

Let's 'Rock Around The Clock'

By DON RICHARDS
Brand News Editor

Hereford's 75th Diamond Jubilee Celebration committee has planned another local contest that will, hopefully, keep people from going "off their rockers."

It will be sort of a "back and forth" race with its "ups and downs" and with none of the contestants really getting anywhere.

Ages of contestants open for the contest will be from 5 to 105 with either sex eligible.

THE CONTEST will be a Rocking Chair Marathon with a \$300 prize to the person who can rock the longest without stopping. The contest is scheduled to begin Friday evening, July 27 and last until the final contestant stops rocking.

A site for the contest has not been chosen but Jubilee officials hope to close off a city street and set up rocking chairs, judges booths and concession stands within the enclosed block.

Hereford's Jaycees will be sponsoring the contest and will

provide around-the-clock judges until the race ends. An entry form for the contest appears in today's paper and must be mailed or brought to Jubilee Headquarters with a \$15 entry fee.

"WE WOULD like to see local merchants and businessmen sponsor participants in the contest and pay the entry fee for them," said Dale Young, Jubilee General Chairman. "These businessmen can then put any type of advertisement they want on the rocking chair or decorate the participant any way they wish."

"Persons without sponsors wishing to enter can contact the Jubilee Headquarters across the street west of the courthouse and we will try to find a sponsor for them. However, they can pay the \$15 and enter without a sponsor."

PRIZES WILL be given to the best decorated rocking chair and for the oldest and youngest participants. Prize for first place is \$300; \$150 for second place; \$100 for third; \$50 for fourth; and \$25 for fifth.

"We would like to see at least 50 to 75 participants in the contest," said Young. "The women are usually some of the best contestants and have won previous contests in other towns."

Young said the \$15 fee was for early entrants and that a penalty may have to be charged to entries late in the week before the contest.

Greg Sharpe, Jaycee treasurer, is chairman of the Rocking Chair Marathon contest.

CONTEST RULES

1. \$15 entry fee in advance.
2. Participants must furnish their own rocking chair.
3. Drawing for placement of chairs to be held.
4. Rockers must rock continuously except during break time.
5. A seven-minute break will be allowed every two hours. Participants must remain in rockers all other times. Persons late getting to their chairs after a break will be penalized five

minutes (for every minute they are late) out of their next break.

6. A 15-minute eating period will be allowed immediately after each seven-minute break. However, chairs must keep rocking while participant is eating.

7. No motorized device or any device that aids in rocking will be allowed.

8. No alcoholic beverage or any type of stimulant (other than normal food or drink while eating) will be allowed. Smoking is allowed.

9. All rocking will be held outside in spite of weather unless judge decides weather is too adverse.

CONTESTANTS will be allowed to decorate their chair in any manner with signs, cushions as long as other rules are observed. Trained nurses will be available as will concession stands. Winner will ride in prepared float at the Diamond Jubilee Parade Aug. 25.

Good News And Bad News

County Holds Tax Rate; Road Superintendent Resigns

By O.G. NIEMAN
Publisher

Five items—with only one listed on the agenda—highlighted a regular meeting of the Deaf Smith County Commissioners Court Monday, and money figured prominently in all the discussions.

There was some good news and bad news.

FIRST, the good news: Commissioners voted to set the county tax rate the same as last year, but taxpayers will realize a savings with a five-cent reduction in the state ad valorem tax. And, County Judge H.C. Williams announced receipt of the general revenue sharing check for the second quarter in the amount of \$59,309.

THE BAD NEWS: Chuck Eppler, first road superintendent under the county's new unit system, submitted his resignation, and commissioners reported a deficit in the precinct operating funds.

The fifth item—another discussion on deputies' salaries—created a controversial exchange of words between Judge Williams and Sheriff Travis McPherson. No action was taken but commissioners are considering a pay increase for deputies, with the ac-

companying reduction of the department by one man.

IN OTHER BUSINESS, the court appointed Frank Zinser to replace J.E. McCathern as election judge for Voting Box 3 (after the latter moving into town); approved the June fire report which showed 14 city and 14 county calls answered; approved a water and gas-line easement for Gerald McCathern, and studied a request for a road in Precinct 2.

The tax rate for 1973-74 was set by the court, with the assessed rate remaining at 22 per cent of valuation. The combined county-state, hospital district and water district tax will be \$1.67 per \$100 assessed value, compared to \$1.72 the past year.

The five-cent reduction comes from the state ad valorem tax, which was cut from 27 cents to 22 cents. The county tax amounts to \$1.15; the hospital district gets 25 cents; the water district 5 cents, and the state 22 cents.

THE REVENUE sharing check of \$59,309 was the same amount as for the first quarter of 1973, and the county's total now stands at some \$323,011, including interest on the funds.

THE RESIGNATION of Eppler came as no real surprise, but it was the first setback for the county's new unit system on roads. Eppler assumed duties as county road superintendent on Feb. 1, less than six months ago. His resignation was effective July 15 and was unanimously accepted by commissioners. The court agreed, however, to pay Eppler through July and allow him to leave at once in order to give him time to seek other employment.

When Eppler started his regular report to the court Monday, commissioner Marcus Latham interrupted to say that he was going to make a motion that the superintendent's job be

eliminated. Before any other discussion, Eppler stated that it was his intention to submit the resignation during his report. Latham then made the motion to accept the resignation, and Donald Hicks seconded.

In introducing the topic, Latham said he wasn't "casting a reflection on anyone, but we've just got to cut expenses." He pointed out that the financial report on the road and bridge fund showed the county would have to borrow money to pay bills.

COMMISSIONERS agreed that more paving had been done the past year, and that cash payment for a maintainer was another factor in the high expenses. Winter weather caused more road work than usual, it was added. The maintainer purchase, of some \$28,000, was made in cash to save interest payments. A paving program on the Deaf Smith Feed Yard road was estimated at a total cost approaching \$50,000.

Referring to Eppler's work, Earl Holt said he thought the road chief had "done a good job under the circumstances." He added that "we didn't realize it was going to take so much money." Hicks also noted that "we've learned something about this system." With the size of the county and the number of roads, Hicks stated, "It's hard for an outsider to come here and become familiar with our operations in a short time."

Commissioners were quick to point out that, overall, county finances were in good condition. It is only in the precincts' road and bridge funds that a problem exists. The court authorized the county judge and county clerk to sign a note for necessary funds to pay bills. It was pointed out that certificates of deposit will be available to take care of any

notes. It was estimated up to \$30,000 might be needed to take care of bills.

AT THE SAME time, commissioners agreed to cut expenses where possible—agreeing that no overtime work would be approved except in emergencies.

McPherson had appeared before the commissioners previously to ask for consideration in raising the salary of deputies. Since the last regular meeting, commissioners had apparently asked the sheriff to consider dropping a deputy to provide funds for a raise to others.

The possibility of providing a "clothing allowance" for deputies, in lieu of a salary increase, was also brought up during the discussion. It was the amount of the clothing allowance that touched off a sharp exchange of words between the judge and the sheriff.

JUDGE WILLIAMS, stressing that all county employees should be considered when thinking of pay raises, contended that road hands, too, might deserve a clothing allowance. The sheriff retorted, "You're only arguing against this because it's my department," and added, "It's none of your business."

The judge proceeded to explain that it was his business, then the discussion returned to the salary proposal. Commissioners asked McPherson to check with other sheriff's offices on the matter of clothing (uniform) allowances and report back to the court.

A Touch Of Color

Contractors Jackson Venable and Morgan Smith added a touch of color to the Hereford skyline this week as they finished the sign on the north side of Pitman Grain Inc. The letters are red with black trim with color paintings of the corn, grain sorghum, wheat and Hereford calf.

Postponed

The Wednesday session of Deaf Smith County's 69th Judicial District Grand Jury was postponed indefinitely for the second time in as many scheduled sessions.

The session was postponed for lack of a quorum of jurors to consider the eight cases against 10 persons.

Building Plans Advanced

Hereford School Trustees moved closer to a final plan for a new elementary building Tuesday night and heard reports on the summer track program, parental involvement program and a follow-up of last year's seniors.

Meeting in regular session board members approved a general plan for the new elementary which will be a modified conventional-open space building. Kennedy Whiteley of the architectural firm in charge of the building plan, presented drawings for the board and for the Hereford elementary principals whom the board had invited to the meeting.

In other action Dr. Joe Whitley appeared before board members to discuss the problems and progress of the summer track program operating with A.A.U. Junior Olympics officials. Whitley thanked the board for the school facilities used in the recent track meet then asked trustees what would be

required in order for Hereford to have an all-weather track surface.

Supt. Roy Hartman explained the cost would be about \$30,000 and another bond election would be needed. Whitley said he plans an attempt to secure approval of many local residents to ask the board to call a bond election for the track.

Paul Abalos reported to the trustees concerning the Parental Involvement Program which is intended to get the parents of minority children familiar with Hereford schools and to take a more active role in school functions.

Abalos explained the role of the program and told of many of the problems he faces in gaining the confidence of the parents of the children.

"But I believe we are much better off than we have been in the past," Abalos said. "The school now has support from many parents whom it didn't have several years ago."

Hartman read a follow-up report on the graduating HHS seniors of 1972 and

said that 145 of the 280 attended colleges or advanced schools. The report indicated the grade averages were up for the majority of Hereford students in higher education schools.

First National Bank of Hereford was awarded the bid as school depository after submitting a lone bid.

Official hearing for the budget was set for 8 p.m. Aug. 9 during a regular board meeting.

Trustees accepted the resignations of Mike Benway, Bargar Kilgore, Argentina Mendez and Jan M. Eeds.

Hired for the following school year were: Karen Abney, La Plata; Dixie Ford, Central; Ann Burney, Aikman; Judy Renfro, La Plata; Jackie Cabiness, high school; James Perkins, Stanton; Royce Coatney, orchestra department; Jimmy Carolyn Johnson, Stanton; Robert Allen, high school; Beverly Sue Bryant, Shirley; Bill Devers, La Plata; Johnnie Driskill, Bluebonnet; and Mrs. Vera A. Hughes, Northwest.

Quarterly Deposits Down

Hereford banks showed a slight decrease in deposits on the June 30 bank call from recorded figures at the last call March 31. However, deposits were up considerably from a year ago.

Both Hereford State Bank and First National Bank had deposits totaling \$47,898,465.72 compared to the \$51,947,953.71 deposited during the first quarter of the year and reported in the call of March 31. Total deposits during the same second quarter last year were \$38,692,131.32.

Loans at the two Deaf Smith County banks totaled \$38,437,940.49 for the

second quarter. Total loans during the March 31 first-quarter call were \$37,549,236.55 and were \$28,835,478.20 for the same period last year.

Hereford State Bank showed deposits totaling \$17,671,289.84 for the June 30 bank call compared with the total of \$18,594,043.21 it showed at the March 31 bank call this year. Last year's total deposits at the June 30 call for the bank were \$14,065,416.06.

Loans at Hereford State Bank for the June 30 call were \$14,426,972.60 as compared to the \$14,206,325.00 at the March 31 call. Total loans for the second

quarter last year at the bank were \$10,839,807.21.

First National Bank recorded deposits totaling \$30,227,175.88 for the call and reported \$33,423,910.50 at the March call. Total last year at June 30 was \$24,626,715.26.

Loans at First National Bank during the second quarter of the year were above both the first-quarter call and above last year's total. Loans totaled \$24,010,967.89 as compared to \$23,342,911.55 last quarter and \$17,995,670.99 last year at this time.

Deaf Smith County law officials joined New Mexico law officials in a two-state manhunt Tuesday after a man robbed a Glenrio bar of \$100 and fatally stabbed the woman attendant.

Killed in the armed robbery was Mrs. Kenneth (Dessie) Leach who owned and operated the State Line Bar with her husband. She was pronounced dead on arrival at a Tucumcari, N.M., hospital.

John Wayne Lee, a 31-year-old Army veteran whom officials believed was AWOL (absent without leave) from Ft. Bragg, N.C. was arrested shortly after the robbery about two miles west of Vega by Oldham County officers and Highway Patrolmen.

DEAF SMITH COUNTY Sheriff Travis McPherson and three deputies, Art Burton, Dean Butcher and Johnny Moya, joined the search for what was believed to be a second man involved in the incident. Also assisting in the manhunt were Chuck Cosper, game warden from Hereford, and Deaf Smith Highway Patrolmen Larry Bigham and Russell Wheeler.

Deaf Smith officers searched up and down Interstate 40

where Lee told officers he let out a second man involved named "Rudy." However, the manhunt was called off after witnesses at the scene reported only one man involved and after Oldham County officials transferred Lee to Amarillo for polygraph (lie detector) tests.

LEE WAS wearing a blood-stained shirt and carrying two pistols at the time he was arrested. Officers also found several knives in the Ford Pinto Station Wagon he was driving. The suspect was charged with murder in Amarillo with bond set at \$25,000. He was later transferred to New Mexico officials after he waived extradition.

An Amarillo couple had stopped at the bar, which is just a few hundred yards inside New Mexico from the Deaf Smith County line and Texas, and told officers they left shortly after a man came in. The couple were driving by about half an hour later and saw Mrs. Leach being carried out on a stretcher. They then furnished officials with a description of the man.

A description of the car was furnished by a woman who lives behind the bar. She also called an ambulance and notified police who put an alert out for the suspected vehicle.

Average Vegetable Crop Expected

By STEVE CONNELLY
Staff Writer

The potato and onion production in the Hereford area is about 10 days to two weeks behind this year due to poor weather at planting time, but the crop is expected to be about average as compared to last year.

George Jones, of E.C. Reinauer and Sons, says the potato crop will be a "normal crop with a good quality," and that there will probably be "enough rail transportation and trucks."

Weather and disease have not caused

any serious problems this year, except that cold weather earlier this year delayed planting of both potatoes and onions.

The onions are expected to be of exceptionally good quality, although overall production will be light because of the late planting.

Potatoes will begin to be harvested this week, which is about two weeks later than last year. The quality is expected to be good, but the general yields are expected to be down.

The amount of acreage planted this year is about the same as last year, or

slightly less. Disease and weather have not created any problems for potato production this year, either, although some insect damage has been reported.

Producers are hopeful that the shortage of rail cars that affected wheat shipments will not affect onion or potato shipments. Most producers seem to place the rail car situation on a border line basis, some see a more promising future in shipments.

The gas shortage has not created any problems because the price of diesel has not been radically affected.

Umbarger's All 'Wet'

The sale of all alcoholic beverages in the Umbarger area became effective last Saturday in an election that passed the measure by a two-to-one vote.

Umbarger became the second precinct in Randall County to okay the sale of alcoholic beverages, including mixed drinks. The Canyon area justice precinct, and a precinct to the north of the Umbarger area are the only remaining precincts still dry in Randall County.

A total of 106 persons cast ballots out of the 185 eligible, and one absentee ballot was cast. The vote was 72 for and 33 against.

Umbarger area residents had once before circulated petitions to call an election in the fall of 1971, but the efforts failed.

When the petitions were presented to the commissioners court, it was learned that due to a previous redesignation of the precinct, the balloting could not take place.

The Texas attorney general ruled at that time that the issue could not go to the voters in the Umbarger area until the end of an 18-month waiting period. That waiting period ended early this year.

Election judge for Saturday's election was W.P. Janssen.

Hereford Youth Fare Well In Snyder Junior Olympics

Twenty-two Hereford youth brought home 45 ribbons including 18 for first place and nine for second place last Saturday from the Junior Olympics in Snyder.

Sandy Whitley bettered the existing West Texas A.A.U. record in the 50-yard dash with a time of 6.7 seconds. The old record was 6.8. However, the time will not be official as the Snyder meet was only a preliminary meet.

Also both Young Whitley and Allen Ray fell just short of record jumps in the long jump event in Snyder.

The Hereford team will be going for the records this Saturday at the district meet in Borger. Sandy Whitley, Pam Whitley and Allen Ray all stand an excellent chance of cracking existing records at the district meet.

A Bantam Division relay team of Allen Harris, Trent Thomas, Steve Barrett and Mike Spangler of Hereford remains undefeated through two preliminary track meets. Competition in the junior and senior divisions at Borger is expected to be strong as win-

ners of both divisions will advance to regional meets. Outstanding high school athletes expected to compete include James Harris and Charles High of Hereford; Glen Gray and Greg Pruitt of Borger; Weldon Cobb of Snyder and Jimmy Brown of Hart.

All participants in the Borger meet must complete and sign registration forms which may be obtained from Sam Cutsinger, 364-5875; or Dr. Joe Whitley, 364-2276; or by coming to the high school track field at 6 p.m. Friday.

Coaches for this year's Hereford Junior Olympics teams include Sam Cutsinger and Don Lowder. Coordinator of the program is Dr. Joe Whitley. Results of Hereford youth in the Snyder meet is as follows:

Softball League Begins Today

A men's slow-pitch softball league with eight teams organized and playing has been started, and president of the organizing board, Dale Smith,

hopes that more businesses will sponsor teams.

The games will be played Tuesday and Thursday nights at 8:00 at the Pony League field.

President of the organizing board is Dale Smith, vice-

president is Paul Garcia, and Greg Herring is the secretary-treasurer.

The businesses sponsoring the teams are Arrowhead Mills, BJM Corporation, Caviness Meat Packing, First Baptist Church and two teams from Amarillo in Dimmitt.

Smith said that he hopes to build the program large enough to sponsor a tournament out of Amarillo in July or August.

Rodeo Team Does Well In Wheeler

Hereford High's Rodeo team fared well last weekend at the Wheeler Rodeo as the team

brought back several individual trophies and the High Point Girls team.

The rodeo was the first of the

new season for the team, which will travel to the Happy Rodeo later this month.

Gary Cotten took first place honors in ribbon roping; Jeff Shipp, first in bull riding; Renee Poarch, first in pole bending; Mary Shipp, first in barrel

racing, fourth in pole bending and fourth in steer riding.

The three placings were enough to earn Mary Shipp the all-around cowgirl award at the rodeo.

Total team points for Hereford was 17½.

Tourney Draws Well

Hereford's tennis tourney drew well in both fans and participants during the competition meet last Friday and Saturday.

Highlight of the matches was the playing of Vance McGee of Hereford who carted away three first places. John Poindexter, Pat Hughes and Glenda Hunt also got in the spotlight as each of the three grabbed two first places.

McGee won his top spots in both singles divisions of men 19-39 and 18 and under. He then was joined by David Zinser to capture the men's doubles division, 18 and under.

Poindexter, 305 Sunset, won the 40-years-and-up men's singles and joined Hughes to capture men's doubles in the same division.

Hughes also joined Steve Thomas, 618 Ave. G, to take top

spot in the 19-39 division men's doubles.

Glenda Hunt took top spot in women's singles with Kathy Emerson joining her to capture women's doubles division.

Hereford 'Hotline' Suggested For Youth

By LAVON NIEMAN
Staff Writer

The Women's Division of Deaf Smith Chamber of Commerce held its summer membership meeting at Dickie's Restaurant Tuesday night with 64 attending.

Speaker for the meeting was the Rev. Jack Crippen, pastor of St. Paul Lutheran Church in Texhoma, Okla., who spoke on his unusual hotline for troubled youth. He was introduced by Mrs. Melvin L. Hoover,

chairman of the education and youth committee. Through the hotline program, called "Operation Turn Around", Rev. Crippen says he and his helpers try to help youth find God. He said we may think

we have a drug problem, but our biggest problem is that we have turned away from God. "If we don't fill our void in life with God, we'll fill it with something whether it is drugs, alcohol, sex, or whatever", he said. "We

need to give them Jesus Christ". HE ENCOURAGED those present to consider putting a hotline in Hereford so "kids can be listened to". "In many cases if someone would just listen to

kids, they wouldn't start on drugs", he related.

"The pressures kids get in school are tremendous. We need to quit talking and do something — like get it all together in the name of Jesus", he told the group. He challenged the group not to be passive with their heads in the sand, but to ban together before it's too late.

After speaking to the group, Rev. Crippen answered questions posed by those present. He suggested that the hotline be answered on Friday, Saturday and Sunday nights, but have an answering device 24 hours a day, seven days a week to check with and try to help those who call other than the weekend. He feels that a minimum of three people should be on call on the three nights.

increasing as it is doing in our area today", he told the group.

In order to start such a program, he suggested an organization sponsor it with the sheriff and police departments backing the program. "It needs a strong leader with four or five very interested persons willing to work with the leader." Cooperation from the schools is most important, too, he stressed.

He quipped, "Twelve disciples changed the world — so why couldn't 12 dedicated people do a good job?"

HE WAS asked if he thought the hotline would prevent drug users. His answer was that in his opinion it has slowed down the pushers because for one reason they are afraid that someone calling hotline will give the pushers' names.

He said in Texhoma he knows of 17 new users since school turned out. "Our trouble is we don't want to know about it — but it is there and we must start doing something about it before it is too late."

"One thing the program does not encourage or allow is

reporting callers to the law", he said. "If we did, kids would quit calling", he added.

In Rev. Crippen's opinion we need to reach grade school and junior high students with answers to drug problems, more so than high school students who probably have already decided what route they want to go.

ALSO ON THE program was a youth group from various Christian denominations called the Contact Singers. They presented several songs and added to the discussion.

Mrs. Eugene Sparks presided over the meeting in the absence of the president, Mrs. Rocky Lee. Mrs. Sparks is chairman of the Public Affairs Committee. She announced that this is the fifth birthday of the Women's Division.

Special guests for the evening were Sheriff and Mrs. Travis McPherson, Jim Conkright, Deaf Smith Chamber of Commerce president, gave the invocation.

Alcoholic Violations, Burglary Highlight Busy Police Weekend

By STEVE CONNELLY
Staff Writer

A burglary at Poarch Brothers Welding was reported to Hereford Police early Monday by Bill Howard, an employee of the company, in which about \$425 worth of welding equipment was stolen. Howard said that the equipment was stolen sometime between 10 p.m. Saturday and 6 a.m. Monday. The stolen items were a cutting torch, valued at \$150, two oxygen regulators

valued at \$100 each, and 100 feet of oxygen hose, valued at about \$75.

Entry apparently was gained by climbing over the fence surrounding the grounds. The items were stolen from a truck owned by the company.

Officers of the Hereford Police Department are still investigating the burglary.

OTHER ACTION in the police department for the weekend included the arrest of 21 persons

for illegal use of alcoholic beverages. These include 15 who were arrested for drunkenness in public, one Driving While Intoxicated (DWI), three for minor in possession or consumption, one drunk in control of a motor vehicle, and one consuming after hours.

There were also several calls of family disturbances and prowler calls.

Five accidents over the weekend continued to keep the police department busy, one accident causing slight injuries to the driver.

An accident which occurred Sunday caused slight injuries to the driver. The accident happened at the 500 block of Mable Street, 150 feet east of Whittier Street.

A 1969 Plymouth, driven by Jose Ruiz, Rt. 3, Summerfield, was traveling east on Mable Street, when the car apparently went out of control, ran off the right side of the road, and hit a tree.

Four passengers in the car were not seriously injured, but Ruiz was taken to Deaf Smith General Hospital and was treated and released.

A 1971 Ford, driven by Mary M. Gibson, 200 Ranger, a 1967 Chevrolet, driven by Lester A. Mullins, 610 Ave. J., and Fran F. Wester, 107 Bradley, were involved in an accident at the intersection of 25 Mile Ave. and 7th St. at 6:10 p.m. Saturday.

Wester was going south on 25 Mile Ave. and had stopped to make a left turn onto 7th Street. Mullins stopped behind Wester, and the Gibson car collided with

the rear of Mullins' car, causing it to collide with Wester's car. No injuries were reported.

AN ACCIDENT early Sunday morning happened near the Jord Inn Restaurant (formerly Big Daddy's) and involved a 1970 Chevrolet driven by Jorge Olivera, 309 SW 3rd, Dimmitt, and a 1971 Ford driven by Nolan Heavener, Box 395, Sentinel, Okla.

Olivera's car was parked in front of the restaurant, and started to leave when his car backed into the car owned by Heavener. Damage occurred to the front fender on the passenger side of the Heavener vehicle.

Another accident on Plains, about 60 feet east of Ranger occurred at 4:40 p.m. Sunday.

A 1964 Dodge, driven by Robert W. Newsom, 150 Live Oak, was going east on Plains when a 1969 Chevrolet, driven by John S. Wilson, 149 Northwest Drive was backing from near the curb to the street when the two cars collided.

LITTLE over an hour later, another accident happened at the 400 block of East Park Ave. which involved a 1971 Ford, driven by Gary D. Williams, Rt. 3 Hereford, and a 1973 Ford, driven by Filemon Valdez, 507 Whittier.

Tasting Spree Planned Tuesday

A Tasting Spree, the first of the community-wide activities concerned with the city's Diamond Jubilee celebration, will be held from noon to 2 p.m. Tuesday, July 17, in the Bull Barn.

Tickets are now on sale and may be purchased from Mrs. Melvin Hoover, ticket sales chairman, and Mrs. Jack McKinster at Hereford State Bank. Only 700 tickets will be sold, so citizens are urged to get theirs soon rather than be disappointed in case of a sell out.

Price of the ticket is \$3, which includes a souvenir commemorative plate (which sells at Jubilee Headquarters for \$2.50), a recipe booklet and of course, the Tasting Spree.

Earnest Langley, local attorney, will serve as master of ceremonies at the spree and present awards to winners of the different recipe categories. Merchants furnishing the awards are Cowan Jewelers, Kester's Jewelry, Spangler's Diamonds LTD, Hereford Hardware and Gunn Brothers Stamps.

Mrs. Joe Frank Huckert, chairman of the event, said the deadline has passed for entering recipes in the booklet, but recipes are still welcome for the contest. All a contestant is required to do is deliver the dish of food and copy of the recipe to the Bull Barn before 11 a.m. July 17. Men as well as women have entered the contest.

Recipe categories include salad, casserole, vegetable, meat, bread, dessert and international. Recipes will not necessarily be judged on originality but on taste.

Mrs. Glenn Watts, co-chairman, stressed that this will give everyone an opportunity to do their old-fashioned frocks and get a look at what others will be wearing during the week of the Diamond Jubilee.

Let's Cook Something

Decorated Party Cakes
Become Her SpecialtyBy SUE COLEMAN
Women's Editor

COOKING IS THE THING

Mrs. J.A. Crofford likes best to do, she decides after discussing interests that range from riding horseback to prowling in garage sales for additions to her numerous pieces of china and ceramics.

Family meals or party cakes, cooking has had a special appeal to her since she began learning — oddly enough, after she was grown up.

As a girl on a Parker County farm, she spent more of her time in outdoor chores such as caring for the chickens and cows and even helping in the fields, than she did in housework. Mrs. Crofford says she still "had rather take a hoe to the garden than clean the house."

HER MOTHER WAS A notable cook, she adds, and "thought nothing of getting dinner for 25 or 30 people on a Sunday. Seems like about half the people at church in our community would come home with us for dinner, and she always had a wonderful meal."

Although she learned to can "because everybody in our family helped with the canning in summer," Mrs. Crofford, who was then Evelyn Measures, perhaps failed to learn to cook at home simply because her mother was so adept at that task that it was easier for her to prepare the meals than to teach her daughter.

At any rate Evelyn Crofford later taught herself kitchen

skills and found so much pleasure in trying different recipes and learning new methods that she is still learning.

IT WAS TO IMPROVE her ability in cake decoration that she became a charter member of the Sweet and Fancy Decorating Club, which she is now serving as president.

She began experimenting with cake decoration more than 30 years ago, making birthday cakes for her sons when they were small boys. But she welcomed the chance to develop expertise as a decorator, and now says she would like some instruction from professionals.

Members of Sweet and Fancy Club give their own programs, presenting new ideas they gather from reading or from other sources. They welcome new members but warn applicants that the confectioner's art can't be learned in a lesson or two.

THE CROFFORDS HAVE lived in Deaf Smith County since 1944, first on the Kirby place northwest of Hereford, then in the city, and now on the southern outskirts of town which has been their home 19 years.

Just west of South Main Street, they enjoy quick access to downtown but have on their two acres a taste of country life with space for a garden, pens and barns for horses and cattle, and their neighbors' fields growing up to their yard.

The livestock is mostly kept in rented pastures, but there are usually at least a few horses in the corrals. Mr. and Mrs. Crofford are longtime members of Hereford Riding Club and she likes to ride with the club in parades although she says she is just a spectator at playday riding events.

HER COLLECTION OF china, including figurines and miniature pieces, ceramics, and glassware — cut, pressed and carnival glass — was accumulated as she picked up an item that caught her eye here and there, often at rummage

sales and junk dealers.

Gifts have added to the collection until it fills several cabinets and shelves, and Mrs. Crofford has begun dabbling in ceramics herself although she has given away most of her work.

One of her favorite pastimes now is visiting with her grandson, seven-month-old Cory, son of the Dean Croffords. Her other son is Roy, who lives in San Antonio.

Of her cake recipes, Mrs. Crofford picks as a favorite one sure to please as a company dessert, although it is simply glazed instead of iced with decoration.

RING-OF-COCONUT
FUDGE CAKE

2 cups sugar
1 cup hot coffee or water
1 cup buttermilk
1 cup cooking oil
2 eggs
1 tsp. vanilla
3 cups flour
¾ cup unsweetened cocoa
2 tsp. soda
2 tsp. baking powder
1½ tsp. salt
½ cup chopped pecans

First prepare and set aside filling: in a small bowl beat ¼ cup sugar, 1 tsp. vanilla, 8 oz. cream cheese and 1 egg until smooth, then stir in ½ cup coconut and a 6-oz. pkg. chocolate chips.

For the cake, generously grease and lightly flour a 10-inch tube or bundt pan.

Measure flour by spoonfuls into cup; don't sift. In large mixing bowl, combine sugar, oil and eggs; beat 1 minute at high speed. Add remaining ingredients, except filling, and beat 3 minutes at medium speed. Scrape bowl, stir in nuts.

Pour half the batter in the pan, then spoon filling over the batter and top with remaining batter. Bake at 350 degrees 70 to 75 minutes. Cool in pan 15 minutes.

When cool drizzle with glaze: mix 1 cup powdered sugar, 3 tb. cocoa, 2 tb. butter, 2 tsp. vanilla and 1 to 3 tb. hot water.

Anti-Smoking Campaign Gets Kick-Off

About 50 representatives of PTA District 8 and the American Lung Association of Texas met Saturday at a luncheon in the Amarillo YMCA to kick off a jointly-sponsored program in anti-smoking education among area students.

Speaker was Dr. Myron Dees, head of West Texas State University's department of Health and Physical Education, who stressed that early education is necessary to prevent students from taking up the smoking habit, and that

"once they're hooked, they're hooked."

Program plans as outlined by Dees included a training seminar for students to be held at WTSU on November 3, following which students will set up and conduct their own smoking education activities among their peers in District 8.

"The student smoking problem must involve students themselves in its solution," Dees stated. "Students will listen to other students, but they will turn off adults who advise them not to smoke. Smoking is basically an adult activity, and in smoking the youngster is striving for adult identity."

McRights Honored

A dinner honoring Mr. and Mrs. A.N. McRight, who have lately sold their business they have operated here since 1938, McRight Garage and Supply, was given by the Independent Garagemen's Association in Hereford Country Club Tuesday evening.

Also special guests at the dinner were Mr. and Mrs. Cecil Oldham, who were introduced to other members of the Hereford IGA group. Oldham

has bought the McRight firm, and took over as manager the first of this month.

Presentation of a gift to Mr. and Mrs. McRight from the IGA members was a highlight of the evening. The McRights have said they plan to rest, travel and otherwise enjoy their retirement.

District Court Caseload Down From Last Year's

The number of cases filed in district court in Deaf Smith County during 1972 was 4 per cent less than the number filed during 1971, according to statistics released by the Texas Civil Judicial Council.

Cases filed during the last calendar year totaled 385, including 102 criminal and 283 civil.

Judge Archie S. McDonald of the 69th District Court has jurisdiction in Deaf Smith County. He also serves Dallam, Hartley, Moore, Oldham, and Sherman Counties.

The local district court disposed of 358 cases during 1972, 48 per cent of the cases filed during the year or carried over from 1971. At the end of the year, 389 cases were pending on the docket.

Statewide, the 245 district, domestic relations and special

juvenile courts experienced less than a 1 per cent increase in filings during 1972—to 290,971 cases from 278,338 in 1971. Twenty-seven per cent of these were criminal cases.

These state courts disposed of 51 per cent of the total cases filed in 1972 or carried over from 1971. The defendant entered a guilty plea in 47 per cent of the criminal cases disposed of. In the cases disposed of by a jury verdict, 74 per cent of the defendants were found guilty and 26 per cent acquitted.

Of the 276,979 cases pending throughout the state at the end of 1972, 19 per cent had been on the docket 12 to 24 months and 28 per cent had been pending over two years.

For the last 40 years the Texas Civil Judicial Council has been collecting information concerning caseloads for the

district and appellate courts. Beginning in 1973, the Council will expand its data collection activities by gathering and publishing statistics on

caseloads of county, municipal and justice of the peace courts. These statistics are essential for study and evaluation of the judicial system and its effects on the people of the state.

The Consumer Alert

Read Carefully Before Signing 'Dotted Line'

By JOHN HILL
Attorney General

The phrase, "Sign your name on the dotted line," can sound quite inviting after you've waited for credit approval on a loan or time purchase.

That may be the flattering

sign that you're a "good credit risk." But it is not wise to rush into any contract.

If you read any installment contract carefully, you should find a statement in bold type, cautioning: "Notice to Buyer—Do not sign this agreement

before you read it, or if it contains blank spaces." The statement also puts you on notice that you are entitled to a copy of the agreement.

In order to meet state and federal requirements on credit agreements, the contract must

tell you the difference between cash price and credit price, less down payment and-or trade-in; list any additional charges, such as credit insurance premiums, and spell out the total number of payments to be made by you, as well as the amount of each monthly or weekly payment due.

the address, of the lender of creditor; the correct date on which you made the note, and the date for final payment. And, if the creditor is taking a lien or other security on your property, make sure that that detail is included in the contract.

If you are negotiating a home improvement, ask to see the "certificate of satisfaction" which the seller must furnish you. But heed the warning that you should not sign the certificate of satisfaction until the work has been completed, and until you know that you are satisfied with it.

That may seem like a lot of detail. But it is not complicated.

JUST REMEMBER to read carefully every section leading

to a space for your signature. And be certain you understand it to your own satisfaction.

Most merchants or lending institution officials will be more than happy to answer any questions. In fact, some are exceedingly scrupulous about not allowing you to sign until they believe there is no room for misunderstanding.

Take advantage of the occasion to review the obligation you're accepting. Now that it is all there in black and white, do you honestly believe that the amount and the frequency of payments will not work too much of a hardship on the family budget?

Sometimes, my Consumer Protection Division investigators have looked into

complaints of overcharge, only to discover that the interest and payment plans were legal, but hasty consumers had not noticed what a strain the obligation would be until they started paying it out.

If you do have any complaints or questions concerning credit contract rights, do not hesitate to contact a local consumer protection enforcement agency, or the Attorney General's Consumer Protection Division in Austin, Dallas, Houston, San Antonio, El Paso or Lubbock.

Holly Sugar Promotes McNaney To Controller

The promotion of James R. McNaney as plant controller of Holly Sugar Corporation's Shoup factory in Hereford was announced recently by Martin D. Gladem, controller.

McNaney replaces Gene Parsley who was promoted earlier this year to be Holly's credit manager in the main office.

While attending Custer County Junior College in Miles City, Montana, he worked as stock boy for Miles & Ulmer Co., a hardware and farm equipment concern in that city.

In 1955, he transferred to Forsyth, Montana as hardware department manager and was promoted to assistant manager of the firm's Hardin, Montana store in 1962.

He joined Holly's Hardin factory in 1967 and held positions of timekeeper and farmers ledger clerk before being transferred to the main office accounting department in June, 1971, after the Hardin plant closed.

McNaney is a past member of Montana and Colorado

Auto Insurance Premiums Expected To Drop Again

By — Bill Boykin
Annual public hearings to determine auto insurance rates were held here Tuesday (July 10) amid predictions that premiums will drop again this year.

Insurance Board Chairman Joe Christie expressed hope that evidence will bring a

reduction for insurance buyers in most of Texas' 40 statistical rating territories.

This year's hearing was conducted against a backdrop of new legislation and a price freeze which applies to insurance as well as the usual review of accident frequency, claim cost and inflationary factors.

Laws which must be considered are comparative negligence, repeal of the guest statute, personal injury protection and the new deviation or competitive rating plan.

Texas Safety Association will also ask additional credit for persons completing the defensive driving course. Board rules now allow a 10 per cent reduction in auto insurance rates for those certified as having taken the course.

Meanwhile, House Insurance Committee Chairman Rep. Ben Bynum of Amarillo predicted the average premium will drop 10 to 15 per cent when new rates are set this fall.

Competitive rates may mean drops of as much as 20 to 30 per cent for drivers with good safety records, Bynum said.

"Nobody can definitely state what the final rates will be until the statistics and the impact of new insurance laws are weighed in detail after the hearing," said Christie.

REVISION SCHEDULE SET
The Constitutional Revision Commission will meet here July 27-29 to review policy presentations of its seven standing committees on specific areas. Commission members will hold briefings for the press during the three-day meeting.

Members of the Texas Press Association and Texas Association of Broadcasters will meet with commission members on Friday, July 27. Commission action on the committee reports will be taken September 6-8 and 13-15.

Consideration of the final document is slated for meetings September 20-22 and 27-29, and the presentation, together with supporting reports, November 1, followed by briefing of legislators in December.

Commission members bogged down at a recent meeting here on adoption of basic guidelines for their mission and postponed consideration of a statement of principles until their July 27-29 meeting.

Instead, they agreed tentatively to write a "revised" constitution — the minimum

assignment of voters last November 7 when they directed wheels be set in motion toward overhauling basic state laws. Two members thought even that non-specific commitment was premature.

House and Senate committees, meanwhile, have been named to make preliminary plans for the January-May constitutional convention, draft rules and agree on procedures.

14 MORE GAS SUITS FILED

Atty. Gen. John Hill has filed 14 more suits to recover full market value of royalty gas produced from state lands. The first such suit was filed May 18 against Exxon Corporation.

The state contends it is not limited by long term contracts, nor to any regulated ceiling prices promulgated by the

Federal Power Commission. Defendants, according to state allegations, are selling gas at about 20 cents per 1,000 cubic feet, or less, while the market value is around 45 cents per 1,000 cubic feet.

Suits now filed cover about 80 per cent of all lease contracts involving gas royalties, Hill said.

COURTS SPEAK

A four-year prison term assessed Amarillo former State Rep. Walter Knapp for using \$1,200 worth of state-issued postage stamps to buy a used pickup truck was affirmed by the Court of Criminal Appeals, on a three-to-two split vote.

The same court reversed and remanded conviction and 20-year sentence of a Mineral Wells man for alleged delivery of heroin because of testimony

concerning beatings by police officers.

AG OPINIONS

Law requiring finance reports by House speakership candidates is clear as to who may and may not contribute, the amounts, extent of expenditures allowed and other matters, Attorney General Hill held.

Department of Public Safety, Hill said in another opinion, is governed by statute which requires certification of accuracy of seller's invoice in purchases through the State Board of Control. Other purchases requiring disbursement by the comptroller form the operator's and chauffeur's license fund must be accompanied by the vendor's certification of the invoice's accuracy in the usual manner, Hill continued.

ROAD CONTRACT LETTING OFF

Monthly state highway contract lettings scheduled July 24-25 for 18 projects costing about \$22 million were cancelled due to failure of Congress to approve a federal aid bill.

Texas Highway Engineer B.L. DeBerry said the state had no alternative. Highway aid bills have been tied up in conference committee after the U.S. Senate and House passed different versions. Dispute is largely over diversion of highway trust fund revenues to urban mass transit.

The Highway Department in recent months have been financing all highway construction with state funds under an interim congressional action calling for reimbursement at a later date when the congressional bill is passed.

CITIES HONORED

San Antonio, San Marcos, Temple and Lubbock have been designated as national bicentennial communities.

The cities are to be recognized nationally during the Bicentennial observance of the American revolution in 1976. Thirteen other communities in Texas will also have bicentennial programs submitted for consideration.

SHORT SNORTS

Harry Hubbard, AFL-CIO state secretary-treasurer, is challenging Roy R. Evans for the organization's presidency here in convention this week.

Rep. L. DeWitt Hale of Corpus Christi will head the House planning committee for the 1974 state constitutional convention.

The Governor promised to begin operating a new mobile field office in county seats over the state this month.

There is a Way

BUT it is not the way this man has been going. He forgot to read and heed the word of God, "Wealth maketh many friends; but the poor is separated from his neighbor." Pro. 19:4. His bank account is bulging but his troubled heart is empty. *His earth is without form, and void, and darkness is upon his face.* Jesus told us, "A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother." Pro. 18:24. *It isn't by way of wealth, fame, or fortune, but by the way of God.* To this man and to all of us He is constantly repeating the most glorious invitation of the centuries... "Take My Hand."

The strong hand of a warm friend pressed upon his shoulder will help but what this man needs is to seek the counsel of a minister and join up with the forces that work for a better world through Him.

Judy Yarbrow Is Shower Honoree

One of the many parties honoring summer brides-elect in Hereford was a tea and shower Tuesday afternoon, a courtesy for Judy Yarbrow. It was given in the home of Mrs. C.R. Winget.

Miss Yarbrow and Johnny Wall are to be married in First Baptist Church here July 26, and plan to live in Albuquerque where he is employed.

Her mother, Mrs. R.N. Yarbrow, and her fiancée's mother, Mrs. Billy F. Wall, received callers at the tea with the honoree.

Presiding in turn at the tea table were her sister, Kathy Yarbrow; a cousin, Janice

Newsom; Susan Joplin of Amarillo and Deborah Wilson.

Covered with a white sheer cloth, the table had a tall arrangement of pink carnations and white pompon mums as a centerpiece. Pink feathered carnations made corsages for houseparty members.

Hostesses with Mrs. Winget were Mmes. W.H. Gentry, Sam Long, Bill Lyman, Joe Reinauer Sr., Art Stoy, Gary McQuigg, Max Leon, G.W. Duncan, Earl Stagner, N.E. Tyler.

Also Mmes. Jack Gray, Clois Kemp, R.M. Mason, Ed Wilson Jr., John Gooch, Charles Hoover, Maurice Tannahill, L.B. Worthan, Melvin Thompson and A.E. Hodges.

SENDOFF FOR SANDY — Miss Hereford 1973, Sandy Caison, was honored with a tea Sunday afternoon preceding her departure this weekend for Fort Worth to compete in the Miss Texas pageant. At either end of this group are Mrs. Terry Caviness and Mrs. Dwight McGee, who will accompany her as official chaperones. Mrs. Lynn Kester, director of the Miss Hereford pageant this year, is second from right.

Jaycee-Ettes To Host State Head

State president of Jaycee-Ettes, Mrs. Jerry Tustison of Irving, will be the guest of Hereford Jaycee-Ettes Saturday and will be entertained with a luncheon at K-Bob's Steak House at 1 p.m.

Local members, headed by Mrs. C.L. Hollingsworth, president, will be hostesses for the lunch and a program afterward, and will take Mrs. Tustison to Palo Duro State Park in the evening to see a performance of the musical, Texas.

Women from area Jaycee-Ette chapters are being invited to the luncheon. Jim Conkright, president of Deaf Smith County Chamber of Commerce, and a representative of the Hereford Jaycees will be special guests.

As head of the state organization, the women's auxiliary to the Junior Chamber of Commerce, Billie Tustison is making a tour of Jaycee-Ette groups in this part of Texas. She is expected to spend Saturday night in Hereford before she continues her trip.

Miss Hereford Is Tea Honoree

Sandy Caison, who will leave this weekend for Fort Worth and compete as Miss Hereford 1973 in Miss Texas pageant events beginning Wednesday, received wishes for her success from scores of friends at a tea Sunday afternoon.

The Women's Division of Deaf Smith Chamber of Commerce, sponsors of the pageant in which the Miss Hereford title was awarded in April, played hostess for the afternoon party in Community Center.

Mrs. Rex Lee, division president, received callers with Miss Caison, her parents, Mr. and Mrs. G.D. Caison, and her sister and brother, Dee Anne and Rodney who complete the Caison Kids trio in which Sandy is the vocalist.

Singing is the talent which helped her win designation as Miss Hereford, and will be presented in the Miss Texas competition. She has chosen as her song the blues ballad, Cry, which has been a hit recording for at least two popular singers in past years.

Mrs. Dwight McGee and Mrs. Terry Caviness, who will be her chaperones from the Women's Division, assisted in welcoming guests Sunday as did a number of the girls who were contestants in the Miss Hereford pageant.

Cindy Hairgrove, who is Miss Teenage Hereford 1973, was at the registry table. Jane Lyons and Terri Reinauer poured

punch in turn from a flower-decked table as callers came and went through the party hours.

Small Talk

By SUE COLEMAN
Women's Editor

SINCE SO MANY people here, through clubs or as individuals are supporters of Girlstown U.S.A. at Whiteface, there will probably be a number of visitors from Hereford at open house there today.

Whether or not you have ever given a nickel to the girls' residence home, you may be interested in seeing it, and you'll be welcomed by the staff and residents. The afternoon program begins at 2:30 and the annual barbecue at 4 p.m.

The meal will cost only a dollar and Viola Williams, Hereford's perennial Girlstown booster, vouches for the quality of the barbecue.

"I rustled the beef for that barbecue myself!" she reports.

MR. AND MRS. JOHN Moody of Route 5 are bragging about being grandparents of a new baby boy, Tomothy Blane, son of Mr. and Mrs. Quentin Montgomery of Las Vegas, Nev. The mother is the former Linda Moody of Hereford, who graduated from high school here.

The baby, who weighed 7 pounds 15 ounces at birth, has a sister and two big brothers.

TWO AGGIES FROM Hereford earned Distinguished Student ranking at Texas A&M University last semester, with grade point averages of at least 3.25 of a possible 4.

They are Steven Olson, junior majoring in animal science, son of the George Olsons, Rt. 3, and

Robert Grady, senior industrial engineering major, whose parents are the Nolan Gradys of 116 Ave. J.

AN HONOR STUDENT from Hereford at New Mexico State University, Las Cruces, is John Welty, son of D.L. Welty, 109 Cherokee. He is enrolled in the college of agriculture.

MRS. KARL KITTO, formerly Karen Sue Daniel, and her two sons are spending the summer here. She is living with her father, R.A. Daniel, while attending West Texas State University.

She and her husband will make their home in Midland this fall. She graduated from Hereford High School and West Texas State.

Relatives Come To Funeral Here

Relatives from other cities who were here to attend the funeral of Mrs. Burl France Saturday afternoon included Mr. and Mrs. Howard Forrester of Waco, Mr. and Mrs. Carl Oldham of Woodward, Okla., Mrs. Eugene Osburn of Colorado Springs and Mrs. Ruth Caraway of Pampa.

The funeral service was conducted in Central Church of

Christ by the minister, J.T. Marlin, and a former minister, Bob Wear of Littlefield, with burial in West Park Cemetery. Mrs. France, who came to Hereford more than 70 years ago, died unexpectedly Friday morning at the age of 88, in her home at 304 East Sixth.

Welfare Alters Family's Life

The Land Beyond the River and Here Lies Our Sovereign Lord are two books being featured at the Deaf Smith County Library this week.

The Land Beyond the River is the story of a poverty stricken family that finds a way to beat the welfare system. The family's entire life is drastically changed when the bread-winner is faced with the inability to provide a living for his family.

Here Lies Our Sovereign Lord is set during the period that King Charles II reigned. His main purpose was to hide his political game with Louis Quatorze by covering up with an era of gay immorality and still reign as king.

The library invites the public to use its free facilities. It is open on weekdays from 9 a.m. until 5 p.m. and Saturdays until noon.

THE LAND BEYOND THE RIVER

By Jesse Stuart

The saga of the Perkins family — Mommie and Poppie and an ever-increasing brood of children. Mired in poverty in Appalachia, firm in Freewill Baptist Church beliefs that it is their duty to replenish the earth.

They are ever on the move from farm to farm to try to eke out enough food for 13 hungry mouths — their treadmill is a familiar one to those acquainted with Kentucky mountain people.

An uncle of Poppie's, who long before moved to Ohio and became a substantial and influential citizen, persuades the Perkinses that the promised land is just beyond the river.

With Uncle Dick's help, it turns out to be just that. Settled on a farm for whose owner Poppie and all but the youngest children can work during the summer for good wages, dreams begin to come true in a small way.

A snakebite alters the entire course of the family's life. "Fanged" by a copperhead, Poppie is sidelined. Worried over his inability to work and the loss of income to be faced when the children start school.

BURIED ALIVE

Four men working on an underground railway in Madrid were rescued recently after having been buried for a day and a half when a tunnel collapsed.

in the fall, the family falls easy prey to the blandishments of Uncle Dick.

He urges them to go on welfare. As a taxpayer, Dick Perkins seethes publicly about the high cost of state welfare programs, and sees in his nephew's plight an ideal opportunity to milk the system for all it's worth.

He watches gleefully as the family moves ever upward — into a spacious rent-free house with freezers to hold the surplus food their "benefits" entitle them to, and a pack of hounds to eat their leftover steaks.

He helps them to establish accounts in three different banks so that their growing assets won't attract unwanted attention.

Uncle Dick demonstrates to his own satisfaction, and perhaps to yours, that there are a few loopholes in the welfare system.

HERE LIES OUR SOVEREIGN LORD

By Jean Plaidy

Remembering his exile and determined not to go "traveling again," Charles II hid his secret political game with Louis Quatorze under a cloak of gay immorality.

His objects were to keep religious strife and revolution away from his country and the crown on his own head.

Of the women who ministered to his pleasure at this period, three were more important to him than others: Nell Gwyn — the orange girl who graduated to actress and King's mistress; Louise de Keroualle, Duchess of Portsmouth, sent by Louis into England to act as his spy; and Hortense Mancini, the "most beautiful woman in the world," who came to escape a mad husband obsessed by "purity."

Each is here vividly recreated and with them the famous courtiers, Buckingham, Rochester, and Charles Sackville and the Dukes of York and Monmouth.

But above all, the story is dominated by the King — often careless, rarely malicious, but forever amorous.

Historic Name Used By Belles

La Plata Study Club has organized a chapter of Hereford's Celebration Belles, La Plata Belles. The name was chosen because of the pioneer connotation as it was the name of Deaf Smith County's first county seat.

Mrs. J.C. Brown, president of the club, announced members that will serve as officers of the new chapter: Mrs. Pat Hughes, high bustle; Mrs. Lewis McCuistian, silver bell; Mrs. Ray Seale, Susy Quill; Mrs. Harlan VanderZee, sheriff; Mrs. Philip Shook, mainstay.

La Plata Study Club, working with students from La Plata Junior High School, plans to have a float in the Diamond Jubilee parade.

Knowledge is power only when hitched to the right theory.

WEDDING DATE SET—Mr. and Mrs. Floyd Bates, Bluewater Garden Apartments, announce the approaching marriage of their daughter, Nila Deloris, to Bobby Joe Walker, son of Mr. and Mrs. Isom Walker of Dimmitt. The couple have set August 3 as their wedding date. Miss Bates will be a senior at Hereford High School this fall.

Onetime Resident Is Buried In California

Funeral services for Anna K. Reid, a former resident of Hereford, were conducted in Rose Hills Memorial Park at Whittier, Calif., and burial was made there.

Mrs. Reid died at Corona, Calif., June 25. She was a native Texan, born June 10, 1887, and lived in Hereford a number of years before she went to California. Survivors include a niece, Margaret Hickok of Concord, Calif.

Traveler's Aid sees change in clients

Travelers Aid-International Social Service of America says clients have changed significantly during the last 10 years.

They are younger (50 per cent under 25 years); likely to be angry and demanding; often have emotionally battered children in tow; and include many young girls seeking abortions.
