Whitefaces Invade Pampa Friday

Kickoff Set For 8 p.m., Game Rated As Toss-Up

By DON RICHARDS
Brand News Editor

Coach Larry Dippel heads up his first cattle drive of the season Friday night — and he hopes it will turn into a stampede. Dippel, who coached the Whitefaces through an 8-2 season last fall, pits his Whiteface Herd up against the Harvesters in Pampa in what has been predicted as a toss-up ballgame in the 1973 season lid-lifter for both teams.

Hereford, of District 4-AAAA, and Pampa, of District 3-AAAA are ranked the same among state AAAA teams and both are relatively inexperienced and untested other than pre-season scrimmages.

It should be an even battle. Kickoff is set for 8 p.m. Friday in Harvester Stadium in Pampa.

THE WHITEFACES, suffering from graduation pains, boast new faces and a "scrappy bunch of kids;" good defensive line, a young secondary; a strong running attack, but an untested aerial game.

The Harvesters are blessed with an abundance of running backs — fast running backs.

"And that's what we must contain," said Dippel. "They are faster than we are — much faster. We need to be able to contain that long run. We let (Amarillo)

Tascosa make two long runs on us in the scrimmage. Defense of the long run is one thing we are stressing to the boys."

DIPPEL agreed with the polls concerning the rating of Pampa and Hereford as about equal.

"That is a pretty sound rating," he said. "It will be a toss-up game. We are both inexperienced and a mistake or giving good field position could be disastrous."

"I think the kicking game is so critical here," the coach added. "In fact, the kicking game may be the difference between the winner and the loser."

DIPPEL said the punting and punt coverage of both teams will be "very critical" to the outcome of the game.

"We are both young ball clubs and I

Permits Indicate New Drive-In Restaurant

More than \$202,000 in building permits were issued in Hereford during the month of August — down from all but two previous months of this year.

Down from August, 1972's total of \$299,350, last month's total of \$202,550 surpassed only the months of February and May of this year. February's total was \$105,170 while \$112,375 in building permits were issued in May.

Highlighting the building permits issued during August were the construction of a drive-in restaurant and the addition to the Family Medical Clinic.

Building permits issued the past month are:

August 1 — Don Brush, 805 Country Club Drive, \$40,000, residence.

August 1 — George M. Treadway, 412 Long, \$300, carport.

August 6 — James D. Peeler, 117 Douglas, \$10,000, addition.

August 7 — Arthur V. Dettmann, 140 Hickory, \$1,100, storage building.

August 7 — W. Dennis Lomas, 509 Star, \$450, storage building.

August 9 — Kathryn Benefield, move residence out of city.

August 13 — John Mendoza, \$2,000, move in residence.

August 13 — Silverio Segovia, 106 Bradley, \$1,500, addition.

August 14 — Ray Geale, 315 Park, \$400, addition.

August 15 — Reymundo Villalovas, 206 Knight, \$2,000, move in residence.

August 15 — Avenue Baptist Church, \$7,500, alter and repair.

August 16 — Anselmo Varela, 436 Ave. E., \$1,500, move in residence.

August 20 — Sonic Drive-Ins, 305 N. 25 Mile Avenue, \$40,000, drive-in restaurant.

August 21 — Lester E. Moffitt, 233 Douglas, \$29,200, residence.

August 21 — Lester E. Moffitt, 231 Douglas, \$28,600, residence.

August 29 — Family Medical Clinic, 807 W. Park, \$38,000, addition.

New Teacher's Banquet

The annual New Teacher Banquet, sponsored by Deaf Smith County Chamber of Commerce, was held Tuesday night at the Civic Club Center with about 65 teachers being recognized. Visiting at the event were Mr. and Mrs. Charles Wagner and their teacher-guest Dixie Ford, and Rodney Laubhan, C of C education committee chairman.

Teachers Urged To 'Take Out And Help Yourselves'

Publisher

The annual "New Teacher Banquet", sponsored by Deaf Smith County Chamber of Commerce, was held at the Civic Club Center Tuesday night with guest speaker Herschel Thurston urging the newcomers to "take out and help yourselves!"

Rev. Thurston, former pastor of First United Methodist Church, now retired, recalled sitting down to dinner with a farm family and being told by the man of the house: "Take out and help yourself!"

"This is my message to new teachers; we hope you like the menu of Hereford and have a good appetite," he emphasized. "If you do, then perhaps you'll enjoy the school year and extra-

curricular activities; maybe you'll find a church, become a member of a civic club or some other organization; and maybe you'll be invited back."

The banquet was attended by more than 200 persons, with business people sponsoring each of the new teachers. About 65 teachers were present, some with husbands or wives. Roy Faubion made the introductions.

Jim Conkwright, C of C president, served as master of ceremonies for the event, with Chamber manager Bill Albright extending the official welcome. Rodney Laubhan, chairman of the education committee, was in charge of banquet arrangements.

Conkwright recognized special guests

— including Supt. and Mrs. Roy Hartman, trustees Hugh Clearman, James Arney and Bobby Veigel, Mayor Jim Sears, County Judge and Mrs. H.C. Williams, and the news media.

Rev. Thurston was pastor here seven years and has now been retired six years. He and his wife, Hazel, still reside in Hereford and spend time at a mountain cabin in New Mexico. He told teachers, "I hope you like Hereford so well that you'll want to spend the rest of your lives here!"

Hereford Hustlers served as greeters at the banquet door, and special decorations were made by Marian Goodin and Jessie Davis. Dinner music was provided by Fred Ratliff, high school choir director.

Branding Time

By Speedy Nieman

That feller on Tierra Blanca Creek says kindness has never yet done anyone serious harm.

Rev. Herschel Thurston told this one at the new teacher banquet Tuesday night: "It seems this lady was lamenting the fact her husband had no insurance when he died. 'If that's the case,' noted her friend, 'where did you get that new diamond ring?'"

"Well," she replied, "he did leave \$1,000 for a casket and \$5,000 for a stone." Holding the ring up admiringly, she added, "This is the stone!"

WITH THE city's Diamond Jubilee in the spotlight so long, football season almost slipped up on us. The hustler Herd makes its debut at Pampa Friday night, so it's time for all sports fans to make the change from Jubilee spirit to the gridiron variety. Coach Larry Dippel has a lot of new faces on the Herd varsity this season, but you can bet they're going to make it interesting this season and, perhaps, surprise a few people! Let's back the Whitefaces at Pampa!

And, with the start of football, The Brand launches its annual football contest this week. The contest has proven a popular feature with our readers each year. We've made a few changes in the contest format this season, increasing the weekly cash prizes and doing away with the season winners. A "jackpot" is offered to anyone turning in a perfect entry, too.

People who wonder where this younger generation is headed would do well to consider from where it came.

THE JUBILEE celebration is over, and it has to be termed a success from any angle you evaluate such a project. Dale Young, general chairman, reported this week that it's too early to state the definite financial situation, but "there will be more than enough money to pay the bills."

Young said it would probably take a couple of months to complete the financial report. The non-profit Jubilee corporation will return merchandise for credit; some bills are still out, and some revenue is still to be turned in.

As stated on Jubilee stock certificates, shares are to be redeemed, pro rata, from the money on hand as of Nov. 1, 1973, Young reports. It's too early to accurately predict, but the corporation is hopeful that shares can be redeemed at

See BRANDING Page 2

Football Contest Begins

The annual Hereford Brand football contest begins this week with additional cash prizes for those who most correctly predict the area gridiron games each week.

A total of \$42 in cash prizes will be given each week for the top four winners in the contest. A Special Jackpot prize of \$100 has been added this year to anyone who can correctly predict the outcome of all games in one week in the contest.

Total points scored in the Hereford game each week will be used as a tie-breaker for the regular contest and also for the \$100 jackpot. For contest information and entry turn to the sports pages, Section Two.

Herd To Invade Pampa Friday

Continued From Page 1
feel will have a hard time overcoming mistakes in the game.

Pampa ran out of the Wishbone formation last fall but has switched to the I formation to complement its corps of running backs.

HERD ASST. Coach Dempsey Alexander, who scouted the Harvesters, said the Pampa defense may be a little stronger than the Whitefaces.

"But we are closely matched teams," he said. "In fact, they are probably the closest matched team to us that we will play this season."

Alexander said the Harvesters have a good running game, but may be slowed because two of their backs suffered injuries.

"We will have a real test," he said. "It should be a real good game."

DIPPEL said the majority of the Whiteface team is in good shape physically for the game. Halfback James Harris was hurt on a play during Friday's scrimmage, but was running at full speed in workouts this week. Offensive lineman John Stoy also was injured in workouts this week, but is expected to be able to play against Pampa.

A PEP RALLY for the Whitefaces is planned for 2 p.m. Friday in the old high school gymnasium. The public is invited.

Also during halftime of the Hereford-Pampa game, Whiteface Band Director Randy Vaughn has prepared a halftime show for Hereford fans. The band has been practicing since before school opened and this will be their opening halftime performance of the year.

Tickets for the game are available at the Hereford Administration Building or at Hereford Bakery. Tickets are \$2.50 for adults and \$1 for students.

Longtime Hereford Resident Dies; Mass Set For Today

MRS. FRANK J. BEZNER

Celebrated mass will be held for Mrs. Beatrice Mary Bezner today at 11 a.m. in St. Anthony's Catholic Church. She died in her home at 11 p.m. Monday after being a patient in St. Anthony's Hospital in Amarillo for a week.

Officiant for the celebrated mass will be Bishop Lawrence M. De Falco of the Diocese of Amarillo. He will be assisted by the Rev. Boniface Reidman, pastor, and Fathers John Keisling, Aedan Davis and Vincent Heild, a former pastor here. Another former pastor of the Hereford church, Father James Salvi of Long Island, N.Y. will say the homily.

Burial will be in St. Anthony's Catholic Cemetery under direction of Gilliland-Watson Funeral Directors.

Mrs. Bezner, born in Pilot Point, came to Deaf Smith County in 1923 from Littlefield. The former Miss Beatrice Mary Fangman, she married Frank J. Bezner in 1935 in Hereford.

Mrs. Bezner was a member of St. Anthony's Catholic Church. Survivors include her husband; one son, Frank Jr. of Hereford; six daughters, Mrs. Marcella Crabtree of Canyon, Mrs. Carol Ann Bedwell of Spring Creek, Mrs. Laverne

Schaff of Canton, Mass., Mrs. Bernadette Kalka, Mrs. Jane Matthews, and Miss Judy Bezner, all of Hereford; three brothers, S.A. Fangman of Hereford, and James and Eugene, both of Vega; three sisters, Mrs. Ed Bezner of Hereford, Mrs. Mike Betzen of Hereford, and Mrs. Walter Paetzold of Mesa, Ariz.

Pallbearers will be Jim Mamell, Lanny Bezner, Donnie Fangman, Ricky Fangman, Arnold Fangman and Billy Ray Betzen. Rosary services were held Tuesday night in Rose Chapel and at 8 p.m. Wednesday in St. Anthony's Catholic Church.

Plans Made For New 4-H Club Year

The Deaf Smith County 4-H Orientation program was planned at the 4-H Parent-Leader Association meeting Tuesday.

The orientation program will be Sept. 17 at the Bull Barn at 7:30 p.m. New members and 4-H's will register with the 4-H Club they wish to belong and the projects they are interested in. Parents are encouraged to attend.

Clubs available to register with are Merry Maidens 4-H which meets the fourth Monday at 4 p.m.; the Dandy Doers 4-H which meets the fourth Tuesday at 4 p.m.; the Horse Club 4-H which meets the fourth Monday at 7:30 p.m.; Trailbiker 4-H which meets the fourth Monday at 7:30 p.m.; a new club which meets the third Tuesday at 4

p.m.; Dawn's Green Valley 4-H which meets the third Monday at 7:30 p.m.; and the Win 4-H, Showmanship, Happy Hustlers and Willing Workers 4-H which will combine program meetings on the third Monday at 7:30 p.m.

Projects offered include livestock, horse, rabbit, motorcycle, photography, day care, range management, gardening and lawn, tractor, public speaking, food and nutrition, clothing, child care, crafts, money management, electricity and recreation.

Reports were given on other activities of Parent-Leaders Association and progress on the County Fair set for Saturday, Leaders Forum on Sept. 10-12, National 4-H Week Oct. 7-12 and Tri-State Fair booth and Youth Day.

MBP To Reopen Today

Missouri Beef Packers of Friona, who announced it had stopped all operations this week, will resume operations at 7 a.m. today a MBP official told the Brand.

The official urged all MBP employees in the area to report for work today for full operations.

The beef packing plant, the Panhandle's largest packing firm and among the last of major meat packing firms to continue operating in the nation, had announced earlier this week it would be closed and that all 300 employees would be out of work.

The plant had expected to be closed through September 12 when the beef price freeze will be lifted.

Missouri Beef had been

custom slaughtering beef for chain stores that were bringing cattle in. However, LeFleur said the current price of cattle has risen so much that it has made even amended slaughtering impractical for the firm.

Missouri Beef had announced Aug. 3 they were shutting down operations at the Friona facility until the freeze was over. But on Aug. 6, the company said they would remain open operating on a limited custom slaughter basis.

Police Urge Citizens To Report Stolen Property

Those who have had bicycles or lawnmowers that have been stolen or lost may give a description of the item to the Hereford Police Department, where there are some 20 bicycles and a few lawnmowers.

Give the description of the item to Capt. Ray Morgan between 8 a.m. and 4 p.m., Thursday through Monday. If Morgan is not there, give the description to the dispatcher, and it will be given to Capt. Morgan later.

When the description has been received, Morgan will try to see if the lost item is at Police Headquarters. Be sure to leave name, address, and telephone number.

KICKOFF: 8 P.M. Friday

Branding Time...

Continued From Page 1
100 per cent value during November. Some firms do not intend to receive the shares, it was indicated. A total of some \$7,200 was purchased in Jubilee certificates.

Also as planned, any surplus funds—not redeemed by share holders—will be donated to a civic betterment program of some kind.

THE CHAMBER'S new "hustle pins" are in circulation as tie tacks, lapel or dress pins, and a limited supply is on hand at the C of C office or one of the banks. The "H-3" pin is the new community trademark introduced by

Chamber manager Bill Albright. It signifies "hustle, hustle, hustle," or "hospitable hustlin' Hereford." Would you believe Bill wears one on his pajamas?

A NUMBER of interested citizens are circulating a petition to request a bond election for a new track surface at Whiteface Stadium. Dr. Joe Whitley, a strong supporter of the overall track program, is heading up the petition campaign.

The track improvements were voted down in the last bond election, but Dr. Whitley—along with others—feel there was a misconception of the work to be accomplished.

Some sports fans find it hard to believe, but it seems some voters thought an "all-weather" track was an Astro-dome-type project. Actually, it's more like a paving job on a dirt street. Hereford is the only school in its district that does not have an all-weather surfaced track, and a large number of smaller schools have them.

We don't want a new track just because everybody else has one. We want it for the reasons everyone else has considered in making the move. Primary among these are less maintenance and providing better facilities for our young athletes—boys and girls.

GED Tests Planned Monday And Tuesday

The annual GED testing has been scheduled for Monday and Tuesday, Sept. 10-11, it was announced this week by Robert Thompson, Hereford High School counselor.

The GED tests are offered to adults in order to secure a

certificate of high school equivalency from the Texas Education Agency. The fee is \$10.

Those wishing to take the tests will meet in the school board meeting room at the administration building at 8:30

Monday morning. The tests will also start at 8:30 a.m. Tuesday.

Thompson said there are five tests, with each one requiring approximately two hours of time. The GED tests are usually given the third week in Sep-

tember, but the change was made in order to avoid a conflict in other testing programs.

Suspect Arrested In Recent Cowan's Burglary

By STEVE CONNELLY
The Hereford Police Department and Fire Department experienced a particularly busy weekend, arresting one man for carrying a prohibitive weapon and another for the second robbery of Cowan's Jeweler's in the last month.
Johnny M. Sierra, 325 Ave. C, was arrested Monday for the burglary of Cowan's Jeweler's, which occurred Saturday at 2 a.m. Bond has been set at \$1,000 by Justice of the Peace Glen Nelson, and Sierra posted bond the same day he was arrested.
A NUMBER of brooches, necklaces, watches, and bracelets stolen from the store amounted to \$500. Sierra showed officers where some of the jewelry was but more reportedly was given by Sierra to his friends and has not been located.
According to police reports, Kenneth Cowan, owner of Cowan's Jeweler's, noticed a plate glass window had been broken when he opened the store Monday morning. In the store he found a large rock which was taken in evidence as breaking the window.
Apparently the burglar alarm did not sound when the incident occurred, but police found the alarm in working order when they arrived.
Sierra was arrested by officers of the Deaf Smith County Sheriff's Office and was questioned by them and the police.
Police said Sierra admitted to the burglary and signed a confession and was booked into the county jail. He later showed officers where some of the jewelry was and made an attempt to find what he had given away to persons in Texaco, N.M.

Richardo Mendez, 302 Ave. B, was arrested Monday for carrying a prohibitive weapon (C.P.W.) and for the possession of marijuana. Bond was set at \$1,500 for the C.P.W. charge and \$500 for the possession charge. He is the first in Deaf Smith County to be arrested under the new marijuana law, making the crime a misdemeanor.

Mendez was stopped by Hereford Police officers in his car and when he stepped out, the officer saw a .22 caliber rifle, which the barrel had been cut off to 6 1/4 inches and the stock had been cut to form a pistol grip. No serial number or brand name could be found on the gun.
Officers searched the car and found beer and a small amount of marijuana. The two passengers of the car, one a juvenile, were arrested for being intoxicated. They were arrested at the corner of 6th and

McKinley Streets at 4:30 a.m. ANOTHER arrest was made of a man who allegedly stole a car from a Hereford man. The arrest was made by Randall County Sheriff's Officers in Canyon, Monday at 1 p.m.

Virgil R. Cowan, 330 Ave. F, was arrested in Canyon and was turned over to the Hereford Police Department, where he was placed in Deaf Smith County jail. Cowan remains in jail and the amount of bond is unknown.

Another theft was reported at Big Daddy's Truck Stop Monday at 8:20 a.m. by James Kirkland, night manager. Kirkland said that between 1 a.m. and 3 a.m. Monday, a Tamco air wrench had been stolen from the truck stop. The wrench is valued at \$390 and weighs about 75 pounds.

Police are still investigating the incident, and one suspect was named by Kirkland. THERE WERE also a few other smaller burglaries over the weekend, and several persons were arrested for being intoxicated. Family and neighbor problems also occupied the time of Hereford Police Officers.

Traffic accidents did not make a large surge as the criminal activity did, but several accidents were reported to the police.

An accident occurred at the intersection of Park Avenue and Avenue K, Friday at 5 p.m.

A 1969 Datsun, driven by Cynthia M. Vines, Rt. 1, Hereford, was traveling east on Park Avenue, and a 1969

Chevrolet, driven by Ramon S. Zamora, 828 Ave. K, was going north on Avenue K when the two cars collided in the intersection.

Four accidents occurred Saturday, the first of these happening in the 100 block of Avenue A at 11:45 a.m.

A 1972 Ford pick-up, driven by Gary G. Godwin, 305 E. 5th, was headed east on Park Avenue, while a 1966 Chevrolet, driven by Robert B. Turner, 107 W. 8th, was stopped at the intersection. The two cars collided in the intersection.

A second accident Saturday occurred in the 100 block of Avenue C at 4 p.m., involving a pick-up and a car.

A 1972 Chevrolet pick-up, driven by Marvin C. Mason, Rt. 3, and a 1966 Chevrolet, driven by Kenneth R. Thompson, 2920 Apache, Amarillo, were backing from driveways on opposite sides of the street and collided.

THE LAST two accidents for Saturday were reported at the same time, 5 p.m.

In the 100 block of Catalpa, a 1973 Ford, owned by Robert W. Holland, 238 Ave. H, was parked on Catalpa, when a 1967 Ford, driven by Dora R. Gonzales, 121 Catalpa, backed from a driveway and collided with the pick-up.

At about the same time, a 1964 Pontiac, owned by Manuel Galvan, 400 Hickory Village, Ft. Collins, Colo., was reported to have been struck sometime during that night by an unknown vehicle. The car was parked in the 700 block of Texas Street when the accident

happened. An accident took place Sunday at 8:06 p.m. in the 700 block of north Main Street, involving a car and a motorcycle.

A 1968 Yamaha, driven by Charles D. Timmons, 3827 Pinon, Amarillo, was going north on the 700 block of Main Street and a 1973 Oldsmobile driven by Alice Garcia, 501 Irving, attempted a left turn into the Deaf Smith Chamber of Commerce parking lot when the two cars collided.

One accident ensued Monday at 6:45 a.m. in the parking lot of Kim's Fried Chicken, where a car caused damage to a gas meter.

A 1960 Sunbeam, driven by Cecil E. Bell, 213 Ranger, was going east on Park Avenue and apparently had mechanical difficulties with the steering and the car jumped the curb and struck the gas meter, causing an estimated \$70 worth of damage to the meter. THE HEREFORD Fire Department reported to six fires and mishaps during the weekend, none causing serious damage to property or lives.

The first incident was a car turnover one mile west of Dawn on Friday at 1:50 p.m. in which persons in the car were reportedly trapped.

HIGH SCHOOL SKATING PARTY
SATURDAY 1 to 5 p.m.
PLAY HOUSE
SKATING RINK
Hwy 60 W - Hereford

When the fire department arrived, the people were safe and out of the car with no serious injuries reported. At 4:35 p.m. Friday, a crawler tractor caught on fire at Southwest Feedyards, but was quickly extinguished by the fire department. At 6 p.m. the same day, a trailer house at 500 Dairy Road caught fire, with the probable cause determined as a gas leak.

The trailer is occupied by Tony Bradt. A FIRE in the bins at Pre-Feeders was reported to the Hereford Fire Department, Sunday, after a pick-up had allegedly struck a light pole, cutting off the electricity. The heated grain stopped moving and the result was the fire, which caused no substantial damage to the machinery or the grain.

A few hours later, a fire was reported in a grass vacant lot near the home of Herb Friemel, one mile north of the Hereford city limits. The fire swept across the lot, burning grass, but nothing of value was reported to have been damaged. The last fire for the weekend was reported Monday as a car fire at 305 W. 6th Street. The fire did not cause any serious damage to the car.

PEACE OF AMBOISE
On March 19, 1663, the first War of Religion ended with the Peace of Amboise.
COLONIAL CONGRESS
A call was issued on March 19, 1690, for the first Congress of American Colonies.
KEY WEST VOYAGE

HHS '28 Grads Meet In Reunion

Twenty graduates of Hereford High School in the Class of 1928 met in a 45-year-after reunion at the close of the city's Diamond Jubilee Week Saturday evening.

With spouses to make a total of 35, they were guests for a dinner and an evening of reminiscing in the Civic Club Center.

There were 46 graduates who received diplomas in HHS commencement that year.

Edgar Pickett, who was the senior president, and Mrs. Pickett came from La Jolla, Calif. for the reunion, and an approximately equal distance was traveled by Jim Childre from Oceanside, Calif.

Irene Flippen Mason of Glenwood Springs, Colo., was another here from out of state. Marlin Gilliland served as master of ceremonies for the dinner program, asking class

members present to report informally on their present status.

He paid a brief memorial tribute, as the class roll was called, to nine deceased members: Nina Crawford, Howard Eberle, Floyd Foster, Jim Gilliland, Millard Gregory, Arthur Harris, Bessie Megert Ricketts, Lucille Parks and Glenn Weber.

Harris was secretary-treasurer of the class, and the other officer was Ina Mae Hastings, now Mrs. J.T. Gilbreath, vice president.

She, with Mrs. J.R. Allison and Mrs. O.H. Culpepper, were on the reunion planning committee, and were elected to serve in the same capacity for the 50th anniversary reunion of the class in 1978. It is scheduled in conjunction with the Mid-State Pioneer Reunion of 1978.

Edgar Pickett, president of the HHS senior class in 1928, came from La Jolla, Calif., for the class reunion at a dinner in Civic Club Center Saturday night. Mrs. J.T. Gilbreath (the former Ina Mae Hastings) of Hereford was the class vice president.

Serving on the reunion planning committee for the Class of 1928 were, left to right, Mrs. O.H. Culpepper (the former Nell Kester), Mrs. J.C. Gilbreath of Dimmitt (the former Virginia Stovall), and Mrs. J.R. Allison (the former Ruth Conkwright). In their high school days, Mrs. Allison was chosen Prettiest Girl and Mrs. Gilbreath was Most Popular Girl. Each was honored with a page photo in the 1928 school yearbook.

The Lieutenant Governor's Report

Nine Amendments On This Fall's Ballot

By **BILL HOBBY**
In the 97-year history of our state's Constitution a total of 334 amendments have been

proposed. So far, 212 of them have been adopted by Texas voters. Rarely does a general elec-

tion not have several proposed amendments on the ballot. And the election on November 6 is no exception.

Nine amendments will be on this fall's ballot.

The volume of amendments has been the subject of much criticism. It inspired the Constitutional Convention which was discussed in a previous report.

The large number of amendments is, I believe, the most compelling argument for rewriting the Texas Constitution—which seldom has required amendment—is needed.

Regardless of what the eventual outcome of the Constitutional Convention is, the nine proposed amendments to be voted on in November deserve every citizen's attention.

This and subsequent reports on these amendments hopefully will help you become better informed.

Briefly, the amendments contain the following provisions:

Amendment 1 provides for annual regular sessions of the Legislature and for an annual

salary for legislators of \$15,000 and a daily allowance of \$18 when the Legislature is in session.

Amendment 2 would permit single adults, who otherwise qualify, to claim homestead protection of their property.

Amendment 3 would extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults.

Amendment 4 provides that cities and counties be given notice of and approval or disapproval to the creation of conservation and reclamation districts within or partially within their boundaries.

Amendment 5 would allow cities and counties bordering on the Gulf of Mexico to levy taxes for building sea walls and breakwaters if such projects are approved by a majority of the resident taxpayers.

Amendment 6 grants district courts the general jurisdiction of a probate court and authorizes the Legislature to adjust the jurisdiction of the courts in probate matters.

Amendment 7 provides authorization for the Veterans Land Board to extend its lending authority by \$100 million.

Amendment 8 authorizes and requires cities and towns to levy ad valorem taxes sufficient to pay the principal and interest on their general obligations.

Amendment 9 allows the Legislature to exempt certain water supply corporations and cooperatives from the property tax on certain facilities.

In subsequent reports, I will discuss some of these amendments in greater detail.

It's always Christmastime around oil wells. For the valves and pipes, that control the flow of oil and natural gas from a well, are called a "Christmas tree."

The whale, the largest and most powerful animal the earth has ever known, is not a fish but a mammal.

Facial Fuzz Falls As Jubilee Ends

By **KATHY MARGRAVE**
Staff Writer
Honored as having the "ugliest" beard in Hereford, Reece Dawson was one of 35 contestants in the Diamond Jubilee beard growing contest judged Saturday as the finale of Hereford's Diamond Jubilee celebration.

Ribbons were presented to first and second place finishers in fourteen categories.

Jack Ambold won first place in the sideburns division with Doc Kelley placing first in the greyest beard division.

Roy Parten was first and Floyd Bailey second in the reddest beard division with Tom Sheridan and R. C. Hoelscher,

first and second place winners respectively in the blackest beard division.

Bob Guinn placed first and Larry Barns second in the skimpiest beard division.

In the moustache and goatee category, Archie Dwyer placed first and C. D. Kelton second. Bill Drake placed first and Bill Shore second in the handlebar moustache category.

Dale Young, Jubilee general chairman, was honored with first place in the most distinguished moustache category and Bill Drake placed second. For the most unusual moustache and beard, Greg Banner was honored with first

place and Bill Smith with second.

Gene Campbell placed first and R. C. Hoelscher second for all around beard honorees with Melvin Kalka and Gene Campbell receiving first and second awards respectively for best groomed beard.

Jack Messer received first place for having the fullest beard and Tom Sheridan placed second in that category.

R. C. Hoelscher was honored with first place and Bill Kester with second place in the Abraham Lincoln beard category.

And of course, Reece Dawson was awarded first place for the ugliest crop of facial fuzz.

Look Who's New

Officers Installed

Installation of officers for the Young Homemakers Extension Club were performed by Argen Draper, county home demonstration agent, Tuesday in the home of Mrs. Don Daugherty, 833 Blevins.

Mrs. Draper also presented a program on quilting. Mrs. Richard Patzig was welcomed by the club as a new member and gave the opening exercise.

During the business meeting, Mrs. Dean Baxter was recognized as a guest and the club decided to continue to sponsor Kathy Skinner, resident of Girlstown.

Present at the meeting were Mmes. Allen Evers, Sam Mazurek, Nick Milburn and Marvin Welty.

Try-Outs Scheduled

The Hereford Community Players will hold a reading for "Play Any Wednesday" Sunday afternoon from 3 to 5 p.m. and Monday evening at their regular meeting at 8 p.m. at the Community Center.

Persons interested in trying out, need not be members of the Community Players. Two men, ages 30 and 45, and two women, ages 30 and 45, are needed for parts.

3 bedroom brick, 2 1/2 baths, game room 22x33. Large bedrooms, shag carpet. In excellent condition. Large double car garage. 2719 sq. ft. on one acre of ground.
OASIS IN THE DESERT
10 acres with nice two bedroom main house — two rent houses. Ref. air conditioning, draped and carpeted. 4' well, storm cellar, swimming pool, chicken barn. Lovely shade trees, all hardwood, many peach trees and grape vines. Cess pool cleaner, tree sprayer, 5 acres of corn planted. Beautiful grounds — like a park. 10 miles from Hereford.
LOANS
Let us help you with your financing. FHA-VA & CONVENTIONAL LOANS are now available. Check with our office for details.

HELP! HELP! HELP!
Waitresses needed at JORD-INNS Restaurant, located at Big Daddy's Truck Stop. All shifts available, 6-2, 2-10, 10-6. Take your pick. I am trying to build a service second to none in the Hereford Area, so if you're presently unemployed or are not satisfied at your present job, I guarantee to pay you more per hour, tips excluded, than you are making now.
If you have made a career of restaurant work, I ask you to compare the following benefits:
1. Guaranteed above local wage scale, tips are not included.
2. Free insurance after 3 full months of employment.
3. Workmans compensation, if you are hurt on the job you get paid full pay for the time that it takes you to recover.
4. Paid vacation after one year steady employment.
5. Group life insurance for the entire family.
Requirements: Experience preferred, but not necessary. Will train if willing to learn. Must have a good personality and attitude, be able to meet and greet the public with a big smile. Please apply at Restaurant anytime or call 364-0152.
B-8-36-tfc

Hereford Man Appointed To Head Wheat Assn. Committee

Herman Schmitz, member of the North Dakota Wheat Commission, was elected President of Great Plains Wheat, Inc. at GPW's summer board of director's meeting here this week. Chosen Vice President was Kenneth Kendrick, Chairman of the Texas Wheat Producers Board. George Camilli, President of the Colorado Wheat Administrative Committee, was elected Secretary.
Schmitz, a wheat farmer from Williston, North Dakota, replaces Dean Parsons of Wall, South Dakota, who has been GPW President the past two years. Kendrick, from Stratford, Texas, replaces Schmitz as the new GPW Vice President. Camilli, from Las Animas, Colorado, assumes the title of Secretary from Arlee Phillips of Hemingford, Nebraska.
Schmitz, as president, will also be chairman of the administrative-advisory committee. Four GPW board

members from Kansas were voted to the chairmanships of the four other standing committees. Larry Brennan, Dodge City, will head the transportation committee. Rez Cozad, Norcatur, will supervise the domestic marketing committee, and Carl Dumler, Russell, will head the public relations committee.
Ed Hawes, Jr., Lamed, was reelected as chairman of the foreign marketing committee. Bill Nelson, executive vice president of the Texas Wheat Producers Board, was chosen chairman of the seven state administrator's group.
Great Plains Wheat, Inc., is a wheat market development organization supported by the wheat producers of Colorado, Kansas, Nebraska, North Dakota, Ohio, Oklahoma, South Dakota and Texas, through their state commissions and boards.
Texas producers receiving committee appointments in-

clude:
Foreign Marketing - Ken Kendrick, Vice Chairman, Stratford.
Public Relations - Leo Witkowski, Hereford.
Transportation - Winston Wilson, Quanah.
Domestic Marketing - C.L. Edwards, Panhandle.
Dwight Hamilton, Olney, was added to the board of directors.
In the meeting, the 75 wheat commission members from the Plains states discussed marketing, transportation and foreign trade policy issues affecting the U.S. wheat industry. Speakers expressing various viewpoints on the wheat industry included Melvin Middents, division vice president of Cargill, Inc.; Larry Thomason, director of the Grain and Feed Division of the Foreign Agricultural Service, USDA; and Ralph Avery, vice president of market development, Burlington Northern Railroad.
Other speakers include Claude Gifford, USDA direction of communication and George Parks, agricultural attache, Bonn, West Germany.

Hereford Rodeo Team Hosts Tri-State Rodeo

Hereford High School's Rodeo Team will host the Tri-State High School Rodeo this weekend with some 180 cowboys and cowgirls competing for honors in the big three-day affair.

The rodeo opens at 7:30 p.m. Thursday and continues Friday and Saturday nights, as well as a matinee performance at 2 p.m. Saturday. Admission is \$2 for adults and \$1 for students.

THE RODEO schedule calls for six events in the boys' division and five events in the girls' division. This is the fifth in a series of Tri-State approved high school rodeos.

Trophy buckles will be awarded the top three winners in each event. The best All-Around Cowboy and best All-Around Cowgirl will also receive trophy buckles, as well as a \$200 check for each. Team trophies in the two divisions will be awarded, with the awards presentation set Saturday night after the final performance.

barrel racing, pole bending, steer riding, goat tying and break-away roping. Stock for the rodeo will be provided by James Martin of the Triple M Rodeo Co. of Spearman.

Dances are also scheduled at the Little Bull Barn on Friday and Saturday nights, featuring music by "The Gators". Admission to the dances will be \$2 a person.

Some 15 of the rodeos are held during the season, climaxed by the Tri-State finals in Amarillo in June. The young cowboys and cowgirls accumulate points in their specialties during the season, with the top 15 entrants in each event advancing to the finals.

Raiders Open Drills For '73 SWC Season

The Texas Tech football team, strong in the skill positions but largely untested in the offensive and defensive lines, opened fall drills for the 1973 season last weekend.

Coach Jim Carlen's Red Raiders, who rolled to an 8-3 regular season record and Sun Bowl berth a year ago, worked out in shorts, shirts and helmets through Saturday and then moved into pads Monday.

TECH returns 31 of 47 lettermen from last year, including 16 offensive and 15 defensive monogram winners. Most of the losses, however, were focused in the offensive and defensive lines and this is the critical area as drills begin. Replacements must come

through for four departed offensive regulars, three of whom were linemen. There are similar problems on the other side of the line of scrimmage, where six of the seven players who formed Tech's defensive line and linebacking corps have completed their eligibility.

ON THE bright side of things, the Red Raiders return big-play artist Joe Barnes at quarterback and all but one of his backfield running mates, tailback Doug McCutchen. McCutchen, of course, graduated as Tech's second leading all-time rusher.

All-America tight end candidate Andre Tillman, who stands 6-5, weighs 230 pounds and who caught 21 passes for 255

yards and a touchdown last year, heads a standout group of returning receivers. All nine players who caught passes for Tech last year are back once again.

Similar good things are in store in the Raider secondary, where all four starters will be back in the fold as well as all four backup players from last year.

HOWEVER, how well and how quickly Tech's young offensive and defensive forward walls come around will determine the club's success, or lack of it, since Southwest

Conference games with Texas and Texas A&M loom large in the early going.

The Red Raiders open the season Sept. 15 against Utah in Lubbock.

Marcus Phillips, rodeo team sponsor, said entries in the rodeo will come from Texas, Oklahoma, New Mexico, Colorado and Kansas.

Prospects Good For Waterfowl Hunting

Texas hunters are due good waterfowl hunting over the state this fall.

Charles Stutzenbaker, waterfowl biologist with the Texas Parks and Wildlife Department, says prospects are favorable for this season's hunting.

"Range conditions over the state are generally good," he

said, "and there should be enough ducks and geese on the ground to entuse the hunters."

Stutzenbaker pointed out that duck production in prairie Canada was down somewhat over last year.

"This was related to dry conditions over the pothole nesting range," he said. "But geese, on the other hand, will be

upsubstantially over last year's population."

According to Stutzenbaker, mild weather in the Arctic, with a record light snowfall and early ice breakup, set up the geese for a successful nesting effort.

"Everyone realizes," he said, "that local conditions on the Texas range can change quickly with a sudden dr' spell or too

much rain making the birds hard to find.

"We are looking at the prospect of such a condition now that could really hurt the early teal hunt," he said. "The second rice crop may be short and too late to hold the birds when they arrive on the Texas coast."

"This condition is a result of heavy rains and delayed rice planting this summer," he said.

Pep Rally Planned Friday

Hereford High cheerleaders will be in charge of the first pep rally of the football season at 2 p.m. Friday in the old gymnasium at Hereford High.

The pep rally will be for the Hereford Whiteace team who

will journey to Pampa for an 8 p.m. contest Friday night.

The pep rally is open to the public. Members of the football team will be present and will be introduced.

Ruling To Allow Hunting From Plane

Coyotes, bobcats, red foxes and coyote-dog hybrids in 155 Texas counties from Brazos to El Paso may now be hunted from aircraft following action by the Parks and Wildlife Commission Aug. 17, announces the department's executive director Clayton T. Garrison.

Senate Bill 44 as approved by the 63rd Texas Legislature authorized the Parks and Wildlife Department to issue permits for predator animal control by the use of aircraft to limit the economic losses in-

flicted by such animals on livestock and game species.

The \$5 permits, which are valid for one year, specifically prohibit the killing of any bird of prey or game animal.

Application for the permit will include information on the kind and number of predators to be taken and a description of the area on which the permit will be used.

If the application involves land not owned by the applicant, an affidavit from the property owner must be included.

JV's, Sophs Play Today, La Plata Set Saturday

Four other Hereford football teams are scheduled to play this week in addition to the Hereford varsity Whitefaces, who take on Pampa at 8 p.m. Friday in Pampa.

The high school Junior Varsity Longhorns will take on the Pampa JV's in Whiteface stadium at 4 p.m. today. Following the JV game the

Hereford Sophomore Short-horns will take on a Pampa team here at 8 p.m.

Saturday the La Plata eighth and ninth grade football team will travel to Clovis to battle the Clovis Gattis Junior High teams. Gametime for the two games will be 1 p.m. and 2:30 p.m. (MST) Saturday.

Stanton Junior High team has an open date this week.

Hereford-Pampa Game Rated As Toss-Up

Harris Poll Gives Teams Same Power Rating, Same State Rank

The Hereford Whiteface-Pampa Harvester football game set for 8 p.m. Friday in Pampa has been rated as a tossup game, according to the Harris Rating System.

The Harris poll, which is one of the major football polls in Texas, has given both the Whitefaces and Harvesters a 126.6 rating and placed them 132nd in the state among AAAA teams.

Austin Reagan was ranked as the number one AAAA team in the state for the opening season game with Odessa Permian as number three. Lubbock Monterey was placed at the number 25 position.

Monterey was given a 139.1 power rating and Lubbock High, placed at number 51, was given a 134.9 rating.

The Harris ratings are such that if any two teams are playing, regardless of class or division, a point spread can be determined by subtracting the lower rating from the higher.

The team with the higher rating is expected to win by the number of points of the difference.

The Hereford-Pampa game was rated a toss-up in spite of the home field advantage of

Pampa. Pampa is in District 3-AAAA and Hereford is in District 4-AAAA. The two teams could possibly meet again in post-season play should both win their respective districts.

Amarillo has been rated 66th in the State with a rating of 132.9 and Amarillo Tascosa, whom Hereford scrimmaged last Friday, has been ranked 87th with a 130.4 power rating.

Snyder, also in District 4-AAAA with Hereford, is ranked at 85th with a 130.6 and Lubbock Coronado has been ranked with the Herd and Pampa at 132nd with a 126.6 power setting.

One of the more exciting area games predicted will be the Class A Vega and Class B Groom game. Groom is ranked high in Class B at 4th place in state. However, Vega received a relatively strong 47th in the state in Class A.

Below are the Harris poll ratings of many of the area teams. The first number is the place the team ranks among others in the state in its class and the second number is the team's power rating. Numbers in parenthesis indicate the playing power rating for that team for this particular week for reasons such as home field advantage or other reasons.

Proper Handling Helps Fish Taste

It's amazing how many fishermen will spend a fortune on fishing tackle and a boat and motor and then balk at buying a two-dollar ice chest to keep their catch fresh.

Here are a few fish-handling tips which will make eating fish more enjoyable:

1. KILL THE fish as soon as it's taken from the water. If the fish is allowed to flop around until it suffocates, the flesh may be bruised, causing more rapid deterioration.
2. KEEP THE catch out of the sun in a cool sheltered place or in an iced picnic cooler. If you are a successful fisherman, it is better to have several of these inexpensive coolers around than run out of room.
3. CLEAN the fish as soon as possible and wash the body cavity.
4. IF ICE is available (and it should be), pack the body cavity, then cover the fish with more ice. Water from melting ice should be drained often enough to prevent the fish from becoming "waterlogged," which also detracts from top flavor.
5. IF ICE is not available, wrap the fish in damp moss, ferns, wet newspapers or burlap, and keep it out of the sun.

Don't Holler At The Ref Unless You Know The Rules

Hereford football fans may get "a little hot under the collar" during an upcoming football game if they don't clearly understand a couple of major rule changes that officials will be watching closely.

According to Jake Webb, manager of Southwestern Public Service and a leading area football game referee, the changes may not be openly apparent to fans, but will be strongly enforced by game officials.

Example: A Whiteface player drops back, holds up one hand, and catches a punt. Fair catch, right. Wrong, it's an illegal signal and the player subject to a 15-yard unsportsmanlike conduct penalty.

Another major change is that all players will be required to wear chin straps and protective mouth pieces similar to those worn by boxers. Referees have been authorized to hold up games until players are wearing the mouth pieces and charge the time-outs to the team to which the violating player is a member of.

"I think the officials will be strong on both the mouth protectors and the fair catch sign," said Webb. "I attended the Coaches All-Star game this summer and officials called the fair catch rule several times. People that didn't realize the changes were confused and mad because they knew the player had signaled for a fair catch."

team's side and players leaving must leave to that same side.

"This was done because you see players sometimes run in and out through the end zone," said Webb. "That was somewhat confusing and this rule will not allow it."

Webb said the other major change, which he said has irritated many fans in the past, will concern when officials place the ball for measurement for a first down.

The measurement will be from the farthest point of the ball when carried by the runner. However, before measuring the ball, it must be placed whereby the length of the ball lies parallel to the length of the field.

"Fans would holler when the ball landed and was cross-ways with the length of the field," Webb said. "Now, when officials turn the ball around, it won't be any closer to the first down, but will just be turned in the same direction as the length of the field."

Webb said other minor changes involve substitutions and measuring the ball for first downs.

ALL PLAYERS entering the field as a substitute must come onto the field from their

Buffalo Coach Pleased With WT Offensive Line

West Texas State University's Buffaloes return nine of 11 offensive starters from the 1972 team, but both of those losses were in the offensive line.

Despite the two losses (tackle

Jim Hankins and guard Billy Taylor), line coach W.P. "Chop" Van Pelt is pleased with his prospects.

Returning from the 1972 Missouri Valley Conference tri-champions is tackle Gary Fennell, who was that club's most consistent blocker. The 5-11, 230-pound senior from San Diego, Calif., is a pre-season all-conference selection for 1973.

"Gary is our best offensive lineman," said Van Pelt. "He is aggressive and has great quickness."

Raymond Guest. The 6-3, 240-pound Guest played freshman football at the University of Oklahoma, but graduated this past spring from Frank Phillips Junior College in Borger. He's from Phillips.

Henry Hamilton, 6-3½ and 205, lettered last year as a sophomore, but made a strong bid in the spring to start at center. He started the spring game in front of returning

regular Dewayne Sexton. Kim Rose, 220-pounder from Floydada, transfers to West Texas this fall from Henderson County Junior College and could contend for the center position, as could freshman letterman Mark McCormick.

Solis started last fall, but has strong opposition from sophomore Jeff Loyd and senior letterman Tom Brownfield at the right end position.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Box Pellets With Cartridge

Some shooters who have fun with the CO₂ gun find it advantageous to store pellets, 40 or 50 at a time, in plastic capsules, or pill bottles, of just sufficient size to accommodate that number.

Reason for such method of transportation is that that quantity, which exact amount they pre-determine, is about the number of shots one can get from a gas cartridge, effectively. So, when the capsule's contents are used up the cartridge is discarded.

Why discard it if not completely "shot"? Well, there is danger of clogging the chamber anytime pressure is not sufficient to at least propel the

ammo out of the gun.

A penny matchbox also makes a handy pellet container.

Experiment until you find out the number of pellets your particular gun and your particular cartridge can handle effectively, then package them accordingly.

Some pelletgun shooters "package" both the pellets and a cartridge together in the same box, which isn't a bad idea either. It does keep them together and with some 45 to 50 pellets packaged with each cartridge it's mighty handy too. However, it does call for a larger and stronger container ... possibly one made of wood or metal.

HEREFORD WHITEFACES —VS— PAMPA HARVESTERS

PAMPA HARVESTERS STADIUM

FRIDAY NIGHT ... 8:00 P.M. SEPTEMBER 7

The Pampa Harvesters are looking to make amends for last year when they fell in a 20-0 upset to the Hereford Whitefaces. The Harvesters are strong in running back talent, boasting at least three runners with excellent track-speed. Pampa has been rated at the same level with the Herd and the game has been picked as a

toss-up. The Harvesters have changed from a Wishbone backfield formation into a new "I" formation to adapt to the crop of speedy backs. The team's record's fell to a disappointing 5-5 last season in a year when the Harvesters were expected to lead District 3-AAAA.

The Consumer Alert

Landlord-Tenant Misunderstandings Problem Of The Past

By JOHN L. HILL
Attorney General

Landlord-tenant misunderstandings about security deposits should become a problem of the past, now that there is a new state law which

lays down guidelines for both parties in a rental transaction. The security deposit bill, by Rep. John Bigham of Temple, and another bill by Rep. Matt Garcia of San Antonio, which limits eviction procedures, were passed by the 1973

Legislature, and both became law on September 1. They were the successful products of a consumer law package endorsed by the Texas Apartment Owners Association, whose members were witness to the need for an approach to rental arrangements which would be fair to lessors as well as lessees.

Although most people who have residential property for rent, and those who occupy apartments and rent houses seem to enjoy good business relationships, the State Senate Consumer Committee hearings last year revealed that consumer complaints, and some landlord fraud did exist. Security deposits, the practice of requiring a sum from a new renter to insure against a landlord's financial loss for damage or abuse to the property, obviously was

causing a lot of misunderstandings—if the Senate hearings were any indication. Some apartment dwellers charged that their landlords had refused arbitrarily to return security deposits, when the renter was ready to move. Others complained that portions of deposits were withheld, "to cover damages," but that they were never told what the "damages" were.

The area of "lockouts" and "utility cut-offs" also seemed to be an avenue of landlord-tenant discord. These practices, some tenants testified, had been employed by some property owners as means to evict unwanted tenants, and-or as methods to recover rentals owned.

One young couple claimed that their landlord not only had locked them out of their apartment, but confiscated their furniture—including their baby's crib, and had sold it to settle a disputed balance. Now that Rep. Garcia's House Bill 1664 has become law, landlords must use the court procedures available to them to effect an eviction.

Utility cut-offs are prohibited, except in extremely troublesome situations, and then the property owner must notify the renter by registered mail of his intent to order a cut-off at least 14 days prior to cutting off the utilities. The new law also strictly regulates the means by which a landlord can obtain a lien on personal property to satisfy nonpayment of rent.

The security deposit act, House Bill 844 by Rep. Bigham, provides the means for clear understanding on the part of both parties as to how the money may be used, and how and when it is to be refunded. From the time a person decides to take an apartment until the time he or she vacates it, the consumer's security deposit will be just like money in the bank, under the Bigham act. The landlord must keep accurate records of deposits, and should not mingle that type of funds with rental income. When a tenant decides to end the lease, he must give the landlord notice of his moving date, as well as a forwarding address, in case the security deposit has to be refunded by mail. The deposit cannot be withheld to cover "normal wear and tear."

If the landlord does deduct a sum for damages, he must furnish the tenant with a written description and itemized list of all deductions. The vacating tenant cannot withhold the final month's rent as a strategy for recovering deposit. Of course, the best way to avoid any misunderstanding is to have a clearly-stated written agreement about each person's responsibility. If you, as a landlord or as a tenant, do have any complaints about security deposits or "lock-outs," do not hesitate to contact one of my regional offices—in Dallas, Houston, El Paso, Lubbock or San Antonio—or my Consumer Protection Division in Austin.

BSP Calendar Of Events Discussed

Mrs. Edward Allison presented a program entitled *Manners From The Age Of Chivalry To The Present* to members of Kappa Iota Chapter of Beta Sigma Phi at their meeting Tuesday in the Hospitality Room of the First National Bank.

Discussed at the business meeting were the bicycle race in which the chapter recently sponsored and the calendar of events for the coming year. September 27 will be the date for an Outlandish Fashion Party to be held for members of Beta Sigma Phi and their guests.

A benefit bridge is planned for October 26 in which all proceeds, after expenses, will go to Girlstown and a starving artist show is planned for December.

Mrs. Allison was chosen as new president and vice-president for the coming year will be Mrs. John Kreighshausser. Out-going president is Mrs. David Block, who is moving to Dumas, and past vice-president, Mrs. Tom Buchanan, is moving to Lubbock. Members present were Mmes. Tom Bullard, Tim Gearn, Nelson Kendall, Tom LeGate, Davey Sorrells.

March is the month for the clubs sports tournament to be played. Mrs. George Muse was chosen chapter sponsor and nominated for member-advisor was Mrs. C.D. Fitzgerald. New election of officers for president and vice-president was also held. Mrs. Allison was chosen as new president and vice-

Graveside Rites Held For Infant

Graveside services for Raquel Hernandez, 3-month-old daughter of Mr. and Mrs. Policarpo Hernandez of Hereford, were held at 10 a.m. Wednesday in St. Anthony's Catholic Cemetery.

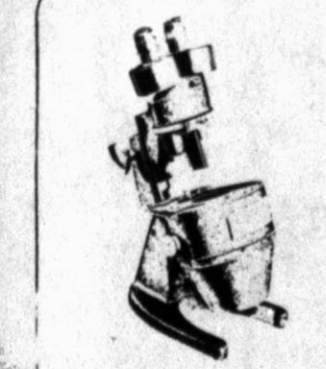

Father Aedan Davis, pastor of St. Anthony's Catholic Church, officiated. The infant died at 10:20 p.m. Monday in Deaf Smith General Hospital.

The child was born in Las Cruces, N.M. The parents came to Hereford in mid-August from Las Cruces.

Other survivors include the grandparents, Mr. and Mrs. Cristobal Hernandez and Mr. and Mrs. Higinio Villarreal, all of Edcouch.

GOOD PSYCHOLOGY
IF AT A PARTY YOU ARE HOSTING, THE JONASES START HAVING ANOTHER OF THEIR FIGHTS IN FRONT OF ALL THE GUESTS, YOU SHOULD INTERVENE. GRACEFULLY, DON'T TRY TO DROWN THEM OUT. DISTRACT THEM. FOR EXAMPLE, YOU MIGHT ASK ONE OF THE JONASES TO FIGHT THEIR CHILDREN IN SCHOOL OR THE CONDITION OF THEIR CARE. ANOTHER PLEASANT WAY TO DIVERT THEM FROM THEIR SPAT IS BY OFFERING EACH A GLASS OF REFRESHING ICE TEA.

Highlights And Sidelights From Austin

Pay Raises, Annual Legislative Sessions On Ballot

By BILL BOYKIN
Next big political campaign shaping up is for legislative pay raises and annual legislative sessions on the November 6 election ballot.

Top four elected Texas officials launched the campaign with the cooperation of 35 citizens' organizations.

Gov. Dolph Briscoe, Atty. Gen. John Hill, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. are united in support of Constitutional Amendment One.

The amendment would raise legislative pay from \$4,800 a

year (plus expenses) to \$15,000 a year (plus \$18 a day during sessions).

It would also provide for regular legislative sessions of 180 days during odd-numbered years and of 60 days, mainly for budgeting matters, during even-numbered years.

Austin attorney Will Davis was selected chairman of the organizational support group, with Phil Strickland of Dallas as vice chairman.

An executive committee headed by Davis and Strickland will work with the 35 cooperating trade, civic and professional associations in the campaign. (Texas Press Association is among the organizations.)

"This is a must thing," said Attorney General Hill. "It is a necessity that we pay the right amount for an honest day's

work in a very high calling."

"Annual sessions in this day and time are essential for an efficient, responsible, intelligent and accountable legislative branch to properly function," said Daniel.

The statewide support organization will coordinate fund-raising and publicity activities for the campaign.

Legislators have been paid \$4,800 a year since 1960.

Voters defeated proposals for pay raises in 1965, 1968, 1969 and 1972.

They also rejected annual sessions of the legislature in 1969.

COMMISSIONER RESIGNS
Bryon Tunnell resigned his position as a member of the Texas Railroad Commission and was immediately replaced by Mack Wallace of Athens.

On September 15, Tunnell, 47,

will become vice-president of Tenneco of Houston in the company's governmental affairs department.

Wallace, 43, a former district attorney, has been serving as executive director of Governor Briscoe's Criminal Justice Council and as legal advisor to the governor. Briscoe appointed him two days after Tunnell's resignation.

Tunnell was appointed to the powerful, three-member oil, gas and transportation regulatory agency by former Gov. John Connally in 1965, succeeding Ernest O. Thompson. He was re-elected to a six-year term in 1972.

VENDING RECORDS BLOCKED
Vending industry leaders blocked House Speaker Price Daniel Jr.'s effort to make public records of a 1968

legislative investigation of the industry.

Raymond B. Williams and Burnie H. Williams in their lawsuit contended release of the investigative record held by the Department of Public Safety in a confidential file would cause "possible abuse" through circulation of "ill-based stories." Their case was set for hearing September 6.

Meanwhile, a former Austin vending machine operator claimed he made cash payoffs to a state representative, a state judge and an ex-state senator. Daniel said he is considering a new House sub-committee investigation of the coin-operated amusement machine industry.

TELEPHONE SAVINGS CLAIMED
Legislative Budget Board approved a new telephone

system for state agencies which reportedly will save a million dollars a year.

The system, pushed by Governor Briscoe, would link all state agencies over Texas and provide a toll-free long distance service nationwide. An installation charge of \$170,000, plus \$350,000 a month is required for the TEX-AN communications network.

LBB advised Briscoe to be cautious he is not buying more out-of-state service than necessary. One member, Rep. W. S. Healy of Paducah, said the telephone company should be required to improve service to ordinary citizens before the state purchases TEX-AN. Present state telephone service now costs about \$431,201 a month for long distance and WATS lines.

AG OPINIONS

With some exceptions, Welfare Department records on child care facility licensing are public, Attorney General Hill held, although identity of persons covered by social and health records would remain confidential.

In other recent opinions, Hill concluded:

+Fees assessed adult probationers can be used for juvenile probation at discretion of judges, although they should be used primarily for adult probation purposes.

+No member of the 63rd Legislature would be eligible to be appointed to the office of House administrator, having resigned from the legislature to accept it. But Rep. James D. Cole of Greenville took the job without salary.

+County commissioners can hold bond elections for buildings

and acquiring books for library purposes.

APPOINTMENTS
Lorenzo D. Cole of Houston is first executive director of the Governor's Office of Equal Employment Opportunity.

W. J. (Bill) Harding of Austin has been designated chief clerk of the State Board of Insurance effective September 1.

Governor Briscoe appointed Kaufman County Attorney Harold D. Hollingsworth criminal district attorney for the county.

He appointed James Arnold acting director of the Office of Traffic Safety.

District Judge Herman Jones of Austin will head a special fact-finding committee to inspect conditions at Austin State School.

Joe G. Moore Jr., director of the Office of Research at the University of Texas Lyndon B. Johnson School of Public Affairs, became program director of the National Commission on Water Quality September 1.

Sen. Lloyd Doggett of Austin was named by Lt. Gov. Bill Hobby to the State Legislative Library Board.

Raymond L. Prewett is head of the governor's Division of Rural Community Affairs.

800,000 NEW ADULTS
Texas picked up about 800,000 new adults overnight August 27 when a low took effect granting majority rights to 18-to-20-year-olds.

Under the new law, the young Texans can buy alcoholic beverages, enter contracts, get married without their parents' consent, and serve on juries, among other things.

A total of 249 acts of the 63rd Legislature took effect last week. Among them was reduction of the penalty for first offense possession of marijuana (up to four ounces) to a misdemeanor.

PLANNING REGIONS RE-IDENTIFIED
An executive order by the Governor redelineated state planning regions after a four-month review.

Regions are: Texoma State Planning Region, Heart of Texas State Planning Region and Middle Rio Grande State Planning Region. Karnes County was realigned from the Coastal Bend State Planning Region to the Alamo State Planning Region, and Hardin County from the Deep East Texas SPR to the South East SPR.

SHORT SNORTS
Dr. George Willeford of Austin is expected to step down as state Republican chairman in October.

American Petrofina Company of Texas announced price increases up to 15 cents a barrel for crude oil purchased from leases, as did Cosden Oil and Chemical Company.

The House Administration Committee reaffirmed a decision to buy a new \$721,000 voting machine in spite of criticism from Lt. Gov. Hobby and others.

We like to feel that service, in its fullest reference, is the hallmark of our firm. One of the special services we provide for you is noted by the emblem below—membership in the American Gem Society—an organization of some 900 carefully selected firms of professional jewelers in the U.S. and Canada. It signifies the reliability and capability of this firm, and is your assurance that the fine gems and jewelry purchased from us are properly represented, and explained.

Rev. Joseph A. Myers

Have you ever been in court? Court is where lies fly and the guilty must pay. Often court is where brilliant attorneys attempt to, and sometimes do, hang juries and sway human judges. "Your Honor" has an awesome responsibility to the accused, to society, and to God. Even though his verdict may be filled with reverence, nevertheless, it is frightening.

Too often transgressors have succumbed to the temptation to gain personal fame and fortune at the expense of their prey. All of our country bleeds in humiliation and the price we have to pay is enormous and endless. Such monstrous acts committed by those in high places are the most damaging ones. They will have had effect on all of our society for all time to come.

In such cases the judge's responsibility is so very poignant. *To convict the innocent would be terrible, but to pardon the guilty would be unthinkable.*

Since life is made up of days, weeks, months, and years it would be well for us to write our own verdict day by day.

Let us keep our records clean, for, "we shall reap what we sow". Galatians 6:7.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions stronger democracy. In the church the ministerial are that the church's character. Statesmen today declare the affairs of state in these perilous times. Then we see Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Let's Cook

Whip Up A Tuna Souffle

By CECILY BROWNSTONE
Associated Press Food Editor
Souffles are airy creations that can be made to taste hearty. The heartiness comes from the ingredients added to the white sauce that forms the souffle's base.

In this new recipe for Tuna Souffle, Swiss cheese, mushrooms and lots of parsley are added along with the tuna. The result is savory and satisfying. Because this souffle is baked in a moderate oven for a fair length of time, its center will be firm.

To accompany the souffle we suggest that you serve a creamed vegetable — perhaps green peas or spinach. The creamed vegetable can act as a sauce.

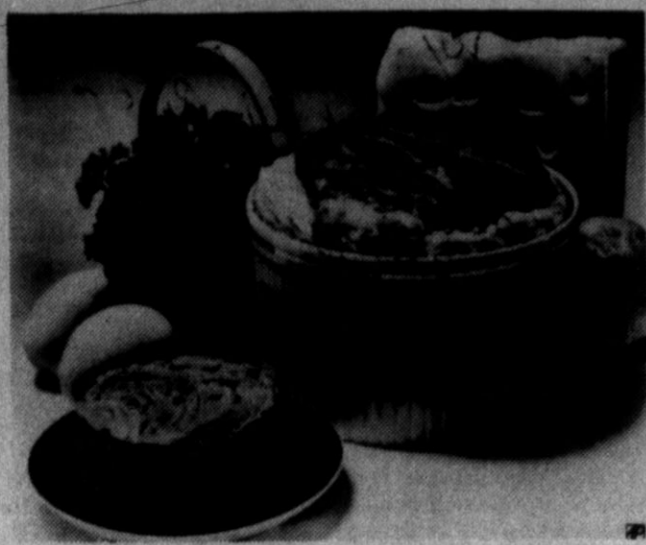

In preparing the souffle be careful when you separate the eggs to keep the yolks and the whites well apart. The tiniest speck of yolk in the whites may prevent their being beaten to their largest volume.

When you fold the beaten whites into the tuna mixture, use a wide rubber spatula.

The use of a souffle dish, with its straight sides, helps the souffle to rise.

TUNA SOUFFLE

- 1/4 cup butter
- 1/4 cup flour
- 1/2 teaspoon salt

- 1/4 teaspoon tabasco sauce
- 1 cup milk
- 2 teaspoons minced onion
- 1/4 cup finely grated Swiss cheese
- 5 egg yolks
- 1 can (6 1/2 or 7 ounces) tuna in vegetable oil, drained and flaked
- 1/4 cup minced parsley
- 1 can (3 ounces) broiled chopped mushrooms, well drained
- 6 egg whites

In a 3-quart saucepan over low heat, melt the butter. Stir in flour, salt and tabasco; remove from heat. Gradually stir in the milk, keeping smooth. Return to moderate heat and, stirring

constantly, cook until sauce thickens and comes to a boil; remove from heat.

Add onions and cheese. With a whisk beat in the egg yolks, one at a time. Stir in tuna, parsley and mushrooms. Cool for 10 minutes.

Beat egg whites until they hold stiff straight peaks when beater is slowly withdrawn; fold into tuna mixture. Turn into an ungreased 2-quart souffle dish.

Bake in a preheated 350-degree oven until top is rounded and golden-brown and a cake tester inserted in center comes out clean — 45 to 50 minutes. Serve at once.
Makes 4 to 6 servings.

Small Talk

By Lavon Nieman

THE REGULAR writer of this column thinks she deserved a few days off after not getting any time off during the summer months. We think she earned some consideration, too, so our services were volunteered by the boss man and here I am.

SUE SAID she had felt like having a nervous breakdown since about the first of July when all the club histories, church histories and Jubilee news started pouring into The Brand office. And now that she has time to have it, we wish her much success because after all she deserves to get to have a nervous breakdown. All we ask that she's back in a week or two to straighten out all the things that this writer (such as I am) gets messed up. Then I can have my nervous breakdown.

I WOULD like to extend my personal congratulations to Ruth Black for winning the Jubilee milking contest. That "fresh" milk really makes good homemade ice cream, we found out. Her husband, Herschel, knows just the right blend that goes with that milk.

AND TO Susie McGee, who got kicked by the cow she was attempting to milk, we wish for a speedy recovery. I bet if Susie ever tries milking again, she'll find out which side the cow prefers to be milked from.

MANY HOUSEHOLDS were changed somewhat during the past several days with little ones starting to school for the first time. I can remember that day well, when our first son started in the first grade in Lamesa. I stayed in the room with some other mothers until son Steve yelled from across the room "You can leave now, Mother." I cried all the way to the car because my "baby" was old enough to leave home, even if for only a few hours a day.

NOW, 12 YEARS later, I know how the mothers of students leaving for college feels. After visiting with some other "college freshman" mothers this week, I discovered the first thing we all seem to do is give their room a good cleaning. One mother said her daughter still had keepsakes from the seventh grade and another said she didn't think her son's room had had a good cleaning in at least nine years. If you haven't had a child this age, you can't

imagine how much they can "file" under their bed, much less in the closets, drawers, bulletin boards, etc. We don't dare throw away these treasures, just rearrange them.

SPEAKING OF college freshmen, Hereford has its share of students furthering their education. And even though we might shed a tear or two when they leave home for the first time, we also feel fortunate that they care enough to want better things for their young lives.

WILLIE BRADY, counselor at Hereford High, was nice enough to furnish us with a few statistics, based on transcripts she mailed to schools on request of last May's graduating seniors.

From a class of 274 seniors, 178 requested transcripts be sent to the colleges and universities of their choice. There were 73 transcripts sent

to West Texas State University at Canyon, 23 to Texas Tech at Lubbock, 13 to Texas State Technical Institute at Amarillo, four to San Angelo State College and others scattered all over Texas and other states.

WITH CLUBS beginning a new year of meetings, we would like to remind club reporters to PLEASE bring us a yearbook. We want to include your club on our calendar and know what's going on in your club.

If your club happens to meet on Tuesday evening, we would like for reporters to call in the meeting as early Tuesday night as possible. We hope to have a society reporter at The Brand office to take your calls and would certainly appreciate your cooperation. No matter when your club meets, please let us have your news as soon after the meeting as you can.

Weekly Market Report

Poultry Supplies, Prices Fluctuating

Despite lower prices this week, watch for fluctuations in poultry supplies and prices during the weeks ahead.

This advice comes from Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Buy a whole chicken and cut it up yourself—then pocket the savings," she suggested.

Turning to other meats, the specialist predicted uncertainty over beef prices after the freeze lifts on Sept. 12.

"Although supplies will be somewhat larger, prices will likely go up.

"So, careful shopping and creative cooking continue important.

"One way of making food dollars go further involves planning meals with less meat. But this isn't easy—and usually requires additional shopping and preparation time.

"Casseroles, meat loaves and sausage-vegetable combinations make a little meat go a long way," Mrs. Clyatt said.

"Or, a small portion of meat served with milk, cooked beans, peas or lentils provides necessary protein at less cost than a large serving of meat."

The specialist noted that several varieties of fresh plums decorate market fruit sections—including attractively priced purple plums.

Cantaloupes and watermelons remain plentiful and of excellent quality. Peaches, on the other hand, are priced high.

Pears, bananas, nectarines, grapes, pineapples and oranges warrant consideration, she added.

"Some vegetables flaunt lower prices than a week ago with cabbage, head lettuce, dry yellow onions and sweet potatoes the most noticeable."

Carrots, bell peppers, celery, corn, collard greens, mustard greens and hard shell squash are moderately priced, Mrs. Clyatt concluded.

The first successful steel walking plow was invented by John Lane in 1833.

natural energy HOME

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

PIONEER NATURAL GAS COMPANY

Easley-Brown Vows

Read Wednesday Morning

Double ring wedding vows were exchanged between Billiejean Hayes and Paul M. Easley, both of Dalhart, Wednesday at 11 a.m. in the First United Methodist Church of Hereford. The Rev. Dewitt Seago, chaplain of Kings Manor, read the nuptials.

Vows were said before an archway of greenery flanked by bouquets of apricot and white flowers. On either side of the archway were candelabras.

Dwayne Hayes, brother of the bride, was candlelighter.

The bride is the daughter of Mr. and Mrs. Edward O. Hayes of Phoenix, Ariz. The groom is the son of Mr. and Mrs. Morris Easley, 1915 Plains, Hereford.

Mrs. Evelyn Hacker, organist, accompanied soloist Miss Elizabeth Lyons as she sang "Speak Softly Love."

Escorted to the altar and given in marriage by her brother-in-law, Hubert D. Bronniman of Dalhart, the bride was adorned in a formal length white bridal gown accented with heavy white brocade lace on the bodice and sleeves. The dress featured a long satin train. She wore a double veil as long as the train, attached to a crown of heavy brocade lace. She carried a

bouquet of white pom pom daisies and carnations with a small white Bible belonging to the bride's niece centered in the bouquet. The bride wore her great-grandmother's wedding band as a necklace.

Mrs. W.J. Gilliland, sister of the groom, served as matron of honor. She wore an apricot colored gown trimmed in beige lace. Her nosegay was of Fall colored daisies and carnations.

Serving the groom as best man was his brother, Dick Lookingbill. Dwayne Hayes and Dean Riddle were ushers.

RECEPTION

A reception following the ceremony was held in Ward Hall of the church with the bridal couple being assisted in

the receiving line by those in the wedding party.

Wedding cake and punch were served by Miss Becky Owen, Mrs. Arthur Gray and Mrs. Kelly Tyler. Others assisting in the wedding party were Mrs. Jack Payne of Stratford and Mrs. Claudia Walton; both aunts of the groom.

After a wedding trip to various points in Colorado the couple will reside at 111 Texas Blvd. Dalhart.

The bride is a graduate of Adrian High School. The bridegroom is a graduate of Hereford High School and was recently discharged from the U.S. Navy after serving four years. He is employed by XIT Feed Yards at Dalhart.

Instructions Given At CCA Worker's Tea

An orientation tea was given Tuesday at 1:45 in the home of Mrs. Rudy Metz, 108 Rio Vista, to kick off the annual membership drive of Hereford Community Concert Association.

Concert workers were greeted at the door by Mrs. Metz and were served lemonade and cookies.

Mrs. Richard Ottesen and Mrs. Paul Scott, co-chairmen of the drive, directed the instruction of captains and workers. Kits of enrollment materials were given to the ladies.

Captains for this year include Mmes. R. B. Hutson, George Warner, Bob Josseland, Bill Walden, Wes Fisher, Edward Allison, Rudy Metz, Bud Eades and Nancy Richie. About 90 ladies are working with the captains.

According to the CCA plan, renewals will be expected this week with new memberships available Monday through all of next week. Admission to the 1973-74 concerts will be by membership card only; no

single admissions are available locally.

Adult membership fee remains at \$10 for the season. This year, for the first time in Hereford, student memberships will be sold at \$5, and family memberships at \$30.

A membership card entitles the holder to attend all local CCA concerts, with at least three programs by nationally known artists guaranteed. The card can also be used for three concerts booked by the Canyon Community Concert.

Two hold attractions that have been booked for the 1973-74 season are Big Band Cavalcade which will appear Dec. 15 and duo harpists Longstreth and Escosa who will appear in March.

The Big Band Cavalcade includes such artists as band leaders Freddy Martin, Bob Crosby and Frankie Carle and vocalist Margaret Whiting. Each of the four personalities will do his own particular "thing" for which he has become famous.

The duo-harpists Joe Longstreth and John Escosa

have been widely hailed in recent years by virtue of their almost incredible record of well over 400 concerts they have played. Appearances in New York's Town Hall and Carnegie Hall and in other major cities have resulted in many re-engagements.

A coffee will be held Monday from 10 a.m. to 1 p.m. in the Chamber of Commerce meeting room which will serve as Community Concert headquarters next week. The coffee will honor Mrs. Lynette Lowe of Dallas, a representative of the national Community Concert Association. All ladies working with the drive or anyone desiring to obtain a membership is invited to attend.

Mrs. Rudy Metz, left, is greeting Community Concert workers as they arrived at her home Tuesday afternoon for an orientation tea. Arriving are Mrs. Joe Reinauer, Jr., center, and Mrs. D.A. Garner. About 90 ladies are working on the membership drive.

Mrs. Paul M. Easley
... nee Billiejean Hayes

Quilting Instruction Presented

Argen Draper, county home demonstration agent, presented a program on Easy Ways of Quilting to Progressive Club members Tuesday in the Flame Room of Pioneer Natural Gas building.

In connection with the program, Mrs. Tom Morgan, discussed the Revival of Quilt Making in which she gave instruction for quilting and kinds of material that can be used.

On the business agenda, Mrs. Draper installed officers. Mrs. Taft McGee was installed as president; Mrs. Morgan, reporter; Mrs. H. L. Hershey, parliamentarian; Mrs. Pete Carmichael, acting secretary-treasurer.

42 Party

Scheduled

The Easter Community will hold its 42 party Friday beginning at 8 p.m. at the community club house. Everyone is invited.

Women are asked to bring refreshments and dominoes.

JOSSERAND MOVING CORRECTION
The Robert D. Josseland family of Hereford is not moving to Amarillo as was stated in an article in the Sept. 2 issue of the Hereford Brand. According to the article taken from a news release from the Amarillo office of ProChemco, Inc., Josseland was announced as senior vice president to serve as general manager of ProChemco's cattle operations and would be moving to headquarters in Amarillo. Josseland did accept the position, however, according to Mrs. Josseland, they "definitely are not leaving Hereford."

Adult penguins bite savagely when they are molested.

"The New Dick Van Dyke Show" returns in new setting

"The New Dick Van Dyke Show," starring Dick Van Dyke and Hope Lange, returns for its third season in a new setting—Hollywood—and in a new time period beginning Monday, Sept. 10 (8:30-9:00 p.m.) on the CBS Television Network.

Dick and Jenny Preston (Van Dyke and Miss Lange) move from Arizona to California so that Dick can pursue an acting career after his Phoenix talk show is canceled. The comedy series focuses on the Prestons' new life in Hollywood, involving their new friends and neighbors, and on Preston's new career as an actor. He plays the second lead in "Those Who Care," a daytime drama serial, but is still available to free-lance in commercials and on other series.

Barbara Rush will appear as special guest star in the premiere episode of "The New Dick Van Dyke Show," as Marjot Brighton, a former film star who is now the lead character in "Those Who Care."

New regulars involved with the daytime serial are Barry Gordon as Dennis Whitehead, the writer, Dick Van Dyke as Max Mathias, the producer, and Henry Darrow as Alex Montenez, the stage manager.

Richard Dawson and Chita Rivera will be featured as the Prestons' new neighbors, Richard and Connie Richardson. Richardson is an actor in a television series, "Harrigan's Hoologans," and his wife is a former dancer who now runs a dance studio. Angela Powell returns as the Prestons' daughter Annie.

Carl Reiner, who created "The New Dick Van Dyke Show" and served as its creative consultant during its first two seasons on the Network, is the producer of the series for the 1973-74 season. Byron Paul continues as executive producer.

Barbara Rush and Dick Van Dyke appear as co-stars on the soap opera that is highlighted on "The New Dick Van Dyke Show."

Danny Thomas guest stars as an undiscovered painter on "Here's Lucy"

Danny Thomas guest stars as an undiscovered painter whose plight intrigues Lucy and leads her to promote his artistic talent, on the sixth-season premiere of "Here's Lucy," starring Lucille Ball as wacky Lucille Carter, Monday, Sept. 10 (8:00-8:30 p.m.) on the CBS Television Network.

When Thomas, as down-on-his-luck Danny Galupe, tells Lucy that few of the great painters ever achieved recognition while alive, she conceives an elaborate scheme designed to bring him instant success.

Gale Gordon co-stars as Lucy's brother-in-law, Uncle Harry, head of the Unique Employment Agency, where Lucy works as his secretary.

Hans Conrard, who appeared for many seasons as Thomas' Uncle Tomooose on "The Danny Thomas Show," portrays an art-gallery owner interested in the painter's future.

Coby Ruskin directed the premiere episode from a script by Bob O'Brien.

Shirley Anthony

Danny Thomas portrays a temperamental artist on the season premiere episode of "Here's Lucy."

Friday Program Notes

7:00...NBC...WEIRD HAROLD SPECIAL
An animated feature depicting the boyhood characters made famous in Bill Cosby's monologues. A go-cart race spells trouble for the boys when they use a dangerous hill for their track. Cosby is the voice of young Bill, his father, Pat Albert and Washington, Ill. (R)

7:00...ABC...SATURDAY MORNING SNEAK PEAK
A special program highlighting a sneak preview of the new season's children's program "GOOD COUPLE."

7:30...NBC...THE GOOD COUPLE
"My Strife in Court," Eleanor Donahue guest stars. Because of a mishap, she is arrested and charged with faking a scalping. (R)

8:00...ABC...ROOM 222
"Wait Whittman Goes Bananas," B. Kirby, Jr., guest stars. Students at the World Banana Eating Record to call attention to their need for summer jobs. (R)

8:00...NBC...NBC FRIDAY NIGHT AT THE MOVIES—"BEGULID"
Starring Clint Eastwood, Geraldine Page and Elizabeth Hartman. With the Civil War close to an end, wounded soldiers are discharged by a southern school for young ladies. Universal, 1971. (R)

8:00...CBS...THE CBS FRIDAY NIGHT MOVIES—"THE VATICAN AFFAIR"
Starring Walter Pidgeon. A professor who has devoted his life to writing a monograph on the treasures of St. Peter's in Rome, and has been blinded late in life, now decides to devote himself to making the treasure his own. Precision planning pays off, but a single, small coin saves the treasure and the Vatican. Kiniko also stars (1970)

8:30...ABC...THE CORNER BAR
"Aunt Blanche," Marc's late husband's Aunt Blanche comes to work at the saloon and meets everyone for their own good.

9:00...ABC...LOVE, AMERICAN STYLE
"Love and the Singing Suitor," with guest stars Bridget Henley and Dave Madden; "Love and the Wee Wee," with guest stars Bill Bixby and "Love and Unmarried," with guest stars Ozzie and Harriet Nelson. (R)

10:30...CBS...THE CBS LATE MOVIE—"HOLLYWOOD OR BUST"
Starring Dean Martin and Jerry Lewis. The unlikely pair of a star-struck movie fan and a reforming bookie hit the road together, slowly making their way back to Hollywood. Interrupted by eggs and beautiful girls. Some real problems and some Keystone Kop commotion add more hilarity to the film. (1954)

10:30...ABC...ABC WIDE WORLD OF ENTERTAINMENT—"THE DICK CAVETT SHOW"
Guest stars: Tony Randall and author Robert Beck.

former Miss America to host pageant

Vonda Van Dyke, former Miss America, is also a writer, composer, recording artist, TV personality and supper club headliner.

Vonda soon will add a new dimension to her versatile and accelerating career. She will join Bert Parks as co-host of the 53rd annual Miss America Pageant, to be broadcast live from Atlantic City, N.J., Saturday, Sept. 8 (9:00-11:00 p.m.) on the NBC Television Network.

As co-host, Vonda will be on stage in Atlantic City's Convention Hall when this year's state finalists compete in the three categories—swimsuit, talent and evening gown—for the title of Miss America of 1974.

Although Vonda says she enjoys wearing a swimsuit "whenever I get the opportunity," she sympathizes with "whenever I get the opportunity," she sympathizes with

current titleholder Terry Anne Meuwisen, who has voiced objections to the swimsuit competition.

"When you are in a swimsuit," Vonda says, "everyone is looking at you. There is nothing to hide. You feel thousands of eyes staring at you. It is somewhat frightening."

Perky, with bright flashing eyes, Vonda seems to belie her admission that she lacked confidence when she won her title. "I have the confidence that I lacked then," she says. "I don't have to prove myself now as I had to do in order to win the title."

Miss Van Dyke has accomplished quite a bit. Her own music publishing company, aptly named the "Miss A" Publishing Co., is a month old. It is publishing her composition, "Singin' My Sad Song."

Monday Program Notes

7:00...NBC...LOTSALUCK
Starring Dom DeLuise as bachelor Stanley Belmont, with Kathleen Freeman as his mother, Heverly Sanders as his sister and Wynn Irwin as his "unemployable" brother-in-law. (Premiere)

7:00...CBS...GUNSMOKE
"Women for Sale," with guest stars Shani Wallis and James Whitmore. Stella (Miss Wallis), among several women and children kidnapped by Comanche renegades (Whitmore) for sale into Mexican slavery, is rejected because she is too independent and troublesome. She then finds herself stuck with her Indian captor, another captive named Rachel, whom the renegade has decided to keep for himself, and Rachel's young daughter Marcy. Marshal Dillon tracks the Indian and his captive Fitzpatrick and the three head toward Mexico. (This is the first of a two-part episode.) (Season Premiere)

7:00...ABC...THE ROOKIES
"Cauldron," Guest star is John Saxon. Officers Willie Gillis and Terry Webster are seized and held hostage by a deranged, terminally ill criminal.

7:30...NBC...DIANA
"Take My Sister," Newly arrived from England, Diana discovers her apartment is a popular stopover for her brother's friends, who hold keys to the front door. (Premiere)

8:00...NBC...NBC MONDAY NIGHT AT THE MOVIES—"SHOOTOUT"
Starring Gregory Peck and James Gregory.

8:00...ABC...THE ABC MONDAY NIGHT MOVIE—"LADY IN CEMENT"
Television premiere for this movie starring Frank Sinatra as private investigator Tony Rome on the seamy underside of Miami. Also starring Raquel Welch and Dan Blocker.
