

Senate Committee OK's Peanut Bill

According to Ross Wilson, Secretary, National Peanut Growers Group, the Senate Committee on Agriculture, Nutrition and Forestry on April 30 passed a peanut bill sponsored by Senator Jesse Helms, Committee Chairman. The bill was passed following the defeat of an amendment offered by Senator Richard Lugar of Indiana aimed at abolishing peanut acreage allotments and poundage quotas. Senator Lugar announced plans in a press conference on April 23 to introduce his proposal in 1981 farm bill deliberations. Lugar described the allotment system as archaic, out of kilter with today's farm program and totally indefensible. He said the average allotment rental rate of \$115 artificially inflates the retail price of peanut products by 20 percent. Lugar's amendment was sharply challenged by Senator Howell Heflin of Alabama who strongly defended the allotment and quota system as an integral phase necessary in marketing peanuts which he said are perishable and more closely resemble milk than soybeans, cotton or wheat. Heflin observed that the leasing of peanut allotments is no different from leasing crop land for corn or soybeans in Indiana. In fact, he

said 50 percent of all crops are grown on leased land.

In passing the Helm's bill the Senate Committee also rejected the Administration peanut bill which also would have abolished allotments in 1982 and phased out poundage quotas.

The Helms's bill as passed by the Committee calls for a quota support rate of \$650 per ton and a minimum national poundage quota of 1,300,000 tons to be adjusted as domestic edible use increases. Unlike the House bill, there is not automatic quota support adjustment clause. Committee Staff officials indicated some "trimming of bills passed by the Committee prior to approval of the omnibus farm bill for consideration by the Senate. Commodity sections of the proposed farm bill as passed by the Senate Committee are generally calling for expenditures in excess of the Administration's budget estimates. Without some modifications in the various commodity sections to lower costs, Washington observers point toward possible defeat of the bill or a Presidential Veto.

Washington observers estimate that the farm bill may reach the Senate floor by mid-June.

Local Performers

Three local girls helped win the Best Entertainment Award at recent performance. L-R: Sybrinna Killion, Leslie Alford, and Laura Cox.

Saturday, May 9, the Harle Studio Dancers completed a year of dancing with their dance recital, "Sitting On Top of the World." The recital was presented by Mrs. Nicki Harle, owner and instructor of Harle Studio of Baird, Tex. Three girls, Sybrinna Killion, Leslie Alford, and Laura Cox from the Jazz group of

"Zanadu" helped win the Best Entertainment Award for the night.

This summer these girls will be performing with the Baird Studio for the Senior Citizens of Rising Star. These three girls have several years of dancing lessons behind them and are very good and enjoy dancing.

Mailbox Improvement Week

Among the many things that springtime brings to mind is spring cleaning, and Postmaster Don Boyett has a reminder to include your mailbox in this annual spring rite.

Mailbox Improvement Week, May 18-23, provides the perfect opportunity to clean, repair, repaint or replace your mailbox.

"Neat, attractive mailboxes add to the overall appearance of the community and aid in the delivery of mail," the Postmaster said.

Boxes should be within easy reach for letter carriers. On rural routes, the carrier must have access to the box without leaving his vehicle. Mailboxes on rural and contract routes must be located on the right hand side of the road in the direction traveled by the carrier, the Postmaster said.

"Rain or snow leaking into the mailbox could ruin the special letter; so box seams should be tight to prevent the loss or damage of mail placed in the box," he said.

Box numbers and house numbers should be clearly visible on the box, but including the owner's name is optional.

All mailboxes, must meet certain requirements for size, strength, safety and location. These guidelines are available from the local post office, Postmaster Boyett said.

include reading, and swimming.

JOANIE HUBBARD, 17 year old daughter of Mr. and Mrs. Jack Hubbard. Joanie's favorite subject is English literature. Her hobbies are reading, swimming, cooking, drawing, sewing and skiing.

ANGIE BASS, 17 year old daughter of Jeanette Bass. Angie like to go skiing, bike riding and draw. Her favorite subjects are English and Typing.

The winner will be announced in next week's paper.

Hounsel Presented Trustee Award at ACU

Ken Hounsel, son of Mildred Hounsel of Route 1, Rising Star, and L.C.Hounsel of Clyde, was awarded the 1980-81 Trustees' Award at Abilene Christian University.

The Trustees' Award is given annually to a male and female student by the ACU Board of Trustees. The recipient is chosen on the basis of character, a grade point average of at least 2.25 and outstanding achievement which has brought honor to the university.

Hounsel, a 1977 graduate of Rising Star High School, graduated from ACU May 3. He graduated summa cum laude with a bachelor of arts in agronomy and in animal science.

The Trustees' Award was presented to Hounsel during ACU's 75th Commencement exercises May 3. During the ceremony 683 students received

Ken Hounsel, 1981 ACU Graduate

associate, bachelor and master degrees. Ken was also named Outstanding Senior Agriculture Student at ACU. He was President of the Ag. Club and also a member of the Livestock Judging Team. He was honored at a Banquet that night following graduation.

Shellon McCallie Wins 3200 at State Meet

Austin--May sophomore Shellon McCallie and Mullin senior Shawna Shelton struck gold here Saturday, joining Goldthwaite's Stephenie Landrum in leading the Central Texas assault at the state high school girls track meet.

McCallie, who was runnerup in the 1600 as a freshman here last year, was the class of the field in the Class A 3200. She won the eight-lapper going away, zipping to a snappy 11:46.4 to dominate

runnerup Gloria Martinez by almost 30 seconds. The 3200 is a first-year event, and McCallie's time will go into the books as a division record.

McCallie's bid for a double victory fell short when she ran fourth in the 1600, just 3.5 seconds behind a winning 5:35.3 by Debbie Rhodes of Como-Pinkston.

Celeste's Cindy Speir, fourth in the 3200, took second in 5:37.8, while Sudan' Gloria Martinez, shaded McCallie for the silver medal with a 5:38.6. McCallie was timed in 5:38.8.

Shelton, in her second appearance at the state meet, hit the tape first in the Class A 100 meter-hurdles, clocking a 14.7, just ahead of Landrum, who grabbed the silver medal with her 14.9. It was Landrum's third straight state meet appearance.

Shelton also placed in the 100 meter dash, running 12.8 for sixth. De Leon's Cindy Wilkerson had leaped 17 and one-fourth on Friday to take sixth in the Class AA long jump.

Saturday, a May foursome ran 1:49.7 for fifth in the 800 meter relay and Goldthwaite took sixth in the 1600 relay.

The meal for the evening was prepared by the Cheerleader's mothers.

Speaker for the event was J.W. (Spud) Aldridge, head football coach at McMurry College.

Various athletic awards were presented by the RSHS coaching staff. Junior Clay Shults was awarded the most valuable lineman in football award and junior Jon Vaughn was

zer, Darlene Maynard, Amy Dudley, Gretchin Williams and Selena McCuistion.

Jo Anne Carpenter, drum major for 1980-81, announced the new drum major for 1981-82. Selena McCuistion, sophomore, was named as drum major.

Junior Regina White made the presentations to the new twirlers for 1981-82. Sophomore Gretchin Williams was named as the head twirler. Majorettes will be Leslie Alford and Melinda Finley.

Senior Charlene Lunceford announced the varsity cheerleaders for 1981-82. The cheerleaders were selected by three members of the Cisco Junior College Drill Team and positions for the girls were selected by the student body. Sophomore Darlene Maynard will be head cheerleader for 1981-82. Junior Barbrie Rust will be assistant head cheerleader.

Freshman Vicki Walker will be secretary and Sophomore Amy Dudley will be treasurer. Freshman Roxanne Martinez will be reporter for the group.

REACT

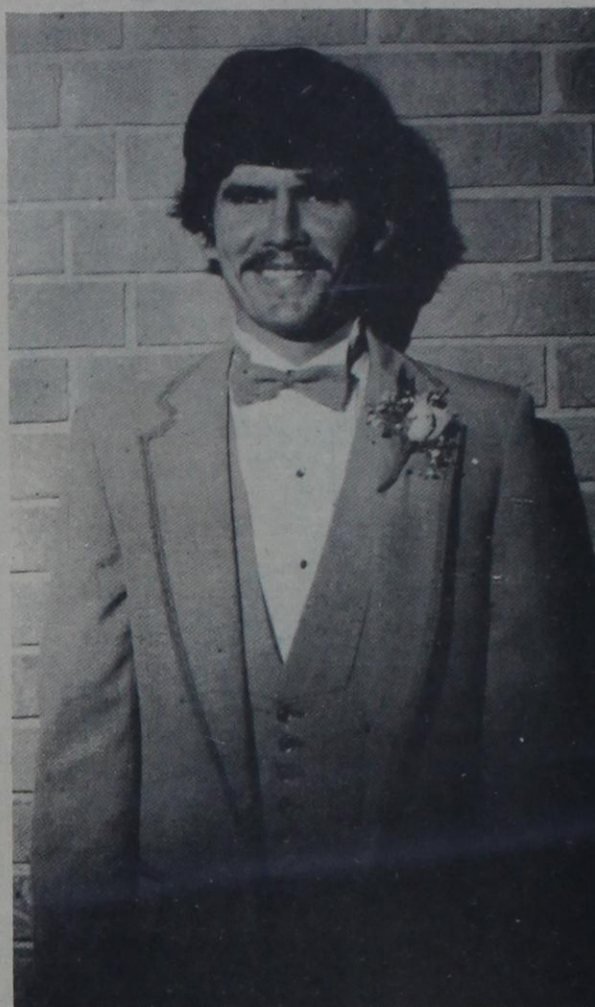

The Rising Star React ambulance has answered two calls since last week. On May 9, we picked up Elizabeth Flowers, a resident at Rising Star Nursing Center and transported her to Brownwood Regional Hospital at Brownwood for a checkup. Mrs. Flowers went for a walk and fell on the street. On the tenth we took Wade Ratliff from the scene of an auto accident by the Methodist Church, to Brownwood Hospital--(carried to Abilene Hospital later). The club thanks Charley Chamberlain, Johnnie Nunnally, Jr., and Bernie Barnes for donations to the ambulance fund. Lorene Clark, reporter

named outstanding football back. The most valuable football player award went to junior Thad Chambers.

Junior Wade Ratliff was named the most valuable basketball player for the Wildcats. Senior Shannon Childers was named the outstanding performer in track.

Freshman Vicki Walker was awarded the most valuable player in girl's track and basketball.

Smith-Koch Vows Exchanged

On Saturday, May 2, 1981, 7:00 pm., Gladys Smith of Cross Plains and Roy Hilmer Koch of Brownwood were united in marriage by the Rev. Michael Kelly of Cross Plains at the home of the bride's daughter and son-in-law, Mr. and Mrs. Mike Slaughter.

The bride was presented in marriage by her two daughters Nelda Slaughter of Cross Plains and Linda Thetford of Caldwell. The groom was accompanied by his daughter Brenda Koch Beasley of Blanket.

A reception was held following the ceremony. Approximately 35 friends and relatives from Cross Plains, Brownwood, Rising Star, Bangs, and Caldwell attended. After a short trip to Fredericksburg and southeast Texas, the couple will reside in Cross Plains.

4-H Activities

Eastland County 4-H Adult Leaders Association met Thursday night, May 7 at the Eastland National Bank Community Room. Chairman Phil Osborne called the meeting to order. Members present were Marceil Laminack, Barbara Long, Betty Kidd, Troy Cross, Phil and Sandra Osborne and Extension Agents John Blair and Donna White.

Reports were given on past 4-H activities such as the county-wide Clothing Training, County and District Round-Up contest and County-wide Recordbook Training.

One upcoming new event, the Wildlife Field Day, was discussed. The July 7 Field Day at the La Mancha Ranch will feature several different workshops and recreation the 4-Her's may participate in. The workshops will begin at 9:30 with a choice of these topics: Small Animals, Skinning and Tanning Hides, Fishing, Tour of the Ranch, Fresh Water Aquariums and Trapping Furbearing Animals. The 4-Her will have an opportunity to participate in 4 of those workshops listed above. A weiner roast will be furnished for the noon meal by the Adult Leaders Association.

The Association also voted to pay half of everyone's way to County Camp again this year. A portion of the State 4-H Congress

delegates will also be paid. The delegates way to the 4-H District Leadership Lab will also be provided by the Association.

A committee of Marceil Laminack, Betty Kidd, Vonda Anderson and Barbara Long were selected to serve as the nominating committee for the 1981 year. The next Adult Leaders meeting will be July 30 at the Eastland Park and will feature a Family Night Ice Cream supper.

TOO SOON FOR CONTROL OF PECAN NUT CASEBEARER

Recently our office

Thursday, May 14, 1981

has received several calls on when to spray for the Pecan Nut Casebearer, reports Gordon Woolam, Extension Pest Management Agent for the Texas Agricultural Extension Service. Actually it is about 2 weeks early to be spraying for this pest.

Proper timing is the key to efficient control of this insect. The Insecticide should be on the trees 2 to 3 days after the first eggs hatch. At this our best prediction is that there will not be a significant population warranting control before May 23rd.

Woolam suggests

that Homeowners and Growers watch the newspaper for further reports on when to spray for the Pecan Nut Casebearers and adds that spraying now would probably be stretching the effectiveness of the Insecticide too far.

House Members Pass Peanut Bill

The U.S. House Agriculture Committee on May 4th after three and one-half hours of verbal skirmishing and following the defeat of 5 attempted amendments finally passed a modified version of the peanut bill reported earlier by the Tobacco and Peanut Subcommittee, Ross Wilson, Secretary of the National Peanut Growers Group, said the bill as reported would extend the present two price allotment and quota system for the period 1982-1985. Wilson said the bill as passed would set the 1982 quota support rate at \$600 per ton, \$31 less than the previous Subcommittee version, but would retain an escalator clause calling for annual adjustments in the quota support rate to keep pace with increasing production costs. The bill establishes a national poundage quota of 1.3 million tons rather than the 1.4 million tons approved earlier by the Subcommittee.

Passage of the measure came after proponents successfully overcame repeated efforts to pass amendments to lower support prices or

change the program concepts.

Representative Paul Findley (R.-Ill.) sought to substitute the Administration peanut bill for the Subcommittee bill but failed by a vote of 24-11 to gain acceptance of his proposal. The administration is seeking to abolish allotments and quotas in favor of open production.

A proposed amendment by Rep. Huckaby (D.-La.) to remove the escalator clause from the quota support provision was also beaten back by a single vote, 19-18. A second effort at amending the bill came from Rep. Huckaby (D.-La.) who proposed to lower the support rate to \$500, but retain the escalator. That attempt was defeated by a vote of 19-17.

A third try at amending the measure was made by Glickman who proposed a support rate of \$550 in 1982 with an escalator, but giving no consideration to land value in the escalator. That effort failed by a vote of 18-17.

A fourth try to modify the Subcommittee bill came from Rep. Floyd Fithian (D.-Ind.) who proposed a support

rate of \$600, reduction of the poundage quota to 1.3 million tons in 1982, elimination of land value in computing annual support increases and a 300 acre maximum allotment for any one farm.

That proposal failed on a vote of 8-7. A fifth try at amending the bill came from Representative Paul Findley who moved that production of peanuts for export not be restricted to allotment holders. That effort was also defeated by a vote of 11-8.

Rep. Charlie Rose offered an amendment to reduce the national poundage quota from 1.4 million tons in 1982 to 1.3 million tons and elimination of land value in computing annual support increases to off set production cost increases. The Rose amendment was adopted and the bill as amended was passed.

Wilson said that proponents of the Rose peanut bill continue to believe that the toughest battles for peanuts and the farm bill will be waged in floor debates in both the House and Senate later in the Congressional session.

OES Meeting

The Rising Star Chapter No. 277, Order of the Eastern Star met for their regular stated meeting and salad supper on Monday, May 4th, 1981 at 6 p.m.

Bertha Mae White, Worthy Matron and Lester Mayes, Worthy Patron presided over the meeting.

To show our love and appreciation to Elizabeth Robertson, a gift of money was presented to her as she retires from the Secretary's job, of which she faithfully served for many years. Thank you Elizabeth.

Carolyn Agnew Brings Needlepoint Program to Saturday Club

Irene Mayfield, president of the Saturday Club, opened the May meeting by asking Emma Jean Steel to lead the Pledge of Allegiance.

Irene gave a brief talk of the thankfulness of all club members to be living in a peaceful nation.

Roll call was by Mary Claborn, who also read the minutes due to the absence of the secretary, Dorothy Shook.

Eleanor Nunnally gave the report of the treasurer, Adelia Shults, and reminded the members of the

open dates for the hostess-program coordinators for the year 1981-82.

Rosa Van Cox introduced Mrs. Pat (Carolyn) Agnew of Abilene, who gave the program on needlepoint.

Carolyn not only made the talk interesting but held all spell bound with the beautiful display of the many articles of needlepoint, which she had done in the last two years. This included pictures, trays, pillows, bell pulls, mirrors, handbags, jewelry cases, sachets,

book markers, napkin rings, Christmas decorations, and other articles.

A quote from Thomas Jefferson, "What we do with the needle is a reflection of you", was brought out in the many different stitches used in this art.

Carolyn closed with the following poem: **THE DIVINE WEAVER**

My life is but a weaving
Between my Lord and me;

I cannot choose the colours
He worketh steadily.
Ofttimes He weaveth sorrow

And I in foolish pride,
Forget that He seeth the upper,

And I the under side.
Not til the loom is silent

And the shuttles cease to fly,
Shall God unroll the canvas

And explain the reason why.
The dark threads are as needful

In the Weaver's skillful hand,
As the threads of gold and silver

In the pattern he has planned.

Author Unknown
Carolyn is the daughter of Mr. and Mrs. Paul Cawley of Rising Star.

Rosa Van and Blanche Cawley served refreshments from a table covered with a flowered cloth and a gingerbread house as the centerpiece. Finger sandwiches, nut bread, pickles, assorted cookies, and punch were served to Gladys Carter, Mary Claborn, Lela Clark, Helen Donham, Joyce Geye, Lenell Henry, Lillian Howard, Pauline Hudson, Olice Jones, Lucille Joyce, Hazel T. Marsh, Irene Mayfield, Barbara McCollum, Hazel McCollum, Eleanor Nunnally, Bonnie Polk,

Rising Star Nursing Center

Mary Harmon, Activity Director

Last week was a very busy week at the Rising Star Nursing Center. If you have visited the Nursing Center lately, you have seen the furniture in the hall. We have been stripping the floors and putting on a new coat of wax. It looks real nice.

Monday we didn't play Bingo because they were doing the floors in the dining room.

Tuesday morning we gathered all the visitors. That afternoon we popped popcorn and played Bingo. The winners were: Ora Clark, Mary Hammett, (2 games), Maggie Christian (5 games), Emma West, Earl Fussell, Anne Franke, and Martha Irby. Everyone really enjoyed the games.

Wednesday and Thursday we were getting ready for Open House on Sunday.

Friday Mrs. Odom

came and gave a short Bible lesson on the 23rd Psalm. They had a short class because so many residents were unable to make the class. She also visited with the residents unable to leave their rooms.

Saturday night the residents enjoyed the entertainment of the Starbrite Band. They are always welcome and appreciated very much.

Sunday was Open House. Everyone came to the front for Mothers Day service given by Rev. Bill Easley. Afterwards the guests were served by Debbie Geye and Cathy Linney. The entertainment was furnished by Bryant Houston, Earl Epley and Nellie Maynard. The residents were glad to see Bryant again. Everyone enjoyed the events of the day but were glad to see them end.

Jo Hubbard Named May Artist

Jo Hubbard of Rising Star has been named artist of the month for May.

Joe Hubbard, was born in Eastland County. Rising Star is her home town. She is married to Jack Hubbard, has four children and three grandchildren.

Her first taste of painting was in the third grade - water color. Later in life she started lessons this time in oils. Using palette knife and brush sometimes a combination of both. She paints in acrylics mediums also. Her specialties being floral, still life and landscape.

Many have encouraged Jo and been helpful. This is a wonderful county with dedicated artist and art clubs. Support from news media, local people and merchants I'm so proud to be a small part of it.

Jo thanks God for her painting because thru this she has met some of the finest people. The gift of

sharing with the complete enjoyment of the beauty around us all. Jo says Eastland had a large roll in her painting and teaching. To mention a few of the people who have given a helping hand, Eastland National Bank, Jay and Fran Stagg, Myrna Lewis, Myrle Poe, Laverne Allgood, LaVerne Key, Glenn Lyles, James Wright, Joyce Grubbs, Emma Lou Benton, and H.V. O'Brien. Many others have helped also.

Jo is a member of the Eastland County Art Association. She teaches art in her home in Rising Star. She has shown her work in this area for several years. Her work has won awards in various art shows. Jo has studied under Nell Goble, Mary Hogsitt, Maisi Sirois, Davide Slade, Bill Huffaker and George Kovach.

Jo's paintings will be on display at the Eastland National Bank. Everyone is invited to go by the bank.

Jesus said:
"Ye are the Light of the World."

"Let your light so shine before men, that they may see your good works, and glorify your Father, who is in heaven." (Matt. 5:14,16).

There's a sweet old story translated for men,

But writ in the long, long ago;

The Gospel according to Mark, Luke and John,

Of Christ and His mission below.

You are writing a gospel, a chapter each day,

By deeds that you do, by words that you say.

Men read what you write, whether faithless or true,

Say, what is the gospel according to you.

Men read and admire the Gospel of Christ, With its love so unending and true;

But what do they say, and what do they think
Of the gospel according to you.

'Tis a wonderful story, that gospel of love,

As it shines in the Christ-life divine,

And O that its truth might be told again
In the story of your life and mine!

Unselfishness mirrors in every scene,

Love blossoms on every sod,

And back from its vision the heart comes to tell

The wonderful goodness of God.

You are writing each day a letter to men:
Take care that the writing is true.

'Tis the only gospel some men will read.

That gospel according to you.

COMMENTARY

By Myrtle Owen

GOD'S ARMOR AGAINST SATAN'S

ATTACKS: Because of the peculiar nature of our enemy, the devil, God has provided peculiar armor for our protection and peculiar weapons with which to battle him. We have pointed out that there are only two sides in this warfare that deals with all of life, and we have emphasized that this is a spiritual battle. We also have emphasized that the outcome is never in doubt. God has all power and all things are under His control...and WE are victors because of Him. Satan has no power over us at all. This is contingent however on one thing: We must fight by God's rules. He has not left us in doubt of these rules. He has made every provision for our welfare in battle, our growth even in the midst of the warfare and for our ultimate and complete triumph over all the forces of the devil. What most people are prone to forget is the purely spiritual nature of the proceedings. Sometimes we allow

ourselves to be drawn into conflicts with people, or with things, or even with ourselves. II Timothy 2:25 speaks of "those that oppose themselves." When we forget who the real enemy is, we misdirect our firepower and it is dissipated without really getting to the root of the problem at hand. God carefully has outlined a complete set of armor for our protection and use in the battle and has set these forth in Ephesians 6:11-18: Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with the truth, and having on the breastplate of righteousness; and

your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked; And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication in the Spirit...Neither give place to the devil. (Ephesians 4:27).

GORDON SPOT

by DeMarquis Gordon

Have you seen the large colorful caterpillars with a horn on the rear end? We have had some calls about this insect that is described similar to characters from a horror movie.

The large worms are the larva of the white-lined sphinx, which is a large brown moth with

white stripes. The caterpillars are very colorful, ranging in colors from yellow and green to almost black. While they do look very bad, they have not been causing any economic damage. They seem to prefer weeds rather than grass.

Weeds are a problem

in backyard gardens just as they are in large fields of peanuts and cotton. They compete with your desirable plants for water, soil nutrients, sunlight and air. In some cases, they may harbor many different kinds of insects as well as diseases.

What can you do about weeds in your garden? Believe it or not hand hoeing is probably still the best answer. It is inexpensive, quite selective, accurate, effective

and, for some, even enjoyable. Some local gardeners feel a great deal of emotional satisfaction from leaning on a hole handle a viewing a clean row where weeds stood only minutes before. Remember, weeds should be relatively small when hoed or pulled from your garden since damage may occur to vegetables if weeds are allowed to get too big before being removed.

Another effective method of controlling garden weeds is to use a mulch. Mulching is one of the real keys to successful garden in this part of Texas. A mulch is simply defined as "any material spread on garden soil to protect plant roots from heat, cold or drought, reduce problem weeds and keep fruit clean." A mulch control weeds by keeping light away from seedlings and by providing a mechanical barrier to their emergence. Mulches work best against weeds and grass that come up from seed each year. Any weeds that do come through the mulch can be spotted easily and removed from the garden.

Good mulching materials in this area are compost, straw, leaves, hay, sawdust, wood shavings, bark, newspaper and plastic sheeting. Organic mulches are, by far, the most common but remember that they should not be applied too early in the spring. If you mulch a cold garden soil, it warms up slower, delaying the maturity of most vegetables. One benefit when using organic mulches is that at the end of the season, they can be turned under to improve the physical condition of your garden soil.

Black plastic film has been used as a garden mulch for a long time. It is probably the most popular synthetic material available. It will result in a warmer soil early in the season and will greatly reduce the weed population. However, if weeds are not a problem, it is an

excellent mulching material. Several sheets of newspaper laid flat over the top of the garden row will also help control most weeds. However, like organic mulches, newspaper can cause delayed maturity of many garden vegetables such as tomatoes, peppers and squash if applied too early.

A third method which I feel has limited value for garden weed control is herbicides. While such chemicals work well in single crop situations, it is difficult to use them in a garden where a wide assortment of vegetables may occupy a fairly small space. I personally feel that herbicides are difficult to use in most garden situations and should not be used by the average home gardener in Eastland County.

If you have a relatively large garden, it is possible to use herbicides satisfactorily by grouping vegetables for their tolerance to certain chemicals and diligently following all label precautions. However, your best bet for satisfactory weed control is to sharpen your trusty hoe and to practice the age-old

RECIPE FOR THE WEEK

Summer is always the time for graduation parties and wedding showers. For something a little different and really special, you might like to serve Tiny Texas Pecan Pies. Ken Roark, Cisco 4-Her, entered this recipe in the 4-H Food Show. They are delicious! **Tiny Texas Pecan Pies**
Crust: 1 stick oleo, 1 cup flour, 1 small pkg.

cream cheese.

Cream together, leave in refrigerator 30 minutes. Remove from refrigerator and take pieces of dough about the size of a large marble and press in very small muffin pans to form crust.

Filling: 1 egg
1 T. oleo
1 tsp. vanilla
¾ cup brown sugar
⅓ cup chopped pecans
Mix this and add to pie crust and bake at 325 degrees for 25 minutes.

Twenty-Four Members of Beta Upsilon Meet

Twenty four members of Beta Upsilon and one visitor, Mrs. Julie Wives, met for the final regular business meeting of the current year Saturday, May 2, in the Christian Church, Cisco, Texas, at 9:30 a.m.

Hostesses Lois Whitaker, Hellen Hathaway, Olga Fay Parker, Ina Stamey, and Ethel Johnston served delicious refreshments from a beautifully decorated table in the fellowship hall.

President Anna Auvenshine conducted the business meeting, and recognized the contributions of three members who are retiring from active teaching this year: Ruby Lee Pirtle, Adeline Meredith, and Dorothy Shook.

With Betty Odom at the piano Catherine Goleman led the group in singing "Hymn to Founders", "In Memory", and the

Delta Kappa Gamma Song". Using individual sketches of the twelve founders, Adeline Meredith presented a most interesting program briefly reviewing qualities that revealed their outstanding abilities to lead, teach, organize, and inspire others. She was assisted by Ileana Beck and Catherine Golemon.

An International Society, Delta Kappa Gamma was founded in 1929 by Dr. Annie Webb Blanton, Miss Mamie Sue Bastian, Miss Ruby Cole, Miss Mabel Grizzard, Dr. Anna Hiss, Miss Ray King, Miss Sue King, Dr. Helen Koch, Mrs. Ruby Terrell Lomax, Dr. Cora M. Martin, Mrs. Lalla M. Odom, and Miss Lela Lee Williams.

Members were encouraged to attend the Fifty-second Alpha State Convention in Fort Worth, Texas, June 11-14, 1981

WTU Files Application for Coal Fire Generating Plant

An application has been filed with the Texas Public Utility Commission for a certificate of convenience and necessity for a coal-fired generating plant to be built in North Texas by West Texas Utilities Company and two other operating companies in the Central and South West Corporation.

The certificate is required before actual construction can start on the plant, which will be built on a 1,937 acre tract which WTU purchased from the fabled Waggoner Ranch eight miles southeast of Vernon and three miles southwest of Oklaunion. The application is for Oklaunion Power Station Unit No. 1, which will have a net capacity of 640 megawatts. Ultimately, three units with a total capacity of 1920 megawatts are planned.

Cooling water will come from Lake Diversion, 20 miles south of the site. WTU purchased water rights in 1977 from Wichita County Water Improvement District No. 2 and the City of Wichita Falls. Boiler fuel will be low sulphur

western coal, probably from Wyoming mines.

Oklaunion will be the first power plant to be jointly owned by CSW operating companies. WTU, the managing partner, will own 350 megawatts, Central Power and Light Company of Corpus Christi 115 megawatts, and Public Service Company of Oklahoma 175 megawatts. The other CWS operating company, Southwestern Electric Power Company of Shreveport, will not participate. PSO's participation hinges on a favorable ruling by the Federal Energy Regulatory Commission regarding an agreement between the CWS System and members of the interstate Texa Interconnected System to install direct current interconnections across state lines.

The application states that the plant is needed to satisfy load growth of the companies and to reduce dependence on natural gas as a boiler fuel. Unit One is scheduled for operation by December, 1986. Total cost is estimated at \$675,104,000.

Oil News

Holmes Kenner, Dallas, staked two Eastland County wildcat locations 10 miles southwest of Cisco.

Senior Center News

We had a full week starting with Monday which was spent with the AARP group of Cross Plains. Sixteen Starbrites entertained and enjoyed lunch there.

Tuesday twenty two attended the program presented by the home extension agent and her assistant. She was a very adept teacher and caused us to take new interest in preserving foods. I plan to dry apples which I have never tried before. I am sure all come away with some new ideas in canning, freezing or drying of foods.

Only twelve were able to go to May on Wednesday but all reported an especially pleasant time. Starbrites played and fellowship and lunch were enjoyed.

Regular Thursday luncheon was attended by the average number of thirty people. We welcomed one new face, Mrs. Jay Koonce. We thank each who contributed to the kitchen's shower. We assure each of you who gave money that it will be used for needed equipment.

The week was finished out by our band playing at the local nursing home

Saturday evening. Seventeen Starbrites and several boosters were there. There were some out of town and even out of state people visiting relatives in the home, listening to the music and songs.

Our calendar dates for the rest of May are as follows:

May 16, at 2 p.m. all are invited to an Aloe Vera Products party at the Center. If you use these products or are interested in learning about them come and bring any one interested.

May 18, we will have open house at seven o'clock. This will be a salad supper and party in keeping with Senior Citizen month. Senior Citizen of the year, King and Queen and Band Sweetheart will all be revealed and honored.

May 30, the club will be the scene of a birthday party celebration. All those with May birthdays will be honored. Stew and cornbread with some surprises in store at 7 p.m.

A special thanks to Janna Long for the lovely flower arrangement.

UMW Meets Monday

The United Methodist Women of First United Methodist Church met Monday afternoon at the church for the study of questions asked by United Methodists. The study was presented by Mrs. McAndrews. Mrs. James Armstrong presided with Mrs. E.A. Hull giving the invocation.

Mrs. McAndrews and the group discussed the questions, "What is the Church," "What Are the Most Important Images of the Church," "Are There Other Organizations Besides

the Church," "Does the Church Have Leadership in the Social Problems of the Community."

Mrs. McAndrews read scriptures from Luke Chapter 1; Acts Chapter 13; Romans Chapter 1, and Matthew chapter 2.

Special prayers were said for Bill and Joyce Easley's grandbaby, led by Mrs. Inez Hutton.

Coffee and doughnuts were served to the group by Cynthia Jones.

The Society Benediction was repeated in unison in closing.

FREE Hearing Tests Set For Rising Star

Free electronic hearing tests will be given at the 1st State Bank Community Room on Friday, May 15, 9 a.m. to 3 p.m. by Texas State Hearing Aid Center, Hearing Aid Specialists (licensed by the State of Texas) will perform the tests.

Nerve Deafness can be helped. Since a hearing problem affects the entire family, bring your husband, wife or friend. They can assist in the evaluation.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Most hearing problems gradually get worse. An annual test will help you keep track of a progressive loss. No hearing problem of any consequence should ever be ignored.

ANYONE WEARING AN AID CAN BRING IT IN FOR SERVICE & CLEANING
