Duties Effective April 1

Briscoe Names Gulley District Judge

By **BOBBY TEMPLETON**
Brand News Editor

Hereford attorney David Wesley Gulley received word Monday that he has

been named the presiding judge of the new 22nd State Judicial District Court carved out of Deaf Smith and Oldham Counties.

An Associated Press wire story also confirmed this morning that he was among 24 new state district judges and attorneys appointed by Gov. Dolph Briscoe Monday. The appointments were authorized by bill SB 330 which was signed into law last week after House and Senate approval. It created 23 new district courts.

THE TWO-COUNTY DISTRICT is a part of the six-county 69th Judicial District which also includes Hartley, Dallam, Moore, and Sherman counties. As of April 1, that district will be composed of these counties with Judge Mike Metcalf of Dumas presiding.

Gulley, 45, is now the corporate business manager and legal counsel for George Warner Seed Co. here. He served with the Witherspoon, Aikin, and Langley for eight years beginning in 1968 when he became an associate there. He joined the firm as a partner in 1971.

He was among four area attorneys seeking the post. Others included Rex Easterwood and Bruce Miller of Hereford and Dick Brainerd of Vega (Oldham County). Easterwood had been backed by the Hereford Bar Association although Gulley claimed wide local support.

The duties of the judge become effective April 1, when the district is activated by law. The judge's appointment ends several years of attempts by local lawyers to get a court here. It began when the 69th district attorney's position was split into two posts with a resident attorney here and one in Dumas. Andy Shuval has served as District attorney here since its inception.

Judges appointed to other courts in West Texas and the Panhandle are: 223rd District Court Judge Don E. Crain, Pampa, 237th District Court Judge, John R. McFall, Lubbock, and 238th District Court Judge Vann Culp, Midland.

Senate approval is needed for the appointments but is considered a formality.

"I AM HONORED by the appointment and I will try to do my best to serve the people of Deaf Smith and Oldham Counties," Gulley said. "I will run the court as efficiently and effectively as possible with all my energies devoted to it."

He said that he was notified of the appointment through someone in the Governor's office who had seen his name on a press release listing all the appointments. He said this morning that a call from the Governor's Office today giving official notice the selection.

In the meantime, the next eight weeks will keep Gulley busy. He must organize the court by arranging for a permanent court reporter and adult probation officer as well as set up office facilities at the courthouse. The courtroom is located on the third floor of the building.

This will be accomplished through negotiations with Metcalf and other district officials. Presently, Lola Fay Veazey remains as the district clerk and Harold Wheeler will most likely Gulley has worked in the following probation officer. He serves the 69th District now.

"I want to work closely with the two county commissioners courts in this organization," Gulley said.

THE NEW JUDGE has held numerous different legal positions and holds a wide variety of memberships. He is a graduate of Trinity University, where he received a bachelor of science degree in 1953. He holds a law degree (J.D.) from the University of Texas, a masters degree from UT, and an associated degree from Southwest Texas Junior College.

A high school graduate from Uvalde, Gulley has worked in the following positions: teacher, Sam Houston High School in San Antonio; research assistant, Institute of Public Affairs, University of Texas; assistant, State Comptroller's Office; administrative analyst, City Manager's and Research and Budget

Office, Ft. Worth; and parttime jobs on his father's ranch in Uvalde. He served 21 months in the U.S. Army.

Locally, he has been chairman of the Goals for Progress Committee of the Deaf Smith County Chamber of Commerce, chairman of the Board of Trustees at the Hereford Presbyterian Church, active in the YMCA, past director of the Rotary Club.

He has been honored with a variety of academic and civic designations among which are Who's Who in Junior Colleges, Blue Key and student court judge at Trinity, Phi Theta Kappa national honor society, Phi Sigma Alpha honor Society in Government, and Phi Delta Phi Law Fraternity. He has been a Scottish Rite Mason and Shriner and involved with the American Cancer Society.

He claims legal practice with real estate, commercial, probate, corporate, tax, family, and criminal law matters. He has practiced in state and federal trial appellate courts. He was admitted to the State Bar of Texas in 1965 and is a member of the American Bar Association and the American Judicature Society.

He is married to the former Emma Jane Hampton. They have one son, Cameron David, 5.

Gulley will serve through 1978, when elections will be held to determine the judge. It is the next general election.

Wesley Gulley

update tuesday

Spanish Input Wanted

WASHINGTON (AP) - President Carter, accused of forgetting Spanish-speaking Americans in forming his administration, is meeting with a handful of congressmen to hear the complaints first hand.

Carter arranged to meet today with the five-member congressional Hispanic caucus. Reps. Henry Gonzales and E. Kika de la Garza, D-Tex.; Edward Roybal, D-Calif.; Herman Badillo, D-N.Y.; and Puerto Rican Commissioner Baltasar Corrada.

Roybal said Monday the nation's 16 million Hispanic-Americans have been sorely disillusioned by Carter's high-level appointments. While Carter has appointed two women and two blacks to Cabinet-level jobs, there are no Hispanics in the Carter cabinet.

Carter Assures Governors

WASHINGTON (AP) - President Carter is asking Congress to form a new Cabinet Department of Energy that administration officials say will lodge most of the government's existing energy programs under one roof.

Carter planned to send his request to Congress today.

The legislation would abolish the Federal Energy Administration, the Energy Research and Development Administration and the Federal Power Commission and transfer their functions to the new department, along with parts of seven other agencies that deal with energy.

El Salvador Under Siege

SAN SALVADOR, El Salvador (AP) - Central America's smallest nation was under a state of siege today after troops and police routed thousands of demonstrators demanding a new presidential election.

Authorities said at least five persons were killed and 78 wounded.

President Arturo Armando Molina's right-wing government said a special session of the national legislature approved the government's proclamation of the state of siege late Monday after a week of demonstrations in San Salvador, the capital.

Energy Consolidation Sought

WASHINGTON (AP) - President Carter is assuring the nation's governors they will have "a working relationship" with his administration, but there are signs of strain in that arrangement.

Even as Carter was pledging the governors role in federal policymaking, a handful of governors were complaining that the administration had abruptly canceled water development projects in their states without telling them about it.

weather

West Texas - Partly cloudy and cooler after midweek with moderating temperatures by the weekend. Highs in the upper 40s to middle 60s Thursday warming to the 60s and 70s by Saturday. Lows near 20 north to 40 south.

'Faces, Pampa Collide Tonight

The Pampa Harvesters will be trying to break a severe playoff slump tonight when they face off against the Hereford Whitefaces in a bi-district clash at 8 p.m. in the West Texas State University Fieldhouse.

The Harvesters have been less than awesome in the playoffs, having lost the past two seasons to the District 4-4A champ. The Monterey Plainsmen spoiled the Harvesters in 1975, while Coronado

turned the trick last year.

But, Pampa coach Robert McPherson isn't recognizing any jinx against his team. "I don't think the fact that we lost the last two years will have any bearing on this game," he said.

In fact, McPherson feels that an 11-day rest his team has had will work to the Harvesters favor.

"We gave the kids a rest and now they're ready," he said. "They're hungry for a win in bi-district play."

Meanwhile on the home front Herd coach Barry Arnwine is hoping that layoff will work to his team's favor.

"I think the layoff would have to hurt them some, besides we played in the gym last Friday," Arnwine said.

Pampa will again have a height advantage over the Whitefaces, who have long ago quit worrying about how small

they are.

Postman Ricky Bunton and forward Rusty Ward are both 6-5 juniors, and are joined by seniors Brian Bailey (6-3), Don Hughes (6-5), and Rayford Young (5-10) the team's leading scorer.

Young could be the key to the game tonight with his speed and shooting ability.

"We can't let Young score 25 points or more and stay in the game," Arnwine noted. "If he shoots well and gets a lot of easy baskets it could be a long night for us."

All five Pampa starters average in double figures on the season, and the

(See GAME, Page 2)

County Commissioners Approve Water District, Ambulance Plan

Sale of tickets for tonight's Hereford-Pampa Bi-District basketball game were reported to be brisk today with a total of 249 adult and 120 student tickets having been sold by 10 a.m. this morning.

In addition, student tickets were being sold at the high school.

Larry Wartes, assistant Superintendent of Schools, indicated that tickets would be available at the door tonight and he urged all those who do not purchase tickets beforehand to get there as early as possible.

The doors to the WT Fieldhouse will open at 6:30 p.m.

Routine items faced the Deaf Smith Commissioners Court Monday during a regular session at the courthouse.

The commissioners approved the creation of a water district in the northern part of the county, gave its tentative approval to a policy on local ambulance

service, and agreed to let bids for a jail sound and video system and two pickup trucks.

THE WATER DISTRICT will be known as the Llano Estacado Water District which includes about 75 square acres in the north part of Deaf Smith County. It

encompasses mostly Oldham county.

The court approved the creation through a state legislative bill after hearing a brief presentation by Roy Stevens, who is coordinating the project in Vega. The district will have the legal authority to tax after a vote of the people. The district is not designed for irrigation water use but for domestic (residence and industrial) water use. It is to provide water sources for Adrian, Vega, Wildorado and outlying areas.

Although questioned, the district does not conflict with the existing High Plains Underground Water District, which is for agriculture irrigation purposes. The state legislature will consider the measure in the current session.

Sheriff Travis McPherson approached the commissioners concerning a policy for ambulance service since Gilliland Watson Funeral Home now wants to re-enter the business after leaving it solely to Smith and Co. Funeral Home last year. Tentative approval was given after ground rules are worked out to designate which firm is to answer which emergency calls.

MCPHERSON SAID calls made directly to the homes will be handled by the firm called and that calls channeled to the sheriff's office will be handled on a rotating basis. Specifics will be decided later.

Bids will be advertised for on a audio monitor and video surveillance system for the county jail. Three men were present to discuss what their companies could offer. The sheriff requested four additional video cameras for supervising activity of prisoners in all parts of the jail and an intercom communications system.

Bids will be let and opened March 28 after proper legal advertising. Commissioners Alfred Smith and Bruce Coleman requested that bids be advertised for a pickup truck each. It was approved and these will be opened on March 14. Trade-ins will accompany the purchased vehicles.

In other action, the commissioners: --Approved a budget amendment for a court reporter and appointed attorneys in county court. The expense is \$500 for the attorneys and \$2,000 for the reporter. Funds are available but they were

Mayor Post Draws Two Opponents

Four Candidates File Monday

Anyone keeping up with the local races needs to look fast as three more candidates have filed for Hereford City Commission as of Monday. W. Bartley Dowell, accountant, and Emory Brownlow, general contractor, have filed for the major's position and E. Earl Brookhart, retail store owner, has filed for City Commission place 2.

It provides candidates in every available post up for re-election in the April 2 contests. The filing deadline for positions on the Hereford School Board, City Commission, and the Deaf Smith County Hospital District board of directors.

An incumbent has filed for re-election in the hospital board race as a contestant against three candidates. He is Isaias

Gamez, who has served on the board for one two-year term. He is running against Dr. Gerald Payne, Hap Cavness and Eddie Reinauer Jr., who submitted a joint petition for office. It is an at-large election and candidates are required to turn in petitions containing 50 or more names for ballot listing.

Most of the discussion about town Monday, though, was the race for mayor as Jim Sears announced Monday that he would not seek re-election "under any circumstance." Most of the candidates who filed said they had planned to do so earlier but were waiting until decisions were made by incumbents. With Sears dropping out after eight years service and Brownlow filing for major rather than as City Commissioner place 2, and field was

left wide open.

Other candidates weeking office are: Mayor - Dowell and Brownlow; City Commission place 1 - Paul Abalos (incumbent) and John Matthews; City Commission place 2 - Brookhart, School board place 4 - David Hutchins (incumbent); School Board place 6 - Mack Tubbs; School Board place 7 - Mrs. Trini Gamez and David Pruitt; and hospital board - Payne, Cavness, Reinauer, and Gamez.

Dowell said he has always wanted to be mayor since he has lived here most of his life. The Brown Graham Co. accountant is especially interested in gaining new industry and businesses here. He served on the City Commission from 1968-1972, during which he served under three

different mayors.

He is a member of the First United Methodist Church, past president of the Big Brothers-Big Sisters Inc. of Hereford; Hereford High School graduate, and past president and past Texas-Oklahoma District Lieutenant governor of Kiwanis Clubs. He attended West Texas State University, and is 55-years-old.

Brownlow, 40, is a partner in Brownlow Brothers Construction Co. and is a third generation Hereford contractor. He has served on numerous local boards including the Hereford Planning and Zoning Commission, YMCA board and others. He is a member of the Lions Club, and the Hereford Industrial Foundation.

He cites a wide range of interests while a commissioner during the past two years. Among these is recreational facilities for area children.

Brookhart, owner of the Brogue in Sugarland Mall, has lived in Hereford for the past four years. He came here with the Cimarron Feedyards.

A Rotary Club member, he says that Hereford is the most satisfying place he has ever lived in and wants to participate in civic and local government activities as a means of giving something back to the community.

Before moving here, he lived in Hawaii; Seattle, Wash.; Reno, Nev.; and Phoenix, Ariz. He was either employed in the retail store business or has owned such stores in all these places.

He grew up in Oklahoma and is a member of the Episcopal Church. He attended the University of Washington.

Pancake Assembly Line

The Hereford Lions Club annual "Pancake Supper" brought out another big crowd Friday night at the Bull Barn. Boss Lion Cleo Corlis reported that about 1,700 people came to supper. A pancake production line is shown above, with Lions Bob Gentry, Pat Hughes and Tommy Bowling in the foreground.

Life Raft Saves Men

COCOA BEACH, Fla. (AP)—Two men who spent nearly four days drifting in the Atlantic after their helicopter crashed credit their survival to a \$6-a-day rented life raft the pilot insisted on taking along.

"I told Lee we were only going to be in the air 20 minutes, but he insisted we get the raft and made me put a life vest on," William Bozman, 35, said late Friday after he and Leland Cranmer, 30, were rescued.

They had been missing since Tuesday, when they left Fort Lauderdale on the final leg of a trip from Sparrows Point, Md., to Bimini in The Bahamas for some fishing. Cranmer rented the inflatable raft before they left.

Bozman, president of Tidewater Helicopters in Sparrows Point, told reporters at Cape Canaveral Hospital that the \$305,000 Gazelle helicopter caught fire shortly after they left Fort Lauderdale.

The U.S. Coast Guard began searching late Tuesday, but lookouts were unable to spot the raft in heavy ocean swells. The swells continued through Thursday and caused both men to vomit a lot, said Bozman.

The sea was calm Friday when they were spotted by Coast Guard aircraft which summoned and Air Force rescue helicopter. They were picked up 35 miles northwest of Cape Canaveral.

Game--

Harvesters will provide the Herd with a challenge on defense.

The Whiteface win over Plainview was aided greatly by the Herd being able to control the tempo of the game.

A move to bring the Bulldogs out of their 2-3 zone defense caused a lot of frustration for Plainview, but the Harvesters are totally different type of defensive team.

Pampa uses a tight man-to-man defense and employs a press most of the time.

The Whitefaces, on the other hand, have been welcoming a man defense all year so that they can utilize their quickness and ball handling ability.

McPherson also feels that the foul situation will tell a great deal tonight.

"We can't afford to get in foul trouble early," he contends. "If we can keep our five starters on the floor I feel we should win."

Herd coach Arwin figures to start seniors Mike O'Rand, James Mays, Kenneth Mercer, and Jim Lawson along with junior Kelly Kitchens tonight.

Mercer could be a deciding factor should the 'Faces emerge the winner. The 6-2 jumping jack collected 15 points and 16 rebounds against Plainview last Friday.

Mays has been the Herd's most consistent scorer all year, averaging around 18 points per contest, while Kitchens has added scoring punch as well as directing the Herd offense.

"Deep down I feel that it could be a great ball game," Arwin noted. "Our kids don't feel they really played that well against Plainview. They were pointing to this game I think."

"I don't feel they're ready to call it quits, yet," he added.

Commissioners

included in the general fund.

—Accepted the right-of-way agreement on highway 2943 worked out between property owners. It involves paying farmer Joe Grotegut \$2,750 for several acres of land he is giving up to the county.

A DISPUTE AROSE earlier and he and attorney Wayne Thomas worked out the settlement with the county. The county could have condemned the land and taken it over but they felt compelled to equalize Grotegut's situation since an original

survey of the area was inaccurate and built the road to far over on his land.

The right-of-way is for an extension of the highway.

—Approved Friday, May 27, as the night for the annual Mexican-American senior dance at the Bull Barn. It is for all high school students and interested citizens as a part of a traditional celebration of graduation.

—Approved a gas line for John Perrin in Precinct 4.

All commissioners were present.

Hereford's Sales Tax More In 76 Than State's

Comptroller Bob Bullock announced this week that Texas cities received a total of \$302.9 million in city sales tax rebates last year, a 14 per cent increase over the 1975 calendar year.

The cities received \$264.5 million in 1975, Bullock said.

The totals are included in an analysis prepared by Bullock's office showing the total rebates received by Texas cities for the calendar years 1975 and 1976.

The study showed that Hereford received \$345,628.86 which is an 18 per cent increase over the 1975 figures of \$293,919.01.

The amounts received in 1976 along with the per cent of increase or decrease are shown as follows: Adrian, \$4,293.40, 5 per cent increase; Amarillo, \$5,019,925.34, 12 per cent increase; Canyon, \$129,865.25, 19 per cent increase; Dimmitt, \$194,509.47, 88 per cent increase; Friona, \$65,591.34, 14 per cent increase; and Vega, \$12,550.53, 13 per cent increase.

Police Checking On Two Thefts

City police are investigating two thefts which apparently occurred sometime Sunday.

Mike Williams, a construction firm employee reported the theft of some shotgun shells, pocket knives, nail sets and other items from a residence at 121 Pecan.

Value of the stolen items was set at \$45.

Dixie Hall of Forest Hall Apartment 6 told officers that a CB antenna valued at \$25 was stolen from his truck.

Some towns did show decreases although not significantly. The dramatic increases (high percentages) in some cities resulted from a lack of collection for all of 1975.

The City of Houston led the state in total rebates with a total of \$62.6 million in 1976. Dallas collected \$35.3 million, San Antonio \$18.9 million, Fort Worth \$12.3 million and Austin \$9.1 million.

The City of Sachse topped the list with collections up 444 per cent last year. The cities of Krugerville, Roanoke and Window all received increases in excess of 100 per cent.

Deficit Predicted In Spending Bills

AUSTIN (AP)—Comptroller Bob Bullock has upped his revenue estimate and also told legislators major spending bills now before them would result in a \$304 million deficit.

He raised his tax estimate for the next two fiscal years Monday by \$35 million, a slight increase over the \$2 million projected thus far.

A big element in the increase was a \$69.4 million jump in the estimate for motor vehicle sales tax receipts.

He said when the previous

estimate was made, there were "grave doubts" about the ability of the nation's economy to avoid a severe recession.

"These doubts have largely been resolved on the basis of the slower than expected recovery we experienced during the latter half of 1976. Our new estimate assumes that fiscal 1977 will be another relatively good year for motor vehicle sales, and that fiscal 1978 and 1979 will see moderate, steady growth," Bullock said.

A bill to increase highway financing would dedicate three-fourths of the motor vehicle sales tax to road construction. Bullock jumped his estimate of the total dedication from that bill from \$562 million to \$607 million.

The measure has been passed by the House but has stalled in the Senate, where Lt. Gov. Bill Hobby contends it would absorb too much of the state's anticipated revenue.

All area ministers have been invited to attend a Hereford Ministerial Association meeting at 10 a.m. Wednesday at the First Christian Church.

Dr. Joseph Garms is scheduled to give a talk on pastoral counseling. A luncheon is planned.

Fossils of flowering plants 165 million years old have been found.

When this tree is 25-feet high, the Gas air conditioning you install now will still be in warranty.

Now...there is a 10 year warranty on Gas Air Conditioning!

Install Gas air conditioning now and forget about major cooling problems for at least ten years. And, ten years is a loooong time. Time for children to finish junior high, high school and graduate from college. That's a lot of summers for you to enjoy a cool, comfortable home without worrying about expensive maintenance to your cooling system.

How can we give a 10 year warranty on Arkla-Serrel Gas air conditioning when the other kind offers only five?

The answer is in quality construction and Gas air conditioning's simple operating system. Most of the important parts in an Arkla-Serrel are stainless steel and they are put together by craftsmen. And, there are fewer moving parts to wear out. Gas air conditioning lasts longer, lasts better.

Install Gas air conditioning now and be ready for next summer . . . and the next . . . and the next . . .

Call for a free cooling survey. There is NO OBLIGATION.

A manufacturer's limited warranty on the sealed unit only. Valid on ACB series residential units purchased after January 1, 1977, through August 31, 1977, only.

Obituaries

W.F. PONDER

Services are pending with Gilliland-Watson Funeral Home for W.F. Ponder, 80, who died yesterday at his home.

Ponder was born in Iowa, Nov. 12, 1896 and married Mary Echols on April 7, 1929 at Hale Center. He came to the Westway area in 1937 from Shallowater. A veteran of World War I, Ponder was a farmer and a member of Jehovah's Witnesses Church of Hereford.

Survivors include his wife, Mary, of the home; three sons, Curtis of Hereford, William E. of Commerce, and Andrew of Ozark, Ark.; two daughters, Mrs. Anita Johnson of Hereford and Martha Davenport of Prinville, Ore.; and six grandchildren.

MRS. BRUNETTE McMINN

Services for Mrs. Brunette McMinn, 90, were held Saturday at 10:30 a.m. in Gilliland-Watson Rose Chapel. Officiating was the Rev. E.M. Weathers of Canyon and Jerry Buckner, associated minister of First Baptist Church. Burial was in West Park Cemetery under the direction of Gilliland-Watson Funeral Home.

Mrs. McMinn died Thursday at Deaf Smith County General Hospital.

Born Oct. 10, 1886 in Cleburne, Mrs. Minn came to the Summerfield area in 1901. Her family was among the pioneers of that area. She married J.B. McMinn, Aug. 19, 1906 at Hereford and he preceded her in death in 1949. Mrs. McMinn was a charter member of Summerfield Baptist Church.

Survivors include a son, Perry McMinn of Summerfield, a daughter, Miss Thelma McMinn of Hereford; two grandchildren, Mrs. Gene Streun of Hereford and Bill McMinn of Arlington; four step-grandchildren, Mrs. Calvin Goodin and Mrs. Bill Frazier of Hereford, Mrs. Jerry Barrett of Amarillo and Mrs. Bob Walden of Oklahoma City; four great-grandchildren, seven step-great-grandchildren, and three step-great-great grandchildren.

Palbearers were L.J. Clark, J.B. Noland, Dale Christie, Calvin Goodin, Bill Frazier and Jerry Barrett.

Professor To Speak To Genealogy Group

Peter L. Petersen, associate professor at West Texas State University, will be appearing at 7 p.m. Thursday in the County Library to address the Deaf Smith Genealogy Society. All interested persons are invited.

Dr. Petersen received his Ph.D. from the University of Iowa in 1971 and has been on the WTSU faculty for ten years. In 1975, he was named one of America's outstanding educators.

Dr. Petersen is the author of more than twenty scholarly publications, including a recent study of Norwegian migration to the Texas Panhandle.

La Plata Mavericks To Hold Open House

Open House will be held at La Plata Junior High School Thursday at 6:30 p.m. Parents are invited to take this opportunity to visit with teachers and to tour classrooms.

La Plata's All-School Play will be presented at 7:30 on the evening of Open House. Admission to the play will be \$1 for adults and 50 cents for students. The public is welcome to attend.

At Wit's End By Erma Bombeck

I read somewhere that one of the problems of marriage is that husbands and wives are unable to respond to their differences.

It's called the old "I don't care; it's up to you" or "I will if you want to" blues. Your partner never really knows how you stand on something.

As I recall, it was suggested that a husband or wife spell it out using a scale of one to ten. For example, if your husband says, "Would you like to go to a movie?" instead of shrugging your shoulders and saying, "Makes no difference," you respond by saying "I'm five on attending a movie. Actually, I'm eight on seeing the picture, but I'm two on spending the money now."

What could be simpler: I explained the rating system to my husband and followed it up with, "What would you like for dinner?"

"Farrah Fawcett-Majors."
"Not who, clown...what?"
"How will I know how I feel about dinner until I know what we're having?"

"That's the point. Offer some suggestions."
"Okay, liver is a big 10 with me."
"I hate liver. To me, liver is a minus 2 and you know it. How about meat loaf?"

"Meat loaf with mean is a 6, without meat and a lot of bread, a 2. However, if you feel fish about it, I'll send one of the kids to the Golden Arches which is emerging as a big 10."
"Would it hurt you once to be a 9 about meat loaf?"

"You should talk. In 27 years, you haven't gotten off your two once when I have discussed having liver."
"Lower your voice! We don't have to air our twos and threes to the neighbors. How about an omelet?"

"That sounds like a firm 8 to me."
"Good. We agree. We're out of eggs, so you'll have to go to the store."
"The car is a 0. I'm having battery trouble. That averages omelets out to a 4."

"Okay, we're down to peanut butter. It's a definite 3, minus 1 for being cold. However, it's a plus 2 for nutrition, plus 4 for not being a leftover and a minus 3 for being fattening. That comes out to a 5. Whatya think?"

"I don't care," said my husband.
"I was hoping you'd say that."

WHO'S NEW

Mr. and Mrs. Gary Houk, 1405 16th, are the parents of a son, Bryan Christopher, born Feb. 25. He weighed 6 lbs. 13 oz.

Mrs. and Mrs. Augustine Castillo Jr., Box 374, announce the birth of their son, Augustine III, born Feb. 27 weighing 7 lbs. 11 1/2 oz.

Mr. and Mrs. Max Griego, 112 Avenue H, are the parents of a daughter, Charolette, born Feb. 27. She weighed 7 lbs. 2 oz.

The first known attempt to transmit images by wire was made by Paul Nipkow of Germany in 1884.

Today In History

Today is Tuesday, March 1, the 60th day of 1977. There are 305 days left in the year.

Today's highlight in history: On this date 1781, the American Articles of Confederation were adopted, paving the way for a Federal union.

On this date: In 1562, 1,200 French Huguenots were slain in a massacre at Vassy, France, provoking the First War of Religion in France.

In 1780, the Pennsylvania legislature passed an act abolishing slavery.

In 1867, Nebraska became the 37th state.

In 1872, Congress authorized the creation of Yellowstone National Park.

In 1932, the infant son of Col. and Mrs. Charles Lindbergh was kidnaped from the couple's home near Hopewell, N.J.

In 1954, five Congressmen were wounded as three Puerto Rican nationalists fired wildly from the gallery of the House of Representatives in Washington.

Ten years ago: New York Democratic Congressman Adam Clayton Powell, accused of misconduct, was denied his seat in the 90th Congress by a vote of 307 to 116.

Five years ago: The Supreme Court ruled that the Federal Trade Commission has broad powers to bar unfair or deceptive merchandising practices.

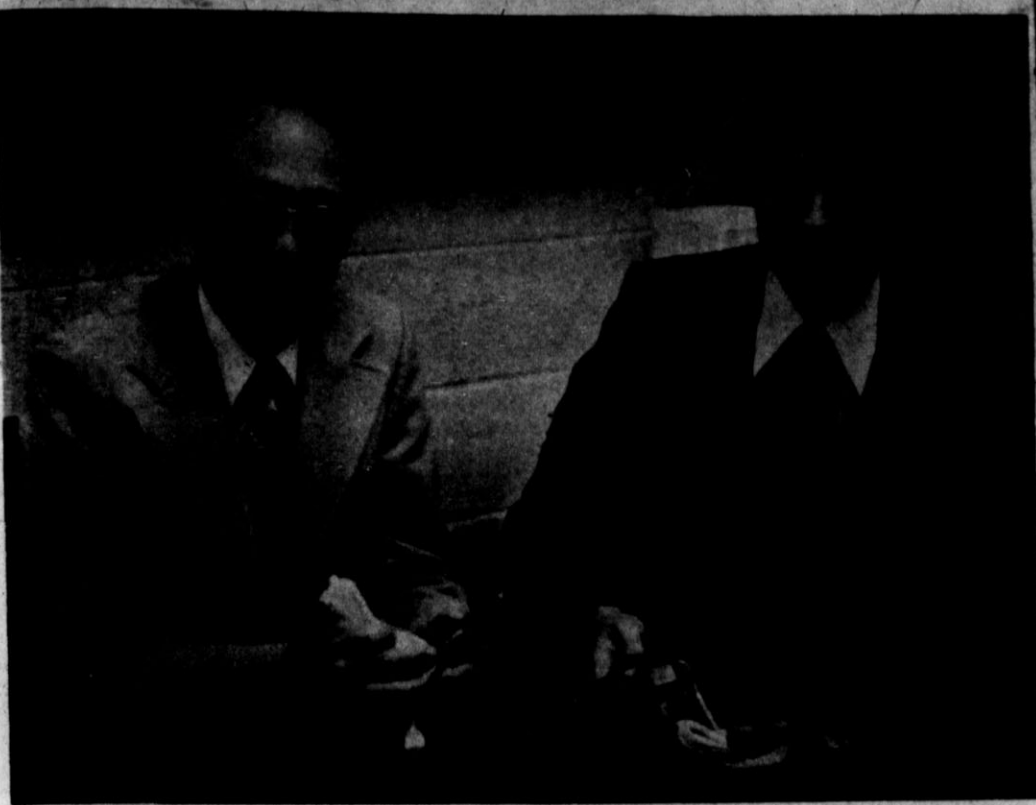

Thought for today: The result proves the wisdom of the act. - Ovid, Roman poet, about 43 B.C. to 17 A.D.

cheese
1/2 cup ricotta cheese
1/2 cup yogurt
6 black olives, sliced
Preheat the oven to 350 degrees F.

Saute onion, garlic, mushrooms and pepper.
Add the beans, tomatoes, spices, salt and wine. Simmer gently for about 30 minutes.

In an oiled 1 1/2 quart casserole, put a layer of tortillas, a layer of sauce, 1 1/2 tablespoons of grated cheese and 4 tablespoons of cheese yogurt mixture. Repeat until all ingredients are used, ending with a layer of sauce. Top with cheese-yogurt mixture and black olives.

Bake for 15 to 20 minutes.
Yield: 4 servings

Kwanis Club Helps

Gene Barkowski, left, presents a set of engravers to Deaf Smith County Sheriff Travis McPherson as a part of a Breakfast Kwanis Club project to help in crime prevention. The electric engravers will be used in the Sheriff's Office to mark valuable items for identification and probably recovery purposes.

EAT for the Heart of It

by Janita Oswald,
Nutrition Task Force Chairman
American Heart Association

Is smoking harmful to your heart? It is so easy to do, and keep doing...lighting a cigarette. It seems casual, debonair, "satisfying." And it can become a compelling habit. It "scratches the itch" in your lungs that the smoking created in the first place.

Cigarette smoking also gives you two to six times greater risk of a heart attack than a non-smoker face.

Back in 1954, an American Cancer Society study of 190,000 men aged 50 to 69 rang a first loud bell of warning. Death comes prematurely to cigarette smokers, it is found. About 25 per cent of these too-soon deaths occurred because of lung cancer, but about 50 per cent came about because of coronary heart disease.

Smoking, that study was saying, has twice the potential of stopping your heart as it does of giving you lung cancer.

Public attention and headlines on that study focussed on the cancer rather than the heart risk. Perhaps dying of lung cancer may have seemed scarier than being blotted out by heart attack.

The message from them all is: Smoking hurts your heart and circulatory system. The risk is related to the number of cigarettes smoked daily, for how many years, and whether you inhale.

Men aged 30 to 59 who smoke a pack of cigarettes a day run twice the risk of having a heart attack as a non-smoker. And smoking more than a pack a day triples their chances, according to pooled results of five major studies of middle-aged men.

The cigarette influence on risk of having a fatal heart attack, compared with a non-smoker, is dramatized in figures from the American

Cancer Society's study of one million Americans and their habits that affect health.

Take one example, men aged 40 to 50. If they smoked half to one pack of cigarettes a day, their chances of fatal attacks were 2.6 times higher than for non-smokers. One pack to two packs a day, the chances rose to 3.8 times higher. More than two packs a day, the risk was 5.5 times greater than for non-smokers.

Middle-aged women who smoke run about three times higher risk of heart attacks than women who don't smoke cigarettes.

The earlier one starts smoking, the higher becomes the relative risk of collision with a heart, various studies show.

Further, despite all warnings, teenage boys and girls are smoking at an increasing rate therefore, increasing their chances of heart disease.

All the people who have managed to quit have demonstrated it truly is a soluble problem, one intelligent way of reducing the risk of premature attack.

Medical evidence is mounting-to supplement the statistical evidence-on how exactly smoking hurts arteries and hearts. Nicotine is known to stimulate release of adrenalin, leading to constriction of blood

vessels, making the heart work harder to circulate blood. Nicotine may reduce blood flow in already damaged arteries. Directly or indirectly, it may promote earlier formation of bloodclots.

In addition, the carbon monoxide in cigarette smoke binds tightly on to hemoglobin, thus interfering with the normal transport of oxygen.

From hundreds of thousands of human experiences, it is possible to quit cigarettes. There are many techniques and methods that succeed once a smoker decides really to stop.

To begin, you put your heart ahead of the easy, casual debonair routine of striking a light, and inhaling smoke to "scratch the itch" in your lungs.

ENCHILADA BAKE
1/2 cup dry beans, cooked
1 onion, chopped
1 clove garlic, minced
5 or 6 mushrooms, sliced
1 green pepper, chopped
1 1/2 cups stewed tomatoes
1 tablespoon chili powder
1 teaspoon cumin seed,
ground
salt to taste
1/2 cup dry red wine
8 corn tortillas
1/4 cup grated mozzarella

BUYING... SELLING... RENTING...

CLASSIFIED ADS

Classified advertising rates are based on a minimum of 15 words. One day is 10 cents per word, \$1.50 minimum. Rates below are for consecutive insertions, no copy change, and apply to solid ads, only, no captions.

| TIMES, RATES | MIN. |
|--------------------|------------|
| 2 days, per word: | 17 2.55 |
| 3 days, per word: | 24 3.60 |
| 4 days, per word: | 31 4.65 |
| 5th day: FREE | |
| 10 days, per word: | 59 8.85 |
| Monthly, per word: | 1.00 15.00 |

Classified display rates apply for special paragraphing, captions, bold type or larger type: \$2 per column inch; \$1.50 for repeat insertions. Monthly rate: \$1 per column inch. Cards of Thanks: \$2. Deadline for classified ads is 4 p.m. daily for the next day's edition; 4 p.m. Friday for Sunday's edition.

For advertising, news and circulation, dial (806) 364-2030.

ERRORS

Every effort is made to avoid errors in Classified Ads and legals... we will not be responsible for more than one incorrect insertion. Advertisers should call attention to errors immediately after the first insertion and in case of errors not the fault of the advertiser, and additional insertion will be given.

Any and All Persons Having and Interest in below described Vehicle Re: 1968 Oldsmobile Vista Cruiser Lic.# Louisiana 63 D 094 (1972-73) Vin.# 348658M366089 Dear Sir: This department has taken into custody the above described vehicle under authority of the Texas Abandoned Motor Vehicle Act. The Texas Abandoned Motor Vehicle Act requires that we notify the last known registered owner, along with all lien holders of record, that the vehicle is in custody. The above vehicle is being held at Frank E. Scott Residence Rt. 4 from whom we have received application to dispose of said vehicle in accordance with the act. Notice is hereby given you, as Owner or Lien Holder of said vehicle, of your right to reclaim vehicle within twenty (20) days after the date of this notice, upon payment of all towing, preservation, and storage charges, as well as repair charges if applicable. Failure to reclaim the vehicle within the time provided shall be deemed a waiver by you of all right, title and interest in the vehicle, and your consent to the sale of the above vehicle at a public auction. Sincerely, Travis McPherson, Sheriff by A.C. Burton, Chief Deputy 173-1c

Tuesday

WILLIAM SMITH plays the sinister Falconetti, nemesis of the Jordache family, in Rich Man, Poor Man — Book II, the continuation of ABC's Emmy-winning novel for television. Tune in each Tuesday (9-10 p.m., EST).

Wednesday

ANTHONY AMOS (left) and AMECHI UZODINMA play two young men brought up in the minstrel tradition on the dramatic music special "Minstrel Man," Wednesday, March 2 (9-11 p.m., EST) on CBS.

**Ann Landers
Youth Needs Discipline**

DEAR READERS: Yesterday's column, filled with letters reporting on the shocking behavior of students of all ages, was depressing to say the least. It would be unfair to let you

slowly in the wind without printing a letter of explanation, with a suggestion on what might be done to improve the situation. Here it is:

DEAR ANN LANDERS: When I read the letter from the Iowa teacher who complained about students being rude, unmotivated and hostile -- and your response (you felt students had shaped up considerably since 1968 and asked "the teachers out there" to let you know if you were wrong) -- I knew you were in for a real shellacking.

College students have shaped up and with good reason. First: The Vietnam war which tore out country and campuses apart has ended. Second: Minorities (blacks and women) are getting a better break. Third: Making a living has suddenly become important. The economic downturn in 1970 made college

students aware of the stiff competition for jobs. The goof-offs decided they had better get with it if they wanted to eat after graduation.

But the grammar school, junior and senior high school students are not concerned with economics, jobs or anything else. They simply behave at school the way they behave at home -- which is to say rotten.

Let's face it. Family life is falling apart and Women's Lib has had a lot to do with it. Mothers have been made to feel inferior if they "do nothing" but stay home and take care of their children.

So the kids are left with incompetent help, or nobody. They grow up insecure, hostile, with no models to learn from. Daddy is divorced or busy working, or there is NO daddy and never was.

A whole generation of young people has grown up with no respect for authority. They do not respect their parents, their grandparents, their neighbors, their teachers, or the law. (The statistics on juvenile shoplifting and crime are staggering.)

The root of the trouble is lack of parental guidance. "As the twig is bent so grows the tree" -- and too many twigs are being bent these days in odd and frightening shapes. We are paying for it in the classrooms.

in juvenile courts and in our prisons.

There were over 75,000 assaults on teachers last year by students. Millions of dollars worth of school property was ruined by vandals and this does not include what was stolen.

Something has gone haywire in our society and it all goes back to the lack of parental guidance. The solution to the problem lies in the home. I say to every mother and father who reads this column, take Ann Landers' advice. She has been telling you for over 20 years that discipline is a special kind of love -- that kids want guidelines, they need to be told how far they can go. They don't want everything they ask for. They often hope you'll say NO. (It takes them off the hook with their peers.) The child who can boss his parents and call the shots is miserable and insecure. He feels unloved -- that nobody cares enough to take charge. What a pity! -- Spoke My Piece

DEAR SPOKE: You certainly did, and I am grateful.

CONSUMER COMPLAINTS

STILLWATER, Okla. (AP) — Consumers who find that home products they've just purchased are defective should be businesslike, not irate, when complaining to the retailer, advises Mrs. Dorothy G. Blackwell, extension home management specialist at Oklahoma State University.

To obtain results as well as emotional satisfaction, call or visit the retailer, Mrs. Blackwell suggests. Consumers should let the merchant know exactly what is wrong with the product with a polite but firm attitude, she adds.

Tar Heels Move Up In Basketball Poll

By The Associated Press
The North Carolina Tar Heels are going places these days and their latest move is in The Associated Press' college basketball poll.

After winning the Atlantic Coast Conference regular season title with an 84-71 victory over Duke Saturday, the Tar Heels completed a wildly successful weekend with a 96-89 victory over 10th-ranked Louisville on Sunday.

Their two-day performance obviously caught the voters' eyes, for they generated enough support Monday to push North Carolina three spots up to No. 6. It was one of the biggest leaps among Top 10 teams.

The top three teams all remained the same in the voting by a nationwide panel of sports writers and broadcasters.

San Francisco, 29-0, remained No. 1 with 1,120 points after beating Seattle 112-77 and Portland 95-92. The Dons collected 50 of a possible 57 first-place votes while No. 2 Kentucky received the remaining seven. The Wildcats, 22-2, beat Mississippi 81-69 and Alabama 85-70 and collected 996 points in the voting.

Michigan, 21-3, remained No.

3 after beating Michigan State 69-65.
UCLA, 22-4, routed Stanford 114-93 and California 91-69 and displaced Nevada-Las Vegas as the No. 4 team. The Rebels, 23-2, beat Denver 99-82 in their only game of the week and slipped to No. 5.

Arkansas, 25-1, edged Texas A&M 63-62 but fell a notch from sixth to No. 7. Providence, 23-3, beat Villanova 84-71 and St. John's, N.Y. 69-66 to vault from 12th to No. 8. Minnesota, 22-3, edged Purdue 84-78 in overtime and beat Illinois 72-70 to advance from 13th to ninth.

Louisville, 21-5, rounded out the Top 10, retaining the spot it held last week. The Cardinals beat Northeast Louisiana 95-65 and Georgia Tech 91-80 before falling 96-89 to North Carolina.

Tennessee, 20-5, defeated Mississippi State 76-68 but fell from No. 7 to 11th. Alabama, 20-4, beat Georgia 78-68 but lost to Kentucky 85-70 to drop from No. 8 to 12th.

Syracuse, 23-3, rose from 15th to 13th, and Cincinnati, 22-4, held on to its No. 14 ranking. Detroit, 24-2, climbed from 16th to 15th.

Rounding out this week's Top

20 were Wake Forest, 20-6; Arizona, 21-5; Clemson, 21-5; Marquette, 18-6 and Utah, 20-6. Oregon, 20th a week ago, dropped out of the Top 20 this week.

The AP Top Twenty

By The Associated Press
The Top Twenty teams in The Associated Press college basketball poll, with first-place votes in parentheses, season records and total points. Points based on 20-18-16-14-12-10-9-8-7-6-5-4-3-2-1:

| | | |
|-----------------|------|-------|
| 1. San Fran 50 | 29-0 | 1,120 |
| 2. Kentucky 7 | 22-2 | 996 |

| 20. Utah | 20-6 | 25 |

Bob Nigh Of Weather And Waiting

It wasn't nice to fool with Mother Nature last week, and as a result the spring sports at HHS suffered measurably. Different aspects of the weather forced postponement of two tennis matches, one track meet, and the second round of a golf tournament as Nature tried to decide whether it was winter or spring.

Coach Steve Thomas' netters were forced off the courts in Plainview last Tuesday due to the dust storm that hit the area, and the team postponed a date with Lubbock High Thursday as the wind continued to blow.

The netters were to try again this afternoon as the Coronado Mustangs were scheduled to come to town for a 2:45 match.

Coach Thomas indicates that the Plainview match will be made up this Thursday in Plainview, and that the lost match with Lubbock may be made up March 17, one day before the Lubbock Tournament is set to begin.

The Hereford boys and girls track teams had the beginning of their seasons delayed following a snow in the area Friday night.

Both teams were scheduled to run Saturday at the Cub Relays in Brownfield, but both coaches Robert Priest and Roy Shipp felt it safer not to make the trip.

A call to the highway patrol settled any arguments with it was reported that the roads were felt not to be safe for such

Mets' Kingman Shooting For Moon

Dave Kingman is shooting for the moon.

"This season, I won't be satisfied with less than 50 home runs," says the New York Mets' slugger.

The Mets might think he is asking for the moon as well. General Manager Joe McDonald points out that he is "very far apart" in his contract negotiations with the unsigned player.

While not disclosing figures, McDonald said Monday that what the Mets have offered the rangy outfielder would put Kingman in the "category of the top three or four salaried players on the team."

McDonald also said that it would be "very difficult" for any Mets player to make more than pitcher Tom Seaver, who is in the category of \$225,000 per year.

Kingman, who checked into

Brandon Tops Golfers

Sophomore Richard Brandon carded a 73 Friday to lead the Hereford junior varsity golf team to a fifth place finish in the snow-shortened Plainview Invitational Golf Tournament.

Brandon's 73 earned him third-place individual honors in the event last Friday, which saw the final round canceled Saturday due to snow.

"This was Richard's first tournament of the year, and he played real well," Herd coach Terry Russell said.

The Herd varsity wound up tenth in the affair as James McDowell led the squad with a 78.

Plainview took team honors in the tourney with a 303 total, two shots better than runner-up Lubbock High.

Monterey's varsity finished third at 311, while the Plainsmen JV etched out a fourth place finish with a 315 total.

The Herd JV finished at 318, while the varsity wound up with a 332 total.

In addition to Brandon's 73, Don Shaw coasted to a 77 for the JV, while Mike Hill shot an 83, Tony Albracht had an 85, and Miles Goforth finished with a 92.

Tommy Weaver added an 83 to McDowell's 78 for the varsity, while George Yocum shot an 84, Doug Walterschied had an 87, and Greg Pagett finished with a 91.

A total of 20 teams entered the event.

The golfers will open the district schedule Friday against Lubbock High. They will test Plainview one week later and then will host the Deaf Smith County C of C Invitational March 18-19.

Games Close In Men's Basketball

Nip and tuck were on hand Sunday as play continued in the YMCA Men's Basketball League as the Bears nipped the Raiders 39-38 on a pair of free throws by Kenneth Longnecker with just four seconds left, and the Rascals rallied to tuck away a 47-45 win over AVC.

Steve Wells hit 13 points and Randy Arnold added 12 as the Bears got their first win of the year over the Raiders, who were led by Rodney O'Rand's 18 points.

The game was a see-saw affair with the Raiders taking an 11-5 lead after one period only to see the Bears go on top 19-17 at the half.

The Raiders moved ahead 25-21 after three stanzas, and led by as many as nine points in the last period before the Bears rallied.

Mike Simpson led the Rascals with 22 points as they came from behind to edge AVC. The winners led 9-8 after one stanza and 19-18 at the half before AVC came back to take a 29-28 lead heading into the fourth quarter.

J. Arney added 14 points to the Rascals effort, while Ron Welty hit 17 for AVC, and was aided by Craig Smith, who had 17.

The finale of the day was a clash between Toters and the Eagles, with the former finally gaining a 65-56 win as Wallace Hill hit a game-high 25 points.

Dana Rush led the Eagles with 21 points. The game itself was another see-saw battle with the Eagles leading 14-10 after one period and Toters rallying to tie the score at 25-25 at the half.

The winners led 42-41 after three stanzas and took a 21-16 advantage in the last 10 minutes to snag the win.

The final day of the round robin schedule comes up next Sunday with Toters to take on

Anthony's at 1:30, AVC to meet the Raiders at 2:30, and the Eagles tackling the Rascals at 3:30.

The league will begin a single elimination tournament the following week to determine the season champion.

AMARILLO, Tex. (AP)—Melvin Jones scored 23 of his game high 29 points in the first half as West Texas State raced to a 96-81 victory over Tulsa in a first-round game of the Missouri Valley Conference tournament.

The victory puts West Texas into the second round Wednesday night against New Mexico State in Las Cruces.

Jones led the Buffs to a 54-36 halftime lead while West Texas held as much as a 28-point lead in the second half. Foul problems helped Tulsa back into the contest as Jones fouled out with 11:33 left, and Brad Schreck left with 10:35 to go.

Warriors Unartistic In Win Over Tulane

BY KEN RAPPOPORT
AP Sports Writer

What do you say to a basketball team that died:

"I told them that they set basketball back 25 years," said Tulane's Roy Danforth after watching his players score only nine points in the first half against Marquette Mony night.

Marquette's Al McGuire also had something to say to his players after they scored only 25.

"I think both teams were thinking about something else," McGuire said.

The tempo picked up considerably after intermission, but still McGuire did not find anything artistic in his team's 63-44 triumph over Tulane.

"I think we were looking ahead to the last two games, against Creighton and Michigan, and they were looking ahead to the Metro-7 tournament," said McGuire.

McGuire's 19th-ranked Warriors are hopeful of a bid to the NCAA playoffs, and can establish their credentials with victories over their final two opponents. One more triumph would provide McGuire with a 20-victory season, something he has made a habit of at Marquette.

Danforth's players will have to do better than they did Monday night if they want to make the NCAA party. The Green Wave only hit three of 24 shots in the first half.

Two other ranked teams were in action Monday night. Second-ranked Kentucky defeated Mississippi State 77-64 and No. 12 Alabama nipped Vanderbilt 78-77.

Bo Ellis scored 26 points in Marquette's victory. Ellis got 14 points in the first half, outscoring Tulane all by himself by intermission. In the second half, Tulane could not get any closer than 10 points, 29-19. At this point, the Warriors ran off 10 straight, clinching the victory.

Rick Robey scored 19 points and James Lee 14, leading Kentucky past Mississippi State in a Southeastern Conference game. The Wildcats were aided considerably when Mississippi State's Ricky Brown and Kay White fouled out with more than seven minutes to play.

T.R. Dunn scored 18 points, pacing Alabama over Vanderbilt in another SEC game. Alabama led most of the way, but had to hold off a furious rally by the Commodores at the end.

Meanwhile, Old Dominion won its 21st straight game and 24th and 26 starts with a 79-72 decision over Stetson behind Ronnie Valentine's 27 points; Bruce King scored 28 points and collected 15 rebounds as Iowa defeated Indiana 80-73, and Larry Bird equaled his school record with 47 points, leading Indiana State to an 80-65 decision over Butler.

Also, Steve Grant scored 26 points as Manhattan upset Seton Hall 92-81 and earned a

birth in the ECAC's Metro Area playoffs; Ken Horoho had eight free throws in the final two minutes, helping St. Francis, Pa. beat Georgetown 94-87; Mike Mitchell's 26 points powered Auburn past Mississippi 97-84 and Michigan State edged Ohio State 80-79 as Bob Chapman poured in a career-

high 29 points.

In first-round games of the Missouri Valley Conference playoffs, West Texas State defeated Tulsa 96-81 behind Melvin Jones' 29 points and Drake beat Bradley 80-73 as Terry Benka converted nine free throws in the final three minutes.

Palmer Says Orioles Stink

MAIMI (AP) — Jim Palmer, the Baltimore Orioles' three-time American League Cy Young Award winner, was not happy about being at the opening day of training camp.

"This club stinks. They're lucky if they finish fourth. This field is in the worst shape I've ever seen it. If you're on a major league team, you ought to at least have a major league training facility," Palmer said Monday.

Then he said what was really bothering him.

"Management is being completely unrealistic about my contract and if they don't want to treat me fairly, then I don't want to stay here," Palmer told the Baltimore Sun.

Palmer said he was serious about wanting to renegotiate his contract with the Orioles and his preliminary request for \$1.5 million for five years.

"The General Manager Hank Peters was shocked at those numbers," Palmer said. The 31-year-old right-hander admitted later that he might settle for about \$260,000 per year.

Palmer now has a three-year contract, plus an option year, which paid him \$177,000 last season, the first year of the contract, and will give him \$185,000 this year. His \$550,000 pact was signed

during spring training last year, before the demise of the reserve clause and skyrocketing salaries for free agents.

"The only way to get them to agree to anything is to hold a gun to their head," Palmer said. "It doesn't pay to be a nice guy. Hank told me I was being unrealistic in what I'm asking. But they were prepared to give more than kind of money to Reggie Jackson and they were prepared to pay Bobby Grich more than he was worth."

Palmer, who always has done his own negotiating in the past, now has retained for him.

Sources were quoted as saying Palmer would make it difficult for the Orioles to keep from trading him if something was not done.

Two BR., one bath home completely redecorated and painted, complete with large den, pull down attic stairs and 9 x 12 storm cellar - \$21,500. Nice two BR., home on Lee Street with garage apartment that rents for \$150 per month. Check with us for details on this property.
