

Deaf Smith Farmers To Be Hit Hard By Fuel Allocation Program

By O.G. NIEMAN
Publisher

A federal program on allocation of diesel fuel goes into effect today, and community leaders are concerned about the impact such a plan will have in Deaf Smith County at harvest time.

What makes the situation critical, local observers believe, is that the allocations are based on the same month last year. Farmers in Deaf Smith and the area used very little diesel last fall, as it was too wet to get into the fields.

THERE apparently has been very little information put out concerning the "Federal Mandatory Middle Distillate Allocation Program." The regulation goes into effect Nov. 1, 1973 and provides for allocations of 100 per cent of 1972 supplies on diesel fuel, kerosene, heating oil and jet fuel.

A joint meeting of the ag committee and governmental affairs committee of Deaf Smith Chamber of Commerce was called here Tuesday. The session was called after Bill Albright, executive vice president, became concerned about reports of a diesel fuel shortage.

OUTCOME OF the meeting was an agreement to publicize the problem for the benefit of farmers, and to seek a solution to the problem which could arise during the harvest in Deaf Smith County. Committee leaders R.C. Hoelscher and Bud Snyder reported on the Tuesday meeting.

Hoelscher said local oil company officials and jobbers were called in by the group to determine what the situation was in the county. An ASCS official was also asked to present his views.

According to information gleaned from jobbers, farmers will be allocated the same quantity of diesel they used in

the corresponding month of 1972. There probably will be some "red tape" involved in securing that allocation and, should the farmer request more than the allocation, he'll probably be looking at more paper work and more time in getting an answer.

THE PROBLEM could be critical on the local scene, pointed out one jobber, if there are no alternatives to the allocation base. For example, one of his customers used only 231 gallons of diesel in October, 1972, due to the weather. This October he used about 1,000 gallons, and he anticipates needing that much in November just to finish his harvest. His allocation, however, will be only 192 gallons.

The C of C committee is hoping for a re-appraisal of the local situation. It was pointed out that the Railroad Commission is the state agency for the regulations, while the Department of Interior is the federal agency concerned.

HOELSCHER said he reached an official with the Office of Oil & Gas, Denton, Tuesday but he was unable to spell out all details of the new program. "The man explained that a federal indoctrination on the program had not been conducted as yet," Hoelscher stated.

"We are concerned that many of our farmers are not aware of the impact such an allocation might have on the harvest of crops," Albright stated. He added that members of the ag committee felt the problem was critical enough to initiate a study.

IN A news conference called Tuesday afternoon at the C of C office, Albright and Hoelscher presented the views of the committee and the information presently available on the allocation program.

Hoelscher said he was still attempting to contact federal and state officials to secure more information as to how the program will be administered.

No Fuel For Local Farmers?

District Lead On Line Friday Night

Herd Favored By Four, Leads Ponies By Half Game In District Race

By DON RICHARDS
Brand News Editor

The Hereford Whitefaces and the Lubbock Coronado Mustangs will be going for that top rung of the District 4 AAAA ladder Friday night when they clash in Hereford's Whiteface Stadium. Hereford is currently climbing that ladder and leading the league with two consecutive district wins while Coronado holds down second place with one win and a tie. The 1972 tie Coronado and Snyder had—Friday dropped the Mustangs half a game below the Whitefaces in the district standings.

Kickoff for the game will be at 7:30

p.m. with the Herd rated as a four-point favorite.

If Hereford wins the game it will have a clear-cut lead in the race for the district championship with at least a full-game lead and maybe more depending on the outcome of the Monterey-Snyder game and the Lubbock-Plainview game.

If Coronado wins the Mustangs will hold a half game lead over the Whitefaces.

BOTH Lubbock and Monterey are tied for third place in district with 1-1 records. Snyder has fifth place with an 0-1-1 record and Plainview is in last place with an 0-2 record.

"Coronado is a real fine ball club," Hereford Coach Larry Dippel said as he prepared his team for the district's highlight game Friday. "They have lost only two games — to Amarillo Tascosa and to Wichita Falls. They are 4-2-1 and that's a pretty good record."

"They are a real impressive team. Coach (Jimmie) Keeling has done a good job with them this year."

DIPPEL says the Mustangs have a tight defense and that the defensive game is what Coronado does best. And the team has the statistics to back up the claim.

Coronado leads the district in defense

for the season allowing opponents only 185 yards per game. In addition the Mustangs have allowed the fewest points to be scored against them at 55. Hereford's defense is second with 58.

"CORONADO has a well-balanced offense," said Dippel. "Their quarterback (Dale) Keeling throws well and has a good receiver in (Wendell) Brown, who is a running back catching out of the backfield."

"They have a well-drilled and disciplined football team that doesn't make many mistakes. They were down 16-0 last week against Snyder, but came back real well to force the tie."

Coronado's Keeling is second in the district passing department behind Hereford's Franklin Higgins. Both quarterbacks have similar statistics for the year.

Higgins has completed 27 of 51 for 363 yards and Keeling has completed 27 of 55 for 361 yards. Higgins has three TD passes and two interceptions and Keeling has four TD passes and three interceptions.

The Mustangs' Brown is third in the district in receiving with 10 catches for

106 yards. He follows Hereford's Dave Charest who has 14 receptions for 243 yards.

DIPPEL said he was pleased with the win over Plainview last week to keep Hereford's record clean 7-0, but was somewhat disappointed in the Herd's defensive showing.

"We didn't play near as well as we should have," said Dippel. "We also didn't move the ball well like we should have and were bad offensively in the second half."

"We were just not as well organized as we should have been."

However, Dippel said the Herd stayed in good shape injury-wise.

"We should have everyone in good shape for the Coronado game," he said.

The Mustangs and the Whitefaces have played two neutral teams for comparison. Coronado defeated Amarillo Palo Duro 28-6 three weeks after the Herd beat the Dons 37-7. Coronado also beat Plainview 21-0 one week before Hereford won over Plainview 28-16.

Both teams will have two district games remaining on the regular season schedule following this week's clash.

United Way Reaches 44 Per Cent Of Goal

The Deaf Smith County United Way Campaign reached 44 per cent of its \$50,925 goal by mid week when a total of \$22,190.74 was reported by workers.

Second report of the workers was held Tuesday and a final report is scheduled for 10 a.m. Friday in the Hereford Community Center. United Way officials had expected to finish the campaign by this weekend, but had reserved another week in case other reports are needed.

THE INCREASE in the report came mainly from the financial division and public division, headed by J. Pat Malone and Jake Webb. More than \$2,000 was turned in from each of the two divisions to bring the total to the 44 per cent mark.

United Way President Mike Patrick said Wednesday that officials would check Thursday into all areas that were not reported from in an attempt to cover all areas of the community.

"We are still very optimistic about reaching the goal," he said. "We have

quite a few areas that have not reported and we hope quite a few of the funds will come in by Friday."

THE REPORTS Tuesday morning brought totals in each of the divisions up. Totals reported were: Retail, \$2,586, Charles Skinner, chairman; Wholesale Services, \$2,356, Cleo Corlis, chairman; Professional, Insurance, etc., \$3,427.50, Tom Burdett, chairman; Financial, \$2,008.90, J. Pat Malone, chairman; Utilities, \$6,185.34, Mike Patrick, chairman; Agricultural, \$3,337, Wanda Hoover, chairman; and Public, \$2,290, Jake Webb, chairman.

General chairman of the local United Way is Lynton Allred. Publicity chairman is Mrs. Marc Hoelscher.

Nine local agencies are funded through the United Way including Camp Fire Girls, Boys Baseball, Boy Scouts, USO, Salvation Army, Red Cross, Children's Rehabilitation, Big Brothers and Big Sisters, and Council on Alcoholism.

Moving Toward The Goal

Charles Skinner, right, looks at the United Way goal sign with Al Martinez and David Mays, both members of the Hereford Boys Baseball program. The goal reached the \$20,000 mark

early this week. The baseball program is funded through the United Way. Al is the son of Mr. and Mrs. Alfonso Martinez and David is the son of Mr. and Mrs. L.V. Mays.

Branding Time

By Speedy Nieman

That feller on Tierra Blanca Creek says paying debts should be a pleasure to any honest man.

OLD MAN weather has been very cooperative with the harvest this fall, and farmers are hoping the trend continues. It's been a great harvest season, to date, on grain sorghums, corn and sugar beets. A report from Holly this week indicates the sugar beet harvest is about 50 per cent complete.

The latest concern, however, has not been the weather. It's the threat of a fuel shortage that has some farmers worried about getting through the harvest. A report on the situation can be found in today's Brand.

THE UNITED FUND campaign was going strong this week, but the contributions had only reached about halfway on the community's goal. Volunteer workers hope to "clean up" the drive and make all contacts in another week and, hopefully, reach the goal for the first time in several years.

Several campaign workers have not made their contacts yet. If you're not called on in the next few days, don't be bashful about asking a worker to pick up your contribution!

HEREFORD'S hustlin' Herd is 7-0 on the football season, but the team is "on the spot" now with three tough and challenging games to go. They'll need your support here Friday night when the Coronado Mustangs come to town!

Incidentally, there was an error on identification of a Whiteface griddler in action photos from the game at Plainview. No. 80 was Vance Hennington, a sophomore who was moved up for the game. With John Stoy injured, Vance was added to the squad for depth at the position. Big John is due back for action this week.

YOU HAVEN'T heard everything yet. Not until baby does her number with a new product now being advertised. StarTinkle is a new idea in potty chairs. Nothing happens, reads the ad, until baby wets, then baby's action starts a music box. How about that — a reward for baby and a signal to mother that baby has performed. Do you believe it?

Some banks are now issuing personalized checks that can have the picture of the depositor printed on them. One man took full advantage of this offer. He had a picture of his wife in her bikini printed on her new set of checks.

When he handed her the checkbook, she was furious. "I hate that picture with my bikini," she howled. "Do you think I'd cash one of those awful things?"

The husband merely walked off, whistling softly to himself.

Local Farmer Booster Of Sugar Beets

"I like sugarbeets because they are a good insurance crop against bad weather."

Those are the words of Carl King who is not only a beet grower but the president of the Texas Corn Growers Association and a vice president of Dimmitt Agri Industries, a corn milling processor.

King farms 1,200 acres 14 miles south of Hereford. He has 155 acres in sugarbeets which he grows along with corn, milo, wheat, cotton and some vegetables.

Holly Sugar Corporation agriculturists point to him as a good farmer and firm believer in scientific farming.

He uses the latest techniques in his four to five year crop rotation program. He's been a farmer for 30 years in Castro County and has been in sugarbeets ever since Holly started up its Hereford factory nine years ago.

"Beets have been the biggest cash crop as far as my economic status is concerned," King says, biting on his ever-present cigar for emphasis.

He dresses more like a country club golfer — which he is — than a farmer. His yellow golfing windbreaker covered a yellow and blue tattersall shirt tucked into a pair of pale blue slacks topped by a blue golfing cap.

All the time he spoke, he puffed on a cigar. And the more one listened, the more it became obvious that he was a big booster of sugarbeets — in spite of the other crops he raises.

AS A MAN with interest in many crops, he

said that he can't knock corn or milo but he sure could boost sugarbeets.

"Let's say I don't like to put all my eggs in one basket," he explained.

He said that beets were good insurance and that they recovered from hail damage that wiped out crops growing above ground.

"I've seen one year when if I didn't have beets, I wouldn't have had a crop to harvest. That's the reason why I've diversified," King explained.

He pointed out that beets also have added money value in that he pastures his tops as lamb and cattle feed.

HOLLY Agricultural Manager Bob Ginn estimates that beet tops have a value of \$80 an acre if properly cared for and included in a cattle fattening ration.

King also has a financial interest in Estacado Industries, a Dimmitt sheep feeding feedlot with 30,000 lambs on feed. He wants to use beet pulp as part of the ration because he has found it to be superior feed.

"I've never fed it to lambs before so I'm looking forward with enthusiasm to using it as a feed," King said.

He plans on taking advantage of a new program initiated by Holly whereby growers can buy beet pulp at 90 per cent of the market price and then turn around and sell it to a feedlot at the market price, pocketing the 10 per cent differential as profit.

"I think this is a good thing for the grower and a good program on Holly's part," he said.

HE ADMITTED that sometimes sugarbeets are expensive and time-consuming to grow. But he said that beets were now the top cash crop in the area.

"It used to be that cotton was the top cash crop. Then milo. Now it's beets," King explained.

With the pending fertilizer shortage looming in farmers' faces, King felt that sugarbeets would look good to farmers since the ground has enough nitrogen carryover to eliminate the necessity of additional fertilization.

He believes that people who have never farmed sugarbeets might want to look into it this year and give it a try because of the pending fertilizer shortage.

KING SPENT some time at Tech before going into the Navy in World War II. He went into farming when he was discharged from service and learned the business the hard way — manual labor instead of from books.

"I learned how to farm from a cousin who showed me the ropes, although I was raised on a farm in Hale County," he explained.

He believes that too many farmers don't keep management records, otherwise, more of them would be growing beets.

"Beets don't take as much water as people think. I used as little water on beets this year as I did on my corn," he said.

KING IS looking for higher yields with Holly's new HH-23 varieties and with in-

creased prices for sugar in the offing, he feels that sugarbeets will become competitive with other crops.

"We're now looking at a \$50 an acre increase for sugarbeets, based on 15.5 per cent average sugar content and 23 tons to the acre," King explained.

He thinks that the current feed grain shortage is good for sugarbeets as any farmer who has lived with a surplus knows that there will be another surplus. He said that one year without exports and there will be a surplus and that farmers will have to put money into growing beets.

"Rather than take a chance on surplus feed crops, I'd rather stick with beets year in and year out. I won't quit beets because of fear of a future surplus in feed grains," King said.

HE'S ALSO a strong believer in every farmer being interested in farm legislation and in fighting for their rights in the market place by legislation, along with the businessman.

"Getting farmers to work together is the hardest thing in the world to do," King sighed.

He was instrumental in pushing for the escalator clause in the present Farm Bill which ties in the cost of production with target prices. However, the clause doesn't take effect until 1975, or the last two years of the bill's life.

Marshall Formby To Visit Hereford Rotary Club

Rotary District Governor Marshall Formby, of Plainview, will make his annual visit to the Hereford Rotary Club.

holding a Club Assembly meeting on Sunday night, and speaking at the regular Rotary Club meeting Monday Noon.

He and his partner, Clint Formby, own radio stations at Hereford, Levelland and Temple, and Formby is a practicing attorney in Plainview. He is also a farmer and cattle feeder. He is married and has two teenage children, Frances and David. Formby took over as Governor of the 573rd Rotary District, which includes 62 counties, on July 1st.

Smoking Seminar Planned Saturday At West Texas

The Top-O-Texas Lung Association and District PTA are jointly sponsoring a seminar for students Saturday concerning the adverse health effects of cigarette smoking.

The seminar will be held at West Texas State's Activities Center and will be attended by high school students throughout the Amarillo and Panhandle area.

The seminar will be held from 9 a.m. to 4 p.m. and will feature several speakers and films. The students attending the seminar are then in turn to return to their respective schools and do peer teaching among other students.

The Top-O-Texas Lung Association is the Panhandle area chapter of the American Lung Association of which Mrs.

Jewel Smith of Hereford is a director.

Dr. Myron Dees of WT will be the master of ceremonies at the seminar, which is to feature several expert speakers concerning the adverse effects of smoking on the body. Lectures will deal with "Why People Smoke," "The Health Consequences of Smoking," and films concerning other areas in which to combat smoking.

T-E LIQUID FEED SUPPLEMENT
TAYLOR EVANS FARM STORE
Hereford, Texas

Get with the program... the T-E Liquid Feed Supplement Program

We formulated our special **T-E Liquid Wheat Pasture Supplement 16** to hold down consumption

so they'll eat just enough of it to fight wheat pasture poisoning.

It's high in magnesium — to help prevent wheat pasture poisoning due to grass tetany. Low in protein — just enough to regulate consumption. And this special wheat pasture formula has all the vitamins and sequestered trace minerals needed for good health, and sugar and carbohydrates for energy. Like all the products from T-E's complete liquid feed supplement program, T-E Liquid Wheat Pasture Supplement 16 is self-rationing, convenient, labor-saving and economical.

Funeral Service For Mrs. Battey Held In Bovina

Funeral services for Mrs. Lloyd A. Battey, 72, of 515 Star, were conducted Tuesday afternoon in First United Methodist Church of Bovina, where she formerly resided.

The Rev. Howard Marcom, pastor, and Dr. Jordan Grooms, pastor of Hereford First UMC, officiated. Burial in Bovina Cemetery was directed by

Gilliland-Watson Funeral Home.

Mrs. Battey died Saturday afternoon at a hospital here. She had lived in Deaf Smith County since 1959, when she moved from Bovina. Born Jan. 16, 1901, at Hamilton, she was the former Corda Viola Sparks.

She married Lloyd A. Battey on Christmas Day of 1921 at Floydada. His death occurred in 1969.

Surviving are two sons, Keith of Hereford and Hurston of Abilene; a sister, Bertie Grissom of Hamilton; five brothers, Horton Sparks of Abilene, Atry Sparks of Floydada, Allan Sparks of Evant, William Sparks of St. Louis and Bill Sparks of Flint, Mich., and five grandchildren.

Rites For Aged Woman Conducted

The funeral of Mrs. Minnie Belle McDowell, 85, a resident of Westgate Unit at Kings Manor retirement home whose death occurred there Sunday morning, was conducted Wednesday afternoon in the Baptist Church at Bellview, N.M.

Officiating were the Rev. Milo Jurik, pastor, and the Rev. Wayne McLemore of Clovis. Burial was directed by Gilliland-Watson Funeral Home.

Mrs. McDowell was born June 27, 1888, in Tennessee and married A.F. McDowell in Nov. 1904, in that state. She came to Texas from New Mexico in 1929 and to Deaf Smith County in 1963 from Levelland.

Survivors include her husband, of Amarillo; a daughter, Mrs. H.F. Hultman of Bellview; a son, E.T. McDowell of Amarillo; eight grandchildren and 21 great-grandchildren.

Graveside Funeral Held For H. Hanson

Graveside funeral services were conducted in Rest Lawn Memorial Park Wednesday morning for Hewitt M. Hanson, who died in Carthage, Tex.

The Rev. Roger B. Knapp, pastor of First Presbyterian Church, officiated. Burial was directed by Gilliland-Watson Funeral Home.

Sister Of Hereford Man To Be Buried

Funeral services for Mrs. Gearhardt Koopman of Stanton, Neb., sister of Edgar Roe of Hereford, are scheduled for Friday in the Lutheran Church at Stanton. Burial will be in a cemetery there.

Mrs. Koopman died early Wednesday. Her survivors include her husband, a son, Charles, and several sisters and brothers.

Castro Officers Investigating Gunshot Death

Funeral arrangements were made at Calhoun Funeral Home in Corsicana for Jake Junior Ward, 48, who died of a gunshot wound early Sunday at his home seven miles south of Hereford. The incident was investigated by Castro County officers.

Ward, a farm laborer, was born May 3, 1925 and was a native Texan. He came to Castro County in 1960 from Plainview. He was a member of the Baptist Church.

Local arrangements were by Gilliland-Watson Funeral Home.

Missionaries To Speak In Church Of Nazarene

Rev. and Mrs. Lee Eby, missionaries to New Guinea, will speak in the Sunday morning service at 10 a.m. in the Church of the Nazarene, 16th and Blackfoot Streets.

Rev. and Mrs. Eby are on their second furlough since being appointed as missionaries in May, 1963, and are holding services in Nazarene Churches.

Rev. Eby received his A.B. degree in Religion at Trevecca Nazarene College, and his B.D.

degree in English Bible at Nazarene Theological Seminary. He also attended the Institute of Linguistics in Brisbane, Australia.

Prior to becoming a missionary, Rev. Eby served as pastor in Missouri and Texas.

Rev. and Mrs. Eby have two daughters, Lee Ann and Melanie, and two sons, Mark and Timothy. They plan to make their home in Kentucky during this furlough year.

For God So Loved The World

...usher in the season of Thanksgiving. The time when white frosts and flaky snows cover the earth. Isaiah 35 speaks of this mirage, but we know the Lord reigneth, and the parched ground shall become a pool as He said. Then, since all must come to judgment and be rewarded according to his personal behavior; and since eternity is so very long ... it is urgent that we approach, with much concern, our rendezvous with death. There is no variability in God's cause nor in His justice. Support His church regularly and worship God every day.

**You In The Church
The Church In You**
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

FARM NEWS

Feed Yard Purchase Completed

Deaf Smith Feedyards, Inc., Hereford, announced that it has completed its purchase of all of the capital stock of XIT Feed Yards, Inc., Dalhart, Texas. XIT owns and operates a custom cattle feedyard with a 30,000 head capacity near Dalhart. The acquisition brings the combined cattle feeding capacity of Deaf Smith and XIT to 65,000 head. Ernest G. Latta, as Director of Cattle Operations, will assume overall management responsibilities for both Deaf Smith and XIT. John Sublett, formerly assistant manager of Deaf Smith, will assume the manager's position at Deaf Smith. Deaf Smith Feedyards, Inc. is a wholly owned subsidiary of Southwestern Investment Company, Amarillo, Texas.

Summerfield Fertilizer Honored For Outstanding Area Service

Summerfield Fertilizer has been recognized by Agrico Chemical Co. as an outstanding marketer of fertilizers to farmers of this area, it was announced Tuesday by Jack Cooley, account manager for Agrico in West Texas. Cooley presented a framed certificate to the firm Tuesday. Owners Rex Lee and Bobby Owen accepted the award, as well as an electric clock, from Agrico. The "excellence in marketing" award recognized the firm for fostering improved

plant nutrition and soil fertility and for rendering outstanding service to customers and community. Summerfield Fertilizer operates four facilities — located at Hereford, Summerfield, Westway and Pioneer. The firm carries a full line of fertilizer products, and offers other products and associated services. Agrico presently markets its products in 39 states through approximately 10,000 retail merchants. Summerfield is one of the company's larger ac-

counts and was one of about three dozen firms to receive the marketing award.

Weather Is Still Tough Competitor

Weather still holds the upper hand in farm production. The National Cotton Council reports that, on the average, 75 percent of the variability in cotton yield is due to weather conditions regardless of any other factors.

It Figures

24 month enlistment plan
6 month delayed entry
\$326 a month... plus benefits

It adds up to a good deal. Now you can enlist for just 24 months. And, delay your entry into active service for up to six months. Then, 30-days paid vacation each year, job training, \$326.10 a month to start, plus those big Army extras like medical care, food, clothing and lodging. Even after you are discharged there are additional benefits — those that Army veterans get. That's a good deal.

Cotton Harvest Gets Off To A Fast Start

Cotton harvest activities are increasing daily and quality of the early harvested cotton has been excellent, according to Paul R. Dickson, in charge of the U.S.D.A. Cotton Classing Office in Lubbock. Due to the great increase in harvest activities, the seasonal classing office at Lamesa opened for business on Thursday and the Brownfield and Levelland offices will begin operations on Monday.

The U.S.D.A. offices at Lubbock and Lamesa classified samples from 16,500 bales during the week ending Friday. This brought the total for the season to 21,900. At this date last year, samples from only 1,000 bales of the 1972 crop had been classed. Grades of this early harvested cotton were excellent. Micronaire readings were excellent.

The daughter of Mr. and Mrs. J.R. Petty of Maybell, Colo., Anita is employed at the Hereford Brand as a key punch operator. She is pictured with her employer, Speedy Nieman.

Kiwanians View Film

"To Touch a Child", a film demonstrating the possibilities of utilizing existing public school buildings for community programs, was presented to the Whiteface Kiwanis Club Friday morning by Bill Albright, Executive Vice President of the

Deaf Smith County Chamber of Commerce. The program followed the Kiwanis theme for 1973 of community involvement, "SHARE YOUR LIFE". The first letter of the words service, home, association, recreation and exploration combine to form the word "SHARE", the first word of the theme, "SHARE YOUR LIFE."

The purpose of Kiwanis can be partially described by the words of one Kiwanian who said, "I can measure my worth in terms of how much more I have than I need — or in terms of how much I share with those who need me. To share my gold is easy."

"To share my experience, my knowledge, my waking hours, and my love demands more, for when I share the richness of these, I share my life."

Beasleys Hosts

To New Grandson

First visit of a new grandson with Mr. and Mrs. Howard Beasley was an occasion of this week when the baby and his parents, Mr. and Mrs. Gary Garner of Detroit, Mich., spent a few days here.

Mrs. Garner is the former Brenda Beasley of Hereford. Her son's name is Brent.

Realtors Seek Legislation

Gene Campbell, president of the Hereford Board of Realtors, this week joined the 1,600 real estate board presidents across the nation, in calling on Congress to enact legislation designed to direct money into mortgage lending institutions so that the current mortgage money crunch will be solved. "Much attention will be given to our concern for the home loan situation as it exists now in the Nov. 9-15 Washington, D.C., National Association of Realtors convention," Campbell said. "Our N.A.R. president, J.D. Sawyer of Middletown, Ohio, is directing an immense petition program among our members which will be presented to the US Senators and Representatives in Washington in the hope of bringing to bear the seriousness of the money problem to the welfare of the real estate industry."

tax exclusion on the first ten thousand dollars deposited by savers with mortgage lending institutions.

"We think also the new methods of fiscal control, such as removing government competition for investment dollars by increasing higher minimum denominations for Treasury obligations, encouraging corporations from issuing low-denominations securities, and a dual prime rate to differentiate between residential lending and commercial or corporate lending."

The final point that will be stressed in the petitions to Congress on the behalf of the real estate industry will be "the strengthening of the secondary conventional mortgage money," Campbell said. "The present mortgage money crisis touches most people in our mobile society, and for buyers, it has meant down payment costs from 10 per cent to 20 per cent, meaning that many individuals are not able to buy much-needed housing. Low-income people are especially hurt; they simply cannot buy a new home. Those who try to sell, cannot, on the other hand, find buyers able to negotiate the money crunch. We hope Congress will respond to our nationwide petitioning."

President Sawyer's program underlines a five-point plan which calls for: first, that the government act to maintain differentiation of interest rates paid to depositors in mortgage lending institutions and commercial banks to encourage savings that would supply cash for home loans. Another point is to ask for an expansion of the Federal Home Loan Bank's access to inexpensive funds so that mortgage lenders can supply mortgage loans at more reasonable interest rates. "The petition will also emphasize our interest in finding new ways to stimulate and increase the flow of private mortgage money into housing, such as tax credits for commercial banks, pension funds and insurance companies for funds invested in housing; and

Deaf Smith Has Five Local Government Units

More Women Work

Does Deaf Smith County have more or fewer governmental agencies, for its size, than other communities?

How many of these administrative bodies, with power to pass rules and regulations affecting local residents, are there in the county?

A comparison of the local governmental structure with that found in other sections of the country, is made possible through a report on the subject, recently released by the Department of Commerce. It is called "Governmental Organization."

The data for it was gathered from all parts of the country in connection with the 1972 Census of Governments. The findings

Symington and McGovern ask defense cuts.

indicate that, in many areas, community affairs are being directed less and less by county, municipal and township governments and more and more by autonomous or semi-autonomous sub-divisions.

Increasingly, the controls are being delegated to school districts and to special districts with responsibilities over toll roads, bridges, water supply, fire and flood control, public housing and the like.

In Deaf Smith County, the report shows, there are now some 5 units of government in operation, 4 of them with property taxing power.

They consist of one municipal government, no township governments, 2 independent school districts, one special district and the county government itself.

The number is exactly the same as was tabulated in 1967, when the previous Census of Governments was taken.

By the way of comparison, there was a reduction of 3.7 per cent nationally in the number of local governments in the five-year period.

From the standpoint of population, Deaf Smith County is listed as having one agency of government for every 3,800 local people. The average elsewhere in the nation is one for every 2,676 and, in the State of Texas, one for 3,090.

In many communities, the figures indicate, the trend is toward a streamlining of the governmental process. Nationally, the number of local governmental agencies dropped from 81,299 to 78,268 in the five years.

Maybe it's because of the Women's Movement. Maybe it's the result of spiraling prices. But, whatever the reason, more women than ever before are working outside the home.

Figures compiled from the last national census in 1970 indicate that 40 out of every 100 wives are in the labor force, as compared with 25 out of 100 wives who were employed in 1950.

Women's earnings, constitute an increasingly important part of total family income and should be a major consideration in planning a family's financial program. For, whether a woman works for personal fulfillment or from economic necessity, chances are that her salary has become an expected source of family income that would be sorely missed should it be cut off by illness or death.

Herd Drops In Rankings

Hereford Moves To No. 43 In State Poll

The Hereford Whitefaces dropped three positions in the Harris Poll state ratings despite a 28-16 victory over the Plainview Bulldogs to retain their undefeated, untied season record.

The Herd remained as only one of 11 undefeated AAAA teams in the state this week as they go into their game against Lubbock Coronado as a four-point favorite.

Hereford, which had moved up to No. 40 in the state, was rated number 43 this week as Coronado held the Number 68

position. Hereford's power rating was set at 137.6 for the third consecutive week while Coronado is set at 133.6.

Coronado moved up one notch after the Mustangs tied Snyder 16-16. Snyder dropped one place from 77 last week to 78 this week.

Monterey moved up two from 50th last week to 48 this week as Lubbock moved up one place to 74th after losing to Monterey.

Plainview moved up seven places from 187th last week to 180 this week.

The 11 undefeated AAAA

teams in the state before this Friday's game include Hereford, Arlington Sam Houston, Arlington Lamar, Beaumont South Park, Brazoswood, Brazosport, Conroe, El Paso, Austin, Richardson, San Angelo Central, and Tyler John Tyler.

Below are area listings of the Harris rankings and power ratings. The power ratings determine the favorites for games by taking the lower power rating from the larger one.

AAAA	Rank	Power Rating	Team	Rank	Power Rating
1. Conroe	159.9	113.4	30. Seagraves	102.8	
2. San Angelo	155.7	111.1	36. Hart	101.2	
3. Brazoswood	150.9	110.8	37. Clarendon	101.0	
4. Odessa Permian	148.8	110.7	52. Sunray	97.4	
5. Galena Park	147.3	110.0	125. Anton	84.7

			107. Sands	40.2	

Charest Wins FB Contest

Melvin Charest, 123 Hickory, was the winner of last week's Brand Football Contest when he missed only four games of the 20 in the contest.

Charest wins \$20 for his accuracy. He was the only contestant who missed only four games.

Herd Players Hold Stat Leads

James Harris Leads Four Stat Columns

The Hereford Whitefaces, who allowed Plainview a considerable margin in statistics other than the score last Friday night, dropped in many team statistics in the District this week while some individual players retained their leads.

Hereford continued to lead in offense for the season, but lost the district offense lead to Monterey. The Herd is averaging 266 yards per game for the season and 226 yards per

district game. Monterey averages 229 yards per game for the season and 290 per game in district action.

Coronado leads the district in defense for the season and Snyder leads defense for district action. Hereford allowed Plainview to amass considerable yardage in the second half last week and now has an average of allowing opponents 270 yards per game.

However, in fewest points allowed by opponents Coronado leads with 55 for the season as Hereford closely follows with 58. Monterey has allowed 79 points, Lubbock 89, Snyder 114 and Plainview 166.

Hereford's James Harris continued to lead the district in four separate columns. He holds the scoring lead with 68 points (11 TD's, 2 pat), the rushing lead with 679 yards in 104 carries, total offense lead (rushing and passing) and tandem offense lead (rushing and receiving).

Harris presently is averaging 99.3 yards per game rushing and receiving.

Five FB Games Set

Five football games involving Hereford teams are scheduled to be played in action today. Three of the games are in Hereford and two are away.

The Junior Varsity Longhorns are scheduled to take on Lubbock Coronado JV in a 4 p.m. game here.

Stanton 8th is scheduled for a 4 p.m. game in Canyon and the Stanton 9th is set for a 4 p.m. game in Borger.

Both La Plata 8th and La Plata 9th play in Hereford with the 8th playing at 4 p.m. against Canyon and the 9th playing at 6 p.m. against Dumas.

Herd quarterback Franklin Higgins also continued his grasp on the district's top passing spot as he has passed for 363 yards and three touchdowns with only two interceptions.

Dave Charest, Herd wingback, is still the leading receiver in the district with 243 yards on 14 receptions.

Following is a summary of part of the official district statistics as compiled by Walt McAlexander of the Lubbock Avalanche-Journal.

TEAM	R	P	Tot	Avg
Hereford	1432	439	1871	266.0

Boxers Place Well In Canyon Matches

The Hereford Boxing Club traveled to Muleshoe with victory on their minds Saturday night and came home with eight wins and three losses.

The contests were between boxers of the two clubs only, as the Plainview club arrived too late to match.

Caesar Castro (7 years old and 51 pounds) decided Kenneth Williams to capture his first victory this season. Cypriano Ramirez (7-63) lost his first fight of his boxing

career to Cecil Chavez by a TKO in the third round.

Ruben Ramirez (8-58), fighting for the first time lost on a TKO in the second round to Albert Ontivaras.

Fabian Ruiz (10-64) won by a decision over Johnny Campos.

Barry Jackson (11-75) lost a squeaker on a decision to Jerry Reyna.

Danny Hernandez (11-79) got the judges' nod over Reynaldo Rojas.

Decisions were also captured by:

Hector Guerrero (12-81) over Leslie White; Vincent Guerrero (13-89) over Joe Flores; Frank Celaya (14-121) over Alonso Ontivaras; Eddie DeLeon (13-147) over Joe Louis Rodriguez; and Raymond De La Cerda (16-146) over Joe Rojas.

To make the night complete with a 12 match card Glen Griego (13-106) and Juan Ruiz (16-113) fought an exhibition

fight. The judges gave Griego the nod by a point score of 60-59.

The Muleshoe meeting was the fourth outing for the Hereford Club. The season's percentage of wins for the club now has climbed to 45 per cent.

The club is scheduled to travel to Canyon this Saturday night, but there was some doubt as to whether or not the meeting would take place. The next matches after that are scheduled in Hereford for November 16.

Don Richards

Ballyhoo, Hoopla and Baloney

An Amarillo sports writer found freedom of the press not quite so free last week.

Dave Densmore, Amarillo Globe-News sports editor who has covered West Texas football since 1968 and who rides on the plane with the Buffalo team to each out-of-town game, wrote a column last Thursday heavily criticizing Buffalo Coach Gene Mayfield and WT's poor 2-5 season record.

Last Saturday he found himself without a seat on the plane to the Wichita State game.

According to reports, the players, after reading Densmore's column, voted not to allow the sports writer to travel with the team on road trips for the remainder of the season. Densmore said in his column that the "Year of the Buffalo" is fast becoming the "Year of the Buffalo Hide." The writer praised Mayfield as a fine high school football coach, but questioned the qualifications of Mayfield concerning college coaching.

DENSMORE is a good writer and has done a good job covering WT sports. I don't question his "right" to write a criticizing column because I reserve that right myself.

However, I do question the main point on which Densmore chose to criticize Mayfield.

Densmore said Mayfield's overriding mistake was in allowing the press to overrate his (Mayfield's) talents at WT. "Any other problems can be traced directly to that one critical mistake," the sports writer said in the controversial column. "Mayfield, despite some meager initial protests, went along with the ballyhoo, hoping his team could live up to expectations and, at the same time, hoping to put some paying customers into Kimbrough Stadium . . . Now he (Mayfield) is reaping the fruits of that error."

I can't go along with all of that.

I can't go along with Densmore's statement that Mayfield "allowed the press" to overrate the Buffaloes. That sounds like a good excuse to readers in an attempt to take any of the blame off the paper, and the writer.

I DON'T think there is any question that all the pre-season "hoopla" did in fact build up fan expectation far

beyond a level the Buffaloes were able to reach. However, most of the fan over-expectation reached the level it did because of the news stories written about the team.

PEOPLE don't many times try to discourage the press from giving them publicity. If Mayfield had really made an effort to discourage sports writers at the first of the season, then Densmore might now be writing a column about how "uncooperative Mayfield has been this year when he really needs the good publicity."

Most of the stories that have appeared in the Amarillo paper about the Buffaloes have been written by Densmore. He has been covering the team for five years — longer than Mayfield has been the coach there.

Why didn't he inform his readers of all the "hoopla" at the first of the season instead of waiting until now. That way he could have stopped all that over-expectation of the fans and saved a lot of high hopes . . . and himself a plane seat.

MINI-FACTS — One of the reasons the Herd is 7-0 this season is because of the really few mistakes they have made. . . To this point Hereford leads the district in the fewest number of fumbles lost . . . Hereford has lost only four and recovered 11 fumbles of opponents . . . Next closest is Monterey who has lost nine, Coronado 10, Lubbock 11, Plainview and Snyder 15.

Coronado, Hereford's opponent this week, has given up most of its opponent's scoring in the first period. . . However the Mustangs have allowed only 12 points to be scored on them in the second half this season. Hereford seems toughest in the second period as the Plainview field goal last-Friday was the only points scored in the second quarter against the Herd this season.

Lubbock High Coach Tommy Stone had the best quote of the week when he noticed in district statistics that the top five tacklers were all from Lubbock High. "The best tacklers in the district at Lubbock High are all defensive secondary players for us . . . What does that tell you?"

Woes Of A Lineman

If a union for collegiate football lineman was started tomorrow, Texas Tech's Dennis Allen would be one of the first to join and become a card-carrying member. Dennis, you

In his *Historia*, written in 1072, Adam of Bremen mentions the Scandinavian colonies in America, 420 years before Columbus.

SPORTS SHORTS

The fastest tennis service ever measured was that of United Kingdom's Michael Sangster. In June, 1963, he hit the ball 154 miles per hour!

The safest way to open a tennis ball can that has a ring top opener is to (1) dry your hands so that wet fingers don't slip when you pull the opening ring; (2) don't yank off the top, but lift the ring straight up and peel the lid back slowly; and (3) don't reach into the can to pull out the first ball. Shake it out.

see, figures the rugged members of the chosen craft deserve more recognition.

"There's no publicity in the offensive line," says Allen, who knew the glory of the backfield in high school when he rushed for 936 yards and scored 36 points from the fullback spot as a senior.

"On the line you can pancake a guy, make him look like he's on roller skates and knock him 15 yards backward and unless it's a really knowledgeable fan looking at you through binoculars, he'll never know," adds the 6-1, 240-pound Red Raider strong guard.

Dennis, an amiable redhead, says he can understand the situation even if he doesn't always like it.

"You can't make a headline writing about a center," admits the two-year starter from Dallas White. "If linemen drew crowds, they'd talk about linemen. The fans want to know about players like Joe Barnes and George Smith."

A top student who actually considers himself more an intellectual than a football player, Allen says the praise of the knowledgeable fan and Tech offensive line coach John Conley are good enough for him.

"I feel like I've pleased my dad when I do well for Coach Conley," says Dennis. "He brings the best out of all of us. Even when Coach Conley is running us in sprints, he'll stand there and cheer and pull for us."

An assistant coach at Texas Tech since 1961, Conley reciprocates the praise. He says Allen has had outstanding

games against both Oklahoma State and Texas A&M.

"I think he's played better the last two weeks than I've ever seen him," says Conley. "He's averaged over 80 per cent. He's getting where he gets lower and gets his pads down lower. He comes off the ball so well that people have always tried to get underneath him."

An accomplished musician who was offered a musical scholarship as well as football scholarships his senior year in high school, Allen plays the cello, guitar, banjo, bass fiddle, and piano and says he "dabbles" with the violin and flute. If he had had the voice, he would have become a professional singer.

Currently, however, he's making his own kind of music on the football field and Texas Tech's coaches like the sound of it.

Texas Coast Yields Fish Records

The Texas Coast yielded two more Texas record fish recently — a 136-pound blacktip shark and a 41 1/2-pound barracuda.

The shark was caught off Port Isabel by 15-year-old Robert A.

Cline of Harlingen fishing from a charter boat. The fish was 6 feet, 8 1/4 inches long and had a 35 1/2-inch girth. Cline has the first blacktip ever recorded in Texas.

The new barracuda record is now held by Mrs. Hunter Barrett of Fort Worth. Mrs. Barrett caught it while fishing 42 miles east southeast of Port Aransas.

The barracuda was five feet, two inches long and had a 21 1/2-inch girth.

The old barracuda record was held by Tom Stahl who caught his 36-pound fish

MICROWAVE OVEN Demonstration

Let us answer all your questions about Microwave Cooking...

EVERYONE IS INVITED Saturday, November 3

SESSIONS AT

11-12 - 1-2 - 3-4

Get more out of cooking—more time for living.

Litton's new world of microwave cooking is a bright new world. Where gourmet treats can be cooked quickly in cool comfort — with maximum convenience and minimum cleanup.

New Litton Micromatic™ microwave range: The ultimate

Who else but Litton would combine the best of both worlds: the speed of the most advanced microwave oven — you save 75% of your cooking time and yet have the versatility of conventional cooking.

Start your gourmet meals to a quick finish in the eye-level microwave oven, cook complementary foods in the continuous-clean electric oven... fun foods on the easy-to-clean smooth ceramic cooktop.

Microwave cooking comes of age with the Litton Minutemaster countertop microwave ovens

So advanced they'll handle most all of your cooking by themselves. Litton countertop ovens deliver microwave speed, large capacity and yet they'll fit almost anywhere in your kitchen — anywhere in your home.

With such exclusive features as the exclusive Micro-Browner™ steak grill that sears, browns, grills and fries. Plus automatic defrost, and a bright easy-clean acrylic interior.

Remember, too, microwave cooking seals in good taste.

Litton provides more in the most advanced cooking appliances today — for the many cooks in you.

Come in for a demonstration of the difference Litton makes.

DEMONSTRATION TIMES 10:00 TILL 4:00, SAT.

LITTON
Litton Microwave Ranges
Nobody knows more about microwave cooking than Litton. Nobody.

News From Austin

Federal Government Picks Up Welfare

By — Bill Boykin
Texas Press Association
Some 230,000 aged, blind and

disabled receiving state aid are being notified they will get final welfare checks from the State Welfare Department in December.

The federal government assumes responsibility for their assistance January 1, under the new Supplemental Security Income (SSI) program administered by the Social Security Administration.

Medical and social services and food stamps for eligible persons will remain the responsibility of the state welfare agency.

The elderly who get Social

Security checks will continue to receive them along with a second check from SSI if they qualify under the federal program.

Most recipients will get higher assistance payments under SSI. Some, however, will receive less. Residents of nursing homes or institutions will remain eligible for medical assistance.

The State Welfare Department will continue to furnish the needy with glasses, dentures, hearing aids, prescribed drugs, medical services and food stamps if they qualify.

Eighty-four per cent will receive more money; two per cent will lose assistance altogether; reductions can be expected by nine per cent and five per cent will get about the same amount.

In most cases of loss or reduction, benefits will be compensated through state-administered social services programs like foster care for the aged and homemaker and chore services enabling people to remain in their own homes rather than enter nursing homes.

SSI recipients can get food stamps if their amount of benefits is not greater than the amount of welfare grants added to the amount of the food stamp bonus coupons they are eligible for in December.

MARIJUANA CASES TO GET REVIEW

Gov. Dolph Briscoe said he will seek a case-by-case review of some 800 persons serving prison time for possession of marijuana.

Briscoe promised a policy statement when the Court of Criminal Appeals finalizes its

ruling that resentencing provisions of a new drug law which sought to permit sentences of present inmates to be shortened. The new law lowers first offense marijuana possession penalties to a misdemeanor.

The Governor indicated he will ask the Board of Pardons and Paroles to make recommendations to him in each case for possible pardon or executive clemency. Preference will go to first offenders sentenced for possession of small amounts of marijuana.

Meanwhile, Briscoe differed with some of his top supporters on priority for distribution of funds from his big October 30 fund-raising dinner. Dinner co-chairman Joe Kilgore said the "first commitment" on the expected \$750,000 or more will be to Briscoe's 1974 re-election campaign. Briscoe said he is not yet a candidate, and his idea of first priority financially is retiring the deficit from his two prior campaigns (which once ran as high as \$800,000).

RURAL DEVELOPMENT

A Governor's Conference on Rural Development heard calls to join in promoting increased employment and economic expansion in declining small communities.

Waco Congressman Bob Poage said it is cheaper to revitalize the rural areas than to prevent deterioration of sagging major cities.

Governor Briscoe said he can't reverse migration to cities, but he wants to offer Texans "a wider range of choices of where they live and work."

Agriculture Commissioner John C. White urged a statewide program to finance family farm agriculture and rural recreation facilities.

COURTS SPEAK

A Cameron County youngster whose parents live in Matamoros, Mexico, is entitled to attend Brownsville public schools since he lives there with a legal guardian, the State Supreme Court held.

The Court of Criminal Appeals reversed and remanded the convictions of two Dallas men for the killing of three deputy sheriffs in 1971 due to improper prosecution arguments to the jury about "open season" on police officers.

Let's Cook

Active Life Is Choice For Work Or Recreation

By SUE COLEMAN
Women's Editor

ZEST FOR living, and living actively, is evident in Mrs. Henry Kuper's conversation although she has a relaxed attitude as she sits in the comfortable living room of her farm home at the west edge of Summerfield.

That home has been built onto twice and remodeled often since she moved into it in 1945, and she has taken a hand in the remodeling such as the addition last year of a huge corner fireplace which she designed and helped her husband build.

Admitting that she'd rather work outdoors than in, she does her share of the farm work, drives a truck or a tractor when a driver is needed and says she can operate most of the machinery used in growing or harvesting crops on the Kuper place.

TIME is spent also in the more usual "women's work" on the farm, errands to help keep the machinery running, taking meals to the fields while crews are at work, as well as assistance in the ever-present paper work of farm record keeping.

For recreation she plunges into more activity. The Kupers enjoy square dancing and have completed a term as vice president of Merry Mixers Club here.

Emma Kuper has lately shared her pleasure in the old-time dances by teaching them to a group of Campfire Girls.

When the slack season in farm work comes, Mr. and Mrs. Kuper like to travel. Longer trips have taken them to Acapulco and Hawaii, and now they hope plans will work out for a tour of Spain.

SINCE their children are all grown and in homes of their own the couple can take such trips, but the family kept Mrs. Kuper busy as long as there were children in school.

There are three daughters and three sons in the family, all living near enough that the Kupers have plenty of opportunity to enjoy their 11 grandchildren.

Living in Hereford are Carolyn, Mrs. Alan Evers, and Lynda, Mrs. Nick Milburn, while the third daughter, Dolores Fleming, is no farther than Guymon, Okla.

The youngest son, Larry, and his wife live at Summerfield, Marvin at Dalhart and Johnny at Stratford.

MRS. KUPER was Emma Acker before her marriage, and grew up at Nazareth. After she completed high school studies she was employed two years at the Star Theater here before her marriage.

"That was during World War II," she explains, "and I was the theater projectionist not because I wanted a man's job but because men employees were mighty hard to find then."

She went to the farm as a bride, living in the house that had been the old Summerfield post office. It is still the basis of the rambling ranch-style home that has grown with additions, and is surrounded with green lawn, shrubs and trees now.

"We've moved walls more than once," Mrs. Kuper laughs, "when we wanted more space here or less there. To make room for the fireplace we had to take a wall out, and we've rearranged the house several times to take care of changes in the family's needs."

A MEMBER of St. Anthony's Catholic Church, Mrs. Kuper is in the Women's Organization and sings in the church choir. She insists that her singing

Guests Present

For Club Lesson

Eight guests were present at Sweet and Fancy Decorating Club's recent meeting, when Mrs. Dale Henson and Mrs. Lynn Pittard demonstrated basics of cake decoration.

The guests were Meses. Dick Oaks, Charles Watkins, Wayne Walker, Hector Villarreal, Mark Koenig, T.E. Brisendine, Gerald Sledge and George Stringer.

talent is not extraordinary, but her flair for music is reflected in her children's interest. For a while they had a family band. Mrs. Evers teaches piano and organ and is a church organist and Larry was known in high school and college for his singing voice.

Even though she prefers outdoor activity, Emma Kuper enjoys housekeeping, sewing and "dabbling at painting." She disclaims any skill at gourmet cookery, but likes to cook the substantial food that is traditional in farm families.

An old favorite dessert is made with this recipe:

BAKED CUSTARD

1 qt. milk

6 eggs
1/4 tsp. salt
1/2 tsp. vanilla
1/2 cup sugar

Scald milk; beat eggs slightly and add sugar and salt. Slowly add hot milk to egg mixture, then add vanilla. Pour into custard cups and set cups in pan of hot water. Sprinkle top with nutmeg.

Bake at 300 degrees 30 minutes or until firm. Test by running a table knife through the custard; if it comes out clean custard is done.

The mixture may be baked in one large pan, set on a rack in a larger pan of hot water. It takes from 45 minutes to an hour to bake this way. Baking too long makes custard watery.

Mrs. Henry Kuper
... she helped build stone fireplace

Our Frank Advice to Young People on a Tight Budget:

Stick to your budget! Don't overspend—not even for your Diamond rings. And we want you to know this:

If we are proud to sell a Diamond set to you—you can be proud to wear it—regardless of price.

We are reliable jewelers who will give you the best advice, the best value, and the best guarantee—regardless of how much money you'll spend.

So, make your dream come true! We'll sell you a beautiful Diamond set well within your budget!

Talent Is Topic Of Luncheon Talk

Without prior arrangement, the speaker's topic was reinforced by a fund-raising project of Deaf Smith County Federation of Women's Clubs at its fall luncheon in Community Center Monday noon.

Dr. Jordan Grooms, pastor of First United Methodist Church, speaking on the development of talents used for illustration a table filled with items created by Federation members and brought for sale to benefit the treasury.

The speaker based his talk on the book, *Nurture By Love*, by a Japanese educator who has had surprising success in teaching violin to pre-school children. The writer's theory is that talent is not inborn, but developed by training.

Talent and superior ability can be created by concentration

and practice, the book says, but everyone must actually train himself with patience, energy and joy. Dr. Grooms pointed to the sale items as examples of creative talent in various fields, developed by the women present.

Mrs. Guy Walser headed the committee in charge of the sale. Mrs. Ralph McCullough was at the registry table and Mrs. Jim Bookout, program chairman, introduced the speaker and a vocal soloist, Buddy Rowland, who entertained with two songs.

Mrs. L.H. Lookingbill conducted business, appointing a committee with Mrs. O.G. Hill Sr. as chairman to choose a new name for the County Federation since members have decided that it will not be affiliated with the Texas Federation of Women's Clubs in the future.

BSP To Host Dance Saturday

122 Guests Come For OES Supper

A Harvest Dance sponsored by Alpha Iota Mu Chapter of Beta Sigma Phi to benefit its project of aid to Girlstown, will be held Saturday from 9 p.m. until 1 a.m. at the Elks Lodge.

The Young Country Sounds will be the featured band. Tickets will be on sale at five dollars for couples and 3 dollars for singles.

Tickets may be purchased from any member of the Chapter or by telephone to 364-0857 after 1 p.m. Proceeds from the dance will go to Girlstown residents.

Mike Mansfield, Democratic Leader: "Too much has been spent on too many exotic weapons."

Hosts to 122 visitors from 21 Order of Eastern Star chapters, members of the Hereford chapter served a salad supper in the Masonic Hall for their annual Friendship Night observance Saturday.

The guests, welcomed by Mrs. Vernon Darden and J.B. Noland, worthy matron and patron, included 36 grand officers and appointees.

Among them were Myrtle Moore of Lovington, N.M., past grand matron of New Mexico; Mrs. Don Teague of Plainview, deputy grand matron for District 2, Section 3, of Texas, and Mrs. Glen Dowlen of Canyon, organist of the Grand Chapter of Texas.

Music by the Bill Penn family of Canyon, former Hereford residents, and a humorous reading by Elva Thompson of

Carlsbad, N.M., made up the program. Mr. and Mrs. Penn and their children, Allison and Zeb, gave varied musical selections with voices and instruments.

The invocation was by Bernard Roberson, the benediction by Gene Brock.

Fall colors in chrysanthemums, leaves and Halloween symbols decorated the room, arranged under Mrs. Deward Roberson's direction. Mrs. Bill Hutson was supper chairman.

On the host committee were Mr. and Mrs. Muri Parker, Mr. and Mrs. Jack Nunley and Mrs. Roger Ruland.

House panel backs pension reform bill.

Vietnam veterans benefits are defended.

Book Review To Feature CWU Study

All women of this area are invited to a book review at 2 p.m. Friday in the Presbyterian Church, sponsored by Church Women United of Hereford in observance of World Community Day.

Mrs. J.D. Neill will present the review of *The Hiding Place*, the best-seller by Corrie Ten Boom, a Dutch woman whose religious faith enabled her to survive a German concentration camp during World War II, loss of friends and family members and other hardships.

The program will include music arranged by Mrs. Wesley Gulley. The theme is "Where In The World Is My Neighbor?"

This is part of a world-wide celebration of the special day, and church women in more than 2,000 communities will gather for study and meditation.

Calendar Of Events

**Jaycee-Ettes
 Have Party**

A costume party in First
 National Community Room was
 the October meeting of
 Hereford Jaycee-Ettes. In a
 vote on the most original
 costume, the award went to
 Mrs. Richard McCutchen,
 dressed as a baby.

Mrs. Bill Blackburn of
 Childress, state vice president
 of District I-A, was a guest.
 Mrs. Bill Johnson and Mrs.
 Stephen Carroll were hostesses
 and 12 members were present.

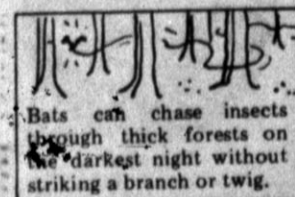

In travel during the month,
 Mmes. Ronnie Collier, John
 Bunch, Johnson and Carroll
 attended a sit-in-ben meeting at
 Perryton and won the travel
 trophy. The program was a
 discussion of national and
 statewide Jaycee programs.

**Costumes
 Win Prizes
 At Party**

Hereford Chapter of Young
 Homemakers of Texas honored
 their children Monday evening
 with a Halloween party at the
 Flame Room of Pioneer
 Natural Gas building.

Winning first place for the
 cutest costume was Kathy Neill,
 daughter of Mr. and Mrs. Floyd
 Neil. Second place went to
 Kimberly Edelman, daughter of
 Mr. and Mrs. Joe Don Edelman,
 and 14-month-old Trenton
 Edelman was recognized as the
 youngest child in costume.

Refreshments were served to
 Kelly, Kevin and John Kelley,
 Cynamin and Russell
 Brownlow, Dirk and Kirk
 Stallings, Heath and Chad
 Urbankzy, Kelly Hagar, Brian
 Wood, Gina and Rick Alley,
 Toby and D'Ann Hill, Jason
 Culpepper, Rusty Rayburn and
 Michael Berend.

Bats can chase insects
 through thick forests on
 the darkest night without
 striking a branch or twig.

THANKS!

...Our sincere Thanks to all of our customers for
 making us the leading furniture and appliance store in
 Hereford. This you have made possible in only 2 short
 years.

We have strived to offer you the best quality of
 merchandise for the lowest possible prices.

We extend a cordial invitation to all of you to help us
 celebrate our Second Big Anniversary.

Now is the time to buy and save more on every item
 in our store — all have been marked down for this
 special event.

Loren & Jean Barrick

GRACIAS!

Nuestras sinceras Gracias para todos nuestros
 clientes por hacernos la mejor tienda de muebles y
 aparatos en Hereford. Ustedes han hecho esto posible en
 solo 2 cortos años.

Nos hemos esforzado por ofrecerles mercancía de la
 mejor calidad y los precios mas baratos posibles.

Les extendemos una cordial invitación a todos
 ustedes para que celebren con nosotros nuestro Segundo
 Gran Aniversario.

Ahora es el tiempo para comprar y ahorrar mas en
 cada mueble y aparato en nuestra tienda — todos han
 sido rebajados en precio por este acontecimiento
 especial.

Rotarians Learn Of Armour

Hereford Rotarians Monday noon learned about Armour and Co., and its parent company, Greyhound, from guest speaker Tom Hamlett, general manager of the Hereford Armour plant. Hamlett described the operations of Armour and Greyhound and the decision to locate a plant in the Texas Panhandle.

"We are proud to be in Hereford and we hope Hereford is proud of us," he said.

Hamlett said Greyhound is the 31st largest company in the United States with 130 subsidiaries and is the world's largest leasing service.

"Greyhound has remained the world's largest inter-city bus lines and goes in all 48 continental states and Canada and Alaska," he said. "We carried more passengers than the airlines last year."

Hamlett outlined the products manufactured by Armour and Company, which include two major divisions, Armour Food and Armour-Dial.

Hamlett concluded his talks with a bit of wit to Rotary members: "You can't drive our buses but you can eat our meat."

Rotary President reminded members district governor Marshall Formby will be in Hereford Sunday night and will be the guest of the club Monday at noon.

Now Is Time To Plan For Garden

Now is the time to begin garden work for an abundance of winter and spring flowers, says Dr. William Welch, landscape horticulturist for the Texas Agricultural Extension Service.

"Most of Texas enjoys mild enough winter weather to develop a long-lasting and good quality crop of such favorites as pansies, snapdragons, calendulas, candytuft, lardspur, petunias and sweet peas," notes Welch.

When fall planted, these annuals usually bloom from three to six weeks earlier than spring planted ones.

"Occasionally, plants may be damaged by extreme temperature changes, prolonged low temperatures or high winds - but many gardeners consider it worth the risk," says the Texas A&M University System specialist.

For best results, Welch suggests preparing the soil several weeks before planting. This allows the soil to settle and chemical fertilizers to dilute so they will not burn tender seedlings. The flower beds should be raised enough to insure good drainage during prolonged wet periods.

"When starting plants from seed, the soil should be kept moist, particularly during the germination period," points out the horticulturist.

A light mulch of straw, hay, pine needles or similar material can be a big help in retaining moisture, preventing soil packing, and maintaining even moisture levels.

Welch suggests planting seed closer than for spring planting to insure a sufficient number of plants even if part of them are winter-killed. "A close stand of seedlings seems to have more chance of survival from winter cold."

Well-rotted manure is an excellent soil conditioner and fertilizer for gardens, says Welch. Chemical fertilizers offer no soil conditioning qualities. Peat moss, gin trash, compost and other organic matter are essential for successful gardening.

FHA NOTABLES—FHA officers and high point girl at La Plata Junior High School were named recently. From left, high point-winner, is Frankie Wells; seated is Tandy Walden, president; Sherrie Wells, point keeper; Ann Bradley, secretary-treasurer. Not shown is Lynette Andrews, vice-president.

Bride Honored With Showers Recently

One of several showers to compliment Judy Wilson, who will marry Bruce Sossaman today, was a lingerie shower in the home of Mr. and Mrs. Gerald McCathern.

Bell and Pam Kerr. Out-of-town guests was Helen Halton of Lubbock.

Hostesses were Mmes. Dennis Lomas, C.E. Leisure, Bill Waldrep, Ralph Mitchell,

Walter Lewis, Carl Alford, Paul Corbett, Ira Scott, Gerald McCathern, Billy Hopson, Dave Hopper, Raymond Paetzold, Joyce Lyons, Herbert Dones and Betty Pickens.

Hosting the informal get-together for 12 guests were school friends of Miss Wilson: Vickie Alford, Jackie Pickens, Kathy McCathern, Kim Wilson and Pam Adams.

At a miscellaneous shower in Pioneer Gas Flame Room Miss Wilson greeted guests with her mother, Mrs. Glen Wilson; her fiancée's mother, Mrs. Fred Stinson of Paducah; her grandmothers, Mmes. R.L. Wilson and Art Lewis, and Sossaman's sister, Mrs. John Rochelle.

At the register was Debbie Hale and serving were Kathy

Jack-o'-lanterns, black and orange streamers decorated the big barn at the Cansler ranch home, where games, refreshments and a horror movie supplied amusement during the evening.

A barn party with Halloween atmosphere entertained approximately 45 members of Mack Cansler's high school age class of First Baptist Church Saturday evening.

evening. A hayride was also part of the rural-flavored entertainment.

Hotdogs were prepared on an outdoor grill and each guest added trimmings to his own. Corn on the cob, popcorn balls and Cokes completed the refreshments.

Party sponsors with Mr. and Mrs. Cansler were Messrs. and Mmes. Lynn Cook, John Hays and Steve Graham.

Barn Is Scene Of Party With Halloween Motif

Small Talk
By SUE COLEMAN
Women's Editor

AFTER A stay in an Amarillo hospital for surgery, therapy and whatnot to mend a fractured hip, Bess Werner is back in Hereford—for the present in Deaf Smith County Hospital.

She says she's much better but complains that the injury is certainly slow to heal. Of course she doesn't want to be grounded several weeks, in fact she insisted at first that there was no need for her to go to a hospital at all.

When you're interested in doing as many things as Bess does, it's annoying to be sent to a hospital by a freak accident. But I'm sure she's happy to be back where friends can visit her often.

A LEADING role in Texas Tech Music Theatre's performance of the hit musical, The Most Happy Fella, will be sung by Sherry White of Hereford as Cleo in the 8:15 p.m. Friday and 2:30 Sunday afternoon showings in Lubbock Municipal Auditorium.

A half-page-wide photo of Sherry and the man playing opposite her, topped the first page of the Lubbock Avalanche-Journal's Sunday amusement section.

And of course it identified her as Miss Lubbock of 1973. And of course you know she is the Raymond Whites' daughter.

She will play the friend of the show's heroine, a mail-order bride in the California grape-growing country. Lead roles in the musical are double-cast, so

another singer will be Cleo in the Thursday and Saturday evening performances. At the special Sunday show, in conjunction with Dads' Day at Tech, a 20 per cent cut in ticket prices will be given Tech dads.

EARLY celebration of Gladys Miller's birthday brought family members here for weekend visiting and a Sunday dinner. Mr. and Mrs. Jed Miller came from Odessa and Gladys daughter, Mrs. Jerry Jacobs, from Canyon. They had dinner in the home of another daughter, Joy Dones, and her family.

Gladys visited at Canyon Monday, mostly with her great-grandson, Michael, son of Mr. and Mrs. Jerry Linick. The baby is two months old and very smart, Gladys says.

A DAUGHTER, Bonnie Jean, was born Oct. 24 in a San Angelo hospital to Mr. and Mrs. Ray Dierschke of Rowena. She weighed six and a half pounds and her mother is the former Sharon Bartels of Hereford.

Maternal grandparents are the Erwin Bartels and great-grandparents the John Bartels of Hereford.

A MARKET trip was made the first of this week by Helen Higgins of Helen's Youth Shop and Blanche Latham of Pants Cage Plus, who flew to Dallas Sunday morning and came back Tuesday.

A study session for gardeners, following a noon luncheon, closed an all-day meeting of the North Zone, District I, Texas Garden Clubs in the Music Stand Restaurant Tuesday.

Hereford Garden Club and Bud To Blossom Club of this city were hostess clubs for the annual session and Mrs. John N. Jacobsen Jr. of Hereford presided as zone chairman.

Seven clubs of the area sent delegates, and 49 registered. Dimmitt, Pampa, Phillips,

Zone Meet Held By Garden Clubs

Tulia and three Amarillo garden clubs were represented. Mrs. E.H. Boedeker of Lubbock, director of District I, was a special guest.

She reported on district business and on district and state conventions at the close of the morning business session. Mrs. W.H. Gentry of Bud To Blossom Club gave a demonstration-lecture, Table Talk, assisted by Mrs. Charles Skinner.

In the afternoon Mrs. B.C. Elliott spoke of Horticulture Know-How, Mrs. Joe Deason of Amarillo on Conservation, Mrs. James Malone of Pampa on Those Books and Mrs. O.G. Hill Sr. on Application For Awards.

After a registration and social hour, the business period was prefaced with the Gardeners Prayer led by Mrs. Ralph McCullough, a welcome to visitors voiced by Mrs. Bruce Brown and a response by Mrs. Myrtle Sheffy of Dimmitt.

Mrs. Jacobsen appointed to the resolutions committee, Mmes. L.B. Bailey of Phillips, Sid Sheffy of Dimmitt and Sybil Hewitt of Tulia.

CUBA INVASION
On June 10, 1898, U.S. Marines began the invasion of Cuba in the Spanish-American War.

At The Library

Account Of Mass Killings

The Mallen Girl and The Last Escape are two of the books being featured at the Deaf Smith County Library this week.

Filled with suspense and intrigue, The Mallen Girl is the story of the star-crossed Mallen family and their quick tempered daughter Barbara.

The Last Escape is the story of dedicated men and women that formed an underground mission — to organize the escape of men and women before World War II closed all borders and Europe's Jews faced Hitler's mass killing.

The library is open to the public on weekdays from 9 a.m. until 5 p.m. and Saturdays until noon.

THE MALLEEN GIRL

By Catherine Cookson
Although she lacks the streak of white hair that distinguishes the Mallen men, Barbara is a true Mallen-willful, hot tempered and impetuous. She is also alarmingly beautiful.

Yet despite this, as she enters her teens, she is the object of sympathy and concern, for she has become almost totally deaf.

Now the impoverished ward of her former governess, the indomitable Anna Brigmore, she finds it easy to use her affliction to get her own way.

When she falls in love with her first cousin and insists he return her affections, nothing — not even her mother's opposition, nor Miss Brigmore's misgivings, nor the renewed threat of incest-will stop her in her headlong pursuit of tragedy.

Against this dark tale of passion there unfolds the heartwarming story of the new owners of High Banks Hill, the

Benshams, who have hired Miss Brigmore to serve as governess to their daughter and to teach all of them culture and refinement.

Miss Brigmore's changing attitude toward the Benshams, from early scorn to grudging respect to warm affection, contributes to a surprising and gratifying conclusion for this engrossing tale of the star-crossed Mallen family.

THE LAST ESCAPE

By Ruth Kluger and Peggy Mann

In June 1939, Ruth Kluger — beautiful, resourceful, dedicated — became the tenth member of the underground Aliyah Bet. Their mission: to organize the escape of thousands of men, women and children before World War II closed all borders and Europe's Jews faced Hitler's "Final Solution" — Annihilation.

Ruth leaves her home in Tel Aviv for Bucharest, the "Paris of the Balkans", where a mindless populace is still caught up in the waltzes and whipped cream dreams of a dying age.

With the most meager resources she must bargain

with foreign shipowners whose decrepit vessels meant the last escape for a doomed people. She captivates an other worldly prince of the Church.

She wins over a mutinous band of derelict sailors. She meets with a king on a crumbling throne, the famous and infamous Carol of Rumania — in an unprecedented confrontation.

Adding to the turmoil of constant danger — of betrayal, arrest, even death — is her tempestuous relationship with Stefan Meta, a poignant and fateful romance.

This extraordinary story moves swiftly across the Balkans from Bucharest to Istanbul, a city seething with wartime intrigues — as Ruth struggles to keep open that last road to escape.

The "illegal immigration" from Europe to Palestine is one of the most dramatic episodes in the four thousand year history of the Jews. It is also the largest underground rescue operation of all time.

Here is the story of how it all started. The Last Escape has all the ingredients of a great novel — with one difference: It is True.

Starving Artist Show Dates Set

A Starving Artist show and sale was set for Nov. 9 and 10 in Sugarland Mall by Hereford Art Guild members, at their October meeting Tuesday evening in Community Center. This is an annual show of members' work.

It was decided to exhibit paintings unframed, for sale at a maximum price of \$15.

The Tuesday meeting had been postponed a week, to fall on the last Tuesday of the month rather than the usual fourth Tuesday. The program was presented by Zelma Selvage of Happy.

She demonstrated rub-out techniques, assisted by Joy Cox, another painter from Happy.

Yearbooks for the current season were distributed. Mrs. Joel Newman presided for business and welcomed Pam

Trotter and Jackie Tyler as new members.

Hostesses, Mmes. W.D. Askew, Hilrey Aven, Cecil Braly and Bruce Brown, served

refreshments to the program guests and 22 members, from a table centered with an attractive autumn flower arrangement.

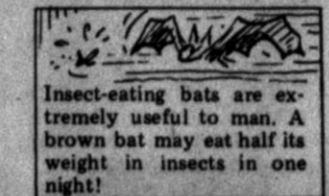

Flower Art Lesson Held

The old-fashioned art of pressing flowers was a topic for Junior Gardeners when they met Saturday at the home of Mrs. Ray Johnson, sponsor, in Summerfield. Each gathered blossoms, leaves and grasses and placed them in a large catalog to dry.

Miniature arrangements of already-dry flowers were made also. Mrs. Johnson demonstrated bulb planting and gave each member six tulip bulbs to plant at home for bloom next spring.

Junior Gardeners are a group

from Summerfield 4-H Club, sponsored by Hereford Garden Club. Present were Allen and Anetta Almanza, LeAnn and Renee Dobbs, Sandra, Debbie and Brenda Brown, Kelly, Barbara and Stephanie Foster; also Mrs. James Dobbs and Mrs. Neal Foster.

Insect-eating bats are extremely useful to man. A brown bat may eat half its weight in insects in one night!

Weekly Market Report

Turkey Prices Up

Frozen turkey prices are up considerably from a year ago. "However, they will likely decrease some before Thanksgiving," Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System, predicted. "Currently, fryer chickens offer a good choice price-wise - and quality is excellent. At home or away, fried chicken is hard to beat for economy and versatility."
Choose Grade A large-size eggs for the best combination of economy and quality, the specialist suggested.
"Beef prices have trended downward slightly. In general, look for best values on round steaks and roasts, chuck roasts and steaks, beef and calf liver and ground beef."
"With prices gradually decreasing from summer highs, pork values include hams, picnics, shoulder roasts and

steaks, and end-cut loin roasts and chops."
Don't neglect the dairy case, Mrs. Clyatt advised. Cottage and mozzarella cheese supply protein when using less meat in lasagna - and tomatoes and cheese take up the slack in spaghetti sauce.
"It's pumpkin season again," the specialist continued. "So enjoy good quality at moderate prices. This versatile item offers something for every meal - from pumpkin pancakes to pumpkin pie."
"Cabbage, celery, carrots, sweet potatoes, dry yellow onions, potatoes, head lettuce, hard shell squash, rutabagas, collards, mustard and turnips and greens furnish the best vegetable buys."
First-of-the-season prices prevail on cranberries, although prices should lower as supplies increase, she added.
"Grapes, bananas, oranges, pineapples, tangelos, apples, tangerines and pears provide other good fruit choices."

Stella Stevens as Linda Reston is a picture of loveliness—and deceit—in the "ABC Suspense Movie," "Linda," airing Saturday, Nov. 3 (7:30-9:00 p.m.).

Linda conspires against her husband and plots the murder of the wife of the man with whom she has been having an affair, by killing the woman and framing her husband for the murder.

Robert Hamilton (Ed Nelson) and Margaret Christianson (Susan Oliver), former college sweethearts, discover they still love one another when Hamilton visits him hometown and they decide to marry in "Fatal Reunion," on the ABC Television Network's "The FBI," Sunday, Nov. 4 (6:30-7:30 p.m.).

"ABC Wide World of Entertainment"

Drama, unfolded in three separate taut and compelling tales, will be featured on the ABC Television Network's multi-format late-night series, "ABC Wide World of Entertainment," in the week of Nov. 6-8.

All programs will be seen during the 10:30 p.m.-12:00 a.m. time period. "NFL Monday Night Football" preempts regular programming on Monday, Nov. 5, 8:00 p.m. to conclusion.

The week begins on Tuesday, Nov. 5 with "One Deadly Owner," an original 90-minute mystery of the supernatural, in which a series of frightening happenings, duplicating exactly events which occurred months before, haunt the new owner of an automobile—an attractive young model—as she drives it.

Donna Mills and Jeremy Brett star in this thriller, produced in England and written by famed British mystery writer Brian Clemens.

Gary Merrill is the special guest star in "The Murderers," a story of the attempted blackmail of a former convict, which will be presented on Wednesday, Nov. 7.

Eugene Roche also stars in this 90-minute original crime drama as the ex-con whose new and honest life is threatened by a former friend—played by Merrill. The blackmailer says he will reveal certain details of the man's past unless he is paid \$50,000. The details are similar to those being investigated by police in current murder of a young girl.

"The Child is Mine," an award-winning drama centering on a lawsuit battle to determine whether a five-year-old boy's adoptive parents may keep him or must lose him to his natural mother, will receive an encore airing on Thursday, Nov. 8.

Sanford Jet Setter?

Fred Sanford (Redd Foxx) among the jet set? It takes some doing but son Lamont (Demond Wilson) convinces Fred to make his first airplane flight in "Superflyer," to be featured on NBC Television Network's "Sanford and Son" Friday, Nov. 2 (7:00-7:30 p.m.).

An inheritance left by a late uncle is the reason for the trip. The elder Sanford is at first reluctant but Lamont reminds him of the pretty girls on television who say "Fly me" and he finally agrees.

Fred proves to be not quite the ideal passenger as his inheritance requests range from soul food for dinner and his own emergency exit to a stewardess to sit beside him. Comedian Pat McCormick appears in a cameo role as a burly passenger on the plane. The episode was written by Charles T. Williams and Ilunga Adell and directed by Peter Baldwin.

Monday Program Notes

- 7:00...ABC...THE ROOKIE...with guest stars Tanna G. Montgomery and Mark Slade. Terry, Willie, Mike and Jill befriend a student nurse who can identify a man who attacked her, but is afraid to testify for fear she will be pictured as a willing victim.

The FBI Bombs away

Michael Staley notifies the FBI that a powerful bomb has been planted in an office building which is being demolished. Vince Gilles is released from prison within 31 hours, on the ABC Television Network's "The FBI," Sunday, Oct. 28 (6:30-7:30 p.m.).

In "Tower of Terror," Inspector Erskine questions Gilles, who is unable to name anyone who might do such a thing on his behalf. Meanwhile, Morrie Prager, who devised the bomb for Staley, demands immediate payment or else he will tip off the police. Staley, unable to raise the money, plans a different kind of payoff.

Eliam Zimbalist, Jr. stars as Inspector Lewis Erskine.

Traffic pile-up causes problems

A major traffic pileup on a heavily fogbound freeway during rush hour causes problems and confusion for fire, police and paramedic units in "The Promotion" on NBC Television Network's "Emergency," Saturday, Nov. 3 (in color, 7:00-8:00 p.m.). Kevin Tighe, Randolph Manloff, Robert Fuller, Julie London and Bobby Troup star.

Roy DeSoto (Tighe) ponders a promotion which will take him out of the paramedics; Dr. Brackett (Fuller) lectures a young patient who feigns heart trouble; Dr. Early (Troup), Dixie McCall (Miss London) and Dr. Morton (Ron Pinkard) are busy with freeway accident cases.

Tim Donnelly is Kelly, Michael Norell is Capt. Stanley, firemen Mike Stoker and Marco Lopez play them selves, Christian Nyby II directed the Preston Wood script.

Police Informer Shot

The shooting of a middle-aged black police informer who has learned of a big smuggling operation, involves Detective Stone and Keller in an explosive situation on the ABC Television Network's "The Streets of San Francisco," Thursday, Nov. 1 (9:00-10:00 p.m.).

In "No Badge for Benly," Stone and Keller have to find out what Benly Hoskins was trying to tell them before he was shot. They also must protect Hoskins while he lies unconscious in the hospital. In addition, they have to contend with the hostile rage of his daughter, Vi, who feels they are not doing enough because her father is black and just a "stoolie."

Karl Malden stars as Detective Lt. Mike Stone and Michael Douglas stars as Assistant Inspector Steve Keller. Guest stars are William Watson as Inspector Mill Dedin, Judyanne (co) Elder as Vi Hoskins, and Mark Miller as Karl Benson. Co-starring are Charles Lampkin as Benly Hoskins, Pat Renelle as Ganetti, Eddie Firestone as Cappy and Anthony James as Hayes.

Seymour Robbie directed the teleplay by George Bellak.
