

Petition Against County Purchase of Prison Land Filed

By Viola Payne

At 4 p.m. Thursday, Oct. 19, Carol Bullock presented County Clerk Joann Johnson a petition with 976 signatures protesting the issuance of certificates of obligation to buy prison land.

She said 538 signatures were required to force an election on whether the County Commissioners could issue bonds for the site.

Mrs. Bullock is the Chairman of a recently formed group called Citizens For Responsible Economic Development. She was accompanied to the Tax Office by her husband, Earl, and a group of friends.

No members of a group promoting the prison — the Eastland County Economic Development Council — were apparently present.

In answering questions from members of the Press, Mrs. Bullock said that she felt the cost of a prison would far outweigh any gain. She remarked that persons promoting the prison had spent a lot of money advertising, but she hadn't seen anyone put private funds in the project.

When asked by a Television newsman if she thought the advertising from the County Economic Development Council had been fair, she replied that from her point of view it had not been.

"They have tried to tell the voters that loss of a prison here would mean economic doom," she stated.

Mrs. Bullock also gave the following press release to the news media:

"Today, the Citizens For Responsible Economic Development submitted petitions signed by 976 qualified voters to County Clerk, Mrs. Joann Johnson. These petitions protest the issuance of

Certificates of Obligation by the Commissioners to purchase land to be given to the Texas Department of Corrections at no cost.

"We feel the taxpayer was circumvented by the Commissioners Court when they adopted a resolution in agreement with the Eastland County Economic Development Council to provide a means of financing without prior notice to the taxpayer. The resolution was not on the agenda.

"The signers of these petitions represent many others, who will voice their opinion in the voters booth. We know that this has drawn lines of differences in our communities and this is a terrible thing to do. Keep in mind that if they don't want a prison or higher taxes caused by a prison, you have that right. The E.C.E.D.C. instigated this with the commissioners, they drew the lines not the taxpayer. An Economic Council should represent the needs of all, not a few business men.

"This is largely a retirement area with many on fixed income. They will not work for the prison, they don't have anything to sell to the prison or the prison employees. How can the prison help them? Higher taxes? We know that the costs are going to be paid by the taxpayers of Eastland County. Lets never in the name of Economic Development hurt anyone.

"The media has presented this as a Carbon issue. This is not true, the signers of these petitions represent all areas of Eastland County. An election will allow the people of Eastland County to decide if they want the financial burden of locating a prison in Eastland County."

Prison Land Election Set

Eastland County Commissioners Monday set Sat., Nov. 18 as the date for citizens to vote "For" or "Against" the proposition to issue \$700,000 worth of certificates of obligation to buy a prison site - if the county is selected.

County Clerk Joann Johnson said that she would need a sample ballot by next Monday morning.

Absentee voting was projected to begin Oct. 30 and end Nov. 14.

The election was set after validation of the petition at 1:30 p.m. by Nancy Trout, Tax Assessor-Collector. There were 746 names certified, with 288 names rejected. Nancy Trout stated to the Commissioners that the petition contained enough names to legally call for a vote.

Reportedly 538 names would have met the criteria for 5% of the registered voters in the County.

After validation of the petition Norman Christian, Commissioner of Pct. 2, made the motion: "That we have an election as soon as the law allows." Other Commissioners agreed with him.

Joann Johnson, County Clerk, said that in her opinion Dec. 2 would be the earliest date in which the election

could be held. The matter of meeting legal requirements was referred to Joe Smith, financial consultant and Emory Walton, District Attorney.

After some discussion Joe Smith advised the Court that all criteria could be met by Nov. 18.

The afternoon decision on the election came after a morning session which generally dealt with other matters. The Courtroom and second floor of the Courthouse was packed with spectators both morning and afternoon.

Television cameras were set up after afternoon, with area newsmen conducting interviews. Chamber of Commerce members from Eastland and several from Cisco showed support for a prison by wearing their red coats.

Opinions of the crowd appeared to be deeply divided, however, with many opponents in evidence.

During the Commissioners meeting it was mentioned that if Eastland County were chosen for a prison location, the land would need to be turned over to the state by Jan. 1.

Reportedly the Texas Department of Corrections will announce its final choice for prison sites on Nov. 13.

1989 May Homecoming

Despite the fire trucks being called out during the parade, the May Homecoming activities on Saturday, October 21, went off without a hitch.

After registering during the coffee, 152 people were having such a good time visiting it was a shame to have to tear them away to attend the assembly. The assembly began with Dr. Oscar T. Jarvis ('47) leading the group in prayer. Don Rhodes, superintendent of schools, extended a welcome to the exes and their families.

The Junior High cheerleaders, Tonya Lancaster, Vicki Lee, Teri Hardwick, Brandi Reno and Tina Hardy, performed and then the business meeting began with the introductions of the association officers by President Cindy Wood. Introduced were Vice President Chick Eoff, Treasurer A.J. Dickerson, Secretary Beverly Pittman and Parade Chairman Randy Pittman. The reading of the secretary's minutes were approved as read and a treasurer's report was given.

No old business was brought up and new business began with an announcement of the day's schedule and class reunions. New signs were discussed.

Oldest graduates present were the Rev. Reginald Hardy, Anita Henry Chapin, Felton Underwood and Bonnie Grace LeMaster, all members of the Class of '23. The graduate traveling the farthest to attend was Kathryn Bryant ('37) of Elma, Wash.

Members present from the Class of 1939 included Joy Plummer, Joy McBride, Mozelle Sudderth Chambers, Mae Lester Sparkman, Trina Holt, Gladys Spurlock Rasberry, Lorian Micheal Bush, Travis Schultz, Justin McBride, Hugh Weathersby, Ione Striker, Tocoma Ribble Bowler and Quinton Bryan. The Class of '39 also had the most members present.

The current officers will serve through the 1990 Homecoming when new officers will be elected to serve 1991-1992. The nominating committee for new officers will be chaired by Chick Eoff and includes Patty Driskill Meador, Jean Plummer Hardwick and Ina Mae Willett Brown.

A committee to select a speaker for the 1990 assembly includes George Steel, Dr. Oscar T. Jarvis and Pershing Goss.

The 1989 Homecoming Queen, Junior Lisa Chambers, was presented to the assembly.

Elected as 1989 Coming-Home Queen and King were Lillie Gaines Richmond (ex-teacher 1930-41 who was also the first girls basketball coach) and Hugh Weathersby, Class of '39.

Door prizes were passed out and everyone headed for the Senior Class luncheon where approximately 371 people were fed. The meal

Homecoming Queen 1989 is Lisa Chambers, a junior in May High School. Lisa is the daughter of Bobby and Debbie Chambers.

Lillie Gaines Richmond and Hugh Weathersby were elected 1989 Coming Home Queen and King.

What a Weekend!

The May Homecoming weekend started with a bang, Friday night, Oct. 20, as the May Tigers punched a hole in the Gordon Longhorns 62-23.

Halftime saw the crowning of the Homecoming Queen. Candidates were Senior Lisa Doerschuk, escorted by her father, Paul Doerschuk; Sophomore Tiffanie Sosekee, daughter of Betty Griffith and Roger Sosekee and escorted by her father; Freshman Raelyn Wheeler, daughter of Linda and Ray Wheeler and escorted by her father.

Crowned as May Homecoming Queen 1989 was Junior Lisa Chambers, Lisa is the daughter of Bobby and Debbie Chambers and the granddaughter of Lena and Leroy Chambers of May and Lester and Jewel Linney of Rising Star. A.J. Dickerson, treasurer of the May Homecoming Assoc., presented Lisa with a bouquet of flowers. Lisa was driven around the football field by her father in a '66 red Impala convertible owned by Bill Jordan of Lake Brownwood. The other candidates followed in a '58 white impala convertible owned by Dub and Cathy Nance of Brownwood.

A plaque inscribed: "In memory and honor of M.H. Buchanan, Superintendent of Schools 1959-80. Presented by the Class of 1969." was presented to the family of the late M.H. Buchanan in

recognition of his 21 years of service to the May school system. Present were his wife, Mrs. Wanda Buchanan, and his sisters, Lara Robinson and Syble Loyd. Accepting the plaque were his children, Mona Lindley, Kyle Buchanan, Becky Buchanan, Kenny Buchanan and his wife, Suzette. The plaque, which will eventually be placed in the high school library, also has this quote, "What we do for ourselves, dies with us. What we do for others remains, and is immortal."

The Tigers took the field again and proceeded to demolish the Longhorns under the new football sign. The green and white sign is emblazoned with a large Tiger and has all of the 6-Man District through State Championships year numbers listed. This sign and two more for each end of town were donated by Curtis Butler and put up by Clayton Chambers, Darrell Crafton, Curtis Butler and student volunteers.

THANK YOU

Absolutely nothing the size of Homecoming can get done without the help of volunteers and victims.

Homecoming could not have possibly been as nice without the help and cooperation of the faculty and staff of the May School. The amount of time and preparation for this event is always extra work to be done and everything was beautiful; floats, buildings, grounds, and classrooms; to the administration, Don Rhodes, Ronnie Watkins and Don Lee for allowing the teachers and students to work on their art projects, for making lists and checking them twice or a dozen times and for seeing that everything was ready; to the PARENTS for their extra time and help; to Beth Chambers Renfro '77, Tricia Musick Michael '78 and Marie Chambers for registering guests and serving at the coffee; to the Seniors for the luncheon, to the Volunteer Fire Dept for leading the parade, Eddie Hardy for announcing the parade; Earl Wright for the sound system, and the Rising Star Wildcat Band for coming over; to Don Longoria, Julie Smith, Steve Begeschke, Beverly Brown, David Newman, Joe Crume and Brian Holmes for working at the volleyball tournament; to the Home Demonstration Club for providing supper; and to Mary White and Bonnie Grace LeMaster for keeping gate at the dance.

Much thanks also goes to those who provided door prizes at the meeting: WTU, lamps, caps and bulbs; Comanche Co. Electric Coop, 200 ice trays, litter bags, state maps; May General Store, case of soft drinks; May Cafe, hamburger, French fries and a coke; MAYDS, cookbook; May PTC, 2 caps; Ted Murphree's Texaco, \$10 gas; Jean and Stanley Bean, 2 lbs. tomatoes; Wells Fuel Stop, \$10 gas, case of soft drinks; and a free wave; Joy Pecan Shoppe, pecans, syrup, seasoning salt; shovel, Longhorn Motel, Early; Ccp, Brown Co. Feed & Seed, Brownwood; fruit, Chick Eoff.

Mere thank you's are not really enough but you made quite a number of people's visit quite enjoyable and the Homecoming Association appreciates each and every one of you.

Big thank you goes to Curtis Butler for the signs and all of the exes who donated to help pay for the signs!

Wildcats Shut Out Hornets 49-0

The Rising Star Wildcats shut out the Lometa Hornets 49-0 last Friday night in Wildcat stadium. Lee DeLong ran the opening kick-off back 31 yards, giving the 'Cats good field position on their own 41. Derrick White picked up 23 yards and on the second offensive play of the game Donny Alcorn sprinted 36 yards to the end zone. Alcorn's kick for the extra point was good and the 'Cats led 7-0 with 11:10 on the first quarter clock.

The Wildcat defense quickly set the pace of the game. They allowed Lometa only 2 yards in total offense the first quarter. No matter where the Hornets went they were met by a swarming Wildcat defense. The 'Cats' offense had several double-digit runs in the first quarter. Cody Wilson ran a punt back 35 yards, White had gains of 15, 10 and 10 while DeLong picked up 14 yards. White scored on the next play from the 1-yard line. Alcorn's PAT split the uprights and the 'Cats moved ahead 14-0 with 4:19 left in the first quarter.

On the next Wildcat scoring drive Jimmy Evans had a 26-yard run to the 1-yard line called back on a penalty. White picked up 14, then scored two plays later on a 9-yard run. Alcorn's PAT was good and with :18 left in the first quarter the 'Cats were ahead 21-0.

The second quarter was more of the same except that Lometa managed to make a first down on a 12-yard pass completion. The Wildcat defense continued to dominate and Lometa was forced to punt on all their drives. White had a 19-yard gain which set up his next touchdown when he dove 1 yard for the six points. Alcorn's PAT was right down the middle, giving the 'Cats a 28-0 lead with 6:52 left in the first half. Despite two more big gains by White, one 14 yarder and one 35-yard gain, the 'Cats were unable to score again before halftime.

The 'Cats continued to move the ball in the third quarter. White had a 19-yard gain but the 'Cats fumbled two plays later. The Wildcat defense simply overpowered Lometa, forcing them to punt, but another Wildcat fumble gave Lometa the ball on the Wildcat 24-yard line. Lometa came up with one first down in the entire third quarter when a 21-yard pass was completed. Again the mighty Wildcat defense held the Hornets scoreless. Alcorn had a 52-yard touchdown run called back on a penalty and the quarter ended without either team scoring.

White scored on the third play of the fourth quarter on a 4-yard run. Alcorn connected on the PAT and the 'Cats led 35-0. Alcorn scored next for the 'Cats on a 12-yard rush and his kick for the extra point split the uprights. With 3:53 left in the game the score was 42-0.

The last score of the game was set up by a Hornet fumble and 1:31 seconds later White ran 8 yards for the TD. Alcorn lined up for his seventh PAT out of DeLong's hold and the kick was good. The final score was Rising Star 49, Lometa 0.

The 'Cats have a major game ahead this Friday when they travel to Hico and take on the Tigers, undefeated in district play. This is a must-win situation for the 'Cats in their quest for a play-off spot. Please come and lend your support to these dedicated young men. See you Friday.

Halloween Golf Scramble Sat.-Sun. at Lakewood

Lakewood Recreation Center is planning a Halloween Golf Scramble, Sun., Oct. 29. Tee off time will be 1 p.m. Entry fee will be \$5 per person for this A,B,C,D. scramble. Normal rules will apply but let's all come dressed up for Halloween. That's always lots of fun.

We're also planning a chili supper afterwards. You can bring chili or beans, crackers, catsup, dessert or whatever you want. Everyone seems to really enjoy the fellowship. If you can't play Saturday, at least come have chili with us that evening.

The golf course has been on temporary greens the last two weeks while they overseeded the greens. The grass is starting to come up and should make a big difference this winter, and especially next spring and summer. They are now back on the regular greens, and appreciate everyone's patience.

The monthly supper will be held on Tues., Oct. 31, at 7 p.m. Everyone bring a covered dish. Be sure to come because President Jim McKoy says there will be a surprise entertainment. You don't want to miss that.

Sabanno Plans to Elect Directors

The Sabanno Community will have a meeting to elect new directors for the Sabanno Cemetery Association. Since the deaths of Truett Dawkins, Mr. and Mrs. Edwin Erwin and the resignation of Walter Lamanick,

new ones are needed. The meeting will be at the Sabanno Community Center at 10 Saturday morning Nov. 4.

Everyone who has loved ones buried there or those concerned about the upkeep should try to be there.

Letter To Editor

Re: EASTLAND COUNTY CRIME STOPPERS

I had the pleasure of attending your Crime Stoppers "kick off" and fundraiser Oct. 7 and was most impressed with the participation from the community citizens. Although this actual "Jail-a-Friend" was scheduled to run only three hours, from 1 to 4 p.m., the citizens joined together with law enforcement and media, TEAMWORK, and earned almost \$1,100 in donations to pay out as rewards for information on felony crimes that lead to an arrest and indictment! Just as important was the fun and teamwork that resulted from that fundraiser, as that is what makes Crime Stoppers a success.

The Eastland County Crime Stoppers Coordinator, Cathy Canady, did an outstanding job of coordinating the teamwork, although as in any program's first "Jail-a-Friend," it was a challenge with all the participation that citizens gave in the way of "fun warrants." It seems there are always more people to join the fun than there are "arresting officers"! Cathy was excellent in doubling up as coordinator and arresting

officer.

The directors were great, working as a team with the chairman, Rena Kirk, as team leader! It was obvious to me, as it was to Marshal Crime Stoppers and the representative from the Governor's Office, Paula Alvares, that Eastland Crime Stoppers is fortunate to have such dedicated workers on the Board of Directors, as well as a dedicated coordinator to coordinate the program.

Sheriff Hogan made a wise choice in sponsoring a Crime Stoppers program and appointing Ms. Canady to be the coordinator! As a Crime Stopper's coordinator she not only has the duty to the Sheriff's Department in Crime Stoppers, but has the duties of disbursing TIPS called in on the hotline to other law enforcement agencies within Eastland County when the TIP called in is concerning a city police department's case. As in my county, and in most small counties, the coordinator must fill other duty obligations in addition to the Crime Stoppers position. These obligations are to the sponsoring department, however, EASTLAND CRIME STOPPERS, ILNC, is a community wide project working with all law enforcement agencies, citizens and media to fight crime as a team. It was exemplified to me that Eastland Crime Stoppers has everything to be a success. Congratulations again to the directors and coordinator on a job well done!

Pioneer Pentecostal Had Homecoming

The Pioneer Pentecostal Church's annual homecoming convened at mid-morning Sat., Oct. 14, attended by about 70. It was good to hear from all the old-timers and to see them again. Everyone enjoyed the

music and singing. Some of the people came from a distance, Kingsland, Marble Falls, Odessa, Lubbock and from other centers.

A delicious and plentiful dinner was served at noon at the Pioneer clubhouse.

College/Technical School Night Is October 30

Junior and senior students of Big Country high schools may meet and talk with representatives from various colleges, universities and vocational training schools at a college/technical school program at Abilene High School Mon., Oct. 30, at 7 p.m.

Force, Army, Marine and Navy ROTC program representatives and a representative to discuss financial aid will participate in the program.

Students and their parents will meet in the auditorium and may then choose to attend three discussion groups of 30 minutes each to learn about the individual institutions.

'Painting for Freedom' Review Is October 26

Dorothy Perkins of Midland, Texas, will review the O'Brien book Painting for Freedom at Eastland Centennial Memorial Library on Thursday, Oct. 26, at 10:30 a.m.

The daughter of Emily Perkins and the late Joseph Perkins, Dorothy grew up in Eastland and graduated from High School here. She was awarded a B.A. degree in English from Texas Women's University, and a M.A. degree in English from Middlebury College in Vermont.

Miss Perkins taught English for a number of years in Midland High School, and also served as the Chairman of the English Department. Her varied interests have included much Civic, Church and Club work.

Her retirement from the English Department has left Dorothy Perkins more time for travel, book reviews, and volunteer work at Museum of the Southwest, Community Concerts, and the Woman's Club in Midland.

Dorothy Perkins has presented book reviews in several West Texas cities. She recently reviewed Painting for Freedom in Midland, and her discussion created a lot of interest in the book.

'I picked Painting for Freedom to review because I really enjoy it,' she says. 'It is truly different — the story in this book has never been told before. I am also impressed by the large amount of research H.V. and Gaynell O'Brien put into this book.'

Along with her review at the Library Miss Perkins will show colored slides of tapestry painting by Anna Laurie Harle, the artist depicted in the book.

'These paintings are really special,' Miss Perkins says. 'When I was a child the one in the First Methodist Church showing Christ Walking on the Water made a lasting impression on me. That's another reason why I like this book!'

Miss Perkins and the Library staff cordially invite the public to stop by on Thursday, Oct. 26, and hear this review. There will also be an opportunity to meet the authors/researchers Painting for Freedom — the new book created and published in Eastland.

Senator Glasgow Receives Award

AUSTIN—State Senator Bob Glasgow, D-Stephenville, has received a Distinguished Service Award from the Texas Chamber of Commerce for his work during the 71st Legislature.

Senator Glasgow was selected by the Texas Chamber based on his record votes on such issues as workers' compensation insurance reform, economic development, health care, education and crime, and his efforts in shepherding key programs through the legislative process.

"Senator Glasgow devoted a lot of time and energy to come up with constructive bills to boost our position in national and world marketplaces," said Texas Chamber president Larry Milner. "This award is our way of recognizing his distinguished service

and sacrifice in the interest of all Texans."

A top priority of the Texas Chamber is workers' compensation reform, and the chamber gave heavy weight to votes cast on reform measures. One of the key votes taken into consideration by the Chamber was a vote in the Senate to pass a reform package authored by Senator Glasgow. The Glasgow bill had the full support of the Texas Chamber.

"From my first day in the Senate, economic development and the business climate in Texas has been a top priority for me, and I am honored to receive this award from the Texas Chamber," said Glasgow.

"Having previously served as Vice Chairman of the Senate Economic Development Committee, and serv-

ing as co-chair of the Joint Select Committee on Worker's Compensation Reform, I know first hand how important a vibrant and healthy business climate is to my District and to Texas. I look forward to the future and continuing to work with the Texas Chamber in building the Texas economy."

Senior Center News

Mr. and Mrs. Loren Frost went to Brownwood Monday for a doctor's appointment. Wanelda Morton and Berna Lee Chick spent Wednesday in Abilene shopping and visiting. Donna Priest came from Del Rio and they all had lunch with Mr. and Mrs. Glen Densman.

The Rising Star Volunteers for our ambulance are working hard to keep this service going. There is a great need for more volunteers and your continued support with donations.

Marion and Marjorie West made a business trip to Brownwood Saturday.

Bob and Betty Biggs of Seminole visited the Oliver West families over the weekend.

Glen Shults is doing better. He said he was going to stay in Rising Star as long as he lives.

Edith Bostick visited her son and family last week in Wynnewood, Okla., also her granddaughter, Susan Mein, in Denton.

The club ladies have been busy preserving pears and working up the peppers into hot and mild sauces.

Willie Leah Maynard and Berna Lea Chick went to Brownwood and Stephenville last week. They went to garage sales, shopped at the mall, and had a picnic in the park.

Evelyn and Joe Ward went

to Zapata to see her son, Arthur and family, but was unable to fish as the wind was real strong. The visit short when the earthquake hit San Francisco: Joe's son, Jimmie, lives in that area; they've heard from him and they were O.K., only slight damage to bathroom fixtures. They raise a small breed of dogs and they said the dogs were really restless all day of the quake, so there must be something to animals sensing that something is going to happen.

The Senior Citizens are making preparations for a luncheon and bake sale to benefit the ambulance. We will be serving chili and stew with a dessert and drink. The date has been set for Friday, Nov. 17. It will be close to Thanksgiving and we hope to sell our cakes and pies to be frozen for the holiday dinners.

Bill Jenkins of Levelland, Mrs. Howard Gilliland of Fort Worth, Judi Spears and little son of Arlington and Clayton Miller of Dallas were recent visitors of Ladell Key.

Curtis and Stella Hill went to Lancaster last weekend to visit their new granddaughter. Their daughter, Kay and John Bradley, had adopted a 20-month-old little girl. They also visited their son, Marty.

Have a good week.
Marjorie West

The Saturday Club

The Saturday Club met on Wednesday, Oct. 18, at 2 p.m. Hostesses for the occasion were Anna Barnes and Lillian Howard.

The business meeting was conducted by the president. New members and guests were welcomed to the meeting. Emma Jean Steel voiced the prayer and Pauline Hudson led the pledge to the flag. The corresponding secretary was reminded to send C.A. Claborn a thank-you note for the beautiful floor lamp in memory of Mary. Correspondence and reports were given. Club members were encouraged to help with the garage and bake sale Oct. 20 and 21.

Anna Barnes presented Tim Riley, Rising Star school band director, who gave some highlights of the accomplishments of the

band in the last three years. He introduced two of his band students, Shannon Stuteville and Patricia Pavon. Shannon played a piano number, Patricia played a clarinet solo and Tim played two numbers on the clarinet. Rising Star is very fortunate to have these talented young people in our town and school.

After the musical program, refreshments of coffee, punch, hors d'oeuvres, chips, dips, nuts, cookies and other things were served by the hostesses from a lovely table decorated with a centerpiece of beautiful silk flowers. Other lovely floral pieces were scattered about the club rooms.

The next meeting will be November 1 with Emma Jean Steel and Blanche Cawley as program coordinators. All club members are urged to attend.

Pioneer Patchwork

By Irma Miller

The Pioneer clubhouse now has a few improvements, due to the quilting ladies' doing some work, helped by the men folks. Two windows were closed in around the air conditioner. The sheetrock which had fallen down was replaced, and strips were nailed to the ceiling to reinforce other ceiling pieces. A drop light has been added where one of our fluorescent lights had burned out and the stove pipe was secured. We finished the Churn Dash and worked on the Bow Tie.

Jean Fore had as visitors Sunday Mr. and Mrs. Marvin Watson, of Lovington, N.M.,

and they took her to dinner.

Mr. and Mrs. Henry Deihl, of Wichita Falls visited Billie and H.A. Freeman this past weekend.

Oliver and Frankie Smith went to Hillsboro Saturday to visit Mrs. Lena Kerbow, Oliver's aunt who is in the hospital there.

The annual Homecoming of the Pioneer Pentecostal Church, on Oct. 14, was a success, attended by about 70. There was lots of music and singing and the dinner, served at the Pioneer clubhouse at 12:45 p.m., presided over by Jewel Foster of Cross Plains, was delicious and plenteous.

Sipe Springs News

Mr. and Mrs. T.A. Weaver had dinner with Mr. and Mrs. Ronnie Cagle and family and other relatives Sunday.

Mr. and Mrs. Travis Boswell attended the Comanche National Bank's 100th birthday party Saturday at Comanche.

Some of the Sipe Springs Fire Dept. men attended the Gorman Fire Dept. barbecue supper at Gorman Saturday night.

Mr. and Mrs. Bernard Stamey and family of Dallas visited Mrs. Ruby Wyatt Sunday afternoon.

Mr. and Mrs. Grady Steel were honored Sunday on their 25th wedding anniversary with a party at the Baptist Church in Sidney. Those attending from here were Mr. and Mrs. John McKeehan, Mr. and Mrs. Shelton Breautigam, Whaley Jackson and Mary Jackson.

Mr. and Mrs. Woody Rye of Albuquerque, N.M. are visiting Mr. and Mrs. N.L. Leonard. Other visitors have been Mr. and Mrs. Mike

The Eastland County Art Association held a regular meeting Oct. 17 at the TU Reddy Room in Eastland. During the business part of the meeting President Joyce

Horn welcomed members and visitors. She called the meeting to order with the Club Collect. Neta Faye Parsons was the Treasurer's Report. Millie Sayre reported on

the recent County Art Show, and thanked those who helped make it a success. She commended Sue Mullenax for judging the show, and congratulated Betty Beggs for winning "Best of Show."

New officers were elected for the year 1989-90. These include, President Millie Sayre, Vice-President, Betty

Beggs, Secretary-Treasurer, Neta Faye Parsons, and Reporter, Cletes Williamson.

The program was enjoyed as each member shined her paintings and the others joined in the study. Ozella Huddleston and Lavene Stubblefield led in the critique. This is especially helpful for the beginner painters.

The next meeting will be at 5:15 p.m. the 2nd Tuesday of November at TU Electric. All are welcome and wanted.

Read The Classified Ads AGRICULTURAL MILESTONES

Tourism, one of the three largest state industries including oil and agriculture, is a growing sector of our economy. In 1986, travelers spent an estimated \$17 billion in Texas, generating 300,000 jobs and producing \$942 million in state and local tax revenue.

A vast potential exists to expand tourism and recreational opportunities in urban and rural areas, as well as coastal waters. An aggressive marketing campaign is being planned to expand the share of both domestic and foreign travelers. We are not yet fully exploiting the "Texas mystique" even though the state name is recognized widely in other states and countries, including those behind the Iron Curtain.

In the past, Texas has had little research to develop tourism resources in rural areas where economic opportunities are diverse. Recently, however, the Texas Agricultural Experiment Station developed a rural recreation and tourism initiative in cooperation with the Institute of Renewable Resources.

Texas' rural areas have a wealth of natural resources such as wildlife, agricultural production and scenic beauty, that could be used more effectively to support increased recreation and tourism.

In 1986, Texas tourism receipts in rural counties amounted to over \$4.4 billion. For each percentage increase in the Texas share of the United States travel market, estimates indicate an additional \$699 million for the rural economy could be produced.

The recreation and tourism industry is an especially important growth sector of the Texas economy. Station research has helped develop this growing industry in the past and will play a large role in its future growth. Careful planning based on scientific research is needed to make tourism a permanent part of the diverse state economy.

Ice Cream Makes Helping Others Sweet

A year's supply of ice cream! That's what the winners—and the organizations they serve—can participate in an unusual volunteer awards program being sponsored by Haagen-Dazs.

To help spread President Bush's "Thousand Points of Light" throughout our communities, Haagen-Dazs is announcing a Volunteer Awards Program to honor those ordinary citizens who, by giving of their time, energy and talent, are judged "to have made the greatest difference" through public service to:

- individuals in need
- a worthy cause
- their local communities, or
- the country

Five winners will be chosen from each of the five categories, determined to be among the most pressing in our nation, as follows:

- Education for Youth
 - The Elderly
 - The Homeless
 - The Environment/Quality of Life
 - Health Care
- Judging will be by a distinguished panel of leading representatives from the business and not-for-profit sectors.

TO ENTER
Submissions are due on or before Friday, November 17, 1989 and must be accompanied by an essay of 300 words or less describing the volunteers efforts. You must

include the volunteer's name, address, phone no. and the recipient organization. You can enter yourself, or on behalf of someone you admire. Entries should be submitted to: MasterMedia Ltd., 215 Park Avenue South, Suite 1601, New York, NY 10003, Attn: Haagen-Dazs Awards.

Both the individual winners and the organization they represent will each receive 52 pints of Haagen-Dazs ice cream (either one pint a week, or all at once for a truly cool party.) They will be announced on November 27, the Monday following Thanksgiving.

The program is being conducted in conjunction with the release of an important book about volunteer service, BEYOND SUCCESS: HOW VOLUNTEER SERVICE CAN HELP YOU BEGIN MAKING A LIFE INSTEAD OF JUST LIVING, (MasterMedia, Ltd.) by John F. Reynolds III and Eleanor Reynolds. It is full of specific information about the benefits of volunteerism to oneself and to society and includes a list of over a hundred not-for-profit groups.

May Homecoming

was prepared by the Senior parents under the direction of Cleo White. Faculty donated desserts. Donations were also made by Family Food Store and Chambers Grocery of Rising Star and Sav-On-Foods, Kroger's, Mrs. Biard's and Sligers of Brownwood.

A massive parade was led by the May Volunteer Fire Department and the Rising Star Wildcat Band paraded ahead of 13 school floats, eight antique cars and pickups, seven Halloween candidate cars, Miss Rising Star, Becky Walker, plus many other vehicles and a herd of bicycles and three- and four-wheelers through downtown May.

Winner of first place and \$50 in the float division was 1st Grade with "A night at the Tiger Drive-In in 1957," sponsored by 1st Grade mothers. On the float were Mrs. Vella Palette, teacher, and class members Beau Barton, Shae Berry, Jake Brown, Ashley Chambers, Denise Flanary, Kendra Gottfried, Chris Guess, Linda Jackson, Michelle Lee, Nathan Longoria, Keisha Matthews, Virgie McDonald, Naheim Mendoza, Marisha Michael, Kinsey Murphree, Kyle Ribble, Colt Thompson, Taylor Thornhill, Jeffrey Tischler, Cody Wade and Keri Doucetti. The pickup and trailer were provided by David Touchstone.

Second place and \$30 went to the 3rd Grade and their "Fabulous Fifties Soda Shop," sponsored by Lynda Wheeler and class mothers. Playing selections on the jukebox were Halloween candidates Julie Crim and Scott Murphree. Dennis Jackson was the soda jerk. Members of the 3rd Grade were the "Kids of the 50s." Their pickup and trailer were provided by Gary Don Lancaster and Steve Clemons.

Winner of third place and \$20 was the 4th Grade. Their theme was "Rock & Roll in the 50s." Members of the 4th Grade were on this float.

Winning first place and \$50 in antique car division was Bill Smith of Abilene, owner and driver of a '56 red and

white Ford T-Bird convertible. Second place and \$30 winners were Dub and Kathy Nance of Brownwood, owners and driver of a '58 white Chevrolet Impala convertible. Michael Hampton of Gorman won third place and \$20 driving his '55 Chevy in the parade.

Other antique car entries were a '55 Chevy pickup owned by L.B. Harris and driven by Don Rhodes, a '56 Ford pickup owned by HiWay Auto Parts of Brownwood and driven by Joel Kelton, a '57 Chevy pickup owned by Vic McCallie of May and kept between the "bar" ditches by Jacky Michael and Randy Purcell and a '66 Ford Fairlane owned by Dr. Michael and Linda Schultz of Brownwood and driven by Fleta Gregory.

The exes volleyball tournament started with a bye and worked around the firemen who had left to fight fire.

Teams entered included Crissy's Crashers, Bryan Thompson ('86) Richard Windham, Alex Teague, Glenn Pittman (all '85), Crissy Moore Blankenship ('86) Debby Pittman Stevenson, Darrin Chambers ('82) and Cindy Wood (much older); Allen's Killer Spikers, Bo Allen '80, Tanya Allen Davis '77, Pam Mitchell Holmes, Lorie Plamore Crume '78, Joe Crume '73 and James Driskill '82. '79ers included Becky Moore Coonrod, Denise Dolley, Bobby Coonrod, Jimmy Harrell '79, David Newman and Kathryn Harrell '81. Jackson Five included Johnny, David and Gary Jackson, Beth Palette Brush and Kathy Anderson. To help keep the tournament going Scott Lindley brought in his team also.

The Home Demonstration Club served a delicious supper so that no one would have to cook. To end the day the Shade Tree Band from Abilene blasted out the walls of the rodeo barn until one.

And so ends another homecoming. Hope everyone had a good time. See you next year.

Take the chill out of winter heating bills.

With winter just around the corner, WTU has these suggestions for lower energy bills.

1. Caulk and weatherstrip around windows and doors to help prevent excessive heat loss.
2. Check the attic for adequate insulation; R-30 is recommended.
3. Clean or replace filters monthly in your heating unit.
4. Tightly close the damper in the fireplace when not in use.
5. Set the thermostat at 68° or lower.
6. Open drapes and blinds during the day to let in sunlight and close them at night to hold in warm air.

For a more comfortable home and an electric bill that won't give you a chill, contact your local WTU office for more conservation tips.

Wildcats De-Wing Hornets by Roanen Barron

The Wildcats now have a season record of 6 wins and 1 loss after their 49-0 romp of the Lometa Hornets here last Friday night. The 'Cats' District record is even at 1 win, 1 loss.

The Wildcat offense looked much better than it had last week. The players were pumped up and were able to drive the ball at will, the line blocked so well that Senior tailback Derrick White gained 356 yards and Junior fullback Donny Alcorn had 101 yards rushing.

The defense of the 'Cats

looked very good also. They held the Hornets to just a few yards of total offensive gain. Coach Nathan Allen had made some changes in the defense and so far they seem to be working.

This week the Wildcats will have a very tough and important game against the Hico Tigers. The Wildcats must win this game to go to the playoffs. Unfortunately the game will be held at Hico: The 'Cats will really need your support. So "Ya'll come out and see us, ya hear."

On Oct. 28, the Band will be travelling to Brady for a band contest.

The first song the band will play is "Battle Hymn of the Republic" and the second song is "La Bamba." The third song, "Yellow Submarine," features the bells played by Shannon Stuteville, the clarinets played by Patricia Pavon, Misti Bailey and Cheryl Roninette and the flutes by Emily Stuteville, Gwen Hollis and Jo Linney. The last song the band will perform is "Proud Mary."

Good luck to the band at Brady this Saturday!

The first "after-school practice" went very well for Coach S. and the Lady Cats. We concentrated on shooting skills at the same time we ran windsprints to get in shape. Coach S. thought he fooled the Lady Cats, but he didn't. The next three or four days of practice will be spent shooting and running and learning offense and defense.

Keep up the good work, Lady Cats!
Have a good week!

Elementary Beat
by Gherda Williams

There are bound to be some future scientists in the fourth grade class of Rising Star Elementary School. They do many fascinating science projects.

Some examples are the two ant farms shown to me by Brandon Thompson who said, "One of the ant farms we call an ant cemetery because all of the ants in it have died!"

Jeff Harris and Clint Wolf showed me the crab which the class is observing.

Monica Rodrigues pointed out the tadpole the class is raising so they can watch its evolution into frog.

Katherine Smith presented her 'tornado in a jar'. She explained, "The marble in the bottom makes a whirlpool that looks like a tornado forming from a cloud."

They also have an insect and butterfly collection.

Teacher, Mrs. Shelly Bailey concluded, "The kids do so many projects that I probably couldn't name them all!"

Jr. Cats Escape Hornets' Sting by Becky Walker

"Never underestimate your opponent", was the most valuable lesson the Jr. Wildcats learned in their game against the Lometa Hornets this past Thursday. While a winning attitude is what has brought the Jr. 'Cats so far this season, the team let their feelings of confidence carry them a little far as they lagged behind the Hornets at halftime by a score of 6-8.

The Jr. offense waited until the end of the first quarter to make the first score, and without seeming to possess the needed desire to capture the extra points on the conversion, the Cats soon lost control of the game. Just as the halftime buzzer sounded,

Biscuits, gravy, juice, milk. WED.: LUNCH: Corn dogs, corn, salad, brownies, milk. BREAKFAST: Toast, bacon, fruit, milk.

THUR.: LUNCH: Frito pie, mixed vegetables, salad, crackers, jello, milk. BREAKFAST: Homemade cinnamon rolls, juice, milk.

FRI.: LUNCH: BBQ on bun, salad, pickles, salad, pickles, onions, relish, chips, cookies, milk. BREAKFAST: Biscuits, sausage, gravy, juice, milk.

the Hornets' impressive quarterback hit his receiver in the end zone with a pinpoint perfect pass. A successful two-point conversion play followed, and the half ended with the Cats trailing by a narrow, but disappointing two points.

Our gallant troop of Jr. patriots didn't surrender, however. Coming on the field during the third quarter, this high-strung bunch made it clear to the rival team that they were finally ready to play some REAL football! The Cats' defense couldn't be budged. The offense was set on driving 'til they reached the opposite end.

Finally, the team's consistent efforts were proven to be successful. In the first minute of the fourth quarter, David Bronson ran the ball past the goal line to score his second touchdown of the game and put the 'Cats' back on top where they belonged. Bronson didn't pass up this second opportunity for a quick two points and plowed ahead full speed to increase the team's lead to 14-8.

The 'Cats knew they couldn't afford to let up any and concentrated all their remaining energy into blocking every attempt by the quarterback to do some long-distance passing. Soon, the 'Cats regained possession of the ball and began making another series of short

drives down the field. Gaining considerable yardage on each successive play, the offense moved the ball to their own 10-yard line. Michael Perales made a fast get-away which left him just inches short of scoring. The 'Cats lined up and this time were able to push through the line with Jarod Horton on the carry for a third TD that finally put the 'Cats ahead by a satisfactory margin. The Jr. team received a 10-yard penalty on the conversion play as they were called offsides. Despite this, they still managed to make an eight-point sweep as Aaron Jones, hit by a smooth pass from DeLong, turned and made a clear run to the end zone. With only a few seconds remaining in the game, the score remained 22-8.

The Jr. Wildcats will face probably their toughest competition of the year as they host Hico in Rising Star Thursday night at 6:30. This looks to be the deciding game for the District winners. Can the Jr. Wildcats keep their winning streak alive? Will they become the new 1989-90 District Champs? This crucial game is sure to play a key factor. Let's all turn out to see if the Jr. 'Cats are really "Tuff Enuff"!!

Rushing: Horton 18/22, 1 TD; Perales, 5/24; Bronson, 9/46, 2 TDs, 1 XP; Jones, 2/14, 1 XP.

Passing: DeLong, 1 att., 1 comp., -1 yd.

Recovery: Bronson 1/1 yd. Tackles: Elliott 5, Horton 8½, Cook 2½, Perales 3½, DeLong 1¾, Lawyer ½, Bronson 4½, Robinette 1¾, Jones 2½, Robertson ½, Spencer ½.

GO, CATS!

WILL EZZELL #82

Number 82 this season for the Wildcats is the 5' 6", 136 lb. Freshman, Will Ezzell. Will honestly believes that the Wildcats are capable of winning the State Championship. When asked what it is like being a Freshman Wildcat, Will replied that he doesn't like carrying the hitting dummies. He says he still has fun though. Will says that a person must have much desire to be a Rising Star Wildcat.

Will's goal for this year is to catch a touchdown pass.

DUANE SCHWAB #51

Freshman Duane Schwab is a 5' 5", 185 lb. G/DT for the Wildcats this season. Duane expects the Wildcats to win the playoff game after district.

Duane says that being a Freshman Wildcat is a lot harder than he had expected it would be. He says that the hardest thing about playing football is being a Freshman and trying to do everything right. He says that it takes time to be a Rising Star Wildcat.

Duane's goal this year is to be a better football player.
