.

Mrs. Terrell and Mrs. Gatewood came to the Home Monday to visit Mrs. Terrell's brother Mr. Sullivan. They also visited awhile with Mrs. Guinn, Mrs. Wilterding and Mrs. Brown.

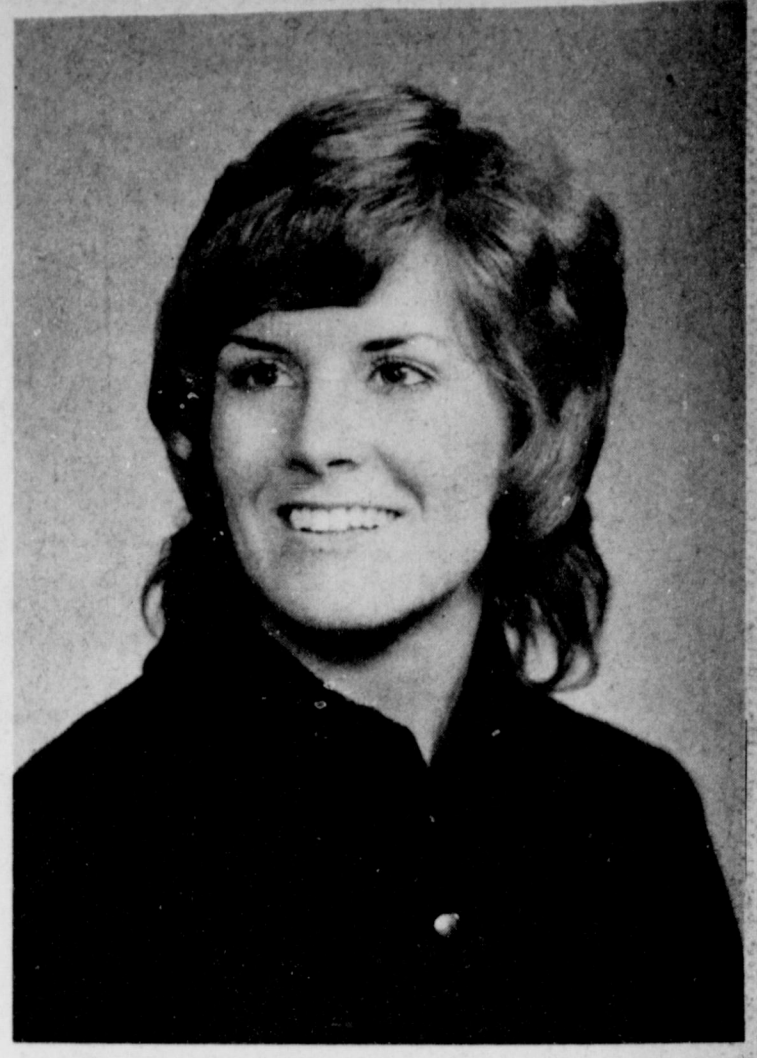

Mrs. Robinson comes to see her sister, Tressie, often and came again on Tuesday.

Mrs. A. C. Bell, Mrs. Wanda Pruitt and Mrs. Phillips visited Mrs. Whitford Tuesday. Mrs. Whitford has been ill for several days and we are glad to report that she was better Tuesday afternoon.

Edd Niceler and Budd Huff came again Sunday afternoon to play their guitars and sing songs for us. We understand that Budd Huff was ordained for the ministry about two weeks ago. We wish him God's blessings in this field of work he has chosen for our Lord.

Mrs. Choats' son, Elvie Choats and wife from Lovington, N.M., visited her on Wednesday afternoon.

Facts are better than dreams, if pleasant.

**DECEMBER WEDDING PLANNED . . .** Mr. and Mrs. Morris Douglass of Muleshoe announce the engagement and approaching marriage of their daughter, Ann, to Leland Ferris, son of Mr. and Mrs. Joe Ferris, also of Muleshoe. Miss Douglass, a graduate of Muleshoe High School, is a junior at Texas Tech University where she is a member of Delta Delta Delta social sorority. Ferris graduated from Muleshoe High School and attended West Texas State University where he is affiliated with Lambda Chi Alpha fraternity. He is presently a junior at Texas Tech University. The couple plans to exchange nuptial vows December 16 in the First United Methodist Church in Muleshoe.

Mrs. Whitford's two daughters and a friend, Mrs. Black from Pleasant Valley, came to see her bringing gifts for her birthday.

Mrs. Jackson called on Mrs. Lewis and Mrs. Neva Lloyd Wednesday afternoon.

The money jar is filling up toward a hand painted picture of our Doctor 'Mc' to be hung in the day room.

Mrs. Fulcher's daughter, Dell Hardy, visited her mother recently. Mrs. Hardy lives in Sudan.

Mr. and Mrs. Cecil Horton of Crowley visited his aunt, Mrs. Eula Whitford, last Sunday.

Odis Epperly visited with his mother, Mrs. Millie Epperly, Tuesday afternoon.

Mrs. Head visited her aunt, Mrs. Lewis, Thursday morning. Mrs. Lewis' son Leon, also

came for a visit with her. Mrs. Wilterding has been ill this week. We are hoping each day finds her feeling better.

Our thanks go out to each of you who have brought tomatoes and watermelons to the kitchen to be put on our trays. This has added so much to our food and we so very much appreciate it. Thanks again so very much.

While we are giving our thanks, we do not want to fall to express our appreciation to the ladies of the Auxiliary who are such willing workers here and are doing so much to make things more pleasant and worthwhile for us each day. We are always glad to see them.

We would also like to express our appreciation to Mrs. Penny Malone who greets each one of us with a cherry smile and kind words. She indeed helps us keep up our morale and we do indeed love "our Penny".

**Welcome to Muleshoe**

## FHA Girls Host Sandhill Party

by Christy Ford  
Tuesday, September 19, brought fun for everyone in FHA and FFA. The occasion was a Sandhill Party. Everyone ate lots of good food such as hot dogs, cookies, potato chips, and cokes.  
It was then time for the real fun. Everyone got buried in the sand. There were several games of "sand fight" where sand was thrown in every direction and at everybody. Needless to say, everyone got dirty.

For the FHA girls, the relaxation came easily; the night before was the annual Installation of Officers. Officers

REX BLACK

were attired in formals to officially accept the duties of their respective offices. Parents and members were present and refreshments were served afterwards. The Rose Chapter was in charge of this meeting.

## On Monday, October 2, at FFA District Elects New Officers

The Littlefield FFA District has elected new officers. They are: President, Roger Swart, Sudan; Vice President, Delwyn James, Anton; Secretary, John Booth, Amherst; Treasurer, Danny Kueller, Morton; Reporter, Monty Angel, Littlefield; Sentinel, Rex Black, Muleshoe.

The Area I Vice President, (Bradly Aikins), was present. The voting delegates that attended from Muleshoe were; Gene Rogers, Glenn Harrison, Jimmy Henderson and Gary Hooten.

## FFA Observes Greenland Week

By Jimmy Henderson  
The FFA and FHA had a Sandhill party Tuesday night. There were approximately 200 present. Everyone had a good time and there was a lot of food, sand, and drinks consumed.

Mr. Keith Bray, with Ross McKillip and Rex Black, went to Junction Saturday, September 16, and picked up some show lambs.  
Perhaps you noticed the A-1 boys going around with greenhorns around their neck. I guess you're wondering why? This is the purpose. It's initiation week at M.H.S. A Greenhand must get upper classment and officers to sign their greenhorns, thus, becoming better acquainted with them.

There will be an FFA meeting on Monday, Oct. 2, 1972, at 8:00 P.M.

7:30 p.m. there will be a regular business meeting. The Roseblossom Chapter is in charge of this meeting and everyone is encouraged to attend.

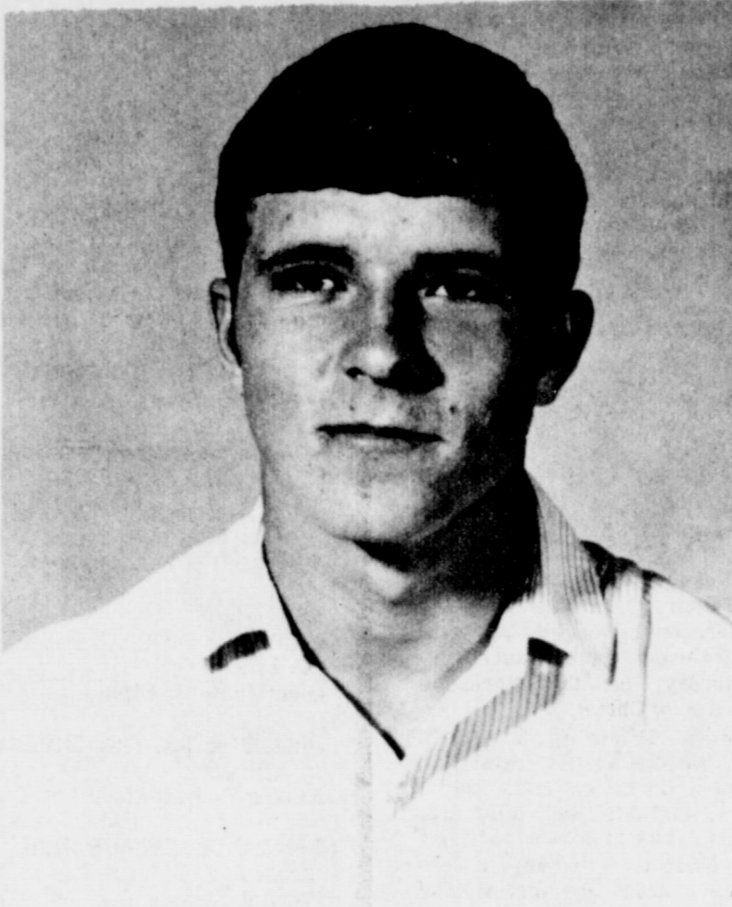

## Spanish Club Has Meeting

El Club de Español tuvo su segunda junta el día 18 de Septiembre de 1972, en el cuarto numero 14 de Muleshoe High School. La junta era para elegir un vice-presidente, un tesorero y un reportero. El vicepresidente para el club es Perry Hall, la tesorera es Gloria Casanova y el reportero es Alex Ybarra. El presidente es Richard Garcia y la secretaria es Janie Perez. El club de español va a dar un daram durante este ano, el drama se llama La Paloma Blanca.

The Spanish Club had it's second meeting on September 18, 1972. The meeting was held in room 14 of Muleshoe High School. The purpose of the meeting was to elect a vice-president, a treasurer, and a reporter. The vice-president is Perry Hall; treasurer is Gloria Casanova; and Alex Ybarra is the reporter. The Spanish Club is planning to present a drama during the year. The name of the drama is "La Paloma Blanca."

## Mighty M Band Places First In Lubbock

By Bill Tanner  
The Mighty 'M' Band went to Lubbock, Monday, September 25 for the Annual South Plains Fair Parade of Bands. There were forty-three bands entered in the parade. In the class AAA bands, the Mighty 'M' Band placed first and won \$100 prize money. Second place money went to Seminole and third went to Levelland.  
Congratulations to Mr. Jim Harvey and band members.

DAVID WHEAT

## Juniors, Seniors View Film

United Electronics showed a film on employment opportunities in the electronics industry to approximately 50 interested Juniors and Seniors at the High School on September 26, 1972. This company visits the school each year in order to interest students in their schools in Dallas and Oklahoma City. Students and parents

should understand that the Muleshoe School System does not endorse or recommend United Electronics. We merely allow them the use of our facilities as we do for other private and public schools. Anyone interested should personally visit the school before paying any money or signing any agreement.

## Junior Varsity Defeats Bobcats

JUNIOR VARSITY DEFEATS BOBCATS  
The Muleshoe Mules Junior Varsity defeated the Dimmitt Bobcats Thursday evening by a score of 14-0. Kick-off was at 7:30 p.m. In Dimmitt. In the first quarter Ollie Kirven scored a touchdown and Mike Blad kicked the point after the touchdown. Another touchdown was scored in the second quarter by Gary White, and again Mike Blad

and kicked the point after touchdown. Benny Hamilton intercepted a pass in the third quarter. Congratulations to the Mules on another outstanding victory!  
Cheerleaders present to promote spirit were Head Cheerleader Jan Harlin, Terri Crane, Susie Cousatte, Ginger Johnson, and Susan Murray.

## Coaches

o  
m  
m  
e  
n  
t

The Mules Victory against Friona was special in that Friona was the only team last year to defeat the Mules in pre-conference play. The Coaches were especially pleased with the improved play of right tackle Jerry Hodge and the steady play of guard Charlie Vela. David Wheat returned a stolen ball during the fourth quarter for the game's last T.D. This play was almost pulled in the first quarter when a Friona defender took the ball from the grasp of Q.B. Don Long on Friona's eight yard line. This week the Mules met the Littlefield Bobcats who were undefeated. The Bobcats have averaged thirty-four points a game and have victories over Levelland, Silverton, and Slaton. The Bobcats have a strong line and a fast backfield and are the number 1-AA team in West Texas. Friday night the Mules meet the Portales Rams, the number 1-AAA team in New Mexico. They have yet to be scored on. The Mules welcome the return of Gerald Bara who has missed the first of the season because of a knee injury. Bara will play Fullback and George Mitchell will move to the right guard position.

## Junior Scores Bring Mules Victory To 3

David Wheat, 16 year old son of Mr. and Mrs. Dwain Wheat, was chosen as MHS Thespians Best of the Week. Also being honored as KGNC Channel 4's Player of the Week and Amarillo Globe-News 1-AAA Player of the Week, Wheat was harvesting some of the credit due to him after Friday night's thrashing of the Friona Chieftains.

According to the Amarillo Globe-News the Mule safety's theft of the ball insured the Mule's third straight victory of the season and the only victory of a 1-AAA team over the weekend. The Mighty Muleshoe Mules also have claimed three of the four victories in 15 games of the District.

David is tied for leading scorer in 1-AAA with 30 points. The 5-11, 175 pound tailback, resides at 914 West Avenue D and enjoys water-skiing as well as all types of sports and a little chess now and then. David has recently purchased a registered English bulldog. He plans to raise bulldogs for pleasure and profit.

David has always excelled in sports and enjoys the competition in all aspects of life. As a Freshman he scored 18 points during the season. Then as a sophomore, he started on the varsity team.

David excels high scholastically and is an avid reader.

He can always be found in the football field or in the library. Although David has a strong-willed personality, he is a person who is easily disciplined or coached.

The staff of the Mule's Tale join the rest of the students and faculty of MHS in congratulating David Wheat for his outstanding accomplishments on the field and in the classroom.

## Art Club Has Meeting

The Art Club met in Room 14 during Orientation Friday, September 22. Officers were elected and plans for the Halloween Carnival booth were discussed.

Officers elected were Dennis Parker, President; Lauren Hall, Vice-president; Mike Bland, Secretary; Randy Williams and Pam Loyd, Historians; Rodney Turnbow, Treasurer; and Kim Crane, Reporter.

All Art Club dues must be paid by November 1. They are \$2.00.

## Landers Elected V-P of Area Math Teachers

Mr. Nicki Landers Math teacher at MHS, was elected Vice-President of the Great Plains Council of Math Teachers at their last meeting. The Great Plains Council of Math Teachers is an organization of area math teachers who meet to exchange teaching ideas and methods.

Mr. Landers is in his sixth year at MHS and he teaches algebra, math 102, geometry and trigonometry.

Mr. Landers' brother, Mr. Kenneth Landers of Borger, was elected President of the organization. Mr. Kenneth Landers previously taught at Muleshoe for three years.

Congratulations to Mr. Landers.

# Mules Tale Honors MHS Juniors On Varsity Team

The Mule's Tale pays special recognition this week to the Junior players for the Mighty Mules. These players have put forth much effort and have contributed much to our team.

Perry Stockard plays split end and right linebacker this year for the Mules. He is a Junior.

Perry's parents are Mr. and Mrs. S. P. Stockard. They reside at 621 West Sixth Street. Perry enjoys all kind of sports. Perry thinks that the team will have a better season this year than they have had in a long time.

Ronnie Parker, son of Mr. and Mrs. Frank Parker, is a junior back for the victorious Mules this year. He resides at 817 West Third Street.  
Ronnie's activities include athletics and speech contest. He also enjoys golf in his spare time.

He commented on the season this way, "Since we won our first three games, I think we are going to have a better season than we have ever had."

Fred Locker is the son of Mr. and Mrs. M.D. Locker. Fred is a Junior at M.H.S. He enjoys all types of sports. Fred plays weak safety and is substitute quarterback. Fred believes that the Mules have a very well balanced offense and defense and that they should be able to win many games this year.

Jerry Hodge, son of Mr. and Mrs. James Hodge is a Junior

at MHS. He resides at Route Five, Muleshoe.

Jerry plays right tackle for the Victorious Mules. Hodge enjoys football, motorcycles, and horses. His school activities include football and FFA. Jerry commented on the season, "I think so far our season has been very good. I think with a lot of good support it will continue to be a good season."

Playing at a defensive "2" and right tackle spot for the Mighty Mules is Ricky Smallwood. Ricky is the son of Mr. and Mrs. Joe Smallwood. He is a junior and lives at 1801 Avenue G. Ricky list his hobbies as football and baseball.

Ricky commented on the season by saying, "If injuries are minor and the team spirit stays up, we could have a very successful season."

Benny Hamilton is the son of Mr. and Mrs. Gene Hamilton. He is a junior at MHS. Benny plays tight end for the Mules. Besides football, Benny enjoys motorcycles, tennis, and horseback riding.

When asked to comment on the season, he said, "We have a good offense and an exceptionally good defense. We have the ability to go all the way to state this season. We've been playing good ball and plan to keep it up."

Terry Stewart is the sixteen year old son of Mr. and Mrs. Charles Stewart. They reside at Rt. 1, Box 119.

Terry is a member of FFA

and the Rodeo Club. He enjoys rodeos, football, and racing.

Terry plays fullback and middle linebacker for the Mules. Ollie Ray Kirven is the son of Mrs. Georgia Kirven. He resides at Route 2, Muleshoe. Ollie plays fullback, tailback, and weak safety for the Mules. He enjoys reading and football.

When asked to comment on the season, he said, "I think we will have a better season this year."

Kelly St. Clair is a Junior at MHS this year and he belongs to the Student Council, FTA, Art, and Speech.

Kelly's parents are Mayor and Mrs. Irvin St. Clair. He enjoys water skiing and playing the piano.

He plays offensive and defensive tackle. He had this to say about the season, "I think with the hard work and effort we have had from all boys on team that we will have a good season if we keep up the hard work."

Quarterbacking the Mules this season is Don Long, the son of Mr. and Mrs. C.H. Long. Don is the Junior Class President. He enjoys all sports.

Don had this comment about the season, "I believe if the players stay healthy, we have the best chance to win district since we have been in 1-AAA. We have some good players and we are going to be in there all the way."

Joe Elizarraraz, son of Mr. and Mrs. Jose T. Elizarraraz,

plays split end and strong safety for the Mules. He lives at 318 East Avenue F.

Joe is a Junior at M.H.S. He enjoys sports and auto mechanics.

Joe said in reference to the season, "I think we could go all the way."

Playing fullback and right guard for the Mules this season is George Mitchell. He is a Junior at MHS and the son of Mr. and Mrs. George Mitchell. George enjoys sports and listening to music.

When asked to comment on the season, George had this to say, "I think we will have a real good season. We have the physical and mental ability that a football team needs. Most of all we have love for our teammates. We also have the best coaching staff that a team could ask for."

David Wheat is the sixteen year old son of Mr. and Mrs. Dwain Wheat. He lives at 914 West Ave. D. He has two brothers, Donnie and Jerry.

David is the junior tailback for the fighting Mules this season. David had this to say about the team, "We have some talented people on our team and we have a good chance of having a very successful year."

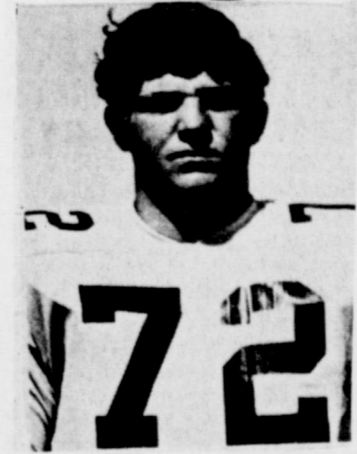

A Gem For Thought  
Know how to give without hesitation, how to lose without regret, and how to acquire without meanness.  
-Grit.

## Lazbuddie News

By Mrs. C.A. Watson

The Preston Cargile family attended church services at the Primitive Baptist Church in Clovis Sunday. A weekend visitor in the Cargile home was Dorothy Bass of Littlefield.

Mr. and Mrs. L.H. Hardage helped celebrate Mr. and Mrs. H.T. Houston's 50th Wedding anniversary in Farwell Sunday. Mrs. Houston is Hardage's sister.

Sunday visitors in the Hardage home were Mr. and Mrs. Barto Massey, Dallas, and Mr. and Mrs. Lee Mason of Clovis.

Mr. and Mrs. John Littlefield and Mr. and Mrs. Charlie Glover fished at Ute Lake last week. They report a good fish story.

Birthday Greetings go to: Lia-

## Services Held Saturday For Mrs. St. Clair

Funeral services for Mrs. Sue St. Clair, 77, who died Thursday afternoon in West Plains Memorial Hospital were held at 10 a.m., Saturday in the Northside Church of Christ.

Jack McCormick, Littlefield Church of Christ minister, and Van McCormick, Clovis Church of Christ minister, officiated. Burial was at 5 p.m., Saturday in Masonic Cemetery in Seymour, under the direction of Singleton-Elis Funeral Home of Muleshoe.

Mrs. St. Clair was born in Collin County and came to Muleshoe from Seymour in 1936. She married Dave St. Clair on September 26, 1936 in Fredrick, Oklahoma.

Survivors include her husband, Dave; a son, Ryon of Van Horn; two sisters, Mrs. Roy Butler of Bomarton and Mrs. Annabelle Mulanax of Anderson, Mo.; a brother, Jim Chambers of Garland and two grandchildren.

**FOR SALE:** Honda 350 SL Motorcycle. Less than 700 miles. Phone 965-2637, 15-39s-4tc.

**Legal Notice**

**NOTICE**  
Notice is hereby given that original Letters Testamentary for the Estate of Cora A. Tate were issued on September 6, 1972, in Cause No. 1003, pending in the County Court of Bailey County, Texas, to Howard Tate.

The residence of such Executor is Otero County, New Mexico.

All persons having claims against this Estate which is currently being administered are required to present them within the time and in the manner prescribed by law.

Dated the 8th day of September, 1972, 40s-ttc

da Hargrove, Velma Golden, Ethel McCurdy, Robert Flores, Jesse Mendoza, Earnestone Tompler, James Harvey, Mike Ward, Jane Stroud and Debba Bullock.

Lazbuddie school students were well represented at the Fair at Lubbock Monday.

The Lazbuddie Longhorns have won the first two conference games. Congratulations Team and Coaches.

The Community welcomes Mr. and Mrs. Malcolm Carthel and family back to the Lazbuddie Community. Carthel is employed by Leon Wilson.

Mr. and Mrs. C.C. Great, accompanied by Mr. and Mrs. Raymond Carson of Olton were on vacation last week, visiting friends in Espanola, New Mexico, and in Cortez, Colorado.

Mr. and Mrs. E.E. Engelking did some fishing last week at Navajo Lake, New Mexico. They also visited relatives in Arizona at the Mini Farms.

The Community welcomes Mr. and Mrs. James Johnson

back to the area. They are located at Clays Corner and will be doing farm work.

**LAZBUDDIE 15 YEARS AGO.**  
Fifteen years ago fifteen seniors received their diplomas from Lazbuddie High School. Would you like to know how old the gals and guys are now? I can't tell you that but I can tell you that George Washington and Thomas Jefferson were the Longhorns coaches the 56-57 seasons. The seniors graduating were: Jeanelle Floyd, Johnie Nowell, Juanita Scott, Mona Hall, Danny Rue Cargile, Jim Danials, James Gilmore, Glen

Watkins, Johnny Gammon, Durwood Teague, Jimmie Weaver, Joy Smith, Janice Oliver, Jerry Mack Hall, and Andy Fuguey.

The eighth grade class graduating from Junior High in 57 were: Okis Bradshaw, Judy Brown, Ronald Elliott, Don Glover, Ronnie Gustin, Billy Hardage, Gale Hargrove, Tom-

mie Horton, Eddie Moore, Reese Peterson, R.L. Porter, Linda Lancaster, Freddie Savage, Karan Smallwood, Virginia Moore, Beverley Smith, Jerry Smith, Coretta Watkins, David Tarter, Lesley Johnson, Patsy Marrow, Coy Mason, Tim Mason, Darwood McLeod and Norman Brantley.

Young love is just as serious, to the young, as mature love is to adults-or can't you remember?

**SCOTT AND SPACE**  
Space Center, Houston--Col. David B. Scott, commander of Apollo 15, has been dropped from the astronaut corps and given a space agency desk job. This resulted from smuggling 400 stamp covers to the moon and back, according to reports.

Watkins, Johnny Gammon, Durwood Teague, Jimmie Weaver, Joy Smith, Janice Oliver, Jerry Mack Hall, and Andy Fuguey. The eighth grade class graduating from Junior High in 57 were: Okis Bradshaw, Judy Brown, Ronald Elliott, Don Glover, Ronnie Gustin, Billy Hardage, Gale Hargrove, Tom-

## BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And I believe that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

**STORY HOUR . . .** A story hour was held at the Muleshoe Area Public Library Thursday morning, Sept. 28. Attending the story hour Thursday were, front row, l to r, Spencer Tucker, Kurt Miller and Todd Schroeder; second row, l to r, Traci Peterson, Barbara Atteberry, Christopher Ingham, Jay Hawkins, Michael Bynum, Donnie Barry, Christy Taylor and Kristine Miller; and back row, l to r, Gina Lopez and Susan Barnes. Parents attending were Mrs. Mike Miller, Mrs. Jim Tucker and Mrs. Raymond Schroeder. Mrs. Cecil Harvey of the Muleshoe Children's Center accompanied six of her students, Tracy, Donny, Michael, Gina, Susan and Jay. The story hour will be held each week with a regular day and time to be announced later.

**Bula News**

**Mrs. John Blackman**

Bula School personnel and students were saddened Thursday morning when one of their teachers, Dennis Quiram, was stricken with a heart attack and was dead on arrival at the Morton Hospital. He was very well liked among the student body and was devoted to his teaching. He leaves his wife, Betty, and five children. This was the first year for the Quirams to be in our community. They moved here from Bay City. His body was flown Saturday morning to Minnesota for burial. The family will return this weekend.

Two school buses filled with students made the South Plains Fair Monday afternoon. Grades 5 thru 12 rode the bus and children in the lower grades were picked up by their parents. Several took them to the fair. School was dismissed immediately after lunch.

The young people of the Baptist Church, we call themselves the share group, met Thursday evening in the home of Mr. and Mrs. Larry McCain. Mr. and Mrs. Kerby Carrel of Cotton Center met with them and brought the devotional. Plans were discussed concerning the Lay Witness meeting to be here Oct. 13-15. Forty people from other communities are expected to be here for the meeting. The group were served chips, dips, cookies and pops by Mr. and Mrs. McCain.

The Bailey-Lamb County Women's Promotion style show was given Tuesday evening in the Littlefield High auditorium. Approximately 350 were in attendance. Friends and members from Muleshoe, Earth, Sudan, Spade, Maple, Bula and Littlefield registered.

First-second and third prizes were given in each category of \$15, \$10, and \$5. Door prizes were drawn at the intermission. These were donated by merchants in our area. Mrs. Eddie Wilson of Sudan was the narrator and Miss Jana West, Sudan, pianist for the evening. Mrs. Richard Black, Route One, Sudan, is president of the organization for Bailey and Lamb County.

The Bula Booster Club met Tuesday evening in the school lunchroom for a business meeting and social hour. New officers were elected for the coming year. Ivan Clawson was elected to serve as president to take the place of J.C. Snitker. Others to serve with Clawson are Robert Claunch, vice-president; Joyce Risinger, secretary; and John Hubbard, treasurer. During the business session, it was decided to buy new basketball suits for the

 Mr. J.W. Kelly, M. Johnny Wade, M. G. L. Abrian, Mrs. Martha Byers, Mrs. Robert O' Hair, Mrs. Mary Whitson, Mary Ruth Hawkins, Mrs. Ronald Copeland, Mrs. Gene Simpson, Mrs. Minnie F. Dupler, Mr. Ernest Denny, Mrs. Victor Symcox, Mrs. C. Ray, Victor Symcox, Mrs. C. Ray Nolan, Mrs. Ruben Sanchez, Mrs. Ismael Rodriguez, Mrs. Roger D. Reynolds.  
**DISMISSED:**  
 Mrs. Donald Copeland, Mrs. Gene Simpson, Mr. Robert D. Stevens, Mrs. C. Ray Nolan, Mrs. Curtis Walker, Mrs. Mary Whitson, Mr. Ernest Denny, Mrs. Robert O' Hair, Mr. James N. Dudley, Mr. R. Luther Fields, Mrs. Victor Arzola, Kenneth Applegate, Mrs. James Symcox, Mary Ruth Hawkins, Mrs. Ruben Sanchez, Mrs. Ismael Rodriguez.

junior high and also to buy new workout suits for high school boys. Homemade ice-cream and cake were served following the business meeting. Sandra Austin was also elected chairman for the concession stand committees.

Mr. and Mrs. P. R. Pierce attended the Kerby family annual reunion held Sunday 17, at the home of Mr. and Mrs. Earnest Wallace in Coahoma. Forty-five relatives were in attendance. Others going from this area were Mr. and Mrs. Irwin Nieman and Mr. and Mrs. Jim Carpenter and boys of Muleshoe.

Mr. and Mrs. L. H. Medlin honored her mother, Mrs. W. B. Gage of Littlefield, and their son, Dennis Medlin of Brownfield, with a birthday supper Saturday evening in their home. Attending were Mr. and Mrs. Glenn Salyer and daughter, Shelly of Lubbock; Sheila Medlin, student at South Plains College; Mr. and Mrs. Dennis Medlin and children, Dewayne and Beckey, of Brownfield; and Mr. and Mrs. W.B. Gage and Dot of Littlefield.

Visiting in the home of Mrs. May Nichols Thursday evening, were her brother and family, Mr. and Mrs. A. L. Ressel of Munday, Tex.

Mrs. James Sinclair spent the first part of the week in the Methodist Hospital for some minor repair work from her recent surgery. She came home Wednesday feeling much better.

Mr. and Mrs. Tom Bogard visited Tuesday afternoon and until late bedtime with their son and family, Mr. and Mrs. Jake Bogard at Denver City.

Mr. and Mrs. Jay House enjoyed having their grandchildren, Vendell and Juanell Wood of Slaton, spend the weekend in their home.

The R. B. Wrights have a new grandson. This makes four grandsons for the Wrights. Mark Ryan Wright was born at 11 a.m., Thursday, Sept. 21, in the University Hospital, Lubbock to Mr. and Mrs. Richard Wright. The maternal grandparents are Mr. and Mrs. V. J. Hobratchsk of Littlefield.

Mrs. Irene Parker of Hereford is spending several weeks in the home of her daughters, Mr. and Mrs. Edd Crume and Mr. and Mrs. J. W. Layton.

Mr. and Mrs. E. E. Lan-

caster have their grandson, James Lancaster of Dumas, with them. He will be helping his grandfather with the harvesting of his crop and has also registered as a junior student in the Bula school.

According to the report of Nolan Harlan, his mother, Mrs. Lula Harlan, is showing some improvement but is still a patient in the Amberst Hospital. She is expected to be there for some time or until she regains her strength sufficient to go home.

Mr. and Mrs. Jimmy Crosby and son, Tommy of Littlefield drove out to see his grandparents Tuesday afternoon and to see all the crops in this area.

Mr. and Mrs. Cecil Jones returned late Thursday from spending four days fishing at Lake Stamford.

Parents of Jack Withrow, Mr. and Mrs. J.W. Withrow of Sudan, honored their son, Jack, with a birthday dinner Sunday. Attending were the Jack Withrows and children, Jackie, Carla, Jeff, Jarod, and Jodie. Jodie attends South Plains College. Also attending were Mr. and Mrs. James Withrow and girls Martha, Ruth and Marie of Sudan.

Visiting the past week in the Ivan Clawson and J. D. Rowland homes were an aunt, Mrs. M. C. Phears and her son, Mr. and Mrs. John Phears from Stephenville.

Mr. and Mrs. V. C. Weaver and daughter, Mrs. Marie A. rend, returned Sunday from a ten day vacation and sight seeing trip which took them thru Arizona and Wyoming.

**Bailey County 4-Hers Plan Activities**

4-H members, parents, leaders and friends will be given a special salute during the upcoming National 4-H Week, October 1-7, according to County Extension Agent Spencer Tanksley.

Some of the special activities planned in Bailey County include the 4-H Project Fair and the organization of a County 4-H Council.

The theme of this year's observance is "A New Day--A New Way."  
 "4-H continues to expand into new program areas, and 4-H boys and girls continue to engage in more and more worthwhile learning experiences," points out Tanksley. "Many 4-H activities are now extending into urban areas to reach more boys and girls in a variety of interests and backgrounds."

"4-H is a way of meeting people and becoming involved. One of the major benefits of 4-H is that it provides youngsters with valuable learning experiences and thus prepares them to face the many challenges that lay ahead in life."

For those boys and girls between ages of 9 and 19, who are not in 4-H, the Bula, Three-way, Progress and YL 4-H Clubs extend a special invitation to join now as activities and programs get under way for an exciting new year.

"To learn all about 4-H, talk to a friend who is a member of visit the county Extension office," suggests Tanksley. "Become a 'doer' in your community and watch a world of opportunity unfold."

Joining 4-H is just a good investment in your future, adds Tanksley.

**Definition**  
 Tact: To lie about others as you would have them lie about you.  
 -Gosport, Pensacola.

**The Sandhills Philosopher**

Editor's note: The Sandhill Philosopher on his Johnson grass farm abandons international affairs this week for football.  
 Dear editor:  
 Anybody with a television set, and that includes just about everybody in the U.S. -- why I know one family with a sense of first things first who let the city turn its water off for failure to pay its bill but kept

up its T. V. payments right on time, which may or may not prove that cleanliness is next to what people are always saying it is, although you'll have to admit all those soap commercials sure are being wasted on them -- at any rate if you have a television set and watch it on week-ends you're bound to have learned something about football.  
 But the television people don't believe it.

At every game they have two or three people whose job is to keep up a constant line of chatter telling you what you've already seen. One guy will even attempt to tell you what he thinks is going to happen on the next play, and the fact he's wrong most of the time doesn't slow him down.  
 Now I'll tell you, if you were sitting in the stadium watching the game and some bird in front of you turned around on every play and commented on it, explaining that was an off-tackle run or an end-around and the ball carrier has been in the league for 12 years and attended college at South Dakota where he broke the all-time record for catching deflected passes, you'd either get up and move or pull his hat down over his ears, or, under present conditions, un-

braid his hair.  
 Why will a television network pay somebody to tell me the officials are going to take a measurement when plain as day I can see them bringing out the chain? And when they explain that any part of the ball touches the marker it's a first down, I begin to understand their estimate of the public's intelligence. It goes a long way to explaining some of the shows they run when football's not on. Why, this year they've even ruined the Westerns. After seeing three of the new issues of Gunslinger I now refer to it as Talcum Powder.  
 Yours faithfully,  
 J.A.  
 Pioneer 10 nearing asteroid belt.

Such commonly heard sounds as police whistles, pneumatic drills and crowded city traffic produce noise at the 90 decibel level, which can be hazardous when exposure is continuous or prolonged.

## Hogs Good Teachers For 4-H'ers

**SPECIAL** - Did you know that hogs are good teachers? That they aren't the unclean, stupid, fattening animals we've thought?

In reality hogs are clean animals, among the smartest, according to researchers, and produce pork that is consistently lower in fat content.

In addition, the hog has been cast in a new role... that of an excellent teacher to over 110,000 4-H'ers. Members and hogs together go through the proper methods of feeding, breeding and caring for hogs, for fun, profit and recognition, by their participation in the national 4-H swine program,

supervised by the Cooperative Extension Service and sponsored by the Moorman Mfg. Co.

4-H'ers enrolled in the swine program learn about hog raising, by actually going through the experience of raising their own animals. In this way they learn success, sometimes failure, and always a lesson in practical economics.

David Worrell, of Winchester, Ill., is one of the appreciative students. One of six national winners in the 4-H swine program last year, he had to go through some difficult years with his herd.

"After a successful second year (in the program), I stumbled backwards in hog

quality my third and fourth years. I decided then that I would have to spend more money... to rebuild my herd," Worrell stated.

The expenditure paid off when the quality of his herd improved and his boar was selected champion of the Western Illinois Fair, two years in a row.

4-H'ers not only learn the breeding and business aspects of hog raising, but how to judge other hogs, too.

Gerald B. Young, of Damascus, Md., another 1971 national winner in the 4-H swine program, not only raised prize hogs, but judged them as well. Young was the top livestock judge at the Pennsylvania Livestock Exposition and was a member

of the livestock judging team in his home state of Maryland.

To encourage the 4-H students, incentive and recognition awards are offered by Moorman Mfg. Co. Four medals of Honor are given to winners in each county. State winners in the 4-H swine program are given an all-expense-paid trip to the National 4-H Congress in Chicago, Nov. 26-30, and six scholarships of \$700 each are given to the national winners in the program.

Yes, hogs can be teachers. The 4-H members enrolled in the 4-H swine program have learned a lot from their projects.

For information about the 4-H swine program, contact your county extension office.

4. Where may it be found in the Bible?

#### Answers to Bible Verse

1. Jesus.
2. Satan.
3. During Jesus' temptation, in the wilderness.
4. Matthew 4:4.

## Farm Bureau Will Support Competitive Insurance System

WACO -- (Spl) -- J. T. (Red) Woodson of Governor, president of the Texas Farm Bureau, said that the state's largest general farm organization is "in full support" of a competitive insurance rating system "which will be truly competitive and not competitive in name only."

Woodson said policies of the organization, which has a current membership in excess of 130,000 families, read as follows: "We recommend that casualty and fire insurance rates be established on a competitive basis, rather than being set by the Texas Insurance Board on a uniform basis."

"Among several Texas Farm Bureau affiliates are our Texas Farm Bureau Insurance Companies which were organized in response to policy demands of Farm Bureau members for the best possible insurance coverage at the least possible cost, with fast and fair claims adjustments," the TFB president said. "Premium dollars not paid out for claims, operational costs, and necessary reserves are returned to members in the form of dividends. The spectacular growth of our insurance companies in recent years is proof positive that we have successfully carried out the mandates of our membership," he added.

Woodson said the organization believes that proposals now before the Legislature can be amended or rerafted so that they can effectively serve as a

vehicle to provide for true competitive rating. For this reason, he said Farm Bureau does not support any one bill now under consideration, but supports the principle of competitive rating.

He recommended several provisions for the Committee to consider for inclusion in the final draft of the bill it approves.

He said the State Board of Insurance should prescribe minimum coverage provisions as the basis for competitive rating rather than prescribing uniform or standard forms as the basis. Minimum coverage provisions would require all companies to provide at least the minimum coverages set forth in State Board of Insurance regulations but would allow each company, if it so chooses, to give its insureds the benefit of additional coverages. "This is fundamental to true competitive rating," he declared.

Provisions of the bill should not become immediately effective when signed into law by the Governor, he said. "We firmly believe there should be a delay of at least six months and preferably one year so that the State Board of Insurance could have time to interpret the law, seeking the Attorney General's advice when necessary and to write procedural rules and regulations for the companies to operate under," he explained. Such a delay, he said, would also be necessary to give companies time to convert from their present system

to the new system, including time required for reprogramming of machines and training of personnel.

"Finally, we recognize that the State Board of Insurance must be granted necessary auditing and regulatory authority to properly administer any system of competitive insurance to

the extent that companies would not be allowed to use rates that are either too high or too low for proper protection of policy holders or for sound company operations," he pointed out. "With such authority vested in the Board, we believe that any provision requiring mandatory escrow accounts would be superfluous and unnecessary."

With these recommended provisions incorporated into the final bill, Texas Farm Bureau will be in position to actively support the resulting competitive insurance premium rating system for the state, Woodson declared.

### WASHINGTON REPORT BY

## Lloyd Bentsen,

United States Senator

At my request, the General Accounting Office will send investigators into Texas in October to examine operation of the U. S. Postal Service in the State.

Mail service, particularly in Texas, appears to have deteriorated greatly within the past two years and this inquiry will help determine the extent and the reasons.

The GAO is an independent, non-political agency in the legislative branch of the government. It is concerned with keeping tabs on how Federal Departments and Agencies carry out the intent of legislation enacted by the Congress.

Its postal investigation in Texas is a follow-up to a preliminary survey made by my office this summer after I had received numerous complaints about mail service.

In our preliminary test, my office mailed more than 200 first-class letters from Washington to points throughout Texas. Simultaneously, Special Delivery letters were mailed from Austin to the same recipients.

45.6% of the first-class letters arrived with or before those sent Special Delivery. In other words, in almost half the cases the first-class letter--which traveled a much greater distance--was delivered at the same time as the letter sent Special Delivery, or before the letter sent Special Delivery.

Incidentally, the test also raised some questions about the advantages of using Zip Codes since the first-class letters had no Zip Codes and the Special Delivery letters did.

It was disturbing to study the results of this informal survey; to see that, almost half the time, the Postal Service provides no faster service for patrons who pay extra and who, following the admission of the Postal Service, are careful to use Zip Codes.

I was interested to note, by the way, that Postmaster General Elmer T. Klassen, the man who heads the U. S. Postal Service, recently admitted that Special Delivery service isn't up to par. At a news conference on August 28, the Postmaster General said this ser-

vice is "really a disgrace." But I am afraid that Special Delivery isn't the only phase of Postal Service operations that is a disgrace. Indications are that many other facets of mail collection and delivery in Texas have been seriously impaired.

And I am anxious to obtain more factual information on the effect that changes in mail processing and other actions to reduce postal costs have had on mail service in our State.

As a Senator I am working to eliminate waste from all government spending, including waste in our postal system operation. But I do not believe the cutbacks should be so severe that they seriously curtail mail collection and delivery.

As with defense spending, and other items in our Federal budget, I want to cut out the fat, the waste; but I do not advocate cutting into the muscle of vital Federal programs.

And that is what appears to have happened in our postal system, the muscle has been cut and service is decreasing. The General Accounting Office study initiated by me will determine the extent by comparing mail service in Texas today with the service provided by the old U. S. Postal Office Department.

### PINPOINT REASONS FOR DECLINE IN SERVICE--

Investigators will be sent into two of the 36 major Postal Service areas in the State to inspect and analyze service. They will trace the flow of mail along these service routes by reviewing pertinent documents and by interviewing postal employees; many of whom have expressed concern to my office about deterioration of mail service.

The GAO inquiry is designed to accomplish two goals. First, it will provide information as to the extent of the decline in mail service during the past two years. And second, it will pinpoint the reasons for the decline.

That knowledge should prove helpful in efforts to get our postal system operating at par again, so that the people of Texas may have the improved mail service which they deserve and need.

## Prison Rodeo Set For October Sundays

HUNTSVILLE---Exciting unusual events will highlight the 1972 edition of the Annual Texas Prison Rodeo which this year will for the first time feature events for convict women, it was announced by Jim Batten, rodeo supervisor for the Texas Department of Corrections.

Held in the prison stadium here each Sunday in October, this year's event will be an all-convict show, without the usual free world country and western stars as special guests.

Instead, Batten said, the Prison Rodeo will highlight convict bands and convict singers, who, Batten said, "are better than most guest stars who have appeared in previous rodeos."

"In a nut shell, the 1972 Texas Prison Rodeo will be a return to the original concept of a prison rodeo--with all convict performers," Batten added.

Rough and tough convict cowboys will be joined by convict cowgirls, bands and singers for a full-scale fast-moving two hour show that promises to be the "biggest, fastest and most

exciting entertainment spectacle ever presented in the long history of these annual events," Batten said.

In addition to the rodeo, which begins at 2 p.m., there will be a host of thrilling mid-way acts outside of the stadium from 9 a.m. to noon each Sunday. A pre-rodeo show will also be included in the entertainment package from 12:30 p.m. until showtime.

Convict events include the Mad Scramble, Calf Tussle, Wild Horse Race, Saddle Bronc Riding, Bareback Bronc Riding, Greased Pig Sacking, Wild Cow Milking, the original Hard Money contest, and Bull Riding plus the traditional Chariot Race to make the close of each performance.

Tickets are also available at all Foley stores in Houston and at selected Montgomery Ward retail outlets in cities from San Antonio east to the Louisiana state line.

Net proceeds from ticket sales are earmarked for rehabilitative services for more than 16,000 inmates of the state's sprawling prison system.

A Weekly Report Of Agri-Business News

Compiled From Sources  
Of The Texas Department of Agriculture  
John C. White, Commissioner

Fall Harvest Underway... Pecan Referendum Set... Milk Production Shows Slight Increase... Citrus Blackfly and Cattle Fever Tick Make Appearances.

With fall season approaching, Texas farmers are in the midst of cotton and corn harvest and are beginning pecan and citrus harvest.

Although yields are turning out better than expected for cotton, prices and sales of cotton are at a virtual standstill. For the most part, producers are apparently holding onto their awaiting the outcome of the present pricing situation. Cotton prices are now at or near loan levels.

For the state as a whole, cotton harvest is more than 25 percent complete. Corn harvest is more than 50 percent complete, grain sorghum harvest statewide is also more than half finished. Harvest of peanuts in the Blacklands and Cross Timbers areas is now underway. Rice harvest is virtually completed.

In South Texas, pecan harvest is getting started with an anticipated record crop of 70,000,000 pounds in store. The 1972-73 citrus crop continues to make good progress. Harvest of some early oranges has been reported. Grapefruit harvest should begin in early October.

CONTROL and eradication center has been located at Alice in Jim Wells County.

The infested area includes most of Jim Wells County, about half of Duval County and a small area of McMullen and Live Oak counties. Individual premises are under a quarantine established by the Texas Animal Health Commission in Dimmit, Nueces, Leon, and Kent counties.

Livestock producers who suspect their animals may have cattle fever ticks should contact the Texas Animal Health Commission at Austin or the tick eradication center at Alice.

MILK production in Texas during August was two percent above that of a year ago. Milk production in the state amounted to 278,000,000 pounds. Milk production per cow averaged 785 pounds, which is 15 pounds above a year earlier.

Nationwide, milk production is also two percent more than last year.

A NEW outbreak of the citrus blackfly has resulted in an enlargement of the quarantine in South Texas. Texas Department of Agriculture inspectors as well as federal inspectors are stepping up efforts to control the pest. Infested plants are being sprayed.

## Stop Boll Weevils

COLLEGE STATION—Even though the cotton crop may be harvested in some areas of the state, the 1972 season is by no means over! There's still a producers shred and destroy cotton stalks as soon as possible after harvesting so that fewer weevils will be able to feed and build up a fat supply necessary for successful overwintering (or diapause).

The Texas A&M University specialist explains the diapause condition that boll weevils enter as a sort of "hibernation" state in which they spend the winter.

Successful diapause control programs should reduce the need for early to mid-season insect control next year," says the entomologist. "Such in-season insecticide applications of ten trigger bollworm and budworm outbreaks by destroying beneficial insects."

Frisbie encourages producers who are still awaiting harvest to include an insecticide in their defoliant or desiccant to reduce the number of weevils entering diapause. "Needless to say, harvesting as soon as possible is another way to gain a step on these pests," he adds.

Once stalks are shredded, the debris should be plowed under to a depth of at least six inches.

"Destroying cotton stalks and plowing them under is a key means of cotton pest management," contends Frisbie. "As alternatives to insecticidal control become more prominent, various cultural practices such as this become more critical in reducing damaging insect populations."

The entomologist emphasizes that "a good way to set your sights on a prosperous cotton crop in 1973 is to take the necessary steps now to reduce boll weevil numbers.

big job ahead if farmers want to grow cotton again next year. And that job is destroying cotton stalks to reduce the food supply of overwintering boll weevils.

"Boll weevils were numerous in many areas of Texas this year," points out Dr. Raymond Frisbie, entomologist in pest management with the Texas Agricultural Extension Service.

## Committee To Study State Water Districts

AUSTIN -- House Speaker Rayford Price today announced the appointment of the Interim Committee to Study Water Districts in the State of Texas. Under the provisions of H.S.R. 45, as passed by the 62nd Regular Session, the committee is charged with the responsibility to determine if the passage of water district legislation passed during the 61st and 62nd Sessions of the Legislature was in the public interest, whether appropriate controls should be exercised over the passage of any such future legislation, and, if so, what those controls should be.

Representative John Traeger of Seguin will serve as Chairman of the Water Districts Committee. Joining Representative

Traeger are: Representative Terry Doyle of Port Arthur, Representative Grant Jones of Abilene, Representative Bill Clayton of Springlake, Representative Tim Von Dohlen of Goliad, Representative Chris Semos of Dallas, and Representative Bill Prenal of Bryan. Price recognized the public reaction to the creation of water districts by special legislation and its increased use during the latter sessions of the Texas Legislature and added that he had chosen the committee carefully to avoid personalities and conflict of interest in the committee's membership. He added, "I have the utmost faith in the members of this committee and am confident that they will hold full

and complete hearings and resolve this problem in the best interest of all the people of Texas." The Water Districts Committee will report its findings and recommendations to the next session of the Legislature when it convenes in January.

**Strange**  
Conceit is a queer disease. It makes everyone sick except the fellow who has it.

**Definition**  
Radical: A person who can outtalk you on any subject.

**A Substitute**  
There is no satisfactory substitute for brains, but silence does pretty well.

## Today's 4-H'ers Learn Oldest Art — Public Speaking

SPECIAL — Public speaking is one of the oldest arts in the world. Since ancient times orators have aroused, reassured and informed audiences through their

public speaking skills. Today, the art of public speaking is more alive than ever. Especially among the 183,000 young boys and girls who participate in the national 4-H public speaking program.

The program, sponsored nationally by Union Oil Company of California, helps 4-H'ers develop speaking skills that improve their self-confidence and their ability to communicate in all forms of media.

Alan Synar, of Muskogee, Okla., claims he overcame a speech defect and gained self-confidence through the 4-H public speaking program. A national winner of \$700 scholarship from Union Oil, in 1971, young Synar remembers the first time he started in 4-H public speaking. "I had an extreme stutter, complicated by an unusually fast-talking speech with no knowledge of

expression for emphasis." Synar overcame his difficulties through coaching and hard work. He earned more than 30 trophies and honors for his speaking skills, plus trips and other awards.

Along with the satisfaction of having built self-assurance and ability to communicate with others, 4-H'ers who participate in the public speaking program receive incentive and recognition awards. Union Oil, which has sponsored the program for over 23 years, gives four medals of honor to winners in each county. Fifty dollar U.S. Savings Bonds are awarded to the winning boy and girl public speaker in each state.

The Cooperative Extension Service then selects 18 sectional winners from among the state winners. Each of them receives an expense-paid trip to the National 4-H Congress in Chicago, Nov. 26-30.

At that event six \$700 scholarships are awarded national winners by the oil company.

For more information about the 4-H public speaking program, contact the county extension office.

### WHO KNOWS?

1. Congress has designated May 1st as a special day. What is it?
2. When and where was the first American marriage performed?
3. When is Mother's Day?
4. Who is credited with its origin?
5. Where is Cathay?
6. What bore the name of "Early Bird"?
7. Which is older—the National or American League?
8. Name the "Keystone State."

### Answers to Who Knows

1. Loyalty Day.

3. May 14th (always the second Sunday in May).
4. Miss Anna M. Jarvis, of Philadelphia.
5. Cathay is the ancient name for China.
6. The world's first commercial communications satellite.
7. National League.
8. Pennsylvania.

### Pied Piper

Little Tommy raced across the street to buy a strawberry cone from the ice cream truck. But as he started back, he stepped into the path of an oncoming car. Tommy was seriously injured, and his family sued the ice cream company for having failed to warn him of the danger.

At the trial, the company protested that its driver had no obligation to take care of other people's children. But the court ruled otherwise. Ordering the company to pay damages, the judge said: "The sense of haste is purposely aroused in the children by the tinkling of bells and flashing of lights. The responsibility of one who provokes into action the nature's recklessness of children ought (to) be proportionate to the danger he creates."

There have been a number of these "Pied Piper" lawsuits in which a street vendor has been held liable for tempting a child into jeopardy. However, some courts have rejected such claims, at least when special circumstances come into the picture.

Consider another case, also involving injury to a youthful ice cream purchaser. This time, the boy had walked some distance around the rear of the truck before starting back across the street. Moreover, he was a vigorous 10-year-old, the kind of youngster ordinarily well able to cross alone.

Denying damages, the court said the driver could not fairly be blamed for assuming that the boy was "on his own."

Furthermore, the victim himself may be guilty of negligence. Thus:

An 11-year-old boy leaped onto the running board of an ice cream truck, out of the driver's line of vision. When the truck began to accelerate, the boy fell off to the pavement.

In the lawsuit that followed, he acknowledged that he had been aware of the risk he was taking. Turning down his claim, the court said:

"All the essential ingredients of contributory negligence were present."

# Ranchers Discuss Insect Problems

FORT WORTH, TEXAS, --- Texas ranchers, besieged by outbreaks of screwworms, fire ants, fever ticks and scabies, met in Midland, Tex., Sept. 22-23, at the quarterly directors meeting of the Texas and Southwestern Cattle Raisers Association (TSCRA) to discuss their plight and work toward solutions.

The meeting, attended by several hundred ranchers across Texas, listened to health experts from the Texas Animal Health Commission and the U.S. Department of Agriculture explain what actions as individuals and as an association they could take to stem the costly tide of diseases sweeping the cattle industry.

William C. Donnell, TSCRA president from Maratho, presided over the general session Sept. 23, and along with Don C. King, TSCRA secretary-ge-

neral manger, reported upon association activities. Giving committee and special reports to the assembly during the general session were TSCRA First Vice-President Hilmar G. Moore, John Armstrong, R. E. Samuel Jr., Gardner Duncan, Gage Holland, John Matthew, John Cargile, Billie B. Davis, Tobin Armstrong, and Fred Wulff, Chairman of the National Live Stock Tax Committee. State Rep. Joe Hubenok of Rosenberg presented a graphic report on the imported fire ant epidemic now plaguing the Texas Gulf Coast.

The screwworm outbreak, so bad this year that it has gained national attention, was reviewed by John Armstrong, chairman of the animal health committee. Armstrong told the cattle men that USDA Assistant Secretary Richard E. Lyng personally assured him that some

\$2 million in additional funds will be made available so that the Screwworm Eradication Project at Mission, Texas, can continue to operate. The Mission plant was forced to cut-back production of sterile flies earlier this year due to limited funds.

The cattlemen were told that the TAHC, will help from the USDA, will be dipping more than 100,000 head of cattle a week at the height of the shipping season, in order to control the scabies problem. A large area in the Texas Panhandle is now under a quarantine restricting cattle movements because of the scabies infestations.

Regarding brucellosis, the ranchers were told that Texas is on the verge of becoming "modified-certified." In order to achieve certified-free status, all cattle that are shipped from the state must be testes brucellosis-free for one year. Adjacent states are now working toward this "certified-free" status, indicating an infection rate of less than 1/10 of one per cent.

With mixed emotions the directors heard that while experts feel the Texas fever tick out-

break, which brought a quarantine in four South Texas counties, i s under control, they can expect the quarantine to be in

# Lily Tomlin Will Appear At WTSU

CANYON, Tex. -- The many faces of shaggy-haired comedienne Lily Tomlin--from the sultry telephone operator Ernestine to the jam-faced waif Edith Ann--will come alive when the talented Laugh-In performer appears Oct. 14 at West Texas State University.

Miss Tomlin, who will perform at 2 p.m. in the Fieldhouse has charmed both television and college audiences with her impersonations of a zany menagerie of characters.

A native of Detroit, the "twentyish" funny girl says she first found out "that people respond to the characters I unvented" while in college. Her first character was what she calls the "Tasteful Lady," which she says was loosely based on the Ford women.

She got her first theatrical

effect from two to five years. Tick-infested cattle have been traced to far away as California.

# NEWS REPORT FROM WASHINGTON

Nixon In? Miami Contrast-G.O.P. Unified-Democrats Split-

Washington, D. C. -- The aftermath of the G.O.P. convention finds President Nixon in a position of overwhelming political strength. The Republican convention produced a platform acceptable to liberals (except for the school busing issue) and also aimed at the labor vote.

Mr. Nixon, however, pleased conservatives by choosing to run again with Vice President Spiro Agnew, by siding with them in several organizational fights and in supporting conservatives for several key party jobs.

Thus conservatives are generally running the party and the campaign, the G.O.P. ticket meanwhile running on a rather liberal platform. It is a formidable political combination.

One result is that, for the first time since 1964 and 1966, the result of a November election is being widely conceded, even by many Democrats, months before

the voting.

Polls showing the President with a 2-1 lead indicate he is indeed unbeatable unless something drastic or earth-shaking changes the picture. That isn't expected to happen.

The party conventions in Miami offered television viewers interesting contrasts. The Democrats reached several of their dramatic peaks long after most viewers had gone to bed. The Republicans, their ticket known in advance, sought to touch viewers with sentiment and ceremonial procedures. Democrats left split, Republicans unified.

Though Democrats this year were not in such disorder as in 1968, nevertheless the G.O.P. convention was a more precisely arranged and ordered political exhibition.

That order and the theme of building on what is already good in America ap-

# FOOTBALL

By Pete Fritchie

Washington, D.C. -- There is ample justification for rating Missouri the top collegiate football aggregation in the country this season.

The big red football machine that won the national title last year, and then humiliated Alabama at Miami in the Orange Bowl was one of the most impressive gridiron juggernauts sports writers had seen in years.

The Missouri eleven that was number one last year was big, fast and beautifully coordinated, which showed in its win over a really lethal Oklahoma team.

Of course, all opponents on Missouri's schedule this year will be set for the champions and upsets are more than possible in collegiate football.

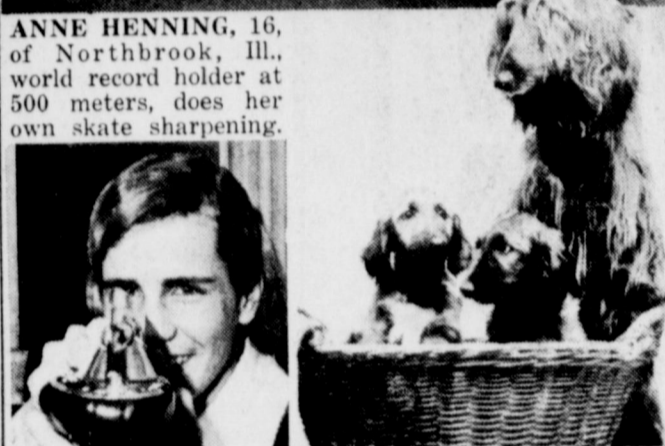

On the strength of 1971's performance and returning lettermen, nevertheless, the favorite this season must again be Missouri.

U. S. election obsesses many South Vietnamese.

'SPLENDIDLY BRITISH' is the Britons' own description of this Ogle Aston Martin 3-seater sports car.

ANNE HENNING, 16, of Northbrook, Ill., world record holder at 500 meters, does her own skate sharpening.

HAIRY OUTLOOK: 11-week-old Afghan pups have to wait for hair as long as Mom's, Chelenda Aglair.

'BIGGER PICTURE' for TV set production is seen by RCA exec v.p. Barton Kreuzer: 370 million to be sold in U.S. in next 25 years. Only 6,000 sets, like type at left here, moved in 1946, but 14 million in 1971. Color receivers should account for more than half 1972's sales. (On tube at left, Milton Berle; at right, Frank McGee.)

Cotton producers across the Belt are asking "What happened to our markets?" And almost simultaneously, "What can be done about it?"

"There is an unfortunate but plausible answer to the first question, but the second is not so easy," according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. of Lubbock.

The carryover of cotton on August 1 this year was down to 3.2 million bales, the lowest in 20 years and some 3 million bales below part what most in the industry say is needed each year to prevent market losses to competing fibers.

U.S. production for 1972 is now forecast at 13.6 million bales, enough to satisfy this year's expected domestic and export offtake of 11.5 million bales and bring the August 1, 1973 carryover back to over 5 million bales.

Are these facts alone enough to explain the drop in spot market quotations of over eight cents a pound since July 1 of this year? Do they constitute a reason why many producers in early harvesting sections of the Belt can't find a buyer for their production at any price?

"Obviously not," says Johnson. "The prospects for a 1972 crop of 13.6 million bales, coupled with the fact that expected offtake for this marketing year is expected to be some 2 mil-

lion bales below that figure, is obviously a factor in the current market situation," he said, "but it is not the only factor."

Along with these statistics, Johnson notes, goes the fact that many mills contracted in advance for cotton to meet their needs well past the time when the 1972 crop will be fully available to the market. "It was easy to predict that cotton prices would soften somewhat in July when prospects of a larger 1972 crop showed promise of easing the tight supply situation that developed last year. But his price softening was turned into a price nose-dive when mills, with no pressing need for cotton at the moment, withdrew from the market altogether.

"It is natural in a rising market, such as the one in late 1971, that buyers will rush to fill supply requirements before the price goes higher, and it is equally natural that they are reluctant to buy for future needs in a market that is going lower every day."

As for "What can be done about it," Johnson is of the opinion that preventive action should have been and could have been taken last Fall when USDA announced provisions of this year's biennial cotton program, but that nay remedial action that can be taken at this late date will be less than effective.

As an example of "preventive" action, he believes the loan level for 1972-crop cotton should have been set well above 19.5 cents per pound, the level announced by USDA in October, 1971. He went on to say "PCG in early 1971 presented to USDA and to the Senate Subcommittee on Cotton an abundance of reasons for a higher loan level to protect producers against disastrous prices. And we documented the fact that there was legislative authority for a higher loan level, but to no avail."

PCG also urged USDA to raise the minimum resale price for stocks of cotton held by the government as well as additional means of shoring up prices in declining market situations. But this too was rejected.

"Since that time," Johnson continued, "we have spent a lot of time and effort toward getting USDA to make more effective use of the PL 480 program in moving cotton into foreign markets, particularly the excess supply of low quality short staple cotton. In this respect we have had some success, but not enough to stave off the dire market prospects we feared all along."

Other organizations are now proposing that the loan level for 1972-crop cotton be raised

or that "emergency" action in some other form be instituted. "But the sad facts are that we are already into the harvest season, the damage from short-sighted government policy has already begun, there is little or nothing that USDA can do within its current authority to alleviate the situation, and the thought that Congress will now enact helpful legislation is little short of daydreaming," Johnson stated.

"But we can look ahead and search out ways in which to prevent a recurrence of the present market situation," he concluded. "We can, and at PCG we will, insist on more price protection for 1973 in the level of the loan and in the resale policies of Commodity Credit Corporation. And we can begin now to develop in future cotton programs a better means to eliminate the inevitability of disastrous prices every time we produce an adequate supply."

**Some folks  
are going to  
get this great set  
of expensive  
cutlery  
for less than  
wholesale.**

**Tri-County Savings  
and Loan Association  
can cut you in on  
the deal.**

Tri-County Savings & Loan Association will give you FREE, a BLACK ANGUS paring knife. The heavy pakkawood handle makes it easy to hold, the new super-sharp cutting edge is hand-honed.

All you have to do to get your paring knife is open a new savings account for \$25.00 or add \$25.00 to an existing savings account.

In addition to the FREE paring knife, you will be offered seven more "BLACK ANGUS" cutlery pieces. We'll be offering you one a month at less than half retail price for each \$25.00 savings deposit.

When you acquire all eight, you will receive a FREE case.

Here's what we'll be offering you:

CARVING KNIFE . . . thin slicer for all carving tasks.

ALL-PURPOSE KNIFE . . . just the right size for dicing.

JUMBO FRENCH KNIFE . . . the chef's favorite.

**Present Account holders will be given a Paring Knife FREE.  
Come in and pick up your FREE Knife.**

FILET (Boning) KNIFE . . . the world's sharpest filet knife.

HAM SLICER . . . for large roasts or hams.

CARVING AID . . . holds meat in place while you carve.

FRENCH KNIFE . . . great for chopping or slicing.

Start your set of BLACK ANGUS cutlery now. The matching pieces will be available monthly, when you open or add \$25.00 to your savings at TRI-COUNTY SAVINGS AND LOAN ASSOCIATION.

Come in and see the display and watch for the knife of the month.
