Stallings Becomes 8th Board Candidate

Dean Stallings, a 32-year-old farmer-rancher, last week became the eighth person to enter the trustee race for the Hereford Independent School District.

Stallings joined the race with Sylvia High, Jim Arney, Clyde Whitaker, John Thames, Bobby Veigel, Don Lowder and Douglas Nix. Veigel is the only one of three incumbents who announced for re-election to the school board.

Olin Parris and Hugh Clearman, long-time board members, indicated they will not seek re-election.

Stallings was born and raised in Muleshoe and graduated from high school there. He served in the U.S. Air Force from 1958 to 1962 and lived in Oklahoma for a short time before moving to Hereford.

He has lived in Hereford for seven years.

Stallings is a member of the Lions Club and the Chamber of Commerce and he and his wife, Jeri, and two children belong to the First United Methodist Church.

"I felt this was a good opportunity to serve the community," Stallings said when asked why he decided to seek one of the three non-paying positions on the board.

With the announcement by Stallings, the race for the board turned into one of the most contested in recent years, still with about two weeks left before the filing deadline.

The deadline for filing is March 2 and the election will be held April 1. Absentee voting dates are from March 13 through March 28 at the school tax office on North Schley Street.

polling places will be at the tax office, the Community Center and at the Dawn Community Building. Absentee balloting will be at the tax office.

Dean Stallings.

BY MARSHALL DAY
News Editor

Gilliland Funeral Home, which has provided ambulance service to Deaf Smith County for the past 48 years, announced Friday it would discontinue that service within the next month.

In a simple statement issued by Marlin Gilliland, owner of the long-established business, it was disclosed that the service was being discontinued to do justice to the business of handling funerals.

"We at Gilliland Funeral Home feel that the funeral business is our primary business and that the ambulance service that we have provided has always been a community service rather than a business and have decided to discontinue our ambulance service on or about April 1st of this year because we feel unable to operate an ambulance and do justice to those who we serve in the funeral service," Gilliland said.

The Gillilands made their first ambulance call in 1924 and have been making them since that time. They have provided service for emergency calls in Hereford, for home to hospital patients, hospital to home patients and also transportation for patients needing to be transferred to another hospital in another city.

The move to cancel the ambulance service marked the second such move by a major Panhandle city within the past year.

Pampa, with a population of more than 10,000, was the first city to drop its ambulance service. That was done in September of last year when the city's two cooperating funeral home services terminated their service.

That cancellation was due to new state requirements, according to officials of the Pampa funeral homes.

That, however, was not the case locally, Gilliland said. The local ambulance service still complies with state laws.

The city commission and the county commission were notified of the service cancellation Thursday and the subject is expected to be presented to the city commission at its Monday meeting.

City Manager Dudley Bayne said there are a number of alternative routes that could be

taken to see that Deaf Smith County has an ambulance service.

"I don't know how this is going to turn out," he said.

"We have a hospital district formed now and it ought to be taken care of there. They have the taxing authority and they could use hospital personnel to run an ambulance service. That would be a way to go that wouldn't cost the taxpayers much money."

Bayne said the idea of the hospital district taking over the ambulance service is "strictly mine" and not necessarily that of the city commission.

Bomb Scare Interrupts Classes

Regular school activity at Stanton Junior High School was disrupted temporarily Thursday when a caller warned of a bomb hidden in the school and set to explode at 1:30 p.m.

Three juveniles were later arrested in connection with the threat, but as of Friday there had been no charges filed and the incident was still under investigation.

A Stanton secretary took the call, and notified Stanton Principal Don Martin, who contacted the sheriff's department.

To keep from upsetting the school and causing a panic, Martin went on the intercom and explained the situation to the students, minutes after they all had returned from lunch.

Law enforcement officers and several teachers then searched for the bomb while the student body filed out of the building in fire drill formation.

Deaf Smith County Sheriff Travis McPherson said Friday that school officials maintained good control of the situation and took proper precautions.

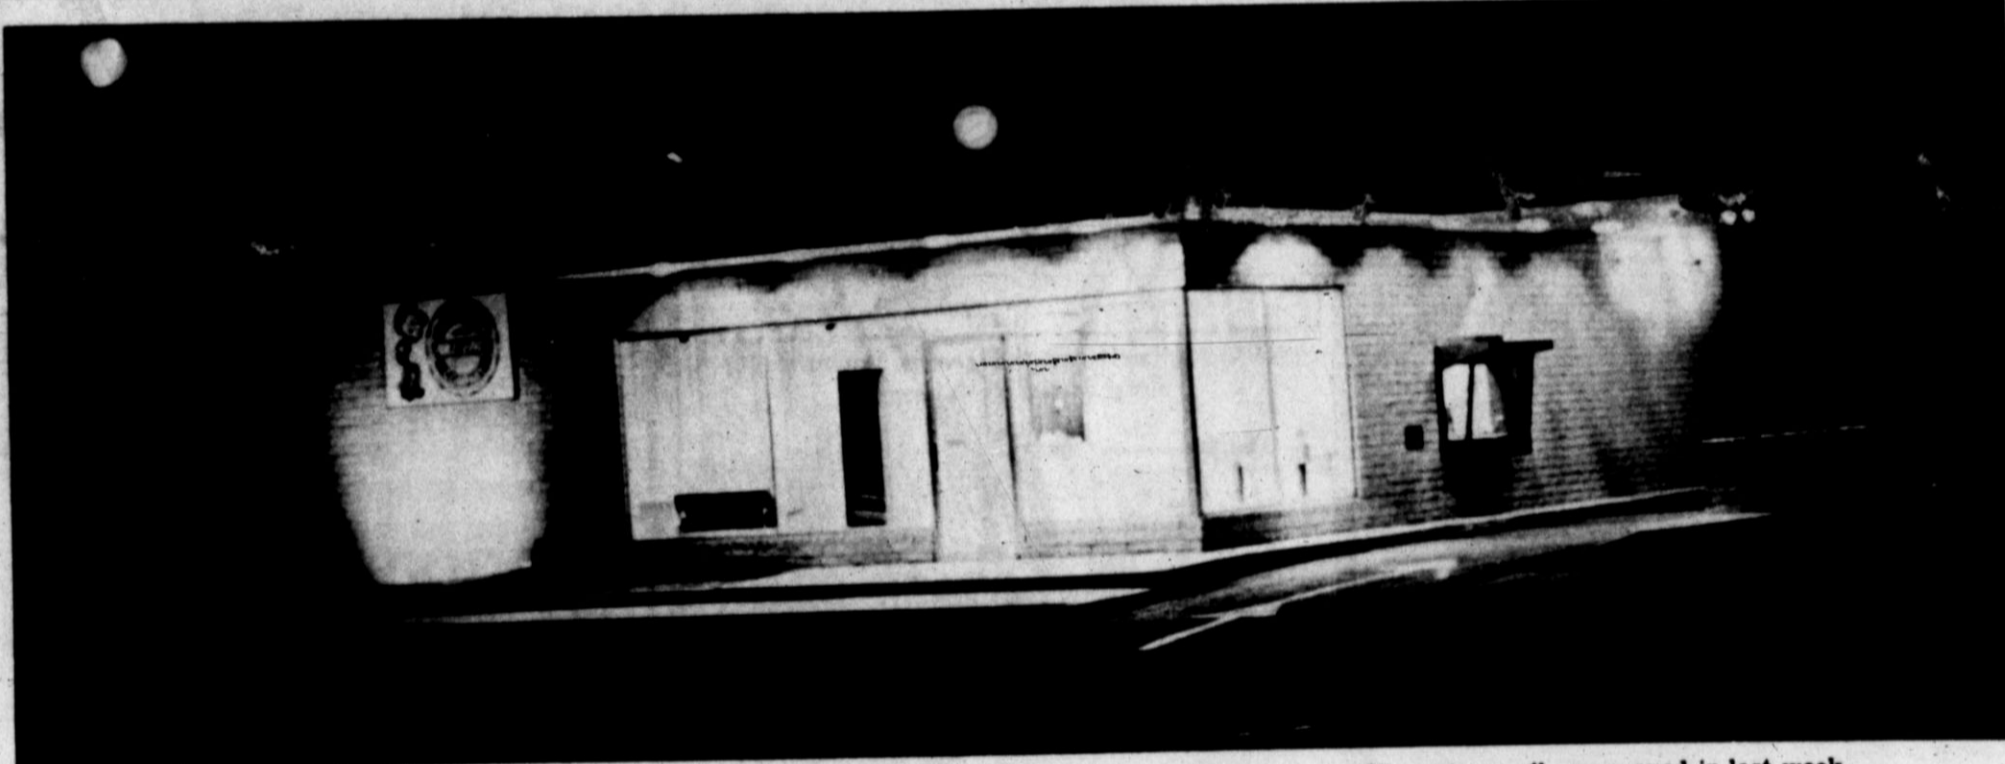

"It only took us about 10 minutes to search the building, because a bomb of any size would have been easy to locate," McPherson said.

"The school already had several suspects when we arrived and at this time it is believed that there were three juveniles involved. We do know who made the call."

Article 1723a of the Texas Penal Code concerning the "false information conveying the presence of a bomb", which carries a three to 60-day jail term or a \$50 to \$500 fine does not apply to juveniles.

As set down by the law, the minimum punishment for this offense by a juvenile carries a penalty of administrative probation or the maximum of imprisonment in Gatesville.

Article 1723a of the Texas Penal Code concerning the "false information conveying the presence of a bomb", which carries a three to 60-day jail term or a \$50 to \$500 fine does not apply to juveniles.

NIGHT LIGHTS - The Southwestern Public Service Company's new facility at Lee and Fourth

Streets offered a striking night-time scene. The new building was completed about a week ago and the office personnel was moved in last week.

Warning System Funds Are Matched

Congressman Bob Price of the 18th Congressional District received notification Friday that the office of Civil Defense has approved federal matching funds for the purchase of 25 Civil Defense warning sirens for Hereford.

The grant, for the amount of \$17,032, will be used for the purchase and installation of the warning devices and associated consoles, which will be used locally to warn residents of approaching tornados and other emergencies.

Bids for the emergency warning system will be opened Monday at 2 p.m. by members of the city commission. The bids will be read over at that time and probably placed on the agenda for that night, although the city cannot award the contract until later in the week.

The city has allocated the same amount as the grant for the purchase of an up-to-date alert system that would warn the entire city of an approaching emergency.

It has been discussed in the county commissioner's meetings in the past to possibly go into the paying for the system and extend it outside the city limits. The county commissioners said at one of their earlier meetings

that the matter had merit, but no official action was taken at that time.

"They are not obligated, but if they want to participate they can," City Manager Dudley Bayne said.

The 24 units would be located at strategic points throughout the city and would operate off a 12-volt battery that would have a stand-by charger built into them.

They will be mounted on 30-foot telephone poles and would be independent of outside electrical power, thus preventing a breakdown in case a tornado or other disaster knocked out the city's power supply.

Each unit will cover a radius of about 1,200 feet and would overlap the sound distance of near-by sirens.

"The system comes nearly a year after it was first discussed. During the April, 1971 tornado

that swept through the eastern portion of Hereford, the present two-siren system did not alert people of the approaching tornado.

Research Analyst Schedules Seminar

Approximately 1,000 farmers, bankers and businessmen are expected at the Bull Barn Monday for the first of a series of lectures being sponsored by the Texas Grain Sorghum Producers Board.

Arnold Paulson will be the featured speaker at the 6:30 p.m. seminar. He will start a week-long speaking engagement here and will continue on to Dumas on Tuesday, Amarillo on Thursday, Plainview on Saturday, Brownfield on Feb. 28 and wind up at Lubbock on Feb. 29.

Paulson's topic will be "Agricultural Income—A Plan to Save Rural Communities." The purpose of the lectures is to explain the importance of farm income to the area and national economy.

The lecture will be about three hours in length.

Paulson is a research analyst from Granite Falls, Minn., and spoke at a seminar here last year.

He is owner and manager of Minnesota Business and Industrial Agency, national chairman for Citizen's Congress for Private Enterprise, executive vice president of National Organization of Raw Materials, Ltd., past state president of Minnesota Junior Chamber of Commerce, and former president of Granite Falls Chamber of Commerce.

Also, he is past Americanism chairman of the U.S. Junior Chamber of Commerce, was named Minnesota's Outstanding Young Man of 1950, and has served as agricultural consultant for two presidential candidates.

Gates Close Early For Game

Hereford Whiteface fans planning to attend the showdown battle in Plainview Tuesday night, should arrive at the gym no later than 7 p.m., according to Ron Mayberry, Whiteface coach.

Mayberry said that because of a relatively small gymnasium the doors will be closed after 7 p.m. Tuesday night or whenever the gym is full.

The contest will decide the champion of 4-AAAA for the second half, and the winner will play Lubbock Monterey, first half champion, in a play-off for the loop title.

The Herd defeated Monterey, 58-53, Friday night in Hereford, and Plainview bested Lubbock last Tuesday night in Plainview to set up Tuesday night's tilt. Plainview was open Friday night.

In an earlier contest this season Plainview broke open a close game in the last few minutes and defeated the Whitefaces in Hereford.

Church Now Offers New Dial-A-Prayer

Hereford's first "Dial-A-Prayer" service became a reality today.

The First Christian Church to

service for the people of Hereford and Deaf Smith County. The number of the service is 364-6000.

A recorded prayer that will be changed daily, will be by Eugene Brink, minister of First Christian Church. He returned Thursday from a meeting in Fort Worth and the first message was taped Friday.

Plans are to have the minister tape the initial message and later on involve both laymen and other ministers of the community in recording prayers and messages.

The "Dial-A-Prayer" messages will be operated on a 24-hour basis.

The messages will vary in length and then will be followed by the suggestion that the caller

turn to a designated Bible passage.

The idea of the "Dial-A-Prayer" was instigated several years ago and work on the project was done by First Christian Church's worship committee. Members of the committee are Roy Faubion, chairman, Glen Nelson, Mrs. Ed Reinauer Jr., Mrs. Bill Penn, Raymond Flores and Mrs. Walter London Jr.

"It is hoped that the prayers will be meaningful and helpful to people of all denominational backgrounds," Brink said. "The congregation also maintains a prayer chapel on the west side of the church building, adjacent to the offices and persons who want to call the minister at the church office still should call 364-0373."

Aikman Student Is Essay Winner

An Aikman Elementary student's essay on "Conservation—The Key To Survival" was selected as the best in the local district and will be entered in regional and state competition.

Richard Waters was one of seven students named to the top spots in their respective schools and from that number he was named as the winner in the Tierra Blanca Soil and Water Conservation District.

He received a plaque as the over-all winner and a trophy

and a first place blue ribbon for being among the top seven.

There were some 275 students who entered essays in this year's contest which is aimed at making students more aware of the importance of conservation. The themes were limited to 300 words or less and were judged by the conservation district board at its last meeting.

Waters' essay will be sent to regional competition in Clarendon on May 10 then later on to Fort Worth for the annual Texas Conservation Awards Program sponsored each year by the Fort Worth Chamber of Commerce.

Other school winners included Kelli Stallings, Jessie Guillen and Charles Berryman from Bluebonnet Elementary; Danny Anderson, Vickie Christie and Jeff Nielson from Tierra Blanca Elementary; Waters, Richard Olson and Iris Frausto from Aikman Elementary; Rhonda Joann Hagar from Stanton Junior High; Mary Jane Cano and Debra Diane Livingston from La Plata Junior High; David Walterscheid, Mike Foster and Karen Schlabs from St. Anthony's School; and Carmela Burges, Denise Strage and Vicki Mills from Hereford High School.

The top essay winner in each school received a cup trophy and a first place ribbon while second and third place finishers in each school received a ribbon.

Unusual Ranch School Dean Is Visitor Here

A guest of Mr. and Mrs. Keith Jorde, the dean of students at an unusual private school on an Arizona ranch was introduced to a number of their friends at a supper Thursday evening in their home on Harrison Highway.

He is William S. Hart Jr., who has been in faculty and administrative positions with the Orme Ranch School the past 16 years.

He is also director of the Quarter Circle-V summer camp, associated with that school, and became acquainted with the Jordes when two of their children, Marta and Paul, attended the camp last year.

The Orme School, which numbers among its pupils children of notables such as Gov. Ronald Reagan of California and motion picture star James Stewart, is located "in the middle of a 40,000 acre cattle ranch about equidistant from Phoenix and Flagstaff," Hart says.

It was established in the 1930's when the Orme family started a school for their own children, and now has 195 students enrolled, representing 35 states and five foreign countries. Co-educational, it offers college preparatory courses for students from eighth to 12th grades.

Most numerous are students from California, with Arizona second and the New York-Boston area third. There are "a good many Texans now," Hart says, from cities as scattered as Wichita Falls, Houston and Marfa.

"The school has a definitely conservative outlook," the dean

continues, "as you can judge from the last three commencement speakers—Reagan, Barry Goldwater and William F. Buckley Jr."

He brought slides and a film narrated by actor Stewart, to show activities at the school.

With the same name as a famous western film star of early movies, Hart disclaims kinship. He is a native of West Virginia, and after graduation from the university of that state began his teaching career.

"Teaching is all I ever wanted to do," he avers.

VFW Official In Hereford For District Meet

W.K. Huber of Corpus Christi, a life member of Veterans of Foreign Wars Post 2397, and vice commander of the VFW Posts of Texas is in Hereford this weekend to speak at a District 13 meeting.

The district meeting is being hosted by local Post 4818 of Hereford, which is commanded by John Green. The meeting got underway yesterday, and today's schedule of events are slated to begin with registration at 8 a.m.

Melvin Jayroe of the Hereford Chamber of Commerce will give the welcoming address to the assembled veterans today, and a joint meeting of the post and women's auxiliary also will be held.

Dean William S. Hart Jr. with friends, Paul Jorde, right, and John McCrary

Gardeners Begin Festival Project

Participation in the second annual Community Arts Festival slated April 15 and 16 in the Community Center under sponsorship of the Women's Division of Chamber of Commerce was the topic of discussion for business when members of Bud To Blossom Garden Club met Friday morning.

Mrs. W.H. Gentry was nominated as chairman of arrange-

ments for her club. Mrs. Bruce Brown, president, presided over business while Mrs. Steve Coney-way served as hostess in her home.

In program Mrs. Gentry gave a lecture and demonstration on How To Preserve Flowers using a silica gel compound. Mrs. Billy Wayne Sisson displayed roses she had preserved in this manner three years ago.

Other flowers preserved and on display by members were dahlias, asters, marigolds and chrysanthemums. Mrs. Jess Robinson followed with a demonstration on arranging Bois D'Arc Apples.

Welcomed as a club guest was Mrs. John Gilliland.

Others present were Mmes. Jim Pavlicek, Homer Powell, Raymond Zamarripa, John Charvarria and Ray Polen.

Mrs. Pat Malone will be hostess for the March 3 meeting.

EVEN HONEY GOES UP
FORT WORTH, Tex. (AP) 8 There is a critical shortage of honey in the world despite all the busting of all the bees, says Edward Burleson of Waxahatche.

Addressing the Texas Beekeepers Association, Burleson said the cost of honey almost doubled in 1971.

"We have a world shortage of honey because of weather and plant conditions," Burleson said.

Along the Frio

BY MRS. OWEN ANDREWS
Mr. and Mrs. Floyd Cole visited their daughter, Cheryl, at Stillwater, Okla. where she attends college. They later went to Vinita, Okla. to visit the Harold Shearharts. Mrs. Shearhart recently had undergone surgery and was doing fine.

Joe Andrews and son, Jason, attended funeral services Saturday morning at Carrizo Springs for Dick Power, who passed away suddenly on Thursday. Mr. Power, with his brothers, Pat of Dallas and the late Tom Power of Carrizo Springs, have owned and operated vegetable processing plants here and several other Texas points.

Funeral services for Mrs. Hollie Johnson, 67, who died Friday, Feb. 4 in Golden Age Nursing Home in Amarillo, were held in Schooler-Gordon Chapel in Amarillo on Saturday. Rev. F.L. Richardson of Souls Harbor Church, officiated.

Mrs. Johnson was a native of Nocona and burial was there in Shady Grove Cemetery Sunday after a 2 p.m. graveside services.

Mrs. Johnson is survived by a son, Robby Dale of Amarillo; two daughters, Mrs. Treva Jo Taylor of Lubbock and Mrs. Wanza Bannister of Orlando, Fla.; and six grandchildren and two great-grandchildren. Also two sisters and six brothers, including Wesley Brown of Dimmitt, Dick Brown of Hereford and Noble Brown of Umbarger.

Her husband, John died several years ago when they lived in Canyon. The Johnsons lived in Friona community during the early 40's in the house which is now the Frank Robbins' home. They were active in community and church activities and the children attended Frio school. They also lived in Hereford for several years.

Mrs. H.M. Mobley was honored Sunday at a birthday dinner at the Floyd Cole home. The Don Mobeys of Farmington, N.M. were here for the weekend as were the Earl Renos of Midland and the Herman Vinson of Pampa, for the celebration. Family members took Saturday night supper with the D.C. Millers of Hereford.

ROTARY SPEAKERS — Bill Phillips, left, and Roy Hartman presented the program Monday at the weekly meeting of the Rotary Club. The two discussed the local school system and the recent court ruling that distribution of school taxes is unconstitutional.

HORSE CLUB MELTS MONDAY

There will be an organizational meeting of the Deaf Smith County 4-H Horse Club Monday, at 7:30 p.m. at the Community Center.

All youth between the ages of 9-19 who are interested in horses are urged to come and bring their parents.

Seven Accidents On County Roads During January

The Texas Highway Patrol investigated seven accidents on rural highways in Deaf Smith County during the month of January, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in four injuries and no deaths.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for January, 1972 shows a total of 500 accidents resulting in nine persons killed and 217 persons injured as compared to January, 1971 when 467 accidents resulted in 17 persons killed and 235 persons injured.

Also during 1971, Lubbock County's 511 traffic accidents was the highest number recorded by any county of the Lubbock Department of Public Region. Parker County ranked second with 429 accidents.

The nine traffic deaths for the month of January, 1972 occurred in the following counties: Lubbock, 3; Palo Pinto, 2; Cochran, Garza, Gary and Wheeler, one each.

Training Project Is Planned Here

The Texas Employment Commission and the Texas Education Agency recently approved an automobile paint and body repair training project to be administered through the Hereford Independent School District.

The project is part of the Manpower Development Training Act and will be a 34-week training period beginning March 6 and ending Oct. 31.

Lester Rape, TEC manager, said applicants still are needed for the program. Anyone interested in taking the course should make application at the Texas Employment Commission at 403 West Seventh.

Any person who is unemployed or underemployed, 18 years of age or older and has a desire to do paint and body work, is eligible for the program.

Trainees who are heads of families may be paid \$42 per week in allowances, plus \$5 per week for each dependent up to six dependents. Trainees under 22 years of age may receive \$43 per week and travel allowances are to be paid to trainees who commute to the training facility.

Trainees must attend classes eight hours each day, Monday through Friday. Training will be

Hereford Man's Sister Buried

Funeral services for Mrs. Forrest Johnston of Dangerfield, sister of S. Kelly Coplin of Hereford, were conducted Friday afternoon in the Church of Christ at Dangerfield and burial was in Dreamland Cemetery there. Mr. and Mrs. Coplin left Thursday to attend the services.

Mrs. Johnston, whose death occurred Tuesday, is survived by her husband, two daughters, two grandchildren, a sister and three brothers.

ICT STUDENT OF THE WEEK — Paula Haug, 16-year-old daughter of Mr. and Mrs. Fred Haug, 417 Ave. J, has been selected as this week's Industrial Cooperative Training Student of the Week. Miss Haug is a junior at Hereford High School and serves as assistant to Dr. Weslie Owen, dentist. She is pictured above with Dr. Owen.

STATE CAPITAL

Highlights AND Sidelights

by Bill Boykin

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—The complex question of financing May and June primary elections is heading for a final legal test.

Comptroller Robert S. Calvert asked Atty. Gen. Crawford C. Martin for an official opinion on Secretary of State Bob Bullock's plan to pay for the party primaries with state funds.

Bullock forced the issue to a head last week by handing Comptroller Calvert \$73 worth of initial pre-primary bills and asking him to pay them.

Calvert balked and took the matter to Martin for advice.

"I will not pay anything out of the treasury for this unless I have a written opinion from the attorney general or an order of the court," said Calvert. He added he does not think Martin will advise him to pay the bills submitted by Bullock.

"If the vouchers are, for some

reason, not approved, I intend to place this question before the Texas Supreme Court at the earliest possible moment so that the entire matter of primary financing can be adequately, equitably and finally resolved," Bullock stated.

He moved with court authority to formulate rules for the primaries after a three-judge federal court January 20 struck down the filing fee law relied on to finance the spring elections.

Gov. Preston Smith proposes to transfer to him more than \$1 million for paying primary bills if the plan is finally cleared by legal authorities.

Rep. Rayford Price of Palestine accused Smith and Bullock of pre-empting prerogatives of the legislature, and said the governor should call an immediate special session to give lawmakers another whack at resolving the problem. Reps. Price Daniel Jr. of Liberty and Jim Nugent of Kerrville defended Smith and Bullock and charged Price was trying to further his House speakership campaign.

Daniel and Nugent are also seeking the speakership.

PRIMARIES CROWDED — A total of 55 candidates for statewide office entered the Democratic primary before the February 7 filing deadline. There are contests for every office on the statewide ballot except four judicial places.

Republicans fielded only 10 state office candidates—and seven of them are running for governor.

There are 10 Democratic candidates for governor, five for U.S. Senator, nine for lieutenant governor, three for attorney general, nine for comptroller, seven for treasurer, two for land commissioner, two for agriculture commissioner and four for

railroad commissioner.

Republicans have only one candidate each for U.S. Senator (incumbent Sen. John Tower), treasurer and railroad commissioner.

Former Sen. Ralph W. Yarborough and Barefoot Sanders of Dallas are the leading Democratic candidates for senator. Governor Smith, Lt. Gov. Ben Barnes, Dolph Briscoe of Uvalde and State Rep. Frances Farenthold of Corpus Christi will stir most of the action in the governor's race. Three state senators and a newspaper executive are battling for a runoff spot for lieutenant governor.

HOSPITAL FUNDS APPROVED—Loan guarantees with interest subsidies totalling more than \$23.8 million have been approved by the Texas Board of Health for 14 Hill-Burton hospital construction projects. Another \$450,000 was set aside for the Ranger General Hospital pending completion of a feasibility study of its new building program.

Subsidies were approved for Texas Medical Center Laundry Co-op Association, Houston; Scott and White Memorial Hospital at Temple; Henderson Memorial Hospital; Eastland Memorial Hospital; Freestone County Hospital at Fairfield; Heart of Texas Memorial Hospital at Brady; Decatur Hospital Authority; Marshall Memorial Hospital; Bailey County Hospital District at Muleshoe; Red River County Hospital at Clarksville; Nocona Hospital Authority; King's Daughters Hospital at Temple; Richards Memorial Hospital at Rockdale and St. Anthony Hospital at Amarillo.

Twenty-six other applications will be considered at a March meeting.

COURTS SPEAK—Texas Su-

preme Court ordered a district court trial of an Andrews property owner's suit to force his local school board to tax bank stocks.

The High Court also held a 57-year-old woman who received a broken leg after being butted by a "petting zoo" goat cannot collect damages from Six Flags Over Texas.

The State Court of Criminal Appeals reversed convictions of three El Paso men for possessing obscene material (girlie magazines) for purpose of sale.

For the second time, the Court of Criminal Appeals reversed lower courts and ordered a new trial for a man arrested with a truck load (567 cases) of cigarettes which had no state tax stamps.

The Third Court of Civil Appeals ruled out a suit by parents of a blind boy who drowned at a school for the blind swimming pool against the institution.

APPOINTMENTS—Robert B. Gilmore of Dallas was reappointed to a new six-year term on the Texas Water Development Board.

Governor Smith made these appointments to the Criminal Justice Council: Harmon Schepps of Dallas, Kent Hance of Lubbock, Mayor Ken Ritter of Beaumont, Mrs. Ray W. Wiloughby of San Angelo, 148th District Judge Noah Kennedy of Corpus Christi, W.E. Haynes Jr. of Laredo, Dr. I. T. Hunter of Tyler, Mrs. Carroll Koch of Quanah and Police Chief William Harold McGee of Texarkana.

Fred Toler of Austin was named executive director of the Texas Commission of Law Enforcement Officer Standards and Education.

Theodore Ziller of Austin is

new head of the Texas Highway Department Construction Division.

DRAFT LOTTERY CUT-OFF IS 200—A temporary draft lottery cut-off number of 200 has been set for the 1972 first priority group.

Col. Melvin N. Glantz, state director of Selective Service, said the number is subject to downward revision as manpower needs change. Local boards were authorized to reclassify all draft registrants of the first priority group for 1972 with lottery numbers 201-365 in Class 1-H.

AG OPINIONS—District clerks are required to report to vote registrars felony convictions where probated sentences are assessed as well as other convictions, the attorney general has held.

In other recent opinions, the attorney general concluded:

- *Texas laws do not limit the number or amount of bail bonds a corporate surety may make.
- *State employees must work a minimum 40 hour week, but can be assigned to 10 hours a day, four days a week.
- *Law regulating sport of falconry applies to imported as well as native falcons.

PWC HEAD REPLACED—Governor Smith, in a surprise move, relieved Pearce Johnson of Austin of the Parks and Wildlife Commission chairmanship and appointed Jack Stones, Wells banker, to replace him.

At the same time, the governor designated Parks and Wildlife Department Executive Director James U. Cross to succeed Johnson as state-federal liaison in parks matters.

The action came soon after a federal circuit court of appeals threw out a lawsuit filed by Johnson to block purchase of

Mustang Island property for a state park. However, Smith's office said the shuffle followed a policy of rotating chairmanships and had nothing to do with the prolonged Mustang Island wrangle.

SHORT SNORTS

Bids on a proposed new \$29 million highway department headquarters near the state capitol and governor's mansion will be taken in May.

The U.S. Supreme Court refused to delay single-member district elections in Bexar and Dallas counties this year.

A receivership hearing on First Fire and Casualty Insurance Company of San Antonio is scheduled in district court here February 18.

Additional spending of \$970,689 in federal funds has been approved for 13 parks. More than half will go for Hidalgo County parks improvement and expansion. Brenham, New Braunfels, Nacogdoches and Hallettsville will also get substantial shares.

Cigarette tax revenue increased \$4.1 million—to \$19.9 million—from December, 1970 to December, 1971.

A new state bank charter is being sought at Wallis, Austin County.

Governor announced action to implement food stamp programs in Willacy and Cameron counties.

Texas is expected to get \$30.3 million in federal crime control funds for fiscal 1973, an increase of \$2.8 million.

Japan has a housing shortage estimated at "several million."

A coyote's favorite food is anything it can chew.

Social security

Q. I recently had an operation and had 2 pints of whole blood in transfusions. I was told that I had to pay for the blood. I thought Medicare took care of everything over \$60 while I was in the hospital. Why do I have to pay for the blood?

A. The law provides that the cost of the first 3 pints blood received in a hospital is not covered by Medicare. The reason this was done was because of the difficulty in obtaining blood donors. Most blood programs have provisions whereby they do not charge for blood if replaced by someone in the name of the recipient. It was felt that greater effort would be made to replace the blood if it were not received free.

Q. I have been treated by several different doctors during 1971. Some of the doctors told me they would take care of filing the Medicare claim. Others told me I would have to do it myself. How can I tell what has been paid and what has not?

A. When a claim, from either doctor or patient, is received Medicare sends a statement to the patient, showing how much is paid and to whom it is paid.

Q. My Medicare premiums recently went up. Do I get a new Medicare card?

A. No, your old card is still good.

Butler Attends Health Course

Bill Butler, branch manager of Adrian Wheat Growers at Simms Corner, recently attended an animal health course of Farmland Industries in Kansas City, Mo.

Farmland Industries School is the center of training for employees of local cooperatives from throughout mid-America. Students are selected by local managers and sent to the center, where they are trained to better serve the members of the local cooperatives that own Farmland Industries.

The school is a modern facility situated on a 24-acre wooded campus about ten miles north of downtown Kansas City. Forty different subjects are taught at the school, involving nearly 2,000 students per year. Instructors for the classes are specialists in feed, fertilizer, petroleum, farm supplies and other product areas from Farmland's headquarters office in Kansas City.

Mr. and Mrs. James Monk of Flomont and Mr. Tuck Monk of Melrose spent Thursday overnight with Mrs. Millie Maupin.

Mrs. Doris Pinnell and Mr. and Mrs. Martin Cribbs and Penny, Bo and Kathy spent last week in El Paso, at the fat stock show. Penny won third with her club calf.

Dwayne Crawford, Arvie Reeves, Ersel Harris, Alton Whitten, Terrell Grey and Jimmy Harris spent Sunday riding their motorcycle to the Canadian River.

Nolan Maupin and John Herel and John Jr. of Goodland, Kan. visited Sunday with Mr. and Mrs. Earl Brown and Mrs. Millie Maupin.

Mr. and Mrs. Pat Maupin and Chad of Hereford spent the weekend with Mr. and Mrs. Calvin Peters and boys.

Mrs. Lorin Creitz taught school Wednesday and Thursday last week for Mr. George Ochs.

The Women Society of Christian Service met last Tuesday and continued their study on Africa. Mrs. Ed Jacobson lead the study. There were around 10 ladies attending.

The Adrian Methodist Women entertained their husbands with a Valentine party and dinner, Sunday evening in the Fellowship Hall of the Methodist Church. There were about 25 attending.

Mr. Marvin Allen of Cooper, Miss Audrey Allen of Los Angeles, Calif., and Mrs. Ocie Ballentine of Austin spent Tuesday thru Saturday with Mr. and Mrs. E.E. Allen.

Mr. and Mrs. E.E. Allen attended the funeral of his uncle,

County Families Have 19 Per Cent Deductions

Local taxpayers who itemize deductible expenditures on their income tax reports would like to know how their deductions compare with those taken generally by people with incomes similar to their own.

Some guidance, in answer to

these questions, comes from the Commerce Clearing House, an authority on business and tax law, using data compiled by the Internal Revenue Service.

It has prepared a chart, based upon earlier tax reports detailing just how much the average taxpayer in each income category has been deducting for contributions, interest, taxes and medical costs.

those in the \$6,000 to \$7,000 category represents 22 percent.

Of the \$2,060 in deductions generally listed by families whose earnings are close to the Deaf Smith County average, some \$292 is for contributions to charity, \$689 for interest paid on loans and installment debt, \$710 for state and local taxes and

\$360 for medical and dental costs.

These are purely guideline figures, cautions the Commerce Clearing House. It is not to be assumed that such deductions would automatically be approved by the Internal Revenue Service. Proper records must be available to support all claims for deductions.

The Poultry Products Institute of Canada suggests combining chopped cooked turkey and chopped cooked turkey and diced celery or radishes for a tasty sandwich filling.

Frank Mercer Gets Assignment

Army Specialist Five Frank D. Mercer, 21, son of Dr. and Mr. Tom Mercer of 108 Aspen, recently was assigned to the signal support agency near Saigon, Vietnam.

Spec. Mercer, a tandem switch repairman in the agency's headquarters detachment, entered the Army in 1968 and was last stationed at Ft. Monmouth, N.J.

He is a 1968 graduate of Caprock High School of Amarillo.

T.R. Allen in Amarillo, Tuesday afternoon.

Lewis Fields passed away last Monday at his home in Amarillo, and the funeral was Wednesday. He was the brother of Tom Fields, formerly of Adrian and now of Dallas.

Mr. Bill Harwood and Steve of Pampa visited Saturday with Mr. and Mrs. Fred Harwood and family.

Mrs. R.B. Tate of Amarillo and daughter Mrs. Daisy Leach and children of Borger visited Thursday with Mrs. Imogene Parker.

Mr. and Mrs. Red Watkins of Vega visited Sunday with Mrs. Allynne Worsham.

The Adrian Brownies elected officers for the month and they are Julia Cavin, president; Stacy Creitz, vice president; Cindy Morales, secretary-treasurer; and Cindy Peterson, reporter.

"GOT EVERYBODY OUT" — Lynn Brisendine, left, and John David Bryant, center, received certificates of appreciation from Lions Club president Lyton Allred for maintaining perfect attendance from all 190 members during October, November and December. The two did this with early Tuesday morning phone calls to members who missed the regular meetings, reminding them to attend the board meetings as a means of "make up".
Photo by Betty Koelzer

Insurance Reduced For More Set-Aside

The U.S. Department of Agriculture announced recently that winter wheat producers will be permitted to revise their Federal Crop Insurance Corporation coverage to exclude land they put into additional set-aside. This will remove additional set-aside acreage from insurance coverage and reduce premiums to be paid by producers who participate in the additional set-aside, Richard Aslakson, manager of the FCIC said. Aslakson said the action was taken to encourage producers to participate in the additional voluntary set-aside program.

Paul Abalos Is Kiwanis Club Speaker; Explains Program

Members of the Hereford Noon Kiwanis Club Thursday heard Paul Abalos, Hereford Parent-School Community Involvement program director, speak on the purpose of this relatively new component of the local school system. Abalos, and aide, Mrs. Beatrice Garcia, were on hand to explain the program, which Abalos called "just one of the many ways in which school systems are changing all over the land." Abalos cited, determining the needs of migrant children, creating a strong line between the administrator and the parents, determining the medical needs of students, involving community people with the needs of the school, counseling parents, and promoting a wholesome parent-school relationship, as just a few of the programs functions. The director then recognized several members of the school faculty or the Kiwanis Club roster in conclusion.

Paul Abalos, director of the Parent-Student-Community Involvement Program for Hereford Public Schools, spoke at the noon meeting Thursday of the Kiwanis Club. Abalos explained in detail the purpose of the program in the Hereford schools. Fashions of the new season from The Vogue and La Boutique women's stores, will be paraded by Hereford women. Kings Manor Auxiliary members will serve tea. Money raised in the annual project is used for arts-crafts, classes and other work of Auxil-

4-H Members Enter Show
Four members of the Deaf Smith County 4-H Club have entered the 1972 Houston Livestock Show and Rodeo. They are Rodney Coleman, Caye Clearman, Kathy McCathern and Twig Rose. A record number of entries and premium money will make this year's Houston show the largest livestock show in the world. Classes are provided for 10 beef breeds, four dairy breeds, six swine breeds, 11 sheep breeds, six horse breeds, five rabbit breeds, 22 poultry breeds and Angora goats. Among other programs benefiting youth on a statewide basis are the Scholarship and Research Programs. The Houston Livestock Show and Rodeo annually presents scholarships to outstanding FFA and 4-H Club members in the amount of \$4,000 each. Fifty students are currently attending college on scholarships provided by the Houston Livestock Show and Rodeo. Twenty-four scholarships of \$1,000 each will be awarded to winners in each of 24 counties participating in the show's area Go-Texas program.

Church Gets New Vicar

The Rev. William A. Lang has been appointed the new vicar for St. Thomas Episcopal Church and will conduct his first services there today. The service of holy communion is scheduled at 10 a.m. Evening prayer will be conducted at 6:30 p.m. A pot luck supper will be held after the service at the church, so members of the congregation may become better acquainted with Father Lang. The church has been without a minister since the Rev. Fred Howard was transferred to an Amarillo church several months ago. The new vicar comes from Refugio and with his family moved to Hereford this weekend. He conducted services as a visitor in St. Thomas Church last month.

Fashion Revue Tea Date Fixed

Date of a spring style show which Kings Manor Auxiliary will present as its annual fundraising project has been set for March 9. Time is 1:30 p.m. and the place will be First United Methodist fellowship hall. Fashions of the new season from The Vogue and La Boutique women's stores, will be paraded by Hereford women. Kings Manor Auxiliary members will serve tea. Money raised in the annual project is used for arts-crafts, classes and other work of Auxil-

Slides Portray Mideast Scene

Ancient historical sites in Egypt, Lebanon, Israel and Greece visited by Mrs. T.J. Carter on a recent trip to those parts of the world, were viewed on color slides Thursday evening when members of Los Ciberos Chapter, Daughters of American Revolution, met. Mrs. Carter explained the historical value of slides depicting the Sphinx and pyramids near Cairo, the Egyptian museum, and the Great Cedars and Temple of Bacchus in Lebanon. From Israel she brought pictures of the Gold Dome Mosque, the Walling Wall, a part of Solomon's Temple, and in Greece the famous Parthenon built in the fifth century on the Acropolis site. Also the ruins of Apollo's Temple, the Agora (market place) of Apostle Paul and great statues. Mmes. Jack Gilliland and Carter were hostesses for the meeting in the Southwestern Public Service building where Mrs. Jess Robinson, regent, presided over business and heard reports from officers and committees. Refreshments were also served to Mmes. Ray Carille, Stan Knox, G.T. Downing, Jeff Smart, Alfred Smith, Sue James, Joe Reinauer, Leroy Williamson and L.W. Norvell. Aircraft carriers were used experimentally in World War I,

KINGS MANOR addition

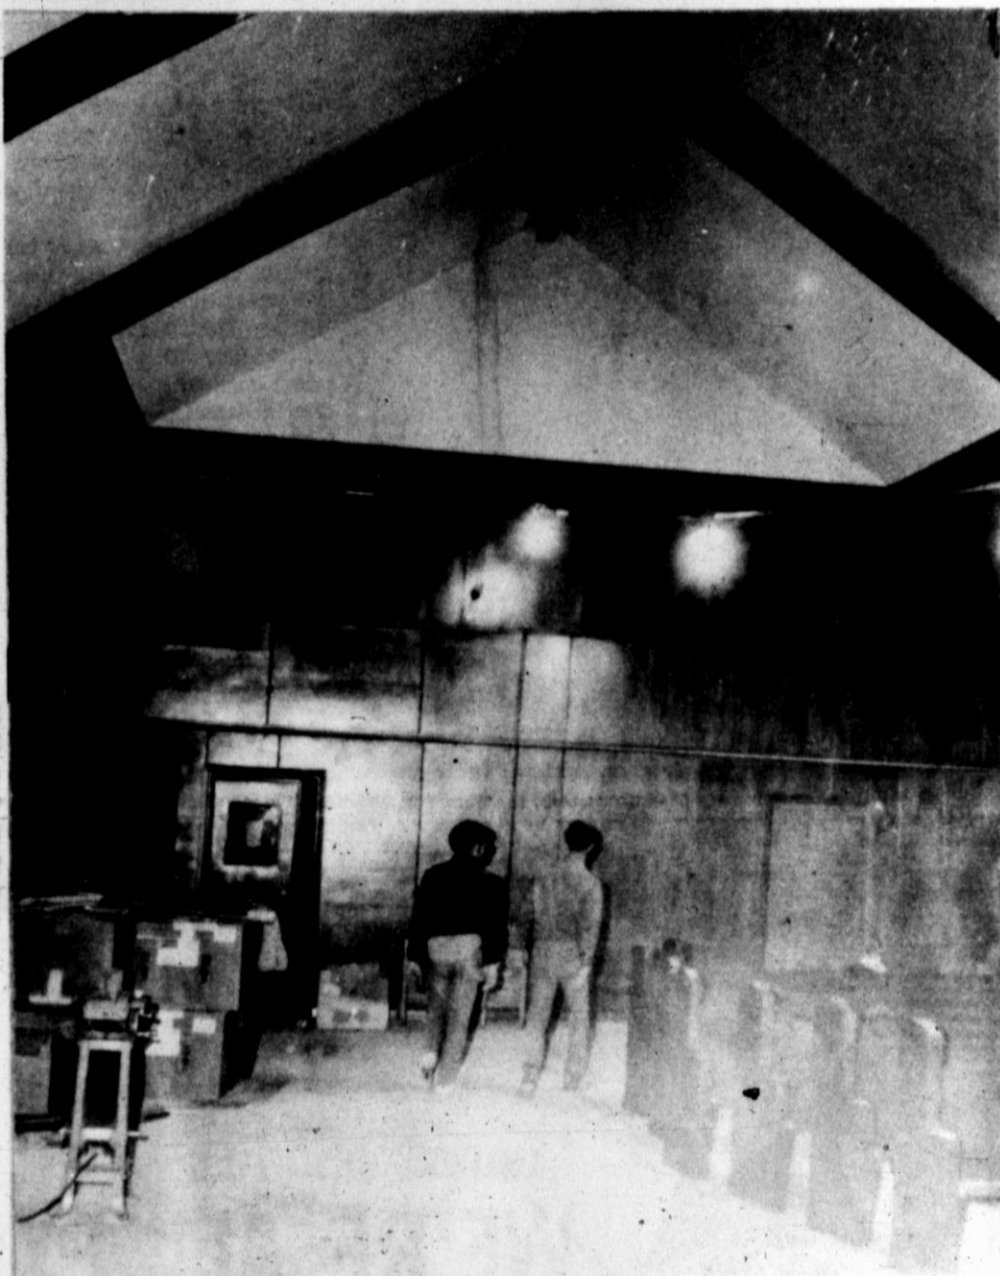

RESIDENCE on Fir Street

WINTER is traditionally the "off" season in construction, but much building is in progress, just completed or just starting in Hereford. Without any especially big jobs to make an impressive figure in building permits, new business and public buildings as well as homes are going up in various parts of town.

ONE ADDITION to Kings Manor Retirement Home is ready for interior work while ground has just been broken for another; outside work is finished and the inside of the sanctuary is nearing completion on the Assembly of God Church; residential streets are extended and new houses are a-building by the block or one at a time in both the northwest and northeast areas.

DOWNTOWN, Southwest Public Service Co. has just moved into its new plant; foundations are being laid for a Chamber of Commerce building on North Main near the site of proposed multi-storied apartments for the elderly; final touches are being put on offices in a block of buildings being remodeled by Jay Swayze Builders. Inside work is being done on another office building on North 25 Mile Avenue and Moreman, while construction has started on still another on West Park.

Kathleen Warren Bride In Afternoon Wedding

The marriage of Miss Kathleen Warren, daughter of Mr. and Mrs. John Birkenfeld of 421 Avenue K, and Arnie Wieck of Dalhart, son of Mr. and Mrs. Ed Wieck of Umbarger, was conducted Saturday in a late afternoon ceremony at St. Anthony's Catholic Church.

The Rev. Boniface Riedmann, pastor, officiated for the nuptial

mass as the bride's father gave her in marriage.

Her sister, Miss Elaine Birkenfeld, was her maid of honor and Galen Friemel was best man. Another sister of the bride, Miss Terry Warren, and Miss Paulette Reinart were bridesmaids.

Kenneth Wieck, the bride-

groom's brother, and Stanley Wieck acted as groomsmen; the ushers were Jimmy Warren, brother of the bride, Randy Wieck, brother of the bridegroom, Mike Wieck and Virgil Artho. Dennis Artho and Bernie Wieck served as acolytes.

Traditional wedding music was presented by Mrs. Joe Reinauer, vocal soloist, and Miss Patricia Herr, organist.

Gold urns on either side of the altar held arrangements of white gladiolas.

Miss Warren was dressed in white organza with empire waistline, standup collar and wide cuffs to hold the sheer fullness of sleeves gathered at the wrist.

Appliques of lace formed a pattern over bodice and sleeves, and lace scallops edged the tiered illusion veil which was held over her forehead with a three-layered silk bow, the bottom tier extending into a widely circling train.

Her bouquet of white carnations was tied with ribbons in burgundy shade. That color was repeated in attendants' dresses, made in modified empire style with full sleeves and high collar, the waistline accented with white and burgundy ribbons.

They carried nosegays of burgundy carnations with white streamers.

After the marriage service approximately 350 guests were invited for the wedding supper and a dance in the Knights of Columbus Hall.

Miss Loraine Reinart was at the guest registry and Miss Peggy Haschke of Amarillo served the wedding cake, a four-tiered confection topped with bride and groom figurines and decorated with burgundy sugar flowers. Covered with white linen, the table was centered with the bridesmaids' bouquets.

Assisting with service at the bride and groom's table at supper were Miss Karen Artho of

THE HEREFORD BRAND SOCIETY

Page Two
SUNDAY, FEBRUARY 20, 1972

Mrs. Arnie Wieck
nee Kathleen Warren

Dalhart and Miss Lori Artho of Vega.

Mr. and Mrs. Wieck will be at home after a short trip at Dalhart, where he and a brother are partners in a farming operation.

The bride, since her graduation last spring from Hereford High School, has been employed

in the law office of Tubb, Loder and Easterwood. The bridegroom is a graduate of Canyon High School.

Future Bride Honored

A compliment to a bride-elect, Elaine Hendrix, was a lingerie shower Friday evening in the Flame Room of Pioneer Gas Co. She and Alton Parker are to be married March 18.

Shower hostesses were Cassie Moxon, Mrs. Andy Sandoval, Mr. Archie Dwyer, and Janie Watson. They served in turn at greeting guests, inviting them to register and pouring coffee at a table decorated with flowers in colors the bride-to-be has chosen for her wedding, lavender and white.

Gift packages were opened and the evening spent in casual conversation by the group of close friends.

Member Speaks To H.D. Club

Mrs. E.C. Hammett gave the program for Progressive Home Demonstration Club this week, when members met in the home of Mrs. H.L. Hershey.

Her subject was The Professional Look, and she gave suggestions for choosing patterns and making various garments to look handmade instead of homemade. A program preliminary was a reading on George Washington, by Mrs. Adolph Jacob.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Leon Fillingim of Wheeler announce the engagement and approaching marriage of their daughter, Mozelle, of Hereford, to Glenn Thomas, son of Mr. and Mrs. Homer Thomas, 1009 Union. Miss Fillingim is a teacher in the Hereford public schools. The couple plans an evening ceremony March 25 at the Baptist Church in Wheeler.

Community calendar

FEBRUARY

20—L'Allegre Study Club musical review featuring Mary Ellen Vincent, 8 p.m., at high school auditorium.

MARCH

4—Pancake supper, First United Methodist fellowship hall, 5-8 p.m.

9—Style show-tea sponsored by Kings Manor Auxiliary in First United Methodist Fellowship hall, 1:30 p.m.

10—Annual IOOF pancake

supper in Odd Fellows Hall, 8-8 p.m.

10-11 — Community Players present comedy, Barefoot in the Park, at Civic Club Center, 8 p.m.

23—Lions Club election party and ladies night, high school cafeteria, 7:30 p.m.

APRIL

3—Community Concert Association presents Three on Broadway in high school auditorium, 8 p.m.

10—Deaf Smith County Chapter, TSTA, spring banquet in Bull Barn, 7:30 p.m.

24—All-sports banquet of Hereford High School, in Bull Barn at 8 p.m.

MAY WEDDING PLANNED — Mr. and Mrs. Roy L. Campbell, Route 2, announce the engagement of their daughter, Pamela, to Otis C. Robinson, son of Mr. and Mrs. Jess L. Robinson, Route 1. The couple plans a wedding for May 20 in Temple Baptist Church. Both are graduates of Hereford High School and are attending Texas Tech University.

Herd Wins A Big One; 58-53 Friday

BY TERRY NEILL
Sports Editor
All the home court advantage a gym packed to the hilt with wildly cheering fans can muster, propelled the Hereford Whitefaces to a crucial 58-53 victory Friday night in a "see-saw" battle against tough Lubbock Monterey.

With the pulsating district win Friday the Whitefaces will travel to Plainview Tuesday evening to battle for the second half 4-AAAA championship with the talented Bulldogs.

Frenzied fans from both sides filled La Plata gym Friday, and every score and mistake by each team brought a curtain of deafening jeers and cheers floating down onto the pressure-packed court.

Terry Scott's outside shooting kept Hereford alive in the first half, and Keith Kitchens' ball handling and true shooting eye led the Herd in the final half. David Hicks, Whiteface center, came up with several crucial rebounds in the last two periods, as did forward Dan VanderZee.

Through the roaring fan noise the two well-balanced teams battled through the first three-and-a-half periods evenly, until a couple of daring steals by Kitchens and Scott pushed the momentum to the Herd.

The Whitefaces used the momentum well and with only three minutes remaining had moved to a 10-point advantage over the ill-tempered visitors.

Kitchens made 26 points to finish high point man for Hereford. Scott added 18 to the fired-up Whitefaces' total, and Hicks scored eight points. VanderZee contributed six points and did a remarkable job of containing 6'5" Dan Irons, Lubbock's big gun.

Monterey missed few shots during the opening moments of the struggle, but Kitchens and Scott fired long-range missiles at the hoop from outside, and the Whitefaces kept pace.

VanderZee was hampered early by three foul calls, as the officials kept the fans upset with numerous controversial calls. Finally, during the second period the Lubbock coach couldn't restrain himself any longer and stepped onto the court, drawing a technical foul.

Both squads were cold during the opening moments of the third quarter, as the ball bounced in, then out of the hoop. Kitchens finally got the Herd untracked, as he stole the ball and scooted the length of the court for two points.

had the momentum and the Whiteface fans' chanting "We're Number One", added to the confusion and electricity which filled the gym.

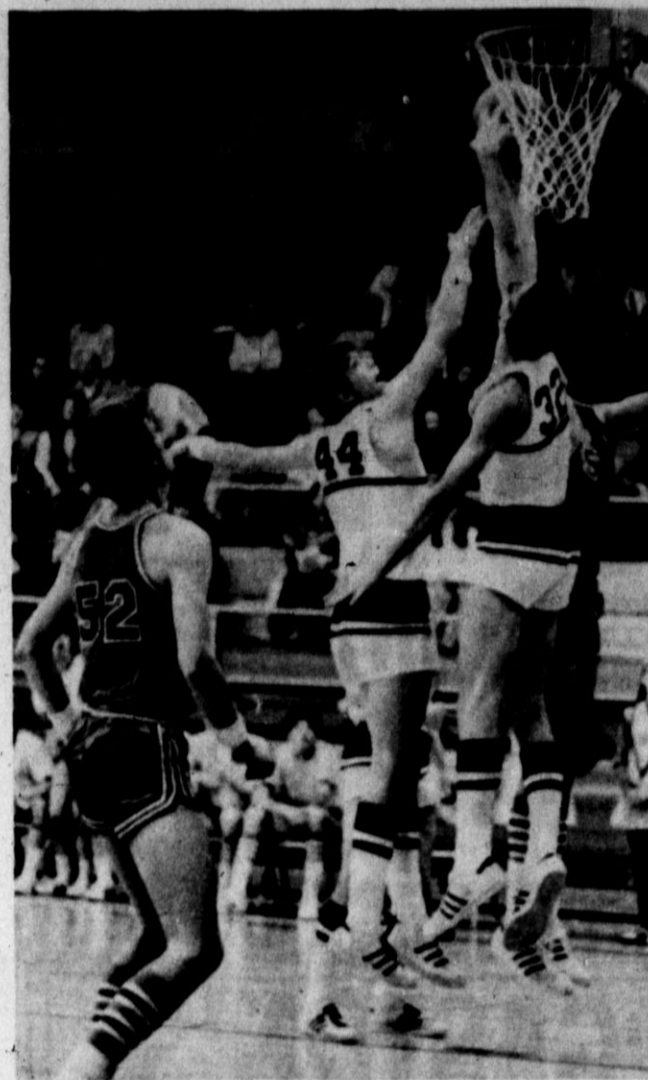

Then, with about three minutes to go, the Herd did a strange thing indeed for them. They stalled—eating up almost two minutes of the clock—before Kitchens wormed his way inside and made a lay-up to the wild approval of Whiteface fans, who rose to their feet with every Hereford score, rebound, or steal.

Lubbock used the last few moments of the contest to draw several calculated fouls, which included pushing Kitchens to the court and "Bulldogging" Hicks while he was coming down with a rebound.

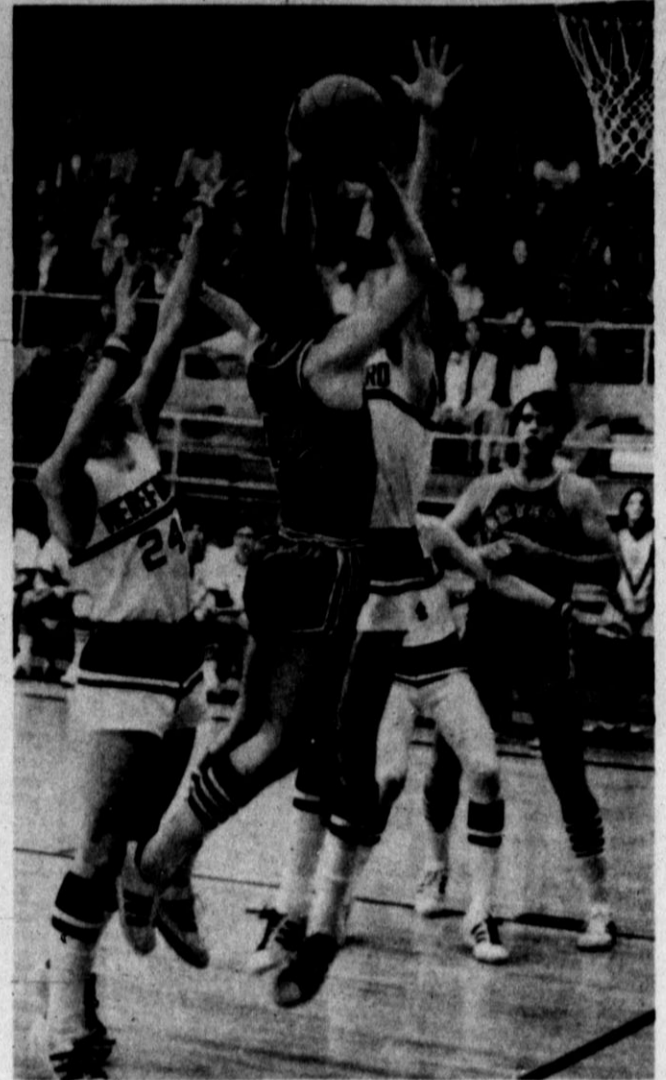

Hereford finished the game with 14 of 22 free throws, and Monterey converted 11 of 16 charity tosses.

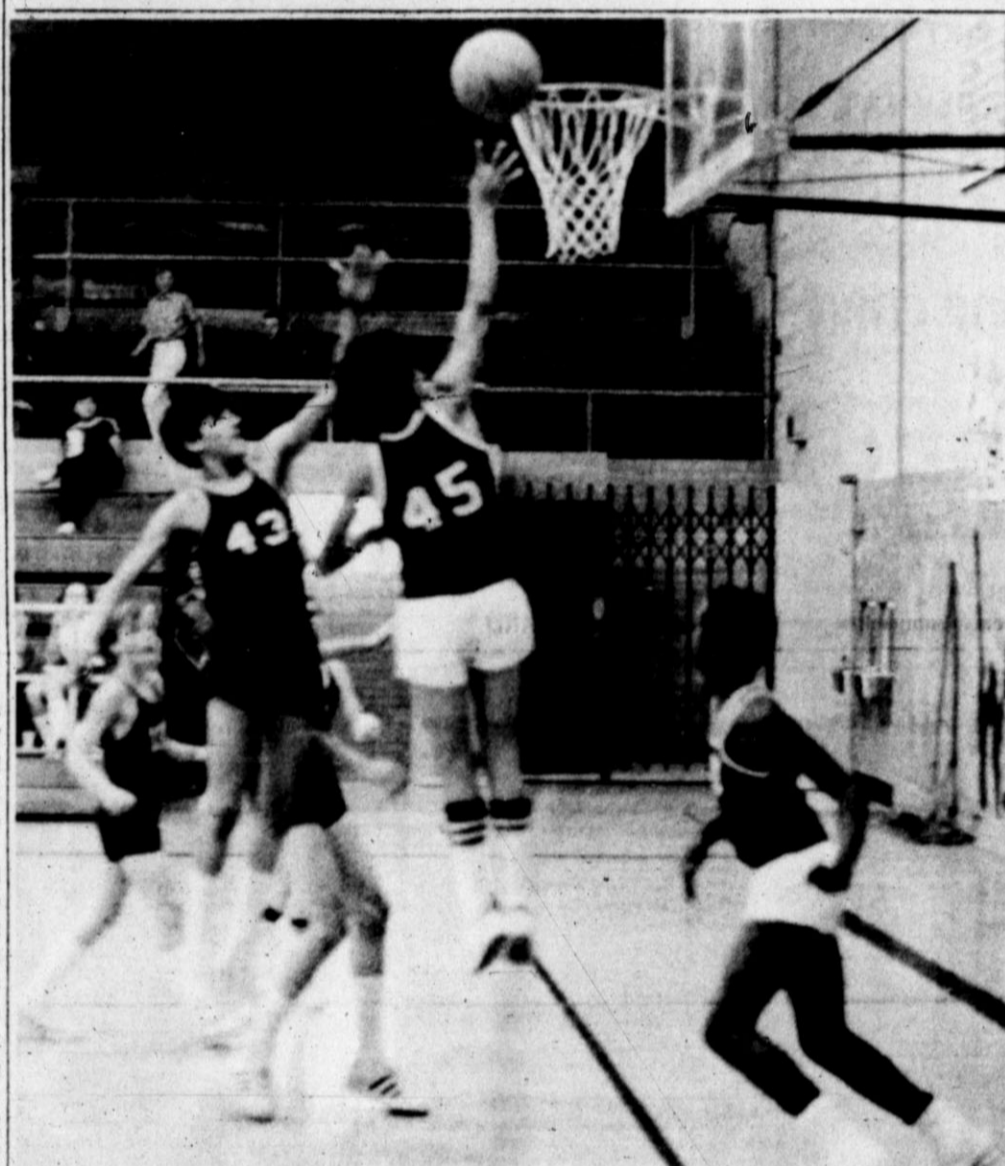

CRUCIAL BASKET — Dan VanderZee (42) had little opposition while on the way to the basket with this shot during the last moments of the fourth period Friday night. Lubbock Monterey's Dan Irons (54) and Mike Christi (34) offer little resistance to the taller VanderZee.

BLOCKED SHOT -- Hereford's Larry Roberts (44) and David Hicks (32) make sure this Monterey shot doesn't touch the basket rim in hardcourt action Friday night. Lubbock's Brad Newton (52) watches the action, as the Herd rumbled to a 58-53 win in 4-AAAA play.

INTIMIDATING DEFENSE -- The Hereford Whitefaces' defense was largely responsible for Friday night's clutch win, as witnessed above. Hereford's 6' 7" Dan VanderZee has his hand in good position to block the shot, while Terry Scott (22) is coming down after a similar attempt.

TWO POINTS — La Plata seventh grade cager Roy Martinez (45) goes up for a basket against Stanton Thursday afternoon at La Plata gymnasium, while Stanton's Mike Reyes (43) makes a belated attempt to block the shot. Also shown is Kelly Kitchens (11) who scored 26 points and led the Dogies to a 45-40 victory. It was the season finale for both squads.

La Plata Wins Two From Stanton In Basketball Play

In basketball Thursday, the Stanton Dogies and the La Plata Mavericks clashed in a junior high school intra-city rivalry. La Plata proved a bit stronger, claiming wins over Dogie eighth and ninth grade teams, but lost to a tough Stanton seventh grade squad.

Stanton and LP hooked up in a close seventh grade contest, but the Dogies managed to gain the 45-40 win with a great final period of defensive cage play.

Stanton managed a 9-7 first period lead, and still were on top at halftime, 23-17. The Mavericks refused to quit, however, and came roaring back to take a 33-31 lead after three quarters. Stanton's reckless defense chopped down any Maverick hopes of victory in the final period, as two steals turned into four points and a Dogie victory.

Kelly Kitchens led all scorers with a 26-point output for Stanton. Scottie Taylor and Mike Reyes each notched four markers, and James Mays bucketed three. Ismael Adame contributed a single basket.

For La Plata Terry Brady banged in 22 points, while Roy Martinez scored 13 and Rowan Alexander and Carl Simpson each got two points. Lane Allen made one point for the Mavericks.

each managed one point for La Plata. Vance Herrington, with eight points, paced Stanton. Lupe Arroyos, Robert Scott, Albert Gonzales, Steve Cornelius, John Mays, and James Wilson all scored two points, and Kirk Spain and Mario Alaniz each made one point.

For the ninth graders Lynn Tarr scored 11 and Mike Munnerlyn made 10 to lead the Mavericks to a 42-32 win. Don Ferris had seven points, and Doug Charest and Barry Allen each made six markers. Craig Neiman added two points.

Stanton was lead by Bruce Robertson, who notched 14 points, and Tim Hammock with seven. David Torres added four, Bobby Fields three and both Jimmy Sandoval and Vincent Garcia two points.

The Mavericks led 10-4 after the opening period, but only 16-15 at halftime. A 16-point scoring spree in the third period assured the win.

The Thursday games ended the junior high school team's season, and Hereford's youngest athletes will soon turn their efforts to track, which begins Monday at both schools.

SLEPT AND CRIED

STILLWATER, Okla. (AP)—When Oklahoma State basketball coach Sam Aubrey was asked how he slept after his team's loss to Colorado in the Big Eight tournament, he replied:

"Just like a baby. I slept for an hour, then woke up and cried for an hour."

SKIPS TEAM AND JAIL

WOODSTOCK, Md. (AP) —The Sykesville Correctional Laundry Camp won the basketball game but lost an assistant coach.

Issiah Brown Jr. 40, escaped after his inmate team defeated a squad from the local job training center, 41-36.

Brown was serving a term for armed robbery.

Spiker Teams Will Play At HHS Monday
Hereford High School's volleyball team will be in action Monday night in Hereford.
The sophomore, junior varsity and varsity teams will play beginning at 5 p.m. in the high school gymnasium.

Perryton, who defeated the varsity and junior varsity in the team's season opener last week, will furnish the opposition.
The sophomores will play at 5 p.m., while the junior varsity will play at about 6 and the varsity at 7.
Charlotte Laughlin is HHS volleyball coach.

Animal glue, made from hides, hoofs and bones, probably was known to prehistoric man.
Mike Crim scored 13 for the winners, while Dave Charest hit for seven and David Emerson was good for 5 points to pace the Mavericks. Davis Ford scored four markers, Steve Jones added three and Lance Martin got two. Mike Hull and Brent Sigle

Fisher-Denison Vows Exchanged on Saturday

In a Saturday afternoon wedding ceremony at First United Methodist Church, Miss Nancy Ellen Fisher became the bride of Jack-Denver Denison of Hobbs, New Mexico.

Miss Fisher is the daughter of Mr. and Mrs. Wesley Fisher, 116 Centre. Parents of the bridegroom are Mr. and Mrs. Jim Denison of Hobbs.

Mr. Fisher gave his daughter in marriage with Rev. Jack London of the First Presbyterian Church of Hobbs officiating.

Pink carnations and white stock flanked the altar as Mrs. Phillip Schunbro, sister of the bride, served as matron of honor and the father of the bridegroom as best man.

Bridesmaids were Miss Connie Walker, Miss Brenda Woolley of Austin and Miss Jan Miller, Greeley, Colorado.

Groomsmen were Roy Bill Green and Bob Denison, brother of the bridegroom, both of Hobbs, and David Hensle.

The Greatest of These is Love, solo with text from I Cor. XIII, was sung by Robert Wert with Mrs. Tony Calkins accompanying him.

The bride's gown of candlelight silk organza was styled with empire bodice traced in bands of Irish cluny lace and accented by tiny covered buttons down the center front. The high neckline was circled with lace and the sheer, full sleeves, released from lace caps over the shoulder, were caught at the wrist by lace cuffs ending in a flounce over the wrists.

Lace on blush pink satin ribbon encircled the waistline ending in a bow at center back. Her full skirt flared to carpet length with a chapel train that extended from the waistline bow to a lace edged sweep.

Her Camelot cap of Irish lace, pink ribbon and seed pearls held the veil of sheer illusion, falling to elbow length.

A cameo necklace of the bride's grandmother and an 1850 penny given her by O.M. Dickey were the heirloom pieces in her costume.

Mrs. Jack D. Denison nee Nancy Fisher

couple will be at home at 1016 Dalmont, Hobbs.

The bride is a 1971 graduate of Hereford High School and attended the University of Texas at Austin. Denison is a 1970 graduate of Hobbs High School and Elkins School of Electronics.

Out-of-town wedding guests were Mrs. Elliott Fisher, of San Jose, Calif., the bride's grandmother, and the Rev. Dr. and Mrs. Dallas Denison of Brownfield, the bridegroom's grandparents.

A reception at Hereford Country Club followed the ceremony with Susan Balden registering guests. A three-tiered cake topped with roses and daisies, was served by Misses Terrie Beth Line and Carol Turentine as Misses Shan Banks and Kathy Schunacher poured punch. Miss Camille Langley assisted at the table.

For a wedding trip to Ruidoso, New Mexico, Mrs. Denison wore a Kelly green wool pantsuit with brown accessories. The

children's style show scheduled in club

An Easter fashion show for children will be presented in a guest night program of Young Mothers Club at 8 p.m. Tuesday at Pioneer Gas Company's Flame Room.

Mrs. Larry Dobbs is chairman of arrangements for this special program.

Sweet and Fancy Decorating Club at Community Center, 9:30 a.m.
Kiwanis Whiteface Breakfast Club at Civic Club Center, 6:30 a.m.

Valentine Vows Unite Couple

Valentine Day was the wedding date chosen by Miss Jeana Barouch and Clifford E. Higgins for an evening ceremony in Bippus Community Church, in the Northwest Deaf Smith County neighborhood where the bride's family lives.

She is the daughter of Mr. and Mrs. J.H. Waligura, Route 4. The bridegroom, who lives in Amarillo, is the son of Mr. and Mrs. Charles R. Higgins of 119 Fuller.

The Rev. Gene Brock, pastor of the Bippus Church, officiated for the marriage, which was attended by relatives of the couple and a number of friends Monday evening.

Miss DeeDee Boardman, maid of honor, and Ron Rowan, best man, were the couple's only attendants. Mrs. Merlin Kaul, pianist, played the traditional wedding march as the bridal party walked to the altar.

The bride's gown was of white satin with long, full sleeves and yoke of Chantilly lace. Scallops of the lace formed a panel effect down the front of the slightly flared skirt, and edged the illusion veil which floated to the floor and rounded into a chapel train.

A Dior bow of the satin marked the center front waistline and was matched by the bow that held her veil to her hair. She

carried pink roses in a bridal bouquet.
Miss Boardman was dressed in spring green brocaded satin cut on princess lines, with short sleeves. Her flower was a long-stemmed pink rose.

After the ceremony the couple and their parents received guests in the church dining room, where the table was covered with airy white net over pink linen and centered with a bowl of pink roses.

Miss Beverly Bradley, a cousin of the bridegroom, served the three-tiered wedding cake, which was ornamented with pink roses and topped with bride-and-groom figurines.

Miss Boardman and Miss Charlene Weaver poured punch, and Miss Kathy Rowan was at the guest register.

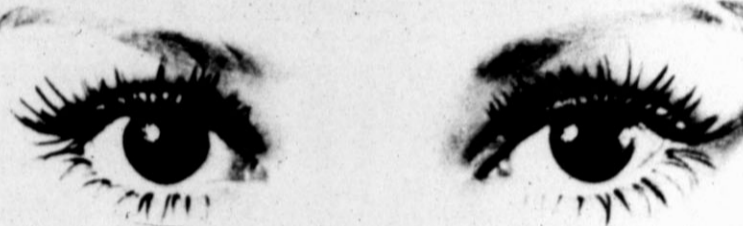

Leaving afterward on a short trip, Mrs. Higgins had changed to a purple velvet pantsuit. The couple is at home at 904 Pittsburgh in Amarillo.

The bride has attended Hereford High School and the bridegroom, after graduation there in 1968, studied at West Texas State University.

Mrs. Clifford E. Higgins nee Jeana Barouch

Mrs. Crofford Is Hostess To Club

Argen Draper, County Home Demonstration Agent, presented the program on Importance of Making Wills, at the meeting of North Hereford H.D. Club held at Community Center Thursday afternoon.

Mrs. J.A. Crofford served as hostess for the meeting. Those present were Meses T.E. Brindine, O.L. Williams, Kenneth Haggard, A.E. Hodges and Roberta Campbell.

Estate Planning Expert Speaks For Ford Club

Eugene McElyea, a Texas Extension Service specialist who has conducted a series of programs on estate planning at public meetings this week, was speaker for Ford Home Demonstration Club at the home of Mrs. L.W. Norvell.

He discussed wills and other aspects of estate planning of special interest to women.

Mrs. Jose Gonzales was co-hostess with Mrs. Norvell, and as club president conducted a business session in which Mrs. Raymond Smith was nominated as H.D. Club Woman of the Year to compete for the county title.

"My husband, Donald, is a Sergeant 1st Class in the Army. He's been a prisoner in Vietnam for 4 years. They're bargaining to get the prisoners released. But what I want to know... is he still alive? Is he well? I can't find out. Hanoi won't tell our government. Hanoi won't tell me."

There need be no "bargaining table" when the plea is for humane treatment of prisoners of war.

THE prisoner-of-war issue is complex and confusing. It is loaded with political overtones and emotional tension. But one side of the prisoner-of-war issue is simple. That's the part which deals with the condition of prisoners. Who are they? Where are they? How are they? Those are the questions the families of American prisoners want answered. Those are the questions the conscience of the world wants answered...now. Of course, they want the war to end and the prisoners of war to be released as soon as possible. But meanwhile there is no need for Hanoi and its allies to delay even a day in answering this plea: Admit official neutral observers into the prison camps in North Vietnam, South Vietnam, Cambodia and Laos, where Americans are being held in secret captivity. Assure the world, through these neutral observers, that American prisoners are being decently and humanely treated, according to the standards of civilized nations. Hanoi can do this without bargaining, even without consultation. By opening the prisons now to official neutral observers, Hanoi would earn the gratitude of millions of Americans and find new stature in the eyes of the world. We ask and pray they will.

SUPPORT OUR PLEA TO HANOI AND ITS ALLIES:

Clear away the doubts — Open your prison camps to neutral observers... now!

We ask no more than we give. All American and South Vietnamese prison camps are inspected regularly by official neutral observers — The International Committee of the Red Cross.

Club Has Party For Two Causes

Eight members of Messenger Home Demonstration Club met recently for a combination Valentine-birthday party in the home of Mrs. S.N. Thweatt. Birthday honoree was Mrs. Tom DeShazo. Refreshments of cherry pie, coffee and tea were served.

Roll call was answered with Latest Improvements In My Wardrobe followed by a business session conducted by Mrs. Thweatt, vice president, in the absence of president, Mrs. Gene Bradley.

A demonstration on How To Measure Ladies Slacks To Fit All Sizes of Women was given by Mrs. Elmer Northcutt as the program.

Members viewed work done thus far on a quilt to be used at a political rally at Walcott in April.

Mrs. Northcutt was winner of the game prize and Mrs. N.A. Brown the floating prize.

Gem-Wise
Jewelry fashions, facts, fictions
BY Kenneth Cowan
MEMBER AMERICAN GEM SOCIETY

JUDGING DIAMONDS

"Not even your jeweler can tell..." This was a common phrase in some of the advertisements I read this last Christmas concerning stones to replace diamonds in fashion jewelry. As a professional jeweler, and Registered Jeweler of the American Gem Society, I have to take exception to the statement. A jeweler can indeed tell—particularly so if he has gemological training and enough years experience in business as a jeweler to have seen hundreds or more of fine diamonds.

In our store, we pay very careful attention to the grading and purchase of every diamond we sell. When they come to our store, we inspect them and grade them according to recognized standards. First of all, we determine the cutting quality, for without precise cutting and polishing, a diamond is seriously lacking in brilliance—therefore, beauty.

The next important factor, is its color—is it without an obvious trace of yellow, which virtually all gem quality diamonds possess. Next, we look into the heart of the diamond through our special gem microscope to determine its freedom from minor inclusions which may affect value. Any obvious flaws—carbon spots, for example, visible to the eye—make the stone unacceptable for our stock. Visit us and we will be happy to tell you about our very genuine and beautiful diamonds.

BRIDE-ELECT — Mr. and Mrs. Delbert Bainum, 128 Country Club Drive, announce the engagement of their daughter, Connie Dale, to Michael Dee Sooter, son of Mr. and Mrs. W.B. Sooter of San Jon, N. M., former residents of Hereford. The wedding will take place April 20 at the Avenue Baptist Church. The bride-elect is a student at Amarillo College of Hairdressing, a candidate for graduation in April. Sooter is employed at Sugarland Feed Yards.

New Pianist Rehearses For Postponed Review

Rehearsing with a substitute pianist Mary Allen Vincent will be prepared to give her musical review of the comedy, Promises, Promises, here on Feb. 29 after a postponement, she has notified

Club Hosts Social

With husbands as special guests for a family night Valentine party, members of Farm and Ranch Club gathered Thursday evening in the home of the Paul Rudds spending social hours visiting and playing games of progressive 42.

A variety of pies brought by each couple attending were served with coffee at refreshment time.

Couples present were Messrs. and Mmes. J.V. Perrin, Wheeler Davis, W.W. Thomas, J.E. Sorrells, Merlin Weber, J.B. Odom, W.W. Gilbreath and Paul Rudd.

"Everyone has been understanding and willing to wait for the program," she said. "Even a few who will not be able to come on the new date have said they will give their tickets to someone else instead of asking for a refund, so we can keep the money in our project fund." Proceeds of the review will go to the "We Care" fund at Deaf Smith County Health Clinic, which supplies needed medical aid to children of local indigent families.

H. D. CHATTER Workshops Reviewed

The materials used in Estate Management workshops which were held last week are: The Importance of a Will in a Texas Estate, Texas Laws on Descent and Distribution, Community and Separate Property in Texas, Costs of an Estate in Probate, Charitable Gifts, Federal Estate and State Inheritance Taxes.

There are packets of material in the Extension office, 304 Courthouse, on Estate Management. Call 364-3573 for a package to be mailed to you. If you want more information on financial management, plan to attend the Family Financial Conference Thursday, Feb. 24, in Amarillo, at the Quality Motel—Lunch and registration are \$3.00. The pre-registration is mailed to Mrs. Sue Farris, P.O. Box 9198, Amarillo, Texas 79105. Make your check to Panhandle Economic Program.

Some Hereford folks are going to help with this Family Financial Conference. Leo Forrest (I still consider the Forrests Hereford folks) will be MC for the morning session and Argen Draper will MC the afternoon session. Also, Herman Ford gives Insurance to Meet Family Needs.

Other topics on the program are: Family Living—Youth relates to PEP, Managing Family Resources, Financial Health—A Family Affair, Estate Management & Planning for a Better Tomorrow, New Texas Laws Affecting Family Security, Challenge for Family Living—Youth.

Eugene McElyea, extension attorney who was in Hereford Feb. 14 and 15 will have a part on Thursday's program. **BRUSSELS SPROUTS** are the aristocrats of cabbages. These doll-sized cabbages cook best in a covered pot with a minimum of rapid boiling in salted water for eight to ten minutes. Look for hard or firm, compact and fresh Brussels sprouts of bright appearance with a good green color.

Avoid puffy sprouts and those with wilted or yellow leaves. The vegetable got its name because it was first grown on a large scale around Brussels, Belgium. It has remained in international markets since 1793. Brussels sprouts are highly nutritious, especially in vitamin "C".

LOOKING FOR LOW CALORIE foods? Look in the fresh fruit and vegetable bins at your supermarket. Fruits and vegetables, both fresh and processed, provide only nine per cent of the calorie consumption in this country, according to the United Fresh Fruit and Vegetable Association. So, it's smart to eat fresh fruits raw, without adding sugar, sauces or pastry, to maintain the original low calorie count of the fruits.

MANY FAMILIES TODAY face the double dilemma of being squeezed for time and money.

A MESSAGE FOR DADDIES

They'd rather have you around than your insurance.

Get yourself a good, thorough examination once a year. Once a year, let your doctor really look you over. It'll take a little time, and a little patience. And maybe he'll poke around a little more than you'd really like. And so he should.

The whole idea is to keep you healthy. If nothing's wrong (and more than likely, there isn't) hooray! Come back next year. But if anything's suspicious, then you've gained the most important thing of all: time.

We can save T out of 2 persons when cancer is caught in time, caught early. That's a good thing to know. All Daddies should know how to take care of themselves so that they can have the fun of taking care of their kids. Don't be afraid. It's what you don't know that can hurt you.

American Cancer Society

Shower Given Bride-To-Be

Janet Lookingbill, whose marriage to Pat Betzen is set for March 11, was honoree at a shower Saturday afternoon in the home of Mrs. Hilton Higgins on the Vega Highway.

Callers were received by the bride-elect, her sister who will be a bridal attendant, Cathy Lookingbill; her mother, Mrs. L.H. Lookingbill Jr., and Betzen's mother, Mrs. Michael Betzen, after being greeted at the door by Mrs. Higgins.

Dolores Betzen, sister of the bridegroom-elect, was at the registry table. Tea was served by Cathy Shannon and Debbie Todd from the dining table, where asters and daisy chrysanthemums in shades of lavender and violet were arranged with gypsophylla in a silver compete for decoration.

Miss Lookingbill wore an orchid frock with empire waistline, scooped neck and flared skirt. Her corsage and those of house party members were of white blossoms tied with purple ribbons.

Hostesses with Mrs. Higgins were Mmes. Walter London Jr.

Holly Officials Present 3 'High Sugar Awards'

Three of Holly Sugar Corporation's top officials were in Hereford Thursday and Friday to make presentation to area sugar beet growers in recognition of outstanding production during the just-completed harvest.

John Bunker, president, Glen Yeager, vice president of agriculture, and Percy Rosenow, agricultural production manager were in Hereford to make presentations of "silver sugar bowls" to three of the area's top producers.

The coveted "High Sugar Award" bowls were presented to D.N. Gambin of Elter, Ben Rejino of Bovina and Dave Hutchens of Hereford. The presentations were made Thursday night

at a meeting at K-Bob's.

"These bowls were given to these individuals based on their total acreage grown and total extractable sugar content," Bunker said. "These were given to these men and we also want to congratulate the growers and processors for doing a very fine

job. The growers and processors have done a very fine job under the difficult conditions of this year."

The usable sugar bowls were engraved with "High Sugar Award, Holly Sugar Corporation, 1971."

Gambin's crop produced 16.96 sugar, Hutchens has 15.56 and Rejino had 15.66.

"On the basis of what sugar nets are now, they are going to gross better than \$500 an acre with the Sugar Act," Bunker said.

"And," said James Witherspoon, executive secretary of the Texas-New Mexico Sugar Beet Growers Association, "It looks like the price of sugar on the 1971 crop is going to be in excess of \$10 and if that happens they will make more than \$500 an acre."

Witherspoon added that the prospects are good for sugar this year, so "everyone ought to consider increasing their acreage."

Bob Ginn, agricultural manager at Holly, said the various tests being carried on by Holly officials are beginning to shed

some light on previous problems of sugar beet growers.

"With the work we are doing by core sampling every field

prior to being fertilized-we can give the exact needs of nitrogen, based on a predicted yield," he said.

HERE FOR PRESENTATION - Officials from Holly Sugar Corporation were in Hereford last week to make presentations to three of the area's top sugar beet growers. Shown

here, from left, are Glen Yeager, vice president - agriculture; John Bunker Jr.; John Bunker, president of Holly; and Percy Rosenow, agriculture production manager.

SAN ANTONIO, Tex. (AP) - Health officials recorded a drop of about 75 per cent in the diphtheria rate here for 1971 as the city rebounded from the epidemic that struck the year before.

There were 54 cases with one death in 1971, compared to 201 cases with three deaths in 1970. As the 1970 epidemic spread, doctors joined with nurses and military medics to man immunization clinics, dispensing vaccine to 577,917 persons.

NEW LOOK OF SPRING '72'

Deadline nears for Lettuce Producers

The U.S. Department of Agriculture has reminded western lettuce producers of the Monday, Feb. 28, deadline for voting on a proposed marketing agreement and order for lettuce grown in Colorado, New Mexico, part of Texas, California and Arizona.

In order to be counted as valid the ballots must be received by the close of business Feb. 28 in the office of the referendum agent, Warren C. Noland, Fruit and Vegetable Division Field representative for USDA's Consumer and Marketing Service, 312 N. Spring Street, Room 1733, Los Angeles, Calif. 90012.

Eligible to vote are those producers who grew lettuce for market between Aug. 1, 1970 and

July 31, 1971.

If for any reason a grower in Texas, New Mexico and Colorado does not receive a ballot, he can obtain one from Noland's office or from Robert Case, F&V Marketing Field Office, 712 19th St., Room 305, Denver, Colo. 80202 and David B. Fitz, F&V Marketing Field Office, Commercial Arts Bldg., 2217 N. 10th St., Room 13, McAllen, Texas 77801.

Ballots also will be available from Justin McBride, county agricultural agent here or from Charles L. Hottel, Castro County agricultural agent.

Look who's new

Mr. and Mrs. Dara Ella Garcia are the parents of a daughter born Feb. 18. She weighed 7 lbs. 12 ozs.

Mr. and Mrs. Joe West are the parents of a daughter, Jill Suzanne, born Feb. 17. She weighed 8 lbs. 13 1/2 ozs.

STILL BOWLS AT 84

LONG BEACH, Calif. (AP) - An American Bowling Congress tournament is a way of life for 94-year-old Bill Doehman of Fort Wayne, Ind.

He hopes to compete in his 62nd consecutive ABC tournament here beginning March 25. Doehman's first ABC was in 1908.

Trust Officer Speaks To Club

Financial planning which the average family often postpones until too late, was discussed by Jack Wilcox, trust officer of First National Bank, as guest speaker to Bay View Study Club Thursday afternoon.

After his talk, he answered questions asked by members who showed their interest in his subject by requests for basic information and also for discussion of specific points in estate planning.

Titled "Creating a Future, the Trusts, and told how they can be set up and how it operates, defining the various types including trusts by will and living trusts, and told how they can be

Mrs. Strain Is Guest Reviewer

Review of a humorous book on family life, Everybody Wins- Nobody Loses, was given by a guest, Mrs. Robert Strain, for the L'Allegre Study Club at a meeting Thursday evening in Mrs. Roy Hartman's home.

Written by Edith J. Bahr, the book relates in light vein various experiences of being a parent, reaching the conclusion implied in the title. Mrs. Strain was introduced by Mrs. O.Z. Golden, program chairman.

Plans were made for club

supper March 18, when husbands of members will be guests.

Present were Mmes. Leahy Ballard, T.E. Braddy, S.L. Garrison, W.H. Century, Noble Howard, Bob Poston, Don Robinson, Joe Story, Art Stoy, Maurice Tammahill, Ed Wilson, Richard Wiget, R.N. Yarbro, Sam Long, B.F. Cain and Miss Gladys Sciff.

Small talk

BY SUE COLEMAN
 Thursday afternoon. Even if unauthorized by calendar, spring was really here for a few days, as I could plainly see when there were a few minutes of time to pass and I drove around just outside the city limits.

IN TOWN, a boy was flying a kite from a vacant lot and two giggling girls were riding one bicycle slowly along a street.

Just outside, more boys with motorbikes were riding the trails up and down a dump of road past a strip of pastureland dirt at a tailwater pit, and a

Neither of those birds sounds quite so springlike to me as the clear tune a fieldlark whistled when I was driving on a country road past a strip of pastureland dirt at a tailwater pit, and a

over laws in Hereford during the preve of spring we've been having it up until Friday afternoon. One of the newsroom hands here at the Brand insists he saw a bluejay, too.

Robbins ARE BOBBY all over laws in Hereford during the preve of spring we've been having it up until Friday afternoon. One of the newsroom hands here at the Brand insists he saw a bluejay, too.

TO WED IN APRIL — Engagement of Jamie Garcia and Mrs. Jesus Garcia, 320 Avenue I, with plans for a wedding April 29 in St. Anthony's Catholic Church. The prospective bridegroom, son of Mr. and Mrs. Andrew Galan, 330 Avenue E, is an employe of Miller Seed Co. The couple will reside in Hereford.

By the Garden Gate with Glad

By Mrs. Art Manjeot

Flowers are God's thoughts in bloom. Streams are God's thoughts in motion. Wind is God's way of awakening the earth. The plow is man's method, brought down through the years, for preparation of the soil. We are living in changing times. As I retrace some of the forward steps in my lifetime, I am amazed at the many changes that have been wrought. We have lived in perhaps one of the most epoch-making ages of all times. It behooves us as gardeners, farmers, and lovers of the soil and plants, to keep in step with the changes. The following shows of some of the forward steps for the farmer.

The Plowman: Virtually gone from the farm scene is the plow, with horse or mule, turning up the soil in preparation for planting the new crop. Some of my childhood memories of the farm are those of the plow and the fresh turned soil. The odor of the fresh turned soil was sweet and to see the turning of the soil in a straight row was a real thrill. Also liked to watch the farmer as he held the turning plow and the task it was to follow the horse and plow. In the fresh soil was a good place to find choice fish bait.

Today agriculture is one of the major industries of Texas and many other states. Mechanization has sharply reduced the tiring labor for both man and beast. The old census, showed almost 3 million horses and mules on Texas farms; now the number, according to the recent census, is not even shown because the number had so dwindled. Yes we lived in a machine era.

However the enemies of the farmer, or gardener haven't changed. We still have to fight weeds sap the soil and damage growing crops. Statistics reveal that if weeds are left to grow with the crops the farmer loses much of his profit through them. The cost of producing a weed is something all should be well aware of. So these days when we can't do too much in the yards and gardens, we can take a survey of the winter weeds, and the new ones that are coming. These should be removed. After cutting them they should be destroyed. This will be a good first step towards the growing season.

Another chore we can attend to now, is that watering where needed. We should all know our soil. Where it dries out the fastest, where the wind whips most, where the sunbakes the longest part of day, where the mellow soil warms, and can be planted first. These items could and should be kept in our garden notebook.

After checking conditions for

what the new All-America selections are. This year the two chosen are, Cameo and Miss America.

Cameo is shown on the lavender catalogue, and it is very beautiful, the bi-color is lovely. It has a large canary yellow throat with rose picotee edge. The coming back to decorative jewelry. This new lovely flower will

thrill all who grow and use it. The plant is sturdy and has heavy substances, the flowers are moderately ruffled, the plant height average. In flowering it will produce seven to eight blossoms at a time.

Miss America, is predicted to be a real winner among the horticulturist, and gladiolus growers. Miss America is a pleasing bright pink, and is an excellent grower, very fancy ruffling, heavy subtended blooms on a globe growing as long as 60 inches and growers state that 10 to 12 blossoms open at once.

Last year during the Miss America pageant, 600 spales of this glamorous glad were flown to Atlantic City, N.J. from the her first purchases on the garden list for new introductions.

to decorate for the Miss America pageant. Some 300 floral arrangements were made. Each contest was given at least three compositions during the contest.

The lovely flowers were used to decorate the floats, awards banquet tables and the beautiful material for arrangements and decorations.

Her opening qualities are very high, and any sure that gladiolus growers will be growing this beautiful winner in their gardens this year.

Glad has it placed as one of her first purchases on the garden list for new introductions.

Claf's really thrill me, and they are a joy to grow and use. For summer flowering bulbs, corns or tubers, see or call a member of The Hereford Garden Club. They will be glad to assist you in choices, and sell Begonias, Gladiolus, and Camellias.

A well chosen selection is being offered by the Garden Club members. This is being done to aid in the development of the Hereford Garden Club Garden Center. Prices are reasonable.

More than two million acres of Nova Scotia's total of 13 million acres are farmed.

Nova Scotia has nearly 100 million acres of forest.

Thomas Feted On Birthday

A surprise birthday party for Wayne Thomas, Hereford attorney who is active in the Adult I Department of First Baptist Sunday School, was given by members of that department Wednesday evening in the home of Mr. and Mrs. James Gentry.

A birthday cake decorated with the sketch of a jigger and the sentiment, "You're jiggered your way into our hearts—Happy Birthday," was presented to Thomas during the evening of informal conversation.

Guests included Messrs. and

Pancake Supper Is Friday

A pancake supper will be held Friday night beginning at 5 p.m. in Plainview, sponsored by the Plainview Rainbow Girls and the Eastern Star.

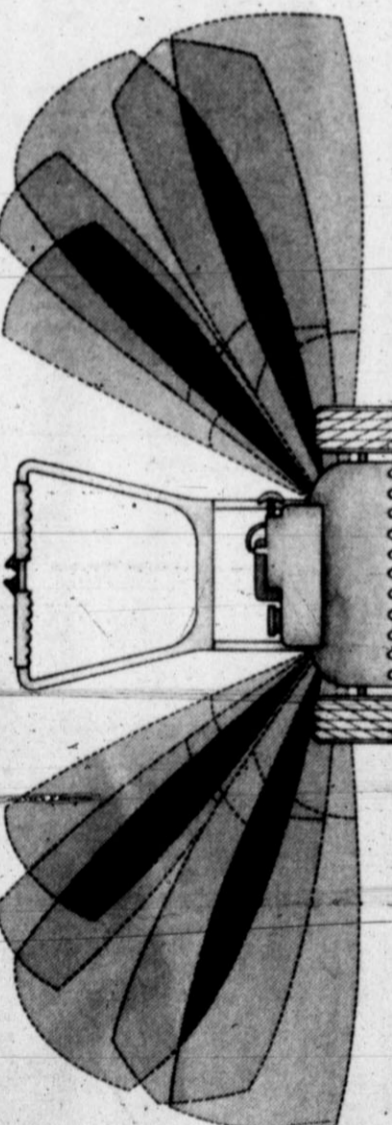

Tickets are \$1 for adults and 75 cents for students. The supper will precede the Hereford-Plainview baseball game.

Store Changes Ownership

One of Hereford's oldest businesses changed hands Feb. 1 when Helen McCauley sold Helen's Youth Shop to Helen Higgins.

The shop, created by Mrs. McCauley for 20 years in Hereford, was originally located on Park Avenue, before moving to the 200 block of Main Street and then to its present location of 417 North Main.

The store has been in its present location for 10 years.

If you were going to design a lawn mower, where would you put the grass catcher?

On the right side, so it bumps into whatever's sticking up on your right? On the left side, so it does the same there? The fact is, most grass bags are afterthoughts. They stick out to one side. They simply weren't designed to be a part of the mower.

The Snapper V21 or 18 has its grass bag between the handles. You can close trim on both sides.

and vacuum your lawn of pine straw, leaves and light litter while you're mowing. We made the grass bag extra large, too. For less emptying.

In fact, all the good things about Snapper V21 or 18 are logical. The result of sound design and planning by people who make lawn equipment and only lawn equipment.

Not afterthoughts.

Prince Valiant

IN THE DAYS OF KING ARTHUR

Our Story: SILAS, 'THE LIBERATOR' WELDED TOGETHER THE ENSLAVED PEOPLES OF POLDIS, DORAIN AND FAR HAPLION, AND UNDER HIS STRONG LEADERSHIP THEY PREPARE TO MARCH ON DONDARIS.

THE KING'S SCOUTS RETURN AND, AT THEIR REPORT, GIAN'S FACE GOES WHITE WITH HELPLESS RAGE. THE TROOPS THAT GUARDED POLDIS HAVE BEEN DRIVEN OUT WITH GREAT LOSS WHILE THOSE WHO KEPT THE PEACE IN DORAIN AND FAR HAPLION HAVE BEEN ORDERED HOME TO PROTECT THE PROPERTY OF THE WEALTHY.

YEARS OF LUXURY HAVE SOFTENED THESE WEALTHY MEN. THEY SEND A DEPUTATION TO SILAS TO ASK TERMS FOR THEIR OWN SAFETY, NEVER DREAMING ANYONE WOULD REFUSE MONEY.

WORD COMES THAT THE REBELS ARE ON THE MARCH TOWARD DONDARIS, AND PRINCE ARN TAKES A PLAN TO KING GIAN. "THE REBELS HAVE NOTHING TO LOSE, EVERYTHING TO GAIN. THEY WILL SUFFER THIRST AND HUNGER IN THEIR MARCH TO FREEDOM. WHILE YOUR RETURNING ARMIES OF OCCUPATION ARE ENCUMBERED WITH TENTS AND COTS, SERVANTS AND BAGGAGE TRAIN, THE REBELS WILL SOON OVERTAKE THEM."

"SEND A MESSAGE, HAVE THEM TURN EASTWARD INTO THE HILLS UNTIL THE REBELS PASS. IF BATTLE IS JOINED THEY CAN ATTACK IN THE REAR." GIAN LOOKS UP IN ADMIRATION: "ARN, YOU ARE A MILITARY GENIUS!" HE DECLARES. "NO, GIAN," ARN ANSWERS WITH A GRIN, "THAT IS A PLAN KING ARTHUR USED IN THE BATTLE OF BADEN HILL WHEN HE TURNED BACK THE SAXON INVASION."

KING GIAN SMILES: "WHAT NEXT DOES MY UNOFFICIAL CHANCELLOR ADVISE?" "CALL THE COUNCIL TOGETHER THAT YOU MAY TEST THEIR INTEGRITY," ANSWERS ARN. "THE FATE OF DONDARIS AND ALL WITHIN ITS WALLS DEPENDS ON THEIR LOYALTY."

hints from Heloise

DEAR HELOISE:
I love to read your helpful hints and finally came across one I could contribute to your wonderful column. This one sure solved my problem.

In my apartment, the refrigerator has the freezer on top. The ice trays take up half the space, and there is very little room to freeze food.

So I bought a 12" x 9" x 3" cake pan, cut off one of the 12-inch sides and set the pan in the freezing compartment bottom side up. Then I took

an empty 6-ounce frozen-drink can and slid it in under the pan to brace it.

The trays slip in and out

become hard in no time.

I have found that I can restore their freshness by putting them in a plastic bag and dipping them into hot water, dunking them up and down several times.

Amy

DEAR HELOISE:
Did you know that a stretch shoe mitt makes an excellent cover for a hot-water bottle?

Give it a try. I think you'll be so pleased.

Mrs. C. G. Wickham

SWEET TO THE CORE

DEAR HELOISE:
If you are adding sugar to the center of baked apples (where the apple has been cored), use a small funnel.

It will really save a lot of time as well as muss.

Judy

DEAR HELOISE:
My kids love marshmallows and are always going into the cabinet to get a handful of them, but they never remember to close the bag. Consequently, the marshmallows

DEAR HELOISE:
My father has to carry pills at all times because of a heart condition.

We had a hard time finding

a pillbox for a man until mother took the insides out of a ball-point pen, put the pills down inside and screwed the pen back together. It was just like new—minus the insides. And was my father ever pleased!

Now he has his pillbox clipped right on his shirt pocket. And it's handy, decorative and never gets put through the wash.

Also the pills don't become pulverized by knocking around in a box.

Mary Thornton

DEAR HELOISE:
When I fold clothes after doing my laundry I toss all the socks in a grocery sack and put it near the phone.

Then, when I get tied up on the phone, I fold the socks and sort.

This takes the "nervous jitters" out of long phone calls as well as gets the job done.

Mrs. N. W. L.

DEAR HELOISE:
This feature is written for you... the housewife and homemaker. If you have a hint, problem or suggestion you'd like to share... write to Heloise today in care of this newspaper.

2-20

DEAR HELOISE:
I am always and forever painting and repainting flower pots and have discovered a surefire method.

Run a rope through the hole in the pot and knot. Then suspend the pot upside down, paint and let it dry.

A Reader

HELP FOR HOMEMAKERS

COMING UNHINGED?

DEAR HELOISE:
When you put your fruit cake in the stove to bake, put a pan of water under the cake and it won't bake so hard.

About 25 minutes before the cake is done, take the pan of water out and you will have a nice soft cake.

A Reader

WHO LIES BEST?

DEAR HELOISE:
Save your used flash cubes...

I pry open the bottom, lift up the shiny reflector and twist off the bulb. Then I have a nice little display case for my rock or mineral specimen.

Albert Emil

ON THE ROPES

DEAR HELOISE:
An emergency came up when my grandson stayed as an overnight guest.

He is just in the toilet-training stage. Luckily, Grandma had saved that old training chair—but the pot was missing—what to do?

I grabbed an empty plastic bleach bottle, cut it down to fit under the chair. Then at the last minute, I remembered he's a boy and needed a little extra protection, so the knife

COMING UNHINGED?

DEAR HELOISE:
If you have a pair of scissors that are loose or even completely apart at the hinge and you can't tighten or replace the little nut, try this trick.

Using a strong rubber band, keep twisting and doubling it up until it is real tight, then slide it from the point of the scissors (closed) until the rubber band is at the joint and real snug.

It will hold indefinitely.

Denver Plummer

DEAR HELOISE:
You know those see-through plastic zipper pencil cases kids use?

Well, I've found that when you put sharpened pencils in it, the case gets all marked up and even gets holes punched in it.

To solve this problem I took a plastic straw, cut about a 3" piece off and slipped it over the point of the pencil.

When you want to use the pencil, just push the straw up on the pencil (out of the way) and you're all set.

Debbie
Age 14

DEAR HELOISE:
I always take a fresh pot plant to the grave of my son on the anniversary of his birth and his death.

I take three coat hangers and cut a hook from each, place the hook over the rim of the pot and stick the straight piece into the ground.

I guarantee it will not blow over.

Mrs. E. P. Kaun

IODINE

I'M GONNA MAKE BIG-FOOTPRINTS IN THE SNOW AND FOOL MOMMY...

HA-HA...YEAH... THAT'S GOOD!

I'LL PUT THEM WHERE MOMMY'LL BE SURE TO SEE THEM WHEN SHE GETS HOME...

HOCUS-FOCUS

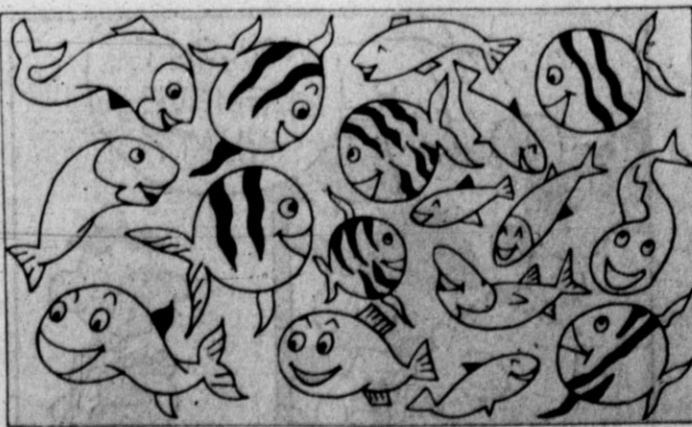

CAN YOU TRUST YOUR EYES? There are at least six differences in drawing details between panels above. How quickly can you point out what these differences are? Answers below.

Hal Kaufman's JUNIOR WHIRL

Breath Taker!

A MAN WALKED into a bar and asked for a glass of water. Instead of giving him the water, the bartender pulled a gun from under the counter and pointed it at him. Startled, the man paused breathlessly. Then he smiled and left the barroom. Now, what circumstance or set of circumstances might logically have caused such a sequence of events? P.S.: The men were unknown to each other. It happened during regular hours.

WATCH OUT BELOW! There are many look-alikes among the 37 smiling fish above, but only two are twins. Which two?

BULLETIN BOARD

● BIRTHDAY BOY! George Washington celebrated his 19th birthday on Feb. 11, 1750, his 20th birthday on Feb. 11, 1752, and his 21st birthday on Feb. 22, 1753. Why was that?

Three, Pages 31 and 32 will be one sheet.

● Draw a circle and four dots anywhere on a sheet of paper. Now, using the circle as a head and dots as hands and feet, draw connecting lines for a stick figure.

● Find two hidden animals in: We, as electricians, proclaim the electric taxicab a boon to clean air.

● If you tear pages 1, 25, 31 and 32 from a book, how many sheets of paper will you have?

ALL SO! Add these colors for a surprise picture above: 1-Red. 2-Maroon. 3-Yellow. 4-Lt. brown. 5-Tan. 6-Lt. purple. 7-Dk. green. 8-Dk. purple. 9-Lt. green. 10-Black.

SPELLBINDER!

SCORE 10 points for using all the letters in the word below to form two complete words:

PARTICLE

THEN score 2 points each for all words of four letters or more found among the letters.

Try to score at least 50 points.
