

53rd YEAR—NUMBER 1

SIGHTS FACED SEEN

Around Town

Despite the snow, ice, holidays, visiting and irregular store openings, people were settling down this week as inventory lines gradually overcame the business of exchanging Christmas gifts. A few industrious souls even got around to taking down their Christmas trees and removing holiday decorations. All of this happened, of course, prior to New Year's Day.

Most Hereford merchants, governmental agencies and other businesses indicated they would be closed Jan. 1.

While the full was underway, however, the JayCees made definite plans for taking down the town-wide Yuletide decorations. They will meet for breakfast Sunday morning, Jan. 4, at 7:30 o'clock at the hotel before starting on the long tiresome chore. They hope, however, to finish the task in that one day, according to John Aiken, president, who said, "We will, but if all those meat heads turn out..."

Some of the J. H. Brooks barber shop to C. O. Wilkins was announced this week and therein lies a quip. Mr. Brooks started in the same shop here in 1925 and has operated it since. It was his son, 1929 that Mr. Brooks had a young barber his first job. The youngster was the new owner, C. O. Wilkins. Wilkins has since owned two other shops of his own, but Mr. Brooks has continued in the same old stand for the past 27 years.

It wasn't a bad Christmas, report Sheriff J. C. Reese and Police Chief Leo F. Box, as held not from the standpoint of intoxication. The county jail housed three drunks during the holiday period and the city reported another three.

Mrs. A. Petersen, draft board clerk, was scheduled to be back on the job, Friday, Jan. 2, following a leave of absence as the result of sickness.

Mrs. Harley Ward of Hereford got a pleasant surprise for Christmas by arrival of word that she had won a \$30 gift certificate in a word contest sponsored by a machine company.

Jesse Ford was also sporting some unusual Christmas paraphernalia. A combination walking stick and pool cue, along with two combination casting and fly rods given to him by his son, Joe A. Ford, who got in Dec. 15 from Korea to spend the holidays with the Fords. All of the items were Japanese made and from bamboo. Joe also brought back two sets of china and other gifts. George and another son, got back Dec. 20 for the holiday. Both boys are in the Navy.

CHAMBER OF COMMERCE LEADERS. Paul Harvey, 1953 president, is on the left. T. W. Alderson, vice president, George McLean, treasurer, Dick Barnard and Lloyd Sharp, new directors.

C-C Officers Elected Here

Reporting 112 of the annual Chamber of Commerce banquet tickets already sold, Cecil Massey, secretary-manager, said today the tickets are on sale to the public at the Chamber of Commerce office in Hotel Jim Hill. Approximately 350 seats will be available for the event. The annual banquet this year will feature R. E. "Pof" Jackson of Denton, Texas, as the principal speaker. "Mr. Jackson has asked if the banquet is limited to members," he said. "It is open to the public, so long as the ticket is purchased in advance. Tickets, which are \$3 each..."

Name New Officers
Newly elected directors met with the old board Tuesday evening and elected the following officers for 1953: Paul Harvey, president; T. W. Alderson, vice president; George McLean, treasurer; Cecil Massey was re-elected Secretary-Manager and given a salary raise from \$4,800 to \$5,400 a year. New directors in the organization are: T. W. Alderson, George McLean, Dick Barnard and Lloyd Sharp. This group will serve with Paul Harvey, N. D. Bartlett Jr., W. L. Davis and Ben Clydes, carry-over directors from last year. Retiring officers are: Jim Bob Allison, A. J. Sch...

Service Station Employee Charged With Embezzlement

Lee Warrick was returned to Hereford Monday on charges of embezzlement and today remained in the county jail. Charges were filed after Warrick left Christmas Eve night from the L. D. McDuff service station on Highway 60 where he was employed. McDuff reported loss of \$5,591.66. Warrick had been employed in the station for two months and came here from Idabel, Okla. Officers said Vernon, Texas officers reported his capture there Saturday. He was returned by Chief Leo Box and Ed Curtisinger, acting in behalf of Sheriff J. C. Reese.

Ten-Year-Old Boy Steals Three Cars

A 10-year-old boy, hardly big enough to see out of the windshield, was being held today as the result of having stolen three automobiles, possibly more. Local officers hoped to be able to have the lad placed in Boy's Ranch if possible. The boy, small for his size, is from Texico and was arrested in Hereford Tuesday night about 10 o'clock after stealing a pick-up from the used car lot at the Kinsey Motor Company earlier in the evening. The youth was stopped on Harrison Highway by Bud Winfrey when Winfrey noticed the boy driving "all over the road." Winfrey brought the boy to the City Hall, where Clay Angelo, fireman, called the Texas Highway Patrol. Upon questioning, the youth admitted that he had stolen two cars in Texico and had abandoned them in Farwell. He still had the keys to the cars in his pocket. Keys were also found in his pocket to fit a pick-up at the Hereford Implement company. He said that he got the pick-up started but didn't want to drive it, because it didn't have any lights. Officers did not know how he got from Farwell to Hereford, but several other sets of keys in his pockets led them to believe that he had stolen another car to make the trip. The boy was placed in the Deaf Smith County jail for the remainder of the night. A juvenile court was held Wednesday for him, but no decision had been made at press time.

Stolen Car Recovered In Tucumcari Before Owner Reported Theft Here

Hope your car isn't stolen, but if it is, then hope it turns out like this one. Elizabeth Womble left her car parked on Third Street in front of her home Friday night. She started out to get in the car Saturday morning, missed it, looked around at the side, and then came to the conclusion it was really gone. Finally, she called Sheriff J. C. Reese, who was at home. Reese, in turn, called the City Police to put the "pick-up" on the police radio, and was told: "That car is in Tucumcari, N. M. It was picked up a little while ago by Tucumcari police and they put a "found" flash on the radio in search of the owner." The car was returned Monday, along with two juveniles: one age 13, the other age 16, who are being held in county jail. Besides the sudden service angle, Mrs. Womble, being in the insurance business, probably wasn't too worried, anyway.

Police School Is Slated Here

There will be a school for police officers held in Hereford beginning on Monday, January 5, and continuing for at least a week. Chief Laws of the Bureau of Police with the Department of Justice will be in charge. The school which is to open in Hereford and surrounding towns. Instructors for the school will be sent from the Department of Justice.

Building Permits Show Unusual Gain Past Year

Hereford is still growing. What's more, the growth is a steady month-to-month proposition, and the year 1952 lacked the tradition of running twice as much building as that in 1951. Such, at least, is indicated by a survey of building permits issued through City of Hereford offices for the past two years. The past 12 months showed permits totaling \$623,850 as compared with a total of \$366,850 in permits issued in 1952. The increase during 1952 was \$256,700.

Sixty-Six New Homes

Permits were issued on 66 new homes, 14 business buildings and three new residential garages in 1952. Figures for the previous year showed 48 homes, seven business houses and one garage addition. This gives an increase of 18 homes, seven business houses, and two garages in 1952. Leading the field in increases were business buildings, the 14 this year exactly doubled the seven in 1951 and, no doubt, accounted for considerable in the total dollar increase. Building was also more consistent in 1952 and only one month, dropped below the \$10,000 mark. This was in August with \$8,500 in permits. November was high month with \$97,500 and May was second with \$77,200. September ran third with \$71,000.

Three Big Months

In 1951, October homes with 11 permits and in 1952, January, May and August topped the list with nine each; 1952 only dropped to one home permit in a single month, which was August. A recap of home permits for 1952 shows: January 9, February 7, March 5, April 3, May 9, June 6, July 6, August 1, September 9, October 3, November 5 and December 3. The same list for 1951 shows January 6, February 7, March 6, April 2, May 4, June 1, July 2, August 1, September 6, October 11, November 1 and December 1.

In the business structures division of 1952, May led with 3 permits; January and October were second with 2 each; March, June, September, November and December had on permit each. In 1952, March showed 2, January, May, July August and December one each.

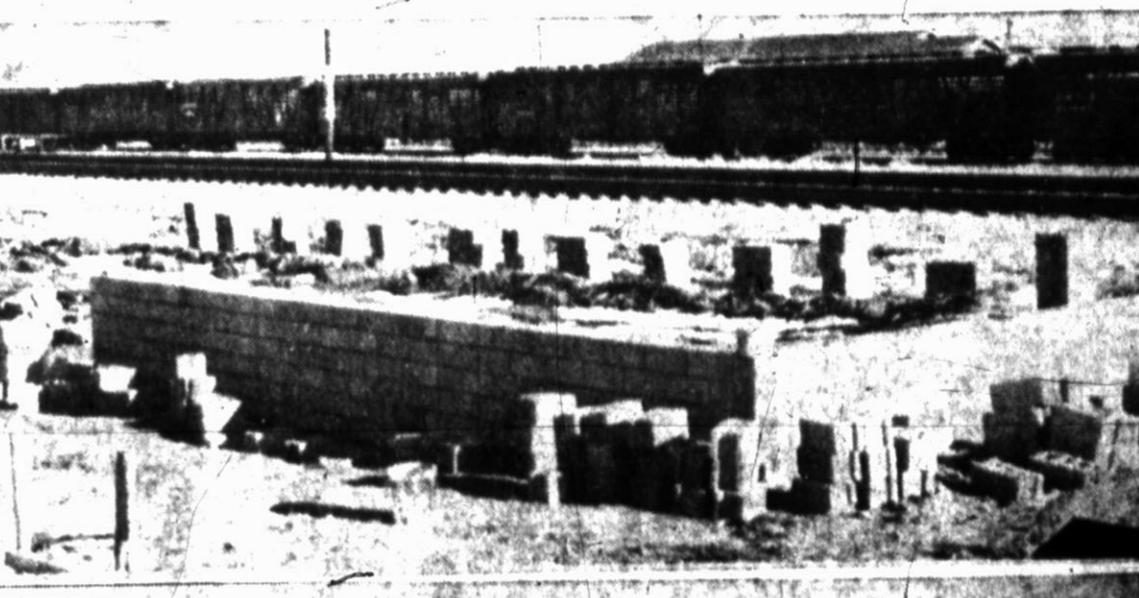

Dollar figures on permits were listed by the City as follows:

	1951	1952
January	\$25,000	\$57,700
February	65,500	42,450
March	31,400	29,900
April	18,500	28,500
May	22,900	77,200
June	4,000	61,500
July	8,250	70,000
August	12,500	8,500
September	72,000	71,000
October	92,000	20,800
November	13,000	97,500
December	1,800	60,500
TOTAL	\$366,850	\$623,850

Many people, perhaps even 50 percent, do not secure building permits, clerks in the city offices estimated. In addition, the figures are generally well under final building costs. The percentage trend, however, is generally about the same. In addition, regulations under the new city charter call for more rigid enforcement of the ordinances and building codes, thus indicating that the 1953 figures will be more complete.

Stanford Infant Buried Tuesday

Rebecca Ann Stanford, 16 month old daughter of Mr. and Mrs. William J. Stanford, died Sunday night, Dec. 28, at 7:00 at the Deaf Smith County Hospital. Death followed an illness of only one day. Rebecca was born August 23, 1951, in Hereford. Mr. Stanford is a teacher in the Hereford Public Schools. Funeral services were Tuesday, Dec. 30, at the First Methodist church at 2:00 in the afternoon with T. Edgar Neal and Don Davidson of Levelland officiating. Interment was at West Park Cemetery, under the direction of Gilliland Funeral Home. Surviving are the parents, Mr. and Mrs. William J. Stanford, one sister, Karen Sue Stanford, three months; the grandparents, Mr. and Mrs. W. J. Stanford of Hereford and Mr. and Mrs. E. W. Solomon of Hereford.

Eat Black-Eyed Peas On New Year Day

Just as turkey and dressing have become symbolic of Thanksgiving so has the lowly black-eyed pea become associated with New Year -- around Hereford, at least. It all happened within the past 10 years. People eat black-eyed peas on New Year's Day with one object in mind: "Good luck for the next 12 months." Some say this custom has been handed down through negro folklore for many years. Most negroes in this area, do indeed, observe the custom, but so do a majority of white people for that matter. Most folks adopt a tongue-in-cheek attitude about the whole thing, but they do eat their black-eyed peas on January 1 -- just in case. Take Mayor S. O. Wilson, for instance. "His Honor" says he doesn't attach much faith to the superstition. "However," adds Mr. Wilson, "just as a custom, I do eat them on New Year's Day frequently." Mrs. Clarence Salacy happened along about them and she is a dyed-in-the-wool, firm believer. "We are going to Roaring Springs this year," Mrs. Salacy said, "and just in case of emergency, I am taking along a couple of cans. If we happened to have trouble, we can stop and eat them along the side of the road." Bob Lawrence was one of the few who thought very little of the custom. "If it happens to be our day to eat black-eyed peas,

County Allows \$423, Suit Asks For \$22,237 Damages

"Exceptions and objections" to a condemnations right-of-way award has been filed with the County Clerk and will probably appear in County Court in January. The case concerns awards made by a special commission regarding proposed road improvements in the north portion of Deaf Smith County, south of Adrian. The special commission for the award of \$423 when the land was condemned for right-of-way. In the exceptions brief, the Cavins are asking for damages which total \$22,237.50. Ten points, some with subdivisions, have been filed in the appeal which is being handled by an Amarillo firm of attorneys. Included among the exceptions to the \$423 award, Cavin objects to the special commission, to location of the road, to lack of sufficient payment for actual acreage taken and to the fact that no damages were allowed on his remaining acreage. Cavin cites a fair market value of \$6,187.50 on the strip north and south through his acreage, basing the value at \$350 per acre. Erection of fences, addition of another well, and damage to the remaining property he indicates will result in the total \$22,237.50 damage figure. Special commissioners appointed by the county to handle condemnation of property for the right-of-way were J. J. Clark, C. C. Ricketts and John L. Morris.

Some Like 'Em... Some Say It's Hooley... But They All Eat Black-Eyed Peas On New Year Day

 other people eat them, but I really don't think there's anything to do, however, try to remember to cook them. If I forget, we don't eat them."
 Postmaster Jim Lipscomb is another follower of thefad. "Eating black-eyed peas is a whole lot like going to church," Jim averred. "It may not get you to heaven, but it always helps... at least, you're not taking the chance by eating them that you might be if you didn't".
 Bob Wear of the Church of Christ said with a hearty chuckle, "It's a good custom -- if you put a dime in the pot. If you don't, it just won't work."

Alex Thompson says he has eaten black-eyed peas on New Year Day for the past seven years -- and has never been so lucky. "They saved my life," vows Alex.

P-T-A Meeting Set For Jan. 5

The regular meeting of the Hereford PTA will be held Monday night, January 5, at 7:30 in the high school auditorium.

A quiz program, "My Home Town", will be held with Clint Formby master of ceremonies. Special music under the direction of Don Moore will also be included on the program.

Films will be shown for the children who accompany their parents.

Following the meeting a social hour will be held to welcome new school patrons. Mrs. Wayne Edwards will be in charge of the social hour.

Edna McCutchen of Beekville, Texas arrived this week to spend several weeks with Gale Landers.

Mr. and Mrs. C. L. Chisholm and son, Lynn, and Mrs. Phil Radovich were in Tucumcari, N. M. Sunday to see the W. Frank Balls

Mr. and Mrs. Leon Turner returned home Sunday night after visiting with friends and relatives in Abilene, Anson and Littlefield.

"besides, I'll eat 'em any time I can get them."

L. H. Foster, retiring county judge, says he doesn't put any faith in the custom, but he eats 'em on New Year's Day, anyway.

"Does it help?" To this question, he retorted, "Well, it helps to satisfy the appetite... any way."

Elmer Patterson figures he will take black-eyed peas, onions and cornbread just any old time. As to eating them to bring good luck, Elmer says: "Well, I believe that's a lot of balogna."

Local cafes have, for several years, included black-eyed peas on their New Year's Day menu. "Yes sir," said one, "with hogg jowls, too."

A check of Hereford grocery stores indicates that the annual rush is on. One grocer said that sales have this week soared to the tune of 10-to-1 over normal, which runs fairly well in this area the year around. Others told the same story.

All of which proves a point. Whether people believe the superstition or not, they still eat black-eyed peas on January 1.

On "timid soul has another angle on the whole thing. He figures a big warehouse got over-stocked on black-eyed peas several years ago -- and started this promotion. Grocer's advertised "Black-eyed Peas... For Luck... On New Year's Day." Thus, was born, a new custom and tradition in the Southwest. Besides, black-eyed peas are cheap, nourishing and, many say, they're delicious. All of this in spite of the fact that the yankees insist black-eyed peas are only good for cows and livestock.

Regardless of which (and just to be sure) we'll string along with the crowd. We'll have black-eyed peas on New Year's Day, too.

Highway Traffic Accidents Minor

Two minor accidents were reported in Hereford Sunday, according to the City Police officers.

One accident involved Julio Mendoza of Sonora, Texas and Anthony Henry Brorman of Hereford. Mendoza was driving a 1949 Plymouth and Brorman was driving a 1940 Chevrolet. The accident occurred on Highway 51. The second accident took place

on Highway 60. Loy Roy Henry of Oklahoma City driving a 1950 Mercury and Jess Herbert Pipkin of Canyon driving a 1947 Ford were the two involved in the accident.

There were no injuries in either accident and only minor damage was reported to the cars.

Mr. and Mrs. Finis Hunter had their children home for Christmas dinner. Those present were: Mr. and Mrs. Frank Markham, Marsha and Butch; Mr. and Mrs. Lonnie Rice and Lonnie Bruce of Canyon and Orval Pierce of Farnhamville, Iowa.

No Injuries In Traffic Mishap

Jack Junior Ward, Rt. 1, Hereford, driving a 1949 Ford two door was hit on the right side of the car by Clifton Johnson, 509 N. Main, driving a 1952 Dodge four door sedan.

Ward's car was going south on Main Street, when Johnson started backing his car out from the car and collided with Ward. The accident occurred at 8:10 p.m. Saturday, Dec. 27.

Guests Saturday in Roberson home were her and husband, Mr. and Mrs. D. C. Beebe of Norwalk, Calif., and their daughter and family, Rev. and Mrs. Frank Beauchamp of Shamrock. Also the Beebe's grandson, Wayne Beebe Jr., of Wichita, Kansas.

Orval Pierce left Monday for his home in Farnhamville, Iowa, after spending the holidays with his parents, Mr. and Mrs. Finis Hunter.

No injuries resulted from the accident.

Visiting In Community And Other Panhandle Points For Yule Time

By Mrs. Owen Andrews

Most folks were visiting or had company during the Christmas holidays. Several spent the time in other localities with relatives.

Mr. and Mrs. W. H. Andrews and children visited Mrs. Andrews' parents and other relatives at Lawton, Okla., leaving on Christmas Day.

Mr. and Mrs. Theo Lamb visited their folks at Lawton and Marlow, Okla., last week. A friend, Sammy McCown of Lawton, returned with them and will stay here a while to work.

Mr. and Mrs. Herb Schmidt and sons visited their folks at Clinton and Cordell, Okla., from Wednesday until the first of this week. They were to help move Herb's sister, Mrs. Ernest Harder, Mr. Harder and children. The Harders will move to the T. L. Sparkman Jr. place where he will help T. L. and Geo. A. Springer left Monday in T. L.'s truck to help the Harders move on Tuesday.

Mr. and Mrs. Owen Andrews and family spent from Wednesday until Saturday visiting Clark Andrews and Leonard Schmidt at El Paso.

Mr. and Mrs. Bill Boyd and sons visited their relatives at Littlefield Christmas Day. About 90 persons attended the Christmas Eve program, at Frio.

Word has been received from the Truett Allens that a Christmas gift, a new son, arrived to live in the Allen home, on Christmas Day. The oldest Allen son, Bobby, was also born Dec. 25. They have two other children, Billy and Joyce. Rev. Allen was pastor of the Frio Baptist church in 1944 through 1948. The Allens live at 419 East Texas, Hobbs, N. M. He is pastoring a newly organized church there near Hobbs.

Mrs. Alice Lindley of Wellington has been visiting her son and daughter-in-law, Mr. and Mrs. H. E. Lindley. The H. E. Lindleys visited Christmas Day with her folks, the Greensons at Black.

Mr. and Mrs. T. L. Simpson and Nelle spent Christmas at Wellington with their folks the Roberts families.

Mr. and Mrs. Joe Simpson of Earth spent Saturday night with the John Simpsons, Mr. and Mrs. Donald Harrison of Muleshoe spent Saturday night with the Robert Simpsons and they all took Sunday dinner with the John Simpsons.

Visiting the Owen Andrews home Sunday were Clark An-

draws, Leonard Schmidt, Mr. and Mrs. Bill Boyd and sons, Mr. and Mrs. Henry Andrews and Doris Jean, Mr. and Mrs. Charles King of Amarillo, Jerry King, Miss Anita Higgins of Amarillo, Mrs. Elmer Jones and Marilyn of Hereford, Mr. and Mrs. T. Nerve Tonic

Celery is claimed to be very beneficial to those who are suffering from rheumatism and nervous disorders. It is nice—eaten or just stewed with a butter sauce and it is always a fine addition to a salad, stewed tomatoes, stuffings, etc. Make a practice of serving it frequently.

Table Tops

Almost any stain can be removed from a table top by use of linseed oil and rottenstone mixed to a creamy consistency. Rub the spot lightly and then take another cloth moistened in oil and go over the surface.

Yeast

If it is desired to keep the yeast cake for any length of time bury it in salt.

Cookies

When cutting cookies, they can be handled more easily if the dough is chilled several hours before it is rolled. Place as little flour as possible on the board, because extra flour and much handling result in tough cookies. Roll out and cut a few cookies at a time.

Gloves

If gloves need mending, first put the finger into a thimble and then into the glove. This prevents pricking the fingers. Mend gloves of leather or skin with cotton thread, never with silk.

Toll Calls

Long-distance telephone calls can be timed if a three-minute

hourglass is placed by the telephone.

Soaking Clothes

Do not soak clothes so long that the dirt is distributed through the

fabrics. When soaking in hot water, don't allow the water to cool before washing. If soaking overnight, be sure the sudsy water is cold, or your clothes will be a poor color.

Eggs

Eggs will not burst while boiling them, if one end of each egg is stuck with a needle before placing them in water. This makes an outlet for air and keeps the shells from cracking.

Paint Brush

To soften a used paint brush boil it in vinegar. If very hard repeat the operation.

Glass Stopper

One way of removing a glass

stopper which has resisted all efforts is to put a few drops of salad oil close to the mouth of the bottle. Then stand in a warm place until the oil has had an opportunity to work down between the stopper and the neck of the bottle. Gently rap on the stopper on each side and then try and turn the stopper. This method seldom fails.

Hereford Schools To Reopen Mon.

Hereford schools will re-open Monday, Jan. 5, following an unexpected additional three-day Christmas holiday period. The extension was announced Sunday evening.

"We hope that the additional three days will not cause school to remain open longer this spring," George Graham, superintendent, said. "We can omit one of the Easter holidays and, if the weather permits, will be able

to close on schedule in May." He said that 175 teaching days are required to meet scholastic standards.

Previously scheduled to convene Dec. 29 for a three-day period, the Hereford schools in changing the date to Jan. 5, actually followed the same holiday period which the majority of the schools in the Panhandle observ-

Sgt. and Mrs. Owen Buse left Sunday for Fort Hood where he is stationed with the army. Sgt. Buse expects to receive his discharge sometime in January.

What Good Is a Baby?

The story is told of a research man who had just discovered a new substance. A friend asked, "What good is it?"

"What good is a baby?" countered the researcher.

Babies and new products have to grow up before anyone knows how important they may be. Quite a lot of infants have been brought up at General Electric during the past 75 years. During the bottle stage, nobody could predict their future accurately. But as it turns out today, they were real prodigies. Here are just a few that were first brought to the American public by General Electric men and women:

- the first electric lamp
- the first home refrigerator with sealed mechanism
- the first high-vacuum radio power tube
- the first fluorescent lamp
- the first automatic electric blanket
- the first large steam turbine for electric power
- the first jet plane engine in U.S.
- the first disposer for kitchen food waste
- the first high-voltage x-ray

We don't ordinarily trot out the past like this. But 1953 marks a birthday. For it was in 1878 that Thomas Edison organized the first of the companies which, in 1892, became the General Electric Company. And, like anyone on his birthday, we do look back over our shoulder.

This is just the beginning, really. Research and engineering are bringing out new things faster than ever—new "babies" to lighten labor and brighten everybody's life.

You can put your confidence in—

BODY REMOVED FROM SUICIDE PLANE --
An ambulance crew digs in the wreckage of a private plane at Sweetwater, Texas, to release the crushed body of Ollie William Cox, 23, wealthy operator of the Double Heart cattle and sheep ranch, after Cox dived the Cessna 170 five-place plane

into a gravel pit area. Cox ignored radio pleas of his friends who tried for three hours to convince him to land. At the right is Sheriff Cal Montgomery of Sweetwater, who watched the crash with other officers. This picture was made shortly after the plane crashed. (AP Wirephoto)

Mystery Santa Gets Jolt

Ordinarily Santa Claus is the fellow who hands out the surprises around Dec. 25. However, Old Santa got quite a jolt himself when he dropped in on the the Frank Huckert family, three miles south of Summerfield on the night of Dec. 23.

Trouble was Santa anticipated only the Frank Huckerts, but he ran into the whole Huckert clan, 17-strong gathered for their annual Christmas tree and party.

This particular Santa has been a mystery around Summerfield for several years. He dons his suit, whiskers, red-tassled cap and all, and makes the entire neighborhood distributing sacks of candy to various children. Like other folks in the area, the Huck-

erts had no idea who this Santa might be, and Old Santa certainly hadn't heard about the big party -- but the kids literally went wild.

Some of the oldsters finally realized Santa's plight. He just wasn't prepared for so many children and consequently didn't have enough sacks of candy and fruit so, under cover of having his picture made, they subsidized the old fellow with additional sacks and everybody was happy -- even Old Santa.

The Huckerts think it was the nicest Christmas party they ever had. Old Santa liked it too, especially having his picture made in color with all those children.

Members of the Huckert clan who enjoyed the event

included: Mr. and Mrs. Ralph Sears, C. D. Hardesty, Mrs. Odella Huckert, Mrs. Joe Huckert, Mr. and Mrs. Frank Huckert, and Mary Katherine Huckert, Joe Frank Huckert, Bob and Betty Huckert, Patsy Huckert, Barbara and David Huckert, Jimmie, Donnie and Mary Ellen Huckert.

Mr. and Mrs. Carlos Vaughn have returned from Elida, N.M., where they spent the Christmas holidays in the home of his sister, Mrs. John Anthony. Enroute home they stopped at Tatum, N. M., for a brief visit with Mrs. C. T. Kibbe and family.

Mr. and Mrs. G. W. Brumley have returned home after spending the Christmas holidays with relatives in Missouri.

SCORED TOUCHDOWNS FOR DETROIT LIONS—Oak Walker (left) and Bobby Lane, Detroit Lions backs, whose football prowess has been a by-word in Texas since they played together on the Highland Park High School in Dallas, Tex., pose in the dressing room after the Lions trounced the Cleveland Browns, 17-7, to win the National Football League Championship in Cleveland. Both Walker and Lane scored touchdowns. It was Walker's first touchdown of the season and he did it on a 67-yard run. (AP Wirephoto)

Two Negro Girls Slated On Lions Wrestling Card Saturday Night

Colorful Farmer Jones Murock, his educated bare feet and his half-wild javelina mascot as trademarks, comes to the Hereford arena Saturday night to meet wild Buck Lipscomb in the top half of a double main event.

There's "color" in the first second main event, too. Two of the top-notch Negro girl wrestlers of the country meet in a two out of three falls or 45-minute battle that could turn out to be one of the most interesting matches seen here in many a month.

Babs Wingo, husky 150-pounder from New Orleans who is believed to be just about the top of her class, meets slightly younger and lighter Ethel Johnson, demure colored girl from Atlanta, Ga.

Wingo and Johnson are waging a terrific battle to come out in front of all colored girl wrestlers. The ultimate winner of a long-term tournament now in progress is to get a shot at the world's championship worn for nearly 14 years by Mildred Burke of Los Angeles.

Fast-working, mule-kicking Cowboy Carlson of Wyoming, after a successful tour of southern states, is back in the Southwest States territory and itching for a shot at the title. He meets Rey Urbano, hefty Filipino, in the one-

fall or 20-minute special event which opens the Saturday night card.

County Officials Will Be Sworn-In On New Year's Day

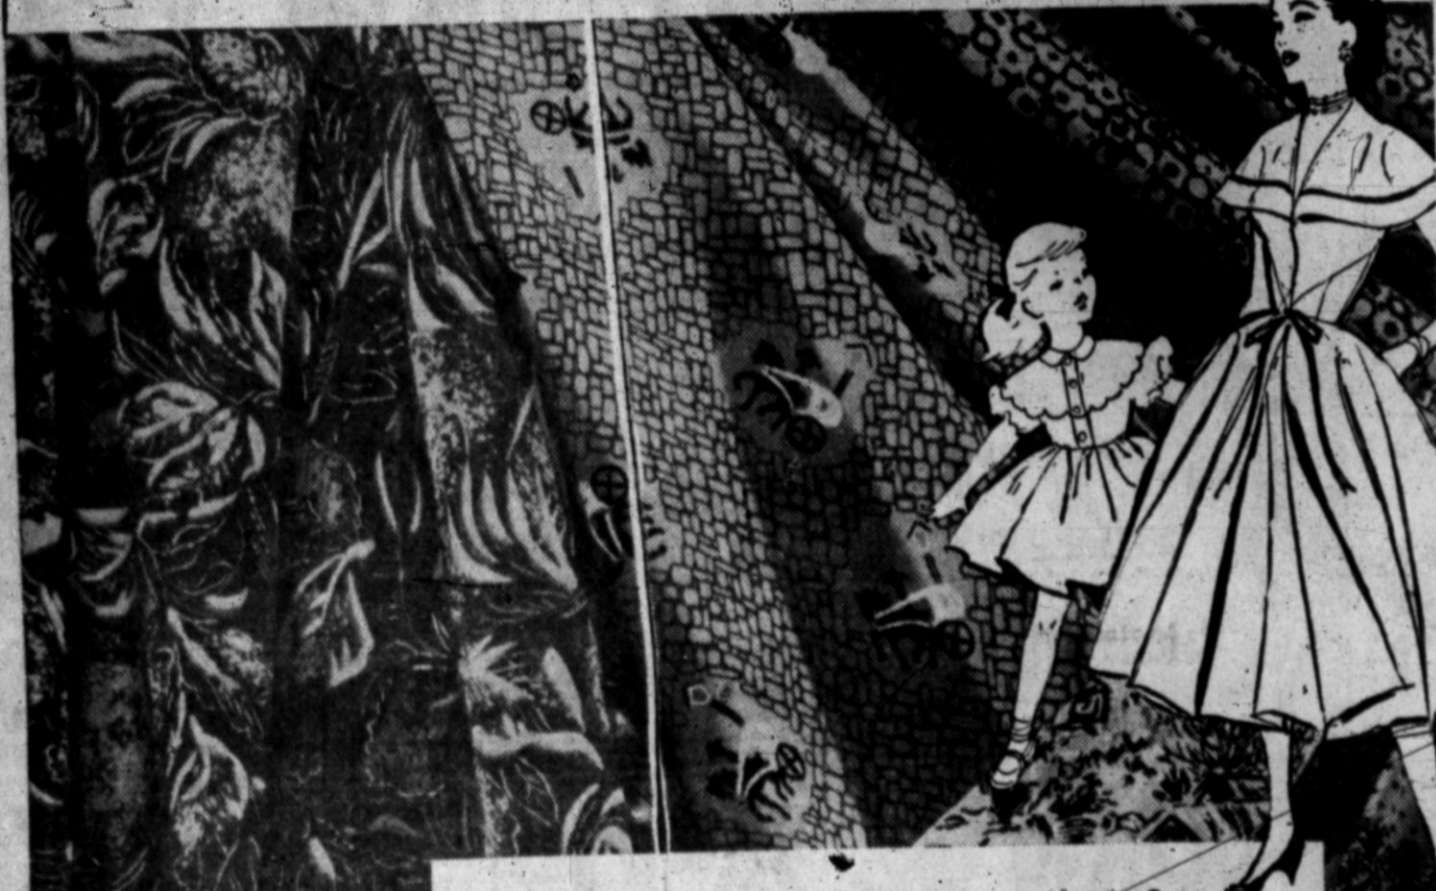

Thursday, Jan. 1, marks numerous occasions, one of which will be the swearing in of county officials for the next two years.

The courthouse—like most business firms, will close for New Year's Day—but will open for a brief time, around 10 o'clock—for the purpose of installing new officers. Generally, the court approves bonds, then adjourns to join in the celebrating.

Mr. and Mrs. Clarence Saulcy have just returned from a week's visit in Arkansas with the Lester O'dells. They plan to spend New Year's with their daughter, Mr. and Mrs. L. A. Mullins and family at Roaring Springs, Ark.

Mr. and Mrs. L. D. McDuff and son spent Christmas at Anson, Texas with his parents.

New Year Brings Many Questions, Water Considered No. 1 Problem

Washington, D. C. December 26, 1952

THE NEW YEAR: This letter will reach you as the curtain falls on 1952 and rises again on 1953. The American people, both young and old will stand, as they have in past years, on the threshold of great opportunities for progress and achievement in the New Year. Our lives and our efforts will be dedicated to the fulfillment of a desire that has dominated the minds of Americans since this country was founded, the desire for peace. Every lead and clue to the final realization of this desire must be thoroughly explored and scrutinized. The attainment of this desire will open doors of opportunity for the advancement and progress of civilization that have been heretofore closed solely because so much of the world's efforts have been devoted to means and machines of destruction rather than construction. The channeling of these efforts into peaceful pursuits will bring great blessings and benefits to the people of America and the rest of the world. The delay alone in research for the development and expansion of our natural resources has been tragic, simply because the money and the time had to be spent on war research and war materials. This is most clearly apparent to those of us who live in our section of the country. The great potentialities of the Southwest and especially the Panhandle of Texas are lying dormant. Water is our number one problem, and it remains unanswered because of wars and rumors of wars. If peace could prevail, it could be quickly answered. However, war or no war, it must be answered in the near future. We cannot delay much longer the impounding of surface waters, as could be done by the construction of the Canadian Dam, nor can we delay further research and exploration in the field of irrigation. With an ample supply of water, the Panhandle of Texas could become one of the most fertile and richest regions in the world from an agricultural standpoint. With our vast fuel supply, a stable water supply could result in the Panhandle becoming one of the great manufacturing centers of the world. Few regions in the world have the great opportunities that are open to us in the Southwest. Our resources must be developed and our initial task is to solve the water problem. This must be done whether peace is attained or not. We cannot continue to expend our natural resources at the present rate without further development and expansion. If we fail to further develop and expand our present facilities to utilize our resources, we could be contributing measurably to a weakness in the future that could rebound to the benefit of Russia. This must not happen. An ample water supply must be created not only for the northern part of the Panhandle and the western side, but also for the eastern and southeastern sections of the District. Much work has been done towards such a project in the southeastern section of the Panhandle that would be of immense benefits to the Hall, Childress, Cottle and Motley Counties vicinity. The pressure for the development of these facilities must continue if we are to continue in our forward progress. The year 1953 should see great strides made in that direction.

ify the political bosses of the several states. There is much comment here about the fact that Eisenhower is not consulting the governors or the senators of the states from which he chooses the appointees. There is much conjecture as to whether or not this will subsequently cause trouble between the President and the political leaders and high office holders in the states from which he has picked his men. Certainly it should not cause a break if the man chosen does a good job. Eisenhower is certainly to be commended for accepting full responsibility in these appointments. Should one of them turn out bad, it would be the result of an honest mistake and not the result of a political play. The American people have always been willing to accept an honest mistake where there was a desire to do right. They have never been willing to accept a mistake that was the result of a political expediency alone. Texas need not worry about a mistake being made in Eisenhower's choice of his secretary of the Navy. I have known R. B. Anderson of Vernon, Texas, for twenty years. In fact, he preceded me in the University of Texas law schools. Subsequently it was my pleasure to have him as an instructor in one of the law courses. His brilliance of mind is well tempered by a natural ability to understand and appreciate the problems of his fellow man. He is to me a living example of a true American success story. Bob Anderson, by his own integrity, his own ability, his own industry, has made the most of opportunities available to every American, whether he is rich or poor. If Eisenhower has done as well on all of his appointments as he did on his Secretary of the Navy, he need have no fear as to his own success.

Bippus H-D Club Meets For Party

By Christine Fortenberry

The Bippus Home Demonstration Club had their last meeting of the year as a Christmas party in the home of Christine Fortenberry.

The meeting was called to order by the president, Mrs. C. F. Homefield. Christmas games were played and gifts were exchanged by the club members.

Refreshments were served to Mrs. C. F. Rickels, Mrs. C. F. Homefield, Mrs. Jack Fortenberry, Mrs. Tom Draper, CHDA, Mrs. Roy Neaves, her daughter, Sarah, and her two children, Louis and Wayne and the hostess, Christine Fortenberry.

Among student home for the holidays were: Jack McCracken, Milton Newell, Stanley Slagle, Patsy Wilshire, and Tom Carter Jr., who attend Texas Tech, Lubbock; Dale Deak and Gene Moore ENMU of Portales; James Durham, Jim Lowry and James Alston, Texas A. & M. College; and Emma Jane and Colline Brown, Bedford Forest, Lloyd Parsons, Martha Thomas, Randolph Thomas, Becca Whittington and Wayne Lady, who attend WTSC.

Guests in the home of Mr. and Mrs. L. Z. Oldham during the holidays were two of their sons and their families, Mr. and Mrs. Carl Oldham and children of Woodward, Okla., and Dr. and Mrs. Earl K. Oldham of Grand Prairie. Dr. Oldham recently completed his seventh year as pastor of the Calvary Baptist church in Grand Prairie. He received his degree as doctor of theology from the Baptist Seminary in Fort Worth.

Beauty at Home

By Lynn Carter

Q. Will you please suggest a good, general complexion treatment?

A: Here is one of the best. After anointing the skin with heated olive oil and massaging well into face and throat, take a large bath-towel, drape this over the

head, and bend over your basin with the hot water running full force. The towel prevents the steam from dissipating, and the steam forces the oil into your skin. Repeat this a number of times, then scrub face and neck well with good soap and a soft

complexion brush. Rinse in warm then icy water.

Q. How should mascara be used?

A: Dark lashes need only the tips tinted—the tips of the upper lashes. Never tint the lower lashes. It is better to avoid the bizarre colors. Dark brown is about the favorite. Black looks too-dyed and artificial.

Q. How can I avoid face pimples and blemishes?

A: By following these simple health rules. Eat fruits and vegetables in abundance. Eat meat of fish sparingly. Drink 10 glasses of water daily, and lots of milk.

Drink orange juice, with lemon juice added. Avoid candy, jellies, pastry, hot breads and cake, and starchy or fried foods. Avoid alcohol and spicy foods. Get lots of exercise and sunshine. Take a lot of hot baths, followed by brisk towel rubbings.

Q. Will you please suggest a good hair softener?

A: Have you ever tried a half-cup of vinegar added to the last rinsing water when shampooing?

Q. What is a good home beauty facial mask I can make?

A: Beat one egg yolk into a half-cup of cosmetic astringent oil, and add fuller's earth until

Mr. and Mrs. Eugene Osborn and children of Mayton Springs, Colorado, and Mr. and Mrs. Carl Oldham and children of Woodward, Okla., were holiday visitors in Hereford. They were guests of Mrs. Oldham and Mrs. Osborn's mother, Mrs. C. P. Cockrell. The Osborns have returned to their home while the Oldhams extended their visit through the New Year holiday.

Mrs. Charley Boyd, formerly of Hereford, has been visiting friends in Hereford and in the Frio community. Mrs. Boyd now lives in Colorado.

Mr. and Mrs. Flett Hunter spent Sunday with his parents, Mr. and Mrs. W. A. Hunter.

Two Canadian Boys Answer "Call Of The West", Wind Up In Pokey

The "call of the west" got the best of two Canadian boys last week, so they set out to see for themselves just what California was like. Their westward trip ended suddenly, Saturday night, however, when Hereford police officers decided that the boys looked a little too young to be hitchhiking.

The boys, Gary Randall and Victor Dawling, both 17, finally admitted they were from Toronto, Canada, although they first tried to make officers believe that they were from Detroit, Mich., which is just across the Canadian border from their home town.

Their bus tickets from Detroit had run out. The boys were also out of money by the time they reached Hereford Saturday night. They said they had been lucky, though, in securing good rides which had brought them a long way in the short time they had been gone from home.

The youths had stayed in contact with their families during their trip by sending them a postcard each day along their journey, which lasted four days.

The young Canadians were placed in the juvenile jail at Dimmitt to await immigration officers, who arrived Monday to return them to their homes.

Twelve Report For Induction; 20 More Called

An induction call and a physical call have both been issued by the local draft board for January 6, according to Mrs. Cliff Potter, assistant clerk.

There will be 12 men to report to Amarillo for induction from this area Tuesday morning. Included in the group will be: James Alfred Irebeck, Canyon; Dave Lee Gross, Happy; C. B. Loober, Friona; Bobby Rex Griffin, Canyon; Billy Ray Griffin, Canyon; Virgil Allen McGee, Bentonville, Ark.; Paul Conner Smith, Bovina; Marvin Shirley Sheets, Canyon; Gayle Eugene Cornelius, Hereford; John Garland Robinson, Hereford; Grant George Miner, Hereford; Gordon Raymond Williams, Canyon.

Twenty area men have been called to report for physicals on Tuesday, January 6.

They are: Cloyd Clayton Adams, Happy; Johnny Ray McDowell, Tulsa; James Edley Foster, Muleshoe; Billy Ray Hand, Canyon; Calvin Bryant Alexander, Hart; William Bryant Jones Jr., Hereford; Fredrick Thomas Frye, Dawne; Don Parker, Hammon, Canyon; Jimmy Charles Cluck, Canyon; Orin Fredrick Teed, Amarillo; Dan Keith Briggs, Muleshoe; Baldomers Guerrero, Hereford; Forrest LeDell Bridges, Hereford; Ray Alford Threet Jr., Farwell; Edwin James Banks, Adrian; Thomas Frank Brienfeld, Tulsa; Keith Osborn Waldrop, Canyon; Carl Ray Henderson, Hart; Ismael Valdez Gamez, Hereford; Bobby Joe Pendergrass, Farwell.

Wrestlers Give Referee "A Bad Time" Saturday

Gowboy Carlson, of Elalika, Mont., won two out of three falls from Billy Weidner of Amarillo in the wrestling matches here Saturday night.

Carlson won the first fall in 24 minutes with a "cannon ball toe hold"; Weidner took the second in 12 minutes with a "full nelson", but Carlson came back to take the third in eight minutes with a "Powder River Hooligan."

Herb Parks of North Bay, Ont., was matched against Dory Funk of Umberger in the second round - but spectators figured that referee Dory Detton got the worst of the deal.

Parks won the first fall in 18 minutes with a "drop-leg binder"; Funk took the second in nine minutes with a "spinning toe hold."

Both wrestlers took turns throwing Referee Detton out of the ring. Parks did not leave the ring after second fall and before Funk could enter the ring, he knocked him back into the crowd.

Mr. and Mrs. Paul Dishman have returned to Lubbock after a holiday visit here with her mother, Mrs. Phil Radovich.

Card of Thanks

We wish to thank our many friends who were so good and kind during the illness and at the passing of my beloved wife and loved one, Dorothy C. Sargent.

We want to thank those who sent the beautiful flowers and for the food that was brought in and for the lovely cards and expressions of sympathy, which helped us in every way in our hour of grief.

We never forget the words of comfort and the glimpse of Eternal Life brought by our beloved Pastor, Brother H. V. Fields with the assistance of Brother Coley Arnder. May God bless all of you.

FOIBLES FANCY and PLAIN

Kent Snare.

Odds and Ends. And for '52 there will be more ends than somewhat loose ends that is... There have been a number of summations and recitals of odds events in '52 recitals in various gazettes. However, to date, I have seen no mention of what was to me the oddest sports happening on the '52 football tenure, the same being that fieldgoal attempt by Houston against Tulsa, which rolled dead on the 6 inch line, with an attendant Tulsa back, undecided as to whether to eat the obtrusive pighide or jes' set down and have a good cry, it shouldn't happen even to a pink... Guessing about the future has always been a popular, but poor paying sport, and it is flourishing now, which brings to print here thus another oddie: Not long after Pearl Harbor there was considerable yak among baseball men as to whether baseball or any other sport would be able to survive the impact of the war. It was an endless topic of conversation. And one day Bucky Harris encountered Umpire Bill McGowan on the street. "Do you think there will be any baseball this year, Bill?" queried Harris. "I dunno," replied the ump. "Your guess is good as mine." "That I know," sweetly rejoined Bucky, unable to withstand the temptation. "But I never expected to hear you admit it."... Looks as if Arkansas may have some trouble inking a mentor of any stature. You can scarcely pick up a paper without eyeing some word from a prospect for the coaching job, announcing that he had withdrawn as a candidate. First it was Kaintuck's Bear Bryant, then Colgate's Harold Lahar and today, Gomer Jones, line coach at Oklahoma. To me, it is amazing that the Okies can hold onto this Jones, whose down-field blocking lines are the key to the Sooners success story in offensive football... George Sauer at Baylor has always been rated as a most astute coach, wonder was he protecting his home front job when he fell out with Mike Michalske and, I wonder, where Iron Mike will alight, his type of successful line coach is always in demand... No word yet on who

is to be fingered for the North Carolina job... Latest rumor was that it was laid between George Barclay and Tatum... One of the best quips of the year came out of the "Curly" Bird--"Wordy" Tatum feud at Maryland... Byrd, ex-coach and now president of Maryland U. commented on Mr. Tatum's antics and verbal bellicosity at a Washington luncheon and subsequently a reporter inquired, "Is Byrd shot to speed Tatum on his way?"... Succinct and succulent, eh?? Since I am speculating, I wonder why Don Moomaw, everybody's All American linebacker at UCLA and AP lineman of the year, was bypassed in the East-West game. Might be quite a story appended thereto... The NCAA convention comes up January next in Washington and therein will rest grounds for plenty of con-

Texans In Washington

By Texas Esasley

AP Special Washington Service WASHINGTON — (AP) — A few days before Christmas Rep. Homer Thornberry visited Gallaudet College here while the student body was discussing details of a holiday program. Although some 250 students were participating, enthusiastically, not a sound was to be heard as Thornberry and your correspondent walked unnoticed into the high-ceiling auditorium of the 80-year old brown stone administration building.

Up on the rostrum a tall, handsome young man, president of the student body, moved his hands and fingers with amazing dexterity and speed to repeat a motion that had been offered by a pretty blonde co-ed down in the third row. Then there was a call for a show of hands and the proposal was adopted.

Looking no different from any other happy group of young Americans, these students in the world's only fully recognized college for the deaf hail from virtually every state in the union. Ten of them are from Texas. Nine are from foreign lands.

As the assembly proceedings continued, hands flying up right and left with suggestions to be made and debated upon, Thornberry gave a running translation of the discussion.

It was no feat for the deep baritone-voiced Texan, because he learned to talk with his fingers even before learning to speak vocally. "My parents were for many, many years on the staff of the Texas School for the Deaf in Austin," he recalled. "My father, William Moore Thornberry, had been teaching there for some 30 years before his death in 1918. My mother taught there for about 26 years before she retired in 1940."

Thornberry, who will be 44 on Jan. 9, was a natural for the job when appointed to the board of directors of the Columbia Institution for the Deaf upon coming to Congress four years ago. The institution, financed largely by Congressional appropriations, comes under the Federal Security Agency -- the FSA is to be headed by Houston's Oveta Culp Hobby when the Eisenhower administration takes over.

Gallaudet, the largest unit of the institution, was established by an act of Congress during Abraham Lincoln's administration. It occupies most of the 24 buildings on the 92-acre tract in the heart of Washington. Some are used for the teaching of pupils in elementary and high school grades. And for courses taught teachers of other schools for the hard of hearing elsewhere in the country.

President of Gallaudet is Dr. Leonard M. Elstad. The college is named in honor of Thomas Hopkins Gallaudet, founder of the first permanent school for the deaf in the United States.

Dr. Elstad proudly notes that the students at Gallaudet are well rounded, adjusted young men and women who have passed strict college entrance examinations. Most of them become teachers upon graduation, some are scientists who find jobs in industry.

Many of those now enrolled, like Thornberry's own parents, lost their hearing with a serious illness during infancy. Some, with vocal cords impaired, are taught limited speech.

The Texas students in Gallaudet are: Miriam Bredahl, 3300 Brooklyndell Ave., Dallas; Robert Chesney, 365 South Fleming, Dallas; Billy Ewing, 1423 Marfa

Around the Capital: The Catholic chaplain at Arlington National Cemetery, is Maj. Emmett Walsh of McAllen, decorated veteran of both World War two and Korean campaigns.

In his present role Father Walsh is known as the "Marrying and Burying" padre. He officiates at the military funerals in Arlington National Cemetery. The chapel at Fort Myer, where most of the top military brass lives, is the scene of many of the most celebrated weddings in this area.

The inaugural stands and seats out in front of the capitol, which will be used for about 30 minutes when President-elect Dwight D. Eisenhower takes oath of office Jan. 20, are being constructed by a builder with a low bid of \$99,667.

Rep. Walter Rogers of Pampa, surveying the scene as carpenters and painters scurried about, jotted down this note for use in his weekly newsletter:

"There appears to be enough lumber being used to construct a sizeable barn for all of the farms in a couple of Texas Panhandle counties."

Rep. Wright Patman of Texas says that the Texarkana Reservoir, scheduled for completion in September of 1954, should attract over a million visitors a year. Attributing this estimate to army engineers, he adds that work will commence soon on clearing 15,800 acres of bottom land in the reservoir area. He notes that Lake Texoma, near Denison on the Red River, attracted 3 1/2 million visitors last year, more than any national park in the U.S.

How Can I?

By Anne Ashley

Q. How can I take proper care of the carpet sweeper?

A. Be sure, when cleaning the carpet sweeper, to cut all the lint and hair from the brushes. After the boxes have been emptied, wipe them out with a cloth dipped in kerosene, and also rub some of the oil over the bristles of the brushes; this will prevent dust from rising while sweeping.

Q. How can I remove all the sand from spinach?

A. When it is the intention to cook spinach immediately, wash it several times in hot water instead of cold. The hot water is more effective in removing the sand and dirt.

Q. How can I clean a pen point?

A. Keep a small bottle of ammonia at hand. Dipping the pen into this will make it as bright and clean as new.

Q. How can I freshen leather furniture and keep it from cracking?

A. Put into a bottle one cup of vinegar and two cups of boiled linseed oil. Cork securely and shake until creamy. Apply sparingly and rub into the leather with a soft rag or flannel, and polish with soft duster. Never use gasoline to clean leather as it will crack it.

Q. How can I make use of spoons?

A. Splendid holders for towels, aprons, and such things, can be made by screwing several large spoons on the back of the collar door. This type of holder eliminates any possibility of rust.

Q. What is a good tonic for the liver?

A. Try drinking the juice of one-half a lemon in a cup of hot water, the first thing upon getting up of a morning.

Q. How can I mend broken marble?

A. Make a very stiff paste by mixing Portland cement with water. Clean the edges of the marble thoroughly, then put the cement on both edges, press together very tightly and tie together until the cement has set.

Q. How can I avoid knotting the end of darning cotton when mending stockings?

A. A knot is unnecessary if the end of the darning cotton is moistened to prevent its slipping through. Avoid making knots in the thread as they are hard on the feet.

Q. How can I relieve a headache?

A. Relief from headache can frequently be had if a cold water bandage is applied and the person lies down in a darkened room for a half hour.

Q. How can I make a good salad dressing for cabbage or fresh salad greens?

A. A dressing can be quickly made by mixing powdered sugar in sour cream, with vinegar added to taste.

SUMMERFIELD NEWS

Christmas Parties And Visitors Numerous In Summerfield Area

By Bobbie Wajser

Mr. and Mrs. Ray Johnson spent Christmas with their daughter and family, Capt. and Mrs. L. P. Hansen and David, of Lubbock.

Mr. and Mrs. C. J. Lance of Amarillo, spent the Christmas holidays in the home of C. J.'s parents, Mr. and Mrs. Earl Lance and family.

Mr. and Mrs. R. L. Hatcher and family of Amarillo spent the holidays with Mrs. Hatcher's parents, Mr. and Mrs. L. P. Counselman.

Christmas Day visitors in the home of Mr. and Mrs. Lee Curry were Mr. and Mrs. John Black of Amarillo, Mr. and Mrs. Luther Foust and Walter of Plainview, Mr. and Mrs. Guy Wajser and family and Joe Woolery of Hereford.

The annual Christmas tree of the Summerfield Baptist church was held Tuesday night, Dec. 23. Members of the church put on a small Christmas program. Those taking part in the play were: Mr. and Mrs. Johnny Fields, Mr. and Mrs. Jack Streun, Carl Lee, Charlene Lee, Mrs. J. M. Wright, Jerry Bea Noland, Mrs. D. C. Wajser, Ann and Bill Leekingbill, Mrs. K. W. Neill, Gene Streun, J. B. Noland and Nan Longbottom.

After the program, Christmas carols were sung, while visitors awaited the arrival of Santa. When he arrived, candy and gifts were passed out. There were about 50 present.

The annual Christmas party of the Wajser-Lance was held in the Guy Wajser home Christmas Eve night. Santa's helpers, Gloria, Carol and Bobbie Wajser, distributed the gifts. Afterwards, "42" was played and refreshments were served. Those present were: Mr. and Mrs. S. L. Wajser; Mr. and Mrs. S. J. Crump and daughter; Mr. and Mrs. Jim Clark, Leaton and Richard, all of Hereford; Mr. and Mrs. C. J. Lance of Amarillo; Mr. and Mrs. Earl Lance, Jerry and Ann; Mr. and Mrs. C. E. Wajser; Mr. and Mrs. Delbert Bowin and family; Mr. and Mrs. D. C. Wajser, Gloria and Carol; W. H. Wajser and family; Mr. and Mrs. Lee Curry and the Guy Wajser family of Summerfield.

Mr. and Mrs. J. C. Clearman and family spent the Christmas holidays in Arizona visiting relatives.

Mrs. Lee Kendall is at the home of her daughter, Mrs. Ky Lawrence. Mrs. Kendall has been in the hospital in Hereford for some time.

The children south of Summerfield had quite a thrill Tuesday night, Dec. 23, when Mr. Santa Claus paid a visit to several homes. The Frank Huckerts were having a family party when Santa dropped in to see them with his pack on his back and gave out candy. The children had their pictures made with Santa, then he went on his way to other homes.

Those present at the Frank Huckert party were Mrs. Joe Huckert Sr. and Mrs. Joe Huckert Jr., and family, Mr. Hardesty, Mr. and Mrs. Ralph Sears and Mr. and Mrs. Frank Huckert and family.

Beauty at Home

By Lynn Carter

Q. Are chin straps good for helping to reduce double chin?

A. Sometimes they help. You can tie firmly around your face several thicknesses of gauze, soaked in chilled witch hazel. The best remedy, however, is the habit of carrying the head erect, chin up.

Q. My lips are chapped and cracked most of the time. Could this be due to the kind of lipstick I use?

A. It could be. You might try using an oilier lipstick.

Q. How can I remove a yellowish tinge from my graying hair?

A. After shampooing as usual, dissolve about two tablespoons of bluing flakes in hot water and mix with your shampoo into a fluffy froth. Then dip your head into this and massage well through the hair. Rinse in clear, lukewarm water.

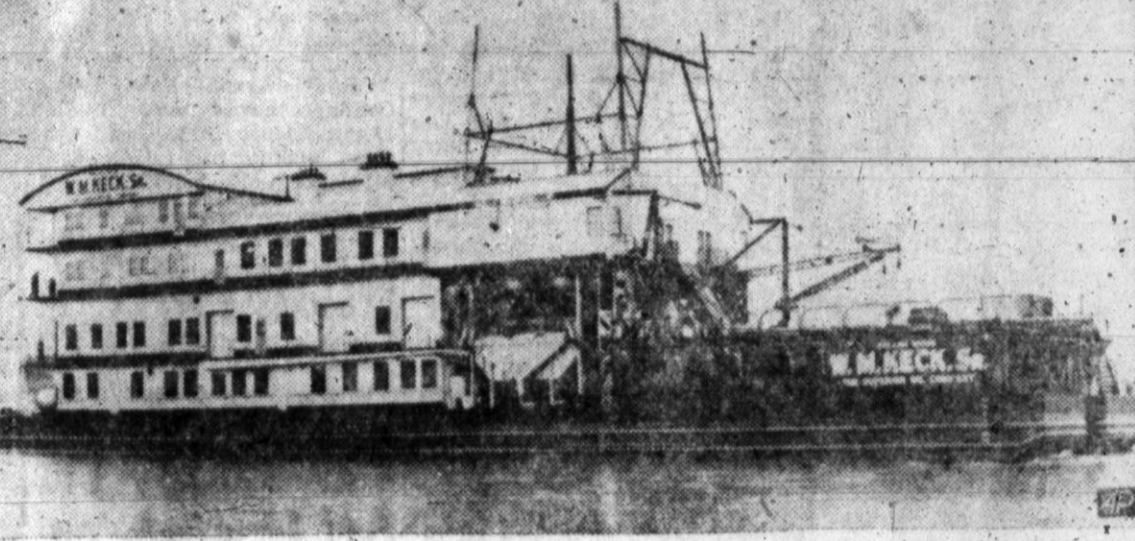

Q. When applying my makeup,

when should my powder be put on? A. When making up, after a thorough cleansing of the skin, apply the powder first and last. The first application is protective, and the last is cosmetic.

Sleep North-To-South And Live Longer Say Commerce Grocer

Commerce grocer has started a lot of people doing the most pleasant kind of research they can think of. They're sleeping. The grocer, Arthur C. West, had reason to believe that persons who sleep north to south sleep better and live longer than those who sleep east-west. He got this idea when he was in the service. He slept in a barracks with a number of other men. One morning he noticed that when his bunk was turned north to south, he felt better the next morning and seemed to have more energy. He noticed that other men who slept in the north-south direction seemed to move faster than the east-west sleepers. This brought to West's mind an experiment he saw in a college physics class before the war. The physics professor held a curtain rod in a north-south direction

and tilted it toward the ground. By hitting a few blows on the raised end of the rod, the professor magnetized the curtain rod. Turning the curtain rod east and west and hitting it with the hammer, the professor demagnetized the rod. West wondered if persons also didn't acquire a certain amount of magnetism when they slept with the magnetic currents that flow north and south. Did that affect their sleep, and their health? West studied psychology in college. The army made a psychologist out of him. He queried a number of soldiers and their answers added to his theories of north-south sleeping. Since the war he has given much thought to his theory. Last August 15, by a letter in the Letters to the Editor column of the Dallas News he asked if others had experienced better sleeping in a north to south direction. The response has been overwhelming. More than a hundred wrote him letters, and at least another hundred came to his grocery store from all parts of Texas as just to discuss the sleeping theory. West was surprised to learn that his theory was not new. Some of the writers and callers said they were told by their grandparents to sleep in the north and south direction. Four letters from persons over 90 years old said they were still in good health and testified that they attributed great value to north-south sleeping. One of the letters came from a college president, and two from prominent naturalists. And daughters of two physicians wrote that their fathers had believed in north-south sleeping and had recommended it to them years ago. A letter writer said steel corporations stack steel rails in a north-south direction because they find it reduces rusting. One man said he had read a book that cows give more milk if kept in north-south stalls; and that crops produce better if planted in rows in that direction. Two brothers wrote that they have slept in opposite directions for years. The one sleeping north-south cannot wear a wrist watch unless it has insulating jewels. The other who sleeps east-west has no trouble keeping a wrist watch running. And a number of the letter writers said they started sleeping the north-south direction since reading West's letter in The News, and they have slept better after trying the experiment.

JAN. 3rd! First Showing of the

NEW FORD TRACTOR Golden Jubilee MODEL

- MOST ADVANCED Hydraulic System in any Tractor! EXTRA POWER with New Overhead Valve Engine!

Yes, it goes on display Sat., Jan. 3rd, ready to show you what a really modern tractor can and should be. It's ready with extra power, extra size, extra weight. It's ready to demonstrate new handling ease, comfort and convenience.

It's ready also to introduce you to the most advanced hydraulic system in any tractor. We call it Live-Action Hydraulic Control. That means split-second hydraulic response any time the tractor engine is running. Then there's a choice of hydraulic speeds when you want even faster action. It is called Hy-Trol.

This new tractor is ready with its great new overhead valve Ford "Red Tiger" engine. With its greatly reduced piston travel, lessened friction and other advanced design features, this engine develops ample reserve power with new economy of gas and oil. But it would take a full hour to tell you of all the features and advantages of this new engine—let alone the rest of the tractor.

Most important of all, Ford's Golden Jubilee Model is eager to show you what it can do—what this great combination of modern advancements and every time-proved Ford Tractor advantage means in more and better work, done more easily and more profitably.

Don't miss this first showing! Come in and get all the good news, firsthand. Why not make it Saturday for sure?

- YOU'VE NEVER SEEN A TRACTOR TO MATCH THIS! Built-in Live-Action Hydraulic System, with Constant Draft Control, Implement Position Control and Manual Touch Control. Provision for complete range of remote hydraulic cylinder applications. Hy-Trol, for extra fast hydraulic response. New lightning-fast governor. New weatherproofed ignition. New rotating exhaust valves. New live PTO. 3-Point implement hitch. New streamlined, row-vision hood. New extra-size differential and rear axle gearing. Sefec-Trol for hydraulic control of front and rear mounted implements. A lot more!

 Wednesday morning when J. O. Newell went to open his dry goods store, he found that he had one early morning customer who was evidently determined to be the first to enter, even going so far as to dispute Mr. Newell's right of entrance. This customer was one of the species commonly known as "putoris putoris" or as translated in scientific jargon, "skunk."

Further indication that the merits of the cattle bred in this region are gaining widespread fame was furnished last week when a representative of the Texas A. & M. College was sent here for the purpose of selecting a bull to use on half sisters of their grand champion steer, with the view of producing another winner.

The bull selected was from the

herd of Doyle Rose, and is known as Prince Axtell No. 1383779. He has been loaned to the college until April.

Citizens of the Black community voted "No" by a large majority on the election held there Thursday for the purpose of authorizing bonds in the sum of \$30,000 for the erection of a new two-story school building there. If authorized, the Black school district would have built one of the finest small school buildings in the Panhandle.

After two days of fog and heavy mists, rain to an estimated depth of three-tenths of an inch fell here Tuesday, breaking a drought of more than three months. The rain was reported general throughout the Panhandle section. Wheat farmers are hopeful that with a little more moisture, that vast acreage now win wheat

The Gem City of the Plains is about to pass out of the old year into the new with a record of building and other evidences of prosperity unprecedented in the history of the Plains. Not only has the city grown in the matter of erecting residences and business houses, but she has grown in strength of character. Her gain in citizenship has been most satisfactory in every way.

Speaking of general publicity and judicious advertising, relative to the Plains country and the Palo Duro National Park movement, J. D. Dickinson, staff correspondent for "Mid-Continent" said:

"I know of no better way of convincing Congress than by giving facts and figures about the wonderful gorge. An aggressive campaign of publicity along the same business lines would accomplish the desired result. As to the Plains country in general I believe every commercial club in the Panhandle should enter into

a close compact with a view to giving the supposedly arid plains a place among the leading agriculture states in the Union. The 44 counties comprising the Plains should have full representation when it comes to advertising the resources of this great country."

 Timely Tips

1. To vary ambrosia, slice bananas into the serving dish. Squeeze the oranges and pour juice over the bananas. Then sprinkle with sugar and coconut. When prepared by this method, the sliced bananas and orange juice may stand in the refrigerator for half an hour, or so, as the orange juice prevents the bananas from becoming discolored.

2. Oranges are an excellent source of vitamin C. Plan to use them often while they are in season.

3. Orange juice is extracted from oranges, store in the refrigerator in a tightly covered container to prevent loss of vitamin C.

Raymond Morrison of Riverside, Calif.; Mr. and Mrs. Wayne Little of Pipestone, Minn.; Mr. and Mrs. Van Coltharp and Pamela of Littlefield; Mr. and Mrs. Ernest Adams, Jeanie and Richard; Mr. and Mrs. Clayton Brown and Jay of Lubbock; Mr. and Mrs. Arthur Shaffer, Gordon and Linda; Royda Boyd of Hereford; E. H. Little of Friso; and Mrs. M. S. Roe and boys, Monty, Wendell and Edsell of Hereford.

Those present from this community were Mr. and Mrs. Elmer Combs, Eugene and Billy Don; Clifton Combs; Mr. and Mrs. Paul Rudd; Mr. and Mrs. Kenneth Rudd and Teresa; Mr. and Mrs. Harold Rudd and Lynn; Mr. and Mrs. Joe Wagoner, Gayle, Ann and Joe Bob; Mr. and Mrs. Van Coltharp and Pamela; Mr. and Mrs. Elvin Wilson, Mickey, Darlene and Diane; Mr. and Mrs. Jimmy Thomas, Diedra, Dan and Deborah; Mr. and Mrs. J. C. Morrison, Ralph, Mary Lynn and Judith; Mr. and Mrs. Robert Boyd, Frank, and Francis; Mr. and Mrs. Merlan Kaul, Larry and Walter.

Mr. and Mrs. Joe Landers and Ross Joe left Tuesday morning for Wewoka and Okemah, Okla., where they went to spend Christmas with Joe's mother and other relatives.

Pfc. Raymond Morrison arrived on Christmas Eve from Riverside, Calif., to spend Christmas with his parents, Mr. and Mrs. J. C. Morrison. He came to Vega and his parents met him there and visited in the L. G. Thuest home. Mr. and Mrs. Elmer Combs, Eugene and Billy Don, and Clifton Combs went to Plainview Christmas Eve, where they spent Christmas with their parents, Mr. and Mrs. W. E. Combs. They returned home Friday night.

Mrs. Joe Wagoner entertained with a breakfast at her home Saturday morning, honoring Mrs. Grady Wilson and Mrs. Hughes Millard of Faith, S. D. and Mrs. Van Coltharp of Littlefield.

Coffee and cocoa were served with Christmas sweets at the

dining table, which was centered with an attractive Christmas centerpiece.

Those present included the honor guests, Mrs. Grady Wilson, Mrs. Hughes Millard and Mrs. Van Coltharp; Also Mrs. Kenneth Rudd, Mrs. Harold Rudd, Mrs. Paul Rudd, Mrs. Elmer Combs, Mrs. Elvin Wilson and Mrs. Merlan Kaul. Present from Hereford were Mrs. Arthur Shaffer and Mrs. M. S. Roe.

Mr. and Mrs. Joe Wagoner entertained members of their family at dinner on Christmas Day. This was the first time Mrs. Wagoner's family had all been together on Christmas in eighteen years. Those present Thursday for the festive occasion were Mr. and Mrs. Joe Wagoner, Gayle, Ann and Joe Bob; Mr. and Mrs. Van Coltharp and Pamela of Littlefield; Mr. and Mrs. Arthur Shaffer, Gordon and Linda; Mrs. Zona Turner; Delton Cochran; Marjorie Shaffer, all of Hereford and Joe's mother, Mrs. Ed Wagoner, and his brother, Victor, of Groom.

The Wagons entertained at a dinner on Christmas Eve. Mrs. Ed Wagoner and Elaine of Hereford.

Mr. and Mrs. Joe Wagoner and family and Mr. and Mrs. Van Coltharp and Pamela were dinner guests Saturday in the Arthur Shaffer home in Hereford.

Mr. and Mrs. Elvin Wilson were hosts at a Christmas dinner, in their home on Thursday. Their guests included Mr. and Mrs. Grady Wilson and Norma Sue; Donald Dean Wilson of Fort Bliss; Mr. and Mrs. M. S. Roe, Monty, Wendell and Edsell; and Mr. and Mrs. George Roberson of Hereford.

Mr. and Mrs. Hughes Millard and children, who are visiting friends and relatives this week in this vicinity, were dinner guests in the Wilson home on Friday.

Mr. and Mrs. Ralph Durstine of Friona spent Christmas Day in the home of Mr. and Mrs. Merlan Kaul.

Donald Dean Wilson and Hum-

er Rudd, who are stationed at Ft. Bliss, came home in time for Christmas to find Santa Claus and to have dinner with their parents, Mr. and Mrs. Grady Wilson and Mr. and Mrs. Paul Rudd.

The Paul Rudds are enjoying a wonderful Christmas gift that of moving into their new home in time to have the family Christmas tree and dinner. Enjoying Christmas dinner with them was their family, Mr. and Mrs. Kenneth Rudd and Teresa; Mr. and Mrs. Harold Rudd and Lynn; Homer Rudd of Ft. Bliss; J. B. Little; Mr. and Mrs. Curt Griffin and Mr. and Mrs. Crawford Howard and Flash of Amarillo.

Mr. and Mrs. Kenneth Rudd and Teresa went to Odessa Sunday, where they visited until Wednesday in the home of her parents, Mr. and Mrs. W. A. Sims.

Mr. and Mrs. Gene Roach and Wallace of Tatum, N. M., came Christmas night and visited until Monday in the Bess Werner and George Turpentine home.

Mr. and Mrs. Preach Merritt and G. C. moved last Monday to the former Hartman place, recently vacated by the J. B. Sneed family.

The Robert Boyds had all their family home for Christmas Day. Here from Lubbock were Mr. and Mrs. Ernest Adams and children, Jeanie and Richard, and Mr. and Mrs. Clayton Brown and son, Jay. Other visitors in the Boy home on Sunday included Mr. and Mrs. E. J. Duncan of Pampa and Mr. and Mrs. P. H. Luck of Hereford.

Elmer Combs and Preach Merritt took their sons Bill and Eugene and G. C. Merritt Jr., to South Texas Tuesday to go squirrel hunting.

Mr. and Mrs. Jimmy Thomas and children returned home Friday from Post, where they had spent Christmas in the home of Jimmy's mother, Mrs. Tol Thomas Sr.

Dinner guests in the Merlan Kaul home Sunday were Rev. and Mrs. Guy Patterson and Marie of Canyon; Mr. and Mrs. Clarence Morrison, Ralph, Mary Lynn and Judith; and Mr. and Mrs. Jimmy Thomas, Diedra, Dan and Deborah.

Mr. and Mrs. Gerald Townsend and family of Summerfield spent

Christmas Eve here in the home of his brother, Johnny Townsend. All exchanged gifts from the Christmas tree. On Christmas Day the Johnny Townsends had Christmas dinner in the home of the Gerald Townsends at Summerfield.

Mrs. Ray Halton was a guest in the home of her parents, Mr. and Mrs. Rex Lee Wilson from Christmas Day until Sunday. The Wilsons took her to Plainview Sunday where she met Mr. Halton and returned to her home at Crosbyton.

The community had its first "White Christmas" since 1939. Heavy sleet on Christmas Eve

soon turned to snow and covered the ground to a depth of four inches. The cold weather all Christmas was well, the snow blanket, but with warmer temperatures the first of this week, most of the snow on the level melted.

County workers have trimmed the mile long row of trees along the road on the Fraser farm and had started grading the Giltbreath road before the snow last week.

Several members of the family enjoyed a hearty dinner in the home of Mrs. Florence Parr, Sunday, Dec. 28. Those present were Mr. and Mrs. E. H. Galpin and daughter, Mrs. James Moore

and grandson, Daryl Lynn Moore of Muleshoe; Mr. and Mrs. Bruce Parr, Ira, Iva Ben and Donna Jo Parr of Friona; Mr. and Mrs. Wayne Higgins, Paul, Janet, Linda and Marilyn Kyla of Wildorado and the hostess.

Mrs. J. B. Jones left Monday for Ontario, California, for an extended visit with a brother, Austin Van Wye, and other relatives. She will be joined there for the New Year holiday by a sister, Mrs. Chas. Lockhart of Oakland. Mrs. Jones will also visit the sister in Oakland before returning to Texas.

Owners Are Our Best "Salesmen"! NEVER could we tell all the wonderful things about Nash as forcefully as do Nash owners. And the more they travel—the more enthusiastic they are. They talk about performance second to none. They talk about the world's finest ride. They talk about the life-saving safety of Airflyte Construction. They talk about beauty, about room, about luxury, about economy unmatched by any other automobile in the world today. Read these wonderful unsolicited reports about Nash. But—better yet—drive a Nash Golden Airflyte for yourself. ... the Ambassador, Statesman or Rambler. Learn first hand about such exclusive features as Farina styling, Airflyte Construction, Airliner Reclining Seats, Twin Beds, Weather Eye Conditioned Air System, and dozens more. Come in today. Take an Airflyte ride in the world's most modern car. Once you do, you'll be enthusiastic about Nash, too!

"TAKES A BACK SEAT TO NONE" "I have driven my 1952 Nash Ambassador 12,000 miles ... my sixth Nash and by far the best ... As McCull says, 'It has the finest shockproof ride in the world' and it takes a back seat to none on hills, for speed or roadability ... P.S. Mrs. Leu drives a Nash Rambler." ELMORE H. LEU, Fond du Lac, Wisc.

"30,000 MILES ... \$9.32 REPAIRS" "After 30,000 miles of hard driving in less than one year ... the total amount of repairs on my Nash Rambler has been \$9.32, which to me is almost unbelievable." G. DARWIN KITCHEN, Huntington, W. Va.

"EIGHT OF US" "... I found seven of my friends from camp stranded ... all their luggage on top of my golf bags and baggage fitted neatly into the roomy trunk (1952 Ambassador). All eight of us, four in front and four in back, were seated without anyone sitting on anyone else's lap." SFC LEON E. ROSENTHAL, Camp Pickett.

"32.3 MILES PER GALLON" "I drove from Beloit to Minocqua, Wisc., (275 miles) on 8.8 gallons ... 32.3 miles per gallon ... at 50 miles per hour ... Around town, I have been getting 25-27 ... I have found my Rambler to have excellent riding comfort and it's a joy to drive." MARGARET ANKERSEN, Beloit, Wisc.

"HELPED SAVE ME" "Car turned over three times ... received only a few scratches ... It helped save me ... for security in the event of an accident, there is no better construction than Nash ..." ARTHUR S. HARGETT, Baltimore, Maryland.

"CAN'T BE BEAT" "I have owned 14 Nash cars ... they are the best cars I have ever driven and I have owned and driven nearly all other makes and models ... for riding, economy, and for speed under all kinds of driving encountered in police work ... they can't be beat. They're tops." Chief of Police, HAROLD WALLACE, Sikeston, Missouri.

AS A USED CAR, TOO, NASH IS TOPS! Here's what men say who know used car values—used car dealers and auctioneers. "The hottest car on Used Car Lots." O.K. AUTO AUCTION, Cleveland, Ohio. "We operate one of the largest dealers wholesale auctions in the world ... and among used car dealers the Nash line is always in demand. The only complaint we have is that we don't receive enough Nash Ramblers." WITTS AUTO AUCTION, Decatur, Illinois.

WALTER ROGERS REPORTS:

Budget and Billions Worry Congressman, Also Dollar Valuations Next Few Years

BRIEF HISTORY OF GOVERNMENT RECEIPTS AND EXPENDITURES SINCE 1945: The 1945 fiscal year, which was the last year of World War II, recorded receipts of 44.8 billion dollars with expenditures of 98.7 billion dollars, resulting in a deficit of 53.9 billion dollars. In 1946 the receipts were 42.2 billion dollars, and expenditures only 33.8 billion dollars, leaving a surplus of 8.4 billion. However, in 1949, the expenditures were 40 billions, while the receipts were only 38.2 billion, leaving a deficit of 1.8 billion. In 1950 the expenditures again reached 40.1 billion dollars, while the receipts were only 37 billion, leaving another deficit of

3.1 billion. This was the year in which the Korean War began. However, 1951 showed a surplus of 3.5 billion, the expenditures in 1951 being 44.6 billion while the receipts were 48.1 billion dollars. The affects of the Korean War began showing up in 1952, when the deficit increased to approximately 8.2 billion, the expenditures being fixed that year at 70.9 billion, the receipts at 62.7 billion. In 1953 it was estimated that the deficit would increase to 14.4 billion as the expenditures were estimated at 85.4 billion, while the receipts were estimated at approximately 71 billion. Numerous cuts in the 1953 budget reduced the proposed expenditures to ap-

proximately 79 billion and it is estimated that only approximately 69 billion will be taken in. This would mean a deficit for 1953 of approximately ten billion dollars. The new budget, will of course, be the source of many headaches. As I pointed out in a previous newsletter, approximately 85% of the expenditures went for past wars, present wars and preparedness for future wars. This figure includes not only present military expenses but the international program, the interest on the public debt, and the veterans program, the interest on the public debt alone being in excess of six billion dollars. The biggest headache is to create a budget that is not in excess of receipts. If this is done, it will mean that approximately ten billion dollars must be cut out of present expenditures. When this ten billion dollars has been cut off, the result will be a balanced budget. In other words,

ADDS TO MIG SCORE ... Col. Royal N. Baker of McKinney, Tex., commanding officer of the Air Force Fourth Fighter Interceptor Group in Korea, recently scored his eighth victory over Russian-built MIG's. The Sabrejet pilot was the 21st jet ace of the Korean war. (U. S. Air Force Photo via AP Photo)

the expenditures will be equal to the current receipts. This simply means that a ten billion dollar cut standing alone will not leave any surplus for payment on the principal of the public debt nor for present tax relief. In order to make some appreciable payment on the principal of the public debt and also give some slight relief to the taxpayer, it will be necessary that a cut of approximately 20 billion dollars be effected. If such cut is made, and is in turn absorbed by the divisions of the government on the same percentage as these divisions are presently spending money, it will mean that 17 billion dollars must be absorbed by the military and approximately 3 billion dollars by the general government. It has been my thought for a long time that some legislation should be enacted requiring some percentage of each year's receipts to be applied to the payment of the principal of the public debt. It is only by such method that the public debt can be measurably reduced in the next ten to fifteen years.

We must by some means widen the area between the public debt and the national income. The national income is a fluctuating item, while the national debt is a fixed sum which must be paid dollar for dollar, regardless of the value of the dollar. Unless we reduce this debt to some degree by payment of dollars under their present value, we may well find ourselves in a few years paying 80-cent dollars in return for the use of 100-cent dollars. This certainly would not be good business and would be a tremendous burden on the taxpayer.

I know that this information at this time of the year is probably not in keeping with the spirit of joy and happiness that should prevail. However, I do feel that we must be realistic, and that by so doing we can enjoy greater happiness in the future. It is only by meeting our obligation that we can hope to obtain the happiness that should permeate our lives.

BUICK'S GREATEST CARS
IN 50 GREAT YEARS

It has, also, wondrous handling ease, with Power Steering as standard equipment. It has superb comfort. It has sumptuous fabrics and tailoring. And its acoustics are so thoroughly mastered that it may well be one of the world's most quiet cars.

But no listing of facts can do true justice to this phenomenal automobile, or to its brilliant brothers, the 1953 SUPERS and SPECIALS.

And no words can really tell you the beauty you see, the comfort you feel, the excitement you experience—when you look at and drive any one of these big, beautiful, bounteous Buicks for 1953.

Will you come in and see for yourself that these are, in simple truth, Buick's greatest cars in five brilliant decades?
