

No Complaints On Freakish Weather

Stiff north breezes swept across the Panhandle and South Plains areas to start the earliest fall weather in more than fifty years.

The mercury dropped to 48 in Hereford on Wednesday, 1 degree cooler than the recorded 49 for Tuesday.

Weatherman H. C. Winburn at Amarillo said that it was the earliest cold snap Amarillo has had since 1898. In that year, on September 11, the temperature dropped to 37 degrees.

Hereford has received 1.60 inches of rain during the month of September. This year's total is now 24.64 inches of rain.

Elsewhere in the area, heavy rains prevented the school attendance of some students of the Dawn area where all the way from 1.55 to 3 inches of rain was reported. Farmers of that area are all ready to start their wheat sowing as soon as it dries up.

In Daniel, an inch of rain fell this past week. This is expected to aid row crops and wheat already planted. It will also permit further planting of wheat as soon as the land dries sufficiently.

Gasoline Stealers Caught And Fined

Sheriff J. C. Reese reported four separate cases of gasoline stealing from Deaf Smith County farms last week.

Bobby James Perry, Eb Martin and Tommy Reeves were arrested Friday and charged with theft of gasoline from the Pete Engle farm, east of town. All three pleaded guilty as charged. Martin and Perry were fined \$100 and costs, each.

Another Eugene Anderson, plead not guilty to a charge of stealing gasoline from the Frank Beizer farm, south of town. His bond was set at \$200.

John B. Layne, Lubbock, is charged with passing a forged instrument to the Hudson Gas Mart. Layne will be tried here as soon as he is released from the Wichita Falls officials where he is now being held on a similar charge.

S. L. Farmer is in jail on charges growing of family trouble. He is charged with threatening to do serious bodily injury to his wife.

Panhandle Firemen's Association Hold Next Year's Convention Here

Fifteen men, some with their wives, of the Hereford Fire Department attended the convention of Panhandle Firemen's Association at Tulla Tuesday night. Two hundred and fifty men representing 17 towns of the Panhandle region were present.

For the first time, this convention will be held in Hereford next year. Fire Chief Earl Phillips said that every effort will be made to assure the attendance from each of the 50 towns that comprise the region. The meeting will be held on the second Tuesday in May of 1950.

In the contests at the convention Tuesday, Hereford's team placed third on the pumper team race. The pumper team race consists of readying the fire truck and equipment for fire combat in the shortest possible time. Bud Witherspoon, George Jowell, Onias Carroll, Willard Witherspoon, J. W. Robinson and Donald Phillips were on the pumper team.

Hereford's water polo team, which took second place, consisted of Tup Loerwald, Donald Phillips and J. W. Robinson.

County Commissioners O. K. Bridge In Precinct 3; Let Fence Contract

Deaf Smith County commissioners voted to advertise for bids on building a new bridge in precinct 3, let a contract for fencing on Harrison Highway and considered routine matters in their Monday session.

The bridge to be built in precinct 3 will be 30 miles west and 4 south of town, out close to the Farmer County line, according to County Judge Leonard Foster. The bridge will be 75 feet long, in three spans, and will cross Tierra Blanca creek. It is to be built to comply with Texas State Highway department specifications so that it would not have to be rebuilt in case the road should be designated as a farm-to-market road later on. The commissioners agreed to advertise for bidders on the job.

Contract for moving 70 miles of fence back out of the way of Harrison Highway was let to O. B. Southern, contractor from Dawn.

Southern is to be contacted if land owners want new fences. This applies only to Harrison Highway, Judge Foster cautioned.

Cost to landowners will be only for materials used. The county will construct the fence. Any farmer wanting to move his own fence may do so and will be paid contractor's rates for the job, according to the commissioners.

The State Highway department has revealed that they want to let the bid for the Harrison Highway on Oct. 18. The entire right-of-way should be in such a shape that construction could start by that date.

The court set their next meeting for September 26 at which time there will be a public hearing of the 1950 budget.

Reserve Unit Lecture On Military Funeral
Members of the Hereford Army Reserve unit went through a mock court martial Monday night and will conduct a military funeral procedure school next Monday night.

All former servicemen who are interested in this subject or need to know more about it are invited to attend the lecture. It will be held in the Reserve Offices on the fourth floor of the courthouse.

An outline of the training schedule for the next three months was announced with the subjects and the person assigned to instruct.

High School Band Streamlined For Performance Plus Music This Season

The Hereford High School Band will be the most streamlined organization of its kind for this year, according to Purris F. Williams, director. Eighteen members of the senior band have just returned from Hardin-Simmons, where they spent two weeks learning rope spinning, baton twirling, flag waving and musicianship. "We have the best chance for a good year I've ever seen," Mr. Williams said Monday.

The band has voted to march through town and play for a city wide pep rally every Thursday night before the Friday night football game. Previously the band has been strictly a music organization. Now, with added training and new techniques, they will be a great entertainment factor at the football games.

Two new beginner bands are starting at Shirley and Central. They will supply musicians each year to replace the graduating seniors. With between 30 and 40 in each school, additional rooms will be needed before practice can get started. The two new bands would be practicing now if there were someplace to practice.

The building that houses the Whiteface Band has undergone a remodeling with acoustics improved 60 per cent. A good music library has been started and will be constantly added to and improved in the future. The library now has over \$200 worth of music in it. Fifty folding chairs have been bought and additional risers have been installed in the building.

Senior Band Officers
The senior band class met last Friday and elected the following officers: L. T. Hawks, president; Doris Jean McGee, vice president; John Southall, assistant director; Audrey Hood, secretary and treasurer; Bob Hamilton, reporter; Jennette Scott, librarian and Purris Williams, Jr., manager.

The drum major will be John Southall, and Bobbie Nell Pitman will be the head twirler. Audrey Hood, Jennette Scott and Betty Henry will be the assistant twirlers.

The 60-piece senior band will work together with the school pep squads to entertain the crowd between the halves at every Whiteface game. Because they are now-trained performers, an enjoyable show will be witnessed by all who see and hear them. The band plays no small part in the success of a winning football team.

Uniforms were issued Monday to both senior and junior bands and practice will be every morning from eight until ten.

Mr. Williams, starting his second year here as director, has three children, all playing in the school band. Dobney in the senior band playing the saxophone. Nettie Joy plays the clarinet in the junior band and Purris Williams, Jr. is the manager for the senior band. Mrs. Williams plays the piano.

A&M Students Attends Orientation School

Hugh Clearman, Jack London, Jr., J. W. Robinson, Jr., Buddy Corbett and Lloyd Manjeot went to Lubbock Saturday to attend the Abilene Christian College, Texas Tech football game.

Jack London, Buddy Corbett and Lloyd Manjeot have gone to College Station to resume their studies at Texas A&M College. Lloyd will be 1st. Sergeant of his company this year and after stopping off in Dallas for a brief visit with friends, he will attend a school of orientation in training for officers' duty at A&M College prior to the official opening of the school.

Emergency Polio Drive Is Slow Everyone Urged To Contribute

Emergency polio drive contributions in Hereford and Deaf Smith county were reported as very poor at the end of the first week of the drive.

The most apparent reason for lack of cooperation is that polio hasn't struck in the county this year, according to officials of the local chapter. However, it was pointed out that actually the two worst months, September and October, are only one quarter gone and that people should not wait until the disease hits to donate.

For those not acquainted with the procedure of the National and local foundations, Mr. Harvey explained it as follows. Fifty per cent of the money taken in here never leaves Deaf Smith, the rest going into the national pool to go out to research and

chapters in need of it. These chapters will pay back this amount eventually.

Just as Deaf Smith depleted the local supply of funds in 1948 and was forced to call for help from national headquarters for \$3,800, so other chapters have done this year. Incidentally costs in Deaf Smith are continuous because most of the cases must return for periodic check-ups and may require crutches, braces, etc.

Calls on the national funds have been heavy this year because of the terrific epidemic, particularly in Texas and California, so much so that the funds have become very low, too low for safety. He added that money advanced to Texas chapters this year to August 28 amounted to \$419,000 and that from August 28 to August 31 another \$15,000 was advanced.

All proceeds from the emergency drive will go into the national fund to help ease the financial strain they are in today.

Contributions may be left at either Hereford bank or sent to the Postmaster care of POLIO. Don't wait, do it today.

Jury Answers Seven Special Issues In Wade-Gallagher Case

Jury foreman R. J. Richardson answered to seven special issues the jury had been instructed to answer in the case of C. M. Wade vs. John P. Gallagher in 69th District Court Saturday night at five minutes past midnight, thus ending a trial which had started Friday morning.

The jury answered yes to the second special issue of whether they believed from the evidence that the deed and contract between the two involved constituted a mortgage, or security for debt, as well as answering six other questions of legal nature.

Judgment awaits filing of motion for judgement by attorneys. Members of the jury were R. J. Richardson, foreman; George Epling, M. H. Weeman, L. L. LeGrand, R. F. Calk, Clarence L. Conkin, R. A. Daniel, Jr., Ira W. Ott, Wayne Phillips, Lloyd Sahrb, J. R. Allison, and P. L. Dishman.

S. L. Harmon Returns From Business Trip

S. L. Harmon has just returned from a combination business and vacation trip which took him to New York and back through West Virginia. After completing his fall buying, Mr. Harmon stopped off in West Virginia to visit friends and relatives. He also attended the Harmon reunion in Harmon, W. Virginia. He flew to New York and returned on the train.

Three Festival Services Mark Dedication Ceremonies Of First Immanuel Lutheran Church Building In History Of Hereford

Sunday, September 18, marks the date when the city of Hereford will have the first Lutheran Church building in its history. On that day the new house of worship of Immanuel Lutheran congregation will be dedicated to the service and the glory of God with three festival services, according to Rev. Lichtsinn, pastor.

He added the church is located at one of the beauty spots of this growing town, the church site overlooking the city park to the south and is surrounded on the other sides by a beautiful residential section. Many new homes have been erected in this part of the town since the war, thus giving the new church an ideal location in the heart of the new residential district. Just last year nearly every street in this area was paved.

Immanuel Lutheran Church is built in the traditional form of a cross. The overall length is 70 feet, the width at the wings is 43 feet, the height from ground level to the peak of the roof is 26 feet. The church offices on each side of the chancel measure 14 by 14. At the back there is a spacious vestibule, from which are the entrances to the two rest rooms and the steps leading to the balcony. There is a full basement under the building which is to be used for Sunday School rooms, a kitchen, and special room. The downstairs seating capacity is about 150 with room for an additional 20 in the balcony.

Outside construction features—The walls are made of buff colored face tile, the roof of asbestos slate. The casement windows have an opalescent semi-transparent glass. The front of the church which faces B street is adorned with a large

wooden cross measuring 14' x 5' in the niche.

Rev. Lichtsinn said "as soon as the worshipper enters the sanctuary his attention is drawn at once to the seven foot cross of glass bricks in the chancel wall. It is a reminder to all who worship in this church that the cross of Jesus occupies the central position in our teaching and preaching." The interior walls are of white plaster, the ceiling is an ivory shade of celotex, the floors are of a natural hardwood finish. The pews, purchased from the Southwestern Pew Manufacturing Company, are of natural oak finish. Three large Cathedral lights are suspended from the center of the ceiling. The altar, pulpit, and lectern are of modern design, constructed of light oak to match the other furniture.

A member of the congregation, George Tiefel, drew the plans while a student at Texas A&M College. Edward Tiefel, a member of the congregation and a local contractor, and Arthur

Tiefel, also a member and a carpenter, supervised most of the work of construction. At least 75 per cent of the work was done by the members of the congregation, from the time of the excavation for the basement until the final cleaning and polishing of floors. The church as it stands today with the furniture has a value of \$25,000, but the donated labor of the members kept the actual cost at least one-third lower.

Individual members presented the altar books, the pulpit, Bible, and the altar, pulpit, and lectern hangings as gifts to the congregation.

Immanuel Lutheran Church was organized with six charter members on Nov. 8, 1914 by the Rev. O. E. Schmidt. There of those are still living and are active members of the congregation: Mr. Richard Frye of Dawn, and Mr. Edward Tiefel and Mr. Henry Tiefel of Hereford. Mr. H. T. Wedel and Mr. August Frye have been members for over 30

years. For some time services were conducted in the homes of members, then in the Christian College, and for the past years, the County Court Room has been the "church" for this congregation. Other pastors who have served this church since its founding are: The Revs. Richard Deffner, Theo. Evers, J. H. Slick, V. Kollmann, Wm. Halama, H. Stroebel, H. R. Frerking, and H. Ries. The present pastor, the Rev. E. W. Lichtsinn was installed on September 22, 1946.

For many years the struggling congregation was dependent upon the Mission Board of the Texas District Lutheran Church. In 1947, however, this congregation, together with Immanuel Church of the Rhea Community, 21 miles northwest of Friona, formed a self-supporting parish served by one pastor. The parsonage is located on the property of the country congregation, thus necessitating several trips to Hereford weekly to serve the city congregation on the part of Rev. Lichtsinn.

The building site of the new church was chosen and purchased many years ago. In 1946 a building fund was begun and in the past two years special offerings have been received on the last Sunday of each month for the purpose of erection of a house of worship. Plans were drawn in 1947, adopted early in 1948, and work began in April of that year. Scarcity of needed materials caused much delay in the completion of construction.

Rev. Lichtsinn said the Immanuel Lutheran Congregation today consists of 76 baptized souls, and 45 communicant members. The present Sunday School enrollment is 22 children.

First Hubam Clover Seed Crop Was Somewhat of An Accident

Jim Brown, who with his apparently scored another first in agriculture annals for Deaf Smith with 50 acres of Hubam wheat farm in the county has

FIRST CLOVER SEED CROP—Jim Brown (left) and county agent Hugh Clearman stand by the swather in what is believed to be Deaf Smith county's first crop of Hubam clover. The excellent stand is shown, waist and chest high in the background.

But as County Agent Hugh Clearman says, "Even if it isn't the first in the county, it is still mighty pretty clover and will do the soil a lot of good."

Mr. Brown seeded the annual sweet clover in his wheat in March with the idea of building up the land. But it turned out the wheat wasn't any good and the clover came along and took over so he decided to capitalize and make a seed crop out of it.

To dispell any ideas that the clover might have hurt the wheat, he only put 50 acres in clover and left the rest of the wheat alone. None of it was any good. It seemed to get up to almost maturity and died.

He watered once after planting the clover to get it up and had the swather in the field a week ago. He'll go in with a combine pickup attachment after it has dried out thresh it.

Recleaned and sacked Hubam clover it quoted at over 20 cents a pound, which leads one to believe Mr. Brown may have a fair money crop on his hands since 50 acres will provide lots of seed.

Mr. Brown, who has been around Deaf Smith so long he can't remember exactly how long—started on a place 2 1/2 miles west of town about where Bootleg was. He's farming a few miles north of town now.

We are always interested in the names of the people who are responsible for the book covers for our schools. Those we've seen this year are furnished with the compliments of the First National Bank, Phillips "66", and the Coca-Cola Company.

With another daughter leavin' for college this week we know that the F. A. Tucker is proud of their children and of the offsprings have every reason to be proud of their parents for given them a chance to grow up as individuals capable of makin' a place for themselves. Ruth, Helen, and Inez have all the poise and good looks any girl should want and of course Richard needs no introduction to us either.

Our son has us floored again. Here we've been hornsogged into buyin' a scale model Ford tractor from the Ford Motor Co., a Moline with a wagon from Davis-McCracken, an Oliver at J. E. Millers and finally a Massey Harris tractor, spreader and combine from the John Wood Implement Company with these and a John Deere he already had from Kerrs and a Diesel IHC he has spent the summer wearin' out his knees farmin' the back yard. Then he comes up to tell John Hicks his Cub Scout master that his hobby is horses.

As coordinator for the grades we think Della Stagner has been given the job nature endowed her for. Bet the kids miss her at Jr. High though.

Fishing In Pudget Sound Area Means Salmon To Natives But Not To Texan

By Dave Cheavens Associated Press Staff Tacoma, Wash. (AP)—Fisher-men in this country are salmon-crazy.

Pudget Sound is a salt water angler's dream come true, but if you go fishing here and come back without a salmon the natives turn up their noses.

Imagine anybody turning up a nose at a nice 20 pound string of Rock Cod and sole—the latter the finest eatin' fish that swims!

"Any salmon?" They ask. Nope, no salmon. A Washington angler thereupon loses interest.

They flock to the salmon fishing grounds in droves. They're so thick they foul each other's lines. They gossip back and forth between boats like housewives over the back fence, swapping lies and talking about how good it was last week or wondering how it's at the mouth of the Columbia.

It was good enough for me right here, despite the no salmon angle.

By Texas gulf coast fishing standards, you could clear these waters of all varieties of salmon and it would still be tops. The reason most anglers here don't think much of other varieties of fish is, they are so easy to catch

on the prevailing whale-tackle. The salmon is in a class by himself when it comes to the technique of angling. You've got to have the right rig for it and you've got to know him. I know one very fine fisherman who has lived here more than a year, and still has to hang his first big silver or king salmon.

The rig is too heavy for a fisherman who is partial to a fly rod. Most of the long Calcutta poles they use have a bad bend in them—not from landing fish, but from pulling heavy weights.

The strong, fierce tides that sweep in and out of the narrow passes of Pudget Sound make all that lead on your line necessary. They also make salmon fishing something curiously kin to hard work.

The Rock Cod, sea bass, and sole are different.

You can take Rock Cod on fresh water bass tackle and when you're fishing in 200 feet of unobstructed water it's sport in my fishing book any time.

Or a big sole (very much like a flounder, but flappier and more fun) on a fly rod is a sport I would recommend to anyone. It takes some lead to get your line down in that kind of fishing, but not too much if you utilize that dead water of the high or low tides before they start roaring again.

The Sea bass are taken near the outlets to the Pacific, mostly on casting rods and using tuna jigs for bait. These tuna jigs would do very well for king mackerel in Texas. The Sea bass looks like a bass—he is a bass just like the lunkers in Travis, Caddo, or Texhoma, only he runs awfully big and he is mighty hard to handle on light tackle.

This correspondent wouldn't recommend the 2,200 miles, from Texas to Puget Sound just for the fishing, but if you're coming anyway, don't leave your tackle at home.

Church Elects Delegates To Meeting Change Sunday Evening Services

Lee Roy Shannon, of Lubbock, spent last week with the Shannons, leaving Saturday morning for Lubbock to resume his school work at Tech there.

Visiting the Shannons Sunday afternoon were Mr. and Mrs. L. A. Leeth and Sandra of Dimmitt and the Thompson and Lowery families.

Sunday dinner guests in the E. H. Little home were Mr. and Mrs. Harole Head of Westway and Mr. and Mrs. Shorty Thomas of Ward.

Mr. and Mrs. Frank Robbins and Miss Lyla Robbins were Sunday dinner guests in the Moreman home north of Hereford.

Mr. and Mrs. Floyd Cole and Jana, Mr. and Mrs. Raymond Mobley and Kent, Mrs. H. M. Mobley and Lanelle and Don visited in the Virgil Walker home Saturday night a week ago.

Mrs. J. H. Dobbs and Larry visited the W. S. Dixons at Dimmitt on Monday morning a week ago and report that they are doing well.

Due to the rainy weather, only six members attended the H. D. club meeting at the home of Mrs. Glenn Grigg last Wednesday. No business meeting was held, as the quorum is seven.

Mrs. Hugh Bookout was present and demonstrated an ironer, and gave tips on ironing in general.

She presented each member with souvenirs and the hostess and the hostess and Mrs. W. A. Springer, who had extended to her the invitation, with nice gifts. Those present were Mesdames W. A. Springer, H. F. Benson, Dayton Chiscolm, Henry Dobbs, Owen Andrews and the hostess and son, Monte Glenn. The next meeting will be on Sept. 22 in the home of Mrs. E. F. Vogler and will be on the subject of "Drapes" and will include a roll call with members showing samples on color combinations of drapes, and wall papers. Election of officers will be held then also, so all members are urged to attend.

Conservation Of Fuel Is Sought

College Station—Farm tractor operators should be interested in making every gallon of fuel that goes into the farm tractor fuel tank work for him, says W. L. Ulch, extension agricultural engineer of Texas A&M College. Tests and reports indicate that a lot of gasoline is being wasted and in most instances you can do something about it.

Ulch says there are about 240,000 farm tractors in the state and a conservative estimate indicates that each tractor burns about 900 gallons of gasoline per year. Tests show that about 10 per cent of this is wasted. A little simple arithmetic and you have 21,600,000 gallons of wasted fuel. Now this is the amount of gasoline that is not working for the farmers of Texas. Figure a little further and see what this is costing you in dollars and cents—that amount will help pay the taxes or might even buy the wife a new dress.

Anyway it's a lot of gasoline. It holds 10,000 gallons, and that holding 10,000 gallons, and that in turn would make up 21 trains—each of more than 100 cars, one mile long. Much of this loss, says Ulch, can be avoided if the farm tractor is properly maintained and operated.

An elevated and shaded tank for storage is much better than barrels that set out in the sun. Always stop the engine before filling the tank, and adds Ulch, leave room in the tank for expansion—don't get it too full.

Check the fuel system often to see that there are no leaks in the gas lines and be sure the carburetor is functioning as it should. If the carburetor leaks, it probably needs a new float or float valve, he says. Use the choke only when necessary. (A choked tractor wastes a gallon of gas an hour.) Make carburetor adjustments only when the engine is hot and follow the instructions in your tractor operator's manual. Don't change the carburetor setting to start or pull when the engine is cold—use the choke. The proper adjustment on the idle and idlespeed stop screw can save up to 100 gallons of gasoline per year.

Use the correct type of manifold setting for the fuel you use. Inspect and re-gap spark plugs every 200 hours and replace faulty plugs. Use the correct type of plugs for the fuel you use. Check the magneto regularly and service the air cleaner daily and oftener in dusty work. A clogged cleaner can waste 5 to 8 gallons per day. Watch the temperature of the water in the radiator. This is important.

These are a few of the "gremlins" that are working on your tractor and running up your fuel bill, says Ulch, and you can just about get them all out of your way by just simply watching and caring for the farm tractor in an orderly way.

Lions Participate In Camp Dedication

Hereford Lions Club, one of eleven clubs which participated in the raising of funds for the erection of the Lions Club Building at Boy Scout Camp Don B. Harrington, was represented at the dedication program of the camp Tuesday evening.

Principal speaker on the dedication program was Curtis A. Cryer, of Borger, Lions District Governor.

The Don Harrington Camp covers 540 acres and, at the pres-

ent time, \$80,000 has been spent on its construction.

After an enjoyable program, barbecue was served. Attending from Hereford were Bob Wear, Curtis Traweck, Bill Phillips, Mr. and Mrs. Lyle Blanton, Mr. and Mrs. Harry Caylor, Mr. and Mrs. Guy Lawrence, Mr. and Mrs. F. S. Buckalew, Mr. and Mrs. Paul Harvey and Mr. and Mrs. Johnny Poole.

Better Quality Wheat Varieties Are Recommended

COLLEGE STATION—In a short time, grain drills will be a common sight throughout much of the Texas wheat belt. Acreage planted will of course depend on the size of wheat acreage allotments. The importance of planting only good quality varieties cannot be overstressed.

E. A. Miller, extension agronomist of the Texas A&M College, System, advises wheat growers to plant only those varieties that have good baking qualities as well as good yielding ability. Since the new improved varieties are good yielders, there is no longer any need for planting varieties with poor baking quality which are trouble makers on the market, he adds.

Most of the flour goes into commercial bakeries and they demand flour with which they can make the kind of bread that consumers desire.

The recommended varieties in the main wheat area of Texas are Westar and Comanche for bakers flour. Wichita and Triumph are best for family trade flour. Also, excellent varieties are Tenmarq and Turkey, but they are not as good yielders as Westar and Comanche.

In central Texas, the Austin variety which is more rust resistant is well adapted, while in south Texas the new variety called Seabreeze has done well, especially for grazing. However, seed of the latter is still scarce, says Miller.

Texas formerly had a reputation for fine quality wheat which was in demand because it was nearly all of good baking varieties. Unfortunately, some varieties with poor baking quality, which were brought in from other states, have caused Texas to temporarily lose its good reputation for high quality wheat. This has resulted in some mills shipping in good quality wheat from the northern states to meet the keen competition and demand for good flour, says Miller.

The situation is now changing fast. Surveys made by the Texas-Oklahoma Wheat Improvement Association show that approximately one and a quarter million more acres in Texas were planted to good quality wheat varieties for harvest in 1949 than in 1947. Texas, as a whole, showed a 25.7 per cent improvement in acreage of the better varieties.

This, according to Miller, is indeed a fine showing and should bring dividends to the wheat growers of Texas in regaining their reputation for good quality wheat.

Expect Large Group To Enter Saturday Night Square Dance

The first big Panhandle-wide square dance jamboree in Hereford history or at least the first in many years will unfold Saturday night at Veterans Memorial Park on a portable platform in front of the grandstand.

The Range Riders band from Amarillo will play for the 3-hour long jamboree that starts at 8:30 o'clock with Jess Sparkman, nationally famous master of ceremonies, square and folk dance

caller, emceeing the Panhandle-wide shin-dig.

Letters have been sent to square dance clubs and newspapers over the Panhandle notifying them of the jamboree by Hereford Jaycees who are the sponsors.

Admission will be 60 cents a person, whether you want to dance or watch.

**Jaycees OK Drive For
Christmas Decorations**

Hereford Jaycees held their
regular Tuesday night meeting in
the Lions Rotary Hall at 8
o'clock.

Highlight of the meeting was
a film, entitled "The Town With-
out a Toothache." Burl Ellison
showed the film and supplied
interesting comments. The pic-
ture dealt with the progress of
Hereford, it's leading crops, and
it's vast possibilities. Mr. Ellis-
ton has toured the country and
parts of Canada showing this
film and telling people about
Hereford. He pointed out that
while the film was still incom-
plete, inquiries from citizens and
industrialists have been received
about Hereford as a result of his
showing it.

The Jaycees voted to back a
drive to raise the necessary
money to supply Hereford with
daytime Christmas Decorations.
Final plans for the Jaycee
Square Dance, to be held in Vet-
erans Park Saturday night, were
made.

Hereford Bull

By JIMMIE GILLENTE

Thanks to Sam Nunnally for the new picture at the top of this column. Due to old age, indicated by the sway back and stiff legs, a lot of people are going to think it is a Rotary Club bull. On the other hand, the animal looks hungry and is busy knocking off flies, all of which qualifies him as a little newspaper bull. Besides, Sam put an "HB" on him to avoid any confusion.

On second thought, he reminds me a little of Lee Benefield, maybe because he has no hair. Anyway, that proves there is a lot of bull left in the rascal—and that's what counts.

I was down at Muleshoe Sunday and dropped into a drug store with Pat Bobo. Pat introduced me to Mr. Greer, the manager, and told him I was from Hereford. This really set Mr. Greer talking and the first thing he wanted to know was if I knew old "Speedy" Bybee. Well, Sir, it finally evolved that he was talking about Owen Bybee, the lawyer. Mr. Greer got out the 1926 Childress High School Annual and showed me a lot of pictures of old "Speedy" Bybee in action. I guess I must have looked a little bit dubious, because he went to the safe and dug around until he found a scrapbook. This book contained literally hundreds and hundreds of clippings and one of the headlines read "Bybee and Greer Ring up Victory." No kidding, he says old Bybee was about the hottest thing on cleats back in 1926. Mr. Greer got so excited he bought everyone around a cigar.

It just goes to show that you never can tell about a guy's past. Now, I would have figured that they would call Bybee "Sleepy" instead of "Speedy," and if I had been picking out a sport for him I would have selected "post office," which was quite the rage about that time. In fact, it still is—but they call it something else. No Sir, you never can tell.

Another thing they have down at Muleshoe is a new high school building, which is fashioned

along the lines of modern, West Texas architecture. The building has quite a few modernistic touches with glass brick insets—and it is a one story structure. I also hear that Lubbock has constructed a huge one-story high school. In fact, the Muleshoe building covers so much ground space that they have one of those little gasoline engine fiat cars to haul the cement and supplies to workmen. It is really a beautiful building, however, and in many respects appears to be highly practical.

Muleshoe has boomed during the same years which Hereford boomed, but not quite so much. I would guess it not to be over 4,500 and it does not have anything like the appearance which Hereford presents. Most of the homes do not begin to compare with Hereford homes and I did not see one single residence which would compare with the recent outburst of really fancy homes in Hereford. Unquestionably, we have quite a few more shacks and granary homes than Muleshoe, but the average Hereford home is far superior. Like Friona, though, they do have us bested on the airport situation—at least as far as public interest is concerned. The City of Muleshoe has leased a large tract within a half mile of town and they will have a bond issue within a few days to decide if they are going to buy the land.

Hereford is so very fortunate in having rail and highway facilities that we have not worried near enough about airports. All of the time land is going up, and the probability of buying a site for municipal airport operations is getting further and further away. It is going to be a difficult problem some day. Wait and see.

A guy who should think about flying right now is Gerald Wilson. This week end Gerald took Lawrence and G. P. Owen, Jr. to Abilene where they will attend Hardin-Simmons. The boys did very well until Gerald started back home; in fact, Gerald did very well until he got to Aspermont, whereupon he took off

Hennen Attends State Conference

V. O. Hennen returned from Austin Friday after attending the Eighth Bankers Conference there the first three days of the week. He was one of some 400 Texas bankers who took over a portion of the Texas University campus as they gathered each day for lectures from 8:30 in the morning to 5:30 in the afternoon and again for an hour in the evening to listen to fellow bankers, economists and scholars and to discuss pertinent problems of present day banking.

Mr. Hennen said the hour-long lecture periods were spent half in lecture, the rest in questions and answers.

The lectures covered legislation affecting banks, some of which are now being discussed in the legislature and in Congress and some already law. Bank operations, soil conservation and installment lending as well as estate lending, municipal bonds and banking law and other subjects.

The bankers also learned that, generally speaking, a better public relations job must be done, if banking is to remain in the hands of free enterprise.

Mr. Hennen said the conception and growth of the principle of the 5-day week was discussed as was the "profit-sharing" plan of employee savings which was developed by the Victoria Bank and Trust Co.

He left Hereford Sunday and returned Friday reporting that it was a very interesting meeting and time well spent.

Mr. and Mrs. Jack Pickens returned from a vacation to Ruidoso and Lubbock with Mr. and Mrs. Stan Cathey of McCamey Sunday. Mrs. Cathey and Mrs. Pickens are sisters. The Catheys visited here a couple of days and left Tuesday for their home.

Mitchell Funeral Held Wednesday

Funeral services for Grady Mitchell, about 50, bachelor farm laborer who lived at Bovina for the past 10 years, who was killed in a collision between two cars 1.2 miles east of Bovina on Highway 86 about 12:30 Monday morning in which three others were injured, were held Wednesday with burial in West Park cemetery at Hereford.

In Memorial Hospital, Clovis, are Mr. and Mrs. Marvin E. Ezell,

of Bovina. Mrs. Ezell's injuries include a broken nose and a deep gash on the left knee. Mr. Ezell, postmaster at Bovina, was bruised and shaken up but had regained consciousness by the time he arrived at the hospital.

In Parmer County Hospital, Friona, is Kirby Bolin, 15 years old, son of Mr. and Mrs. Lee Bolin who live 3 miles east of the Hub community in Parmer County. The boy suffered a broken right arm, lacerated chin and mouth, and lost two upper teeth.

The head-on crash occurred when Mrs. Ezell, driver of a '49 model sedan in which her husband and Mitchell were riding,

swerved to avoid collision with the 1940 coupe driven by the Bolin boy.

Texas highway patrolmen who investigated the crash, said the Bolin car, headed west, was hugging the inside of a curve. The two approaching drivers saw each other at about the same time, and both swerved toward the middle of the road. The two vehicles collided almost head-on.

Patrolmen believe Mitchell's death was caused when the rear bumper of Bolin's car jammed through the right rear window of the Ezell car, hitting Mitchell across the forehead.

Mitchell died almost instantly, it is believed.

The accident was investigated by Highway Patrolmen Kenneth Dale and Cecil McNeil, Sheriff Charles Lovelace, Farwell, and Deputy Sheriff Charlie Jones, Friona.

Mitchell was going with Mr. and Mrs. Ezell to their farm, 3 1/2 miles south-east of Bovina, to do some plowing.

The Ezells were taken to Clovis by her sister and brother-in-law, Mr. and Mrs. Tom Griffith. Mitchell's body was taken to Clovis by Steed ambulance. Steed ambulance also took the Bolin boy to the Friona hospital.

Mr. and Mrs. Jimmie Roberts and children left Wednesday for a 10 day vacation with his parents in Lewisville, Mississippi.

R. T. Nunn, long time Hereford resident who now lives in Missouri, is visiting his sister, Mrs. W. A. Hunter, in Hereford this week after a trip to Spokane, Washington, Grand Coulee Dam, Hoover Dam and a visit with his daughter Mrs. H. J. Hendon. He will be around visiting friends until Sunday. He planned on going out to Jumbo one of two days

Mrs. Ed Cox Re-elected President Of Bethany Class At Friday Meeting

Bethany Class of the First Baptist Church was entertained in the rural home of Mrs. Pat Robinson Friday afternoon at a 1 o'clock luncheon and program. Mrs. J. T. Richardson and Mrs. R. E. Caddell were cohostesses.

Mrs. Wirt Phillips gave the invocation and as a special guest, Mrs. C. H. Carl, mother of Mrs. Edgar Moseley, a member of the class, was given honor on her birthday. Happy birthday was sung by the group as the honoree blew out birthday candles.

of Mesdames Otto Masie, Hazel Sparks and J. E. Young.

The officers who were duly elected included: Mrs. E. Cox, president (re-elected); Mrs. John Patton, membership vice-president; Mrs. R. T. Adams, fellowship vice-president; Mrs. Hazel Sparks, class ministriss; Mrs. Hardy Benson, stewardship; Mrs. Otto Masie, secretary-treasurer; Mrs. J. E. Young, associate secretary-treasurer; Mrs. Vivian Major, reported and Mrs. C. J. Mountz, musician.

Group captains include Mesdames Phil Radovich, John Draper, Herman Gray, Edna Bowe, J. E. Young and C. J. Mountz. The extension chairman, Mrs. J. J. Buckner, suggested that class members adopt a pal from one of the classes for older women. Mesdames J. V. Pickens, John Tinkle and A. E. Jury were named to serve on the year book committee for the coming year and Mrs. Vivian Major was chosen to represent the class on the Sunday School extension service.

Those present were Mesdames C. J. Mountz, J. J. Buckner, Jack Roberson, Wirt Phillips, C. H. Carl, Edgar Moseley, George Benson, R. L. Roots, Phil Radovich, John Draper, Charles Hood, J. E. Young, Joe Evans, Allen Rowleson, Otto Masie, Herman Gray, Hardy Benson, R. T. Adams, John Patton, J. S. Orr, Ed Cox, Lora Long and the hostesses.

Mrs. Dolly Godwin Breaks Left Arm

All Mrs. Dolly Godwin's other breaks have been on her right side, now she has begun on her left, side. Several years ago she slipped on the sidewalk and broke her right hand and later slick floors in the living room were responsible for a break in her right arm. Friday afternoon a very small piece of waxed paper was the cause of a fall which resulted in breaking her left arm between her wrist and elbow.

It wasn't slick floors, she hasn't waxed her floors since that second fall, and it wasn't high heels. She and Andy had just fobbed the bees and she had on flat heeled shoes suitable for outdoor work that caused the accident. She and the cleaning woman were leaving the kitchen and a piece of waxed paper, no bigger than a nickel, had fallen from packages they had been unwrapping. She slipped as she stepped on the paper, caught at the door facing and grabbed for the buffet, but was unable to avoid the accident.

"It won't put me out long. I heal quickly—and maybe I needed the rest, but what upsets me most is that I need to do so many things right now," Mrs. Godwin said.

Mrs. Godwin, affectionately called "Aunt Polly" has cared for many other people with broken bones, for Hereford's first hospital was housed in her home. The actual need for a place where the sick could be taken and the insistence of one of Hereford's pioneer physicians, prompted the opening of her home for the sick. She has been a practical nurse ever since.

Mr. and Mrs. L. L. LeGrand left Monday for Abilene to accompany their daughter, Mary Estelle, back to school. She is a student at Hardin-Simmons University. While in Abilene they will visit with their former pastor, Rev. W. E. Barnes and family who recently moved to Abilene. They will also visit with Mrs. Barnes' mother, Mrs. Elizabeth Hyer, who is confined to her home because of a fall last April.

Mrs. Cecil Williams left for Amarillo Wednesday to attend the Camp and Hospital Council of the American Red Cross.

Mr. and Mrs. L. H. Shore and Mrs. Bruce Rose went to Silver for a visit with Mrs. Shore's daughter, Mrs. Aaron Rose. The visit lasted three days.

Mrs. Maude Hall, 77, who broke her right arm at the wrist Wednesday, September 7, is recuperating at the home of her son, Leon Vinton, 507 N. Sampson.

Mrs. Hall was all packed and ready to take the train for California and the trip to California postponed indefinitely.

L. E. Williams, Hereford, fell off a form at Fraser Mill Monday and broke his hip.

resulting in the injury to her arm.

The wrist will have to remain in a cast for six weeks but the worst angle to the accident is that bags had to be unpacked and the trip to California postponed indefinitely.

Mrs. W. E. Cooper, Enid, Oklahoma, is visiting her son, R. G. Blue.

Duke Bostic, brother of Mrs. I. O. Crosthwait, who has been a visitor in the Crosthwait home for the past week is leaving from Amarillo by plane Wednesday night for his home in Lewiston, Idaho. He is in the lumber business there.

Mrs. Bessie Solomon of Dallas is visiting in the home of her daughter, Mrs. J. R. Johnson. She has been visiting in Albuquerque and other points in New Mexico and stopped here for two or three weeks stay.

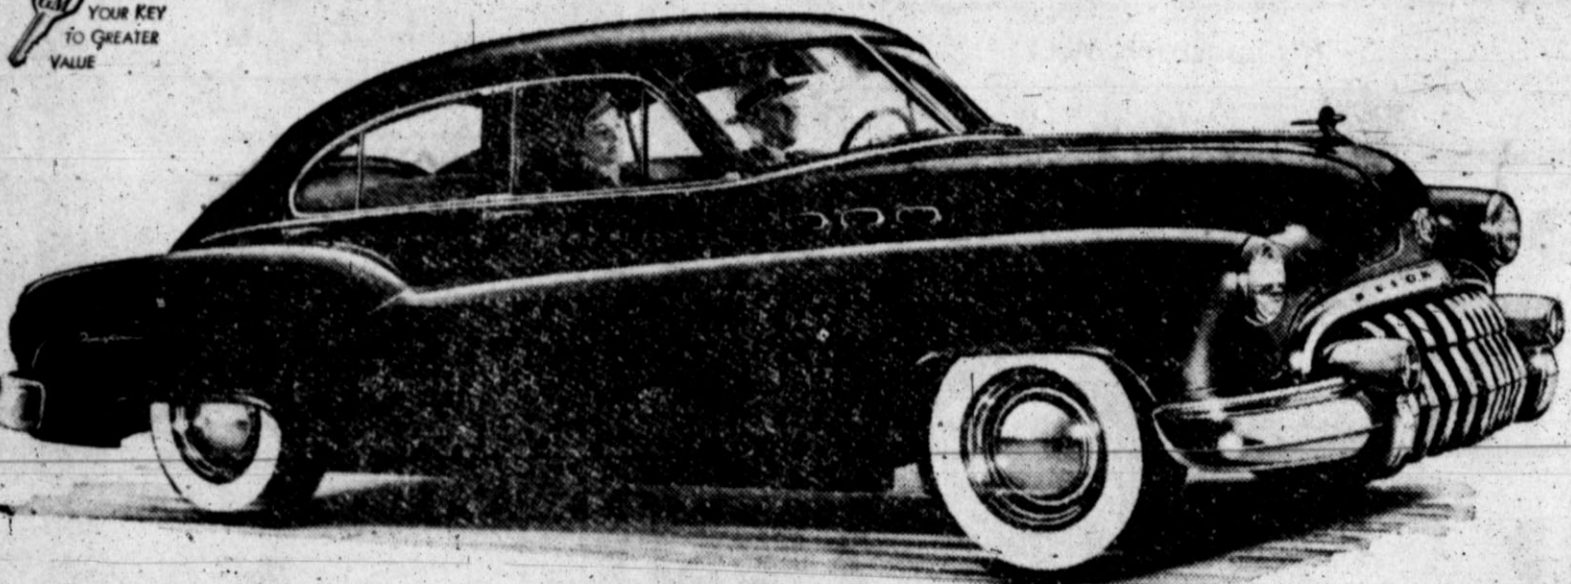

Mr. and Mrs. Roy Yates of Denton who has been visiting in New Mexico and Colorado, stopped here enroute to their home last week. They spent several days looking over Deaf Smith County farm land with a location in mind for farming and ranching.

Mr. and Mrs. Lyle Blanton went to San Angelo in his four passenger plane last week, returning Sunday from the combined business and pleasure trip.

Mrs. Doll Smith and daughters Sue and Betty, accompanied by Mrs. Wilma Carnahan, went to Amarillo Saturday where Betty was joined by her grandmother Smith of Fort Worth for the trip to Fort Worth where Betty will enter a florist's school.

Only one word fits it — Wonderful!

YOU know how it usually is—slow and steady is the rule in automotive progress. But every now and then it happens. Along comes a car that's new all over—like this one—and headlines sing the news.

Take the styling of it—fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it—handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

Check controls—and note really big news: The luxury of Dynaflo Drive—newest, simplest and smoothest of all modern

Digging Divots

With Hank Fope

Records fell as Hereford Golf course officially opened Sunday with their 18-hole medal handicap tournament. First, more players played Sunday than ever before and second, and not in this tournament, Bob Tucker, golf pro assistant with Fred Matzle in Los Angeles fired a 34-38; 72 to be the first to par the course for 18 holes and set a new record.

Earl Stagner and Don Martin tied for first place in the 9-10 bracket, ending up with identical 80's minus 10 handicap for 79's. Six golf balls were awarded to each man. Don Eagan from Littlefield, won four balls and second place with a 79-3 for 71. His 79 was low medal for the day without handicap in the tournament. Ted Young took third place with an 83-10, 73.

Darrell Blanton won top honors in the 11-29 bracket with 87-19 for a 68. He won six balls. Raymond Lueb had an 83-14, 69 and J. V. Eagan, also of Littlefield, won third with 81-11, 70.

Gilbert Carlyle had 87-23, 64 to win the 21-up bracket. Bill Dameron grabbed a very close second with 83-23, 65 and Carroll Whitesides took third with 95-26, 69. All flights received the same prizes in balls.

Bill Davis, Jr. won the birdie contest and 3 balls with two birdies during the afternoon.

Bob Lewis won three balls and the bobby prize with 121 strokes. Seventy-two golfers played Sunday that did not enter the tournament, totaling 133 for the day.

Five Tulsa golfers, six from Littlefield and about a dozen from Amarillo were present, plus several from Dimmitt and Friona, totaling between 30 and 40 out-of-town divot diggers through the tournament.

Jimmie Witherspoon and son Jerry can be added to the growing list of converts, according to Jim Terry.

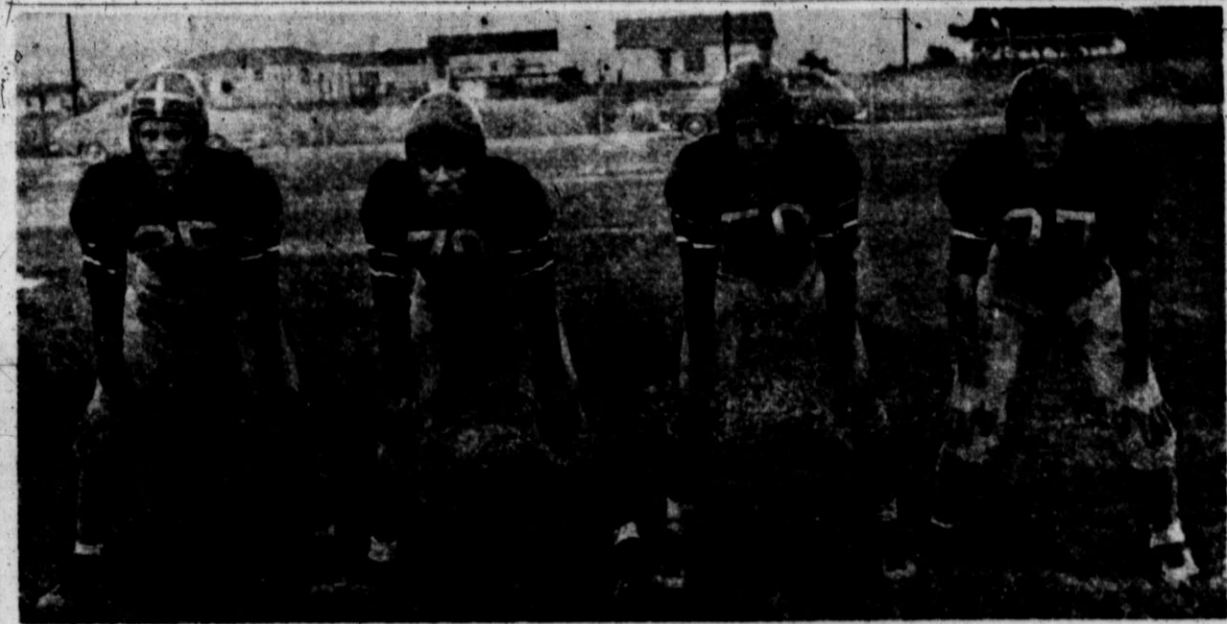

Fourteen year old Don Gatlin of Amarillo has been playing golf for 15 months according to his dad, and he is down to a 10

SPORTS

Football comes to Whiteface Field-Friday night at 8 o'clock as the Hereford Whitefaces meet the Levelland Lobos in a District 1-A, 4-A clash. Hereford, last week victors

handicap. He wasn't putting very good on the Hereford greens though.

Jim Terry says repair work is proceeding on the greens. At present he is resodding number 3 green with grass from the putting green, and will continue on to 5 and 6. As soon as this is completed he plans to get the bad spots on the other greens.

Fertilizer and seed has already arrived and he plans to fertilize, seed and top dress before the first of October. Play will continue, although a few spots may be roped off from play. But the course should be in the best shape yet for the City Tournament in October.

An even dozen women golfers played during the past week. Amarillo women golfers are going to come down some day to play the course and will be needing some local women golfers to play with, Jim says.

Littlefield golfers up Sunday were enthusiastic in their praise for the course. They emphatically

From The Grandstand.....

By WILBUR MARTIN Associated Press Staff Four games Saturday usher in Texas' collegiate football season and start baseball's eclipse.

Before league and inter-league playoffs are completed, the states' seven baseball circuits will have played well into October. It will be some time after this before all facts and figures are assembled to show how they fared in the third year of the great postwar baseball boom. Forty-two cities and towns supported clubs in the seven leagues this season, a record.

Baseball people expect the sport to have a bigger entry list in 1950. Whether the attendance will match this season or last season is another question.

Most of the leagues have had a good year at the gate this season. Some clubs—San Angelo in the Longhorn league in particular—are away ahead of 1949 attendance figures. Others are

down considerably. Mostly it depends on whether the team was winning.

If the Rio Grande League carries out its plan to expand to eight clubs next year it will mean 44 professional baseball teams for Texas. The other leagues plan to continue the same number of teams. But, in two instances, it might not be the same teams.

(Continued on Page 3)

over McLean, 18-0, will take on stiffer competition as they tackle the big Lobo squad which lost to Lamesa (District 3-AA) by a touchdown which resulted from a pass interception inside the Levelland 20-yard line last week. Levelland will take the field

with considerable weight advantage, averaging overall 161 pounds, 162 in the line to Hereford's 163; 155 to Hereford's 149 in the backfield.

Eleven lettermen are back on the Lobo squad with both ball chumpers under the "T." Don Wiser and Dee Windsor, returning from last year's squad which was a 4-A power. Wise angles all of the punting and did a spectacular job in the rain against Lamesa.

The Whiteface squad returned from McLean with a few bruises Littlefield off balance to help in the other score. The game was played in the rain.

Dwaine Walker, Whiteface back didn't suit out for the McLean game because of his injured knee. He spotted for the public address system announcer.

Frank Godsoe rates Hereford ninth in his top 15 Panhandle-South Plains teams. Levelland was 8th. Other future Whiteface opponents rated higher than Hereford were Phillips (4th), Dalhart (1st), Sudan (7th). He rated McLean as a darkhorse.

Catching up on some of the notes that have piled up on the book. News from Port Aransas, "where they bite every day," says H. B. Stanfield who hooked 15 whitings a couple of weeks ago. And then an Eastern News Mexico University release says Charlie Hoover of Adrian is in the starting line-up at guard for the Greyhounds. Tucumeari is

not none the worse from wear. They had some contact in practices the first three days of the week and were expected to go into the Friday night tilt at stronger strength than a week ago against the Tigers. Dwaine Walker is the only doubtful player and he didn't suit out for the McLean game.

Twenty-five reserved seats were still available Wednesday morning, a few between the 30 and 40. If there are any left they will be on sale at the game. Season tickets have been on

sale by students all week. The classes each have candidates for queen with the class selling the most tickets, having their candidate crowned. The girls are: Susan Brown, seniors; Lajuana White, juniors; Wanda Gunsterson, sophomores; Joann Knobel, freshmen.

Game time is 8 o'clock Friday night. Probable starting line-ups:

Hereford: LE—Johnny Bailey, 145; LT—Ed Byerley, 175; LG—John Branch, 175; C—Jimmy Spence, 170; RG—James Johnson, 175; RT—Bob Kennedy, 165; RE—William Bailey, 150; QB—Dee Windsor, 150; FB—Durward Johnson, 165; JH—Glenn Witherspoon, 165; HH—Perry Heard, 136

Levelland: LE—Alec Schroeter, 140; LT—Darrell Jansen, 170; LG—Neil Witherspoon, 155; C—Dale Doak, 165; RG—Leonard Walterscheid, 150; RT—Glen Wilson, 150; RE—T. T. Hawks, 142; QB—Jack Stanton, 140; LH—Bill Forbes, 135; RH—Duane Christian, 138; FB—Billy Kelly, 155

KENTUCKY VISITORS Mr. and Mrs. L. C. Woodford of Winchester, Ky. are expected to arrive this week end to spend a couple of weeks here with their sons, Lisle and Louis Woodford, and families. They will be accompanied by Mr. and Mrs. Taylor, also of Winchester.

While in Hereford they will also visit with Mrs. H. G. Conkright and Mrs. John Patton, sisters of Mrs. Woodford.

Second Guessing

By JERRY STOLTZ

The more you think over the game at McLean last week the more the tackling and defense stands out. Whether McLean had much of a team will be evident tomorrow night, by how Levelland stacks up. But Hereford's defensive spirit would have looked good against anybody. The pass defense was pretty good for the first game, but then again the opposition wasn't too strong in this department. The same goes for the Whiteface offense. It might have been good, real good, but not knowing for sure whether the competition was up to 1-A par makes it difficult to say much.

Dimmitt's 12-7 defeat of Sunday may be the upset of the season. Sudan plays here next week.

The Dalhart victory over Littlefield was closer than the 14-0 score indicated. Cessnum intercepted a Wildcat pass and ran 50 yards for the first touchdown and then the Wolves used a quick line-up play that caught

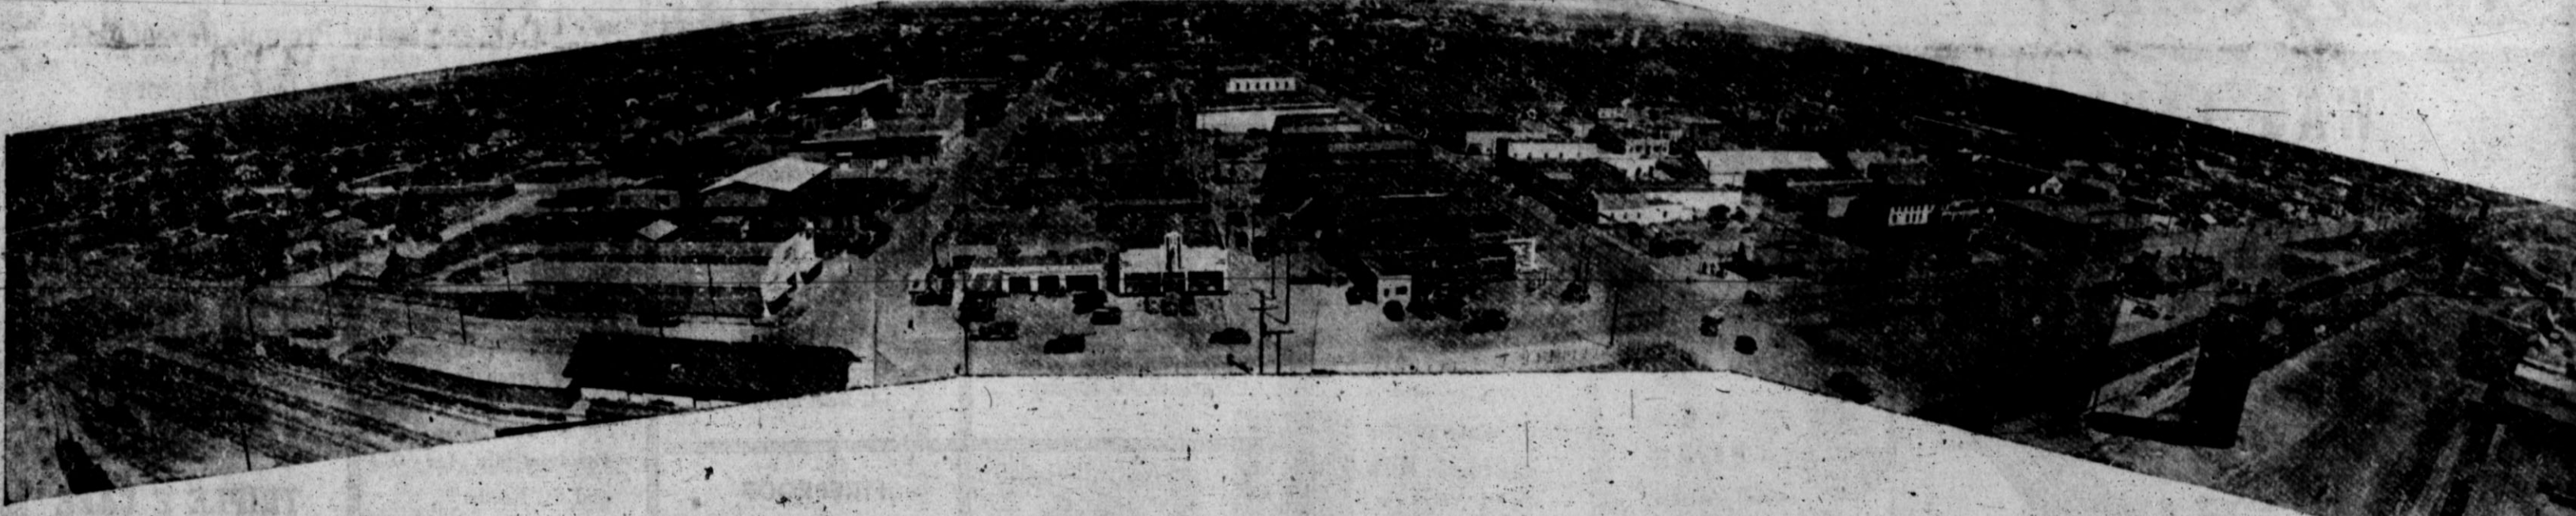

one of two Levelland lines. They say Levelland coaches can hardly tell the difference between two of his lines and doesn't refer to either as first string. Here's one from left to right: William Bailey, R. D. Jackson, Ed Davis, Joe Coufal, John Branch, Edward Byerley, and Lankford Sneed.—Hockley County Herald Photo.

Did you notice where SMU divided up in a semi-gang scrimmage with All American Doak Walker sitting on the sidelines. Coach Matty Bell said he knew what Walker could do; he wanted to see what the new comers could do. I'll bet Matty flinches every time Walker gets tackled or blocked in practice or a game.

Pessimistic note: Before Levelland went down to play the District 3-AA Lamesa team, coach Truett Rattan was hoping they wouldn't get beat by more than three touchdowns and they figured the game to be their toughest of the season. They only lost by one touchdown.

ONE OF TWO LEVELLAND LINES—They say Levelland coaches can hardly tell the difference between two of his lines and doesn't refer to either as first string. Here's one from left to right: William Bailey, R. D. Jackson, Ed Davis, Joe Coufal, John Branch, Edward Byerley, and Lankford Sneed.—Hockley County Herald Photo.

Castro County To Organize A Group To Push Texas Rural Road Program

DIMMITT (Spl.)—A county-wide meeting looking to a better rural roads program, will be held in the Courthouse here next Monday night the 19th at 8 p.m., County Judge Robert Estes, announced today.

This meeting, one of a series of such rallies being held in this area to organize county units of the Texas Rural Roads Association, a state-wide organization, pledged to foster methods to obtain a permanent program providing for a system of all-weather, durable type rural roads in each county in Texas.

Col. J. I. McGregor, Bell county farm and civic leader, a vice president of the State group has been named State Organization chairman. He will discuss in detail the purposes and proposed plans of the association and outline the county organization plan at the meeting.

Discussing the purposes of these county meetings, District Directors, Judge Otha F. Dent of Lamb County and W. C. Foote of Petersburg, stressed the point that this Association is offering to the people of Texas a chance

to rally in support of a program that will mean more to the future permanent prosperity of this State as a whole, and to the farmers and agricultural centers in particular, than any other long range program ever offered by a distinguished group of business and farm leaders looking only to the welfare of Texas and all its people.

Jim Cantrell, Princeton, Collin County banker, president of the Texas Rural Roads Association stated recently, "Natural resources, our State's greatest capital assets, should by a fair severance tax, finance a continuing program of permanent improvements, such as rural roads, soil and water conservation, state and institutional buildings and other permanent improvements deemed necessary by our legislative bodies."

"This sound, business and economic principal," banker Cantrell said, "will prevent the State going bankrupt by the unsound practice of using capital investments for current operations. It will prevent the necessity of levying a sales tax on our

daily necessities of life.

Castro County Judge Robert Estes will act as chairman and will be assisted by the State Directors from this area, W. C. Foote, rural letter carrier from Petersburg and Judge Otha F. Dent of Littlefield.

The schedule of county rallies during the week include—Monday night at Dimmitt, Tuesday night at Littlefield, Wednesday night at Tahoka and Thursday night at Develland.

The general public is invited and urged to attend the meeting in your county and to participate in the program.

Well developed pullets, furnished with a clean house and equipment and with plenty of good litter and nests, stand a much better chance of maintaining a high record of egg production.

First Birthday Party For Beulah Gwen Cargo

Beulah Gwen Cargo, daughter of Mr. and Mrs. Bill Cargo, was honored with her first birthday party on her first birthday Thursday afternoon.

Ice cream cones, games and birthday cake was enjoyed by R. A. Wederbrook, Gail and Glenda Layman, Juanita Buse, Janice Sue Smith, Iris, Cl. L. Richard and Tony Layman, Billy Don, Betty, Vera Fay, and Shirley Smith, her grandparents, Mr. and Mrs. M. G. Layman and Mrs. Leona Cargo, grandmother.

Gifts were opened and whistling balloons were given as party favors.

It is estimated that enough gasoline is wasted each year in Texas because of improper adjustments on farm tractors to fill 2,160 tank cars—each holding 10,000 gallons.

Mr. and Mrs. Roy Landers are attending the Sunday School Conference in San Antonio last week. Mr. Landers is superintendent of Sunday School at the Avenue Baptist Church. They left Tuesday and returned Saturday.

Mr. and Mrs. A. O. Thompson were in San Antonio attending the Sunday School conference there last week. Mr. Thompson is superintendent of Sunday School at the First Baptist Church.

Mr. and Mrs. Henry Solomon and son from Memphis visited Mr. and Mrs. E. W. Solomon of Hereford over the week end.

Mrs. R. F. Self of Melrose, N. M. is visiting her daughter, Mrs. J. B. Pickens of Hereford.

Mr. and Mrs. Stanley Cathey and baby daughter of McCamey are in Hereford visiting Mr. and Mrs. Jack Pickens.

Will Attend Junior College
Bob Johnson and Glenn Hopson, both of whom graduated from Hereford High School last May, enrolled in Amarillo Junior College Wednesday. Bob is the son of Mrs. Frances Johnson of Amarillo and has been making his home here with his uncle and aunt, Mr. and Mrs. R. J. Richardson, while attending high school.
Glenn is the son of Mr. and Mrs. Earl Hopson.

Mr. and Mrs. George Batty of Long Beach, California stopped here Friday enroute to Ohio to visit relatives. They were guests of Mr. and Mrs. Jeff Gilbreath. Mrs. Batty, who is the former Miss Harriette Shirley of Hereford, and Mr. Batty will go by way of New York, across Canada and down the West Coast home.

Mrs. John Cunningham of Fort Worth has arrived for an indefinite visit with Mrs. J. E. Hill.

KENNETH EDWARD ESTES
Kenneth Edward is the name chosen for the new son of Lt. and Mrs. Clifford Estes. The baby was born on August 28 in Munich, Germany and weighed 6 lbs. and 13 oz. Lt. Estes is serving with the 18th Infantry in Lenggries, Germany. The paternal grandparents are Mr. and Mrs. Cliff Estes.

Delmo Williams who has accepted the position of agriculture teacher in the Friona Public Schools, spent the past week end with home folks. Delmo is the son of Mr. and Mrs. Carl Williams, receiving his first degree from West Texas State College last May.

Mrs. Bonnie Brumley has returned from Tulsa where she has been with her son, Calvin, who has been seriously ill for a couple of months. Calvin is part owner of the Tulsa Herald and Mrs. Brumley reports that he will soon be able to resume his work in that office.

Mr. and Mrs. Howard Hershey of Dimmitt were in Hereford Saturday night to attend the wedding of her sister, Nedra Clayton.

Mrs. J. B. Harlin, Mrs. Jack Roberson and Mrs. Reber Howton have returned from a reunion held by six Owen sisters in the home of Mrs. George K. Hunter, the former Miss Dot Owen, in Shawnee, Okla. Family reunions were held in their home in Shawnee, Oklahoma City and Duncan and the six sisters made plans to continue the get-together as an annual event.

C. W. Reeves of Tulsa stopped here Saturday for a brief visit with Mr. and Mrs. A. L. Manjot and left Sunday with Fred Closs for Del Norte, Colo. where they visited in the home of Mr. and Mrs. J. M. French, former Hereford residents. From there they went to Denver, where C. W. will enter Denver University. Fred will go on to Laramie, Wyoming to resume his studies at the University of Wyoming.

C. T. Guseman and daughter Cecelia who have been vacationing in San Francisco, Calif., will return home by Denver this week end for Miss Guseman to enroll in Denver University. Mr. Guseman will return to Hereford next week.

DIGGIN'S
(Continued from page 1)
ly said it is the sportiest in this neck of the woods. Their course won't be ready until next summer. But when it is they want to play some inter-club matches.
Another weekly ball sweepstakes will be run off Saturday and Sunday. This is the one where every other player who enters is a winner, so sign up and get into the competition.

GRANDSTAND
(Continued from Page 1)
George Schepps of Dallas wants to shift his Greenville club from the Big State to the East Texas league and bring his Corpus Christi club from the Class D Rio Grande to the class B Big State.
There is opposition to this proposal.
It would be a good guess, however, that the switch will be made. That is if rumors that any one of several clubs in the East Texas League will quit are true.
The third year of the big baseball boom in Texas has been notable for one fact: better baseball. The wacky doings that characterized the 1947 and 1948 seasons are fallen off in number. Matter of fact, there hasn't been a single team to get beat 44-0 this season.

CLOSE REXALL DRUG

CELEBRATES ITS

18th

ANNIVERSARY

Times have changed since 1931, when a young fellow with an attractive wife and two kids blew into Hereford and purchased the old Rice Drug. Yes, sir, a lot of sand has blown and there have been droughts—even a few floods. It was tough at times, and on a few occasions we thought we wouldn't be able to make the grade... but, somehow, we stuck it out and today we are truly proud of the fine quality, complete stock which Close Drug Store offers the community. Back then—18 years ago—people said "Hereford is the coming town of the Panhandle, and time has proved that they were right."

We are sincerely proud of Hereford and the entire community, and we hope that we may have contributed our small part in its growth and progress. Our real motive in this message, however, is to say, "Thank You" to all of those who have made life worthwhile for us: Our Customers, Our Friends and our neighbors—for those are the people who really count.

In return for the privilege of living among you, it has been our goal to provide you with competent prescription service and the very finest line of drug sundries available on the market today. REXALL, we believe, is unquestionably this line. In addition to the written expression of appreciation, we are also making a more tangible "Thank You" with this Big 18th Anniversary Sale. There are literally hundreds of values which will save you money Now... and For Many Months to Come. A few of the values you will find on this page, and in our store you will find many, many more.

DAWN NEWS

Dawn Study Club Members Entertain Husbands At Picnic On Walter Farm

By MARY A. NEWMAN
Mr. and Mrs. Jack H. Arrelson have moved to the Gayle Neil farm. We take this means to welcome them to our community.
Mrs. C. P. Pursley of Pampa and Mrs. Henry Maxwell of Greenville were guests of Mrs. Mary Byrd and Mrs. H. V. McCabe Tuesday.
H. V. McCabe and family visited relatives in Pampa Sunday.
Mr. and Mrs. L. G. Allen and son, Dale, of Amarillo moved in the new house of David Rogers this week. We take this means to welcome them to our community.
Mr. and Mrs. Iley Banton and children are spending this week end with his parents at Matador.
Mrs. Hager from Bowie is visiting with her son, V. C. Hager, and Mrs. Hager this week.
The Dawn Study Club ladies entertained their husbands and

families with a picnic supper at the Floyd Walter Farm lake. Those present were Mr. and Mrs. Floyd Walton and Pat, Mr. and Mrs. Lloyd Airhart, Billy Dona and Jamie, Mr. and Mrs. H. V. McCabe and Bill and Jim. Mr. and Mrs. Zed Stewart, Duwayne and Harold, Mr. and Mrs. Melvina May, Mr. and Mrs. Clarence Betzen, Carol and Pat Miller, Miss Wilma June Wilcox and Mr. and Mrs. Ernest May of Hereford. Everyone reported a grand time.
Mr. and Mrs. Zed Stewart, Duwayne and Harold Robertson left Thursday for Bowie, Texas to visit Harold's parents, who live there.
Miss Mary Frye left Sunday to start her teaching work with the school at Roswell, New Mexico. Everyone enjoyed the good rain which fell here Wednesday evening. All the way from 1.55 to 3 inches has been reported.

The farmers are all ready to start their wheat sowing as soon as it dries up.
This community was saddened to hear of the death of Mrs. J. E. Medford who passed away in a Dallas Hospital Tuesday morning. She lived in the Ford community. We take this means to extend our heartfelt sympathy to Mr. Medford and her folks.
Mr. H. T. Drake and son, Hubert, left Thursday evening for San Diego, California to visit his parents.
Bob Lowry and Tony Burris drove to Amarillo Thursday night to see the Gold Sox play ball.
Mr. and Mrs. Larry Loerwald and children vacationed last week in El Paso and attended the bull fights in Juarez, Old Mexico Sunday afternoon and returned home by way of Las Cruces and Carlsbad Caverns. They reported a very enjoyable trip.
Mr. and Mrs. Kenneth Adams of Hereford spent Thursday afternoon with his parents and Mrs. W. V. Adams.
Mr. and Mrs. Melvin May entertained Mr. and Mrs. Raymond Sargent with a farewell party at their home Thursday night. Mr. and Mrs. Sargent are moving to Odessa, Texas. We all hate to lose this fine couple but hope for them much success in their new undertaking. Those present were Mr. and Mrs. Walter Beavers and family, Mr. and Mrs. Lloyd Airhart and family, Mrs. C. C. Stewart, Mr. and Mrs. A. T. Frye, Mr. and Mrs. Wilcox and family, Mr. and Mrs. Edgar Lemons and family, Mr. and Mrs. Walter Lemons and family, Mr. and Mrs. Carl Wimberley and family, Mr. and Mrs. Alfred May and Mr. and Mrs. Ernest May of Hereford.
Mr. and Mrs. Gayle Neal and Nan shopped in Amarillo Thursday.
Miss Rose Mary Cronin has entered nurses' training in Hendrick Memorial Hospital at Abilene, Texas.
School started here Tuesday but heavy rains prevented the attendance of some. There are fourteen beginners so far.
We have three teachers here. Mrs. Bruner is teaching the beginners and second grade. She has twenty-nine pupils. The other teachers are Mrs. Goodman and Mr. Caylor.

THOMPSONS BUY ANGUS
Mr. and Mrs. W. T. Thompson & Son, of Hereford, Texas, recently purchased eight purebred Aberdeen-Angus cows from Mr. and Mrs. Murray Moore of Branson, Colorado.
Mrs. Bert Ballard and Mrs. A. L. McNabb of Vega attended the Jim Hill funeral services last week.
Mr. and Mrs. C. O. Houser of Friona visited the Buddy Witherspoons and Jiggs Hartmans Sunday.
Mr. and Mrs. Earl Wilson of Amarillo visited Mrs. E. J. Hudson Sunday.

Church Notes

Miss Naomi Hare, Hereford, will speak at a special service Sunday morning in the First Methodist Church about her work as a missionary. Miss Hare is going to Peru to teach Bible in one of the schools.

The time of the Sunday Evening Service at the First Methodist Church is being changed from 8 o'clock to 7:30.

Rev. S. E. Eldridge of the Hereford Assembly of God has been in Seattle, Washington for the past two weeks attending the General Council of the Assembly of God. Among the highlights of the meeting were outstanding international and national speakers.

The newest addition to the First Baptist Church, an educational building, is rapidly working toward completion. All work and materials that have gone into the new structure, so far, are paid for. On October 16, the church will celebrate its 50th anniversary. A program committee for the event includes Geo. Bramley, Alex Thompson and Matt Gilliland.

Rev. Bayne Driscoll, Fort Worth, was a guest speaker last Sunday evening at the First Christian Church. Rev. Driscoll is heading the department of Evangelism for Christian Churches of Texas.

A film entitled, "God in Cre-

ation" will be shown in the First Christian Church at 8 o'clock on Tuesday, September 20. The film is sponsored by the Moody Bible Institute of Chicago under the department of Scientific Research.

Mrs. Edward Reberson has replaced Miss Doris Jean Smith as secretary of the First Christian Church. Miss Smith recently left to attend college in Canyon.

Rev. Roy Ford of the First Christian Church attended a ministers meeting of District One Christian Churches in Amarillo this week. The chief topic of the meeting was the teaching of Evangelistic goals for the

Ford HD Club Has First Fall Meet

Ford Home Demonstration Club met for its first fall meeting in the home of Mrs. Earl Dyer Wednesday afternoon at 2:30. Miss Hilda Both was in charge of the recreation period and hobbies of members furnished roll call topics.

During the business session the following new officers were elected: Mrs. George Epting, president; Mrs. Lawrence Jentzen, vice-president; Mrs. John Spinhirne, secretary-treasurer; Miss

Hilda Both, council delegate with Miss Hilda Straffuss as alternate; Mrs. Hardy Benson, reporter; Mrs. Earl Dyer, parliamentarian; Mrs. Herman Both, living room demonstrator; Mrs. Mary Dowd, clothing demonstra-

tor. Annual reports were made and a round table discussion on the reports was held by the leader. Plans were made for a community-wide party to be held at the Ford School sometime in Sep-

tember. The next meeting was announced for September 21 in the home of Mrs. Herman Both. Members present were Mesdames Ceell Cayton, George Epting, Hardy Benson, Lawrence

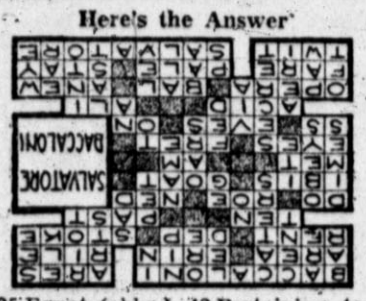

Jentzen, John Spinhirne, Herman Both, Misses Hilda Both and Hilda Straffuss and the hostess.

Vermont has voted Republican since 1860.

How To Get Help From National Foundation For Infantile Paralysis--If Polio Strikes

Along with the emergency polio drive now being conducted in Hereford comes news of how you can get help from the National Foundation for Infantile Paralysis--if polio strikes.

1. At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local Health Department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your City or County Medical Society, your Board of Health or the nearest hospital.

2. If your doctor says it is polio and requires hospitalization, the local Chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital--or if your doctor advises the patient can be treated at home--get in touch with your Chapter

of the National Foundation to arrange for any needed assistance.

(a.) Most Chapters are listed in the telephone book under N for National Foundation, I for Infantile Paralysis and the letter starting the name of the county you live in, i. e., Washington County Chapter of the National Foundation for Infantile Paralysis. If you can't find it--check with your doctor, hospital or Health Department.

(b.) Your Chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the Health Department. However, late reporting or a heavy hospital load may delay this Chapter contact. If you do not hear promptly, telephone or visit your Chapter representative. You can ease your own worries sooner by making the approach yourself.

3. The Chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for

medical care. Adults are as eligible for help as are children. Discuss with your Chapter how much of the full bill the Chapter will pay.

(a.) March of Dimes funds are used to help the medically indigent--but this is not the same as "indigent." It includes families of moderate income, who cannot meet the high costs of modern care of this expensive disease. The help is a gift--not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

(b.) Even if you can assume full costs for initial hospitalization, it is a good idea to see your Chapter. If yours should be a patient who is severely affected--and this cannot be determined in the first few days--you may need help later on. Bills incurred in the weeks before your Chapter assumes financial responsibility cannot be paid months afterward, but the Chapter will step in at whatever time you really need help. Have a frank, friendly talk with your Chapter representative at the beginning.

4. Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after rehabilitation and appliances such as wheelchairs,

braces, etc., as needed. There are no hard and fast rules. Each case is decided upon individual medical and financial needs. Assistance is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

5. In addition, your Chapter can put you in touch with proper sources for nursing and physical therapy at home, can refer you to rehabilitation and vocational training agencies, will provide literature designed to foster better understanding of infantile paralysis--so you will know what to expect and how to help your polio patient back to useful life.

Contributions may be made at either bank or mailed to Mrs. Bruce Rose at 107 E. 3rd. Deaf Smith County is indebted to the National organization \$3,000. The amount borrowed last year when polio struck here. If it strikes again, it is possible more money would have to be borrowed. The emergency drive will help those areas, mostly in Texas, that need further relief.

BAKE SALE SATURDAY

A bake sale sponsored by Cub Scouts of Packs 50 and 52 at Cogdell Motor Company Saturday from 10 o'clock until they are sold will make money towards buying chairs for the Spout House.

Homemade cakes and pies will be on sale.

Wheat producers should plant only those varieties of wheat that have good baking as well as good yielding qualities.

Chu-De-Naang Girls Elect New Officers

Chu-De-Naang Camp Fire Girls elected new officers at the meeting held at the Camp Fire Hut Monday afternoon.

Those chosen were Martha Heard, president; Jane Houston, vice-president; Marilyn Legg, treasurer; Nancy Patterson, secretary; and Margaret Phillips, reporter.

The program committee named includes Margaret Phillips, Marilyn Legg, Marion Lomenick. Social committee--Margie Ford, Cecelia Wilkins, and Neldean Flowers. Telephone--Nancy Patterson, Lu Durham and Jane Houston. Kay Jowell was welcomed as a new member.

Mrs. Dora Smith Injured In Fall At Barclay Home

Mrs. Dora L. Smith, 79, is hospitalized after suffering a broken right hip in a fall at the home of her daughter, Mrs. S. J. Barclay, recently.

Having been crippled for many years, Mrs. Smith walked with a cane and as she walked in to breakfast the cane slipped causing her to fall. Relatives report that she is getting along satisfactorily.

Mrs. Smith's home is in Sayre, Okla. but she divides her time between Sayre and Hereford, spending the winter months here with her daughter.

Mr. and Mrs. D. D. Stauffer and Mrs. Harry Stauffer of Dixon, Illinois were visitors in the home of Rev. and Mrs. Roy Forbes last Friday and Saturday.

Charlie Rae Frye recently employed in the Hereford State Bank, spent the past week end in Hereford with home folks. Miss Frye, daughter of Carl Frye is employed in a bank at Lubbock.

Mr. and Mrs. D. H. Alexander made a business trip to Amarillo Tuesday.

Virginia Lyons left Friday for Dallas where she has enrolled as a junior student at Southern Methodist University. She was accompanied by her mother, Mrs. F. P. Lyons and her brother, Paul.

GO TO McLEAN

The list of Hereford Whiteface boosters who were present to back the team at McLean Friday night included: Bill Stanford, Betty Solomon, Pat Sullivan, M. T. Hawks and family, Dick Lucas, Worth Covington, A. J. Schroeter and family, W. T. Carmichael, W. T. Kelly and family, O. L.

Click, Virgil Walker and family, J. C. McCracken, Glenn and Bud Witherspoon and families, Mr. and Mrs. Lawrence and family, E. E. Doak and family, Roger Corbett and family.

Three high school cheerleaders, Patsy Wiltshire, Gail Marie Foster and Bobbie Jane Sisk (they were in their uniforms and led yells); and numerous

other High school students.

A. B. Christian, Alvin Jansen and families, Mr. and Mrs. Jimmie Garner, Mr. and Mrs. Dan Martin, Harvey Nunn, Mrs. Griswell, Mr. and Mrs. Don Little and George Graham and family. There must have been many more but that's all we can name off-hand.

Students Today... How about tomorrow?

We invite you to come in any time, discuss your aims and plans with us. Certainly your financial program will be a major factor in your success and peace of mind tomorrow. We urge you to save a little each week, perhaps through our savings program. Watch how quickly your bank balance adds up -- for future education, for future security.

TO THE RESIDENT QUALIFIED ELECTORS OF DEAF SMITH COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 1st day of October, 1949, in Deaf Smith County, Texas, to determine whether or not bonds shall be issued by said County to the amount of \$500,000, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Deaf Smith County, Texas; and whether or not taxes shall be levied annually on all taxable property in said Deaf Smith County, Texas, sufficient to pay the annual interest on said bonds and

provide a sinking fund sufficient to pay the bonds at their maturity, in obedience to an ELECTION ORDER passed by the Commissioners' Court of Deaf Smith County, Texas, on the 29th day of August, 1949, and which order is in words and figures as follows, to-wit:

ORDER FOR ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF DEAF SMITH
ON THIS, the 29th day of August, 1949, the County Commissioners' Court of Deaf Smith County, Texas, convened in special session, at the regular meeting place thereof in the Courthouse at Hereford, Texas, the following members of said Court, to-wit:

L. H. FOSTER, COUNTY JUDGE, presiding; and TROY MOORE, COMMISSIONER, Precinct No. 1; G. T. HIGGINS, COMMISSIONER, Precinct No. 2; J. T. GUINN, COMMISSIONER, Precinct No. 3; JOHN I. MORRIS, COMMISSIONER, Precinct No. 4.

being present and participating in the proceedings.

There came on to be considered the petition of John I. Morris and 68 other persons, for an election to be held in said Deaf Smith County, Texas, to determine whether or not bonds be issued by Deaf Smith County, Texas, to the amount of \$500,000, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Deaf Smith County, Texas; and whether or not taxes shall be levied annually on all taxable property in said Deaf Smith County, Texas, sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity; and IT APPEARING to said Court that said petition is signed by more than fifty (50) qualified property-taxpaying voters of said Deaf Smith County, Texas; and

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Deaf Smith County, Texas;

IT IS THEREFORE, CONSIDERED AND ORDERED by the said court that an election be held in said Deaf Smith County, Texas, on the 1st day of October, 1949, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said Deaf Smith County, Texas, shall be issued in the amount of FIVE HUNDRED THOUSAND DOLLARS (\$500,000), in conformity with the Constitution and laws of the State of Texas, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, throughout Deaf Smith County, Texas; said bonds to bear interest at a rate not to exceed THREE AND ONE-HALF PER CENTUM (3 1/2%) per annum, payable semi-annually and maturing at such times as may be fixed by the Commissioners' Court, serially, or otherwise, in not to exceed TWENTY (20) years from the date thereof; and whether or not taxes shall be levied annually on all taxable property in said Deaf Smith County, Texas, sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity.

The SAID ELECTION shall be held under the provisions of the Acts of the Thirty-ninth Legislature, First Called Session, Chapter 16, as amended.

ALL PERSONS who are legally qualified voters of said Deaf Smith County, Texas, who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 337, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following proposition:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."
"AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

EACH VOTER shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

THE POLLING PLACES and election officers of said election shall be, respectively, as follows:

PRECINCT NUMBER 1, POLLING PLACE Courthouse, Hereford, Texas; ELECTION OFFICERS—R. F. Lewis, Presiding Judge; S. H. Slagle, Judge; Miss Ela Aikman, Clerk; Mrs. Edith Hughes, Clerk.

"Hereford High's fighting little football team" was getting ready to open their season against the Amarillo Sandstorms as the September 18, 1924 issue of the Brand came out.

Every store and place of business in Hereford was expected to be closed on Friday, September 26, which was Hereford Day at the Tri-State Fair at Amarillo.

J. O. Newell moved into his new residence, the old J. Frank Potts home. Mr. Newell purchased the home after Mr. Potts moved to Abilene.

The "doggondest" stalk of cotton ever seen in Hereford was brought in by J. W. Giles who lived on Frio Draw. There were 209 bolls, squares and blooms on the waist high stalk.

The Panhandle Lumber Company informed the Brand that a modern, 8-room bungalow would be erected in Hereford in the very near future.

The meeting of the Grain Sorghum growers had to be postponed because of the weather.

Brumley & Conklin have opened an Apple House in the building next to the Hereford Produce. They will furnish fresh apples to their customers for the rest of the winter.

S. L. Harman arrived from his West Virginia home to sell out his herd of registered Jersey cows at a public auction.

Just before he left for Abilene, J. Frank Potts said that Frank Ward was one of the smartest and most successful cotton farmers in the country.

The housewives of the community were asked to look in their closets for canned goods and preserved fruit to be put on exhibition at the Tri-State Fair in Amarillo.

The Texas Market, Cloyd & Son, owners, advertised that they were putting their business on a strictly cash basis.

Miss Ness Farmer went to Jacksonville, Texas where she was head of the expression department at Lon Morris College. She taught in Hereford for three years.

Mrs. C. G. Witherspoon of Dallas, and L. R. Fertsch of Austin were honored with a lawn supper at the Anderson Witherspoon home on Friday night, September 5, 1924.

Mrs. C. H. McGhee returned from Texico, N. M. where she was visiting.

Jim Blagg and W. O. Miles, both of Ford County, Texas, arrived to take up new homes in this county. Mr. Miles purchased the old Morgan place west of Hereford, from J. H. Mecaskey.

Mr. Blagg was going to have to rent until the E. E. Ramsey place, 14 miles northwest, which he bought, could be improved.
