Area Voters Elect Water Official

High Plains Underground Water District's annual election will be held Jan. 11 when qualified voters within the district will name three men to the Board of Directors, fill vacancies on County Committees and accept or reject the annexation of certain eligible lands in

Cochran County. ABSENTEE balloting began Dec. 22 and will close Jan. 7. In Deaf Smith County, absentee balloting is conducted by the secretary of the county Water District office. Voting on Jan. 11 will be in the courthouse from 8 a. m. to 7 p. m.

Nominees for the place to be vacated on the five-man Deaf Smith County Committee as a term expires this year, are W. H. Gentry and Charles Hoover, both Hereford residents. This vacancy is in Commissioner's Precinct No. 2.

A qualified voter in the election is one who has a valid poll tax receipt and owns property that is taxed by the water district. He is not required to be a farmer or to own an irrigation well.

THREE members of the Board of Directors whose terms expire this year are all nominees for re-election, two without opposition. They are Russell Bean of Lubbock, representing Lubbock and Lynn Counties and presently serving as Board chairman, and Weldon Newsom of Morton, representing Hockley and Lamb Counties.

Chester Mitchell of Lockney, representing Floyd County, is opposed by Ernest Lee Thomas of See AREA Page 2

ROBERT COLLIER

Holly Sugar Names Assistant Livestock Head

Holly Sugar this week announced the appointment of Robert J. Collier as assistant to the director of livestock operations. Collier will make his headquarters in Hereford, Texas.

The 37-year-old native of Lubbock, Texas, is a veteran of four years in the Air Force, and attended Texas Technological College in Lubbock. From 1957 to 1965 Collier was active in the feedlot business in Lubbock.

Melvin Cordray, Holly's director of livestock operations, said, "We feel fortunate in having a man of Mr. Collier's broad experience join us."

Holly's feedlot operations are carried on at four locations: Hereford, Texas; Brawley and Hamilton City, California, and Torrington, Wyoming. Collier is married and the father of two children.

Most Businesses Open Saturday

Few businesses in Hereford will be closed Saturday for New Year's Day.

The post office will be closed with no mail being delivered to homes. Banks will also close Saturday.

Hereford Medical and Surgical Clinic will close at noon Friday and will not reopen until Monday morning. The family Medical Clinic will be closed Saturday only.

Pioneer Natural Gas Company will be closed Friday in observance of the holiday and will reopen Monday morning. City and county offices will be closed Saturday and Sunday, as usual.

Yule Decorations Donors Are Listed

More than 200 Hereford businesses, organizations, and individuals contributed towards purchasing Christmas decorations currently gracing the city's main streets.

Cost of the glimmering Yule decorations totaled some \$2,800 all of which is being borne by those who contributed to the decorations fund.

Following is the list of contributors to the fund, as released by the Deaf Smith County Chamber of Commerce.

Dr. M. C. Adams, Allred Oil Co., C. R. Anthony Co., Armstrong Nursery, Beauti-Plant Sewing Shop, Beavers Motor Co. Beefmasters, Best Sanitary Supply Co., Big T. Pump Co., E. B. HALF GONE — Texas Highway Patrolman Joe Waggoner and Doris Andrews, a secretary at Southwestern Public Service Co., post crosses on the DPS "Operation Deathwatch" board, which is on display at the SWPS office at Third and Miles. The DSP has

estimated 110 persons will die in traffic mishaps during the Christmas-New Year's holiday, Wednesday morning, 55 crosses—representing that many motorcycles in the state—had been posted. (Staff Photo)

Deathwatch Vigil

The 1965 Christmas holiday has been dubbed "Black Christmas" as a result of a new record in traffic deaths being recorded in the nation.

A total of 721 persons died on

the highways during the three-day Christmas holiday, more than the previous 706 deaths during a four-day holiday in 1964.

THE 1965 holiday was called "Black Christmas" because of the record traffic toll. That unwanted title has now been given to the 1965 holiday.

Texas led the nation in traffic deaths with 54.

However, an extra-quiet Christmas week-end was recorded in the Hereford area.

Officers here said no wrecks were reported during the holiday.

THIS WAS viewed as somewhat surprising, since during the first 20 days of December, a total of 31 accidents occurred in the city alone.

Sgt. Bill Wells, head of the Texas Department of Public Safety area headquarters here, said that all available patrolmen will be on the highways for the duration of "Operation Deathwatch," which began at 12:01 a. m. Dec. 24 and will continue until 11:59 p. m. Jan.

AS OF Wednesday morning, 55 persons had died on Texas highways.

This is half of the predicted DEATHWATCH Page 2

Check Forgery Lands Trio In County Jail

Two young juveniles were arrested Friday, along with one adult, and charged in connection with the attempted cashing of a forged check.

A deputy sheriff arrested one of the youths at a local grocery store after he was called by the manager. The other youth and the man were arrested about 15 minutes later by the same deputy.

THE DEPUTY witnessed the youth forge the endorsement on the check using the name of a man the deputy knew well. The check was reported to See CHECK Page 2

DSC Finances Said 'In Good Shape'

County commissioners surveyed two problems and their possible solutions during a meeting Monday which also saw the commission take a look at what was termed a better-than-usual first-of-the-year status for the county's finances. The commission also appointed two persons to terms on the County Child Welfare Board.

District Judge Announces For Demo Primary

District Judge Harry Schultz announced this week his intention to seek re-election, pending the May 7 Democratic primary. In a statement to the Brand, addressed to the people of Deaf Smith County, the judge reviewed his tenure in office. The statement is published below in full:

Instead of merely filing my application with the County Democratic Executive Committee to get my name on the ballot, I have always made it a practice of going to the expense of having a formal announcement for re-election published in the newspapers.

Also I have given an account of my services.

Again I thank you for your support and ask for your votes in the coming primary election.

LARGE DISTRICT This is the only district remaining in the State in which only one judge serves as many as six counties. Along with the growing economy of this district there has come a rapid increase in population and court work. But by aggressive use of pre-trial procedures in civil cases I have been able to keep current with the cases on the dockets.

THE pre-trial procedures have also benefited jurors in frequently avoiding the necessity of calling them for jury duty, and of making the best use of their time while serving on juries and thus also saving the counties jury expense.

NEW CODE OF CRIMINAL PROCEDURE

In order to be well informed about the more than 200 changes made in court procedure in criminal cases by the New Code of Criminal Procedure, I attended the Institute on the New Code conducted by the University of Texas on Nov. 11-13th.

At the request of some County Judges, I organized and moderated a series of three seminars within this district for the purpose of sharing with county officers the information gained See DISTRICT Page 2

Paving Work Could Provide Hereford Loop

By WAIN MILLER
News Editor

Additional paved roads which would provide a loop around Hereford and offer relief for many of the city's presently overcrowded streets was termed "one of the greatest needs" to be faced by county commissioners during the coming year in discussion at a meeting Monday.

Commissioners — who currently await word from the Texas Highway Commission on proposed additional Farm-to-Market road paving in the county — agreed that the county should undertake several small paving projects, and in particular a road which would circle the outskirts of Hereford.

THIS WOULD be in addition to paving in other sectors of the county, which the county has requested the state consider for adding to its F-M road system.

That proposal, presented in Austin some months ago, is expected to be acted upon by the Highway Commission early in 1966.

BUT AT Monday's county commission meeting, commissioners verbally agreed that funds from the road and bridge fund — which go to operate the four precincts' maintenance program — could well be used to provide additional paving.

This would be utilized to pave roads which probably would not qualify for state improvement outlays.

Commissioners for some time have discussed the need for a home-spun loop, route circling See PAVING Page 2

AT LABOR CAMP

Committee Eyes Several Problems

Appearing before the county commission Monday was a five-man group which termed itself "a self-appointed committee" which hopes to tackle several problems of public concern at the Hereford Labor Camp.

Chief among these, the committee said, is the need to drain a playa lake which has twice risen to flood nearby homes for low-income families.

Virgil Dodson, a member of the group and active in the Hereford Migrant Ministry, told

the commission the group wished to receive the county's cooperation in setting up a committee to investigate Labor Camp problems.

"WE BELIEVE that if we can get enough citizens together, we can at least get a start on solving some of the problems out there," Dodson said.

He said the group appearing before the commission Monday was asking the commission to appoint a person to represent the county on the proposed committee.

Commissioners named John Douglas Pitman to serve on the proposed group, which, as envisioned, will also include representatives from Hereford Housing, Inc., which owns most of the Labor Camp property, St. Joseph's Catholic Mission, the Hereford Migrant Ministry, and other interested citizens.

APPEARING at Monday's commission meeting were Dodson; Father Raymond of St. Joseph's; Joe Parker, one of three VISTA workers at the Hereford Migrant Ministry; Ed Dzul, a member of the board for Hereford Housing; and Pitman.

Initial goal of the proposed committee will be to investigate possibilities of draining the lake at the camp's southeast edge.

OTHER goals will include action to upgrade health and sanitation at the camp, Dodson said.

These goals will be approached through studying means available — including the possible See GROUP Page 2

Sunday Paper Deadlines Early

Deadlines for classified and display advertising in the Sunday, Jan. 2, edition of The Sunday Brand will be advanced to Friday in connection with the New Year's Day holiday. Deadlines for classified advertising will be 5 p. m. Friday. Display advertising deadlines will be 6 p. m. Friday.

Highway Patrolman throughout the area and the state are currently amidst "Operation Deathwatch" in an attempt to curb as many motorcycles as possible. Above, Patrolman C. V. (Chuck) Moore warns a motorist to drive

safely. The cemetery in the background served to visually emphasize his warning. (Staff Photo by Tom Wingo)

Page Two District ...

(Continued from Page 1) at the Institute. Two County Attorneys and some other lawyers answered about two hours of questions asked at each one of these seminars by the county officers, county, city and state law enforcement officers and lawyers.

ADULT PROBATION Ever since the adult probation law was enacted and a probation officer authorized I have made liberal and effective use of it. A probationer is placed under a sentence but allowed to remain at home, under supervision, only so long as he lives up to a long list of specific requirements in his behavior. Some of these requirements are that he support his dependents, pay, by installments, the loss sustained by the injured party, and pay \$5.00 per month toward the costs of his supervision. I have no figures on the number that have made good but I know that several hundred have done so.

PAYMENTS TO INJURED PERSONS Up to Nov. 1, 1965, various people in Deaf Smith County benefited more than \$9,742.25, from probationers as restitution for the losses they caused. Up to that time the people of this district received from probationers \$33,570.18, as restitution for their losses.

PAYMENT TO THE COUNTY Additional, probationers have been required to pay court costs, including the sheriff's cost of arrest and transporting them from the place of arrest to this county for trial. In Deaf Smith County this amounted to more than \$6,903.86, which went into the county treasury. For the district as a whole this amounted to \$18,863.96.

Probationers for supervision of their probation also paid to Deaf Smith County more than \$15,453.89. For the district this amounted to more than \$46,093.83.

At this time we have about 90 probationers in Deaf Smith County, and about 200 in the district. The number changes several times each week.

CHILD WELFARE The law is, and has always been, that children under 13 years of age of divorcing parents become wards of the court immediately upon the filing of a divorce suit, and the court has total responsibility for their welfare until they are 18 years old. Because I have pioneered in child welfare matters I was elected last July, as a member of the Board of Directors for the Family Law Section of the Texas State Bar Association — before I ever attended any meeting of this Section.

Since then I have attended two meetings of this Board, and at the second meeting I was appointed chairman of a committee to assist the Texas Legislative Council in codifying our statutes on marriage and divorce, and to recommend improvements.

Dinner Honors Couple

Honoring Miss Ann O'Dowd and Andrew J. Shuval, who are to be married here Friday morning, his mother, Mrs. Helene Schouvaloff of New York City, was hostess at a dinner in Hereford Country Club Wednesday evening. Members of the wedding party, relatives from other cities and a few close friends of the couple were guests. The list included Miss O'Dowd's parents, Mr. and Mrs. E. H. O'Dowd of Waco; Miss Priscilla Ann Latham of Whitney and Robert Slagle of Sherman, who are to attend the couple for the marriage ceremony in St. Thomas' Episcopal Church.

TAKES SPILL—Steve Hodges slides down in this picture as the Blackhaws from Phillips try to stop the Hereford spurt of energy which almost tied up the ball game twice in the third quarter, but the Whitefaces were unable to close the gap ending the game with Phillips having a 75-71 winning margin. (Staff Photo)

Deathwatch ...

(Continued from Page 1) total of 110 deaths expected during "Operation Deathwatch." The total violent deaths predicted by the DPS during the holiday period is 195. As of Wednesday morning, 104 violent deaths had occurred in the state. This included 55 traffic, 24 suicides and homicides, and 25 accidents other than traffic. In addition to DPS units, area police and sheriff's deputies are cooperating in the "Operation Deathwatch" vigil.

each individual precinct.) "AS THE city grows, we are going to have to spend more money around Hereford," Latham continued.

Commissioner Bruce Coleman, precinct 3, said that "I would like to see us start a county paving program on roads which we can't expect to receive state aid."

Donald Hicks, commissioner of precinct 4, agreed. "I think the county should jump in and start some paving ... the state highway commission indicated it couldn't do anything as far as a loop goes until the city grows to a much larger size."

Coleman added that he knew of several projects in Randall county done with county-owned equipment. "They're doing a lot of paving for just a little money."

"WITH THE city having 12,000 population, we need to work to provide more roads around town to take care of the traffic," Latham said.

"I think it should be our number one project as a county commission to see that this is done," he continued. "We've got to do something about this bottle neck in the city."

"I'll grant you that it is probably one of the greatest needs for the county and I'm all for it," Coleman said.

"IF WE wait for the state to do it, they will want to make a road just like highway 60 around the city, and it will cut the throats of the businesses on the highway ... we don't want this to do that and I think the way we have talked about it here it wouldn't," commented Holt.

"I agree," Latham said, "it is part of our job to help the businesses in Deaf Smith County and we sure wouldn't want to turn the traffic out of the city."

The discussion came a few moments after a look at the county's current financial condition indicated that, for the first time in several years, the budget might allow such expenditures on a small scale. (See story on page one.)

No vote was taken, but commissioners apparently agreed that the proposal should be given strong consideration.

Ex-Resident Of City Is Dead

Mrs. Mary J. Arnold, resident of Hereford from 1927 to 1952, died Sunday at the age of 92 in a rest home at Wichita Falls and was buried after graveside services at Vernon, her former home. One of her sons, Fred H. Arnold, lives in Dawn.

Since she left Hereford Mrs. Arnold had lived with a daughter, Mrs. J. T. Mitchell, at Talequah, Okla. until she went to Wichita Falls in May of 1964.

Born in Illinois, she married Homer S. Arnold, who was teaching in Iowa, in 1891 and they moved to Vernon in 1906. Her husband died there in 1921. She is survived by two daughters; three sons including Leon L. Arnold of Leach, Okla. and John B. Arnold of Cleveland, N. M.; nine grandchildren, 19 great grandchildren and a sister, Mrs. Delbert Norman of Seattle, Wash.

County ...

(Continued from Page 1) Sugar Corporation's installation here, which — combined with additional property valuation increases brought about by its advent — have added greatly to the county's tax income.

After viewing the report, commissioners speculated that the starting balance for 1966 may help to prevent last-minute budget shuffling to operate during the final months of the year.

IT MAY also make possible several small paving projects which the commission believes the county should complete. (See story)

In other business, the commission compiled with the county hospital administration's quest that an annual audit be conducted at the hospital.

In the past, audits have been conducted every two years, but an annual audit would save time and cost to complete the audit, commissioners were told.

"THIS IS not to imply that there is anything wrong at the hospital," County Judge H. C. Williams commented concerning the proposal. "The hospital administration merely believes it would be easier to conduct the audit annually, instead of once every two years."

The commission also agreed to pay a portion of a hospital bill incurred by a Latin American woman suffering from a prolonged illness. Actually, the move is merely a transfer of money "from one

pocket to another," a commissioner commented, since the charges would have been charged off as welfare aid to a destitute case.

INVOLVED was a matter of policy ... whether the hospital should allow the hospital to absorb the loss or charge the cost to the welfare department.

Commissioners agreed to charge the bill to the county welfare office after deciding the hospital should not be expected to be charged with all the county's medical care welfare said.

However, the \$1,500 bill involved represented just a drop in the bucket as compared with the \$60,000 which the hospital will probably have to write off as non-collectable accounts this year.

OTHER business saw the commission approve the hiring of Mrs. Thelma Cherry as adult probation, civil, and probate secretary for Judge Williams.

She replaces Mrs. Doyle Rose who retires Jan. 1. Mrs. Cherry will work three days weekly at a salary of \$175 per month.

Commissioner had approved a salary of \$250 monthly, but changed the figure after a mistake was discovered.

IN OTHER discussion, the commission agreed that the county's policy of retirement at age 65 should be enforced in all cases "after a reasonable length of time to find a suitable replacement."

This discussion arose in connection with a report that some citizens in the county were dissatisfied with the ruling.

Group ...

(Continued from Page 1) sibility that state and federal aid could be obtained on the projects, he continued.

It was pointed out that some strides have been made towards obtaining a permanent drainage system for the lake — which flooded some 20 homes in August.

"What we need most is an agent to get things started," Dodson asserted, "and we hope this committee can do just that."

Check ...

(Continued from Page 1) have been made out for \$38 and had the name of a local farmer signed on it, but the name was badly misspelled, which alerted the store manager.

The trio had attempted to cash

the check at another store, but were not able to get clerks there to accept the check, officers related.

THE ADULT was identified by officers as Pete Casias, Hereford, who was arraigned before Justice of the Peace C. B. (Berry) Miles, and bond was set at \$1,000 on chages of conspiracy.

The youths are scheduled to appear for a hearing set for Monday morning.

Mrs. Tommy Phelps piano is old friend

—Small Talk— Musicales Are Holiday Events

By SUE COLEMAN
Women's Editor

The lucky woman this week is the one whose Christmas present was a nice check that she can use for shopping in the year-end sales.

Too often the jangling bargains are advertised just after the entire family bankroll has been so badly depleted with holiday spending that all the good buys must be passed up with regret.

BUT THE SMART husband who gave his wife a check to buy herself a new dress has done them both a favor. In the first place, he escapes the chore of selecting a dress which she probably won't like as well as the one she chooses, anyhow.

Then, after reading sale ads over the weekend, she can find her dress at half price, and have a wonderful time delving through the other bargain racks to spend the remainder of the check.

Nothing pulls a woman out of the after-Christmas doldrums so quickly as a shopping spree, and when she feels virtuous for having saved so much money, she has a glow that makes life brighter for the whole family.

More than likely her buying binge has practical touches that really do benefit her husband financially. Such as stocking up on household linens at a white-goods sale counter so she won't have to buy sheets in the spring.

If she is being real thoughtful, hubby may find himself with a pair or two of new socks bought at a great reduction. Whether or not they fit.

ONE OF THE SPECIAL holiday trips I've heard about is Kathleen Palmer's. She spent Christmas in Seattle with her son, Glenn Toomey, then they left by plane for Hawaii and will be there through New Year's Day. She is expected home by January 6.

As a recent-comer to Here-

ford, Mrs. Palmer has made a place for herself in the city's musical life as well as in the affection of friends charmed by her gracious manner. Direction of the youth choir at First Christian Church is one of her interests, related to her work as a teacher of voice. She has joined the Music Study Club.

A PERFECTLY LUSCIOUS color, the shade my grandma called watermelon pink, is an attractive feature of a full-length knitted coat that Mrs. Al Brown was wearing on a recent visit to this office. Most becoming to her dark eyes.

She is one who gains from the high-fashion rating of knits — she makes them herself, beautifully fitted and finished. No use calling her lucky; she's just smarter than we envious neighbors.

Castro County Awards Given

Awards were presented at the annual Castro County Young Farmer-Young Homemaker banquet in Dimmitt Saturday evening to Ben Holcomb and Mrs. Claudine Langford as outstanding members of the respective organizations in 1965.

Recognition was given to Maria Dones and Elsie Abrego, selected as outstanding Future Homemaker students in Dimmitt High School, and Gene Carson, outstanding senior FFA member.

Rayphard Smithson, winner of the 1964 award, presented a plaque to Holcomb and Mrs. Langford received her award from Mrs. Joanne Nisler, Young Homemaker advisor. Monty Boozer, Young Farmers president, was master of ceremonies.

THE INK SPOT

Musicales Are Holiday Events

Two pre-Christmas events in the home of Mrs. D. W. Palmer, 149 Live Oak, were a recital presenting two of her voice students, Mrs. R. C. Godwin and Keith Jorde, and an afternoon workshop in which a larger group of students participated.

Some 50 guests were invited for the musicale Wednesday evening, Dec. 22. After the program, refreshments were served by Mrs. J. R. Allison and Mrs. Wes Fisher from a table covered with a white linen cloth trimmed with handmade lace in cherub design.

The centerpiece was an anti-

que silver candelabra, its five branches holding red candles and ornamented with red bows to harmonize with other holiday decorations in the rooms.

Mrs. Godwin, soprano, sang a group of solos by modern composers, L'Heure Delicieuse (Staub), Traum durch die Dammerung (Strauss) and Midsummer (Ware), then two carols, No Lullaby Need Mary Sing (Clokey) and Carol of the Cricket and the Star (Johnson).

In the first group of baritone solos by Jorde were Widmung (Franz), Myself When Young (Lehman), Brahms' Sapphic Ode

and Exodus (Boon). He sang the Christmas spiritual, Sweet Little Jesus Boy, and Christmas Story.

The two voices were joined in final selections titled Songs We Like to Sing. Mrs. Joe Hacker played piano accompaniments.

Students singing on the workshop program Dec. 19 were Mrs. Hacker, Mrs. Abe Davis, Miss Kerri Dameron, Mrs. Bill Dameron, Mrs. Ray Polan, Miss Suzanne Oglesby, Marsh Pitman, Mrs. John D. Pitman, Mrs. Godwin and Jorde.

Tea and cakes were served that day by Mrs. Keith Jorde.

ARMY PRIVATE COMPLETES TRAINING

Pvt. Richard J. Bloodgood, son of Mr. and Mrs. George R. Bloodgood, 121 Avenue F, Hereford, Tex., completed advanced training as a cannoneer at the Army Artillery and Missile Center, Fort Sill, Okla., Dec. 22.

Bloodgood was trained in the preparation, loading and firing of field artillery guns and howitzers.

The 20-year-old soldier entered the Army last August and completed basic training at Fort Polk, La.

He was graduated from Hereford High School in 1963.

LET'S COOK SOMETHING

Chili Is Man-Size Fare

By SUE COLEMAN
Women's Editor

Cooking to please the enthusiastic appetites of a husband and two growing sons keeps Mrs. Tommy Phelps' attention focused on food men like. Wife of the new pastor of Temple Baptist Church, Mrs. Phelps moved to Hereford only last month from Fort Worth.

THE FAMILY had previously lived in Amarillo seven years, and chose to return to the Panhandle after Rev. Phelps, a former professional wrestler, completed two and a half years of study in Southwestern Baptist Theological Seminary. The family of a wrestler-turned-preacher finds its way of life dramatically changed, Mrs. Phelps says.

Her husband's decision to enter the ministry, which called for the period of seminary training, meant financial sacrifices and Mrs. Phelps is pleased that the boys realized the importance of the change and adjusted as willingly as she did.

Wishing to add to the family earnings during her husband's student years but reluctant to take a fulltime outside job that would keep her away from the boys, she decided against office work such as she had once done, and cared for children in her home at Fort Worth.

HER SONS ARE Barry, 14, a high school freshman, and nine-year-old Mark, in the third

grade at Aikman School. Although her husband is new to the ministry—Mrs. Phelps is no novice at church work. She has engaged in church activities since childhood, and is familiar enough with the various organizations that she hopes to be useful to the church here wherever her services are needed.

One help she has already given is with music, acting as a substitute pianist. Music has been of prime interest with her since she began piano lessons at the age of 12, and she has also studied voice. She sang in her school choir and was a member of a vocal trio. Now she hopes to do further study in voice and also learn to play the organ, an instrument that fascinates her.

SEVERAL years of her school life were spent in Louisiana, and she was graduated from a Baptist high school in Eunice, La. Her father was employed by a major oil company which transferred him to the neighboring state, but she says she always considered herself a Texan, "just living there temporarily."

Since her parents' families lived near Comanche, she feels that is her home town. Her father, Cecil Horton, is now retired and the Hortons live in Fort Worth. They have lately returned home after visiting in the Phelps home.

An only child, Marjorie Horton learned housework and cooking methods from her mother as she grew up, and learned to please a masculine taste by earning the praise that her father voiced when she cooked something special for him.

In cold weather her men-folks are always ready for a big dish or two of chili, she says, and she has a recipe they like, which includes her own variations. She usually serves it with rice.

CHILI CON CARNE

- 2 pounds ground beef
- 2 onions chopped fine

- 3 pods garlic
- 4 tsp. chili powder (Mrs. Phelps uses chili blend)
- 3 cups hot water
- Salt and pepper to taste
- 1 can tomato soup
- 1 can ranch style beans
- Brown meat, onion and garlic in a heavy skillet or Dutch oven, stirring frequently. Add chili powder and water, cover tightly and cook slowly about an hour. Then pour in the soup and beans and cook the same way for another hour. The more long, slow cooking it gets, the better the chili is.

Another recipe is for a favorite dessert of the Phelps boys.

CHOCOLATE CHIP BROWNIES

Cream a pound box of brown sugar with 1 cup butter or margarine, then add 3 eggs, one at a time, beating well each time. Add 2 1/2 c. flour, 2/3 tsp. baking powder and pinch of salt, which will make a stiff dough. Stir in chocolate chips, 1 tsp. vanilla and 1 c. chopped nuts and spread in pan. Bake about 30 minutes at 325 degrees.

Prather Family Holds Reunion

Children of Mrs. Price Prather and their families were Christmas guests in her home, 1006 E. Third. They came from several Texas cities and one family was here from Georgia for the holiday reunion.

The visitors included Mr. and Mrs. Robert Prather of Baytown, Mr. and Mrs. Clyde Prather and son Don of San Antonio, Mr. and Mrs. Earl Prather and children, Mike and Ted, of Decatur, Ga., Mr. and Mrs. Otto Gilliland and son Durrell of Dumas, Mr. and Mrs. Van Trapp of Amarillo.

ONE MINUTE, PLEASE

"Blessed are the peacemakers: for they shall be called the sons of God." Matt. 5:9.

Those noble people who reconcile man to God; who reconcile man to man; who prevent quarrels and strife and the peacemakers. But before one can be a peacemaker, he first must have peace within himself. Christ the Prince of Peace said, "Peace I leave with you; my peace I give unto you." (John 14:27).

"Christ is our peace", (Eph. 2:14). When we preach Christ and live Christ; and get men to accept Christ and follow Him, we are peacemakers. If all men would accept Christ there would be no wars and no divorces. There would be no divisions in Christendom, but we would all be one in Christ Jesus.

The promised blessing for the peacemaker is, that he shall be called one of the sons of God. If we are sons of God, then we are heirs of God, and joint heirs with Jesus Christ. (Romans 8:16, 17).

Good news for telephone users:

Telephone excise tax reduction goes into effect January 1 for Texas customers

Effective January 1, 1966, the Federal Excise Tax on telephone service will be reduced from 10 to 3 per cent. Following the initial drop, the tax will be lowered 1 per cent each year until it is eliminated in 1969.

Telephone users will receive the full cash benefit from this tax reduction. The tax, which is levied directly on those who use telephone service, has been included on monthly telephone bills, and each month your tax payment has been sent on to the federal government. In effect, the telephone company has been a collection agency.

When the excise tax is eliminated in 1969, telephone users in Texas will save more than \$50 million annually. This will mean more than \$4 million a month added to Texans' spendable income.

Mr. and Mrs. Donnie Morgan of Dallas and Mr. and Mrs. Kippy Morgan of Canyon were holiday guests of the Don Morgan family and Mrs. Nell Morgan

NEWS IN RETROSPECT

AP Picks Top Stories

Editor's Note - The top 10 stories of the year - as listed here by Associated Press newswire writer Mary Campbell - were selected in ballots returned by editors of Associated Press member newspapers and radio and television stations. Editors are annually asked to vote on the top 10 stories of greatest import. Selection does not necessarily indicate support of the actions of persons involved.

The growing war in Viet Nam has been voted by AP member newspapers and radio and TV stations as the top news story of 1965.

Other big stories of the year, as they were ranked by editors, were: 2. Riots in Los Angeles, 3. LBJ's legislative program, 4. Northeastern power failure, 5. Space flights and probes, 6. Selma march, 7. Dominican Republic crisis, 8. Winston Churchill's death, 9. Pope Paul VI visits New York, 10. India-Pakistan fighting.

CALLING the U. S. "guardians at the gate" and hopeful that a display of American power would hasten a negotiated settlement, President Lyndon Johnson set this country's policy in Viet Nam as an increase in U. S. troop commitments.

In February, after the third major attack on Americans in Viet Nam in three months at Pleiku, Johnson ordered jet fighters to bomb a staging area in North Viet Nam.

By March, South Vietnamese and American planes were making regular bombing runs over North Viet Nam. In June, big B52 bombers of the Strategic Air Command flew missions for the first time.

AT THE same time, ground fighting also stepped up. U. S. troops in South Viet Nam increased from 25,000 in January to 165,000 in December, with prospects of doubling in 1966.

The draft call went from 3,000 a month in February to 17,000 for, September. A presidential order stepped that up to 35,000. In January, 65,000 tons of military equipment reached South Viet Nam by sea. In November, 750,000 tons arrived.

Rather than hastening a negotiated settlement, the increased U. S. effort brought heavier casualties. Estimates are that 1965 would have left 27,000 North Vietnamese, 11,000 South Vietnamese and 1,000 Americans dead in battle.

In the U. S. polls showed a high percentage of public approval of LBJ's Viet Nam policy. However, there were "get out of Viet Nam" demonstrations throughout the year, largely by college students and faculty. There was an all-night teach-in at the University of Michigan, a sit-in at the San Francisco State ROTC office and thousands picketed in Washington the week before Easter and again in November. The Justice Department decided to investigate possible Communist involvement.

The U. S. Ranger 9 crashed on the moon 2.76 miles off target March 24. The first commercial satellite, Early Bird, relayed 11 1/4 hours of television between Europe and North America on its first day of operation May 3. Mariner 4 radioed back the first close-up pictures of a lifeless Mars July 14.

6. A March from Selma, Ala., 50 miles to Montgomery, to protest vote discrimination, was started by 600 March 7 and turned back by tear gas. March 9, the Rev. James Reeb of Boston was clubbed to death as he left a Selma restaurant. On March 21, with protection of a court permit to march and the Alabama National Guard, 300 marchers set off, arriving in Montgomery Thursday morning.

7. On April 24, a coup overthrew Dominican Republic President Donald Reid Cabral. He fled, army rebels handed out

weapons to civilians, and four months of fighting began. On April 28, Johnson sent U.S. troops - at one time there were some 24,000. The Organization of American States sent a military force, of which the American force became part. A three-man OAS delegation forged a settlement and Hector Garcia-Godoy took office as head of a provisional government Sept. 3.

8. SIR WINSTON Churchill, 90, died Jan. 24 at his London home, two weeks after suffering a stroke. Churchill was best remembered as Britain's wartime leader who mobilized England and the English language and sent them into battle. His body lay in state three days in the Hall of Kings at the Palace of Westminster and after a somber and majestic state funeral was buried in the village of Blaydon, beside his parents.

9. Pope Paul VI became the first reigning Pope in history to visit the United States, making the longest papal voyage ever - 4,066 miles - to spend 13 hours in New York. He drove through Spanish Harlem, addressed the United Nations pleading "war never again," appeared in St. Patrick's Cathedral and Holy Family Church. He met with leaders of other churches, U. Thant and President Johnson and offered a Mass for peace before 60,000 in Yankee Stadium.

10. In August, Pakistan and India sent armed men across the 1949 ceasefire line in Kashmir. Indians seized Pakistani positions in northern Kashmir. Pakistan moved men and tanks into southwest Kashmir. India began an invasion of Pakistan itself. With the U.S., England and the U.S.S.R. calling for peace, both sides accepted U. Thant's ceasefire proposals Sept. 23.

The rioting in Los Angeles began on the hot, smoggy evening of Wednesday, Aug. 11, in the Watts District, after a Highway Patrol officer arrested a young Negro on suspicion of drunken driving.

The crowds which collected became a mob, first throwing rocks, then heating white mortars, smashing stores and looting. The mob was dispersed, formed again the next evening, dispersed and formed again to throw fire bombs, attack firemen, loot and shoot guns. At the riot's peak, an estimated 7,000 rioters faced 900 Guardsmen. When it was over, 34 persons had died, 898 been injured, more than 1,000 buildings were damaged, 200 beyond repair, more than 4,200 people were arrested and damage was estimated at \$50 million.

The No. 3 story was LBJ's 1965 legislative record. Congress passed 86 major pieces of "Great Society" legislation including \$1.3 billion Aid to Education; the Voting Rights Bill; an omnibus Housing Bill, which included a rent subsidy; medical care for the aged under Social Security; a \$1.1 billion Appalachia Aid Bill; a liberalized Immigration Bill, and a bill creating a Department of Housing and Urban Development.

4. The lights went out over most of the Northeastern United States and part of Ontario, Canada, during the afternoon rush hour Nov. 9. They stayed out most of the night in New York. Thirty million persons, 900,000 of them in New York suburbs, were in the dark because of a malfunctioning relay - an automatic switching device - in a Canadian power plant four miles from Niagara Falls. The power leak was too fast to be isolated and automatic devices shut down the vast network, one of the country's five power grids of interlocking utilities. A Federal Power Commission report said it could happen again.

5. A Russian cosmonaut, Alexei Leonov, walked outside his spacecraft for 10 minutes March 18 and an American, Edward White, took a 21-minute walk out of Gemini 4 three months later. Gordon Cooper and Charles Conrad were up nearly eight days in August in Gemini 5. Underwear astronaut Frank Borman and James Lovell blasted off Dec. 4 in Gemini 7 towards a rendezvous with Walter Schira and Thomas Stafford in Gemini 6.

IN OTHER space milestones: The U. S. Ranger 9 crashed on the moon 2.76 miles off target March 24. The first commercial satellite, Early Bird, relayed 11 1/4 hours of television between Europe and North America on its first day of operation May 3.

Mariner 4 radioed back the first close-up pictures of a lifeless Mars July 14.

6. A March from Selma, Ala., 50 miles to Montgomery, to protest vote discrimination, was started by 600 March 7 and turned back by tear gas. March 9, the Rev. James Reeb of Boston was clubbed to death as he left a Selma restaurant. On March 21, with protection of a court permit to march and the Alabama National Guard, 300 marchers set off, arriving in Montgomery Thursday morning.

7. On April 24, a coup overthrew Dominican Republic President Donald Reid Cabral. He fled, army rebels handed out

HHS 1960 Class Holds Reunion

A reunion was held by Hereford High School graduates of the class of 1960 at a dinner in Hereford Country Club Tuesday evening.

Members now living in other parts of the nation, back for holiday visits, were among the 40 ex-students present with their husbands, wives and guests. They came from as far away as California; Jimmy Head, who lives in the Los Angeles area, and Mrs. Head were the longest-traveled guests.

Two of the class sponsors, Mrs. Claude McDougal and Mrs. J. J. Durham, with their husbands were among the diners. Arrangements for the reunion were made by Mrs. Ed Coplen, Pat Robbins, Dwayne Cassels, Edwin Morrison and John Lee Miller, with the assistance of a number of classmates

Hospital Notes

PATIENTS IN HOSPITAL Mrs. Grady Cates Jr., Rt. 1; Ray A. Chambliss Jr., Dimmitt; Miss Vernetta McNeely, Friona; Mrs. H. M. Fisher, 123 Ave. A; Mrs. Harry Bennett, 307 E. Fifth.

Mrs. Mary Anderson, 217 Ave. J; Mrs. A. W. Anstey, 41R Ave. G; Mrs. Guillermo Padilla, Rt. 5; Mrs. David Brumley, 304 Star; Mrs. Georgia Benefield, King's Manor.

PATIENTS DISMISSED Kevin McPherson, O. L. Rankin, L. M. Aven, Mrs. Alvin B. Jones, Thomas Wray, Mrs. Joe Escobal, Dec. 29.

L. E. Houghtling, Mrs. Daniel Martinez, Crystal Fitzgerald, Deborah Latham, Craig Baugous, Otto Massie, Mr. B. A. Drager, Mrs. Jimmy Cassels, Mrs. Will Walker, Mrs. Baldomero N. Gamez, Peter Flack, Dec. 28.

Mrs. Erasmo G. Rodriguez, Charlie Phipps, Clayton L. Thompson, Mrs. Tom W. DeShazo, Grady Rogers, David Perez, Dec. 27.

Kenneth D. Wilcox, Dec. 26. Cruz Hill, Joaquin Alejandro Sr., Mrs. Robert J. Kofroth, Dec. 25.

Mike Beauchamp, Mrs. Estanislado Bustamante, Mrs. Kenneth A. Duncan, Dec. 24.

still living here. Dinner was served buffet style at tables gay with holiday decorations. Afterward, guests danced to recorded music or spent the evening reminiscing over not-so-long-ago schooldays.

NEW RECRUITING OFFICER - Chief R. L. Michelini, Amarillo, has been named as the recruiting officer for the U.S. Navy for the Hereford-Dimmitt, area. Michelini has served as a recruiter since 1962. Other areas served by Michelini are Dumas, Sunray, Tulia and Canyon. Michelini, who has been in the Navy for 18 years, will be in Hereford every Tuesday from 11:15 a.m. to 3 p.m. at the sheriff's office and Selective Service office. (Staff Photo)

TIME RUNNING OUT!

New Year's Eve and four minutes 'til midnight. It is time to total your failures, to calculate your successes, and to make bonafide resolutions. Did this year bring a spiritual surplus for you? Do you have a clearer view of destiny? Do you know more of the meaning and purpose of life? Have you had time for God? *If not, it will be a terrible day, when God has no time for you.* As the New Year dawns, we know God is in front. He will be in all the tomorrows. Happy New Year!

By MELVIN YOUNG
1965 is fast drawing to a close. To be sure, it has been an eventful year. A year which has seen the beginning of a major shopping center for our city — a complete remodeling and beautification program for downtown Herford — and another new industry to enhance our expanding economy.

The annals of 1965 will also record one of the most profitable potato crops ever gathered from Deaf Smith County fields, accompanied by better than average yields for most other agricultural products. And in spite of dryland wheat failures on many farms, the general agricultural picture has been good for our area.

Holly Sugar Corporation has completed its second harvest operation here and it has apparently been a good one, not only for the mammoth corporation, but for the many beet growers in the area. The Holly plant of course, was completed in 1964, but we still consider it a "new" industry — the major economical impact of which is just now becoming evident. We hope it will continue to grow as the years go by, with the addition of relative industries drawn to Herford by the presence of the sugar refinery.

Bravo Smoke, Inc., another industrial plant, began producing "smokes" from the outer leaf of lettuce approximately three months ago, and has recently announced that the company is now operating on the profit side of the ledger.

Bravo Smokes, in spite of the kidding they have been getting from many quarters (this column included) is adding a great deal to our economy. They now employ about 50 people and, with their affiliate companies, are responsible for the employment of 75 — a major industry by anyone's calculations, and a major asset to the Herford area.

These dedicated people have worked long and hard to produce a safe, nicotine free smoke that is acceptable to the general smoking public. And it looks like they have succeeded. Latest samples off the production line indicate that the company's chemists have whipped the odor problem and new Bravos will not have the pungent odor that has created so much comment in the past.

This of course, is a major break-through for the company headed by Puzant Torigian, and it will mean a much more stable, long-range market situation for the new "smokes" — a market that will remain long after the novelty of the "lettuce smokes" has worn thin.

Another fledgling industry recently opened its doors for business. That's Western Broom and Mop Co., located on the A. R. Dillard farm some 15 miles northwest of Herford. It's small in comparison to Bravo and Holly, but it's a help anyhow. Of course, there are others. Farr Better Feeds (announced in 1964, completed in 1965); Electro Data Service, Inc.; a couple of fertilizer mixing plants (which we suppose could be included in this category in spite of the fact they handle retail sales), and perhaps a few others. Dolly textiles — in its second year of operation — appears to be going strong also. Of course we can see the growth on every side. School enrollment has continued to skyrocket — new homes have been

built in all sections of the city, and retail sales, although off during the first months of the year, came back strong throughout December and promises to be even better in 1966.

All in all, it has been a good year in Herford.
—HB—
Have you heard about the Herford Potato that married the Irish Potato?

They had a Sweet Potato who wanted to marry David Brinkley, but couldn't. He was just a common 'tater.
—HB—
A men's slipper manufacturer has produced a bedroom shoe that glows in the dark for easy locating. Now, at 2 a. m., Dad's problem is just to locate his feet.

Time to get your ticket for the annual Chamber of Commerce banquet. It promises to be better than ever this year.

Three Herford 4-H'ers Enter Ft. Worth Show

Steven Olson, Rodney Brooks, and Martha Ann McBride of Herford will have one steer each in the junior show in competition at the 1966 Southwestern Exposition and Fat Stock Show, January 28 through February 6.

W. R. Watt, Fort Worth Stock Show president and manager, expects the final list of 1966 livestock entries to top the 1965 record of over 11,000.

Exhibitors and spectators wanting to take in the Fort Worth Stock Show Rodeo will find more emphasis on "Action."

Former Catholic Official Dies In New York

Rev. Nathaniel Madden, S. A. of Graymoor, Garrison, N. Y., died December 18th in Peekskill, N. Y. hospital after a brief illness.

He was born in 1900 in Chicago, Ill., and studied law at De Paul University before coming to Graymoor in 1925. He was Ordained to the priesthood at Catholic University, Washington, D. C., in 1933.

He served as novice-master at Graymoor, as a member of the general council, as superior of Atonement Seminary, Washington, D. C., and for many years was assistant at St. Anthony's Church, Herford. A few years ago illness forced retirement from active duties.

The solemn funeral Mass was offered Tuesday, Dec. 21, in the Little Flower Chapel, Graymoor and burial took place in the friars' cemetery.

DYLAN THOMAS'S SCRIPT LONDON — British actress Susannah York, who recently completed work with Stanley Baker on "Sands of the Kalahari," has signed to make "The Doctor and the Devil." The movie, based on the only film script written by the late Dylan Thomas, tells the story of a group of body snatchers in Edinburgh in the 19th Century. Producer Nick Ray will make the movie this autumn in Yugoslavia.

Herd Drops To Blackhawks

B-team Divides, Both Lose Games To Hawks, Mules

Slow Start Hurts... As Five Go Down 75-71

Hereford Whiteface cagers dropped their fifty non-conference game of the season and the second game to the Phillips Blackhawks Tuesday evening 75-71 in an exciting game.

This was the first outing for the Herd since the beginning of the Christmas holidays and was the next to last game before the local quint begins its conference slate Jan. 11 with a clash with the powerful Tullia Hornets.

The final game for the 'Faces' before starting into the battle for the conference crown will be Friday with the Dimmitt Bobcats.

DIMMITT CAGERS will have nothing but revenge on their minds since the Whitefaces downed them in their first game out 66-57.

The stage for the game will be set in the 'Cat Gym in Dim-

mitt. Hereford go off to a slow start in the game Tuesday with the Blackhawks with the local quint scoring only 13 points in the first stanza and the Hawks scoring 26 points.

AS THE SECOND quarter started the locals put the full court press into use against the Phillips five and limited them to only eight points in that period.

Phillips' six foot five inch Mike Kimmins was a constant

problem to the somewhat shorter Hereford defense as he lead the Hawks in rebounds.

The Whitefaces outscored the Phillips five in every quarter except the first, but were not able to regain the 13 point margin scored by the Hawks in the first stanza.

AT TWO TIMES in the third quarter the local quint came within one point of the Hawks, but were unable to get ahead over the Phillips five.

Three men were responsible for most of the Whiteface scoring, with Oscar Holmes taking high-man honors, scoring 20 points in the game. Steve Hodges scored 16 points and Robby Lemons scored 13.

Kimmins was high man for the Hawks scoring 31 points in one game.

Hereford began catching the Hawks in the third quarter with six minutes remaining in the period.

HODGES PUT the Hereford

by david butler

score within five points of the Hawks with 5:32 minutes remaining in the third stanza.

With 4 minutes remaining in the stanza Gene Duvall broke and shot to bring the score within one point of the Hawks, 44-43.

But in the next minute the Hawks pulled ahead again until Hodges came back to score with three minutes remaining to make the score 46-45.

BY THE END of the quarter the Phillips five had pulled four points ahead to end the period with a 55-51 score.

The following was brought to our attention and we thought it worth reprinting. It was clipped from the October edition of the Readers Digest.

WHEN BILL Vecek was president of the Chicago White Sox, he created a new scoreboard. To all outward appearances it is normal — until a White Sox player hits a home run. And then boom! — the whole South Side of Chicago begins to shake. Rocketing into the air go some \$50 worth of colored fireworks. Smoke erupts and aerial torpedoes whistle and explode. Colored lights play-up and down the edges of the scoreboard, while horns honk, whistles hoot and sirens scream.

All this, of course, happens only when a White Sox player hits a home run. Four-baggers hit by the visiting team are met with crashing silence.

When Casey Stengel was still managing the New York Yankees, this "discrimination" slowly got under his skin. Finally, during a night game, Casey struck back.

ONE OF THE Yankees hit a home run. The scoreboard recorded it silently. Stengel nodded grimly, and the Yankee bench marched into position in front of their dugout. There was another signal from Stengel, and every man pulled out a sparkler, lighted it and waved it frantically at the stands.

Only one more game until the Hereford Whiteface cagers begin one of the roughest conference schedules in years.

The team will meet Dimmitt in the Bobcats' gym Friday and then Tuesday will begin their conference schedule when they face the Tullia Hornets on the Whiteface court.

ON THE FOLLOWING Friday, Jan. 7, the 'Faces' will clash with the Perryton Rangers here.

Although no official polls have been released for this basketball conference, many unofficial sources are picking Canyon for the district title.

Speaking of titles... We are beginning to wonder if all the griping on the part of the Baltimore Colts about whether or not a Packer field goal was wide or not will do any good.

Most of those who saw the game on television said that the network carrying the game showed the kick twice — once live and once on their "instant replay" — and it was one of those "questionable" cases.

WE DID A little research into the matter and the best of our knowledge this is what we found out:

The referee is the sole judge of the kick and once his decision is made and has been called by him... it is history and cannot be revised.

This rule has its good points, because we don't always see things as the referee does and many times we don't see things at a game as the man who is sitting next to us — so that is why we entrust this duty to a referee.

We think after all the ruckus about referees during the grid season we should declare a "be kind to referee week."

ALTHOUGH GREEN Bay Coach Vince Lombardi has denied making an offer to Texas Tech halfback Donnie Anderson, we hope they get around to it.

We would certainly like to see Anderson on the Green Bay Squad in the next few years.

Anderson will sign before midnight Dec. 31 with some team in order to avoid a huge income tax increase.

He has also been offered a position by the Houston Oilers team.

We also dread seeing Anderson's career end at Texas Tech.

WATCHING HIM play is a real thrill and we hope the best for him and the Red Raiders in the Gator Bowl Friday.

We saw some of the Hereford athletes recently and from the way they talked, it is going to be hard for them to get back down to work after the holidays.

Some of the boys have been enjoying too much of the festive food and have gained weight.

This probably isn't worrying the coaches much since they plan to work the extra weight off during the first week after they return to school.

SOME OF THE men will be working out for track, with the thinclads getting into shape for

DISTRICT PLAY GETS UNDERWAY

I-AAA Teams Shape Up As Season Progresses

(Editor's Note) This is the first in a series of two articles giving an early season rundown on the five conference teams which will compete with Hereford for the district crown.

District I-AAA is composed of six high schools in West Texas: Hereford, Dumas, Tullia, Muleshoe, Perryton and Canyon.

EACH OF these high schools population in the top three grades is between 550 and 750 with Hereford having the largest school in the district, Dumas second largest and Muleshoe the smallest.

Each of the teams in the district has completed the biggest part of their nonconference schedules and are beginning to show their potential as ball clubs.

The Dumas Demons are the defending champions of the district. They won the title in a sudden death playoff game with Hereford last year, and then were knocked out of regional contention by Brownwood in the first round of play.

ALTHOUGH THE Demons are defending champions they sport one of the poorest win-loss records in the district... they have won only two games while losing eight.

This record is somewhat deceiving, considering the teams they have faced.

Also the Demons had only 10

boys on their varsity team for two weeks while Dumas grid stars were in the post-season playoffs.

DUMAS DROPPED games to Pampa, Pala Duro, Phillips, and Guymon, Okla.

One of Dumas' wins was over the Hereford Whitefaces in the Andrews tournament.

The Demons have only one returning starter this year.

Ronnie Stephenson, who stands only six feet two inches tall.

Randy Welch is the tallest on the Demon team measuring in at six feet three inches.

JOHNNY KENLEY and Lane Boyd are two returning lettermen who will be a part of the Demon quint.

Tim Galloway and Robert David, two of the Demon's football stars, will also be on the starting lineup for the Dumas quint.

The Demons will begin their conference schedule Jan. 7 against the Muleshoe Mules.

DUMAS, LIKE most of the other teams in the conference, is suffering from a lack of tall boys. Only one school in the district has a tall team and that is Canyon who has some six foot six players and a six foot seven player.

The Demons are not expected to end up very high on the conference list.

ALTHOUGH no official polls

have been released, unofficial sources place Canyon or Perryton on the top of the list.

Perryton has posted only a 3-5 win-loss record this season, but coach Roy Pennington says he has a good team this year.

His tallest player is six foot six Mike Mitchell, but the team is suffering badly from the loss of Jim Goben who was hospitalized following a successful football season with an infection which has kept him from being able to walk.

IN THE PAST seasons Goben has been the "brains" of the team, setting the pace and calling the plays during the games.

Pennington is spending a great deal of time the pre-season games "feeling out" the team to find who his best players are and how to combine them into a team.

He is trying to develop his team into a smooth operating ball club before hitting the road for his conference schedule.

The Perryton five is short on experience this year with only one returning starter. Chris Byrley, a senior, was a starter for the team last year. Mitchell was a "spasmodic" starter last year and will be playing regularly this year and Kenneth Deike played some last year and will probably be another regular for the Rangers this year. Beyond these three players the varsity experience is short.

THE TEAM IS also short on outside shooting this year which could be a big disadvantage to them against any team who builds a strong defense under the goal.

Although the Rangers' record posts more losses than wins, it is deceiving because of the coach's maneuvering the men around in order to find a good combination of players.

Pennington says there is much

potential in the Perryton squad which has not been realized yet.

PERRYTON'S biggest problem at the present time is mechanical errors which was blamed for their most recent loss to Caprock High School of Amarillo.

The Rangers took a victory over the Clovis High School team earlier in the season. Clovis is considered a rough team this year.

From these two games it looks as if the Rangers are going to be a "hot and cold" team this year, unless Pennington can keep them fired up.

The Muleshoe Mules could be accused of harboring a dangerous weapon by the name of Micky Wilson who is six feet three inches tall and is averaging 22 points per game.

Muleshoe sports an 8-2 record thus far in the season which in one of the best in the conference.

Most of their wins have been taken against smaller schools, but one victory was taken over Littlefield and in this game Wilson scored 50 points to break all records set by West Texas high school cagers.

COACH CHARLIE Beaton's quint shows some promise as far as a district contender and may pull some surprises in the district this year.

Muleshoe's biggest problem is being the smallest school in the district which puts them at a disadvantage against schools as large as Hereford and Dumas.

This will be the Mules' second year in AAA competition on the basketball court.

Muleshoe seems to have good material to back up the Wilson bomb and may take a higher than expected place in the district this year.

TIME RUNNING OUT!

New Year's Eve and four minutes 'til midnight. It is time to total your failures, to calculate your successes, and to make bonafide resolutions. Did this year bring a spiritual surplus for you? Do you have a clearer view of destiny? Do you know more of the meaning and purpose of life? Have you had time for God? *If not, it will be a terrible day, when God has no time for you.* As the New Year dawns, we know God is in front. He will be in all the tomorrows. Happy New Year!

By MELVIN YOUNG
 1965 is fast drawing to a close. To be sure, it has been an eventful year. A year which has seen the beginning of a major shopping center for our city — a complete remodeling and beautification program for downtown Hereford — and another new industry to enhance our expanding economy.

The annals of 1965 will also record one of the most profitable potato crops ever gathered from Deaf Smith County fields, accompanied by better than average yields for most other agricultural products. And in spite of dryland wheat failures on many farms, the general agricultural picture has been good for our area.

Holly Sugar Corporation has completed its second harvest operation here and it has apparently been a good one; not only for the mammoth corporation, but for the many beet growers in the area. The Holly plant of course, was completed in 1964, but we still consider it a "new" industry — the major economical impact of which is just now becoming evident. We hope it will continue to grow as the years go by, with the addition of relative industries drawn to Hereford by the presence of the sugar refinery.

Bravo Smoke, Inc., another industrial plant, began producing "smokes" from the outer leaf of lettuce approximately three months ago, and has recently announced that the company is now operating on the profit side of the ledger.

Bravo Smokes, in spite of the kidding they have been getting from many quarters (this column included) is adding a great deal to our economy. They now employ about 50 people and, with their affiliate companies, are responsible for the employment of 75 — a major industry by anyone's calculations, and a major asset to the Hereford area.

These dedicated people have worked long and hard to produce a safe, nicotine free smoke that is acceptable to the general smoking public. And it looks like they have succeeded. Latest samples off the production line indicate that the company's chemists have whipped the odor problem and new Bravos will not have the pungent odor that has created so much comment in the past.

This, of course, is a major break-through for the company headed by Puzant Torigan, and it will mean a much more stable, long-range market situation for the new "smokes" — a market that will remain long after the novelty of the "lettuce smokes" has worn thin.

Another fledgling industry recently opened its doors for business. That's Western Broom and Mop Co., located on the A. R. Dillard farm some 15 miles northwest of Hereford. It's small in comparison to Bravo and Holly, but it's a help anyhow.

Of course, there are others. Farr Better Feeds (announced in 1964, completed in 1965); Electro Data Service, Inc.; a couple of fertilizer mixing plants (which we suppose could be included in this category in spite of the fact they handle retail sales), and perhaps a few others. Dolly textiles — in its second year of operation — appears to be going strong also.

Of course we can see the growth on every side. School enrollment has continued to skyrocket — new homes have been

built in all sections of the city, and retail sales, although off during the first months of the year, came back strong throughout December and promises to be even better in 1966.

All in all, it has been a good year in Hereford.

Have you heard about the Hereford Potato that married the Irish Potato?

They had a Sweet Potato who wanted to marry David Brinkley, but couldn't. He was just a common 'tater.

A men's slipper manufacturer has produced a bedroom shoe that glows in the dark for easy locating. Now, at 2 a. m., Dad's problem is just to locate his feet.

Time to get your ticket for the annual Chamber of Commerce banquet. It promises to be better than ever this year.

Three Hereford 4-H'ers Enter Ft. Worth Show

Steven Olson, Rodney Brooks, and Martha Ann McBride of Hereford will have one steer each in the junior show in competition at the 1966 Southwestern Exposition and Fat Stock Show, January 28 through February 6.

W. R. Watt, Fort Worth Stock Show president and manager, expects the final list of 1966 livestock entries to top the 1965 record of over 11,000.

Exhibitors and spectators wanting to take in the Fort Worth Stock Show Rodeo will find more emphasis on "Action."

In addition to the fast paced rodeo excitement Watt has lined up an outstanding selection of entertainment features. Man Order Ticket applications for the 1966 edition of the "World's Original Indoor Rodeo" are now being taken at the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas, 76101.

Former Catholic Official Here Dies In New York

Rev. Nathaniel Madden, S. A. of Graymoor, Garrison, N. Y., died December 18th in Peekskill, N. Y. hospital after a brief illness.

He was born in 1900 in Chicago, Ill., and studied law at De Paul University before coming to Graymoor in 1925. He was ordained to the priesthood at Catholic University, Washington, D. C., in 1933.

He served as novice-master at Graymoor, as a member of the general council, as superior of Atonement Seminary, Washington, D. C., and for many years was assistant at St. Anthony's Church, Hereford. A few years ago illness forced retirement from active duties.

The solemn funeral Mass was offered Tuesday, Dec. 21, in the Little Flower Chapel, Graymoor and burial took place in the friars' cemetery.

DYLAN THOMAS'SCRIPT
 LONDON (AP) — British actress Susannah York, who recently completed work with Stanley Baker on "Sands of the Kalahari," has signed to make "The Doctor and the Devil." The movie, based on the only film script written by the late Dylan Thomas, tells the story of a group of bodysnatchers in Edinburgh in the 18th Century. Producer Nick Ray will make the movie this autumn in Yugoslavia.

Herd Drops To Blackhawks

B-team Divides; Both Lose Games To Hawks, Mules

Slow Start Hurts... As Five Go Down 75-71

Hereford Whiteface cagers dropped their fifty non-conference game of the season and the second game to the Phillips Blackhawks Tuesday evening 75-71 in an exciting game.

This was the first outing for the Herd since the beginning of the Christmas holidays and was the next to last game before the local quint begins its conference slate Jan. 1 with a clash with the powerful Tullia Hornets.

The final game for the 'Faces before starting into the battle for the conference crown will be Friday with the Dimmitt Bobcats.

DIMMITT CAGERS will have nothing but revenge on their minds, since the Whitefaces downed them in their first game out 66-57.

The stage for the game will be set in the 'Cat Gym in Dim-

problem to the somewhat shorter Hereford defense as he lead the Hawks in rebounds.

The Whitefaces outscored the Phillips five in every quarter except the first, but were not able to regain the 13 point margin scored by the Hawks in the first stanza.

AT TWO TIMES in the third quarter the local quint came within one point of the Hawks, but were unable to get ahead over the Phillips five.

Three men were responsible for most of the Whiteface scoring with Oscar Holmes taking high-man honors, scoring 20 points in the game. Steve Hodges scored 16 points and Robby Lemons scored 13.

Kimmins was high man for the Hawks scoring 31 points in one game.

Hereford began catching the Hawks in the third quarter with six minutes remaining in the period.

Phillips' six foot five inch Mike Kimmins was a constant

DISTRICT PLAY GETS UNDERWAY

I-AAA Teams Shape Up As Season Progresses

(Editor's Note) This is the first in a series of two articles giving an early season rundown on the five conference teams which will compete with Hereford for the district crown.

District I-AAA is composed of six high schools in West Texas: Hereford, Dumas, Tullia, Muleshoe, Perryton and Canyon.

EACH OF these high schools population in the top three grades is between 550 and 750 with Hereford having the largest school in the district, Dumas second largest and Muleshoe the smallest.

Each of the teams in the district has completed the biggest part of their nonconference schedules and are beginning to show their potential as ball clubs.

The Dumas Demons are the defending champions of the district. They won the title in a sudden death playoff game with Hereford last year and then were knocked out of regional contention by Brownwood in the first round of play.

ALTHOUGH THE Demons are defending champions they sport one of the poorest win-loss records in the district... they have won only two games while losing eight.

This record is somewhat deceiving, considering the teams they have faced.

Also the Demons had only 10

boys on their varsity team for two weeks while Dumas' grid stars were in the post-season playoffs.

DUMAS DROPPED games to Pampa, Pala Duro, Phillips, and Guymon, Okla.

One of Dumas' wins was over the Hereford Whitefaces in the Andrews tournament.

The Demons have only one returning starter this year.

Ronnie Stephenson, who stands only six feet two inches tall.

Randy Welch is the tallest on the Demon team measuring in at six feet three inches.

JOHNNY KENLEY and Lane Boyd are two returning lettermen who will be a part of the Demon quint.

Tim Galloway and Robert David, two of the Demons' football stars, will also be on the starting lineup for the Dumas quint.

The Demons will begin their conference schedule Jan. 7 against the Muleshoe Mules.

DUMAS, LIKE most of the other teams in the conference, is suffering from a lack of tall boys. Only one school in the district has a tall team and that is Canyon who has some six-foot six players and a six foot seven player.

The Demons are not expected to end up very high on the conference list.

ALTHOUGH no official polls

have been released, unofficial sources place Canyon or Perryton on the top of the list.

Perryton has posted only a 3-3 win-loss record this season, but coach Roy Pennington says he has a good team this year.

His tallest player is six foot six Mike Mitchell, but the team is suffering badly from the loss of Jim Goben who was hospitalized following a successful football season with an infection which has kept him from being able to walk.

IN THE PAST seasons Goben has been the "brains" of the team, setting the pace and calling the plays during the games.

Pennington is spending a great deal of time the pre-season games "feeling out" the team to find who his best players are and how to combine them into a team.

He is trying to develop his team into a smooth operating ball club before hitting the road for his conference schedule.

The Perryton five is short on experience this year with only one returning starter. Chris Byrley, a senior, was a starter for the team last year. Mitchell was a "spasmodic" starter last year and will be playing regularly this year and Kenneth Deike played some last year and will probably be another regular for the Rangers this year. Beyond these three players the varsity experience is short.

THE TEAM IS also short on outside shooting this year which could be a big disadvantage to them against any team who builds a strong defense under the goal.

Although the Rangers' record posts more losses than wins, it is deceiving because of the coach's maneuvering the men around in order to find a good combination of players.

Pennington says there is much

potential in the Perryton squad which has not been realized yet.

PERRYTON'S biggest problem at the present time is mechanical errors which was blamed for their most recent loss to Caprock High School of Amarillo.

The Rangers took a victory over the Clovis High School team earlier in the season. Clovis is considered a rough team this year.

From these two games it looks as if the Rangers are going to be a "hot and cold" team this year, unless Pennington can keep them fired up.

The Muleshoe Mules could be accused of harboring a dangerous weapon by the name of Micky Wilson who is six feet three inches tall and is averaging 22 points per game.

Muleshoe sports an 8-2 record thus far in the season which in one of the best in the conference.

Most of their wins have been taken against smaller schools, but one victory was taken over Littlefield and in this game Wilson scored 50 points to break all records set by West Texas high school cagers.

COACH CHARLIE Beaston's quint shows some promise as far as a district contender and may pull some surprises in the district this year.

Muleshoe's biggest problem is being the smallest school in the district which puts them at a disadvantage against schools as large as Hereford and Dumas.

This will be the Mules' second year in AAA competition on the basketball court.

Muleshoe seems to have good material to back up the Wilson bomb and may take a higher than expected place in the district this year.

OVER HOLIDAY WEEKEND

TV Nets Feature Host Of Sports

National television networks will offer a variety of sports events Friday and Saturday for holiday sports fans.

THE BIG WEEKEND will kick off Friday at 1 p. m. when KVII, channel seven, will carry ABC's Gator Bowl from Jacksonville, Fla. in which Texas Tech and Georgia Tech will clash.

At 3 p. m. KFPA, channel 10, will carry The Sun Bowl game from El Paso. In this classic the Texas Christian Horned Frogs will be matched against Texas Western.

KGNC, channel four, will carry the traditional East-West game Friday at 3:30 p. m. and at 7 p. m. the NBC station will switch to Miami, Fla. where they will carry the Orange Bowl Parade. Loren Green of Bonanza will be the commentator for the event.

SATURDAY'S activities will kick off early in the morning at 9:30 when KFPA, channel 10, will carry the Cotton Bowl parade in color from Dallas.

A 10:30 a. m. both channels 10 and four will carry the Rose Bowl Classic Parade from Pasadena, California.

Beginning at 12:45 KGNC, channel four, will carry the Sugar Bowl, in color, from New Orleans.

MISSOURI and Florida will be matched in the bowl game this year.

Also at 12:45 p. m. on KFPA, channel 10, Arkansas will be matched against L. S. U. in the Cotton Bowl in Dallas.

KGNC will carry the Rose Bowl grid game at 3:45 p. m.; this game will see Michigan State matched against U. C. L. A.

For those who get tired of football, one can tune in either channels seven or 10 at 4 p. m. Saturday for a change of pace.

KFPA, CHANNEL 10, will carry the CBS Golf Classic. This program will see Ken Venturi and Mike Souchak play a first-round match against Bert Weaver and Tommy Aaron.

Channel seven, KVII, will carry the National Stock Car Race from Charlotte, N. C. on their weekly Wide World of Sports.

There will also be a touch of Ski Racing on Ice from Switzerland and International Figure Skating from Germany.

At 6:45 p. m. Saturday KGNC, channel four, will carry the Orange Bowl game from Miami, in color. The game will see Nebraska matched against Alabama.

action again Friday evening when they clash with the Dimmitt Bobcats in Dimmitt.

Then the next day the men on the team will travel to Tullia where they will enter a freshman-sophomore tourney.

Following the tournament in Tullia the B-team will have the same schedule as the varsity men.
