Boys Basket Ball Tournament Opens Thursday

Girls Win Five in A Row

Coach Howell and his lady bronchos the past few days have been setting an enviable pace in their last few games, after getting off to a slow start, dropping two hot contests to Wellman. They have won their last five starts, which includes one defeat over Ropes, two from the Sundown sextet, and two wins over Frenship girls, and they have looked good in all these games, deserving the wins.

The regular starters include Anita Lucas, Anna Jo Hollis, and Ina Zoe George at the guard positions, and Marie Stephenson, Anna Bell Brooks, and Elsie Glenn Nettles forwards. Substitutes include Alva Ruth Turner, Meta Mae Russell, Ellen Howell Longley, Ola Mae Westiss, Thelma Jean Overman, Joyce Stephenson, and Freda Gayle.

The girls will tangle with a strong Tahoka team here tonight. It will be worth your while, if you enjoy a good basketball game, to be on hand when the starting whistles sound.

Decorating

We walked into the Jones hardware store Wednesday afternoon, and what confronted us almost knocked our feet out of socket. Mr. Jones, L. White, and Leroy were very busy decorating the place, following the Christmas motif, and they were doing a very nice job of it. Mr. Jones is the kind of fellow that when he decides to go in for anything he does it "whole hog" as the old expression is, and that is true of his decorating. The store really looked like old Nick himself might be standing behind one of the counters.

Roscoe Castleberry, citizen of Meadow community for many years passed away at home Sunday. Death was due to a stroke. Funeral was held Monday at the Methodist Church. In his passing the community has lost one of its best citizens.

Miss Winnolee Sharp spent the week end with her parents in Vernon.

Card of Thanks

We wish to express our thanks to the people of Meadow and surrounding communities for the many kind words and deeds of kindness shown us in the illness and death of our father and brother.

You have made the path way of life more pleasant for us, and we pray God that when the sad hour comes your way you too may have just such true friends about you.

Mr. and Mrs. S. S. Sublett and family, Mr. and Mrs. Jack King and family, Mr. and Mrs. Bob Castleberry and family, Mr. and Mrs. Ham Castleberry and family, Mr. and Mrs. T. J. Hardy and family, Mr. and Mrs. Horace Castleberry and family, Mr. and Mrs. Clyde Castleberry and family, Ray Castleberry.

Brother R. L. Shannon, the new pastor at the First Baptist Church, was a pleasant caller at the Star office Wednesday evening. It is a fine state of affairs when the new comer has to go around and introduce himself to the business men of the town, but that is the way it was. We had a very nice chat. It seems that he knew some Richards in the community where he came from who were very wealthy, and we

Quake Fails To Daunte Comedians

When jolts and shocks are a part of your daily routine, a little thing like an earth quake can be passed off with a shrug.

At least that's what Bud Abbott and Lou Costello, starring in Universal's newest laugh success, "Hold that Ghost," current at the Rialto Theatre have demonstrated.

The setting for their new rib tickler is a haunted tavern and ghosts pop out of dark corners, mysterious rappings are heard within the walls and hair raising screams are part of the regular routine.

Nina Ruth Gammill has been visiting her parents the last few days.

Make it a FULLER Brush for Christmas.
H. C. (Red) Stephenson

tried every way we could think of to rake up a relationship with them, but to no avail.

He was pastor of the Grove Church in Cottle County before coming to Meadow. His family consists of his wife, a son, and they have a daughter who is teaching school, visited them this week.

Brother Shannon has a very pleasant personality, and we are sure the members of his denomination are glad to have him as their pastor.

Boys Undefeated This Season

The 1941 edition of the Meadow boys basketball team, under the tutorage of Coach Stephenson has a ready accomplished something that no Meadow team has done in sometime, that is winning their first three games on the schedule. Taking out Frenship twice in a row, and defeating a good Sundown team. Mr. Padgett says the boys who have been playing for two or three seasons are now having to really get down and work to defend their places on the team from going into the hands of some of the younger lads who are just coming up. This is what it takes to have a winning team. When they decide they have a lease on a regular starting position, they get to the point where they slack up a bit, and just this thing has cost Meadow some games with teams we have had in past.

Jesse Brooks, Robert Beasley, Homan Moorhead, Winston Locker, Terrell Bell, Billie Tilger, Bert Smith, Leroy Price and D. J. Yowell all have been doing a lot of playing, with Cecil Farrar, J. B. Hicks, Billie McCallister, Jimmie Mackey, and Maurice Fox all very good reserves.

The boys lock horns with Tahoka on the local gym tonight.

The District 11 B conference, which include Draw, Union, Wilson, New Home, Wellman, and Plains will open Dec. 16, with Meadow playing Draw here. We will give the other games as they are current, and keep the public posted on the schedule. This will be official games for the boys, and playing schedule for the girls. The competition is going to be strong.

J. M. Rucker announced last week that he was selling out his stock of groceries, and move to Shallowater, where he has purchased a place of business. Mr. Rucker and family have made mighty fine citizens of our town in the time they have been here, and we hate to see them leave.

A. A. Copeland spent a few days in Spur last week.

Top Notch Teams Entered

Coach L. A. Stephenson and the Meadow basketball players will be host to an invitation tournament, beginning Thursday night of next week, through Saturday night. Some of the best teams on the South Plains have sent in their acceptance to play. Super Padgett stated to the Star Thursday.

The following teams will play: Southland, Cooper, Frenship, Ropes, Wellman, Floydada, Ralls, Sundown, Clauene, Brownfield, Whiteface, Plains, Andrews, and the local five.

Arrangements are being made by local school officials to accommodate a large crowd of spectators, and if we may judge by the attendance during past tournaments held here, we are safe in saying that they will not be disappointed.

Malicot-Jaggers

Miss Hazel Jaggers, daughter of Mr. and Mrs. E. C. Jaggers of Meadow, was united in marriage Dec. 3, 1941 to Mr. C. F. Malicot of Fort Worth at the Baptist parsonage in Brownfield, with the pastor, Brother Avery Rogers officiating.

The bride was dressed in blue with black accessories. They will make their home in Fort Worth.

Calendars

We were over at the Farmer's Gin Wednesday afternoon, and talked the boys out of one of their new calendars. Some of the boys tried to tell us that we did not have any cotton, and therefore did not deserve one of their calendars which are really expensive. But we had an answer for that, for we have, without a doubt, the hungriest cow in town, and the gin is also in the feed business. They are nice calendars. It is in the type of a framed picture, with a small calendar hanging from the bottom. The frame contains a beautiful color picture of the National Capitol and is flanked on either side by a replica of the flag, and across the top is the inscription "God Bless America."
