Woman named by grand jury in Plainview bust

A Hereford woman was arrested Wednesday after a Hale county grand jury returned an indictment for one count of delivery of cocaine. Mary Jones, of 519 Ave. H, Apt. B, was named in an indictment unsealed Wednesday. The Plainview grand jurors indicted six Plainview residents after an eight-month drug sweep that started in December 1991 and ended in July. Plainview police said undercover officers bought crack cocaine from suspected drug dealers during the eight-month investigation. Jones is alleged to have sold crack in Hale County.

Hereford Bull

That feller on Tierra Blanca Creek says progress has its drawbacks. You can't warm your feet on a microwave.

Fatness is the past tense of fitness.

The Hereford Whitefaces take on the Monterey Plainsmen tonight in the second home game of the season. Sportswriters are picking Monterey in a close game. We will, too: Herd 14, Monterey 10.

Friday nights always bring back memories for this writer, who started in the newspaper business as a sports editor about 41 years ago in Lamesa. I still remember the press-box problems, the late-night deadlines, and proud parents who complained about lack of publicity for their sons.

I remember covering several schoolboy games where there was no seat in the press box for a sports writer. Usually, the superintendent, principal and their buddies took all the space in the small press boxes.

While covering a game for Slaton, I went to Frenship and the principal had a janitor pull out a ladder so me and the Slaton radio man could sit on top of the press box. He provided a folding card table and chairs. An unexpected "blue norther" hit about halftime and we almost froze. They did pull out the ladder again and let us go get coffee at halftime.

The press box at Kermit, on the other hand, was spacious and the home team officials provided coffee and sandwiches. But you did have to climb a fire-escape type stairway from the back of the stands to get to the lofty facility and, to my dismay, I learned that it swayed in the wind. They assured me it was normal, since it had been added after the stadium was built and was not connected to the stands. Some writers complained of motion sickness when there was a strong wind!

While living in Andrews, I went out to cover the first game of the season, which happened to be a junior varsity game. Coach Max Goldsmith was giving his players last-minute instructions in the dressing room, then he pointed to the blackboard where he had printed the starting lineup.

"Okay, there's the starters for the game, let's hit the field!"

One of the players--let's call him Tommy Taylor--lingered a minute behind the rest of the players. "Coach," the fullback shyly asked, "is there another Taylor on the team?"

"No," said the coach. "Why do you ask?"

"Well, you've got FB--Taylor on the blackboard and my name's Tommy!" The coach said the player also had trouble remembering the plays.

Justice Dept. approves realignment

BY SPEEDY NIEMAN Editor-Publisher

Deaf Smith County received Thursday a pre-clearance from the U.S. Department of Justice on its 1992 redistricting plan, the precinct realignment and the special election to be held Saturday in Precinct 1.

"This should resolve all remaining issues on the redistricting plan," County Judge Tom Simons said Thursday afternoon.

Judge Simons and County Clerk David Ruland received copies Thursday afternoon of the pre-clearance ruling from Bob Bass of Allison and Associates, the Austin law firm that represented Deaf Smith County in preparation of new precinct boundary lines and litigation related to the lines.

A copy of the pre-clearance, issued by an assistant attorney general with the Civil Rights Division of the Justice Department, stated that "The Attorney General does not interpose any objection to the specified changes." The statement also noted

that the Attorney General's opinion "does not bar subsequent litigation to enjoin the enforcement of the changes."

A panel of three federal judges had already ruled in favor of a compromise on the boundary lines and ordered a new primary election. The special primary election for county commissioner, Precinct 1, is to be held Saturday.

The litigation over the Precinct 1 boundary lines arose in April, after incumbent John Stribling defeated Tony Castillo, 329-288, in the March Democratic primary. Results of the election were challenged in a lawsuit in which the plaintiff, Trini Gamez, called for the election to be voided because the Justice Department had not given pre-clearance to the new precinct boundary line.

Judge Mary Lou Robinson of Amarillo laid down the rules for the new primary election, which allowed either candidate in the previous election to run on a different political ticket, and opened the election for

possible new candidates. Stribling decided to run on the Republican ticket this time, and only he and Castillo filed in the primary. They will face off in the November general election.

The compromise boundary line in Precinct 1 resulted in approximately 500 residents from the Buena Vista area of Hereford being shifted to Precinct 1 from Precinct 2. A corresponding number of persons were moved from Precinct 1 to 2. The changes were designed to raise the number of Hispanic residents of Precinct 1.

The litigation had centered on the issue of whether Hispanics were afforded a reasonable opportunity to elect a candidate of their choice. New boundary lines establish a 64.66 percent Hispanic population for Precinct 1, an increase from 60.53. The Precinct 2 Hispanic population drops from 69.78 percent to 65.80.

Wanted or not, voting for Pct. 1 seat is Saturday

Suppose they had an election and nobody voted?

Suppose they called an election which neither of two candidates wanted?

Saturday, residents of Precinct 1 will have a chance to vote, or not, in either the Democratic or Republican primaries. Incumbent county commissioner John Stribling is running on the GOP ballot; his March opponent in the Democratic primary, Tony Castillo, stood pat and is the only candidate on that party's ballot.

Saturday, about \$2,000 will be wasted for an election neither of the candidates thinks is necessary. It's necessary only because of Texas election laws. The election costs are paid for by the state through filing

fees and other charges, including fees from political parties.

"Neither of the candidates wanted it," said David Ruland, county clerk. "That's one reason why John ran in the Republican primary. They secretary of state's office said we had to have the election because the candidates in the general election are nominated by election. If they get at least one vote, they can be on the general election ballot."

Democrats may vote from 7 a.m. to 7 p.m. at Aikman Primary School or the Dawn Community Center. Republicans may vote only at Aikman.

"I hope we are through by, oh, 7:15 p.m.," said Ruland. "Then, maybe, all this nightmare will be over."

TEC accepting disaster claims

Disaster Unemployment Assistance (DUA) is available to workers in Deaf Smith County who are unemployed as a result of excessive rain and hail occurring May 1 through July 30, 1992.

Claims for DUA will be accepted at the Texas Employment Commission office from 9:30 a.m. to 3 p.m. on Thursdays and Fridays until Oct. 15. A Presidential Disaster Declaration was recently amended to include Deaf Smith County.

To be eligible for DUA, individuals must have worked or have been scheduled to work in the disaster area, but because of the disaster no longer had a job or a place to work in the area. Unemployed workers or self-employed individuals, both agricultural and non-agricultural, could be eligible.

Unemployed individuals must provide pay stubs, W-2s, income tax

statements or other proof of net income for the 18-month period preceding their date of unemployment to determine whether they qualify for DUA benefits.

This assistance is also applicable to self-employed individuals who have lost all or part of their livelihood as result of the disaster. They must provide income tax forms (Schedules SE and Schedule C or Schedule F) or other proof of their net income.

Each claim is considered individually, therefore any persons who think they might be eligible should visit with TEC representatives before the end of the filing period. Claimants applying for assistance should bring their Social Security card, name and address of their last employer, documents verifying income prior to the disaster, and any documents indicating work eligibility status.

DSGH employees sporting new look

There's more to the bright new look at Deaf Smith General Hospital than redecorated rooms and offices: Many employees have a new look, too. Becky Shafer, left, and Yvonne Pena, business office employees, model the new look based on burgundy and blue pieces that mix and match. Each department coordinates its own look every day.

COMING IN THE SUNDAY BRAND:

Guerrero backs out on debate

DALLAS (AP) - Railroad Commission Chairwoman Lena Guerrero, who debated Republican challenger Barry Williamson twice this week, backed out of a Dallas debate but later agreed to appear on camera alone.

Yolette Garcia, an executive producer at Dallas public television station KERA, said a joint interview with Guerrero and Williamson had been scheduled to be taped Thursday morning for broadcast later in the day.

The two candidates participated in television debates this week in Austin and San Antonio.

Ms. Garcia said Guerrero's campaign manager, Chuck McDonald, agreed to the appearance Monday. McDonald was told Williamson had been invited to the station but had not yet accepted, Ms. Garcia said.

When a KERA representative arrived at a downtown hotel to pick up McDonald and Guerrero Thursday morning, McDonald said Guerrero would not appear with Williamson.

"He said he was unaware that Williamson had confirmed. In essence I can't say that he's lying," Ms. Garcia said. "They worked it out to where Ms. Guerrero could appear for 10 minutes at the head of the show. We reluctantly agreed to this."

Guerrero's campaign office in Austin did not immediately return telephone calls from The Associated Press late Thursday.

Guerrero has been under fire since acknowledging her academic record was misrepresented and that she had never graduated from the University of Texas.

Once at the KERA studios, interviewer Bob Ray Sanders pressed Guerrero on the issue, asking her, "It was a lie that you knew was a lie, right?"

"No sir," she replied.

Lubbock Ballet Folklorico will perform

Members of Lubbock's Ballet Folklorico dance at the 1991 tardeada at the Bull Barn. The troupe will return for this year's celebration throughout the afternoon Saturday at the Bull Barn as part of Hereford's Fiestas Patrias celebration.

Combest wants investigation

WASHINGTON (AP) - Texas Rep. Larry Combest has called for an ethics investigation of Rep. Henry B. Gonzalez because of his release of classified information while speaking before the House.

Combest, a Republican and member of the House Select Intelligence Committee, introduced a resolution Thursday asking for a House ethics committee investigation of Gonzalez.

House Minority Leader Robert Michel introduced a similar resolution Aug. 4.

Combest of Lubbock, also was prepared to introduce a privileged resolution Friday that would require the full House to vote on whether to launch a probe against Gonzalez, who chairs the House Banking Committee.

"This has gone on long enough," said Combest, adding that the administration has tried for months

to put an end to the release of secret documents.

Gonzalez, a Democrat from San Antonio, has frequently disclosed on the House floor information on U.S. dealings with Iraq before the Persian Gulf War. He has maintained that much of what he has talked about is taken from public sources.

For several months, Gonzalez was literally the only voice in Congress seeking to probe the administration's pre-war relationship with Iraq.

He contends the Reagan and Bush administrations tolerated Iraq's efforts to build nuclear and chemical weapons and propped up the Iraqi economy with U.S.-taxpayer-subsidized loans.

Administration officials have admitted their pre-war policy toward Iraq was a failure, but they have denied any wrongdoing.

Gonzalez didn't return telephone calls Thursday from The Associated

Press, but has previously blasted Republican leaders for sandbagging his probe.

"First, they tried to ignore the investigation," he said after Michel's resolution was introduced. "Then they tried to hide the evidence. Now that the truth is emerging, they're trying to distract people from the facts by accusing me of wrongdoing."

Combest and Michel contend that failure to restrain Gonzalez could hurt intelligence operations abroad, jeopardize allies' security and justify withholding of information to Congress by the executive branch.

Gonzalez was later joined by 20 House Judiciary Committee Democrats, who requested the appointment of an independent counsel to examine whether administration officials lied to Congress about U.S. policy toward Iraq.

Sophs hold off 'Stangs; JV wins

Hereford's sub-varsity football teams started the weekend off with several big wins.

In Lubbock, the Herd junior varsity got a pair of touchdowns from fullback Todd Alexander and beat Monterey 27-7.

In the marquee game in Hereford, the Herd sophomores turned back Coronado's two-point conversion attempt in the fourth quarter to preserve a 7-6 win.

In the Marquise game in Hereford, tailback Marquise Brown ran for four

touchdowns to lead the freshmen white A team to a 41-0 win over Randall.

Hereford lost the three other games the freshmen played. The white B team lost 20-0 to Randall in Hereford, as the Raiders scored on the last plays

of both halves. The maroon teams dropped a double-header in Borger: 26-14 for the A team and 14-0 for the B.

Herd JV 27, Monterey 7

All the scoring happened in the first half. In the second half, Hereford held onto the ball and its defense held Monterey in check.

Coach Ron Young estimated the JV defense allowed four first downs and 150 yards.

"They scored on one long run," he said. "Other than that we played real well."

Robert Jimenez recovered a fumble in Hereford's own end zone to help prevent a touchdown, and Russ Watts scooped up a fumble and returned it 20 yards to set up a Hereford touchdown.

Hereford scored first on a two-yard (See FOOTBALL, Page 5)

This is going to hurt

In the sophomores' 7-6 win over Coronado, O.J. Rodriguez (8) sets the ballcarrier up, and Shannon Wells (33) is about to knock him down. Michael Powers (left) dives into the play.

Banner plays rugby

Stephen Banner, a 1991 graduate of Hereford High School, is a member of the rugby team at the University of Texas at El Paso.

The team will be playing Texas Tech at 2 p.m. Saturday on the university's intramural fields in Lubbock.

There he goes again

Hereford freshman Marquise Brown (2) looks for running room as Ronald Torres (1) blocks. Brown scored four times in the freshmen white A team's 41-0 win over Randall, and Torres caught two touchdown passes.

Caprock falls to River Road

Caprock lost its perfect record by losing to River Road 21-0 Thursday at Dick Bivins Stadium in Amarillo.

All other members of District 1-4A, including Hereford, play tonight. The Herd (0-2) hosts Monterey (2-0) at 7:30 in Whiteface Stadium.

In the other games, Dumas (1-1) hosts Perryton; Borger (0-2) hosts Dunbar; Pampa (0-2) hosts Plainview; and Randall (2-0) is at Frenship.

Bucs waste chances, win anyway

PITTSBURGH (AP) - They could have scored in the first and didn't. In the second and didn't. In the eighth and didn't. In the 10th and didn't. In the 11th and didn't.

But they scored - finally - in the 13th, and that's why the Pittsburgh Pirates are right where they were two

pass from Stacey Sanders to Hayden Andrews. Later in the first quarter, Alexander ran six yards for a score.

In the second, Chris Vallejo ran five yards for a touchdown, and Sanders pass to Johnny Zambrano gave Hereford two points. Watts' fumble recovery set this score up, Young said.

Monterey's 60-yard run made it 20-7, but then Alexander ran for a one-yard TD with 15 seconds left in the half. Ray Hastings booted the extra point.

"I was real tickled with our ball-control offense," coach Craig Yenzler said. "The interior of our line--especially Joey Ballejo, Chris Williams and Josh Gamboa--did a good job of opening up holes for our fullback (Alexander). Our execution is improving. I'm pleased with that. We've gotten better each week."

The offense was good, the defense was good and so was the kicking game.

"Our punting game was real good," coach Ed Coplen said. "Our kickoffs and punts kept them on their own end." Cameron Betzen did the punting, and Hastings handled the kickoffs.

Herd sophomores 7, Coronado 6

The majority of the game wasn't pretty. Yellow flags filled the air as Hereford had three touchdowns called back by penalties: Jacob Lopez' run, Shannon Wells interception return and Michael Brown's pass to Raymond Alaniz.

The scoreless tie was broken in the fourth quarter when Brown floated a pass into the end zone and Johnny Garza came from across the field to make a diving catch. O.J. Rodriguez' line drive extra-point kick made it 7-0.

That extra point became important when Coronado, which totaled two

days ago - in first place in the National League East. And why the Montreal Expos are running out of chances, out of time and out of games to catch them.

And, for one night, out of luck. Cecil Espy, who could have been a hero in the 10th and wasn't, tripled

to start the 13th inning and scored on Jay Bell's single as the Pirates beat the Expos 3-2 Thursday night to regain their four-game lead in the NL East.

"I like where we're sitting, four games up instead of two," said Bell, who extended his hitting streak to a NL-high 22 games. "But this is the way we've played all year. We make you play the full nine innings - or, in this case, 13 innings."

Pittsburgh manager Jim Leyland downplayed the significance of the victory, saying the two-time defending division champion Pirates still have 16 games to go and nothing's been decided.

"A loss is a loss," Expos manager Felipe Alou said. "We got the second-best thing we could get, and that's a split. If we'd lost two, this would have been a disaster. This is not a disaster."

Expos starter Dennis Martinez appeared on his way to a career high 17th win until he felt a twinge in his lower back while batting in the eighth.

In the only other games played in the NL, it was Cincinnati 3, Atlanta 2; Chicago 3, Philadelphia 0; and St. Louis 3, New York 2.

White A 41, Randall 0

Brown ran for 192 yards--and that was just his touchdowns. He ran for scores of 22, 6 and 65 yards, and for the last TD he tied a national record by going 99 yards. He also ran for a two-point conversion.

Ronald Torres caught two long touchdown passes from Todd Dudley: a 40-yarder for Hereford's first touchdown, and a 55-yarder in the second half. To top it off, Martin Martinez was three-of-four on extra-point kicks.

The Hereford defense was good but the punt blocking corps was better. Josh Urbanczyk and Ralph Morales each blocked a punt on Randall's first two attempts. Then Randall faked a punt on fourth-and-10, but gained only two yards. Randall finally got one punt off after that, but on their next try, the punter was tackled before he could kick. Randall didn't try to punt in the second half.

Borger 26, Maroon A 14

Hereford scored on a 60-yard run by Armando Zambrano, then later on a 30-yard hook and ladder play from Wade McPherson to Joe Ricenbaw to Zambrano. Zambrano ran for the two points.

Olerud's 2-run homer lifts Jays over Indians

TORONTO (AP) - Win or lose, John Olerud isn't the emotional type.

But when he paused to watch his game-winning two-run home run sail well over the right-field fence in the bottom of the 10th Thursday night to give the Toronto Blue Jays a 7-5 victory over the Cleveland Indians, even Olerud couldn't resist raising his right fist about shoulder high in celebration.

"I don't even remember doing that," Olerud said. "It felt really great. But all I was really thinking about was touching all the bases."

Eric Plunk (8-4) walked Dave Winfield with one out in the 10th before Olerud launched Plunk's first pitch for his 15th home run of the season.

Duane Ward (7-4) pitched a perfect 10th for the win as the Blue Jays moved 3 games up on the idle Baltimore Orioles in the AL East and reduced their magic number to 13.

Milwaukee stayed five games behind Toronto with a 10-4 victory over Boston. In Thursday's only other game, Minnesota edged California 2-1.

Jack Morris was foiled in his initial attempt to become the Blue Jays' first-ever 20-game winner when Albert Belle, who hit a two-run homer in the first, pulled the Indians even at 5-5 with a two-run double in the eighth.

Morris was lifted after nine innings, though he felt he could have continued.

"I felt I was still throwing the ball well and probably could have come out for another inning," Morris said. "But (Cito Gaston) and I both have ambitions of pitching a bit more down the stretch. Besides, when you have

No punts allowed

Hunters report only limited success on recent dove hunts, but the next major cold front will cause large numbers of those speed-demons in Kansas to begin a southern migration through our area.

I am delighted to share two of my favorite dove recipes. My wife Becky claims the world's greatest recipe for dove is from Mary Faulk Kook of Austin's legendary Green Pastures restaurant. It is found in *The Texas Cookbook*, (Little, Brown, 1965).

Dove Recipe No. 1--Salt lightly but pepper birds generously. Take two parts of chopped apple and one part onion. Stuff cavity of birds firmly. Wrap each bird with a piece of breakfast bacon. Place on wire rack over low coals; turn often until bacon is crisp. Then place birds in roaster and add just a very small amount of red wine or water (1/2 cup), again depending on number. Cover and place in a very low (200 degree) oven to keep warm 'til time to serve. Place on platter and pour drippings in the pan over the birds. If you have trouble with flames because of the bacon grease dripping on the coals, you may want to take the birds off before they are completely done and finish them in the oven with the wine, at a slightly higher temperature, but no higher than 325 degrees.

Dove recipe No. 2--(loosely borrowed from Tim Parker) Using a sharp knife, cut a one-inch notch in each side of the breast. Insert a piece of yellow onion in one side and a piece of fresh jalapeno in the other side. (Hint: Remove the veins and seeds, and the jalapeno retains its spicy taste without the heat.) Wrap in a piece of bacon and cook over a smoky mesquite fire until bacon is crisp.

Warning--The average hunter can easily consume ten breasts so make sure to have plenty before the feast begins.

Congratulations to an old friend, Avery Copeland, for winning the Sept. 3 Fun Fishing Tournament on Lake Meredith. Avery bested the field by using (dare I put it in writing?) a PowerPak spring-powered lure to catch a 4 1/2-pound largemouth bass. It was his personal-biggest bass and was released immediately after weigh-in.

Second place went to Dan Turner of Dumas with a nice 4.33-pound smallmouth bass. Dan credited his success to a Mister Twister banana-flavored, curly-tailed jig. Third place went to Danny Mitchell of Randall County for catching a 1.68-pound keeper bass.

Possibly the world's smallest legal smallmouth was caught by Borger's J.L. Chatwell. It'll let him tell you the details of how to catch a bass which weighs less than 1/5 of a pound.

Phil Phillips is an award-winning member of the Texas Outdoor Writers Association. He is an avid hunter, tournament fisherman and host of a Wednesday evening talk show on KGNC TalkRadio 71.

The rivalry between the New York Giants and Brooklyn Dodgers from 1900 to 1957 resulted in 650 victories for the Giants and 606 for Brooklyn.

In 10 career starts, the 1969 Kentucky Derby winner Majestic Prince, had nine victories and one second-place finish.

Philippines stripped of LL title

WILLIAMSPORT, Pa. (AP) - For the first time in Little League's 53 years, scandal has turned its World Series winners into losers.

Little League officials on Thursday declared eight Philippine players ineligible and ordered a forfeit of their team's 15-4 victory over Long Beach, Calif., last month.

Long Beach will be given the title and credited with a 6-0 victory, but in this boyhood version of "Eight Men Out," the championship had a hollow feeling.

The Long Beach team got together Thursday night for a quiet celebration at a park.

"I think this is a real big thing. But it would have been better if we had won it on the field," said pitcher Randall Shelley, 12.

"I'd like to have another game with them," first baseman Ryan Stuart said.

"It's a little consolation," catcher Jeff Warshaw said.

Coach Jeff Burroughs said this may make Little League administrators and team officials in other countries take note.

"I think it's a huge story, I think people have always had questions about what other teams have done," Burroughs said. "I'm not saying the USA's got the best of everything, but when our teams get annihilated, it makes you wonder."

A Philippine newspaper this week quoted a Zamboanga, Philippines, coach as saying only six players were eligible. Eight players from outside the city of Zamboanga were added, in violation of Little League's geographic limits.

Facts About The BIBLE BY JOHN LEHTI

EATING CUSTOMS

THE ISRAELITES USUALLY ATE IN THE MORNING AND IN THE EVENING. (EXODUS 16:12, 1 KINGS 17:6) HOWEVER, THIS CUSTOM DID NOT FORBID EATING AT OTHER HOURS. LABORERS ALSO PARTOOK OF A MEAL AT NOON. (RUTH 2:14) THE ESSENES WERE STRICTER AND DID WITH ONLY TWO MEALS, THE FIRST BEING ABOUT ELEVEN O'CLOCK, AFTER THE MORNING PRAYERS FOR THE DAY, AND THE OTHER IN THE EVENING. LATER, ABOUT THE TIME OF JESUS, STRICTER JEWS BROKE THE FAST OF THE NIGHT BY A MEAL AFTER THE NINE A.M. PRAYERS, AND ON THE SABBATH FOOD WAS NOT SERVED BEFORE TWELVE NOON AFTER THE SYNAGOGUE SERVICE, BUT THE CHIEF MEAL OF THE DAY ALWAYS TOOK PLACE IN THE EVENING HOURS. LIKE THE MODERN ARABS, THE ISRAELITES WASHED THEIR HANDS BEFORE EATING SINCE GENERALLY THERE WAS A COMMON DISH INTO WHICH EVERYONE'S HAND DIPPED. A PIECE OF BREAD SERVED AS A SPOON AND WAS DIPPED INTO THE BOWL OF MEAT OR THICK SOUP OR POTTAGE AND WAS LADLED OUT WITH THE HOLLOW OF THE HAND INTO A DISH.

NOTICE OF APPLICATION FOR WASTE DISPOSAL PERMIT

KENNETH CHRISTIE, 109 Centre Street, Hereford, Texas 79045 has applied to the Texas Water Commission for a permit (Proposed Permit No. 03488) to authorize the disposal of wastes and wastewater from a beef cattle feedlot. The beef cattle feedlot will consist of a maximum of 4,000 head. Wastewater will be retained in one (1) storage pond. Wastewater from the pond is to be disposed of by irrigation on 35 acres of agricultural land. Manure and/or solids are to be applied as fertilizer on agricultural land. No discharge of pollutants into the waters of the State is authorized by this permit. The feedlot is approximately one half mile west of Farm-to-Market Road 1057, approximately 2.5 miles south of the intersection of Farm-to-Market Road 1057 and U.S. Highway 60, and approximately 8 miles southwest of the City of Hereford in Castro County, Texas. This location is in the drainage area of the Frio Draw of the Tierra Blanca Creek in Segment No. 0207 of the Red River Basin. The Executive Director of the Texas Water Commission has prepared a draft permit based on the application submitted by the applicant and other information presently available. Legal Authority: Section 26.028 of the Texas Water Code and 31 TAC Chapter 305 of the Rules of the Texas Water Commission. No public hearing will be held on this application unless an affected person who has received notice of the application specifically requests a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address and daytime phone number of the person making the request; (2) the statement "...request a public hearing"; and (3) a brief description of how the requester, or persons represented by the requester, would be adversely affected by the granting of the application. If the Commission determines that the request sets out an issue which is relevant to the application, or that a public hearing, would serve the public interest, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 30 days of the date of publication of the notice concerning the application, the permit will be submitted to the Commission for final decision on the application. Requests for a public hearing on this application should be submitted in writing to Kerry Sullivan, Assistant Chief Hearings Examiner, Texas Water Commission, P.O. Box 13087, Austin, Texas 78711, Telephone (512) 463-7899. Information concerning any technical aspect of this application can be obtained by writing Desiderio Mora, Wastewater Permits Section, Texas Water Commission, P.O. Box 13087, Austin, Texas 78711, Telephone (512) 463-8201. Issued this 4th day of September, 1992.

Ann Landers

DEAR ANN LANDERS: This is in response to the man who wrote to express a preference for Rubenesque women over slim women. I disagree with him.

Ann, I know more than Rubens did about the relationship between extra weight and health. When I see a slender woman, my subconscious registers a first impression of vitality, longevity, self-discipline, strength, endurance and intelligence. When I see a woman carrying extra weight, I wonder whether she's addicted, lazy, indifferent, self-indulgent, sick or just plain stupid.

I want a wife who will be an energetic partner, a lively lover and a lifetime companion. Please stop making excuses for out-of-shape females. Extra weight is unhealthy. American men don't want to invest their time on poor health risks who will probably pass on their crummy eating habits to their chubby children. Everyone has problems, including me. But marriage to a fat woman is not

going to be one of them.--Frank in Frederick, S.D.

DEAR FRANK: You have problems, all right, not the least of which is a serious lack of compassion and a low threshold of tolerance for things that don't please you. I feel sorry for the woman you marry if she should gain 10 pounds.

Lonesome? Take charge of your life and turn it around. Write for Ann Landers' new booklet, "How to Make Friends and Stop Being Lonely." Send a self-addressed, long, business-size envelope and a check or money order for \$4.15 (this includes postage and handling) to: Friends, c/o Ann Landers, P.O. Box 11562, Chicago, Ill. 60611-0562.

America's best legitimate advertising buy is still the local newspaper that is involved in your community. Junk mailers don't contribute a dime to the betterment of Hereford. They take and don't give back.
