WATER STARTED DRAINING from the natural lake four miles north of Hereford Monday afternoon as Texas Highway Department workers tried to get rid of the four feet of water covering U. S. Highway 385. Ditches will carry the water to the vicinity of the city dumpground and then on to Tierra Blanca Creek. A huge backhoe dug out the channel leading into the lake. It is expected to take a week to drain the lake enough to allow through traffic. (Staff Photo)

Home For Aged Will Be Here If Site, Gift Are Arranged

Boy, 8, Killed In Fall From Tractor

Funeral services were pending Wednesday morning for Virgil John Owens, Jr., 8, who was fatally injured when he was run over by a tractor on his parents' farm six miles east of Hereford Tuesday evening. The son of Mr. and Mrs. V. J. Owens, the boy was killed when he fell from a tractor which was driven by his brother, Ronnie, 11, in a field about a quarter mile from the family home. He reportedly fell under one of the rear wheels of the tractor and the wheel passed over an upper portion of his body. The accident occurred at about 6:30 p. m. Tuesday near Joel Switch. His brother and T. J. Stancher, a hired hand, were planting maize and the boy reportedly was riding on the tractor with his older brother. Stancher was riding on a planter behind the tractor at the time. The youth was taken to Deaf Smith County Hospital in the family car and was placed under oxygen. Funeral services will be under the direction of Gilliland Funeral Home in Hereford. (Continued on page 2)

Virgil John Owens Jr.

Prospects for locating a proposed home for the aging in Hereford took on a shining glow this week. But there was a large "if" attached to them.

Members of the Homes for Older Adults in the Northwest Texas Conference of the Methodist Church voted unanimously during a meeting Friday to locate the home in Hereford. The meeting was held in Lubbock with 22 of the 27 members present.

Only stipulation is that Hereford must have ready by September 15 a suitable site and a goodwill gift of \$82,000.

During the annual conference in May, a bid was submitted from Hereford to locate the first of four planned homes here. It was the only bid made, although other towns since have made offers.

Basically, Hereford will be expected to get options on the first and second choices of the board for a site in the city. This will include about 14 acres. The board agreed to allow Hereford \$18,000 for purchase of the site and to require only the balance of the \$100,000 gift to be paid in cash.

Funds for the local participation will be raised during the summer, according to Henry Sears.

The drive will be handled through the Hereford Area Foundations which first made plans to locate a home for older people in Hereford. After working for a short time on the project, the Foundation was approached by the Methodist Church and asked to help them locate a home here. This was approved by the Foundation.

Sears emphasized that the \$82,000 would not have to be paid on Sept. 15, when the Methodist group is to meet again. "Hereford's gift at that time can be either cash or firm pledges," he said.

The Rev. Don R. Davidson,

Beet Group And Sugar Company Hold Discussion

Officials of the American Crystal Sugar Company and representatives of the Texas Sugar Beet Growers Association got together in Denver, Colo. Monday to consider the feasibility of locating a beet refinery in the Hereford area.

Attending the meeting from Hereford were Henry Sears, Hank Williams and James W. Witherspoon.

The company explained it was considering a plant in the Hereford area, but that there were a lot of points to be considered before the planning could go any further. Witherspoon said the beet growing region around Hereford also had a number of items to work out and clarify in the near future.

Meeting at the request of American Crystal, Witherspoon said the meeting was good and that

executive director of the non-profit organization recently created by the Methodist Conference, is scheduled to hold an open, public forum at the Hereford Community Center on Sunday, July 17, to answer all questions and explain the home.

Currently plans indicate the Methodist home would have room for 150 people, with central service facilities for about twice that number. Original investment is expected to be about \$1,000,000 with expansion during the first five years of operation raising this to a total of about \$1,500,000.

Earnest Langley of Hereford, a member of the board, said at least two other cities in the conference had submitted bids for the first home. One offer was \$100,000 cash from a single family, while another was for a 12-acre site.

Canadian River's Future Topic Of Public Meeting

Features of the Canadian River Municipal and Industrial Water Authority will be explained in a public meeting will be A. A. Meredith of Borger, executive secretary of the Authority.

Persons planning to attend should obtain most reservations from the Deaf Smith County Chamber of Commerce office before 10 a. m. Friday.

Meredith will discuss the history of the organization he represents, the prospects for building the dam and the method that Hereford would have to follow to enter the Authority. (Continued on page 2)

Wheat Harvest Yields Better Than Forecast

Better-than-expected yields of wheat started over local elevators at a fast pace in Deaf Smith County this week.

Farmers were granted ideal weather for harvesting operations during the past few days, with temperatures soaring up to 103 degrees. In contrast with conditions earlier in the month, moisture-loaded clouds have posed no threat to county wheat and barley farmers. Thunderstorms drenched the Panhandle earlier, parking combines until fields and grain dried enough for harvesting.

Grain started rolling in at local elevators at a rapid speed Monday. About 40 per cent of the wheat crop already has been harvested, one elevator manager estimated. Another felt that harvest had reached the half-way mark.

Few green loads were reported at the elevators Wednesday morning. Moisture is ranging from 10 to 12 per cent. Test weight of irrigated wheat has averaged between 60 and 64 pounds. Dryland wheat averaged (Continued on page 2)

Hill Resigns As Band Director

George Hill, director of bands at Hereford High School and Stanton Junior High School for the past year, submitted his resignation Tuesday.

In a letter to Superintendent Paul Stevens, Hill said he was resigning his post in order to enter private business. Hill came to Hereford last summer after four years as band director at Jal, N. M. He replaced Charles Bell.

Hill said he had accepted a position as manager of a piano, organ and band instrument store being established in Hobbs, N. M. by C. A. Rodgers Piano Company of Lubbock. (Continued on page 2)

GLENDIA HOMFELD, daughter of Mr. and Mrs. C. F. Homfeld of Adrain, was named Bake Show Queen Saturday at the annual 4-H Girls' Bake Show. She is president of the Caprock 4-H club and has been in the organization for seven years. Miss Homfeld was chosen from all divisions entered in the bake show competition. (Staff Photo)

Glenda Homfeld Wins Bake Show

Glenda Homfeld was named Bake Show Queen at the annual Girls 4-H Bake Show Saturday, June 18.

The winners in Division I containing the youngsters nine and ten years old, were Beverly Lemons for sponge cake and batter rolls, Dianna Remling for quick loaf bread, Joyce Bezner for record book, Beverly Lemons and Terrie Townsend tied for Division I winner.

Division II winner (11 and 12 years old) were Dianne Jack for Division II and sponge cake, Kathryn James for batter rolls, Becky Higgins for quick bread, and Pamela Winget for her record book.

There were 55 record books and 53 products turned in. The winners were chosen by the number of points they received on their products and on their record books.

The girls scoring 90 to 100 points received blue ribbons, those scoring 80 to 90 points received red ribbons and all scoring below 80 points received white ribbons.

The judges were Mrs. Dorothy Prowell of Hereford, Mrs. Jeanette Hadaway of Amarillo, Mrs. Bess Werner, and Mrs. Argen Draper, county home demonstration agent.

The bake show started at 9 a. m. in the Bull Barn, and the awards were given out at 1 p. m. by Miss Loreta Fowler, assistant county home demonstration agent.

Students Starting Labor On Social Service Center

Thirteen college and university students, all planning to enter fields of missionary work in the future, started construction of a social service center for Latin American families near Hereford Labor Camp early Wednesday morning.

Under direction of the Rev. and Mrs. Robert Story of Nashville, Tenn., work camp directors, the young group will undertake all phases of constructing the all-steel building.

Except for plumbing and a few other jobs requiring professional handling, they will do all the actual building, it was de-

ided by the Hereford Committee on Migrant Ministry. Last week plans were announced that the Plains Steel Building Company of Amarillo would do all exterior work. However, the Committee felt the students could undertake the steel work themselves with metal and framework material supplied by the Amarillo firm.

The group will stay in Hereford for seven weeks this summer for the building of the "community center" type construction adjacent to the Labor Camp.

"The committee felt the students could do the exterior work on the building due to some building experience in their background of work," said Virgil Dodson, chairman of the local committee.

The Rev. Story has had building experience with a contracting firm at Indianapolis, Ind., and one of the students, Merle Oleson of Sioux City, Iowa, is an instructor in industrial arts.

Actual work at the location began at 6 a. m. Wednesday. After the building is constructed,

the students will begin work on the inside.

One of the students is Kristjan Buason, 27, a Lutheran minister from Iceland.

Others who arrived this week included David Baker of Tyler,

Reserve Acreage Contracts Will Not Be Extended

Conservation Reserve (soil bank) contracts which expire in 1960 or later years are no longer eligible to be extended for an additional period of years, it has been announced by Faust Collier, Deaf Smith County Agricultural Stabilization and Conservation office manager.

Previously, contracts entered into for five years or less have been eligible for extension up to the maximum of 10 years upon application filed with the county ASC committee, at any time before the original expiration date. (Continued on page 2)

Wayne L. Ewen of Bonham, James L. Ewen of Lubbock, Donald M. Ewen of Houston, Mary S. Jimenez of Corpus Christi, Joyce Lumpkin of Houston, Valerie Lynch of Houston, Susan Munsie of Decatur, Ill., Mr. and Mrs. Merle Oleson of Sioux City, Iowa and Roberta Steger of Crete, Ill.

The committee, formed earlier this year to plan the summer work program, is made up of three representatives from each of the following churches: First Methodist, Wesley Methodist, First Presbyterian, First Christian and St. Thomas Episcopal; plus two representatives of the United Council of Church Women of Hereford.

Headling community relations between the work camp and the committee is John Robertson of Lubbock, who represents the department of Migrant Ministry, Texas Council of Churches.

Robertson will be in Hereford four days each week for the remainder of the summer. He has been meeting with the local committee for the past six weeks in making preparations (Continued on page 2)

Brucellosis Control Request Has Half Of Needed Signers

About half the necessary endorsements have been received on a petition currently being circulated for a brucellosis control program for this area, according to Deaf Smith County Farm Bureau president Steve Clements of Hereford.

Clements announced last week that required signatures on the petition could lead to certification of this county as a modified, certified brucellosis free area. Clements said Wednesday that 175 cattle owners are listed on the county tax roll. For the program to go into effect, the Farm Bureau must secure signatures of 75 per cent of cattle owners representing 51 per cent of the cattle listed on the tax roll.

"According to a Texas A & M extension service veterinarian," Clements said, "a program of this type could be carried out in West Texas counties with relatively little expense." He said that lack of running

water, which seemingly tends to spread brucellosis, would make a testing program in Deaf Smith County easy and quite feasible.

Benefit of the program would be that any herds from a certified, modified area could be

Drink Dispenser Robbed Of \$15

Hereford police Monday investigated the burglary of a soft drink dispenser at Bill's Gulf Service Station, 600 E. First.

From \$12 to \$15 in times were taken from the coin box of the dispenser, according to investigating Hereford police patrolman Claud Roper.

He commented that there also would be a price advantage in making sales of cattle from a brucellosis free area.

He said petitions are nearly complete in Castro, Farmer and Bailey counties, Dallam and Moore counties also are circulating petitions for certification. Should required signatures be secured on the petition, the State Livestock Sanitation Committee would move into this county and test all registered cattle, all dairy cattle and 20 per cent of each commercial herd. If it is free of brucellosis, the county receives certification.

If reactors should be found in any herd, that herd would be quarantined and tested until it is found to be free of brucellosis. Clements estimated that there (Continued on page 2)

Around Town

Reports from the Hereford Clinic indicate Monday was "Broken Bones Day in Hereford" as they had five cases in rapid succession. A man received a broken leg when a tractor tire fell on him. Later a little girl came in with a broken leg suffered when she fell off a couch. After lunch a child fell from a barn and got a broken arm. A teen-ager, trying out the new trampoline device, broke his ankle. And finally, a woman reported in with a broken finger, received when she shut a car door on the digit.

Hereford Little League players will have their annual candy sale on Saturday, June 25 from 9 a. m. until noon. They will be in uniform and offering giant-sized peanut patties downtown and door to door. Proceeds will go to defray operating expenses of the League. Under L. L. rules, the boys are allowed to have only one such project each season. This will be the fifth year of the sale in Hereford.

Fourth largest settlement in the history of Oklahoma courts, \$100,000, was awarded Mrs. Rosalie Saul and her four children of Hereford. Judgment in the case against the National Trailer Transport Company and the Will Rogers Turnpike was handed down from the district court (Continued on page 2)

WINNERS in division three of the annual 4-H Girls' Bake Show held Saturday in the Deaf Smith County Bull Barn were, from left, Glenda Homfeld, winner in her division, record book and quick breads; Barabara Barnett, sponge cake; and Becky Dunçan, batter rolls. Miss Homfeld also was selected Bake Show Queen. (Staff Photo)

Beet...

(Continued from page 1) the points of both groups were brought into focus by the discussion. Most of the work that needs to be done now is on pending legislation to change the present Sugar Act, which sets acreage limits on beets, he commented. If legislative action warrants, another meeting between the two groups is contemplated.

In the meantime, Witherspoon announced that an amendment to Senate Bill 3508 to extend the Sugar Act was to be introduced in Washington this week. The amendment was to be introduced by Sen. Dennis Chavez of New Mexico, with Senators Clinton P. Anderson of New Mexico, Robert Kerr of Oklahoma and Ralph Yarborough of Texas. The amendment is to the Smathers Bill, which was introduced recently in the U. S. Senate.

Basically, the amendment would allocate up to five per cent of the national beet acreage to four different areas. One would include small, established beet - growing areas, another would be new areas with no allotment of acreage, the third would include new producers and reclamation areas and the fourth would take in new producers in established areas. The allocation would be broken down with 40 per cent for the small, established producing areas and 20 per cent each for the other three groups.

It would take about three years, under this amendment, to get enough acreage in the area to warrant a sugar refinery, Witherspoon pointed out. Hereford would come under the first group, one of about four such areas in the United States.

Witherspoon also said it would take a minimum of three years to locate a refinery in this area if the acreage is allocated. Total acreage to support a refinery would be 20 - 25,000 acres. "Right now our major goal is to get the present Sugar Act legislation changed," Witherspoon said.

SHOWGIRL - PAINTERS
NEW YORK (AP) - Ten Broadway showgirls have developed a new backstage hobby - painting in oils.

Under the tutelage of Faith Dano, one of the featured performers in "Gypsy," the group produced 46 works in three months. The work, ranging from realism to abstraction, was put on special exhibit, with the receipts from canvases sold going to the Actors' Fund.

that in two more weeks, harvested in the 1960 crop would be past history. As fields continue to dry, cotton farmers are starting to hoe their fields. Harvest of onions and potatoes, which did not seem to be harmed by water standing in fields, should begin about the middle of July.

Students...

(Continued from page 1) for the project. Interior lining and work on facilities inside the building will be done by the students, under direction of the Rev. and Mrs. Story and Ed Warren of Hereford.

Dodson said water wells have been drilled, cased and developed under direction of the group's location committee, headed by Les Combs of Hereford. A pressure pump will be installed the first of the week.

Installation of a gas line is scheduled to begin. The building will provide a 16 by 24 - foot space for living quarters of a permanent staff. Activity area will be 48 by 24 feet.

The construction will be located on the paved road leading from U. S. 385 to Hereford Labor Camp southwest of the city. It will be built on the north side of the road, close to the Labor Camp.

Temporarily, the 13 students and two sponsors will live in a rented house at 710 Miles. They will move to the new building when it is suitable for living quarters.

Brucellosis..

(Continued from page 1) are about 3,400 counties in the United States and that more than 1,700 of them are certified as brucellosis free areas.

He again urged that if any rancher in Deaf Smith County has not been contacted and is interested in the proposed program, he should call the Farm Bureau office, EM - 4 -

George Hill ... resigns post

Hill...

(Continued from page 1) Although just submitted this week, Hill's resignation was officially retroactive to the last day of the 1959 - 60 school term.

A graduate of Eastern New Mexico University, Hill is a native of Portales, N. M. He taught at Texico, N. M., before and after military service. He was a member of the 65th Army Band during his tour of duty.

Home...

(Continued from page 1) of the Hereford Area Foundation, emphasized that the home will not be restricted to Methodists, but will be open to all persons, subject only to the admissions committee.

1070, or contact him at the FB office, 204 E. Fourth.

Pro-Am Matches At Club Sunday

Pro - Am type team matches will be held at the John Pitman Municipal Golf Course Sunday, it has been announced by Hereford pro Bud Posey.

Matches will be played by low ball, with one - half handicaps being allowed for each player. Teams will consist of an "A" player (70 - 78), a "B" player (79 - 85), a "C" player (86 to 92) and a "D" or lady player (93 and over.)

The matches will commence at 1:30 p. m., with a foursome starting at each hole on the course. All foursomes should be completed by 5:30 p. m. over the 18 - hole route.

Entry deadline will be noon Sunday. Pairings for the teams will be drawn at that time, Posey said. Each foursome will be assigned a starting tee box.

At 1:15 p. m., the teams will move to their respective tees and at 1:30 p. m. all foursomes will tee off.

Canadian...

(Continued from page 1) Meredith is a former city manager of Borger and has been with the Canadian River project from its inception.

The luncheon will be sponsored by the Water Resources committee of the local Chamber of Commerce.

Committee chairman Les Combs of Hereford, who recently attended a Canadian River Authority meeting in Plainview, invited the guest speaker.

Reserve...

(Continued from page 1) Collier said that extension of contracts is being stopped at this time because of the fact that extension of a contract has the same effect as a new contract and would require the expenditure of additional Conservation Reserve funds. Under present legislation, no new Conservation Reserve contracts will be entered into.

The only exception to the cut-off on extensions is in the case of contracts calling for tree - planting for which seedlings are not available. Such contracts must be extended one year for each year seedlings are unavailable.

Collier said the present ruling has no effect on the period of existing contracts. These will continue in accordance to contract terms.

The Deaf Smith County ASC office received notice of the cut - off May 27.

The soil bank program in this county began in 1956. In 1960, 239 had 10 - year contracts for 91,492 acres and 75 had five - year contracts for 22,677 acres, for a total of 114,169 acres.

DIANNE JACK, center, was named winner of division two in the annual 4-H Girls' Bake Show Saturday at 1 p. m. in the Bull Barn. She was also winner in the sponge cake competition. Pamela Winget, left, won first in record book entries, and Kathlyn James, right, was named winner for her batter rolls. Quick bread winner was Becky Higgins, not shown. (Staff Photo)

Wheat...

(Continued from page 1) erages from 58 to 60 pounds. Dryland wheat has exceeded expectations of most farmers. Many of them felt that a drought that fell on the county in May had stunted much of the growth.

Hail damage has been relatively small this year. Some fields which suffered from 25 to 30 per cent hail damage are producing yields up to 30 bushels per acre.

Quality of the wheat also is good, considering adverse weather conditions which have prevailed over the crop. Barley started hitting the elevators first, but is coming in at a slower pace as most of the attention has been turned toward the 1960 wheat crop.

One elevator manager reported that moisture content of wheat is 11 to 12 per cent, with a 62 pound test weight average. Another said that moisture content of some loads had reached a low of 10 per cent. Some of the grain has tested 64 pounds, he said.

Another manager estimated

Around...

(Continued from page 1) in Tulsa. The award followed the death of Dean Saul and injuries to three members of his family when their car hit a parked pickup truck early Thanksgiving Day, 1958, on the turnpike. Earnest Langley of Hereford represented his survivors in the case, which is subject to appeal.

Chamber manager Bill Thompson said that all persons who completed the course in practical politics last winter will be presented their certificates during the meeting on the Canadian River Water Authority Friday at noon in the Jim Hill Hotel ballroom.

Also, anyone who wishes to attend the water meeting that day is asked to call the Chamber office, EM-4-3333, before 10 a. m. Friday to make meal reservations.

Another meeting of importance will be at 10 a. m. Thursday for members of the Deaf Smith County Highway Development Association. Chairman Sam Bell says coffee and doughnuts will be served. Adoption of objectives and a program of work is the reason for the meeting.

In a change of meeting location, Cub Scouts from Pack 51 will meet Friday, June 24, in the Hereford Community Center to plan the overnight trip to Palo Duro Canyon and Camp Don Harrington. Time is 8 p. m.

Frank Cogdell came floating in Sunday after hitting a hole - in - one on the 140 - yard No. 4 hole at Pitman Municipal Golf Course. Playing with him were John McCleskey, John Blocker, Troy Moore, Dale Tinnin and J.M. Posey. And, on the same hole, McCleskey's shot landed within a foot of the hole and directly behind it. Cogdell used a Number 6 iron on the shot and had the whole group looking for the ball before they peered into the cup.

Youth Employment Service is still looking for employers. To date, only 15 persons have called with job offers and that doesn't begin to take care of the 59 youngsters who have made applications to work. If you have any type of work, permanent or part - time, just call EM-4-2622. They have a youngster wanting to work.

Former Detroit Tiger pitcher Stubby Overmire is managing the Durham Bulls of the Class B Carolina League.

Madame Ali Ghito

Language Study Courses Slated

Madame Ali Ghito of Amarillo will teach classes in beginning French and German and in self-improvement for children, teenagers and adults in Hereford.

The courses will include 12 one-hour classes held twice a week. The day, time and place will be announced in the Sunday Hereford Brand.

On Friday morning, June 24 Madame Ghito will interview all interested persons in the Flame Room of the Pioneer Natural Gas Company from 9 a. m. until 11 a. m.

The language classes will be designed to accomplish basic French or German with emphasis on conversation, expression and vocabulary.

The self-improvement classes will include study of charm, poise, posture and health. Emphasis will be placed on rhythmic gymnastics, relaxation and self-control.

Madame Ghito is presently teaching courses at the YMCA and the Community Center in Amarillo. She has spoken to the Lions and Rotary Clubs of Hereford. She has taught languages and charm classes in a private school in Princeton, N. J. and also appeared on TV shows with NBC, CBS and ABC in New York and Philadelphia.

Rookie Dick Stigman of the Cleveland Indians held Kansas City to six hits in winning his first major league start, 3-1. He had a 9-17 record at San Diego in 1959.

H. D. CHATTER

Area H. D. Clubs Holding Programs

By ARGENT DRAPER
My sincere thanks to you folks for the kindness which you showed us during my illness and passing of my mother. You were so nice and thoughtful that it made the grief much easier.

Some of them from the area who were in Wellington for the service on the 6th were: Mr. and Mrs. H. C. Baird, Mrs. John

Patton, Mrs. E. V. Gleaton, Misses Loreta Fowler and Sharon Beizer, Mrs. C. A. Sauley, Mrs. Cliff Potter, Mrs. B. B. Northcutt, Mrs. Joe Landers, Mrs. P. B. Sowell, Mr. and Mrs. Bill Ellis and Mr. W. J. Jordan.

Also, Mr. and Mrs. Edwin Ramsey, Mr. and Mrs. A. E. Hodges, Mrs. N. E. Gass, Mrs. F. G. Collier, Mrs. Vern Witherspoon,

Mrs. C. L. Whitehead, Mrs. H. L. Hershey, Mr. and Mrs. T. J. Parsons, Mrs. J. W. Thomas, Mr. and Mrs. Cecil Hart and Mr. and Mrs. D. W. Shepherd. There have been good reports on the club program which the club women have given. Mrs. J. B. Caraway and Mrs. H. L. Hershey worked out a system for the club programs. They both prepared the program and then gave it to the other clubs.

Mrs. Hershey went to Dawn for the meetings, and Mrs. Caraway was guest speaker for the Progressive Club.

At the Dawn club last Friday Mrs. H. S. Fuller, Mrs. Caraway and Mrs. Ray Stewart gave the Salad Demonstrations.

Here is the cabbage salad recipe which Mrs. Fuller made.

White Cabbage Salad
By Mrs. H. S. Fuller
1 quart shredded cabbage
1/2 cup crushed pineapple
1 cup large pieces pecans
Dressing for above:
2 egg whites beaten stiff
Juice of 2 lemons
Pinch salt
1/2 cup sugar
2 teaspoons flour
1 cup whipping cream
Cook all in double boiler, except cream, until thick. Cool and fold in whipped cream. Add to cabbage mix.

There have been some requests for the fruit salad recipe which Mrs. T. J. Parsons makes. Here it is:

Fruit Salad Recipe
1 cup small marshmallows
1 cup pineapple drained

1 cup coconut
1 can mandarin oranges
1 cup sour cream
Mix it all up and let it stand for several hours.

I was glad to see Mrs. Zed Stewart who is visiting here from Oklahoma City. She and Mr. Stewart will be here for wheat harvest. Maybe she will come to Council and visit with her friends.

Don't forget Council on June 27 at 2:30 in the kitchen of the Bull Barn. This is a very important meeting and we should have good attendance. We will have committee reports with particular emphasis on the year book committee. We already have some suggestions for special interest programs.

It seems that gardens are a

FIRE SALE NOW
GASPORT, N. Y. — A fire that destroyed two barns and farm equipment at Henry Bruchener's place forced cancellation of an auction. He was going to auction off all the farm equipment.

little early this year. Gladys Miller had green beans and English peas last week along with greens, radishes and onions. I always think of the nice English peas which Mrs. Arnold Hershey raised. She, like Mrs. Miller, plants garden on Good Friday.

This week these clubs will meet: South Hereford, Westway and Cultural. These clubs will have the programs on Consumer Credit.

SLEZAK TO TOUR
NEW YORK — Walter Slezak, who created the starring role in "The Gazebo," will fill the same assignment during the summer as the show takes to the road. The comedy is set for and eight-week tour, with key engagements in Chicago and Detroit.

BLESS THIS HOUSE
NEW YORK — A liturgical commission of the United Lutheran Church has prepared an order of service for the blessing of a dwelling. It begins: Minister — "Peace be to this house."

Response — "And to all that dwell therein."
Minister — "Our help is in the Name of the Lord."

BLACK NEWS

Shower Honors Mrs. Gene Welch

By MRS. DELTON LEWELLEN

The Black Home Demonstration Club met Thursday in the Black Community House. A surprise pink and blue shower was given in honor of Mrs. Gene Welch. Refreshments of iced tea and fruit salad pie were served. Mrs. Ralph Price was hostess for the occasion.

Others present were Mesdames Dick Rockey, Clyde Hays, Fern Barnett, Gene Welch, J. E. Braxton, Johnny Marrs, Roscoe Ivy, Helen Fangman, T. A. Sherley, H. H. Elmore, Travis Stone, Giles Cobb, Ellis Tatum, Jerry Houlette and Mrs. George Frye, visitor.

Mr. and Mrs. Elmer Finley of San Pedro, Calif. are visiting Mr. and Mrs. H. H. Elmore, Mr. and Mrs. Dick Rockey and Mr. and Mrs. Bud Elmore.

Mr. and Mrs. Bud Elmore and Mr. and Mrs. Dick Rockey enjoyed supper with the Elmores on Friday evening.

Mr. and Mrs. Jim Patton and daughter visited in the Coy-Patton home over the week end.

Miss Virginia Patton and Carol Coffee are attending Grand Assembly at Corpus Christi.

Mrs. Jim Buckley is home from Amarillo where she has been in Northwest Texas Hospital.

Mr. and Mrs. I. D. Grimsley of Olton and Mrs. Esther Bomar of Springlake visited Mr. and Mrs. David Grimsley and sons on Sunday.

Mrs. Pat Hamilton and Joe were visiting in the C. H. Hammock home Sunday.

FRIO NEWS

Miscellaneous Shower Honors Two Couples

By MRS. OWEN ANDREWS
 Two young couples were honored with showers at the Frio Baptist Church last week. On Wednesday night after the regular church service, Mr. and Mrs. David Patterson were honored with a miscellaneous shower in the recreation room of the church. Hostesses for the occasion were Mrs. Frank Robbins, Weldon Stephan and Edgar Vinson. Gifts included a complete set of dinnerware, linens and some furniture. The Pattersons live near the Earl Harkinses and is helping Frank Robbins farm.

On Friday night, Mr. and Mrs. Joe Andrews were honored at a miscellaneous shower, also in the Frio Church. Roses in a centerpiece over a blue net cloth and a crystal punch service were featured on the refreshment table. Hostesses for the occasion were Mesdames Floyd Cole, H. M. Mobley, Henry Dobbs, James Dobbs, Clark Dobbs, H. V. Crawford and Weldon Stephan.

Mrs. Herbert Haseloff, Abilene, and Mrs. Pilgreen, Vernon, visited their daughter and granddaughter, Mrs. Joe Andrews, during the week end, and attended the shower at the Frio Baptist Church for the Andrews' on Friday night.

Hold Services For Former Patrolman Based In Hereford

Funeral services for James Robert (Dogie) Kirkwood of Amarillo, 37, a former state highway patrolman in Hereford, were held at 2 p. m. Tuesday in the Trinity Methodist Church of Amarillo.

The Rev. Bruce Parks of Baird, Tex. officiated, assisted by the Rev. Norman Griggs of the Kingswood Methodist Church.

Mr. Kirkwood, a highway patrolman who had served in several Panhandle cities during the past 12 years, died Sunday at 1:05 a. m. in Northwest Texas Hospital in Amarillo after an illness of several months. He had been a resident of Amarillo for six months, having moved there from Vega.

He was a highway patrolman in Hereford from 1953 to 1956, when he moved to Vega. He lived in that town until six months ago when he moved to Amarillo, where he resided at 4417 Fannin.

He was a veteran of World War II, a member of Kiwanis Club of Vega and the Masonic Lodge of Vega.

Surviving are his wife, Mrs. Virginia Kirkwood; two sons, Billy Ray and Eddie Lee Kirkwood; two daughters, Donna Kay and Penny Faye, all of Amarillo; his parents, Mr. and Mrs.

Phillip has been playing the violin for three years. They have played together since Phillip began playing.

They are the sons of Mr. and Mrs. Carl G. Scumbato who live five miles west of Hereford.

A MUSICAL PROGRAM was provided for the Optimist Club by two Hereford youngsters. At the piano is Albert Scumbato, and with the violin is Phillip Scumbato. (Staff Photo)

Brothers Give Club Program

Albert Scumbato, 15, and Phillip Scumbato, 13, provided a piano-violin duet program for the Optimist Club Tuesday.

Albert on the piano and Phillip on the violin played "The Tennessee Waltz", "Tammy", "Mexican Hat Dance", "Golden Slippers", "Come to the Sea", "Teen Angel", "Judith Polka" and "Red River Valley."

Albert has been playing the piano for four years, and Phil-

Masonic graveside rites were conducted in Memory Gardens Cemetery.

Funeral arrangements were under direction of Blackburn - Shaw Funeral Home.

RIPE FOR TOURS

NEW YORK (AP) — Noel Behn, managing director of off-broadway's Cherry Lane Theatre, feels extensive tours are likely to develop for off - Broadway shows.

He says there is an increasing demand outside of New York for more inexpensive and diversified theatrical attractions, especially at university and community theaters.

Among the successful shows contemplating such tours are "Kripp's Last Tape", "The Zoo Story," "The Threepenny Opera," and "Little Mary Sunshine."

World Situation Izzard's Topic At Rotary Club

Wes Izzard, managing editor and publisher of the Amarillo Daily News, spoke to the Hereford Club Monday, discussing the current world scene by reading two letters to the editor.

Being an editor, Izzard has received many letters to the editor, and they should be published, he said, because they show how the American people feel about things which are going on in the world.

Izzard read two letters from opposite sides of the current scene, which explain the confusion of the American people. He said the United States is criticized for support of other governments.

For example, our government has aided or recognized Spain to get military bases on her soil, dictator Trujillo who has brought the Dominican Republic some prosperity and stability and Sukarno who is unfriendly to the United States and even a risk, said Izzard.

The government must recognize and aid foreign governments because those are probably the only stable governments in those countries.

"If the government does not support stability, the door to Communism will be left wide open," said Izzard.

Izzard also explained what he would do about our foreign policy. He said he would first make a list of all the places on the globe where we are involved and very carefully decide if we could withdraw wholly or partially from those countries.

"The way that the United States can help other countries is to remain a strong and prosperous example of democracy and freedom and not yield any self-reliance," Izzard said.

Izzard closed by reading two paragraphs from "The Main Spring of Human Progress." The passage began with the Am-

Legislation Tops Merchants' Meet.

Minimum wage legislation, a change in union bargaining rights and tourist business in Hereford all came in for discussion during a meeting of merchants Friday.

The first item of business was a discussion on a proposed bill for the extension of the minimum wage from \$1. to \$1.15 which would go into effect in November. The wage would increase five cents for the next two years bringing it to a total of \$1.25.

The best way for the local merchants to fight the bill is to write a letter to congress and explain how the extension would affect business, Thompson said.

The merchants also discussed the recent ruling by the Supreme Court on the National Labor Relations Act, the Norris La Guardia Act and the Railway Labor Act.

The ruling states if a merchant wants to eliminate a job, he must first contact the union. The elimination of any job employing union labor is a bargaining issue for the union.

The ruling could stand in the way of improvement in industry and business, said Thompson.

At the present there is a bill before the Senate which will, if it is passed, eliminate contacting the union before dismissing a job.

Sam Bell next gave a report on the Chamber of Commerce Tourist and Convention Committee which was created to encourage conventions and tourists interest in Hereford.

Last May the International Parks Highway Association had their convention here, and in three days the 75 delegates to the convention spent around \$2,800 in Hereford, said Bell.

Last year tourists spent two cars traveling on the highways, amount is 1/15 of the National debt.

In 1970 it is estimated that there will be 50 billion dollars spent on enlarging roads, and there will be 65 to 70 million cars traveling on the highways said Bell.

Bell concluded his report by stating three ways to get money into Hereford. Those are by agriculture, by industry, and by tourists.

Thompson said that Hereford has no souvenirs for the tourists to buy and some thought was being given to the subject.

THE OPTIMIST OF THE YEAR, Bill Phipps, right, receives his award from the outgoing president, Lee Roy Boyer, at the annual Installation Dinner and Ladies Night Banquet, held Thursday, June 16. (Angel Photo)

Have you read the classifieds?

Phipps Honored As Outstanding Optimist

Hereford Optimist Club held its annual installation dinner and Ladies Night Banquet Thursday, June 16, at the Hotel Jim Hill at 7:30 p. m.

Bill Phipps received the award as the "Optimist of the Year" from outgoing president Lee Roy Boyer.

Wade Johnson of the Berger Club installed the officers, and president-elect Clifford Galley made his acceptance speech.

Those installed were Clifford Galley, president; Bill Angel, first vice-president; Wayne Williams, second vice-president; Marvin Coffey, secretary-treasurer; Bill Drummond, Bill Phipps, Charlie Sheetz, Bill Bradley, Bo Owens, Gene King and Roy Boyer, Board of Directors.

Assembly Draws Local Delegation

Two Hereford families will attend a four-day Jehovah's Witness District Assembly at the Will Rogers Memorial Coliseum in Fort Worth, June 23-26.

The local delegates are Mr. and Mrs. Lloyd G. Reddoch and two children, Ben David and Becky; and Mr. and Mrs. Joe Rodriguez and two children, Laura and Elizabeth.

According to Lloyd Reddoch, presiding minister of the local congregation, the regular meetings of the congregation will be suspended for the week except the weekly study of the Watchtower magazine on Sunday.

The four-day assembly in Fort Worth reaches its climax on Sunday at 3 p. m. when F.W. Franz, vice-president of the Watchtower Society, will deliver the main talk on "Security During the War of the Great Day of God the Almighty."

EVADERS FINE

KNOXVILLE, Tenn. — When Charlie Guter was hailed before a U. S. Commissioner on charges of making moonshine whiskey in the Great Smoky Mountains National Park, he explained he was "possum huntin'."

This satisfied the commissioner that he wasn't moonshining. But it resulted in a 30-day suspended sentence, anyway. "Possum huntin'" is illegal in the park.

Ranspot Hurls Shut Out As Tigers Maul Pale Hose 15 - 0

Mike Ranspot shut out the White Sox Monday night on two hits while the Tigers were scoring 15 runs on just three hits.

Ranspot allowed a single in the second and another in the seventh. He walked just one and hit three batters. Only one White Sox runner got as far as third base during the game.

Anthony Mays started things off for the Tigers in the first with a walk, going to second on a fielder's choice. He came in on an error. They scored their second run in the second as Ranspot walked and came in on errors.

In the third, the Tigers got three more runs on two hits. Richie Albracht walked, Chuck Calloway doubled, Frank Cain got on by error and Jim Gutierrez singled.

Calloway scored in the fifth after getting on by error. He

erican Revolution and the unknown individual who, yielding none of his self-reliance, "fired the shot heard 'round the world."

took second on a passed ball, went to third on a wild pitch and came in on another passed ball.

In the sixth, the Cats got four runs which were unearned. Mike Ferguson walked and took second on a passed ball. Albracht walked, Orville Williams was hit by the pitcher, Calloway was safe on an error, Cain walked and Gutierrez was safe on an error.

It was more of the same in the seventh, as the Tigers added on five runs with just one hit. Ranspot walked and took second on a wild pitch. With two out, Albracht walked, Williams got on by error, Calloway reached first on a bobble, Cain was hit by the pitcher and Gutierrez doubled.

Joe Hernandez was charged with the loss. He gave up two hits and five runs, walked four and hit one batter. S. D. Baize took over hurling chores in the fourth. He gave up one hit, but allowed ten runs. He struck out eight, walked six, hit three batters and was charged with eight wild pitches.

Various merit badges went to the following boys: Johnny Brownlow for art, public health, wildlife management, citizenship in the community and first camping; Jim Kassahn for first aid, automobiling, music, painting, wildlife management, public health, citizenship in the community, safety, nature and life saving;

Gary Don Roberson, citizenship in the community, fingerprinting and camping; Dan Taylor, bird study, sheep farming and fruit and nut growing; Bruce Miller Jr., citizenship in the community, citizenship in the home, cooking, camping and reading;

Robert Higgins, art and citizenship in the nation; Mike Harvey, reading, cooking, camping and painting; Tyler Thompson, camping; and Jimmy Cooper, camping.

Eight of the Scouts qualified for various National Rifle Association medals during camp.

They shot on the camp range with 22 rifles and a 50-foot distance.

Robert Higgins earned the top award of sharpshooter with first bar; Johnny Brownlow got sharpshooter; Dan Taylor and Gary Roberson earned marksman first class honors; Ricky Austin, Tyler Thompson and Randy Young qualified as marksmen; and David Evans got pro marksman.

Wayne Lawrence is Scoutmaster of Troop 50.

Troop 50 Scouts Receive Honors

Awards and merit badges were presented to members of Hereford Scout Troop 50 during a campfire Friday night at Camp Don Harrington.

Members of Troop 55 of Hereford earned promotions and badges will be recognized at a Court of Honor later in the summer.

Receiving their Second Class badges were Charley Barnard, Tommy Green, David Evans, Ricky Austin and Kerry Thompson.

Various merit badges went to the following boys: Johnny Brownlow for art, public health, wildlife management, citizenship in the community and first camping; Jim Kassahn for first aid, automobiling, music, painting, wildlife management, public health, citizenship in the community, safety, nature and life saving;

Gary Don Roberson, citizenship in the community, fingerprinting and camping; Dan Taylor, bird study, sheep farming and fruit and nut growing; Bruce Miller Jr., citizenship in the community, citizenship in the home, cooking, camping and reading;

Robert Higgins, art and citizenship in the nation; Mike Harvey, reading, cooking, camping and painting; Tyler Thompson, camping; and Jimmy Cooper, camping.

Eight of the Scouts qualified for various National Rifle Association medals during camp.

They shot on the camp range with 22 rifles and a 50-foot distance.

Robert Higgins earned the top award of sharpshooter with first bar; Johnny Brownlow got sharpshooter; Dan Taylor and Gary Roberson earned marksman first class honors; Ricky Austin, Tyler Thompson and Randy Young qualified as marksmen; and David Evans got pro marksman.

Drivers Escape Injury Tuesday

Two persons escaped injury Tuesday evening in two accidents which occurred west of Hereford.

Jimmy Wallace Toney, 29, Route 4, Hereford, was driver of a car which overturned about 5:10 p. m. on a dirt road about one mile west of the city, according to investigating Highway Patrol officers.

Damage to the 1950 model car he was driving was total, according to investigating Texas Highway Patrol officer Carl Parker of Hereford. The car

was headed west at the time of the accident, he said.

The other accident occurred less than a mile west of the city on Highway 60. Driver was Sandra Straw Nichols, 26, Route 1, Friona.

She was driving a 1958 model station wagon, Patrolman Parker said. She apparently applied brakes to miss a car in her path, swerved and the car left the road to her left. The car was headed west on the highway, he said.

The accident occurred about 6:30 p. m. Damage to the car was estimated at \$200.

By JIMMIE GILLENTE

Back from Houston and the 81st annual convention of Texas Press Association with one firm conviction: There is no substitute for air conditioning! No matter how hot it gets in the Panhandle, I will never again complain. Humidity, along with a 3,600-foot drop in altitude, invariably gives me the feeling of a limp, wet dishrag.

Highlight of the meeting was appearance of Vice President Richard Nixon and Pat on the Saturday night program. I was one of a TPA group delegated to go out to the airport and welcome Mr. Nixon to Texas and, as I stood there in the 96-degree heat I wondered if County Democratic Chairman Lou's Woodford wouldn't be mighty proud of me? Also, with a grin, I remembered one time when Jay Boston got mad and said I wasn't anything but a blankety-blank Republican, anyway. It was interesting, though. They really do roll out a genuine red carpet. A crowd of some 12,500 people thronged the airport and stood in the blazing sun several hours awaiting arrival of the plane.

While Mr. Nixon was a guest on our program, he was pretty well taken over by the GOP "brass" from time of his arrival, except for an hour and a half or so for our banquet. He carried a complement of around 20 FBI men, and got a special elevator in the hotel. During his talk the seal of the "Vice President of the United States" was displayed on the rostrum, and I never before realized the Vice President carried a seal. Mrs. Nixon was most charming and, though I personally thought she looked older than pictures I had seen, more than those with whom I talked thought she appeared younger.

Mr. Nixon impressed me as being sincere, forthright and honest in his attempt to answer all questions -- and some of

them were rough. He sidestepped only one, and that concerned his probable opponent in the Democratic slate.

"I am a lot more interested in who will be the Republican nominee", said the Vice President, and got a big laugh. He also recalled a recent experience in which he was quoted as not being able to stand pat on one of Eisenhower's issues: "It got me", he said, "when I saw the headline, it read, 'NIXON CAN'T STAND PAT!'"

Perhaps it is wishful thinking, but most of the GOP brass seem to sincerely believe that Kennedy will get the Demo nomination. They say Kennedy needs only 12 votes -- and they predict that his father will get them for him. They also predict freely that, in case Lyndon Johnson fails to be nominated, Nixon will carry Texas.

Personally, I have a lot of confidence in Lyndon and Mr. Sam when it comes to horse trading. If Kennedy does not get in on one of the early ballots and starts swapping horses, he will be lucky to find a ride home. The longer it goes, the better chance Johnson will have. Incidentally, several Texas publishers refused to attend the meeting in Houston because Nixon was on the program, and a few who attended other sessions would not go to the Nixon Banquet. All of the others, except Kennedy and Johnson, are on the outside looking in so far as I could see.

TPA President, Tom Whitehead of Brenham, might vote for Nixon, regardless. He says Nixon is the only Vice President of the United States who ever addressed him as "Mr. President".

Houstonians are quite proud of their recent designation as the "Sixth largest city in the United States", which any taxi driver will tell you at the drop

of a flag.

I was also surprised at the enthusiasm Houstonians are showing for Barry Goldwater. Giant banners, and signs demanded "NIXON and GOLD-WATER". However, the GOP tops say it cannot be. They say that Nixon, being from California, will probably draw a running mate from the Eastern seaboard.

It always amazes me how much scuttlebutt a country boy can pick up around one of these places. I sort of envy John Douglas Pitman his upcoming trek to the National Democratic Convention in Los Angeles. I even started to drift around and have a talk with my bankers about it, then I heard about their new holiday schedule and backed out.

The Hereford banks have dropped seven holidays. They will take the six designated by Chamber of Commerce merchants -- Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas and New Years -- plus two others: San Jacinto Day, April 21, and Jefferson Davis' birthday, June 3. The reason they kept the last two was that San Jacinto Day is designated by state law, and Jefferson Davis' birthday has been adopted as meeting date for the annual Panhandle banker convention.

There have been a lot of changes in my generation, but I do believe the greatest has been in the banks. Now when you go into a bank you get free matinee, an occasional cup of coffee, and a big smile from a lot of pretty girls. Bankers are getting more like people all of the time. They used to tell about a banker in the old days who was helping at his son's filling station during an emergency; a customer drove up and said, "Gimme 10 gallons!" The banker wanted to know where he was going, and the man told him Amarillo.

"That's what I figured," replied the banker. "Don't you think you can get by on five?"

The B&PW gals have decided that Hereford merchants are the very finest people in the world. The reason: they completed the club drive for holiday decorations -- and just about cleared the expenses the first year. From now on they will have laundry, installation and replacements -- and will donate all additional proceeds to some

Yankees Pound 16 Hits In Dropping Cardinals 14-3

The Yankees used 16 hits; 15 singles and a home run, Monday night to down the Cardinals 14-3 in Little League play.

In the third inning, the Yanks put together seven consecutive singles to tally five runs.

In the first inning, the Cardinals scored one run as Mike Watts was hit by the pitcher and came in on Ed Mims' double.

The Yankees took the lead in the last of the first and held it throughout the game. Gene Duvall walked and Robby Lemons singled before Steve Hodges homered to plate three runs.

In the second, the Yanks chalked up two more runs on four hits. Jim Allison and Wynn Buck singled before the first out, Duvall singled and was out trying to reach second. Lemons singled and Hodges was hit by the pitcher.

In the runaway third, the Yankees staged a parade a-

worthy community project each year. From what I hear, the ladies are justifiably thrilled and happy with the response, but no more so than the merchants. Anyone would rather their money -- at no extra cost -- go into community improvement than see it carried out of town.

If the hot weather holds, wheat harvest might easily be 90 per cent complete in two weeks. Potato digging should begin around June 27; prices early this week were around \$3, and early yields are figured to run in the neighborhood of 150 bags, which is a bit under par, due to heavy rains. All in all, it looks like a big year for the Hereford country.

lison, Buck, Felix Albiar, Duvall and Lemons singled and Danny Baize was hit by the pitcher. Five runs scored and the Yanks were in front 10 - 1.

The fifth inning was all for the Yanks, as they added on four more runs. Lemons singled, Danny Baize walked and Terry Hill got on by error. Lester singled, Allison walked and Albiar was hit by the pitcher. Then George Connally walked.

In the sixth, the Cardinals got two more runs on four hits. Ed Mims started off with a homer. With two away, Brant Knox, Phillip Cain and Mark Manning singled to drive in another run. Winning pitcher was Danny Lester, who went all the way. He gave up three runs, eight hits, walked none and struck out eight. Lee Robinson took the loss. He was relieved by Gary Payne in the fourth. Collectively, they gave up 16 hits, 14 runs, struck out five and walked six. They also hit three batters.

In the minor league contest, the Dodgers took an easy victory over the Pirates, 31 - 4.

SPECIAL! LIMITED TIME ONLY Factory Demonstrator Offer Gates Extra-Mileage Low-Profile Tire

Here is a rare opportunity to SAVE on a tire of outstanding quality: Gates 1960 Air-Float Deluxe.

Why This Tire Is Setting New Records for Mileage

New, advanced LOW-PROFILE design reduces tread distortion that scuffs off tread. Tire rides easier, steers better—has proved in repeated tests it wears fully 25% longer than conventional first line tires.

That means 2,500 extra miles for every 10,000 miles you drive!

Right now this tire has the tire industry talking. To help us introduce it quickly to car owners in this area, the Gates Factory has now authorized us a **Special Demonstrator Discount on pairs and sets for a limited time only.**

It means a big saving in tire dollars for you—see us now!

UNCONDITIONALLY Guaranteed against ANY Failure for Full Tread Life!

Should this tire fail for ANY reason, we—or any of the more than 8,000 Gates Tire Dealers from coast to coast will replace it with a new tire. You pay only for the mileage already delivered, as determined by tread measurement, according to Gates standard adjustment price schedule.

This guarantee covers BLOWOUTS, BRUISES, RIM-CUTS or any other failure, and has no time or mileage limit!

Regular list price **\$27²⁰** - **\$7⁹⁵** Now only

Hereford Scouts Have High Adventure In Camp

CAMP-CRAFT teaches the Scouts how to get things done without modern conveniences. Here Gary Don Roberson watch their cooking attempts. Jimmy Kreig, Darrell Gililand and

WALKING is the only mode of transportation and most of it is up and down hills. But when the boys go to meals, as in this case, the distance is a lot shorter.

THE MOST POPULAR spot at the camp is the swimming pool. Two large areas provide for instruction as well as recreational water fun.

Hereford Brand Staff Photos

The Hereford Brand

Hereford, Texas, Thursday, June 23, 1960 Section Two

EACH TROOP has its own campsite along of the 580-acre tract. For a week this is the creek that wanders through the center home to the boys.

Nestled in a deep canyon below the flat ranch and farm land near Amarillo is Camp Don Harrington, operated by the Llano Estacado District of the Boy Scouts of America.

During 51 weeks of the year, most Scout work is pointed toward the 52nd week, when the unit will attend camp. Last week two troops from Hereford had their turn.

Troops 50 and 55 had 33 boys running all over the 580 acres of hills which resemble Palo Duro Canyon. A stream and trees make an abrupt change from the usual Panhandle scenery.

Scoutmasters Wayne Lawrence, Elmer Carlson and Assistant Ed Vaught had their hands full keeping up with the boys.

Most mornings were devoted to classes in swimming, campcraft, archery, nature study and rifle marksmanship. Signaling, first aid and cooking also were primary study subjects.

The Scouts lived in Troop units, each with its own camp area. They slept on cots or on the ground in tents. In order to give as much time to advancement work as possible, most of the meals were served in the large central dining hall.

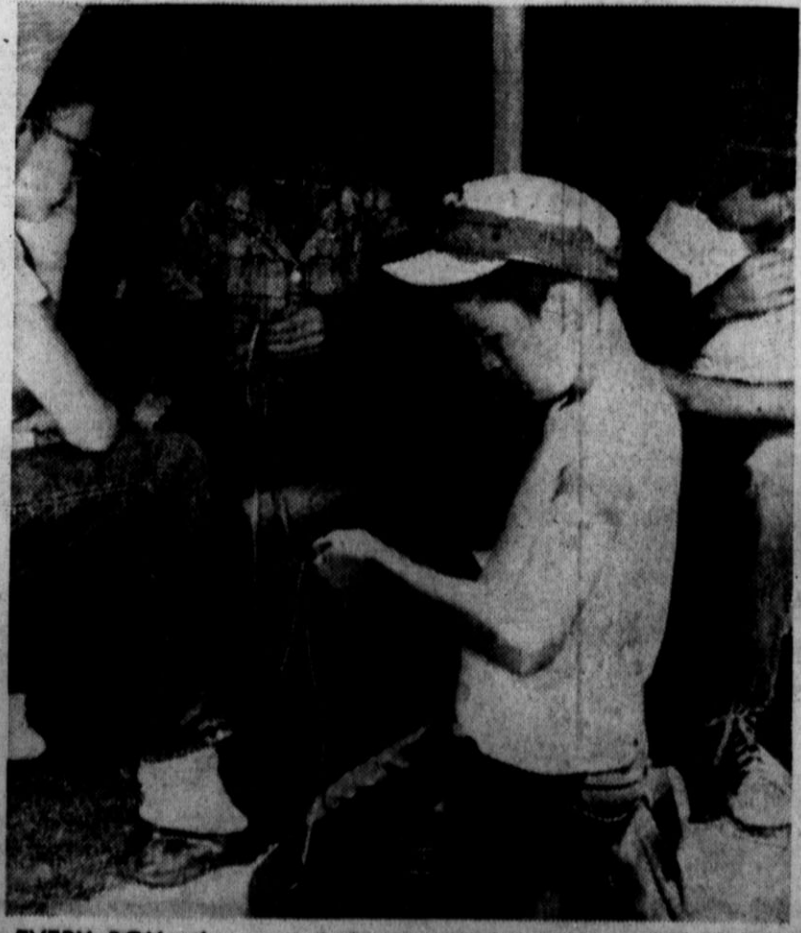

Summed up, it was a week of work, play and high adventure, deep in the canyons.

RESULTS of the cook are critically sampled by Tyler Thompson while counseler George Hughes of Dumas and John Brownlow wait for the verdict. They were using an altar fire place.

FIREARMS SAFETY and marksmanship attracted many of the boys in their free time after basic classes. Mike Harvey tries his skill under the direction of volunteer Ali Parca and Marine Corps instructors.

EVERY BOY who attended camp came home well stocked with items he had made. Leatherwork and braided cords were the most popular items made during leisurely "bull sessions" in camp.

SINGING FOR THEIR lunch is assigned to one troop at each meal. Scoutmaster Wayne Lawrence leads Troop 50 in a song after lunch. The large dining hall serves most of the meals, with quantity being the basic requirement as far as the Scouts are concerned.

JEWELRY STORE owner Bob Lamm holds two wrist watches left behind by a burglar or burglars who broke a window at his store Thursday night. Taken from the window display case were 12 wrist watches and a movie camera, all valued at \$236. Also shown are other second-hand watches which also were in the display case. (Staff Photo)

Blight Fungus Limits Growth

College Station — Southern blight is one of the most common plant diseases in vegetable gardens. It occurs in all areas but is likely to be more damaging in sandy soils of eastern and southern Texas. The fungus disease first appears during May in southern Texas. Gardens in northern Texas can expect the disease during June or July.

The disease is most often observed on tomatoes. However, it also occurs on beans, beets, cantaloupes, carrots, cucumbers, eggplant, Irish potatoes, peppers, pumpkins, squash and sweet potatoes.

Whitish, mold-like fungus growth appears at the base of infected plants. Small seed-like structures (sclerotia) are often found embedded in the whitish growth. These sclerotia are at first white, later brown and are about the size of mustard seed. Affected plants may

wilt and die within a few days. The disease fungus lives in the top 1 or 2 inches of soil. A soil temperature of about 85 degrees or higher is necessary for the disease to develop. The fungus lives over winter as dormant sclerotia.

A 2 per cent calcium nitrate solution applied at the base of tomato plants has delayed and decreased losses. Make the application 4 to 5 weeks following transplanting. Mound the soil around the base of each plant to make a cup of about 5 inches wide and 2 inches deep. Apply 1 pint of solution to each plant. Apply Terraclor, Vapam or VPM before planting according to the manufacturer's instructions.

Avoid pushing soil up to plants when cultivating or hoeing. When preparing the garden seed bed, flat - break or disc - plow the old trash as deeply as possible. The top 1 or 2 inches of soil should be as free as possible of old plant trash after breaking.

Cancer Society Elects Officers

The Hereford Chapter of American Cancer Society met Friday at noon in the Western Wheel Inn Cafe. Dr. Bruce Beene presided over the meeting. Officers for the coming year were elected.

New officers are as follows: president, Howard Richey; vice-president, Mark Woodall; secretary - treasurer, Della Stagner.

Mrs. J. E. Springer gave the committee reports, and Dr. Beene reported on the professional education committee.

Committee chairman elected at the meeting were Mrs. Joe Reinbuer, public education; Mrs. Joe Story, service; H. A. Tuck and Clint Formby, publicity; Dr. Bruce Beene, professional education; and Lloyd Widdifield, crusade.

Mrs. Story, Dr. Beene, Richey, Woodall and Miss Stagner were elected as delegates to attend the district meeting in Amarillo Sept. 29. Dr. Beene was elected as delegate to the state

C of C SCOUT

'Deaf' Smith Says

TO: The Spirit of General Sam Houston
From: The Spirit of Erastus "Deaf" Smith
Subject: Scouting Report on the Activities of the Deaf Smith County Chamber of Commerce for the Week of June 13

Sam, just wanted to report one new member, Homer Lee Owens' Spudnut Shop, and then wanted to give you the text of an editorial that I saw in the Chamber of Commerce office.

This editorial was written by Mr. J. F. Ponder, president of the Mendenhall Area Chamber of Commerce, in Mendenhall, Miss. Mr. Ponder helped organize the Chamber in his town, a

Supper Meeting Friday Evening At IOOF Hall

The Canton and Auxiliary of Patriarch Militant No. 36 met for a supper meeting Friday night at the I. O. O. F. Temple.

Captain Chevalier A. R. Rogers and Lady Vice - President Ruth Rogers presided at the meeting.

A memorial service for the deceased Oddfellows, Rebekahs, Canton and Auxiliary members was held. Auxiliary No. 36 gave special honor to Lady Maggie Luck who passed away this year.

Retired Captain Chevalier Ben Conklin directed a short drill practice.

MISTAKE AT OTHER END
PORTSMOUTH, Ohio — They make mistakes at the other end, too.

Ted Gorley received two income tax refund checks — for the same amount — five weeks apart. He sent one back.

meeting to be held in Dallas in December of 1960. Richey was elected as alternate.

Tom Williams, field representative from Amarillo, was introduced at the meeting. He pointed out several functions of the organization.

Approximately 20 persons attended the meeting.

town of less than 2,000 population. Communities everywhere, large and small, need this kind of enthusiasm, Sam. The editorial is quoted in full below and is titled, "Why Belong to the Chamber of Commerce".

"I have often been asked this question since our Chamber of Commerce has been organized. The next statement generally follows, 'I am a member of a civic club or some similar organization.' First, let me say there is no comparison, actually, between a civic club and the Chamber of Commerce. Civic clubs are good and can accomplish great things but actually the objectives are different and civic clubs are limited. Most civic clubs are service organizations rendering a service to certain needs in their community.

"The Chamber of Commerce is an organization composed of business and professional people in a town, area, or county who organize for the purpose of: 1. Making a complete analysis of their community. 2. Determining the needs and setting up goals and objectives to meet these needs. 3. Creating better business for their community.

"This is generally done through the work of committees, and an executive who is hired by the Chamber of Commerce to promote a community. In promoting a community it takes dollars. To meet this need for dollars a budget is set up and dues are paid by members. To determine the budget you must have in your area or community people who are willing to give of their money to help advertise and advance their community. All of us want industrial development . . . but so do all other towns . . . therefore,

Dr. Milton C. Adams
OPTOMETRIST
Office Hours
8:30 - 5:00
335 Miles Avenue
Phone EM 4-2255
Hereford, Texas

we are in competition with each other. Competition is healthy though, for it is through competition that America has become the strong nation that we know today.

"It has been said our Number One need is not more industrial plants as good as they may be . . . what we need is men with vision for the future. It is pointed out in the Bible that people without vision shall perish . . . and not people without industry or without other things. People who have vision and who are willing to work hard together in a united effort will secure this thing called a progressive community. We all know that

times have changed and we must work and plan together if much is to be accomplished. All people do not possess the same ability and no one person can accomplish everything, but when we all work together to reach common recognized goals our personal selves and the community are going to benefit.

"The coward never started; The weak died on the way; Only the strong came through."

"Pessimism, long facedness, criticism, griping . . . these boys can kill anything. But they can be overcome by fairness, sincerity, radiance, optimism, friendliness and the

definite habit of success. The practice of looking for and recognizing good things will help. We all know weakness

in our community or something we can criticize, but do we know something good or the good things to talk about?"

Hereford Bowling Association Meets

The Hereford Bowling Association met Thursday night in the Community Center. Officers for the coming season were elected. Ed Skypala, out-going president, presided over the meet-

ing. New officers include: president, Jack Kirksey; first vice-president, Doug Kelly; second vice-president, Ron Babione; secretary, Calvin Edwards.

The group discussed policies for the next season and decided that the Board of Directors will be made up of presidents of all five leagues. Each league will have an organizational meeting in August. Officers will be installed by the City Association officers.

Paul Jett, manager of the Sunset Lanes Bowling Alley, has also announced individual and league trophy winners. First and second place trophies were presented to the following: League I: Tom's Peanuts, first place; B and S Motor Supply, second; League II: B. P. Goodrich, first; Piggy Wiggly, second; League III: Ink Spot, first; Pitman Grain, Summerfield, second; League IV: Gwynne's Cleaners, first; Cowan Jewelry, second; League V: Dearing Wrecking, first; and Hi - Plains Savings and Loan, second.

High average for the year in the City Association was Charlie Owens with 182 average for the year; second highest average, Buddie Evans with 177. High Series, Fred Lookingbill with 663; second, Charlie Owens, with 659. High game, Fred Lookingbill with 255; second, Charlie Owens, 250.

A total of 16 individual trophies were given for high game, high series, scratch and handicap. League I: Pat Miller, high game scratch; Roy Duncan, high game handicap; Burney Kearns, high series scratch; Bub Sparks, high series handicap. League II: David Miles, high game scratch; Bud Cawthon, high game handicap; Fred Lookingbill, high series scratch; Bill Lookingbill, high series handicap. League III: Charlie Owens, high game scratch; Leonard Walterschied, high game handicap; Buddie Evans, high series scratch; Ray Leub, high series handicap. League V: Kenneth Christi,

high game scratch; Fred Battersman, high game handicap; Don Steele, high series scratch; Weldon Stephan, high series handicap.

4-H Leader Council Plans Bake Show

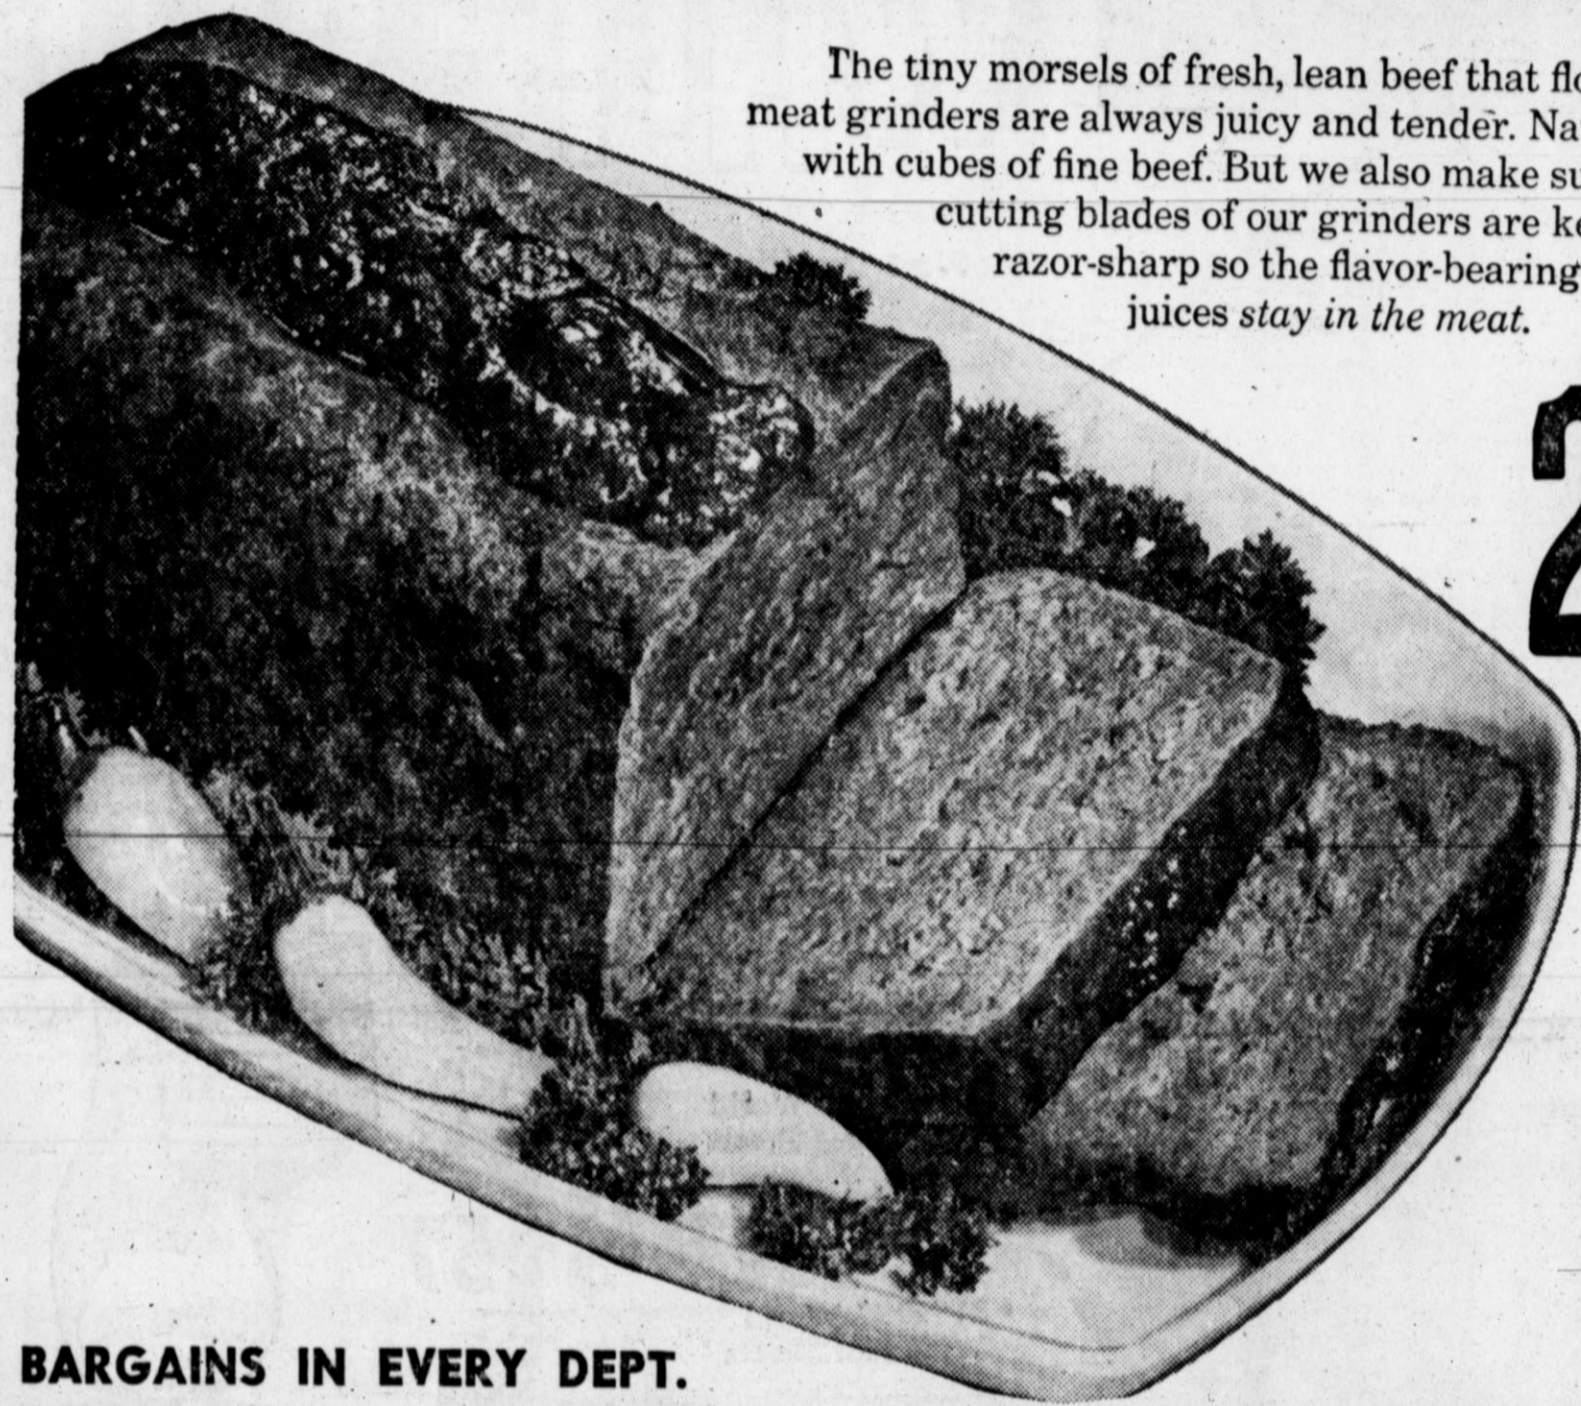

The 4-H Leader Council met in the Bull Barn for their regular meeting recently. Final plans were made for the bake show and dress review which will be held Friday, July 22. A committee was appointed for the Harvest Festival, which consists of Mesdames Carol Higgins, H.H. Miller, J. W. Stengel and Jim Shearhart. Each 4-H club member should get a picture in the office by July 11 for the Festival. Those present were Mesdames Earl Plank, C. F. Homfield, Jim Shearhart, Jim Dean, Mr. and Mrs. J. W. Thomas and Miss Loreta Fowler.

Those present were Mesdames Earl Plank, C. F. Homfield, Jim Shearhart, Jim Dean, Mr. and Mrs. J. W. Thomas and Miss Loreta Fowler.

MEAT LOAF

is Better with **SAFEWAY GROUND BEEF**

The tiny morsels of fresh, lean beef that flow from our meat grinders are always juicy and tender. Naturally, we start with cubes of fine beef. But we also make sure that the cutting blades of our grinders are kept razor-sharp so the flavor-bearing juices stay in the meat.

Area Farmers Busy Harvesting, Plowing, Planting

By MRS. T. L. COLLINS
Several farmers in the community are plowing and others are busy harvesting their dry-land wheat. A few are planting grain sorghums. All farmers in the community welcomed the moisture which fell during the last week.

Summer storms brought welcome rain to the Walcott community, starting on Sunday night, June 5, and continuing all week. Varying amounts from three to six inches of rain was reported. The rain proved beneficial for gardens and pastures.

The house just north of school is now the new home of Mr. and Mrs. Cliff Johnson, Bill and Wayne.

Mr. and Mrs. T. L. Collins drove to Fort Collins, Colo., Thursday, June 2, to get their

son Bruce, who was finishing his sophomore year at Colorado State University. They reported that crops and pastures were green in that area. They also enjoyed seeing snow on the Rocky Mountains. They arrived home on Friday night.

On Sunday, June 5, Mr. and Mrs. Collins and Bruce ate dinner and visited in the home of Mr. and Mrs. Irving Willoughby, Doris and John in Hereford.

That afternoon the group attended the wedding of Glenna Bellar and Don Bomar in the Avenue Baptist Church in Hereford. They were accompanied by Merry Kay Pruitt, Mr. and Mrs. Dan Guseman from Walcott were also there for the wedding.

They visited in the home of Mr. and Mrs. Roy Pruitt, Royce

Lee and Merry Kay before attending the presentation of "The Challenge of the Cross", given by the young people of the First Methodist Church that night.

On Saturday morning, June 11, Mr. and Mrs. Collins left Walcott with Bruce for Jackson, Wyo. where he is employed by the Grand Teton National Park for the summer.

They drove through rain in Denver and stayed that night in Centennial, Wyo. Early Sunday morning they drove through the Medicine Bow National Forest, 10,800 feet above sea level. They hoped to make pictures of the snow banks higher than the car on either side, icy streams, tall pines and clear lakes, but fog and clouds settled and it was nearly impossible to see the sharp curves in the road. It was also cold.

Driving past Rawlins, Wyo., they drove in a hail storm several miles, which piled up on the windshields and about two inches deep on the highway.

The Collinses entered Shoshone National Forest, where they crossed the Continental Divide on Togwatee Pass, 9,658 feet above sea level. On the east water ran into the Atlantic Ocean and on the west to the Pacific.

The Teton Mountains were covered with snow.

On Tuesday night the Collinses and Bruce attended a special performance of ancient Indian dances given by the Laubins, internationally known interpreters of the Indian dance, at the Explorer's Room in Jackson Lake Lodge.

Mr. and Mrs. Collins left Jackson by bus on Wednesday morning, June 15, traveling by way of Rock Springs, Laramie, Cheyenne, Denver, Colo., Raton, N. M., Amarillo and Hereford. They arrived Thursday afternoon.

Mr. and Mrs. T. W. Perrin, Tommy, Craig and Ann from Center, Colo., visited Tuesday and Wednesday, June 7 and 8, with Mr. and Mrs. J. V. Perrin, John and J. V., and the Jim Perrin family near Adrian.

Mr. and Mrs. Joe Rader had her mother, Mrs. J. M. Thomas of Littlefield, and grandson Larry Payne of Hereford, visiting them for several days last week.

On Friday, June 10, Mr. and Mrs. Joe Rager, accompanied by their daughter, Mr. and Mrs. Marvin Payne, Darla and Larry of Hereford, took Mrs. Thomas to her home in Littlefield and then drove to Lubbock to transact business. Late that afternoon they visited another daughter, Mr. and Mrs. M. C. Davis, Pat, Mary and Margaret of near Hale Center, before returning home.

Larry Minks started working for Dr. Gene Cope in Hereford June 1. He is staying with the Cope family during the week. He is also playing baseball with the "Indians" of the Pony League. He is home on week ends with his family.

Mr. and Mrs. Hershel Burrus, Margaret, Cecilia, Mary Alice, Frances Irene and James, Mr. and Mrs. Glenn Burrus, Kathryn and Elizabeth attended the annual Burrus family reunion at Canyon all day Sunday, June

5. Kay Kirby spent the week of June 6 through 13, visiting with her grandmother, Mrs. L. A. Watkins in Plainview. Kay participated in swimming lessons while there.

Mr. and Mrs. Bus Daniel and six children and Lester Sykes from Dumas came Saturday afternoon to visit with Mr. and Mrs. Jim Adkins. They stayed until Sunday night.

Sunday morning Allen Hoover and Ralph Bradford from Amarillo worked on his farm.

Mr. and Mrs. Charles Hoover came from Hereford on Sunday afternoon to visit Mr. and Mrs. J. A. Adkins. Connie and Debra Hoover are visiting their grandparents in Globe, Ariz., at the present time.

Mr. and Mrs. Joe Rader,

Mr. and Mrs. J. M. Payne, Darla and Larry of Hereford went to Red River, N. M. on Tuesday. They took a jeep ride in the mountains where points of interest were pointed out to them. All returned home on Thursday night.

Mr. and Mrs. Gerald Downing left this week for New Orleans, La., where he will make a cruise in connection with his Naval Reserve work.

Mr. and Mrs. Glenn Burrus, Kathryn and Elizabeth and Herschel Burrus drove Sunday to Eldorado Springs, Mo., to attend services for John Burrus, 72-year-old uncle of the men. He was killed in a car accident near his home on Saturday, June 11. The funeral was held Sunday. The Burruses returned home on Monday.

John Burrus had attended the family reunion in Canyon the week end before.

Mr. and Mrs. Don Kirby, Diane and Larry and Verlon Kirby drove to Alamogordo, N.M. to visit his parents, Mr. and Mrs. W. A. Kirby on Friday, June 10, and came home Monday, June 13.

Walcott 4-H Club girls were busy baking this week for the Deaf Smith County 4-H Bake Show, which was held in the Bull Barn in Hereford on Saturday. Quick breads, sponge cake and batter rolls were entered by Vicki and Marsha Burns, Nancy Tyler, Kathy Monroe, Nancy Minks, Elizabeth Burrus, Adair Melton, Dianne and Marla Jack and Mary Ruth Weaver. Atop The World

...and riding high. Nice clothes, a good job, social eminence, a sizable bank account. Yes, and even membership in a church. But just how high does he ride? How secure is life with him? Will it endure or will it be like the chaff which the wind drives away? Examine yourself. Do you worship your possessions or God? Do you glorify yourself or honor Him? Do you take credit for your successes or count them as God's blessings? Unless you possess an abiding faith in God and confess that all good things come from Him... you are riding for the fall of your life. Truly, now, are you "atop the world?" Better stop. Better think. Better make the necessary adjustments. See you in church.

You In The Church
The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Visit Church Sunday and Take a Friend Along. This Is the Best Way To Prepare for Next Week.

Credit Is Topic Of HD Meeting

The North Hereford Home Demonstration Club met Thursday in the home of Mrs. Clinton Ward with a covered - dish luncheon served on the patio.
The meeting was called to order by the vice - president, Mrs. Ward, with the club collect.
Lás servicios durante la semana y el Domingo.
Como siguen: 8 de la noche Martes, Jueves, Sabado y Domingo.
Domingo, 10 de la mañana, escuela dominical, a las 11:30 p. m. de la noche.

Roll call was answered with "Danger of Easy Credit", or "Self Discipline in Meeting Our Debts."
The program was on "Consumer Credit" and was given by Mrs. Argen Draper. She stressed the point that a good credit rating represents a valuable asset and shouldn't be abused.
She said, in part, "Credit is valuable for young married couples just beginning housekeeping. Good financial management often includes the use of credit. If used wisely credit will enable the family to enjoy the goods as they are being paid for; however when payments cannot be met within an allotted time it should be explained to the debtor and spare hard feelings to

ward both parties."
Reports of committees were read and a report of a needy family is being investigated. The hostess reported her accomplishments for the summer, including a new storm cellar.
Members present were Mesdames R. E. Barrett, daughter Cindy and son Roger, Lena Olson and two grandsons Roy and Larry, Doris Payton, Dorothy Klein and baby daughter, Mary Bodkin, R. A. Fullwood, Bell Williams and two sons, Wilma Bryan, Zeldia Kendrick, Miss Roberta Campbell, Mrs. Barbara Barrett, Mrs. Argen Draper and hostess, Mrs. Ward.
The club will be discontinued during July and August and will resume work the first of September.

Why Mercury is the better low-price car!

MORE VALUE. Just look at these Mercury advantages over other low-price cars:
You ride smoother because Mercury has up to 3 inches more wheelbase . . . and is up to 494 pounds heavier.
You're more comfortable because of Mercury's extra shoulder room, leg room, and foot room. You feel safer because Mercury's brakes are bigger (up to 26%), and visibility is better (up to 21% more).
Mercury has at least two dozen extra values. Why not enjoy them all, and save a little money, too?

PRICES START \$63 TO \$66* BELOW EVEN THE LOWEST-PRICED V-8 POWERED PLYMOUTH FURY OR CHEVROLET IMPALA.

And we're not talking about a 'stripped' Mercury. This price comparison is based on a deluxe-appointed Monterey with luxurious nylon interior and deep, soft wall-to-wall carpeting.
This amazing price story is the result of Mercury's dramatic 1960 price reductions (as much as \$174 lower than last year, including extras that are now standard equipment).
Every Mercury is lower priced than last year. All Monterey's are now low-price cars. They are priced below, or within a few dollars of, the other deluxe V-8 series in the low-price field. Come in. See for yourself.

*Based on comparison of manufacturers' suggested 1960 retail base prices for lowest-priced V-8 models.

REP. WALTER ROGERS WRITES:

Direct Laws Toward Elimination Of Payola

To The People of the 18th District:

The House Commerce Committee, after months of sifting through disheartening abuses in the radio-television industry, has reported legislation designed to eliminate payola, rigged programs, and so forth.

Although the Committee's proposed amendments to the Communications Act provide fines and jail terms for those who accept payola or participate in rigged programs, the legislation does not include provisions for the licensing of national networks. This, in my mind, is fortunate, for I do not believe that federal control necessarily needs to be further extended in this area.

But I do feel that the radio and television media need to be provided with a clearer outline of their responsibilities to the people, and there is reason to believe that the proposed amendments will be of some help in this regard.

Broadcasting stations are public utilities, similar to a bus line

or a telephone company. These utilities are expected to make a fair profit, but not at the expense of the general good of everyone.

For example, you expect the electric power companies to provide alternating current, upon which almost all American equipment operates. It would be an abuse for such a power company to begin producing direct current when no other electricity is available.

And it would be a deception for a company to deliver direct current when the people expect alternating current. This, in essence, is what had occurred on part of radio-television industry.

As these media mature, I believe their role in society will become sharper and more generally understood. And I think the Congress can help by stretching—not the exact steps—but at least the general direction which should be taken.

The Japanese government has withdrawn an invitation asking the President to visit there

this week. This news, of course, followed several weeks of rioting and demonstrations perpetrated by left-wing elements opposed to the bilateral defense treaty and the pro-Western policy followed by the Kishi government.

Whatever the motive or impetus, it is all too clear that unrest in Japan generally and repudiation of the treaty specifically would be advantageous to the Kremlin. But it would not only be an advantage for world communism. A failure of the treaty or mob rule in the Japanese islands would be a positive disadvantage to the United States foreign policy.

Our position in Asia, and the position of the free world, is precarious at best. The stark, grim, fanatical figure of Red China casts its greedy eye across that vast crescent running from China to India, and it would be foolish to suppose that Japan has escaped communist dreams of control in the area. It might be totally unnecessary for our President to subject himself to a Tokyo street mob in the first place if whoever has control of our foreign policy moves to regain the initiative from communist maneuvering.

We can only hope that it is not too late, for the free world's entire perimeter is in danger enough without the prospect of a Japanese setback.

INDIVIDUAL AND LEAGUE bowling trophies were received this week by Sunset Lanes Bowling Alley. Bill Amrey, left, received a trophy for Piggy Wiggly, which was second place in League II. Paul Jett, center, manager of the bowling alley, presents a second-place trophy to L. J. Clark, who bowls for B and S Motor Supply on League I. (Staff Photo)

A proposed constitutional amendment permitting people in the District of Columbia to vote for President and Vice President has passed the House of Representatives.

The measure now proceeds to the Senate, and if approved there must then be accepted by three-fourths of the state legislature. This proposal has a connection with home rule measures, in that it is a foot in the door.

Established as the seat of our federal government, the District is Constitutionally prevented from participation in the selection of a Chief Executive. The Chief Executive is supposed to be elected by several States. The District of Columbia is the federal District, not a State.

As the Congress pushes toward adjournment before the national nominating conventions get underway next month, the usual fears are voiced that a number of things may be left undone. Since there are so many curious fixations about "getting things done," the drive to adjournment is always a harrowing time. So-called "must" legislation, much of it designed to further the influence of the federal gov-

ernment in many areas, is pressed with a frenzy of activity. Those of us who are not so certain that this giveaway or that program is really a "must" always are a little more wary than ever at this time. And there is no indication that the situation will be any different as the deadline date draws near.

It was good to have Mr. and Mrs. A. G. Garner and their family, Laura Ellen, Nancy, and here in Washington last week. They, along with Miss Barbara Joyce from Oklahoma City, were here en-route-home from West Point where they had attended graduation exercises for their son, Keith Garner. Mr. H. C. Benefield and M. C. Palmer Norton of Hereford were visitors to the Nation's Capital, and we appreciated visiting with them. We had also our good friends Mr. and Mrs. R. E. McKernan from Pampa.

WALTER ROGERS MEMBER OF CONGRESS 18th DISTRICT OF TEXAS

ment permitting people in the District of Columbia to vote for President and Vice President has passed the House of Representatives.

The measure now proceeds to the Senate, and if approved there must then be accepted by three-fourths of the state legislature. This proposal has a connection with home rule measures, in that it is a foot in the door.

Established as the seat of our federal government, the District is Constitutionally prevented from participation in the selection of a Chief Executive. The Chief Executive is supposed to be elected by several States. The District of Columbia is the federal District, not a State.

Walcott...

(Continued from Page 4)

A number of Walcott residents were present to see the awards presented the 4-H members, at 1:30 p. m. Saturday. They include Mrs. Glenn Burrus and Kathryn, Mrs. Norman Minks and Margaret, Mrs. Leland Burns, Mrs. Jack Weaver, Mrs. N. E. Tyler, Mrs. Buel Monroe, Mrs. Waldron Melton and Denise and Mr. and Mrs. T. L. Collins.

In Division II, best combined score was earned by Dianne Jack with a purple ribbon. The best sponge cake, purple ribbon, was also presented to Dianne Jack. Later Dianne was given a blue and a red ribbon on other entries.

The following girls won a blue, a red and a white ribbon: Kathryn Monroe, Elizabeth Burrus, Nancy Tyler, Vicki Burns; a blue ribbon, and two red ribbons: Adair Melton, blue and white; Marsha Burns, two red and a white; Mary Ruth Weaver, red and white; Marla Jack, white and blue; Nancy Minks, a blue and red ribbon.

Mrs. Waldron Melton assisted with vacation Bible school at Westway the week following the closing of school. Adair and Denise Melton, Nancy and Margaret Minks and Sue Northcutt attended as students.

Tommy and Paul Timberlake left Walcott recently for Chicago, Ill., where they will spend the summer with their father, Douglas Timberlake. Mr. and Mrs. Buel Monroe, Kathy, Jimmy and baby Joe ate dinner on Sunday with Mr. and Mrs. King Webb. Later they drove to Tucuman, N. M. They returned that night.

Citation was the last horse to win the Triple Crown of racing—the Kentucky Derby, the Preakness and the Belmont Stakes. He did it in 1948.

Meeting Held By Golden Circle Class

The Golden Circle Sunday School Class of the Avenue Baptist Church met Thursday, June 16, in the Community Room of the First National Bank.

Mrs. Clois Kemp lead in an opening prayer and presided at the business meeting.

The devotional, "a ticket just for you," was given by Mrs. Preston West.

During the social hour, secret pals were revealed and gifts were exchanged. Refreshments were served by Mrs. Bill West, hostess to Mesdames R. M. Mason, Preston West, Carl Leavelle, Billy Wall, Clois Kemp, Don Hatter, Leroy Thompson and Billy Wayne Parvin.

HIGH GARBAGE BILL. ST. PAUL, Minn. (AP)—Minnesota highway department officials say it cost a quarter million dollars to pick up trash dumped along the state's trunk highways in 1959.
