FIRST VISIT to the Hereford Community Center by Mrs. Inez Hill, widow of Jim Hill, was made Sunday during the formal dedication and open house. Two trustees, O. L. Bybee and Robert L. Thompson, of the Jim Hill Estate, escorted Mrs. Hill during her tour of the building. (Staff Photo)

## Large Crowd Attends Formal Community Center Opening

More than 400 persons attended the brief formal dedication ceremonies for the beautiful Hereford Community Center Sunday afternoon. Hundreds

more attended the open house ceremonies which lasted during the day.

In a surprise announcement, city manager Dudley Bayne read a letter from the Jim Hill Estate trustees in which the Estate praised the community's support of the Center and pledging up to \$6,030 for cost of buying and installing three large air conditioning units, which will be installed immediately.

Air conditioning had been left out of the building, when it became necessary to trim construction costs.

The Jim Hill Estate gave \$60,000 toward the cost of the \$120,000 facility.

Two Woodrows got together for the official opening of the building. Woodrow Killingsworth of Killingsworth Construction Company of Dimmitt, handed the key to the building to Woodrow Wilson, mayor of Hereford.

Given special recognition was Mrs. Inez Hill, widow of Jim Hill, whose estate first instigated the center.

Also recognized were O. L. Bybee and Robert L. Thompson, of Hereford, two of the three Jim Hill Estate trustees. Bud Bowie of Amarillo represented Bill McMorris and Associates of Amarillo, city engineers and architects who designed the building.

"This splendid building is representative of the spirit of Hereford: a victory in community planning," commented the Rev. Gilbert Davis of Hereford, who made the dedicatory address.

"It also represents the fore-

sight of the late Jim Hill and his widow, Mrs. Inez Hill," he said.

"First of all, this building is dedicated to the citizens of Hereford, whose efforts and contributions made it possible. It is also dedicated to the Jim Hill Estate trustees and Mrs. Hill, to our many youth groups, to our active civic, cultural and educational organizations, and to our senior citizens.

"In short, it is dedicated to the people of Hereford and Deaf Smith County and to God. Use these facilities wisely and well."

The Hereford Campfire Council presented an art and hobby show Saturday and Sunday at the Community Center.

locked. Realizing his situation, he discovered a pay telephone ... but had not one cent in change.

"It sure was a helpless feeling," he admitted.

About the same time, a telephone started ringing through the echoing business as Rinn frantically tried to locate it. Sure enough, just like at home, he was too late to answer the call, but it did enable him to find the business phone in the prescription department.

A quick call to the Hereford Police Department followed ... first to get help and second to assure police that he wasn't a burglar.

Shortly after 6 p. m., police arrived and yelled at Rinn through the closed doors. They

told him to be patient while they found a key and got him out.

But this proved to more than difficult; it was impossible. None of the three people with keys were at home, nor could they be located.

All this took time, Rinn waited inside the dimly lighted store, wishing he were somewhere else.

About 8:45 p. m., police gave up trying to find a key and went to work with a screwdriver, taking hinges off the back door.

It was after 9 p. m. when they got the first door off ... and found what they had feared, an interior door, with heavy bars over the window. They went to work again with a screwdriver, looking more and more like professional burglars.

During the last stages of the "Operation ... In",

Rinn peered through a barred rear window and offered encouragement.

At 9:10 p. m. Sgt. Luther Bartlett, Patrolman Don Metcalf and night watchman George Matthews pulled the second door down.

"I sure am glad to see you guys," signed Rinn.

And wouldn't you know it, while Rinn walked out the back door, who should come in the front but Dale Litsch, store manager and one of three who had keys to the building.

But his presence wasn't completely in vain. He unlocked the two back doors so Bartlett and Metcalf could put them back on their hinges.

And Rinn, his suit wrinkled and dusty, started home. "You know," he commented sadly, "I never did get to buy a magazine."

Methodists now operate more than 100 such homes, some of which have been in operation for a century.

He said the commission has plans to build four such homes in the 120 - county conference: the first, second and fourth for healthy old people and the third for aged who are bedfast or chronically ill.

The first unit to be built would accommodate 75 persons at the outset and would be increased in size within three years to house about 150 persons.

"Our initial investment in this first home would be about \$500,000, with expansion in about five years raising this to a total investment of \$1,000,000," said Rev. Davidson, a former minister of the First Methodist Church of Hereford.

"We are more interested in seeing that this home is located in a community where it is wanted than other factors," he said. "Our \$90,000 initial payroll wouldn't be significant to a large town, but it would be to a small town ... When the second part of the unit is built, our payroll will increase to about \$180,000 annually."

A minimum site of 10 acres, with 15 acres preferred, must

ed and Dicky Freeman laid down a sacrifice bunt with no play being made to load the

base. Austin Glover singled in Taylor, while Hodge and Freeman scored on errors. Pat Friend got on by error and Nicky Leverett sacrificed.

But that was all for the Rebels, who weren't able to get a runner past second during the final five stanzas.

Hereford peeked away at Tascosa's 5 - 1 lead for the next three innings. In the last of the second, they scored two runs on one hit, Charlie Thomas, hit by the pitcher, stole second and moved to third on a wild pitch. Joe Mac Hale walked and stole second. With two out, little Greg Combs slapped out a sharp single that scored Thomas and Hale.

In the third, Hereford added another run on one hit. Ronnie Botkin walked, Charlie Burrus singled and Edwin Thomas hit a sacrifice fly to plate Botkin.

Hereford finally got back in front in the last of the fourth, chalking up two runs on one hit. Hale and Wes Poarch walked, Jim Collier got on by fielder's choice and Donnie Marcontell slammed a single to push in Hale.

Ralph Lord, big Tascosa left fielder, got the only extra base hit of the game, a seventh - inning double. But Lord was erased at third base on a force - out.

Diminished second sacker Greg Combs was top hitter for the Herd, with two singles and two runs batted in during three official times at bat.

Jim Collier, although charged with one error, looked good in the shortstop position. The remainder of the infield - Bur-

rus at first, Combs at second, and Hale at third - kept cutting off the Tascosa baserunners as coach Joe Smith observed minor changes in his lineup. The outfield handled just two put-

outs, both by Marcontell.

Last August and tried last Wednesday. Thursday Hereford police successfully charged a youth under the same law. But they just arrested him Wednesday.

**Election of officers and organization for the summer program of Hereford Little League will be held on Friday, March 25, at 7:30 p. m. in the Hereford State Bank.**

Future Homemakers will sponsor a chili supper on Saturday, March 26, at Aikman School to raise money for their continuing work with exchange students. Serving hours are from 5 - 8 p. m.

There will be a community social at Westway Community house on Friday, March 25, starting at 8 p. m. The Four-H Girls will have charge of the program, to which everyone is invited.

Bob Ware of Canyon, former minister of the Central Church of Christ in Hereford, will be guest speaker Thursday, March 24, for a meeting of Deaf Smith County Council of Parents and Teachers. The meeting is to start at 7:30 p. m. in the Hereford High library. Ware's subject will be "Keeping Control of Schools at the Local Level." Mrs. Chester Wiggins, program chairman, urges everyone to attend.

A woman who came to Hereford to see her family last week would like to thank the many friends who aided her anonymously when it became necessary for her to stay longer than she had planned. The woman, who would not reveal her name, said it was wonderful to know that Hereford had so many wonderful people.

No team likes to be beaten badly. And Tascosa's 32-2 romp over last year's Hereford High baseball team still ranked this week. Hereford flew after the Rebels with a vengeance, winning both games of the series, 6-8 and 6-5. One of the players commented, "We'd rather beat Tascosa than anybody." But, with the Rebels out of the way, the Whitefaces have turned their eyes to a bunch of bulldogs. The Plainview Bulldogs, winners in the first meeting 6-2, will be here Friday at 4 p. m. Then the Borger Bulldogs come to Hereford Saturday for a game at 2 p. m.

Hereford High senior class play is slated for 8 p. m. Thursday and Friday in the auditorium. The class will present a comedy in three acts, "Don't Take My Penny."

Just seven days remain to purchase your vehicle license. All you have to do is bring vehicle registration, last year's license receipt... and money.

The same length of time remains on the Brand census contest. We've had some question on it, so here we go again. Cash prizes total \$100. That's \$50 for closest guess on the official population of Hereford and another, separate and distinct, \$50 cash for the closest guess on the population of Deaf Smith County. Although we'll accept letters, we'd prefer a post card. Just write your guess on each contest on the same card, add your name and address and mail to Hereford Brand, Box 673. If you still have questions, drop by or call us for a clarification.

AN UNIDENTIFIED NEGRO carries his tray at an integrated cafeteria in downtown San Antonio. The lifting of the ban on serving Negroes at a number of downtown lunch counters and eating places came after a delegation of Catholic and Protestant leaders met with businessmen. Earlier the National Association for the Advancement of Colored People had threatened sit-ins at lunch counters unless segregation was ended. (AP Photo)

## Democrats Eye June 14

By VERN SANFORD

AUSTIN — Texas Democrats have marked June 14 on their calendars. Austinites have circled it in red.

June 14 is the day some 5,000 Texas Democrats will converge on the Capital City for their state convention. It's expected to be many big days rolled into one.

It will be the first time in recent memory that the huge colorful gathering has come to Austin. A large new city auditorium and convention center makes it possible.

It's the day that comes only once every four years when Texans name delegates to a national presidential nominating convention.

But most excitement centers on the fact that Texas Demo-

crats will be assuming what is usually a once-in-a-lifetime role — that of sponsoring a major contender for the presidential nomination.

Work is under way in every part of the state to insure that the delegates to Austin will give rousing support to Sen. Lyndon B. Johnson for favorite son nominee and chairman of the Texas delegation to Los Angeles.

Senator Johnson's chances of becoming president were re-emphasized by Gov. Price Daniel and cheered by the State Democratic Executive Committee when the party leaders met to plan the June convention.

Committee members selected Dallas for the second state Democratic convention on September 20. Their meeting also was made an occasion for honoring Mrs. Hilda Weinert of Seguin for a quarter century of loyal service to the Texas Democratic party.

Texas Supreme Court refused to consider a direct appeal from the City of Austin that it order a complete recount of votes in a hotly contested urban renewal election.

Issue has had Austinites in a stew for months. It was originally announced after the election in December that urban renewal had carried by a 52-vote margin. Eight property owners contested the election results on grounds that ballots were cast by persons not qualified to vote.

After 9 of 18 contested boxes had been opened, District Judge James K. Everts of Belton declared the election void. He said there were so many disqualified voters and improperly marked ballots that it was impossible to determine the election outcome.

Austin's city attorney petitioned the Supreme Court for a writ of mandamus to compel Judge Everts to open and examine all the ballot boxes. He contended the qualified voters had a right to have their votes counted.

Having lost out on a direct plea to the Supreme Court, City Attorney Doren Eskey said he would go through the usual appeal route, going first to the Third Court of Civil Appeals.

Governor Daniel's office and the Legislative Budget Board are to make a "full review"

before plans proceed to build an \$87,000 home for the president of Sam Houston State Teachers College.

A number of legislators hit the ceiling last session over similarly costly homes built for presidents of Southwest Texas State College and Stephen F. Austin State College. Restrictions were written into the current appropriations bill aimed at preventing further expenditures on such a scale.

Rep. James M. Cotten, member of the House committee on saving taxes, wrote the governor to protest what he called a "tremendous waste."

Governor Daniel said he had been assured by the chairman of the Board of Regents for State Teachers' Colleges that no action would be taken until everyone interested had had his say. He pointed out, however, that the home was to be built from constitutionally allocated funds to which the legislative appropriation restrictions "have been held not to apply."

Larger metropolitan areas such as Houston, Dallas and San Antonio may soon need larger Courts of Civil Appeals. This observation was made by Associate Justice James R. Norvell of the Texas Supreme Court and others in a study made for the Texas Civil Judicial Council.

Judge Norvell suggested that five judges, rather than three, may be needed soon for the courts in the city areas.

Supreme Court, the study also noted, may also soon need some further restrictions on cases it will handle to prevent too heavy dockets. Civil Appeals Courts were created to keep everything from going to the Supreme Court, but the high court is flooded with appeals from these courts.

Judge Norvell suggested limiting the Supreme Court to constitutional issues and cases where there is a conflict in judicial decisions.

Railroad Commission cut the state's oil production for April after testimony that both crude oil and gasoline were in oversupply.

April allowable will be 2,814,252 barrels a day, a cut of 123,029 barrels a day from March. Number of producing days was cut from 10 to 9.

Oilmen told the Commission that other states, such as Louisiana and Mississippi had not cut back production to offset the oversupply as Texas has. This state, said one Texas executive bitterly, is taking the "backlash" of the situation.

The three fertilizer businesses at Dawn report a huge demand for their products. Potato planting has begun on the E. C. Reinauer farms.

Some plowing is being done but the ground is still too wet for regular cultivation.

Cases of chicken pox have been increasing this past week. Those out of school because of the disease are Steven Little, son of Mr. and Mrs. Muri Little; Linda Stewart, daughter of Mr. and Mrs. R. T. Stewart; Ricki and Kay Ward, children of Mr. and Mrs. Jack Ward Jr.; Phyllis and Robert Richardson, children of Mr. and Mrs. Ted Richardson; and Patricia Burrus, daughter of Mr. and Mrs. Tony Burrus.

Killingsworth and Mrs. Roy Wells, teachers in the Dawn School, Mrs. Reece Stewart and Mrs. Richard Hagar, teachers at Aikman School in Hereford.

Attendance has been good at the First Aid Course of the Red Cross which is being taught by Mrs. Mary Hickman of Hereford.

Mrs. Melvin May is attending an advanced first aid course which is being given in Hereford.

Miss Helen Grant of Long Beach, Calif., spent Tuesday of last week in the home of her parents, Mr. and Mrs. Allen Gentry. Miss Grant planned to stay longer but her plane would not land at Amarillo because of the weather and went on to Wichita, Kans. from which she returned by train to Amarillo.

The Dawn Musettes will have the annual spring recital Sunday, March 27, at 3 p. m. in the home of Mr. and Mrs. Carl Wimberley. Everyone is invited to attend.

## Subcommittee Planning March 29 Workshop

By ARGENT DRAPER

This month the club women are studying the new label act. If you are interested in a leaflet explaining the act and help on characteristics of various fibers, please call the office.

The Family Economic Subcommittee has made plans for the workshop to be held on Money Management. This workshop will be held in the Hotel Jim Hill Ballroom at 7:45 p. m. on March 29. The workshop is for the persons who will be giving the programs to organized groups all over the county.

If you are interested in helping with these programs, be at the Hotel Jim Hill at 7:45. Time Management gives us as much concern as Money Management. There are some bulletins in the office on "Manage Your Time and Energy," and you may have this by calling the office.

Dan Mudd, from the Brand Office, called for a gardening bulletin. We will give this information to him on gardening and enroll him and his father

as demonstrators. I see that a number of fishermen have gone to the lakes by the amount of work that home-makers have started since the nice spring weather has been here. Here is a recipe for tartar sauce to serve with the fish that is brought home.

**TARTAR SAUCE**  
1 bottle capers  
1 large onion  
2 tablespoons lemon juice  
2 tablespoons vinegar  
1 pint mayonnaise, preferably homemade  
Dash of Tabasco and salt  
Grind ingredients together and chill until ready to serve.  
**JELLIED SPRING SALAD**  
1 package lime gelatin  
1 cup hot water  
1/2 cup mayonnaise  
1 cup cabbage (chopped fine)  
1/2 cup chopped cucumber  
1 small onion  
2 tablespoons chopped green pepper  
1/2 teaspoon celery seed  
Pour into oblong dish and refrigerate until firm. Serve on shredded lettuce and top with salad cream dressing.

Are the Selective Service and Celebrity systems truly compatible? Is the Mother of Democracy sturdy enough to support the unlikely marriage of the two? What did the active duty of U.S. 5310761 reveal about our Army? About our hero? About ourselves? These are just a few of the questions raised in this wry and amusing book.

End of dust-cover comments. Reporter for the Louisville Courier-Journal, Levy does a fine job as he uncovers facts, figures, letters and statements about the furor of a gyrating young singer, the only one who's not excited about facing a draft call. As a "square" of the old generation, (that's anyone who's not a teen) I gained a slight measure of respect for the Memphis truckdriver who just wanted to do his part.

The thin little book of 117 pages is brightened considerably by the satirical sketches by Dedini. Operation Elvis is on the reserve list at the Deaf Smith County Library.

## Broadway Show Slated At Fair

Dallas — "Flower Drum Song", the latest Rodgers and Hammerstein Broadway musical hit show, will be presented here during the 1960 State Fair of Texas as the major theatrical highlight of the Fair's Diamond Jubilee exposition in October.

The elaborate musical about the San Francisco Chinatown will open in State Fair Music Hall Friday evening, Oct. 7, the night before the official opening of the 1960 State Fair of Texas.

"Flower Drum Song" will have 24 performances here, extending through the final Sunday afternoon of the Fair, Oct. 23. There will be performances nightly Oct. 7 through 22, with matinees on Saturdays, Sundays and Wednesdays all during the Fair. The makeup of the national company of the show is expected to be basically the same as that of the Broadway cast, with Juanita Hall, Keye Luke and Ed Kenney in their original roles.

"Flower Drum Song" is the third Rodgers and Hammerstein musical to play the State Fair in recent years. "South Pacific" broke all box-office records here in 1950 and "The King and I" had a highly successful run during the 1954 Fair.

"Flower Drum Song" will close in New York in May after some 600 performances, and will play engagements in Detroit, Los Angeles, San Francisco and Denver before coming to Dallas for the State Fair run. After the Dallas dates, the show will play Memphis and Indianapolis before going into Chicago for an extended run.

The show has music and lyrics by Richard Rodgers and Oscar Hammerstein and is directed by Gene Kelly.

KEY TO Hereford Community Center was presented to Woodrow "Woody" Wilson, right, Hereford mayor, by Woodrow Killingsworth of Dimmitt Sunday afternoon during formal opening of the Center. Killingsworth Construction Company built the structure. (Staff Photo)

Hutton won the first fall from Yaqui Bravo in 17 minutes with abdominal stretches. He won the following fall to take the match.

Funk won the first fall from Mighty Ortega in 15 minutes with his spinning toe hold. Ortega won the second fall in 20 minutes, and Funk took the third in nine minutes with another spinning toe hold.

A TROPHY RACE marked the first event to be held on Hereford Go-Kart Club's newly constructed track at Veterans Park Sunday afternoon. There were elimination and final races in each of the eight kart classifications. (Photo by Jack Rogers)

## 'Deaf' Smith Says

Sam, my Chamber of Commerce is working for the people of my county in a lot of ways that people just don't know about. Take for instance their work as a Better Business Bureau.

Now they don't have the staff or the means to do investigations but they are members of the National Better Business Bureau. Through that agency, information on organizations soliciting funds can be received, salesmen can be checked on, and a monthly bulletin warns of rackets and dishonest schemes being promoted over the country.

The Chamber of Commerce asked me to remind all the good people in Hereford again to "investigate before you invest". Don't be frightened or hurried into signing any contract or making any payments where you have any reasonable doubt.

Call the Chamber of Commerce before you do and it might save you some money. Two of our senior citizens have, within the last month, been frightened into paying out \$100 on highly questionable claims. The livestock committee of the Chamber of Commerce is working towards securing approval of the Deaf Smith Research and Clinical Laboratory for brucellosis testing. A petition has been circulated which many of the livestock men have signed. Many cattle from this area go into New Mexico which has a strict brucellosis control program. Having our local laboratory approved would speed up cattle testing by as much as four days.

Sam, I don't much know what this "minimum wage" business is, but it seems that it could mean an awful lot to a whole lot of business men. My Chamber of Commerce is having another

membership luncheon at the Hotel Jim Hill this Friday noon. "Crossroads: Main Street and the Minimum Wage" is the name of a film which will be shown at that meeting. I reckon all of my business people ought to see that picture and know what their government is getting them into.

The West Texas Chamber of Commerce will have two real interesting talks at its annual meeting in San Angelo, Sam, and I reckon a lot of my folks from Hereford will want to make that meeting. Tom Anderson, Publisher of Farm and Ranch, will give his "Straight Talk" on conditions here and abroad as he sees them. Lt. General Bernard Schriever is going to answer the question, "What is the Status of Our Defense?" The meeting will be held in San Angelo on April 18 and 19.

Another very important meeting is coming up next Wednesday when the directors and committee chairmen of my Chamber of Commerce will attend a Chamber Leaders Workshop in Amarillo. This meeting, sponsored by the Chamber of Commerce of the United States, will help my Chamber of Commerce and community leaders to do an even better job of making my county a better place to work and live.

That's another full report, Sam, but there's lot's more to tell you about what's going on in my county.

Your old scout,  
Erastus

### Local Students On Honor Roll

Two Hereford students have been named to the Dean's Honor Roll at Oklahoma State University for the fall semester. OSU Registrar Raymond Girod has announced.

They are Larry Wayne Edwards and Joe Frank Reinauer, freshmen majoring in agriculture.

The honor was awarded only to students who made a B average or above while enrolled in at least 15 college hours, Girod said.

### Special AA Meet Scheduled Here

There will be a special open meeting of Alcoholics Anonymous in Hereford Thursday, March 31, it has been announced.

A group of 15 delegates from Lubbock will attend the meeting. The delegates will include four speakers, two women and two men.

The meeting will be held in the Flame Room of Pioneer Natural Gas, beginning at 8 p. m.

**Office Reveals  
Safflower Plans**

The State Office of Texas Farmers Union has announced plans for its 1960 Safflower program for the South Plains and Panhandle area of Texas.

A series of one or more meetings will be held in each of the following counties: Deaf Smith, Yoakum, Terry, Lynn, Cochran, Hockley, Lubbock, Crosby, Floyd, Hale, Lamb, Bailey, Farmer, Castro, Swisher, Briscoe, Armstrong, Randall, Potter, Carson, Hartley, Moore, Hemphill, Gray, Lipscomb, Ochiltree, Hansford, Sherman, and Dallam Counties. The meetings will begin early in April in the South Plains area. Seed and contracts will be available to the interested growers at these meetings.

The 1960 program will differ from last year's Safflower program in that the growers will now be required to purchase stock to participate. The growers may or may not purchase stock in the Farmers Union Marketing Co - op Association, which is sponsoring the program. Former Secretary of Agriculture, Charles F. Brannan, is secretary and general counsel of this Farmers Union Co-op project.

Acreage last year was limited to not more than 10 acres per grower. There will be no limit to the growers this year, as long as planting seed is available.

Farmers interested in planting safflower this year should contact their local Farmers Union officials.

**North Hereford HD  
Club Has Luncheon**

The North Hereford Home Demonstration club met in the home of Mrs. Frank Brinkman on Thursday. The group enjoyed a covered - dish luncheon. Meeting was called to order at 2:30 p. m. by the president, Mrs. Bell Williams.

Roll call was answered with "Why I Chose the Dress I'm Wearing", "Disappointment in a New Fabric", and "Something the Label Doesn't Tell".

The meeting was turned over to Mrs. Argen Draper who talked to the group on clothing trends. She said the fiber identification is an important clue in use and care of modern fabrics. The Fiber Identification Act became effective March 3, 1960. It requires each textile fiber product, such as clothing, to carry a label which gives generic name and percentages by weight of fibers in product.

Reports on committees were read and birthdays reported. Six members of the club are going to attend the district convention at Claude on April 7. The Ford Home Demonstration club will entertain Hereford for the next meeting. The date has not yet been announced.

Members present were Mesdames Mary Bodkin, W. H. Russell, R. A. Fullwood, June Roberts, Nelson Reiger, Lena Olson, Fred Barrett, Nell Hodges, Bell Williams, C. L. Whitehead, R. E. Barrett, Wilma Bryan, Martin Wagoner, Zelda Kendrick, Clyde Smithers, Marie Ward, Argen Draper, the hostess Mrs. Brinkman, and Miss Roberta Campbell.

# Girls' And Boys' 4-H Groups Hold Meeting

By MRS. T. L. COLLINS

Both boys and girls of Walcott held their regular 4-H club meetings at school on Tuesday afternoon. Deaf Smith County Home Demonstration assistant

agent, Miss Loreta Fowler, met with the girls as did their sponsor, Mrs. Glenn Burrus.

Miss Fowler brought a poster to be exhibited for 4-H boys and girls for 4-H week March 13 - 19.

County agent J. W. Thomas brought a Deaf Smith County Soil Conservationist, Arneal Scott, and two men from Tunisia, Africa, who are agriculturalists, Mohamed Saharoui and M'Hamed Ali Bouzaiane, with him. These men spoke to the boys of their work and experience.

Mrs. Norman Minks and Mrs. J. V. Perrin were present for the meeting.

Mr. and Mrs. Charles W. Gibson, Charles W. Jr., a junior student at Hereford High School, and Tony, a fourth grader, recently moved from Dimmitt to the home of Mr. and Mrs. Richard Godwin and family who have moved into Hereford. Tony enrolled in Walcott School on Wednesday, his parents coming with him for a brief stay.

Assembly was held at Walcott School on Wednesday morning. Thomas L. Collins read the 100th Psalm. The fifth and sixth grades gave a practice performance of their program to be given later for P-T-O.

Political Rally and Pie Supper will be held at Walcott School at 8 p. m. this Friday, March 25. It is being sponsored by the Messenger Home Demonstration club and Walcott's P-T-O ladies are asked to bring two pies. All interested persons

are welcome to attend.

Walcott's P-T-O held a regular meeting on Friday at 8 p. m. A large crowd was present on the pre-spring night.

President Mrs. Jack Weaver presided during the business session. Secretary, Mrs. Floyd Brown, read the minutes of the last meeting, which were approved. Treasurer Mrs. Bob Wyly gave a detailed financial report of the P-T-O fund.

She announced the candidate's rally and pie supper to be held Friday, March 25. Mrs. Wyly expressed appreciation and thanks for those assisting with her work, but due to an unexpected move, she resigned her job as treasurer.

A committee to select a new treasurer and officers for the P-T-O for the coming year were nominated. They are as follows: Mrs. Eldred Brown, Mrs. Glenn Burrus and Mrs. Bertram Jack.

Because the next regular meeting fell on Easter vacation time, it was decided, by the group to hold the April meeting a week later on the 22. The first and second grades will present the program at that time.

Program chairman Mrs. Waldron Melton turned the meeting over to Gerald W. Downing and his fifth and sixth grade pupils. They presented the following program:

Master of Ceremonies, Ronnie Buse; two songs, "St. Patrick's Day" and "Believe Me, If All Those Endearing Young Charms"; Poem, "To Be Read on St. Patrick's Day," by Phyllis Tice; A Mellerdrama, "The Plight of Manuel Del Popola", Manuel Del Popola, Ronnie Buse; Zingerella the maid, Gay Wyly; Maggie O'Brien, Adair Melton; Patrick, Keith Henderson; Curtains, Kenneth Wilkerson and Keith Henderson; Horizon, Willie Steward;

Shadows of Night, Marsha Burns; Sun, John Avera; Home, Carolyn Webb and Wendell Webb; Stars, John Perrin; Narrator, Phyllis Tice. Two songs, "Spring Song" and "White Butterfly" accompanied by Mrs. G. W. Downing at the piano; two poems, "Remember Me?" by Adair Melton, and "Spring in Me", by Carolyn Webb.

A play, "The Bell Witch of Tennessee", played by John Perrin as Mr. Bell; Marsha Burns as Mrs. Bell; Phyllis Tice as Mary, the daughter; Tom Timberlake as Andy and Jerry Ty-

ler as Johnny, two sons; Gay Wyly as Martha, slave; Ronnie Buse as the witch; Kenneth Wilkerson as the gardener; Adair Melton as neighbor woman; other neighbors by John Avera and Carolyn Webb; caller, Willie Steward; storyteller, Keith Henderson.

Visitors present were Mr. and Mrs. Jack Fortenberry and Christine; Mrs. J. E. Rouse, Mrs. Alta Wyly of Friona; Verli Miller of Floydada, Mrs. C. W. King of Bellview, N. M.

Those present enjoyed pie, coffee and punch during the visiting period that followed.

Sharon Tice was ten years old on Friday, March 18. Alice Myers was ten the next day. Mrs. Lee Tice honored the girls and Mary Ruth Weaver with a supper birthday party in her home.

Mary Ruth Weaver spent Friday night and Saturday with Alice Myers, as Mrs. Al Myers had birthday surprises planned for her daughter.

Mrs. Minnie Miles from Pampa came Friday evening to visit her daughters, Mr. and Mrs. Jim Stocks and Mr. and Mrs. Jack Weaver and family for the week end.

By contrast, he said, a license holder who gets three tickets and has his license suspended can, if he drives during the suspension, be put in jail and fined as much as \$500.

Lewis said he would propose a series of stiffer penalties for the people who cannot pass driver tests but drive anyway.

## Miss Marilyn Newell...

### This Is Your Life:

Yes, this is all about the life of Miss Marilyn Newell.

Marilyn is the daughter of Mr. and Mrs. Gaylord Newell. She was born on September 20, 1941 in Hereford, Texas. She started to school at the age of seven and at that time she had no idea that she would be a cheerleader.

Marilyn has really enjoyed being cheerleader for the student body but she will admit that she has had a few exciting and a few embarrassing moments as a cheerleader. The most embarrassing moment for Marilyn was the time when, during the middle of a yell at a basketball game, she got her feet tangled up and almost fell down.

The most exciting incident to happen was during a time she was to yell at the first pep rally and all the butterflies that she thought she had in her stomach.

Of course, Marilyn has had a lot of little incidents to happen to her during her life but the one that has really stayed with her through the years is one concerned with discipline. She was in the first grade learning how to write, only she had to be different and learn how to write with a fountain pen (everyone was supposed to use a pencil).

Marilyn has belonged to F. T. A., Tri-Hi-Y, Speech Club, Rainbow, M. Y. F. and Campfire.

Just a bit of advice for the forthcoming cheerleaders from Marilyn would be to be prepared to do a lot of hard work and have a lot of fun, because it is really a great honor.

## TEENARAMA

### Here's Advice: Don't Be Tardy

I keep appointments on the dot. And spend time waiting -- hence this rhyme:  
Procrastination? Tommyrot!  
Promptness is the thief of time!

I came upon this while reading papers from other schools. It made me wonder just how many of us really believe this to be so, or if we mostly believe in what is known as a "grand entry" after everyone else has arrived and waited on us some time to appear. Take a tip and don't be one of whom everyone thinks twice before extending an invitation. Be punctual -- not tardy!

DEAR SAM: I am a senior and so is this girl I am writing about. This year she moved to our town and I think an awful lot of her. I know she likes me, too. We have lots of fun together through the week, but there is the trouble: Her folks invite a boy from her former hometown down each week-end. This surprises me to say the least. In your opinion isn't it silly to see regularly a boy who lives 60 miles away and so often? Her parents like me, but they also like this other boy. Of course they're very respectable and so is my girl friend, Johnny.

DEAR JOHNNY: You have five days to the other boy's two. What's more, there is nothing to prevent you from barging in on week-ends. If you can't win her with these odds, chum, you

DEAR SAM: I am in my second year of high school. My mother doesn't want me to date until I am out of school. Can you please put up an argument in my favor? Misunderstood Teen-Ager

DEAR MTA: If your mother is right, then high school administrators, P.T.A.'s, church activity groups and most other parents are wrong. Almost all fun programs for teen-agers are planned with dating in mind.

DEAR SAM: I am 15 and have a problem that is quite common. This boy has been trailing me for quite a while and I'm getting awfully tired of it. I've told him I don't know how many times to "get lost" but he keeps it up. Trouble is, he keeps other boys away. I sure would welcome some advice, Doris.

## Friends 'N' Friendship

So long as we love, we serve. So long as we are loved by others I would almost say we are indispensable; and no man is useless while he has a friend.

Robert Louis Stevenson  
When we forget old friends, it is a sign we have forgotten ourselves, or despise our former ways and notions as much as we do their present ones. William Hazlitt

The firmness and constancy of a true friend is a circumstance so extremely delightful to persons in any kind of distress, that the distress itself, if it be only temporary, and admits of relief, is more than compensated by bringing this comfort with it. Henry Fielding

A friend should bear his friend's infirmities. Shakespeare  
Asleep, awake, by night or day,

The friends I seek are seeking me;  
No wind can drive my bark astray,  
Nor change the tide of destiny.

John Burroughs  
How sweet, how passing sweet, is solitude!  
But grant me still a friend in my retreat.  
Whom I may whisper, solitude is sweet.

William Cowper  
There are two elements that go to the composition of friendship, each so sovereign that I can detect no superiority in either no reason why either should be first named. One is truth. The other element of friendship is tenderness.

Ralph Waldo Emerson

## Home Room Officers

Homeroom, between 12:30 and 1 p. m., is to the students of Hereford High a time of study and club meetings.

It is a time set aside during the busy day to carry on class business that is important to the students. The breaking up of students according to classification in this way gives them an advantage that they would not have if they had to work as a large group.

Rep. Ben Lewis of Dallas said that under present law a person who drives without having a license can only be hauled before a city court and fined about \$10.

By contrast, he said, a license holder who gets three tickets and has his license suspended can, if he drives during the suspension, be put in jail and fined as much as \$500.

Lewis said he would propose a series of stiffer penalties for the people who cannot pass driver tests but drive anyway.

## Miss Marilyn Newell...

### This Is Your Life:

Yes, this is all about the life of Miss Marilyn Newell.

Marilyn is the daughter of Mr. and Mrs. Gaylord Newell. She was born on September 20, 1941 in Hereford, Texas. She started to school at the age of seven and at that time she had no idea that she would be a cheerleader.

Marilyn has really enjoyed being cheerleader for the student body but she will admit that she has had a few exciting and a few embarrassing moments as a cheerleader. The most embarrassing moment for Marilyn was the time when, during the middle of a yell at a basketball game, she got her feet tangled up and almost fell down.

The most exciting incident to happen was during a time she was to yell at the first pep rally and all the butterflies that she thought she had in her stomach.

Of course, Marilyn has had a lot of little incidents to happen to her during her life but the one that has really stayed with her through the years is one concerned with discipline. She was in the first grade learning how to write, only she had to be different and learn how to write with a fountain pen (everyone was supposed to use a pencil). Marilyn has belonged to F. T. A., Tri-Hi-Y, Speech Club, Rainbow, M. Y. F. and Campfire.

Just a bit of advice for the forthcoming cheerleaders from Marilyn would be to be prepared to do a lot of hard work and have a lot of fun, because it is really a great honor.

## TEENARAMA

### Here's Advice: Don't Be Tardy

I keep appointments on the dot. And spend time waiting -- hence this rhyme: Procrastination? Tommyrot! Promptness is the thief of time!

I came upon this while reading papers from other schools. It made me wonder just how many of us really believe this to be so, or if we mostly believe in what is known as a "grand entry" after everyone else has arrived and waited on us some time to appear. Take a tip and don't be one of whom everyone thinks twice before extending an invitation. Be punctual -- not tardy!

DEAR SAM: I am a senior and so is this girl I am writing about. This year she moved to our town and I think an awful lot of her. I know she likes me, too. We have lots of fun together through the week, but there is the trouble: Her folks invite a boy from her former hometown down each week-end. This surprises me to say the least. In your opinion isn't it silly to see regularly a boy who lives 60 miles away and so often? Her parents like me, but they also like this other boy. Of course they're very respectable and so is my girl friend, Johnny.

DEAR JOHNNY: You have five days to the other boy's two. What's more, there is nothing to prevent you from barging in on week-ends. If you can't win her with these odds, chum, you

## Home Room Officers

Homeroom, between 12:30 and 1 p. m., is to the students of Hereford High a time of study and club meetings.

It is a time set aside during the busy day to carry on class business that is important to the students. The breaking up of students according to classification in this way gives them an advantage that they would not have if they had to work as a large group.

Naturally, these small groups need representatives to bring the ideas and problems that develop from the small groups to the student body as a whole. To do this each room has a sponsor, president and vice-president, secretary - treasurer, student council representative, and Red Cross representative.

## POETRY

In reality there are as many different types of poetry as there are poets, but for any purpose of discussion poetry must arbitrarily be separated into definite categories.

Two major divisions, something like the biological division into animal and vegetable kingdoms, would be narrative poems and non - narrative, or poems that tell a story and poems that don't.

But, it is just too general to make this one separation. To be more specific, what about poems that just convey an idea, one thought, or emotion, poems for special holidays, poems for children, poems that seemingly make no sense at all.

The category for exploration this week is poems for thought.

### A WORD

by Emily Dickinson

If I can stop one heart from breaking,  
If I can ease one life the aching,  
Or cool one pain,  
Or help one fainting robin  
Into his next again,  
I shall not live in vain.

### WHY THE ROBIN'S BREAST WAS RED

By Emily Randall

The Savior, bowed beneath  
His Cross, climbed up the dreary hill,  
And from the agonizing  
wreath ran many a crimson rill;  
The cruel Roman thrust Him  
on with unrelenting hand,  
Till, staggering slowly 'mid  
the crowd, He fell upon the sand.

A little bird that warbled near,  
That memorable day,  
Flitted around and strove to  
wrench one single thorn away;  
The cruel spike impaled his  
breast, -- and thus 'tis sweetly  
said,

The robin has his silver vest  
incarnadined with red.  
Ah, Jesu! Jesu! Son of Man!  
my dolor and my sighs  
Reveal the lesson taught by  
this wined Ismael of the skies.

I, in the palace of delight or  
cavern of despair,  
Have plucked no thorns from  
Thy dear Brow, but planted  
thousands there.

### WHAT IS GOOD?

By John O'Reilly

"What is the real good?"  
I asked the musing mood,  
Order, said the law court;  
Knowledge, said the school;  
Truth, said the wise man;  
Pleasure, said the fool;  
Love, said the maiden;  
Beauty, said the page;  
Freedom, said the dreamer;  
Home, said the sage;  
Fame, said the soldier;  
Equity, said the seer;  
Snake my heart full sadly,  
"The answer is not here."  
Then within my bosom  
Softly this I heard:  
"Each heart holds the secret;  
Kindness is the word."

## Student Of The Month

The student of the month for March is Miss Mar - Gwen Lackey. Mar - Gwen is the 16-year-old daughter of Mrs. Mary Helen Lackey of 605 McKinley. Miss Lackey is a sophomore at Hereford High and her ambition is to be a biology major.

When asked about how she felt about being selected the student of the month, she answered, "Well, I was surprised. I think that it is the best honor that could be bestowed on anyone."

## D. E. REPORT

### Representatives Attend Meeting In Alamo City

On February 25, 1960, the work and perhaps a little pleasure began for Ronnie Byers, president of the D. E. Club in Hereford, Jerry Baird, Leldon Womble, and Bobby Sessums and the D. E. Coordinator, Mr. K. E. Hart. The group arrived in the Alamo City, San Antonio, Thursday evening and registered and retired in their rooms at the Hilton Hotel.

On Friday morning the day's schedule looked pretty busy. Ronnie and Jerry were on the program for the evening events.

The Business Speaking Contest which Jerry was entered was held at 7 p. m. in the Hilton Hotel in Park C. Judges for the event were as follows: Milton Nickel, Tom Barton and George Vakey, counselor at Harlandale High School. Jerry was first on the program and his topic was "The Importance of Distribution to the American Economy". Jerry is employed at the Dawn Co - op Elevator and Feed Store in Dawn. He didn't place in the event but we are very proud of him just the same. He competed against 61 other schools in Texas. Six finalists were chosen and participated in the finals later on that evening.

Ronnie, who is employed at Roberts Appliance Store in Hereford, was entered in the Job Interview Contest. This contest was also held at 7 p. m. in the Hilton Hotel. It was not opened to the public as Jerry's was. There were six different sections of the Job Interview Contest which consisted of 95 different schools. Ronnie's main part was applying for a job as an appliance salesman and service man. His judges were Mrs. Opal Broughton (Sears - Romana Plaza) and Miss Margie McBride (Sears - Romana Plaza). Although Ronnie didn't place, we feel quite proud of him and our school club.

A Sales Demonstration Contest was held Saturday morning also. Even though no one from our club was entered in the contest Mrs. Hart and Leldon watched one group of the contestants at work. They reported that this particular contest was very interesting.

Mrs. Hart served on the Judging Committee for the Outstanding Student Contest. The committee consisted of various high school coordinators and business men, ex - DE students and others associated with the DE Clubs. There were seven on the Judging committee. Mr. Hart stated that the judging was very hard to do and to decide upon the most Outstanding Student.

Bob Sessums, who went as a delegate from the Club, seemed to have the most luck. A Door Prize was given away and Bobby won it. He came back home with a record player. Congratulations to Bobby.

The highlight of the Fourteenth Annual Youth Leadership Conference of DECA, Texas Association of 1960 was the banquet that was given Saturday evening in the ballroom at the Hilton Hotel.

The banquet is given each year by Sears. At the banquet the trophies are presented to the schools who won events that they entered. After the banquet a dance was given in the hotel with the Eddie Martinez International Revis presenting the program and the music.

It would take many columns of the school paper to tell you all the different types and the exciting time our club representatives had at the Alamo City.

Husband quizzing jeweler: "What's good for the third day after a wife's birthday?"

One nice thing about money is that the color never clashes with any outfit you wear.

A German and a Russian were

fishing on opposite banks of the river. The German caught fish after fish. The Russian didn't even get a bite.

"Why is it," asked the Russian, "that you caught many fish, and I get none?"

The German thought a minute, then replied: "I guess on your side of the river they're

afraid to open their mouths."

A traffic cop stopped a giddy young teenage girl.

"Did you know you were driving 80 miles an hour down Main Street?" he growled.

"Oh, isn't that just dreamy," she purred, "and I learned to drive only yesterday."

"This jewelry once belonged to a millionaire."

"Gosh, what was his name?" "Woolworth."

"For months," said the busy club woman, "I've wondered where my husband spent his evenings."

"And then one evening I went home and there he was."

## Ten More Weeks! And Then What?

By Whiteface Staff

"Only ten more weeks of school and then I'll graduate." Some say this with happiness and no regrets, some with a little abhorrence, and others with an air of sure confidence.

Are you ready for your future? What does it hold for you? Some have their lives carefully planned. Others have no idea

of what they want. They are the people who are going to drift aimlessly with the tide all through life.

Make definite plans as to what you want to do with your life. Don't sit around and say, "I have plenty of time. There's no need to rush."

There is a need to rush. Our institutes of higher education aren't going to sit around and wait for you to make up your mind. They're going to take someone who knows what he wants.

Have you started making your plans for the future???

## What if the lights went out in your house tonight?

Well... while you were looking for a candle, or kerosene lamp, you'd have ample time to consider the many blessings electricity has brought. Because electricity is so vital to better living, the entire household would be affected.

Power failures are rare. But if an emergency should cause a temporary interruption in electric service, just stop and think for a moment of the marvelous contributions electricity has made.

The Electric Cooperatives of Texas brought this electricity to rural areas that no one else would serve. They offer a steady, dependable source of electric power for the home and for rural industry.

## If we made Gladiola Flour for Slippery Rock, Pa...

we wouldn't have to do our best

...but we make it for you

We grind Gladiola Flour just for Texas and our next-door neighbors. This presents a bit of a problem. The ladies around here are the choosiest flour buyers in America (as well as the best home bakers).

All we can do is make our flour so good that these ladies have no other choice. That's how it's been for a long time. Year after year, snow-white Gladiola Flour outsells every other brand.

Folks in Slippery Rock, Pa., have to settle for less—but you don't. Gladiola quality is your best bargain in flour. Costs your family only about 1/2¢ a day more than the cheapest little old brand on the shelf.

Bake and be Glad—with

GLADIOLA FLOUR

The best-selling flour in the Southwest.

WALTER ROGERS WRITES:

# Typical City In Texas Is Small, Not A Metropolis

The people of the 18th District are heartening to learn one thing which will emerge from the 1960 Census figures. According to estimates released last week by the Texas Mid-Continent League, many small towns in the Panhandle and in the rest of the state will hold their own or register a steady growth. It is good news that the typical Texas city is a small town — population wise — rather than a metropolis.

The report indicates that, although over 50% of the State's population resides in metropolitan centers, Texas small towns have shown a generally consistent healthy growth during the 1950's, and that over 86% of the incorporated municipalities have under 10,000 population.

Certainly no one, least of all me, would be averse to the fact of the growth of any unit in our State, but it has also been my contention the backbone of our democracy, our economy, and our society is the community life and progress evidenced by our small towns and rural areas.

One aspect which will almost certainly be revealed when the complete Census figures are tabulated is not a particularly happy one. I speak of the declining family farm population, which decline I have opposed at every opportunity, believing it will result in sociological and economic problems which we have not even yet foreseen. It would certainly be my hope that the observation of the League will be correct, to wit: "Growth begets growth. As metropolitan Texas grows during the 1960's, small town Texas will benefit with the reawakening of local agriculture and resources supply activity, development of small manufacturing operations and other supporting operations necessary to sustain the metropolitan populace."

Among those municipalities in the Panhandle with an estimated 1959 population under 10,000, showing a substantial growth in the 1950's are Hereford, Perryton, Dalhart, Canyon, Tulia, Wellington, Dimmitt, Clarendon, Stinnett, Canadian, Friona, Panhandle, McLean, Stratford, Bovina and Spearman.

It was my great honor and privilege last week to participate in dedication ceremonies of the new Blucher S. Tharp Army Training Center at Amarillo. The Center was named for Colonel Tharp, the brave and heroic commander of the equally brave and heroic men of the famous Lost Battalion in World War II.

The story of the Lost Battalion is one that should be known to every American. Those of you who have not read it, please do. It will bring to your minds that in our day and time the immortal words of Thomas Paine in 1776 are as appropriate now as they were then. Here are those words:

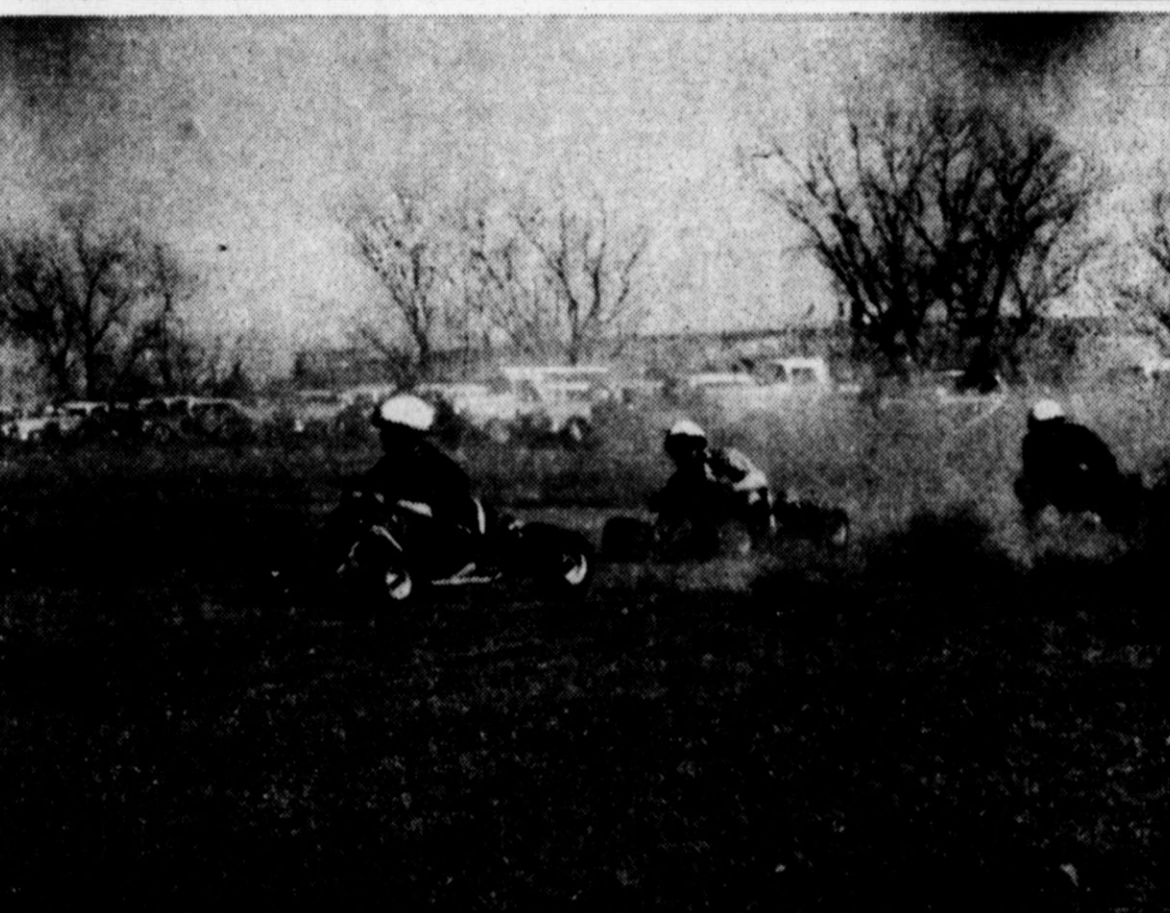

"These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country; but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly; 'tis dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed, if so celestial an article as Freedom should not be highly rated."

We, in the Panhandle, indeed Americans everywhere, are proud and humbly grateful for the magnificent example and sacrifice of the Lost Battalion, the Second Battery, 131st Field Artillery of the Texas National Guard.

... More on the Golden Rule. How big is it? What will it do for a man? Just how far does it reach? Well, all major religions support it, and all ethical teachers of the ages confirm it. But Mr., it is a personal thing and consequently, it is only as big as you. Are you a good citizen, a good neighbor, a good American, a good Christian? These questions are asked with my own happiness and welfare in mind. You will treat me as you treat all others. Your character reflects your opinion of the Golden Rule. The title words, "Have Them," narrows our thinking but at the same time calls us to universal interest. Why should men stop to minister to others, especially, if I am one of them? Let Us Forget: Christ died for all! And YOU are not excluded from the benefit of His death. Whatever guilt we may have contracted, the way is open for us. "Not one that comes to Him shall be cast out." May this rich grace fill us with astonishment, and be now, as it certainly will be in the eternal world, the subject of incessant praise.

A most cordial welcome to you.

## Meeting Is Held By Ford Club

The Ford Home Demonstration Club met in the home of Mrs. O. L. Rigger Friday, March 18.

Mrs. LeRoy Williamson, president, presided over the business meeting.

Mrs. Rigger, clothing demonstrator, introduced Mrs. Tom Draper, County Home Demonstration Agent. She said that Mrs. Draper has done extensive studying on the new labeling law and was in a position to give club women vital information in regard to this.

Mrs. Draper stated that fiber identification is an important clue to the use and care of modern fabrics. The Fiber Identification Act requires

that every textile fiber product carry a label which gives the generic (family) names and percentages, and the weight of the fiber in the products.

The club voted to entertain North Hereford Home Demonstration Club at the Ford Community House on April 13.

The club will have a meeting April 13.

The club will have an April meeting at the home of Mrs. LeRoy Williamson to complete plans for the club entertainment and for the district meeting to be held at Claude April 7.

Those present were: Mrs. James Mitten, Mrs. Bill Gilliland and Nina, Mrs. E. B. Shreve, Mrs. Willa Williamson, Mrs. Marvin Kendrick, Mrs. Marvin Lee and Tanya, Mrs. J. L. Fite, Mrs. L. J. Straufus, Mrs. Hardy Benson and Mrs. J. E. Dyer.

Mrs. Shreve was enrolled as a new member.

The next regular meeting of the club will be April 20 in the home of Mrs. J. L. Fite. The program will be on "Managing Your Bank Account". This will be given by Mrs. E. L. Simmons.

## BURRO BUSINESS

STRANG, Nebr. — This southeast Nebraska community has a population of 100 humans and 39 Mexican burros.

The animals belong to Lowell Messman, who bought a pair of burros for his sons four years ago and was amazed at the interest aroused when the pair produced a colt.

"It got me to thinking about raising burros to sell," he explains, with the result that what started out as a sort of hobby has become what Messman describes as an "unprofitable but highly interesting little business."

# How Can I?

By Anne Ashley

Q. How can I make a satisfactory substitute for putty?

A. By mixing some talcum powder and linseed oil to a putty-like consistency, you can use this in the usual way for just a small amount of work. A stick of chalk, ground to powder, can be used instead of talcum, if you don't have any of the latter.

Q. How can I facilitate the removal of a piece of frozen meat which has become stuck in the refrigerator freezing compartment?

A. Try twisting a corkscrew into the meat, and use this as a "puller."

Q. How can I shrink a woolen garment deliberately before washing it for the first time?

A. By soaking it in cold water for about two hours, then spread it out to dry without stretching it in any way.

Q. What is a simple and easy way to add life to razor blades?

A. Lay your blade on the inside edge of a glass tumbler and, pressing gently down on it with your forefinger, rub it back and forth a few times against the cutting edges. This works very well for rehonoring the edges of the blades to shaving sharpness.

Q. How can I remove spots from white felt skirts and hats?

A. White felt can be cleaned very nicely by rubbing it gently with fine sandpaper or the smooth side of an emery board.

Q. How can I improve the ordinary method of baking apples?

A. Fill the apples with nuts, cinnamon, and sugar. They are delicious when baked with this filling and afford variety.

Q. How can I avoid the loss of beads when the string holding them accidentally breaks?

A. The next time you restring the beads, apply a liberal coating of hard soap to the string. Although one or two of the beads may drop off when the string is severed, the remainder will stay in place, held by the adhesive quality of the soap.

# Whitefaces Turn Back Rebel Rally In 7th To Win 8-6

Getting hits when they were needed, the Hereford Whitefaces came through with an 8-6 victory over the Tascosa Rebels in Amarillo Monday afternoon.

The Rebels returned the game in Hereford Tuesday afternoon. Whip-armed Donnie Marcontell allowed eight well-scattered hits, but struck out ten in notching his second win in as many starts. Only senior on the squad, he walked just three in preserving the victory.

A pair of three-run innings provided the extra margin, as the Rebels staged a determined rally in the final inning.

After two scoreless innings, Hereford jumped in front 2-0 in the top of the third. Joe Mac Hale singled, went to second on an error and Wesley Poarch walked. Greg Combs laid down a bunt that pushed in Hale and Marcontell singled in Poarch.

In the bottom of the third, the Rebels tied it up 2-2. Lead-off batter Nicky Leverett got on by error and Ralph Lord doubled him in. With two out Jerry Hodge singled to get Lord across with the tying run.

In the fourth the Rebels went in front 4-2. Austin Glover singled, pitcher Jack Boger walked, Leverett sacrificed Glover in

with a bunt and an error let Leverett in for the second run.

Hereford roared back in the fifth to get ahead 5-4. Hale started off on first base, courtesy of an error. With two outs, Edwin Thomas was hit by a pitched ball, Marcontell walked and Ronnie Botkin singled in two runs. Charlie Burrus then got on by an error to allow the third run in. Tascosa started Jack Boger then was relieved

by Leslie Giles, who got Jim Collier to fly out.

Hereford added to its slim lead with a three-run outburst in the top of the seventh. Pinch hitter John Buck slammed a sharp double to deep center field. Edwin Thomas singled and Marcontell batted in Buck with a single. Charlie Burrus, with one out, pounded a double off the center field fence to bat in two runs, but was out trying to stretch the hit into a triple.

In the last of the seventh, the Rebels scared the Herd. With two men out, Hodge singled and Dickie Freeman walked. Glover's long fly to left field was dropped by Dan McDowell, allowing two runs to score. Pat Friend was sent to first after

being hit by a pitch, but Marcontell struck out Giles to choke off the rally.

Boger, who worked 4 and 2/3 innings, was charged with the loss. The stocky righthander used his curve and a fast ball to notch 7 strike-outs, while giving up two walks, five runs and five hits. Lefty Leslie Giles relieved. He allowed three runs on five hits and struck out one. He didn't give a free pass in his two and one-third innings of work.

Marcontell was the big batter for Hereford as he hit two for three. Botkin batted in two runs and Burrus three.

## Sessions For Census Takers Are Scheduled

Census takers who will visit every dwelling unit in the area during the 1960 Census of Population and Housing which starts April 1 will participate in four training sessions next week. District Supervisor, Clyde Cook has announced.

The training sessions, to be conducted by the crew leaders will be held on March 27, 28, 29 and 30. Each census taker will receive a total of approximately nine hours of instruction.

Emphasis will be placed on the importance of a systematic thorough canvass of every dwelling unit during the census to insure a complete count. Class room training will cover proper manner of asking questions, use of the Census questionnaire, Census definitions and map reading.

Map reading is an important census-taking technique since, without maps, defining the limits of each district to which a census taker is assigned, the job would be a matter of confusion. About 250,000 maps have been prepared for the 1960 Census.

This provides an individual map for each of the 250,000 districts into which the country has been divided for the census. Every census taker will be furnished with a map of his district. As they make their rounds, census takers will be required to canvass every street and road and visit every housing unit within the boundaries of their assignments.

FRIO NEWS

## Farmers Begin Spring Plowing

**By MRS. OWEN ANDREWS**  
Farmers are getting at the long delayed spring plowing — getting ready for the planting season. Although some blowing of land is reported, serious damage has so far not developed and with the warm weather, the young wheat and barley are growing so rapidly that the danger is decreasing.

Mr. and Mrs. Bill Berryman and grandson of Salda, Colo., visited from Friday through Sunday with the E.B. Berrymans. Mr. and Mrs. Wallace White and children of Amarillo were also there on Friday and Saturday. On Saturday, the Clark Andrews visited with them. On Sunday the two Berryman families ate dinner in the home of another brother, Sam Berryman, of Bovina.

Mr. and Mrs. Frank Robbins and children, Bill Cole and Darlene Sparkman visited the museum at Canyon on Sunday afternoon.

Mr. and Mrs. Don Ed Robinson of Lubbock are parents of a son born at Lubbock on Saturday, March 19. Mr. and Mrs. A.B. Glenn are maternal grandparents. Mrs. Glenn planned to go this week to spend several days with the Robinsons.

Miss Viola Keene of Loveland is visiting the home of her sister, Mrs. B. H. Baldwin, for a few days.

Mrs. Andy Axe suffered a broken leg in an accident at the Play House Skating Rink in Hereford on Saturday night. She was improving as well as could be expected, but will have to be in bed at least a week, the beginning of an extended recovery period.

Mr. and Mrs. W. H. Andrews, Ronnie and Jackie, recently visited their daughter and sister, Delores, at Abilene where she is in college. They also visited the Rev. and Mrs. A. C. Hamilton at Abilene. He is a former pastor of a Hereford church and is now pastor of an Abilene Baptist church.

Mr. and Mrs. David Yandell recently visited his relatives at Tahoka. A brother, Dan, and his family were leaving to live in Colombia, S. A., and they were getting together to visit before they left. Another brother, Jimmy, and his family already lives in Colombia. Their mother, Mrs. A. N. Yandell, came home with the David Yandells for an extended visit.

Mr. and Mrs. George Parker accompanied by Mrs. A.N. Yandell and Mrs. Parker's sister, Mrs. Dovie Isbell of Tahoka, visited several days in Ardmore, Okla., with another sister, Mrs. Flora Wallace, and with another sister, Mrs. Cecil Bartley, at Sherman. Mrs. Yandell visited some of her relatives at Durant, Okla. Mrs. Wallace and Mrs. Isbell came home with the Parkers to visit several days.

Mrs. H. A. Parris of Lubbock, spent Sunday and Monday in the home of the son, Olin and family.

### HOMEMADE VIOLIN VALUABLE

LITCHFIELD, Ill. (AP) — A violin made by an industrial arts teacher drew praise from David Rubinoff, concert violinist who made an appearance here. "An amazing instrument worth \$1,000," said Rubinoff.

The violinist put aside his Stradivarius to finish a concert with the violin made by Drexel Mey, teacher at nearby Hillsboro Junior High School.

Mey said he brought the violin to Rubinoff at the urging of friends who thought it to be of exceptional value. He said he made the instrument in 1933 as his senior shop project at Milliken University in Decatur, Ill.

### Selective Service College Test Slated

The 1960 Selective Service college qualifications test will be given to college men on April 28, 1960. Colonel Morris S. Schwartz, state Selective Service director, announced recently.

College men who wish to take the test may obtain instructions and application cards from the local draft board. To be accepted, applications must be postmarked not later than midnight, April 7.

The test to be given on April 28 will be the only test offered during the 1959 - 60 school year, the state director said.

The test is a three-hour written examination. Any selective service registrant may apply to take it who is a full-time college student, provided he has not taken it recently.
